# SOMEWHERE IN THE LIVESTREAM

EP 01

1  
00:01:15,350 --> 00:01:11,990  
hey guys Ryan Sprague here and welcome

2  
00:01:18,050 --> 00:01:15,360  
to the premiere episode of somewhere in

3  
00:01:20,390 --> 00:01:18,060  
the live stream this is a thing we're

4  
00:01:24,770 --> 00:01:20,400  
going to be doing every Sunday at 4 P.M

5  
00:01:26,630 --> 00:01:24,780  
EST 9 p.m UK time and I thought it'd

6  
00:01:29,270 --> 00:01:26,640  
just be fun to have a consistent show

7  
00:01:31,550 --> 00:01:29,280  
every Sunday for you guys kind of get

8  
00:01:34,249 --> 00:01:31,560  
you ready for the week look back at what

9  
00:01:37,010 --> 00:01:34,259  
happened the past week and uh just in

10  
00:01:39,530 --> 00:01:37,020  
the past in general uh the format will

11  
00:01:42,050 --> 00:01:39,540  
probably change every week I mentioned

12  
00:01:43,910 --> 00:01:42,060  
this on my last stream my review of the

13  
00:01:46,130 --> 00:01:43,920

movie The thing that we would be doing

14

00:01:48,770 --> 00:01:46,140

this every Sunday now and sometimes

15

00:01:51,530 --> 00:01:48,780

it'll be the interview for the next

16

00:01:54,050 --> 00:01:51,540

week's podcast uh sometimes it'll be me

17

00:01:56,450 --> 00:01:54,060

interviewing some of my friends and

18

00:01:59,510 --> 00:01:56,460

special guests and sometimes it'll be me

19

00:02:01,789 --> 00:01:59,520

just going over news or uh doing some

20

00:02:04,370 --> 00:02:01,799

ask me any things it's just gonna be

21

00:02:07,249 --> 00:02:04,380

super fun super casual and it's just an

22

00:02:10,309 --> 00:02:07,259

opportunity for all of us to hang out on

23

00:02:13,670 --> 00:02:10,319

Sunday nights um I love doing this kind

24

00:02:14,690 --> 00:02:13,680

of stuff it's super fun I like um you

25

00:02:17,809 --> 00:02:14,700

know bringing you guys whatever

26  
00:02:20,210 --> 00:02:17,819  
information I can about UFOs and space

27  
00:02:22,729 --> 00:02:20,220  
and uh paranormal and just stuff like

28  
00:02:24,229 --> 00:02:22,739  
that so I I think this would be cool

29  
00:02:26,630 --> 00:02:24,239  
um I might even sneak in some theater

30  
00:02:30,710 --> 00:02:26,640  
talk every now and again get into my

31  
00:02:33,710 --> 00:02:30,720  
other life the uh Dr Jekyll to my Mr UFO

32  
00:02:35,630 --> 00:02:33,720  
hide two lives I have so um we'll see

33  
00:02:37,010 --> 00:02:35,640  
we'll see but this is going to be fun so

34  
00:02:39,410 --> 00:02:37,020  
thank you thank you for being here

35  
00:02:41,570 --> 00:02:39,420  
tonight for the premiere episode

36  
00:02:46,670 --> 00:02:41,580  
um tonight we are going to be going over

37  
00:02:49,729 --> 00:02:46,680  
some cool stories uh UFO stories um news

38  
00:02:52,550 --> 00:02:49,739

stories that I found uh I'm gonna show a

39

00:02:54,350 --> 00:02:52,560

really interesting UFO video that I came

40

00:02:56,449 --> 00:02:54,360

across recently

41

00:02:57,650 --> 00:02:56,459

um definitely stick around for that I

42

00:02:59,210 --> 00:02:57,660

definitely want to get all of your

43

00:03:01,369 --> 00:02:59,220

thoughts on it

44

00:03:03,589 --> 00:03:01,379

um and then in entertainment news I'm

45

00:03:06,110 --> 00:03:03,599

gonna we're gonna watch two trailers for

46

00:03:07,850 --> 00:03:06,120

two upcoming movies one of that just

47

00:03:11,210 --> 00:03:07,860

released this week and one that will be

48

00:03:14,149 --> 00:03:11,220

releasing I believe in March uh and that

49

00:03:16,490 --> 00:03:14,159

is Kids versus Aliens which I have a

50

00:03:19,910 --> 00:03:16,500

weird connection to I'll get to that and

51  
00:03:21,890 --> 00:03:19,920  
uh also the new movie 65 with Adam

52  
00:03:23,930 --> 00:03:21,900  
Driver and

53  
00:03:25,610 --> 00:03:23,940  
um people are talking about this one it

54  
00:03:29,570 --> 00:03:25,620  
looks like we're returning to the land

55  
00:03:31,070 --> 00:03:29,580  
of dinosaurs but possibly aliens too

56  
00:03:33,710 --> 00:03:31,080  
um it'll be interesting so we're gonna

57  
00:03:36,050 --> 00:03:33,720  
break down those two trailers uh I just

58  
00:03:39,170 --> 00:03:36,060  
finished watching Resident Alien season

59  
00:03:42,289 --> 00:03:39,180  
two on the Sci-Fi channel and I love

60  
00:03:43,910 --> 00:03:42,299  
love this show so so much

61  
00:03:46,070 --> 00:03:43,920  
um and I have a weird tangential

62  
00:03:48,470 --> 00:03:46,080  
connection to that too which we will get

63  
00:03:50,210 --> 00:03:48,480

to later in the show uh so yeah I

64

00:03:51,890 --> 00:03:50,220

thought this would be super fun

65

00:03:53,509 --> 00:03:51,900

um so let me say hello to everyone in

66

00:03:57,289 --> 00:03:53,519

the chat first before we get started

67

00:03:59,809 --> 00:03:57,299

hello to Ian hi everyone James thank you

68

00:04:02,630 --> 00:03:59,819

for being here buddy thank you for the

69

00:04:03,470 --> 00:04:02,640

Super Chat as well

70

00:04:05,210 --> 00:04:03,480

um

71

00:04:07,190 --> 00:04:05,220

super Chatters open guys if you want to

72

00:04:09,350 --> 00:04:07,200

help out the show it's a great way a

73

00:04:11,149 --> 00:04:09,360

couple clicks and you're done uh all the

74

00:04:12,890 --> 00:04:11,159

money that you donate to the show goes

75

00:04:16,370 --> 00:04:12,900

right back into making the show bigger

76

00:04:20,210 --> 00:04:16,380

better better quality better uh you know

77

00:04:22,310 --> 00:04:20,220

microphones cameras I'm not really up to

78

00:04:26,330 --> 00:04:22,320

date on all my tech stuff as you can

79

00:04:28,249 --> 00:04:26,340

probably hear and see but uh I try I try

80

00:04:30,590 --> 00:04:28,259

um so yeah all the money goes back right

81

00:04:32,570 --> 00:04:30,600

into the show so thank you James thank

82

00:04:34,610 --> 00:04:32,580

you for always being such a huge

83

00:04:36,890 --> 00:04:34,620

supporter really really do appreciate

84

00:04:38,629 --> 00:04:36,900

that Jay Ellen Heineken is here resident

85

00:04:40,790 --> 00:04:38,639

Alien season was good I couldn't finish

86

00:04:45,050 --> 00:04:40,800

season two uh bumner man I finished

87

00:04:46,790 --> 00:04:45,060

season two today uh man stick with it

88

00:04:49,310 --> 00:04:46,800

stick with it I think the story is

89

00:04:51,350 --> 00:04:49,320

really really picking up and um it's

90

00:04:52,610 --> 00:04:51,360

picking up steam emotionally too uh

91

00:04:55,070 --> 00:04:52,620

we'll get to that we'll get to that

92

00:04:58,850 --> 00:04:55,080

later in the show who else we got Ryan

93

00:05:00,650 --> 00:04:58,860

98

00:05:10,610 --> 00:05:09,300

something has to be buttonless things in

99

00:05:13,610 --> 00:05:10,620

place

100

00:05:17,330 --> 00:05:13,620

104

00:05:25,930 --> 00:05:24,360

um can you imagine a dinosaur and a

105

00:05:28,969 --> 00:05:25,940

flying saucer

106

00:05:31,189 --> 00:05:28,979

ghost that is an image that will be in

107

00:05:32,450 --> 00:05:31,199

my head all night now so thank you for

108

00:05:34,070 --> 00:05:32,460

109

00:05:36,290 --> 00:05:34,080

um love it love it I can't wait to watch

110

00:05:38,450 --> 00:05:36,300

these trailers with you guys too uh I

111

00:05:40,310 --> 00:05:38,460

haven't watched either of them so this

112

00:05:42,230 --> 00:05:40,320

will be kind of a reaction video too

113

00:05:44,930 --> 00:05:42,240

first time for me seeing the trailers

114

00:05:47,150 --> 00:05:44,940

too so yeah that'll be cool

115

00:05:49,969 --> 00:05:47,160

00:06:25,189 --> 00:06:23,400

00:06:26,930 --> 00:06:25,199  
look forward to your show Ryan thank you

132  
00:06:28,249 --> 00:06:26,940  
thank you Jane B thank you for being

133  
00:06:30,890 --> 00:06:28,259  
here

134  
00:06:33,529 --> 00:06:30,900  
um all right guys well let's start off

135  
00:06:36,050 --> 00:06:33,539  
with some news that I dug up for this

136  
00:06:39,950 --> 00:06:36,060  
week I thought this would be pretty fun

137  
00:06:42,170 --> 00:06:39,960  
um let me bring this in here we are

138  
00:06:44,870 --> 00:06:42,180

going to start with this story that just

139

00:06:47,150 --> 00:06:44,880

broke recently and uh I'm gonna go ahead

140

00:06:49,850 --> 00:06:47,160

and just read verbatim from these

141

00:06:53,330 --> 00:06:49,860

articles for you tonight this one came

142

00:06:58,430 --> 00:06:53,340

from space.com meteorite Hunters find 17

143

00:07:00,409 --> 00:06:58,440

pound Space Rock in Antarctica so for

144

00:07:02,330 --> 00:07:00,419

any of you who just watched my review of

145

00:07:04,550 --> 00:07:02,340

the thing you are quite familiar with

146

00:07:07,330 --> 00:07:04,560

the Antarctica by now well I can't even

147

00:07:10,610 --> 00:07:07,340

say Antarctica Antarctica it's so easy

148

00:07:13,430 --> 00:07:10,620

come on what were those speech addiction

149

00:07:15,409 --> 00:07:13,440

classes for in theater Ryan you got

150

00:07:19,850 --> 00:07:15,419

there she got this

151  
00:07:20,809 --> 00:07:19,860  
um yeah so I I know Antarctica well by

152  
00:07:22,249 --> 00:07:20,819  
now

153  
00:07:24,350 --> 00:07:22,259  
um and this is pretty cool so let me

154  
00:07:26,749 --> 00:07:24,360  
read from this a daring team of

155  
00:07:29,570 --> 00:07:26,759  
scientists in Antarctica have recovered

156  
00:07:32,629 --> 00:07:29,580  
five new meteorites including a near 17

157  
00:07:34,909 --> 00:07:32,639  
pound monster Space Rock the team of

158  
00:07:37,070 --> 00:07:34,919  
scientists included Field Museum and the

159  
00:07:40,969 --> 00:07:37,080  
University of Chicago researcher Maria

160  
00:07:42,710 --> 00:07:40,979  
Valdez who estimated that of the 45

161  
00:07:45,170 --> 00:07:42,720  
000 meteorites recovered to date from

162  
00:07:47,390 --> 00:07:45,180  
the icy Wasteland of Antarctica only a

163  
00:07:49,490 --> 00:07:47,400

hundred or so have been as large as the

164

00:07:54,050 --> 00:07:49,500

largest member of this new Hall which

165

00:07:57,050 --> 00:07:54,060

weighs 16.7 pounds or 17.6 kilograms

166

00:07:59,330 --> 00:07:57,060

really cool I love you can see the group

167

00:08:02,110 --> 00:07:59,340

right there who found it

168

00:08:04,909 --> 00:08:02,120

um uh they must be so excited

169

00:08:07,670 --> 00:08:04,919

Valdez says size doesn't necessarily

170

00:08:11,330 --> 00:08:07,680

matter when it comes to meteorites you

171

00:08:14,210 --> 00:08:11,340

hear that gentlemen Size Doesn't Matter

172

00:08:16,309 --> 00:08:14,220

and even tiny micro meteorites can be

173

00:08:18,110 --> 00:08:16,319

incredibly scientifically valuable but

174

00:08:20,510 --> 00:08:18,120

of course finding a big meteorite

175

00:08:23,450 --> 00:08:20,520

meteorite like this one is rare and

176

00:08:25,249 --> 00:08:23,460

really exciting she says uh with such

177

00:08:27,290 --> 00:08:25,259

frigid conditions even in the midst of

178

00:08:29,390 --> 00:08:27,300

Summer Antarctica may seem like an

179

00:08:31,430 --> 00:08:29,400

unlikely place for anyone to choose to

180

00:08:33,589 --> 00:08:31,440

visit yet for meteorite Hunters like

181

00:08:35,630 --> 00:08:33,599

this team this frigid Vista offers

182

00:08:37,430 --> 00:08:35,640

unique opportunities that's because

183

00:08:40,430 --> 00:08:37,440

Antarctica is one of the best spots

184

00:08:42,949 --> 00:08:40,440

across the globe to hunt for meteorites

185

00:08:44,630 --> 00:08:42,959

Antarctica is a desert with dry climate

186

00:08:47,150 --> 00:08:44,640

which reduces the amount of weathering

187

00:08:48,949 --> 00:08:47,160

experienced by meteorites also across

188

00:08:51,410 --> 00:08:48,959

the white snowy landscape the black Hue

189

00:08:52,790 --> 00:08:51,420

of these space rocks stands out oh

190

00:08:54,710 --> 00:08:52,800

that's a good point I never even thought

191

00:08:56,930 --> 00:08:54,720

about that like they must literally

192

00:08:57,949 --> 00:08:56,940

stand out like a sport thumb uh that's

193

00:09:00,470 --> 00:08:57,959

pretty cool

194

00:09:02,269 --> 00:09:00,480

uh let's see the whopping new space Rock

195

00:09:04,550 --> 00:09:02,279

and the other meteorites recovered by

196

00:09:06,350 --> 00:09:04,560

the researchers will now be analyzed at

197

00:09:08,690 --> 00:09:06,360

the Royal Belgian Institute of Natural

198

00:09:11,630 --> 00:09:08,700

Sciences while the team members will

199

00:09:14,230 --> 00:09:11,640

individually divide and study samples of

200

00:09:16,910 --> 00:09:14,240

sediments they collected from Antarctica

201  
00:09:19,370 --> 00:09:16,920  
Valdez is excited to learn what Secrets

202  
00:09:22,009 --> 00:09:19,380  
the meteorites hold studying meteorites

203  
00:09:24,949 --> 00:09:22,019  
helps us better understand our place in

204  
00:09:26,630 --> 00:09:24,959  
the universe she says the bigger sample

205  
00:09:29,269 --> 00:09:26,640  
size we have in the meteorite the better

206  
00:09:32,690 --> 00:09:29,279  
we can understand our solar system and

207  
00:09:34,730 --> 00:09:32,700  
the better we can understand ourselves I

208  
00:09:38,449 --> 00:09:34,740  
love that I love that

209  
00:09:40,670 --> 00:09:38,459  
so cool maybe they'll find some sort of

210  
00:09:42,530 --> 00:09:40,680  
what do you call it extremophile living

211  
00:09:44,690 --> 00:09:42,540  
within these meteorites who knows who

212  
00:09:47,690 --> 00:09:44,700  
knows what could be in that almost 17

213  
00:09:51,290 --> 00:09:47,700

pound meteorite really really cool story

214

00:09:53,810 --> 00:09:51,300

uh let's see what we've got here right

215

00:09:56,690 --> 00:09:53,820

says there's crazy Norwegians dug it up

216

00:09:59,690 --> 00:09:56,700

we got the thing two coming at us Ryan

217

00:10:01,070 --> 00:09:59,700

Baker think three I'm sorry uh thing two

218

00:10:05,389 --> 00:10:01,080

was the

219

00:10:07,910 --> 00:10:05,399

I also 2011 recall I guess

220

00:10:10,370 --> 00:10:07,920

um or no no it was the video game the

221

00:10:12,350 --> 00:10:10,380

sequel to the thing was the video game

222

00:10:14,930 --> 00:10:12,360

um go back and watch our review guys I

223

00:10:17,090 --> 00:10:14,940

won't get into it here uh James says too

224

00:10:18,769 --> 00:10:17,100

much Scottish beer that must be it

225

00:10:23,329 --> 00:10:18,779

that's why I'm uh speaking of which

226

00:10:25,550 --> 00:10:23,339

James cheers buddy I've got a Scottish

227

00:10:28,850 --> 00:10:25,560

Bellhaven beer with me tonight guys

228

00:10:30,290 --> 00:10:28,860

super laid back get used to it

229

00:10:32,870 --> 00:10:30,300

um these are gonna be super fun every

230

00:10:35,690 --> 00:10:32,880

Sunday I can't wait join me join me if

231

00:10:38,030 --> 00:10:35,700

you can whether it's beer coffee wine

232

00:10:40,190 --> 00:10:38,040

water I don't care cheers to all you

233

00:10:42,170 --> 00:10:40,200

guys for being here

234

00:10:46,370 --> 00:10:42,180

hmm

235

00:10:51,730 --> 00:10:47,329

um

236

00:10:57,110 --> 00:10:54,530

this I I don't mean to laugh but this is

237

00:11:00,350 --> 00:10:57,120

a really interesting one guys

238

00:11:03,050 --> 00:11:00,360

um and I came across this on Coast to

239

00:11:05,389 --> 00:11:03,060

Coast AM on their News website recently

240

00:11:07,490 --> 00:11:05,399

and um this one is called a guy says he

241

00:11:10,550 --> 00:11:07,500

had a heart attack and went to hell in

242

00:11:14,150 --> 00:11:10,560

2016. that guy was Gerald A Johnson

243

00:11:15,590 --> 00:11:14,160

who's a pastor of a church actually

244

00:11:18,410 --> 00:11:15,600

um so let me go ahead and read a little

245

00:11:21,170 --> 00:11:18,420

bit of this but we also have a video

246

00:11:23,389 --> 00:11:21,180

that Gerald released on tiktok kind of

247

00:11:24,769 --> 00:11:23,399

talking about what he experienced in

248

00:11:26,210 --> 00:11:24,779

hell that I'm going to play for you guys

249

00:11:29,449 --> 00:11:26,220

too

250

00:11:32,090 --> 00:11:29,459

um all right so in 2016 michigan-based

251  
00:11:34,610 --> 00:11:32,100  
priest Pastor Gerald Johnson suffered a

252  
00:11:37,069 --> 00:11:34,620  
heart attack he says he had a near-death

253  
00:11:38,690 --> 00:11:37,079  
experience in nde that sent him

254  
00:11:39,410 --> 00:11:38,700  
somewhere he never thought he would

255  
00:11:41,030 --> 00:11:39,420  
visit

256  
00:11:43,069 --> 00:11:41,040  
hell

257  
00:11:46,190 --> 00:11:43,079  
Johnson says that immediately after his

258  
00:11:48,470 --> 00:11:46,200  
heart attack in February of 2016 his

259  
00:11:50,630 --> 00:11:48,480  
Spirit left his physical body and went

260  
00:11:52,730 --> 00:11:50,640  
to hell entering through the very center

261  
00:11:55,250 --> 00:11:52,740  
of the Earth

262  
00:11:57,949 --> 00:11:55,260  
any Hollow Earth fans out there let me

263  
00:12:00,710 --> 00:11:57,959

know in the chat guys I'd like to know

264

00:12:03,889 --> 00:12:00,720

uh let's see here though he says the

265

00:12:06,110 --> 00:12:03,899

things I saw there were indescribable

266

00:12:07,310 --> 00:12:06,120

uh well let's let's actually play the

267

00:12:09,170 --> 00:12:07,320

video because he does talk a little

268

00:12:11,389 --> 00:12:09,180

about what he did experience and we'll

269

00:12:13,250 --> 00:12:11,399

come back on the other side and talk

270

00:12:15,410 --> 00:12:13,260

about a couple of the other things he

271

00:12:17,870 --> 00:12:15,420

experienced all right so let me go ahead

272

00:12:21,290 --> 00:12:17,880

and play this for you guys now

273

00:12:22,970 --> 00:12:21,300

Spirit left my physical body and I

274

00:12:24,769 --> 00:12:22,980

thought that I was going upward but

275

00:12:26,329 --> 00:12:24,779

because I thought I had done so much

276

00:12:28,790 --> 00:12:26,339

good in this lifetime and helped so many

277

00:12:31,190 --> 00:12:28,800

people and made so many decisions that

278

00:12:33,769 --> 00:12:31,200

were Godly decisions but um as opposed

279

00:12:35,449 --> 00:12:33,779

to me growing up I went down and I went

280

00:12:37,130 --> 00:12:35,459

literally into literally into the center

281

00:12:39,949 --> 00:12:37,140

of the earth and that that's where hell

282

00:12:42,170 --> 00:12:39,959

is Jesus even said that in scriptures he

283

00:12:43,850 --> 00:12:42,180

says uh just as Jonah was three days and

284

00:12:46,250 --> 00:12:43,860

three nights in the belly of a well so

285

00:12:47,810 --> 00:12:46,260

shall the son of man be three days and

286

00:12:50,690 --> 00:12:47,820

three nights in the belly of the earth

287

00:12:53,269 --> 00:12:50,700

uh which is where hell is

288

00:12:55,069 --> 00:12:53,279

um the things that I saw were literally

289

00:12:56,629 --> 00:12:55,079

undescrivable and just brings it makes

290

00:12:57,430 --> 00:12:56,639

me emotional every time I talk about it

291

00:13:00,290 --> 00:12:57,440

but

292

00:13:01,730 --> 00:13:00,300

uh it was uh one of the one of the

293

00:13:04,310 --> 00:13:01,740

things that I saw that just blew me away

294

00:13:07,190 --> 00:13:04,320

was there's a man on on all fours like a

295

00:13:08,690 --> 00:13:07,200

dog he was burned from the crown of his

296

00:13:10,970 --> 00:13:08,700

head to the soles of his feet and his

297

00:13:12,170 --> 00:13:10,980

eyes were bulging out and what was worse

298

00:13:14,569 --> 00:13:12,180

than that is that he had a chain around

299

00:13:17,269 --> 00:13:14,579

his neck so he was like a dog in hell

300

00:13:19,009 --> 00:13:17,279

and it was even worse than that is that

301

00:13:22,550 --> 00:13:19,019

who was holding the chain

302

00:13:24,889 --> 00:13:22,560

it was a demon holding the chain

303

00:13:26,569 --> 00:13:24,899

and I knew because their things are not

304

00:13:29,329 --> 00:13:26,579

they're not said they're known you just

305

00:13:31,730 --> 00:13:29,339

it's like a telepathic communication

306

00:13:33,889 --> 00:13:31,740

um I knew that this demon was sent in

307

00:13:36,170 --> 00:13:33,899

this man's life to ride him from his

308

00:13:37,850 --> 00:13:36,180

childhood until the time that he died

309

00:13:39,530 --> 00:13:37,860

because the demon knew that if I could

310

00:13:41,990 --> 00:13:39,540

stay in his life long enough on the

311

00:13:43,970 --> 00:13:42,000

earth if I can keep getting him to not

312

00:13:46,250 --> 00:13:43,980

serve God and to make bad decisions on

313

00:13:48,590 --> 00:13:46,260

the earth then I'll have power over him

314

00:13:50,329 --> 00:13:48,600

in hell and he'll be a slave to me

315

00:13:52,550 --> 00:13:50,339

so it was like twice a slave it's like

316

00:13:54,350 --> 00:13:52,560

you're a slave on the earth to the

317

00:13:56,629 --> 00:13:54,360

things of the devil and then in hell

318

00:14:00,230 --> 00:13:56,639

you're you're really like a tormented

319

00:14:06,350 --> 00:14:03,470

a tormented dog slave wow

320

00:14:07,610 --> 00:14:06,360

um man I I I

321

00:14:09,710 --> 00:14:07,620

he said the things that were

322

00:14:11,690 --> 00:14:09,720

Indescribable uh yeah I'm kind of

323

00:14:13,550 --> 00:14:11,700

speechless I don't know how to how to

324

00:14:16,430 --> 00:14:13,560

react to this what do you guys think let

325

00:14:18,470 --> 00:14:16,440

me go down in the live chat here uh do

326

00:14:20,629 --> 00:14:18,480

you believe him uh here's what else he

327

00:14:23,389 --> 00:14:20,639

said that he experienced while in the

328

00:14:28,690 --> 00:14:23,399

center of the earth hell Johnson also

329

00:14:35,150 --> 00:14:32,269

including Rihanna's umbrella and Bobby

330

00:14:37,970 --> 00:14:35,160

mcferrin's Don't Worry Be Happy

331

00:14:40,970 --> 00:14:37,980

traditionally of beat Tunes only this

332

00:14:44,030 --> 00:14:40,980

time demons were singing the songs to

333

00:14:48,530 --> 00:14:46,550

Johnson says his hellacious near-death

334

00:14:50,509 --> 00:14:48,540

experience made him realize he needed to

335

00:14:52,910 --> 00:14:50,519

forgive people who had wronged him

336

00:14:55,850 --> 00:14:52,920

instead of hoping for their punishment

337

00:14:57,170 --> 00:14:55,860

that's a good lesson look if that's what

338

00:14:59,629 --> 00:14:57,180

he got out of it

339

00:15:01,069 --> 00:14:59,639

um I would have to agree with that uh

340

00:15:03,710 --> 00:15:01,079

you know we had Mitch Horowitz on the

341

00:15:07,370 --> 00:15:03,720

show not too long ago who um kind of

342

00:15:09,350 --> 00:15:07,380

debated that uh or argued that um

343

00:15:11,210 --> 00:15:09,360

you know forgiveness doesn't always set

344

00:15:12,530 --> 00:15:11,220

people free and you don't have to

345

00:15:15,230 --> 00:15:12,540

forgive

346

00:15:17,150 --> 00:15:15,240

um maybe a lot of therapists say that

347

00:15:18,530 --> 00:15:17,160

that's the way to go for closure is for

348

00:15:21,230 --> 00:15:18,540

giving people the things they've done

349

00:15:23,930 --> 00:15:21,240

but um Mitch Horowitz thinks differently

350

00:15:25,550 --> 00:15:23,940

so that was an interesting conversation

351  
00:15:28,610 --> 00:15:25,560  
um I believe it's included in our

352  
00:15:31,490 --> 00:15:28,620  
patreon uh so if you want to hear Mitch

353  
00:15:33,829 --> 00:15:31,500  
Horowitz argue forgiveness go to

354  
00:15:35,389 --> 00:15:33,839  
patreon.com somewhere skies and you can

355  
00:15:37,129 --> 00:15:35,399  
hear that little bonus episode we did

356  
00:15:40,310 --> 00:15:37,139  
with him on that

357  
00:15:41,689 --> 00:15:40,320  
um let's see Johnson's story sounds

358  
00:15:43,610 --> 00:15:41,699  
far-fetched

359  
00:15:46,430 --> 00:15:43,620  
um but scientists say that while many of

360  
00:15:49,129 --> 00:15:46,440  
the most publicized and these ndes have

361  
00:15:52,250 --> 00:15:49,139  
a positive spin negative nde certainly

362  
00:15:54,970 --> 00:15:52,260  
occur too uh the experts just aren't

363  
00:15:57,110 --> 00:15:54,980

really entirely sure how or why

364

00:15:59,389 --> 00:15:57,120

researchers especially those from the

365

00:16:01,910 --> 00:15:59,399

International Association for near-death

366

00:16:04,250 --> 00:16:01,920

studies believe ndes most likely happen

367

00:16:06,769 --> 00:16:04,260

due to the change in blood flow to the

368

00:16:08,449 --> 00:16:06,779

brain during sudden uh life-threatening

369

00:16:10,550 --> 00:16:08,459

events

370

00:16:13,189 --> 00:16:10,560

um let me put this back in here for you

371

00:16:16,009 --> 00:16:13,199

guys uh

372

00:16:18,290 --> 00:16:16,019

where was I um like heart attacks like

373

00:16:20,090 --> 00:16:18,300

like he had and as your brain starts to

374

00:16:22,250 --> 00:16:20,100

lose blood and oxygen the electrical

375

00:16:25,009 --> 00:16:22,260

activity within the brain begins to

376

00:16:27,470 --> 00:16:25,019

power down like a town that loses power

377

00:16:29,030 --> 00:16:27,480

one neighborhood at a time really

378

00:16:31,310 --> 00:16:29,040

interesting this comes from Scientific

379

00:16:33,410 --> 00:16:31,320

American what I'm reading you guys uh

380

00:16:35,389 --> 00:16:33,420

last paragraph here during an nde your

381

00:16:37,790 --> 00:16:35,399

mind is left to keep working but without

382

00:16:39,769 --> 00:16:37,800

its normal operational parameters well

383

00:16:42,170 --> 00:16:39,779

there's simply an oxygen shortage some

384

00:16:44,629 --> 00:16:42,180

sort of an um anesthesia or a

385

00:16:47,329 --> 00:16:44,639

neurochemical response to trauma as

386

00:16:49,550 --> 00:16:47,339

hypothesized ndes lead those who

387

00:16:51,889 --> 00:16:49,560

experience them and thinking that it's

388

00:16:54,769 --> 00:16:51,899

real and uh sometimes they're very

389

00:16:57,170 --> 00:16:54,779

traumatic Memories We may not know how

390

00:17:00,290 --> 00:16:57,180

how that memory happened and unlike

391

00:17:02,629 --> 00:17:00,300

Johnson and his trip to Hell victims may

392

00:17:05,150 --> 00:17:02,639

not want to recount it ever again but it

393

00:17:07,490 --> 00:17:05,160

could change their life this comes from

394

00:17:09,650 --> 00:17:07,500

Scientific American really interesting

395

00:17:14,150 --> 00:17:09,660

story I want to see what you guys had to

396

00:17:17,390 --> 00:17:14,160

say here in the chat before we move on

397

00:17:19,429 --> 00:17:17,400

um confirmation bias Christians who were

398

00:17:22,309 --> 00:17:19,439

getting controversial he was in Hell

399

00:17:25,030 --> 00:17:22,319

James says I was skeptical until you

400

00:17:27,530 --> 00:17:25,040

mention those songs

401  
00:17:33,230 --> 00:17:27,540  
yeah Jay Allen Heineken I would have to

402  
00:17:36,850 --> 00:17:35,930  
hello Jake boss is here welcome welcome

403  
00:17:39,169 --> 00:17:36,860  
welcome

404  
00:17:40,870 --> 00:17:39,179  
Ian Smith and they call the UFO

405  
00:17:43,850 --> 00:17:40,880  
communities

406  
00:17:45,230 --> 00:17:43,860  
Tim F just saw resident alien in the

407  
00:17:47,330 --> 00:17:45,240  
title love that show Tim we're going to

408  
00:17:49,250 --> 00:17:47,340  
be talking about season two uh I won't

409  
00:17:50,930 --> 00:17:49,260  
be giving anything away so no spoilers

410  
00:17:53,270 --> 00:17:50,940  
or anything but I just finished it today

411  
00:17:55,250 --> 00:17:53,280  
so I will get there I've got a cool

412  
00:17:57,590 --> 00:17:55,260  
little clip from my buddy Aaron shakers

413  
00:18:00,529 --> 00:17:57,600

show talking strange where we interview

414

00:18:03,169 --> 00:18:00,539

interviews Alan Tudyk the the guy who

415

00:18:05,150 --> 00:18:03,179

plays Harry the doctor and the Alien and

416

00:18:08,270 --> 00:18:05,160

Resident alien so I'm gonna play that a

417

00:18:09,890 --> 00:18:08,280

little bit later so welcome welcome guys

418

00:18:12,110 --> 00:18:09,900

um yeah so I thought that was a pretty

419

00:18:14,570 --> 00:18:12,120

interesting story

420

00:18:17,510 --> 00:18:14,580

um all right last news story I'm gonna

421

00:18:19,909 --> 00:18:17,520

share with you guys for this inaugural

422

00:18:22,669 --> 00:18:19,919

somewhere in the live stream before we

423

00:18:24,890 --> 00:18:22,679

move on to a very cool UFO video that

424

00:18:27,230 --> 00:18:24,900

I'm going to show you guys here we go

425

00:18:29,630 --> 00:18:27,240

Europe is about to undertake one of its

426

00:18:34,010 --> 00:18:29,640

grandest ever space missions to explore

427

00:18:36,049 --> 00:18:34,020

the icy moons of Jupiter this is cool so

428

00:18:38,630 --> 00:18:36,059

the juice satellite is going through

429

00:18:40,370 --> 00:18:38,640

final testing in France right now after

430

00:18:43,250 --> 00:18:40,380

which it will be shipped to the launch

431

00:18:45,770 --> 00:18:43,260

site in South America it's due to depart

432

00:18:47,990 --> 00:18:45,780

Earth in April

433

00:18:50,510 --> 00:18:48,000

um what else here the six tone

434

00:18:54,730 --> 00:18:50,520

spacecraft will make up a series of will

435

00:18:57,830 --> 00:18:54,740

make a series of flybys of uh Kalisto

436

00:18:59,630 --> 00:18:57,840

Ganymede and Europa using an advanced

437

00:19:01,610 --> 00:18:59,640

package of instruments to investigate

438

00:19:04,070 --> 00:19:01,620

whether any of these worlds are

439

00:19:06,350 --> 00:19:04,080

habitable uh this might sound fanciful

440

00:19:08,930 --> 00:19:06,360

but the hobian system is in the cold

441

00:19:12,049 --> 00:19:08,940

outer reaches of the solar system far

442

00:19:14,330 --> 00:19:12,059

from the Sun and receiving just 1 25th

443

00:19:17,210 --> 00:19:14,340

of the light falling on Earth but the

444

00:19:20,450 --> 00:19:17,220

gravitational squeezing and pushing the

445

00:19:22,490 --> 00:19:20,460

giant planet gives its Moon uh gives its

446

00:19:25,190 --> 00:19:22,500

moons means they have the energy and

447

00:19:28,370 --> 00:19:25,200

warmth everything retain vast quantities

448

00:19:30,830 --> 00:19:28,380

of liquid water and depth

449

00:19:33,470 --> 00:19:30,840

slow down Brian you got this

450

00:19:35,750 --> 00:19:33,480

we know on Earth that whatever there is

451  
00:19:38,390 --> 00:19:35,760  
whenever there is water there's a

452  
00:19:40,549 --> 00:19:38,400  
possibility of life

453  
00:19:42,590 --> 00:19:40,559  
quote in the case of Europa it's thought

454  
00:19:44,810 --> 00:19:42,600  
there's a deep ocean maybe a hundred

455  
00:19:46,610 --> 00:19:44,820  
kilometers deep underneath its ice Crest

456  
00:19:49,190 --> 00:19:46,620  
uh this was said by the mission

457  
00:19:52,130 --> 00:19:49,200  
scientist Professor Emma Bunce from

458  
00:19:54,250 --> 00:19:52,140  
Leicester University in the UK

459  
00:19:56,810 --> 00:19:54,260  
um

460  
00:19:59,450 --> 00:19:56,820  
I can't talk tonight guys I apologize

461  
00:20:02,750 --> 00:19:59,460  
she also says quote that depth of ocean

462  
00:20:05,390 --> 00:20:02,760  
is 10 times that of the deepest ocean on

463  
00:20:07,549 --> 00:20:05,400

earth and the ocean is in contact we

464

00:20:08,990 --> 00:20:07,559

think with a rocky floor so that

465

00:20:11,270 --> 00:20:09,000

provides a scenario where there is

466

00:20:14,630 --> 00:20:11,280

mixing and some interesting chemistry

467

00:20:18,950 --> 00:20:14,640

it's a 6.6 billion kilometer Journey

468

00:20:21,289 --> 00:20:18,960

lasting 8.5 years

469

00:20:22,909 --> 00:20:21,299

so get ready to wait guys before we

470

00:20:24,230 --> 00:20:22,919

really know anything

471

00:20:26,090 --> 00:20:24,240

um welcome to

472

00:20:28,970 --> 00:20:26,100

literally anything having to do with

473

00:20:32,690 --> 00:20:28,980

face exploration Mark the calendar for

474

00:20:35,090 --> 00:20:32,700

July 2031 they said that's when juice

475

00:20:37,909 --> 00:20:35,100

arrives at Jupiter it will then conduct

476

00:20:41,029 --> 00:20:37,919

35 flybys of the three moons before

477

00:20:41,890 --> 00:20:41,039

settling permanently around Ganymede in

478

00:20:45,350 --> 00:20:41,900

late

479

00:20:47,870 --> 00:20:45,360

2034. exciting nonetheless

480

00:20:50,210 --> 00:20:47,880

um just amazing it's amazing what's

481

00:20:53,150 --> 00:20:50,220

being done now whether by you know the

482

00:20:56,330 --> 00:20:53,160

European Space Agency NASA uh their

483

00:20:59,990 --> 00:20:56,340

joint efforts right now with Artemis and

484

00:21:01,549 --> 00:21:00,000

and James Webb Telescope and oh God just

485

00:21:05,150 --> 00:21:01,559

everything going on the dart mission

486

00:21:07,610 --> 00:21:05,160

that just crashed into a into a comet uh

487

00:21:09,950 --> 00:21:07,620

it's an asteroid excuse me

488

00:21:12,470 --> 00:21:09,960

um exciting times for a living for sure

489

00:21:14,630 --> 00:21:12,480

so yeah yeah pretty cool story that just

490

00:21:18,169 --> 00:21:14,640

dropped over at the BBC

491

00:21:20,570 --> 00:21:18,179

um that I wanted to share with you guys

492

00:21:22,370 --> 00:21:20,580

let's see welcome pod man yeah there's

493

00:21:25,010 --> 00:21:22,380

more water on Europa than there is on

494

00:21:27,590 --> 00:21:25,020

Earth really really interesting it's

495

00:21:29,990 --> 00:21:27,600

Gotta make it a possible habitable

496

00:21:32,210 --> 00:21:30,000

planet in my opinion

497

00:21:34,430 --> 00:21:32,220

let's see Ghost says man the space is so

498

00:21:37,810 --> 00:21:34,440

crazy look at the stars

499

00:21:40,669 --> 00:21:37,820

so true man love it

500

00:21:44,029 --> 00:21:40,679

let's see comedy news welcome welcome

501  
00:21:46,250 --> 00:21:44,039  
welcome uh let me get off of here

502  
00:21:47,930 --> 00:21:46,260  
comedy news says Ryan not to change the

503  
00:21:50,270 --> 00:21:47,940  
subject but are you considering getting

504  
00:21:51,890 --> 00:21:50,280  
back into television if not has it been

505  
00:21:53,930 --> 00:21:51,900  
difficult to find local work out in

506  
00:21:56,210 --> 00:21:53,940  
Scotland wow that's an interesting

507  
00:21:59,390 --> 00:21:56,220  
question thank you for asking that

508  
00:22:01,490 --> 00:21:59,400  
um yeah yeah actually I'm on the new

509  
00:22:03,529 --> 00:22:01,500  
season of ancient aliens uh which is

510  
00:22:08,270 --> 00:22:03,539  
airing right now on the History Channel

511  
00:22:10,370 --> 00:22:08,280  
in the U.S and also on Sky TV in the UK

512  
00:22:12,409 --> 00:22:10,380  
um so yeah my opportunities

513  
00:22:13,850 --> 00:22:12,419

um have changed but they're they're

514

00:22:15,830 --> 00:22:13,860

still here

515

00:22:19,490 --> 00:22:15,840

um I film in London for some of this

516

00:22:21,649 --> 00:22:19,500

stuff uh I might be flying to Los

517

00:22:24,950 --> 00:22:21,659

Angeles very soon as well for some stuff

518

00:22:26,930 --> 00:22:24,960

so um yeah it's it's amazing that's what

519

00:22:29,810 --> 00:22:26,940

planes are for right

520

00:22:33,830 --> 00:22:29,820

um so yeah the work never stops um but

521

00:22:37,190 --> 00:22:33,840

but right now my priority is YouTube uh

522

00:22:40,190 --> 00:22:37,200

and the podcast as always the podcast is

523

00:22:42,890 --> 00:22:40,200

priority number one so those are my

524

00:22:45,350 --> 00:22:42,900

babies those are what I bring and make

525

00:22:47,690 --> 00:22:45,360

completely myself every single week for

526

00:22:50,090 --> 00:22:47,700

you guys and that's what I love doing

527

00:22:52,789 --> 00:22:50,100

and writing books I have a new book

528

00:22:55,970 --> 00:22:52,799

coming out in April uh so be on the

529

00:22:57,890 --> 00:22:55,980

lookout for that as well uh TV's fun you

530

00:23:00,409 --> 00:22:57,900

know like I I went to school for theater

531

00:23:03,169 --> 00:23:00,419

and stuff so like it's cool to do

532

00:23:05,690 --> 00:23:03,179

television but uh it's not it's not like

533

00:23:07,549 --> 00:23:05,700

my passion it's not my priority

534

00:23:09,649 --> 00:23:07,559

um if it gets the topic of the UFOs out

535

00:23:12,049 --> 00:23:09,659

there awesome like like the more people

536

00:23:13,310 --> 00:23:12,059

who get involved and get interested

537

00:23:15,890 --> 00:23:13,320

that's that's all we can ask for

538

00:23:17,630 --> 00:23:15,900

normalizes the topic empowers more

539

00:23:19,730 --> 00:23:17,640

people to come forward and that's what

540

00:23:22,130 --> 00:23:19,740

we want that's what we want

541

00:23:24,350 --> 00:23:22,140

um so yeah yeah uh thank you for asking

542

00:23:26,330 --> 00:23:24,360

that that's a really cool question

543

00:23:28,130 --> 00:23:26,340

um and I'm actually here's a little

544

00:23:30,770 --> 00:23:28,140

tidbit too I'm working with a Scottish

545

00:23:33,649 --> 00:23:30,780

UFO researcher to go out and investigate

546

00:23:36,590 --> 00:23:33,659

some Scottish UFO cases uh from the past

547

00:23:39,110 --> 00:23:36,600

and the present uh Malcolm Robinson is

548

00:23:41,090 --> 00:23:39,120

his name so we have touched base he

549

00:23:43,909 --> 00:23:41,100

helped me tremendously with my recent

550

00:23:45,649 --> 00:23:43,919

Scottish UFO case the a70 alien

551  
00:23:48,230 --> 00:23:45,659  
production so we're going to be working

552  
00:23:50,510 --> 00:23:48,240  
together very soon on some projects as

553  
00:23:51,529 --> 00:23:50,520  
well so stay tuned for all of that stay

554  
00:23:54,350 --> 00:23:51,539  
tuned

555  
00:23:55,909 --> 00:23:54,360  
um UFO nuts says Europe may have 500

556  
00:23:58,010 --> 00:23:55,919  
foot sharks swimming around under the

557  
00:24:01,130 --> 00:23:58,020  
ice seriously who knows what they'll

558  
00:24:02,990 --> 00:24:01,140  
find there Europa right maybe Dolphins

559  
00:24:04,850 --> 00:24:03,000  
too

560  
00:24:07,490 --> 00:24:04,860  
um all right

561  
00:24:10,909 --> 00:24:07,500  
here is what you guys have been waiting

562  
00:24:13,250 --> 00:24:10,919  
for all my UFO people out there we are

563  
00:24:16,190 --> 00:24:13,260

going to take a look at a really

564

00:24:18,470 --> 00:24:16,200

interesting UFO video that came to my

565

00:24:20,210 --> 00:24:18,480

attention recently

566

00:24:23,450 --> 00:24:20,220

um I came across this video by Twitter

567

00:24:26,149 --> 00:24:23,460

user just the colonel uh who sent this

568

00:24:28,730 --> 00:24:26,159

to me and uh it was posted on Thomas

569

00:24:30,289 --> 00:24:28,740

fessler's YouTube channel uh it's

570

00:24:32,450 --> 00:24:30,299

watermarked by someone named Nick

571

00:24:34,010 --> 00:24:32,460

Williams as you'll see in the video so

572

00:24:36,590 --> 00:24:34,020

I'm not sure if that's the person who

573

00:24:38,750 --> 00:24:36,600

took the video or if it's who originally

574

00:24:42,590 --> 00:24:38,760

uploaded it to YouTube I'm not too sure

575

00:24:44,390 --> 00:24:42,600

but um check out the video it's pretty

576

00:24:48,110 --> 00:24:44,400

pretty cool I'm gonna play it for you

577

00:25:01,070 --> 00:24:48,120

guys right now hold on once uh here we

578

00:25:01,080 --> 00:25:10,610

I'm trying to focus more

579

00:25:10,620 --> 00:25:22,610

okay

580

00:25:27,049 --> 00:25:24,289

all right

581

00:25:35,029 --> 00:25:27,059

whoa look at those guys

582

00:25:39,470 --> 00:25:37,250

holy [h\_\_\h] dude

583

00:25:42,140 --> 00:25:39,480

oh my God

584

00:25:44,390 --> 00:25:42,150

dude you gotta be [h\_\_\h] kidding me

585

00:25:47,630 --> 00:25:44,400

[Music]

586

00:25:57,130 --> 00:25:50,029

dude

587

00:25:57,140 --> 00:26:05,990

all right

588

00:26:11,210 --> 00:26:08,529

holy [\h\_\_\h] dude

589

00:26:14,570 --> 00:26:11,220

all right

590

00:26:15,769 --> 00:26:14,580

yeah so really interesting I apologize I

591

00:26:17,630 --> 00:26:15,779

should have gave some more context

592

00:26:20,510 --> 00:26:17,640

before I played it guys uh this is

593

00:26:24,169 --> 00:26:20,520

recorded in Sentinel Arizona on March

594

00:26:26,870 --> 00:26:24,179

9th 2022 at the westbound rest stop at

595

00:26:28,909 --> 00:26:26,880

10 p.m looking to the South there is a

596

00:26:31,970 --> 00:26:28,919

high level of activity with many objects

597

00:26:33,890 --> 00:26:31,980

moving in the sky now if you want to

598

00:26:35,810 --> 00:26:33,900

watch the full video uh go to Thomas

599

00:26:38,090 --> 00:26:35,820

fessler's YouTube channel there should

600

00:26:39,890 --> 00:26:38,100

be a link right below uh in the show

601  
00:26:42,590 --> 00:26:39,900  
notes for that

602  
00:26:44,029 --> 00:26:42,600  
um yeah what did you guys think should I

603  
00:26:45,769 --> 00:26:44,039  
play it again

604  
00:26:48,590 --> 00:26:45,779  
um it looked like whatever it was

605  
00:26:51,470 --> 00:26:48,600  
communicated with him when he flashed

606  
00:27:05,090 --> 00:26:51,480  
the uh the light at it let's let's look

607  
00:27:16,789 --> 00:27:06,669  
hold on

608  
00:27:16,799 --> 00:27:26,390  
okay

609  
00:27:26,400 --> 00:27:30,529  
foreign

610  
00:27:41,269 --> 00:27:33,289  
whoa look at those guys

611  
00:27:45,649 --> 00:27:43,490  
holy [h\_\_\h] dude

612  
00:27:48,380 --> 00:27:45,659  
oh my God

613  
00:27:50,330 --> 00:27:48,390

dude you gotta be [h\_\_h] kidding me

614

00:27:53,870 --> 00:27:50,340

[Music]

615

00:28:03,950 --> 00:27:56,269

dude

616

00:28:03,960 --> 00:28:12,230

all right

617

00:28:18,409 --> 00:28:14,769

holy [h\_\_h] dude

618

00:28:24,409 --> 00:28:20,870

I don't know I mean we're talking

619

00:28:26,269 --> 00:28:24,419

Arizona and you've got like you know the

620

00:28:29,090 --> 00:28:26,279

Phoenix Lights happened out there uh

621

00:28:31,070 --> 00:28:29,100

you've got the berry Goldwater range so

622

00:28:33,110 --> 00:28:31,080

clearly there's a lot of other aerial

623

00:28:35,330 --> 00:28:33,120

activity going on conventional aircraft

624

00:28:37,669 --> 00:28:35,340

around there

625

00:28:41,149 --> 00:28:37,679

um so like maybe it was something from

626  
00:28:42,649 --> 00:28:41,159  
from the military installation

627  
00:28:44,769 --> 00:28:42,659  
um we just don't know

628  
00:28:47,269 --> 00:28:44,779  
um flares drones

629  
00:28:49,450 --> 00:28:47,279  
helicopters everything's been thrown out

630  
00:28:51,649 --> 00:28:49,460  
there about what this could possibly be

631  
00:28:54,950 --> 00:28:51,659  
uh I'm hoping to get in touch with

632  
00:28:58,610 --> 00:28:54,960  
Thomas fessler soon to find out who this

633  
00:29:00,110 --> 00:28:58,620  
person is this uh uh Nick Williams who

634  
00:29:01,970 --> 00:29:00,120  
you saw water marked in the middle of

635  
00:29:03,529 --> 00:29:01,980  
the video there so hopefully we can get

636  
00:29:05,450 --> 00:29:03,539  
a little bit more information about what

637  
00:29:08,090 --> 00:29:05,460  
this could possibly be

638  
00:29:10,490 --> 00:29:08,100

um what did you guys say here in the

639

00:29:13,789 --> 00:29:10,500

chat LC says one of the best videos I've

640

00:29:15,529 --> 00:29:13,799

seen yet yeah yeah when I saw that one

641

00:29:18,049 --> 00:29:15,539

um I I really wanted to show it to you

642

00:29:20,889 --> 00:29:18,059

guys so again thank you to at just the

643

00:29:24,110 --> 00:29:20,899

kernel uh who said this to me on Twitter

644

00:29:26,330 --> 00:29:24,120

really really really cool video

645

00:29:29,570 --> 00:29:26,340

um James says something came out of the

646

00:29:32,029 --> 00:29:29,580

lower light right light yeah yeah I

647

00:29:33,769 --> 00:29:32,039

don't know man cool video says Jay Allen

648

00:29:35,690 --> 00:29:33,779

Heineken but no showing any weird flight

649

00:29:37,549 --> 00:29:35,700

patterns yeah yeah it was pretty

650

00:29:39,590 --> 00:29:37,559

stationary although you did see like at

651  
00:29:41,990 --> 00:29:39,600  
one point it was to the right of the

652  
00:29:45,409 --> 00:29:42,000  
other ones and then it did move to the

653  
00:29:47,269 --> 00:29:45,419  
other side and the big thing was it

654  
00:29:49,610 --> 00:29:47,279  
definitely responded to his flashlight

655  
00:29:51,649 --> 00:29:49,620  
again like could be helicopter or

656  
00:29:53,630 --> 00:29:51,659  
something who saw him flashing and

657  
00:29:56,269 --> 00:29:53,640  
flashed back they could be messing with

658  
00:29:58,070 --> 00:29:56,279  
him or being like yo bro stop doing that

659  
00:30:01,610 --> 00:29:58,080  
like you're blinding us they're trying

660  
00:30:03,649 --> 00:30:01,620  
to do exercises who knows who knows um

661  
00:30:06,529 --> 00:30:03,659  
but the guy sounded really genuine in

662  
00:30:07,430 --> 00:30:06,539  
the video like super creeped out from it

663  
00:30:09,049 --> 00:30:07,440

so

664

00:30:11,330 --> 00:30:09,059

I don't know I don't know pretty

665

00:30:12,830 --> 00:30:11,340

interesting

666

00:30:14,330 --> 00:30:12,840

and metal says what if you never heard

667

00:30:17,029 --> 00:30:14,340

about him oh we're talking about the uh

668

00:30:19,970 --> 00:30:17,039

the pastor yeah that metal that would be

669

00:30:20,810 --> 00:30:19,980

even more terrifying if you hadn't heard

670

00:30:22,190 --> 00:30:20,820

of hell

671

00:30:25,010 --> 00:30:22,200

um

672

00:30:27,409 --> 00:30:25,020

going back to that story I I do find it

673

00:30:29,210 --> 00:30:27,419

weird that he's a priest and a pastor

674

00:30:31,130 --> 00:30:29,220

and he's the one who came forward with

675

00:30:33,470 --> 00:30:31,140

this story it kind of makes me think

676

00:30:35,389 --> 00:30:33,480

like is this kind of his way of trying

677

00:30:37,070 --> 00:30:35,399

to get people into the church I don't

678

00:30:39,169 --> 00:30:37,080

know like I don't like to think that of

679

00:30:43,130 --> 00:30:39,179

people especially people of Faith or

680

00:30:45,169 --> 00:30:43,140

people in in church but uh uh who knows

681

00:30:47,210 --> 00:30:45,179

man who knows metal Hendricks thanks for

682

00:30:48,889 --> 00:30:47,220

being here as always

683

00:30:51,470 --> 00:30:48,899

going back to the UFO video the light

684

00:30:53,510 --> 00:30:51,480

jumping from The Horizon was crazy yeah

685

00:30:55,909 --> 00:30:53,520

I thought so too UFO not what you got

686

00:30:57,470 --> 00:30:55,919

what you got for me well they are way

687

00:30:59,690 --> 00:30:57,480

bigger than the blinking planes in the

688

00:31:03,049 --> 00:30:59,700

distance right so they're either really

689

00:31:04,789 --> 00:31:03,059

close or really big or both who knows

690

00:31:07,190 --> 00:31:04,799

um we need more context I'm going to

691

00:31:10,070 --> 00:31:07,200

send this to a few of my friends over at

692

00:31:11,389 --> 00:31:10,080

mufon as well to see if they have

693

00:31:13,070 --> 00:31:11,399

anything on it they might have already

694

00:31:13,970 --> 00:31:13,080

even debunked it I don't know I don't

695

00:31:16,250 --> 00:31:13,980

know

696

00:31:19,310 --> 00:31:16,260

um metal says solid video

697

00:31:21,110 --> 00:31:19,320

Ryan huge uip just the best ufps you're

698

00:31:24,769 --> 00:31:21,120

really going to love them

699

00:31:26,690 --> 00:31:24,779

that'll be huge love it Ryan love it

700

00:31:29,330 --> 00:31:26,700

there was a used car

701  
00:31:32,330 --> 00:31:29,340  
salesman in Syracuse New York my

702  
00:31:34,010 --> 00:31:32,340  
hometown and that was his slogan you

703  
00:31:37,730 --> 00:31:34,020  
know every time they had a blowout sale

704  
00:31:40,850 --> 00:31:37,740  
on cars it's gonna be huge and it would

705  
00:31:42,289 --> 00:31:40,860  
go on forever with a huge until the man

706  
00:31:43,730 --> 00:31:42,299  
literally looked like he was about to

707  
00:31:45,529 --> 00:31:43,740  
have a heart attack um I don't know why

708  
00:31:48,409 --> 00:31:45,539  
I'm telling you this I don't know sorry

709  
00:31:50,630 --> 00:31:48,419  
go look up Billy fusillo Syracuse New

710  
00:31:52,370 --> 00:31:50,640  
York huge you'll see what I'm talking

711  
00:31:53,750 --> 00:31:52,380  
about

712  
00:31:56,149 --> 00:31:53,760  
um so yeah what do you guys think this

713  
00:31:59,269 --> 00:31:56,159

was let me know either in the live chat

714

00:32:00,889 --> 00:31:59,279

or um comment below in the video and let

715

00:32:02,630 --> 00:32:00,899

me know what you think that UFO might

716

00:32:04,190 --> 00:32:02,640

have been and again I'm gonna try to

717

00:32:06,049 --> 00:32:04,200

find out some more information and

718

00:32:08,210 --> 00:32:06,059

hopefully I'll have some updates for you

719

00:32:09,710 --> 00:32:08,220

next week on the live stream we'll see

720

00:32:13,370 --> 00:32:09,720

we'll see

721

00:32:15,049 --> 00:32:13,380

um moving to Entertainment News guys uh

722

00:32:18,590 --> 00:32:15,059

we're gonna watch a couple trailers for

723

00:32:21,350 --> 00:32:18,600

some alien uh tangential alien themed

724

00:32:22,730 --> 00:32:21,360

movies uh one of which came out on the

725

00:32:26,330 --> 00:32:22,740

20th

726

00:32:29,510 --> 00:32:26,340

um and that would be let me get to it

727

00:32:37,789 --> 00:32:33,590

uh it's called Kids versus Aliens

728

00:32:39,769 --> 00:32:37,799

um man I I I okay so here's let me give

729

00:32:43,070 --> 00:32:39,779

you the backstory on this guys uh this

730

00:32:47,210 --> 00:32:43,080

comes from a guy named Jason Eisner

731

00:32:49,370 --> 00:32:47,220

um who actually was on the podcast uh I

732

00:32:52,010 --> 00:32:49,380

had him on last year when I was doing

733

00:32:53,870 --> 00:32:52,020

that found footage review alien

734

00:32:55,970 --> 00:32:53,880

abduction found footage movie review

735

00:32:58,669 --> 00:32:55,980

with my buddies Andrew Sanford and

736

00:33:02,810 --> 00:32:58,679

Nicholas westermeyer who you just saw on

737

00:33:05,149 --> 00:33:02,820

our the thing review uh Jason uh is the

738

00:33:08,090 --> 00:33:05,159

creator of dark side of the ring for any

739

00:33:09,590 --> 00:33:08,100

of you wrestling fans out there uh who

740

00:33:11,810 --> 00:33:09,600

watch advice if you've ever seen the

741

00:33:13,009 --> 00:33:11,820

dark side of the Ring series he created

742

00:33:18,649 --> 00:33:13,019

that

743

00:33:20,570 --> 00:33:18,659

making horror movies and he came out uh

744

00:33:24,350 --> 00:33:20,580

I think he's like eight or nine years

745

00:33:26,990 --> 00:33:24,360

ago with a short film that premiered in

746

00:33:29,570 --> 00:33:27,000

um that Anthology Series VHS

747

00:33:31,549 --> 00:33:29,580

and it was called I want to make sure I

748

00:33:33,909 --> 00:33:31,559

get this right um

749

00:33:36,769 --> 00:33:33,919

it was called slumber party abduction

750

00:33:40,370 --> 00:33:36,779

and if you have not seen slumber party

751

00:33:43,730 --> 00:33:40,380

abduction it is terrifying it's like

752

00:33:47,450 --> 00:33:43,740

five minutes long if even and it's one

753

00:33:50,930 --> 00:33:47,460

of the scariest alien themed things I've

754

00:33:52,430 --> 00:33:50,940

ever seen more than fire in the sky and

755

00:33:54,350 --> 00:33:52,440

um more than what was that other one

756

00:33:56,870 --> 00:33:54,360

fourth kind

757

00:34:00,049 --> 00:33:56,880

um holy hell it's terrifying what he was

758

00:34:02,990 --> 00:34:00,059

able to do in like five minutes and on a

759

00:34:06,049 --> 00:34:03,000

very shoestring budget uh but what is

760

00:34:08,869 --> 00:34:06,059

cool is he took that short film and

761

00:34:11,990 --> 00:34:08,879

realized it bigger and came out with a

762

00:34:15,530 --> 00:34:12,000

feature film uh of which is called Kids

763

00:34:17,690 --> 00:34:15,540

vs Aliens so let's go ahead and um watch

764

00:34:19,790 --> 00:34:17,700

the trailer and we'll come back on the

765

00:34:22,250 --> 00:34:19,800

other side and talk a little about it

766

00:34:26,869 --> 00:34:22,260

sound good

767

00:34:28,990 --> 00:34:26,879

all right let me see here

768

00:34:38,990 --> 00:34:29,000

I can get this going

769

00:34:39,000 --> 00:34:46,590

to me who's out there

770

00:34:55,970 --> 00:34:49,329

[Music]

771

00:34:58,670 --> 00:34:55,980

[Applause]

772

00:35:07,240 --> 00:34:58,680

we should have a party keep it small and

773

00:35:14,150 --> 00:35:11,710

[Applause]

774

00:35:24,890 --> 00:35:14,160

just one of those stupid pranks the

775

00:35:30,589 --> 00:35:28,250

the aliens were using human skin to feel

776  
00:35:36,589 --> 00:35:30,599  
their spaceship

777  
00:35:36,599 --> 00:35:46,870  
This Means War

778  
00:35:52,530 --> 00:35:49,570  
there's a [\h\_\_\h] wreck already

779  
00:35:55,030 --> 00:35:52,540  
[Music]

780  
00:35:56,810 --> 00:35:55,040  
[Applause]

781  
00:35:58,450 --> 00:35:56,820  
oh [\h\_\_\h]

782  
00:36:07,490 --> 00:35:58,460  
[Music]

783  
00:36:07,500 --> 00:36:25,850  
foreign

784  
00:36:31,370 --> 00:36:28,569  
[Music]

785  
00:36:32,270 --> 00:36:31,380  
this is the first time watching this

786  
00:36:33,950 --> 00:36:32,280  
trailer

787  
00:36:35,210 --> 00:36:33,960  
um well not what I was expecting I

788  
00:36:39,829 --> 00:36:35,220

thought it was going to be a lot cuter

789

00:36:42,050 --> 00:36:39,839

and um maybe not as bloody and scary wow

790

00:36:44,030 --> 00:36:42,060

um I'm definitely gonna be going to see

791

00:36:46,910 --> 00:36:44,040

that very soon

792

00:36:48,829 --> 00:36:46,920

um it is streaming right now it's in

793

00:36:51,050 --> 00:36:48,839

theaters actually I apologize it's in

794

00:36:55,010 --> 00:36:51,060

theaters and streaming on Amazon Prime

795

00:36:57,770 --> 00:36:55,020

Apple TV and in select theater so check

796

00:37:00,829 --> 00:36:57,780

out kids vs Aliens written and directed

797

00:37:03,730 --> 00:37:00,839

by Jason Eisner um I see we got Douglas

798

00:37:07,310 --> 00:37:03,740

Sprague in the chat welcome father

00:37:20,089 --> 00:37:17,480  
well everyone is saying looks great yeah

803  
00:37:22,069 --> 00:37:20,099  
I can't wait to see this

804  
00:37:24,349 --> 00:37:22,079  
um right says that looks up there with

805  
00:37:27,109 --> 00:37:24,359  
cocaine Bear yes I can't wait to see

806  
00:37:29,710 --> 00:37:27,119  
that one too man it's gonna be a blast

807  
00:37:33,410 --> 00:37:29,720  
um broke up that party Jason

808  
00:37:36,890 --> 00:37:33,420  
yep yep pod man if it bleeds it can be

809  
00:37:38,870 --> 00:37:36,900  
killed Jeffrey looks awesome I agree

810  
00:37:41,810 --> 00:37:38,880  
guys I I'm definitely gonna see this one

811  
00:37:43,849 --> 00:37:41,820  
there's aliens look terrifying saw a

812  
00:37:46,490 --> 00:37:43,859  
couple images to the thing with the

813  
00:37:48,410 --> 00:37:46,500

flamethrower saw an homage to uh

814

00:37:51,950 --> 00:37:48,420

Halloween Season of the Witch with a

815

00:37:54,410 --> 00:37:51,960

skeleton mask so I I have faith that

816

00:37:56,690 --> 00:37:54,420

Jason really pulled off something cool

817

00:37:58,730 --> 00:37:56,700

um what I want to do actually is play a

818

00:38:00,589 --> 00:37:58,740

quick clip for him for you guys from my

819

00:38:03,470 --> 00:38:00,599

interview with Jason about the short

820

00:38:05,750 --> 00:38:03,480

film uh slumber party abduction

821

00:38:07,550 --> 00:38:05,760

um about how he got interested in UFOs

822

00:38:09,230 --> 00:38:07,560

aliens and what inspired him to make the

823

00:38:12,050 --> 00:38:09,240

short film and what would ultimately

824

00:38:15,470 --> 00:38:12,060

become kids first aliens so let's go

825

00:38:16,730 --> 00:38:15,480

ahead and watch that back and I'll see

826

00:38:19,670 --> 00:38:16,740

you on the other side

827

00:38:21,470 --> 00:38:19,680

it's been like almost like gosh like 10

828

00:38:25,430 --> 00:38:21,480

years I think since we made the short

829

00:38:27,829 --> 00:38:25,440

film and uh it's uh that that short is

830

00:38:30,230 --> 00:38:27,839

there's a lot of me and my childhood

831

00:38:32,690 --> 00:38:30,240

within it not only just like the crazy

832

00:38:35,329 --> 00:38:32,700

Antics that me and my friends got up to

833

00:38:37,970 --> 00:38:35,339

when we were kids but my fear of aliens

834

00:38:41,630 --> 00:38:37,980

growing up you know I was a kid that

835

00:38:45,410 --> 00:38:41,640

like as early as the fifth grade I

836

00:38:47,630 --> 00:38:45,420

picked up a book about aliens and I

837

00:38:50,089 --> 00:38:47,640

became obsessed and just started like

838

00:38:51,950 --> 00:38:50,099

going down the rabbit hole of reading

839

00:38:55,250 --> 00:38:51,960

every book I could about alien

840

00:38:56,690 --> 00:38:55,260

abductions and stuff at that time and

841

00:38:59,089 --> 00:38:56,700

um there was definitely a big

842

00:39:02,030 --> 00:38:59,099

inspiration was uh that movie Fire in

843

00:39:05,750 --> 00:39:02,040

the Sky when it came out I remember just

844

00:39:08,150 --> 00:39:05,760

seeing trailers on TV for it and I was

845

00:39:09,290 --> 00:39:08,160

so terrified just from the trailers

846

00:39:12,230 --> 00:39:09,300

alone

847

00:39:14,810 --> 00:39:12,240

that like it but it like it piqued my

848

00:39:17,210 --> 00:39:14,820

interest like so much so even though I

849

00:39:20,390 --> 00:39:17,220

was probably too young to watch the

850

00:39:23,030 --> 00:39:20,400

movie just seeing the trailer on TV like

851

00:39:24,829 --> 00:39:23,040

I could you know go to the library at

852

00:39:27,770 --> 00:39:24,839

school and even at my elementary school

853

00:39:30,349 --> 00:39:27,780

they had like books about UFOs and stuff

854

00:39:32,569 --> 00:39:30,359

and so right I was kind of you know

855

00:39:35,030 --> 00:39:32,579

without my parents looking like I was

856

00:39:37,190 --> 00:39:35,040

like diving into that stuff and getting

857

00:39:40,310 --> 00:39:37,200

way too scared and My Imagination

858

00:39:42,710 --> 00:39:40,320

Running with it but it all like came

859

00:39:45,349 --> 00:39:42,720

together for that short for that short

860

00:39:50,329 --> 00:39:48,470

yeah that was so cool that he gave us

861

00:39:52,849 --> 00:39:50,339

his time we also talked about dark side

862

00:39:55,430 --> 00:39:52,859

of the Ring a little bit and uh a lot

863

00:39:58,370 --> 00:39:55,440

more about UFOs and aliens especially

864

00:39:59,810 --> 00:39:58,380

the Shag Harbor UFO incident uh which

865

00:40:02,510 --> 00:39:59,820

happened kind of in his neck of the

866

00:40:04,250 --> 00:40:02,520

woods where he grew up uh so please

867

00:40:07,609 --> 00:40:04,260

check out that interview it's available

868

00:40:09,710 --> 00:40:07,619

on YouTube uh I put a link directly to

869

00:40:11,930 --> 00:40:09,720

it in the show notes below

870

00:40:13,790 --> 00:40:11,940

um to watch the full interview

871

00:40:17,630 --> 00:40:13,800

um let's see here Douglas says how about

872

00:40:19,910 --> 00:40:17,640

them Lions Mama Sprague listening to

873

00:40:21,530 --> 00:40:19,920

to Doug Sprague

874

00:40:23,150 --> 00:40:21,540

um guys I don't even know where to begin

875

00:40:26,390 --> 00:40:23,160

with my parents

876

00:40:28,970 --> 00:40:26,400

um they are the coolest uh you know I I

877

00:40:31,010 --> 00:40:28,980

feel very fortunate and blessed I know

878

00:40:33,650 --> 00:40:31,020

not everyone has

879

00:40:35,930 --> 00:40:33,660

um parents who are

880

00:40:39,829 --> 00:40:35,940

um in their lives or uh supportive of

881

00:40:41,870 --> 00:40:39,839

them and um I know how unbelievably

882

00:40:45,410 --> 00:40:41,880

lucky and blessed to have uh that they

883

00:40:47,930 --> 00:40:45,420

support everything I do from this to um

884

00:40:49,609 --> 00:40:47,940

all of my UFO work uh to my other life

885

00:40:52,430 --> 00:40:49,619

in the theater

886

00:40:55,250 --> 00:40:52,440

um you know some parents would say yo

887

00:40:56,810 --> 00:40:55,260

get a real job

888

00:40:59,690 --> 00:40:56,820

um but my parents have always believed

889

00:41:01,550 --> 00:40:59,700

in me and I'm getting a little choked up

890

00:41:04,310 --> 00:41:01,560

um and they've just been there for me

891

00:41:07,730 --> 00:41:04,320

every single step of the way uh they've

892

00:41:09,950 --> 00:41:07,740

come to my talks uh they've seen every

893

00:41:12,890 --> 00:41:09,960

play that I've ever written or acted in

894

00:41:16,030 --> 00:41:12,900

and um I honestly couldn't ask for more

895

00:41:20,450 --> 00:41:16,040

and I don't want to forget my incredibly

896

00:41:23,510 --> 00:41:20,460

amazing beautiful sister Christy as well

897

00:41:26,329 --> 00:41:23,520

um this is the the lovey-dovey Sprague

898

00:41:27,530 --> 00:41:26,339

hour welcome guys uh my family's just

905  
00:41:44,089 --> 00:41:41,400  
um let's move on let's move on to our

906  
00:41:45,829 --> 00:41:44,099  
next trailer uh kids versus Aliens go

907  
00:41:49,250 --> 00:41:45,839  
stream it right now we're gonna move on

908  
00:41:51,349 --> 00:41:49,260  
to another film here uh this one's a

909  
00:41:53,329 --> 00:41:51,359  
little a little more ambiguous when it

910  
00:41:57,349 --> 00:41:53,339  
comes to aliens I think

911  
00:41:58,849 --> 00:41:57,359  
um it's called 65. uh let me do a little

912  
00:42:01,910 --> 00:41:58,859  
synopsis here

913  
00:42:04,930 --> 00:42:01,920

after a catastrophic crash on an unknown

914

00:42:07,310 --> 00:42:04,940

Planet pilot Mills played by Adam Driver

915

00:42:12,050 --> 00:42:07,320

uh quickly discovers he's actually

916

00:42:14,089 --> 00:42:12,060

stranded on Earth 65 million years ago

917

00:42:16,490 --> 00:42:14,099

now with only one chance at a rescue

918

00:42:18,589 --> 00:42:16,500

Mills and the only other Survivor must

919

00:42:20,630 --> 00:42:18,599

make their way across an unknown terrain

920

00:42:24,010 --> 00:42:20,640

riddled with dangerous prehistoric

921

00:42:26,510 --> 00:42:24,020

creatures in an epic fight to survive

922

00:42:28,550 --> 00:42:26,520

whoa that's uh it's out of driver

923

00:42:30,829 --> 00:42:28,560

fighting

924

00:42:32,510 --> 00:42:30,839

um dinosaurs it kind of sounds like I

925

00:42:34,370 --> 00:42:32,520

don't know I I don't know let's uh let's

926  
00:42:35,870 --> 00:42:34,380  
watch the trailer uh again I haven't I

927  
00:42:38,750 --> 00:42:35,880  
haven't seen this yet

928  
00:42:41,150 --> 00:42:38,760  
um I Heard chatter about it uh you know

929  
00:42:43,490 --> 00:42:41,160  
early on with a lot of YouTubers talking

930  
00:42:46,190 --> 00:42:43,500  
about what was coming out this year

931  
00:42:49,150 --> 00:42:46,200  
um so let's go ahead and play this

932  
00:42:51,410 --> 00:42:49,160  
trailer for the movie six

933  
00:42:54,589 --> 00:42:51,420  
oh man

934  
00:42:56,750 --> 00:42:54,599  
first of all produced by Sam Raimi so

935  
00:42:58,609 --> 00:42:56,760  
I'm in I'm paying for a ticket I'm going

936  
00:43:00,050 --> 00:42:58,619  
to see this wow

937  
00:43:02,870 --> 00:43:00,060  
um

938  
00:43:05,750 --> 00:43:02,880

he said alien I mean he's not from Earth

939

00:43:08,630 --> 00:43:05,760

so anything literally could be alien uh

940

00:43:12,230 --> 00:43:08,640

so I guess he would look at dinosaurs as

941

00:43:14,450 --> 00:43:12,240

being alien oh this looks so cool and

942

00:43:16,910 --> 00:43:14,460

unique um it kind of reminds me of like

943

00:43:19,849 --> 00:43:16,920

a a Twilight Zone episode or outer

944

00:43:21,890 --> 00:43:19,859

limits like going to Earth

945

00:43:23,569 --> 00:43:21,900

um and you think they would land where

946

00:43:25,069 --> 00:43:23,579

the you know there's other humans or

947

00:43:27,650 --> 00:43:25,079

something but no they land in

948

00:43:30,829 --> 00:43:27,660

prehistoric times which plays with time

949

00:43:33,530 --> 00:43:30,839

and like how long it take took him to

950

00:43:37,130 --> 00:43:33,540

get there and I I think it looks great

951

00:43:39,230 --> 00:43:37,140

this is like Jurassic Park meets um I

952

00:43:40,970 --> 00:43:39,240

don't know 2001 A Space Odyssey or

953

00:43:43,190 --> 00:43:40,980

something uh who said it in the chat

954

00:43:46,370 --> 00:43:43,200

right baker said kylo Ren versus

955

00:43:49,130 --> 00:43:46,380

Jurassic Park so true man I made I I

956

00:43:50,930 --> 00:43:49,140

they got my money I'm going to see that

957

00:43:52,910 --> 00:43:50,940

and I'm going to see kids first aliens

958

00:43:54,470 --> 00:43:52,920

so yeah I thought those two trailers

959

00:43:56,630 --> 00:43:54,480

would be cool to watch with you guys for

960

00:43:59,809 --> 00:43:56,640

the very first time and I hope you'll go

961

00:44:01,849 --> 00:43:59,819

watch those movies as well metal Hendrix

962

00:44:03,829 --> 00:44:01,859

says hit that like yes guys I'm not

963

00:44:05,210 --> 00:44:03,839

doing my due diligence thank you metal

964

00:44:07,010 --> 00:44:05,220

Hendrix

965

00:44:09,650 --> 00:44:07,020

um please like the video please

966

00:44:11,630 --> 00:44:09,660

subscribe if you um if you like what

967

00:44:14,569 --> 00:44:11,640

we're doing here that's somewhere in the

968

00:44:16,730 --> 00:44:14,579

live stream the premiere episode and um

969

00:44:18,829 --> 00:44:16,740

send me your comments about how I can

970

00:44:20,089 --> 00:44:18,839

make the show better on what you'd like

971

00:44:21,890 --> 00:44:20,099

to see

972

00:44:23,809 --> 00:44:21,900

um in future episodes of somewhere in

973

00:44:25,670 --> 00:44:23,819

the live stream uh like I said it'll

974

00:44:27,829 --> 00:44:25,680

change week to week it'll be cool to

975

00:44:29,870 --> 00:44:27,839

kind of just mix things up we'll have

976

00:44:31,190 --> 00:44:29,880

some guests uh we'll talk about other

977

00:44:32,450 --> 00:44:31,200

stuff as well

978

00:44:35,030 --> 00:44:32,460

um but yeah yeah that's just kind of the

979

00:44:36,770 --> 00:44:35,040

loose format for tonight so I hope you I

980

00:44:39,170 --> 00:44:36,780

hope you kind of dig it

981

00:44:41,690 --> 00:44:39,180

um James says this will be epic agreed

982

00:44:42,589 --> 00:44:41,700

looks pretty good

983

00:44:45,950 --> 00:44:42,599

um

984

00:44:49,190 --> 00:44:45,960

very ready for this on Dolby Cinema I

985

00:44:50,950 --> 00:44:49,200

know I bet the um just the 4K and the

986

00:44:53,630 --> 00:44:50,960

the the the the

987

00:44:55,970 --> 00:44:53,640

audio alone will be worth it you could

988

00:44:59,030 --> 00:44:55,980

hear the creature breathing at the end

989

00:45:01,250 --> 00:44:59,040

there uh that one fart scared the crap

990

00:45:03,530 --> 00:45:01,260

out of me I don't know if you guys saw

991

00:45:06,650 --> 00:45:03,540

that I was not expecting that was not

992

00:45:08,690 --> 00:45:06,660

except expecting that escape VFX this is

993

00:45:11,750 --> 00:45:08,700

great thank you thank you so much for

994

00:45:14,750 --> 00:45:11,760

being here and for watching

995

00:45:17,690 --> 00:45:14,760

um last but not least guys resident

996

00:45:19,490 --> 00:45:17,700

alien have you seen the show

997

00:45:21,950 --> 00:45:19,500

um you know when it first came out I I

998

00:45:24,589 --> 00:45:21,960

didn't hear much about it and then

999

00:45:26,210 --> 00:45:24,599

um it kind of exploded it became like

1000

00:45:29,150 --> 00:45:26,220

the Sci-Fi channel one of their most

1001  
00:45:32,030 --> 00:45:29,160  
successful shows of all time

1002  
00:45:33,410 --> 00:45:32,040  
um it stars Alan Tudyk who

1003  
00:45:36,170 --> 00:45:33,420  
um you know some of you might know from

1004  
00:45:37,970 --> 00:45:36,180  
his early days with like Joss Whedon uh

1005  
00:45:40,309 --> 00:45:37,980  
what was that thing he was in

1006  
00:45:42,410 --> 00:45:40,319  
um of Joss Sweden's uh let me know in

1007  
00:45:45,230 --> 00:45:42,420  
the chat it's escaping me Firefly there

1008  
00:45:48,170 --> 00:45:45,240  
we area and he played a really snarky

1009  
00:45:51,230 --> 00:45:48,180  
Droid I think in Rogue one and um

1010  
00:45:53,809 --> 00:45:51,240  
brilliant actor and uh he just does an

1011  
00:45:56,270 --> 00:45:53,819  
incredible job in Resident alien

1012  
00:45:57,950 --> 00:45:56,280  
um quick little synopsis of the show if

1013  
00:46:00,230 --> 00:45:57,960

you're not familiar with it a

1014

00:46:02,809 --> 00:46:00,240

crash-landed alien takes on the identity

1015

00:46:04,670 --> 00:46:02,819

of a Small Town Colorado doctor and

1016

00:46:08,150 --> 00:46:04,680

slowly begins to wrestle with a moral

1017

00:46:10,309 --> 00:46:08,160

dilemma of a secret mission to Earth uh

1018

00:46:12,109 --> 00:46:10,319

this is based on a comic book again I

1019

00:46:13,550 --> 00:46:12,119

didn't know that either I should have

1020

00:46:15,650 --> 00:46:13,560

known that

1021

00:46:18,589 --> 00:46:15,660

um and the series has kind of ticking

1022

00:46:21,170 --> 00:46:18,599

off with a comic book left off and um

1023

00:46:23,690 --> 00:46:21,180

it's awesome like I said allitunic plays

1024

00:46:24,950 --> 00:46:23,700

both Dr Harry in this small town of

1025

00:46:26,809 --> 00:46:24,960

Colorado

1026

00:46:30,349 --> 00:46:26,819

um he assumes kind of the identity of

1027

00:46:32,390 --> 00:46:30,359

this doctor and is also an alien so he

1028

00:46:33,710 --> 00:46:32,400

has to struggle with like both

1029

00:46:36,290 --> 00:46:33,720

identities

1030

00:46:39,530 --> 00:46:36,300

um he's starting to become more human

1031

00:46:42,890 --> 00:46:39,540

um feeling emotions and um finding

1032

00:46:44,630 --> 00:46:42,900

friends and stuff like that so it's a

1033

00:46:47,809 --> 00:46:44,640

really cool Journey

1034

00:46:49,910 --> 00:46:47,819

um for this alien to take as he's slowly

1035

00:46:52,430 --> 00:46:49,920

kind of becoming human and is forgetting

1036

00:46:53,569 --> 00:46:52,440

the mission he is sent to Earth for

1037

00:46:55,329 --> 00:46:53,579

um so that was kind of the first season

1038

00:46:57,950 --> 00:46:55,339

and then I just finished season two

1039

00:46:59,809 --> 00:46:57,960

today actually this morning while I was

1040

00:47:02,030 --> 00:46:59,819

drinking my coffee

1041

00:47:03,170 --> 00:47:02,040

um and it is just

1042

00:47:05,510 --> 00:47:03,180

it

1043

00:47:07,030 --> 00:47:05,520

just gets better and better

1044

00:47:10,370 --> 00:47:07,040

um all the characters

1045

00:47:13,250 --> 00:47:10,380

are so well written

1046

00:47:16,150 --> 00:47:13,260

um some of the best writing I've seen of

1047

00:47:19,849 --> 00:47:16,160

uh female characters uh on television

1048

00:47:22,849 --> 00:47:19,859

especially on a Sci-Fi original show

1049

00:47:24,530 --> 00:47:22,859

um and and just brilliant brilliant from

1050

00:47:26,569 --> 00:47:24,540

start to finish if you guys haven't

1051

00:47:27,770 --> 00:47:26,579

watched resident alien uh it's on

1052

00:47:30,290 --> 00:47:27,780

peacock

1053

00:47:32,750 --> 00:47:30,300

um in the United States

1054

00:47:35,510 --> 00:47:32,760

um I don't know if and where it's

1055

00:47:37,790 --> 00:47:35,520

available in the UK or anywhere else

1056

00:47:40,370 --> 00:47:37,800

um so if you guys know in the chat from

1057

00:47:42,770 --> 00:47:40,380

the UK or Europe or anything please let

1058

00:47:44,089 --> 00:47:42,780

us know where um you guys watch Resident

1059

00:47:45,290 --> 00:47:44,099

alien

1060

00:47:47,750 --> 00:47:45,300

um but yeah

1061

00:47:49,730 --> 00:47:47,760

it definitely the finale of season two

1062

00:47:51,950 --> 00:47:49,740

packed a punch I won't give out any

1063

00:47:53,450 --> 00:47:51,960

spoilers um but it definitely set up

1064

00:47:56,150 --> 00:47:53,460

that there's going to be a season three

1065

00:47:57,890 --> 00:47:56,160

and um I actually I want to play a quick

1066

00:48:01,010 --> 00:47:57,900

clip for you guys

1067

00:48:03,650 --> 00:48:01,020

um so in season two we get introduced to

1068

00:48:06,650 --> 00:48:03,660

the Grays the prototypical aliens that

1069

00:48:09,470 --> 00:48:06,660

we all know in the UFO community and um

1070

00:48:10,550 --> 00:48:09,480

and Alan tudik uh his character the

1071

00:48:13,609 --> 00:48:10,560

alien

1072

00:48:16,849 --> 00:48:13,619

finally meets one of these Graves and

1073

00:48:18,349 --> 00:48:16,859

they have a really fun interaction and

1074

00:48:21,890 --> 00:48:18,359

um you know the alien is played by

1075

00:48:24,710 --> 00:48:21,900

someone else but the uh the voice of the

1076

00:48:28,550 --> 00:48:24,720

alien the alien gray was

1077

00:48:30,950 --> 00:48:28,560

um uh George Takei and he did an

1078

00:48:32,690 --> 00:48:30,960

incredible incredible job the minute the

1079

00:48:36,170 --> 00:48:32,700

gray started talking I'm like who is

1080

00:48:39,109 --> 00:48:36,180

that oh it's him it's him oh they have a

1081

00:48:40,490 --> 00:48:39,119

really funny kind of exchange and we

1082

00:48:43,370 --> 00:48:40,500

start to learn a little bit more about

1083

00:48:44,450 --> 00:48:43,380

the Grays and their purpose for being on

1084

00:48:45,710 --> 00:48:44,460

Earth

1085

00:48:48,290 --> 00:48:45,720

um so what I'm going to play for you

1086

00:48:50,630 --> 00:48:48,300

guys quick here is a clip from my buddy

1087

00:48:53,329 --> 00:48:50,640

Aaron sakers who some of you might be

1088

00:48:55,010 --> 00:48:53,339

familiar with with he works um for den

1089

00:48:57,109 --> 00:48:55,020

of peak the website

1090

00:48:59,569 --> 00:48:57,119

and he has his own YouTube show with

1091

00:49:01,069 --> 00:48:59,579

dennicky called talking strange and he

1092

00:49:05,089 --> 00:49:01,079

had the awesome opportunity to interview

1093

00:49:07,370 --> 00:49:05,099

Ellen tunic uh during season two and um

1094

00:49:09,710 --> 00:49:07,380

they had a little fun banter about this

1095

00:49:12,290 --> 00:49:09,720

this scene with George Takei and the

1096

00:49:15,829 --> 00:49:12,300

Grays so I do want to go ahead and play

1097

00:49:18,230 --> 00:49:15,839

that for you guys and then um and then

1098

00:49:21,109 --> 00:49:18,240

we'll close things out so give this a

1099

00:49:23,089 --> 00:49:21,119

little Gander it's a and it's a great

1100

00:49:26,690 --> 00:49:23,099

it's a great moment not just because of

1101  
00:49:28,430 --> 00:49:26,700  
George Takei but because we see Harry's

1102  
00:49:31,309 --> 00:49:28,440  
species interact with another Spirit

1103  
00:49:33,349 --> 00:49:31,319  
species and and that's the gray kind of

1104  
00:49:35,089 --> 00:49:33,359  
comes off as a bit of a know-it-all and

1105  
00:49:37,790 --> 00:49:35,099  
a dick but also a little bit more

1106  
00:49:40,309 --> 00:49:37,800  
powerful than Harry and that puts Harry

1107  
00:49:42,770 --> 00:49:40,319  
in perspective because

1108  
00:49:45,170 --> 00:49:42,780  
yeah from the viewer side of things he

1109  
00:49:47,150 --> 00:49:45,180  
has been the most powerful thing that we

1110  
00:49:49,430 --> 00:49:47,160  
have seen on Earth and now it's like

1111  
00:49:51,770 --> 00:49:49,440  
well he may not be the big alien on

1112  
00:49:54,710 --> 00:49:51,780  
campus or on planet Earth there's no

1113  
00:49:57,470 --> 00:49:54,720

there's bigger threats bigger deals out

1114

00:49:59,210 --> 00:49:57,480

there that could even be intimidating to

1115

00:50:01,670 --> 00:49:59,220

our our alien

1116

00:50:03,530 --> 00:50:01,680

yeah no it's

1117

00:50:05,750 --> 00:50:03,540

yeah he's scared of him

1118

00:50:07,730 --> 00:50:05,760

he's scared of him like he's and then

1119

00:50:08,690 --> 00:50:07,740

every time he's referred to he's like ah

1120

00:50:10,730 --> 00:50:08,700

they're awful they're awful they're

1121

00:50:12,170 --> 00:50:10,740

awful he's not it's never been oh don't

1122

00:50:14,870 --> 00:50:12,180

even talk about the grace they scare me

1123

00:50:16,490 --> 00:50:14,880

it's it's always been he's just sort of

1124

00:50:21,050 --> 00:50:16,500

derogatory about them he didn't like him

1125

00:50:23,569 --> 00:50:21,060

and now we see it's based in fear

1126

00:50:25,490 --> 00:50:23,579

does that give you a little bit more to

1127

00:50:28,130 --> 00:50:25,500

play with as an actor because this now

1128

00:50:30,109 --> 00:50:28,140

adds another dimension to the Harry that

1129

00:50:33,069 --> 00:50:30,119

has been on Earth and just you know

1130

00:50:35,990 --> 00:50:33,079

pretty much looking down on humans

1131

00:50:38,690 --> 00:50:36,000

yes and

1132

00:50:42,530 --> 00:50:38,700

it gives us where we're going to go in

1133

00:50:48,829 --> 00:50:46,609

there you go Mr Alan tidik uh teasing

1134

00:50:50,990 --> 00:50:48,839

season three of Resident alien so

1135

00:50:54,410 --> 00:50:51,000

definitely check it out guys I cannot

1136

00:50:57,230 --> 00:50:54,420

recommend it enough it's funny it's um

1137

00:50:59,569 --> 00:50:57,240

it's heartfelt and uh it's a little

1138

00:51:01,309 --> 00:50:59,579

scary at times too um so it's got a

1139

00:51:03,069 --> 00:51:01,319

little bit of everything it's what I

1140

00:51:05,569 --> 00:51:03,079

consider a perfect science fiction

1141

00:51:07,490 --> 00:51:05,579

television experience

1142

00:51:09,589 --> 00:51:07,500

um so yeah and also

1143

00:51:10,670 --> 00:51:09,599

um click the link in the show notes if

1144

00:51:13,670 --> 00:51:10,680

you want to watch the full interview

1145

00:51:15,230 --> 00:51:13,680

1146

00:51:17,930 --> 00:51:15,240

it should be right below there in the

1147

00:51:19,849 --> 00:51:17,940

show notes as well and a little fun fact

1148

00:51:23,750 --> 00:51:19,859

I'm actually going to be on talking

1149

00:51:25,069 --> 00:51:23,760

the coming weeks he's gonna be

1151  
00:51:28,250 --> 00:51:27,599  
interviewing me so I'm super honored

1152  
00:51:30,770 --> 00:51:28,260  
um

1153  
00:51:32,690 --> 00:51:30,780  
tough act to follow and went to dick but

1154  
00:51:34,549 --> 00:51:32,700  
it'll be cool we're going to talk all

1155  
00:51:37,309 --> 00:51:34,559  
about what's been going on in the UFO

1156  
00:51:40,309 --> 00:51:37,319  
world the recent uh release of the UAP

1157  
00:51:43,010 --> 00:51:40,319  
report and uh what's to come in 2023

1158  
00:51:44,809 --> 00:51:43,020  
when it comes to UFOs uh so yeah that'll

1159  
00:51:46,910 --> 00:51:44,819  
be super cool be on the lookout for that

1160  
00:51:49,970 --> 00:51:46,920  
and be sure to subscribe to Talking

1161

1167

00:52:05,450 --> 00:52:03,359

1168

00:52:08,030 --> 00:52:05,460

you want to throw in the chat in the

1169

00:52:10,130 --> 00:52:08,040

Super Chat and help out the show um I'll

1170

00:52:11,809 --> 00:52:10,140

I'll try to answer those before we wrap

1171

00:52:15,109 --> 00:52:11,819

things up

1172

00:52:17,329 --> 00:52:15,119

um and yeah this was super fun uh we've

1173

00:52:19,609 --> 00:52:17,339

got way more people watching this than I

1174

00:52:22,430 --> 00:52:19,619

thought would be here for a kind of

1175

00:52:23,990 --> 00:52:22,440

impromptu live stream so thank you thank

1176  
00:52:27,049 --> 00:52:24,000  
you to all of you for giving me some of

1177  
00:52:29,870 --> 00:52:27,059  
your time this this uh this Sunday

1178  
00:52:31,490 --> 00:52:29,880  
morning afternoon in the evening I

1179  
00:52:33,490 --> 00:52:31,500  
really do appreciate it I really really

1180  
00:52:36,530 --> 00:52:33,500  
do uh also

1181  
00:52:38,870 --> 00:52:36,540  
Shaq valet I love that screen name uh

1182  
00:52:41,210 --> 00:52:38,880  
it's on here in Norway so yeah it is

1183  
00:52:44,089 --> 00:52:41,220  
available elsewhere so um definitely

1184  
00:52:44,870 --> 00:52:44,099  
seek it out guys

1185  
00:52:47,390 --> 00:52:44,880  
um

1186  
00:52:49,130 --> 00:52:47,400  
let's see comedy news Ryan are you

1187  
00:52:50,510 --> 00:52:49,140  
familiar with Quest TV it sounds like

1188  
00:52:52,069 --> 00:52:50,520

they are based in the UK I believe the

1189

00:52:54,950 --> 00:52:52,079

guy from fact or fake is in the show

1190

00:52:56,390 --> 00:52:54,960

yeah I have heard of quest TV

1191

00:52:58,849 --> 00:52:56,400

um they I know they have a YouTube

1192

00:53:01,609 --> 00:52:58,859

presence where they play a lot of clips

1193

00:53:04,549 --> 00:53:01,619

from like other UFO shows and stuff with

1194

00:53:06,589 --> 00:53:04,559

permission with copyright and all that

1195

00:53:09,230 --> 00:53:06,599

um and it's really cool I use it as a

1196

00:53:13,069 --> 00:53:09,240

research tool all the time to look for

1197

00:53:14,569 --> 00:53:13,079

uh media on UFO cases so um yeah yeah I

1198

00:53:16,609 --> 00:53:14,579

definitely am familiar with it I'll have

1199

00:53:19,010 --> 00:53:16,619

to seek them out and see if they uh they

1200

00:53:21,829 --> 00:53:19,020

need another talking head

1201

00:53:23,930 --> 00:53:21,839

I I have a head I talk

1202

00:53:26,770 --> 00:53:23,940

Douglas Spriggs says it's getting late

1203

00:53:30,290 --> 00:53:26,780

in Scotland young Meg go to bed

1204

00:53:32,690 --> 00:53:30,300

it's only about 10 o'clock don't worry

1205

00:53:35,510 --> 00:53:32,700

pops I've got enough beer to keep us all

1206

00:53:36,770 --> 00:53:35,520

uh all all happy

1207

00:53:39,770 --> 00:53:36,780

oh

1208

00:53:43,069 --> 00:53:39,780

Ian well done Ryan top bombing I

1209

00:53:44,150 --> 00:53:43,079

appreciate it Ian thank you so much

1210

00:53:47,030 --> 00:53:44,160

um

1211

00:53:49,730 --> 00:53:47,040

all right time to tease what's to come

1212

00:53:52,190 --> 00:53:49,740

on somewhere in the skies guys uh

1213

00:53:54,950 --> 00:53:52,200

dropping tonight in just a couple hours

1214

00:53:56,569 --> 00:53:54,960

is uh our brand new episode for the week

1215

00:53:59,510 --> 00:53:56,579

and that is witness accounts in volume

1216

00:54:02,150 --> 00:53:59,520

25. we are on our 25th volume of witness

1217

00:54:04,790 --> 00:54:02,160

accounts oh I can't believe it um these

1218

00:54:07,069 --> 00:54:04,800

are episodes where you guys call in and

1219

00:54:09,470 --> 00:54:07,079

tell your UFO stories

1220

00:54:12,109 --> 00:54:09,480

um oh my gosh it's just some of the most

1221

00:54:15,349 --> 00:54:12,119

incredible UFO experiences you've all

1222

00:54:17,690 --> 00:54:15,359

had and um I'm honored to give you guys

1223

00:54:18,710 --> 00:54:17,700

a platform to get those stories out to

1224

00:54:20,930 --> 00:54:18,720

the public

1225

00:54:23,630 --> 00:54:20,940

um so we have a witness accounts episode

1226

00:54:25,130 --> 00:54:23,640

dropping in just a couple hours on all

1227

00:54:27,710 --> 00:54:25,140

podcast feeds

1228

00:54:29,930 --> 00:54:27,720

and um who we got some interesting

1229

00:54:34,790 --> 00:54:29,940

stories in this one uh the first story

1230

00:54:37,549 --> 00:54:34,800

is about a Navy serviceman who worked at

1231

00:54:39,710 --> 00:54:37,559

a base in California and had five

1232

00:54:42,349 --> 00:54:39,720

separate try and get their UFO sightings

1233

00:54:44,569 --> 00:54:42,359

over the military base so he comes on to

1234

00:54:46,970 --> 00:54:44,579

tell those stories uh clearly very

1235

00:54:49,190 --> 00:54:46,980

shaken up by it and um

1236

00:54:51,770 --> 00:54:49,200

I can't thank him enough for coming

1237

00:54:53,390 --> 00:54:51,780

forward and talking about it

1238

00:54:56,450 --> 00:54:53,400

um you can see the featured image in the

1239

00:54:59,450 --> 00:54:56,460

top left there I had made by Olaf

1240

00:55:01,010 --> 00:54:59,460

rochner a brilliant brilliant digital

1241

00:55:04,849 --> 00:55:01,020

artist who also made a really cool

1242

00:55:06,829 --> 00:55:04,859

summer in the skies fan art that you

1243

00:55:09,230 --> 00:55:06,839

guys can actually watch the process he

1244

00:55:10,970 --> 00:55:09,240

made a Time Lapse video of creating this

1245

00:55:11,870 --> 00:55:10,980

somewhere in the skies are from start to

1246

00:55:13,069 --> 00:55:11,880

finish

1247

00:55:15,589 --> 00:55:13,079

um it should be just a couple videos

1248

00:55:17,809 --> 00:55:15,599

back here on YouTube he let me put the

1249

00:55:19,430 --> 00:55:17,819

time lapse video on our Channel

1250

00:55:20,990 --> 00:55:19,440

um so you can check out the process and

1251

1256  
00:55:34,730 --> 00:55:32,760  
listen to the review of the thing that I

1257  
00:55:37,370 --> 00:55:34,740  
did with Nicholas westermeyer and Andrew

1258  
00:55:39,290 --> 00:55:37,380  
Sanford we had so much fun

1259  
00:55:41,170 --> 00:55:39,300  
um just chatting two of my closest

1260  
00:55:43,370 --> 00:55:41,180  
buddies in New York City

1261  
00:55:46,250 --> 00:55:43,380  
excuse me

1262  
00:55:47,930 --> 00:55:46,260  
sorry guys I'm usually good about muting

1263  
00:55:51,470 --> 00:55:47,940

during that but it happened mid-sentence

1264

00:55:54,530 --> 00:55:51,480

I am still getting over covet uh so

1265

00:55:56,870 --> 00:55:54,540

slow but you're uh getting over it so um

1266

00:55:58,970 --> 00:55:56,880

please excuse that I apologize for

1267

00:56:01,970 --> 00:55:58,980

coughing into your ears

1268

00:56:04,970 --> 00:56:01,980

um then next week we have operation

1269

00:56:07,370 --> 00:56:04,980

saucer and the UFO Island where I'm

1270

00:56:11,030 --> 00:56:07,380

exploring the UFO cases out of Brazil

1271

00:56:14,390 --> 00:56:11,040

such things as operations saucer

1272

00:56:18,010 --> 00:56:14,400

um the trendade UFO sightings over the

1273

00:56:25,190 --> 00:56:21,589

and we also have uh the night of the

1274

00:56:27,170 --> 00:56:25,200

UFOs and some really unique obscure

1275

00:56:28,790 --> 00:56:27,180

close encounter cases that I came across

1276

00:56:30,290 --> 00:56:28,800

in my research

1277

00:56:34,130 --> 00:56:30,300

um so be on the lookout for that episode

1278

00:56:36,410 --> 00:56:34,140

next Monday operation saucer and the UFO

1279

00:56:38,750 --> 00:56:36,420

Island and with that episode I made a

1280

00:56:42,349 --> 00:56:38,760

companion bonus episode called The

1281

00:56:46,130 --> 00:56:42,359

Mystery of the lead mask ufologists a

1282

00:56:49,250 --> 00:56:46,140

very weird tragic story of these two UFO

1283

00:56:51,829 --> 00:56:49,260

researchers in Brazil who went up to a

1284

00:56:55,130 --> 00:56:51,839

hillside to look for UFOs

1285

00:56:59,089 --> 00:56:55,140

and were found three days later deceased

1286

00:57:02,690 --> 00:56:59,099

very crazy crazy cold case that was

1287

00:57:04,970 --> 00:57:02,700

never solved but was investigated by the

1288

00:57:07,670 --> 00:57:04,980

one and only Jacques valet who flew to

1289

00:57:11,270 --> 00:57:07,680

Brazil to investigate so I talked about

1290

00:57:15,109 --> 00:57:11,280

that uh in a bonus episode which will be

1291

00:57:16,790 --> 00:57:15,119

on patreon and also for Apple premium

1292

00:57:18,470 --> 00:57:16,800

subscribers

1293

00:57:21,829 --> 00:57:18,480

um so you'll be able to get that in

1294

00:57:23,930 --> 00:57:21,839

conjunction with operation saucer

1295

00:57:26,329 --> 00:57:23,940

um which both of those will drop early

1296

00:57:29,329 --> 00:57:26,339

1297

00:57:32,089 --> 00:57:29,339

1323

00:58:38,870 --> 00:58:36,240

um Dalmore was the name of it

1324

00:58:41,990 --> 00:58:38,880

unbelievable so smooth

1325

00:58:43,010 --> 00:58:42,000

so sweet little smoky but more sweet and

1326

00:58:45,049 --> 00:58:43,020

smooth

1327

00:58:47,450 --> 00:58:45,059

1328

00:58:50,450 --> 00:58:47,460

1342

00:59:20,329 --> 00:59:18,119

have it yeah it's right there in the

1343

00:59:22,130 --> 00:59:20,339

back it's a little Shameless promotion

1344

00:59:25,010 --> 00:59:22,140

you can sort of see I've got a little

1345

00:59:26,510 --> 00:59:25,020

alien sitting on a Loch Ness monster as

1346

00:59:29,030 --> 00:59:26,520

well

1347

00:59:31,730 --> 00:59:29,040

um they're best friends I love them uh

1348

00:59:33,589 --> 00:59:31,740

I've got my action figure there I've got

1349

00:59:36,770 --> 00:59:33,599

my Christmas ornament of the Triangular

1350

00:59:38,930 --> 00:59:36,780

UFO uh that blue book folder you see

1351  
00:59:41,210 --> 00:59:38,940  
behind you actually came from the

1352  
00:59:42,710 --> 00:59:41,220  
History Channel they sent me a really

1353  
00:59:44,630 --> 00:59:42,720  
cool

1354  
00:59:46,730 --> 00:59:44,640  
um press packet when the Project Blue

1355  
00:59:48,230 --> 00:59:46,740  
Book show first came out

1356  
00:59:50,329 --> 00:59:48,240  
um it's so cool I'm not going to get it

1357  
00:59:52,250 --> 00:59:50,339  
out now uh maybe I'll throw some images

1358  
00:59:55,370 --> 00:59:52,260  
up on the Instagram account

1359  
00:59:57,650 --> 00:59:55,380  
um it's got like Old Blue Book files and

1360  
01:00:00,289 --> 00:59:57,660  
photos and stuff like that in it like

1361  
01:00:03,589 --> 01:00:00,299  
old UFO photos really really cool

1362  
01:00:05,390 --> 01:00:03,599  
um that they sent that to me uh yes to

1363  
01:00:06,410 --> 01:00:05,400

get back to your question sorry I

1364

01:00:09,049 --> 01:00:06,420

digress

1365

01:00:10,370 --> 01:00:09,059

I have a follow-up book coming out um in

1366

01:00:12,289 --> 01:00:10,380

conjunction with somewhere in the skies

1367

01:00:13,789 --> 01:00:12,299

that will be out this spring I know I

1368

01:00:15,410 --> 01:00:13,799

said April earlier might be a little

1369

01:00:18,530 --> 01:00:15,420

later than that I'm not sure I'm

1370

01:00:21,530 --> 01:00:18,540

actually waiting on a few uh individuals

1371

01:00:22,370 --> 01:00:21,540

who are going to be contributing to the

1372

01:00:24,710 --> 01:00:22,380

book

1373

01:00:26,809 --> 01:00:24,720

um so I'm kind of waiting on that um I'm

1374

01:00:28,910 --> 01:00:26,819

working with a book cover designer right

1375

01:00:30,589 --> 01:00:28,920

now a dream come true an artist I've

1376

01:00:32,750 --> 01:00:30,599

always wanted to work with

1377

01:00:34,609 --> 01:00:32,760

um so yeah things are in motion and

1378

01:00:36,950 --> 01:00:34,619

there will be a new summer in the skies

1379

01:00:38,569 --> 01:00:36,960

book coming to you this spring so be on

1380

01:00:39,950 --> 01:00:38,579

the lookout for that for sure thank you

1381

01:00:42,410 --> 01:00:39,960

Jeffrey thank you for the very kind

1382

01:00:45,470 --> 01:00:42,420

words thanks for reading the book let me

1383

01:00:50,150 --> 01:00:48,650

Lindsay says get well soon thank you I I

1384

01:00:52,849 --> 01:00:50,160

feel much better I've got this like

1385

01:00:54,890 --> 01:00:52,859

lingering cough which I know a lot of

1386

01:00:58,370 --> 01:00:54,900

people are dealing with like these

1387

01:01:00,170 --> 01:00:58,380

really long-term effects of covid

1388

01:01:03,109 --> 01:01:00,180

um so yeah let's just hope it gets

1389

01:01:06,829 --> 01:01:03,119

better soon I'm taking my vitamins mom

1390

01:01:11,030 --> 01:01:08,630

um oh James is going to Brazil this week

1391

01:01:13,609 --> 01:01:11,040

I'll be on the lookout oh perfect man

1392

01:01:15,170 --> 01:01:13,619

what a perfect appropriate time uh be

1393

01:01:17,210 --> 01:01:15,180

sure to listen to the episode on your

1394

01:01:19,190 --> 01:01:17,220

way there uh unless that'll keep you out

1395

01:01:20,690 --> 01:01:19,200

a little too much but um that's cool

1396

01:01:22,789 --> 01:01:20,700

that's cool what are you doing in Brazil

1397

01:01:23,990 --> 01:01:22,799

if you if you don't mind sharing you

1398

01:01:25,730 --> 01:01:24,000

don't have to

1399

01:01:27,230 --> 01:01:25,740

metal Hendrix says witness accounts is

1400

01:01:28,730 --> 01:01:27,240

hands down one of my favorite listings

1401

01:01:30,950 --> 01:01:28,740

thank you

1402

01:01:32,870 --> 01:01:30,960

um I love making those episodes

1403

01:01:35,089 --> 01:01:32,880

um hey I'm not involved in them except I

1404

01:01:37,250 --> 01:01:35,099

do put them together I produce them I

1405

01:01:38,870 --> 01:01:37,260

make them but um you know I just don't

1406

01:01:41,329 --> 01:01:38,880

get involved I don't want to get in the

1407

01:01:42,770 --> 01:01:41,339

way of people telling their UFO stories

1408

01:01:44,870 --> 01:01:42,780

for many of these people it's their

1409

01:01:47,510 --> 01:01:44,880

first time ever talking about it and

1410

01:01:50,569 --> 01:01:47,520

knowing they're gonna be heard by

1411

01:01:52,130 --> 01:01:50,579

um thousands of people uh can be a

1412

01:01:53,990 --> 01:01:52,140

little nerve-wracking so like the last

1413

01:01:55,010 --> 01:01:54,000

thing they need is like me butting in

1414

01:01:57,530 --> 01:01:55,020

while they're trying to tell the story

1415

01:01:59,329 --> 01:01:57,540

and asking like you know really weird

1416

01:02:01,430 --> 01:01:59,339

obscure questions that any UFO

1417

01:02:03,710 --> 01:02:01,440

researcher would I like to give them the

1418

01:02:05,990 --> 01:02:03,720

time in the space to just tell their

1419

01:02:09,230 --> 01:02:06,000

story in their own voice the way they

1420

01:02:11,450 --> 01:02:09,240

see fit and um people seem to really dig

1421

01:02:13,010 --> 01:02:11,460

those episodes I can't tell you how many

1422

01:02:15,530 --> 01:02:13,020

people reach out to me after them and

1423

01:02:17,450 --> 01:02:15,540

and finally feel comfortable telling

1424

01:02:19,730 --> 01:02:17,460

their own UFO stories

1425

01:02:22,250 --> 01:02:19,740

um it's just incredible the reason that

1426

01:02:24,890 --> 01:02:22,260

I'm on the 25th volume is because it

1427

01:02:27,109 --> 01:02:24,900

works and it's effective and and people

1428

01:02:29,390 --> 01:02:27,119

really find

1429

01:02:31,490 --> 01:02:29,400

um a connection to others who've seen

1430

01:02:33,530 --> 01:02:31,500

these things and can't explain them and

1431

01:02:37,130 --> 01:02:33,540

have no one else who will listen to them

1432

01:02:39,170 --> 01:02:37,140

or nowhere else to turn so if that's my

1433

01:02:40,490 --> 01:02:39,180

contribution to the UFO World

1434

01:02:43,010 --> 01:02:40,500

um I feel like I've done something

1435

01:02:45,710 --> 01:02:43,020

something to contribute to this topic

1436

01:02:48,589 --> 01:02:45,720

that's mystified us for almost 80 years

1437

01:02:51,530 --> 01:02:48,599

now if not longer since the dawn of time

1438

01:02:56,349 --> 01:02:51,540

so um yeah thank you I'm glad you

1439

01:02:59,710 --> 01:02:58,849

James visiting my girlfriend in Sao

1440

01:03:04,430 --> 01:02:59,720

Paulo

1441

01:03:06,230 --> 01:03:04,440

oh man James there's like three cases in

1442

01:03:07,010 --> 01:03:06,240

the episode that take place in Sao Paulo

1443

01:03:08,990 --> 01:03:07,020

so

1444

01:03:11,150 --> 01:03:09,000

1445

01:03:12,589 --> 01:03:11,160

1446

01:03:15,589 --> 01:03:12,599

to it together

1447

01:03:18,890 --> 01:03:15,599

drinks on me

1448

01:03:21,170 --> 01:03:18,900

Happy Birthday Jay whose birthday is it

1449

01:03:23,030 --> 01:03:21,180

1455

01:03:36,289 --> 01:03:34,200

um that's it guys um I'm gonna wrap

1456

01:03:38,390 --> 01:03:36,299

things up we're a little over an hour um

1457

01:03:39,829 --> 01:03:38,400

I thought maybe like 45 minutes I also

1458

01:03:42,349 --> 01:03:39,839

thought no one would show up so this is

1459

01:03:44,270 --> 01:03:42,359

cool this is this could not have gone

1460

01:03:45,910 --> 01:03:44,280

better in my opinion um I know the audio

1461

01:03:49,190 --> 01:03:45,920

was a little wonky with some of our

1462

01:03:51,349 --> 01:03:49,200

multimedia but uh it is what it is

1463

01:03:52,849 --> 01:03:51,359

um thank you thank you for taking a

1464

01:03:55,069 --> 01:03:52,859

1487

01:04:46,670 --> 01:04:45,299

are the contributions I can make this

1488

01:04:49,490 --> 01:04:46,680

field um

1489

01:04:51,770 --> 01:04:49,500

I feel like I've done something

1490

01:04:55,789 --> 01:04:51,780

um on that note I want to send some love

1491

01:04:58,490 --> 01:04:55,799

to my fellow podcasters in the UFO world

1492

01:05:00,950 --> 01:04:58,500

who are also doing incredible work so a

1493

01:05:04,970 --> 01:05:00,960

huge shout out to Andy over the at that

1494

01:05:08,270 --> 01:05:04,980

UFO podcast and um also who else Kelly

1495

01:05:11,569 --> 01:05:08,280

chase a UFO Rabbit Hole

1496

01:05:12,950 --> 01:05:11,579

um we've got engaging the phenomenon uh

1497

01:05:15,109 --> 01:05:12,960

we've got

1498

01:05:16,069 --> 01:05:15,119

um who else I know I'm forgetting so

1499

01:05:19,549 --> 01:05:16,079

many people

1500

01:05:22,250 --> 01:05:19,559

whatever other UFO YouTube channels or

1501

01:05:24,890 --> 01:05:22,260

uh UFO podcasts you guys listen to throw

1502

01:05:26,630 --> 01:05:24,900

them in the chat link to them let's

1503

01:05:29,030 --> 01:05:26,640

share the love let's share the wealth

1504

01:05:31,789 --> 01:05:29,040

there can never be too many um I hear

1505

01:05:34,069 --> 01:05:31,799

George Knapp and Jeremy Corbell are

1506

01:05:36,170 --> 01:05:34,079

coming out with their own podcast uh

1507

01:05:37,970 --> 01:05:36,180

weaponized podcast I think it's called

1508

01:05:39,829 --> 01:05:37,980

which is dropping their Premiere

1509

01:05:41,809 --> 01:05:39,839

episodes sometime this week

1510

01:05:43,970 --> 01:05:41,819

um so be on the lookout for that

1511

01:05:46,490 --> 01:05:43,980

um there's room for everyone at the UFO

1512

01:05:48,829 --> 01:05:46,500

table in my personal opinion

1513

01:05:51,170 --> 01:05:48,839

um the more the merrier and we build

1514

01:05:53,089 --> 01:05:51,180

each other up instead of uh you know

1515

01:05:56,210 --> 01:05:53,099

shooting each other down and that's what

1516

01:05:59,930 --> 01:05:56,220

I love about the podcasting Community uh

1517

01:06:02,510 --> 01:05:59,940

take note UFO Twitter

1518

01:06:05,990 --> 01:06:02,520

um Black Vault thank you Ian he says

1519

01:06:09,170 --> 01:06:06,000

surprise coming your way this week

1525

01:06:26,210 --> 01:06:22,880

um I hope you enjoyed this live stream

1526

01:06:30,470 --> 01:06:26,220

Sue and Doug and um you almost made me

1527

01:06:32,690 --> 01:06:30,480

cry uh typical typical sensitive Ryan so

1528

01:06:35,750 --> 01:06:32,700

1532

01:06:45,890 --> 01:06:43,140

1533

01:06:47,450 --> 01:06:45,900

doing that with Lou Elizondo or Ross

1534

01:06:49,309 --> 01:06:47,460

coldheart I think you're referring to

1535

01:06:51,950 --> 01:06:49,319

that'd be cool maybe they'll have on his

1536

01:06:53,809 --> 01:06:51,960

guests we'll see who knows what Jeremy

1537

01:06:55,970 --> 01:06:53,819

Corbell is cooking up over there he's

1538

01:06:58,430 --> 01:06:55,980

always cooking up something

1539

01:07:00,410 --> 01:06:58,440

um whether you like it or not

1540

01:07:04,870 --> 01:07:00,420

um so yeah being the lookout for their

1542

01:07:11,210 --> 01:07:07,980
