

SOMEWHERE IN THE LIVESTREAM

EP 09

FEATURING: JAZZ SHAW

1
00:00:02,040 --> 00:00:05,930
foreign

2
00:00:41,270 --> 00:00:14,890
[Music]

3
00:01:14,870 --> 00:00:41,280
thank you

4
00:01:33,900 --> 00:01:15,620
foreign

5
00:02:05,130 --> 00:01:53,250
[Music]

6
00:02:15,880 --> 00:02:05,140
[Applause]

7
00:02:15,890 --> 00:02:44,170
[Music]

8
00:02:56,210 --> 00:02:46,610
there's nothing to hack there's nothing

9
00:03:01,790 --> 00:02:59,330
hey guys welcome to somewhere in the

10
00:03:04,670 --> 00:03:01,800
live stream over here at somewhere in

11
00:03:07,089 --> 00:03:04,680
the skies where we break down the UFO

12
00:03:10,009 --> 00:03:07,099
news of the week and the podcast

13
00:03:12,410 --> 00:03:10,019

highlights of the week I hope you liked

14

00:03:13,309 --> 00:03:12,420

that new intro I felt like we needed

15

00:03:16,070 --> 00:03:13,319

something

16

00:03:18,350 --> 00:03:16,080

um a bit more energetic you know I love

17

00:03:20,809 --> 00:03:18,360

the whole vaporwave aesthetic clearly

18

00:03:22,130 --> 00:03:20,819

from a lot of the stuff we do but um I

19

00:03:24,350 --> 00:03:22,140

thought it was time for something new so

20

00:03:26,449 --> 00:03:24,360

I hope you dug that let me know in the

21

00:03:29,390 --> 00:03:26,459

comments what you thought about it and

22

00:03:31,910 --> 00:03:29,400

um always looking to upgrade and and and

23

00:03:34,250 --> 00:03:31,920

change the show as it happens a very

24

00:03:36,229 --> 00:03:34,260

organic process here it's somewhere in

25

00:03:37,790 --> 00:03:36,239

the live stream but let's not waste any

26

00:03:39,949 --> 00:03:37,800

more time I do want to say hello to

27

00:03:41,809 --> 00:03:39,959

everyone in the chat Daylin is Here

28

00:03:44,149 --> 00:03:41,819

Andrew is here

29

00:03:45,589 --> 00:03:44,159

um somehow jazz is here

30

00:03:48,410 --> 00:03:45,599

um that's a mystery how is that

31

00:03:52,850 --> 00:03:48,420

happening Susie is here Jay Ellen hi

32

00:03:54,350 --> 00:03:52,860

nicken Suzanne is here Martin is here um

33

00:03:57,589 --> 00:03:54,360

James Craig thank you so much for the

34

00:03:59,649 --> 00:03:57,599

Super Chat already buddy UFO ogs and UAP

35

00:04:01,850 --> 00:03:59,659

peeps let's support Ryan and the channel

36

00:04:04,070 --> 00:04:01,860

truly appreciate it James thank you

37

00:04:05,690 --> 00:04:04,080

Jimmy the Earthling is well with a super

38

00:04:08,089 --> 00:04:05,700

chat already guys we haven't even done

39

00:04:09,589 --> 00:04:08,099

anything I have not earned this but

40

00:04:12,170 --> 00:04:09,599

thank you thanks for sharing your Sunday

41

00:04:14,149 --> 00:04:12,180

with us Ryan thank you Jimmy I truly

42

00:04:16,490 --> 00:04:14,159

truly do appreciate it Pine Cedar is

43

00:04:19,009 --> 00:04:16,500

here super crazy crazy movie gig

44

00:04:21,469 --> 00:04:19,019

Grandmaster UAV Ryan Baker all the

45

00:04:23,390 --> 00:04:21,479

regulars welcome welcome guys really do

46

00:04:26,629 --> 00:04:23,400

appreciate you being here

47

00:04:30,230 --> 00:04:26,639

um we've got a lot to cover tonight and

48

00:04:34,010 --> 00:04:30,240

a really cool story about a possible Tic

49

00:04:35,810 --> 00:04:34,020

Tac UFO over Washington DC we're going

50

00:04:36,850 --> 00:04:35,820

to be talking about that mysterious

51

00:04:40,129 --> 00:04:36,860

incident

52

00:04:41,930 --> 00:04:40,139

207 with our special guest tonight so

53

00:04:43,730 --> 00:04:41,940

let's just bring them in and get things

54

00:04:47,030 --> 00:04:43,740

started here at somewhere in the live

55

00:04:49,430 --> 00:04:47,040

stream so without further Ado Josh

56

00:04:50,870 --> 00:04:49,440

welcome back to somewhere in the skies

57

00:04:51,950 --> 00:04:50,880

and somewhere in the live stream my

58

00:04:53,810 --> 00:04:51,960

friend

59

00:04:55,010 --> 00:04:53,820

thank you for having me

60

00:04:57,230 --> 00:04:55,020

um by the way

61

00:04:59,870 --> 00:04:57,240

that was my first time seeing the new

62

00:05:03,770 --> 00:04:59,880

intro that was awesome you've done some

63

00:05:06,350 --> 00:05:03,780

amazing work and I'm happy to be here my

64

00:05:08,570 --> 00:05:06,360

favorite topic thanks for having me man

65

00:05:11,090 --> 00:05:08,580

my my pleasure

66

00:05:12,530 --> 00:05:11,100

um well you know kind of the reason I I

67

00:05:14,990 --> 00:05:12,540

wanted to talk to you is you came out

68

00:05:16,730 --> 00:05:15,000

with a a new article over at the debrief

69

00:05:18,350 --> 00:05:16,740

somewhat recently

70

00:05:20,689 --> 00:05:18,360

um you've been going back and digging

71

00:05:23,330 --> 00:05:20,699

into the Project Blue Book files and

72

00:05:25,310 --> 00:05:23,340

finding some absolute gems you know we

73

00:05:27,830 --> 00:05:25,320

had you on I want to say maybe a month

74

00:05:29,029 --> 00:05:27,840

ago now talking about a few of those

75

00:05:30,230 --> 00:05:29,039

cases

76

00:05:32,990 --> 00:05:30,240

um but tonight we're going to be talking

77

00:05:36,529 --> 00:05:33,000

about a possible Tic Tac over Washington

78

00:05:38,749 --> 00:05:36,539

DC which is really really cool but um

79

00:05:40,189 --> 00:05:38,759

before we get to that jazz I sent you

80

00:05:41,689 --> 00:05:40,199

some of the stories we'd be talking

81

00:05:44,749 --> 00:05:41,699

about tonight

82

00:05:47,390 --> 00:05:44,759

um they're very diverse a lot going on

83

00:05:50,570 --> 00:05:47,400

in the UFO World it uh never lets down

84

00:05:54,050 --> 00:05:50,580

it's been a uh interesting beginning of

85

00:05:55,969 --> 00:05:54,060

the year so um let's let's start with a

86

00:05:59,090 --> 00:05:55,979

cool story that's not so much a UFO

87

00:06:02,150 --> 00:05:59,100

related but um is actually more science

88

00:06:05,210 --> 00:06:02,160

based and this is a story I came across

89

00:06:08,689 --> 00:06:05,220

about a newly discovered tardigrade

90

00:06:12,230 --> 00:06:08,699

species the tardigrades are back and

91

00:06:13,430 --> 00:06:12,240

it's named after a Harry Potter villain

92

00:06:16,249 --> 00:06:13,440

um so I'm going to go ahead and read

93

00:06:18,830 --> 00:06:16,259

this quick a new species of tardigrade

94

00:06:20,270 --> 00:06:18,840

has been discovered and proves even more

95

00:06:22,430 --> 00:06:20,280

indestructible than the already

96

00:06:25,450 --> 00:06:22,440

formidable creatures known to survive

97

00:06:28,070 --> 00:06:25,460

even the vacuum of space

98

00:06:30,290 --> 00:06:28,080

scientists have named this new tiny

99

00:06:34,370 --> 00:06:30,300

beast in tribute to a villain from Harry

100

00:06:36,710 --> 00:06:34,380

Potter uh and for any of our viewers and

101
00:06:38,870 --> 00:06:36,720
whatnot that don't know tardigrades are

102
00:06:41,210 --> 00:06:38,880
already renowned for their ability to

103
00:06:43,909 --> 00:06:41,220
survive extreme climates including

104
00:06:46,370 --> 00:06:43,919
temperatures of hot and cold thought to

105
00:06:48,050 --> 00:06:46,380
be unsurvivable by life leading

106
00:06:51,830 --> 00:06:48,060
scientists to speculate they might be

107
00:06:54,890 --> 00:06:51,840
the only animal capable of surviving in

108
00:06:57,830 --> 00:06:54,900
Apocalypse uh the part the particularly

109
00:07:00,370 --> 00:06:57,840
hearty new species has been named

110
00:07:03,290 --> 00:07:00,380
macrobiotis

111
00:07:07,730 --> 00:07:03,300
najine after the villainous giant pet

112
00:07:09,710 --> 00:07:07,740
snake nagini belonging to Lord Voldemort

113
00:07:10,909 --> 00:07:09,720

so there's our little Harry Potter

114

00:07:13,909 --> 00:07:10,919

reference

115

00:07:15,950 --> 00:07:13,919

um the biological indestructibility of

116

00:07:17,809 --> 00:07:15,960

the tardigrade is a particular interest

117

00:07:20,029 --> 00:07:17,819

to scientists because they are able to

118

00:07:23,150 --> 00:07:20,039

survive completely

119

00:07:26,629 --> 00:07:23,160

um survive in complete dehydration wow

120

00:07:28,309 --> 00:07:26,639

Jazz complete dehydration as well as

121

00:07:31,850 --> 00:07:28,319

amounts of radiation that would be

122

00:07:33,830 --> 00:07:31,860

lethal to other organisms so hopefully

123

00:07:36,529 --> 00:07:33,840

studying these new Harry Potter

124

00:07:38,990 --> 00:07:36,539

tardigrades will give scientists a

125

00:07:41,089 --> 00:07:39,000

better understanding and insight to

126

00:07:44,570 --> 00:07:41,099

revolutionize everything from medicine

127

00:07:45,890 --> 00:07:44,580

to space travel so this is awesome you

128

00:07:48,650 --> 00:07:45,900

know not only have we discovered

129

00:07:51,469 --> 00:07:48,660

tardigrades but now we've discovered a

130

00:07:53,089 --> 00:07:51,479

possibly more evolve and indestructible

131

00:07:56,629 --> 00:07:53,099

tardigrade so what do you make of this

132

00:07:59,570 --> 00:07:56,639

whole story Jess I I love the story

133

00:08:02,510 --> 00:07:59,580

um I will just tell you my wife is a

134

00:08:05,629 --> 00:08:02,520

huge and he's in the chat tonight a huge

135

00:08:08,029 --> 00:08:05,639

fan of grades to the point that and I

136

00:08:11,029 --> 00:08:08,039

don't have a photo for you sadly but for

137

00:08:13,730 --> 00:08:11,039

Valentine's Day this year as a present I

138

00:08:16,550 --> 00:08:13,740

got her a shirt a t-shirt with a picture

139

00:08:17,990 --> 00:08:16,560

of a charter grade that said stay tiny

140

00:08:21,469 --> 00:08:18,000

die never

141

00:08:23,689 --> 00:08:21,479

and she's a huge Charter grade fan and

142

00:08:26,390 --> 00:08:23,699

yeah this one I I wish they had given us

143

00:08:29,570 --> 00:08:26,400

more info about where they found it but

144

00:08:32,870 --> 00:08:29,580

these creatures are amazing they've been

145

00:08:35,269 --> 00:08:32,880

put out in the vacuum of space for a

146

00:08:38,449 --> 00:08:35,279

long period of time exposed to radiation

147

00:08:40,969 --> 00:08:38,459

from the Sun and you bring them and they

148

00:08:42,709 --> 00:08:40,979

they look like they die but you bring

149

00:08:44,750 --> 00:08:42,719

them back down to the Earth and put them

150

00:08:46,550 --> 00:08:44,760

back into a favorable environment

151

00:08:49,670 --> 00:08:46,560

and they wake up again and they

152

00:08:51,470 --> 00:08:49,680

reproduce you know and I know there's a

153

00:08:53,630 --> 00:08:51,480

lot of research going on it's like could

154

00:08:54,889 --> 00:08:53,640

we figure that out but here's the

155

00:08:56,329 --> 00:08:54,899

question I'll throw back to you because

156

00:08:58,130 --> 00:08:56,339

you're the host

157

00:09:01,670 --> 00:08:58,140

is that a good thing

158

00:09:04,430 --> 00:09:01,680

you you do yeah I want people to live

159

00:09:07,810 --> 00:09:04,440

forever if we figure out what the

160

00:09:10,790 --> 00:09:07,820

tardigrades are doing or would that be

161

00:09:14,030 --> 00:09:10,800

deconstructive or

162

00:09:16,730 --> 00:09:14,040

bad in the long run for Humanity if

163

00:09:18,230 --> 00:09:16,740

nobody dies then what do you do about

164

00:09:20,389 --> 00:09:18,240

population control what are your

165

00:09:22,670 --> 00:09:20,399

thoughts on that that is such a good

166

00:09:24,769 --> 00:09:22,680

question and it's stories like this that

167

00:09:27,769 --> 00:09:24,779

really get me thinking about stuff like

168

00:09:30,230 --> 00:09:27,779

that like I was reading the other day

169

00:09:32,870 --> 00:09:30,240

um about how the life expectancy in the

170

00:09:35,930 --> 00:09:32,880

world is is changing you know now it's

171

00:09:39,410 --> 00:09:35,940

like 90 years old is like going to

172

00:09:41,150 --> 00:09:39,420

become the new kind of average age

173

00:09:43,370 --> 00:09:41,160

um and I I might have read that wrong

174

00:09:46,009 --> 00:09:43,380

but that sounds about right

175

00:09:48,410 --> 00:09:46,019

um you know in it all has to do with

176

00:09:51,829 --> 00:09:48,420

um you know where you come from your

177

00:09:54,530 --> 00:09:51,839

your unfortunately you know the level of

178

00:09:56,690 --> 00:09:54,540

poverty you're in um in terms of like

179

00:09:58,250 --> 00:09:56,700

what medicines are available this that

180

00:09:59,570 --> 00:09:58,260

this that there's so many ethical

181

00:10:01,970 --> 00:09:59,580

questions when it comes to stuff like

182

00:10:03,650 --> 00:10:01,980

this so if we were to begin to

183

00:10:06,050 --> 00:10:03,660

understand the tardigrade and we were

184

00:10:08,690 --> 00:10:06,060

able to just like you know survive

185

00:10:10,190 --> 00:10:08,700

pretty much anything at this point and

186

00:10:13,150 --> 00:10:10,200

become almost what do they call those

187

00:10:16,550 --> 00:10:13,160

extreme files I believe they're called

188

00:10:18,290 --> 00:10:16,560

well extremophiles don't necessarily

189

00:10:21,070 --> 00:10:18,300

live forever this is more like

190

00:10:25,009 --> 00:10:21,080

immortality really yeah

191

00:10:27,290 --> 00:10:25,019

survive anything and go on but why would

192

00:10:28,329 --> 00:10:27,300

you keep producing more people right

193

00:10:31,250 --> 00:10:28,339

right right

194

00:10:33,710 --> 00:10:31,260

very good point I know it really does

195

00:10:35,509 --> 00:10:33,720

beg a lot of questions

196

00:10:38,509 --> 00:10:35,519

um as many of the stories do that you

197

00:10:39,829 --> 00:10:38,519

and I look into every day yes yeah you

198

00:10:41,810 --> 00:10:39,839

know everyone in the chat is saying the

199

00:10:44,150 --> 00:10:41,820

tardigrades are so cute they really are

200

00:10:47,269 --> 00:10:44,160

I I can't get enough of these things

201
00:10:49,550 --> 00:10:47,279
they they almost look like a um like a a

202
00:10:51,829 --> 00:10:49,560
Pokemon to me

203
00:10:54,470 --> 00:10:51,839
um and now that they're they're naming

204
00:10:57,889 --> 00:10:54,480
it after a famous Harry Potter villain I

205
00:11:00,590 --> 00:10:57,899
think just gives it so much more um I

206
00:11:02,630 --> 00:11:00,600
don't know it makes it more magical in

207
00:11:04,850 --> 00:11:02,640
so many words I guess the science that

208
00:11:07,310 --> 00:11:04,860
both of us cover and we cover all the

209
00:11:08,690 --> 00:11:07,320
time over the debrief we're finding out

210
00:11:11,509 --> 00:11:08,700
more and more things that make us

211
00:11:15,470 --> 00:11:11,519
question a lot of the assumptions we had

212
00:11:18,410 --> 00:11:15,480
about well basically just physics in

213
00:11:21,290 --> 00:11:18,420

general but everything you know it it

214

00:11:23,630 --> 00:11:21,300

goes out to do we really understand that

215

00:11:25,430 --> 00:11:23,640

much about the Universe I I think I find

216

00:11:26,750 --> 00:11:25,440

all these things fascinating and

217

00:11:28,790 --> 00:11:26,760

everybody at the debrief and you

218

00:11:30,410 --> 00:11:28,800

contribute there too I know

219

00:11:33,710 --> 00:11:30,420

um you know they explore all these

220

00:11:36,410 --> 00:11:33,720

questions and the tardigrades might have

221

00:11:38,329 --> 00:11:36,420

maybe some hints for us about things

222

00:11:41,569 --> 00:11:38,339

that we really should be thinking about

223

00:11:44,269 --> 00:11:41,579

yeah absolutely I I feel like we're only

224

00:11:46,790 --> 00:11:44,279

beginning to truly understand what they

225

00:11:49,610 --> 00:11:46,800

are uh and obviously where they come

226

00:11:50,630 --> 00:11:49,620

from I mean it's crazy did they evolve

227

00:11:54,110 --> 00:11:50,640

here

228

00:11:57,710 --> 00:11:54,120

we don't know yeah did they or or are we

229

00:12:01,490 --> 00:11:57,720

are we like is this a evolved version of

230

00:12:04,310 --> 00:12:01,500

what we will become or or have been or I

231

00:12:06,949 --> 00:12:04,320

don't know it's so it's so interesting I

232

00:12:08,509 --> 00:12:06,959

I'm just uh science never ceases too

233

00:12:10,130 --> 00:12:08,519

amazing yeah it's fascinating but if I

234

00:12:11,750 --> 00:12:10,140

look like that dude on the screen I

235

00:12:15,350 --> 00:12:11,760

trust you you know if I was single I'm

236

00:12:16,870 --> 00:12:15,360

not getting any dates but all right okay

237

00:12:20,150 --> 00:12:16,880

okay okay

238

00:12:22,670 --> 00:12:20,160

moving on right right okay let's move on

239

00:12:24,470 --> 00:12:22,680

to our next story Jazz

240

00:12:27,470 --> 00:12:24,480

um this is a fun science One to begin

241

00:12:30,290 --> 00:12:27,480

with but we're gonna get right into UFOs

242

00:12:32,569 --> 00:12:30,300

and this is really really cool this

243

00:12:34,610 --> 00:12:32,579

touches on a cultural aspect of UFOs

244

00:12:37,009 --> 00:12:34,620

that I want to get your thoughts on um

245

00:12:39,590 --> 00:12:37,019

but let me read this quick UFO sightings

246

00:12:42,769 --> 00:12:39,600

putting rule Japan community on

247

00:12:44,990 --> 00:12:42,779

Intergalactic map so a rural community

248

00:12:47,990 --> 00:12:45,000

in northeastern Japan known for numerous

249

00:12:50,750 --> 00:12:48,000

UFO sightings is promoting itself as a

250

00:12:53,030 --> 00:12:50,760

quote home to aliens in a bid to

251
00:12:55,550 --> 00:12:53,040
revitalize its local economy and put

252
00:12:57,170 --> 00:12:55,560
itself on The Intergalactic map by

253
00:12:59,389 --> 00:12:57,180
displaying its many pieces of UFO

254
00:13:01,550 --> 00:12:59,399
paraphernalia and holding events that

255
00:13:04,910 --> 00:13:01,560
appeal to enthusiasts

256
00:13:06,769 --> 00:13:04,920
um in inomachi once prosperous through

257
00:13:09,230 --> 00:13:06,779
silk production and weaving Industries

258
00:13:11,150 --> 00:13:09,240
hopes to build a new future by drawing

259
00:13:12,590 --> 00:13:11,160
visitors with a passion for the

260
00:13:14,750 --> 00:13:12,600
Extraterrestrial

261
00:13:16,190 --> 00:13:14,760
residents believe they live in a UFO

262
00:13:18,710 --> 00:13:16,200
hotspot and speak of repeated

263
00:13:21,710 --> 00:13:18,720

appearances of unknown luminous flying

264

00:13:26,210 --> 00:13:21,720

objects over the past four decades near

265

00:13:27,470 --> 00:13:26,220

the conical 462 meter high sengan Mori

266

00:13:29,990 --> 00:13:27,480

Mountain

267

00:13:32,509 --> 00:13:30,000

the area formally categorized as the

268

00:13:35,449 --> 00:13:32,519

town of Inu and integrated into the city

269

00:13:38,389 --> 00:13:35,459

of Fukushima in 2008 as a dwindling

270

00:13:40,069 --> 00:13:38,399

population population of some 5 000

271

00:13:42,170 --> 00:13:40,079

people

272

00:13:44,930 --> 00:13:42,180

um let's see here just a little bit more

273

00:13:47,389 --> 00:13:44,940

on this visitors to inamachi cannot

274

00:13:50,629 --> 00:13:47,399

avoid having close encounters with ET

275

00:13:53,930 --> 00:13:50,639

life everywhere including a ufo-shaped

276

00:13:57,590 --> 00:13:53,940

street light across the whole town bus

277

00:14:01,730 --> 00:13:57,600

stops flags and even an alien statue the

278

00:14:05,210 --> 00:14:01,740

UFO federicon museum opened halfway up

279

00:14:07,430 --> 00:14:05,220

the mountain in 1992 to display around 3

280

00:14:10,310 --> 00:14:07,440

000 books photos and other resources

281

00:14:11,870 --> 00:14:10,320

related to aliens and UFOs um you can

282

00:14:14,350 --> 00:14:11,880

see in the images here guys if you're

283

00:14:18,470 --> 00:14:14,360

watching this on YouTube of the museum

284

00:14:20,690 --> 00:14:18,480

so in 2021 the international UFO lab

285

00:14:22,310 --> 00:14:20,700

which collects and disseminates UFO

286

00:14:25,610 --> 00:14:22,320

sighting reports to its members around

287

00:14:28,430 --> 00:14:25,620

the world was established in inamachi

288

00:14:31,009 --> 00:14:28,440

the group said Global interest in UFOs

289

00:14:34,509 --> 00:14:31,019

made a Resurgence after the U.S Navy

290

00:14:37,009 --> 00:14:34,519

videos went viral so

291

00:14:39,829 --> 00:14:37,019

this is what amazes me Jazz you know

292

00:14:42,110 --> 00:14:39,839

this post 2017 ufology

293

00:14:44,449 --> 00:14:42,120

um that kind of really ignited in the

294

00:14:46,250 --> 00:14:44,459

United States is now having a ripple

295

00:14:49,009 --> 00:14:46,260

effect around the world

296

00:14:52,129 --> 00:14:49,019

um you know once we established uh the

297

00:14:54,710 --> 00:14:52,139

UAP task force and stuff like that other

298

00:14:56,509 --> 00:14:54,720

countries started doing the same and now

299

00:14:59,990 --> 00:14:56,519

we're seeing it trickle down into like

300

00:15:02,269 --> 00:15:00,000

actual economics in other countries

301
00:15:04,850 --> 00:15:02,279
um like this small role community in

302
00:15:08,090 --> 00:15:04,860
Japan is now hoping to revitalize by

303
00:15:10,490 --> 00:15:08,100
using the UFO quote-unquote meme as it

304
00:15:13,009 --> 00:15:10,500
were so yeah what do you make of this

305
00:15:17,329 --> 00:15:15,110
um I went and looked into this and

306
00:15:20,269 --> 00:15:17,339
apparently there were a lot of reports

307
00:15:22,970 --> 00:15:20,279
for that specific area of people who had

308
00:15:24,949 --> 00:15:22,980
seen strange and unusual things like we

309
00:15:27,889 --> 00:15:24,959
hear all around the world

310
00:15:28,930 --> 00:15:27,899
at the same time the entire focus of the

311
00:15:31,730 --> 00:15:28,940
article

312
00:15:33,430 --> 00:15:31,740
was how they were

313
00:15:36,470 --> 00:15:33,440

sort of

314

00:15:40,550 --> 00:15:36,480

capitalizing on this and attempting to

315

00:15:42,470 --> 00:15:40,560

monetize it and sadly I I had a note and

316

00:15:44,449 --> 00:15:42,480

I don't have it but I bet you know

317

00:15:47,629 --> 00:15:44,459

because of all your research do you

318

00:15:49,550 --> 00:15:47,639

recall one of the earliest UFO incidents

319

00:15:52,129 --> 00:15:49,560

that has shown up in so many

320

00:15:55,550 --> 00:15:52,139

documentaries in Texas where a craft

321

00:15:56,930 --> 00:15:55,560

supposedly crashed into a windmill in

322

00:15:59,210 --> 00:15:56,940

Texas and destroyed it you remember that

323

00:16:02,030 --> 00:15:59,220

one I'm talking about Aurora Texas yep

324

00:16:02,810 --> 00:16:02,040

Aurora Texas there you go thank you

325

00:16:05,810 --> 00:16:02,820

um

326

00:16:08,030 --> 00:16:05,820

there were people who came out later and

327

00:16:12,110 --> 00:16:08,040

you you can find the Articles out there

328

00:16:14,689 --> 00:16:12,120

that said that that whole thing may not

329

00:16:16,670 --> 00:16:14,699

have had a lot of substance to it

330

00:16:19,490 --> 00:16:16,680

and during that era there was a lot of

331

00:16:20,930 --> 00:16:19,500

what was known as yellow journalism and

332

00:16:23,030 --> 00:16:20,940

that town

333

00:16:25,850 --> 00:16:23,040

was suffering from

334

00:16:27,710 --> 00:16:25,860

you know losing population because an

335

00:16:29,990 --> 00:16:27,720

anticipated railroad That was supposed

336

00:16:32,030 --> 00:16:30,000

to go right through Aurora had wound up

337

00:16:34,329 --> 00:16:32,040

going very far to the North and the town

338

00:16:37,670 --> 00:16:34,339

was dying off and there were claims

339

00:16:39,470 --> 00:16:37,680

unsubstantiated admittedly that that

340

00:16:41,509 --> 00:16:39,480

whole story was made up by officials

341

00:16:43,189 --> 00:16:41,519

there because they were trying to draw

342

00:16:45,110 --> 00:16:43,199

people there to get the economy going

343

00:16:47,269 --> 00:16:45,120

again and

344

00:16:50,210 --> 00:16:47,279

I I don't want to be the unpopular guy

345

00:16:51,829 --> 00:16:50,220

in the room but when I read that article

346

00:16:53,749 --> 00:16:51,839

that you just read

347

00:16:56,269 --> 00:16:53,759

for the viewers

348

00:16:58,189 --> 00:16:56,279

I started thinking wow this sounds like

349

00:17:00,889 --> 00:16:58,199

a place that's been decreasing in

350

00:17:03,410 --> 00:17:00,899

population and they're trying to have

351
00:17:04,789 --> 00:17:03,420
more economic activity their Town's kind

352
00:17:07,130 --> 00:17:04,799
of dying

353
00:17:09,409 --> 00:17:07,140
and won't that raise questions at least

354
00:17:12,110 --> 00:17:09,419
in some people's minds like are you

355
00:17:14,569 --> 00:17:12,120
overplaying this to try to build a

356
00:17:16,789 --> 00:17:14,579
museum and get people to come in and and

357
00:17:19,490 --> 00:17:16,799
rebuild things so I'm not sure how

358
00:17:21,470 --> 00:17:19,500
helpful this story is really because it

359
00:17:23,630 --> 00:17:21,480
does kind of sound like well yeah

360
00:17:25,250 --> 00:17:23,640
there's been a lot of reports but we've

361
00:17:26,630 --> 00:17:25,260
got this whole museum we want you to

362
00:17:28,669 --> 00:17:26,640
come and you have this thing you can

363
00:17:30,409 --> 00:17:28,679

join for x amount of dollars for a year

364

00:17:32,510 --> 00:17:30,419

and you can be part of the club and

365

00:17:34,909 --> 00:17:32,520

there's t-shirts and all that

366

00:17:36,770 --> 00:17:34,919

I don't know it it makes me wonder it's

367

00:17:38,510 --> 00:17:36,780

like are they serious and even if they

368

00:17:40,610 --> 00:17:38,520

are serious will people look at that

369

00:17:41,870 --> 00:17:40,620

story and go oh you're just trying to

370

00:17:44,510 --> 00:17:41,880

pump up your town and make more money

371

00:17:46,970 --> 00:17:44,520

yeah so I I I kind of have mixed

372

00:17:49,370 --> 00:17:46,980

feelings about it I do too you know and

373

00:17:52,430 --> 00:17:49,380

this is kind of the struggle I always

374

00:17:55,190 --> 00:17:52,440

have with like Roswell too like there

375

00:17:57,409 --> 00:17:55,200

was a Roswell uh conference last week

376

00:17:58,789 --> 00:17:57,419

there's one in the next two weeks then

377

00:18:02,810 --> 00:17:58,799

there's going to be more in July

378

00:18:05,330 --> 00:18:02,820

actually in Roswell and like the mother

379

00:18:07,850 --> 00:18:05,340

of all cases chance Roswell

380

00:18:10,610 --> 00:18:07,860

um but at the same time like you go to

381

00:18:12,049 --> 00:18:10,620

Main Street in Roswell New Mexico and

382

00:18:14,390 --> 00:18:12,059

it's just gift shop after gift shop

383

00:18:17,210 --> 00:18:14,400

after gift shop and then you know the

384

00:18:20,150 --> 00:18:17,220

the Roswell UFO Festival in July brings

385

00:18:22,430 --> 00:18:20,160

in like tens of thousands of people just

386

00:18:25,310 --> 00:18:22,440

boosts the economy and and basically

387

00:18:27,950 --> 00:18:25,320

it's what Roswell survives on for the

388

00:18:31,070 --> 00:18:27,960

whole year is that like one Festival in

389

00:18:34,789 --> 00:18:31,080

July um so even like the big one Roswell

390

00:18:37,549 --> 00:18:34,799

of all things um I feel like is Falls

391

00:18:38,990 --> 00:18:37,559

victim to this too uh but you know you

392

00:18:41,270 --> 00:18:39,000

hear this in the cryptic world too

393

00:18:43,730 --> 00:18:41,280

whether it's like Mothman employee

394

00:18:46,070 --> 00:18:43,740

Mothman and Silver Bridge they have a

395

00:18:47,990 --> 00:18:46,080

huge Festival every year it's a huge

396

00:18:49,549 --> 00:18:48,000

part of their economy it doesn't mean

397

00:18:51,890 --> 00:18:49,559

something weird didn't happen the

398

00:18:53,330 --> 00:18:51,900

story's been around forever but they've

399

00:18:56,510 --> 00:18:53,340

definitely tried to capitalize on it

400

00:18:58,430 --> 00:18:56,520

right so and I think if you're a skeptic

401
00:19:01,130 --> 00:18:58,440
you can look at that and go oh you're

402
00:19:04,010 --> 00:19:01,140
trying to make money you know yeah it's

403
00:19:06,409 --> 00:19:04,020
tough I know I know and and I I feel

404
00:19:07,909 --> 00:19:06,419
like yes this is definitely an example

405
00:19:10,669 --> 00:19:07,919
of that

406
00:19:13,070 --> 00:19:10,679
um but at the same time I'm like you're

407
00:19:14,890 --> 00:19:13,080
right I I this is a highly active area

408
00:19:19,130 --> 00:19:14,900
when it comes to UFOs

409
00:19:22,549 --> 00:19:19,140
yeah the reports as well so yeah it's

410
00:19:25,250 --> 00:19:22,559
crazy when something legitimate and real

411
00:19:27,890 --> 00:19:25,260
does happen and then that Snowball

412
00:19:31,070 --> 00:19:27,900
Effect after like are they now gonna

413
00:19:32,390 --> 00:19:31,080

start uh spreading rumors that the UFOs

414

00:19:34,789 --> 00:19:32,400

are back or are they going to pull like

415

00:19:36,950 --> 00:19:34,799

a Stephen Greer and start shooting off

416

00:19:40,370 --> 00:19:36,960

flares and saying oh we're vectoring in

417

00:19:43,070 --> 00:19:40,380

the UFOs I I don't know I I hope that's

418

00:19:44,830 --> 00:19:43,080

not the case but um the museum looks

419

00:19:47,630 --> 00:19:44,840

cool I'm not gonna lie

420

00:19:49,430 --> 00:19:47,640

I would definitely go there I would I

421

00:19:51,590 --> 00:19:49,440

would absolutely go I would pay the

422

00:19:53,630 --> 00:19:51,600

money yeah I would go see it I would go

423

00:19:55,909 --> 00:19:53,640

see it yeah interesting story

424

00:19:58,430 --> 00:19:55,919

nonetheless but you're right like does

425

00:20:01,010 --> 00:19:58,440

it does it add to the credibility of the

426

00:20:03,350 --> 00:20:01,020

topic or doesn't it hey if it gets a few

427

00:20:05,210 --> 00:20:03,360

more eyes on the topic some young kid

428

00:20:07,610 --> 00:20:05,220

goes into that Museum and starts doing

429

00:20:09,230 --> 00:20:07,620

research awesome

430

00:20:10,490 --> 00:20:09,240

um if they end up getting a t-shirt on

431

00:20:13,850 --> 00:20:10,500

the way out that's a whole different

432

00:20:16,130 --> 00:20:13,860

story but um yeah no still I mean it's

433

00:20:17,990 --> 00:20:16,140

it's like is that kid going to be the

434

00:20:19,789 --> 00:20:18,000

next Ryan's break he's like yeah I

435

00:20:21,830 --> 00:20:19,799

didn't just get the T-shirt I saw the

436

00:20:25,549 --> 00:20:21,840

thing and maybe he's gonna go check it

437

00:20:28,190 --> 00:20:25,559

out or she you know so who knows

438

00:20:30,049 --> 00:20:28,200

who knows who knows it's an evolving

439

00:20:31,909 --> 00:20:30,059

story we'll see how this small town does

440

00:20:33,770 --> 00:20:31,919

in the future

441

00:20:36,830 --> 00:20:33,780

um well let's move on to this next story

442

00:20:39,289 --> 00:20:36,840

Jazz this is an interesting one

443

00:20:41,270 --> 00:20:39,299

um and kind of went under the radar I

444

00:20:43,330 --> 00:20:41,280

didn't hear much about this

445

00:20:48,650 --> 00:20:43,340

um on like UFO Twitter and stuff but

446

00:20:50,930 --> 00:20:48,660

this is titled the UAP PTSD and injuries

447

00:20:54,890 --> 00:20:50,940

are on the rise and organizations are

448

00:20:56,450 --> 00:20:54,900

forming to help victims uh so I'm sure a

449

00:20:59,090 --> 00:20:56,460

lot of our viewers recognize the two

450

00:21:00,950 --> 00:20:59,100

faces on our screen right now if you're

451
00:21:03,529 --> 00:21:00,960
watching this on YouTube if you're just

452
00:21:05,390 --> 00:21:03,539
listening on the future podcast version

453
00:21:07,370 --> 00:21:05,400
of this guys I highly suggest coming

454
00:21:09,890 --> 00:21:07,380
over to YouTube we got a lot of visuals

455
00:21:11,330 --> 00:21:09,900
for you to go with these stories um but

456
00:21:14,090 --> 00:21:11,340
let me go ahead and read a little bit of

457
00:21:16,610 --> 00:21:14,100
this a recent study on the effects of

458
00:21:19,250 --> 00:21:16,620
UAP experiences from sightings to alien

459
00:21:21,049 --> 00:21:19,260
contact to abductions found that many of

460
00:21:23,390 --> 00:21:21,059
the encounters caused physical and

461
00:21:26,029 --> 00:21:23,400
psychological symptoms ranging from

462
00:21:28,549 --> 00:21:26,039
headaches and nausea to anxiety and

463
00:21:30,950 --> 00:21:28,559

sleep disturbance disturbance to mental

464

00:21:33,890 --> 00:21:30,960

trauma resembling post-traumatic stress

465

00:21:34,970 --> 00:21:33,900

disorder fortunately an organization has

466

00:21:37,669 --> 00:21:34,980

been formed to help medical

467

00:21:40,430 --> 00:21:37,679

professionals diagnose and treat those

468

00:21:43,310 --> 00:21:40,440

who whose stress is caused by UAP

469

00:21:44,870 --> 00:21:43,320

encounters Ted Rowe is the co-founder

470

00:21:47,029 --> 00:21:44,880

and executive director of the National

471

00:21:49,370 --> 00:21:47,039

Aviation Reporting Center

472

00:21:51,529 --> 00:21:49,380

um on anomalous phenomena or narcap as

473

00:21:53,510 --> 00:21:51,539

many of us know it which documents and

474

00:21:56,390 --> 00:21:53,520

analyzes Aviation safety related

475

00:21:57,710 --> 00:21:56,400

encounters with UAP Roe says he's met

476

00:21:59,990 --> 00:21:57,720

enough of these Witnesses and

477

00:22:02,990 --> 00:22:00,000

experiencers like himself he's also an

478

00:22:05,510 --> 00:22:03,000

experiencer those with symptoms of

479

00:22:07,730 --> 00:22:05,520

trauma to recognize a disturbing Trend

480

00:22:08,570 --> 00:22:07,740

uh this is a quote from Ted Rowe

481

00:22:10,970 --> 00:22:08,580

actually

482

00:22:12,770 --> 00:22:10,980

quote I started noticing people in these

483

00:22:15,289 --> 00:22:12,780

groups and they were all having trouble

484

00:22:17,810 --> 00:22:15,299

I tried to join some experiencer groups

485

00:22:19,850 --> 00:22:17,820

and uh there's a lot of sickness in

486

00:22:22,310 --> 00:22:19,860

there but there's but that's where

487

00:22:24,350 --> 00:22:22,320

people go because they're desperate you

488

00:22:26,870 --> 00:22:24,360

know it's all in their psychology and

489

00:22:28,789 --> 00:22:26,880

whether they have the discipline to hold

490

00:22:31,370 --> 00:22:28,799

to the reality of what they went through

491

00:22:32,870 --> 00:22:31,380

so I'm worried about them and I realize

492

00:22:35,570 --> 00:22:32,880

that the mental health and medical

493

00:22:37,669 --> 00:22:35,580

community was not at all prepared to

494

00:22:38,330 --> 00:22:37,679

deal with this

495

00:22:40,669 --> 00:22:38,340

um

496

00:22:43,010 --> 00:22:40,679

he goes on this inspired Roe to create

497

00:22:47,330 --> 00:22:43,020

his own support organization the UAP

498

00:22:48,890 --> 00:22:47,340

medical Coalition or uapmc its Charter

499

00:22:51,230 --> 00:22:48,900

is to assist medical and mental health

500

00:22:53,029 --> 00:22:51,240

professionals with information and case

501
00:22:55,970 --> 00:22:53,039
studies on people dealing with trauma

502
00:22:58,250 --> 00:22:55,980
from various UAP experiences and share

503
00:23:01,430 --> 00:22:58,260
the types of therapy and counseling that

504
00:23:03,470 --> 00:23:01,440
work to relieve it and the other person

505
00:23:06,230 --> 00:23:03,480
on the screen there Jazz we all know is

506
00:23:09,649 --> 00:23:06,240
Gary Nolan Dr Gary Rowan from Stanford

507
00:23:11,450 --> 00:23:09,659
University and he has kind of been

508
00:23:14,210 --> 00:23:11,460
looking into this stuff I mean shouldn't

509
00:23:18,649 --> 00:23:14,220
say kind of he has I mean he's literally

510
00:23:21,110 --> 00:23:18,659
working with people who have had these

511
00:23:23,990 --> 00:23:21,120
experiences and literally studying their

512
00:23:24,890 --> 00:23:24,000
brains in everything very interesting

513
00:23:26,810 --> 00:23:24,900

um

514

00:23:29,270 --> 00:23:26,820

and he thinks this is a great idea what

515

00:23:31,669 --> 00:23:29,280

Ted Rowe is doing he said quote I have

516

00:23:34,190 --> 00:23:31,679

counseled more than a dozen academics on

517

00:23:36,350 --> 00:23:34,200

how to talk about this how to walk that

518

00:23:38,570 --> 00:23:36,360

fine line how to address those who

519

00:23:41,149 --> 00:23:38,580

challenge you and in what common areas

520

00:23:43,490 --> 00:23:41,159

the rhetoric and the verbiage best used

521

00:23:45,470 --> 00:23:43,500

and most accepted as well as how to

522

00:23:47,990 --> 00:23:45,480

present it

523

00:23:50,510 --> 00:23:48,000

um and the one thing Nolan and Roe seem

524

00:23:53,029 --> 00:23:50,520

to agree on is that neither they nor

525

00:23:55,370 --> 00:23:53,039

other researchers can pinpoint which

526
00:23:58,789 --> 00:23:55,380
part of the UFO or Alien Encounter has

527
00:24:01,190 --> 00:23:58,799
caused the PTSD symptoms

528
00:24:03,350 --> 00:24:01,200
really really interesting story what do

529
00:24:05,570 --> 00:24:03,360
you make of all this shows

530
00:24:07,909 --> 00:24:05,580
well you and I discussed that I'll let

531
00:24:10,610 --> 00:24:07,919
the cat out of the bag behind the scenes

532
00:24:12,289 --> 00:24:10,620
you and I discussed this beforehand and

533
00:24:14,090 --> 00:24:12,299
you understand and I appreciate you

534
00:24:17,390 --> 00:24:14,100
understanding it is a touchy subject

535
00:24:22,070 --> 00:24:17,400
yeah I mean it absolutely is

536
00:24:25,130 --> 00:24:22,080
um when we discuss PTSD and the topic

537
00:24:27,310 --> 00:24:25,140
that you and I are addressing today and

538
00:24:30,490 --> 00:24:27,320

that everyone's interested in

539

00:24:34,909 --> 00:24:30,500

there there there's a very uncomfortable

540

00:24:37,549 --> 00:24:34,919

kind of backwash wash over between I

541

00:24:39,649 --> 00:24:37,559

grew up in a home with a man who

542

00:24:42,890 --> 00:24:39,659

suffered from one of the most severe

543

00:24:46,070 --> 00:24:42,900

cases of PTSD you could ever imagine but

544

00:24:49,250 --> 00:24:46,080

it was before anyone knew what PTSD was

545

00:24:51,770 --> 00:24:49,260

my father was in World War II he killed

546

00:24:53,990 --> 00:24:51,780

a lot of people and he came home and he

547

00:24:56,090 --> 00:24:54,000

was completely changed forever and it

548

00:24:59,390 --> 00:24:56,100

was dramatic in our house that's carried

549

00:25:02,690 --> 00:24:59,400

on for Generations but at the same time

550

00:25:04,490 --> 00:25:02,700

it's not limited to military people I

551
00:25:07,549 --> 00:25:04,500
mean PTSD

552
00:25:09,649 --> 00:25:07,559
applies to so many areas how many

553
00:25:12,529 --> 00:25:09,659
stories do we hear from people who were

554
00:25:14,870 --> 00:25:12,539
Victor victims of sexual assault of so

555
00:25:17,090 --> 00:25:14,880
many other terrible things and that

556
00:25:21,529 --> 00:25:17,100
carries on with them and they need help

557
00:25:23,870 --> 00:25:21,539
and they very often do not get it I I do

558
00:25:25,370 --> 00:25:23,880
not have a hard time imagining

559
00:25:27,310 --> 00:25:25,380
particularly with all the stories that

560
00:25:29,750 --> 00:25:27,320
you've told of people who have had

561
00:25:32,450 --> 00:25:29,760
encounters sometimes damaging encounters

562
00:25:34,250 --> 00:25:32,460
if you talk to the experiencers who you

563
00:25:37,130 --> 00:25:34,260

know claim abduction and things like

564

00:25:38,870 --> 00:25:37,140

that that yeah you could have PTSD from

565

00:25:40,190 --> 00:25:38,880

that and

566

00:25:43,850 --> 00:25:40,200

I mean

567

00:25:46,010 --> 00:25:43,860

I didn't from my own my wife and I's

568

00:25:48,950 --> 00:25:46,020

personal experiences with UFOs

569

00:25:51,110 --> 00:25:48,960

but yeah a lot of people have much more

570

00:25:52,190 --> 00:25:51,120

alarming experiences

571

00:25:53,870 --> 00:25:52,200

so

572

00:25:56,149 --> 00:25:53,880

I don't you you can't really question

573

00:25:58,370 --> 00:25:56,159

this in my opinion if you didn't

574

00:26:00,289 --> 00:25:58,380

experience it yourself there's a lot of

575

00:26:01,430 --> 00:26:00,299

people that do need help and and these

576
00:26:06,289 --> 00:26:01,440
people seem to be trying to do something

577
00:26:09,110 --> 00:26:06,299
to legitimately help people and I saw

578
00:26:11,090 --> 00:26:09,120
some really incredible stuff but maybe

579
00:26:13,010 --> 00:26:11,100
because I had such a messed up life I'd

580
00:26:14,330 --> 00:26:13,020
already seen a bunch of other things if

581
00:26:17,950 --> 00:26:14,340
you see something that comes out of the

582
00:26:20,810 --> 00:26:17,960
blue that just upsets your entire

583
00:26:23,090 --> 00:26:20,820
understanding of the world around you of

584
00:26:26,090 --> 00:26:23,100
your reality yeah that could be

585
00:26:27,049 --> 00:26:26,100
definitely traumatic so no I I think

586
00:26:29,510 --> 00:26:27,059
it's a good thing what they're doing

587
00:26:32,149 --> 00:26:29,520
really because they're it's probably

588
00:26:34,250 --> 00:26:32,159

lower in number Than People experience

589

00:26:38,390 --> 00:26:34,260

war and and the other things we

590

00:26:39,649 --> 00:26:38,400

discussed but yeah I I totally approve

591

00:26:42,710 --> 00:26:39,659

of this and I don't think it's a bad

592

00:26:44,930 --> 00:26:42,720

thing at all yeah and I mean and I'm

593

00:26:47,090 --> 00:26:44,940

glad Ted Rowe brought up the idea of

594

00:26:49,070 --> 00:26:47,100

like these support groups that kind of

595

00:26:51,649 --> 00:26:49,080

form around quote unquote like alien

596

00:26:54,710 --> 00:26:51,659

abductees and whatnot like I've been in

597

00:26:56,570 --> 00:26:54,720

those rooms and it can be very

598

00:26:59,870 --> 00:26:56,580

very hard

599

00:27:04,909 --> 00:26:59,880

um because oh part of you wants so much

600

00:27:07,370 --> 00:27:04,919

to believe that uh or not believe that

601
00:27:08,930 --> 00:27:07,380
this phenomenon is real

602
00:27:10,250 --> 00:27:08,940
um but at the same time you don't want

603
00:27:11,630 --> 00:27:10,260
it to be real because you don't want

604
00:27:13,250 --> 00:27:11,640
that person to have suffered

605
00:27:15,529 --> 00:27:13,260
traumatically

606
00:27:18,769 --> 00:27:15,539
um through an experience like that and

607
00:27:20,690 --> 00:27:18,779
it's such a struggle and and then you

608
00:27:22,610 --> 00:27:20,700
get to the whole other layer of like

609
00:27:25,490 --> 00:27:22,620
those support groups of like are they

610
00:27:28,269 --> 00:27:25,500
enabling one another are they like is

611
00:27:31,250 --> 00:27:28,279
this all some sort of uh

612
00:27:32,810 --> 00:27:31,260
sociological experiment gone wrong um

613
00:27:34,130 --> 00:27:32,820

and I don't personally believe that I

614

00:27:37,010 --> 00:27:34,140

believe there's a core phenomenon

615

00:27:38,750 --> 00:27:37,020

happening when it comes to UFOs and and

616

00:27:41,149 --> 00:27:38,760

I don't believe it but I I don't deny

617

00:27:43,430 --> 00:27:41,159

there might be an element of that among

618

00:27:45,289 --> 00:27:43,440

some people with their own agendas yeah

619

00:27:46,490 --> 00:27:45,299

I think that that could be possible

620

00:27:49,070 --> 00:27:46,500

right

621

00:27:51,529 --> 00:27:49,080

um so you know at this point in my my

622

00:27:53,269 --> 00:27:51,539

world of UFOs

623

00:27:55,370 --> 00:27:53,279

um I don't really

624

00:27:57,409 --> 00:27:55,380

tell people who come to me and say I've

625

00:28:00,169 --> 00:27:57,419

been abducted or I've had a close

626

00:28:01,549 --> 00:28:00,179

encounter should I go see a like a

627

00:28:04,070 --> 00:28:01,559

hypnotherapist like that's not really

628

00:28:06,830 --> 00:28:04,080

something I recommend anymore I did in

629

00:28:09,169 --> 00:28:06,840

my early days of the research um now I

630

00:28:11,570 --> 00:28:09,179

tell them you should go see a therapist

631

00:28:13,390 --> 00:28:11,580

like work through this don't go to a

632

00:28:16,789 --> 00:28:13,400

alien abduction

633

00:28:18,710 --> 00:28:16,799

hypnotic uh therapist like go seek

634

00:28:21,590 --> 00:28:18,720

actual help and I think that's what this

635

00:28:23,330 --> 00:28:21,600

group is responsibly doing

636

00:28:25,909 --> 00:28:23,340

um and actually if you don't mind Jazz

637

00:28:28,970 --> 00:28:25,919

I've got a quick video from a gentleman

638

00:28:30,470 --> 00:28:28,980

named Shane Frakes he's uh he's an Air

639

00:28:33,409 --> 00:28:30,480

Force veteran

640

00:28:37,130 --> 00:28:33,419

um who has also had experiences and he's

641

00:28:38,690 --> 00:28:37,140

working with UAP Med on this and um I

642

00:28:41,390 --> 00:28:38,700

found this cool clip of him kind of

643

00:28:43,130 --> 00:28:41,400

talking about uh the group and and what

644

00:28:44,690 --> 00:28:43,140

it's meant to him so I'm going to go

645

00:28:46,970 --> 00:28:44,700

ahead and play that quick and then we'll

646

00:28:49,310 --> 00:28:46,980

close out on this story

647

00:28:51,230 --> 00:28:49,320

join the United States Air Force in May

648

00:28:53,390 --> 00:28:51,240

2001 got to my first Duty station

649

00:28:54,950 --> 00:28:53,400

September 9th 2001 shortly after I was

650

00:28:57,409 --> 00:28:54,960

at my first

651
00:29:00,230 --> 00:28:57,419
combat location uh Jacob bad air base in

652
00:29:02,090 --> 00:29:00,240
Pakistan I also did a tour in Iraq as

653
00:29:04,610 --> 00:29:02,100
well as uh second tour another toront

654
00:29:06,049 --> 00:29:04,620
Iraq so three tours in total uh 2010 I

655
00:29:08,630 --> 00:29:06,059
separated from the military and got

656
00:29:11,750 --> 00:29:08,640
pretty sick about that time uh diagnosed

657
00:29:13,850 --> 00:29:11,760
post-traumatic stress disorder by 2014 I

658
00:29:15,070 --> 00:29:13,860
was a homeless addict and I was pretty

659
00:29:17,510 --> 00:29:15,080
sick

660
00:29:18,769 --> 00:29:17,520
2018's Wounded Warrior stepped in and

661
00:29:20,750 --> 00:29:18,779
ended up getting the help that I needed

662
00:29:23,769 --> 00:29:20,760
so I started on the path of recovery and

663
00:29:26,630 --> 00:29:23,779

I've been clean since then but about

664

00:29:28,549 --> 00:29:26,640

2020 I had left uh some care that I was

665

00:29:31,250 --> 00:29:28,559

receiving for my mental health for the

666

00:29:34,370 --> 00:29:31,260

last time about

667

00:29:36,649 --> 00:29:34,380

I think it was January 2020 I started

668

00:29:38,330 --> 00:29:36,659

seeing

669

00:29:40,370 --> 00:29:38,340

during the pandemic lights in the sky

670

00:29:42,769 --> 00:29:40,380

things I didn't quite understand and as

671

00:29:45,289 --> 00:29:42,779

a combat veteran I was kind of confused

672

00:29:47,750 --> 00:29:45,299

by what these were I live in Washington

673

00:29:50,870 --> 00:29:47,760

state which is near Hanford Hanford

674

00:29:52,310 --> 00:29:50,880

nuclear site apologies uh for the last

675

00:29:54,769 --> 00:29:52,320

couple years I've been

676

00:29:58,610 --> 00:29:54,779

going through what some would term as an

677

00:30:01,669 --> 00:29:58,620

experience or a UFO witness and as a

678

00:30:02,930 --> 00:30:01,679

person who has been through the gamut of

679

00:30:05,630 --> 00:30:02,940

mental health and values of mental

680

00:30:07,250 --> 00:30:05,640

health I I wanted some ability to talk

681

00:30:09,710 --> 00:30:07,260

to mental health professionals about

682

00:30:11,210 --> 00:30:09,720

what I was seeing because the rabbit

683

00:30:12,970 --> 00:30:11,220

hole gets deep when you realize that

684

00:30:15,110 --> 00:30:12,980

something that's not supposed to exist

685

00:30:17,870 --> 00:30:15,120

does exist

686

00:30:21,169 --> 00:30:17,880

but you couldn't do that so what this

687

00:30:23,269 --> 00:30:21,179

organization is for it's it's to reach

688

00:30:25,549 --> 00:30:23,279

out to let mental health professionals

689

00:30:27,230 --> 00:30:25,559

doctors know that

690

00:30:30,409 --> 00:30:27,240

you know before you give them a pill

691

00:30:32,870 --> 00:30:30,419

before you put them on a three-day holds

692

00:30:34,909 --> 00:30:32,880

take a breath maybe do some research on

693

00:30:36,169 --> 00:30:34,919

your own because there's a possibility

694

00:30:39,470 --> 00:30:36,179

that

695

00:30:41,930 --> 00:30:39,480

they had an actual encounter with an

696

00:30:43,850 --> 00:30:41,940

anomalous experience and another reason

697

00:30:47,330 --> 00:30:43,860

this is important because

698

00:30:49,669 --> 00:30:47,340

the topic of UFOs ufology isn't quite

699

00:30:52,370 --> 00:30:49,679

taken as serious because

700

00:30:54,470 --> 00:30:52,380

it's rampant with mental illness

701
00:30:56,870 --> 00:30:54,480
because people who do see these things

702
00:30:58,669 --> 00:30:56,880
or may or may not are scared to seek

703
00:31:04,310 --> 00:30:58,679
care one way or the other so this would

704
00:31:09,649 --> 00:31:07,310
yeah so I think he he summarized it

705
00:31:12,830 --> 00:31:09,659
really well there like they don't know

706
00:31:15,889 --> 00:31:12,840
who to go to and uh they're scared to

707
00:31:18,710 --> 00:31:15,899
and who can blame them so I think this

708
00:31:21,649 --> 00:31:18,720
would be good if we had sort of a a set

709
00:31:23,870 --> 00:31:21,659
of Standards or protocols when you know

710
00:31:26,870 --> 00:31:23,880
when someone comes to a therapist and

711
00:31:28,610 --> 00:31:26,880
says you know I think I had a a UFO

712
00:31:30,769 --> 00:31:28,620
experience or a close encounter or

713
00:31:32,269 --> 00:31:30,779

acclaimed alien abduction

714

00:31:36,230 --> 00:31:32,279

um instead of immediately being like

715

00:31:39,710 --> 00:31:36,240

okay like this person is clearly lost it

716

00:31:41,330 --> 00:31:39,720

um to to just listen which you know I'm

717

00:31:43,850 --> 00:31:41,340

sure most of them do they don't

718

00:31:46,730 --> 00:31:43,860

immediately dismiss them that would be

719

00:31:49,190 --> 00:31:46,740

very irresponsible the therapist to do

720

00:31:51,350 --> 00:31:49,200

um but to be open to the fact that

721

00:31:55,870 --> 00:31:51,360

something's going on like this is

722

00:31:58,549 --> 00:31:55,880

happening to very just you know uh

723

00:32:01,610 --> 00:31:58,559

grounded people and it's happening at an

724

00:32:03,409 --> 00:32:01,620

alarming rate so yeah yeah I think it's

725

00:32:04,669 --> 00:32:03,419

good I think you know the more we

726

00:32:08,029 --> 00:32:04,679

standardize this

727

00:32:10,909 --> 00:32:08,039

sort of stuff the less kind of woo and

728

00:32:14,090 --> 00:32:10,919

kind of alien abduction

729

00:32:16,490 --> 00:32:14,100

um Bud Hopkins all that stuff uh that

730

00:32:20,330 --> 00:32:16,500

gets kind of lumped into a lot of it too

731

00:32:22,789 --> 00:32:20,340

um I don't know and my way off on that

732

00:32:24,289 --> 00:32:22,799

no I I don't think you're way off I I

733

00:32:25,730 --> 00:32:24,299

think what we're seeing is an evolution

734

00:32:28,730 --> 00:32:25,740

of care

735

00:32:31,370 --> 00:32:28,740

um it was going back to the example I

736

00:32:34,730 --> 00:32:31,380

gave with with my family

737

00:32:36,769 --> 00:32:34,740

for a long time it was assumed that you

738

00:32:39,409 --> 00:32:36,779

know anybody that went over and fought

739

00:32:42,230 --> 00:32:39,419

in war whether it was World War II

740

00:32:43,850 --> 00:32:42,240

Vietnam where I lost two cousins

741

00:32:46,730 --> 00:32:43,860

um our family has

742

00:32:49,010 --> 00:32:46,740

bled and died for this country you know

743

00:32:51,710 --> 00:32:49,020

and people come back the ones who

744

00:32:54,110 --> 00:32:51,720

survive it was always expected you were

745

00:32:56,990 --> 00:32:54,120

going to be stoic and solid and you were

746

00:32:58,789 --> 00:32:57,000

going to just be you know it's okay we

747

00:33:02,570 --> 00:32:58,799

got the job done

748

00:33:05,210 --> 00:33:02,580

we're we're number one right without

749

00:33:07,909 --> 00:33:05,220

it being accepted in society that some

750

00:33:10,730 --> 00:33:07,919

of those people were really damaged you

751
00:33:12,110 --> 00:33:10,740
know and they they did experience damage

752
00:33:14,509 --> 00:33:12,120
and

753
00:33:16,669 --> 00:33:14,519
I have been fortunate enough

754
00:33:19,009 --> 00:33:16,679
to really never be in that situation at

755
00:33:20,210 --> 00:33:19,019
least that I know of but so many family

756
00:33:21,470 --> 00:33:20,220
members have

757
00:33:23,570 --> 00:33:21,480
I think

758
00:33:26,269 --> 00:33:23,580
after it became

759
00:33:28,070 --> 00:33:26,279
more publicly documented

760
00:33:30,769 --> 00:33:28,080
that military people were experiencing

761
00:33:33,590 --> 00:33:30,779
this experiencing these things then we

762
00:33:35,990 --> 00:33:33,600
moved into an era where I said uh

763
00:33:39,529 --> 00:33:36,000

victims of sexual assault were

764

00:33:41,870 --> 00:33:39,539

experiencing this and now maybe this is

765

00:33:46,070 --> 00:33:41,880

you know the next step in the thing

766

00:33:50,930 --> 00:33:46,080

because I I used to look really a scance

767

00:33:52,730 --> 00:33:50,940

at the whole like abductee syndrome and

768

00:33:55,250 --> 00:33:52,740

because I never had any of those

769

00:33:59,269 --> 00:33:55,260

experiences I've just seen the weird

770

00:34:00,830 --> 00:33:59,279

crap in the sky you know but there are

771

00:34:04,310 --> 00:34:00,840

so many people who have these stories

772

00:34:06,590 --> 00:34:04,320

who have experienced these things that

773

00:34:08,589 --> 00:34:06,600

they may need help and maybe that's the

774

00:34:12,770 --> 00:34:08,599

next step we go from the military people

775

00:34:16,010 --> 00:34:12,780

to assault victims to perhaps people

776

00:34:20,270 --> 00:34:16,020

whose UAP interactions have left them

777

00:34:22,310 --> 00:34:20,280

with significant damage and I think

778

00:34:24,349 --> 00:34:22,320

whether you no matter what you believe

779

00:34:26,270 --> 00:34:24,359

about the entire topic

780

00:34:27,829 --> 00:34:26,280

if somebody's actually experiencing

781

00:34:30,230 --> 00:34:27,839

actual anguish

782

00:34:32,149 --> 00:34:30,240

it doesn't matter where it came from we

783

00:34:34,010 --> 00:34:32,159

should all at least be sympathetic

784

00:34:36,169 --> 00:34:34,020

enough as human beings

785

00:34:38,389 --> 00:34:36,179

to be able to go you know

786

00:34:41,210 --> 00:34:38,399

you you should have someone to talk to

787

00:34:44,030 --> 00:34:41,220

to share your experience and see how you

788

00:34:45,790 --> 00:34:44,040

get from where you are now particularly

789

00:34:48,409 --> 00:34:45,800

if you're feeling

790

00:34:51,470 --> 00:34:48,419

self-destructive attitudes or severe

791

00:34:53,030 --> 00:34:51,480

depression to a place of wellness and I

792

00:34:56,149 --> 00:34:53,040

think that's what these guys are doing

793

00:34:58,790 --> 00:34:56,159

and I frankly I totally approve of it

794

00:35:00,710 --> 00:34:58,800

absolutely you summarized it perfectly

795

00:35:03,290 --> 00:35:00,720

man yeah they're going through something

796

00:35:04,849 --> 00:35:03,300

so let's help them Let's help them I

797

00:35:08,030 --> 00:35:04,859

think it's great I think this is really

798

00:35:10,190 --> 00:35:08,040

cool so best of luck to Ted Rowe and um

799

00:35:13,010 --> 00:35:10,200

and the work being done by Gary Nolan as

800

00:35:14,750 --> 00:35:13,020

well moving forward in evolution it's a

801
00:35:17,810 --> 00:35:14,760
good way to look at it

802
00:35:20,990 --> 00:35:17,820
um well let's move to a story that's

803
00:35:24,589 --> 00:35:21,000
semi I guess tangentially related to

804
00:35:27,250 --> 00:35:24,599
UFOs and that was this what happened

805
00:35:29,750 --> 00:35:27,260
this past week Jazz the U.S military

806
00:35:33,290 --> 00:35:29,760
releases video of a Russian jet

807
00:35:35,510 --> 00:35:33,300
intercepting in MQ-9 Reaper drone so

808
00:35:37,609 --> 00:35:35,520
let's play the video and we'll talk

809
00:35:58,550 --> 00:35:37,619
about it on the other side and what this

810
00:35:58,560 --> 00:36:16,730
foreign

811
00:36:23,510 --> 00:36:20,450
there it is crystal clear as it were

812
00:36:25,730 --> 00:36:23,520
just the U.S military released this

813
00:36:28,069 --> 00:36:25,740

video of a Russian military intercept

814

00:36:32,210 --> 00:36:28,079

that resulted in the Downing of a U.S

815

00:36:34,790 --> 00:36:32,220

surveillance drone over the Black Sea

816

00:36:37,670 --> 00:36:34,800

um so yeah what do you think what'd you

817

00:36:41,870 --> 00:36:37,680

think of this when you first saw it

818

00:36:44,630 --> 00:36:41,880

uh the initial reports were vague once

819

00:36:46,670 --> 00:36:44,640

we saw that it came out pretty clearly

820

00:36:50,270 --> 00:36:46,680

what was going on

821

00:36:53,150 --> 00:36:50,280

uh the United States had a drone uh that

822

00:36:57,349 --> 00:36:53,160

was flying over international waters

823

00:36:59,990 --> 00:36:57,359

and we had two Russian jets that came in

824

00:37:01,970 --> 00:37:00,000

and did I've never seen this before I

825

00:37:04,069 --> 00:37:01,980

want to thank both Tim McMillan and

826

00:37:07,430 --> 00:37:04,079

Tyler Rogoway who were some of the first

827

00:37:10,310 --> 00:37:07,440

ones that I saw of publishing those

828

00:37:11,930 --> 00:37:10,320

videos with explanations that there

829

00:37:14,450 --> 00:37:11,940

there were fighter pilots from the

830

00:37:15,770 --> 00:37:14,460

Russians that were dumping fuel on top

831

00:37:19,430 --> 00:37:15,780

of one of our drones

832

00:37:22,490 --> 00:37:19,440

and then almost certainly at this point

833

00:37:23,710 --> 00:37:22,500

there was a collision that took out this

834

00:37:27,770 --> 00:37:23,720

single

835

00:37:29,510 --> 00:37:27,780

propeller on the Drone and it went down

836

00:37:31,730 --> 00:37:29,520

and now the Russians are attempting to

837

00:37:33,890 --> 00:37:31,740

retrieve it themselves

838

00:37:36,530 --> 00:37:33,900

um I don't want to leave the audience

839

00:37:38,569 --> 00:37:36,540

with the idea that we're talking about

840

00:37:41,270 --> 00:37:38,579

something that I think involves UFOs

841

00:37:44,210 --> 00:37:41,280

anything alien

842

00:37:47,150 --> 00:37:44,220

um this was just a an egregious

843

00:37:51,050 --> 00:37:47,160

encounter in the ongoing

844

00:37:54,010 --> 00:37:51,060

situation uh between Russia and Ukraine

845

00:37:57,650 --> 00:37:54,020

and the NATO forces

846

00:37:59,810 --> 00:37:57,660

and yeah they uh they blew down one of

847

00:38:02,569 --> 00:37:59,820

our drones I I don't know what else to

848

00:38:04,310 --> 00:38:02,579

say about it but we shouldn't stand for

849

00:38:08,329 --> 00:38:04,320

that because that was a very aggressive

850

00:38:12,230 --> 00:38:08,339

it qualifies as an actor War yeah well

851
00:38:13,550 --> 00:38:12,240
and you know Ryan Graves the pilot I

852
00:38:16,490 --> 00:38:13,560
think summed it up pretty well too

853
00:38:19,430 --> 00:38:16,500
saying how unprofessional this was of

854
00:38:21,770 --> 00:38:19,440
the Russian pilots and how dangerous it

855
00:38:24,890 --> 00:38:21,780
was like they easily could have just

856
00:38:25,970 --> 00:38:24,900
collided and and lost their own lives in

857
00:38:29,630 --> 00:38:25,980
this

858
00:38:32,270 --> 00:38:29,640
um so it's definitely

859
00:38:34,069 --> 00:38:32,280
um a very touchy thing

860
00:38:36,410 --> 00:38:34,079
um it's only adding fuel to the fire of

861
00:38:39,770 --> 00:38:36,420
everything going on geopolitically in

862
00:38:42,290 --> 00:38:39,780
the world um but you you said this you

863
00:38:43,430 --> 00:38:42,300

know what does this have to do with UFOs

864

00:38:44,870 --> 00:38:43,440
in UAP

865

00:38:49,310 --> 00:38:44,880
um I don't

866

00:38:51,710 --> 00:38:49,320
not much however I think the video is

867

00:38:54,589 --> 00:38:51,720
what um a lot of people are curious

868

00:38:57,349 --> 00:38:54,599
about it's a crystal clear video from a

869

00:38:58,370 --> 00:38:57,359
Reaper drone that shows literally a

870

00:39:01,010 --> 00:38:58,380
plane

871

00:39:05,690 --> 00:39:01,020
um as as angry sauerkraut in the chat

872

00:39:06,530 --> 00:39:05,700
said pissing fuel onto our drone

873

00:39:11,390 --> 00:39:06,540
um

874

00:39:14,030 --> 00:39:11,400
but we all we get you know from from the

875

00:39:17,390 --> 00:39:14,040
Navy is some blurry videos

876

00:39:20,150 --> 00:39:17,400

um we get no videos and no photos in the

877

00:39:22,550 --> 00:39:20,160

public of the three unidentified objects

878

00:39:26,569 --> 00:39:22,560

shot down in the US and Canada yet

879

00:39:29,810 --> 00:39:26,579

here's this video right here and it's if

880

00:39:32,510 --> 00:39:29,820

that were a UFO it came over man like

881

00:39:33,470 --> 00:39:32,520

The Smoking Gun videos there clear as

882

00:39:35,510 --> 00:39:33,480

day

883

00:39:37,030 --> 00:39:35,520

um but we're not getting that so why do

884

00:39:39,589 --> 00:39:37,040

you think we're getting this video

885

00:39:41,750 --> 00:39:39,599

released like literally the day after

886

00:39:44,030 --> 00:39:41,760

this happened but we're not getting

887

00:39:47,150 --> 00:39:44,040

anything from these objects shot down

888

00:39:49,550 --> 00:39:47,160

over the US and Canada or we're getting

889

00:39:51,170 --> 00:39:49,560

these like table scrap of blurry things

890

00:39:54,530 --> 00:39:51,180

of

891

00:39:56,750 --> 00:39:54,540

um you know whatever it was uh in

892

00:39:58,190 --> 00:39:56,760

Baghdad you know that this Baghdad

893

00:39:59,870 --> 00:39:58,200

Phantom that we're going to talk about

894

00:40:01,670 --> 00:39:59,880

later in the show

895

00:40:03,770 --> 00:40:01,680

um yeah what do you make of all that

896

00:40:06,890 --> 00:40:03,780

well as you know

897

00:40:09,530 --> 00:40:06,900

I have this sort of dual life I live in

898

00:40:12,890 --> 00:40:09,540

the political world for the network that

899

00:40:16,010 --> 00:40:12,900

I work for and in the UFO world

900

00:40:17,630 --> 00:40:16,020

and I think we're seeing a very good

901
00:40:20,450 --> 00:40:17,640
example here

902
00:40:21,710 --> 00:40:20,460
of the fact that the government is very

903
00:40:25,790 --> 00:40:21,720
selective

904
00:40:28,849 --> 00:40:25,800
about what it releases not because

905
00:40:32,030 --> 00:40:28,859
of how important it is not because of

906
00:40:35,450 --> 00:40:32,040
what it adds to a scientific discussion

907
00:40:38,690 --> 00:40:35,460
it adds to the value of politics and

908
00:40:41,569 --> 00:40:38,700
they pick and choose what they choose to

909
00:40:47,569 --> 00:40:41,579
release now you mentioned a couple of

910
00:40:51,230 --> 00:40:49,550
let me pause that there for a moment and

911
00:40:54,890 --> 00:40:51,240
Tim McMillan once again gets credited

912
00:40:58,730 --> 00:40:54,900
the debrief not every fighter jet has

913
00:41:01,190 --> 00:40:58,740

and not every drone has the same camera

914

00:41:04,609 --> 00:41:01,200

capabilities right as the one we had

915

00:41:07,190 --> 00:41:04,619

from this one but most of them do these

916

00:41:09,950 --> 00:41:07,200

days not all most

917

00:41:12,650 --> 00:41:09,960

okay so with that said

918

00:41:15,410 --> 00:41:12,660

if you went and released the video of

919

00:41:19,670 --> 00:41:15,420

you shooting down a let's just say for

920

00:41:22,609 --> 00:41:19,680

example Boy Scout Troops radio balloon

921

00:41:26,329 --> 00:41:22,619

that would be pretty embarrassing yeah

922

00:41:28,750 --> 00:41:26,339

but if you want to say hey we're not

923

00:41:31,910 --> 00:41:28,760

starting a war with the Russians

924

00:41:34,130 --> 00:41:31,920

they're messing with us they're

925

00:41:36,290 --> 00:41:34,140

attacking us in international waters

926
00:41:37,430 --> 00:41:36,300
that's the sort of video you would

927
00:41:40,010 --> 00:41:37,440
release

928
00:41:42,109 --> 00:41:40,020
so the

929
00:41:43,849 --> 00:41:42,119
because they won't give us the the

930
00:41:46,490 --> 00:41:43,859
absolute truth they don't give you

931
00:41:48,950 --> 00:41:46,500
unvarnished things I've submitted for

932
00:41:51,290 --> 00:41:48,960
your requests everybody's been asking

933
00:41:53,210 --> 00:41:51,300
you only get the pieces they want to

934
00:41:54,650 --> 00:41:53,220
show you right so to answer your

935
00:41:57,950 --> 00:41:54,660
question Ryan

936
00:42:00,530 --> 00:41:57,960
I think we shouldn't be very inspired in

937
00:42:03,109 --> 00:42:00,540
the openness and transparency of the

938
00:42:06,470 --> 00:42:03,119

United States government because they're

939

00:42:07,849 --> 00:42:06,480

showing us things that make them look a

940

00:42:11,750 --> 00:42:07,859

lot better

941

00:42:14,210 --> 00:42:11,760

and claiming they either don't have or

942

00:42:17,150 --> 00:42:14,220

because of national security reasons

943

00:42:18,950 --> 00:42:17,160

will not release other videos that they

944

00:42:21,050 --> 00:42:18,960

clearly have

945

00:42:25,910 --> 00:42:21,060

because it might make them look kind of

946

00:42:30,829 --> 00:42:28,310

you asked me my take I I know that

947

00:42:33,770 --> 00:42:30,839

sounds a little cruel but that's my

948

00:42:35,750 --> 00:42:33,780

takeaway I I think the United States

949

00:42:37,190 --> 00:42:35,760

government has not been an honest actor

950

00:42:39,710 --> 00:42:37,200

for the last

951
00:42:42,710 --> 00:42:39,720
more than 75 years they're not much

952
00:42:46,609 --> 00:42:42,720
better now really we hear a lot of talk

953
00:42:48,589 --> 00:42:46,619
from the the new Aero office and all the

954
00:42:50,750 --> 00:42:48,599
all this stuff but they're always

955
00:42:52,790 --> 00:42:50,760
covered in their own butts and the

956
00:42:55,310 --> 00:42:52,800
example you brought up today

957
00:42:57,770 --> 00:42:55,320
I think that's a perfect example we

958
00:42:59,870 --> 00:42:57,780
could have had great video of a lot of

959
00:43:02,030 --> 00:42:59,880
things but it either would have shown

960
00:43:04,250 --> 00:43:02,040
something embarrassing or something that

961
00:43:06,770 --> 00:43:04,260
they don't want us to know

962
00:43:09,829 --> 00:43:06,780
but when something serves their purpose

963
00:43:11,990 --> 00:43:09,839

like oh look here's the Russians dumping

964

00:43:13,490 --> 00:43:12,000

fuel on our drone

965

00:43:15,290 --> 00:43:13,500

I agree with you

966

00:43:17,329 --> 00:43:15,300

aren't there a lot of other encounters

967

00:43:19,849 --> 00:43:17,339

including the recent ones with the

968

00:43:22,190 --> 00:43:19,859

unknown objects

969

00:43:24,589 --> 00:43:22,200

those are the same planes

970

00:43:27,470 --> 00:43:24,599

don't you think they have video of that

971

00:43:29,690 --> 00:43:27,480

too well they chose not to release any

972

00:43:32,089 --> 00:43:29,700

of that but they showed us this because

973

00:43:33,230 --> 00:43:32,099

it made the Russians look bad so pardon

974

00:43:34,730 --> 00:43:33,240

me for saying

975

00:43:37,430 --> 00:43:34,740

I'm a little skeptical of the

976
00:43:39,410 --> 00:43:37,440
government's motives yeah man I I I'm

977
00:43:42,050 --> 00:43:39,420
windy on that I mean that why do you

978
00:43:45,829 --> 00:43:42,060
think we saw this selfie taken by a

979
00:43:47,809 --> 00:43:45,839
pilot uh exactly China exactly or the

980
00:43:50,210 --> 00:43:47,819
shooting down of the balloon like these

981
00:43:52,130 --> 00:43:50,220
are the things they want us to see to

982
00:43:53,690 --> 00:43:52,140
you're right it's all politically

983
00:43:55,190 --> 00:43:53,700
motivated

984
00:43:58,010 --> 00:43:55,200
um I I think it's also politically

985
00:43:59,809 --> 00:43:58,020
motivated everything going on with

986
00:44:00,470 --> 00:43:59,819
um the different

987
00:44:02,870 --> 00:44:00,480
um

988
00:44:05,150 --> 00:44:02,880

kind of I don't even want to say

989

00:44:07,250 --> 00:44:05,160

bipartisan but like the way different

990

00:44:09,890 --> 00:44:07,260

Congress members are responding to a lot

991

00:44:11,950 --> 00:44:09,900

of this as well it seems like the topic

992

00:44:14,750 --> 00:44:11,960

right now is getting very politicized

993

00:44:17,450 --> 00:44:14,760

excuse me politicized and I don't like

994

00:44:19,250 --> 00:44:17,460

that like I like when we could just when

995

00:44:21,050 --> 00:44:19,260

Arrow first started it was very

996

00:44:23,030 --> 00:44:21,060

bipartisan you had Gila brand on one end

997

00:44:25,190 --> 00:44:23,040

you had Rubio on another

998

00:44:27,410 --> 00:44:25,200

um kind of like trying to move this

999

00:44:29,270 --> 00:44:27,420

thing forward and now I feel like it's

1000

00:44:32,089 --> 00:44:29,280

getting fractured again and it's all

1001
00:44:34,550 --> 00:44:32,099
getting politicized and I I don't like

1002
00:44:36,170 --> 00:44:34,560
the the way it's heading but I think

1003
00:44:38,450 --> 00:44:36,180
you're right that we're only seeing what

1004
00:44:39,950 --> 00:44:38,460
they want us to see I'm going to

1005
00:44:44,270 --> 00:44:39,960
disagree with you if I can partially

1006
00:44:48,230 --> 00:44:44,280
yeah yeah go ahead I I think in Congress

1007
00:44:50,569 --> 00:44:48,240
I think it's still very bipartisan there

1008
00:44:52,910 --> 00:44:50,579
are a lot of people on both sides still

1009
00:44:55,670 --> 00:44:52,920
very interested still working

1010
00:44:58,430 --> 00:44:55,680
um we're still hearing uh plans for new

1011
00:45:01,430 --> 00:44:58,440
hearings and things like that the

1012
00:45:04,130 --> 00:45:01,440
legislative side still seems to be

1013
00:45:06,050 --> 00:45:04,140

fairly bipartisan in all this it's the

1014

00:45:08,210 --> 00:45:06,060

executive side because when you move

1015

00:45:10,390 --> 00:45:08,220

over to the executive side you have the

1016

00:45:13,010 --> 00:45:10,400

White House you have the president slash

1017

00:45:17,150 --> 00:45:13,020

commander-in-chief you have the Pentagon

1018

00:45:19,130 --> 00:45:17,160

military everything that's actually an

1019

00:45:21,710 --> 00:45:19,140

entire another compartment from the

1020

00:45:25,309 --> 00:45:21,720

legislature and

1021

00:45:26,750 --> 00:45:25,319

I think they guard their political butts

1022

00:45:28,309 --> 00:45:26,760

a lot more and they don't want to put

1023

00:45:30,170 --> 00:45:28,319

out anything that might be embarrassing

1024

00:45:34,250 --> 00:45:30,180

or

1025

00:45:36,710 --> 00:45:34,260

let anybody know what's going on if

1026

00:45:39,109 --> 00:45:36,720

it could be shown somebody was doing

1027

00:45:41,870 --> 00:45:39,119

something questionable right the

1028

00:45:45,829 --> 00:45:41,880

legislator I still think is still

1029

00:45:48,710 --> 00:45:45,839

on board pretty much across the line you

1030

00:45:50,569 --> 00:45:48,720

know they're they want the answers but

1031

00:45:53,750 --> 00:45:50,579

they are we now have

1032

00:45:56,150 --> 00:45:53,760

it's not yes versus no it's legislative

1033

00:45:58,190 --> 00:45:56,160

versus executive branch and the

1034

00:46:02,870 --> 00:45:58,200

legislature we have a bunch of people

1035

00:46:04,550 --> 00:46:02,880

Tim Burchette Kirsten Gillibrand all the

1036

00:46:06,530 --> 00:46:04,560

ones you mentioned so many others

1037

00:46:08,390 --> 00:46:06,540

they're still working on this

1038

00:46:10,790 --> 00:46:08,400

but they're getting a lot of pushback

1039

00:46:13,609 --> 00:46:10,800

from both the military and the executive

1040

00:46:14,809 --> 00:46:13,619

branch who could see political damage if

1041

00:46:17,030 --> 00:46:14,819

it looked like they were doing something

1042

00:46:20,569 --> 00:46:17,040

that was kind of dodgy that's my take

1043

00:46:22,069 --> 00:46:20,579

and I cover this for a living so I'm

1044

00:46:23,809 --> 00:46:22,079

going to take your word for it and no

1045

00:46:25,609 --> 00:46:23,819

you make some really really good points

1046

00:46:28,910 --> 00:46:25,619

there for sure

1047

00:46:31,309 --> 00:46:28,920

um let's move on then because what else

1048

00:46:33,530 --> 00:46:31,319

can we really say about this it's an eve

1049

00:46:37,130 --> 00:46:33,540

it's a developing story

1050

00:46:38,750 --> 00:46:37,140

um but yeah we'll get back to it yep um

1051
00:46:41,450 --> 00:46:38,760
thank you Nicholas for the Super Chat

1052
00:46:44,030 --> 00:46:41,460
I'd love more info on the UAP angle as a

1053
00:46:47,270 --> 00:46:44,040
Navy drone pilot myself

1054
00:46:49,670 --> 00:46:47,280
um cool cool Nicholas yeah me too man

1055
00:46:51,849 --> 00:46:49,680
that's that's that's really interesting

1056
00:46:54,530 --> 00:46:51,859
we're getting more and more Navy people

1057
00:46:56,630 --> 00:46:54,540
involved in this topic every day so I'm

1058
00:46:59,089 --> 00:46:56,640
loving it I'm loving it

1059
00:47:01,849 --> 00:46:59,099
um all right Jazz what do you think yeah

1060
00:47:04,010 --> 00:47:01,859
enter into the next topic I need one

1061
00:47:05,930 --> 00:47:04,020
quick absolutely man yep we're moving on

1062
00:47:09,349 --> 00:47:05,940
to your story take a quick break we'll

1063
00:47:14,809 --> 00:47:12,349

all right guys so we're gonna move on to

1064

00:47:15,770 --> 00:47:14,819

the real story The reason I had Jazz

1065

00:47:18,109 --> 00:47:15,780

here

1066

00:47:21,710 --> 00:47:18,119

um he dug up something from the Project

1067

00:47:24,829 --> 00:47:21,720

Blue Book files that um really blew me

1068

00:47:28,970 --> 00:47:24,839

away and that's the story of a Tic Tac

1069

00:47:31,190 --> 00:47:28,980

UFO over Washington DC a really

1070

00:47:32,630 --> 00:47:31,200

interesting story you're not going to

1071

00:47:35,450 --> 00:47:32,640

want to miss it so what I'm going to do

1072

00:47:37,609 --> 00:47:35,460

right now actually is um take a quick

1073

00:47:39,170 --> 00:47:37,619

commercial break and we're gonna come

1074

00:47:41,870 --> 00:47:39,180

back on the other side we're going to

1075

00:47:44,450 --> 00:47:41,880

talk about the Tic Tac over Washington

1076

00:47:46,550 --> 00:47:44,460

DC and then we're going to move to

1077

00:47:50,030 --> 00:47:46,560

podcast highlights of the week and we've

1078

00:47:52,370 --> 00:47:50,040

got a bunch of awesome awesome clips for

1079

00:47:54,710 --> 00:47:52,380

you guys of podcasts that air this week

1080

00:47:56,150 --> 00:47:54,720

YouTube channels so you're not going to

1081

00:47:58,609 --> 00:47:56,160

want to miss that so

1082

00:48:05,290 --> 00:47:58,619

stick around hang tight we will be right

1083

00:48:10,730 --> 00:48:08,030

the somewhere in the skies podcast is

1084

00:48:12,829 --> 00:48:10,740

free to listen to every week but if you

1085

00:48:15,710 --> 00:48:12,839

would like to help support the show we

1086

00:48:17,210 --> 00:48:15,720

have a very active patreon page where

1087

00:48:19,849 --> 00:48:17,220

you give what you think the show is

1088

00:48:23,089 --> 00:48:19,859

worth in return you'll get early access

1089

00:48:26,270 --> 00:48:23,099

to the main show bonus episodes and

1090

00:48:28,970 --> 00:48:26,280

priority to ask our guests your listener

1091

00:48:32,210 --> 00:48:28,980

questions your support truly makes the

1092

00:48:35,470 --> 00:48:32,220

show continue and grow so to learn more

1093

00:48:37,100 --> 00:48:35,480

and to join visit patreon.com

1094

00:48:41,630 --> 00:48:37,110

somewhere Skies

1095

00:48:46,270 --> 00:48:41,640

[Music]

1096

00:48:51,290 --> 00:48:49,609

welcome back guys and yeah that's our

1097

00:48:53,930 --> 00:48:51,300

patreon campaign if you want to help out

1098

00:48:57,050 --> 00:48:53,940

the show that is a great way to do it

1099

00:48:58,970 --> 00:48:57,060

you get bonus episodes you get um Early

1100

00:49:01,370 --> 00:48:58,980

Access to all of our main episodes of

1101
00:49:03,770 --> 00:49:01,380
the podcast and you get priority to ask

1102
00:49:05,710 --> 00:49:03,780
our guests questions so you can join

1103
00:49:07,849 --> 00:49:05,720
right now at patreon.com

1104
00:49:10,430 --> 00:49:07,859
somewhere Skies

1105
00:49:12,770 --> 00:49:10,440
um or you can do super chat right here

1106
00:49:14,210 --> 00:49:12,780
on YouTube that helps too

1107
00:49:17,150 --> 00:49:14,220
um we'll throw your comments and

1108
00:49:18,530 --> 00:49:17,160
questions up for jazz as well with doing

1109
00:49:20,089 --> 00:49:18,540
that too

1110
00:49:22,010 --> 00:49:20,099
um great great support if you can't

1111
00:49:24,230 --> 00:49:22,020
support the show financially completely

1112
00:49:26,809 --> 00:49:24,240
understandable please just like the

1113
00:49:28,910 --> 00:49:26,819

video share the video subscribe that's

1114

00:49:31,609 --> 00:49:28,920

all we could ever ask of you guys so

1115

00:49:33,230 --> 00:49:31,619

thank you thank you for your support and

1116

00:49:35,450 --> 00:49:33,240

I see him back in the green room so

1117

00:49:37,849 --> 00:49:35,460

we're gonna bring him back in and we are

1118

00:49:41,510 --> 00:49:37,859

going to talk about Tic Tacs over

1119

00:49:43,849 --> 00:49:41,520

Washington D.C welcome back Jazz

1120

00:49:45,589 --> 00:49:43,859

um let's do it man let's get to the the

1121

00:49:47,530 --> 00:49:45,599

real reason I wanted to have you on and

1122

00:49:52,370 --> 00:49:47,540

that is to tell talk about this awesome

1123

00:49:54,410 --> 00:49:52,380

incident 207 so basically you know just

1124

00:49:56,569 --> 00:49:54,420

when we think of

1125

00:49:59,870 --> 00:49:56,579

um Washington DC and UFOs we always

1126

00:50:02,450 --> 00:49:59,880

think of the uh the the nation's capital

1127

00:50:04,730 --> 00:50:02,460

what happened in 1952 with these UFOs

1128

00:50:07,430 --> 00:50:04,740

that buzzed the capital

1129

00:50:09,530 --> 00:50:07,440

um and when we think of tic tacs we

1130

00:50:12,650 --> 00:50:09,540

think of the now famous 2004 Nimitz

1131

00:50:14,569 --> 00:50:12,660

event but you actually within the

1132

00:50:17,510 --> 00:50:14,579

Project Blue Book files were able to dig

1133

00:50:19,370 --> 00:50:17,520

up a case that kind of involved both of

1134

00:50:21,230 --> 00:50:19,380

these so could you maybe

1135

00:50:23,510 --> 00:50:21,240

um yeah yeah wherever you want to take

1136

00:50:27,650 --> 00:50:23,520

it tell us about incident 207 the Tic

1137

00:50:31,069 --> 00:50:27,660

Tac over Washington DC if you don't mind

1138

00:50:39,170 --> 00:50:34,130

oh sorry because I was talking to my

1139

00:50:42,890 --> 00:50:39,180

sister uh my bad sorry no worries my man

1140

00:50:45,109 --> 00:50:42,900

um no uh this was I I have an unhealthy

1141

00:50:48,170 --> 00:50:45,119

obsession with the blue book files

1142

00:50:50,569 --> 00:50:48,180

obviously and my my wife said I'm kind

1143

00:50:53,089 --> 00:50:50,579

of obsessed with it and I'm going

1144

00:50:55,730 --> 00:50:53,099

through them all the time and

1145

00:50:58,370 --> 00:50:55,740

a lot of people don't realize that they

1146

00:51:00,890 --> 00:50:58,380

hear like incident 17 the Kenneth Arnold

1147

00:51:03,290 --> 00:51:00,900

thing you know there there's a half

1148

00:51:06,170 --> 00:51:03,300

dozen or so that get a lot of coverage

1149

00:51:09,049 --> 00:51:06,180

there's been all sorts of

1150

00:51:11,870 --> 00:51:09,059

um you know documentaries made and and

1151
00:51:16,790 --> 00:51:11,880
articles written about them I ran across

1152
00:51:20,210 --> 00:51:16,800
this one case and it was listed in the

1153
00:51:23,690 --> 00:51:20,220
Blue Book files as incident 207.

1154
00:51:26,870 --> 00:51:23,700
but this was well before the very famous

1155
00:51:28,370 --> 00:51:26,880
Washington DC thing and it happened in

1156
00:51:29,750 --> 00:51:28,380
1948

1157
00:51:33,890 --> 00:51:29,760
and

1158
00:51:36,170 --> 00:51:33,900
uh the file is really long

1159
00:51:38,809 --> 00:51:36,180
I'll just say in advance

1160
00:51:41,390 --> 00:51:38,819
a lot of people don't realize that they

1161
00:51:48,349 --> 00:51:45,410
eight to a dozen Blue Book cases that

1162
00:51:50,569 --> 00:51:48,359
have been covered in books and in

1163
00:51:53,390 --> 00:51:50,579

documentaries and TV shows and we all

1164

00:51:57,230 --> 00:51:53,400

talk about them Kenneth Arnold that was

1165

00:52:01,089 --> 00:51:57,240

incident 17. there are more than seven

1166

00:52:05,630 --> 00:52:01,099

thousand files in the Blue Book cases

1167

00:52:06,650 --> 00:52:05,640

literally more than seven thousand a lot

1168

00:52:10,250 --> 00:52:06,660

of them

1169

00:52:13,370 --> 00:52:10,260

have almost nothing to them there's one

1170

00:52:14,870 --> 00:52:13,380

or two pages you know and it's like oh

1171

00:52:18,049 --> 00:52:14,880

we got a report from somebody who said

1172

00:52:21,349 --> 00:52:18,059

they saw the light and it was closed and

1173

00:52:25,910 --> 00:52:21,359

nobody did anything but buried in those

1174

00:52:28,549 --> 00:52:25,920

files there are a bunch of gems and 207

1175

00:52:32,329 --> 00:52:28,559

that was that was a great one that I

1176

00:52:34,970 --> 00:52:32,339

found uh earlier this year and went

1177

00:52:38,150 --> 00:52:34,980

ahead and the debrief did a whole

1178

00:52:38,930 --> 00:52:38,160

background investigation into it with

1179

00:52:42,950 --> 00:52:38,940

the

1180

00:52:45,230 --> 00:52:42,960

people that were involved we had names

1181

00:52:49,670 --> 00:52:45,240

we had dates we had times we had places

1182

00:52:51,829 --> 00:52:49,680

you know and there was a time

1183

00:52:56,150 --> 00:52:51,839

um and I'm just trying to get the date

1184

00:52:58,970 --> 00:52:56,160

right now yeah November 18th 1948. this

1185

00:53:01,130 --> 00:52:58,980

was several years before the one you

1186

00:53:02,690 --> 00:53:01,140

mentioned in Washington DC

1187

00:53:05,750 --> 00:53:02,700

where

1188

00:53:08,089 --> 00:53:05,760

there were pilots who encountered

1189

00:53:09,890 --> 00:53:08,099

something they couldn't explain

1190

00:53:11,150 --> 00:53:09,900

over

1191

00:53:13,190 --> 00:53:11,160

um

1192

00:53:15,530 --> 00:53:13,200

Andrews Air Force Base

1193

00:53:17,030 --> 00:53:15,540

in Maryland but it's right in the border

1194

00:53:18,490 --> 00:53:17,040

of Maryland it's right next to

1195

00:53:23,329 --> 00:53:18,500

Washington DC

1196

00:53:26,510 --> 00:53:23,339

and they ran into an object that

1197

00:53:27,530 --> 00:53:26,520

nobody could identify what the heck it

1198

00:53:31,910 --> 00:53:27,540

was

1199

00:53:34,010 --> 00:53:31,920

and it did some really amazing things

1200

00:53:37,370 --> 00:53:34,020

and

1201

00:53:39,290 --> 00:53:37,380

there were two pilots it took us a long

1202

00:53:40,970 --> 00:53:39,300

time to sort through

1203

00:53:43,370 --> 00:53:40,980

the details because there were some

1204

00:53:45,770 --> 00:53:43,380

errors in the records but there were

1205

00:53:48,349 --> 00:53:45,780

three Pilots most likely in two

1206

00:53:49,809 --> 00:53:48,359

different planes who ran into an object

1207

00:53:53,630 --> 00:53:49,819

they described as

1208

00:53:57,410 --> 00:53:53,640

elongated oval uh things like that it

1209

00:54:00,290 --> 00:53:57,420

really sounded like a Tic Tac which came

1210

00:54:03,230 --> 00:54:00,300

over Andrews Air Force Base a military

1211

00:54:05,870 --> 00:54:03,240

Air Force Base we're still in a very

1212

00:54:08,210 --> 00:54:05,880

very tense military situation during

1213

00:54:10,730 --> 00:54:08,220

that period right and

1214

00:54:11,630 --> 00:54:10,740

there was another witness uh on the

1215

00:54:14,809 --> 00:54:11,640

ground

1216

00:54:16,670 --> 00:54:14,819

all military Witnesses all of impeccable

1217

00:54:18,890 --> 00:54:16,680

qualifications

1218

00:54:22,730 --> 00:54:18,900

who watched this happen

1219

00:54:24,170 --> 00:54:22,740

and it lasted for 15 to 18 minutes

1220

00:54:26,870 --> 00:54:24,180

and

1221

00:54:29,089 --> 00:54:26,880

there were one or two planes we now

1222

00:54:31,670 --> 00:54:29,099

believe two planes that were coming in

1223

00:54:34,130 --> 00:54:31,680

to land at Air at Andrews

1224

00:54:35,270 --> 00:54:34,140

and they're suddenly encountered by

1225

00:54:38,450 --> 00:54:35,280

something

1226

00:54:42,530 --> 00:54:38,460

that they couldn't describe but it

1227

00:54:44,990 --> 00:54:42,540

sounded a lot like a Tic Tac and it was

1228

00:54:46,970 --> 00:54:45,000

just buzzing in amongst them while

1229

00:54:49,370 --> 00:54:46,980

someone on the ground all military

1230

00:54:52,849 --> 00:54:49,380

personnel were watching

1231

00:54:55,370 --> 00:54:52,859

and it started just circling and chasing

1232

00:54:59,089 --> 00:54:55,380

them and doing these weird evasive

1233

00:55:01,309 --> 00:54:59,099

maneuvers and jumping up and down and

1234

00:55:03,650 --> 00:55:01,319

going into these tight circles that our

1235

00:55:05,569 --> 00:55:03,660

planes couldn't duplicate

1236

00:55:07,670 --> 00:55:05,579

and then

1237

00:55:09,710 --> 00:55:07,680

literally more than 15 minutes later

1238

00:55:11,870 --> 00:55:09,720

apparently got bored

1239

00:55:14,750 --> 00:55:11,880

and took off to the Northeast and had it

1240

00:55:17,510 --> 00:55:14,760

off over it was it was doing the thing

1241

00:55:19,549 --> 00:55:17,520

was doing more than 80 miles an hour

1242

00:55:22,490 --> 00:55:19,559

AirSpeed circling

1243

00:55:24,950 --> 00:55:22,500

and then did more than 500 miles an hour

1244

00:55:27,170 --> 00:55:24,960

heading off to the Northeast and

1245

00:55:31,190 --> 00:55:27,180

disappearing over the Atlantic

1246

00:55:33,770 --> 00:55:31,200

and it was a really remarkable case and

1247

00:55:37,190 --> 00:55:33,780

the more the debrief dug into it you

1248

00:55:40,190 --> 00:55:37,200

know it's just like wow we have the

1249

00:55:43,210 --> 00:55:40,200

names of all of the people who were

1250

00:55:45,490 --> 00:55:43,220

involved in it three different Pilots

1251
00:55:48,650 --> 00:55:45,500
one sergeant that was on the ground

1252
00:55:50,750 --> 00:55:48,660
watching and Reporting all of this and

1253
00:55:52,730 --> 00:55:50,760
the entire Blue Book files when they

1254
00:55:55,609 --> 00:55:52,740
looked at this they didn't have an

1255
00:55:59,390 --> 00:55:55,619
explanation for it but it never caught

1256
00:56:02,569 --> 00:55:59,400
the attention of the broader media I've

1257
00:56:04,250 --> 00:56:02,579
never seen a big documentary like the

1258
00:56:05,690 --> 00:56:04,260
ones you've been involved in

1259
00:56:08,750 --> 00:56:05,700
you know

1260
00:56:11,150 --> 00:56:08,760
um this thing was doing crazy stuff

1261
00:56:13,130 --> 00:56:11,160
it came in it went out of these tight

1262
00:56:15,829 --> 00:56:13,140
circles they couldn't follow it was

1263
00:56:18,109 --> 00:56:15,839

better than our planes and at one point

1264

00:56:20,450 --> 00:56:18,119

when somebody got behind it

1265

00:56:22,490 --> 00:56:20,460

they put one of their Landing lights on

1266

00:56:24,710 --> 00:56:22,500

it and said it was kind of glowing but

1267

00:56:26,390 --> 00:56:24,720

it immediately jumped up slowed down

1268

00:56:29,030 --> 00:56:26,400

went behind them dropped down behind

1269

00:56:31,430 --> 00:56:29,040

them and started following them again

1270

00:56:35,390 --> 00:56:31,440

this was not a balloon

1271

00:56:36,589 --> 00:56:35,400

you know it was a crazy encounter and we

1272

00:56:38,750 --> 00:56:36,599

documented the whole thing in the

1273

00:56:42,470 --> 00:56:38,760

article I'm assuming you're linking it

1274

00:56:44,630 --> 00:56:42,480

in the thing but it was

1275

00:56:46,549 --> 00:56:44,640

no it was not I'm amazed there hasn't

1276
00:56:49,250 --> 00:56:46,559
been somebody that's on a TV crew out

1277
00:56:51,530 --> 00:56:49,260
because when I went and investigated it

1278
00:56:54,530 --> 00:56:51,540
some of the relatives of the pilots that

1279
00:56:56,750 --> 00:56:54,540
were involved are still alive they are

1280
00:56:58,549 --> 00:56:56,760
out there you can talk to them

1281
00:57:00,290 --> 00:56:58,559
um they didn't want me to quote them

1282
00:57:03,710 --> 00:57:00,300
directly

1283
00:57:06,549 --> 00:57:03,720
it was kind of a touchy thing but

1284
00:57:10,430 --> 00:57:06,559
this was a very real thing that happened

1285
00:57:13,910 --> 00:57:10,440
and it looked like a Tic Tac and it went

1286
00:57:16,790 --> 00:57:13,920
dodging planes and they came within four

1287
00:57:17,990 --> 00:57:16,800
and a half to five miles at a minimum of

1288
00:57:21,410 --> 00:57:18,000

the White House

1289

00:57:23,750 --> 00:57:21,420

of the Capitol building in Washington DC

1290

00:57:26,510 --> 00:57:23,760

it's right over the Border

1291

00:57:29,630 --> 00:57:26,520

and then it took off at speeds that no

1292

00:57:32,150 --> 00:57:29,640

plane should have been able to manage at

1293

00:57:35,710 --> 00:57:32,160

that time I found it to be a really

1294

00:57:37,490 --> 00:57:35,720

remarkable case Ryan and

1295

00:57:41,089 --> 00:57:37,500

holy cow

1296

00:57:44,870 --> 00:57:41,099

and we we got we dug up all the data we

1297

00:57:46,910 --> 00:57:44,880

have the tombstone of one of the uh the

1298

00:57:49,069 --> 00:57:46,920

pilots that was involved we have their

1299

00:57:51,650 --> 00:57:49,079

early marital records and all that stuff

1300

00:57:53,690 --> 00:57:51,660

these were all real people that

1301

00:57:56,450 --> 00:57:53,700

experienced this thing

1302

00:57:59,390 --> 00:57:56,460

and nobody's ever explained it what

1303

00:58:01,849 --> 00:57:59,400

happened somebody actually probably two

1304

00:58:03,230 --> 00:58:01,859

planes with three Pilots was chasing

1305

00:58:06,770 --> 00:58:03,240

what for all

1306

00:58:10,970 --> 00:58:06,780

appearances sounded like a Tic Tac right

1307

00:58:13,970 --> 00:58:10,980

over Washington DC in 1948 several years

1308

00:58:15,349 --> 00:58:13,980

before the more famous incident so

1309

00:58:17,809 --> 00:58:15,359

that's what we found

1310

00:58:20,150 --> 00:58:17,819

well and the other thing that really

1311

00:58:22,670 --> 00:58:20,160

stuck out to me like you mentioned in

1312

00:58:25,849 --> 00:58:22,680

the article and here is it headed

1313

00:58:29,809 --> 00:58:25,859

towards the water just like the Tic Tac

1314

00:58:32,049 --> 00:58:29,819

in 2004 so I mean again what are we

1315

00:58:34,450 --> 00:58:32,059

dealing with and it comes to these like

1316

00:58:38,150 --> 00:58:34,460

oblong-shaped or or almost

1317

00:58:39,589 --> 00:58:38,160

tic-tac-shaped white objects luminous

1318

00:58:42,410 --> 00:58:39,599

objects that are making these

1319

00:58:46,730 --> 00:58:42,420

unbelievable Maneuvers in 1948 mind you

1320

00:58:50,329 --> 00:58:46,740

like that's a big leap from 48 to 2004

1321

00:58:53,390 --> 00:58:50,339

so you know are we dealing with the same

1322

00:58:55,849 --> 00:58:53,400

technology or or intelligence behind

1323

00:58:58,430 --> 00:58:55,859

whatever that thing was

1324

00:59:02,270 --> 00:58:58,440

um how much has it evolved since from 48

1325

00:59:03,950 --> 00:59:02,280

to 2004 or were they probably completely

1326

00:59:06,770 --> 00:59:03,960

different objects I don't know but it's

1327

00:59:09,049 --> 00:59:06,780

these small connections you can make the

1328

00:59:10,750 --> 00:59:09,059

shape the fact that it went over to the

1329

00:59:13,490 --> 00:59:10,760

water the fact that it was making these

1330

00:59:16,849 --> 00:59:13,500

unbelievable Maneuvers

1331

00:59:19,010 --> 00:59:16,859

um crazy now Jess let me ask you this

1332

00:59:23,030 --> 00:59:19,020

um I think I remember from the article

1333

00:59:25,970 --> 00:59:23,040

did they say that this object made noise

1334

00:59:28,430 --> 00:59:25,980

yeah it made

1335

00:59:31,130 --> 00:59:28,440

well we can't say the object made noise

1336

00:59:34,069 --> 00:59:31,140

okay there were four Witnesses three or

1337

00:59:37,549 --> 00:59:34,079

more pilots and we believe at this point

1338

00:59:42,289 --> 00:59:37,559

that they were two pilots in one plane a

1339

00:59:44,329 --> 00:59:42,299

T6 Texan and in a second plane but one

1340

00:59:46,370 --> 00:59:44,339

of the witnesses was a sergeant on the

1341

00:59:49,370 --> 00:59:46,380

ground who was standing watch on the

1342

00:59:51,049 --> 00:59:49,380

Airfield and he described

1343

00:59:55,670 --> 00:59:51,059

the sound

1344

00:59:56,990 --> 00:59:55,680

as being very loud like a t-48 do I have

1345

00:59:59,390 --> 00:59:57,000

that wrong

1346

01:00:04,190 --> 00:59:59,400

oh God I hope I don't

1347

01:00:08,450 --> 01:00:06,170

yeah I don't recall

1348

01:00:11,569 --> 01:00:08,460

no I'm trying to look because that's an

1349

01:00:13,849 --> 01:00:11,579

it's an important part of the story no

1350

01:00:15,950 --> 01:00:13,859

I'm sorry it's a republic P-47

1351
01:00:18,770 --> 01:00:15,960
Thunderbolt

1352
01:00:20,809 --> 01:00:18,780
and this guy was very it's obvious he

1353
01:00:23,510 --> 01:00:20,819
was very familiar

1354
01:00:26,089 --> 01:00:23,520
with the sounds of aircraft because that

1355
01:00:27,829 --> 01:00:26,099
was his job that's where he worked and

1356
01:00:32,630 --> 01:00:27,839
he described it as being like a very

1357
01:00:35,450 --> 01:00:32,640
loud sounding uh P-47 Thunderbolt

1358
01:00:38,870 --> 01:00:35,460
but did the sound come from the weird

1359
01:00:42,170 --> 01:00:38,880
Tech take shaped object or did it come

1360
01:00:45,710 --> 01:00:42,180
from a second airplane and our research

1361
01:00:48,109 --> 01:00:45,720
at the debrief showed that there were

1362
01:00:51,170 --> 01:00:48,119
three Pilots reporting about this but

1363
01:00:55,430 --> 01:00:51,180

two of them were in a T6 Texan

1364

01:00:57,349 --> 01:00:55,440

a T6 Texan is a trainer aircraft it only

1365

01:01:00,770 --> 01:00:57,359

has two seats there's no room for

1366

01:01:02,390 --> 01:01:00,780

anybody else so most likely and this is

1367

01:01:05,690 --> 01:01:02,400

my interpretation

1368

01:01:07,849 --> 01:01:05,700

there was a second aircraft up there and

1369

01:01:13,069 --> 01:01:07,859

that was the aircraft that was being

1370

01:01:16,430 --> 01:01:13,079

piloted by the third pilot who was in a

1371

01:01:19,670 --> 01:01:16,440

P-47 Thunderbolt which is a tremendously

1372

01:01:20,809 --> 01:01:19,680

loud aircraft and that would explain the

1373

01:01:24,289 --> 01:01:20,819

whole thing

1374

01:01:28,069 --> 01:01:24,299

except for the weird oblong thing they

1375

01:01:30,650 --> 01:01:28,079

were chasing you know so the the

1376

01:01:31,549 --> 01:01:30,660

investigation had if you read the

1377

01:01:34,309 --> 01:01:31,559

article

1378

01:01:36,650 --> 01:01:34,319

a number of Errors they didn't have the

1379

01:01:39,230 --> 01:01:36,660

third Pilot's name correct

1380

01:01:40,990 --> 01:01:39,240

they had his middle initial rung they

1381

01:01:42,829 --> 01:01:41,000

listed

1382

01:01:46,609 --> 01:01:42,839

excuse me

1383

01:01:50,030 --> 01:01:46,619

the Lister name is uh Glenn L stalker as

1384

01:01:52,970 --> 01:01:50,040

a lieutenant uh second Lieutenant but

1385

01:01:56,630 --> 01:01:52,980

the debrief went and found his military

1386

01:02:00,650 --> 01:01:56,640

records and uh not to

1387

01:02:03,049 --> 01:02:00,660

say this disrespectfully his headstone

1388

01:02:05,930 --> 01:02:03,059

um his name was actually Glenn Elder

1389

01:02:10,010 --> 01:02:05,940

stalker he was Glenn E stalker

1390

01:02:12,230 --> 01:02:10,020

and he was a pilot but he wasn't a

1391

01:02:14,530 --> 01:02:12,240

lieutenant they had a program at the

1392

01:02:16,730 --> 01:02:14,540

time that allowed commissioned uh

1393

01:02:18,410 --> 01:02:16,740

non-commissioned officers uh Petty

1394

01:02:19,630 --> 01:02:18,420

officers

1395

01:02:22,910 --> 01:02:19,640

um

1396

01:02:24,470 --> 01:02:22,920

non-commissioned officers ncos uh to be

1397

01:02:27,589 --> 01:02:24,480

Pilots if they went through pilot

1398

01:02:29,089 --> 01:02:27,599

training they couldn't engage in combat

1399

01:02:33,770 --> 01:02:29,099

missions but they could do training

1400

01:02:37,670 --> 01:02:33,780

missions and stalker was a pilot who

1401

01:02:39,589 --> 01:02:37,680

could fly that type of aircraft and he

1402

01:02:43,010 --> 01:02:39,599

was probably up in the air at the same

1403

01:02:44,690 --> 01:02:43,020

time as the two guys in the tube in the

1404

01:02:47,569 --> 01:02:44,700

T6 Texan

1405

01:02:48,829 --> 01:02:47,579

and it it all fits together

1406

01:02:51,289 --> 01:02:48,839

but

1407

01:02:52,730 --> 01:02:51,299

the the investigory team the

1408

01:02:54,950 --> 01:02:52,740

investigatory team

1409

01:02:57,589 --> 01:02:54,960

didn't really do a good job because they

1410

01:02:59,930 --> 01:02:57,599

didn't track down all of his records and

1411

01:03:02,870 --> 01:02:59,940

even today all these are all these

1412

01:03:04,789 --> 01:03:02,880

decades later we were able to find them

1413

01:03:08,329 --> 01:03:04,799

you know we know exactly who this guy

1414

01:03:10,970 --> 01:03:08,339

was and he saw something he could not

1415

01:03:13,549 --> 01:03:10,980

explain but he was one of the three

1416

01:03:15,890 --> 01:03:13,559

witnesses that watched all of this

1417

01:03:18,589 --> 01:03:15,900

happen and then we had another witness

1418

01:03:20,750 --> 01:03:18,599

on the ground who talked about a sound

1419

01:03:22,730 --> 01:03:20,760

that was very

1420

01:03:25,609 --> 01:03:22,740

very similar

1421

01:03:28,970 --> 01:03:25,619

to the plane that the third pilot was

1422

01:03:31,250 --> 01:03:28,980

probably piloting and it it all kind of

1423

01:03:35,329 --> 01:03:31,260

makes sense but I mean everybody's dead

1424

01:03:37,609 --> 01:03:35,339

now so what do we know yeah that's

1425

01:03:39,950 --> 01:03:37,619

always the case it's always a race with

1426

01:03:42,410 --> 01:03:39,960

the Undertaker when it comes to a lot of

1427

01:03:44,750 --> 01:03:42,420

these older cases um but what I

1428

01:03:46,809 --> 01:03:44,760

appreciate about cases like this jazz is

1429

01:03:50,390 --> 01:03:46,819

you know this is part of project sign

1430

01:03:52,490 --> 01:03:50,400

originally which was you know before the

1431

01:03:55,490 --> 01:03:52,500

kind of whitewashing publicity stunt

1432

01:03:57,230 --> 01:03:55,500

that would become Project Blue Book so

1433

01:03:58,910 --> 01:03:57,240

you get a lot more

1434

01:04:03,890 --> 01:03:58,920

um

1435

01:04:05,870 --> 01:04:03,900

thorough investigation when you know

1436

01:04:08,990 --> 01:04:05,880

Grudge and sign were still kind of

1437

01:04:10,490 --> 01:04:09,000

taking this very seriously

1438

01:04:12,049 --> 01:04:10,500

um instead of you know what would

1439

01:04:14,270 --> 01:04:12,059

eventually become Project Blue Book

1440

01:04:15,650 --> 01:04:14,280

where they just would debunk every case

1441

01:04:18,589 --> 01:04:15,660

with

1442

01:04:21,549 --> 01:04:18,599

um impossible explanations sometimes

1443

01:04:23,690 --> 01:04:21,559

um I I love the fact that this happened

1444

01:04:26,390 --> 01:04:23,700

pre-project Blue Book

1445

01:04:28,309 --> 01:04:26,400

um and and yeah yeah that's what I love

1446

01:04:31,250 --> 01:04:28,319

I love when we can dig up these old

1447

01:04:33,650 --> 01:04:31,260

cases um last question on this case and

1448

01:04:35,569 --> 01:04:33,660

maybe I missed this in the article or

1449

01:04:37,670 --> 01:04:35,579

I'm just not remembering

1450

01:04:40,329 --> 01:04:37,680

um and I just had to Google when was

1451
01:04:43,670 --> 01:04:40,339
radar created and used in the Air Force

1452
01:04:45,770 --> 01:04:43,680
because I do not know the answer to that

1453
01:04:48,170 --> 01:04:45,780
um was any of this tracked on radar

1454
01:04:51,530 --> 01:04:48,180
prior to them seeing it visually or were

1455
01:04:53,930 --> 01:04:51,540
they able to it almost certainly was

1456
01:04:55,849 --> 01:04:53,940
tracked okay

1457
01:04:58,730 --> 01:04:55,859
um I was a writer technician in the Navy

1458
01:05:01,870 --> 01:04:58,740
as you know uh but

1459
01:05:07,069 --> 01:05:01,880
the ability to record

1460
01:05:09,650 --> 01:05:07,079
radar data right for later use that came

1461
01:05:12,950 --> 01:05:09,660
a lot later you only have the testimony

1462
01:05:14,210 --> 01:05:12,960
of the people who were observing it at

1463
01:05:17,510 --> 01:05:14,220

the time

1464

01:05:19,030 --> 01:05:17,520

so no there there is no

1465

01:05:22,250 --> 01:05:19,040

uh

1466

01:05:25,490 --> 01:05:22,260

radar data that's down on paper

1467

01:05:29,150 --> 01:05:25,500

somewhere that that we can dredge up we

1468

01:05:31,609 --> 01:05:29,160

don't have that from the from 1948.

1469

01:05:34,730 --> 01:05:31,619

um but yeah we had radar obviously we

1470

01:05:36,829 --> 01:05:34,740

were tracking everything all the time it

1471

01:05:39,410 --> 01:05:36,839

was mostly done vocally and if you don't

1472

01:05:44,450 --> 01:05:39,420

get a record of somebody talking about

1473

01:05:45,530 --> 01:05:44,460

it that was saved then you don't have

1474

01:05:47,870 --> 01:05:45,540

that

1475

01:05:50,750 --> 01:05:47,880

but this was an absolutely real sighting

1476

01:05:54,589 --> 01:05:50,760

it was on radar that that's why planes

1477

01:05:55,970 --> 01:05:54,599

were dispatched you know it there was

1478

01:05:58,609 --> 01:05:55,980

something going on there was something

1479

01:06:01,309 --> 01:05:58,619

up there yeah but no we don't have the

1480

01:06:03,230 --> 01:06:01,319

level of detail we have with

1481

01:06:04,910 --> 01:06:03,240

um a lot of later cases that we've

1482

01:06:07,190 --> 01:06:04,920

investigated and studied at the debrief

1483

01:06:10,910 --> 01:06:07,200

you know we we don't have the actual

1484

01:06:12,109 --> 01:06:10,920

tracks we don't have altitude or things

1485

01:06:14,990 --> 01:06:12,119

like that

1486

01:06:17,210 --> 01:06:15,000

everything does rely on the witnesses

1487

01:06:20,569 --> 01:06:17,220

relies on the pilots

1488

01:06:23,450 --> 01:06:20,579

the the really remarkable part and these

1489

01:06:24,470 --> 01:06:23,460

are three different Pilots with a long

1490

01:06:27,650 --> 01:06:24,480

record

1491

01:06:30,230 --> 01:06:27,660

and they launched the circling pattern

1492

01:06:32,210 --> 01:06:30,240

that they were trying to chase it and it

1493

01:06:35,270 --> 01:06:32,220

would suddenly jump up and drop behind

1494

01:06:37,190 --> 01:06:35,280

them and start chasing them again

1495

01:06:39,829 --> 01:06:37,200

and then it took off

1496

01:06:41,690 --> 01:06:39,839

and these are pilots that are relatively

1497

01:06:44,990 --> 01:06:41,700

short distance who said

1498

01:06:47,450 --> 01:06:45,000

yeah the speed of the object was

1499

01:06:48,529 --> 01:06:47,460

around 80 miles an hour when it was

1500

01:06:51,109 --> 01:06:48,539

circling

1501
01:06:52,970 --> 01:06:51,119
over Andrews

1502
01:06:55,510 --> 01:06:52,980
and then it took off

1503
01:07:01,730 --> 01:06:55,520
and it flew off at at least

1504
01:07:04,670 --> 01:07:01,740
500 miles an hour wow what did we have

1505
01:07:09,410 --> 01:07:04,680
in the late 1940s

1506
01:07:10,490 --> 01:07:09,420
that could do more than 500 miles an

1507
01:07:14,569 --> 01:07:10,500
hour

1508
01:07:17,029 --> 01:07:14,579
it just took off and disappeared

1509
01:07:18,650 --> 01:07:17,039
and that's one of the most at least in

1510
01:07:20,470 --> 01:07:18,660
my opinion one of the most powerfully

1511
01:07:23,809 --> 01:07:20,480
compelling

1512
01:07:26,089 --> 01:07:23,819
bits of testimonial evidence

1513
01:07:28,609 --> 01:07:26,099

from actual pilots who flew some of the

1514

01:07:30,230 --> 01:07:28,619

best planes of that time and they're

1515

01:07:33,170 --> 01:07:30,240

like

1516

01:07:36,349 --> 01:07:33,180

wait on out I I don't know what the hell

1517

01:07:37,849 --> 01:07:36,359

that was it out maneuvered us it was way

1518

01:07:39,950 --> 01:07:37,859

faster than us

1519

01:07:41,750 --> 01:07:39,960

and still there were people inside a

1520

01:07:43,730 --> 01:07:41,760

blue book who came back and said oh

1521

01:07:46,430 --> 01:07:43,740

that's probably a balloon

1522

01:07:47,950 --> 01:07:46,440

really you got a balloon doing that

1523

01:07:53,630 --> 01:07:47,960

really

1524

01:07:57,529 --> 01:07:53,640

it's I I'm sorry I'm credulous uh

1525

01:08:00,410 --> 01:07:57,539

that does that that sounds like you

1526

01:08:03,230 --> 01:08:00,420

you're given a balloon a lot of credit

1527

01:08:06,410 --> 01:08:03,240

at that point yeah tell me about it man

1528

01:08:08,690 --> 01:08:06,420

yeah I mean wasn't it I think even in

1529

01:08:10,730 --> 01:08:08,700

the article one of the one of the pilots

1530

01:08:14,270 --> 01:08:10,740

kind of concluded his thoughts saying

1531

01:08:16,130 --> 01:08:14,280

this was not a balloon give me a gosh

1532

01:08:18,349 --> 01:08:16,140

darn break on that oh that no that

1533

01:08:20,150 --> 01:08:18,359

wasn't one of the pilots no none of the

1534

01:08:22,430 --> 01:08:20,160

pilots thought it was a balloon yeah

1535

01:08:24,729 --> 01:08:22,440

that one thing you're referring to that

1536

01:08:28,130 --> 01:08:24,739

was one of the Blue Book investigators

1537

01:08:30,590 --> 01:08:28,140

responding to another investigator who

1538

01:08:32,990 --> 01:08:30,600

said this this might be a balloon we

1539

01:08:34,910 --> 01:08:33,000

should check that out and another one of

1540

01:08:37,849 --> 01:08:34,920

the Blue Book investigators came in and

1541

01:08:40,490 --> 01:08:37,859

put in a one sentence thing right on the

1542

01:08:42,769 --> 01:08:40,500

end of that and the next page going

1543

01:08:45,709 --> 01:08:42,779

this wasn't a weather balloon

1544

01:08:47,329 --> 01:08:45,719

because that that's a hell of a lot to

1545

01:08:50,870 --> 01:08:47,339

expect from balloon

1546

01:08:53,570 --> 01:08:50,880

so yeah I I I still think man I I hope

1547

01:08:57,650 --> 01:08:53,580

you have friends that are

1548

01:09:00,169 --> 01:08:57,660

like in the industry that do a lot of

1549

01:09:02,390 --> 01:09:00,179

documentaries about these things we have

1550

01:09:05,689 --> 01:09:02,400

seen so many cases about like um

1551

01:09:08,150 --> 01:09:05,699

incident 17 was Kenneth Arnold everybody

1552

01:09:09,050 --> 01:09:08,160

knows about that there's a bunch of

1553

01:09:11,329 --> 01:09:09,060

others

1554

01:09:13,189 --> 01:09:11,339

I think this one is right up there on

1555

01:09:15,229 --> 01:09:13,199

the top of the list and I would love to

1556

01:09:17,990 --> 01:09:15,239

see somebody in the industry get out

1557

01:09:21,349 --> 01:09:18,000

there and go take this article I publish

1558

01:09:24,709 --> 01:09:21,359

dig into it we got the names I have

1559

01:09:26,150 --> 01:09:24,719

names of descendants of these people who

1560

01:09:28,309 --> 01:09:26,160

didn't want to be quoted in the article

1561

01:09:29,809 --> 01:09:28,319

but they're willing to talk about it I

1562

01:09:31,789 --> 01:09:29,819

would love to see somebody put something

1563

01:09:34,309 --> 01:09:31,799

together about this and put it out for

1564

01:09:36,169 --> 01:09:34,319

people to see because I honestly believe

1565

01:09:39,229 --> 01:09:36,179

this is this is one of the more

1566

01:09:43,789 --> 01:09:39,239

remarkable cases that is so undercovered

1567

01:09:45,289 --> 01:09:43,799

in the entire subject just me but I've

1568

01:09:48,530 --> 01:09:45,299

been doing this a long time just like

1569

01:09:51,349 --> 01:09:48,540

you have and yeah this is a crazy one

1570

01:09:54,830 --> 01:09:51,359

that has received very little attention

1571

01:09:56,990 --> 01:09:54,840

it's fantastic I'll I'm on it I'm on it

1572

01:09:58,970 --> 01:09:57,000

I'm gonna get the word out um well guys

1573

01:10:01,790 --> 01:09:58,980

you can read the whole article it should

1574

01:10:05,090 --> 01:10:01,800

be in the show notes below if not um

1575

01:10:07,850 --> 01:10:05,100

just go over to the debrief.org and go

1576

01:10:10,070 --> 01:10:07,860

to the UAP section the UAP tab it should

1577

01:10:12,229 --> 01:10:10,080

be one of the first stories over on that

1578

01:10:15,050 --> 01:10:12,239

tab right now guys um check it out

1579

01:10:17,870 --> 01:10:15,060

incident 207 Tic Tac over Washington

1580

01:10:19,910 --> 01:10:17,880

great job Jazz great job man thank you

1581

01:10:21,229 --> 01:10:19,920

so happy you brought that to my

1582

01:10:22,850 --> 01:10:21,239

attention as well

1583

01:10:25,790 --> 01:10:22,860

um I can't wait to start digging myself

1584

01:10:28,490 --> 01:10:25,800

but um let's dig let's move into

1585

01:10:30,649 --> 01:10:28,500

podcasts highlights of the week if you

1586

01:10:32,209 --> 01:10:30,659

don't mind oh yeah yeah these are going

1587

01:10:34,550 --> 01:10:32,219

to be fun you know this part of the show

1588

01:10:38,590 --> 01:10:34,560

people love it where we highlight a lot

1589

01:10:41,209 --> 01:10:38,600

of the UFO related or um space Tech

1590

01:10:43,910 --> 01:10:41,219

unexplained related podcasts and YouTube

1591

01:10:47,450 --> 01:10:43,920

channels from this past week

1592

01:10:51,050 --> 01:10:47,460

um so let's see what we got here we are

1593

01:10:52,910 --> 01:10:51,060

starting as usual with weaponized um

1594

01:10:55,070 --> 01:10:52,920

these guys are just cranking them out

1595

01:10:56,450 --> 01:10:55,080

every week and this was an interesting

1596

01:10:58,550 --> 01:10:56,460

episode it was one of the first ones

1597

01:11:01,010 --> 01:10:58,560

that they did over there Jeremy Corbell

1598

01:11:03,709 --> 01:11:01,020

and George Knapp um that was strictly

1599

01:11:06,050 --> 01:11:03,719

just audio and it was kind of a

1600

01:11:09,530 --> 01:11:06,060

follow-up to their episode before that

1601
01:11:13,189 --> 01:11:09,540
about the uh Baghdad Phantom UAP release

1602
01:11:17,570 --> 01:11:13,199
that they did and man did that thing

1603
01:11:19,729 --> 01:11:17,580
start a firestorm online

1604
01:11:22,550 --> 01:11:19,739
um I kind of got myself into a little

1605
01:11:25,430 --> 01:11:22,560
trouble by making a knee-jerk video

1606
01:11:26,870 --> 01:11:25,440
about it being a missile and you

1607
01:11:29,870 --> 01:11:26,880
actually were the first person to point

1608
01:11:32,390 --> 01:11:29,880
out to me that I don't think it's so

1609
01:11:35,510 --> 01:11:32,400
much a missile but it could be something

1610
01:11:38,030 --> 01:11:35,520
semi-related to that but I got ripped

1611
01:11:39,709 --> 01:11:38,040
apart by a lot of people for doing that

1612
01:11:41,110 --> 01:11:39,719
and I kind of regret doing it to be

1613
01:11:43,430 --> 01:11:41,120

completely honest I should have actually

1614

01:11:45,350 --> 01:11:43,440

uh done my homework before I did that

1615

01:11:49,370 --> 01:11:45,360

because when I listened gotta be bold

1616

01:11:52,130 --> 01:11:49,380

Ryan I know I know but hey this is why

1617

01:11:54,350 --> 01:11:52,140

you know we need the facts and the data

1618

01:11:56,990 --> 01:11:54,360

uh before we start making assumptions

1619

01:11:58,550 --> 01:11:57,000

and when I listened to this most recent

1620

01:11:59,510 --> 01:11:58,560

episode with Jeremy corwell and George

1621

01:12:02,689 --> 01:11:59,520

Knapp

1622

01:12:04,550 --> 01:12:02,699

um it was put into more context and uh

1623

01:12:05,990 --> 01:12:04,560

and they gave us a little bit more

1624

01:12:07,669 --> 01:12:06,000

information

1625

01:12:10,130 --> 01:12:07,679

um so I'm going to go ahead Jazz and

1626

01:12:11,390 --> 01:12:10,140

play the first clip here this is Jeremy

1627

01:12:13,550 --> 01:12:11,400

talking about

1628

01:12:16,910 --> 01:12:13,560

um the Baghdad Phantom and and an

1629

01:12:19,669 --> 01:12:16,920

anonymous individual familiar with this

1630

01:12:22,310 --> 01:12:19,679

incident actually reached out to corbel

1631

01:12:23,689 --> 01:12:22,320

so let me go ahead and play that right

1632

01:12:25,430 --> 01:12:23,699

now and we'll talk about it on the other

1633

01:12:28,790 --> 01:12:25,440

side sound good

1634

01:12:31,910 --> 01:12:28,800

go all right we've recently heard from

1635

01:12:34,310 --> 01:12:31,920

an individual who is extremely familiar

1636

01:12:36,950 --> 01:12:34,320

with this event and not just one

1637

01:12:39,590 --> 01:12:36,960

numerous but one stuck out and this one

1638

01:12:43,010 --> 01:12:39,600

really struck me the individual is like

1639

01:12:45,830 --> 01:12:43,020

I don't know who your sources are don't

1640

01:12:49,669 --> 01:12:45,840

want to know but they're good and and he

1641

01:12:53,390 --> 01:12:49,679

I could say he said we had every sensor

1642

01:12:55,910 --> 01:12:53,400

package known to man and God on this

1643

01:12:58,910 --> 01:12:55,920

thing couldn't determine where it came

1644

01:13:02,330 --> 01:12:58,920

from couldn't determine where it left to

1645

01:13:04,430 --> 01:13:02,340

was not a rocket it was not a missile

1646

01:13:06,229 --> 01:13:04,440

so so that was that was very interesting

1647

01:13:08,390 --> 01:13:06,239

but but also

1648

01:13:11,270 --> 01:13:08,400

if people look at what we wrote on

1649

01:13:12,410 --> 01:13:11,280

weaponized on the website you'll notice

1650

01:13:14,630 --> 01:13:12,420

there's a little bit more information

1651

01:13:16,790 --> 01:13:14,640

than you just get out through some of

1652

01:13:18,229 --> 01:13:16,800

the media the excellent media articles

1653

01:13:20,570 --> 01:13:18,239

by the way like the one in the daily

1654

01:13:22,970 --> 01:13:20,580

mail those guys smashed it super

1655

01:13:25,550 --> 01:13:22,980

accurate verified everything with me

1656

01:13:27,169 --> 01:13:25,560

but you'll see additional details one of

1657

01:13:29,810 --> 01:13:27,179

those additional details there were

1658

01:13:32,510 --> 01:13:29,820

three one of the additional details was

1659

01:13:35,149 --> 01:13:32,520

that this was not an isolated event that

1660

01:13:37,850 --> 01:13:35,159

was occurring within this 24-hour period

1661

01:13:41,810 --> 01:13:37,860

so I will say that there are other

1662

01:13:44,450 --> 01:13:41,820

videos and images contained surrounding

1663

01:13:47,870 --> 01:13:44,460

this event series and I think anybody

1664

01:13:49,310 --> 01:13:47,880

who has access internally to this kind

1665

01:13:50,830 --> 01:13:49,320

of stuff should look into it and

1666

01:13:53,030 --> 01:13:50,840

hopefully that stuff can become public

1667

01:13:55,370 --> 01:13:53,040

it should be public it should be

1668

01:13:57,169 --> 01:13:55,380

transmitted up the chain of command and

1669

01:13:59,090 --> 01:13:57,179

go to Arrow they should have it in their

1670

01:14:02,030 --> 01:13:59,100

files we happen to know that they do not

1671

01:14:04,310 --> 01:14:02,040

we are not calling it a UAP we did not

1672

01:14:06,229 --> 01:14:04,320

do that analysis we have no particular

1673

01:14:08,750 --> 01:14:06,239

expertise that was the U.S Air Force

1674

01:14:12,590 --> 01:14:08,760

that did and there are other images like

1675

01:14:14,209 --> 01:14:12,600

as you said uh in of a similar type and

1676

01:14:16,790 --> 01:14:14,219

that information should be going up the

1677

01:14:18,110 --> 01:14:16,800

chain make its way to arrow and make its

1678

01:14:19,910 --> 01:14:18,120

way to the American public and to

1679

01:14:21,470 --> 01:14:19,920

Congress so they can all see what

1680

01:14:23,570 --> 01:14:21,480

information is being gathered out there

1681

01:14:27,130 --> 01:14:23,580

and it's not happening that was the

1682

01:14:31,669 --> 01:14:29,630

so yeah a lot of people in the chat are

1683

01:14:34,010 --> 01:14:31,679

saying was this audio only yeah their

1684

01:14:36,590 --> 01:14:34,020

episode this week guys was Audio Only

1685

01:14:38,750 --> 01:14:36,600

but um some little gems in there um you

1686

01:14:41,030 --> 01:14:38,760

know the fact that they're saying that

1687

01:14:43,790 --> 01:14:41,040

this is part of a series of events Jazz

1688

01:14:45,590 --> 01:14:43,800

so this was not an isolated event

1689

01:14:48,290 --> 01:14:45,600

um possibly we're gonna learn more about

1690

01:14:50,630 --> 01:14:48,300

what's going on over in Baghdad

1691

01:14:53,810 --> 01:14:50,640

um and and also in

1692

01:14:56,570 --> 01:14:53,820

um masul as well in Iraq uh that's their

1693

01:14:58,850 --> 01:14:56,580

last drop before that was there too so

1694

01:15:01,490 --> 01:14:58,860

we're getting a lot of UAP from combat

1695

01:15:02,750 --> 01:15:01,500

zones and um yeah what do you make what

1696

01:15:04,850 --> 01:15:02,760

do you make of this clip and them

1697

01:15:06,470 --> 01:15:04,860

talking about the Baghdad Phantom what

1698

01:15:09,229 --> 01:15:06,480

is it do you still think it could

1699

01:15:12,970 --> 01:15:09,239

possibly be something connected to a

1700

01:15:16,189 --> 01:15:12,980

missile or or anything like that

1701

01:15:20,030 --> 01:15:16,199

uh my opinion really hasn't changed from

1702

01:15:21,590 --> 01:15:20,040

the moment that it came out you know

1703

01:15:27,229 --> 01:15:21,600

um

1704

01:15:30,830 --> 01:15:27,239

I do not deny that Jeremy Corbell and

1705

01:15:32,390 --> 01:15:30,840

Georgia Knapp have had great sources in

1706

01:15:34,070 --> 01:15:32,400

the past who have come up with stuff

1707

01:15:36,709 --> 01:15:34,080

that have been confirmed by the Pentagon

1708

01:15:39,050 --> 01:15:36,719

they have pretty good sources

1709

01:15:40,490 --> 01:15:39,060

but that doesn't mean that you get a

1710

01:15:41,870 --> 01:15:40,500

carte blanche

1711

01:15:45,770 --> 01:15:41,880

you know

1712

01:15:49,970 --> 01:15:45,780

um we watched that video well videos not

1713

01:15:51,470 --> 01:15:49,980

the right word we watched a series of a

1714

01:15:57,169 --> 01:15:51,480

few millisecond

1715

01:16:01,010 --> 01:15:57,179

s stills of something long and skinny

1716

01:16:03,709 --> 01:16:01,020

going through the air over a combat zone

1717

01:16:05,350 --> 01:16:03,719

um that's all we had they never gave

1718

01:16:09,950 --> 01:16:05,360

anything else

1719

01:16:14,030 --> 01:16:09,960

uh do I think it's real

1720

01:16:15,950 --> 01:16:14,040

I I I'm totally willing to give Jeremy

1721

01:16:18,709 --> 01:16:15,960

Corbell and George Knapp

1722

01:16:20,450 --> 01:16:18,719

credit and say yeah you wouldn't put out

1723

01:16:22,669 --> 01:16:20,460

something that was just something that

1724

01:16:24,050 --> 01:16:22,679

was hoaxed it was probably a real

1725

01:16:25,910 --> 01:16:24,060

recording

1726

01:16:28,310 --> 01:16:25,920

what was it

1727

01:16:30,290 --> 01:16:28,320

right from the beginning Ryan I have

1728

01:16:33,410 --> 01:16:30,300

said I look at that

1729

01:16:35,750 --> 01:16:33,420

and it is a long straight thing that's

1730

01:16:40,910 --> 01:16:35,760

going through the air assuming there

1731

01:16:43,630 --> 01:16:40,920

isn't it there but it does dip

1732

01:16:48,050 --> 01:16:43,640

buy several pixels towards the end

1733

01:16:50,209 --> 01:16:48,060

exhibiting potentially ballistic motion

1734

01:16:51,890 --> 01:16:50,219

that could have been a railgun

1735

01:16:56,630 --> 01:16:51,900

projectile

1736

01:16:59,330 --> 01:16:56,640

it and it wouldn't have to have a uh a

1737

01:17:01,850 --> 01:16:59,340

blast from a jet behind it because rail

1738

01:17:04,370 --> 01:17:01,860

gun projectors don't do we know that's

1739

01:17:07,189 --> 01:17:04,380

what it is no we don't know

1740

01:17:12,410 --> 01:17:07,199

but it also wasn't really that weird it

1741

01:17:15,410 --> 01:17:12,420

didn't look like a Tic Tac or it looked

1742

01:17:19,910 --> 01:17:15,420

like a missile yeah really and it was

1743

01:17:23,450 --> 01:17:19,920

over not but to find a point on it a war

1744

01:17:24,830 --> 01:17:23,460

zone where we're using all sorts of

1745

01:17:28,250 --> 01:17:24,840

ornament

1746

01:17:30,410 --> 01:17:28,260

and our adversaries are using all sorts

1747

01:17:32,570 --> 01:17:30,420

of environment

1748

01:17:34,550 --> 01:17:32,580

um no I don't have an answer for it if

1749

01:17:38,510 --> 01:17:34,560

anybody's waiting to say oh that's

1750

01:17:41,930 --> 01:17:38,520

totally fake or no that's totally UFO

1751

01:17:44,570 --> 01:17:41,940

no we don't know but I also question

1752

01:17:48,830 --> 01:17:44,580

anybody who says we do know

1753

01:17:51,290 --> 01:17:48,840

because there are legitimate or at least

1754

01:17:54,290 --> 01:17:51,300

one or two legitimate explanations why

1755

01:17:55,669 --> 01:17:54,300

that could be a conventional thing that

1756

01:17:56,810 --> 01:17:55,679

our government doesn't want to talk

1757

01:18:00,590 --> 01:17:56,820

about

1758

01:18:02,390 --> 01:18:00,600

or maybe it could be something weird but

1759

01:18:03,950 --> 01:18:02,400

no I'm not putting a lot of stock in

1760

01:18:06,530 --> 01:18:03,960

that at this point it's one of those

1761

01:18:08,330 --> 01:18:06,540

that need more data let's collect more

1762

01:18:11,209 --> 01:18:08,340

data and come back to it that's where I

1763

01:18:12,890 --> 01:18:11,219

am right now yep absolutely and I think

1764

01:18:15,649 --> 01:18:12,900

kind of the message that they were

1765

01:18:18,590 --> 01:18:15,659

trying to convey in this to is that we

1766

01:18:20,149 --> 01:18:18,600

have this stuff we don't know what it is

1767

01:18:24,050 --> 01:18:20,159

um but we're giving it out to the public

1768

01:18:27,169 --> 01:18:24,060

because Arrow isn't looking into the

1769

01:18:29,390 --> 01:18:27,179

muscle or arrow is not looking into the

1770

01:18:31,430 --> 01:18:29,400

Baghdad Phantom they weren't even aware

1771

01:18:33,590 --> 01:18:31,440

of the Baghdad Phantom I don't know

1772

01:18:36,050 --> 01:18:33,600

they've been given that data

1773

01:18:38,330 --> 01:18:36,060

right I don't think they have been

1774

01:18:40,669 --> 01:18:38,340

honestly I think they're working on very

1775

01:18:41,990 --> 01:18:40,679

little to be to be completely honest I

1776

01:18:43,550 --> 01:18:42,000

think they were given Stills I think

1777

01:18:45,350 --> 01:18:43,560

they might have gotten some videos but I

1778

01:18:47,149 --> 01:18:45,360

don't think they were given much context

1779

01:18:50,689 --> 01:18:47,159

or data for many of these things they're

1780

01:18:52,970 --> 01:18:50,699

dropping that's fine it's fine no it's

1781

01:18:55,370 --> 01:18:52,980

not fine in my opinion they need to be

1782

01:18:57,350 --> 01:18:55,380

given everything

1783

01:19:01,250 --> 01:18:57,360

to be able to do the mission they were

1784

01:19:04,010 --> 01:19:01,260

given by Congress they're being funded

1785

01:19:06,050 --> 01:19:04,020

by Congress they should have all of this

1786

01:19:08,930 --> 01:19:06,060

data I'm not saying we need to get it

1787

01:19:12,050 --> 01:19:08,940

all immediately if it's sensitive but

1788

01:19:15,110 --> 01:19:12,060

they should have it all and Ryan I am

1789

01:19:18,110 --> 01:19:15,120

not convinced that arrow is getting all

1790

01:19:20,630 --> 01:19:18,120

the data they need I'm I'm just I have

1791

01:19:22,490 --> 01:19:20,640

no basis for that but I'm not convinced

1792

01:19:24,410 --> 01:19:22,500

they're getting all of it yeah yeah

1793

01:19:27,530 --> 01:19:24,420

you're right and I should correct myself

1794

01:19:30,290 --> 01:19:27,540

Jazz I met Jeremy and nap I don't think

1795

01:19:33,830 --> 01:19:30,300

they are getting any data on the things

1796

01:19:35,810 --> 01:19:33,840

they were given but Arrow yes absolutely

1797

01:19:39,110 --> 01:19:35,820

should be so I think this is kind of

1798

01:19:42,770 --> 01:19:39,120

like a call call out to Arrow like come

1799

01:19:46,070 --> 01:19:42,780

on like we at weaponized have this and

1800

01:19:49,669 --> 01:19:46,080

you you don't like why are we doing your

1801
01:19:51,950 --> 01:19:49,679
work for you right exactly like whatever

1802
01:19:54,110 --> 01:19:51,960
people will say Jeremy and George are

1803
01:19:56,330 --> 01:19:54,120
you know they're you they're milking all

1804
01:19:58,850 --> 01:19:56,340
of this for a podcast start making money

1805
01:20:01,250 --> 01:19:58,860
this that we can have those arguments

1806
01:20:04,370 --> 01:20:01,260
and talk about that till you know we're

1807
01:20:07,189 --> 01:20:04,380
we're red or blue in the face but um the

1808
01:20:08,930 --> 01:20:07,199
fact of the matter is this stuff is not

1809
01:20:11,450 --> 01:20:08,940
getting to the groups that it should be

1810
01:20:14,030 --> 01:20:11,460
within the government so whoever's

1811
01:20:16,130 --> 01:20:14,040
giving this stuff to nap and Corbell

1812
01:20:19,910 --> 01:20:16,140
clearly wants it out to the public

1813
01:20:22,430 --> 01:20:19,920

whether Arrow or or you know this new

1814

01:20:24,649 --> 01:20:22,440

interagency within the White House

1815

01:20:26,990 --> 01:20:24,659

whether they like it or not

1816

01:20:30,229 --> 01:20:27,000

um so it's interesting it's interesting

1817

01:20:32,270 --> 01:20:30,239

I I I I look forward to whatever comes

1818

01:20:34,370 --> 01:20:32,280

next and we'll we have Fourier requests

1819

01:20:36,890 --> 01:20:34,380

in with the people who are supposed to

1820

01:20:39,950 --> 01:20:36,900

be responsible for looking at this we

1821

01:20:42,050 --> 01:20:39,960

got nothing yet not even a denial just

1822

01:20:44,570 --> 01:20:42,060

nothing no answer

1823

01:20:46,310 --> 01:20:44,580

yep yeah it's interesting that too how

1824

01:20:49,810 --> 01:20:46,320

you know they went from confirming

1825

01:20:51,770 --> 01:20:49,820

everything to now and Silent yeah

1826

01:20:53,630 --> 01:20:51,780

interesting my friend

1827

01:20:55,189 --> 01:20:53,640

Um well hey let's move on to our next

1828

01:20:57,950 --> 01:20:55,199

clip here

1829

01:21:00,350 --> 01:20:57,960

um this comes from the Lido files Chris

1830

01:21:01,790 --> 01:21:00,360

Leto the fighter pilots doing a

1831

01:21:03,110 --> 01:21:01,800

wonderful job over on his YouTube

1832

01:21:05,390 --> 01:21:03,120

channel and he actually had another

1833

01:21:07,729 --> 01:21:05,400

fighter pilot on this past week talking

1834

01:21:10,070 --> 01:21:07,739

to Ryan Graves from the East Coast

1835

01:21:11,990 --> 01:21:10,080

events the gimbal the go fast

1836

01:21:15,110 --> 01:21:12,000

um and there's been a lot of debate

1837

01:21:17,090 --> 01:21:15,120

online from a lot of the Skeptics

1838

01:21:19,130 --> 01:21:17,100

um because Ryan has been quoted In

1839

01:21:22,610 --> 01:21:19,140

Articles and whatnot and then the media

1840

01:21:24,709 --> 01:21:22,620

saying that he saw these UFOs he saw

1841

01:21:26,930 --> 01:21:24,719

these UAP and everyone's saying whoa

1842

01:21:29,030 --> 01:21:26,940

whoa whoa like he didn't physically see

1843

01:21:30,290 --> 01:21:29,040

these things why is he saying he's a UFO

1844

01:21:32,630 --> 01:21:30,300

witness

1845

01:21:33,830 --> 01:21:32,640

um so he kind of Lido asked him this

1846

01:21:35,570 --> 01:21:33,840

straight up

1847

01:21:36,950 --> 01:21:35,580

um so I'm gonna go ahead and um play the

1848

01:21:38,209 --> 01:21:36,960

clip and

1849

01:21:39,830 --> 01:21:38,219

um I want to get your thoughts on this

1850

01:21:41,750 --> 01:21:39,840

on the other side as well as the

1851
01:21:43,370 --> 01:21:41,760
audience because this is a debate that's

1852
01:21:46,070 --> 01:21:43,380
been going going on for a while

1853
01:21:48,410 --> 01:21:46,080
um when you say you saw something do

1854
01:21:51,229 --> 01:21:48,420
sensors count um so let's let's look at

1855
01:21:52,430 --> 01:21:51,239
the clip I mentioned in or sorry in your

1856
01:21:55,729 --> 01:21:52,440
Politico

1857
01:21:56,930 --> 01:21:55,739
article basically it says uh you say at

1858
01:21:59,030 --> 01:21:56,940
the end you know this is the phenomenon

1859
01:22:01,370 --> 01:21:59,040
I witnessed and I noticed on Twitter of

1860
01:22:04,130 --> 01:22:01,380
course it you know it inspires a you

1861
01:22:05,750 --> 01:22:04,140
know whatever tweet storm about uh

1862
01:22:07,550 --> 01:22:05,760
you know you didn't actually visually

1863
01:22:09,530 --> 01:22:07,560

see it

1864

01:22:12,530 --> 01:22:09,540

um but I guess uh I got the impression

1865

01:22:14,149 --> 01:22:12,540

that by witnessing it is you're seeing

1866

01:22:16,669 --> 01:22:14,159

it with with all your sensors so

1867

01:22:18,290 --> 01:22:16,679

basically all the jet sensors that we

1868

01:22:20,750 --> 01:22:18,300

trained to you for so many years you

1869

01:22:22,430 --> 01:22:20,760

know you where you get to know the the

1870

01:22:25,130 --> 01:22:22,440

radar warning receiver you know you can

1871

01:22:28,430 --> 01:22:25,140

tell how far away your wingman is by you

1872

01:22:30,709 --> 01:22:28,440

know the tickle from his radar et cetera

1873

01:22:32,330 --> 01:22:30,719

um so when how many times do you think

1874

01:22:34,550 --> 01:22:32,340

you you tried to go and merge with these

1875

01:22:35,810 --> 01:22:34,560

things you know and and you should have

1876

01:22:37,729 --> 01:22:35,820

been in range you know could it have

1877

01:22:40,250 --> 01:22:37,739

been a balloon I guess could it in any

1878

01:22:42,770 --> 01:22:40,260

way could these have been balloons so we

1879

01:22:45,050 --> 01:22:42,780

I mean I've identified and flown up and

1880

01:22:47,090 --> 01:22:45,060

merged with balloons before

1881

01:22:47,750 --> 01:22:47,100

um you know it's not that

1882

01:22:49,550 --> 01:22:47,760

um

1883

01:22:50,810 --> 01:22:49,560

exciting or controversial you know I

1884

01:22:52,010 --> 01:22:50,820

mean you typically see the object out

1885

01:22:54,290 --> 01:22:52,020

there and it's drifting with the wind

1886

01:22:55,970 --> 01:22:54,300

and you know you lock it up and

1887

01:22:56,870 --> 01:22:55,980

if you're feeling real spicy you want to

1888

01:22:58,430 --> 01:22:56,880

check it out then that's something you

1889

01:23:00,169 --> 01:22:58,440

can do or you know typically the

1890

01:23:02,510 --> 01:23:00,179

balloons I've seen are usually you know

1891

01:23:03,470 --> 01:23:02,520

surprises more than anything else on

1892

01:23:05,090 --> 01:23:03,480

occasion

1893

01:23:08,750 --> 01:23:05,100

um but

1894

01:23:10,370 --> 01:23:08,760

you know yeah I mean as you know we try

1895

01:23:12,229 --> 01:23:10,380

we put our lives on these systems we

1896

01:23:13,610 --> 01:23:12,239

operate in very dangerous situations

1897

01:23:16,189 --> 01:23:13,620

where those are the only things between

1898

01:23:18,350 --> 01:23:16,199

life and death are those systems

1899

01:23:22,790 --> 01:23:21,350

when we then make the assumption that um

1900

01:23:25,430 --> 01:23:22,800

because I didn't physically see the

1901
01:23:27,709 --> 01:23:25,440
eyeball that negates you know the entire

1902
01:23:30,229 --> 01:23:27,719
experience the same argument would be

1903
01:23:32,209 --> 01:23:30,239
true if it was the exact opposite right

1904
01:23:33,830 --> 01:23:32,219
so if I only saw it with my eyeballs and

1905
01:23:35,390 --> 01:23:33,840
not with the sensor systems or any any

1906
01:23:36,709 --> 01:23:35,400
variant of there's you know going to be

1907
01:23:38,870 --> 01:23:36,719
problems but

1908
01:23:41,030 --> 01:23:38,880
um yes we would see it on the sensors me

1909
01:23:43,370 --> 01:23:41,040
personally I interacted with them on the

1910
01:23:45,590 --> 01:23:43,380
flear and the radar I try to merge with

1911
01:23:47,689 --> 01:23:45,600
with them maybe you know eight to ten

1912
01:23:48,770 --> 01:23:47,699
times but you know eventually and of

1913
01:23:49,790 --> 01:23:48,780

course you know there's only so much

1914

01:23:51,770 --> 01:23:49,800

we're going to do and we're going to

1915

01:23:53,149 --> 01:23:51,780

just once once we almost hit the objects

1916

01:23:54,590 --> 01:23:53,159

we weren't merging with them at that

1917

01:23:56,630 --> 01:23:54,600

point we essentially just said all right

1918

01:23:58,370 --> 01:23:56,640

if it's in our subdivided working area

1919

01:24:00,290 --> 01:23:58,380

we're just gonna you know move to a new

1920

01:24:02,090 --> 01:24:00,300

working area

1921

01:24:03,590 --> 01:24:02,100

um so there's a you know a data

1922

01:24:06,229 --> 01:24:03,600

discrepancy that could be there do all

1923

01:24:08,030 --> 01:24:06,239

these objects represent physical objects

1924

01:24:10,130 --> 01:24:08,040

um it's unknown right because we haven't

1925

01:24:12,050 --> 01:24:10,140

physically seen an object there that's

1926

01:24:15,050 --> 01:24:12,060

related to every one of those radar

1927

01:24:17,750 --> 01:24:15,060

contacts uh but as attack belief or any

1928

01:24:18,890 --> 01:24:17,760

Aviator you have to assume uh that they

1929

01:24:20,390 --> 01:24:18,900

are

1930

01:24:21,830 --> 01:24:20,400

um and we need to collect more data

1931

01:24:23,510 --> 01:24:21,840

right we need to go out there we need to

1932

01:24:25,070 --> 01:24:23,520

collect more data those are efforts that

1933

01:24:27,890 --> 01:24:25,080

we're looking towards with the AI double

1934

01:24:29,990 --> 01:24:27,900

A so my my I'll just say you know I'm

1935

01:24:31,550 --> 01:24:30,000

not here to claim to have all the

1936

01:24:33,410 --> 01:24:31,560

answers but I'm claiming there's enough

1937

01:24:37,149 --> 01:24:33,420

uncertainty to go figure it out and that

1938

01:24:44,149 --> 01:24:41,390

hmm the chat's arguing here Jazz

1939

01:24:46,130 --> 01:24:44,159

um let's see Michael Huntington says

1940

01:24:48,770 --> 01:24:46,140

don't say they are eyewitnesses when

1941

01:24:51,229 --> 01:24:48,780

they are not seeing an instrumented

1942

01:24:53,750 --> 01:24:51,239

representation on a screen is not seen

1943

01:24:55,610 --> 01:24:53,760

the anonymous anomaly dalen says of

1944

01:24:58,070 --> 01:24:55,620

course sensors count if they didn't you

1945

01:25:00,350 --> 01:24:58,080

can discount all ATC and thus negate the

1946

01:25:03,530 --> 01:25:00,360

opening scene of Close Encounters of the

1947

01:25:04,790 --> 01:25:03,540

Third Kind oh good reference there

1948

01:25:06,169 --> 01:25:04,800

um what do you think Jazz what do you

1949

01:25:08,570 --> 01:25:06,179

make of this whole debate with Ryan

1950

01:25:10,850 --> 01:25:08,580

Graves and and kind of his argument that

1951

01:25:13,130 --> 01:25:10,860

the opposite would be true as well

1952

01:25:14,390 --> 01:25:13,140

well we're we're dealing with the Deep

1953

01:25:17,390 --> 01:25:14,400

past

1954

01:25:18,950 --> 01:25:17,400

um anybody who's been watching my

1955

01:25:22,250 --> 01:25:18,960

testimony online

1956

01:25:24,950 --> 01:25:22,260

I never washed anything like that in

1957

01:25:25,610 --> 01:25:24,960

real time with my bare eyes

1958

01:25:28,250 --> 01:25:25,620

um

1959

01:25:30,709 --> 01:25:28,260

I was a radar operator working on

1960

01:25:31,790 --> 01:25:30,719

aircraft carriers during that entire

1961

01:25:33,350 --> 01:25:31,800

period

1962

01:25:37,850 --> 01:25:33,360

you know

1963

01:25:39,229 --> 01:25:37,860

um but what you see on radar is not the

1964

01:25:42,530 --> 01:25:39,239

full picture

1965

01:25:44,450 --> 01:25:42,540

okay but that's important data that you

1966

01:25:48,110 --> 01:25:44,460

need to collect

1967

01:25:49,850 --> 01:25:48,120

you talk to the pilots as I have done

1968

01:25:53,270 --> 01:25:49,860

you know and

1969

01:25:56,450 --> 01:25:53,280

that adds another dimension to it

1970

01:25:58,250 --> 01:25:56,460

but none everything that's being

1971

01:26:01,189 --> 01:25:58,260

discussed here

1972

01:26:02,689 --> 01:26:01,199

I did I'm gonna drag this into the

1973

01:26:05,270 --> 01:26:02,699

conversation I guess

1974

01:26:09,770 --> 01:26:05,280

this sounds less like science and a lot

1975

01:26:11,330 --> 01:26:09,780

more like politics you know it's it it's

1976

01:26:13,970 --> 01:26:11,340

a case where

1977

01:26:14,930 --> 01:26:13,980

these people I'm not questioning any of

1978

01:26:18,530 --> 01:26:14,940

them

1979

01:26:21,709 --> 01:26:18,540

but did you actually not only get the

1980

01:26:24,950 --> 01:26:21,719

data and can you produce the data

1981

01:26:28,729 --> 01:26:24,960

of what you recorded through radar

1982

01:26:31,610 --> 01:26:28,739

through Optical through other things

1983

01:26:34,910 --> 01:26:31,620

and what you saw with your eyes

1984

01:26:37,610 --> 01:26:34,920

and does all that match up

1985

01:26:40,149 --> 01:26:37,620

if it does I think that's one of the

1986

01:26:42,830 --> 01:26:40,159

strongest cases we have

1987

01:26:45,649 --> 01:26:42,840

the ones that are being discussed in

1988

01:26:49,910 --> 01:26:47,030

um

1989

01:26:52,010 --> 01:26:49,920

I don't know if they're gray areas right

1990

01:26:55,970 --> 01:26:52,020

they're grayers

1991

01:26:57,950 --> 01:26:55,980

yep yeah I I I'm with you on that man I

1992

01:27:00,470 --> 01:26:57,960

think you know the fact of the matter is

1993

01:27:02,990 --> 01:27:00,480

like these events happened

1994

01:27:05,810 --> 01:27:03,000

um and you know we can argue to the end

1995

01:27:09,590 --> 01:27:05,820

of time like but I think you're right

1996

01:27:11,810 --> 01:27:09,600

it's either we have one the other or

1997

01:27:14,930 --> 01:27:11,820

both and we hope and we pray for both

1998

01:27:17,510 --> 01:27:14,940

every time Visual and caught on sensors

1999

01:27:19,310 --> 01:27:17,520

so yeah yeah I think you're right man

2000

01:27:22,570 --> 01:27:19,320

there's not really there's no diff

2001

01:27:25,490 --> 01:27:22,580

there's no right answer on this

2002

01:27:28,010 --> 01:27:25,500

not yet not yet

2003

01:27:29,390 --> 01:27:28,020

um awesome are we ready to move on to

2004

01:27:31,910 --> 01:27:29,400

the next clip how much longer do you

2005

01:27:37,370 --> 01:27:31,920

have Jazz I don't want to keep you you

2006

01:27:41,510 --> 01:27:39,169

um I can have some more time if I can

2007

01:27:43,910 --> 01:27:41,520

have a brief break after this next

2008

01:27:45,830 --> 01:27:43,920

segment yeah because I just have to

2009

01:27:47,510 --> 01:27:45,840

return a call to my sister yeah

2010

01:27:48,770 --> 01:27:47,520

absolutely man absolutely

2011

01:27:50,990 --> 01:27:48,780

um let's go ahead do you want me to play

2012

01:27:54,770 --> 01:27:51,000

the clip now go ahead and do it let's do

2013

01:27:57,110 --> 01:27:54,780

it so this next one uh let's see here is

2014

01:27:59,990 --> 01:27:57,120

from need to know with Bryce Sable and

2015

01:28:02,390 --> 01:28:00,000

Ross I love Bryce yeah I love I love

2016

01:28:03,950 --> 01:28:02,400

these guys and um you know they're kind

2017

01:28:06,649 --> 01:28:03,960

of having this debate over at their show

2018

01:28:08,689 --> 01:28:06,659

of will this year be the sizzle or the

2019

01:28:10,970 --> 01:28:08,699

fizzle Bryce is always The Optimist

2020

01:28:11,870 --> 01:28:10,980

wants the sizzle thinks it's it's still

2021

01:28:14,149 --> 01:28:11,880

coming

2022

01:28:15,890 --> 01:28:14,159

um Ross is kind of on the other side of

2023

01:28:17,689 --> 01:28:15,900

it and still thinks that he's he's

2024

01:28:20,030 --> 01:28:17,699

getting salty man he's getting a little

2025

01:28:22,189 --> 01:28:20,040

frustrated you can tell with a lot of

2026

01:28:25,550 --> 01:28:22,199

the non-transparency going on and a lot

2027

01:28:27,110 --> 01:28:25,560

of the claims being made with no hard

2028

01:28:28,010 --> 01:28:27,120

evidence and that's kind of what this

2029

01:28:29,510 --> 01:28:28,020

clip

2030

01:28:31,550 --> 01:28:29,520

um encapsulates so I'll go ahead and

2031

01:28:33,950 --> 01:28:31,560

play the clip now and we'll talk about

2032

01:28:36,290 --> 01:28:33,960

it on the other side sound good

2033

01:28:38,450 --> 01:28:36,300

yep all right we're not getting to see

2034

01:28:40,550 --> 01:28:38,460

the evidence and when people like Abby

2035

01:28:42,770 --> 01:28:40,560

Loeb and Sean Kirkpatrick publish papers

2036

01:28:44,510 --> 01:28:42,780

they're not publishing the full data

2037

01:28:48,050 --> 01:28:44,520

that we know is in position of the

2038

01:28:50,030 --> 01:28:48,060

Pentagon if there is to be a clear and

2039

01:28:52,430 --> 01:28:50,040

full public Reckoning on this issue then

2040

01:28:54,709 --> 01:28:52,440

all of this data needs to be revealed

2041

01:28:56,890 --> 01:28:54,719

publicly and discussed if there's

2042

01:29:01,010 --> 01:28:56,900

nothing to hide

2043

01:29:03,590 --> 01:29:01,020

why why continue to lock it up I mean

2044

01:29:05,450 --> 01:29:03,600

just today I noticed that um there's

2045

01:29:07,490 --> 01:29:05,460

been another Revelation from Jacques

2046

01:29:10,669 --> 01:29:07,500

valet's Forbidden Science Diaries volume

2047

01:29:13,370 --> 01:29:10,679

Five and it turns out that um on the

2048

01:29:18,050 --> 01:29:13,380

26th of March 2004 Jacques valet

2049

01:29:21,770 --> 01:29:18,060

recorded that um Eric Davis uh was told

2050

01:29:25,070 --> 01:29:21,780

by Bush senior President Bush senior

2051

01:29:29,750 --> 01:29:25,080

that what happened

2052

01:29:33,110 --> 01:29:29,760

um at the uh uh in the Holloman film the

2053

01:29:35,629 --> 01:29:33,120

um uh the claims of the uh is it the

2054

01:29:37,490 --> 01:29:35,639

Holloman Air Force Base right

2055

01:29:41,689 --> 01:29:37,500

um we're allegedly an alien craft

2056

01:29:44,390 --> 01:29:41,699

allegedly landed was the real thing

2057

01:29:46,189 --> 01:29:44,400

and apparently Eric was told there was a

2058

01:29:47,149 --> 01:29:46,199

secret project and the security was

2059

01:29:49,669 --> 01:29:47,159

obscene

2060

01:29:52,850 --> 01:29:49,679

well frankly whilst Jacques valet's

2061

01:29:55,729 --> 01:29:52,860

diary is hearsay evidence what should be

2062

01:29:58,729 --> 01:29:55,739

happening to get that as evidence as

2063

01:30:01,610 --> 01:29:58,739

data that we can analyze is people need

2064

01:30:03,709 --> 01:30:01,620

to be called Witnesses need to be called

2065

01:30:06,290 --> 01:30:03,719

and questioned if he hasn't been already

2066

01:30:08,629 --> 01:30:06,300

Eric Davis needs to be put before a

2067

01:30:11,450 --> 01:30:08,639

committee in the Congress and questioned

2068

01:30:13,430 --> 01:30:11,460

under oath and so for that matter does

2069

01:30:14,689 --> 01:30:13,440

anyone who knows anything about the

2070

01:30:18,490 --> 01:30:14,699

Holloman film

2071

01:30:21,590 --> 01:30:18,500

why why do we piss around with

2072

01:30:23,390 --> 01:30:21,600

secondhand hearsay all the time that's

2073

01:30:25,910 --> 01:30:23,400

my point that's what needs to be

2074

01:30:28,010 --> 01:30:25,920

happening a little activism could go a

2075

01:30:29,990 --> 01:30:28,020

long way toward demanding some of the

2076

01:30:32,030 --> 01:30:30,000

things that you're talking about and now

2077

01:30:34,010 --> 01:30:32,040

that we're actually speaking more freely

2078

01:30:37,550 --> 01:30:34,020

about it maybe that's the time and maybe

2079

01:30:39,890 --> 01:30:37,560

maybe as you know as a journalist one

2080

01:30:43,010 --> 01:30:39,900

good strong leak could quite a

2081

01:30:48,709 --> 01:30:46,129

all right there we go Ross is kind of

2082

01:30:50,810 --> 01:30:48,719

over it man he wants hard data he wants

2083

01:30:53,689 --> 01:30:50,820

all these claims these Sensational

2084

01:30:55,790 --> 01:30:53,699

claims being made he wants them to be um

2085

01:30:58,010 --> 01:30:55,800

you know put under the hot seat like

2086

01:30:59,810 --> 01:30:58,020

show us the proof show us the data put

2087

01:31:01,550 --> 01:30:59,820

them in front of Congress if if these

2088

01:31:03,530 --> 01:31:01,560

things are true Holloman Air Force Base

2089

01:31:05,450 --> 01:31:03,540

is that video real all right let's put

2090

01:31:07,010 --> 01:31:05,460

it in front of uh Congress let's put it

2091

01:31:08,209 --> 01:31:07,020

in front of Arrow

2092

01:31:10,129 --> 01:31:08,219

um we know they're looking at things

2093

01:31:12,649 --> 01:31:10,139

retroactively now they're going back to

2094

01:31:15,709 --> 01:31:12,659

the Trinity case I'm looking at talking

2095

01:31:17,209 --> 01:31:15,719

to all these uh you know technicians

2096

01:31:19,669 --> 01:31:17,219

that were involved in these nuclear

2097

01:31:21,890 --> 01:31:19,679

incidents so yeah what do you think what

2098

01:31:23,810 --> 01:31:21,900

do you make of this this clip here with

2099

01:31:27,169 --> 01:31:23,820

Ross and Bryce

2100

01:31:29,689 --> 01:31:27,179

the Holloman could certainly be possible

2101
01:31:33,410 --> 01:31:29,699
in my opinion but then again I'm always

2102
01:31:34,970 --> 01:31:33,420
kind of agnostic and in open to

2103
01:31:37,030 --> 01:31:34,980
possibilities

2104
01:31:40,250 --> 01:31:37,040
but

2105
01:31:44,750 --> 01:31:40,260
what does it matter if somebody comes

2106
01:31:46,010 --> 01:31:44,760
out and does or does not say something

2107
01:31:47,390 --> 01:31:46,020
if

2108
01:31:50,930 --> 01:31:47,400
they can't

2109
01:31:53,689 --> 01:31:50,940
produce documentation

2110
01:31:55,669 --> 01:31:53,699
you know we we've been going

2111
01:31:58,129 --> 01:31:55,679
how many times do you start

2112
01:32:02,330 --> 01:31:58,139
conversations like well this has been

2113
01:32:05,110 --> 01:32:02,340

going on since the 40s yeah well yet has

2114

01:32:08,689 --> 01:32:05,120

been going on since the 40s do you think

2115

01:32:12,610 --> 01:32:08,699

anything's really different now

2116

01:32:15,229 --> 01:32:12,620

I mean in my opinion Ryan

2117

01:32:17,689 --> 01:32:15,239

nothing's different now than it was in

2118

01:32:19,970 --> 01:32:17,699

the 40s it's a question of

2119

01:32:22,010 --> 01:32:19,980

do we know who's telling truth do we

2120

01:32:24,830 --> 01:32:22,020

know who has something to hide do we

2121

01:32:26,330 --> 01:32:24,840

know what the motivations are of anyone

2122

01:32:28,850 --> 01:32:26,340

on either side or they're trying to

2123

01:32:31,550 --> 01:32:28,860

defend National Security or they try to

2124

01:32:33,890 --> 01:32:31,560

hide things

2125

01:32:36,770 --> 01:32:33,900

I I respect the work these guys are

2126

01:32:39,370 --> 01:32:36,780

doing I absolutely do

2127

01:32:43,370 --> 01:32:39,380

but until they deliver

2128

01:32:45,530 --> 01:32:43,380

the excuse the word the deliverables and

2129

01:32:47,090 --> 01:32:45,540

actually show us some documents or

2130

01:32:50,149 --> 01:32:47,100

something like that

2131

01:32:51,229 --> 01:32:50,159

we're we're not any further forward we

2132

01:32:52,550 --> 01:32:51,239

really aren't

2133

01:32:54,050 --> 01:32:52,560

and

2134

01:33:00,490 --> 01:32:54,060

you know

2135

01:33:04,310 --> 01:33:00,500

do great work

2136

01:33:06,290 --> 01:33:04,320

but no we're we're not any closer with

2137

01:33:09,410 --> 01:33:06,300

that I

2138

01:33:11,950 --> 01:33:09,420

I I think it's one more piece in the

2139

01:33:14,990 --> 01:33:11,960

puzzle we file that away

2140

01:33:18,050 --> 01:33:15,000

and maybe it'll become useful someday

2141

01:33:21,169 --> 01:33:18,060

but it's nothing definitive right now

2142

01:33:22,790 --> 01:33:21,179

yeah absolutely man I'm with you one

2143

01:33:24,410 --> 01:33:22,800

more piece to the puzzle

2144

01:33:26,090 --> 01:33:24,420

um and it just keeps getting put in the

2145

01:33:28,970 --> 01:33:26,100

box and brought out putting the Box

2146

01:33:30,830 --> 01:33:28,980

brought out so we'll see we'll see well

2147

01:33:32,629 --> 01:33:30,840

hey man do you want to go take your your

2148

01:33:34,729 --> 01:33:32,639

break here I'll go ahead I'm gonna play

2149

01:33:37,729 --> 01:33:34,739

the Richard Dolan clip I have here which

2150

01:33:38,689 --> 01:33:37,739

kind of plays into this as well

2151

01:33:41,149 --> 01:33:38,699

um

2152

01:33:44,390 --> 01:33:41,159

would that work

2153

01:33:45,830 --> 01:33:44,400

um yeah let's do that now okay I'll go

2154

01:33:47,930 --> 01:33:45,840

ahead and play the clip you go do it

2155

01:33:50,810 --> 01:33:47,940

I'll be listening let me just take this

2156

01:33:52,850 --> 01:33:50,820

one call yep and I'll be right back do

2157

01:33:56,270 --> 01:33:52,860

your thing my man

2158

01:33:57,830 --> 01:33:56,280

all right guys so jazz is a busy guy um

2159

01:33:59,629 --> 01:33:57,840

I really do appreciate him taking the

2160

01:34:02,629 --> 01:33:59,639

time to join us tonight and go through

2161

01:34:04,490 --> 01:34:02,639

all of this it's been awesome

2162

01:34:06,410 --> 01:34:04,500

um let me go through the chat really

2163

01:34:09,050 --> 01:34:06,420

quick before I play this Dolan clip for

2164

01:34:11,030 --> 01:34:09,060

you guys see what you're saying here

2165

01:34:13,790 --> 01:34:11,040

Jake says tired of hearing about

2166

01:34:16,010 --> 01:34:13,800

eyewitness I'll take data any day I get

2167

01:34:18,290 --> 01:34:16,020

it I get it

2168

01:34:21,310 --> 01:34:18,300

um let's see let's see Michael says

2169

01:34:23,930 --> 01:34:21,320

Holloman is largely folklore

2170

01:34:26,689 --> 01:34:23,940

yeah Michael what do you make of the

2171

01:34:28,490 --> 01:34:26,699

rubber emenegger uh story about the

2172

01:34:32,510 --> 01:34:28,500

footage being put in the documentary

2173

01:34:34,610 --> 01:34:32,520

taken out put in um but yeah yeah again

2174

01:34:36,709 --> 01:34:34,620

I think Ross's whole thing is like if

2175

01:34:39,770 --> 01:34:36,719

it's true these people need to come

2176
01:34:44,270 --> 01:34:39,780
forward now is the time like now is the

2177
01:34:49,129 --> 01:34:47,209
um hello to JL there was a Tic Tac UFO

2178
01:34:51,350 --> 01:34:49,139
in southwell Skies today I only noticed

2179
01:34:52,669 --> 01:34:51,360
when going over them our our later

2180
01:34:54,229 --> 01:34:52,679
zooming in it was a take back

2181
01:34:59,990 --> 01:34:54,239
interesting

2182
01:35:01,610 --> 01:35:00,000
um reach out to me reach out to me on uh

2183
01:35:03,950 --> 01:35:01,620
the website somewhere in the skies.com

2184
01:35:05,990 --> 01:35:03,960
I'd love to learn more about that see if

2185
01:35:08,930 --> 01:35:06,000
anyone else saw it if there was any

2186
01:35:12,770 --> 01:35:08,940
footage taken yeah

2187
01:35:16,910 --> 01:35:14,689
paranormal pixie is here thank you so

2188
01:35:20,290 --> 01:35:16,920

much for the super sticker paranormal

2189

01:35:22,370 --> 01:35:20,300

really really do appreciate that

2190

01:35:24,950 --> 01:35:22,380

all right

2191

01:35:26,750 --> 01:35:24,960

um okay so let's go on to our next clip

2192

01:35:29,270 --> 01:35:26,760

here guys

2193

01:35:31,669 --> 01:35:29,280

um we have from the Richard Dolan show

2194

01:35:34,010 --> 01:35:31,679

now uh Jacques valet came out with

2195

01:35:36,050 --> 01:35:34,020

Forbidden Science five in his whole

2196

01:35:37,910 --> 01:35:36,060

Journal diary series that he's been

2197

01:35:39,290 --> 01:35:37,920

doing and a lot of things came to light

2198

01:35:41,390 --> 01:35:39,300

in that book

2199

01:35:43,250 --> 01:35:41,400

um the Holloman Air Force Base thing was

2200

01:35:45,950 --> 01:35:43,260

talked about in there that Ross touched

2201
01:35:48,050 --> 01:35:45,960
on um but also Richard Dolan did a whole

2202
01:35:50,270 --> 01:35:48,060
show this past week talking about this

2203
01:35:53,330 --> 01:35:50,280
really interesting story

2204
01:35:56,629 --> 01:35:53,340
um from Jacques valet and uh it focuses

2205
01:35:59,209 --> 01:35:56,639
on Charles bowsher a U.S comptroller

2206
01:36:01,070 --> 01:35:59,219
General who actually worked for three

2207
01:36:04,250 --> 01:36:01,080
sitting presidents

2208
01:36:07,850 --> 01:36:04,260
um so Charles bauscher he claims to have

2209
01:36:10,370 --> 01:36:07,860
known about a UFO reverse engineering

2210
01:36:12,110 --> 01:36:10,380
program something that Ross has talked

2211
01:36:14,149 --> 01:36:12,120
about in the past Dolan has talked a lot

2212
01:36:16,550 --> 01:36:14,159
about when it comes to the Wilson Davis

2213
01:36:18,110 --> 01:36:16,560

story and all that um so let me go ahead

2214

01:36:21,110 --> 01:36:18,120

and play that clip for you guys right

2215

01:36:24,169 --> 01:36:21,120

now we'll talk a little about about Mr

2216

01:36:26,870 --> 01:36:24,179

bowsher on the other side here hold on

2217

01:36:29,450 --> 01:36:26,880

one sec here we go uh valet

2218

01:36:31,729 --> 01:36:29,460

speculates or believes I think in his

2219

01:36:34,189 --> 01:36:31,739

journal that Bowser may be one of the

2220

01:36:37,790 --> 01:36:34,199

four iron posts

2221

01:36:39,470 --> 01:36:37,800

Beyond Xi'an and Wilson and here he was

2222

01:36:42,530 --> 01:36:39,480

referring to something that Hal put off

2223

01:36:45,050 --> 01:36:42,540

had described as his four iron posts

2224

01:36:46,669 --> 01:36:45,060

essentially uh the impression you get is

2225

01:36:48,830 --> 01:36:46,679

that these are the individuals that

2226

01:36:50,629 --> 01:36:48,840

puttoff believed were the most

2227

01:36:54,830 --> 01:36:50,639

absolutely strong

2228

01:36:57,709 --> 01:36:54,840

uh individuals who knew of the existence

2229

01:36:59,629 --> 01:36:57,719

of the alien Tech reverse engineering

2230

01:37:01,910 --> 01:36:59,639

program

2231

01:37:04,430 --> 01:37:01,920

okay so the the three three would be

2232

01:37:06,229 --> 01:37:04,440

Wilson Xi'an and Bowser it's not clear

2233

01:37:09,709 --> 01:37:06,239

who the fourth one is

2234

01:37:12,530 --> 01:37:09,719

but here's Bowser so let's continue uh

2235

01:37:15,890 --> 01:37:12,540

valet writes Bowser found a crashed UFO

2236

01:37:17,930 --> 01:37:15,900

program during a massive audit of

2237

01:37:20,689 --> 01:37:17,940

classified projects

2238

01:37:24,950 --> 01:37:20,699

less than a handful of officials knew

2239

01:37:28,850 --> 01:37:24,960

about it in the period 1984 to 1985.

2240

01:37:32,990 --> 01:37:28,860

Bowser uncovered a bizarre special

2241

01:37:36,110 --> 01:37:33,000

Access program cover-up which this is

2242

01:37:38,950 --> 01:37:36,120

valet writing here surely violated every

2243

01:37:42,770 --> 01:37:38,960

classification executive order

2244

01:37:45,050 --> 01:37:42,780

regulation and Congressional rule I

2245

01:37:47,629 --> 01:37:45,060

really like the way valet described this

2246

01:37:49,910 --> 01:37:47,639

very comprehensive and very

2247

01:37:53,149 --> 01:37:49,920

um very definitive and I I think he is

2248

01:37:55,970 --> 01:37:53,159

certainly right here he goes on

2249

01:37:58,310 --> 01:37:55,980

he writes in his journal they

2250

01:38:01,550 --> 01:37:58,320

contemplated turning it over to justice

2251

01:38:05,870 --> 01:38:03,649

can you imagine

2252

01:38:07,970 --> 01:38:05,880

just like put yourself in this situation

2253

01:38:09,709 --> 01:38:07,980

for a second you have the Comptroller

2254

01:38:12,530 --> 01:38:09,719

General of the United States in the

2255

01:38:14,330 --> 01:38:12,540

mid-1980s doing an audit of the Pentagon

2256

01:38:17,450 --> 01:38:14,340

doing an audit of the special access

2257

01:38:19,850 --> 01:38:17,460

programs within the Pentagon finding

2258

01:38:22,790 --> 01:38:19,860

apparently this type of a program here

2259

01:38:24,050 --> 01:38:22,800

and and concluding you're doing things

2260

01:38:26,030 --> 01:38:24,060

that are really wrong and in fact

2261

01:38:28,430 --> 01:38:26,040

totally illegal and we're going after

2262

01:38:30,350 --> 01:38:28,440

you this is not right we're not going to

2263

01:38:32,629 --> 01:38:30,360

put up with this that's what he's

2264

01:38:34,490 --> 01:38:32,639

describing here we're going to find

2265

01:38:36,110 --> 01:38:34,500

we're going to delve more into this in a

2266

01:38:38,450 --> 01:38:36,120

moment and I think it's a bit more

2267

01:38:40,610 --> 01:38:38,460

complex than that but I think he's got

2268

01:38:42,229 --> 01:38:40,620

the fundamentals correct here and then

2269

01:38:44,450 --> 01:38:42,239

valet concludes he says the program

2270

01:38:53,110 --> 01:38:44,460

according to the reviewers had to do

2271

01:38:57,590 --> 01:38:55,550

interesting interesting let's bring him

2272

01:39:00,590 --> 01:38:57,600

back in jazz I don't know if you were

2273

01:39:08,870 --> 01:39:00,600

able to hear all of that but uh oh

2274

01:39:14,390 --> 01:39:11,590

um so this is interesting another person

2275

01:39:16,550 --> 01:39:14,400

claiming this reverse engineer program

2276

01:39:18,169 --> 01:39:16,560

that you know Dolan's been talking about

2277

01:39:20,330 --> 01:39:18,179

for a couple years now when it comes to

2278

01:39:22,970 --> 01:39:20,340

the Wilson Davis thing everyone kind of

2279

01:39:25,370 --> 01:39:22,980

poo-poops it at this point but now in

2280

01:39:28,970 --> 01:39:25,380

this new Forbidden Science Volume 5 of

2281

01:39:31,370 --> 01:39:28,980

Jacques valet he's basically saying that

2282

01:39:32,930 --> 01:39:31,380

yeah this is another individual that's

2283

01:39:35,629 --> 01:39:32,940

coming forward to say this reverse

2284

01:39:38,090 --> 01:39:35,639

engineering program exists and it's only

2285

01:39:41,030 --> 01:39:38,100

because of an audit Within These special

2286

01:39:43,070 --> 01:39:41,040

access programs that this is all coming

2287

01:39:44,810 --> 01:39:43,080

to light um what do you think what do

2288

01:39:46,850 --> 01:39:44,820

you make of this whole UFO crash

2289

01:39:49,189 --> 01:39:46,860

retrieval program

2290

01:39:52,189 --> 01:39:49,199

um mythology that's that's going on in

2291

01:39:53,629 --> 01:39:52,199

the UFO world we we don't know I mean

2292

01:39:56,030 --> 01:39:53,639

I'm sorry

2293

01:39:57,590 --> 01:39:56,040

I have a lot of respect for Jacques

2294

01:39:58,250 --> 01:39:57,600

Valley

2295

01:40:00,770 --> 01:39:58,260

um

2296

01:40:01,970 --> 01:40:00,780

a lot of people have been chasing this

2297

01:40:04,550 --> 01:40:01,980

but

2298

01:40:08,870 --> 01:40:04,560

I work as a journalist I write about

2299

01:40:11,570 --> 01:40:08,880

this all the time you know if we can't

2300

01:40:15,350 --> 01:40:11,580

get some sort of confirmation

2301

01:40:17,450 --> 01:40:15,360

that it remains an allegation and I

2302

01:40:19,250 --> 01:40:17,460

think that's an important word that

2303

01:40:21,950 --> 01:40:19,260

everybody should

2304

01:40:23,390 --> 01:40:21,960

keep an eye on a lot of people can

2305

01:40:25,790 --> 01:40:23,400

allege things

2306

01:40:27,110 --> 01:40:25,800

but they have to be able to prove these

2307

01:40:29,629 --> 01:40:27,120

things

2308

01:40:31,729 --> 01:40:29,639

and that's what we need that's what I've

2309

01:40:33,649 --> 01:40:31,739

been chasing so many other people have

2310

01:40:37,490 --> 01:40:33,659

been chasing

2311

01:40:40,970 --> 01:40:37,500

um you can go our mutual friend John

2312

01:40:45,050 --> 01:40:40,980

Greenwald has gotten so many documents

2313

01:40:47,689 --> 01:40:45,060

about all this suggestions hints

2314

01:40:49,850 --> 01:40:47,699

oh that could have happened there are

2315

01:40:51,709 --> 01:40:49,860

people definitely looking at it

2316

01:40:54,470 --> 01:40:51,719

I've published a whole bunch of things

2317

01:40:57,229 --> 01:40:54,480

about people looking at it

2318

01:40:59,270 --> 01:40:57,239

but did somebody actually get dragged

2319

01:41:02,510 --> 01:40:59,280

into a garage

2320

01:41:04,970 --> 01:41:02,520

and oh by the way here's Flying Saucer

2321

01:41:07,729 --> 01:41:04,980

go ahead put your hands on it

2322

01:41:10,550 --> 01:41:07,739

and here we're going to show you again

2323

01:41:13,370 --> 01:41:10,560

defy gravity

2324

01:41:15,830 --> 01:41:13,380

yeah we don't have it yet Ryan we do we

2325

01:41:18,290 --> 01:41:15,840

just we don't have it yet

2326

01:41:21,290 --> 01:41:18,300

and yeah

2327

01:41:23,149 --> 01:41:21,300

do people could could anyone have a

2328

01:41:26,750 --> 01:41:23,159

motivation

2329

01:41:30,290 --> 01:41:26,760

to go and tell a story like that if it

2330

01:41:36,649 --> 01:41:35,109

yeah I'm sorry I I guess I'm kind of uh

2331

01:41:39,830 --> 01:41:36,659

skeptic

2332

01:41:42,050 --> 01:41:39,840

it's like people have motivations to do

2333

01:41:47,330 --> 01:41:42,060

strange things all the time because I

2334

01:41:49,310 --> 01:41:47,340

cover politics people lie all the time

2335

01:41:50,530 --> 01:41:49,320

you know

2336

01:41:54,290 --> 01:41:50,540

um

2337

01:41:58,010 --> 01:41:54,300

you know bring us show us the dollars

2338

01:42:00,709 --> 01:41:58,020

you know bottom line you know somebody

2339

01:42:04,010 --> 01:42:00,719

come up with a document

2340

01:42:06,109 --> 01:42:04,020

I have spent the last uh three weeks

2341

01:42:09,950 --> 01:42:06,119

working on a project I talk with you

2342

01:42:12,950 --> 01:42:09,960

offline about Pine Gap in Australia you

2343

01:42:16,609 --> 01:42:12,960

know and there are so many stories about

2344

01:42:19,490 --> 01:42:16,619

that it all deals with the NSA nobody's

2345

01:42:23,810 --> 01:42:19,500

allowed to even talk about the NSA

2346

01:42:26,149 --> 01:42:23,820

uh until the late 80s the name was

2347

01:42:29,390 --> 01:42:26,159

completely top secret

2348

01:42:33,229 --> 01:42:29,400

right yeah but there's stuff out there

2349

01:42:36,530 --> 01:42:33,239

but we don't have the deliverables we

2350

01:42:37,790 --> 01:42:36,540

don't have it we we don't have the

2351

01:42:39,229 --> 01:42:37,800

documentation

2352

01:42:46,250 --> 01:42:39,239

so

2353

01:42:49,189 --> 01:42:46,260

do we have it yet

2354

01:42:52,250 --> 01:42:49,199

sorry I'm not willing to give any of

2355

01:42:54,109 --> 01:42:52,260

these people 100 Credence saying oh

2356

01:42:55,250 --> 01:42:54,119

you've already wrapped this up

2357

01:42:57,649 --> 01:42:55,260

no

2358

01:42:59,810 --> 01:42:57,659

hasn't happened yet

2359

01:43:02,810 --> 01:42:59,820

it hasn't and it hasn't happened for the

2360

01:43:06,229 --> 01:43:02,820

last 70 plus years welcome to the

2361

01:43:07,669 --> 01:43:06,239

ufology the land of anecdotal Welcome to

2362

01:43:10,850 --> 01:43:07,679

our world

2363

01:43:13,609 --> 01:43:10,860

I know man hey coming from the dude

2364

01:43:16,370 --> 01:43:13,619

known for just stories

2365

01:43:19,070 --> 01:43:16,380

um it's hard it's hard I don't ever you

2366

01:43:21,709 --> 01:43:19,080

know I I never expect people to just

2367

01:43:25,129 --> 01:43:21,719

believe anything I put out there in

2368

01:43:27,770 --> 01:43:25,139

terms of my books or the podcast I I

2369

01:43:29,870 --> 01:43:27,780

can't I I literally cannot

2370

01:43:31,609 --> 01:43:29,880

um for everybody else you and I have

2371

01:43:35,570 --> 01:43:31,619

discussed this before

2372

01:43:38,930 --> 01:43:35,580

my wife and I both we've seen five of

2373

01:43:42,109 --> 01:43:38,940

these friggin things okay we've seen

2374

01:43:44,810 --> 01:43:42,119

them right over where we live

2375

01:43:48,649 --> 01:43:44,820

does that mean I expect you to believe

2376

01:43:52,729 --> 01:43:48,659

me and say because I could be wrong that

2377

01:43:55,370 --> 01:43:52,739

could be something I don't know I don't

2378

01:43:57,010 --> 01:43:55,380

have an explanation what it could be but

2379

01:43:59,870 --> 01:43:57,020

I don't have any

2380

01:44:04,129 --> 01:43:59,880

documented evidence yeah and I have no

2381

01:44:05,990 --> 01:44:04,139

explanation for it but we're still we

2382

01:44:08,649 --> 01:44:06,000

really aren't that much

2383

01:44:11,510 --> 01:44:08,659

further forward than we were before

2384

01:44:14,450 --> 01:44:11,520

2017. I mean I've seen shed I can't

2385

01:44:16,970 --> 01:44:14,460

explain pardon my language

2386

01:44:19,070 --> 01:44:16,980

um and I don't

2387

01:44:20,930 --> 01:44:19,080

know of any science that would explain

2388

01:44:22,129 --> 01:44:20,940

what I saw

2389

01:44:24,410 --> 01:44:22,139

but

2390

01:44:27,109 --> 01:44:24,420

could it exist

2391

01:44:30,410 --> 01:44:27,119

man I just don't know about it

2392

01:44:32,629 --> 01:44:30,420

yeah yeah it's possible man it is

2393

01:44:34,430 --> 01:44:32,639

anything is possible yeah

2394

01:44:36,770 --> 01:44:34,440

awesome man well hey let's talk about

2395

01:44:39,770 --> 01:44:36,780

evidence like you just mentioned

2396

01:44:42,890 --> 01:44:39,780

evidence that we think

2397

01:44:45,709 --> 01:44:42,900

that the U.S military apparatus might

2398

01:44:47,930 --> 01:44:45,719

have but are not sharing with the public

2399

01:44:52,250 --> 01:44:47,940

this comes from your colleague over at

2400

01:44:55,550 --> 01:44:52,260

the debrief and that is Tim McMillan

2401

01:44:58,070 --> 01:44:55,560

um he recently came out with a story

2402

01:45:00,709 --> 01:44:58,080

over there and he also spoke to Vinnie

2403

01:45:03,709 --> 01:45:00,719

at disclosure team Vinnie Adams about

2404

01:45:05,810 --> 01:45:03,719

developments on the photos or videos of

2405

01:45:08,689 --> 01:45:05,820

the three unidentified objects shot down

2406

01:45:10,609 --> 01:45:08,699

in February so let me play this clip and

2407

01:45:12,530 --> 01:45:10,619

we'll come back and talk about this

2408

01:45:13,910 --> 01:45:12,540

aspect of everything yeah and you

2409

01:45:17,390 --> 01:45:13,920

mentioned the U2 there and we recently

2410

01:45:20,689 --> 01:45:17,400

saw the cockpit selfie uh showing the

2411

01:45:22,070 --> 01:45:20,699

Chinese balloon and uh why have we not

2412

01:45:23,990 --> 01:45:22,080

seen any other photos from these

2413

01:45:25,010 --> 01:45:24,000

incursions or incidents Tim what what do

2414

01:45:28,070 --> 01:45:25,020

you think

2415

01:45:31,550 --> 01:45:28,080

I don't that's weird and I'm glad that

2416

01:45:33,530 --> 01:45:31,560

you brought that up because you know I

2417

01:45:35,390 --> 01:45:33,540

talked to people who I know and trust

2418

01:45:37,010 --> 01:45:35,400

very well who who work in the

2419

01:45:39,109 --> 01:45:37,020

intelligence Community who have access

2420

01:45:40,430 --> 01:45:39,119

to the reports that came with it so they

2421

01:45:42,229 --> 01:45:40,440

weren't involved in the analysis or

2422

01:45:44,149 --> 01:45:42,239

directly in these incidents but they see

2423

01:45:46,250 --> 01:45:44,159

kind of the after paperwork because that

2424

01:45:48,050 --> 01:45:46,260

follows into their line and so they they

2425

01:45:50,030 --> 01:45:48,060

told me hey man I really think these are

2426

01:45:52,370 --> 01:45:50,040

just balloons most like the hobbyist

2427

01:45:55,910 --> 01:45:52,380

balloons you know we reported on it that

2428

01:45:58,550 --> 01:45:55,920

uh at least one perhaps all of them were

2429

01:46:00,709 --> 01:45:58,560

detective admitting our fvf radio

2430

01:46:02,450 --> 01:46:00,719

frequencies and so that's consistent

2431

01:46:04,129 --> 01:46:02,460

with hobby balloons and all this but at

2432

01:46:06,530 --> 01:46:04,139

the same time

2433

01:46:10,550 --> 01:46:06,540

there is still this weird air of secrecy

2434

01:46:12,530 --> 01:46:10,560

about it namely the videos you know the

2435

01:46:15,290 --> 01:46:12,540

images that they haven't shared with it

2436

01:46:17,209 --> 01:46:15,300

and I just recently found it I say that

2437

01:46:19,070 --> 01:46:17,219

I'll be sharing this for the first time

2438

01:46:20,990 --> 01:46:19,080

Vinnie right here

2439

01:46:23,930 --> 01:46:21,000

um you know I found out without any

2440

01:46:26,990 --> 01:46:23,940

Shadow doubt they have not shown uh

2441

01:46:28,370 --> 01:46:27,000

Congress any videos they have not shown

2442

01:46:30,530 --> 01:46:28,380

the Senate armed services or

2443

01:46:31,910 --> 01:46:30,540

intelligence committee videos of these

2444

01:46:33,770 --> 01:46:31,920

objects

2445

01:46:37,310 --> 01:46:33,780

prior to shoot down a dirty shoot down

2446

01:46:39,830 --> 01:46:37,320

they have not shown them whatsoever I

2447

01:46:43,189 --> 01:46:39,840

can say that for an absolute fact

2448

01:46:46,430 --> 01:46:43,199

that's weird and those lawmakers said

2449

01:46:50,450 --> 01:46:46,440

that's weird that is odd why won't they

2450

01:46:55,910 --> 01:46:54,050

it is weird but Jazz this kind of plays

2451
01:46:58,669 --> 01:46:55,920
into what you were talking about earlier

2452
01:47:01,189 --> 01:46:58,679
is the reason we're not seeing any of

2453
01:47:03,530 --> 01:47:01,199
this is the reason it's not even being

2454
01:47:04,790 --> 01:47:03,540
shared within Congress or with the

2455
01:47:06,830 --> 01:47:04,800
Senate intelligence committee and

2456
01:47:09,950 --> 01:47:06,840
whatnot um excuse me the armed services

2457
01:47:11,870 --> 01:47:09,960
committee uh politically motivated what

2458
01:47:14,030 --> 01:47:11,880
do you think about this this comment

2459
01:47:16,970 --> 01:47:14,040
that Tim made that no one's been shown

2460
01:47:19,669 --> 01:47:16,980
anything apparently

2461
01:47:20,709 --> 01:47:19,679
if you want to put it on a gradient

2462
01:47:24,290 --> 01:47:20,719
scale

2463
01:47:26,950 --> 01:47:24,300

one thousand to one percent

2464

01:47:31,189 --> 01:47:26,960

let's take two choices Ryan

2465

01:47:33,649 --> 01:47:31,199

oh we had video of something that was

2466

01:47:35,870 --> 01:47:33,659

clearly extraterrestrial there were

2467

01:47:37,250 --> 01:47:35,880

little green men or whatever phrase you

2468

01:47:39,770 --> 01:47:37,260

want to use the week

2469

01:47:41,470 --> 01:47:39,780

you know who would do something weird

2470

01:47:44,629 --> 01:47:41,480

or we

2471

01:47:49,430 --> 01:47:44,639

accidentally shot down a Boy Scout

2472

01:47:56,090 --> 01:47:53,030

um I'm going 100

2473

01:47:57,310 --> 01:47:56,100

000 to a million to one probably on the

2474

01:48:01,189 --> 01:47:57,320

letter

2475

01:48:03,290 --> 01:48:01,199

so yeah we don't we don't know and we're

2476

01:48:06,109 --> 01:48:03,300

not going to know uh the fact that we

2477

01:48:07,729 --> 01:48:06,119

don't know does not automatically

2478

01:48:11,990 --> 01:48:07,739

Translate to

2479

01:48:15,649 --> 01:48:12,000

oh we finally had evidence of E.T but we

2480

01:48:17,870 --> 01:48:15,659

shot it down and we couldn't find it in

2481

01:48:19,370 --> 01:48:17,880

the Great Lakes and we're really sorry

2482

01:48:23,030 --> 01:48:19,380

about that but we have to keep this

2483

01:48:24,770 --> 01:48:23,040

quiet well there's one story

2484

01:48:27,350 --> 01:48:24,780

um the other story is

2485

01:48:30,410 --> 01:48:27,360

wow we were really embarrassed about the

2486

01:48:32,030 --> 01:48:30,420

Chinese balloon that we knew was not E.T

2487

01:48:34,729 --> 01:48:32,040

he was Chinese

2488

01:48:38,090 --> 01:48:34,739

and we waited a long time to shoot that

2489

01:48:39,649 --> 01:48:38,100

down and then we shot down the Boy Scout

2490

01:48:42,350 --> 01:48:39,659

Troop balloon

2491

01:48:45,350 --> 01:48:42,360

and wow that would look really bad if we

2492

01:48:49,370 --> 01:48:46,729

um

2493

01:48:53,270 --> 01:48:49,380

do I need to go further to tell you my

2494

01:48:54,830 --> 01:48:53,280

opinion on this just do we know no we

2495

01:48:58,370 --> 01:48:54,840

don't know

2496

01:49:02,990 --> 01:48:58,380

but yeah that's probably what happened

2497

01:49:06,890 --> 01:49:03,000

that does not explain all the other UAP

2498

01:49:09,709 --> 01:49:06,900

observations real things these these

2499

01:49:11,930 --> 01:49:09,719

recent things that Tim is talking about

2500

01:49:14,149 --> 01:49:11,940

no

2501

01:49:16,850 --> 01:49:14,159

did you read the thing I did at the

2502

01:49:21,050 --> 01:49:16,860

debrief a while ago about when we

2503

01:49:25,550 --> 01:49:21,060

actually tried to shoot down real UFOs

2504

01:49:30,169 --> 01:49:25,560

yes and people died and we lost planes

2505

01:49:31,729 --> 01:49:30,179

yeah but somehow this year we shot down

2506

01:49:35,870 --> 01:49:31,739

three

2507

01:49:39,169 --> 01:49:35,880

they didn't even fire back

2508

01:49:41,689 --> 01:49:39,179

I think the older ones are more like oh

2509

01:49:44,090 --> 01:49:41,699

those definitely could be unidentified

2510

01:49:46,790 --> 01:49:44,100

things these were things where

2511

01:49:48,470 --> 01:49:46,800

embarrassed we shot down yeah that's

2512

01:49:50,870 --> 01:49:48,480

where I am right now man

2513

01:49:53,510 --> 01:49:50,880

I'm with you I'm with you you know we I

2514

01:49:55,970 --> 01:49:53,520

even had um Lieutenant Commander Alex

2515

01:49:57,830 --> 01:49:55,980

Dietrich on the show recently yes and

2516

01:50:00,709 --> 01:49:57,840

you know I straight up asked her great

2517

01:50:02,270 --> 01:50:00,719

job thank you thank you I I tried a very

2518

01:50:04,609 --> 01:50:02,280

limited time with her I had a million

2519

01:50:06,709 --> 01:50:04,619

questions we got to like maybe a third

2520

01:50:08,930 --> 01:50:06,719

of them but um you know I asked her like

2521

01:50:11,149 --> 01:50:08,940

what do you make of all that like the

2522

01:50:13,550 --> 01:50:11,159

whole three object shot down thing and

2523

01:50:14,450 --> 01:50:13,560

really all she could definitively say

2524

01:50:17,030 --> 01:50:14,460

was

2525

01:50:20,030 --> 01:50:17,040

um I trust that the pilots knew exactly

2526

01:50:22,010 --> 01:50:20,040

what these things were and they would

2527

01:50:24,229 --> 01:50:22,020

not shoot them down if they did not have

2528

01:50:26,990 --> 01:50:24,239

a positive identification on them trust

2529

01:50:28,189 --> 01:50:27,000

me yes on that so they definitely knew

2530

01:50:31,729 --> 01:50:28,199

what they were they'd probably

2531

01:50:34,010 --> 01:50:31,739

investigated it thoroughly um it's just

2532

01:50:36,350 --> 01:50:34,020

ah I don't know man it's just it's gonna

2533

01:50:39,109 --> 01:50:36,360

leave the conspiracy theorist so much

2534

01:50:41,090 --> 01:50:39,119

wiggle room to like create this whole

2535

01:50:43,550 --> 01:50:41,100

Roswell mythology in their heads again

2536

01:50:45,109 --> 01:50:43,560

because we're not recovering the debris

2537

01:50:47,570 --> 01:50:45,119

we're not you know

2538

01:50:49,430 --> 01:50:47,580

um showing any sort of photographic or

2539

01:50:51,410 --> 01:50:49,440

video evidence of these things and then

2540

01:50:53,870 --> 01:50:51,420

you have this Russian jet take down a

2541

01:50:56,629 --> 01:50:53,880

drone and we got this again it's just

2542

01:50:59,270 --> 01:50:56,639

the cycle of like frustration with all

2543

01:51:02,270 --> 01:50:59,280

of this and I just get so like

2544

01:51:07,270 --> 01:51:02,280

dizzied by all of it and excessive

2545

01:51:10,129 --> 01:51:07,280

security uh yeah good point yeah yeah

2546

01:51:12,290 --> 01:51:10,139

that's I couldn't put it better myself

2547

01:51:14,629 --> 01:51:12,300

competitive better myself

2548

01:51:18,169 --> 01:51:14,639

um hey let's move to our last clip

2549

01:51:21,109 --> 01:51:18,179

um we are in the home stretch here uh so

2550

01:51:23,629 --> 01:51:21,119

Jess did you see

2551
01:51:26,810 --> 01:51:23,639
um the video that Sean Cahill posted

2552
01:51:29,810 --> 01:51:26,820
from none other than Luis elizondo's

2553
01:51:33,109 --> 01:51:29,820
property of a possible UAP Bree did you

2554
01:51:34,490 --> 01:51:33,119
see that yeah okay so that video came

2555
01:51:35,810 --> 01:51:34,500
out

2556
01:51:38,270 --> 01:51:35,820
um you know there were some hoopla

2557
01:51:40,070 --> 01:51:38,280
online all about it and

2558
01:51:41,870 --> 01:51:40,080
um and Sean kind of Defending his

2559
01:51:44,930 --> 01:51:41,880
decision to put it out there blah blah

2560
01:51:48,709 --> 01:51:44,940
blah but now on the heels of that um

2561
01:51:53,149 --> 01:51:48,719
Sean Cahill recently was featured on um

2562
01:51:56,090 --> 01:51:53,159
on a show called UFO Hub on YouTube and

2563
01:51:58,310 --> 01:51:56,100

not only had he filmed a UFO at Luis

2564

01:52:01,430 --> 01:51:58,320

Alexander's property now he's claiming a

2565

01:52:03,649 --> 01:52:01,440

lifetime of UFO experiences and possible

2566

01:52:05,209 --> 01:52:03,659

alien abduction so I'm gonna go ahead

2567

01:52:07,250 --> 01:52:05,219

and play this clip and I'm sure we'll

2568

01:52:09,530 --> 01:52:07,260

have some stuff to talk about on the

2569

01:52:10,729 --> 01:52:09,540

other side before we wrap up hold on one

2570

01:52:12,290 --> 01:52:10,739

sec yeah

2571

01:52:13,970 --> 01:52:12,300

for the first few years that I was

2572

01:52:16,010 --> 01:52:13,980

working on this topic I was reticent to

2573

01:52:17,510 --> 01:52:16,020

talk about all the experiences I've had

2574

01:52:19,250 --> 01:52:17,520

I would talk offline with with

2575

01:52:20,629 --> 01:52:19,260

researchers or interviewers about them

2576

01:52:22,910 --> 01:52:20,639

but

2577

01:52:25,189 --> 01:52:22,920

um I was I was still subject to the

2578

01:52:27,770 --> 01:52:25,199

stigma and a little scared but

2579

01:52:29,570 --> 01:52:27,780

this is something when we talk about UAP

2580

01:52:31,729 --> 01:52:29,580

or the phenomenon this is something that

2581

01:52:33,530 --> 01:52:31,739

I've been experiencing since childhood

2582

01:52:36,470 --> 01:52:33,540

um I've had

2583

01:52:37,609 --> 01:52:36,480

I've had different craft as you and

2584

01:52:39,229 --> 01:52:37,619

people would say that I have seen

2585

01:52:40,550 --> 01:52:39,239

different shapes different interesting

2586

01:52:42,890 --> 01:52:40,560

experiences

2587

01:52:44,450 --> 01:52:42,900

lost time

2588

01:52:47,510 --> 01:52:44,460

um and what many people would

2589

01:52:50,209 --> 01:52:47,520

classically call abduction experiences

2590

01:52:51,890 --> 01:52:50,219

um due to the fact that I was a I was a

2591

01:52:54,590 --> 01:52:51,900

I was a

2592

01:52:57,050 --> 01:52:54,600

investigator trained forensics

2593

01:52:59,390 --> 01:52:57,060

investigator detective a police officer

2594

01:53:02,390 --> 01:52:59,400

in the military

2595

01:53:04,129 --> 01:53:02,400

to me my own stories are something that

2596

01:53:06,410 --> 01:53:04,139

that I have to keep in a certain little

2597

01:53:08,270 --> 01:53:06,420

bucket over here and I keep them fenced

2598

01:53:09,830 --> 01:53:08,280

off and it's only been the last couple

2599

01:53:12,169 --> 01:53:09,840

of years that I've allowed myself to

2600

01:53:13,669 --> 01:53:12,179

compare some of my experiences with the

2601
01:53:14,810 --> 01:53:13,679
research I've done and the things that

2602
01:53:16,250 --> 01:53:14,820
I've read

2603
01:53:18,229 --> 01:53:16,260
and

2604
01:53:20,629 --> 01:53:18,239
I dare say that I found myself more

2605
01:53:22,310 --> 01:53:20,639
confused than ever

2606
01:53:26,450 --> 01:53:22,320
um because there's there's still

2607
01:53:28,490 --> 01:53:26,460
something in my I'm not able to present

2608
01:53:32,629 --> 01:53:28,500
um I'm not confident enough confident

2609
01:53:35,510 --> 01:53:32,639
enough to tell details of my experiences

2610
01:53:37,910 --> 01:53:35,520
to other people yet because I'm not sure

2611
01:53:40,310 --> 01:53:37,920
of those details yet

2612
01:53:42,709 --> 01:53:40,320
um so I know that a lot of us

2613
01:53:44,450 --> 01:53:42,719

we have these experiences and we have

2614

01:53:46,250 --> 01:53:44,460

memories and and they seem to correspond

2615

01:53:48,290 --> 01:53:46,260

with other people's experiences and we

2616

01:53:50,990 --> 01:53:48,300

can we can do research that seems to

2617

01:53:53,149 --> 01:53:51,000

tell us meaning and origin and things

2618

01:53:55,189 --> 01:53:53,159

like that but I haven't reached a point

2619

01:53:56,930 --> 01:53:55,199

in my own experience with the phenomenon

2620

01:53:58,729 --> 01:53:56,940

where meaning

2621

01:54:01,550 --> 01:53:58,739

origin

2622

01:54:03,470 --> 01:54:01,560

Etc are very clear to me I try not to

2623

01:54:04,790 --> 01:54:03,480

step on other people's anecdotes and

2624

01:54:08,090 --> 01:54:04,800

experience but I have a hard time

2625

01:54:13,010 --> 01:54:08,100

accepting a great deal of ufology

2626

01:54:18,590 --> 01:54:17,390

okay so again I know it got it just

2627

01:54:21,050 --> 01:54:18,600

bleeds into everything we've been

2628

01:54:23,750 --> 01:54:21,060

talking about anecdotal give it to me

2629

01:54:25,669 --> 01:54:23,760

but um at the same time like what do you

2630

01:54:27,350 --> 01:54:25,679

okay

2631

01:54:29,390 --> 01:54:27,360

let me ask you this chance the video

2632

01:54:30,770 --> 01:54:29,400

well first let's go let's tackle that

2633

01:54:33,169 --> 01:54:30,780

first what did you think of the video

2634

01:54:34,850 --> 01:54:33,179

that Sean Cahill released do you have

2635

01:54:39,410 --> 01:54:34,860

any thoughts on it

2636

01:54:43,850 --> 01:54:39,420

it was a kind of interesting video yeah

2637

01:54:45,770 --> 01:54:43,860

I mean uh I tweeted about it at the time

2638

01:54:46,910 --> 01:54:45,780

you know it was

2639

01:54:49,490 --> 01:54:46,920

um

2640

01:54:52,990 --> 01:54:49,500

something low

2641

01:54:56,810 --> 01:54:53,000

definitely below the background

2642

01:54:59,570 --> 01:54:56,820

elevated ground area that seemed to be

2643

01:55:02,629 --> 01:54:59,580

moving fairly slow

2644

01:55:04,070 --> 01:55:02,639

um was there enough detail in it to do

2645

01:55:05,090 --> 01:55:04,080

anything with it

2646

01:55:09,109 --> 01:55:05,100

no

2647

01:55:11,030 --> 01:55:09,119

um

2648

01:55:13,550 --> 01:55:11,040

interesting but there's lots of

2649

01:55:15,830 --> 01:55:13,560

interesting videos all the time

2650

01:55:20,510 --> 01:55:15,840

um the testimony that came out

2651
01:55:24,290 --> 01:55:22,850
man I I have so much respect for this

2652
01:55:26,450 --> 01:55:24,300
guy

2653
01:55:28,729 --> 01:55:26,460
and I

2654
01:55:33,109 --> 01:55:28,739
I guess I'll come out and say I believe

2655
01:55:40,310 --> 01:55:35,629
um does that mean that we have some new

2656
01:55:42,830 --> 01:55:40,320
evidence to move forward and go oh well

2657
01:55:47,209 --> 01:55:42,840
this is cleared up now

2658
01:55:48,890 --> 01:55:47,219
um no no we don't uh

2659
01:55:51,970 --> 01:55:48,900
but

2660
01:55:54,950 --> 01:55:51,980
I hope that your viewers

2661
01:55:57,229 --> 01:55:54,960
realize that they're hearing this from

2662
01:55:59,930 --> 01:55:57,239
somebody and I've come on your show

2663
01:56:01,370 --> 01:55:59,940

we've talked about it before you you

2664

01:56:06,830 --> 01:56:01,380

have the links

2665

01:56:10,729 --> 01:56:06,840

I've seen stuff I videotaped things the

2666

01:56:13,070 --> 01:56:10,739

video was terrible obviously I don't

2667

01:56:18,649 --> 01:56:13,080

expect anybody to change their mind

2668

01:56:21,169 --> 01:56:18,659

based on it but I know what I saw

2669

01:56:23,629 --> 01:56:21,179

but that doesn't mean that anybody else

2670

01:56:27,050 --> 01:56:23,639

has to immediately go Oh well Jazz all

2671

01:56:29,629 --> 01:56:27,060

this so yeah well it's all settled it's

2672

01:56:31,250 --> 01:56:29,639

aliens you know or whatever

2673

01:56:33,890 --> 01:56:31,260

right

2674

01:56:36,649 --> 01:56:33,900

and I'm not trying to put myself in the

2675

01:56:40,669 --> 01:56:36,659

same place as Sean or anyone else

2676

01:56:44,750 --> 01:56:40,679

but he has an experience

2677

01:56:47,149 --> 01:56:44,760

that experience that he has described

2678

01:56:50,270 --> 01:56:47,159

it doesn't get us any closer to the

2679

01:56:54,229 --> 01:56:50,280

Finish Line nothing I experienced and

2680

01:56:56,330 --> 01:56:54,239

even videotaped gets us any closer to

2681

01:56:58,729 --> 01:56:56,340

the finish line

2682

01:57:01,129 --> 01:56:58,739

I know what my beliefs are

2683

01:57:03,290 --> 01:57:01,139

but I don't disrespect anyone who says

2684

01:57:05,870 --> 01:57:03,300

Jazz dude

2685

01:57:08,090 --> 01:57:05,880

that was clearly a pigeon

2686

01:57:11,629 --> 01:57:08,100

you know well I don't think there's a

2687

01:57:14,390 --> 01:57:11,639

pigeon but you're you're welcome to your

2688

01:57:15,290 --> 01:57:14,400

opinion you know

2689

01:57:18,350 --> 01:57:15,300

um

2690

01:57:20,689 --> 01:57:18,360

I'm sorry I I know these are respected

2691

01:57:23,089 --> 01:57:20,699

people I get it

2692

01:57:25,790 --> 01:57:23,099

but they haven't delivered anything I've

2693

01:57:27,229 --> 01:57:25,800

never delivered anything

2694

01:57:36,950 --> 01:57:27,239

I

2695

01:57:38,930 --> 01:57:36,960

observations that are scientific

2696

01:57:41,149 --> 01:57:38,940

but I don't have

2697

01:57:45,169 --> 01:57:41,159

conclusions for you that I can go wait

2698

01:57:47,750 --> 01:57:45,179

I've solved the problem here we go boom

2699

01:57:50,089 --> 01:57:47,760

no I don't have it and you know what

2700

01:57:52,729 --> 01:57:50,099

they don't have it either we're we're

2701
01:57:54,169 --> 01:57:52,739
really not any closer to the Finish Line

2702
01:57:55,370 --> 01:57:54,179
in my opinion

2703
01:58:00,609 --> 01:57:55,380
yeah

2704
01:58:04,010 --> 01:58:00,619
have to stop looking at this

2705
01:58:05,990 --> 01:58:04,020
disclosure I hate the word because I'm I

2706
01:58:08,270 --> 01:58:06,000
if there's anything I've learned in

2707
01:58:12,470 --> 01:58:08,280
ufology it's that disclosure does not

2708
01:58:14,330 --> 01:58:12,480
exist it's not a tangible thing you can

2709
01:58:17,169 --> 01:58:14,340
have a sighting I can have a sighting

2710
01:58:19,310 --> 01:58:17,179
Sean can have a lifetime of experiences

2711
01:58:20,990 --> 01:58:19,320
hundreds of thousands of people all over

2712
01:58:22,310 --> 01:58:21,000
the world are seeing things they can't

2713
01:58:24,770 --> 01:58:22,320

explain

2714

01:58:26,810 --> 01:58:24,780

it's as simple as that

2715

01:58:29,450 --> 01:58:26,820

it doesn't mean that the government is

2716

01:58:31,910 --> 01:58:29,460

going to say and I use that term loosely

2717

01:58:33,709 --> 01:58:31,920

government yeah you're all right all of

2718

01:58:36,649 --> 01:58:33,719

you yup this is real we know about it

2719

01:58:38,510 --> 01:58:36,659

that's just not a thing it's not going

2720

01:58:41,089 --> 01:58:38,520

to happen it's not going to happen guys

2721

01:58:44,089 --> 01:58:41,099

I'm sorry what I think is most important

2722

01:58:47,750 --> 01:58:44,099

in what I've learned in my ufology is

2723

01:58:51,169 --> 01:58:47,760

that I I had my sighting I have my own

2724

01:58:54,770 --> 01:58:51,179

thoughts and beliefs on what it is and

2725

01:58:56,689 --> 01:58:54,780

I have been validated in terms of what I

2726

01:58:58,430 --> 01:58:56,699

believe I saw

2727

01:59:00,589 --> 01:58:58,440

um that journey is going to be different

2728

01:59:03,350 --> 01:59:00,599

for every single person they may never

2729

01:59:05,750 --> 01:59:03,360

get to that point I've reached it and

2730

01:59:08,209 --> 01:59:05,760

I'm okay with not knowing what it is I

2731

01:59:10,609 --> 01:59:08,219

saw but I feel validated and Vindicated

2732

01:59:11,870 --> 01:59:10,619

that I did see something that I couldn't

2733

01:59:13,250 --> 01:59:11,880

explain

2734

01:59:16,490 --> 01:59:13,260

um I'm never going to get the answers

2735

01:59:19,910 --> 01:59:16,500

that I want in ufology I'm okay with it

2736

01:59:23,050 --> 01:59:19,920

we might we might maybe and that's

2737

01:59:26,089 --> 01:59:23,060

somebody might somebody out there Ryan

2738

01:59:28,310 --> 01:59:26,099

may have the goods

2739

01:59:30,050 --> 01:59:28,320

I I don't know that they do I'm not

2740

01:59:33,050 --> 01:59:30,060

trying to imply to anybody that I have

2741

01:59:36,589 --> 01:59:33,060

inside sources yeah somebody out there

2742

01:59:40,810 --> 01:59:36,599

may have some documentation

2743

01:59:44,390 --> 01:59:40,820

they have some really incontrovertible

2744

01:59:47,750 --> 01:59:44,400

video photographic

2745

01:59:50,810 --> 01:59:47,760

evidence or results of Investigations

2746

01:59:53,689 --> 01:59:50,820

that were hidden if that happens

2747

01:59:57,589 --> 01:59:53,699

then I think that helps everybody who is

2748

01:59:59,750 --> 01:59:57,599

an experimenter but yes yeah but we're

2749

02:00:04,189 --> 01:59:59,760

not there yet we don't know that that

2750

02:00:06,709 --> 02:00:04,199

exists we it it could just not be

2751

02:00:11,689 --> 02:00:06,719

I know I saw something that I can't

2752

02:00:14,149 --> 02:00:11,699

possibly explain five times but

2753

02:00:15,589 --> 02:00:14,159

no we we don't know man and I don't know

2754

02:00:18,649 --> 02:00:15,599

that you and I are ever going to know in

2755

02:00:22,310 --> 02:00:18,659

our lives and that makes me sad

2756

02:00:25,250 --> 02:00:22,320

but I think it's still worth the effort

2757

02:00:27,770 --> 02:00:25,260

to keep searching and see if we can find

2758

02:00:30,010 --> 02:00:27,780

somebody who has the evidence that's my

2759

02:00:33,350 --> 02:00:30,020

goal personally not professionally

2760

02:00:35,629 --> 02:00:33,360

personally personally I like that I like

2761

02:00:38,570 --> 02:00:35,639

that man yeah we're all on our own

2762

02:00:40,510 --> 02:00:38,580

Journeys you know I had I guess recently

2763

02:00:44,209 --> 02:00:40,520

um red pill junkie was on and he said

2764

02:00:47,209 --> 02:00:44,219

you can take a million different roads

2765

02:00:51,169 --> 02:00:47,219

that lead to the same path and that

2766

02:00:52,970 --> 02:00:51,179

destination is nowhere inevitably that

2767

02:00:55,310 --> 02:00:52,980

was a great interview by the way oh my

2768

02:00:58,189 --> 02:00:55,320

God thank you thank you he was wonderful

2769

02:01:00,770 --> 02:00:58,199

and I really sat and ruminated on that

2770

02:01:01,850 --> 02:01:00,780

one thing he said almost for the entire

2771

02:01:03,669 --> 02:01:01,860

night

2772

02:01:06,050 --> 02:01:03,679

um the fact that like

2773

02:01:08,450 --> 02:01:06,060

I am happier

2774

02:01:10,970 --> 02:01:08,460

in ufology now than I've ever been

2775

02:01:13,910 --> 02:01:10,980

because I've accepted that I'm never

2776

02:01:15,530 --> 02:01:13,920

going to get that one huge answer I

2777

02:01:17,450 --> 02:01:15,540

always thought maybe I'll get it like

2778

02:01:20,570 --> 02:01:17,460

you said maybe there will be something

2779

02:01:22,370 --> 02:01:20,580

that comes along that answers everything

2780

02:01:25,430 --> 02:01:22,380

um personally I think you know whatever

2781

02:01:27,950 --> 02:01:25,440

that next chapter is in

2782

02:01:29,930 --> 02:01:27,960

um existence you know when I leave this

2783

02:01:31,250 --> 02:01:29,940

Mortal coil maybe I'll get some of those

2784

02:01:33,470 --> 02:01:31,260

answers

2785

02:01:35,870 --> 02:01:33,480

um but right now man like living in that

2786

02:01:38,450 --> 02:01:35,880

Journey living in that mystery

2787

02:01:41,209 --> 02:01:38,460

um is what is keeping me going not

2788

02:01:43,189 --> 02:01:41,219

trying to get that one final answer but

2789

02:01:47,570 --> 02:01:43,199

just those kind of little pit stops on

2790

02:01:50,089 --> 02:01:47,580

the way and um ufology for you know for

2791

02:01:53,450 --> 02:01:50,099

it not changing a lot in the past 70

2792

02:01:55,070 --> 02:01:53,460

plus years uh for me personally it has

2793

02:01:57,950 --> 02:01:55,080

changed a lot

2794

02:02:00,830 --> 02:01:57,960

um in terms of my own personal like you

2795

02:02:04,370 --> 02:02:00,840

said um own personal kind of beliefs and

2796

02:02:07,070 --> 02:02:04,380

and and and Social Security numbers yeah

2797

02:02:09,589 --> 02:02:07,080

the person you're happy with that you

2798

02:02:13,070 --> 02:02:09,599

and I are both on the same journey I

2799

02:02:15,830 --> 02:02:13,080

started way after you I went as you know

2800

02:02:18,830 --> 02:02:15,840

more than 60 years I never saw a goddamn

2801
02:02:20,810 --> 02:02:18,840
thing you know you started way earlier

2802
02:02:23,810 --> 02:02:20,820
in your life but you know what we're all

2803
02:02:26,209 --> 02:02:23,820
on the same path and I refuse to give up

2804
02:02:27,550 --> 02:02:26,219
the possibility that if we search long

2805
02:02:30,050 --> 02:02:27,560
and hard enough

2806
02:02:33,709 --> 02:02:30,060
there might be some evidence

2807
02:02:35,810 --> 02:02:33,719
maybe we'll find it but sad to say to

2808
02:02:38,570 --> 02:02:35,820
all of your viewers

2809
02:02:40,430 --> 02:02:38,580
we haven't found it yet

2810
02:02:43,070 --> 02:02:40,440
we're going to keep looking we're going

2811
02:02:45,109 --> 02:02:43,080
to keep well we will you and I will go

2812
02:02:48,649 --> 02:02:45,119
on this journey together

2813
02:02:50,689 --> 02:02:48,659

absolutely absolutely man hey we took

2814

02:02:52,669 --> 02:02:50,699

quite a journey tonight

2815

02:02:54,589 --> 02:02:52,679

um that's all I've got Jazz this has

2816

02:02:57,410 --> 02:02:54,599

been a jam-packed episode of somewhere

2817

02:02:59,089 --> 02:02:57,420

in the live stream I'm so happy that you

2818

02:03:03,649 --> 02:02:59,099

made it and we're able to do this with

2819

02:03:05,750 --> 02:03:03,659

me tonight but um before we go here you

2820

02:03:07,970 --> 02:03:05,760

teased a little bit about what you're

2821

02:03:10,250 --> 02:03:07,980

working on over at the debrief

2822

02:03:12,050 --> 02:03:10,260

um is there anything else you can um

2823

02:03:15,470 --> 02:03:12,060

sort of elaborate on when it comes to

2824

02:03:18,169 --> 02:03:15,480

Pine Gap in this um developing I guess

2825

02:03:19,490 --> 02:03:18,179

investigation you're doing over there oh

2826

02:03:23,270 --> 02:03:19,500

yeah the

2827

02:03:28,430 --> 02:03:23,280

um not a lot we've got a few things

2828

02:03:32,149 --> 02:03:28,440

but Pine Gap is just such a black hole

2829

02:03:36,770 --> 02:03:32,159

and it's controlled entirely by the

2830

02:03:39,350 --> 02:03:36,780

United States uh with the NSA which was

2831

02:03:44,810 --> 02:03:39,360

it was illegal to even talk about the

2832

02:03:46,790 --> 02:03:44,820

NSA until 1989 and it it's man

2833

02:03:50,149 --> 02:03:46,800

I hope I find something if I do you'll

2834

02:03:54,530 --> 02:03:50,159

be one of the first to know but beyond

2835

02:03:56,209 --> 02:03:54,540

some like Australian Reddit threads with

2836

02:03:58,790 --> 02:03:56,219

people talking about things they found

2837

02:04:00,109 --> 02:03:58,800

I've gone through all the newspapers

2838

02:04:02,629 --> 02:04:00,119

um in Australia

2839

02:04:04,729 --> 02:04:02,639

from the period there's rumors there's

2840

02:04:07,729 --> 02:04:04,739

allegations

2841

02:04:09,770 --> 02:04:07,739

wow if if anybody wants to get in on the

2842

02:04:12,490 --> 02:04:09,780

journey with me and Ryan

2843

02:04:16,070 --> 02:04:12,500

go start googling and searching Pine Gap

2844

02:04:18,589 --> 02:04:16,080

because there's something really weird

2845

02:04:21,709 --> 02:04:18,599

happened in there and has been for a

2846

02:04:22,970 --> 02:04:21,719

very long time but the government of the

2847

02:04:24,070 --> 02:04:22,980

United States the government of

2848

02:04:27,109 --> 02:04:24,080

Australia

2849

02:04:29,390 --> 02:04:27,119

they've done a really good job of just

2850

02:04:31,609 --> 02:04:29,400

burying this entirely nobody's even

2851

02:04:34,129 --> 02:04:31,619

allowed to talk about it

2852

02:04:35,510 --> 02:04:34,139

so that's one of the things I'm working

2853

02:04:38,149 --> 02:04:35,520

on we got some other things we can talk

2854

02:04:39,410 --> 02:04:38,159

about in the future but yeah uh just

2855

02:04:42,109 --> 02:04:39,420

throw that out there as a bone for

2856

02:04:43,669 --> 02:04:42,119

everybody if you want to be part of the

2857

02:04:46,970 --> 02:04:43,679

journey that Ryan is on like

2858

02:04:50,870 --> 02:04:46,980

investigating and finding information go

2859

02:04:53,270 --> 02:04:50,880

look into Pine Gap because if you go do

2860

02:04:56,689 --> 02:04:53,280

a hard search you're going to realize

2861

02:04:59,830 --> 02:04:56,699

there's a huge black hole out there and

2862

02:05:03,169 --> 02:04:59,840

there's a lot of weird stuff going on

2863

02:05:05,570 --> 02:05:03,179

absolutely man grant levock our resident

2864

02:05:06,530 --> 02:05:05,580

Australian UFO researcher get on that

2865

02:05:08,390 --> 02:05:06,540

man

2866

02:05:11,510 --> 02:05:08,400

um I know Nick redfern's looked into it

2867

02:05:13,010 --> 02:05:11,520

too Jazz so he might be yeah about it

2868

02:05:15,649 --> 02:05:13,020

okay good

2869

02:05:18,589 --> 02:05:15,659

um yeah I I've looked briefly into it

2870

02:05:20,990 --> 02:05:18,599

and it was frustratingly hard to find

2871

02:05:22,550 --> 02:05:21,000

anything so I I commend you very little

2872

02:05:24,830 --> 02:05:22,560

right yeah

2873

02:05:26,689 --> 02:05:24,840

yeah oh man well I can't wait if and

2874

02:05:29,149 --> 02:05:26,699

when the time comes you could share more

2875

02:05:30,950 --> 02:05:29,159

I can't wait for that but um last but

2876

02:05:33,649 --> 02:05:30,960

not least where can we find everything

2877

02:05:36,410 --> 02:05:33,659

you're up to my man

2878

02:05:38,209 --> 02:05:36,420

um you can go to hotair.com you can go

2879

02:05:40,970 --> 02:05:38,219

to Mysterious Universe or right there

2880

02:05:44,649 --> 02:05:40,980

you can go to the debrief

2881

02:05:47,870 --> 02:05:44,659

um debrief.org uh I write there

2882

02:05:49,910 --> 02:05:47,880

and you can always find me on Twitter at

2883

02:05:52,790 --> 02:05:49,920

Jay Sean I'm generally following Ryan

2884

02:05:55,669 --> 02:05:52,800

and we're talking about ulcer so weird

2885

02:05:58,370 --> 02:05:55,679

crap that most people think is crazy so

2886

02:05:59,810 --> 02:05:58,380

you know jump into the conversation join

2887

02:06:02,750 --> 02:05:59,820

the madness

2888

02:06:06,290 --> 02:06:02,760

join us guys Google gobble one of us one

2889

02:06:08,750 --> 02:06:06,300

of us exactly thank you my friend for

2890

02:06:10,430 --> 02:06:08,760

tonight I'm Gonna Let You Go have the

2891

02:06:12,890 --> 02:06:10,440

rest of your night and I'm gonna debrief

2892

02:06:15,229 --> 02:06:12,900

with the audience here but um thank you

2893

02:06:17,750 --> 02:06:15,239

thank you for your insights tonight and

2894

02:06:20,270 --> 02:06:17,760

uh we will talk to you soon my man

2895

02:06:23,810 --> 02:06:20,280

thank you Ryan always a pleasure awesome

2896

02:06:28,910 --> 02:06:26,330

all right guys there he is Jess Shaw

2897

02:06:31,669 --> 02:06:28,920

joining us on episode nine of somewhere

2898

02:06:33,350 --> 02:06:31,679

in the live stream uh my special thanks

2899

02:06:35,510 --> 02:06:33,360

to him for sticking around for the whole

2900

02:06:36,589 --> 02:06:35,520

episode it was a marathon we covered a

2901

02:06:38,149 --> 02:06:36,599

lot tonight

2902

02:06:40,550 --> 02:06:38,159

um so I want to thank everyone in the

2903

02:06:43,070 --> 02:06:40,560

chat I know you guys are always having a

2904

02:06:45,109 --> 02:06:43,080

really colorful conversation in here and

2905

02:06:46,609 --> 02:06:45,119

I'm probably missing a lot of it so I do

2906

02:06:48,470 --> 02:06:46,619

apologize

2907

02:06:50,510 --> 02:06:48,480

um but again I want to thank all of our

2908

02:06:54,589 --> 02:06:50,520

supporters tonight Jimmy the earthlane

2909

02:06:56,930 --> 02:06:54,599

James Craig uh Nicholas McKenzie and

2910

02:06:59,149 --> 02:06:56,940

paranormal pixie really do appreciate

2911

02:07:00,890 --> 02:06:59,159

the support guys if you can't help the

2912

02:07:04,010 --> 02:07:00,900

show out financially not a problem

2913

02:07:06,890 --> 02:07:04,020

whatsoever never expected please just

2914

02:07:08,810 --> 02:07:06,900

like the video share the video let

2915

02:07:11,629 --> 02:07:08,820

someone in your life know that we do

2916

02:07:13,430 --> 02:07:11,639

this every Sunday talk about UFOs and

2917

02:07:16,850 --> 02:07:13,440

get weird here on somewhere in the live

2918

02:07:18,649 --> 02:07:16,860

stream and speaking of that getting

2919

02:07:19,330 --> 02:07:18,659

weird

2920

02:07:23,689 --> 02:07:19,340

um

2921

02:07:26,810 --> 02:07:23,699

in just a couple hours finally a new

2922

02:07:29,870 --> 02:07:26,820

volume of witnesses witnesses wow

2923

02:07:31,070 --> 02:07:29,880

witness accounts is premiering

2924

02:07:33,050 --> 02:07:31,080

um this is our episode this week of

2925

02:07:35,390 --> 02:07:33,060

somewhere in the skies where you the

2926
02:07:37,910 --> 02:07:35,400
listeners and viewers tell your personal

2927
02:07:40,070 --> 02:07:37,920
UFO stories I've been pushing this

2928
02:07:41,990 --> 02:07:40,080
episode back unfortunately for a little

2929
02:07:44,390 --> 02:07:42,000
while because I've been having such

2930
02:07:45,770 --> 02:07:44,400
awesome interviews that I had to drop

2931
02:07:47,930 --> 02:07:45,780
before that

2932
02:07:50,390 --> 02:07:47,940
um so finally it's here it should be

2933
02:07:53,510 --> 02:07:50,400
dropping in the next hour or so

2934
02:07:55,310 --> 02:07:53,520
um midnight UK time so yeah be on the

2935
02:07:58,250 --> 02:07:55,320
lookout for that we said we've got some

2936
02:08:00,350 --> 02:07:58,260
awesome stories in there and um yeah

2937
02:08:02,870 --> 02:08:00,360
these are some of my favorite episodes

2938
02:08:05,870 --> 02:08:02,880

where you guys take the steering wheel

2939

02:08:08,270 --> 02:08:05,880

and it's your episode

2940

02:08:10,850 --> 02:08:08,280

um so yeah yeah be on the lookout for

2941

02:08:13,189 --> 02:08:10,860

witness accounts premiering in just a

2942

02:08:15,109 --> 02:08:13,199

couple hours do I have anything else to

2943

02:08:18,350 --> 02:08:15,119

tease

2944

02:08:21,169 --> 02:08:18,360

um not really

2945

02:08:23,450 --> 02:08:21,179

um I have a new book coming out in just

2946

02:08:26,810 --> 02:08:23,460

a few months I just got the cover design

2947

02:08:29,750 --> 02:08:26,820

from our um our book cover artist so

2948

02:08:32,089 --> 02:08:29,760

that was really cool I am so freaking

2949

02:08:34,189 --> 02:08:32,099

excited to show you guys

2950

02:08:36,229 --> 02:08:34,199

um the new book coming very soon from

2951
02:08:38,149 --> 02:08:36,239
Beyond The Fray publishing so be on the

2952
02:08:41,030 --> 02:08:38,159
lookout for more news on that coming in

2953
02:08:42,950 --> 02:08:41,040
the near future sorry I'm so blurry

2954
02:08:44,510 --> 02:08:42,960
um my my camera is working overtime

2955
02:08:45,229 --> 02:08:44,520
tonight

2956
02:08:47,510 --> 02:08:45,239
um

2957
02:08:49,490 --> 02:08:47,520
I also look like a ghost

2958
02:08:51,709 --> 02:08:49,500
any of you paranormal investigators

2959
02:08:54,470 --> 02:08:51,719
might want to investigate me

2960
02:08:56,629 --> 02:08:54,480
um let's see here what am I missing just

2961
02:08:59,030 --> 02:08:56,639
looking at the chat

2962
02:09:00,470 --> 02:08:59,040
um yeah so yeah be on the lookout for a

2963
02:09:02,750 --> 02:09:00,480

new book coming soon from somewhere in

2964

02:09:05,089 --> 02:09:02,760

the skies and um I was on last week's

2965

02:09:06,470 --> 02:09:05,099

episode of Ancient Aliens so you can

2966

02:09:08,089 --> 02:09:06,480

check that out on the History Channel

2967

02:09:10,850 --> 02:09:08,099

and

2968

02:09:12,770 --> 02:09:10,860

um so I got guys it was a jam-packed

2969

02:09:15,649 --> 02:09:12,780

episode we went over two hours I think

2970

02:09:18,109 --> 02:09:15,659

that's a first so um I'm gonna say

2971

02:09:22,250 --> 02:09:18,119

goodnight to all of you thank you thank

2972

02:09:23,629 --> 02:09:22,260

you um please like subscribe share and

2973

02:09:25,070 --> 02:09:23,639

uh check out the new episode of

2974

02:09:27,589 --> 02:09:25,080

somewhere in the sky is premiering very

2975

02:09:28,970 --> 02:09:27,599

soon the video version of the somewhere

2976

02:09:31,490 --> 02:09:28,980

in the skies podcast episode will

2977

02:09:34,490 --> 02:09:31,500

Premiere tomorrow night Monday night so

2978

02:09:37,010 --> 02:09:34,500

be on the lookout for that as well and

2979

02:09:39,229 --> 02:09:37,020

other than that

2980

02:09:41,330 --> 02:09:39,239

um let's see here just gonna check out

2981

02:09:43,370 --> 02:09:41,340

the chat one more time Nicholas Ryan

2982

02:09:45,950 --> 02:09:43,380

Sprague when will those UFO tarot cards

2983

02:09:47,750 --> 02:09:45,960

be available to everyone uh you're

2984

02:09:51,350 --> 02:09:47,760

speaking of red pill junkie Our Guest

2985

02:09:52,729 --> 02:09:51,360

who is creating a UFO Tarot deck uh good

2986

02:09:54,530 --> 02:09:52,739

question I don't think there's a

2987

02:09:56,270 --> 02:09:54,540

definitive answer yet Nicholas on that

2988

02:09:58,609 --> 02:09:56,280

so hopefully we'll find out more

2989

02:10:00,229 --> 02:09:58,619

information soon I know Kickstarter

2990

02:10:01,910 --> 02:10:00,239

supporters who supported the project are

2991

02:10:03,290 --> 02:10:01,920

going to be the first to get those

2992

02:10:04,609 --> 02:10:03,300

before they like kind of go on the

2993

02:10:05,689 --> 02:10:04,619

market or whatnot

2994

02:10:07,790 --> 02:10:05,699

um but yeah

2995

02:10:09,229 --> 02:10:07,800

um just uh check out red pill junkie on

2996

02:10:11,510 --> 02:10:09,239

Twitter um you can follow them over

2997

02:10:15,050 --> 02:10:11,520

there and I'm sure he'll update people

2998

02:10:16,490 --> 02:10:15,060

as time goes on Douglas Sprague hello

2999

02:10:17,870 --> 02:10:16,500

hello

3000

02:10:20,149 --> 02:10:17,880

um I I didn't get to say hi to you

3001
02:10:21,850 --> 02:10:20,159
earlier hello to you sue Sprague Christy

3002
02:10:24,649 --> 02:10:21,860
Sprague the whole Sprague family

3003
02:10:27,709 --> 02:10:24,659
watching here live every Sunday truly do

3004
02:10:30,229 --> 02:10:27,719
appreciate it guys love my family love

3005
02:10:31,790 --> 02:10:30,239
them they support my weird ass

3006
02:10:34,609 --> 02:10:31,800
it's great

3007
02:10:37,310 --> 02:10:34,619
Dylan says good night good night reptile

3008
02:10:39,169 --> 02:10:37,320
be well good night good night guys such

3009
02:10:40,910 --> 02:10:39,179
a pleasure such an honor as always to be

3010
02:10:43,070 --> 02:10:40,920
here with you Sunday nights at summer in

3011
02:10:44,930 --> 02:10:43,080
the live stream and as always keep your

3012
02:10:47,149 --> 02:10:44,940
feet on the ground but never stop

3013
02:10:47,440 --> 02:10:47,159

searching somewhere in this guys take

3014

02:11:03,770 --> 02:10:47,450

care

3015

02:11:10,550 --> 02:11:03,780

[Music]
