came out it's all about um pre-project

27

00:02:01,190 --> 00:01:58,740

Blue Book so how a lot of the UFO uh

28

00:02:04,249 --> 00:02:01,200

history really started

29

00:02:06,709 --> 00:02:04,259

um even before Roswell and

30

00:02:09,589 --> 00:02:06,719

um kind of the the early Inception of

31

00:02:13,130 --> 00:02:09,599

the Air Force's investigation into it

32

00:02:14,750 --> 00:02:13,140

before Project Blue Book so amazing

33

00:02:19,309 --> 00:02:14,760

this to get uh to me here in Scotland

42

00:02:47,809 --> 00:02:45,599

because I actually came out with an

43

00:02:49,729 --> 00:02:47,819

article today where I interviewed Tom

44

00:02:52,910 --> 00:02:49,739

and John all about estimate of the

45

00:02:55,970 --> 00:02:52,920

situation and the article also included

46

00:02:58,790 --> 00:02:55,980

a section on Blue Book the brand new

47

00:03:02,150 --> 00:02:58,800

comic book from Michael O'Malley as well

48

00:03:03,890 --> 00:03:02,160

so if you haven't go over to my Twitter

49

00:03:06,470 --> 00:03:03,900

um I did post a link to the article

50

00:03:10,309 --> 00:03:06,480

where I interviewed all of the creators

51
00:03:11,690 --> 00:03:10,319
of both Blue Book and estimate of the

52
00:03:13,790 --> 00:03:11,700
situation

53
00:03:17,930 --> 00:03:13,800
