ROSWELL TRIVIA!

**WITH THE CAST OF
ROSWELL, NEW MEXICO**

1
00:00:05,870 --> 00:00:04,190
hi guys I'm ufologist Ryan Sprague and

2
00:00:07,610 --> 00:00:05,880
today I'm here with the cast of Roswell

3
00:00:09,290 --> 00:00:07,620
New Mexico and we're going to see just

4
00:00:13,370 --> 00:00:09,300
how well they really know what went down

5
00:00:15,650 --> 00:00:13,380
in Roswell New Mexico in 1947. what year

6
00:00:29,890 --> 00:00:15,660
did the Roswell UFO incident happened

7
00:00:29,900 --> 00:00:50,049
sweating bullets

8
00:00:57,850 --> 00:00:53,090
my question for you is was the alien

9
00:01:00,049 --> 00:00:57,860
autopsy a real or B a hoax

10
00:01:11,530 --> 00:01:00,059
well he thinks it was real but it was

11
00:01:17,270 --> 00:01:14,929
I want to say a couple years after the

12
00:01:18,770 --> 00:01:17,280
film came out and it went worldwide it

13
00:01:21,170 --> 00:01:18,780

exploded everyone thought it was my

14

00:01:23,570 --> 00:01:21,180

first question is what color were the

15

00:01:26,890 --> 00:01:23,580

aliens found in Roswell were they a

16

00:01:30,230 --> 00:01:26,900

green or B gray

17

00:01:32,630 --> 00:01:30,240

they were gray Ryan gray we're gonna go

18

00:01:35,289 --> 00:01:32,640

with gray all right final answer

19

00:01:38,090 --> 00:01:35,299

absolutely correct

20

00:01:40,969 --> 00:01:38,100

like the grace that's what they call

21

00:01:43,730 --> 00:01:40,979

them the grave exactly yes you are an

22

00:01:46,609 --> 00:01:43,740

alien finally what is the first thing

23

00:01:49,429 --> 00:01:46,619

you would say to a human being I would

24

00:01:51,969 --> 00:01:49,439

probably say nice to meet you and then

25

00:01:55,069 --> 00:01:51,979

buy some little eyes

26
00:02:05,350 --> 00:01:55,079
my second question is what would you say

27
00:02:10,130 --> 00:02:07,730
this is my question for you do you think

28
00:02:14,589 --> 00:02:10,140
that the alien crash was a an accident

29
00:02:19,850 --> 00:02:17,390
I think it was an accident I think it

30
00:02:22,970 --> 00:02:19,860
was both there's theories that you know

31
00:02:25,430 --> 00:02:22,980
maybe it did crash maybe you've got hit

32
00:02:26,990 --> 00:02:25,440
by lightning and crash in the desert but

33
00:02:28,550 --> 00:02:27,000
a lot of people also think it was shot

34
00:02:31,610 --> 00:02:28,560
down and they're looking for a safe

35
00:02:34,369 --> 00:02:31,620
place to land why not a baskets a lot of

36
00:02:36,290 --> 00:02:34,379
people think that there is a

37
00:02:38,570 --> 00:02:36,300
cover-up that happened in Roswell New

38
00:02:44,530 --> 00:02:38,580

Mexico so my question for you is have

39

00:02:48,470 --> 00:02:46,729

before we were taking the midterm

40

00:02:51,229 --> 00:02:48,480

testing so I went through it yeah and I

41

00:02:52,850 --> 00:02:51,239

got all the right answers and then I got

42

00:02:54,050 --> 00:02:52,860

started putting dots on the right

43

00:02:57,410 --> 00:02:54,060

answers and then I would sell the

44

00:02:59,449 --> 00:02:57,420

Scantron for 10 bucks to love it it was

45

00:03:01,850 --> 00:02:59,459

8th grade and my buddy asked me to write

46

00:03:03,290 --> 00:03:01,860

his name on the shirt and instead I

47

00:03:05,270 --> 00:03:03,300

tried to write I just wrote the most

48

00:03:07,930 --> 00:03:05,280

provocative word that I knew at the time
