

**UFO SECRECY,
THE LEAK OF THE CENTURY,
AND THE MANAGEMENT
OF A MYSTERY**

FEATURING

RICHARD DOLAN

1
00:00:31,669 --> 00:00:00,770

[Music]

2
00:00:38,150 --> 00:00:34,490

hi guys Ryan Sprague here from somewhere

3
00:00:41,450 --> 00:00:38,160

in the skies and uh we have so much to

4
00:00:44,510 --> 00:00:41,460

cover tonight with our guest you know

5
00:00:48,350 --> 00:00:44,520

him very well in the UFO field in fact

6
00:00:51,110 --> 00:00:48,360

he was the first guest on somewhere in

7
00:00:53,990 --> 00:00:51,120

the skies and it's just uh taken off

8
00:00:56,869 --> 00:00:54,000

from there so I will be forever grateful

9
00:00:59,150 --> 00:00:56,879

to him for that so let's not waste any

10
00:01:01,369 --> 00:00:59,160

more time let's bring him in he's going

11
00:01:03,410 --> 00:01:01,379

to be answering your listener questions

12
00:01:08,030 --> 00:01:03,420

tonight this is sort of a ask me

13
00:01:10,789 --> 00:01:08,040

anything of Our Guest UFO historian and

14

00:01:12,530 --> 00:01:10,799

researcher Richard Dolan rich

15

00:01:14,870 --> 00:01:12,540

welcome back to somewhere in the skies

16

00:01:16,969 --> 00:01:14,880

oh it's so nice to be back here I'm very

17

00:01:17,810 --> 00:01:16,979

happy to be here with you again what a

18

00:01:21,289 --> 00:01:17,820

pleasure

19

00:01:23,690 --> 00:01:21,299

thank you you know and it has been a

20

00:01:27,530 --> 00:01:23,700

crazy few years since you and I last

21

00:01:29,330 --> 00:01:27,540

spoke about UFOs a lot has happened and

22

00:01:31,490 --> 00:01:29,340

um I kind of want to cover a lot of that

23

00:01:34,730 --> 00:01:31,500

with you tonight but I want to go as

24

00:01:37,490 --> 00:01:34,740

current as possible it's the only thing

25

00:01:41,630 --> 00:01:37,500

being talked about right now in the news

26

00:01:44,330 --> 00:01:41,640

cycle and that's the balloon and

27

00:01:45,770 --> 00:01:44,340

I I don't know your thoughts on all of

28

00:01:47,149 --> 00:01:45,780

this but I would love to get your

29

00:01:49,730 --> 00:01:47,159

perspective about what's going on

30

00:01:51,530 --> 00:01:49,740

because it does sort of tie in to a lot

31

00:01:54,950 --> 00:01:51,540

of what's going on in the UFO world now

32

00:01:56,810 --> 00:01:54,960

and and arrow and all of that stuff so

33

00:01:58,670 --> 00:01:56,820

um I'm just gonna flat out ask the

34

00:02:01,789 --> 00:01:58,680

question what do you make of this whole

35

00:02:03,889 --> 00:02:01,799

China spy balloon thing where do you

36

00:02:06,770 --> 00:02:03,899

think it's heading and does this have

37

00:02:08,809 --> 00:02:06,780

absolutely anything to do with the UFO

38

00:02:10,669 --> 00:02:08,819

and government conversation going on

39

00:02:12,350 --> 00:02:10,679

right now uh we'll answer your last

40

00:02:13,790 --> 00:02:12,360

question first I'm going to think no I

41

00:02:17,030 --> 00:02:13,800

don't think this is a strictly speaking

42

00:02:18,949 --> 00:02:17,040

UFO related matter however it is

43

00:02:20,150 --> 00:02:18,959

interesting and it's important uh when

44

00:02:22,070 --> 00:02:20,160

you look at the Contemporary

45

00:02:24,290 --> 00:02:22,080

geopolitical realignment that's

46

00:02:26,030 --> 00:02:24,300

happening in the world right now uh what

47

00:02:28,869 --> 00:02:26,040

what we're seeing obviously is that the

48

00:02:31,369 --> 00:02:28,879

United States is essentially uh sort of

49

00:02:33,589 --> 00:02:31,379

fumbled away

50

00:02:35,150 --> 00:02:33,599

um it's geopolitical dominance over the

51
00:02:37,010 --> 00:02:35,160
world I mean it was inevitable that that

52
00:02:38,570 --> 00:02:37,020
would happen but I I certainly think

53
00:02:40,990 --> 00:02:38,580
that things have happened in the last

54
00:02:44,030 --> 00:02:41,000
year and and more that have Excel

55
00:02:46,850 --> 00:02:44,040
accelerated that so with China

56
00:02:48,589 --> 00:02:46,860
uh so China said that this balloon was

57
00:02:50,990 --> 00:02:48,599
for commercial purposes only I don't

58
00:02:52,910 --> 00:02:51,000
know who really believes that at all uh

59
00:02:54,890 --> 00:02:52,920
in fact this morning uh I believe the US

60
00:02:57,050 --> 00:02:54,900
has made the claim

61
00:02:59,809 --> 00:02:57,060
that they have uh proof or what have you

62
00:03:02,809 --> 00:02:59,819
that this is an Espionage balloon

63
00:03:04,190 --> 00:03:02,819

uh now having said you know I will never

64

00:03:06,170 --> 00:03:04,200

ever take anything the United States

65

00:03:09,229 --> 00:03:06,180

says as its word the US does not have

66

00:03:10,670 --> 00:03:09,239

good uh record of honesty but it's

67

00:03:13,550 --> 00:03:10,680

probably true I would say this is

68

00:03:17,149 --> 00:03:13,560

probably a spy balloon uh it's a not an

69

00:03:18,949 --> 00:03:17,159

unusual thing that China would do that

70

00:03:20,509 --> 00:03:18,959

um the real question is like is there

71

00:03:22,610 --> 00:03:20,519

significance to this I mean first of all

72

00:03:25,490 --> 00:03:22,620

the US is acting like it's shocked and

73

00:03:28,130 --> 00:03:25,500

offended that its sovereignty has been

74

00:03:30,830 --> 00:03:28,140

invaded by a spy balloon when in fact

75

00:03:32,809 --> 00:03:30,840

the United States is of all Nations the

76
00:03:34,610 --> 00:03:32,819
number one that violates the sovereignty

77
00:03:36,589 --> 00:03:34,620
of other countries the US has always

78
00:03:39,229 --> 00:03:36,599
done that and the US will always do that

79
00:03:41,210 --> 00:03:39,239
as long as it has the capability

80
00:03:43,970 --> 00:03:41,220
so uh and that includes all kinds of

81
00:03:45,470 --> 00:03:43,980
Espionage that includes all kinds of uh

82
00:03:47,089 --> 00:03:45,480
you know color Revolution Shenanigans

83
00:03:49,729 --> 00:03:47,099
and the like I mean this is what the US

84
00:03:51,830 --> 00:03:49,739
does better than anyone else in the

85
00:03:52,670 --> 00:03:51,840
world China can't compete with that in

86
00:03:56,390 --> 00:03:52,680
the least

87
00:03:58,610 --> 00:03:56,400
so I love how you know the US is all

88
00:04:00,530 --> 00:03:58,620

offended about this the real problem is

89

00:04:03,890 --> 00:04:00,540
that I think with China they're still

90

00:04:06,350 --> 00:04:03,900
fuming uh they're Furious over the visit

91

00:04:07,850 --> 00:04:06,360
of a few months ago by Nancy Pelosi when

92

00:04:09,589 --> 00:04:07,860
she was

93

00:04:10,369 --> 00:04:09,599
um you know leader of the house

94

00:04:11,750 --> 00:04:10,379
um

95

00:04:14,270 --> 00:04:11,760
she

96

00:04:16,490 --> 00:04:14,280
makes that trip to Taiwan which really

97

00:04:17,930 --> 00:04:16,500
infuriated the Chinese I don't think

98

00:04:20,870 --> 00:04:17,940
Americans and people in the west

99

00:04:22,670 --> 00:04:20,880
appreciated just how angry the Chinese

100

00:04:24,830 --> 00:04:22,680
were and a lot of American Delight will

101

00:04:27,230 --> 00:04:24,840

screw you China you don't know in Taiwan

102

00:04:30,230 --> 00:04:27,240

who do you think you are but in China's

103

00:04:32,110 --> 00:04:30,240

uh position they've been very clear

104

00:04:35,870 --> 00:04:32,120

about this that Taiwan is part of China

105

00:04:38,150 --> 00:04:35,880

and so this was a direct offense

106

00:04:39,950 --> 00:04:38,160

particularly since Pelosi was the same

107

00:04:43,129 --> 00:04:39,960

member of the same party as the U.S

108

00:04:45,890 --> 00:04:43,139

President Biden so it was taken as very

109

00:04:48,350 --> 00:04:45,900

much kind of an official thing

110

00:04:50,450 --> 00:04:48,360

so the Chinese I think were angry about

111

00:04:52,550 --> 00:04:50,460

that I think maybe it made them a little

112

00:04:55,370 --> 00:04:52,560

more willing to just uh piss off The

113

00:04:57,530 --> 00:04:55,380

Americans on this and then uh I think

114

00:04:59,930 --> 00:04:57,540

what sealed the deal in my mind about

115

00:05:02,210 --> 00:04:59,940

this is the Chinese and the aftermath of

116

00:05:05,810 --> 00:05:02,220

this after the U.S shot down the balloon

117

00:05:06,830 --> 00:05:05,820

with an F-22 no less amazing uh the

118

00:05:09,350 --> 00:05:06,840

Chinese

119

00:05:10,550 --> 00:05:09,360

said well the next time a U.S aircraft

120

00:05:12,770 --> 00:05:10,560

comes

121

00:05:13,969 --> 00:05:12,780

near Chinese airspace maybe we'll do

122

00:05:17,510 --> 00:05:13,979

something

123

00:05:19,610 --> 00:05:17,520

so that was a definite ratcheting up of

124

00:05:21,770 --> 00:05:19,620

hostilities between us and China and

125

00:05:24,469 --> 00:05:21,780

this is very unlike China by the way and

126

00:05:25,670 --> 00:05:24,479

if you look at Chinese uh history China

127

00:05:27,770 --> 00:05:25,680

is not

128

00:05:29,870 --> 00:05:27,780

a truly

129

00:05:32,029 --> 00:05:29,880

um expansion like a geographically

130

00:05:34,550 --> 00:05:32,039

expansionist power it really never has

131

00:05:37,249 --> 00:05:34,560

been China has an Empire within China

132

00:05:39,050 --> 00:05:37,259

that's it they've got Tibet okay you can

133

00:05:40,909 --> 00:05:39,060

argue about that but China doesn't go

134

00:05:43,790 --> 00:05:40,919

around the world trying to switch out

135

00:05:45,890 --> 00:05:43,800

governments and and conquer them uh they

136

00:05:48,170 --> 00:05:45,900

don't have wars China's last real war

137

00:05:50,629 --> 00:05:48,180

was in 1979 against the Vietnamese and

138

00:05:53,870 --> 00:05:50,639

they didn't do well by the way so China

139

00:05:55,550 --> 00:05:53,880

is not a a militaristic power in the

140

00:05:57,469 --> 00:05:55,560

sense that the United States is but I

141

00:05:59,450 --> 00:05:57,479

think China is now feeling as their oats

142

00:06:01,310 --> 00:05:59,460

they are definitely quite powerful now

143

00:06:03,409 --> 00:06:01,320

everyone knows it they've got

144

00:06:06,110 --> 00:06:03,419

the world's strongest or second

145

00:06:08,029 --> 00:06:06,120

strongest economy and they have a

146

00:06:10,189 --> 00:06:08,039

military that is

147

00:06:12,110 --> 00:06:10,199

a very substantial military now so I

148

00:06:14,450 --> 00:06:12,120

think China is

149

00:06:17,210 --> 00:06:14,460

I I think it's their I would say their

150

00:06:20,570 --> 00:06:17,220

Fury over the recent Taiwan thing

151
00:06:23,029 --> 00:06:20,580
and they are now coming up with reasons

152
00:06:24,469 --> 00:06:23,039
to uh ratchet and also the other reason

153
00:06:27,590 --> 00:06:24,479
is that who's afraid of the United

154
00:06:31,189 --> 00:06:27,600
States anymore it does seem to be

155
00:06:34,070 --> 00:06:31,199
uh performance performative in in if I

156
00:06:37,249 --> 00:06:34,080
can use that word uh it seems to be a

157
00:06:38,809 --> 00:06:37,259
very a game and we're now learning that

158
00:06:41,570 --> 00:06:38,819
there's more balloons that have been

159
00:06:44,270 --> 00:06:41,580
spotted that the US has known about for

160
00:06:46,249 --> 00:06:44,280
a while in any that kind of plays into I

161
00:06:47,270 --> 00:06:46,259
guess the second half of that that

162
00:06:50,090 --> 00:06:47,280
question

163
00:06:52,730 --> 00:06:50,100

um we have this new office Arrow that's

164

00:06:54,650 --> 00:06:52,740

supposed to be in you know a resolution

165

00:06:58,249 --> 00:06:54,660

office figure out what these things are

166

00:07:00,770 --> 00:06:58,259

and if they're a threat and uh even in

167

00:07:02,809 --> 00:07:00,780

this current this recent Pentagon report

168

00:07:05,629 --> 00:07:02,819

we learned the term balloon-like

169

00:07:07,610 --> 00:07:05,639

entities and that could not be more

170

00:07:10,370 --> 00:07:07,620

telling than what we're seeing play out

171

00:07:12,170 --> 00:07:10,380

right now so what's a good point if

172

00:07:15,170 --> 00:07:12,180

anything does this have to do rich with

173

00:07:17,170 --> 00:07:15,180

UFOs anything what's striking about the

174

00:07:20,930 --> 00:07:17,180

conversation coming out of the military

175

00:07:24,890 --> 00:07:20,940

on UFOs or UAP now as they like to say

176

00:07:26,390 --> 00:07:24,900

is how utterly tepid it is and how they

177

00:07:28,189 --> 00:07:26,400

still have this pretense of saying

178

00:07:29,689 --> 00:07:28,199

things like well we're trying to

179

00:07:32,150 --> 00:07:29,699

understand what this is we're looking

180

00:07:33,950 --> 00:07:32,160

into it and when we find something out

181

00:07:35,150 --> 00:07:33,960

we'll let you people know like what are

182

00:07:36,589 --> 00:07:35,160

you talking about you've been dealing

183

00:07:39,770 --> 00:07:36,599

with this

184

00:07:42,170 --> 00:07:39,780

and highly dramatic uh shockingly

185

00:07:44,029 --> 00:07:42,180

dramatic ways for 80 years minimum

186

00:07:46,070 --> 00:07:44,039

we know this we have a detailed

187

00:07:49,010 --> 00:07:46,080

historical record of it we have a very

188

00:07:51,650 --> 00:07:49,020

good case for crash retrievals of UFOs

189

00:07:54,469 --> 00:07:51,660

on multiple occasions uh within the US

190

00:07:58,490 --> 00:07:54,479

and Beyond the US and I was just

191

00:08:01,309 --> 00:07:58,500

reviewing um the uh it was a old classic

192

00:08:04,010 --> 00:08:01,319

case from 1957 in Brazil the ubatuba

193

00:08:06,409 --> 00:08:04,020

case where an object was seen by

194

00:08:08,510 --> 00:08:06,419

beachgoers uh at the Brazilian Atlantic

195

00:08:10,129 --> 00:08:08,520

Coast coming in

196

00:08:11,809 --> 00:08:10,139

looking like it was going to crash it's

197

00:08:15,469 --> 00:08:11,819

shooting straight up and then exploding

198

00:08:16,969 --> 00:08:15,479

into uh hundreds of shards and pieces

199

00:08:19,790 --> 00:08:16,979

looking like fireworks

200

00:08:22,249 --> 00:08:19,800

uh in the aftermath of that the United

201

00:08:23,809 --> 00:08:22,259

States the U.S military came in I think

202

00:08:26,809 --> 00:08:23,819

it was like two or three days later the

203

00:08:29,270 --> 00:08:26,819

U.S has been on top of this situation

204

00:08:32,570 --> 00:08:29,280

since the beginning and so what we have

205

00:08:34,310 --> 00:08:32,580

from the Pentagon are these uh this

206

00:08:36,290 --> 00:08:34,320

pretense this game of pretend that they

207

00:08:38,209 --> 00:08:36,300

like to play which is okay well yeah

208

00:08:39,649 --> 00:08:38,219

we're looking into this and maybe there

209

00:08:41,269 --> 00:08:39,659

is something there

210

00:08:42,529 --> 00:08:41,279

this is kind of where we were in the

211

00:08:45,110 --> 00:08:42,539

1950s

212

00:08:48,050 --> 00:08:45,120

so that I guess what I'm saying is never

213

00:08:50,090 --> 00:08:48,060

ever expect honesty or good faith from

214

00:08:52,490 --> 00:08:50,100

the United States government on anything

215

00:08:54,110 --> 00:08:52,500

having to do with the matter of UFOs you

216

00:08:56,150 --> 00:08:54,120

may from time to time get a member of

217

00:08:58,850 --> 00:08:56,160

Congress who gets worked up and

218

00:09:01,009 --> 00:08:58,860

interested about this that can happen

219

00:09:05,389 --> 00:09:01,019

that is certainly possible but that's a

220

00:09:07,370 --> 00:09:05,399

that's a whole bit different from the

221

00:09:10,009 --> 00:09:07,380

institutional apparatus of the military

222

00:09:13,550 --> 00:09:10,019

the National Security State

223

00:09:15,530 --> 00:09:13,560

to do anything honest about this subject

224

00:09:17,210 --> 00:09:15,540

in terms of actually

225

00:09:19,009 --> 00:09:17,220

uh reporting to the public they're just

226

00:09:20,990 --> 00:09:19,019

they're never going to do it they'll

227

00:09:23,030 --> 00:09:21,000

never do this honestly I don't think you

228

00:09:26,410 --> 00:09:23,040

should ever expect anything out of them

229

00:09:29,509 --> 00:09:26,420

unless they are pushed to the wall

230

00:09:30,769 --> 00:09:29,519

by either a leak or some kind of

231

00:09:33,710 --> 00:09:30,779

information that comes out that's

232

00:09:35,750 --> 00:09:33,720

unexpected that forces a statement from

233

00:09:37,550 --> 00:09:35,760

them in which case

234

00:09:40,370 --> 00:09:37,560

the pattern has always been that they

235

00:09:42,170 --> 00:09:40,380

will give as absolutely little as they

236

00:09:44,269 --> 00:09:42,180

have to before they can just run away

237

00:09:46,970 --> 00:09:44,279

from the subject and that's what even in

238

00:09:49,070 --> 00:09:46,980

the last five years we've seen this

239

00:09:51,949 --> 00:09:49,080

um we may want to get into this if you

240

00:09:54,230 --> 00:09:51,959

want but I I'm not one of these people

241

00:09:56,449 --> 00:09:54,240

who believes that the two original New

242

00:09:58,430 --> 00:09:56,459

York Times stories were an initiated

243

00:10:00,829 --> 00:09:58,440

deep State operation

244

00:10:03,230 --> 00:10:00,839

I think that that was a reflective

245

00:10:05,389 --> 00:10:03,240

reaction to something that was going to

246

00:10:08,329 --> 00:10:05,399

come out you know your tsa back in

247

00:10:09,829 --> 00:10:08,339

October of 2017.

248

00:10:11,509 --> 00:10:09,839

um making their announcement that

249

00:10:13,190 --> 00:10:11,519

they're an organization you had Elizondo

250

00:10:15,769 --> 00:10:13,200

and melon in the background getting the

251
00:10:17,570 --> 00:10:15,779
uh three of the videos Declassified that

252
00:10:19,310 --> 00:10:17,580
was a real score by the way

253
00:10:20,930 --> 00:10:19,320
they had friends and they had enemies

254
00:10:23,150 --> 00:10:20,940
within the Pentagon and they used their

255
00:10:25,130 --> 00:10:23,160
friends to get that Declassified my

256
00:10:26,750 --> 00:10:25,140
point is at the New York Times article

257
00:10:28,790 --> 00:10:26,760
in my view

258
00:10:29,990 --> 00:10:28,800
was uh

259
00:10:32,030 --> 00:10:30,000
something that Leslie came about

260
00:10:33,590 --> 00:10:32,040
Blumenthal lobbied to get done that is

261
00:10:35,269 --> 00:10:33,600
true but I think the New York Times

262
00:10:37,130 --> 00:10:35,279
leadership decided you know what the

263
00:10:38,389 --> 00:10:37,140

story is going to come out why don't we

264

00:10:40,130 --> 00:10:38,399

be the ones who break it we'll get out

265

00:10:41,870 --> 00:10:40,140

in front of it and I think that's what

266

00:10:44,030 --> 00:10:41,880

happened and I think what you've seen

267

00:10:46,009 --> 00:10:44,040

since then is the Deep State or the

268

00:10:48,590 --> 00:10:46,019

National Security State

269

00:10:51,230 --> 00:10:48,600

uh very effectively very effectively

270

00:10:52,850 --> 00:10:51,240

responding to this uh and slowly but

271

00:10:55,009 --> 00:10:52,860

surely taking control of it a narrative

272

00:10:56,930 --> 00:10:55,019

once again as they are used to doing so

273

00:10:58,490 --> 00:10:56,940

they've given up a little bit they

274

00:10:59,690 --> 00:10:58,500

they've now you know more than five

275

00:11:01,430 --> 00:10:59,700

years ago

276

00:11:04,610 --> 00:11:01,440

they would play this other game of

277

00:11:05,750 --> 00:11:04,620

pretend like there's no UFOs we we don't

278

00:11:07,610 --> 00:11:05,760

notice anything yet there's nothing

279

00:11:09,949 --> 00:11:07,620

remember you know 10 years ago Steve

280

00:11:11,230 --> 00:11:09,959

Bassett did his

281

00:11:13,550 --> 00:11:11,240

um what the hell was that called a

282

00:11:16,610 --> 00:11:13,560

disclosure petition to the Obama White

283

00:11:19,550 --> 00:11:16,620

House back then right yeah and the and

284

00:11:22,130 --> 00:11:19,560

the answer that he got was

285

00:11:23,930 --> 00:11:22,140

a classic lie right out of the Obama

286

00:11:25,790 --> 00:11:23,940

White House which is that we've seen no

287

00:11:27,290 --> 00:11:25,800

evidence whatsoever of any UFOs that are

288

00:11:29,150 --> 00:11:27,300

anything unusual when at the same time

289

00:11:31,250 --> 00:11:29,160

they had the the

290

00:11:32,329 --> 00:11:31,260

um atip office that was running at that

291

00:11:36,350 --> 00:11:32,339

very time

292

00:11:38,269 --> 00:11:36,360

that was investigating UFOs but they lie

293

00:11:40,610 --> 00:11:38,279

they lie at every opportunity they can

294

00:11:42,410 --> 00:11:40,620

and when then that lie no longer is

295

00:11:43,430 --> 00:11:42,420

tenable they they come to a different

296

00:11:44,810 --> 00:11:43,440

position

297

00:11:47,509 --> 00:11:44,820

and I think that's all what we're seeing

298

00:11:49,130 --> 00:11:47,519

so with arrow I'm

299

00:11:51,350 --> 00:11:49,140

you know there are people who say well

300

00:11:53,329 --> 00:11:51,360

you know there's witness protection

301
00:11:55,250 --> 00:11:53,339
um measures that are inside there which

302
00:11:57,170 --> 00:11:55,260
is true there is

303
00:11:59,090 --> 00:11:57,180
there are these measures that are that

304
00:12:00,769 --> 00:11:59,100
are in place so will that make a

305
00:12:04,250 --> 00:12:00,779
difference we'll have to wait and see

306
00:12:06,829 --> 00:12:04,260
it's possible it's also possible that

307
00:12:08,389 --> 00:12:06,839
this will be a whole lot of

308
00:12:11,030 --> 00:12:08,399
smoke and mirrors

309
00:12:13,910 --> 00:12:11,040
so I'm I'm not at a point where I will

310
00:12:15,829 --> 00:12:13,920
ever trust the this

311
00:12:17,329 --> 00:12:15,839
these government bureaucracies until

312
00:12:18,710 --> 00:12:17,339
they actually show otherwise and they

313
00:12:20,630 --> 00:12:18,720

haven't yet

314

00:12:21,949 --> 00:12:20,640

so I mean think of all of the the

315

00:12:23,150 --> 00:12:21,959

so-called reports that we've had up

316

00:12:26,690 --> 00:12:23,160

until now in the last couple of years

317

00:12:28,670 --> 00:12:26,700

first was 144 UAP sightings then last

318

00:12:30,650 --> 00:12:28,680

year it was well we were up to over 400.

319

00:12:33,310 --> 00:12:30,660

have we gotten any details about any

320

00:12:35,150 --> 00:12:33,320

single one of them no not a single case

321

00:12:37,610 --> 00:12:35,160

not one

322

00:12:40,550 --> 00:12:37,620

yeah that one so this is how they

323

00:12:42,590 --> 00:12:40,560

operate and they obviously know that

324

00:12:44,690 --> 00:12:42,600

they have a sufficient

325

00:12:46,009 --> 00:12:44,700

control and cooperation with the

326

00:12:47,269 --> 00:12:46,019

mainstream media

327

00:12:48,829 --> 00:12:47,279

they're not getting pushed on this

328

00:12:50,750 --> 00:12:48,839

they're not getting pressured no one in

329

00:12:53,210 --> 00:12:50,760

Congress is really pushing back here and

330

00:12:56,930 --> 00:12:53,220

there a couple of Congress members are

331

00:12:59,030 --> 00:12:56,940

you know pushing just mildly but nothing

332

00:13:01,850 --> 00:12:59,040

nothing significant

333

00:13:02,990 --> 00:13:01,860

so I don't I don't expect anything out

334

00:13:06,530 --> 00:13:03,000

of Arrow

335

00:13:09,530 --> 00:13:06,540

I would have be I'd love to be wrong so

336

00:13:12,970 --> 00:13:09,540

let us wait and see but so far they are

337

00:13:16,069 --> 00:13:12,980

unfortunately fulfilling my prophecies

338

00:13:18,290 --> 00:13:16,079

you and me both I know I think it's been

339

00:13:20,569 --> 00:13:18,300

uh it's been an interesting Journey

340

00:13:22,850 --> 00:13:20,579

since that article came out I don't know

341

00:13:24,410 --> 00:13:22,860

what to make of any of it but you're

342

00:13:26,750 --> 00:13:24,420

right we'll have to wait and see

343

00:13:28,310 --> 00:13:26,760

um well that kind of brings us up to

344

00:13:29,990 --> 00:13:28,320

current day the other current day thing

345

00:13:33,650 --> 00:13:30,000

I wanted to touch on before I move to

346

00:13:37,790 --> 00:13:33,660

our amazing listener questions that I

347

00:13:40,670 --> 00:13:37,800

had to narrow down profusely uh is UFOs

348

00:13:43,970 --> 00:13:40,680

for the 21st century mind uh the up the

349

00:13:47,449 --> 00:13:43,980

updated Expanded Edition of the book

350

00:13:50,629 --> 00:13:47,459

um 17 new pages right uh let us know

351

00:13:53,090 --> 00:13:50,639

what what's what's new in it uh what

352

00:13:55,610 --> 00:13:53,100

have you learned since the original came

353

00:13:58,009 --> 00:13:55,620

out and what can people expect in the uh

354

00:13:59,629 --> 00:13:58,019

the updated version if you don't mind oh

355

00:14:02,210 --> 00:13:59,639

yeah thanks for asking that was a nice

356

00:14:04,970 --> 00:14:02,220

surprise it's it's uh as you just said

357

00:14:07,430 --> 00:14:04,980

it's about 70 new pages that the

358

00:14:11,449 --> 00:14:07,440

original did not have nearly all of that

359

00:14:14,930 --> 00:14:11,459

is to update the last decade or so of

360

00:14:16,370 --> 00:14:14,940

UFO history so I wrote a very very long

361

00:14:20,329 --> 00:14:16,380

chapter

362

00:14:23,629 --> 00:14:20,339

book now I believe covering uh the

363

00:14:26,870 --> 00:14:23,639

entire UFO subject from 2013 through the

364

00:14:27,889 --> 00:14:26,880

very end of 2022 so just uh a month and

365

00:14:31,370 --> 00:14:27,899

a half ago

366

00:14:34,490 --> 00:14:31,380

so it takes the story fully I think very

367

00:14:36,350 --> 00:14:34,500

well up to date to be honest it covered

368

00:14:38,569 --> 00:14:36,360

um

369

00:14:41,689 --> 00:14:38,579

you know where where the UFO field was

370

00:14:43,430 --> 00:14:41,699

in 2013 2014 just before things really

371

00:14:44,810 --> 00:14:43,440

started to change a bit in the public

372

00:14:47,689 --> 00:14:44,820

Realm

373

00:14:51,889 --> 00:14:47,699

I had a lot to say about the events of

374

00:14:53,689 --> 00:14:51,899

2017 and the coverage that transformed

375

00:14:56,210 --> 00:14:53,699

the public debate on UFOs

376

00:14:58,189 --> 00:14:56,220

and uh

377

00:15:00,730 --> 00:14:58,199

covered a lot of that in a lot of detail

378

00:15:03,710 --> 00:15:00,740

actually the politics event and so forth

379

00:15:05,509 --> 00:15:03,720

uh talked about some interesting recent

380

00:15:07,910 --> 00:15:05,519

UFO sightings in the last decade that

381

00:15:10,129 --> 00:15:07,920

some of which most of which are really

382

00:15:12,410 --> 00:15:10,139

not well known but uh are interesting

383

00:15:14,090 --> 00:15:12,420

and I wanted to just discuss to talk

384

00:15:16,370 --> 00:15:14,100

about you know what how is the

385

00:15:19,490 --> 00:15:16,380

phenomenon continuing today

386

00:15:22,310 --> 00:15:19,500

and then I did a kind of revised look at

387

00:15:24,530 --> 00:15:22,320

our trajectory as a society and where I

388

00:15:25,670 --> 00:15:24,540

think we're headed as opposed to a

389

00:15:27,410 --> 00:15:25,680

decade ago when I wrote the first

390

00:15:30,530 --> 00:15:27,420

edition of that book

391

00:15:32,150 --> 00:15:30,540

so um one of the main things that I have

392

00:15:34,129 --> 00:15:32,160

argued

393

00:15:34,970 --> 00:15:34,139

I put this actually in my other recent

394

00:15:36,829 --> 00:15:34,980

book

395

00:15:38,930 --> 00:15:36,839

um the alien agendas

396

00:15:40,970 --> 00:15:38,940

I I firmly believe we are in the middle

397

00:15:42,350 --> 00:15:40,980

of a global Revolution that's going on

398

00:15:44,569 --> 00:15:42,360

right now

399

00:15:46,550 --> 00:15:44,579

and that has an effect on the UFO

400

00:15:48,050 --> 00:15:46,560

subject by global Revolution I simply

401
00:15:50,150 --> 00:15:48,060
mean a

402
00:15:52,970 --> 00:15:50,160
um how do I put it a centrally organized

403
00:15:54,710 --> 00:15:52,980
coordinated International Revolution

404
00:15:58,189 --> 00:15:54,720
mostly against the people against

405
00:16:00,050 --> 00:15:58,199
traditional rights that we've had uh you

406
00:16:02,410 --> 00:16:00,060
know I I don't how do I do I need to

407
00:16:05,629 --> 00:16:02,420
explain this anymore basically a 24 7

408
00:16:08,689 --> 00:16:05,639
panopticon surveillance state

409
00:16:10,370 --> 00:16:08,699
um is one aspect of it and there's a lot

410
00:16:12,110 --> 00:16:10,380
of other aspects going on there I think

411
00:16:14,629 --> 00:16:12,120
we're looking at the Advent of very

412
00:16:16,430 --> 00:16:14,639
strong AI that is a component of it but

413
00:16:18,470 --> 00:16:16,440

what we're seeing is a an intentional

414

00:16:20,710 --> 00:16:18,480

reorganic reorganization of human

415

00:16:23,090 --> 00:16:20,720

society in a very different way

416

00:16:26,030 --> 00:16:23,100

essentially turning us into

417

00:16:28,150 --> 00:16:26,040

um kind of a big technological anthill

418

00:16:30,069 --> 00:16:28,160

and so that being the case

419

00:16:32,750 --> 00:16:30,079

massive

420

00:16:34,850 --> 00:16:32,760

Global changes have to happen to the

421

00:16:37,610 --> 00:16:34,860

social structure to the intellectual to

422

00:16:39,530 --> 00:16:37,620

our psychology to our politics to our

423

00:16:40,730 --> 00:16:39,540

rights and you see this happening you

424

00:16:43,189 --> 00:16:40,740

know covet was a very perfect

425

00:16:46,009 --> 00:16:43,199

opportunity for them to do that

426

00:16:47,689 --> 00:16:46,019

but um they'll take any opportunity they

427

00:16:49,610 --> 00:16:47,699

can the current war in Ukraine and

428

00:16:51,889 --> 00:16:49,620

Russia I think will offer offer its own

429

00:16:54,110 --> 00:16:51,899

opportunities to further this revolution

430

00:16:57,050 --> 00:16:54,120

and the reason that I I'm bringing it up

431

00:16:59,269 --> 00:16:57,060

here I talk about it in the revised UFOs

432

00:17:01,490 --> 00:16:59,279

for the 21st century mine but it's

433

00:17:04,370 --> 00:17:01,500

important because when you are moving

434

00:17:06,730 --> 00:17:04,380

into a very

435

00:17:09,350 --> 00:17:06,740

potentially dark

436

00:17:11,150 --> 00:17:09,360

quasi-totalitarian Global Society you

437

00:17:13,610 --> 00:17:11,160

have to ask yourself how does that

438

00:17:15,289 --> 00:17:13,620

affect the UFO conversation

439

00:17:17,030 --> 00:17:15,299

and I think it does have an effect on

440

00:17:19,689 --> 00:17:17,040

the UFO conversation so what I think

441

00:17:23,990 --> 00:17:19,699

we're seeing is in the public

442

00:17:26,390 --> 00:17:24,000

establishment domain it is now okay

443

00:17:28,850 --> 00:17:26,400

to ask you know the basic tepid

444

00:17:30,590 --> 00:17:28,860

questions so like hmm is there something

445

00:17:32,810 --> 00:17:30,600

out there maybe there is something out

446

00:17:34,310 --> 00:17:32,820

there let's look into it you know that

447

00:17:37,370 --> 00:17:34,320

level that's okay

448

00:17:39,710 --> 00:17:37,380

that's okay what's not okay is to go

449

00:17:42,470 --> 00:17:39,720

over the red line into conspiracy

450

00:17:44,450 --> 00:17:42,480

accusations and cover up accusations and

451
00:17:46,370 --> 00:17:44,460
and so into a deep analysis and the

452
00:17:47,870 --> 00:17:46,380
reason that that's not permitted and you

453
00:17:52,190 --> 00:17:47,880
can see that this is still all these

454
00:17:55,370 --> 00:17:52,200
years now into this new era or in 2023

455
00:17:58,250 --> 00:17:55,380
and we are still in it is impossible

456
00:17:59,690 --> 00:17:58,260
to have an open discussion on the

457
00:18:01,490 --> 00:17:59,700
structure of the UFO cover-up and

458
00:18:03,409 --> 00:18:01,500
conspiracy International conspiracy of

459
00:18:05,570 --> 00:18:03,419
silence and the reason for that is that

460
00:18:08,330 --> 00:18:05,580
because we are now in an era in which

461
00:18:11,029 --> 00:18:08,340
you and I are not supposed to believe in

462
00:18:13,190 --> 00:18:11,039
conspiracy theories we all know this

463
00:18:16,310 --> 00:18:13,200

what what is a bigger conspiracy theory

464

00:18:19,190 --> 00:18:16,320

frankly than the UFO cover-up I ask you

465

00:18:22,549 --> 00:18:19,200

probably not anything or it's right up

466

00:18:25,010 --> 00:18:22,559

there so can you imagine uh

467

00:18:27,049 --> 00:18:25,020

President Joe Biden saying well yeah the

468

00:18:29,029 --> 00:18:27,059

UFO thing that's that's real but don't

469

00:18:30,770 --> 00:18:29,039

believe in the other conspiracy theories

470

00:18:33,890 --> 00:18:30,780

even though we lied to you on this like

471

00:18:35,870 --> 00:18:33,900

massive one uh yeah that's kind of true

472

00:18:38,150 --> 00:18:35,880

uh but don't believe in the others they

473

00:18:40,970 --> 00:18:38,160

cannot do that it's absolutely not

474

00:18:43,970 --> 00:18:40,980

tenable so the UFO

475

00:18:45,770 --> 00:18:43,980

conspiracy angle must be suppressed at

476

00:18:47,870 --> 00:18:45,780

all costs and you can see this is

477

00:18:50,450 --> 00:18:47,880

continuing what's happening there's been

478

00:18:52,549 --> 00:18:50,460

some some tension along those lines if

479

00:18:54,230 --> 00:18:52,559

you go back to 2020

480

00:18:56,210 --> 00:18:54,240

uh one of the New York Times articles

481

00:19:00,289 --> 00:18:56,220

that Leslie and Ralph put out was in

482

00:19:04,190 --> 00:19:00,299

July of 2020. they came this close

483

00:19:05,529 --> 00:19:04,200

to uh in that one admission they had by

484

00:19:07,789 --> 00:19:05,539

Dr Eric Davis

485

00:19:10,310 --> 00:19:07,799

very close to admitting that there were

486

00:19:11,930 --> 00:19:10,320

actual crash retrievals of UFOs but they

487

00:19:14,150 --> 00:19:11,940

didn't step over the line

488

00:19:15,650 --> 00:19:14,160

and you've noticed nobody has approached

489

00:19:17,270 --> 00:19:15,660

that line since not within the

490

00:19:19,730 --> 00:19:17,280

establishment culture anyway

491

00:19:21,529 --> 00:19:19,740

so that's I think is a red line and I

492

00:19:23,810 --> 00:19:21,539

think the global Revolution that we're

493

00:19:26,690 --> 00:19:23,820

going through is in the process of

494

00:19:28,310 --> 00:19:26,700

attempting to transform Human Society at

495

00:19:30,289 --> 00:19:28,320

a very fundamental level into one of

496

00:19:32,150 --> 00:19:30,299

very tight control

497

00:19:33,529 --> 00:19:32,160

we're moving into an era of great great

498

00:19:36,710 --> 00:19:33,539

control

499

00:19:38,870 --> 00:19:36,720

so that it's going to be

500

00:19:41,510 --> 00:19:38,880

the real interesting thing to see from

501
00:19:43,190 --> 00:19:41,520
moving here forward is

502
00:19:44,450 --> 00:19:43,200
how will that tension resolve itself

503
00:19:46,669 --> 00:19:44,460
well

504
00:19:48,289 --> 00:19:46,679
will the hammer come down fully will the

505
00:19:50,990 --> 00:19:48,299
lid come down fully and be screwed down

506
00:19:54,230 --> 00:19:51,000
so that there will never be a genuine

507
00:19:56,990 --> 00:19:54,240
conversation about the UFO conspiracy

508
00:19:58,669 --> 00:19:57,000
or will it be a breakthrough somehow

509
00:20:01,430 --> 00:19:58,679
that is really the question we need to

510
00:20:03,350 --> 00:20:01,440
be looking at because all signs point to

511
00:20:06,830 --> 00:20:03,360
the attempts by the National Security

512
00:20:10,430 --> 00:20:06,840
International Security apparatus to

513
00:20:12,470 --> 00:20:10,440

keep this subject safe and defanged for

514

00:20:13,909 --> 00:20:12,480

as long as humanly possible

515

00:20:15,770 --> 00:20:13,919

if they can keep it going for another

516

00:20:17,870 --> 00:20:15,780

five years they'll do that if they can

517

00:20:20,090 --> 00:20:17,880

keep it going for 50 years for a hundred

518

00:20:21,890 --> 00:20:20,100

years or more they will do that as well

519

00:20:24,289 --> 00:20:21,900

they will keep this

520

00:20:25,850 --> 00:20:24,299

uh they will keep the fundamental truths

521

00:20:27,770 --> 00:20:25,860

away from the public for as long as

522

00:20:29,750 --> 00:20:27,780

absolutely possible that's what I

523

00:20:32,210 --> 00:20:29,760

believe

524

00:20:35,390 --> 00:20:32,220

interesting well I look forward to

525

00:20:37,850 --> 00:20:35,400

reading the updated Edition uh to learn

526

00:20:41,029 --> 00:20:37,860

more about that for sure rich thank you

527

00:20:43,130 --> 00:20:41,039

um well let's let's move to these

528

00:20:45,230 --> 00:20:43,140

listener questions uh because we've got

529

00:20:48,289 --> 00:20:45,240

a lot a lot to cover

530

00:20:51,169 --> 00:20:48,299

um sort of every aspect of ethology I

531

00:20:53,690 --> 00:20:51,179

try to condense into these questions for

532

00:20:55,909 --> 00:20:53,700

you so this should be pretty fun

533

00:20:57,830 --> 00:20:55,919

um our first few questions come from our

534

00:20:59,029 --> 00:20:57,840

patrons who get priority to ask you

535

00:21:01,250 --> 00:20:59,039

questions

536

00:21:04,190 --> 00:21:01,260

um and then you are kind enough to stick

537

00:21:06,049 --> 00:21:04,200

around uh over on patreon to answer a

538

00:21:08,630 --> 00:21:06,059

few more of their questions so I

539

00:21:11,029 --> 00:21:08,640

appreciate you doing that too but um our

540

00:21:13,370 --> 00:21:11,039

first one here comes from metal matte on

541

00:21:15,650 --> 00:21:13,380

patreon and Anthony actually on Twitter

542

00:21:17,870 --> 00:21:15,660

they had a very similar question what do

543

00:21:19,490 --> 00:21:17,880

you think about the details of the

544

00:21:23,270 --> 00:21:19,500

Nimitz case and what do you think the

545

00:21:25,130 --> 00:21:23,280

Tic Tacs may have been I mean still to

546

00:21:26,990 --> 00:21:25,140

this day we're wondering

547

00:21:30,590 --> 00:21:27,000

um do you have any personal thoughts or

548

00:21:32,330 --> 00:21:30,600

or observations of what these objects

549

00:21:34,909 --> 00:21:32,340

might have been this case that we've

550

00:21:37,909 --> 00:21:34,919

kind of held up to such high esteem for

551
00:21:40,549 --> 00:21:37,919
the past five years or so yes yeah I do

552
00:21:41,990 --> 00:21:40,559
so first thing is to recognize the year

553
00:21:44,390 --> 00:21:42,000
in which this event occurred so it was

554
00:21:48,950 --> 00:21:44,400
November of 2004.

555
00:21:51,830 --> 00:21:48,960
so uh let's just do a little bit of

556
00:21:54,230 --> 00:21:51,840
uh checking off the the list and and uh

557
00:21:55,730 --> 00:21:54,240
checking off who could be a suspect and

558
00:21:57,350 --> 00:21:55,740
who could not so let's look at

559
00:21:59,330 --> 00:21:57,360
International Powers first Russia and

560
00:22:01,730 --> 00:21:59,340
China come to mind

561
00:22:03,649 --> 00:22:01,740
uh you know the US and and Russia and

562
00:22:05,750 --> 00:22:03,659
the US and China are essentially enemies

563
00:22:08,450 --> 00:22:05,760

we're not even adversaries anymore

564

00:22:12,350 --> 00:22:08,460

but in 2004 this was not the case uh in

565

00:22:14,270 --> 00:22:12,360

2004 uh Russia was trying actively to

566

00:22:16,250 --> 00:22:14,280

join NATO this is kind of a forgotten

567

00:22:18,470 --> 00:22:16,260

thing and the U.S basically made sure

568

00:22:21,409 --> 00:22:18,480

that did not happen but Russia under

569

00:22:23,390 --> 00:22:21,419

Putin at that time was very much trying

570

00:22:25,490 --> 00:22:23,400

to work with the West on a hall of range

571

00:22:28,370 --> 00:22:25,500

range of issues

572

00:22:30,049 --> 00:22:28,380

and uh furthermore Russia's military was

573

00:22:32,690 --> 00:22:30,059

probably at the lowest point it had ever

574

00:22:35,029 --> 00:22:32,700

been around that time they were not

575

00:22:36,590 --> 00:22:35,039

they're much much more potent now but

576

00:22:38,990 --> 00:22:36,600

not in 2004.

577

00:22:40,010 --> 00:22:39,000

so I think it's absolutely out of the

578

00:22:41,570 --> 00:22:40,020

question that Russia would have had

579

00:22:43,549 --> 00:22:41,580

anything to do with that and I would say

580

00:22:47,149 --> 00:22:43,559

the same regarding China

581

00:22:48,950 --> 00:22:47,159

uh China in 2004 was a growing power

582

00:22:50,930 --> 00:22:48,960

they were growing economically they were

583

00:22:53,149 --> 00:22:50,940

working on their military but uh to say

584

00:22:55,669 --> 00:22:53,159

that they had Tick Tock you Tic Tac UFO

585

00:22:57,230 --> 00:22:55,679

technology I think would be absurd and

586

00:22:59,690 --> 00:22:57,240

there's absolutely nothing to support

587

00:23:01,610 --> 00:22:59,700

that so I would leave out uh foreign

588

00:23:03,049 --> 00:23:01,620

adversaries and you know there's no no

589

00:23:05,029 --> 00:23:03,059

other nation that you could really

590

00:23:06,770 --> 00:23:05,039

imagine that would possibly have done

591

00:23:08,450 --> 00:23:06,780

that so then you ask about U.S black

592

00:23:11,029 --> 00:23:08,460

budget capabilities and this is

593

00:23:13,669 --> 00:23:11,039

something that people have wondered

594

00:23:15,470 --> 00:23:13,679

I wonder sometimes I don't think so I

595

00:23:17,090 --> 00:23:15,480

don't believe that this is uh part of

596

00:23:19,070 --> 00:23:17,100

like a breakaway civilization or

597

00:23:21,710 --> 00:23:19,080

Advanced black budget for a few reasons

598

00:23:24,289 --> 00:23:21,720

one that uh

599

00:23:25,669 --> 00:23:24,299

you know as we know that the details of

600

00:23:28,549 --> 00:23:25,679

this story you have Kevin Day who ran

601
00:23:30,289 --> 00:23:28,559
radar over at the US's Princeton as part

602
00:23:32,990 --> 00:23:30,299
of the Nimitz battle group there

603
00:23:36,049 --> 00:23:33,000
had been tracking these UAP UFOs in the

604
00:23:39,770 --> 00:23:36,059
atmosphere for several weeks

605
00:23:43,210 --> 00:23:39,780
uh multiple ones not just one object

606
00:23:47,630 --> 00:23:43,220
there's large numbers of them they were

607
00:23:49,310 --> 00:23:47,640
hanging around if we could say uh in the

608
00:23:50,750 --> 00:23:49,320
area where the U.S was conducting war

609
00:23:53,090 --> 00:23:50,760
war exercises

610
00:23:55,490 --> 00:23:53,100
in the Pacific

611
00:23:58,370 --> 00:23:55,500
so it seems to have been

612
00:24:01,130 --> 00:23:58,380
a kind of observational thing uh kind of

613
00:24:02,690 --> 00:24:01,140

a monitoring thing I mean we're guessing

614

00:24:03,830 --> 00:24:02,700

here but there was certainly a lot of

615

00:24:05,690 --> 00:24:03,840

activity

616

00:24:07,909 --> 00:24:05,700

uh the other thing that you want to keep

617

00:24:11,450 --> 00:24:07,919

in mind is that when

618

00:24:14,510 --> 00:24:11,460

uh fravers uh Team were vectored in to

619

00:24:15,950 --> 00:24:14,520

examine this unknown object that you

620

00:24:17,690 --> 00:24:15,960

know now we're on November 14th Kevin

621

00:24:19,430 --> 00:24:17,700

Day sees him again he's like ah they're

622

00:24:22,070 --> 00:24:19,440

out there we've got a couple of fa-18

623

00:24:23,270 --> 00:24:22,080

super Hornets let's see if we can Vector

624

00:24:26,510 --> 00:24:23,280

them in so

625

00:24:29,690 --> 00:24:26,520

uh the the two aircraft get there

626
00:24:32,270 --> 00:24:29,700
and they didn't just see one object

627
00:24:35,510 --> 00:24:32,280
above the water the Tic Tac UFO there

628
00:24:37,970 --> 00:24:35,520
was a larger object below the water

629
00:24:39,470 --> 00:24:37,980
according to the accounts that have come

630
00:24:43,310 --> 00:24:39,480
to us

631
00:24:44,330 --> 00:24:43,320
so we're talking a an explicit Uso that

632
00:24:46,490 --> 00:24:44,340
was there

633
00:24:49,070 --> 00:24:46,500
as well as this other object

634
00:24:51,830 --> 00:24:49,080
so if we're talking

635
00:24:53,690 --> 00:24:51,840
a very Advanced black budget

636
00:24:55,610 --> 00:24:53,700
this is this is beyond anything that

637
00:24:59,029 --> 00:24:55,620
I've even had any reason to think that

638
00:25:01,970 --> 00:24:59,039

we can do in terms of Uso technology and

639

00:25:04,370 --> 00:25:01,980

and the like and then you know the

640

00:25:06,049 --> 00:25:04,380

entire confrontational attitude that

641

00:25:09,770 --> 00:25:06,059

happened

642

00:25:12,590 --> 00:25:09,780

that in Pursuit at ensued excuse me

643

00:25:14,570 --> 00:25:12,600

uh it just doesn't look like a black

644

00:25:16,190 --> 00:25:14,580

budget operation to me because frankly

645

00:25:21,710 --> 00:25:16,200

the

646

00:25:23,769 --> 00:25:21,720

absolutely in line with capabilities

647

00:25:26,930 --> 00:25:23,779

that the US military has been recording

648

00:25:29,390 --> 00:25:26,940

explicitly since the 1940s

649

00:25:31,549 --> 00:25:29,400

uh the the speed with which the Tic Tac

650

00:25:32,810 --> 00:25:31,559

departed I estimate to be in the

651
00:25:34,909 --> 00:25:32,820
neighborhood of ten thousand miles per

652
00:25:38,210 --> 00:25:34,919
hour maybe more but guess what we have

653
00:25:40,909 --> 00:25:38,220
we have documents from the 1940s that

654
00:25:43,190 --> 00:25:40,919
are military documents that discuss the

655
00:25:45,470 --> 00:25:43,200
tracking of these objects at comparable

656
00:25:49,010 --> 00:25:45,480
speeds way back then

657
00:25:51,230 --> 00:25:49,020
70 to almost 80 years ago

658
00:25:53,750 --> 00:25:51,240
so in other words the Tic Tac encounter

659
00:25:56,990 --> 00:25:53,760
is part of a long-standing

660
00:25:58,490 --> 00:25:57,000
pattern of encounters that the United

661
00:26:01,430 --> 00:25:58,500
States military has had with these

662
00:26:03,769 --> 00:26:01,440
objects and let's remember not just the

663
00:26:06,590 --> 00:26:03,779

United States military but militaries of

664

00:26:08,330 --> 00:26:06,600

other nations the old Soviet Union and

665

00:26:09,830 --> 00:26:08,340

all of the western allies you can think

666

00:26:12,190 --> 00:26:09,840

of have had these types of encounters

667

00:26:15,049 --> 00:26:12,200

with objects of comparable

668

00:26:17,450 --> 00:26:15,059

performance capabilities so

669

00:26:19,730 --> 00:26:17,460

what does that leave us that leaves me

670

00:26:21,769 --> 00:26:19,740

thinking we are dealing with a

671

00:26:23,870 --> 00:26:21,779

technology that does not come from our

672

00:26:26,510 --> 00:26:23,880

civilization that's what I believe I

673

00:26:29,390 --> 00:26:26,520

think the Tic Tac UFO was not made by us

674

00:26:31,430 --> 00:26:29,400

whether American Russian Chinese or any

675

00:26:33,950 --> 00:26:31,440

other civilization that we know of on

676

00:26:36,649 --> 00:26:33,960

Earth and was in fact

677

00:26:39,049 --> 00:26:36,659

is the product of

678

00:26:40,850 --> 00:26:39,059

a civilization that is more advanced and

679

00:26:42,409 --> 00:26:40,860

that presumably is not not from here

680

00:26:45,529 --> 00:26:42,419

that's what I think

681

00:26:48,350 --> 00:26:45,539

okay thank you uh well you did mention

682

00:26:50,690 --> 00:26:48,360

the term Breakaway civilization which is

683

00:26:53,990 --> 00:26:50,700

basically a term that you coined in your

684

00:26:56,690 --> 00:26:54,000

early research and and work and uh mark

685

00:26:57,950 --> 00:26:56,700

on patreon asks you used to have quite a

686

00:26:59,750 --> 00:26:57,960

strong belief about Breakaway

687

00:27:01,610 --> 00:26:59,760

civilization is it something you still

688

00:27:03,890 --> 00:27:01,620

believe in or have you altered your

689

00:27:05,269 --> 00:27:03,900

thinking on that subject at all that's a

690

00:27:07,490 --> 00:27:05,279

great question

691

00:27:09,710 --> 00:27:07,500

no I still believe that there is

692

00:27:11,750 --> 00:27:09,720

something along these lines maybe what's

693

00:27:15,169 --> 00:27:11,760

altered is

694

00:27:16,850 --> 00:27:15,179

or maybe what's become a little more

695

00:27:20,210 --> 00:27:16,860

uh where I become a little more cautious

696

00:27:23,450 --> 00:27:20,220

is in drawing conclusions as to just how

697

00:27:25,909 --> 00:27:23,460

advanced I think it is so what I think

698

00:27:30,529 --> 00:27:25,919

is that yes there is

699

00:27:32,930 --> 00:27:30,539

very uh deeply classified science a lot

700

00:27:34,490 --> 00:27:32,940

of which has to do with the recovery of

701
00:27:38,330 --> 00:27:34,500
these

702
00:27:40,970 --> 00:27:38,340
crashed or downed or landed UFOs

703
00:27:42,890 --> 00:27:40,980
and what that means is

704
00:27:45,289 --> 00:27:42,900
uh you know the possession of something

705
00:27:47,090 --> 00:27:45,299
so utterly advanced

706
00:27:49,310 --> 00:27:47,100
in the opinion of the the people

707
00:27:52,370 --> 00:27:49,320
controlling the secret is of such

708
00:27:54,110 --> 00:27:52,380
Paramount secrecy that there is just no

709
00:27:56,570 --> 00:27:54,120
way this can be allowed to seep out and

710
00:27:58,310 --> 00:27:56,580
so you have uh essentially a secret

711
00:28:02,269 --> 00:27:58,320
scientific effort going on to understand

712
00:28:03,769 --> 00:28:02,279
this and so a secret science can lead to

713
00:28:06,769 --> 00:28:03,779

secret breakthroughs of understanding

714

00:28:09,169 --> 00:28:06,779

which themselves

715

00:28:11,870 --> 00:28:09,179

um may have to be kept secret unless you

716

00:28:13,970 --> 00:28:11,880

can find a safe way to kind of segue

717

00:28:16,310 --> 00:28:13,980

them into uh into the public so it's

718

00:28:17,690 --> 00:28:16,320

very easy to lead to very highly

719

00:28:19,250 --> 00:28:17,700

Advanced capabilities within a

720

00:28:20,630 --> 00:28:19,260

classified world and that's really the

721

00:28:22,909 --> 00:28:20,640

foundation of what I call a breakaway

722

00:28:24,710 --> 00:28:22,919

civilization so I still think that that

723

00:28:27,169 --> 00:28:24,720

is true the

724

00:28:30,470 --> 00:28:27,179

thing that I will be a little more

725

00:28:31,850 --> 00:28:30,480

careful about are unsu relating to some

726

00:28:34,190 --> 00:28:31,860

of the more exotic

727

00:28:35,930 --> 00:28:34,200

capabilities that might exist so when we

728

00:28:37,430 --> 00:28:35,940

talk about portals we talk about time

729

00:28:39,409 --> 00:28:37,440

travel we talk about

730

00:28:42,049 --> 00:28:39,419

you know zipping across the Galaxy

731

00:28:43,490 --> 00:28:42,059

instantly and this type of thing I've

732

00:28:46,669 --> 00:28:43,500

heard people making these types of

733

00:28:48,529 --> 00:28:46,679

claims and I'm very I'm a bit dubious

734

00:28:50,269 --> 00:28:48,539

about them particularly I mean look over

735

00:28:52,370 --> 00:28:50,279

the last five years and beyond that

736

00:28:53,890 --> 00:28:52,380

there are a number of people making some

737

00:28:56,330 --> 00:28:53,900

uh

738

00:28:58,610 --> 00:28:56,340

irresponsible and fraudulent I would say

739

00:29:00,049 --> 00:28:58,620

claims that were related to Breakaway

740

00:29:03,710 --> 00:29:00,059

civilization I think it did a lot of

741

00:29:05,029 --> 00:29:03,720

damage to the concept itself frankly uh

742

00:29:07,549 --> 00:29:05,039

when you have people talking about time

743

00:29:09,830 --> 00:29:07,559

traveling and and this type of thing

744

00:29:12,649 --> 00:29:09,840

fighting aliens on Mars and like I think

745

00:29:14,870 --> 00:29:12,659

the serious damage to our field for a

746

00:29:16,730 --> 00:29:14,880

few years uh fortunately I think we've

747

00:29:18,190 --> 00:29:16,740

kind of gotten over that that little

748

00:29:21,830 --> 00:29:18,200

crazy party

749

00:29:24,470 --> 00:29:21,840

so I I feel like no it's a legitimate

750

00:29:26,210 --> 00:29:24,480

concept I

751

00:29:27,710 --> 00:29:26,220

I absolutely think that there is

752

00:29:30,230 --> 00:29:27,720

something along these lines

753

00:29:31,070 --> 00:29:30,240

uh the real question is how far does it

754

00:29:35,870 --> 00:29:31,080

go

755

00:29:38,750 --> 00:29:35,880

there is something along these lines I

756

00:29:42,310 --> 00:29:38,760

will continue to believe that okay

757

00:29:45,289 --> 00:29:42,320

well in terms of Concepts you know in uh

758

00:29:48,350 --> 00:29:45,299

when you and Bryce Sable co-authored

759

00:29:53,149 --> 00:29:48,360

your book a day after disclosure uh

760

00:29:56,690 --> 00:29:53,159

really it's crazy to think of where we

761

00:29:58,549 --> 00:29:56,700

were then and where we are now and and

762

00:30:00,889 --> 00:29:58,559

this is one of our this is one of our

763

00:30:03,830 --> 00:30:00,899

most popular questions Amy on patreon

764

00:30:05,870 --> 00:30:03,840

and Brandon through Facebook as uh has

765

00:30:08,029 --> 00:30:05,880

your concept or idea of what disclosure

766

00:30:10,370 --> 00:30:08,039

may look like changed since the

767

00:30:11,750 --> 00:30:10,380

publishing of the original book and if

768

00:30:14,210 --> 00:30:11,760

so how

769

00:30:16,250 --> 00:30:14,220

that's a good question well when we

770

00:30:19,190 --> 00:30:16,260

wrote that book so Bryce and I I love

771

00:30:20,269 --> 00:30:19,200

Bryce I respect him uh tremendously but

772

00:30:22,549 --> 00:30:20,279

our attitudes are a little different

773

00:30:23,810 --> 00:30:22,559

they were different then and I suspect

774

00:30:25,850 --> 00:30:23,820

that they're probably a little bit

775

00:30:28,730 --> 00:30:25,860

different today which is fine you know

776

00:30:30,169 --> 00:30:28,740

we all have our perspective so uh among

777

00:30:33,350 --> 00:30:30,179

the two of us I would say he was always

778

00:30:34,549 --> 00:30:33,360

a bit more of an optimist than I was I

779

00:30:36,049 --> 00:30:34,559

think that's fair to say I think he

780

00:30:37,789 --> 00:30:36,059

would agree with that

781

00:30:39,169 --> 00:30:37,799

uh

782

00:30:40,789 --> 00:30:39,179

that doesn't mean that I was a total

783

00:30:41,870 --> 00:30:40,799

pessimist about disclosure you know we

784

00:30:44,389 --> 00:30:41,880

wrote that book

785

00:30:47,750 --> 00:30:44,399

in the year 2000

786

00:30:52,310 --> 00:30:47,760

2010 yeah 2010 wow

787

00:30:54,049 --> 00:30:52,320

so that's 12 13 years ago just about uh

788

00:30:56,630 --> 00:30:54,059

that was before

789

00:30:59,210 --> 00:30:56,640

the big Tech Revolution against uh

790

00:31:01,549 --> 00:30:59,220

freedom of expression became obvious uh

791

00:31:04,250 --> 00:31:01,559

when we believed when it was true that

792

00:31:06,590 --> 00:31:04,260

there was this alternate media as it

793

00:31:08,870 --> 00:31:06,600

were that could be uh

794

00:31:11,389 --> 00:31:08,880

kind of a lever against the Legacy Media

795

00:31:13,130 --> 00:31:11,399

at least this is how I saw it so my

796

00:31:15,529 --> 00:31:13,140

reasoning at the time was

797

00:31:17,090 --> 00:31:15,539

we're in an era where Wikileaks was

798

00:31:19,010 --> 00:31:17,100

still going

799

00:31:19,970 --> 00:31:19,020

uh the you know National governments had

800

00:31:21,230 --> 00:31:19,980

not really

801
00:31:23,510 --> 00:31:21,240
brought the hammer down against

802
00:31:25,070 --> 00:31:23,520
Wikileaks the way they did shortly after

803
00:31:30,529 --> 00:31:25,080
that

804
00:31:33,409 --> 00:31:30,539
the flow of information to me seemed

805
00:31:35,510 --> 00:31:33,419
like it was going in a One Direction and

806
00:31:38,029 --> 00:31:35,520
that at a certain point there would be

807
00:31:40,549 --> 00:31:38,039
an inevitable breakthrough in terms of a

808
00:31:41,450 --> 00:31:40,559
leak and unexpected disclosure and the

809
00:31:42,830 --> 00:31:41,460
like

810
00:31:44,510 --> 00:31:42,840
so there are a couple of things that are

811
00:31:46,789 --> 00:31:44,520
different between then and now and and

812
00:31:48,289 --> 00:31:46,799
one I would say miscalculation on my

813
00:31:52,070 --> 00:31:48,299

part

814

00:31:54,470 --> 00:31:52,080

so the things that are different are

815

00:31:56,510 --> 00:31:54,480

uh well we've had we've had a definite

816

00:31:58,970 --> 00:31:56,520

digital Revolution since then

817

00:32:01,549 --> 00:31:58,980

uh we've seen you know remember in Star

818

00:32:03,649 --> 00:32:01,559

Wars The Empire Strikes Back well the

819

00:32:06,649 --> 00:32:03,659

Empire has struck back since since that

820

00:32:09,830 --> 00:32:06,659

time and has gone a long long way toward

821

00:32:12,049 --> 00:32:09,840

consolidating its control over big Tech

822

00:32:13,970 --> 00:32:12,059

and over populations in general so

823

00:32:17,750 --> 00:32:13,980

that's one thing

824

00:32:20,750 --> 00:32:17,760

and uh and so so that took away the

825

00:32:22,490 --> 00:32:20,760

whole leverage that I think was

826

00:32:25,010 --> 00:32:22,500

available on social media like YouTube

827

00:32:27,169 --> 00:32:25,020

for example or Facebook you know my

828

00:32:28,789 --> 00:32:27,179

attitude was if something big happens it

829

00:32:30,470 --> 00:32:28,799

will spread like wildfire on Youtube

830

00:32:34,310 --> 00:32:30,480

it'll spread like wildfire on Facebook

831

00:32:35,930 --> 00:32:34,320

because they can't control that well so

832

00:32:37,970 --> 00:32:35,940

much for that idea that that absolutely

833

00:32:40,389 --> 00:32:37,980

has been and is controlled

834

00:32:43,130 --> 00:32:40,399

um social media is is very carefully

835

00:32:45,110 --> 00:32:43,140

curated as they love to put that's their

836

00:32:47,510 --> 00:32:45,120

favorite word for that

837

00:32:51,049 --> 00:32:47,520

so social media is no Panacea any longer

838

00:32:52,909 --> 00:32:51,059

and then the thing where I miscalculated

839

00:32:57,289 --> 00:32:52,919

and this really became clear since 2017

840

00:32:58,789 --> 00:32:57,299

is I I would have to say I believed

841

00:33:02,450 --> 00:32:58,799

that

842

00:33:04,490 --> 00:33:02,460

if the public were presented with a

843

00:33:07,549 --> 00:33:04,500

statement by The Establishment to the

844

00:33:09,889 --> 00:33:07,559

effect that UFOs are real

845

00:33:11,690 --> 00:33:09,899

that this would likely trigger some kind

846

00:33:14,630 --> 00:33:11,700

of avalanche

847

00:33:17,269 --> 00:33:14,640

of an energized public

848

00:33:20,210 --> 00:33:17,279

that would say hey wait you've been

849

00:33:22,070 --> 00:33:20,220

lying about this for so many years

850

00:33:23,509 --> 00:33:22,080

we want to know everything about this

851
00:33:26,149 --> 00:33:23,519
and by the way what else have you been

852
00:33:28,549 --> 00:33:26,159
lying about this was definitely how I

853
00:33:29,810 --> 00:33:28,559
thought the public reaction would be and

854
00:33:31,669 --> 00:33:29,820
in fact it hasn't turned out to be the

855
00:33:34,549 --> 00:33:31,679
case I was dead wrong on this because

856
00:33:37,130 --> 00:33:34,559
what we've seen in 2017 is that the

857
00:33:40,850 --> 00:33:37,140
National Security apparatus is very very

858
00:33:43,970 --> 00:33:40,860
astute at managing its process of

859
00:33:47,810 --> 00:33:43,980
disclosure or managing

860
00:33:49,730 --> 00:33:47,820
any kind of undesirable leaks so I look

861
00:33:52,190 --> 00:33:49,740
at the equation of atip and the Tic Tac

862
00:33:53,029 --> 00:33:52,200
UFO as undesirable leaks on their part I

863
00:33:54,889 --> 00:33:53,039

don't think the National Security

864

00:33:58,549 --> 00:33:54,899

apparatus wanted that information out

865

00:34:01,370 --> 00:33:58,559

but once it came out they their masters

866

00:34:02,630 --> 00:34:01,380

at managing the public perceptions and

867

00:34:04,250 --> 00:34:02,640

so what's happened

868

00:34:06,409 --> 00:34:04,260

there's kind of this tacit

869

00:34:09,649 --> 00:34:06,419

acknowledgment that UFOs are real

870

00:34:12,169 --> 00:34:09,659

but they've done it genius level by

871

00:34:14,570 --> 00:34:12,179

which they're not stating UFOs are real

872

00:34:15,950 --> 00:34:14,580

they're like kind of sitting back and

873

00:34:17,149 --> 00:34:15,960

saying yeah yeah it looks like there's

874

00:34:19,190 --> 00:34:17,159

something there

875

00:34:22,250 --> 00:34:19,200

and where's the public on this

876

00:34:24,409 --> 00:34:22,260

where is the public

877

00:34:25,669 --> 00:34:24,419

as Elizondo said in the early days it

878

00:34:26,930 --> 00:34:25,679

sounds nothing I hear nothing but

879

00:34:29,089 --> 00:34:26,940

crickets

880

00:34:31,250 --> 00:34:29,099

and that is that's what it is the public

881

00:34:33,169 --> 00:34:31,260

is is not energized by this the public

882

00:34:34,849 --> 00:34:33,179

doesn't seem to give a damn frankly

883

00:34:37,070 --> 00:34:34,859

they're going about with their lives and

884

00:34:40,909 --> 00:34:37,080

and they don't care because the fact is

885

00:34:42,770 --> 00:34:40,919

that there is no major media

886

00:34:44,089 --> 00:34:42,780

that is taking this narrative and

887

00:34:46,490 --> 00:34:44,099

pushing it and so you know people

888

00:34:48,589 --> 00:34:46,500

unfortunately are very passive they

889

00:34:50,030 --> 00:34:48,599

they eat the food that's been pre-chewed

890

00:34:52,669 --> 00:34:50,040

and served to them by the National

891

00:34:54,770 --> 00:34:52,679

Security apparatus and so there's not a

892

00:34:55,970 --> 00:34:54,780

lot of curiosity about it or if there's

893

00:34:58,430 --> 00:34:55,980

not a lot of knowledge and there doesn't

894

00:34:59,810 --> 00:34:58,440

seem to be much of a push so that's

895

00:35:02,150 --> 00:34:59,820

where I think I would say I

896

00:35:03,170 --> 00:35:02,160

miscalculated in

897

00:35:04,910 --> 00:35:03,180

um

898

00:35:07,670 --> 00:35:04,920

a day after disclosure it wasn't just me

899

00:35:09,770 --> 00:35:07,680

I mean I think Bryson I think probably

900

00:35:11,450 --> 00:35:09,780

if you had asked any other UFO

901
00:35:13,250 --> 00:35:11,460
researcher back in 2010

902
00:35:15,349 --> 00:35:13,260
if the government were to give an

903
00:35:17,089 --> 00:35:15,359
acknowledgment that UFOs are real I

904
00:35:19,010 --> 00:35:17,099
think we all would have said wow that

905
00:35:20,630 --> 00:35:19,020
would be an amazing thing that would be

906
00:35:23,390 --> 00:35:20,640
such a shock and yet they've actually

907
00:35:27,230 --> 00:35:23,400
Managed IT exceedingly well

908
00:35:27,970 --> 00:35:27,240
yeah hence arrow and everything moving

909
00:35:30,170 --> 00:35:27,980
forward

910
00:35:33,170 --> 00:35:30,180
let me just further answer that question

911
00:35:35,810 --> 00:35:33,180
in terms of where I think we are headed

912
00:35:37,550 --> 00:35:35,820
um you know one phrase that I I used to

913
00:35:40,130 --> 00:35:37,560

repeat all the time that I coined was

914

00:35:43,130 --> 00:35:40,140

disclosure is impossible and inevitable

915

00:35:45,230 --> 00:35:43,140

I always put it out as a paradox it's

916

00:35:48,349 --> 00:35:45,240

impossible because there's no motivation

917

00:35:50,510 --> 00:35:48,359

for the powers that be to promote it and

918

00:35:51,530 --> 00:35:50,520

that is still absolutely true and I

919

00:35:53,390 --> 00:35:51,540

always said but it's inevitable

920

00:35:56,750 --> 00:35:53,400

nonetheless for the reasons that I kind

921

00:35:59,030 --> 00:35:56,760

of outlined a little earlier

922

00:36:01,250 --> 00:35:59,040

uh I don't know if it's inevitable I I'm

923

00:36:03,109 --> 00:36:01,260

not so sure it said that

924

00:36:04,849 --> 00:36:03,119

if it's a done deal at all which I used

925

00:36:07,190 --> 00:36:04,859

to think it would be

926

00:36:10,490 --> 00:36:07,200

I would say it is possible

927

00:36:11,690 --> 00:36:10,500

but it is also possible that a genuine

928

00:36:13,190 --> 00:36:11,700

disclosure

929

00:36:14,990 --> 00:36:13,200

could be withheld from us for a very

930

00:36:17,390 --> 00:36:15,000

long time

931

00:36:20,329 --> 00:36:17,400

I mean so long that it it makes the

932

00:36:21,530 --> 00:36:20,339

subject irrelevant that's possible Right

933

00:36:22,970 --> 00:36:21,540

right

934

00:36:24,829 --> 00:36:22,980

interesting

935

00:36:28,970 --> 00:36:24,839

um well I mean kind of staying I guess

936

00:36:30,710 --> 00:36:28,980

in that same vein uh Congress got

937

00:36:33,349 --> 00:36:30,720

involved for this topic for the first

938

00:36:36,470 --> 00:36:33,359

time since you know the Gerald Ford days

939

00:36:39,770 --> 00:36:36,480

when we had semi Congressional hearings

940

00:36:43,310 --> 00:36:39,780

on the Suffolk and uh it was

941

00:36:45,050 --> 00:36:43,320

I I you know it was uh depressing it was

942

00:36:46,910 --> 00:36:45,060

sobering when those Congressional

943

00:36:48,650 --> 00:36:46,920

hearings happened I think a lot of

944

00:36:50,810 --> 00:36:48,660

people expected you know they'd pull out

945

00:36:53,089 --> 00:36:50,820

the the alien and bring it on the

946

00:36:54,410 --> 00:36:53,099

Congress floor and that clearly did not

947

00:36:57,589 --> 00:36:54,420

happen

948

00:36:59,390 --> 00:36:57,599

um but yeah yeah well you know before I

949

00:37:01,010 --> 00:36:59,400

actually move on to the question asked

950

00:37:02,450 --> 00:37:01,020

uh what did you make of the

951
00:37:04,970 --> 00:37:02,460
Congressional hearing rich on a personal

952
00:37:06,950 --> 00:37:04,980
level did that help hurt the topic the

953
00:37:08,750 --> 00:37:06,960
subject did it hurt the government did

954
00:37:11,810 --> 00:37:08,760
it hurt I would say it was almost

955
00:37:13,910 --> 00:37:11,820
exactly what I was expecting to say that

956
00:37:15,950 --> 00:37:13,920
I it oh you're talking about the one

957
00:37:18,829 --> 00:37:15,960
that was uh almost a year ago so from

958
00:37:20,870 --> 00:37:18,839
May of 2022 yeah so this is Ronald

959
00:37:24,109 --> 00:37:20,880
Moultrie and Scott Bray

960
00:37:26,630 --> 00:37:24,119
uh when they spoke to Congress the open

961
00:37:29,270 --> 00:37:26,640
part is what we saw and that was I think

962
00:37:30,890 --> 00:37:29,280
about an hour wasn't that very long

963
00:37:33,109 --> 00:37:30,900

uh

964

00:37:34,849 --> 00:37:33,119

you know obviously neither of those men

965

00:37:36,470 --> 00:37:34,859

know much of anything about the UFO

966

00:37:38,630 --> 00:37:36,480

subject it was quite obvious that they

967

00:37:41,030 --> 00:37:38,640

were both out of their depth uh Moultrie

968

00:37:45,050 --> 00:37:41,040

was funny because he sounded almost

969

00:37:48,589 --> 00:37:45,060

exactly like John uh Samford from 1952

970

00:37:51,230 --> 00:37:48,599

at the famous press conference in DC uh

971

00:37:52,910 --> 00:37:51,240

moultrie's saying well yeah there's uh

972

00:37:55,010 --> 00:37:52,920

there's objects out there but we are

973

00:37:58,250 --> 00:37:55,020

confident he said that with enough

974

00:38:00,589 --> 00:37:58,260

information we can identify and mitigate

975

00:38:02,630 --> 00:38:00,599

all of them that was a word that I loved

976

00:38:04,370 --> 00:38:02,640

mitigate and I watched that I'm like

977

00:38:06,530 --> 00:38:04,380

dude you're not mitigating anything here

978

00:38:08,329 --> 00:38:06,540

you haven't mitigated this for 80 years

979

00:38:10,370 --> 00:38:08,339

you're not going to mitigate it now

980

00:38:12,890 --> 00:38:10,380

uh that's just a lot of Brave talk there

981

00:38:14,329 --> 00:38:12,900

but but I suppose what I would say is

982

00:38:18,650 --> 00:38:14,339

that

983

00:38:19,910 --> 00:38:18,660

came out of it were some of the

984

00:38:21,410 --> 00:38:19,920

questions by representative Mike

985

00:38:24,770 --> 00:38:21,420

Gallagher who did bring up the Davis

986

00:38:27,109 --> 00:38:24,780

Wilson memo I thought hey okay that's a

987

00:38:30,349 --> 00:38:27,119

nice little win got that in there

988

00:38:32,870 --> 00:38:30,359

um and uh I think it was oh he asked a

989

00:38:34,910 --> 00:38:32,880

question about the UFOs and nukes which

990

00:38:35,930 --> 00:38:34,920

okay good let's let's bring some of

991

00:38:38,569 --> 00:38:35,940

these things up

992

00:38:40,130 --> 00:38:38,579

but really there was I would say little

993

00:38:41,390 --> 00:38:40,140

to nothing of genuine substance that

994

00:38:44,510 --> 00:38:41,400

came out of it

995

00:38:46,430 --> 00:38:44,520

and and very little in terms of a

996

00:38:47,569 --> 00:38:46,440

promise for further information I mean

997

00:38:48,829 --> 00:38:47,579

they're just going through the motions

998

00:38:50,569 --> 00:38:48,839

here

999

00:38:52,550 --> 00:38:50,579

so it was

1000

00:38:54,530 --> 00:38:52,560

if there was someone who was actually

1001
00:38:56,390 --> 00:38:54,540
waiting for a kind of disclosure moment

1002
00:38:59,270 --> 00:38:56,400
I think they they would have been very

1003
00:39:02,450 --> 00:38:59,280
disappointed obviously and

1004
00:39:04,010 --> 00:39:02,460
uh for me I'm at the George Carlin phase

1005
00:39:06,890 --> 00:39:04,020
of life you know 30 years ago George

1006
00:39:08,390 --> 00:39:06,900
Carlin's in his last stand-up phase and

1007
00:39:09,890 --> 00:39:08,400
he's like look I didn't vote for these

1008
00:39:12,650 --> 00:39:09,900
guys I'm just here to watch the

1009
00:39:15,710 --> 00:39:12,660
show I got a front row seat

1010
00:39:17,329 --> 00:39:15,720
and uh and he's like I'm loving it

1011
00:39:19,250 --> 00:39:17,339
I used to listen to that years ago and

1012
00:39:20,329 --> 00:39:19,260
I'm like wow he's funny but he's a

1013
00:39:23,210 --> 00:39:20,339

little harsh

1014

00:39:24,109 --> 00:39:23,220

I I look at it now and I think not harsh

1015

00:39:27,290 --> 00:39:24,119

enough

1016

00:39:29,810 --> 00:39:27,300

so how did I get to the point where I'm

1017

00:39:32,569 --> 00:39:29,820

I'm channeling this ghost the shade of

1018

00:39:34,310 --> 00:39:32,579

George Carlin but I do uh I definitely

1019

00:39:37,849 --> 00:39:34,320

see where he's coming from

1020

00:39:41,089 --> 00:39:37,859

so my attitude is I don't expect

1021

00:39:42,670 --> 00:39:41,099

uh I'm just not expecting anything to

1022

00:39:44,990 --> 00:39:42,680

come out of these Congressional

1023

00:39:46,970 --> 00:39:45,000

initiatives I'm not saying things are

1024

00:39:51,230 --> 00:39:46,980

impossible and I'm not saying nothing

1025

00:39:53,089 --> 00:39:51,240

will come out but a genuine recognition

1026
00:39:54,710 --> 00:39:53,099
disclosure

1027
00:39:56,569 --> 00:39:54,720
look I know that there are some efforts

1028
00:40:00,410 --> 00:39:56,579
behind the scenes toward this

1029
00:40:02,450 --> 00:40:00,420
and I have spoken to some people who

1030
00:40:04,490 --> 00:40:02,460
are have connections with that who are

1031
00:40:05,690 --> 00:40:04,500
like no no we're making this happen this

1032
00:40:07,370 --> 00:40:05,700
is going to happen

1033
00:40:09,230 --> 00:40:07,380
so my attitude is good you know if you

1034
00:40:10,670 --> 00:40:09,240
make it happen wonderful I think you

1035
00:40:11,510 --> 00:40:10,680
have more confidence in that system than

1036
00:40:13,730 --> 00:40:11,520
I do

1037
00:40:15,710 --> 00:40:13,740
but I I can't pretend that I have the

1038
00:40:17,089 --> 00:40:15,720

full answer I'm just all I have is my

1039

00:40:20,030 --> 00:40:17,099

perspective

1040

00:40:22,670 --> 00:40:20,040

and and looking at years of historical

1041

00:40:24,349 --> 00:40:22,680

obfuscation and also you know

1042

00:40:26,690 --> 00:40:24,359

understanding what the stakes are for

1043

00:40:28,670 --> 00:40:26,700

these people that is giving up a genuine

1044

00:40:29,870 --> 00:40:28,680

admission on this

1045

00:40:32,690 --> 00:40:29,880

uh

1046

00:40:34,730 --> 00:40:32,700

I don't I don't see how they win

1047

00:40:36,589 --> 00:40:34,740

because

1048

00:40:38,030 --> 00:40:36,599

there's a lot to be lost the only way

1049

00:40:40,430 --> 00:40:38,040

that I could see them doing it is if

1050

00:40:42,290 --> 00:40:40,440

they are pushed as I said before to the

1051
00:40:44,329 --> 00:40:42,300
wall and there's

1052
00:40:47,270 --> 00:40:44,339
something even worse that will happen if

1053
00:40:48,650 --> 00:40:47,280
they don't give up some of the truth a

1054
00:40:50,510 --> 00:40:48,660
sliver of the truth

1055
00:40:52,370 --> 00:40:50,520
which is all that we can ever expect by

1056
00:40:55,010 --> 00:40:52,380
the way in other words you think of

1057
00:40:57,710 --> 00:40:55,020
think of UFO information as a mountain

1058
00:40:59,030 --> 00:40:57,720
and the the people who have control over

1059
00:41:00,710 --> 00:40:59,040
the information if they give up

1060
00:41:02,690 --> 00:41:00,720
something if they give up anything

1061
00:41:05,329 --> 00:41:02,700
they're going to give up a sliver of

1062
00:41:07,010 --> 00:41:05,339
that mountain just a sliver and it'll be

1063
00:41:08,750 --> 00:41:07,020

the sliver that puts them in the best

1064

00:41:11,810 --> 00:41:08,760

possible light

1065

00:41:14,329 --> 00:41:11,820

so but but even giving up a sliver is a

1066

00:41:16,550 --> 00:41:14,339

dangerous game because

1067

00:41:18,349 --> 00:41:16,560

if you wet the appetite of the public on

1068

00:41:20,329 --> 00:41:18,359

this too much and you give them the

1069

00:41:21,410 --> 00:41:20,339

public the opportunity to ask difficult

1070

00:41:23,569 --> 00:41:21,420

questions

1071

00:41:25,670 --> 00:41:23,579

then that's no good either

1072

00:41:26,750 --> 00:41:25,680

you know government says Yeah Yeah we

1073

00:41:28,250 --> 00:41:26,760

actually have known about this for a

1074

00:41:30,109 --> 00:41:28,260

little while or this appears to be real

1075

00:41:31,790 --> 00:41:30,119

people are going to be like really so

1076

00:41:33,410 --> 00:41:31,800

what does it say about Crash retrievals

1077

00:41:35,089 --> 00:41:33,420

is this a question that'll come up at a

1078

00:41:36,349 --> 00:41:35,099

press conference have there been crash

1079

00:41:39,530 --> 00:41:36,359

retrievals and is anyone going to

1080

00:41:42,530 --> 00:41:41,089

um maybe maybe that will happen and

1081

00:41:44,390 --> 00:41:42,540

there will be denials and maybe no one

1082

00:41:46,849 --> 00:41:44,400

will believe them but even if that's the

1083

00:41:48,770 --> 00:41:46,859

case will anything come out of that

1084

00:41:50,510 --> 00:41:48,780

who believes that we have a functioning

1085

00:41:53,630 --> 00:41:50,520

democratic system here I mean let's get

1086

00:41:56,210 --> 00:41:53,640

real does does anyone actually believe

1087

00:41:57,589 --> 00:41:56,220

that the the United States or for that

1088

00:41:59,690 --> 00:41:57,599

matter the European system you're in

1089

00:42:02,210 --> 00:41:59,700

Scotland there uh does anyone actually

1090

00:42:04,790 --> 00:42:02,220

believe that anywhere

1091

00:42:07,970 --> 00:42:04,800

in any society Western Society or

1092

00:42:09,650 --> 00:42:07,980

anywhere that governments at this point

1093

00:42:11,810 --> 00:42:09,660

are amenable to the will of the people

1094

00:42:13,250 --> 00:42:11,820

in my view the last two plus years

1095

00:42:15,230 --> 00:42:13,260

they've just taken the mask off and

1096

00:42:17,329 --> 00:42:15,240

they're like we don't give a crap and

1097

00:42:19,069 --> 00:42:17,339

and what are you going to do about it

1098

00:42:20,930 --> 00:42:19,079

look what Trudeau did to the Canadian

1099

00:42:22,790 --> 00:42:20,940

truckers a little over a year ago

1100

00:42:24,710 --> 00:42:22,800

which I I think was a reprehensible

1101
00:42:26,450 --> 00:42:24,720
crime by the Canadian government against

1102
00:42:28,730 --> 00:42:26,460
their people they don't care

1103
00:42:33,710 --> 00:42:28,740
they don't care

1104
00:42:35,270 --> 00:42:33,720
leadership none of them care

1105
00:42:36,890 --> 00:42:35,280
they're all every one of them are hated

1106
00:42:38,450 --> 00:42:36,900
by the public and they don't care

1107
00:42:40,370 --> 00:42:38,460
because they know they don't need to

1108
00:42:41,569 --> 00:42:40,380
care so and it's the same with the

1109
00:42:43,910 --> 00:42:41,579
United States

1110
00:42:45,890 --> 00:42:43,920
so we're in a different situation than

1111
00:42:49,010 --> 00:42:45,900
we were a couple of generations ago

1112
00:42:50,630 --> 00:42:49,020
where there was at least the pretense uh

1113
00:42:52,130 --> 00:42:50,640

public officials that actually were

1114

00:42:54,950 --> 00:42:52,140

supposed to care about public opinion

1115

00:42:56,390 --> 00:42:54,960

and would answer it that's not the case

1116

00:42:58,550 --> 00:42:56,400

anymore

1117

00:43:00,890 --> 00:42:58,560

hmm yeah

1118

00:43:01,730 --> 00:43:00,900

it's the same everywhere I hate to say

1119

00:43:03,170 --> 00:43:01,740

it

1120

00:43:05,690 --> 00:43:03,180

um well okay

1121

00:43:08,329 --> 00:43:05,700

you mentioned a buzzword in there Rich

1122

00:43:10,849 --> 00:43:08,339

so I'm gonna fast forward to our most

1123

00:43:13,309 --> 00:43:10,859

popular question

1124

00:43:16,849 --> 00:43:13,319

um literally dozens and dozens of people

1125

00:43:18,950 --> 00:43:16,859

wanted to uh get your most updated

1126
00:43:20,329 --> 00:43:18,960
thoughts on this you mentioned Wilson

1127
00:43:23,089 --> 00:43:20,339
Davis

1128
00:43:24,530 --> 00:43:23,099
um yes where are you on this I mean this

1129
00:43:27,109 --> 00:43:24,540
is probably one of the most contentious

1130
00:43:29,750 --> 00:43:27,119
uh things to come out of ufology in a

1131
00:43:31,430 --> 00:43:29,760
while you know if you believe it uh

1132
00:43:32,870 --> 00:43:31,440
people wanna ring your neck if you don't

1133
00:43:33,770 --> 00:43:32,880
believe it people want to ring your neck

1134
00:43:36,470 --> 00:43:33,780
too

1135
00:43:39,470 --> 00:43:36,480
um are we any closer to finding out is

1136
00:43:41,690 --> 00:43:39,480
any of this real did it happen I mean it

1137
00:43:44,450 --> 00:43:41,700
happened I I think everyone can sort of

1138
00:43:45,950 --> 00:43:44,460

agree on that the meeting happened but

1139

00:43:51,430 --> 00:43:45,960

uh what are your thoughts and

1140

00:43:56,990 --> 00:43:54,410

the summer in the skies podcast is free

1141

00:43:59,450 --> 00:43:57,000

to listen to every week but if you would

1142

00:44:02,210 --> 00:43:59,460

like to help support the show we have a

1143

00:44:04,190 --> 00:44:02,220

very active patreon page where you give

1144

00:44:06,650 --> 00:44:04,200

what you think the show is worth in

1145

00:44:10,370 --> 00:44:06,660

return you'll get early access to the

1146

00:44:12,670 --> 00:44:10,380

main show bonus episodes and priority to

1147

00:44:15,290 --> 00:44:12,680

ask our guests your listener questions

1148

00:44:18,829 --> 00:44:15,300

your support truly makes the show

1149

00:44:21,609 --> 00:44:18,839

continue and grow so to learn more and

1150

00:44:23,260 --> 00:44:21,619

to join visit patreon.com

1151

00:44:27,829 --> 00:44:23,270

somewhere Skies

1152

00:44:32,990 --> 00:44:29,930

foreign

1153

00:44:34,370 --> 00:44:33,000

I think I think a few months ago I did a

1154

00:44:37,250 --> 00:44:34,380

YouTube

1155

00:44:39,530 --> 00:44:37,260

uh program which I called

1156

00:44:41,270 --> 00:44:39,540

um no more excuses

1157

00:44:43,309 --> 00:44:41,280

that's what it was and it was all about

1158

00:44:45,290 --> 00:44:43,319

the Wilson Davis or Davis Wilson notes

1159

00:44:47,030 --> 00:44:45,300

and essentially I said there are no more

1160

00:44:49,670 --> 00:44:47,040

excuses

1161

00:44:52,130 --> 00:44:49,680

for people to be wavering on this and to

1162

00:44:55,370 --> 00:44:52,140

to doubt the authenticity of this

1163

00:44:56,809 --> 00:44:55,380

document written by Dr Eric Davis

1164

00:44:59,750 --> 00:44:56,819

um you've had

1165

00:45:02,089 --> 00:44:59,760

many people now have have confirmed its

1166

00:45:03,650 --> 00:45:02,099

authenticity not just me you know I've

1167

00:45:06,109 --> 00:45:03,660

been on the record

1168

00:45:08,690 --> 00:45:06,119

uh since they came out in 2019 I said

1169

00:45:13,849 --> 00:45:08,700

look I was shown

1170

00:45:16,910 --> 00:45:13,859

uh several pages of those notes in 2006

1171

00:45:19,069 --> 00:45:16,920

in fact I went on the public record a

1172

00:45:21,050 --> 00:45:19,079

number of times back then

1173

00:45:24,950 --> 00:45:21,060

discussing the one thing I didn't say

1174

00:45:27,230 --> 00:45:24,960

back in 070809 was that I had seen the

1175

00:45:28,609 --> 00:45:27,240

notes and the only reason I didn't say

1176

00:45:30,650 --> 00:45:28,619

that it was out of respect to the man

1177

00:45:31,910 --> 00:45:30,660

who showed me those notes this is a man

1178

00:45:34,010 --> 00:45:31,920

who's

1179

00:45:36,710 --> 00:45:34,020

I'd never given up his name

1180

00:45:39,410 --> 00:45:36,720

and while he's alive I won't but because

1181

00:45:43,550 --> 00:45:39,420

he doesn't want me to but I'll just say

1182

00:45:45,770 --> 00:45:43,560

he is extremely close to the situation

1183

00:45:48,170 --> 00:45:45,780

so he showed me these notes in 06 I

1184

00:45:50,150 --> 00:45:48,180

started talking about Thomas Wilson in

1185

00:45:51,829 --> 00:45:50,160

2007.

1186

00:45:53,270 --> 00:45:51,839

I talked about Thomas Wilson being

1187

00:45:56,150 --> 00:45:53,280

denied access

1188

00:45:58,609 --> 00:45:56,160

to a reverse engineering program in 2007

1189

00:46:00,230 --> 00:45:58,619

and 2008 and 2009. how the hell am I

1190

00:46:01,809 --> 00:46:00,240

going to get that information if it

1191

00:46:04,309 --> 00:46:01,819

didn't come from those notes

1192

00:46:05,990 --> 00:46:04,319

obviously I was shown those notes and in

1193

00:46:10,670 --> 00:46:06,000

fact in one interview

1194

00:46:12,349 --> 00:46:10,680

back in 07 with uh the paracast hosted

1195

00:46:15,530 --> 00:46:12,359

by Gene Steinberg

1196

00:46:17,750 --> 00:46:15,540

I was on July 1st of 2007.

1197

00:46:19,370 --> 00:46:17,760

uh on that podcast which can be found on

1198

00:46:23,990 --> 00:46:19,380

the online

1199

00:46:25,910 --> 00:46:24,000

I actually uh very coyly quoted the the

1200

00:46:28,069 --> 00:46:25,920

notes themselves I didn't I didn't say

1201

00:46:31,069 --> 00:46:28,079

that but I said in contacts with Wilson

1202

00:46:32,870 --> 00:46:31,079

I said yeah he uh came across he learned

1203

00:46:35,690 --> 00:46:32,880

that there was technology not made by

1204

00:46:37,670 --> 00:46:35,700

man not by human hands I said it on the

1205

00:46:40,910 --> 00:46:37,680

podcast

1206

00:46:43,190 --> 00:46:40,920

because I had read those words

1207

00:46:45,890 --> 00:46:43,200

in 2006.

1208

00:46:46,849 --> 00:46:45,900

so the notes have existed for all this

1209

00:46:48,710 --> 00:46:46,859

time

1210

00:46:50,750 --> 00:46:48,720

and the person who showed me those notes

1211

00:46:53,030 --> 00:46:50,760

as I said was very very very intimately

1212

00:46:54,710 --> 00:46:53,040

close to that entire circle this is

1213

00:46:57,050 --> 00:46:54,720

obvious

1214

00:46:59,690 --> 00:46:57,060

that Eric Davis was set on a mission by

1215

00:47:01,370 --> 00:46:59,700

the Bigelow team the Ned's the Ned's

1216

00:47:03,170 --> 00:47:01,380

people essentially

1217

00:47:05,750 --> 00:47:03,180

to meet with Thomas Wilson who had just

1218

00:47:08,329 --> 00:47:05,760

gone into retirement in 2003 out of the

1219

00:47:09,170 --> 00:47:08,339

Joint Chiefs of 2002 excuse me those two

1220

00:47:10,910 --> 00:47:09,180

yeah

1221

00:47:12,950 --> 00:47:10,920

and um

1222

00:47:15,109 --> 00:47:12,960

and met with him and took detailed notes

1223

00:47:16,550 --> 00:47:15,119

those those are those are Davis's notes

1224

00:47:19,010 --> 00:47:16,560

that's his style

1225

00:47:20,569 --> 00:47:19,020

and uh who else has confirmed it well

1226

00:47:22,150 --> 00:47:20,579

Leslie Kane has confirmed that she'd

1227

00:47:24,650 --> 00:47:22,160

known about the notes

1228

00:47:26,210 --> 00:47:24,660

and I can say this now I mean when those

1229

00:47:27,349 --> 00:47:26,220

notes came out and I went public about

1230

00:47:29,210 --> 00:47:27,359

this

1231

00:47:30,530 --> 00:47:29,220

defending them Leslie wrote to me

1232

00:47:32,390 --> 00:47:30,540

privately she said I'm so glad you're

1233

00:47:33,890 --> 00:47:32,400

doing that she said unfortunately I

1234

00:47:35,390 --> 00:47:33,900

can't right now it's a little too

1235

00:47:38,270 --> 00:47:35,400

sensitive for me and I'm like okay well

1236

00:47:41,030 --> 00:47:38,280

great but she she did publicly confirm

1237

00:47:41,990 --> 00:47:41,040

them in 2022. as the exact uh Jacques

1238

00:47:45,170 --> 00:47:42,000

valet

1239

00:47:46,790 --> 00:47:45,180

as have I think George Knapp also they

1240

00:47:49,250 --> 00:47:46,800

all have they're all these people are

1241

00:47:52,370 --> 00:47:49,260

intimately close to the situation Davis

1242

00:47:54,170 --> 00:47:52,380

can't do it he can't and Wilson can't

1243

00:47:56,030 --> 00:47:54,180

obviously not

1244

00:47:58,430 --> 00:47:56,040

I was kind of amazed at people like

1245

00:48:00,170 --> 00:47:58,440

Billy Cox journalist and how you know I

1246

00:48:02,930 --> 00:48:00,180

mean he's done good work but how dense

1247

00:48:05,870 --> 00:48:02,940

can you be because Wilson denies it to

1248

00:48:08,510 --> 00:48:05,880

take that denial at face value really is

1249

00:48:11,630 --> 00:48:08,520

that what you call journalism

1250

00:48:13,970 --> 00:48:11,640

you know obviously they can't admit to

1251
00:48:16,490 --> 00:48:13,980
this because it's way too sensitive

1252
00:48:18,890 --> 00:48:16,500
but there is literally no excuse anymore

1253
00:48:20,270 --> 00:48:18,900
for someone to say gee they're I don't

1254
00:48:22,730 --> 00:48:20,280
think they're legit I think it's a hoax

1255
00:48:24,349 --> 00:48:22,740
like it's get real let's

1256
00:48:27,710 --> 00:48:24,359
let's just get real and the information

1257
00:48:29,750 --> 00:48:27,720
in those notes is too explicit and it's

1258
00:48:33,410 --> 00:48:29,760
you know frankly there's a tremendous

1259
00:48:35,510 --> 00:48:33,420
amount of very valuable information

1260
00:48:37,250 --> 00:48:35,520
for researchers

1261
00:48:39,950 --> 00:48:37,260
who are interested in trying to

1262
00:48:42,290 --> 00:48:39,960
understand the structure of UFO secrecy

1263
00:48:43,130 --> 00:48:42,300

at least that the pentagon's component

1264

00:48:44,390 --> 00:48:43,140

of it

1265

00:48:45,650 --> 00:48:44,400

you know there are probably other

1266

00:48:49,130 --> 00:48:45,660

government components you probably got

1267

00:48:50,690 --> 00:48:49,140

the doe and you've got the CIA both of

1268

00:48:53,990 --> 00:48:50,700

which I have been told have

1269

00:48:56,210 --> 00:48:54,000

similar black budget sap structures

1270

00:48:59,270 --> 00:48:56,220

within those organizations that are

1271

00:49:01,430 --> 00:48:59,280

equally impervious to outside review but

1272

00:49:02,930 --> 00:49:01,440

within the Pentagon we know it's under

1273

00:49:05,030 --> 00:49:02,940

the um

1274

00:49:07,670 --> 00:49:05,040

uh the oustat office the office of the

1275

00:49:09,589 --> 00:49:07,680

under secretary for uh Acquisitions and

1276

00:49:12,829 --> 00:49:09,599

Scientific Technology

1277

00:49:15,349 --> 00:49:12,839

and and within that they have a

1278

00:49:17,990 --> 00:49:15,359

uh you know other departments that are

1279

00:49:20,030 --> 00:49:18,000

with departments within departments that

1280

00:49:22,190 --> 00:49:20,040

within those you've got these special

1281

00:49:25,130 --> 00:49:22,200

access programs that Thomas Wilson was

1282

00:49:28,130 --> 00:49:25,140

able to find on the tips by the way

1283

00:49:30,890 --> 00:49:28,140

given him by Stephen Greer

1284

00:49:33,710 --> 00:49:30,900

in April 1997. it's a crazy story but

1285

00:49:36,109 --> 00:49:33,720

it's I knew all about this uh when it

1286

00:49:37,910 --> 00:49:36,119

happened in fact I talked about when I I

1287

00:49:39,890 --> 00:49:37,920

did the one Ambush interview probably in

1288

00:49:45,349 --> 00:49:39,900

my life when I called Thomas Wilson

1289

00:49:48,170 --> 00:49:45,359

at the end of um 2006 I called Wilson

1290

00:49:50,870 --> 00:49:48,180

and you know he got very upset and hung

1291

00:49:55,609 --> 00:49:50,880

up on hung up the phone on me

1292

00:49:58,309 --> 00:49:55,619

um so no this is there is no more excuse

1293

00:49:59,690 --> 00:49:58,319

the document's real and and the thing we

1294

00:50:02,390 --> 00:49:59,700

really need to be talking about is not

1295

00:50:03,829 --> 00:50:02,400

is it real it's like let's let's like

1296

00:50:06,589 --> 00:50:03,839

please get past that because it's just

1297

00:50:08,990 --> 00:50:06,599

cringe worthy when people do this but

1298

00:50:10,790 --> 00:50:09,000

what we need to do is analyze a document

1299

00:50:12,770 --> 00:50:10,800

and understand the implications the

1300

00:50:15,050 --> 00:50:12,780

implication of that document is the

1301

00:50:17,210 --> 00:50:15,060

important thing which is that

1302

00:50:19,309 --> 00:50:17,220

you have first of all

1303

00:50:21,290 --> 00:50:19,319

Wilson's being told now you could say

1304

00:50:23,030 --> 00:50:21,300

did the I assume these were Lockheed

1305

00:50:24,710 --> 00:50:23,040

guys but let's whoever told him were

1306

00:50:26,710 --> 00:50:24,720

they telling him the truth

1307

00:50:28,849 --> 00:50:26,720

so the truth you know presumably

1308

00:50:31,130 --> 00:50:28,859

Wilson's sitting down with The

1309

00:50:34,190 --> 00:50:31,140

Gatekeepers of the program who he

1310

00:50:36,349 --> 00:50:34,200

identified as the security manager the

1311

00:50:39,410 --> 00:50:36,359

corporate attorney

1312

00:50:40,910 --> 00:50:39,420

um and the program manager

1313

00:50:43,609 --> 00:50:40,920

and

1314

00:50:45,829 --> 00:50:43,619

you know what he said was that they told

1315

00:50:47,809 --> 00:50:45,839

him we have an intact craft and we we're

1316

00:50:49,250 --> 00:50:47,819

trying to figure it out and and we're

1317

00:50:51,049 --> 00:50:49,260

really kind of outmatched by this thing

1318

00:50:52,790 --> 00:50:51,059

we can't really we haven't made much

1319

00:50:54,530 --> 00:50:52,800

progress painfully slow progress that

1320

00:50:57,109 --> 00:50:54,540

type of thing the real question to ask

1321

00:50:58,130 --> 00:50:57,119

is were they telling him the truth that

1322

00:50:59,210 --> 00:50:58,140

is the question

1323

00:51:01,430 --> 00:50:59,220

yeah

1324

00:51:03,470 --> 00:51:01,440

um I don't I have and you know the other

1325

00:51:06,950 --> 00:51:03,480

part you can ask is

1326

00:51:08,510 --> 00:51:06,960

pardon me was Wilson telling Davis

1327

00:51:10,370 --> 00:51:08,520

the full truth

1328

00:51:11,990 --> 00:51:10,380

now I think that question the answer is

1329

00:51:13,549 --> 00:51:12,000

probably yes

1330

00:51:15,890 --> 00:51:13,559

I I don't think we can assume he told

1331

00:51:17,390 --> 00:51:15,900

him the full truth in fact I'm pretty

1332

00:51:19,849 --> 00:51:17,400

certain he did not tell Davis everything

1333

00:51:21,530 --> 00:51:19,859

but he told Davis a lot and the reason

1334

00:51:23,930 --> 00:51:21,540

is in the notes themselves Wilson

1335

00:51:25,670 --> 00:51:23,940

checked into Davis's Bona fides Wilson

1336

00:51:27,829 --> 00:51:25,680

was very very careful he was very

1337

00:51:30,410 --> 00:51:27,839

nervous about talking to anyone but he

1338

00:51:31,750 --> 00:51:30,420

trusted Davis because of the Bona fides

1339

00:51:34,370 --> 00:51:31,760

that he'd been given about Eric Davis

1340

00:51:36,349 --> 00:51:34,380

and so I think it's safe to say that

1341

00:51:37,790 --> 00:51:36,359

Wilson was truthful for the most part

1342

00:51:40,069 --> 00:51:37,800

with Davis he may have held some things

1343

00:51:41,510 --> 00:51:40,079

back the real question to ask is whether

1344

00:51:43,430 --> 00:51:41,520

let's say the Lockheed guys were they

1345

00:51:45,349 --> 00:51:43,440

truthful to Thomas Wilson when they gave

1346

00:51:46,730 --> 00:51:45,359

him their briefing and that's a fair

1347

00:51:48,530 --> 00:51:46,740

question to ask and it could be that

1348

00:51:51,650 --> 00:51:48,540

they did were or were not truthful to

1349

00:51:53,270 --> 00:51:51,660

him or they were partly truthful I think

1350

00:51:56,510 --> 00:51:53,280

that they were truthful in so far as

1351
00:51:58,490 --> 00:51:56,520
there was an at UFO program and I

1352
00:52:01,370 --> 00:51:58,500
believe this because that is the entire

1353
00:52:03,950 --> 00:52:01,380
reason Wilson looked for them he found

1354
00:52:06,609 --> 00:52:03,960
them he was working off of a lead that

1355
00:52:09,829 --> 00:52:06,619
Greer had given him specifically about

1356
00:52:13,010 --> 00:52:09,839
E.T reverse engineering uh Tech that was

1357
00:52:15,829 --> 00:52:13,020
being worked at privately away from the

1358
00:52:18,349 --> 00:52:15,839
auspices of U.S pentagon control

1359
00:52:20,329 --> 00:52:18,359
and so Wilson had this information he

1360
00:52:23,329 --> 00:52:20,339
found not one but four actually such

1361
00:52:25,069 --> 00:52:23,339
programs and only met with the managers

1362
00:52:26,809 --> 00:52:25,079
of this one

1363
00:52:29,930 --> 00:52:26,819

who then

1364

00:52:31,790 --> 00:52:29,940

said you know yeah this is E.T uh Wilson

1365

00:52:34,430 --> 00:52:31,800

was funny when he's talking to Davis in

1366

00:52:36,470 --> 00:52:34,440

those notes because he's giving this

1367

00:52:38,809 --> 00:52:36,480

pretense of asking them well is this

1368

00:52:41,329 --> 00:52:38,819

Russian is this some adversary I'm

1369

00:52:42,650 --> 00:52:41,339

thinking when I read these notes

1370

00:52:43,849 --> 00:52:42,660

I don't think you believe that for an

1371

00:52:45,710 --> 00:52:43,859

instant Wilson

1372

00:52:48,170 --> 00:52:45,720

but I think he was just saying that to

1373

00:52:50,210 --> 00:52:48,180

follow the old cya rule you got to cover

1374

00:52:51,650 --> 00:52:50,220

your you know line up your ducks and be

1375

00:52:53,690 --> 00:52:51,660

careful and I think

1376

00:52:57,170 --> 00:52:53,700

I think that was the only reason I think

1377

00:52:59,690 --> 00:52:57,180

uh he knew full well what this was about

1378

00:53:00,829 --> 00:52:59,700

and to that extent I think that they

1379

00:53:02,809 --> 00:53:00,839

told him the truth that there was a

1380

00:53:04,609 --> 00:53:02,819

program uh they did show him what was

1381

00:53:05,990 --> 00:53:04,619

called the big OT list that's simply the

1382

00:53:08,210 --> 00:53:06,000

list of the people who are in the

1383

00:53:10,730 --> 00:53:08,220

program Wilson said it was between four

1384

00:53:12,710 --> 00:53:10,740

and 800 names

1385

00:53:15,410 --> 00:53:12,720

and that they were almost all corporate

1386

00:53:17,809 --> 00:53:15,420

private almost only a small handful of

1387

00:53:20,870 --> 00:53:17,819

DOD Personnel were part of this was all

1388

00:53:22,130 --> 00:53:20,880

private contractor uh I see no reason to

1389

00:53:25,250 --> 00:53:22,140

doubt that at all

1390

00:53:26,990 --> 00:53:25,260

and uh the only thing you can ask that

1391

00:53:29,630 --> 00:53:27,000

they might doubt that you might doubt is

1392

00:53:31,970 --> 00:53:29,640

the question of painfully slow progress

1393

00:53:34,849 --> 00:53:31,980

that is the question and I don't know

1394

00:53:36,109 --> 00:53:34,859

the answer to that it could be that they

1395

00:53:38,150 --> 00:53:36,119

were telling him the truth it could be

1396

00:53:39,589 --> 00:53:38,160

that they were just blowing smoke up his

1397

00:53:41,270 --> 00:53:39,599

behind because they wanted to get him

1398

00:53:43,670 --> 00:53:41,280

off their back

1399

00:53:45,710 --> 00:53:43,680

who really who really knows I think the

1400

00:53:47,510 --> 00:53:45,720

attitude would be we can assume they

1401
00:53:49,130 --> 00:53:47,520
told him as much as they felt they had

1402
00:53:50,569 --> 00:53:49,140
to and they did have to tell him

1403
00:53:53,150 --> 00:53:50,579
something this is the other thing we

1404
00:53:55,730 --> 00:53:53,160
have to realize Wilson found them and

1405
00:53:58,849 --> 00:53:55,740
really pissed them off and what we

1406
00:54:00,710 --> 00:53:58,859
learned in those notes is that that

1407
00:54:03,890 --> 00:54:00,720
group had nearly been outed a few years

1408
00:54:05,930 --> 00:54:03,900
earlier by a pentagon audit that found

1409
00:54:08,510 --> 00:54:05,940
them and what they said to Wilson was

1410
00:54:11,030 --> 00:54:08,520
yeah we were nearly outed and we had to

1411
00:54:14,089 --> 00:54:11,040
bring that auditor into the security

1412
00:54:15,770 --> 00:54:14,099
to to shut him up that was the only

1413
00:54:17,150 --> 00:54:15,780

solution we had

1414

00:54:18,470 --> 00:54:17,160

so

1415

00:54:21,950 --> 00:54:18,480

you know would you have a guy like

1416

00:54:23,270 --> 00:54:21,960

Wilson who's blustering in there trying

1417

00:54:25,130 --> 00:54:23,280

to throw his weight around and saying

1418

00:54:28,609 --> 00:54:25,140

it's your mistake that you did not have

1419

00:54:30,170 --> 00:54:28,619

me in his oversight over your group

1420

00:54:32,690 --> 00:54:30,180

their attitude had to be let's just

1421

00:54:34,490 --> 00:54:32,700

think logically here their attitude was

1422

00:54:36,829 --> 00:54:34,500

all right we don't have to let him in

1423

00:54:39,290 --> 00:54:36,839

but we do have to deal with him he is

1424

00:54:41,809 --> 00:54:39,300

vice uh chair of the Joint Chiefs of

1425

00:54:43,490 --> 00:54:41,819

Staff of intelligence he's not a nobody

1426

00:54:45,170 --> 00:54:43,500

that we can just kick around like a

1427

00:54:47,569 --> 00:54:45,180

little puppy dog we've gotta we have to

1428

00:54:50,270 --> 00:54:47,579

respect him enough and deal with him so

1429

00:54:52,010 --> 00:54:50,280

the answer I think was exactly the right

1430

00:54:54,049 --> 00:54:52,020

one from their point of view they gave

1431

00:54:57,049 --> 00:54:54,059

him a little bit of information

1432

00:54:59,630 --> 00:54:57,059

and basically said now go away

1433

00:55:02,210 --> 00:54:59,640

and and Wilson said this is not right

1434

00:55:04,010 --> 00:55:02,220

you should I need to be in here they I'm

1435

00:55:05,450 --> 00:55:04,020

going to talk to my superiors and and

1436

00:55:06,950 --> 00:55:05,460

their answer was they'll go ahead if you

1437

00:55:08,450 --> 00:55:06,960

want to talk to your boss they clearly

1438

00:55:11,329 --> 00:55:08,460

were not frightened

1439

00:55:12,589 --> 00:55:11,339

Wilson goes back to DC does complain and

1440

00:55:14,450 --> 00:55:12,599

what happens he's threatened with his

1441

00:55:17,750 --> 00:55:14,460

career

1442

00:55:20,510 --> 00:55:17,760

so I think that's what happened

1443

00:55:22,309 --> 00:55:20,520

these are important implications you

1444

00:55:24,890 --> 00:55:22,319

know let's just stop and think we are so

1445

00:55:27,650 --> 00:55:24,900

used to the creeping fascism essentially

1446

00:55:29,750 --> 00:55:27,660

that has just spread over the Western

1447

00:55:32,089 --> 00:55:29,760

world it's like we've given up on the

1448

00:55:34,309 --> 00:55:32,099

idea of expecting our government to be

1449

00:55:36,349 --> 00:55:34,319

responsive to us it's like yeah we know

1450

00:55:38,450 --> 00:55:36,359

they're corrupt well you know what maybe

1451
00:55:40,609 --> 00:55:38,460
we shouldn't be so complacent

1452
00:55:42,650 --> 00:55:40,619
this is a very important thing

1453
00:55:43,910 --> 00:55:42,660
I don't agree with Stephen Greer and

1454
00:55:46,790 --> 00:55:43,920
everything let me just say that but I

1455
00:55:49,309 --> 00:55:46,800
agree with him 100 on his attitude back

1456
00:55:52,309 --> 00:55:49,319
then which was that this

1457
00:55:54,650 --> 00:55:52,319
must not be a program that is dominated

1458
00:55:56,690 --> 00:55:54,660
by private contractors who do not have

1459
00:55:58,730 --> 00:55:56,700
sufficient government oversight who get

1460
00:55:59,470 --> 00:55:58,740
what they want because when the proper

1461
00:56:02,089 --> 00:55:59,480
government

1462
00:56:04,069 --> 00:56:02,099
Liaisons retire they get brought into

1463
00:56:06,170 --> 00:56:04,079

the program and they make a lot of money

1464

00:56:07,670 --> 00:56:06,180

as Gatekeepers themselves which is how

1465

00:56:08,930 --> 00:56:07,680

the whole system works it's utterly

1466

00:56:11,510 --> 00:56:08,940

corrupt

1467

00:56:13,970 --> 00:56:11,520

and that's not a good system and Greer

1468

00:56:15,290 --> 00:56:13,980

was right for critiquing it back then he

1469

00:56:17,990 --> 00:56:15,300

was right to bring this to Wilson's

1470

00:56:19,790 --> 00:56:18,000

attention back then and

1471

00:56:21,470 --> 00:56:19,800

you know but it's just like we're in a

1472

00:56:23,990 --> 00:56:21,480

world where

1473

00:56:25,790 --> 00:56:24,000

uh people are they willfully incapable

1474

00:56:28,190 --> 00:56:25,800

of looking at the implications here some

1475

00:56:29,390 --> 00:56:28,200

of them are and some just I just don't

1476

00:56:30,410 --> 00:56:29,400

think they pay attention enough to

1477

00:56:32,809 --> 00:56:30,420

understand

1478

00:56:34,069 --> 00:56:32,819

the stakes that are involved in when you

1479

00:56:37,370 --> 00:56:34,079

look at everything involved in the

1480

00:56:39,349 --> 00:56:37,380

Wilson Davis notes we are talking as I

1481

00:56:42,290 --> 00:56:39,359

stand by what I called it a few years

1482

00:56:44,450 --> 00:56:42,300

ago the UFO leak of the century which it

1483

00:56:46,430 --> 00:56:44,460

remains to the state is the UFO League

1484

00:56:50,150 --> 00:56:46,440

of the century

1485

00:56:52,370 --> 00:56:50,160

yeah unfolding story we need to find

1486

00:56:54,770 --> 00:56:52,380

at least one of those four to five

1487

00:56:56,569 --> 00:56:54,780

hundred people like you mentioned who

1488

00:56:58,670 --> 00:56:56,579

may have worked in this program that

1489

00:57:00,170 --> 00:56:58,680

like you said leaks are the only and

1490

00:57:01,549 --> 00:57:00,180

they're a natural process of any

1491

00:57:03,730 --> 00:57:01,559

government

1492

00:57:05,870 --> 00:57:03,740

um in terms of like how we get any

1493

00:57:07,549 --> 00:57:05,880

transparency seems to be when we're

1494

00:57:08,750 --> 00:57:07,559

they're backed into a corner and leaks

1495

00:57:13,970 --> 00:57:08,760

happen

1496

00:57:16,010 --> 00:57:13,980

personally hope it's on a crash

1497

00:57:18,530 --> 00:57:16,020

retrieval program you know with all the

1498

00:57:20,450 --> 00:57:18,540

research I've done the past 20 something

1499

00:57:24,470 --> 00:57:20,460

years of my life

1500

00:57:27,049 --> 00:57:24,480

um that for me would be it not of blurry

1501

00:57:29,630 --> 00:57:27,059

video from the Navy

1502

00:57:31,809 --> 00:57:29,640

um you know not even any photo or video

1503

00:57:34,370 --> 00:57:31,819

it's the

1504

00:57:37,190 --> 00:57:34,380

admittance of some sort of program and

1505

00:57:39,650 --> 00:57:37,200

that we actually have a craft of Unknown

1506

00:57:42,770 --> 00:57:39,660

Origin in our possession in any country

1507

00:57:44,510 --> 00:57:42,780

not just in the United States too so if

1508

00:57:46,250 --> 00:57:44,520

this is it if this truly is the leak of

1509

00:57:48,349 --> 00:57:46,260

the century it would change everything

1510

00:57:50,270 --> 00:57:48,359

it honestly would and I don't know where

1511

00:57:52,250 --> 00:57:50,280

I stayed down the Wilson Davis thing uh

1512

00:57:54,710 --> 00:57:52,260

to be up front but hearing you talk

1513

00:57:56,750 --> 00:57:54,720

about the implication is enough to be

1514

00:57:59,150 --> 00:57:56,760

like we need to keep looking at this

1515

00:58:00,589 --> 00:57:59,160

well let me just say this so back in 06

1516

00:58:01,849 --> 00:58:00,599

When I Was preparing to phone Thomas

1517

00:58:04,670 --> 00:58:01,859

Wilson

1518

00:58:07,250 --> 00:58:04,680

I was in touch with the man who showed

1519

00:58:08,390 --> 00:58:07,260

me the the notes to begin with

1520

00:58:10,250 --> 00:58:08,400

famous

1521

00:58:11,990 --> 00:58:10,260

he's a great guy

1522

00:58:15,530 --> 00:58:12,000

I like him

1523

00:58:19,790 --> 00:58:15,540

uh I was writing to him and I said well

1524

00:58:22,010 --> 00:58:19,800

I am going to contact Wilson about this

1525

00:58:24,109 --> 00:58:22,020

and

1526

00:58:28,250 --> 00:58:24,119

his attitude was well good luck with

1527

00:58:31,010 --> 00:58:28,260

that and after after I called Wilson

1528

00:58:33,349 --> 00:58:31,020

uh I wrote back and I said yeah Wilson

1529

00:58:35,210 --> 00:58:33,359

just denied everything and this guy said

1530

00:58:38,030 --> 00:58:35,220

what do you expect

1531

00:58:40,190 --> 00:58:38,040

everything is on the line with him

1532

00:58:41,630 --> 00:58:40,200

which I knew as well like obviously I

1533

00:58:43,370 --> 00:58:41,640

knew all of this going into it like if

1534

00:58:45,109 --> 00:58:43,380

Wilson were to give an acknowledgment to

1535

00:58:47,390 --> 00:58:45,119

me on the phone

1536

00:58:50,030 --> 00:58:47,400

he knew that I would publicize that and

1537

00:58:52,190 --> 00:58:50,040

he it's like you know the a little house

1538

00:58:53,870 --> 00:58:52,200

of uh cards or a little house of

1539

00:58:57,829 --> 00:58:53,880

toothpicks coming crashing down all at

1540

00:59:00,650 --> 00:58:57,839

once it would be a huge admission

1541

00:59:06,829 --> 00:59:00,660

coming from a very important person back

1542

00:59:08,690 --> 00:59:06,839

in 607 of the existence of a UFO program

1543

00:59:10,010 --> 00:59:08,700

I mean you just remember where we were

1544

00:59:11,690 --> 00:59:10,020

back then

1545

00:59:13,069 --> 00:59:11,700

there was no admission from the

1546

00:59:14,210 --> 00:59:13,079

government about anything like this

1547

00:59:16,789 --> 00:59:14,220

whatsoever

1548

00:59:18,589 --> 00:59:16,799

yeah and uh no I mean it would it would

1549

00:59:21,650 --> 00:59:18,599

blow all of his security clearances for

1550

00:59:23,089 --> 00:59:21,660

the rest of all time first of all right

1551
00:59:26,390 --> 00:59:23,099
and uh

1552
00:59:28,370 --> 00:59:26,400
and it would also be a real explosive

1553
00:59:30,289 --> 00:59:28,380
danger to UFO secrecy in general and

1554
00:59:32,270 --> 00:59:30,299
there would be no way that he could but

1555
00:59:33,470 --> 00:59:32,280
I figured look

1556
00:59:35,510 --> 00:59:33,480
uh

1557
00:59:37,370 --> 00:59:35,520
I learned Wilson's name

1558
00:59:38,930 --> 00:59:37,380
I knew all about this

1559
00:59:41,390 --> 00:59:38,940
and I thought I'm just going to give a

1560
00:59:43,730 --> 00:59:41,400
guy a phone call and see what happens

1561
00:59:45,470 --> 00:59:43,740
and and you know so I mean I guess what

1562
00:59:47,630 --> 00:59:45,480
I'm saying is it was very clearly

1563
00:59:49,010 --> 00:59:47,640

understood between myself and the

1564

00:59:51,049 --> 00:59:49,020

individual who had shown me the notes to

1565

00:59:53,690 --> 00:59:51,059

begin with what the implications were

1566

00:59:55,309 --> 00:59:53,700

this is heavy duty stuff

1567

00:59:57,829 --> 00:59:55,319

and no it's not an official government

1568

00:59:59,870 --> 00:59:57,839

document but it doesn't matter

1569

01:00:02,210 --> 00:59:59,880

you're talking about a senior government

1570

01:00:05,630 --> 01:00:02,220

official senior government defense

1571

01:00:08,390 --> 01:00:05,640

official acknowledging the reality of

1572

01:00:10,069 --> 01:00:08,400

this phenomenon and how he got shut out

1573

01:00:12,170 --> 01:00:10,079

of it

1574

01:00:14,390 --> 01:00:12,180

by essentially

1575

01:00:16,430 --> 01:00:14,400

a corporation

1576

01:00:19,190 --> 01:00:16,440

how are the implications of that not

1577

01:00:20,990 --> 01:00:19,200

profound so it's been very obvious all

1578

01:00:22,309 --> 01:00:21,000

this time that this is a very serious

1579

01:00:24,950 --> 01:00:22,319

matter

1580

01:00:26,270 --> 01:00:24,960

and I I really I will just the last

1581

01:00:28,250 --> 01:00:26,280

thing I'll say here is I think those

1582

01:00:29,990 --> 01:00:28,260

individuals who went on the record to

1583

01:00:32,089 --> 01:00:30,000

try to throw cold water on this to try

1584

01:00:35,210 --> 01:00:32,099

to debunk it and like I think did a real

1585

01:00:37,370 --> 01:00:35,220

disservice a true disservice to ufology

1586

01:00:39,049 --> 01:00:37,380

they uh it was the biggest

1587

01:00:41,390 --> 01:00:39,059

disappointment in me to me

1588

01:00:42,289 --> 01:00:41,400

professionally to see some colleagues of

1589

01:00:45,530 --> 01:00:42,299

mine

1590

01:00:48,770 --> 01:00:45,540

go out of their way seems to

1591

01:00:51,650 --> 01:00:48,780

debunk this critically important leak

1592

01:00:53,630 --> 01:00:51,660

and really hinder our ability as a

1593

01:00:55,549 --> 01:00:53,640

community to move forward with this

1594

01:01:00,650 --> 01:00:55,559

to

1595

01:01:02,450 --> 01:01:00,660

broader conversation publicly and and it

1596

01:01:03,430 --> 01:01:02,460

didn't happen because a number of key

1597

01:01:07,789 --> 01:01:03,440

people

1598

01:01:10,730 --> 01:01:07,799

very prominently and really I think um

1599

01:01:13,849 --> 01:01:10,740

with some of them with Mal intent went

1600

01:01:15,950 --> 01:01:13,859

out of their way to debunk this publicly

1601

01:01:19,190 --> 01:01:15,960

it was a real a real Misfortune for

1602

01:01:24,770 --> 01:01:22,190

yeah well hey if it's of any consolation

1603

01:01:26,990 --> 01:01:24,780

uh the book's still open for me and I

1604

01:01:29,750 --> 01:01:27,000

closed it I was one of those people rich

1605

01:01:32,390 --> 01:01:29,760

I never spoke publicly or privately to

1606

01:01:33,890 --> 01:01:32,400

you about it but I kind of was like uh I

1607

01:01:35,150 --> 01:01:33,900

don't know but the more I hear you talk

1608

01:01:38,530 --> 01:01:35,160

about it

1609

01:01:42,589 --> 01:01:38,540

um the more it sounds like this is a

1610

01:01:46,309 --> 01:01:42,599

authentic occurrence and this was an

1611

01:01:50,150 --> 01:01:46,319

actual program and he is

1612

01:01:51,829 --> 01:01:50,160

100 genuine in what he was told like you

1613

01:01:55,730 --> 01:01:51,839

said the big question is

1614

01:01:58,730 --> 01:01:55,740

who told him this and was that true um

1615

01:02:01,690 --> 01:01:58,740

there's every reason to wonder about the

1616

01:02:04,670 --> 01:02:01,700

truth of what Wilson was told yeah

1617

01:02:07,609 --> 01:02:04,680

to wonder but but you have to even if we

1618

01:02:10,789 --> 01:02:07,619

go down that road we have to ask okay

1619

01:02:13,250 --> 01:02:10,799

is 100 of what they told him false is 50

1620

01:02:14,510 --> 01:02:13,260

of what they told him false is zero

1621

01:02:16,309 --> 01:02:14,520

percent of what they told him false or

1622

01:02:18,530 --> 01:02:16,319

some other number in there we have to

1623

01:02:20,329 --> 01:02:18,540

ask that I think 100 is highly

1624

01:02:21,829 --> 01:02:20,339

unrealistic I think even 50 is

1625

01:02:24,530 --> 01:02:21,839

unrealistic

1626

01:02:25,789 --> 01:02:24,540

frankly to tell someone who is

1627

01:02:27,710 --> 01:02:25,799

essentially running intelligence for The

1628

01:02:29,870 --> 01:02:27,720

Joint Chiefs like you're gonna really

1629

01:02:32,270 --> 01:02:29,880

lie that much to this guy you're really

1630

01:02:34,910 --> 01:02:32,280

gonna make up a story and and give him a

1631

01:02:37,750 --> 01:02:34,920

big BS tell really even if you're a

1632

01:02:40,730 --> 01:02:37,760

contractor with highest level security

1633

01:02:41,450 --> 01:02:40,740

you're gonna you're just gonna lie flat

1634

01:02:43,609 --> 01:02:41,460

out

1635

01:02:46,309 --> 01:02:43,619

you got you got cojones that big you're

1636

01:02:48,470 --> 01:02:46,319

gonna lie flat out to this guy who does

1637

01:02:50,630 --> 01:02:48,480

have some power

1638

01:02:53,270 --> 01:02:50,640

no I think what you will do is you will

1639

01:02:54,710 --> 01:02:53,280

tell him what as much as you need to

1640

01:02:56,630 --> 01:02:54,720

tell him

1641

01:02:59,930 --> 01:02:56,640

you might hedge a little bit here and

1642

01:03:02,630 --> 01:02:59,940

there that's possible but to assume that

1643

01:03:04,490 --> 01:03:02,640

they lied to him I think is also not

1644

01:03:09,049 --> 01:03:04,500

realistic

1645

01:03:13,430 --> 01:03:09,059

it and I can definitely tell you that

1646

01:03:16,970 --> 01:03:13,440

Eric Davis uh wrote those notes

1647

01:03:19,849 --> 01:03:16,980

everyone close to Davis knows this and

1648

01:03:21,650 --> 01:03:19,859

has privately said so by the way okay

1649

01:03:23,150 --> 01:03:21,660

they may not all go on the record but

1650

01:03:25,190 --> 01:03:23,160

they all know this

1651

01:03:28,630 --> 01:03:25,200

so Davis wrote the notes

1652

01:03:30,890 --> 01:03:28,640

and and people who know Davis no he is

1653

01:03:32,990 --> 01:03:30,900

fanatically like I've heard people say

1654

01:03:34,130 --> 01:03:33,000

he's incapable of lying well I don't

1655

01:03:36,530 --> 01:03:34,140

know if that's actually true is anyone

1656

01:03:40,250 --> 01:03:36,540

truly incapable but we get the idea

1657

01:03:42,710 --> 01:03:40,260

Davis is scrupulously openly honest

1658

01:03:44,930 --> 01:03:42,720

about and you've listened to the guy

1659

01:03:47,210 --> 01:03:44,940

you know he he essentially said this as

1660

01:03:48,410 --> 01:03:47,220

much there was a uh now a censored

1661

01:03:49,730 --> 01:03:48,420

interview that he did with the Stephen

1662

01:03:51,890 --> 01:03:49,740

Green Street of the basement office

1663

01:03:53,410 --> 01:03:51,900

where Green Street asked him flat out

1664

01:03:57,890 --> 01:03:53,420

and Davis

1665

01:03:59,990 --> 01:03:57,900

talked about those notices uh from Edgar

1666

01:04:02,030 --> 01:04:00,000

Mitchell's estate which they were they

1667

01:04:03,770 --> 01:04:02,040

were from Ed Mitchell's estate and and

1668

01:04:05,990 --> 01:04:03,780

he and

1669

01:04:08,589 --> 01:04:06,000

he never denied it he

1670

01:04:11,390 --> 01:04:08,599

he spoke of them as totally real

1671

01:04:13,670 --> 01:04:11,400

and they all know it's real but they

1672

01:04:16,670 --> 01:04:13,680

these people are all afraid of losing

1673

01:04:18,650 --> 01:04:16,680

security clearances that's number one

1674

01:04:19,970 --> 01:04:18,660

this isn't a classified document but it

1675

01:04:22,370 --> 01:04:19,980

does not matter

1676

01:04:26,089 --> 01:04:22,380

it's a document that deals with very

1677

01:04:28,069 --> 01:04:26,099

classified uh goings-on within the

1678

01:04:29,750 --> 01:04:28,079

National Security structure and all of

1679

01:04:33,289 --> 01:04:29,760

those people whether you talk about

1680

01:04:35,089 --> 01:04:33,299

Davis or putoff or kid green or Colm

1681

01:04:35,690 --> 01:04:35,099

Kelleher or

1682

01:04:37,730 --> 01:04:35,700

um

1683

01:04:40,430 --> 01:04:37,740

any of the other people Associated you

1684

01:04:42,049 --> 01:04:40,440

know with that crowd they've all had

1685

01:04:43,130 --> 01:04:42,059

long-standing security clearances and

1686

01:04:47,150 --> 01:04:43,140

they

1687

01:04:49,069 --> 01:04:47,160

by

1688

01:04:51,170 --> 01:04:49,079

having loose lips on this matter and

1689

01:04:53,030 --> 01:04:51,180

saying oh yeah it's real

1690

01:04:55,789 --> 01:04:53,040

you know they've got the Fig Leaf still

1691

01:04:58,309 --> 01:04:55,799

covering them just enough where they can

1692

01:04:59,630 --> 01:04:58,319

say no I didn't say anything

1693

01:05:01,150 --> 01:04:59,640

and that's that's where they're leaving

1694

01:05:03,470 --> 01:05:01,160

it because they they're all about

1695

01:05:05,030 --> 01:05:03,480

preserving their access because all of

1696

01:05:07,549 --> 01:05:05,040

those people

1697

01:05:09,530 --> 01:05:07,559

are on a quest the quest is to get to

1698

01:05:12,289 --> 01:05:09,540

the center of the labyrinth all of them

1699

01:05:16,010 --> 01:05:12,299

none of them are at the exact center

1700

01:05:17,990 --> 01:05:16,020

not maybe Davis I don't know but I doubt

1701

01:05:20,569 --> 01:05:18,000

it I don't think they're where they want

1702

01:05:23,030 --> 01:05:20,579

to be they all want more information and

1703

01:05:25,730 --> 01:05:23,040

back 20 years ago I know this for a fact

1704

01:05:27,530 --> 01:05:25,740

all of those people wanted to get more

1705

01:05:29,809 --> 01:05:27,540

information than what they had

1706

01:05:31,789 --> 01:05:29,819

and so when Wilson finally retired

1707

01:05:34,069 --> 01:05:31,799

because they knew about this right from

1708

01:05:36,650 --> 01:05:34,079

the beginning in 97 Mitchell was part of

1709

01:05:39,410 --> 01:05:36,660

the Greer team to meet with Wilson

1710

01:05:40,910 --> 01:05:39,420

Edgar Mitchell Mitchell was part of the

1711

01:05:43,370 --> 01:05:40,920

whole nibs crowd he was friends with

1712

01:05:46,190 --> 01:05:43,380

Davis and Putt off in green and Bigelow

1713

01:05:48,650 --> 01:05:46,200

and comb Kelleher and John Alexander

1714

01:05:50,030 --> 01:05:48,660

like all these people worked together on

1715

01:05:53,089 --> 01:05:50,040

the National Institute of Discovery

1716

01:05:55,670 --> 01:05:53,099

Science so Mitchell learned about Wilson

1717

01:05:58,309 --> 01:05:55,680

being shut out of his meeting with uh

1718

01:06:00,170 --> 01:05:58,319

with the contractors through uh Navy

1719

01:06:02,329 --> 01:06:00,180

Commander

1720

01:06:05,569 --> 01:06:02,339

um will Miller

1721

01:06:07,250 --> 01:06:05,579

so he Willard Miller he was with them

1722

01:06:10,549 --> 01:06:07,260

he was the one who found from Wilson

1723

01:06:14,089 --> 01:06:10,559

that Wilson got locked out in June of 97

1724

01:06:16,430 --> 01:06:14,099

three months later and he tells Greer

1725

01:06:17,990 --> 01:06:16,440

and he tells Mitchell because they were

1726

01:06:21,890 --> 01:06:18,000

all together

1727

01:06:24,770 --> 01:06:21,900

Greer goes on all the subsequent years

1728

01:06:28,370 --> 01:06:24,780

Greer openly talked about this

1729

01:06:31,910 --> 01:06:28,380

in his book hidden truth forbidden

1730

01:06:33,829 --> 01:06:31,920

knowledge in 2006 he mentioned the

1731

01:06:38,390 --> 01:06:33,839

meeting he mentioned Wilson

1732

01:06:39,349 --> 01:06:38,400

talked about it uh and Mitchell also

1733

01:06:41,569 --> 01:06:39,359

um

1734

01:06:43,609 --> 01:06:41,579

learned about it and he told his entire

1735

01:06:45,710 --> 01:06:43,619

crew at Ned's

1736

01:06:47,390 --> 01:06:45,720

one of those people

1737

01:06:51,230 --> 01:06:47,400

said to me oh yeah I've known about that

1738

01:06:55,069 --> 01:06:53,569

all right they've all known all right so

1739

01:06:58,430 --> 01:06:55,079

they're they're all interested in

1740

01:07:01,549 --> 01:06:58,440

getting to the center of the secret

1741

01:07:03,710 --> 01:07:01,559

they coveted that and it's possible in

1742

01:07:05,809 --> 01:07:03,720

the interim years that some of them may

1743

01:07:07,130 --> 01:07:05,819

have gotten there it's possible but in

1744

01:07:09,650 --> 01:07:07,140

2002

1745

01:07:11,329 --> 01:07:09,660

when they sent Davis on his mission and

1746

01:07:14,270 --> 01:07:11,339

Davis basically hit a home run interview

1747

01:07:16,370 --> 01:07:14,280

with that uh when they sent him off they

1748

01:07:18,410 --> 01:07:16,380

that was their goal they wanted

1749

01:07:20,210 --> 01:07:18,420

information they wanted confirmation

1750

01:07:22,010 --> 01:07:20,220

from Wilson

1751

01:07:23,390 --> 01:07:22,020

and they got it

1752

01:07:24,470 --> 01:07:23,400

and it was only supposed to be for

1753

01:07:26,569 --> 01:07:24,480

themselves

1754

01:07:28,910 --> 01:07:26,579

this wasn't for the rest of the world we

1755

01:07:30,109 --> 01:07:28,920

weren't interested in publicizing this

1756

01:07:32,210 --> 01:07:30,119

anywhere

1757

01:07:34,069 --> 01:07:32,220

so that's the um that's the meeting

1758

01:07:39,130 --> 01:07:34,079

that's how it worked that's why it

1759

01:07:46,150 --> 01:07:43,970

yeah I I'm I'm I'm back in yeah pulled

1760

01:07:49,309 --> 01:07:46,160

me back in I love it um

1761

01:07:51,650 --> 01:07:49,319

and they pull me back in

1762

01:07:53,750 --> 01:07:51,660

every damn time Rich

1763

01:07:55,490 --> 01:07:53,760

um last two questions for you before we

1764

01:07:57,589 --> 01:07:55,500

move over to patreon if that's all right

1765

01:08:00,230 --> 01:07:57,599

with you okay cool you've been gracious

1766

01:08:02,930 --> 01:08:00,240

with your time um this isn't

1767

01:08:06,170 --> 01:08:02,940

thank you uh the academic question

1768

01:08:08,210 --> 01:08:06,180

actually Eamon through email asks I'm an

1769

01:08:10,670 --> 01:08:08,220

academic and I'm considering formulating

1770

01:08:13,609 --> 01:08:10,680

a degree level course on the phenomenon

1771

01:08:16,010 --> 01:08:13,619

what areas would Rich want to include in

1772

01:08:18,050 --> 01:08:16,020

the modules that would make up such a

1773

01:08:20,329 --> 01:08:18,060

course I mean we are hearing more and

1774

01:08:22,550 --> 01:08:20,339

more these days of universities taking

1775

01:08:24,490 --> 01:08:22,560

this topic seriously whether from a

1776

01:08:27,110 --> 01:08:24,500

historical aspect or

1777

01:08:28,970 --> 01:08:27,120

sociological everything but yeah what

1778

01:08:30,950 --> 01:08:28,980

would you do if you had that I actually

1779

01:08:33,590 --> 01:08:30,960

already did this I wrote a book called

1780

01:08:35,930 --> 01:08:33,600

UFOs for the 21st century mine that is

1781

01:08:37,789 --> 01:08:35,940

completely I I'm serious this is

1782

01:08:40,370 --> 01:08:37,799

explicitly the answer to that

1783

01:08:43,849 --> 01:08:40,380

individual's question uh I designed this

1784

01:08:46,430 --> 01:08:43,859

actually originally I was asked by what

1785

01:08:48,590 --> 01:08:46,440

was then an online university of sorts

1786

01:08:50,090 --> 01:08:48,600

what do they call themselves

1787

01:08:51,470 --> 01:08:50,100

the international metaphysical

1788

01:08:52,669 --> 01:08:51,480

University I don't even know if they're

1789

01:08:53,630 --> 01:08:52,679

around

1790

01:08:56,390 --> 01:08:53,640

um

1791

01:08:58,010 --> 01:08:56,400

back uh in I forget what year 2011 or

1792

01:09:00,410 --> 01:08:58,020

thereabouts they said hey we would like

1793

01:09:04,910 --> 01:09:00,420

for you to teach a course

1794

01:09:06,709 --> 01:09:04,920

on UFOs like a UFOs 101 type thing

1795

01:09:08,390 --> 01:09:06,719

they had originally asked Stanton

1796

01:09:11,390 --> 01:09:08,400

Friedman but I guess Stan didn't want to

1797

01:09:13,789 --> 01:09:11,400

do it and they asked me and I thought ah

1798

01:09:14,809 --> 01:09:13,799

I'll design something and I and I did I

1799

01:09:17,209 --> 01:09:14,819

wrote

1800

01:09:19,390 --> 01:09:17,219

what really became UFOs for the 21st

1801
01:09:21,349 --> 01:09:19,400
century mine and what I looked at were

1802
01:09:24,229 --> 01:09:21,359
uh I mean

1803
01:09:26,329 --> 01:09:24,239
I will just say you know I looked at the

1804
01:09:27,650 --> 01:09:26,339
first chapters what are UFOs so I asked

1805
01:09:29,450 --> 01:09:27,660
a series of philosophical questions

1806
01:09:32,090 --> 01:09:29,460
scientific questions how do we

1807
01:09:34,610 --> 01:09:32,100
understand what even a UFO is

1808
01:09:37,130 --> 01:09:34,620
um how Are UFOs easily misidentified and

1809
01:09:40,370 --> 01:09:37,140
so on and on uh and then I talk about

1810
01:09:44,209 --> 01:09:40,380
the in that chapter the implications of

1811
01:09:45,890 --> 01:09:44,219
what UFOs might mean to society uh I

1812
01:09:48,110 --> 01:09:45,900
have a chapter talking about theories of

1813
01:09:50,030 --> 01:09:48,120

ancient visitation you know the whole

1814

01:09:52,490 --> 01:09:50,040

Ancient Aliens phenomenon and I try to

1815

01:09:53,809 --> 01:09:52,500

dip my toe into that and get into it and

1816

01:09:57,590 --> 01:09:53,819

then there are several chapters that

1817

01:09:59,510 --> 01:09:57,600

deal with a I think a proper concise uh

1818

01:10:02,450 --> 01:09:59,520

analysis of the history of the UFO

1819

01:10:04,790 --> 01:10:02,460

phenomenon from early modern times to

1820

01:10:06,290 --> 01:10:04,800

the present uh I get into the political

1821

01:10:07,970 --> 01:10:06,300

implications which are very important

1822

01:10:10,250 --> 01:10:07,980

for any kind of academic understanding

1823

01:10:12,709 --> 01:10:10,260

of this you want to understand how does

1824

01:10:15,410 --> 01:10:12,719

the cover-up work what are the politics

1825

01:10:17,450 --> 01:10:15,420

of the UFO phenomenon you need to

1826

01:10:19,550 --> 01:10:17,460

understand that and so I try to do that

1827

01:10:20,990 --> 01:10:19,560

both at the surface level and then at

1828

01:10:24,229 --> 01:10:21,000

the the deeper level what I call the

1829

01:10:25,910 --> 01:10:24,239

Breakaway civilization level

1830

01:10:27,709 --> 01:10:25,920

and then the other things that they did

1831

01:10:28,970 --> 01:10:27,719

with their contact and abduction you

1832

01:10:30,709 --> 01:10:28,980

know the whole where the rubber meets

1833

01:10:32,870 --> 01:10:30,719

the road it's like what what is actually

1834

01:10:35,510 --> 01:10:32,880

happening here when you have individuals

1835

01:10:37,490 --> 01:10:35,520

who allege that they have had encounters

1836

01:10:39,770 --> 01:10:37,500

direct encounters with alien beings how

1837

01:10:41,810 --> 01:10:39,780

do we make sense out of this

1838

01:10:44,209 --> 01:10:41,820

and you know I try to try to deal with

1839

01:10:47,149 --> 01:10:44,219

that another thing that academicians

1840

01:10:49,790 --> 01:10:47,159

need to understand and I I haven't seen

1841

01:10:51,110 --> 01:10:49,800

anyone in the academic world or in the

1842

01:10:53,810 --> 01:10:51,120

world of ufology deal with this other

1843

01:10:56,930 --> 01:10:53,820

than myself which is to track the growth

1844

01:10:59,209 --> 01:10:56,940

of ufology against the backdrop of uh

1845

01:11:00,770 --> 01:10:59,219

our changing Society in general

1846

01:11:03,350 --> 01:11:00,780

including the birth of the internet

1847

01:11:05,270 --> 01:11:03,360

including just uh cultural and social

1848

01:11:07,130 --> 01:11:05,280

changes and the back and forth

1849

01:11:09,709 --> 01:11:07,140

interaction that ufology has had with

1850

01:11:11,570 --> 01:11:09,719

our society at large and how UFO

1851

01:11:12,830 --> 01:11:11,580

research has evolved over the years like

1852

01:11:15,590 --> 01:11:12,840

these are important

1853

01:11:17,030 --> 01:11:15,600

things and I I

1854

01:11:19,250 --> 01:11:17,040

don't hear I don't really hear anything

1855

01:11:21,050 --> 01:11:19,260

from anywhere else about that and then

1856

01:11:24,530 --> 01:11:21,060

uh the I have one chapter on the science

1857

01:11:26,510 --> 01:11:24,540

of UFOs which is you know Weird Science

1858

01:11:29,209 --> 01:11:26,520

whether it's propulsion technology or

1859

01:11:32,090 --> 01:11:29,219

space-time or Consciousness itself that

1860

01:11:34,610 --> 01:11:32,100

is the the science of the UFO phenomenon

1861

01:11:36,410 --> 01:11:34,620

is extremely important to understand and

1862

01:11:37,850 --> 01:11:36,420

then the other uh other things is just

1863

01:11:40,490 --> 01:11:37,860

looking at them and looking at our

1864

01:11:43,669 --> 01:11:40,500

future who are they what do they want is

1865

01:11:47,510 --> 01:11:43,679

a I I don't know if you can study this

1866

01:11:49,790 --> 01:11:47,520

academically precisely but I think

1867

01:11:51,950 --> 01:11:49,800

you can get into things like uh

1868

01:11:54,350 --> 01:11:51,960

comparative psychology evolutionary

1869

01:11:56,330 --> 01:11:54,360

psychology you can start asking what

1870

01:11:57,530 --> 01:11:56,340

might these other beings be interested

1871

01:12:04,250 --> 01:11:57,540

in

1872

01:12:06,709 --> 01:12:04,260

might be here well I have a lot of

1873

01:12:08,750 --> 01:12:06,719

thoughts on that and then the uh the

1874

01:12:10,250 --> 01:12:08,760

final chapter of that book is attempt to

1875

01:12:12,290 --> 01:12:10,260

look into the future where are we going

1876

01:12:14,630 --> 01:12:12,300

what is our trajectory what is the

1877

01:12:18,229 --> 01:12:14,640

trajectory of this phenomenon within the

1878

01:12:21,830 --> 01:12:18,239

context of our civilization so that book

1879

01:12:25,430 --> 01:12:21,840

literally is the the textbook

1880

01:12:27,290 --> 01:12:25,440

that was explicitly my intention

1881

01:12:30,770 --> 01:12:27,300

so to the individual who wrote that

1882

01:12:33,050 --> 01:12:30,780

question I would just say hey go buy the

1883

01:12:35,149 --> 01:12:33,060

new and Expanded Edition of UFOs for the

1884

01:12:38,390 --> 01:12:35,159

21st century mind and I think it will

1885

01:12:40,550 --> 01:12:38,400

give you a very good foundation for

1886

01:12:41,930 --> 01:12:40,560

further academic analysis of this

1887

01:12:44,689 --> 01:12:41,940

subject

1888

01:12:46,910 --> 01:12:44,699

that was my intention yeah required

1889

01:12:49,490 --> 01:12:46,920

reading there you go to Eamonn thank you

1890

01:12:52,610 --> 01:12:49,500

amen um well Rich we're gonna head over

1891

01:12:55,070 --> 01:12:52,620

to patreon to answer a few more of our

1892

01:12:56,990 --> 01:12:55,080

more theoretical questions on the

1893

01:12:58,970 --> 01:12:57,000

phenomenon in Aliens

1894

01:13:01,550 --> 01:12:58,980

um so I'm really excited about that but

1895

01:13:04,669 --> 01:13:01,560

of course the burning question on

1896

01:13:08,209 --> 01:13:04,679

everyone's mind before we wrap up here

1897

01:13:10,010 --> 01:13:08,219

volume three ah yes when is it happening

1898

01:13:12,050 --> 01:13:10,020

is it happening can you give us any

1899

01:13:14,270 --> 01:13:12,060

information on that yeah volume three of

1900

01:13:15,470 --> 01:13:14,280

UFOs in the National Security State ads

1901

01:13:17,810 --> 01:13:15,480

definitely happening there'll probably

1902

01:13:19,550 --> 01:13:17,820

be volume three and four realistically

1903

01:13:22,130 --> 01:13:19,560

it's just too much information but it's

1904

01:13:24,770 --> 01:13:22,140

happening uh right now I'm I'm uh in the

1905

01:13:26,450 --> 01:13:24,780

midst of writing a book on Usos so

1906

01:13:29,870 --> 01:13:26,460

unidentified submersible objects

1907

01:13:32,930 --> 01:13:29,880

underwater UFOs uh it's something that I

1908

01:13:36,110 --> 01:13:32,940

just jumped into uh for members of my

1909

01:13:38,990 --> 01:13:36,120

website uh close to a year ago and it

1910

01:13:44,330 --> 01:13:39,000

just led me down a fascinating path so

1911

01:13:47,330 --> 01:13:44,340

I'm doing a um a fairly uh

1912

01:13:49,490 --> 01:13:47,340

I I can't say comprehensive history of

1913

01:13:51,950 --> 01:13:49,500

all USO sightings but a good history

1914

01:13:54,169 --> 01:13:51,960

that deals with the progression of the

1915

01:13:55,490 --> 01:13:54,179

phenomenon as we've recorded it over the

1916

01:13:58,490 --> 01:13:55,500

years and that includes right up into

1917

01:14:01,130 --> 01:13:58,500

the present day so I'm very excited

1918

01:14:02,990 --> 01:14:01,140

about that book but uh volume three of

1919

01:14:04,430 --> 01:14:03,000

the National Security State series is

1920

01:14:06,110 --> 01:14:04,440

happening I've had a lot of

1921

01:14:08,990 --> 01:14:06,120

interruptions along the way

1922

01:14:11,209 --> 01:14:09,000

you know first was after disclosure then

1923

01:14:12,770 --> 01:14:11,219

was the original version of UFOs for the

1924

01:14:15,169 --> 01:14:12,780

21st century mine

1925

01:14:17,870 --> 01:14:15,179

uh and then you know

1926

01:14:21,290 --> 01:14:17,880

I did The Detour into looking into false

1927

01:14:23,090 --> 01:14:21,300

flags as a phenomenon and I actually did

1928

01:14:25,610 --> 01:14:23,100

not end up writing a book on false Flags

1929

01:14:27,709 --> 01:14:25,620

but I did a I did a TV series that I

1930

01:14:29,450 --> 01:14:27,719

wrote for Gaia on that and I did a lot

1931

01:14:31,910 --> 01:14:29,460

of study of that but then I got back to

1932

01:14:34,010 --> 01:14:31,920

the UFO field and um

1933

01:14:36,590 --> 01:14:34,020

started up my website where I'm just

1934

01:14:38,330 --> 01:14:36,600

producing content content content

1935

01:14:40,130 --> 01:14:38,340

then I wrote the alien agendas a couple

1936

01:14:42,649 --> 01:14:40,140

of years ago like I've had all these

1937

01:14:45,290 --> 01:14:42,659

things get in the way of volume 3 of

1938

01:14:47,930 --> 01:14:45,300

UFOs and the National Security State but

1939

01:14:51,229 --> 01:14:47,940

I I will just tell everybody that I am

1940

01:14:54,350 --> 01:14:51,239

committed to finishing that book and um

1941

01:14:56,750 --> 01:14:54,360

I will definitely not rest until my

1942

01:14:58,250 --> 01:14:56,760

history takes the UFO subject up to the

1943

01:15:00,590 --> 01:14:58,260

present day

1944

01:15:01,970 --> 01:15:00,600

love it it's happening guys it's

1945

01:15:04,250 --> 01:15:01,980

happening yes well I'm looking forward

1946

01:15:06,110 --> 01:15:04,260

to both of those Rich um well let us

1947

01:15:08,330 --> 01:15:06,120

know where can we find everything you

1948

01:15:11,209 --> 01:15:08,340

are up to and where can people learn

1949

01:15:12,830 --> 01:15:11,219

more about your work thank you uh well I

1950

01:15:14,689 --> 01:15:12,840

have a YouTube channel which is just

1951

01:15:15,890 --> 01:15:14,699

Richard Allen intelligent disclosure

1952

01:15:18,110 --> 01:15:15,900

it's

1953

01:15:19,490 --> 01:15:18,120

uh I just released something there the

1954

01:15:21,970 --> 01:15:19,500

other day

1955

01:15:24,709 --> 01:15:21,980

uh my main efforts are at Richard

1956

01:15:27,229 --> 01:15:24,719

olinmembers.com that's uh I guess you

1957

01:15:29,090 --> 01:15:27,239

say it's a membership-based website so I

1958

01:15:30,830 --> 01:15:29,100

have members content there but I have a

1959

01:15:32,990 --> 01:15:30,840

lot of free information there I put up

1960

01:15:35,270 --> 01:15:33,000

free articles and free videos all the

1961

01:15:38,030 --> 01:15:35,280

time as well so people if they just want

1962

01:15:39,530 --> 01:15:38,040

to kind of saunter on by they can if you

1963

01:15:41,390 --> 01:15:39,540

want to get more serious into it you can

1964

01:15:43,310 --> 01:15:41,400

take a cheap membership and I have a lot

1965

01:15:45,770 --> 01:15:43,320

of information in there for people so

1966

01:15:48,470 --> 01:15:45,780

those are the two ways to reach me

1967

01:15:51,350 --> 01:15:48,480

perfect well again Rich you were the

1968

01:15:54,830 --> 01:15:51,360

first guest on my show you really helped

1969

01:15:57,590 --> 01:15:54,840

me uh springboard my ufological career

1970

01:15:59,810 --> 01:15:57,600

if I want to call it that um so it's

1971

01:16:01,669 --> 01:15:59,820

always fascinating talking to you we're

1972

01:16:03,770 --> 01:16:01,679

gonna head over to patreon to answer a

1973

01:16:06,410 --> 01:16:03,780

few more questions but I have to thank

1974

01:16:09,470 --> 01:16:06,420

you for your insights and uh and given

1975

01:16:11,149 --> 01:16:09,480

us the uh the Stone Cold Hard truth

1976

01:16:13,850 --> 01:16:11,159

about a lot of this because it's not

1977

01:16:16,130 --> 01:16:13,860

always fun and games like there's a lot

1978

01:16:18,229 --> 01:16:16,140

at stake here uh thank you right first

1979

01:16:20,149 --> 01:16:18,239

of all Ryan I'm very always happy to be

1980

01:16:21,169 --> 01:16:20,159

on on your program and I love the work

1981

01:16:23,810 --> 01:16:21,179

that you do

1982

01:16:26,450 --> 01:16:23,820

uh but yes I think that all too little

1983

01:16:29,030 --> 01:16:26,460

do we really hear the uncomfortable

1984

01:16:30,830 --> 01:16:29,040

truths uh from the UFO research

1985

01:16:31,729 --> 01:16:30,840

Community I just think that's sadly the

1986

01:16:33,470 --> 01:16:31,739

case

1987

01:16:35,330 --> 01:16:33,480

so I'm not saying that I'm right about

1988

01:16:37,250 --> 01:16:35,340

everything that I think I'm sure I mean

1989

01:16:40,310 --> 01:16:37,260

look I can make mistakes like anyone but

1990

01:16:41,689 --> 01:16:40,320

I do think that uh I have a perspective

1991

01:16:44,149 --> 01:16:41,699

that's a little different than that of

1992

01:16:45,110 --> 01:16:44,159

many other researchers and

1993

01:16:46,610 --> 01:16:45,120

we want to get the different

1994

01:16:48,350 --> 01:16:46,620

perspectives out there so I've just

1995

01:16:50,220 --> 01:16:48,360

tried to share mine

1996

01:16:52,170 --> 01:16:50,230

Thank you Rich we appreciate it

1997

01:17:35,080 --> 01:16:52,180

[Music]
