[Music]

3
00:01:34,210 --> 00:00:41,600

foreign

4
00:02:07,020 --> 00:01:53,580

[Music]

5
00:02:32,770 --> 00:02:07,030

[Applause]

6
00:02:32,780 --> 00:02:45,430

thank you

7
00:02:57,470 --> 00:02:47,869

there's nothing to hack there's nothing

8
00:03:05,210 --> 00:03:01,490

what's up guys welcome to somewhere in

9
00:03:07,490 --> 00:03:05,220

the live stream episode 11. we are back

10
00:03:09,890 --> 00:03:07,500

we're back I'm in New York City right

11
00:03:12,170 --> 00:03:09,900

now you can't tell by my background I

12
00:03:15,170 --> 00:03:12,180

had an awesome background for you guys

13
00:03:17,149 --> 00:03:15,180

of the Manhattan skyline but the sun is

14

00:03:20,330 --> 00:03:17,159

drowning it out right now so it just

15

00:03:21,710 --> 00:03:20,340

looks white and bleached out so um

16

00:03:24,350 --> 00:03:21,720

instead you're just getting this white

17

00:03:26,930 --> 00:03:24,360

backdrop for today hopefully I'll have

18

00:03:28,430 --> 00:03:26,940

some more uh live streams from New York

19

00:03:29,869 --> 00:03:28,440

at some point where you can see this

20

00:03:32,750 --> 00:03:29,879

beautiful city

21

00:03:34,250 --> 00:03:32,760

um but anyways welcome thank you to all

22

00:03:36,589 --> 00:03:34,260

of you for being here tonight thank you

23

00:03:39,649 --> 00:03:36,599

to all of you who wished me well over

24

00:03:41,930 --> 00:03:39,659

these turbulent last couple weeks of

25

00:03:45,229 --> 00:03:41,940

somewhere in the skies um it's been a

26
00:03:47,750 --> 00:03:45,239
whirlwind I've been from London to New

27
00:03:51,770 --> 00:03:47,760
York City to Hawaii back to New York

28
00:03:54,050 --> 00:03:51,780
City and back to Scotland very soon and

29
00:03:57,830 --> 00:03:54,060
um I had a I guess quote-unquote injury

30
00:04:00,649 --> 00:03:57,840
while in Hawaii with my my ears and and

31
00:04:04,250 --> 00:04:00,659
I mean basically or was basically like

32
00:04:06,350 --> 00:04:04,260
90 deaf I could not hear anything it was

33
00:04:08,089 --> 00:04:06,360
an absolute nightmare

34
00:04:10,309 --> 00:04:08,099
um I won't go into specifics but I'm

35
00:04:13,309 --> 00:04:10,319
doing much better uh I'd say I'm

36
00:04:15,170 --> 00:04:13,319
probably at like 70 hearing uh I can

37
00:04:17,090 --> 00:04:15,180
actually hear that siren outside right

38
00:04:18,170 --> 00:04:17,100

now which I would not have been able to

39

00:04:21,409 --> 00:04:18,180

do

40

00:04:23,210 --> 00:04:21,419

um mere days ago so um slowly slowly on

41

00:04:25,370 --> 00:04:23,220

00:05:04,430 --> 00:05:02,040

questions and comments and it uh goes

56

00:05:07,490 --> 00:05:04,440

right back in to making the show bigger

57

00:05:09,950 --> 00:05:07,500

the skies this is a live stream we do

pretty much every Sunday here at 4 pm

64

00:05:28,310 --> 00:05:26,160

Eastern Standard 9 pm UK time and um

65

00:05:30,590 --> 00:05:28,320

it's just a great way for us to have

66

00:05:32,510 --> 00:05:30,600

some casual conversation about what's

67

00:05:34,730 --> 00:05:32,520

going on in the UFO World

68

00:05:36,230 --> 00:05:34,740

um I like to highlight podcasts of the

69

00:05:38,870 --> 00:05:36,240

week you know there's a lot of other

70

00:05:41,270 --> 00:05:38,880

shows out there that cover these topics

71

00:05:43,189 --> 00:05:41,280

and I like to highlight when colleagues

72

00:05:44,629 --> 00:05:43,199

and friends are doing great work so

73

00:05:46,850 --> 00:05:44,639

we've got those for you tonight some

74

00:05:49,129 --> 00:05:46,860

great podcast highlights

75

00:05:52,969 --> 00:05:49,139

um what else do we have we have UFO news

76
00:05:55,070 --> 00:05:52,979
breaking news for you today of the UFO

77
00:05:57,290 --> 00:05:55,080
hearing that's going to be taking place

78
00:05:59,810 --> 00:05:57,300
this week really really cool so we'll

79
00:06:02,210 --> 00:05:59,820
dive into that we've got some

80
00:06:04,010 --> 00:06:02,220
interesting stories for sure but before

81
00:06:06,650 --> 00:06:04,020
I do any of that

82
00:06:09,409 --> 00:06:06,660
um Andy Andy mcgrillin of that UFO

83
00:06:10,670 --> 00:06:09,419
podcast a wonderful wonderful buddy and

84
00:06:14,150 --> 00:06:10,680
colleague of mine

85
00:06:16,909 --> 00:06:14,160
um he actually moved the time of his uh

86
00:06:19,909 --> 00:06:16,919
broadcast tonight because he saw that I

87
00:06:21,590 --> 00:06:19,919
was doing one at the same time uh so I

88
00:06:23,270 --> 00:06:21,600

wanted to thank him for that oh we're

89

00:06:24,830 --> 00:06:23,280

always looking out for each other you

90

00:06:26,930 --> 00:06:24,840

know whether it's with guests that we

91

00:06:29,390 --> 00:06:26,940

have on because sometimes we get reached

92

00:06:30,890 --> 00:06:29,400

out to you by uh PR people and they want

93

00:06:33,230 --> 00:06:30,900

us to have their guests on to interview

94

00:06:35,510 --> 00:06:33,240

and uh we end up interviewing the same

95

00:06:37,550 --> 00:06:35,520

people around the same time so we always

96

00:06:38,689 --> 00:06:37,560

coordinate with one another to make sure

97

00:06:41,090 --> 00:06:38,699

we're not always stepping on each

98

00:06:43,730 --> 00:06:41,100

other's uh toes and that's what you do

99

00:06:46,070 --> 00:06:43,740

in this world it's for the podcasting so

100

00:06:48,110 --> 00:06:46,080

um yeah Special thanks to Andy for doing

101
00:06:50,629 --> 00:06:48,120
that and right after you watch this head

102
00:06:53,210 --> 00:06:50,639
on over to that UFO podcast on YouTube

103
00:06:55,430 --> 00:06:53,220
and you can watch his interview with

104
00:06:56,809 --> 00:06:55,440
Darcy Weir the filmmaker um they're

105
00:06:59,870 --> 00:06:56,819
going to be talking about his brand new

106
00:07:01,189 --> 00:06:59,880
film about the Apollo missions and what

107
00:07:04,189 --> 00:07:01,199
those might have to do with a possible

108
00:07:06,830 --> 00:07:04,199
secret space program UFOs in all of that

109
00:07:09,050 --> 00:07:06,840
so be sure to check that out at 10 pm UK

110
00:07:11,210 --> 00:07:09,060
time over on Andy's Channel I'm going to

111
00:07:13,490 --> 00:07:11,220
try to get things going quick so that we

112
00:07:15,409 --> 00:07:13,500
don't uh intersect too much with that

113
00:07:18,650 --> 00:07:15,419

um and then it'll be on his podcast feed

114

00:07:20,570 --> 00:07:18,660

very soon as well

115

00:07:24,050 --> 00:07:20,580

um let's not waste any more time guys

116

00:07:27,110 --> 00:07:24,060

let's get to the UFO news of the week

117

00:07:28,969 --> 00:07:27,120

and let me pull this up here

118

00:07:33,110 --> 00:07:28,979

there it is this is probably the big

119

00:07:36,469 --> 00:07:33,120

story of the week Senate to hold new UAP

120

00:07:39,770 --> 00:07:36,479

hearings on April 19th Senator Kirsten

121

00:07:42,950 --> 00:07:39,780

gillibrand and Sean Kirkpatrick to be

122

00:07:45,110 --> 00:07:42,960

present so this is crazy

123

00:07:47,150 --> 00:07:45,120

um I know the pinned comment I've got

124

00:07:49,670 --> 00:07:47,160

here on YouTube I asked what do you guys

125

00:07:51,650 --> 00:07:49,680

think is going to happen at these

126

00:07:53,930 --> 00:07:51,660

hearings so please put your comments

127

00:07:56,510 --> 00:07:53,940

either in the live chat right now or put

128

00:07:58,490 --> 00:07:56,520

them actually in the comments below so

129

00:08:00,589 --> 00:07:58,500

they will stay there um and we'll see

130

00:08:02,510 --> 00:08:00,599

any predictions on what you think will

131

00:08:05,210 --> 00:08:02,520

happen at this hearing this upcoming

132

00:08:07,270 --> 00:08:05,220

week but let me go ahead and read this

133

00:08:09,710 --> 00:08:07,280

little bit about the upcoming hearings

134

00:08:11,629 --> 00:08:09,720

Cole Stevens press secretary for the

135

00:08:13,969 --> 00:08:11,639

United States Senate committee on armed

136

00:08:16,610 --> 00:08:13,979

services confirmed that the emerging

137

00:08:19,969 --> 00:08:16,620

threats and capability subcommittee will

138

00:08:22,369 --> 00:08:19,979

be holding a new open hearing on UAP Dr

139

00:08:25,010 --> 00:08:22,379

Sean Kirkpatrick head of the all domain

140

00:08:27,050 --> 00:08:25,020

anomaly resolution office or Arrow will

141

00:08:28,850 --> 00:08:27,060

be speaking at the hearing this

142

00:08:31,070 --> 00:08:28,860

announcement comes after senator

143

00:08:32,889 --> 00:08:31,080

gillibrand from New York chair of the

144

00:08:36,350 --> 00:08:32,899

subcommittee expressed frustration

145

00:08:38,029 --> 00:08:36,360

publicly during the March 28 meeting on

146

00:08:40,730 --> 00:08:38,039

the Department of Defense budget request

147

00:08:43,909 --> 00:08:40,740

for fiscal year 2024 over the failure to

148

00:08:47,509 --> 00:08:43,919

fully fund the arrow office for a second

149

00:08:49,190 --> 00:08:47,519

year in a row our new UFO office has not

150

00:08:52,009 --> 00:08:49,200

been getting the money they were

151
00:08:53,990 --> 00:08:52,019
promised so she's pissed she wants to

152
00:08:56,570 --> 00:08:54,000
know why she's one of the people who who

153
00:08:58,310 --> 00:08:56,580
kind of really got this thing going and

154
00:09:00,590 --> 00:08:58,320
uh she wants to know why they're not

155
00:09:04,310 --> 00:09:00,600
getting the respect and financial

156
00:09:06,110 --> 00:09:04,320
respect that they deserve so maybe we'll

157
00:09:08,090 --> 00:09:06,120
hear her air some more of those

158
00:09:10,310 --> 00:09:08,100
grievances at this hearing but I think

159
00:09:12,230 --> 00:09:10,320
what's most important is that Sean

160
00:09:15,530 --> 00:09:12,240
Kirkpatrick is going to be speaking

161
00:09:17,329 --> 00:09:15,540
publicly for the very first time really

162
00:09:19,910 --> 00:09:17,339
um to the public about what arrow is

163
00:09:22,190 --> 00:09:19,920

doing what they're investigating

164

00:09:24,650 --> 00:09:22,200

um and kind of like his elevator pitch

165

00:09:27,829 --> 00:09:24,660

for what's going on over there at Arrow

166

00:09:29,509 --> 00:09:27,839

so that's going to be really interesting

167

00:09:33,170 --> 00:09:29,519

um let me see if I'm forgetting anything

168

00:09:38,030 --> 00:09:35,090

surrounding the animatic no that's it

169

00:09:40,610 --> 00:09:38,040

for this story guys um I know that uh

170

00:09:43,490 --> 00:09:40,620

many people have been saying that they

171

00:09:45,050 --> 00:09:43,500

were going to be hearings coming and we

172

00:09:48,110 --> 00:09:45,060

weren't hearing anything nothing nothing

173

00:09:49,610 --> 00:09:48,120

nothing and then boom it happened so you

174

00:09:51,650 --> 00:09:49,620

know people like Christopher sharp over

175

00:09:53,870 --> 00:09:51,660

at The Liberation times people gave him

176

00:09:55,550 --> 00:09:53,880

a hard time because they're like dude we

177

00:09:57,889 --> 00:09:55,560

don't believe you like whoever your

178

00:10:00,110 --> 00:09:57,899

source is is clearly lying to you but lo

179

00:10:03,470 --> 00:10:00,120

and behold here we go another hearing is

180

00:10:05,509 --> 00:10:03,480

happening this week so let me know what

181

00:10:07,850 --> 00:10:05,519

you think I'm gonna go ahead and um play

182

00:10:10,490 --> 00:10:07,860

this quick clip of Senator gillibrand

183

00:10:13,190 --> 00:10:10,500

talking about this on CNN today actually

184

00:10:14,870 --> 00:10:13,200

with Jake Tapper um so let's watch that

185

00:10:17,630 --> 00:10:14,880

and I'll see you on the other side

186

00:10:20,090 --> 00:10:17,640

well I'll be having a hearing on all of

187

00:10:22,130 --> 00:10:20,100

the unidentified aerial phenomenon this

188

00:10:23,389 --> 00:10:22,140

coming week oh great um and one of them

189

00:10:25,790 --> 00:10:23,399

you come back and talk to us about it

190

00:10:28,130 --> 00:10:25,800

afterwards absolutely okay um I created

191

00:10:30,410 --> 00:10:28,140

along with uh Senator Warner and Senator

192

00:10:33,110 --> 00:10:30,420

Rubio and Senator Heinrich and some

193

00:10:35,030 --> 00:10:33,120

others an office within the dod and the

194

00:10:36,889 --> 00:10:35,040

intelligence committee specifically to

195

00:10:39,110 --> 00:10:36,899

review every unidentified aerial

196

00:10:42,470 --> 00:10:39,120

phenomenon that the military has access

197

00:10:46,670 --> 00:10:42,480

to and we have the most intense

198

00:10:49,730 --> 00:10:46,680

intensely specific technology that can

199

00:10:51,949 --> 00:10:49,740

um video uh different aerial phenomenon

200

00:10:53,569 --> 00:10:51,959

that can get radar heat sensing through

201
00:10:55,790 --> 00:10:53,579
our aircraft through other radar

202
00:10:58,490 --> 00:10:55,800
detection and so we set up this office

203
00:11:01,970 --> 00:10:58,500
two years ago and during that two years

204
00:11:04,730 --> 00:11:01,980
they've reviewed over 300 different

205
00:11:06,769 --> 00:11:04,740
um evidence of aerial phenomenon about

206
00:11:08,990 --> 00:11:06,779
half of them were deemed to be weather

207
00:11:11,889 --> 00:11:09,000
balloons these type of balloon

208
00:11:15,470 --> 00:11:11,899
technology perhaps detection devices

209
00:11:19,250 --> 00:11:15,480
about two dozen were deemed to be drones

210
00:11:21,590 --> 00:11:19,260
a handful were debris or or birds and

211
00:11:24,650 --> 00:11:21,600
there was still 171 that they have not

212
00:11:26,690 --> 00:11:24,660
assessed what it is and so this work has

213
00:11:28,490 --> 00:11:26,700

to be done if we're going to have domain

214

00:11:30,710 --> 00:11:28,500

awareness if we're going to have aerial

215

00:11:32,690 --> 00:11:30,720

dominance if we want to make sure that

216

00:11:35,750 --> 00:11:32,700

our adversaries aren't spying on us or

217

00:11:37,670 --> 00:11:35,760

using new technologies or have aircraft

218

00:11:39,410 --> 00:11:37,680

that we don't even know how it functions

219

00:11:42,290 --> 00:11:39,420

or how fast it is or how effective it is

220

00:11:45,410 --> 00:11:42,300

that is a national security risk and so

221

00:11:47,569 --> 00:11:45,420

knowing what these aircraft are is

222

00:11:50,269 --> 00:11:47,579

essential and the military unfortunately

223

00:11:52,790 --> 00:11:50,279

just hasn't been doing that work they've

224

00:11:54,350 --> 00:11:52,800

just assumed they are non-adversarial

225

00:11:56,990 --> 00:11:54,360

because of how they fly or how they

226

00:11:59,930 --> 00:11:57,000

function but I think knowing whether you

227

00:12:01,970 --> 00:11:59,940

are being spied on through different

228

00:12:03,829 --> 00:12:01,980

kinds of technology is essential to our

229

00:12:05,269 --> 00:12:03,839

national security so this office is up

230

00:12:06,829 --> 00:12:05,279

and running I'm working with colleagues

231

00:12:08,389 --> 00:12:06,839

to make sure it's fully funded we're

232

00:12:10,370 --> 00:12:08,399

pushing the buying Administration and

233

00:12:14,389 --> 00:12:10,380

the military to ask for full funding

234

00:12:16,670 --> 00:12:14,399

this this year and I think it's vital

235

00:12:18,650 --> 00:12:16,680

there we go there's Senator gillibrand

236

00:12:21,590 --> 00:12:18,660

talking about what will possibly happen

237

00:12:22,790 --> 00:12:21,600

at the hearings this week um I'm going

238

00:12:25,069 --> 00:12:22,800

to read a couple of your comments here

239

00:12:27,410 --> 00:12:25,079

guys Kendra says there's been a lot of

240

00:12:29,090 --> 00:12:27,420

grump about Kirsten bringing up the Spy

241

00:12:31,130 --> 00:12:29,100

balloons but I feel like this will be

242

00:12:33,470 --> 00:12:31,140

addressed as another angle for yuap

243

00:12:36,650 --> 00:12:33,480

needs investigating Kendra that's a

244

00:12:39,110 --> 00:12:36,660

really good point in fact many people

245

00:12:41,150 --> 00:12:39,120

um believe that's all that arrow is for

246

00:12:44,269 --> 00:12:41,160

that's all these hearings will be about

247

00:12:47,210 --> 00:12:44,279

and look I think that's a viable uh

248

00:12:50,210 --> 00:12:47,220

thing you know gillibrand isn't really

249

00:12:52,670 --> 00:12:50,220

and and her colleagues aren't in this to

250

00:12:56,990 --> 00:12:52,680

prove the existence of extraterrestrials

251
00:12:59,870 --> 00:12:57,000
or you know the the the eth hypothesis

252
00:13:02,750 --> 00:12:59,880
that that's what these UFOs represent uh

253
00:13:04,250 --> 00:13:02,760
that's not what this is about

254
00:13:06,790 --> 00:13:04,260
um and I don't think we should pretend

255
00:13:10,009 --> 00:13:06,800
to think that that's what this is about

256
00:13:12,829 --> 00:13:10,019
however it's the fact that they are

257
00:13:16,730 --> 00:13:12,839
unexplained they are unidentified and

258
00:13:18,410 --> 00:13:16,740
that a possible portion of a lot of that

259
00:13:21,370 --> 00:13:18,420
um or some of it I should say not a lot

260
00:13:24,590 --> 00:13:21,380
of it a small

261
00:13:27,350 --> 00:13:24,600
microscopic percentage of it could be

262
00:13:30,769 --> 00:13:27,360
something non-human uh we always have to

263
00:13:32,329 --> 00:13:30,779

leave that possibility open so um while

264

00:13:35,509 --> 00:13:32,339

I personally

265

00:13:37,069 --> 00:13:35,519

am going into this hearing not too

266

00:13:39,290 --> 00:13:37,079

excited that you know we're going to get

267

00:13:41,629 --> 00:13:39,300

any groundbreaking revelatory stuff

268

00:13:44,690 --> 00:13:41,639

about aliens or anything like that

269

00:13:47,150 --> 00:13:44,700

um the conversation is continuing and I

270

00:13:49,190 --> 00:13:47,160

think uh that's what's most important uh

271

00:13:52,190 --> 00:13:49,200

let me go ahead and read a few more

272

00:13:54,650 --> 00:13:52,200

of these comments here dalen says she

273

00:13:56,930 --> 00:13:54,660

got that quote just try some shiz with

274

00:13:58,550 --> 00:13:56,940

me look I love it gonna do it for my new

275

00:14:00,889 --> 00:13:58,560

LinkedIn pick

276

00:14:03,889 --> 00:14:00,899

that's true it's a it's a badass photo

277

00:14:06,290 --> 00:14:03,899

there of gillibrand for show for sure oh

278

00:14:08,269 --> 00:14:06,300

it says she is gonna kill it

279

00:14:10,550 --> 00:14:08,279

um this is going to be interesting I

280

00:14:13,069 --> 00:14:10,560

don't know if Senator gillibrens ever

281

00:14:15,050 --> 00:14:13,079

met Sean Kirkpatrick the guy who's in

282

00:14:18,230 --> 00:14:15,060

charge of the program she essentially

283

00:14:20,870 --> 00:14:18,240

established so I am really curious to

284

00:14:23,090 --> 00:14:20,880

see how they are going to uh play off

285

00:14:24,829 --> 00:14:23,100

one another in this is she going to

286

00:14:27,710 --> 00:14:24,839

grill him

287

00:14:30,230 --> 00:14:27,720

um is she going to kind of you know

288

00:14:32,629 --> 00:14:30,240

really boost up his resume and whatnot

289

00:14:34,610 --> 00:14:32,639

uh I don't know it'll be interesting

290

00:14:36,650 --> 00:14:34,620

it'll be interesting nonetheless Jazz

291

00:14:38,810 --> 00:14:36,660

I'm late again no worries buddy we're

292

00:14:41,750 --> 00:14:38,820

just getting started with the breaking

293

00:14:43,970 --> 00:14:41,760

news of the UAP hearings happening this

294

00:14:46,129 --> 00:14:43,980

week uh Jake is here thanks for being

295

00:14:48,230 --> 00:14:46,139

here guys really do appreciate it if

296

00:14:49,730 --> 00:14:48,240

anyone just hopped in we are here

297

00:14:51,590 --> 00:14:49,740

somewhere in the live stream live stream

298

00:14:53,990 --> 00:14:51,600

we do every week here at someone this

299

00:14:55,970 --> 00:14:54,000

guy's try to do every week

300

00:14:59,930 --> 00:14:55,980

um and I'm trying to do it almost deaf

301
00:15:01,790 --> 00:14:59,940
right now but we we program address

302
00:15:03,470 --> 00:15:01,800
um let's see Jazz says did you see

303
00:15:04,910 --> 00:15:03,480
gillibrand on CNN yeah we just played

304
00:15:07,009 --> 00:15:04,920
the clip Jazz

305
00:15:09,050 --> 00:15:07,019
um so you can see that Chinese spy

306
00:15:11,210 --> 00:15:09,060
balloons and adversarial Tech they're

307
00:15:13,189 --> 00:15:11,220
talking about yep yep that's probably

308
00:15:17,269 --> 00:15:13,199
what a lot of this is going to be

309
00:15:21,290 --> 00:15:17,279
um I do have an interesting update on

310
00:15:22,970 --> 00:15:21,300
the Dead Horse Alaska aspect to all this

311
00:15:25,490 --> 00:15:22,980
um one of the objects that was shot down

312
00:15:27,110 --> 00:15:25,500
over there in Alaska

313
00:15:29,509 --> 00:15:27,120

um we're gonna play a clip a little bit

314

00:15:31,129 --> 00:15:29,519

later on having to do with that so

315

00:15:34,550 --> 00:15:31,139

please stay tuned for that later in the

316

00:15:36,710 --> 00:15:34,560

show during our podcast highlights Jazz

317

00:15:38,150 --> 00:15:36,720

um hello to James Craig thank you so

318

00:15:39,829 --> 00:15:38,160

much for the super chat buddy always

319

00:15:41,629 --> 00:15:39,839

appreciate it thanks for all your hard

320

00:15:43,790 --> 00:15:41,639

work and being here I appreciate it I

321

00:15:46,129 --> 00:15:43,800

appreciate you being here always your

322

00:15:48,769 --> 00:15:46,139

support truly means the world to me

323

00:15:49,970 --> 00:15:48,779

um okay so let me know in the comments

324

00:15:51,110 --> 00:15:49,980

guys what you think about these UAP

325

00:15:52,910 --> 00:15:51,120

hearings

326

00:15:55,610 --> 00:15:52,920

um one of the kind of deflating things

327

00:16:00,710 --> 00:15:55,620

to kind of end this story with is that

328

00:16:02,449 --> 00:16:00,720

we saw that the classified version of

329

00:16:05,090 --> 00:16:02,459

these hearings is going to take place

330

00:16:06,650 --> 00:16:05,100

before the public hearing this was not

331

00:16:08,449 --> 00:16:06,660

the case during the last UFO

332

00:16:10,370 --> 00:16:08,459

Congressional hearing

333

00:16:12,290 --> 00:16:10,380

um which was interesting it was kind of

334

00:16:14,449 --> 00:16:12,300

unvetted and these Congress people were

335

00:16:16,730 --> 00:16:14,459

asking all these questions and you could

336

00:16:18,530 --> 00:16:16,740

see the gears turning in the minds of

337

00:16:20,629 --> 00:16:18,540

Moultrie and these people involved being

338

00:16:22,069 --> 00:16:20,639

like uh probably shouldn't talk about

339

00:16:23,930 --> 00:16:22,079

that oh we'll talk about that in the

340

00:16:25,610 --> 00:16:23,940

classified briefing sort of thing and

341

00:16:27,170 --> 00:16:25,620

they were kind of put on the spot with a

342

00:16:29,150 --> 00:16:27,180

lot of those things

343

00:16:30,829 --> 00:16:29,160

um this time I think they're playing it

344

00:16:34,129 --> 00:16:30,839

safe and they're doing the closed

345

00:16:36,769 --> 00:16:34,139

classified hearing first and that really

346

00:16:38,810 --> 00:16:36,779

kind of put a dagger in my heart I'm

347

00:16:40,670 --> 00:16:38,820

like oh whoa perfect so they're going to

348

00:16:43,189 --> 00:16:40,680

talk about all the good stuff

349

00:16:44,990 --> 00:16:43,199

um get that out of the way and kind of

350

00:16:46,730 --> 00:16:45,000

um go into the public hearing being like

351
00:16:48,470 --> 00:16:46,740
nope talked about that talked about that

352
00:16:50,810 --> 00:16:48,480
talked about that can't do that they

353
00:16:52,970 --> 00:16:50,820
have time to kind of censor themselves

354
00:16:54,590 --> 00:16:52,980
uh so I think a lot of people were kind

355
00:16:56,629 --> 00:16:54,600
of pissed about that

356
00:16:58,790 --> 00:16:56,639
um and I had an off-air conversation

357
00:17:01,189 --> 00:16:58,800
with Andy over at that UFO podcast

358
00:17:02,930 --> 00:17:01,199
because he actually was optimistic about

359
00:17:05,210 --> 00:17:02,940
the closed hearing being first and I was

360
00:17:08,030 --> 00:17:05,220
like dude why like what good could come

361
00:17:11,390 --> 00:17:08,040
of that and um he brought up some good

362
00:17:13,970 --> 00:17:11,400
points and I I think you know I it could

363
00:17:15,949 --> 00:17:13,980

go either way he kind of felt that

364

00:17:18,169 --> 00:17:15,959

because it's a close hearing and people

365

00:17:19,610 --> 00:17:18,179

like Jilla brand will be talking at that

366

00:17:21,650 --> 00:17:19,620

Kirkpatrick

367

00:17:22,730 --> 00:17:21,660

um and other Congressional members will

368

00:17:25,189 --> 00:17:22,740

be involved

369

00:17:28,069 --> 00:17:25,199

they're gonna see what's classified

370

00:17:30,470 --> 00:17:28,079

they're gonna see what um cannot be told

371

00:17:33,110 --> 00:17:30,480

to the public and that will give these

372

00:17:34,669 --> 00:17:33,120

people who really do want to get some

373

00:17:38,090 --> 00:17:34,679

information out there Vital Information

374

00:17:40,130 --> 00:17:38,100

to the public it'll give them ways to

375

00:17:42,230 --> 00:17:40,140

kind of reword things when they ask

376

00:17:45,110 --> 00:17:42,240

questions in the public hearing it'll

377

00:17:48,049 --> 00:17:45,120

give them ways to once again

378

00:17:52,070 --> 00:17:48,059

um not put these people on the spot but

379

00:17:54,470 --> 00:17:52,080

work around these ridiculously highly

380

00:17:56,270 --> 00:17:54,480

classified nature that a lot of these

381

00:18:00,110 --> 00:17:56,280

people have within the Department of

382

00:18:02,990 --> 00:18:00,120

Defense and and even Arrow so uh yeah I

383

00:18:05,390 --> 00:18:03,000

totally got Andy's point with that I I

384

00:18:07,490 --> 00:18:05,400

think you know either way it's going to

385

00:18:09,169 --> 00:18:07,500

be interesting I hope everyone will

386

00:18:10,610 --> 00:18:09,179

watch it I know a bunch of YouTubers and

387

00:18:12,350 --> 00:18:10,620

stuff are going to be live streaming it

388

00:18:14,150 --> 00:18:12,360

which is cool

389

00:18:16,310 --> 00:18:14,160

um so yeah be on the lookout for that

390

00:18:17,150 --> 00:18:16,320

this week on the 19th

391

00:18:18,950 --> 00:18:17,160

um

392

00:18:20,210 --> 00:18:18,960

and I'll kind of end that story there

393

00:18:22,310 --> 00:18:20,220

there's not much else to talk about

394

00:18:24,529 --> 00:18:22,320

until after it happens and then I'm sure

395

00:18:26,990 --> 00:18:24,539

UFO Twitter is going to be a freaking

396

00:18:29,390 --> 00:18:27,000

nightmare but that is our community love

397

00:18:31,490 --> 00:18:29,400

it or hate it Jess thank you so much for

398

00:18:34,010 --> 00:18:31,500

the 40 Super Chat man I think classified

399

00:18:35,630 --> 00:18:34,020

first is better because members will

400

00:18:37,430 --> 00:18:35,640

have more info when phrasing questions

401
00:18:40,250 --> 00:18:37,440
exactly

402
00:18:42,650 --> 00:18:40,260
um Jazz agrees with Andy so I get it I

403
00:18:45,289 --> 00:18:42,660
totally get it now you guys have swayed

404
00:18:46,850 --> 00:18:45,299
me metal Hendricks with a 1.99 super

405
00:18:49,070 --> 00:18:46,860
chat thank you so much metal Hendrix

406
00:18:51,350 --> 00:18:49,080
Major General John Olson made a solid

407
00:18:53,270 --> 00:18:51,360
UAP statement metal Hendricks you

408
00:18:55,789 --> 00:18:53,280
transitioned for me perfectly buddy that

409
00:18:58,370 --> 00:18:55,799
is our next story here at somewhere in

410
00:19:00,770 --> 00:18:58,380
the live stream so let's move over to

411
00:19:03,529 --> 00:19:00,780
that this is pretty cool

412
00:19:06,830 --> 00:19:03,539
senior space force official acknowledges

413
00:19:09,289 --> 00:19:06,840

Global presence of UFOs we have been

414

00:19:12,289 --> 00:19:09,299

waiting for space force to get in on

415

00:19:14,510 --> 00:19:12,299

this conversation and finally one of the

416

00:19:17,810 --> 00:19:14,520

heads of space force is talking about

417

00:19:20,029 --> 00:19:17,820

UAP so let me go ahead and um I think

418

00:19:21,289 --> 00:19:20,039

I've got a video for this I'm going to

419

00:19:23,450 --> 00:19:21,299

go ahead and play that and we'll talk

420

00:19:26,510 --> 00:19:23,460

about it on the other side so here is

421

00:19:27,950 --> 00:19:26,520

Major General John Olson talking about

422

00:19:29,870 --> 00:19:27,960

UAP

423

00:19:33,350 --> 00:19:29,880

I think the second part of your question

424

00:19:37,190 --> 00:19:33,360

uh was related to UAP or unidentified

425

00:19:38,570 --> 00:19:37,200

aerial uh phenomenon and that UAP task

426
00:19:41,270 --> 00:19:38,580
force

427
00:19:44,570 --> 00:19:41,280
um and and as far as I'm concerned or

428
00:19:46,669 --> 00:19:44,580
I'm knowledgeable above about that I do

429
00:19:48,830 --> 00:19:46,679
believe it does involve collaborative

430
00:19:51,830 --> 00:19:48,840
inputs and

431
00:19:54,110 --> 00:19:51,840
um information exchange with all kinds

432
00:19:57,470 --> 00:19:54,120
of countries around the globe because I

433
00:19:59,529 --> 00:19:57,480
think these are not just uh solely

434
00:20:03,289 --> 00:19:59,539
um

435
00:20:05,450 --> 00:20:03,299
actions or or or uh events that have

436
00:20:07,250 --> 00:20:05,460
occurred within the con confines of the

437
00:20:08,750 --> 00:20:07,260
United States they've they've occurred

438
00:20:10,730 --> 00:20:08,760

globally and I think we're collecting

439

00:20:12,950 --> 00:20:10,740

that information uh we're sharing

440

00:20:15,470 --> 00:20:12,960

information we view that as an open and

441

00:20:17,390 --> 00:20:15,480

transparent effort and activity through

442

00:20:20,930 --> 00:20:17,400

uh through the United States Congress

443

00:20:24,230 --> 00:20:20,940

and and executed by our UAP task force

444

00:20:26,570 --> 00:20:24,240

office and so I I I would encourage

445

00:20:29,270 --> 00:20:26,580

greater uh collaboration and cooperation

446

00:20:31,789 --> 00:20:29,280

in that and particularly I think as we

447

00:20:35,450 --> 00:20:31,799

see various technologies that will help

448

00:20:37,549 --> 00:20:35,460

uh demystify or debunk or clarify

449

00:20:39,830 --> 00:20:37,559

um but but I think it's also important

450

00:20:42,409 --> 00:20:39,840

one of the one of the reasons that we

451
00:20:45,049 --> 00:20:42,419
are doing uh this effort is because

452
00:20:47,450 --> 00:20:45,059
National Security concerns are of

453
00:20:49,070 --> 00:20:47,460
Paramount importance and so is safety of

454
00:20:52,310 --> 00:20:49,080
flight and deconfliction and collision

455
00:20:55,310 --> 00:20:52,320
avoidance and and issues to preserve and

456
00:20:56,870 --> 00:20:55,320
protect human life so when we can uh we

457
00:20:59,090 --> 00:20:56,880
when we can better share and exchange

458
00:21:01,490 --> 00:20:59,100
information I think that's better much

459
00:21:03,590 --> 00:21:01,500
like we do in the international civil

460
00:21:06,710 --> 00:21:03,600
aviation organization or otherwise known

461
00:21:09,289 --> 00:21:06,720
as lko uh or in any other International

462
00:21:11,570 --> 00:21:09,299
bodies as well I think there's a fertile

463
00:21:14,590 --> 00:21:11,580

and important opportunity to be pursued

464

00:21:20,750 --> 00:21:17,090

interesting hearing from senior space

465

00:21:22,130 --> 00:21:20,760

force officials finally on UAP

466

00:21:23,930 --> 00:21:22,140

um what do you guys think what do you

467

00:21:26,750 --> 00:21:23,940

think of this story space force finally

468

00:21:29,690 --> 00:21:26,760

getting involved in the conversation

469

00:21:32,750 --> 00:21:29,700

um they seem very open to it obviously

470

00:21:35,390 --> 00:21:32,760

from a national security stance

471

00:21:38,390 --> 00:21:35,400

um even a Global Security stance they

472

00:21:41,270 --> 00:21:38,400

are space force after all so um I think

473

00:21:43,970 --> 00:21:41,280

this was it hey he could have just

474

00:21:46,610 --> 00:21:43,980

completely downplayed the whole thing

475

00:21:48,110 --> 00:21:46,620

but he said space force is involved

476

00:21:51,770 --> 00:21:48,120

we're looking into it we're interested

477

00:21:53,750 --> 00:21:51,780

in learning more of what um NASA knows

478

00:21:55,930 --> 00:21:53,760

about this what what the military knows

479

00:21:58,490 --> 00:21:55,940

and moving the conversation forward

480

00:22:01,970 --> 00:21:58,500

obviously from a national security

481

00:22:04,430 --> 00:22:01,980

stance first and foremost as always

482

00:22:06,950 --> 00:22:04,440

um Ryan Baker says Ikea yeah what was

483

00:22:09,409 --> 00:22:06,960

that in that uh organization he

484

00:22:10,970 --> 00:22:09,419

mentioned about like civil aviation I

485

00:22:13,190 --> 00:22:10,980

I'm not aware of that if any of you guys

486

00:22:16,430 --> 00:22:13,200

know please let me know I'm pretty sure

487

00:22:17,390 --> 00:22:16,440

Ikea are too busy making really bad

488

00:22:20,330 --> 00:22:17,400

furniture

489

00:22:22,549 --> 00:22:20,340

than looking at UFOs I could be wrong on

490

00:22:24,590 --> 00:22:22,559

that Jess says please remember to hit

491

00:22:26,270 --> 00:22:24,600

that like And subscribe Ryan does great

492

00:22:28,250 --> 00:22:26,280

work thank you so much Jess truly

493

00:22:30,710 --> 00:22:28,260

appreciate it man yes hit the like

494

00:22:32,270 --> 00:22:30,720

button Below guys put your comments in

495

00:22:34,669 --> 00:22:32,280

the comments below all that stuff really

496

00:22:36,710 --> 00:22:34,679

does help us boost us up in those those

497

00:22:39,529 --> 00:22:36,720

old YouTube algorithms

498

00:22:41,750 --> 00:22:39,539

It's Hard Out Here being independent and

499

00:22:44,450 --> 00:22:41,760

trying to get noticed so yes that all

500

00:22:46,909 --> 00:22:44,460

helps tremendously

501
00:22:49,789 --> 00:22:46,919
um let's see here oh this is interesting

502
00:22:52,850 --> 00:22:49,799
to kind of wrap up this story with space

503
00:22:57,409 --> 00:22:55,310
I don't know if he's ever publicly

504
00:22:59,450 --> 00:22:57,419
stated this but I remember back in the

505
00:23:01,789 --> 00:22:59,460
day when I um was first interviewing

506
00:23:04,370 --> 00:23:01,799
Elizondo after he quit to the Stars

507
00:23:05,990 --> 00:23:04,380
Academy I had him on I think two days

508
00:23:07,970 --> 00:23:06,000
after that happened I was one of the

509
00:23:10,190 --> 00:23:07,980
first to score an interview with him

510
00:23:12,350 --> 00:23:10,200
after he left tsa

511
00:23:14,210 --> 00:23:12,360
um which I'll forever be grateful for it

512
00:23:16,010 --> 00:23:14,220
was a great conversation about what was

513
00:23:18,470 --> 00:23:16,020

what was he gonna do next what was the

514

00:23:21,710 --> 00:23:18,480

next chapter in all this and that next

515

00:23:22,970 --> 00:23:21,720

chapter involved space force when I

516

00:23:25,130 --> 00:23:22,980

talked to Elizondo before the

517

00:23:26,870 --> 00:23:25,140

conversation and I'm pretty sure

518

00:23:29,630 --> 00:23:26,880

um this is public knowledge now

519

00:23:32,210 --> 00:23:29,640

um he called me from a space force

520

00:23:34,789 --> 00:23:32,220

installation uh he kind of showed me the

521

00:23:38,390 --> 00:23:34,799

photos I'm like what what is going on so

522

00:23:40,190 --> 00:23:38,400

um he is or has worked with space force

523

00:23:43,010 --> 00:23:40,200

when it comes to UAP and I actually have

524

00:23:44,570 --> 00:23:43,020

this quote from him uh that uh

525

00:23:46,789 --> 00:23:44,580

Christopher sharp over at The Liberation

526

00:23:50,570 --> 00:23:46,799

time Scott recently so I'm going to go

527

00:23:52,390 --> 00:23:50,580

ahead and read that for you guys now

528

00:23:54,409 --> 00:23:52,400

um let's see

529

00:23:56,210 --> 00:23:54,419

Elizondo commented to The Liberation

530

00:23:58,250 --> 00:23:56,220

times quote the men and women at U.S

531

00:24:00,649 --> 00:23:58,260

space force are some of the most capable

532

00:24:02,750 --> 00:24:00,659

and patriotic individuals I know and let

533

00:24:06,110 --> 00:24:02,760

it be known to all that may ask they are

534

00:24:08,149 --> 00:24:06,120

taking the topic of uip's very seriously

535

00:24:10,190 --> 00:24:08,159

it should be commended for their efforts

536

00:24:12,770 --> 00:24:10,200

I am truly blessed to be a part of such

537

00:24:14,870 --> 00:24:12,780

an amazing group of individuals so there

538

00:24:16,549 --> 00:24:14,880

you go guys again I don't know if he's

539

00:24:19,549 --> 00:24:16,559

still working with space force but

540

00:24:20,830 --> 00:24:19,559

that's what Elizondo has been up to

541

00:24:24,610 --> 00:24:20,840

um post

542

00:24:27,350 --> 00:24:24,620

ttsa uh dalen says here

543

00:24:29,270 --> 00:24:27,360

not Ikea the international civil

544

00:24:31,250 --> 00:24:29,280

aviation organization there we go

545

00:24:33,409 --> 00:24:31,260

mystery solved

546

00:24:36,350 --> 00:24:33,419

thank you momak is here thank you so

547

00:24:38,149 --> 00:24:36,360

much for being here

548

00:24:40,430 --> 00:24:38,159

um Neil says Sunday evening wind down

549

00:24:42,710 --> 00:24:40,440

with Ryan very relaxing after a big

550

00:24:43,909 --> 00:24:42,720

weekend ugh yeah man talk about a big

551
00:24:47,450 --> 00:24:43,919
weekend

552
00:24:51,010 --> 00:24:47,460
I took a direct flight from a a island

553
00:24:54,169 --> 00:24:51,020
to another Island almost 10 hours away

554
00:24:56,930 --> 00:24:54,179
non-stop it was insane but I'm here

555
00:24:58,850 --> 00:24:56,940
we're doing this we are doing this so

556
00:25:00,470 --> 00:24:58,860
much to talk about Metal Hendricks it's

557
00:25:03,470 --> 00:25:00,480
probably so compartmentalized that

558
00:25:05,570 --> 00:25:03,480
people in the same building already know

559
00:25:06,950 --> 00:25:05,580
the answer so true metal Hendrix I mean

560
00:25:08,270 --> 00:25:06,960
we heard from people like Christopher

561
00:25:10,549 --> 00:25:08,280
Mellon

562
00:25:12,350 --> 00:25:10,559
um and other intelligence agencies and

563
00:25:14,510 --> 00:25:12,360

whatnot like saying they don't even know

564

00:25:16,970 --> 00:25:14,520

what the person right next to them a

565

00:25:19,190 --> 00:25:16,980

desk away is doing

566

00:25:22,909 --> 00:25:19,200

um so it's pretty crazy how that whole

567

00:25:24,890 --> 00:25:22,919

intelligence apparatus Works uh yeah

568

00:25:26,510 --> 00:25:24,900

let's see so glad you're back and better

569

00:25:28,970 --> 00:25:26,520

thank you Suzanne thank you for being

570

00:25:30,950 --> 00:25:28,980

here again one of our our regulars here

571

00:25:32,870 --> 00:25:30,960

at somewhere in the live stream really

572

00:25:35,570 --> 00:25:32,880

to appreciate it Ryan says island

573

00:25:38,149 --> 00:25:35,580

hopping live in the Jet Set life I wish

574

00:25:41,090 --> 00:25:38,159

funny I wish

575

00:25:43,789 --> 00:25:41,100

um it's been an incredible few weeks for

576

00:25:45,950 --> 00:25:43,799

sure but I'm ready to go home go home to

577

00:25:47,810 --> 00:25:45,960

Scotland but uh I'm in New York right

578

00:25:49,669 --> 00:25:47,820

now I know it doesn't look like it I had

579

00:25:52,250 --> 00:25:49,679

an amazing backdrop for you guys of the

580

00:25:53,750 --> 00:25:52,260

city but it's not showing up on this

581

00:25:55,669 --> 00:25:53,760

live stream because of this the way the

582

00:25:58,930 --> 00:25:55,679

sun is hitting it so I'll take some

583

00:26:01,970 --> 00:25:58,940

photos send them your way after this

584

00:26:04,549 --> 00:26:01,980

go Beckley Poppy says did I see Tom

585

00:26:07,190 --> 00:26:04,559

Delong return to Blink 182 at Coachella

586

00:26:09,230 --> 00:26:07,200

wearing a TTS shirt yes he did he's

587

00:26:12,049 --> 00:26:09,240

doing his job as a businessman promoting

588

00:26:14,630 --> 00:26:12,059

this company at the first reunion show

589

00:26:16,789 --> 00:26:14,640

of to the stars or excuse me it said

590

00:26:18,830 --> 00:26:16,799

blink 182.

591

00:26:21,350 --> 00:26:18,840

um so that was pretty cool I'm sure

592

00:26:23,149 --> 00:26:21,360

it'll get some more eyes on what TTS is

593

00:26:25,490 --> 00:26:23,159

up to you over there they have a movie

594

00:26:27,289 --> 00:26:25,500

coming out soon uh Monsters of

595

00:26:28,370 --> 00:26:27,299

California so

596

00:26:31,490 --> 00:26:28,380

um maybe we'll get some more information

597

00:26:33,470 --> 00:26:31,500

on that soon as well but um let's move

598

00:26:35,090 --> 00:26:33,480

on to our next story guys because we got

599

00:26:37,669 --> 00:26:35,100

some awesome podcast highlights of the

600

00:26:39,970 --> 00:26:37,679

week for you as well

601
00:26:42,490 --> 00:26:39,980
um how do I get this up here there we go

602
00:26:46,310 --> 00:26:42,500
this is an interesting story

603
00:26:48,830 --> 00:26:46,320
publishing bidding war for new Memoir by

604
00:26:52,130 --> 00:26:48,840
Former Intelligence official Tangled Up

605
00:26:54,049 --> 00:26:52,140
in mysterious military program so when I

606
00:26:56,750 --> 00:26:54,059
heard about this news story I thought it

607
00:26:58,070 --> 00:26:56,760
was elizanda's book I I honestly thought

608
00:27:01,010 --> 00:26:58,080
finally we're getting more information

609
00:27:04,250 --> 00:27:01,020
we know there's a huge bidding war for

610
00:27:05,570 --> 00:27:04,260
Luis elizondo's book as well um I I

611
00:27:07,610 --> 00:27:05,580
don't know where that stands right now

612
00:27:09,890 --> 00:27:07,620
when that book's coming out but this was

613
00:27:12,529 --> 00:27:09,900

not that this is a new story so I'm

614

00:27:15,409 --> 00:27:12,539

gonna actually go ahead and read this

615

00:27:17,630 --> 00:27:15,419

here Simon and Schuster imprint wins the

616

00:27:20,210 --> 00:27:17,640

bidding war so they they did win this

617

00:27:22,370 --> 00:27:20,220

bidding war for this um

618

00:27:24,830 --> 00:27:22,380

Gallery books which is an imprint of

619

00:27:26,570 --> 00:27:24,840

Simon Schuster they won a bidding war

620

00:27:28,970 --> 00:27:26,580

for the North American publishing rights

621

00:27:30,950 --> 00:27:28,980

to a Twist filled true story rooted in

622

00:27:32,269 --> 00:27:30,960

intrigue surrounding a U.S Air Force

623

00:27:33,529 --> 00:27:32,279

program

624

00:27:35,930 --> 00:27:33,539

um buckle up I'm going to read the

625

00:27:38,390 --> 00:27:35,940

summary here guys this is pretty crazy

626

00:27:40,070 --> 00:27:38,400

Scott Andrews is a former senior U.S

627

00:27:42,230 --> 00:27:40,080

soldier in decorated intelligence

628

00:27:44,390 --> 00:27:42,240

officer who conducted Global

629

00:27:47,090 --> 00:27:44,400

counter-terrorism operations on behalf

630

00:27:49,490 --> 00:27:47,100

of the U.S during a 36-year military

631

00:27:51,830 --> 00:27:49,500

career shortly after returning from an

632

00:27:54,230 --> 00:27:51,840

overseas Mission he began to suffer from

633

00:27:56,810 --> 00:27:54,240

rare life-threatening ailments that

634

00:27:58,909 --> 00:27:56,820

defied medical explanation rather than

635

00:28:01,190 --> 00:27:58,919

succumbing he instead began to

636

00:28:05,269 --> 00:28:01,200

experience special inexplicable

637

00:28:09,110 --> 00:28:05,279

abilities such as remote viewing and his

638

00:28:10,909 --> 00:28:09,120

body began to heal baffling doctors is

639

00:28:13,010 --> 00:28:10,919

crazy as he sought more information

640

00:28:15,950 --> 00:28:13,020

about his health Andrews came across a

641

00:28:18,950 --> 00:28:15,960

file compiled for him by his late father

642

00:28:21,230 --> 00:28:18,960

it contained records from a past he did

643

00:28:22,970 --> 00:28:21,240

not remember including documents

644

00:28:26,210 --> 00:28:22,980

indicating he was removed from school

645

00:28:28,610 --> 00:28:26,220

for weeks every year from the 1st

646

00:28:31,010 --> 00:28:28,620

through 12th grades the records also

647

00:28:34,010 --> 00:28:31,020

contained a shocker that received an

648

00:28:36,409 --> 00:28:34,020

honorable disarp discharge from the U.S

649

00:28:38,470 --> 00:28:36,419

Air Force and worked in space Ace

650

00:28:41,450 --> 00:28:38,480

intelligence Communications as a minor

651
00:28:45,110 --> 00:28:41,460
Andrews maintains he has no memory of

652
00:28:48,110 --> 00:28:45,120
having served in the U.S Air Force

653
00:28:50,390 --> 00:28:48,120
refer to a classified White House

654
00:28:52,250 --> 00:28:50,400
National Security Council program which

655
00:28:54,830 --> 00:28:52,260
had been delegated to the Department of

656
00:28:56,810 --> 00:28:54,840
Defense Andrews then met a man who ran

657
00:28:58,970 --> 00:28:56,820
the highly classified program who

658
00:29:02,090 --> 00:28:58,980
introduced him to a doctor the doctor

659
00:29:03,950 --> 00:29:02,100
had worked for the CIA and had expertise

660
00:29:05,870 --> 00:29:03,960
enabling him to help Andrew start to

661
00:29:08,269 --> 00:29:05,880
piece together what has happened to him

662
00:29:10,250 --> 00:29:08,279
and others like him soon after

663
00:29:12,409 --> 00:29:10,260

connecting with this doctor Andrew says

664

00:29:15,230 --> 00:29:12,419

he experienced symptoms associated with

665

00:29:17,029 --> 00:29:15,240

The Havana syndrome a phenomenon first

666

00:29:19,789 --> 00:29:17,039

reported by military personnel working

667

00:29:22,850 --> 00:29:19,799

in the U.S embassy in Havana Cuba in

668

00:29:24,649 --> 00:29:22,860

2016. after investigation went on to

669

00:29:28,430 --> 00:29:24,659

determine that Andrews had been targeted

670

00:29:31,269 --> 00:29:28,440

with an advanced energy weapon

671

00:29:35,389 --> 00:29:31,279

so we've got to Havana syndrome crazy

672

00:29:36,950 --> 00:29:35,399

sweeping story of this one uh Scott

673

00:29:37,850 --> 00:29:36,960

Andrews

674

00:29:40,190 --> 00:29:37,860

um

675

00:29:42,610 --> 00:29:40,200

I kind of laughed when I first started

676

00:29:45,710 --> 00:29:42,620

this summary because it seems so

677

00:29:47,870 --> 00:29:45,720

outlandish and so out there and maybe it

678

00:29:50,690 --> 00:29:47,880

is who knows but the fact that like

679

00:29:53,269 --> 00:29:50,700

major publishing houses were like

680

00:29:55,669 --> 00:29:53,279

shopping at the bit to publish this and

681

00:29:58,070 --> 00:29:55,679

had one of the highest bidding wars

682

00:30:00,669 --> 00:29:58,080

um in the probably past decade to get

683

00:30:03,110 --> 00:30:00,679

this guy's uh Memorial

684

00:30:04,970 --> 00:30:03,120

it probably means there's something to

685

00:30:07,850 --> 00:30:04,980

it it's been vetted

686

00:30:09,409 --> 00:30:07,860

um the book is clearly done or at least

687

00:30:11,810 --> 00:30:09,419

in development

688

00:30:12,950 --> 00:30:11,820

um there must be something to it I know

689

00:30:14,870 --> 00:30:12,960

you know there's been a lot of talking

690

00:30:17,210 --> 00:30:14,880

debate about the Havana syndrome is it

691

00:30:19,190 --> 00:30:17,220

real what was it um that conversation

692

00:30:21,529 --> 00:30:19,200

still going on

693

00:30:23,870 --> 00:30:21,539

um but the fact that this guy was part

694

00:30:25,730 --> 00:30:23,880

of some mysterious military program with

695

00:30:27,230 --> 00:30:25,740

remote viewing or at least had those

696

00:30:31,370 --> 00:30:27,240

abilities

697

00:30:34,610 --> 00:30:31,380

um the fact that he had no memory of

698

00:30:36,110 --> 00:30:34,620

having been in the U.S Air Force uh

699

00:30:38,029 --> 00:30:36,120

I don't know what to make of it it kind

700

00:30:40,610 --> 00:30:38,039

of reminds me of my conversation with

701
00:30:42,649 --> 00:30:40,620
Walter Bosley if you guys remember that

702
00:30:44,870 --> 00:30:42,659
huge I think it was like a three and a

703
00:30:46,490 --> 00:30:44,880
half hour interview I did

704
00:30:48,950 --> 00:30:46,500
um with Walter Bosley a Former

705
00:30:51,889 --> 00:30:48,960
Intelligence agent

706
00:30:55,970 --> 00:30:51,899
um about his Crazy Life in that world

707
00:30:58,450 --> 00:30:55,980
and how it um it kind of stays in the

708
00:31:02,149 --> 00:30:58,460
family like when you work for a program

709
00:31:04,370 --> 00:31:02,159
uh if a child or whatnot then goes into

710
00:31:06,230 --> 00:31:04,380
that program it's kind of like a a

711
00:31:08,510 --> 00:31:06,240
grandfather clause or like a legacy

712
00:31:11,210 --> 00:31:08,520
thing where you know family's right in

713
00:31:13,130 --> 00:31:11,220

on it and start working on it as well so

714

00:31:14,570 --> 00:31:13,140

um yeah yeah really interesting I can't

715

00:31:16,549 --> 00:31:14,580

wait to see what comes with this book

716

00:31:17,450 --> 00:31:16,559

I'm definitely going to read it to learn

717

00:31:20,330 --> 00:31:17,460

more

718

00:31:23,330 --> 00:31:20,340

um but again I'm gonna bring him up one

719

00:31:25,010 --> 00:31:23,340

more time Luisa lizondo commented on

720

00:31:27,769 --> 00:31:25,020

this when it came out

721

00:31:29,750 --> 00:31:27,779

um and he said on Twitter quote about

722

00:31:32,330 --> 00:31:29,760

this book quote I'm aware of all the

723

00:31:34,370 --> 00:31:32,340

facts regarding this true story and to

724

00:31:37,090 --> 00:31:34,380

call it a bombshell story would be an

725

00:31:40,190 --> 00:31:37,100

understatement buckle up

726

00:31:43,430 --> 00:31:40,200

I don't know maybe Elizondo knows this

727

00:31:46,610 --> 00:31:43,440

dude Elizondo has claimed also that he

728

00:31:48,049 --> 00:31:46,620

has remote viewing abilities again I

729

00:31:49,970 --> 00:31:48,059

know some people are shaking their heads

730

00:31:52,850 --> 00:31:49,980

or rolling their eyes I'll make of it

731

00:31:54,830 --> 00:31:52,860

what you will uh maybe Elizondo knows

732

00:31:58,970 --> 00:31:54,840

what this program was this guy worked on

733

00:32:01,250 --> 00:31:58,980

or um or or whatnot so yeah interesting

734

00:32:03,470 --> 00:32:01,260

interesting story nonetheless so I

735

00:32:05,810 --> 00:32:03,480

thought that was that was cool to bring

736

00:32:07,370 --> 00:32:05,820

up here during the live stream let me

737

00:32:10,310 --> 00:32:07,380

check the chat one more time before we

738

00:32:12,710 --> 00:32:10,320

move on guys Dylan says so he's an alien

739

00:32:15,169 --> 00:32:12,720

you're saying yes Scott Andrews is

740

00:32:17,570 --> 00:32:15,179

definitely an alien

741

00:32:19,610 --> 00:32:17,580

um yeah let's see Ryan says the story

742

00:32:21,230 --> 00:32:19,620

you're covering right now is knocking

743

00:32:23,690 --> 00:32:21,240

fuds

744

00:32:28,010 --> 00:32:23,700

that sounds like a good read momak says

745

00:32:30,049 --> 00:32:28,020

yeah diet love pass is fascinating that

746

00:32:31,909 --> 00:32:30,059

was so Random Ryan but I'm glad you

747

00:32:34,190 --> 00:32:31,919

brought that up if you haven't go back

748

00:32:36,710 --> 00:32:34,200

in our archives I did an entire episode

749

00:32:40,190 --> 00:32:36,720

on the diatlov pass incident I was

750

00:32:42,470 --> 00:32:40,200

obsessed with it for a while and um I

751

00:32:44,269 --> 00:32:42,480

brought up some theories that are very

752

00:32:47,029 --> 00:32:44,279

controversial when it comes to what that

753

00:32:49,070 --> 00:32:47,039

possibly could have been uh so yeah just

754

00:32:51,590 --> 00:32:49,080

uh Google diatloaf asks someone in

755

00:32:54,230 --> 00:32:51,600

Disguise that episode should pop up for

756

00:32:56,450 --> 00:32:54,240

you guys um I hired some amazing actors

757

00:32:58,310 --> 00:32:56,460

right here in New York City to do voice

758

00:33:01,190 --> 00:32:58,320

over for that episode I was like you got

759

00:33:03,350 --> 00:33:01,200

to do a Russian accent and they knocked

760

00:33:05,090 --> 00:33:03,360

it out of the park so yeah be sure to

761

00:33:06,409 --> 00:33:05,100

check that out in the archives as well

762

00:33:07,850 --> 00:33:06,419

something I didn't think we'd be talking

763

00:33:08,630 --> 00:33:07,860

about tonight the outlaw pass thanks

764

00:33:11,810 --> 00:33:08,640

Ryan

765

00:33:15,110 --> 00:33:11,820

you always keep me on my toes buddy

766

00:33:17,509 --> 00:33:15,120

Jay Allen Heineken it was me

767

00:33:20,090 --> 00:33:17,519

uh let's see here

768

00:33:22,669 --> 00:33:20,100

Kendra says I doubt Elizondo would vouch

769

00:33:24,470 --> 00:33:22,679

if he wasn't sure yeah yeah it is kind

770

00:33:26,330 --> 00:33:24,480

of going out on a limb kind of

771

00:33:28,850 --> 00:33:26,340

confirming this guy's story and saying

772

00:33:30,769 --> 00:33:28,860

yeah it's real it's real so

773

00:33:33,649 --> 00:33:30,779

um we'll see we'll see what happens time

774

00:33:36,470 --> 00:33:33,659

will tell and um time will tell when

775

00:33:39,350 --> 00:33:36,480

elizondo's Memoir is coming out I'm

776

00:33:40,909 --> 00:33:39,360

really really looking forward to that as

777

00:33:42,950 --> 00:33:40,919

well

778

00:33:45,950 --> 00:33:42,960

um all right let's move on guys

779

00:33:47,149 --> 00:33:45,960

to our next story this is super super

780

00:33:49,430 --> 00:33:47,159

cool

781

00:33:52,850 --> 00:33:49,440

this up

782

00:33:56,210 --> 00:33:52,860

aliens could be hiding in Terminator

783

00:33:58,130 --> 00:33:56,220

zones of planets this is pretty cool

784

00:34:00,590 --> 00:33:58,140

this is our science story for the week

785

00:34:02,509 --> 00:34:00,600

in a new study astronomers proposed that

786

00:34:04,730 --> 00:34:02,519

E.T life could exist in so-called

787

00:34:08,510 --> 00:34:04,740

Terminator zones the border between

788

00:34:10,970 --> 00:34:08,520

light and dark halves of an exoplanet

789

00:34:13,669 --> 00:34:10,980

Ana Lobo an astrophysicist at the

790

00:34:15,470 --> 00:34:13,679

University of California Irvine stated

791

00:34:17,450 --> 00:34:15,480

that quote these planets have a

792

00:34:19,490 --> 00:34:17,460

permanent dayside and a permanent night

793

00:34:21,649 --> 00:34:19,500

side this is a planet where the dayside

794

00:34:24,470 --> 00:34:21,659

can be scorching hot well beyond

795

00:34:26,869 --> 00:34:24,480

habitability and the night side is going

796

00:34:29,629 --> 00:34:26,879

to be freezing potentially covered in

797

00:34:32,030 --> 00:34:29,639

ice you could have a large glacier on

798

00:34:33,349 --> 00:34:32,040

the night side according to Lobo these

799

00:34:35,329 --> 00:34:33,359

planets are actually quite common

800

00:34:38,750 --> 00:34:35,339

particularly around the dim small M

801
00:34:41,210 --> 00:34:38,760
dwarf stars that make up nearly 70 of

802
00:34:43,430 --> 00:34:41,220
all stars in the Milky Way Around these

803
00:34:45,290 --> 00:34:43,440
smaller Stars exoplanets often become

804
00:34:47,030 --> 00:34:45,300
tidally locked a gravitational

805
00:34:50,149 --> 00:34:47,040
phenomenon in which one side of the

806
00:34:51,730 --> 00:34:50,159
planet always faces the star

807
00:34:54,230 --> 00:34:51,740
astrobiology

808
00:34:56,329 --> 00:34:54,240
astrobiologists often focus on Ocean

809
00:34:58,550 --> 00:34:56,339
worlds since water is such a key

810
00:35:00,650 --> 00:34:58,560
ingredient for Life Lobo in

811
00:35:03,829 --> 00:35:00,660
collaborators however wanted to find new

812
00:35:05,990 --> 00:35:03,839
niches where life may be able to survive

813
00:35:08,990 --> 00:35:06,000

she says quote we are trying to draw

814

00:35:11,030 --> 00:35:09,000

attention to more water limited planets

815

00:35:13,609 --> 00:35:11,040

which despite not having widespread

816

00:35:15,530 --> 00:35:13,619

oceans could have lakes or other smaller

817

00:35:17,150 --> 00:35:15,540

bodies of liquid water and these

818

00:35:19,310 --> 00:35:17,160

climates could actually be very

819

00:35:21,950 --> 00:35:19,320

promising

820

00:35:24,589 --> 00:35:21,960

through computer simulations Lobo showed

821

00:35:26,630 --> 00:35:24,599

that Terminator zones on planets with a

822

00:35:29,270 --> 00:35:26,640

significant amount of land versus those

823

00:35:33,170 --> 00:35:29,280

covered entirely in oceans could in fact

824

00:35:34,670 --> 00:35:33,180

support liquid water in therefore life

825

00:35:37,670 --> 00:35:34,680

so cool

826

00:35:39,770 --> 00:35:37,680

um again the fact that we have things

827

00:35:40,910 --> 00:35:39,780

like the James Webb Telescope out there

828

00:35:43,430 --> 00:35:40,920

right now

829

00:35:45,410 --> 00:35:43,440

capturing the most awe-inspiring images

830

00:35:47,750 --> 00:35:45,420

of other planets

831

00:35:49,370 --> 00:35:47,760

um I believe it was either James I think

832

00:35:50,410 --> 00:35:49,380

it was James Webb that just captured

833

00:35:53,450 --> 00:35:50,420

that

834

00:35:55,190 --> 00:35:53,460

incredible image of Uranus and we

835

00:35:57,050 --> 00:35:55,200

finally saw the rings of the planet

836

00:35:58,609 --> 00:35:57,060

which we've never really been able to

837

00:36:00,950 --> 00:35:58,619

see before

838

00:36:02,150 --> 00:36:00,960

um it's stunning it's absolutely

839

00:36:04,310 --> 00:36:02,160

stunning

840

00:36:05,870 --> 00:36:04,320

um so who knows once we get that

841

00:36:08,390 --> 00:36:05,880

telescope out there and we start looking

842

00:36:11,750 --> 00:36:08,400

at some of these exoplanets and these

843

00:36:15,230 --> 00:36:11,760

possible Terminator zones and um maybe

844

00:36:18,290 --> 00:36:15,240

we'll find something in those niches as

845

00:36:19,550 --> 00:36:18,300

Lobo stated in this article

846

00:36:21,410 --> 00:36:19,560

um awesome

847

00:36:23,270 --> 00:36:21,420

super super awesome I can't wait to

848

00:36:24,770 --> 00:36:23,280

learn more when I heard Terminator zones

849

00:36:27,290 --> 00:36:24,780

I'm sure your mind went immediately

850

00:36:30,109 --> 00:36:27,300

where mine did I start seeing the the

851

00:36:32,210 --> 00:36:30,119

side of Oregon and all that and death

852

00:36:35,450 --> 00:36:32,220

and destruction but no these are just

853

00:36:38,450 --> 00:36:35,460

super cool areas on these exoplanets and

854

00:36:40,430 --> 00:36:38,460

um possibly could could Harbor life so

855

00:36:45,230 --> 00:36:40,440

super super cool

856

00:36:46,849 --> 00:36:45,240

um let's see what we have here

857

00:36:48,470 --> 00:36:46,859

um Kendra dude I've just gotten to the

858

00:36:50,450 --> 00:36:48,480

point where we're living in a dimension

859

00:36:52,010 --> 00:36:50,460

unique to us and that the Universe isn't

860

00:36:54,530 --> 00:36:52,020

real but just a simulation on a

861

00:36:57,170 --> 00:36:54,540

different dimensional frequency

862

00:36:59,990 --> 00:36:57,180

yes yeah it feels more and more like

863

00:37:01,609 --> 00:37:00,000

that every day Kendra for sure for sure

864

00:37:04,370 --> 00:37:01,619

um Ryan says Terminator Zone area

865

00:37:08,329 --> 00:37:04,380

occupied by Roger Robert Patrick and

866

00:37:09,770 --> 00:37:08,339

Arnold yeah for sure for sure

867

00:37:12,829 --> 00:37:09,780

um there's one other comment on the

868

00:37:15,109 --> 00:37:12,839

Terminator Zone I saw here Jess as many

869

00:37:16,910 --> 00:37:15,119

planets are tidally locked are Moonies

870

00:37:20,030 --> 00:37:16,920

the Border Zone would be where life

871

00:37:22,250 --> 00:37:20,040

could survive yep yeah so I I think this

872

00:37:24,589 --> 00:37:22,260

is really cool and again just gives our

873

00:37:26,630 --> 00:37:24,599

scientists more places to look for

874

00:37:28,490 --> 00:37:26,640

possible alien life if

875

00:37:29,569 --> 00:37:28,500

it has not been here already

876

00:37:31,970 --> 00:37:29,579

which

877

00:37:34,069 --> 00:37:31,980

will probably not be discussed at the

878

00:37:34,910 --> 00:37:34,079

UAP hearing I'm just saying I'm just

879

00:37:38,390 --> 00:37:34,920

saying

880

00:37:40,790 --> 00:37:38,400

all right what do we have here

881

00:37:42,349 --> 00:37:40,800

here is our last news story guys and

882

00:37:44,210 --> 00:37:42,359

then boom we're going to move straight

883

00:37:46,550 --> 00:37:44,220

into a marathon of our podcast

884

00:37:49,490 --> 00:37:46,560

highlights of the week so

885

00:37:50,930 --> 00:37:49,500

um I'm sure that image caught your

886

00:37:53,870 --> 00:37:50,940

attention

887

00:37:57,710 --> 00:37:53,880

um did this Colombian supermodel film a

888

00:37:59,810 --> 00:37:57,720

UFO while flying a private plane so let

889

00:38:01,730 --> 00:37:59,820

me go ahead and read this a model has

890

00:38:04,790 --> 00:38:01,740

recorded a video of the moment when a

891

00:38:08,569 --> 00:38:04,800

UFO zoomed past her cockpit at 20 000

892

00:38:10,970 --> 00:38:08,579

feet Valentina rauda Velez captured the

893

00:38:14,270 --> 00:38:10,980

clear footage of the object while in a

894

00:38:16,849 --> 00:38:14,280

private plane on Tuesday April 4th

895

00:38:18,770 --> 00:38:16,859

quote unquote we'll get to that

896

00:38:21,710 --> 00:38:18,780

in the clip I'm about to show you guys

897

00:38:24,470 --> 00:38:21,720

she shared on her Instagram story she's

898

00:38:26,870 --> 00:38:24,480

supposedly flying at an altitude of 20

899

00:38:28,849 --> 00:38:26,880

000 feet under a bright blue sky about

900

00:38:31,310 --> 00:38:28,859

10 seconds into the video a small black

901
00:38:33,170 --> 00:38:31,320
dot appears on the right side of the

902
00:38:35,030 --> 00:38:33,180
screen I'm not going to say anymore I'm

903
00:38:38,030 --> 00:38:35,040
going to go ahead and play this video

904
00:38:42,670 --> 00:38:38,040
and we will talk about this on the other

905
00:39:16,750 --> 00:38:53,230
[Music]

906
00:39:23,690 --> 00:39:19,550
there you go guys probably one of the

907
00:39:25,609 --> 00:39:23,700
most clear videos we have ever gotten of

908
00:39:29,089 --> 00:39:25,619
a possible UAP

909
00:39:31,069 --> 00:39:29,099
um filmed by a pilot nonetheless while

910
00:39:33,890 --> 00:39:31,079
in the sky

911
00:39:36,109 --> 00:39:33,900
um let me see what we got here in our

912
00:39:39,050 --> 00:39:36,119
comments uh I cannot read some of these

913
00:39:42,829 --> 00:39:39,060

comments on air unfortunately

914

00:39:45,349 --> 00:39:42,839

um leave it to you dalen come on come on

915

00:39:49,310 --> 00:39:45,359

um let's see here Devin says that image

916

00:39:50,690 --> 00:39:49,320

is so clear it's yeah it's crazy it's

917

00:39:53,750 --> 00:39:50,700

crazy

918

00:39:56,270 --> 00:39:53,760

um let's see uh Jay Ellen Heineken says

919

00:39:58,790 --> 00:39:56,280

it's a balloon I think Jazz thinks it's

920

00:40:02,630 --> 00:39:58,800

a balloon as well

921

00:40:05,510 --> 00:40:02,640

um a bowl a bird with its wings folded

922

00:40:07,010 --> 00:40:05,520

um yeah a flying stingray that's what it

923

00:40:08,510 --> 00:40:07,020

reminded me of pine Cedar thank you I

924

00:40:10,190 --> 00:40:08,520

was trying to think in my mind of what

925

00:40:11,390 --> 00:40:10,200

this reminded me of looks like a manta

926
00:40:13,430 --> 00:40:11,400
ray

927
00:40:15,349 --> 00:40:13,440
[h__h] flying right past this airplane

928
00:40:17,750 --> 00:40:15,359
it's crazy

929
00:40:19,370 --> 00:40:17,760
um so obviously this story caught a lot

930
00:40:23,810 --> 00:40:19,380
of people's attention because it was

931
00:40:25,730 --> 00:40:23,820
filmed by a a supermodel in Colombia so

932
00:40:28,310 --> 00:40:25,740
all these clickbait articles immediately

933
00:40:31,430 --> 00:40:28,320
went to like these these tasteless

934
00:40:33,710 --> 00:40:31,440
images of the model and everything and

935
00:40:35,870 --> 00:40:33,720
um kind of made fun of her and whatnot

936
00:40:38,030 --> 00:40:35,880
and and that's sad it's sad when that

937
00:40:39,589 --> 00:40:38,040
that is what they choose to do when this

938
00:40:42,290 --> 00:40:39,599

could possibly be one of the most clear

939

00:40:45,170 --> 00:40:42,300

UFO videos we've ever seen

940

00:40:47,569 --> 00:40:45,180

um however I do not feel bad for

941

00:40:49,370 --> 00:40:47,579

Valentina because it has come to my

942

00:40:51,650 --> 00:40:49,380

attention and I'm sure many others out

943

00:40:54,410 --> 00:40:51,660

there that um

944

00:40:57,710 --> 00:40:54,420

I don't want to say she lied but she

945

00:41:01,849 --> 00:40:57,720

posted this video on her Instagram story

946

00:41:05,089 --> 00:41:01,859

under false pretenses she said wow going

947

00:41:07,609 --> 00:41:05,099

up in in the plane and catching a UFO

948

00:41:09,770 --> 00:41:07,619

like what are the chances of this and

949

00:41:11,870 --> 00:41:09,780

immediately everyone's like what like

950

00:41:13,790 --> 00:41:11,880

you you were piloting this plane and you

951
00:41:15,829 --> 00:41:13,800
saw this what is going on here and the

952
00:41:18,109 --> 00:41:15,839
the video went viral um first in

953
00:41:19,910 --> 00:41:18,119
Columbia obviously and then across the

954
00:41:22,670 --> 00:41:19,920
world and

955
00:41:25,370 --> 00:41:22,680
um now we're coming to find out that she

956
00:41:27,890 --> 00:41:25,380
probably had absolutely nothing to do

957
00:41:29,750 --> 00:41:27,900
with this other than possibly have seen

958
00:41:32,450 --> 00:41:29,760
the video somewhere or knew the pilot

959
00:41:34,069 --> 00:41:32,460
and the pilot supposedly now we're

960
00:41:36,829 --> 00:41:34,079
learning is the gentleman you see there

961
00:41:40,490 --> 00:41:36,839
on the bottom right of the screen

962
00:41:42,829 --> 00:41:40,500
um and his name is Jorge artiga and I'm

963
00:41:45,589 --> 00:41:42,839

going to go ahead and read what he said

964

00:41:47,690 --> 00:41:45,599

here first of all Valentina said she

965

00:41:51,109 --> 00:41:47,700

shot this video or that this video was

966

00:41:53,870 --> 00:41:51,119

shot on April 4th of this year

967

00:41:58,190 --> 00:41:53,880

um Jorge claims that he filmed this

968

00:42:00,349 --> 00:41:58,200

video in May of 2022. so there's clearly

969

00:42:01,609 --> 00:42:00,359

a huge discrepancy here

970

00:42:03,470 --> 00:42:01,619

um in terms of when this thing was

971

00:42:05,450 --> 00:42:03,480

filmed and by who but let me go ahead

972

00:42:07,190 --> 00:42:05,460

and read you the testimony of Jorge

973

00:42:09,650 --> 00:42:07,200

because I found it really interesting

974

00:42:13,190 --> 00:42:09,660

about the video the video is authentic

975

00:42:14,690 --> 00:42:13,200

he says it was recorded by me first

976
00:42:17,089 --> 00:42:14,700
there was an approach with the object

977
00:42:20,510 --> 00:42:17,099
that was static floating in a specific

978
00:42:22,970 --> 00:42:20,520
point between Medellin and Santa Fe it

979
00:42:25,430 --> 00:42:22,980
passed me by the side with the co-pilot

980
00:42:27,650 --> 00:42:25,440
who came with me we were approaching

981
00:42:30,290 --> 00:42:27,660
Medellin at the moment the object moved

982
00:42:33,470 --> 00:42:30,300
and approached us when this happens

983
00:42:34,790 --> 00:42:33,480
I told Daniel my co-pilot and I bring

984
00:42:38,030 --> 00:42:34,800
that up because I thought maybe

985
00:42:40,550 --> 00:42:38,040
Valentina the model was his co-pilot not

986
00:42:42,829 --> 00:42:40,560
the case it was a gentleman named Daniel

987
00:42:45,410 --> 00:42:42,839
um Daniel did did you see that did you

988
00:42:47,750 --> 00:42:45,420

see it and he said yes

989

00:42:49,970 --> 00:42:47,760

um it's an occupational hazard and I

990

00:42:52,430 --> 00:42:49,980

told him so so I turned around and when

991

00:42:55,010 --> 00:42:52,440

I turned the 360 which is the first

992

00:42:57,230 --> 00:42:55,020

video I had I see the status static

993

00:43:00,050 --> 00:42:57,240

object floating when I'm recording this

994

00:43:01,970 --> 00:43:00,060

video the alleged UFO moves a bit so I

995

00:43:04,069 --> 00:43:01,980

just started hunting it with my plane

996

00:43:06,170 --> 00:43:04,079

and when I'm getting closer to it the

997

00:43:08,210 --> 00:43:06,180

object moves towards us and at the

998

00:43:12,950 --> 00:43:08,220

moment and at this moment is when I

999

00:43:15,710 --> 00:43:12,960

dodge it I am flying at 130 to 140 knots

1000

00:43:18,290 --> 00:43:15,720

at a speed with respect to 150 knots if

1001
00:43:21,470 --> 00:43:18,300
we do the multiplication it is more than

1002
00:43:24,530 --> 00:43:21,480
300 kilometers per hour

1003
00:43:26,690 --> 00:43:24,540
I passed very close to that and if it

1004
00:43:28,550 --> 00:43:26,700
had been a balloon no more than the mere

1005
00:43:30,170 --> 00:43:28,560
wake of the plane would have finished it

1006
00:43:33,349 --> 00:43:30,180
off or taken it from the point where it

1007
00:43:35,569 --> 00:43:33,359
was that's why I stayed I stayed and

1008
00:43:38,150 --> 00:43:35,579
that didn't go away it didn't fly away

1009
00:43:40,490 --> 00:43:38,160
and I said no I have to look for it and

1010
00:43:42,950 --> 00:43:40,500
it can't be a solar balloon the object

1011
00:43:46,190 --> 00:43:42,960
does not have a strip it has nothing a

1012
00:43:48,829 --> 00:43:46,200
helium balloon does not reach up there I

1013
00:43:51,890 --> 00:43:48,839

actually felt fear this is not any kind

1014

00:43:54,470 --> 00:43:51,900

of balloon nor a drone nor an object

1015

00:43:56,750 --> 00:43:54,480

known to me

1016

00:43:58,309 --> 00:43:56,760

so that's what Jorge says

1017

00:44:00,410 --> 00:43:58,319

um we've gotten no comment from

1018

00:44:02,450 --> 00:44:00,420

Valentina I did reach out to her on

1019

00:44:06,170 --> 00:44:02,460

Instagram to see if she wanted to make a

1020

00:44:08,990 --> 00:44:06,180

comment I got no response so um yeah I'm

1021

00:44:10,670 --> 00:44:09,000

sure she's enjoying the the the public

1022

00:44:11,809 --> 00:44:10,680

attention she got with this and it

1023

00:44:13,550 --> 00:44:11,819

probably got her a ton of followers

1024

00:44:15,650 --> 00:44:13,560

which good for her

1025

00:44:18,170 --> 00:44:15,660

um I respect the hustle for sure but um

1026

00:44:20,510 --> 00:44:18,180

I'm going with Jorge having filmed this

1027

00:44:23,690 --> 00:44:20,520

um his testimonies is sound now it's a

1028

00:44:26,210 --> 00:44:23,700

matter of what that object was it's so

1029

00:44:28,550 --> 00:44:26,220

perfect and clear and usually when that

1030

00:44:30,650 --> 00:44:28,560

happens it's too good to be true so um I

1031

00:44:33,410 --> 00:44:30,660

don't know I don't know it's really

1032

00:44:35,870 --> 00:44:33,420

really interesting

1033

00:44:37,849 --> 00:44:35,880

um let's move on here

1034

00:44:40,670 --> 00:44:37,859

Ryan you plan on streaming the Senate

1035

00:44:42,109 --> 00:44:40,680

hearing I am not Niles unfortunately I'm

1036

00:44:44,690 --> 00:44:42,119

busy here in New York City while it's

1037

00:44:45,950 --> 00:44:44,700

going on but we do have correspondence

1038

00:44:50,089 --> 00:44:45,960

there

1039

00:44:52,430 --> 00:44:50,099

few people Katie Holland is going to be

1040

00:44:54,109 --> 00:44:52,440

in Washington during that

1041

00:44:57,109 --> 00:44:54,119

um there's a few other YouTubers and

1042

00:44:59,750 --> 00:44:57,119

whatnot who will be live from the Senate

1043

00:45:01,970 --> 00:44:59,760

hearing so um I believe

1044

00:45:04,970 --> 00:45:01,980

um us

1045

00:45:07,370 --> 00:45:04,980

oh gosh it's escaping right now but um

1046

00:45:09,410 --> 00:45:07,380

I'll I'll definitely be sharing any of

1047

00:45:12,050 --> 00:45:09,420

those live streams on the summer in the

1048

00:45:13,670 --> 00:45:12,060

skies Twitter account that day so be on

1049

00:45:16,069 --> 00:45:13,680

the lookout for that is it live

1050

00:45:18,710 --> 00:45:16,079

streaming I I didn't even

1051

00:45:20,990 --> 00:45:18,720

like bother to ask that does anyone know

1052

00:45:23,329 --> 00:45:21,000

if the UAP hearing is live streaming

1053

00:45:24,890 --> 00:45:23,339

maybe on C-Span or something please let

1054

00:45:26,809 --> 00:45:24,900

me know in the comments

1055

00:45:31,490 --> 00:45:26,819

um it'll be interesting

1056

00:45:39,290 --> 00:45:35,809

um let's see uh no way Ryan she lost her

1057

00:45:42,230 --> 00:45:39,300

only chance to be on your show Friends

1058

00:45:44,450 --> 00:45:42,240

I yeah I don't know again I I don't

1059

00:45:46,790 --> 00:45:44,460

think that um Valentina had anything to

1060

00:45:48,710 --> 00:45:46,800

do with this event unfortunately

1061

00:45:50,630 --> 00:45:48,720

um so we'll see we'll see if there's any

1062

00:45:52,790 --> 00:45:50,640

updates on that UFO video I showed you

1063

00:45:55,190 --> 00:45:52,800

guys in the near future

1064

00:45:58,910 --> 00:45:55,200

um okay let's move guys to podcast

1065

00:46:01,309 --> 00:45:58,920

highlights of the week here

1066

00:46:04,609 --> 00:46:01,319

so the first one we are going to be

1067

00:46:06,890 --> 00:46:04,619

talking about is uh weaponized as per

1068

00:46:08,569 --> 00:46:06,900

usual we have George Knapp and Jeremy

1069

00:46:10,490 --> 00:46:08,579

Corbell over there

1070

00:46:12,230 --> 00:46:10,500

um and they had cone Kelleher back on

1071

00:46:14,870 --> 00:46:12,240

the show to continue talking about UFOs

1072

00:46:18,050 --> 00:46:14,880

they talked a lot about ASAP and combs

1073

00:46:20,390 --> 00:46:18,060

time there at Skinwalker Ranch but um

1074

00:46:23,270 --> 00:46:20,400

Jeremy flat out ask home

1075

00:46:25,970 --> 00:46:23,280

um on this episode are we in possession

1076

00:46:28,730 --> 00:46:25,980

of E.T craft is the U.S government in

1077

00:46:31,930 --> 00:46:28,740

possession of materials or a fully

1078

00:46:34,370 --> 00:46:31,940

intact craft and uh the the

1079

00:46:35,750 --> 00:46:34,380

response was interesting so I'm going to

1080

00:46:37,849 --> 00:46:35,760

go ahead and play our first podcast

1081

00:46:40,250 --> 00:46:37,859

highlight of the week here from

1082

00:46:42,530 --> 00:46:40,260

weaponized and uh we'll talk about it a

1083

00:46:45,170 --> 00:46:42,540

little bit on the other side does our

1084

00:46:46,970 --> 00:46:45,180

government have downed UFOs from Unknown

1085

00:46:49,010 --> 00:46:46,980

Origin that they've been trying and are

1086

00:46:50,870 --> 00:46:49,020

trying to reverse engineer and exploit

1087

00:46:52,510 --> 00:46:50,880

those Technologies understand the

1088

00:46:55,670 --> 00:46:52,520

physics and understand that technology

1089

00:46:58,010 --> 00:46:55,680

do we have that to work with

1090

00:46:59,170 --> 00:46:58,020

I can't talk about that but the answer

1091

00:47:01,670 --> 00:46:59,180

is yes

1092

00:47:03,589 --> 00:47:01,680

let me let me put let me ask it this way

1093

00:47:05,569 --> 00:47:03,599

so there are a number of whistleblowers

1094

00:47:07,849 --> 00:47:05,579

who are who have new protections they're

1095

00:47:09,829 --> 00:47:07,859

lining up we've heard we know some of

1096

00:47:11,690 --> 00:47:09,839

them and that we know generally what

1097

00:47:14,170 --> 00:47:11,700

they're prepared to say let's say they

1098

00:47:17,030 --> 00:47:14,180

tell this to Congress and Congress

1099

00:47:19,609 --> 00:47:17,040

authorizes Arrow hey the stuff is over

1100

00:47:22,430 --> 00:47:19,619

here go get it how does that change the

1101
00:47:24,589 --> 00:47:22,440
world if we suddenly acknowledge or at

1102
00:47:26,470 --> 00:47:24,599
least the government finds and locates

1103
00:47:29,329 --> 00:47:26,480
and tests

1104
00:47:31,130 --> 00:47:29,339
somewhat in the open these meta

1105
00:47:34,010 --> 00:47:31,140
materials created by someone else

1106
00:47:35,750 --> 00:47:34,020
they're not ours or entire craft that

1107
00:47:37,910 --> 00:47:35,760
were built by someone else and we can't

1108
00:47:40,010 --> 00:47:37,920
figure out how it how they fly how does

1109
00:47:42,290 --> 00:47:40,020
that change the dynamic of this and does

1110
00:47:44,809 --> 00:47:42,300
that does that answer actually answer

1111
00:47:46,730 --> 00:47:44,819
the big questions who they who built

1112
00:47:50,030 --> 00:47:46,740
them where they're from why they're here

1113
00:47:52,309 --> 00:47:50,040

well it certainly answers

1114

00:47:55,190 --> 00:47:52,319

um the sort of sneaking suspicion that

1115

00:47:56,990 --> 00:47:55,200

people have had over many many many

1116

00:47:59,390 --> 00:47:57,000

decades that the United States

1117

00:48:02,030 --> 00:47:59,400

government is not coming out with the

1118

00:48:05,450 --> 00:48:02,040

full truth of what has happened behind

1119

00:48:06,890 --> 00:48:05,460

closed doors in terms of the the

1120

00:48:08,329 --> 00:48:06,900

questions that you're asking about

1121

00:48:08,990 --> 00:48:08,339

though

1122

00:48:11,990 --> 00:48:09,000

um

1123

00:48:14,809 --> 00:48:12,000

technical performance and performance

1124

00:48:17,510 --> 00:48:14,819

characteristics are fundamental if if

1125

00:48:20,750 --> 00:48:17,520

the analysis the level of analysis that

1126

00:48:23,150 --> 00:48:20,760

has happened on these objects is

1127

00:48:25,910 --> 00:48:23,160

sufficient to generate you know as I

1128

00:48:28,309 --> 00:48:25,920

said physics and Engineering

1129

00:48:30,710 --> 00:48:28,319

um that is a major breakthrough and that

1130

00:48:35,030 --> 00:48:30,720

would be a fundamental departure point

1131

00:48:37,130 --> 00:48:35,040

for Humanity because Humanity would be

1132

00:48:40,870 --> 00:48:37,140

able to answer that question are we

1133

00:48:43,130 --> 00:48:40,880

alone are not alone in the universe

1134

00:48:45,290 --> 00:48:43,140

there we go guys

1135

00:48:49,130 --> 00:48:45,300

um come Keller back on weaponized and

1136

00:48:51,950 --> 00:48:49,140

saying yes the US government is in

1137

00:48:53,329 --> 00:48:51,960

possession of extraterrestrial craft

1138

00:48:55,790 --> 00:48:53,339

again

1139

00:48:57,710 --> 00:48:55,800

one man's word a lot of people don't

1140

00:48:59,750 --> 00:48:57,720

take what he says

1141

00:49:02,390 --> 00:48:59,760

um for full truth but uh it was

1142

00:49:04,309 --> 00:49:02,400

interesting nonetheless and um that

1143

00:49:06,349 --> 00:49:04,319

interview and that clip specifically

1144

00:49:09,589 --> 00:49:06,359

that I just played for you caught the

1145

00:49:11,569 --> 00:49:09,599

attention of our next podcast host that

1146

00:49:15,410 --> 00:49:11,579

we are going to talk about

1147

00:49:17,030 --> 00:49:15,420

um and that is good old Joe Rogan a Joe

1148

00:49:19,910 --> 00:49:17,040

Rogan Experience you guys know my

1149

00:49:21,650 --> 00:49:19,920

thoughts on Joe Rogan however sometimes

1150

00:49:22,609 --> 00:49:21,660

he has some interesting guests who come

1151
00:49:25,309 --> 00:49:22,619
on

1152
00:49:26,630 --> 00:49:25,319
um to talk about this stuff and uh this

1153
00:49:29,990 --> 00:49:26,640
clip I'm going to show you was actually

1154
00:49:31,309 --> 00:49:30,000
a reaction video to that specific clip I

1155
00:49:33,470 --> 00:49:31,319
just played to you

1156
00:49:37,910 --> 00:49:33,480
um Joe Rogan had on the show this week

1157
00:49:39,410 --> 00:49:37,920
uh Bill ottman who is the CEO of Minds

1158
00:49:41,630 --> 00:49:39,420
um I don't know much about mines I think

1159
00:49:44,089 --> 00:49:41,640
it's some new kind of like decentralized

1160
00:49:46,130 --> 00:49:44,099
social media platform

1161
00:49:48,349 --> 00:49:46,140
um I'm not familiar with it I don't know

1162
00:49:49,730 --> 00:49:48,359
anything about it but um he had him on

1163
00:49:52,970 --> 00:49:49,740

to talk about a bunch of different stuff

1164

00:49:55,730 --> 00:49:52,980

this week AI obviously which is

1165

00:49:57,349 --> 00:49:55,740

all people can talk about right now

1166

00:50:00,530 --> 00:49:57,359

um but they also talked a lot about UFOs

1167

00:50:02,930 --> 00:50:00,540

and this CEO Bill ottman actually talked

1168

00:50:04,750 --> 00:50:02,940

to uh Christopher Mellon recently as

1169

00:50:08,089 --> 00:50:04,760

well about the uh whistleblower

1170

00:50:10,970 --> 00:50:08,099

legislation that just occurred within um

1171

00:50:13,670 --> 00:50:10,980

this past Year's uh you know uh what do

1172

00:50:16,609 --> 00:50:13,680

you call it like the the the the fiscal

1173

00:50:18,829 --> 00:50:16,619

year the budget blah blah all that stuff

1174

00:50:21,829 --> 00:50:18,839

um key loss there were basically being

1175

00:50:23,990 --> 00:50:21,839

put into action so if you've had a if

1176

00:50:26,390 --> 00:50:24,000

you ever worked for a black budget

1177

00:50:28,730 --> 00:50:26,400

program that involved UFOs whether it be

1178

00:50:32,569 --> 00:50:28,740

crash retrievals

1179

00:50:33,589 --> 00:50:32,579

um investigations even cover-ups of some

1180

00:50:35,809 --> 00:50:33,599

sort

1181

00:50:38,690 --> 00:50:35,819

um legally you can now come forward and

1182

00:50:39,410 --> 00:50:38,700

talk about it without repercussion

1183

00:50:41,930 --> 00:50:39,420

um

1184

00:50:43,430 --> 00:50:41,940

which is very very interesting so let me

1185

00:50:45,770 --> 00:50:43,440

go ahead and play this response clip

1186

00:50:47,390 --> 00:50:45,780

from Joe Rogan and Bill Altman over

1187

00:50:48,589 --> 00:50:47,400

there at The Joe Rogan Experience and

1188

00:50:51,170 --> 00:50:48,599

we'll talk about it on the other side

1189

00:50:52,970 --> 00:50:51,180

does our government have downed UFOs

1190

00:50:54,770 --> 00:50:52,980

from Unknown Origin that they've been

1191

00:50:56,569 --> 00:50:54,780

trying and are trying to reverse

1192

00:50:58,430 --> 00:50:56,579

engineer and exploit those Technologies

1193

00:51:01,490 --> 00:50:58,440

understand the physics and understand

1194

00:51:02,510 --> 00:51:01,500

that technology do we have that to work

1195

00:51:04,790 --> 00:51:02,520

with

1196

00:51:07,190 --> 00:51:04,800

I can't talk about that but the answer

1197

00:51:09,530 --> 00:51:07,200

is yes

1198

00:51:12,770 --> 00:51:09,540

so this is from weaponized uh Jeremy

1199

00:51:16,190 --> 00:51:12,780

Corbell and George Knapp's podcast

1200

00:51:18,650 --> 00:51:16,200

just that answer alone yeah I mean

1201

00:51:21,950 --> 00:51:18,660

and I the type of whistleblower

1202

00:51:23,990 --> 00:51:21,960

protections that are available like I

1203

00:51:25,849 --> 00:51:24,000

hope we can expand that so it's not just

1204

00:51:28,370 --> 00:51:25,859

for UFO related stuff but also for

1205

00:51:29,990 --> 00:51:28,380

surveillance yeah to protect the

1206

00:51:32,510 --> 00:51:30,000

snowden's and assangeas of the world

1207

00:51:35,150 --> 00:51:32,520

like we need we need that and that's why

1208

00:51:36,890 --> 00:51:35,160

I think that this uh office is going to

1209

00:51:39,349 --> 00:51:36,900

be successful it's because like you

1210

00:51:42,589 --> 00:51:39,359

can't the people who are doing the the

1211

00:51:44,809 --> 00:51:42,599

black projects need to have reassurance

1212

00:51:46,670 --> 00:51:44,819

that they're not going to be screwed

1213

00:51:49,849 --> 00:51:46,680

after coming forward

1214

00:51:53,030 --> 00:51:49,859

and so you know this this type of

1215

00:51:55,849 --> 00:51:53,040

legislation is is so key um I had an

1216

00:51:57,829 --> 00:51:55,859

exchange with with melon recently and he

1217

00:52:01,370 --> 00:51:57,839

actually told me to uh to mention this

1218

00:52:04,250 --> 00:52:01,380

so he was saying that Lazar should come

1219

00:52:06,349 --> 00:52:04,260

forward through Arrow because why not I

1220

00:52:09,530 --> 00:52:06,359

mean if he was involved then

1221

00:52:12,170 --> 00:52:09,540

he could participate yeah in that

1222

00:52:13,730 --> 00:52:12,180

organization and and put it through

1223

00:52:15,109 --> 00:52:13,740

because that's the channel that we have

1224

00:52:17,210 --> 00:52:15,119

now

1225

00:52:20,690 --> 00:52:17,220

the idea that someone is going to come

1226

00:52:23,210 --> 00:52:20,700

out and say we have downed UFOs

1227

00:52:25,670 --> 00:52:23,220

but we can't talk about it

1228

00:52:28,609 --> 00:52:25,680

like what does that mean do you have

1229

00:52:30,890 --> 00:52:28,619

something that was unidentified that is

1230

00:52:33,890 --> 00:52:30,900

from some other state some other

1231

00:52:35,630 --> 00:52:33,900

government that you found and it's a

1232

00:52:37,130 --> 00:52:35,640

it's unidentified

1233

00:52:39,589 --> 00:52:37,140

or are you saying you have something

1234

00:52:41,210 --> 00:52:39,599

from another planet there's two there's

1235

00:52:43,849 --> 00:52:41,220

two very different answers right because

1236

00:52:46,190 --> 00:52:43,859

the the Chinese balloons included in

1237

00:52:48,349 --> 00:52:46,200

this as well so if that gets downed you

1238

00:52:51,230 --> 00:52:48,359

know that's that constitutes crash

1239

00:52:53,210 --> 00:52:51,240

materials right like what is it you it's

1240

00:52:55,790 --> 00:52:53,220

unidentified what does that mean but are

1241

00:52:57,410 --> 00:52:55,800

you saying that you have something that

1242

00:52:59,030 --> 00:52:57,420

you re you're back engineering from

1243

00:53:01,309 --> 00:52:59,040

another country or you're saying you

1244

00:53:04,490 --> 00:53:01,319

have something that is of

1245

00:53:07,809 --> 00:53:04,500

some completely Unknown Origin like

1246

00:53:13,430 --> 00:53:09,410

interesting

1247

00:53:15,829 --> 00:53:13,440

um that is such a good clip again I not

1248

00:53:17,750 --> 00:53:15,839

want to really promote Joe Rogan there's

1249

00:53:21,170 --> 00:53:17,760

a lot of things I do not agree with him

1250

00:53:23,930 --> 00:53:21,180

on in terms of his uh idealism and

1251

00:53:26,690 --> 00:53:23,940

politics and all that stuff however

1252

00:53:30,710 --> 00:53:26,700

um he has some interesting conversations

1253

00:53:32,630 --> 00:53:30,720

with his guests and uh we can mine some

1254

00:53:34,549 --> 00:53:32,640

some stuff from those uh two things in

1255

00:53:37,690 --> 00:53:34,559

this clip I just want to touch on before

1256

00:53:40,549 --> 00:53:37,700

we move to our next one uh the first is

1257

00:53:42,770 --> 00:53:40,559

uh yeah they're reacting to come Keller

1258

00:53:43,970 --> 00:53:42,780

saying yes we have downed UFOs we're in

1259

00:53:47,390 --> 00:53:43,980

possession of those

1260

00:53:49,309 --> 00:53:47,400

the point being down UFO could include

1261

00:53:51,770 --> 00:53:49,319

literally anything that was shot out of

1262

00:53:53,750 --> 00:53:51,780

the sky that was once not identified but

1263

00:53:55,549 --> 00:53:53,760

could be identified now that goes for

1264

00:53:57,470 --> 00:53:55,559

the three objects recently shot down in

1265

00:53:58,549 --> 00:53:57,480

the U.S they bring up the Chinese spy

1266

00:54:01,490 --> 00:53:58,559

balloon

1267

00:54:05,210 --> 00:54:01,500

um before we knew what that was it was a

1268

00:54:08,510 --> 00:54:05,220

UFO so that could be considered a UFO

1269

00:54:10,309 --> 00:54:08,520

crash and retrieval program

1270

00:54:12,710 --> 00:54:10,319

um so yeah yeah putting these things

1271

00:54:14,990 --> 00:54:12,720

into perspective keeping it grounded and

1272

00:54:16,490 --> 00:54:15,000

understanding that with arrow with

1273

00:54:19,010 --> 00:54:16,500

everything going on with this talk of

1274

00:54:21,950 --> 00:54:19,020

Crash retrieval programs

1275

00:54:23,089 --> 00:54:21,960

um we're not always or even necessarily

1276

00:54:24,589 --> 00:54:23,099

talking about

1277

00:54:27,470 --> 00:54:24,599

etcroft however

1278

00:54:31,490 --> 00:54:27,480

Jeremy Corbell did ask home Kelleher ET

1279

00:54:33,770 --> 00:54:31,500

craft and he did say yes so there you go

1280

00:54:35,750 --> 00:54:33,780

I mean it's I don't know I don't know

1281

00:54:37,490 --> 00:54:35,760

the debate continues the other big thing

1282

00:54:40,190 --> 00:54:37,500

in this clip when they brought up

1283

00:54:42,349 --> 00:54:40,200

whistleblower legislation was

1284

00:54:44,089 --> 00:54:42,359

um what's his name Bill ottman said he's

1285

00:54:47,210 --> 00:54:44,099

talked to Christopher melon and melon

1286

00:54:49,130 --> 00:54:47,220

said we need to get Bob Lazar in front

1287

00:54:51,349 --> 00:54:49,140

of Congress or at least in front of

1288

00:54:52,490 --> 00:54:51,359

Arrow to talk about what he knows and

1289

00:54:53,930 --> 00:54:52,500

what he experienced when it comes to

1290

00:54:56,089 --> 00:54:53,940

UFOs

1291

00:54:57,589 --> 00:54:56,099

um we need to do this finally put this

1292

00:54:59,150 --> 00:54:57,599

story to rest

1293

00:55:01,250 --> 00:54:59,160

um if he really experienced these things

1294

00:55:03,170 --> 00:55:01,260

now is the time to come forward no

1295

00:55:04,730 --> 00:55:03,180

repercussions this is kind of the reason

1296

00:55:07,549 --> 00:55:04,740

Lazar was

1297

00:55:10,250 --> 00:55:07,559

um quiet for so long and kind of refuses

1298

00:55:13,370 --> 00:55:10,260

to talk about it anymore unless it's in

1299

00:55:15,890 --> 00:55:13,380

a book or a documentary

1300

00:55:18,770 --> 00:55:15,900

um and this would be his opportunity to

1301

00:55:20,809 --> 00:55:18,780

finally do it if there's truth to it

1302

00:55:23,210 --> 00:55:20,819

um you know and there have been people

1303

00:55:25,250 --> 00:55:23,220

recently who've been extremely critical

1304

00:55:29,450 --> 00:55:25,260

of Bob Lazar and have been saying the

1305

00:55:31,790 --> 00:55:29,460

same thing this dude needs to finally go

1306

00:55:34,730 --> 00:55:31,800

talk to the government about all these

1307

00:55:37,430 --> 00:55:34,740

Sensational claims he's made and I agree

1308

00:55:40,010 --> 00:55:37,440

I think it's finally time that Bob Lazar

1309

00:55:43,250 --> 00:55:40,020

does this instead of speaking at a UFO

1310

00:55:46,849 --> 00:55:43,260

conference instead of um you know uh

1311

00:55:49,609 --> 00:55:46,859

whatever talking to just Jeremy Corbell

1312

00:55:52,069 --> 00:55:49,619

about all this it's finally time we put

1313

00:55:54,230 --> 00:55:52,079

the story to rest and

1314

00:55:56,390 --> 00:55:54,240

just put them out there you know if he's

1315

00:55:59,510 --> 00:55:56,400

going to be put under oath in front of

1316

00:56:02,089 --> 00:55:59,520

Congress to tell his story that says lie

1317

00:56:04,250 --> 00:56:02,099

if he's lying it's perjury you know like

1318

00:56:06,589 --> 00:56:04,260

so let's do it let's finally get him out

1319

00:56:08,390 --> 00:56:06,599

there so um you know maybe a few

1320

00:56:10,430 --> 00:56:08,400

YouTubers and podcasts are saying it is

1321

00:56:12,650 --> 00:56:10,440

one thing but when influential people

1322

00:56:14,510 --> 00:56:12,660

like Christopher Mellon are starting to

1323

00:56:16,730 --> 00:56:14,520

say it and it then gets on Joe Rogan

1324

00:56:17,930 --> 00:56:16,740

which then gets filtered out to millions

1325

00:56:19,190 --> 00:56:17,940

of people

1326

00:56:21,770 --> 00:56:19,200

um this could finally put the pressure

1327

00:56:22,549 --> 00:56:21,780

on someone like Lazar too to do that I

1328

00:56:24,589 --> 00:56:22,559

don't know

1329

00:56:26,750 --> 00:56:24,599

um he totally bombed on his interview

1330

00:56:28,250 --> 00:56:26,760

with Joe Rogan claiming he had a

1331

00:56:30,349 --> 00:56:28,260

migraine and he couldn't even remember

1332

00:56:32,510 --> 00:56:30,359

the slightest things

1333

00:56:34,609 --> 00:56:32,520

um if you can't tell I'm a little more

1334

00:56:35,690 --> 00:56:34,619

critical about bizarre but I than I used

1335

00:56:38,630 --> 00:56:35,700

to be

1336

00:56:41,450 --> 00:56:38,640

um the the book his Memoir is kind of

1337

00:56:43,250 --> 00:56:41,460

what really turned me gave me the 180 on

1338

00:56:45,049 --> 00:56:43,260

Bob Lazar it was one of the worst books

1339

00:56:47,690 --> 00:56:45,059

I've ever read

1340

00:56:49,670 --> 00:56:47,700

um so yeah I've turned sour on the whole

1341

00:56:51,470 --> 00:56:49,680

bulb this is our story but

1342

00:56:54,230 --> 00:56:51,480

there's still a small fraction of me

1343

00:56:56,990 --> 00:56:54,240

that wants to believe it's true

1344

00:56:58,790 --> 00:56:57,000

um so will that hope stay alive let's

1345

00:56:59,930 --> 00:56:58,800

get him in front of Congress and find

1346

00:57:02,329 --> 00:56:59,940

out

1347

00:57:05,089 --> 00:57:02,339

all right all right

1348

00:57:07,910 --> 00:57:05,099

let's see here

1349

00:57:09,049 --> 00:57:07,920

moving on moving on uh let me just read

1350

00:57:10,730 --> 00:57:09,059

a couple of these comments completely

1351
00:57:14,150 --> 00:57:10,740
agree Bob should take advantage of this

1352
00:57:17,210 --> 00:57:14,160
whistleblower law yeah yeah totally

1353
00:57:18,170 --> 00:57:17,220
um Pine Cedar agrees

1354
00:57:20,510 --> 00:57:18,180
um

1355
00:57:23,750 --> 00:57:20,520
dalen says I think was ours trying to

1356
00:57:25,370 --> 00:57:23,760
stay away before he cops more hate his

1357
00:57:27,650 --> 00:57:25,380
entire adult life he has been vilified

1358
00:57:30,230 --> 00:57:27,660
for his story I can appreciate the

1359
00:57:32,870 --> 00:57:30,240
reluctance yeah I mean I get it yeah

1360
00:57:34,730 --> 00:57:32,880
like you know he if this is true he

1361
00:57:37,670 --> 00:57:34,740
versus the law coming forward and to be

1362
00:57:38,990 --> 00:57:37,680
kind of demonized and ridiculed and told

1363
00:57:42,589 --> 00:57:39,000

you're a liar

1364

00:57:44,870 --> 00:57:42,599

um it's got to be tough but look like no

1365

00:57:47,390 --> 00:57:44,880

no the repercussions know the

1366

00:57:48,530 --> 00:57:47,400

consequences of coming forward with such

1367

00:57:50,569 --> 00:57:48,540

claims

1368

00:57:52,490 --> 00:57:50,579

um you know

1369

00:57:54,589 --> 00:57:52,500

he should have expected that and I'm

1370

00:57:56,750 --> 00:57:54,599

sure he did um but a part of him might

1371

00:57:59,930 --> 00:57:56,760

not even care he may never want to tell

1372

00:58:03,290 --> 00:57:59,940

his story again uh that's his

1373

00:58:05,270 --> 00:58:03,300

prerogative uh my big issue is he claims

1374

00:58:08,690 --> 00:58:05,280

that he took some of this element 115

1375

00:58:11,150 --> 00:58:08,700

this fuel that the UFOs seemed to work

1376

00:58:13,910 --> 00:58:11,160

off of and that he was working on it S4

1377

00:58:15,710 --> 00:58:13,920

near area 51. um he claims that he took

1378

00:58:18,410 --> 00:58:15,720

some of it and is in possession of it

1379

00:58:20,390 --> 00:58:18,420

and he has it hidden away uh for

1380

00:58:21,950 --> 00:58:20,400

security purposes you know he's getting

1381

00:58:24,290 --> 00:58:21,960

a lot of quote unquote death threats

1382

00:58:26,270 --> 00:58:24,300

when he first came forward by shattering

1383

00:58:28,190 --> 00:58:26,280

government agents and whatnot and he

1384

00:58:29,030 --> 00:58:28,200

kind of had it as a security blanket you

1385

00:58:29,750 --> 00:58:29,040

know

1386

00:58:32,150 --> 00:58:29,760

um

1387

00:58:33,170 --> 00:58:32,160

and I just think that's

1388

00:58:34,790 --> 00:58:33,180

stupid

1389

00:58:37,970 --> 00:58:34,800

I'm just being honest I think that's

1390

00:58:40,370 --> 00:58:37,980

really stupid if you have this this fuel

1391

00:58:42,770 --> 00:58:40,380

or this element that could benefit

1392

00:58:43,849 --> 00:58:42,780

Humanity in some way

1393

00:58:46,370 --> 00:58:43,859

um and you're just going to keep it

1394

00:58:48,530 --> 00:58:46,380

hidden in I don't know the Nevada desert

1395

00:58:50,329 --> 00:58:48,540

somewhere because you're afraid of what

1396

00:58:53,690 --> 00:58:50,339

might happen to you

1397

00:58:56,569 --> 00:58:53,700

um seems extremely selfish and uh it

1398

00:58:59,329 --> 00:58:56,579

just seems stupid in my opinion so um

1399

00:59:01,849 --> 00:58:59,339

again I am definitely a proponent of

1400

00:59:04,010 --> 00:59:01,859

balbazar telling his story in front of

1401
00:59:05,390 --> 00:59:04,020
Congress or in at least in front of

1402
00:59:08,450 --> 00:59:05,400
Arrow

1403
00:59:11,270 --> 00:59:08,460
um and see what comes of that so yeah

1404
00:59:12,589 --> 00:59:11,280
moving on from Bob Lazar let's move on

1405
00:59:13,309 --> 00:59:12,599
to

1406
00:59:16,190 --> 00:59:13,319
um

1407
00:59:19,549 --> 00:59:16,200
to a less controversial character and

1408
00:59:22,069 --> 00:59:19,559
that is uh Kevin day uh who many of you

1409
00:59:24,289 --> 00:59:22,079
may know from my book somewhere in the

1410
00:59:25,910 --> 00:59:24,299
skies I had the amazing opportunity to

1411
00:59:29,089 --> 00:59:25,920
interview Kevin day he was the chief

1412
00:59:30,170 --> 00:59:29,099
radar operator during the 2004 Nimitz

1413
00:59:32,690 --> 00:59:30,180

event

1414

00:59:36,049 --> 00:59:32,700

um and he was literally the reason we

1415

00:59:38,329 --> 00:59:36,059

know about the Tic Tac UFO he had been

1416

00:59:40,430 --> 00:59:38,339

tracking these objects on radar for over

1417

00:59:42,530 --> 00:59:40,440

a week he would tell his superiors they

1418

00:59:43,970 --> 00:59:42,540

would tell him it's a glitch in the

1419

00:59:46,130 --> 00:59:43,980

system

1420

00:59:47,569 --> 00:59:46,140

um or or don't worry about it and he

1421

00:59:49,549 --> 00:59:47,579

just kept going back to them every day

1422

00:59:51,470 --> 00:59:49,559

and saying I've seen so many of these

1423

00:59:54,049 --> 00:59:51,480

things it's not a glitch we turned off

1424

00:59:56,569 --> 00:59:54,059

the Spy one radar turned it back on and

1425

00:59:58,490 --> 00:59:56,579

these things are still showing up

1426

01:00:00,589 --> 00:59:58,500

um they just kept telling him don't

1427

01:00:02,690 --> 01:00:00,599

worry don't worry about it and finally

1428

01:00:05,150 --> 01:00:02,700

there was a training exercise going on

1429

01:00:08,450 --> 01:00:05,160

where planes were up there and these

1430

01:00:12,829 --> 01:00:08,460

objects were in the training space huge

1431

01:00:15,109 --> 01:00:12,839

huge problem and risk so Kevin he's had

1432

01:00:17,450 --> 01:00:15,119

enough of it he said I'm sending an

1433

01:00:19,670 --> 01:00:17,460

intercept we need to figure out what

1434

01:00:21,829 --> 01:00:19,680

these things what these things are and

1435

01:00:24,950 --> 01:00:21,839

that's what ushered in this entire event

1436

01:00:26,390 --> 01:00:24,960

we learned of David fravor and um and

1437

01:00:29,450 --> 01:00:26,400

and all the other pilots who are

1438

01:00:32,809 --> 01:00:29,460

involved with this Alex Dietrich and uh

1439

01:00:35,450 --> 01:00:32,819

thus the Tic Tac event was first made

1440

01:00:38,329 --> 01:00:35,460

public many many years later wow that

1441

01:00:40,549 --> 01:00:38,339

was a die try Kevin Day final chapter of

1442

01:00:43,130 --> 01:00:40,559

my last book back in 2020.

1443

01:00:44,690 --> 01:00:43,140

um chapters titled it was raining UFOs

1444

01:00:45,890 --> 01:00:44,700

if you haven't read it I hope you'll

1445

01:00:48,470 --> 01:00:45,900

check it out

1446

01:00:51,349 --> 01:00:48,480

um that event changed Kevin's life

1447

01:00:52,130 --> 01:00:51,359

dramatically for good and bad

1448

01:00:56,270 --> 01:00:52,140

um

1449

01:00:58,670 --> 01:00:56,280

for back mostly until you know he looked

1450

01:01:00,710 --> 01:00:58,680

up at the news one day and saw David

1451
01:01:03,190 --> 01:01:00,720
fravor on there talking about the event

1452
01:01:05,510 --> 01:01:03,200
and his life changed again after that

1453
01:01:06,710 --> 01:01:05,520
Vindication this happened he could talk

1454
01:01:09,230 --> 01:01:06,720
about it

1455
01:01:10,430 --> 01:01:09,240
um the whole story is in the book so go

1456
01:01:13,670 --> 01:01:10,440
read the book

1457
01:01:16,250 --> 01:01:13,680
um however the UAP studies podcast had

1458
01:01:17,510 --> 01:01:16,260
Kevin Day on their show this past week

1459
01:01:20,030 --> 01:01:17,520
and it was

1460
01:01:22,190 --> 01:01:20,040
an awesome awesome interview I give

1461
01:01:23,690 --> 01:01:22,200
those dudes so many props um they got

1462
01:01:25,670 --> 01:01:23,700
some stuff out of him that I hadn't

1463
01:01:27,230 --> 01:01:25,680

heard before and this is cool Kevin

1464

01:01:31,130 --> 01:01:27,240

actually talked about

1465

01:01:33,650 --> 01:01:31,140

um hinting that he may be going in front

1466

01:01:35,690 --> 01:01:33,660

of congress not this upcoming one this

1467

01:01:37,309 --> 01:01:35,700

week but eventually to talk about the

1468

01:01:39,170 --> 01:01:37,319

Tic Tac event

1469

01:01:42,170 --> 01:01:39,180

um and that he has been speaking to

1470

01:01:44,690 --> 01:01:42,180

members of Arrow as well about it so

1471

01:01:48,410 --> 01:01:44,700

really cool and he actually gave some

1472

01:01:51,530 --> 01:01:48,420

suggestions about um the hearings and

1473

01:01:53,390 --> 01:01:51,540

kind of what we should be focusing on

1474

01:01:56,030 --> 01:01:53,400

moving forward when it comes to the

1475

01:01:57,770 --> 01:01:56,040

government involvement with UFOs and

1476

01:01:58,970 --> 01:01:57,780

what to keep in mind so I'm going to go

1477

01:02:00,890 --> 01:01:58,980

ahead and play that clip for you guys

1478

01:02:03,109 --> 01:02:00,900

right now and talk a little bit on the

1479

01:02:05,030 --> 01:02:03,119

other side one more clip after like do

1480

01:02:07,010 --> 01:02:05,040

you feel sort of I wouldn't say

1481

01:02:08,510 --> 01:02:07,020

Vindicated but it must feel good to be

1482

01:02:09,710 --> 01:02:08,520

at this point where people like well

1483

01:02:11,390 --> 01:02:09,720

maybe Kevin

1484

01:02:14,270 --> 01:02:11,400

was on to something before everybody

1485

01:02:18,289 --> 01:02:15,770

boy howdy

1486

01:02:19,430 --> 01:02:18,299

boy do I feel Vindicated yeah as a

1487

01:02:21,530 --> 01:02:19,440

matter of fact I got to tell you guys

1488

01:02:24,289 --> 01:02:21,540

something there's a pretty good pretty

1489

01:02:25,849 --> 01:02:24,299

good chance that uh at some point in the

1490

01:02:27,230 --> 01:02:25,859

future I'll be going back to Congress to

1491

01:02:29,390 --> 01:02:27,240

tell my story and stuff and answer

1492

01:02:32,089 --> 01:02:29,400

questions and all that but I have to say

1493

01:02:33,829 --> 01:02:32,099

right now I'm in no way shape or form

1494

01:02:36,650 --> 01:02:33,839

looking for compensation in any way

1495

01:02:38,210 --> 01:02:36,660

right that's not what I I want the

1496

01:02:40,250 --> 01:02:38,220

opposite in fact

1497

01:02:42,589 --> 01:02:40,260

in fact if I get to Congress

1498

01:02:43,609 --> 01:02:42,599

um if they give me the opportunity of

1499

01:02:45,230 --> 01:02:43,619

course I'm going to answer all the

1500

01:02:47,030 --> 01:02:45,240

questions tell the story like I just did

1501

01:02:48,289 --> 01:02:47,040

right all that stuff

1502

01:02:50,210 --> 01:02:48,299

but I'm going to give them two

1503

01:02:52,670 --> 01:02:50,220

recommendations

1504

01:02:54,049 --> 01:02:52,680

number one and you gotta remember I went

1505

01:02:56,390 --> 01:02:54,059

through this experience and I have a

1506

01:02:57,829 --> 01:02:56,400

master's degree in education

1507

01:02:59,329 --> 01:02:57,839

I'm going to say

1508

01:03:01,910 --> 01:02:59,339

um

1509

01:03:03,410 --> 01:03:01,920

the need for public education about UAP

1510

01:03:05,870 --> 01:03:03,420

is obvious

1511

01:03:08,630 --> 01:03:05,880

let's start teaching about these things

1512

01:03:09,829 --> 01:03:08,640

from grade school to high school and

1513

01:03:12,770 --> 01:03:09,839

Beyond

1514

01:03:14,870 --> 01:03:12,780

at all appropriate grade levels that way

1515

01:03:17,030 --> 01:03:14,880

guess what happens when Mommy picks up

1516

01:03:18,710 --> 01:03:17,040

Sally and Joey from school and they're

1517

01:03:20,569 --> 01:03:18,720

driving home and all sudden Sally says

1518

01:03:22,309 --> 01:03:20,579

hey look Joey it's one of those things

1519

01:03:25,010 --> 01:03:22,319

we learned about in school

1520

01:03:27,470 --> 01:03:25,020

is it any big deal now

1521

01:03:29,210 --> 01:03:27,480

you tell me yeah what about when they

1522

01:03:32,390 --> 01:03:29,220

get home and tell Dad and others is it

1523

01:03:33,589 --> 01:03:32,400

any big deal now yeah same question I

1524

01:03:36,170 --> 01:03:33,599

don't think so

1525

01:03:37,730 --> 01:03:36,180

and and you were kind of touching on it

1526

01:03:38,750 --> 01:03:37,740

and my other recommendation is going to

1527

01:03:43,069 --> 01:03:38,760

be this

1528

01:03:47,450 --> 01:03:45,950

forgive

1529

01:03:49,069 --> 01:03:47,460

move on

1530

01:03:51,289 --> 01:03:49,079

and move up

1531

01:03:53,510 --> 01:03:51,299

because this is nobody's fault and

1532

01:03:55,069 --> 01:03:53,520

people that like to point blame it my

1533

01:03:57,230 --> 01:03:55,079

government and people that work in my

1534

01:03:58,309 --> 01:03:57,240

government and somehow try to say

1535

01:04:00,770 --> 01:03:58,319

they're bad

1536

01:04:04,190 --> 01:04:00,780

that pisses me off

1537

01:04:05,510 --> 01:04:04,200

I don't believe anything such malarkey

1538

01:04:07,309 --> 01:04:05,520

no way

1539

01:04:09,049 --> 01:04:07,319

people that work in government are good

1540

01:04:11,390 --> 01:04:09,059

people I mean there of course there's

1541

01:04:12,710 --> 01:04:11,400

exceptions but they go to work like you

1542

01:04:17,890 --> 01:04:12,720

do

1543

01:04:24,950 --> 01:04:20,569

interesting interesting clip there

1544

01:04:29,390 --> 01:04:24,960

forgive move on move up uh

1545

01:04:31,910 --> 01:04:29,400

I I like that you know I think a lot of

1546

01:04:34,250 --> 01:04:31,920

the UFO community and I've done this

1547

01:04:36,230 --> 01:04:34,260

early in my UFO days

1548

01:04:38,930 --> 01:04:36,240

I think the government is just some big

1549

01:04:41,030 --> 01:04:38,940

bad you know Syndicate all of the

1550

01:04:43,910 --> 01:04:41,040

X-Files keeping the Biggest Secrets

1551

01:04:46,549 --> 01:04:43,920

hidden and killing for it and covering

1552

01:04:49,910 --> 01:04:46,559

it up and and all these horrible

1553

01:04:52,910 --> 01:04:49,920

horrible things but you know I'm sure

1554

01:04:54,410 --> 01:04:52,920

there are some Elite very high up that

1555

01:04:57,049 --> 01:04:54,420

are in possession of knowledge none of

1556

01:04:59,450 --> 01:04:57,059

us will ever know and maybe dark

1557

01:05:02,809 --> 01:04:59,460

disturbing things have happened in the

1558

01:05:05,690 --> 01:05:02,819

name of national security or or

1559

01:05:08,030 --> 01:05:05,700

or national debt I don't know I don't

1560

01:05:09,530 --> 01:05:08,040

know it's interesting however there are

1561

01:05:10,910 --> 01:05:09,540

hundreds and hundreds of thousands of

1562

01:05:13,010 --> 01:05:10,920

people that work in the government that

1563

01:05:15,470 --> 01:05:13,020

just want to do the right thing and go

1564

01:05:17,870 --> 01:05:15,480

to work every day like you and I and

1565

01:05:19,670 --> 01:05:17,880

just want to do their job and and work

1566

01:05:22,370 --> 01:05:19,680

for the public

1567

01:05:24,650 --> 01:05:22,380

um so you know we spend a lot of time

1568

01:05:28,490 --> 01:05:24,660

shouting at the government to tell us

1569

01:05:30,710 --> 01:05:28,500

the truth about UFOs and um that we know

1570

01:05:31,730 --> 01:05:30,720

they're covering everything up when in

1571

01:05:33,589 --> 01:05:31,740

reality

1572

01:05:35,809 --> 01:05:33,599

I am not one of those people who think

1573

01:05:37,010 --> 01:05:35,819

they know a hell of a lot about UFOs I

1574

01:05:39,950 --> 01:05:37,020

know I've said this a lot in the past

1575

01:05:42,170 --> 01:05:39,960

but I'm just gonna kind of run with it

1576

01:05:44,750 --> 01:05:42,180

again I I don't think they know what's

1577

01:05:46,370 --> 01:05:44,760

going on and that's

1578

01:05:48,410 --> 01:05:46,380

that's almost more dangerous than

1579

01:05:51,710 --> 01:05:48,420

knowing what's going on and covering it

1580

01:05:53,329 --> 01:05:51,720

up so uh yeah yeah I I think you made

1581

01:05:56,390 --> 01:05:53,339

some good points you know Kevin was

1582

01:06:00,349 --> 01:05:56,400

angry at his government and at the Navy

1583

01:06:02,510 --> 01:06:00,359

for kind of um poo pooing this event and

1584

01:06:04,430 --> 01:06:02,520

it's it's importance

1585

01:06:06,530 --> 01:06:04,440

um but it seems like he's kind of had a

1586

01:06:08,809 --> 01:06:06,540

uh I don't want to say come to Jesus

1587

01:06:12,710 --> 01:06:08,819

moment but a moment of reflection that

1588

01:06:14,510 --> 01:06:12,720

um you know if we can forgive these

1589

01:06:16,849 --> 01:06:14,520

potential whistleblowers that come

1590

01:06:19,309 --> 01:06:16,859

forward and say yup I worked on a legacy

1591

01:06:21,410 --> 01:06:19,319

crash retrieval program was not a lot to

1592

01:06:22,970 --> 01:06:21,420

talk about it unfortunately yes I was

1593

01:06:24,109 --> 01:06:22,980

part of the cover-up

1594

01:06:26,029 --> 01:06:24,119

um but it was for national security

1595

01:06:27,289 --> 01:06:26,039

purposes but I want I want to out the

1596

01:06:27,950 --> 01:06:27,299

truth now

1597

01:06:29,390 --> 01:06:27,960

um

1598

01:06:31,370 --> 01:06:29,400

cool

1599

01:06:33,170 --> 01:06:31,380

um forgive move on move up that's what

1600

01:06:34,849 --> 01:06:33,180

Kevin thinks I know some people might

1601

01:06:36,529 --> 01:06:34,859

not agree with that

1602

01:06:38,150 --> 01:06:36,539

um and thinks we should hold these

1603

01:06:39,890 --> 01:06:38,160

people accountable for the the things

1604

01:06:41,870 --> 01:06:39,900

they've done in the past when it comes

1605

01:06:43,670 --> 01:06:41,880

to this topic and many other topics you

1606

01:06:46,130 --> 01:06:43,680

know these whistleblower laws aren't

1607

01:06:49,370 --> 01:06:46,140

just about UFOs this goes for many

1608

01:06:50,150 --> 01:06:49,380

different topics and issues as well so

1609

01:06:51,829 --> 01:06:50,160

um

1610

01:06:55,130 --> 01:06:51,839

it'll be an interesting

1611

01:06:56,930 --> 01:06:55,140

definitely a journey to navigate moving

1612

01:06:59,150 --> 01:06:56,940

forward with these new whistleblower

1613

01:07:00,829 --> 01:06:59,160

laws so um yeah yeah really cool

1614

01:07:03,770 --> 01:07:00,839

interview with Kevin day over there at

1615

01:07:06,770 --> 01:07:03,780

the UAP studies podcast so definitely

1616

01:07:09,109 --> 01:07:06,780

recommend checking that out

1617

01:07:11,329 --> 01:07:09,119

um let's see

1618

01:07:12,950 --> 01:07:11,339

regular government employees are just

1619

01:07:15,529 --> 01:07:12,960

regular people living their life Devin

1620

01:07:17,210 --> 01:07:15,539

says yeah for sure

1621

01:07:19,609 --> 01:07:17,220

for sure Pine Cedar says what if Kevin

1622

01:07:21,770 --> 01:07:19,619

mysteriously changes his story saying it

1623

01:07:23,690 --> 01:07:21,780

was just a balloon and a month later is

1624

01:07:26,930 --> 01:07:23,700

seen flying in government-funded private

1625

01:07:29,210 --> 01:07:26,940

jets to Exotic locations I don't see

1626
01:07:31,849 --> 01:07:29,220
that happening Kevin's one of the most

1627
01:07:33,650 --> 01:07:31,859
principled individuals I've ever met um

1628
01:07:36,349 --> 01:07:33,660
such a gentleman

1629
01:07:37,849 --> 01:07:36,359
uh love that guy love him to death he's

1630
01:07:40,849 --> 01:07:37,859
he's one of the good ones we got out

1631
01:07:43,309 --> 01:07:40,859
there fighting the good fight with UFOs

1632
01:07:44,390 --> 01:07:43,319
um so yeah check out that interview if

1633
01:07:46,190 --> 01:07:44,400
you can

1634
01:07:49,730 --> 01:07:46,200
um let's move on to our last clip of the

1635
01:07:53,990 --> 01:07:49,740
day and that comes from Ross kothart and

1636
01:07:56,630 --> 01:07:54,000
Bryce Sable over at need to know and uh

1637
01:07:58,370 --> 01:07:56,640
talking about like found objects

1638
01:08:01,010 --> 01:07:58,380

we still

1639

01:08:02,690 --> 01:08:01,020

do not know what the three objects were

1640

01:08:04,069 --> 01:08:02,700

that were shot down in the U.S and over

1641

01:08:04,849 --> 01:08:04,079

Canada

1642

01:08:06,829 --> 01:08:04,859

um

1643

01:08:09,829 --> 01:08:06,839

and that's troubling for a lot of people

1644

01:08:12,470 --> 01:08:09,839

we were also told that they canceled all

1645

01:08:14,029 --> 01:08:12,480

retrieval of these objects to kind of

1646

01:08:15,650 --> 01:08:14,039

figure out what they were so everyone

1647

01:08:17,809 --> 01:08:15,660

obviously has their own thoughts and

1648

01:08:20,269 --> 01:08:17,819

theories on why that is some think they

1649

01:08:22,729 --> 01:08:20,279

were probably commercial balloons uh

1650

01:08:25,249 --> 01:08:22,739

it's even been forgive the pun floated

1651

01:08:28,130 --> 01:08:25,259

that one of them was like Oh Boy Scout

1652

01:08:29,630 --> 01:08:28,140

Troops weather balloon and they shot

1653

01:08:31,249 --> 01:08:29,640

that thing out of the sky with a

1654

01:08:33,890 --> 01:08:31,259

Sidewinder missile so I can't imagine

1655

01:08:36,169 --> 01:08:33,900

how tragic that must have been for those

1656

01:08:40,970 --> 01:08:36,179

kids if that's true but that's also

1657

01:08:43,669 --> 01:08:40,980

extremely embarrassing uh for the uh you

1658

01:08:46,610 --> 01:08:43,679

know the the military and for the Biden

1659

01:08:49,070 --> 01:08:46,620

Administration and we saw when all of

1660

01:08:50,450 --> 01:08:49,080

this happened how politicized these

1661

01:08:54,169 --> 01:08:50,460

three shootowns became between

1662

01:08:57,050 --> 01:08:54,179

Republicans Democrats and um and what

1663

01:08:58,610 --> 01:08:57,060

isn't politicize nowadays however

1664

01:09:00,229 --> 01:08:58,620

um a lot of people think that we don't

1665

01:09:01,610 --> 01:09:00,239

know what they are and they stop

1666

01:09:04,550 --> 01:09:01,620

retrieval because they were simple

1667

01:09:07,610 --> 01:09:04,560

things and that the administration was

1668

01:09:09,650 --> 01:09:07,620

embarrassed to admit that or they did

1669

01:09:12,110 --> 01:09:09,660

retrieve these things and they were

1670

01:09:16,970 --> 01:09:12,120

either surveillance equipment from China

1671

01:09:19,450 --> 01:09:16,980

uh or or another Nation uh or

1672

01:09:22,669 --> 01:09:19,460

there were extraterrestrial craft

1673

01:09:25,849 --> 01:09:22,679

I laughed because that's clearly the

1674

01:09:28,550 --> 01:09:25,859

most unlikely possibility but that not

1675

01:09:31,249 --> 01:09:28,560

knowing and not being told is what

1676

01:09:32,570 --> 01:09:31,259

breeds these thoughts and theories

1677

01:09:34,970 --> 01:09:32,580

um so

1678

01:09:39,050 --> 01:09:34,980

one of those objects shot down

1679

01:09:41,150 --> 01:09:39,060

in uh dead horse in Alaska

1680

01:09:42,650 --> 01:09:41,160

has caught the attention of roscoethart

1681

01:09:44,990 --> 01:09:42,660

an investigative journalist from

1682

01:09:47,209 --> 01:09:45,000

Australia and he was told some really

1683

01:09:51,169 --> 01:09:47,219

interesting stuff about that shoot down

1684

01:09:53,470 --> 01:09:51,179

in particular and how if it comes up in

1685

01:09:56,810 --> 01:09:53,480

the cup hearing this week how sean

1686

01:09:58,910 --> 01:09:56,820

Kirkpatrick needs to not should but

1687

01:10:00,229 --> 01:09:58,920

needs to respond to that so I'm going to

1688

01:10:01,910 --> 01:10:00,239

go ahead and play that clip for you guys

1689

01:10:04,490 --> 01:10:01,920

talk about a little bit

1690

01:10:06,169 --> 01:10:04,500

get you out of here check this out let's

1691

01:10:07,130 --> 01:10:06,179

just roll back a bit let's go back to

1692

01:10:09,050 --> 01:10:07,140

February

1693

01:10:11,870 --> 01:10:09,060

let's talk about what happened over Dead

1694

01:10:15,290 --> 01:10:11,880

Horse Alaska in February

1695

01:10:17,689 --> 01:10:15,300

yeah now we know that three objects were

1696

01:10:20,450 --> 01:10:17,699

allegedly shot down we know that they

1697

01:10:24,110 --> 01:10:20,460

were engaged with Sidewinder missiles by

1698

01:10:26,990 --> 01:10:24,120

fighter jets from the US Air Force

1699

01:10:29,270 --> 01:10:27,000

now what's so interesting is what I'm

1700

01:10:31,130 --> 01:10:29,280

hearing about dead horse

1701

01:10:33,649 --> 01:10:31,140

and this is I think perhaps where

1702

01:10:35,330 --> 01:10:33,659

questions could be pertinently directed

1703

01:10:37,370 --> 01:10:35,340

because although

1704

01:10:41,390 --> 01:10:37,380

the particular Senator that I'm thinking

1705

01:10:43,250 --> 01:10:41,400

of is a member of the Senate armed

1706

01:10:44,930 --> 01:10:43,260

services committee

1707

01:10:47,450 --> 01:10:44,940

they're not a member of the emerging

1708

01:10:50,149 --> 01:10:47,460

threats committee so let's just flag to

1709

01:10:52,310 --> 01:10:50,159

the emerging threats committee that we

1710

01:10:54,410 --> 01:10:52,320

know that there is a senator on the

1711

01:10:57,410 --> 01:10:54,420

Senate armed services committee who has

1712

01:10:58,430 --> 01:10:57,420

been approached by a member of the Air

1713

01:11:02,209 --> 01:10:58,440

Force

1714

01:11:04,910 --> 01:11:02,219

asking the committee to ask more pointed

1715

01:11:07,610 --> 01:11:04,920

questions about what happened over Dead

1716

01:11:09,770 --> 01:11:07,620

Horse Alaska and I'm just going to read

1717

01:11:11,870 --> 01:11:09,780

out a few questions that I think should

1718

01:11:13,729 --> 01:11:11,880

be asked

1719

01:11:15,290 --> 01:11:13,739

why have no Congressional

1720

01:11:17,209 --> 01:11:15,300

Representatives been given the

1721

01:11:20,689 --> 01:11:17,219

opportunity to cite the purported

1722

01:11:22,790 --> 01:11:20,699

shootdown videos shot by fighter jets in

1723

01:11:25,189 --> 01:11:22,800

February during the multiple incursions

1724

01:11:27,169 --> 01:11:25,199

over U.S airspace

1725

01:11:29,209 --> 01:11:27,179

and as we understand it senators and

1726
01:11:30,709 --> 01:11:29,219
representatives have been refused the

1727
01:11:35,750 --> 01:11:30,719
opportunity to even view this Vision

1728
01:11:38,930 --> 01:11:35,760
even in a secure skiff why the secrecy

1729
01:11:40,850 --> 01:11:38,940
does the witness does Dr Kirkpatrick

1730
01:11:43,130 --> 01:11:40,860
have any knowledge about the specific

1731
01:11:46,130 --> 01:11:43,140
shoot down incident over or near Dead

1732
01:11:48,890 --> 01:11:46,140
Horse Alaska in February

1733
01:11:50,990 --> 01:11:48,900
what exactly did the pilot report seeing

1734
01:11:52,310 --> 01:11:51,000
when he engaged the object with a

1735
01:11:55,010 --> 01:11:52,320
missile

1736
01:11:57,649 --> 01:11:55,020
was the object seemed to actually crash

1737
01:11:59,570 --> 01:11:57,659
or descend as a result of that missile

1738
01:12:01,910 --> 01:11:59,580

being fired

1739

01:12:04,550 --> 01:12:01,920

why is vision of that particular instant

1740

01:12:07,850 --> 01:12:04,560

still being kept classified as well as

1741

01:12:09,649 --> 01:12:07,860

the pilots after Action Report even to

1742

01:12:11,870 --> 01:12:09,659

confidential hearings of the relevant

1743

01:12:14,450 --> 01:12:11,880

congressional committees

1744

01:12:17,870 --> 01:12:14,460

is the witness prepared to deny the

1745

01:12:20,390 --> 01:12:17,880

reports that I'm hearing that the object

1746

01:12:22,370 --> 01:12:20,400

when hit by the explosion of the Jets

1747

01:12:26,030 --> 01:12:22,380

Sidewinder missile

1748

01:12:28,430 --> 01:12:26,040

actually stayed in the air despite that

1749

01:12:31,490 --> 01:12:28,440

direct explosion

1750

01:12:34,490 --> 01:12:31,500

something was seen by the pilot to fall

1751
01:12:37,130 --> 01:12:34,500
from the object that he engaged but I'm

1752
01:12:40,669 --> 01:12:37,140
told the main object was not in fact

1753
01:12:42,950 --> 01:12:40,679
shot down by the missile

1754
01:12:46,910 --> 01:12:42,960
does the witness does Dr Sean

1755
01:12:49,850 --> 01:12:46,920
Kirkpatrick deny categorically that this

1756
01:12:51,350 --> 01:12:49,860
is the case if Dr Kirkpatrick is to say

1757
01:12:52,729 --> 01:12:51,360
to the committee that he doesn't know

1758
01:12:54,830 --> 01:12:52,739
about this incident that he hasn't

1759
01:12:56,450 --> 01:12:54,840
briefed himself about this incident and

1760
01:12:57,709 --> 01:12:56,460
he should be sacked immediately the

1761
01:12:58,729 --> 01:12:57,719
committee should be asking for his

1762
01:13:00,770 --> 01:12:58,739
resignation

1763
01:13:03,350 --> 01:13:00,780

if he doesn't come into the Committee

1764

01:13:06,290 --> 01:13:03,360

hearing properly briefed about the the

1765

01:13:07,310 --> 01:13:06,300

three shoot down incidents over U.S in

1766

01:13:11,930 --> 01:13:07,320

February

1767

01:13:16,430 --> 01:13:14,390

interesting

1768

01:13:20,030 --> 01:13:16,440

um I was not aware of that

1769

01:13:23,209 --> 01:13:20,040

that the Dead Horse Alaska object when a

1770

01:13:24,649 --> 01:13:23,219

missile was shot directly at it that it

1771

01:13:30,169 --> 01:13:24,659

did not

1772

01:13:31,669 --> 01:13:30,179

eventually it did but the fact that it

1773

01:13:35,330 --> 01:13:31,679

did not immediately

1774

01:13:37,850 --> 01:13:35,340

um makes you wonder what it was uh and

1775

01:13:39,950 --> 01:13:37,860

was it retrieved or was it not

1776

01:13:41,390 --> 01:13:39,960

um

1777

01:13:46,310 --> 01:13:41,400

without treating myself in the foot

1778

01:13:48,550 --> 01:13:46,320

without going too into many details uh I

1779

01:13:51,830 --> 01:13:48,560

am looking into the Dead Horse Alaska

1780

01:13:54,590 --> 01:13:51,840

UFO shutdown and the possible recovery

1781

01:13:58,130 --> 01:13:54,600

of it I have some leads on individuals

1782

01:14:00,590 --> 01:13:58,140

who claim they saw the recovery efforts

1783

01:14:04,250 --> 01:14:00,600

happening uh this was a gentleman who

1784

01:14:06,350 --> 01:14:04,260

lives in the area and knows that it was

1785

01:14:08,770 --> 01:14:06,360

there there was a huge recovery effort

1786

01:14:12,590 --> 01:14:08,780

even though we were told there was not

1787

01:14:15,950 --> 01:14:12,600

uh and that things were retrieved and

1788

01:14:19,250 --> 01:14:15,960

taken out of the area so

1789

01:14:21,950 --> 01:14:19,260

Roswell happening up there in Dead Horse

1790

01:14:25,189 --> 01:14:21,960

Alaska I will be looking into that in

1791

01:14:28,250 --> 01:14:25,199

this near future so stay tuned for that

1792

01:14:30,530 --> 01:14:28,260

um but I think more importantly is if

1793

01:14:32,209 --> 01:14:30,540

Sean Kirkpatrick the head of Arrow is

1794

01:14:34,790 --> 01:14:32,219

going to go into these hearings and was

1795

01:14:37,970 --> 01:14:34,800

asked these pointed questions about the

1796

01:14:40,729 --> 01:14:37,980

three UAP shootdowns maybe finally we

1797

01:14:45,410 --> 01:14:40,739

could get some some uh clarification on

1798

01:14:47,390 --> 01:14:45,420

all of that and if Sean Kirkpatrick was

1799

01:14:49,729 --> 01:14:47,400

not told or made aware of what those

1800

01:14:52,070 --> 01:14:49,739

objects were what the hell is the point

1801
01:14:55,130 --> 01:14:52,080
of any of this what's the point of the

1802
01:14:58,669 --> 01:14:55,140
head of the all domain anomaly

1803
01:15:01,130 --> 01:14:58,679
resolution office someone appointed to

1804
01:15:05,330 --> 01:15:01,140
look at unidentified objects in our

1805
01:15:08,510 --> 01:15:05,340
skies if he is not even briefed or told

1806
01:15:10,970 --> 01:15:08,520
what these objects were or weren't that

1807
01:15:12,890 --> 01:15:10,980
means that Arrow even arrow is not

1808
01:15:15,770 --> 01:15:12,900
getting what is most highly classified

1809
01:15:17,810 --> 01:15:15,780
is not getting the bigger picture or all

1810
01:15:19,669 --> 01:15:17,820
of the information

1811
01:15:22,010 --> 01:15:19,679
what the hell is the point

1812
01:15:24,169 --> 01:15:22,020
of Arrow at all why are we going to put

1813
01:15:26,510 --> 01:15:24,179

money into this program if they're not

1814

01:15:28,910 --> 01:15:26,520

getting all the pieces of the puzzle to

1815

01:15:30,590 --> 01:15:28,920

try to come up with answers that's the

1816

01:15:32,870 --> 01:15:30,600

biggest problem in the UFO field like

1817

01:15:34,310 --> 01:15:32,880

we're working on such limited data when

1818

01:15:36,890 --> 01:15:34,320

it comes to any of this stuff because

1819

01:15:38,870 --> 01:15:36,900

we're not being told everything we're

1820

01:15:41,149 --> 01:15:38,880

not getting that data

1821

01:15:43,729 --> 01:15:41,159

um yeah we're not getting anything

1822

01:15:45,649 --> 01:15:43,739

from Arrow they tweeted once since they

1823

01:15:47,630 --> 01:15:45,659

put their Twitter account up

1824

01:15:49,669 --> 01:15:47,640

um you know maybe we'll get some stuff

1825

01:15:51,649 --> 01:15:49,679

at this hearing I am looking forward to

1826

01:15:53,450 --> 01:15:51,659

what Sean Kirkpatrick has to say hey

1827

01:15:56,990 --> 01:15:53,460

I've never heard him speak before

1828

01:15:59,090 --> 01:15:57,000

um and B uh maybe we will get some

1829

01:16:02,209 --> 01:15:59,100

really pointed questions like Ross said

1830

01:16:05,149 --> 01:16:02,219

and I honestly think Ross did that on

1831

01:16:08,030 --> 01:16:05,159

the need to know podcast because someone

1832

01:16:09,470 --> 01:16:08,040

like Ross has influence things he has

1833

01:16:12,169 --> 01:16:09,480

said things other

1834

01:16:13,430 --> 01:16:12,179

um people involved in the UFO whatever

1835

01:16:15,590 --> 01:16:13,440

community

1836

01:16:17,630 --> 01:16:15,600

have said people who are very vocal and

1837

01:16:19,610 --> 01:16:17,640

kind of um have a lot of exposure

1838

01:16:22,010 --> 01:16:19,620

has bled into these Congressional

1839

01:16:25,070 --> 01:16:22,020

hearings we know for a fact many of the

1840

01:16:27,649 --> 01:16:25,080

representatives went directly to UFO

1841

01:16:30,770 --> 01:16:27,659

researchers to get questions to ask

1842

01:16:32,870 --> 01:16:30,780

these people so um yeah I think that was

1843

01:16:35,090 --> 01:16:32,880

kind of Ross's way of being like this is

1844

01:16:38,810 --> 01:16:35,100

what should be asked if it's not this

1845

01:16:40,790 --> 01:16:38,820

dude needs to go fire his ass so um I

1846

01:16:43,130 --> 01:16:40,800

don't know it's interesting nonetheless

1847

01:16:44,630 --> 01:16:43,140

so yeah I'm going to leave it at that

1848

01:16:45,830 --> 01:16:44,640

guys those were our podcast highlights

1849

01:16:48,830 --> 01:16:45,840

of the week

1850

01:16:51,169 --> 01:16:48,840

um let me just check here our star

1851

01:16:54,169 --> 01:16:51,179

comments I put here before we get going

1852

01:16:56,270 --> 01:16:54,179

metal Hendricks says has anyone um seen

1853

01:16:58,070 --> 01:16:56,280

accidental truth no

1854

01:17:00,110 --> 01:16:58,080

um I highly suggest people check out

1855

01:17:02,030 --> 01:17:00,120

this new documentary by Ron James over

1856

01:17:03,890 --> 01:17:02,040

at mufon um apparently it's really

1857

01:17:06,290 --> 01:17:03,900

really catching the attention of a lot

1858

01:17:09,110 --> 01:17:06,300

of people out there government people as

1859

01:17:11,090 --> 01:17:09,120

well so um highly recommend people check

1860

01:17:13,729 --> 01:17:11,100

that out

1861

01:17:15,770 --> 01:17:13,739

um I'm sure Andy that UFO podcast or

1862

01:17:17,990 --> 01:17:15,780

myself will have Ron James on in the

1863

01:17:20,330 --> 01:17:18,000

very near future to talk about it it'll

1864

01:17:21,410 --> 01:17:20,340

be really interesting

1865

01:17:26,270 --> 01:17:21,420

um

1866

01:17:28,490 --> 01:17:26,280

feel better brother thank you man I

1867

01:17:31,490 --> 01:17:28,500

truly appreciate that slowly slowly day

1868

01:17:32,450 --> 01:17:31,500

by day I seem to re regaining some of my

1869

01:17:33,890 --> 01:17:32,460

hearing

1870

01:17:36,770 --> 01:17:33,900

um so thank

1871

01:17:38,510 --> 01:17:36,780

whatever God is out there or Gods um

1872

01:17:40,970 --> 01:17:38,520

that that is the case

1873

01:17:44,270 --> 01:17:40,980

um as a podcaster I'm not gonna lie it's

1874

01:17:47,090 --> 01:17:44,280

been really hard uh struggling with with

1875

01:17:50,030 --> 01:17:47,100

this ailment I guess

1876

01:17:53,090 --> 01:17:50,040

um when 90 of my job is done through

1877

01:17:57,070 --> 01:17:53,100

headphones and listening and hearing

1878

01:18:00,590 --> 01:17:57,080

um this upcoming week's episode I

1879

01:18:03,169 --> 01:18:00,600

recorded and edited completely almost

1880

01:18:05,149 --> 01:18:03,179

completely deaf so you guys will have to

1881

01:18:07,790 --> 01:18:05,159

let me know how it actually sounds

1882

01:18:10,729 --> 01:18:07,800

because I don't know

1883

01:18:14,209 --> 01:18:10,739

um I'm sure it's okay but yeah let me

1884

01:18:17,209 --> 01:18:14,219

know what you think about that uh it'll

1885

01:18:18,709 --> 01:18:17,219

be interesting nonetheless so yeah

1886

01:18:20,570 --> 01:18:18,719

um oh well let's just talk about that

1887

01:18:21,290 --> 01:18:20,580

right now before we go

1888

01:18:24,709 --> 01:18:21,300

um

1889

01:18:28,850 --> 01:18:24,719

this week's episode dropping in uh just

1890

01:18:32,630 --> 01:18:28,860

a few hours actually uh is the Kingman

1891

01:18:35,030 --> 01:18:32,640

UFO crash finally I'm discussing this

1892

01:18:37,430 --> 01:18:35,040

amazing case

1893

01:18:41,689 --> 01:18:37,440

um Kingman Arizona 1953 something

1894

01:18:44,930 --> 01:18:41,699

crashed bodies were allegedly found as

1895

01:18:46,910 --> 01:18:44,940

well uh so I go through the entire

1896

01:18:48,709 --> 01:18:46,920

history of this case

1897

01:18:50,990 --> 01:18:48,719

um the many people who claim to have

1898

01:18:54,110 --> 01:18:51,000

been either involved with it or or

1899

01:18:56,990 --> 01:18:54,120

through secondhand testimony know of it

1900

01:19:01,070 --> 01:18:57,000

um and I even feature a pretty lengthy

1901

01:19:03,649 --> 01:19:01,080

interview with a gentleman uh Bill uh

1902

01:19:05,689 --> 01:19:03,659

you house who claims to have worked on a

1903

01:19:09,110 --> 01:19:05,699

reverse engineering program of The Craft

1904

01:19:11,270 --> 01:19:09,120

founder Kingman Arizona so definitely

1905

01:19:13,310 --> 01:19:11,280

check that out that'll be dropping on

1906

01:19:16,669 --> 01:19:13,320

your podcast feeds

1907

01:19:19,910 --> 01:19:16,679

by midnight EST and then uh the YouTube

1908

01:19:22,370 --> 01:19:19,920

version will Premiere Monday night so um

1909

01:19:25,729 --> 01:19:22,380

yeah yeah really really interesting case

1910

01:19:27,590 --> 01:19:25,739

hope you enjoyed the episode a la

1911

01:19:29,450 --> 01:19:27,600

um I'll bait I should say me being kind

1912

01:19:31,010 --> 01:19:29,460

of deaf when I made it

1913

01:19:32,570 --> 01:19:31,020

um but Tim thank you so much for the

1914

01:19:35,149 --> 01:19:32,580

kind words and the well wishes things

1915

01:19:37,970 --> 01:19:35,159

are getting better day by day so thank

1916

01:19:40,669 --> 01:19:37,980

you dalen there is an awesome Lido with

1917

01:19:42,410 --> 01:19:40,679

the Aussie Flying Saucer vid this week

1918

01:19:44,689 --> 01:19:42,420

um yeah I did not feature that one so

1919

01:19:48,410 --> 01:19:44,699

thank you for bringing that up Dylan

1920

01:19:50,030 --> 01:19:48,420

um Chris Leto former fighter pilot has

1921

01:19:52,430 --> 01:19:50,040

an awesome YouTube channel where he

1922

01:19:55,550 --> 01:19:52,440

interviews people about UFOs and yeah he

1923

01:19:58,310 --> 01:19:55,560

was the first to drop this brand new UFO

1924

01:20:00,410 --> 01:19:58,320

video by an Australian gentleman um

1925

01:20:01,790 --> 01:20:00,420

really interesting really compelling so

1926

01:20:03,050 --> 01:20:01,800

I would highly suggest going over to

1927

01:20:07,370 --> 01:20:03,060

Chris Leader's YouTube channel and

1928

01:20:09,229 --> 01:20:07,380

checking that out as well and um Niles

1929

01:20:10,910 --> 01:20:09,239

here asks Ryan will government DOD

1930

01:20:12,530 --> 01:20:10,920

officials be put under oath to force

1931

01:20:13,850 --> 01:20:12,540

them to be truthful

1932

01:20:23,630 --> 01:20:13,860

no

1933

01:20:25,790 --> 01:20:23,640

oath uh I just learned this actually

1934

01:20:28,970 --> 01:20:25,800

from the need to know podcast with Bryce

1935

01:20:30,950 --> 01:20:28,980

Sable he was the one to tell us all that

1936

01:20:32,990 --> 01:20:30,960

um I don't even think Sean Kirkpatrick

1937

01:20:35,689 --> 01:20:33,000

is being put in her oath it's his choice

1938

01:20:39,229 --> 01:20:35,699

he can be but it's not um it's not

1939

01:20:41,390 --> 01:20:39,239

forced upon them uh which is weird uh I

1940

01:20:43,729 --> 01:20:41,400

think if you're speaking in front of

1941

01:20:46,130 --> 01:20:43,739

Congress or the senate or anything like

1942

01:20:49,130 --> 01:20:46,140

that you should be put under oath uh

1943

01:20:52,010 --> 01:20:49,140

just to be safe but um for their sake

1944

01:20:53,510 --> 01:20:52,020

too uh so yeah I don't know I don't know

1945

01:20:55,550 --> 01:20:53,520

I don't know if that'll help the truth

1946

01:20:59,050 --> 01:20:55,560

at all to be honest

1947

01:21:03,830 --> 01:21:01,970

all right TJ asked the other two shoot

1948

01:21:05,330 --> 01:21:03,840

Downs were just bonus to spreadshaft in

1949

01:21:08,450 --> 01:21:05,340

the air to gem the media would doubt

1950

01:21:11,390 --> 01:21:08,460

that's very possible teaching us um I I

1951

01:21:14,870 --> 01:21:11,400

think everything from uh post Chinese

1952

01:21:18,830 --> 01:21:14,880

balloon was just a strategic way to kind

1953

01:21:21,229 --> 01:21:18,840

of contain this entire debacle uh to

1954

01:21:23,570 --> 01:21:21,239

begin with so we'll see we'll see Richie

1955

01:21:26,330 --> 01:21:23,580

yes Arrow isn't to inform the public it

1956

01:21:28,910 --> 01:21:26,340

uh it's to try and inform Congress in a

1957

01:21:30,950 --> 01:21:28,920

classified setting yeah

1958

01:21:33,229 --> 01:21:30,960

um there is definitely a possibility of

1959

01:21:35,149 --> 01:21:33,239

that rich that's probably more true than

1960

01:21:37,189 --> 01:21:35,159

it's not

1961

01:21:38,450 --> 01:21:37,199

Andrew says great show thank you so much

1962

01:21:41,510 --> 01:21:38,460

my friend

1963

01:21:47,090 --> 01:21:41,520

Ryan do I still have the same AOL email

1964

01:21:53,510 --> 01:21:50,810

um AOL Dang if you or I are still

1965

01:21:55,250 --> 01:21:53,520

working on AOL emails we really need to

1966

01:21:58,130 --> 01:21:55,260

change I still have a Hotmail which I

1967

01:22:01,310 --> 01:21:58,140

get laughed at about all the time

1968

01:22:04,130 --> 01:22:01,320

um that's it guys let's wrap things up

1969

01:22:05,810 --> 01:22:04,140

here at somewhere in the live stream

1970

01:22:08,030 --> 01:22:05,820

thank you thank you so much for being

1971

01:22:09,950 --> 01:22:08,040

here it was a warm welcoming back after

1972

01:22:11,270 --> 01:22:09,960

missing last week

1973

01:22:13,669 --> 01:22:11,280

um but things are on the up and up

1974

01:22:16,250 --> 01:22:13,679

things are only going to get better here

1975

01:22:17,990 --> 01:22:16,260

on the live stream growing and learning

1976

01:22:19,850 --> 01:22:18,000

every week

1977

01:22:21,649 --> 01:22:19,860

um thank you thank you for joining me

1978

01:22:24,470 --> 01:22:21,659

tonight thank you for your super chats

1979

01:22:26,810 --> 01:22:24,480

uh please click like And subscribe below

1980

01:22:28,010 --> 01:22:26,820

leave your comments Below on what you

1981

01:22:29,570 --> 01:22:28,020

think are going to happen at the UAP

1982

01:22:31,310 --> 01:22:29,580

hearing this week

1983

01:22:33,470 --> 01:22:31,320

um I'll have some reactionary videos up

1984

01:22:35,630 --> 01:22:33,480

on social media about what is said at

1985

01:22:39,110 --> 01:22:35,640

those and what is not said which I think

1986

01:22:41,930 --> 01:22:39,120

is going to be more of the case but um

1987

01:22:44,209 --> 01:22:41,940

that's all I got guys last thing my book

1988

01:22:47,390 --> 01:22:44,219

comes out at the end of this month or

1989

01:22:49,669 --> 01:22:47,400

possibly the beginning of May so be on

1990

01:22:51,950 --> 01:22:49,679

the lookout for a brand new book from

1991

01:22:54,950 --> 01:22:51,960

somewhere in the skies and myself coming

1992

01:22:56,990 --> 01:22:54,960

to you very soon I cannot wait for you

1993

01:22:59,450 --> 01:22:57,000

to read it this is actually a list of

1994

01:23:00,770 --> 01:22:59,460

all the people involved in the making of

1995

01:23:03,709 --> 01:23:00,780

the book

1996

01:23:05,090 --> 01:23:03,719

um so it is a lot a lot of people are

1997

01:23:08,090 --> 01:23:05,100

involved with this I have a lot of

1998

01:23:09,950 --> 01:23:08,100

people to thank and um you're gonna love

1999

01:23:10,790 --> 01:23:09,960

it you're gonna absolutely love it I

2000

01:23:12,169 --> 01:23:10,800

hope

2001

01:23:15,050 --> 01:23:12,179

um so yeah be on the lookout for that

2002

01:23:17,390 --> 01:23:15,060

very soon new episode dropping up uh at

2003
