

**SOMEWHERE
IN THE SKIES**

THE TAGON
ON

1
00:00:05,329 --> 00:00:02,389
Randy thank you sir

2
00:00:06,430 --> 00:00:05,339
um on the 2022 UAP report

3
00:00:11,930 --> 00:00:06,440
um there's

4
00:00:14,930 --> 00:00:11,940
366 reports since July 2022 the majority

5
00:00:17,450 --> 00:00:14,940
of those originate from U.S Navy and Air

6
00:00:19,010 --> 00:00:17,460
Force aviators and operators who

7
00:00:21,769 --> 00:00:19,020
witnessed them during their operational

8
00:00:24,230 --> 00:00:21,779
duties and reported them to the previous

9
00:00:26,390 --> 00:00:24,240
task force and now Arrow Through

10
00:00:29,089 --> 00:00:26,400
official channels what are those

11
00:00:32,330 --> 00:00:29,099
official channels that the Pentagon has

12
00:00:34,370 --> 00:00:32,340
set up for better information sharing on

13
00:00:36,229 --> 00:00:34,380

this topic yeah thanks very much for the

14

00:00:38,930 --> 00:00:36,239

question uh so first of all let me just

15

00:00:41,270 --> 00:00:38,940

say right up top that the department

16

00:00:42,709 --> 00:00:41,280

wants to thank the office of the

17

00:00:44,750 --> 00:00:42,719

Director of National Intelligence for

18

00:00:46,430 --> 00:00:44,760

leading the collaborative effort to

19

00:00:49,250 --> 00:00:46,440

produce this report as well as all the

20

00:00:51,170 --> 00:00:49,260

other agencies that that supported it I

21

00:00:54,350 --> 00:00:51,180

would encourage you to as I'm sure you

22

00:00:57,709 --> 00:00:54,360

are read that report for any type of

23

00:01:00,110 --> 00:00:57,719

detailed information broadly speaking

24

00:01:01,729 --> 00:01:00,120

when it comes to the types of processes

25

00:01:05,149 --> 00:01:01,739

and procedures that have been

26
00:01:07,670 --> 00:01:05,159
established the the Aero office as you

27
00:01:09,410 --> 00:01:07,680
highlighted has

28
00:01:12,530 --> 00:01:09,420
closely worked with each of the service

29
00:01:14,450 --> 00:01:12,540
branches to come up with a streamlined

30
00:01:17,510 --> 00:01:14,460
reporting system to be able to to

31
00:01:19,609 --> 00:01:17,520
collect that information and then in

32
00:01:21,850 --> 00:01:19,619
addition to the military branches is

33
00:01:24,230 --> 00:01:21,860
also working with the interagency so

34
00:01:26,030 --> 00:01:24,240
organizations like NOAA the Coast Guard

35
00:01:28,609 --> 00:01:26,040
Department of the energy just to name a

36
00:01:31,310 --> 00:01:28,619
few and so by establishing those

37
00:01:32,929 --> 00:01:31,320
reporting procedures what it does and I

38
00:01:34,789 --> 00:01:32,939

think you'll see this in the report is

39

00:01:36,890 --> 00:01:34,799

it allows the collection of data and

40

00:01:38,870 --> 00:01:36,900

more data allows us to be a little bit

41

00:01:41,630 --> 00:01:38,880

more rigorous in terms of how we go

42

00:01:43,429 --> 00:01:41,640

after investigating these incidents so

43

00:01:45,230 --> 00:01:43,439

hopefully that yeah it does and I

44

00:01:47,510 --> 00:01:45,240

appreciate the transparency here just a

45

00:01:50,569 --> 00:01:47,520

quick follow-up the report says that

46

00:01:53,810 --> 00:01:50,579

regarding health concerns so far no

47

00:01:56,149 --> 00:01:53,820

Encounters of UAB have been aligned with

48

00:01:59,030 --> 00:01:56,159

serious anomalous Health incidents

49

00:02:01,370 --> 00:01:59,040

Congress pushed you guys and mandated

50

00:02:03,710 --> 00:02:01,380

odni and the Pentagon to look into that

51
00:02:06,230 --> 00:02:03,720
which means there were reports from

52
00:02:08,449 --> 00:02:06,240
military aviators about anomalous Health

53
00:02:11,210 --> 00:02:08,459
incidents is there anything you guys can

54
00:02:13,910 --> 00:02:11,220
share about what those Health incidents

55
00:02:15,770 --> 00:02:13,920
ended up being if they were not UAP yeah

56
00:02:17,390 --> 00:02:15,780
I don't I don't have any information to

57
00:02:19,010 --> 00:02:17,400
provide I'd encourage you to take a look

58
00:02:21,710 --> 00:02:19,020
at the report I would say broadly

59
00:02:24,770 --> 00:02:21,720
speaking I think one of the key points

60
00:02:28,790 --> 00:02:24,780
in this report you know given given the

61
00:02:30,949 --> 00:02:28,800
potential uh Hazard that uaps do present

62
00:02:34,490 --> 00:02:30,959
notably there's been no reported

63
00:02:37,850 --> 00:02:34,500

collisions of of military aircraft or

64

00:02:39,830 --> 00:02:37,860

U.S aircraft rather and uaps but in
