

OPERATION SAUCER

AND THE UFO ISLAND

1
00:00:05,990 --> 00:00:02,770

[Music]

2
00:00:08,030 --> 00:00:06,000

hey guys Ryan here just wanted to drop

3
00:00:11,030 --> 00:00:08,040

in and read a couple recent Apple

4
00:00:14,509 --> 00:00:11,040

podcast five star reviews for somewhere

5
00:00:17,689 --> 00:00:14,519

in the skies from Sailor mix if you love

6
00:00:20,330 --> 00:00:17,699

UFOs the Paranormal and unexplained then

7
00:00:22,670 --> 00:00:20,340

this podcast is for you I'm a new

8
00:00:25,730 --> 00:00:22,680

listener and absolutely love this

9
00:00:29,390 --> 00:00:25,740

podcast from the music to the host to

10
00:00:31,790 --> 00:00:29,400

the stories all five stars from Zoe

11
00:00:34,430 --> 00:00:31,800

crotch loved the Whitley streamer

12
00:00:37,069 --> 00:00:34,440

interview as someone who was a fan of

13
00:00:40,310 --> 00:00:37,079

the communion book and movie it was

14

00:00:42,350 --> 00:00:40,320

absolutely fascinating from Silent

15

00:00:44,750 --> 00:00:42,360

Specter I've been listening to this

16

00:00:47,270 --> 00:00:44,760

podcast for about a year now and I'm

17

00:00:48,709 --> 00:00:47,280

absolutely fascinated I've always

18

00:00:52,069 --> 00:00:48,719

thought about starting my own podcast

19

00:00:55,069 --> 00:00:52,079

and this one really inspires me to do so

20

00:00:57,709 --> 00:00:55,079

keep up the great work from dartbot

21

00:00:59,869 --> 00:00:57,719

Billy an excellent review with

22

00:01:01,430 --> 00:00:59,879

interviews with prominent figures in the

23

00:01:04,310 --> 00:01:01,440

field of ufology

24

00:01:07,429 --> 00:01:04,320

I really enjoy the human aspect that

25

00:01:09,350 --> 00:01:07,439

Ryan focuses on thank you so much to all

26

00:01:11,630 --> 00:01:09,360

of you who took the time to write and

27

00:01:14,149 --> 00:01:11,640

review if you'd like to have your

28

00:01:16,370 --> 00:01:14,159

five-star rating and review red on a

29

00:01:19,370 --> 00:01:16,380

future episode head on over to Apple

30

00:01:34,550 --> 00:01:19,380

podcasts to rate and review today

31

00:01:41,030 --> 00:01:38,690

on June 24th 2002 the Brazilian Senate

32

00:01:43,490 --> 00:01:41,040

convened to hear testimony from the

33

00:01:45,230 --> 00:01:43,500

country's leading researchers a formal

34

00:01:46,550 --> 00:01:45,240

Federal representative and other

35

00:01:49,789 --> 00:01:46,560

speakers

36

00:01:51,950 --> 00:01:49,799

the topic UFOs

37

00:01:54,770 --> 00:01:51,960

this hearing was organized to address

38

00:01:58,130 --> 00:01:54,780

the Brazilian military's history with

39

00:01:59,990 --> 00:01:58,140

unusual aerial objects as well as

40

00:02:02,289 --> 00:02:00,000

addressing the global attention the

41

00:02:05,330 --> 00:02:02,299

subject had received in recent years

42

00:02:07,910 --> 00:02:05,340

particularly in the United States

43

00:02:11,029 --> 00:02:07,920

several U.S representatives spoke at the

44

00:02:12,650 --> 00:02:11,039

event as well such as Robert Salas one

45

00:02:15,290 --> 00:02:12,660

of the primary witnesses to the

46

00:02:17,869 --> 00:02:15,300

Maelstrom UFO incident also in

47

00:02:21,290 --> 00:02:17,879

attendance was UFO researcher from the

48

00:02:24,110 --> 00:02:21,300

UK Gary Hazeltine joining the hearing

49

00:02:27,229 --> 00:02:24,120

remotely was former director of The Once

50

00:02:29,750 --> 00:02:27,239

Secret Pentagon UFO program Luis

51
00:02:31,970 --> 00:02:29,760
Elizondo he addressed those in

52
00:02:35,809 --> 00:02:31,980
attendance on the importance of

53
00:02:38,750 --> 00:02:35,819
governmental investigations into UFOs

54
00:02:41,270 --> 00:02:38,760
during this hearing many cases were

55
00:02:43,970 --> 00:02:41,280
brought to light showing that Brazil was

56
00:02:46,850 --> 00:02:43,980
definitely a hot spot for UFO activity

57
00:02:50,210 --> 00:02:46,860
and that the Brazilian Air Force was

58
00:02:52,309 --> 00:02:50,220
heavily involved in many of these cases

59
00:02:54,949 --> 00:02:52,319
whether it included their own Personnel

60
00:02:58,729 --> 00:02:54,959
or members of the public the following

61
00:03:02,030 --> 00:02:58,739
are just a handful of those cases and

62
00:03:04,490 --> 00:03:02,040
many of them came from one place that

63
00:03:11,060 --> 00:03:04,500

are in dodgy or better known to

64

00:03:11,070 --> 00:03:15,110

[Music]

65

00:03:19,330 --> 00:03:15,820

foreign

66

00:03:22,350 --> 00:03:20,509

[Music]

67

00:03:32,470 --> 00:03:22,360

spread

68

00:03:32,480 --> 00:03:46,309

[Music]

69

00:03:46,319 --> 00:03:54,130

foreign

70

00:04:02,089 --> 00:03:58,670

of 1957 the Brazilian Navy established a

71

00:04:05,030 --> 00:04:02,099

base on the island of trendachi strictly

72

00:04:07,210 --> 00:04:05,040

for scientific research

73

00:04:10,369 --> 00:04:07,220

the island which is completely

74

00:04:12,710 --> 00:04:10,379

unoccupied is approximately six miles

75

00:04:14,330 --> 00:04:12,720

off the coast of Brazil in the South

76

00:04:17,210 --> 00:04:14,340

Atlantic Ocean

77

00:04:21,289 --> 00:04:17,220

from this base scientists would conduct

78

00:04:23,749 --> 00:04:21,299

both Oceanic and meteorological research

79

00:04:25,610 --> 00:04:23,759

many of these research projects would

80

00:04:27,830 --> 00:04:25,620

involve the launching of weather

81

00:04:30,950 --> 00:04:27,840

balloons each day into the upper

82

00:04:33,110 --> 00:04:30,960

atmosphere that would then explode and

83

00:04:36,290 --> 00:04:33,120

send research instruments back to the

84

00:04:39,350 --> 00:04:36,300

ground attached to parachutes where data

85

00:04:41,930 --> 00:04:39,360

could be collected and studied

86

00:04:44,930 --> 00:04:41,940

however it wasn't long before those

87

00:04:48,650 --> 00:04:44,940

involved in these tests noticed strange

88

00:04:51,890 --> 00:04:48,660

metallic disc shaped objects appearing

89

00:04:53,870 --> 00:04:51,900

in the sky near the balloons almost as

90

00:04:55,310 --> 00:04:53,880

if they were monitoring what was taking

91

00:04:57,590 --> 00:04:55,320

place

92

00:05:00,350 --> 00:04:57,600

one of these metallic disc shaped

93

00:05:03,350 --> 00:05:00,360

objects was first cited on the morning

94

00:05:05,749 --> 00:05:03,360

of January 1st when a sudden bright

95

00:05:08,689 --> 00:05:05,759

light was witnessed moving across the

96

00:05:10,070 --> 00:05:08,699

sky appearing like a mirror reflecting

97

00:05:12,409 --> 00:05:10,080

sunlight

98

00:05:14,150 --> 00:05:12,419

the sighting was witnessed by almost the

99

00:05:17,030 --> 00:05:14,160

entire base

100

00:05:20,810 --> 00:05:17,040

the following evening about 400 miles

101
00:05:24,050 --> 00:05:20,820
away a circular orange object approached

102
00:05:25,790 --> 00:05:24,060
the Navy vessel triunfo and is circled

103
00:05:28,129 --> 00:05:25,800
it several times

104
00:05:31,010 --> 00:05:28,139
this continued for around 10 minutes

105
00:05:34,610 --> 00:05:31,020
before the bizarre object took off at

106
00:05:37,249 --> 00:05:34,620
great speed and disappeared out of sight

107
00:05:40,249 --> 00:05:37,259
another incident would occur on January

108
00:05:43,550 --> 00:05:40,259
6th when the chief of the base commander

109
00:05:45,170 --> 00:05:43,560
Carlos basilar oversaw the daily launch

110
00:05:48,529 --> 00:05:45,180
of the weather balloon

111
00:05:51,170 --> 00:05:48,539
it was a clear blue sky day aside for a

112
00:05:54,710 --> 00:05:51,180
single group of clouds at an approximate

113
00:05:57,469 --> 00:05:54,720

altitude of 14 000 feet although he

114

00:05:59,810 --> 00:05:57,479

didn't know it what basilar thought was

115

00:06:02,210 --> 00:05:59,820

another standard on eventful balloon

116

00:06:04,670 --> 00:06:02,220

launch would quickly become one of the

117

00:06:06,850 --> 00:06:04,680

most mind-blowing Encounters of the

118

00:06:10,070 --> 00:06:06,860

entire project

119

00:06:11,990 --> 00:06:10,080

basilar had returned inside the base and

120

00:06:14,629 --> 00:06:12,000

was listening to the signals being sent

121

00:06:18,110 --> 00:06:14,639

out by the weather balloon then for no

122

00:06:20,570 --> 00:06:18,120

apparent reason everything stopped with

123

00:06:23,090 --> 00:06:20,580

no signals coming through the commander

124

00:06:24,050 --> 00:06:23,100

returned outside in order to view the

125

00:06:29,990 --> 00:06:24,060

balloon

126
00:06:32,629 --> 00:06:30,000
as it should however almost as soon as

127
00:06:34,730 --> 00:06:32,639
it touched the single Bank of clouds it

128
00:06:37,909 --> 00:06:34,740
rushed upward as if it had been

129
00:06:40,129 --> 00:06:37,919
physically pulled up by some sort of

130
00:06:42,650 --> 00:06:40,139
invisible force

131
00:06:43,909 --> 00:06:42,660
nothing was seen of the balloon for over

132
00:06:46,550 --> 00:06:43,919
10 minutes

133
00:06:50,590 --> 00:06:46,560
then it came back into view once more

134
00:06:53,870 --> 00:06:50,600
only now it was above the cloud Bank

135
00:06:58,370 --> 00:06:53,880
unbelievably the research instruments on

136
00:07:00,950 --> 00:06:58,380
the balloon had been entirely removed

137
00:07:03,610 --> 00:07:00,960
things got even stranger when several

138
00:07:05,930 --> 00:07:03,620

moments later a metallic silver

139

00:07:09,170 --> 00:07:05,940

crescent-shaped object came out of the

140

00:07:11,870 --> 00:07:09,180

clouds and headed off into the distance

141

00:07:13,730 --> 00:07:11,880

just over a week later the objects

142

00:07:16,670 --> 00:07:13,740

appeared again

143

00:07:20,390 --> 00:07:16,680

only this time one witness would capture

144

00:07:24,529 --> 00:07:20,400

photographic evidence of their presence

145

00:07:28,249 --> 00:07:24,539

a little after 12 pm on January 16th a

146

00:07:31,249 --> 00:07:28,259

boat by the name of almerante Saldanha

147

00:07:35,089 --> 00:07:31,259

was off the south coast of trendaji

148

00:07:37,070 --> 00:07:35,099

waiting to set off to Rio De Janeiro

149

00:07:39,529 --> 00:07:37,080

all of the crew and many of the

150

00:07:41,689 --> 00:07:39,539

passengers on board however would soon

151

00:07:44,210 --> 00:07:41,699

notice a strange shiny object

152

00:07:46,070 --> 00:07:44,220

approaching them one of those who

153

00:07:50,990 --> 00:07:46,080

witnessed the approaching anomalous

154

00:07:52,909 --> 00:07:51,000

object was a photographer almiro Parana

155

00:07:55,070 --> 00:07:52,919

he would later tell a local news

156

00:07:58,189 --> 00:07:55,080

reporter that he was making his weight

157

00:08:00,589 --> 00:07:58,199

the deck on the afternoon in question

158

00:08:03,290 --> 00:08:00,599

and two of the Navy officers were

159

00:08:05,990 --> 00:08:03,300

rushing toward him attempting to divert

160

00:08:07,909 --> 00:08:06,000

his attention to the sky among the

161

00:08:10,089 --> 00:08:07,919

commotion he would hear them say

162

00:08:12,589 --> 00:08:10,099

something about a bright object

163

00:08:14,390 --> 00:08:12,599

approaching the island

164

00:08:16,010 --> 00:08:14,400

he struggled to see what they were

165

00:08:19,309 --> 00:08:16,020

looking at to begin with

166

00:08:22,369 --> 00:08:19,319

then he caught sight of The Flash that

167

00:08:24,589 --> 00:08:22,379

it emitted he suddenly realized just how

168

00:08:27,589 --> 00:08:24,599

close the island it was

169

00:08:30,770 --> 00:08:27,599

as it reflected the sunlight it appeared

170

00:08:33,110 --> 00:08:30,780

to glitter somewhat realizing he had his

171

00:08:36,829 --> 00:08:33,120

camera in his hands he raised it to his

172

00:08:39,050 --> 00:08:36,839

eye pointed it at the bizarre object and

173

00:08:40,969 --> 00:08:39,060

pressed down the shutter

174

00:08:43,190 --> 00:08:40,979

after he had snapped the first two

175

00:08:45,410 --> 00:08:43,200

pictures the object disappeared from

176

00:08:47,389 --> 00:08:45,420

their view for several moments behind

177

00:08:50,329 --> 00:08:47,399

the peaks of the island

178

00:08:52,730 --> 00:08:50,339

when it reappeared it seemed much bigger

179

00:08:55,190 --> 00:08:52,740

in size it was now moving in the

180

00:08:57,710 --> 00:08:55,200

opposite direction it was also moving

181

00:09:00,470 --> 00:08:57,720

with much more Pace than before

182

00:09:03,050 --> 00:09:00,480

again he turned the camera in the

183

00:09:04,550 --> 00:09:03,060

object's Direction and captured a third

184

00:09:06,829 --> 00:09:04,560

photograph

185

00:09:09,650 --> 00:09:06,839

the crafter is now heading back in the

186

00:09:11,090 --> 00:09:09,660

direction it had arrived from back out

187

00:09:14,150 --> 00:09:11,100

to sea

188

00:09:17,449 --> 00:09:14,160

piranha managed to raise the camera once

189

00:09:20,030 --> 00:09:17,459

more using the last available film to

190

00:09:22,070 --> 00:09:20,040

capture the craft as it disappeared into

191

00:09:24,350 --> 00:09:22,080

the distance

192

00:09:27,889 --> 00:09:24,360

he would later describe the object as

193

00:09:30,290 --> 00:09:27,899

gray metallic and solid looking

194

00:09:33,470 --> 00:09:30,300

he would further state that a greenish

195

00:09:35,870 --> 00:09:33,480

Haze or Mist appeared to surround it as

196

00:09:38,990 --> 00:09:35,880

it moved and that there was a ring that

197

00:09:41,329 --> 00:09:39,000

appeared to run around its middle

198

00:09:43,670 --> 00:09:41,339

but Rana would have the photographs

199

00:09:46,730 --> 00:09:43,680

developed around an hour later

200

00:09:49,310 --> 00:09:46,740

however there was no photographic paper

201
00:09:51,050 --> 00:09:49,320
on board only the negatives were

202
00:09:53,630 --> 00:09:51,060
immediately available

203
00:09:56,870 --> 00:09:53,640
initially it appeared as if the object

204
00:09:59,570 --> 00:09:56,880
had not been captured however after

205
00:10:02,329 --> 00:09:59,580
viewing them more clearly all present

206
00:10:04,790 --> 00:10:02,339
could see the bizarre craft

207
00:10:08,329 --> 00:10:04,800
when the vessel finally set off to Rio

208
00:10:10,730 --> 00:10:08,339
De Janeiro Verona remained on board and

209
00:10:12,769 --> 00:10:10,740
took the negatives with him he would

210
00:10:15,550 --> 00:10:12,779
ultimately develop the pictures at his

211
00:10:19,210 --> 00:10:15,560
home studio and would contact Commander

212
00:10:21,889 --> 00:10:19,220
basilar immediately after doing so

213
00:10:24,590 --> 00:10:21,899

basilar would take the photographs to

214

00:10:27,530 --> 00:10:24,600

the Navy Ministry returning them to

215

00:10:30,110 --> 00:10:27,540

piranha 48 hours later

216

00:10:33,170 --> 00:10:30,120

however not long after the pictures were

217

00:10:35,030 --> 00:10:33,180

returned varana himself was summoned to

218

00:10:38,030 --> 00:10:35,040

Navy headquarters

219

00:10:40,790 --> 00:10:38,040

once there he was questioned extensively

220

00:10:41,870 --> 00:10:40,800

about the pictures and the sighting

221

00:10:44,269 --> 00:10:41,880

itself

222

00:10:47,329 --> 00:10:44,279

meanwhile the pictures were undergoing

223

00:10:48,590 --> 00:10:47,339

extensive examinations for signs of

224

00:10:51,110 --> 00:10:48,600

tampering

225

00:10:54,590 --> 00:10:51,120

none were discovered and the pictures

226

00:10:56,930 --> 00:10:54,600

were passed by the Navy as authentic

227

00:10:59,690 --> 00:10:56,940

a short time after that they were

228

00:11:02,569 --> 00:10:59,700

officially released to the Press

229

00:11:04,490 --> 00:11:02,579

these photos are available to view right

230

00:11:07,670 --> 00:11:04,500

now on the somewhere in the skies

231

00:11:10,009 --> 00:11:07,680

Instagram page you can follow us at

232

00:11:13,130 --> 00:11:10,019

summer Skies pod

233

00:11:15,530 --> 00:11:13,140

What followed was a media frenzy for

234

00:11:17,810 --> 00:11:15,540

information on the sighting and

235

00:11:20,150 --> 00:11:17,820

interviews with the witnesses

236

00:11:23,090 --> 00:11:20,160

it also sparked the interests of various

237

00:11:26,630 --> 00:11:23,100

UFO investigators one of these

238

00:11:28,670 --> 00:11:26,640

investigators was a Lavo Fontes he was

239

00:11:31,970 --> 00:11:28,680

told by an anonymous source in the

240

00:11:33,769 --> 00:11:31,980

Brazilian Navy that radar had tracked an

241

00:11:36,590 --> 00:11:33,779

unknown object in the region the

242

00:11:38,690 --> 00:11:36,600

previous day even more intriguing

243

00:11:41,329 --> 00:11:38,700

another sighting of an object that

244

00:11:44,569 --> 00:11:41,339

matched the same description occurred

245

00:11:47,090 --> 00:11:44,579

less than 10 hours earlier at around 2

246

00:11:49,490 --> 00:11:47,100

30 a.m on that morning the chief of

247

00:11:50,769 --> 00:11:49,500

surgery at Rio Hospital

248

00:11:53,810 --> 00:11:50,779

[Music]

249

00:11:56,449 --> 00:11:53,820

fundau witnessed the object off the

250

00:11:59,030 --> 00:11:56,459

coast in the direction of turnendaji

251
00:12:01,910 --> 00:11:59,040
Island along with other members of his

252
00:12:04,370 --> 00:12:01,920
family even more intriguing at

253
00:12:06,949 --> 00:12:04,380
approximately the same time an identical

254
00:12:09,470 --> 00:12:06,959
object in the same location was

255
00:12:11,990 --> 00:12:09,480
witnessed by several crew of the

256
00:12:14,269 --> 00:12:12,000
tridente Navy vessel

257
00:12:16,850 --> 00:12:14,279
as the weeks went on and further

258
00:12:19,250 --> 00:12:16,860
Witnesses came forward more and more

259
00:12:21,769 --> 00:12:19,260
information began to seep from the pages

260
00:12:23,389 --> 00:12:21,779
of the newspapers and into the public

261
00:12:25,730 --> 00:12:23,399
Arena

262
00:12:27,889 --> 00:12:25,740
according to one report at the time of

263
00:12:30,230 --> 00:12:27,899

the actual sighting almost all of the

264

00:12:32,750 --> 00:12:30,240

ship's navigational equipment began to

265

00:12:36,350 --> 00:12:32,760

malfunction as did their communication

266

00:12:38,690 --> 00:12:36,360

systems piranha himself would state in

267

00:12:40,370 --> 00:12:38,700

an interview many years later that just

268

00:12:42,829 --> 00:12:40,380

before people begin noticing the

269

00:12:45,370 --> 00:12:42,839

metallic shiny object all of the power

270

00:12:48,290 --> 00:12:45,380

in the ship had suddenly cut out

271

00:12:50,810 --> 00:12:48,300

interestingly the Navy did not comment

272

00:12:53,210 --> 00:12:50,820

on this aspect of the incident and

273

00:12:56,629 --> 00:12:53,220

according to one article they considered

274

00:12:59,690 --> 00:12:56,639

this aspect of the encounter top secret

275

00:13:01,850 --> 00:12:59,700

the case continued to Fascinate the UFO

276

00:13:02,930 --> 00:13:01,860

Community as well as the Brazilian

277

00:13:05,269 --> 00:13:02,940

public

278

00:13:08,509 --> 00:13:05,279

however it wasn't until several years

279

00:13:11,629 --> 00:13:08,519

later in 1964 that further information

280

00:13:14,389 --> 00:13:11,639

would enter the public Arena via leaked

281

00:13:16,670 --> 00:13:14,399

documents to researcher and investigator

282

00:13:19,310 --> 00:13:16,680

Coral Lorenzen

283

00:13:21,530 --> 00:13:19,320

according to the official Navy documents

284

00:13:23,870 --> 00:13:21,540

which were the result of a report the

285

00:13:26,810 --> 00:13:23,880

House of Representatives had ordered of

286

00:13:29,329 --> 00:13:26,820

the Navy a report that had until now

287

00:13:32,329 --> 00:13:29,339

remained secret ultimately concluded

288

00:13:34,910 --> 00:13:32,339

that the sighting and photographs quote

289

00:13:37,310 --> 00:13:34,920

permit the admission that there are

290

00:13:41,329 --> 00:13:37,320

indications of the existence of

291

00:13:43,790 --> 00:13:41,339

unidentified aerial objects end quote

292

00:13:45,889 --> 00:13:43,800

what's also intriguing is that just

293

00:13:49,850 --> 00:13:45,899

prior to these documents being leaked to

294

00:13:52,550 --> 00:13:49,860

Lorenzen UFO debunker Donald Menzel had

295

00:13:55,730 --> 00:13:52,560

accused piranha of completely faking

296

00:13:58,129 --> 00:13:55,740

these photos and of doing so by using

297

00:14:00,650 --> 00:13:58,139

double exposure he would even repeat

298

00:14:03,470 --> 00:14:00,660

these allegations several years later in

299

00:14:06,889 --> 00:14:03,480

a book claiming to detail exactly how

300

00:14:09,310 --> 00:14:06,899

this was achieved but what mental never

301
00:14:12,350 --> 00:14:09,320
mentioned or more appropriately

302
00:14:14,990 --> 00:14:12,360
purposefully left out is the sheer

303
00:14:17,449 --> 00:14:15,000
number of witnesses who saw the object

304
00:14:21,009 --> 00:14:17,459
with their own eyes

305
00:14:25,250 --> 00:14:21,019
the fact of the matter is this besides

306
00:14:26,449 --> 00:14:25,260
trendaji Brazil has a long history of

307
00:14:31,310 --> 00:14:26,459
UFOs

308
00:14:34,790 --> 00:14:31,320
for example in Sao Paulo on July 23 1947

309
00:14:38,210 --> 00:14:34,800
only weeks after the alleged Roswell UFO

310
00:14:41,810 --> 00:14:38,220
crash in New Mexico a very strange close

311
00:14:46,250 --> 00:14:41,820
encounter story had emerged

312
00:14:48,710 --> 00:14:46,260
on July 23rd Jose Higgins reported

313
00:14:51,350 --> 00:14:48,720

seeing a white gray disc shaped craft

314

00:14:54,350 --> 00:14:51,360

that was resting on the ground on what

315

00:14:57,250 --> 00:14:54,360

appeared to be four Meadow legs

316

00:15:01,430 --> 00:14:57,260

he estimated that the object was around

317

00:15:04,310 --> 00:15:01,440

150 feet across as he stood taking in as

318

00:15:07,490 --> 00:15:04,320

many details as he could a section of

319

00:15:09,710 --> 00:15:07,500

the vehicle opened and three human

320

00:15:11,509 --> 00:15:09,720

figures emerged

321

00:15:13,730 --> 00:15:11,519

the first thing that stood out to

322

00:15:16,730 --> 00:15:13,740

Higgins is that they were all around

323

00:15:18,949 --> 00:15:16,740

seven feet tall they had large bald

324

00:15:21,949 --> 00:15:18,959

heads with round eyes

325

00:15:24,530 --> 00:15:21,959

and they had particularly long legs in

326

00:15:26,389 --> 00:15:24,540

comparison to the overall frame they

327

00:15:29,389 --> 00:15:26,399

were all dressed in strange clothing

328

00:15:32,030 --> 00:15:29,399

that appeared to resemble plastic bags

329

00:15:34,009 --> 00:15:32,040

and on their backs were something akin

330

00:15:36,350 --> 00:15:34,019

to metal boxes

331

00:15:39,230 --> 00:15:36,360

it also appeared that at least two other

332

00:15:41,750 --> 00:15:39,240

humanoid entities remained inside the

333

00:15:44,210 --> 00:15:41,760

craft and they looked identical to the

334

00:15:46,910 --> 00:15:44,220

others even though the others had come

335

00:15:49,850 --> 00:15:46,920

fully out of the object they remained in

336

00:15:54,110 --> 00:15:49,860

this shade as if consciously staying out

337

00:15:56,629 --> 00:15:54,120

of direct sunlight vampire style Higgins

338

00:15:59,629 --> 00:15:56,639

could hear them speaking although it was

339

00:16:02,150 --> 00:15:59,639

a language unknown to him one of these

340

00:16:04,310 --> 00:16:02,160

beings suddenly pointed a metal tube at

341

00:16:06,889 --> 00:16:04,320

Higgins and motioned for him to come

342

00:16:10,069 --> 00:16:06,899

closer they gestured formed a look

343

00:16:12,769 --> 00:16:10,079

inside the opening of The Craft which he

344

00:16:13,970 --> 00:16:12,779

ultimately did although he did not step

345

00:16:16,730 --> 00:16:13,980

inside

346

00:16:19,850 --> 00:16:16,740

he attempted to ask through gesturing

347

00:16:22,189 --> 00:16:19,860

where did they come from they appear to

348

00:16:24,290 --> 00:16:22,199

understand as they drew a large circle

349

00:16:27,650 --> 00:16:24,300

on the ground surrounded by several

350

00:16:30,290 --> 00:16:27,660

smaller circles then they pointed to one

351
00:16:31,550 --> 00:16:30,300
of these circles presumably their home

352
00:16:33,889 --> 00:16:31,560
planet

353
00:16:36,769 --> 00:16:33,899
it wasn't clear to Higgins what solar

354
00:16:38,990 --> 00:16:36,779
system or planet or even Galaxy these

355
00:16:41,870 --> 00:16:39,000
seemingly extraterrestrial visitors

356
00:16:45,350 --> 00:16:41,880
might have been referring to they then

357
00:16:47,810 --> 00:16:45,360
gestured for him to go inside but he

358
00:16:50,990 --> 00:16:47,820
politely declined and began to make his

359
00:16:53,389 --> 00:16:51,000
way from the scene after several moments

360
00:16:56,569 --> 00:16:53,399
the entities got back inside the craft

361
00:16:58,189 --> 00:16:56,579
which then ascended into the sky and

362
00:17:01,850 --> 00:16:58,199
disappeared

363
00:17:04,850 --> 00:17:01,860

in November of 1952 several more

364

00:17:07,850 --> 00:17:04,860

sightings occurred in Brazil according

365

00:17:11,390 --> 00:17:07,860

to an article titled my contact with

366

00:17:13,909 --> 00:17:11,400

flying saucers Dino crespeldon claimed to

367

00:17:17,809 --> 00:17:13,919

have witnessed several UFOs over three

368

00:17:20,390 --> 00:17:17,819

nights in the mountains of angatupa on

369

00:17:23,449 --> 00:17:20,400

the third night in question one of these

370

00:17:26,510 --> 00:17:23,459

strange objects landed where Dino was

371

00:17:30,289 --> 00:17:26,520

kept he further put forward that he was

372

00:17:31,970 --> 00:17:30,299

invited on board the craft an invite he

373

00:17:34,070 --> 00:17:31,980

duly accepted

374

00:17:36,529 --> 00:17:34,080

perhaps one thing of interest in note

375

00:17:38,990 --> 00:17:36,539

here are the claims that Dino was told

376

00:17:42,409 --> 00:17:39,000

the aliens came from the satellites of

377

00:17:44,870 --> 00:17:42,419

Jupiter in recent years scientists have

378

00:17:48,409 --> 00:17:44,880

indeed pondered whether at least two of

379

00:17:50,570 --> 00:17:48,419

the gas giants moons could Harbor life

380

00:17:52,430 --> 00:17:50,580

so maybe there is some Credence to

381

00:17:55,549 --> 00:17:52,440

Dino's claim

382

00:17:57,289 --> 00:17:55,559

around the same time in Kubota according

383

00:18:00,010 --> 00:17:57,299

to the research files of UFO

384

00:18:03,830 --> 00:18:00,020

investigator an Alicia Santos Francisco

385

00:18:06,169 --> 00:18:03,840

a truly tragic event would unfold

386

00:18:08,810 --> 00:18:06,179

a nine-year-old girl was playing outside

387

00:18:11,270 --> 00:18:08,820

with friends and her brother as they

388

00:18:13,970 --> 00:18:11,280

played though an extremely strong wind

389

00:18:16,490 --> 00:18:13,980

suddenly appeared out of nowhere causing

390

00:18:19,490 --> 00:18:16,500

them all to stop what they were doing

391

00:18:22,610 --> 00:18:19,500

then a moment later a bizarre object

392

00:18:24,950 --> 00:18:22,620

appeared and landed nearby

393

00:18:27,470 --> 00:18:24,960

the witnesses would later State this

394

00:18:31,669 --> 00:18:27,480

strange vehicle was approximately the

395

00:18:33,650 --> 00:18:31,679

size of a bus after a moment or two a

396

00:18:35,450 --> 00:18:33,660

door opened in the side of this

397

00:18:39,350 --> 00:18:35,460

mysterious craft

398

00:18:42,049 --> 00:18:39,360

moments later a metallic arrow shot out

399

00:18:44,690 --> 00:18:42,059

of the doorway before the children could

400

00:18:46,310 --> 00:18:44,700

stand anymore they all turned and ran

401
00:18:48,350 --> 00:18:46,320
from the scene

402
00:18:51,409 --> 00:18:48,360
by the time the group had come to their

403
00:18:53,750 --> 00:18:51,419
senses and composed themselves the young

404
00:18:54,950 --> 00:18:53,760
girl realized that her brother was

405
00:18:56,990 --> 00:18:54,960
missing

406
00:18:58,909 --> 00:18:57,000
after telling her parents what had

407
00:19:00,890 --> 00:18:58,919
happened they and many neighbors and

408
00:19:04,310 --> 00:19:00,900
Friends set out looking for the young

409
00:19:06,350 --> 00:19:04,320
boy several hours later a report was

410
00:19:07,549 --> 00:19:06,360
received by the police department of a

411
00:19:10,370 --> 00:19:07,559
nearby City

412
00:19:13,850 --> 00:19:10,380
they had found the missing boy wandering

413
00:19:16,610 --> 00:19:13,860

the streets in a severe State of Shock

414

00:19:20,090 --> 00:19:16,620

by the time the family arrived the boy

415

00:19:22,549 --> 00:19:20,100

was suffering from severe skin burns in

416

00:19:25,490 --> 00:19:22,559

an extremely high fever

417

00:19:28,310 --> 00:19:25,500

a short time after he was found he would

418

00:19:30,830 --> 00:19:28,320

tragically pass away

419

00:19:34,549 --> 00:19:30,840

it appeared that he was suffering from

420

00:19:37,850 --> 00:19:34,559

exposure to radiation

421

00:19:40,250 --> 00:19:37,860

only weeks after the encounters at UFO

422

00:19:42,950 --> 00:19:40,260

Island had reached the peak on the night

423

00:19:45,350 --> 00:19:42,960

of February 24th another bizarre

424

00:19:48,490 --> 00:19:45,360

encounter unfolded in Brazil

425

00:19:51,049 --> 00:19:48,500

this time in the state of Bahia

426

00:19:54,350 --> 00:19:51,059

according to a report the incident

427

00:19:56,630 --> 00:19:54,360

occurred at a little after 3 A.M when a

428

00:19:59,870 --> 00:19:56,640

doctor by the name of Carlos Jose to

429

00:20:02,930 --> 00:19:59,880

Costa Pereira and his friend Antonio de

430

00:20:05,270 --> 00:20:02,940

aruja were being driven by pereira's

431

00:20:08,150 --> 00:20:05,280

driver Manuel Mendes

432

00:20:11,150 --> 00:20:08,160

suddenly their car began to stutter

433

00:20:14,690 --> 00:20:11,160

after several moments of this it cut out

434

00:20:16,610 --> 00:20:14,700

altogether and came to a sudden stop the

435

00:20:18,590 --> 00:20:16,620

three men stepped out from the vehicle

436

00:20:21,169 --> 00:20:18,600

and attempted to discover what the

437

00:20:23,990 --> 00:20:21,179

problem might be everything appeared to

438

00:20:26,090 --> 00:20:24,000

be fine as they were miles away from the

439

00:20:28,250 --> 00:20:26,100

nearest Village they decided to spend

440

00:20:30,289 --> 00:20:28,260

the night exactly where they were and

441

00:20:32,870 --> 00:20:30,299

then set out for assistance the next

442

00:20:35,930 --> 00:20:32,880

morning as they were getting ready to do

443

00:20:38,029 --> 00:20:35,940

so however they noticed a large luminous

444

00:20:40,789 --> 00:20:38,039

object that appeared to be hovering

445

00:20:43,490 --> 00:20:40,799

overhead a short distance away

446

00:20:46,370 --> 00:20:43,500

Pereira would later State how the object

447

00:20:49,669 --> 00:20:46,380

glowed with a strange light which seemed

448

00:20:52,130 --> 00:20:49,679

fluid between silver and blue they soon

449

00:20:54,470 --> 00:20:52,140

realized that the object was not merely

450

00:20:56,990 --> 00:20:54,480

hovering but was heading in their

451
00:20:58,669 --> 00:20:57,000
Direction getting larger with each

452
00:21:01,130 --> 00:20:58,679
passing second

453
00:21:03,470 --> 00:21:01,140
the closer it got the more they could

454
00:21:06,230 --> 00:21:03,480
make out the shape which was like two

455
00:21:08,750 --> 00:21:06,240
bowls placed facing each other with a

456
00:21:11,270 --> 00:21:08,760
gold disc or ring running through the

457
00:21:12,890 --> 00:21:11,280
middle as if connecting the upper and

458
00:21:16,549 --> 00:21:12,900
lower sections

459
00:21:19,430 --> 00:21:16,559
this ring was spinning extremely quickly

460
00:21:22,070 --> 00:21:19,440
the object came to a stop approximately

461
00:21:25,070 --> 00:21:22,080
250 feet from where the men were

462
00:21:26,870 --> 00:21:25,080
standing it was at about a height of a

463
00:21:29,450 --> 00:21:26,880

hundred feet off the ground

464

00:21:31,909 --> 00:21:29,460

it remained still in silent for several

465

00:21:32,870 --> 00:21:31,919

seconds before it went into motion once

466

00:21:35,090 --> 00:21:32,880

more

467

00:21:38,570 --> 00:21:35,100

the object then descended directly

468

00:21:42,110 --> 00:21:38,580

downward coming to a stop once more when

469

00:21:44,810 --> 00:21:42,120

it was only about 10 feet off the ground

470

00:21:47,149 --> 00:21:44,820

as it descended the witnesses could see

471

00:21:49,190 --> 00:21:47,159

that the bottom section was slightly

472

00:21:51,230 --> 00:21:49,200

flattened and that the glow from the

473

00:21:53,810 --> 00:21:51,240

object was spreading toward the ground

474

00:21:57,830 --> 00:21:53,820

like a curtain of light suspended

475

00:22:01,010 --> 00:21:57,840

between the object and the ground below

476
00:22:04,029 --> 00:22:01,020
at this point Mendes returned to the

477
00:22:06,770 --> 00:22:04,039
vehicle clearly unsettled by the events

478
00:22:09,350 --> 00:22:06,780
Pereira and his friend on the other hand

479
00:22:12,770 --> 00:22:09,360
remained where they were neither taking

480
00:22:14,750 --> 00:22:12,780
their eyes from the mysterious object

481
00:22:16,909 --> 00:22:14,760
they remained looking at the craft for

482
00:22:17,870 --> 00:22:16,919
several minutes as it remained where it

483
00:22:20,270 --> 00:22:17,880
was

484
00:22:23,390 --> 00:22:20,280
deciding to take matters into their own

485
00:22:26,029 --> 00:22:23,400
hands the two men made the decision to

486
00:22:28,730 --> 00:22:26,039
walk toward the hovering craft

487
00:22:31,190 --> 00:22:28,740
however when they came to within a few

488
00:22:33,950 --> 00:22:31,200

feet of it it shot into the air with

489

00:22:36,590 --> 00:22:33,960

Breakneck speed coming to a sudden stop

490

00:22:39,230 --> 00:22:36,600

around 600 feet from the ground

491

00:22:41,750 --> 00:22:39,240

over the next several minutes it moved

492

00:22:44,330 --> 00:22:41,760

up and it crossed the sky performing

493

00:22:47,870 --> 00:22:44,340

various Maneuvers as it did so

494

00:22:50,149 --> 00:22:47,880

eventually by around 4 30 a.m the object

495

00:22:54,529 --> 00:22:50,159

disappeared from sight and appeared to

496

00:22:56,990 --> 00:22:54,539

be gone for good however at 6 30 a.m two

497

00:22:59,210 --> 00:22:57,000

hours later and it was four hours after

498

00:23:01,970 --> 00:22:59,220

they had first seen it they saw the

499

00:23:05,330 --> 00:23:01,980

object again hovering at a relatively

500

00:23:07,789 --> 00:23:05,340

low altitude slightly tilted on its side

501
00:23:10,010 --> 00:23:07,799
it remained motionless for several

502
00:23:12,289 --> 00:23:10,020
minutes before it suddenly shot into the

503
00:23:13,690 --> 00:23:12,299
distance and disappeared almost

504
00:23:16,070 --> 00:23:13,700
instantly

505
00:23:18,110 --> 00:23:16,080
incidentally before they set out to

506
00:23:20,390 --> 00:23:18,120
search for help with the arrival of

507
00:23:23,630 --> 00:23:20,400
daylight the three men tried the vehicle

508
00:23:26,330 --> 00:23:23,640
one last time to their amazement the

509
00:23:28,549 --> 00:23:26,340
engine roared into life with no problems

510
00:23:31,010 --> 00:23:28,559
whatsoever

511
00:23:34,370 --> 00:23:31,020
while there are many other documented

512
00:23:37,789 --> 00:23:34,380
UFO stories out of Brazil the next case

513
00:23:40,549 --> 00:23:37,799

we'll discuss became widely known as the

514

00:23:42,890 --> 00:23:40,559

caloris incident and would prompt the

515

00:23:47,330 --> 00:23:42,900

Brazilian government to investigate it

516

00:23:50,029 --> 00:23:47,340

under the title apparato Prato or better

517

00:23:54,789 --> 00:23:50,039

known in the English-speaking world as

518

00:24:00,350 --> 00:23:57,770

the summer in the skies podcast is free

519

00:24:02,810 --> 00:24:00,360

to listen to every week but if you would

520

00:24:05,570 --> 00:24:02,820

like to help support the show we have a

521

00:24:07,549 --> 00:24:05,580

very active patreon page where you give

522

00:24:10,010 --> 00:24:07,559

what you think the show is worth in

523

00:24:13,730 --> 00:24:10,020

return you'll get early access to the

524

00:24:16,029 --> 00:24:13,740

main show bonus episodes and priority to

525

00:24:18,649 --> 00:24:16,039

ask our guests your listener questions

526

00:24:22,190 --> 00:24:18,659

your support truly makes the show

527

00:24:24,970 --> 00:24:22,200

continue and grow so to learn more and

528

00:24:26,590 --> 00:24:24,980

to join visit [patreon.com](https://www.patreon.com)

529

00:24:32,590 --> 00:24:26,600

somewhere Skies

530

00:24:38,330 --> 00:24:36,169

operation saucer was an investigation in

531

00:24:40,730 --> 00:24:38,340

their series of reported incidents in

532

00:24:43,130 --> 00:24:40,740

1977.

533

00:24:46,010 --> 00:24:43,140

where residents in the Brazilian city of

534

00:24:49,070 --> 00:24:46,020

kalaris claimed that they not only

535

00:24:53,029 --> 00:24:49,080

witnessed flying saucers but they were

536

00:24:56,510 --> 00:24:53,039

also being attacked by them

537

00:24:58,850 --> 00:24:56,520

bright objects of differing shapes sizes

538

00:25:01,909 --> 00:24:58,860

and colors were said to have been flying

539

00:25:05,270 --> 00:25:01,919

at low altitudes just a few meters above

540

00:25:07,789 --> 00:25:05,280

the tops of trees in firing light beams

541

00:25:09,950 --> 00:25:07,799

at people on the ground below

542

00:25:13,190 --> 00:25:09,960

several witnesses claim to have seen

543

00:25:15,710 --> 00:25:13,200

beings piloting these craft describing

544

00:25:16,850 --> 00:25:15,720

them as no more than three to four feet

545

00:25:19,310 --> 00:25:16,860

tall

546

00:25:21,710 --> 00:25:19,320

what separates these sightings from the

547

00:25:25,130 --> 00:25:21,720

unusual glimpses of UFOs in the skies

548

00:25:27,230 --> 00:25:25,140

are the numerous and recurring injuries

549

00:25:30,830 --> 00:25:27,240

that people suffered

550

00:25:33,950 --> 00:25:30,840

these beams gave off intense rays of

551
00:25:36,710 --> 00:25:33,960
radiation that caused puncture marks and

552
00:25:38,810 --> 00:25:36,720
lesions with some people reporting to

553
00:25:40,789 --> 00:25:38,820
local media at the time that it felt

554
00:25:42,549 --> 00:25:40,799
like a heavy weight had been pushed

555
00:25:45,909 --> 00:25:42,559
against their chest

556
00:25:48,710 --> 00:25:45,919
describing the injuries Dr villade

557
00:25:51,169 --> 00:25:48,720
Carvalho who worked in a healthcare unit

558
00:25:54,350 --> 00:25:51,179
at the time would State the following

559
00:25:56,990 --> 00:25:54,360
about the patients she treated the

560
00:25:59,390 --> 00:25:57,000
patient suffered lesions to the face or

561
00:26:01,549 --> 00:25:59,400
the middle and upper back they appeared

562
00:26:03,590 --> 00:26:01,559
as though these lesions could be some

563
00:26:07,010 --> 00:26:03,600

type of radiation burn

564

00:26:08,810 --> 00:26:07,020

the lesions or wounds began with intense

565

00:26:09,950 --> 00:26:08,820

reddening of the skin in the affected

566

00:26:12,049 --> 00:26:09,960

area

567

00:26:14,210 --> 00:26:12,059

later some of the patients claim that

568

00:26:16,850 --> 00:26:14,220

their hair would fall out and their skin

569

00:26:20,029 --> 00:26:16,860

would turn black despite all of this

570

00:26:22,610 --> 00:26:20,039

there was no pain only a slight warmth

571

00:26:24,830 --> 00:26:22,620

on their wounds the patients were men

572

00:26:26,570 --> 00:26:24,840

and women of varying ages without any

573

00:26:29,690 --> 00:26:26,580

patterns

574

00:26:33,289 --> 00:26:29,700

soon the saucers were quickly dubbed

575

00:26:35,630 --> 00:26:33,299

Chupa Chupa meaning sucker sucker and

576
00:26:37,669 --> 00:26:35,640
with reports of more sightings and more

577
00:26:40,970 --> 00:26:37,679
incidents of people being injured or

578
00:26:43,669 --> 00:26:40,980
losing blood Panic soon started to set

579
00:26:46,010 --> 00:26:43,679
in and women and children left the area

580
00:26:48,529 --> 00:26:46,020
while local men stayed to look after

581
00:26:51,169 --> 00:26:48,539
their homes or possessions

582
00:26:52,970 --> 00:26:51,179
with no reasonable explanation offered

583
00:26:56,090 --> 00:26:52,980
as to what exactly was behind the

584
00:26:58,610 --> 00:26:56,100
so-called attacks from the UFOs or Chupa

585
00:27:00,890 --> 00:26:58,620
chupas the Brazilian Air Force was

586
00:27:02,330 --> 00:27:00,900
tasked with finding out what was going

587
00:27:05,029 --> 00:27:02,340
on

588
00:27:07,370 --> 00:27:05,039

and this is when they decided to launch

589

00:27:10,610 --> 00:27:07,380

operation saucer which would

590

00:27:13,430 --> 00:27:10,620

subsequently compile a 2 000 page

591

00:27:17,269 --> 00:27:13,440

military Report featuring 500

592

00:27:19,850 --> 00:27:17,279

photographs in 16 hours of film that the

593

00:27:22,130 --> 00:27:19,860

Brazilian Air Force reportedly witnessed

594

00:27:25,730 --> 00:27:22,140

with their own eyes

595

00:27:27,769 --> 00:27:25,740

Brazilian UFO researcher Daniel robiso

596

00:27:30,529 --> 00:27:27,779

gisi claimed that several military

597

00:27:33,110 --> 00:27:30,539

personnel suffered nervous breakdowns

598

00:27:35,630 --> 00:27:33,120

While others went completely insane

599

00:27:37,789 --> 00:27:35,640

during the course of the investigation

600

00:27:40,970 --> 00:27:37,799

the documents within the investigation

601
00:27:44,630 --> 00:27:40,980
were kept classified until several Pages

602
00:27:47,110 --> 00:27:44,640
were released in 2004 showing drawings

603
00:27:50,090 --> 00:27:47,120
and photographs of what the military saw

604
00:27:52,490 --> 00:27:50,100
bright cylindrical lights featured in

605
00:27:54,769 --> 00:27:52,500
the photographs or several drawings show

606
00:27:57,470 --> 00:27:54,779
similarly shaped objects witnessed by

607
00:28:00,049 --> 00:27:57,480
people on the island at the time

608
00:28:03,110 --> 00:28:00,059
despite this the operation never

609
00:28:05,330 --> 00:28:03,120
explicitly stated that UFOs or aliens

610
00:28:06,950 --> 00:28:05,340
were the official cause of the sightings

611
00:28:09,710 --> 00:28:06,960
and injuries

612
00:28:12,470 --> 00:28:09,720
however high-ranking officials from the

613
00:28:15,470 --> 00:28:12,480

Air Force reportedly told a group of UFO

614

00:28:17,990 --> 00:28:15,480

researchers in 2004 that they had

615

00:28:22,909 --> 00:28:18,000

discreetly been studying the existence

616

00:28:24,890 --> 00:28:22,919

of UFOs since the mid-1950s Dr cavallho

617

00:28:27,470 --> 00:28:24,900

would later come forward to claim the

618

00:28:30,890 --> 00:28:27,480

following on what the Air Force told her

619

00:28:32,570 --> 00:28:30,900

to tell her patients and the public I

620

00:28:35,090 --> 00:28:32,580

was ordered to lie to them about their

621

00:28:37,010 --> 00:28:35,100

injuries to tell them they were simply

622

00:28:39,409 --> 00:28:37,020

hallucinations this is what the Air

623

00:28:40,610 --> 00:28:39,419

Force told me to say that it didn't

624

00:28:42,590 --> 00:28:40,620

happen

625

00:28:45,169 --> 00:28:42,600

I was told to tell the public it was

626
00:28:47,690 --> 00:28:45,179
mass hysteria but nobody can have the

627
00:28:49,610 --> 00:28:47,700
same delirium the same visual and

628
00:28:52,130 --> 00:28:49,620
synthetic hallucinations at the same

629
00:28:55,310 --> 00:28:52,140
time in different places

630
00:28:59,210 --> 00:28:55,320
even more stunning Carvalho would claim

631
00:29:01,970 --> 00:28:59,220
to have witnessed a UFO herself I could

632
00:29:04,130 --> 00:29:01,980
see the UFO's bright medal it wasn't

633
00:29:06,350 --> 00:29:04,140
disc shaped however it was much more

634
00:29:08,690 --> 00:29:06,360
like a cone or a cylinder

635
00:29:10,490 --> 00:29:08,700
this was all I needed to know something

636
00:29:14,390 --> 00:29:10,500
was truly happening

637
00:29:17,450 --> 00:29:14,400
I had now witnessed it myself

638
00:29:21,409 --> 00:29:17,460

in addition the commander of operation

639

00:29:25,070 --> 00:29:21,419

saucer Captain yeran hey Bolivar Suarez

640

00:29:27,350 --> 00:29:25,080

gave an interview in 1997 to UFO

641

00:29:29,690 --> 00:29:27,360

magazine where he recounted how

642

00:29:31,430 --> 00:29:29,700

terrified his men were during their

643

00:29:33,230 --> 00:29:31,440

investigations

644

00:29:35,570 --> 00:29:33,240

he went on to reveal eyewitness

645

00:29:38,149 --> 00:29:35,580

statements which described residents

646

00:29:41,330 --> 00:29:38,159

waking up to beings wearing protective

647

00:29:43,970 --> 00:29:41,340

clothing and shooting colored beams at

648

00:29:46,730 --> 00:29:43,980

their heads as well as several officers

649

00:29:50,169 --> 00:29:46,740

reporting seeing strange lights emerging

650

00:29:53,570 --> 00:29:50,179

from and Diving back into Coastal Waters

651
00:29:56,870 --> 00:29:53,580
leading some to assume this was the

652
00:29:58,970 --> 00:29:56,880
location of a UFO base

653
00:30:03,049 --> 00:29:58,980
three months after giving this interview

654
00:30:05,510 --> 00:30:03,059
the captain was found dead in his home

655
00:30:08,750 --> 00:30:05,520
he was concluded that he had committed

656
00:30:11,210 --> 00:30:08,760
suicide leaving some to speculate that

657
00:30:14,090 --> 00:30:11,220
perhaps giving the interview did not

658
00:30:16,070 --> 00:30:14,100
leave the Brazilian Air Force happy and

659
00:30:20,389 --> 00:30:16,080
that he was actually murdered for coming

660
00:30:22,140 --> 00:30:20,399
forward again only speculation and

661
00:30:24,409 --> 00:30:22,150
tragic no matter the case

662
00:30:27,529 --> 00:30:24,419
[Music]

663
00:30:29,930 --> 00:30:27,539

while operation saucer was indeed a

664

00:30:33,409 --> 00:30:29,940

pinnacle moment in time for Brazilian

665

00:30:36,590 --> 00:30:33,419

UFO history another event would hit the

666

00:30:39,049 --> 00:30:36,600

country almost a decade later and it

667

00:30:43,190 --> 00:30:39,059

would come to be known by locals as the

668

00:30:51,350 --> 00:30:48,889

on May 19 1986 Sergeant Sergio Mota the

669

00:30:55,070 --> 00:30:51,360

air traffic controller at the Sao Jose

670

00:30:56,930 --> 00:30:55,080

dos Campos airport in Sao Paulo spotted

671

00:30:58,070 --> 00:30:56,940

a light in the sky from the control

672

00:31:01,970 --> 00:30:58,080

tower

673

00:31:04,130 --> 00:31:01,980

intrigued by this Mota s controllers at

674

00:31:07,430 --> 00:31:04,140

Sao Paulo's garulis International

675

00:31:09,710 --> 00:31:07,440

Airport tower to check if any plane was

676
00:31:12,769 --> 00:31:09,720
heading to its Airfield

677
00:31:16,549 --> 00:31:12,779
the answer was negative and while he was

678
00:31:19,370 --> 00:31:16,559
talking the object vanished after a

679
00:31:21,649 --> 00:31:19,380
while the object reappeared this time

680
00:31:24,769 --> 00:31:21,659
shining even more brightly

681
00:31:27,169 --> 00:31:24,779
Mota fetched some binoculars to observe

682
00:31:30,710 --> 00:31:27,179
the object better and found that the

683
00:31:33,169 --> 00:31:30,720
object was light and multi-colored

684
00:31:35,389 --> 00:31:33,179
at one point the sergeant dimmed the

685
00:31:38,029 --> 00:31:35,399
Airport runway lights and the object

686
00:31:41,510 --> 00:31:38,039
moved closer and when he increased the

687
00:31:44,510 --> 00:31:41,520
brightness the object moved away in an

688
00:31:46,490 --> 00:31:44,520

interview with the BBC Mota would State

689

00:31:48,649 --> 00:31:46,500

the following whether they were trying

690

00:31:51,590 --> 00:31:48,659

to interact with me I don't know

691

00:31:53,269 --> 00:31:51,600

what I do know is that they behaved

692

00:31:56,149 --> 00:31:53,279

intelligently

693

00:31:59,090 --> 00:31:56,159

around the same time frame about 200

694

00:32:01,070 --> 00:31:59,100

soldiers including Cadets and officers

695

00:32:04,070 --> 00:32:01,080

from the school of aeronautical

696

00:32:06,710 --> 00:32:04,080

Specialists also spotted these lights

697

00:32:09,190 --> 00:32:06,720

either with the naked eye or with

698

00:32:13,430 --> 00:32:09,200

binoculars according to the ufologist

699

00:32:15,529 --> 00:32:13,440

Edison hunner president of the guadaruja

700

00:32:18,409 --> 00:32:15,539

ufological group

701
00:32:20,330 --> 00:32:18,419
in addition at least three planes

702
00:32:23,269 --> 00:32:20,340
reported similar sightings that night

703
00:32:27,110 --> 00:32:23,279
one of which was piloted by Brazilian

704
00:32:29,510 --> 00:32:27,120
entrepreneur oziera Silva the objects

705
00:32:32,029 --> 00:32:29,520
were also picked up on radar from the

706
00:32:34,610 --> 00:32:32,039
Brazilian Air Forces integrated Center

707
00:32:38,510 --> 00:32:34,620
for air defense and air traffic control

708
00:32:40,610 --> 00:32:38,520
meaning these were solid objects

709
00:32:43,310 --> 00:32:40,620
the Air Force scrambled its combat

710
00:32:46,310 --> 00:32:43,320
aircraft to intercept the objects

711
00:32:48,049 --> 00:32:46,320
however the pilots were disoriented by

712
00:32:50,810 --> 00:32:48,059
what they had encountered

713
00:32:53,510 --> 00:32:50,820

according to them these multi-colored

714

00:32:57,649 --> 00:32:53,520

objects could hover statically in the

715

00:33:01,549 --> 00:32:57,659

sky Fly in zigzag formations turn at

716

00:33:04,669 --> 00:33:01,559

right angles change color trajectory and

717

00:33:07,630 --> 00:33:04,679

altitude and they could reach up to 15

718

00:33:10,310 --> 00:33:07,640

times the speed of sound

719

00:33:12,769 --> 00:33:10,320

Mota the air traffic controller would

720

00:33:15,070 --> 00:33:12,779

also add the following the number of

721

00:33:17,509 --> 00:33:15,080

objects was much higher than 21.

722

00:33:20,230 --> 00:33:17,519

sometimes the pilots had visual contact

723

00:33:23,570 --> 00:33:20,240

but The Radars did not register anything

724

00:33:26,029 --> 00:33:23,580

other times The Radars even detected the

725

00:33:28,190 --> 00:33:26,039

presence of objects but the pilots could

726

00:33:30,730 --> 00:33:28,200

not see them the Air Force only

727

00:33:34,310 --> 00:33:30,740

considered sightings in which there were

728

00:33:36,350 --> 00:33:34,320

simultaneous confirmation the rest were

729

00:33:39,350 --> 00:33:36,360

discarded

730

00:33:43,070 --> 00:33:39,360

initially three planes were dispatched

731

00:33:46,370 --> 00:33:43,080

the first of which in f5e piloted by

732

00:33:48,590 --> 00:33:46,380

Lieutenant Clipper caldes Marino left

733

00:33:51,649 --> 00:33:48,600

the Santa Cruz Air Base in Rio de

734

00:33:54,409 --> 00:33:51,659

Janeiro at 10 34 pm

735

00:33:57,169 --> 00:33:54,419

he described closing in on the target

736

00:33:58,730 --> 00:33:57,179

which stopped moving towards him and

737

00:34:01,070 --> 00:33:58,740

started to climb

738

00:34:03,889 --> 00:34:01,080

he kept following the contact until

739

00:34:06,769 --> 00:34:03,899

about thirty thousand feet when he lost

740

00:34:08,869 --> 00:34:06,779

radar contact and was left with just

741

00:34:12,430 --> 00:34:08,879

visual contact

742

00:34:16,129 --> 00:34:12,440

the second fighter a mirage f-103

743

00:34:20,089 --> 00:34:16,139

piloted by Captain armindo Sousa took

744

00:34:21,290 --> 00:34:20,099

off at 10 48 PM from the Annapolis Air

745

00:34:25,010 --> 00:34:21,300

Base

746

00:34:28,129 --> 00:34:25,020

at 11 09 PM the captain noticed an

747

00:34:31,190 --> 00:34:28,139

unidentified signal which appeared 22

748

00:34:33,409 --> 00:34:31,200

kilometers away on his radar he

749

00:34:36,649 --> 00:34:33,419

immediately framed his Target and

750

00:34:41,389 --> 00:34:36,659

prepared to fire at the suspected enemy

751
00:34:43,730 --> 00:34:41,399
his plane soon hit the speed of Mach 1.3

752
00:34:46,250 --> 00:34:43,740
and much to the amazement of the captain

753
00:34:49,310 --> 00:34:46,260
when he was nine kilometers from the

754
00:34:54,169 --> 00:34:49,320
target the object accelerated sharply

755
00:34:57,650 --> 00:34:54,179
and reached the speed of Mach 15.

756
00:35:00,950 --> 00:34:57,660
the third fighter also an F5 piloted by

757
00:35:04,310 --> 00:35:00,960
Captain Marcio or Dao left the Santa

758
00:35:06,470 --> 00:35:04,320
Cruz Air Base at 10 50 pm and nine

759
00:35:09,710 --> 00:35:06,480
minutes later while conducting searches

760
00:35:11,990 --> 00:35:09,720
in the San Jose dos Campos region he was

761
00:35:14,690 --> 00:35:12,000
informed by his flight controller one

762
00:35:17,510 --> 00:35:14,700
Sergeant Nelson that numerous objects

763
00:35:20,270 --> 00:35:17,520

were flying behind him

764

00:35:23,390 --> 00:35:20,280

based on this the captain performed a

765

00:35:24,650 --> 00:35:23,400

180 maneuver to see his pursuers but to

766

00:35:27,290 --> 00:35:24,660

no avail

767

00:35:30,349 --> 00:35:27,300

according to radar images there were a

768

00:35:32,810 --> 00:35:30,359

total of 13 UFOs

769

00:35:35,950 --> 00:35:32,820

seven on one side and six on the other

770

00:35:39,470 --> 00:35:35,960

that escorted the captain

771

00:35:41,329 --> 00:35:39,480

photojournalist adenir prito was also

772

00:35:44,270 --> 00:35:41,339

working that night in his newspaper

773

00:35:46,670 --> 00:35:44,280

office when he received a tip-off that

774

00:35:49,550 --> 00:35:46,680

there was a flying saucer overhead the

775

00:35:52,370 --> 00:35:49,560

newspaper office he initially assumed it

776

00:35:54,650 --> 00:35:52,380

to be a joke but he did go outside with

777

00:35:57,470 --> 00:35:54,660

the reporter to check it out

778

00:36:00,530 --> 00:35:57,480

and much to his surprise he saw a

779

00:36:01,609 --> 00:36:00,540

multi-colored object moving about in the

780

00:36:04,190 --> 00:36:01,619

night sky

781

00:36:07,069 --> 00:36:04,200

and he was able to capture several

782

00:36:09,230 --> 00:36:07,079

photographs of it a month later two

783

00:36:11,630 --> 00:36:09,240

officers from the Aerospace Technical

784

00:36:14,329 --> 00:36:11,640

Center working in conjunction with the

785

00:36:18,109 --> 00:36:14,339

Brazilian Air Force accompanied by the

786

00:36:21,589 --> 00:36:18,119

American UFO researcher James J hertock

787

00:36:23,870 --> 00:36:21,599

turned up at The Newsroom and demanded

788

00:36:26,150 --> 00:36:23,880

that the editor hand them over the

789

00:36:28,790 --> 00:36:26,160

negatives of the photos taken by Brito

790

00:36:32,450 --> 00:36:28,800

on the pretext that they needed to be

791

00:36:34,790 --> 00:36:32,460

analyzed by NASA these negatives were

792

00:36:37,550 --> 00:36:34,800

never returned

793

00:36:40,490 --> 00:36:37,560

four days later then minister of

794

00:36:43,970 --> 00:36:40,500

Aeronautics Brigadier Octavio ulio

795

00:36:46,370 --> 00:36:43,980

Moderata Lima held a press conference in

796

00:36:51,230 --> 00:36:46,380

which he told the reporters that five

797

00:36:52,670 --> 00:36:51,240

Brazilian fighter jets chased 21 UFOs in

798

00:36:55,130 --> 00:36:52,680

total

799

00:36:57,349 --> 00:36:55,140

in front of the packed room he would

800

00:36:59,210 --> 00:36:57,359

State the following it's not about

801
00:37:00,890 --> 00:36:59,220
whether or not you believe in

802
00:37:03,349 --> 00:37:00,900
extraterrestrial beings or flying

803
00:37:04,670 --> 00:37:03,359
saucers we can only give technical

804
00:37:06,770 --> 00:37:04,680
information

805
00:37:09,230 --> 00:37:06,780
there are several assumptions

806
00:37:12,410 --> 00:37:09,240
technically I would tell you that we

807
00:37:15,170 --> 00:37:12,420
have no explanation all I can tell for

808
00:37:18,650 --> 00:37:15,180
certain is that these events will be

809
00:37:20,690 --> 00:37:18,660
investigated and within 30 days a report

810
00:37:23,870 --> 00:37:20,700
will be released

811
00:37:29,450 --> 00:37:23,880
that report would not be released to the

812
00:37:32,150 --> 00:37:29,460
public until 23 years later in 2009

813
00:37:35,150 --> 00:37:32,160

the report concluded that quote the

814

00:37:37,550 --> 00:37:35,160

phenomena are solid and reflect in a

815

00:37:40,069 --> 00:37:37,560

certain way intelligence

816

00:37:43,010 --> 00:37:40,079

due to the ability to follow and

817

00:37:45,890 --> 00:37:43,020

maintain a distance from observers as

818

00:37:50,270 --> 00:37:45,900

well as to fly in formation not

819

00:37:53,329 --> 00:37:50,280

necessarily manned end quote

820

00:37:57,589 --> 00:37:53,339

so what exactly happened that night over

821

00:38:03,349 --> 00:37:57,599

Brazil like most other UFO cases remains

822

00:38:09,050 --> 00:38:06,349

while Brazil was undoubtedly busy with

823

00:38:12,170 --> 00:38:09,060

UFO reports throughout history the fact

824

00:38:14,450 --> 00:38:12,180

is this abundance of activity has

825

00:38:17,270 --> 00:38:14,460

continued throughout the decades with

826
00:38:18,950 --> 00:38:17,280
regular UFO encounters reported even

827
00:38:22,069 --> 00:38:18,960
today

828
00:38:22,910 --> 00:38:22,079
so why the abundance in this area of the

829
00:38:25,790 --> 00:38:22,920
world

830
00:38:27,770 --> 00:38:25,800
is it the dense forests and jungles that

831
00:38:30,890 --> 00:38:27,780
offer the chance for either top secret

832
00:38:33,589 --> 00:38:30,900
military projects or is some sort of

833
00:38:37,069 --> 00:38:33,599
non-human intelligence somehow attracted

834
00:38:38,569 --> 00:38:37,079
to these areas rich with nature and

835
00:38:41,750 --> 00:38:38,579
resources

836
00:38:43,730 --> 00:38:41,760
or might the fact that the Atlantic hugs

837
00:38:46,790 --> 00:38:43,740
a huge part of the country offer

838
00:38:49,490 --> 00:38:46,800

Credence to the claims that these alien

839

00:38:53,630 --> 00:38:49,500

entities have established some kind of

840

00:38:57,410 --> 00:38:53,640

permanent presence deep below our oceans

841

00:39:00,530 --> 00:38:57,420

we obviously can't be certain but one

842

00:39:03,349 --> 00:39:00,540

thing we can be certain of is that UFO

843

00:39:06,890 --> 00:39:03,359

Island and Brazil in general is

844

00:39:10,730 --> 00:39:06,900

undoubtedly just as crucial as anywhere

845

00:39:13,550 --> 00:39:10,740

else in unlocking the secrets of the UFO

846

00:39:15,410 --> 00:39:13,560

mystery and as Brazil continues to

847

00:39:19,010 --> 00:39:15,420

experience these anomalous events

848

00:39:21,589 --> 00:39:19,020

perhaps the words of Luis Elizondo will

849

00:39:22,730 --> 00:39:21,599

give them hope of one day finding

850

00:39:25,670 --> 00:39:22,740

answers

851

00:39:28,550 --> 00:39:25,680

somewhere in the skies

852

00:39:31,130 --> 00:39:28,560

here is Elizondo speaking at the

853

00:39:32,990 --> 00:39:31,140

Brazilian hearing greetings ladies and

854

00:39:34,370 --> 00:39:33,000

gentlemen and esteemed members of the

855

00:39:36,770 --> 00:39:34,380

government of Brazil

856

00:39:38,329 --> 00:39:36,780

my name is Luis Elizondo and I'm a

857

00:39:39,950 --> 00:39:38,339

career intelligence officer with the

858

00:39:43,490 --> 00:39:39,960

United States government

859

00:39:45,410 --> 00:39:43,500

from 2008 to 2017 I had the privilege to

860

00:39:48,650 --> 00:39:45,420

participate in a small but significant

861

00:39:51,770 --> 00:39:48,660

program within the Pentagon focusing on

862

00:39:53,390 --> 00:39:51,780

the collection of UFO data in 2010 I was

863

00:39:55,730 --> 00:39:53,400

asked to lead the overall effort which

864

00:39:57,470 --> 00:39:55,740

later became a small footnote to my

865

00:40:00,170 --> 00:39:57,480

country's history involving the

866

00:40:01,910 --> 00:40:00,180

dedicated study of this phenomenon it

867

00:40:03,470 --> 00:40:01,920

was during this time that it became very

868

00:40:05,030 --> 00:40:03,480

evident to all of us involved in the

869

00:40:07,010 --> 00:40:05,040

project that our military was

870

00:40:09,290 --> 00:40:07,020

encountering a technology that far

871

00:40:11,630 --> 00:40:09,300

exceeded our own capabilities

872

00:40:13,550 --> 00:40:11,640

furthermore it was abundantly clear that

873

00:40:15,950 --> 00:40:13,560

this technology had the ability to gain

874

00:40:18,290 --> 00:40:15,960

access to our controlled airspace and

875

00:40:21,710 --> 00:40:18,300

once more perform in ways that was

876

00:40:23,390 --> 00:40:21,720

unimaginable and yet verifiable by some

877

00:40:26,569 --> 00:40:23,400

of our most sophisticated weapon

878

00:40:28,910 --> 00:40:26,579

platforms and data collection techniques

879

00:40:30,770 --> 00:40:28,920

recently elected officials in my country

880

00:40:33,170 --> 00:40:30,780

have decided the evidence was too

881

00:40:34,730 --> 00:40:33,180

overwhelming to ignore and called upon

882

00:40:37,790 --> 00:40:34,740

our defense and intelligence communities

883

00:40:40,550 --> 00:40:37,800

to participate in a public hearing of

884

00:40:42,589 --> 00:40:40,560

which I suspect many more will follow

885

00:40:46,910 --> 00:40:42,599

the result of the hearing was simple and

886

00:40:50,630 --> 00:40:46,920

yet astonishing one UFOs are real

887

00:40:52,010 --> 00:40:50,640

two UFOs most likely represent a real

888

00:40:55,370 --> 00:40:52,020

technology

889

00:40:58,250 --> 00:40:55,380
and three UFOs are considered a national

890

00:41:01,010 --> 00:40:58,260
interest for the United States

891

00:41:02,510 --> 00:41:01,020
further reinforcing this new priority is

892

00:41:04,310 --> 00:41:02,520
a requirement for our defense and

893

00:41:06,589 --> 00:41:04,320
intelligence communities to work with

894

00:41:08,630 --> 00:41:06,599
partner Nations and allies

895

00:41:10,910 --> 00:41:08,640
although I applaud this new renewed

896

00:41:13,550 --> 00:41:10,920
interest in a historically forbidden

897

00:41:15,710 --> 00:41:13,560
area of study it is with great concern

898

00:41:18,710 --> 00:41:15,720
that I worry about any single country

899

00:41:21,109 --> 00:41:18,720
having Monopoly on the study of what is

900

00:41:23,930 --> 00:41:21,119
now considered Beyond Next Generation

901
00:41:25,670 --> 00:41:23,940
technology and by default controlling

902
00:41:28,490 --> 00:41:25,680
the narrative on this topic

903
00:41:30,770 --> 00:41:28,500
ladies and gentlemen today I speak to

904
00:41:32,930 --> 00:41:30,780
you not as a Former Intelligence officer

905
00:41:36,530 --> 00:41:32,940
not as a representative of the U.S

906
00:41:38,930 --> 00:41:36,540
government and not as a UFO expert today

907
00:41:39,890 --> 00:41:38,940
I appeal to you as an ordinary citizen

908
00:41:42,530 --> 00:41:39,900
of the world

909
00:41:45,470 --> 00:41:42,540
as your brother your father

910
00:41:48,069 --> 00:41:45,480
your son pleading you take this topic

911
00:41:51,290 --> 00:41:48,079
seriously and to do what is necessary

912
00:41:53,150 --> 00:41:51,300
not just for your constituents but for

913
00:41:56,329 --> 00:41:53,160

every person on the planet

914

00:41:59,150 --> 00:41:56,339

today you have a rare opportunity that

915

00:42:00,950 --> 00:41:59,160

comes only once in a lifetime today I

916

00:42:02,470 --> 00:42:00,960

ask you seriously consider the

917

00:42:05,030 --> 00:42:02,480

establishment of a Brazilian

918

00:42:07,730 --> 00:42:05,040

government-sponsored UFO program

919

00:42:10,310 --> 00:42:07,740

that includes scientists and academics

920

00:42:12,050 --> 00:42:10,320

the time has come to remove conspiracy

921

00:42:15,230 --> 00:42:12,060

theory and replace it with quantum

922

00:42:16,490 --> 00:42:15,240

theory remove stigma and replace it with

923

00:42:19,190 --> 00:42:16,500

Academia

924

00:42:20,690 --> 00:42:19,200

remove secrecy and replace it with

925

00:42:22,849 --> 00:42:20,700

transparency

926

00:42:25,130 --> 00:42:22,859

I ask that Brazil helped lead the world

927

00:42:26,450 --> 00:42:25,140

in a New Millennium of Enlightenment and

928

00:42:28,970 --> 00:42:26,460

knowledge

929

00:42:31,190 --> 00:42:28,980

I dream that one day Brazil May sit

930

00:42:34,010 --> 00:42:31,200

amongst friends perhaps at the United

931

00:42:35,990 --> 00:42:34,020

Nations and help Usher in a new era of

932

00:42:38,510 --> 00:42:36,000

understanding

933

00:42:42,589 --> 00:42:38,520

you are in a very rare opportunity right

934

00:42:44,210 --> 00:42:42,599

now as as leaders for for Brazil please

935

00:42:46,270 --> 00:42:44,220

make no mistake you are on the right

936

00:42:59,530 --> 00:42:46,280

side of history with this conversation

937

00:43:05,210 --> 00:43:02,510

this main episode only scratched the

938

00:43:08,809 --> 00:43:05,220

surface of Brazil's mysterious history

939

00:43:12,710 --> 00:43:08,819

with the UFOs in a companion bonus

940

00:43:17,630 --> 00:43:12,720

episode we explore the baffling case of

941

00:43:20,990 --> 00:43:17,640

the lead masked ufologists in 1966 two

942

00:43:24,109 --> 00:43:21,000

Brazilian UFO researchers headed up to a

943

00:43:27,550 --> 00:43:24,119

hillside they wore suits had briefcases

944

00:43:31,490 --> 00:43:27,560

and also wore lead masks over their eyes

945

00:43:34,550 --> 00:43:31,500

then UFOs begin to swarm the area

946

00:43:35,930 --> 00:43:34,560

these two men would be found dead only

947

00:43:38,870 --> 00:43:35,940

days later

948

00:43:41,329 --> 00:43:38,880

upon hearing of their deaths a mystery

949

00:43:43,730 --> 00:43:41,339

would unravel that even brought a

950

00:43:47,569 --> 00:43:43,740

prominent ufologist to Brazil to

951

00:43:51,410 --> 00:43:47,579

investigate Jacques valet this is the

952

00:43:53,809 --> 00:43:51,420

mystery of the lead masked efologists to

953

00:43:55,970 --> 00:43:53,819

listen right now become an apple premium

954

00:43:58,970 --> 00:43:55,980

subscriber at the top of your Apple

955

00:44:01,069 --> 00:43:58,980

podcast feed or you can become a patreon

956

00:44:04,130 --> 00:44:01,079

subscriber you'll get our entire
