

# TOM DELONGE TALKS UFOS

2002

1  
00:00:00,300 --> 00:00:12,000

well I have a friend that's been uh working to out\nh  
like his secrecy of UFOs for like 10 years and I\nh\nh

2  
00:00:12,000 --> 00:00:19,080

met up with him on the east coast and I asked him\nh  
what he was doing wondering if there's anything I\nh\nh

3  
00:00:19,080 --> 00:00:26,640

could do to help or whatever and he he spent 10\nh  
years filming like over 500 top secret witnesses\nh\nh

4  
00:00:26,640 --> 00:00:35,160

that work for the government and uh they all work\nh  
for like you know everywhere from CIA to Lockheed\nh\nh

5  
00:00:35,160 --> 00:00:42,540

Martin to Boeing Corporation to uh the defense\nh  
intelligence agency the NSA and the nro these\nh\nh

6  
00:00:42,540 --> 00:00:46,500

are all like spy agencies and stuff and all these\nh  
people are talking and they're on camera because\nh\nh

7  
00:00:47,520 --> 00:00:53,760

they understand that this videotape is what's\nh  
going to get them to be able to testify in front\nh\nh

8  
00:00:53,760 --> 00:01:00,420

of Congress and so they're all talking about a lot\nh  
of things about aliens and UFOs from people that\nh\nh

9  
00:01:00,420 --> 00:01:05,280

were in charge of like a whole nuclear missile\nh  
inventory they were in short people that worked\nh\nh

10  
00:01:05,280 --> 00:01:10,140

at like NORAD and all this stuff and there's one\nh  
guy's talking because he he used to work for uh\nh\nh

11  
00:01:10,980 --> 00:01:17,460  
the Air Force and they're called the Blue Berets\h  
and they work for a nuclear like cleanup task\h\h

12  
00:01:17,460 --> 00:01:22,440  
force and so they get these pages and they'd fly\h  
all over the Earth and if there's like a nuclear\h\h

13  
00:01:22,440 --> 00:01:25,560  
warhead that's leaking or something's going\h  
wrong they were the only ones that had top\h\h

14  
00:01:25,560 --> 00:01:30,960  
secret clearance high enough to like fix or and\h  
contain the area where our own nuclear weapons\h\h

15  
00:01:30,960 --> 00:01:35,160  
are it's like no one's allowed to see him but he\h  
was one of a few people that would get his page\h\h

16  
00:01:35,160 --> 00:01:39,300  
and they'd fly across wherever they're cutting you\h  
know the continent or whatever and they would land\h\h

17  
00:01:39,300 --> 00:01:45,480  
and instead there being like a nuclear warhead\h  
there would be like a crashed UFO in alien bodies\h\h

18  
00:01:45,480 --> 00:01:48,960  
and stuff and he was on this crash retrieval\h  
team and he talks about all these stories\h\h

19  
00:01:49,560 --> 00:01:55,620  
that he used to um get bodies and and the actual\h  
hardware and he was the one that was responsible\h\h

20  
00:01:55,620 --> 00:01:58,860  
make sure make sure it gets shipped down to\h  
like Wright-Patterson Air Force Base into\h\h

21  
00:01:59,760 --> 00:02:04,920  
the Nevada test range where Area 51 is and stuff\h  
and he talks of another time where he was in the\h\h

22  
00:02:04,920 --> 00:02:11,340  
Pentagon this was the story you want to hear where\h  
he's at the Pentagon in uh and his boss comes into\h\h

23  
00:02:11,340 --> 00:02:15,480  
him takes and takes him into a certain area\h  
where they go down these stairs to an elevator\h\h

24  
00:02:16,320 --> 00:02:22,620  
go down the elevator about he's probably like\h  
six or seven stories underneath the Pentagon\h\h

25  
00:02:22,620 --> 00:02:27,240  
they got out and they walked on this big long\h  
white tunnel and they walked down that they get\h\h

26  
00:02:27,240 --> 00:02:33,120  
in this uh little car and the car goes he didn't\h  
say he said it went like really fast for I think\h\h

27  
00:02:33,120 --> 00:02:40,500  
20 minutes underground they get out and they walk\h  
through another white tunnel and uh and his boss\h\h

28  
00:02:40,500 --> 00:02:46,140  
looked at him and said uh said something he said\h  
something like things aren't always like as they\h\h

29  
00:02:46,140 --> 00:02:52,080  
seem or something it sounds like a movie but this\h  
guy is like testifying on camera and and pushes\h\h

30  
00:02:52,080 --> 00:02:56,100  
him through these two double doors and at that\h  
time he's going why is this guy [\h\_\_\h] around\h\h

31  
00:02:56,100 --> 00:03:00,000  
it's actually kind of probably you know it's\h  
making me mad that's why I think he was thinking\h\h

32  
00:03:00,000 --> 00:03:04,620  
but he fell this time after he kind of pushed\h  
him and he got up and then he saw like this desk\h\h

33  
00:03:05,160 --> 00:03:13,440  
and he saw two Military Officers in in right in\h  
the middle on his desk was this little short human\h\h

34  
00:03:13,440 --> 00:03:19,680  
being looking type of thing with bigger black eyes\h  
and he said instantly every like little bit of\h\h

35  
00:03:19,680 --> 00:03:28,860  
emotion fear pain like happiness everything came\h  
out at the exact same time and uh and I don't know\h\h

36  
00:03:28,860 --> 00:03:33,120  
and then he woke up in his boss's office and his\h  
boss was trying to make him say you know say that\h\h

37  
00:03:33,120 --> 00:03:39,420  
it never happened but uh he did that and it's been\h  
his whole career career working with like these\h\h

38  
00:03:39,420 --> 00:03:43,800  
beings and stuff and he's testifying on camera\h  
oh I should take you in another room and show you\h\h

39  
00:03:43,800 --> 00:03:49,500  
my little collection of UFO books and videos the\h  
testimonies of all the people on these tapes here\h\h

40  
00:03:51,300 --> 00:03:56,940  
and all the people on those tapes comprise\h  
like there's 136 hours of interviews of people\h\h

41  
00:03:56,940 --> 00:04:02,820  
testifying about their jobs that dealt with  
aliens in the military my rad like books on a

42  
00:04:03,420 --> 00:04:07,380  
secret architecture of our nation's capital  
the whole thing set up it's all creepy it's

43  
00:04:07,380 --> 00:04:11,700  
weird The Architects of the underworld It's  
All About The Monuments and pyramids on Mars

44  
00:04:11,700 --> 00:04:16,440  
and the mathematical geometrical shapes and the  
oh see there's all these pyramids and stuff on

45  
00:04:16,440 --> 00:04:24,420  
Mars and they make all these weird like angles and  
stuff but those angles are the key to tetrahedral

46  
00:04:24,420 --> 00:04:31,020  
physics and once you understand the science of  
that that's the secret to space travel and time

47  
00:04:31,020 --> 00:04:38,520  
travel and what's even more interesting the big  
defense contractor that does all the UFO stuff

48  
00:04:38,520 --> 00:04:43,560  
like for the military and the government is in  
La Jolla and out in front of their building they

49  
00:04:43,560 --> 00:04:48,420  
have two eight foot tall Egyptian statues and one  
is holding a pyramid in his hand and it says the

50  
00:04:48,420 --> 00:04:53,460  
past and one's holding a pyramid in his hand and  
it says the future and they're big Bronze Statues

51  
00:04:53,460 --> 00:05:00,840  
in front of this company in this company I have on  
one of these tapes a girl testifying how they put

52  
00:05:00,840 --> 00:05:06,420  
billions of dollars or millions of dollars into  
UFO related programs and they create them and

53  
00:05:06,420 --> 00:05:10,260  
they're fake so they get audited by the general  
Accounting Office of the United States government

54  
00:05:11,220 --> 00:05:14,280  
it just looks like all the money's  
going into [ ] more helicopters

55  
00:05:14,280 --> 00:05:18,780  
but it's really going into like UFO related  
programs and there's Egyptians in front of

56  
00:05:18,780 --> 00:05:23,640  
the building dude holding pyramids and saying  
the past in the future I have people from the
