00:00:01,199 --> 00:00:05,809  
soon for a CBS special presentation

2  
00:00:09,770 --> 00:00:07,789  
the following program will present ideas

3  
00:00:11,089 --> 00:00:09,780  
that may be contrary to your present

4  
00:00:13,910 --> 00:00:11,099  
beliefs

5  
00:00:16,490 --> 00:00:13,920  
tonight we will examine Close Encounters

6  
00:00:18,650 --> 00:00:16,500  
of the Fourth Kind but Witnesses have

7  
00:00:20,810 --> 00:00:18,660  
not only had personal contact with

8  
00:00:23,390 --> 00:00:20,820  
extraterrestrial life forms but were

9  
00:00:25,490 --> 00:00:23,400  
also detained by them the Recreations of

10  
00:00:27,290 --> 00:00:25,500  
aliens in their spacecraft are based

11  
00:00:29,630 --> 00:00:27,300  
upon a composite of testimonies and

12  
00:00:32,089 --> 00:00:29,640  
research interviews from around the

13  
00:00:34,670 --> 00:00:32,099

world have described Two basic kinds of

14

00:00:37,370 --> 00:00:34,680

aliens the small Grays with large eyes

15

00:00:40,130 --> 00:00:37,380

and heads and the Nordic types blonde

16

00:00:42,530 --> 00:00:40,140

tall muscular humanoids

17

00:00:44,510 --> 00:00:42,540

reenactments you are about to see were

18

00:00:47,590 --> 00:00:44,520

experienced by people whose lives had

19

00:00:47,600 --> 00:01:24,010

[Music]

20

00:01:28,429 --> 00:01:27,289

my name is Travis Walton this is my

21

00:01:37,230 --> 00:01:28,439

story

22

00:01:41,810 --> 00:01:39,410

[Music]

23

00:01:44,630 --> 00:01:41,820

that is Walton a man who is about to

24

00:01:46,130 --> 00:01:44,640

take a unique and terrifying Journey a

25

00:01:48,469 --> 00:01:46,140

journey to the other side of his belief

26

00:01:51,050 --> 00:01:48,479

system all of his Notions of reality

27

00:01:53,810 --> 00:01:51,060

will be called into question but right

28

00:01:55,190 --> 00:01:53,820

now what Travis has on his mind is very

29

00:01:57,350 --> 00:01:55,200

much of this world

30

00:02:00,109 --> 00:01:57,360

his best friend Mike Rogers young sister

31

00:02:01,789 --> 00:02:00,119

has stolen his heart

32

00:02:04,010 --> 00:02:01,799

I'm gonna ask her

33

00:02:05,690 --> 00:02:04,020

can ask who

34

00:02:08,930 --> 00:02:05,700

Dana

35

00:02:08,940 --> 00:02:12,050

kiss

36

00:02:17,869 --> 00:02:14,510

let's go off his Hill

37

00:02:17,879 --> 00:02:23,089

great it makes my day Mike

38

00:02:23,099 --> 00:02:26,630

what's your problem

39

00:02:26,640 --> 00:02:30,290

it's too young

40

00:02:35,510 --> 00:02:31,610

you got your whole life to get married

41

00:02:35,520 --> 00:02:40,550

I love you

42

00:02:44,180 --> 00:02:42,290

yeah that just solves everything doesn't

43

00:02:51,470 --> 00:02:44,190

it Travis

44

00:02:55,730 --> 00:02:53,690

first a scene just like any other night

45

00:02:58,009 --> 00:02:55,740

as they headed homework

46

00:03:02,930 --> 00:02:58,019

[Music]

47

00:03:08,270 --> 00:03:04,910

I don't know

48

00:03:10,430 --> 00:03:08,280

maybe it's Forest Farm

49

00:03:13,250 --> 00:03:10,440

I don't see any smoke

50

00:03:17,990 --> 00:03:13,260

yeah what the hell is it get closer to

51  
00:03:36,229 --> 00:03:32,250  
[Music]

52  
00:03:41,089 --> 00:03:38,210  
what we saw

53  
00:03:43,369 --> 00:03:41,099  
was not that far away I mean we could we

54  
00:03:44,449 --> 00:03:43,379  
could see this thing it was clear it was

55  
00:03:46,430 --> 00:03:44,459  
distinct

56  
00:03:49,490 --> 00:03:46,440  
it wasn't a

57  
00:03:51,410 --> 00:03:49,500  
just a point of light in the sky or

58  
00:03:54,470 --> 00:03:51,420  
anything like this this was very close

59  
00:03:57,890 --> 00:03:54,480  
you could have thrown a rock and hit it

60  
00:04:01,610 --> 00:03:57,900  
I was scared but uh like everyone there

61  
00:04:03,710 --> 00:04:01,620  
but I got out and went towards it

62  
00:04:06,050 --> 00:04:03,720  
that might have been a foolish thing but

63  
00:04:08,509 --> 00:04:06,060

I was thinking this thing might take off

64

00:04:13,369 --> 00:04:08,519

you know it just I just wanted to get a

65

00:04:17,819 --> 00:04:13,379

closer look I figured this would vanish

66

00:04:17,829 --> 00:04:33,830

[Music]

67

00:04:33,840 --> 00:04:40,660

do you see what happened to him

68

00:04:44,930 --> 00:04:42,129

[Music]

69

00:04:51,710 --> 00:04:44,940

they killed him they're going to kill us

70

00:04:56,030 --> 00:04:54,590

we gotta go back no way Mike are you

71

00:04:58,070 --> 00:04:56,040

crazy

72

00:05:00,469 --> 00:04:58,080

after we'd put maybe a quarter of a mile

73

00:05:04,969 --> 00:05:00,479

distance between us and Ed

74

00:05:08,030 --> 00:05:04,979

I suddenly realized what we had done and

75

00:05:12,770 --> 00:05:08,040

I realized that our friend was back

76  
00:05:17,270 --> 00:05:14,749  
I stopped the truck

77  
00:05:20,150 --> 00:05:17,280  
several of them didn't want that at all

78  
00:05:22,090 --> 00:05:20,160  
and I says well we have to we have to go

79  
00:05:29,210 --> 00:05:22,100  
back he could be he could be hurt

80  
00:05:35,689 --> 00:05:31,790  
we went back to the site the thing was

81  
00:05:38,590 --> 00:05:35,699  
gone Travis was gone so we thought maybe

82  
00:05:41,510 --> 00:05:38,600  
he wandered off somewhere so we

83  
00:05:44,570 --> 00:05:41,520  
conducted a hand-in-hand search you

84  
00:05:46,790 --> 00:05:44,580  
might say six grown men walking around

85  
00:05:48,830 --> 00:05:46,800  
in the woods about as close to each

86  
00:05:50,930 --> 00:05:48,840  
other as they could get

87  
00:05:53,210 --> 00:05:50,940  
excited that without being able to find

88  
00:05:55,310 --> 00:05:53,220

him we would have to do something what

89

00:05:57,290 --> 00:05:55,320

would we do we

90

00:06:00,230 --> 00:05:57,300

all we could think of was go to the

91

00:06:03,110 --> 00:06:02,029

the shadow arrived and listened to their

92

00:06:06,050 --> 00:06:03,120

story

93

00:06:09,529 --> 00:06:08,210

decided that the only thing to do was to

94

00:06:13,070 --> 00:06:09,539

go back up the hill in the morning and

95

00:06:14,810 --> 00:06:13,080

look for Travis three of the guys had no

96

00:06:16,189 --> 00:06:14,820

intention of going back up the hill they

97

00:06:19,730 --> 00:06:16,199

wanted to stay right down there where

98

00:06:22,550 --> 00:06:19,740

they were and so me and one other fella

99

00:06:24,409 --> 00:06:22,560

and several of the sheriff people went

100

00:06:27,290 --> 00:06:24,419

back up the hill and covered all the

101  
00:06:29,450 --> 00:06:27,300  
roads below and above and

102  
00:06:32,029 --> 00:06:29,460  
we looked for tracks we looked for sign

103  
00:06:35,029 --> 00:06:32,039  
we listened

104  
00:06:36,770 --> 00:06:35,039  
we couldn't find him at all there was no

105  
00:06:39,469 --> 00:06:36,780  
trace of him at all no tracks of any

106  
00:06:41,270 --> 00:06:39,479  
kind anywhere it just seemed that they

107  
00:06:51,890 --> 00:06:41,280  
must have taken him whoever they were we

108  
00:06:57,110 --> 00:06:54,350  
it was huge you know it was

109  
00:06:59,390 --> 00:06:57,120  
filled this whole thing up and just

110  
00:07:01,969 --> 00:06:59,400  
the weirdest damn thing I've ever seen

111  
00:07:04,370 --> 00:07:01,979  
somebody from

112  
00:07:08,990 --> 00:07:04,380  
somewhere other than this world had

113  
00:07:12,650 --> 00:07:10,550

Rick Rogers in the sheriff went to

114

00:07:14,270 --> 00:07:12,660

inform Travis Walton's mother that her

115

00:07:16,670 --> 00:07:14,280

son was missing

116

00:07:18,590 --> 00:07:16,680

sorry

117

00:07:21,529 --> 00:07:18,600

I left him up

118

00:07:21,539 --> 00:07:25,010

I'm sorry

119

00:07:29,510 --> 00:07:27,469

all through that night and the next

120

00:07:31,670 --> 00:07:29,520

several days it was

121

00:07:34,249 --> 00:07:31,680

and comprehensible we could not

122

00:07:36,469 --> 00:07:34,259

understand what had happened it just

123

00:07:38,930 --> 00:07:36,479

didn't sink in something had happened

124

00:07:40,550 --> 00:07:38,940

something odd it happened we didn't know

125

00:07:42,290 --> 00:07:40,560

if it was terrible whether it was great

126

00:07:43,430 --> 00:07:42,300

we didn't know but

127

00:07:45,650 --> 00:07:43,440

it's something that we couldn't

128

00:07:46,909 --> 00:07:45,660

understand that happened and it was it

129

00:07:48,409 --> 00:07:46,919

was very

130

00:07:50,930 --> 00:07:48,419

uh

131

00:07:53,270 --> 00:07:50,940

traumatic very traumatic the most

132

00:07:58,150 --> 00:07:53,280

traumatic event that I've ever

133

00:08:03,290 --> 00:08:01,370

the sheriff from Holbrook suspected that

134

00:08:05,270 --> 00:08:03,300

the men had murdered Travis and buried

135

00:08:07,850 --> 00:08:05,280

his body in the woods and that they were

136

00:08:09,890 --> 00:08:07,860

using the UFO story as an alibi

137

00:08:12,529 --> 00:08:09,900

he wanted some answers and wasn't going

138

00:08:13,790 --> 00:08:12,539

to give up until he got them Dallas why

139

00:08:16,249 --> 00:08:13,800

don't you tell us about this

140

00:08:19,790 --> 00:08:16,259

conversational Travis

141

00:08:23,990 --> 00:08:19,800

Joe it was just talking about his sister

142

00:08:30,710 --> 00:08:28,010

do you have a problem with Travis or son

143

00:08:33,769 --> 00:08:30,720

Travis is my best friend

144

00:08:35,329 --> 00:08:33,779

why would I kill him I don't know

145

00:08:37,310 --> 00:08:35,339

I understand he wanted to marry your

146

00:08:39,010 --> 00:08:37,320

sister well maybe you didn't like that

147

00:08:42,170 --> 00:08:39,020

idea

148

00:08:44,930 --> 00:08:42,180

a few boys are all telling the truth

149

00:08:47,690 --> 00:08:44,940

why not take a lie detector test

150

00:08:49,009 --> 00:08:47,700

it's fine with me hell yeah I'll do it

151  
00:08:51,620 --> 00:08:49,019  
well good

152  
00:08:53,810 --> 00:08:51,630  
we'll get to the bottom of this shot

153  
00:08:58,990 --> 00:08:53,820  
[Music]

154  
00:09:04,930 --> 00:09:02,210  
visitors from the unknown

155  
00:09:07,790 --> 00:09:04,940  
that's examiner gave an official report

156  
00:09:10,190 --> 00:09:07,800  
they told Mike Rogers it was the first

157  
00:09:11,690 --> 00:09:10,200  
time the polygraph examiner had such a

158  
00:09:13,370 --> 00:09:11,700  
large number of subjects to work with

159  
00:09:15,530 --> 00:09:13,380  
regarding the same event

160  
00:09:17,810 --> 00:09:15,540  
and actually use the word proof in his

161  
00:09:19,970 --> 00:09:17,820  
report he said his findings positively

162  
00:09:23,509 --> 00:09:19,980  
proved the men did see something that

163  
00:09:25,009 --> 00:09:23,519

they believed was a UFO no

164

00:09:26,580 --> 00:09:25,019

spacecraft

165

00:09:30,970 --> 00:09:26,590

yes I did

166

00:09:33,949 --> 00:09:30,980

[Music]

167

00:09:35,150 --> 00:09:33,959

later Travis returned with a remarkable

168

00:09:37,790 --> 00:09:35,160

story

169

00:09:38,870 --> 00:09:37,800

when I felt the numbing shock I blacked

170

00:09:41,449 --> 00:09:38,880

out

171

00:09:44,230 --> 00:09:41,459

and the next thing I knew

172

00:09:48,970 --> 00:09:44,240

I regain consciousness

173

00:09:52,670 --> 00:09:48,980

uh not quickly sort of uh gradually

174

00:09:53,630 --> 00:09:52,680

my head wasn't real clear I was in a lot

175

00:09:56,150 --> 00:09:53,640

of pain

176

00:09:59,509 --> 00:09:56,160

I was laying on my back

177

00:09:59,519 --> 00:10:01,670

um

178

00:10:07,070 --> 00:10:05,630

I I remembered what had happened

179

00:10:10,070 --> 00:10:07,080

in the woods

180

00:10:11,509 --> 00:10:10,080

as I was regaining Consciousness I was

181

00:10:13,670 --> 00:10:11,519

trying to figure out what I was and what

182

00:10:17,329 --> 00:10:13,680

was going on I thought maybe I was in a

183

00:10:20,040 --> 00:10:17,339

hospital or something but I've been hurt

184

00:10:27,790 --> 00:10:20,050

foreign

185

00:10:32,630 --> 00:10:30,230

I was standing in front of those things

186

00:10:34,130 --> 00:10:32,640

that were coming towards me and they

187

00:10:35,810 --> 00:10:34,140

stopped there and they stood there

188

00:10:39,650 --> 00:10:35,820

looking at me

189

00:10:42,290 --> 00:10:39,660

these huge eyes just seemed to just look

190

00:10:44,690 --> 00:10:42,300

right through me

191

00:10:46,090 --> 00:10:44,700

I didn't get any impression of emotion

192

00:10:49,490 --> 00:10:46,100

it was a very

193

00:10:51,470 --> 00:10:49,500

detached sort of just observing sort of

194

00:10:53,990 --> 00:10:51,480

thing but it seemed like they could see

195

00:10:57,110 --> 00:10:54,000

everything I was thinking of doing

196

00:10:58,370 --> 00:10:57,120

very disturbing feeling to feel so

197

00:11:01,690 --> 00:10:58,380

exposed

198

00:11:06,050 --> 00:11:01,700

that these huge eyes looked at me and

199

00:11:08,389 --> 00:11:06,060

when they blink and on an eye that big

200

00:11:10,910 --> 00:11:08,399

the eyelid just slid down and opened

201  
00:11:12,530 --> 00:11:10,920  
like a like a window opening and

202  
00:11:15,650 --> 00:11:12,540  
shutting it into this

203  
00:11:24,350 --> 00:11:15,660  
just had the strangest sort of feeling I

204  
00:11:32,090 --> 00:11:26,370  
get back

205  
00:12:02,780 --> 00:11:35,020  
foreign

206  
00:12:02,790 --> 00:12:06,230  
[Music]

207  
00:12:06,240 --> 00:12:11,170  
foreign

208  
00:12:23,509 --> 00:12:18,900  
[Music]

209  
00:12:26,930 --> 00:12:23,519  
there was a lever there

210  
00:12:28,910 --> 00:12:26,940  
and when I moved that the star pattern

211  
00:12:30,949 --> 00:12:28,920  
appeared to move that kind of

212  
00:12:32,930 --> 00:12:30,959  
disoriented me for a minute because you

213  
00:12:35,990 --> 00:12:32,940

know I felt like I was moving kind of

214

00:12:38,150 --> 00:12:36,000

per second because this was you know

215

00:12:41,690 --> 00:12:38,160

to have everything suddenly shipped like

216

00:12:43,550 --> 00:12:41,700

that but I figured I'd better quit

217

00:12:46,310 --> 00:12:43,560

messing with that

218

00:12:48,949 --> 00:12:46,320

you know I by that time surmised that I

219

00:12:50,870 --> 00:12:48,959

was in some sort of craft and

220

00:12:52,250 --> 00:12:50,880

connected it to what had happened before

221

00:12:53,810 --> 00:12:52,260

and

222

00:12:55,650 --> 00:12:53,820

figured I might crash this thing or

223

00:13:00,590 --> 00:12:55,660

something

224

00:13:04,790 --> 00:13:00,600

[Music]

225

00:13:06,530 --> 00:13:04,800

this person was not like these humanoid

226

00:13:08,389 --> 00:13:06,540

creatures that I'd seen earlier this

227

00:13:09,230 --> 00:13:08,399

looked like a human being looked like a

228

00:13:11,329 --> 00:13:09,240

man

229

00:13:14,449 --> 00:13:11,339

in a blue uniform

230

00:13:16,190 --> 00:13:14,459

I went up to him thinking you know that

231

00:13:18,590 --> 00:13:16,200

I was being rescued that I was being

232

00:13:21,350 --> 00:13:18,600

saved

233

00:13:22,910 --> 00:13:21,360

this was a person you know I started

234

00:13:25,569 --> 00:13:22,920

asking all kinds of questions

235

00:13:28,190 --> 00:13:25,579

where am I

236

00:13:30,700 --> 00:13:28,200

dude where are we

237

00:13:41,410 --> 00:13:30,710

and who were those things that I saw

238

00:13:47,350 --> 00:13:42,700

thank you

239

00:13:53,870 --> 00:13:50,269

when that door opened there was a new

240

00:13:55,610 --> 00:13:53,880

Rush of air and it felt like fresher and

241

00:13:58,550 --> 00:13:55,620

cooler than where I'd been

242

00:14:00,710 --> 00:13:58,560

it must have been like from the air I

243

00:14:02,690 --> 00:14:00,720

was in was real heavy

244

00:14:05,090 --> 00:14:02,700

moist

245

00:14:08,990 --> 00:14:05,100

stifled

246

00:14:11,550 --> 00:14:09,000

me quickly on uh went through some doors

247

00:14:15,350 --> 00:14:11,560

down a hallway to another room

248

00:14:17,110 --> 00:14:15,360

[Music]

249

00:14:19,550 --> 00:14:17,120

what's going on here

250

00:14:21,170 --> 00:14:19,560

I mean who are you people

251  
00:14:25,310 --> 00:14:21,180

[Music]

252  
00:14:26,900 --> 00:14:25,320

touch me don't touch me don't get your

253  
00:14:30,470 --> 00:14:26,910

hands off me

254  
00:14:36,290 --> 00:14:30,480

[Music]

[Music]

257  
00:14:55,069 --> 00:14:52,430

five days had passed before Travis

258  
00:14:58,430 --> 00:14:55,079

returned he was asked to take a lie

259  
00:15:00,290 --> 00:14:58,440

detector test he too passed little did

260  
00:15:02,569 --> 00:15:00,300

he know that this event would cast a

261  
00:15:05,210 --> 00:15:02,579

shadow over the rest of his life many

262  
00:15:08,070 --> 00:15:05,220

believe he is a man of courage

263  
00:15:18,829 --> 00:15:08,080

others accuse him of being a liar

264

00:15:24,829 --> 00:15:20,689

the thing that has brought more

265

00:15:26,930 --> 00:15:24,839

frustration and pain into my life as a

266

00:15:30,590 --> 00:15:26,940

result of all this happening

267

00:15:33,470 --> 00:15:30,600

is the fact that people can't see me

268

00:15:37,250 --> 00:15:33,480

anymore me as a person I get a feeling

269

00:15:40,430 --> 00:15:37,260

of invisibility because of this thing

270

00:15:43,610 --> 00:15:40,440

every contact I have with people

271

00:15:46,730 --> 00:15:43,620

is covered by is filtered through

272

00:15:48,350 --> 00:15:46,740

the distorting lens of something that

273

00:15:50,329 --> 00:15:48,360

just happened to me

274

00:15:52,550 --> 00:15:50,339

15 years ago

275

00:15:54,410 --> 00:15:52,560

and it is something that just happened

276

00:15:56,150 --> 00:15:54,420

to me

277

00:15:59,629 --> 00:15:56,160

uh

278

00:16:00,949 --> 00:15:59,639

I didn't do anything special or heroic

279

00:16:04,910 --> 00:16:00,959

um

280

00:16:06,470 --> 00:16:04,920

I I'm not I'm not a hero or a celebrity

281

00:16:10,329 --> 00:16:06,480

anymore

282

00:16:19,370 --> 00:16:14,350

deceiving Rascal or or

283

00:16:21,290 --> 00:16:19,380

crackpot space cadet sort of person

284

00:16:25,009 --> 00:16:21,300

um

285

00:16:26,990 --> 00:16:25,019

I I would like to be seen as myself

286

00:16:28,069 --> 00:16:27,000

rather than in terms of this thing that

287

00:16:35,889 --> 00:16:28,079

just happened to me it could have

288

00:16:41,629 --> 00:16:38,689

all of the woodsmen moved away except

289

00:16:44,449 --> 00:16:41,639

Mike and Travis they are still friends

290

00:16:46,490 --> 00:16:44,459

Travis married Mike's sister Dana and

291

00:16:48,170 --> 00:16:46,500

they have four beautiful children and

292

00:16:50,629 --> 00:16:48,180

still live in the same small town in

293

00:16:59,410 --> 00:16:50,639

Arizona where no one has forgotten what

294

00:16:59,420 --> 00:17:05,270

visitors from the unknown will continue

my name is Alan Godfrey

297

00:17:18,549 --> 00:17:12,540

and this is my story

298

00:17:23,449 --> 00:17:21,710

meet Alan Godfrey a British police

299

00:17:25,370 --> 00:17:23,459

officer in the West Yorkshire

300

00:17:27,350 --> 00:17:25,380

metropolitan police force

301

00:17:28,850 --> 00:17:27,360

Allen born and raised in this

302

00:17:31,310 --> 00:17:28,860

working-class neighborhood near the

303

00:17:32,390 --> 00:17:31,320

Moors is married and the father of two

304

00:17:34,190 --> 00:17:32,400

children

305

00:17:36,169 --> 00:17:34,200

he has been commended twice for his

306

00:17:38,870 --> 00:17:36,179

investigative work in cases of sudden

307

00:17:40,789 --> 00:17:38,880

and mysterious deaths album is proud to

308

00:17:45,230 --> 00:17:40,799

be a policeman and proud of his

309

00:17:50,450 --> 00:17:48,409

his story began 14 years ago when Alan

310

00:17:51,950 --> 00:17:50,460

was looking for three men suspected of

311

00:17:53,990 --> 00:17:51,960

brutally assaulting someone the night

312

00:17:56,690 --> 00:17:54,000

before

313

00:17:58,970 --> 00:17:56,700

headquarters this is PC Godfrey I've

314

00:18:01,789 --> 00:17:58,980

located the three suspects outside a pub

315

00:18:10,290 --> 00:18:01,799

it's called the carpenter arms I'm going

316

00:18:29,169 --> 00:18:25,480

[Music]

317

00:18:29,179 --> 00:18:38,529

thank you

318

00:18:45,529 --> 00:18:42,770

I was kicked in the groin area

319

00:18:47,870 --> 00:18:45,539

as a result of which later on I did lose

320

00:18:50,450 --> 00:18:47,880

a testicle

321

00:18:52,010 --> 00:18:50,460

the police surgeon explained that Alan

322

00:18:54,049 --> 00:18:52,020

would acquire a long period of

323

00:18:58,549 --> 00:18:54,059

recuperation you're going to need a lot

324

00:19:02,750 --> 00:19:00,169

he was both physically and

325

00:19:04,789 --> 00:19:02,760

psychologically devastated and was told

326

00:19:07,130 --> 00:19:04,799

he would no longer be able to have a

327

00:19:09,409 --> 00:19:07,140

normal sex life

328

00:19:11,090 --> 00:19:09,419

I was also told I would never I'm

329

00:19:13,190 --> 00:19:11,100

definitely been sterile for the rest of

330

00:19:15,840 --> 00:19:13,200

my life I wouldn't not be able to

331

00:19:17,450 --> 00:19:15,850

fire the children again

332

00:19:20,029 --> 00:19:17,460

[Music]

333

00:19:22,490 --> 00:19:20,039

Alan finally returned to active duty

334

00:19:28,490 --> 00:19:22,500

three years later he was called to the

335

00:19:28,500 --> 00:19:37,370

thank you

336

00:19:48,590 --> 00:19:41,990

[Music]

337

00:19:54,049 --> 00:19:51,230

what was strange about the guy

338

00:19:56,630 --> 00:19:54,059

was he was wearing a top coat but he

339

00:19:58,909 --> 00:19:56,640

wasn't wearing a shirt he was wearing a

340

00:20:02,029 --> 00:19:58,919

string vest you know

341

00:20:03,350 --> 00:20:02,039

his jacket had been fastened unevenly at

342

00:20:06,529 --> 00:20:03,360

the top here

343

00:20:07,970 --> 00:20:06,539

his trousers and the Fly was undone on

344

00:20:11,090 --> 00:20:07,980

the trousers

345

00:20:13,250 --> 00:20:11,100

his shoes appeared at that he hadn't

346

00:20:15,310 --> 00:20:13,260

pull them on himself to be hadn't been

347

00:20:22,970 --> 00:20:15,320

tired properly

348

00:20:28,310 --> 00:20:26,390

and 30pm and found nothing unusual later

349

00:20:31,010 --> 00:20:28,320

that afternoon the body was discovered

350

00:20:32,990 --> 00:20:31,020

and subsequent tests proved he had been

351

00:20:35,870 --> 00:20:33,000

dead for at least eight hours so the

352

00:20:38,210 --> 00:20:35,880

question remained where had he died and

353

00:20:40,130 --> 00:20:38,220

how did he get to the top of the coal

354

00:20:44,260 --> 00:20:40,140

pile

355

00:20:53,590 --> 00:20:49,750

[Music]

356

00:20:58,250 --> 00:20:56,390

it was a strange substance on the back

357

00:20:59,990 --> 00:20:58,260

of the dead man's neck which the

358

00:21:02,010 --> 00:21:00,000

forensic pathologist proceeded to

359

00:21:04,669 --> 00:21:02,020

analyze

360

00:21:06,650 --> 00:21:04,679

[Music]

361

00:21:08,690 --> 00:21:06,660

the guy although he died of a heart

362

00:21:10,789 --> 00:21:08,700

attack the heart attack I'd been brought

363

00:21:12,870 --> 00:21:10,799

on by something that really really

364

00:21:16,730 --> 00:21:12,880

terrified him

365

00:21:21,770 --> 00:21:16,740

[Music]

366

00:21:24,850 --> 00:21:23,990

the victim was identified as Sigmund

367

00:21:30,130 --> 00:21:24,860

adamsky

368

00:21:37,789 --> 00:21:32,810

the coroner wanted the police to

369

00:21:40,190 --> 00:21:37,799

ascertain why this guy turned up some 30

370

00:21:42,830 --> 00:21:40,200

or 40 miles from his home where he'd

371

00:21:45,289 --> 00:21:42,840

been for six days where the burn marks

372

00:21:47,450 --> 00:21:45,299

have come from more importantly what was

373

00:21:49,130 --> 00:21:47,460

the substance that had been applied to

374

00:21:51,470 --> 00:21:49,140

the guy's womb at the back of the neck

375

00:21:54,830 --> 00:21:51,480

because the substance could not be

376

00:21:57,169 --> 00:21:54,840

identified as anything known on Earth

377

00:21:58,789 --> 00:21:57,179

the police were further baffled there

378

00:22:00,950 --> 00:21:58,799

were no Footprints leading to where the

379

00:22:03,529 --> 00:22:00,960

body was found this is really important

380

00:22:06,950 --> 00:22:03,539

to to remember this

381

00:22:10,010 --> 00:22:06,960

the fact that the guy climbed a stack of

382

00:22:11,930 --> 00:22:10,020

coal were supposedly climbed a stack of

383

00:22:13,370 --> 00:22:11,940

gold if he had got there under normal

384

00:22:14,810 --> 00:22:13,380

Power

385

00:22:18,649 --> 00:22:14,820

it was suffering from the heart

386

00:22:21,289 --> 00:22:18,659

condition in inclement weather as it was

387

00:22:23,510 --> 00:22:21,299

and to lie there on the top and just

388

00:22:25,460 --> 00:22:23,520

look at the sky and die

389

00:22:29,230 --> 00:22:25,470

is ridiculous

390

00:22:34,430 --> 00:22:32,029

with the adamski death still nagging at

391

00:22:36,430 --> 00:22:34,440

him Alan encountered something even more

392

00:22:39,250 --> 00:22:36,440

extraordinary

393

00:22:43,010 --> 00:22:39,260

I was home patrolling my police Scout

394

00:22:45,710 --> 00:22:43,020

and we've been getting strange

395

00:22:47,750 --> 00:22:45,720

unusual calls from members of the public

396

00:22:50,090 --> 00:22:47,760

about a herd of cows that were kept

397

00:22:52,090 --> 00:22:50,100

appearing and disappearing on a local

398

00:22:56,330 --> 00:22:52,100

Council estate

399

00:22:59,210 --> 00:22:56,340

uh we we went up there another loop and

400

00:23:01,610 --> 00:22:59,220

there was nothing there was no trace of

401  
00:23:04,190 --> 00:23:01,620  
these cows there was no sign of them

402  
00:23:05,289 --> 00:23:04,200  
that you know cows leave trademarks we

403  
00:23:08,090 --> 00:23:05,299  
all know this

404  
00:23:10,430 --> 00:23:08,100  
so it was rather unusual that these cows

405  
00:23:13,490 --> 00:23:10,440  
couldn't be found headquarters this is

406  
00:23:16,970 --> 00:23:13,500  
PC Alan Godfrey I'm going up to council

407  
00:23:19,070 --> 00:23:16,980  
estate to check on the cars over

408  
00:23:24,370 --> 00:23:19,080  
as I was approaching the councilor State

409  
00:23:30,169 --> 00:23:26,870  
a large object that was blocking the

410  
00:23:32,930 --> 00:23:30,179  
roll up ahead I put my warning flashing

411  
00:23:35,149 --> 00:23:32,940  
lights on the blue flashing lights on my

412  
00:23:37,789 --> 00:23:35,159  
first reaction was that it was a double

413  
00:23:40,070 --> 00:23:37,799

decker bus that had gone skidded

414

00:23:41,870 --> 00:23:40,080

sideways or whatever there was something

415

00:23:44,870 --> 00:23:41,880

blocking the road

416

00:23:48,529 --> 00:23:44,880

so I instinctively drove towards it as I

417

00:23:53,690 --> 00:23:50,690

it was a sign that really I wasn't

418

00:23:55,850 --> 00:23:53,700

expecting to see you know I mean

419

00:23:58,010 --> 00:23:55,860

there was an object that was offering it

420

00:24:00,830 --> 00:23:58,020

wasn't actually on the ground it was

421

00:24:02,690 --> 00:24:00,840

actually hovering over the ground

422

00:24:05,570 --> 00:24:02,700

about five feet

423

00:24:07,270 --> 00:24:05,580

this in itself you know is a bit strange

424

00:24:10,730 --> 00:24:07,280

to say the least

425

00:24:13,789 --> 00:24:10,740

hello in headquarters this is PC Allen

426  
00:24:15,409 --> 00:24:13,799  
Godfrey and try the car radio it would

427  
00:24:18,430 --> 00:24:15,419  
work

428  
00:24:20,690 --> 00:24:18,440  
I'll try my personal radio

429  
00:24:22,220 --> 00:24:20,700  
nobody would answer me on the radio it

430  
00:24:30,330 --> 00:24:22,230  
was completely dead

431  
00:24:34,490 --> 00:24:32,450  
[Music]

432  
00:24:37,610 --> 00:24:34,500  
I've got an hovering in front of me

433  
00:24:40,610 --> 00:24:37,620  
about 25 yards is an object that really

434  
00:24:42,950 --> 00:24:40,620  
one-on expects to see in such films as

435  
00:24:50,210 --> 00:24:42,960  
30 Encounters of a closed captioning not

436  
00:24:53,570 --> 00:24:52,130  
it just didn't register with any of the

437  
00:24:56,990 --> 00:24:53,580  
training I've been giving as a police

438  
00:25:02,090 --> 00:24:59,750

it became obvious to me that what I was

439

00:25:04,070 --> 00:25:02,100

looking at was a UFO there was no

440

00:25:06,350 --> 00:25:04,080

emitting some noise from it and there

441

00:25:09,770 --> 00:25:06,360

was certainly no heat coming from it

442

00:25:12,169 --> 00:25:09,780

the trees that was lying in the world

443

00:25:13,430 --> 00:25:12,179

were shaking violently so whatever it

444

00:25:16,190 --> 00:25:13,440

was was

445

00:25:19,130 --> 00:25:16,200

there was a force coming from me

446

00:25:21,649 --> 00:25:19,140

although at that time while I was sat in

447

00:25:24,289 --> 00:25:21,659

the police car I couldn't feel any

448

00:25:26,269 --> 00:25:24,299

vibration in the police car but there

449

00:25:27,649 --> 00:25:26,279

was no way I was going to get out

450

00:25:30,250 --> 00:25:27,659

I wasn't going to get out of the place

451  
00:25:40,330 --> 00:25:30,260  
girl I felt very secure in there

452  
00:25:40,340 --> 00:25:45,289  
and then a very strange thing occurred

453  
00:25:45,299 --> 00:25:59,529  
suddenly there was a jump in time

454  
00:26:03,529 --> 00:26:01,669  
after I

455  
00:26:06,649 --> 00:26:03,539  
done the drawing

456  
00:26:07,850 --> 00:26:06,659  
or my last conscious memories of doing

457  
00:26:10,850 --> 00:26:07,860  
the drawing

458  
00:26:13,310 --> 00:26:10,860  
I suddenly found myself another

459  
00:26:15,289 --> 00:26:13,320  
20 or 30 yards up the road

460  
00:26:21,430 --> 00:26:15,299  
driving the police car and the object

461  
00:26:26,090 --> 00:26:24,110  
Allen realized that 20 minutes had

462  
00:26:27,169 --> 00:26:26,100  
passed and he could not remember what

463  
00:26:29,690 --> 00:26:27,179

had happened

464

00:26:33,590 --> 00:26:29,700

he turned the car around and went back

465

00:26:44,670 --> 00:26:36,400

I was a bit gobsmacked at this

466

00:26:44,680 --> 00:26:49,909

[Music]

467

00:26:54,830 --> 00:26:53,510

it's been raining all night so the road

468

00:26:56,690 --> 00:26:54,840

surface should really have been

469

00:27:00,130 --> 00:26:56,700

absolutely wet through but where this

470

00:27:02,260 --> 00:27:00,140

object and be the road surface was

471

00:27:13,330 --> 00:27:02,270

Whirlpool dry

472

00:27:13,340 --> 00:27:17,930

visitors from the unknown will continue

473

00:27:21,950 --> 00:27:19,549

three of them returned to the location

474

00:27:24,590 --> 00:27:21,960

of the sighting so

475

00:27:29,330 --> 00:27:24,600

where are the little green men now oh

476

00:27:35,630 --> 00:27:31,909

cumin's totally dry here

477

00:27:35,640 --> 00:27:42,289

maybe Alan's really seen something

478

00:27:49,010 --> 00:27:47,450

so we went into the adjoining Park and

479

00:27:51,710 --> 00:27:49,020

the only way you can get into the park

480

00:27:54,529 --> 00:27:51,720

is over the bridge and through a lot

481

00:27:56,450 --> 00:27:54,539

gate which is obviously it's open during

482

00:27:58,730 --> 00:27:56,460

the day but during the hours of Darkness

483

00:28:02,510 --> 00:27:58,740

the gates locked

484

00:28:05,690 --> 00:28:02,520

so no thing can get into the park

485

00:28:08,029 --> 00:28:05,700

uh we got in we we unlocked the gate

486

00:28:10,669 --> 00:28:08,039

because we have the keys to get into the

487

00:28:13,310 --> 00:28:10,679

park for obvious reasons

488

00:28:15,590 --> 00:28:13,320

what they discovered was a herd of cows

489

00:28:17,510 --> 00:28:15,600

that had mysteriously appeared in the

490

00:28:19,070 --> 00:28:17,520

center of the field these were the

491

00:28:22,810 --> 00:28:19,080

missing cows that Alan had been looking

492

00:28:26,870 --> 00:28:25,130

this is the herd of cows I've been

493

00:28:29,510 --> 00:28:26,880

looking for all night I mean you know

494

00:28:34,789 --> 00:28:29,520

we've been running around near there

495

00:28:38,210 --> 00:28:36,409

there's no Trail

496

00:28:40,730 --> 00:28:38,220

now this is rather strange and this

497

00:28:44,690 --> 00:28:40,740

starts blowing your mind here because

498

00:28:45,890 --> 00:28:44,700

I just seen something that I a UFO

499

00:28:48,049 --> 00:28:45,900

that

500

00:28:50,149 --> 00:28:48,059

I found absolutely totally unbelievable

501  
00:28:52,789 --> 00:28:50,159  
and I wasn't

502  
00:28:55,250 --> 00:28:52,799  
expecting to see something like that

503  
00:28:57,169 --> 00:28:55,260  
and now another strange occurrence the

504  
00:28:58,850 --> 00:28:57,179  
cows you know

505  
00:29:00,289 --> 00:28:58,860  
the cows get there the only way they

506  
00:29:10,970 --> 00:29:00,299  
could have got there is somebody they're

507  
00:29:15,590 --> 00:29:13,010  
although Allen's fellow officers did not

508  
00:29:16,909 --> 00:29:15,600  
take the incident seriously an inspector

509  
00:29:18,889 --> 00:29:16,919  
reminded him that it was official

510  
00:29:21,289 --> 00:29:18,899  
procedure to report the incident to the

511  
00:29:22,730 --> 00:29:21,299  
divisional headquarters in Halifax the

512  
00:29:24,950 --> 00:29:22,740  
object was reported by three other

513  
00:29:27,169 --> 00:29:24,960

police officers 12 miles from here

514

00:29:29,690 --> 00:29:27,179

and two more in Lancashire County the

515

00:29:33,049 --> 00:29:29,700

teasing stopped for the next 12 months

516

00:29:35,930 --> 00:29:33,059

everything went back to normal then

517

00:29:39,889 --> 00:29:35,940

investigative reporter realized that the

518

00:29:44,049 --> 00:29:39,899

PC Alan Godfrey of the adamsky case was

519

00:29:46,789 --> 00:29:44,059

the PC Alan Godfrey of the UFO case

520

00:29:49,610 --> 00:29:46,799

the reporter suggested that damskey was

521

00:29:51,230 --> 00:29:49,620

the victim of a UFO Abduction the story

522

00:29:53,690 --> 00:29:51,240

hit the front page of a national

523

00:29:57,669 --> 00:29:53,700

newspaper with Alan as the link between

524

00:30:03,529 --> 00:30:01,130

the spotlight was on Alan and he and his

525

00:30:06,830 --> 00:30:03,539

family and Superior officers were not at

526  
00:30:11,590 --> 00:30:08,350  
all right

527  
00:30:14,750 --> 00:30:11,600  
[Applause]

528  
00:30:16,909 --> 00:30:14,760  
whenever Allen testified in court his

529  
00:30:20,210 --> 00:30:16,919  
credibility was ridiculed because of his

530  
00:30:22,909 --> 00:30:20,220  
UFO report his superiors attempted to

531  
00:30:25,430 --> 00:30:22,919  
humiliate him they wanted him to resign

532  
00:30:27,590 --> 00:30:25,440  
from the force they even took his police

533  
00:30:28,580 --> 00:30:27,600  
car from him and replaced it with a

534  
00:30:30,769 --> 00:30:28,590  
bicycle

535  
00:30:33,110 --> 00:30:30,779  
[Music]

536  
00:30:35,210 --> 00:30:33,120  
a friend who had also experienced a UFO

537  
00:30:37,909 --> 00:30:35,220  
sighting convinced Alan to undergo

538  
00:30:39,889 --> 00:30:37,919

hypnotic regression The Hope was to

539

00:30:41,810 --> 00:30:39,899

discover what had occurred during the

540

00:30:45,110 --> 00:30:41,820

missing 20 minutes this regression

541

00:30:45,120 --> 00:30:51,010

[Music]

542

00:30:58,340 --> 00:30:53,830

thank you

543

00:31:14,930 --> 00:30:58,350

[Music]

544

00:31:19,190 --> 00:31:17,389

that's what they sound like

545

00:31:20,330 --> 00:31:19,200

you've got those Jewels remember the

546

00:31:21,130 --> 00:31:20,340

night I tried to wake you up and

547

00:31:23,510 --> 00:31:21,140

couldn't

548

00:31:26,760 --> 00:31:23,520

that night I had that same sound over

549

00:31:26,770 --> 00:31:31,930

[Music]

550

00:31:38,330 --> 00:31:34,190

I tried to wake Ellen up but he was in

551  
00:31:43,010 --> 00:31:41,389  
finally the noise went away

552  
00:31:44,450 --> 00:31:43,020  
the next morning Alan and I made love

553  
00:31:45,710 --> 00:31:44,460  
for the first time since he was beaten

554  
00:31:50,090 --> 00:31:45,720  
up

555  
00:31:54,529 --> 00:31:52,789  
well all I want to know is how did my

556  
00:31:55,789 --> 00:31:54,539  
wife get pregnant if I'm unable to

557  
00:31:57,590 --> 00:31:55,799  
father children

558  
00:32:00,409 --> 00:31:57,600  
I mean maybe she's been fooling around

559  
00:32:01,970 --> 00:32:00,419  
huh I don't know how it happened Alan

560  
00:32:04,909 --> 00:32:01,980  
if your condition has completely been

561  
00:32:11,930 --> 00:32:04,919  
reversed This Test shows your fertile

562  
00:32:16,850 --> 00:32:14,690  
while many questions were raised few

563  
00:32:20,149 --> 00:32:16,860

were answered the Adams kid death

564

00:32:22,130 --> 00:32:20,159

remains unsolved Alan Godfrey is still

565

00:32:24,529 --> 00:32:22,140

unable to consciously remember the

566

00:32:26,269 --> 00:32:24,539

missing 20 minutes although Allen no

567

00:32:27,350 --> 00:32:26,279

longer serves in the police force he was

568

00:32:29,630 --> 00:32:27,360

so proud of

569

00:32:31,789 --> 00:32:29,640

the thought persists that the visitors

570

00:32:32,570 --> 00:32:31,799

did serve some positive function in his

571

00:32:34,190 --> 00:32:32,580

life

572

00:32:36,649 --> 00:32:34,200

he is extremely grateful to have

573

00:32:52,610 --> 00:32:36,659

recovered and especially to have had

592

00:33:39,710 --> 00:33:37,679

but all of his knowledge and experience

593

00:33:47,269 --> 00:33:39,720

could not explain what was about to

594

00:33:51,950 --> 00:33:49,370

John Salter and his son left their home

595

00:33:53,210 --> 00:33:51,960

in North Dakota for a speaking tour in

596

00:33:57,950 --> 00:33:53,220

naive South

597

00:34:01,850 --> 00:33:59,330

took off

598

00:34:07,909 --> 00:34:01,860

pointed toward Mississippi and New

599

00:34:12,230 --> 00:34:10,730

since I'm since I've been about 13 I've

600

00:34:14,810 --> 00:34:12,240

traveled with my father all over the

601  
00:34:16,490 --> 00:34:14,820  
country and one of the things we've

602  
00:34:21,530 --> 00:34:16,500  
always done is pick the straightest shot

603  
00:34:26,389 --> 00:34:24,889  
ship John Salter for reasons he could

604  
00:34:31,669 --> 00:34:26,399  
he could took a route which was

605  
00:34:36,349 --> 00:34:34,250  
intending to stay on Route 61 John

606  
00:34:38,869 --> 00:34:36,359  
Salter turned off the main Highway

607  
00:34:46,379 --> 00:34:38,879  
to a less travel drill heading in the

00:34:58,550 --> 00:34:54,230  
at around that very Point both my son

610  
00:35:02,329 --> 00:34:58,560  
and I were hit gently by double amnesia

611  
00:35:06,040 --> 00:35:02,339  
for the next more than 60 miles we

612  
00:35:06,050 --> 00:35:13,370  
[Music]

613

foreign

614

00:35:36,530 --> 00:35:32,030

almost an hour and a half later

615

00:35:43,630 --> 00:35:37,990

it was dark

616

00:35:50,030 --> 00:35:46,750

I can recall very clearly

617

00:35:53,630 --> 00:35:50,040

the lights of the pickup on the highway

618

00:35:57,170 --> 00:35:53,640

the sound of the engine

619

00:35:58,740 --> 00:35:57,180

flowing into my broadening expanding

620

00:36:02,569 --> 00:35:58,750

consciousness

00:36:04,790 --> 00:36:02,579

[Music]

622

00:36:07,609 --> 00:36:04,800

check them out we're turned around

623

00:36:10,030 --> 00:36:07,619

heading towards Madison

624

00:36:12,890 --> 00:36:10,040

but that's impossible

625

00:36:15,310 --> 00:36:12,900

how did we get here

626

00:36:19,130 --> 00:36:15,320

I don't know

627

00:36:21,609 --> 00:36:19,140

been off course for over an hour

628

00:36:23,829 --> 00:36:21,619

I can't remember anything

629

00:36:27,290 --> 00:36:23,839

neither can I

630

00:36:29,329 --> 00:36:27,300

that evening you know when we stopped in

631

00:36:31,609 --> 00:36:29,339

Bettendorf and we went to that

632

00:36:35,329 --> 00:36:31,619

restaurant there were several police

633

00:36:37,790 --> 00:36:35,339

officers several uh men wearing hats

634

00:36:39,589 --> 00:36:37,800

with FBI labels on them like they had

635

00:36:41,630 --> 00:36:39,599

been part of some kind of search team or

636

00:36:44,329 --> 00:36:41,640

something and I remember feeling

637

00:36:46,730 --> 00:36:44,339

incredibly guilty as if we were a couple

638

00:36:48,170 --> 00:36:46,740

of bank robbers or Outlaws and we hadn't

639

00:36:52,690 --> 00:36:48,180

done anything wrong of course you know

640

00:36:57,069 --> 00:36:55,030

what's happening Thomas

641

00:36:59,329 --> 00:36:57,079

I don't know

642

00:37:02,390 --> 00:36:59,339

how can we both not remember anything

643

00:37:05,329 --> 00:37:02,400

for over an hour

644

00:37:11,270 --> 00:37:05,339

why are we Whispering why do we feel

645

00:37:21,770 --> 00:37:14,930

[Music]

646

00:37:27,470 --> 00:37:24,250

we drove down the highway

647

00:37:31,130 --> 00:37:27,480

and we were listening to music

648

00:37:33,589 --> 00:37:31,140

and kind of talking quietly and then we

649

00:37:35,690 --> 00:37:33,599

saw the light coming towards us it was

650

00:37:36,890 --> 00:37:35,700

glittering it was shining it came

651  
00:37:41,450 --> 00:37:36,900  
towards us

652  
00:37:43,370 --> 00:37:41,460  
it was it was unusual it was fast and it

653  
00:37:47,150 --> 00:37:43,380  
had my complete attention I couldn't

654  
00:37:50,089 --> 00:37:47,160  
look at anything else it was enveloped

655  
00:37:51,970 --> 00:37:50,099  
in a kind of energy field

656  
00:37:55,450 --> 00:37:51,980  
which

657  
00:37:59,150 --> 00:37:55,460  
added up to the most Exquisite

658  
00:38:02,900 --> 00:37:59,160  
shimmering silvery thing that I've ever

659  
00:38:02,910 --> 00:38:11,750  
[Music]

660  
00:38:17,290 --> 00:38:14,569  
dad that was a UFO wasn't it what else

661  
00:38:19,730 --> 00:38:17,300  
could it have been

662  
00:38:22,430 --> 00:38:19,740  
[Music]

663  
00:38:24,349 --> 00:38:22,440

remember Betty and Barney Hill

664

00:38:27,170 --> 00:38:24,359

no well they were real responsible

665

00:38:30,349 --> 00:38:27,180

couple they were picked up by UFO didn't

666

00:38:34,460 --> 00:38:33,290

you think we were picked up

667

00:38:38,829 --> 00:38:34,470

I don't know son

668

00:38:41,450 --> 00:38:38,839

[Music]

669

00:38:43,910 --> 00:38:41,460

to the Salters this extraordinary

670

00:38:45,710 --> 00:38:43,920

sighting somehow seemed connected to the

671

00:38:50,569 --> 00:38:45,720

missing time in odd beatings of the

672

00:38:54,109 --> 00:38:50,579

previous night I also saw this as a very

673

00:38:56,150 --> 00:38:54,119

friendly kind of an appearance of sort

674

00:38:59,089 --> 00:38:56,160

of a adios

675

00:39:01,089 --> 00:38:59,099

or a hasta luego

676

00:39:03,470 --> 00:39:01,099

but the soldiers were still mystified

677

00:39:05,790 --> 00:39:03,480

the real significance of what happened

678

00:39:14,589 --> 00:39:05,800

was about to unfold

679

00:39:18,800 --> 00:39:18,050

dad I feel like something really strange

680

00:39:23,210 --> 00:39:18,810

has happened to us

681

00:39:23,220 --> 00:39:27,530

feel that way too

682

00:39:27,540 --> 00:39:31,370

I know this sounds weird

683

00:39:31,380 --> 00:39:42,829

but I wish they'd come visit us again

684

00:39:46,910 --> 00:39:44,810

as they continue their Journey the

685

00:39:48,589 --> 00:39:46,920

soldiers searched their memories for

686

00:39:50,690 --> 00:39:48,599

explanations

687

00:39:52,190 --> 00:39:50,700

what really occurred during that missing

688

00:39:54,349 --> 00:39:52,200

time

689

00:39:56,089 --> 00:39:54,359

why did the UFO appearance feel so

690

00:39:57,890 --> 00:39:56,099

familiar to them

691

00:39:59,270 --> 00:39:57,900

and why did they have such feelings of

692

00:40:01,370 --> 00:39:59,280

longing for something they could not

693

00:40:04,310 --> 00:40:01,380

identify

694

00:40:06,170 --> 00:40:04,320

in a series of recall flashbacks the

695

00:40:33,060 --> 00:40:06,180

Lost Time slowly came into Focus

696

00:40:39,589 --> 00:40:36,170

[Music]

697

00:40:42,170 --> 00:40:39,599

I recall thinking to myself they look

698

00:40:45,170 --> 00:40:42,180

like children

699

00:40:47,280 --> 00:40:45,180

up on the bumper looking in they look

700

00:40:57,710 --> 00:40:47,290

just like little kids

701  
00:40:57,720 --> 00:41:10,130

[Music]

702  
00:41:16,609 --> 00:41:11,160

foreign

703  
00:41:23,990 --> 00:41:20,329

this man is as tall as I am

704  
00:41:28,250 --> 00:41:24,000

six feet he

705  
00:41:31,750 --> 00:41:28,260  
is half human half humanoid a half-breed

706  
00:41:37,490 --> 00:41:33,950

[Music]

707  
00:41:39,589 --> 00:41:37,500  
held a very close Bond immediately with

708  
00:41:40,390 --> 00:41:39,599  
this tall figure that stepped from the

709  
00:41:43,569 --> 00:41:40,400  
shadows

710  
00:41:51,770 --> 00:41:48,470  
and at one point I stumbled and fell

711  
00:41:55,250 --> 00:41:51,780  
and was cushioned

712  
00:41:57,349 --> 00:41:55,260  
and prevented from hitting the ground by

713  
00:42:00,890 --> 00:41:57,359

what I'm convinced is some sort of

714

00:42:04,370 --> 00:42:00,900

telekinetic psychic Force generated by

715

00:42:12,430 --> 00:42:05,730

infamous

716

00:42:18,050 --> 00:42:15,790

[Music]

717

00:42:21,770 --> 00:42:18,060

we went inside

718

00:42:24,950 --> 00:42:21,780

into a small room with curved walls

719

00:42:36,650 --> 00:42:24,960

the atmosphere was rather Smart in

720

00:42:40,490 --> 00:42:39,589

I remember the feeling of laying in a

721

00:42:42,650 --> 00:42:40,500

chair

722

00:42:44,390 --> 00:42:42,660

and it was like being in a dentist's

723

00:42:47,030 --> 00:42:44,400

office because I was aware of what was

724

00:42:49,609 --> 00:42:47,040

happening but I couldn't move

725

00:42:52,790 --> 00:42:49,619

I couldn't move my face I couldn't move

726  
00:42:55,970 --> 00:42:52,800  
my body I was trapped down but I was

727  
00:42:56,990 --> 00:42:55,980  
immobilized in some way

728  
00:43:09,910 --> 00:42:57,000  
foreign

729  
00:43:17,050 --> 00:43:11,690  
to me

730  
00:43:21,829 --> 00:43:17,060  
after a cursory medical exam

731  
00:43:25,430 --> 00:43:21,839  
was placing of a very small implant

732  
00:43:28,790 --> 00:43:25,440  
up my right nostril and Beyond this was

733  
00:43:34,790 --> 00:43:32,030  
we believe that it affects the pituitary

734  
00:43:40,130 --> 00:43:37,910  
immediately after that an injection was

735  
00:43:40,710 --> 00:43:40,140  
made in the vicinity of the thyroid

736  
00:43:42,349 --> 00:43:40,720  
gland

following that there was a massive

740

00:43:56,630 --> 00:43:50,099

injection into the upper Central chest

741

00:43:59,710 --> 00:43:58,609

it would be like a zipping zipping

742

00:44:02,569 --> 00:43:59,720

sensation

743

00:44:04,670 --> 00:44:02,579

like almost like tiny electrical shocks

744

00:44:07,130 --> 00:44:04,680

I've talked to people who've had tattoos

745

00:44:08,120 --> 00:44:07,140

and they've described that as being

746

00:44:10,849 --> 00:44:08,130

similar

747

00:44:13,550 --> 00:44:10,859

[Music]

748

00:44:15,829 --> 00:44:13,560

my feeling was one

749

00:44:17,690 --> 00:44:15,839

of great friendliness

750

00:44:19,010 --> 00:44:17,700

very much at ease

751  
00:44:21,589 --> 00:44:19,020  
everyone

752  
00:44:23,809 --> 00:44:21,599  
all through this experience

753  
00:44:26,030 --> 00:44:23,819  
was very pleasant in the months that

754  
00:44:28,730 --> 00:44:26,040  
followed John Soldier began to notice

755  
00:44:30,650 --> 00:44:28,740  
changes to his body his fingernails

756  
00:44:33,770 --> 00:44:30,660  
which he'd normally clipped every three

757  
00:44:36,170 --> 00:44:33,780  
weeks had to be clipped once a week his

758  
00:44:38,930 --> 00:44:36,180  
hair began growing more rapidly his

759  
00:44:41,569 --> 00:44:38,940  
sparse eyebrows began to thicken his

760  
00:44:44,569 --> 00:44:41,579  
facial wrinkles began to disappear I now

761  
00:44:49,069 --> 00:44:44,579  
had developed a

762  
00:44:50,630 --> 00:44:49,079  
very strong need for protein meat and

763  
00:44:54,650 --> 00:44:50,640

fish

764

00:44:58,130 --> 00:44:54,660

at the same time an odd craving for

765

00:45:01,490 --> 00:44:58,140

things like green peas a 25 year old

766

00:45:03,530 --> 00:45:01,500

scar suddenly faded salted had very

767

00:45:06,290 --> 00:45:03,540

little body hair but now found it

768

00:45:08,569 --> 00:45:06,300

growing all over his body before the UFO

769

00:45:11,170 --> 00:45:08,579

encounter sawdust moved a pound of pipe

770

00:45:15,770 --> 00:45:11,180

tobacco a week I smoked like an Arizona

771

00:45:18,950 --> 00:45:15,780

smelter but in the middle of May 1989

772

00:45:21,710 --> 00:45:18,960

I stood in my office and realized that I

773

00:45:24,530 --> 00:45:21,720

had gone 24 hours without smoking

774

00:45:29,870 --> 00:45:26,750

and I stopped smoking

775

00:45:32,329 --> 00:45:29,880

and have remained a non-smoker without

776

00:45:34,309 --> 00:45:32,339

suffering a single physical or

777

00:45:38,210 --> 00:45:34,319

psychological twinge

778

00:45:40,790 --> 00:45:38,220

no twinges of any kind I recall that we

779

00:45:43,250 --> 00:45:40,800

walked through the woods downhill back

780

00:45:46,730 --> 00:45:43,260

to the pickup and I felt in

781

00:45:49,490 --> 00:45:46,740

extraordinary sense of sadness at the

782

00:45:52,930 --> 00:45:49,500

fact that we were partying there is no

783

00:45:55,250 --> 00:45:52,940

way that I can adequately describe

784

00:45:58,550 --> 00:45:55,260

the intense

785

00:46:01,849 --> 00:45:58,560

sadness that I felt and then the message

786

00:46:14,090 --> 00:46:01,859

came that we will all see one another

787

00:46:14,100 --> 00:46:17,390

[Music]

788

00:46:21,890 --> 00:46:20,030

then but three of hundreds of reported

789

00:46:23,809 --> 00:46:21,900

UFO encounters

790

00:46:26,990 --> 00:46:23,819

while no scientific group is available

791

00:46:29,109 --> 00:46:27,000

to the public One Thing Remains clear

792

00:46:32,329 --> 00:46:29,119

a growing number of people believe

793

00:46:34,730 --> 00:46:32,339

extraterrestrial life exists and still

794

00:46:35,870 --> 00:46:34,740

others believe Earth is being visited

795

00:46:38,870 --> 00:46:35,880

regularly

796

00:46:48,160 --> 00:46:38,880

if so where are they from what do they
