thank you

26

00:01:33,590 --> 00:01:30,840

the a70 is a major road in Scotland

27

00:01:38,149 --> 00:01:33,600

it runs a total of just about 120

28

00:01:39,170 --> 00:01:38,159

kilometers or 75 miles from Edinburgh to

29

00:01:42,289 --> 00:01:39,180

ire

30

00:01:43,490 --> 00:01:42,299

much of the road is elevated desolate

31

00:01:45,770 --> 00:01:43,500

Moorland

32

00:01:47,929 --> 00:01:45,780

it ascends several times on its course

33

00:01:49,310 --> 00:01:47,939

to Heights over a thousand feet above

34

00:01:52,069 --> 00:01:49,320

sea level

35

00:01:55,429 --> 00:01:52,079

in several areas of the road it presents

36

00:01:56,569 --> 00:01:55,439

extensive views over Central Scotland to

37

00:01:59,149 --> 00:01:56,579

the north

38

00:02:01,429 --> 00:01:59,159

and while many travels have been taken

39

00:02:04,850 --> 00:02:01,439

up and down this often quiet Country

40

00:02:07,969 --> 00:02:04,860

Road there was a traveler or Travelers

41

00:02:11,150 --> 00:02:07,979

that may not have come from Scotland the

42

00:02:15,229 --> 00:02:11,160

United Kingdom Europe or even from our

43

00:02:19,010 --> 00:02:15,239

world and in 1992 two men driving down

44

00:02:22,910 --> 00:02:19,020

the a-70 would learn this the hard way

45

00:02:31,850 --> 00:02:22,920

this is the story of Gary Wood and Colin

46

00:02:31,860 --> 00:02:35,760

foreign

47

00:02:35,770 --> 00:02:40,870

[Applause]

48

00:03:11,990 --> 00:02:52,410

[Music]

49

00:03:19,309 --> 00:03:15,830

it was August 27 1992 at approximately

50

00:03:21,530 --> 00:03:19,319

10 pm Gary Wood and Colin Wright were

51
00:03:24,589 --> 00:03:21,540
driving from south of Edinburgh on the

52
00:03:26,990 --> 00:03:24,599
a-70 to the Village of terabracks in

53
00:03:30,110 --> 00:03:27,000
East Lothian they were on their way to

54
00:03:32,630 --> 00:03:30,120
work a small appliance repair job the

55
00:03:35,509 --> 00:03:32,640
journey across the a-70 should have

56
00:03:37,309 --> 00:03:35,519
lasted a distance of about 15 miles and

57
00:03:39,290 --> 00:03:37,319
about 30 minutes

58
00:03:42,649 --> 00:03:39,300
it wouldn't

59
00:03:45,649 --> 00:03:42,659
rounding a blind Corner in vicinity of

60
00:03:48,710 --> 00:03:45,659
the harperick reservoir Colin abruptly

61
00:03:51,710 --> 00:03:48,720
leaned forward exclaiming to carry what

62
00:03:53,869 --> 00:03:51,720
the hell is that Gary peered through the

63
00:03:56,570 --> 00:03:53,879

windshield there ahead of the car

64

00:03:59,630 --> 00:03:56,580

floating about 20 feet above the road

65

00:04:03,110 --> 00:03:59,640

was a two-tiered disc shaped object

66

00:04:04,490 --> 00:04:03,120

about 30 feet wide and much much wider

67

00:04:07,789 --> 00:04:04,500

than the road

68

00:04:11,630 --> 00:04:07,799

the object was smooth black and shiny

69

00:04:14,809 --> 00:04:11,640

with no windows or illumination

70

00:04:16,310 --> 00:04:14,819

both of the men completely awestruck

71

00:04:19,550 --> 00:04:16,320

with what they were witnessing in front

72

00:04:22,550 --> 00:04:19,560

of them and absolutely terrified wanted

73

00:04:24,590 --> 00:04:22,560

to get away as soon as possible

74

00:04:26,830 --> 00:04:24,600

as their vehicle passed beneath the

75

00:04:29,510 --> 00:04:26,840

craft a sudden Shimmer of light

76

00:04:32,450 --> 00:04:29,520

descended on the car

77

00:04:36,409 --> 00:04:32,460

soon the men were enveloped in total

78

00:04:39,110 --> 00:04:36,419

darkness as they both lost consciousness

79

00:04:41,570 --> 00:04:39,120

when they next came to their senses they

80

00:04:43,790 --> 00:04:41,580

were startled to find themselves still

81

00:04:46,189 --> 00:04:43,800

in the car as it veered out of control

82

00:04:46,969 --> 00:04:46,199

off the side of the road to come to a

83

00:04:49,310 --> 00:04:46,979

stop

84

00:04:51,590 --> 00:04:49,320

both men would eventually admit that

85

00:04:55,249 --> 00:04:51,600

they thought they had died

86

00:04:57,110 --> 00:04:55,259

but as they sat there alive and tried to

87

00:04:58,909 --> 00:04:57,120

figure out just what happened they

88

00:05:02,330 --> 00:04:58,919

started to slowly pull themselves

89

00:05:04,610 --> 00:05:02,340

together and continued on their way in a

90

00:05:07,070 --> 00:05:04,620

very confused state

91

00:05:09,409 --> 00:05:07,080

when they reached their destination they

92

00:05:12,290 --> 00:05:09,419

were in for another shock when they

93

00:05:15,590 --> 00:05:12,300

looked at the time and saw that a full

94

00:05:18,290 --> 00:05:15,600

two hours had passed which was

95

00:05:20,689 --> 00:05:18,300

impossible because it was typically only

96

00:05:22,670 --> 00:05:20,699

about a 30-minute Drive

97

00:05:25,370 --> 00:05:22,680

they could not figure out where the

98

00:05:28,490 --> 00:05:25,380

missing time had gone no matter how hard

99

00:05:30,710 --> 00:05:28,500

they tried and they both agreed that the

100

00:05:33,830 --> 00:05:30,720

only thing they could remember was that

101
00:05:35,749 --> 00:05:33,840
strange black disc and it's glimmering

102
00:05:37,969 --> 00:05:35,759
wall of light

103
00:05:40,490 --> 00:05:37,979
they tried to rationalize it as

104
00:05:43,010 --> 00:05:40,500
tiredness and put it out of their minds

105
00:05:44,570 --> 00:05:43,020
but things were about to get much

106
00:05:47,090 --> 00:05:44,580
stranger

107
00:05:49,850 --> 00:05:47,100
the following day Gary woke to find

108
00:05:52,790 --> 00:05:49,860
himself completely fatigued with barely

109
00:05:56,330 --> 00:05:52,800
even the energy to get out of bed

110
00:05:58,850 --> 00:05:56,340
his entire body felt heavy and this

111
00:06:00,650 --> 00:05:58,860
continued on for the next few days along

112
00:06:02,689 --> 00:06:00,660
with nightmares that he could not

113
00:06:04,909 --> 00:06:02,699

remember when waking

114

00:06:07,850 --> 00:06:04,919

additionally he began getting strong

115

00:06:09,830 --> 00:06:07,860

migraine headaches and thinking that

116

00:06:11,210 --> 00:06:09,840

there was something seriously wrong with

117

00:06:13,189 --> 00:06:11,220

him

118

00:06:15,890 --> 00:06:13,199

he would eventually consult his doctor

119

00:06:17,990 --> 00:06:15,900

and was advised to have an MRI scan

120

00:06:20,930 --> 00:06:18,000

which proved negative

121

00:06:23,390 --> 00:06:20,940

as an additional precaution he underwent

122

00:06:24,290 --> 00:06:23,400

the uncomfortable procedure of a spinal

123

00:06:27,050 --> 00:06:24,300

tap

124

00:06:30,950 --> 00:06:27,060

but once again nothing specific was

125

00:06:33,110 --> 00:06:30,960

discovered or diagnosed this is when

126

00:06:35,930 --> 00:06:33,120

Gary began to suspect that his physical

127

00:06:38,570 --> 00:06:35,940

condition was somehow related to the

128

00:06:41,210 --> 00:06:38,580

strange experience he and Colin had out

129

00:06:43,070 --> 00:06:41,220

on that lonely stretch of road

130

00:06:45,350 --> 00:06:43,080

he thought that maybe there was

131

00:06:47,390 --> 00:06:45,360

something hidden in those two hours of

132

00:06:49,850 --> 00:06:47,400

missing time as well

133

00:06:53,270 --> 00:06:49,860

this is when Gary decided to get in

134

00:06:56,450 --> 00:06:53,280

touch with a prominent UFO researcher in

135

00:06:59,029 --> 00:06:56,460

Scotland my name is Malcolm Robinson and

136

00:07:01,490 --> 00:06:59,039

I am the founder of Scottish UFO and

137

00:07:03,950 --> 00:07:01,500

paranormal research group strange

138

00:07:08,809 --> 00:07:03,960

phenomena investigations

139

00:07:11,270 --> 00:07:08,819

I founded SBI way back in 1979 and I

140

00:07:15,409 --> 00:07:11,280

initially set out to disprove subjects

141

00:07:17,450 --> 00:07:15,419

such as UFOs ghosts and poor guys as I

142

00:07:19,990 --> 00:07:17,460

honestly felt that there were no

143

00:07:22,909 --> 00:07:20,000

validity to these claims

144

00:07:25,850 --> 00:07:22,919

but how wrong was I

145

00:07:28,730 --> 00:07:25,860

as I traveled on my UFO in paranormal

146

00:07:31,430 --> 00:07:28,740

Quest I soon realized that these things

147

00:07:33,290 --> 00:07:31,440

were real and demanded serious

148

00:07:35,510 --> 00:07:33,300

investigation

149

00:07:37,850 --> 00:07:35,520

seeking some sort of answers though it

150

00:07:40,309 --> 00:07:37,860

may have possibly happened Malcolm made

151

00:07:43,129 --> 00:07:40,319

a suggestion on how Gary and Colin

152

00:07:46,550 --> 00:07:43,139

should move forward I first became

153

00:07:49,490 --> 00:07:46,560

involved with the a70 UFO incident when

154

00:07:52,790 --> 00:07:49,500

one of the witnesses Gary Wood telephone

155

00:07:55,430 --> 00:07:52,800

me at home to inform me that both he and

156

00:07:59,330 --> 00:07:55,440

his friend Colin Wright had had a

157

00:08:01,490 --> 00:07:59,340

strange experience on the a-70 road my

158

00:08:04,370 --> 00:08:01,500

initial thoughts after hearing what Gary

159

00:08:07,969 --> 00:08:04,380

had to tell me was this case could

160

00:08:09,589 --> 00:08:07,979

possibly be Head and Shoulders above

161

00:08:13,189 --> 00:08:09,599

anything else that I've dealt with

162

00:08:15,830 --> 00:08:13,199

before at this point my career I

163

00:08:18,890 --> 00:08:15,840

advocated the use of hypnotic regression

164

00:08:22,189 --> 00:08:18,900

as a tool to perhaps and it's a big

165

00:08:25,010 --> 00:08:22,199

perhaps extract any possible hidden

166

00:08:28,129 --> 00:08:25,020

subconscious memory of something else

167

00:08:30,589 --> 00:08:28,139

that may have happened that night

168

00:08:33,170 --> 00:08:30,599

I asked if Gary and Colin would like to

169

00:08:36,290 --> 00:08:33,180

try it to which Gary replied most

170

00:08:38,990 --> 00:08:36,300

certainly as he really needed to know

171

00:08:41,990 --> 00:08:39,000

what happened to him as even his wife

172

00:08:45,949 --> 00:08:42,000

and friends did not believe him

173

00:08:50,269 --> 00:08:45,959

he knew deep down that something else

174

00:08:53,210 --> 00:08:50,279

happened that night Colin 2 was happy to

175

00:08:56,509 --> 00:08:53,220

go under regressive hypnosis

176

00:08:58,370 --> 00:08:56,519

when I got both men to my home which at

177

00:09:01,130 --> 00:08:58,380

that point was in the small town of

178

00:09:02,690 --> 00:09:01,140

tiller buddy and Clark manonshire in

179

00:09:05,090 --> 00:09:02,700

central Scotland

180

00:09:07,250 --> 00:09:05,100

I could see that they both were very

181

00:09:10,009 --> 00:09:07,260

troubled at what they had gone through

182

00:09:12,530 --> 00:09:10,019

and that they both were looking for

183

00:09:14,690 --> 00:09:12,540

answers as to what had happened to them

184

00:09:18,590 --> 00:09:14,700

I've dealt with hundreds of witnesses

185

00:09:21,350 --> 00:09:18,600

over 45 years and you do get a feeling

186

00:09:24,110 --> 00:09:21,360

of who is telling the truth as they see

187

00:09:27,290 --> 00:09:24,120

it as opposed to those who are looking

188

00:09:29,690 --> 00:09:27,300

to pull the wool over your eyes

189

00:09:32,389 --> 00:09:29,700

both men for me were were as honest as

190

00:09:36,170 --> 00:09:32,399

the day was long and this impression has

191

00:09:38,449 --> 00:09:36,180

remained with me until today over 30

192

00:09:40,910 --> 00:09:38,459

years later

193

00:09:43,490 --> 00:09:40,920

while early hypnotic regression sessions

194

00:09:46,550 --> 00:09:43,500

yielded panicked emotions by both men

195

00:09:49,250 --> 00:09:46,560

and Scattered and fractured images and

196

00:09:52,370 --> 00:09:49,260

memories gradually a clearer picture

197

00:09:54,530 --> 00:09:52,380

began to come into focus a picture that

198

00:09:57,410 --> 00:09:54,540

would only lead to more questions than

199

00:09:59,810 --> 00:09:57,420

answers about what had occurred on the

200

00:10:02,870 --> 00:09:59,820

a-70 road that night

201
00:10:05,389 --> 00:10:02,880
under separate hypnotic regressions both

202
00:10:08,150 --> 00:10:05,399
men claim that after being hit with a

203
00:10:10,610 --> 00:10:08,160
curtain of light their car had died on

204
00:10:13,090 --> 00:10:10,620
the spot after which they had been

205
00:10:16,250 --> 00:10:13,100
approached by small humanoid creatures

206
00:10:18,530 --> 00:10:16,260
three to each side which opened the

207
00:10:21,230 --> 00:10:18,540
doors of the vehicle and put them onto

208
00:10:22,610 --> 00:10:21,240
two stretcher-like objects that hovered

209
00:10:25,490 --> 00:10:22,620
over the ground

210
00:10:28,550 --> 00:10:25,500
as this was happening the men had been

211
00:10:31,310 --> 00:10:28,560
paralyzed their bodies racked with pain

212
00:10:33,530 --> 00:10:31,320
and convulsing as if they were receiving

213
00:10:35,990 --> 00:10:33,540

an electrical shock

214

00:10:39,170 --> 00:10:36,000

Gary would later state of his

215

00:10:41,389 --> 00:10:39,180

Recollections the following I saw the

216

00:10:44,269 --> 00:10:41,399

three creatures coming towards my car I

217

00:10:46,790 --> 00:10:44,279

felt intense pain like an electric shock

218

00:10:49,130 --> 00:10:46,800

then I was in some room I saw these

219

00:10:51,889 --> 00:10:49,140

things like wee Men Moving about doing

220

00:10:54,590 --> 00:10:51,899

something to me I could only see up then

221

00:10:56,150 --> 00:10:54,600

a six foot tall creature approached it

222

00:10:58,250 --> 00:10:56,160

was white gray in color with a large

223

00:11:01,190 --> 00:10:58,260

head and dark eyes with a long slender

224

00:11:03,590 --> 00:11:01,200

neck very slim show doesn't waste there

225

00:11:05,630 --> 00:11:03,600

were either ribs or folds of skin on its

226
00:11:07,970 --> 00:11:05,640
body the arms were like others but there

227
00:11:09,590 --> 00:11:07,980
were four very long fingers the little

228
00:11:11,030 --> 00:11:09,600
ones were about three foot tall and

229
00:11:12,829 --> 00:11:11,040
seemed to do all the work for all the

230
00:11:15,590 --> 00:11:12,839
big ones did the communication

231
00:11:18,769 --> 00:11:15,600
after this Gary's memories remained

232
00:11:20,750 --> 00:11:18,779
murky at first but Colin was able to

233
00:11:23,750 --> 00:11:20,760
remember being led into a circular

234
00:11:26,449 --> 00:11:23,760
Corridor filled with a dazzling Bright

235
00:11:28,930 --> 00:11:26,459
Light which was sterile and featureless

236
00:11:31,790 --> 00:11:28,940
save for a strange curved chair

237
00:11:32,690 --> 00:11:31,800
described as being almost organic in

238
00:11:35,150 --> 00:11:32,700

shape

239

00:11:38,389 --> 00:11:35,160

he was led to the chair by one of these

240

00:11:41,030 --> 00:11:38,399

entities and then stripped naked and

241

00:11:44,210 --> 00:11:41,040

made to sit after which he underwent an

242

00:11:45,949 --> 00:11:44,220

intrusive physical examination Cullen

243

00:11:48,230 --> 00:11:45,959

also remembered lying back in the chair

244

00:11:51,350 --> 00:11:48,240

and looking at the ceiling

245

00:11:53,569 --> 00:11:51,360

it was corrugated translucent and there

246

00:11:56,630 --> 00:11:53,579

were soft diffused lighting filtering

247

00:11:58,670 --> 00:11:56,640

through this memory segued seamlessly

248

00:12:01,550 --> 00:11:58,680

into being naked in a transparent

249

00:12:04,370 --> 00:12:01,560

container made from Material rather like

250

00:12:07,069 --> 00:12:04,380

glass he had straps at the feet and

251
00:12:09,410 --> 00:12:07,079
ankles securing him outside the

252
00:12:12,290 --> 00:12:09,420
container he could clearly see other men

253
00:12:14,269 --> 00:12:12,300
and women all naked in all in

254
00:12:16,490 --> 00:12:14,279
transparent containers

255
00:12:19,970 --> 00:12:16,500
blowing around the outside of these

256
00:12:23,090 --> 00:12:19,980
containers was a Mist rather like a fog

257
00:12:25,190 --> 00:12:23,100
Colin also saw a number of tall humanoid

258
00:12:28,069 --> 00:12:25,200
creatures one of which was standing

259
00:12:29,930 --> 00:12:28,079
framed in a doorway opposite him and

260
00:12:33,170 --> 00:12:29,940
another three were approaching the

261
00:12:36,110 --> 00:12:33,180
container in which he was imprisoned

262
00:12:39,290 --> 00:12:36,120
abruptly the transparent material of his

263
00:12:42,650 --> 00:12:39,300

container began to frost up

264

00:12:45,230 --> 00:12:42,660

Colin became alarmed and began to weep

265

00:12:47,750 --> 00:12:45,240

suddenly the frosting began to retreat

266

00:12:50,329 --> 00:12:47,760

almost like a film strip running in

267

00:12:52,490 --> 00:12:50,339

Reverse until the material was once

268

00:12:55,430 --> 00:12:52,500

again perfectly clear

269

00:12:58,550 --> 00:12:55,440

Cullen nervously watched as an angular

270

00:13:01,129 --> 00:12:58,560

device Rose from the floor it was long

271

00:13:03,110 --> 00:13:01,139

and thin like a rod with a small

272

00:13:06,050 --> 00:13:03,120

triangular head

273

00:13:07,250 --> 00:13:06,060

two glowing red lights were set into one

274

00:13:10,129 --> 00:13:07,260

of the sides

275

00:13:12,730 --> 00:13:10,139

there was a peculiar appendage about

276

00:13:16,610 --> 00:13:12,740

halfway along the length of the device

277

00:13:19,129 --> 00:13:16,620

and the base was jointed at the floor

278

00:13:22,190 --> 00:13:19,139

the entire machine moved up and down

279

00:13:23,990 --> 00:13:22,200

continuously and the appendage swung

280

00:13:26,750 --> 00:13:24,000

from left to right

281

00:13:29,269 --> 00:13:26,760

although there was no pain Colin thought

282

00:13:31,550 --> 00:13:29,279

and might be scanning him the

283

00:13:34,670 --> 00:13:31,560

examination seemed to be mostly harmless

284

00:13:36,889 --> 00:13:34,680

and non-invasive at first but this would

285

00:13:38,990 --> 00:13:36,899

change when another device approached

286

00:13:41,090 --> 00:13:39,000

his eye and begin some sort of

287

00:13:43,370 --> 00:13:41,100

frightening procedure

288

00:13:46,730 --> 00:13:43,380

Colin would State the following under

289

00:13:49,670 --> 00:13:46,740

hypnosis of his surreal experience at

290

00:13:54,949 --> 00:13:52,550

I don't know it's uncomfortable

291

00:13:57,230 --> 00:13:54,959

like a red hot poker in the center of my

292

00:14:00,350 --> 00:13:57,240

it's really sore

293

00:14:01,850 --> 00:14:00,360

I can't see anything behind

294

00:14:05,150 --> 00:14:01,860

I'm trying to get a good look at this

295

00:14:07,970 --> 00:14:05,160

thing the thing that's doing this to me

296

00:14:09,350 --> 00:14:07,980

just check out my my right eye is really

297

00:14:12,769 --> 00:14:09,360

burning

298

00:14:14,690 --> 00:14:12,779

my eyes really watering it's gushing

299

00:14:15,470 --> 00:14:14,700

in Philly there was something clumped on

300

00:14:17,150 --> 00:14:15,480

it

301
00:14:18,350 --> 00:14:17,160
that there was something going into my

302
00:14:19,670 --> 00:14:18,360
eye

303
00:14:20,569 --> 00:14:19,680
something's looking at me in the

304
00:14:21,829 --> 00:14:20,579
corridor

305
00:14:24,829 --> 00:14:21,839
it's

306
00:14:28,490 --> 00:14:25,670
ugly

307
00:14:32,629 --> 00:14:28,500
corridor

308
00:14:33,590 --> 00:14:32,639
it comes and goes it seems ancient to me

309
00:14:35,870 --> 00:14:33,600
ugly

310
00:14:38,030 --> 00:14:35,880
it's really badly deformed

311
00:14:39,710 --> 00:14:38,040
I'm not scared of it anymore

312
00:14:41,329 --> 00:14:39,720
it seems that this thing's been in a

313
00:14:44,269 --> 00:14:41,339

fight and it's the loser

314

00:14:46,189 --> 00:14:44,279

I think he's trying to manipulate me

315

00:14:48,110 --> 00:14:46,199

I don't know

316

00:14:49,430 --> 00:14:48,120

I think I'm pissing off because I'm not

317

00:14:51,650 --> 00:14:49,440

scared anymore

318

00:14:54,410 --> 00:14:51,660

I'm laughing at it

319

00:14:56,930 --> 00:14:54,420

it's weird it's away

320

00:14:59,930 --> 00:14:56,940

I can hear the noise behind me

321

00:15:03,710 --> 00:14:59,940

to think of a word to describe it

322

00:15:05,810 --> 00:15:03,720

I'm staring up even a wee creature

323

00:15:07,129 --> 00:15:05,820

he's not very happy with me

324

00:15:09,470 --> 00:15:07,139

I don't think it was supposed to look

325

00:15:10,850 --> 00:15:09,480

behind my chair for some reason

326

00:15:12,350 --> 00:15:10,860

she's looking at me with those black

327

00:15:14,030 --> 00:15:12,360

eyes

328

00:15:15,829 --> 00:15:14,040

but I'll not give in

329

00:15:17,870 --> 00:15:15,839

trying to outstand me

330

00:15:19,310 --> 00:15:17,880

it's away

331

00:15:20,870 --> 00:15:19,320

I don't think he was very pleased with

332

00:15:31,310 --> 00:15:20,880

me

333

00:15:33,829 --> 00:15:31,320

keep wanting to get out of this chair

334

00:15:36,230 --> 00:15:33,839

put a better big mistake

335

00:15:39,110 --> 00:15:36,240

as Gary's own hypnosis sessions

336

00:15:40,189 --> 00:15:39,120

continued his memory gradually became

337

00:15:42,710 --> 00:15:40,199

sharper

338

00:15:44,870 --> 00:15:42,720

and he largely described the same sort

339

00:15:47,689 --> 00:15:44,880

of experience as Colin

340

00:15:49,810 --> 00:15:47,699

in his case he remembered waking up on a

341

00:15:52,790 --> 00:15:49,820

flat table with some sort of black

342

00:15:55,009 --> 00:15:52,800

lens-shaped device that was twisting and

343

00:15:56,930 --> 00:15:55,019

turning in the center of the room making

344

00:15:58,790 --> 00:15:56,940

a whooshing noise

345

00:16:02,090 --> 00:15:58,800

as he looked around the otherwise

346

00:16:05,329 --> 00:16:02,100

featureless room along thin translucent

347

00:16:06,350 --> 00:16:05,339

arm then extended over his chest towards

348

00:16:08,870 --> 00:16:06,360

his head

349

00:16:11,810 --> 00:16:08,880

after which it suddenly dropped right

350

00:16:13,970 --> 00:16:11,820

onto his chest while this is going on

351

00:16:17,329 --> 00:16:13,980

there was a strange buzzing noise

352

00:16:19,550 --> 00:16:17,339

pervading his skull and he felt that he

353

00:16:21,530 --> 00:16:19,560

was being watched and studied by an

354

00:16:25,189 --> 00:16:21,540

object on the wall

355

00:16:28,189 --> 00:16:25,199

later Gary would recount the following

356

00:16:30,050 --> 00:16:28,199

it was buzzing like an affidans there

357

00:16:32,150 --> 00:16:30,060

was a sting on the other side like a

358

00:16:33,889 --> 00:16:32,160

flap and there were two eyes on it in

359

00:16:35,750 --> 00:16:33,899

this place there was an object upon the

360

00:16:38,090 --> 00:16:35,760

wall and it was watching me

361

00:16:40,790 --> 00:16:38,100

it was something horrible I didn't know

362

00:16:43,069 --> 00:16:40,800

what it was I yes the black lens thing

363

00:16:45,650 --> 00:16:43,079

about seven feet wide and it was a shape

364

00:16:47,509 --> 00:16:45,660

of a black eye and there were four packs

365

00:16:49,249 --> 00:16:47,519

they were like you know how you get a

366

00:16:50,930 --> 00:16:49,259

box of chocolates and some have lines on

367

00:16:52,730 --> 00:16:50,940

them they were like that they were

368

00:16:54,350 --> 00:16:52,740

making this object fold and then itself

369

00:16:56,030 --> 00:16:54,360

like a black liquid then it would start

370

00:16:56,870 --> 00:16:56,040

spinning around and making a wishing

371

00:16:59,629 --> 00:16:56,880

noise

372

00:17:02,449 --> 00:16:59,639

it was like it was all off balance then

373

00:17:04,010 --> 00:17:02,459

spot on like it was running perfect they

374

00:17:05,870 --> 00:17:04,020

turned me around again and there was a

375

00:17:08,150 --> 00:17:05,880

circular hole in the floor there was a

376

00:17:10,429 --> 00:17:08,160

jail-like substance like wallpaper paste

377

00:17:12,530 --> 00:17:10,439

a clear gel and I saw something moving

378

00:17:14,569 --> 00:17:12,540

in it one of these creatures climbed out

379

00:17:16,850 --> 00:17:14,579

of the gel at this point I jumped out of

380

00:17:19,429 --> 00:17:16,860

the hypnosis now some of these creatures

381

00:17:21,169 --> 00:17:19,439

look like they were bruised and had to

382

00:17:23,210 --> 00:17:21,179

be in this gel stuff

383

00:17:25,309 --> 00:17:23,220

I was taken to this place and I saw

384

00:17:26,870 --> 00:17:25,319

these things I saw these things like

385

00:17:28,429 --> 00:17:26,880

they were really really thin and they

386

00:17:30,650 --> 00:17:28,439

had a funny-shaped head and there were

387

00:17:33,409 --> 00:17:30,660

lots of them they kept coming towards me

388

00:17:35,150 --> 00:17:33,419

bending on themselves and going away now

389

00:17:36,770 --> 00:17:35,160

this place I was in it was like a Red

390

00:17:38,330 --> 00:17:36,780

Mist and these things were swimming in

391

00:17:41,090 --> 00:17:38,340

the Red Mist and all these things kept

392

00:17:42,710 --> 00:17:41,100

coming big ones and rewinds and they

393

00:17:45,049 --> 00:17:42,720

were all looking at me they would fall

394

00:17:46,909 --> 00:17:45,059

back on themselves and head away I think

395

00:17:49,909 --> 00:17:46,919

these things you know how you get

396

00:17:52,549 --> 00:17:49,919

tadpoles and frogs they were like that

397

00:17:56,630 --> 00:17:52,559

in all Gary remembers there being around

398

00:17:59,750 --> 00:17:56,640

20 or 30 creatures present the majority

399

00:18:02,870 --> 00:17:59,760

tall palate gray color and frail looking

400

00:18:04,730 --> 00:18:02,880

one notable variation from this was a

401
00:18:08,090 --> 00:18:04,740
smaller rather bizarre looking being

402
00:18:11,330 --> 00:18:08,100
with an odd heart-shaped face

403
00:18:14,210 --> 00:18:11,340
on its face were some strangely familiar

404
00:18:17,270 --> 00:18:14,220
markings these comprise colored facial

405
00:18:20,090 --> 00:18:17,280
Stripes three diagonally on each cheek

406
00:18:22,549 --> 00:18:20,100
almost reminiscent of tribal markings

407
00:18:24,710 --> 00:18:22,559
normally associated with members of

408
00:18:27,470 --> 00:18:24,720
Native American tribes

409
00:18:31,010 --> 00:18:27,480
he looked at the creatures and mentally

410
00:18:34,130 --> 00:18:31,020
asked why are you doing this the answer

411
00:18:38,630 --> 00:18:34,140
that appeared in his mind was surprising

412
00:18:40,549 --> 00:18:38,640
and a little disturbing it was one word

413
00:18:42,710 --> 00:18:40,559

sanctuary

414

00:18:44,930 --> 00:18:42,720

while he was in telepathic communication

415

00:18:47,570 --> 00:18:44,940

with this creature he was able to see

416

00:18:50,150 --> 00:18:47,580

fragments of its existence as if the

417

00:18:52,909 --> 00:18:50,160

process was a two-way street

418

00:18:54,529 --> 00:18:52,919

the creature found this amusing but

419

00:18:56,990 --> 00:18:54,539

could not prevent it

420

00:18:59,510 --> 00:18:57,000

in a further mental communication the

421

00:19:02,510 --> 00:18:59,520

being said in many ways you are more

422

00:19:06,110 --> 00:19:02,520

advanced than us but you have been

423

00:19:06,890 --> 00:19:06,120

capped our existence is much like your

424

00:19:11,330 --> 00:19:06,900

own

425

00:19:14,810 --> 00:19:11,340

we also have concerns and needs

426

00:19:16,130 --> 00:19:14,820

so what did this creature mean by capped

427

00:19:18,289 --> 00:19:16,140

could they have meant that our

428

00:19:20,870 --> 00:19:18,299

development either psychologically or

429

00:19:24,289 --> 00:19:20,880

physically or both had been deliberately

430

00:19:26,870 --> 00:19:24,299

slowed down were we likely to present a

431

00:19:28,730 --> 00:19:26,880

threat to someone or were we perhaps too

432

00:19:31,549 --> 00:19:28,740

immature to deal with the responsibility

433

00:19:33,890 --> 00:19:31,559

that our development would bring these

434

00:19:36,830 --> 00:19:33,900

were many of the questions that Gary

435

00:19:38,630 --> 00:19:36,840

asked himself about what it meant to be

436

00:19:41,570 --> 00:19:38,640

capped

437

00:19:44,210 --> 00:19:41,580

Gary would also remember other bits and

438

00:19:46,850 --> 00:19:44,220

pieces from his ordeal although he

439

00:19:49,310 --> 00:19:46,860

wasn't sure of the exact order of events

440

00:19:51,950 --> 00:19:49,320

on one occasion he would claim that he

441

00:19:54,230 --> 00:19:51,960

had been in some sort of stone chamber

442

00:19:55,310 --> 00:19:54,240

with tunnels leading off into the

443

00:19:57,650 --> 00:19:55,320

darkness

444

00:20:00,230 --> 00:19:57,660

he also remembered seeing a crying

445

00:20:03,409 --> 00:20:00,240

panicked and disheveled human woman

446

00:20:06,110 --> 00:20:03,419

sitting on the floor sobbing as one of

447

00:20:08,450 --> 00:20:06,120

these entities stood next to her the

448

00:20:11,750 --> 00:20:08,460

next thing he remembers is being dragged

449

00:20:14,270 --> 00:20:11,760

back to the car and blacking out after

450

00:20:15,470 --> 00:20:14,280

which he awoke to find Colin in the car

451

00:20:18,289 --> 00:20:15,480

with him

452

00:20:20,450 --> 00:20:18,299

Colin under hypnosis would State the

453

00:20:22,370 --> 00:20:20,460

following there's a big alien in front

454

00:20:23,390 --> 00:20:22,380

of me doing something my head is

455

00:20:25,610 --> 00:20:23,400

pounding

456

00:20:27,590 --> 00:20:25,620

I don't know if it's given me something

457

00:20:29,750 --> 00:20:27,600

or taking something on my head

458

00:20:32,330 --> 00:20:29,760

my mingle is black

459

00:20:34,070 --> 00:20:32,340

then later my head feels numb

460

00:20:36,770 --> 00:20:34,080

it feels massive

461

00:20:38,270 --> 00:20:36,780

stuff I've got my big forehead shooting

462

00:20:40,130 --> 00:20:38,280

pain

463

00:20:42,049 --> 00:20:40,140

I don't know what they have done

464

00:20:44,870 --> 00:20:42,059

but it's weird

465

00:20:46,490 --> 00:20:44,880

my brain feels like it's swollen I'm

466

00:20:50,330 --> 00:20:46,500

pushing my head out like it's going to

467

00:20:51,409 --> 00:20:50,340

bust I can't handle this it stopped it's

468

00:20:53,810 --> 00:20:51,419

weird

469

00:20:55,730 --> 00:20:53,820

Big Bang in the third

470

00:20:57,770 --> 00:20:55,740

then I'm back on the road

471

00:20:59,510 --> 00:20:57,780

guys looking at me

472

00:21:01,430 --> 00:20:59,520

he's bewildered

473

00:21:03,590 --> 00:21:01,440

God is asking me

474

00:21:06,350 --> 00:21:03,600

what I saw

475

00:21:08,330 --> 00:21:06,360

as soon as both men gathered their wits

476
00:21:11,510 --> 00:21:08,340
about them they took a look at the car

477
00:21:13,909 --> 00:21:11,520
and the area around it and found things

478
00:21:16,310 --> 00:21:13,919
from the vehicle strewn about

479
00:21:19,490 --> 00:21:16,320
they would also notice a strange white

480
00:21:21,169 --> 00:21:19,500
material all over the car that seemed to

481
00:21:24,110 --> 00:21:21,179
appear out of nowhere

482
00:21:26,510 --> 00:21:24,120
Gary would State the following about all

483
00:21:28,070 --> 00:21:26,520
of this after what happened Colin and I

484
00:21:29,930 --> 00:21:28,080
went back looking in the area and found

485
00:21:32,029 --> 00:21:29,940
stuff that had been in the car dust

486
00:21:33,470 --> 00:21:32,039
those rags and bits and pieces as if

487
00:21:35,930 --> 00:21:33,480
someone had been raking around in the

488
00:21:37,970 --> 00:21:35,940

car after this my car started throwing a

489

00:21:39,230 --> 00:21:37,980

white dust all over it you know the kind

490

00:21:41,390 --> 00:21:39,240

of thing that develops on battery

491

00:21:43,370 --> 00:21:41,400

terminals like crystallization but all

492

00:21:45,289 --> 00:21:43,380

over the car I was always at the car

493

00:21:47,029 --> 00:21:45,299

removing this growth rubbing down the

494

00:21:49,430 --> 00:21:47,039

paintwork and repainting it I couldn't

495

00:21:51,289 --> 00:21:49,440

understand it I know cars it's my job

496

00:21:52,730 --> 00:21:51,299

I'm an ambulance mechanic I tried

497

00:21:55,549 --> 00:21:52,740

everything but it made no difference

498

00:21:58,730 --> 00:21:55,559

inside the boot it was everywhere this

499

00:22:01,010 --> 00:21:58,740

white crystallization when this story of

500

00:22:04,070 --> 00:22:01,020

the a70 incident got out to the public

501
00:22:07,190 --> 00:22:04,080
due in part to Malcolm Robinson it

502
00:22:10,010 --> 00:22:07,200
became a huge story not only in Scotland

503
00:22:12,169 --> 00:22:10,020
but gradually it began to make headlines

504
00:22:14,750 --> 00:22:12,179
across the entire world

505
00:22:17,990 --> 00:22:14,760
many would dismiss it as he had another

506
00:22:19,789 --> 00:22:18,000
fanciful story made up by two men with

507
00:22:22,669 --> 00:22:19,799
nothing better to do

508
00:22:25,850 --> 00:22:22,679
however others believed this was a

509
00:22:28,909 --> 00:22:25,860
genuine case of alien abduction

510
00:22:32,270 --> 00:22:28,919
but for most they teetered on the fence

511
00:22:34,610 --> 00:22:32,280
not exactly sure what to believe

512
00:22:37,909 --> 00:22:34,620
so what was some of the most convincing

513
00:22:41,090 --> 00:22:37,919

evidence from this case Malcolm Robinson

514

00:22:43,750 --> 00:22:41,100

believed the following the key pieces of

515

00:22:47,630 --> 00:22:43,760

evidence were things that did not

516

00:22:50,930 --> 00:22:47,640

conform to other worldwide UFO Abduction

517

00:22:54,789 --> 00:22:50,940

tales and I refer to those creatures

518

00:22:58,549 --> 00:22:54,799

having red green and yellow markings

519

00:23:01,130 --> 00:22:58,559

under their large black eyes

520

00:23:03,409 --> 00:23:01,140

now this is not consistent with other

521

00:23:05,450 --> 00:23:03,419

worldwide UFO reports

522

00:23:08,330 --> 00:23:05,460

some of these creatures had what

523

00:23:11,750 --> 00:23:08,340

appeared to be heavy rolled up segments

524

00:23:13,669 --> 00:23:11,760

of skin on their stomachs which again is

525

00:23:15,710 --> 00:23:13,679

unusual

526

00:23:18,470 --> 00:23:15,720

both men came back from this incident

527

00:23:20,810 --> 00:23:18,480

with scars on their body which

528

00:23:23,210 --> 00:23:20,820

previously were not there

529

00:23:26,630 --> 00:23:23,220

and the journey from Edinburgh to

530

00:23:27,890 --> 00:23:26,640

turbrax should only have taken about 35

531

00:23:30,890 --> 00:23:27,900

minutes

532

00:23:33,350 --> 00:23:30,900

but when they arrived at turbrax they

533

00:23:36,049 --> 00:23:33,360

found much to their astonishment

534

00:23:37,370 --> 00:23:36,059

that they generally had taken well over

535

00:23:40,430 --> 00:23:37,380

an hour

536

00:23:42,529 --> 00:23:40,440

so a period of missing time was

537

00:23:45,529 --> 00:23:42,539

unaccounted for

538

00:23:48,470 --> 00:23:45,539

both men prior to this encounter did not

539

00:23:51,409 --> 00:23:48,480

have any interest in matters pertaining

540

00:23:53,510 --> 00:23:51,419

to UFOs and aliens

541

00:23:56,570 --> 00:23:53,520

yes he had heard about them as we all

542

00:23:59,690 --> 00:23:56,580

have through TV and radio but it was not

543

00:24:03,590 --> 00:23:59,700

a big thing in their life

544

00:24:06,470 --> 00:24:03,600

for me this case is Real by God it

545

00:24:09,110 --> 00:24:06,480

happened I have not once changed my

546

00:24:11,570 --> 00:24:09,120

opinion on this case

547

00:24:13,669 --> 00:24:11,580

having met the man many times my

548

00:24:14,810 --> 00:24:13,679

conviction is that they are telling the

549

00:24:17,570 --> 00:24:14,820

truth

550

00:24:20,690 --> 00:24:17,580

this case plays a massive role in

551
00:24:24,169 --> 00:24:20,700
Scottish apology it shows that Scotland

552
00:24:25,789 --> 00:24:24,179
as a nation has also been touched by the

553
00:24:28,909 --> 00:24:25,799
UFO presence

554
00:24:31,370 --> 00:24:28,919
let us not forget that there were a

555
00:24:35,570 --> 00:24:31,380
number of other experiences of which

556
00:24:39,590 --> 00:24:35,580
Gary had to endure namely a small gray

557
00:24:43,310 --> 00:24:39,600
appearing suddenly in his bedroom and on

558
00:24:46,010 --> 00:24:43,320
another occasion a white Mist enveloped

559
00:24:48,950 --> 00:24:46,020
his car one day as he was driving

560
00:24:52,010 --> 00:24:48,960
himself and his two young Sons on

561
00:24:55,010 --> 00:24:52,020
another desolate stretch of road

562
00:24:59,210 --> 00:24:55,020
as it stands this is Scotland's first

563
00:25:02,630 --> 00:24:59,220

officially deported UFO Abduction this

564

00:25:06,110 --> 00:25:02,640

incident is real and I'm convinced that

565

00:25:08,390 --> 00:25:06,120

it happened in a way that both Witnesses

566

00:25:12,049 --> 00:25:08,400

described it

567

00:25:14,750 --> 00:25:12,059

no matter the case the a70 UFO Abduction

568

00:25:16,909 --> 00:25:14,760

remains one of the most compelling

569

00:25:18,289 --> 00:25:16,919

accounts of alien objection to come out

570

00:25:21,230 --> 00:25:18,299

of Scotland

571

00:25:24,350 --> 00:25:21,240

in fact it was recently discovered that

572

00:25:26,750 --> 00:25:24,360

there were once classified files on this

573

00:25:29,330 --> 00:25:26,760

incident within the ministry of Defense

574

00:25:32,029 --> 00:25:29,340

which were recently made public within

575

00:25:34,370 --> 00:25:32,039

the National Archives prompting many to

576

00:25:36,890 --> 00:25:34,380

believe that the British government did

577

00:25:39,110 --> 00:25:36,900

indeed take this case seriously enough

578

00:25:42,470 --> 00:25:39,120

to put it on record

579

00:25:46,370 --> 00:25:42,480

no matter what did or didn't happen on

580

00:25:50,090 --> 00:25:46,380

the a70 a Dark Lonely Road that night it

581

00:25:54,590 --> 00:25:50,100

remains a deeply bizarre addition to UFO

582

00:25:57,409 --> 00:25:54,600

history and like most UFO cases remains

583

00:25:59,960 --> 00:25:57,419

a mystery with answers that may lay

584

00:26:11,810 --> 00:25:59,970

somewhere in the skies

585

00:26:16,130 --> 00:26:13,789
