

RICHARD DOLAN

THE
WILSON-DAVIS
NOTES

1
00:00:04,309 --> 00:00:02,270
were they telling him the truth

2
00:00:06,470 --> 00:00:04,319
so the truth you know presumably

3
00:00:08,690 --> 00:00:06,480
Wilson's sitting down with The

4
00:00:11,750 --> 00:00:08,700
Gatekeepers of the program who he

5
00:00:13,910 --> 00:00:11,760
identified as the security manager the

6
00:00:16,970 --> 00:00:13,920
corporate attorney

7
00:00:18,470 --> 00:00:16,980
um and the program manager

8
00:00:21,109 --> 00:00:18,480
and

9
00:00:23,330 --> 00:00:21,119
you know what he said was that they told

10
00:00:25,310 --> 00:00:23,340
him we have an intact craft and we we're

11
00:00:26,750 --> 00:00:25,320
trying to figure it out and and we're

12
00:00:28,550 --> 00:00:26,760
really kind of outmatched by this thing

13
00:00:30,290 --> 00:00:28,560

we can't really we haven't made much

14

00:00:32,030 --> 00:00:30,300

progress painfully slow progress that

15

00:00:34,670 --> 00:00:32,040

type of thing the real question to ask

16

00:00:35,690 --> 00:00:34,680

is were they telling him the truth that

17

00:00:36,709 --> 00:00:35,700

is the question

18

00:00:38,930 --> 00:00:36,719

yeah

19

00:00:40,970 --> 00:00:38,940

um I don't I have and you know the other

20

00:00:42,590 --> 00:00:40,980

part you can ask is was Wilson telling

21

00:00:44,150 --> 00:00:42,600

Davis

22

00:00:46,069 --> 00:00:44,160

the full truth

23

00:00:47,630 --> 00:00:46,079

now I think that question the answer is

24

00:00:49,190 --> 00:00:47,640

probably yes

25

00:00:51,590 --> 00:00:49,200

I I don't think we can assume he told

26

00:00:53,029 --> 00:00:51,600

him the full truth in fact I'm pretty

27

00:00:55,549 --> 00:00:53,039

certain he did not tell Davis everything

28

00:00:57,170 --> 00:00:55,559

but he told Davis a lot and the reason

29

00:00:59,569 --> 00:00:57,180

is in the notes themselves Wilson

30

00:01:01,310 --> 00:00:59,579

checked into Davis's bonafides Wilson

31

00:01:03,470 --> 00:01:01,320

was very very careful he was very

32

00:01:06,109 --> 00:01:03,480

nervous about talking to anyone but he

33

00:01:07,429 --> 00:01:06,119

trusted Davis because of the Bona fides

34

00:01:10,010 --> 00:01:07,439

that he'd been given about Eric Davis

35

00:01:12,050 --> 00:01:10,020

and so I think it's safe to say that

36

00:01:13,490 --> 00:01:12,060

Wilson was truthful for the most part

37

00:01:15,530 --> 00:01:13,500

with Davis he may have held some things

38

00:01:17,030 --> 00:01:15,540

back the real question to ask is where

39

00:01:19,010 --> 00:01:17,040

the let's say the Lockheed guys were

40

00:01:20,810 --> 00:01:19,020

they truthful to Thomas Wilson when they

41

00:01:22,190 --> 00:01:20,820

gave him their briefing and that's a

42

00:01:24,050 --> 00:01:22,200

fair question to ask and it could be

43

00:01:26,450 --> 00:01:24,060

that they did were or were not truthful

44

00:01:28,670 --> 00:01:26,460

to him or they were partly truthful

45

00:01:32,210 --> 00:01:28,680

I think that they were truthful in so

46

00:01:34,190 --> 00:01:32,220

far as there was an at UFO program and I

47

00:01:37,069 --> 00:01:34,200

believe this because that is the entire
