

**SOMEWHERE
IN THE SKIES**

DADDY

1
00:00:06,170 --> 00:00:03,169
my opinion nobody has the answers nobody

2
00:00:09,589 --> 00:00:06,180
has a hundred percent of of the story

3
00:00:12,470 --> 00:00:09,599
and I think that for me anyway it's the

4
00:00:14,870 --> 00:00:12,480
draw of the mystery and the fun behind

5
00:00:17,269 --> 00:00:14,880
what this is all about

6
00:00:19,910 --> 00:00:17,279
in the process I think some people lose

7
00:00:23,390 --> 00:00:19,920
that they may get in for that they'll

8
00:00:26,269 --> 00:00:23,400
see somebody that forgive the word but

9
00:00:28,790 --> 00:00:26,279
but but idolize that they feel that that

10
00:00:31,130 --> 00:00:28,800
they are the truth the way the light I

11
00:00:32,470 --> 00:00:31,140
hate to use that expression but it

12
00:00:36,350 --> 00:00:32,480
becomes

13
00:00:38,330 --> 00:00:36,360

a dangerous way to approach this because

14

00:00:40,970 --> 00:00:38,340

then all of a sudden you're not looking

15

00:00:43,010 --> 00:00:40,980

for the truth anymore you're looking for

16

00:00:45,770 --> 00:00:43,020

your truth right you all you're looking

17

00:00:47,510 --> 00:00:45,780

for is the confirmation of what you want

18

00:00:50,569 --> 00:00:47,520

to believe in I call it the I want to

19

00:00:51,830 --> 00:00:50,579

believe syndrome and you sacrifice the

20

00:00:53,869 --> 00:00:51,840

reasons that you got into this you

21

00:00:57,650 --> 00:00:53,879

sacrificed common sense you sacrifice

22

00:00:59,810 --> 00:00:57,660

logic you sacrifice all of that for the

23

00:01:01,490 --> 00:00:59,820

belief that you want and that's where it

24

00:01:04,250 --> 00:01:01,500

becomes dangerous it becomes frustrating

25

00:01:06,469 --> 00:01:04,260

it becomes toxic and that's what's

26

00:01:08,990 --> 00:01:06,479

what's frustrating we can't lose the

27

00:01:11,570 --> 00:01:09,000

root of why we all got in this and I

28

00:01:14,450 --> 00:01:11,580

truly feel that that that that that root

29

00:01:17,810 --> 00:01:14,460

is the same for all of us now whether or

30

00:01:20,510 --> 00:01:17,820

not we sprout a weed from that root or a

31

00:01:23,030 --> 00:01:20,520

plant that grows is all up to the person

32

00:01:25,010 --> 00:01:23,040

uh but just to stick with that analogy

33

00:01:28,010 --> 00:01:25,020

but that's what that's what I think

34

00:01:30,410 --> 00:01:28,020

we're now seeing we have to take a step

35

00:01:33,230 --> 00:01:30,420

back and we have to question the last

36

00:01:36,230 --> 00:01:33,240

five years and we have to question what

37

00:01:39,109 --> 00:01:36,240

is really going on right this isn't

38

00:01:41,210 --> 00:01:39,119

personal with anybody uh this isn't

39

00:01:44,090 --> 00:01:41,220

making silly baseless accusations

40

00:01:46,490 --> 00:01:44,100

against anybody but rather this is

41

00:01:50,450 --> 00:01:46,500

taking the stories that we've been told

42

00:01:52,249 --> 00:01:50,460

since December of 2017. on both sides of

43

00:01:55,310 --> 00:01:52,259

this debate government spokespeople

44

00:01:57,050 --> 00:01:55,320

through foia documentation uh in

45

00:01:58,969 --> 00:01:57,060

Congressional hearings and those that

46

00:02:01,010 --> 00:01:58,979

have come out of the government or those

47

00:02:02,929 --> 00:02:01,020

advocating that that they want

48

00:02:05,149 --> 00:02:02,939

transparency and they used to work for

49

00:02:07,730 --> 00:02:05,159

the government we have to question what

50

00:02:11,390 --> 00:02:07,740

is it that they really want to achieve

51
00:02:14,089 --> 00:02:11,400
here why are we getting this mud from

52
00:02:16,670 --> 00:02:14,099
both angles right the government and

53
00:02:20,390 --> 00:02:16,680
those that were government at one time

54
00:02:22,490 --> 00:02:20,400
thrown into this that's not a bad

55
00:02:24,229 --> 00:02:22,500
approach to take but I think again going

56
00:02:27,589 --> 00:02:24,239
back to what I was saying that people

57
00:02:30,229 --> 00:02:27,599
are looking for their truth it then

58
00:02:31,729 --> 00:02:30,239
becomes a war this isn't research

59
00:02:34,670 --> 00:02:31,739
anymore it's not a conversation anymore

60
00:02:37,729 --> 00:02:34,680
it's not even a debate it is it is a

61
00:02:38,869 --> 00:02:37,739
downright war between those that want to

62
00:02:40,970 --> 00:02:38,879
believe something

63
00:02:43,309 --> 00:02:40,980

and then those that are just trying to

64

00:02:46,369 --> 00:02:43,319

figure it out you know and and those

65

00:02:48,410 --> 00:02:46,379

that really just want the answers and

66

00:02:50,869 --> 00:02:48,420

you know not to I don't want to go off

67

00:02:52,670 --> 00:02:50,879

on a tangent I apologize but I think

68

00:02:54,770 --> 00:02:52,680

that going back to what you were saying

69

00:02:57,470 --> 00:02:54,780

this is what I think people have lost

70

00:03:01,130 --> 00:02:57,480

and and you see that come out in passion

71

00:03:05,089 --> 00:03:01,140

and frustration and it is so painful to

72

00:03:08,270 --> 00:03:05,099

see because it makes you wonder is there

73

00:03:10,309 --> 00:03:08,280

an an intent to achieve part of that

74

00:03:13,009 --> 00:03:10,319

because you do have these voices that

75

00:03:15,770 --> 00:03:13,019

two years ago were were really on board

76
00:03:17,270 --> 00:03:15,780
with advocating for transparency there

77
00:03:18,770 --> 00:03:17,280
was something to these phenomena they

78
00:03:20,930 --> 00:03:18,780
didn't claim to have answers themselves

79
00:03:23,809 --> 00:03:20,940
and then two years later they're like

80
00:03:25,250 --> 00:03:23,819
this is a sham we're getting used they

81
00:03:27,830 --> 00:03:25,260
get used

82
00:03:29,449 --> 00:03:27,840
um you you s you see that transition and

83
00:03:32,330 --> 00:03:29,459
again if anybody thinks I'm talking

84
00:03:35,750 --> 00:03:32,340
about one or two people trust me I'm not

85
00:03:38,570 --> 00:03:35,760
it is a growing list of people that I

86
00:03:41,690 --> 00:03:38,580
see in my timeline uh that are going

87
00:03:44,270 --> 00:03:41,700
through this and it is painful to see it

88
00:03:46,850 --> 00:03:44,280

really is because at the end of the day

89

00:03:48,949 --> 00:03:46,860

this secrecy has gone on for well more

90

00:03:51,890 --> 00:03:48,959

than a half a century the cover-up is

91

00:03:53,750 --> 00:03:51,900

provable with ample evidence that no one

92

00:03:55,789 --> 00:03:53,760

can deny that doesn't automatically

93

00:03:58,490 --> 00:03:55,799

equate to aliens but where I'm going

94

00:04:00,530 --> 00:03:58,500

with this is a build up to don't lose

95

00:04:02,690 --> 00:04:00,540

the passion of why you're here because

96

00:04:06,229 --> 00:04:02,700

the evidence to support why you're here

97

00:04:09,190 --> 00:04:06,239

is easily found the unanswered question

98

00:04:12,710 --> 00:04:09,200

of is it alien that we all want to know

99

00:04:15,229 --> 00:04:12,720

is is something that should still linger

100

00:04:17,509 --> 00:04:15,239

and not something we should take up arms

101

00:04:20,509 --> 00:04:17,519

over and sadly in the last couple of

102

00:04:23,510 --> 00:04:20,519

years there has been a growing sect of

103

00:04:26,930 --> 00:04:23,520

people that have taken up arms over it

104

00:04:28,249 --> 00:04:26,940

and that's where I get really concerned

105

00:04:28,969 --> 00:04:28,259

and and

106

00:04:32,689 --> 00:04:28,979

um

107

00:04:35,510 --> 00:04:32,699

kind of upset to see because we've lost

108

00:04:37,850 --> 00:04:35,520

good voices we've lost strong voices and

109

00:04:39,830 --> 00:04:37,860

look what's happening there is a in my

110

00:04:41,689 --> 00:04:39,840

opinion dwindling interest within

111

00:04:43,310 --> 00:04:41,699

Congress which is then going to make
