14

00:01:11,980 --> 00:01:10,370

this is somewhere in the skies with Ryan

15

00:01:31,190 --> 00:01:11,990

spread

16

00:01:38,390 --> 00:01:34,609

hey guys Ryan Sprague here doing an

17

00:01:41,990 --> 00:01:38,400

impromptu AMA tonight with you it is a

18

00:01:43,810 --> 00:01:42,000

gloomy rainy day here in Scotland but

19

00:01:48,350 --> 00:01:43,820

what else is new

20

00:01:49,609 --> 00:01:48,360

um according to all of my UK friends uh

21

00:01:52,010 --> 00:01:49,619

this is probably nothing actually

22

00:01:54,230 --> 00:01:52,020

compared to what they're used to but um

23

00:01:56,450 --> 00:01:54,240

yeah it was cold it was Breezy it was

24

00:01:59,990 --> 00:01:56,460

rainy and I thought what better way to

25

00:02:02,749 --> 00:02:00,000

spend tonight than inside where it's

26
00:02:05,209 --> 00:02:02,759
warm with you guys we've got way more

27
00:02:06,830 --> 00:02:05,219
people watching than I expected so thank

28
00:02:09,169 --> 00:02:06,840
you thank you to everyone who hopped in

29
00:02:10,790 --> 00:02:09,179
and decided to spend a I don't know

30
00:02:14,150 --> 00:02:10,800
we'll see we'll see how long this goes

31
00:02:16,070 --> 00:02:14,160
an hour or so uh with me tonight I

32
00:02:18,530 --> 00:02:16,080
really really do appreciate it it is

33
00:02:20,089 --> 00:02:18,540
nine o'clock P.M here in the UK so for

34
00:02:22,970 --> 00:02:20,099
all of my East Coasters and West

35
00:02:24,890 --> 00:02:22,980
coasters in the U.S uh welcome good

36
00:02:26,930 --> 00:02:24,900
morning good afternoon and to everyone

37
00:02:30,050 --> 00:02:26,940
around the world welcome to a very

38
00:02:32,630 --> 00:02:30,060

special impromptu AMA nothing's off the

39

00:02:34,910 --> 00:02:32,640

table I'll answer what ever you want we

40

00:02:37,430 --> 00:02:34,920

do have a surprise guest that's going to

41

00:02:39,770 --> 00:02:37,440

show up in just a little bit who broke a

42

00:02:42,530 --> 00:02:39,780

story uh literally about half an hour

43

00:02:44,509 --> 00:02:42,540

ago so they are going to come on and

44

00:02:46,970 --> 00:02:44,519

talk a little about this story and a few

45

00:02:49,130 --> 00:02:46,980

other questions I have for them turn in

46

00:02:52,190 --> 00:02:49,140

the tables AMA on our special guests

47

00:02:54,830 --> 00:02:52,200

coming to you guys very very soon

48

00:02:56,509 --> 00:02:54,840

um but before we do that I do want to

49

00:02:58,369 --> 00:02:56,519

let you guys know that the Super Chat

50

00:03:00,770 --> 00:02:58,379

and super stickers are open if you would

51
00:03:02,330 --> 00:03:00,780
like to help support someone disguise uh

52
00:03:04,729 --> 00:03:02,340
your questions will go to the top of the

53
00:03:08,270 --> 00:03:04,739
list with those super chats and I will

54
00:03:10,070 --> 00:03:08,280
answer those for you in a little bit I'm

55
00:03:12,710 --> 00:03:10,080
trying to think of what else I have our

56
00:03:14,570 --> 00:03:12,720
guest is already here he's early he's a

57
00:03:16,309 --> 00:03:14,580
professional unlike myself I was about

58
00:03:18,649 --> 00:03:16,319
three minutes late

59
00:03:20,750 --> 00:03:18,659
um but a lot of news a lot of news in

60
00:03:23,509 --> 00:03:20,760
the UFO world lately which we will

61
00:03:26,089 --> 00:03:23,519
definitely dissect tonight uh probably

62
00:03:28,369 --> 00:03:26,099
one of the first stories I'm going to

63
00:03:32,390 --> 00:03:28,379

ask our guest uh in just a little bit

64

00:03:35,990 --> 00:03:32,400

but um is where is the UAP report we

65

00:03:38,509 --> 00:03:36,000

were promised a pentagon UFO report the

66

00:03:40,309 --> 00:03:38,519

first to come out of the arrow this new

67

00:03:43,430 --> 00:03:40,319

group that is going to be studying UFOs

68

00:03:45,350 --> 00:03:43,440

within the uh the National Intelligence

69

00:03:47,330 --> 00:03:45,360

Agency the default Department of Defense

70

00:03:49,190 --> 00:03:47,340

all these acronyms that I can't keep

71

00:03:50,570 --> 00:03:49,200

them straight maybe our guests can clear

72

00:03:52,369 --> 00:03:50,580

this up for me

73

00:03:54,410 --> 00:03:52,379

um but you know what let's just do it

74

00:03:56,990 --> 00:03:54,420

let's bring him in he looks ready um

75

00:03:59,390 --> 00:03:57,000

he's getting over over a cold so I

76

00:04:00,710 --> 00:03:59,400

really appreciate him coming in tonight

77

00:04:04,130 --> 00:04:00,720

so

78

00:04:08,809 --> 00:04:04,140

again

79

00:04:12,589 --> 00:04:10,970

I should unmute myself you just said I

80

00:04:15,350 --> 00:04:12,599

was a professional I'm like yeah maybe I

81

00:04:17,750 --> 00:04:15,360

should turn the mic on apparently uh

82

00:04:20,390 --> 00:04:17,760

that's good it's good to see you

83

00:04:22,490 --> 00:04:20,400

you too my man how you feeling

84

00:04:25,370 --> 00:04:22,500

getting over it it's this time of year

85

00:04:29,210 --> 00:04:25,380

man California goes from like shorts

86

00:04:31,430 --> 00:04:29,220

t-shirt weather uh hot go to the beach I

87

00:04:34,610 --> 00:04:31,440

kid you not literally a day later it's

88

00:04:36,170 --> 00:04:34,620

freezing we just got rain here it's that

89

00:04:37,249 --> 00:04:36,180

weather change that kills me every year

90

00:04:40,129 --> 00:04:37,259

so

91

00:04:42,170 --> 00:04:40,139

you know enough whining from me but uh

92

00:04:43,909 --> 00:04:42,180

but yeah it it just it gets me there's

93

00:04:46,610 --> 00:04:43,919

always one every year around this time

94

00:04:48,590 --> 00:04:46,620

that just knocks me out for two weeks so

95

00:04:50,749 --> 00:04:48,600

hopefully I'm on the the tail end of it

96

00:04:54,110 --> 00:04:50,759

but the story today was just kind of too

97

00:04:55,610 --> 00:04:54,120

much to to sit on and and wait until my

98

00:04:58,610 --> 00:04:55,620

voice was better so I thought I'd drop

99

00:05:00,710 --> 00:04:58,620

the video and and do it yeah well yeah

100

00:05:03,830 --> 00:05:00,720

and you dropped this video literally to

101

00:05:05,990 --> 00:05:03,840

gosh 10 20 20 minutes ago

102

00:05:09,350 --> 00:05:06,000

um and this is some big news coming out

103

00:05:12,409 --> 00:05:09,360

about a lot of the recent stuff going on

104

00:05:14,510 --> 00:05:12,419

um everyone watching this has seen these

105

00:05:17,510 --> 00:05:14,520

Navy videos that we've been watching

106

00:05:19,490 --> 00:05:17,520

since 2017 that have made the rounds

107

00:05:21,530 --> 00:05:19,500

that were officially released by the

108

00:05:23,510 --> 00:05:21,540

Department of Defense there's so much

109

00:05:27,409 --> 00:05:23,520

you know we're going to be talking about

110

00:05:29,749 --> 00:05:27,419

these three videos forever but um what I

111

00:05:32,510 --> 00:05:29,759

think the UFO Community truly wants is

112

00:05:34,909 --> 00:05:32,520

more videos and we're excited because

113

00:05:37,189 --> 00:05:34,919

we're being told that they're looking at

114

00:05:39,710 --> 00:05:37,199

a lot more reports within the Pentagon

115

00:05:42,290 --> 00:05:39,720

on now than they did previously but this

116

00:05:44,810 --> 00:05:42,300

last assessment came out but the real

117

00:05:46,490 --> 00:05:44,820

question on everyone's mind is are we

118

00:05:48,170 --> 00:05:46,500

going to get more videos are there going

119

00:05:50,629 --> 00:05:48,180

to be things we could talk about for the

120

00:05:52,909 --> 00:05:50,639

next three four years and analyze so I

121

00:05:55,790 --> 00:05:52,919

gotta ask you what was this story you

122

00:05:57,710 --> 00:05:55,800

dropped today and uh hate us man hit us

123

00:05:59,689 --> 00:05:57,720

with the honest brutal truth about what

124

00:06:02,330 --> 00:05:59,699

you learned yeah it well it's both of

125

00:06:05,450 --> 00:06:02,340

those it's honest and brutal uh just to

126

00:06:07,129 --> 00:06:05,460

quickly preface the story if uh if you

127

00:06:09,409 --> 00:06:07,139

or your audience isn't aware a couple

128

00:06:11,930 --> 00:06:09,419

months ago I had published something and

129

00:06:13,850 --> 00:06:11,940

and put a video out as well they got

130

00:06:16,189 --> 00:06:13,860

some International attention and big

131

00:06:19,490 --> 00:06:16,199

headlines that the Navy was exempting

132

00:06:20,990 --> 00:06:19,500

100 of their UAP videos now obviously

133

00:06:23,629 --> 00:06:21,000

we've seen the three videos that they

134

00:06:25,370 --> 00:06:23,639

have officially released they claim 100

135

00:06:27,650 --> 00:06:25,380

of everything else that they have was

136

00:06:30,590 --> 00:06:27,660

was exempt from release due to national

137

00:06:32,330 --> 00:06:30,600

security reasons well after that

138

00:06:35,090 --> 00:06:32,340

happened and again there was quite a bit

139

00:06:37,430 --> 00:06:35,100

of media attention I had submitted a

140

00:06:39,170 --> 00:06:37,440

very lengthy appeal it's it was

141

00:06:42,529 --> 00:06:39,180

something that I would consider much

142

00:06:44,990 --> 00:06:42,539

bigger and more detailed than uh than I

143

00:06:46,790 --> 00:06:45,000

would normally submit on an appeal

144

00:06:48,950 --> 00:06:46,800

because I was really fighting for this

145

00:06:51,230 --> 00:06:48,960

but on top of it I really felt I had a

146

00:06:52,309 --> 00:06:51,240

strong case to get the Navy to reverse

147

00:06:55,070 --> 00:06:52,319

the decision

148

00:06:59,029 --> 00:06:55,080

so fast forward to a couple of hours ago

149

00:07:03,170 --> 00:06:59,039

I was about to do a interview in uh

150

00:07:05,870 --> 00:07:03,180

uh uh Denmark I believe they are and

151

00:07:07,550 --> 00:07:05,880

literally minutes before I go on we did

152

00:07:09,890 --> 00:07:07,560

the interview but minutes before I go on

153

00:07:11,629 --> 00:07:09,900

I get this denial letter and I'm like

154

00:07:13,610 --> 00:07:11,639

nah you got to be kidding me is this the

155

00:07:16,010 --> 00:07:13,620

same case and I looked up the case I

156

00:07:18,529 --> 00:07:16,020

went up that's it this is the one that I

157

00:07:19,189 --> 00:07:18,539

profiled that that

158

00:07:22,550 --> 00:07:19,199

um

159

00:07:24,950 --> 00:07:22,560

had denied 100 of the videos and

160

00:07:26,570 --> 00:07:24,960

essentially what happened was was and

161

00:07:28,430 --> 00:07:26,580

I'll pull it up on my end too just to

162

00:07:30,350 --> 00:07:28,440

make sure I'm not misquoting anybody but

163

00:07:31,909 --> 00:07:30,360

yeah the office of the Judge Advocate

164

00:07:33,350 --> 00:07:31,919

General had rendered their decision that

165

00:07:35,990 --> 00:07:33,360

they looked over everything that I put

166

00:07:38,809 --> 00:07:36,000

in the appeal and denied it so

167

00:07:40,909 --> 00:07:38,819

essentially they agreed with the Navy uh

168

00:07:43,430 --> 00:07:40,919

for withholding everything and I lost

169

00:07:45,350 --> 00:07:43,440

now one thing I put in my video that I

170

00:07:46,909 --> 00:07:45,360

want to kind of relay here is why is

171

00:07:48,290 --> 00:07:46,919

this important you know some people may

172

00:07:50,570 --> 00:07:48,300

think well you know they're Secrets

173

00:07:51,650 --> 00:07:50,580

there's there's secrecy all around you

174

00:07:53,809 --> 00:07:51,660

know who cares it's the government

175

00:07:56,270 --> 00:07:53,819

they'll never tell you anything these

176

00:07:59,749 --> 00:07:56,280

types of decisions are what play a role

177

00:08:02,390 --> 00:07:59,759

in future disclosures pardon pardon the

178

00:08:05,089 --> 00:08:02,400

word usage but disclosures in the sense

179

00:08:09,110 --> 00:08:05,099

of releases to the public uh either

180

00:08:12,110 --> 00:08:09,120

through foia or MDR or just them wanting

181

00:08:13,969 --> 00:08:12,120

to be transparent when they review stuff

182

00:08:16,550 --> 00:08:13,979

like this and make a decision at an

183

00:08:18,770 --> 00:08:16,560

appellate level not at a foia level even

184

00:08:22,070 --> 00:08:18,780

though I I lost that part second would

185

00:08:24,710 --> 00:08:22,080

be the pellet level now you're getting a

186

00:08:26,570 --> 00:08:24,720

much more serious decision making my

187

00:08:28,909 --> 00:08:26,580

next step is to go into a courtroom and

188

00:08:30,529 --> 00:08:28,919

deplete my case to a judge the problem

189

00:08:32,990 --> 00:08:30,539

with that is we're talking about

190

00:08:35,389 --> 00:08:33,000

National Security so the exact reason

191

00:08:37,550 --> 00:08:35,399

that they they are denying all of this

192

00:08:40,490 --> 00:08:37,560

they won't tell you they'll tell you the

193

00:08:43,490 --> 00:08:40,500

broad stroke language but we don't know

194

00:08:45,170 --> 00:08:43,500

exactly why these videos fit into that

195

00:08:48,050 --> 00:08:45,180

criteria so how do you fight something

196

00:08:50,690 --> 00:08:48,060

you don't know so beyond my appeal which

197

00:08:52,670 --> 00:08:50,700

I which I put a lot of effort into how

198

00:08:55,250 --> 00:08:52,680

do you fight what you are not told on

199

00:08:56,930 --> 00:08:55,260

why they are are denying this so that's

200

00:08:59,210 --> 00:08:56,940

why this is important because now this

201
00:09:01,730 --> 00:08:59,220
can resonate to other military branches

202
00:09:04,730 --> 00:09:01,740
if it hasn't already that this could

203
00:09:08,750 --> 00:09:04,740
play a role in their decision to release

204
00:09:10,670 --> 00:09:08,760
UFO UAP videos for years to come and the

205
00:09:13,250 --> 00:09:10,680
reason I say years is everything that

206
00:09:15,230 --> 00:09:13,260
they reviewed by the letter of the law

207
00:09:18,050 --> 00:09:15,240
they do not have to review it again for

208
00:09:20,210 --> 00:09:18,060
two years they can cite these cases and

209
00:09:22,550 --> 00:09:20,220
go sorry you know know that there's been

210
00:09:25,190 --> 00:09:22,560
a review and they will blanket deny it

211
00:09:28,730 --> 00:09:25,200
for for two more years and then you can

212
00:09:30,230 --> 00:09:28,740
submit a let's say MDR and hopefully get

213
00:09:32,269 --> 00:09:30,240

them to review it again and release it

214

00:09:34,790 --> 00:09:32,279

but we're two years out from that so

215

00:09:36,050 --> 00:09:34,800

it's a big development because uh just

216

00:09:37,970 --> 00:09:36,060

to close the thought you've got people

217

00:09:40,550 --> 00:09:37,980

out there that are using the disclosure

218

00:09:42,590 --> 00:09:40,560

word they feel that Congress being

219

00:09:45,230 --> 00:09:42,600

involved will somehow Trump National

220

00:09:47,509 --> 00:09:45,240

Security and I've long warned against

221

00:09:49,190 --> 00:09:47,519

that Congress does not Trump National

222

00:09:51,889 --> 00:09:49,200

Security they don't just say well look

223

00:09:53,990 --> 00:09:51,899

my my constituents want to know so you

224

00:09:56,090 --> 00:09:54,000

have to tell us that's not how that

225

00:09:57,590 --> 00:09:56,100

works that's why there's closed door

226

00:09:59,870 --> 00:09:57,600

sessions that's why there's classified

227

00:10:02,690 --> 00:09:59,880

briefings that's why they hold security

228

00:10:05,389 --> 00:10:02,700

uh Oaths it's because they will

229

00:10:08,990 --> 00:10:05,399

represent us in the halls of Congress

230

00:10:10,610 --> 00:10:09,000

asking odni questions or Navy or DOD or

231

00:10:13,190 --> 00:10:10,620

whomever but when it comes to

232

00:10:16,190 --> 00:10:13,200

classification uh they cannot Trump that

233

00:10:19,910 --> 00:10:16,200

and so what that essentially translates

234

00:10:22,550 --> 00:10:19,920

to is Congress will want to relay to

235

00:10:24,530 --> 00:10:22,560

their constituents there on it but at

236

00:10:26,449 --> 00:10:24,540

the end of the day that secrecy is even

237

00:10:27,949 --> 00:10:26,459

thicker than it was yesterday which is

238

00:10:31,070 --> 00:10:27,959

pretty frustrating

239

00:10:33,470 --> 00:10:31,080

yeah I remember I think last time we had

240

00:10:37,009 --> 00:10:33,480

you on uh actually this is when you

241

00:10:40,130 --> 00:10:37,019

brought up these exact points of the

242

00:10:41,810 --> 00:10:40,140

more they get involved the less we're

243

00:10:43,850 --> 00:10:41,820

probably gonna know the more they can

244

00:10:46,069 --> 00:10:43,860

put their you know wrap their fingers

245

00:10:47,930 --> 00:10:46,079

around it and and close the door a

246

00:10:50,509 --> 00:10:47,940

little tighter on us with classification

247

00:10:52,190 --> 00:10:50,519

and we're not just with a UFO topic like

248

00:10:55,790 --> 00:10:52,200

we're seeing over classification

249

00:10:58,490 --> 00:10:55,800

happening all over the Pentagon for all

250

00:11:00,350 --> 00:10:58,500

so many different reasons so why

251

00:11:02,329 --> 00:11:00,360

wouldn't it involve this topic and why

252

00:11:04,430 --> 00:11:02,339

wouldn't they use the I guess the

253

00:11:06,470 --> 00:11:04,440

blanket statement of National Security

254

00:11:08,990 --> 00:11:06,480

as a reason that we're not getting

255

00:11:13,069 --> 00:11:09,000

things or the reason that they just flat

256

00:11:15,170 --> 00:11:13,079

out lie or you know turn about face when

257

00:11:17,030 --> 00:11:15,180

they're responding to you in your in

258

00:11:19,550 --> 00:11:17,040

your requests and whatnot like I know

259

00:11:22,790 --> 00:11:19,560

for a fact and you've stated like you've

260

00:11:24,829 --> 00:11:22,800

gotten contradicting uh responses from

261

00:11:26,870 --> 00:11:24,839

different people throughout time uh

262

00:11:29,110 --> 00:11:26,880

showing clearly there's some sort of

263

00:11:32,290 --> 00:11:29,120

cover-up or there's some sort sort of um

264

00:11:35,930 --> 00:11:32,300

dishonesty going on uh it's it's it's

265

00:11:38,509 --> 00:11:35,940

sobering it's unfortunate but um I I

266

00:11:39,769 --> 00:11:38,519

guess my question for you John is uh and

267

00:11:41,389 --> 00:11:39,779

I really want people to go over and

268

00:11:43,670 --> 00:11:41,399

watch the video guys so definitely go

269

00:11:46,550 --> 00:11:43,680

watch that where John's gonna go into a

270

00:11:49,009 --> 00:11:46,560

lot more detail about this but um what

271

00:11:51,290 --> 00:11:49,019

do you think this says we're now two

272

00:11:55,550 --> 00:11:51,300

weeks out and we haven't gotten this new

273

00:11:58,069 --> 00:11:55,560

report coming out uh do you think this

274

00:12:00,949 --> 00:11:58,079

story uh this response you got has

275

00:12:02,389 --> 00:12:00,959

anything to do with that I mean are we

276

00:12:04,370 --> 00:12:02,399

seeing like

277

00:12:07,310 --> 00:12:04,380

I don't know are they all backtracking

278

00:12:10,610 --> 00:12:07,320

now and not giving this new uh Arrow

279

00:12:12,650 --> 00:12:10,620

group their information or Woody I I

280

00:12:15,769 --> 00:12:12,660

guess my big question is

281

00:12:17,210 --> 00:12:15,779

um where do you stand on why we haven't

282

00:12:19,490 --> 00:12:17,220

gotten this report that was supposed to

283

00:12:22,069 --> 00:12:19,500

come out two weeks ago at this point

284

00:12:24,350 --> 00:12:22,079

well my guess is as good as anybody's I

285

00:12:26,690 --> 00:12:24,360

mean I really don't have or claim to

286

00:12:30,949 --> 00:12:26,700

have any Insider information

287

00:12:33,530 --> 00:12:30,959

um I I believe that uh part of this uh

288

00:12:36,230 --> 00:12:33,540

is due to a rewrite I know that that has

289

00:12:37,790 --> 00:12:36,240

been bantered about online I don't think

290

00:12:39,829 --> 00:12:37,800

what has been bantered about on Twitter

291

00:12:41,210 --> 00:12:39,839

is entirely accurate when it comes to a

292

00:12:44,150 --> 00:12:41,220

rewrite but I don't have the answer to

293

00:12:46,430 --> 00:12:44,160

that either I wish I did I aim to find

294

00:12:48,949 --> 00:12:46,440

that out but from what I understand yes

295

00:12:52,009 --> 00:12:48,959

the the rewrite word came up or a

296

00:12:55,850 --> 00:12:52,019

request came up and they have been uh

297

00:12:57,769 --> 00:12:55,860

essentially reworking the report again I

298

00:13:00,470 --> 00:12:57,779

aim to go after all of this the problem

299

00:13:02,810 --> 00:13:00,480

with doing it now meaning filing cases

300

00:13:05,509 --> 00:13:02,820

to try and answer those questions it's

301
00:13:08,750 --> 00:13:05,519
all still unfolding we don't have an

302
00:13:10,730 --> 00:13:08,760
answer to it as far as I'm aware the

303
00:13:12,889 --> 00:13:10,740
report has not been delivered either at

304
00:13:15,410 --> 00:13:12,899
a classified level or unclassified level

305
00:13:18,410 --> 00:13:15,420
I look forward to anybody making those

306
00:13:19,910 --> 00:13:18,420
claims to show the proof but there's no

307
00:13:22,430 --> 00:13:19,920
proof that that's actually happened and

308
00:13:24,230 --> 00:13:22,440
so what what hurts all of this is all

309
00:13:26,509 --> 00:13:24,240
these claims that are being made online

310
00:13:29,930 --> 00:13:26,519
by various people and we don't really

311
00:13:31,790 --> 00:13:29,940
have any answers yet uh why it is going

312
00:13:34,670 --> 00:13:31,800
back to the root of your question again

313
00:13:37,250 --> 00:13:34,680

I really don't know I'm not sure

314

00:13:38,870 --> 00:13:37,260

um I got a lot of heat big shocker for

315

00:13:41,569 --> 00:13:38,880

putting out the the sentiment that I

316

00:13:44,090 --> 00:13:41,579

think that there's a maybe waning

317

00:13:46,670 --> 00:13:44,100

Congressional interest in this and and

318

00:13:49,370 --> 00:13:46,680

as that interest maybe wanes a little

319

00:13:51,650 --> 00:13:49,380

bit for whatever reason uh you don't

320

00:13:54,230 --> 00:13:51,660

have the motivation for them to be on

321

00:13:56,629 --> 00:13:54,240

time and last year was encouraging

322

00:13:59,030 --> 00:13:56,639

because it was on time and one thing I

323

00:14:01,670 --> 00:13:59,040

pointed out today on my channel was That

324

00:14:03,350 --> 00:14:01,680

and the run-up to that report

325

00:14:06,230 --> 00:14:03,360

you had all these news agencies that

326

00:14:07,970 --> 00:14:06,240

were doing different stories you had TMZ

327

00:14:09,410 --> 00:14:07,980

doing man on the streets running around

328

00:14:11,449 --> 00:14:09,420

with like cell phone camera what do you

329

00:14:13,190 --> 00:14:11,459

think of the UAP stuff and and getting

330

00:14:15,650 --> 00:14:13,200

these sound bites that all of us would

331

00:14:19,310 --> 00:14:15,660

love because these big voices were

332

00:14:21,530 --> 00:14:19,320

talking about UAP on Fox news on CNN on

333

00:14:23,569 --> 00:14:21,540

the street with TMZ you know fill in the

334

00:14:25,069 --> 00:14:23,579

blank it was all over the place this

335

00:14:26,990 --> 00:14:25,079

time around you don't see that as much

336

00:14:29,449 --> 00:14:27,000

of course there's a few videos here and

337

00:14:31,310 --> 00:14:29,459

there but I would I would definitely put

338

00:14:33,889 --> 00:14:31,320

up the argument that the interest there

339

00:14:35,930 --> 00:14:33,899

by the media which then fuels the

340

00:14:37,490 --> 00:14:35,940

motivation by Congress to to get

341

00:14:40,009 --> 00:14:37,500

involved because they love the spotlight

342

00:14:42,290 --> 00:14:40,019

let's let's not forget that aspect to

343

00:14:43,310 --> 00:14:42,300

this it's not all about them wanting to

344

00:14:45,829 --> 00:14:43,320

be

345

00:14:47,990 --> 00:14:45,839

um uh transparent and push for

346

00:14:49,670 --> 00:14:48,000

transparency on UAP I hate to say it but

347

00:14:51,769 --> 00:14:49,680

they're politicians so they're going to

348

00:14:54,410 --> 00:14:51,779

go where that interest is to stay in the

349

00:14:57,470 --> 00:14:54,420

spotlight to make everybody happy and

350

00:14:59,810 --> 00:14:57,480

yeah get the votes I'm sorry uh that's

351

00:15:01,610 --> 00:14:59,820

just the reality to it so this time

352

00:15:03,230 --> 00:15:01,620

around you don't have that and a lot of

353

00:15:05,150 --> 00:15:03,240

of people push back on me saying well

354

00:15:08,030 --> 00:15:05,160

we're in the middle of midterms so they

355

00:15:09,590 --> 00:15:08,040

let it go and I'm a big believer that

356

00:15:12,050 --> 00:15:09,600

you know I harp on the government a lot

357

00:15:13,490 --> 00:15:12,060

but they can walk and chew gum so if

358

00:15:15,949 --> 00:15:13,500

they can't go through that midterm

359

00:15:18,350 --> 00:15:15,959

season and still ask an agency about a

360

00:15:20,449 --> 00:15:18,360

congressionally mandated report that's

361

00:15:23,930 --> 00:15:20,459

an issue you know I mean that's that's a

362

00:15:28,250 --> 00:15:23,940

problem so what what is the answer is it

363

00:15:30,230 --> 00:15:28,260

a a waning interest I hope not did odni

364

00:15:32,269 --> 00:15:30,240

contact Congress you know let's say a

365

00:15:34,189 --> 00:15:32,279

week before the deadline and say hey

366

00:15:36,410 --> 00:15:34,199

we're going to be late that's a

367

00:15:39,170 --> 00:15:36,420

possibility too and and Congress doesn't

368

00:15:41,449 --> 00:15:39,180

have any requirement to tell us about

369

00:15:44,150 --> 00:15:41,459

that or odni

370

00:15:46,550 --> 00:15:44,160

um a little interesting note OD and I

371

00:15:48,170 --> 00:15:46,560

can rarely if ever put out official

372

00:15:50,030 --> 00:15:48,180

statements about their Congressional

373

00:15:52,009 --> 00:15:50,040

correspondence

374

00:15:53,509 --> 00:15:52,019

um mainly because the public record

375

00:15:55,129 --> 00:15:53,519

accession acts like the Freedom of

376

00:15:58,189 --> 00:15:55,139

Information Act they don't apply to

377

00:16:01,129 --> 00:15:58,199

Congress so you very rarely unless uh

378

00:16:03,710 --> 00:16:01,139

you know it's approved get odni to talk

379

00:16:05,870 --> 00:16:03,720

about or any agency to talk about their

380

00:16:08,509 --> 00:16:05,880

direct communication with Congress

381

00:16:11,030 --> 00:16:08,519

because that's just not how that works

382

00:16:14,030 --> 00:16:11,040

or rather you you need Congress to speak

383

00:16:16,370 --> 00:16:14,040

for Congress and uh if they don't want

384

00:16:17,810 --> 00:16:16,380

to tell you there's there's no it

385

00:16:20,329 --> 00:16:17,820

doesn't matter they don't care to tell

386

00:16:22,250 --> 00:16:20,339

you so we're just kind of left to to

387

00:16:24,650 --> 00:16:22,260

speculate and that's I think where the

388

00:16:27,110 --> 00:16:24,660

damage is coming in because now you have

389

00:16:29,269 --> 00:16:27,120

the speculation you have the the

390

00:16:31,550 --> 00:16:29,279

accusations you have all this stuff

391

00:16:33,590 --> 00:16:31,560

going on even news articles writing

392

00:16:38,090 --> 00:16:33,600

about reports that don't even exist yet

393

00:16:39,650 --> 00:16:38,100

so how did that happen uh that's I in my

394

00:16:41,870 --> 00:16:39,660

opinion may be further supporting that

395

00:16:43,970 --> 00:16:41,880

there was some finished product and then

396

00:16:46,189 --> 00:16:43,980

somebody squawked to the New York Times

397

00:16:49,310 --> 00:16:46,199

in the Daily Mail may have been the same

398

00:16:51,050 --> 00:16:49,320

Source who knows but you know there's a

399

00:16:53,389 --> 00:16:51,060

lot of these weird unanswered questions

400

00:16:55,610 --> 00:16:53,399

floating around but at the end of the

401
00:16:58,249 --> 00:16:55,620
day we just don't know yet and I look

402
00:17:00,530 --> 00:16:58,259
forward to figuring it all out but until

403
00:17:03,110 --> 00:17:00,540
we get the confirmation that the report

404
00:17:05,329 --> 00:17:03,120
either classified unclassified or both

405
00:17:07,549 --> 00:17:05,339
is delivered to Congress that's when I

406
00:17:09,530 --> 00:17:07,559
can act through foia and then put it in

407
00:17:10,970 --> 00:17:09,540
writing but until then they'll likely

408
00:17:12,309 --> 00:17:10,980
reject it because it's still in draft

409
00:17:14,929 --> 00:17:12,319
form

410
00:17:17,270 --> 00:17:14,939
gotcha gotcha yeah and that's all we're

411
00:17:20,150 --> 00:17:17,280
waiting for every time there's a gap or

412
00:17:22,250 --> 00:17:20,160
a void that's when we depend on you to

413
00:17:25,069 --> 00:17:22,260

fill in those gaps and voids with facts

414

00:17:27,169 --> 00:17:25,079

not so special facts no pressure my man

415

00:17:29,690 --> 00:17:27,179

I gotta ask you this um I don't want to

416

00:17:32,210 --> 00:17:29,700

keep you too long I know you're a full a

417

00:17:34,130 --> 00:17:32,220

full afternoon uh Timber Chet recently

418

00:17:36,470 --> 00:17:34,140

saying Congress has compromised sounded

419

00:17:38,930 --> 00:17:36,480

both plausible and dangerous what do you

420

00:17:40,789 --> 00:17:38,940

think John talk about speculation we

421

00:17:43,370 --> 00:17:40,799

have a congress member saying that some

422

00:17:47,570 --> 00:17:43,380

members might be con compromised by

423

00:17:50,150 --> 00:17:47,580

Arrow by the Pentagon uh to not

424

00:17:52,070 --> 00:17:50,160

push this topic forward when you know

425

00:17:54,289 --> 00:17:52,080

when these Congressional hearings were

426
00:17:55,850 --> 00:17:54,299
taking place uh they were really pushing

427
00:17:57,710 --> 00:17:55,860
for it uh what do you make of this

428
00:18:00,590 --> 00:17:57,720
theory that yeah maybe they're

429
00:18:02,690 --> 00:18:00,600
compromised I don't know I I just heard

430
00:18:04,730 --> 00:18:02,700
that myself I think term burchett's an

431
00:18:07,549 --> 00:18:04,740
interesting voice in all of this he had

432
00:18:10,430 --> 00:18:07,559
retweeted something that I had posted a

433
00:18:12,590 --> 00:18:10,440
few months back and uh told me to keep

434
00:18:14,330 --> 00:18:12,600
pushing that it was a cover-up and when

435
00:18:16,310 --> 00:18:14,340
you have a sitting Congressman retweet

436
00:18:17,990 --> 00:18:16,320
you and on anything and say it's a

437
00:18:20,029 --> 00:18:18,000
cover-up it's a very interesting

438
00:18:22,130 --> 00:18:20,039

accusation to make and when you fast

439

00:18:24,710 --> 00:18:22,140

forward and see his history with this

440

00:18:27,049 --> 00:18:24,720

and now saying Congress has compromised

441

00:18:28,789 --> 00:18:27,059

I'd love to pick his brain and ask him

442

00:18:31,310 --> 00:18:28,799

why he says that I mean those are big

443

00:18:34,549 --> 00:18:31,320

allegations to make are they you know

444

00:18:37,610 --> 00:18:34,559

political shots across the bow is this

445

00:18:39,529 --> 00:18:37,620

real information that he has I don't

446

00:18:41,690 --> 00:18:39,539

know I mean again it's it's speculation

447

00:18:43,549 --> 00:18:41,700

but it piqued my interest for somebody

448

00:18:45,650 --> 00:18:43,559

who's who's sitting in Congress to make

449

00:18:47,510 --> 00:18:45,660

that accusation and the reason why I

450

00:18:50,270 --> 00:18:47,520

brought up the retweet on my stuff call

451
00:18:54,770 --> 00:18:50,280
calling it a cover-up is that now he's

452
00:18:56,570 --> 00:18:54,780
got a a clear history of essentially

453
00:18:58,610 --> 00:18:56,580
supporting that idea supporting the

454
00:19:00,409 --> 00:18:58,620
notion that the government is lying to

455
00:19:02,750 --> 00:19:00,419
us they're covering something up and

456
00:19:05,930 --> 00:19:02,760
potentially compromised the compromise

457
00:19:09,110 --> 00:19:05,940
is an interesting word choice um again I

458
00:19:11,330 --> 00:19:09,120
that I I don't want to speculate on uh

459
00:19:13,010 --> 00:19:11,340
but but what one thing that I will talk

460
00:19:16,610 --> 00:19:13,020
about more kind of broadly and

461
00:19:18,230 --> 00:19:16,620
generically uh is when Congress people

462
00:19:20,750 --> 00:19:18,240
go through these briefings and they hear

463
00:19:21,470 --> 00:19:20,760

what they're they're going to hear

464

00:19:23,690 --> 00:19:21,480

um

465

00:19:26,750 --> 00:19:23,700

I want to know if that's kind of the

466

00:19:28,610 --> 00:19:26,760

root cause of them with their waning

467

00:19:31,130 --> 00:19:28,620

interest that they start hearing things

468

00:19:33,409 --> 00:19:31,140

uh that doesn't mean they're necessarily

469

00:19:35,210 --> 00:19:33,419

compromised but rather the questions

470

00:19:39,409 --> 00:19:35,220

that they had while they were on that

471

00:19:41,090 --> 00:19:39,419

TMZ show or Fox News or CNN or whomever

472

00:19:43,310 --> 00:19:41,100

um they start to get answers a little

473

00:19:46,490 --> 00:19:43,320

bit but the answers come in a classified

474

00:19:48,250 --> 00:19:46,500

realm and so now you have to back off a

475

00:19:50,990 --> 00:19:48,260

little bit and stop pushing the issue

476

00:19:54,049 --> 00:19:51,000

I've I've long talked about what I call

477

00:19:56,750 --> 00:19:54,059

the counterintelligence value to the UAP

478

00:19:59,090 --> 00:19:56,760

discussion and essentially what I mean

479

00:20:02,510 --> 00:19:59,100

by it is there are so many layers to

480

00:20:03,970 --> 00:20:02,520

this onion that the U.S military the

481

00:20:07,190 --> 00:20:03,980

intelligence agencies and the government

482

00:20:09,110 --> 00:20:07,200

can use it for counterintelligence

483

00:20:12,529 --> 00:20:09,120

purposes that sounds conspiratorial but

484

00:20:15,470 --> 00:20:12,539

it's it's absolutely what they do all

485

00:20:17,570 --> 00:20:15,480

the time and I think that by pleading

486

00:20:19,850 --> 00:20:17,580

ignorance on certain things I quote

487

00:20:22,669 --> 00:20:19,860

unquote identifying things in other

488

00:20:24,350 --> 00:20:22,679

instances you are playing a game not

489

00:20:27,350 --> 00:20:24,360

necessarily with the target of the

490

00:20:29,930 --> 00:20:27,360

American people but rather the worldwide

491

00:20:32,570 --> 00:20:29,940

audience and the worldwide intelligence

492

00:20:34,190 --> 00:20:32,580

agencies that they look now into America

493

00:20:36,830 --> 00:20:34,200

and they think all the crazy Americans

494

00:20:38,450 --> 00:20:36,840

are pushing UFO stuff and then all of a

495

00:20:40,190 --> 00:20:38,460

sudden the government I'll just take one

496

00:20:42,370 --> 00:20:40,200

example that I'm sure will fire up some

497

00:20:44,690 --> 00:20:42,380

people but like the 2004 Nimitz

498

00:20:46,850 --> 00:20:44,700

encounter I don't know if that was

499

00:20:49,610 --> 00:20:46,860

classified Tech or a foreign piece of

500

00:20:52,490 --> 00:20:49,620

classified Tech or whatever it might be

501
00:20:54,409 --> 00:20:52,500
but if they start saying

502
00:20:55,850 --> 00:20:54,419
we don't know what this is and this is a

503
00:20:57,230 --> 00:20:55,860
hypothetical I'm not saying this is true

504
00:20:59,450 --> 00:20:57,240
for anybody who's going to attack me

505
00:21:01,490 --> 00:20:59,460
after but the hypothetical saying they

506
00:21:03,830 --> 00:21:01,500
look at that the military says oh we

507
00:21:06,770 --> 00:21:03,840
have no idea what that Nimitz uh

508
00:21:09,590 --> 00:21:06,780
encounter is and let's just say it was a

509
00:21:12,409 --> 00:21:09,600
Chinese platform that that encroached

510
00:21:15,470 --> 00:21:12,419
onto a naval training exercise

511
00:21:17,390 --> 00:21:15,480
um whatever fill in the blank what are

512
00:21:19,730 --> 00:21:17,400
you doing by saying you don't know what

513
00:21:21,169 --> 00:21:19,740

that is you're confusing the heck out of

514

00:21:22,909 --> 00:21:21,179

the other intelligence agencies going

515

00:21:25,250 --> 00:21:22,919

wait a minute they really didn't know

516

00:21:27,890 --> 00:21:25,260

that was us we thought that they saw

517

00:21:29,450 --> 00:21:27,900

that it was us but you know it's just

518

00:21:31,810 --> 00:21:29,460

kind of those war games that we've

519

00:21:34,909 --> 00:21:31,820

played for decades

520

00:21:37,250 --> 00:21:34,919

the Russians and even formerly the

521

00:21:39,649 --> 00:21:37,260

Soviet Union were doing the exact same

522

00:21:41,510 --> 00:21:39,659

thing not talking about each other in

523

00:21:43,789 --> 00:21:41,520

the same exact Waters that they would

524

00:21:46,130 --> 00:21:43,799

run and there are documented incidents

525

00:21:48,830 --> 00:21:46,140

where submarines would actually scrape

526

00:21:50,690 --> 00:21:48,840

holes going past each other but the

527

00:21:52,430 --> 00:21:50,700

governments wouldn't talk about it right

528

00:21:54,289 --> 00:21:52,440

so it was kind of like this Mutual we

529

00:21:56,029 --> 00:21:54,299

knew you were there but we're not going

530

00:21:57,470 --> 00:21:56,039

to talk about it or acknowledge it and

531

00:21:59,930 --> 00:21:57,480

they would they would do these kind of

532

00:22:01,909 --> 00:21:59,940

War games so again that

533

00:22:05,630 --> 00:22:01,919

counterintelligence value to situations

534

00:22:07,430 --> 00:22:05,640

like that is absolute gold but before

535

00:22:09,890 --> 00:22:07,440

anybody thinks that I'm saying it's all

536

00:22:11,810 --> 00:22:09,900

classified Tech it works on the other

537

00:22:14,149 --> 00:22:11,820

end too when you have a certain

538

00:22:17,149 --> 00:22:14,159

percentage of cases that don't have an

539

00:22:19,730 --> 00:22:17,159

identification that truly don't have an

540

00:22:22,130 --> 00:22:19,740

ID we have no idea what these are and I

541

00:22:23,950 --> 00:22:22,140

think I'll be at a small percentage I do

542

00:22:27,230 --> 00:22:23,960

think that they're out there

543

00:22:30,529 --> 00:22:27,240

now by kind of just throwing all this

544

00:22:33,169 --> 00:22:30,539

mud out there you kind of hide that in

545

00:22:35,570 --> 00:22:33,179

the process you hide that in the mud so

546

00:22:38,149 --> 00:22:35,580

to speak and so it makes it increasingly

547

00:22:41,390 --> 00:22:38,159

difficult for people like me you your

548

00:22:43,730 --> 00:22:41,400

audience to decipher what in the heck is

549

00:22:45,470 --> 00:22:43,740

going on and and that's where that

550

00:22:47,810 --> 00:22:45,480

counterintelligence value comes in

551
00:22:51,230 --> 00:22:47,820
because now you're having the discussion

552
00:22:53,990 --> 00:22:51,240
so you satisfy the public demand you're

553
00:22:55,490 --> 00:22:54,000
creating reports which you know some are

554
00:22:57,649 --> 00:22:55,500
identified some are not there's a

555
00:22:59,450 --> 00:22:57,659
balloon you're showing progress if the

556
00:23:01,549 --> 00:22:59,460
New York Times is accurate with their

557
00:23:03,710 --> 00:23:01,559
summation even though Julian Barnes had

558
00:23:05,630 --> 00:23:03,720
some silly word choices but let's say

559
00:23:08,450 --> 00:23:05,640
that that's happening you've now

560
00:23:11,090 --> 00:23:08,460
satisfied Congress uh but on the world

561
00:23:14,270 --> 00:23:11,100
stage you're also confusing all of these

562
00:23:17,090 --> 00:23:14,280
world powers and in the process and the

563
00:23:19,070 --> 00:23:17,100

true mystery Behind These phenomena the

564

00:23:23,090 --> 00:23:19,080

stuff that all of us are really kind of

565

00:23:26,029 --> 00:23:23,100

the most drawn to uh you hide it all in

566

00:23:29,029 --> 00:23:26,039

that mud and I and I think in my opinion

567

00:23:32,029 --> 00:23:29,039

that's what's going on right now uh that

568

00:23:35,270 --> 00:23:32,039

that they are using this topic to just

569

00:23:37,310 --> 00:23:35,280

throw mud out there to where people just

570

00:23:40,430 --> 00:23:37,320

give up and you you actually see that

571

00:23:42,110 --> 00:23:40,440

right now with a lot of of voices that

572

00:23:44,690 --> 00:23:42,120

over the last couple of years where big

573

00:23:46,669 --> 00:23:44,700

advocates for transparency

574

00:23:49,130 --> 00:23:46,679

um call them activists if you want

575

00:23:52,010 --> 00:23:49,140

whatever they're doing all of that and

576
00:23:53,330 --> 00:23:52,020
they've gotten so frustrated and it's a

577
00:23:55,730 --> 00:23:53,340
growing list I'm not just talking about

578
00:23:58,370 --> 00:23:55,740
one or two but it's a growing list of

579
00:23:59,930 --> 00:23:58,380
people that just say I'm done I forget

580
00:24:03,710 --> 00:23:59,940
it there's nothing to this because they

581
00:24:05,450 --> 00:24:03,720
get so frustrated with it uh someone in

582
00:24:07,370 --> 00:24:05,460
my channel while the my video was

583
00:24:09,710 --> 00:24:07,380
playing they were so frustrated they

584
00:24:11,990 --> 00:24:09,720
said I've invested 30 years of my life

585
00:24:13,789 --> 00:24:12,000
in this I'm out I'm like whoa wait

586
00:24:16,630 --> 00:24:13,799
that's not my intent with this video

587
00:24:20,149 --> 00:24:16,640
don't get that don't get that frustrated

588
00:24:23,210 --> 00:24:20,159

but that is part of this Arena and we

589

00:24:25,970 --> 00:24:23,220

can't let them win and we can't let them

590

00:24:28,490 --> 00:24:25,980

achieve that if that really is going on

591

00:24:30,470 --> 00:24:28,500

and I I told myself that 26 years ago

592

00:24:32,330 --> 00:24:30,480

when I was 15. if there was a government

593

00:24:34,490 --> 00:24:32,340

cover-up they would frustrate me to no

594

00:24:36,649 --> 00:24:34,500

end and they'd want me to stop and I

595

00:24:40,010 --> 00:24:36,659

vowed and this is not an exaggeration I

596

00:24:42,169 --> 00:24:40,020

vowed to myself at that point

597

00:24:44,570 --> 00:24:42,179

um it was like in the first few months

598

00:24:46,130 --> 00:24:44,580

first six months of using foia I'm like

599

00:24:47,330 --> 00:24:46,140

wow there's really a cover up here this

600

00:24:50,470 --> 00:24:47,340

is what they want me to do because I was

601
00:24:52,789 --> 00:24:50,480
getting frustrated uh even back then now

602
00:24:55,549 --> 00:24:52,799
the stories that's going on now Trump

603
00:24:57,230 --> 00:24:55,559
those but uh I told myself don't do it

604
00:24:59,390 --> 00:24:57,240
that I mean look if there's this massive

605
00:25:01,490 --> 00:24:59,400
cover-up which I believe now is easily

606
00:25:04,250 --> 00:25:01,500
provable uh they want you to go away

607
00:25:05,990 --> 00:25:04,260
don't do it and that's what I kind of

608
00:25:07,850 --> 00:25:06,000
feel is going on now and we're seeing a

609
00:25:09,710 --> 00:25:07,860
growing number of voices that are just

610
00:25:13,430 --> 00:25:09,720
saying forget it I'm done they're out

611
00:25:16,789 --> 00:25:13,440
and uh and it's uh painful to see I I

612
00:25:19,250 --> 00:25:16,799
wish I didn't see that yeah I know you

613
00:25:21,350 --> 00:25:19,260

know and there are specific people we

614

00:25:24,350 --> 00:25:21,360

could point out who you know were big

615

00:25:26,210 --> 00:25:24,360

activists and just kind of moved on kind

616

00:25:29,390 --> 00:25:26,220

of you know took off the rose-colored

617

00:25:32,450 --> 00:25:29,400

glasses and saw the deception that we

618

00:25:34,909 --> 00:25:32,460

deal with in this field uh gosh ever

619

00:25:37,970 --> 00:25:34,919

since the beginning and it's frustrating

620

00:25:40,610 --> 00:25:37,980

John I know you uh me many others in

621

00:25:43,549 --> 00:25:40,620

this chat we all have been in this God

622

00:25:45,470 --> 00:25:43,559

I'm going on like over 20 years now

623

00:25:48,110 --> 00:25:45,480

um I know you're you're comparable to

624

00:25:51,890 --> 00:25:48,120

that as well and it is frustrating

625

00:25:53,029 --> 00:25:51,900

because ever since that 2017 article

626
00:25:55,310 --> 00:25:53,039
came out

627
00:25:57,130 --> 00:25:55,320
so many of the people in this field just

628
00:26:00,409 --> 00:25:57,140
had a funny feeling from the very start

629
00:26:02,870 --> 00:26:00,419
and I had it I I'm sure I don't want to

630
00:26:04,789 --> 00:26:02,880
speak for you but I'm sure you obviously

631
00:26:06,470 --> 00:26:04,799
were very skeptical

632
00:26:08,690 --> 00:26:06,480
um I ruffled some feathers in the

633
00:26:10,909 --> 00:26:08,700
beginning I think yeah as you should

634
00:26:12,470 --> 00:26:10,919
have and as you're still doing and

635
00:26:14,409 --> 00:26:12,480
that's what we need

636
00:26:16,669 --> 00:26:14,419
um it's very

637
00:26:19,970 --> 00:26:16,679
disheartening and it does make like I've

638
00:26:22,850 --> 00:26:19,980

wanted to quit this this to be honest

639

00:26:26,029 --> 00:26:22,860

this for a very long time because

640

00:26:28,130 --> 00:26:26,039

you get you get your heart broken time

641

00:26:30,529 --> 00:26:28,140

and time and time again

642

00:26:34,070 --> 00:26:30,539

um and I guess that has more to do with

643

00:26:36,470 --> 00:26:34,080

the the power you give this mystery uh

644

00:26:38,149 --> 00:26:36,480

at least in my experience you know if

645

00:26:40,310 --> 00:26:38,159

you let it run your life if this is what

646

00:26:43,370 --> 00:26:40,320

you're gonna base every decision on in

647

00:26:46,490 --> 00:26:43,380

your day uh you got a problem like you

648

00:26:48,649 --> 00:26:46,500

have to disassociate from this UFO topic

649

00:26:52,130 --> 00:26:48,659

every now and again and live your life

650

00:26:54,350 --> 00:26:52,140

but at the same time it's hard when like

651
00:26:56,570 --> 00:26:54,360
um these headlines keep coming out you

652
00:26:57,590 --> 00:26:56,580
know every week of governments doing

653
00:26:59,390 --> 00:26:57,600
this government's doing this

654
00:27:01,130 --> 00:26:59,400
government's doing this but then we and

655
00:27:03,769 --> 00:27:01,140
the public never hear about any of it

656
00:27:04,850 --> 00:27:03,779
it's it's frustrating and then now we're

657
00:27:06,830 --> 00:27:04,860
learning

658
00:27:09,350 --> 00:27:06,840
um that mostly everything is going to be

659
00:27:11,690 --> 00:27:09,360
classified or we're not going to see

660
00:27:13,970 --> 00:27:11,700
videos and it makes a lot of these

661
00:27:16,789 --> 00:27:13,980
activists who just got involved be like

662
00:27:18,230 --> 00:27:16,799
oh oh this isn't going to be as easy as

663
00:27:20,510 --> 00:27:18,240

I thought yeah and then you have the

664

00:27:23,269 --> 00:27:20,520

older people being like yeah no

665

00:27:25,730 --> 00:27:23,279

it's not told you to do this before

666

00:27:28,789 --> 00:27:25,740

and and that's the problem history keeps

667

00:27:30,529 --> 00:27:28,799

repeating itself I mean I I think a lot

668

00:27:32,090 --> 00:27:30,539

of people I don't want to say the

669

00:27:34,850 --> 00:27:32,100

majority but I think a lot of people

670

00:27:37,850 --> 00:27:34,860

forget why we're in this we're in this

671

00:27:40,730 --> 00:27:37,860

to get the answers right in my opinion

672

00:27:44,390 --> 00:27:40,740

nobody has the answers nobody has a

673

00:27:46,970 --> 00:27:44,400

hundred percent of of the story and I

674

00:27:50,630 --> 00:27:46,980

think that for me anyway it's the draw

675

00:27:52,130 --> 00:27:50,640

of the mystery and the fun behind what

676

00:27:54,590 --> 00:27:52,140

this is all about

677

00:27:57,230 --> 00:27:54,600

in the process I think some people lose

678

00:28:00,710 --> 00:27:57,240

that they may get in for that they'll

679

00:28:03,529 --> 00:28:00,720

see somebody that forgive the word but

680

00:28:06,049 --> 00:28:03,539

but but idolize that they feel that that

681

00:28:08,390 --> 00:28:06,059

they are the truth the way the light I

682

00:28:09,649 --> 00:28:08,400

hate to use that expression but it

683

00:28:13,250 --> 00:28:09,659

becomes

684

00:28:15,289 --> 00:28:13,260

a dangerous way to approach this uh

685

00:28:17,510 --> 00:28:15,299

because then all of a sudden you're not

686

00:28:19,789 --> 00:28:17,520

looking for the truth anymore you're

687

00:28:22,070 --> 00:28:19,799

looking for your truth right you all

688

00:28:24,169 --> 00:28:22,080

you're looking for is the confirmation

689

00:28:26,390 --> 00:28:24,179

of what you want to believe in I call it

690

00:28:28,610 --> 00:28:26,400

the I want to believe syndrome and you

691

00:28:30,230 --> 00:28:28,620

sacrifice the reasons that you got into

692

00:28:32,570 --> 00:28:30,240

this you sacrifice common sense you

693

00:28:36,529 --> 00:28:32,580

sacrifice logic you sacrifice all of

694

00:28:38,029 --> 00:28:36,539

that for the belief that you want and

695

00:28:41,090 --> 00:28:38,039

that's where it becomes dangerous it

696

00:28:42,769 --> 00:28:41,100

becomes frustrating it becomes toxic and

697

00:28:45,350 --> 00:28:42,779

that's what's what's frustrating we

698

00:28:47,750 --> 00:28:45,360

can't lose the root of why we all got in

699

00:28:50,330 --> 00:28:47,760

this and I truly feel that that that

700

00:28:53,930 --> 00:28:50,340

that that root is the same for all of us

701

00:28:56,990 --> 00:28:53,940

now whether or not we sprout a weed from

702

00:28:59,269 --> 00:28:57,000

that root or a plant that grows is all

703

00:29:01,789 --> 00:28:59,279

up to the person uh but just to stick

704

00:29:04,370 --> 00:29:01,799

with that analogy but that's what that's

705

00:29:06,830 --> 00:29:04,380

what I think we're we're now seeing we

706

00:29:09,470 --> 00:29:06,840

have to take a step back and we have to

707

00:29:11,450 --> 00:29:09,480

question the last five years and we have

708

00:29:14,930 --> 00:29:11,460

to question what is really going on

709

00:29:17,810 --> 00:29:14,940

right this isn't personal with anybody

710

00:29:20,690 --> 00:29:17,820

uh this isn't making silly baseless

711

00:29:23,269 --> 00:29:20,700

accusations against anybody but rather

712

00:29:27,049 --> 00:29:23,279

this is taking the stories that we've

713

00:29:28,490 --> 00:29:27,059

been told since December of 2017. on

714

00:29:31,370 --> 00:29:28,500

both sides of this debate government

715

00:29:34,070 --> 00:29:31,380

spokespeople through foia documentation

716

00:29:35,930 --> 00:29:34,080

uh in Congressional hearings and those

717

00:29:38,210 --> 00:29:35,940

that have come out of the government or

718

00:29:40,130 --> 00:29:38,220

those advocating that that they want

719

00:29:42,350 --> 00:29:40,140

transparency and they used to work for

720

00:29:44,930 --> 00:29:42,360

the government we have to question what

721

00:29:48,590 --> 00:29:44,940

is it that they really want to achieve

722

00:29:51,230 --> 00:29:48,600

here why are we getting this mud from

723

00:29:53,870 --> 00:29:51,240

both angles right the government and

724

00:29:57,529 --> 00:29:53,880

those that were government at one time

725

00:29:59,630 --> 00:29:57,539

thrown into this that's not a bad

726

00:30:01,430 --> 00:29:59,640

approach to take but I think again going

727

00:30:04,789 --> 00:30:01,440

back to what I was saying that people

728

00:30:07,430 --> 00:30:04,799

are looking for their truth it then

729

00:30:08,930 --> 00:30:07,440

becomes a war this isn't research

730

00:30:11,870 --> 00:30:08,940

anymore it's not a conversation anymore

731

00:30:14,930 --> 00:30:11,880

it's not even a debate it is it is a

732

00:30:17,389 --> 00:30:14,940

downright war between those that want to

733

00:30:19,610 --> 00:30:17,399

believe something and then those that

734

00:30:21,649 --> 00:30:19,620

are just trying to figure it out you

735

00:30:25,070 --> 00:30:21,659

know and and those that really just want

736

00:30:27,049 --> 00:30:25,080

the answers and you know not to I don't

737

00:30:29,269 --> 00:30:27,059

want to go off on a tangent I apologize

738

00:30:31,010 --> 00:30:29,279

but I think that that going back to what

739

00:30:33,409 --> 00:30:31,020

you were saying this is what I think

740

00:30:36,710 --> 00:30:33,419

people have lost and and you see that

741

00:30:40,610 --> 00:30:36,720

come out in passion and frustration and

742

00:30:44,510 --> 00:30:40,620

it is so painful to see because it makes

743

00:30:46,610 --> 00:30:44,520

you wonder is there an an intent to

744

00:30:49,190 --> 00:30:46,620

achieve part of that because you do have

745

00:30:51,529 --> 00:30:49,200

these voices that two years ago were

746

00:30:53,450 --> 00:30:51,539

were really on board with advocating for

747

00:30:54,950 --> 00:30:53,460

transparency there was something to

748

00:30:57,049 --> 00:30:54,960

these phenomena they didn't claim to

749

00:30:58,970 --> 00:30:57,059

have answers themselves and then two

750

00:31:02,510 --> 00:30:58,980

years later they're like this is a sham

751
00:31:05,029 --> 00:31:02,520
we're getting used they get used

752
00:31:06,649 --> 00:31:05,039
um you s you see that transition and

753
00:31:09,470 --> 00:31:06,659
again if anybody thinks I'm talking

754
00:31:12,889 --> 00:31:09,480
about one or two people trust me I'm not

755
00:31:15,830 --> 00:31:12,899
it is a growing list of people that I

756
00:31:18,710 --> 00:31:15,840
see in my timeline that are going

757
00:31:21,409 --> 00:31:18,720
through this and it is painful to see it

758
00:31:23,990 --> 00:31:21,419
really is because at the end of the day

759
00:31:26,090 --> 00:31:24,000
this secrecy has gone on for well more

760
00:31:29,090 --> 00:31:26,100
than a half a century the cover-up is

761
00:31:30,950 --> 00:31:29,100
provable with ample evidence that no one

762
00:31:32,930 --> 00:31:30,960
can deny that doesn't automatically

763
00:31:35,690 --> 00:31:32,940

equate to aliens but where I'm going

764

00:31:37,669 --> 00:31:35,700

with this is a build up to don't lose

765

00:31:39,889 --> 00:31:37,679

the passion of why you're here because

766

00:31:43,430 --> 00:31:39,899

the evidence to support why you're here

767

00:31:46,389 --> 00:31:43,440

is easily found the unanswered question

768

00:31:49,850 --> 00:31:46,399

of is it alien that we all want to know

769

00:31:52,430 --> 00:31:49,860

is is something that should still linger

770

00:31:54,710 --> 00:31:52,440

and not something we should take up arms

771

00:31:57,710 --> 00:31:54,720

over and sadly in the last couple of

772

00:32:00,649 --> 00:31:57,720

years there has been a growing sect of

773

00:32:03,769 --> 00:32:00,659

people that have taken up arms over it

774

00:32:06,110 --> 00:32:03,779

and that's where I get really concerned

775

00:32:09,889 --> 00:32:06,120

earned and and um

776

00:32:12,649 --> 00:32:09,899

kind of upset to see because we've lost

777

00:32:14,990 --> 00:32:12,659

good voices we've lost strong voices and

778

00:32:16,970 --> 00:32:15,000

look what's happening there is a in my

779

00:32:18,830 --> 00:32:16,980

opinion dwindling interest within

780

00:32:20,570 --> 00:32:18,840

Congress which is then going to make

781

00:32:22,789 --> 00:32:20,580

these government agencies not care about

782

00:32:24,470 --> 00:32:22,799

putting more money to it I mean I hope

783

00:32:26,810 --> 00:32:24,480

I'm wrong I'm just saying

784

00:32:29,029 --> 00:32:26,820

that's kind of what I'm seeing

785

00:32:31,490 --> 00:32:29,039

let's prove them wrong no man that would

786

00:32:33,169 --> 00:32:31,500

that that's very inspirational and even

787

00:32:35,990 --> 00:32:33,179

someone like myself has to hear that

788

00:32:39,350 --> 00:32:36,000

especially from someone like you who who

789

00:32:41,630 --> 00:32:39,360

is dealt with every kind of you know

790

00:32:43,190 --> 00:32:41,640

I don't like using the word drama but

791

00:32:46,190 --> 00:32:43,200

you get caught up in a lot of things

792

00:32:48,889 --> 00:32:46,200

because of your honesty and because of

793

00:32:51,950 --> 00:32:48,899

the fact by fact basis so to hear you

794

00:32:54,049 --> 00:32:51,960

say this is still worth pursuing there

795

00:32:56,990 --> 00:32:54,059

remember why we're here

796

00:32:58,970 --> 00:32:57,000

um we all need to do that and I try to

797

00:33:01,730 --> 00:32:58,980

do that on a daily basis and for some

798

00:33:03,710 --> 00:33:01,740

reason I'm still here I'm still here I'm

799

00:33:06,710 --> 00:33:03,720

still fighting the good fight and I know

800

00:33:08,210 --> 00:33:06,720

you are too um on a more positive note

801
00:33:09,590 --> 00:33:08,220
um because I've kept you way longer than

802
00:33:11,570 --> 00:33:09,600
I do no you're good

803
00:33:14,029 --> 00:33:11,580
um okay cool thanks man I appreciate

804
00:33:17,330 --> 00:33:14,039
your time um there's one more story that

805
00:33:19,970 --> 00:33:17,340
you you covered uh that is hopeful and

806
00:33:22,430 --> 00:33:19,980
that's from the uapx group now a lot of

807
00:33:26,870 --> 00:33:22,440
you may know this group uh Gary Voorhees

808
00:33:29,450 --> 00:33:26,880
and um who else Jeremy McGowan a bunch

809
00:33:31,730 --> 00:33:29,460
of scientists are involved in this group

810
00:33:35,870 --> 00:33:31,740
and they are doing expeditions to go out

811
00:33:37,310 --> 00:33:35,880
and investigate uh UAP uh primarily near

812
00:33:39,649 --> 00:33:37,320
Catalina Island where the original

813
00:33:42,649 --> 00:33:39,659

Nimitz encounter occurred but they they

814

00:33:46,310 --> 00:33:42,659

have other plans as well but um this is

815

00:33:48,110 --> 00:33:46,320

interesting this group who you know is

816

00:33:50,769 --> 00:33:48,120

kind of new on the scene but has been

817

00:33:55,909 --> 00:33:50,779

doing incredible work data-driven work

818

00:33:59,029 --> 00:33:55,919

uh was contacted by the intelligence

819

00:34:00,649 --> 00:33:59,039

agencies by the uh Pentagon uh more

820

00:34:03,110 --> 00:34:00,659

specifically I believe it was the armed

821

00:34:05,870 --> 00:34:03,120

services Committee in Congress right

822

00:34:08,389 --> 00:34:05,880

yeah in Congress okay uh to brief that

823

00:34:09,230 --> 00:34:08,399

on the UAP issue and what they have

824

00:34:11,270 --> 00:34:09,240

found

825

00:34:13,609 --> 00:34:11,280

um so yeah is there anything you can

826

00:34:15,889 --> 00:34:13,619

kind of break down for us John in terms

827

00:34:17,450 --> 00:34:15,899

of this story I find this very

828

00:34:20,570 --> 00:34:17,460

um uh this is the kind of stuff that

829

00:34:22,669 --> 00:34:20,580

gets me excited and that um there's hope

830

00:34:24,290 --> 00:34:22,679

there's hope for this yeah and I'm

831

00:34:26,690 --> 00:34:24,300

pulling up the article just because uh

832

00:34:28,970 --> 00:34:26,700

for the record I don't speak for uapx

833

00:34:31,070 --> 00:34:28,980

and I I don't want to uh oh good you got

834

00:34:32,030 --> 00:34:31,080

the graphic you were all prepared

835

00:34:34,550 --> 00:34:32,040

um

836

00:34:36,530 --> 00:34:34,560

that's right yeah and so I just want to

837

00:34:40,250 --> 00:34:36,540

stress I just I had learned about this

838

00:34:43,070 --> 00:34:40,260

and wanted to cover it simply because uh

839

00:34:46,970 --> 00:34:43,080

it was intriguing uh and it was a

840

00:34:49,129 --> 00:34:46,980

briefing to specifically a subcommittee

841

00:34:50,570 --> 00:34:49,139

of the house armed services committee

842

00:34:54,230 --> 00:34:50,580

specifically the intelligence and

843

00:34:56,810 --> 00:34:54,240

special operations subcommittee and from

844

00:34:58,430 --> 00:34:56,820

what I understand uh

845

00:35:02,329 --> 00:34:58,440

they were asked to come in and

846

00:35:04,310 --> 00:35:02,339

essentially give an overview of uapx uh

847

00:35:05,690 --> 00:35:04,320

and their findings uh and and I urge

848

00:35:08,089 --> 00:35:05,700

everybody to read the article because

849

00:35:10,010 --> 00:35:08,099

again I don't speak for them so I don't

850

00:35:12,589 --> 00:35:10,020

want to like misquote or misrepresent

851

00:35:15,470 --> 00:35:12,599

anything but essentially why I found

852

00:35:19,010 --> 00:35:15,480

this uh encouraging was as we are all

853

00:35:21,470 --> 00:35:19,020

waiting for the UAP report and waiting

854

00:35:23,510 --> 00:35:21,480

for odni to either finish it or do

855

00:35:26,569 --> 00:35:23,520

whatever the heck that they're doing and

856

00:35:28,310 --> 00:35:26,579

get it over to Congress the reason why I

857

00:35:31,010 --> 00:35:28,320

wanted to write this story was to show

858

00:35:33,890 --> 00:35:31,020

does Congress really need that for their

859

00:35:36,349 --> 00:35:33,900

answers when you talk about class in the

860

00:35:38,210 --> 00:35:36,359

classified realm sure you're obviously

861

00:35:40,849 --> 00:35:38,220

dealing with military technology and so

862

00:35:44,690 --> 00:35:40,859

on but if there's a true concern over

863

00:35:47,270 --> 00:35:44,700

what UAP are the root of them and it

864

00:35:49,370 --> 00:35:47,280

doesn't encroach into a classified Arena

865

00:35:52,310 --> 00:35:49,380

then why do they need car why do they

866

00:35:54,230 --> 00:35:52,320

need odni to to give them a report that

867

00:35:55,550 --> 00:35:54,240

they can extend into the private sector

868

00:35:57,530 --> 00:35:55,560

where they're getting funding from

869

00:36:00,170 --> 00:35:57,540

elsewhere that it's not Uncle Sam's

870

00:36:01,910 --> 00:36:00,180

coffers that are funding them and

871

00:36:03,950 --> 00:36:01,920

getting some answers there or at least

872

00:36:06,410 --> 00:36:03,960

some clarity or at least some idea or

873

00:36:07,970 --> 00:36:06,420

something from the private sector and

874

00:36:11,030 --> 00:36:07,980

that's why I wanted to kind of write the

875

00:36:12,550 --> 00:36:11,040

story was because it showed that again

876

00:36:15,170 --> 00:36:12,560

as we're all waiting for the report

877

00:36:16,010 --> 00:36:15,180

Congress is actually out talking to

878

00:36:18,470 --> 00:36:16,020

other people

879

00:36:19,849 --> 00:36:18,480

and and that was encouraging to me that

880

00:36:22,730 --> 00:36:19,859

they were reaching out to the private

881

00:36:26,150 --> 00:36:22,740

sector uh and were able to hear

882

00:36:28,310 --> 00:36:26,160

information from uapx and uapx was

883

00:36:30,470 --> 00:36:28,320

gracious enough to allow me to publish

884

00:36:32,329 --> 00:36:30,480

two previously unpublished slides you're

885

00:36:34,130 --> 00:36:32,339

showing the one with data the other one

886

00:36:35,630 --> 00:36:34,140

was the title slide so obviously you

887

00:36:38,630 --> 00:36:35,640

know we can't really glean a lot from

888

00:36:41,270 --> 00:36:38,640

that but but uh but rather set up you

889

00:36:44,270 --> 00:36:41,280

know visually what Congress had saw and

890

00:36:46,910 --> 00:36:44,280

then uh capabilities of uapx

891

00:36:49,730 --> 00:36:46,920

I had asked about are they looking for

892

00:36:50,930 --> 00:36:49,740

government contracts or or anything like

893

00:36:52,670 --> 00:36:50,940

that because that obviously was a

894

00:36:54,589 --> 00:36:52,680

concern to me

895

00:36:57,770 --> 00:36:54,599

um not in a disrespectful way but

896

00:37:00,170 --> 00:36:57,780

concerned that if uapx truly has a

897

00:37:02,510 --> 00:37:00,180

effort to go out get some answers and so

898

00:37:04,430 --> 00:37:02,520

on if you get a government contract what

899

00:37:06,849 --> 00:37:04,440

happens well take Bigelow Aerospace for

900

00:37:10,190 --> 00:37:06,859

an example they needed a top secret

901
00:37:13,970 --> 00:37:10,200
cleared facility to do the OSAP contract

902
00:37:15,349 --> 00:37:13,980
so again the OSAP UFO debate aside I'm

903
00:37:16,790 --> 00:37:15,359
using that as an example that the

904
00:37:18,950 --> 00:37:16,800
paperwork showed they needed that

905
00:37:21,770 --> 00:37:18,960
clearance with that clearance come

906
00:37:24,650 --> 00:37:21,780
secrecy so are you then kind of

907
00:37:26,510 --> 00:37:24,660
pigeonholing your organization into the

908
00:37:29,109 --> 00:37:26,520
same path that any intelligence agency

909
00:37:31,609 --> 00:37:29,119
military branch or whatever goes down

910
00:37:32,870 --> 00:37:31,619
and and they go into detail that it

911
00:37:34,390 --> 00:37:32,880
wasn't necessarily looking for

912
00:37:36,589 --> 00:37:34,400
government contracts

913
00:37:38,089 --> 00:37:36,599

and again I invite you to read

914

00:37:41,030 --> 00:37:38,099

everything that they had submitted for

915

00:37:42,770 --> 00:37:41,040

the article I do publish 100 of the

916

00:37:44,930 --> 00:37:42,780

answers that they give so I didn't

917

00:37:46,270 --> 00:37:44,940

truncate anything or pair phrase or

918

00:37:50,150 --> 00:37:46,280

anything like that

919

00:37:52,609 --> 00:37:50,160

but they went through the uh the

920

00:37:56,150 --> 00:37:52,619

capabilities and I want to bring up the

921

00:37:58,849 --> 00:37:56,160

quote because it's easily overlooked but

922

00:38:02,510 --> 00:37:58,859

it was one of the more interesting

923

00:38:05,210 --> 00:38:02,520

Revelations from this I had asked if

924

00:38:08,030 --> 00:38:05,220

during the The Briefing did anybody ask

925

00:38:10,130 --> 00:38:08,040

questions from the Congressional side

926

00:38:11,569 --> 00:38:10,140

and what was interesting was this

927

00:38:13,670 --> 00:38:11,579

response most of the questions were

928

00:38:16,370 --> 00:38:13,680

about what we have already recorded or

929

00:38:19,430 --> 00:38:16,380

captured if we had capabilities for

930

00:38:21,349 --> 00:38:19,440

undersea monitoring and then it shifted

931

00:38:25,370 --> 00:38:21,359

mostly to our funding

932

00:38:27,050 --> 00:38:25,380

so undersea monitoring was what piqued

933

00:38:29,510 --> 00:38:27,060

my interest I wanted to see if anybody

934

00:38:31,190 --> 00:38:29,520

would pick that up I I didn't quote

935

00:38:34,910 --> 00:38:31,200

unquote highlight it in the article I

936

00:38:37,130 --> 00:38:34,920

just let uapx speak for themselves but I

937

00:38:40,670 --> 00:38:37,140

mean let's face it this is now coming up

938

00:38:42,710 --> 00:38:40,680

in multiple ways during the UAP hearing

939

00:38:45,290 --> 00:38:42,720

it's they start talking about underwater

940

00:38:47,870 --> 00:38:45,300

monitoring and what happens we can talk

941

00:38:50,690 --> 00:38:47,880

more about that in closed sessions so

942

00:38:52,609 --> 00:38:50,700

whatever these phenomena are obviously

943

00:38:56,150 --> 00:38:52,619

there's an underwater connection to this

944

00:38:58,670 --> 00:38:56,160

and obviously there is a concern for

945

00:39:01,490 --> 00:38:58,680

them to ask now for congress this

946

00:39:03,829 --> 00:39:01,500

subcommittee to then ask uapx about

947

00:39:07,069 --> 00:39:03,839

underwater monitoring

948

00:39:09,530 --> 00:39:07,079

what's going on like how big of an issue

949

00:39:11,690 --> 00:39:09,540

is this is this foreign adversaries is

950

00:39:13,849 --> 00:39:11,700

this you know our enemy encroaching into

951
00:39:17,569 --> 00:39:13,859
our Waters and we really are blind to

952
00:39:21,109 --> 00:39:17,579
that uh sure maybe uh is there another

953
00:39:25,310 --> 00:39:21,119
aspect to what we consider unidentified

954
00:39:27,770 --> 00:39:25,320
aerial phenomena but underwater maybe I

955
00:39:31,490 --> 00:39:27,780
don't know but to me that was incredibly

956
00:39:33,950 --> 00:39:31,500
intriguing for them to ask that and then

957
00:39:35,630 --> 00:39:33,960
you know uapx obviously convey that to

958
00:39:37,849 --> 00:39:35,640
me when I when I wrote the article so

959
00:39:40,550 --> 00:39:37,859
what it means I don't know uh what it

960
00:39:42,770 --> 00:39:40,560
means for uapx I don't know I'm just

961
00:39:45,230 --> 00:39:42,780
stressing I don't speak for them but I'm

962
00:39:48,470 --> 00:39:45,240
gonna follow it I I mean I I wish those

963
00:39:50,390 --> 00:39:48,480

guys and gals the best and and what they

964

00:39:52,849 --> 00:39:50,400

want to achieve with this I'm eager to

965

00:39:55,190 --> 00:39:52,859

see results obviously people want to

966

00:39:58,790 --> 00:39:55,200

know every little facet of every little

967

00:40:02,750 --> 00:39:58,800

story and I can't or uapx can't answer

968

00:40:04,550 --> 00:40:02,760

that publicly uh at least for now but um

969

00:40:05,750 --> 00:40:04,560

you know when they when they publish a

970

00:40:07,490 --> 00:40:05,760

news story or want to come out with

971

00:40:09,829 --> 00:40:07,500

something else I'll definitely be

972

00:40:11,270 --> 00:40:09,839

following it because again it it was an

973

00:40:14,089 --> 00:40:11,280

interesting Revelation for a

974

00:40:16,370 --> 00:40:14,099

subcommittee to give the time to the

975

00:40:19,430 --> 00:40:16,380

private sector ask the questions that

976

00:40:22,370 --> 00:40:19,440

they did and it really brings up that

977

00:40:23,810 --> 00:40:22,380

that concept that OD and I and the

978

00:40:26,690 --> 00:40:23,820

intelligence Community can do whatever

979

00:40:28,670 --> 00:40:26,700

they want in the classified realm and

980

00:40:30,950 --> 00:40:28,680

Slough Congress off and be delayed with

981

00:40:32,329 --> 00:40:30,960

whatever report but Congress may start

982

00:40:34,609 --> 00:40:32,339

turning to the private sector for

983

00:40:37,550 --> 00:40:34,619

answers I'm speculating there a little

984

00:40:39,890 --> 00:40:37,560

bit but obviously they're interested so

985

00:40:40,910 --> 00:40:39,900

we'll we'll see how that turns out if if

986

00:40:48,050 --> 00:40:40,920

at all

987

00:40:50,390 --> 00:40:48,060

uh non what were they all those missed

988

00:40:52,310 --> 00:40:50,400

phone calls I've had on my phone I think

989

00:40:53,990 --> 00:40:52,320

that's that was definitely the odni

990

00:40:56,870 --> 00:40:54,000

reaching out to me and reaching out to

991

00:40:58,849 --> 00:40:56,880

other UFO researchers I wish I wish John

992

00:41:01,430 --> 00:40:58,859

you know

993

00:41:02,930 --> 00:41:01,440

um that would be too easy it would be

994

00:41:04,970 --> 00:41:02,940

much people who have actually done

995

00:41:06,650 --> 00:41:04,980

investigation rather than hiring people

996

00:41:08,089 --> 00:41:06,660

who don't care to do the investigation

997

00:41:11,630 --> 00:41:08,099

but hey you know I mean that's that's

998

00:41:13,550 --> 00:41:11,640

government work for you exactly exactly

999

00:41:15,530 --> 00:41:13,560

um well I mean to kind of wrap things up

1000

00:41:18,410 --> 00:41:15,540

John what else what are you hopeful

1001
00:41:21,410 --> 00:41:18,420
about any anything moving forward we've

1002
00:41:23,930 --> 00:41:21,420
had a lot of um a lot of sobering news

1003
00:41:25,190 --> 00:41:23,940
on the UFO front lately

1004
00:41:27,170 --> 00:41:25,200
um you know ever since that New York

1005
00:41:28,430 --> 00:41:27,180
Times article came out a few weeks back

1006
00:41:30,410 --> 00:41:28,440
now

1007
00:41:32,150 --> 00:41:30,420
um kind of deflated a lot of people then

1008
00:41:34,910 --> 00:41:32,160
the report

1009
00:41:37,370 --> 00:41:34,920
um and unfortunately now this Stark

1010
00:41:40,670 --> 00:41:37,380
reality of the story that you came out

1011
00:41:43,250 --> 00:41:40,680
with uh no more videos uh what do you

1012
00:41:45,710 --> 00:41:43,260
hope hopeful for moving forward with

1013
00:41:48,290 --> 00:41:45,720

this topic anything anything any groups

1014

00:41:50,390 --> 00:41:48,300

any organizations anything any requests

1015

00:41:52,310 --> 00:41:50,400

you've made yeah give it to us yeah tons

1016

00:41:55,370 --> 00:41:52,320

of requests are are still out

1017

00:41:58,250 --> 00:41:55,380

um for me where I I will leave on a on a

1018

00:42:00,470 --> 00:41:58,260

positive note is that even though that

1019

00:42:02,089 --> 00:42:00,480

they're denying you know videos and

1020

00:42:03,829 --> 00:42:02,099

stuff and that's the eye candy we all

1021

00:42:06,770 --> 00:42:03,839

want to see and sure that's frustrating

1022

00:42:09,950 --> 00:42:06,780

the amount of Paper Trails that go into

1023

00:42:12,230 --> 00:42:09,960

all of this uh is literally astronomical

1024

00:42:14,690 --> 00:42:12,240

right from the emails to the letters to

1025

00:42:17,089 --> 00:42:14,700

the communications so when I see a late

1026
00:42:19,550 --> 00:42:17,099
UAP report all I see are Paper Trails

1027
00:42:21,530 --> 00:42:19,560
that's all I see in my head I'm like I

1028
00:42:23,630 --> 00:42:21,540
can't wait to go after this because I

1029
00:42:28,609 --> 00:42:23,640
want to see what's going on the public

1030
00:42:30,710 --> 00:42:28,619
report came out uh in June of of 2021 uh

1031
00:42:33,650 --> 00:42:30,720
all I saw was the Paper Trails leading

1032
00:42:36,170 --> 00:42:33,660
up to that that report that nine page or

1033
00:42:41,870 --> 00:42:36,180
whatever it was report is stemmed over

1034
00:42:44,750 --> 00:42:41,880
50 5-0 requests to 13 13 different

1035
00:42:46,609 --> 00:42:44,760
agencies I think it was 13 or 14.

1036
00:42:49,730 --> 00:42:46,619
um so you look for those those those

1037
00:42:52,849 --> 00:42:49,740
those trails to go after and just start

1038
00:42:54,650 --> 00:42:52,859

sniffing them out and in my opinion

1039

00:42:57,050 --> 00:42:54,660

it's those trails that were are going to

1040

00:42:59,809 --> 00:42:57,060

tell us more and in my opinion have told

1041

00:43:02,030 --> 00:42:59,819

us more the NASA I'm not sure if you're

1042

00:43:04,130 --> 00:43:02,040

aware of this but I just dropped I think

1043

00:43:09,710 --> 00:43:04,140

collectively it's probably over 1500

1044

00:43:13,670 --> 00:43:09,720

pages of NASA UAP related emails on UAP

1045

00:43:15,109 --> 00:43:13,680

and UFOs and in there were yeah the less

1046

00:43:18,290 --> 00:43:15,119

interesting stuff are just media

1047

00:43:20,630 --> 00:43:18,300

inquiries and how NASA responds to Media

1048

00:43:23,089 --> 00:43:20,640

inquiries but through those cases I

1049

00:43:24,950 --> 00:43:23,099

discovered when uh administrator Bill

1050

00:43:27,290 --> 00:43:24,960

Nelson was briefed in a classified

1051
00:43:30,230 --> 00:43:27,300
setting it was the first time I was able

1052
00:43:32,930 --> 00:43:30,240
to prove uh documentation wise that that

1053
00:43:34,670 --> 00:43:32,940
Jay Stratton was the lead of the UAP

1054
00:43:36,470 --> 00:43:34,680
task force now it's more common

1055
00:43:38,510 --> 00:43:36,480
knowledge but when I received that

1056
00:43:41,270 --> 00:43:38,520
document it had not been acknowledged by

1057
00:43:43,370 --> 00:43:41,280
anybody before I had just kind of

1058
00:43:46,790 --> 00:43:43,380
deduced it but was never able to prove

1059
00:43:49,190 --> 00:43:46,800
it that came as part of the NASA

1060
00:43:53,270 --> 00:43:49,200
releases I learned that a classified

1061
00:43:56,390 --> 00:43:53,280
briefing on the UAP report was record it

1062
00:43:57,470 --> 00:43:56,400
on video and I know where to get it now

1063
00:44:00,770 --> 00:43:57,480

that doesn't mean it's going to be

1064

00:44:04,069 --> 00:44:00,780

released but what that proves is from a

1065

00:44:06,890 --> 00:44:04,079

legal standpoint a video exists it is

1066

00:44:11,270 --> 00:44:06,900

something that is foible that I can go

1067

00:44:13,309 --> 00:44:11,280

after and so these types of releases are

1068

00:44:14,750 --> 00:44:13,319

what they don't want you to see you know

1069

00:44:16,670 --> 00:44:14,760

that nine page report sure there was

1070

00:44:18,890 --> 00:44:16,680

interesting tidbits but it's those Paper

1071

00:44:20,870 --> 00:44:18,900

Trails that lead to so much so those

1072

00:44:22,250 --> 00:44:20,880

1500 pages just to kind of close up the

1073

00:44:23,750 --> 00:44:22,260

thought I'm going to take over your show

1074

00:44:26,569 --> 00:44:23,760

Ryan I know you're doing no this is

1075

00:44:28,309 --> 00:44:26,579

incredible man this was an impromptu AMA

1076

00:44:30,589 --> 00:44:28,319

you know how those go I mean not for you

1077

00:44:32,210 --> 00:44:30,599

you people have a million questions for

1078

00:44:35,050 --> 00:44:32,220

you but I'm always terrified that no

1079

00:44:38,089 --> 00:44:35,060

one's going to ask me any questions so

1080

00:44:39,530 --> 00:44:38,099

don't worry I have the same same fear

1081

00:44:40,910 --> 00:44:39,540

whenever I live stream like nobody's

1082

00:44:42,650 --> 00:44:40,920

going to show up to this man I'm like No

1083

00:44:44,270 --> 00:44:42,660

One's Gonna know dude we got over 80

1084

00:44:47,089 --> 00:44:44,280

people watching this and I guarantee

1085

00:44:49,130 --> 00:44:47,099

it's because uh you you retweeted that

1086

00:44:50,630 --> 00:44:49,140

you were that I was doing I just was

1087

00:44:52,069 --> 00:44:50,640

curious who your guest was and then I

1088

00:44:54,170 --> 00:44:52,079

stumbled on the link I was like I'll

1089

00:44:56,390 --> 00:44:54,180

just join this show

1090

00:44:57,829 --> 00:44:56,400

um whoops but but yeah so those NASA

1091

00:45:00,530 --> 00:44:57,839

emails uh and I haven't actually

1092

00:45:03,770 --> 00:45:00,540

advertised this yet so this is new uh

1093

00:45:06,410 --> 00:45:03,780

only go up to about June of last year

1094

00:45:08,990 --> 00:45:06,420

which means then essentially the run-up

1095

00:45:11,630 --> 00:45:09,000

to their UAP effort

1096

00:45:14,150 --> 00:45:11,640

all of those Communications all of those

1097

00:45:17,329 --> 00:45:14,160

those emails all of that were actually

1098

00:45:20,030 --> 00:45:17,339

not in this dump of uh there were six

1099

00:45:23,210 --> 00:45:20,040

total data dumps from NASA to me which

1100

00:45:26,270 --> 00:45:23,220

then I put online uh if that time frame

1101

00:45:29,450 --> 00:45:26,280

is not there of the ramp up up to this

1102

00:45:31,250 --> 00:45:29,460

UAP study so last week when everything

1103

00:45:34,190 --> 00:45:31,260

was completed and I got the sixth

1104

00:45:38,630 --> 00:45:34,200

request I filed a new case with new

1105

00:45:40,790 --> 00:45:38,640

names to NASA and Langley and

1106

00:45:43,370 --> 00:45:40,800

a couple others that I can't think of

1107

00:45:44,930 --> 00:45:43,380

right now uh but all NASA facilities all

1108

00:45:47,150 --> 00:45:44,940

with the new names that I had discovered

1109

00:45:50,390 --> 00:45:47,160

with the last one and refiled

1110

00:45:52,490 --> 00:45:50,400

essentially the same case or cases but

1111

00:45:54,890 --> 00:45:52,500

now getting the time frame of the UAP

1112

00:45:57,589 --> 00:45:54,900

study and for me I think that that's

1113

00:46:01,190 --> 00:45:57,599

going to reveal a ton of material

1114

00:46:04,250 --> 00:46:01,200

because also in that our Communications

1115

00:46:06,710 --> 00:46:04,260

with the Navy the Pentagon and the dod

1116

00:46:09,770 --> 00:46:06,720

and other military branches as they all

1117

00:46:11,990 --> 00:46:09,780

communicate during this whole process so

1118

00:46:14,809 --> 00:46:12,000

when I talk about Paper Trails there's

1119

00:46:17,750 --> 00:46:14,819

12 billion of them to discover because

1120

00:46:19,430 --> 00:46:17,760

those email chains and so on then they

1121

00:46:22,609 --> 00:46:19,440

take the documents that let's say the

1122

00:46:26,030 --> 00:46:22,619

Navy wrote they have to then give it to

1123

00:46:29,210 --> 00:46:26,040

the Navy for review so I may have never

1124

00:46:30,950 --> 00:46:29,220

thought of a specific person at the Navy

1125

00:46:32,569 --> 00:46:30,960

to request their emails because I don't

1126
00:46:34,730 --> 00:46:32,579
know them you know I don't know every

1127
00:46:37,970 --> 00:46:34,740
Naval Personnel that's involved in the

1128
00:46:38,990 --> 00:46:37,980
UAP conversation but with NASA you look

1129
00:46:41,630 --> 00:46:39,000
for those names

1130
00:46:42,829 --> 00:46:41,640
file requests on those names and then it

1131
00:46:44,990 --> 00:46:42,839
doesn't matter if you don't know the

1132
00:46:46,550 --> 00:46:45,000
Navy person all the emails come up

1133
00:46:48,829 --> 00:46:46,560
because you were looking at the NASA

1134
00:46:51,170 --> 00:46:48,839
personnel and so then they transfer that

1135
00:46:53,030 --> 00:46:51,180
over to the Navy the Navy looks it over

1136
00:46:55,430 --> 00:46:53,040
and they release it sometimes with the

1137
00:46:58,970 --> 00:46:55,440
name revealed sometimes not but then

1138
00:47:00,530 --> 00:46:58,980

that creates more Paper Trails so not to

1139

00:47:02,990 --> 00:47:00,540

be long-winded but where I'm going with

1140

00:47:05,569 --> 00:47:03,000

this is that there's still so much to

1141

00:47:07,250 --> 00:47:05,579

discover and there's so much so much to

1142

00:47:09,770 --> 00:47:07,260

be revealed

1143

00:47:12,109 --> 00:47:09,780

um one of the NASA papers that came out

1144

00:47:14,089 --> 00:47:12,119

was David spurgle's paper on UFOs and

1145

00:47:16,370 --> 00:47:14,099

his thoughts about UFOs that was never

1146

00:47:19,190 --> 00:47:16,380

public before that came up in the in the

1147

00:47:20,630 --> 00:47:19,200

NASA foia request so you start seeing

1148

00:47:23,630 --> 00:47:20,640

how people

1149

00:47:25,849 --> 00:47:23,640

feel about this topic so then that UAP

1150

00:47:29,089 --> 00:47:25,859

public report whether it be the 2021

1151

00:47:31,010 --> 00:47:29,099

version or 2022 becomes Irrelevant in a

1152

00:47:33,770 --> 00:47:31,020

sense because that's just what they want

1153

00:47:36,230 --> 00:47:33,780

you to know I want to know what is going

1154

00:47:38,450 --> 00:47:36,240

on internally behind the scenes what

1155

00:47:40,450 --> 00:47:38,460

went into that report who is involved if

1156

00:47:42,950 --> 00:47:40,460

though if they'll release those names

1157

00:47:44,990 --> 00:47:42,960

one other Revelation that came from the

1158

00:47:47,390 --> 00:47:45,000

national reconnaissance office was that

1159

00:47:49,730 --> 00:47:47,400

the UAP task force had a whole Advisory

1160

00:47:52,130 --> 00:47:49,740

board for the task force that was never

1161

00:47:54,890 --> 00:47:52,140

revealed before we could safely assume

1162

00:47:57,470 --> 00:47:54,900

they would we can hope they would but it

1163

00:47:59,030 --> 00:47:57,480

was never in writing before so you see

1164

00:48:01,430 --> 00:47:59,040

all of these things that are going on

1165

00:48:03,170 --> 00:48:01,440

behind the scenes and that wasn't in the

1166

00:48:05,210 --> 00:48:03,180

report that wasn't revealed in some

1167

00:48:07,370 --> 00:48:05,220

press statement so there's a lot there's

1168

00:48:09,290 --> 00:48:07,380

a lot going on there's a lot still

1169

00:48:11,329 --> 00:48:09,300

coming just because they won't give you

1170

00:48:14,270 --> 00:48:11,339

the videos doesn't mean that they won't

1171

00:48:16,609 --> 00:48:14,280

give you the written reports about UAP

1172

00:48:18,829 --> 00:48:16,619

or UFOs will it be a fight absolutely

1173

00:48:21,170 --> 00:48:18,839

but that doesn't mean that those are

1174

00:48:23,329 --> 00:48:21,180

completely lost we've been able to to

1175

00:48:24,890 --> 00:48:23,339

extract some of those and and there's a

1176

00:48:27,349 --> 00:48:24,900

lot of people obviously going for them

1177

00:48:31,309 --> 00:48:27,359

uh the last thought I'll leave you with

1178

00:48:34,309 --> 00:48:31,319

is uh there have been quite a few FAA

1179

00:48:36,950 --> 00:48:34,319

reports that are popping up of UAP being

1180

00:48:40,490 --> 00:48:36,960

seen by pilots obviously Ben Hansen's

1181

00:48:43,670 --> 00:48:40,500

been been uh researching quite a bit uh

1182

00:48:45,349 --> 00:48:43,680

but I have uh filed some requests on

1183

00:48:47,210 --> 00:48:45,359

other cases I have nothing to do with

1184

00:48:51,050 --> 00:48:47,220

those racetrack ones but rather they're

1185

00:48:52,849 --> 00:48:51,060

seeing them all over and FAA has taken

1186

00:48:54,470 --> 00:48:52,859

the reports I've got all the flight

1187

00:48:56,809 --> 00:48:54,480

numbers and so on and so forth so I've

1188

00:48:59,210 --> 00:48:56,819

got quite a few cases filed with that as

1189

00:49:00,829 --> 00:48:59,220

well so when they're released I'll I'll

1190

00:49:04,510 --> 00:49:00,839

definitely post them and I've already

1191

00:49:07,370 --> 00:49:04,520

posted some from the past one I think

1192

00:49:09,050 --> 00:49:07,380

ultimately was probably starlink but

1193

00:49:11,750 --> 00:49:09,060

regardless you can start seeing the

1194

00:49:14,510 --> 00:49:11,760

Paper Trails you know come about and and

1195

00:49:16,910 --> 00:49:14,520

and researching UAP when it comes to the

1196

00:49:18,589 --> 00:49:16,920

FAA I'm trying to think of how many

1197

00:49:21,410 --> 00:49:18,599

acronyms I can throw into this answer

1198

00:49:22,790 --> 00:49:21,420

Ryan I just throw throw out a ton of

1199

00:49:25,790 --> 00:49:22,800

them to you but anyway there's a lot

1200

00:49:29,210 --> 00:49:25,800

going on and and I I don't want anybody

1201

00:49:31,790 --> 00:49:29,220

to think hey I'm I'm I'm done with this

1202

00:49:34,130 --> 00:49:31,800

I should go away because I go back to my

1203

00:49:35,210 --> 00:49:34,140

answer before the true reason why we are

1204

00:49:37,609 --> 00:49:35,220

all here

1205

00:49:40,309 --> 00:49:37,619

is still there don't let the government

1206

00:49:43,430 --> 00:49:40,319

deter you from seeking answers don't let

1207

00:49:45,890 --> 00:49:43,440

foia denials deter you from that just

1208

00:49:48,170 --> 00:49:45,900

remember why we're all here and we'll

1209

00:49:51,170 --> 00:49:48,180

all have fun in the process and and try

1210

00:49:53,390 --> 00:49:51,180

and get to whatever truth is going on if

1211

00:49:55,430 --> 00:49:53,400

we can absolutely man

1212

00:49:57,650 --> 00:49:55,440

um and to kind of end it here I want to

1213

00:49:59,750 --> 00:49:57,660

play this quick clip that I know you

1214

00:50:02,630 --> 00:49:59,760

appreciate this guy's work as much as I

1215

00:50:04,069 --> 00:50:02,640

do kind of a joke about the UAP report

1216

00:50:06,290 --> 00:50:04,079

being late

1217

00:50:09,109 --> 00:50:06,300

um thank God for this guy otherwise you

1218

00:50:10,970 --> 00:50:09,119

know everyone's all mad and and grumpy

1219

00:50:13,130 --> 00:50:10,980

about it but not this guy so let's go

1220

00:50:16,130 --> 00:50:13,140

ahead and play it before we let you go

1221

00:50:21,170 --> 00:50:16,140

here day number nine and still no UFO

1222

00:50:23,630 --> 00:50:21,180

report nine days really nine days this

1223

00:50:25,790 --> 00:50:23,640

is getting ridiculous do you have any

1224

00:50:28,309 --> 00:50:25,800

idea what can be done in less than nine

1225

00:50:30,530 --> 00:50:28,319

days because if you don't I just so

1226

00:50:32,270 --> 00:50:30,540

happen to have a list ready you could

1227

00:50:35,030 --> 00:50:32,280

walk your foot Dragon self from the

1228

00:50:37,190 --> 00:50:35,040

Pentagon to Atlanta you could float your

1229

00:50:39,770 --> 00:50:37,200

boat down the Amazon you could take a

1230

00:50:41,809 --> 00:50:39,780

car for a lap around Australia or you

1231

00:50:43,910 --> 00:50:41,819

could even fly to the moon plant a flag

1232

00:50:46,790 --> 00:50:43,920

on it and fly back to Earth

1233

00:50:50,089 --> 00:50:46,800

so what's taking so long

1234

00:50:52,609 --> 00:50:50,099

that's crazy fly to the moon and back

1235

00:50:55,730 --> 00:50:52,619

and that was nine days ago he's done

1236

00:50:58,309 --> 00:50:55,740

more since then too yeah I that guy he's

1237

00:50:59,930 --> 00:50:58,319

so entertaining I I love what he does

1238

00:51:01,910 --> 00:50:59,940

and when he was starting to do these

1239

00:51:03,650 --> 00:51:01,920

videos I kept you know prodding him

1240

00:51:04,849 --> 00:51:03,660

through tweets and stuff I was like

1241

00:51:07,190 --> 00:51:04,859

where's it you know where's day three

1242

00:51:08,809 --> 00:51:07,200

where's day four what's going on and

1243

00:51:11,210 --> 00:51:08,819

there was one that he dropped and he had

1244

00:51:13,309 --> 00:51:11,220

all these reactions and he was like the

1245

00:51:15,530 --> 00:51:13,319

one that got me was he was crying in bed

1246

00:51:18,349 --> 00:51:15,540

and he was holding stuffed animals

1247

00:51:21,170 --> 00:51:18,359

and so I said this has to be a reaction

1248

00:51:24,290 --> 00:51:21,180

gift we have to make this and before I

1249

00:51:26,089 --> 00:51:24,300

did that Grant levock from uh from

1250

00:51:27,470 --> 00:51:26,099

Australia if you don't know Grant follow

1251
00:51:29,809 --> 00:51:27,480
him on Twitter he's an awesome guy

1252
00:51:32,930 --> 00:51:29,819
really follows the Australian connection

1253
00:51:35,390 --> 00:51:32,940
to all of this so he is the guy that

1254
00:51:38,150 --> 00:51:35,400
does all the the fun joking deep fake

1255
00:51:40,670 --> 00:51:38,160
videos you know and and so he saw my

1256
00:51:42,470 --> 00:51:40,680
tweet grab the video automatically made

1257
00:51:46,370 --> 00:51:42,480
the animated gif so now we have a full

1258
00:51:47,809 --> 00:51:46,380
set of Dan Warren reaction gifts so I

1259
00:51:50,829 --> 00:51:47,819
keep posting that one where he's crying

1260
00:51:54,290 --> 00:51:50,839
holding his stuffy and I he's just uh

1261
00:51:55,790 --> 00:51:54,300
he's one of the examples of of why I

1262
00:51:59,329 --> 00:51:55,800
love this field right there's a lot of

1263
00:52:01,849 --> 00:51:59,339

examples of why it's no fun but Dan and

1264

00:52:04,250 --> 00:52:01,859

Grant and yourself Ryan everybody who

1265

00:52:06,650 --> 00:52:04,260

has fun with this

1266

00:52:09,410 --> 00:52:06,660

excuse me it remembers like why we're

1267

00:52:11,450 --> 00:52:09,420

here uh that's why I'm still around too

1268

00:52:13,910 --> 00:52:11,460

you know it's it's so motivating to see

1269

00:52:15,230 --> 00:52:13,920

that because it's it's not about arguing

1270

00:52:18,829 --> 00:52:15,240

somebody's point or you better believe

1271

00:52:20,329 --> 00:52:18,839

me or I'm gonna XYZ you uh it's just

1272

00:52:21,950 --> 00:52:20,339

about having fun and asking those

1273

00:52:23,630 --> 00:52:21,960

questions and Dan's a prime example so

1274

00:52:25,670 --> 00:52:23,640

I'm glad you I'm glad you played the

1275

00:52:28,609 --> 00:52:25,680

video because it's it's uh absolutely

1276

00:52:31,430 --> 00:52:28,619

reinforces my point earlier about just

1277

00:52:33,049 --> 00:52:31,440

remembering why we're here yeah and he's

1278

00:52:35,809 --> 00:52:33,059

even getting his whole family involved

1279

00:52:38,569 --> 00:52:35,819

on these I know okay it's amazing yeah

1280

00:52:40,790 --> 00:52:38,579

again you you encapsulate it perfectly

1281

00:52:43,370 --> 00:52:40,800

why we're here and I think that's what's

1282

00:52:45,170 --> 00:52:43,380

driving me to continue even as I Wade

1283

00:52:48,230 --> 00:52:45,180

through all this government stuff as you

1284

00:52:50,210 --> 00:52:48,240

do so um John thanks man thanks for

1285

00:52:53,210 --> 00:52:50,220

hopping in last minute of course for my

1286

00:52:55,190 --> 00:52:53,220

uh for saving my AMA uh this is all

1287

00:52:57,470 --> 00:52:55,200

extreme feel bad take over your show

1288

00:53:00,589 --> 00:52:57,480

Ryan anything oh no I've got a whole

1289

00:53:02,569 --> 00:53:00,599

episode now buddy no no this is great I

1290

00:53:04,790 --> 00:53:02,579

don't have to worry for another week

1291

00:53:06,890 --> 00:53:04,800

um but uh where can we find everything

1292

00:53:09,049 --> 00:53:06,900

you're up to my man and yeah give us

1293

00:53:11,049 --> 00:53:09,059

those socials before before sure sure

1294

00:53:14,329 --> 00:53:11,059

the the easiest roadmap just go to the

1295

00:53:16,849 --> 00:53:14,339

blackvault.com and uh at the top of the

1296

00:53:18,890 --> 00:53:16,859

site you'll see social media icons at

1297

00:53:22,370 --> 00:53:18,900

the bottom of the Articles you'll see

1298

00:53:25,150 --> 00:53:22,380

everything uh I'm probably arguably most

1299

00:53:27,010 --> 00:53:25,160

active on Twitter the handle is black

1300

00:53:29,690 --> 00:53:27,020

vault.com

1301

00:53:31,250 --> 00:53:29,700

uh the rest again I invite you to click

1302

00:53:32,589 --> 00:53:31,260

on the icon so I don't bore you to death

1303

00:53:35,450 --> 00:53:32,599

because there's different variations

1304

00:53:38,390 --> 00:53:35,460

depending upon username availability but

1305

00:53:40,910 --> 00:53:38,400

yeah the blackvault.com that'll give you

1306

00:53:43,190 --> 00:53:40,920

the road map to all the Articles YouTube

1307

00:53:45,109 --> 00:53:43,200

channel and especially for the story

1308

00:53:47,329 --> 00:53:45,119

that we were talking about earlier that

1309

00:53:49,250 --> 00:53:47,339

Ryan had brought up uh I'll have that on

1310

00:53:52,069 --> 00:53:49,260

the on the YouTube channel obviously

1311

00:53:53,990 --> 00:53:52,079

today is the most recent video so enjoy

1312

00:53:56,150 --> 00:53:54,000

feel free to to contact me and I'm

1313

00:53:58,250 --> 00:53:56,160

always interested in feedback

1314

00:54:00,230 --> 00:53:58,260

perfect perfect yep and you do

1315

00:54:01,849 --> 00:54:00,240

everything in podcast form too guys so

1316

00:54:04,130 --> 00:54:01,859

subscribe to that wherever you get

1317

00:54:06,170 --> 00:54:04,140

somewhere in the skies as well uh John

1318

00:54:08,150 --> 00:54:06,180

thank you my man have a great rest of

1319

00:54:10,010 --> 00:54:08,160

your afternoon and uh keep fighting the

1320

00:54:12,109 --> 00:54:10,020

good fight my man I appreciate that can

1321

00:54:16,010 --> 00:54:12,119

I ask you one question to start off your

1322

00:54:17,329 --> 00:54:16,020

AMA oh my gosh please do it was asked to

1323

00:54:18,589 --> 00:54:17,339

me in a live stream I thought it was a

1324

00:54:20,750 --> 00:54:18,599

brilliant question

1325

00:54:22,910 --> 00:54:20,760

and I don't remember

1326

00:54:24,710 --> 00:54:22,920

if I Revisited it but I was so on the

1327

00:54:26,690 --> 00:54:24,720

spot I couldn't answer it so my so the

1328

00:54:29,150 --> 00:54:26,700

question is and I forget the person's

1329

00:54:32,089 --> 00:54:29,160

name who asked me if you could meet one

1330

00:54:34,609 --> 00:54:32,099

person in the UFO field that you've

1331

00:54:37,549 --> 00:54:34,619

never uh that you never met before but

1332

00:54:41,030 --> 00:54:37,559

has passed on who would it be and what's

1333

00:54:43,849 --> 00:54:41,040

the question you would ask wow who is

1334

00:54:46,370 --> 00:54:43,859

passed on okay right I did the same

1335

00:54:48,710 --> 00:54:46,380

thing I was like huh I don't know

1336

00:54:52,910 --> 00:54:48,720

is passed on

1337

00:54:57,589 --> 00:54:55,130

that is such a good question that I'm

1338

00:55:00,049 --> 00:54:57,599

I'm drawing a blank right now

1339

00:55:01,730 --> 00:55:00,059

um that's exactly my reaction so I

1340

00:55:04,490 --> 00:55:01,740

wanted to I wanted to see if you if you

1341

00:55:05,990 --> 00:55:04,500

had a i later when I got off I wanted to

1342

00:55:09,230 --> 00:55:06,000

contact the guy

1343

00:55:11,650 --> 00:55:09,240

do you have it oh no no I was gonna I I

1344

00:55:13,970 --> 00:55:11,660

know that feeling like later on

1345

00:55:16,670 --> 00:55:13,980

it's like two in the morning I woke up

1346

00:55:20,270 --> 00:55:16,680

like I I've got an answer now

1347

00:55:23,030 --> 00:55:20,280

um later I I had thought of uh J Allen

1348

00:55:24,589 --> 00:55:23,040

heineck and and and the reason is I I

1349

00:55:25,609 --> 00:55:24,599

want to ask them because there's a lot

1350

00:55:28,849 --> 00:55:25,619

of speculation I mean I think everybody

1351
00:55:30,230 --> 00:55:28,859
believes Socorro is what turned him uh

1352
00:55:32,690 --> 00:55:30,240
essentially from that again skeptical

1353
00:55:35,930 --> 00:55:32,700
standpoint to the to the believer uh but

1354
00:55:38,930 --> 00:55:35,940
he worked with uh a dear uh friend I

1355
00:55:41,750 --> 00:55:38,940
knew for decades who has passed on uh

1356
00:55:44,270 --> 00:55:41,760
Ted Phillips and and I I did shows with

1357
00:55:48,109 --> 00:55:44,280
Ted spoke at conferences with Ted new

1358
00:55:49,490 --> 00:55:48,119
Ted and that's why then I I was kicking

1359
00:55:52,549 --> 00:55:49,500
myself I didn't think of Jay Alan

1360
00:55:54,770 --> 00:55:52,559
heineck uh at the time because he was

1361
00:55:58,490 --> 00:55:54,780
obviously Ted's Mentor so knowing Ted

1362
00:56:00,770 --> 00:55:58,500
personally for so long I knew that

1363
00:56:03,650 --> 00:56:00,780

uh heineck probably had a much better

1364

00:56:05,809 --> 00:56:03,660

answer than oh yeah it was Socorro like

1365

00:56:07,609 --> 00:56:05,819

I would love to hear what really made

1366

00:56:09,349 --> 00:56:07,619

him go you know what

1367

00:56:11,630 --> 00:56:09,359

there's something to this this is not

1368

00:56:14,210 --> 00:56:11,640

the swamp gas the planet Venus and and

1369

00:56:17,150 --> 00:56:14,220

so on so yeah that was the answer I I

1370

00:56:18,589 --> 00:56:17,160

thought of after but uh I was curious

1371

00:56:21,170 --> 00:56:18,599

your thoughts so put some thought into

1372

00:56:22,730 --> 00:56:21,180

I'm sure in a later show yeah I'm going

1373

00:56:24,890 --> 00:56:22,740

towards I'm leaning towards James

1374

00:56:27,950 --> 00:56:24,900

McDonald just because it was such a

1375

00:56:30,829 --> 00:56:27,960

tragic end to that guy's career and life

1376
00:56:33,410 --> 00:56:30,839
and I wish there was something we could

1377
00:56:35,870 --> 00:56:33,420
have done back then in the field to be

1378
00:56:39,109 --> 00:56:35,880
like dude just keep going because we've

1379
00:56:41,930 --> 00:56:39,119
all been there and he he battled his own

1380
00:56:44,270 --> 00:56:41,940
demons and and mental illness and

1381
00:56:46,790 --> 00:56:44,280
whatnot but um you know I ultimately

1382
00:56:49,190 --> 00:56:46,800
think that a lot of his depression came

1383
00:56:51,710 --> 00:56:49,200
from this topic and it can do that it

1384
00:56:53,809 --> 00:56:51,720
can really really eat away at you so if

1385
00:56:56,450 --> 00:56:53,819
we could have had him listen to you

1386
00:56:58,190 --> 00:56:56,460
talking about keep going like there's

1387
00:57:00,349 --> 00:56:58,200
always there's a core mystery that's why

1388
00:57:03,410 --> 00:57:00,359

we're here I think uh things might have

1389

00:57:05,329 --> 00:57:03,420

uh and that might be really Blasphemous

1390

00:57:06,410 --> 00:57:05,339

to say and controversial but things

1391

00:57:08,210 --> 00:57:06,420

might have been different for Mr

1392

00:57:11,150 --> 00:57:08,220

McDonald yeah if he had did you

1393

00:57:14,030 --> 00:57:11,160

encourage you ever meet uh Ann druffle

1394

00:57:14,809 --> 00:57:14,040

no that that name did come to mind as

1395

00:57:17,569 --> 00:57:14,819

well

1396

00:57:19,549 --> 00:57:17,579

um Andrew James McDonald and everyone's

1397

00:57:21,650 --> 00:57:19,559

saying Stanton Friedman we've both had

1398

00:57:23,930 --> 00:57:21,660

the unbelievable pleasure to have worked

1399

00:57:27,349 --> 00:57:23,940

with standing yeah yeah

1400

00:57:30,109 --> 00:57:27,359

I knew stand for 20 something 20

1401
00:57:32,750 --> 00:57:30,119
something years yeah you did it it was a

1402
00:57:35,170 --> 00:57:32,760
wonderful um yeah when I did that

1403
00:57:37,370 --> 00:57:35,180
tribute to him that's right

1404
00:57:38,450 --> 00:57:37,380
no that was it was cool that you did

1405
00:57:40,190 --> 00:57:38,460
that

1406
00:57:42,410 --> 00:57:40,200
um yeah he was he was a great one but I

1407
00:57:45,349 --> 00:57:42,420
bring up Ann just sadly who also passed

1408
00:57:48,049 --> 00:57:45,359
on but uh her book on uh James McDonald

1409
00:57:50,390 --> 00:57:48,059
is definitely more detailed than

1410
00:57:52,609 --> 00:57:50,400
anything I'm aware of so anyway I'll let

1411
00:57:54,530 --> 00:57:52,619
you do your AMA I'm happy I got to kick

1412
00:57:57,230 --> 00:57:54,540
it off with something I loved it man

1413
00:57:58,910 --> 00:57:57,240

thank you thank you no better way to

1414

00:58:00,049 --> 00:57:58,920

start it you too take care I appreciate

1415

00:58:01,250 --> 00:58:00,059

it thanks to everybody watching I

1416

00:58:05,210 --> 00:58:01,260

appreciate it

1417

00:58:09,349 --> 00:58:05,220

thanks John have a good night you too

1418

00:58:11,270 --> 00:58:09,359

wow so last minute guys thank you so

1419

00:58:12,410 --> 00:58:11,280

much to John Greenwald for hopping in

1420

00:58:14,990 --> 00:58:12,420

here

1421

00:58:17,270 --> 00:58:15,000

um I knew I heard Rumbings that he was

1422

00:58:20,630 --> 00:58:17,280

coming out with a big story today and as

1423

00:58:22,910 --> 00:58:20,640

usual he did not disappoint go over to

1424

00:58:25,910 --> 00:58:22,920

theblackval.com and check out his latest

1425

00:58:28,190 --> 00:58:25,920

story follow him download everything

1426

00:58:29,630 --> 00:58:28,200

subscribe you know the deal I don't have

1427

00:58:33,230 --> 00:58:29,640

to do that anymore

1428

00:58:35,569 --> 00:58:33,240

um yeah yeah so now about an hour in

1429

00:58:38,329 --> 00:58:35,579

we're starting guys the ask me anything

1430

00:58:39,589 --> 00:58:38,339

I've got a couple questions here starred

1431

00:58:42,410 --> 00:58:39,599

um but before we do that I got some

1432

00:58:46,130 --> 00:58:42,420

other stuff to share with you guys I'm

1433

00:58:47,809 --> 00:58:46,140

finally having a Scottish beer uh oh my

1434

00:58:50,329 --> 00:58:47,819

God this is so good if you guys have

1435

00:58:53,089 --> 00:58:50,339

Belhaven anywhere in your neck of the

1436

00:58:55,430 --> 00:58:53,099

woods definitely give it a try it is a

1437

00:58:57,589 --> 00:58:55,440

delicious dark Stout they got a bunch of

1438

00:58:59,750 --> 00:58:57,599

different beers and I literally live

1439

00:59:01,730 --> 00:58:59,760

right across the street from a Tavern

1440

00:59:04,370 --> 00:59:01,740

here in Scotland

1441

00:59:06,530 --> 00:59:04,380

um so that's both dangerous and and very

1442

00:59:08,990 --> 00:59:06,540

uh very good good for a beer near like

1443

00:59:13,010 --> 00:59:09,000

myself so um cheers cheers to you guys

1444

00:59:15,890 --> 00:59:13,020

and we will start the AMA

1445

00:59:19,250 --> 00:59:15,900

let's go to our first starred question

1446

00:59:22,010 --> 00:59:19,260

here from Neil uh ask you anything what

1447

00:59:26,930 --> 00:59:22,020

will Santa bring me this year hopefully

1448

00:59:30,230 --> 00:59:26,940

a UFO report hopefully with at least 200

1449

00:59:31,490 --> 00:59:30,240

cases uh that we can look at but um I

1450

00:59:34,370 --> 00:59:31,500

don't know depends on how good you were

1451

00:59:37,190 --> 00:59:34,380

this year Neil naughty list I don't know

1452

00:59:39,230 --> 00:59:37,200

man you let me know you let me know uh

1453

00:59:41,990 --> 00:59:39,240

let's see also I have to thank Jazz

1454

00:59:43,370 --> 00:59:42,000

earlier um for the Super Chat thanks so

1455

00:59:46,670 --> 00:59:43,380

much for hopping in my man I remember

1456

00:59:50,569 --> 00:59:48,289

ouch I'm glad I did put that up while

1457

00:59:52,970 --> 00:59:50,579

John was here although I know he would

1458

00:59:54,950 --> 00:59:52,980

uh he would definitely take it in stride

1459

00:59:56,990 --> 00:59:54,960

so Jazz thank you so much for the

1460

00:59:58,490 --> 00:59:57,000

support man truly truly appreciate it

1461

01:00:01,789 --> 00:59:58,500

guys if you do want to help out the show

1462

01:00:03,829 --> 01:00:01,799

Super Chat is open um every penny goes

1463

01:00:06,349 --> 01:00:03,839

back in to somewhere in the skies we

1464

01:00:09,829 --> 01:00:06,359

have a lot of really exciting projects

1465

01:00:11,510 --> 01:00:09,839

coming your way very soon and um yeah

1466

01:00:14,109 --> 01:00:11,520

yeah your support means the world to me

1467

01:00:17,690 --> 01:00:14,119

uh we have our patreon campaign as well

1468

01:00:19,549 --> 01:00:17,700

patreon.com somewhere Skies uh where you

1469

01:00:21,589 --> 01:00:19,559

get bonus content Early Access to

1470

01:00:23,329 --> 01:00:21,599

episodes and

1471

01:00:25,010 --> 01:00:23,339

um everything in between so those are

1472

01:00:28,910 --> 01:00:25,020

some ways you can help out the show for

1473

01:00:30,950 --> 01:00:28,920

sure uh let's see here Daniel Bradley

1474

01:00:33,049 --> 01:00:30,960

asks any good UFO book recommendations

1475

01:00:35,210 --> 01:00:33,059

for someone interested in getting into

1476

01:00:37,609 --> 01:00:35,220

UFO research I already read your book

1477

01:00:39,410 --> 01:00:37,619

and it was great thank you thank you so

1478

01:00:40,670 --> 01:00:39,420

much Danielle that's extremely extremely

1479

01:00:41,630 --> 01:00:40,680

kind of you

1480

01:00:44,930 --> 01:00:41,640

um

1481

01:00:46,990 --> 01:00:44,940

more news on books future books in the

1482

01:00:50,569 --> 01:00:47,000

very near future so stay tuned for that

1483

01:00:53,210 --> 01:00:50,579

uh oh man where do I even begin

1484

01:00:55,609 --> 01:00:53,220

um well John and I spoke about the late

1485

01:00:58,190 --> 01:00:55,619

James MacDonald and the book called

1486

01:00:59,690 --> 01:00:58,200

Firestorm which is based on his life and

1487

01:01:02,750 --> 01:00:59,700

career if you don't know who James

1488

01:01:06,849 --> 01:01:02,760

McDonald is Google him put in his name

1489

01:01:09,410 --> 01:01:06,859

UFOs and uh you'll be very uh I think

1490

01:01:11,089 --> 01:01:09,420

inspired by a lot of the early work he

1491

01:01:13,789 --> 01:01:11,099

did in this field and kind of the

1492

01:01:15,829 --> 01:01:13,799

landmines he stepped on so the rest of

1493

01:01:18,650 --> 01:01:15,839

us could uh walk through the trenches

1494

01:01:20,589 --> 01:01:18,660

and get to where we are today uh very

1495

01:01:23,930 --> 01:01:20,599

very interesting guy very very very

1496

01:01:25,609 --> 01:01:23,940

powerful book and emotional so that's

1497

01:01:27,530 --> 01:01:25,619

one I'd highly recommend

1498

01:01:31,069 --> 01:01:27,540

um I know the one everyone always goes

1499

01:01:32,750 --> 01:01:31,079

to is Leslie Kane's book UFOs and that's

1500

01:01:35,809 --> 01:01:32,760

for a reason it's an incredible

1501

01:01:38,270 --> 01:01:35,819

incredible read uh she has generals

1502

01:01:39,770 --> 01:01:38,280

Pilots government officials all going on

1503

01:01:42,530 --> 01:01:39,780

the record telling their own stories

1504

01:01:46,190 --> 01:01:42,540

about UFOs and there involvement with

1505

01:01:47,870 --> 01:01:46,200

cases the cover-ups that exist and their

1506

01:01:51,650 --> 01:01:47,880

thoughts and theories on what they may

1507

01:01:54,530 --> 01:01:51,660

have encountered so probably one of the

1508

01:01:56,990 --> 01:01:54,540

defining books of euphology in the last

1509

01:02:00,170 --> 01:01:57,000

you know 10 to 15 years so check out

1510

01:02:04,010 --> 01:02:00,180

UFOs by Leslie Kane

1511

01:02:06,589 --> 01:02:04,020

um I also would recommend Diana Walsh

1512

01:02:09,650 --> 01:02:06,599

pasoka's Book American Cosmic which is

1513

01:02:11,089 --> 01:02:09,660

another fantastic book by a female UFO

1514

01:02:13,370 --> 01:02:11,099

researcher

1515

01:02:16,190 --> 01:02:13,380

um who writes about she's a religious

1516

01:02:19,910 --> 01:02:16,200

studies Professor uh and has written

1517

01:02:23,390 --> 01:02:19,920

about how UFOs have kind of become a new

1518

01:02:26,450 --> 01:02:23,400

religion in so many senses of the word

1519

01:02:30,230 --> 01:02:26,460

and uh very very very good book I highly

1520

01:02:31,670 --> 01:02:30,240

recommend that as well uh what else what

1521

01:02:33,589 --> 01:02:31,680

else what else

1522

01:02:36,890 --> 01:02:33,599

um there's a new book out by Kelly Chase

1523

01:02:38,450 --> 01:02:36,900

uh down the UFO Rabbit Hole uh I know

1524

01:02:40,069 --> 01:02:38,460

I'm probably butchering that title so

1525

01:02:42,470 --> 01:02:40,079

Kelly if you're watching I'm so sorry

1526

01:02:44,450 --> 01:02:42,480

but check out her podcast ask the UFO

1527

01:02:46,430 --> 01:02:44,460

rabbit hole and her new book that just

1528

01:02:48,950 --> 01:02:46,440

came up which is kind of a companion to

1529

01:02:51,109 --> 01:02:48,960

the podcast uh she's taken the UFO World

1530

01:02:53,690 --> 01:02:51,119

by storm and I can't wait to see what

1531

01:02:55,670 --> 01:02:53,700

she what she does next so yeah those are

1532

01:02:57,950 --> 01:02:55,680

three books or four books three books

1533

01:03:00,589 --> 01:02:57,960

four books to uh check out for sure so

1534

01:03:02,990 --> 01:03:00,599

thank you Danielle

1535

01:03:05,030 --> 01:03:03,000

um let's see here I'm missing a lot of

1536

01:03:07,910 --> 01:03:05,040

chats I do apologize guys let me back up

1537

01:03:09,710 --> 01:03:07,920

here for just a sec

1538

01:03:10,910 --> 01:03:09,720

uh John greenwald's in the chat look

1539

01:03:13,370 --> 01:03:10,920

forward to Scottish beer with you

1540

01:03:15,710 --> 01:03:13,380

someday Ryan we should do do a do a live

1541

01:03:18,410 --> 01:03:15,720

stream with alcohol in hand cheers buddy

1542

01:03:20,030 --> 01:03:18,420

cheers to that for sure thanks John

1543

01:03:23,930 --> 01:03:20,040

thanks again for hopping in my man

1544

01:03:25,549 --> 01:03:23,940

really really I appreciate it uh let's

1545

01:03:29,450 --> 01:03:25,559

see here

1546

01:03:32,030 --> 01:03:29,460

uh UAP uh tour wow

1547

01:03:35,150 --> 01:03:32,040

uh tiroa asks have you ever read

1548

01:03:37,789 --> 01:03:35,160

unconventional fine objects by Paul R

1549

01:03:39,289 --> 01:03:37,799

Hill I have not but it sounds intriguing

1550

01:03:40,970 --> 01:03:39,299

I'd love to learn more about it I'll

1551

01:03:44,630 --> 01:03:40,980

have to check it out after this

1552

01:03:46,370 --> 01:03:44,640

Christmas is coming up guys hint hint if

1553

01:03:48,710 --> 01:03:46,380

the Sprague family are watching this or

1554

01:03:51,049 --> 01:03:48,720

to get me for that stocking stuffer I

1555

01:03:52,670 --> 01:03:51,059

would definitely like to check that out

1556

01:03:53,809 --> 01:03:52,680

um so thank you thank you for that

1557

01:03:57,770 --> 01:03:53,819

question

1558

01:03:57,780 --> 01:04:04,549

hmm

1559

01:04:10,130 --> 01:04:07,789

Brian do you this is from the anti-try

1560

01:04:12,349 --> 01:04:10,140

art I love that name Ryan do you have a

1561

01:04:16,309 --> 01:04:12,359

triangular UFO lying on your shelf back

1562

01:04:17,930 --> 01:04:16,319

there I do yes yeah you can see it right

1563

01:04:20,329 --> 01:04:17,940

there um that was part of the Christmas

1564

01:04:23,690 --> 01:04:20,339

ornament uh collection that I got last

1565

01:04:27,170 --> 01:04:23,700

year for Christmas uh so I have also I

1566

01:04:30,829 --> 01:04:27,180

have a Tic Tac and I have a saucer and I

1567

01:04:32,210 --> 01:04:30,839

have a um a orb and the triangle so I'll

1568

01:04:34,250 --> 01:04:32,220

be putting up a little Christmas tree

1569

01:04:37,370 --> 01:04:34,260

here in Scotland hopefully in the next

1570

01:04:39,829 --> 01:04:37,380

month or so and we'll be showing off a

1571

01:04:42,049 --> 01:04:39,839

lot of those ornaments very proudly so

1572

01:04:46,250 --> 01:04:42,059

yes that is the triangle thanks for

1573

01:04:46,260 --> 01:04:53,990

let's see here

1574

01:04:58,490 --> 01:04:56,270

let's see is Thanksgiving the next date

1575

01:05:01,549 --> 01:04:58,500

when looking to report dump on uh that's

1576

01:05:03,170 --> 01:05:01,559

a good question uh it's possible uh you

1577

01:05:05,870 --> 01:05:03,180

know a lot of the times they dump these

1578

01:05:07,789 --> 01:05:05,880

things on a Friday or a Sunday or a

1579

01:05:11,390 --> 01:05:07,799

holiday when the least amount of people

1580

01:05:14,329 --> 01:05:11,400

are you know checking their socials or

1581

01:05:16,010 --> 01:05:14,339

um reading the news even so it is

1582

01:05:18,109 --> 01:05:16,020

possible that this report could get

1583

01:05:21,170 --> 01:05:18,119

pushed all the way back to Thanksgiving

1584

01:05:26,930 --> 01:05:21,180

I hope not but we'll see we'll see for

1585

01:05:35,930 --> 01:05:28,970

see Ross says Diana prasaka is well

1586

01:05:40,190 --> 01:05:38,390

um there was one other start question I

1587

01:05:41,809 --> 01:05:40,200

had here

1588

01:05:44,030 --> 01:05:41,819

a pursuit of the Paranormal hello

1589

01:05:46,730 --> 01:05:44,040

evening guys if we can now talk about

1590

01:05:48,530 --> 01:05:46,740

the UFOs when do we talk abductions

1591

01:05:50,890 --> 01:05:48,540

pursuit of the Paranormal podcast

1592

01:05:53,270 --> 01:05:50,900

everyone go subscribe right now

1593

01:05:55,250 --> 01:05:53,280

wonderful wonderful work by my friends

1594

01:05:57,170 --> 01:05:55,260

here in the UK

1595

01:05:59,750 --> 01:05:57,180

um some of whom I got to meet very

1596

01:06:01,849 --> 01:05:59,760

recently in uh in Newcastle not

1597

01:06:03,049 --> 01:06:01,859

Newcastle excuse me that was my Midway

1598

01:06:05,809 --> 01:06:03,059

Point

1599

01:06:08,569 --> 01:06:05,819

um where was I oh my gosh

1600

01:06:12,589 --> 01:06:08,579

it's it's it's escaping my memory

1601

01:06:14,569 --> 01:06:12,599

pursuit of the Paranormal where were we

1602

01:06:17,329 --> 01:06:14,579

clearly I've had a little too much to

1603

01:06:20,690 --> 01:06:17,339

drink already guys but no had an awesome

1604

01:06:22,849 --> 01:06:20,700

time meeting everyone out there and um

1605

01:06:24,710 --> 01:06:22,859

and Talking UFOs it was such a pleasure

1606

01:06:26,809 --> 01:06:24,720

such a pleasure uh when do we talk

1607

01:06:29,089 --> 01:06:26,819

abductions

1608

01:06:33,829 --> 01:06:29,099

I don't know that's a very good question

1609

01:06:37,069 --> 01:06:33,839

there's so many implications to uh the

1610

01:06:39,049 --> 01:06:37,079

abduction phenomenon uh you know and

1611

01:06:41,049 --> 01:06:39,059

baby steps you know we're just now

1612

01:06:44,930 --> 01:06:41,059

getting the US government acknowledging

1613

01:06:47,029 --> 01:06:44,940

UFOs exist in our worth our time to put

1614

01:06:49,250 --> 01:06:47,039

money into investigating and hopefully

1615

01:06:51,349 --> 01:06:49,260

that'll bleed over into other world

1616

01:06:53,870 --> 01:06:51,359

governments and um the day will come

1617

01:06:55,670 --> 01:06:53,880

when we can start talking about uh

1618

01:06:58,849 --> 01:06:55,680

abductions Close Encounters the

1619

01:07:01,490 --> 01:06:58,859

Paranormal uh the occult even

1620

01:07:03,589 --> 01:07:01,500

um all of this stuff so hopefully there

1621

01:07:05,329 --> 01:07:03,599

will be a convergence in the future of

1622

01:07:08,690 --> 01:07:05,339

all of this when we can finally start

1623

01:07:11,510 --> 01:07:08,700

having those harder conversations but um

1624

01:07:14,569 --> 01:07:11,520

look it's been over 70 years with just

1625

01:07:16,910 --> 01:07:14,579

acknowledging UFOs so imagine how long

1626

01:07:18,650 --> 01:07:16,920

it'll take for us to get any further

1627

01:07:20,450 --> 01:07:18,660

um but the goal post is moving and and

1628

01:07:22,069 --> 01:07:20,460

we're moving down the line and and

1629

01:07:24,529 --> 01:07:22,079

hopefully we'll get into the end zone

1630

01:07:25,450 --> 01:07:24,539

hopefully hopefully soon that's all the

1631

01:07:31,549 --> 01:07:25,460

football

1632

01:07:35,150 --> 01:07:31,559

guys tonight so yeah yeah here we go

1633

01:07:37,549 --> 01:07:35,160

uh moving on to our next questions here

1634

01:07:39,529 --> 01:07:37,559

you should do a show about wintertime

1635

01:07:42,230 --> 01:07:39,539

Mountain encounters and call it

1636

01:07:44,450 --> 01:07:42,240

somewhere in the skis I love that Rob

1637

01:07:46,490 --> 01:07:44,460

I've definitely I've definitely thought

1638

01:07:49,069 --> 01:07:46,500

about that

1639

01:07:51,770 --> 01:07:49,079

uh Dr Michael Reese welcome welcome what

1640

01:07:55,670 --> 01:07:51,780

kind of music do you listen to

1641

01:07:58,250 --> 01:07:55,680

um all types all types man um I grew up

1642

01:08:00,349 --> 01:07:58,260

a lot on classic rock

1643

01:08:02,329 --> 01:08:00,359

um and that's thanks to my father who I

1644

01:08:03,950 --> 01:08:02,339

thought and still think has incredible

1645

01:08:06,289 --> 01:08:03,960

music taste

1646

01:08:10,490 --> 01:08:06,299

um you know everything from like Steve

1647

01:08:13,069 --> 01:08:10,500

Miller to uh the stones to Foreigner to

1648

01:08:15,430 --> 01:08:13,079

Journey all those kind of bands in the

1649

01:08:20,390 --> 01:08:15,440

80s and whatnot and even in the 70s

1650

01:08:22,189 --> 01:08:20,400

Kansas uh CCR all of them all of them um

1651

01:08:24,110 --> 01:08:22,199

so I listened to a lot of that stuff

1652

01:08:26,809 --> 01:08:24,120

when I'm looking for

1653

01:08:30,229 --> 01:08:26,819

um to just go back in time and kind of

1654

01:08:31,370 --> 01:08:30,239

view the world in those decades through

1655

01:08:34,370 --> 01:08:31,380

music

1656

01:08:35,329 --> 01:08:34,380

um but other than that I listen to a lot

1657

01:08:42,349 --> 01:08:35,339

of

1658

01:08:44,749 --> 01:08:42,359

is a band called and Berlin who uh was

1659

01:08:46,910 --> 01:08:44,759

kind of big in like the early 2000s and

1660

01:08:48,410 --> 01:08:46,920

then they uh they broke up but now

1661

01:08:50,689 --> 01:08:48,420

they're back together and making new

1662

01:08:52,849 --> 01:08:50,699

music so um yeah I'd highly suggest

1663

01:08:57,010 --> 01:08:52,859

checking them out on Spotify or you know

1664

01:09:00,650 --> 01:08:58,610

a-n-b-e-r-l-i-n-amberlain they uh

1665

01:09:03,530 --> 01:09:00,660

they're definitely a band that kind of

1666

01:09:04,970 --> 01:09:03,540

uh saved my life when when I needed it I

1667

01:09:07,849 --> 01:09:04,980

even have

1668

01:09:09,050 --> 01:09:07,859

um you can kind of see it here how can I

1669

01:09:11,630 --> 01:09:09,060

get this as

1670

01:09:13,910 --> 01:09:11,640

much on the camera

1671

01:09:15,709 --> 01:09:13,920

you can't really see it but um it's a

1672

01:09:18,229 --> 01:09:15,719

typewriter tattoo with the words

1673

01:09:20,450 --> 01:09:18,239

dismantle repair which is actually the

1674

01:09:21,829 --> 01:09:20,460

name of an Amber Lynn song

1675

01:09:22,669 --> 01:09:21,839

um one of my favorite songs kind of

1676

01:09:24,289 --> 01:09:22,679

about

1677

01:09:26,870 --> 01:09:24,299

um breaking yourself down to build

1678

01:09:28,729 --> 01:09:26,880

yourself back up and and that song meant

1679

01:09:30,769 --> 01:09:28,739

a lot to me throughout my life and meant

1680

01:09:33,289 --> 01:09:30,779

for many different reasons

1681

01:09:35,510 --> 01:09:33,299

um so yeah yeah definitely definitely

1682

01:09:37,370 --> 01:09:35,520

that kind of music kind of alternative

1683

01:09:41,809 --> 01:09:37,380

rock and whatnot

1684

01:09:43,669 --> 01:09:41,819

um and yeah yeah I I guess that's kind

1685

01:09:45,650 --> 01:09:43,679

of my musical taste I like a little bit

1686

01:09:47,809 --> 01:09:45,660

of everything there's days I want to

1687

01:09:49,309 --> 01:09:47,819

listen to show tunes I come from a

1688

01:09:54,050 --> 01:09:49,319

theater background so I'll definitely

1689

01:09:56,150 --> 01:09:54,060

rock some uh music man or or rent or uh

1690

01:09:58,010 --> 01:09:56,160

or or stuff like that

1691

01:10:01,610 --> 01:09:58,020

um when I'm when I'm getting homesick

1692

01:10:03,290 --> 01:10:01,620

and and missing Broadway for sure and

1693

01:10:05,030 --> 01:10:03,300

um yeah yeah I would say those are

1694

01:10:08,270 --> 01:10:05,040

definitely kind of my musical taste so

1695

01:10:10,010 --> 01:10:08,280

thank you thank you for asking

1696

01:10:13,130 --> 01:10:10,020

uh Ryan have you looked into human

1697

01:10:15,709 --> 01:10:13,140

abductions with no return uh or human

1698

01:10:16,669 --> 01:10:15,719

mutilation sorry to get dark like your

1699

01:10:20,209 --> 01:10:16,679

beer

1700

01:10:23,149 --> 01:10:20,219

um I have uh I actually for the Travel

1701

01:10:25,729 --> 01:10:23,159

Channel for a show called uh Mysteries

1702

01:10:28,430 --> 01:10:25,739

at the Museum uh which was later renamed

1703

01:10:32,570 --> 01:10:28,440

beyond the unknown uh I did a whole

1704

01:10:35,570 --> 01:10:32,580

piece on someone who is abducted uh this

1705

01:10:37,370 --> 01:10:35,580

is in Australia uh valentich if you

1706

01:10:40,970 --> 01:10:37,380

don't know who that is

1707

01:10:42,709 --> 01:10:40,980

um and this pilot uh he got on his radio

1708

01:10:45,110 --> 01:10:42,719

said that there was something above him

1709

01:10:47,390 --> 01:10:45,120

and that it was huge it was massive he

1710

01:10:49,910 --> 01:10:47,400

didn't know what it was and won his

1711

01:10:51,950 --> 01:10:49,920

radio finally went dead all you could

1712

01:10:53,390 --> 01:10:51,960

hear was this metal scratching sound

1713

01:10:55,070 --> 01:10:53,400

before

1714

01:10:57,530 --> 01:10:55,080

um he could no longer communicate with

1715

01:11:00,110 --> 01:10:57,540

the flight towers and he disappeared he

1716

01:11:01,610 --> 01:11:00,120

was never found uh so super scary uh

1717

01:11:03,709 --> 01:11:01,620

there's a bunch of other cases like that

1718

01:11:05,810 --> 01:11:03,719

as well human mutilations I haven't

1719

01:11:07,310 --> 01:11:05,820

really looked in too much I know there's

1720

01:11:09,830 --> 01:11:07,320

some out there

1721

01:11:11,390 --> 01:11:09,840

um Butch watowski is a researcher who

1722

01:11:13,010 --> 01:11:11,400

looked a lot into that

1723

01:11:14,689 --> 01:11:13,020

um so I would definitely suggest if you

1724

01:11:17,630 --> 01:11:14,699

do want to kind of dig into the deeper

1725

01:11:20,030 --> 01:11:17,640

darker sides to abductions or uh

1726

01:11:22,729 --> 01:11:20,040

mutilations uh he has done some work on

1727

01:11:25,010 --> 01:11:22,739

it and he's a former detective so he he

1728

01:11:27,110 --> 01:11:25,020

did a lot of good work

1729

01:11:29,390 --> 01:11:27,120

um but yeah something I don't really

1730

01:11:31,910 --> 01:11:29,400

dive into a lot trying to get more

1731

01:11:34,370 --> 01:11:31,920

positive uh moving forward with my

1732

01:11:36,290 --> 01:11:34,380

ufology uh so good question thank you

1733

01:11:38,990 --> 01:11:36,300

for asking

1734

01:11:40,490 --> 01:11:39,000

uh comedy history welcome welcome I know

1735

01:11:42,410 --> 01:11:40,500

you just moved to Scotland but do you

1736

01:11:43,790 --> 01:11:42,420

ever see yourself moving back to the U.S

1737

01:11:46,130 --> 01:11:43,800

someday

1738

01:11:48,890 --> 01:11:46,140

um I don't know honestly like I'm just

1739

01:11:51,290 --> 01:11:48,900

going where the wind goes and um where

1740

01:11:53,450 --> 01:11:51,300

where the work goes and I'm enjoying

1741

01:11:55,610 --> 01:11:53,460

every minute of being here so far I've

1742

01:11:56,750 --> 01:11:55,620

lived in the US my whole life um I've

1743

01:11:59,090 --> 01:11:56,760

had the very

1744

01:12:02,330 --> 01:11:59,100

Good Fortune of traveling a lot in the

1745

01:12:04,490 --> 01:12:02,340

past few years and as soon as I visited

1746

01:12:07,189 --> 01:12:04,500

Scotland I immediately fell in love with

1747

01:12:09,229 --> 01:12:07,199

it and lo and behold opportunity arose

1748

01:12:11,510 --> 01:12:09,239

and now I'm living here which is still

1749

01:12:13,970 --> 01:12:11,520

insane insane it still hasn't really hit

1750

01:12:15,709 --> 01:12:13,980

me um but who knows who knows if I'll

1751

01:12:17,330 --> 01:12:15,719

end up back in the U.S or or or

1752

01:12:20,750 --> 01:12:17,340

somewhere else

1753

01:12:22,130 --> 01:12:20,760

um we'll see we'll see the US has kind

1754

01:12:24,350 --> 01:12:22,140

of been shambles

1755

01:12:26,149 --> 01:12:24,360

um and uh not exactly the place I want

1756

01:12:27,470 --> 01:12:26,159

to be right now to be completely honest

1757

01:12:29,510 --> 01:12:27,480

but

1758

01:12:31,729 --> 01:12:29,520

um I'm just being brutally honest guys

1759

01:12:33,890 --> 01:12:31,739

please don't be offended by by us

1760

01:12:36,830 --> 01:12:33,900

listeners or viewers

1761

01:12:41,030 --> 01:12:36,840

um but yeah yeah who knows what the

1762

01:12:45,530 --> 01:12:43,070

give me a sec here guys

1763

01:12:49,070 --> 01:12:45,540

so hot in here I think my heat is on too

1764

01:12:53,030 --> 01:12:51,709

uh

1765

01:12:54,709 --> 01:12:53,040

um

1766

01:12:57,890 --> 01:12:54,719

see if we have any more questions here

1767

01:13:01,010 --> 01:12:57,900

oh my God my comment got red and so did

1768

01:13:05,330 --> 01:13:03,590

Eventide welcome Ryan now that you're in

1769

01:13:06,950 --> 01:13:05,340

Europe have you considered doing an on

1770

01:13:09,950 --> 01:13:06,960

location type broadcast from a

1771

01:13:12,229 --> 01:13:09,960

monolithic site could be cool absolutely

1772

01:13:13,130 --> 01:13:12,239

I have a lot of cool things planned for

1773

01:13:15,970 --> 01:13:13,140

the future

1774

01:13:18,830 --> 01:13:15,980

um still settling in trying to restart

1775

01:13:21,770 --> 01:13:18,840

reboot my life uh you know doing

1776

01:13:24,470 --> 01:13:21,780

adulting things like finding a job and

1777

01:13:27,350 --> 01:13:24,480

and getting the apartment in order you

1778

01:13:29,330 --> 01:13:27,360

see my sparse bookshelf here

1779

01:13:32,149 --> 01:13:29,340

um working on that getting my UFO

1780

01:13:34,790 --> 01:13:32,159

Library back to where it should be

1781

01:13:36,290 --> 01:13:34,800

um so yeah once things get going I

1782

01:13:39,470 --> 01:13:36,300

definitely want to get out there I mean

1783

01:13:42,470 --> 01:13:39,480

Scotland is just such a magical ancient

1784

01:13:44,870 --> 01:13:42,480

place that uh holds many Mysteries I

1785

01:13:48,290 --> 01:13:44,880

want to go to the um the islands the

1786

01:13:51,649 --> 01:13:48,300

orkney islands and Isle of Skye and

1787

01:13:54,010 --> 01:13:51,659

um I even want to go there's uh I forget

1788

01:13:56,590 --> 01:13:54,020

exactly where it is but the actual

1789

01:13:59,209 --> 01:13:56,600

McLeod clan castle

1790

01:14:01,130 --> 01:13:59,219

I'm a huge Highlander fan so I want to

1791

01:14:03,590 --> 01:14:01,140

go visit there and I will definitely do

1792

01:14:06,229 --> 01:14:03,600

some on-site investigations and stuff

1793

01:14:11,390 --> 01:14:06,239

like that uh that's for damn sure so

1794

01:14:19,910 --> 01:14:14,209

let's see Amber land Dr Michael no it's

1795

01:14:21,530 --> 01:14:19,920

Anne Berlin and a n b e r l i n is the

1796

01:14:23,689 --> 01:14:21,540

band

1797

01:14:26,450 --> 01:14:23,699

Jess says are you sufficiently far from

1798

01:14:28,209 --> 01:14:26,460

London in any UK military bases in case

1799

01:14:29,870 --> 01:14:28,219

the Ukraine thing goes

1800

01:14:31,729 --> 01:14:29,880

nuclear

1801

01:14:34,130 --> 01:14:31,739

um

1802

01:14:37,070 --> 01:14:34,140

I hate hearing that word it really

1803

01:14:38,870 --> 01:14:37,080

triggers me just so damn you

1804

01:14:40,750 --> 01:14:38,880

um scary times not gonna lie what

1805

01:14:44,270 --> 01:14:40,760

happened today in Poland is very

1806

01:14:47,390 --> 01:14:44,280

unsettling I hope uh I hope we can

1807

01:14:49,130 --> 01:14:47,400

figure it out I hope tensions don't uh

1808

01:14:51,050 --> 01:14:49,140

get too high

1809

01:14:53,209 --> 01:14:51,060

um you know we were making some progress

1810

01:14:55,970 --> 01:14:53,219

on a lot of fronts whether it's with

1811

01:14:57,649 --> 01:14:55,980

China in the US or Russia and Ukraine

1812

01:15:00,169 --> 01:14:57,659

and then lo and behold this happens

1813

01:15:03,290 --> 01:15:00,179

today so it really goes to show you

1814

01:15:07,010 --> 01:15:03,300

anything can happen at any time

1815

01:15:08,630 --> 01:15:07,020

um so yeah yeah it's it's concerning

1816

01:15:11,149 --> 01:15:08,640

being in Europe while all this is

1817

01:15:13,550 --> 01:15:11,159

happening but um all we can do is hope

1818

01:15:15,050 --> 01:15:13,560

for the best and um and prepare for the

1819

01:15:16,550 --> 01:15:15,060

worst so

1820

01:15:19,910 --> 01:15:16,560

um thank you guys for being here tonight

1821

01:15:21,410 --> 01:15:19,920

that's all I'll say thank you thank you

1822

01:15:25,910 --> 01:15:21,420

um you're keeping me distracted from

1823

01:15:25,920 --> 01:15:30,850

let's see

1824

01:15:35,209 --> 01:15:33,530

babe Jim says vitamin D supplement is

1825

01:15:37,310 --> 01:15:35,219

required in Scotland I'm definitely

1826

01:15:40,610 --> 01:15:37,320

learning that man the sun is not

1827

01:15:42,830 --> 01:15:40,620

friendly to Scotland for sure

1828

01:15:45,890 --> 01:15:42,840

um I'm definitely definitely losing my

1829

01:15:48,050 --> 01:15:45,900

my my color living here so far but it is

1830

01:15:50,990 --> 01:15:48,060

what it is

1831

01:15:53,510 --> 01:15:51,000

you're so amazing thank you David truly

1832

01:15:55,310 --> 01:15:53,520

appreciate that

1833

01:15:56,750 --> 01:15:55,320

um let's see

1834

01:15:59,090 --> 01:15:56,760

did I miss any of these starred

1835

01:16:01,189 --> 01:15:59,100

questions nope I got to the

1836

01:16:03,110 --> 01:16:01,199

super chat questions guys so if you have

1837

01:16:04,610 --> 01:16:03,120

any more questions

1838

01:16:07,790 --> 01:16:04,620

um you can put them in the Super Chat

1839

01:16:09,350 --> 01:16:07,800

and uh I will definitely answer them

1840

01:16:11,330 --> 01:16:09,360

um I'll answer them no matter what don't

1841

01:16:13,130 --> 01:16:11,340

worry but if you want to help out the

1842

01:16:15,350 --> 01:16:13,140

show that's a great way to do it get

1843

01:16:17,149 --> 01:16:15,360

your questions to the top

1844

01:16:19,189 --> 01:16:17,159

um there's a few other things I wanted

1845

01:16:20,169 --> 01:16:19,199

to share with you guys

1846

01:16:22,850 --> 01:16:20,179

um

1847

01:16:25,010 --> 01:16:22,860

that have recently

1848

01:16:26,390 --> 01:16:25,020

happened uh here's one I'm going to put

1849

01:16:27,950 --> 01:16:26,400

this on

1850

01:16:31,490 --> 01:16:27,960

this

1851

01:16:34,610 --> 01:16:31,500

is a piece of art that was created by a

1852

01:16:37,970 --> 01:16:34,620

artist here in um in the UK and that is

1853

01:16:39,830 --> 01:16:37,980

Olaf rochner and he made this for

1854

01:16:42,050 --> 01:16:39,840

somewhere in the skies and it absolutely

1855

01:16:45,290 --> 01:16:42,060

my jaw dropped when he said this to me

1856

01:16:49,010 --> 01:16:45,300

that's me and Chrissy Newton my co-pilot

1857

01:16:51,110 --> 01:16:49,020

co-host of the show in a dystopian alien

1858

01:16:52,669 --> 01:16:51,120

invaded future

1859

01:16:55,070 --> 01:16:52,679

um Olaf told me he was kind of working

1860

01:16:56,930 --> 01:16:55,080

on something and that he'd drop it on me

1861

01:16:59,870 --> 01:16:56,940

as a surprise and lo and behold this is

1862

01:17:01,550 --> 01:16:59,880

what he sent me and it's amazing I

1863

01:17:03,530 --> 01:17:01,560

absolutely love it

1864

01:17:05,810 --> 01:17:03,540

um I should have this available in the

1865

01:17:07,790 --> 01:17:05,820

store soon so you can actually you'll be

1866

01:17:10,189 --> 01:17:07,800

able to get this on some merch if we

1867

01:17:12,890 --> 01:17:10,199

want to have me and Chrissy's face on

1868

01:17:15,590 --> 01:17:12,900

your mugs or your t-shirts uh this will

1869

01:17:17,990 --> 01:17:15,600

be available in the store so again huge

1870

01:17:19,070 --> 01:17:18,000

huge thanks to Olaf rockner go check him

1871

01:17:20,030 --> 01:17:19,080

out

1872

01:17:21,110 --> 01:17:20,040

um he's on Instagram

1873

01:17:23,450 --> 01:17:21,120

[Music]

1874

01:17:26,030 --> 01:17:23,460

um type in his name Olaf rochner

1875

01:17:27,530 --> 01:17:26,040

r-o-c-k-n-e-r

1876

01:17:31,070 --> 01:17:27,540

um on Google I'm sure everything will

1877

01:17:33,890 --> 01:17:31,080

pop up and I will uh subsequently put

1878

01:17:36,470 --> 01:17:33,900

his his links in the show notes after we

1879

01:17:38,570 --> 01:17:36,480

uh we wrap things up here so yeah yeah I

1880

01:17:40,130 --> 01:17:38,580

thought that was pretty cool

1881

01:17:42,410 --> 01:17:40,140

um what is the other thing I wanted to

1882

01:17:45,229 --> 01:17:42,420

share with you guys

1883

01:17:47,209 --> 01:17:45,239

where is it oh here we go

1884

01:17:49,430 --> 01:17:47,219

so

1885

01:17:53,990 --> 01:17:49,440

for those of you who don't know who this

1886

01:17:58,189 --> 01:17:54,000

is this is Kevin Conroy Uh Kevin was a

1887

01:18:02,390 --> 01:17:58,199

huge huge hero of mine I am a die-hard

1888

01:18:04,669 --> 01:18:02,400

Batman fan and uh Kevin played Batman in

1889

01:18:08,270 --> 01:18:04,679

the Animated Series probably my

1890

01:18:10,669 --> 01:18:08,280

absolutely uh biggest favorite Batman

1891

01:18:12,770 --> 01:18:10,679

thing to ever be created

1892

01:18:15,830 --> 01:18:12,780

um Kevin did just such an incredible

1893

01:18:17,630 --> 01:18:15,840

incredible job playing both The Dark

1894

01:18:22,370 --> 01:18:17,640

Knight and Bruce Wayne in this series

1895

01:18:25,070 --> 01:18:22,380

and unfortunately uh we lost it uh not a

1896

01:18:28,430 --> 01:18:25,080

little less than a week ago now

1897

01:18:30,830 --> 01:18:28,440

um very unexpected and very unfortunate

1898

01:18:35,570 --> 01:18:30,840

but he was a huge inspiration to me both

1899

01:18:40,250 --> 01:18:35,580

as a actor a voice over person

1900

01:18:42,590 --> 01:18:40,260

um a a artist a a comic book fan and

1901

01:18:45,709 --> 01:18:42,600

most importantly as a human being just

1902

01:18:48,709 --> 01:18:45,719

one of the most positive inspirational

1903

01:18:50,390 --> 01:18:48,719

people out there and um he will

1904

01:18:52,189 --> 01:18:50,400

definitely be missed he meant a lot to

1905

01:18:54,890 --> 01:18:52,199

me I know he meant a lot of to other

1906

01:18:57,890 --> 01:18:54,900

people out there and I'm gonna go ahead

1907

01:19:00,830 --> 01:18:57,900

and actually play a video that Kevin did

1908

01:19:03,950 --> 01:19:00,840

uh as a cameo for somebody this really

1909

01:19:06,470 --> 01:19:03,960

resonated with me and I've had this in

1910

01:19:08,810 --> 01:19:06,480

the queue for a while whenever

1911

01:19:11,149 --> 01:19:08,820

I I get down or

1912

01:19:13,250 --> 01:19:11,159

um depressed I I put this video on this

1913

01:19:15,649 --> 01:19:13,260

is Kevin talking about what Batman means

1914

01:19:17,930 --> 01:19:15,659

and what it means to the world and what

1915

01:19:20,209 --> 01:19:17,940

we could take from something like Batman

1916

01:19:22,130 --> 01:19:20,219

into our real life so check this out

1917

01:19:24,590 --> 01:19:22,140

I've been doing this role for 30 years

1918

01:19:26,810 --> 01:19:24,600

which is pretty crazy for an acting job

1919

01:19:29,030 --> 01:19:26,820

but Batman the Animated Series became

1920

01:19:30,709 --> 01:19:29,040

Batman and Robin and Batman Beyond then

1921

01:19:32,689 --> 01:19:30,719

the Justice League then the Arkham games

1922

01:19:33,950 --> 01:19:32,699

it just kept evolving and evolving over

1923

01:19:35,810 --> 01:19:33,960

time

1924

01:19:37,490 --> 01:19:35,820

the amazing thing about playing this

1925

01:19:38,390 --> 01:19:37,500

character for so long you know aside

1926

01:19:43,550 --> 01:19:38,400

from

1927

01:19:46,310 --> 01:19:43,560

brooding complicated damaged man

1928

01:19:47,750 --> 01:19:46,320

and aside from all the great actors that

1929

01:19:50,630 --> 01:19:47,760

I've gotten to work with what's really

1930

01:19:52,910 --> 01:19:50,640

been interesting is is this this

1931

01:19:54,890 --> 01:19:52,920

interaction this conversation I get to

1932

01:19:56,630 --> 01:19:54,900

have with the fans I didn't anticipate

1933

01:19:58,669 --> 01:19:56,640

when I started

1934

01:20:01,310 --> 01:19:58,679

how passionate people are about Batman

1935

01:20:02,810 --> 01:20:01,320

there's a really unique connection there

1936

01:20:04,370 --> 01:20:02,820

because it's not like that for Superman

1937

01:20:05,689 --> 01:20:04,380

or Wonder Woman in the flash it's

1938

01:20:07,310 --> 01:20:05,699

different with Batman

1939

01:20:09,229 --> 01:20:07,320

and I think the reason is that because

1940

01:20:11,270 --> 01:20:09,239

of all the superheroes he's the only one

1941

01:20:14,090 --> 01:20:11,280

who's actually not a superhero there's

1942

01:20:15,470 --> 01:20:14,100

something Supernatural about Batman you

1943

01:20:17,990 --> 01:20:15,480

know what I mean he can't fly he can't

1944

01:20:19,850 --> 01:20:18,000

see through walls he's a man he's a

1945

01:20:21,530 --> 01:20:19,860

human being

1946

01:20:22,910 --> 01:20:21,540

um he's more like a detective some

1947

01:20:25,310 --> 01:20:22,920

people actually call him the great

1948

01:20:28,070 --> 01:20:25,320

detective but not only is he human he's

1949

01:20:31,850 --> 01:20:28,080

a very flawed human and he knows he's

1950

01:20:34,550 --> 01:20:31,860

flawed he's been damaged by life

1951

01:20:37,550 --> 01:20:34,560

and we're all flawed right

1952

01:20:39,169 --> 01:20:37,560

and we all get damaged by life so what

1953

01:20:41,270 --> 01:20:39,179

makes Batman that much more relatable

1954

01:20:43,790 --> 01:20:41,280

because he's so much like us in a way

1955

01:20:46,189 --> 01:20:43,800

what distinguishes him is that no matter

1956

01:20:48,709 --> 01:20:46,199

what life throws at him no matter what

1957

01:20:50,270 --> 01:20:48,719

crisis or challenge or failure he never

1958

01:20:55,370 --> 01:20:50,280

lets it

1959

01:20:57,530 --> 01:20:55,380

angry or bitter

1960

01:20:59,450 --> 01:20:57,540

he takes that pain that life throws at

1961

01:21:00,649 --> 01:20:59,460

him and he turns it into something

1962

01:21:02,330 --> 01:21:00,659

positive

1963

01:21:04,790 --> 01:21:02,340

and he gives it back to the world as

1964

01:21:06,290 --> 01:21:04,800

love because his whole mission is to

1965

01:21:08,270 --> 01:21:06,300

leave the world better than he found it

1966

01:21:10,370 --> 01:21:08,280

and it's the nobility of that mission

1967

01:21:12,290 --> 01:21:10,380

that's what we admire so much about him

1968

01:21:13,729 --> 01:21:12,300

but that's something we can all aspire

1969

01:21:16,130 --> 01:21:13,739

to in our lives you don't have to have

1970

01:21:17,510 --> 01:21:16,140

superpowers to want to give to the

1971

01:21:20,870 --> 01:21:17,520

people in your life to want to leave the

1972

01:21:24,110 --> 01:21:22,970

National control over what fate throws

1973

01:21:26,330 --> 01:21:24,120

at you you don't know what's coming

1974

01:21:29,510 --> 01:21:26,340

tomorrow or next month

1975

01:21:31,850 --> 01:21:29,520

life throws curveballs at everybody

1976

01:21:34,310 --> 01:21:31,860

but what you do have control over is how

1977

01:21:36,290 --> 01:21:34,320

you react to those curveballs you can

1978

01:21:38,750 --> 01:21:36,300

let them Crush you and make you bitter

1979

01:21:43,850 --> 01:21:38,760

or you can learn from them and take that

1980

01:21:47,990 --> 01:21:45,350

yeah

1981

01:21:50,930 --> 01:21:48,000

very inspirational words by Kevin Conroy

1982

01:21:54,590 --> 01:21:50,940

and I think they just meant so much now

1983

01:21:57,350 --> 01:21:54,600

that uh he's passed on so recipes Kevin

1984

01:22:00,050 --> 01:21:57,360

we miss you man and we'll always have

1985

01:22:01,370 --> 01:22:00,060

your legacy to look back on in the

1986

01:22:04,189 --> 01:22:01,380

acting world and with Batman

1987

01:22:06,350 --> 01:22:04,199

specifically so yeah yeah that's enough

1988

01:22:09,229 --> 01:22:06,360

of that that's enough of that guys

1989

01:22:13,070 --> 01:22:09,239

um moving on to some more listener

1990

01:22:15,649 --> 01:22:13,080

questions here uh let's see Pine Cedar

1991

01:22:17,330 --> 01:22:15,659

says Ryan did you have your own sighting

1992

01:22:20,390 --> 01:22:17,340

um he's talked about it here can't

1993

01:22:22,850 --> 01:22:20,400

remember the episode yes uh I have I

1994

01:22:26,209 --> 01:22:22,860

have had a UFO sighting this is in 1995

1995

01:22:27,950 --> 01:22:26,219

in central New York and I was fishing

1996

01:22:30,830 --> 01:22:27,960

off a dock it was just turning dark

1997

01:22:32,570 --> 01:22:30,840

outside and I reeled my line in and when

1998

01:22:35,930 --> 01:22:32,580

I did that I saw a reflection in the

1999

01:22:38,270 --> 01:22:35,940

water uh of an equilateral triangle three

2000

01:22:40,610 --> 01:22:38,280

white lights and when I looked up that's

2001

01:22:44,450 --> 01:22:40,620

when I saw it it was basically

2002

01:22:46,189 --> 01:22:44,460

um that triangle that you see right

2003

01:22:47,870 --> 01:22:46,199

there three white lights with a red

2004

01:22:51,050 --> 01:22:47,880

light in the middle that's why that

2005

01:22:52,729 --> 01:22:51,060

ornament means so much to me and I

2006

01:22:54,470 --> 01:22:52,739

called for my dad to come out and look

2007

01:22:56,630 --> 01:22:54,480

at this thing with me he saw it and we

2008

01:22:58,970 --> 01:22:56,640

watched this triangular formation of

2009

01:23:01,970 --> 01:22:58,980

Lights float over the St Lawrence River

2010

01:23:03,950 --> 01:23:01,980

in uh Central New York and disappear on

2011

01:23:06,229 --> 01:23:03,960

the other side of the river over into

2012

01:23:08,450 --> 01:23:06,239

Canada and

2013

01:23:09,830 --> 01:23:08,460

um that was it for me that sent me on

2014

01:23:11,570 --> 01:23:09,840

this path

2015

01:23:13,490 --> 01:23:11,580

um I became obsessed with UFOs after

2016

01:23:15,229 --> 01:23:13,500

seeing that took out books at the

2017

01:23:17,750 --> 01:23:15,239

library started interviewing people

2018

01:23:20,330 --> 01:23:17,760

interviewed my first UFO witness when I

2019

01:23:23,209 --> 01:23:20,340

was 13 years old

2020

01:23:25,189 --> 01:23:23,219

um a Vietnam veteran who had a dramatic

2021

01:23:27,290 --> 01:23:25,199

Foo Fighter UFO sighting over the

2022

01:23:29,810 --> 01:23:27,300

Pacific Ocean and I was the first and

2023

01:23:33,110 --> 01:23:29,820

last person he told this story to before

2024

01:23:36,229 --> 01:23:33,120

he passed away and that meant something

2025

01:23:38,630 --> 01:23:36,239

to me that was very powerful and sent me

2026
01:23:40,370 --> 01:23:38,640
on this path to interview people and to

2027
01:23:43,669 --> 01:23:40,380
hear their stories and to get them out

2028
01:23:46,250 --> 01:23:43,679
there to the public as best I can and uh

2029
01:23:49,430 --> 01:23:46,260
just show everyone that uh it doesn't

2030
01:23:51,830 --> 01:23:49,440
matter your beliefs or um or what have

2031
01:23:53,450 --> 01:23:51,840
you uh everyone has seen something in

2032
01:23:56,090 --> 01:23:53,460
the sky they can't explain mostly

2033
01:23:58,130 --> 01:23:56,100
everyone I should say everybody and uh

2034
01:23:59,090 --> 01:23:58,140
have a story to tell and the more we

2035
01:24:01,189 --> 01:23:59,100
tell these stories the more it

2036
01:24:03,590 --> 01:24:01,199
normalizes the topic and the more we can

2037
01:24:05,149 --> 01:24:03,600
uh have those harder conversations about

2038
01:24:07,970 --> 01:24:05,159

what they are where they come from and

2039

01:24:09,050 --> 01:24:07,980

what do they want so yeah yeah that was

2040

01:24:12,110 --> 01:24:09,060

my story

2041

01:24:15,950 --> 01:24:12,120

thank you for asking

2042

01:24:18,649 --> 01:24:15,960

let's see here smack

2043

01:24:20,149 --> 01:24:18,659

that is quite a handle there uh good

2044

01:24:22,370 --> 01:24:20,159

evening Ryan have you ever heard of the

2045

01:24:24,890 --> 01:24:22,380

penturk UFO incident in Wales I have

2046

01:24:26,810 --> 01:24:24,900

highly controversial case

2047

01:24:29,750 --> 01:24:26,820

um I have to admit I haven't looked that

2048

01:24:31,970 --> 01:24:29,760

much into it but but I actually

2049

01:24:34,669 --> 01:24:31,980

um am going to be speaking to some of my

2050

01:24:36,950 --> 01:24:34,679

UAP media UK friends in the very near

2051
01:24:39,830 --> 01:24:36,960
future about that case and many others

2052
01:24:42,470 --> 01:24:39,840
as I continue to investigate UFO cases

2053
01:24:43,850 --> 01:24:42,480
here in the UK uh so yeah definitely in

2054
01:24:48,169 --> 01:24:43,860
the future I'm hoping to look more into

2055
01:24:53,209 --> 01:24:50,689
let's see UAP thank you so much for the

2056
01:24:55,490 --> 01:24:53,219
Super Chat truly truly appreciated did

2057
01:24:57,950 --> 01:24:55,500
you did your five eyes research get

2058
01:25:00,470 --> 01:24:57,960
anywhere any leads for searches in New

2059
01:25:03,470 --> 01:25:00,480
Zealand as a five Vice partner

2060
01:25:05,169 --> 01:25:03,480
um I'm gonna be honest I haven't done a

2061
01:25:10,669 --> 01:25:05,179
lot of research into the five eyes

2062
01:25:12,470 --> 01:25:10,679
lately I've been working tirelessly uh

2063
01:25:13,790 --> 01:25:12,480

to get the show

2064

01:25:16,250 --> 01:25:13,800

um the podcast

2065

01:25:19,310 --> 01:25:16,260

um to get ahead you know

2066

01:25:20,870 --> 01:25:19,320

um it's it's always difficult to try to

2067

01:25:23,330 --> 01:25:20,880

stay on top of things when you're also

2068

01:25:25,610 --> 01:25:23,340

when you also moved out of the country

2069

01:25:27,410 --> 01:25:25,620

you're from and starting a new life so

2070

01:25:29,030 --> 01:25:27,420

right now I'm just trying to play catch

2071

01:25:31,550 --> 01:25:29,040

up with everything

2072

01:25:32,930 --> 01:25:31,560

um so hopefully I'll have more info on

2073

01:25:34,729 --> 01:25:32,940

the five eyes and what I've learned

2074

01:25:36,470 --> 01:25:34,739

about it and when I know a lot of other

2075

01:25:37,850 --> 01:25:36,480

researchers have learned about it as

2076

01:25:39,590 --> 01:25:37,860

well

2077

01:25:42,050 --> 01:25:39,600

um but definitely look into the work

2078

01:25:43,790 --> 01:25:42,060

someone like Christopher shark uh the

2079

01:25:45,649 --> 01:25:43,800

investigative journalist who runs the

2080

01:25:48,649 --> 01:25:45,659

Liberation times

2081

01:25:50,570 --> 01:25:48,659

um he's done a lot of looking into that

2082

01:25:52,850 --> 01:25:50,580

um John Greenwald I know for sure

2083

01:25:54,830 --> 01:25:52,860

probably has some Step Up On The Black

2084

01:25:56,390 --> 01:25:54,840

Vault about the five eyes so yeah

2085

01:25:59,090 --> 01:25:56,400

definitely those two I would highly

2086

01:26:00,890 --> 01:25:59,100

suggest looking into for sure

2087

01:26:03,290 --> 01:26:00,900

um and look at the work of Grant levock

2088

01:26:06,290 --> 01:26:03,300

who's doing a lot of a lot of incredible

2089

01:26:07,790 --> 01:26:06,300

work pushing the topic in Australia I

2090

01:26:10,850 --> 01:26:07,800

know a lot of um

2091

01:26:13,010 --> 01:26:10,860

Australian UFO researchers work with New

2092

01:26:15,290 --> 01:26:13,020

Zealand as well at least their mufon

2093

01:26:17,689 --> 01:26:15,300

sectors do so I don't know if that goes

2094

01:26:20,450 --> 01:26:17,699

for government and Military as well but

2095

01:26:22,790 --> 01:26:20,460

um Grant might be worth uh reaching out

2096

01:26:25,990 --> 01:26:22,800

to as well too to answer some of that

2097

01:26:26,000 --> 01:26:30,709

losing my voice guys excuse me

2098

01:26:42,350 --> 01:26:32,510

see just gonna run through the chat a

2099

01:26:42,360 --> 01:26:45,470

um

2100

01:26:49,669 --> 01:26:47,810

let's see Amanda Rose says I don't

2101
01:26:51,169 --> 01:26:49,679
comment a lot on these things but I've

2102
01:26:52,850 --> 01:26:51,179
been a long time follower of your work

2103
01:26:54,830 --> 01:26:52,860
and wanted to say thank you for all

2104
01:26:56,450 --> 01:26:54,840
you've contributed to this topic your

2105
01:26:58,370 --> 01:26:56,460
positivity and optimism is important

2106
01:27:01,070 --> 01:26:58,380
Amanda thank you

2107
01:27:03,590 --> 01:27:01,080
um I truly appreciate that and it's good

2108
01:27:05,990 --> 01:27:03,600
to um hear that people appreciate that

2109
01:27:07,490 --> 01:27:06,000
for me because as John Greenwald and I

2110
01:27:11,110 --> 01:27:07,500
talked about tonight

2111
01:27:13,550 --> 01:27:11,120
um it's very easy to get uh

2112
01:27:15,770 --> 01:27:13,560
disappointed with this topic we've been

2113
01:27:17,689 --> 01:27:15,780

burned so many times and it's an

2114

01:27:20,570 --> 01:27:17,699

enduring mystery that refuses to be

2115

01:27:23,510 --> 01:27:20,580

answered and and that's tough for a lot

2116

01:27:26,090 --> 01:27:23,520

of people but I think for me living in

2117

01:27:28,370 --> 01:27:26,100

that mystery is actually

2118

01:27:30,890 --> 01:27:28,380

um it makes the pursuit worthwhile for

2119

01:27:32,390 --> 01:27:30,900

me if I got the answers I don't know if

2120

01:27:34,370 --> 01:27:32,400

I'd like them I don't know if I'd accept

2121

01:27:36,649 --> 01:27:34,380

them and I don't know if it's going to

2122

01:27:39,590 --> 01:27:36,659

be anywhere close to what I ever

2123

01:27:42,229 --> 01:27:39,600

imagined they would be so um I just try

2124

01:27:45,709 --> 01:27:42,239

to take it day by day and like I said

2125

01:27:48,290 --> 01:27:45,719

continue to uh live in that mystery and

2126

01:27:50,510 --> 01:27:48,300

uh do things like this and meet amazing

2127

01:27:52,790 --> 01:27:50,520

people all over the world who've also

2128

01:27:54,890 --> 01:27:52,800

had incredible encounters and and

2129

01:27:57,229 --> 01:27:54,900

sightings and stuff like that so um

2130

01:27:59,030 --> 01:27:57,239

thank you thank you for chiming in and

2131

01:28:00,470 --> 01:27:59,040

for that comment I truly truly do

2132

01:28:02,470 --> 01:28:00,480

appreciate that and thank you for your

2133

01:28:04,729 --> 01:28:02,480

support throughout the years that

2134

01:28:07,430 --> 01:28:04,739

honestly means more to me than anything

2135

01:28:09,229 --> 01:28:07,440

it really does that uh people will take

2136

01:28:12,649 --> 01:28:09,239

the time to watch or listen to what I do

2137

01:28:14,629 --> 01:28:12,659

and um and and and take something from

2138

01:28:16,370 --> 01:28:14,639

it and hopefully I've contributed

2139

01:28:20,810 --> 01:28:16,380

something to the topic in the

2140

01:28:24,770 --> 01:28:23,330

let's see Ian says Ryan please bring

2141

01:28:28,010 --> 01:28:24,780

back the spooky music on the personal

2142

01:28:30,410 --> 01:28:28,020

stories I I had him in the last one but

2143

01:28:32,330 --> 01:28:30,420

it was really low because I was told

2144

01:28:34,370 --> 01:28:32,340

that it's very distracting for some

2145

01:28:36,770 --> 01:28:34,380

people so I tried to just bring it down

2146

01:28:38,330 --> 01:28:36,780

a couple levels but it's there at least

2147

01:28:40,129 --> 01:28:38,340

subliminally

2148

01:28:41,930 --> 01:28:40,139

um but yeah I love putting the music in

2149

01:28:44,750 --> 01:28:41,940

the background but it's really like a 50

2150

01:28:46,790 --> 01:28:44,760

50 split if people like it or not some

2151

01:28:49,430 --> 01:28:46,800

people think it um it adds to it some

2152

01:28:52,610 --> 01:28:49,440

people think it's corny or distracting

2153

01:28:54,709 --> 01:28:52,620

so um I don't know I don't know where um

2154

01:28:56,450 --> 01:28:54,719

where I land on it personally but uh

2155

01:28:58,669 --> 01:28:56,460

I'll try I'll try to make it more

2156

01:28:59,990 --> 01:28:58,679

prevalent in the next one lan um we

2157

01:29:02,390 --> 01:29:00,000

should have a new witness accounts

2158

01:29:05,330 --> 01:29:02,400

episode coming out very soon got some

2159

01:29:08,810 --> 01:29:05,340

really cool cases to bring forward

2160

01:29:14,810 --> 01:29:10,430

foreign

2161

01:29:17,270 --> 01:29:14,820

why do you look like an alien Jared asks

2162

01:29:19,550 --> 01:29:17,280

um maybe I am

2163

01:29:23,149 --> 01:29:19,560

you don't know Jared

2164

01:29:25,850 --> 01:29:23,159

um so maybe you should make a UF a a

2165

01:29:29,090 --> 01:29:25,860

YouTube video on um is Ryan Sprague an

2166

01:29:32,030 --> 01:29:29,100

alien uh show my reptile eyes we'll see

2167

01:29:36,470 --> 01:29:34,669

uh let's see

2168

01:29:38,930 --> 01:29:36,480

yeah I would hear his voice over for

2169

01:29:42,649 --> 01:29:38,940

Batman oh talking about Kevin yeah

2170

01:29:45,649 --> 01:29:42,659

comedy for sure for sure

2171

01:29:48,110 --> 01:29:45,659

um let's see there was one other thing

2172

01:29:49,729 --> 01:29:48,120

that I wanted to share with you guys

2173

01:29:53,090 --> 01:29:49,739

here

2174

01:29:56,510 --> 01:29:53,100

before I forget this was

2175

01:29:58,790 --> 01:29:56,520

uh our most recent episode of the

2176

01:30:01,070 --> 01:29:58,800

podcast actually

2177

01:30:03,110 --> 01:30:01,080

um sorry comedy I'm gonna get that off

2178

01:30:04,790 --> 01:30:03,120

there uh

2179

01:30:07,250 --> 01:30:04,800

we came out with an episode this week

2180

01:30:10,010 --> 01:30:07,260

unlike any other on the podcast before

2181

01:30:13,729 --> 01:30:10,020

and that was with Mitch Horowitz who's

2182

01:30:14,990 --> 01:30:13,739

an author and a occultist and uh this

2183

01:30:16,910 --> 01:30:15,000

guy's kind of been making the rounds in

2184

01:30:19,910 --> 01:30:16,920

the UFO world lately because he recently

2185

01:30:22,970 --> 01:30:19,920

spoke in New York City at a event that

2186

01:30:25,850 --> 01:30:22,980

was uh hosted by uh James iadali and Jay

2187

01:30:28,010 --> 01:30:25,860

Christopher King and um kind of blew the

2188

01:30:30,590 --> 01:30:28,020

audience away in terms of the

2189

01:30:33,350 --> 01:30:30,600

convergence of the occult and UFOs and

2190

01:30:35,930 --> 01:30:33,360

where we stand today on all that and um

2191

01:30:38,090 --> 01:30:35,940

this was one of my favorite discussions

2192

01:30:41,810 --> 01:30:38,100

we've ever had on the podcast this past

2193

01:30:44,570 --> 01:30:41,820

week and um because it was new territory

2194

01:30:46,850 --> 01:30:44,580

that being the occult I brought in a

2195

01:30:49,970 --> 01:30:46,860

past guest of the show Sarah Lyons who

2196

01:30:52,370 --> 01:30:49,980

is a practicing Witch uh and a occultist

2197

01:30:55,970 --> 01:30:52,380

and an author and she helped me navigate

2198

01:30:58,370 --> 01:30:55,980

this crazy maze of the occult and um and

2199

01:31:00,649 --> 01:30:58,380

and asked a lot of amazing questions of

2200

01:31:02,750 --> 01:31:00,659

Mitch as well and Mitch brought up

2201

01:31:05,209 --> 01:31:02,760

something really important I think that

2202

01:31:07,370 --> 01:31:05,219

uh a lot of people in the UFO field

2203

01:31:10,610 --> 01:31:07,380

including myself get caught up in a lot

2204

01:31:14,149 --> 01:31:10,620

and that's that there's this Smoking Gun

2205

01:31:16,310 --> 01:31:14,159

there's this one big question that needs

2206

01:31:18,890 --> 01:31:16,320

to be answered or a bit of information

2207

01:31:22,550 --> 01:31:18,900

that needs to be uh dropped that will

2208

01:31:25,669 --> 01:31:22,560

kind of you know change everything and

2209

01:31:27,169 --> 01:31:25,679

um Mitch really put this eloquently in a

2210

01:31:31,810 --> 01:31:27,179

clip I'm going to show you guys about

2211

01:31:36,530 --> 01:31:31,820

how we have to kind of live in um

2212

01:31:38,510 --> 01:31:36,540

in the I guess the paradoxical nature of

2213

01:31:40,189 --> 01:31:38,520

a lot of this that there might not be

2214

01:31:42,050 --> 01:31:40,199

answers that things will constantly

2215

01:31:45,649 --> 01:31:42,060

contradict one another whether it's

2216

01:31:49,490 --> 01:31:45,659

scientifically or mystically or um you

2217

01:31:51,050 --> 01:31:49,500

know everything in between and he um he

2218

01:31:52,850 --> 01:31:51,060

can explain it a lot more eloquently

2219

01:31:54,590 --> 01:31:52,860

than I am right now so I'm going to go

2220

01:31:56,510 --> 01:31:54,600

ahead and play that clip for you guys

2221

01:31:58,610 --> 01:31:56,520

from this past week's episode of

2222

01:32:00,530 --> 01:31:58,620

somewhere in the skies it's really

2223

01:32:03,350 --> 01:32:00,540

important in the search to grow

2224

01:32:05,390 --> 01:32:03,360

comfortable with Paradox uh to grow

2225

01:32:08,030 --> 01:32:05,400

comfortable with dangling questions to

2226
01:32:10,970 --> 01:32:08,040
be able to sustain a question and not to

2227
01:32:13,129 --> 01:32:10,980
get into this thinking of a magic bullet

2228
01:32:16,430 --> 01:32:13,139
theory there's just one thing out there

2229
01:32:19,550 --> 01:32:16,440
and frankly that's what the some of the

2230
01:32:22,910 --> 01:32:19,560
um lesser Skeptics do you know they they

2231
01:32:24,290 --> 01:32:22,920
find one potential solution and they're

2232
01:32:26,510 --> 01:32:24,300
certain that they found the whole thing

2233
01:32:29,149 --> 01:32:26,520
so the placebo effect for example is

2234
01:32:31,790 --> 01:32:29,159
nothing but endorphins being released

2235
01:32:34,669 --> 01:32:31,800
into the body or nothing but

2236
01:32:36,590 --> 01:32:34,679
um you know immuno boosting enzymes

2237
01:32:38,330 --> 01:32:36,600
being released or something and and all

2238
01:32:40,070 --> 01:32:38,340

that may be true but that could be one

2239

01:32:42,129 --> 01:32:40,080

of a dozen things that are going on or

2240

01:32:44,930 --> 01:32:42,139

that could be what the prayer appeal

2241

01:32:46,910 --> 01:32:44,940

looks like what the spiritual appeal or

2242

01:32:48,890 --> 01:32:46,920

what hopeful expectancy looks like in

2243

01:32:51,950 --> 01:32:48,900

the body and it might look like 12 other

2244

01:32:54,830 --> 01:32:51,960

things too so you know we we really get

2245

01:32:56,510 --> 01:32:54,840

trained in the Western World to think in

2246

01:32:59,390 --> 01:32:56,520

terms of opposites there's true and

2247

01:33:02,090 --> 01:32:59,400

there's false and to a degree that

2248

01:33:05,390 --> 01:33:02,100

really comes out of Aristotle and that

2249

01:33:07,910 --> 01:33:05,400

can be incredibly restraining

2250

01:33:10,250 --> 01:33:07,920

um because there are very likely a

2251

01:33:13,310 --> 01:33:10,260

complexity of factors going on in any

2252

01:33:15,890 --> 01:33:13,320

situation and including intimate

2253

01:33:18,169 --> 01:33:15,900

situations and the wish to find that

2254

01:33:23,090 --> 01:33:18,179

magic bullet is kind of a cultural habit

2255

01:33:29,870 --> 01:33:26,450

yeah so I thought that was pretty pretty

2256

01:33:31,310 --> 01:33:29,880

powerful and um a lot of a lot of

2257

01:33:33,530 --> 01:33:31,320

mind-blowing moments during that

2258

01:33:35,510 --> 01:33:33,540

conversation so if you haven't please

2259

01:33:37,189 --> 01:33:35,520

you can um watch the latest episode

2260

01:33:40,010 --> 01:33:37,199

right here on YouTube with Mitch

2261

01:33:43,189 --> 01:33:40,020

Horowitz and Sarah Lyons or you can go

2262

01:33:46,250 --> 01:33:43,199

listen to the audio version as well uh I

2263

01:33:49,610 --> 01:33:46,260

highly would suggest checking that out

2264

01:33:51,290 --> 01:33:49,620

um let's see here

2265

01:33:53,090 --> 01:33:51,300

um

2266

01:33:54,530 --> 01:33:53,100

I'll answer a few more questions here

2267

01:33:56,390 --> 01:33:54,540

guys if you want to put them in the chat

2268

01:33:58,070 --> 01:33:56,400

we've been going for almost an hour 30.

2269

01:34:00,110 --> 01:33:58,080

so thank you thank you for sticking

2270

01:34:02,149 --> 01:34:00,120

around thanks again to John Greenwald

2271

01:34:04,490 --> 01:34:02,159

for hopping in and having a wonderful

2272

01:34:07,550 --> 01:34:04,500

conversation with us as well uh

2273

01:34:09,890 --> 01:34:07,560

Christian Christian who runs the UAB uh

2274

01:34:11,030 --> 01:34:09,900

UA DB website

2275

01:34:12,770 --> 01:34:11,040

um if I'm getting that wrong Christian

2276

01:34:14,590 --> 01:34:12,780

please correct me

2277

01:34:18,290 --> 01:34:14,600

um put a put a link in the chat as well

2278

01:34:19,850 --> 01:34:18,300

amazing website that sort of kung what's

2279

01:34:22,669 --> 01:34:19,860

the word um

2280

01:34:25,129 --> 01:34:22,679

kind of like Aggregates all of the UFO

2281

01:34:27,649 --> 01:34:25,139

news of the week podcasts and news

2282

01:34:30,410 --> 01:34:27,659

stories and and posts and whatnot uh

2283

01:34:33,169 --> 01:34:30,420

together in one place it's invaluable

2284

01:34:35,689 --> 01:34:33,179

it's amazing please check it out uh for

2285

01:34:37,430 --> 01:34:35,699

sure Christian says how is life in

2286

01:34:39,110 --> 01:34:37,440

Scotland have you met up with Andy yet

2287

01:34:44,990 --> 01:34:39,120

in Glasgow

2288

01:34:47,930 --> 01:34:45,000

I actually spent about nine hours in a

2289

01:34:49,970 --> 01:34:47,940

car with Andy and Graham Rendell as we

2290

01:34:53,090 --> 01:34:49,980

navigated our way through the highlands

2291

01:34:54,470 --> 01:34:53,100

and the lowlands and made our way to a

2292

01:34:57,169 --> 01:34:54,480

conference

2293

01:35:01,149 --> 01:34:57,179

um which was really really really fun

2294

01:35:04,250 --> 01:35:01,159

where were we I'm forgetting again

2295

01:35:06,169 --> 01:35:04,260

Ash Ash Ellis if you're there buddy help

2296

01:35:07,729 --> 01:35:06,179

me out I forget where we were I'm

2297

01:35:08,750 --> 01:35:07,739

getting everything all mixed up here in

2298

01:35:11,270 --> 01:35:08,760

the UK

2299

01:35:12,970 --> 01:35:11,280

um but yes uh Andy and I have plans to

2300

01:35:17,390 --> 01:35:12,980

meet up again in the very near future

2301

01:35:19,850 --> 01:35:17,400

and uh hopefully do some uh UFO

2302

01:35:22,010 --> 01:35:19,860

podcasting together very very soon so be

2303

01:35:24,050 --> 01:35:22,020

on the lookout for that

2304

01:35:27,350 --> 01:35:24,060

uh Dale says isn't Ryan the most

2305

01:35:29,510 --> 01:35:27,360

handsome hunk in the UFO Community I

2306

01:35:31,370 --> 01:35:29,520

swear I did not read that beforehand I'm

2307

01:35:33,890 --> 01:35:31,380

just kind of going down the line here uh

2308

01:35:37,910 --> 01:35:33,900

that's extremely kind of you what is

2309

01:35:41,270 --> 01:35:37,920

that emoji painting the nails I I have

2310

01:35:42,709 --> 01:35:41,280

really ugly nails to be honest but um if

2311

01:35:44,990 --> 01:35:42,719

I were to paint my nails it'd definitely

2312

01:35:46,430 --> 01:35:45,000

be black go for the Mitch Horowitz look

2313

01:35:48,050 --> 01:35:46,440

for sure

2314

01:35:51,530 --> 01:35:48,060

Mitch you've taken up enough of the

2315

01:35:54,350 --> 01:35:51,540

screen buddy bye

2316

01:35:57,350 --> 01:35:54,360

love you Mitch Horowitz

2317

01:35:59,689 --> 01:35:57,360

um let's see

2318

01:36:02,030 --> 01:35:59,699

oh Dr Michael thank you so much for the

2319

01:36:05,570 --> 01:36:02,040

super sticker truly truly appreciate any

2320

01:36:07,370 --> 01:36:05,580

support uh of the show thank you thank

2321

01:36:09,050 --> 01:36:07,380

you

2322

01:36:11,870 --> 01:36:09,060

let's see here

2323

01:36:15,709 --> 01:36:13,729

that's about it I've got a few other

2324

01:36:17,750 --> 01:36:15,719

cool things in the personal life guys

2325

01:36:21,410 --> 01:36:17,760

that I wanted to share with you I

2326

01:36:25,010 --> 01:36:21,420

recently was in London and I got to see

2327

01:36:29,689 --> 01:36:25,020

I'm not kidding you where is it

2328

01:36:32,270 --> 01:36:29,699

Back to the Future the musical no joke

2329

01:36:35,209 --> 01:36:32,280

Back to the Future is a musical and it's

2330

01:36:37,129 --> 01:36:35,219

running right now in London and I had

2331

01:36:39,590 --> 01:36:37,139

the opportunity to go to London a couple

2332

01:36:41,930 --> 01:36:39,600

times now in the past month or so and

2333

01:36:43,669 --> 01:36:41,940

this time I was like I have to see that

2334

01:36:45,350 --> 01:36:43,679

back to the future is by far one of my

2335

01:36:47,810 --> 01:36:45,360

favorite movies and when I heard there's

2336

01:36:50,629 --> 01:36:47,820

a musical obviously I was hesitant like

2337

01:36:53,209 --> 01:36:50,639

oh God they're gonna screw this up but I

2338

01:36:54,709 --> 01:36:53,219

had the time of my life and I will tell

2339

01:36:55,370 --> 01:36:54,719

you this

2340

01:36:58,550 --> 01:36:55,380

um

2341

01:37:00,649 --> 01:36:58,560

the special effects for this show are

2342

01:37:04,250 --> 01:37:00,659

going to completely revolutionize

2343

01:37:06,470 --> 01:37:04,260

theater I mean this ain't no chandelier

2344

01:37:09,350 --> 01:37:06,480

dropping from Phantom of the Opera or

2345

01:37:11,330 --> 01:37:09,360

helicopter you know landing on the stage

2346

01:37:14,270 --> 01:37:11,340

for Miss Saigon um what they have

2347

01:37:17,810 --> 01:37:14,280

achieved technologically in this show in

2348

01:37:19,850 --> 01:37:17,820

this production uh literally made my jaw

2349

01:37:23,570 --> 01:37:19,860

drop I won't give out give away anything

2350

01:37:26,270 --> 01:37:23,580

but um it's exactly what you expect from

2351

01:37:28,790 --> 01:37:26,280

a Back to the Future musical it's fun

2352

01:37:30,649 --> 01:37:28,800

it's got all the songs from the movie

2353

01:37:32,330 --> 01:37:30,659

that you love and it's got a lot of

2354

01:37:35,570 --> 01:37:32,340

original music too

2355

01:37:37,729 --> 01:37:35,580

um so so if you are in London or the UK

2356

01:37:39,950 --> 01:37:37,739

in general definitely check it out

2357

01:37:43,189 --> 01:37:39,960

um it is moving to Broadway it's going

2358

01:37:46,250 --> 01:37:43,199

to Broadway uh in the late spring so if

2359

01:37:49,129 --> 01:37:46,260

you're in the US and in New York or

2360

01:37:51,410 --> 01:37:49,139

anywhere in the US to be honest uh go

2361

01:37:54,890 --> 01:37:51,420

see it go see the show it was so much

2362

01:37:57,709 --> 01:37:54,900

fun um I think I have some photos that I

2363

01:38:00,050 --> 01:37:57,719

took while I was was there you'll see

2364

01:38:02,390 --> 01:38:00,060

the outside Marquee there and then that

2365

01:38:04,010 --> 01:38:02,400

blue screen is what they had on there

2366

01:38:05,930 --> 01:38:04,020

right before the show started really

2367

01:38:08,149 --> 01:38:05,940

cool and then Marty McFly and the

2368

01:38:10,669 --> 01:38:08,159

pinheads of course

2369

01:38:14,990 --> 01:38:10,679

um I'll make cameos in the show the

2370

01:38:17,330 --> 01:38:15,000

pinheads and it was just so much fun so

2371

01:38:19,010 --> 01:38:17,340

much fun I I wish I could give away more

2372

01:38:21,290 --> 01:38:19,020

but I don't want to because I want

2373

01:38:23,390 --> 01:38:21,300

people to go see the show uh so check it

2374

01:38:24,649 --> 01:38:23,400

out back to the future of the musical

2375

01:38:26,689 --> 01:38:24,659

um hopefully

2376

01:38:28,550 --> 01:38:26,699

coming to a town near you

2377

01:38:30,709 --> 01:38:28,560

in the future but if not go see it on

2378

01:38:32,629 --> 01:38:30,719

Broadway or London last kind of thing I

2379

01:38:35,689 --> 01:38:32,639

want to share with you guys is I am

2380

01:38:38,149 --> 01:38:35,699

going to be doing a special episode uh

2381

01:38:41,090 --> 01:38:38,159

based on a play that I saw recently in

2382

01:38:42,290 --> 01:38:41,100

London as well and that's 222 a ghost

2383

01:38:45,290 --> 01:38:42,300

story

2384

01:38:49,010 --> 01:38:45,300

um I read this script maybe a year ago

2385

01:38:51,410 --> 01:38:49,020

and it blew me away and I told myself as

2386

01:38:53,390 --> 01:38:51,420

a playwright I have to see this I have

2387

01:38:54,410 --> 01:38:53,400

to see this on stage sometime and I

2388

01:38:56,030 --> 01:38:54,420

never thought I'd get the opportunity

2389

01:38:57,890 --> 01:38:56,040

but lo and behold it was playing in

2390

01:39:00,709 --> 01:38:57,900

London when I happened to be there so I

2391

01:39:02,390 --> 01:39:00,719

went to see it and it was everything I

2392

01:39:05,330 --> 01:39:02,400

had hoped and more

2393

01:39:08,209 --> 01:39:05,340

um it's scary it's funny it's emotional

2394

01:39:10,430 --> 01:39:08,219

and everything in between so again if

2395

01:39:12,709 --> 01:39:10,440

you are in London at all go check out

2396

01:39:14,030 --> 01:39:12,719

222 it's

2397

01:39:17,030 --> 01:39:14,040

um probably going to be one of the most

2398

01:39:20,090 --> 01:39:17,040

the longest running shows in in the West

2399

01:39:22,970 --> 01:39:20,100

End history in London so um it's now

2400

01:39:25,910 --> 01:39:22,980

playing in Los Angeles and I'm going to

2401
01:39:27,709 --> 01:39:25,920
be having uh Anna camp the actress that

2402
01:39:30,410 --> 01:39:27,719
is in the last Los Angeles production

2403
01:39:33,229 --> 01:39:30,420
and the playwright Danny Robbins coming

2404
01:39:36,169 --> 01:39:33,239
on the show to talk all about ghosts the

2405
01:39:38,270 --> 01:39:36,179
supernatural um the process of Danny

2406
01:39:40,729 --> 01:39:38,280
creating the show the process of Anna

2407
01:39:42,470 --> 01:39:40,739
acting in the show and uh what the

2408
01:39:45,290 --> 01:39:42,480
supernatural the Paranormal in The

2409
01:39:47,629 --> 01:39:45,300
Unexplained means to them both as

2410
01:39:49,669 --> 01:39:47,639
artists and as individuals so I'm really

2411
01:39:51,470 --> 01:39:49,679
really looking forward to that uh

2412
01:39:53,270 --> 01:39:51,480
hopefully that'll be coming out very

2413
01:39:55,430 --> 01:39:53,280

soon so I hope you will check that out

2414

01:39:57,229 --> 01:39:55,440

as well we don't just cover UFOs here

2415

01:39:58,910 --> 01:39:57,239

it's somewhere in the skies we we like

2416

01:40:01,570 --> 01:39:58,920

to cover a lot of different things so

2417

01:40:05,570 --> 01:40:01,580

yeah be on the lookout for that

2418

01:40:06,950 --> 01:40:05,580

uh other than that

2419

01:40:10,729 --> 01:40:06,960

um I think

2420

01:40:12,770 --> 01:40:10,739

that's all I got for you guys

2421

01:40:14,270 --> 01:40:12,780

so unless you have any more listener

2422

01:40:15,890 --> 01:40:14,280

questions you want to throw in the chat

2423

01:40:18,050 --> 01:40:15,900

right now

2424

01:40:21,649 --> 01:40:18,060

um I'm gonna call it a night we covered

2425

01:40:23,149 --> 01:40:21,659

so much uh I hope I answered some of

2426

01:40:24,950 --> 01:40:23,159

your burning questions some really

2427

01:40:26,870 --> 01:40:24,960

awesome questions so thank you guys

2428

01:40:29,810 --> 01:40:26,880

thanks for hanging out with me tonight

2429

01:40:31,430 --> 01:40:29,820

again on your Tuesday evening and

2430

01:40:33,770 --> 01:40:31,440

afternoon

2431

01:40:35,750 --> 01:40:33,780

um truly truly appreciated truly

2432

01:40:39,169 --> 01:40:35,760

appreciate uh the Super Chat and super

2433

01:40:42,410 --> 01:40:39,179

stickers and um and everything in

2434

01:40:44,330 --> 01:40:42,420

between uh oh last thing I'll mention uh

2435

01:40:46,550 --> 01:40:44,340

I'm recording an interview with the one

2436

01:40:49,310 --> 01:40:46,560

and only Whitley strieber tomorrow

2437

01:40:51,890 --> 01:40:49,320

Wednesday so if you have any questions

2438

01:40:54,350 --> 01:40:51,900

for Whitley Schreiber uh you can put

2439

01:40:58,250 --> 01:40:54,360

them in uh don't put them in the chat

2440

01:41:00,649 --> 01:40:58,260

here uh throw them to my email or uh in

2441

01:41:02,030 --> 01:41:00,659

DM me on Instagram or Twitter put them

2442

01:41:03,649 --> 01:41:02,040

over there I'll be sure to check them

2443

01:41:05,629 --> 01:41:03,659

out and hopefully we'll get to them

2444

01:41:08,209 --> 01:41:05,639

during our interview uh we'll mostly

2445

01:41:10,610 --> 01:41:08,219

probably be covering communion I have so

2446

01:41:12,470 --> 01:41:10,620

many questions about comedian both the

2447

01:41:14,030 --> 01:41:12,480

book and the movie

2448

01:41:16,370 --> 01:41:14,040

um but we'll cover a lot of Whitley's

2449

01:41:18,649 --> 01:41:16,380

recent stuff as well uh it'll be a very

2450

01:41:21,649 --> 01:41:18,659

wide-ranging discussion I'm sure and

2451

01:41:22,910 --> 01:41:21,659

profound and uh and Powerful uh but yeah

2452

01:41:25,850 --> 01:41:22,920

if you have any listener questions for

2453

01:41:27,830 --> 01:41:25,860

Whitley streamer be sure to email me uh

2454

01:41:30,050 --> 01:41:27,840

that email can be found in the show

2455

01:41:32,750 --> 01:41:30,060

notes and everything in between as well

2456

01:41:35,510 --> 01:41:32,760

uh so if there are not any more

2457

01:41:37,609 --> 01:41:35,520

questions up we have one here before we

2458

01:41:38,870 --> 01:41:37,619

go hi and Cedar asks are you going to

2459

01:41:41,510 --> 01:41:38,880

continue bringing your your co-host

2460

01:41:43,790 --> 01:41:41,520

Chris Young for future shows yes uh

2461

01:41:46,310 --> 01:41:43,800

Chrissy is lining up some awesome guests

2462

01:41:48,229 --> 01:41:46,320

uh guests you would never expect on a

2463

01:41:49,550 --> 01:41:48,239

UFO podcast and that's kind of what

2464

01:41:51,709 --> 01:41:49,560

she's been doing behind the scenes

2465

01:41:55,189 --> 01:41:51,719

lately is uh bringing us some very

2466

01:41:57,950 --> 01:41:55,199

diverse voices to this conversation

2467

01:42:00,649 --> 01:41:57,960

um and she's also busy herself she's got

2468

01:42:02,330 --> 01:42:00,659

her all-pop repeat podcast she's got um

2469

01:42:05,750 --> 01:42:02,340

the debrief she's doing a lot over there

2470

01:42:07,490 --> 01:42:05,760

she's currently working on a big media

2471

01:42:09,649 --> 01:42:07,500

project as well

2472

01:42:11,810 --> 01:42:09,659

um covering a lot of stuff out at a

2473

01:42:13,910 --> 01:42:11,820

blind frog Ranch skin walker Ranch stuff

2474

01:42:15,830 --> 01:42:13,920

like that uh so be on the lookout for

2475

01:42:18,050 --> 01:42:15,840

that but yes Chrissy will be with us

2476

01:42:21,709 --> 01:42:18,060

very soon again on somewhere in the

2477

01:42:24,890 --> 01:42:21,719

skies and um and yeah if this where is

2478

01:42:27,649 --> 01:42:24,900

it if this fan art says anything

2479

01:42:30,410 --> 01:42:27,659

um she'll be back sooner

2480

01:42:32,450 --> 01:42:30,420

sooner than you think Amanda thank you

2481

01:42:34,970 --> 01:42:32,460

so much for the super sticker I truly

2482

01:42:36,470 --> 01:42:34,980

truly appreciate that appreciate the

2483

01:42:40,189 --> 01:42:36,480

kind words

2484

01:42:43,070 --> 01:42:40,199

um Osiris one Ryan do you think tr3bs

2485

01:42:43,970 --> 01:42:43,080

belong to us

2486

01:42:45,890 --> 01:42:43,980

um

2487

01:42:47,629 --> 01:42:45,900

I don't know if the tr3 bees belong to

2488

01:42:50,390 --> 01:42:47,639

anyone if you're speaking about

2489

01:42:53,149 --> 01:42:50,400

triangular UFOs in general

2490

01:42:55,790 --> 01:42:53,159

um I do believe there is probably some

2491

01:42:57,530 --> 01:42:55,800

sort of mix of human technology and

2492

01:43:00,709 --> 01:42:57,540

something else I don't know what that

2493

01:43:03,470 --> 01:43:00,719

something else is uh but the tr3b myth

2494

01:43:06,050 --> 01:43:03,480

is um not something I put much stock

2495

01:43:07,850 --> 01:43:06,060

into to be completely honest uh it was

2496

01:43:10,430 --> 01:43:07,860

brought forward by one person it's never

2497

01:43:11,810 --> 01:43:10,440

been verified or anything and why would

2498

01:43:14,689 --> 01:43:11,820

you verify it if it's a top secret

2499

01:43:17,450 --> 01:43:14,699

project I understand that but uh yeah

2500

01:43:19,310 --> 01:43:17,460

tr3b not really not really something I I

2501

01:43:22,010 --> 01:43:19,320

put much stock into

2502

01:43:24,290 --> 01:43:22,020

um but triangular UFOs yes that's for

2503

01:43:25,850 --> 01:43:24,300

damn sure since I've seen one so yeah

2504

01:43:29,090 --> 01:43:25,860

yeah

2505

01:43:31,910 --> 01:43:29,100

all right guys Amanda says a donation to

2506

01:43:34,430 --> 01:43:31,920

The Pub cheers cheers to that

2507

01:43:37,250 --> 01:43:34,440

um I'm gonna say good night thank you

2508

01:43:39,290 --> 01:43:37,260

again for watching uh for listening for

2509

01:43:41,209 --> 01:43:39,300

supporting everything we do here at

2510

01:43:43,490 --> 01:43:41,219

Summer in the skies be on the lookout

2511

01:43:47,330 --> 01:43:43,500

next week for our fascinating interview

2512

01:43:49,129 --> 01:43:47,340

with Whitley strieber and um and that's

2513

01:43:51,410 --> 01:43:49,139

it I'm Gonna Leave You with our slogan

2514

01:43:53,030 --> 01:43:51,420

as always guys keep your feet on the

2515

01:43:55,010 --> 01:43:53,040

ground but never stop searching

2516

01:43:59,330 --> 01:43:55,020

somewhere in the skies have a great

2517

01:44:04,370 --> 01:44:01,669

the somewhere in the skies podcast is

2518

01:44:06,470 --> 01:44:04,380
