journey through life-altering

14

00:00:35,150 --> 00:00:33,420

experiences from those who stared into

15

00:00:37,729 --> 00:00:35,160

the skies and had something

16

00:00:40,549 --> 00:00:37,739

extraordinary stare back

17

00:00:42,889 --> 00:00:40,559

stories from somewhere in the skies now

stories from somewhere in the skies

23

00:01:03,110 --> 00:01:00,950

this episode contains content that some

24

00:01:11,760 --> 00:01:03,120

might find disturbing listener

25

00:01:23,450 --> 00:01:16,250

[Music]

26

00:01:26,090 --> 00:01:23,460

harvest the true story of alien

27

00:01:30,410 --> 00:01:26,100

abduction Gavin Davies released the

28

00:01:32,929 --> 00:01:30,420

account of a woman known only as Susan

29

00:01:36,109 --> 00:01:32,939

Susan was a lifelong resident of

30

00:01:39,469 --> 00:01:36,119

pembrokeshire in Wales Davies at first

31

00:01:41,210 --> 00:01:39,479

met her in late 2014 after she had

32

00:01:44,210 --> 00:01:41,220

replied to a call for anyone who'd

33

00:01:46,910 --> 00:01:44,220

experienced a wave of UFOs in the area

34

00:01:49,490 --> 00:01:46,920

in 1977.

35

00:01:52,789 --> 00:01:49,500

however after their meeting in a coffee

36

00:01:54,889 --> 00:01:52,799

shop in Haverford West Davies realized

37

00:01:57,649 --> 00:01:54,899

she had experienced something that

38

00:02:00,469 --> 00:01:57,659

stretched far beyond just lights in the

39

00:02:03,170 --> 00:02:00,479

sky or even physical craft

40

00:02:06,289 --> 00:02:03,180

this would begin Davey's exploration

41

00:02:09,830 --> 00:02:06,299

into the dark Encounters of the woman

42

00:02:11,990 --> 00:02:09,840

known as Susan I live in constant fear

43

00:02:14,210 --> 00:02:12,000

that they will return and that I'll be

44

00:02:19,230 --> 00:02:14,220

plucked like a corn in a field that's

45

00:02:23,210 --> 00:02:21,589

[Music]

46

00:02:25,370 --> 00:02:23,220

thank you

47

00:02:57,589 --> 00:02:25,380

foreign

48

00:03:02,570 --> 00:03:00,110

at the initial meeting between Davies

49

00:03:04,729 --> 00:03:02,580

and Susan she admitted that she had not

50

00:03:08,089 --> 00:03:04,739

arranged to meet with him to discuss the

51
00:03:10,490 --> 00:03:08,099
UFO wave specifically she did however

52
00:03:12,430 --> 00:03:10,500
wish to speak with him about what had

53
00:03:15,530 --> 00:03:12,440
happened to her much more recently

54
00:03:18,170 --> 00:03:15,540
however her condition was that they only

55
00:03:19,729 --> 00:03:18,180
speak about it from her flat where they

56
00:03:22,910 --> 00:03:19,739
would be the only ones who would be

57
00:03:25,610 --> 00:03:22,920
privity to the conversation Davies agreed

58
00:03:28,610 --> 00:03:25,620
and several days later he arrived at her

59
00:03:30,830 --> 00:03:28,620
flat over the following months Susan

60
00:03:32,869 --> 00:03:30,840
would speak extensively with Davies

61
00:03:35,410 --> 00:03:32,879
about her encounters

62
00:03:37,790 --> 00:03:35,420
she would State the following to him

63
00:03:39,710 --> 00:03:37,800

most people are unaware of something

64

00:03:42,649 --> 00:03:39,720

very dominant that treats us like we

65

00:03:44,630 --> 00:03:42,659

treat animals we are a commodity to them

66

00:03:46,509 --> 00:03:44,640

I've witnessed an experienced

67

00:03:48,890 --> 00:03:46,519

experimentation and

68

00:03:51,830 --> 00:03:48,900

unimaginable pain and Terror at the

69

00:03:54,170 --> 00:03:51,840

hands of a race who are not human

70

00:03:57,410 --> 00:03:54,180

but Susan never claimed to be the only

71

00:03:59,270 --> 00:03:57,420

one this was happening to I've witnessed

72

00:04:01,789 --> 00:03:59,280

many other women undergoing the same

73

00:04:04,190 --> 00:04:01,799

thing there will be many others around

74

00:04:07,250 --> 00:04:04,200

the world who might suffer from such

75

00:04:10,070 --> 00:04:07,260

things as sudden memory loss strange

76
00:04:13,009 --> 00:04:10,080
rashes and bizarre dreams who could very

77
00:04:15,229 --> 00:04:13,019
well have undergone the same encounters

78
00:04:17,750 --> 00:04:15,239
even though it had been several years

79
00:04:20,210 --> 00:04:17,760
since she had last been taken by

80
00:04:23,330 --> 00:04:20,220
whatever these beings were she always

81
00:04:25,070 --> 00:04:23,340
remained cautious of their return I live

82
00:04:28,189 --> 00:04:25,080
in constant fear that they will return

83
00:04:30,409 --> 00:04:28,199
and that I'll be plucked like a corn in

84
00:04:32,689 --> 00:04:30,419
a field that's ready to be harvested

85
00:04:34,430 --> 00:04:32,699
Susan would go on to tell Davies that

86
00:04:37,670 --> 00:04:34,440
they first encounter she would recall

87
00:04:40,189 --> 00:04:37,680
had taken place in November of 2009

88
00:04:42,170 --> 00:04:40,199

while she was staying with friends whose

89

00:04:45,170 --> 00:04:42,180

parents owned a farmhouse in the country

90

00:04:47,629 --> 00:04:45,180

there were four of us in total and after

91

00:04:49,249 --> 00:04:47,639

enjoying a few drinks I opted to sleep

92

00:04:50,270 --> 00:04:49,259

in the converted Barn that was the guest

93

00:04:52,730 --> 00:04:50,280

house

94

00:04:54,770 --> 00:04:52,740

I would take Lenny the boxer dog whom I

95

00:04:56,450 --> 00:04:54,780

was quite taken with

96

00:04:59,210 --> 00:04:56,460

it would be a decision that would lead

97

00:05:01,070 --> 00:04:59,220

me to one of the most unnerving nights

98

00:05:03,830 --> 00:05:01,080

of my life

99

00:05:05,870 --> 00:05:03,840

strangeness though began before Susan

100

00:05:07,909 --> 00:05:05,880

retired for the evening

101
00:05:10,330 --> 00:05:07,919
she had left her three friends in the

102
00:05:13,670 --> 00:05:10,340
living room in order to use the bathroom

103
00:05:16,070 --> 00:05:13,680
while she was there she saw what she

104
00:05:19,010 --> 00:05:16,080
thought or car headlights coming up the

105
00:05:22,010 --> 00:05:19,020
drive and also heard Lenny barking

106
00:05:24,290 --> 00:05:22,020
downstairs as he usually did when

107
00:05:27,830 --> 00:05:24,300
someone was approaching the house

108
00:05:30,409 --> 00:05:27,840
however several seconds later these

109
00:05:33,650 --> 00:05:30,419
supposed car headlights were seemingly

110
00:05:36,350 --> 00:05:33,660
Switched Off and at the same time the

111
00:05:39,230 --> 00:05:36,360
bathroom light also cut out leaving

112
00:05:42,469 --> 00:05:39,240
Susan in complete darkness

113
00:05:43,909 --> 00:05:42,479

then all of a sudden the entire bathroom

114

00:05:46,129 --> 00:05:43,919

lit up

115

00:05:48,830 --> 00:05:46,139

I contemplated whether it might be a

116

00:05:50,450 --> 00:05:48,840

helicopter but if that were the case I

117

00:05:51,469 --> 00:05:50,460

couldn't understand why there was no

118

00:05:53,689 --> 00:05:51,479

sound

119

00:05:56,689 --> 00:05:53,699

all I could hear was my friends talking

120

00:05:59,450 --> 00:05:56,699

below and Lenny barking then as quickly

121

00:06:01,010 --> 00:05:59,460

as it had come on the light went out a

122

00:06:02,029 --> 00:06:01,020

moment later the bathroom light came

123

00:06:04,189 --> 00:06:02,039

back on

124

00:06:05,749 --> 00:06:04,199

and that's all Susan remembered

125

00:06:08,330 --> 00:06:05,759

happening

126

00:06:11,150 --> 00:06:08,340

the next thing she recalled is going

127

00:06:13,790 --> 00:06:11,160

downstairs to greet her friends and they

128

00:06:16,730 --> 00:06:13,800

asked her where she'd been for so long

129

00:06:18,650 --> 00:06:16,740

Susan was confused as she thought she

130

00:06:21,710 --> 00:06:18,660

was only in the bathroom for a few

131

00:06:24,350 --> 00:06:21,720

minutes however her friends informed her

132

00:06:25,249 --> 00:06:24,360

that she'd been gone for almost half an

133

00:06:28,249 --> 00:06:25,259

hour

134

00:06:30,050 --> 00:06:28,259

this was odd but Susan would try to put

135

00:06:32,090 --> 00:06:30,060

it in the back of her mind for the time

136

00:06:34,550 --> 00:06:32,100

being

137

00:06:37,070 --> 00:06:34,560

several hours later the four friends

138

00:06:39,409 --> 00:06:37,080

decided to turn in for the night

139

00:06:41,450 --> 00:06:39,419

Susan said her good nights put Lenny on

140

00:06:43,189 --> 00:06:41,460

his leash and made her way to the

141

00:06:45,469 --> 00:06:43,199

converted Barn

142

00:06:47,809 --> 00:06:45,479

after smoking a quick cigarette by the

143

00:06:49,129 --> 00:06:47,819

door she returned to the barn and went

144

00:06:52,670 --> 00:06:49,139

to bed

145

00:06:56,390 --> 00:06:52,680

Lenny already laying out asleep Susan

146

00:06:58,730 --> 00:06:56,400

laid down as well and drifted off

147

00:07:03,770 --> 00:06:58,740

she awoke suddenly and looked at the

148

00:07:06,409 --> 00:07:03,780

clock beside her it read 3 18 am

149

00:07:09,290 --> 00:07:06,419

then the clock suddenly powered off by

150

00:07:11,990 --> 00:07:09,300

itself for no apparent reason

151
00:07:14,930 --> 00:07:12,000
I had the sudden feeling that someone or

152
00:07:17,450 --> 00:07:14,940
something was in the room I could still

153
00:07:19,730 --> 00:07:17,460
hear any barking beside me on the bed

154
00:07:22,129 --> 00:07:19,740
as I squinted into the darkness I could

155
00:07:24,050 --> 00:07:22,139
just make out something moving about the

156
00:07:26,330 --> 00:07:24,060
size of a small child

157
00:07:28,610 --> 00:07:26,340
as I was about to sit up in bed the

158
00:07:31,070 --> 00:07:28,620
entire room lit up

159
00:07:33,050 --> 00:07:31,080
it was just like the light in the

160
00:07:35,089 --> 00:07:33,060
bathroom she'd experienced

161
00:07:37,850 --> 00:07:35,099
the light that had appeared when she had

162
00:07:40,670 --> 00:07:37,860
apparently had missing time

163
00:07:43,309 --> 00:07:40,680

then Lenny suddenly woke up to the

164

00:07:44,809 --> 00:07:43,319

Brilliance of the light Lenny barked

165

00:07:47,570 --> 00:07:44,819

intensely obviously sensing something

166

00:07:50,029 --> 00:07:47,580

was in the room too at this point I had

167

00:07:52,129 --> 00:07:50,039

a searing pain in my head

168

00:07:54,890 --> 00:07:52,139

then at the foot of the bed

169

00:07:56,689 --> 00:07:54,900

that's when I saw a thin black figure

170

00:07:58,730 --> 00:07:56,699

staring back at me

171

00:08:00,230 --> 00:07:58,740

suddenly Lenny launched himself at

172

00:08:02,809 --> 00:08:00,240

whatever it was

173

00:08:05,689 --> 00:08:02,819

there was a sudden bright flash and

174

00:08:08,210 --> 00:08:05,699

Lenny let out a howl of pain

175

00:08:09,790 --> 00:08:08,220

the light began to dissipate and when

176

00:08:13,670 --> 00:08:09,800

Susan looked at the foot of the bed

177

00:08:14,990 --> 00:08:13,680

Lenny had completely vanished Into Thin

178

00:08:17,870 --> 00:08:15,000

Air

179

00:08:20,950 --> 00:08:17,880

another bright flash occurred and mere

180

00:08:24,050 --> 00:08:20,960

inches from Susan's face was a black

181

00:08:28,070 --> 00:08:24,060

featureless form

182

00:08:31,610 --> 00:08:28,080

and then Susan blacked out

183

00:08:34,130 --> 00:08:31,620

Susan awoke and sat up in bed she looked

184

00:08:37,130 --> 00:08:34,140

at the clock which was now working it

185

00:08:40,730 --> 00:08:37,140

read 7 44 am

186

00:08:44,269 --> 00:08:40,740

my entire body ached my head was the

187

00:08:47,509 --> 00:08:44,279

worst it felt like I was suffering some

188

00:08:49,730 --> 00:08:47,519

intense hangover it was as I was making

189

00:08:52,070 --> 00:08:49,740

my way to the bathroom that I suddenly

190

00:08:54,230 --> 00:08:52,080

recalled the following evening

191

00:08:56,870 --> 00:08:54,240

I realized that Lenny was nowhere to be

192

00:08:58,190 --> 00:08:56,880

seen it felt as though the recent events

193

00:08:59,930 --> 00:08:58,200

were all a dream

194

00:09:01,910 --> 00:08:59,940

I hoped against hope that my friends had

195

00:09:04,070 --> 00:09:01,920

let themselves in and had taken Lenny

196

00:09:05,389 --> 00:09:04,080

for his morning walk however when I

197

00:09:08,750 --> 00:09:05,399

arrived at the main house and found

198

00:09:10,610 --> 00:09:08,760

Lenny was not there my heart dropped

199

00:09:12,710 --> 00:09:10,620

I woke my friend and asked if she'd

200

00:09:14,990 --> 00:09:12,720

taken Lenny when she said she hadn't we

201
00:09:19,250 --> 00:09:15,000
immediately went looking for him

202
00:09:21,530 --> 00:09:19,260
Lenny was never to be found

203
00:09:24,350 --> 00:09:21,540
although her friends and the parents

204
00:09:26,810 --> 00:09:24,360
were forgiving and told her not to blame

205
00:09:29,329 --> 00:09:26,820
herself Susan sensed that they did

206
00:09:30,949 --> 00:09:29,339
indeed blame her for losing their

207
00:09:32,870 --> 00:09:30,959
beloved pet

208
00:09:35,269 --> 00:09:32,880
she was certain they felt that she

209
00:09:38,630 --> 00:09:35,279
hadn't locked the door before going to

210
00:09:41,930 --> 00:09:38,640
sleep and Lenny had simply escaped

211
00:09:44,990 --> 00:09:41,940
as it so happened Susan would rarely see

212
00:09:47,930 --> 00:09:45,000
her friends following the encounter

213
00:09:49,070 --> 00:09:47,940

this ordeal though was only just the

214

00:09:52,490 --> 00:09:49,080

beginning

215

00:09:53,870 --> 00:09:52,500

I felt intensely ill for several days

216

00:09:56,210 --> 00:09:53,880

after the encounter at the bond house

217

00:09:59,269 --> 00:09:56,220

including several nosebleeds and an

218

00:10:02,329 --> 00:09:59,279

intense pain right behind my eye

219

00:10:04,130 --> 00:10:02,339

I felt so shaken by the events that I

220

00:10:06,769 --> 00:10:04,140

temporarily moved in with my aunt who

221

00:10:10,490 --> 00:10:06,779

lived alone aside from her cat MOG

222

00:10:13,370 --> 00:10:10,500

but the events were far from over and

223

00:10:15,230 --> 00:10:13,380

only followed Susan one night when I was

224

00:10:16,610 --> 00:10:15,240

out with my boyfriend Adrian we sat in a

225

00:10:18,829 --> 00:10:16,620

car park after having picked up some

226
00:10:20,630 --> 00:10:18,839
fast food as we looked over nearby lake

227
00:10:22,190 --> 00:10:20,640
we could see the lights of the boats

228
00:10:24,410 --> 00:10:22,200
making their way through the water

229
00:10:25,970 --> 00:10:24,420
as they were doing so we saw a bright

230
00:10:29,570 --> 00:10:25,980
orange light that appeared to be

231
00:10:31,610 --> 00:10:29,580
hovering increasing in size I quickly

232
00:10:32,930 --> 00:10:31,620
realized that whatever it was it was

233
00:10:35,630 --> 00:10:32,940
headed toward us

234
00:10:38,389 --> 00:10:35,640
Susan's boyfriend immediately tried to

235
00:10:41,389 --> 00:10:38,399
start the car engine but it repeatedly

236
00:10:43,910 --> 00:10:41,399
failed the object eventually stopped

237
00:10:45,710 --> 00:10:43,920
directly in front of them I could hear

238
00:10:48,170 --> 00:10:45,720

popping in the air as it hovered

239

00:10:50,210 --> 00:10:48,180

everything around us was bathed in an

240

00:10:52,550 --> 00:10:50,220

orange fiery glow

241

00:10:55,970 --> 00:10:52,560

I could also feel energy pulsating off

242

00:10:58,009 --> 00:10:55,980

of it as a tongue then it shot off into

243

00:10:59,509 --> 00:10:58,019

the distance at a great speed and

244

00:11:02,030 --> 00:10:59,519

disappeared

245

00:11:05,090 --> 00:11:02,040

the car started as soon as the object

246

00:11:07,610 --> 00:11:05,100

vanished Susan and Adrian drove away

247

00:11:09,889 --> 00:11:07,620

eventually pulling over in the car park

248

00:11:13,130 --> 00:11:09,899

of a nearby pub

249

00:11:15,410 --> 00:11:13,140

Adrian became calling friends wanting to

250

00:11:17,389 --> 00:11:15,420

meet up and return to the spot where

251

00:11:20,030 --> 00:11:17,399

they had witnessed the object

252

00:11:22,430 --> 00:11:20,040

Susan now already wondering if there was

253

00:11:24,829 --> 00:11:22,440

a connection between this anomalous

254

00:11:28,009 --> 00:11:24,839

object and her bizarre evening in the

255

00:11:30,110 --> 00:11:28,019

barn house wanted to go home much to

256

00:11:32,569 --> 00:11:30,120

Adrian's annoyance

257

00:11:35,389 --> 00:11:32,579

instead of taking her home though he

258

00:11:37,550 --> 00:11:35,399

drove her to a nearby bus stop and left

259

00:11:39,530 --> 00:11:37,560

her there alone

260

00:11:40,850 --> 00:11:39,540

that should have been a deal breaker

261

00:11:43,550 --> 00:11:40,860

Susan

262

00:11:44,750 --> 00:11:43,560

the bus arrived a short time later and

263

00:11:47,630 --> 00:11:44,760

she got on

264

00:11:50,210 --> 00:11:47,640

when she sat down on the bus she noticed

265

00:11:51,650 --> 00:11:50,220

droplets of blood dripping onto her

266

00:11:53,269 --> 00:11:51,660

pants

267

00:11:56,210 --> 00:11:53,279

that's when she noticed that her nose

268

00:11:58,610 --> 00:11:56,220

was bleeding profusely as soon as she

269

00:12:01,910 --> 00:11:58,620

arrived to her aunt's house she showered

270

00:12:04,970 --> 00:12:01,920

feeling quite ill and exhausted

271

00:12:06,050 --> 00:12:04,980

soon crawled into bed and tried to fall

272

00:12:08,389 --> 00:12:06,060

asleep

273

00:12:10,970 --> 00:12:08,399

that night she would experience what

274

00:12:12,230 --> 00:12:10,980

appeared to be a bizarre Twisted

275

00:12:14,449 --> 00:12:12,240

nightmare

276

00:12:16,490 --> 00:12:14,459

but one that Susan realized was

277

00:12:18,769 --> 00:12:16,500

intricately connected to the strange

278

00:12:21,230 --> 00:12:18,779

events that were unfolding all around

279

00:12:24,170 --> 00:12:21,240

her I found myself Walking In A Country

280

00:12:27,050 --> 00:12:24,180

Lane with a tall man with a featureless

281

00:12:30,710 --> 00:12:27,060

face then a bright light appeared behind

282

00:12:33,230 --> 00:12:30,720

me and I began to sense fear Rising the

283

00:12:35,810 --> 00:12:33,240

next thing Susan realized a bright flash

284

00:12:38,389 --> 00:12:35,820

blinded her when she opened her eyes

285

00:12:41,569 --> 00:12:38,399

from The Flash her surroundings had

286

00:12:43,610 --> 00:12:41,579

somehow changed I now found myself in a

287

00:12:45,350 --> 00:12:43,620

street in Haverford West

288

00:12:47,629 --> 00:12:45,360

there were Christmas decorations

289

00:12:49,190 --> 00:12:47,639

everywhere and it had been snowing then

290

00:12:51,829 --> 00:12:49,200

I saw a row of pubs ahead and found

291

00:12:53,389 --> 00:12:51,839

myself walking towards them when I went

292

00:12:55,129 --> 00:12:53,399

inside it too was decorated with

293

00:12:57,470 --> 00:12:55,139

Christmas decorations and a Christmas

294

00:12:59,810 --> 00:12:57,480

song was playing on the sound system

295

00:13:02,329 --> 00:12:59,820

then I saw a woman at the bar

296

00:13:04,550 --> 00:13:02,339

when I looked at her face I was shocked

297

00:13:06,290 --> 00:13:04,560

to see that it was my grandmother I was

298

00:13:07,250 --> 00:13:06,300

shocked because she had ideas earlier of

299

00:13:09,410 --> 00:13:07,260

cancer

300

00:13:13,730 --> 00:13:09,420

she walked over to me and began speaking

301
00:13:15,910 --> 00:13:13,740
only it wasn't verbally it was somehow

302
00:13:17,810 --> 00:13:15,920
taking place in my head

303
00:13:19,550 --> 00:13:17,820
telepathically

304
00:13:21,170 --> 00:13:19,560
my grandmother then began telling me

305
00:13:22,190 --> 00:13:21,180
that I had to be brave and help my

306
00:13:23,990 --> 00:13:22,200
friends

307
00:13:26,629 --> 00:13:24,000
she then reached forward with her arms

308
00:13:28,910 --> 00:13:26,639
towards me as she did so the music

309
00:13:29,990 --> 00:13:28,920
stopped and the Christmas lights dimmed

310
00:13:31,970 --> 00:13:30,000
and went out

311
00:13:33,650 --> 00:13:31,980
it was at this point that I sensed that

312
00:13:35,389 --> 00:13:33,660
there were several figures watching me

313
00:13:38,150 --> 00:13:35,399

from the Shadows of the room

314

00:13:40,910 --> 00:13:38,160

another flash then occurred

315

00:13:43,730 --> 00:13:40,920

Susan felt a sudden pain as if something

316

00:13:45,650 --> 00:13:43,740

was sticking into the back of her head

317

00:13:48,470 --> 00:13:45,660

she felt this though she was suddenly

318

00:13:50,030 --> 00:13:48,480

paralyzed and she could no longer see

319

00:13:53,150 --> 00:13:50,040

her grandmother

320

00:13:54,889 --> 00:13:53,160

all she could hear was the sound of her

321

00:13:57,769 --> 00:13:54,899

own screams

322

00:13:59,449 --> 00:13:57,779

a moment later her surroundings changed

323

00:14:01,730 --> 00:13:59,459

yet again

324

00:14:04,069 --> 00:14:01,740

and now she found herself sitting in

325

00:14:07,009 --> 00:14:04,079

what appeared to be a cinema

326

00:14:09,050 --> 00:14:07,019

I was now facing a huge screen I could

327

00:14:11,329 --> 00:14:09,060

sense someone sitting beside me although

328

00:14:13,250 --> 00:14:11,339

I was unable to turn around

329

00:14:15,949 --> 00:14:13,260

then images suddenly appeared on the

330

00:14:17,750 --> 00:14:15,959

screen I recognized them immediately as

331

00:14:20,150 --> 00:14:17,760

locations in my hometown

332

00:14:21,650 --> 00:14:20,160

to begin with it appeared like a

333

00:14:24,350 --> 00:14:21,660

promotional video showing all the best

334

00:14:27,170 --> 00:14:24,360

parts of pembrokehire then things

335

00:14:29,090 --> 00:14:27,180

changed dramatically showing a graphic

336

00:14:32,389 --> 00:14:29,100

nature-like scene of a large spider

337

00:14:35,569 --> 00:14:32,399

being swarmed and overtaken by ants I

338

00:14:38,710 --> 00:14:35,579

wanted to look away but I was unable to

339

00:14:41,689 --> 00:14:38,720

as the film reached its apparent climax

340

00:14:44,689 --> 00:14:41,699

she heard her grandmother's voice before

341

00:14:47,870 --> 00:14:44,699

another bright flash appeared which

342

00:14:50,509 --> 00:14:47,880

caused her head to throb with pain

343

00:14:51,949 --> 00:14:50,519

the next thing she knew she was awake in

344

00:14:54,470 --> 00:14:51,959

her bed

345

00:14:58,189 --> 00:14:54,480

she got up to get a drink of water her

346

00:15:00,590 --> 00:14:58,199

throat extremely dry however when she

347

00:15:03,710 --> 00:15:00,600

opened the door to her room the tall

348

00:15:04,910 --> 00:15:03,720

faceless figure was standing right in

349

00:15:07,790 --> 00:15:04,920

front of her

350

00:15:09,290 --> 00:15:07,800

it reached forward and touched her on

351

00:15:11,870 --> 00:15:09,300

the side of the head

352

00:15:13,430 --> 00:15:11,880

the next thing she knew she was on her

353

00:15:16,250 --> 00:15:13,440

bed once more

354

00:15:17,810 --> 00:15:16,260

when she looked at the clock it was 11

355

00:15:20,689 --> 00:15:17,820

am

356

00:15:23,090 --> 00:15:20,699

Susan was sick for most of the day and

357

00:15:26,509 --> 00:15:23,100

despite having slept for over 12 hours

358

00:15:29,389 --> 00:15:26,519

she felt completely drained

359

00:15:31,389 --> 00:15:29,399

later that evening realizing she was in

360

00:15:35,569 --> 00:15:31,399

desperate need of a good night's sleep

361

00:15:37,850 --> 00:15:35,579

her aunt offered her two sleeping pills

362

00:15:40,910 --> 00:15:37,860

as she climbed into bed a short time

363

00:15:43,310 --> 00:15:40,920

later she purposefully left the door of

364

00:15:45,949 --> 00:15:43,320

her room open which allowed her to see

365

00:15:49,250 --> 00:15:45,959

into her aunt's room across from her for

366

00:15:51,650 --> 00:15:49,260

a sense of security however when she

367

00:15:55,310 --> 00:15:51,660

fell asleep she suddenly found herself

368

00:15:57,530 --> 00:15:55,320

back in the same dreamlike scenario she

369

00:16:00,290 --> 00:15:57,540

had the previous evening

370

00:16:03,290 --> 00:16:00,300

this time though instead of finding her

371

00:16:06,170 --> 00:16:03,300

grandmother inside the pub she found a

372

00:16:08,389 --> 00:16:06,180

young girl a girl she immediately

373

00:16:10,509 --> 00:16:08,399

recognized

374

00:16:12,769 --> 00:16:10,519

with me when I've Young

375

00:16:15,910 --> 00:16:12,779

like her grandmother the previous

376

00:16:18,949 --> 00:16:15,920

evening her younger self spoke to her

377

00:16:21,949 --> 00:16:18,959

telepathically telling her that she

378

00:16:24,590 --> 00:16:21,959

quote had done well and that quote her

379

00:16:26,030 --> 00:16:24,600

friends have been very grateful for her

380

00:16:28,790 --> 00:16:26,040

help

381

00:16:31,069 --> 00:16:28,800

Susan was asked several questions of a

382

00:16:34,550 --> 00:16:31,079

nature that suggested that she was being

383

00:16:37,370 --> 00:16:34,560

subjected to some kind of evaluation

384

00:16:40,790 --> 00:16:37,380

although these questions were of a truly

385

00:16:43,670 --> 00:16:40,800

bizarre and intrusive nature

386

00:16:46,730 --> 00:16:43,680

when these questions were over the usual

387

00:16:49,490 --> 00:16:46,740

flash appeared before her eyes and she

388

00:16:53,329 --> 00:16:49,500

found herself awake in her bed

389

00:16:55,910 --> 00:16:53,339

this time however she couldn't move

390

00:16:58,129 --> 00:16:55,920

she could though see across the room

391

00:17:00,710 --> 00:16:58,139

into her aunt's room

392

00:17:02,990 --> 00:17:00,720

and more importantly she could see

393

00:17:06,230 --> 00:17:03,000

something in the room

394

00:17:09,530 --> 00:17:06,240

what I saw I could only describe as some

395

00:17:12,049 --> 00:17:09,540

kind of strange and monstrous jellyfish

396

00:17:14,569 --> 00:17:12,059

this creature was on the bed over the

397

00:17:17,030 --> 00:17:14,579

top of my aunt it got closer and closer

398

00:17:19,370 --> 00:17:17,040

to my aunt's face a long tender-like

399

00:17:20,929 --> 00:17:19,380

object moved directly to her nose and

400

00:17:22,970 --> 00:17:20,939

went inside it

401
00:17:24,890 --> 00:17:22,980
then I saw another tendal stretch

402
00:17:26,150 --> 00:17:24,900
towards marg's nose and doing the same

403
00:17:28,669 --> 00:17:26,160
thing

404
00:17:31,610 --> 00:17:28,679
the cat began to rise in the air the

405
00:17:33,530 --> 00:17:31,620
tendrill still attached and now inserted

406
00:17:36,049 --> 00:17:33,540
into its mouth

407
00:17:37,070 --> 00:17:36,059
in the moment I truly believed that mogs

408
00:17:39,169 --> 00:17:37,080
was dead

409
00:17:40,970 --> 00:17:39,179
it was at that point that my aunt woke

410
00:17:44,930 --> 00:17:40,980
up and saw what was happening around her

411
00:17:47,150 --> 00:17:44,940
she began to scream uncontrollably the

412
00:17:48,529 --> 00:17:47,160
next thing Susan realized she was waking

413
00:17:50,510 --> 00:17:48,539

up in her bed

414

00:17:51,890 --> 00:17:50,520

she could immediately see that it was

415

00:17:53,810 --> 00:17:51,900

now daylight

416

00:17:57,169 --> 00:17:53,820

she immediately looked toward her aunt's

417

00:18:00,470 --> 00:17:57,179

room and her aunt was no longer there

418

00:18:03,350 --> 00:18:00,480

but Susan could hear her she appeared to

419

00:18:05,510 --> 00:18:03,360

be vomiting in the bathroom

420

00:18:07,549 --> 00:18:05,520

Susan went to the bathroom discovering

421

00:18:10,310 --> 00:18:07,559

her aunt on her knees in front of the

422

00:18:12,049 --> 00:18:10,320

toilet she asked if she was okay to

423

00:18:15,110 --> 00:18:12,059

which her aunt responded by simply

424

00:18:18,590 --> 00:18:15,120

raising her thumb when Susan saw inside

425

00:18:21,830 --> 00:18:18,600

the toilet bowl she was horrified it was

426

00:18:24,230 --> 00:18:21,840

completely splattered with blood

427

00:18:26,870 --> 00:18:24,240

she told Susan that she must have caught

428

00:18:28,970 --> 00:18:26,880

a bug from work and motioned for her to

429

00:18:29,990 --> 00:18:28,980

leave the room so that she didn't catch

430

00:18:32,150 --> 00:18:30,000

it too

431

00:18:34,909 --> 00:18:32,160

Susan would eventually help her aunt to

432

00:18:36,950 --> 00:18:34,919

bed and left her to rest

433

00:18:39,409 --> 00:18:36,960

she would discover mogs on one of the

434

00:18:42,289 --> 00:18:39,419

chairs a short time later

435

00:18:44,210 --> 00:18:42,299

he was asleep but even to Susan he

436

00:18:45,830 --> 00:18:44,220

didn't look himself

437

00:18:48,289 --> 00:18:45,840

Susan managed to make an appointment

438

00:18:51,529 --> 00:18:48,299

with the doctor for later that day and

439

00:18:52,730 --> 00:18:51,539

was prescribed anti-anxiety and sleeping

440

00:18:55,430 --> 00:18:52,740

pills

441

00:18:58,370 --> 00:18:55,440

by the time she returned home her aunt

442

00:19:01,090 --> 00:18:58,380

was downstairs she still looked unwell

443

00:19:04,909 --> 00:19:01,100

but she assured Susan she felt better

444

00:19:08,270 --> 00:19:04,919

MOX however had not eaten at all that

445

00:19:10,850 --> 00:19:08,280

day and she was worried about him

446

00:19:13,789 --> 00:19:10,860

that following evening was largely

447

00:19:16,789 --> 00:19:13,799

uneventful and after several hours the

448

00:19:19,730 --> 00:19:16,799

two women retired to their rooms

449

00:19:22,850 --> 00:19:19,740

almost inevitably Susan soon found

450

00:19:25,130 --> 00:19:22,860

herself in the same dreamlike state

451

00:19:28,250 --> 00:19:25,140

this time however instead of her

452

00:19:30,770 --> 00:19:28,260

grandmother or her younger self the

453

00:19:34,370 --> 00:19:30,780

person waiting for her in the pub was

454

00:19:36,230 --> 00:19:34,380

her friend cian whose dog Lenny had

455

00:19:38,450 --> 00:19:36,240

seemingly been taken from the barn house

456

00:19:42,289 --> 00:19:38,460

on that fateful night

457

00:19:44,870 --> 00:19:42,299

as before this figure Xian spoke to

458

00:19:47,630 --> 00:19:44,880

Susan telepathically telling her that

459

00:19:50,690 --> 00:19:47,640

Lenny was with her friends and that it

460

00:19:52,789 --> 00:19:50,700

was her fault he had gone missing

461

00:19:56,270 --> 00:19:52,799

she was told she had to help these

462

00:19:59,570 --> 00:19:56,280

friends and that she had to be brave

463

00:20:02,870 --> 00:19:59,580

then the music stopped and the strange

464

00:20:06,230 --> 00:20:02,880

figures became visible around her

465

00:20:09,470 --> 00:20:06,240

suddenly following the usual flesh Susan

466

00:20:12,950 --> 00:20:09,480

found herself once more in the cinema

467

00:20:16,130 --> 00:20:12,960

and again it showed pembrokehire from

468

00:20:18,529 --> 00:20:16,140

various locations even showing people on

469

00:20:21,770 --> 00:20:18,539

the streets going about their business

470

00:20:23,870 --> 00:20:21,780

suddenly though everything changed

471

00:20:26,090 --> 00:20:23,880

everything became very dark as the skies

472

00:20:27,770 --> 00:20:26,100

darkened the footage now showed a boat

473

00:20:29,750 --> 00:20:27,780

on the water the same stretch of water

474

00:20:31,070 --> 00:20:29,760

where Adrian and I had seen the bizarre

475

00:20:33,350 --> 00:20:31,080

orange object

476
00:20:35,510 --> 00:20:33,360
the waters became increasingly choppy

477
00:20:36,529 --> 00:20:35,520
and it appeared that fires were

478
00:20:39,289 --> 00:20:36,539
everywhere

479
00:20:41,210 --> 00:20:39,299
in fact the sea itself appeared to be on

480
00:20:43,610 --> 00:20:41,220
fire and was rushing down through the

481
00:20:45,470 --> 00:20:43,620
water I could see cars fly past as if

482
00:20:47,210 --> 00:20:45,480
they were nothing but toys and the

483
00:20:47,990 --> 00:20:47,220
people of the Town were beginning to

484
00:20:50,810 --> 00:20:48,000
burn

485
00:20:53,450 --> 00:20:50,820
one of whom was melting like Wax

486
00:20:55,850 --> 00:20:53,460
as this fiery water swept over

487
00:20:58,010 --> 00:20:55,860
everything in its path people were

488
00:20:58,970 --> 00:20:58,020

incinerated and buildings crumbled to

489

00:21:01,970 --> 00:20:58,980

the ground

490

00:21:03,650 --> 00:21:01,980

I watched in horror as an oil tanker on

491

00:21:04,909 --> 00:21:03,660

the water tipped on its side and

492

00:21:06,770 --> 00:21:04,919

exploded

493

00:21:08,390 --> 00:21:06,780

the explosion was so powerful that it

494

00:21:11,330 --> 00:21:08,400

made the camera Shake

495

00:21:14,870 --> 00:21:11,340

as the Carnage continued the screen

496

00:21:18,049 --> 00:21:14,880

eventually faded to Black I thought it

497

00:21:20,029 --> 00:21:18,059

was over but then images appeared again

498

00:21:21,350 --> 00:21:20,039

it showed the aftermath of what I had

499

00:21:24,110 --> 00:21:21,360

just witnessed

500

00:21:25,490 --> 00:21:24,120

remains of people lay everywhere

501
00:21:27,650 --> 00:21:25,500
every now and again I could see

502
00:21:29,149 --> 00:21:27,660
survivors looking around holding dead

503
00:21:31,730 --> 00:21:29,159
loved ones

504
00:21:33,770 --> 00:21:31,740
the scene was one of the most harrowing

505
00:21:35,930 --> 00:21:33,780
things I've ever witnessed

506
00:21:37,490 --> 00:21:35,940
I couldn't escape the feeling that what

507
00:21:40,730 --> 00:21:37,500
I had witnessed was a vision of the

508
00:21:43,789 --> 00:21:40,740
future then a young girl her face

509
00:21:46,549 --> 00:21:43,799
severely burnt looked into the camera

510
00:21:50,570 --> 00:21:46,559
and directly at Susan

511
00:21:52,970 --> 00:21:50,580
this girl simply and urgently told Susan

512
00:21:56,029 --> 00:21:52,980
the following run

513
00:21:57,710 --> 00:21:56,039

with that a flash appeared and Susan

514

00:22:00,289 --> 00:21:57,720

woke up in her bed

515

00:22:02,450 --> 00:22:00,299

she quickly went downstairs when she

516

00:22:05,270 --> 00:22:02,460

arrived there she discovered her aunt

517

00:22:07,310 --> 00:22:05,280

standing in the living room moggs lying

518

00:22:14,090 --> 00:22:07,320

limp in her arms

519

00:22:19,490 --> 00:22:16,850

hey guys Ryan here when I'm not making

520

00:22:21,830 --> 00:22:19,500

the somewhere in the skies podcast I am

521

00:22:24,649 --> 00:22:21,840

listening to podcasts and one of my

522

00:22:27,470 --> 00:22:24,659

favorites since the very beginning has

523

00:22:30,169 --> 00:22:27,480

and continues to be the Paranormal

524

00:22:33,649 --> 00:22:30,179

podcast with Jim Harold do you like

525

00:22:35,870 --> 00:22:33,659

conversations about UFOs ghosts Cryptids

526
00:22:39,649 --> 00:22:35,880
and The Unexplained the Paranormal

527
00:22:42,289 --> 00:22:39,659
podcast which launched in 2005 is the

528
00:22:44,390 --> 00:22:42,299
longest running podcast of its type on

529
00:22:46,669 --> 00:22:44,400
the internet the show Harkens back to

530
00:22:49,430 --> 00:22:46,679
the best of paranormal media over the

531
00:22:52,310 --> 00:22:49,440
years shows like in search of and

532
00:22:54,289 --> 00:22:52,320
Unsolved Mysteries my favorite aspect of

533
00:22:56,930 --> 00:22:54,299
the show is that every week it's

534
00:22:59,210 --> 00:22:56,940
something completely different which for

535
00:23:02,450 --> 00:22:59,220
someone who lives breathes and sleeps

536
00:23:04,970 --> 00:23:02,460
UFOs it's so refreshing to learn about

537
00:23:07,250 --> 00:23:04,980
other mysterious topics as well but

538
00:23:10,669 --> 00:23:07,260

don't get me wrong Jim's interviews on

539

00:23:13,430 --> 00:23:10,679

the UFO topic are also Top Notch whether

540

00:23:16,250 --> 00:23:13,440

you're a veteran UFO researcher or brand

541

00:23:18,350 --> 00:23:16,260

new to the top Jim's interviews always

542

00:23:20,810 --> 00:23:18,360

set the standard for objective and

543

00:23:23,270 --> 00:23:20,820

insightful conversations he's going to

544

00:23:26,330 --> 00:23:23,280

read everyone from Jacques valet to the

545

00:23:28,789 --> 00:23:26,340

late great Stanton Friedman and that is

546

00:23:31,250 --> 00:23:28,799

just the start and for you superstitious

547

00:23:33,110 --> 00:23:31,260

listeners out there I have been honored

548

00:23:37,250 --> 00:23:33,120

to be a guest on the Paranormal podcast

549

00:23:39,230 --> 00:23:37,260

a whopping 13 times luckily I'll be

550

00:23:42,529 --> 00:23:39,240

coming back on soon to change that

551
00:23:46,190 --> 00:23:42,539
number so please do me a personal favor

552
00:23:49,549 --> 00:23:46,200
and tune in to the Paranormal podcast on

553
00:23:55,789 --> 00:23:49,559
Apple podcasts Spotify or wherever you

554
00:24:00,649 --> 00:23:58,010
following the three consecutive nights

555
00:24:04,010 --> 00:24:00,659
of intense activity things seem to

556
00:24:05,690 --> 00:24:04,020
settle down a little Susan's aunt though

557
00:24:08,330 --> 00:24:05,700
despite being told she was simply

558
00:24:09,409 --> 00:24:08,340
suffering from the flu continued to be

559
00:24:11,870 --> 00:24:09,419
unwell

560
00:24:14,870 --> 00:24:11,880
things eventually came to a head when

561
00:24:16,730 --> 00:24:14,880
her aunt would ask Susan to move out and

562
00:24:18,169 --> 00:24:16,740
back with her parents which she

563
00:24:20,630 --> 00:24:18,179

ultimately did

564

00:24:21,710 --> 00:24:20,640

and the next few months were also an

565

00:24:24,830 --> 00:24:21,720

eventful

566

00:24:27,350 --> 00:24:24,840

however new reoccurring dreams soon

567

00:24:30,529 --> 00:24:27,360

began and they would progress to become

568

00:24:32,930 --> 00:24:30,539

more unsettling than ever before

569

00:24:34,490 --> 00:24:32,940

as well as the strange dreams in which

570

00:24:36,649 --> 00:24:34,500

she would often find herself walking

571

00:24:38,750 --> 00:24:36,659

naked in a field with several other

572

00:24:41,149 --> 00:24:38,760

women she didn't know she would find

573

00:24:44,510 --> 00:24:41,159

herself having strange encounters while

574

00:24:46,610 --> 00:24:44,520

driving to and from University including

575

00:24:49,549 --> 00:24:46,620

seeing the orange object on several

576

00:24:51,649 --> 00:24:49,559

occasions as if it were following and

577

00:24:53,810 --> 00:24:51,659

tracking her movements

578

00:24:55,850 --> 00:24:53,820

and even though she didn't have any

579

00:24:58,190 --> 00:24:55,860

encounters like those she experienced

580

00:25:01,070 --> 00:24:58,200

while living in her aunt's house the

581

00:25:03,890 --> 00:25:01,080

permanent feeling of anxiety that had

582

00:25:06,890 --> 00:25:03,900

temporarily at least left her returned

583

00:25:08,570 --> 00:25:06,900

once more her aunt incidentally would

584

00:25:10,850 --> 00:25:08,580

eventually be admitted to a hospital

585

00:25:14,630 --> 00:25:10,860

when it was discovered that she had

586

00:25:17,270 --> 00:25:14,640

extreme Advanced cancer after this

587

00:25:20,029 --> 00:25:17,280

unfortunate diagnosis she passed away

588

00:25:22,070 --> 00:25:20,039

only a week later

589

00:25:25,310 --> 00:25:22,080

it was shortly after her aunt's funeral

590

00:25:27,590 --> 00:25:25,320

that Susan found a flat of her own after

591

00:25:30,230 --> 00:25:27,600

what had happened to Lenny and then her

592

00:25:32,330 --> 00:25:30,240

aunt and her cat Susan couldn't shake

593

00:25:34,730 --> 00:25:32,340

the feeling that she would bring danger

594

00:25:36,110 --> 00:25:34,740

to her parents home if she continued to

595

00:25:39,950 --> 00:25:36,120

live there

596

00:25:42,950 --> 00:25:39,960

the strange dreams continued in them she

597

00:25:45,710 --> 00:25:42,960

would see foxes and owls and couldn't

598

00:25:48,110 --> 00:25:45,720

help but wonder if these were symbolic

599

00:25:50,870 --> 00:25:48,120

and what they might mean

600

00:25:51,890 --> 00:25:50,880

she was always in the fields naked with

601
00:25:54,230 --> 00:25:51,900
other women

602
00:25:56,330 --> 00:25:54,240
on one particular evening after having

603
00:25:59,029 --> 00:25:56,340
gone to bed she awoke in the street

604
00:26:02,149 --> 00:25:59,039
still wearing her pajamas

605
00:26:04,789 --> 00:26:02,159
then on the street she saw a tall figure

606
00:26:07,789 --> 00:26:04,799
that she sensed was a woman

607
00:26:10,190 --> 00:26:07,799
it was dressed in a red coat with a face

608
00:26:12,409 --> 00:26:10,200
covered with some kind of hood

609
00:26:14,090 --> 00:26:12,419
Susan turned around and made her way

610
00:26:16,070 --> 00:26:14,100
back to the flat

611
00:26:18,350 --> 00:26:16,080
she began to ask herself when she would

612
00:26:21,409 --> 00:26:18,360
wake up and started to contemplate

613
00:26:23,210 --> 00:26:21,419

whether she was in fact fully awake she

614

00:26:25,250 --> 00:26:23,220

eventually returned to her flat and made

615

00:26:27,230 --> 00:26:25,260

her way to the window

616

00:26:29,149 --> 00:26:27,240

he couldn't see the figure but she

617

00:26:32,810 --> 00:26:29,159

noticed that the street appeared to be a

618

00:26:34,310 --> 00:26:32,820

wash in a mysterious red glow she

619

00:26:36,289 --> 00:26:34,320

remained at the window for a moment

620

00:26:37,190 --> 00:26:36,299

longer before returning to the living

621

00:26:39,529 --> 00:26:37,200

room

622

00:26:43,190 --> 00:26:39,539

when she got there the tall figure in

623

00:26:46,430 --> 00:26:43,200

red was standing seemingly waiting for

624

00:26:48,950 --> 00:26:46,440

her even more bizarre around her was

625

00:26:51,529 --> 00:26:48,960

some kind of vortex

626

00:26:52,970 --> 00:26:51,539

being was clearly feminine although it

627

00:26:54,409 --> 00:26:52,980

was not human

628

00:26:56,750 --> 00:26:54,419

head was bigger than the rest of her

629

00:26:59,750 --> 00:26:56,760

body and she had huge dark eyes that

630

00:27:02,029 --> 00:26:59,760

were more insect than human

631

00:27:04,490 --> 00:27:02,039

this being stepped toward me and touched

632

00:27:06,350 --> 00:27:04,500

one of its claw-like hands to my head

633

00:27:09,950 --> 00:27:06,360

I instantly felt something like

634

00:27:13,070 --> 00:27:09,960

electricity shoot into my body then a

635

00:27:14,990 --> 00:27:13,080

moment later everything went silent

636

00:27:17,210 --> 00:27:15,000

it was as if the world had stopped

637

00:27:19,250 --> 00:27:17,220

spinning and time froze

638

00:27:21,710 --> 00:27:19,260

the being stepped back into the strange

639

00:27:24,230 --> 00:27:21,720

Vortex and disappeared

640

00:27:26,990 --> 00:27:24,240

as unsettling as all these events

641

00:27:29,390 --> 00:27:27,000

undoubtedly were it was the revelations

642

00:27:33,350 --> 00:27:29,400

of the last interviews Davies conducted

643

00:27:36,529 --> 00:27:33,360

with Susan that was the most unsettling

644

00:27:39,649 --> 00:27:36,539

and not just for Susan but for Humanity

645

00:27:42,529 --> 00:27:39,659

as a whole if of course there is any

646

00:27:45,230 --> 00:27:42,539

truth to them this time the events

647

00:27:48,169 --> 00:27:45,240

weren't intertwined with events made to

648

00:27:50,570 --> 00:27:48,179

appear like a dream to Susan they

649

00:27:52,490 --> 00:27:50,580

occurred out of the blue as she was

650

00:27:53,570 --> 00:27:52,500

driving home after a visit with her

651
00:27:55,970 --> 00:27:53,580
parents

652
00:27:58,190 --> 00:27:55,980
it was around 8pm on the night in

653
00:28:01,730 --> 00:27:58,200
question Susan was driving along the

654
00:28:04,370 --> 00:28:01,740
road when suddenly a fox much like inner

655
00:28:06,529 --> 00:28:04,380
dream appeared in front of her

656
00:28:08,930 --> 00:28:06,539
she watched the fox for several seconds

657
00:28:11,930 --> 00:28:08,940
before a red glow overtook her

658
00:28:15,110 --> 00:28:11,940
surroundings the next thing she knew the

659
00:28:16,490 --> 00:28:15,120
car headlights faded and everything went

660
00:28:19,190 --> 00:28:16,500
black

661
00:28:23,450 --> 00:28:19,200
the next thing I remembered was walking

662
00:28:25,490 --> 00:28:23,460
out of some Woodland and into a field

663
00:28:27,350 --> 00:28:25,500

when I looked up the entire sky was

664

00:28:29,149 --> 00:28:27,360

bathed in red

665

00:28:31,850 --> 00:28:29,159

I stumbled forward for several moments

666

00:28:33,769 --> 00:28:31,860

before noticing the fox set at a slight

667

00:28:35,810 --> 00:28:33,779

distance from me

668

00:28:36,830 --> 00:28:35,820

as soon as I looked at it it turned and

669

00:28:39,289 --> 00:28:36,840

ran

670

00:28:41,930 --> 00:28:39,299

I couldn't escape the feeling that it

671

00:28:43,370 --> 00:28:41,940

was wanting me to follow it into an area

672

00:28:47,090 --> 00:28:43,380

of tall grass

673

00:28:48,169 --> 00:28:47,100

I did so and as I went I noticed other

674

00:28:50,810 --> 00:28:48,179

women there

675

00:28:53,450 --> 00:28:50,820

eventually there were dozens of women of

676
00:28:54,769 --> 00:28:53,460
various ages all making their way in the

677
00:28:56,990 --> 00:28:54,779
same direction

678
00:29:00,049 --> 00:28:57,000
this didn't seem like a dream at all it

679
00:29:02,450 --> 00:29:00,059
seemed to me like a premonition of sorts

680
00:29:05,029 --> 00:29:02,460
things at least for Susan and the other

681
00:29:07,909 --> 00:29:05,039
women she was with were about to get

682
00:29:10,549 --> 00:29:07,919
even more terrifying Susan suddenly

683
00:29:12,529 --> 00:29:10,559
began to notice a trembling sensation in

684
00:29:16,190 --> 00:29:12,539
the ground that appeared to be getting

685
00:29:18,649 --> 00:29:16,200
stronger than the women begin to lift

686
00:29:21,950 --> 00:29:18,659
off the ground with a distinct whoosh

687
00:29:25,130 --> 00:29:21,960
sound spiraling and twisting as they did

688
00:29:27,830 --> 00:29:25,140

there was an intense red light and a

689

00:29:31,549 --> 00:29:27,840

feeling of excruciating pain before

690

00:29:34,549 --> 00:29:31,559

everything once again went black

691

00:29:36,830 --> 00:29:34,559

when Susan awoke she was standing in a

692

00:29:40,850 --> 00:29:36,840

long line of women in what appeared to

693

00:29:43,010 --> 00:29:40,860

be a dark uninviting room the women were

694

00:29:45,649 --> 00:29:43,020

all naked and tightly packed together

695

00:29:47,750 --> 00:29:45,659

their bodies almost touching

696

00:29:50,029 --> 00:29:47,760

I did my best to look ahead seeing

697

00:29:51,590 --> 00:29:50,039

nothing but a seemingly endless line of

698

00:29:53,210 --> 00:29:51,600

women in front of me

699

00:29:56,450 --> 00:29:53,220

then I noticed a light above the line

700

00:29:58,370 --> 00:29:56,460

that was moving closer

701
00:30:00,409 --> 00:29:58,380
I could see that it had what looked like

702
00:30:03,409 --> 00:30:00,419
wings on each side of a glowing red old

703
00:30:04,610 --> 00:30:03,419
and it appeared to be scanning the women

704
00:30:07,070 --> 00:30:04,620
below

705
00:30:09,590 --> 00:30:07,080
as it moved over them it was spraying

706
00:30:12,230 --> 00:30:09,600
the women with some unknown Misty

707
00:30:13,789 --> 00:30:12,240
substance the spray appeared to have a

708
00:30:15,889 --> 00:30:13,799
calming effect

709
00:30:18,350 --> 00:30:15,899
because the women were so tight to each

710
00:30:21,289 --> 00:30:18,360
other they were each forced forward by

711
00:30:23,510 --> 00:30:21,299
the steps of the person behind them when

712
00:30:26,269 --> 00:30:23,520
some of the women would fall and attempt

713
00:30:29,029 --> 00:30:26,279

to climb out of the line the winged red

714

00:30:31,789 --> 00:30:29,039

lights would force them back

715

00:30:34,310 --> 00:30:31,799

even more disturbing when one woman fell

716

00:30:36,889 --> 00:30:34,320

forward and lost their balance the red

717

00:30:40,010 --> 00:30:36,899

light extended a tube-like device to her

718

00:30:41,690 --> 00:30:40,020

lifted her up by her head and carried

719

00:30:44,630 --> 00:30:41,700

her away

720

00:30:47,029 --> 00:30:44,640

as they moved forward Susan noticed that

721

00:30:49,730 --> 00:30:47,039

the floor was becoming increasingly

722

00:30:51,590 --> 00:30:49,740

sludgy and slippery

723

00:30:54,710 --> 00:30:51,600

I felt that the substance below could

724

00:30:57,409 --> 00:30:54,720

have been human remains all the while

725

00:31:00,710 --> 00:30:57,419

the women were forced forward one

726

00:31:03,049 --> 00:31:00,720

systematic step at a time we were being

727

00:31:05,450 --> 00:31:03,059

herded into areas based on our body type

728

00:31:07,610 --> 00:31:05,460

age and health

729

00:31:09,830 --> 00:31:07,620

as we continue forward eventually

730

00:31:11,990 --> 00:31:09,840

entering a tunnel of sorts I could hear

731

00:31:14,690 --> 00:31:12,000

cries of pain and Desperation ahead of

732

00:31:15,409 --> 00:31:14,700

me we eventually came out into a larger

733

00:31:17,750 --> 00:31:15,419

room

734

00:31:19,669 --> 00:31:17,760

I noticed on the walls what appeared to

735

00:31:21,590 --> 00:31:19,679

be cubes of meat

736

00:31:23,990 --> 00:31:21,600

before I could contemplate any more

737

00:31:26,450 --> 00:31:24,000

another substance was sprayed onto us

738

00:31:28,310 --> 00:31:26,460

and it appeared as though it was here

739

00:31:30,409 --> 00:31:28,320

that the women were being separated into

740

00:31:32,090 --> 00:31:30,419

different sections for different

741

00:31:34,430 --> 00:31:32,100

purposes

742

00:31:36,710 --> 00:31:34,440

Susan and the women that were with her

743

00:31:39,289 --> 00:31:36,720

had various samples taken from them

744

00:31:43,070 --> 00:31:39,299

which although invasive left them

745

00:31:45,830 --> 00:31:43,080

uninjured at least physically

746

00:31:48,649 --> 00:31:45,840

however what Susan witnessed in another

747

00:31:50,210 --> 00:31:48,659

section caused her to question her

748

00:31:53,630 --> 00:31:50,220

sanity

749

00:31:56,450 --> 00:31:53,640

she looked on in horror as a conveyor

750

00:31:58,730 --> 00:31:56,460

belt of restrained women were moved into

751

00:32:01,269 --> 00:31:58,740

place before being or at least

752

00:32:04,250 --> 00:32:01,279

attempting to be artificially

753

00:32:07,430 --> 00:32:04,260

inseminated by what seemed to be a lower

754

00:32:10,730 --> 00:32:07,440

half of a man that was seemingly kept

755

00:32:15,590 --> 00:32:10,740

Alive by a network of electrical wires

756

00:32:19,070 --> 00:32:15,600

some kind of perverse unfinished cyborg

757

00:32:20,990 --> 00:32:19,080

once this grotesque event was over the

758

00:32:23,750 --> 00:32:21,000

women were moved along before being

759

00:32:26,690 --> 00:32:23,760

replaced by another set

760

00:32:29,930 --> 00:32:26,700

even worse as Sheena group moved along

761

00:32:32,810 --> 00:32:29,940

this house of horrors she witnessed a

762

00:32:36,769 --> 00:32:32,820

group of pregnant women seemingly giving

763

00:32:38,810 --> 00:32:36,779

birth alone and unaided

764

00:32:41,269 --> 00:32:38,820

Susan also noticed one of the

765

00:32:43,630 --> 00:32:41,279

jellyfish-like creatures approached one

766

00:32:47,210 --> 00:32:43,640

of the mothers who had just given birth

767

00:32:51,769 --> 00:32:47,220

and drop onto her before seeming to

768

00:32:54,529 --> 00:32:51,779

consume her and the newborn child

769

00:32:57,230 --> 00:32:54,539

as they moved on Susan witnessed another

770

00:32:59,810 --> 00:32:57,240

conveyor belt only this one appeared to

771

00:33:04,149 --> 00:32:59,820

have human body parts on it which

772

00:33:07,549 --> 00:33:04,159

included torsos Limbs and heads

773

00:33:10,250 --> 00:33:07,559

the most horrific sight though was of an

774

00:33:13,130 --> 00:33:10,260

area that featured women all screaming

775

00:33:15,590 --> 00:33:13,140

who were literally being deconstructed

776

00:33:18,049 --> 00:33:15,600

and torn apart

777

00:33:20,450 --> 00:33:18,059

they were being harvested

778

00:33:22,009 --> 00:33:20,460

there was no other way to describe it

779

00:33:24,529 --> 00:33:22,019

pipes filled them and they were being

780

00:33:26,269 --> 00:33:24,539

pulled apart with every part of the body

781

00:33:29,930 --> 00:33:26,279

being used

782

00:33:30,380 --> 00:33:29,940

there are dozens of women gone in an

783

00:33:31,549 --> 00:33:30,390

instant

784

00:33:34,490 --> 00:33:31,559

[Music]

785

00:33:35,690 --> 00:33:34,500

Susan next remembers waking up in a

786

00:33:37,730 --> 00:33:35,700

field

787

00:33:39,950 --> 00:33:37,740

when she looked around her surroundings

788

00:33:42,409 --> 00:33:39,960

she could see the headlights of her car

789

00:33:45,110 --> 00:33:42,419

on the road a short distance away

790

00:33:48,049 --> 00:33:45,120

when she made her way to her vehicle she

791

00:33:50,750 --> 00:33:48,059

discovered her clothes in an untidy pile

792

00:33:53,930 --> 00:33:50,760

by the car door

793

00:33:55,549 --> 00:33:53,940

when she looked at the clock it read 803

794

00:33:58,250 --> 00:33:55,559

P.M

795

00:34:02,450 --> 00:33:58,260

although the ordeal had appeared to last

796

00:34:05,570 --> 00:34:02,460

hours and indeed it might have in the

797

00:34:09,530 --> 00:34:05,580

reality as she knew it only three

798

00:34:15,290 --> 00:34:12,230

Davey's published Susan's accounts in

799

00:34:18,349 --> 00:34:15,300

the previously mentioned book Harvest

800

00:34:21,230 --> 00:34:18,359

when read in full it becomes clear the

801
00:34:23,570 --> 00:34:21,240
sheer torment in agony that permeated

802
00:34:25,430 --> 00:34:23,580
Susan during and following the

803
00:34:27,829 --> 00:34:25,440
encounters

804
00:34:30,950 --> 00:34:27,839
the incidents at least at the time

805
00:34:33,589 --> 00:34:30,960
Harvest was released was the last

806
00:34:36,950 --> 00:34:33,599
encounter Susan experienced

807
00:34:39,290 --> 00:34:36,960
however she would update Davies that she

808
00:34:43,190 --> 00:34:39,300
continues to live in fear that the

809
00:34:45,349 --> 00:34:43,200
Monstrous beings will return anytime

810
00:34:47,810 --> 00:34:45,359
it is my belief that these beings are

811
00:34:49,849 --> 00:34:47,820
very old and advanced and we're on a

812
00:34:52,790 --> 00:34:49,859
technical level that far exceeds

813
00:34:55,669 --> 00:34:52,800

anything that we have a grasp of

814

00:34:57,410 --> 00:34:55,679

they found us in our infancy and they

815

00:34:58,310 --> 00:34:57,420

permitted us to thrive and cover the

816

00:35:00,230 --> 00:34:58,320

world

817

00:35:02,630 --> 00:35:00,240

they were harvesting us a little to

818

00:35:04,970 --> 00:35:02,640

begin with and increased this harvesting

819

00:35:08,089 --> 00:35:04,980

as the population grew

820

00:35:10,010 --> 00:35:08,099

we seem to be defenseless

821

00:35:13,790 --> 00:35:10,020

following her interviews with Davies

822

00:35:15,650 --> 00:35:13,800

Susan disappeared into anonymity telling

823

00:35:18,050 --> 00:35:15,660

Davies that she had bought a plane

824

00:35:21,770 --> 00:35:18,060

ticket to leave from Heathrow Airport to

825

00:35:28,550 --> 00:35:25,010

the implications to Susan's claims if

826

00:35:30,829 --> 00:35:28,560

they are even slightly accurate are huge

827

00:35:33,470 --> 00:35:30,839

for all concerned

828

00:35:35,750 --> 00:35:33,480

could it really be that any one of us

829

00:35:37,490 --> 00:35:35,760

could be subjected to these horrifying

830

00:35:40,790 --> 00:35:37,500

types of encounters

831

00:35:42,770 --> 00:35:40,800

and if so would we have any defense

832

00:35:45,530 --> 00:35:42,780

against it

833

00:35:47,690 --> 00:35:45,540

furthermore what should we make of the

834

00:35:51,710 --> 00:35:47,700

footage that Susan viewed in the cinema

835

00:35:54,170 --> 00:35:51,720

during her ordeal could her hometown be

836

00:35:58,550 --> 00:35:54,180

subject to some kind of Armageddon type

837

00:36:00,890 --> 00:35:58,560

scenario and if so when will this happen

838

00:36:03,950 --> 00:36:00,900

will this be due to an outright attack

839

00:36:04,849 --> 00:36:03,960

or the result of some disaster of some

840

00:36:07,430 --> 00:36:04,859

sort

841

00:36:08,870 --> 00:36:07,440

and if it is an attack what follows

842

00:36:11,569 --> 00:36:08,880

after that

843

00:36:14,030 --> 00:36:11,579

would these beings go from operating Out

844

00:36:17,210 --> 00:36:14,040

of the Shadows to turning the entire

845

00:36:18,950 --> 00:36:17,220

planet into a huge cattle type labor

846

00:36:21,890 --> 00:36:18,960

camp

847

00:36:25,670 --> 00:36:21,900

the theories are endless and indeed

848

00:36:28,250 --> 00:36:25,680

Susan's claims are truly disturbing

849

00:36:31,609 --> 00:36:28,260

and we have to entertain the possibility

850

00:36:33,770 --> 00:36:31,619

that some if not a large portion of this

851
00:36:35,150 --> 00:36:33,780
could all be due to many different

852
00:36:38,690 --> 00:36:35,160
factors

853
00:36:42,589 --> 00:36:38,700
Vivid nightmares suppressed memories of

854
00:36:45,650 --> 00:36:42,599
traumatic events or and this is just a

855
00:36:47,020 --> 00:36:45,660
theory and not an accusation it all

856
00:36:48,290 --> 00:36:47,030
could be made up

857
00:36:50,990 --> 00:36:48,300
[Music]

858
00:36:54,050 --> 00:36:51,000
we've seen the dark and unfortunate

859
00:36:56,690 --> 00:36:54,060
unraveling of alien encounters and alien

860
00:36:59,870 --> 00:36:56,700
abductions before when the individual is

861
00:37:02,450 --> 00:36:59,880
exposed as either fantasy prone or

862
00:37:05,270 --> 00:37:02,460
simply a liar

863
00:37:07,670 --> 00:37:05,280

however if this is not the case for

864

00:37:10,670 --> 00:37:07,680

Susan then we are dealing with something

865

00:37:13,310 --> 00:37:10,680

far beyond our reach of understanding

866

00:37:15,770 --> 00:37:13,320

and even farther into the darkest

867

00:37:17,750 --> 00:37:15,780

corners of the encounter and abduction

868

00:37:20,990 --> 00:37:17,760

phenomenon

869

00:37:23,510 --> 00:37:21,000

no matter the case this cautionary tale

870

00:37:26,870 --> 00:37:23,520

of Susan should give us all Food For

871

00:37:28,490 --> 00:37:26,880

Thought regardless of how outlandish it

872

00:37:31,069 --> 00:37:28,500

might sound

873

00:37:32,510 --> 00:37:31,079

and it truly makes one think that while

874

00:37:35,569 --> 00:37:32,520

many incidents involving Close

875

00:37:38,690 --> 00:37:35,579

Encounters or even abductions have some

876

00:37:41,510 --> 00:37:38,700

sort of reconciliation or closure on

877

00:37:44,810 --> 00:37:41,520

those involved whatever it was Susan

878

00:37:46,550 --> 00:37:44,820

experienced provides no closure and no

879

00:37:49,730 --> 00:37:46,560

comfort

880

00:37:52,670 --> 00:37:49,740

all it provides like many UFO cases

881

00:37:59,550 --> 00:37:52,680

throughout time is more questions than

882

00:37:59,560 --> 00:38:08,630
