4
00:00:51,049 --> 00:00:49,440

hey guys Ryan Sprague here from the

5
00:00:53,209 --> 00:00:51,059

summer in the skies podcast and welcome

6
00:00:55,970 --> 00:00:53,219

to my new series somewhere in the skies

7
00:00:58,069 --> 00:00:55,980

case files and for our very first case

8
00:01:01,130 --> 00:00:58,079

today we're going to be covering the

9
00:01:02,990 --> 00:01:01,140

Carlos De Santos UFO incident tell me

10
00:01:04,609 --> 00:01:03,000

what you think in the comments below let

11
00:01:06,710 --> 00:01:04,619

me know what cases you want me to cover

12
00:01:10,310 --> 00:01:06,720

on this new series and I'll see you on

13
00:01:10,320 --> 00:01:15,170

foreign

14

00:01:21,730 --> 00:01:19,490
it was the morning of May 3rd 1975. Upon

15

00:01:25,190 --> 00:01:21,740
returning from a routine flight from

16

00:01:27,590 --> 00:01:25,200
zawatanejo to Mexico City 23 year old

17

00:01:31,010 --> 00:01:27,600
pilot Carlos De Santos prepared his

18

00:01:33,590 --> 00:01:31,020
Piper pa-2-4 plane and it was soon in

19

00:01:36,050 --> 00:01:33,600
the skies heading for the Benito Juarez

20

00:01:39,230 --> 00:01:36,060
International Airport it was over the

21

00:01:41,569 --> 00:01:39,240
VHF omnidirectional radio range when

22

00:01:43,969 --> 00:01:41,579
Carlos noticed something odd in the

23

00:01:47,090 --> 00:01:43,979
distance as he approached the Oddity on

24

00:01:50,389 --> 00:01:47,100
his left it soon came into view there in

25

00:01:52,789 --> 00:01:50,399
the skies was a craft gray in color and

26
00:01:55,069 --> 00:01:52,799
saucer shaped it was much smaller than

27
00:01:57,649 --> 00:01:55,079
his plane as it began to follow his left

28
00:02:00,230 --> 00:01:57,659
wing it had what appeared to be a

29
00:02:03,050 --> 00:02:00,240
cockpit of some sort on the top with a

30
00:02:05,450 --> 00:02:03,060
blackened out window as Carlos stared in

31
00:02:07,730 --> 00:02:05,460
awe at the craft he had a strange

32
00:02:09,949 --> 00:02:07,740
feeling that he was being watched from

33
00:02:12,410 --> 00:02:09,959
the other side of his plane he turned to

34
00:02:15,890 --> 00:02:12,420
look and on his right wing was yet

35
00:02:18,229 --> 00:02:15,900
another identical craft Carlos now felt

36
00:02:20,630 --> 00:02:18,239
uneasy but before he could even process

37
00:02:23,150 --> 00:02:20,640
what was happening a third craft

38
00:02:26,089 --> 00:02:23,160

appeared directly in front of his plane

39

00:02:28,490 --> 00:02:26,099

descending beneath the front reacting on

40

00:02:30,770 --> 00:02:28,500

impulse Carlos dipped the nose of the

41

00:02:34,369 --> 00:02:30,780

plane to observe where this craft had

42

00:02:36,530 --> 00:02:34,379

gone to his surprise and dismay the

43

00:02:39,350 --> 00:02:36,540

craft was a little too close for comfort

44

00:02:41,990 --> 00:02:39,360

hitting and scraping the fuselage

45

00:02:43,910 --> 00:02:42,000

damaging the landing gear of the plane

46

00:02:46,430 --> 00:02:43,920

it was at this point that Carlos no

47

00:02:48,589 --> 00:02:46,440

longer felt in control of his Piper

48

00:02:50,930 --> 00:02:48,599

plane no matter what he did to try to

49

00:02:53,390 --> 00:02:50,940

get a handle of the plane nothing was

50

00:02:56,089 --> 00:02:53,400

working surrounded by the three unknown

51
00:02:59,270 --> 00:02:56,099
objects he was sure that they were

52
00:03:01,729 --> 00:02:59,280
moving in to attack surprisingly however

53
00:03:04,009 --> 00:03:01,739
Carlos felt as though they were guiding

54
00:03:05,809 --> 00:03:04,019
him he still felt threatened and

55
00:03:07,970 --> 00:03:05,819
attempted to bump the object to his

56
00:03:10,430 --> 00:03:07,980
right hoping this would somehow stop

57
00:03:12,770 --> 00:03:10,440
their control over his plane but it

58
00:03:15,649 --> 00:03:12,780
didn't they were still in complete

59
00:03:18,170 --> 00:03:15,659
control and now forcing the piper plane

60
00:03:20,270 --> 00:03:18,180
to ascend to dangerous altitudes

61
00:03:22,550 --> 00:03:20,280
helpless and Afraid of the rapid

62
00:03:25,250 --> 00:03:22,560
increase in cabin pressure literally

63
00:03:27,949 --> 00:03:25,260

killing him Carlos did the only thing he

64

00:03:30,770 --> 00:03:27,959

could do he radioed for help connecting

65

00:03:33,949 --> 00:03:30,780

with a control tower in Mexico City he

66

00:03:36,350 --> 00:03:33,959

sent a distress call yelling Mayday as

67

00:03:45,620 --> 00:03:36,360

loud and as frequent as he possibly

68

00:03:45,630 --> 00:03:51,890

[Laughter]

69

00:03:56,089 --> 00:03:53,930

he went on to describe what was

70

00:03:58,970 --> 00:03:56,099

happening stating that quote I have

71

00:04:01,309 --> 00:03:58,980

three unidentified visual objects flying

72

00:04:04,130 --> 00:04:01,319

around me end quote he then went on to

73

00:04:06,470 --> 00:04:04,140

explain that quote I'm apparently Flying

74

00:04:09,710 --> 00:04:06,480

Without control the plane is without

75

00:04:12,350 --> 00:04:09,720

control I'm not controlling the plane

76
00:04:15,229 --> 00:04:12,360
end quote the control tower instructed

77
00:04:17,990 --> 00:04:15,239
him to decelerate and descend but Carlos

78
00:04:20,569 --> 00:04:18,000
explained that he couldn't he believed

79
00:04:22,969 --> 00:04:20,579
this was the end but just as he lost all

80
00:04:25,850 --> 00:04:22,979
hope the objects seemed to distance

81
00:04:29,749 --> 00:04:25,860
themselves and begin to head toward the

82
00:04:32,570 --> 00:04:29,759
nearby Mount popo katipeto volcano at

83
00:04:34,850 --> 00:04:32,580
unbelievable speeds the object soon

84
00:04:37,430 --> 00:04:34,860
disappeared out of sight and Carlos

85
00:04:39,290 --> 00:04:37,440
regained control of his aircraft he

86
00:04:41,990 --> 00:04:39,300
notified the control tower of such but

87
00:04:44,689 --> 00:04:42,000
the issue remained that his landing gear

88
00:04:47,629 --> 00:04:44,699

was damaged beyond control the airport

89

00:04:50,390 --> 00:04:47,639

issued an emergency landing clearing the

90

00:04:53,450 --> 00:04:50,400

area of all flights forced to circle the

91

00:04:55,550 --> 00:04:53,460

airport almost a dozen times Carlos

92

00:04:57,710 --> 00:04:55,560

desperately searched for something to

93

00:05:00,170 --> 00:04:57,720

fix the landing gear he was able to find

94

00:05:03,530 --> 00:05:00,180

a screwdriver and in a makeshift process

95

00:05:06,110 --> 00:05:03,540

was successful in extending the gear and

96

00:05:08,330 --> 00:05:06,120

safely Landing the plane Carlos was

97

00:05:11,030 --> 00:05:08,340

treated at a local clinic and no

98

00:05:13,129 --> 00:05:11,040

substances were found in his system he

99

00:05:15,350 --> 00:05:13,139

was given a clear bill of health and

100

00:05:18,530 --> 00:05:15,360

permission to continue flying thereafter

101
00:05:20,990 --> 00:05:18,540
any doubt that the event occurred were

102
00:05:23,090 --> 00:05:21,000
squashed when the radar operators at the

103
00:05:25,610 --> 00:05:23,100
control tower that day testified that

104
00:05:27,650 --> 00:05:25,620
they did indeed view the objects in real

105
00:05:29,990 --> 00:05:27,660
time as they were making the Maneuvers

106
00:05:32,930 --> 00:05:30,000
that Carlos had been reporting according

107
00:05:35,090 --> 00:05:32,940
to UFO researcher Miguel Romero an

108
00:05:37,670 --> 00:05:35,100
affidavit was recorded in official

109
00:05:39,890 --> 00:05:37,680
minutes of the general directorate of

110
00:05:41,689 --> 00:05:39,900
civil Aeronautics by the officer of

111
00:05:44,150 --> 00:05:41,699
aeronautical Authority for the

112
00:05:46,490 --> 00:05:44,160
International Airport of Mexico City the

113
00:05:48,290 --> 00:05:46,500

case-cut international attention and

114

00:05:50,390 --> 00:05:48,300

soon news outlets wanted to speak to

115

00:05:52,790 --> 00:05:50,400

Carlos about what had happened the case

116

00:05:55,490 --> 00:05:52,800

was also investigated by Project Blue

117

00:05:57,590 --> 00:05:55,500

Book under the guidance of Dr J Allen

118

00:06:00,409 --> 00:05:57,600

heineck the government hired astronomer

119

00:06:02,930 --> 00:06:00,419

who officially looked at UFO cases on

120

00:06:05,330 --> 00:06:02,940

several occasions Carlos was visited by

121

00:06:07,730 --> 00:06:05,340

what can only be described as Men In

122

00:06:09,770 --> 00:06:07,740

Black he was told not to speak of what

123

00:06:12,230 --> 00:06:09,780

had happened or he and his family could

124

00:06:14,150 --> 00:06:12,240

suffer consequences but he was adamant

125

00:06:17,330 --> 00:06:14,160

about getting his story out to the

126
00:06:19,790 --> 00:06:17,340
public and even until this day continues

127
00:06:22,010 --> 00:06:19,800
to speak out about it Carlos went on to

128
00:06:24,650 --> 00:06:22,020
continue flying having a healthy and

129
00:06:27,309 --> 00:06:24,660
safe career thereafter but presumably

130
00:06:30,110 --> 00:06:27,319
that almost fateful day in 1975

131
00:06:32,210 --> 00:06:30,120
completely changed his outlook on what

132
00:06:35,330 --> 00:06:32,220
lay Somewhere In The Sky Is Over Mexico

133
00:06:37,969 --> 00:06:35,340
and just exactly how much control the

134
00:06:44,180 --> 00:06:37,979
trio of saucer-shaped craft seemed to

135
00:06:50,749 --> 00:06:48,469
[Music]

136
00:06:52,370 --> 00:06:50,759
hi guys Ryan Sprague here and welcome to

137
00:06:54,770 --> 00:06:52,380
another episode of somewhere in the

138
00:06:56,090 --> 00:06:54,780

skies case files and today we're going

139

00:06:59,870 --> 00:06:56,100

to be talking about one of my personal

140

00:07:02,210 --> 00:06:59,880

Heroes Ellison odizuka the first Asian

141

00:07:04,610 --> 00:07:02,220

Japanese American and Hawaiian astronaut

142

00:07:06,290 --> 00:07:04,620

to ever go into space but he's also

143

00:07:08,330 --> 00:07:06,300

known for something much different

144

00:07:11,150 --> 00:07:08,340

something that would put him in the

145

00:07:14,050 --> 00:07:11,160

annals of UFO history forever

146

00:07:14,060 --> 00:07:31,510

[Music]

147

00:07:36,409 --> 00:07:34,010

throughout the history of modern UFO

148

00:07:39,409 --> 00:07:36,419

research there have been many reports of

149

00:07:42,230 --> 00:07:39,419

crashed flying saucers and dead alien

150

00:07:44,930 --> 00:07:42,240

bodies being shipped off to destinations

151
00:07:47,450 --> 00:07:44,940
unknown and while many of these reports

152
00:07:49,969 --> 00:07:47,460
come from dubious and less than credible

153
00:07:53,210 --> 00:07:49,979
witnesses there are those rare occasions

154
00:07:55,790 --> 00:07:53,220
when the story rests on the shoulders of

155
00:07:59,150 --> 00:07:55,800
extremely prominent and highly credible

156
00:08:02,510 --> 00:07:59,160
individuals such was the case for Clark

157
00:08:04,670 --> 00:08:02,520
B McClelland former spacecraft operator

158
00:08:06,890 --> 00:08:04,680
of the NASA space shuttle Fleet

159
00:08:09,589 --> 00:08:06,900
McClelland came forward to tell a

160
00:08:12,589 --> 00:08:09,599
fantastic story he heard from the late

161
00:08:14,990 --> 00:08:12,599
Lieutenant Colonel Ellison onizuka

162
00:08:18,050 --> 00:08:15,000
former Discovery astronaut who

163
00:08:21,050 --> 00:08:18,060

tragically died in the 1986 Challenger

164

00:08:23,749 --> 00:08:21,060

Space Shuttle explosion during a routine

165

00:08:25,189 --> 00:08:23,759

prep Mission the two had connected and

166

00:08:27,770 --> 00:08:25,199

exchanged several conversations

167

00:08:29,629 --> 00:08:27,780

throughout their working relationship

168

00:08:31,969 --> 00:08:29,639

many astronauts had been aware that

169

00:08:34,790 --> 00:08:31,979

McClelland had an interest in UFOs

170

00:08:37,730 --> 00:08:34,800

having spoken on many occasions with

171

00:08:39,050 --> 00:08:37,740

major Donald Kehoe and Dick Hall two

172

00:08:41,209 --> 00:08:39,060

former members of the national

173

00:08:43,430 --> 00:08:41,219

investigations committee on aerial

174

00:08:46,070 --> 00:08:43,440

phenomena during one of mccllellan's

175

00:08:48,590 --> 00:08:46,080

correspondence with onizuka he was quite

176

00:08:50,870 --> 00:08:48,600

surprised when onizuka asked him about

177

00:08:52,850 --> 00:08:50,880

his opinions on the possibility of an

178

00:08:55,610 --> 00:08:52,860

extraterrestrial intelligence having

179

00:08:58,430 --> 00:08:55,620

visited the planet McClellan once stated

180

00:09:01,190 --> 00:08:58,440

that he told onizuka that he believed

181

00:09:03,290 --> 00:09:01,200

that life does exist Among the Stars and

182

00:09:06,050 --> 00:09:03,300

that it has visited Earth throughout

183

00:09:08,870 --> 00:09:06,060

human history at this point onizuka

184

00:09:11,030 --> 00:09:08,880

smile and then pressed on he asked

185

00:09:13,190 --> 00:09:11,040

McClelland if his name had any type of

186

00:09:15,650 --> 00:09:13,200

connection to McClelland Air Force Base

187

00:09:17,630 --> 00:09:15,660

in California when he admitted that he

188

00:09:20,690 --> 00:09:17,640

wasn't aware of any connection he asked

189

00:09:23,269 --> 00:09:20,700

on Azuka why he was so curious McLellan

190

00:09:25,490 --> 00:09:23,279

recalled the following about onizuka's

191

00:09:27,730 --> 00:09:25,500

response quote he had a surprising

192

00:09:30,769 --> 00:09:27,740

experience along with other USAF

193

00:09:33,230 --> 00:09:30,779

Aerospace flight engineers and Pilots

194

00:09:35,810 --> 00:09:33,240

while on military training Duty and

195

00:09:37,730 --> 00:09:35,820

McClellan Air Force Base about eight or

196

00:09:39,889 --> 00:09:37,740

nine years prior to his Astronaut

197

00:09:41,690 --> 00:09:39,899

training he and his group were at the

198

00:09:43,850 --> 00:09:41,700

base for specialized training when they

199

00:09:46,250 --> 00:09:43,860

were directed to report to a viewing

200

00:09:49,250 --> 00:09:46,260

room as they were seated the room

201
00:09:52,190 --> 00:09:49,260
darkened and a movie began without the

202
00:09:55,610 --> 00:09:52,200
usual official introduction by a USAF

203
00:09:57,829 --> 00:09:55,620
officer end quote at this point onizuka

204
00:09:59,630 --> 00:09:57,839
remembered being startled when the film

205
00:10:02,449 --> 00:09:59,640
began to show what appeared to be some

206
00:10:04,730 --> 00:10:02,459
sort of medical examination room with

207
00:10:07,610 --> 00:10:04,740
small bodies laying on some sort of

208
00:10:10,190 --> 00:10:07,620
table the bodies according to onizuka

209
00:10:12,710 --> 00:10:10,200
were quote small strange looking

210
00:10:14,630 --> 00:10:12,720
creatures they were humanoid and

211
00:10:16,610 --> 00:10:14,640
appeared similar to those described by

212
00:10:20,570 --> 00:10:16,620
alleged Witnesses at the well-known

213
00:10:24,769 --> 00:10:20,580

Roswell site in 1947. they all had large

214

00:10:27,710 --> 00:10:24,779

heads large eyes slight torsos arms and

215

00:10:31,009 --> 00:10:27,720

legs they did not appear to be of Earth

216

00:10:33,889 --> 00:10:31,019

flea origin but why were onizuka and

217

00:10:35,870 --> 00:10:33,899

others shown this film to what purpose

218

00:10:38,290 --> 00:10:35,880

was it to Usher them in sit them down

219

00:10:40,610 --> 00:10:38,300

and not explain what they were saying

220

00:10:43,070 --> 00:10:40,620

onizuka explained his theories on this

221

00:10:45,769 --> 00:10:43,080

to McClelland stating that quote we were

222

00:10:47,810 --> 00:10:45,779

all caught off guard perhaps it was a

223

00:10:50,930 --> 00:10:47,820

test of our psyche to determine our

224

00:10:54,050 --> 00:10:50,940

overall reaction well we were all caught

225

00:10:55,490 --> 00:10:54,060

by surprise end quote this certainly

226

00:10:58,009 --> 00:10:55,500

would have been enough reason to

227

00:11:00,290 --> 00:10:58,019

question what it was they were seeing so

228

00:11:02,810 --> 00:11:00,300

had they been given the opportunity to

229

00:11:04,970 --> 00:11:02,820

inquire onizuka went on to explain that

230

00:11:07,130 --> 00:11:04,980

they were not even given a moment to

231

00:11:09,110 --> 00:11:07,140

question their superiors he would go on

232

00:11:11,329 --> 00:11:09,120

to say that quote we were then asked to

233

00:11:13,850 --> 00:11:11,339

exit the room and continued our

234

00:11:17,630 --> 00:11:13,860

scheduled technical activities as if

235

00:11:20,389 --> 00:11:17,640

nothing special had occurred end quote

236

00:11:23,690 --> 00:11:20,399

so they said clearly been a cryptic and

237

00:11:26,630 --> 00:11:23,700

bizarre experience prompted by onazuka

238

00:11:27,769 --> 00:11:26,640

superiors and various agencies so while

239

00:11:30,650 --> 00:11:27,779

it may have been a test on the

240

00:11:32,930 --> 00:11:30,660

collective and individual psyche of the

241

00:11:36,170 --> 00:11:32,940

viewers at the time what was the overall

242

00:11:38,389 --> 00:11:36,180

intent in the opinion of onazuka he

243

00:11:41,090 --> 00:11:38,399

postulated the following to McClelland

244

00:11:43,930 --> 00:11:41,100

quote perhaps it was a planned USAF

245

00:11:47,090 --> 00:11:43,940

psychological test for military reasons

246

00:11:50,509 --> 00:11:47,100

NASA may have been evaluating it in my

247

00:11:52,730 --> 00:11:50,519

selection as an astronaut in 1978 you

248

00:11:56,090 --> 00:11:52,740

know what would my reaction be if I

249

00:11:58,250 --> 00:11:56,100

actually saw an alien being end quote it

250

00:12:00,230 --> 00:11:58,260

was at this point that McClellan claims

251

00:12:02,750 --> 00:12:00,240

that the two went their separate ways

252

00:12:05,269 --> 00:12:02,760

but not before agreeing to meet again to

253

00:12:07,730 --> 00:12:05,279

discuss the extraordinary story in more

254

00:12:09,769 --> 00:12:07,740

detail McClelland wished onizuka the

255

00:12:12,230 --> 00:12:09,779

best of luck in his upcoming Challenger

256

00:12:14,750 --> 00:12:12,240

space flight Mission unbeknownst to both

257

00:12:16,790 --> 00:12:14,760

men that day it would be the last time

258

00:12:21,110 --> 00:12:16,800

they ever spoke

259

00:12:23,210 --> 00:12:21,120

on January 8 1986 onizuka and the other

260

00:12:26,210 --> 00:12:23,220

members of the Challenger crew lost

261

00:12:27,710 --> 00:12:26,220

their lives in the tragic accident that

262

00:12:30,230 --> 00:12:27,720

shook the nation

263

00:12:32,630 --> 00:12:30,240

McClelland was at Kennedy Space Center

264

00:12:35,990 --> 00:12:32,640

that day when the Challenger exploded

265

00:12:38,269 --> 00:12:36,000

and fell into the Atlantic Ocean with it

266

00:12:40,850 --> 00:12:38,279

the incredible accomplishments of the

267

00:12:43,970 --> 00:12:40,860

crew lived on in the memories of many

268

00:12:45,889 --> 00:12:43,980

and for onazuka in particular he was

269

00:12:47,990 --> 00:12:45,899

remembered by most for being the first

270

00:12:51,530 --> 00:12:48,000

Asian American the first Japanese

271

00:12:54,170 --> 00:12:51,540

American and the First Hawaiian in space

272

00:12:57,230 --> 00:12:54,180

as an astronaut on the Space Shuttle

273

00:13:01,190 --> 00:12:57,240

Discovery but for McClelland his memory

274

00:13:03,949 --> 00:13:01,200

of onizuka included The Amazing Story of

275

00:13:06,829 --> 00:13:03,959

possible alien beings and the strange

276

00:13:09,650 --> 00:13:06,839

film he'd witnessed ushering in yet

277

00:13:12,280 --> 00:13:09,660

another controversial Tale in the annals

278

00:13:20,629 --> 00:13:12,290

of UFO lore

279

00:13:22,610 --> 00:13:20,639

[Music]

280

00:13:24,889 --> 00:13:22,620

hi guys Ryan here and welcome to another

281

00:13:26,629 --> 00:13:24,899

episode of somewhere in the skies case

282

00:13:28,550 --> 00:13:26,639

files and today we're going to be

283

00:13:30,949 --> 00:13:28,560

talking about a case where an Army

284

00:13:33,949 --> 00:13:30,959

Reserve helicopter flying over Mansfield

285

00:13:47,650 --> 00:13:33,959

Ohio almost had a mid-air collision with

286

00:13:47,660 --> 00:13:51,470

[Music]

287

00:13:51,480 --> 00:13:58,690

foreign

288

00:14:06,230 --> 00:14:02,090

Army Reserve uh-1 helicopter cut through

289

00:14:08,750 --> 00:14:06,240

the night sky on October 18 1973 the

290

00:14:11,210 --> 00:14:08,760

four-man crew Captain Lawrence Coyne

291

00:14:14,210 --> 00:14:11,220

Lieutenant Arrigo Jesse Sergeant John

292

00:14:16,730 --> 00:14:14,220

Healy and Robert yanasek had traveled

293

00:14:18,650 --> 00:14:16,740

from Cleveland to Columbus earlier that

294

00:14:20,389 --> 00:14:18,660

evening for a regular standard medical

295

00:14:22,550 --> 00:14:20,399

examination

296

00:14:25,310 --> 00:14:22,560

following that they would board their

297

00:14:27,650 --> 00:14:25,320

vehicle at 10 30 pm and leave for their

298

00:14:29,690 --> 00:14:27,660

return Journey back to Cleveland

299

00:14:33,410 --> 00:14:29,700

it was while they were over Mansfield

300

00:14:36,350 --> 00:14:33,420

that the Knight took a strange turn

301
00:14:38,449 --> 00:14:36,360
they were flying at 2500 feet the

302
00:14:41,030 --> 00:14:38,459
mixture of woods Hills and farmland

303
00:14:43,310 --> 00:14:41,040
below them it was Healy who first

304
00:14:44,030 --> 00:14:43,320
spotted the strange red light to their

305
00:14:46,129 --> 00:14:44,040
left

306
00:14:47,990 --> 00:14:46,139
it was at some distance but it looked

307
00:14:50,090 --> 00:14:48,000
too bright to be a standard aircraft

308
00:14:53,150 --> 00:14:50,100
light he would keep the sighting to

309
00:14:55,550 --> 00:14:53,160
himself but keep his eye on it several

310
00:14:58,310 --> 00:14:55,560
moments later janicek noticed the red

311
00:15:01,490 --> 00:14:58,320
light also when it began to close in on

312
00:15:03,650 --> 00:15:01,500
their craft he informed Captain coin

313
00:15:06,350 --> 00:15:03,660

believing themselves to be on a

314

00:15:08,930 --> 00:15:06,360

collision course with this object coin

315

00:15:11,030 --> 00:15:08,940

thrust the helicopter down descending

316

00:15:13,069 --> 00:15:11,040

around 500 feet

317

00:15:15,290 --> 00:15:13,079

as he did so he would request

318

00:15:18,050 --> 00:15:15,300

information from the control tower in

319

00:15:20,090 --> 00:15:18,060

Mansfield a few seconds after initial

320

00:15:22,850 --> 00:15:20,100

radio contact with the tower their

321

00:15:25,610 --> 00:15:22,860

Communications began to be interrupted

322

00:15:27,230 --> 00:15:25,620

the red object was still heading in

323

00:15:29,569 --> 00:15:27,240

their Direction I looked out the window

324

00:15:32,150 --> 00:15:29,579

and observed this light moving at a very

325

00:15:34,189 --> 00:15:32,160

excessive speed in excess of 600 knots

326

00:15:36,710 --> 00:15:34,199

coming at the helicopter it looked like

327

00:15:39,769 --> 00:15:36,720

a lockdown missile the men prepared for

328

00:15:43,009 --> 00:15:39,779

impact just as the object was about to

329

00:15:45,769 --> 00:15:43,019

crash into the helicopter it came to a

330

00:15:47,629 --> 00:15:45,779

complete stop directly in front and

331

00:15:49,250 --> 00:15:47,639

slightly above them the thing that makes

332

00:15:50,990 --> 00:15:49,260

this particular evening a unique

333

00:15:53,449 --> 00:15:51,000

experience was that it was almost

334

00:15:56,629 --> 00:15:53,459

emitter collision with an object that we

335

00:15:58,129 --> 00:15:56,639

or you know as a UFO we did not know as

336

00:15:59,870 --> 00:15:58,139

such and told it was on top the

337

00:16:02,629 --> 00:15:59,880

helicopter and that took just a matter

338

00:16:05,329 --> 00:16:02,639

of minutes the metallic cigar-shaped

339

00:16:07,730 --> 00:16:05,339

object hung in the air filling the

340

00:16:09,530 --> 00:16:07,740

entire windshield the crew would

341

00:16:11,629 --> 00:16:09,540

estimate the object to be around 60 feet

342

00:16:14,870 --> 00:16:11,639

in length and around 20 feet

343

00:16:17,410 --> 00:16:14,880

all four men look down in awe of this

344

00:16:20,329 --> 00:16:17,420

huge otherworldly craft

345

00:16:22,970 --> 00:16:20,339

suddenly a green light swung from

346

00:16:26,210 --> 00:16:22,980

underneath and hit the windshield of the

347

00:16:28,610 --> 00:16:26,220

helicopter according to coin the whole

348

00:16:30,650 --> 00:16:28,620

cabin turned green as the light

349

00:16:33,590 --> 00:16:30,660

illuminated everything in a bright green

350

00:16:36,050 --> 00:16:33,600

wash after a few seconds the light went

351
00:16:38,329 --> 00:16:36,060
out and the object moved up and to the

352
00:16:40,370 --> 00:16:38,339
West at great speed

353
00:16:42,110 --> 00:16:40,380
coin who had the helicopter's height

354
00:16:45,290 --> 00:16:42,120
locked throughout the incident at about

355
00:16:48,949 --> 00:16:45,300
1700 feet realized they were Suddenly at

356
00:16:51,949 --> 00:16:48,959
a height of 3 500 feet they had climbed

357
00:16:54,370 --> 00:16:51,959
almost 2 000 feet in a matter of seconds

358
00:16:57,530 --> 00:16:54,380
and never even knew it

359
00:17:00,650 --> 00:16:57,540
suddenly a bump nudged the helicopter

360
00:17:04,250 --> 00:17:00,660
and instinctively coin climbed slightly

361
00:17:06,890 --> 00:17:04,260
the vehicle now back in his control the

362
00:17:08,569 --> 00:17:06,900
crew still shaken continued on to

363
00:17:11,030 --> 00:17:08,579

Cleveland where they would make an

364

00:17:13,730 --> 00:17:11,040

official report of the incident

365

00:17:16,490 --> 00:17:13,740

however unlike many encounters involving

366

00:17:19,309 --> 00:17:16,500

aircraft Pilots military or commercial

367

00:17:21,470 --> 00:17:19,319

coin would give his report to the media

368

00:17:24,590 --> 00:17:21,480

upon Landing the object that I viewed

369

00:17:27,409 --> 00:17:24,600

that particular evening uh

370

00:17:29,330 --> 00:17:27,419

had a high degree of Technology was

371

00:17:32,630 --> 00:17:29,340

composed of a structure and a design

372

00:17:34,430 --> 00:17:32,640

that we do not have the object can move

373

00:17:37,190 --> 00:17:34,440

through the atmosphere without causing

374

00:17:40,430 --> 00:17:37,200

any turbulence it can move at high

375

00:17:42,470 --> 00:17:40,440

speeds below 10 000 feet so our new

376

00:17:44,450 --> 00:17:42,480

vertical or horizontal stabilizers and

377

00:17:48,169 --> 00:17:44,460

the landing gear no source of propulsion

378

00:17:50,750 --> 00:17:48,179

reflected on the craft looks like it it

379

00:17:53,330 --> 00:17:50,760

could go to fly in space a local

380

00:17:55,909 --> 00:17:53,340

Cleveland reporter ran the story the

381

00:17:58,250 --> 00:17:55,919

following day shortly after coin

382

00:18:00,110 --> 00:17:58,260

appeared on the Dick Cavett Show and

383

00:18:03,049 --> 00:18:00,120

told of the encounter to a national

384

00:18:05,810 --> 00:18:03,059

audience it's because of his actions

385

00:18:09,289 --> 00:18:05,820

that the account is largely seen as

386

00:18:11,690 --> 00:18:09,299

credible it also gave the military no

387

00:18:12,529 --> 00:18:11,700

chance to cover up or ridicule the

388

00:18:15,110 --> 00:18:12,539

incident

389

00:18:17,690 --> 00:18:15,120
and even if they had tried several

390

00:18:19,570 --> 00:18:17,700
people below also witnessed the bizarre

391

00:18:21,770 --> 00:18:19,580
events unfold

392

00:18:23,810 --> 00:18:21,780
there were several witnesses on the

393

00:18:26,630 --> 00:18:23,820
ground who would corroborate the Pilot's

394

00:18:28,789 --> 00:18:26,640
accounts one of them was Jim Carver and

395

00:18:31,669 --> 00:18:28,799
his family who were driving to the rural

396

00:18:33,710 --> 00:18:31,679
home just outside of Mansfield along

397

00:18:36,470 --> 00:18:33,720
with Jim were his three siblings and his

398

00:18:39,049 --> 00:18:36,480
mother Emma it was shortly after 11 pm

399

00:18:41,210 --> 00:18:39,059
when they noticed a strange red light in

400

00:18:42,529 --> 00:18:41,220
the sky above them it appeared to be

401
00:18:45,710 --> 00:18:42,539
getting closer

402
00:18:47,810 --> 00:18:45,720
Emma turned the car onto Route 430 as

403
00:18:50,210 --> 00:18:47,820
she did so both she and her four

404
00:18:52,909 --> 00:18:50,220
children could now see two lights above

405
00:18:55,010 --> 00:18:52,919
one was Fred the other green

406
00:18:56,390 --> 00:18:55,020
as each of them watched the lights in

407
00:18:58,610 --> 00:18:56,400
fascination

408
00:19:01,310 --> 00:18:58,620
they noticed the sound of an approaching

409
00:19:03,110 --> 00:19:01,320
helicopter Emma pulled the car to the

410
00:19:05,029 --> 00:19:03,120
side of the road and she and her

411
00:19:05,990 --> 00:19:05,039
children stepped out to watch the events

412
00:19:08,270 --> 00:19:06,000
above

413
00:19:10,750 --> 00:19:08,280

they could see the huge cigar-shaped

414

00:19:13,130 --> 00:19:10,760

object hovering over the helicopter

415

00:19:15,470 --> 00:19:13,140

suddenly they witnessed the bright green

416

00:19:18,049 --> 00:19:15,480

light shoot from the underside and

417

00:19:20,690 --> 00:19:18,059

bathed not only the entire cockpit and

418

00:19:21,650 --> 00:19:20,700

fluorescent green but everything in

419

00:19:24,289 --> 00:19:21,660

sight

420

00:19:26,990 --> 00:19:24,299

as the crew reported after a few seconds

421

00:19:29,330 --> 00:19:27,000

the light went out and the object moved

422

00:19:32,930 --> 00:19:29,340

away casting a brief flash of bright

423

00:19:35,270 --> 00:19:32,940

white light as it did incidentally there

424

00:19:39,890 --> 00:19:35,280

was a spike in UFO sightings throughout

425

00:19:43,549 --> 00:19:39,900

the US in October of 1973. in 1988

426
00:19:47,270 --> 00:19:43,559
almost 15 years later a new witness came

427
00:19:49,610 --> 00:19:47,280
forward with more information Gian Elias

428
00:19:52,370 --> 00:19:49,620
from the southeast Mansfield area

429
00:19:55,070 --> 00:19:52,380
recalled laying in bed watching the 11

430
00:19:57,650 --> 00:19:55,080
pm news when the sound of an extremely

431
00:20:00,169 --> 00:19:57,660
low-flying helicopter made her stop

432
00:20:02,510 --> 00:20:00,179
watching the TV she was used to

433
00:20:04,250 --> 00:20:02,520
low-flying aircraft as their house was

434
00:20:07,549 --> 00:20:04,260
only six miles from the Mansfield

435
00:20:10,250 --> 00:20:07,559
Airport runway however this aircraft

436
00:20:12,230 --> 00:20:10,260
sounded lower than normal and she feared

437
00:20:15,230 --> 00:20:12,240
an imminent crash

438
00:20:17,750 --> 00:20:15,240

as she panicked she hit her head under

439

00:20:20,510 --> 00:20:17,760

the pillow on her bed she could hear her

440

00:20:23,330 --> 00:20:20,520

teenage son John calling to her from his

441

00:20:25,549 --> 00:20:23,340

room next door the loud rumbling sound

442

00:20:28,610 --> 00:20:25,559

had awoken him and a bright green light

443

00:20:30,710 --> 00:20:28,620

filled his entire room from outside

444

00:20:34,370 --> 00:20:30,720

following an appeal in the Mansfield

445

00:20:36,830 --> 00:20:34,380

News Journal in 2015 for witnesses to

446

00:20:39,590 --> 00:20:36,840

the Mansfield incident many people did

447

00:20:41,990 --> 00:20:39,600

come forward with new information one

448

00:20:44,450 --> 00:20:42,000

was Brian Stevens who at the time of the

449

00:20:46,850 --> 00:20:44,460

incident was 13 years old he would

450

00:20:49,010 --> 00:20:46,860

recall seeing a red orange ball that he

451
00:20:52,730 --> 00:20:49,020
couldn't take his eyes off of as he

452
00:20:56,750 --> 00:20:52,740
walked along Ohio 39 another new witness

453
00:20:58,549 --> 00:20:56,760
Glenn Stout worked at Mansfield Tire he

454
00:21:00,650 --> 00:20:58,559
and several co-workers were on a break

455
00:21:03,409 --> 00:21:00,660
at the back dock when a crazy looking

456
00:21:06,830 --> 00:21:03,419
light sped towards a helicopter nearly

457
00:21:09,169 --> 00:21:06,840
crashing one particularly bizarre detail

458
00:21:10,850 --> 00:21:09,179
offered by Stout was his home electric

459
00:21:13,909 --> 00:21:10,860
bill for the month following the

460
00:21:16,130 --> 00:21:13,919
incident was only four dollars he

461
00:21:18,650 --> 00:21:16,140
wondered if this surprisingly low Bill

462
00:21:19,850 --> 00:21:18,660
had a connection to the UFO overhead

463
00:21:23,029 --> 00:21:19,860

that evening

464

00:21:25,789 --> 00:21:23,039

bring on all the UFO encounters here in

465

00:21:27,169 --> 00:21:25,799

New York City please my electric Bill's

466

00:21:29,630 --> 00:21:27,179

insane

467

00:21:32,450 --> 00:21:29,640

Judith ham was yet another person who

468

00:21:34,610 --> 00:21:32,460

witnessed the bizarre events in 1973.

469

00:21:36,409 --> 00:21:34,620

she claimed to have almost screamed out

470

00:21:38,990 --> 00:21:36,419

loud as she witnessed what she thought

471

00:21:41,029 --> 00:21:39,000

was two planes about to crash

472

00:21:43,250 --> 00:21:41,039

ham believed it was a military plane

473

00:21:44,270 --> 00:21:43,260

until reading stories of the encounter

474

00:21:47,149 --> 00:21:44,280

afterward

475

00:21:49,370 --> 00:21:47,159

but let's return to where this all began

476
00:21:51,049 --> 00:21:49,380
with Captain Cohen and the rest of the

477
00:21:53,270 --> 00:21:51,059
helicopter crew

478
00:21:55,510 --> 00:21:53,280
just what was it that was seen that

479
00:21:58,730 --> 00:21:55,520
evening in the Skies over Mansfield Ohio

480
00:22:00,590 --> 00:21:58,740
may never be known while it isn't beyond

481
00:22:02,930 --> 00:22:00,600
the realm of possibility that the

482
00:22:06,230 --> 00:22:02,940
military has more information about the

483
00:22:08,930 --> 00:22:06,240
case the fact that coin bypass potential

484
00:22:11,690 --> 00:22:08,940
sensor heavy channels by speaking

485
00:22:14,570 --> 00:22:11,700
directly with the media suggests the

486
00:22:16,390 --> 00:22:14,580
incident is mostly intact

487
00:22:18,370 --> 00:22:16,400
whether or not there was some

488
00:22:20,810 --> 00:22:18,380

clandestine military involvement

489

00:22:24,169 --> 00:22:20,820

somewhere in the timeline of the episode

490

00:22:27,230 --> 00:22:24,179

is open to debate and just like many

491

00:22:29,450 --> 00:22:27,240

other UFO cases it also remains

492

00:22:31,310 --> 00:22:29,460

unexplained

493

00:22:32,990 --> 00:22:31,320

I would like to stress one important

494

00:22:35,810 --> 00:22:33,000

fact

495

00:22:38,149 --> 00:22:35,820

and that is there is approximately 20

496

00:22:40,789 --> 00:22:38,159

years of Army Aviation experience

497

00:22:43,010 --> 00:22:40,799

between the four men on board the

498

00:22:44,510 --> 00:22:43,020

helicopter that night

499

00:22:47,450 --> 00:22:44,520

we have been trained to follow

500

00:22:48,770 --> 00:22:47,460

procedures and regulations in reporting

501
00:22:51,710 --> 00:22:48,780
incidences

502
00:22:54,890 --> 00:22:51,720
regardless of how they're accepted

503
00:22:57,350 --> 00:22:54,900
and we try to follow those procedures

504
00:22:58,610 --> 00:22:57,360
and we reported the incident as it

505
00:23:00,890 --> 00:22:58,620
occurred

506
00:23:03,470 --> 00:23:00,900
and have avoided any speculation on the

507
00:23:05,450 --> 00:23:03,480
subject hi guys Ryan Sprague here and

508
00:23:08,090 --> 00:23:05,460
welcome to another episode of somewhere

509
00:23:09,950 --> 00:23:08,100
in the skies case files and today we're

510
00:23:14,029 --> 00:23:09,960
going to be asking the question did the

511
00:23:15,529 --> 00:23:14,039
U.S military capture shoot and kill in

512
00:23:16,950 --> 00:23:15,539
extraterrestrial

513
00:23:18,000 --> 00:23:16,960

enjoy

514

00:23:26,490 --> 00:23:18,010

[Music]

515

00:23:34,130 --> 00:23:26,500

thank you

516

00:23:34,140 --> 00:23:38,090

foreign

517

00:23:43,909 --> 00:23:41,289

it was on the morning of January 18

518

00:23:46,789 --> 00:23:43,919

1978 when New Jersey State Police

519

00:23:49,370 --> 00:23:46,799

requested entry under McGuire Air Force

520

00:23:52,669 --> 00:23:49,380

Base along with the adjacent Fort Dix

521

00:23:53,870 --> 00:23:52,679

base UFOs had been reported earlier in

522

00:23:55,310 --> 00:23:53,880

the evening

523

00:23:58,909 --> 00:23:55,320

the police said they were looking for

524

00:24:01,549 --> 00:23:58,919

was Far Stranger Than Just lights in the

525

00:24:03,409 --> 00:24:01,559

sky when asked just exactly why the

526
00:24:06,710 --> 00:24:03,419
state troopers needed access to the base

527
00:24:09,529 --> 00:24:06,720
they explained that an MP at Fort Dix

528
00:24:12,230 --> 00:24:09,539
had seen a low-flying object that had

529
00:24:14,990 --> 00:24:12,240
passed over his car as he looked back to

530
00:24:17,810 --> 00:24:15,000
the road below he hit the brakes in a

531
00:24:20,990 --> 00:24:17,820
panic standing in front of his vehicle

532
00:24:24,049 --> 00:24:21,000
in the headlights was a small being with

533
00:24:27,890 --> 00:24:24,059
a large head black eyes and a very

534
00:24:30,470 --> 00:24:27,900
slender body the MP panicked getting out

535
00:24:33,350 --> 00:24:30,480
of the car and pulling his 45 automatic

536
00:24:35,870 --> 00:24:33,360
he demanded that the being lay on the

537
00:24:37,730 --> 00:24:35,880
ground and when it didn't comply he

538
00:24:40,070 --> 00:24:37,740

began to shoot

539

00:24:42,110 --> 00:24:40,080

wounded the being fled the scene

540

00:24:44,810 --> 00:24:42,120

supposedly hopping the fence between the

541

00:24:47,510 --> 00:24:44,820

bases it then ran down a deserted

542

00:24:50,630 --> 00:24:47,520

Airfield Runway at McGuire and

543

00:24:52,970 --> 00:24:50,640

eventually fell to the ground dying the

544

00:24:55,970 --> 00:24:52,980

guard on duty at this point one Sergeant

545

00:24:58,370 --> 00:24:55,980

Jeff Morse allowed the police onto the

546

00:25:01,190 --> 00:24:58,380

runway to search for the being there

547

00:25:04,250 --> 00:25:01,200

they found the body crouched in a fetal

548

00:25:05,390 --> 00:25:04,260

position not breathing it was indeed

549

00:25:08,090 --> 00:25:05,400

dead

550

00:25:10,310 --> 00:25:08,100

shocked but keeping with protocol they

551
00:25:13,430 --> 00:25:10,320
began to rope off the area

552
00:25:16,669 --> 00:25:13,440
suddenly a group of Military Officers in

553
00:25:20,029 --> 00:25:16,679
blue Berets arrived distancing Morse

554
00:25:22,730 --> 00:25:20,039
from the area more swatched on from afar

555
00:25:25,549 --> 00:25:22,740
as this new group clad in blue Berets

556
00:25:28,669 --> 00:25:25,559
whom he'd never seen before seemed to

557
00:25:31,370 --> 00:25:28,679
take charge of the situation UFO

558
00:25:33,850 --> 00:25:31,380
researcher Leonard Stringfield once

559
00:25:36,289 --> 00:25:33,860
interviewed Morse about the being itself

560
00:25:39,649 --> 00:25:36,299
Stringfield stated the following about

561
00:25:41,990 --> 00:25:39,659
how Morse described it quote never close

562
00:25:44,930 --> 00:25:42,000
enough to observe details such as facial

563
00:25:47,029 --> 00:25:44,940

features or its hands and feet he did

564

00:25:49,669 --> 00:25:47,039

recall that under the glare of truck

565

00:25:52,909 --> 00:25:49,679

headlights the skin of the unclad

566

00:25:55,310 --> 00:25:52,919

hairless body was wet shiny and

567

00:25:58,010 --> 00:25:55,320

snake-like the entity was about four

568

00:26:02,090 --> 00:25:58,020

feet in height with a large head slender

569

00:26:04,750 --> 00:26:02,100

torso thin arms and legs and overall a

570

00:26:07,310 --> 00:26:04,760

grayish Brown coloration end quote

571

00:26:09,830 --> 00:26:07,320

Stringfield also inquired about the

572

00:26:12,529 --> 00:26:09,840

retrieval operation itself as these blue

573

00:26:15,710 --> 00:26:12,539

beret officers worked their secretive

574

00:26:18,169 --> 00:26:15,720

magic stringfeld stated that quote while

575

00:26:20,870 --> 00:26:18,179

on patrol Morse watched the blue Beret

576

00:26:23,149 --> 00:26:20,880

Specialists spray the corpse from a

577

00:26:25,250 --> 00:26:23,159

portable tank and cover it with a white

578

00:26:27,830 --> 00:26:25,260

sheet before the body was carefully

579

00:26:29,570 --> 00:26:27,840

placed onto a platform in a wooden frame

580

00:26:32,090 --> 00:26:29,580

built around it

581

00:26:35,149 --> 00:26:32,100

this was finally placed into a large

582

00:26:38,330 --> 00:26:35,159

square silver metal container about 10

583

00:26:42,350 --> 00:26:38,340

by 10 feet with indistinguishable blue

584

00:26:45,350 --> 00:26:42,360

markings end quote after this a c-141

585

00:26:47,930 --> 00:26:45,360

cargo aircraft landed on the site the

586

00:26:49,909 --> 00:26:47,940

beam was loaded on board and it has been

587

00:26:51,909 --> 00:26:49,919

suspected that it took off towards

588

00:26:55,430 --> 00:26:51,919

Wright-Patterson Air Force Base

589

00:26:58,090 --> 00:26:55,440

supposedly the same base in 1947 Roswell

590

00:27:00,470 --> 00:26:58,100

crash bodies were shipped off to as well

591

00:27:02,330 --> 00:27:00,480

Morse and the police officer were

592

00:27:04,370 --> 00:27:02,340

separated and both were told that if

593

00:27:06,590 --> 00:27:04,380

they ever spoke of what they'd seen that

594

00:27:08,769 --> 00:27:06,600

day they would immediately be stripped

595

00:27:11,990 --> 00:27:08,779

of their duties in their respective jobs

596

00:27:13,970 --> 00:27:12,000

it was two days later when Morse and a

597

00:27:16,210 --> 00:27:13,980

few other Witnesses were shipped off to

598

00:27:19,669 --> 00:27:16,220

Wright-Patterson and received intense

599

00:27:22,549 --> 00:27:19,679

interrogations and statements by morse

600

00:27:25,549 --> 00:27:22,559

many years later he said quote they told

601
00:27:28,190 --> 00:27:25,559
me about my duty to keep my mouth shut I

602
00:27:31,430 --> 00:27:28,200
signed a form and it's supposed to bind

603
00:27:34,010 --> 00:27:31,440
me for life Morse was brought back to

604
00:27:36,529 --> 00:27:34,020
McGuire Air Force Base debriefed by his

605
00:27:39,409 --> 00:27:36,539
superiors and the incident was never

606
00:27:41,750 --> 00:27:39,419
spoken of again it didn't take long for

607
00:27:43,730 --> 00:27:41,760
Morse to start asking around about just

608
00:27:46,190 --> 00:27:43,740
exactly what he'd seen that night by

609
00:27:48,169 --> 00:27:46,200
other Witnesses when word of this got

610
00:27:50,470 --> 00:27:48,179
out to his superiors many of the

611
00:27:53,649 --> 00:27:50,480
Witnesses were shipped overseas

612
00:27:57,950 --> 00:27:53,659
including Morse who soon found himself

613
00:28:00,049 --> 00:27:57,960

stationed at Okinawa on desk duty to

614

00:28:02,570 --> 00:28:00,059

this day he admits that he's been

615

00:28:04,909 --> 00:28:02,580

constantly threatened not to speak of

616

00:28:07,450 --> 00:28:04,919

the event and that the military has gone

617

00:28:10,430 --> 00:28:07,460

to Great Lengths to keep him quiet

618

00:28:13,070 --> 00:28:10,440

including personality and professional

619

00:28:16,490 --> 00:28:13,080

attacks making it difficult for Morse to

620

00:28:19,250 --> 00:28:16,500

find employment in law enforcement if

621

00:28:22,130 --> 00:28:19,260

this wasn't extraordinary or incredible

622

00:28:24,769 --> 00:28:22,140

enough another key witness did come

623

00:28:27,710 --> 00:28:24,779

forward to corroborate this event major

624

00:28:30,169 --> 00:28:27,720

George feiler now retired was stationed

625

00:28:32,630 --> 00:28:30,179

at McGuire at the same time as an

626
00:28:34,669 --> 00:28:32,640
intelligence officer while not being

627
00:28:37,010 --> 00:28:34,679
present at the actual incident he heard

628
00:28:40,310 --> 00:28:37,020
firsthand about it the following morning

629
00:28:42,230 --> 00:28:40,320
in an interview with ABC News filer

630
00:28:44,690 --> 00:28:42,240
stated that quote our security police

631
00:28:47,990 --> 00:28:44,700
went out there and found him the alien

632
00:28:50,990 --> 00:28:48,000
at the end of the runway dead

633
00:28:53,409 --> 00:28:51,000
they asked me to brief the general staff

634
00:28:56,090 --> 00:28:53,419
while this briefing was later canceled

635
00:28:59,090 --> 00:28:56,100
filer remained convinced that this event

636
00:29:01,190 --> 00:28:59,100
was truly bizarre and the joint bases

637
00:29:03,409 --> 00:29:01,200
were doing everything in their power to

638
00:29:05,930 --> 00:29:03,419

contain it and keep everyone silent

639

00:29:08,269 --> 00:29:05,940

while he couldn't prove that this alien

640

00:29:10,789 --> 00:29:08,279

being was of extraterrestrial origin

641

00:29:13,669 --> 00:29:10,799

word around the base continued to spread

642

00:29:16,549 --> 00:29:13,679

and all were convinced that this was a

643

00:29:19,510 --> 00:29:16,559

genuine UFO landing in the subsequent

644

00:29:22,730 --> 00:29:19,520

death of its extraterrestrial occupant

645

00:29:25,190 --> 00:29:22,740

so did a panic to trigger happy MP

646

00:29:25,970 --> 00:29:25,200

actually shoot and kill an alien that

647

00:29:28,730 --> 00:29:25,980

night

648

00:29:30,590 --> 00:29:28,740

the truth may never be known the lid on

649

00:29:32,570 --> 00:29:30,600

this and so many other apparent

650

00:29:35,450 --> 00:29:32,580

incidents of this silk have been so

651
00:29:38,029 --> 00:29:35,460
tightly wound shut that those involved

652
00:29:39,889 --> 00:29:38,039
fear the worst for their jobs or perhaps

653
00:29:42,950 --> 00:29:39,899
even their lives

654
00:29:45,169 --> 00:29:42,960
and I have to admit this one is pretty

655
00:29:47,510 --> 00:29:45,179
hard to swallow while we may have

656
00:29:50,450 --> 00:29:47,520
statements we have absolutely no

657
00:29:54,110 --> 00:29:50,460
evidence or documents to back any of

658
00:29:57,230 --> 00:29:54,120
this up that's ufology at its best and

659
00:30:00,289 --> 00:29:57,240
worst but if this case of an alien

660
00:30:03,769 --> 00:30:00,299
termination is true then we have more to

661
00:30:05,990 --> 00:30:03,779
fear than just military threats we have

662
00:30:08,990 --> 00:30:06,000
an alien race expecting one of their own

663
00:30:11,450 --> 00:30:09,000

to eventually come home they just

664

00:30:12,080 --> 00:30:11,460

probably weren't expecting it to be in a

665

00:30:19,250 --> 00:30:12,090

body bag

666

00:30:21,470 --> 00:30:19,260

[Music]

667

00:30:24,169 --> 00:30:21,480

what's up guys Ryan Sprague here for

668

00:30:25,549 --> 00:30:24,179

another episode of case files and today

669

00:30:29,870 --> 00:30:25,559

we're going to be asking the question

670

00:30:31,909 --> 00:30:29,880

did a UFO Collide or attack a deputy

671

00:30:35,990 --> 00:30:31,919

sheriff's police car

672

00:30:36,470 --> 00:30:36,000

this is the Vel Johnson UFO incident

673

[Music]

674

00:30:55,120 --> 00:30:38,370

[Music]

676
00:31:04,010 --> 00:31:00,960
one of the most baffling UFO cases ever

677
00:31:06,909 --> 00:31:04,020
reported took place in Minnesota in the

678
00:31:11,330 --> 00:31:06,919
early morning of August 27

679
00:31:13,250 --> 00:31:11,340
1979. deputy sheriff Vel Johnson of the

680
00:31:15,409 --> 00:31:13,260
Marshall County Sheriff's Department was

681
00:31:17,570 --> 00:31:15,419
on patrol that morning when he noticed

682
00:31:20,269 --> 00:31:17,580
an extremely bright light coming through

683
00:31:21,950 --> 00:31:20,279
the side window of his patrol car he

684
00:31:24,169 --> 00:31:21,960
reported that the light was much

685
00:31:26,510 --> 00:31:24,179
stronger than any lighter motor vehicle

686
00:31:28,610 --> 00:31:26,520
on the road could produce

687
00:31:30,950 --> 00:31:28,620
his first thought was that it could

688
00:31:34,130 --> 00:31:30,960

potentially be an airplane smuggling in

689

00:31:37,149 --> 00:31:34,140

drugs from Canada he surmised the plane

690

00:31:39,889 --> 00:31:37,159

may have crashed or was about to crash

691

00:31:41,930 --> 00:31:39,899

he turned on the road to moving close

692

00:31:43,310 --> 00:31:41,940

and head towards the light to

693

00:31:45,529 --> 00:31:43,320

investigate

694

00:31:48,230 --> 00:31:45,539

the last thing he remembered was that

695

00:31:51,230 --> 00:31:48,240

The Light Came barreling towards him and

696

00:31:52,669 --> 00:31:51,240

reached the patrol car so fast that it

697

00:31:56,330 --> 00:31:52,679

seemed like it happened in a mere

698

00:31:57,720 --> 00:31:56,340

instant he heard glass breaking and then

699

00:31:59,269 --> 00:31:57,730

he went unconscious

700

00:32:01,789 --> 00:31:59,279

[Music]

701
00:32:04,010 --> 00:32:01,799
analysis of the accident it was

702
00:32:07,070 --> 00:32:04,020
estimated that Deputy Johnson was

703
00:32:09,350 --> 00:32:07,080
unconscious for about 39 minutes

704
00:32:11,570 --> 00:32:09,360
when he awoke he radioed headquarters

705
00:32:13,310 --> 00:32:11,580
for help in a weak voice

706
00:32:16,850 --> 00:32:13,320
stating that something had hit his

707
00:32:20,210 --> 00:32:16,860
patrol car but he did not know what

708
00:32:22,070 --> 00:32:20,220
a second Deputy arrived on the scene he

709
00:32:24,529 --> 00:32:22,080
immediately called the ambulance and

710
00:32:27,769 --> 00:32:24,539
Deputy Johnson was taken to the nearby

711
00:32:31,430 --> 00:32:27,779
Warren Hospital Deputy Johnson's eyes

712
00:32:33,769 --> 00:32:31,440
were reported to be red and puffy the

713
00:32:35,810 --> 00:32:33,779

medical doctor who examined the deputy

714

00:32:38,029 --> 00:32:35,820

said the injuries to his eyes looked

715

00:32:41,149 --> 00:32:38,039

like they had been inflicted by a

716

00:32:44,090 --> 00:32:41,159

welder's torch he also said Deputy

717

00:32:45,830 --> 00:32:44,100

Johnson was in a State of Shock

718

00:32:48,230 --> 00:32:45,840

the Marshall County Sheriff's Department

719

00:32:51,230 --> 00:32:48,240

investigated the Val Johnson UFO

720

00:32:53,090 --> 00:32:51,240

incident extensively but experts were

721

00:32:57,470 --> 00:32:53,100

also brought in because the physical

722

00:32:59,930 --> 00:32:57,480

evidence Left Behind was so baffling the

723

00:33:02,269 --> 00:32:59,940

windshield of the patrol car was badly

724

00:33:04,669 --> 00:33:02,279

cracked from top to bottom

725

00:33:09,230 --> 00:33:04,679

however the patterns in which it was

726

00:33:11,029 --> 00:33:09,240

broken defied normal analysis it did not

727

00:33:15,350 --> 00:33:11,039

seem to be the result of an outside

728

00:33:17,810 --> 00:33:15,360

force or inside force it almost seemed

729

00:33:20,630 --> 00:33:17,820

as if there were both inside and outside

730

00:33:22,610 --> 00:33:20,640

forces working simultaneously to create

731

00:33:25,070 --> 00:33:22,620

a fractured pattern that the

732

00:33:27,830 --> 00:33:25,080

investigators had never seen before or

733

00:33:30,110 --> 00:33:27,840

could explain with ordinary techniques

734

00:33:32,810 --> 00:33:30,120

They concluded that there seemed to be

735

00:33:35,029 --> 00:33:32,820

four separate areas of impact but could

736

00:33:37,730 --> 00:33:35,039

not even Hazard a guess as to what

737

00:33:39,409 --> 00:33:37,740

caused the pattern they saw on the left

738

00:33:41,570 --> 00:33:39,419

side of the front hood of the patrol car

739

00:33:44,389 --> 00:33:41,580

there was a strange one and a half inch

740

00:33:46,430 --> 00:33:44,399

circular Dent the headlights were broken

741

00:33:48,769 --> 00:33:46,440

on the side of both the inside and the

742

00:33:50,570 --> 00:33:48,779

outside of the patrol car

743

00:33:53,230 --> 00:33:50,580

however the headlights on the other side

744

00:33:57,049 --> 00:33:53,240

of the patrol car were left untouched

745

00:34:00,230 --> 00:33:57,059

the main antenna was inexplicably bent

746

00:34:02,690 --> 00:34:00,240

at a 60 degree angle starting at six

747

00:34:05,769 --> 00:34:02,700

inches from the base of the antenna the

748

00:34:08,270 --> 00:34:05,779

antenna in the truck was also damaged

749

00:34:10,190 --> 00:34:08,280

one of the strangest things the

750

00:34:13,790 --> 00:34:10,200

investigators found was that the patrol

751
00:34:17,030 --> 00:34:13,800
car clock was behind 14 minutes

752
00:34:19,930 --> 00:34:17,040
and Deputy Johnson's wristwatch was also

753
00:34:22,970 --> 00:34:19,940
behind the exact same amount of time

754
00:34:25,310 --> 00:34:22,980
before the incident both the patrol car

755
00:34:27,889 --> 00:34:25,320
clock and Deputy Johnson's wristwatch

756
00:34:31,430 --> 00:34:27,899
had been synchronized with the clock at

757
00:34:33,829 --> 00:34:31,440
headquarters no logical explanation has

758
00:34:36,109 --> 00:34:33,839
ever been given for why the patrol car

759
00:34:39,589 --> 00:34:36,119
clock and the wristwatch were both

760
00:34:41,570 --> 00:34:39,599
affected in the exact same way while

761
00:34:44,210 --> 00:34:41,580
there were many experts involved in

762
00:34:46,669 --> 00:34:44,220
analyzing the damaged patrol car and

763
00:34:50,510 --> 00:34:46,679

other physical evidence one is

764

00:34:52,909 --> 00:34:50,520

particularly noteworthy this was J Allen

765

00:34:56,629 --> 00:34:52,919

heineck the consultant for the U.S Air

766

00:34:58,790 --> 00:34:56,639

Force's UFO Project Blue Book as Dr

767

00:35:01,609 --> 00:34:58,800

heineck and his team investigated the

768

00:35:04,730 --> 00:35:01,619

Vel Johnson UFO incident he concluded

769

00:35:06,829 --> 00:35:04,740

that it was not a hoax further nothing

770

00:35:08,270 --> 00:35:06,839

in Deputy Johnson's statement seemed

771

00:35:10,550 --> 00:35:08,280

untruthful

772

00:35:12,950 --> 00:35:10,560

Dr heineck proposed that the cracked

773

00:35:15,530 --> 00:35:12,960

windshield had been damaged by rocks

774

00:35:19,510 --> 00:35:15,540

being carried in a wake of a very large

775

00:35:22,430 --> 00:35:19,520

object moving at extraordinary speeds

776
00:35:25,490 --> 00:35:22,440
further he proposed that the antenna had

777
00:35:27,890 --> 00:35:25,500
been bent for the sheer velocity of the

778
00:35:29,750 --> 00:35:27,900
air that rushed past the patrol car that

779
00:35:32,150 --> 00:35:29,760
night

780
00:35:34,310 --> 00:35:32,160
control car is now on permanent display

781
00:35:36,230 --> 00:35:34,320
at the Marshall County Historical

782
00:35:38,630 --> 00:35:36,240
Society Museum

783
00:35:41,349 --> 00:35:38,640
it is always one of the top attractions

784
00:35:45,050 --> 00:35:41,359
during the annual Minnesota county fair

785
00:35:47,569 --> 00:35:45,060
when the incident occurred in 1979 there

786
00:35:49,609 --> 00:35:47,579
were only about 60 thousand miles on the

787
00:35:51,770 --> 00:35:49,619
patrol car so the Marshall County

788
00:35:54,950 --> 00:35:51,780

Sheriff officials wanted the car

789

00:35:58,190 --> 00:35:54,960

repaired and put back into Commission

790

00:36:00,770 --> 00:35:58,200

however Sheriff Dennis Breck convinced

791

00:36:03,290 --> 00:36:00,780

them to decommission the car and put it

792

00:36:05,810 --> 00:36:03,300

on public display

793

00:36:08,750 --> 00:36:05,820

the patrol car has achieved legendary

794

00:36:12,230 --> 00:36:08,760

status among those who believe in

795

00:36:15,470 --> 00:36:12,240

paranormal phenomena and UFOs

796

00:36:17,750 --> 00:36:15,480

in fact the Vel Johnson incident is so

797

00:36:21,650 --> 00:36:17,760

famous there have been two documentary

798

00:36:24,650 --> 00:36:21,660

style television programs devoted to it

799

00:36:27,470 --> 00:36:24,660

Val Johnson received much attention for

800

00:36:29,329 --> 00:36:27,480

the incident so much in fact that he

801

00:36:31,370 --> 00:36:29,339

told the press that the incident had

802

00:36:35,150 --> 00:36:31,380

caused a great deal of emotional

803

00:36:37,910 --> 00:36:35,160

strength on himself and his family while

804

00:36:40,270 --> 00:36:37,920

he did appear on several interviews with

805

00:36:43,310 --> 00:36:40,280

local news and even Good Morning America

806

00:36:44,950 --> 00:36:43,320

he began to withdraw from other press

807

00:36:48,170 --> 00:36:44,960

appearances

808

00:36:51,109 --> 00:36:48,180

no matter what this UFO encounter will

809

00:36:54,609 --> 00:36:51,119

live in the history books as one of the

810

00:36:57,050 --> 00:36:54,619

most fascinating UFO cases of all time

811

00:36:59,210 --> 00:36:57,060

still to this day the incident service

812

00:37:02,510 --> 00:36:59,220

is one of the very best cases where

813

00:37:06,050 --> 00:37:02,520

physical evidence was left behind by a

814

00:37:08,270 --> 00:37:06,060

UFO every year since the incident one

815

00:37:10,970 --> 00:37:08,280

Minnesota has received a great many

816

00:37:14,450 --> 00:37:10,980

visitors wishing to see for themselves

817

00:37:17,710 --> 00:37:14,460

the patrol car with its peculiar damage

818

00:37:20,390 --> 00:37:17,720

in the area where the incident occurred

819

00:37:22,849 --> 00:37:20,400

the light was coming at me was extremely

820

00:37:26,390 --> 00:37:22,859

bright the inside of the car it up I can

821

00:37:28,849 --> 00:37:26,400

remember that and it was a very dazzling

822

00:37:32,030 --> 00:37:28,859

brilliant occurrence something did

823

00:37:34,790 --> 00:37:32,040

strike my vehicle something

824

00:37:37,190 --> 00:37:34,800

didn't want me there apparently or it

825

00:37:38,450 --> 00:37:37,200

was you know I I can't put a judgment on

826

00:37:44,470 --> 00:37:38,460

841

00:38:51,050 --> 00:38:49,430

July 1st 1965 fell in Seoul France it

842

00:38:53,870 --> 00:38:51,060

was approximately six in the morning

843

00:38:55,790 --> 00:38:53,880

when Maurice Moss was getting ready for

844

00:38:58,790 --> 00:38:55,800

work on his farm

845

00:39:01,069 --> 00:38:58,800

suddenly he heard a strange noise coming

846

00:39:03,589 --> 00:39:01,079

from his lavender field

847

00:39:06,170 --> 00:39:03,599

Moss assumed it was one of the military

848

00:39:08,750 --> 00:39:06,180

helicopters that would occasionally land

849

00:39:10,609 --> 00:39:08,760

on his property worried that the

850

00:39:12,829 --> 00:39:10,619

helicopter might be crushing his

851
00:39:15,410 --> 00:39:12,839
lavender he made his way over to the

852
00:39:18,109 --> 00:39:15,420
field and intended to tell the pilot to

853
00:39:20,870 --> 00:39:18,119
park someplace else

854
00:39:23,210 --> 00:39:20,880
but rather than a helicopter Moss

855
00:39:27,170 --> 00:39:23,220
stumbled upon an egg-shaped vehicle

856
00:39:30,890 --> 00:39:27,180
about the size of an automobile

857
00:39:33,829 --> 00:39:30,900
it stood on six thin legs sitting about

858
00:39:37,190 --> 00:39:33,839
200 feet away from him he noticed two

859
00:39:40,609 --> 00:39:37,200
small boys about four feet tall standing

860
00:39:43,910 --> 00:39:40,619
near the craft apparently observing the

861
00:39:46,730 --> 00:39:43,920
lavender as Moss began to walk closer to

862
00:39:48,290 --> 00:39:46,740
confront these boys he realized they

863
00:39:50,990 --> 00:39:48,300

weren't boys at all

864

00:39:54,410 --> 00:39:51,000

they weren't even human

865

00:39:56,870 --> 00:39:54,420

dressed in green one-piece suits these

866

00:40:00,829 --> 00:39:56,880

creatures had abnormally large and bald

867

00:40:03,589 --> 00:40:00,839

heads no lips pointed chins pale skin

868

00:40:05,810 --> 00:40:03,599

and small hands

869

00:40:09,290 --> 00:40:05,820

one of the creatures suddenly turned

870

00:40:12,890 --> 00:40:09,300

around and pointed a small tube at Moss

871

00:40:13,730 --> 00:40:12,900

blasting him with a light that paralyzed

872

00:40:16,250 --> 00:40:13,740

him

873

00:40:18,410 --> 00:40:16,260

these creatures stared at Moss for about

874

00:40:21,710 --> 00:40:18,420

a minute communicating with one another

875

00:40:24,410 --> 00:40:21,720

by low guttural grunts

876

00:40:27,010 --> 00:40:24,420

a door then slayed open across the craft

877

00:40:29,810 --> 00:40:27,020

and the two mysterious creatures

878

00:40:32,450 --> 00:40:29,820

disappeared into it after the door

879

00:40:36,170 --> 00:40:32,460

closed the craft took off into the sky

880

00:40:38,630 --> 00:40:36,180

and out of Moss's sight

881

00:40:41,870 --> 00:40:38,640

so was paralyzed for about 15 minutes

882

00:40:43,849 --> 00:40:41,880

before he could even begin to move after

883

00:40:46,609 --> 00:40:43,859

checking to inspect the marks the

884

00:40:49,130 --> 00:40:46,619

Craft's legs had made on his lavender he

885

00:40:50,690 --> 00:40:49,140

rushed to town and told a cafe owner

886

00:40:53,270 --> 00:40:50,700

what had happened

887

00:40:56,329 --> 00:40:53,280

it wasn't long before the story hit the

888

00:41:00,250 --> 00:40:56,339

media and authorities and Moss's Farm

889

00:41:03,230 --> 00:41:00,260

soon became infested with tourists

890

00:41:06,349 --> 00:41:03,240

UFO investigators took samples of the

891

00:41:09,290 --> 00:41:06,359

lavender and soil allegedly touched by

892

00:41:11,950 --> 00:41:09,300

the craft and Moss freely talked to them

893

00:41:14,150 --> 00:41:11,960

about his experience

894

00:41:16,730 --> 00:41:14,160

investigators found that the ground or

895

00:41:19,990 --> 00:41:16,740

the craft had landed was soaked with

896

00:41:22,730 --> 00:41:20,000

moisture although no rain had fallen he

897

00:41:25,370 --> 00:41:22,740

geometrically spaced indentations cover

898

00:41:27,050 --> 00:41:25,380

the area and the plants were affected by

899

00:41:29,990 --> 00:41:27,060

the proximity of the phenomenon

900

00:41:31,730 --> 00:41:30,000

appearing to decay in direct proportion

901
00:41:34,430 --> 00:41:31,740
to their distance from the central

902
00:41:37,370 --> 00:41:34,440
column of The Craft

903
00:41:39,589 --> 00:41:37,380
the calcium content of the soil at the

904
00:41:41,870 --> 00:41:39,599
Landing site was found to be much higher

905
00:41:44,089 --> 00:41:41,880
than in samples taken from other areas

906
00:41:46,609 --> 00:41:44,099
in the field

907
00:41:49,849 --> 00:41:46,619
the case caught the attention of noted

908
00:41:51,890 --> 00:41:49,859
UFO researcher and astronomer Dr Jacques

909
00:41:55,430 --> 00:41:51,900
Valley and all of a sudden he was

910
00:41:57,050 --> 00:41:55,440
paralyzed he saw two small creatures

911
00:41:59,810 --> 00:41:57,060
they were not quite the ones that you

912
00:42:02,150 --> 00:41:59,820
have here they were looked they looked

913
00:42:03,950 --> 00:42:02,160

they were very small but they had normal

914

00:42:07,910 --> 00:42:03,960

heads and they were they had normal

915

00:42:10,069 --> 00:42:07,920

human features but he was paralyzed and

916

00:42:11,990 --> 00:42:10,079

they started speaking to each other in

917

00:42:13,970 --> 00:42:12,000

some strange language went back into the

918

00:42:14,990 --> 00:42:13,980

object the object took off the

919

00:42:17,210 --> 00:42:15,000

interesting thing is that there were

920

00:42:18,530 --> 00:42:17,220

traces left those traces were studied by

921

00:42:20,510 --> 00:42:18,540

various agencies of the French

922

00:42:22,790 --> 00:42:20,520

government there was no question he was

923

00:42:26,210 --> 00:42:22,800

not lying the the traces could not be

924

00:42:28,670 --> 00:42:26,220

uplicated the and he was paralyzed for

925

00:42:30,829 --> 00:42:28,680

20 minutes after the object left which

926
00:42:32,810 --> 00:42:30,839
is this very interesting from a point of

927
00:42:34,730 --> 00:42:32,820
view of the the effect of the kind of

928
00:42:37,190 --> 00:42:34,740
radiation that that object may have been

929
00:42:39,770 --> 00:42:37,200
creating and this is a very common

930
00:42:42,170 --> 00:42:39,780
report on the power of witnesses of the

931
00:42:44,210 --> 00:42:42,180
this feeling of paralysis

932
00:42:47,150 --> 00:42:44,220
valet returned to the scene of the

933
00:42:49,190 --> 00:42:47,160
incident in 1979 and meeting with

934
00:42:52,130 --> 00:42:49,200
Maurice moss and two of his close

935
00:42:55,430 --> 00:42:52,140
friends made a number of interesting

936
00:42:57,589 --> 00:42:55,440
observations valet noted that Moss was

937
00:43:00,230 --> 00:42:57,599
reluctant to give all the details of his

938
00:43:03,650 --> 00:43:00,240

experience to investigators as well as

939

00:43:05,630 --> 00:43:03,660

to his own family at the time including

940

00:43:07,970 --> 00:43:05,640

the fact that he believed that some type

941

00:43:11,569 --> 00:43:07,980

of Silent Communication took place

942

00:43:13,910 --> 00:43:11,579

between himself and these creatures from

943

00:43:16,130 --> 00:43:13,920

the beginning he wanted to minimize the

944

00:43:19,370 --> 00:43:16,140

impact of the experience not wanting

945

00:43:22,010 --> 00:43:19,380

publicity amongst other reasons like

946

00:43:24,589 --> 00:43:22,020

many experiencers of this phenomenon he

947

00:43:27,470 --> 00:43:24,599

had changed in many ways as a result of

948

00:43:30,370 --> 00:43:27,480

the experience including the belief that

949

00:43:33,470 --> 00:43:30,380

some form of contact once established

950

00:43:36,170 --> 00:43:33,480

continued in subtle forms

951
00:43:38,809 --> 00:43:36,180
valet concluded that quote throughout

952
00:43:41,030 --> 00:43:38,819
this discussion with Mr Moss I had the

953
00:43:43,730 --> 00:43:41,040
feeling that I was in the presence of a

954
00:43:47,210 --> 00:43:43,740
very intelligent man capable of Deep

955
00:43:50,150 --> 00:43:47,220
Emotions and rational thought he is also

956
00:43:52,430 --> 00:43:50,160
quite humble he has declined to appear

957
00:43:54,829 --> 00:43:52,440
on a television documentary with a

958
00:43:56,930 --> 00:43:54,839
nationally known journalist I had

959
00:44:00,290 --> 00:43:56,940
brought with me a photograph of similar

960
00:44:02,870 --> 00:44:00,300
traces left after another case Mr Moss

961
00:44:05,930 --> 00:44:02,880
looked at me with a mixture of amazement

962
00:44:08,809 --> 00:44:05,940
and relief that someone else was aware

963
00:44:10,730 --> 00:44:08,819

of these particular marks he told us

964

00:44:13,970 --> 00:44:10,740

that he sometimes found them in his

965

00:44:15,170 --> 00:44:13,980

field that's how he knows that they have

966

00:44:19,550 --> 00:44:15,180

come back

967

00:44:22,970 --> 00:44:19,560

he always erases the traces immediately

968

00:44:25,010 --> 00:44:22,980

reflecting back on this experience Moss

969

00:44:27,050 --> 00:44:25,020

said that he wasn't afraid at all during

970

00:44:31,130 --> 00:44:27,060

the encounter and believed that the

971

00:44:33,770 --> 00:44:31,140

creatures had no desire to hurt him Moss

972

00:44:35,990 --> 00:44:33,780

did however refuse to elaborate on the

973

00:44:37,910 --> 00:44:36,000

psychological and physical effects he

974

00:44:41,089 --> 00:44:37,920

felt afterward

975

00:44:43,550 --> 00:44:41,099

he did admit to feeling extremely sleepy

976
00:44:46,730 --> 00:44:43,560
during the first few weeks sometimes

977
00:44:49,190 --> 00:44:46,740
sleeping up to 12 hours a day in

978
00:44:51,589 --> 00:44:49,200
particular there was one big detail of

979
00:44:54,589 --> 00:44:51,599
the encounter that he refused to discuss

980
00:44:57,530 --> 00:44:54,599
with anybody he was quoted as saying

981
00:45:00,770 --> 00:44:57,540
nobody will make me tell it

982
00:45:02,450 --> 00:45:00,780
his wife later said in an interview that

983
00:45:05,030 --> 00:45:02,460
he constantly thought about the

984
00:45:07,010 --> 00:45:05,040
creatures and quote considered his

985
00:45:11,750 --> 00:45:07,020
encounter with them a spiritual

986
00:45:14,630 --> 00:45:11,760
experience whatever else he saw or heard

987
00:45:19,370 --> 00:45:14,640
or experienced Moss would take to the

988
00:45:22,130 --> 00:45:19,380

Grave with him dying on May 14 2004.

989

00:45:24,230 --> 00:45:22,140

and with that we will never truly know

990

00:45:26,750 --> 00:45:24,240

the one detail of the encounter he

991

00:45:29,329 --> 00:45:26,760

refused to share with the public

992

00:45:31,730 --> 00:45:29,339

in this enduring mystery of the

993

00:45:34,770 --> 00:45:31,740

encounter in the lavender field May

994

00:45:55,920 --> 00:45:34,780

forever remain unexplained

995

00:45:55,930 --> 00:46:05,630

[Music]

996

00:46:12,470 --> 00:46:10,010

on the evening of September 4th 1964 28

997

00:46:15,050 --> 00:46:12,480

year old Donald Shrum along with two

998

00:46:17,630 --> 00:46:15,060

friends Vincent Alvarez and Tim

999

00:46:20,030 --> 00:46:17,640

Trueblood were hunting in the Tahoe

1000

00:46:22,910 --> 00:46:20,040

National Forest near Cisco Grove

1001

00:46:25,849 --> 00:46:22,920

California all had considerable

1002

00:46:28,970 --> 00:46:25,859

experience bow hunting in all were

1003

00:46:30,589 --> 00:46:28,980

overall General outdoorsmen on this

1004

00:46:32,930 --> 00:46:30,599

particular night after having

1005

00:46:34,849 --> 00:46:32,940

established a camp they found themselves

1006

00:46:37,130 --> 00:46:34,859

hunting for deer

1007

00:46:39,230 --> 00:46:37,140

perhaps due to their comfort in the

1008

00:46:41,750 --> 00:46:39,240

outdoor environment with a night fast

1009

00:46:43,670 --> 00:46:41,760

approaching no less all agreed that they

1010

00:46:46,430 --> 00:46:43,680

would push deep into the woods in

1011

00:46:48,710 --> 00:46:46,440

pursuit of their targets and if they had

1012

00:46:50,569 --> 00:46:48,720

to spend the night in the woods and

1013

00:46:53,569 --> 00:46:50,579

Rendezvous back in the camp in the

1014

00:46:55,490 --> 00:46:53,579

morning before long all three of them

1015

00:46:58,130 --> 00:46:55,500

found themselves separated from one

1016

00:46:59,569 --> 00:46:58,140

another looking for their potential

1017

00:47:01,790 --> 00:46:59,579

targets

1018

00:47:04,190 --> 00:47:01,800

with daylight losing the battle against

1019

00:47:06,530 --> 00:47:04,200

the night Shrum would make the decision

1020

00:47:07,190 --> 00:47:06,540

to find somewhere to bed down for the

1021

00:47:10,490 --> 00:47:07,200

night

1022

00:47:12,890 --> 00:47:10,500

or more accurately bed up

1023

00:47:14,630 --> 00:47:12,900

Shrum had with him a military-style belt

1024

00:47:17,510 --> 00:47:14,640

which allowed for him to secure himself

1025

00:47:19,910 --> 00:47:17,520

in a tree given the number of wild

1026

00:47:22,730 --> 00:47:19,920

animals who might wish to turn the

1027

00:47:25,010 --> 00:47:22,740

tables on the hunter Shrum believed this

1028

00:47:27,589 --> 00:47:25,020

was a preferable option to camping on

1029

00:47:30,829 --> 00:47:27,599

the ground alone and ultimately

1030

00:47:33,349 --> 00:47:30,839

defenseless shortly after securing

1031

00:47:35,690 --> 00:47:33,359

himself for the night a strange light

1032

00:47:38,809 --> 00:47:35,700

appeared in the distance

1033

00:47:41,329 --> 00:47:38,819

of more concern to Shrum was a

1034

00:47:44,530 --> 00:47:41,339

zigzagging pattern around the trees at

1035

00:47:47,150 --> 00:47:44,540

low altitude which headed towards him

1036

00:47:49,010 --> 00:47:47,160

thinking his two friends had arranged a

1037

00:47:51,650 --> 00:47:49,020

search for him in the form of a

1038

00:47:53,690 --> 00:47:51,660

helicopter he jumped from the tree and

1039

00:47:56,569 --> 00:47:53,700

quickly released three of his flares to

1040

00:47:58,550 --> 00:47:56,579

give away his destination as he was

1041

00:48:01,190 --> 00:47:58,560

waving his arms and yelling for

1042

00:48:03,650 --> 00:48:01,200

attention he began to realize what was

1043

00:48:05,930 --> 00:48:03,660

heading his way wasn't a rescue

1044

00:48:08,450 --> 00:48:05,940

helicopter after all

1045

00:48:11,210 --> 00:48:08,460

the glowing object finally stopped

1046

00:48:13,790 --> 00:48:11,220

around 50 yards from his position

1047

00:48:16,790 --> 00:48:13,800

it was spherical but unlike anything

1048

00:48:19,190 --> 00:48:16,800

he'd ever seen before he quickly made

1049

00:48:20,690 --> 00:48:19,200

his way back up the tree making sure his

1050

00:48:23,270 --> 00:48:20,700

bow was ready

1051
00:48:26,750 --> 00:48:23,280
fear was now rising at a seemingly

1052
00:48:29,510 --> 00:48:26,760
Unstoppable rate within him that fear

1053
00:48:32,630 --> 00:48:29,520
would rise even more when three small

1054
00:48:34,849 --> 00:48:32,640
humanoid creatures emerged from the

1055
00:48:36,890 --> 00:48:34,859
craft and began making their way

1056
00:48:39,829 --> 00:48:36,900
straight towards him

1057
00:48:41,690 --> 00:48:39,839
as they came closer he could see that

1058
00:48:46,309 --> 00:48:41,700
while two of them were most definitely

1059
00:48:48,470 --> 00:48:46,319
humanoid the third was more robot-like

1060
00:48:51,109 --> 00:48:48,480
the two humanoids began to shake the

1061
00:48:54,530 --> 00:48:51,119
tree obviously in an effort to force him

1062
00:48:58,250 --> 00:48:54,540
from it he would cling on with all his

1063
00:49:00,829 --> 00:48:58,260

strength however when a white Vapor shot

1064

00:49:02,870 --> 00:49:00,839

out from the robotic creature's mouth he

1065

00:49:06,910 --> 00:49:02,880

later realized he was knocked

1066

00:49:09,829 --> 00:49:06,920

unconscious only momentarily however

1067

00:49:12,710 --> 00:49:09,839

aside from an intense feeling of nausea

1068

00:49:15,230 --> 00:49:12,720

he was unharmed he began lighting the

1069

00:49:17,150 --> 00:49:15,240

matches he used for his flares dropping

1070

00:49:20,210 --> 00:49:17,160

them towards the menacing Trio in an

1071

00:49:22,430 --> 00:49:20,220

effort to force them away although they

1072

00:49:25,370 --> 00:49:22,440

would back away for a short while they

1073

00:49:28,130 --> 00:49:25,380

soon continued their assault

1074

00:49:31,550 --> 00:49:28,140

by this time Shrum had managed to load

1075

00:49:35,030 --> 00:49:31,560

an arrow into his bow and let it fly

1076

00:49:38,450 --> 00:49:35,040

it soared into the robot's Direction

1077

00:49:41,030 --> 00:49:38,460

Slater a shower of Sparks flew into the

1078

00:49:43,670 --> 00:49:41,040

air suggesting a direct hit

1079

00:49:45,890 --> 00:49:43,680

as quickly as he could he fired two more

1080

00:49:48,589 --> 00:49:45,900

arrows in the general vicinity of the

1081

00:49:51,829 --> 00:49:48,599

creature's location causing all of them

1082

00:49:54,829 --> 00:49:51,839

to back away however before he could

1083

00:49:58,550 --> 00:49:54,839

take advantage of the situation a second

1084

00:50:01,490 --> 00:49:58,560

robot appeared and once again a white

1085

00:50:04,069 --> 00:50:01,500

Vapor hit shrung and caused him to lose

1086

00:50:07,309 --> 00:50:04,079

Consciousness again

1087

00:50:08,809 --> 00:50:07,319

when he awoke this final time he was

1088

00:50:10,970 --> 00:50:08,819

alone

1089

00:50:14,270 --> 00:50:10,980

there was no sign of the ship having

1090

00:50:16,910 --> 00:50:14,280

returned but all the creatures including

1091

00:50:19,490 --> 00:50:16,920

the robots were gone

1092

00:50:22,730 --> 00:50:19,500

he dropped himself from the tree dazed

1093

00:50:24,890 --> 00:50:22,740

tired but largely unhurt

1094

00:50:27,589 --> 00:50:24,900

he would set out for the pre-arranged

1095

00:50:29,569 --> 00:50:27,599

meeting place of the campsite from the

1096

00:50:32,030 --> 00:50:29,579

previous afternoon

1097

00:50:34,750 --> 00:50:32,040

once there he would discover both of his

1098

00:50:37,190 --> 00:50:34,760

friends waiting for him as planned

1099

00:50:39,349 --> 00:50:37,200

incidentally all three of the men would

1100

00:50:43,250 --> 00:50:39,359

return to the destination later that day

1101

00:50:45,589 --> 00:50:43,260

after hearing shrum's incredible story

1102

00:50:48,170 --> 00:50:45,599

they did find several of the arrows he

1103

00:50:50,030 --> 00:50:48,180

had fired as well as several pieces of

1104

00:50:52,309 --> 00:50:50,040

charred clothing

1105

00:50:54,950 --> 00:50:52,319

his two friends would believe his claims

1106

00:50:56,990 --> 00:50:54,960

though in part due to Alvarez's own

1107

00:50:58,910 --> 00:50:57,000

sighting of the glowing craft leaving

1108

00:51:01,609 --> 00:50:58,920

the scene

1109

00:51:03,710 --> 00:51:01,619

however when shrum's mother-in-law upon

1110

00:51:05,569 --> 00:51:03,720

hearing of the encounter told an

1111

00:51:09,230 --> 00:51:05,579

astronomer friend from the local College

1112

00:51:11,510 --> 00:51:09,240

things begin to take a gritty turn

1113

00:51:15,049 --> 00:51:11,520

the astronomer would immediately contact

1114

00:51:17,210 --> 00:51:15,059

the nearby McClelland Air Force Base he

1115

00:51:19,670 --> 00:51:17,220

would inform them of the account and the

1116

00:51:22,430 --> 00:51:19,680

location of the witness

1117

00:51:24,829 --> 00:51:22,440

even more bizarre instead of visiting

1118

00:51:27,230 --> 00:51:24,839

him at his home to listen to his version

1119

00:51:30,109 --> 00:51:27,240

of events even though he had not yet

1120

00:51:33,170 --> 00:51:30,119

made any sort of report they would

1121

00:51:36,109 --> 00:51:33,180

arrange to meet in an empty house at an

1122

00:51:39,470 --> 00:51:36,119

off-base Housing Development

1123

00:51:41,329 --> 00:51:39,480

Trump would agree to the meeting the two

1124

00:51:43,970 --> 00:51:41,339

officers present would listen to his

1125

00:51:45,410 --> 00:51:43,980

account and then confiscate several of

1126

00:51:47,990 --> 00:51:45,420

the arrows

1127

00:51:52,069 --> 00:51:48,000

later claims suggested that these had

1128

00:51:54,650 --> 00:51:52,079

shavings of the robot on them then the

1129

00:51:58,309 --> 00:51:54,660

officers insisted that what he had just

1130

00:52:00,589 --> 00:51:58,319

described to them hadn't happened or not

1131

00:52:02,930 --> 00:52:00,599

in the way he remembered

1132

00:52:05,990 --> 00:52:02,940

furthermore they would present several

1133

00:52:09,650 --> 00:52:06,000

alternative scenarios as if giving him

1134

00:52:11,690 --> 00:52:09,660

the opportunity to pick one for himself

1135

00:52:14,510 --> 00:52:11,700

he would eventually agree that he wasn't

1136

00:52:16,670 --> 00:52:14,520

certain of what he'd seen

1137

00:52:20,230 --> 00:52:16,680

if for no other reason than to keep his

1138

00:52:23,390 --> 00:52:20,240

employers from facing similar questions

1139

00:52:25,730 --> 00:52:23,400

Shrum has stuck to the same story and

1140

00:52:28,970 --> 00:52:25,740

version of events for over half a

1141

00:52:31,130 --> 00:52:28,980

century I'm going to leave you with an

1142

00:52:35,990 --> 00:52:31,140

audio clip of an interview conducted by

1143

00:52:38,630 --> 00:52:36,000

UFO researcher and author Reuben riarte

1144

00:52:40,670 --> 00:52:38,640

for a complete and comprehensive look at

1145

00:52:44,450 --> 00:52:40,680

this case be sure to purchase the book

1146

00:52:47,809 --> 00:52:44,460

aliens in the forest The Cisco Grove UFO

1147

00:52:48,970 --> 00:52:47,819

incident co-written by uriarte and no

1148

00:52:52,430 --> 00:52:48,980

Torres

1149

00:52:55,490 --> 00:52:52,440

in this exclusive interview you'll hear

1150

00:52:58,309 --> 00:52:55,500

Shrum recount that harrowing day in his

1151

00:53:00,410 --> 00:52:58,319

own words and I heard some thrashing

1152

00:53:03,109 --> 00:53:00,420

through the brush and probably five ten

1153

00:53:05,630 --> 00:53:03,119

minutes these two humanoids come out of

1154

00:53:08,750 --> 00:53:05,640

the brush and they kind of broke some of

1155

00:53:10,790 --> 00:53:08,760

the brush off and and was looking at it

1156

00:53:13,309 --> 00:53:10,800

then they came straight underneath the

1157

00:53:16,030 --> 00:53:13,319

tree and looked up at me and I I knew

1158

00:53:19,010 --> 00:53:16,040

right then I was fingered

1159

00:53:20,770 --> 00:53:19,020

they found you yeah they found me can

1160

00:53:22,730 --> 00:53:20,780

you describe them for us

1161

00:53:25,730 --> 00:53:22,740

yeah they were

1162

00:53:28,250 --> 00:53:25,740

look like uh four or five feet of course

1163

00:53:30,829 --> 00:53:28,260

I'm looking down at them so they they'd

1164

00:53:33,710 --> 00:53:30,839

be shorter than they probably are and

1165

00:53:36,230 --> 00:53:33,720

they had a silvery like a one-piece a

1166

00:53:40,190 --> 00:53:36,240

suit on and it seemed like it had the

1167

00:53:43,190 --> 00:53:40,200

the joints puffy joints you know on the

1168

00:53:45,829 --> 00:53:43,200

shoulders and the elbows and and the

1169

00:53:49,190 --> 00:53:45,839

legs I didn't see that clear were you

1170

00:53:51,349 --> 00:53:49,200

able to see their faces no it was just a

1171

00:53:54,470 --> 00:53:51,359

kind of a dark shadow I could see the

1172

00:53:56,630 --> 00:53:54,480

the two uh like eyes that were looked

1173

00:53:58,430 --> 00:53:56,640

like welding goggles to me they're the

1174

00:54:00,530 --> 00:53:58,440

same as welding goggles they're about

1175

00:54:03,109 --> 00:54:00,540

two inches in diameter it reminded me

1176

00:54:04,849 --> 00:54:03,119

just like I said like a welding goggles

1177

00:54:07,250 --> 00:54:04,859

and then the rest of the face was kind

1178

00:54:10,670 --> 00:54:07,260

of a blur I couldn't see looking down at

1179

00:54:13,309 --> 00:54:10,680

them then I saw two flashing red orange

1180

00:54:15,829 --> 00:54:13,319

eyes just picking its way down the ridge

1181

00:54:18,589 --> 00:54:15,839

Just Between the rocks and and around

1182

00:54:22,670 --> 00:54:18,599

them and everything and come down and

1183

00:54:26,030 --> 00:54:22,680

was on this big boulder this big flat

1184

00:54:28,849 --> 00:54:26,040

Rock and then he kind of looked up at me

1185

00:54:30,910 --> 00:54:28,859

and he moved his hand to the fires

1186

00:54:35,450 --> 00:54:30,920

descenders and kind of scattered them

1187

00:54:39,109 --> 00:54:35,460

then he come down up on the Rock he was

1188

00:54:42,230 --> 00:54:39,119

about seven feet from me and then he he

1189

00:54:45,109 --> 00:54:42,240

touched his mouth and the kind of a

1190

00:54:47,510 --> 00:54:45,119

steam Vapor come out of his mouth and it

1191

00:54:51,349 --> 00:54:47,520

lit up his face so I could see some

1192

00:54:53,930 --> 00:54:51,359

detail and then I I blacked out when

1193

00:54:56,450 --> 00:54:53,940

that steam hit me kind of took the air

1194

00:54:59,750 --> 00:54:56,460

from me and I'd gas for air and then

1195

00:55:01,010 --> 00:54:59,760

black out and I fell over my bow that's

1196

00:55:03,710 --> 00:55:01,020

the only thing that kept me in the tree

1197

00:55:06,790 --> 00:55:03,720

and then so I figured they were out to

1198

00:55:10,069 --> 00:55:06,800

get me then the eyes of this other

1199

00:55:12,650 --> 00:55:10,079

creature like the robot what did that

1200

00:55:15,349 --> 00:55:12,660

look like to you it had kind of like

1201

00:55:18,170 --> 00:55:15,359

fire it's kind of a orange reddish

1202

00:55:19,970 --> 00:55:18,180

orange or yellowish orange it kind of

1203

00:55:22,370 --> 00:55:19,980

flickered like fire and they're about

1204

00:55:25,790 --> 00:55:22,380

the same diameter as about two inches in

1205

00:55:29,030 --> 00:55:25,800

diameter her as the humanoids I had a 60

1206

00:55:31,309 --> 00:55:29,040

pound bow which is a very high velocity

1207

00:55:33,950 --> 00:55:31,319

it seems how the robot is the only thing

1208

00:55:36,349 --> 00:55:33,960

that was causing me harm I shot the

1209

00:55:39,109 --> 00:55:36,359

chest area and it had the velocity of a

1210

00:55:41,510 --> 00:55:39,119

rifle at that at that distance because

1211

00:55:45,049 --> 00:55:41,520

I'm only about seven eight feet from him

1212

00:55:47,809 --> 00:55:45,059

and it when I hit the chest the Sparks

1213

00:55:50,809 --> 00:55:47,819

would fly like an arc welder kind of and

1214

00:55:53,569 --> 00:55:50,819

then that that robot backed up and

1215

00:55:56,390 --> 00:55:53,579

almost knocked him down he kind of fell

1216

00:56:00,589 --> 00:55:56,400

back against a rod and then I ran out of

1217

00:56:02,450 --> 00:56:00,599

uh arrows so I only had three left and I

1218

00:56:06,049 --> 00:56:02,460

thought well I had that's when Paul made

1219

00:56:09,230 --> 00:56:06,059

hair is just I mean the cap I had on was

1220

00:56:11,390 --> 00:56:09,240

just soaked with oil this is for your

1221

00:56:15,530 --> 00:56:11,400

hair yeah from my hair yeah yeah yeah

1222

00:56:18,170 --> 00:56:15,540

Pomade and I always carried all kinds of

1223

00:56:20,930 --> 00:56:18,180

books and matches with me when I hunted

1224

00:56:23,089 --> 00:56:20,940

and so I lit that cap and it just blazed

1225

00:56:26,809 --> 00:56:23,099

up and I dropped it down the bases the

1226

00:56:31,609 --> 00:56:26,819

tree and just in that instant they moved

1227

00:56:35,270 --> 00:56:31,619

back about 12 15 feet and the the I

1228

00:56:37,549 --> 00:56:35,280

glanced over at the ship that was over

1229

00:56:39,710 --> 00:56:37,559

the canyon kind of almost level with me

1230

00:56:42,410 --> 00:56:39,720

and it was almost out of sight it was

1231

00:56:44,750 --> 00:56:42,420

just like a star it moved that fast just

1232

00:56:47,390 --> 00:56:44,760

in that second so then I got the idea

1233

00:56:49,430 --> 00:56:47,400

that they're scared to fire so I I

1234

00:56:53,150 --> 00:56:49,440

burned everything but my t-shirt and my

1235

00:56:55,910 --> 00:56:53,160

jeans and come to find out later on that

1236

00:56:58,430 --> 00:56:55,920

it was 32 degrees out and I was shaking

1237

00:57:01,730 --> 00:56:58,440

and kind of Overexposed for the weather

1238

00:57:05,089 --> 00:57:01,740

but when I threw my after my hat I threw

1239

00:57:07,490 --> 00:57:05,099

my canteen down and they they picked it

1240

00:57:10,430 --> 00:57:07,500

up and looked at it and threw it back

1241

00:57:12,589 --> 00:57:10,440

down when I run out of stuff to burn I

1242

00:57:15,770 --> 00:57:12,599

headed for the top of the tree and then

1243

00:57:18,230 --> 00:57:15,780

then I'd I'd uh it was pretty sparse

1244

00:57:20,750 --> 00:57:18,240

tree I could see down to the ground and

1245

00:57:24,410 --> 00:57:20,760

I broke off the top and threw it down

1246

00:57:27,290 --> 00:57:24,420

and anytime I throw down or shake the

1247

00:57:29,089 --> 00:57:27,300

tree these humanoids would back up when

1248

00:57:31,490 --> 00:57:29,099

I was up in the top of that tree I

1249

00:57:33,650 --> 00:57:31,500

thought about just jumping off and

1250

00:57:35,329 --> 00:57:33,660

jumping down the canyon and just killing

1251
00:57:38,089 --> 00:57:35,339
myself but the only thing that kept me

1252
00:57:42,690 --> 00:57:38,099
going is I had the little girl my wife

1253
00:57:57,530 --> 00:57:51,270
[Music]

1254
00:57:57,540 --> 00:58:07,990
foreign

1255
00:58:08,000 --> 00:58:16,069
[Music]

1256
00:58:22,329 --> 00:58:18,700
foreign

1257
00:58:28,970 --> 00:58:25,490
Irwin was a Nike missile technician at

1258
00:58:33,109 --> 00:58:28,980
Fort Bliss in El Paso Texas on February

1259
00:58:36,589 --> 00:58:33,119
28 1959 he was driving back from Nampa

1260
00:58:39,710 --> 00:58:36,599
Idaho where he'd been on leave at Cedar

1261
00:58:42,950 --> 00:58:39,720
City Utah he turned Southeast onto Route

1262
00:58:45,530 --> 00:58:42,960
14 about six miles from the turn off he

1263
00:58:47,510 --> 00:58:45,540

spotted a glowing object that seemed to

1264

00:58:49,430 --> 00:58:47,520

come to Earth in a field just off the

1265

00:58:52,789 --> 00:58:49,440

road thinking he had seen an airplane

1266

00:58:54,170 --> 00:58:52,799

crash or at least a forced Landing he

1267

00:58:56,870 --> 00:58:54,180

stopped to see if he could give

1268

00:58:59,329 --> 00:58:56,880

assistance he wrote a note and placed it

1269

00:59:02,089 --> 00:58:59,339

on the steering wheel of his car it read

1270

00:59:04,970 --> 00:59:02,099

quote have gone to investigate possible

1271

00:59:09,230 --> 00:59:04,980

plane crash please call Law Enforcement

1272

00:59:11,329 --> 00:59:09,240

Officers end quote then he wrote stop in

1273

00:59:13,970 --> 00:59:11,339

large letters on the side of his car

1274

00:59:15,950 --> 00:59:13,980

about 30 minutes later a fish and game

1275

00:59:18,950 --> 00:59:15,960

inspector happened to be driving past

1276

00:59:20,750 --> 00:59:18,960

and stopped at Irwin's car he saw the

1277

00:59:23,210 --> 00:59:20,760

note and took it to the Cedar City

1278

00:59:25,609 --> 00:59:23,220

Sheriff's Office where where Sheriff

1279

00:59:27,890 --> 00:59:25,619

Otto Fife gathered a party of volunteers

1280

00:59:30,349 --> 00:59:27,900

and returned to the site when they

1281

00:59:32,870 --> 00:59:30,359

searched they found no trace of a plane

1282

00:59:35,510 --> 00:59:32,880

crash but they found private Gary Irwin

1283

00:59:38,630 --> 00:59:35,520

unconscious in a field by the side of

1284

00:59:41,390 --> 00:59:38,640

the road 90 minutes had passed since he

1285

00:59:43,670 --> 00:59:41,400

had first seen the glowing object Irwin

1286

00:59:46,309 --> 00:59:43,680

was taken to the hospital in Cedar City

1287

00:59:48,589 --> 00:59:46,319

where Dr Broadbent could find nothing

1288

00:59:51,230 --> 00:59:48,599

physically wrong with him Irwin was

1289

00:59:54,049 --> 00:59:51,240

merely asleep and could not be awakened

1290

00:59:57,170 --> 00:59:54,059

Dr Broadbent could find no explanation

1291

00:59:59,510 --> 00:59:57,180

for this so his diagnosis was hysteria

1292

01:00:01,849 --> 00:59:59,520

when private Irwin eventually awoke he

1293

01:00:04,670 --> 01:00:01,859

felt perfectly well but he was mystified

1294

01:00:06,950 --> 01:00:04,680

by the glowing object he had seen he was

1295

01:00:09,349 --> 01:00:06,960

also confused by the fact that his

1296

01:00:11,870 --> 01:00:09,359

jacket was missing the sheriff's search

1297

01:00:14,089 --> 01:00:11,880

party stated that he was not wearing it

1298

01:00:16,069 --> 01:00:14,099

when they found him Irwin was flown back

1299

01:00:18,950 --> 01:00:16,079

to Fort Bliss and placed under

1300

01:00:21,470 --> 01:00:18,960

observation at William Beaumont Army

1301
01:00:23,630 --> 01:00:21,480
hospital for several days after which he

1302
01:00:26,390 --> 01:00:23,640
was released just as fit to return to

1303
01:00:29,150 --> 01:00:26,400
duty the episode was not over yet though

1304
01:00:31,490 --> 01:00:29,160
some days later Irwin fainted on base

1305
01:00:33,950 --> 01:00:31,500
and a few days after that he fainted

1306
01:00:35,690 --> 01:00:33,960
while in the city of El Paso he was

1307
01:00:38,030 --> 01:00:35,700
taken to Southwest General Hospital

1308
01:00:40,970 --> 01:00:38,040
where he was found once again to be

1309
01:00:43,730 --> 01:00:40,980
asleep and unawake about 24 hours

1310
01:00:46,430 --> 01:00:43,740
later he awoke asking quote were there

1311
01:00:48,829 --> 01:00:46,440
any survivors he behaved as if he had

1312
01:00:51,589 --> 01:00:48,839
lost all memory of the period between

1313
01:00:55,309 --> 01:00:51,599

seeing the object on February 28 in Utah

1314

01:00:57,710 --> 01:00:55,319

and waking up on March 16th in El Paso

1315

01:01:00,109 --> 01:00:57,720

once again he was taken to William

1316

01:01:01,910 --> 01:01:00,119

Beaumont Army hospital where he was

1317

01:01:05,089 --> 01:01:01,920

placed under observation by

1318

01:01:07,010 --> 01:01:05,099

psychiatrists after one month extensive

1319

01:01:10,609 --> 01:01:07,020

testing could find nothing wrong with

1320

01:01:13,069 --> 01:01:10,619

him so he was released on April 17th the

1321

01:01:15,589 --> 01:01:13,079

next day Irwin was seized by a powerful

1322

01:01:18,650 --> 01:01:15,599

impulse that made him take a bus from El

1323

01:01:21,589 --> 01:01:18,660

Paso to Cedar City arriving on April

1324

01:01:24,470 --> 01:01:21,599

19th he then walked back to the field in

1325

01:01:27,349 --> 01:01:24,480

which Sheriff's party had found him he

1326

01:01:29,390 --> 01:01:27,359

found his jacket on a bush there was a

1327

01:01:31,609 --> 01:01:29,400

pencil stuck in one of its buttonholes

1328

01:01:34,190 --> 01:01:31,619

with a piece of paper while tightly

1329

01:01:36,289 --> 01:01:34,200

around it Irwin burned the paper and

1330

01:01:39,049 --> 01:01:36,299

then seemed to come out of some kind of

1331

01:01:41,510 --> 01:01:39,059

Trance he could not recall the path back

1332

01:01:43,549 --> 01:01:41,520

to the road or why he'd come there he

1333

01:01:45,890 --> 01:01:43,559

made his way back to Cedar City and

1334

01:01:48,289 --> 01:01:45,900

turned himself in to sheriff Otto Fife

1335

01:01:51,589 --> 01:01:48,299

who told Irwin about his first encounter

1336

01:01:53,870 --> 01:01:51,599

on the 28th of February once again Irwin

1337

01:01:56,930 --> 01:01:53,880

returned to Fort Bliss and was given

1338

01:01:59,390 --> 01:01:56,940

psychological examinations on July 10th

1339

01:02:01,849 --> 01:01:59,400

he again entered William Beaumont Army

1340

01:02:04,130 --> 01:02:01,859

hospital he was discharged again but on

1341

01:02:06,890 --> 01:02:04,140

August 1st he failed to report for Duty

1342

01:02:09,910 --> 01:02:06,900

and one month later he was listed as a

1343

01:02:12,829 --> 01:02:09,920

deserter after this private Gary Irwin

1344

01:02:16,250 --> 01:02:12,839

disappeared from the public View and his

1345

01:02:18,400 --> 01:02:16,260

current if he still is alive whereabouts

1346

01:02:25,970 --> 01:02:18,410

are unknown

1347

01:02:47,950 --> 01:02:25,980

[Music]

1348

01:02:55,789 --> 01:02:53,089

December 14 1994 Trumbull County Ohio

1349

01:02:58,970 --> 01:02:55,799

just after midnight a series of calls

1350

01:03:01,630 --> 01:02:58,980

was received by 9-1-1 operators these

1351

01:03:04,010 --> 01:03:01,640

reports all involved one thing

1352

01:03:05,930 --> 01:03:04,020

low-flying UFOs

1353

01:03:09,470 --> 01:03:05,940

the majority of these calls were heard

1354

01:03:11,089 --> 01:03:09,480

by dispatcher Roy and Rudolph everything

1355

01:03:12,650 --> 01:03:11,099

from somebody who's casually stating

1356

01:03:15,109 --> 01:03:12,660

they saw something in the air to

1357

01:03:26,109 --> 01:03:15,119

somebody who was hysterical and and

1358

01:03:31,730 --> 01:03:29,870

we just kind of took it for okay this is

1359

01:03:33,049 --> 01:03:31,740

people being hysterical over a weather

1360

01:03:35,750 --> 01:03:33,059

balloon or this is people being

1361

01:03:37,730 --> 01:03:35,760

hysterical over a plane or a helicopter

1362

01:03:40,430 --> 01:03:37,740

I wonder if you had anyone call you

1363

01:03:42,190 --> 01:03:40,440

about a strange plane or airplane or

1364

01:03:45,530 --> 01:03:42,200

something

1365

01:03:47,690 --> 01:03:45,540

downstairs I don't know what it was it

1366

01:03:50,030 --> 01:03:47,700

was a flying saucer what does it look

1367

01:03:52,069 --> 01:03:50,040

like man it was like a uh almost like an

1368

01:03:53,210 --> 01:03:52,079

iridescent color it was like a bluish

1369

01:03:55,970 --> 01:03:53,220

purple

1370

01:03:59,030 --> 01:03:55,980

but because of the extraordinary number

1371

01:04:01,910 --> 01:03:59,040

of calls Rudolph decided to notify the

1372

01:04:04,250 --> 01:04:01,920

police of Liberty Township

1373

01:04:06,170 --> 01:04:04,260

the first police unit contacted thought

1374

01:04:08,089 --> 01:04:06,180

that the reports were probably nothing

1375

01:04:10,910 --> 01:04:08,099

to worry about and that a plane was

1376

01:04:13,490 --> 01:04:10,920

probably flying low Sergeant Toby

1377

01:04:15,230 --> 01:04:13,500

malloro was the first officer on the

1378

01:04:16,910 --> 01:04:15,240

scene

1379

01:04:18,530 --> 01:04:16,920

it took a few minutes we kind of laughed

1380

01:04:21,470 --> 01:04:18,540

about it I believed that I was going to

1381

01:04:22,910 --> 01:04:21,480

see if anything a plane was Landing or a

1382

01:04:30,770 --> 01:04:22,920

plane was low

1383

01:04:35,630 --> 01:04:33,349

it down to Samson drive to check out the

1384

01:04:38,270 --> 01:04:35,640

lights he was informed by a man on the

1385

01:04:40,910 --> 01:04:38,280

street that the lights were moving south

1386

01:04:43,910 --> 01:04:40,920

as malloro continued southerly his

1387

01:04:47,030 --> 01:04:43,920

Cruiser went dead as he attempted to

1388

01:04:49,430 --> 01:04:47,040

restart his vehicle it was engulfed by a

1389

01:04:51,890 --> 01:04:49,440

bright white light from above

1390

01:04:54,349 --> 01:04:51,900

startled and frightened he exited his

1391

01:04:56,390 --> 01:04:54,359

vehicle and stood outside looking up at

1392

01:04:59,390 --> 01:04:56,400

this giant object

1393

01:05:03,289 --> 01:04:59,400

circular in shape and intensely bright

1394

01:05:05,630 --> 01:05:03,299

in the center after about 30 seconds the

1395

01:05:08,809 --> 01:05:05,640

giant object started to move away and

1396

01:05:11,030 --> 01:05:08,819

the thing that was very strange was

1397

01:05:13,789 --> 01:05:11,040

there was no sound

1398

01:05:16,910 --> 01:05:13,799

after the object moves out of sight his

1399

01:05:19,010 --> 01:05:16,920

vehicle began to function normally again

1400

01:05:23,210 --> 01:05:19,020

trying to understand what he just seen

1401
01:05:25,970 --> 01:05:23,220
he took off in pursuit of the UFO Melora

1402
01:05:28,549 --> 01:05:25,980
was unable to keep Pace with this object

1403
01:05:30,650 --> 01:05:28,559
he called dispatch informing them what

1404
01:05:32,270 --> 01:05:30,660
he'd seen and gave the objects direction

1405
01:05:34,849 --> 01:05:32,280
of flight

1406
01:05:37,190 --> 01:05:34,859
soon the information spread to active

1407
01:05:39,170 --> 01:05:37,200
law enforcement units all across the

1408
01:05:41,569 --> 01:05:39,180
area in reports of the object's

1409
01:05:48,049 --> 01:05:41,579
Direction were used to triangulate the

1410
01:05:52,549 --> 01:05:50,210
money anymore because it's getting to

1411
01:06:01,450 --> 01:05:52,559
the point where I don't know whether to

1412
01:06:07,970 --> 01:06:05,410
people are serious they're very upset

1413
01:06:10,809 --> 01:06:07,980

I mean literally if you were underneath

1414

01:06:13,490 --> 01:06:10,819

it would be like daylight

1415

01:06:17,630 --> 01:06:13,500

dispatcher Rudolph later stated that at

1416

01:06:19,609 --> 01:06:17,640

least 14 to 15 officers had seen the UFO

1417

01:06:21,710 --> 01:06:19,619

the reports of the object and its

1418

01:06:24,289 --> 01:06:21,720

movements were openly discussed among

1419

01:06:26,690 --> 01:06:24,299

the officers on the police radio

1420

01:06:28,670 --> 01:06:26,700

police dispatch with reports of the UFO

1421

01:06:31,730 --> 01:06:28,680

spreading to adjacent communities called

1422

01:06:34,010 --> 01:06:31,740

the local airport FAA control tower and

1423

01:06:37,849 --> 01:06:34,020

asked if they had anything unusual on

1424

01:06:42,289 --> 01:06:40,250

we have reported from flying object in

1425

01:06:43,970 --> 01:06:42,299

our jurisdiction do you know of anything

1426
01:06:45,490 --> 01:06:43,980
that should be in our airspace this time

1427
01:06:52,690 --> 01:06:45,500
close to the ground

1428
01:06:57,770 --> 01:06:55,609
of Youngstown and there is nothing out

1429
01:06:59,390 --> 01:06:57,780
there Lieutenant James Baker of the

1430
01:07:02,450 --> 01:06:59,400
Brookfield Township Police Department

1431
01:07:05,569 --> 01:07:02,460
was one of the officers monitoring the

1432
01:07:08,510 --> 01:07:05,579
Fantastic calls and he decided to have a

1433
01:07:11,510 --> 01:07:08,520
look for himself he climbed up into an

1434
01:07:13,490 --> 01:07:11,520
abandoned radar Tower in the area to get

1435
01:07:15,829 --> 01:07:13,500
a better look at this object

1436
01:07:19,190 --> 01:07:15,839
as he reached the top of the tower he

1437
01:07:21,109 --> 01:07:19,200
was shocked at what he saw not one but

1438
01:07:23,569 --> 01:07:21,119

three UFOs

1439

01:07:26,210 --> 01:07:23,579

all three objects were in a triangular

1440

01:07:28,970 --> 01:07:26,220

pattern with the middle objects slightly

1441

01:07:31,130 --> 01:07:28,980

higher than the two on the side

1442

01:07:34,549 --> 01:07:31,140

also Baker stated that the object

1443

01:07:36,170 --> 01:07:34,559

changed colors in unison red yellow blue

1444

01:07:38,390 --> 01:07:36,180

and green

1445

01:07:40,730 --> 01:07:38,400

he reported his observations to the

1446

01:07:47,809 --> 01:07:40,740

other patrolmen on duty I got him right

1447

01:07:52,670 --> 01:07:50,450

him I got red yellow green and blue and

1448

01:07:54,170 --> 01:07:52,680

the one just was like flashing so if

1449

01:07:56,569 --> 01:07:54,180

there are those planets those guys were

1450

01:08:00,069 --> 01:07:56,579

talking about then their uh plants with

1451

01:08:05,329 --> 01:08:00,079

Christmas lights on this is weird

1452

01:08:10,549 --> 01:08:08,210

please be a plane oh please

1453

01:08:13,250 --> 01:08:10,559

astronomers have tried to explain away

1454

01:08:15,049 --> 01:08:13,260

the sightings as simple stars that

1455

01:08:19,070 --> 01:08:15,059

appeared to be low in the sky and

1456

01:08:23,809 --> 01:08:21,050

purely the police officer who saw the

1457

01:08:26,689 --> 01:08:23,819

very intense bright light very likely

1458

01:08:28,729 --> 01:08:26,699

saw a fireball the fireball is a very

1459

01:08:30,829 --> 01:08:28,739

very bright meteor that can be many

1460

01:08:33,289 --> 01:08:30,839

times brighter than the full moon I

1461

01:08:34,970 --> 01:08:33,299

think the car stalling was just a

1462

01:08:37,849 --> 01:08:34,980

coincidence had nothing to do with this

1463

01:08:39,470 --> 01:08:37,859

whatsoever it obviously it had to be

1464

01:08:41,150 --> 01:08:39,480

involved in my Crews were shutting down

1465

01:08:43,570 --> 01:08:41,160

there was no problem with my car because

1466

01:08:45,769 --> 01:08:43,580

it started back up

1467

01:08:47,689 --> 01:08:45,779

I was told that it may have been the

1468

01:08:49,010 --> 01:08:47,699

planet Mercury it was not the planet

1469

01:08:51,050 --> 01:08:49,020

Mercury

1470

01:08:52,849 --> 01:08:51,060

some have theorized that the objects

1471

01:08:55,309 --> 01:08:52,859

seen by the policemen of Trumbull County

1472

01:08:57,709 --> 01:08:55,319

was a top secret craft from the

1473

01:09:01,010 --> 01:08:57,719

Youngstown Air Reserve Base

1474

01:09:03,650 --> 01:09:01,020

however Captain John Kitak from the base

1475

01:09:06,910 --> 01:09:03,660

stated that there were no planes or

1476

01:09:09,950 --> 01:09:06,920

experimental craft flying that night

1477

01:09:11,930 --> 01:09:09,960

I can't you know speak for other people

1478

01:09:13,010 --> 01:09:11,940

who say they may or may not have seen

1479

01:09:16,309 --> 01:09:13,020

something

1480

01:09:18,050 --> 01:09:16,319

what I can talk from with authority is

1481

01:09:19,610 --> 01:09:18,060

what happened here at the base and what

1482

01:09:22,010 --> 01:09:19,620

our involvement was and there was

1483

01:09:24,530 --> 01:09:22,020

apparently none the policemen of Ohio

1484

01:09:27,289 --> 01:09:24,540

have spoken often about what they saw on

1485

01:09:30,050 --> 01:09:27,299

December 14 1994.

1486

01:09:32,930 --> 01:09:30,060

police cars that inexplicably stalled

1487

01:09:34,910 --> 01:09:32,940

light beams engulfing the vehicles one

1488

01:09:38,630 --> 01:09:34,920

or more structured craft of a nature

1489

01:09:41,090 --> 01:09:38,640

never seen before or since

1490

01:09:44,390 --> 01:09:41,100

the 1994 sightings of Trumbull County

1491

01:09:46,970 --> 01:09:44,400

have never been adequately explained

1492

01:09:49,490 --> 01:09:46,980

and as usual leave us with more

1493

01:09:51,709 --> 01:09:49,500

questions than answers I'm not saying

1494

01:09:54,890 --> 01:09:51,719

what I saw was it was a spaceship from

1495

01:09:57,890 --> 01:09:54,900

outer space okay what I'm saying is I

1496

01:10:00,410 --> 01:09:57,900

saw an object that was not normal for

1497

01:10:02,870 --> 01:10:00,420

this area it gave off an intense light

1498

01:10:06,050 --> 01:10:02,880

it shut my cruiser off including my

1499

01:10:08,330 --> 01:10:06,060

radio I lost contact with the 911 Center

1500

01:10:09,709 --> 01:10:08,340

and it didn't make any noise it's

1501
01:10:12,890 --> 01:10:09,719
something that I've never seen before

1502
01:10:14,750 --> 01:10:12,900
I've never encountered before and I

1503
01:10:17,630 --> 01:10:14,760
haven't encountered it since

1504
01:10:19,310 --> 01:10:17,640
I do believe that they saw something I

1505
01:10:20,930 --> 01:10:19,320
don't believe that it was a star there

1506
01:10:23,270 --> 01:10:20,940
was something there when I walked away

1507
01:10:25,310 --> 01:10:23,280
from that night was a feeling that this

1508
01:10:26,870 --> 01:10:25,320
was a lot bigger than just a couple

1509
01:10:30,169 --> 01:10:26,880
people saying they saw a light in the

1510
01:10:32,270 --> 01:10:30,179
sky and it made us think maybe a small

1511
01:10:40,350 --> 01:10:32,280
place like Trumbull County can something

1512
01:10:40,360 --> 01:10:49,070
[Music]

1513
01:10:55,790 --> 01:10:53,510

Friday March 4th 1988 all four members

1514

01:10:58,729 --> 01:10:55,800
of the baker family were driving home

1515

01:11:02,390 --> 01:10:58,739
following their usual Friday night meal

1516

01:11:04,610 --> 01:11:02,400
it was a little after 8 30 PM Henry the

1517

01:11:06,709 --> 01:11:04,620
father was driving and the two children

1518

01:11:08,930 --> 01:11:06,719
were in the back seat the heavily

1519

01:11:11,570 --> 01:11:08,940
pregnant Sheila the mother looked out

1520

01:11:12,950 --> 01:11:11,580
the passenger window at the Frozen Lake

1521

01:11:16,250 --> 01:11:12,960
Erie

1522

01:11:19,610 --> 01:11:16,260
the ice almost shined in the Moonlight

1523

01:11:22,310 --> 01:11:19,620
then she saw something strangely lit

1524

01:11:24,350 --> 01:11:22,320
looking as if it was rocking on the

1525

01:11:26,450 --> 01:11:24,360
surface of the lake

1526

01:11:28,610 --> 01:11:26,460

she nudged her husband who took his

1527

01:11:31,910 --> 01:11:28,620

attention away from the road

1528

01:11:33,770 --> 01:11:31,920

he could see it also that Schiller's

1529

01:11:36,770 --> 01:11:33,780

insistence he would turn the car's

1530

01:11:38,750 --> 01:11:36,780

direction towards the Waterfront once

1531

01:11:40,790 --> 01:11:38,760

there they instructed their sons to

1532

01:11:43,070 --> 01:11:40,800

remain in the vehicle

1533

01:11:45,649 --> 01:11:43,080

stepped out into the cold night and

1534

01:11:47,270 --> 01:11:45,659

began to cautiously make their way to

1535

01:11:49,910 --> 01:11:47,280

the water's edge

1536

01:11:52,310 --> 01:11:49,920

the lights were still there

1537

01:11:54,590 --> 01:11:52,320

what Sheila first noticed though were

1538

01:11:56,930 --> 01:11:54,600

sounds that appeared to be the ice of

1539

01:11:59,450 --> 01:11:56,940

the frozen lake cracking

1540

01:12:00,590 --> 01:11:59,460

she would liken them to collapse of

1541

01:12:02,330 --> 01:12:00,600

thunder

1542

01:12:04,729 --> 01:12:02,340

as they got as near as they could

1543

01:12:07,250 --> 01:12:04,739

without stepping on the ice they could

1544

01:12:09,709 --> 01:12:07,260

clearly make out a football-shaped

1545

01:12:12,649 --> 01:12:09,719

object with bright white lights at

1546

01:12:15,530 --> 01:12:12,659

either end the object itself appeared to

1547

01:12:18,050 --> 01:12:15,540

be of a gunmetal gray color and was

1548

01:12:20,990 --> 01:12:18,060

hovering overhead as opposed to being on

1549

01:12:23,570 --> 01:12:21,000

the surface despite the obvious movement

1550

01:12:25,189 --> 01:12:23,580

the strange craft made no noise

1551

01:12:28,189 --> 01:12:25,199

whatsoever

1552

01:12:29,810 --> 01:12:28,199

all Sheila could hear were the sounds of

1553

01:12:32,149 --> 01:12:29,820

cracking ice

1554

01:12:34,850 --> 01:12:32,159

suddenly as if it had become aware of

1555

01:12:38,030 --> 01:12:34,860

their presence the objects swung towards

1556

01:12:40,250 --> 01:12:38,040

them heading in their Direction panicked

1557

01:12:42,110 --> 01:12:40,260

and frightened the couple turned and ran

1558

01:12:44,209 --> 01:12:42,120

back to their car

1559

01:12:47,270 --> 01:12:44,219

Henry would drive the remainder of the

1560

01:12:49,250 --> 01:12:47,280

journey completely uneasy

1561

01:12:52,130 --> 01:12:49,260

once the Bakers arrived at their home

1562

01:12:54,110 --> 01:12:52,140

and settled their children to bed Sheila

1563

01:12:57,050 --> 01:12:54,120

would contact the police to report the

1564

01:12:58,970 --> 01:12:57,060

sighting the police would tell her that

1565

01:13:00,290 --> 01:12:58,980

she would have to make the report to the

1566

01:13:02,270 --> 01:13:00,300

Coast Guard

1567

01:13:04,490 --> 01:13:02,280

she did and despite their initial

1568

01:13:06,590 --> 01:13:04,500

refusal to deal with the case they

1569

01:13:08,990 --> 01:13:06,600

eventually agreed to pick them up and

1570

01:13:11,750 --> 01:13:09,000

take them back to the Waterfront

1571

01:13:13,550 --> 01:13:11,760

meanwhile The Bakers could clearly see

1572

01:13:15,770 --> 01:13:13,560

the object hovering over the lake from

1573

01:13:18,410 --> 01:13:15,780

the window of their house

1574

01:13:21,709 --> 01:13:18,420

as they watched six independent

1575

01:13:24,709 --> 01:13:21,719

triangular objects suddenly emerged from

1576

01:13:27,110 --> 01:13:24,719

the larger craft they would move around

1577

01:13:31,189 --> 01:13:27,120

the main object in a darting motion

1578

01:13:33,290 --> 01:13:31,199

before halting to a complete stop these

1579

01:13:35,750 --> 01:13:33,300

triangular objects would then move in

1580

01:13:37,850 --> 01:13:35,760

the direction of the peri-nuclear power

1581

01:13:40,010 --> 01:13:37,860

plant nearby

1582

01:13:41,810 --> 01:13:40,020

The Bakers would ask their neighbor to

1583

01:13:43,610 --> 01:13:41,820

watch their children and when the Coast

1584

01:13:45,169 --> 01:13:43,620

Guard arrived they would accompany them

1585

01:13:47,750 --> 01:13:45,179

back to the lake

1586

01:13:50,689 --> 01:13:47,760

according to the officers James power

1587

01:13:53,390 --> 01:13:50,699

and John knob several other reports

1588

01:13:55,790 --> 01:13:53,400

including from their own employees had

1589

01:13:57,950 --> 01:13:55,800

come in regarding the object

1590

01:14:00,709 --> 01:13:57,960

as the Coast Guard's vehicle pulled up

1591

01:14:03,410 --> 01:14:00,719

at the waterfront the smaller triangular

1592

01:14:05,090 --> 01:14:03,420

objects were once again circling the

1593

01:14:07,010 --> 01:14:05,100

main craft

1594

01:14:10,610 --> 01:14:07,020

as soon as the coast guards opened their

1595

01:14:14,330 --> 01:14:10,620

car doors the sound of rumbling ice met

1596

01:14:17,030 --> 01:14:14,340

everyone's ears this noise was constant

1597

01:14:19,729 --> 01:14:17,040

as if the object's purpose was to crack

1598

01:14:21,229 --> 01:14:19,739

the ice and gain access to the water

1599

01:14:23,510 --> 01:14:21,239

below

1600

01:14:27,110 --> 01:14:23,520

the Coast Guard's report would state

1601
01:14:29,390 --> 01:14:27,120
that the ice was crackling and moving

1602
01:14:32,209 --> 01:14:29,400
whenever the object came closer to the

1603
01:14:33,590 --> 01:14:32,219
surface the cracking sounds became more

1604
01:14:35,630 --> 01:14:33,600
intense

1605
01:14:37,550 --> 01:14:35,640
the coast guards would radio back to

1606
01:14:40,790 --> 01:14:37,560
their control base stating that the

1607
01:14:43,130 --> 01:14:40,800
quote objects appear to be landing on

1608
01:14:45,410 --> 01:14:43,140
the lake the coast guards would continue

1609
01:14:46,850 --> 01:14:45,420
to advise the control room of the

1610
01:14:49,430 --> 01:14:46,860
situation

1611
01:14:51,890 --> 01:14:49,440
as the Triangular craft became more

1612
01:14:54,169 --> 01:14:51,900
active once more they would report that

1613
01:14:56,630 --> 01:14:54,179

the other objects were moving all around

1614

01:14:57,590 --> 01:14:56,640

and they were going at high rates of

1615

01:15:00,110 --> 01:14:57,600

speed

1616

01:15:02,750 --> 01:15:00,120

as Sheila and Henry along with the two

1617

01:15:05,209 --> 01:15:02,760

coast guards continued to watch the

1618

01:15:07,850 --> 01:15:05,219

fascinating display they noticed one of

1619

01:15:10,910 --> 01:15:07,860

the triangles suddenly turn in their

1620

01:15:13,070 --> 01:15:10,920

Direction it was heading straight for

1621

01:15:15,410 --> 01:15:13,080

the Coast Guard's vehicle

1622

01:15:18,169 --> 01:15:15,420

right before what seemed to be an

1623

01:15:21,290 --> 01:15:18,179

inevitable impact the object veered

1624

01:15:24,050 --> 01:15:21,300

upwards in a blur of light

1625

01:15:27,110 --> 01:15:24,060

it then returned to the main large craft

1626
01:15:28,669 --> 01:15:27,120
as did all the other smaller triangular

1627
01:15:31,610 --> 01:15:28,679
objects

1628
01:15:34,430 --> 01:15:31,620
all the while the sound of ice cracking

1629
01:15:36,770 --> 01:15:34,440
continued it seemed that the previously

1630
01:15:39,649 --> 01:15:36,780
bright white lights of the craft were

1631
01:15:43,610 --> 01:15:39,659
now beginning to flash and glow in a

1632
01:15:45,950 --> 01:15:43,620
display of red blue orange and green

1633
01:15:48,709 --> 01:15:45,960
the craft itself appeared to be

1634
01:15:50,810 --> 01:15:48,719
descending the lights went out for a

1635
01:15:53,810 --> 01:15:50,820
second and then returned

1636
01:15:57,410 --> 01:15:53,820
and then without warning the lights and

1637
01:15:59,870 --> 01:15:57,420
the rumbling noise were gone completely

1638
01:16:03,050 --> 01:15:59,880

the Witnesses were not clear if the

1639

01:16:06,169 --> 01:16:03,060

craft had sped away or if the lights had

1640

01:16:07,970 --> 01:16:06,179

simply gone out perhaps it was still

1641

01:16:10,870 --> 01:16:07,980

hovering over the ice

1642

01:16:13,610 --> 01:16:10,880

only now they couldn't see it

1643

01:16:16,790 --> 01:16:13,620

Sheila though would voice her suspicion

1644

01:16:19,790 --> 01:16:16,800

for reasons she doesn't know that this

1645

01:16:22,910 --> 01:16:19,800

object plunged directly below the ice

1646

01:16:25,310 --> 01:16:22,920

and into the Frozen Waters

1647

01:16:27,350 --> 01:16:25,320

although several of the small triangular

1648

01:16:29,209 --> 01:16:27,360

objects were seen flying directly

1649

01:16:33,410 --> 01:16:29,219

overhead a little later that evening

1650

01:16:35,450 --> 01:16:33,420

this large craft didn't reappear one of

1651

01:16:37,910 --> 01:16:35,460

the coast guards would report that the

1652

01:16:40,490 --> 01:16:37,920

Triangular crafts behaved as though they

1653

01:16:42,950 --> 01:16:40,500

were scouting the area

1654

01:16:46,310 --> 01:16:42,960

none of the coast guards could identify

1655

01:16:49,370 --> 01:16:46,320

any of the objects they had witnessed in

1656

01:16:54,070 --> 01:16:49,380

the Lake Erie close encounter remains to

1657

01:17:12,130 --> 01:17:02,350

[Music]

1658

01:17:24,530 --> 01:17:14,130

thank you

1659
