

# 10 UFO CASES

YOU MAY NEVER

HAVE HEARD OF

1  
00:00:00,000 --> 00:00:02,389

[Music]

2  
00:00:32,269 --> 00:00:03,970

foreign

3  
00:00:36,709 --> 00:00:32,279

[Music]

4  
00:00:38,950 --> 00:00:36,719

it was the morning of May 3rd 1975. Upon

5  
00:00:42,470 --> 00:00:38,960

returning from a routine flight from

6  
00:00:44,810 --> 00:00:42,480

ziwatanejo to Mexico City 23 year old

7  
00:00:48,170 --> 00:00:44,820

pilot Carlos De Santos prepared his

8  
00:00:50,750 --> 00:00:48,180

Piper pa-2-4 plane and it was soon in

9  
00:00:53,209 --> 00:00:50,760

the skies heading for the Benito Juarez

10  
00:00:56,389 --> 00:00:53,219

International Airport it was over the

11  
00:00:58,790 --> 00:00:56,399

VHF omnidirectional radio range when

12  
00:01:01,189 --> 00:00:58,800

Carlos noticed something odd in the

13  
00:01:04,310 --> 00:01:01,199

distance as he approached the Oddity on

14

00:01:07,609 --> 00:01:04,320

his left it soon came into view there in

15

00:01:10,010 --> 00:01:07,619

the skies was a craft gray in color and

16

00:01:12,289 --> 00:01:10,020

saucer shaped it was much smaller than

17

00:01:14,870 --> 00:01:12,299

his plane as it began to follow his left

18

00:01:17,450 --> 00:01:14,880

wing it had what appeared to be a

19

00:01:20,270 --> 00:01:17,460

cockpit of some sort on the top with a

20

00:01:22,730 --> 00:01:20,280

blackened out window as Carlos stared in

21

00:01:24,950 --> 00:01:22,740

awe at the craft he had a strange

22

00:01:27,230 --> 00:01:24,960

feeling that he was being watched from

23

00:01:29,630 --> 00:01:27,240

the other side of his plane he turned to

24

00:01:33,109 --> 00:01:29,640

look and on his right wing was yet

25

00:01:35,450 --> 00:01:33,119

another identical craft Carlos now felt

26  
00:01:37,910 --> 00:01:35,460  
uneasy but before he could even process

27  
00:01:40,370 --> 00:01:37,920  
what was happening a third craft

28  
00:01:43,310 --> 00:01:40,380  
appeared directly in front of his plane

29  
00:01:45,710 --> 00:01:43,320  
descending beneath the front reacting on

30  
00:01:47,990 --> 00:01:45,720  
impulse Carlos dipped the nose of the

31  
00:01:51,649 --> 00:01:48,000  
plane to observe where this craft had

32  
00:01:53,749 --> 00:01:51,659  
gone to his surprise and dismay the

33  
00:01:56,569 --> 00:01:53,759  
craft was a little too close for comfort

34  
00:01:59,270 --> 00:01:56,579  
hitting and scraping the fuselage

35  
00:02:01,190 --> 00:01:59,280  
damaging the landing gear of the plane

36  
00:02:03,710 --> 00:02:01,200  
it was at this point that Carlos no

37  
00:02:05,929 --> 00:02:03,720  
longer felt in control of his Piper

38  
00:02:08,210 --> 00:02:05,939

plane no matter what he did to try to

39

00:02:10,669 --> 00:02:08,220

get a handle of the plane nothing was

40

00:02:13,369 --> 00:02:10,679

working surrounded by the three unknown

41

00:02:16,610 --> 00:02:13,379

objects he was sure that they were

42

00:02:19,010 --> 00:02:16,620

moving in to attack surprisingly however

43

00:02:21,290 --> 00:02:19,020

Carlos felt as though they were guiding

44

00:02:23,089 --> 00:02:21,300

him he still felt threatened and

45

00:02:25,250 --> 00:02:23,099

attempted to bump the object to his

46

00:02:27,710 --> 00:02:25,260

right hoping this would somehow stop

47

00:02:30,110 --> 00:02:27,720

their control over his plane but it

48

00:02:32,930 --> 00:02:30,120

didn't they were still in complete

49

00:02:35,449 --> 00:02:32,940

control and now forcing the pipe plane

50

00:02:37,550 --> 00:02:35,459

to ascend to dangerous altitudes

51

00:02:39,830 --> 00:02:37,560

helpless and Afraid of the rapid

52

00:02:42,589 --> 00:02:39,840

increase in cabin pressure literally

53

00:02:45,290 --> 00:02:42,599

killing him Carlos did the only thing he

54

00:02:48,050 --> 00:02:45,300

could do he radioed for help connecting

55

00:02:51,229 --> 00:02:48,060

with a control tower in Mexico City he

56

00:02:53,690 --> 00:02:51,239

sent a distress call yelling Mayday as

57

00:02:58,290 --> 00:02:53,700

loud and as frequent as he possibly

58

00:02:58,300 --> 00:03:09,229

[Music]

59

00:03:13,430 --> 00:03:11,270

he went on to describe what was

60

00:03:16,309 --> 00:03:13,440

happening stating that quote I have

61

00:03:18,649 --> 00:03:16,319

three unidentified visual objects flying

62

00:03:21,530 --> 00:03:18,659

around me end quote he then went on to

63

00:03:23,809 --> 00:03:21,540

explain that quote I'm apparently Flying

64

00:03:27,050 --> 00:03:23,819

Without control the plane is without

65

00:03:29,750 --> 00:03:27,060

control I'm not controlling the plane

66

00:03:32,570 --> 00:03:29,760

end quote the control tower instructed

67

00:03:35,390 --> 00:03:32,580

him to decelerate and descend but Carlos

68

00:03:37,970 --> 00:03:35,400

explained that he couldn't he believed

69

00:03:40,369 --> 00:03:37,980

this was the end but just as he lost all

70

00:03:43,190 --> 00:03:40,379

hope the objects seemed to distance

71

00:03:47,089 --> 00:03:43,200

themselves and begin to head toward the

72

00:03:49,970 --> 00:03:47,099

nearby Mount popo katipeto volcano at

73

00:03:52,190 --> 00:03:49,980

unbelievable speeds the object soon

74

00:03:54,770 --> 00:03:52,200

disappeared out of sight and Carlos

75

00:03:56,690 --> 00:03:54,780

regained control of his aircraft he

76

00:03:59,390 --> 00:03:56,700

notified the control tower of such but

77

00:04:02,089 --> 00:03:59,400

the issue remained that his landing gear

78

00:04:05,030 --> 00:04:02,099

was damaged beyond control the airport

79

00:04:07,850 --> 00:04:05,040

issued an emergency landing clearing the

80

00:04:10,850 --> 00:04:07,860

area of all flights forced to circle the

81

00:04:12,949 --> 00:04:10,860

airport almost a dozen times Carlos

82

00:04:15,110 --> 00:04:12,959

desperately searched for something to

83

00:04:17,569 --> 00:04:15,120

fix the landing gear he was able to find

84

00:04:20,930 --> 00:04:17,579

a screwdriver and in a makeshift process

85

00:04:23,510 --> 00:04:20,940

was successful in extending the gear and

86

00:04:25,730 --> 00:04:23,520

safely Landing the plane Carlos was

87

00:04:28,430 --> 00:04:25,740

treated at a local clinic and no

88

00:04:30,530 --> 00:04:28,440

substances were found in his system he

89

00:04:32,749 --> 00:04:30,540

was given a clear bill of health and

90

00:04:35,930 --> 00:04:32,759

permission to continue flying thereafter

91

00:04:38,450 --> 00:04:35,940

any doubt that the event occurred were

92

00:04:40,490 --> 00:04:38,460

squashed when the radar operators at the

93

00:04:43,070 --> 00:04:40,500

control tower that day testified that

94

00:04:45,110 --> 00:04:43,080

they did indeed view the objects in real

95

00:04:47,450 --> 00:04:45,120

time as they were making the Maneuvers

96

00:04:50,390 --> 00:04:47,460

that Carlos had been reporting according

97

00:04:52,550 --> 00:04:50,400

to UFO researcher Miguel Romero an

98

00:04:55,129 --> 00:04:52,560

affidavit was recorded in official

99

00:04:57,350 --> 00:04:55,139

minutes of the general directorate of

100

00:04:59,150 --> 00:04:57,360

civil Aeronautics by the officer of

101

00:05:01,610 --> 00:04:59,160

aeronautical Authority for the

102

00:05:03,950 --> 00:05:01,620

International Airport of Mexico City the

103

00:05:05,749 --> 00:05:03,960

case-caught international attention and

104

00:05:07,850 --> 00:05:05,759

soon news outlets wanted to speak to

105

00:05:10,249 --> 00:05:07,860

Carlos about what had happened the case

106

00:05:12,950 --> 00:05:10,259

was also investigated by Project Blue

107

00:05:15,110 --> 00:05:12,960

Book under the guidance of Dr J Allen

108

00:05:17,870 --> 00:05:15,120

heineck the government hired astronomer

109

00:05:20,390 --> 00:05:17,880

who officially looked at UFO cases on

110

00:05:22,850 --> 00:05:20,400

several occasions Carlos was visited by

111

00:05:25,189 --> 00:05:22,860

what can only be described as Men In

112

00:05:27,230 --> 00:05:25,199

Black he was told not to speak of what

113

00:05:29,689 --> 00:05:27,240

had happened or he and his family could

114

00:05:31,610 --> 00:05:29,699

suffer consequences but he was adamant

115

00:05:34,790 --> 00:05:31,620

about getting his story out to the

116

00:05:37,310 --> 00:05:34,800

public and even until this day continues

117

00:05:39,469 --> 00:05:37,320

to speak out about it Carlos went on to

118

00:05:42,170 --> 00:05:39,479

continue flying having a healthy and

119

00:05:44,770 --> 00:05:42,180

safe career thereafter but presumably

120

00:05:47,570 --> 00:05:44,780

that almost fateful day in 1975

121

00:05:49,730 --> 00:05:47,580

completely changed his outlook on what

122

00:05:52,790 --> 00:05:49,740

lay Somewhere In The Sky Is Over Mexico

123

00:05:55,490 --> 00:05:52,800

and just exactly how much control the

124

00:05:57,550 --> 00:05:55,500

trio of saucer-shaped craft seemed to

125

00:05:59,210 --> 00:05:57,560

have over his Piper plane

126  
00:06:01,670 --> 00:05:59,220

[Music]

127  
00:06:08,350 --> 00:06:01,680

foreign

128  
00:06:10,850 --> 00:06:08,360

[Music]

129  
00:06:13,850 --> 00:06:10,860  
UFO research there have been many

130  
00:06:16,909 --> 00:06:13,860  
reports of crashed flying saucers and

131  
00:06:19,550 --> 00:06:16,919  
dead alien bodies being shipped off to

132  
00:06:22,129 --> 00:06:19,560  
destinations unknown and while many of

133  
00:06:24,469 --> 00:06:22,139  
these reports come from dubious and less

134  
00:06:27,350 --> 00:06:24,479  
than credible witnesses there are those

135  
00:06:30,350 --> 00:06:27,360  
rare occasions when the story rests on

136  
00:06:33,290 --> 00:06:30,360  
the shoulders of extremely prominent and

137  
00:06:36,710 --> 00:06:33,300  
highly credible individuals such was the

138  
00:06:39,170 --> 00:06:36,720

case for Clark B McClelland former

139

00:06:41,809 --> 00:06:39,180

spacecraft operator of the NASA space

140

00:06:44,689 --> 00:06:41,819

shuttle Fleet McClelland came forward to

141

00:06:47,990 --> 00:06:44,699

tell a fantastic story he heard from the

142

00:06:50,390 --> 00:06:48,000

late Lieutenant Colonel Ellison onazuka

143

00:06:53,450 --> 00:06:50,400

former Discovery astronaut who

144

00:06:56,390 --> 00:06:53,460

tragically died in the 1986 Challenger

145

00:06:59,090 --> 00:06:56,400

Space Shuttle explosion during a routine

146

00:07:00,529 --> 00:06:59,100

prep Mission the two had connected and

147

00:07:02,629 --> 00:07:00,539

exchanged several conversations

148

00:07:04,909 --> 00:07:02,639

throughout their working relationship

149

00:07:07,670 --> 00:07:04,919

many astronauts had been aware that

150

00:07:10,189 --> 00:07:07,680

McClelland had an interest in UF foes

151  
00:07:13,129 --> 00:07:10,199  
having spoken on many occasions with

152  
00:07:14,450 --> 00:07:13,139  
major Donald Kehoe and Dick Hall two

153  
00:07:16,610 --> 00:07:14,460  
former members of the national

154  
00:07:18,830 --> 00:07:16,620  
investigations committee on aerial

155  
00:07:21,350 --> 00:07:18,840  
phenomena during one of mccllellan's

156  
00:07:23,930 --> 00:07:21,360  
correspondence with onizuka he was quite

157  
00:07:26,210 --> 00:07:23,940  
surprised when onizuka asked him about

158  
00:07:28,189 --> 00:07:26,220  
his opinions on the possibility of an

159  
00:07:31,010 --> 00:07:28,199  
extraterrestrial intelligence having

160  
00:07:33,770 --> 00:07:31,020  
visited the planet McClellan once stated

161  
00:07:36,589 --> 00:07:33,780  
that he told onizuka that he believed

162  
00:07:38,689 --> 00:07:36,599  
that life does exist Among the Stars and

163  
00:07:41,390 --> 00:07:38,699

that it has visited Earth throughout

164

00:07:44,270 --> 00:07:41,400

human history at this point onizuka

165

00:07:46,370 --> 00:07:44,280

smile and then pressed on he asked

166

00:07:48,589 --> 00:07:46,380

McClelland if his name had any type of

167

00:07:51,050 --> 00:07:48,599

connection to McClelland Air Force Base

168

00:07:52,969 --> 00:07:51,060

in California when he admitted that he

169

00:07:56,150 --> 00:07:52,979

wasn't aware of any connection he asked

170

00:07:58,670 --> 00:07:56,160

onazuka why he was so curious mclelland

171

00:08:00,890 --> 00:07:58,680

recalled the following about onazuka's

172

00:08:03,110 --> 00:08:00,900

response quote he had a surprising

173

00:08:06,110 --> 00:08:03,120

experience along with other USAF

174

00:08:08,749 --> 00:08:06,120

Aerospace flight engineers and Pilots

175

00:08:11,210 --> 00:08:08,759

while on military training Duty and

176  
00:08:13,189 --> 00:08:11,220  
McClellan Air Force Base about eight or

177  
00:08:15,290 --> 00:08:13,199  
nine years prior to his Astronaut

178  
00:08:17,150 --> 00:08:15,300  
training he and his group were at the

179  
00:08:19,309 --> 00:08:17,160  
base for specialized training when they

180  
00:08:21,589 --> 00:08:19,319  
were directed to report to a viewing

181  
00:08:24,650 --> 00:08:21,599  
room as they were seated the room

182  
00:08:27,589 --> 00:08:24,660  
darkened and a movie began without the

183  
00:08:31,010 --> 00:08:27,599  
usual official introduction by a USAF

184  
00:08:33,290 --> 00:08:31,020  
officer end quote at this point onizuka

185  
00:08:35,089 --> 00:08:33,300  
remembered being startled when the film

186  
00:08:37,909 --> 00:08:35,099  
began to show what appeared to be some

187  
00:08:40,190 --> 00:08:37,919  
sort of medical examination room with

188  
00:08:43,070 --> 00:08:40,200

small bodies laying on some sort of

189

00:08:45,590 --> 00:08:43,080

table the bodies according to onazuka

190

00:08:48,170 --> 00:08:45,600

were quote small strange looking

191

00:08:50,090 --> 00:08:48,180

creatures they were humanoid and

192

00:08:52,070 --> 00:08:50,100

appeared similar to those described by

193

00:08:56,090 --> 00:08:52,080

alleged Witnesses at the well-known

194

00:09:00,230 --> 00:08:56,100

Roswell site in 1947. they all had large

195

00:09:03,110 --> 00:09:00,240

heads large eyes slight torsos arms and

196

00:09:06,350 --> 00:09:03,120

legs they did not appear to be of

197

00:09:09,350 --> 00:09:06,360

Earthly origin but why were onizuka and

198

00:09:11,329 --> 00:09:09,360

other show own this film to what purpose

199

00:09:13,750 --> 00:09:11,339

was it to Usher them in sit them down

200

00:09:16,070 --> 00:09:13,760

and not explain what they were saying

201  
00:09:18,530 --> 00:09:16,080  
onazuka explained his theories on this

202  
00:09:21,170 --> 00:09:18,540  
to McClelland stating that quote we were

203  
00:09:23,269 --> 00:09:21,180  
all caught off guard perhaps it was a

204  
00:09:26,389 --> 00:09:23,279  
test of our psyche to determine our

205  
00:09:29,509 --> 00:09:26,399  
overall reaction well we were all caught

206  
00:09:30,949 --> 00:09:29,519  
by surprise end quote this certainly

207  
00:09:33,470 --> 00:09:30,959  
would have been enough reason to

208  
00:09:35,750 --> 00:09:33,480  
question what it was they were seeing so

209  
00:09:38,210 --> 00:09:35,760  
had they been given the opportunity to

210  
00:09:40,490 --> 00:09:38,220  
inquire onizuka went on to explain that

211  
00:09:42,590 --> 00:09:40,500  
they were not even given a moment to

212  
00:09:44,570 --> 00:09:42,600  
question their superiors he would go on

213  
00:09:46,790 --> 00:09:44,580

to say that quote we were then asked to

214

00:09:49,370 --> 00:09:46,800

exit the room and continued our

215

00:09:52,850 --> 00:09:49,380

scheduled technical activities as if

216

00:09:55,850 --> 00:09:52,860

nothing special had occurred end quote

217

00:09:59,150 --> 00:09:55,860

so they said clearly been a cryptic and

218

00:10:02,090 --> 00:09:59,160

bizarre experience prompted by onazuka

219

00:10:03,290 --> 00:10:02,100

superiors and various agencies so while

220

00:10:06,110 --> 00:10:03,300

it may have been a test on the

221

00:10:08,449 --> 00:10:06,120

collective and individual psyche of the

222

00:10:11,690 --> 00:10:08,459

viewers at the time what was the overall

223

00:10:13,850 --> 00:10:11,700

intent in the opinion of onazuka he

224

00:10:16,550 --> 00:10:13,860

postulated the following to McClelland

225

00:10:19,449 --> 00:10:16,560

quote perhaps it was a planned USAF

226

00:10:22,550 --> 00:10:19,459

psychological test for military reasons

227

00:10:26,030 --> 00:10:22,560

NASA may have been evaluating it in my

228

00:10:28,250 --> 00:10:26,040

selection as an astronaut in 1978 you

229

00:10:31,610 --> 00:10:28,260

know what would my reaction be if I

230

00:10:33,769 --> 00:10:31,620

actually saw an alien being end quote it

231

00:10:35,690 --> 00:10:33,779

was at this point that McClellan claims

232

00:10:38,269 --> 00:10:35,700

that the two went their separate ways

233

00:10:40,790 --> 00:10:38,279

but not before agreeing to meet again to

234

00:10:43,250 --> 00:10:40,800

discuss the extraordinary story in more

235

00:10:45,290 --> 00:10:43,260

detail McClelland wished onizuka the

236

00:10:47,810 --> 00:10:45,300

best of luck in his upcoming Challenger

237

00:10:50,269 --> 00:10:47,820

space flight Mission unbeknownst to both

238

00:10:52,310 --> 00:10:50,279

men that day it would be the last time

239

00:10:56,630 --> 00:10:52,320

they ever spoke

240

00:10:58,730 --> 00:10:56,640

on January 8 1986 onizuka and the other

241

00:11:01,790 --> 00:10:58,740

members of the Challenger crew lost

242

00:11:03,290 --> 00:11:01,800

their lives in the tragic accident that

243

00:11:05,810 --> 00:11:03,300

shook the nation

244

00:11:08,210 --> 00:11:05,820

McClelland was at Kennedy Space Center

245

00:11:10,910 --> 00:11:08,220

that day when the Challenger exploded

246

00:11:13,490 --> 00:11:10,920

and fell into the Atlantic Ocean

247

00:11:16,250 --> 00:11:13,500

with it the incredible accomplishments

248

00:11:19,430 --> 00:11:16,260

of the crew lived on in the memories of

249

00:11:21,350 --> 00:11:19,440

many and for onazuka in particular he

250

00:11:23,569 --> 00:11:21,360

was remembered by most for being the

251

00:11:27,110 --> 00:11:23,579

first Asian American the first Japanese

252

00:11:29,810 --> 00:11:27,120

American and the First Hawaiian in space

253

00:11:32,810 --> 00:11:29,820

as an astronaut on the Space Shuttle

254

00:11:36,769 --> 00:11:32,820

Discovery but for McClelland his memory

255

00:11:39,650 --> 00:11:36,779

of onazuka included The Amazing Story of

256

00:11:42,410 --> 00:11:39,660

possible alien beings and the strange

257

00:11:45,290 --> 00:11:42,420

film he'd witnessed ushering in yet

258

00:11:52,970 --> 00:11:45,300

another controversial Tale in the annals

259

00:11:52,980 --> 00:11:57,710

foreign

260

00:12:03,310 --> 00:12:00,829

Army Reserve uh-1 helicopter cut through

261

00:12:07,069 --> 00:12:03,320

the night sky on October 18

262

00:12:09,710 --> 00:12:07,079

1973. the four-man crew Captain Lawrence

263

00:12:12,710 --> 00:12:09,720

Coyne Lieutenant Arrigo Jesse Sergeant

264

00:12:14,449 --> 00:12:12,720

John Healy and Robert yanasek had

265

00:12:16,610 --> 00:12:14,459

traveled from Cleveland to Columbus

266

00:12:19,190 --> 00:12:16,620

earlier that evening for a regular

267

00:12:21,350 --> 00:12:19,200

standard medical examination

268

00:12:24,110 --> 00:12:21,360

following that they would board their

269

00:12:26,509 --> 00:12:24,120

vehicle at 10 30 pm and leave for their

270

00:12:28,490 --> 00:12:26,519

return Journey back to Cleveland

271

00:12:32,269 --> 00:12:28,500

it was while they were over Mansfield

272

00:12:35,150 --> 00:12:32,279

that the Knight took a strange turn

273

00:12:37,310 --> 00:12:35,160

they were flying at 2500 feet the

274

00:12:39,829 --> 00:12:37,320

mixture of woods Hills and farmland

275

00:12:42,110 --> 00:12:39,839

below them it was Healy who first

276

00:12:42,889 --> 00:12:42,120

spotted the strange red light to their

277

00:12:44,990 --> 00:12:42,899

left

278

00:12:46,850 --> 00:12:45,000

it was at some distance but it looked

279

00:12:48,949 --> 00:12:46,860

too bright to be a standard aircraft

280

00:12:52,009 --> 00:12:48,959

light he would keep the sighting to

281

00:12:54,350 --> 00:12:52,019

himself but keep his eye on it several

282

00:12:57,230 --> 00:12:54,360

moments later janicek noticed the red

283

00:13:00,350 --> 00:12:57,240

light also when it began to close in on

284

00:13:02,389 --> 00:13:00,360

their craft he informed Captain Cohen

285

00:13:05,090 --> 00:13:02,399

believing themselves to be on a

286

00:13:07,730 --> 00:13:05,100

collision course with this object coin

287

00:13:09,889 --> 00:13:07,740

thrust the helicopter down descending

288

00:13:12,110 --> 00:13:09,899

around 500 feet

289

00:13:14,329 --> 00:13:12,120  
as he did so he would request

290

00:13:15,530 --> 00:13:14,339  
information from the control tower in

291

00:13:17,210 --> 00:13:15,540  
Mansfield

292

00:13:19,009 --> 00:13:17,220  
a few seconds after initial radio

293

00:13:21,710 --> 00:13:19,019  
contact with the tower their

294

00:13:24,410 --> 00:13:21,720  
Communications began to be interrupted

295

00:13:26,090 --> 00:13:24,420  
the red object was still heading in

296

00:13:28,490 --> 00:13:26,100  
their Direction I looked out the window

297

00:13:30,949 --> 00:13:28,500  
and observed this light moving at a very

298

00:13:33,050 --> 00:13:30,959  
excessive speed in excess of 600 knots

299

00:13:35,569 --> 00:13:33,060  
coming at the helicopter it looked like

300

00:13:38,569 --> 00:13:35,579  
a locked on Missile the men prepared for

301  
00:13:41,870 --> 00:13:38,579  
impact just as the object was about to

302  
00:13:44,629 --> 00:13:41,880  
crash into the helicopter it came to a

303  
00:13:46,490 --> 00:13:44,639  
complete stop directly in front and

304  
00:13:48,170 --> 00:13:46,500  
slightly above them the thing that makes

305  
00:13:49,850 --> 00:13:48,180  
this particular evening a unique

306  
00:13:52,310 --> 00:13:49,860  
experience was that it was almost

307  
00:13:55,069 --> 00:13:52,320  
emitter collision with an object that we

308  
00:13:57,110 --> 00:13:55,079  
or you know as a UFO we did not know

309  
00:13:58,790 --> 00:13:57,120  
where such and told it was on top the

310  
00:14:01,610 --> 00:13:58,800  
helicopter and that took just a matter

311  
00:14:04,250 --> 00:14:01,620  
of minutes the metallic cigar-shaped

312  
00:14:06,590 --> 00:14:04,260  
object hung in the air filling the

313  
00:14:08,389 --> 00:14:06,600

entire windshield the crew would

314

00:14:11,150 --> 00:14:08,399

estimate the object to be around 60 feet

315

00:14:14,230 --> 00:14:11,160

in length and around 20 feet high all

316

00:14:16,449 --> 00:14:14,240

four men looked down in awe of this huge

317

00:14:19,370 --> 00:14:16,459

otherworldly crap

318

00:14:21,949 --> 00:14:19,380

suddenly a green light swung from

319

00:14:25,310 --> 00:14:21,959

underneath and hit the windshield of the

320

00:14:27,590 --> 00:14:25,320

helicopter according to coin the whole

321

00:14:29,569 --> 00:14:27,600

cabin turned green as the light

322

00:14:32,569 --> 00:14:29,579

illuminated everything in a bright green

323

00:14:35,030 --> 00:14:32,579

wash after a few seconds the light went

324

00:14:37,250 --> 00:14:35,040

out and the object moved up and to the

325

00:14:39,350 --> 00:14:37,260

West at great speed

326

00:14:41,090 --> 00:14:39,360

coin who had the helicopter's height

327

00:14:44,329 --> 00:14:41,100

locked throughout the incident at about

328

00:14:47,930 --> 00:14:44,339

1700 feet realized they were Suddenly at

329

00:14:50,930 --> 00:14:47,940

a height of 3 500 feet they had climbed

330

00:14:53,350 --> 00:14:50,940

almost 2 000 feet in a matter of seconds

331

00:14:56,509 --> 00:14:53,360

and never even knew it

332

00:14:59,629 --> 00:14:56,519

suddenly a bump nudged the helicopter

333

00:15:03,230 --> 00:14:59,639

and instinctively coin climbed slightly

334

00:15:05,870 --> 00:15:03,240

the vehicle now back in his control the

335

00:15:07,550 --> 00:15:05,880

crew still shaken continued on to

336

00:15:10,009 --> 00:15:07,560

Cleveland where they would make an

337

00:15:12,710 --> 00:15:10,019

official report of the incident

338

00:15:15,530 --> 00:15:12,720

however unlike many encounters involving

339

00:15:18,290 --> 00:15:15,540

aircraft Pilots military or commercial

340

00:15:20,449 --> 00:15:18,300

coin would give his report to the media

341

00:15:24,350 --> 00:15:20,459

upon Landing the object that I viewed

342

00:15:29,689 --> 00:15:27,470

degree of Technology was composed of a

343

00:15:32,090 --> 00:15:29,699

structure and a design that we do not

344

00:15:33,650 --> 00:15:32,100

have the object can move through the

345

00:15:36,769 --> 00:15:33,660

atmosphere without causing any

346

00:15:39,769 --> 00:15:36,779

turbulence it can move at high speeds

347

00:15:41,629 --> 00:15:39,779

below 10 000 feet there are no vertical

348

00:15:43,550 --> 00:15:41,639

or horizontal stabilizers you know

349

00:15:47,210 --> 00:15:43,560

landing gear no source of propulsion

350

00:15:49,790 --> 00:15:47,220

reflected on the craft looks like it it

351

00:15:52,370 --> 00:15:49,800

could go to fly in space a local

352

00:15:54,949 --> 00:15:52,380

Cleveland reporter ran the story the

353

00:15:57,350 --> 00:15:54,959

following day shortly after coin

354

00:15:59,210 --> 00:15:57,360

appeared on the Dick Cavett Show and

355

00:16:02,210 --> 00:15:59,220

told of the encounter to a national

356

00:16:04,970 --> 00:16:02,220

audience it's because of his actions

357

00:16:08,389 --> 00:16:04,980

that the account is largely seen as

358

00:16:10,730 --> 00:16:08,399

credible it also give the military no

359

00:16:13,090 --> 00:16:10,740

chance to cover up or ridicule the

360

00:16:16,189 --> 00:16:13,100

incident and even if they had tried

361

00:16:19,069 --> 00:16:16,199

several people below also witnessed the

362

00:16:20,750 --> 00:16:19,079

bizarre events unfold

363

00:16:22,790 --> 00:16:20,760

there were several witnesses on the

364

00:16:25,610 --> 00:16:22,800

ground who would corroborate the Pilot's

365

00:16:27,829 --> 00:16:25,620

accounts one of them was Jim Carver and

366

00:16:30,710 --> 00:16:27,839

his family who were driving to the rural

367

00:16:32,810 --> 00:16:30,720

home just outside of Mansfield along

368

00:16:35,569 --> 00:16:32,820

with Jim were his three siblings and his

369

00:16:38,150 --> 00:16:35,579

mother Emma it was shortly after 11 pm

370

00:16:40,249 --> 00:16:38,160

when they noticed a strange red light in

371

00:16:43,490 --> 00:16:40,259

the sky above them it appeared to be

372

00:16:46,730 --> 00:16:43,500

getting closer Emma turned the car onto

373

00:16:48,769 --> 00:16:46,740

Route 430 as she did so both she and her

374

00:16:52,490 --> 00:16:48,779

four children could now see two lights

375

00:16:54,110 --> 00:16:52,500

above one was read the other green as

376

00:16:55,490 --> 00:16:54,120

each of them watched the lights in

377

00:16:57,710 --> 00:16:55,500

fascination

378

00:17:00,410 --> 00:16:57,720

they noticed the sound of an approaching

379

00:17:02,210 --> 00:17:00,420

helicopter Emma pulled the car to the

380

00:17:04,189 --> 00:17:02,220

side of the road and she and her

381

00:17:05,090 --> 00:17:04,199

children stepped out to watch the events

382

00:17:07,490 --> 00:17:05,100

above

383

00:17:09,850 --> 00:17:07,500

they could see the huge cigar-shaped

384

00:17:12,289 --> 00:17:09,860

object hovering over the helicopter

385

00:17:14,630 --> 00:17:12,299

suddenly they witnessed the bright green

386

00:17:17,210 --> 00:17:14,640

light shoot from the underside and

387

00:17:19,850 --> 00:17:17,220

bathed not only the entire cockpit in

388

00:17:20,809 --> 00:17:19,860

fluorescent green but everything in

389

00:17:23,449 --> 00:17:20,819

sight

390

00:17:26,150 --> 00:17:23,459

as the crew reported after a few seconds

391

00:17:28,490 --> 00:17:26,160

the light went out and the object moved

392

00:17:32,090 --> 00:17:28,500

away casting a brief flash of bright

393

00:17:34,430 --> 00:17:32,100

white light as it did incidentally there

394

00:17:39,110 --> 00:17:34,440

was a spike in UFO sightings throughout

395

00:17:42,710 --> 00:17:39,120

the US in October of 1973. in 1988

396

00:17:46,430 --> 00:17:42,720

almost 15 years later a new witness came

397

00:17:48,789 --> 00:17:46,440

forward with more information Gian Elias

398

00:17:51,529 --> 00:17:48,799

from the southeast Mansfield area

399

00:17:54,289 --> 00:17:51,539

recalled laying in bed watching the 11

400

00:17:56,870 --> 00:17:54,299

pm news when the sound of an extremely

401

00:17:59,330 --> 00:17:56,880

low-flying helicopter made her stop

402

00:18:01,669 --> 00:17:59,340

watching the TV she was used to

403

00:18:03,470 --> 00:18:01,679

low-flying aircraft as their house was

404

00:18:06,710 --> 00:18:03,480

only six miles from the Mansfield

405

00:18:09,470 --> 00:18:06,720

Airport runway however this aircraft

406

00:18:13,490 --> 00:18:09,480

sounded lower than normal and she feared

407

00:18:15,590 --> 00:18:13,500

an imminent crash as she panicked she

408

00:18:18,110 --> 00:18:15,600

hit her head under the pillow on her bed

409

00:18:20,529 --> 00:18:18,120

she could hear her teenage son John

410

00:18:23,450 --> 00:18:20,539

calling to her from his room next door

411

00:18:25,549 --> 00:18:23,460

the loud rumbling sound had awoken him

412

00:18:27,650 --> 00:18:25,559

and a bright green light filled his

413

00:18:29,930 --> 00:18:27,660

entire room from outside

414

00:18:33,590 --> 00:18:29,940

following an appeal in the Mansfield

415

00:18:36,049 --> 00:18:33,600

News Journal in 2015 for witnesses to

416

00:18:38,870 --> 00:18:36,059

the Mansfield incident many people did

417

00:18:41,210 --> 00:18:38,880

come forward with new information one

418

00:18:43,669 --> 00:18:41,220

was Brian Stevens who at the time of the

419

00:18:46,130 --> 00:18:43,679

incident was 13 years old he would

420

00:18:48,289 --> 00:18:46,140

recall seeing a red orange ball that he

421

00:18:52,010 --> 00:18:48,299

couldn't take his eyes off of as he

422

00:18:55,970 --> 00:18:52,020

walked along Ohio 39 another new witness

423

00:18:57,830 --> 00:18:55,980

Glenn Stout worked at Mansfield Tire he

424

00:18:59,930 --> 00:18:57,840

and several co-workers were on a break

425

00:19:02,690 --> 00:18:59,940

at the back dock when a crazy looking

426

00:19:06,110 --> 00:19:02,700

light sped towards a helicopter nearly

427

00:19:08,450 --> 00:19:06,120

crashy one particularly bizarre detail

428

00:19:10,130 --> 00:19:08,460

offered by Stout was his home electric

429

00:19:13,190 --> 00:19:10,140

bill for the month following the

430

00:19:15,409 --> 00:19:13,200

incident was only four dollars he

431

00:19:17,930 --> 00:19:15,419

wondered if this surprisingly low Bill

432

00:19:21,169 --> 00:19:17,940

had a connection to the UFO overhead

433

00:19:23,450 --> 00:19:21,179

that evening bring on all the UFO

434

00:19:26,169 --> 00:19:23,460

encounters here in New York City please

435

00:19:28,909 --> 00:19:26,179

my electric feels insane

436

00:19:31,150 --> 00:19:28,919

Judith ham was yet another person who

437

00:19:33,289 --> 00:19:31,160

witnessed the bizarre events in

438

00:19:35,330 --> 00:19:33,299

1973. she claimed to have almost

439

00:19:37,370 --> 00:19:35,340

screamed out loud as she witnessed what

440

00:19:39,830 --> 00:19:37,380

she thought was two planes about to

441

00:19:42,049 --> 00:19:39,840

crash ham believed it was a military

442

00:19:43,549 --> 00:19:42,059

plane until reading stories of the

443

00:19:46,430 --> 00:19:43,559

encounter afterward

444

00:19:48,650 --> 00:19:46,440

but let's return to where this all began

445

00:19:51,830 --> 00:19:48,660

with Captain Cohen and the rest of the

446

00:19:53,870 --> 00:19:51,840

helicopter crew just what was it that

447

00:19:57,350 --> 00:19:53,880

was seen that evening in the Skies over

448

00:19:59,150 --> 00:19:57,360

Mansfield Ohio may never be known while

449

00:20:01,430 --> 00:19:59,160

it isn't beyond the realm of possibility

450

00:20:04,789 --> 00:20:01,440

that the military has more information

451  
00:20:07,730 --> 00:20:04,799  
about the case the fact that coin bypass

452  
00:20:09,490 --> 00:20:07,740  
potential sensor heavy channels by

453  
00:20:13,909 --> 00:20:09,500  
speaking directly with the media

454  
00:20:15,850 --> 00:20:13,919  
suggests the incident is mostly intact

455  
00:20:17,870 --> 00:20:15,860  
whether or not there was some

456  
00:20:20,150 --> 00:20:17,880  
clandestine military involvement

457  
00:20:23,570 --> 00:20:20,160  
somewhere in the timeline of the episode

458  
00:20:26,570 --> 00:20:23,580  
is open to debate and just like many

459  
00:20:28,789 --> 00:20:26,580  
other UFO cases it also remains

460  
00:20:30,590 --> 00:20:28,799  
unexplained

461  
00:20:32,270 --> 00:20:30,600  
I would like to stress one important

462  
00:20:35,210 --> 00:20:32,280  
fact

463  
00:20:37,490 --> 00:20:35,220

and that is there is approximately 20

464

00:20:40,130 --> 00:20:37,500

years of Army Aviation experience

465

00:20:42,350 --> 00:20:40,140

between the four men on board the

466

00:20:43,970 --> 00:20:42,360

helicopter that night

467

00:20:46,909 --> 00:20:43,980

we have been trained to follow

468

00:20:48,110 --> 00:20:46,919

procedures and regulations in reporting

469

00:20:51,049 --> 00:20:48,120

incidents

470

00:20:54,169 --> 00:20:51,059

regardless of how they're accepted

471

00:20:56,690 --> 00:20:54,179

and we try to follow those procedures

472

00:20:57,890 --> 00:20:56,700

and we reported the incident as it

473

00:21:00,289 --> 00:20:57,900

occurred

474

00:21:05,330 --> 00:21:00,299

and have avoided any speculation on the

475

00:21:11,210 --> 00:21:08,529

it was on the morning of January 18

476  
00:21:14,150 --> 00:21:11,220  
1978 when New Jersey State Police

477  
00:21:16,789 --> 00:21:14,160  
requested entry under McGuire Air Force

478  
00:21:20,029 --> 00:21:16,799  
Base along with the adjacent Fort Dix

479  
00:21:20,930 --> 00:21:20,039  
base UFOs had been reported earlier in

480  
00:21:22,250 --> 00:21:20,940  
the evening

481  
00:21:25,310 --> 00:21:22,260  
of what the police said they were

482  
00:21:27,890 --> 00:21:25,320  
looking for was Far Stranger Than Just

483  
00:21:29,930 --> 00:21:27,900  
lights in the sky when asked just

484  
00:21:32,690 --> 00:21:29,940  
exactly why the state troopers needed

485  
00:21:35,510 --> 00:21:32,700  
access to the base they explained that

486  
00:21:38,750 --> 00:21:35,520  
an MP at Fort Dix had seen a low-flying

487  
00:21:41,090 --> 00:21:38,760  
object that had passed over his car as

488  
00:21:44,390 --> 00:21:41,100

he looked back to the road below he hit

489

00:21:46,970 --> 00:21:44,400

the brakes in a panic standing in front

490

00:21:50,090 --> 00:21:46,980

of his vehicle in the headlights was a

491

00:21:54,590 --> 00:21:50,100

small being with a large head black eyes

492

00:21:56,390 --> 00:21:54,600

and a very slender body the MP panicked

493

00:21:59,870 --> 00:21:56,400

getting out of the car and pulling his

494

00:22:02,210 --> 00:21:59,880

45 automatic he demanded that the being

495

00:22:05,090 --> 00:22:02,220

lay on the ground and when it didn't

496

00:22:07,430 --> 00:22:05,100

comply he began to shoot

497

00:22:09,470 --> 00:22:07,440

wounded the being fled the scene

498

00:22:12,230 --> 00:22:09,480

supposedly hopping the fence between the

499

00:22:14,870 --> 00:22:12,240

bases it then ran down a deserted

500

00:22:18,049 --> 00:22:14,880

Airfield Runway at McGuire and

501  
00:22:20,390 --> 00:22:18,059  
eventually fell to the ground dying the

502  
00:22:23,330 --> 00:22:20,400  
guard on duty at this point one Sergeant

503  
00:22:25,789 --> 00:22:23,340  
Jeff Morse allowed the police onto the

504  
00:22:28,549 --> 00:22:25,799  
runway to search for the being there

505  
00:22:31,669 --> 00:22:28,559  
they found the body crouched in a fetal

506  
00:22:32,810 --> 00:22:31,679  
position not breathing it was indeed

507  
00:22:35,510 --> 00:22:32,820  
dead

508  
00:22:37,730 --> 00:22:35,520  
shocked but keeping with protocol they

509  
00:22:40,850 --> 00:22:37,740  
began to rope off the area

510  
00:22:44,029 --> 00:22:40,860  
suddenly a group of Military Officers in

511  
00:22:47,450 --> 00:22:44,039  
blue Berets arrived distancing Morse

512  
00:22:50,210 --> 00:22:47,460  
from the area more swatched on from afar

513  
00:22:52,970 --> 00:22:50,220

as this new group clad in blue Berets

514

00:22:55,149 --> 00:22:52,980

whom he'd never seen before seemed to

515

00:22:58,789 --> 00:22:55,159

take charge of the situation

516

00:23:01,270 --> 00:22:58,799

UFO researcher Leonard Stringfield once

517

00:23:03,770 --> 00:23:01,280

interviewed Morse about the being itself

518

00:23:07,130 --> 00:23:03,780

Stringfield stated the following about

519

00:23:09,409 --> 00:23:07,140

how Morse described it quote never close

520

00:23:12,409 --> 00:23:09,419

enough to observe details such as facial

521

00:23:14,510 --> 00:23:12,419

features or its hands and feet he did

522

00:23:17,149 --> 00:23:14,520

recall that under the glare of truck

523

00:23:20,390 --> 00:23:17,159

headlights the skin of the unclad

524

00:23:22,789 --> 00:23:20,400

hairless body was wet shiny and

525

00:23:25,490 --> 00:23:22,799

snake-like the entity was about four

526  
00:23:29,570 --> 00:23:25,500  
feet in height with a large head slender

527  
00:23:32,230 --> 00:23:29,580  
torso thin arms and legs and overall a

528  
00:23:34,789 --> 00:23:32,240  
grayish Brown coloration end quote

529  
00:23:37,310 --> 00:23:34,799  
Stringfield also inquired about the

530  
00:23:39,950 --> 00:23:37,320  
retrieval operation itself as these blue

531  
00:23:43,130 --> 00:23:39,960  
beret officers worked their secretive

532  
00:23:45,590 --> 00:23:43,140  
magic stringfeld stated that quote while

533  
00:23:48,289 --> 00:23:45,600  
on patrol Morse watched the blue Beret

534  
00:23:50,570 --> 00:23:48,299  
Specialists spray the corpse from a

535  
00:23:52,669 --> 00:23:50,580  
portable tank and cover it with a white

536  
00:23:55,250 --> 00:23:52,679  
sheet before the body was carefully

537  
00:23:57,110 --> 00:23:55,260  
placed onto a platform in a wooden frame

538  
00:23:59,630 --> 00:23:57,120

built around it

539

00:24:02,690 --> 00:23:59,640

this was finally placed into a large

540

00:24:05,870 --> 00:24:02,700

square silver metal container about 10

541

00:24:09,890 --> 00:24:05,880

by 10 feet with indistinguishable blue

542

00:24:12,890 --> 00:24:09,900

markings end quote after this a c-141

543

00:24:15,470 --> 00:24:12,900

cargo aircraft landed on the site the

544

00:24:17,450 --> 00:24:15,480

beam was loaded on board and it has been

545

00:24:19,510 --> 00:24:17,460

suspected that it took off towards

546

00:24:22,370 --> 00:24:19,520

Wright-Patterson Air Force Base

547

00:24:25,070 --> 00:24:22,380

supposedly the same base the 1947

548

00:24:27,710 --> 00:24:25,080

Roswell crash bodies were shipped off to

549

00:24:29,690 --> 00:24:27,720

as well Morse and the police officer

550

00:24:31,669 --> 00:24:29,700

were separated and both were told that

551  
00:24:33,770 --> 00:24:31,679  
if they ever spoke of what they'd seen

552  
00:24:35,450 --> 00:24:33,780  
that day they would immediately be

553  
00:24:38,210 --> 00:24:35,460  
stripped of their duties in their

554  
00:24:40,430 --> 00:24:38,220  
respective jobs it was two days later

555  
00:24:42,710 --> 00:24:40,440  
when Morse and a few other Witnesses

556  
00:24:45,950 --> 00:24:42,720  
were shipped off to Wright-Patterson and

557  
00:24:48,649 --> 00:24:45,960  
received intense interrogations and

558  
00:24:51,590 --> 00:24:48,659  
statements by morse many years later he

559  
00:24:54,649 --> 00:24:51,600  
said quote they told me about my duty to

560  
00:24:57,470 --> 00:24:54,659  
keep my mouth shut I signed a form and

561  
00:24:59,810 --> 00:24:57,480  
it's supposed to bind me for life

562  
00:25:02,090 --> 00:24:59,820  
more Swiss brought back to McGuire Air

563  
00:25:04,909 --> 00:25:02,100

Force Base debriefed by his superiors

564

00:25:07,430 --> 00:25:04,919

and the incident was never spoken of

565

00:25:09,649 --> 00:25:07,440

again it didn't take long for Morse to

566

00:25:11,510 --> 00:25:09,659

start asking around about just exactly

567

00:25:14,090 --> 00:25:11,520

what he'd seen that night by other

568

00:25:16,669 --> 00:25:14,100

Witnesses when one of this got out to

569

00:25:20,450 --> 00:25:16,679

his superiors many of the Witnesses were

570

00:25:23,330 --> 00:25:20,460

shipped overseas including Morse who

571

00:25:27,230 --> 00:25:23,340

soon found himself stationed at Okinawa

572

00:25:29,510 --> 00:25:27,240

on desk duty to this day he admits that

573

00:25:31,789 --> 00:25:29,520

he's been constantly threatened not to

574

00:25:34,370 --> 00:25:31,799

speak of the event and that the military

575

00:25:37,310 --> 00:25:34,380

has gone to Great Lengths to keep him

576

00:25:39,890 --> 00:25:37,320

quiet including personality and

577

00:25:42,470 --> 00:25:39,900

professional attacks making it difficult

578

00:25:45,710 --> 00:25:42,480

for Morse to find employment in law

579

00:25:48,769 --> 00:25:45,720

enforcement if this wasn't extraordinary

580

00:25:51,350 --> 00:25:48,779

or incredible enough another key witness

581

00:25:54,409 --> 00:25:51,360

did come forward to corroborate this

582

00:25:56,630 --> 00:25:54,419

event major George feiler now retired

583

00:25:59,810 --> 00:25:56,640

was stationed at McGuire at the same

584

00:26:01,549 --> 00:25:59,820

time as an intelligence officer while

585

00:26:03,890 --> 00:26:01,559

not being present at the actual incident

586

00:26:06,289 --> 00:26:03,900

he heard firsthand about it the

587

00:26:09,169 --> 00:26:06,299

following morning in an interview with

588

00:26:11,029 --> 00:26:09,179

ABC News filer stated that quote our

589

00:26:13,789 --> 00:26:11,039

security police went out there and found

590

00:26:17,269 --> 00:26:13,799

him the alien at the end of the runway

591

00:26:18,529 --> 00:26:17,279

dead they asked me to brief the general

592

00:26:21,049 --> 00:26:18,539

staff

593

00:26:23,690 --> 00:26:21,059

while this briefing was later canceled

594

00:26:26,750 --> 00:26:23,700

filer remained convinced that this event

595

00:26:28,789 --> 00:26:26,760

was truly bizarre and the joint bases

596

00:26:31,130 --> 00:26:28,799

were doing everything in their power to

597

00:26:33,470 --> 00:26:31,140

contain it and keep everyone silent

598

00:26:35,870 --> 00:26:33,480

while he couldn't prove that this alien

599

00:26:38,450 --> 00:26:35,880

being was of extraterrestrial origin

600

00:26:41,269 --> 00:26:38,460

word around the base continued to spread

601  
00:26:44,149 --> 00:26:41,279  
and all were convinced that this was a

602  
00:26:47,110 --> 00:26:44,159  
genuine UFO landing in the subsequent

603  
00:26:50,390 --> 00:26:47,120  
death of its extraterrestrial occupant

604  
00:26:52,789 --> 00:26:50,400  
so did a panicked trigger happy MP

605  
00:26:53,630 --> 00:26:52,799  
actually shoot and kill an alien that

606  
00:26:56,390 --> 00:26:53,640  
night

607  
00:26:58,250 --> 00:26:56,400  
the truth may never be known the lid on

608  
00:27:00,230 --> 00:26:58,260  
this and so many other apparent

609  
00:27:03,110 --> 00:27:00,240  
incidents of this silk have been so

610  
00:27:05,690 --> 00:27:03,120  
tightly wound shut that those involved

611  
00:27:08,690 --> 00:27:05,700  
fear the worst for their jobs or perhaps

612  
00:27:12,409 --> 00:27:08,700  
even their lives and I have to admit

613  
00:27:14,090 --> 00:27:12,419

this one is pretty hard to swallow while

614

00:27:17,510 --> 00:27:14,100

we may have statements we have

615

00:27:20,630 --> 00:27:17,520

absolutely no evidence or documents to

616

00:27:24,529 --> 00:27:20,640

back any of this up that's ufology at

617

00:27:27,470 --> 00:27:24,539

its best and worst but if this case of

618

00:27:29,750 --> 00:27:27,480

an alien termination is true then we

619

00:27:33,049 --> 00:27:29,760

have more to fear than just military

620

00:27:35,510 --> 00:27:33,059

threats we have an alien race expecting

621

00:27:38,149 --> 00:27:35,520

one of their own to eventually come home

622

00:27:39,790 --> 00:27:38,159

they just probably weren't expecting it

623

00:27:49,149 --> 00:27:39,800

to be in a body bag

624

00:27:51,789 --> 00:27:49,159

[Music]

625

00:27:55,430 --> 00:27:51,799

foreign

626

00:27:57,890 --> 00:27:55,440

UFO cases ever reported took place in

627

00:27:59,409 --> 00:27:57,900

Minnesota in the early morning of August

628

00:28:03,830 --> 00:27:59,419

27

629

00:28:05,810 --> 00:28:03,840

1979. deputy sheriff Vel Johnson of the

630

00:28:07,970 --> 00:28:05,820

Marshall County Sheriff's Department was

631

00:28:10,070 --> 00:28:07,980

on patrol that morning when he noticed

632

00:28:12,769 --> 00:28:10,080

an extremely bright light coming through

633

00:28:14,450 --> 00:28:12,779

the side window of his patrol car he

634

00:28:16,669 --> 00:28:14,460

reported that the light was much

635

00:28:19,070 --> 00:28:16,679

stronger than any lighter motor vehicle

636

00:28:21,169 --> 00:28:19,080

on the road could produce

637

00:28:23,510 --> 00:28:21,179

his first thought was that it could

638

00:28:26,690 --> 00:28:23,520

potentially be an airplane smuggling in

639

00:28:29,649 --> 00:28:26,700

drugs from Canada he surmised the plane

640

00:28:32,510 --> 00:28:29,659

may have crashed or was about to crash

641

00:28:34,549 --> 00:28:32,520

he turned on the road to moving close

642

00:28:35,930 --> 00:28:34,559

and head towards the light to

643

00:28:38,149 --> 00:28:35,940

investigate

644

00:28:40,850 --> 00:28:38,159

the last thing you remembered was that

645

00:28:43,789 --> 00:28:40,860

The Light Came barreling towards him and

646

00:28:45,230 --> 00:28:43,799

reached the patrol car so fast that it

647

00:28:48,890 --> 00:28:45,240

seemed like it happened in a mere

648

00:28:50,890 --> 00:28:48,900

instant he heard glass breaking and then

649

00:28:54,289 --> 00:28:50,900

he went unconscious

650

00:28:56,570 --> 00:28:54,299

from the analysis of the accident it was

651  
00:28:59,630 --> 00:28:56,580  
estimated that Deputy Johnson was

652  
00:29:02,029 --> 00:28:59,640  
unconscious for about 39 minutes

653  
00:29:04,130 --> 00:29:02,039  
when he awoke he radioed headquarters

654  
00:29:06,049 --> 00:29:04,140  
for help in a weak voice

655  
00:29:09,950 --> 00:29:06,059  
stating that something had hit his

656  
00:29:12,830 --> 00:29:09,960  
patrol car but he did not know what when

657  
00:29:14,570 --> 00:29:12,840  
a second Deputy arrived on the scene he

658  
00:29:17,149 --> 00:29:14,580  
immediately called the ambulance and

659  
00:29:20,389 --> 00:29:17,159  
Deputy Johnson was taken to the nearby

660  
00:29:24,049 --> 00:29:20,399  
Warren Hospital Deputy Johnson's eyes

661  
00:29:26,389 --> 00:29:24,059  
were reported to be red and puffy the

662  
00:29:28,490 --> 00:29:26,399  
medical doctor who examined the deputy

663  
00:29:30,649 --> 00:29:28,500

said the injuries to his eyes looked

664

00:29:33,769 --> 00:29:30,659

like they had been inflicted by a

665

00:29:36,769 --> 00:29:33,779

welder's torch he also said Deputy

666

00:29:38,450 --> 00:29:36,779

Johnson was in a State of Shock

667

00:29:40,850 --> 00:29:38,460

the Marshall County Sheriff's Department

668

00:29:43,850 --> 00:29:40,860

investigated the Val Johnson UFO

669

00:29:45,649 --> 00:29:43,860

incident extensively but experts were

670

00:29:49,909 --> 00:29:45,659

also brought in because the physical

671

00:29:52,549 --> 00:29:49,919

evidence Left Behind was so baffling the

672

00:29:56,269 --> 00:29:52,559

windshield of the patrol car was badly

673

00:29:58,549 --> 00:29:56,279

cracked from top to bottom however the

674

00:30:02,450 --> 00:29:58,559

patterns in which it was broken defied

675

00:30:05,510 --> 00:30:02,460

normal analysis it did not seem to be

676  
00:30:08,870 --> 00:30:05,520  
the result of an outside force or inside

677  
00:30:11,649 --> 00:30:08,880  
force it almost seemed as if there were

678  
00:30:14,330 --> 00:30:11,659  
both inside and outside forces working

679  
00:30:16,490 --> 00:30:14,340  
simultaneously to create a fractured

680  
00:30:18,710 --> 00:30:16,500  
pattern that the investigators had never

681  
00:30:20,510 --> 00:30:18,720  
seen before or could explain with

682  
00:30:22,850 --> 00:30:20,520  
ordinary techniques

683  
00:30:25,549 --> 00:30:22,860  
They concluded that there seemed to be

684  
00:30:27,769 --> 00:30:25,559  
four separate areas of impact but could

685  
00:30:30,470 --> 00:30:27,779  
not even Hazard a guess as to what

686  
00:30:32,149 --> 00:30:30,480  
caused the pattern they saw on the left

687  
00:30:34,310 --> 00:30:32,159  
side of the front hood of the patrol car

688  
00:30:37,130 --> 00:30:34,320

there was a strange one and a half inch

689

00:30:39,169 --> 00:30:37,140

circular Dent the headlights were broken

690

00:30:42,289 --> 00:30:39,179

on the side of both the inside and the

691

00:30:43,610 --> 00:30:42,299

outside of the patrol car however the

692

00:30:47,090 --> 00:30:43,620

headlights on the other side of the

693

00:30:50,690 --> 00:30:47,100

patrol car were left untouched the main

694

00:30:53,690 --> 00:30:50,700

antenna was inexplicably bent at a 60

695

00:30:56,090 --> 00:30:53,700

degree angle starting at six inches from

696

00:30:59,810 --> 00:30:56,100

the base of the antenna the antenna in

697

00:31:01,850 --> 00:30:59,820

the truck was also damaged one of the

698

00:31:04,730 --> 00:31:01,860

strangest things the investigators found

699

00:31:08,389 --> 00:31:04,740

was that the patrol car clock was behind

700

00:31:11,450 --> 00:31:08,399

14 minutes and Deputy Johnson's wrist

701  
00:31:14,930 --> 00:31:11,460  
watch was also behind the exact same

702  
00:31:16,850 --> 00:31:14,940  
amount of time before the incident both

703  
00:31:18,889 --> 00:31:16,860  
the patrol car clock and Deputy

704  
00:31:20,510 --> 00:31:18,899  
Johnson's wristwatch had been

705  
00:31:24,289 --> 00:31:20,520  
synchronized with the clock at

706  
00:31:26,570 --> 00:31:24,299  
headquarters no logical explanation has

707  
00:31:28,970 --> 00:31:26,580  
ever been given for why the patrol car

708  
00:31:32,330 --> 00:31:28,980  
clock and the wristwatch were both

709  
00:31:34,310 --> 00:31:32,340  
affected in the exact same way while

710  
00:31:36,950 --> 00:31:34,320  
there were many experts involved in

711  
00:31:39,350 --> 00:31:36,960  
analyzing the damage patrol car and

712  
00:31:43,130 --> 00:31:39,360  
other physical evidence one is

713  
00:31:45,649 --> 00:31:43,140

particularly noteworthy this was J Allen

714

00:31:49,370 --> 00:31:45,659

heineck the consultant for the U.S Air

715

00:31:51,529 --> 00:31:49,380

Force's UFO Project Blue Book as Dr

716

00:31:54,350 --> 00:31:51,539

heineck and his team investigated the

717

00:31:57,470 --> 00:31:54,360

Val Johnson UFO incident he concluded

718

00:31:59,630 --> 00:31:57,480

that it was not a hoax further nothing

719

00:32:01,070 --> 00:31:59,640

in Deputy Johnson's statement seemed

720

00:32:03,350 --> 00:32:01,080

untruthful

721

00:32:05,690 --> 00:32:03,360

Dr heineck proposed that the cracked

722

00:32:08,330 --> 00:32:05,700

windshield had been damaged by rocks

723

00:32:12,310 --> 00:32:08,340

being carried in a wake of a very large

724

00:32:15,230 --> 00:32:12,320

object moving at extraordinary speeds

725

00:32:18,289 --> 00:32:15,240

further he proposed that the antenna had

726

00:32:20,690 --> 00:32:18,299

been bent for the sheer velocity of the

727

00:32:22,549 --> 00:32:20,700

air that rushed past the patrol car that

728

00:32:24,950 --> 00:32:22,559

night

729

00:32:27,110 --> 00:32:24,960

patrol car is now on permanent display

730

00:32:29,090 --> 00:32:27,120

at the Marshall County Historical

731

00:32:31,430 --> 00:32:29,100

Society Museum

732

00:32:34,149 --> 00:32:31,440

it is always one of the top attractions

733

00:32:37,850 --> 00:32:34,159

during the annual Minnesota county fair

734

00:32:40,370 --> 00:32:37,860

when the incident occurred in 1979 there

735

00:32:42,409 --> 00:32:40,380

were only about 60 000 miles on the

736

00:32:44,570 --> 00:32:42,419

patrol car so the Marshall County

737

00:32:47,750 --> 00:32:44,580

Sheriff officials wanted the car

738

00:32:50,990 --> 00:32:47,760

repaired and put back into Commission

739

00:32:53,570 --> 00:32:51,000

however Sheriff Dennis Breck convinced

740

00:32:56,029 --> 00:32:53,580

them to decommission the car and put it

741

00:32:58,610 --> 00:32:56,039

on public display

742

00:33:01,490 --> 00:32:58,620

the patrol car has achieved legendary

743

00:33:05,090 --> 00:33:01,500

status among those who believe in

744

00:33:08,389 --> 00:33:05,100

paranormal phenomena and UFOs

745

00:33:10,669 --> 00:33:08,399

in fact the Vel Johnson incident is so

746

00:33:14,509 --> 00:33:10,679

famous there have been two documentary

747

00:33:17,509 --> 00:33:14,519

style television programs devoted to it

748

00:33:20,269 --> 00:33:17,519

Vel Johnson received much attention for

749

00:33:22,190 --> 00:33:20,279

the incident so much in fact that he

750

00:33:24,169 --> 00:33:22,200

told the press that the incident had

751

00:33:27,950 --> 00:33:24,179

caused a great deal of emotional

752

00:33:30,710 --> 00:33:27,960

strength on himself and his family while

753

00:33:33,130 --> 00:33:30,720

he did appear on several interviews with

754

00:33:36,169 --> 00:33:33,140

local news and even Good Morning America

755

00:33:37,810 --> 00:33:36,179

he began to withdraw from other press

756

00:33:41,029 --> 00:33:37,820

appearances

757

00:33:43,970 --> 00:33:41,039

no matter what this UFO encounter will

758

00:33:47,470 --> 00:33:43,980

live in the history books as one of the

759

00:33:50,090 --> 00:33:47,480

most fascinating UFO cases of all time

760

00:33:52,370 --> 00:33:50,100

still to this day the incident serves as

761

00:33:57,350 --> 00:33:52,380

one of the very best cases with physical

762

00:33:59,389 --> 00:33:57,360

evidence was left behind by a UFO every

763

00:34:01,789 --> 00:33:59,399

year since the incident one Minnesota

764

00:34:04,850 --> 00:34:01,799

has received a great many visitors

765

00:34:08,089 --> 00:34:04,860

wishing to see for themselves the patrol

766

00:34:11,510 --> 00:34:08,099

car with its peculiar damage and the

767

00:34:13,250 --> 00:34:11,520

area where the incident occurred the

768

00:34:15,470 --> 00:34:13,260

light that's coming at me was extremely

769

00:34:18,649 --> 00:34:15,480

bright the inside of the car lit up I

770

00:34:21,349 --> 00:34:18,659

can remember that and it was a very

771

00:34:24,829 --> 00:34:21,359

dazzling brilliant occurrence something

772

00:34:27,589 --> 00:34:24,839

did strike my vehicle something

773

00:34:29,990 --> 00:34:27,599

didn't want me there apparently or it

774

00:34:34,690 --> 00:34:30,000

was you know I I can't put a judgment on

775

00:34:40,310 --> 00:34:37,669

the summer in the skies podcast is free

776

00:34:42,770 --> 00:34:40,320

to listen to every week but if you would

777

00:34:45,589 --> 00:34:42,780

like to help support the show we have a

778

00:34:47,629 --> 00:34:45,599

very active patreon page where you give

779

00:34:50,030 --> 00:34:47,639

what you think the show is worth in

780

00:34:53,750 --> 00:34:50,040

return you'll get early access to the

781

00:34:56,030 --> 00:34:53,760

main show bonus episodes and priority to

782

00:34:58,670 --> 00:34:56,040

ask our guests your listener questions

783

00:35:02,150 --> 00:34:58,680

your support truly makes the show

784

00:35:04,990 --> 00:35:02,160

continue and grow so to learn more and

785

00:35:06,570 --> 00:35:05,000

to join visit [patreon.com](https://patreon.com)

786

00:35:15,609 --> 00:35:06,580

somewhere Skies

787

00:35:23,390 --> 00:35:21,349

July 1st 1965 fell in Seoul France

788

00:35:26,210 --> 00:35:23,400

it was approximately six in the morning

789

00:35:28,010 --> 00:35:26,220

when Maurice Moss was getting ready for

790

00:35:31,010 --> 00:35:28,020

work on his farm

791

00:35:33,349 --> 00:35:31,020

suddenly he heard a strange noise coming

792

00:35:35,870 --> 00:35:33,359

from his lavender field

793

00:35:38,450 --> 00:35:35,880

Moss assumed it was one of the military

794

00:35:41,030 --> 00:35:38,460

helicopters that would occasionally land

795

00:35:42,890 --> 00:35:41,040

on his property buried that the

796

00:35:45,109 --> 00:35:42,900

helicopter might be crushing his

797

00:35:47,690 --> 00:35:45,119

lavender he made his way over to the

798

00:35:50,390 --> 00:35:47,700

field and intended to tell the pilot to

799

00:35:53,150 --> 00:35:50,400

park someplace else

800

00:35:55,490 --> 00:35:53,160

but rather than a helicopter Moss

801  
00:35:59,450 --> 00:35:55,500  
stumbled upon an egg-shaped vehicle

802  
00:36:03,170 --> 00:35:59,460  
about the size of an automobile

803  
00:36:06,170 --> 00:36:03,180  
it stood on six thin legs sitting about

804  
00:36:09,530 --> 00:36:06,180  
200 feet away from him he noticed two

805  
00:36:12,950 --> 00:36:09,540  
small boys about four feet tall standing

806  
00:36:16,250 --> 00:36:12,960  
near the craft apparently observing the

807  
00:36:19,069 --> 00:36:16,260  
lavender as Moss began to walk closer to

808  
00:36:21,470 --> 00:36:19,079  
confront these boys he realized they

809  
00:36:23,329 --> 00:36:21,480  
weren't boys at all they weren't even

810  
00:36:26,750 --> 00:36:23,339  
human

811  
00:36:29,210 --> 00:36:26,760  
dressed in green one-piece suits these

812  
00:36:33,170 --> 00:36:29,220  
creatures had abnormally large and bald

813  
00:36:35,930 --> 00:36:33,180

heads no lips pointed chins pale skin

814

00:36:38,150 --> 00:36:35,940

and small hands

815

00:36:41,650 --> 00:36:38,160

one of the creatures suddenly turned

816

00:36:45,230 --> 00:36:41,660

around and pointed a small tube at Moss

817

00:36:46,069 --> 00:36:45,240

blasting him with a light that paralyzed

818

00:36:48,589 --> 00:36:46,079

him

819

00:36:50,750 --> 00:36:48,599

these creatures stared at Moss for about

820

00:36:54,050 --> 00:36:50,760

a minute communicating with one another

821

00:36:56,750 --> 00:36:54,060

by low guttural grunts

822

00:36:59,349 --> 00:36:56,760

a door then slid open across the craft

823

00:37:02,150 --> 00:36:59,359

in the two mysterious creatures

824

00:37:04,790 --> 00:37:02,160

disappeared into it after the door

825

00:37:08,510 --> 00:37:04,800

closed the craft took off into the sky

826  
00:37:11,030 --> 00:37:08,520  
and out of Moss's sight

827  
00:37:14,270 --> 00:37:11,040  
was paralyzed for about 15 minutes

828  
00:37:16,190 --> 00:37:14,280  
before he could even begin to move after

829  
00:37:19,010 --> 00:37:16,200  
checking to inspect the marks the

830  
00:37:21,530 --> 00:37:19,020  
Craft's legs had made on his lavender he

831  
00:37:23,089 --> 00:37:21,540  
rushed to town and told a cafe owner

832  
00:37:25,670 --> 00:37:23,099  
what had happened

833  
00:37:28,730 --> 00:37:25,680  
it wasn't long before the story hit the

834  
00:37:32,650 --> 00:37:28,740  
media and authorities and Moss's Farm

835  
00:37:35,569 --> 00:37:32,660  
soon became infested with tourists

836  
00:37:38,690 --> 00:37:35,579  
UFO investigators took samples of the

837  
00:37:41,690 --> 00:37:38,700  
lavender and soil allegedly touched by

838  
00:37:44,349 --> 00:37:41,700

the craft and Moss freely talked to them

839

00:37:46,550 --> 00:37:44,359

about his experience

840

00:37:49,130 --> 00:37:46,560

investigators found that the ground or

841

00:37:52,329 --> 00:37:49,140

the craft had landed was soaked with

842

00:37:54,530 --> 00:37:52,339

moisture although no rain had fallen

843

00:37:57,050 --> 00:37:54,540

geometrically spaced indentations

844

00:37:58,910 --> 00:37:57,060

covered the area and the plants were

845

00:38:01,730 --> 00:37:58,920

affected by the proximity of the

846

00:38:04,010 --> 00:38:01,740

phenomenon appearing to decay in direct

847

00:38:06,890 --> 00:38:04,020

proportion to their distance from the

848

00:38:09,890 --> 00:38:06,900

central column of The Craft

849

00:38:12,109 --> 00:38:09,900

the calcium content of the soil at the

850

00:38:14,329 --> 00:38:12,119

Landing site was found to be much higher

851  
00:38:16,490 --> 00:38:14,339  
than in samples taken from other areas

852  
00:38:19,069 --> 00:38:16,500  
in the field

853  
00:38:22,310 --> 00:38:19,079  
the case caught the attention of noted

854  
00:38:24,290 --> 00:38:22,320  
UFO researcher and astronomer Dr Jacques

855  
00:38:27,829 --> 00:38:24,300  
valet and all of a sudden he was

856  
00:38:29,510 --> 00:38:27,839  
paralyzed he saw two small creatures

857  
00:38:32,210 --> 00:38:29,520  
they were not quite the ones that you

858  
00:38:34,609 --> 00:38:32,220  
have here they were looked they looked

859  
00:38:36,410 --> 00:38:34,619  
they were very small but they had normal

860  
00:38:40,370 --> 00:38:36,420  
heads and they were they had normal

861  
00:38:42,530 --> 00:38:40,380  
human features but he was paralyzed and

862  
00:38:44,450 --> 00:38:42,540  
they started speaking to each other in

863  
00:38:46,370 --> 00:38:44,460

some strange language went back into the

864

00:38:47,450 --> 00:38:46,380

object the object took off the

865

00:38:49,670 --> 00:38:47,460

interesting thing is that there were

866

00:38:50,990 --> 00:38:49,680

traces left those traces were studied by

867

00:38:52,970 --> 00:38:51,000

various agencies of the French

868

00:38:55,250 --> 00:38:52,980

government there was no question he was

869

00:38:58,670 --> 00:38:55,260

not lying the the traces could not be

870

00:39:01,130 --> 00:38:58,680

duplicated the and he was paralyzed for

871

00:39:03,290 --> 00:39:01,140

20 minutes after the object left which

872

00:39:05,329 --> 00:39:03,300

is is very interesting from the point of

873

00:39:07,190 --> 00:39:05,339

view of the the effect of the kind of

874

00:39:09,650 --> 00:39:07,200

radiation that that object may have been

875

00:39:12,050 --> 00:39:09,660

creating and this is a very common

876

00:39:14,630 --> 00:39:12,060

report on the power of witnesses that

877

00:39:16,670 --> 00:39:14,640

they this feeling of paralysis

878

00:39:19,609 --> 00:39:16,680

valet returned to the scene of the

879

00:39:21,650 --> 00:39:19,619

incident in 1979 and meeting with

880

00:39:24,589 --> 00:39:21,660

Maurice moss and two of his close

881

00:39:27,950 --> 00:39:24,599

friends made a number of interesting

882

00:39:30,050 --> 00:39:27,960

observations valet noted that Moss was

883

00:39:32,750 --> 00:39:30,060

reluctant to give all the details of his

884

00:39:36,170 --> 00:39:32,760

experience to investigators as well as

885

00:39:38,210 --> 00:39:36,180

to his own family at the time including

886

00:39:40,490 --> 00:39:38,220

the fact that he believed that some type

887

00:39:43,670 --> 00:39:40,500

of Silent Communication took place

888

00:39:46,130 --> 00:39:43,680

between himself and these creatures

889

00:39:48,710 --> 00:39:46,140

from the beginning he wanted to minimize

890

00:39:51,890 --> 00:39:48,720

the impact of the experience not wanting

891

00:39:54,589 --> 00:39:51,900

publicity amongst other reasons like

892

00:39:57,170 --> 00:39:54,599

many experiencers of this phenomenon he

893

00:39:59,990 --> 00:39:57,180

had changed in many ways as a result of

894

00:40:02,950 --> 00:40:00,000

the experience including the belief that

895

00:40:06,050 --> 00:40:02,960

some form of contact once established

896

00:40:08,690 --> 00:40:06,060

continued in subtle forms

897

00:40:11,329 --> 00:40:08,700

valet concluded that quote throughout

898

00:40:13,550 --> 00:40:11,339

this discussion with Mr Moss I had the

899

00:40:16,250 --> 00:40:13,560

feeling that I was in the presence of a

900

00:40:19,790 --> 00:40:16,260

very intelligent man capable of Deep

901  
00:40:22,730 --> 00:40:19,800  
Emotions and rational thought he is also

902  
00:40:24,950 --> 00:40:22,740  
quite humble he has declined to appear

903  
00:40:27,410 --> 00:40:24,960  
on a television documentary with a

904  
00:40:29,510 --> 00:40:27,420  
nationally known journalist I had

905  
00:40:32,870 --> 00:40:29,520  
brought with me a photograph of similar

906  
00:40:35,450 --> 00:40:32,880  
traces left after another case Mr Moss

907  
00:40:38,510 --> 00:40:35,460  
looked at me with a mixture of amazement

908  
00:40:41,390 --> 00:40:38,520  
and relief that someone else was aware

909  
00:40:43,310 --> 00:40:41,400  
of these particular marks he told us

910  
00:40:46,550 --> 00:40:43,320  
that he sometimes found them in his

911  
00:40:47,750 --> 00:40:46,560  
field that's how he knows that they have

912  
00:40:52,490 --> 00:40:47,760  
come back

913  
00:40:55,609 --> 00:40:52,500

he always erases the traces immediately

914

00:40:57,650 --> 00:40:55,619

putting back on this experience Moss

915

00:40:59,750 --> 00:40:57,660

said that he wasn't afraid at all during

916

00:41:03,770 --> 00:40:59,760

the encounter and believed that the

917

00:41:06,410 --> 00:41:03,780

creatures had no desire to hurt him Moss

918

00:41:08,630 --> 00:41:06,420

did however refuse to elaborate on the

919

00:41:10,490 --> 00:41:08,640

psychological and physical effects he

920

00:41:13,670 --> 00:41:10,500

felt afterward

921

00:41:16,190 --> 00:41:13,680

he did admit to feeling extremely sleepy

922

00:41:19,370 --> 00:41:16,200

during the first few weeks sometimes

923

00:41:21,829 --> 00:41:19,380

sleeping up to 12 hours a day in

924

00:41:24,230 --> 00:41:21,839

particular there was one big detail of

925

00:41:27,230 --> 00:41:24,240

the encounter that he refused to discuss

926  
00:41:30,109 --> 00:41:27,240  
with anybody he was quoted as saying

927  
00:41:33,349 --> 00:41:30,119  
nobody will make me tell it

928  
00:41:35,030 --> 00:41:33,359  
his wife later said in an interview that

929  
00:41:37,609 --> 00:41:35,040  
he constantly thought about the

930  
00:41:39,650 --> 00:41:37,619  
creatures and quote considered his

931  
00:41:44,390 --> 00:41:39,660  
encounter with them a spiritual

932  
00:41:47,270 --> 00:41:44,400  
experience whatever else he saw or heard

933  
00:41:52,069 --> 00:41:47,280  
or experienced Moss would take to the

934  
00:41:54,770 --> 00:41:52,079  
Grave with him dying on May 14 2004.

935  
00:41:56,870 --> 00:41:54,780  
and with that we will never truly know

936  
00:41:59,390 --> 00:41:56,880  
the one detail of the encounter he

937  
00:42:01,970 --> 00:41:59,400  
refused to share with the public

938  
00:42:04,430 --> 00:42:01,980

and this enduring mystery of the

939

00:42:07,320 --> 00:42:04,440

encounter in the lavender field May

940

00:42:21,790 --> 00:42:07,330

forever remain unexplained

941

00:42:29,210 --> 00:42:26,750

on the evening of September 4th 1964 28

942

00:42:31,730 --> 00:42:29,220

year old Donald Shrum along with two

943

00:42:34,370 --> 00:42:31,740

friends Vincent Alvarez and Tim

944

00:42:36,770 --> 00:42:34,380

Trueblood were hunting in the Tahoe

945

00:42:39,650 --> 00:42:36,780

National Forest near Cisco Grove

946

00:42:42,589 --> 00:42:39,660

California all had considerable

947

00:42:45,650 --> 00:42:42,599

experience bow hunting in all were

948

00:42:47,329 --> 00:42:45,660

overall General outdoorsmen on this

949

00:42:49,670 --> 00:42:47,339

particular night after having

950

00:42:51,530 --> 00:42:49,680

established a camp they found themselves

951  
00:42:53,810 --> 00:42:51,540  
hunting for deer

952  
00:42:55,910 --> 00:42:53,820  
perhaps due to their comfort in the

953  
00:42:58,430 --> 00:42:55,920  
outdoor environment with a night fast

954  
00:43:00,349 --> 00:42:58,440  
approaching no less all agreed that they

955  
00:43:03,109 --> 00:43:00,359  
would push deep into the woods in

956  
00:43:05,390 --> 00:43:03,119  
pursuit of their targets and if they had

957  
00:43:07,250 --> 00:43:05,400  
to spend the night in the woods and

958  
00:43:10,250 --> 00:43:07,260  
Rendezvous back in the camp in the

959  
00:43:12,170 --> 00:43:10,260  
morning before long all three of them

960  
00:43:14,809 --> 00:43:12,180  
found themselves separated from one

961  
00:43:18,050 --> 00:43:14,819  
another looking for their potential

962  
00:43:20,569 --> 00:43:18,060  
targets with daylight losing the battle

963  
00:43:22,670 --> 00:43:20,579

against the night Shrum would make the

964

00:43:23,870 --> 00:43:22,680

decision to find somewhere to bed down

965

00:43:28,010 --> 00:43:23,880

for the night

966

00:43:29,990 --> 00:43:28,020

or more accurately bed up Shrum head

967

00:43:32,390 --> 00:43:30,000

with him a military-style belt which

968

00:43:33,170 --> 00:43:32,400

allowed for him to secure himself in a

969

00:43:35,270 --> 00:43:33,180

tree

970

00:43:37,670 --> 00:43:35,280

given the number of wild animals who

971

00:43:39,950 --> 00:43:37,680

might wish to turn the tables on the

972

00:43:41,930 --> 00:43:39,960

hunter Shrum believed this was a

973

00:43:46,250 --> 00:43:41,940

preferable option to camping on the

974

00:43:48,410 --> 00:43:46,260

ground alone and ultimately defenseless

975

00:43:51,230 --> 00:43:48,420

shortly after securing himself for the

976  
00:43:52,150 --> 00:43:51,240  
night a strange light appeared in the

977  
00:43:55,550 --> 00:43:52,160  
distance

978  
00:43:58,069 --> 00:43:55,560  
of more concern to Shrum was a

979  
00:44:01,609 --> 00:43:58,079  
zigzagging pattern around the trees at

980  
00:44:03,890 --> 00:44:01,619  
low altitude which headed towards him

981  
00:44:05,809 --> 00:44:03,900  
thinking his two friends had arranged a

982  
00:44:08,450 --> 00:44:05,819  
search for him in the form of a

983  
00:44:10,490 --> 00:44:08,460  
helicopter he jumped from the tree and

984  
00:44:13,370 --> 00:44:10,500  
quickly released three of his flares to

985  
00:44:15,349 --> 00:44:13,380  
give away his destination as he was

986  
00:44:17,990 --> 00:44:15,359  
waving his arms and yelling for

987  
00:44:20,450 --> 00:44:18,000  
attention he began to realize what was

988  
00:44:22,730 --> 00:44:20,460

heading his way wasn't a rescue

989

00:44:25,250 --> 00:44:22,740

helicopter after all

990

00:44:28,010 --> 00:44:25,260

the glowing object finally stopped

991

00:44:30,530 --> 00:44:28,020

around 50 yards from his position

992

00:44:33,589 --> 00:44:30,540

it was spherical but unlike anything

993

00:44:35,990 --> 00:44:33,599

he'd ever seen before he quickly made

994

00:44:37,490 --> 00:44:36,000

his way back up the tree making sure his

995

00:44:40,190 --> 00:44:37,500

bow was ready

996

00:44:43,670 --> 00:44:40,200

fear was now rising at a seemingly

997

00:44:46,370 --> 00:44:43,680

Unstoppable rate within him that fear

998

00:44:49,430 --> 00:44:46,380

would rise even more when three small

999

00:44:51,710 --> 00:44:49,440

humanoid creatures emerged from the

1000

00:44:53,690 --> 00:44:51,720

craft and began making their way

1001  
00:44:56,510 --> 00:44:53,700  
straight towards him

1002  
00:44:58,430 --> 00:44:56,520  
as they came closer he could see that

1003  
00:45:03,050 --> 00:44:58,440  
while two of them were most definitely

1004  
00:45:05,390 --> 00:45:03,060  
humanoid the third was more robot-like

1005  
00:45:08,030 --> 00:45:05,400  
the two humanoids began to shake the

1006  
00:45:09,230 --> 00:45:08,040  
tree obviously in an effort to force him

1007  
00:45:11,809 --> 00:45:09,240  
from it

1008  
00:45:15,530 --> 00:45:11,819  
he would cling on with all his strength

1009  
00:45:17,809 --> 00:45:15,540  
however when a white Vapor shot out from

1010  
00:45:21,609 --> 00:45:17,819  
the robotic creature's mouth he later

1011  
00:45:23,990 --> 00:45:21,619  
realized he was knocked unconscious only

1012  
00:45:26,690 --> 00:45:24,000  
momentarily however

1013  
00:45:29,510 --> 00:45:26,700

aside from an intense feeling of nausea

1014

00:45:32,089 --> 00:45:29,520

he was unharmed he began lighting the

1015

00:45:34,010 --> 00:45:32,099

matches he used for his flares dropping

1016

00:45:36,349 --> 00:45:34,020

them towards the menacing Trio in an

1017

00:45:38,390 --> 00:45:36,359

effort to force them away

1018

00:45:40,970 --> 00:45:38,400

although they would back away for a

1019

00:45:44,630 --> 00:45:40,980

short while they soon continued their

1020

00:45:47,210 --> 00:45:44,640

assault by this time Shrum had managed

1021

00:45:48,829 --> 00:45:47,220

to load an arrow into his bow and let it

1022

00:45:51,890 --> 00:45:48,839

fly

1023

00:45:55,010 --> 00:45:51,900

soared into the robot's Direction

1024

00:45:57,950 --> 00:45:55,020

seconds later a shower of Sparks flew

1025

00:46:00,589 --> 00:45:57,960

into the air suggesting a direct hit

1026  
00:46:02,809 --> 00:46:00,599  
as quickly as he could he fired two more

1027  
00:46:05,450 --> 00:46:02,819  
arrows in the general vicinity of the

1028  
00:46:08,750 --> 00:46:05,460  
creature's location causing all of them

1029  
00:46:11,750 --> 00:46:08,760  
to back away however before he could

1030  
00:46:15,470 --> 00:46:11,760  
take advantage of the situation a second

1031  
00:46:18,470 --> 00:46:15,480  
robot appeared and once again a white

1032  
00:46:20,990 --> 00:46:18,480  
Vapor hit Shrum and caused him to lose

1033  
00:46:24,230 --> 00:46:21,000  
Consciousness again

1034  
00:46:25,730 --> 00:46:24,240  
when he awoke this final time he was

1035  
00:46:27,829 --> 00:46:25,740  
alone

1036  
00:46:31,190 --> 00:46:27,839  
there was no sign of the ship having

1037  
00:46:34,790 --> 00:46:31,200  
returned but all the creatures including

1038  
00:46:37,849 --> 00:46:34,800

the robots were gone he dropped himself

1039

00:46:39,650 --> 00:46:37,859

from the tree dazed tired but largely

1040

00:46:41,750 --> 00:46:39,660

unhurt

1041

00:46:44,390 --> 00:46:41,760

he would set out for the pre-arranged

1042

00:46:46,490 --> 00:46:44,400

meeting place of the campsite from the

1043

00:46:48,950 --> 00:46:46,500

previous afternoon

1044

00:46:51,670 --> 00:46:48,960

once there he would discover both of his

1045

00:46:54,230 --> 00:46:51,680

friends waiting for him as planned

1046

00:46:56,329 --> 00:46:54,240

incidentally all three of the men would

1047

00:46:59,829 --> 00:46:56,339

return to the destination later that day

1048

00:47:02,750 --> 00:46:59,839

after hearing shrum's incredible story

1049

00:47:05,270 --> 00:47:02,760

they did find several of the arrows he

1050

00:47:07,190 --> 00:47:05,280

had fired as well as several pieces of

1051

00:47:09,230 --> 00:47:07,200

charred clothing

1052

00:47:11,870 --> 00:47:09,240

his two friends would believe his claims

1053

00:47:13,849 --> 00:47:11,880

though in part due to Alvarez's own

1054

00:47:15,770 --> 00:47:13,859

sighting of the glowing craft leaving

1055

00:47:18,530 --> 00:47:15,780

the scene

1056

00:47:20,630 --> 00:47:18,540

however when shrum's mother-in-law upon

1057

00:47:22,609 --> 00:47:20,640

hearing of the encounter told an

1058

00:47:26,270 --> 00:47:22,619

astronomer friend from the local College

1059

00:47:28,609 --> 00:47:26,280

things began to take a gritty turn

1060

00:47:32,089 --> 00:47:28,619

the astronomer would immediately contact

1061

00:47:34,250 --> 00:47:32,099

the nearby McClelland Air Force Base he

1062

00:47:36,650 --> 00:47:34,260

would inform them of the account and the

1063

00:47:39,410 --> 00:47:36,660

location of the witness

1064

00:47:41,750 --> 00:47:39,420

even more bizarre instead of visiting

1065

00:47:44,210 --> 00:47:41,760

him at his home to listen to his version

1066

00:47:47,089 --> 00:47:44,220

of events even though he had not yet

1067

00:47:50,210 --> 00:47:47,099

made any sort of report they would

1068

00:47:52,910 --> 00:47:50,220

arrange to meet in an empty house at an

1069

00:47:56,510 --> 00:47:52,920

off-base Housing Development

1070

00:47:58,370 --> 00:47:56,520

Trump would agree to the meeting the two

1071

00:48:01,010 --> 00:47:58,380

officers present would listen to his

1072

00:48:02,450 --> 00:48:01,020

account and then confiscate several of

1073

00:48:05,030 --> 00:48:02,460

the arrows

1074

00:48:09,109 --> 00:48:05,040

later claims suggested that these had

1075

00:48:11,690 --> 00:48:09,119

shavings of the robot on them then the

1076

00:48:15,349 --> 00:48:11,700

officers insisted that what he had just

1077

00:48:17,470 --> 00:48:15,359

described to them hadn't happened or not

1078

00:48:20,089 --> 00:48:17,480

in the way he remembered

1079

00:48:23,089 --> 00:48:20,099

furthermore they would present several

1080

00:48:26,690 --> 00:48:23,099

alternative scenarios as if giving him

1081

00:48:28,670 --> 00:48:26,700

the opportunity to pick one for himself

1082

00:48:31,370 --> 00:48:28,680

he would eventually agree that he wasn't

1083

00:48:33,650 --> 00:48:31,380

certain of what he'd seen

1084

00:48:37,270 --> 00:48:33,660

if for no other reason than to keep his

1085

00:48:40,490 --> 00:48:37,280

employers from facing similar questions

1086

00:48:42,829 --> 00:48:40,500

Shrum has stuck to the same story and

1087

00:48:46,069 --> 00:48:42,839

version of events for over half a

1088

00:48:48,109 --> 00:48:46,079

century I'm going to leave you with an

1089

00:48:53,089 --> 00:48:48,119

audio clip of an interview conducted by

1090

00:48:55,670 --> 00:48:53,099

UFO researcher and author Ruben riarte

1091

00:48:57,770 --> 00:48:55,680

for a complete and comprehensive look at

1092

00:49:01,550 --> 00:48:57,780

this case be sure to purchase the book

1093

00:49:04,970 --> 00:49:01,560

aliens in the forest The Cisco Grove UFO

1094

00:49:08,230 --> 00:49:04,980

incident co-written by uriarte and no

1095

00:49:11,210 --> 00:49:08,240

Torres in this exclusive interview

1096

00:49:14,690 --> 00:49:11,220

you'll hear Shrum recount that harrowing

1097

00:49:16,730 --> 00:49:14,700

day in his own words and I heard some

1098

00:49:19,910 --> 00:49:16,740

thrashing through the brush and probably

1099

00:49:22,309 --> 00:49:19,920

5-10 minutes these two humanoids come

1100

00:49:25,190 --> 00:49:22,319

out of the brush and they kind of broke

1101

00:49:27,109 --> 00:49:25,200

some of the brush off and and was

1102

00:49:29,270 --> 00:49:27,119

looking at it then they came straight

1103

00:49:33,230 --> 00:49:29,280

underneath the tree and looked up at me

1104

00:49:36,170 --> 00:49:33,240

and I I knew right then I was fingered

1105

00:49:37,870 --> 00:49:36,180

they found you yeah they found me can

1106

00:49:41,990 --> 00:49:37,880

you describe them for us

1107

00:49:43,849 --> 00:49:42,000

yeah they were looked like uh four or

1108

00:49:46,550 --> 00:49:43,859

five feet of course I'm looking down at

1109

00:49:49,550 --> 00:49:46,560

them so they they'd be shorter than they

1110

00:49:52,550 --> 00:49:49,560

probably are and they had a silvery like

1111

00:49:56,390 --> 00:49:52,560

a one-piece a suit on and it seemed like

1112

00:50:00,109 --> 00:49:56,400

it had the the joints puffy joints you

1113

00:50:02,809 --> 00:50:00,119

know on the shoulders and elbows and and

1114

00:50:05,990 --> 00:50:02,819

the legs I didn't see that clear were

1115

00:50:08,210 --> 00:50:06,000

you able to see their faces no it was

1116

00:50:11,210 --> 00:50:08,220

just a kind of a dark shadow I could see

1117

00:50:12,950 --> 00:50:11,220

the the two uh like eyes that were

1118

00:50:15,170 --> 00:50:12,960

looked like welding goggles to me

1119

00:50:17,210 --> 00:50:15,180

they're the same as welding goggles

1120

00:50:19,370 --> 00:50:17,220

they're about two inches in diameter it

1121

00:50:21,230 --> 00:50:19,380

reminded me just like I said like a

1122

00:50:23,569 --> 00:50:21,240

welding goggles and then the rest of the

1123

00:50:26,450 --> 00:50:23,579

face was kind of a blur I couldn't see

1124

00:50:29,510 --> 00:50:26,460

looking down at them then I saw two

1125

00:50:31,849 --> 00:50:29,520

flashing red orange eyes just picking

1126

00:50:33,890 --> 00:50:31,859

this way down the ridge Just Between the

1127

00:50:37,910 --> 00:50:33,900

rocks and and around them and everything

1128

00:50:42,109 --> 00:50:37,920

and come down and was on this big

1129

00:50:44,210 --> 00:50:42,119

boulder this big Flat Rock and then he

1130

00:50:47,329 --> 00:50:44,220

kind of looked up at me and he moved his

1131

00:50:51,650 --> 00:50:47,339

hand through the fire Cinders and kind

1132

00:50:53,930 --> 00:50:51,660

of scattered them then he come down up

1133

00:50:58,130 --> 00:50:53,940

on the Rock he was about seven feet from

1134

00:51:01,250 --> 00:50:58,140

me and then he he touched his mouth and

1135

00:51:03,530 --> 00:51:01,260

the kind of a steamed Vapor come out of

1136

00:51:07,970 --> 00:51:03,540

his mouth and it lit up his face so I

1137

00:51:10,309 --> 00:51:07,980

could see some detail and then I blacked

1138

00:51:13,370 --> 00:51:10,319

out when that steam hitting me kind of

1139

00:51:15,950 --> 00:51:13,380

took the air from me and I'd gas for air

1140

00:51:17,750 --> 00:51:15,960

and then black out and it fell over my

1141

00:51:20,510 --> 00:51:17,760

bow that's the only thing that kept me

1142

00:51:23,089 --> 00:51:20,520

in the tree and then so I figured they

1143

00:51:24,069 --> 00:51:23,099

were out to get me then the eyes of this

1144

00:51:27,349 --> 00:51:24,079

other

1145

00:51:29,870 --> 00:51:27,359

creature like the robot what did that

1146

00:51:32,569 --> 00:51:29,880

look like to you and it had kind of like

1147

00:51:35,390 --> 00:51:32,579

fire it's kind of a orange reddish

1148

00:51:37,309 --> 00:51:35,400

orange in our yellowish orange it kind

1149

00:51:39,770 --> 00:51:37,319

of flickered like fire and they're about

1150

00:51:43,010 --> 00:51:39,780

the same diameter as about two inches in

1151  
00:51:46,250 --> 00:51:43,020  
diameter as the humanoids I had a 60

1152  
00:51:48,470 --> 00:51:46,260  
pound bow which is a very high velocity

1153  
00:51:51,230 --> 00:51:48,480  
it seems how the robot's the only thing

1154  
00:51:53,630 --> 00:51:51,240  
that was causing me harm I shot the

1155  
00:51:56,390 --> 00:51:53,640  
chest area and it had the velocity of a

1156  
00:51:58,790 --> 00:51:56,400  
rifle at that at that distance because

1157  
00:52:02,329 --> 00:51:58,800  
I'm only about seven eight feet from him

1158  
00:52:05,089 --> 00:52:02,339  
and it when I hit the chest the Sparks

1159  
00:52:08,089 --> 00:52:05,099  
would fly like an arc welder kinda and

1160  
00:52:10,910 --> 00:52:08,099  
then that that robot backed up and

1161  
00:52:13,549 --> 00:52:10,920  
almost knocked him down he kind of fell

1162  
00:52:16,250 --> 00:52:13,559  
back against a rock and then I ran out

1163  
00:52:19,190 --> 00:52:16,260

of uh arrows so I only had three left

1164

00:52:22,730 --> 00:52:19,200

and I thought well I had that's when

1165

00:52:26,210 --> 00:52:22,740

Paul made Herod is just I mean the cap I

1166

00:52:28,250 --> 00:52:26,220

had on was just soaked with oil this is

1167

00:52:31,730 --> 00:52:28,260

for your hair yeah from my hair yeah

1168

00:52:34,549 --> 00:52:31,740

yeah yeah Pomade and I always carried

1169

00:52:37,549 --> 00:52:34,559

all kinds of books in matches with me

1170

00:52:39,410 --> 00:52:37,559

when I hunted and so I lit that cap and

1171

00:52:41,990 --> 00:52:39,420

it just blazed up and I dropped it down

1172

00:52:45,890 --> 00:52:42,000

the base of the tree and just in that

1173

00:52:50,329 --> 00:52:45,900

instant they they moved back about 12 15

1174

00:52:54,049 --> 00:52:50,339

feet and the the I glanced over at the

1175

00:52:56,210 --> 00:52:54,059

ship that was uh over the canyon kind of

1176  
00:52:58,430 --> 00:52:56,220  
almost level with me and it was almost

1177  
00:53:00,950 --> 00:52:58,440  
out of sight it was just like a star it

1178  
00:53:03,230 --> 00:53:00,960  
moved that fast just in that second so

1179  
00:53:05,990 --> 00:53:03,240  
then I got the idea that they're scared

1180  
00:53:09,049 --> 00:53:06,000  
of fire so I I burned everything but my

1181  
00:53:12,650 --> 00:53:09,059  
t-shirt my jeans and come to find out

1182  
00:53:15,349 --> 00:53:12,660  
later on that it was 32 degrees out and

1183  
00:53:17,089 --> 00:53:15,359  
I was shaking and kind of Overexposed

1184  
00:53:19,190 --> 00:53:17,099  
for the weather well when I throw

1185  
00:53:22,670 --> 00:53:19,200  
through my after my hat I threw my

1186  
00:53:25,130 --> 00:53:22,680  
canteen down and they they picked it up

1187  
00:53:28,130 --> 00:53:25,140  
and looked at it and threw it back down

1188  
00:53:30,290 --> 00:53:28,140

when I run out of stuff to burn I headed

1189

00:53:33,710 --> 00:53:30,300

for the top of the tree and then then

1190

00:53:36,290 --> 00:53:33,720

I'd I'd uh it was pretty sparse tree I

1191

00:53:38,450 --> 00:53:36,300

could see down to the ground and I broke

1192

00:53:41,750 --> 00:53:38,460

off the top and threw it down and

1193

00:53:44,690 --> 00:53:41,760

anytime I throw down or or shake the

1194

00:53:46,430 --> 00:53:44,700

tree these humanoids would back up when

1195

00:53:48,829 --> 00:53:46,440

I was up in the top of that tree I

1196

00:53:51,049 --> 00:53:48,839

thought about just jumping off and

1197

00:53:52,730 --> 00:53:51,059

jumping down the canyon and just killing

1198

00:53:55,549 --> 00:53:52,740

myself but the only thing that kept me

1199

00:54:01,130 --> 00:53:55,559

going is I had the little girl my wife

1200

00:54:01,140 --> 00:54:08,690

foreign

1201  
00:54:22,730 --> 00:54:19,510

[Music]

1202  
00:54:26,150 --> 00:54:22,740

Irwin was a Nike missile technician at

1203  
00:54:30,470 --> 00:54:26,160

Fort Bliss in El Paso Texas on February

1204  
00:54:33,829 --> 00:54:30,480

28 1959 he was driving back from Nampa

1205  
00:54:36,950 --> 00:54:33,839

Idaho where he'd been on leave at Cedar

1206  
00:54:40,250 --> 00:54:36,960

City Utah he turned Southeast onto Route

1207  
00:54:42,770 --> 00:54:40,260

14 about six miles from the turn off he

1208  
00:54:44,750 --> 00:54:42,780

spotted a glowing object that seemed to

1209  
00:54:46,670 --> 00:54:44,760

come to Earth in a field just off the

1210  
00:54:50,030 --> 00:54:46,680

road thinking he had seen an airplane

1211  
00:54:51,410 --> 00:54:50,040

crash or at least a forced Landing he

1212  
00:54:54,170 --> 00:54:51,420

stopped to see if he could give

1213  
00:54:56,569 --> 00:54:54,180

assistance he wrote a note and placed it

1214

00:54:59,390 --> 00:54:56,579

on the steering wheel of his car it read

1215

00:55:02,270 --> 00:54:59,400

quote have gone to investigate possible

1216

00:55:06,470 --> 00:55:02,280

plane crash please call Law Enforcement

1217

00:55:08,630 --> 00:55:06,480

Officers end quote then he wrote stop in

1218

00:55:11,270 --> 00:55:08,640

large letters on the side of his car

1219

00:55:13,250 --> 00:55:11,280

about 30 minutes later a fish and game

1220

00:55:16,250 --> 00:55:13,260

inspector happened to be driving past

1221

00:55:18,049 --> 00:55:16,260

and stopped at Irwin's car he saw the

1222

00:55:21,049 --> 00:55:18,059

note and took it to the Cedar City

1223

00:55:23,329 --> 00:55:21,059

Sheriff's Office where Sheriff Otto Fife

1224

00:55:25,670 --> 00:55:23,339

gathered a party of volunteers and

1225

00:55:28,430 --> 00:55:25,680

returned to the site when they searched

1226

00:55:30,230 --> 00:55:28,440

they found no trace of a plane crash but

1227

00:55:32,809 --> 00:55:30,240

they found private Gary Irwin

1228

00:55:35,990 --> 00:55:32,819

unconscious in a field by the side of

1229

00:55:38,750 --> 00:55:36,000

the road 90 minutes had passed since he

1230

00:55:41,030 --> 00:55:38,760

had first seen the glowing object Irwin

1231

00:55:43,670 --> 00:55:41,040

was taken to the hospital in Cedar City

1232

00:55:45,890 --> 00:55:43,680

where Dr Broadbent could find nothing

1233

00:55:48,530 --> 00:55:45,900

physically wrong with him Irwin was

1234

00:55:51,410 --> 00:55:48,540

merely asleep and could not be awakened

1235

00:55:54,530 --> 00:55:51,420

Dr Broadbent could find no explanation

1236

00:55:56,809 --> 00:55:54,540

for this so his diagnosis was hysteria

1237

00:55:59,210 --> 00:55:56,819

when private Irwin eventually awoke he

1238

00:56:01,970 --> 00:55:59,220

felt perfectly well but he was mystified

1239

00:56:04,309 --> 00:56:01,980

by the glowing object he had seen he was

1240

00:56:06,710 --> 00:56:04,319

also confused by the fact that his

1241

00:56:09,230 --> 00:56:06,720

jacket was missing the sheriff's search

1242

00:56:11,450 --> 00:56:09,240

party stated that he was not wearing it

1243

00:56:13,430 --> 00:56:11,460

when they found him Irwin was flown back

1244

00:56:16,309 --> 00:56:13,440

to Fort Bliss and placed under

1245

00:56:18,589 --> 00:56:16,319

observation at William Beaumont Army

1246

00:56:21,349 --> 00:56:18,599

hospital for several days after which he

1247

00:56:24,170 --> 00:56:21,359

was released as fit to return to duty

1248

00:56:27,109 --> 00:56:24,180

the episode was not over yet though some

1249

00:56:29,270 --> 00:56:27,119

days later Irwin fainted on base and a

1250

00:56:31,910 --> 00:56:29,280

few days after that he fainted while in

1251

00:56:33,950 --> 00:56:31,920

the city of El Paso he was taken to

1252

00:56:36,470 --> 00:56:33,960

Southwest General Hospital where he was

1253

00:56:39,530 --> 00:56:36,480

found once again to be asleep and

1254

00:56:42,470 --> 00:56:39,540

unwakable about 24 hours later he awoke

1255

00:56:45,530 --> 00:56:42,480

asking quote were there any survivors he

1256

00:56:47,630 --> 00:56:45,540

behaved as if he had lost all memory of

1257

00:56:50,750 --> 00:56:47,640

the period between seeing the object on

1258

00:56:54,170 --> 00:56:50,760

February 28 in Utah and waking up on

1259

00:56:56,510 --> 00:56:54,180

March 16th in El Paso once again he was

1260

00:56:59,270 --> 00:56:56,520

taken to William Beaumont Army hospital

1261

00:57:02,450 --> 00:56:59,280

where he was placed under observation by

1262

00:57:04,370 --> 00:57:02,460

psychiatrists after one month extensive

1263

00:57:08,030 --> 00:57:04,380

testing could find nothing wrong with

1264

00:57:10,490 --> 00:57:08,040

him so he was released on April 17th the

1265

00:57:13,010 --> 00:57:10,500

next day Irwin was seized by a powerful

1266

00:57:16,010 --> 00:57:13,020

impulse that made him take a bus from El

1267

00:57:19,309 --> 00:57:16,020

Paso to Cedar City arriving on April

1268

00:57:21,410 --> 00:57:19,319

19th he then walked back to the field in

1269

00:57:24,470 --> 00:57:21,420

which the sheriff's party had found him

1270

00:57:26,809 --> 00:57:24,480

he found his jacket on a bush there was

1271

00:57:29,030 --> 00:57:26,819

a pencil stuck in one of its buttonholes

1272

00:57:31,609 --> 00:57:29,040

with a piece of paper while tightly

1273

00:57:33,710 --> 00:57:31,619

around it Irwin burned the paper and

1274

00:57:36,470 --> 00:57:33,720

then seemed to come out of some kind of

1275

00:57:38,930 --> 00:57:36,480

Trance he could not recall the path back

1276

00:57:40,970 --> 00:57:38,940

to the road or why he'd come there he

1277

00:57:43,309 --> 00:57:40,980

made his way back to Cedar City and

1278

00:57:45,710 --> 00:57:43,319

turned himself in to sheriff Otto Fife

1279

00:57:49,069 --> 00:57:45,720

who told Irwin about his first encounter

1280

00:57:51,349 --> 00:57:49,079

on the 28th of February once again Irwin

1281

00:57:54,410 --> 00:57:51,359

returned to Fort Bliss and was given

1282

00:57:56,809 --> 00:57:54,420

psychological examinations on July 10th

1283

00:57:59,329 --> 00:57:56,819

he again entered William Beaumont Army

1284

00:58:01,549 --> 00:57:59,339

hospital he was discharged again but on

1285

00:58:04,309 --> 00:58:01,559

August 1st he failed to report for Duty

1286

00:58:07,390 --> 00:58:04,319

and one month later he was listed as a

1287

00:58:10,309 --> 00:58:07,400

deserter after this private Gary Irwin

1288

00:58:13,730 --> 00:58:10,319

disappeared from the public View and his

1289

00:58:16,080 --> 00:58:13,740

current if he still is alive whereabouts

1290

00:58:23,450 --> 00:58:16,090

are unknown

1291

00:58:23,460 --> 00:58:31,930

thank you

1292

00:58:39,890 --> 00:58:37,130

December 14 1994 Trumbull County Ohio

1293

00:58:43,130 --> 00:58:39,900

just after midnight a series of calls

1294

00:58:45,730 --> 00:58:43,140

was received by 9-1-1 operators these

1295

00:58:49,190 --> 00:58:45,740

reports all involved one thing

1296

00:58:52,069 --> 00:58:49,200

low-flying UFOs the majority of these

1297

00:58:54,410 --> 00:58:52,079

calls were heard by dispatcher Roy Anne

1298

00:58:56,089 --> 00:58:54,420

Rudolph everything from somebody who's

1299

00:58:58,370 --> 00:58:56,099

casually stating they saw something in

1300

00:59:01,510 --> 00:58:58,380

the air to somebody who was hysterical

1301  
00:59:01,630 --> 00:59:01,520  
and and thought that this was Armageddon

1302  
00:59:04,490 --> 00:59:01,640  
[Music]

1303  
00:59:06,410 --> 00:59:04,500  
[Applause]

1304  
00:59:08,650 --> 00:59:06,420  
boys are just like moving at a slow rate

1305  
00:59:11,870 --> 00:59:08,660  
of speed

1306  
00:59:14,750 --> 00:59:11,880  
but it was coming down we just kind of

1307  
00:59:16,490 --> 00:59:14,760  
took it for okay this is people being

1308  
00:59:18,650 --> 00:59:16,500  
hysterical over a weather balloon or

1309  
00:59:20,990 --> 00:59:18,660  
this is people being hysterical over a

1310  
00:59:23,270 --> 00:59:21,000  
plane or a helicopter I wonder could you

1311  
00:59:25,190 --> 00:59:23,280  
have anyone call you about a strange

1312  
00:59:28,849 --> 00:59:25,200  
plane or airplane or something in the

1313  
00:59:30,410 --> 00:59:28,859

air again I was coming downstairs I

1314

00:59:32,870 --> 00:59:30,420

don't know what it was it was a flying

1315

00:59:34,730 --> 00:59:32,880

saucer what does it look like man it was

1316

00:59:37,490 --> 00:59:34,740

like a uh almost like an iridescent

1317

00:59:40,130 --> 00:59:37,500

color it was like a bluish purple

1318

00:59:43,190 --> 00:59:40,140

but because of the extraordinary number

1319

00:59:45,829 --> 00:59:43,200

of calls Rudolph decided to notify the

1320

00:59:48,349 --> 00:59:45,839

police of Liberty Township

1321

00:59:50,329 --> 00:59:48,359

the first police unit contacted thought

1322

00:59:52,250 --> 00:59:50,339

that the reports were probably nothing

1323

00:59:54,049 --> 00:59:52,260

to worry about and that a plane was

1324

00:59:56,690 --> 00:59:54,059

probably flying low

1325

00:59:59,569 --> 00:59:56,700

Sergeant Toby malloro was the first

1326

01:00:01,130 --> 00:59:59,579

officer on the scene

1327

01:00:02,750 --> 01:00:01,140

took a few minutes we kind of laughed

1328

01:00:05,690 --> 01:00:02,760

about it I believed that I was going to

1329

01:00:07,130 --> 01:00:05,700

see if anything a plane was Landing or a

1330

01:00:14,329 --> 01:00:07,140

plane was low

1331

01:00:18,890 --> 01:00:16,549

and as he proceeded down to Samson drive

1332

01:00:20,690 --> 01:00:18,900

to check out the lights he was informed

1333

01:00:22,430 --> 01:00:20,700

by a man on the street that the lights

1334

01:00:25,250 --> 01:00:22,440

were moving south

1335

01:00:28,130 --> 01:00:25,260

as miloro continued southerly his

1336

01:00:31,190 --> 01:00:28,140

Cruiser went dead as he attempted to

1337

01:00:33,650 --> 01:00:31,200

restart his vehicle it was engulfed by a

1338

01:00:36,049 --> 01:00:33,660

bright white light from above

1339

01:00:38,510 --> 01:00:36,059

startled and frightened he exited his

1340

01:00:40,609 --> 01:00:38,520

vehicle and stood outside looking up at

1341

01:00:43,490 --> 01:00:40,619

this giant object

1342

01:00:47,450 --> 01:00:43,500

circular in shape and intensely bright

1343

01:00:49,910 --> 01:00:47,460

in the center after about 30 seconds the

1344

01:00:53,089 --> 01:00:49,920

giant object started to move away and

1345

01:00:55,190 --> 01:00:53,099

the thing that was very strange was

1346

01:00:58,010 --> 01:00:55,200

there was no sound

1347

01:01:00,609 --> 01:00:58,020

after the object moves out of sight his

1348

01:01:03,289 --> 01:01:00,619

vehicle began to function normally again

1349

01:01:07,370 --> 01:01:03,299

trying to understand what he just seen

1350

01:01:10,250 --> 01:01:07,380

he took off in pursuit of the UFO Melora

1351  
01:01:12,770 --> 01:01:10,260  
was unable to keep Pace with this object

1352  
01:01:14,870 --> 01:01:12,780  
he called dispatch informing them what

1353  
01:01:16,490 --> 01:01:14,880  
he'd seen and gave the objects direction

1354  
01:01:19,130 --> 01:01:16,500  
of flight

1355  
01:01:21,470 --> 01:01:19,140  
soon the information spread to active

1356  
01:01:23,450 --> 01:01:21,480  
law enforcement units all across the

1357  
01:01:25,849 --> 01:01:23,460  
area in reports of the object's

1358  
01:01:28,130 --> 01:01:25,859  
Direction were used to triangulate the

1359  
01:01:31,030 --> 01:01:28,140  
object

1360  
01:01:36,289 --> 01:01:33,950  
this isn't funny anymore because it's

1361  
01:01:41,770 --> 01:01:36,299  
getting to the point where I don't know

1362  
01:01:46,190 --> 01:01:43,849  
you could see it like up in the air

1363  
01:01:49,630 --> 01:01:46,200

blowing and getting further away from me

1364

01:01:52,250 --> 01:01:49,640

people are serious they're very upset

1365

01:01:55,089 --> 01:01:52,260

I mean literally if you were underneath

1366

01:01:57,770 --> 01:01:55,099

it it would be like daylight

1367

01:02:01,370 --> 01:01:57,780

dispatcher Rudolph later stated that at

1368

01:02:03,890 --> 01:02:01,380

least 14 to 15 officers had seen the UFO

1369

01:02:05,930 --> 01:02:03,900

the reports of the object and its

1370

01:02:09,049 --> 01:02:05,940

movements were openly discussed among

1371

01:02:10,910 --> 01:02:09,059

the officers on the police radio police

1372

01:02:12,890 --> 01:02:10,920

dispatch with reports of the UFO

1373

01:02:15,950 --> 01:02:12,900

spreading to adjacent communities called

1374

01:02:18,289 --> 01:02:15,960

the local airport FAA control tower and

1375

01:02:21,049 --> 01:02:18,299

asked if they had anything unusual on

1376

01:02:26,450 --> 01:02:23,930

Francisco so we're reported some flying

1377

01:02:27,470 --> 01:02:26,460

object in our jurisdiction do you know

1378

01:02:29,289 --> 01:02:27,480

of anything that should be in our

1379

01:02:32,030 --> 01:02:29,299

airspace this time close to the ground

1380

01:02:34,329 --> 01:02:32,040

uh right this is not a prince Uncle I

1381

01:02:37,569 --> 01:02:34,339

swear you can call me back to verify

1382

01:02:42,109 --> 01:02:39,950

Youngstown and there is nothing out

1383

01:02:43,730 --> 01:02:42,119

there Lieutenant James Baker of the

1384

01:02:46,789 --> 01:02:43,740

Brookfield Township Police Department

1385

01:02:49,910 --> 01:02:46,799

was one of the officers monitoring the

1386

01:02:52,849 --> 01:02:49,920

Fantastic calls and he decided to have a

1387

01:02:55,849 --> 01:02:52,859

look for himself he climbed up into an

1388

01:02:57,890 --> 01:02:55,859

abandoned radar Tower in the area to get

1389

01:03:00,170 --> 01:02:57,900

a better look at this object

1390

01:03:03,589 --> 01:03:00,180

as he reached the top of the tower he

1391

01:03:05,450 --> 01:03:03,599

was shocked at what he saw not one but

1392

01:03:07,910 --> 01:03:05,460

three UFOs

1393

01:03:10,549 --> 01:03:07,920

all three objects were in a triangular

1394

01:03:13,250 --> 01:03:10,559

pattern with the middle object slightly

1395

01:03:15,470 --> 01:03:13,260

higher than the two on the side

1396

01:03:18,829 --> 01:03:15,480

also Baker stated that the object

1397

01:03:20,510 --> 01:03:18,839

changed colors in unison red yellow blue

1398

01:03:22,670 --> 01:03:20,520

and green

1399

01:03:24,950 --> 01:03:22,680

he reported his observations to the

1400

01:03:34,190 --> 01:03:24,960

other patrolmen on duty I got him right

1401

01:03:34,200 --> 01:03:40,930

[Applause]

1402

01:03:44,530 --> 01:03:42,069

[Music]

1403

01:03:49,609 --> 01:03:44,540

this is weird

1404

01:03:54,950 --> 01:03:52,609

uh please be a plane oh please

1405

01:03:57,589 --> 01:03:54,960

astronomers have tried to explain away

1406

01:03:59,390 --> 01:03:57,599

the sightings as simple stars that

1407

01:04:02,080 --> 01:03:59,400

appeared to be low in the sky and

1408

01:04:04,010 --> 01:04:02,090

appeared to be changing colors

1409

01:04:05,930 --> 01:04:04,020

[Music]

1410

01:04:08,990 --> 01:04:05,940

peace officer who saw the very intense

1411

01:04:12,109 --> 01:04:09,000

bright light very likely saw a fireball

1412

01:04:14,089 --> 01:04:12,119

a fireball is a very very bright meteor

1413

01:04:17,270 --> 01:04:14,099

that can be many times brighter than the

1414

01:04:19,010 --> 01:04:17,280

full moon I think the car stalling was

1415

01:04:22,069 --> 01:04:19,020

just a coincidence had nothing to do

1416

01:04:23,750 --> 01:04:22,079

with this whatsoever it obviously it had

1417

01:04:25,309 --> 01:04:23,760

to be involved in my Crews were shutting

1418

01:04:27,849 --> 01:04:25,319

down there was no problem with my car

1419

01:04:30,170 --> 01:04:27,859

because it started back up

1420

01:04:32,089 --> 01:04:30,180

I was told that it may have been the

1421

01:04:33,470 --> 01:04:32,099

planet Mercury it was not the planet

1422

01:04:35,390 --> 01:04:33,480

Mercury

1423

01:04:37,190 --> 01:04:35,400

some have theorized that the objects

1424

01:04:39,650 --> 01:04:37,200

seen by the policemen of Trumbull County

1425

01:04:42,049 --> 01:04:39,660

was a top secret craft from the

1426

01:04:45,470 --> 01:04:42,059

Youngstown Air Reserve Base

1427

01:04:48,109 --> 01:04:45,480

however Captain John Kitak from the base

1428

01:04:50,809 --> 01:04:48,119

stated that there were no planes or

1429

01:04:54,109 --> 01:04:50,819

experimental craft flying that night

1430

01:04:56,150 --> 01:04:54,119

here I can't you know speak for other

1431

01:04:57,470 --> 01:04:56,160

people who say they may or may not have

1432

01:05:00,829 --> 01:04:57,480

seen something

1433

01:05:02,510 --> 01:05:00,839

what I can talk from with authority is

1434

01:05:04,069 --> 01:05:02,520

what happened here at the base and what

1435

01:05:06,410 --> 01:05:04,079

our involvement was and there was

1436

01:05:08,930 --> 01:05:06,420

apparently none the policemen of Ohio

1437

01:05:11,690 --> 01:05:08,940

have spoken often about what they saw on

1438

01:05:14,510 --> 01:05:11,700

December 14 1994.

1439

01:05:17,390 --> 01:05:14,520

police cars that inexplicably stalled

1440

01:05:19,430 --> 01:05:17,400

light beams engulfing the vehicles one

1441

01:05:23,089 --> 01:05:19,440

or more structured craft of a nature

1442

01:05:25,730 --> 01:05:23,099

never seen before or since

1443

01:05:29,510 --> 01:05:25,740

the 1994 sightings of Trumbull County

1444

01:05:31,789 --> 01:05:29,520

have never been adequately explained and

1445

01:05:34,250 --> 01:05:31,799

as usual leave us with more questions

1446

01:05:36,230 --> 01:05:34,260

than answers I'm not saying what I

1447

01:05:39,410 --> 01:05:36,240

thought was it was a spaceship from

1448

01:05:42,410 --> 01:05:39,420

outer space okay what I'm saying is I

1449

01:05:44,930 --> 01:05:42,420

saw an object that was not normal for

1450

01:05:47,329 --> 01:05:44,940

this area it gave off an intense light

1451

01:05:50,569 --> 01:05:47,339

it shut my cruiser off including my

1452

01:05:52,849 --> 01:05:50,579

radio I lost contact with the 911 Center

1453

01:05:54,230 --> 01:05:52,859

and it didn't make any noise it's

1454

01:05:57,410 --> 01:05:54,240

something that I've never seen before

1455

01:05:59,210 --> 01:05:57,420

I've never encountered before and I

1456

01:06:02,150 --> 01:05:59,220

haven't encountered it since

1457

01:06:03,829 --> 01:06:02,160

I do believe that they saw something I

1458

01:06:05,450 --> 01:06:03,839

don't believe that it was a star there

1459

01:06:07,789 --> 01:06:05,460

was something there what I walked away

1460

01:06:09,829 --> 01:06:07,799

from that night was a feeling that this

1461

01:06:11,390 --> 01:06:09,839

was a lot bigger than just a couple

1462

01:06:14,750 --> 01:06:11,400

people saying they saw a light in the

1463

01:06:16,490 --> 01:06:14,760

sky and it made us think maybe a small

1464

01:06:20,150 --> 01:06:16,500

place like Trumbull County could have

1465

01:06:26,870 --> 01:06:24,589

Friday March 4th 1988 all four members

1466

01:06:29,750 --> 01:06:26,880

of the baker family were driving home

1467

01:06:33,410 --> 01:06:29,760

following their usual Friday night meal

1468

01:06:35,630 --> 01:06:33,420

it was a little after 8 30 p.m Henry the

1469

01:06:37,730 --> 01:06:35,640

father was driving and the two children

1470

01:06:39,950 --> 01:06:37,740

were in the back seat the heavily

1471

01:06:42,589 --> 01:06:39,960

pregnant Sheila the mother looked out

1472

01:06:43,970 --> 01:06:42,599

the passenger window at the Frozen Lake

1473

01:06:47,210 --> 01:06:43,980

Erie

1474

01:06:50,569 --> 01:06:47,220

the ice almost shined in the Moonlight

1475

01:06:53,329 --> 01:06:50,579

then she saw something strangely lit

1476  
01:06:55,370 --> 01:06:53,339  
looking as if it was rocking on the

1477  
01:06:57,529 --> 01:06:55,380  
surface of the lake

1478  
01:06:59,750 --> 01:06:57,539  
she nudged her husband who took his

1479  
01:07:02,990 --> 01:06:59,760  
attention away from the road

1480  
01:07:04,789 --> 01:07:03,000  
he could see it also that Sheila's

1481  
01:07:07,789 --> 01:07:04,799  
insistence he would turn the car's

1482  
01:07:09,770 --> 01:07:07,799  
direction towards the Waterfront once

1483  
01:07:11,630 --> 01:07:09,780  
there they instructed their sons to

1484  
01:07:14,270 --> 01:07:11,640  
remain in the vehicle

1485  
01:07:16,789 --> 01:07:14,280  
they stepped out into the cold night and

1486  
01:07:18,349 --> 01:07:16,799  
began to cautiously make their way to

1487  
01:07:20,990 --> 01:07:18,359  
the water's edge

1488  
01:07:23,390 --> 01:07:21,000

the lights were still there

1489

01:07:25,670 --> 01:07:23,400

what Sheila first noticed though were

1490

01:07:28,130 --> 01:07:25,680

sounds that appeared to be the ice of

1491

01:07:30,650 --> 01:07:28,140

the frozen lake cracking

1492

01:07:33,349 --> 01:07:30,660

she would liken them to collapse of

1493

01:07:35,750 --> 01:07:33,359

Thunder as they got as near as they

1494

01:07:38,390 --> 01:07:35,760

could without stepping on the ice they

1495

01:07:40,849 --> 01:07:38,400

could clearly make out a football shaped

1496

01:07:43,789 --> 01:07:40,859

object with bright white lights at

1497

01:07:46,670 --> 01:07:43,799

either end the object itself appeared to

1498

01:07:49,190 --> 01:07:46,680

be of a gunmetal gray color and was

1499

01:07:52,190 --> 01:07:49,200

hovering overhead as opposed to being on

1500

01:07:54,710 --> 01:07:52,200

the surface despite the obvious movement

1501  
01:07:56,270 --> 01:07:54,720  
the strange craft made no noise

1502  
01:07:59,270 --> 01:07:56,280  
whatsoever

1503  
01:08:00,950 --> 01:07:59,280  
all Sheila could hear were the sounds of

1504  
01:08:03,230 --> 01:08:00,960  
cracking ice

1505  
01:08:05,930 --> 01:08:03,240  
suddenly as if it had become aware of

1506  
01:08:09,049 --> 01:08:05,940  
their presence the objects swung towards

1507  
01:08:11,270 --> 01:08:09,059  
them heading in their Direction panicked

1508  
01:08:13,370 --> 01:08:11,280  
and frightened the couple turned and ran

1509  
01:08:15,410 --> 01:08:13,380  
back to their car

1510  
01:08:19,070 --> 01:08:15,420  
Henry would drive the remainder of the

1511  
01:08:21,349 --> 01:08:19,080  
journey completely uneasy once the

1512  
01:08:23,510 --> 01:08:21,359  
Bakers arrived at their home and settled

1513  
01:08:25,249 --> 01:08:23,520

their children to bed Sheila would

1514

01:08:28,130 --> 01:08:25,259

contact the police to report the

1515

01:08:30,110 --> 01:08:28,140

sighting the police would tell her that

1516

01:08:32,930 --> 01:08:30,120

she would have to make the report to the

1517

01:08:34,970 --> 01:08:32,940

Coast Guard she did and despite their

1518

01:08:37,309 --> 01:08:34,980

initial refusal to deal with the case

1519

01:08:39,970 --> 01:08:37,319

they eventually agreed to pick them up

1520

01:08:42,950 --> 01:08:39,980

and take them back to the Waterfront

1521

01:08:44,749 --> 01:08:42,960

meanwhile The Bakers could clearly see

1522

01:08:46,910 --> 01:08:44,759

the object hovering over the lake from

1523

01:08:49,669 --> 01:08:46,920

the window of their house

1524

01:08:52,910 --> 01:08:49,679

as they watched six independent

1525

01:08:55,910 --> 01:08:52,920

triangular objects suddenly emerged from

1526  
01:08:58,309 --> 01:08:55,920  
the larger craft they would move around

1527  
01:09:02,269 --> 01:08:58,319  
the main object in a darting motion

1528  
01:09:04,430 --> 01:09:02,279  
before halting to a complete stop these

1529  
01:09:06,950 --> 01:09:04,440  
triangular objects would then move in

1530  
01:09:09,229 --> 01:09:06,960  
the direction of the peri-nuclear power

1531  
01:09:11,150 --> 01:09:09,239  
plant nearby

1532  
01:09:12,950 --> 01:09:11,160  
The Bakers would ask their neighbor to

1533  
01:09:14,570 --> 01:09:12,960  
watch their children and when the Coast

1534  
01:09:16,370 --> 01:09:14,580  
Guard arrived they would accompanied

1535  
01:09:18,950 --> 01:09:16,380  
them back to the lake

1536  
01:09:21,950 --> 01:09:18,960  
according to the officers James power

1537  
01:09:24,590 --> 01:09:21,960  
and John knob several other reports

1538  
01:09:26,930 --> 01:09:24,600

including from their own employees had

1539

01:09:29,150 --> 01:09:26,940

come in regarding the object

1540

01:09:31,910 --> 01:09:29,160

as the Coast Guard's vehicle pulled up

1541

01:09:34,610 --> 01:09:31,920

at the waterfront the smaller triangular

1542

01:09:36,289 --> 01:09:34,620

objects were once again circling the

1543

01:09:38,209 --> 01:09:36,299

main craft

1544

01:09:41,809 --> 01:09:38,219

as soon as the coast guards open their

1545

01:09:43,729 --> 01:09:41,819

car doors the sound of rumbling ice met

1546

01:09:46,430 --> 01:09:43,739

everyone's ears

1547

01:09:48,890 --> 01:09:46,440

this noise was constant as if the

1548

01:09:52,430 --> 01:09:48,900

object's purpose was to crack the ice

1549

01:09:55,010 --> 01:09:52,440

and gain access to the water below

1550

01:09:58,370 --> 01:09:55,020

the coast guards report would state that

1551  
01:10:00,709 --> 01:09:58,380  
the ice was crackling and moving

1552  
01:10:03,530 --> 01:10:00,719  
whenever the object came closer to the

1553  
01:10:04,790 --> 01:10:03,540  
surface the cracking sounds became more

1554  
01:10:06,950 --> 01:10:04,800  
intense

1555  
01:10:08,870 --> 01:10:06,960  
the coast guards would radio back to

1556  
01:10:12,050 --> 01:10:08,880  
their control base stating that the

1557  
01:10:14,330 --> 01:10:12,060  
quote objects appear to be landing on

1558  
01:10:16,669 --> 01:10:14,340  
the lake the coast guards would continue

1559  
01:10:18,110 --> 01:10:16,679  
to advise the control room of the

1560  
01:10:20,570 --> 01:10:18,120  
situation

1561  
01:10:23,090 --> 01:10:20,580  
as the Triangular craft became more

1562  
01:10:25,430 --> 01:10:23,100  
active once more they would report that

1563  
01:10:27,890 --> 01:10:25,440

the other objects were moving all around

1564

01:10:28,910 --> 01:10:27,900

and they were going at high rates of

1565

01:10:31,370 --> 01:10:28,920

speed

1566

01:10:34,010 --> 01:10:31,380

as Sheila and Henry along with the two

1567

01:10:36,470 --> 01:10:34,020

coast guards continued to watch the

1568

01:10:39,169 --> 01:10:36,480

fascinating display they noticed one of

1569

01:10:42,229 --> 01:10:39,179

the triangles suddenly turn in their

1570

01:10:44,390 --> 01:10:42,239

Direction it was heading straight for

1571

01:10:46,729 --> 01:10:44,400

the Coast Guard's vehicle

1572

01:10:49,490 --> 01:10:46,739

right before what seemed to be an

1573

01:10:52,729 --> 01:10:49,500

inevitable impact the object veered

1574

01:10:55,370 --> 01:10:52,739

upwards in a blur of light

1575

01:10:58,430 --> 01:10:55,380

it then returned to the main large craft

1576

01:10:59,990 --> 01:10:58,440

as did all the other smaller triangular

1577

01:11:02,870 --> 01:11:00,000

objects

1578

01:11:05,689 --> 01:11:02,880

all the while the sound of ice cracking

1579

01:11:08,030 --> 01:11:05,699

continued it seemed that the previously

1580

01:11:10,910 --> 01:11:08,040

bright white lights of the craft were

1581

01:11:14,870 --> 01:11:10,920

now beginning to flash and glow in a

1582

01:11:17,390 --> 01:11:14,880

display of red blue orange and green

1583

01:11:20,090 --> 01:11:17,400

the craft itself appeared to be

1584

01:11:22,189 --> 01:11:20,100

descending the lights went out for a

1585

01:11:25,130 --> 01:11:22,199

second and then returned

1586

01:11:28,149 --> 01:11:25,140

and then without warning the lights and

1587

01:11:31,130 --> 01:11:28,159

the rumbling noise were gone completely

1588

01:11:34,370 --> 01:11:31,140

the Witnesses were not clear if the

1589

01:11:37,490 --> 01:11:34,380

craft had sped away or if the lights had

1590

01:11:39,290 --> 01:11:37,500

simply gone out perhaps it was still

1591

01:11:42,189 --> 01:11:39,300

hovering over the ice

1592

01:11:44,930 --> 01:11:42,199

only now they couldn't see it

1593

01:11:48,110 --> 01:11:44,940

Sheila though would voice her suspicion

1594

01:11:51,110 --> 01:11:48,120

for reasons she doesn't know that this

1595

01:11:53,890 --> 01:11:51,120

object plunged directly below the ice

1596

01:11:56,630 --> 01:11:53,900

and into the Frozen Waters

1597

01:11:58,669 --> 01:11:56,640

although several of the small triangular

1598

01:12:00,530 --> 01:11:58,679

objects were seen flying directly

1599

01:12:04,729 --> 01:12:00,540

overhead a little later that evening

1600

01:12:06,830 --> 01:12:04,739

this large craft didn't reappear one of

1601

01:12:09,169 --> 01:12:06,840

the coast guards would report that the

1602

01:12:11,870 --> 01:12:09,179

Triangular crafts behaved as though they

1603

01:12:14,330 --> 01:12:11,880

were scouting the area

1604

01:12:17,630 --> 01:12:14,340

none of the coast guards could identify

1605

01:12:20,750 --> 01:12:17,640

any of the objects they had witnessed in

1606

01:12:25,070 --> 01:12:20,760

the Lake Erie close encounter remains to

1607

01:12:59,270 --> 01:12:27,270

foreign

1608

01:13:08,140 --> 01:12:59,280

[Music]

1609

01:13:11,169 --> 01:13:08,150

[Applause]

1610

01:13:14,149 --> 01:13:11,179

[Music]

1611

01:13:15,950 --> 01:13:14,159

is produced by Third Kind Productions in
