we would be here for 10 hours which

116

00:07:23,870 --> 00:07:21,660

we're probably gonna be tonight anyways

117

00:07:27,170 --> 00:07:23,880

because there's so much to talk about

118

00:07:29,330 --> 00:07:27,180

um but she is just an exceptional human

119

00:07:31,790 --> 00:07:29,340

being she has been through everything

120

00:07:33,770 --> 00:07:31,800

you can think of every every challenge

121

00:07:37,070 --> 00:07:33,780

life could throw you and she has come

122

00:07:39,230 --> 00:07:37,080

out on the other side such a stronger

123

00:07:42,350 --> 00:07:39,240

and better person

124

00:07:45,830 --> 00:07:42,360

um for those of you who may not know uh

125

00:07:49,249 --> 00:07:45,840

my mom is a kidney pancreas transplant

126

00:07:51,050 --> 00:07:49,259

recipient she was a diabetic for half of

127

00:07:53,629 --> 00:07:51,060

her life and um

128

00:07:56,210 --> 00:07:53,639

you know uh she went into kidney failure

129

00:07:58,610 --> 00:07:56,220

and I still remember the day she came in

130

00:08:00,170 --> 00:07:58,620

to tell me you know if if I don't get a

131

00:08:03,170 --> 00:08:00,180

transplant I don't know how much longer

132

00:08:06,469 --> 00:08:03,180

I'm gonna be around and

133

00:08:07,790 --> 00:08:06,479

um that moment changed me as a kid

134

00:08:11,150 --> 00:08:07,800

luckily

135

00:08:14,809 --> 00:08:11,160

she got the transplant and uh got her

136

00:08:18,529 --> 00:08:14,819

second chance at life and she has made

137

00:08:20,270 --> 00:08:18,539

the most of it she is a true inspiration

138

00:08:22,610 --> 00:08:20,280

um her strength and resilience just

139

00:08:24,290 --> 00:08:22,620

continues to Astound me and she is one

140

00:08:26,990 --> 00:08:24,300

of my biggest supporters

141

00:08:30,469 --> 00:08:27,000

of everything I do whether it's in the

142

00:08:32,870 --> 00:08:30,479

world of theater or UFOs or just life in

143

00:08:34,790 --> 00:08:32,880

general she is my my biggest biggest

144

00:08:37,010 --> 00:08:34,800

supporter and I'm sending all my love to

145

00:08:39,589 --> 00:08:37,020

148

00:08:46,610 --> 00:08:44,760

Mother's Day to all of you out there

149

00:08:50,030 --> 00:08:46,620

all right

150

00:08:52,370 --> 00:08:50,040

let's get to it guys we have so much to

151

00:08:55,190 --> 00:08:52,380

talk about so let's start with the news

152

00:08:58,009 --> 00:08:55,200

you got a little preview earlier of what

153

00:09:02,030 --> 00:08:58,019

we are going to be beginning with and

154

00:09:05,690 --> 00:09:02,040

that is four major moons on Uranus may

155

00:09:08,150 --> 00:09:05,700

have underground oceans in life this

156

00:09:09,590 --> 00:09:08,160

story comes to us from Popular Mechanics

157

00:09:13,070 --> 00:09:09,600

so I'm going to go ahead and read this

158

00:09:15,949 --> 00:09:13,080

here bear with me

159

00:09:18,949 --> 00:09:15,959

let's see according to a new study led

160

00:09:21,170 --> 00:09:18,959

by NASA's jet propulsion laboratory four

161

00:09:24,710 --> 00:09:21,180

out of five of Uranus's largest moons

162

00:09:27,410 --> 00:09:24,720

may have vast Subterranean oceans and

163

00:09:30,350 --> 00:09:27,420

two of those moons may have oceans warm

164

00:09:31,670 --> 00:09:30,360

enough to support life in a study

165

00:09:34,070 --> 00:09:31,680

recently published in the Journal of

166

00:09:36,230 --> 00:09:34,080

geophysical research the research team

167

00:09:38,030 --> 00:09:36,240

worked to re-examine data on the moons

168

00:09:42,350 --> 00:09:38,040

named Ariel

169

00:09:45,110 --> 00:09:42,360

umbrio oberna Oberon Titania and Miranda

170

00:09:47,750 --> 00:09:45,120

from NASA's Voyager 2 mission which

171

00:09:51,110 --> 00:09:47,760

passed by the Uranus planetary system in

172

00:09:53,509 --> 00:09:51,120

the 1980s that's crazy

173

00:09:55,850 --> 00:09:53,519

man the 80s were a good time

174

00:09:58,670 --> 00:09:55,860

the team Incorporated that archival data

175

00:10:00,530 --> 00:09:58,680

and subsequent subsequent ground-based

176

00:10:02,210 --> 00:10:00,540

observations of the satellites into new

177

00:10:05,690 --> 00:10:02,220

models to better understand the makeup

178

00:10:07,310 --> 00:10:05,700

of these still mysterious objects

179

00:10:09,290 --> 00:10:07,320

bringing together the information we

180

00:10:12,170 --> 00:10:09,300

have gathered on Uranus's moons directly

181

00:10:14,090 --> 00:10:12,180

with our understanding of similarly

182

00:10:16,130 --> 00:10:14,100

sized objects throughout the solar

183

00:10:18,350 --> 00:10:16,140

system the new models were able to show

184

00:10:20,389 --> 00:10:18,360

us in a lot more detail what the layers

185

00:10:22,670 --> 00:10:20,399

of Uranus's biggest moons probably look

186

00:10:24,530 --> 00:10:22,680

like they also allow us to probe what

187

00:10:26,449 --> 00:10:24,540

materials make up the crusts of these

188

00:10:29,150 --> 00:10:26,459

satellites and what events like

189

00:10:31,370 --> 00:10:29,160

potential icy volcanic eruptions may

190

00:10:34,670 --> 00:10:31,380

have shaped their surfaces

191

00:10:36,350 --> 00:10:34,680

of the five moons the paper claims that

192

00:10:39,410 --> 00:10:36,360

all but Miranda likely Harbor

193

00:10:42,110 --> 00:10:39,420

Subterranean oceans and that Oberon and

194

00:10:43,970 --> 00:10:42,120

Titania could theoretically Harbor life

195

00:10:46,370 --> 00:10:43,980

in those Waters

196

00:10:48,829 --> 00:10:46,380

this study comes on the heels of the

197

00:10:51,130 --> 00:10:48,839

national Academy's 2023 planetary

198

00:10:55,069 --> 00:10:51,140

science in astrobiology

199

00:10:58,190 --> 00:10:55,079

decadal survey also known simply as the

200

00:11:00,230 --> 00:10:58,200

decadot which is a once in a decade plan

201  
00:11:02,150 --> 00:11:00,240  
published by members from across the

202  
00:11:03,829 --> 00:11:02,160  
astronomical Community detailing

203  
00:11:07,610 --> 00:11:03,839  
wide-reaching goals for the next 10

204  
00:11:09,769 --> 00:11:07,620  
years 2023's decadal named the Uranus

205  
00:11:11,990 --> 00:11:09,779  
system as a prime target for

206  
00:11:14,210 --> 00:11:12,000  
investigation and announced plans to

207  
00:11:16,670 --> 00:11:14,220  
send spacecraft to the planet in Fairly

208  
00:11:17,569 --> 00:11:16,680  
short order to follow up on voyager's

209  
00:11:21,050 --> 00:11:17,579  
work

210  
00:11:24,230 --> 00:11:21,060  
so this story is to be continued so so

211  
00:11:26,230 --> 00:11:24,240  
cool again the fact that we have the

212  
00:11:28,490 --> 00:11:26,240  
James Webb Telescope out there right now

213  
00:11:29,750 --> 00:11:28,500

Voyager is still out there doing its

214

00:11:31,730 --> 00:11:29,760

thing I know they're having some

215

00:11:35,210 --> 00:11:31,740

problems with voyager right now so I

216

00:11:38,150 --> 00:11:35,220

really hope they get that fixed um that

217

00:11:39,769 --> 00:11:38,160

uh we're we're gonna find it guys we're

218

00:11:44,030 --> 00:11:39,779

gonna find life out there possibly

219

00:11:45,710 --> 00:11:44,040

microbial but life nonetheless so I

220

00:11:47,150 --> 00:11:45,720

think it's pretty cool it's pretty cool

221

00:11:49,250 --> 00:11:47,160

I know a lot of you in the chat probably

222

00:11:51,650 --> 00:11:49,260

think life has already visited and

223

00:11:54,290 --> 00:11:51,660

that's fair this is a UFO show so

224

00:11:57,590 --> 00:11:54,300

clearly I entertain that possibility as

225

00:11:59,030 --> 00:11:57,600

well I've spoken to obviously hundreds

226

00:12:02,329 --> 00:11:59,040

and hundreds of people who believe that

227

00:12:04,190 --> 00:12:02,339

as well so that door is always always

228

00:12:06,769 --> 00:12:04,200

open

229

00:12:09,350 --> 00:12:06,779

um let's see here pretty crazy story

230

00:12:12,110 --> 00:12:09,360

what do you guys think about this Uranus

231

00:12:13,310 --> 00:12:12,120

might on its moons have life really

232

00:12:15,350 --> 00:12:13,320

really cool

233

00:12:18,290 --> 00:12:15,360

Jess has every place with water probably

234

00:12:20,269 --> 00:12:18,300

has life yeah I mean I mean naturally

235

00:12:23,090 --> 00:12:20,279

right Jess

236

00:12:24,190 --> 00:12:23,100

pretty pretty cool

237

00:12:27,949 --> 00:12:24,200

um

238

00:12:29,810 --> 00:12:27,959

Eric says it's crazy we're all where all

239

00:12:32,449 --> 00:12:29,820

we are finding conditions possibly good

240

00:12:33,829 --> 00:12:32,459

for life I know the list just keeps

241

00:12:36,889 --> 00:12:33,839

growing Eric especially with the

242

00:12:39,710 --> 00:12:36,899

exoplanets which I'm most excited about

243

00:12:41,569 --> 00:12:39,720

um and moons obviously moons are moons

244

00:12:44,449 --> 00:12:41,579

are where it's at

245

00:12:48,350 --> 00:12:44,459

Ryan Baker's here in Soviet Russia

246

00:12:50,329 --> 00:12:48,360

Uranus probes you good one Ryan always

247

00:12:53,210 --> 00:12:50,339

coming in hot with the Soviet Russia

248

00:12:55,850 --> 00:12:54,769

um all right Doug Sprague is having a

249

00:12:58,930 --> 00:12:55,860

Bud Light tonight what are you guys

250

00:13:00,889 --> 00:12:58,940

drinking night gazers having tequila

251

00:13:03,590 --> 00:13:00,899

paranormal pixie is here hello

252

00:13:04,970 --> 00:13:03,600

paranormal one of our regulars Lara

253

00:13:07,790 --> 00:13:04,980

thank you so much thank you thank you

254

00:13:08,509 --> 00:13:07,800

for being here as well

255

00:13:11,590 --> 00:13:08,519

um

256

00:13:15,110 --> 00:13:11,600

I missed our first story I got so

257

00:13:16,090 --> 00:13:15,120

jumbled with the Mother's Day greetings

258

00:13:18,710 --> 00:13:16,100

um

259

00:13:21,410 --> 00:13:18,720

this is pretty cool this story came to

260

00:13:22,910 --> 00:13:21,420

us from Tim binall actually over a Coast

261

00:13:25,910 --> 00:13:22,920

to Coast AM

262

00:13:28,670 --> 00:13:25,920

suspected meteorite crashes through roof

263

00:13:30,290 --> 00:13:28,680

of a New Jersey home I don't have a

264

00:13:32,990 --> 00:13:30,300

slide for this but I'm going to show a

265

00:13:34,910 --> 00:13:33,000

video authorities in New Jersey are

266

00:13:36,470 --> 00:13:34,920

investigating an odd incident wherein

267

00:13:39,170 --> 00:13:36,480

what is believed to be a meteorite

268

00:13:43,550 --> 00:13:39,180

smashed into a residence and left a

269

00:13:46,129 --> 00:13:43,560

sizable hole in the roof this is

270

00:13:47,569 --> 00:13:46,139

pretty cool and a little scary as you'll

271

00:13:49,610 --> 00:13:47,579

see in the video so go ahead and watch

272

00:13:51,050 --> 00:13:49,620

this guys we'll talk about it a little

273

00:13:53,810 --> 00:13:51,060

bit on the other side so it appears

274

00:13:55,970 --> 00:13:53,820

whatever came from the sky fell through

275

00:13:58,069 --> 00:13:55,980

the roof this top left window this is my

276

00:13:59,569 --> 00:13:58,079

dad's bedroom Susie Cobb says she found

277

00:14:01,310 --> 00:13:59,579

this hole in her father's home on Old

278

00:14:03,650 --> 00:14:01,320

Washington Crossing Pennington Road in

279

00:14:05,750 --> 00:14:03,660

Hopewell Township At first she says she

280

00:14:07,670 --> 00:14:05,760

thought someone threw a rock until she

281

00:14:09,710 --> 00:14:07,680

realized it was more than that we're

282

00:14:10,910 --> 00:14:09,720

thinking it's a meteorite came through

283

00:14:16,250 --> 00:14:10,920

here

284

00:14:19,069 --> 00:14:16,260

completely damaged it ricocheted up

285

00:14:21,530 --> 00:14:19,079

to this part of the ceiling

286

00:14:23,690 --> 00:14:21,540

and then finally coming down and resting

287

00:14:25,310 --> 00:14:23,700

just on the floor there Copp says no one

288

00:14:26,930 --> 00:14:25,320

was home at the time as she stepped

289

00:14:29,090 --> 00:14:26,940

around the debris and sheetrock she

290

00:14:31,250 --> 00:14:29,100

found this 4x6 metallic rock in the

291

00:14:32,629 --> 00:14:31,260

corner I did touch the thing because I

292

00:14:34,569 --> 00:14:32,639

just thought it was a random Rock I

293

00:14:36,889 --> 00:14:34,579

don't know and it was warm

294

00:14:38,569 --> 00:14:36,899

Derek Pitts Chief astronomer at the

295

00:14:40,490 --> 00:14:38,579

Franklin Institute says it could be four

296

00:14:42,230 --> 00:14:40,500

to five billion years old left over from

297

00:14:44,389 --> 00:14:42,240

the beginning of the solar system it's

298

00:14:46,550 --> 00:14:44,399

been running around in space all that

299

00:14:48,949 --> 00:14:46,560

time and now it's come to Earth and it

300

00:14:51,470 --> 00:14:48,959

fell right into their collapse but for

301

00:14:54,170 --> 00:14:51,480

to actually strike a house

302

00:14:56,629 --> 00:14:54,180

for people to be able to pick up that's

303

00:14:58,310 --> 00:14:56,639

really unusual it has happened very few

304

00:15:00,170 --> 00:14:58,320

times in history Copp says emergency

305

00:15:02,269 --> 00:15:00,180

responders came and checked on her and

306

00:15:03,769 --> 00:15:02,279

her family they were afraid that you

307

00:15:05,870 --> 00:15:03,779

know because it did if it fell from the

308

00:15:07,910 --> 00:15:05,880

sky was it radioactive you know could we

309

00:15:10,129 --> 00:15:07,920

have any type of residue on us they did

310

00:15:12,590 --> 00:15:10,139

scan us everything came back clear while

311

00:15:14,769 --> 00:15:12,600

this was a bizarre experience I just

312

00:15:17,389 --> 00:15:14,779

thank God that my father was not here

313

00:15:19,269 --> 00:15:17,399

nobody was here

314

00:15:21,650 --> 00:15:19,279

um you know we weren't hurt or anything

315

00:15:23,329 --> 00:15:21,660

investigators say this may be related to

316

00:15:25,310 --> 00:15:23,339

the current meteor shower the family

317

00:15:28,449 --> 00:15:25,320

says they may buy a lottery ticket after

318

00:15:33,410 --> 00:15:30,769

I love that they might buy a lottery

319

00:15:35,750 --> 00:15:33,420

ticket yeah talk about luck can you

320

00:15:37,430 --> 00:15:35,760

imagine if like someone was home and in

321

00:15:40,310 --> 00:15:37,440

the living room when that thing shot

322

00:15:42,110 --> 00:15:40,320

through the roof I can't imagine

323

00:15:44,930 --> 00:15:42,120

um a little scary too that she actually

324

00:15:46,850 --> 00:15:44,940

touched it and it was still warm

325

00:15:48,530 --> 00:15:46,860

um they had to check her for radiation

326

00:15:50,629 --> 00:15:48,540

which makes sense

327

00:15:53,329 --> 00:15:50,639

um so yeah yeah really really

328

00:15:56,990 --> 00:15:53,339

interesting story we you know things

329

00:15:59,930 --> 00:15:57,000

from space fall onto Earth all the time

330

00:16:02,449 --> 00:15:59,940

oh but since most of the planet's water

331

00:16:04,550 --> 00:16:02,459

it's usually in the oceans but yeah they

332

00:16:06,290 --> 00:16:04,560

fall everywhere and apparently they fall

333

00:16:09,650 --> 00:16:06,300

in the suburbs of New Jersey through

334

00:16:11,090 --> 00:16:09,660

people's roofs as well so um just uh

335

00:16:13,970 --> 00:16:11,100

keep an eye out guys when you're looking

336

00:16:16,430 --> 00:16:13,980

for UFOs up there look for incoming

337

00:16:17,930 --> 00:16:16,440

meteorites as well so I thought that's a

338

00:16:19,970 --> 00:16:17,940

fun story

339

00:16:23,689 --> 00:16:19,980

um pretty pretty cool Susan greetings

340

00:16:26,990 --> 00:16:23,699

from Bermuda welcome welcome Joe is here

341

00:16:29,329 --> 00:16:27,000

from California we've got Tom we've got

342

00:16:32,930 --> 00:16:29,339

Susie here as well

343

00:16:35,629 --> 00:16:32,940

hi guys hello hello to Kisa and the

344

00:16:37,670 --> 00:16:35,639

mumus is that a band name if it is I

345

00:16:39,650 --> 00:16:37,680

love it thank you

346

00:16:41,269 --> 00:16:39,660

love it love it

347

00:16:44,090 --> 00:16:41,279

um there is a message up here I wanted

348

00:16:46,189 --> 00:16:44,100

to get to hello to Terry Dr Greer is

349

00:16:48,949 --> 00:16:46,199

scaring me I hope he doesn't ruin all

350

00:16:51,050 --> 00:16:48,959

that we've accomplished shaking my head

351

00:16:53,269 --> 00:16:51,060

Terry stay tuned brother we're going to

352

00:16:55,129 --> 00:16:53,279

be talking about Dr Greer a little bit

353

00:16:58,370 --> 00:16:55,139

later in the show

354

00:17:00,530 --> 00:16:58,380

um whether we like it or not for sure

355

00:17:01,790 --> 00:17:00,540

he's one of our podcast highlights as

356

00:17:04,189 --> 00:17:01,800

well

357

00:17:07,789 --> 00:17:04,199

um so yeah definitely be on the lookout

358

00:17:11,150 --> 00:17:10,069

um all right let's move to our next

359

00:17:15,530 --> 00:17:11,160

story

360

00:17:18,710 --> 00:17:15,540

this is cool guys so we learned early or

361

00:17:21,350 --> 00:17:18,720

excuse me later last year that NASA was

362

00:17:24,590 --> 00:17:21,360

going to be doing their own UAP study

363

00:17:28,250 --> 00:17:24,600

finally NASA was getting involved with

364

00:17:32,450 --> 00:17:28,260

UFOs God took him freaking long enough

365

00:17:34,130 --> 00:17:32,460

but um yeah they they got a panel of 16

366

00:17:36,230 --> 00:17:34,140

individuals

367

00:17:38,750 --> 00:17:36,240

um experts to come together and do this

368

00:17:41,150 --> 00:17:38,760

study and their findings are going to be

369

00:17:43,610 --> 00:17:41,160

available to the public uh sometime this

370

00:17:46,130 --> 00:17:43,620

summer I don't know exactly when but

371

00:17:49,750 --> 00:17:46,140

this is pretty cool they just announced

372

00:17:53,150 --> 00:17:49,760

this a couple days ago actually

373

00:17:57,830 --> 00:17:53,160

NASA is holding a public meeting at 10

374

00:17:59,930 --> 00:17:57,840

30 a.m on Wednesday May 31st of its

375

00:18:03,169 --> 00:17:59,940

independent study team on categorizing

376

00:18:05,870 --> 00:18:03,179

and evaluating data on UAP the agency

377

00:18:08,150 --> 00:18:05,880

also will host a media teleconference at

378

00:18:10,010 --> 00:18:08,160

the conclusion of the meeting the focus

379

00:18:12,409 --> 00:18:10,020

of this public meeting is to hold final

380

00:18:14,570 --> 00:18:12,419

deliberations before the agency's

381

00:18:17,450 --> 00:18:14,580

independent study team publishes a

382

00:18:19,970 --> 00:18:17,460

report this summer outlining how to

383

00:18:23,270 --> 00:18:19,980

evaluate and study UAP by using data

384

00:18:25,909 --> 00:18:23,280

technology and the tools of science is a

385

00:18:28,570 --> 00:18:25,919

NASA priority it is not a review or

386

00:18:32,150 --> 00:18:28,580

assessment of previous unidentifiable

387

00:18:34,310 --> 00:18:32,160

observations the report will inform NASA

388

00:18:36,590 --> 00:18:34,320

on what possible data could be collected

389

00:18:38,990 --> 00:18:36,600

in the future to shed light on the

390

00:18:41,210 --> 00:18:39,000

nature and origin of UAP

391

00:18:43,430 --> 00:18:41,220

in accordance with the federal advisory

392

00:18:46,090 --> 00:18:43,440

committee act the meeting includes an

393

00:18:48,770 --> 00:18:46,100

opportunity for the public to comment

394

00:18:52,310 --> 00:18:48,780

NASA will accept questions beginning at

395

00:18:54,470 --> 00:18:52,320

10 A.M on Friday May 12th

396

00:18:56,930 --> 00:18:54,480

the UAP independent study team is a

397

00:18:59,450 --> 00:18:56,940

council of 16 Community experts across

398

00:19:03,970 --> 00:18:59,460

diverse areas on matters relevant to

399

00:19:08,570 --> 00:19:06,470

NASA commissioned the nine-month study

400

00:19:11,029 --> 00:19:08,580

to examine UAP from a scientific

401

00:19:13,549 --> 00:19:11,039

perspective and create a road map for

402

00:19:16,370 --> 00:19:13,559

how to use data and the tools of science

403

00:19:18,890 --> 00:19:16,380

to move our understanding of UAP forward

404

00:19:21,590 --> 00:19:18,900

a live stream of the meeting will be

405

00:19:25,130 --> 00:19:21,600

available on NASA's YouTube channel on

406

00:19:26,750 --> 00:19:25,140

May 31st so mark your call your

407

00:19:28,549 --> 00:19:26,760

calendars guys

408

00:19:30,169 --> 00:19:28,559

um this is going to be really cool live

409

00:19:32,150 --> 00:19:30,179

stream from NASA

410

00:19:34,789 --> 00:19:32,160

um I believe it's right on their their

411

00:19:36,590 --> 00:19:34,799

YouTube channel here right on YouTube so

412

00:19:38,750 --> 00:19:36,600

um yeah just mark your calendars for

413

00:19:42,409 --> 00:19:38,760

that and then that other date that I

414

00:19:44,510 --> 00:19:42,419

mentioned is May 12th so on May 12th

415

00:19:45,830 --> 00:19:44,520

um head over to I believe it's NASA's

416

00:19:47,510 --> 00:19:45,840

website

417

00:19:50,390 --> 00:19:47,520

um and you'll be able to actually submit

418

00:19:52,909 --> 00:19:50,400

questions and comments for this thing as

419

00:19:55,789 --> 00:19:52,919

well that they might even address at the

420

00:19:57,710 --> 00:19:55,799

live stream so yeah pretty interesting

421

00:20:00,169 --> 00:19:57,720

we'll see what they you know if they

422

00:20:03,590 --> 00:20:00,179

come to any conclusions or maybe this is

423

00:20:06,890 --> 00:20:03,600

just the the Inception of this group and

424

00:20:09,289 --> 00:20:06,900

they'll continue to do more studies

425

00:20:11,510 --> 00:20:09,299

um yeah yeah no matter what happens with

426

00:20:12,650 --> 00:20:11,520

it I mean NASA is finally in the UAP

427

00:20:15,830 --> 00:20:12,660

game

428

00:20:17,570 --> 00:20:15,840

finally Owen says I have High Hopes me

429

00:20:20,750 --> 00:20:17,580

too me too

430

00:20:22,070 --> 00:20:20,760

Andrew says more public coverage the

431

00:20:24,529 --> 00:20:22,080

better

432

00:20:26,450 --> 00:20:24,539

yes Todd says NASA probably trying to do

433

00:20:27,830 --> 00:20:26,460

preemptive damage control that's always

434

00:20:30,890 --> 00:20:27,840

possible too

435

00:20:32,750 --> 00:20:30,900

that is very possible

436

00:20:34,669 --> 00:20:32,760

and it says dalen's late yeah where's

437

00:20:36,950 --> 00:20:34,679

dalen

438

00:20:39,409 --> 00:20:36,960

she's probably busy

439

00:20:43,789 --> 00:20:39,419

she's in Germany maybe she's getting

440

00:20:47,990 --> 00:20:46,250

anyone watch Eurovision

441

00:20:51,590 --> 00:20:48,000

I'm obsessed

442

00:20:53,150 --> 00:20:51,600

uh Sweden one Sweden won

443

00:20:56,150 --> 00:20:53,160

so that's pretty cool

444

00:20:58,190 --> 00:20:56,160

good performance I wanted Australia to

445

00:21:00,470 --> 00:20:58,200

win to be completely honest to our

446

00:21:02,690 --> 00:21:00,480

Australians in the chat here that was a

447

00:21:07,750 --> 00:21:02,700

hell of a performance they put on too

448

00:21:13,130 --> 00:21:09,770

everyone's like where's where is she

449

00:21:15,770 --> 00:21:13,140

where's daylyn dalen's in my book guys

450

00:21:17,210 --> 00:21:15,780

check our story out it's crazy crazy

451

00:21:20,150 --> 00:21:17,220

what happened to her

452

00:21:22,250 --> 00:21:20,160

on an Australian military base metal

453

00:21:24,289 --> 00:21:22,260

Hendrix lay Thai everyone welcome metal

454

00:21:26,930 --> 00:21:24,299

Hendrix as always my friend

455

00:21:29,330 --> 00:21:26,940

welcome welcome

456

00:21:32,090 --> 00:21:29,340

Robert says May 12th was two days ago

457

00:21:36,230 --> 00:21:32,100

oops I think did I get that question

458

00:21:39,110 --> 00:21:36,240

wrong Friday May 12th oh shoot nope I'm

459

00:21:43,549 --> 00:21:39,120

way off too late guys no questions for

460

00:21:47,630 --> 00:21:46,070

hit that like button metal says thank

461

00:21:50,330 --> 00:21:47,640

you thank you

462

00:21:52,730 --> 00:21:50,340

um sorry guys I didn't even I overlooked

463

00:21:56,690 --> 00:21:52,740

that May 12th date

464

00:22:02,930 --> 00:21:59,090

you know what else is cool arrow is

465

00:22:05,049 --> 00:22:02,940

hiring this is crazy I hope you enjoy

466

00:22:08,630 --> 00:22:05,059

this image I put together

467

00:22:12,610 --> 00:22:08,640

so Arrow our new Pentagon whatever

468

00:22:14,630 --> 00:22:12,620

Department of Defense whatever lead UAP

469

00:22:17,090 --> 00:22:14,640

investigatory group

470

00:22:20,570 --> 00:22:17,100

is uh hiring they're looking for a

471

00:22:22,370 --> 00:22:20,580

deputy director so it's clear

472

00:22:24,950 --> 00:22:22,380

um that some of that funding finally

473

00:22:26,690 --> 00:22:24,960

finally made it over there for them to

474

00:22:29,029 --> 00:22:26,700

be able to hire a deputy director and

475

00:22:31,330 --> 00:22:29,039

I'm sure Sean Kirkpatrick is very happy

476  
00:22:33,289 --> 00:22:31,340  
to put this load of work on someone else

477  
00:22:34,370 --> 00:22:33,299  
as well

478  
00:22:36,110 --> 00:22:34,380  
um

479  
00:22:38,390 --> 00:22:36,120  
yeah so they're they're looking for a

480  
00:22:40,669 --> 00:22:38,400  
deputy director um I don't have much

481  
00:22:44,750 --> 00:22:40,679  
more information on this but someone who

482  
00:22:48,289 --> 00:22:44,760  
does is Dan Warren over on Tick Tock

483  
00:22:50,630 --> 00:22:48,299  
um very very popular tick-tocker

484  
00:22:52,970 --> 00:22:50,640  
um you can follow him at fifth pillar of

485  
00:22:55,730 --> 00:22:52,980  
emphasis over on Tick Tock and he came

486  
00:22:58,370 --> 00:22:55,740  
out with a really cool video

487  
00:23:01,130 --> 00:22:58,380  
um kind of talking all about this Arrow

488  
00:23:02,810 --> 00:23:01,140

hiring thing and he I spoke to him

489

00:23:05,090 --> 00:23:02,820

earlier today and he gave me permission

490

00:23:06,470 --> 00:23:05,100

to share that video with you guys so I'm

491

00:23:08,270 --> 00:23:06,480

gonna go ahead and play that so you get

492

00:23:10,549 --> 00:23:08,280

a little bit more information about

493

00:23:12,890 --> 00:23:10,559

arrow and their hiring of this new

494

00:23:14,990 --> 00:23:12,900

deputy director and who might be in the

495

00:23:18,110 --> 00:23:15,000

running is it one of those people

496

00:23:20,510 --> 00:23:18,120

on the screen right there Mr Elizondo or

497

00:23:22,490 --> 00:23:20,520

Mr Mick West only time will tell let's

498

00:23:24,770 --> 00:23:22,500

hear from Dan do you think the

499

00:23:26,690 --> 00:23:24,780

government's listening no I don't mean

500

00:23:28,010 --> 00:23:26,700

like that I mean do you think that

501  
00:23:31,010 --> 00:23:28,020  
they're listening to our elected

502  
00:23:32,810 --> 00:23:31,020  
officials they might be because I think

503  
00:23:34,310 --> 00:23:32,820  
this job posting that just hit the

504  
00:23:36,649 --> 00:23:34,320  
Director of National intelligences

505  
00:23:38,930 --> 00:23:36,659  
website is in response to the letter

506  
00:23:41,330 --> 00:23:38,940  
that Senators Rubio and Warner sent to

507  
00:23:43,850 --> 00:23:41,340  
the sect deaf and odni back on April

508  
00:23:45,590 --> 00:23:43,860  
27th where they reminded them that the

509  
00:23:48,470 --> 00:23:45,600  
National Defense authorization Act of

510  
00:23:50,330 --> 00:23:48,480  
2023 specified that the Director of

511  
00:23:52,669 --> 00:23:50,340  
National Intelligence was to appoint a

512  
00:23:54,710 --> 00:23:52,679  
deputy director of Arrow from within the

513  
00:23:56,750 --> 00:23:54,720

intelligence Community which is the

514

00:23:59,210 --> 00:23:56,760

exact position that this posting seeks

515

00:24:01,610 --> 00:23:59,220

to fill but check this out we don't know

516

00:24:03,830 --> 00:24:01,620

exactly what day they posted this job to

517

00:24:07,250 --> 00:24:03,840

the internet but it states in opening

518

00:24:09,350 --> 00:24:07,260

vacancy date of April 26th exactly one

519

00:24:12,590 --> 00:24:09,360

day before the Rubio Warner letter was

520

00:24:15,890 --> 00:24:12,600

dated April 27th so how does this

521

00:24:19,010 --> 00:24:15,900

timeline make sense pure luck or ESP on

522

00:24:21,230 --> 00:24:19,020

behalf of the odni or maybe they just

523

00:24:23,570 --> 00:24:21,240

backdated the opening date to save face

524

00:24:25,909 --> 00:24:23,580

and hope that no one would notice or

525

00:24:28,190 --> 00:24:25,919

make a video to draw attention to that

526  
00:24:30,169 --> 00:24:28,200  
fact but anywho what is the future

527  
00:24:32,690 --> 00:24:30,179  
deputy director of Arrow going to be

528  
00:24:34,970 --> 00:24:32,700  
doing in general he or she is going to

529  
00:24:36,770 --> 00:24:34,980  
help Arrow get access to UAP related

530  
00:24:38,930 --> 00:24:36,780  
information within the intelligence

531  
00:24:40,789 --> 00:24:38,940  
community and the deputy will accomplish

532  
00:24:43,430 --> 00:24:40,799  
this by cooperating with the relevant

533  
00:24:45,830 --> 00:24:43,440  
National Intelligence managers to ensure

534  
00:24:48,710 --> 00:24:45,840  
maximum access to UAP intelligence

535  
00:24:50,930 --> 00:24:48,720  
within the IC and to my surprise the

536  
00:24:52,970 --> 00:24:50,940  
deputies also responsible for developing

537  
00:24:55,669 --> 00:24:52,980  
relationships with foreign intelligence

538  
00:24:57,409 --> 00:24:55,679

agencies to further aero's Mission so

539

00:25:00,049 --> 00:24:57,419

I'm thinking the five eyes the nine eyes

540

00:25:01,970 --> 00:25:00,059

and the 14 eyes the deputies also been

541

00:25:04,130 --> 00:25:01,980

tasked with leading the development and

542

00:25:06,890 --> 00:25:04,140

delivery of public affairs engagements

543

00:25:08,630 --> 00:25:06,900

related to Arrow's Vision Concepts and

544

00:25:10,850 --> 00:25:08,640

strategies associated with UAP

545

00:25:12,710 --> 00:25:10,860

activities and we might just see the

546

00:25:14,930 --> 00:25:12,720

deputy at Future Congressional hearings

547

00:25:17,210 --> 00:25:14,940

because he or she is also tasked

548

00:25:20,029 --> 00:25:17,220

preparing classified and unclassified

549

00:25:21,529 --> 00:25:20,039

testimonies to those hearings so if you

550

00:25:23,930 --> 00:25:21,539

think you've got what it takes make sure

551  
00:25:25,970 --> 00:25:23,940  
to get your application in by May 26th

552  
00:25:27,710 --> 00:25:25,980  
and if they select you from their pool

553  
00:25:29,690 --> 00:25:27,720  
of candidates then you'll have 10 days

554  
00:25:32,330 --> 00:25:29,700  
to get ready because your job starts on

555  
00:25:34,490 --> 00:25:32,340  
June 6th which obviously isn't a lot of

556  
00:25:36,590 --> 00:25:34,500  
time to review candidates so it begs the

557  
00:25:38,570 --> 00:25:36,600  
question do they already have someone

558  
00:25:40,730 --> 00:25:38,580  
with an intelligence or maybe a

559  
00:25:43,130 --> 00:25:40,740  
counterintelligence background in mind

560  
00:25:47,409 --> 00:25:43,140  
to fill the role of deputy director on

561  
00:25:49,269 --> 00:25:47,419  
such short notice just saying

562  
00:25:54,350 --> 00:25:49,279  
hmm

563  
00:25:57,350 --> 00:25:54,360

May 26th guys get your applications in

564

00:25:58,190 --> 00:25:57,360

um yeah just saying could it be could it

565

00:26:03,110 --> 00:25:58,200

be

566

00:26:05,029 --> 00:26:03,120

back into a government position

567

00:26:05,810 --> 00:26:05,039

um it would be interesting to say the

568

00:26:07,490 --> 00:26:05,820

least

569

00:26:10,250 --> 00:26:07,500

um I still think it'd be funny if

570

00:26:12,529 --> 00:26:10,260

Midwest did it but who do you guys think

571

00:26:14,090 --> 00:26:12,539

is going to become the deputy director

572

00:26:17,570 --> 00:26:14,100

will it be someone we've never heard of

573

00:26:20,090 --> 00:26:17,580

or will it be someone within the UFO

574

00:26:22,610 --> 00:26:20,100

World sphere um let me know in the

575

00:26:24,049 --> 00:26:22,620

comments below I'd love to hear what you

576

00:26:27,710 --> 00:26:24,059

think

577

00:26:30,470 --> 00:26:27,720

role

578

00:26:34,549 --> 00:26:30,480

um will it be you only time will tell

579

00:26:35,950 --> 00:26:34,559

but yeah job starts pretty damn soon so

580

00:26:39,169 --> 00:26:35,960

um you're not going to have much time

581

00:26:41,930 --> 00:26:39,179

once you get hired to uproot your entire

582

00:26:45,409 --> 00:26:41,940

life and go to I'm assuming Washington

583

00:26:47,570 --> 00:26:45,419

and work for this so we'll see

584

00:26:50,510 --> 00:26:47,580

we'll see Jazz says they're not letting

585

00:26:53,269 --> 00:26:50,520

Elizondo back in after he outed them

586

00:26:55,310 --> 00:26:53,279

that's a good point man yeah unless

587

00:26:58,370 --> 00:26:55,320

they've let bygones be bygones but

588

00:27:01,669 --> 00:26:58,380

probably not he did piss off a lot of

589

00:27:03,409 --> 00:27:01,679

people over there as we've learned so

590

00:27:05,990 --> 00:27:03,419

I don't know metal Hendricks says Bob

591

00:27:08,810 --> 00:27:06,000

Lazar that would be cool

592

00:27:11,450 --> 00:27:08,820

that'd be pretty cool

593

00:27:14,690 --> 00:27:11,460

um let's see Jazz you should apply says

594

00:27:16,330 --> 00:27:14,700

Susie I would love to see jazz work for

595

00:27:19,010 --> 00:27:16,340

Arrow

596

00:27:21,950 --> 00:27:19,020

that'd be hilarious um I do want to send

597

00:27:24,350 --> 00:27:21,960

a special thanks to Jeff for becoming a

598

00:27:26,870 --> 00:27:24,360

uh YouTube member thank you so much Jeff

599

00:27:29,630 --> 00:27:26,880

really appreciate the support enjoy your

600

00:27:31,909 --> 00:27:29,640

perks and remote rewards my friend

601  
00:27:34,370 --> 00:27:31,919  
really do appreciate it that Jack says

602  
00:27:36,049 --> 00:27:34,380  
I'm too old no you're not

603  
00:27:37,370 --> 00:27:36,059  
never too old to work for the government

604  
00:27:40,210 --> 00:27:37,380  
come on

605  
00:27:44,510 --> 00:27:42,169  
Kamala Harris that would be an

606  
00:27:46,430 --> 00:27:44,520  
interesting new position for her for

607  
00:27:49,430 --> 00:27:46,440  
sure

608  
00:27:51,049 --> 00:27:49,440  
and jolly oh night gazer don't even get

609  
00:27:52,669 --> 00:27:51,059  
me started

610  
00:27:54,830 --> 00:27:52,679  
do not

611  
00:27:56,690 --> 00:27:54,840  
I said I saw someone else said Nick Pope

612  
00:27:58,789 --> 00:27:56,700  
that would be interesting go from the

613  
00:28:00,470 --> 00:27:58,799

mod to the dod

614

00:28:03,310 --> 00:28:00,480

hmm

615

00:28:06,590 --> 00:28:03,320

yeah I'd be down for that

616

00:28:09,110 --> 00:28:06,600

all right let's move to our next story

617

00:28:10,909 --> 00:28:09,120

guys this comes from our buddy

618

00:28:15,950 --> 00:28:10,919

um Christopher sharp over at The

619

00:28:20,470 --> 00:28:15,960

Liberation times case not closed DOD to

620

00:28:24,049 --> 00:28:20,480

review 2019 UFOs which harassed U.S

621

00:28:28,810 --> 00:28:24,059

warships so you guys remember this story

622

00:28:32,090 --> 00:28:28,820

um it blew up last year I think uh or no

623

00:28:34,310 --> 00:28:32,100

whenever the this story came out

624

00:28:36,529 --> 00:28:34,320

um the incident happened in 2019 I don't

625

00:28:39,409 --> 00:28:36,539

remember exactly when Jeremy Corbell

626

00:28:42,409 --> 00:28:39,419

dropped the video but my God it went

627

00:28:45,289 --> 00:28:42,419

crazy in the even in the mainstream news

628

00:28:47,870 --> 00:28:45,299

um let me actually go ahead and uh

629

00:28:51,110 --> 00:28:47,880

remind you guys refresh your memory on

630

00:28:53,450 --> 00:28:51,120

this uh pyramidal UFO that was seen over

631

00:28:55,789 --> 00:28:53,460

one of these warships and then I'll go

632

00:29:05,330 --> 00:28:55,799

ahead and read why the case is not

633

00:29:05,340 --> 00:29:22,990

okay

634

00:29:29,990 --> 00:29:26,210

there it is guys remember that

635

00:29:31,789 --> 00:29:30,000

not Boca not Boca everyone says yeah I

636

00:29:35,029 --> 00:29:31,799

mean that was kind of the the official

637

00:29:38,269 --> 00:29:35,039

explanation by Skeptics um but yeah yeah

638

00:29:40,370 --> 00:29:38,279

it was never I guess truly truly

639

00:29:43,730 --> 00:29:40,380

determined um and we're hearing that

640

00:29:45,409 --> 00:29:43,740

from Pentagon spokesperson Susan Goff

641

00:29:47,389 --> 00:29:45,419

herself

642

00:29:49,370 --> 00:29:47,399

um so let me go ahead and read this

643

00:29:52,130 --> 00:29:49,380

story this is pretty interesting while

644

00:29:54,049 --> 00:29:52,140

we thought this was kind of done with um

645

00:29:57,950 --> 00:29:54,059

according to the U.S Department of

646

00:30:01,370 --> 00:29:57,960

Defense data related to UAP that swarmed

647

00:30:04,970 --> 00:30:01,380

U.S warships off the West Coast in 2019

648

00:30:08,690 --> 00:30:04,980

is set to be reviewed by Arrow

649

00:30:10,250 --> 00:30:08,700

and its origin has not definitively been

650

00:30:12,350 --> 00:30:10,260

determined

651  
00:30:14,510 --> 00:30:12,360  
speaking specifically about triangular

652  
00:30:18,350 --> 00:30:14,520  
looking craft filmed from the USS

653  
00:30:21,529 --> 00:30:18,360  
Russell in July of 2019 Susan Goff told

654  
00:30:23,570 --> 00:30:21,539  
The Liberation times quote as noted by

655  
00:30:25,010 --> 00:30:23,580  
Scott Bray deputy director of Naval

656  
00:30:28,970 --> 00:30:25,020  
intelligence during a congressional

657  
00:30:31,549 --> 00:30:28,980  
Hearing in May of 2022 the UAP task

658  
00:30:34,549 --> 00:30:31,559  
force was reasonably confident that the

659  
00:30:36,710 --> 00:30:34,559  
triangles correlated to U.S unmanned

660  
00:30:38,269 --> 00:30:36,720  
aerial systems given that the triangles

661  
00:30:41,570 --> 00:30:38,279  
appeared in videos from different

662  
00:30:46,250 --> 00:30:41,580  
occasions where U.S Navy assets assets

663  
00:30:47,930 --> 00:30:46,260

observed U.S Navy asses oops someone

664

00:30:50,870 --> 00:30:47,940

clicked that please

665

00:30:55,250 --> 00:30:50,880

U.S Navy assets observed a number of

666

00:30:57,889 --> 00:30:55,260

small was nearby as with all UAP cases

667

00:31:00,289 --> 00:30:57,899

it inherited arrow is reviewing the

668

00:31:02,990 --> 00:31:00,299

associated data of past cases within its

669

00:31:05,090 --> 00:31:03,000

newly developed analytic framework these

670

00:31:08,630 --> 00:31:05,100

triangles may be a combination of known

671

00:31:11,090 --> 00:31:08,640

sources including was an arrow is using

672

00:31:13,430 --> 00:31:11,100

its newly implemented analytic framework

673

00:31:15,409 --> 00:31:13,440

to definitively determine the sources

674

00:31:19,669 --> 00:31:15,419

and peer-reviewed the results before

675

00:31:22,010 --> 00:31:19,679

officially closing the case

676  
00:31:24,529 --> 00:31:22,020  
so that those last two statements came

677  
00:31:26,930 --> 00:31:24,539  
directly from the Pentagon this is what

678  
00:31:28,490 --> 00:31:26,940  
Christopher sharp had to say the dod's

679  
00:31:31,010 --> 00:31:28,500  
comments follow testimony from an

680  
00:31:34,130 --> 00:31:31,020  
eyewitness who served on board the USS

681  
00:31:35,750 --> 00:31:34,140  
Paul Hamilton during these events and

682  
00:31:38,269 --> 00:31:35,760  
who told journalists and filmmaker

683  
00:31:40,610 --> 00:31:38,279  
Jeremy Corbell that the objects did not

684  
00:31:43,070 --> 00:31:40,620  
appear to originate from the Hong Kong

685  
00:31:44,990 --> 00:31:43,080  
registered cargo vessel the best

686  
00:31:47,930 --> 00:31:45,000  
Straight which again was one of the

687  
00:31:50,930 --> 00:31:47,940  
explanations that these were unmanned uh

688  
00:31:53,269 --> 00:31:50,940

aerial drones basically from the the

689

00:31:55,310 --> 00:31:53,279

Bass Strait which the New York Post

690

00:31:57,470 --> 00:31:55,320

actually asserted

691

00:31:59,870 --> 00:31:57,480

Susan Goff confirmed to The Liberation

692

00:32:02,090 --> 00:31:59,880

times that the objects filmed from the

693

00:32:04,430 --> 00:32:02,100

USS Russell appear triangular both due

694

00:32:07,070 --> 00:32:04,440

to the angle of observation and Optical

695

00:32:09,350 --> 00:32:07,080

system used goff's statement confirms

696

00:32:11,269 --> 00:32:09,360

that there may not be a single

697

00:32:13,370 --> 00:32:11,279

explanation as to why the objects appear

698

00:32:16,850 --> 00:32:13,380

triangular and cannot be solely

699

00:32:20,029 --> 00:32:16,860

explained by the bokeh effect which some

700

00:32:21,950 --> 00:32:20,039

commenters have suggested however the

701  
00:32:24,769 --> 00:32:21,960  
analysis from debunkers of the video

702  
00:32:29,210 --> 00:32:24,779  
will still be considered

703  
00:32:31,070 --> 00:32:29,220  
so it's not done it is not done korbels

704  
00:32:33,470 --> 00:32:31,080  
been screaming it from the rooftops that

705  
00:32:36,049 --> 00:32:33,480  
this case is not closed and the Pentagon

706  
00:32:37,370 --> 00:32:36,059  
agrees with him so there you go there

707  
00:32:40,130 --> 00:32:37,380  
you go good work over there by

708  
00:32:43,130 --> 00:32:40,140  
Christopher Sharp

709  
00:32:47,269 --> 00:32:43,140

um we're just going over a UFO news

726

00:33:34,970 --> 00:33:32,340

stories that have hit the uh you know

727

00:33:36,470 --> 00:33:34,980

the digital Airwaves as it were

728

00:33:39,710 --> 00:33:36,480

um and we're gonna get to podcast

729

00:33:43,370 --> 00:33:39,720

highlights in just a little bit

730

00:33:45,289 --> 00:33:43,380

um I've got one more UFO news story for

731

00:33:47,810 --> 00:33:45,299

you guys we'll take a quick break come

732

00:33:49,669 --> 00:33:47,820

back on the other side for some really

733

00:33:50,930 --> 00:33:49,679

interesting podcast highlights of the

734

00:33:53,330 --> 00:33:50,940

week probably some of the most

735

00:33:55,009 --> 00:33:53,340

interesting we've come across one of

736

00:33:57,710 --> 00:33:55,019

which was in the featured image there

737

00:34:00,649 --> 00:33:57,720

that you saw of a sperm

738

00:34:02,690 --> 00:34:00,659

I can't believe they just said that

739

00:34:04,070 --> 00:34:02,700

we got Navy asses and sperm in this

740

00:34:06,230 --> 00:34:04,080

episode guys

741

00:34:09,349 --> 00:34:06,240

bottom of the barrel tonight of

742

00:34:11,750 --> 00:34:09,359

somewhere in the live stream

743

00:34:13,790 --> 00:34:11,760

you're not that late reptile

744

00:34:15,470 --> 00:34:13,800

we've been going for about 37 minutes

745

00:34:18,950 --> 00:34:15,480

now

746

00:34:22,849 --> 00:34:18,960

all right let's move to our last UFO

747

00:34:26,510 --> 00:34:22,859

news story this is so cool UFO Hunters

748

00:34:28,550 --> 00:34:26,520

built in open source AI system to scan

749

00:34:29,869 --> 00:34:28,560

the skies the story comes to us from

750

00:34:31,730 --> 00:34:29,879

Vice

751

00:34:33,710 --> 00:34:31,740

I'm going to go ahead and read this a

752

00:34:36,050 --> 00:34:33,720

team of developers have decided to take

753

00:34:37,849 --> 00:34:36,060

matters into their own hands with an

754

00:34:41,750 --> 00:34:37,859

open source citizen science project

755

00:34:44,030 --> 00:34:41,760

called Sky 360 which aims to Blake

756

00:34:46,430 --> 00:34:44,040

blanket the Earth in affordable

757

00:34:50,270 --> 00:34:46,440

monitoring stations to watch the skies

758

00:34:52,310 --> 00:34:50,280

24 7. and even plans to use Ai and

759

00:34:54,470 --> 00:34:52,320

machine learning to spot anomalous

760

00:34:56,270 --> 00:34:54,480

Behavior

761

00:34:58,790 --> 00:34:56,280

excuse me

762

00:35:00,770 --> 00:34:58,800

360 hopes that it can establish a

763

00:35:03,109 --> 00:35:00,780

network of autonomously operating

764

00:35:05,210 --> 00:35:03,119

surveillance units to gather real-time

765

00:35:07,370 --> 00:35:05,220

data of our skies

766

00:35:09,530 --> 00:35:07,380

Sky 360 believes that the level of

767

00:35:11,990 --> 00:35:09,540

interest and the technology have now

768

00:35:14,390 --> 00:35:12,000

both reached an inflection point where

769

00:35:17,390 --> 00:35:14,400

citizen researchers can actually

770

00:35:20,630 --> 00:35:17,400

generate large-scale affectionable data

771

00:35:23,870 --> 00:35:20,640

for analysis all on their own

772

00:35:26,990 --> 00:35:23,880

Richard Huff co-chair of Sky 360 told

773

00:35:29,450 --> 00:35:27,000

Vice quote there's distrust about how

774

00:35:31,490 --> 00:35:29,460

governments managed UAP sightings and

775

00:35:34,010 --> 00:35:31,500

that's why the idea of a citizen science

776

00:35:36,230 --> 00:35:34,020

formation to take this into our own

777

00:35:40,069 --> 00:35:36,240

hands and to create our own information

778

00:35:42,589 --> 00:35:40,079

about it is necessary most data is from

779

00:35:45,589 --> 00:35:42,599

military use sensors like the national

780

00:35:47,750 --> 00:35:45,599

reconnaissance office they have a lot of

781

00:35:49,849 --> 00:35:47,760

data but they would never make it public

782

00:35:53,630 --> 00:35:49,859

nor would they give it to universities

783

00:35:56,089 --> 00:35:53,640

for analysis end quote

784

00:35:58,030 --> 00:35:56,099

the all-volunteer team wants to create a

785

00:36:01,970 --> 00:35:58,040

single algorithm capable of detection

786

00:36:04,609 --> 00:36:01,980

tracking and classification all in one

787

00:36:07,190 --> 00:36:04,619

there are currently 20 stations set up

788

00:36:10,370 --> 00:36:07,200

across the world from the USA to Canada

789

00:36:13,550 --> 00:36:10,380

to more remote regions like the um

790

00:36:16,130 --> 00:36:13,560

Azores in the middle of the Atlantic

791

00:36:18,470 --> 00:36:16,140

once enough of the sky 360 stations have

792

00:36:21,170 --> 00:36:18,480

been deployed the next step is to work

793

00:36:23,450 --> 00:36:21,180

towards real-time monitoring drawing on

794

00:36:26,089 --> 00:36:23,460

all the data together and then and

795

00:36:29,390 --> 00:36:26,099

analyzing it by striving to create a

796

00:36:31,310 --> 00:36:29,400

huge open transparent Network anyone

797

00:36:32,690 --> 00:36:31,320

will be free to examine the data

798

00:36:34,609 --> 00:36:32,700

themselves

799

00:36:37,370 --> 00:36:34,619

this is interesting the last part of the

800

00:36:39,310 --> 00:36:37,380

article here according to Huff the

801  
00:36:41,990 --> 00:36:39,320  
founders of the predecessor project

802  
00:36:44,329 --> 00:36:42,000  
skyhub which we actually had one of the

803  
00:36:48,609 --> 00:36:44,339  
members on our show reps to talk about

804  
00:36:52,730 --> 00:36:48,619  
that um according to uh the founders

805  
00:36:55,069 --> 00:36:52,740  
skyhub has ties to U.S intelligence and

806  
00:36:56,630 --> 00:36:55,079  
decided to wind it down with no

807  
00:36:59,510 --> 00:36:56,640  
explanation

808  
00:37:02,630 --> 00:36:59,520  
Huff also said quote the reason why they

809  
00:37:05,270 --> 00:37:02,640  
shut it down was very dubious to me they

810  
00:37:08,270 --> 00:37:05,280  
didn't tell us Europeans anything about

811  
00:37:10,390 --> 00:37:08,280  
what was going down it was fishy end

812  
00:37:13,490 --> 00:37:10,400  
quote

813  
00:37:15,770 --> 00:37:13,500

Huff decided to relocate to Europe and

814

00:37:17,870 --> 00:37:15,780

decentralize the whole project to

815

00:37:19,910 --> 00:37:17,880

protect it whether these efforts find

816

00:37:23,390 --> 00:37:19,920

anything truly unusual or not is

817

00:37:26,030 --> 00:37:23,400

anyone's guess but if the sky 360 is

818

00:37:29,329 --> 00:37:26,040

successful perhaps will no longer simply

819

00:37:30,710 --> 00:37:29,339

want to believe we'll be able to see for

820

00:37:33,530 --> 00:37:30,720

ourselves

821

00:37:36,109 --> 00:37:33,540

so pretty interesting you know skyhub

822

00:37:38,510 --> 00:37:36,119

was you know really blew up and everyone

823

00:37:41,450 --> 00:37:38,520

was really excited that like it was now

824

00:37:43,670 --> 00:37:41,460

in the Public's hands to kind of use

825

00:37:45,349 --> 00:37:43,680

citizen science and and try to

826

00:37:47,329 --> 00:37:45,359

understand these phenomena in our skies

827

00:37:49,910 --> 00:37:47,339

but

828

00:37:51,770 --> 00:37:49,920

all of a sudden like skyhub just

829

00:37:53,990 --> 00:37:51,780

disappeared and and there was real no

830

00:37:58,250 --> 00:37:54,000

explanation as to why

831

00:38:01,190 --> 00:37:58,260

um I learned that it was possible that

832

00:38:04,730 --> 00:38:01,200

the UAP task force and or Arrow was

833

00:38:07,370 --> 00:38:04,740

interested in their technology and

834

00:38:09,470 --> 00:38:07,380

um you know that's um kind of weird

835

00:38:11,569 --> 00:38:09,480

dealings are going on behind the scenes

836

00:38:13,670 --> 00:38:11,579

with the government so that kind of

837

00:38:16,310 --> 00:38:13,680

defeated the entire purpose of what sky

838

00:38:17,990 --> 00:38:16,320

360 originally wanted to do was keep

839

00:38:20,810 --> 00:38:18,000

this decentralized keep it in public

840

00:38:22,849 --> 00:38:20,820

hands all of the data would be the

841

00:38:25,190 --> 00:38:22,859

public knowledge

842

00:38:27,410 --> 00:38:25,200

um and that would not have happened if

843

00:38:30,650 --> 00:38:27,420

it went to Arrow where you know things

844

00:38:33,530 --> 00:38:30,660

could easily become classified so

845

00:38:36,710 --> 00:38:33,540

um yeah yeah this is awesome awesome

846

00:38:40,010 --> 00:38:36,720

awesome that whatever skyhub was has

847

00:38:42,290 --> 00:38:40,020

melded into Sky 360 and

848

00:38:43,970 --> 00:38:42,300

um that they're still going and and this

849

00:38:45,230 --> 00:38:43,980

is so cool that Vice decided to cover

850

00:38:47,930 --> 00:38:45,240

this

851  
00:38:50,569 --> 00:38:47,940  
um and I should have some exciting news

852  
00:38:53,030 --> 00:38:50,579  
about a possible partnership with Sky

853  
00:38:55,430 --> 00:38:53,040  
360 and somewhere in the skies in the

854  
00:38:56,450 --> 00:38:55,440  
very near future so stay tuned for that

855  
00:38:58,790 --> 00:38:56,460  
as well

856  
00:39:00,230 --> 00:38:58,800  
um look at just how cool that thing is

857  
00:39:03,050 --> 00:39:00,240  
if you're just listening to this episode

858  
00:39:04,910 --> 00:39:03,060  
guys head on over to YouTube and watch

859  
00:39:07,010 --> 00:39:04,920  
um we've got some visuals of the sky 360

860  
00:39:09,650 --> 00:39:07,020  
equipment

861  
00:39:11,390 --> 00:39:09,660  
um it just looks so cool I absolutely

862  
00:39:12,470 --> 00:39:11,400  
love this and you can build this right

863  
00:39:14,990 --> 00:39:12,480

at home

864

00:39:17,329 --> 00:39:15,000

which is so cool you go to the sky 360

865

00:39:20,690 --> 00:39:17,339

website you can order everything there

866

00:39:22,609 --> 00:39:20,700

to build the system and they tell you

867

00:39:24,589 --> 00:39:22,619

exactly what to buy

868

00:39:27,650 --> 00:39:24,599

um how to construct it and how

869

00:39:30,230 --> 00:39:27,660

everything works so yeah I think this is

870

00:39:34,190 --> 00:39:30,240

awesome and a really exciting story to

871

00:39:37,069 --> 00:39:34,200

end our UFO news section on

872

00:39:39,950 --> 00:39:37,079

um so we're gonna move over to podcast

873

00:39:42,890 --> 00:39:39,960

stuff on podcasts lately so we like to

877

00:39:52,609 --> 00:39:50,760

highlight those over here at somewhere

880

00:39:59,930 --> 00:39:57,359

um interesting things were said in

881

00:40:02,750 --> 00:39:59,940

interesting things will be heard on the

882

00:40:05,450 --> 00:40:02,760

other side so stick with me here I'm

welcome back guys to somewhere in the

921

00:41:59,089 --> 00:41:57,119

live stream if you're just joining us we

922

00:42:01,569 --> 00:41:59,099

just finished with the UFO news of the

923

00:42:03,890 --> 00:42:01,579

week and we are moving over to podcast

924

00:42:07,790 --> 00:42:03,900

highlights of the week other podcasts

925

00:42:10,370 --> 00:42:07,800

that cover UFOs space stuff like that

926  
00:42:11,750 --> 00:42:10,380  
um we pulled some cool clips from a lot

927  
00:42:13,490 --> 00:42:11,760  
of those and we're gonna bring them to

928  
00:42:15,109 --> 00:42:13,500  
you in just a moment

929  
00:42:18,050 --> 00:42:15,119  
um but I do see we have some new people

930  
00:42:20,390 --> 00:42:18,060  
joining us right now so I do want to say

931  
00:42:22,970 --> 00:42:20,400  
hello to Donovan just caught the show

932  
00:42:25,310 --> 00:42:22,980  
thank you so much Donovan for hopping in

933  
00:42:27,650 --> 00:42:25,320  
here and Pat Gallagher I'm late to the

934  
00:42:29,690 --> 00:42:27,660  
party as usual hello Pat no you're not

935  
00:42:31,190 --> 00:42:29,700  
it's never too late this will be in the

936  
00:42:33,349 --> 00:42:31,200  
archives you can go back and watch it

937  
00:42:36,710 --> 00:42:33,359  
whatever you want my man

938  
00:42:38,630 --> 00:42:36,720

um so welcome guys welcome back

939

00:42:41,510 --> 00:42:38,640

um yes so we we ended with a really

940

00:42:43,190 --> 00:42:41,520

hopeful story about monitoring the skies

941

00:42:45,290 --> 00:42:43,200

for UFOs

942

00:42:47,569 --> 00:42:45,300

um and the public getting all of that

943

00:42:49,849 --> 00:42:47,579

information eventually

944

00:42:52,190 --> 00:42:49,859

um but let's move to a story where the

945

00:42:55,609 --> 00:42:52,200

public is not getting all of the

946

00:42:58,089 --> 00:42:55,619

information and that is this

947

00:43:01,550 --> 00:42:58,099

Logan Paul

948

00:43:04,250 --> 00:43:01,560

controversy that continues to invade UFO

949

00:43:07,250 --> 00:43:04,260

Twitter and everything in between

950

00:43:09,470 --> 00:43:07,260

um so for those of you who may not be

951  
00:43:13,130 --> 00:43:09,480  
aware a couple weeks ago James Fox was

952  
00:43:16,130 --> 00:43:13,140  
on uh Joe Rogan's podcast and he brought

953  
00:43:19,250 --> 00:43:16,140  
up an interesting story about the best

954  
00:43:20,750 --> 00:43:19,260  
UFO video James Fox has ever seen and

955  
00:43:23,750 --> 00:43:20,760  
that's when he went out to the home of

956  
00:43:25,970 --> 00:43:23,760  
one Chuck Clark a UFO researcher and

957  
00:43:29,990 --> 00:43:25,980  
Chuck Clark popped in this VHS and he

958  
00:43:34,069 --> 00:43:30,000  
was TV and James Fox watched a basically

959  
00:43:37,550 --> 00:43:34,079  
Crystal Clear UFO video of a like hot

960  
00:43:40,670 --> 00:43:37,560  
orange almost molten looking UFO with an

961  
00:43:44,030 --> 00:43:40,680  
actual like skin to it

962  
00:43:45,950 --> 00:43:44,040  
um that was hovering effortlessly over a

963  
00:43:48,589 --> 00:43:45,960

car mind you you could hear the

964

00:43:51,290 --> 00:43:48,599

videographers in their car like oh my

965

00:43:53,030 --> 00:43:51,300

God it's above us

966

00:43:56,809 --> 00:43:53,040

um come to find out these dudes were out

967

00:43:59,390 --> 00:43:56,819

in your area 51 looking for UFOs and one

968

00:44:00,650 --> 00:43:59,400

went over their car and um they were

969

00:44:02,750 --> 00:44:00,660

really scared while they're watching

970

00:44:06,050 --> 00:44:02,760

this the thing came like right up near

971

00:44:09,349 --> 00:44:06,060

them and uh James fox says it was the

972

00:44:11,690 --> 00:44:09,359

most incredible UFO video I've ever seen

973

00:44:15,410 --> 00:44:11,700

um and then right towards the end of the

974

00:44:18,410 --> 00:44:15,420

interview James brings up that uh Logan

975

00:44:19,910 --> 00:44:18,420

Paul actually went out to visit Chuck

976

00:44:22,309 --> 00:44:19,920

Clark this guy who lives out in the

977

00:44:25,430 --> 00:44:22,319

middle of nowhere and

978

00:44:27,950 --> 00:44:25,440

um wanted to buy this video from Chuck

979

00:44:30,650 --> 00:44:27,960

for a hundred thousand dollars he was

980

00:44:32,809 --> 00:44:30,660

offering him and Chuck said no he said

981

00:44:34,550 --> 00:44:32,819

no I'm not giving it to you

982

00:44:36,349 --> 00:44:34,560

um Logan Paul was like all right well

983

00:44:38,329 --> 00:44:36,359

can I at least see it I came all the way

984

00:44:40,010 --> 00:44:38,339

out here and Chuck Clark was like yeah

985

00:44:43,250 --> 00:44:40,020

yeah I'll show it to you

986

00:44:45,770 --> 00:44:43,260

so Chuck Clark Pops in the same VHS that

987

00:44:47,809 --> 00:44:45,780

he showed James Fox and

988

00:44:50,870 --> 00:44:47,819

um little did Chuck Clark know but Logan

989

00:44:53,809 --> 00:44:50,880

Paul had a video camera like a hidden

990

00:44:56,930 --> 00:44:53,819

camera in his button of his shirt and

991

00:45:00,050 --> 00:44:56,940

was secretly videotaping the videotape

992

00:45:04,250 --> 00:45:00,060

and is now in possession of possibly the

993

00:45:06,109 --> 00:45:04,260

best UFO video out there and um you know

994

00:45:08,870 --> 00:45:06,119

at first people weren't sure if James

995

00:45:10,790 --> 00:45:08,880

Fox was being honest about this I never

996

00:45:12,829 --> 00:45:10,800

doubted him um to be honest I don't know

997

00:45:14,329 --> 00:45:12,839

it'd be a really weird elaborate story

998

00:45:15,950 --> 00:45:14,339

to make up

999

00:45:18,650 --> 00:45:15,960

um and come to find out it was true

1000

00:45:21,710 --> 00:45:18,660

Logan Paul confirmed this on his own

1001

00:45:24,490 --> 00:45:21,720

show called impulsive

1002

00:45:28,670 --> 00:45:24,500

um and he addresses this entire thing

1003

00:45:30,950 --> 00:45:28,680

and why he did it and um kind of you

1004

00:45:33,829 --> 00:45:30,960

know where this story is right now so

1005

00:45:36,349 --> 00:45:33,839

I'm gonna go ahead and play a clip from

1006

00:45:38,329 --> 00:45:36,359

the impulsive podcast with Logan Paul

1007

00:45:40,550 --> 00:45:38,339

and then we'll talk a little bit about

1008

00:45:42,650 --> 00:45:40,560

this because there are some updates and

1009

00:45:45,650 --> 00:45:42,660

I'm going to tell you why I think we

1010

00:45:48,109 --> 00:45:45,660

need to lay this story to rest and be

1011

00:45:52,970 --> 00:45:48,119

done with it but let's hear from the one

1012

00:45:57,109 --> 00:45:52,980

and only WWE Superstar and YouTuber and

1013

00:45:59,030 --> 00:45:57,119

possible uh MMA fighter I think and

1014

00:46:01,010 --> 00:45:59,040

fraudster I don't know he's a lot of

1015

00:46:02,809 --> 00:46:01,020

different things Logan Paul let me tell

1016

00:46:04,250 --> 00:46:02,819

you this he should have [\h\_\_\h] taken

1017

00:46:05,089 --> 00:46:04,260

the money because I got the footage

1018

00:46:06,950 --> 00:46:05,099

anyway

1019

00:46:08,690 --> 00:46:06,960

no okay and I'll tell you why I did that

1020

00:46:10,130 --> 00:46:08,700

because it's a little

1021

00:46:11,809 --> 00:46:10,140

it's a little twisted it's a little

1022

00:46:15,290 --> 00:46:11,819

twisted of me to put on a small button

1023

00:46:18,170 --> 00:46:15,300

camera and go film UFO footage that uh

1024

00:46:19,309 --> 00:46:18,180

is it mine here's the thing though it's

1025

00:46:21,410 --> 00:46:19,319

not his either

1026  
00:46:24,829 --> 00:46:21,420  
it's not the people the people who shot

1027  
00:46:27,290 --> 00:46:24,839  
it gave it to him and expected that he

1028  
00:46:30,410 --> 00:46:27,300  
would keep it hidden for himself

1029  
00:46:34,190 --> 00:46:30,420  
it's not his footage he's keeping very

1030  
00:46:38,690 --> 00:46:34,200  
what I thought at the time important

1031  
00:46:40,550 --> 00:46:38,700  
uh UFO alien extraterrestrial uh proof

1032  
00:46:41,990 --> 00:46:40,560  
in his possession and not showing it

1033  
00:46:44,569 --> 00:46:42,000  
like why

1034  
00:46:47,750 --> 00:46:44,579  
why I I think that is doing a disservice

1035  
00:46:48,950 --> 00:46:47,760  
to the world like what what's the what's

1036  
00:46:53,030 --> 00:46:48,960  
the because you said you wouldn't share

1037  
00:46:54,349 --> 00:46:53,040  
it not not gonna do it for me Rogan

1038  
00:46:56,510 --> 00:46:54,359

hold on a second I'm not saying anything

1039

00:46:58,370 --> 00:46:56,520

Rogan said the reason he's probably not

1040

00:46:59,870 --> 00:46:58,380

sharing is because it's probably fugazi

1041

00:47:02,270 --> 00:46:59,880

you know what I'm saying so he's locking

1042

00:47:04,190 --> 00:47:02,280

it down just to build hype up no no no

1043

00:47:06,349 --> 00:47:04,200

no Chuck Clark

1044

00:47:08,630 --> 00:47:06,359

lives in a shack

1045

00:47:10,970 --> 00:47:08,640

in the middle of nowhere it was the most

1046

00:47:13,870 --> 00:47:10,980

middle of nowhere I've ever been in my

1047

00:47:17,030 --> 00:47:13,880

life you're from Ohio

1048

00:47:19,490 --> 00:47:17,040

and so the guy's not the guy's not clout

1049

00:47:22,190 --> 00:47:19,500

chasing or anything but

1050

00:47:25,370 --> 00:47:22,200

um you know I I don't know yeah a lot of

1051  
00:47:28,430 --> 00:47:25,380  
people hit me up the most random like

1052  
00:47:31,250 --> 00:47:28,440  
you know clouded people hit me up asking

1053  
00:47:37,550 --> 00:47:31,260  
to see this footage and um

1054  
00:47:41,569 --> 00:47:39,770  
I'm um

1055  
00:47:44,030 --> 00:47:41,579  
I'm waiting I'm waiting you know what

1056  
00:47:47,150 --> 00:47:44,040  
I'm waiting for

1057  
00:47:51,050 --> 00:47:47,160  
afraid to release it I'm just waiting

1058  
00:47:54,470 --> 00:47:51,060  
for the right moment it's uh and it's

1059  
00:47:57,770 --> 00:47:54,480  
um I need a little more I need more I

1060  
00:48:02,569 --> 00:48:00,770  
there you go guys Logan Paul needs more

1061  
00:48:05,030 --> 00:48:02,579  
he needs more

1062  
00:48:06,290 --> 00:48:05,040  
um so I kind of went on a tirade when I

1063  
00:48:07,609 --> 00:48:06,300

first heard that Logan Paul had done

1064

00:48:10,010 --> 00:48:07,619

this

1065

00:48:11,930 --> 00:48:10,020

and um you know I said oh that's

1066

00:48:13,430 --> 00:48:11,940

horrible that he did that he stole it

1067

00:48:15,829 --> 00:48:13,440

this that this that

1068

00:48:19,190 --> 00:48:15,839

his logic actually made sense in this

1069

00:48:21,890 --> 00:48:19,200

clip so I I have to admit that

1070

00:48:24,470 --> 00:48:21,900

um he's right like the footage doesn't

1071

00:48:26,930 --> 00:48:24,480

even belong to Chuck Clark quote unquote

1072

00:48:29,870 --> 00:48:26,940

he didn't film it it was dropped into

1073

00:48:31,790 --> 00:48:29,880

his hands and he refuses to release it

1074

00:48:34,190 --> 00:48:31,800

for what reason

1075

00:48:36,349 --> 00:48:34,200

um so I hate to say it but Logan Paul

1076  
00:48:38,990 --> 00:48:36,359  
made some although it's Shady what he

1077  
00:48:40,550 --> 00:48:39,000  
did um he makes some some interesting

1078  
00:48:43,309 --> 00:48:40,560  
points there

1079  
00:48:45,770 --> 00:48:43,319  
um he would go on in the interview to

1080  
00:48:47,990 --> 00:48:45,780  
also say that the video is so so it's

1081  
00:48:50,150 --> 00:48:48,000  
not like the be all and all so I mean

1082  
00:48:51,890 --> 00:48:50,160  
take that for what you will here's where

1083  
00:48:53,809 --> 00:48:51,900  
things get interesting

1084  
00:48:54,770 --> 00:48:53,819  
and I actually tweeted this the other

1085  
00:48:57,589 --> 00:48:54,780  
day

1086  
00:48:59,630 --> 00:48:57,599  
um about this entire story

1087  
00:49:01,910 --> 00:48:59,640  
and I'm not casting shade on James Fox

1088  
00:49:04,010 --> 00:49:01,920

when I say any of this because James

1089

00:49:05,990 --> 00:49:04,020

does say this is like the the best UFO

1090

00:49:08,089 --> 00:49:06,000

video he's ever seen and that might be

1091

00:49:08,809 --> 00:49:08,099

for a reason

1092

00:49:11,210 --> 00:49:08,819

um

1093

00:49:13,550 --> 00:49:11,220

so we'll kind of get into that

1094

00:49:16,370 --> 00:49:13,560

an interview with Chuck Clark came out

1095

00:49:18,770 --> 00:49:16,380

over on medium very recently I don't

1096

00:49:21,589 --> 00:49:18,780

know the author's name or who they are

1097

00:49:23,690 --> 00:49:21,599

but they did interview him about all of

1098

00:49:26,870 --> 00:49:23,700

this going on with Logan Paul in the

1099

00:49:29,809 --> 00:49:26,880

video and this and it went into really

1100

00:49:32,210 --> 00:49:29,819

in depth about how he got the video how

1101

00:49:34,730 --> 00:49:32,220

Chuck Clark obtained the video and

1102

00:49:36,109 --> 00:49:34,740

everything and um something really stood

1103

00:49:38,150 --> 00:49:36,119

out to me

1104

00:49:40,190 --> 00:49:38,160

um so I'm gonna actually

1105

00:49:43,550 --> 00:49:40,200

pull up this section

1106

00:49:46,010 --> 00:49:43,560

of the interview and why I think and

1107

00:49:49,190 --> 00:49:46,020

what I think this might be

1108

00:49:50,870 --> 00:49:49,200

um let me go ahead and actually read the

1109

00:49:54,050 --> 00:49:50,880

entire excerpt before we get to this

1110

00:49:56,990 --> 00:49:54,060

small section up on the screen

1111

00:49:58,670 --> 00:49:57,000

um on the current status of the video

1112

00:50:01,790 --> 00:49:58,680

here's the interview I'm going to read

1113

00:50:03,410 --> 00:50:01,800

it verbatim author is there any point in

1114

00:50:05,750 --> 00:50:03,420

time you'd consider putting it out there

1115

00:50:08,450 --> 00:50:05,760

or is it the sort of thing where it's

1116

00:50:10,250 --> 00:50:08,460

going to die with you Clark well to tell

1117

00:50:14,390 --> 00:50:10,260

you the truth the video is not in my

1118

00:50:15,589 --> 00:50:14,400

possession any longer author oh okay I

1119

00:50:17,750 --> 00:50:15,599

know there's been a lot of attention

1120

00:50:19,730 --> 00:50:17,760

around it recently and I think I saw

1121

00:50:22,550 --> 00:50:19,740

somewhere that you said you had sold it

1122

00:50:25,490 --> 00:50:22,560

to Logan Paul is that right Clark no no

1123

00:50:27,890 --> 00:50:25,500

no if he has a poor cell phone copy of

1124

00:50:29,930 --> 00:50:27,900

it that is pirated and he'll wind up in

1125

00:50:31,370 --> 00:50:29,940

court and a lot poorer if it's

1126

00:50:34,250 --> 00:50:31,380

disseminated

1127

00:50:37,430 --> 00:50:34,260

author quote how recently did you give

1128

00:50:38,870 --> 00:50:37,440

it away Clark I didn't give it away I

1129

00:50:41,210 --> 00:50:38,880

just said it's no longer in my

1130

00:50:44,809 --> 00:50:41,220

possession author so you didn't

1131

00:50:47,690 --> 00:50:44,819

willingly hand it over clark no well I

1132

00:50:49,790 --> 00:50:47,700

didn't hand it over to anybody author so

1133

00:50:51,530 --> 00:50:49,800

you didn't willingly give it to you know

1134

00:50:54,950 --> 00:50:51,540

didn't hand it to somebody for safe

1135

00:50:57,530 --> 00:50:54,960

keeping for example Clark no author so

1136

00:51:00,109 --> 00:50:57,540

it was taken from you Clark I don't want

1137

00:51:03,530 --> 00:51:00,119

to get into its location author do you

1138

00:51:05,450 --> 00:51:03,540

know where it is Clark yes author was it

1139

00:51:08,750 --> 00:51:05,460

your intention to not have it in your

1140

00:51:10,849 --> 00:51:08,760

possession Clark yes author but you

1141

00:51:13,130 --> 00:51:10,859

didn't give it away Clark I didn't give

1142

00:51:15,770 --> 00:51:13,140

it away that's as close as you're gonna

1143

00:51:16,970 --> 00:51:15,780

get author is there anything you could

1144

00:51:18,829 --> 00:51:16,980

tell me just to give me some

1145

00:51:20,569 --> 00:51:18,839

understanding of how it got to where it

1146

00:51:22,609 --> 00:51:20,579

is without giving identifying

1147

00:51:25,609 --> 00:51:22,619

information or saying where it is

1148

00:51:30,770 --> 00:51:25,619

something like that Clark I facilitated

1149

00:51:37,370 --> 00:51:34,849

what what like why is he so vague why

1150

00:51:38,809 --> 00:51:37,380

can't he just release this video I don't

1151

00:51:39,349 --> 00:51:38,819

understand

1152

00:51:41,630 --> 00:51:39,359

um

1153

00:51:44,270 --> 00:51:41,640

earlier in the interview this is what

1154

00:51:45,589 --> 00:51:44,280

came of it author you didn't give it

1155

00:51:50,150 --> 00:51:45,599

directly from

1156

00:51:51,770 --> 00:51:50,160

whoever filmed it Clark no no it was an

1157

00:51:54,170 --> 00:51:51,780

acquaintance of the person that gave me

1158

00:51:56,089 --> 00:51:54,180

the copy author okay is there a reason

1159

00:51:58,430 --> 00:51:56,099

why you declined to publish it or put it

1160

00:51:59,809 --> 00:51:58,440

out there Clark I gave my word to the

1161

00:52:01,609 --> 00:51:59,819

person that gave it to me that I

1162

00:52:03,710 --> 00:52:01,619

wouldn't disseminate it and he was in

1163

00:52:06,230 --> 00:52:03,720

the media out of Hollywood

1164

00:52:07,670 --> 00:52:06,240

Burbank basically

1165

00:52:10,670 --> 00:52:07,680

okay

1166

00:52:12,950 --> 00:52:10,680

so I have a lot of experience with

1167

00:52:14,930 --> 00:52:12,960

Burbank guys that's where most of my

1168

00:52:16,910 --> 00:52:14,940

television shows that I did were filmed

1169

00:52:18,710 --> 00:52:16,920

I spent a lot of time there when I was

1170

00:52:21,470 --> 00:52:18,720

in Los Angeles

1171

00:52:24,470 --> 00:52:21,480

um that is where most TV shows are made

1172

00:52:26,089 --> 00:52:24,480

it's where a lot of the Hollywood uh

1173

00:52:28,130 --> 00:52:26,099

stuff goes on

1174

00:52:31,309 --> 00:52:28,140

besides Hollywood

1175

00:52:33,250 --> 00:52:31,319

um so the fact that Chuck Clark obtained

1176  
00:52:36,410 --> 00:52:33,260  
this video from someone in Hollywood

1177  
00:52:38,329 --> 00:52:36,420  
really gives me pause really really

1178  
00:52:41,150 --> 00:52:38,339  
gives me pause

1179  
00:52:42,170 --> 00:52:41,160  
um so I and I'm gonna go to the chat

1180  
00:52:42,950 --> 00:52:42,180  
because I want to know what you guys

1181  
00:52:48,650 --> 00:52:42,960  
think

1182  
00:52:50,750 --> 00:52:48,660  
is yet another

1183  
00:52:52,430 --> 00:52:50,760  
alien autopsy

1184  
00:52:54,950 --> 00:52:52,440  
and nothing more

1185  
00:52:56,630 --> 00:52:54,960  
I think this video was created by

1186  
00:53:00,109 --> 00:52:56,640  
someone in Hollywood possibly special

1187  
00:53:02,630 --> 00:53:00,119  
effects artists to see let's see what

1188  
00:53:04,910 --> 00:53:02,640

this Clark guy says maybe let's see if

1189

00:53:06,829 --> 00:53:04,920

we can stump him fool him let's see if

1190

00:53:10,309 --> 00:53:06,839

he puts it out there leaks it to the

1191

00:53:12,710 --> 00:53:10,319

public and um boom there you go there's

1192

00:53:15,410 --> 00:53:12,720

the beginning of your viral marketing

1193

00:53:17,930 --> 00:53:15,420

back in the early 90s

1194

00:53:21,170 --> 00:53:17,940

um you know the alien autopsy was

1195

00:53:23,270 --> 00:53:21,180

originally sold as real

1196

00:53:26,089 --> 00:53:23,280

um so could this have been just another

1197

00:53:28,430 --> 00:53:26,099

kind of way to do that

1198

00:53:31,190 --> 00:53:28,440

um like James Fox said it was almost too

1199

00:53:32,450 --> 00:53:31,200

good like it was just it's exactly the

1200

00:53:33,230 --> 00:53:32,460

smoking good footage we've been looking

1201  
00:53:35,089 --> 00:53:33,240  
for

1202  
00:53:37,370 --> 00:53:35,099  
if it's the exact footage we've been

1203  
00:53:38,270 --> 00:53:37,380  
looking for it's probably too good to be

1204  
00:53:41,270 --> 00:53:38,280  
true

1205  
00:53:44,270 --> 00:53:41,280  
so the fact that this video was obtained

1206  
00:53:46,670 --> 00:53:44,280  
by someone in Hollywood makes me really

1207  
00:53:48,290 --> 00:53:46,680  
think that this is nothing but a

1208  
00:53:50,270 --> 00:53:48,300  
marketing scheme for some like found

1209  
00:53:52,309 --> 00:53:50,280  
footage film

1210  
00:53:54,950 --> 00:53:52,319  
um that's it

1211  
00:53:57,530 --> 00:53:54,960  
that's it that's why I personally feel

1212  
00:53:59,150 --> 00:53:57,540  
this story just has to go to rest let

1213  
00:54:01,609 --> 00:53:59,160

Logan Paul do whatever he wants with his

1214

00:54:03,950 --> 00:54:01,619

little button camera video and let's all

1215

00:54:05,089 --> 00:54:03,960

just move on with our lives um it's

1216

00:54:07,010 --> 00:54:05,099

probably not going to be the last we

1217

00:54:08,569 --> 00:54:07,020

hear of it but that interview kind of

1218

00:54:11,329 --> 00:54:08,579

did it for me that was the nail in the

1219

00:54:12,530 --> 00:54:11,339

coffin if I'm wrong I'll eat crow but

1220

00:54:14,329 --> 00:54:12,540

until then

1221

00:54:15,230 --> 00:54:14,339

um I'm done I'm done with this Chuck

1222

00:54:18,349 --> 00:54:15,240

Clark

1223

00:54:20,690 --> 00:54:18,359

story and I hope you guys are too

1224

00:54:23,150 --> 00:54:20,700

um let's see

1225

00:54:24,710 --> 00:54:23,160

Jazz says we live in an age where AI

1226  
00:54:29,329 --> 00:54:24,720  
will be and where anything could be

1227  
00:54:32,809 --> 00:54:30,650  
um

1228  
00:54:35,870 --> 00:54:32,819  
Grant levock is here welcome welcome my

1229  
00:54:35,880 --> 00:54:39,829  
Robert says I agree

1230  
00:54:47,150 --> 00:54:42,770  
let's see

1231  
00:54:52,250 --> 00:54:50,270  
Grant says he's hitting it

1232  
00:54:53,930 --> 00:54:52,260  
agent Smith says they're chasing the

1233  
00:54:57,049 --> 00:54:53,940  
hype train trying to figure out how to

1234  
00:55:00,049 --> 00:54:57,059  
monetize it at this point yes

1235  
00:55:02,690 --> 00:55:00,059  
um Logan Paul is a extremely Savvy

1236  
00:55:04,549 --> 00:55:02,700  
businessman he's had some shady dealings

1237  
00:55:06,170 --> 00:55:04,559  
and is dealing with that but he also

1238  
00:55:08,089 --> 00:55:06,180

knows what he's doing

1239

00:55:09,230 --> 00:55:08,099

and he knows how to create hype so

1240

00:55:10,370 --> 00:55:09,240

that's probably why he hasn't put the

1241

00:55:14,390 --> 00:55:10,380

video out

1242

00:55:17,089 --> 00:55:14,400

um we've seen part one of kind of you

1243

00:55:19,609 --> 00:55:17,099

know his he's he's acknowledged that

1244

00:55:21,170 --> 00:55:19,619

James Fox was telling the truth and and

1245

00:55:23,270 --> 00:55:21,180

acknowledged that he went out and tried

1246

00:55:25,910 --> 00:55:23,280

to purchase the video so we'll see what

1247

00:55:27,650 --> 00:55:25,920

happens next we will see

1248

00:55:30,650 --> 00:55:27,660

Grant says I smell a fictional found

1249

00:55:33,770 --> 00:55:30,660

footage concept exactly exactly that's

1250

00:55:33,780 --> 00:55:39,130

Pat says sounds like a bunch of BS

1251  
00:55:43,309 --> 00:55:41,329  
Todd says Clark was probably afraid to

1252  
00:55:48,109 --> 00:55:43,319  
sell Logan Paul a bogus film for 100k

1253  
00:55:49,670 --> 00:55:48,119  
good play that could be it too you know

1254  
00:55:52,549 --> 00:55:49,680  
um oh man

1255  
00:55:55,670 --> 00:55:52,559  
can you imagine Logan Paul would destroy

1256  
00:55:57,230 --> 00:55:55,680  
that man's life but like I guess he

1257  
00:56:00,410 --> 00:55:57,240  
couldn't really right

1258  
00:56:03,710 --> 00:56:00,420  
I mean they like Logan Paul literally

1259  
00:56:06,230 --> 00:56:03,720  
said it's not his video so if he sells

1260  
00:56:07,670 --> 00:56:06,240  
it to him like that's up to Logan Paul

1261  
00:56:14,510 --> 00:56:07,680  
to

1262  
00:56:17,690 --> 00:56:14,520  
whatever way he sees fit so I don't know

1263  
00:56:20,210 --> 00:56:17,700

I don't know Douglas Park says something

1264

00:56:25,069 --> 00:56:20,220

suspicious going on here yeah agreed

1265

00:56:29,089 --> 00:56:27,109

he just says if it truly was real The

1266

00:56:32,930 --> 00:56:29,099

Smoking Gun it would be out there yeah

1267

00:56:37,069 --> 00:56:32,940

exactly so that's it that's it let's

1268

00:56:40,730 --> 00:56:37,079

move on from Mr uh Logan Paul

1269

00:56:43,370 --> 00:56:40,740

um what do we have next oh we have

1270

00:56:45,710 --> 00:56:43,380

um let me grab this guy there we go now

1271

00:56:48,230 --> 00:56:45,720

you get to see what's coming up

1272

00:56:50,809 --> 00:56:48,240

um our next clip is going to come from

1273

00:56:54,530 --> 00:56:50,819

the I believe in humans podcast actually

1274

00:56:56,329 --> 00:56:54,540

they recently had on Jeremy McGowan who

1275

00:56:59,569 --> 00:56:56,339

was in the United States Air Force and

1276

00:57:02,930 --> 00:56:59,579

if you guys aren't familiar with Jeremy

1277

00:57:04,370 --> 00:57:02,940

McGowan um he had a really crazy UFO

1278

00:57:06,230 --> 00:57:04,380

incident happened over in the Middle

1279

00:57:08,870 --> 00:57:06,240

East with

1280

00:57:12,049 --> 00:57:08,880

um this crate that he was guarding in

1281

00:57:14,870 --> 00:57:12,059

the middle of the desert and a UFO that

1282

00:57:16,670 --> 00:57:14,880

was seen over this crate and the Mystery

1283

00:57:19,970 --> 00:57:16,680

only continued from there you can read

1284

00:57:22,490 --> 00:57:19,980

the entire story in my new book stories

1285

00:57:24,650 --> 00:57:22,500

from somewhere in the skies it's one of

1286

00:57:26,630 --> 00:57:24,660

the last chapters in the book

1287

00:57:30,049 --> 00:57:26,640

um a really really fascinating story

1288

00:57:31,910 --> 00:57:30,059

about Jerry Jeremy McGowan's um incident

1289

00:57:34,490 --> 00:57:31,920

there um but yeah the I believe in

1290

00:57:39,770 --> 00:57:34,500

humans podcast had Jeremy on recently

1291

00:57:42,170 --> 00:57:39,780

and um they asked him about um will we

1292

00:57:44,870 --> 00:57:42,180

ever get video or photos of the UFO

1293

00:57:46,430 --> 00:57:44,880

shootdowns that occurred in the U.S and

1294

00:57:49,250 --> 00:57:46,440

in North America

1295

00:57:51,349 --> 00:57:49,260

um and what can be concluded if we do

1296

00:57:52,730 --> 00:57:51,359

and Jeremy had some really interesting

1297

00:57:54,530 --> 00:57:52,740

things to say so I'm going to go ahead

1298

00:57:56,450 --> 00:57:54,540

and play that clip and we'll we'll talk

1299

00:57:58,670 --> 00:57:56,460

about it on the other side do you think

1300

00:58:00,710 --> 00:57:58,680

we'll ever get that data and even if we

1301  
00:58:02,390 --> 00:58:00,720  
did what would that data show us or tell

1302  
00:58:04,490 --> 00:58:02,400  
us you think what kind of conclusions do

1303  
00:58:06,470 --> 00:58:04,500  
you think we could draw from that the

1304  
00:58:09,410 --> 00:58:06,480  
fact that the government is not

1305  
00:58:10,910 --> 00:58:09,420  
releasing the camera footage it's that's

1306  
00:58:13,130 --> 00:58:10,920  
normal

1307  
00:58:15,470 --> 00:58:13,140  
um what people don't realize is that

1308  
00:58:19,430 --> 00:58:15,480  
military camera systems

1309  
00:58:22,430 --> 00:58:19,440  
are classified systems the video that

1310  
00:58:26,510 --> 00:58:22,440  
comes from these is going to be analyzed

1311  
00:58:29,030 --> 00:58:26,520  
and scrutinized down to the pixel by

1312  
00:58:31,910 --> 00:58:29,040  
every foreign state that can get a hold

1313  
00:58:35,450 --> 00:58:31,920

of that information from that they will

1314

00:58:37,670 --> 00:58:35,460

be able to reverse engineer even if it's

1315

00:58:39,710 --> 00:58:37,680

just in data what type of sensor

1316

00:58:41,630 --> 00:58:39,720

equipment we use if it's just a regular

1317

00:58:43,730 --> 00:58:41,640

CMOS type of camera system if it's a

1318

00:58:45,230 --> 00:58:43,740

Starlight camera system if it has you

1319

00:58:47,569 --> 00:58:45,240

know what the pixel resolution is

1320

00:58:50,569 --> 00:58:47,579

they'll be able to say okay that this

1321

00:58:53,890 --> 00:58:50,579

thing has an inability to uh to properly

1322

00:58:56,630 --> 00:58:53,900

record this specific color frequency

1323

00:58:58,730 --> 00:58:56,640

because we know it was our Target and we

1324

00:59:00,770 --> 00:58:58,740

put this little blue dot on there and

1325

00:59:02,390 --> 00:59:00,780

the blue dot doesn't show up in any of

1326

00:59:05,210 --> 00:59:02,400

the video so we know that the camera

1327

00:59:07,309 --> 00:59:05,220

sucks at recording this color so now we

1328

00:59:10,309 --> 00:59:07,319

can improve our camouflage systems and

1329

00:59:12,589 --> 00:59:10,319

all sorts of things so it's It's

1330

00:59:14,809 --> 00:59:12,599

Perfectly Normal that the government's

1331

00:59:18,109 --> 00:59:14,819

not going to release that footage it's

1332

00:59:20,750 --> 00:59:18,119

not because the device that we shot down

1333

00:59:22,970 --> 00:59:20,760

is super Advanced but it's all of the

1334

00:59:25,370 --> 00:59:22,980

intelligence that can be gathered by

1335

00:59:27,530 --> 00:59:25,380

Foreign States through detailed uh

1336

00:59:29,450 --> 00:59:27,540

analysis of that footage and what they

1337

00:59:30,549 --> 00:59:29,460

can learn from it

1338

00:59:33,950 --> 00:59:30,559

um

1339

00:59:37,609 --> 00:59:33,960

we are also going to continue to call

1340

00:59:41,210 --> 00:59:37,619

them UFOs or UAP or whatever the the the

1341

00:59:43,549 --> 00:59:41,220

flavor of the week is simply because if

1342

00:59:46,250 --> 00:59:43,559

we have not identified

1343

00:59:48,890 --> 00:59:46,260

where it came from who is operating it

1344

00:59:50,870 --> 00:59:48,900

and what its capabilities are by

1345

00:59:53,630 --> 00:59:50,880

government terminology it Still Remains

1346

00:59:56,150 --> 00:59:53,640

unidentified we may know that it's a

1347

00:59:58,010 --> 00:59:56,160

balloon but we don't have a full

1348

00:59:59,450 --> 00:59:58,020

comprehension of its payload we don't

1349

01:00:00,710 --> 00:59:59,460

have a full comprehension of its

1350

01:00:02,890 --> 01:00:00,720

capabilities we don't know if it's

1351

01:00:06,890 --> 01:00:02,900

transmitting or if it's just collecting

1352

01:00:10,490 --> 01:00:06,900

uh and until we have 100 proof positive

1353

01:00:14,630 --> 01:00:10,500

of every single detail it remains

1354

01:00:16,670 --> 01:00:14,640

unknown it doesn't mean that in UFO

1355

01:00:18,230 --> 01:00:16,680

Twitter speak that we don't know it was

1356

01:00:20,210 --> 01:00:18,240

a balloon of course we know it was a

1357

01:00:22,549 --> 01:00:20,220

balloon but we don't know anything else

1358

01:00:24,770 --> 01:00:22,559

about that or if we do know other things

1359

01:00:27,530 --> 01:00:24,780

about that we're not going to tip our

1360

01:00:30,230 --> 01:00:27,540

hat and say hey the reason we shot it

1361

01:00:32,930 --> 01:00:30,240

down is because we determined that it

1362

01:00:34,670 --> 01:00:32,940

had no transmission capability therefore

1363

01:00:37,190 --> 01:00:34,680

all of the data that it was collecting

1364

01:00:39,170 --> 01:00:37,200

had to have been recovered by an

1365

01:00:41,630 --> 01:00:39,180

offshore vessel when they brought the

1366

01:00:43,430 --> 01:00:41,640

balloon down in international waters so

1367

01:00:45,710 --> 01:00:43,440

we're going to shoot it down before they

1368

01:00:47,930 --> 01:00:45,720

they can pull their Intel off of it

1369

01:00:50,210 --> 01:00:47,940

we're not going to say that because if

1370

01:00:54,049 --> 01:00:50,220

we say that that tips

1371

01:00:56,750 --> 01:00:54,059

our hat to what our elint and sigint

1372

01:00:58,430 --> 01:00:56,760

intelligence capabilities are now the

1373

01:01:00,710 --> 01:00:58,440

Chinese government is going to know well

1374

01:01:02,630 --> 01:01:00,720

they were able to measure our signals

1375

01:01:05,089 --> 01:01:02,640

output on this device and they

1376

01:01:08,750 --> 01:01:05,099

determined that we were not broadcasting

1377

01:01:10,970 --> 01:01:08,760

anything so they now know that you know

1378

01:01:13,670 --> 01:01:10,980

what our limitation is we're not going

1379

01:01:17,870 --> 01:01:13,680

to say any of that this is a giant game

1380

01:01:20,569 --> 01:01:17,880

of cat and mouse and we you me and the

1381

01:01:22,130 --> 01:01:20,579

rest of UFO Twitter were not playing in

1382

01:01:26,109 --> 01:01:22,140

the game we're sitting on the sidelines

1383

01:01:31,130 --> 01:01:28,490

there you go guys

1384

01:01:33,770 --> 01:01:31,140

um some some logic laid down by Jeremy

1385

01:01:35,870 --> 01:01:33,780

McGowan um I have to agree with him you

1386

01:01:37,250 --> 01:01:35,880

know a lot early on when the shootdowns

1387

01:01:39,530 --> 01:01:37,260

happen and stuff I'm like oh why are we

1388

01:01:41,750 --> 01:01:39,540

not getting any info and and like

1389

01:01:43,010 --> 01:01:41,760

they're clearly not balloons and this

1390

01:01:45,130 --> 01:01:43,020

that this uh

1391

01:01:47,690 --> 01:01:45,140

um any he makes a lot of sense like

1392

01:01:50,089 --> 01:01:47,700

giving out any information and what

1393

01:01:52,849 --> 01:01:50,099

these things are or how we you know

1394

01:01:54,829 --> 01:01:52,859

found them tracked them and eventually

1395

01:01:57,890 --> 01:01:54,839

shot them down um would give away a lot

1396

01:02:01,069 --> 01:01:57,900

of our own uh sensor system data and

1397

01:02:03,410 --> 01:02:01,079

information and and stuff like that so

1398

01:02:04,549 --> 01:02:03,420

um yeah yeah I I think I think it was

1399

01:02:08,630 --> 01:02:04,559

really interesting a lot of the things

1400

01:02:10,970 --> 01:02:08,640

he said and also you know that the

1401

01:02:14,690 --> 01:02:10,980

recovery efforts on these things too

1402

01:02:16,250 --> 01:02:14,700

like they the the shoot questions and or

1403

01:02:19,849 --> 01:02:16,260

what is that

1404

01:02:21,650 --> 01:02:19,859

wow shoot and ask questions later

1405

01:02:23,690 --> 01:02:21,660

um is really true like they had to get

1406

01:02:25,910 --> 01:02:23,700

these things down before whatever

1407

01:02:28,789 --> 01:02:25,920

intelligence they were gathering could

1408

01:02:31,849 --> 01:02:28,799

get back to where it needed to go

1409

01:02:34,789 --> 01:02:31,859

um so I guess it makes sense to kind of

1410

01:02:37,250 --> 01:02:34,799

shoot them down first and and then

1411

01:02:39,349 --> 01:02:37,260

go from there so um yeah interesting

1412

01:02:41,630 --> 01:02:39,359

nonetheless he really put a lot of that

1413

01:02:44,030 --> 01:02:41,640

into perspective and why we will never

1414

01:02:46,130 --> 01:02:44,040

probably get any video or photos from

1415

01:02:48,829 --> 01:02:46,140

these events and that doesn't mean they

1416

01:02:51,230 --> 01:02:48,839

weren't balloons it simply means that

1417

01:02:53,150 --> 01:02:51,240

the systems they were tracked on

1418

01:02:56,329 --> 01:02:53,160

um how they were taken down all that

1419

01:02:58,130 --> 01:02:56,339

stuff is what uh really important so

1420

01:02:59,270 --> 01:02:58,140

yeah yeah I thought that was pretty

1421

01:03:00,230 --> 01:02:59,280

interesting

1422

01:03:02,630 --> 01:03:00,240

um

1423

01:03:04,490 --> 01:03:02,640

I have to say I'm I'm not doing my job

1424

01:03:07,849 --> 01:03:04,500

here as some of you have pointed out to

1425

01:03:09,530 --> 01:03:07,859

ask please like the video we got a

1426

01:03:12,589 --> 01:03:09,540

hundred and troll people watching we got

1427

01:03:14,270 --> 01:03:12,599

about 40 likes if I'm doing that bad uh

1428

01:03:16,250 --> 01:03:14,280

I shouldn't be doing this so please

1429

01:03:18,710 --> 01:03:16,260

click that like button guys if you can

1430

01:03:20,329 --> 01:03:18,720

it really does help us truly truly

1431

01:03:24,109 --> 01:03:20,339

appreciate it subscribe turn on

1432

01:03:26,210 --> 01:03:24,119

notifications all that YouTube lingo for

1433

01:03:28,970 --> 01:03:26,220

the kids out there

1434

01:03:31,309 --> 01:03:28,980

um so yeah yeah I love that show I

1435

01:03:33,109 --> 01:03:31,319

believe in humans check them out you can

1436

01:03:35,270 --> 01:03:33,119

subscribe to their YouTube channel or

1437

01:03:37,849 --> 01:03:35,280

get their podcast wherever get your

1438

01:03:39,890 --> 01:03:37,859

podcast and a special shout out to

1439

01:03:42,829 --> 01:03:39,900

Jeremy McGowan as well who again you can

1440

01:03:46,370 --> 01:03:42,839

read about in my new book stories from

1441

01:03:49,490 --> 01:03:46,380

somewhere in the skies as well all right

1442

01:03:50,930 --> 01:03:49,500

let's move on to a regular here on

1443

01:03:52,730 --> 01:03:50,940

podcast highlights of the week and

1444

01:03:55,849 --> 01:03:52,740

that's the weaponized podcast with

1445

01:03:57,650 --> 01:03:55,859

Jeremy Corbell and George Knapp and I

1446

01:04:00,650 --> 01:03:57,660

mentioned earlier our featured image

1447

01:04:03,410 --> 01:04:00,660

showed a sperm floating in space uh

1448

01:04:06,289 --> 01:04:03,420

there's a reason for that there is a

1449

01:04:08,990 --> 01:04:06,299

reason so George Knapp said in their

1450

01:04:11,750 --> 01:04:09,000

most recent uh interview or I should say

1451

01:04:14,930 --> 01:04:11,760

conversation he says that a Russian

1452

01:04:18,230 --> 01:04:14,940

scientist discovered small spheres from

1453

01:04:22,130 --> 01:04:18,240

two different UFO landing sites and gave

1454

01:04:25,849 --> 01:04:22,140

them to nap to be tested and The Story

1455

01:04:27,530 --> 01:04:25,859

Goes On from there it's pretty funny and

1456

01:04:29,510 --> 01:04:27,540

pretty interesting so I'm just gonna go

1457

01:04:31,670 --> 01:04:29,520

ahead and play the clip from weaponized

1458

01:04:33,650 --> 01:04:31,680

and we'll talk about a little bit about

1459

01:04:34,730 --> 01:04:33,660

it on the other side all right stay

1460

01:04:37,250 --> 01:04:34,740

tuned

1461

01:04:40,309 --> 01:04:37,260

so one was a case right outside of

1462

01:04:41,930 --> 01:04:40,319

Moscow a UFO had landed he goes to do

1463

01:04:44,030 --> 01:04:41,940

his thing looking for a single cell

1464

01:04:47,329 --> 01:04:44,040

organism is in the soil and he found

1465

01:04:49,730 --> 01:04:47,339

something else these perfectly uh opaque

1466

01:04:52,130 --> 01:04:49,740

little spheres in the in the soil he

1467

01:04:54,530 --> 01:04:52,140

found them there at that site he found

1468

01:04:57,410 --> 01:04:54,540

him again at a UFO landing site in

1469

01:04:59,569 --> 01:04:57,420

Kazakhstan which is you know hundreds

1470

01:05:01,370 --> 01:04:59,579

thousands of miles away uh different

1471

01:05:03,770 --> 01:05:01,380

different part of the what used to be

1472

01:05:06,470 --> 01:05:03,780

the USSR and the same kind of little

1473

01:05:08,809 --> 01:05:06,480

spheres and he called them Cosmic sperm

1474

01:05:10,549 --> 01:05:08,819

and he had them in a in a little petri

1475

01:05:12,230 --> 01:05:10,559

dish there and he gave me some of them

1476

01:05:14,630 --> 01:05:12,240

he gave me like half the world's known

1477

01:05:17,210 --> 01:05:14,640

supply of cosmic sperm and said take

1478

01:05:18,650 --> 01:05:17,220

them back he had the theory that they

1479

01:05:21,049 --> 01:05:18,660

would Sprout that they were some kind of

1480

01:05:23,809 --> 01:05:21,059

biological agent that they might Sprout

1481

01:05:25,910 --> 01:05:23,819

into either a being or animal or plant

1482

01:05:27,650 --> 01:05:25,920

or something like that gave them to me

1483

01:05:28,970 --> 01:05:27,660

said take them back to the U.S do some

1484

01:05:31,309 --> 01:05:28,980

tests on them let me know what to find

1485

01:05:33,470 --> 01:05:31,319

out so I did I I took half the world's

1486

01:05:36,549 --> 01:05:33,480

Cosmic sperm back to the U.S and did you

1487

01:05:38,750 --> 01:05:36,559

plant some in your home Garden next

1488

01:05:41,630 --> 01:05:38,760

and I had to get down there and pick

1489

01:05:43,309 --> 01:05:41,640

them all up and then I gave some to

1490

01:05:44,930 --> 01:05:43,319

um a physicist who looked at him under

1491

01:05:48,710 --> 01:05:44,940

an electron microscope pretty

1492

01:05:51,049 --> 01:05:48,720

interesting perfectly uh symmetrical but

1493

01:05:52,309 --> 01:05:51,059

he said look these things were not

1494

01:05:54,829 --> 01:05:52,319

biological

1495

01:05:56,990 --> 01:05:54,839

they were manufactured there had some

1496

01:05:59,510 --> 01:05:57,000

high heat instrument had been used to

1497

01:06:01,069 --> 01:05:59,520

make them and he didn't know what the

1498

01:06:03,230 --> 01:06:01,079

purpose was or why you would find them

1499

01:06:05,930 --> 01:06:03,240

at UFO landing sites in two such

1500

01:06:07,490 --> 01:06:05,940

remotely distant places but there you

1501

01:06:10,549 --> 01:06:07,500

were I sent them to a Plant Pathology

1502

01:06:13,309 --> 01:06:10,559

Lab at a at a Midwestern University they

1503

01:06:15,410 --> 01:06:13,319

concluded that it also was a not

1504

01:06:17,210 --> 01:06:15,420

biological it was manufactured didn't

1505

01:06:19,910 --> 01:06:17,220

know who would make it what it was used

1506

01:06:22,010 --> 01:06:19,920

for but it be remained a mystery there's

1507

01:06:25,370 --> 01:06:22,020

another part to that story

1508

01:06:27,230 --> 01:06:25,380

uh were those uh objects I gave them to

1509

01:06:28,970 --> 01:06:27,240

the Atomic Testing Museum I remember

1510

01:06:30,950 --> 01:06:28,980

that in Las Vegas and they put it on

1511

01:06:32,690 --> 01:06:30,960

display to be like you know these are

1512

01:06:34,609 --> 01:06:32,700

artifacts from a spacecraft they call

1513

01:06:36,109 --> 01:06:34,619

them alien artifacts which you know I

1514

01:06:37,789 --> 01:06:36,119

don't know that they're alien artifacts

1515

01:06:39,589 --> 01:06:37,799

I never said they were alien artifacts

1516

01:06:41,029 --> 01:06:39,599

it just that's it that were mysterious

1517

01:06:43,190 --> 01:06:41,039

and the Russians didn't know what they

1518

01:06:44,930 --> 01:06:43,200

were they put them on display there and

1519

01:06:47,089 --> 01:06:44,940

they were on display in this area 51

1520

01:06:49,190 --> 01:06:47,099

exhibit for a couple of years I had

1521

01:06:51,650 --> 01:06:49,200

given them all kinds of stuff loaned all

1522

01:06:55,970 --> 01:06:51,660

this all kinds of books and uh Trinkets

1523

01:06:57,710 --> 01:06:55,980

and memorabilia as well as some material

1524

01:06:59,150 --> 01:06:57,720

that I got from a uofl crash site and

1525

01:06:59,930 --> 01:06:59,160

down the course that we'll talk about in

1526

01:07:02,630 --> 01:06:59,940

a minute

1527

01:07:05,270 --> 01:07:02,640

and I got all that back except for the

1528

01:07:07,430 --> 01:07:05,280

little Spears uh I said Hey where's the

1529

01:07:08,990 --> 01:07:07,440

spears yeah we don't know so it's it's

1530

01:07:10,910 --> 01:07:09,000

been four or five years now they still

1531

01:07:12,589 --> 01:07:10,920

haven't returned them to me and all my

1532

01:07:14,210 --> 01:07:12,599

inquiries to get them back have been

1533

01:07:15,770 --> 01:07:14,220

unsuccessful nobody knows what happened

1534

01:07:18,170 --> 01:07:15,780

to them the Atomic Testing Museum

1535

01:07:20,150 --> 01:07:18,180

straight up Stole the World's supply of

1536

01:07:22,190 --> 01:07:20,160

cosmic sperm from you yeah somebody

1537

01:07:26,710 --> 01:07:22,200

there took it I got all the other stuff

1538

01:07:31,370 --> 01:07:28,970

there you go guys

1539

01:07:34,250 --> 01:07:31,380

the Atomic Testing Museum is in

1540

01:07:36,589 --> 01:07:34,260

possession of George Knapp's Cosmic

1541

01:07:39,470 --> 01:07:36,599

sperm so please

1542

01:07:42,650 --> 01:07:39,480

Museum give George knap back his sperm

1543

01:07:48,770 --> 01:07:45,950

all joking aside really interesting that

1544

01:07:49,910 --> 01:07:48,780

these weird little things are found at

1545

01:07:51,890 --> 01:07:49,920

two different

1546

01:07:54,230 --> 01:07:51,900

quote unquote UFO landing sites in

1547

01:07:56,390 --> 01:07:54,240

Russia given to George Knapp he smuggled

1548

01:07:57,650 --> 01:07:56,400

them back here had them tested and they

1549

01:08:01,130 --> 01:07:57,660

came back

1550

01:08:04,069 --> 01:08:01,140

um anomalous so uh yeah yeah

1551

01:08:06,589 --> 01:08:04,079

um where those sperm are now we may

1552

01:08:08,390 --> 01:08:06,599

never find out but interesting story

1553

01:08:11,510 --> 01:08:08,400

nonetheless so we definitely had to

1554

01:08:14,150 --> 01:08:11,520

share that one and put it in the title

1555

01:08:15,170 --> 01:08:14,160

so I hope uh hope you guys enjoyed that

1556

01:08:17,689 --> 01:08:15,180

one

1557

01:08:19,430 --> 01:08:17,699

um let's see here Lord boss says trust

1558

01:08:21,829 --> 01:08:19,440

your stuff with nap he'll get it right

1559

01:08:24,169 --> 01:08:21,839

to area 51.

1560

01:08:26,689 --> 01:08:24,179

so true man he's got just like that

1561

01:08:27,530 --> 01:08:26,699

express route right to groom Lake out

1562

01:08:30,229 --> 01:08:27,540

there

1563

01:08:34,130 --> 01:08:30,239

crazy crazy crazy

1564

01:08:37,430 --> 01:08:34,140

hello Tim F is here hell hell beats guys

1565

01:08:38,930 --> 01:08:37,440

here hello welcome guys welcome welcome

1566

01:08:40,849 --> 01:08:38,940

um we're just going over podcast

1567

01:08:44,510 --> 01:08:40,859

highlights of the week I hope you're

1568

01:08:46,249 --> 01:08:44,520

enjoying these guys um uh we got another

1569

01:08:47,450 --> 01:08:46,259

cool one here

1570

01:08:51,050 --> 01:08:47,460

um from a show I've never heard of

1571

01:08:53,030 --> 01:08:51,060

called Viva free and um they had on our

1572

01:08:57,470 --> 01:08:53,040

good buddy who comes up in almost every

1573

01:08:59,150 --> 01:08:57,480

episode James Fox and this is pretty

1574

01:09:02,390 --> 01:08:59,160

interesting speaking about Georgian up

1575

01:09:05,570 --> 01:09:02,400

in Area 51 James fox actually read a

1576

01:09:08,689 --> 01:09:05,580

letter from a former U.S Air Force UFO

1577

01:09:12,890 --> 01:09:08,699

whistleblower with an NDA who testified

1578

01:09:16,669 --> 01:09:12,900

to Congress and arrow about a program at

1579

01:09:19,970 --> 01:09:16,679

area 51. so I'm gonna go ahead and play

1580

01:09:21,590 --> 01:09:19,980

that clip for you right now

1581

01:09:23,870 --> 01:09:21,600

hello James

1582

01:09:27,650 --> 01:09:23,880

just wanted to give you a quick shot of

1583

01:09:30,229 --> 01:09:27,660

the involvement I've had with uaps

1584

01:09:32,269 --> 01:09:30,239

I was introduced to a program while I

1585

01:09:35,269 --> 01:09:32,279

was in the air force that involved Area

1586

01:09:36,829 --> 01:09:35,279

51 activities and did that for two to

1587

01:09:39,169 --> 01:09:36,839

three years

1588

01:09:41,209 --> 01:09:39,179

my job involved going to a lot of

1589

01:09:43,249 --> 01:09:41,219

different locations and hearing

1590

01:09:45,470 --> 01:09:43,259

discussions from a lot of people that

1591

01:09:48,229 --> 01:09:45,480

are working on very extraordinary

1592

01:09:51,349 --> 01:09:48,239

Technologies and material

1593

01:09:53,030 --> 01:09:51,359

jumping forward to October of last year

1594

01:09:57,410 --> 01:09:53,040

I had already been interviewed by the

1595

01:09:59,209 --> 01:09:57,420

UAP task force to testify in 2022 with

1596

01:10:03,110 --> 01:09:59,219

the Senate and the house who were

1597

01:10:05,810 --> 01:10:03,120

passing the new ndaa legislation at the

1598

01:10:10,310 --> 01:10:05,820

time I saw all the photographs of this

1599

01:10:13,070 --> 01:10:10,320

of this individual behind the scenes

1600

01:10:15,709 --> 01:10:13,080

I provided them the context of my job

1601  
01:10:17,450 --> 01:10:15,719  
and what I had experienced in an effort

1602  
01:10:19,250 --> 01:10:17,460  
to give Congress more clarity on the

1603  
01:10:22,430 --> 01:10:19,260  
program which has been particularly

1604  
01:10:25,189 --> 01:10:22,440  
difficult to get insight into

1605  
01:10:27,950 --> 01:10:25,199  
after my testimony I was again asked to

1606  
01:10:30,290 --> 01:10:27,960  
speak to the new Aero organization

1607  
01:10:32,510 --> 01:10:30,300  
so earlier this year I interviewed at

1608  
01:10:35,030 --> 01:10:32,520  
the arrow office to help them in their

1609  
01:10:37,189 --> 01:10:35,040  
study of unidentified aerial phenomena

1610  
01:10:39,290 --> 01:10:37,199  
it's been an extraordinary Road for me

1611  
01:10:42,229 --> 01:10:39,300  
to say the least

1612  
01:10:45,169 --> 01:10:42,239  
and I'm doing what I can to help get

1613  
01:10:47,149 --> 01:10:45,179

this out I will be straightforward that

1614

01:10:48,830 --> 01:10:47,159

the Technologies we have discovered will

1615

01:10:52,010 --> 01:10:48,840

probably have to stay under classified

1616

01:10:53,750 --> 01:10:52,020

programs due to National Security but I

1617

01:10:55,310 --> 01:10:53,760

believe it's time for us all to know

1618

01:10:57,770 --> 01:10:55,320

that we're not alone

1619

01:11:00,350 --> 01:10:57,780

this has been my whole purpose for

1620

01:11:02,689 --> 01:11:00,360

becoming involved there's a lot going on

1621

01:11:05,030 --> 01:11:02,699

behind the scenes and it's way too much

1622

01:11:09,050 --> 01:11:05,040

for a lot of folks to take in right now

1623

01:11:11,270 --> 01:11:09,060

I'll do my best to to guide

1624

01:11:13,669 --> 01:11:11,280

any discussions between the powers that

1625

01:11:16,970 --> 01:11:13,679

are behind all of this and hopefully my

1626

01:11:19,790 --> 01:11:16,980

friends who are still in the program

1627

01:11:22,790 --> 01:11:19,800

will hear this and consider separating

1628

01:11:25,189 --> 01:11:22,800

the Technologies from the contact I wish

1629

01:11:27,709 --> 01:11:25,199

you all well and I hope I'll have an

1630

01:11:29,810 --> 01:11:27,719

opportunity an opportunity to open up

1631

01:11:34,370 --> 01:11:29,820

the discussion of what this is all about

1632

01:11:42,350 --> 01:11:38,810

there you go I mean if this is true this

1633

01:11:44,149 --> 01:11:42,360

letter given to James uh oh that's

1634

01:11:45,530 --> 01:11:44,159

that's saying a lot you know we've been

1635

01:11:48,050 --> 01:11:45,540

hearing a lot of Rumbings I know we

1636

01:11:49,970 --> 01:11:48,060

talked about it last week about um put

1637

01:11:51,649 --> 01:11:49,980

up or shut up as John Greenwald would

1638

01:11:53,330 --> 01:11:51,659

say a lot of people are saying that

1639

01:11:54,530 --> 01:11:53,340

there's whistleblowers coming forward

1640

01:11:57,050 --> 01:11:54,540

they're going to talk about Crash

1641

01:11:58,790 --> 01:11:57,060

retrieval programs and having worked on

1642

01:12:01,669 --> 01:11:58,800

them and having testified in front of

1643

01:12:04,189 --> 01:12:01,679

Congress and or or at least arrow and

1644

01:12:06,470 --> 01:12:04,199

this that and um now we have James Fox

1645

01:12:07,850 --> 01:12:06,480

just coming out straight up reading a

1646

01:12:10,870 --> 01:12:07,860

letter from someone that worked at Area

1647

01:12:13,790 --> 01:12:10,880

51 worked on quote unquote the program

1648

01:12:18,050 --> 01:12:13,800

and we also heard in the letter that the

1649

01:12:19,790 --> 01:12:18,060

program is still ongoing so again if any

1650

01:12:23,149 --> 01:12:19,800

of this is true it's pretty explosive

1651  
01:12:25,010 --> 01:12:23,159  
and we know that James has interviewed

1652  
01:12:27,770 --> 01:12:25,020  
some of these individuals For an

1653  
01:12:30,110 --> 01:12:27,780  
upcoming film of his so maybe that's

1654  
01:12:32,209 --> 01:12:30,120  
where we're gonna finally hear it I I

1655  
01:12:34,669 --> 01:12:32,219  
believe James has recently said you know

1656  
01:12:36,470 --> 01:12:34,679  
if arrow is not going to come forward

1657  
01:12:39,669 --> 01:12:36,480  
and and tell the public about this stuff

1658  
01:12:41,990 --> 01:12:39,679  
I am so

1659  
01:12:43,490 --> 01:12:42,000  
be careful James that's all I'm going to

1660  
01:12:45,709 --> 01:12:43,500  
say buddy you got a Target on your back

1661  
01:12:47,209 --> 01:12:45,719  
now having read that letter out and

1662  
01:12:49,610 --> 01:12:47,219  
claiming that you're gonna you're gonna

1663  
01:12:52,189 --> 01:12:49,620

put this out there but um I commend him

1664

01:12:54,649 --> 01:12:52,199

for that I truly do if any of this is

1665

01:12:58,550 --> 01:12:54,659

real if any of this is true

1666

01:13:01,310 --> 01:12:58,560

um and I sure hope it is uh it's gonna

1667

01:13:03,890 --> 01:13:01,320

be pretty big and it's gonna definitely

1668

01:13:07,130 --> 01:13:03,900

move the goal posts with this entire

1669

01:13:09,970 --> 01:13:07,140

conversation and hopefully not bring us

1670

01:13:12,709 --> 01:13:09,980

back 40 yards

1671

01:13:15,050 --> 01:13:12,719

so we'll see we'll see interesting

1672

01:13:17,450 --> 01:13:15,060

nonetheless so there we go

1673

01:13:19,550 --> 01:13:17,460

always room for James Fox here and

1674

01:13:23,270 --> 01:13:19,560

somewhere in the live stream

1675

01:13:24,350 --> 01:13:23,280

let's see let's see Jeff says a part of

1676

01:13:26,630 --> 01:13:24,360

me thinks some of these UFO

1677

01:13:28,189 --> 01:13:26,640

investigators are being fed BS so the

1678

01:13:30,950 --> 01:13:28,199

government can make them look like fools

1679

01:13:33,350 --> 01:13:30,960

Jeff that's been going on forever man

1680

01:13:35,870 --> 01:13:33,360

this information

1681

01:13:38,990 --> 01:13:35,880

um given you know false information to

1682

01:13:41,090 --> 01:13:39,000

the public with some truths in between

1683

01:13:43,250 --> 01:13:41,100

um so nothing new but you're probably

1684

01:13:45,950 --> 01:13:43,260

right you're probably right with some of

1685

01:13:48,229 --> 01:13:45,960

it I hope near wrong but you're probably

1686

01:13:50,810 --> 01:13:48,239

right

1687

01:13:53,149 --> 01:13:50,820

um let me see here

1688

01:13:55,370 --> 01:13:53,159

Robert says we already have over 500

1689

01:13:57,169 --> 01:13:55,380

Professional key eyewitnesses to stand

1690

01:14:02,149 --> 01:13:57,179

up against the Pentagon

1691

01:14:05,930 --> 01:14:04,490

boss says Ross culthart was also really

1692

01:14:07,970 --> 01:14:05,940

convinced that things were going to come

1693

01:14:10,310 --> 01:14:07,980

out yeah he's one of the individuals

1694

01:14:11,870 --> 01:14:10,320

who's claimed that you know

1695

01:14:17,090 --> 01:14:11,880

the program

1696

01:14:19,010 --> 01:14:17,100

to be coming forward soon so again could

1697

01:14:20,510 --> 01:14:19,020

it be in this new documentary that James

1698

01:14:23,870 --> 01:14:20,520

Fox has been working on and kind of

1699

01:14:25,729 --> 01:14:23,880

teasing we shall see we shall see

1700

01:14:27,770 --> 01:14:25,739

definitely wasn't at the Senate UAB

1701

01:14:30,470 --> 01:14:27,780

hearing could tell you that much

1702

01:14:32,090 --> 01:14:30,480

oh God

1703

01:14:34,910 --> 01:14:32,100

did you guys watch that live stream I

1704

01:14:36,350 --> 01:14:34,920

think I fell asleep four times

1705

01:14:39,530 --> 01:14:36,360

anyways

1706

01:14:41,209 --> 01:14:39,540

let's move on to our next I can't

1707

01:14:43,250 --> 01:14:41,219

believe

1708

01:14:45,770 --> 01:14:43,260

what a day what a day here at somewhere

1709

01:14:48,290 --> 01:14:45,780

in the live stream I'm playing a clip

1710

01:14:52,130 --> 01:14:48,300

from third phase of moon

1711

01:14:55,310 --> 01:14:52,140

but not only that it's of Stephen Greer

1712

01:14:56,350 --> 01:14:55,320

Hell hath frozen over y'all

1713

01:14:59,209 --> 01:14:56,360

um but

1714

01:15:01,189 --> 01:14:59,219

say what you will about Stephen Greer um

1715

01:15:03,590 --> 01:15:01,199

we're going to talk about him after the

1716

01:15:04,490 --> 01:15:03,600

clip about something he's doing in the

1717

01:15:06,590 --> 01:15:04,500

near future

1718

01:15:08,630 --> 01:15:06,600

um but let's play the clip because it

1719

01:15:10,729 --> 01:15:08,640

was kind of interesting again Stephen

1720

01:15:13,910 --> 01:15:10,739

Greer has brought forward some

1721

01:15:16,970 --> 01:15:13,920

interesting stuff uh in the past

1722

01:15:19,250 --> 01:15:16,980

not in the present but will he be

1723

01:15:21,290 --> 01:15:19,260

bringing some interesting stuff to the

1724

01:15:23,750 --> 01:15:21,300

public in the present or the the very

1725

01:15:26,030 --> 01:15:23,760

near future I should say only time will

1726

01:15:28,310 --> 01:15:26,040

tell with an event that he's going to be

1727

01:15:30,290 --> 01:15:28,320

hosting which I'll talk about after the

1728

01:15:32,149 --> 01:15:30,300

clip but go ahead and watch this this is

1729

01:15:32,990 --> 01:15:32,159

Stephen Greer talking to third phase of

1730

01:15:34,790 --> 01:15:33,000

moon

1731

01:15:35,630 --> 01:15:34,800

again I can't believe I said both those

1732

01:15:38,149 --> 01:15:35,640

names

1733

01:15:40,970 --> 01:15:38,159

um he's talking about Tic Tacs being

1734

01:15:45,110 --> 01:15:40,980

human made and a witness who saw one

1735

01:15:51,470 --> 01:15:48,530

uh even the anti-gravity lifter systems

1736

01:15:55,090 --> 01:15:51,480

field propulsion those

1737

01:15:58,310 --> 01:15:55,100

were mastered in October of 1954.

1738

01:16:01,130 --> 01:15:58,320

which also knew flashers and other

1739

01:16:02,990 --> 01:16:01,140

talking point to look for at the

1740

01:16:06,010 --> 01:16:03,000

national Press Club

1741

01:16:08,810 --> 01:16:06,020

when they showed the Tic Tac

1742

01:16:11,630 --> 01:16:08,820

and I've spoken to David fraver who is

1743

01:16:15,290 --> 01:16:11,640

the F-18 Hornet pilot for the Navy

1744

01:16:17,810 --> 01:16:15,300

chasing that object the Arctic Coast San

1745

01:16:20,149 --> 01:16:17,820

Diego uh you know everyone's been told

1746

01:16:22,669 --> 01:16:20,159

gee is it from China is it this is it

1747

01:16:24,709 --> 01:16:22,679

that that was one of ours

1748

01:16:27,470 --> 01:16:24,719

and what's interesting we have the

1749

01:16:29,149 --> 01:16:27,480

information from the gentleman who is in

1750

01:16:32,030 --> 01:16:29,159

1991.

1751

01:16:33,649 --> 01:16:32,040

at a in a classified operation during

1752

01:16:37,970 --> 01:16:33,659

the first Gulf War

1753

01:16:39,530 --> 01:16:37,980

and being offloaded at the Azores

1754

01:16:43,250 --> 01:16:39,540

Islands

1755

01:16:46,430 --> 01:16:43,260

from a C-130 transport was the Tic Tac

1756

01:16:49,610 --> 01:16:46,440

and that was whatever whatever you know

1757

01:16:52,850 --> 01:16:49,620

we're talking about 30 years uh 20 20

1758

01:16:55,610 --> 01:16:52,860

years 23 years before you know the F-18

1759

01:16:58,970 --> 01:16:55,620

Hornet that David fravor flew chased it

1760

01:17:00,290 --> 01:16:58,980

and then you go back to a case in uh

1761

01:17:03,110 --> 01:17:00,300

Pennsylvania

1762

01:17:05,030 --> 01:17:03,120

uh where multiple Witnesses saw exactly

1763

01:17:06,290 --> 01:17:05,040

the same thing the Tic Tac floating over

1764

01:17:09,189 --> 01:17:06,300

the countryside

1765

01:17:12,350 --> 01:17:09,199

and for which we have the uh reporting

1766

01:17:15,169 --> 01:17:12,360

and a very good professional drawing of

1767

01:17:18,649 --> 01:17:15,179

that object so I think part of this also

1768

01:17:21,350 --> 01:17:18,659

is is unveiling the risk of these false

1769

01:17:24,770 --> 01:17:21,360

flag operations where things that look

1770

01:17:26,990 --> 01:17:24,780

alien can be deployed to deceive the

1771

01:17:29,810 --> 01:17:27,000

public to deceive our own pilots and

1772

01:17:33,169 --> 01:17:29,820

Military like these Navy pilots and

1773

01:17:35,510 --> 01:17:33,179

deceive the Congress and the media so I

1774

01:17:37,729 --> 01:17:35,520

think it's very important that all of

1775

01:17:39,649 --> 01:17:37,739

this come out but that these these dots

1776

01:17:42,770 --> 01:17:39,659

get connected so that people understand

1777

01:17:45,950 --> 01:17:42,780

why this is important because in the

1778

01:17:48,590 --> 01:17:45,960

secrecy and let's call it the enforced

1779

01:17:50,930 --> 01:17:48,600

secrecy that results in the ignorance on

1780

01:17:53,510 --> 01:17:50,940

this subject the Congress the president

1781

01:17:57,290 --> 01:17:53,520

the media the American public could be

1782

01:17:59,570 --> 01:17:57,300

tricked uh into a false flag event

1783

01:18:02,390 --> 01:17:59,580

thinking that it was of extraterrestrial

1784

01:18:05,689 --> 01:18:02,400

origin when it's actually of human

1785

01:18:08,510 --> 01:18:05,699

origin designed for its psychological

1786

01:18:21,830 --> 01:18:08,520

warfare value so that's another whole

1787

01:18:27,770 --> 01:18:24,110

God damn it

1788

01:18:30,550 --> 01:18:27,780

you had me clear like I was with you bro

1789

01:18:34,130 --> 01:18:30,560

I was with you until the false flag

1790

01:18:35,090 --> 01:18:34,140

[h\_\_\h] come on dude he's still doing

1791

01:18:40,430 --> 01:18:35,100

it

1792

01:18:44,270 --> 01:18:41,689

so

1793

01:18:45,950 --> 01:18:44,280

we had Lieutenant Commander Alex

1794

01:18:47,990 --> 01:18:45,960

Dietrich on the show

1795

01:18:49,550 --> 01:18:48,000

somewhat recently talking about her

1796

01:18:52,010 --> 01:18:49,560

experience with the tic tac she was

1797

01:18:53,930 --> 01:18:52,020

literally one of the top gun pilots who

1798

01:18:55,970 --> 01:18:53,940

chased this thing

1799

01:18:58,310 --> 01:18:55,980

um and you know she doesn't pretend to

1800

01:19:01,490 --> 01:18:58,320

have any idea what it was she she won't

1801  
01:19:04,130 --> 01:19:01,500  
even entertain trying to theorize what

1802  
01:19:06,110 --> 01:19:04,140  
it was other than she didn't she wasn't

1803  
01:19:07,910 --> 01:19:06,120  
able to identify it

1804  
01:19:10,130 --> 01:19:07,920  
um and a lot of people do believe that

1805  
01:19:11,930 --> 01:19:10,140  
it was man-made whatever it was some

1806  
01:19:13,370 --> 01:19:11,940  
sort of drone some sort of unmanned

1807  
01:19:14,030 --> 01:19:13,380  
vehicle

1808  
01:19:17,030 --> 01:19:14,040  
um

1809  
01:19:19,250 --> 01:19:17,040  
who knows who knows

1810  
01:19:20,450 --> 01:19:19,260  
the fact that Greer is saying that

1811  
01:19:22,130 --> 01:19:20,460  
people are going to be coming forward

1812  
01:19:24,350 --> 01:19:22,140  
and talking about these things being

1813  
01:19:26,450 --> 01:19:24,360

man-made that they've been reported

1814

01:19:28,430 --> 01:19:26,460

throughout the decades back during the

1815

01:19:30,890 --> 01:19:28,440

Gulf War and even earlier

1816

01:19:33,530 --> 01:19:30,900

um this at this uh I find it interesting

1817

01:19:36,169 --> 01:19:33,540

and I also find it interesting that um

1818

01:19:38,689 --> 01:19:36,179

you know maybe

1819

01:19:41,090 --> 01:19:38,699

maybe there is I can't believe I'm

1820

01:19:44,090 --> 01:19:41,100

saying this

1821

01:19:46,850 --> 01:19:44,100

maybe this whole idea of alien

1822

01:19:47,990 --> 01:19:46,860

being attached to the Tic Tac and a lot

1823

01:19:51,290 --> 01:19:48,000

of this

1824

01:19:54,229 --> 01:19:51,300

um is strategic is for some reason is

1825

01:19:57,890 --> 01:19:54,239

for deceptive purposes

1826  
01:19:59,570 --> 01:19:57,900  
um so while I can kind of lean to where

1827  
01:20:01,250 --> 01:19:59,580  
it's possible that Tic Tacs were

1828  
01:20:04,729 --> 01:20:01,260  
man-made and all that

1829  
01:20:07,310 --> 01:20:04,739  
um he lost me at the false flag thing

1830  
01:20:08,390 --> 01:20:07,320  
um so yeah yeah I thought it was

1831  
01:20:08,990 --> 01:20:08,400  
interesting

1832  
01:20:10,850 --> 01:20:09,000  
um

1833  
01:20:12,950 --> 01:20:10,860  
kind of why I wanted to play this is

1834  
01:20:14,750 --> 01:20:12,960  
because of an event

1835  
01:20:16,250 --> 01:20:14,760  
that Stephen Greer is going to be

1836  
01:20:18,229 --> 01:20:16,260  
presenting so let me see if I can pull

1837  
01:20:19,370 --> 01:20:18,239  
this up here

1838  
01:20:21,169 --> 01:20:19,380

okay

1839

01:20:24,110 --> 01:20:21,179

here it is

1840

01:20:26,209 --> 01:20:24,120

so June 10th and 11th Stephen Greer in

1841

01:20:27,530 --> 01:20:26,219

Washington DC again at the national

1842

01:20:30,410 --> 01:20:27,540

Press Club

1843

01:20:33,790 --> 01:20:30,420

is going to be hosting an event now his

1844

01:20:36,410 --> 01:20:33,800

first one was groundbreaking it was

1845

01:20:40,010 --> 01:20:36,420

incredible the people that he brought

1846

01:20:41,630 --> 01:20:40,020

forward to talk to testify about um UFO

1847

01:20:43,729 --> 01:20:41,640

events everything from military to

1848

01:20:44,990 --> 01:20:43,739

intelligence officials and everything in

1849

01:20:47,570 --> 01:20:45,000

between

1850

01:20:50,810 --> 01:20:47,580

um just just awesome

1851

01:20:52,370 --> 01:20:50,820

um and then you know Stephen Greer just

1852

01:20:54,850 --> 01:20:52,380

kind of morphed into what he is today

1853

01:20:57,470 --> 01:20:54,860

and we won't get into that crazy

1854

01:20:59,330 --> 01:20:57,480

convoluted story but um let's talk about

1855

01:21:01,430 --> 01:20:59,340

this event historic disclosure

1856

01:21:03,410 --> 01:21:01,440

conference and screening of the Lost

1857

01:21:05,090 --> 01:21:03,420

Century which I assume is a new film

1858

01:21:07,430 --> 01:21:05,100

that's coming out about the false flag

1859

01:21:10,790 --> 01:21:07,440

Alien Invasion

1860

01:21:13,729 --> 01:21:10,800

um so he's gonna be doing this event and

1861

01:21:15,590 --> 01:21:13,739

talking about UFO crashes and crash

1862

01:21:19,310 --> 01:21:15,600

retrievals

1863

01:21:20,810 --> 01:21:19,320

um he's one of two speakers during the

1864

01:21:22,910 --> 01:21:20,820

first day I believe it is him and

1865

01:21:23,630 --> 01:21:22,920

Michael schrat

1866

01:21:27,530 --> 01:21:23,640

um

1867

01:21:29,930 --> 01:21:27,540

but this one

1868

01:21:31,850 --> 01:21:29,940

is crazy like it's just him and this

1869

01:21:35,330 --> 01:21:31,860

other dude talking for like

1870

01:21:37,189 --> 01:21:35,340

12 hours David Ike Style

1871

01:21:39,169 --> 01:21:37,199

this is the one that really caught my

1872

01:21:42,410 --> 01:21:39,179

attention the national Press Club event

1873

01:21:44,209 --> 01:21:42,420

disclosure 2.0 on June 12th

1874

01:21:47,350 --> 01:21:44,219

um this is taking place in Washington DC

1875

01:21:50,270 --> 01:21:47,360

this will be a history making event

1876

01:21:54,649 --> 01:21:50,280

exclamation point new top secret

1877

01:21:56,209 --> 01:21:54,659

testimony Dr Grill Greer Dr Greer will

1878

01:21:58,430 --> 01:21:56,219

unveil the beginnings of the

1879

01:21:59,990 --> 01:21:58,440

intelligence archive that is guiding the

1880

01:22:02,510 --> 01:22:00,000

US government in uncovering the truth

1881

01:22:04,430 --> 01:22:02,520

about the UFO issue there will be free

1882

01:22:06,830 --> 01:22:04,440

webinar access to this National Press

1883

01:22:08,510 --> 01:22:06,840

Club event we'll send everyone a link to

1884

01:22:09,669 --> 01:22:08,520

join

1885

01:22:12,490 --> 01:22:09,679

um

1886

01:22:15,790 --> 01:22:12,500

so yeah

1887

01:22:17,990 --> 01:22:15,800

I'm kind of curious about this event

1888

01:22:19,189 --> 01:22:18,000

who's going to be there who's going to

1889

01:22:21,770 --> 01:22:19,199

be speaking

1890

01:22:25,130 --> 01:22:21,780

um is this possibly one of the places

1891

01:22:28,610 --> 01:22:25,140

where this area 51 person is going to

1892

01:22:30,470 --> 01:22:28,620

blow the whistle on um the program

1893

01:22:32,390 --> 01:22:30,480

um

1894

01:22:35,149 --> 01:22:32,400

say what you will about Greer he is

1895

01:22:37,250 --> 01:22:35,159

spoken to some pretty interesting people

1896

01:22:39,830 --> 01:22:37,260

who've turned out to be

1897

01:22:42,709 --> 01:22:39,840

legit uh many

1898

01:22:45,530 --> 01:22:42,719

who have not and others who claim that

1899

01:22:47,149 --> 01:22:45,540

uh you know Greer said I gave them a a

1900

01:22:49,790 --> 01:22:47,159

briefing on this and they said I've

1901

01:22:51,890 --> 01:22:49,800

never even heard of this dude so again

1902

01:22:56,030 --> 01:22:51,900

take it for what you will um but this

1903

01:22:57,950 --> 01:22:56,040

event is taking place June 9th 10th and

1904

01:22:58,810 --> 01:22:57,960

11th

1905

01:23:02,870 --> 01:22:58,820

um

1906

01:23:05,450 --> 01:23:02,880

disclosure event 2.0 basically so we'll

1907

01:23:07,310 --> 01:23:05,460

see we'll see what comes in June um

1908

01:23:09,229 --> 01:23:07,320

let's go to the chat I do want to see

1909

01:23:11,810 --> 01:23:09,239

what you guys are saying here

1910

01:23:13,610 --> 01:23:11,820

um Jazz says I've seen three Tic Tacs

1911

01:23:15,229 --> 01:23:13,620

they aren't ours

1912

01:23:18,350 --> 01:23:15,239

I'm gonna take your word for everybody

1913

01:23:21,770 --> 01:23:18,360

1914

01:23:23,750 --> 01:23:21,780

Tac UFO event story will be in this

1915

01:23:25,790 --> 01:23:23,760

1916

01:23:29,090 --> 01:23:25,800

we have a brand new volume of witness

1917

01:23:31,430 --> 01:23:29,100

accounts of which his story comes right

1918

01:23:34,189 --> 01:23:31,440

at the Forefront of the episode so stay

1919

01:23:37,610 --> 01:23:34,199

tuned for that to Hear jazz Shaw's UFO

1920

01:23:40,010 --> 01:23:37,620

accounts um really interesting stuff

1921

01:23:42,229 --> 01:23:40,020

thank you so much for allowing us to

1922

01:23:43,070 --> 01:23:42,239

share your stories Jess

1923

01:23:45,649 --> 01:23:43,080

um

1924

01:23:47,390 --> 01:23:45,659

Tim F says I still think all of this is

1925

01:23:50,270 --> 01:23:47,400

our Tech back engineered from found

1926

01:23:53,870 --> 01:23:50,280

ancient human Tech interesting Theory

1927

01:23:56,990 --> 01:23:53,880

man I like that I like that

1928

01:23:59,330 --> 01:23:57,000

1931

01:24:05,750 --> 01:24:03,179

1934

01:24:12,470 --> 01:24:10,620

then Grandmaster UB

1935

01:24:15,110 --> 01:24:12,480

1936

01:24:17,470 --> 01:24:15,120

um actually yeah can you send me an

1937

01:24:22,070 --> 01:24:20,270

ryan.spreg51 gmail.com I'm just going to

1938

01:24:23,870 --> 01:24:22,080

get a bunch of troll emails though from

1939

01:24:25,970 --> 01:24:23,880

1940

01:24:28,310 --> 01:24:25,980

um Grandmaster I'd love to speak to you

1941

01:24:30,110 --> 01:24:28,320

lay of the land there at the event from

1943

01:24:36,649 --> 01:24:33,540

you um so we'll see we'll see

1944

01:24:39,530 --> 01:24:36,659

let's see Patrick says Greer lost me

1945

01:24:41,870 --> 01:24:39,540

when he went all trippy hippie open

1946

01:24:45,110 --> 01:24:41,880

he loves a lot of people man with the C5

1947

01:24:47,870 --> 01:24:45,120

movement um I've never done it I can't

1948

01:24:50,149 --> 01:24:47,880

say if it works or not but you know he's

1949

01:24:52,550 --> 01:24:50,159

been caught in some deceptive stuff with

1950

01:24:55,189 --> 01:24:52,560

his C5 stuff

1951

01:24:57,410 --> 01:24:55,199

um and a lot of other things too that

1952

01:24:59,750 --> 01:24:57,420

makes him controversial but we won't go

1953

01:25:06,590 --> 01:25:02,090

Todd says how much is the cover charge

1954

01:25:08,810 --> 01:25:06,600

50k let's actually let's see

1955

01:25:10,850 --> 01:25:08,820

this on the screen okay cool well

1956

01:25:13,130 --> 01:25:10,860

there's got to be where oh get your

1957

01:25:16,970 --> 01:25:13,140

1959

01:25:20,630 --> 01:25:19,140

we ain't talking some chump change here

1960

01:25:23,530 --> 01:25:20,640

guys look at that

1961

1966

01:25:41,930 --> 01:25:40,080  
damn

1967

01:25:44,870 --> 01:25:41,940  
can you imagine if just like 10 people

1968

01:25:48,130 --> 01:25:44,880

1969

01:25:50,689 --> 01:25:48,140

01:25:54,590 --> 01:25:50,699  
they better roll out that alien body

1971

01:25:56,510 --> 01:25:54,600  
that's all I'm saying for 1500 bucks

1972

01:25:59,330 --> 01:25:56,520  
all right let's get this off the screen

1973

01:26:01,370 --> 01:25:59,340  
we're so done with this one all right

1974

01:26:03,229 --> 01:26:01,380  
that will be the last time we ever

1975

01:26:05,810 --> 01:26:03,239  
feature third phase of moon on this

1976

01:26:07,850 --> 01:26:05,820

channel I promise you guys

1977

01:26:10,790 --> 01:26:07,860

you know what's really funny I have to

1978

01:26:12,290 --> 01:26:10,800

mention this so the Blake cousins or

1979

01:26:14,810 --> 01:26:12,300

whatever their names are out there in

1980

01:26:17,689 --> 01:26:14,820

Hawaii who run third phase of moon

1981

01:26:18,830 --> 01:26:17,699

um they're filmmakers obviously they've

1982

01:26:21,709 --> 01:26:18,840

made their own documentaries and stuff

1983

01:26:23,629 --> 01:26:21,719

but they used to make horror films and I

1984

01:26:25,010 --> 01:26:23,639

watch here on YouTube

1985

01:26:27,770 --> 01:26:25,020

um and you guys might be familiar with

1986

01:26:29,810 --> 01:26:27,780

it red letter media they're a um YouTube

1987

01:26:31,790 --> 01:26:29,820

channel where they they cover movies

1988

01:26:33,290 --> 01:26:31,800

like movie reviews and stuff and they

1989

01:26:37,070 --> 01:26:33,300

have a series called best of the worst

1990

01:26:38,990 --> 01:26:37,080

where they watch horrible movies and

1991

01:26:41,390 --> 01:26:39,000

kind of like you know dunk on them and

1992

01:26:44,510 --> 01:26:41,400

stuff and it's so funny I love it

1993

01:26:47,270 --> 01:26:44,520

um today I watched their new episode and

1994

01:26:50,450 --> 01:26:47,280

it actually featured a horror movie that

1995

01:26:54,169 --> 01:26:50,460

was made by the Blake

1996

01:26:58,669 --> 01:26:54,179

of third phase of moon and they ripped

1997

01:27:00,709 --> 01:26:58,679

it apart so crazy timing synchronistic

1998

01:27:03,110 --> 01:27:00,719

to say the least um I thought that was

1999

01:27:04,970 --> 01:27:03,120

pretty funny pretty interesting so yeah

2000

01:27:07,189 --> 01:27:04,980

go over to Red Letter media you can

2001  
01:27:10,970 --> 01:27:07,199  
watch them dunk on the Blake cousins for

2002  
01:27:13,189 --> 01:27:10,980  
other purposes other than their UFO work

2003  
01:27:14,390 --> 01:27:13,199  
it's uh it's interesting to say the

2004  
01:27:16,550 --> 01:27:14,400  
least

2005  
01:27:20,570 --> 01:27:16,560  
all right guys let's move to

2006  
01:27:21,890 --> 01:27:20,580  
um to our last clip here

2007  
01:27:24,530 --> 01:27:21,900  
um and this doesn't come from a podcast

2008  
01:27:27,410 --> 01:27:24,540  
but it came from an event that recently

2009  
01:27:29,510 --> 01:27:27,420  
took place at Rice University of all

2010  
01:27:32,689 --> 01:27:29,520  
places The Archives of the impossible

2011  
01:27:34,629 --> 01:27:32,699  
event and at this event

2012  
01:27:36,890 --> 01:27:34,639  
um let's see comb Kelleher from

2013  
01:27:39,350 --> 01:27:36,900

## Skinwalker Ranch fame

2014

01:27:42,350 --> 01:27:39,360

um spoke and he talked about a possible

2015

01:27:44,689 --> 01:27:42,360

study on The Hitchhiker effect at

2016

01:27:45,890 --> 01:27:44,699

Skinwalker Ranch so I'm gonna play this

2017

01:27:48,290 --> 01:27:45,900

clip we'll talk about it on the other

2018

01:27:50,689 --> 01:27:48,300

side and we'll start to wrap things up

2019

01:27:53,149 --> 01:27:50,699

gosh what an episode all right give this

2020

01:27:55,010 --> 01:27:53,159

a watch comb Kelleher at The Archives of

2021

01:27:58,430 --> 01:27:55,020

the impossible event at Rice University

2022

01:28:00,050 --> 01:27:58,440

I believe this past week

2023

01:28:02,510 --> 01:28:00,060

um so if brain filtering has been

2024

01:28:06,910 --> 01:28:02,520

manipulated by a so-called hitchhiker

2025

01:28:10,490 --> 01:28:06,920

then there is a an explosion of uh of

2026

01:28:14,510 --> 01:28:10,500

perceptual anomalies in the environment

2027

01:28:18,950 --> 01:28:14,520

so you know the the idea of witnessing a

2028

01:28:21,709 --> 01:28:18,960

an import an anatomically impossible dog

2029

01:28:24,709 --> 01:28:21,719

um is a function of a perceptual

2030

01:28:27,050 --> 01:28:24,719

artifact uh caused by the manipulation

2031

01:28:30,050 --> 01:28:27,060

of The Hitchhiker I mean that's one sort

2032

01:28:33,290 --> 01:28:30,060

of off the top of the head Theory but

2033

01:28:35,270 --> 01:28:33,300

um ultimately there's really

2034

01:28:38,870 --> 01:28:35,280

um a lot more work needs to be done on

2035

01:28:42,550 --> 01:28:38,880

this I I Harbor this hope in the future

2036

01:28:47,450 --> 01:28:42,560

that some kind of uh future UFO program

2037

01:28:50,270 --> 01:28:47,460

will actually do both studying

2038

01:28:53,390 --> 01:28:50,280

um UFO performance as well as UFO

2039

01:28:56,209 --> 01:28:53,400

effects on humans because if they do

2040

01:28:58,970 --> 01:28:56,219

study UFO effects on humans it will be

2041

01:29:02,629 --> 01:28:58,980

absolutely inevitable people in the

2042

01:29:05,810 --> 01:29:02,639

experience of ASAP that these um these

2043

01:29:08,270 --> 01:29:05,820

artifacts will come up again and we need

2044

01:29:11,209 --> 01:29:08,280

a much bigger and we have a couple of

2045

01:29:14,030 --> 01:29:11,219

dozen of these effects that happened as

2046

01:29:16,970 --> 01:29:14,040

a result of uh being on skin marker

2047

01:29:20,149 --> 01:29:16,980

Ranch and actually they happened Beyond

2048

01:29:23,090 --> 01:29:20,159

skin marker Ranch UFO activity did did

2049

01:29:24,709 --> 01:29:23,100

trigger this kind of thing but RN needs

2050

01:29:28,689 --> 01:29:24,719

to grow dramatically so that we can

2051

01:29:35,090 --> 01:29:31,669

there you go I found that really

2052

01:29:37,070 --> 01:29:35,100

interesting you know I get asked a lot

2053

01:29:39,350 --> 01:29:37,080

um you know once someone has a UFO

2054

01:29:43,370 --> 01:29:39,360

sighting does that like kind of open a

2055

01:29:48,169 --> 01:29:43,380

door for other UFOs or high strangeness

2056

01:29:49,850 --> 01:29:48,179

and um in my research uh yeah it does it

2057

01:29:53,149 --> 01:29:49,860

seems to open something either

2058

01:29:56,030 --> 01:29:53,159

perceptually or um just within them to

2059

01:29:58,669 --> 01:29:56,040

be more open to the possibilities and

2060

01:30:01,370 --> 01:29:58,679

therefore does that influence them

2061

01:30:05,050 --> 01:30:01,380

experiencing other things

2062

01:30:07,129 --> 01:30:05,060

um anomalous things or seeing UFOs or

2063

01:30:08,870 --> 01:30:07,139

paranormal anything

2064

01:30:10,669 --> 01:30:08,880

um so I found it really interesting that

2065

01:30:12,830 --> 01:30:10,679

The Hitchhiker effect as they call it

2066

01:30:14,930 --> 01:30:12,840

you know these people who go to skinwalk

2067

01:30:17,450 --> 01:30:14,940

Ranch have a weird anomalous event

2068

01:30:19,669 --> 01:30:17,460

happen and then it almost follows them

2069

01:30:21,890 --> 01:30:19,679

home and weird stuff starts happening

2070

01:30:24,830 --> 01:30:21,900

when they they go to wherever they are

2071

01:30:27,770 --> 01:30:24,840

so clearly it's not just you know the

2072

01:30:30,590 --> 01:30:27,780

the area the condensed High strangeness

2073

01:30:32,689 --> 01:30:30,600

of Skinwalker Ranch it actually attaches

2074

01:30:34,189 --> 01:30:32,699

itself to these people and stuff happens

2075

01:30:36,830 --> 01:30:34,199

after

2076

01:30:39,250 --> 01:30:36,840

um and then comb goes even further in

2077

01:30:42,370 --> 01:30:39,260

his study in his research of saying

2078

01:30:45,350 --> 01:30:42,380

could The Hitchhiker phenomenon actually

2079

01:30:48,649 --> 01:30:45,360

like manipulate the perception someone's

2080

01:30:50,629 --> 01:30:48,659

having and that is what is happening

2081

01:30:52,729 --> 01:30:50,639

when they go home or go somewhere else

2082

01:30:56,510 --> 01:30:52,739

it's actually that hitchhiker effect

2083

01:31:00,350 --> 01:30:56,520

that's causing them to see maybe

2084

01:31:03,649 --> 01:31:00,360

conventional things as non-conventional

2085

01:31:06,770 --> 01:31:03,659

um or just like I said opens that door

2086

01:31:09,590 --> 01:31:06,780

for something to to occur

2087

01:31:10,250 --> 01:31:09,600

um off of the ranch so uh he said you

2088

01:31:12,830 --> 01:31:10,260

know

2089

01:31:15,350 --> 01:31:12,840

we just don't have enough data to say

2090

01:31:17,209 --> 01:31:15,360

any of that not enough cases

2091

01:31:20,030 --> 01:31:17,219

um so he hopes that

2092

01:31:21,770 --> 01:31:20,040

further UAP studies maybe Arrow or

2093

01:31:24,590 --> 01:31:21,780

something like that um we'll look into

2094

01:31:26,510 --> 01:31:24,600

this aspect and kind of investigate it

2095

01:31:27,770 --> 01:31:26,520

further so yeah I thought that was

2096

01:31:29,510 --> 01:31:27,780

really cool

2097

01:31:31,610 --> 01:31:29,520

um interesting conversation I'm sure

2098

01:31:35,330 --> 01:31:31,620

that event was great

2099

01:31:37,850 --> 01:31:35,340

um I I I know uh a few people attended

2100

01:31:39,950 --> 01:31:37,860

it so uh hopefully we'll get more of

2101  
01:31:41,510 --> 01:31:39,960  
these cool little clips that people will

2102  
01:31:44,570 --> 01:31:41,520  
share of that event

2103  
01:31:48,110 --> 01:31:44,580  
um hello Daylin is here I'm late no

2104  
01:31:50,209 --> 01:31:48,120  
worries dalen life goes on sometimes so

2105  
01:31:52,370 --> 01:31:50,219  
welcome you're never late it'll be in

2106  
01:31:54,649 --> 01:31:52,380  
the archives for you I'm glad we got to

2107  
01:31:55,810 --> 01:31:54,659  
say hello

2108  
01:31:58,669 --> 01:31:55,820  
um

2109  
01:32:00,950 --> 01:31:58,679  
Pat says is Comcast Irish she sounds

2110  
01:32:02,510 --> 01:32:00,960  
Irish yeah I think he is yeah I'm pretty

2111  
01:32:04,970 --> 01:32:02,520  
sure he is but he's been in the states

2112  
01:32:07,490 --> 01:32:04,980  
for a really long time he he's

2113  
01:32:10,790 --> 01:32:07,500

definitely not just your standard

2114

01:32:13,910 --> 01:32:10,800

midwesterner I could tell you that much

2115

01:32:16,310 --> 01:32:13,920

um Jeff said hitchhiker effect weirds me

2116

01:32:18,649 --> 01:32:16,320

out me too oh God

2117

01:32:22,129 --> 01:32:18,659

Winston says I try not to think about

2118

01:32:23,649 --> 01:32:22,139

bears or UFOs equally as terrifying I

2119

01:32:25,850 --> 01:32:23,659

agree with you Winston

2120

01:32:27,890 --> 01:32:25,860

Ian says talking about skin Rock Ranch

2121

01:32:30,169 --> 01:32:27,900

if the object inside the Mesa is as tall

2122

01:32:30,890 --> 01:32:30,179

as the Mesa why don't they dig from the

2123

01:32:32,570 --> 01:32:30,900

top

2124

01:32:34,729 --> 01:32:32,580

Ian's talking about the secret of

2125

01:32:36,590 --> 01:32:34,739

Skinwalker Ranch show where they believe

2126

01:32:40,070 --> 01:32:36,600

there's some sort of craft or something

2127

01:32:42,050 --> 01:32:40,080

metal and dome-shaped built or uh in the

2128

01:32:43,610 --> 01:32:42,060

Mesa there on the ranch and they're

2129

01:32:46,550 --> 01:32:43,620

further investigating that on the show

2130

01:32:48,890 --> 01:32:46,560

only time will tell Ian only time will

2131

01:32:51,110 --> 01:32:48,900

tell buddy

2132

01:32:54,590 --> 01:32:51,120

let's see I'm willing to go under

2133

01:32:57,110 --> 01:32:54,600

hypnosis I just want a third party there

2134

01:32:59,870 --> 01:32:57,120

interesting Robert I assume that's about

2135

01:33:01,610 --> 01:32:59,880

an experience you had

2136

01:33:04,370 --> 01:33:01,620

also I'll just say be careful with

2137

01:33:06,169 --> 01:33:04,380

hypnosis it's very impressionable

2138

01:33:07,610 --> 01:33:06,179

um I don't really condone it any longer

2139

01:33:09,709 --> 01:33:07,620

to be honest

2140

01:33:12,290 --> 01:33:09,719

um just too much can go wrong with it

2141

01:33:13,430 --> 01:33:12,300

but um that is up to the individual and

2142

01:33:16,610 --> 01:33:13,440

if that's the road you want to go down

2143

01:33:18,950 --> 01:33:16,620

buddy all the power to you and I wish

2144

01:33:21,709 --> 01:33:18,960

you all the best with it I truly truly

2145

01:33:25,669 --> 01:33:23,209

Skype chill with my favorite Sunday

2146

01:33:30,410 --> 01:33:25,679

podcast and you

2147

01:33:36,129 --> 01:33:32,870

hi Ryan Sprague I got stuck working deep

2148

01:33:39,350 --> 01:33:36,139

in military industrial complex this week

2149

01:33:41,209 --> 01:33:39,360

oh Jalen our resident

2150

01:33:44,689 --> 01:33:41,219

comedian

2151  
01:33:46,910 --> 01:33:44,699  
and also featured in my book guys she's

2152  
01:33:49,250 --> 01:33:46,920  
a celebrity now be sure to check her out

2153  
01:33:51,530 --> 01:33:49,260  
in the book stories from somewhere in

2154  
01:33:54,229 --> 01:33:51,540  
the skies I would tell in her story on a

2155  
01:33:56,870 --> 01:33:54,239  
few podcasts recently

2156  
01:33:59,390 --> 01:33:56,880  
um so Dale and I apologize if I got

2157  
01:34:01,189 --> 01:33:59,400  
anything wrong I'm still getting used to

2158  
01:34:03,350 --> 01:34:01,199  
telling the stories from the book but um

2159  
01:34:05,390 --> 01:34:03,360  
yeah I should mention that I've been on

2160  
01:34:08,209 --> 01:34:05,400  
a ton of podcasts recently guys doing

2161  
01:34:09,950 --> 01:34:08,219  
kind of the mini interview circuit

2162  
01:34:12,470 --> 01:34:09,960  
um so you can see me on Jim Harold's

2163  
01:34:15,530 --> 01:34:12,480

paranormal podcast

2164

01:34:18,649 --> 01:34:15,540

um I was also on UFO rabbit hole with

2165

01:34:21,229 --> 01:34:18,659

Kelly Chase I was on Bigfoot collectors

2166

01:34:27,530 --> 01:34:21,239

club with Bryce Johnson and Michael

2167

01:34:28,250 --> 01:34:27,540

McMillan and what else was I on recently

2168

01:34:31,070 --> 01:34:28,260

um

2169

01:34:34,189 --> 01:34:31,080

oh my gosh I know I'm forgetting one and

2170

01:34:36,290 --> 01:34:34,199

I feel horrible I'm gonna be on our

2171

01:34:38,870 --> 01:34:36,300

Strange Skies podcast in the very near

2172

01:34:41,209 --> 01:34:38,880

future recorded that recently that was

2173

01:34:43,370 --> 01:34:41,219

an incredible conversation oh I was on

2174

01:34:45,590 --> 01:34:43,380

that UFO podcast so the Andy McGraw and

2175

01:34:48,169 --> 01:34:45,600

how could we forget our mutual colleague

2176  
01:34:50,330 --> 01:34:48,179  
and friend over there at UFO UAP media

2177  
01:34:51,770 --> 01:34:50,340  
UK and that UFO podcast

2178  
01:34:54,229 --> 01:34:51,780  
um so yeah you can check out all those

2179  
01:34:56,570 --> 01:34:54,239  
shows right now and hear me blabbing on

2180  
01:34:58,310 --> 01:34:56,580  
and on and on and on and on

2181  
01:34:59,990 --> 01:34:58,320  
um about the book the new book uh

2182  
01:35:03,590 --> 01:35:00,000  
speaking of which we were featured this

2183  
01:35:04,610 --> 01:35:03,600  
weekend in the New York Post for books

2184  
01:35:06,890 --> 01:35:04,620  
to read

2185  
01:35:08,990 --> 01:35:06,900  
um so you can read that article over at

2186  
01:35:10,790 --> 01:35:09,000  
the New York Post right now

2187  
01:35:13,250 --> 01:35:10,800  
um if you live in the greater New York

2188  
01:35:15,410 --> 01:35:13,260

area pick up a print copy we were in

2189

01:35:17,209 --> 01:35:15,420

that one today Sunday

2190

01:35:18,229 --> 01:35:17,219

um and we're online in the online

2191

01:35:20,930 --> 01:35:18,239

version

2192

01:35:22,910 --> 01:35:20,940

um right now uh that was so cool so cool

2193

01:35:24,890 --> 01:35:22,920

to be featured in that so my special

2194

01:35:26,810 --> 01:35:24,900

thanks to the author of the article Mike

2195

01:35:29,090 --> 01:35:26,820

over there at the New York Post really

2196

01:35:30,709 --> 01:35:29,100

appreciate them featuring me and the

2197

01:35:32,810 --> 01:35:30,719

book for sure

2198

01:35:37,430 --> 01:35:32,820

um that's all guys for podcast

2199

01:35:39,950 --> 01:35:37,440

highlights of the week but before we go

2200

01:35:42,950 --> 01:35:39,960

um I do want to tease what's coming to

2201  
01:35:44,990 --> 01:35:42,960  
you in just a few hours here am I blurry

2202  
01:35:47,030 --> 01:35:45,000  
I'm a little blurry aren't I

2203  
01:35:49,970 --> 01:35:47,040  
um we have

2204  
01:35:50,990 --> 01:35:49,980  
a brand new episode of somewhere in the

2205  
01:35:53,390 --> 01:35:51,000  
skies

2206  
01:35:55,550 --> 01:35:53,400  
um oh wait this is not the this is next

2207  
01:35:58,490 --> 01:35:55,560  
week I apologize this is not the episode

2208  
01:35:59,810 --> 01:35:58,500  
dropping in the next hour

2209  
01:36:01,490 --> 01:35:59,820  
um this will be next week Close

2210  
01:36:03,890 --> 01:36:01,500  
Encounters of the Third Kind you may

2211  
01:36:05,270 --> 01:36:03,900  
never have heard of oh my gosh this is

2212  
01:36:06,350 --> 01:36:05,280  
one of my favorite episodes to put

2213  
01:36:08,810 --> 01:36:06,360

together

2214

01:36:11,750 --> 01:36:08,820

um I worked on this exclusively with

2215

01:36:13,250 --> 01:36:11,760

Preston Dennett the UFO researcher so I

2216

01:36:14,629 --> 01:36:13,260

really hope you guys enjoyed that

2217

01:36:17,510 --> 01:36:14,639

episode

2218

01:36:19,310 --> 01:36:17,520

um but tonight which we'll be premiering

2219

01:36:22,430 --> 01:36:19,320

is a brand new volume of witness

2220

01:36:25,610 --> 01:36:22,440

accounts featuring Jazz Shaw and others

2221

01:36:27,950 --> 01:36:25,620

who have had anomalous experiences and

2222

01:36:30,169 --> 01:36:27,960

have seen UFOs that changed their life

2223

01:36:33,530 --> 01:36:30,179

so that'll be out in just a couple hours

2224

01:36:35,830 --> 01:36:33,540

so stay tuned for that

2225

01:36:39,110 --> 01:36:35,840

um this is what I want to end with guys

2226

01:36:41,990 --> 01:36:39,120

when I had my ear injury recently I had

2227

01:36:45,229 --> 01:36:42,000

to postpone my interview with the Navajo

2228

01:36:46,910 --> 01:36:45,239

Rangers which I was so bummed about

2229

01:36:49,070 --> 01:36:46,920

um but I was deaf I literally would not

2230

01:36:50,570 --> 01:36:49,080

have been able to hear them during the

2231

01:36:53,030 --> 01:36:50,580

interview

2232

01:36:55,850 --> 01:36:53,040

um so you guys might be familiar with

2233

01:36:56,810 --> 01:36:55,860

the Navajo Ranger Stanley Milford and

2234

01:37:02,209 --> 01:36:56,820

and

2235

01:37:03,649 --> 01:37:02,219

escaping me put it in the chat guys I

2236

01:37:05,030 --> 01:37:03,659

feel horrible that I'm forgetting his

2237

01:37:06,890 --> 01:37:05,040

name

2238

01:37:09,830 --> 01:37:06,900

um the Navajo Rangers you probably saw

2239

01:37:11,990 --> 01:37:09,840

them on Unsolved Mysteries recently

2240

01:37:15,890 --> 01:37:12,000

um they're coming on the show and I want

2241

01:37:17,629 --> 01:37:15,900

your listener questions so please send

2242

01:37:18,229 --> 01:37:17,639

those to me

2243

01:37:20,590 --> 01:37:18,239

um

2244

01:37:23,450 --> 01:37:20,600

at the email you see below there

2245

01:37:25,070 --> 01:37:23,460

2247

01:37:30,830 --> 01:37:27,600

weird things they've investigated you

2248

01:37:35,149 --> 01:37:30,840

2249

01:37:37,910 --> 01:37:35,159

you know Bigfoot UFOs strange uh

2250

01:37:40,129 --> 01:37:37,920

2252

01:37:44,270 --> 01:37:42,300

01:37:46,790 --> 01:37:44,280

from you guys and what you want to ask

01:37:48,530 --> 01:37:46,800

them so go watch Unsolved Mysteries on

2255

01:37:51,229 --> 01:37:48,540

Netflix you'll be able to

2259

01:38:00,050 --> 01:37:57,780

so just make sure you email your

2260

01:38:01,970 --> 01:38:00,060

listener questions to me before Tuesday

2261

01:38:04,669 --> 01:38:01,980

and I will try my best to get to them

2262

01:38:07,790 --> 01:38:04,679

during the conversation if you want your

2263

01:38:10,310 --> 01:38:07,800
