

# WITNESS ACCOUNTS

**SOMEWHERE  
IN THE SKIES**  
WITH RYAN SPRAGUE

**VOLUME 26**

1  
00:00:01,690 --> 00:00:00,770  
[Music]

2  
00:00:09,470 --> 00:00:01,700  
foreign

3  
00:00:32,389 --> 00:00:10,570  
spread

4  
00:00:49,510 --> 00:00:32,399  
[Music]

5  
00:00:52,790 --> 00:00:49,520  
this is Dan from that UFO podcast

6  
00:00:54,290 --> 00:00:52,800  
danzetta strong that is strong depending

7  
00:00:56,090 --> 00:00:54,300  
on where you're listening from

8  
00:01:00,590 --> 00:00:56,100  
so this sighting took place on the 8th

9  
00:01:03,290 --> 00:01:00,600  
of June 2021 at 2 47 in the morning

10  
00:01:04,969 --> 00:01:03,300  
this was in Barrie in South Wales

11  
00:01:07,609 --> 00:01:04,979  
the compass head and the object first

12  
00:01:09,649 --> 00:01:07,619  
appeared from was 147 degrees

13  
00:01:11,210 --> 00:01:09,659

and the weather at the time was 10

14

00:01:13,190 --> 00:01:11,220

degrees Celsius and it was completely

15

00:01:15,289 --> 00:01:13,200

clear skies

16

00:01:18,170 --> 00:01:15,299

the layout of the property it was a

17

00:01:22,429 --> 00:01:18,180

small Bungalow with a garden so I could

18

00:01:25,370 --> 00:01:22,439

see this huge swath of Sky it wasn't

19

00:01:25,380 --> 00:01:30,649

to cover one of those swaths of the sky

20

00:01:37,730 --> 00:01:34,310

it took a a plane which this happened

21

00:01:41,090 --> 00:01:37,740

after the the I saw the UFO it took a

22

00:01:43,130 --> 00:01:41,100

plane about 10 minutes

23

00:01:44,270 --> 00:01:43,140

to fly over

24

00:01:46,130 --> 00:01:44,280

um

25

00:01:48,289 --> 00:01:46,140

and you'll see why that's relevant as I

26

00:01:50,030 --> 00:01:48,299

go forward and just to front this by

27

00:01:51,830 --> 00:01:50,040

saying that after this experience I

28

00:01:54,830 --> 00:01:51,840

checked satellite track as I checked

29

00:01:57,469 --> 00:01:54,840

plane trackers I checked everything and

30

00:01:59,389 --> 00:01:57,479

even though I kind of

31

00:02:01,429 --> 00:01:59,399

knew from the movement that we didn't

32

00:02:04,429 --> 00:02:01,439

make things that move that way

33

00:02:06,649 --> 00:02:04,439

I still thought that it was important to

34

00:02:08,749 --> 00:02:06,659

to check these things

35

00:02:10,910 --> 00:02:08,759

so I was sat outside looking up at a

36

00:02:13,010 --> 00:02:10,920

clear sky

37

00:02:14,690 --> 00:02:13,020

and I asked for something to happen

38

00:02:16,670 --> 00:02:14,700

and about five seconds later this

39

00:02:18,350 --> 00:02:16,680

enormous owl flies over

40

00:02:20,089 --> 00:02:18,360

and if you've read anything you know

41

00:02:21,949 --> 00:02:20,099

Esther's hierarchy you know that the

42

00:02:23,270 --> 00:02:21,959

owls are usually a sign of high

43

00:02:24,470 --> 00:02:23,280

strangeness

44

00:02:26,330 --> 00:02:24,480

in this case I wouldn't have thought

45

00:02:28,610 --> 00:02:26,340

anything of it if what is about to

46

00:02:31,430 --> 00:02:28,620

happen didn't happen

47

00:02:34,130 --> 00:02:31,440

this hour was so big that I I jumped so

48

00:02:36,470 --> 00:02:34,140

I asked uh for something bigger like of

49

00:02:39,050 --> 00:02:36,480

a bigger event

50

00:02:41,150 --> 00:02:39,060

a moment later five of the same kind of

51  
00:02:44,509 --> 00:02:41,160  
sized owls flew over the top of me in a

52  
00:02:46,970 --> 00:02:44,519  
in a V formation it was wild

53  
00:02:48,830 --> 00:02:46,980  
so a few moments later I look upwards I

54  
00:02:51,410 --> 00:02:48,840  
take a deep breath and I give gratitude

55  
00:02:54,290 --> 00:02:51,420  
to the universe and say thank you

56  
00:02:56,509 --> 00:02:54,300  
and at that moment I saw a star move in

57  
00:02:58,309 --> 00:02:56,519  
right near where I was looking

58  
00:02:59,990 --> 00:02:58,319  
it wasn't moving in any crazy way it was

59  
00:03:03,470 --> 00:03:00,000  
just kind of steadily so inference

60  
00:03:05,270 --> 00:03:03,480  
through the sky from north south so I

61  
00:03:09,110 --> 00:03:05,280  
watched it

62  
00:03:11,210 --> 00:03:09,120  
it got to the highest point above me and

63  
00:03:13,670 --> 00:03:11,220

it stopped

64

00:03:15,170 --> 00:03:13,680

I didn't stop for long enough that it

65

00:03:17,089 --> 00:03:15,180

got my attention

66

00:03:19,070 --> 00:03:17,099

up until that moment as I said I thought

67

00:03:21,530 --> 00:03:19,080

it was the satellite

68

00:03:23,690 --> 00:03:21,540

so is it stopped

69

00:03:25,970 --> 00:03:23,700

and I registered that it just been

70

00:03:28,369 --> 00:03:25,980

hanging at the same point in the in the

71

00:03:31,009 --> 00:03:28,379

night sky for a while

72

00:03:32,990 --> 00:03:31,019

I asked it for something impressive

73

00:03:35,449 --> 00:03:33,000

and at that point I kind of I did a

74

00:03:37,970 --> 00:03:35,459

double take because the movement that it

75

00:03:40,550 --> 00:03:37,980

started making just wasn't

76  
00:03:42,229 --> 00:03:40,560  
movement that anything any craft that we

77  
00:03:46,250 --> 00:03:42,239  
make

78  
00:03:47,149 --> 00:03:46,260  
if you imagine a leaf falling on the

79  
00:03:49,009 --> 00:03:47,159  
Wind

80  
00:03:51,410 --> 00:03:49,019  
swooshing side to side and get another

81  
00:03:53,649 --> 00:03:51,420  
lower that's what this thing was moving

82  
00:03:56,509 --> 00:03:53,659  
like from the highest point in the sky

83  
00:03:59,149 --> 00:03:56,519  
it drifted downwards like a leaf on the

84  
00:04:01,070 --> 00:03:59,159  
Wind to the Horizon and just as it was

85  
00:04:02,509 --> 00:04:01,080  
about to disappear over the roof of the

86  
00:04:06,530 --> 00:04:02,519  
house

87  
00:04:08,750 --> 00:04:06,540  
the object shot from south to North

88  
00:04:11,630 --> 00:04:08,760

and covered the space that it took the

89

00:04:12,949 --> 00:04:11,640

commercial plane you know a good chunk

90

00:04:16,909 --> 00:04:12,959

of time to cover

91

00:04:20,509 --> 00:04:16,919

in about three seconds and it was gone

92

00:04:21,830 --> 00:04:20,519

this was simply just not ours or at

93

00:04:23,810 --> 00:04:21,840

least something that doesn't use

94

00:04:25,909 --> 00:04:23,820

propulsion or move in the same way as as

95

00:04:28,790 --> 00:04:25,919

we are used to seeing

96

00:04:32,090 --> 00:04:28,800

the Left Right swinging motion

97

00:04:34,909 --> 00:04:32,100

was just wild to witness

98

00:04:38,450 --> 00:04:34,919

as soon as I'm sat kind of slack jawed

99

00:04:40,850 --> 00:04:38,460

mind blown about what just happened

100

00:04:42,650 --> 00:04:40,860

I once again give gratitude to the

101  
00:04:44,510 --> 00:04:42,660  
universe and say thank you and do a

102  
00:04:44,840 --> 00:04:44,520  
little meditation and then as I open my

103  
00:04:46,790 --> 00:04:44,850  
eyes

104  
00:04:49,610 --> 00:04:46,800  
[Music]

105  
00:04:52,430 --> 00:04:49,620  
four more owls fly over me

106  
00:04:55,550 --> 00:04:53,870  
and

107  
00:04:59,450 --> 00:04:55,560  
there's just no other word to describe

108  
00:05:02,210 --> 00:04:59,460  
the experience other than Majestic

109  
00:05:04,490 --> 00:05:02,220  
it was a really

110  
00:05:07,670 --> 00:05:04,500  
really impressive

111  
00:05:10,430 --> 00:05:07,680  
experience and a really life-changing

112  
00:05:12,530 --> 00:05:10,440  
experience because

113  
00:05:15,110 --> 00:05:12,540

the way the object moved

114

00:05:18,469 --> 00:05:15,120

like say it just wasn't wasn't anything

115

00:05:22,490 --> 00:05:18,479

like anything I've seen humans make ever

116

00:05:24,710 --> 00:05:22,500

ever not even secret technology not even

117

00:05:27,950 --> 00:05:24,720

the wildest Things that they can come up

118

00:05:30,110 --> 00:05:27,960

with you know a human technology

119

00:05:33,290 --> 00:05:30,120

we like we like to get places fast in a

120

00:05:35,629 --> 00:05:33,300

straight line if we don't tend to uh

121

00:05:37,909 --> 00:05:35,639

we don't tend to make things that can

122

00:05:40,490 --> 00:05:37,919

fall like a leaf on the Wind

123

00:05:42,170 --> 00:05:40,500

that is one of many experiences that

124

00:05:45,830 --> 00:05:42,180

took me from

125

00:05:47,749 --> 00:05:45,840

a Believer to a a Noah

126

00:05:51,350 --> 00:05:47,759

and not Noah like Noah's Ark I mean like

127

00:05:54,230 --> 00:05:51,360

no like k n o w e r

128

00:05:58,129 --> 00:05:54,240

this thing was anomalous this thing

129

00:06:01,129 --> 00:05:58,139

was extremely likely to not be ours

130

00:06:03,230 --> 00:06:01,139

I wish I had footage of it it was this I

131

00:06:05,150 --> 00:06:03,240

think that made me go you know what when

132

00:06:06,290 --> 00:06:05,160

I have a house I'm I'm totally gonna set

133

00:06:08,090 --> 00:06:06,300

up this

134

00:06:10,129 --> 00:06:08,100

you know a system on the roof to kind of

135

00:06:12,950 --> 00:06:10,139

just track these things

136

00:06:14,510 --> 00:06:12,960

it's one of many experiences and I hope

137

00:06:15,650 --> 00:06:14,520

I can share the rest with you in the

138

00:06:17,150 --> 00:06:15,660

future

139

00:06:18,529 --> 00:06:17,160

but thank you for listening and thank

140

00:06:23,330 --> 00:06:18,539

you for giving me an opportunity to

141

00:06:28,309 --> 00:06:25,730

hi Ryan my name is Ashley I just wanted

142

00:06:30,409 --> 00:06:28,319

to share a story that is somewhat

143

00:06:34,610 --> 00:06:30,419

relevant to everything that's going on

144

00:06:37,249 --> 00:06:34,620

in North America this past two weeks

145

00:06:39,710 --> 00:06:37,259

um so this happened on Veterans Day in

146

00:06:41,529 --> 00:06:39,720

2018 in

147

00:06:45,290 --> 00:06:41,539

Kenosha Wisconsin

148

00:06:48,350 --> 00:06:45,300

I was out to breakfast with my two

149

00:06:51,529 --> 00:06:48,360

daughters and we were and I'm going to

150

00:06:53,809 --> 00:06:51,539

be really specific just because I can

151  
00:06:55,249 --> 00:06:53,819  
um we were in a restaurant called Mike's

152  
00:06:59,029 --> 00:06:55,259  
Chicken and donuts that is no longer

153  
00:07:01,730 --> 00:06:59,039  
there it sat at the corner of 56th

154  
00:07:04,809 --> 00:07:01,740  
Street and 7th Avenue right by Lake

155  
00:07:08,090 --> 00:07:04,819  
Michigan on the shore basically

156  
00:07:12,529 --> 00:07:08,100  
and my daughters and I were seated at a

157  
00:07:14,450 --> 00:07:12,539  
window that was facing 56th Street and

158  
00:07:16,430 --> 00:07:14,460  
so we're sitting there and we look out

159  
00:07:20,570 --> 00:07:16,440  
the window everything's totally normal

160  
00:07:23,029 --> 00:07:20,580  
and I look up and I see a silver ball

161  
00:07:26,570 --> 00:07:23,039  
that is just going overhead

162  
00:07:29,390 --> 00:07:26,580  
from the southwest

163  
00:07:30,950 --> 00:07:29,400

traveling in a ballistic trajectory to

164

00:07:32,150 --> 00:07:30,960

the Northeast

165

00:07:35,450 --> 00:07:32,160

so

166

00:07:37,850 --> 00:07:35,460

it you know it's heading diagonal and as

167

00:07:41,629 --> 00:07:37,860

I'm looking up I notice that there is

168

00:07:42,710 --> 00:07:41,639

another one that I can only presume is

169

00:07:46,969 --> 00:07:42,720

about

170

00:07:50,749 --> 00:07:46,979

maybe 10 miles north of it flying

171

00:07:51,409 --> 00:07:50,759

completely parallel to it

172

00:07:53,930 --> 00:07:51,419

um

173

00:07:55,129 --> 00:07:53,940

I watched this thing my daughter I you

174

00:07:58,309 --> 00:07:55,139

know I pointed out to my daughter who

175

00:07:59,749 --> 00:07:58,319

was eight or nine at the time and I

176

00:08:01,730 --> 00:07:59,759

asked her like oh my gosh do you see

177

00:08:04,570 --> 00:08:01,740

this what is that and you know we

178

00:08:09,409 --> 00:08:04,580

acknowledge it we look at it and because

179

00:08:11,629 --> 00:08:09,419

of it going in a ballistic straight line

180

00:08:13,790 --> 00:08:11,639

trajectory not making any zigzags or

181

00:08:16,189 --> 00:08:13,800

anything I didn't really think that it

182

00:08:18,710 --> 00:08:16,199

was you know a big deal or anything but

183

00:08:20,210 --> 00:08:18,720

it you know it's definitely odd

184

00:08:23,330 --> 00:08:20,220

um but we watched it the whole time

185

00:08:26,150 --> 00:08:23,340

until it disappeared into into as far

186

00:08:28,390 --> 00:08:26,160

away too far away for me to see

187

00:08:32,329 --> 00:08:28,400

um but they were both completely

188

00:08:35,750 --> 00:08:32,339

spherical silver balls there was

189

00:08:38,630 --> 00:08:35,760

absolutely no marking of any kind that I

190

00:08:43,550 --> 00:08:38,640

could see there was no differentiation

191

00:08:47,449 --> 00:08:43,560

in color they were completely silver and

192

00:08:50,389 --> 00:08:47,459

you know I know that I can't tell how

193

00:08:52,370 --> 00:08:50,399

high or low they were but they were low

194

00:08:55,370 --> 00:08:52,380

enough for me to be able to tell that

195

00:09:00,290 --> 00:08:55,380

they were spheres if I had to guess I

196

00:09:05,449 --> 00:09:00,300

would say that they were within probably

197

00:09:08,329 --> 00:09:05,459

about 16 000 feet and I'm only able to

198

00:09:11,350 --> 00:09:08,339

make that guess because where Kenosha

199

00:09:16,490 --> 00:09:11,360

Wisconsin sits is right between

200

00:09:19,490 --> 00:09:16,500

Chicago and Milwaukee and planes fly The

201  
00:09:24,230 --> 00:09:19,500

Landing path is

202  
00:09:27,949 --> 00:09:24,240

through Kenosha for Milwaukee and the

203  
00:09:29,449 --> 00:09:27,959

takeoff path from O'Hare Airport goes

204  
00:09:32,810 --> 00:09:29,459

straight North obviously if they're

205  
00:09:36,110 --> 00:09:32,820

heading north so I see low Plains very

206  
00:09:38,509 --> 00:09:36,120

frequently and I know you know that they

207  
00:09:40,269 --> 00:09:38,519

can't obviously be too high and they're

208  
00:09:43,009 --> 00:09:40,279

certainly not at

209  
00:09:43,910 --> 00:09:43,019

you know cruising altitude of 32 000

210  
00:09:47,509 --> 00:09:43,920

feet

211  
00:09:51,170 --> 00:09:47,519

so anyway I'm watching this and you know

212  
00:09:52,910 --> 00:09:51,180

they're heading out over the lake and I

213  
00:09:55,250 --> 00:09:52,920

you know I watch it I notice that

214

00:09:57,889 --> 00:09:55,260

there's the second one and I would say

215

00:10:01,070 --> 00:09:57,899

that they were probably between five and

216

00:10:03,590 --> 00:10:01,080

ten like ground miles apart in the sky

217

00:10:05,570 --> 00:10:03,600

and I only assumed that because you know

218

00:10:07,730 --> 00:10:05,580

you can see farther in the sky but they

219

00:10:09,710 --> 00:10:07,740

were still close enough to where I could

220

00:10:11,210 --> 00:10:09,720

tell you know what was going on they

221

00:10:12,949 --> 00:10:11,220

were both silver balls that had no

222

00:10:14,990 --> 00:10:12,959

identifying marks on them

223

00:10:16,670 --> 00:10:15,000

they made no sound whatsoever there

224

00:10:19,190 --> 00:10:16,680

wasn't you know when the planes are low

225

00:10:21,829 --> 00:10:19,200

in Kenosha you can hear them over your

226

00:10:24,889 --> 00:10:21,839

over a building if you're inside but

227

00:10:26,449 --> 00:10:24,899

yeah I I don't know I don't know what it

228

00:10:28,430 --> 00:10:26,459

was I don't I never really said anything

229

00:10:30,710 --> 00:10:28,440

to anybody about it because it just

230

00:10:32,210 --> 00:10:30,720

didn't seem like it was

231

00:10:33,829 --> 00:10:32,220

um super special or anything like that

232

00:10:37,250 --> 00:10:33,839

you know I just saw two balls in this

233

00:10:39,410 --> 00:10:37,260

guy but um I believe that it was not

234

00:10:41,930 --> 00:10:39,420

satellites because of the position of

235

00:10:46,009 --> 00:10:41,940

the sun I saw this at about 11 o'clock

236

00:10:49,430 --> 00:10:46,019

in the morning on Veterans Day and you

237

00:10:51,769 --> 00:10:49,440

know Kenosha Wisconsin it faces the lake

238

00:10:54,290 --> 00:10:51,779

which the sun rises in the East and so

239

00:10:58,069 --> 00:10:54,300

the sun would have been almost directly

240

00:11:00,110 --> 00:10:58,079

overhead at this point and you know if

241

00:11:01,190 --> 00:11:00,120

you there have been times that I've like

242

00:11:04,009 --> 00:11:01,200

laid out

243

00:11:07,370 --> 00:11:04,019

um on my back deck at the time which

244

00:11:09,230 --> 00:11:07,380

also faced East that when the sun sets

245

00:11:12,410 --> 00:11:09,240

you can if you're looking straight up if

246

00:11:13,970 --> 00:11:12,420

the sky is clear you can identify a

247

00:11:17,210 --> 00:11:13,980

satellite like you'll actually be able

248

00:11:18,710 --> 00:11:17,220

to see the sort of cross shape of like

249

00:11:21,650 --> 00:11:18,720

you know the working area of the

250

00:11:24,290 --> 00:11:21,660

satellite versus the solar array on

251  
00:11:27,110 --> 00:11:24,300  
either side of it and you'll you can see

252  
00:11:29,810 --> 00:11:27,120  
it reflecting the sunlight from the

253  
00:11:31,850 --> 00:11:29,820  
Setting Sun at certain times so it

254  
00:11:34,790 --> 00:11:31,860  
wasn't whatever these spheres were they

255  
00:11:36,910 --> 00:11:34,800  
were not high in the sky they weren't

256  
00:11:41,269 --> 00:11:36,920  
the typical satellites that that you see

257  
00:11:44,530 --> 00:11:41,279  
and this was in 2018 and I don't believe

258  
00:11:46,790 --> 00:11:44,540  
that star starlink had been launched yet

259  
00:11:49,790 --> 00:11:46,800  
and even still

260  
00:11:51,530 --> 00:11:49,800  
I don't really

261  
00:11:53,630 --> 00:11:51,540  
understand I mean I don't know anything

262  
00:11:55,610 --> 00:11:53,640  
about this type of stuff but there were

263  
00:11:57,889 --> 00:11:55,620

two of them they were identical they

264

00:12:00,829 --> 00:11:57,899

were flying at the same rate of speed

265

00:12:03,170 --> 00:12:00,839

completely parallel to one another there

266

00:12:05,690 --> 00:12:03,180

are no identifying markers and you know

267

00:12:08,210 --> 00:12:05,700

I saw it with my own eyes I never looked

268

00:12:09,949 --> 00:12:08,220

to see if anybody had also reported this

269

00:12:11,569 --> 00:12:09,959

on like mufon or anything like that so I

270

00:12:12,650 --> 00:12:11,579

suppose I should go and check that out

271

00:12:15,230 --> 00:12:12,660

but

272

00:12:17,509 --> 00:12:15,240

with everything going on I just wanted a

273

00:12:18,949 --> 00:12:17,519

share this with someone who may have

274

00:12:22,009 --> 00:12:18,959

heard it before

275

00:12:25,490 --> 00:12:22,019

um maybe I saw whatever surveillance

276

00:12:26,810 --> 00:12:25,500

things are being taken down now I I have

277

00:12:29,090 --> 00:12:26,820

no idea but

278

00:12:31,190 --> 00:12:29,100

I can't say they were bigger than a car

279

00:12:33,710 --> 00:12:31,200

that's for sure

280

00:12:36,470 --> 00:12:33,720

um thanks for listening email me back

281

00:12:38,389 --> 00:12:36,480

let me know what you think if anything

282

00:12:39,769 --> 00:12:38,399

it's just what happened what I observed

283

00:12:45,230 --> 00:12:39,779

thanks and I hope you're enjoying

284

00:12:49,790 --> 00:12:47,629

hey Ryan thank you for allowing me the

285

00:12:51,889 --> 00:12:49,800

opportunity to share my experiences with

286

00:12:54,889 --> 00:12:51,899

you it's an honor and a pleasure to do

287

00:12:56,990 --> 00:12:54,899

so my name is Tom Thompson some people

288

00:13:00,410 --> 00:12:57,000

may recognize me from my YouTube channel

289

00:13:02,690 --> 00:13:00,420

cortex zero podcast zero and my activity

290

00:13:04,069 --> 00:13:02,700

in the online UFO Community specifically

291

00:13:06,889 --> 00:13:04,079

on Twitter

292

00:13:09,410 --> 00:13:06,899

I'm a guitarist slash musician content

293

00:13:11,449 --> 00:13:09,420

creator an artist and I own a small

294

00:13:13,250 --> 00:13:11,459

digital design company

295

00:13:15,410 --> 00:13:13,260

I've been researching the phenomenon for

296

00:13:18,110 --> 00:13:15,420

most of my life which based on my age

297

00:13:19,850 --> 00:13:18,120

would make that over 25 years of

298

00:13:22,490 --> 00:13:19,860

personally investigating the more

299

00:13:24,530 --> 00:13:22,500

inexplicable side of life this is my

300

00:13:26,170 --> 00:13:24,540

personal story of the UFO sighting that

301  
00:13:28,790 --> 00:13:26,180  
I had as a child

302  
00:13:30,889 --> 00:13:28,800  
significantly intensified my interest in

303  
00:13:32,090 --> 00:13:30,899  
not only the phenomenon but all the

304  
00:13:34,910 --> 00:13:32,100  
other subjects that are typically

305  
00:13:37,250 --> 00:13:34,920  
connected to it even further growing up

306  
00:13:39,470 --> 00:13:37,260  
I already had an immense interest in

307  
00:13:42,350 --> 00:13:39,480  
things of this nature but this is what

308  
00:13:44,449 --> 00:13:42,360  
really dumped gasoline on that fire

309  
00:13:46,670 --> 00:13:44,459  
so when I was nine years old I was in

310  
00:13:48,350 --> 00:13:46,680  
the Boy Scouts I was on my very first

311  
00:13:50,389 --> 00:13:48,360  
camping trip ever

312  
00:13:52,910 --> 00:13:50,399  
on this particular evening I was in the

313  
00:13:54,650 --> 00:13:52,920

process of earning my fire badge so when

314

00:13:56,629 --> 00:13:54,660

everyone called it a night two of us

315

00:13:59,090 --> 00:13:56,639

would tend to the campfire and make sure

316

00:14:00,470 --> 00:13:59,100

it was out one of the adults would then

317

00:14:03,110 --> 00:14:00,480

check the fire just to be on the safe

318

00:14:04,850 --> 00:14:03,120

side and we would receive our badges

319

00:14:07,069 --> 00:14:04,860

it had been a pretty interesting night

320

00:14:08,990 --> 00:14:07,079

considering we had a campground right

321

00:14:10,190 --> 00:14:09,000

next to us that was occupied by a group

322

00:14:11,750 --> 00:14:10,200

of wiccans

323

00:14:14,090 --> 00:14:11,760

I'm not sure what they were out there

324

00:14:15,769 --> 00:14:14,100

for but at the time it felt like some

325

00:14:17,569 --> 00:14:15,779

kind of Celebration

326

00:14:19,490 --> 00:14:17,579

the chanting and singing coming from

327

00:14:21,490 --> 00:14:19,500

their Camp was really beautiful and

328

00:14:24,230 --> 00:14:21,500

carried on into the early morning hours

329

00:14:26,329 --> 00:14:24,240

after attending the fire and earning our

330

00:14:28,670 --> 00:14:26,339

badges one of my friends and I decided

331

00:14:30,230 --> 00:14:28,680

to stay up a bit later excited over the

332

00:14:32,269 --> 00:14:30,240

fact that we technically had no

333

00:14:33,650 --> 00:14:32,279

designated bedtime that we had to abide

334

00:14:36,290 --> 00:14:33,660

by strictly

335

00:14:38,810 --> 00:14:36,300

I had exited my tent which was occupied

336

00:14:40,670 --> 00:14:38,820

by myself and three of my friends

337

00:14:42,410 --> 00:14:40,680

we sat down on the logs around the

338

00:14:43,730 --> 00:14:42,420

campfire just chit chatting while I

339

00:14:46,129 --> 00:14:43,740

poked the remains of the now

340

00:14:48,889 --> 00:14:46,139

extinguished fire with a stick

341

00:14:50,750 --> 00:14:48,899

I remember how clear the night was

342

00:14:53,210 --> 00:14:50,760

that really sticks out in my mind

343

00:14:54,889 --> 00:14:53,220

amongst some other details

344

00:14:56,629 --> 00:14:54,899

the camp was situated in this nice

345

00:14:58,910 --> 00:14:56,639

clearing in the woods surrounded by a

346

00:15:00,889 --> 00:14:58,920

tree line that broke apart to reveal a

347

00:15:03,230 --> 00:15:00,899

circular section of the sky

348

00:15:05,930 --> 00:15:03,240

this was in the middle of Lebanon State

349

00:15:08,090 --> 00:15:05,940

Forest now known as Brendan T Byrne

350

00:15:10,670 --> 00:15:08,100

State Forest in Southern New Jersey

351

00:15:13,189 --> 00:15:10,680

this was a very clear very bright spring

352

00:15:15,350 --> 00:15:13,199

evening into early morning cloudless

353

00:15:16,490 --> 00:15:15,360

with the Stars prominently displayed

354

00:15:18,170 --> 00:15:16,500

above us

355

00:15:20,090 --> 00:15:18,180

my friend and I were just carrying on a

356

00:15:21,650 --> 00:15:20,100

regular conversation and I can still

357

00:15:22,910 --> 00:15:21,660

remember the smell of the woods

358

00:15:25,610 --> 00:15:22,920

distinctly

359

00:15:27,290 --> 00:15:25,620

the air was very still aside from the

360

00:15:30,050 --> 00:15:27,300

occasional light Breeze here and there

361

00:15:31,910 --> 00:15:30,060

even that was hardly noticeable

362

00:15:33,170 --> 00:15:31,920

we were sitting there for maybe a half

363

00:15:36,590 --> 00:15:33,180

hour or so

364

00:15:37,670 --> 00:15:36,600

and out of nowhere there was just this

365

00:15:40,310 --> 00:15:37,680

whoosh

366

00:15:42,650 --> 00:15:40,320

this pushing of air all around us that

367

00:15:45,410 --> 00:15:42,660

happened and it didn't feel like a

368

00:15:47,449 --> 00:15:45,420

natural Breeze it almost had the quality

369

00:15:49,550 --> 00:15:47,459

of a car driving past you at a high

370

00:15:51,829 --> 00:15:49,560

speed you can just tell the difference

371

00:15:54,110 --> 00:15:51,839

between that and the wind

372

00:15:57,110 --> 00:15:54,120

as I took notice to this I felt the

373

00:15:59,990 --> 00:15:57,120

hairs on my body stand up it was this

374

00:16:02,449 --> 00:16:00,000

remarkably weird static electrical

375

00:16:04,850 --> 00:16:02,459

sensation as if I was sitting next to a

376

00:16:07,069 --> 00:16:04,860

giant latex rubber balloon

377

00:16:09,530 --> 00:16:07,079

just a few seconds after I began to feel

378

00:16:12,110 --> 00:16:09,540

that weird static electricity I couldn't

379

00:16:14,689 --> 00:16:12,120

help but notice that the usual noises of

380

00:16:16,610 --> 00:16:14,699

the outdoors were now non-existent it

381

00:16:18,290 --> 00:16:16,620

didn't make any sense that all the

382

00:16:21,290 --> 00:16:18,300

various Wildlife around us would

383

00:16:23,750 --> 00:16:21,300

simultaneously fall silent like that it

384

00:16:26,150 --> 00:16:23,760

was ominous but that's when it happened

385

00:16:28,310 --> 00:16:26,160

something caught my attention in my

386

00:16:30,650 --> 00:16:28,320

peripheral vision to my upper right in

387

00:16:32,990 --> 00:16:30,660

the sky it started protruding from that

388

00:16:34,730 --> 00:16:33,000

section of the sky it slowly moved

389

00:16:36,590 --> 00:16:34,740

further into view until the entire

390

00:16:40,009 --> 00:16:36,600

object was visible

391

00:16:42,829 --> 00:16:40,019

it was massive and I mean that just

392

00:16:45,290 --> 00:16:42,839

enormous especially for anything that

393

00:16:47,389 --> 00:16:45,300

would be flying through the sky the moon

394

00:16:50,090 --> 00:16:47,399

was exceptionally bright on this night

395

00:16:52,790 --> 00:16:50,100

so there was no misidentifying the

396

00:16:56,150 --> 00:16:52,800

object and it obscured the stars behind

397

00:16:58,670 --> 00:16:56,160

it is craft whatever it was was

398

00:17:01,249 --> 00:16:58,680

triangular with this deep beautiful yet

399

00:17:03,769 --> 00:17:01,259

featureless matte black texture

400

00:17:06,829 --> 00:17:03,779

Each corner of the triangle came to a

401  
00:17:08,990 --> 00:17:06,839  
sort of rounded Point not quite Sharp

402  
00:17:10,909 --> 00:17:09,000  
there weren't any discernible rivets or

403  
00:17:13,309 --> 00:17:10,919  
lines of any kind

404  
00:17:16,130 --> 00:17:13,319  
it wasn't moving very fast it was

405  
00:17:20,329 --> 00:17:16,140  
comparable to a ship out on calm seas

406  
00:17:21,949 --> 00:17:20,339  
I just cannot stress the immense size of

407  
00:17:24,350 --> 00:17:21,959  
this object enough

408  
00:17:26,270 --> 00:17:24,360  
it filled a significant portion of the

409  
00:17:28,610 --> 00:17:26,280  
chunk of sky that was available to us

410  
00:17:30,530 --> 00:17:28,620  
over the clearing we were in it couldn't

411  
00:17:33,289 --> 00:17:30,540  
have been more than a few hundred feet

412  
00:17:36,590 --> 00:17:33,299  
over the top of the trees my friend and

413  
00:17:39,529 --> 00:17:36,600

I didn't say a word and we didn't make a

414

00:17:42,289 --> 00:17:39,539

single move not initially I remember

415

00:17:44,390 --> 00:17:42,299

being so mesmerized by the triangle that

416

00:17:47,450 --> 00:17:44,400

it was almost as if my brain was on

417

00:17:49,190 --> 00:17:47,460

autopilot the craft came to a very slow

418

00:17:51,770 --> 00:17:49,200

stop in the direct center of the

419

00:17:53,870 --> 00:17:51,780

clearing overhead and on each corner of

420

00:17:56,450 --> 00:17:53,880

this craft three lights in succession

421

00:17:58,430 --> 00:17:56,460

starting from the very front of the

422

00:18:00,650 --> 00:17:58,440

object moving to the left and then the

423

00:18:03,409 --> 00:18:00,660

right just flickered on in a strange

424

00:18:05,150 --> 00:18:03,419

fade-in sort of fashion it was kind of

425

00:18:07,310 --> 00:18:05,160

like a Smartphone when you hit your

426

00:18:10,370 --> 00:18:07,320

power button and the screen Fades out

427

00:18:12,049 --> 00:18:10,380

but in Reverse I will never forget the

428

00:18:14,210 --> 00:18:12,059

quality of the lights they were gorgeous

429

00:18:16,490 --> 00:18:14,220

for some reason there were white lights

430

00:18:18,830 --> 00:18:16,500

but they all had a sort of haze around

431

00:18:20,870 --> 00:18:18,840

them that reminded me of a customized

432

00:18:23,270 --> 00:18:20,880

set of aftermarket headlights on a car

433

00:18:26,390 --> 00:18:23,280

but much more straight breaking it was

434

00:18:27,529 --> 00:18:26,400

like an aqua blue fluorescent Haze it

435

00:18:30,169 --> 00:18:27,539

was just one of the most beautiful

436

00:18:32,630 --> 00:18:30,179

things I think I've ever seen this is

437

00:18:35,210 --> 00:18:32,640

when I finally said oh my God what is

438

00:18:38,330 --> 00:18:35,220

that look at that look at that are you

439

00:18:40,549 --> 00:18:38,340

seeing that am I imagining this you know

440

00:18:43,190 --> 00:18:40,559

I just wanted to be sure I needed that

441

00:18:45,830 --> 00:18:43,200

verbal confirmation from my friend he

442

00:18:48,350 --> 00:18:45,840

was badly freaked out and all he could

443

00:18:49,970 --> 00:18:48,360

say was I see it I see it like I

444

00:18:51,650 --> 00:18:49,980

remember him just stuttering like

445

00:18:53,210 --> 00:18:51,660

someone who had been out in the cold for

446

00:18:55,850 --> 00:18:53,220

too long and he was physically more

447

00:18:57,830 --> 00:18:55,860

frightened than I was he was trembling

448

00:18:59,870 --> 00:18:57,840

and he actually stood up and was sort of

449

00:19:02,630 --> 00:18:59,880

pacing in a small space back and forth

450

00:19:05,330 --> 00:19:02,640

while keeping his Gaze on this gigantic

451  
00:19:07,310 --> 00:19:05,340  
black triangle the craft began to move

452  
00:19:09,590 --> 00:19:07,320  
again and as it did we felt that

453  
00:19:11,870 --> 00:19:09,600  
unnatural electromagnetic sensation

454  
00:19:14,090 --> 00:19:11,880  
escalate as it made its way across the

455  
00:19:16,130 --> 00:19:14,100  
sky again as it disappeared over the

456  
00:19:18,529 --> 00:19:16,140  
trees the hairs on my body ceased to

457  
00:19:21,049 --> 00:19:18,539  
stand on end accompanied by yet another

458  
00:19:22,970 --> 00:19:21,059  
unnatural Bush of air and maybe four to

459  
00:19:25,190 --> 00:19:22,980  
five seconds after we could no longer

460  
00:19:26,870 --> 00:19:25,200  
see the triangle the noises one would

461  
00:19:28,909 --> 00:19:26,880  
expect to hear out in the woods at night

462  
00:19:31,190 --> 00:19:28,919  
return to their natural state

463  
00:19:33,110 --> 00:19:31,200

now you would expect kids of our age to

464

00:19:34,850 --> 00:19:33,120

wake everyone up screaming and shouting

465

00:19:37,250 --> 00:19:34,860

about what had happened but we just

466

00:19:39,710 --> 00:19:37,260

didn't that sticks out when I recall

467

00:19:41,750 --> 00:19:39,720

this event we went back to the tent and

468

00:19:43,610 --> 00:19:41,760

I don't think we slept very much but we

469

00:19:44,630 --> 00:19:43,620

just didn't talk about it the rest of

470

00:19:47,029 --> 00:19:44,640

the night

471

00:19:49,010 --> 00:19:47,039

considering I already knew so much about

472

00:19:51,470 --> 00:19:49,020

the phenomenon even at such a young age

473

00:19:53,510 --> 00:19:51,480

this stigma associated with the subject

474

00:19:55,850 --> 00:19:53,520

prevented me from sharing the story with

475

00:19:57,890 --> 00:19:55,860

almost anyone for several years as I've

476

00:19:59,930 --> 00:19:57,900

gotten older though I have shared it on

477

00:20:01,909 --> 00:19:59,940

several occasions including in one of my

478

00:20:04,190 --> 00:20:01,919

earliest YouTube videos though I didn't

479

00:20:07,610 --> 00:20:04,200

go into the kind of detail there as I

480

00:20:09,710 --> 00:20:07,620

did here at 33 I have lived with this

481

00:20:11,510 --> 00:20:09,720

experience as one of the driving factors

482

00:20:14,450 --> 00:20:11,520

in me researching the phenomenon and

483

00:20:17,210 --> 00:20:14,460

related subjects this happened to me and

484

00:20:20,510 --> 00:20:17,220

there's no changing that fact it changed

485

00:20:23,690 --> 00:20:20,520

everything I went from a Believer to an

486

00:20:25,430 --> 00:20:23,700

experiencer the difference is massive I

487

00:20:27,350 --> 00:20:25,440

still get chills when I sit and picture

488

00:20:29,990 --> 00:20:27,360

that triangular ship gliding through the

489

00:20:32,510 --> 00:20:30,000

sky I'm left with really only two

490

00:20:36,289 --> 00:20:32,520

potentialities as far as what it was

491

00:20:37,370 --> 00:20:36,299

black military or Aerospace Tech of the

492

00:20:39,830 --> 00:20:37,380

highest order

493

00:20:42,110 --> 00:20:39,840

or non-human intelligence

494

00:20:44,150 --> 00:20:42,120

the technology required to get that

495

00:20:46,430 --> 00:20:44,160

thing off the ground let alone maneuver

496

00:20:50,390 --> 00:20:46,440

it through the air didn't exist at least

497

00:20:53,810 --> 00:20:50,400

publicly in 1998 nor does it exist now

498

00:20:55,850 --> 00:20:53,820

in 2023 there have been moments of

499

00:20:58,010 --> 00:20:55,860

mostly internalized frustration

500

00:21:00,470 --> 00:20:58,020

associated with sharing my experience

501  
00:21:03,289 --> 00:21:00,480  
mostly stemming from relaying it to the

502  
00:21:06,169 --> 00:21:03,299  
closed-minded Among Us I get it though I

503  
00:21:08,150 --> 00:21:06,179  
do still I can't help but wish they

504  
00:21:09,650 --> 00:21:08,160  
could have seen what I did and felt

505  
00:21:12,409 --> 00:21:09,660  
everything that I felt that early

506  
00:21:15,470 --> 00:21:12,419  
morning this experience altered the

507  
00:21:17,930 --> 00:21:15,480  
trajectory of my entire existence I am

508  
00:21:19,789 --> 00:21:17,940  
not insane I have never been diagnosed

509  
00:21:22,190 --> 00:21:19,799  
with any significant or debilitating

510  
00:21:23,690 --> 00:21:22,200  
mental illness I'm just a guy looking

511  
00:21:25,730 --> 00:21:23,700  
for answers to the most profound

512  
00:21:27,830 --> 00:21:25,740  
questions we have asked as a species

513  
00:21:30,049 --> 00:21:27,840

this is why I'm active in the community

514

00:21:32,810 --> 00:21:30,059

why I talk about these subjects on my

515

00:21:35,570 --> 00:21:32,820

YouTube channel and podcast and why I am

516

00:21:36,830 --> 00:21:35,580

Relentless in this search I live with

517

00:21:39,289 --> 00:21:36,840

the knowledge that something is

518

00:21:41,450 --> 00:21:39,299

happening and it's a double-edged sword

519

00:21:44,330 --> 00:21:41,460

like almost nothing else

520

00:21:48,049 --> 00:21:44,340

this one is much more recent on November

521

00:21:51,049 --> 00:21:48,059

26 2022 an event occurred that caught me

522

00:21:52,610 --> 00:21:51,059

completely off guard even though this is

523

00:21:54,830 --> 00:21:52,620

not the first time this type of thing

524

00:21:57,590 --> 00:21:54,840

has taken place in my life it takes

525

00:22:00,350 --> 00:21:57,600

nothing away from the sheer awe I found

526  
00:22:02,450 --> 00:22:00,360  
myself in as I laid eyes on something I

527  
00:22:06,049 --> 00:22:02,460  
could not explain floating in the sky

528  
00:22:08,149 --> 00:22:06,059  
above me at approximately 2 17 PM

529  
00:22:10,070 --> 00:22:08,159  
Eastern Standard time I was driving my

530  
00:22:12,169 --> 00:22:10,080  
work truck heading east in the direction

531  
00:22:15,169 --> 00:22:12,179  
of my job to return from doing field

532  
00:22:17,090 --> 00:22:15,179  
visits ironically only 10 minutes prior

533  
00:22:19,490 --> 00:22:17,100  
to this I had been recording a vlog

534  
00:22:21,049 --> 00:22:19,500  
video on the phenomenon as I approached

535  
00:22:23,450 --> 00:22:21,059  
the intersection where I would be taking

536  
00:22:25,850 --> 00:22:23,460  
a left turn there was a sharp bright

537  
00:22:27,890 --> 00:22:25,860  
glimmer that caught my eye above me

538  
00:22:30,830 --> 00:22:27,900

through the windshield I looked upward

539

00:22:33,470 --> 00:22:30,840

and there it was in the sky above my

540

00:22:36,169 --> 00:22:33,480

truck was this cone just sitting in

541

00:22:38,630 --> 00:22:36,179

place yet it was rotating not very fast

542

00:22:41,210 --> 00:22:38,640

but just turning in a circular motion

543

00:22:43,190 --> 00:22:41,220

top portion of the cone came to a sharp

544

00:22:45,710 --> 00:22:43,200

point with the sun to its right it

545

00:22:49,130 --> 00:22:45,720

glistened almost like metal but it had a

546

00:22:51,110 --> 00:22:49,140

very glassy translucent appearance the

547

00:22:53,930 --> 00:22:51,120

blue sky was clear of any real cloud

548

00:22:57,470 --> 00:22:53,940

cover so I had the object in full direct

549

00:23:00,770 --> 00:22:57,480

view honestly it was a beautiful thing

550

00:23:02,810 --> 00:23:00,780

to lay eyes on my sense of time began to

551  
00:23:05,630 --> 00:23:02,820  
waver not to mention the fact that I had

552  
00:23:07,730 --> 00:23:05,640  
to keep my eyes on the road the sighting

553  
00:23:09,890 --> 00:23:07,740  
lasted for what I estimate to be the

554  
00:23:12,649 --> 00:23:09,900  
slowest three seconds I've ever

555  
00:23:14,810 --> 00:23:12,659  
experienced and then it vanished

556  
00:23:17,210 --> 00:23:14,820  
but not a split second flash or anything

557  
00:23:19,549 --> 00:23:17,220  
like that it was as if the object took

558  
00:23:22,490 --> 00:23:19,559  
the sky behind it and wrapped it around

559  
00:23:24,770 --> 00:23:22,500  
itself like a sheet and faded behind it

560  
00:23:27,169 --> 00:23:24,780  
at this point my phone was now in my

561  
00:23:29,270 --> 00:23:27,179  
hand with my camera on and ready

562  
00:23:30,830 --> 00:23:29,280  
it had transpired too quickly for me to

563  
00:23:33,110 --> 00:23:30,840

even have a chance of capturing anything

564

00:23:35,510 --> 00:23:33,120

but just in case the object decided to

565

00:23:37,130 --> 00:23:35,520

show itself one more time it pulled over

566

00:23:39,470 --> 00:23:37,140

into the parking lot directly to my

567

00:23:42,710 --> 00:23:39,480

right and began to record I waited for

568

00:23:45,049 --> 00:23:42,720

about 10 minutes or so but to no avail I

569

00:23:47,390 --> 00:23:45,059

was stunned it really took me by

570

00:23:49,730 --> 00:23:47,400

surprise ironically appearing just after

571

00:23:51,950 --> 00:23:49,740

I had recorded a video talking about the

572

00:23:54,289 --> 00:23:51,960

phenomenon it was as if I was being

573

00:23:56,870 --> 00:23:54,299

teased by whatever the intelligence was

574

00:23:59,149 --> 00:23:56,880

behind this event after I stopped the

575

00:24:01,070 --> 00:23:59,159

recording I got back into my truck I

576

00:24:03,169 --> 00:24:01,080

began recording a different clip one

577

00:24:05,930 --> 00:24:03,179

where I made note of my location the

578

00:24:08,390 --> 00:24:05,940

time date and the quick details of what

579

00:24:10,370 --> 00:24:08,400

I had seen not too long after this I

580

00:24:13,549 --> 00:24:10,380

returned to my job and I filed a report

581

00:24:15,409 --> 00:24:13,559

with the National UFO Reporting Center I

582

00:24:18,049 --> 00:24:15,419

provided as detailed a description as

583

00:24:20,690 --> 00:24:18,059

possible it really kills me that the

584

00:24:22,850 --> 00:24:20,700

object whatever it was vanished before I

585

00:24:25,149 --> 00:24:22,860

even had the slightest chance to capture

586

00:24:27,470 --> 00:24:25,159

it on video or in the least a photo

587

00:24:29,810 --> 00:24:27,480

regardless I was grateful to have seen

588

00:24:32,330 --> 00:24:29,820

such a beautiful and mysterious sight

589

00:24:34,610 --> 00:24:32,340

the rest of the week was pretty odd for

590

00:24:36,710 --> 00:24:34,620

me too not sure if these events are

591

00:24:38,570 --> 00:24:36,720

related but I still wanted to make note

592

00:24:40,610 --> 00:24:38,580

of anything out of the ordinary because

593

00:24:43,310 --> 00:24:40,620

this is how the phenomenon seems to

594

00:24:45,529 --> 00:24:43,320

operate based on what I know of it but

595

00:24:48,470 --> 00:24:45,539

the next week every single night my

596

00:24:51,350 --> 00:24:48,480

dreams were dramatically Lucid just out

597

00:24:53,930 --> 00:24:51,360

of nowhere on the 28th two days after

598

00:24:57,529 --> 00:24:53,940

the sighting the way my day began was

599

00:25:00,110 --> 00:24:57,539

extremely unusual following yet another

600

00:25:02,630 --> 00:25:00,120

lucid dream for some reason when I got

601  
00:25:04,430 --> 00:25:02,640  
up out of bed and I've never had this

602  
00:25:06,950 --> 00:25:04,440  
type of feeling to such an extraordinary

603  
00:25:09,950 --> 00:25:06,960  
degree I was questioning whether or not

604  
00:25:12,110 --> 00:25:09,960  
I was still asleep it was really odd

605  
00:25:13,789 --> 00:25:12,120  
I've had that kind of thing last for

606  
00:25:16,250 --> 00:25:13,799  
maybe a few seconds in bed before

607  
00:25:18,169 --> 00:25:16,260  
getting up plenty of times prior but

608  
00:25:21,830 --> 00:25:18,179  
this stopped me in my tracks and lasted

609  
00:25:23,630 --> 00:25:21,840  
15 minutes or so again I don't really

610  
00:25:25,669 --> 00:25:23,640  
know if there's any direct correlation

611  
00:25:28,070 --> 00:25:25,679  
between my sighting and this unusual

612  
00:25:30,529 --> 00:25:28,080  
sleep pattern and subsequent incident of

613  
00:25:32,330 --> 00:25:30,539

my mind questioning my surroundings but

614

00:25:35,390 --> 00:25:32,340

I feel it was more than worth noting

615

00:25:37,310 --> 00:25:35,400

that's not all though on three separate

616

00:25:39,830 --> 00:25:37,320

occasions over that next week I

617

00:25:42,769 --> 00:25:39,840

experienced what I can only describe as

618

00:25:44,750 --> 00:25:42,779

precognition I am not claiming to be

619

00:25:46,730 --> 00:25:44,760

some kind of Mystic here and I have my

620

00:25:49,730 --> 00:25:46,740

own personal opinions on such phenomenon

621

00:25:51,169 --> 00:25:49,740

but this really couldn't be ignored and

622

00:25:53,570 --> 00:25:51,179

during meditation I had been

623

00:25:56,210 --> 00:25:53,580

experiencing very strange presences

624

00:25:58,070 --> 00:25:56,220

around me very similar to the feeling

625

00:26:00,049 --> 00:25:58,080

that you'll get when someone enters the

626

00:26:02,510 --> 00:26:00,059

room you're in you haven't even laid

627

00:26:04,549 --> 00:26:02,520

eyes on them yet in the months following

628

00:26:07,789 --> 00:26:04,559

the sighting it feels like my life has

629

00:26:09,470 --> 00:26:07,799

entered a beautiful new chapter so many

630

00:26:11,870 --> 00:26:09,480

wonderful things have begun to happen

631

00:26:14,029 --> 00:26:11,880

and I can't help but feel as though that

632

00:26:15,529 --> 00:26:14,039

cone in the sky may have been a sign of

633

00:26:18,049 --> 00:26:15,539

the great things that have now come to

634

00:26:20,090 --> 00:26:18,059

fruition there is no way for me to know

635

00:26:23,810 --> 00:26:20,100

whether or not that's true but all I'm

636

00:26:26,269 --> 00:26:23,820

know is that we know very little at all

637

00:26:28,130 --> 00:26:26,279

thanks again Ryan it was my honor and

638

00:26:29,870 --> 00:26:28,140

pleasure to share my stories with you

639

00:26:32,210 --> 00:26:29,880

and everyone else that will end up

640

00:26:39,070 --> 00:26:32,220

reading them or hearing them take care

641

00:26:44,570 --> 00:26:41,810

the somewhere in the skies podcast is

642

00:26:46,669 --> 00:26:44,580

free to listen to every week but if you

643

00:26:49,549 --> 00:26:46,679

would like to help support the show we

644

00:26:51,169 --> 00:26:49,559

have a very active patreon page where

645

00:26:53,750 --> 00:26:51,179

you give what you think the show is

646

00:26:56,930 --> 00:26:53,760

worth in return you'll get early access

647

00:27:00,169 --> 00:26:56,940

to the main show bonus episodes and

648

00:27:02,870 --> 00:27:00,179

priority to ask our guests your listener

649

00:27:06,110 --> 00:27:02,880

questions your support truly makes the

650

00:27:09,370 --> 00:27:06,120

show continue and grow so to learn more

651  
00:27:10,960 --> 00:27:09,380  
and to join visit [patreon.com](https://www.patreon.com)

652  
00:27:17,049 --> 00:27:10,970  
somewhere Skies

653  
00:27:22,130 --> 00:27:20,269  
UFOs seem to be invading both our skies

654  
00:27:24,470 --> 00:27:22,140  
and our news outlets like never before

655  
00:27:27,409 --> 00:27:24,480  
and more people are starting to look up

656  
00:27:30,289 --> 00:27:27,419  
and are wondering who or what might be

657  
00:27:32,390 --> 00:27:30,299  
out there in 2016 Ryan Sprague

658  
00:27:34,010 --> 00:27:32,400  
introduced the world to countless UFO

659  
00:27:36,590 --> 00:27:34,020  
encounters that had never been made

660  
00:27:38,930 --> 00:27:36,600  
public before and now in the second

661  
00:27:41,269 --> 00:27:38,940  
edition of his book he revisits these

662  
00:27:44,390 --> 00:27:41,279  
events and introduces brand new UFO

663  
00:27:47,149 --> 00:27:44,400

cases in somewhere in the skies a human

664

00:27:49,130 --> 00:27:47,159

approach to the UFO phenomenon how have

665

00:27:51,350 --> 00:27:49,140

these events changed the lives of those

666

00:27:53,990 --> 00:27:51,360

involved and what might it tell us about

667

00:27:56,149 --> 00:27:54,000

the Phenomenon with in-depth follow-ups

668

00:27:58,190 --> 00:27:56,159

brand new chapters and detailed

669

00:27:59,930 --> 00:27:58,200

testimony from credible Witnesses and

670

00:28:02,750 --> 00:27:59,940

insight from those in the psychological

671

00:28:05,570 --> 00:28:02,760

academic and scientific Fields somewhere

672

00:28:08,149 --> 00:28:05,580

in the skies a human approach to the UFO

673

00:28:10,250 --> 00:28:08,159

phenomenon weaves together a story of

674

00:28:12,710 --> 00:28:10,260

stories attempting to get to the heart

675

00:28:15,169 --> 00:28:12,720

of these Mysteries one experience at a

676

00:28:18,110 --> 00:28:15,179

time available now on Amazon in both

677

00:28:27,470 --> 00:28:18,120

paperback and ebook to learn more visit

678

00:28:32,090 --> 00:28:30,350

hi there Ryan I just want to thank you

679

00:28:35,390 --> 00:28:32,100

very much for

680

00:28:38,390 --> 00:28:35,400

give me the chance to share my story

681

00:28:39,289 --> 00:28:38,400

on your podcast and uh with all your

682

00:28:41,930 --> 00:28:39,299

listeners

683

00:28:45,110 --> 00:28:41,940

it's an absolute pleasure and uh yeah

684

00:28:49,130 --> 00:28:45,120

gonna get straight into it so my name is

685

00:28:51,710 --> 00:28:49,140

Rob Scott and uh I'm from the west coast

686

00:28:55,010 --> 00:28:51,720

of Ireland from a small village called

687

00:28:58,070 --> 00:28:55,020

argour on just outside of a town called

688

00:28:59,149 --> 00:28:58,080

Westport I guess from a very young age I

689

00:29:00,769 --> 00:28:59,159

was always

690

00:29:02,330 --> 00:29:00,779

fascinated

691

00:29:05,630 --> 00:29:02,340

by uh

692

00:29:09,049 --> 00:29:05,640

UFOs or aerial phenomenons as they're

693

00:29:11,750 --> 00:29:09,059

called now and also the Paranormal so

694

00:29:15,950 --> 00:29:11,760

yeah I guess the story starts

695

00:29:18,710 --> 00:29:15,960

in the summer of 2022

696

00:29:22,730 --> 00:29:18,720

I moved to Vancouver

697

00:29:24,370 --> 00:29:22,740

in the summer of 2019 so I was there a

698

00:29:28,070 --> 00:29:24,380

couple years before

699

00:29:31,370 --> 00:29:28,080

this event took place before that I had

700

00:29:33,110 --> 00:29:31,380

never witnessed anything Supernatural in

701  
00:29:36,889 --> 00:29:33,120  
the sky as before

702  
00:29:39,049 --> 00:29:36,899  
but always had the hope one day that I

703  
00:29:40,789 --> 00:29:39,059  
will get the chance to uh

704  
00:29:45,470 --> 00:29:40,799  
to witness something

705  
00:29:46,909 --> 00:29:45,480  
I guess it started my first uh my first

706  
00:29:48,710 --> 00:29:46,919  
account of it would have been at the

707  
00:29:52,130 --> 00:29:48,720  
back of my house and

708  
00:29:55,010 --> 00:29:52,140  
on my deck uh I was playing guitar with

709  
00:29:56,269 --> 00:29:55,020  
my girlfriend on the deck and having a

710  
00:29:57,889 --> 00:29:56,279  
few beers

711  
00:30:00,230 --> 00:29:57,899  
so I always used to go up there chill

712  
00:30:03,769 --> 00:30:00,240  
out and just uh

713  
00:30:06,830 --> 00:30:03,779

look up at the sky at the at the night

714

00:30:08,990 --> 00:30:06,840

time the skies were always super clear

715

00:30:13,010 --> 00:30:09,000

during the summer in Vancouver you could

716

00:30:16,070 --> 00:30:13,020

you could see everything up there

717

00:30:18,350 --> 00:30:16,080

um and that nice it was it was super

718

00:30:20,269 --> 00:30:18,360

quiet it was about 10 P.M

719

00:30:24,110 --> 00:30:20,279

super quiet as you could hear a pin drop

720

00:30:25,310 --> 00:30:24,120

and so I was just relaxing leaning back

721

00:30:27,470 --> 00:30:25,320

in my chair

722

00:30:30,710 --> 00:30:27,480

against a deck and

723

00:30:32,510 --> 00:30:30,720

had my eyes fixated on the skies and I

724

00:30:35,870 --> 00:30:32,520

witnessed

725

00:30:39,289 --> 00:30:35,880

a triangular object Fly Above me with

726

00:30:42,470 --> 00:30:39,299

three lights underneath one on each

727

00:30:44,750 --> 00:30:42,480

Corner three white lights quite fiend

728

00:30:46,370 --> 00:30:44,760

but visible to the other year

729

00:30:49,669 --> 00:30:46,380

nonetheless

730

00:30:52,909 --> 00:30:49,679

flying at quite some speed it must have

731

00:30:54,590 --> 00:30:52,919

been a couple of hundred uh 100 miles an

732

00:30:56,389 --> 00:30:54,600

hour

733

00:30:59,990 --> 00:30:56,399

um completely silent

734

00:31:02,930 --> 00:31:00,000

as it flew above me it was no more than

735

00:31:06,049 --> 00:31:02,940

one thousand feet

736

00:31:07,669 --> 00:31:06,059

um so as soon as I seen this I was I was

737

00:31:08,690 --> 00:31:07,679

absolutely shocked I shouted at my

738

00:31:10,250 --> 00:31:08,700

girlfriend

739

00:31:11,990 --> 00:31:10,260

and uh

740

00:31:14,510 --> 00:31:12,000

of course she didn't see it even though

741

00:31:17,690 --> 00:31:14,520

I told her to to keep her eyes on the

742

00:31:20,269 --> 00:31:17,700

sky in case Anita never does fly by

743

00:31:21,409 --> 00:31:20,279

so I have uh I have a witness there to

744

00:31:23,750 --> 00:31:21,419

back me up

745

00:31:26,330 --> 00:31:23,760

but anyways she didn't see it it was

746

00:31:27,649 --> 00:31:26,340

just myself and so I shouted at her

747

00:31:28,669 --> 00:31:27,659

straight away did you see you did you

748

00:31:31,549 --> 00:31:28,679

see it

749

00:31:33,049 --> 00:31:31,559

and uh she said no no what are you

750

00:31:35,330 --> 00:31:33,059

talking about

751

00:31:39,950 --> 00:31:35,340

so I just said I just seen this I seen

752

00:31:43,310 --> 00:31:39,960

this thing fly by like super low and um

753

00:31:45,649 --> 00:31:43,320

I was absolutely I was I was shocked at

754

00:31:49,130 --> 00:31:45,659

what I'd seen I couldn't believe it

755

00:31:51,769 --> 00:31:49,140

so at first I was like okay surely this

756

00:31:54,529 --> 00:31:51,779

this has to be a plane

757

00:31:56,690 --> 00:31:54,539

um it was flying from north to south and

758

00:31:59,090 --> 00:31:56,700

so at first I thought it was a plane

759

00:32:01,190 --> 00:31:59,100

so I checked my uh

760

00:32:02,930 --> 00:32:01,200

my flight radar on my phone to see if

761

00:32:05,090 --> 00:32:02,940

there were any uh

762

00:32:06,950 --> 00:32:05,100

any aircrafts in the area flying from

763

00:32:09,950 --> 00:32:06,960

north to south and

764

00:32:11,750 --> 00:32:09,960

lo and behold there was Zero aircrafts

765

00:32:14,570 --> 00:32:11,760

in the area and

766

00:32:16,730 --> 00:32:14,580

um I was like okay that's that's quite

767

00:32:19,070 --> 00:32:16,740

odd I guess it has to be something else

768

00:32:22,430 --> 00:32:19,080

so yeah this thing that I seen it was

769

00:32:27,230 --> 00:32:22,440

flying super low 1000 feet no more

770

00:32:30,370 --> 00:32:27,240

a high rate of speed and it had a

771

00:32:35,029 --> 00:32:30,380

wingspan of at least I'm guessing maybe

772

00:32:38,769 --> 00:32:35,039

40 to 60 feet shaped like a triangle

773

00:32:42,710 --> 00:32:38,779

with one light on each corner so I guess

774

00:32:46,190 --> 00:32:42,720

after the uh after I witnessed it I was

775

00:32:48,289 --> 00:32:46,200

uh I was trying to disprove myself to to

776

00:32:50,690 --> 00:32:48,299

see if it's uh

777

00:32:53,510 --> 00:32:50,700

if it was an airplane

778

00:32:55,490 --> 00:32:53,520

but obviously not because I checked the

779

00:32:58,490 --> 00:32:55,500

uh the flight Raider

780

00:33:01,070 --> 00:32:58,500

and uh that was a no-go as there was

781

00:33:04,610 --> 00:33:01,080

nothing flying in the area at that time

782

00:33:07,549 --> 00:33:04,620

from north to south so it's uh my second

783

00:33:09,470 --> 00:33:07,559

thought was then it was a UFO

784

00:33:11,930 --> 00:33:09,480

something which I had uh I'd never

785

00:33:14,090 --> 00:33:11,940

witnessed before especially that close

786

00:33:17,630 --> 00:33:14,100

you know it was only it was no more than

787

00:33:19,789 --> 00:33:17,640

a thousand feet above me and um yeah so

788

00:33:20,870 --> 00:33:19,799

I was I was pretty shocked when I seen

789

00:33:23,690 --> 00:33:20,880

it but

790

00:33:25,909 --> 00:33:23,700

I always believed that uh that these

791

00:33:28,610 --> 00:33:25,919

aircraft were out there but I also

792

00:33:29,389 --> 00:33:28,620

thought it could have been a military as

793

00:33:32,029 --> 00:33:29,399

well

794

00:33:33,169 --> 00:33:32,039

because I know I know the US military

795

00:33:36,590 --> 00:33:33,179

has

796

00:33:39,289 --> 00:33:36,600

stealth aircraft that um that looks

797

00:33:44,509 --> 00:33:39,299

similar to the uh the aircraft that I

798

00:33:47,269 --> 00:33:44,519

seen but I know that stead aircraft have

799

00:33:50,269 --> 00:33:47,279

uh are quite noisy when they're flying

800

00:33:52,549 --> 00:33:50,279

low but this one had it was it was

801  
00:33:56,870 --> 00:33:52,559  
completely silent as it flew across at

802  
00:33:59,210 --> 00:33:56,880  
at a high rated speed above me so yeah I

803  
00:34:01,490 --> 00:33:59,220  
guess I guess that's that's really

804  
00:34:04,190 --> 00:34:01,500  
that's really about it like you know I I

805  
00:34:06,950 --> 00:34:04,200  
I try I kept trying to

806  
00:34:09,230 --> 00:34:06,960  
say to myself like you know it was an

807  
00:34:11,149 --> 00:34:09,240  
aircraft it was an aircraft but there

808  
00:34:15,829 --> 00:34:11,159  
was nothing in the area so

809  
00:34:19,010 --> 00:34:15,839  
it's uh it had to have been a UFO

810  
00:34:21,950 --> 00:34:19,020  
so I guess today I I look back at it and

811  
00:34:25,250 --> 00:34:21,960  
think you know what a crazy experience

812  
00:34:26,270 --> 00:34:25,260  
but also I'm very grateful that I got to

813  
00:34:28,070 --> 00:34:26,280

## Witnesses

814

00:34:30,950 --> 00:34:28,080

because I'd never

815

00:34:34,490 --> 00:34:30,960

never witnessed something like that

816

00:34:38,050 --> 00:34:34,500

before so yeah that's uh that's that's

817

00:34:40,010 --> 00:34:38,060

really is that's my the height of my uh

818

00:34:42,649 --> 00:34:40,020

UFO story

819

00:34:44,629 --> 00:34:42,659

yeah so I just wanna I wanna thank you

820

00:34:47,210 --> 00:34:44,639

very much for for letting me share my

821

00:34:53,510 --> 00:34:47,220

story on your podcast and uh best of

822

00:35:00,710 --> 00:34:56,629

hello Ryan my name is uh Ben

823

00:35:03,490 --> 00:35:00,720

I live in South Eastern Pennsylvania

824

00:35:06,290 --> 00:35:03,500

the area around here is uh very rural

825

00:35:08,990 --> 00:35:06,300

mostly farming country

826

00:35:10,730 --> 00:35:09,000

a lot of the Amish community resides in

827

00:35:13,490 --> 00:35:10,740

the area

828

00:35:14,810 --> 00:35:13,500

uh my family has been Farmers for many

829

00:35:17,690 --> 00:35:14,820

generations

830

00:35:20,750 --> 00:35:17,700

I actually live right across the road

831

00:35:23,030 --> 00:35:20,760

from our farm but grew up on this Farm

832

00:35:26,210 --> 00:35:23,040

was born born and raised here

833

00:35:28,730 --> 00:35:26,220

so um I actually do antique restoration

834

00:35:30,890 --> 00:35:28,740

and and farm for for over 20 years I've

835

00:35:32,329 --> 00:35:30,900

been self-employed building furniture

836

00:35:34,430 --> 00:35:32,339

and restoring

837

00:35:38,210 --> 00:35:34,440

restoring antiques

838

00:35:39,829 --> 00:35:38,220

my shops are on this or in our 120 Acre

839

00:35:42,670 --> 00:35:39,839

Farm here

840

00:35:46,310 --> 00:35:42,680

yeah I'd like to tell you a few of

841

00:35:47,349 --> 00:35:46,320

unexplainable experiences that occurred

842

00:35:50,150 --> 00:35:47,359

to me

843

00:35:51,170 --> 00:35:50,160

the first one happened about 12 years

844

00:35:55,370 --> 00:35:51,180

ago

845

00:35:59,450 --> 00:35:55,380

I was alone outside Reagan leaves in my

846

00:36:01,970 --> 00:35:59,460

front yard and across from my place oh

847

00:36:04,370 --> 00:36:01,980

maybe like 100 yards right across the

848

00:36:06,890 --> 00:36:04,380

road is the the farm and the fields and

849

00:36:09,349 --> 00:36:06,900

there's a driveway along

850

00:36:12,530 --> 00:36:09,359

a long driveway that goes in between the

851  
00:36:16,190 --> 00:36:12,540  
fields and the driveway is uh it's lined

852  
00:36:18,589 --> 00:36:16,200  
with uh these huge white pine trees my

853  
00:36:20,810 --> 00:36:18,599  
grandfather actually had him planted

854  
00:36:24,589 --> 00:36:20,820  
years and years and years ago

855  
00:36:26,750 --> 00:36:24,599  
so I just happened to look up and see

856  
00:36:30,829 --> 00:36:26,760  
this dark shadow

857  
00:36:33,890 --> 00:36:30,839  
uh come across the the left field

858  
00:36:35,510 --> 00:36:33,900  
it was maybe a hundred feet off the

859  
00:36:37,970 --> 00:36:35,520  
ground if that

860  
00:36:40,190 --> 00:36:37,980  
uh and it and it stopped

861  
00:36:41,630 --> 00:36:40,200  
over top of

862  
00:36:43,190 --> 00:36:41,640  
the last

863  
00:36:44,270 --> 00:36:43,200

um white pine tree at the end of the

864

00:36:47,450 --> 00:36:44,280

driveway

865

00:36:50,530 --> 00:36:47,460

and when I looked at it it was it was a

866

00:36:54,490 --> 00:36:50,540

huge black triangle maybe each side was

867

00:36:57,349 --> 00:36:54,500

30 40 feet of the triangle

868

00:36:59,810 --> 00:36:57,359

made no noise whatsoever

869

00:37:01,550 --> 00:36:59,820

I could see the the angle from it

870

00:37:03,770 --> 00:37:01,560

because it was kind of up from me

871

00:37:04,609 --> 00:37:03,780

I could see the bottom of it and at each

872

00:37:08,329 --> 00:37:04,619

point

873

00:37:09,950 --> 00:37:08,339

it was illuminated like I want to say a

874

00:37:12,530 --> 00:37:09,960

round light but it

875

00:37:14,390 --> 00:37:12,540

it wasn't like a spotlight oh and it was

876

00:37:16,370 --> 00:37:14,400

it was probably

877

00:37:18,890 --> 00:37:16,380

maybe four or five o'clock so it's still

878

00:37:20,270 --> 00:37:18,900

light out I had a really clear view of

879

00:37:22,069 --> 00:37:20,280

this thing

880

00:37:23,690 --> 00:37:22,079

um but it was I didn't it was like an

881

00:37:25,069 --> 00:37:23,700

orb but it was part of the ship

882

00:37:25,730 --> 00:37:25,079

underneath

883

00:37:28,790 --> 00:37:25,740

um

884

00:37:29,510 --> 00:37:28,800

I was awestruck I just stopped what I'm

885

00:37:35,390 --> 00:37:29,520

doing

886

00:37:38,030 --> 00:37:35,400

looked out across and was just blown

887

00:37:39,230 --> 00:37:38,040

away by what this was at first I'm

888

00:37:43,730 --> 00:37:39,240

thinking

889

00:37:46,130 --> 00:37:43,740

maybe some uh you know Air Force

890

00:37:49,490 --> 00:37:46,140

craft or something but it made no noise

891

00:37:51,230 --> 00:37:49,500

whatsoever uh and it just I was

892

00:37:53,210 --> 00:37:51,240

immediately just was like I think this

893

00:37:54,950 --> 00:37:53,220

is a UFO

894

00:37:56,990 --> 00:37:54,960

um so I just stopped and stared in it it

895

00:38:00,770 --> 00:37:57,000

hovered Above This pine tree

896

00:38:03,589 --> 00:38:00,780

not too far above it uh for it felt like

897

00:38:05,510 --> 00:38:03,599

forever but it was probably 20 30

898

00:38:09,829 --> 00:38:05,520

seconds maybe

899

00:38:11,089 --> 00:38:09,839

and then it just slowly moved across my

900

00:38:12,470 --> 00:38:11,099

field of vision

901  
00:38:13,910 --> 00:38:12,480  
to the right

902  
00:38:16,370 --> 00:38:13,920  
no noise

903  
00:38:18,890 --> 00:38:16,380  
same height same altitude off the ground

904  
00:38:20,630 --> 00:38:18,900  
pretty pretty low right right there man

905  
00:38:22,430 --> 00:38:20,640  
and uh

906  
00:38:25,130 --> 00:38:22,440  
then all of a sudden

907  
00:38:28,790 --> 00:38:25,140  
it was gone it literally

908  
00:38:31,250 --> 00:38:28,800  
appeared to disappear in front of my my

909  
00:38:33,950 --> 00:38:31,260  
eyes I I don't know that's the only way

910  
00:38:35,030 --> 00:38:33,960  
I can explain it it was it was there and

911  
00:38:38,569 --> 00:38:35,040  
gone

912  
00:38:42,109 --> 00:38:38,579  
um just it was so cool what what an

913  
00:38:43,609 --> 00:38:42,119

experience uh and I went inside and my

914

00:38:45,829 --> 00:38:43,619

wife was in there

915

00:38:47,630 --> 00:38:45,839

with the kids they were little at the

916

00:38:49,310 --> 00:38:47,640

time and you know I told her and she was

917

00:38:51,770 --> 00:38:49,320

kind of like wow that's so cool but you

918

00:38:54,230 --> 00:38:51,780

know that was it so but to me it it

919

00:38:57,530 --> 00:38:54,240

changed me I've always been interested

920

00:38:59,630 --> 00:38:57,540

in UFOs and outer space and just

921

00:39:01,370 --> 00:38:59,640

stargazing and Hiking across the field

922

00:39:04,430 --> 00:39:01,380

at night and

923

00:39:06,170 --> 00:39:04,440

just looking for stuff just just out of

924

00:39:09,589 --> 00:39:06,180

curiosity but you know always felt like

925

00:39:11,270 --> 00:39:09,599

there was more to just this Earth and

926

00:39:11,930 --> 00:39:11,280

and humans

927

00:39:14,630 --> 00:39:11,940

um

928

00:39:16,130 --> 00:39:14,640

so uh and and sure enough I got to

929

00:39:18,829 --> 00:39:16,140

witness something so I thought it was

930

00:39:22,190 --> 00:39:18,839

special and and it just made me want to

931

00:39:24,349 --> 00:39:22,200

delve into the topic more and see what

932

00:39:26,630 --> 00:39:24,359

was out there and and

933

00:39:28,430 --> 00:39:26,640

boy I realized that there's a lot of

934

00:39:30,770 --> 00:39:28,440

this that goes on

935

00:39:33,829 --> 00:39:30,780

um especially now at this time with

936

00:39:36,890 --> 00:39:33,839

with what the military has released

937

00:39:39,890 --> 00:39:36,900

um you know I I believe they know and

938

00:39:42,050 --> 00:39:39,900

they're either not telling us or they

939

00:39:43,910 --> 00:39:42,060

probably don't know everything either so

940

00:39:45,770 --> 00:39:43,920

my other experience I wanted to share

941

00:39:47,750 --> 00:39:45,780

which actually happened

942

00:39:49,069 --> 00:39:47,760

a couple months ago

943

00:39:50,210 --> 00:39:49,079

I think it was probably the end of

944

00:39:52,250 --> 00:39:50,220

summer

945

00:39:56,810 --> 00:39:52,260

me and my son were in my wood shop

946

00:40:00,290 --> 00:39:56,820

working and all of a sudden we hear this

947

00:40:03,530 --> 00:40:00,300

really loud noise

948

00:40:06,950 --> 00:40:03,540

um it could almost feel it uh it's like

949

00:40:07,870 --> 00:40:06,960

literally shaking the windows in in the

950

00:40:10,790 --> 00:40:07,880

shop

951  
00:40:13,069 --> 00:40:10,800  
you know like the vinyl windows that

952  
00:40:15,710 --> 00:40:13,079  
people have uh anyway so we go outside

953  
00:40:17,210 --> 00:40:15,720  
to see what this is and we look across

954  
00:40:20,030 --> 00:40:17,220  
the fields

955  
00:40:22,010 --> 00:40:20,040  
and sure enough there is this fighter

956  
00:40:23,930 --> 00:40:22,020  
jet what looked like you know an Air

957  
00:40:26,750 --> 00:40:23,940  
Force fighter jet

958  
00:40:29,210 --> 00:40:26,760  
coming across the field pretty low

959  
00:40:32,390 --> 00:40:29,220  
so low and I'm guessing that's why it

960  
00:40:35,150 --> 00:40:32,400  
was so loud uh came across the fields

961  
00:40:36,950 --> 00:40:35,160  
and we were like just what's going on

962  
00:40:40,450 --> 00:40:36,960  
here why is this thing flying so low

963  
00:40:47,450 --> 00:40:40,460

because it was so loud and sure enough

964

00:40:49,370 --> 00:40:47,460

there was a a gray silver round ball I

965

00:40:54,530 --> 00:40:49,380

don't know compared to the jet it was

966

00:40:55,550 --> 00:40:54,540

maybe it was six eight feet in diameter

967

00:40:58,190 --> 00:40:55,560

um

968

00:41:02,930 --> 00:40:58,200

couple hundred yards maybe more in front

969

00:41:04,670 --> 00:41:02,940

of this Jet and so this this ball comes

970

00:41:07,370 --> 00:41:04,680

across our field of vision across the

971

00:41:09,890 --> 00:41:07,380

field and this fighter jet is following

972

00:41:13,730 --> 00:41:09,900

it clearly was evident this thing was

973

00:41:16,310 --> 00:41:13,740

following this ball and me and my son

974

00:41:17,870 --> 00:41:16,320

were just started running across

975

00:41:19,849 --> 00:41:17,880

sprinting across the fields just trying

976  
00:41:22,010 --> 00:41:19,859  
to keep up with it so it was in our site

977  
00:41:24,170 --> 00:41:22,020  
and we're yelling at each other like

978  
00:41:27,010 --> 00:41:24,180  
it's chasing this this great ball this

979  
00:41:29,810 --> 00:41:27,020  
is incredible what's going on and then

980  
00:41:33,290 --> 00:41:29,820  
strangely enough the fighter jet does

981  
00:41:34,910 --> 00:41:33,300  
this odd maneuver uh to me was odd but

982  
00:41:37,370 --> 00:41:34,920  
I'm sure it's common with these guys but

983  
00:41:40,430 --> 00:41:37,380  
he kind of hung hard left still slowed

984  
00:41:42,470 --> 00:41:40,440  
way down hung hard left and and kind of

985  
00:41:45,349 --> 00:41:42,480  
went up and to the side

986  
00:41:48,050 --> 00:41:45,359  
and three or four flares shot out of

987  
00:41:50,870 --> 00:41:48,060  
this fighter jet uh really bright flares

988  
00:41:53,510 --> 00:41:50,880

by this time the jet was kind of like

989

00:41:56,450 --> 00:41:53,520

over top of the neighbor's field which

990

00:41:58,730 --> 00:41:56,460

isn't that far away uh and so these

991

00:42:00,650 --> 00:41:58,740

flares were let go

992

00:42:03,290 --> 00:42:00,660

over top of this field but he's still

993

00:42:06,470 --> 00:42:03,300

real low and sure enough he then he

994

00:42:09,770 --> 00:42:06,480

resumes his his flight path and and by

995

00:42:12,890 --> 00:42:09,780

this time this great ball has become a

996

00:42:15,950 --> 00:42:12,900

dot in our vision but it still just

997

00:42:18,770 --> 00:42:15,960

rolling I mean across the sky

998

00:42:20,329 --> 00:42:18,780

and so this jet now at this great ball

999

00:42:22,609 --> 00:42:20,339

had a pretty good lead on it but the jet

1000

00:42:25,730 --> 00:42:22,619

just took off what looked like right

1001  
00:42:28,370 --> 00:42:25,740  
after you know after this great ball

1002  
00:42:30,109 --> 00:42:28,380  
so that was really cool um at one point

1003  
00:42:31,970 --> 00:42:30,119  
it pretty much everything just kind of

1004  
00:42:34,910 --> 00:42:31,980  
disappeared it got far away from us and

1005  
00:42:36,829 --> 00:42:34,920  
we could still hear it in the jet

1006  
00:42:38,630 --> 00:42:36,839  
um didn't hear anything as far as the

1007  
00:42:41,030 --> 00:42:38,640  
ball that Jack if it was making noise

1008  
00:42:42,470 --> 00:42:41,040  
the jet was clearly overpowering it

1009  
00:42:44,690 --> 00:42:42,480  
because

1010  
00:42:47,030 --> 00:42:44,700  
um how of how loud it was but yeah the

1011  
00:42:49,250 --> 00:42:47,040  
ball just kind of disappeared one thing

1012  
00:42:51,890 --> 00:42:49,260  
that struck me though was when

1013  
00:42:54,650 --> 00:42:51,900

before we lost sight of this gray ball

1014

00:42:58,069 --> 00:42:54,660

it almost changed color now I don't

1015

00:43:01,190 --> 00:42:58,079

know if it was some atmospheric thing or

1016

00:43:03,890 --> 00:43:01,200

it was there was no no clouds in the sky

1017

00:43:06,410 --> 00:43:03,900

or if they were they were way up

1018

00:43:09,170 --> 00:43:06,420

um but it went real like a light gray

1019

00:43:11,750 --> 00:43:09,180

Almost White and then back to the dark

1020

00:43:12,710 --> 00:43:11,760

gray it appeared to almost it changed

1021

00:43:13,430 --> 00:43:12,720

colors

1022

00:43:17,930 --> 00:43:13,440

um

1023

00:43:20,390 --> 00:43:17,940

so and me and my son we did actually we

1024

00:43:22,910 --> 00:43:20,400

you know just have some iPhones and we

1025

00:43:24,710 --> 00:43:22,920

took them out at one point we stopped

1026

00:43:27,109 --> 00:43:24,720

running we're out of breath we were like

1027

00:43:29,210 --> 00:43:27,119

let's try and videotape this so we put

1028

00:43:31,430 --> 00:43:29,220

the video on and uh you know we're

1029

00:43:34,010 --> 00:43:31,440

trying I we couldn't get much when

1030

00:43:35,750 --> 00:43:34,020

everything was happening so fast and you

1031

00:43:37,550 --> 00:43:35,760

know far distances with those cameras

1032

00:43:40,670 --> 00:43:37,560

they just at least on our phones they

1033

00:43:42,970 --> 00:43:40,680

they weren't very well uh you couldn't

1034

00:43:46,970 --> 00:43:42,980

see very well with them or record much

1035

00:43:48,470 --> 00:43:46,980

but we do I think my son he did catch

1036

00:43:51,230 --> 00:43:48,480

some of the jet

1037

00:43:53,329 --> 00:43:51,240

um the fighter jet on there and and mine

1038

00:43:55,010 --> 00:43:53,339

I maybe caught a little bit but it was

1039

00:43:58,730 --> 00:43:55,020

mostly just you could just hear the jet

1040

00:44:00,829 --> 00:43:58,740

on there and of course our excited state

1041

00:44:03,170 --> 00:44:00,839

we were we were really like blown away

1042

00:44:06,770 --> 00:44:03,180

by this Blown Away

1043

00:44:08,690 --> 00:44:06,780

I try and remain skeptical on all this

1044

00:44:10,670 --> 00:44:08,700

stuff I've tried and really view it that

1045

00:44:13,130 --> 00:44:10,680

way uh I'm not real quick to just

1046

00:44:14,630 --> 00:44:13,140

believe everything you know I really you

1047

00:44:17,630 --> 00:44:14,640

know I know there's plenty of stuff out

1048

00:44:20,390 --> 00:44:17,640

there people people will try and get get

1049

00:44:23,170 --> 00:44:20,400

you to believe anything but I do believe

1050

00:44:26,390 --> 00:44:23,180

you know a certain percentage of what we

1051  
00:44:28,609 --> 00:44:26,400  
are seeing and hearing and uh through

1052  
00:44:30,349 --> 00:44:28,619  
through uh you know on the Internet or

1053  
00:44:32,210 --> 00:44:30,359  
from people eyewitness accounts and

1054  
00:44:34,609 --> 00:44:32,220  
stuff I I actually believe there's

1055  
00:44:37,790 --> 00:44:34,619  
definitely truth within it

1056  
00:44:40,849 --> 00:44:37,800  
um I also believe the government knows a

1057  
00:44:42,890 --> 00:44:40,859  
lot more than we do and I feel like

1058  
00:44:45,050 --> 00:44:42,900  
they're probably scared to tell us the

1059  
00:44:46,490 --> 00:44:45,060  
truth there's it's just hard to believe

1060  
00:44:48,710 --> 00:44:46,500  
that there's

1061  
00:44:51,290 --> 00:44:48,720  
that were we would be the only ones in

1062  
00:44:54,530 --> 00:44:51,300  
this vast universe and it's uh

1063  
00:44:58,490 --> 00:44:54,540

fascinating to think about for me

1064

00:45:00,710 --> 00:44:58,500

um and I feel uh I think I feel really

1065

00:45:02,390 --> 00:45:00,720

uh it's real special that I've been able

1066

00:45:04,430 --> 00:45:02,400

to witness some of this stuff you know

1067

00:45:06,710 --> 00:45:04,440

unexplainable hey I'm not saying that

1068

00:45:09,050 --> 00:45:06,720

it's you know that black triangle is

1069

00:45:11,690 --> 00:45:09,060

full of aliens I don't know what it was

1070

00:45:12,470 --> 00:45:11,700

um I a part of me wants to think that it

1071

00:45:14,450 --> 00:45:12,480

was

1072

00:45:18,170 --> 00:45:14,460

um for something like that but

1073

00:45:20,030 --> 00:45:18,180

uh you know until we physically see this

1074

00:45:21,589 --> 00:45:20,040

stuff and they land in in the field and

1075

00:45:24,589 --> 00:45:21,599

come out and

1076

00:45:27,230 --> 00:45:24,599

say hi uh then you know it's hard to

1077

00:45:28,790 --> 00:45:27,240

just say that's exactly what this is but

1078

00:45:32,569 --> 00:45:28,800

I'd like to think that it's something

1079

00:45:34,670 --> 00:45:32,579

you know from from another area in the

1080

00:45:37,370 --> 00:45:34,680

universe or

1081

00:45:38,450 --> 00:45:37,380

um who knows uh I find it odd that

1082

00:45:40,490 --> 00:45:38,460

they're

1083

00:45:43,490 --> 00:45:40,500

that they

1084

00:45:45,890 --> 00:45:43,500

are just showing themselves it's like

1085

00:45:47,750 --> 00:45:45,900

they wanna Prime us for something or

1086

00:45:51,470 --> 00:45:47,760

they're just like planting a seed like

1087

00:45:53,870 --> 00:45:51,480

to get us thinking along the lines of

1088

00:45:55,730 --> 00:45:53,880

of uh you know there's something else

1089

00:45:58,069 --> 00:45:55,740

out there we're just kind of giving you

1090

00:45:59,870 --> 00:45:58,079

a little bit here here we are but you

1091

00:46:02,290 --> 00:45:59,880

know and make you you know process this

1092

00:46:05,390 --> 00:46:02,300

there's something definitely is going on

1093

00:46:08,990 --> 00:46:05,400

and uh it makes me fortunate to be able

1094

00:46:11,270 --> 00:46:09,000

to share my My Little Bit My Little My

1095

00:46:14,510 --> 00:46:11,280

few little stories of of what I've seen

1096

00:46:16,309 --> 00:46:14,520

uh there's so many of them um I think I

1097

00:46:18,530 --> 00:46:16,319

think it's important

1098

00:46:20,809 --> 00:46:18,540

um what you're doing Ryan is is great to

1099

00:46:25,190 --> 00:46:20,819

get make people aware of what's going on

1100

00:46:27,470 --> 00:46:25,200

because there's so many people that I

1101

00:46:30,230 --> 00:46:27,480

can't really tell this to I've tried and

1102

00:46:32,270 --> 00:46:30,240

they just are you know they're just nine

1103

00:46:35,270 --> 00:46:32,280

to five they're doing their thing and

1104

00:46:38,329 --> 00:46:35,280

and and they don't have time to think

1105

00:46:41,210 --> 00:46:38,339

outside the box I've always just been a

1106

00:46:43,370 --> 00:46:41,220

person who who has questioned everything

1107

00:46:45,410 --> 00:46:43,380

so I I kind of just keep this stuff more

1108

00:46:47,270 --> 00:46:45,420

to myself a few of my friends close

1109

00:46:48,230 --> 00:46:47,280

friends and family you know I've told

1110

00:46:50,150 --> 00:46:48,240

but

1111

00:46:51,950 --> 00:46:50,160

a lot of them are just like wow that's

1112

00:46:53,990 --> 00:46:51,960

neat you know and they don't have much

1113

00:46:55,790 --> 00:46:54,000

to offer towards it but you know it's

1114

00:46:57,890 --> 00:46:55,800

kind of like until you see it it's hard

1115

00:47:00,770 --> 00:46:57,900

to it's hard to grasp I get it but

1116

00:47:02,990 --> 00:47:00,780

anyway yeah that's that's that's my

1117

00:47:07,910 --> 00:47:03,000

story thanks for having me and I'm glad

1118

00:47:12,410 --> 00:47:10,609

hi Ryan thank you for giving me the

1119

00:47:13,849 --> 00:47:12,420

opportunity to share the story of my

1120

00:47:17,030 --> 00:47:13,859

encounter with a black triangle with

1121

00:47:20,290 --> 00:47:17,040

your audience my name is Patrick I'm 35

1122

00:47:23,450 --> 00:47:20,300

years old I'm from Dresden in Germany

1123

00:47:26,930 --> 00:47:23,460

and I'm a customs police officer

1124

00:47:29,569 --> 00:47:26,940

the encounter happened on July 25th 2013

1125

00:47:30,950 --> 00:47:29,579

so almost 10 years ago in Southwest

1126  
00:47:33,050 --> 00:47:30,960  
Germany

1127  
00:47:36,109 --> 00:47:33,060  
it happened right at the French border

1128  
00:47:39,950 --> 00:47:36,119  
literally right at the French border

1129  
00:47:43,190 --> 00:47:39,960  
and it was approximately 10 30 PM when

1130  
00:47:45,890 --> 00:47:43,200  
my ex and I went outside to have a

1131  
00:47:47,870 --> 00:47:45,900  
cigarette we had a house with a pool and

1132  
00:47:49,309 --> 00:47:47,880  
um yeah we were standing and sitting by

1133  
00:47:52,370 --> 00:47:49,319  
the pool

1134  
00:47:55,490 --> 00:47:52,380  
and we were talking like always

1135  
00:47:58,210 --> 00:47:55,500  
suddenly I noticed three oddly bright

1136  
00:48:01,190 --> 00:47:58,220  
stars in the corner of my eye

1137  
00:48:03,050 --> 00:48:01,200  
hovering above where France would have

1138  
00:48:07,849 --> 00:48:03,060

been there was also a nuclear power

1139

00:48:09,470 --> 00:48:07,859

plants or about that in that area

1140

00:48:10,430 --> 00:48:09,480

I don't know if that has anything to do

1141

00:48:14,329 --> 00:48:10,440

with it

1142

00:48:16,130 --> 00:48:14,339

um just think it's noteworthy

1143

00:48:19,250 --> 00:48:16,140

I as I said I looked over my shoulder

1144

00:48:20,690 --> 00:48:19,260

and in that moment when I looked up at

1145

00:48:22,430 --> 00:48:20,700

those Stars

1146

00:48:25,910 --> 00:48:22,440

they quickly descended

1147

00:48:27,890 --> 00:48:25,920

like super fast like on a straight line

1148

00:48:30,470 --> 00:48:27,900

boom there was

1149

00:48:33,170 --> 00:48:30,480

completely unexpected the pitch black

1150

00:48:35,630 --> 00:48:33,180

triangular craft a structured craft

1151  
00:48:38,270 --> 00:48:35,640  
hovering completely silent without

1152  
00:48:39,349 --> 00:48:38,280  
making a noise about 30 feet above our

1153  
00:48:41,750 --> 00:48:39,359  
heads

1154  
00:48:43,490 --> 00:48:41,760  
I was kind of looking at us I would

1155  
00:48:46,910 --> 00:48:43,500  
describe it the

1156  
00:48:49,670 --> 00:48:46,920  
belly first the lights were looking at

1157  
00:48:51,230 --> 00:48:49,680  
us pointed towards us

1158  
00:48:54,589 --> 00:48:51,240  
each side of the triangle was

1159  
00:48:57,170 --> 00:48:54,599  
approximately 30 feet long

1160  
00:48:59,329 --> 00:48:57,180  
um so 10 meters that's

1161  
00:49:00,890 --> 00:48:59,339  
the measurement I use I would say 30

1162  
00:49:04,309 --> 00:49:00,900  
feet maybe a little more than 30 feet

1163  
00:49:06,410 --> 00:49:04,319

but really close the lights in each

1164

00:49:08,390 --> 00:49:06,420

Corner they were extremely bright

1165

00:49:09,890 --> 00:49:08,400

but they were not blinding

1166

00:49:11,569 --> 00:49:09,900

I don't know how to describe it it's

1167

00:49:14,150 --> 00:49:11,579

really hard to put in words

1168

00:49:16,190 --> 00:49:14,160

uh if I had to describe them somehow I

1169

00:49:18,050 --> 00:49:16,200

would call them pure Lights I've never

1170

00:49:20,329 --> 00:49:18,060

seen anything like that before

1171

00:49:22,609 --> 00:49:20,339

we were absolutely gobsmacked

1172

00:49:23,870 --> 00:49:22,619

like you know deer caught in the

1173

00:49:26,690 --> 00:49:23,880

Headlights

1174

00:49:27,950 --> 00:49:26,700

or if you would encounter a bear in the

1175

00:49:30,710 --> 00:49:27,960

wilderness you turn around there's a

1176

00:49:33,829 --> 00:49:30,720

bear you you know you freeze

1177

00:49:36,290 --> 00:49:33,839

so we felt absolutely paralyzed as if we

1178

00:49:38,690 --> 00:49:36,300

were like hypnotized or controlled

1179

00:49:40,190 --> 00:49:38,700

I'm not saying we were but that's just

1180

00:49:43,010 --> 00:49:40,200

how it felt

1181

00:49:45,410 --> 00:49:43,020

just Frozen and Starving in disbelief

1182

00:49:46,970 --> 00:49:45,420

everything was or seemed silent in that

1183

00:49:50,329 --> 00:49:46,980

moment everything has fallen silent

1184

00:49:51,829 --> 00:49:50,339

before you could hear frogs and crickets

1185

00:49:55,190 --> 00:49:51,839

because you know we had that pool and

1186

00:49:58,370 --> 00:49:55,200

was out in the village and um

1187

00:50:00,770 --> 00:49:58,380

yeah everything just was silent it was

1188

00:50:03,349 --> 00:50:00,780

just that triangle existing in that

1189

00:50:08,870 --> 00:50:05,150

um yeah

1190

00:50:10,490 --> 00:50:08,880

it was if as if time had stopped

1191

00:50:12,650 --> 00:50:10,500

oddly enough

1192

00:50:15,470 --> 00:50:12,660

neither one of us can tell ever

1193

00:50:17,510 --> 00:50:15,480

lasted five seconds 30 seconds three

1194

00:50:18,470 --> 00:50:17,520

minutes that the triangle was there as I

1195

00:50:21,710 --> 00:50:18,480

said

1196

00:50:24,410 --> 00:50:21,720

time seemed to have stopped

1197

00:50:26,450 --> 00:50:24,420

um yeah then before I took off it

1198

00:50:29,569 --> 00:50:26,460

started to move super fast like from the

1199

00:50:31,849 --> 00:50:29,579

left upwards to the right

1200

00:50:34,550 --> 00:50:31,859

it was kind of zigzagging

1201

00:50:36,890 --> 00:50:34,560

like a ping pong ball or

1202

00:50:38,870 --> 00:50:36,900

I don't know how else to

1203

00:50:40,550 --> 00:50:38,880

describe it it was totally surreal like

1204

00:50:43,069 --> 00:50:40,560

this shouldn't be happening

1205

00:50:44,569 --> 00:50:43,079

but I don't think I thought anything at

1206

00:50:45,890 --> 00:50:44,579

that moment I did not understand what

1207

00:50:48,410 --> 00:50:45,900

was happening

1208

00:50:51,589 --> 00:50:48,420

and yeah then it shut off towards space

1209

00:50:53,450 --> 00:50:51,599

in an instant it was so freaking fast it

1210

00:50:55,910 --> 00:50:53,460

left Trails of light behind

1211

00:50:58,609 --> 00:50:55,920

like in that Star Wars or Star Trek

1212

00:51:01,010 --> 00:50:58,619

scene when they hit warp speed

1213

00:51:03,589 --> 00:51:01,020

I don't know it wasn't much of a Star

1214

00:51:05,270 --> 00:51:03,599

Trek fan but yeah it's the best I can

1215

00:51:07,609 --> 00:51:05,280

describe it it left these Trails of

1216

00:51:09,470 --> 00:51:07,619

lights behind

1217

00:51:11,210 --> 00:51:09,480

and during all of this it didn't make

1218

00:51:14,210 --> 00:51:11,220

the slightest noise

1219

00:51:15,290 --> 00:51:14,220

it left like it was a bullet shot out of

1220

00:51:18,290 --> 00:51:15,300

a gun

1221

00:51:20,089 --> 00:51:18,300

but no noise nothing we immediately

1222

00:51:22,190 --> 00:51:20,099

turned our heads towards each other

1223

00:51:25,370 --> 00:51:22,200

towards each other

1224

00:51:27,890 --> 00:51:25,380

and um yeah we had to confirm that we

1225

00:51:30,770 --> 00:51:27,900

really just saw what we saw

1226  
00:51:32,390 --> 00:51:30,780  
and we both saw what we saw a black

1227  
00:51:35,750 --> 00:51:32,400  
triangle

1228  
00:51:39,890 --> 00:51:35,760  
before in my life I was interested in

1229  
00:51:42,470 --> 00:51:39,900  
UFOs so whenever they came up on TV but

1230  
00:51:43,970 --> 00:51:42,480  
that was about it

1231  
00:51:46,069 --> 00:51:43,980  
um yeah we looked up again

1232  
00:51:47,809 --> 00:51:46,079  
then we looked at each other again

1233  
00:51:49,849 --> 00:51:47,819  
and

1234  
00:51:51,650 --> 00:51:49,859  
we didn't have to say a word

1235  
00:51:52,970 --> 00:51:51,660  
and both ran into the house because in

1236  
00:51:55,030 --> 00:51:52,980  
that moment like

1237  
00:51:58,250 --> 00:51:55,040  
reality kicked in the flight Instinct

1238  
00:52:00,410 --> 00:51:58,260

fear kicked in

1239

00:52:01,849 --> 00:52:00,420

um I remember being very scared in that

1240

00:52:03,410 --> 00:52:01,859

instant because I did not know what

1241

00:52:06,890 --> 00:52:03,420

happened

1242

00:52:09,470 --> 00:52:06,900

however my curiosity though quickly took

1243

00:52:11,089 --> 00:52:09,480

over again and I went outside

1244

00:52:13,490 --> 00:52:11,099

um looking up but the craft never

1245

00:52:15,589 --> 00:52:13,500

returned like I thought I could make up

1246

00:52:18,470 --> 00:52:15,599

three stars because you know before it

1247

00:52:21,589 --> 00:52:18,480

looked also like stars but just brighter

1248

00:52:24,230 --> 00:52:21,599

um that were a triangle but nah nothing

1249

00:52:25,790 --> 00:52:24,240

so it never returned

1250

00:52:27,170 --> 00:52:25,800

that was it

1251

00:52:29,390 --> 00:52:27,180

um that's um

1252

00:52:32,089 --> 00:52:29,400

what happened I didn't choose to have

1253

00:52:34,130 --> 00:52:32,099

that siding but yeah it happened

1254

00:52:36,650 --> 00:52:34,140

it was a blessing because I feel lucky

1255

00:52:38,210 --> 00:52:36,660

you know for to know for a fact that the

1256

00:52:41,150 --> 00:52:38,220

phenomenon is real

1257

00:52:44,329 --> 00:52:41,160

but um it was a curse because many

1258

00:52:46,970 --> 00:52:44,339

people just don't believe you naturally

1259

00:52:49,190 --> 00:52:46,980

some choose ridicule which was really

1260

00:52:51,890 --> 00:52:49,200

hard because I know what happened and

1261

00:52:54,349 --> 00:52:51,900

and they just would laugh it off

1262

00:52:55,790 --> 00:52:54,359

but yeah I mostly got over that

1263

00:52:58,730 --> 00:52:55,800

um what's worse is that this incident

1264

00:53:00,650 --> 00:52:58,740

has created a ton of questions

1265

00:53:02,690 --> 00:53:00,660

so many questions

1266

00:53:05,270 --> 00:53:02,700

more than I had before

1267

00:53:06,770 --> 00:53:05,280

but it hasn't provided many answers

1268

00:53:08,750 --> 00:53:06,780

the only answer I got is that the

1269

00:53:10,069 --> 00:53:08,760

phenomenon is real and nobody can take

1270

00:53:11,690 --> 00:53:10,079

that from me

1271

00:53:14,390 --> 00:53:11,700

I will not

1272

00:53:17,450 --> 00:53:14,400

say or claim that what we saw was alien

1273

00:53:19,849 --> 00:53:17,460

or ET because I have simply no way of

1274

00:53:22,370 --> 00:53:19,859

knowing that or confirming that but what

1275

00:53:24,049 --> 00:53:22,380

I know is that the craft was 100 real

1276

00:53:26,390 --> 00:53:24,059

100 percent

1277

00:53:27,890 --> 00:53:26,400

needless to say that um that night has

1278

00:53:30,650 --> 00:53:27,900

changed my life forever

1279

00:53:33,650 --> 00:53:30,660

funnily enough not right away as much as

1280

00:53:34,790 --> 00:53:33,660

one would think so I had a lot of things

1281

00:53:35,690 --> 00:53:34,800

going on

1282

00:53:39,770 --> 00:53:35,700

um

1283

00:53:41,630 --> 00:53:39,780

vacation the next day because the next

1284

00:53:43,309 --> 00:53:41,640

week I was transferred to a new city

1285

00:53:45,410 --> 00:53:43,319

where I live now

1286

00:53:46,910 --> 00:53:45,420

and yeah I just generally had so much

1287

00:53:49,430 --> 00:53:46,920

going on that we didn't even talk much

1288

00:53:51,770 --> 00:53:49,440

about it then after a few weeks and

1289

00:53:54,710 --> 00:53:51,780

months we would bring that topic up

1290

00:53:58,309 --> 00:53:54,720

every once in a while but um

1291

00:54:00,069 --> 00:53:58,319

it didn't um have that much of an impact

1292

00:54:04,010 --> 00:54:00,079

in my life

1293

00:54:06,770 --> 00:54:04,020

as it has now and it probably started

1294

00:54:07,670 --> 00:54:06,780

with the New York Times article

1295

00:54:10,430 --> 00:54:07,680

um

1296

00:54:13,430 --> 00:54:10,440

but yeah as I said before the questions

1297

00:54:14,450 --> 00:54:13,440

that I have in my head and I have no

1298

00:54:16,190 --> 00:54:14,460

answers

1299

00:54:18,410 --> 00:54:16,200

I mean I used to be

1300

00:54:20,569 --> 00:54:18,420

pretty atheist at how crazy atheist I

1301  
00:54:23,089 --> 00:54:20,579  
would uh have called myself I made fun

1302  
00:54:25,190 --> 00:54:23,099  
of religion in my younger years so in

1303  
00:54:26,450 --> 00:54:25,200  
that sense I definitely deserve the

1304  
00:54:30,049 --> 00:54:26,460  
ridicule

1305  
00:54:31,309 --> 00:54:30,059  
I got from other people but um yeah it

1306  
00:54:36,109 --> 00:54:31,319  
didn't turn me

1307  
00:54:38,329 --> 00:54:36,119  
didn't make me religious um it just

1308  
00:54:39,589 --> 00:54:38,339  
I'm very open-minded now let's put it

1309  
00:54:41,450 --> 00:54:39,599  
that way

1310  
00:54:44,030 --> 00:54:41,460  
um since that night I know that all I

1311  
00:54:45,950 --> 00:54:44,040  
know is that I know nothing

1312  
00:54:48,109 --> 00:54:45,960  
except for that that

1313  
00:54:50,390 --> 00:54:48,119

triangle was real it was there it was

1314

00:54:51,589 --> 00:54:50,400

unambiguous that's the definition of

1315

00:54:53,630 --> 00:54:51,599

unambiguous

1316

00:54:56,690 --> 00:54:53,640

and um

1317

00:54:58,190 --> 00:54:56,700

yeah as I said um since that New York

1318

00:55:00,109 --> 00:54:58,200

Times article came out that's when it's

1319

00:55:03,710 --> 00:55:00,119

really kicked in for me

1320

00:55:05,329 --> 00:55:03,720

and it's now a daily part of my life

1321

00:55:07,370 --> 00:55:05,339

um I

1322

00:55:10,730 --> 00:55:07,380

made my story public

1323

00:55:13,490 --> 00:55:10,740

um on on Reddit after having

1324

00:55:14,930 --> 00:55:13,500

um found lots of new friends you know I

1325

00:55:16,970 --> 00:55:14,940

lost friends but I've also found new

1326

00:55:20,630 --> 00:55:16,980

friends on Twitter I connected with

1327

00:55:22,910 --> 00:55:20,640

people who have had similar experiences

1328

00:55:23,750 --> 00:55:22,920

so I'm as I said I'm very grateful for

1329

00:55:27,530 --> 00:55:23,760

that

1330

00:55:29,650 --> 00:55:27,540

but I wanna end this with um yeah saying

1331

00:55:32,089 --> 00:55:29,660

that all I know is that I know nothing

1332

00:55:34,970 --> 00:55:32,099

absolutely nothing except for that the

1333

00:55:36,770 --> 00:55:34,980

phenomena is real and I I hope that one

1334

00:55:38,809 --> 00:55:36,780

day we will have something like

1335

00:55:41,510 --> 00:55:38,819

disclosure that everybody will accept

1336

00:55:44,329 --> 00:55:41,520

the reality whatever that even is or

1337

00:55:46,430 --> 00:55:44,339

means and yeah I can just

1338

00:55:47,450 --> 00:55:46,440

um suggest everyone to keep looking up

1339

00:55:49,490 --> 00:55:47,460

in the sky

1340

00:55:55,069 --> 00:55:49,500

because there's something somewhere in

1341

00:55:55,079 --> 00:56:01,750

foreign

1342

00:56:06,530 --> 00:56:04,790

is produced by Third Kind Productions in
