

# THE NAVAJO PARANORMAL RANGERS CASE FILES

**STANLEY MILFORD JR.**

1  
00:00:00,890 --> 00:00:05,700

[Music] foreign

2  
00:00:06,840 --> 00:00:14,160

experiences that John and I had it hadn't  
started out as an actual paranormal related

3  
00:00:14,160 --> 00:00:20,640

case it was a drowning uh an individual had  
drowned uh somewhere in the San Juan River

4  
00:00:21,180 --> 00:00:30,240

and John and I had placed a boat in in the water  
at Lake Powell and began traversing to the to the

5  
00:00:30,240 --> 00:00:41,400

east along in the San Juan River and um so we got  
so far and it was getting late in the day uh we

6  
00:00:41,400 --> 00:00:48,780

came to a debris field where we couldn't go any  
further for fear of damaging the prop on the boat

7  
00:00:48,780 --> 00:00:55,260

and so we just pulled off we decided we would  
would camp for the the rest of the day and evening

8  
00:00:56,160 --> 00:01:09,600

and uh so we set up camp and that night uh uh  
really clear sky I we we were laying on our cots

9  
00:01:09,600 --> 00:01:17,040

and I noticed an object uh that was coming  
from the West headed in the East Direction

10  
00:01:18,240 --> 00:01:24,900

and this particular object was It was kind of  
amber in color and it was a little bit bigger

11

00:01:24,900 --> 00:01:34,560

than what you normally see with common satellites\h  
and uh the the really unusual thing about this\h\h

12

00:01:34,560 --> 00:01:43,740

particular object was that it was making a zigzag\h  
pattern as it moved to the East and uh so I got\h\h

13

00:01:43,740 --> 00:01:51,000

John's attention and we began watching it as it\h  
got almost right directly above us at about the\h\h

14

00:01:51,000 --> 00:01:59,520

12 o'clock position we noticed following in\h  
line behind it was to um two military craft\h\h

15

00:02:00,180 --> 00:02:06,840

uh and it turned out John was able to\h  
identify these as F-16 and he advised that\h\h

16

00:02:06,840 --> 00:02:12,900

they're you know they had their afterburners\h  
on which meant that they were pursuing this\h\h

17

00:02:14,040 --> 00:02:28,080

um in an accelerated way so uh but uh a little\h  
bit a little bit later as we were watching this uh\h\h

18

00:02:28,740 --> 00:02:37,620

all of a sudden this zigzagging object\h  
accelerated to the east and uh at a blinding\h\h

19

00:02:37,620 --> 00:02:44,880

speed I mean it we were able to see the edge\h  
of the Horizon uh where it from where we were\h\h

20

00:02:44,880 --> 00:02:51,480

at and uh this object went almost from the\h  
12 known position all the way to the horizon\h\h

21

00:02:53,220 --> 00:02:59,100  
you know within like a second and a half it\h  
was gone and it was we watched it disappear\h\h

22  
00:02:59,940 --> 00:03:07,440  
and it left the two F-16 Fighters you\h  
know side by side uh trailing behind this\h\h

23  
00:03:08,640 --> 00:03:17,640  
kind of like a a child on a tricycle because\h  
this thing the the capability and technology\h\h

24  
00:03:17,640 --> 00:03:28,500  
that would have been involved in this for\h  
this object to accelerate to we guesstimate\h\h

25  
00:03:28,500 --> 00:03:36,960  
somewhere in the name of in the area of like 10\h  
000 miles an hour and it was just unbelievable and\h\h

26  
00:03:38,580 --> 00:03:47,280  
it left me and John and uh watching this thing\h  
what just played out right in front of us and\h\h

27  
00:03:47,280 --> 00:03:58,740  
um so um again like you had said earlier you know\h  
we set out on an investigation that ended up ended\h\h

28  
00:03:58,740 --> 00:04:08,520  
up being something of uh paranormal or or UFO\h  
nature that you know we didn't we we there was no\h\h
