[Applause]

3
00:00:35,389 --> 00:00:21,440
[Music]

4
00:00:42,110 --> 00:00:38,210
foreign

[Music]

6
00:00:47,389 --> 00:00:44,219
I served in the United States Navy from

7
00:00:49,610 --> 00:00:47,399
2009 to 2013. I was stationed in Lemoore

8
00:00:51,889 --> 00:00:49,620
California and during my time a little

9
00:00:53,029 --> 00:00:51,899
more California I witnessed multiple

10
00:00:56,450 --> 00:00:53,039
sightings

11
00:00:58,250 --> 00:00:56,460
of UFOs I will start with my sayings in

12
00:01:00,709 --> 00:00:58,260
chronological order they were taking

13
00:01:05,030 --> 00:01:00,719

place in November 2011 through October

14

00:01:07,070 --> 00:01:05,040

2012. my first eye November 15 2011 at

15

00:01:09,410 --> 00:01:07,080

approximately 11 30 pm

16

00:01:11,750 --> 00:01:09,420

I was on my watch Duty welcome back

17

00:01:13,789 --> 00:01:11,760

towards my post after walking around the

18

00:01:15,590 --> 00:01:13,799

enlisted buildings I noticed an object

19

00:01:17,450 --> 00:01:15,600

in the sky too slow to be an F-18 Super

20

00:01:19,850 --> 00:01:17,460

Hornet which I'm very familiar with

21

00:01:22,370 --> 00:01:19,860

these as I work on them due to my job

22

00:01:24,170 --> 00:01:22,380

I didn't realize the shape wasn't as a

23

00:01:26,390 --> 00:01:24,180

jet but I had a triangular look to it

24

00:01:27,410 --> 00:01:26,400

where lights glowing beneath it the

25

00:01:28,969 --> 00:01:27,420

distance from my point of view to

26
00:01:31,310 --> 00:01:28,979
deciding was at least 500 yards away

27
00:01:33,050 --> 00:01:31,320
moving away from the airstrip which is

28
00:01:34,850 --> 00:01:33,060
only a few miles down the road

29
00:01:36,109 --> 00:01:34,860
to my acknowledge the shape of it I say

30
00:01:37,429 --> 00:01:36,119
we're about three thousand to five

31
00:01:38,929 --> 00:01:37,439
thousand feet above

32
00:01:41,270 --> 00:01:38,939
and the speed

33
00:01:45,289 --> 00:01:41,280
was incredible

34
00:01:46,609 --> 00:01:45,299
the shape of it and the I can't describe

35
00:01:49,850 --> 00:01:46,619
it the color

36
00:01:52,310 --> 00:01:49,860
almost as a as a as a metallic

37
00:01:54,530 --> 00:01:52,320
metallic kind of dark gray I would I

38
00:01:55,730 --> 00:01:54,540

would assume from from what I from what

39

00:01:58,249 --> 00:01:55,740

it looked like to me

40

00:02:00,410 --> 00:01:58,259

uh my second sighting December 24 2011

41

00:02:02,149 --> 00:02:00,420

and approximately 2100 hours

42

00:02:04,310 --> 00:02:02,159

uh walking back to my car for my

43

00:02:05,870 --> 00:02:04,320

Barracks uh just about to get in my car

44

00:02:07,429 --> 00:02:05,880

I look up to my right I know it's the

45

00:02:09,650 --> 00:02:07,439

same fine object again this time much

46

00:02:10,669 --> 00:02:09,660

closer than it was before uh moving at

47

00:02:13,550 --> 00:02:10,679

the same speed

48

00:02:17,930 --> 00:02:13,560

uh this time I I was basically just

49

00:02:20,150 --> 00:02:17,940

mesmerized yet again uh by it as a I got

50

00:02:21,470 --> 00:02:20,160

a clean look at it this time uh with

51
00:02:23,390 --> 00:02:21,480
three lights underneath there with one

52
00:02:25,130 --> 00:02:23,400
glowing orange in the middle of it

53
00:02:26,690 --> 00:02:25,140
and then like I said blinking of eye

54
00:02:27,890 --> 00:02:26,700
just gone again

55
00:02:30,830 --> 00:02:27,900
ah

56
00:02:33,290 --> 00:02:30,840
third signing February 3rd 2012 oh 200

57
00:02:34,970 --> 00:02:33,300
am on my watch Duty again this time

58
00:02:37,070 --> 00:02:34,980
though I'm with my shipmate

59
00:02:38,390 --> 00:02:37,080
we were walking back towards Barrack D

60
00:02:40,309 --> 00:02:38,400
he was uh he was the only one who

61
00:02:42,350 --> 00:02:40,319
actually witnessed this object with me

62
00:02:44,270 --> 00:02:42,360
at this time and I was I was very happy

63
00:02:46,610 --> 00:02:44,280

that I had someone with me to witness it

64

00:02:49,009 --> 00:02:46,620

uh we were smoking cigarettes

65

00:02:50,390 --> 00:02:49,019

looking up and he noticed it and I and I

66

00:02:52,790 --> 00:02:50,400

I explained to him right away this is

67

00:02:55,850 --> 00:02:52,800

what I tried to describe to him and we

68

00:02:57,589 --> 00:02:55,860

were both stunned mesmerized by it again

69

00:03:00,410 --> 00:02:57,599

I know he didn't like talk about it much

70

00:03:02,750 --> 00:03:00,420

after that after what happened but um

71

00:03:05,509 --> 00:03:02,760

it's so

72

00:03:07,970 --> 00:03:05,519

it's crazy because the way the way that

73

00:03:10,729 --> 00:03:07,980

it's it's described and just just the

74

00:03:12,890 --> 00:03:10,739

speed of it I mean incredible speed okay

75

00:03:14,270 --> 00:03:12,900

it's incredible speed and I know there

76
00:03:15,589 --> 00:03:14,280
are other prototypes out there you know

77
00:03:17,750 --> 00:03:15,599
United States aircraft you know

78
00:03:19,610 --> 00:03:17,760
prototypes that probably have this I

79
00:03:21,770 --> 00:03:19,620
guess same shape as aircrafts but just

80
00:03:24,710 --> 00:03:21,780
the speed is is what gets me

81
00:03:28,550 --> 00:03:24,720
uh my fourth signing June June 11 2012

82
00:03:30,949 --> 00:03:28,560
at 23 uh 23 30 basically 11 30 a.m uh

83
00:03:33,470 --> 00:03:30,959
p.m driving on my base from work uh it's

84
00:03:35,509 --> 00:03:33,480
a long Seven Mile Stretch Road uh as I'm

85
00:03:36,770 --> 00:03:35,519
driving ahead and notice to my left it

86
00:03:39,290 --> 00:03:36,780
was there it was it was there again but

87
00:03:40,729 --> 00:03:39,300
this this time this time what got me was

88
00:03:41,690 --> 00:03:40,739

that at this time they're usually flight

89

00:03:45,350 --> 00:03:41,700

flight

90

00:03:46,970 --> 00:03:45,360

this time and those guys were empty and

91

00:03:48,830 --> 00:03:46,980

it's just this one flying object yet

92

00:03:52,610 --> 00:03:48,840

again in the Sky by itself

93

00:03:54,949 --> 00:03:52,620

so it's it was crazy to get to see at

94

00:03:56,030 --> 00:03:54,959

this time again uh very this time very

95

00:03:58,070 --> 00:03:56,040

far away from me but I could tell it

96

00:03:59,809 --> 00:03:58,080

wasn't an F-18 you know aircraft again

97

00:04:01,610 --> 00:03:59,819

it was it was this triangular uh

98

00:04:04,250 --> 00:04:01,620

aircraft and then the last signing was

99

00:04:06,770 --> 00:04:04,260

on October 12 2012.

100

00:04:08,869 --> 00:04:06,780

um at approximately 1am uh this time I

101
00:04:11,630 --> 00:04:08,879
was on my duty again wasn't too far away

102
00:04:13,190 --> 00:04:11,640
from my barracks and this time it didn't

103
00:04:14,570 --> 00:04:13,200
take too long I literally just noticed

104
00:04:17,689 --> 00:04:14,580
it and in a blink of an eye was just

105
00:04:19,909 --> 00:04:17,699
gone again but this aircraft around my

106
00:04:21,830 --> 00:04:19,919
around my Naval Base I mean

107
00:04:22,909 --> 00:04:21,840
with this many songs it was hard to

108
00:04:25,310 --> 00:04:22,919
believe that I'm the only one who always

109
00:04:26,629 --> 00:04:25,320
witnessed this you know and I didn't I

110
00:04:28,550 --> 00:04:26,639
tried mentioning to one of my superiors

111
00:04:30,050 --> 00:04:28,560
above I know he just brushed it off it's

112
00:04:31,909 --> 00:04:30,060
like oh yeah were you drinking on duty

113
00:04:32,689 --> 00:04:31,919

or something like that so I already knew

114

00:04:35,390 --> 00:04:32,699

that I didn't want to be able to

115

00:04:36,590 --> 00:04:35,400

crackpot or a psycho on on the base uh

116

00:04:39,110 --> 00:04:36,600

just for opening my mouth about this

117

00:04:40,670 --> 00:04:39,120

stuff I mean you know people believe

118

00:04:43,670 --> 00:04:40,680

what they want to believe but you know

119

00:04:46,010 --> 00:04:43,680

these eyes saw what they saw and uh I'm

120

00:04:47,330 --> 00:04:46,020

Gonna Leave it through and whoever has

121

00:04:49,790 --> 00:04:47,340

all the theories about it I listen to

122

00:04:50,990 --> 00:04:49,800

all of them with an open mind and I

123

00:04:55,249 --> 00:04:51,000

appreciate you guys for listening to me

124

00:05:00,350 --> 00:04:57,950

hey Ryan thank you for inviting me to be

125

00:05:04,370 --> 00:05:00,360

on somewhere in the skies

126
00:05:10,249 --> 00:05:04,380
my name is Shelley bianza and I am an

127
00:05:12,350 --> 00:05:10,259
author a self-publisher a writer a I

128
00:05:15,230 --> 00:05:12,360
don't like the word psychic but I do do

129
00:05:16,430 --> 00:05:15,240
readings I'm pretty much a little bit

130
00:05:18,409 --> 00:05:16,440
into

131
00:05:22,029 --> 00:05:18,419
everything quite a bit of things under

132
00:05:25,430 --> 00:05:22,039
my belt but more currently I have begun

133
00:05:28,310 --> 00:05:25,440
about two or three years ago running a

134
00:05:30,529 --> 00:05:28,320
paranormal group in New York state we

135
00:05:32,390 --> 00:05:30,539
cover all of New York State and try to

136
00:05:36,110 --> 00:05:32,400
help residential or commercial

137
00:05:39,230 --> 00:05:36,120
businesses or homeowners to understand

138
00:05:41,870 --> 00:05:39,240

what's going on in their home when they

139

00:05:45,050 --> 00:05:41,880

have ghostly activities or other

140

00:05:47,930 --> 00:05:45,060

activities that they don't understand I

141

00:05:51,409 --> 00:05:47,940

really think that with our team it's

142

00:05:54,770 --> 00:05:51,419

important for us to educate people on

143

00:05:56,810 --> 00:05:54,780

what we do and educate them on what's

144

00:05:59,350 --> 00:05:56,820

really just going on is is often not

145

00:06:02,450 --> 00:05:59,360

what they really think but through our

146

00:06:05,749 --> 00:06:02,460

investigations we're able to generally

147

00:06:07,430 --> 00:06:05,759

calm people's nerves down so that's a

148

00:06:10,430 --> 00:06:07,440

good thing to be able to help people

149

00:06:12,469 --> 00:06:10,440

I had an experience in the beginning of

150

00:06:14,029 --> 00:06:12,479

January this year

151
00:06:16,969 --> 00:06:14,039
where

152
00:06:19,370 --> 00:06:16,979
my friend was looking out my living room

153
00:06:22,189 --> 00:06:19,380
window and

154
00:06:25,249 --> 00:06:22,199
something caught his eye

155
00:06:28,790 --> 00:06:25,259
and when he looked out he saw

156
00:06:32,450 --> 00:06:28,800
two red Globes

157
00:06:36,050 --> 00:06:32,460
floating over the Treetops

158
00:06:37,189 --> 00:06:36,060
and he watched it and these things they

159
00:06:40,490 --> 00:06:37,199
hovered

160
00:06:43,249 --> 00:06:40,500
said it really was no higher than what

161
00:06:46,550 --> 00:06:43,259
looked like Treetop level

162
00:06:49,550 --> 00:06:46,560
and of course I didn't see that myself

163
00:06:51,950 --> 00:06:49,560

and he stepped out of the room and I was

164

00:06:56,150 --> 00:06:51,960

wondering what that could be

165

00:06:58,909 --> 00:06:56,160

I'm also a weather storm chaser on the

166

00:07:03,170 --> 00:06:58,919

side so I was sitting in the living room

167

00:07:05,870 --> 00:07:03,180

myself and looking straight out and my

168

00:07:08,990 --> 00:07:05,880

window in the living room because all of

169

00:07:11,510 --> 00:07:09,000

a sudden this huge and I do mean huge I

170

00:07:14,749 --> 00:07:11,520

can't even think of a word that's big

171

00:07:17,390 --> 00:07:14,759

enough to describe what I was seeing was

172

00:07:20,809 --> 00:07:17,400

this huge red

173

00:07:23,749 --> 00:07:20,819

super bright thing I don't know what to

174

00:07:27,050 --> 00:07:23,759

call it this I don't know what to call

175

00:07:29,629 --> 00:07:27,060

it it's like you see this brightness it

176

00:07:31,969 --> 00:07:29,639

filled my entire living room window it

177

00:07:35,089 --> 00:07:31,979

was completely bright red like the

178

00:07:37,070 --> 00:07:35,099

brightest LED light or tail light you

179

00:07:39,770 --> 00:07:37,080

could imagine on a car

180

00:07:42,469 --> 00:07:39,780

is that it was that bright

181

00:07:45,469 --> 00:07:42,479

and it filled the entire view out my

182

00:07:48,409 --> 00:07:45,479

window and it was like I saw it

183

00:07:50,890 --> 00:07:48,419

and I knew it wasn't normal but at the

184

00:07:54,110 --> 00:07:50,900

same time I couldn't really register

185

00:07:57,290 --> 00:07:54,120

logically what I was seeing it just

186

00:07:59,330 --> 00:07:57,300

really blew my mind to be honest and it

187

00:08:01,730 --> 00:07:59,340

was gone in a split second it was that

188

00:08:03,890 --> 00:08:01,740

quick but it was that huge

189

00:08:06,830 --> 00:08:03,900

and being that it followed

190

00:08:09,710 --> 00:08:06,840

my friend seeing these red Globes I was

191

00:08:10,969 --> 00:08:09,720

like oh my God what did I just see what

192

00:08:13,790 --> 00:08:10,979

was that

193

00:08:16,249 --> 00:08:13,800

how could that happen what are they

194

00:08:18,710 --> 00:08:16,259

looking for was it actually something

195

00:08:20,809 --> 00:08:18,720

that looking into my home

196

00:08:22,790 --> 00:08:20,819

you just don't know

197

00:08:24,950 --> 00:08:22,800

so I went online

198

00:08:27,529 --> 00:08:24,960

thinking maybe it was some kind of

199

00:08:30,230 --> 00:08:27,539

freaky weather anomaly and I was going

200

00:08:33,050 --> 00:08:30,240

on our local news channel

201
00:08:36,490 --> 00:08:33,060
weather reports to see if anybody else

202
00:08:40,310 --> 00:08:36,500
had reported such a thing and they did

203
00:08:41,510 --> 00:08:40,320
this thing or things these two red

204
00:08:46,070 --> 00:08:41,520
Globes

205
00:08:49,130 --> 00:08:46,080
different parts of New York State on the

206
00:08:51,710 --> 00:08:49,140
same night and then I reached out to one

207
00:08:54,350 --> 00:08:51,720
of the ladies that commented on that

208
00:08:56,930 --> 00:08:54,360
thread on the weather

209
00:08:59,990 --> 00:08:56,940
on page on Facebook because she said

210
00:09:01,670 --> 00:09:00,000
that her eight-year-old son came to her

211
00:09:05,509 --> 00:09:01,680
and said Mommy

212
00:09:06,949 --> 00:09:05,519
what are those red balls in the sky

213
00:09:11,690 --> 00:09:06,959

and

214

00:09:14,509 --> 00:09:11,700

they were hovering in the sky not very

215

00:09:17,389 --> 00:09:14,519

high up but there and I don't know what

216

00:09:20,810 --> 00:09:17,399

she ended up telling her son but I did

217

00:09:23,090 --> 00:09:20,820

reach out to her after the facts and

218

00:09:25,730 --> 00:09:23,100

emailed her privately

219

00:09:27,530 --> 00:09:25,740

and asked her a little bit more about it

220

00:09:31,190 --> 00:09:27,540

and she said she just didn't know what

221

00:09:33,350 --> 00:09:31,200

to tell her child but to me it's a the

222

00:09:35,090 --> 00:09:33,360

child was eight years old and there was

223

00:09:38,210 --> 00:09:35,100

a little boy and

224

00:09:40,790 --> 00:09:38,220

somebody that young doesn't just make

225

00:09:43,430 --> 00:09:40,800

that up out of the blue I think it was

226

00:09:45,230 --> 00:09:43,440

very legitimate and it proved to be

227

00:09:49,490 --> 00:09:45,240

legitimate anyways there were other

228

00:09:51,710 --> 00:09:49,500

people in nearby cities I mean like I'm

229

00:09:54,889 --> 00:09:51,720

in Fulton County and these were people

230

00:09:56,630 --> 00:09:54,899

from Albany County New York all on the

231

00:09:57,769 --> 00:09:56,640

same night so I really knew something

232

00:10:00,829 --> 00:09:57,779

happened

233

00:10:03,530 --> 00:10:00,839

and it really got my adrenaline going it

234

00:10:05,210 --> 00:10:03,540

was crazy I I have no explanation for it

235

00:10:07,730 --> 00:10:05,220

at all

236

00:10:10,310 --> 00:10:07,740

but that wasn't the first time I've seen

237

00:10:14,990 --> 00:10:10,320

something I saw something when I was a

238

00:10:17,930 --> 00:10:15,000

kid that looked like white circular

239

00:10:18,889 --> 00:10:17,940

globes that were like rotating back and

240

00:10:22,370 --> 00:10:18,899

forth

241

00:10:24,170 --> 00:10:22,380

my mother saw it my sister saw and again

242

00:10:27,530 --> 00:10:24,180

I always thought it was a weather thing

243

00:10:29,570 --> 00:10:27,540

but there was never any weather

244

00:10:32,090 --> 00:10:29,580

anomalies going on

245

00:10:34,070 --> 00:10:32,100

so it's just very strange but it's also

246

00:10:36,350 --> 00:10:34,080

very exciting and it definitely gets my

247

00:10:38,810 --> 00:10:36,360

adrenaline going I don't even know how

248

00:10:40,190 --> 00:10:38,820

to wrap my head around it I did publish

249

00:10:42,530 --> 00:10:40,200

a book

250

00:10:47,090 --> 00:10:42,540

called paranormal presence which has

251

00:10:51,050 --> 00:10:47,100

some of the UFO stories in it which is

252

00:10:53,090 --> 00:10:51,060

sold on Amazon under Chalet brienza

253

00:10:54,829 --> 00:10:53,100

I have some other books on there that

254

00:10:59,030 --> 00:10:54,839

talk about some other

255

00:11:00,769 --> 00:10:59,040

strange things in the book that

256

00:11:02,810 --> 00:11:00,779

particular book paranormal presence is

257

00:11:04,550 --> 00:11:02,820

five different authors in it with

258

00:11:07,490 --> 00:11:04,560

different experiences

259

00:11:08,630 --> 00:11:07,500

so that was pretty cool but UFO was

260

00:11:10,910 --> 00:11:08,640

definitely

261

00:11:16,130 --> 00:11:10,920

are something that I believe in

262

00:11:19,130 --> 00:11:16,140

and I often wonder if the theory of

263

00:11:20,509 --> 00:11:19,140

calling them in telepathically is

264

00:11:21,829 --> 00:11:20,519

something that

265

00:11:24,430 --> 00:11:21,839

is real

266

00:11:27,290 --> 00:11:24,440

because I'm always looking up in the sky

267

00:11:29,750 --> 00:11:27,300

wandering just in case I might see

268

00:11:31,910 --> 00:11:29,760

something because you never know

269

00:11:34,610 --> 00:11:31,920

I don't feel like I'm telepathically

270

00:11:39,410 --> 00:11:34,620

calling anything in however I really

271

00:11:45,590 --> 00:11:42,069

um entire I don't know universe or

272

00:11:48,769 --> 00:11:45,600

intelligence out there Way Beyond us

273

00:11:51,170 --> 00:11:48,779

just probably checking us out I mean if

274

00:11:52,910 --> 00:11:51,180

it was the other way around and we knew

275

00:11:55,370 --> 00:11:52,920

that there was some kind of Life Force

276

00:11:57,650 --> 00:11:55,380

out there outside of Earth

277

00:11:59,269 --> 00:11:57,660

I think we would want to take a look at

278

00:12:00,769 --> 00:11:59,279

it and check it out too

279

00:12:02,930 --> 00:12:00,779

so it's pretty cool

280

00:12:03,970 --> 00:12:02,940

I want to thank you for having me on

281

00:12:06,530 --> 00:12:03,980

your podcast

282

00:12:07,910 --> 00:12:06,540

and I look forward to hearing more

283

00:12:11,150 --> 00:12:07,920

stories about

284

00:12:13,790 --> 00:12:11,160

something in the sky or somewhere in the

285

00:12:16,190 --> 00:12:13,800

sky as this is a worldwide

286

00:12:19,069 --> 00:12:16,200

phenomena going on

287

00:12:21,650 --> 00:12:19,079

but being as it's documented so many

288

00:12:24,050 --> 00:12:21,660

times repeatedly I really feel that

289

00:12:26,030 --> 00:12:24,060

there's something to this if the

290

00:12:27,889 --> 00:12:26,040

government is admitting now that this is

291

00:12:31,370 --> 00:12:27,899

real I think that's a pretty good

292

00:12:33,949 --> 00:12:31,380

indication that something really is in

293

00:12:37,370 --> 00:12:33,959

the skies thanks Ryan we'll talk to you

294

00:12:42,530 --> 00:12:39,829

hi Ryan and all the listeners of

295

00:12:44,690 --> 00:12:42,540

somewhere in the skies fantastic podcast

296

00:12:47,449 --> 00:12:44,700

I have listened to myself for many years

297

00:12:50,329 --> 00:12:47,459

my name is Andy Andy mcgrillin and I'm

298

00:12:52,069 --> 00:12:50,339

also the host of that UFO podcast and

299

00:12:54,290 --> 00:12:52,079

pleased to see I'm a friend and

300

00:12:56,210 --> 00:12:54,300

colleague of Ryan's now as well

301
00:12:59,210 --> 00:12:56,220
um I want to share my own story with you

302
00:13:03,769 --> 00:12:59,220
of meaning to do with Ryan for some time

303
00:13:05,210 --> 00:13:03,779
um I've had two satins one 2019 I saw a

304
00:13:06,290 --> 00:13:05,220
black triangle

305
00:13:08,870 --> 00:13:06,300
um which is probably the least

306
00:13:11,329 --> 00:13:08,880
interesting of the one coming home along

307
00:13:13,550 --> 00:13:11,339
a dark Road in Northumberland in the UK

308
00:13:15,949 --> 00:13:13,560
and it's a dark road but it was really

309
00:13:17,509 --> 00:13:15,959
busy with traffic around 6 p.m in the

310
00:13:20,870 --> 00:13:17,519
evening so everyone coming home from

311
00:13:22,370 --> 00:13:20,880
work and notice two lights can I low

312
00:13:24,350 --> 00:13:22,380
down in the sky maybe a couple of

313
00:13:26,030 --> 00:13:24,360

hundred feet off the ground at most it

314

00:13:27,829 --> 00:13:26,040

is quite near an airport so I just

315

00:13:30,170 --> 00:13:27,839

thought it's just a plane coming in but

316

00:13:31,910 --> 00:13:30,180

it was an odd path given the the runways

317

00:13:33,530 --> 00:13:31,920

were further over

318

00:13:36,050 --> 00:13:33,540

um but noticed as I drove towards it

319

00:13:37,610 --> 00:13:36,060

they hadn't moved when you tend to you

320

00:13:39,949 --> 00:13:37,620

know as you get closer they get closer

321

00:13:41,389 --> 00:13:39,959

or move or you see them flashing and and

322

00:13:44,030 --> 00:13:41,399

stuff like that but it wasn't doing

323

00:13:45,769 --> 00:13:44,040

anything and then I noticed that uh a

324

00:13:47,569 --> 00:13:45,779

van a white van had pulled over to the

325

00:13:49,129 --> 00:13:47,579

side of the road and the the gentleman

326

00:13:51,889 --> 00:13:49,139

driving the van was leaning out and

327

00:13:53,629 --> 00:13:51,899

looking up and as I drove underneath the

328

00:13:55,790 --> 00:13:53,639

lights at this point realizing that they

329

00:13:57,170 --> 00:13:55,800

weren't seeming to be moving

330

00:14:00,410 --> 00:13:57,180

um you could clearly make out against

331

00:14:02,569 --> 00:14:00,420

the Black Winter Sky uh a black

332

00:14:04,850 --> 00:14:02,579

triangular shape and the two lights

333

00:14:06,650 --> 00:14:04,860

strangely were just at the back of the

334

00:14:09,050 --> 00:14:06,660

object and there was nothing on the

335

00:14:10,970 --> 00:14:09,060

front and I can honestly say going under

336

00:14:13,069 --> 00:14:10,980

it I expected to see the outline of an

337

00:14:14,690 --> 00:14:13,079

aircraft or the other lights at the tail

338

00:14:16,370 --> 00:14:14,700

or the front but there was nothing just

339

00:14:18,650 --> 00:14:16,380

the two lights on the tip and this thing

340

00:14:20,090 --> 00:14:18,660

was completely still I managed to turn

341

00:14:21,650 --> 00:14:20,100

the car around

342

00:14:23,750 --> 00:14:21,660

um and as I did looking in my rear view

343

00:14:25,970 --> 00:14:23,760

mirror after a couple of seconds the the

344

00:14:27,829 --> 00:14:25,980

object moved over some trees diagonally

345

00:14:30,530 --> 00:14:27,839

just a really strange kind of movement

346

00:14:33,350 --> 00:14:30,540

but you know again you could just make

347

00:14:34,850 --> 00:14:33,360

out the the shape of it as I turned the

348

00:14:37,310 --> 00:14:34,860

car around them and back along the road

349

00:14:39,410 --> 00:14:37,320

the the clearing opens up to an

350

00:14:41,689 --> 00:14:39,420

expansive Fields where you would have a

351

00:14:43,009 --> 00:14:41,699

clear view of the sky and given this

352

00:14:44,569 --> 00:14:43,019

thing was only a couple of hundred feet

353

00:14:46,790 --> 00:14:44,579

at most off the ground you would have

354

00:14:48,769 --> 00:14:46,800

been able to see it and I couldn't it

355

00:14:50,389 --> 00:14:48,779

was it was gone and so if those lights

356

00:14:52,550 --> 00:14:50,399

had turned off maybe you wouldn't have

357

00:14:53,930 --> 00:14:52,560

saw it against the dark sky but the

358

00:14:55,310 --> 00:14:53,940

thing was that Lowdown I would have

359

00:14:57,410 --> 00:14:55,320

expected to

360

00:15:00,170 --> 00:14:57,420

um that that was my my second and

361

00:15:01,550 --> 00:15:00,180

probably least interesting however my my

362

00:15:04,550 --> 00:15:01,560

first one which I find far more

363

00:15:06,170 --> 00:15:04,560

interesting would be the one that

364

00:15:08,269 --> 00:15:06,180

happened in the mid 90s and there can't

365

00:15:09,470 --> 00:15:08,279

be too exact with details it would have

366

00:15:12,170 --> 00:15:09,480

been winter

367

00:15:14,150 --> 00:15:12,180

um late October November time in the mid

368

00:15:15,650 --> 00:15:14,160

90s I would have been about nine or ten

369

00:15:17,870 --> 00:15:15,660

years old and there was five of us

370

00:15:20,150 --> 00:15:17,880

leaving what would be the the boys

371

00:15:23,090 --> 00:15:20,160

Brigade which is a bit like the scouts

372

00:15:25,790 --> 00:15:23,100

but uh based here in the UK and there

373

00:15:27,889 --> 00:15:25,800

was uh myself my mum my sister a friend

374

00:15:29,810 --> 00:15:27,899

of mine and his mum all leaving the

375

00:15:32,449 --> 00:15:29,820

church where the the BB as it was called

376

00:15:34,850 --> 00:15:32,459

the boys Brigade was on again Winter's

377

00:15:37,970 --> 00:15:34,860

Night really cold dark however this

378

00:15:40,250 --> 00:15:37,980

object wasn't high up in the sky as we

379

00:15:42,230 --> 00:15:40,260

walked along this road you could see

380

00:15:44,210 --> 00:15:42,240

down to the right hand side of the

381

00:15:46,430 --> 00:15:44,220

street you know half a mile at most a

382

00:15:49,490 --> 00:15:46,440

very built up suburban area lots of

383

00:15:51,350 --> 00:15:49,500

houses shops lights traffic it was that

384

00:15:54,110 --> 00:15:51,360

kind of area not Fields you know really

385

00:15:56,210 --> 00:15:54,120

really busy this is in Glasgow Scotland

386

00:15:58,910 --> 00:15:56,220

and as I look down the street

387

00:16:00,650 --> 00:15:58,920

um behind the tree line you couldn't see

388

00:16:02,870 --> 00:16:00,660

the bottom of the object it was that low

389

00:16:04,970 --> 00:16:02,880

imagine a ferris wheel you would see at

390

00:16:06,949 --> 00:16:04,980

a carnival like a big wheel as we call

391

00:16:08,689 --> 00:16:06,959

them in the UK or a ferris wheel but

392

00:16:10,610 --> 00:16:08,699

slightly tilted at an angle like the

393

00:16:13,189 --> 00:16:10,620

Leaning Tower of Pisa that's spinning

394

00:16:15,530 --> 00:16:13,199

round ridiculously quick like a washing

395

00:16:17,689 --> 00:16:15,540

machine cylinder and I could just make

396

00:16:20,449 --> 00:16:17,699

out these lights I can't say it was

397

00:16:22,009 --> 00:16:20,459

definitely disc shaped but just given

398

00:16:24,230 --> 00:16:22,019

the angle it was at and the fact it was

399

00:16:27,769 --> 00:16:24,240

spinning it seemed that kind of circular

400

00:16:30,949 --> 00:16:27,779

disc type type a pattern and we all saw

401

00:16:32,870 --> 00:16:30,959

it we looked along saw this object no

402

00:16:35,389 --> 00:16:32,880

other cars had stopped you know nothing

403

00:16:38,210 --> 00:16:35,399

like that we all remember seeing it and

404

00:16:40,490 --> 00:16:38,220

after kind of standing for no more than

405

00:16:43,790 --> 00:16:40,500

a few seconds observing we just walked

406

00:16:47,090 --> 00:16:43,800

home away from its view and that was it

407

00:16:49,610 --> 00:16:47,100

honestly it was the most spectacular

408

00:16:51,050 --> 00:16:49,620

thing clearly I've ever seen

409

00:16:53,449 --> 00:16:51,060

um the people I witnessed it still

410

00:16:56,150 --> 00:16:53,459

remember it to this day my my own mum my

411

00:16:58,610 --> 00:16:56,160

own mother who knows I've got the that

412

00:17:01,490 --> 00:16:58,620

UFO podcast and an interest in a UFO

413

00:17:04,610 --> 00:17:01,500

subject has no interest in UFOs aliens

414

00:17:06,710 --> 00:17:04,620

any of that kind of stuff however if you

415

00:17:08,390 --> 00:17:06,720

ask car even to this day she remembers

416

00:17:10,610 --> 00:17:08,400

it she remembers it being strange but

417

00:17:11,929 --> 00:17:10,620

has no idea what it was that's it she'll

418

00:17:14,449 --> 00:17:11,939

just say you know oh well it's not

419

00:17:16,069 --> 00:17:14,459

aliens not UFO not a UFO which it

420

00:17:17,870 --> 00:17:16,079

clearly was a UFO but you know what I

421

00:17:20,270 --> 00:17:17,880

mean listening to this

422

00:17:22,730 --> 00:17:20,280

um so yeah that that really as much as I

423

00:17:24,470 --> 00:17:22,740

had an interest in UFOs Mysteries and

424

00:17:26,689 --> 00:17:24,480

the world over at that point already as

425

00:17:29,150 --> 00:17:26,699

a young kid that kind of spurned me on

426

00:17:31,010 --> 00:17:29,160

with a lifelong passion and interest

427

00:17:33,110 --> 00:17:31,020

similar to many of you listening to this

428

00:17:34,730 --> 00:17:33,120

podcast with Ryan and similar to Ryan

429

00:17:36,890 --> 00:17:34,740

with the great work he does over the

430

00:17:38,990 --> 00:17:36,900

years through his podcast and TV work as

431

00:17:41,150 --> 00:17:39,000

well so yeah I'm glad I could finally

432

00:17:43,190 --> 00:17:41,160

share my story just sorry it's been so

433

00:17:44,570 --> 00:17:43,200

long thank you to Ryan for all the help

434

00:17:47,630 --> 00:17:44,580

he's given me over the last couple of

435

00:17:49,669 --> 00:17:47,640

years with that UFO podcast as well and

436

00:17:51,590 --> 00:17:49,679

I just wish all of you a happy holidays

437

00:17:53,750 --> 00:17:51,600

whether you listen to this maybe it's in

438

00:17:55,610 --> 00:17:53,760

the future and you know it's no longer

439

00:17:57,470 --> 00:17:55,620

the holiday period but when I recorded

440

00:18:02,330 --> 00:17:57,480

it it was so thanks very much everyone

441

00:18:07,730 --> 00:18:05,450

hey Ryan my name is Josh and I would

442

00:18:10,730 --> 00:18:07,740

like to share an experience that I had

443

00:18:12,710 --> 00:18:10,740

the experience was on Saturday July 11

444

00:18:15,830 --> 00:18:12,720

2020

445

00:18:18,770 --> 00:18:15,840

here in Las Vegas I'm a Vegas resident

446

00:18:21,890 --> 00:18:18,780

and it happened on East Russell Road

447

00:18:24,950 --> 00:18:21,900

near the Sam Boyd football stadium I was

448

00:18:27,590 --> 00:18:24,960

walking down Russell Road at about maybe

449

00:18:30,289 --> 00:18:27,600

7 45 8 o'clock P.M

450

00:18:32,210 --> 00:18:30,299

and as I was walking I just happened to

451
00:18:33,049 --> 00:18:32,220
look up as I always do searching for

452
00:18:36,230 --> 00:18:33,059
things

453
00:18:38,390 --> 00:18:36,240
and as soon as I pop my head up I

454
00:18:40,549 --> 00:18:38,400
noticed a cylinder in the sky

455
00:18:42,409 --> 00:18:40,559
if I had to estimate it would probably

456
00:18:45,169 --> 00:18:42,419
be in about

457
00:18:46,070 --> 00:18:45,179
maybe five six thousand feet I could be

458
00:18:48,529 --> 00:18:46,080
wrong

459
00:18:50,510 --> 00:18:48,539
but it was a cylinder with the front

460
00:18:53,990 --> 00:18:50,520
portion of it being black

461
00:18:56,690 --> 00:18:54,000
and the the second portion of it being

462
00:18:58,850 --> 00:18:56,700
gray more of a gunmetal color

463
00:19:02,570 --> 00:18:58,860

and it was flying straight up

464

00:19:06,049 --> 00:19:02,580

at a good clip and then it stopped made

465

00:19:09,409 --> 00:19:06,059

a right turn and probably flew another

466

00:19:11,870 --> 00:19:09,419

I would say maybe two three hundred feet

467

00:19:14,230 --> 00:19:11,880

and it stopped again and then it either

468

00:19:17,150 --> 00:19:14,240

disappeared or it shot off

469

00:19:19,070 --> 00:19:17,160

instantaneously because it was gone

470

00:19:20,810 --> 00:19:19,080

there was a cloud of smoke and the

471

00:19:23,870 --> 00:19:20,820

object was gone

472

00:19:26,630 --> 00:19:23,880

so that just blew my mind it lasted

473

00:19:28,850 --> 00:19:26,640

probably less than five seconds and

474

00:19:33,770 --> 00:19:28,860

it left me with the feeling of disbelief

475

00:19:36,529 --> 00:19:33,780

of extreme curiosity and of uh of of

476

00:19:38,510 --> 00:19:36,539

Wonder just to what it was

477

00:19:40,909 --> 00:19:38,520

it didn't seem like a conventional craft

478

00:19:41,930 --> 00:19:40,919

it didn't seem like a man-made craft but

479

00:19:47,270 --> 00:19:41,940

it could be

480

00:19:49,730 --> 00:19:47,280

so that was the beginning and I kept

481

00:19:51,529 --> 00:19:49,740

walking down Russell Road and I got to

482

00:19:55,669 --> 00:19:51,539

the end and this by this time it was

483

00:19:57,529 --> 00:19:55,679

about 8 11 maybe quarter after 8 p.m and

484

00:19:59,930 --> 00:19:57,539

it was still light out and I noticed

485

00:20:03,230 --> 00:19:59,940

above the stadium this bright pink

486

00:20:05,450 --> 00:20:03,240

object that was shaped like a square

487

00:20:08,210 --> 00:20:05,460

maybe a rectangle but it was not

488

00:20:10,850 --> 00:20:08,220

aerodynamic and it shot straight up in

489

00:20:13,669 --> 00:20:10,860

the air from behind the stadium to about

490

00:20:16,810 --> 00:20:13,679

maybe a thousand two thousand feet and

491

00:20:19,970 --> 00:20:16,820

it started making enormous vertical

492

00:20:22,909 --> 00:20:19,980

circles and horizontal circles in the

493

00:20:25,070 --> 00:20:22,919

sky it was going really fast

494

00:20:28,070 --> 00:20:25,080

and I don't know how it was flying it

495

00:20:29,570 --> 00:20:28,080

didn't have wings it didn't from my

496

00:20:31,970 --> 00:20:29,580

perspective didn't have any means of

497

00:20:35,270 --> 00:20:31,980

propulsion and it looked like a square

498

00:20:37,490 --> 00:20:35,280

like a a block of some sort

499

00:20:39,289 --> 00:20:37,500

and it just kept making these circles I

500

00:20:41,990 --> 00:20:39,299

watched it and recorded it for about

501
00:20:44,990 --> 00:20:42,000
maybe two or three minutes

502
00:20:48,169 --> 00:20:45,000
and then as I was recording it

503
00:20:50,630 --> 00:20:48,179
I look off behind the stadium near what

504
00:20:53,390 --> 00:20:50,640
I believe is Sunrise Mountain and I

505
00:20:56,029 --> 00:20:53,400
noticed a bunch of sirens

506
00:20:58,970 --> 00:20:56,039
and lights coming towards the stadium

507
00:21:00,590 --> 00:20:58,980
so I wasn't sure what that was and what

508
00:21:03,289 --> 00:21:00,600
was going on

509
00:21:05,810 --> 00:21:03,299
but I stopped recording and kind of made

510
00:21:07,430 --> 00:21:05,820
my way out of there I wasn't sure what

511
00:21:08,810 --> 00:21:07,440
was going to happen if it's something I

512
00:21:09,770 --> 00:21:08,820
should see or something I shouldn't have

513
00:21:11,390 --> 00:21:09,780

seen

514

00:21:15,950 --> 00:21:11,400

so I didn't want to be any part of it

515

00:21:18,049 --> 00:21:15,960

and I just ended up going home uh

516

00:21:20,150 --> 00:21:18,059

actually I went to a friend's house as

517

00:21:23,230 --> 00:21:20,160

far as the way it made me feel

518

00:21:25,610 --> 00:21:23,240

again it was just utter disbelief

519

00:21:28,909 --> 00:21:25,620

checking my head to see if I really saw

520

00:21:30,470 --> 00:21:28,919

that what I think it was I I honestly

521

00:21:33,649 --> 00:21:30,480

don't know I don't know what either of

522

00:21:35,750 --> 00:21:33,659

the objects were my best guess is

523

00:21:38,510 --> 00:21:35,760

something top secret man-made or

524

00:21:41,510 --> 00:21:38,520

something not of this world

525

00:21:44,270 --> 00:21:41,520

where do I stand today I stand by my

526

00:21:45,590 --> 00:21:44,280

feelings I still don't know what it was

527

00:21:48,350 --> 00:21:45,600

and

528

00:21:50,450 --> 00:21:48,360

you know we could have come so far in

529

00:21:52,850 --> 00:21:50,460

our progress with Aerospace technology

530

00:21:54,350 --> 00:21:52,860

that it could be something man-made but

531

00:21:56,510 --> 00:21:54,360

it could certainly be something else as

532

00:21:59,450 --> 00:21:56,520

well and it was just a really exciting

533

00:22:01,130 --> 00:21:59,460

day for me I've had another sighting a

534

00:22:03,169 --> 00:22:01,140

pretty cool one since then which I would

535

00:22:06,529 --> 00:22:03,179

be happy to share again in another time

536

00:22:09,230 --> 00:22:06,539

uh it was investigated by mufon recently

537

00:22:13,789 --> 00:22:09,240

and the results were pretty cool it was

538

00:22:15,830 --> 00:22:13,799

on September 14th at 4 55 A.M

539

00:22:18,770 --> 00:22:15,840

here in Las Vegas

540

00:22:21,590 --> 00:22:18,780

this would be West Russell Road this

541

00:22:23,450 --> 00:22:21,600

time as I was walking West to the gym to

542

00:22:25,909 --> 00:22:23,460

get an early morning workout and I

543

00:22:28,490 --> 00:22:25,919

noticed a bright light in the sky

544

00:22:30,470 --> 00:22:28,500

that was situated roughly right above

545

00:22:32,750 --> 00:22:30,480

Nellis Air Force Base

546

00:22:34,610 --> 00:22:32,760

and the thing that stood out to me was

547

00:22:37,190 --> 00:22:34,620

that it was not moving or at least it

548

00:22:39,169 --> 00:22:37,200

did not appear to be moving it certainly

549

00:22:41,090 --> 00:22:39,179

wasn't moving left or right

550

00:22:42,710 --> 00:22:41,100

and it wasn't growing in size or

551
00:22:45,770 --> 00:22:42,720
shrinking so I didn't think it was

552
00:22:47,930 --> 00:22:45,780
moving towards me or away from me

553
00:22:48,950 --> 00:22:47,940
and I watched it for about seven to ten

554
00:22:52,070 --> 00:22:48,960
minutes

555
00:22:54,830 --> 00:22:52,080
and it just sat there pulsing

556
00:22:57,770 --> 00:22:54,840
it appeared to be an orange sphere

557
00:22:59,690 --> 00:22:57,780
uh I guess we could call it an orb

558
00:23:01,970 --> 00:22:59,700
very large

559
00:23:03,950 --> 00:23:01,980
and it was just sitting there hanging in

560
00:23:06,110 --> 00:23:03,960
the air above the Air Force Base for

561
00:23:08,870 --> 00:23:06,120
about seven to ten minutes

562
00:23:11,510 --> 00:23:08,880
and I kept watching it I recorded it

563
00:23:13,250 --> 00:23:11,520

and at the end of the

564

00:23:16,250 --> 00:23:13,260
time frame

565

00:23:19,730 --> 00:23:16,260
it went from a pulsing orb

566

00:23:22,310 --> 00:23:19,740
to two very small blinking lights in an

567

00:23:25,490 --> 00:23:22,320
instant it just transformed

568

00:23:27,049 --> 00:23:25,500
and then it started very slowly moving

569

00:23:30,529 --> 00:23:27,059
away to the West

570

00:23:32,810 --> 00:23:30,539
and it just glided off over the horizon

571

00:23:35,270 --> 00:23:32,820
very slowly and I watched it the entire

572

00:23:36,830 --> 00:23:35,280
time but it remained stationary for

573

00:23:38,630 --> 00:23:36,840
about seven to ten minutes and I

574

00:23:40,909 --> 00:23:38,640
couldn't hear a sound from it although

575

00:23:42,289 --> 00:23:40,919
it was far away so it could have been

576

00:23:45,110 --> 00:23:42,299

making a sound but I didn't hear

577

00:23:47,330 --> 00:23:45,120

anything directly coming from it and the

578

00:23:50,630 --> 00:23:47,340

interesting thing is

579

00:23:52,730 --> 00:23:50,640

the very next two days I had the exact

580

00:23:55,070 --> 00:23:52,740

same sighting of the exact same object

581

00:23:58,070 --> 00:23:55,080

just in slightly different locations

582

00:24:00,830 --> 00:23:58,080

with the exact same characteristics what

583

00:24:03,409 --> 00:24:00,840

do I think it was

584

00:24:06,230 --> 00:24:03,419

um it could be something man-made

585

00:24:07,310 --> 00:24:06,240

perhaps some type of helicopter or hover

586

00:24:09,830 --> 00:24:07,320

jet

587

00:24:12,049 --> 00:24:09,840

that was able to silently remain

588

00:24:13,250 --> 00:24:12,059

stationary for an extended period of

589

00:24:16,490 --> 00:24:13,260

time

590

00:24:19,430 --> 00:24:16,500

it could certainly be something else too

591

00:24:20,630 --> 00:24:19,440

and I sent this sighting into mufon in

592

00:24:22,789 --> 00:24:20,640

the video

593

00:24:24,409 --> 00:24:22,799

and they recently had an investigator

594

00:24:27,830 --> 00:24:24,419

contact me

595

00:24:30,470 --> 00:24:27,840

and he was able to use radar data flight

596

00:24:32,770 --> 00:24:30,480

scheduling flight data and his

597

00:24:36,230 --> 00:24:32,780

conclusion was that it was an airplane

598

00:24:38,930 --> 00:24:36,240

and that it was flying towards me that's

599

00:24:40,909 --> 00:24:38,940

why it did not appear to be moving

600

00:24:44,210 --> 00:24:40,919

um I'm not sure if I agree with that

601
00:24:47,090 --> 00:24:44,220
because the size of the the light did

602
00:24:50,630 --> 00:24:47,100
not change at all

603
00:24:54,350 --> 00:24:50,640
but I don't have a very well

604
00:24:56,810 --> 00:24:54,360
um Extended knowledge of of flight

605
00:24:59,210 --> 00:24:56,820
characteristics so I could be wrong

606
00:25:01,130 --> 00:24:59,220
but the cool thing was

607
00:25:02,810 --> 00:25:01,140
even though it was a plane the

608
00:25:04,730 --> 00:25:02,820
investigator told me that the only plane

609
00:25:06,529 --> 00:25:04,740
that was in the air at that time

610
00:25:10,310 --> 00:25:06,539
at that location

611
00:25:15,169 --> 00:25:10,320
going that direction was a Janet flight

612
00:25:16,730 --> 00:25:15,179
going to Area 51 from McCarran so even

613
00:25:19,010 --> 00:25:16,740

if it was an alien it was still

614

00:25:21,049 --> 00:25:19,020

something cool and I just wanted to

615

00:25:26,049 --> 00:25:21,059

share that I wish you a good day thank

628

00:26:08,870 --> 00:26:06,830

it's Kyle from Morgan just wanted to

629

00:26:11,750 --> 00:26:08,880

share the story uh this happened to me

630

00:26:14,630 --> 00:26:11,760

in fourth grade I'm 33 now so this was

631

00:26:16,190 --> 00:26:14,640

quite some time ago at the time we lived

632

00:26:18,830 --> 00:26:16,200

out of town so my mom would drive both

633

00:26:20,330 --> 00:26:18,840

me and my older brother up to school and

634

00:26:22,610 --> 00:26:20,340

he was in Middle School I was in

635

00:26:25,370 --> 00:26:22,620

elementary school his classes generally

636

00:26:26,690 --> 00:26:25,380

started quite a bit earlier than mine so

637

00:26:28,250 --> 00:26:26,700

we would drop him off at the middle

638

00:26:30,169 --> 00:26:28,260

school and take a short trip down the

639

00:26:31,490 --> 00:26:30,179

road to the elementary school where me

640

00:26:33,590 --> 00:26:31,500

and my mom would kind of sit in the car

641

00:26:36,169 --> 00:26:33,600

she'd read me you know the animorph

642

00:26:38,029 --> 00:26:36,179

books which were amazing for about 30 to

643

00:26:39,289 --> 00:26:38,039

40 minutes before you know school

644

00:26:42,769 --> 00:26:39,299

started

645

00:26:45,350 --> 00:26:42,779

well on this particular day I had

646

00:26:47,630 --> 00:26:45,360

realized that nobody was there and I

647

00:26:49,909 --> 00:26:47,640

could have literally the entire

648

00:26:51,350 --> 00:26:49,919

playground to myself so I you know asked

649

00:26:52,970 --> 00:26:51,360

my mom I was like hey

650

00:26:55,549 --> 00:26:52,980

I would like to have some time to play

651
00:26:57,649 --> 00:26:55,559
before school starts and she she said

652
00:26:59,570 --> 00:26:57,659
yes after some coaxing and so I went

653
00:27:01,310 --> 00:26:59,580
into the playground she left

654
00:27:02,870 --> 00:27:01,320
and the way the school is set up is to

655
00:27:04,970 --> 00:27:02,880
go in through like a gate on the

656
00:27:07,669 --> 00:27:04,980
playground and there's a big concrete

657
00:27:10,010 --> 00:27:07,679
pad with you know tetherballs Foursquare

658
00:27:12,110 --> 00:27:10,020
Hopscotch whatever

659
00:27:14,029 --> 00:27:12,120
and the school is shaped like you so in

660
00:27:16,370 --> 00:27:14,039
the middle of this you use a giant well

661
00:27:17,330 --> 00:27:16,380
not a giant but a decent sized grass

662
00:27:20,810 --> 00:27:17,340
Courtyard

663
00:27:22,970 --> 00:27:20,820

and uh schools you know the SQL level

664

00:27:25,130 --> 00:27:22,980

building but it had like a false Peak

665

00:27:26,990 --> 00:27:25,140

that had skylights in it so it was a

666

00:27:30,049 --> 00:27:27,000

little bit taller

667

00:27:31,970 --> 00:27:30,059

and uh well I was playing for a bit I

668

00:27:36,230 --> 00:27:31,980

don't know exactly how long

669

00:27:38,149 --> 00:27:36,240

but I noticed this big rectangle object

670

00:27:40,370 --> 00:27:38,159

passing over the school and I mean it

671

00:27:41,870 --> 00:27:40,380

was right over it like it was

672

00:27:43,730 --> 00:27:41,880

you're barely going to clear the

673

00:27:45,710 --> 00:27:43,740

building it was low enough that fourth

674

00:27:46,610 --> 00:27:45,720

grade me could have tossed a rock up and

675

00:27:48,470 --> 00:27:46,620

hit it

676
00:27:50,630 --> 00:27:48,480
and I remember just being super

677
00:27:51,830 --> 00:27:50,640
transfixed on this thing I had no idea

678
00:27:54,230 --> 00:27:51,840
what it was

679
00:27:56,750 --> 00:27:54,240
I had no I had no guesses in my little

680
00:27:58,430 --> 00:27:56,760
brain of what this could be but I still

681
00:28:01,010 --> 00:27:58,440
remember the details on the back of it

682
00:28:03,049 --> 00:28:01,020
yeah I didn't see it from the side

683
00:28:04,850 --> 00:28:03,059
uh not at least not to my recollection

684
00:28:06,710 --> 00:28:04,860
but I remember seeing the back and this

685
00:28:08,990 --> 00:28:06,720
thing was pretty big it was

686
00:28:11,390 --> 00:28:09,000
it was as big if not just a little bit

687
00:28:13,370 --> 00:28:11,400
bigger than the school was and I

688
00:28:15,409 --> 00:28:13,380

remember just staring at this thing

689

00:28:17,269 --> 00:28:15,419

and until it cleared the building and I

690

00:28:20,330 --> 00:28:17,279

couldn't see it anymore and being the

691

00:28:22,430 --> 00:28:20,340

little genius as I was I thought hey I'm

692

00:28:24,049 --> 00:28:22,440

gonna get on a swing set and swing

693

00:28:24,950 --> 00:28:24,059

and see if I can see where this thing

694

00:28:27,710 --> 00:28:24,960

went

695

00:28:29,210 --> 00:28:27,720

so I got on swing set just started

696

00:28:30,409 --> 00:28:29,220

pumping my little legs as hard as I

697

00:28:32,750 --> 00:28:30,419

could to see if I could see where this

698

00:28:35,630 --> 00:28:32,760

thing went where it was going or even if

699

00:28:36,649 --> 00:28:35,640

it's still there and uh I wasn't able to

700

00:28:38,690 --> 00:28:36,659

get another

701
00:28:40,430 --> 00:28:38,700
another look at it unfortunately after

702
00:28:41,870 --> 00:28:40,440
it after it cleared the building it was

703
00:28:44,390 --> 00:28:41,880
out of sight

704
00:28:46,909 --> 00:28:44,400
but uh everybody that I've told this

705
00:28:50,029 --> 00:28:46,919
story to uh particularly my older

706
00:28:51,350 --> 00:28:50,039
brother uh recently actually like a

707
00:28:52,909 --> 00:28:51,360
couple of months ago I was telling him

708
00:28:54,409 --> 00:28:52,919
the story because I I remember telling

709
00:28:57,350 --> 00:28:54,419
him the day it happened

710
00:28:59,810 --> 00:28:57,360
and uh he kind of dismissed it because

711
00:29:01,850 --> 00:28:59,820
he was a jerk and I was telling him the

712
00:29:03,789 --> 00:29:01,860
story because he was asking me like what

713
00:29:06,769 --> 00:29:03,799

why am I so interested in the subject

714

00:29:09,049 --> 00:29:06,779

like and I told him and he he gave me

715

00:29:11,870 --> 00:29:09,059

the whole Spiel of you know that was so

716

00:29:15,350 --> 00:29:11,880

long ago you could be misremembering

717

00:29:18,409 --> 00:29:15,360

and you know human human memories are

718

00:29:21,289 --> 00:29:18,419

super fickle like I'll give him that but

719

00:29:23,269 --> 00:29:21,299

important big big moments in your life

720

00:29:25,610 --> 00:29:23,279

you tend to remember very vividly and I

721

00:29:27,409 --> 00:29:25,620

remember this so incredibly vividly like

722

00:29:30,350 --> 00:29:27,419

I'm never gonna forget it it's never

723

00:29:32,210 --> 00:29:30,360

gonna it's never gonna dull it's it's

724

00:29:34,909 --> 00:29:32,220

always gonna be their crystal clear

725

00:29:36,950 --> 00:29:34,919

but yeah that's my story man I hope you

726

00:29:40,430 --> 00:29:36,960

like it have a good one I appreciate

727

00:29:46,070 --> 00:29:43,190

hello greetings my name is Daniel Rogan

728

00:29:49,370 --> 00:29:46,080

let me tell you about your three UFOs or

729

00:29:51,649 --> 00:29:49,380

so you know 1999

730

00:29:53,690 --> 00:29:51,659

in the daytime

731

00:29:57,409 --> 00:29:53,700

uh obviously friends and family at the

732

00:30:00,289 --> 00:29:57,419

time we were playing cards

733

00:30:01,490 --> 00:30:00,299

um just listening to the radio I've been

734

00:30:03,950 --> 00:30:01,500

quorn

735

00:30:07,730 --> 00:30:03,960

when I I've noticed there was a bright

736

00:30:10,730 --> 00:30:08,330

um

737

00:30:12,769 --> 00:30:10,740

one of the one of my friends

738

00:30:15,470 --> 00:30:12,779

snow passed away

739

00:30:19,669 --> 00:30:15,480

when outside

740

00:30:22,730 --> 00:30:19,679

um I was still carrying on playing cards

741

00:30:25,970 --> 00:30:22,740

um and coming back and told me

742

00:30:28,430 --> 00:30:25,980

he could see UFO an audience believe him

743

00:30:30,889 --> 00:30:28,440

but he looked at me again and said you

744

00:30:32,090 --> 00:30:30,899

could see a UFO and he looks very

745

00:30:33,889 --> 00:30:32,100

serious

746

00:30:35,690 --> 00:30:33,899

so I decided to go and see what he was

747

00:30:38,630 --> 00:30:35,700

talking about then when I walked out

748

00:30:41,930 --> 00:30:38,640

onto the balcony

749

00:30:46,190 --> 00:30:41,940

which was a long balcony it was a

750

00:30:47,990 --> 00:30:46,200

houses above uh built up other shops

751
00:30:49,730 --> 00:30:48,000
I went out onto the balcony and I locked

752
00:30:53,269 --> 00:30:49,740
into the sky

753
00:30:56,930 --> 00:30:53,279
I miss all three objects

754
00:31:00,529 --> 00:30:59,330
and I realized that that we're not

755
00:31:02,630 --> 00:31:00,539
normal

756
00:31:04,850 --> 00:31:02,640
things let's see

757
00:31:08,330 --> 00:31:04,860
flying through the sky

758
00:31:11,330 --> 00:31:08,340
I realized that yeah there were UFOs

759
00:31:14,510 --> 00:31:11,340
so I shouted

760
00:31:16,490 --> 00:31:14,520
and uh it's like they heard me

761
00:31:17,750 --> 00:31:16,500
uh the stops suddenly

762
00:31:20,930 --> 00:31:17,760
[Music]

763
00:31:22,789 --> 00:31:20,940

and then I started waving and waving my

764

00:31:24,830 --> 00:31:22,799

arms and shouting

765

00:31:27,169 --> 00:31:24,840

and I started uh from where they were

766

00:31:28,389 --> 00:31:27,179

which is quite a distance a couple of

767

00:31:30,529 --> 00:31:28,399

miles away

768

00:31:32,870 --> 00:31:30,539

started to uh

769

00:31:34,610 --> 00:31:32,880

come closer towards us

770

00:31:36,590 --> 00:31:34,620

I've got everybody who got all the rest

771

00:31:38,990 --> 00:31:36,600

of the friends and family

772

00:31:41,450 --> 00:31:39,000

I onto the balcony and there was

773

00:31:44,450 --> 00:31:41,460

you could all see in the clothes was you

774

00:31:46,850 --> 00:31:44,460

know baffled what they were seeing

775

00:31:49,669 --> 00:31:46,860

and as I got closer obviously I could

776

00:31:52,250 --> 00:31:49,679

see details

777

00:31:55,970 --> 00:31:52,260

the uh one of the objects was like an

778

00:31:59,570 --> 00:31:55,980

orb it was it seemed to be a little

779

00:32:02,330 --> 00:31:59,580

uh whizzing around the

780

00:32:04,610 --> 00:32:02,340

I could see a diamond-shaped object I'm

781

00:32:06,529 --> 00:32:04,620

going to say diamond you could talk

782

00:32:09,289 --> 00:32:06,539

also local Diamond Locker I'd like

783

00:32:12,789 --> 00:32:09,299

crystal diamond effect

784

00:32:16,549 --> 00:32:12,799

is like a glass

785

00:32:18,950 --> 00:32:16,559

reflective yeah Crystal

786

00:32:21,889 --> 00:32:18,960

also look on a metallic

787

00:32:23,389 --> 00:32:21,899

perfect perfect shape Force already

788

00:32:25,909 --> 00:32:23,399

diamond with

789

00:32:27,830 --> 00:32:25,919

Pace missing off the

790

00:32:29,510 --> 00:32:27,840

middle piece

791

00:32:33,049 --> 00:32:29,520

um yeah reflected at all it was

792

00:32:35,750 --> 00:32:33,059

absolutely amazing no sound

793

00:32:39,590 --> 00:32:35,760

anyway the uh small lot smaller object

794

00:32:42,289 --> 00:32:39,600

that was sent to be uh was in round this

795

00:32:45,430 --> 00:32:42,299

diamond shaped object

796

00:32:50,810 --> 00:32:47,630

such speed

797

00:32:54,289 --> 00:32:50,820

it was like it hit the atmosphere

798

00:32:57,110 --> 00:32:54,299

and uh you know caused like a a comet

799

00:33:00,110 --> 00:32:57,120

effect through the air

800

00:33:02,149 --> 00:33:00,120

shut off was left

801
00:33:05,269 --> 00:33:02,159
I didn't say that didn't say that small

802
00:33:08,750 --> 00:33:05,279
object again what was left was

803
00:33:10,970 --> 00:33:08,760
two objects then which was the diamond

804
00:33:16,430 --> 00:33:10,980
object

805
00:33:18,409 --> 00:33:16,440
triangles

806
00:33:19,970 --> 00:33:18,419
it's like a bar

807
00:33:23,870 --> 00:33:19,980
or

808
00:33:28,070 --> 00:33:23,880
a taste that was attached

809
00:33:33,289 --> 00:33:30,470
and it was completely and utterly black

810
00:33:37,070 --> 00:33:33,299
even in the sunlight

811
00:33:40,610 --> 00:33:37,080
didn't reflect no kind of light

812
00:33:42,950 --> 00:33:40,620
it stayed in the same kind of position

813
00:33:47,690 --> 00:33:42,960

as it was moving through the air

814

00:33:54,950 --> 00:33:49,930

it looks very

815

00:33:57,350 --> 00:33:54,960

I couldn't quite grasp the shape

816

00:34:00,230 --> 00:33:57,360

in my head the

817

00:34:03,230 --> 00:34:00,240

I think it was or

818

00:34:04,250 --> 00:34:03,240

you know the dimensions of it he he was

819

00:34:06,710 --> 00:34:04,260

baffling

820

00:34:07,990 --> 00:34:06,720

well not the diamond which was like a

821

00:34:11,389 --> 00:34:08,000

solid

822

00:34:14,990 --> 00:34:11,399

four-sided you know kind of

823

00:34:18,109 --> 00:34:15,000

wasn't saucer shaped but it was this

824

00:34:23,690 --> 00:34:18,119

four solid diamond

825

00:34:26,450 --> 00:34:23,700

shape and I got a couple of views of it

826

00:34:30,050 --> 00:34:26,460

as he got closer

827

00:34:31,669 --> 00:34:30,060

and uh yes uh it ended up quite close to

828

00:34:34,430 --> 00:34:31,679

us

829

00:34:36,470 --> 00:34:34,440

less than 100 feet and it was they were

830

00:34:39,409 --> 00:34:36,480

both like moving through the air coming

831

00:34:41,389 --> 00:34:39,419

closer it'll be further away going

832

00:34:44,089 --> 00:34:41,399

closer again

833

00:34:45,409 --> 00:34:44,099

and it was like as it was like wavy and

834

00:34:46,970 --> 00:34:45,419

I was going

835

00:34:50,690 --> 00:34:46,980

you know uh

836

00:34:53,869 --> 00:34:50,700

I was waving and shouting

837

00:34:56,570 --> 00:34:53,879

and I called him over and

838

00:34:58,670 --> 00:34:56,580

really excited

839

00:35:00,650 --> 00:34:58,680

you know kind of scared as well not

840

00:35:02,630 --> 00:35:00,660

realized

841

00:35:05,030 --> 00:35:02,640

you know this is this you know it was

842

00:35:06,890 --> 00:35:05,040

fantastic what was going on I didn't

843

00:35:09,050 --> 00:35:06,900

quite understand at the time it was just

844

00:35:11,329 --> 00:35:09,060

happening I just didn't

845

00:35:12,829 --> 00:35:11,339

I just thought it would be a good idea

846

00:35:14,810 --> 00:35:12,839

to see

847

00:35:16,730 --> 00:35:14,820

if they would

848

00:35:18,170 --> 00:35:16,740

respond and they did

849

00:35:25,089 --> 00:35:18,180

he

850

00:35:28,310 --> 00:35:25,099

was like

851

00:35:30,950 --> 00:35:28,320

uh the dormant was kind of reacting to

852

00:35:33,349 --> 00:35:30,960

me like oh there you are

853

00:35:35,930 --> 00:35:33,359

like oh I didn't see you there

854

00:35:39,170 --> 00:35:35,940

looking into movements

855

00:35:42,470 --> 00:35:39,180

it was like intelligent

856

00:35:46,609 --> 00:35:42,480

I don't know if that was some kind of uh

857

00:35:50,990 --> 00:35:48,829

you know not 100 sure on stuff like that

858

00:35:54,050 --> 00:35:51,000

but

859

00:35:54,490 --> 00:35:54,060

that that's a feeling I got I think like

860

00:35:55,849 --> 00:35:54,500

um

861

00:35:58,790 --> 00:35:55,859

[Music]

862

00:36:01,550 --> 00:35:58,800

um the thoughts that were in my head

863

00:36:03,349 --> 00:36:01,560

it was like

864

00:36:04,430 --> 00:36:03,359

the black thing was completely baffling

865

00:36:08,270 --> 00:36:04,440

in there

866

00:36:13,430 --> 00:36:10,790

I think half what year he'd left he

867

00:36:15,109 --> 00:36:13,440

can't let the kind of went off

868

00:36:17,150 --> 00:36:15,119

and I thought oh that must be that must

869

00:36:19,450 --> 00:36:17,160

be going you know because I

870

00:36:20,690 --> 00:36:19,460

I had read um

871

00:36:23,030 --> 00:36:20,700

[Music]

872

00:36:26,150 --> 00:36:23,040

stories of a UFO

873

00:36:28,790 --> 00:36:26,160

you know Encounters in the past and you

874

00:36:31,130 --> 00:36:28,800

know how they acted and stuff

875

00:36:34,190 --> 00:36:31,140

it's usually

876

00:36:36,230 --> 00:36:34,200

you see something in and then it's gone

877

00:36:37,849 --> 00:36:36,240

so that that's what I I was kind of

878

00:36:39,829 --> 00:36:37,859

expecting all the time that it'd be

879

00:36:41,690 --> 00:36:39,839

there for a beat and then and then it

880

00:36:43,910 --> 00:36:41,700

would be gone

881

00:36:45,650 --> 00:36:43,920

but you know this was like 20 minutes it

882

00:36:48,170 --> 00:36:45,660

uh

883

00:36:50,329 --> 00:36:48,180

this had been going on they

884

00:36:51,589 --> 00:36:50,339

and then I think it kind of uh yeah I

885

00:36:54,950 --> 00:36:51,599

think the kind of

886

00:36:55,790 --> 00:36:54,960

wandered off somewhere

887

00:36:58,609 --> 00:36:55,800

um

888

00:37:00,890 --> 00:36:58,619

so I went into the house I think I was

889

00:37:02,810 --> 00:37:00,900

just throwing a process he

890

00:37:05,329 --> 00:37:02,820

you know um

891

00:37:07,190 --> 00:37:05,339

and then one of my friends came they

892

00:37:09,050 --> 00:37:07,200

just died

893

00:37:11,450 --> 00:37:09,060

came running back into the house

894

00:37:14,030 --> 00:37:11,460

panicking

895

00:37:18,290 --> 00:37:14,040

telling me to uh Dan Danny would have

896

00:37:21,230 --> 00:37:18,300

come back outside so I went outside

897

00:37:22,910 --> 00:37:21,240

and they were back

898

00:37:25,490 --> 00:37:22,920

and then

899

00:37:29,329 --> 00:37:25,500

there were some uh

900

00:37:31,849 --> 00:37:29,339

local kids uh that had been playing uh

901
00:37:32,750 --> 00:37:31,859
below the balcony they were on the

902
00:37:35,990 --> 00:37:32,760
street

903
00:37:39,290 --> 00:37:36,000
Corner thing beyond the shops

904
00:37:41,690 --> 00:37:39,300
and the dormant object was like

905
00:37:43,849 --> 00:37:41,700
less than 50 feet above the heads could

906
00:37:45,290 --> 00:37:43,859
not descending towards them

907
00:37:47,870 --> 00:37:45,300
and they were jumping up and down

908
00:37:49,609 --> 00:37:47,880
underneath the local salty or happy like

909
00:37:51,950 --> 00:37:49,619
they're playing

910
00:37:54,050 --> 00:37:51,960
and uh

911
00:37:55,609 --> 00:37:54,060
there was a dog there and he was barking

912
00:37:58,069 --> 00:37:55,619
up but he

913
00:38:00,290 --> 00:37:58,079

and I panicked and at the time

914

00:38:02,210 --> 00:38:00,300

you know I thought oh

915

00:38:05,089 --> 00:38:02,220

I couldn't be abducted you know this was

916

00:38:07,609 --> 00:38:05,099

like noise I've been watching X-Files

917

00:38:10,849 --> 00:38:07,619

you know I was you know a great books

918

00:38:13,010 --> 00:38:10,859

some UFOs and all that time I was you

919

00:38:16,250 --> 00:38:13,020

know I wanted to be a writer I want to

920

00:38:18,230 --> 00:38:16,260

be a writer so I I was kind of into it

921

00:38:20,510 --> 00:38:18,240

so that that's why I couldn't I think I

922

00:38:23,030 --> 00:38:20,520

could retain the memory where others

923

00:38:26,329 --> 00:38:23,040

who kind of forgot me and you know I'm

924

00:38:30,950 --> 00:38:28,190

but um

925

00:38:33,710 --> 00:38:30,960

something you know

926

00:38:37,069 --> 00:38:33,720

telling us to forget about it or our

927

00:38:40,970 --> 00:38:37,079

brain he's telling us to forget about it

928

00:38:43,430 --> 00:38:40,980

I'm not too sure about that either

929

00:38:45,829 --> 00:38:43,440

anyway yeah he just started to just

930

00:38:47,270 --> 00:38:45,839

descend towards the children it's all

931

00:38:48,770 --> 00:38:47,280

Panic thinking that I kind of be

932

00:38:51,170 --> 00:38:48,780

abducted

933

00:38:53,030 --> 00:38:51,180

I'm not you know I'm not 100 sure on

934

00:38:54,290 --> 00:38:53,040

that either it just felt like that to me

935

00:38:56,930 --> 00:38:54,300

that's all

936

00:38:58,910 --> 00:38:56,940

but it was like like sorry the Dom is

937

00:39:01,849 --> 00:38:58,920

like a playful

938

00:39:04,730 --> 00:39:01,859

I thought this play for not menacing

939

00:39:07,190 --> 00:39:04,740

thing from it really the black thing

940

00:39:09,050 --> 00:39:07,200

like I was just the silent baffling

941

00:39:10,970 --> 00:39:09,060

object

942

00:39:11,990 --> 00:39:10,980

I didn't really get anything much from

943

00:39:16,130 --> 00:39:12,000

that

944

00:39:19,010 --> 00:39:16,140

just this baffling shape of you

945

00:39:21,490 --> 00:39:19,020

and this movement you know

946

00:39:26,450 --> 00:39:21,500

it kind of just kind of followed the

947

00:39:29,089 --> 00:39:26,460

diamond-shaped object around anyway

948

00:39:31,490 --> 00:39:29,099

so I shouted again

949

00:39:34,190 --> 00:39:31,500

I'll show you tonight no it was me like

950

00:39:36,650 --> 00:39:34,200

I'd called them over in the first place

951
00:39:37,609 --> 00:39:36,660
I thought I just was panicking at the

952
00:39:40,370 --> 00:39:37,619
time

953
00:39:43,670 --> 00:39:40,380
and then the diamond object stop what he

954
00:39:44,690 --> 00:39:43,680
was doing call a thing and then they're

955
00:39:47,569 --> 00:39:44,700
both

956
00:39:49,310 --> 00:39:47,579
came really close to the balcony towards

957
00:39:51,349 --> 00:39:49,320
us

958
00:39:53,210 --> 00:39:51,359
and like everybody kind of backed off

959
00:39:55,250 --> 00:39:53,220
away from me who was there my friends

960
00:39:58,550 --> 00:39:55,260
and family

961
00:40:00,290 --> 00:39:58,560
and the diamond object can't I can't

962
00:40:03,530 --> 00:40:00,300
remember

963
00:40:06,109 --> 00:40:03,540

at this point where the black

964

00:40:08,329 --> 00:40:06,119

triangle objects were

965

00:40:09,290 --> 00:40:08,339

I can't In My Memory that I can't see

966

00:40:11,030 --> 00:40:09,300

them

967

00:40:16,069 --> 00:40:11,040

but in my memory

968

00:40:18,710 --> 00:40:16,079

the diamond then came over me above me

969

00:40:21,349 --> 00:40:18,720

and I could see underneath it but it was

970

00:40:24,230 --> 00:40:21,359

all different to what I could see

971

00:40:28,069 --> 00:40:24,240

on the face

972

00:40:29,450 --> 00:40:28,079

and it was like a doll on a glassy

973

00:40:32,990 --> 00:40:29,460

silver

974

00:40:34,910 --> 00:40:33,000

metal color of the underneath of it

975

00:40:37,310 --> 00:40:34,920

I couldn't see through it or it was not

976

00:40:39,250 --> 00:40:37,320

like a crystal effect doesn't he still

977

00:40:44,030 --> 00:40:39,260

kind of a rainbowy

978

00:40:48,829 --> 00:40:47,390

um and he started to come down towards

979

00:40:53,150 --> 00:40:48,839

me though

980

00:40:57,170 --> 00:40:54,770

I've got a kind of stood there and I was

981

00:40:59,089 --> 00:40:57,180

all calm

982

00:41:00,530 --> 00:40:59,099

and then uh their friend who's now

983

00:41:02,510 --> 00:41:00,540

passed away

984

00:41:04,010 --> 00:41:02,520

slap me on the shoulder and said what

985

00:41:07,790 --> 00:41:04,020

are you doing

986

00:41:11,089 --> 00:41:09,890

I thought I looked we knocked up again

987

00:41:14,270 --> 00:41:11,099

and uh

988

00:41:16,190 --> 00:41:14,280

it started to rise back up

989

00:41:19,130 --> 00:41:16,200

and then that's when they did leave the

990

00:41:21,109 --> 00:41:19,140

both been drifted away then

991

00:41:22,970 --> 00:41:21,119

I'll run into the house and I look

992

00:41:24,589 --> 00:41:22,980

through the front window which was on

993

00:41:27,349 --> 00:41:24,599

the front of the house there

994

00:41:30,829 --> 00:41:27,359

and look at two more trouble enough then

995

00:41:35,450 --> 00:41:33,410

and then he was there yeah

996

00:41:39,410 --> 00:41:35,460

everybody

997

00:41:41,569 --> 00:41:39,420

my

998

00:41:44,030 --> 00:41:41,579

Patrol to our phone Coventry airport for

999

00:41:45,170 --> 00:41:44,040

some reason you know I was pretty scared

1000

00:41:46,730 --> 00:41:45,180

I thought something was going to happen

1001
00:41:48,829 --> 00:41:46,740
to us because I thought somebody must

1002
00:41:50,530 --> 00:41:48,839
know what was going on

1003
00:41:54,349 --> 00:41:50,540
you know it was like

1004
00:41:56,990 --> 00:41:54,359
in the middle of the day we're in a city

1005
00:42:00,290 --> 00:41:57,000
but where where I could see from it was

1006
00:42:04,130 --> 00:42:00,300
whether where they were

1007
00:42:06,290 --> 00:42:04,140
was quite secluded from the road so

1008
00:42:07,609 --> 00:42:06,300
what I did for like so I found I found a

1009
00:42:11,329 --> 00:42:07,619
witness

1010
00:42:14,210 --> 00:42:11,339
uh later on it was Liquid local with

1011
00:42:17,390 --> 00:42:14,220
senior I think flying over the house

1012
00:42:19,430 --> 00:42:17,400
one of the objects or or both

1013
00:42:21,950 --> 00:42:19,440

um

1014

00:42:24,290 --> 00:42:21,960

uh

1015

00:42:26,270 --> 00:42:24,300

the local children are

1016

00:42:29,569 --> 00:42:26,280

just trying to let people get on me the

1017

00:42:31,310 --> 00:42:29,579

lives didn't want to keep

1018

00:42:32,990 --> 00:42:31,320

I had to bring it up obviously every now

1019

00:42:35,510 --> 00:42:33,000

and again

1020

00:42:37,490 --> 00:42:35,520

well just let the other people get on

1021

00:42:40,130 --> 00:42:37,500

with the lives

1022

00:42:42,470 --> 00:42:40,140

yeah they don't forget very well do

1023

00:42:44,450 --> 00:42:42,480

whatever we did one of the ones said it

1024

00:42:47,089 --> 00:42:44,460

was up to them it was their decision

1025

00:42:49,370 --> 00:42:47,099

they wanted to remember

1026
00:42:52,069 --> 00:42:49,380
being there but we're not remembering

1027
00:42:58,190 --> 00:42:52,079
details or completely forgetting

1028
00:43:04,069 --> 00:43:01,010
that was up to them so

1029
00:43:05,690 --> 00:43:04,079
but I did uh one of the the

1030
00:43:07,550 --> 00:43:05,700
there was one uh that I think there was

1031
00:43:10,490 --> 00:43:07,560
a couple of lads

1032
00:43:12,950 --> 00:43:10,500
that were there the children

1033
00:43:15,230 --> 00:43:12,960
and I did uh bumpy to one about 10 years

1034
00:43:19,010 --> 00:43:15,240
later

1035
00:43:22,190 --> 00:43:19,020
and I uh oh I saw him I thought

1036
00:43:25,069 --> 00:43:22,200
let's do this so I asked him I said did

1037
00:43:27,710 --> 00:43:25,079
you remember seeing that UFO

1038
00:43:29,390 --> 00:43:27,720

a 1999

1039

00:43:31,250 --> 00:43:29,400

and he kind of looked at me shocked and

1040

00:43:34,190 --> 00:43:31,260

he said to me I thought that was a dream

1041

00:43:36,470 --> 00:43:34,200

and I said no no my

1042

00:43:38,930 --> 00:43:36,480

it really happened

1043

00:43:40,910 --> 00:43:38,940

I said it was amazing and

1044

00:43:43,250 --> 00:43:40,920

I was kind of Blown Away myself what a

1045

00:43:45,470 --> 00:43:43,260

boy's answer

1046

00:43:47,750 --> 00:43:45,480

and uh I haven't seen

1047

00:43:49,790 --> 00:43:47,760

any of those uh those kids were only

1048

00:43:52,130 --> 00:43:49,800

since

1049

00:43:53,990 --> 00:43:52,140

um I'm still in contact with obviously

1050

00:43:55,490 --> 00:43:54,000

be someone from my family that were

1051
00:43:58,849 --> 00:43:55,500
there

1052
00:44:01,510 --> 00:43:58,859
and another remembered some details and

1053
00:44:04,730 --> 00:44:01,520
the Forgotten all those

1054
00:44:07,730 --> 00:44:04,740
and looked I won as died once passed

1055
00:44:11,750 --> 00:44:09,770
but yeah they were they were amazing and

1056
00:44:14,450 --> 00:44:11,760
they were there for a lot it was nearly

1057
00:44:16,609 --> 00:44:14,460
an hour I think in the end

1058
00:44:18,770 --> 00:44:16,619
and they were they were just silent

1059
00:44:22,130 --> 00:44:18,780
flying

1060
00:44:24,410 --> 00:44:22,140
free zipping about stopping

1061
00:44:26,990 --> 00:44:24,420
one lock so I shot off it

1062
00:44:28,490 --> 00:44:27,000
tremendous speed

1063
00:44:31,370 --> 00:44:28,500

they're amazing

1064

00:44:34,010 --> 00:44:31,380

they're more absolutely mind-blowing

1065

00:44:35,750 --> 00:44:34,020

I'm not sure if I'll you know

1066

00:44:37,270 --> 00:44:35,760

because I obviously are eating to the

1067

00:44:41,030 --> 00:44:37,280

the phenomenon

1068

00:44:44,210 --> 00:44:41,040

before all these so what

1069

00:44:48,410 --> 00:44:44,220

I had an um

1070

00:44:50,690 --> 00:44:48,420

content inkling of what's going on but

1071

00:44:54,829 --> 00:44:50,700

so yeah that's how being able to look on

1072

00:45:00,170 --> 00:44:56,930

um other people no that was just normal

1073

00:45:03,349 --> 00:45:00,180

people wasn't interested in Reading UFOs

1074

00:45:10,010 --> 00:45:07,670

uh you know the brain the moment heels

1075

00:45:11,690 --> 00:45:10,020

or or deals with things in different

1076

00:45:13,309 --> 00:45:11,700

ways and you know looks like I'm not a

1077

00:45:16,450 --> 00:45:13,319

Psychiatry still

1078

00:45:19,970 --> 00:45:16,460

I'm not sure on that it could be a a

1079

00:45:22,430 --> 00:45:19,980

device that they're using for people to

1080

00:45:24,530 --> 00:45:22,440

forget on you know I'm not

1081

00:45:28,130 --> 00:45:24,540

I'm not an expert on that

1082

00:45:31,670 --> 00:45:28,140

but it is interesting that

1083

00:45:33,589 --> 00:45:31,680

because you know I felt like a calming

1084

00:45:35,870 --> 00:45:33,599

feeling

1085

00:45:38,390 --> 00:45:35,880

you know I thought that you know I had

1086

00:45:40,490 --> 00:45:38,400

these words like when they got close to

1087

00:45:42,349 --> 00:45:40,500

me like look within you

1088

00:45:45,290 --> 00:45:42,359

well I don't know if it's my imagination

1089

00:45:47,030 --> 00:45:45,300

but I could hear those words

1090

00:45:50,270 --> 00:45:47,040

an oxide the way

1091

00:45:53,390 --> 00:45:50,280

the moved it was like it was giving me

1092

00:45:55,609 --> 00:45:53,400

suggestions like saying like oh

1093

00:45:57,470 --> 00:45:55,619

there you are and we didn't realize you

1094

00:45:59,809 --> 00:45:57,480

were there

1095

00:46:01,970 --> 00:45:59,819

you know maybe that was sock sarcasm

1096

00:46:03,710 --> 00:46:01,980

some kind of humor I don't know if

1097

00:46:06,290 --> 00:46:03,720

that's just me

1098

00:46:09,170 --> 00:46:06,300

of making that up

1099

00:46:10,730 --> 00:46:09,180

after the events but that's what it felt

1100

00:46:14,150 --> 00:46:10,740

like at the time

1101
00:46:16,309 --> 00:46:14,160
that's my memories at that time so there

1102
00:46:21,109 --> 00:46:16,319
were a few you know there were a few

1103
00:46:26,569 --> 00:46:23,329
uh

1104
00:46:29,990 --> 00:46:26,579
it was amazing amazing sort

1105
00:46:34,490 --> 00:46:30,000
the way they moved it was it was amazing

1106
00:46:42,430 --> 00:46:36,290
you following gravity

1107
00:46:47,450 --> 00:46:45,589
uh you know that came across strongly at

1108
00:46:49,580 --> 00:46:47,460
the time

1109
00:47:01,130 --> 00:46:49,590
so yeah thanks a lot mate

1110
00:47:05,210 --> 00:47:03,230
somewhere in the skies is produced by
