

1  
00:00:04,789 --> 00:00:02,869  
so I can confirm that the Department of

2  
00:00:06,829 --> 00:00:04,799  
Defense was tracking a high altitude

3  
00:00:09,650 --> 00:00:06,839  
object over Alaska airspace in the last

4  
00:00:14,749 --> 00:00:12,230

and posed a reasonable threat to the

7  
00:00:21,109 --> 00:00:19,320  
safety of Civilian flight

8  
00:00:23,750 --> 00:00:21,119

11  
00:00:30,050 --> 00:00:26,880  
object

12  
00:00:32,450 --> 00:00:30,060  
and they did and it came inside our

13  
00:00:35,810 --> 00:00:32,460

territorial Waters those Waters right

14

00:00:38,090 --> 00:00:35,820

15

00:00:40,670 --> 00:00:38,100
