have turned I'm gonna be the guest on a

140

00:09:20,690 --> 00:09:18,420

ton of radio shows and podcasts and uh

141

00:09:22,850 --> 00:09:20,700

YouTube channels coming up um you're

142

00:09:25,610 --> 00:09:22,860

gonna be sick of me in the next couple

143

00:09:27,949 --> 00:09:25,620

weeks trust me if you run in the UFO

144

00:09:29,810 --> 00:09:27,959

circles but hey just doing my job as an

145

00:09:32,329 --> 00:09:29,820

independent author

146

00:09:33,889 --> 00:09:32,339

um yeah yeah yeah Channeler how are your

147

00:09:38,210 --> 00:09:33,899

ears

148

00:09:41,210 --> 00:09:38,220

they're better

149

00:09:43,250 --> 00:09:41,220

um for anyone who doesn't know or is new

150

00:09:46,009 --> 00:09:43,260

to the channel I've been doing a lot of

151
00:09:48,769 --> 00:09:46,019
traveling recently I was away from home

152
00:09:51,530 --> 00:09:48,779
here in Scotland for over a month

153
00:09:55,009 --> 00:09:51,540
um I went from London to New York to

154
00:09:57,590 --> 00:09:55,019
Hawaii back to New York and then finally

155
00:10:00,230 --> 00:09:57,600
um back to London and then back to

156
00:10:03,170 --> 00:10:00,240
Scotland and um in those travels I

157
00:10:07,790 --> 00:10:03,180
partially ruptured my right eardrum and

158
00:10:09,290 --> 00:10:07,800
it was hell absolute hell um but even

159
00:10:11,269 --> 00:10:09,300
worse when I went to get the year

160
00:10:12,470 --> 00:10:11,279
checked they compared it to my good ear

161
00:10:17,030 --> 00:10:12,480
my left ear

162
00:10:19,790 --> 00:10:17,040
turned out to be far more painful than

163
00:10:22,370 --> 00:10:19,800

my actual ruptured eardrum so it was a

164

00:10:24,769 --> 00:10:22,380

nightmare um I was deaf for almost two

165

00:10:27,889 --> 00:10:24,779

weeks 90 deaf

166

00:10:30,230 --> 00:10:27,899

um but slowly slowly healing

167

00:10:32,449 --> 00:10:30,240

um and things are going back to somewhat

168

00:10:34,910 --> 00:10:32,459

normal so um thank you for asking things

169

00:10:37,250 --> 00:10:34,920

things are on the up and up um I'm just

170

00:10:38,269 --> 00:10:37,260

moving forward doing what I gotta do so

171

00:10:39,170 --> 00:10:38,279

thank you

172

00:10:40,790 --> 00:10:39,180

but let's see let's see I think that's

190

00:11:16,370 --> 00:11:14,519

it guys

191

00:11:18,410 --> 00:11:16,380

192

00:11:20,569 --> 00:11:18,420

193

00:11:22,970 --> 00:11:20,579

yeah the chat is so Lively tonight I'm

201
00:11:44,930 --> 00:11:42,959
gonna try to keep up with you guys it's

202
00:11:46,550 --> 00:11:44,940
always hard when I'm alone

203
00:11:48,050 --> 00:11:46,560
um usually when I have guests I can like

204
00:11:50,090 --> 00:11:48,060
put them up on the screen and start

205
00:11:53,210 --> 00:11:50,100
featuring all your comments um but I'm

206
00:11:58,370 --> 00:11:53,220
gonna try I'm really gonna try tonight

207
00:12:03,949 --> 00:12:00,350
who is the girl on the cover Android

208
00:12:07,550 --> 00:12:03,959
asks um that was done by my cover artist

209
00:12:12,170 --> 00:12:07,560
we have to shout her out Caitlyn

210
00:12:13,190 --> 00:12:12,180
grabenstein um AKA at cult dot class on

211
00:12:17,090 --> 00:12:13,200
Instagram

212
00:12:19,130 --> 00:12:17,100
um I've been a huge huge fan of her Arc

213
00:12:21,710 --> 00:12:19,140

for a very long time she does a ton of

214

00:12:24,050 --> 00:12:21,720

really cool collage art having to do

215

00:12:26,990 --> 00:12:24,060

with flying saucers and Cryptids and

216

00:12:28,730 --> 00:12:27,000

stuff like that and um you know I

217

00:12:30,290 --> 00:12:28,740

actually reached out to her and I was

218

00:12:32,150 --> 00:12:30,300

like hey I'm coming out with a new book

219

00:12:35,030 --> 00:12:32,160

and I just wanted to know like could I

220

00:12:36,470 --> 00:12:35,040

hire you to do the cover art and she

221

00:12:37,850 --> 00:12:36,480

flipped out when she heard from me she

222

00:12:39,829 --> 00:12:37,860

was like oh my God I'm a huge fan of

223

00:12:41,690 --> 00:12:39,839

your show blah blah blah um so we just

224

00:12:43,910 --> 00:12:41,700

Fanboy and fangirled out over each

225

00:12:45,769 --> 00:12:43,920

other's work for a while and um she

226

00:12:50,090 --> 00:12:45,779

decided that she wanted to do the cover

227

00:12:51,050 --> 00:12:50,100

art so um the woman on the front is uh I

228

00:12:54,110 --> 00:12:51,060

don't know

229

00:12:56,750 --> 00:12:54,120

um it's not anyone I know I didn't

230

00:12:58,790 --> 00:12:56,760

um you know give her any specifics I

231

00:13:00,290 --> 00:12:58,800

just knew I wanted a person looking up

232

00:13:02,750 --> 00:13:00,300

into the sky

233

00:13:05,150 --> 00:13:02,760

um and I wanted there to be some sort of

234

00:13:08,329 --> 00:13:05,160

ambiguous anomaly in the sky and she

235

00:13:10,430 --> 00:13:08,339

came up with a genius idea to put a

236

00:13:12,530 --> 00:13:10,440

reflection of a UFO in the sunglasses

237

00:13:14,810 --> 00:13:12,540

which I absolutely loved

238

00:13:16,910 --> 00:13:14,820

um so yeah she did an incredible job

239

00:13:20,210 --> 00:13:16,920

please go follow her on Instagram again

240

00:13:21,650 --> 00:13:20,220

it's at cult dot class

241

00:13:23,210 --> 00:13:21,660

um so yeah

242

00:13:26,269 --> 00:13:23,220

David says I thought that was your

243

00:13:29,090 --> 00:13:26,279

misses no it does kind of look like my

244

00:13:31,610 --> 00:13:29,100

partner I'm not gonna lie but I swear

245

00:13:33,590 --> 00:13:31,620

that wasn't on purpose

246

00:13:36,410 --> 00:13:33,600

I swear I swear

247

00:13:38,389 --> 00:13:36,420

um let's see Jeff says are you gonna do

248

00:13:40,550 --> 00:13:38,399

the audio version yourself great

249

00:13:41,990 --> 00:13:40,560

question I've had a lot a lot of people

250

00:13:43,850 --> 00:13:42,000

ask if the book is going to be coming

251
00:13:47,449 --> 00:13:43,860
out in audio form

252
00:13:50,690 --> 00:13:47,459
um I'm assuming yes Beyond The Fray

253
00:13:52,670 --> 00:13:50,700
publishing my incredible Publishers

254
00:13:54,230 --> 00:13:52,680
um Gene Michael Hoff

255
00:13:58,069 --> 00:13:54,240
um we've got Tony huff and we have

256
00:14:00,590 --> 00:13:58,079
Shannon legrow they are in absolute

257
00:14:01,790 --> 00:14:00,600
dream to work with as an independent

258
00:14:02,389 --> 00:14:01,800
author

259
00:14:05,389 --> 00:14:02,399
um

260
00:14:06,949 --> 00:14:05,399
they just do incredible work and I I

261
00:14:08,990 --> 00:14:06,959
will never publish a book with another

262
00:14:10,550 --> 00:14:09,000
publisher I swear to God they're just

263
00:14:12,110 --> 00:14:10,560

they're the best

264

00:14:15,050 --> 00:14:12,120

um and they help you every step of the

265

00:14:16,310 --> 00:14:15,060

way and it's just so so amazing working

266

00:14:19,670 --> 00:14:16,320

with them

267

00:14:21,590 --> 00:14:19,680

um that being said they're very quick to

268

00:14:23,269 --> 00:14:21,600

make sure that every version of the book

269

00:14:25,430 --> 00:14:23,279

gets out you know the ebook came out the

270

00:14:28,069 --> 00:14:25,440

same day as the print book and um

271

00:14:29,870 --> 00:14:28,079

hopefully the audiobook will follow um

272

00:14:33,110 --> 00:14:29,880

the cool thing about this book is it's

273

00:14:35,930 --> 00:14:33,120

stories it's literal stories from you

274

00:14:39,470 --> 00:14:35,940

guys the listeners so I have some ideas

275

00:14:41,750 --> 00:14:39,480

on how I want to tackle the audiobook

276

00:14:44,810 --> 00:14:41,760

um whether I hire you know a ton of

277

00:14:47,329 --> 00:14:44,820

different actors to do the voices or

278

00:14:48,769 --> 00:14:47,339

maybe get some of the actual people who

279

00:14:51,470 --> 00:14:48,779

submitted their stories in or in the

280

00:14:52,970 --> 00:14:51,480

book to voice their own stories

281

00:14:55,490 --> 00:14:52,980

um we'll see we'll see I've got some

282

00:14:57,710 --> 00:14:55,500

ideas bouncing around so um we'll see

283

00:15:01,610 --> 00:14:57,720

beautiful coverage says thank you thank

284

00:15:05,870 --> 00:15:01,620

you thank you Pat hello from Ireland

285

00:15:08,269 --> 00:15:05,880

um ah will Logan Paul think you have a

286

00:15:11,449 --> 00:15:08,279

typo uh do I

287

00:15:12,769 --> 00:15:11,459

do I have a typo up there I don't know

288

00:15:15,110 --> 00:15:12,779

um

289

00:15:16,730 --> 00:15:15,120

anyways oh James thanks brother thank

290

00:15:19,310 --> 00:15:16,740

you so much for the Super Chat starter

291

00:15:21,889 --> 00:15:19,320

fund for the next book thanks buddy I

292

00:15:25,610 --> 00:15:21,899

will say guys I'm already working on the

293

00:15:28,610 --> 00:15:25,620

next book so um yeah stay tuned that one

294

00:15:31,490 --> 00:15:28,620

I've been working on for a few years now

295

00:15:35,150 --> 00:15:31,500

so that's gonna be a lot of fun

296

00:15:37,370 --> 00:15:35,160

um your voice is amazingly beautiful for

297

00:15:39,050 --> 00:15:37,380

my sleep I get that a lot that I put

298

00:15:41,269 --> 00:15:39,060

people to sleep I don't know if that's a

299

00:15:44,509 --> 00:15:41,279

compliment or not I guess it is I guess

300

00:15:47,329 --> 00:15:44,519

it is I'll take it I'll take it um but

301
00:15:50,030 --> 00:15:47,339
yeah yeah voice it yourself says Owen I

302
00:15:51,530 --> 00:15:50,040
all right all right I'll voice it voice

303
00:15:54,170 --> 00:15:51,540
the audiobook

304
00:15:55,069 --> 00:15:54,180
yeah you got me you got me guys

305
00:15:58,370 --> 00:15:55,079
um okay

306
00:16:00,650 --> 00:15:58,380
enough of that let's move to UFO news of

307
00:16:03,050 --> 00:16:00,660
the week we have so much to cover

308
00:16:04,430 --> 00:16:03,060
um this story basically came out like in

309
00:16:08,030 --> 00:16:04,440
the last couple hours so I didn't really

310
00:16:10,790 --> 00:16:08,040
have time to make a a slide for it

311
00:16:13,730 --> 00:16:10,800
um but I do want to talk about it and

312
00:16:17,810 --> 00:16:13,740
that is Senators Marco Rubio and Mark

313
00:16:19,850 --> 00:16:17,820

Warner push secdef and odni for answers

314

00:16:22,009 --> 00:16:19,860
on Arrow

315

00:16:23,870 --> 00:16:22,019
um now this is a really cool story that

316

00:16:27,470 --> 00:16:23,880
was brought to our attention by um Dan

317

00:16:31,069 --> 00:16:27,480
zetterstrom over at uh that UFO podcast

318

00:16:31,790 --> 00:16:31,079
the signal on Instagram and Twitter and

319

00:16:33,889 --> 00:16:31,800
um

320

00:16:36,470 --> 00:16:33,899
he came across some really interesting

321

00:16:39,230 --> 00:16:36,480
stuff that Dan Warren over at fifth

322

00:16:41,269 --> 00:16:39,240
pillar of emphasis on Tic Tac made a

323

00:16:43,189 --> 00:16:41,279
really cool video about so I'm not going

324

00:16:45,410 --> 00:16:43,199
to read any more about the story I'm

325

00:16:46,790 --> 00:16:45,420
actually gonna um play The Tick Tock

326

00:16:48,949 --> 00:16:46,800

that Dan made

327

00:16:50,990 --> 00:16:48,959

um I hope that's okay with him that I'm

328

00:16:53,329 --> 00:16:51,000

playing it in its entirety but yeah he

329

00:16:55,610 --> 00:16:53,339

kind of explains everything in this um

330

00:16:56,629 --> 00:16:55,620

this video here so go ahead and give

331

00:16:58,910 --> 00:16:56,639

this a look

332

00:17:01,129 --> 00:16:58,920

Airmen of the Senate select committee on

333

00:17:03,829 --> 00:17:01,139

intelligence Senators Rubio and Warner

334

00:17:06,230 --> 00:17:03,839

just sent a letter to sectef Austin and

335

00:17:08,090 --> 00:17:06,240

dni Haynes to let them know that they're

336

00:17:10,370 --> 00:17:08,100

concerned with the lack of progress over

337

00:17:13,490 --> 00:17:10,380

the last four months in regards to their

338

00:17:15,949 --> 00:17:13,500

support of and compliance with the UAP

339

00:17:19,309 --> 00:17:15,959

legislation recently signed into law as

340

00:17:21,169 --> 00:17:19,319

part of the ndaa of 2023 and we have

341

00:17:23,329 --> 00:17:21,179

this letter thanks to Dan zetterstrom

342

00:17:25,250 --> 00:17:23,339

the letter shows that the Senators are

343

00:17:28,789 --> 00:17:25,260

particularly frustrated with these five

344

00:17:31,490 --> 00:17:28,799

issues number one era was no longer to

345

00:17:34,070 --> 00:17:31,500

report to sectev Austin or dni Haynes

346

00:17:36,110 --> 00:17:34,080

instead they're to report to Stacy Dixon

347

00:17:38,570 --> 00:17:36,120

the principal deputy director of

348

00:17:42,230 --> 00:17:38,580

National Intelligence and Dr Kathleen

349

00:17:44,330 --> 00:17:42,240

Hicks the deputy director of Defense who

350

00:17:46,130 --> 00:17:44,340

wrote a memo to senior Pentagon leaders

351
00:17:49,010 --> 00:17:46,140
the day that the preliminary assessment

352
00:17:52,610 --> 00:17:49,020
on uaps was issued by the UAP task force

353
00:17:54,650 --> 00:17:52,620
back on June 25th 2021 that led to the

354
00:17:57,230 --> 00:17:54,660
creation of aimsog the predecessor of

355
00:17:59,029 --> 00:17:57,240
Arrow and the memo concluded by stating

356
00:18:01,549 --> 00:17:59,039
that all members of the dod are to

357
00:18:03,770 --> 00:18:01,559
report UAP observations within two weeks

358
00:18:05,810 --> 00:18:03,780
of occurrence which leads me to believe

359
00:18:07,909 --> 00:18:05,820
that Dr Hicks has more interest in the

360
00:18:10,669 --> 00:18:07,919
UAP subject than her boss sect deaf

361
00:18:12,830 --> 00:18:10,679
Austin number two dni Haynes was to

362
00:18:15,350 --> 00:18:12,840
appoint a deputy director of Arrow from

363
00:18:17,150 --> 00:18:15,360

within the intelligence Community but no

364

00:18:19,370 --> 00:18:17,160

one has been assigned to that role yet

365

00:18:21,169 --> 00:18:19,380

and this role has become blatantly

366

00:18:22,970 --> 00:18:21,179

critical in light of Kirkpatrick's

367

00:18:25,430 --> 00:18:22,980

recent comments that he does not have

368

00:18:27,409 --> 00:18:25,440

title 50 Authority which would provide

369

00:18:29,150 --> 00:18:27,419

arrow with access to UAP related

370

00:18:31,070 --> 00:18:29,160

information contained within the

371

00:18:32,870 --> 00:18:31,080

intelligence Community number three

372

00:18:34,730 --> 00:18:32,880

although they're pleased with the number

373

00:18:37,070 --> 00:18:34,740

of witnesses that Arrow has interviewed

374

00:18:39,350 --> 00:18:37,080

so far they want Congress to be

375

00:18:41,750 --> 00:18:39,360

regularly updated about the contents of

376

00:18:43,370 --> 00:18:41,760

those discussions number four they

377

00:18:45,110 --> 00:18:43,380

required Arrow to stand up a

378

00:18:47,150 --> 00:18:45,120

public-facing mechanism to allow

379

00:18:49,310 --> 00:18:47,160

civilian witnesses to bring relevant

380

00:18:50,870 --> 00:18:49,320

information forward but the Senators

381

00:18:52,850 --> 00:18:50,880

haven't seen any of the fruits of

382

00:18:55,549 --> 00:18:52,860

Arrow's labor and they're asking for an

383

00:18:58,370 --> 00:18:55,559

update number five my personal favorite

384

00:19:00,770 --> 00:18:58,380

they call out out arrow for a lack of a

385

00:19:01,970 --> 00:19:00,780

strategic communication strategy in

386

00:19:03,890 --> 00:19:01,980

particular for their lack of

387

00:19:06,190 --> 00:19:03,900

communication and transparency with

388

00:19:08,750 --> 00:19:06,200

their 31 000 followers on Twitter

389

00:19:11,450 --> 00:19:08,760

Arrow's Twitter account has just one

390

00:19:13,610 --> 00:19:11,460

tweet since its Creation in July of 2022

391

00:19:15,110 --> 00:19:13,620

and that tweet states that they'll use

392

00:19:17,210 --> 00:19:15,120

Twitter to provide updates and

393

00:19:20,990 --> 00:19:17,220

information on their UAP examinations

394

00:19:23,330 --> 00:19:21,000

but despite having 650 opportunities to

395

00:19:26,270 --> 00:19:23,340

do so they've yet to follow through on

396

00:19:28,190 --> 00:19:26,280

their statement one single time so let's

397

00:19:30,230 --> 00:19:28,200

see if Rubio and Warner can get their

398

00:19:34,010 --> 00:19:30,240

attention

399

00:19:36,049 --> 00:19:34,020

um thank you Dan Warren over a fifth

400

00:19:38,409 --> 00:19:36,059

pillar of emphasis on Tick Tock be sure

401
00:19:41,510 --> 00:19:38,419
to go give him a follow for that um

402
00:19:43,669 --> 00:19:41,520
really really interesting letter Jesh as

403
00:19:45,770 --> 00:19:43,679
bombshell letter let's see how they

404
00:19:47,630 --> 00:19:45,780
react hun Cedar says this is all

405
00:19:50,270 --> 00:19:47,640
happening mainly due to the efforts of

406
00:19:54,049 --> 00:19:50,280
Lou Elizondo

407
00:19:55,490 --> 00:19:54,059
um let's see Dr Sean Kirkpatrick really

408
00:19:57,470 --> 00:19:55,500
can't be judged into the requestable

409
00:19:59,090 --> 00:19:57,480
Senate letters are filled the first

410
00:20:01,669 --> 00:19:59,100
letter was in regards to money give

411
00:20:03,590 --> 00:20:01,679
Arrow what they need yeah that was kind

412
00:20:07,250 --> 00:20:03,600
of you know what I took from the recent

413
00:20:10,250 --> 00:20:07,260

Senate UAP hearing is um it seems like

414

00:20:12,350 --> 00:20:10,260

Kirkpatrick is he's trying he's trying

415

00:20:14,690 --> 00:20:12,360

to do all he can within the constraint

416

00:20:16,490 --> 00:20:14,700

constraints of funding

417

00:20:19,310 --> 00:20:16,500

um that he was given

418

00:20:21,289 --> 00:20:19,320

um and also you know Dan mentioned in

419

00:20:24,590 --> 00:20:21,299

that that video of

420

00:20:27,289 --> 00:20:24,600

um you know title 10 clearance is what

421

00:20:29,690 --> 00:20:27,299

they have and that's like nothing they

422

00:20:33,289 --> 00:20:29,700

need Title 50 clearance which is like

423

00:20:37,870 --> 00:20:33,299

all the intelligence that they need to

424

00:20:40,850 --> 00:20:37,880

properly gather data and try to resolve

425

00:20:44,270 --> 00:20:40,860

you know these anomalies these in all

426
00:20:46,010 --> 00:20:44,280
domains so um yeah it's clear that the

427
00:20:47,270 --> 00:20:46,020
people who kind of

428
00:20:50,450 --> 00:20:47,280
um

429
00:20:52,070 --> 00:20:50,460
really pushed Arrow into existence are

430
00:20:54,770 --> 00:20:52,080
now a little frustrated with how things

431
00:20:56,029 --> 00:20:54,780
are going at Arrow uh so you got a lot

432
00:20:57,529 --> 00:20:56,039
of kind of

433
00:21:00,350 --> 00:20:57,539
um I don't know there's a lot of it

434
00:21:03,529 --> 00:21:00,360
seems like frustration within the office

435
00:21:06,230 --> 00:21:03,539
on the very small office and the people

436
00:21:09,230 --> 00:21:06,240
who are trying to really um get it going

437
00:21:11,570 --> 00:21:09,240
so we'll see how this all plays out

438
00:21:14,330 --> 00:21:11,580

um I could see like I could see like a

439

00:21:16,610 --> 00:21:14,340

12 Angry Men play kind of being made

440

00:21:18,470 --> 00:21:16,620

around all the players with arrow maybe

441

00:21:20,750 --> 00:21:18,480

I'll start writing that

442

00:21:22,310 --> 00:21:20,760

um that would be pretty interesting but

443

00:21:24,770 --> 00:21:22,320

um yeah yeah

444

00:21:26,450 --> 00:21:24,780

let's see Escape VFX title 50

445

00:21:28,070 --> 00:21:26,460

authorization should help but it did not

446

00:21:31,970 --> 00:21:28,080

help Elizondo

447

00:21:32,690 --> 00:21:31,980

uh I don't know I I think it would have

448

00:21:34,730 --> 00:21:32,700

um

449

00:21:37,789 --> 00:21:34,740

I if he was looking in the right places

450

00:21:39,950 --> 00:21:37,799

which I'm sure he was but I I don't know

451
00:21:41,890 --> 00:21:39,960
I honestly don't know you'll failed the

452
00:21:43,730 --> 00:21:41,900
city Arrow

453
00:21:45,830 --> 00:21:43,740
all right

454
00:21:46,970 --> 00:21:45,840
um yeah so we'll see how this all plays

455
00:21:48,830 --> 00:21:46,980
out

456
00:21:50,750 --> 00:21:48,840
um arrows new

457
00:21:51,409 --> 00:21:50,760
um they're gonna make mistakes along the

458
00:21:53,029 --> 00:21:51,419
way

459
00:21:55,310 --> 00:21:53,039
um but I do agree like they start this

460
00:21:58,010 --> 00:21:55,320
Twitter account and they've tweeted once

461
00:21:59,930 --> 00:21:58,020
they've shared nothing nothing nothing

462
00:22:01,669 --> 00:21:59,940
nothing

463
00:22:03,890 --> 00:22:01,679

um but it but we'll see we'll see how

464

00:22:05,149 --> 00:22:03,900

this all kind of kind of plays out like

465

00:22:08,930 --> 00:22:05,159

I said

466

00:22:12,169 --> 00:22:08,940

um okay let's move to our next story and

467

00:22:13,850 --> 00:22:12,179

I know this is the one that everyone was

468

00:22:16,430 --> 00:22:13,860

kind of rolling their eyes at and

469

00:22:17,529 --> 00:22:16,440

talking about over on Twitter and that

470

00:22:21,590 --> 00:22:17,539

is

471

00:22:25,070 --> 00:22:21,600

YouTuber and WWE wrestler might release

472

00:22:27,890 --> 00:22:25,080

the best UFO video ever

473

00:22:31,310 --> 00:22:27,900

this is Logan Paul for those of you who

474

00:22:34,010 --> 00:22:31,320

are not familiar with him he is uh you

475

00:22:37,490 --> 00:22:34,020

know he's made famous on YouTube

476

00:22:43,130 --> 00:22:37,500

um he also did a bunch of boxing MMA

477

00:22:46,610 --> 00:22:43,140

stuff and uh now is in the WWE like

478

00:22:48,649 --> 00:22:46,620

headlining events he's like a WWE

479

00:22:51,350 --> 00:22:48,659

Superstar it's insane he's a really good

480

00:22:55,130 --> 00:22:51,360

wrestler I cannot put that past him he

481

00:22:57,169 --> 00:22:55,140

is a insanely good wrestler

482

00:22:59,750 --> 00:22:57,179

um I see him shooting to the top over

483

00:23:02,510 --> 00:22:59,760

there WWE very soon

484

00:23:05,750 --> 00:23:02,520

um but yeah he got to start in the world

485

00:23:09,409 --> 00:23:05,760

of YouTube doing crazy stunts and pranks

486

00:23:12,409 --> 00:23:09,419

and just really stupid immature stuff

487

00:23:14,090 --> 00:23:12,419

um and dude's a freaking millionaire

488

00:23:16,130 --> 00:23:14,100

um you know he's caught up in a lot of

489

00:23:16,970 --> 00:23:16,140

controversies right now with possible

490

00:23:19,190 --> 00:23:16,980

like

491

00:23:21,169 --> 00:23:19,200

scam and fraud stuff

492

00:23:24,289 --> 00:23:21,179

um I don't know much about that so I

493

00:23:27,230 --> 00:23:24,299

can't really speak to that but um but

494

00:23:28,730 --> 00:23:27,240

yeah the reason I'm bringing up this

495

00:23:31,490 --> 00:23:28,740

story is

496

00:23:33,830 --> 00:23:31,500

how does he have this video what is this

497

00:23:36,710 --> 00:23:33,840

video and how did the story really even

498

00:23:39,190 --> 00:23:36,720

come to light and um this story came to

499

00:23:43,490 --> 00:23:39,200

light through a friend of the show

500

00:23:45,470 --> 00:23:43,500

colleague fellow filmmaker James Fox but

501
00:23:49,130 --> 00:23:45,480
I'm not going to explain it I'm going to

502
00:23:52,250 --> 00:23:49,140
let James explain it he was recently on

503
00:23:56,210 --> 00:23:52,260
uh Joe Rogan Experience talking about

504
00:23:58,130 --> 00:23:56,220
this so I'm gonna go ahead and play a

505
00:23:59,930 --> 00:23:58,140
clip from that

506
00:24:01,850 --> 00:23:59,940
um and we'll talk about it on the other

507
00:24:04,130 --> 00:24:01,860
side this clip's a little long but it

508
00:24:07,970 --> 00:24:04,140
goes into good detail guys about what

509
00:24:10,909 --> 00:24:07,980
this UFO video is what's in it

510
00:24:12,350 --> 00:24:10,919
um and how Logan Paul got mixed up into

511
00:24:13,610 --> 00:24:12,360
all this so I'm gonna go ahead and play

512
00:24:15,950 --> 00:24:13,620
this

513
00:24:17,330 --> 00:24:15,960

um watch it it's really interesting and

514

00:24:20,210 --> 00:24:17,340

we'll talk about it on the other side

515

00:24:23,090 --> 00:24:20,220

one day I get a phone call

516

00:24:24,529 --> 00:24:23,100

from Chuck Clark and I'm back at home in

517

00:24:26,630 --> 00:24:24,539

Northern California and this is kind of

518

00:24:29,270 --> 00:24:26,640

a long way away and he goes James

519

00:24:32,330 --> 00:24:29,280

I got something you need to see

520

00:24:33,110 --> 00:24:32,340

I said okay well what is it I can't tell

521

00:24:39,590 --> 00:24:33,120

you

522

00:24:41,210 --> 00:24:39,600

goes oh yeah that good I said I'm

523

00:24:43,250 --> 00:24:41,220

canceling all my plans jumped in my car

524

00:24:44,270 --> 00:24:43,260

and I drove straight through to Rachel

525

00:24:47,390 --> 00:24:44,280

Nevada

526

00:24:50,390 --> 00:24:47,400

and uh he pops in this VHS tape

527

00:24:53,570 --> 00:24:50,400

I was like and it was like two guys on

528

00:24:55,789 --> 00:24:53,580

the quintessential road trip just to

529

00:24:57,890 --> 00:24:55,799

every you know there the surrounding

530

00:25:00,230 --> 00:24:57,900

areas Rachel and the Extraterrestrial

531

00:25:02,029 --> 00:25:00,240

lonely Highway and they're goofing off

532

00:25:04,490 --> 00:25:02,039

the alien taking videos of each other

533

00:25:07,490 --> 00:25:04,500

just just the typical road trip out to

534

00:25:09,409 --> 00:25:07,500

Area 51 right blairwoods project totally

535

00:25:10,909 --> 00:25:09,419

and uh and then they're goofing off next

536

00:25:12,470 --> 00:25:10,919

to the photographs of the alien in the

537

00:25:14,210 --> 00:25:12,480

crash disc and then they're inside the

538

00:25:16,010 --> 00:25:14,220

little alien and like okay where's this

539

00:25:18,110 --> 00:25:16,020

going

540

00:25:20,630 --> 00:25:18,120

then all of a sudden and I saw this with

541

00:25:23,210 --> 00:25:20,640

my own eyes all of a sudden the cars

542

00:25:26,510 --> 00:25:23,220

parked and it's parked out by the Black

543

00:25:27,950 --> 00:25:26,520

Mailbox in the desert and it's dusk

544

00:25:30,890 --> 00:25:27,960

the camera

545

00:25:32,930 --> 00:25:30,900

is on the armrest

546

00:25:35,930 --> 00:25:32,940

between the two seats and it's slightly

547

00:25:38,210 --> 00:25:35,940

cocked like it's like it's not level

548

00:25:40,549 --> 00:25:38,220

and it's filming the dashboard and the

549

00:25:41,990 --> 00:25:40,559

screen the the windscreen

550

00:25:45,230 --> 00:25:42,000

windshield

551
00:25:47,769 --> 00:25:45,240
and um and there's two guys in there

552
00:25:49,549 --> 00:25:47,779
sounding like you can't see them

553
00:25:51,230 --> 00:25:49,559
sounding like they're trying to crawl

554
00:25:52,310 --> 00:25:51,240
under the seats I mean they're freaking

555
00:25:54,890 --> 00:25:52,320
out

556
00:25:56,990 --> 00:25:54,900
and then one of them goes it's over the

557
00:25:59,810 --> 00:25:57,000
top of us it's over the top of us

558
00:26:01,490 --> 00:25:59,820
I'm like damn what is this video like

559
00:26:04,370 --> 00:26:01,500
what am I you know then all of a sudden

560
00:26:07,909 --> 00:26:04,380
the car lights up on the inside

561
00:26:09,590 --> 00:26:07,919
but the source of light is above it like

562
00:26:11,630 --> 00:26:09,600
if you can imagine

563
00:26:13,430 --> 00:26:11,640

I've never seen anything like this if

564

00:26:16,190 --> 00:26:13,440

you could put a pendulum with a light

565

00:26:19,789 --> 00:26:16,200

source above a vehicle like above the

566

00:26:22,490 --> 00:26:19,799

car like this but very slow and fluid

567

00:26:24,169 --> 00:26:22,500

motion like rocking back and forth the

568

00:26:25,909 --> 00:26:24,179

shadows and the lights on the inside of

569

00:26:27,470 --> 00:26:25,919

the car are doing this really eerily

570

00:26:29,930 --> 00:26:27,480

you've never seen anything like it I'm

571

00:26:32,570 --> 00:26:29,940

looking like my God what is going on

572

00:26:34,669 --> 00:26:32,580

and they're very scared and one kid

573

00:26:35,630 --> 00:26:34,679

who's the younger of the two is like I'm

574

00:26:38,390 --> 00:26:35,640

getting out

575

00:26:39,470 --> 00:26:38,400

car it's over the top but stay in the

576

00:26:41,149 --> 00:26:39,480

car

577

00:26:42,769 --> 00:26:41,159

he goes now I'm getting out and he gets

578

00:26:46,789 --> 00:26:42,779

out

579

00:26:48,169 --> 00:26:46,799

and he videotapes

580

00:26:49,789 --> 00:26:48,179

a disc

581

00:26:50,930 --> 00:26:49,799

that was so low you could have hit it

582

00:26:53,570 --> 00:26:50,940

with a rock

583

00:26:55,970 --> 00:26:53,580

and I'm looking at this thing

584

00:26:58,370 --> 00:26:55,980

and I'm like

585

00:27:01,730 --> 00:26:58,380

that's what all the witnesses have tried

586

00:27:02,930 --> 00:27:01,740

to describe that's like if you could

587

00:27:05,750 --> 00:27:02,940

imagine

588

00:27:08,750 --> 00:27:05,760

the skin on The Craft

589

00:27:10,970 --> 00:27:08,760

glowing like phosphorus on a beach

590

00:27:14,269 --> 00:27:10,980

that's what it looked like like the skin

591

00:27:17,210 --> 00:27:14,279

was alive and it had like um like a

592

00:27:19,370 --> 00:27:17,220

yellowy orange color to it but you could

593

00:27:22,310 --> 00:27:19,380

clearly see it was a disc I mean it was

594

00:27:24,950 --> 00:27:22,320

not an orb it was a disc but the metal

595

00:27:28,490 --> 00:27:24,960

lit up like it was alive I I'd never see

596

00:27:31,010 --> 00:27:28,500

anything like it and it and it just

597

00:27:32,330 --> 00:27:31,020

wobbled like it was unstable like doing

598

00:27:36,350 --> 00:27:32,340

this

599

00:27:37,730 --> 00:27:36,360

and the camera guy goes oh my God and

600

00:27:40,909 --> 00:27:37,740

then something about the batteries and

601
00:27:44,029 --> 00:27:40,919
then boom it shuts off

602
00:27:45,649 --> 00:27:44,039
ah I looked over at Chuck Clark I said

603
00:27:46,970 --> 00:27:45,659
this is the video everyone's been

604
00:27:49,970 --> 00:27:46,980
waiting for

605
00:27:53,029 --> 00:27:49,980
I get a I get contacted a couple years

606
00:27:54,890 --> 00:27:53,039
ago by a by a guy who goes I saw that

607
00:27:57,409 --> 00:27:54,900
video too then another guy contacts me

608
00:27:58,970 --> 00:27:57,419
and he goes he goes I got I'm a private

609
00:28:00,710 --> 00:27:58,980
investigator I find people I said well

610
00:28:04,310 --> 00:28:00,720
his name's Chuck Clark

611
00:28:06,950 --> 00:28:04,320
go go to it until he finds them right at

612
00:28:09,769 --> 00:28:06,960
that time I'm going on the impulsive

613
00:28:11,450 --> 00:28:09,779

podcast with with Logan Paul

614

00:28:13,250 --> 00:28:11,460

and I tell Logan Paul the story and he

615

00:28:15,710 --> 00:28:13,260

has exactly the same response you have

616

00:28:17,510 --> 00:28:15,720

and I don't blame you okay I'm not here

617

00:28:18,890 --> 00:28:17,520

to convince anybody of anything I'm just

618

00:28:22,490 --> 00:28:18,900

telling you what I saw

619

00:28:25,490 --> 00:28:22,500

it was very impressive when I saw very

620

00:28:27,169 --> 00:28:25,500

impressive if it was a fake my God that

621

00:28:28,970 --> 00:28:27,179

was well done better I mean you should

622

00:28:31,370 --> 00:28:28,980

be making movies with Spielberg

623

00:28:33,289 --> 00:28:31,380

so anyway what is this challenge name

624

00:28:35,810 --> 00:28:33,299

who has this again Chuck Clark Chuck how

625

00:28:39,049 --> 00:28:35,820

are you doing look well let me finish

626
00:28:40,549 --> 00:28:39,059
so Logan Paul he's like I wanna I wanna

627
00:28:42,890 --> 00:28:40,559
go to this guy's house

628
00:28:44,870 --> 00:28:42,900
I said I got the guys got the

629
00:28:47,870 --> 00:28:44,880
information Logan's okay this is all

630
00:28:49,190 --> 00:28:47,880
behind the scenes so Logan

631
00:28:51,830 --> 00:28:49,200
Paul

632
00:28:53,029 --> 00:28:51,840
takes uh I put him in touch with this

633
00:28:54,830 --> 00:28:53,039
guy and this guy lives in the middle of

634
00:28:56,450 --> 00:28:54,840
nowhere I mean it was like Logan Paul

635
00:28:58,610 --> 00:28:56,460
takes a Mercedes with a bunch of guys

636
00:29:00,110 --> 00:28:58,620
and a hundred thousand dollars in cash a

637
00:29:02,870 --> 00:29:00,120
big brick

638
00:29:04,190 --> 00:29:02,880

and he goes out to this guy's house in

639

00:29:05,330 --> 00:29:04,200

the middle of the desert and Logan calls

640

00:29:07,010 --> 00:29:05,340

me in the middle of nowhere he's like

641

00:29:08,510 --> 00:29:07,020

are you sure your contact's legit dude

642

00:29:11,090 --> 00:29:08,520

my phone doesn't work I'm in the middle

643

00:29:13,490 --> 00:29:11,100

of nowhere I got 100K cash in my pocket

644

00:29:16,190 --> 00:29:13,500

and I can't find this guy I said no I'm

645

00:29:18,649 --> 00:29:16,200

sure he's good you know and uh

646

00:29:20,750 --> 00:29:18,659

so Logan goes in there and meets Chuck

647

00:29:21,950 --> 00:29:20,760

Clark and Chuck Clark's like yeah I got

648

00:29:23,930 --> 00:29:21,960

the tape right here

649

00:29:26,990 --> 00:29:23,940

and so he says I'll give you 100 grand

650

00:29:28,549 --> 00:29:27,000

for it and the guy says no way and so

651
00:29:31,190 --> 00:29:28,559

Logan Paul

652
00:29:35,450 --> 00:29:31,200

was the gonna reveal this for the first

653
00:29:39,409 --> 00:29:35,460

time Logan Paul has got a button camera

654
00:29:41,029 --> 00:29:39,419

on his on his dress on his clothes

655
00:29:43,130 --> 00:29:41,039

so Logan Paul's like all right well this

656
00:29:45,289 --> 00:29:43,140

guy doesn't want to you know he's gonna

657
00:29:47,510 --> 00:29:45,299

die with it so let's get you know let's

658
00:29:49,130 --> 00:29:47,520

get this thing on camera so Logan's like

659
00:29:51,049 --> 00:29:49,140

well let me see it at least

660
00:29:52,669 --> 00:29:51,059

so Logan like looks at it with this

661
00:29:54,649 --> 00:29:52,679

thing and oh could you show it to me

662
00:29:55,730 --> 00:29:54,659

again gets another angle gets another

663
00:30:01,250 --> 00:29:55,740

angle

664

00:30:08,090 --> 00:30:04,870

there you go guys Logan Paul

665

00:30:11,450 --> 00:30:08,100

basically stole the zfo video or

666

00:30:14,029 --> 00:30:11,460

recorded this UFO video in his in

667

00:30:16,010 --> 00:30:14,039

possession of it and um

668

00:30:17,750 --> 00:30:16,020

who knows what's going to happen is he

669

00:30:20,029 --> 00:30:17,760

going to release it uh we just don't

670

00:30:22,610 --> 00:30:20,039

know we don't know but this story blew

671

00:30:24,230 --> 00:30:22,620

up everyone was like oh my God come on

672

00:30:26,330 --> 00:30:24,240

Logan like tagging him on Twitter like

673

00:30:27,289 --> 00:30:26,340

you gotta you gotta release this come on

674

00:30:30,230 --> 00:30:27,299

man

675

00:30:34,610 --> 00:30:30,240

um so I don't know what's gonna happen

676

00:30:37,490 --> 00:30:34,620

um I texted James Fox yesterday and all

677

00:30:38,870 --> 00:30:37,500

he said is I don't have the video

678

00:30:41,450 --> 00:30:38,880

um and I was like do you think we'll

679

00:30:43,130 --> 00:30:41,460

ever see it and he said Logan Paul is

680

00:30:45,409 --> 00:30:43,140

going to release it

681

00:30:46,610 --> 00:30:45,419

um so that's what James Fox has to say

682

00:30:48,830 --> 00:30:46,620

about it um

683

00:30:52,070 --> 00:30:48,840

but I actually reached out to another

684

00:30:55,669 --> 00:30:52,080

person and that is Royce over at UFO

685

00:30:58,490 --> 00:30:55,679

Watchdog on Twitter at UFO Watchdog and

686

00:31:00,889 --> 00:30:58,500

he actually is connected to this entire

687

00:31:02,389 --> 00:31:00,899

thing and he did a Twitter space the

688

00:31:05,930 --> 00:31:02,399

other night kind of explaining his

689

00:31:08,149 --> 00:31:05,940

involvement with this and um and a lot

690

00:31:09,889 --> 00:31:08,159

of that and uh I wasn't able to catch it

691

00:31:12,769 --> 00:31:09,899

I don't know if any of you guys saw the

692

00:31:15,049 --> 00:31:12,779

Twitter space or excuse me listen to it

693

00:31:17,029 --> 00:31:15,059

um but I asked Royce like dude I'm gonna

694

00:31:18,950 --> 00:31:17,039

do a live stream tonight is and he's

695

00:31:19,909 --> 00:31:18,960

doing another one I believe tonight as

696

00:31:22,070 --> 00:31:19,919

well

697

00:31:23,570 --> 00:31:22,080

um having to do with this I was like can

698

00:31:25,789 --> 00:31:23,580

you what were some of the highlights

699

00:31:28,370 --> 00:31:25,799

from your Twitter space and he was so

700

00:31:30,590 --> 00:31:28,380

nice to send me these highlights um to

701
00:31:31,789 --> 00:31:30,600
read exclusively here on somewhere in

702
00:31:34,730 --> 00:31:31,799
the live stream so I'm gonna go ahead

703
00:31:37,789 --> 00:31:34,740
and read these to you so these come

704
00:31:40,250 --> 00:31:37,799
directly from Royce over at UFO watchdog

705
00:31:42,169 --> 00:31:40,260
I became aware of the tape late fall

706
00:31:44,870 --> 00:31:42,179
early winter after hearing about James

707
00:31:48,409 --> 00:31:44,880
Fox's account of the video

708
00:31:51,049 --> 00:31:48,419
I tracked Chuck Clark down and in March

709
00:31:53,750 --> 00:31:51,059
of 2020 I flew to see the tape it was a

710
00:31:56,389 --> 00:31:53,760
crazy trip Logan Paul met me on the

711
00:31:58,789 --> 00:31:56,399
ground we were introduced via James Fox

712
00:32:02,690 --> 00:31:58,799
I did not know much about him other than

713
00:32:04,909 --> 00:32:02,700

he was a famous YouTuber my mistake

714

00:32:07,370 --> 00:32:04,919

Logan was going to front the money to

715

00:32:09,590 --> 00:32:07,380

buy the tape

716

00:32:11,690 --> 00:32:09,600

Chuck was gracious enough to invite us

717

00:32:14,769 --> 00:32:11,700

into his home I've confirmed Logan

718

00:32:17,570 --> 00:32:14,779

claims to have Sarah typically

719

00:32:19,210 --> 00:32:17,580

Sarah I can't say that word you guys

720

00:32:21,889 --> 00:32:19,220

know the word

721

00:32:23,990 --> 00:32:21,899

surreptitiously recorded the video I

722

00:32:26,690 --> 00:32:24,000

only found out when Twitter blew up on

723

00:32:29,110 --> 00:32:26,700

Wednesday I called Chuck as soon as I

724

00:32:32,990 --> 00:32:29,120

confirmed it told him about Logan

725

00:32:34,789 --> 00:32:33,000

apologized to Infinity Chuck accepted my

726

00:32:37,190 --> 00:32:34,799

apology and knows I had nothing to do

727

00:32:40,430 --> 00:32:37,200

with it I'd never violate the sanctity

728

00:32:42,710 --> 00:32:40,440

of someone's home or burn a witness the

729

00:32:46,010 --> 00:32:42,720

tape is interesting and warrants

730

00:32:48,169 --> 00:32:46,020

examination is it the be-all end-all I

731

00:32:50,510 --> 00:32:48,179

don't think so is it worth investigating

732

00:32:52,730 --> 00:32:50,520

yes

733

00:32:55,190 --> 00:32:52,740

thank you Royce thank you for sending uh

734

00:32:56,269 --> 00:32:55,200

that our way here at somewhere in the

735

00:32:58,610 --> 00:32:56,279

live stream

736

00:33:01,070 --> 00:32:58,620

um it's an interesting story guys I hope

737

00:33:04,070 --> 00:33:01,080

maybe someday we'll see the actual video

738

00:33:06,409 --> 00:33:04,080

the images you see there are screenshots

739

00:33:09,769 --> 00:33:06,419

from the VHS

740

00:33:13,370 --> 00:33:09,779

um so surreptitiously thank you Ira

741

00:33:18,409 --> 00:33:16,009

oh man you think I had like 10 of these

742

00:33:19,909 --> 00:33:18,419

beers already right

743

00:33:21,649 --> 00:33:19,919

um

744

00:33:22,430 --> 00:33:21,659

delish

745

00:33:25,190 --> 00:33:22,440

um

746

00:33:27,529 --> 00:33:25,200

so yeah evolving story we'll see what

747

00:33:29,930 --> 00:33:27,539

happens never in my life did I think

748

00:33:33,169 --> 00:33:29,940

that Logan Paul would get caught up in

749

00:33:36,889 --> 00:33:33,179

the UFO World um I'm a huge WWE Fan so

750

00:33:40,250 --> 00:33:36,899

when he started stepping on my WWE now

751

00:33:42,470 --> 00:33:40,260

he's stepping on my UFOs

752

00:33:44,570 --> 00:33:42,480

um we got a problem so I'm calling you

753

00:33:46,909 --> 00:33:44,580

out Logan Paul I'm just kidding dude

754

00:33:49,130 --> 00:33:46,919

could totally kick my ass

755

00:33:52,070 --> 00:33:49,140

um but I do think you know the whole

756

00:33:53,690 --> 00:33:52,080

secret camera thing was super shitty

757

00:33:56,509 --> 00:33:53,700

um I'm just gonna say it what a dick

758

00:33:59,750 --> 00:33:56,519

move Logan Paul um it actually doesn't

759

00:34:02,509 --> 00:33:59,760

surprise me to be completely honest

760

00:34:04,730 --> 00:34:02,519

um so as much as I do want to see the

761

00:34:06,470 --> 00:34:04,740

video I want to see the actual video I

762

00:34:09,889 --> 00:34:06,480

want Chuck Clark to get it out there

763

00:34:11,690 --> 00:34:09,899

Whoever has the actual video

764

00:34:14,629 --> 00:34:11,700

um I don't want to see some

765

00:34:17,210 --> 00:34:14,639

like shitty ass version that Logan Paul

766

00:34:19,669 --> 00:34:17,220

used a secret camera to get and lied to

767

00:34:23,149 --> 00:34:19,679

this guy um that deception and

768

00:34:25,010 --> 00:34:23,159

manipulation is just uncalled for so

769

00:34:27,889 --> 00:34:25,020

um yeah

770

00:34:30,470 --> 00:34:27,899

um screw you Logan Paul like up ears

771

00:34:32,270 --> 00:34:30,480

dude I'm just gonna say it right here

772

00:34:33,829 --> 00:34:32,280

um as much as

773

00:34:36,649 --> 00:34:33,839

um I might get some traction on this

774

00:34:39,230 --> 00:34:36,659

video for having your name in the title

775

00:34:41,570 --> 00:34:39,240

um I'm gonna use that against you

776

00:34:45,109 --> 00:34:41,580

you

777

00:34:51,889 --> 00:34:48,470

our next story guys this is gonna be

778

00:34:55,550 --> 00:34:51,899

really cool strange green light from

779

00:34:57,950 --> 00:34:55,560

space spotted over Japan and it's not a

780

00:35:01,730 --> 00:34:57,960

meteor this is this is interesting this

781

00:35:04,250 --> 00:35:01,740

is interesting so on September 16 2002

782

00:35:06,589 --> 00:35:04,260

um daichi Fuji an astronomer in Japan

783

00:35:09,650 --> 00:35:06,599

had motion cameras operating near Mount

784

00:35:11,810 --> 00:35:09,660

Fuji to monitor the moon he managed to

785

00:35:13,730 --> 00:35:11,820

capture what he first believed to have

786

00:35:16,069 --> 00:35:13,740

been a meteor smashing into the lunar

787

00:35:18,230 --> 00:35:16,079

surface but he noticed something on

788

00:35:20,510 --> 00:35:18,240

playback about this strange green streak

789

00:35:22,490 --> 00:35:20,520

that he captured there was a small Green

790

00:35:24,890 --> 00:35:22,500

Dot as well

791

00:35:27,770 --> 00:35:24,900

um so I'm going to go ahead and play the

792

00:35:29,630 --> 00:35:27,780

video that was captured of this and um

793

00:35:52,730 --> 00:35:29,640

continue with the story after that this

794

00:35:56,510 --> 00:35:55,910

yeah so there you go there you go guys

795

00:35:58,790 --> 00:35:56,520

um

796

00:36:01,069 --> 00:35:58,800

Doug Sprague says watch your mouth young

797

00:36:03,349 --> 00:36:01,079

man sorry dude

798

00:36:05,450 --> 00:36:03,359

uh I'm sorry I just I think it's so

799

00:36:06,650 --> 00:36:05,460

shitty what he did

800

00:36:08,690 --> 00:36:06,660

um I'm probably gonna get this video

801
00:36:11,089 --> 00:36:08,700
demonetized whatever

802
00:36:14,630 --> 00:36:11,099
I'm over it I'm just angry that he's

803
00:36:17,990 --> 00:36:15,890
um jail and Heineken I wonder what

804
00:36:19,970 --> 00:36:18,000
Ryan's finishing move would be in WWE

805
00:36:22,849 --> 00:36:19,980
good question

806
00:36:24,650 --> 00:36:22,859
um it'd probably I Jeff said you could

807
00:36:26,630 --> 00:36:24,660
just whisper sweet nothing's in his ear

808
00:36:28,550 --> 00:36:26,640
and put him to sleep that's true that'd

809
00:36:30,770 --> 00:36:28,560
be my finisher move I just bore him to

810
00:36:32,750 --> 00:36:30,780
sleep

811
00:36:36,290 --> 00:36:32,760
just throw an episode of somewhere in

812
00:36:37,250 --> 00:36:36,300
the skies in his headphones that'll work

813
00:36:39,829 --> 00:36:37,260

um

814

00:36:43,010 --> 00:36:39,839

anyways let's get back to this story I'm

815

00:36:45,109 --> 00:36:43,020

moving on from Logan Paul I'm over it

816

00:36:47,510 --> 00:36:45,119

um so

817

00:36:49,970 --> 00:36:47,520

uh dutchie Fuji's initial thought was

818

00:36:51,710 --> 00:36:49,980

possibly that this was a satellite which

819

00:36:54,230 --> 00:36:51,720

could be easily correlated checking with

820

00:36:56,150 --> 00:36:54,240

NASA satellite data Fuji searched for

821

00:36:58,550 --> 00:36:56,160

any possible matches with objects being

822

00:37:00,170 --> 00:36:58,560

tracked in its orbit eventually his

823

00:37:04,490 --> 00:37:00,180

search brought him to information on the

824

00:37:07,849 --> 00:37:04,500

position of the I ice set to satellite

825

00:37:11,810 --> 00:37:07,859

and this is when he found his match

826

00:37:15,170 --> 00:37:11,820

so as much as you know we we

827

00:37:15,890 --> 00:37:15,180

thought maybe this could be an anomaly

828

00:37:17,870 --> 00:37:15,900

um

829

00:37:20,210 --> 00:37:17,880

they were able to figure out that it

830

00:37:22,849 --> 00:37:20,220

came from a satellite so I'm going to go

831

00:37:24,890 --> 00:37:22,859

ahead and talk about this

832

00:37:27,050 --> 00:37:24,900

um as part of NASA's Earth observing

833

00:37:28,609 --> 00:37:27,060

system I set two's main job involves

834

00:37:30,650 --> 00:37:28,619

taking measurements of the thickness of

835

00:37:32,930 --> 00:37:30,660

sea ice as well as ice sheet of

836

00:37:34,609 --> 00:37:32,940

elevation and a range of topographical

837

00:37:38,390 --> 00:37:34,619

features as well as cloud formations

838

00:37:40,550 --> 00:37:38,400

from its position in orbit

839

00:37:42,230 --> 00:37:40,560

um from a site around 308 miles the

840

00:37:44,750 --> 00:37:42,240

satellite's near polar Orbit on

841

00:37:47,270 --> 00:37:44,760

September 16th brought it directly over

842

00:37:49,130 --> 00:37:47,280

Mount Fuji meaning that it had been the

843

00:37:51,170 --> 00:37:49,140

likely culprit behind the phenomenon in

844

00:37:53,210 --> 00:37:51,180

the footage Fuji recovered especially

845

00:37:55,550 --> 00:37:53,220

since ice tattoo actually does beam

846

00:37:56,630 --> 00:37:55,560

lasers towards Earth as it passes

847

00:37:58,970 --> 00:37:56,640

overhead

848

00:38:00,349 --> 00:37:58,980

there we go in Fuji's case his cameras

849

00:38:02,450 --> 00:38:00,359

not only happen to be in a perfect

850

00:38:04,010 --> 00:38:02,460

position as the satellite passed

851
00:38:06,109 --> 00:38:04,020
overhead but the right amount of cloud

852
00:38:08,450 --> 00:38:06,119
coverage existed to allow the laser to

853
00:38:09,890 --> 00:38:08,460
scatter similar to shining the beam of a

854
00:38:12,109 --> 00:38:09,900
powerful flashlight through smoke

855
00:38:13,910 --> 00:38:12,119
fortunately the cloud coverage was also

856
00:38:16,550 --> 00:38:13,920
moderate enough that it didn't block the

857
00:38:18,710 --> 00:38:16,560
lasers from view altogether seeing the

858
00:38:21,109 --> 00:38:18,720
laser obviously isn't easy and requires

859
00:38:23,950 --> 00:38:21,119
an age-old formula being in the exact

860
00:38:26,270 --> 00:38:23,960
right place at the exact right time

861
00:38:27,650 --> 00:38:26,280
fortunately Fuji seems to have had them

862
00:38:29,510 --> 00:38:27,660
which allowed the source behind the

863
00:38:32,150 --> 00:38:29,520

mysterious green flashes he captured on

864

00:38:34,490 --> 00:38:32,160

film to be reconciled with the isatu

865

00:38:37,130 --> 00:38:34,500

data available marking a successful

866

00:38:39,890 --> 00:38:37,140

resolution to a mystery with help from

867

00:38:42,770 --> 00:38:39,900

NASA's satellite data

868

00:38:45,829 --> 00:38:42,780

um I know you know this has kind of a

869

00:38:48,349 --> 00:38:45,839

deflating resolution guys but the reason

870

00:38:49,790 --> 00:38:48,359

the reason I wanted to cover this story

871

00:38:50,750 --> 00:38:49,800

is because

872

00:38:52,310 --> 00:38:50,760

um

873

00:38:54,530 --> 00:38:52,320

NASA

874

00:38:57,290 --> 00:38:54,540

within the next few months we're going

875

00:39:00,650 --> 00:38:57,300

to be getting the results of NASA's UAP

876

00:39:02,690 --> 00:39:00,660

study and this is exactly the kind of

877

00:39:04,730 --> 00:39:02,700

stuff that they're going to be looking

878

00:39:07,670 --> 00:39:04,740

at in fact I wouldn't be surprised if

879

00:39:09,950 --> 00:39:07,680

this this instant incident is actually

880

00:39:12,109 --> 00:39:09,960

within their study

881

00:39:13,250 --> 00:39:12,119

um they're looking at things in outer

882

00:39:15,230 --> 00:39:13,260

space

883

00:39:18,290 --> 00:39:15,240

um or the outer atmosphere of the earth

884

00:39:20,870 --> 00:39:18,300

anomalies this was an anomaly it was

885

00:39:22,609 --> 00:39:20,880

resolved they figured out what it was

886

00:39:24,589 --> 00:39:22,619

um so this is cool I think this is

887

00:39:26,210 --> 00:39:24,599

exciting this is the kind of work we

888

00:39:27,589 --> 00:39:26,220

need NASA to be doing looking at space

889

00:39:29,390 --> 00:39:27,599

anomalies

890

00:39:31,550 --> 00:39:29,400

um so the fact that they were able to

891

00:39:33,349 --> 00:39:31,560

explain this um there we go now if we

892

00:39:34,370 --> 00:39:33,359

ever capture this again we know what it

893

00:39:36,589 --> 00:39:34,380

was

894

00:39:38,569 --> 00:39:36,599

um to an extent to an extent so yeah I

895

00:39:40,970 --> 00:39:38,579

thought that was a pretty cool story to

896

00:39:44,030 --> 00:39:40,980

bring forward to you guys

897

00:39:48,050 --> 00:39:46,670

I'm going to go back to the chat here

898

00:39:49,849 --> 00:39:48,060

everyone's still talking about Logan

899

00:39:50,750 --> 00:39:49,859

Paul sorry guys I got a little heated

900

00:39:52,430 --> 00:39:50,760

there

901
00:39:54,290 --> 00:39:52,440
I'm sorry it would be unidentified

902
00:39:56,089 --> 00:39:54,300
aerial phenomena Ryan would stand atop

903
00:39:57,770 --> 00:39:56,099
the top turnbuckle and he would throw

904
00:40:00,890 --> 00:39:57,780
his opponent in the air in a rotating

905
00:40:03,890 --> 00:40:00,900
helicopter formation guys there's like

906
00:40:06,349 --> 00:40:03,900
finishing moves in WWE uh

907
00:40:10,490 --> 00:40:06,359
cool video says Jake Boss agreed I

908
00:40:14,569 --> 00:40:12,170
um let's see

909
00:40:18,349 --> 00:40:14,579
the Ved if you think NASA lies through

910
00:40:21,710 --> 00:40:18,359
any available orifice I wonder if it's a

911
00:40:23,990 --> 00:40:21,720
borg warp conduit it could be dalen very

912
00:40:25,849 --> 00:40:24,000
well could be

913
00:40:27,829 --> 00:40:25,859

um awesome awesome all right guys let's

914

00:40:30,290 --> 00:40:27,839

move on to our next story oh Robert

915

00:40:33,170 --> 00:40:30,300

thank you thank you so much buddy for

916

00:40:35,810 --> 00:40:33,180

the 20 Super Chat for another great show

917

00:40:37,550 --> 00:40:35,820

I truly appreciate that man

918

00:40:39,050 --> 00:40:37,560

um truly truly appreciate all of that

919

00:40:41,089 --> 00:40:39,060

guys

920

00:40:42,650 --> 00:40:41,099

um yeah if you're just joining us this

921

00:40:45,530 --> 00:40:42,660

is somewhere in the live stream a live

922

00:40:48,290 --> 00:40:45,540

stream we do every Sunday here on the

923

00:40:50,930 --> 00:40:48,300

summer in the skies YouTube channel uh

924

00:40:52,849 --> 00:40:50,940

this will come out in podcast form as

925

00:40:55,190 --> 00:40:52,859

well on the summer in the skies podcast

926

00:40:58,190 --> 00:40:55,200

usually comes out on Wednesdays a couple

927

00:41:00,050 --> 00:40:58,200

days after the podcast drops um so if

928

00:41:02,569 --> 00:41:00,060

you are listening to this and you want

929

00:41:04,790 --> 00:41:02,579

visual aids uh head on over to YouTube

930

00:41:07,130 --> 00:41:04,800

watch the YouTube version I got good

931

00:41:08,930 --> 00:41:07,140

nice slideshow I put together every week

932

00:41:10,190 --> 00:41:08,940

for you guys that takes me forever to

933

00:41:12,589 --> 00:41:10,200

make

934

00:41:14,569 --> 00:41:12,599

um but I like to have visual aids I know

935

00:41:16,790 --> 00:41:14,579

that's how I learn and comprehend things

936

00:41:18,109 --> 00:41:16,800

best so yeah

937

00:41:21,290 --> 00:41:18,119

um

938

00:41:23,390 --> 00:41:21,300

let's move to our next story what do we

939

00:41:25,250 --> 00:41:23,400

got here

940

00:41:28,490 --> 00:41:25,260

oh this is cool

941

00:41:31,970 --> 00:41:28,500

Irish astronomers UFO Theory supported

942

00:41:32,990 --> 00:41:31,980

by new Pentagon Harvard paper

943

00:41:36,349 --> 00:41:33,000

so

944

00:41:39,170 --> 00:41:36,359

Irish astronomer Dr Ayman ansbro from

945

00:41:40,490 --> 00:41:39,180

County from the county of Roscommon told

946

00:41:42,650 --> 00:41:40,500

a search for extraterrestrial

947

00:41:45,650 --> 00:41:42,660

intelligence conference in California

948

00:41:48,770 --> 00:41:45,660

back in 2001 that Earth could possibly

949

00:41:53,089 --> 00:41:48,780

be under surveillance from Aliens

950

00:41:55,430 --> 00:41:53,099

so I'm sure that went over swimmingly

951
00:41:57,589 --> 00:41:55,440
um he said he was ostracized there you

952
00:42:00,650 --> 00:41:57,599
go by his colleagues after presenting

953
00:42:04,010 --> 00:42:00,660
his theory however pentagon-led office

954
00:42:05,930 --> 00:42:04,020
Arrow the director Dr Sean Kirkpatrick

955
00:42:08,870 --> 00:42:05,940
and Harvard professor and Creator

956
00:42:10,849 --> 00:42:08,880
creator of the Galileo project Avi Loeb

957
00:42:13,849 --> 00:42:10,859
have recently released a paper stating

958
00:42:16,790 --> 00:42:13,859
that UFOs may be small probes visiting

959
00:42:19,370 --> 00:42:16,800
planets in the solar system after being

960
00:42:21,349 --> 00:42:19,380
released from a larger vehicle in the

961
00:42:24,050 --> 00:42:21,359
paper Kirkpatrick said it is possible

962
00:42:27,890 --> 00:42:24,060
that UFOs may be on a similar mission to

963
00:42:30,829 --> 00:42:27,900

those NASA conducts on other planets

964

00:42:34,130 --> 00:42:30,839

um so there was a video put out by The

965

00:42:36,770 --> 00:42:34,140

Independent in Ireland interviewing

966

00:42:38,810 --> 00:42:36,780

um Dr Ammon asbro so I'm going to go

967

00:42:41,390 --> 00:42:38,820

ahead and play that for you guys now

968

00:42:43,069 --> 00:42:41,400

it's it's a really cool video

969

00:42:45,410 --> 00:42:43,079

um and then we'll finish this story on

970

00:42:48,470 --> 00:42:45,420

the other side I really like this one

971

00:42:50,569 --> 00:42:48,480

what surprised me was you know as if

972

00:42:53,690 --> 00:42:50,579

this was a new discovery

973

00:42:57,829 --> 00:42:53,700

we can actually demonstrate now a theory

974

00:43:00,109 --> 00:42:57,839

which shows that UFOs are on specific

975

00:43:01,550 --> 00:43:00,119

orbital tracks around the earth this is

976
00:43:04,130 --> 00:43:01,560
very similar to what's just happened now

977
00:43:08,150 --> 00:43:04,140
in the last few weeks by the department

978
00:43:10,069 --> 00:43:08,160
of uh of Defense in the U.S papers just

979
00:43:12,050 --> 00:43:10,079
come out with Professor Avi Loeb to show

980
00:43:14,450 --> 00:43:12,060
that that we have

981
00:43:17,870 --> 00:43:14,460
some sort of Super Craft in the solar

982
00:43:20,569 --> 00:43:17,880
system that's able to deliver probes how

983
00:43:24,950 --> 00:43:20,579
long ago did you first say that

984
00:43:28,450 --> 00:43:24,960
oh well 30 years ago I think

985
00:43:31,970 --> 00:43:28,460
back in the mid 90s we discovered that

986
00:43:36,230 --> 00:43:31,980
through patterns and cycles of UFOs that

987
00:43:38,750 --> 00:43:36,240
we could demonstrate a new model to show

988
00:43:40,970 --> 00:43:38,760

that there was a controlled autonomous

989

00:43:43,309 --> 00:43:40,980

surveillance off the Earth so what we

990

00:43:46,609 --> 00:43:43,319

discovered was that um

991

00:43:48,349 --> 00:43:46,619

they're actually using 660 orbital

992

00:43:51,290 --> 00:43:48,359

tracks around the earth these are not

993

00:43:54,410 --> 00:43:51,300

artificial satellite tracks these

994

00:43:56,930 --> 00:43:54,420

orbital tracks are totally programmed to

995

00:43:58,130 --> 00:43:56,940

be in synchronization with the rotation

996

00:44:00,710 --> 00:43:58,140

of the Earth

997

00:44:04,010 --> 00:44:00,720

it was all theoretical at the time based

998

00:44:05,630 --> 00:44:04,020

on originally 30 000 reports uh

999

00:44:08,930 --> 00:44:05,640

worldwide we got

1000

00:44:11,210 --> 00:44:08,940

from the US France and the UK and then

1001
00:44:13,130 --> 00:44:11,220
we whittled it down to about 1 300

1002
00:44:15,349 --> 00:44:13,140
Reliable Reports these would be multiply

1003
00:44:20,990 --> 00:44:15,359
witnessed or people who had taken

1004
00:44:29,210 --> 00:44:23,569
description of what was recorded here

1005
00:44:31,609 --> 00:44:29,220
okay well this was in 97 five of us were

1006
00:44:35,150 --> 00:44:31,619
here hoping that there might be an event

1007
00:44:36,589 --> 00:44:35,160
occurring based on our Theory one of us

1008
00:44:38,510 --> 00:44:36,599
got a recording

1009
00:44:41,569 --> 00:44:38,520
of this construct

1010
00:44:44,750 --> 00:44:41,579
just beyond the castle here there have

1011
00:44:45,710 --> 00:44:44,760
been many cases here in lock key

1012
00:44:48,890 --> 00:44:45,720
um

1013
00:44:53,089 --> 00:44:48,900

but I felt that was one of the best ones

1014

00:44:54,730 --> 00:44:53,099

and one of the co-founders of iser which

1015

00:44:56,930 --> 00:44:54,740

is the International Coalition for

1016

00:44:59,809 --> 00:44:56,940

extraterrestrial research made up of 13

1017

00:45:02,030 --> 00:44:59,819

countries because we want to get it

1018

00:45:04,609 --> 00:45:02,040

through to government officials it's not

1019

00:45:06,770 --> 00:45:04,619

only real we're dealing with not a

1020

00:45:09,050 --> 00:45:06,780

phenomena anymore not a big joke for the

1021

00:45:11,210 --> 00:45:09,060

last 75 years we're dealing with an

1022

00:45:14,089 --> 00:45:11,220

intelligence that's been here

1023

00:45:18,589 --> 00:45:14,099

before I suspect before we were even

1024

00:45:25,370 --> 00:45:22,309

yeah pretty cool way to go Eamon Zex

1025

00:45:27,890 --> 00:45:25,380

gold the Mandalorian says uh reposts

1026

00:45:30,589 --> 00:45:27,900

here oh I show up right at a part in

1027

00:45:31,550 --> 00:45:30,599

Ireland home turf Advantage hell yeah

1028

00:45:33,530 --> 00:45:31,560

man

1029

00:45:35,930 --> 00:45:33,540

go Ireland I still got to make it over

1030

00:45:38,809 --> 00:45:35,940

there man I'm like a not even a hop skip

1031

00:45:40,430 --> 00:45:38,819

and a jump I'm a I'm a hop away

1032

00:45:42,650 --> 00:45:40,440

um so hoping to get over there soon I

1033

00:45:44,569 --> 00:45:42,660

want to visit the Dublin Earth I want to

1034

00:45:48,230 --> 00:45:44,579

visit Dublin to go to the Guinness

1035

00:45:50,690 --> 00:45:48,240

Factory it's definitely a a one of those

1036

00:45:52,970 --> 00:45:50,700

um what they call it bucket lists for me

1037

00:45:55,609 --> 00:45:52,980

um along with Stonehenge which I did and

1038

00:45:57,410 --> 00:45:55,619

Loch Ness which I did the next one is

1039

00:45:58,790 --> 00:45:57,420

definitely definitely the Guinness

1040

00:46:02,510 --> 00:45:58,800

Factory

1041

00:46:04,250 --> 00:46:02,520

um so yeah yeah this was a cool story

1042

00:46:07,790 --> 00:46:04,260

um I really liked it fair play to him

1043

00:46:09,589 --> 00:46:07,800

repost says um Robert says hello I've

1044

00:46:11,210 --> 00:46:09,599

been saying this for years high-speed

1045

00:46:13,550 --> 00:46:11,220

ships are probes slower ones have

1046

00:46:16,430 --> 00:46:13,560

biological entities on board

1047

00:46:19,730 --> 00:46:16,440

um that's a good point if we are dealing

1048

00:46:21,710 --> 00:46:19,740

with ET craft of any kind whether it's

1049

00:46:24,650 --> 00:46:21,720

um you know artificial intelligence

1050

00:46:27,530 --> 00:46:24,660

probes or literally a ship with

1051
00:46:29,630 --> 00:46:27,540
occupants in it um you know the the

1052
00:46:33,170 --> 00:46:29,640
smaller ones you know maybe these Tic

1053
00:46:37,010 --> 00:46:33,180
Tacs as it were if that were to be ET or

1054
00:46:39,470 --> 00:46:37,020
extraterrestrial or non-human I guess

1055
00:46:40,609 --> 00:46:39,480
um that yeah yeah the the more higher

1056
00:46:42,530 --> 00:46:40,619
speed ones that can make these

1057
00:46:44,870 --> 00:46:42,540
unbelievable Maneuvers defy physics

1058
00:46:46,550 --> 00:46:44,880
could be some kind of probe whereas you

1059
00:46:49,069 --> 00:46:46,560
know kind of the the motherships or the

1060
00:46:51,410 --> 00:46:49,079
big ones the slow ones could be actual

1061
00:46:53,569 --> 00:46:51,420
occupants in it kind of like with us you

1062
00:46:56,510 --> 00:46:53,579
know we we don't put humans in things

1063
00:46:59,450 --> 00:46:56,520

that can go too fast to withstand that

1064

00:47:01,490 --> 00:46:59,460

kind of pressure and uh inertia and all

1065

00:47:03,890 --> 00:47:01,500

that so um yeah yeah I think it's is

1066

00:47:05,690 --> 00:47:03,900

just as good a theory is is any robber

1067

00:47:06,829 --> 00:47:05,700

for sure

1068

00:47:09,410 --> 00:47:06,839

um

1069

00:47:12,109 --> 00:47:09,420

about a Hendrix 103 watching only 48

1070

00:47:14,210 --> 00:47:12,119

likes come on he's right guys please

1071

00:47:15,710 --> 00:47:14,220

smash that like button below I don't do

1072

00:47:18,170 --> 00:47:15,720

that enough thank God for people like

1073

00:47:20,990 --> 00:47:18,180

metal Hendrix and you guys reminding me

1074

00:47:23,470 --> 00:47:21,000

to do that please like the video if you

1075

00:47:27,230 --> 00:47:23,480

like it um subscribe if you haven't

1076
00:47:28,670 --> 00:47:27,240
already truly truly appreciate it Jalen

1077
00:47:30,829 --> 00:47:28,680
Heineken says I think my apartment in

1078
00:47:32,690 --> 00:47:30,839
Dublin when I lived there was haunted it

1079
00:47:36,290 --> 00:47:32,700
was in one of the old Georgian houses

1080
00:47:38,809 --> 00:47:36,300
ooh that's really cool j Allen Heineken

1081
00:47:41,450 --> 00:47:38,819
um God everything's haunted in Ireland

1082
00:47:43,790 --> 00:47:41,460
in Scotland at least that's what I've

1083
00:47:44,990 --> 00:47:43,800
been told pretty sure this apartment is

1084
00:47:47,270 --> 00:47:45,000
haunted

1085
00:47:48,470 --> 00:47:47,280
I'll go into that in a future live

1086
00:47:49,910 --> 00:47:48,480
stream

1087
00:47:54,230 --> 00:47:49,920
I don't want to talk about it now I'm

1088
00:47:59,089 --> 00:47:55,910

next story

1089

00:48:01,430 --> 00:47:59,099

here we go let's do this

1090

00:48:02,390 --> 00:48:01,440

Daniel Sheehan freaking love that dude's

1091

00:48:03,829 --> 00:48:02,400

hair

1092

00:48:05,990 --> 00:48:03,839

he's a cool guy

1093

00:48:08,589 --> 00:48:06,000

six whistleblowers report to Congress

1094

00:48:12,190 --> 00:48:08,599

members that they worked on Military

1095

00:48:15,349 --> 00:48:12,200

UFO programs retrieving and analyzing

1096

00:48:18,950 --> 00:48:15,359

crash materials

1097

00:48:21,170 --> 00:48:18,960

whoo this is a big one guys this is a

1098

00:48:23,750 --> 00:48:21,180

big one Daniel Sheehan an attorney

1099

00:48:26,450 --> 00:48:23,760

political activist and UFO personality

1100

00:48:28,490 --> 00:48:26,460

said he is in contact with at least six

1101
00:48:31,609 --> 00:48:28,500
former government officials or military

1102
00:48:35,390 --> 00:48:31,619
contractors who say they worked on

1103
00:48:38,630 --> 00:48:35,400
Military UFO recovery programs

1104
00:48:40,849 --> 00:48:38,640
Sheehan represents Lou Elizondo does

1105
00:48:43,250 --> 00:48:40,859
that name sound familiar he is also

1106
00:48:46,849 --> 00:48:43,260
launching a watchdog charity pushing for

1107
00:48:50,270 --> 00:48:46,859
greater government transparency on UFOs

1108
00:48:52,609 --> 00:48:50,280
what is that Watchdog charity

1109
00:48:55,309 --> 00:48:52,619
what is that someone put it in the

1110
00:48:57,410 --> 00:48:55,319
comments uh she had said that quote some

1111
00:48:59,809 --> 00:48:57,420
of these half dozen whistleblowers

1112
00:49:02,210 --> 00:48:59,819
briefed the staff of Senate committees

1113
00:49:06,349 --> 00:49:02,220

dealing with Military Intelligence even

1114

00:49:08,450 --> 00:49:06,359

before the ndaa passed which was The

1115

00:49:10,970 --> 00:49:08,460

Whistleblower legislation for those of

1116

00:49:11,569 --> 00:49:10,980

you who may not have known that

1117

00:49:13,550 --> 00:49:11,579

um

1118

00:49:16,069 --> 00:49:13,560

and may have even been the inspiration

1119

00:49:19,010 --> 00:49:16,079

for senators to include the reverse

1120

00:49:21,770 --> 00:49:19,020

engineering language in that law that

1121

00:49:23,390 --> 00:49:21,780

whists of lower law uh Sheehan says

1122

00:49:25,130 --> 00:49:23,400

quote there are half a dozen of them

1123

00:49:26,990 --> 00:49:25,140

that have already gone and talked to

1124

00:49:29,390 --> 00:49:27,000

them the Senate staff people were

1125

00:49:31,550 --> 00:49:29,400

reaching out to some others

1126
00:49:33,829 --> 00:49:31,560
Sheehan says Witnesses who allegedly

1127
00:49:36,650 --> 00:49:33,839
know about Roswell style programs

1128
00:49:39,410 --> 00:49:36,660
including a former Defense intelligence

1129
00:49:41,150 --> 00:49:39,420
agency director have been referred for

1130
00:49:43,790 --> 00:49:41,160
interviews with the pentagon's UFO

1131
00:49:46,609 --> 00:49:43,800
office Arrow

1132
00:49:49,550 --> 00:49:46,619
immunologist and Nobel Prize nominee Dr

1133
00:49:51,950 --> 00:49:49,560
Gary Nolan was commissioned by the CAA

1134
00:49:55,309 --> 00:49:51,960
to investigate cases of the mysterious

1135
00:49:58,250 --> 00:49:55,319
Havana syndrome and he is conductive

1136
00:50:02,210 --> 00:49:58,260
experiments analyzing material allegedly

1137
00:50:04,430 --> 00:50:02,220
jettisoned in UFO flyovers

1138
00:50:06,890 --> 00:50:04,440

he claims to be in contact with several

1139

00:50:09,410 --> 00:50:06,900

former staffers of UFO reverse

1140

00:50:11,809 --> 00:50:09,420

engineering programs as well and that

1141

00:50:14,569 --> 00:50:11,819

they will be coming forward in the next

1142

00:50:18,349 --> 00:50:14,579

six months or so

1143

00:50:21,829 --> 00:50:18,359

so a lot to dissect here

1144

00:50:24,470 --> 00:50:21,839

um a lot of claims a lot of he said she

1145

00:50:26,030 --> 00:50:24,480

said I know of this I don't have proof

1146

00:50:27,470 --> 00:50:26,040

sort of things

1147

00:50:30,230 --> 00:50:27,480

um so this is going to be a wait and see

1148

00:50:31,430 --> 00:50:30,240

guys gonna be wait and see Gary Nolan

1149

00:50:33,950 --> 00:50:31,440

says these people are going to be coming

1150

00:50:36,950 --> 00:50:33,960

forward in the next six months or so

1151

00:50:40,190 --> 00:50:36,960

um so let's just see how it plays out

1152

00:50:41,750 --> 00:50:40,200

you know I believe that's all we could

1153

00:50:44,870 --> 00:50:41,760

do right

1154

00:50:47,210 --> 00:50:44,880

um I find this interesting

1155

00:50:49,790 --> 00:50:47,220

um and probably not by happenstance that

1156

00:50:53,030 --> 00:50:49,800

this story was dropped over at the Daily

1157

00:50:54,230 --> 00:50:53,040

Mail I think of all places of course of

1158

00:50:56,390 --> 00:50:54,240

course

1159

00:50:57,950 --> 00:50:56,400

um you know right after the Senate UAP

1160

00:51:00,470 --> 00:50:57,960

hearing so

1161

00:51:02,030 --> 00:51:00,480

we have this really

1162

00:51:04,990 --> 00:51:02,040

um

1163

00:51:06,890 --> 00:51:05,000

sharp delineation

1164

00:51:08,870 --> 00:51:06,900

juxtaposition I don't know the right

1165

00:51:10,849 --> 00:51:08,880

term to use for this

1166

00:51:13,549 --> 00:51:10,859

um where we're hearing one thing from Dr

1167

00:51:15,890 --> 00:51:13,559

Sean Kirkpatrick in Arrow and then we're

1168

00:51:17,030 --> 00:51:15,900

hearing other things from journalists

1169

00:51:19,069 --> 00:51:17,040

from

1170

00:51:22,970 --> 00:51:19,079

um you know people who claim to be in

1171

00:51:25,549 --> 00:51:22,980

the know who have sources sources

1172

00:51:28,130 --> 00:51:25,559

um claiming that all of these people who

1173

00:51:30,410 --> 00:51:28,140

have worked on UFO retrieval programs or

1174

00:51:32,390 --> 00:51:30,420

reverse engineering programs have gone

1175

00:51:34,250 --> 00:51:32,400

and testified with arrow and that um

1176

00:51:35,630 --> 00:51:34,260

they're gonna be talking about it or

1177

00:51:36,349 --> 00:51:35,640

coming forward

1178

00:51:38,990 --> 00:51:36,359

um

1179

00:51:40,490 --> 00:51:39,000

and they're you know a lot of people

1180

00:51:41,750 --> 00:51:40,500

were like oh hopefully we're going to

1181

00:51:45,309 --> 00:51:41,760

hear about some of that at the Senate

1182

00:51:48,530 --> 00:51:45,319

UAP hearing we heard nothing like that

1183

00:51:51,589 --> 00:51:48,540

absolutely nothing

1184

00:51:53,089 --> 00:51:51,599

um so what's going on here you know we

1185

00:51:54,309 --> 00:51:53,099

got all these people saying that we're

1186

00:51:56,690 --> 00:51:54,319

supposed to get all this like

1187

00:51:58,730 --> 00:51:56,700

earth-shattering disclosure coming soon

1188

00:52:00,770 --> 00:51:58,740

it's always right around the corner but

1189

00:52:04,790 --> 00:52:00,780

then you have Arrow saying none of this

1190

00:52:08,329 --> 00:52:04,800

is ET that we know of that we know of

1191

00:52:10,370 --> 00:52:08,339

um and none of it uh is immediately

1192

00:52:11,930 --> 00:52:10,380

posing a threat but we got to keep an

1193

00:52:13,849 --> 00:52:11,940

eye out for that

1194

00:52:15,410 --> 00:52:13,859

um I don't know I don't know it's

1195

00:52:18,230 --> 00:52:15,420

dizzying

1196

00:52:21,950 --> 00:52:18,240

a big part of me just wants to I think

1197

00:52:24,710 --> 00:52:21,960

quit all of this BS and just go back to

1198

00:52:27,290 --> 00:52:24,720

um talking about alien abductions and

1199

00:52:29,990 --> 00:52:27,300

close encounter cases which I'm doing

1200

00:52:32,089 --> 00:52:30,000

um but at the same time like as a UFO

1201

00:52:34,250 --> 00:52:32,099

researcher and someone who does a live

1202

00:52:35,930 --> 00:52:34,260

stream every week on breaking UFO news I

1203

00:52:37,190 --> 00:52:35,940

have to cover this stuff

1204

00:52:38,809 --> 00:52:37,200

um but I'm not gonna lie when I say

1205

00:52:41,329 --> 00:52:38,819

sometimes it's exhausting and

1206

00:52:44,510 --> 00:52:41,339

frustrating because we have these these

1207

00:52:46,490 --> 00:52:44,520

people in the UFO field saying one thing

1208

00:52:48,109 --> 00:52:46,500

um they know a guy who knows a dog who

1209

00:52:51,230 --> 00:52:48,119

talked to

1210

00:52:53,809 --> 00:52:51,240

um another person telepathically who

1211

00:52:55,370 --> 00:52:53,819

then gave that information to someone in

1212

00:52:58,069 --> 00:52:55,380

China who then

1213

00:52:59,569 --> 00:52:58,079

um beamed it over to someone in Russia

1214

00:53:01,730 --> 00:52:59,579

who then brought it back to the United

1215

00:53:02,630 --> 00:53:01,740

States that there's a crash retrieval

1216

00:53:05,750 --> 00:53:02,640

program

1217

00:53:08,630 --> 00:53:05,760

um and then we get this dry stuffy

1218

00:53:09,829 --> 00:53:08,640

boring as hell Senate UAP hearing

1219

00:53:12,109 --> 00:53:09,839

um where none of that's coming forward

1220

00:53:14,870 --> 00:53:12,119

so I don't know I don't know I honestly

1221

00:53:18,710 --> 00:53:14,880

don't know what to make of it um but all

1222

00:53:21,109 --> 00:53:18,720

I can say is we'll have to wait and see

1223

00:53:25,370 --> 00:53:21,119

won't we

1224

00:53:29,630 --> 00:53:27,170

I love that image though the one with

1225

00:53:31,490 --> 00:53:29,640

the Flying Saucer with the smoke coming

1226
00:53:33,410 --> 00:53:31,500
out of it

1227
00:53:37,730 --> 00:53:33,420
I don't know where I found that

1228
00:53:41,930 --> 00:53:40,130
Jacob says man if only we knew what was

1229
00:53:44,150 --> 00:53:41,940
said in that classified session

1230
00:53:46,130 --> 00:53:44,160
such a good point Jacob

1231
00:53:48,410 --> 00:53:46,140
um it was interesting that they did the

1232
00:53:50,990 --> 00:53:48,420
classified section of the UAP hearing

1233
00:53:53,390 --> 00:53:51,000
first before the public one I think they

1234
00:53:55,849 --> 00:53:53,400
did that to be safe because that did not

1235
00:53:57,890 --> 00:53:55,859
happen at the Congressional hearing and

1236
00:53:58,910 --> 00:53:57,900
they came out looking like fools during

1237
00:54:03,170 --> 00:53:58,920
that

1238
00:54:05,510 --> 00:54:03,180

much better it's like three people in

1239

00:54:07,130 --> 00:54:05,520

attendance and Kirkpatrick definitely

1240

00:54:08,930 --> 00:54:07,140

looked like uh

1241

00:54:10,069 --> 00:54:08,940

woke up on the wrong side of the bed

1242

00:54:11,690 --> 00:54:10,079

that day

1243

00:54:14,150 --> 00:54:11,700

um but yeah

1244

00:54:15,230 --> 00:54:14,160

yeah who knows maybe some good stuff was

1245

00:54:17,750 --> 00:54:15,240

set there

1246

00:54:20,930 --> 00:54:17,760

we've been told by Anonymous sources

1247

00:54:23,030 --> 00:54:20,940

that they were said there these

1248

00:54:24,470 --> 00:54:23,040

whistleblowers are quote historic he's

1249

00:54:27,290 --> 00:54:24,480

already said they're not looking into

1250

00:54:29,270 --> 00:54:27,300

historic cases

1251

00:54:31,549 --> 00:54:29,280

um

1252

00:54:33,589 --> 00:54:31,559

I've got a frog in my throat apologies

1253

00:54:35,329 --> 00:54:33,599

if you can hear that guys

1254

00:54:37,670 --> 00:54:35,339

um it's all fake I don't believe that's

1255

00:54:39,650 --> 00:54:37,680

true I do believe that they are

1256

00:54:43,010 --> 00:54:39,660

retroactively looking at cases going

1257

00:54:45,170 --> 00:54:43,020

back to 1945. in fact that was stated I

1258

00:54:47,630 --> 00:54:45,180

think in the UAP report

1259

00:54:49,730 --> 00:54:47,640

um uh you know not not really

1260

00:54:51,290 --> 00:54:49,740

investigating them but looking back at

1261

00:54:53,809 --> 00:54:51,300

them to see what data they might be able

1262

00:54:55,190 --> 00:54:53,819

to pull from that and use it in future

1263

00:54:56,210 --> 00:54:55,200

investigations

1264

00:54:57,829 --> 00:54:56,220

um

1265

00:55:00,470 --> 00:54:57,839

so yeah I don't think that's entirely

1266

00:55:01,970 --> 00:55:00,480

accurate but I do get what you mean I do

1267

00:55:03,049 --> 00:55:01,980

get what you mean

1268

00:55:05,930 --> 00:55:03,059

um they're not going to like try to

1269

00:55:08,569 --> 00:55:05,940

solve Roswell or the Trinity crash or

1270

00:55:09,950 --> 00:55:08,579

rendoshum or anything like that I guess

1271

00:55:12,530 --> 00:55:09,960

they wouldn't look at rendersham because

1272

00:55:15,170 --> 00:55:12,540

that didn't happen in the U.S

1273

00:55:16,790 --> 00:55:15,180

Hector hello Hector welcome if crash

1274

00:55:18,829 --> 00:55:16,800

retrieval would be true we would see

1275

00:55:21,770 --> 00:55:18,839

quite often in everywhere flying discs

1276
00:55:24,230 --> 00:55:21,780
falling yeah I mean that's always a good

1277
00:55:25,730 --> 00:55:24,240
argument to be made you know if these

1278
00:55:27,290 --> 00:55:25,740
things are so highly Advanced why are

1279
00:55:29,510 --> 00:55:27,300
they supposedly crashing all over the

1280
00:55:31,069 --> 00:55:29,520
planet all the time

1281
00:55:32,329 --> 00:55:31,079
um I don't know don't have an answer for

1282
00:55:34,790 --> 00:55:32,339
that

1283
00:55:36,290 --> 00:55:34,800
definitely don't bro I've been talking

1284
00:55:38,089 --> 00:55:36,300
directly to the nordics who told me

1285
00:55:39,950 --> 00:55:38,099

1290

00:55:59,870 --> 00:55:57,540

Shaw

1291

00:56:02,630 --> 00:55:59,880

buddy thank you so much for the 40 Super

1292

00:56:04,970 --> 00:56:02,640

Chat everyone has stories second hand

1293

00:56:07,609 --> 00:56:04,980

nobody produces videos photos with

1294

00:56:09,589 --> 00:56:07,619

prominence I've done I'm done getting

1295

00:56:11,930 --> 00:56:09,599

excited until someone produces the goods

1296

00:56:13,790 --> 00:56:11,940

Sheehan has seen nothing personally like

1297

00:56:16,849 --> 00:56:13,800

everyone else

1298

00:56:19,430 --> 00:56:16,859

I I actually agree with you Jess I I

1299

00:56:21,910 --> 00:56:19,440

don't know how much she hand is in the

1300

00:56:24,770 --> 00:56:21,920

know on any of this um you know

1301

00:56:27,349 --> 00:56:24,780

luellizondo being one of his clients I I

1302

00:56:29,510 --> 00:56:27,359

do Wonder Maybe Lewis shared some stuff

1303

00:56:32,329 --> 00:56:29,520

with him if Lou actually is in

1304

00:56:35,030 --> 00:56:32,339

possession of some of this

1305

00:56:36,890 --> 00:56:35,040

you know sombering Earth shattering

1306

00:56:39,230 --> 00:56:36,900

stuff that he came across that he's not

1307

00:56:41,870 --> 00:56:39,240

willing to really tell the public for

1308

00:56:43,549 --> 00:56:41,880

security purposes I don't know I I don't

1309

00:56:45,650 --> 00:56:43,559

know honestly

1310

00:56:49,670 --> 00:56:45,660

um but interesting nonetheless thank you

1311

00:56:49,680 --> 00:56:54,230

let's see

1312

00:57:00,049 --> 00:56:57,109

Douglas Spriggs says Ryan sounds like

1313

00:57:02,750 --> 00:57:00,059

that's not your first beer tonight

1314

00:57:06,950 --> 00:57:02,760

why do you say that why do you say that

1315

00:57:06,960 --> 00:57:11,690

all right all right

1316

00:57:15,170 --> 00:57:12,549

foreign

1317

00:57:17,270 --> 00:57:15,180

says my Village is just begging for a

1318

00:57:19,010 --> 00:57:17,280

UFO crash the Pinnacle of our annual

1319

00:57:22,010 --> 00:57:19,020

excitement was yesterday when we crowned

1320

00:57:23,210 --> 00:57:22,020

this year's asparagus Queen that's

1321

00:57:25,790 --> 00:57:23,220

awesome

1322

00:57:28,970 --> 00:57:25,800

I would love to be at the coronation of

1323

00:57:31,190 --> 00:57:28,980

1324

00:57:33,410 --> 00:57:31,200

who's gonna be watching that I got a

1327

00:57:41,210 --> 00:57:39,119

coronation beer and coronation biscuits

1328

00:57:43,250 --> 00:57:41,220

I I'm not gonna go get them right now

1329

00:57:44,829 --> 00:57:43,260

but I did post a photo I think on my

1330

00:57:49,490 --> 00:57:44,839

Facebook of them

1331

00:57:53,450 --> 00:57:50,990

1378

01:00:18,650 --> 01:00:15,470

all right

1379

01:00:21,470 --> 01:00:18,660

here we go podcast highlights of the

1380

01:00:23,510 --> 01:00:21,480

week we are beginning as always with

1381

01:00:25,789 --> 01:00:23,520

weaponized with Jeremy Corbell and

1382

01:00:27,650 --> 01:00:25,799

George Knapp and this week they

1383

01:00:30,289 --> 01:00:27,660

discussed how the Senate UAP hearing

1384

01:00:33,410 --> 01:00:30,299

went according to what they know about

1385

01:00:36,410 --> 01:00:33,420

Arrow Jeremy Corbell and George Knapp um

1386

01:00:39,770 --> 01:00:36,420

talked about whistleblower testimony and

1387

01:00:42,410 --> 01:00:39,780

um and UFO exploitation programs and

1388

01:00:43,670 --> 01:00:42,420

stuff like that uh yeah this is pretty

1389

01:00:44,990 --> 01:00:43,680

interesting this is kind of what I was

1390

01:00:46,549 --> 01:00:45,000

talking about earlier what was set at

1391

01:00:49,910 --> 01:00:46,559

Arrow and what certain people in the UFO

1392

01:00:52,250 --> 01:00:49,920

field claim to know about what Arrow

1393

01:00:54,470 --> 01:00:52,260

knows does that make sense trying to

1394

01:00:55,910 --> 01:00:54,480

connect the dots there um so yeah let's

1395

01:00:58,250 --> 01:00:55,920

go ahead and play our first clip from

1396

01:01:00,589 --> 01:00:58,260

weaponizer Jeremy Corbell and George

1397

01:01:02,870 --> 01:01:00,599

Knapp so there's been a lot of things

1398

01:01:04,730 --> 01:01:02,880

that have you know kind of gone out

1399

01:01:07,069 --> 01:01:04,740

since Dr Kirkpatrick has kind of

1400

01:01:08,870 --> 01:01:07,079

testified in front of people you know he

1401

01:01:11,089 --> 01:01:08,880

did say a bunch of really interesting

1402

01:01:13,670 --> 01:01:11,099

stuff the one that kind of looms is he

1403

01:01:15,470 --> 01:01:13,680

says we have no evidence that this is

1404

01:01:17,990 --> 01:01:15,480

extraterrestrial or from off-world

1405

01:01:19,970 --> 01:01:18,000

vehicles I mean he really chose his

1406

01:01:23,270 --> 01:01:19,980

words to try to really put everybody

1407

01:01:24,230 --> 01:01:23,280

down you know kind of at ease saying we

1408

01:01:25,970 --> 01:01:24,240

have no evidence this is

1409

01:01:28,430 --> 01:01:25,980

extraterrestrial I've heard a lot of

1410

01:01:29,930 --> 01:01:28,440

people say that's it case closed the UFO

1411

01:01:33,109 --> 01:01:29,940

discussion is over right that's

1412

01:01:35,510 --> 01:01:33,119

ridiculous so there's a couple things I

1413

01:01:37,849 --> 01:01:35,520

take from that one is well

1414

01:01:39,710 --> 01:01:37,859

do you have evidence that it's not and

1415

01:01:40,670 --> 01:01:39,720

so so what is you know that that's kind

1416

01:01:43,370 --> 01:01:40,680

of the thing a lot of people have been

1417

01:01:45,950 --> 01:01:43,380

saying is to say something is unresolved

1418

01:01:47,990 --> 01:01:45,960

and to keep the doors open to studying

1419

01:01:49,309 --> 01:01:48,000

what it is it was interesting he chose

1420

01:01:51,470 --> 01:01:49,319

those words what do you make of that

1421

01:01:53,870 --> 01:01:51,480

when he says we have no evidence that

1422

01:01:56,390 --> 01:01:53,880

it's extraterrestrial I was surprised

1423

01:01:58,250 --> 01:01:56,400

that he went as far as he did because we

1424

01:01:59,990 --> 01:01:58,260

happen to know some of what he has been

1425

01:02:02,150 --> 01:02:00,000

told behind closed doors

1426
01:02:04,490 --> 01:02:02,160
he acknowledges there have been 24

1427
01:02:06,950 --> 01:02:04,500
different Witnesses whistleblowers

1428
01:02:08,809 --> 01:02:06,960
that's that's the I'm using air quotes

1429
01:02:11,030 --> 01:02:08,819
on that whistleblowers who've come

1430
01:02:13,130 --> 01:02:11,040
forward and have met with him and his

1431
01:02:15,049 --> 01:02:13,140
office and have given testimony we'll

1432
01:02:16,670 --> 01:02:15,059
get into the specifics of what some of

1433
01:02:18,410 --> 01:02:16,680
those people have told them but I was

1434
01:02:21,650 --> 01:02:18,420
surprised that he considers none of that

1435
01:02:23,750 --> 01:02:21,660
to be evidence either a he doesn't

1436
01:02:26,630 --> 01:02:23,760
consider their testimony to be evidence

1437
01:02:29,870 --> 01:02:26,640
B he doesn't consider it to be credible

1438
01:02:32,210 --> 01:02:29,880

testimony or C his office has not

1439

01:02:34,849 --> 01:02:32,220

evaluated it yet I mean are you in the

1440

01:02:36,950 --> 01:02:34,859

same spot well I don't think that he has

1441

01:02:38,990 --> 01:02:36,960

the right authorities yet to properly

1442

01:02:42,230 --> 01:02:39,000

investigate what has been shared with

1443

01:02:44,210 --> 01:02:42,240

him and as you've mentioned so we are in

1444

01:02:47,329 --> 01:02:44,220

contact with numerous individuals that

1445

01:02:49,970 --> 01:02:47,339

have provided testimony to arrow and I I

1446

01:02:53,210 --> 01:02:49,980

wonder if they have been told if Arrow

1447

01:02:56,690 --> 01:02:53,220

Dr Kirkpatrick has been told there are

1448

01:02:58,849 --> 01:02:56,700

Legacy UFO programs to study Hardware if

1449

01:03:00,650 --> 01:02:58,859

this is true and and he's been told

1450

01:03:02,990 --> 01:03:00,660

where he could find some of this

1451

01:03:04,970 --> 01:03:03,000

Hardware what the classified program

1452

01:03:08,510 --> 01:03:04,980

names have been if that has been

1453

01:03:09,950 --> 01:03:08,520

corroborated and verified by other you

1454

01:03:11,630 --> 01:03:09,960

know air quotes whistleblowers other

1455

01:03:13,370 --> 01:03:11,640

people that have talked about it if

1456

01:03:15,710 --> 01:03:13,380

that's true maybe he doesn't have the

1457

01:03:18,170 --> 01:03:15,720

authority yet to completely knock on

1458

01:03:19,970 --> 01:03:18,180

those doors and find out is it true what

1459

01:03:22,250 --> 01:03:19,980

these people are telling him you and I

1460

01:03:25,549 --> 01:03:22,260

both know he has heard what I would

1461

01:03:28,789 --> 01:03:25,559

consider extremely not only compelling

1462

01:03:32,210 --> 01:03:28,799

but testimony that can be tracked down

1463

01:03:34,609 --> 01:03:32,220

and verified specific program names for

1464

01:03:37,430 --> 01:03:34,619

legacy UFO programs and holding

1465

01:03:40,730 --> 01:03:37,440

facilities for that Hardware if that is

1466

01:03:43,910 --> 01:03:40,740

true which I am damn confident it is how

1467

01:03:45,410 --> 01:03:43,920

did that not play in how specific has

1468

01:03:47,809 --> 01:03:45,420

the information been that's been

1469

01:03:50,210 --> 01:03:47,819

conveyed to him from people that we know

1470

01:03:52,069 --> 01:03:50,220

I'd like to give our audience a little

1471

01:03:55,370 --> 01:03:52,079

bit of an indication of where it's going

1472

01:03:58,069 --> 01:03:55,380

yeah to to the location of storage the

1473

01:04:00,710 --> 01:03:58,079

place the building program names UFO

1474

01:04:02,809 --> 01:04:00,720

exploitation program names like actual

1475

01:04:04,490 --> 01:04:02,819

the actual names in classified settings

1476

01:04:06,170 --> 01:04:04,500

have been given they've been

1477

01:04:08,510 --> 01:04:06,180

corroborated

1478

01:04:12,109 --> 01:04:08,520

and then they've been given locations

1479

01:04:16,870 --> 01:04:12,119

where some of this Hardware is so it's

1480

01:04:23,930 --> 01:04:21,530

interesting if true so so interesting

1481

01:04:26,809 --> 01:04:23,940

um is Corbell wearing

1482

01:04:28,490 --> 01:04:26,819

some kind of OG Westworld shirt Ryan um

1483

01:04:31,190 --> 01:04:28,500

I don't know but the shirt he was

1484

01:04:34,309 --> 01:04:31,200

wearing said Lake Heron which is where

1485

01:04:36,710 --> 01:04:34,319

one of those unknown objects supposedly

1486

01:04:38,329 --> 01:04:36,720

was shot down and crashed in the U.S

1487

01:04:40,490 --> 01:04:38,339

recently so I think that was kind of an

1488

01:04:42,349 --> 01:04:40,500

inside joke on his part

1489

01:04:44,630 --> 01:04:42,359

um so that was that's kind of cool um

1490

01:04:47,329 --> 01:04:44,640

but what do you guys make of what Jeremy

1491

01:04:49,609 --> 01:04:47,339

said in this that he knows Kirkpatrick

1492

01:04:53,089 --> 01:04:49,619

and arrow know literally

1493

01:04:56,210 --> 01:04:53,099

where wreckage was located

1494

01:04:58,670 --> 01:04:56,220

um the names of these crash retrieval

1495

01:05:01,329 --> 01:04:58,680

programs and where the wreckage is

1496

01:05:05,349 --> 01:05:01,339

stored right now if any of that is true

1497

01:05:10,190 --> 01:05:05,359

then we are being lied to

1498

01:05:12,650 --> 01:05:10,200

straight up so um again this is just the

1499

01:05:15,410 --> 01:05:12,660

word of Jeremy Corbell

1500

01:05:17,150 --> 01:05:15,420

um and that's up to you to decide if you

1501

01:05:19,670 --> 01:05:17,160

want to take that or not and if you do

1502

01:05:20,809 --> 01:05:19,680

take that then that means that we're not

1503

01:05:23,089 --> 01:05:20,819

being told

1504

01:05:24,770 --> 01:05:23,099

what we should be told about what's

1505

01:05:27,470 --> 01:05:24,780

going on and what arrow is looking into

1506

01:05:29,270 --> 01:05:27,480

so yeah that's kind of why

1507

01:05:31,190 --> 01:05:29,280

I'm going with there Jacob says nap

1508

01:05:33,770 --> 01:05:31,200

looking like a gangster on his day off

1509

01:05:35,690 --> 01:05:33,780

yet I've never seen George nap in shorts

1510

01:05:36,289 --> 01:05:35,700

that was pretty interesting

1511

01:05:37,910 --> 01:05:36,299

um

1512

01:05:38,990 --> 01:05:37,920

yeah I thought that was pretty pretty

1513

01:05:42,230 --> 01:05:39,000

cool

1514

01:05:45,049 --> 01:05:42,240

let's see

1515

01:05:47,329 --> 01:05:45,059

repo says corbella's polarizing but damn

1516

01:05:51,490 --> 01:05:47,339

it he's always interesting so true

1517

01:05:56,270 --> 01:05:54,589

uh Riot says I would think that most of

1518

01:05:59,510 --> 01:05:56,280

what any whistleblower discloses should

1519

01:06:03,109 --> 01:05:59,520

be relatively easy to verify you would

1520

01:06:04,849 --> 01:06:03,119

think Ryan you would think

1521

01:06:07,130 --> 01:06:04,859

Jazz corbellis produced some good

1522

01:06:11,809 --> 01:06:07,140

material at times but again produce the

1523

01:06:17,690 --> 01:06:13,910

Robert we have the technology to drop a

1524

01:06:20,809 --> 01:06:17,700

UFO we dropped three in 1947.

1525

01:06:24,349 --> 01:06:22,789

join says I think the government has no

1526

01:06:26,690 --> 01:06:24,359

intention of letting the public know

1527

01:06:28,490 --> 01:06:26,700

what they know

1528

01:06:30,650 --> 01:06:28,500

or

1529

01:06:33,589 --> 01:06:30,660

are they never gonna let us know what

1530

01:06:33,599 --> 01:06:36,890

you know

1531

01:06:42,890 --> 01:06:39,349

I don't know

1532

01:06:45,049 --> 01:06:42,900

okay let's move on to our next clip guys

1533

01:06:47,329 --> 01:06:45,059

and please keep talking about these

1534

01:06:49,789 --> 01:06:47,339

highlights um put comments in the actual

1535

01:06:52,430 --> 01:06:49,799

comments section below so that they stay

1536

01:06:54,589 --> 01:06:52,440

there for perpetuity um once this live

1537

01:06:57,049 --> 01:06:54,599

chat's done it's gone

1538

01:06:59,270 --> 01:06:57,059

um or actually it might not be gone but

1539

01:07:00,710 --> 01:06:59,280

um put the comments below the video so

1540

01:07:04,190 --> 01:07:00,720

then we can continue the conversation

1541

01:07:07,010 --> 01:07:04,200

over there after the live stream

1542

01:07:09,410 --> 01:07:07,020

um yeah oh corbell's t-shirt is a band

1543

01:07:10,730 --> 01:07:09,420

okay thank you xtina

1544

01:07:12,710 --> 01:07:10,740

thank you

1545

01:07:14,210 --> 01:07:12,720

it just coincidentally is also one of

1546

01:07:16,549 --> 01:07:14,220

the Lakes I think or one of those

1547

01:07:17,270 --> 01:07:16,559

unidentified scratch or it's both it's

1548

01:07:19,970 --> 01:07:17,280

both

1549

01:07:22,670 --> 01:07:19,980

Jeff says dinner time I totally get it

1550

01:07:24,529 --> 01:07:22,680

Jazz thank you thank you Jazz as always

1551
01:07:26,750 --> 01:07:24,539
appreciate you being here we'll catch

1552
01:07:29,029 --> 01:07:26,760
you on the replay buddy

1553
01:07:31,609 --> 01:07:29,039
all right next on the list we have

1554
01:07:33,589 --> 01:07:31,619
rebelliously curious with Chrissy Newton

1555
01:07:35,690 --> 01:07:33,599
my wonderful co-pilot here it's

1556
01:07:38,990 --> 01:07:35,700
somewhere in the skies and uh future

1557
01:07:41,450 --> 01:07:39,000
projects as well hint and a lot more

1558
01:07:44,510 --> 01:07:41,460
information about that soon but

1559
01:07:47,750 --> 01:07:44,520
this past week Chrissy Newton had on her

1560
01:07:50,210 --> 01:07:47,760
show the son of the one and only Jay

1561
01:07:52,730 --> 01:07:50,220
Allen heineck and that was Paul heineck

1562
01:07:55,549 --> 01:07:52,740
and he reminisced about the time he went

1563
01:08:00,289 --> 01:07:55,559

to Africa in 1973 to watch a solar

1564

01:08:02,089 --> 01:08:00,299

eclipse with Neil Armstrong's family

1565

01:08:04,849 --> 01:08:02,099

um and Paul heineck also claims that

1566

01:08:06,829 --> 01:08:04,859

Neil Armstrong considered starting a UFO

1567

01:08:08,690 --> 01:08:06,839

Research Institute so I'm gonna go ahead

1568

01:08:11,329 --> 01:08:08,700

and play this clip this sounds really

1569

01:08:14,029 --> 01:08:11,339

interesting so kudos to Chrissy on this

1570

01:08:15,589 --> 01:08:14,039

dynamite interview and uh yeah let's

1571

01:08:17,510 --> 01:08:15,599

give it a look and talk about it on the

1572

01:08:19,789 --> 01:08:17,520

other side my father you know eclipses

1573

01:08:21,169 --> 01:08:19,799

were a big deal for our family and my

1574

01:08:25,490 --> 01:08:21,179

father would go around the world to see

1575

01:08:27,410 --> 01:08:25,500

eclipses and in 1973 he told our family

1576

01:08:29,329 --> 01:08:27,420

the my younger brother and I my mom

1577

01:08:31,370 --> 01:08:29,339

we're going to Africa well okay that's

1578

01:08:33,769 --> 01:08:31,380

cool enough but we're going on a cruise

1579

01:08:35,870 --> 01:08:33,779

ship even better and we're going to see

1580

01:08:37,970 --> 01:08:35,880

a total eclipse of the sun now that's

1581

01:08:40,249 --> 01:08:37,980

the best off the west coast of Africa

1582

01:08:42,349 --> 01:08:40,259

and that got even better because he said

1583

01:08:44,450 --> 01:08:42,359

and there's going to be Isaac Asimov and

1584

01:08:47,329 --> 01:08:44,460

all these astronauts on the on the ship

1585

01:08:48,829 --> 01:08:47,339

but there's going to be one family that

1586

01:08:51,289 --> 01:08:48,839

will have all their meals together with

1587

01:08:54,110 --> 01:08:51,299

us at a table of honor and that was Neil

1588

01:08:56,030 --> 01:08:54,120

Armstrong this is four years after the

1589

01:08:58,849 --> 01:08:56,040

moon launch I'm an 11 year old kid who

1590

01:09:00,769 --> 01:08:58,859

loves space so now we're spending having

1591

01:09:02,769 --> 01:09:00,779

all of our meals for two weeks with Neil

1592

01:09:05,689 --> 01:09:02,779

Armstrong and his family

1593

01:09:07,550 --> 01:09:05,699

wow and there's an article that came out

1594

01:09:10,309 --> 01:09:07,560

in the sun in the UK a couple years ago

1595

01:09:11,809 --> 01:09:10,319

where they found the the documents that

1596

01:09:14,630 --> 01:09:11,819

showed that it was Neil Armstrong who

1597

01:09:17,809 --> 01:09:14,640

requested to sit with our family

1598

01:09:20,090 --> 01:09:17,819

no so he was very interested in UFOs and

1599

01:09:22,550 --> 01:09:20,100

he flirted with the idea of starting up

1600

01:09:25,070 --> 01:09:22,560

another Institute to study them with my

1601
01:09:27,110 --> 01:09:25,080
father but he was a fairly reclusive man

1602
01:09:29,689 --> 01:09:27,120
and he just it just wasn't the right

1603
01:09:32,329 --> 01:09:29,699
thing for him in his Public Image

1604
01:09:34,550 --> 01:09:32,339
and that's so unfortunate you know and

1605
01:09:36,829 --> 01:09:34,560
and that might have that would have

1606
01:09:39,410 --> 01:09:36,839
changed ufology in so many ways too if

1607
01:09:41,209 --> 01:09:39,420
he decided to do that has it ever been

1608
01:09:43,010 --> 01:09:41,219
spoken about his family continuing

1609
01:09:44,930 --> 01:09:43,020
something like that no and I know his

1610
01:09:47,150 --> 01:09:44,940
kids like I was you know I kind of grew

1611
01:09:48,470 --> 01:09:47,160
up with them for two weeks on the show

1612
01:09:50,030 --> 01:09:48,480
um

1613
01:09:51,590 --> 01:09:50,040

but you know there's been a lot of

1614

01:09:54,050 --> 01:09:51,600

astronauts who have come forward and and

1615

01:09:55,370 --> 01:09:54,060

said that they've also other experiences

1616

01:09:56,150 --> 01:09:55,380

I'm sure you probably talked to some of

1617

01:09:57,110 --> 01:09:56,160

them

1618

01:09:59,450 --> 01:09:57,120

um

1619

01:10:01,370 --> 01:09:59,460

but it was just that that's an example

1620

01:10:04,189 --> 01:10:01,380

that came to mind of how

1621

01:10:05,209 --> 01:10:04,199

astronomical events were really

1622

01:10:08,950 --> 01:10:05,219

um

1623

01:10:16,010 --> 01:10:12,830

so cool Neil Armstrong almost started a

1624

01:10:19,570 --> 01:10:16,020

UFO Research Institute can you imagine

1625

01:10:22,310 --> 01:10:19,580

if that had happened guys oh my God

1626

01:10:23,630 --> 01:10:22,320

anyways awesome awesome interview with

1627

01:10:25,729 --> 01:10:23,640

Paul heineck

1628

01:10:28,610 --> 01:10:25,739

um Chrissy always does great work over

1629

01:10:30,830 --> 01:10:28,620

there on her show at the debrief so be

1630

01:10:34,070 --> 01:10:30,840

sure to subscribe to rebelliously

1631

01:10:35,510 --> 01:10:34,080

curious if you haven't already really

1632

01:10:38,689 --> 01:10:35,520

really cool

1633

01:10:40,250 --> 01:10:38,699

um let's see

1634

01:10:42,229 --> 01:10:40,260

here

1635

01:10:45,530 --> 01:10:42,239

um what do we have next oh the one and

1636

01:10:47,870 --> 01:10:45,540

only Micah Hanks Micah was a guest on

1637

01:10:49,370 --> 01:10:47,880

the podcast was it last week

1638

01:10:51,709 --> 01:10:49,380

um where we kind of debriefed on the

1639

01:10:53,090 --> 01:10:51,719

Senate UAP hearing yeah he was on the

1640

01:10:54,709 --> 01:10:53,100

live stream last week

1641

01:10:57,649 --> 01:10:54,719

um but when he's not helping me out over

1642

01:11:00,050 --> 01:10:57,659

at somewhere in the live stream he is

1643

01:11:01,910 --> 01:11:00,060

doing awesome awesome work over at the

1644

01:11:05,870 --> 01:11:01,920

Micah Hanks program and this past week

1645

01:11:08,270 --> 01:11:05,880

he had on the one and only Gary Nolan so

1646

01:11:09,649 --> 01:11:08,280

in this interview Gary Nolan says as a

1647

01:11:12,709 --> 01:11:09,659

scientist he is waiting for the

1648

01:11:16,550 --> 01:11:12,719

scientific Community to gain access to

1649

01:11:19,189 --> 01:11:16,560

non-human intelligence material

1650

01:11:20,810 --> 01:11:19,199

um so yeah this is a cool clip I'm gonna

1651
01:11:23,750 --> 01:11:20,820
go ahead and play it there's no video to

1652
01:11:25,550 --> 01:11:23,760
this but um the audio is well worth a

1653
01:11:27,590 --> 01:11:25,560
listen so I do want you guys to check

1654
01:11:31,550 --> 01:11:27,600
that out and we'll talk a little about

1655
01:11:33,350 --> 01:11:31,560
it on the other side in terms of where

1656
01:11:35,149 --> 01:11:33,360
we're headed like yourself you know I've

1657
01:11:37,490 --> 01:11:35,159
heard certain whispers about people

1658
01:11:39,110 --> 01:11:37,500
coming forward and saying there may be

1659
01:11:41,090 --> 01:11:39,120
some significant developments coming up

1660
01:11:42,709 --> 01:11:41,100
in the in the months ahead where do you

1661
01:11:44,930 --> 01:11:42,719
see this going but more importantly as a

1662
01:11:47,689 --> 01:11:44,940
scientist where do you feel that that

1663
01:11:49,610 --> 01:11:47,699

will probably lead your research in

1664

01:11:50,630 --> 01:11:49,620

terms of its relationship to UAP what do

1665

01:11:51,950 --> 01:11:50,640

you hope to find and what are you

1666

01:11:57,350 --> 01:11:51,960

waiting for

1667

01:12:02,689 --> 01:11:57,360

some I mean not that anybody that I know

1668

01:12:04,189 --> 01:12:02,699

necessarily to say okay here's uh here's

1669

01:12:04,990 --> 01:12:04,199

a piece of something that we don't

1670

01:12:07,850 --> 01:12:05,000

understand

1671

01:12:10,790 --> 01:12:07,860

and we're going to ask the scientific

1672

01:12:13,310 --> 01:12:10,800

community at large to help us on this

1673

01:12:18,649 --> 01:12:13,320

right I mean the problem is that of

1674

01:12:22,010 --> 01:12:18,659

course admits that there is you know

1675

01:12:23,270 --> 01:12:22,020

some nhi material uh available I mean

1676

01:12:25,070 --> 01:12:23,280

that's the and then and there's a

1677

01:12:27,649 --> 01:12:25,080

never-ending series of questions that

1678

01:12:32,330 --> 01:12:27,659

once that door is opened uh people like

1679

01:12:34,310 --> 01:12:32,340

you will basically swarm all over

1680

01:12:35,810 --> 01:12:34,320

um and so I think that's part of the

1681

01:12:38,570 --> 01:12:35,820

problem is that they understand that

1682

01:12:42,530 --> 01:12:38,580

once the Dam breaks it's going to be

1683

01:12:44,990 --> 01:12:42,540

chaos what happens after that well chaos

1684

01:12:47,149 --> 01:12:45,000

you can order chaos

1685

01:12:48,890 --> 01:12:47,159

you know and what happens after that is

1686

01:12:51,050 --> 01:12:48,900

is people basically try to pick up the

1687

01:12:53,870 --> 01:12:51,060

pieces and say okay what can we Salvage

1688

01:12:55,490 --> 01:12:53,880

from this you know I mean I I hate to

1689

01:12:57,590 --> 01:12:55,500

say it but I think you know you're just

1690

01:12:59,570 --> 01:12:57,600

going to have to absolve people and

1691

01:13:01,910 --> 01:12:59,580

companies of their prior unless it's

1692

01:13:04,550 --> 01:13:01,920

like they murdered somebody of their of

1693

01:13:06,830 --> 01:13:04,560

their prior wrongs

1694

01:13:09,050 --> 01:13:06,840

um and uh and just have to go with that

1695

01:13:13,490 --> 01:13:09,060

you know otherwise otherwise we'll we'll

1696

01:13:16,189 --> 01:13:13,500

end up relitigating the past forever and

1697

01:13:17,810 --> 01:13:16,199

that's not you know but

1698

01:13:19,970 --> 01:13:17,820

I know when I'm working with other

1699

01:13:21,890 --> 01:13:19,980

people is that you know especially other

1700

01:13:25,070 --> 01:13:21,900

scientists who let's say might have

1701

01:13:26,810 --> 01:13:25,080

wronged me in some way the worst thing I

1702

01:13:28,430 --> 01:13:26,820

can do is be Petty and try to wrong them

1703

01:13:30,410 --> 01:13:28,440

back yeah

1704

01:13:32,990 --> 01:13:30,420

um if I you know if I feel that they're

1705

01:13:34,790 --> 01:13:33,000

going to be you know uh not helpful ever

1706

01:13:36,410 --> 01:13:34,800

ever in the future yeah I'm just going

1707

01:13:40,250 --> 01:13:36,420

to ignore them but I'm still going to

1708

01:13:46,310 --> 01:13:42,649

it's a very adult thing of you to say

1709

01:13:48,770 --> 01:13:46,320

Gary Nolan um what do you guys think in

1710

01:13:54,410 --> 01:13:48,780

terms of like there's always that uh

1711

01:13:56,450 --> 01:13:54,420

kind of uh debate on if there were these

1712

01:14:00,050 --> 01:13:56,460

whistleblowers coming forward who worked

1713

01:14:02,090 --> 01:14:00,060

on Crash retrieval programs or highly

1714

01:14:05,270 --> 01:14:02,100

secretive things and things were done

1715

01:14:08,950 --> 01:14:05,280

maybe unethically or um you know things

1716

01:14:12,350 --> 01:14:08,960

were covered up or Witnesses were

1717

01:14:13,970 --> 01:14:12,360

threatened to stay quiet if these people

1718

01:14:16,490 --> 01:14:13,980

come forward and say they worked on

1719

01:14:19,070 --> 01:14:16,500

these things and give information uh

1720

01:14:21,590 --> 01:14:19,080

that All Is Forgiven you know that that

1721

01:14:23,570 --> 01:14:21,600

we should just be like okay well we got

1722

01:14:26,570 --> 01:14:23,580

the disclosure we wanted

1723

01:14:28,850 --> 01:14:26,580

um you're forgiven there's no uh

1724

01:14:30,470 --> 01:14:28,860

consequence or ramification from it um

1725

01:14:32,870 --> 01:14:30,480

that kind of goes into the whistleblower

1726

01:14:35,209 --> 01:14:32,880

law through legislation

1727

01:14:36,830 --> 01:14:35,219

um so yeah yeah I find that pretty

1728

01:14:38,030 --> 01:14:36,840

interesting

1729

01:14:40,910 --> 01:14:38,040

um what do you think what do you think

1730

01:14:43,070 --> 01:14:40,920

in terms of what what Gary Nolan was

1731

01:14:45,229 --> 01:14:43,080

talking about in terms of the nhi and

1732

01:14:48,229 --> 01:14:45,239

you know that he knows that these

1733

01:14:49,850 --> 01:14:48,239

materials are out there and that um you

1734

01:14:52,729 --> 01:14:49,860

know it if these people are going to

1735

01:14:55,070 --> 01:14:52,739

come forward and talk about it uh that

1736

01:14:56,930 --> 01:14:55,080

if if things were done and things were

1737

01:14:59,390 --> 01:14:56,940

kept secret that they should be forgiven

1738

01:15:02,030 --> 01:14:59,400

I find it interesting I do find it

1739

01:15:04,370 --> 01:15:02,040

interesting like you said once that dam

1740

01:15:06,950 --> 01:15:04,380

is broken there's no going back when all

1741

01:15:08,570 --> 01:15:06,960

this does eventually come forward if it

1742

01:15:09,890 --> 01:15:08,580

comes forward

1743

01:15:12,550 --> 01:15:09,900

um I'd like to know your thoughts on

1744

01:15:14,750 --> 01:15:12,560

that put them in the the comments below

1745

01:15:18,470 --> 01:15:14,760

for sure

1746

01:15:20,750 --> 01:15:18,480

um let's move on to our next

1747

01:15:23,930 --> 01:15:20,760

podcast highlight of the week and that

1748

01:15:26,330 --> 01:15:23,940

is The Joe Rogan Experience and once

1749

01:15:29,090 --> 01:15:26,340

again we're returning to our good buddy

1750

01:15:33,530 --> 01:15:29,100

James Fox who um

1751

01:15:35,209 --> 01:15:33,540

had a emotional uh Moment On The Joe

1752

01:15:37,250 --> 01:15:35,219

Rogan Experience so I'm just going to go

1753

01:15:40,610 --> 01:15:37,260

ahead and play that and I do want to

1754

01:15:46,070 --> 01:15:42,169

so let's go ahead and play that right

1755

01:15:48,169 --> 01:15:46,080

now but you are so good at recall with

1756

01:15:49,610 --> 01:15:48,179

all this stuff you can really tell that

1757

01:15:52,250 --> 01:15:49,620

you've been obsessed with this for so

1758

01:15:55,729 --> 01:15:52,260

long it's so fascinating to watch your

1759

01:15:58,189 --> 01:15:55,739

mind like go through these cases and

1760

01:16:01,370 --> 01:15:58,199

remember all these details with barely

1761

01:16:02,270 --> 01:16:01,380

even looking at notes it's all just I

1762

01:16:04,010 --> 01:16:02,280

have

1763

01:16:06,110 --> 01:16:04,020

every time I get up and I do something

1764

01:16:09,050 --> 01:16:06,120

like this Joe

1765

01:16:11,630 --> 01:16:09,060

I'm representing all the witnesses that

1766

01:16:13,010 --> 01:16:11,640

have trusted me

1767

01:16:20,810 --> 01:16:13,020

I'm sorry

1768

01:16:20,820 --> 01:16:24,950

I'm representing them

1769

01:16:31,370 --> 01:16:29,330

so when I hear Dr kirpatrick

1770

01:16:33,110 --> 01:16:31,380

say what you said it it's a personal

1771

01:16:35,330 --> 01:16:33,120

assault I don't know what you're talking

1772

01:16:36,709 --> 01:16:35,340

about well you just dismissive when I

1773

01:16:39,169 --> 01:16:36,719

hear the government dismissive this

1774

01:16:41,330 --> 01:16:39,179

whole thing I'm thinking to myself

1775

01:16:43,430 --> 01:16:41,340

it's I take it personally

1776

01:16:44,990 --> 01:16:43,440

because when I'm out there talking to

1777

01:16:47,750 --> 01:16:45,000

people like you on these platforms I'm

1778

01:16:49,790 --> 01:16:47,760

sorry it's just tense for me it's like I

1779

01:16:50,930 --> 01:16:49,800

represent these Witnesses when I'm a

1780

01:16:53,270 --> 01:16:50,940

voice for them

1781

01:16:54,890 --> 01:16:53,280

I come out here and I represent them and

1782

01:16:57,709 --> 01:16:54,900

they trust me

1783

01:16:59,750 --> 01:16:57,719

and that means a lot to me so sorry I

1784

01:17:01,790 --> 01:16:59,760

just no I get it listen it's just like

1785

01:17:03,649 --> 01:17:01,800

you're you're passionate about this it

1786

01:17:05,090 --> 01:17:03,659

means something to you and that's one of

1787

01:17:08,990 --> 01:17:05,100

the reasons why your documentaries are

1788

01:17:11,090 --> 01:17:09,000

so good I give a about the facts

1789

01:17:12,890 --> 01:17:11,100

listen man if you're right and if this

1790

01:17:14,450 --> 01:17:12,900

is real this is one of the most

1791

01:17:17,090 --> 01:17:14,460

important things to talk about and if it

1792

01:17:18,950 --> 01:17:17,100

wasn't for documentaries documentaries

1793

01:17:20,570 --> 01:17:18,960

like yours and Jeremy corbells and a few

1794

01:17:23,149 --> 01:17:20,580

of the other ones that are out there it

1795

01:17:25,130 --> 01:17:23,159

wouldn't be as big of an issue with

1796

01:17:28,990 --> 01:17:25,140

people they wouldn't think that this was

1797

01:17:34,130 --> 01:17:31,490

there you go guys James Fox getting

1798

01:17:34,990 --> 01:17:34,140

pretty emotional over there on Joe Rogan

1799

01:17:39,110 --> 01:17:35,000

um

1800

01:17:40,610 --> 01:17:39,120

I I feel for him I do you know some

1801
01:17:43,010 --> 01:17:40,620
people are making fun of this clip and

1802
01:17:44,030 --> 01:17:43,020
everything but look James is a

1803
01:17:47,870 --> 01:17:44,040
passionate

1804
01:17:50,450 --> 01:17:47,880
know I know during an early

1805
01:17:52,130 --> 01:17:50,460
investigation of the vargina case not in

1806
01:17:54,229 --> 01:17:52,140
his documentary but on a show he did

1807
01:17:55,910 --> 01:17:54,239
called Chasing UFOs when he went and

1808
01:17:58,430 --> 01:17:55,920
interviewed the witnesses who saw this

1809
01:18:00,470 --> 01:17:58,440
supposed creature of the vargina case um

1810
01:18:01,850 --> 01:18:00,480
he broke down then just talking to the

1811
01:18:03,709 --> 01:18:01,860
witnesses and saying like finally

1812
01:18:05,270 --> 01:18:03,719
finally a platform for these people to

1813
01:18:08,030 --> 01:18:05,280

tell their story

1814

01:18:11,870 --> 01:18:08,040

um and as someone who literally just

1815

01:18:13,669 --> 01:18:11,880

wrote a book about people's UFO stories

1816

01:18:21,530 --> 01:18:13,679

um

1817

01:18:26,030 --> 01:18:23,390

get their trust

1818

01:18:30,850 --> 01:18:26,040

and that they trust me to tell their

1819

01:18:34,189 --> 01:18:30,860

story it it's not easy so I understand

1820

01:18:35,570 --> 01:18:34,199

that when you know James fox sees

1821

01:18:38,149 --> 01:18:35,580

something like what Kirkpatrick said

1822

01:18:39,649 --> 01:18:38,159

that there's absolutely no proof of E.T

1823

01:18:40,850 --> 01:18:39,659

and this and that um that James would

1824

01:18:43,610 --> 01:18:40,860

take that personally because James

1825

01:18:45,410 --> 01:18:43,620

clearly believes there is in all of his

1826
01:18:48,110 --> 01:18:45,420
work and investigations he does believe

1827
01:18:50,810 --> 01:18:48,120
that that is happening

1828
01:18:54,890 --> 01:18:50,820
um so it's gonna hit him emotionally and

1829
01:18:58,910 --> 01:18:54,900
it clearly did here so um yeah I I get

1830
01:19:01,250 --> 01:18:58,920
it James I see you I hear you I feel you

1831
01:19:03,649 --> 01:19:01,260
brother so um anyone making fun of him

1832
01:19:07,130 --> 01:19:03,659
give him a break give the man a break

1833
01:19:08,810 --> 01:19:07,140
he's doing incredible work out there so

1834
01:19:11,750 --> 01:19:08,820
yeah

1835
01:19:13,970 --> 01:19:11,760
moving on um for some reason guys your

1836
01:19:15,830 --> 01:19:13,980
comments are not showing up in stream

1837
01:19:17,630 --> 01:19:15,840
yard where I stream this

1838
01:19:19,370 --> 01:19:17,640

um I was like wow I haven't had a

1839

01:19:21,709 --> 01:19:19,380

comment in like 20 minutes what's going

1840

01:19:23,570 --> 01:19:21,719

on um so I'm actually looking at them on

1841

01:19:25,669 --> 01:19:23,580

YouTube right now to see if I'm missing

1842

01:19:28,330 --> 01:19:25,679

anything pertinent

1843

01:19:30,590 --> 01:19:28,340

um let's see

1844

01:19:33,229 --> 01:19:30,600

stink says he's sincere but still

1845

01:19:34,370 --> 01:19:33,239

sounded like Brando oh what's wrong with

1846

01:19:37,669 --> 01:19:34,380

Brando

1847

01:19:43,010 --> 01:19:40,370

Android says James Fox is going down as

1848

01:19:49,010 --> 01:19:44,689

um I want to go drinking with James Fox

1849

01:19:53,930 --> 01:19:51,169

do you think James is a sloppy drunk

1850

01:19:57,530 --> 01:19:53,940

when he drinks no he's not I've had

1851

01:20:00,110 --> 01:19:57,540

plenty in alcohol beverage for James Fox

1852

01:20:02,330 --> 01:20:00,120

he's actually pretty funny and very

1853

01:20:03,530 --> 01:20:02,340

articulate usually goes the other way

1854

01:20:06,410 --> 01:20:03,540

right

1855

01:20:08,689 --> 01:20:06,420

um let's see let's see

1856

01:20:11,570 --> 01:20:08,699

Jeff says James is one of the people I

1857

01:20:13,790 --> 01:20:11,580

always listen to

1858

01:20:15,770 --> 01:20:13,800

yep

1859

01:20:17,390 --> 01:20:15,780

there we go guys okay

1860

01:20:19,310 --> 01:20:17,400

um ah

1861

01:20:21,770 --> 01:20:19,320

it's so frustrating that your comments

1862

01:20:23,689 --> 01:20:21,780

aren't showing up here it's so easy to

1863

01:20:26,030 --> 01:20:23,699

just look over at them in this program

1864

01:20:28,850 --> 01:20:26,040

but now it's not happening for some

1865

01:20:32,270 --> 01:20:28,860

reason so I'm gonna go ahead put my

1866

01:20:38,110 --> 01:20:34,790

and hopefully they'll show up as you

1867

01:20:40,970 --> 01:20:38,120

guys talk oh wait are they nope okay

1868

01:20:43,189 --> 01:20:40,980

moving on Tech difficulties welcome to

1869

01:20:45,890 --> 01:20:43,199

live the live stream

1870

01:20:48,470 --> 01:20:45,900

um we're moving on to a gentleman who um

1871

01:20:50,530 --> 01:20:48,480

I've actually never featured on podcast

1872

01:20:53,810 --> 01:20:50,540

highlights of the week and that is Tim

1873

01:20:56,870 --> 01:20:53,820

Ventura and I went back in his archives

1874

01:20:59,090 --> 01:20:56,880

and he's got some really really in-depth

1875

01:21:01,250 --> 01:20:59,100

interesting interviews and the dude does

1876
01:21:03,169 --> 01:21:01,260
his homework so I highly suggest going

1877
01:21:04,729 --> 01:21:03,179
and checking out Tim Ventura's YouTube

1878
01:21:06,530 --> 01:21:04,739
channel

1879
01:21:08,149 --> 01:21:06,540
um it's pretty easy just type his name

1880
01:21:09,890 --> 01:21:08,159
right here on YouTube and his channel

1881
01:21:12,290 --> 01:21:09,900
should show up

1882
01:21:14,209 --> 01:21:12,300
um to Ventura Pet Detective Joe and I

1883
01:21:16,490 --> 01:21:14,219
think it says

1884
01:21:18,830 --> 01:21:16,500
um but he had a really interesting

1885
01:21:21,350 --> 01:21:18,840
interview with

1886
01:21:24,229 --> 01:21:21,360
um Larry Hancock so Larry Hancock is a

1887
01:21:25,790 --> 01:21:24,239
former USAF uh veteran and UFO

1888
01:21:28,370 --> 01:21:25,800

researcher he's a member of the

1889

01:21:30,890 --> 01:21:28,380

scientific Coalition for UAP studies as

1890

01:21:33,110 --> 01:21:30,900

well and he says that UFOs were

1891

01:21:36,530 --> 01:21:33,120

attracted to nuclear wet weapons before

1892

01:21:38,209 --> 01:21:36,540

they were even constructed so we're not

1893

01:21:40,010 --> 01:21:38,219

talking like these things go off and

1894

01:21:42,110 --> 01:21:40,020

UFOs show up

1895

01:21:44,570 --> 01:21:42,120

um even before these things are built

1896

01:21:47,209 --> 01:21:44,580

these things uh UFOs have been cited

1897

01:21:48,830 --> 01:21:47,219

over installations building them so that

1898

01:21:50,630 --> 01:21:48,840

was pretty cool I've never really heard

1899

01:21:53,510 --> 01:21:50,640

that talked about and he uses the

1900

01:21:54,950 --> 01:21:53,520

Hanford nuclear site in Washington as an

1901

01:21:58,010 --> 01:21:54,960

example so I'm going to go ahead and

1902

01:22:00,709 --> 01:21:58,020

play that clip for you here and we'll

1903

01:22:03,890 --> 01:22:00,719

talk a little about UFOs and nukes back

1904

01:22:07,430 --> 01:22:03,900

before Roswell in 1947 there were

1905

01:22:08,990 --> 01:22:07,440

sightings over Hanford in 1945 as a

1906

01:22:11,090 --> 01:22:09,000

production facility and then I believe

1907

01:22:13,250 --> 01:22:11,100

Jacques ballet also talked about

1908

01:22:15,470 --> 01:22:13,260

sightings near the Trinity test site

1909

01:22:17,870 --> 01:22:15,480

right so I mean this goes back to the

1910

01:22:20,750 --> 01:22:17,880

very beginning of the UFO phenomena

1911

01:22:24,110 --> 01:22:20,760

really before the explosion of the first

1912

01:22:26,630 --> 01:22:24,120

atomic bombs Atomic weapons the attached

1913

01:22:28,910 --> 01:22:26,640

or bombs and of course many people have

1914

01:22:31,430 --> 01:22:28,920

postulated that that that might draw

1915

01:22:33,649 --> 01:22:31,440

attention you know obviously an atomic

1916

01:22:35,930 --> 01:22:33,659

explosion but one of the interesting

1917

01:22:37,550 --> 01:22:35,940

things and actually surprising things we

1918

01:22:39,950 --> 01:22:37,560

found when we started going back through

1919

01:22:42,830 --> 01:22:39,960

the records were that the sightings at

1920

01:22:44,209 --> 01:22:42,840

Hanford for example began during

1921

01:22:48,470 --> 01:22:44,219

construction

1922

01:22:52,250 --> 01:22:48,480

well before uh any radioactive materials

1923

01:22:54,649 --> 01:22:52,260

were actually extracted well before uh

1924

01:22:57,950 --> 01:22:54,659

you know any particulates were so

1925

01:23:01,570 --> 01:22:57,960

actually something was going on with the

1926

01:23:04,310 --> 01:23:01,580

a look at Atomic weapons development

1927

01:23:06,110 --> 01:23:04,320

before most people would expect it I

1928

01:23:08,390 --> 01:23:06,120

guess and I I think that's that's pretty

1929

01:23:11,149 --> 01:23:08,400

significant what you're saying is the

1930

01:23:13,189 --> 01:23:11,159

interest in these facilities basically

1931

01:23:15,890 --> 01:23:13,199

dates back before they had any

1932

01:23:18,350 --> 01:23:15,900

radioactive or fissile materials on hand

1933

01:23:21,290 --> 01:23:18,360

now is that something that you've seen

1934

01:23:23,810 --> 01:23:21,300

in multiple facilities

1935

01:23:25,930 --> 01:23:23,820

um it's most obvious at Hanford uh you

1936

01:23:28,790 --> 01:23:25,940

do see some of it at Oak Ridge

1937

01:23:30,770 --> 01:23:28,800

I think one of and it's there's always a

1938

01:23:32,510 --> 01:23:30,780

danger of you know projecting what you

1939

01:23:35,209 --> 01:23:32,520

know onto the phenomena that you're

1940

01:23:37,490 --> 01:23:35,219

studying but we know a good deal about

1941

01:23:39,470 --> 01:23:37,500

how you determine

1942

01:23:41,090 --> 01:23:39,480

what's going on in Islamic weapons

1943

01:23:44,209 --> 01:23:41,100

development for example the United

1944

01:23:46,490 --> 01:23:44,219

States conducted extensive surveys

1945

01:23:48,649 --> 01:23:46,500

particular collections

1946

01:23:50,510 --> 01:23:48,659

they knew how to see whether or not

1947

01:23:53,270 --> 01:23:50,520

Atomic Weaponry in particular

1948

01:23:55,610 --> 01:23:53,280

concentrations of physical materials or

1949

01:23:58,209 --> 01:23:55,620

being developed through photographic

1950

01:24:00,709 --> 01:23:58,219

studies because it takes a certain

1951

01:24:03,709 --> 01:24:00,719

concentration of power

1952

01:24:05,870 --> 01:24:03,719

uh you gotta you've got to have lots of

1953

01:24:09,350 --> 01:24:05,880

power you've got to have we did it with

1954

01:24:12,169 --> 01:24:09,360

immense dams in Tennessee and outside

1955

01:24:13,610 --> 01:24:12,179

Hanford and Washington you know so there

1956

01:24:16,669 --> 01:24:13,620

are things that you can look for

1957

01:24:19,250 --> 01:24:16,679

physically uh you don't you don't have

1958

01:24:21,290 --> 01:24:19,260

to wait until the piles start producing

1959

01:24:24,530 --> 01:24:21,300

you don't have to wait until the

1960

01:24:26,930 --> 01:24:24,540

extraction starts so a combination of

1961

01:24:29,930 --> 01:24:26,940

knowing what to look for in terms of

1962

01:24:33,169 --> 01:24:29,940

energy consumption as well as then

1963

01:24:36,050 --> 01:24:33,179

looking at particulate matter uh not

1964

01:24:39,110 --> 01:24:36,060

neutral not even that going down and

1965

01:24:41,330 --> 01:24:39,120

doing water samples and air samples we

1966

01:24:44,149 --> 01:24:41,340

were able to actually locate the US was

1967

01:24:46,790 --> 01:24:44,159

able to locate the development sites for

1968

01:24:48,910 --> 01:24:46,800

the Russian weapons the Indian weapons

1969

01:24:52,850 --> 01:24:48,920

the Chinese weapons

1970

01:24:54,830 --> 01:24:52,860

before they ever exploded bombs so if we

1971

01:24:58,370 --> 01:24:54,840

could do that with the technology of the

1972

01:25:00,530 --> 01:24:58,380

time obviously it could be done with our

1973

01:25:04,910 --> 01:25:00,540

own Atomic development as well it's it's

1974

01:25:12,770 --> 01:25:09,830

yeah really cool you know the idea that

1975

01:25:15,709 --> 01:25:12,780

um even before these things are

1976

01:25:17,750 --> 01:25:15,719

constructed or built these these

1977

01:25:20,570 --> 01:25:17,760

massive weapons

1978

01:25:23,810 --> 01:25:20,580

um that UAP are interested in them and

1979

01:25:25,310 --> 01:25:23,820

he says as an example like we knew what

1980

01:25:27,110 --> 01:25:25,320

the Russians were building before they

1981

01:25:29,149 --> 01:25:27,120

even built it because of what we found

1982

01:25:30,950 --> 01:25:29,159

in the ground or

1983

01:25:33,590 --> 01:25:30,960

um you know the runoff in the water and

1984

01:25:35,870 --> 01:25:33,600

and stuff like that so you know like

1985

01:25:37,669 --> 01:25:35,880

dalen says oh maybe they were looking

1986

01:25:39,590 --> 01:25:37,679

for maybe they were attracted to the

1987

01:25:41,090 --> 01:25:39,600

uranium you know as these things were

1988

01:25:43,430 --> 01:25:41,100

being built and whatnot

1989

01:25:46,370 --> 01:25:43,440

um or when we broke the proton and broke

1990

01:25:48,830 --> 01:25:46,380

the atom and that was a sign even before

1991

01:25:50,330 --> 01:25:48,840

we built the weapons that we eventually

1992

01:25:52,610 --> 01:25:50,340

would use

1993

01:25:53,450 --> 01:25:52,620

um yeah yeah I thought that was pretty

1994

01:25:55,910 --> 01:25:53,460

cool

1995

01:25:58,669 --> 01:25:55,920

um so the fact that you know that is a

1996

01:26:01,370 --> 01:25:58,679

theory and we are see you we did see UAP

1997

01:26:02,750 --> 01:26:01,380

showing up before the bombs and weapons

1998

01:26:04,669 --> 01:26:02,760

were even created

1999

01:26:07,310 --> 01:26:04,679

um it says something

2000

01:26:10,550 --> 01:26:07,320

um is it precognitive or does it know

2001

01:26:12,410 --> 01:26:10,560

what's being built or is it um attracted

2002

01:26:15,410 --> 01:26:12,420

to certain materials that are being used

2003

01:26:18,050 --> 01:26:15,420

to create these possibly world ending

2004

01:26:20,270 --> 01:26:18,060

weapons uh I don't know it's really

2005

01:26:21,890 --> 01:26:20,280

interesting so I was so happy to catch

2006

01:26:25,790 --> 01:26:21,900

that conversation and I can't wait to

2007

01:26:27,709 --> 01:26:25,800

check out more of Mr Ventura's work um

2008

01:26:30,169 --> 01:26:27,719

here's someone we are quite familiar

2009

01:26:32,510 --> 01:26:30,179

with and that is Ross coldthart over at

2010

01:26:35,689 --> 01:26:32,520

need to know with Bryce Abel and Ross

2011

01:26:38,450 --> 01:26:35,699

colthard and Ross spoke about

2012

01:26:41,689 --> 01:26:38,460

um this is interesting former astronaut

2013

01:26:43,550 --> 01:26:41,699

Mark Kelly attended the private UAP

2014

01:26:47,810 --> 01:26:43,560

hearing

2015

01:26:49,910 --> 01:26:47,820

um wow that's cool I wonder why

2016

01:26:53,090 --> 01:26:49,920

um let's go ahead and give this a look

2017

01:26:55,189 --> 01:26:53,100

and talk about it on the other side

2018

01:26:57,350 --> 01:26:55,199

okay well what I do know is that there

2019

01:26:59,510 --> 01:26:57,360

was a private hearing that was held in

2020

01:27:02,390 --> 01:26:59,520

addition to this public hearing and

2021

01:27:04,430 --> 01:27:02,400

former astronaut Kelly did attend that

2022

01:27:06,649 --> 01:27:04,440

private hearing and and so did other

2023

01:27:08,930 --> 01:27:06,659

members and so there's a dog and pony

2024

01:27:11,750 --> 01:27:08,940

show going here mate where you've got

2025

01:27:12,890 --> 01:27:11,760

the public being fed that simple line

2026

01:27:15,169 --> 01:27:12,900

from

2027

01:27:16,729 --> 01:27:15,179

Mr Kirkpatrick where he basically

2028

01:27:19,490 --> 01:27:16,739

asserts that there is no credible

2029

01:27:22,129 --> 01:27:19,500

evidence of anything anomalous and yet

2030

01:27:24,350 --> 01:27:22,139

behind the scenes I know for a fact

2031

01:27:27,410 --> 01:27:24,360

they're being told entirely different

2032

01:27:31,910 --> 01:27:27,420

stuff inside the private hearings and

2033

01:27:36,290 --> 01:27:31,920

and so is also the Congress in separate

2034

01:27:39,169 --> 01:27:36,300

hearings so yes uh Kirkpatrick may be

2035

01:27:43,370 --> 01:27:39,179

holding a line publicly for a certain

2036

01:27:45,410 --> 01:27:43,380

reason and he may be using the um the

2037

01:27:47,450 --> 01:27:45,420

constraint that as a scientist he needs

2038

01:27:50,629 --> 01:27:47,460

very very solid evidence to reach a

2039

01:27:52,189 --> 01:27:50,639

highly reasoned conclusion but to me I

2040

01:27:53,930 --> 01:27:52,199

mean one of the key issues and one of

2041

01:27:55,790 --> 01:27:53,940

the reasons for that public hearing was

2042

01:27:57,290 --> 01:27:55,800

to essentially do a dog and pony show to

2043

01:27:59,030 --> 01:27:57,300

basically show the public that Senator

2044

01:28:00,050 --> 01:27:59,040

gillibrand is still holding his feet to

2045

01:28:02,510 --> 01:28:00,060

the fire

2046

01:28:04,370 --> 01:28:02,520

but the simple fact is my friend that as

2047

01:28:08,510 --> 01:28:04,380

gillibrand in her opening comments

2048

01:28:11,209 --> 01:28:08,520

observed the budget only requested

2049

01:28:13,910 --> 01:28:11,219

um enough funding to defray the

2050

01:28:16,310 --> 01:28:13,920

operating expenses of Arrow it included

2051
01:28:19,010 --> 01:28:16,320
almost no funds to sustain The crucial

2052
01:28:21,649 --> 01:28:19,020
research and development necessary to

2053
01:28:23,570 --> 01:28:21,659
support a serious investigation and as

2054
01:28:25,490 --> 01:28:23,580
she rightly observed it took a letter

2055
01:28:27,290 --> 01:28:25,500
from secretary Austin to secretary

2056
01:28:30,050 --> 01:28:27,300
Austin that's the secretary of the

2057
01:28:32,510 --> 01:28:30,060
Department of Defense from Senator Rubio

2058
01:28:36,169 --> 01:28:32,520
that's the Republican senator Marco

2059
01:28:38,270 --> 01:28:36,179
Rubio and me and 14 other Senators to

2060
01:28:41,870 --> 01:28:38,280
get the office temporary relief for the

2061
01:28:45,950 --> 01:28:41,880
current fiscal year so the real issue my

2062
01:28:49,070 --> 01:28:45,960
friend is yes maybe Dr Kirkpatrick's got

2063
01:28:50,689 --> 01:28:49,080

a point maybe the reason why he hasn't

2064

01:28:52,790 --> 01:28:50,699

yet done the kind of scientific

2065

01:28:55,250 --> 01:28:52,800

investigations that he needs to be able

2066

01:28:57,410 --> 01:28:55,260

to do is because he's not being given

2067

01:28:59,990 --> 01:28:57,420

the resources to properly evaluate it

2068

01:29:02,990 --> 01:29:00,000

and and maybe the simple fact is that

2069

01:29:05,570 --> 01:29:03,000

he's basically being gagged that he's

2070

01:29:07,610 --> 01:29:05,580

he's not being given the the things the

2071

01:29:10,550 --> 01:29:07,620

tools that he needs to ask the right

2072

01:29:12,890 --> 01:29:10,560

questions maybe that's what's behind his

2073

01:29:14,689 --> 01:29:12,900

frustration and maybe that's what he was

2074

01:29:17,870 --> 01:29:14,699

conveying to the committee members in

2075

01:29:22,790 --> 01:29:19,729

hmm

2076

01:29:26,450 --> 01:29:22,800

yeah good good points um Kirkpatrick

2077

01:29:29,510 --> 01:29:26,460

looked super frustrated at this hearing

2078

01:29:31,430 --> 01:29:29,520

um I think it's because you know he

2079

01:29:34,010 --> 01:29:31,440

wasn't really ready to speak publicly at

2080

01:29:36,290 --> 01:29:34,020

all about what era was doing and a part

2081

01:29:38,209 --> 01:29:36,300

of me understands that but then you know

2082

01:29:39,770 --> 01:29:38,219

Arrow also created a Twitter account and

2083

01:29:41,450 --> 01:29:39,780

said we'll be sharing stuff as it comes

2084

01:29:43,550 --> 01:29:41,460

out and they didn't do that it's been

2085

01:29:47,030 --> 01:29:43,560

like a year since that Twitter account

2086

01:29:48,410 --> 01:29:47,040

opened um however uh as Ross points out

2087

01:29:51,770 --> 01:29:48,420

there's many

2088

01:29:53,330 --> 01:29:51,780

um reasons that what we saw in the

2089

01:29:55,669 --> 01:29:53,340

public hearing

2090

01:29:57,470 --> 01:29:55,679

um you know why a lot of what was in the

2091

01:29:59,390 --> 01:29:57,480

classified hearing might remain

2092

01:30:02,209 --> 01:29:59,400

classified and also how the funding

2093

01:30:04,310 --> 01:30:02,219

greatly affects all of this so

2094

01:30:06,350 --> 01:30:04,320

um yeah yeah interesting that an

2095

01:30:09,830 --> 01:30:06,360

astronaut was at the classified version

2096

01:30:13,189 --> 01:30:09,840

makes me wonder if like maybe the NASA

2097

01:30:16,310 --> 01:30:13,199

UAP study is now working with the UAP

2098

01:30:19,250 --> 01:30:16,320

um Aero office on their study I don't

2099

01:30:21,530 --> 01:30:19,260

know there's so much stuff going on so

2100

01:30:23,689 --> 01:30:21,540

many groups doing different studies and

2101

01:30:26,330 --> 01:30:23,699

but also working with each other and

2102

01:30:28,610 --> 01:30:26,340

this that this that um can't keep track

2103

01:30:31,129 --> 01:30:28,620

of it anymore but yeah yeah everyone's

2104

01:30:35,209 --> 01:30:31,139

in the chat saying horse and pony show

2105

01:30:37,669 --> 01:30:35,219

um again I'm so sorry guys I'm trying to

2106

01:30:39,649 --> 01:30:37,679

see your comments here on YouTube

2107

01:30:44,149 --> 01:30:39,659

because for some reason they're not

2108

01:30:46,250 --> 01:30:44,159

showing up here on on um my stream oh no

2109

01:30:49,970 --> 01:30:46,260

I just lost your comments

2110

01:30:51,410 --> 01:30:49,980

hold on I'll get back to him

2111

01:30:53,570 --> 01:30:51,420

so I want to hear what you guys are

2112

01:30:55,790 --> 01:30:53,580

saying you're probably so effing sick of

2113

01:30:58,850 --> 01:30:55,800

hearing me

2114

01:31:01,250 --> 01:30:58,860

um here we go give me one sec I'm gonna

2115

01:31:03,410 --> 01:31:01,260

open the live chat okay

2116

01:31:06,050 --> 01:31:03,420

let's see Arrow was created for

2117

01:31:07,070 --> 01:31:06,060

resolution not research stink says yeah

2118

01:31:08,689 --> 01:31:07,080

yeah

2119

01:31:11,990 --> 01:31:08,699

um I'm pretty I think Kirkpatrick even

2120

01:31:15,229 --> 01:31:12,000

said that like they're not there to

2121

01:31:18,169 --> 01:31:15,239

quote unquote research or or tell us

2122

01:31:20,629 --> 01:31:18,179

that aliens exist like that's an assa's

2123

01:31:22,669 --> 01:31:20,639

job if they find evidence in this stuff

2124

01:31:24,229 --> 01:31:22,679

they're identifying

2125

01:31:26,090 --> 01:31:24,239

um that could be extra threshold they

2126

01:31:28,370 --> 01:31:26,100

then turn it over to NASA they

2127

01:31:30,830 --> 01:31:28,380

investigate they research

2128

01:31:32,990 --> 01:31:30,840

um as Kirkpatrick said someone else's

2129

01:31:34,850 --> 01:31:33,000

problem once these things are resolved

2130

01:31:36,649 --> 01:31:34,860

so yeah yeah I thought that was

2131

01:31:39,350 --> 01:31:36,659

interesting I think Arrow will disappear

2132

01:31:40,850 --> 01:31:39,360

it's all fake says um it's possible even

2133

01:31:42,590 --> 01:31:40,860

Kirkpatrick said we want to be

2134

01:31:44,629 --> 01:31:42,600

successful with arrow so that there

2135

01:31:46,129 --> 01:31:44,639

doesn't have to be an arrow or the

2136

01:31:48,950 --> 01:31:46,139

funding will dry out this thing will

2137

01:31:52,250 --> 01:31:48,960

dissolve and it's like it never happened

2138

01:31:54,050 --> 01:31:52,260

um so we'll see only time will truly

2139

01:31:56,209 --> 01:31:54,060

truly tell

2140

01:31:59,090 --> 01:31:56,219

uh Ross sounds very confident in his

2141

01:32:01,790 --> 01:31:59,100

sources Jacob says he does so that makes

2142

01:32:04,070 --> 01:32:01,800

me believe that there is something to it

2143

01:32:05,450 --> 01:32:04,080

um but that's going to bring us to our

2144

01:32:08,870 --> 01:32:05,460

last clip

2145

01:32:11,090 --> 01:32:08,880

um because there is someone who we are

2146

01:32:13,070 --> 01:32:11,100

all familiar with who

2147

01:32:15,890 --> 01:32:13,080

um angers and upsets a lot in the UFO

2148

01:32:18,350 --> 01:32:15,900

field I love his work I always will I

2149

01:32:21,470 --> 01:32:18,360

respect him greatly and he is a voice of

2150

01:32:22,689 --> 01:32:21,480

reason in a place that um often lacks

2151
01:32:25,729 --> 01:32:22,699
reason

2152
01:32:28,850 --> 01:32:25,739
and that's the UFO field

2153
01:32:30,709 --> 01:32:28,860
um I know I sound harsh guys but come on

2154
01:32:33,890 --> 01:32:30,719
we all have to admit we're our own worst

2155
01:32:35,990 --> 01:32:33,900
enemies sometimes that being said John

2156
01:32:38,930 --> 01:32:36,000
Greenwald brought up some points about

2157
01:32:41,450 --> 01:32:38,940
Anonymous sources and

2158
01:32:42,649 --> 01:32:41,460
um some things around the corner and all

2159
01:32:45,649 --> 01:32:42,659
that stuff we've been talking about

2160
01:32:48,169 --> 01:32:45,659
tonight and um had her message in a

2161
01:32:51,050 --> 01:32:48,179
recent live stream that he did and over

2162
01:32:53,990 --> 01:32:51,060
on his podcast so we're gonna wrap up

2163
01:32:56,450 --> 01:32:54,000

our Clips with that so let's go ahead

2164

01:32:59,149 --> 01:32:56,460

ahead and watch that and talk about it

2165

01:33:01,790 --> 01:32:59,159

on the other side so my opinion all of

2166

01:33:04,729 --> 01:33:01,800

this type of stuff is bunk all those

2167

01:33:06,770 --> 01:33:04,739

social media accounts uh citing their

2168

01:33:09,410 --> 01:33:06,780

Anonymous sources and my source told me

2169

01:33:11,629 --> 01:33:09,420

this great well now's the time to put up

2170

01:33:13,370 --> 01:33:11,639

if any of these Anonymous people that

2171

01:33:16,189 --> 01:33:13,380

are helping either YouTubers or social

2172

01:33:17,750 --> 01:33:16,199

media accounts it's time to step up you

2173

01:33:20,090 --> 01:33:17,760

can do so without telling the public

2174

01:33:21,950 --> 01:33:20,100

your identity but go directly to the

2175

01:33:24,830 --> 01:33:21,960

Senate if Kirkpatrick does not have

2176

01:33:26,750 --> 01:33:24,840

access himself or he is lying then Now's

2177

01:33:29,390 --> 01:33:26,760

the Time to either put up or shut up

2178

01:33:31,970 --> 01:33:29,400

because as anybody knows on this on this

2179

01:33:35,090 --> 01:33:31,980

channel I do not care for anonymous

2180

01:33:37,790 --> 01:33:35,100

sources at all because most of the time

2181

01:33:39,530 --> 01:33:37,800

it's all bunk anyway and provable but

2182

01:33:42,830 --> 01:33:39,540

most of the time when it's not provable

2183

01:33:46,310 --> 01:33:42,840

per se it's highly unlikely any of it is

2184

01:33:48,950 --> 01:33:46,320

true so the public is hearing BS they

2185

01:33:52,250 --> 01:33:48,960

really are and I think that that's what

2186

01:33:54,410 --> 01:33:52,260

we need to ensure is not how we all end

2187

01:33:59,090 --> 01:33:54,420

up the people that are make making

2188

01:34:01,729 --> 01:33:59,100

claims out there of uh leaked classified

2189

01:34:04,250 --> 01:34:01,739

information and alien Tech and people

2190

01:34:06,709 --> 01:34:04,260

with these outlandish claims as I said

2191

01:34:10,189 --> 01:34:06,719

in the beginning of this deep dive it is

2192

01:34:12,770 --> 01:34:10,199

important to either put up or shut up

2193

01:34:14,330 --> 01:34:12,780

and I really truly believe we need to

2194

01:34:17,149 --> 01:34:14,340

get into that mindset that people

2195

01:34:19,729 --> 01:34:17,159

shouldn't be afraid to call others out

2196

01:34:25,250 --> 01:34:19,739

when they aren't taking the care that

2197

01:34:25,260 --> 01:34:28,729

foreign

2198

01:34:32,689 --> 01:34:31,490

there it is guys final words of

2199

01:34:35,510 --> 01:34:32,699

tonight's live stream from John

2200

01:34:37,550 --> 01:34:35,520

Greenwald about putting up or shutting

2201

01:34:40,850 --> 01:34:37,560

up clearly he has strong thoughts on

2202

01:34:42,290 --> 01:34:40,860

this you know Anonymous sources um I've

2203

01:34:44,930 --> 01:34:42,300

spoken to this person but I cannot

2204

01:34:46,669 --> 01:34:44,940

divulge who they are but trust me trust

2205

01:34:48,470 --> 01:34:46,679

me on this we're hearing that a lot

2206

01:34:51,530 --> 01:34:48,480

lately

2207

01:34:53,930 --> 01:34:51,540

um and look I I fall victim to it I've

2208

01:34:54,590 --> 01:34:53,940

used synonymous sources in the past

2209

01:34:56,750 --> 01:34:54,600

um

2210

01:34:58,669 --> 01:34:56,760

you know I've hinted at things and been

2211

01:35:01,070 --> 01:34:58,679

like well I can't talk about it yet but

2212

01:35:03,530 --> 01:35:01,080

trust me it's coming out so look we're

2213

01:35:05,629 --> 01:35:03,540

all guilty of it I've done it I'm sure

2214

01:35:07,669 --> 01:35:05,639

John's done it in the past I'm sure he

2215

01:35:11,270 --> 01:35:07,679

would admit that too

2216

01:35:12,770 --> 01:35:11,280

um and it's it's I don't know I don't

2217

01:35:14,030 --> 01:35:12,780

know where I really land on it all

2218

01:35:16,970 --> 01:35:14,040

because

2219

01:35:19,490 --> 01:35:16,980

as journalists like you do work with

2220

01:35:22,070 --> 01:35:19,500

Anonymous sources constantly it's

2221

01:35:24,410 --> 01:35:22,080

actually pretty common especially when

2222

01:35:26,090 --> 01:35:24,420

it comes to very hot button issues or

2223

01:35:27,950 --> 01:35:26,100

controversial things

2224

01:35:29,270 --> 01:35:27,960

um some of the greatest stories in

2225

01:35:31,010 --> 01:35:29,280

history

2226

01:35:33,890 --> 01:35:31,020

um have been leaked and have been

2227

01:35:36,770 --> 01:35:33,900

brought forward by Anonymous sources so

2228

01:35:39,410 --> 01:35:36,780

I I don't know I struggle

2229

01:35:41,990 --> 01:35:39,420

um but I understand John's kind of put

2230

01:35:43,550 --> 01:35:42,000

up or shut up mentality we hear that

2231

01:35:46,370 --> 01:35:43,560

it's happening and then it doesn't

2232

01:35:48,830 --> 01:35:46,380

happen or it's coming in six months and

2233

01:35:51,770 --> 01:35:48,840

six months pass and nothing

2234

01:35:53,090 --> 01:35:51,780

um so I think the key word here is

2235

01:35:56,450 --> 01:35:53,100

accountability

2236

01:35:58,910 --> 01:35:56,460

I will accept that your anonymous source

2237

01:36:01,729 --> 01:35:58,920

said this and that um it's coming I'll

2238

01:36:04,189 --> 01:36:01,739

accept that until that date comes and

2239

01:36:08,510 --> 01:36:04,199

passes and nothing happens and then

2240

01:36:11,209 --> 01:36:08,520

you're accountable for that you reap the

2241

01:36:12,410 --> 01:36:11,219

consequence of what you said what you

2242

01:36:13,070 --> 01:36:12,420

claimed

2243

01:36:15,229 --> 01:36:13,080

um

2244

01:36:16,550 --> 01:36:15,239

so yeah I think that's kind of where I

2245

01:36:19,189 --> 01:36:16,560

want to leave it tonight guys this has

2246

01:36:21,410 --> 01:36:19,199

been a jam-packed live stream

2247

01:36:22,790 --> 01:36:21,420

um a lot of talk of Arrow a lot of talk

2248

01:36:24,050 --> 01:36:22,800

of government a lot of talk of

2249

01:36:25,610 --> 01:36:24,060

whistleblowers

2250

01:36:27,470 --> 01:36:25,620

um but at the end of the day it's time

2251

01:36:30,290 --> 01:36:27,480

to put up or shut up

2252

01:36:33,229 --> 01:36:30,300

um the world is moving rapidly in good

2253

01:36:34,910 --> 01:36:33,239

ways in bad ways uh we covered so much

2254

01:36:37,129 --> 01:36:34,920

of the awesome space stuff going on

2255

01:36:39,290 --> 01:36:37,139

tonight but we also covered a lot of

2256

01:36:42,110 --> 01:36:39,300

stuff about arrow and how nothing's

2257

01:36:43,850 --> 01:36:42,120

happening and um it's frustrating and

2258

01:36:46,310 --> 01:36:43,860

they know stuff but they're not saying

2259

01:36:47,689 --> 01:36:46,320

it and it's uh

2260

01:36:50,030 --> 01:36:47,699

Ohio

2261

01:36:53,450 --> 01:36:50,040

it's just exhausting

2262

01:36:56,810 --> 01:36:53,460

it's exhausting so I do agree put up or

2263

01:36:58,610 --> 01:36:56,820

shut up and um if you don't like that um

2264

01:37:00,890 --> 01:36:58,620

that's your fault that's your problem

2265

01:37:04,310 --> 01:37:00,900

you're the one who made the claim

2266

01:37:06,890 --> 01:37:04,320

um stop teasing and just come out with

2267

01:37:10,189 --> 01:37:06,900

it if you truly want the best for this

2268

01:37:12,830 --> 01:37:10,199

field and you truly want the public to

2269

01:37:14,209 --> 01:37:12,840

know what's going on and you have that

2270

01:37:17,930 --> 01:37:14,219

information

2271

01:37:21,229 --> 01:37:17,940

get that source to freaking get that

2272

01:37:24,470 --> 01:37:21,239

stuff out there any way they can please

2273

01:37:25,790 --> 01:37:24,480

please please please please so I'm gonna

2274

01:37:28,070 --> 01:37:25,800

leave it with that

2275

01:37:30,229 --> 01:37:28,080

um that's that's not directed towards

2276

01:37:31,310 --> 01:37:30,239

any specific people or anything like

2277

01:37:32,990 --> 01:37:31,320

that

2278

01:37:34,610 --> 01:37:33,000

um I think it's just kind of an overall

2279

01:37:36,110 --> 01:37:34,620

thing that we see permeate throughout

2280

01:37:37,669 --> 01:37:36,120

the UFO field

2281

01:37:40,729 --> 01:37:37,679

um and on UFO Twitter and people

2282

01:37:43,610 --> 01:37:40,739

claiming to be an Insider on things and

2283

01:37:46,189 --> 01:37:43,620

I will I will say that a lot of it is

2284

01:37:47,810 --> 01:37:46,199

complete BS it's just people wanting to

2285

01:37:49,370 --> 01:37:47,820

feel important

2286

01:37:51,470 --> 01:37:49,380

um and

2287

01:37:54,649 --> 01:37:51,480

um being ambiguous because they know

2288

01:37:56,930 --> 01:37:54,659

they won't ever be exposed for it and um

2289

01:37:59,330 --> 01:37:56,940

look if you're lying that you have

2290

01:38:01,250 --> 01:37:59,340

sources and you're lying about stuff um

2291

01:38:04,189 --> 01:38:01,260

that will out

2292

01:38:07,430 --> 01:38:04,199

um you will get caught it that's just

2293

01:38:10,850 --> 01:38:07,440

the way it is so um yeah yeah I will

2294

01:38:15,110 --> 01:38:10,860

leave it with that morality Channel as

2295

01:38:17,750 --> 01:38:15,120

it were um but before we go guys I do

2296

01:38:20,270 --> 01:38:17,760

want to share what's coming out uh

2297

01:38:22,250 --> 01:38:20,280

tonight and that is a brand new episode

2298

01:38:26,629 --> 01:38:22,260

of somewhere in the skies

2299

01:38:28,669 --> 01:38:26,639

oh my God this episode was a doozy

2300

01:38:31,550 --> 01:38:28,679

um probably the darkest episode of

2301
01:38:33,890 --> 01:38:31,560
somewhere in the skies I've ever done I

2302
01:38:36,770 --> 01:38:33,900
did an episode on the death of like

2303
01:38:38,510 --> 01:38:36,780
ufologists and those Who Knew Too Much

2304
01:38:41,450 --> 01:38:38,520
and how they are permanently silenced

2305
01:38:44,270 --> 01:38:41,460
and that was pretty dark but oh my gosh

2306
01:38:47,570 --> 01:38:44,280
in researching this episode with my

2307
01:38:50,510 --> 01:38:47,580
co-researcher Marcus loath um

2308
01:38:52,010 --> 01:38:50,520
man I don't even know where to begin

2309
01:38:54,410 --> 01:38:52,020
um here's a summary of the episode

2310
01:38:56,570 --> 01:38:54,420
coming out in just a couple hours

2311
01:38:58,790 --> 01:38:56,580
a writer arrives at a coffee shop in

2312
01:39:00,950 --> 01:38:58,800
Wales to interview a woman about a UFO

2313
01:39:03,890 --> 01:39:00,960

wave over the town of pembrookeshire in

2314

01:39:05,689 --> 01:39:03,900

the 1970s but what she tells him would

2315

01:39:08,209 --> 01:39:05,699

completely shift the focus of his

2316

01:39:10,790 --> 01:39:08,219

writing and the woman would relate one

2317

01:39:13,610 --> 01:39:10,800

of the most unique dark and disturbing

2318

01:39:16,550 --> 01:39:13,620

string of encounters to ever be recorded

2319

01:39:19,729 --> 01:39:16,560

in UFO history these are the dark

2320

01:39:22,189 --> 01:39:19,739

Encounters of Susan

2321

01:39:24,590 --> 01:39:22,199

so yeah that will be dropping on the

2322

01:39:27,169 --> 01:39:24,600

podcast feed in the coming hours I

2323

01:39:29,510 --> 01:39:27,179

really hope you enjoy it I hired a

2324

01:39:32,090 --> 01:39:29,520

brilliant voice over actor in New York

2325

01:39:33,649 --> 01:39:32,100

City to voice Susan

2326

01:39:35,629 --> 01:39:33,659

um and she just knocked it out of the

2327

01:39:39,410 --> 01:39:35,639

park Emily battles if you're watching

2328

01:39:41,209 --> 01:39:39,420

this God bless you you are a talent

2329

01:39:42,530 --> 01:39:41,219

um that I will continue using in the

2330

01:39:45,110 --> 01:39:42,540

future um

2331

01:39:47,990 --> 01:39:45,120

she just brought this Susan character to

2332

01:39:49,490 --> 01:39:48,000

life in ways I did not expect so I think

2333

01:39:50,629 --> 01:39:49,500

you're really really going to dig the

2334

01:39:54,770 --> 01:39:50,639

episode

2335

01:39:55,910 --> 01:39:54,780

um and uh and if any of what this Susan

2336

01:39:59,330 --> 01:39:55,920

character

2337

01:40:03,290 --> 01:40:01,729

these aliens are not friendly I'm just

2338

01:40:05,810 --> 01:40:03,300

gonna put it that way

2339

01:40:10,189 --> 01:40:05,820

um so I will leave you with that guys

2340

01:40:11,750 --> 01:40:10,199

but before we go once again stories from

2341

01:40:14,270 --> 01:40:11,760

somewhere in the skies my new book is

2342

01:40:15,470 --> 01:40:14,280

now available on Amazon please go check

2343

01:40:17,629 --> 01:40:15,480

2344

01:40:20,870 --> 01:40:17,639

um it's available in paperback and ebook

2345

selfies of the book I love seeing that I

2347

01:40:31,370 --> 01:40:25,920

absolutely love seeing that um I got one

2348

01:40:33,950 --> 01:40:31,380

from my mom just like moments ago let me

2349

01:40:36,590 --> 01:40:33,960

see if I can find it my mom dad and

2350

01:40:39,770 --> 01:40:36,600

sister were all so kind to do that

2351

01:40:40,490 --> 01:40:39,780

um there is my beautiful mother with my

2352

01:40:42,350 --> 01:40:40,500

book

2353

01:40:43,970 --> 01:40:42,360

um brought a tear to my eye she sent

2354

01:40:46,370 --> 01:40:43,980

that to me in the middle of one of our

2355

01:40:47,689 --> 01:40:46,380

videos so thank you see Sprague for your

2356

01:40:49,790 --> 01:40:47,699

support she's like my biggest

2357

01:40:51,830 --> 01:40:49,800

cheerleader ever

2358

01:40:54,590 --> 01:40:51,840

um yeah send me your selfies with the

2359

01:40:56,990 --> 01:40:54,600

book I love seeing that um most

2360

01:40:59,030 --> 01:40:57,000

importantly go rate and review the book

2361

01:41:01,430 --> 01:40:59,040

on Amazon it boosts us up in the

2362

01:41:03,950 --> 01:41:01,440

algorithms and gets us featured on

2363

01:41:05,570 --> 01:41:03,960

Amazon pages and even possibly the front

2364
