

**Pentagon Press Briefing on the
#UAPreport - The reporters response
at the end is priceless 😂**

1
00:00:06,289 --> 00:00:02,930
read that report for any type of

2
00:00:08,810 --> 00:00:06,299
detailed information broadly speaking

3
00:00:10,190 --> 00:00:08,820
when it comes to the types of processes

4
00:00:13,430 --> 00:00:10,200
and procedures that have been

5
00:00:16,070 --> 00:00:13,440
established uh the the Aero office as

6
00:00:17,870 --> 00:00:16,080
you highlighted has

7
00:00:21,050 --> 00:00:17,880
closely worked with each of the service

8
00:00:22,970 --> 00:00:21,060
branches to come up with a streamlined

9
00:00:25,790 --> 00:00:22,980
reporting system to be able to to

10
00:00:27,890 --> 00:00:25,800
collect that information and so by

11
00:00:30,050 --> 00:00:27,900
establishing those reporting procedures

12
00:00:31,730 --> 00:00:30,060
what it does and I think you'll see this

13
00:00:33,950 --> 00:00:31,740

in the report is it allows the

14

00:00:35,930 --> 00:00:33,960

collection of data and more data allows

15

00:00:38,209 --> 00:00:35,940

us to be a little bit more rigorous in

16

00:00:42,049 --> 00:00:38,219

terms of how we go after investigating

17

00:00:45,229 --> 00:00:42,059

these incidents at no point in your

18

00:00:47,750 --> 00:00:45,239

rambling incoherent response were you

19

00:00:49,729 --> 00:00:47,760

even close to anything that could be

20

00:00:53,270 --> 00:00:49,739

considered a rational thought

21

00:00:54,950 --> 00:00:53,280

everyone in this room is now Dumber for

22

00:00:57,229 --> 00:00:54,960

having listened to it
