

HOW THE
TIC TAC UFO
INCIDENT CHANGED
MY LIFE

FEATURING

KEVIN DAY

1
00:00:10,910 --> 00:00:03,169

[Music]

2
00:00:15,890 --> 00:00:14,150

UAB UFO if you will

3
00:00:17,450 --> 00:00:15,900

um to make a long story short because

4
00:00:20,090 --> 00:00:17,460

that's not really the focus of this

5
00:00:22,609 --> 00:00:20,100

interview I I retired and I immediately

6
00:00:25,189 --> 00:00:22,619

went to work for a defense contractor

7
00:00:27,290 --> 00:00:25,199

and also my personality started to

8
00:00:29,630 --> 00:00:27,300

change man and I was like what the hell

9
00:00:31,669 --> 00:00:29,640

is going on with me I and my whole

10
00:00:32,690 --> 00:00:31,679

family thought I had gone insane I think

11
00:00:35,810 --> 00:00:32,700

because

12
00:00:37,729 --> 00:00:35,820

I was on a career path to retire a

13
00:00:39,889 --> 00:00:37,739

second income and Social Security too

14

00:00:42,290 --> 00:00:39,899

and moved to Hawaii live in a beach

15

00:00:44,150 --> 00:00:42,300

house instead I was back there in the

16

00:00:45,830 --> 00:00:44,160

wilderness

17

00:00:49,330 --> 00:00:45,840

think about that

18

00:00:53,029 --> 00:00:49,340

sleeping in a tank my point is

19

00:00:58,010 --> 00:00:55,430

UEFA is real I don't know what it is but

20

00:01:00,049 --> 00:00:58,020

it's real and if you

21

00:01:03,410 --> 00:01:00,059

encounter it

22

00:01:04,789 --> 00:01:03,420

it could very well change YouTube and I

23

00:01:06,410 --> 00:01:04,799

don't want the rest of the world to go

24

00:01:08,149 --> 00:01:06,420

through what I had to go through and a

25

00:01:10,730 --> 00:01:08,159

lot of other people I didn't know what

26
00:01:14,149 --> 00:01:10,740
the blank feeling their customer was

27
00:01:17,090 --> 00:01:14,159
wrong with me but if people expect to be

28
00:01:18,770 --> 00:01:17,100
changed and abrasive because the changes

29
00:01:21,289 --> 00:01:18,780
ended up being good

30
00:01:23,570 --> 00:01:21,299
you know you end up gaining new

31
00:01:27,170 --> 00:01:23,580
Inspirations uh new Ambitions new

32
00:01:29,929 --> 00:01:27,180
talents believe it or not new skills you

33
00:01:32,510 --> 00:01:29,939
gain a compassion for the planet for

34
00:01:35,330 --> 00:01:32,520
People for Animals

35
00:01:36,170 --> 00:01:35,340
I know I might sound crazy but it's a

36
00:01:41,450 --> 00:01:36,180
fact

37
00:01:41,460 --> 00:01:44,749
expect change
