

PETER JENNINGS REPORTING

UFOs

UNIDENTIFIED FLYING OBJECTS

1
00:00:06,230 --> 00:00:03,710
welcome travel back in time with us

2
00:00:09,830 --> 00:00:06,240
right now for rare UFO content

3
00:00:11,990 --> 00:00:09,840
this is vintage Skies

4
00:00:19,450 --> 00:00:12,000
animations in this broadcast have been

5
00:00:19,460 --> 00:00:31,030
do you believe in flying sausage

6
00:00:35,569 --> 00:00:33,889
there's other life out there and there's

7
00:00:41,889 --> 00:00:35,579
also intelligent life

8
00:00:47,270 --> 00:00:44,869
it's quite natural to wonder about our

9
00:00:50,869 --> 00:00:47,280
place in the universe to suggest that

10
00:00:53,270 --> 00:00:50,879
we're alone is inexcusably egocentric

11
00:00:55,250 --> 00:00:53,280
the federal government knows fully well

12
00:00:57,470 --> 00:00:55,260
what is taking place with regard to the

13
00:00:59,110 --> 00:00:57,480

UFO phenomenon they're not sharing that

14

00:01:02,330 --> 00:00:59,120

with the American people

15

00:01:04,189 --> 00:01:02,340

I believe that the object that I saw was

16

00:01:06,289 --> 00:01:04,199

extraterrestrial these objects would

17

00:01:08,149 --> 00:01:06,299

hover they would Dart very quickly one

18

00:01:12,230 --> 00:01:08,159

way or the other I'd never seen anything

19

00:01:14,570 --> 00:01:12,240

like that haven't since then if even one

20

00:01:16,969 --> 00:01:14,580

of these sightings is correct is perhaps

21

00:01:20,270 --> 00:01:16,979

the greatest event in all of human

22

00:01:22,249 --> 00:01:20,280

history spine saucers I don't know

23

00:01:22,870 --> 00:01:22,259

whether to believe it or not

24

00:01:29,210 --> 00:01:22,880

thank you

25

00:01:34,429 --> 00:01:32,510

hello I'm Peter Jennings We Begin this

26
00:01:36,230 --> 00:01:34,439
program knowing from the research that

27
00:01:38,210 --> 00:01:36,240
most of us believe that we're not alone

28
00:01:39,230 --> 00:01:38,220
that there is other intelligent life in

29
00:01:41,510 --> 00:01:39,240
the universe

30
00:01:44,210 --> 00:01:41,520
NASA is searching for evidence of life

31
00:01:46,310 --> 00:01:44,220
in our solar system recently NASA and

32
00:01:49,130 --> 00:01:46,320
the European Space Agency landed a probe

33
00:01:51,109 --> 00:01:49,140
on Titan one of Saturn's moons looking

34
00:01:53,090 --> 00:01:51,119
for signs of life

35
00:01:55,730 --> 00:01:53,100
the scientists at Nasa would be happy to

36
00:01:59,149 --> 00:01:55,740
find a fossil a microbe anything to

37
00:02:00,649 --> 00:01:59,159
prove that life out there exists in some

38
00:02:02,990 --> 00:02:00,659

form

39

00:02:05,149 --> 00:02:03,000

but tonight there are millions of people

40

00:02:07,490 --> 00:02:05,159

here on Earth who believe that

41

00:02:09,650 --> 00:02:07,500

intelligent life from outer space is

42

00:02:12,170 --> 00:02:09,660

visiting us

43

00:02:13,210 --> 00:02:12,180

and they believe that they have seen the

44

00:02:16,070 --> 00:02:13,220

evidence

45

00:02:19,070 --> 00:02:16,080

it was so shiny it looked like someone

46

00:02:21,290 --> 00:02:19,080

was shining a very bright light on a

47

00:02:25,070 --> 00:02:21,300

piece of aluminum the craft is this

48

00:02:28,490 --> 00:02:25,080

shaped probably bigger than a 747 and it

49

00:02:31,430 --> 00:02:28,500

arced over the top of our car then there

50

00:02:33,710 --> 00:02:31,440

was a third object even behind the first

51
00:02:36,470 --> 00:02:33,720
two so it came across and just stopped

52
00:02:39,610 --> 00:02:36,480
it went back the direction it came from

53
00:02:43,190 --> 00:02:39,620
this light went like this

54
00:02:45,410 --> 00:02:43,200
that forever gave me the the view that

55
00:02:47,210 --> 00:02:45,420
something other than us was was out in

56
00:02:48,410 --> 00:02:47,220
the world there's no doubt that we're

57
00:02:50,509 --> 00:02:48,420
being visited

58
00:02:53,750 --> 00:02:50,519
there is no doubt

59
00:02:56,809 --> 00:02:53,760
they are definitely here why they're

60
00:02:58,030 --> 00:02:56,819
here where they're from you can only

61
00:03:00,650 --> 00:02:58,040
speculate

62
00:03:03,070 --> 00:03:00,660
more than 80 million Americans believe

63
00:03:05,390 --> 00:03:03,080

that the Earth has been visited by

64

00:03:07,430 --> 00:03:05,400

extraterrestrials visitors from outer

65

00:03:10,009 --> 00:03:07,440

space and after a count of about four

66

00:03:11,869 --> 00:03:10,019

seconds gone we're probably missing more

67

00:03:14,330 --> 00:03:11,879

than 40 million Americans say they have

68

00:03:17,930 --> 00:03:14,340

seen or know someone who has seen an

69

00:03:20,930 --> 00:03:17,940

unidentified flying object a UFO object

70

00:03:24,350 --> 00:03:20,940

I have seen alien vehicles on eight

71

00:03:26,509 --> 00:03:24,360

occasions since then and many Americans

72

00:03:28,790 --> 00:03:26,519

believe that they themselves have been

73

00:03:31,309 --> 00:03:28,800

abducted by aliens

74

00:03:35,270 --> 00:03:31,319

I find myself floating from my bed four

75

00:03:38,630 --> 00:03:35,280

of these beings came into my house came

76
00:03:41,509 --> 00:03:38,640
in and got me I know what I saw I know

77
00:03:43,369 --> 00:03:41,519
what I experienced is real I know it

78
00:03:45,890 --> 00:03:43,379
because everybody else has seen it

79
00:03:48,050 --> 00:03:45,900
talked about it and discussed it so I

80
00:03:48,740 --> 00:03:48,060
know for a fact it's real I know for a

81
00:03:54,170 --> 00:03:48,750
fact it's real

82
00:03:59,930 --> 00:03:56,149
real to some

83
00:04:03,890 --> 00:04:01,850
most scientists would rather look for

84
00:04:06,430 --> 00:04:03,900
life in a grain of sand than believe

85
00:04:09,050 --> 00:04:06,440
that aliens are here Among Us

86
00:04:10,490 --> 00:04:09,060
when I look at the evidence that aliens

87
00:04:11,690 --> 00:04:10,500
have visited Earth I don't find any of

88
00:04:13,850 --> 00:04:11,700

it compelling

89

00:04:16,129 --> 00:04:13,860

none of it I think passes the rigorous

90

00:04:19,550 --> 00:04:16,139

tests of scientific evidence

91

00:04:22,310 --> 00:04:19,560

patterns are made by the drawing NASA

92

00:04:24,890 --> 00:04:22,320

scientist Dr Chris McKay studies life in

93

00:04:27,890 --> 00:04:24,900

California's Mojave Desert looking for

94

00:04:30,710 --> 00:04:27,900

Clues to how life might exist on a dry

95

00:04:32,930 --> 00:04:30,720

Barren Planet like Mars

96

00:04:35,030 --> 00:04:32,940

here in the Mojave I know that there was

97

00:04:37,189 --> 00:04:35,040

life here I can reach down to the soil

98

00:04:39,409 --> 00:04:37,199

and pull it up and analyze it and find

99

00:04:41,330 --> 00:04:39,419

evidence that there was life here when

100

00:04:43,189 --> 00:04:41,340

there was water here I'd like to do the

101
00:04:45,650 --> 00:04:43,199
same thing on Mars

102
00:04:48,170 --> 00:04:45,660
scientists including McKay believe that

103
00:04:52,490 --> 00:04:48,180
the universe is so vast there must be

104
00:04:56,749 --> 00:04:54,230
if you look at all the people interested

105
00:04:59,270 --> 00:04:56,759
in life beyond Earth there's scientists

106
00:05:01,550 --> 00:04:59,280
and UFO Searchers what we all have in

107
00:05:03,770 --> 00:05:01,560
common is a belief that there's life out

108
00:05:06,170 --> 00:05:03,780
there we really have that commonality

109
00:05:08,150 --> 00:05:06,180
the difference is how we approach what

110
00:05:09,830 --> 00:05:08,160
to do with that belief what I do with

111
00:05:11,210 --> 00:05:09,840
that belief is approach the problem

112
00:05:13,969 --> 00:05:11,220
scientifically

113
00:05:16,730 --> 00:05:13,979

so I don't disparage or ridicule the UFO

114

00:05:19,730 --> 00:05:16,740

phenomenon I see it as in a sense a

115

00:05:23,749 --> 00:05:19,740

shadow of the same kind of work I do

116

00:05:24,700 --> 00:05:23,759

the UFO phenomenon only a shadow of

117

00:05:28,670 --> 00:05:24,710

mainstream science

118

00:05:30,469 --> 00:05:28,680

[Music]

119

00:05:32,870 --> 00:05:30,479

but people throughout the world believe

120

00:05:35,930 --> 00:05:32,880

that unidentified flying objects are

121

00:05:40,810 --> 00:05:35,940

spacecraft Guided by intelligent beings

122

00:05:46,070 --> 00:05:43,969

and if you are among the Believers you

123

00:05:47,390 --> 00:05:46,080

have probably spent at least a few late

124

00:05:50,770 --> 00:05:47,400

nights listening to the program

125

00:05:54,230 --> 00:05:50,780

broadcast from this desert compound

126

00:05:58,370 --> 00:05:54,240

Coast to Coast with Art Bell is the

127

00:06:00,590 --> 00:05:58,380

place to talk about UFOs or ufology as

128

00:06:02,629 --> 00:06:00,600

many of his listeners call it uh west of

129

00:06:05,270 --> 00:06:02,639

the Rockies you're on Air High hey Art

130

00:06:06,950 --> 00:06:05,280

this is Matt in Colorado hey Matt hey um

131

00:06:10,249 --> 00:06:06,960

got a fighting for you to happen last

132

00:06:13,430 --> 00:06:10,259

summer no he was using cigar-shaped the

133

00:06:15,710 --> 00:06:13,440

common cause of ufology is to finally

134

00:06:18,050 --> 00:06:15,720

determine what in the hell is lying in

135

00:06:20,029 --> 00:06:18,060

our skies hurt your eyes I turned away

136

00:06:24,170 --> 00:06:20,039

when I looked back it's gone

137

00:06:27,550 --> 00:06:24,180

I think that Coast to Coast AM is the

138

00:06:33,050 --> 00:06:27,560

main conduit for ufology information

139

00:06:35,150 --> 00:06:33,060

and over my phone lines have come the

140

00:06:36,890 --> 00:06:35,160

most informed ufologists the best

141

00:06:38,450 --> 00:06:36,900

scientists and some of the craziest

142

00:06:40,610 --> 00:06:38,460

people you'll ever meet

143

00:06:41,710 --> 00:06:40,620

and I was moving very slowly with the

144

00:06:44,809 --> 00:06:41,720

cloud cover

145

00:06:47,689 --> 00:06:44,819

you over flew New York City and I never

146

00:06:49,490 --> 00:06:47,699

heard about a triangular UFO until I

147

00:06:54,110 --> 00:06:49,500

looked it up and I found that you had

148

00:06:55,490 --> 00:06:54,120

seen one yep a nice Coast began as a

149

00:06:57,469 --> 00:06:55,500

actually a political show kind of like

150

00:06:59,930 --> 00:06:57,479

everybody else's political show that

151

00:07:03,050 --> 00:06:59,940

radio's infested with

152

00:07:05,150 --> 00:07:03,060

and one day I got sick of doing the same

153

00:07:08,390 --> 00:07:05,160

damn thing over and over again same

154

00:07:11,150 --> 00:07:08,400

politics over and over and I I began to

155

00:07:13,909 --> 00:07:11,160

sort of inject a little

156

00:07:16,730 --> 00:07:13,919

Well a different kind of programming you

157

00:07:19,610 --> 00:07:16,740

know aliens and Three Points of Light

158

00:07:21,770 --> 00:07:19,620

the weird thing about them Coast to

159

00:07:24,650 --> 00:07:21,780

Coast became the fourth most popular

160

00:07:26,870 --> 00:07:24,660

program on American radio it was really

161

00:07:30,170 --> 00:07:26,880

weird like they were doing a dance yeah

162

00:07:35,390 --> 00:07:32,150

were fascinated with the whole concept

163

00:07:39,170 --> 00:07:35,400

of alien intelligence because it would

164

00:07:42,050 --> 00:07:39,180

be so strange if we were all alone

165

00:07:44,870 --> 00:07:42,060

imagine for a moment how it would feel

166

00:07:47,570 --> 00:07:44,880

if we were all along if there was no

167

00:07:49,790 --> 00:07:47,580

other life intelligent life anywhere in

168

00:07:52,430 --> 00:07:49,800

all that you see out there

169

00:07:55,010 --> 00:07:52,440

Art Bell and his wife Ramona say they

170

00:07:56,570 --> 00:07:55,020

encountered something from out there in

171

00:07:58,189 --> 00:07:56,580

1994.

172

00:07:59,629 --> 00:07:58,199

we were on the way home from Las Vegas

173

00:08:01,370 --> 00:07:59,639

about a half mile from where we're

174

00:08:03,110 --> 00:08:01,380

standing at the moment I just happened

175

00:08:05,990 --> 00:08:03,120

to look out the rear view the rearview

176
00:08:08,029 --> 00:08:06,000
mirror and just saw something coming up

177
00:08:11,089 --> 00:08:08,039
from behind us

178
00:08:14,150 --> 00:08:11,099
and it looked like it it wasn't

179
00:08:16,070 --> 00:08:14,160
normal normal I I kept saying what what

180
00:08:18,230 --> 00:08:16,080
the hell is that well and this thing

181
00:08:21,589 --> 00:08:18,240
floated above our heads doing about 30

182
00:08:23,089 --> 00:08:21,599
miles an hour floated yeah it floated uh

183
00:08:24,469 --> 00:08:23,099
we're defined had to have been Defying

184
00:08:27,409 --> 00:08:24,479
Gravity or it was a lighter than

185
00:08:30,950 --> 00:08:27,419
aircraft I don't know

186
00:08:33,469 --> 00:08:30,960
but it was triangular it was monstrous

187
00:08:35,630 --> 00:08:33,479
the moon and the stars went away

188
00:08:37,790 --> 00:08:35,640

and there it was above us and we stood

189

00:08:44,089 --> 00:08:37,800

and watched it go across the valley and

190

00:08:48,590 --> 00:08:46,610

but Belle and his wife were alone but

191

00:08:52,070 --> 00:08:48,600

there have been UFO sightings with

192

00:08:55,269 --> 00:08:52,080

hundreds even thousands of eyewitnesses

193

00:08:58,130 --> 00:08:55,279

Phoenix Arizona March the 13th

194

00:09:00,050 --> 00:08:58,140

1997. there was some incredible

195

00:09:03,050 --> 00:09:00,060

sightings over Phoenix called The

196

00:09:04,670 --> 00:09:03,060

Phoenix Lights and they occurred while I

197

00:09:06,110 --> 00:09:04,680

was doing my program I took call after

198

00:09:08,329 --> 00:09:06,120

call after call of people in Phoenix

199

00:09:09,230 --> 00:09:08,339

saying oh my God what's flying over our

200

00:09:11,750 --> 00:09:09,240

city

201
00:09:14,389 --> 00:09:11,760
at 8 30 PM that night hundreds of people

202
00:09:16,250 --> 00:09:14,399
reported seeing a mysterious flying

203
00:09:18,410 --> 00:09:16,260
something

204
00:09:20,690 --> 00:09:18,420
security guard Bob Nelson was sitting on

205
00:09:23,690 --> 00:09:20,700
his porch with his dog

206
00:09:25,730 --> 00:09:23,700
not at once is six or seven lights came

207
00:09:28,970 --> 00:09:25,740
across the top of the hill

208
00:09:31,130 --> 00:09:28,980
and it was moving very slow

209
00:09:34,250 --> 00:09:31,140
and then I went in and jokingly said to

210
00:09:36,769 --> 00:09:34,260
my wife we got a UFO coming over

211
00:09:38,210 --> 00:09:36,779
you just couldn't believe what you seen

212
00:09:39,710 --> 00:09:38,220
I mean and of course she didn't know

213
00:09:42,530 --> 00:09:39,720

what she said

214

00:09:45,350 --> 00:09:42,540

Sue Watson and her children Brian Aaron

215

00:09:49,070 --> 00:09:45,360

and Kevin were in their front yard we

216

00:09:50,990 --> 00:09:49,080

saw this incredible sized vehicle there

217

00:09:53,509 --> 00:09:51,000

were five huge lights in the very front

218

00:09:55,850 --> 00:09:53,519

of it and it was in a boomerang shape

219

00:09:58,190 --> 00:09:55,860

I'm only a mile and a half from that

220

00:09:59,870 --> 00:09:58,200

mountain the top of that mountain that

221

00:10:01,490 --> 00:09:59,880

vehicle spent five to six minutes

222

00:10:03,410 --> 00:10:01,500

hovering from that mountain to my house

223

00:10:06,650 --> 00:10:03,420

I don't know anything that can go that

224

00:10:10,070 --> 00:10:06,660

slow it was absolutely silent just

225

00:10:13,670 --> 00:10:10,080

completely gliding just like part of the

226

00:10:15,350 --> 00:10:13,680

sky just a big big big platform just

227

00:10:16,670 --> 00:10:15,360

flying with lights in front of it I

228

00:10:19,509 --> 00:10:16,680

could see it was covering Stars so I

229

00:10:22,610 --> 00:10:19,519

knew it was something something solid

230

00:10:23,810 --> 00:10:22,620

Sheriff Deputy Thomas Chavez was in his

231

00:10:25,970 --> 00:10:23,820

squad car

232

00:10:28,790 --> 00:10:25,980

I was sitting here facing to the east

233

00:10:30,470 --> 00:10:28,800

watching the intersection and on one of

234

00:10:33,350 --> 00:10:30,480

the times when I glanced up for my

235

00:10:35,389 --> 00:10:33,360

paperwork that's when I saw the strange

236

00:10:37,850 --> 00:10:35,399

Set of Lights I can't give you a

237

00:10:39,889 --> 00:10:37,860

definite answer to what it was all I

238

00:10:41,930 --> 00:10:39,899

could tell you what it was not and it

239

00:10:44,090 --> 00:10:41,940
was definitely not an aircraft an

240

00:10:47,030 --> 00:10:44,100
aircraft as we know it

241

00:10:49,610 --> 00:10:47,040
Mike Fortson grabbed his binoculars and

242

00:10:51,650 --> 00:10:49,620
went outside with his wife as it passed

243

00:10:53,569 --> 00:10:51,660
in front of us all we could see was the

244

00:10:55,910 --> 00:10:53,579
left wing of The Craft itself that's how

245

00:10:57,350 --> 00:10:55,920
low it was we didn't go fetch a camera

246

00:10:59,449 --> 00:10:57,360
we didn't do anything but sit there and

247

00:11:00,829 --> 00:10:59,459
watch it you actually tell yourself not

248

00:11:02,810 --> 00:11:00,839
to Blink because you might miss

249

00:11:04,850 --> 00:11:02,820
something I mean that's how intense it

250

00:11:07,030 --> 00:11:04,860
was it gives me goosebumps when I talk

251
00:11:10,310 --> 00:11:07,040
about it

252
00:11:12,650 --> 00:11:10,320
at 10 pm that night thousands of other

253
00:11:14,269 --> 00:11:12,660
people reported seeing another series of

254
00:11:16,490 --> 00:11:14,279
lights in the sky

255
00:11:17,870 --> 00:11:16,500
what I'm looking at here is a light on

256
00:11:20,690 --> 00:11:17,880
South mountains

257
00:11:23,030 --> 00:11:20,700
Mike Kristen videotaped the event from

258
00:11:24,710 --> 00:11:23,040
his house on moon mountain when I saw

259
00:11:26,509 --> 00:11:24,720
the one light it was it was one thing I

260
00:11:28,069 --> 00:11:26,519
was just photographing the one light and

261
00:11:30,290 --> 00:11:28,079
then all of a sudden another one popped

262
00:11:31,970 --> 00:11:30,300
up in a different direction so then I

263
00:11:33,230 --> 00:11:31,980

trained the camera on that light and

264

00:11:34,850 --> 00:11:33,240

then another one popped up and before

265

00:11:37,009 --> 00:11:34,860

you know this whole thing is starting to

266

00:11:42,130 --> 00:11:37,019

happen in front of my eyes and and uh

267

00:11:42,140 --> 00:11:46,900

all right you tell me what it is

268

00:11:46,910 --> 00:12:09,710

[Music]

269

00:12:09,720 --> 00:12:13,600

hey Sue

270

00:12:13,610 --> 00:12:18,829

[Applause]

271

00:12:24,590 --> 00:12:21,949

James McGahey lives in Tucson Arizona

272

00:12:26,930 --> 00:12:24,600

which is south of Phoenix he's a retired

273

00:12:28,009 --> 00:12:26,940

Air Force pilot and an astronomer

274

00:12:35,269 --> 00:12:28,019

thank you

275

00:12:42,829 --> 00:12:39,370

clearly today UFO ology is a mythology

276
00:12:45,350 --> 00:12:42,839
that's based on Superstition wrapped

277
00:12:49,129 --> 00:12:45,360
inside a fairy tale telling a story

278
00:12:53,509 --> 00:12:52,129
what most people see is lights in the

279
00:12:56,389 --> 00:12:53,519
sky at night

280
00:12:58,970 --> 00:12:56,399
Points of Light they equate that to

281
00:13:00,650 --> 00:12:58,980
spacecraft from another world there's no

282
00:13:02,629 --> 00:13:00,660
connection if you see a light in the sky

283
00:13:04,190 --> 00:13:02,639
you've seen a light in the sky that's

284
00:13:05,750 --> 00:13:04,200
all you've seen

285
00:13:07,009 --> 00:13:05,760
this happened in the case of the Phoenix

286
00:13:09,350 --> 00:13:07,019
Lights

287
00:13:11,930 --> 00:13:09,360
the lights on the videotape were simply

288
00:13:13,970 --> 00:13:11,940

flares being dropped by a-10s on the

289

00:13:16,250 --> 00:13:13,980

Goldwater test range there's nothing

290

00:13:19,370 --> 00:13:16,260

mysterious about it I know what flares

291

00:13:21,050 --> 00:13:19,380

look like these are clearly flares and

292

00:13:22,970 --> 00:13:21,060

some people have said they saw a

293

00:13:24,470 --> 00:13:22,980

triangular aircraft flying through the

294

00:13:26,509 --> 00:13:24,480

Phoenix airspace

295

00:13:29,090 --> 00:13:26,519

the argument against that is very simple

296

00:13:31,670 --> 00:13:29,100

the Phoenix radar didn't see anything

297

00:13:33,470 --> 00:13:31,680

they were connecting the dots of these

298

00:13:35,930 --> 00:13:33,480

objects that's all they were doing the

299

00:13:37,970 --> 00:13:35,940

bright lights of these objects they were

300

00:13:40,910 --> 00:13:37,980

connecting this and saying it's all one

301
00:13:43,670 --> 00:13:40,920
thing it wasn't one thing it was five

302
00:13:45,350 --> 00:13:43,680
different aircraft flying in formation

303
00:13:47,930 --> 00:13:45,360
the people in Phoenix do not believe

304
00:13:49,610 --> 00:13:47,940
they were just connecting dots

305
00:13:51,590 --> 00:13:49,620
for somebody to say there were planes in

306
00:13:54,410 --> 00:13:51,600
formation I'm telling them I saw a solid

307
00:13:56,269 --> 00:13:54,420
object my wife saw a solid object I know

308
00:13:57,889 --> 00:13:56,279
300 or 400 people that I've talked to

309
00:14:00,350 --> 00:13:57,899
saw the solid object in the eight

310
00:14:01,490 --> 00:14:00,360
o'clock hour I know what I saw and it

311
00:14:03,470 --> 00:14:01,500
was something that I've never seen

312
00:14:06,050 --> 00:14:03,480
before and probably will never see again

313
00:14:07,850 --> 00:14:06,060

and it was amazing it was amazing it was

314

00:14:09,050 --> 00:14:07,860

something that was not Premiere and

315

00:14:11,329 --> 00:14:09,060

that's what's so intriguing to me about

316

00:14:13,490 --> 00:14:11,339

it that it's unknown the unknown of it I

317

00:14:15,170 --> 00:14:13,500

am so certain at what I saw that I would

318

00:14:18,230 --> 00:14:15,180

testify in a court of law

319

00:14:19,730 --> 00:14:18,240

or in a congressional hearing as to what

320

00:14:20,690 --> 00:14:19,740

I saw because what I saw was not an

321

00:14:22,910 --> 00:14:20,700

aircraft

322

00:14:25,190 --> 00:14:22,920

I think it was UFO

323

00:14:27,889 --> 00:14:25,200

I be honestly believe that there was a

324

00:14:29,870 --> 00:14:27,899

UFO you don't have to believe me nobody

325

00:14:33,949 --> 00:14:29,880

believes it but you will believe it when

326

00:14:38,329 --> 00:14:36,530

when it comes to unidentified flying

327

00:14:40,310 --> 00:14:38,339

objects seeing

328

00:14:43,069 --> 00:14:40,320

is believing

329

00:14:44,750 --> 00:14:43,079

this is the center for UFO studies on

330

00:14:47,389 --> 00:14:44,760

the outskirts of Chicago

331

00:14:50,930 --> 00:14:47,399

there are files here from thousands of

332

00:14:54,410 --> 00:14:50,940

witnesses who report seeing UFOs and the

333

00:14:56,090 --> 00:14:54,420

records go back for decades

334

00:14:58,490 --> 00:14:56,100

the best way to become a believer in

335

00:15:00,829 --> 00:14:58,500

UFOs is to have a sighting if you

336

00:15:03,350 --> 00:15:00,839

encounter it directly you're likely to

337

00:15:05,329 --> 00:15:03,360

believe in it because you encountered it

338

00:15:07,069 --> 00:15:05,339

intellectual arguments don't always work

339

00:15:08,990 --> 00:15:07,079

as well with people understandably you

340

00:15:10,129 --> 00:15:09,000

know I saw UFO so you should believe in

341

00:15:11,810 --> 00:15:10,139

it or look at all these other people

342

00:15:14,210 --> 00:15:11,820

that saw it so you should believe in it

343

00:15:15,769 --> 00:15:14,220

it's always the personal that's going to

344

00:15:18,470 --> 00:15:15,779

lead to a belief that the subject is

345

00:15:19,910 --> 00:15:18,480

real and that's true for scientists for

346

00:15:22,629 --> 00:15:19,920

ufologists and for members of the

347

00:15:30,170 --> 00:15:25,550

has been researching the UFO phenomenon

348

00:15:31,790 --> 00:15:30,180

since 1974. one conjecture is that many

349

00:15:33,590 --> 00:15:31,800

reports are at least a good fraction of

350

00:15:35,569 --> 00:15:33,600

reports these days are caused by secret

351

00:15:37,850 --> 00:15:35,579

aircraft

352

00:15:39,769 --> 00:15:37,860

it turns out that it's actually pretty

353

00:15:42,650 --> 00:15:39,779

easy to distinguish between sightings

354

00:15:44,990 --> 00:15:42,660

that might be secret aircraft and

355

00:15:48,650 --> 00:15:45,000

sightings that are probably not that

356

00:15:50,629 --> 00:15:48,660

when you get a UFO sighting where the

357

00:15:54,230 --> 00:15:50,639

object behaves in a way

358

00:15:56,629 --> 00:15:54,240

that defies conventional physics defies

359

00:15:58,310 --> 00:15:56,639

the way that an airplane would move and

360

00:16:00,650 --> 00:15:58,320

when you can see the object it's not

361

00:16:03,769 --> 00:16:00,660

just a point of light but there is some

362

00:16:05,569 --> 00:16:03,779

size there some actual shape you can see

363

00:16:07,069 --> 00:16:05,579

and that thing isn't shaped like an

364

00:16:08,629 --> 00:16:07,079

airplane well then it's not a secret

365

00:16:12,069 --> 00:16:08,639

aircraft it's whatever it is it's just

366

00:16:14,689 --> 00:16:12,079

something totally bizarre and strange

367

00:16:17,629 --> 00:16:14,699

an example of that would be a sighting

368

00:16:20,810 --> 00:16:17,639

that occurred in January of 2000 near St

369

00:16:23,930 --> 00:16:20,820

Louis and the Illinois side of the river

370

00:16:26,449 --> 00:16:23,940

this huge triangular object was moving

371

00:16:27,889 --> 00:16:26,459

fairly low to the ground kind of zipping

372

00:16:30,110 --> 00:16:27,899

around the area

373

00:16:31,790 --> 00:16:30,120

it's not Venus or Mars or whatever

374

00:16:33,650 --> 00:16:31,800

object was up at the time it's not

375

00:16:35,449 --> 00:16:33,660

another aircraft that was up at the time

376

00:16:38,509 --> 00:16:35,459

well gee if it's on a conventional

377

00:16:41,329 --> 00:16:38,519

object it very well could be a alien

378

00:16:42,790 --> 00:16:41,339

ship and I I don't know I guess that's

379

00:16:45,470 --> 00:16:42,800

why they call them on it identified

380

00:16:47,329 --> 00:16:45,480

objects and I don't know I do know that

381

00:16:50,509 --> 00:16:47,339

it wasn't a plane that I've ever seen

382

00:16:52,910 --> 00:16:50,519

before am I saying it was alien

383

00:16:54,650 --> 00:16:52,920

spacecraft no I'm not saying it was a

384

00:16:56,269 --> 00:16:54,660

military craft I'm saying I can't

385

00:16:58,970 --> 00:16:56,279

identify the object and it's

386

00:17:02,150 --> 00:16:58,980

unidentified flying object by its very

387

00:17:06,650 --> 00:17:04,250

there was no official investigation to

388

00:17:08,929 --> 00:17:06,660

the sightings in Illinois or Arizona the

389

00:17:10,970 --> 00:17:08,939

U.S government is not in the business of

390

00:17:13,669 --> 00:17:10,980

investigating UFOs

391

00:17:14,870 --> 00:17:13,679

to understand why you need to go back to

392

00:17:17,630 --> 00:17:14,880

the beginning

393

00:17:19,569 --> 00:17:17,640

when we come back the story of the first

394

00:17:22,589 --> 00:17:19,579

flying saucers

395

00:17:24,850 --> 00:17:22,599

is believing continues

396

00:17:28,010 --> 00:17:24,860

[Music]

397

00:17:30,770 --> 00:17:28,020

the fascination with unidentified flying

398

00:17:35,710 --> 00:17:30,780

objects can be traced to a day in June

399

00:17:37,909 --> 00:17:35,720

1947 and to one man Kenneth Arnold

400

00:17:40,130 --> 00:17:37,919

he was not a guy who read science

401
00:17:42,710 --> 00:17:40,140
fiction he was not a guy who had any

402
00:17:44,870 --> 00:17:42,720
occult interests he was not a guy with a

403
00:17:47,870 --> 00:17:44,880
lot of imagination he lived pretty close

404
00:17:51,230 --> 00:17:47,880
to the ground mentally but he loved to

405
00:17:55,610 --> 00:17:51,240
fly and so on the Tuesday afternoon of

406
00:17:58,190 --> 00:17:55,620
June 24 1947 when he saw these nine dish

407
00:18:01,250 --> 00:17:58,200
shaped objects flying at some

408
00:18:02,750 --> 00:18:01,260
considerable speed over Mount Rainier he

409
00:18:04,810 --> 00:18:02,760
thought that he was witnessing a secret

410
00:18:07,250 --> 00:18:04,820
military experiment

411
00:18:08,930 --> 00:18:07,260
every newspaper across the nation has

412
00:18:10,789 --> 00:18:08,940
made headlines out of it and this

413
00:18:13,130 --> 00:18:10,799

afternoon we are honored indeed to have

414

00:18:14,510 --> 00:18:13,140

here in our studio Kenneth Arnold Who We

415

00:18:16,190 --> 00:18:14,520

Believe may be able to give us a

416

00:18:18,770 --> 00:18:16,200

first-hand account and give you the same

417

00:18:21,890 --> 00:18:18,780

on what happened go ahead Kenneth

418

00:18:24,409 --> 00:18:21,900

they look something like a pie plate

419

00:18:27,950 --> 00:18:24,419

that was cut in half with a sort of a

420

00:18:30,169 --> 00:18:27,960

convex triangle in the rear uh I'd be

421

00:18:32,510 --> 00:18:30,179

glad to confirm it with my hands on a

422

00:18:34,010 --> 00:18:32,520

Bible because I did see it it's just as

423

00:18:35,750 --> 00:18:34,020

much a mystery to me as it is to

424

00:18:38,830 --> 00:18:35,760

everyone else who's been calling me the

425

00:18:41,690 --> 00:18:38,840

last 24 hours wondering what it was

426
00:18:45,470 --> 00:18:41,700
the Press referred to the nine objects

427
00:18:48,409 --> 00:18:45,480
Arnold said he saw as flying saucers

428
00:18:50,270 --> 00:18:48,419
Arnold was such a straight shooter he

429
00:18:52,370 --> 00:18:50,280
was so clearly puzzled there was no

430
00:18:54,310 --> 00:18:52,380
possibility that this guy was making up

431
00:18:56,930 --> 00:18:54,320
a strange story

432
00:18:59,810 --> 00:18:56,940
Arnold's sighting just seemed to

433
00:19:02,390 --> 00:18:59,820
catalyze everything all of a sudden

434
00:19:05,570 --> 00:19:02,400
there was this presence of something

435
00:19:08,029 --> 00:19:05,580
unidentified in the sky that couldn't be

436
00:19:10,220 --> 00:19:08,039
ignored in the next two or three weeks

437
00:19:15,370 --> 00:19:10,230
there were many hundreds of sightings

438
00:19:21,049 --> 00:19:18,230

Army fighter planes are on patrol for

439

00:19:23,390 --> 00:19:21,059

flying saucers cameras installed to

440

00:19:25,610 --> 00:19:23,400

photograph them so many objects were

441

00:19:27,470 --> 00:19:25,620

being seen in the Sky by so many people

442

00:19:29,930 --> 00:19:27,480

that the Army Air Force launched an

443

00:19:32,630 --> 00:19:29,940

investigation they're seeing flying

444

00:19:35,510 --> 00:19:32,640

saucers everywhere

445

00:19:38,510 --> 00:19:35,520

and on September the 23rd 1947 General

446

00:19:40,970 --> 00:19:38,520

Nathan Twining issued a memo that said

447

00:19:43,370 --> 00:19:40,980

quite categorically the phenomenon

448

00:19:46,850 --> 00:19:43,380

reported is something real and not

449

00:19:49,850 --> 00:19:46,860

Visionary or fictitious

450

00:19:52,370 --> 00:19:49,860

when it appeared that technological

451
00:19:55,430 --> 00:19:52,380
devices of some kind were penetrating

452
00:19:57,650 --> 00:19:55,440
American airspace and we didn't know

453
00:19:59,810 --> 00:19:57,660
what they were and had no idea what to

454
00:20:01,610 --> 00:19:59,820
do about them this was obviously a

455
00:20:04,250 --> 00:20:01,620
national security problem

456
00:20:06,470 --> 00:20:04,260
it was the beginning of the Cold War and

457
00:20:09,409 --> 00:20:06,480
what Americans feared most was being

458
00:20:10,669 --> 00:20:09,419
attacked by the Soviet Union

459
00:20:12,110 --> 00:20:10,679
we didn't know what they might have

460
00:20:15,230 --> 00:20:12,120
flying

461
00:20:16,730 --> 00:20:15,240
and so those concerns by the government

462
00:20:19,190 --> 00:20:16,740
legitimate concerns by the government

463
00:20:22,310 --> 00:20:19,200

for our security LED eventually to them

464

00:20:24,049 --> 00:20:22,320
establishing a full-time office to

465

00:20:25,130 --> 00:20:24,059
investigate UFOs

466

00:20:27,350 --> 00:20:25,140
foreign

467

00:20:28,909 --> 00:20:27,360
the Air Force investigators quickly came

468

00:20:31,730 --> 00:20:28,919
to realize that they were not dealing

469

00:20:34,270 --> 00:20:31,740
with Soviet aircraft nothing man-made

470

00:20:36,950 --> 00:20:34,280
performed like flying saucers

471

00:20:39,650 --> 00:20:36,960
they started thinking well the Soviets

472

00:20:43,390 --> 00:20:39,660
aren't doing this there's really no

473

00:20:47,810 --> 00:20:43,400
thing on Earth that can be doing this

474

00:20:50,390 --> 00:20:47,820
and then on July the 24th 1948 two

475

00:20:52,370 --> 00:20:50,400
experienced commercial pilots Clarence

476
00:20:53,870 --> 00:20:52,380
Charles and John Witthead were flying at

477
00:20:55,430 --> 00:20:53,880
night over Alabama

478
00:20:57,350 --> 00:20:55,440
when they encountered what they

479
00:21:00,230 --> 00:20:57,360
described as a cigar-shaped object

480
00:21:02,090 --> 00:21:00,240
perhaps a hundred feet long flying

481
00:21:03,770 --> 00:21:02,100
faster than any aircraft they had ever

482
00:21:06,169 --> 00:21:03,780
seen

483
00:21:08,570 --> 00:21:06,179
it had they said two rows of windows and

484
00:21:14,630 --> 00:21:08,580
they could see lights inside and orange

485
00:21:21,590 --> 00:21:18,289
the Gators couldn't explain it it could

486
00:21:24,529 --> 00:21:21,600
not possibly fly unless it had an engine

487
00:21:27,230 --> 00:21:24,539
in it that was beyond anything anybody

488
00:21:29,750 --> 00:21:27,240

on Earth could make and this in a sense

489

00:21:32,630 --> 00:21:29,760

was their proof that they were dealing

490

00:21:34,730 --> 00:21:32,640

with the Extraterrestrial technology the

491

00:21:36,770 --> 00:21:34,740

Air Force investigators trusted the

492

00:21:39,110 --> 00:21:36,780

testimony of these experienced pilots

493

00:21:42,130 --> 00:21:39,120

and were forced to consider the

494

00:21:48,409 --> 00:21:46,310

since 1948 there have been thousands of

495

00:21:53,029 --> 00:21:48,419

sightings by Commercial and Military

496

00:21:55,430 --> 00:21:53,039

flight Crews March the 12 1977. I was

497

00:21:56,230 --> 00:21:55,440

flying a trip from San Francisco to

498

00:21:59,870 --> 00:21:56,240

Boston

499

00:22:02,630 --> 00:21:59,880

non-stopping at DC-10 it was an Airbus 3

500

00:22:06,049 --> 00:22:02,640

20 and we are 24 passengers on board

501
00:22:08,510 --> 00:22:06,059
with a very good condition we are at 39

502
00:22:09,649 --> 00:22:08,520
000 feet we were north of just north of

503
00:22:12,230 --> 00:22:09,659
Dallas Fort Worth it was a beautiful

504
00:22:14,930 --> 00:22:12,240
clear night out of nowhere some lights

505
00:22:18,110 --> 00:22:14,940
appeared looking over to the left of me

506
00:22:21,169 --> 00:22:18,120
just to the north of me I noticed I read

507
00:22:23,630 --> 00:22:21,179
a light of some kind to the far the

508
00:22:25,669 --> 00:22:23,640
distance off our our port side our right

509
00:22:28,730 --> 00:22:25,679
side and Larry says well keep an eye on

510
00:22:31,010 --> 00:22:28,740
he says well now it's coming at us so

511
00:22:33,830 --> 00:22:31,020
and they began a turn

512
00:22:36,830 --> 00:22:33,840
from pointing directly at us

513
00:22:39,830 --> 00:22:36,840

in an Echelon sort of a turn away it was

514

00:22:42,830 --> 00:22:39,840

not a plan it was not a wizard Baron it

515

00:22:46,250 --> 00:22:42,840

was usual absolutely huge

516

00:22:48,289 --> 00:22:46,260

it was a dark headquarter

517

00:22:50,270 --> 00:22:48,299

and subject

518

00:22:52,270 --> 00:22:50,280

begin to become transparent and

519

00:22:57,049 --> 00:22:52,280

disappeared

520

00:22:57,059 --> 00:23:00,649

crazy

521

00:23:05,510 --> 00:23:02,990

it just was gliding through the sky so

522

00:23:07,130 --> 00:23:05,520

quietly and as it did so it blotted off

523

00:23:09,169 --> 00:23:07,140

the stars behind and it just reminded me

524

00:23:10,730 --> 00:23:09,179

of submarine in the depths when it's

525

00:23:12,529 --> 00:23:10,740

quiet and just kind of Motoring right on

526
00:23:14,870 --> 00:23:12,539
through you know there were no wings

527
00:23:18,409 --> 00:23:14,880
there were no windows

528
00:23:22,070 --> 00:23:18,419
and uh it was cigar shaped I saw what I

529
00:23:23,230 --> 00:23:22,080
saw and this thing was not from here I

530
00:23:26,570 --> 00:23:23,240
watched

531
00:23:30,049 --> 00:23:26,580
this big gigantic light

532
00:23:32,630 --> 00:23:30,059
go out behind our left wing tip and then

533
00:23:34,490 --> 00:23:32,640
the turn progressed it disappeared in

534
00:23:36,590 --> 00:23:34,500
the distance off to the back at a very

535
00:23:38,930 --> 00:23:36,600
high rate of speed

536
00:23:41,450 --> 00:23:38,940
I've flown all in Jets I flew in the war

537
00:23:44,510 --> 00:23:41,460
I flew b-17s in the war everything I've

538
00:23:48,350 --> 00:23:44,520

got over 30 000 hours of flight time

539

00:23:52,669 --> 00:23:48,360

and never had a sighting as that one

540

00:23:57,409 --> 00:23:55,430

in the fall of 1948 Air Force

541

00:23:59,810 --> 00:23:57,419

investigators were convinced by the

542

00:24:02,029 --> 00:23:59,820

testimony of pilots in a remarkable top

543

00:24:04,430 --> 00:24:02,039

secret report to General Hoyt Vandenberg

544

00:24:07,130 --> 00:24:04,440

the Air Force's Chief of Staff the

545

00:24:10,850 --> 00:24:07,140

investigators said the Earth was being

546

00:24:13,010 --> 00:24:10,860

visited by alien spaceships

547

00:24:14,990 --> 00:24:13,020

they took it so seriously that they

548

00:24:16,850 --> 00:24:15,000

risked their own careers by writing an

549

00:24:18,770 --> 00:24:16,860

estimate of the situation that they sent

550

00:24:20,750 --> 00:24:18,780

into higher headquarters and said that

551

00:24:22,669 --> 00:24:20,760

UFOs these some of these UFOs could be

552

00:24:24,950 --> 00:24:22,679

extraterrestrial which of course was not

553

00:24:26,930 --> 00:24:24,960

received well by uh by the Pentagon

554

00:24:30,470 --> 00:24:26,940

white Vandenberg looked at this thing

555

00:24:32,870 --> 00:24:30,480

and he said I cannot accept this I

556

00:24:36,110 --> 00:24:32,880

cannot accept this kind of conclusion

557

00:24:38,270 --> 00:24:36,120

because you don't have concrete proof

558

00:24:39,830 --> 00:24:38,280

that that's what kind of a device we're

559

00:24:41,990 --> 00:24:39,840

dealing with

560

00:24:44,210 --> 00:24:42,000

the eyewitness accounts from experienced

561

00:24:46,430 --> 00:24:44,220

Pilots were not enough for the general

562

00:24:48,350 --> 00:24:46,440

the Air Force wanted the Flying Saucer

563

00:24:50,210 --> 00:24:48,360

phenomena to go away

564

00:24:53,090 --> 00:24:50,220

but the popular fascination with

565

00:24:58,730 --> 00:24:53,100

mysterious flying objects was growing

566

00:25:02,090 --> 00:24:58,740

[Music]

567

00:25:04,330 --> 00:25:02,100

in 1952 the Air Force received more UFO

568

00:25:07,010 --> 00:25:04,340

reports than any other year in history

569

00:25:09,529 --> 00:25:07,020

the sky is the stage the actors

570

00:25:12,590 --> 00:25:09,539

so-called flying saucers and they're

571

00:25:14,930 --> 00:25:12,600

back on the scene with some new twists

572

00:25:17,690 --> 00:25:14,940

photograph of a flying saucer taken by

573

00:25:21,230 --> 00:25:17,700

myself and it reminded me of two straw

574

00:25:23,930 --> 00:25:21,240

hats stuck together at the brim I saw an

575

00:25:26,269 --> 00:25:23,940

intensely bright white green object in

576

00:25:28,789 --> 00:25:26,279

the sky now I wouldn't want to say that

577

00:25:31,430 --> 00:25:28,799

this was one of those so-called flying

578

00:25:36,409 --> 00:25:31,440

saucers but whatever it was

579

00:25:38,330 --> 00:25:36,419

it was an object and not an illusion

580

00:25:41,690 --> 00:25:38,340

the Air Force had really tried to

581

00:25:44,210 --> 00:25:41,700

downplay the UFO problem but by the

582

00:25:46,610 --> 00:25:44,220

summer of 1952 there was an enormous

583

00:25:48,649 --> 00:25:46,620

wave of sightings there were hundreds

584

00:25:50,870 --> 00:25:48,659

and hundreds probably thousands of

585

00:25:58,070 --> 00:25:50,880

sightings

586

00:26:00,590 --> 00:25:58,080

focused on Washington DC

587

00:26:03,110 --> 00:26:00,600

at least three radar systems in

588

00:26:05,810 --> 00:26:03,120

Washington in the area were picking up

589

00:26:08,390 --> 00:26:05,820

unidentified targets

590

00:26:09,649 --> 00:26:08,400

this very much worried people in

591

00:26:11,870 --> 00:26:09,659

Washington because it looked like

592

00:26:14,870 --> 00:26:11,880

penetration of the most important

593

00:26:17,690 --> 00:26:14,880

airspace in the country

594

00:26:20,029 --> 00:26:17,700

in July 1952 the pentagon's

595

00:26:22,190 --> 00:26:20,039

communication system was overwhelmed by

596

00:26:25,430 --> 00:26:22,200

calls about UFOs

597

00:26:27,350 --> 00:26:25,440

the number of calls of frightened

598

00:26:29,029 --> 00:26:27,360

Americans historical Americans coming

599

00:26:31,430 --> 00:26:29,039

into the switchboards of the American

600

00:26:33,950 --> 00:26:31,440

government were clogging communication

601
00:26:37,070 --> 00:26:33,960
channels and if American communication

602
00:26:39,649 --> 00:26:37,080
channels were clogged then this would

603
00:26:41,690 --> 00:26:39,659
leave America vulnerable to a potential

604
00:26:43,850 --> 00:26:41,700
Soviet attack

605
00:26:50,210 --> 00:26:43,860
so the task is

606
00:26:54,350 --> 00:26:52,610
public hysteria not the flying saucers

607
00:26:56,330 --> 00:26:54,360
themselves that threatened the National

608
00:26:58,549 --> 00:26:56,340
Security

609
00:27:00,710 --> 00:26:58,559
President Truman ordered the CIA to make

610
00:27:03,769 --> 00:27:00,720
recommendations on how the Air Force

611
00:27:06,890 --> 00:27:03,779
should handle the UFO problem

612
00:27:09,769 --> 00:27:06,900
the CIA convened a panel headed by the

613
00:27:12,710 --> 00:27:09,779

physicist H.P Robertson the Robertson

614

00:27:15,409 --> 00:27:12,720

panel says we must do something to

615

00:27:18,649 --> 00:27:15,419

remove the aura of mystery from the UFO

616

00:27:21,049 --> 00:27:18,659

phenomena so that people no longer take

617

00:27:24,289 --> 00:27:21,059

them seriously and don't bother to

618

00:27:26,750 --> 00:27:24,299

report them that's what we want

619

00:27:28,850 --> 00:27:26,760

so flying saucers whatever they were

620

00:27:31,310 --> 00:27:28,860

wherever they came from were to be made

621

00:27:33,529 --> 00:27:31,320

the subject of ridicule

622

00:27:34,730 --> 00:27:33,539

but it was impossible to control the

623

00:27:37,430 --> 00:27:34,740

public interest the public was

624

00:27:39,769 --> 00:27:37,440

fascinated one of the most widely read

625

00:27:43,130 --> 00:27:39,779

magazine articles at the time proclaimed

626

00:27:45,049 --> 00:27:43,140

the flying saucers are real

627

00:27:47,750 --> 00:27:45,059

one of the most respected Publications

628

00:27:50,570 --> 00:27:47,760

in America Life Magazine published

629

00:27:53,510 --> 00:27:50,580

photographs just a minute ladies and

630

00:28:00,430 --> 00:27:53,520

gentlemen I think something is happening

631

00:28:06,350 --> 00:28:04,149

The Day the Earth Stood Still

632

00:28:09,230 --> 00:28:06,360

this could be the beginning of the end

633

00:28:12,110 --> 00:28:09,240

for the human race The War of the Worlds

634

00:28:15,529 --> 00:28:12,120

are the often ridiculed flying saucers

635

00:28:18,470 --> 00:28:15,539

are in reality a flaming Vanguard of The

636

00:28:20,990 --> 00:28:18,480

Invasion From Mars flying saucers have

637

00:28:23,450 --> 00:28:21,000

invaded our planet Washington London

638

00:28:25,970 --> 00:28:23,460

Paris Earth versus the flying saucers

639

00:28:27,830 --> 00:28:25,980

the whole world is under attack

640

00:28:30,409 --> 00:28:27,840

can it survive

641

00:28:32,510 --> 00:28:30,419

the government simply could not control

642

00:28:35,690 --> 00:28:32,520

the Public's appetite for a phenomenon

643

00:28:38,330 --> 00:28:35,700

so intriguing they're pulling us up when

644

00:28:40,850 --> 00:28:38,340

we come back the Air Force tries to

645

00:28:43,150 --> 00:28:40,860

explain the unexplainable prisoners

646

00:28:44,210 --> 00:28:43,160

hurtling through endless space

647

00:28:46,190 --> 00:28:44,220

[Music]

648

00:28:48,590 --> 00:28:46,200

today if you ask the Air Force about

649

00:28:50,450 --> 00:28:48,600

UFOs it will tell you there is no

650

00:28:53,149 --> 00:28:50,460

evidence that they are extraterrestrial

651
00:28:56,330 --> 00:28:53,159
vehicles and there is no evidence that

652
00:28:59,750 --> 00:28:56,340
they represent technology beyond our own

653
00:29:05,350 --> 00:28:59,760
the Air Force will cite as proof its own

654
00:29:08,570 --> 00:29:05,360
22-year study called Project Blue Book

655
00:29:10,970 --> 00:29:08,580
during the 1950s and 60s Project Blue

656
00:29:14,149 --> 00:29:10,980
Book based at Wright-Patterson Air Force

657
00:29:16,490 --> 00:29:14,159
Base in Ohio investigated hundreds of

658
00:29:18,529 --> 00:29:16,500
UFO reports every year they came from

659
00:29:21,710 --> 00:29:18,539
every part of the country from people in

660
00:29:24,490 --> 00:29:21,720
every Walk of Life night sightings day

661
00:29:26,630 --> 00:29:24,500
sightings sightings of mysterious lights

662
00:29:28,789 --> 00:29:26,640
structured craft

663
00:29:31,190 --> 00:29:28,799

the reports came to Blue Book seeking

664

00:29:32,210 --> 00:29:31,200

answers to what it was in America's

665

00:29:35,570 --> 00:29:32,220

Skies

666

00:29:37,070 --> 00:29:35,580

Blue Book was overwhelmed by the volume

667

00:29:39,950 --> 00:29:37,080

of reports

668

00:29:42,310 --> 00:29:39,960

Americans were told again and again we

669

00:29:44,990 --> 00:29:42,320

have a crack unit of individuals

670

00:29:46,610 --> 00:29:45,000

scientifically trained people studying

671

00:29:48,710 --> 00:29:46,620

this phenomenon

672

00:29:50,990 --> 00:29:48,720

that wasn't the case there wasn't a

673

00:29:52,669 --> 00:29:51,000

massive Institute where Blue Book had a

674

00:29:55,310 --> 00:29:52,679

staff of white-coated lab technicians

675

00:29:57,049 --> 00:29:55,320

there was a a guy at a desk and a

676

00:29:58,909 --> 00:29:57,059

secretary and a you know a private or

677

00:30:01,549 --> 00:29:58,919

someone there you know typing stuff was

678

00:30:03,950 --> 00:30:01,559

a very very small project

679

00:30:07,549 --> 00:30:03,960

Colonel Robert friend was the director

680

00:30:11,029 --> 00:30:07,559

of Project Blue Book from 1958 to 1963.

681

00:30:15,169 --> 00:30:11,039

we wanted to explain as many signings as

682

00:30:18,049 --> 00:30:15,179

possible but we recognize that the the

683

00:30:20,510 --> 00:30:18,059

amount of resources that would be

684

00:30:23,389 --> 00:30:20,520

necessary in order to do this would have

685

00:30:26,149 --> 00:30:23,399

been far beyond those that we were ready

686

00:30:28,190 --> 00:30:26,159

to commit at the time blue book was

687

00:30:30,710 --> 00:30:28,200

never intended to become a serious

688

00:30:32,870 --> 00:30:30,720

full-scale scientific inquiry the Air

689

00:30:35,450 --> 00:30:32,880

Force had another mission for its UFO

690

00:30:38,029 --> 00:30:35,460

office Blue Book was tasked with the

691

00:30:39,350 --> 00:30:38,039

public relations Mission and that

692

00:30:42,889 --> 00:30:39,360

mission was

693

00:30:45,169 --> 00:30:42,899

denounce the UFOs dismiss the UFOs

694

00:30:47,210 --> 00:30:45,179

debunked the UFOs and anybody who

695

00:30:50,330 --> 00:30:47,220

believes in them just come up with

696

00:30:53,389 --> 00:30:50,340

answers and get this UFO thing out of

697

00:30:55,250 --> 00:30:53,399

the newspapers the best way to keep UFOs

698

00:30:57,590 --> 00:30:55,260

out of the newspapers and therefore out

699

00:30:59,330 --> 00:30:57,600

of the public mind was to say repeatedly

700

00:31:02,149 --> 00:30:59,340

that they were nothing more than weather

701
00:31:07,190 --> 00:31:02,159
balloons or rare atmospheric conditions

702
00:31:10,549 --> 00:31:07,200
a star on the horizon whatever it took

703
00:31:14,230 --> 00:31:10,559
what they wanted to try to do was I

704
00:31:16,210 --> 00:31:14,240
think to re-educate the public

705
00:31:20,690 --> 00:31:16,220
regarding

706
00:31:24,169 --> 00:31:20,700
UFOs to take away the aura of Mystery

707
00:31:26,930 --> 00:31:24,179
and that job was most often left to blue

708
00:31:30,110 --> 00:31:26,940
books one civilian scientist Ohio State

709
00:31:32,269 --> 00:31:30,120
astronomer Dr J Allen heineck

710
00:31:35,269 --> 00:31:32,279
at this time there's no proof that I

711
00:31:38,149 --> 00:31:35,279
would consider a vital scientific truth

712
00:31:41,210 --> 00:31:38,159
that we have been visiting by spaceships

713
00:31:45,529 --> 00:31:41,220

there was not one found I listened there

714

00:31:48,049 --> 00:31:45,539

was not a sound between 1948 and 1969 Dr

715

00:31:50,450 --> 00:31:48,059

heineck was Project Blue Book's lead

716

00:31:51,710 --> 00:31:50,460

scientific investigator on thousands of

717

00:31:55,909 --> 00:31:51,720

cases

718

00:31:58,610 --> 00:31:55,919

his job was to stretch his imagination

719

00:32:01,310 --> 00:31:58,620

to try to find explanations for every

720

00:32:03,830 --> 00:32:01,320

possible case he could even if he knew

721

00:32:05,690 --> 00:32:03,840

it didn't make any sense don't you think

722

00:32:08,029 --> 00:32:05,700

it would be kind of unusual for a meteor

723

00:32:10,130 --> 00:32:08,039

to just fall across the road and hover

724

00:32:11,630 --> 00:32:10,140

over there a minute and then drop to the

725

00:32:14,029 --> 00:32:11,640

ground the coming over wouldn't be bad

726

00:32:16,370 --> 00:32:14,039

the hovering if it would bother me the

727

00:32:18,230 --> 00:32:16,380

longer he was in the more cases he saw

728

00:32:19,909 --> 00:32:18,240

the more he realized that he couldn't

729

00:32:25,810 --> 00:32:19,919

explain the cases and there was a

730

00:32:30,470 --> 00:32:28,730

in the middle of the Cold War across

731

00:32:33,230 --> 00:32:30,480

remote stretches of the northern United

732

00:32:35,750 --> 00:32:33,240

States the Air Force kept ballistic

733

00:32:37,070 --> 00:32:35,760

missiles and B-52 bombers on constant

734

00:32:40,669 --> 00:32:37,080

alert

735

00:32:43,010 --> 00:32:40,679

on the night of October the 24th 1968 at

736

00:32:44,450 --> 00:32:43,020

Minot Air Force Base in Minot North

737

00:32:47,870 --> 00:32:44,460

Dakota

738

00:32:49,850 --> 00:32:47,880

Airmen first class Mike O'Connor was

739

00:32:52,549 --> 00:32:49,860

dispatched to make a routine repair at

740

00:32:53,870 --> 00:32:52,559

one of the missile sites we made our

741

00:32:55,370 --> 00:32:53,880

turn to come down the road to the

742

00:32:57,889 --> 00:32:55,380

missile site

743

00:32:59,029 --> 00:32:57,899

and out of the corner of my eye I

744

00:33:01,730 --> 00:32:59,039

observed

745

00:33:04,370 --> 00:33:01,740

a what I thought was a farmer's yard

746

00:33:07,970 --> 00:33:04,380

light but it looked awful bright

747

00:33:11,090 --> 00:33:07,980

and as we proceeded down the road the

748

00:33:14,750 --> 00:33:11,100

object appeared to lift off the ground

749

00:33:16,370 --> 00:33:14,760

and parallel us down the road until we

750

00:33:19,009 --> 00:33:16,380

came to the missile site

751
00:33:21,710 --> 00:33:19,019
at which point we got out of the truck

752
00:33:23,870 --> 00:33:21,720
and it just kind of hovered there

753
00:33:26,990 --> 00:33:23,880
staff sergeant Bill Smith was in charge

754
00:33:30,110 --> 00:33:27,000
of security for 10 nuclear missiles that

755
00:33:32,990 --> 00:33:30,120
night he reported seeing strange objects

756
00:33:35,570 --> 00:33:33,000
these objects would rise it would speed

757
00:33:36,830 --> 00:33:35,580
up they would slow it down they would

758
00:33:38,750 --> 00:33:36,840
hover

759
00:33:39,649 --> 00:33:38,760
they would Dart very quickly one way or

760
00:33:42,470 --> 00:33:39,659
the other

761
00:33:46,250 --> 00:33:42,480
we were just not really sure that these

762
00:33:51,169 --> 00:33:49,310
the minute control tower diverted a B-52

763
00:33:54,590 --> 00:33:51,179

to investigate

764

00:33:55,850 --> 00:33:54,600

Captain Brad Runyon was the B-52's

765

00:33:58,370 --> 00:33:55,860

co-pilot

766

00:34:02,029 --> 00:33:58,380

the air traffic controller asked us if

767

00:34:05,090 --> 00:34:02,039

we would mind going out to this one area

768

00:34:07,009 --> 00:34:05,100

and looking for something I was curious

769

00:34:09,409 --> 00:34:07,019

and I said well what are we looking for

770

00:34:10,369 --> 00:34:09,419

and I said well you'll know it if you

771

00:34:12,649 --> 00:34:10,379

find it

772

00:34:15,470 --> 00:34:12,659

the navigator on the B-52 Captain

773

00:34:17,690 --> 00:34:15,480

Patrick McCaslin suddenly identified an

774

00:34:20,810 --> 00:34:17,700

object on his radar screen

775

00:34:23,570 --> 00:34:20,820

I saw a return faint One Sweep bright

776

00:34:24,889 --> 00:34:23,580

the next large off our right wing three

777

00:34:26,869 --> 00:34:24,899

o'clock

778

00:34:29,270 --> 00:34:26,879

at about three miles

779

00:34:31,909 --> 00:34:29,280

and at that point I asked the radar

780

00:34:33,770 --> 00:34:31,919

navigator to turn on the camera which

781

00:34:36,829 --> 00:34:33,780

would then take pictures of whatever was

782

00:34:41,450 --> 00:34:38,869

these pictures of the radar screen show

783

00:34:43,329 --> 00:34:41,460

the object flying in formation with the

784

00:34:46,669 --> 00:34:43,339

B-52

785

00:34:48,589 --> 00:34:46,679

this thing was climbing out with us and

786

00:34:51,230 --> 00:34:48,599

maintaining the same heading we were

787

00:34:54,050 --> 00:34:51,240

that was unusual

788

00:34:56,510 --> 00:34:54,060

but what really watered my eyes

789

00:34:59,630 --> 00:34:56,520

when was it when this thing backed away

790

00:35:01,730 --> 00:34:59,640

and allowed us to turn inside of it

791

00:35:04,490 --> 00:35:01,740

when the object suddenly disappeared

792

00:35:07,490 --> 00:35:04,500

from the radar the bomber turned back to

793

00:35:10,310 --> 00:35:07,500

find it co-pilot Runyan was the first to

794

00:35:13,310 --> 00:35:10,320

spot what appeared to be a glowing craft

795

00:35:14,690 --> 00:35:13,320

hovering near the ground when things

796

00:35:17,510 --> 00:35:14,700

like that are happening it seems like

797

00:35:20,990 --> 00:35:17,520

time to stand still

798

00:35:24,710 --> 00:35:21,000

my estimate overall object was a minimum

799

00:35:28,250 --> 00:35:24,720

of 200 feet in diameter and it was

800

00:35:36,170 --> 00:35:33,170

it had a metallic cylinder attached to

801
00:35:38,210 --> 00:35:36,180
another section that was shaped like a

802
00:35:40,849 --> 00:35:38,220
crescent moon

803
00:35:43,849 --> 00:35:40,859
I felt that this Crescent Moon part was

804
00:35:46,970 --> 00:35:43,859
probably the command center

805
00:35:50,870 --> 00:35:46,980
I tried to look inside the thing but all

806
00:35:53,390 --> 00:35:50,880
I could see was a yellow glow

807
00:35:56,210 --> 00:35:53,400
at that point I was

808
00:35:57,829 --> 00:35:56,220
fairly sure if I was looking at an alien

809
00:35:59,030 --> 00:35:57,839
spaceship something that come here from

810
00:36:02,270 --> 00:35:59,040
some other

811
00:36:04,310 --> 00:36:02,280
planets other than the Earth

812
00:36:06,170 --> 00:36:04,320
co-pilot Runyan and the other crew

813
00:36:07,750 --> 00:36:06,180

members of the B-52 reported their

814

00:36:09,950 --> 00:36:07,760

sighting when they returned to the Base

815

00:36:11,990 --> 00:36:09,960

According to Blue Book's investigation

816

00:36:15,170 --> 00:36:12,000

the crew of the B-52

817

00:36:17,270 --> 00:36:15,180

and 16 Witnesses on the ground said they

818

00:36:21,349 --> 00:36:17,280

saw a UFO that night

819

00:36:26,750 --> 00:36:21,359

in its final report Blue Book concluded

820

00:36:32,390 --> 00:36:30,290

none of those Pilots saw a star I know

821

00:36:33,410 --> 00:36:32,400

those Pilots I know what their training

822

00:36:37,130 --> 00:36:33,420

was

823

00:36:39,349 --> 00:36:37,140

I know how many stars they'd seen in the

824

00:36:42,230 --> 00:36:39,359

course of their careers and they were

825

00:36:44,390 --> 00:36:42,240

not looking at the stars

826

00:36:47,510 --> 00:36:44,400

it bothers me that blue book blew it off

827

00:36:50,690 --> 00:36:47,520

I don't think this this

828

00:36:54,170 --> 00:36:50,700

incident has ever been adequately

829

00:36:58,790 --> 00:36:56,450

the Air Force finally got out of the

830

00:37:02,450 --> 00:36:58,800

business of trying to explain UFOs in

831

00:37:04,069 --> 00:37:02,460

1969 it closed down Project Blue Book

832

00:37:06,710 --> 00:37:04,079

after an independent commission

833

00:37:09,470 --> 00:37:06,720

concluded that UFOs were of no

834

00:37:13,010 --> 00:37:09,480

scientific interest

835

00:37:15,609 --> 00:37:13,020

there was one loud dissenting voice blue

836

00:37:19,069 --> 00:37:15,619

books once skeptical Chief scientist

837

00:37:20,990 --> 00:37:19,079

Alan heineck after more than 20 years

838

00:37:24,650 --> 00:37:21,000

and more than twelve thousand UFO

839

00:37:25,730 --> 00:37:24,660

investigations Dr heineck had become a

840

00:37:27,530 --> 00:37:25,740

believer

841

00:37:29,450 --> 00:37:27,540

in Blue Book for instance we would get

842

00:37:30,890 --> 00:37:29,460

reports from military pilots and that

843

00:37:32,329 --> 00:37:30,900

was particularly embarrassing to the Air

844

00:37:33,890 --> 00:37:32,339

Force because after they had trained

845

00:37:36,710 --> 00:37:33,900

those men and they couldn't very well

846

00:37:37,730 --> 00:37:36,720

they could say that a civilian pilot

847

00:37:41,150 --> 00:37:37,740

might have

848

00:37:42,530 --> 00:37:41,160

been untrustworthy but they could hardly

849

00:37:44,390 --> 00:37:42,540

say that to their of their own military

850

00:37:46,190 --> 00:37:44,400

Parts in regard case after case after

851
00:37:47,690 --> 00:37:46,200
case from military Pilots which never

852
00:37:50,210 --> 00:37:47,700
hit the Press

853
00:37:52,069 --> 00:37:50,220
the difference between Alan heineck and

854
00:37:55,430 --> 00:37:52,079
the people he worked with in Blue Book

855
00:37:56,329 --> 00:37:55,440
was this he was a scientist and they

856
00:37:58,310 --> 00:37:56,339
weren't

857
00:37:59,450 --> 00:37:58,320
and he never forgot that he was a

858
00:38:01,490 --> 00:37:59,460
scientist

859
00:38:02,810 --> 00:38:01,500
the Air Force paid his checks and paid

860
00:38:05,089 --> 00:38:02,820
him well

861
00:38:07,490 --> 00:38:05,099
but

862
00:38:09,410 --> 00:38:07,500
they couldn't quell his scientific

863
00:38:12,050 --> 00:38:09,420

curiosity and it was a scientific

864

00:38:14,150 --> 00:38:12,060

curiosity that finally won out and that

865

00:38:16,970 --> 00:38:14,160

will I think probably at some point in

866

00:38:19,250 --> 00:38:16,980

the future History of Science will earn

867

00:38:22,970 --> 00:38:19,260

Allen heineck a reputation as a

868

00:38:24,950 --> 00:38:22,980

courageous and principled man Dr heineck

869

00:38:27,589 --> 00:38:24,960

spent the rest of his life investigating

870

00:38:30,589 --> 00:38:27,599

sightings and calling for a serious

871

00:38:31,790 --> 00:38:30,599

scientific inquiry into the UFO

872

00:38:34,849 --> 00:38:31,800

phenomenon

873

00:38:36,140 --> 00:38:34,859

most of his fellow scientists rejected

874

00:38:42,890 --> 00:38:36,150

his opinions

875

00:38:49,069 --> 00:38:46,490

UFOs seeing is believing continues

876

00:38:51,950 --> 00:38:49,079

Dr Alan heineck failed to interest the

877

00:38:54,670 --> 00:38:51,960

scientific community in UFOs at issue

878

00:38:57,109 --> 00:38:54,680

was the nature of the evidence

879

00:38:59,690 --> 00:38:57,119

ufologists argued that the sheer volume

880

00:39:01,970 --> 00:38:59,700

of eyewitness sightings is proof that

881

00:39:04,730 --> 00:39:01,980

something extraordinary is happening

882

00:39:10,070 --> 00:39:04,740

but mainstream scientists categorically

883

00:39:10,080 --> 00:39:13,990

[Music]

884

00:39:19,430 --> 00:39:17,870

seeing something they've seen the lights

885

00:39:21,650 --> 00:39:19,440

in the sky

886

00:39:25,310 --> 00:39:21,660

as a scientist I need something better

887

00:39:27,890 --> 00:39:25,320

than your eyewitness testimony because

888

00:39:30,770 --> 00:39:27,900

even if in the court of law eyewitness

889

00:39:33,109 --> 00:39:30,780

testimony is a high form of evidence in

890

00:39:34,910 --> 00:39:33,119

the court of science it is the lowest

891

00:39:36,710 --> 00:39:34,920

form of evidence you could possibly put

892

00:39:38,630 --> 00:39:36,720

forth it doesn't matter whether it's

893

00:39:41,210 --> 00:39:38,640

President Jimmy Carter who saw a UFO

894

00:39:44,089 --> 00:39:41,220

which he thinks he did you know our

895

00:39:46,550 --> 00:39:44,099

farmer Bob it doesn't matter everybody

896

00:39:49,430 --> 00:39:46,560

has eyes and ears and a brain that

897

00:39:52,970 --> 00:39:49,440

perceives and so on I think they're all

898

00:39:56,510 --> 00:39:52,980

equally unreliable as eyewitnesses we're

899

00:39:59,270 --> 00:39:56,520

very bad at recounting things we think

900

00:40:04,430 --> 00:40:01,609

my husband and I were flying our

901
00:40:07,310 --> 00:40:04,440
airplane it was at night and we saw a

902
00:40:09,290 --> 00:40:07,320
light we saw a bright light a two

903
00:40:10,670 --> 00:40:09,300
o'clock position

904
00:40:13,609 --> 00:40:10,680
and

905
00:40:16,010 --> 00:40:13,619
it was one of those oh my goodness kind

906
00:40:17,930 --> 00:40:16,020
of moments Jack do you see that yeah I

907
00:40:19,910 --> 00:40:17,940
see that and it's it's there really is a

908
00:40:22,310 --> 00:40:19,920
light there right and it's it look it's

909
00:40:25,910 --> 00:40:22,320
coming towards us right

910
00:40:29,569 --> 00:40:25,920
it was this I know I'm seeing something

911
00:40:32,750 --> 00:40:31,250
and we you know we just sort of we

912
00:40:36,770 --> 00:40:32,760
looked at each we said this can't be

913
00:40:38,930 --> 00:40:36,780

happening to us we can't be seeing a UFO

914

00:40:42,710 --> 00:40:38,940

you know we're so skeptical

915

00:40:45,410 --> 00:40:42,720

but but look it's really there

916

00:40:47,270 --> 00:40:45,420

and then clouds that we didn't realize

917

00:40:49,190 --> 00:40:47,280

were there

918

00:40:51,109 --> 00:40:49,200

spread apart enough

919

00:40:53,150 --> 00:40:51,119

to for us to understand that what we

920

00:40:54,470 --> 00:40:53,160

were seeing was a piece of the Moon that

921

00:40:56,390 --> 00:40:54,480

it was just shining through a hole in

922

00:41:01,210 --> 00:40:56,400

the clouds

923

00:41:07,130 --> 00:41:04,730

for scientists seeing is not believing

924

00:41:10,190 --> 00:41:07,140

for them only physical evidence will

925

00:41:12,589 --> 00:41:10,200

prove that UFOs are visiting Earth

926
00:41:14,530 --> 00:41:12,599
they do believe that life exists beyond

927
00:41:16,550 --> 00:41:14,540
Earth and they have spent decades

928
00:41:16,870 --> 00:41:16,560
searching for the first piece of

929
00:41:20,329 --> 00:41:16,880
evidence

930
00:41:23,270 --> 00:41:20,339
[Music]

931
00:41:26,210 --> 00:41:23,280
a spacecraft launched by NASA and the

932
00:41:30,650 --> 00:41:26,220
European Space Agency traveled billions

933
00:41:34,250 --> 00:41:30,660
of miles and in January 2005 landed a

934
00:41:35,710 --> 00:41:34,260
probe on Saturn's moon taiki

935
00:41:38,150 --> 00:41:35,720
foreign

936
00:41:40,010 --> 00:41:38,160
spacecraft has ever landed so far from

937
00:41:42,890 --> 00:41:40,020
Earth

938
00:41:45,250 --> 00:41:42,900

these images of Titan's surface suggest

939

00:41:47,569 --> 00:41:45,260

an active world of rivers and oceans

940

00:41:50,569 --> 00:41:47,579

scientists believe that where there is

941

00:41:53,750 --> 00:41:50,579

liquid there may be life

942

00:41:56,329 --> 00:41:53,760

if we look for life in our backyard our

943

00:41:57,890 --> 00:41:56,339

Cosmic backyard if we look there and

944

00:42:00,890 --> 00:41:57,900

find life

945

00:42:02,810 --> 00:42:00,900

imagine what that tells us

946

00:42:05,930 --> 00:42:02,820

that some other random place that

947

00:42:08,569 --> 00:42:05,940

happens to be a nearby planet

948

00:42:12,170 --> 00:42:08,579

has life just the way we do

949

00:42:15,430 --> 00:42:12,180

then there's no telling how rich the

950

00:42:18,170 --> 00:42:15,440

entire universe is with life

951
00:42:20,329 --> 00:42:18,180
there is still no evidence that the

952
00:42:22,490 --> 00:42:20,339
universe is Rich with life

953
00:42:24,470 --> 00:42:22,500
but mainstream scientists think there

954
00:42:26,690 --> 00:42:24,480
has got to be life

955
00:42:30,050 --> 00:42:26,700
there's more than 100 billion stars in

956
00:42:33,290 --> 00:42:30,060
our Milky Way galaxy alone and there's

957
00:42:35,089 --> 00:42:33,300
more than 50 or 100 billion galaxies in

958
00:42:38,690 --> 00:42:35,099
the universe you multiply these two

959
00:42:41,870 --> 00:42:38,700
numbers that's a one with 21 zeros worth

960
00:42:45,430 --> 00:42:41,880
of stars in the cosmos to suggest that

961
00:42:48,530 --> 00:42:45,440
we're alone is inexcusably egocentric

962
00:42:51,530 --> 00:42:48,540
somewhere among the billions of stars in

963
00:42:54,470 --> 00:42:51,540

our galaxy or in the billions of other

964

00:42:57,050 --> 00:42:54,480

galaxies in the universe scientists

965

00:42:58,130 --> 00:42:57,060

believe there must be other planets just

966

00:42:59,950 --> 00:42:58,140

like Earth

967

00:43:02,870 --> 00:42:59,960

where life exists

968

00:43:04,970 --> 00:43:02,880

what created Earth and man must have

969

00:43:06,849 --> 00:43:04,980

created life somewhere else they say in

970

00:43:09,230 --> 00:43:06,859

the vastness of space

971

00:43:11,150 --> 00:43:09,240

somewhere there must be another

972

00:43:14,569 --> 00:43:11,160

developed civilization trying to reach

973

00:43:19,370 --> 00:43:17,930

Dr Frank Drake has been listening for 45

974

00:43:22,550 --> 00:43:19,380

years

975

00:43:26,089 --> 00:43:22,560

in 1960 in Greenbank West Virginia Dr

976
00:43:30,589 --> 00:43:26,099
Drake first pointed a radio telescope at

977
00:43:32,809 --> 00:43:30,599
a nearby star to listen for a signal

978
00:43:35,150 --> 00:43:32,819
we just had this feeling that something

979
00:43:37,010 --> 00:43:35,160
very important was starting that this

980
00:43:39,349 --> 00:43:37,020
was a new

981
00:43:41,030 --> 00:43:39,359
road that human beings were taking that

982
00:43:43,250 --> 00:43:41,040
was going to lead to very wonderful

983
00:43:44,630 --> 00:43:43,260
places and very wonderful things for our

984
00:43:46,670 --> 00:43:44,640
civilization

985
00:43:49,190 --> 00:43:46,680
Dr Drake's experiment marked the

986
00:43:51,589 --> 00:43:49,200
beginning of a project called seti the

987
00:43:54,950 --> 00:43:51,599
search for extraterrestrial intelligence

988
00:43:57,290 --> 00:43:54,960

Dr Seth shastak is an astronomer who

989

00:44:00,650 --> 00:43:57,300

works with Drake at The seti Institute

990

00:44:02,990 --> 00:44:00,660

we've been broadcasting our existence to

991

00:44:05,210 --> 00:44:03,000

the universe for the last 50 or 60 years

992

00:44:06,950 --> 00:44:05,220

and and we've been doing that with our

993

00:44:08,270 --> 00:44:06,960

high-powered radio and television

994

00:44:10,849 --> 00:44:08,280

Transmissions

995

00:44:13,010 --> 00:44:10,859

every day those signals just go right on

996

00:44:14,690 --> 00:44:13,020

out into space that's how we're

997

00:44:17,210 --> 00:44:14,700

broadcasting this space and we kind of

998

00:44:19,190 --> 00:44:17,220

turn that idea around when we try and

999

00:44:21,530 --> 00:44:19,200

find the extraterrestrials by trying to

1000

00:44:24,349 --> 00:44:21,540

find their broadcasts

1001
00:44:28,370 --> 00:44:24,359
Dr Drake remembers the day of his first

1002
00:44:30,829 --> 00:44:28,380
search in April 1960. for all we knew

1003
00:44:32,750 --> 00:44:30,839
every Star on the sky had a radio

1004
00:44:34,910 --> 00:44:32,760
transmitting civilization we might

1005
00:44:37,069 --> 00:44:34,920
succeed the first day we even had a tape

1006
00:44:39,470 --> 00:44:37,079
recorder connected to the radio receiver

1007
00:44:42,109 --> 00:44:39,480
so that we could tape record any voices

1008
00:44:45,230 --> 00:44:42,119
we might hear from the other world and

1009
00:44:46,970 --> 00:44:45,240
so we pointed at the first star and when

1010
00:44:48,710 --> 00:44:46,980
it finally set in the west we moved over

1011
00:44:50,390 --> 00:44:48,720
and pointed the telescope at the second

1012
00:44:53,690 --> 00:44:50,400
star

1013
00:44:55,010 --> 00:44:53,700

and we heard on a loudspeaker

1014

00:44:57,109 --> 00:44:55,020

a signal

1015

00:44:59,329 --> 00:44:57,119

like we had never heard before with the

1016

00:45:01,849 --> 00:44:59,339

radio telescope and it was a lot like a

1017

00:45:04,120 --> 00:45:01,859

lot of people said we might detect a

1018

00:45:10,550 --> 00:45:04,130

series of pulses it sounded like

1019

00:45:14,690 --> 00:45:12,589

all our hearts were pounding you think

1020

00:45:16,550 --> 00:45:14,700

this may be one of the greatest moments

1021

00:45:18,349 --> 00:45:16,560

in history unfolding right here before

1022

00:45:20,390 --> 00:45:18,359

us

1023

00:45:21,950 --> 00:45:20,400

the signal turned out to be nothing more

1024

00:45:24,770 --> 00:45:21,960

than sound

1025

00:45:27,290 --> 00:45:24,780

from a passing plane

1026

00:45:30,050 --> 00:45:27,300

when you detect such a signal and it

1027

00:45:32,569 --> 00:45:30,060

truly looks to be extraterrestrial

1028

00:45:36,230 --> 00:45:32,579

it's a very special emotion

1029

00:45:42,829 --> 00:45:38,569

after more than four decades Dr Drake

1030

00:45:45,349 --> 00:45:42,839

has yet to hear an alien signal

1031

00:45:47,150 --> 00:45:45,359

Dr Jill Tarter is another astronomer

1032

00:45:49,790 --> 00:45:47,160

working at seti

1033

00:45:53,150 --> 00:45:49,800

the chances of success

1034

00:45:56,150 --> 00:45:53,160

in seti are difficult to estimate

1035

00:45:58,970 --> 00:45:56,160

but if we never search

1036

00:46:02,570 --> 00:45:58,980

the chance is zero

1037

00:46:13,970 --> 00:46:02,580

so I think what we ought to do is search

1038

00:46:17,150 --> 00:46:13,980

[Music]

1039

00:46:19,609 --> 00:46:17,160

at hat Creek in Northern California Safi

1040

00:46:20,930 --> 00:46:19,619

is building an array of telescopes that

1041

00:46:23,089 --> 00:46:20,940

will search for signs of

1042

00:46:25,910 --> 00:46:23,099

extraterrestrial Intelligence on a scale

1043

00:46:28,069 --> 00:46:25,920

never before attempted the project is

1044

00:46:32,450 --> 00:46:28,079

named after its largest donor the

1045

00:46:40,370 --> 00:46:37,250

let's go this Observatory is cited in a

1046

00:46:42,770 --> 00:46:40,380

very quiet pastoral Valley mostly cows

1047

00:46:44,930 --> 00:46:42,780

and a few people it's going to change a

1048

00:46:47,030 --> 00:46:44,940

whole lot when we put 350 telescopes in

1049

00:46:50,210 --> 00:46:47,040

here and it's going to change even more

1050

00:46:52,609 --> 00:46:50,220

if indeed those telescopes detect a

1051
00:46:53,870 --> 00:46:52,619
signal from someone else's technology of

1052
00:46:55,430 --> 00:46:53,880
course we don't know how many

1053
00:46:56,930 --> 00:46:55,440
civilizations out there might be

1054
00:46:59,030 --> 00:46:56,940
broadcasting signals that we could pick

1055
00:47:01,790 --> 00:46:59,040
up the faster that you can go through

1056
00:47:03,829 --> 00:47:01,800
all that Heavenly real estate the sooner

1057
00:47:06,109 --> 00:47:03,839
you're going to find a signal

1058
00:47:07,670 --> 00:47:06,119
and if that happens this is where it

1059
00:47:09,290 --> 00:47:07,680
will happen it'll happen right here this

1060
00:47:10,670 --> 00:47:09,300
is this is kind of the portal to the

1061
00:47:11,690 --> 00:47:10,680
Cosmos this is the place where we're

1062
00:47:13,609 --> 00:47:11,700
gonna

1063
00:47:15,290 --> 00:47:13,619

Crystal of isolation that is surrounded

1064

00:47:17,270 --> 00:47:15,300

this planet for four and a half billion

1065

00:47:19,010 --> 00:47:17,280

years right here right here in months

1066

00:47:20,870 --> 00:47:19,020

the trees and the lava and the bright

1067

00:47:23,630 --> 00:47:20,880

sunshine and drank a little champagne

1068

00:47:27,410 --> 00:47:25,730

we will build it and I hope they will

1069

00:47:29,410 --> 00:47:27,420

come or at least in the form of their

1070

00:47:33,410 --> 00:47:29,420

radio waves

1071

00:47:35,569 --> 00:47:33,420

some UFO Believers belittle seti why

1072

00:47:36,589 --> 00:47:35,579

search the heavens for an elusive signal

1073

00:47:38,809 --> 00:47:36,599

they ask

1074

00:47:42,170 --> 00:47:38,819

when the extraterrestrials are already

1075

00:47:44,150 --> 00:47:42,180

here if I thought that extraterrestrials

1076

00:47:45,950 --> 00:47:44,160

were really visiting the earth I

1077

00:47:48,050 --> 00:47:45,960

wouldn't be doing this none of us would

1078

00:47:50,510 --> 00:47:48,060

be why would we go to all the trouble

1079

00:47:52,670 --> 00:47:50,520

building this very complex equipment and

1080

00:47:54,349 --> 00:47:52,680

these expensive antenna race and so

1081

00:47:58,069 --> 00:47:54,359

forth and so on if they were here it's

1082

00:48:00,230 --> 00:47:58,079

just not proven that any UFO is a

1083

00:48:01,849 --> 00:48:00,240

spacecraft from another intelligent

1084

00:48:03,410 --> 00:48:01,859

species on the other hand it must be

1085

00:48:05,450 --> 00:48:03,420

said that we haven't shown that the

1086

00:48:07,790 --> 00:48:05,460

extraterrestrials exist either

1087

00:48:09,589 --> 00:48:07,800

but we don't make the claim that we have

1088

00:48:11,630 --> 00:48:09,599

I think that's a big difference we will

1089

00:48:13,970 --> 00:48:11,640

only claim success when we really know

1090

00:48:16,970 --> 00:48:13,980

we have found something extraterrestrial

1091

00:48:19,069 --> 00:48:16,980

if we claim something there will be data

1092

00:48:20,750 --> 00:48:19,079

to back it up doggone it we're going to

1093

00:48:23,089 --> 00:48:20,760

tell you it's up there at these

1094

00:48:25,490 --> 00:48:23,099

coordinates in the sky it's at this spot

1095

00:48:26,930 --> 00:48:25,500

on the dial at this frequency so take

1096

00:48:28,609 --> 00:48:26,940

out your own antenna and go out and

1097

00:48:31,490 --> 00:48:28,619

verify it we would encourage you to

1098

00:48:34,490 --> 00:48:31,500

verify it okay and that's that's that's

1099

00:48:37,250 --> 00:48:34,500

the difference between science and myth

1100

00:48:43,970 --> 00:48:40,130

when we come back the making of a myth

1101

00:48:43,980 --> 00:48:52,630

being is believing continues

1102

00:48:57,530 --> 00:48:55,609

foreign for many of those who believe

1103

00:48:59,690 --> 00:48:57,540

that the Earth has been visited by

1104

00:49:02,690 --> 00:48:59,700

extraterrestrial spacecraft

1105

00:49:05,870 --> 00:49:02,700

this remote New Mexico Ranch is Hallowed

1106

00:49:10,490 --> 00:49:08,089

The Story Goes that it was here in the

1107

00:49:12,410 --> 00:49:10,500

summer of 1947 that one of the greatest

1108

00:49:15,950 --> 00:49:12,420

discoveries in human history was made

1109

00:49:18,650 --> 00:49:15,960

the Holy Grail of ufology concrete

1110

00:49:20,210 --> 00:49:18,660

evidence proving the existence of alien

1111

00:49:22,309 --> 00:49:20,220

life

1112

00:49:25,010 --> 00:49:22,319

major Jesse Marcel the intelligence

1113

00:49:28,430 --> 00:49:25,020

officer at the Army Air Base in Roswell

1114

00:49:31,550 --> 00:49:28,440

receives a telephone call the call is to

1115

00:49:33,890 --> 00:49:31,560

go to the ranch of mac brasel and

1116

00:49:36,410 --> 00:49:33,900

investigate some material that Brazil

1117

00:49:39,650 --> 00:49:36,420

has found on his land

1118

00:49:43,430 --> 00:49:39,660

Marcel goes to the ranch and brings back

1119

00:49:45,109 --> 00:49:43,440

a load of debris and this stuff was

1120

00:49:48,170 --> 00:49:45,119

extraordinary

1121

00:49:50,870 --> 00:49:48,180

Jesse Marcel was absolutely convinced

1122

00:49:56,329 --> 00:49:50,880

what he found was extraterrestrial that

1123

00:50:01,430 --> 00:49:58,370

split up his car with a strange wreckage

1124

00:50:03,290 --> 00:50:01,440

and drove the 75 miles to Roswell

1125

00:50:06,109 --> 00:50:03,300

he stopped at his home to show his wife

1126
00:50:06,950 --> 00:50:06,119
and 11 year old son Jesse Jr what he had

1127
00:50:10,010 --> 00:50:06,960
found

1128
00:50:12,109 --> 00:50:10,020
walked my mother myself up saying I want

1129
00:50:13,069 --> 00:50:12,119
you to look at this I mean I can

1130
00:50:15,829 --> 00:50:13,079
remember it just like it happened

1131
00:50:17,390 --> 00:50:15,839
yesterday the type of material that was

1132
00:50:19,609 --> 00:50:17,400
there

1133
00:50:23,450 --> 00:50:19,619
the most curious part of the debris that

1134
00:50:25,790 --> 00:50:23,460
I saw were the i-beams the structural

1135
00:50:28,550 --> 00:50:25,800
members with pinkish Violet writing

1136
00:50:31,390 --> 00:50:28,560
along the inside surface it's more like

1137
00:50:33,530 --> 00:50:31,400
geometric symbols it was very impressive

1138
00:50:39,109 --> 00:50:33,540

when you see something that impressive

1139

00:50:43,309 --> 00:50:41,089

Marcel senior took the debris to the

1140

00:50:46,010 --> 00:50:43,319

Army Air Force Base at Roswell early in

1141

00:50:47,990 --> 00:50:46,020

the morning of July the 8th and by noon

1142

00:50:50,569 --> 00:50:48,000

the base commander Colonel William

1143

00:50:52,849 --> 00:50:50,579

Blanchard authorized a press release

1144

00:50:56,780 --> 00:50:52,859

proclaiming that what Marcel had found

1145

00:50:58,190 --> 00:50:56,790

was the remains of a flying saucer

1146

00:51:02,270 --> 00:50:58,200

[Music]

1147

00:51:04,010 --> 00:51:02,280

Headline Edition July 8 1947 the Army

1148

00:51:06,230 --> 00:51:04,020

Air Forces has announced that a flying

1149

00:51:08,450 --> 00:51:06,240

disc has been found and is now in the

1150

00:51:10,250 --> 00:51:08,460

possession of the army army officers say

1151
00:51:12,530 --> 00:51:10,260
the missile has been inspected at

1152
00:51:15,730 --> 00:51:12,540
Roswell New Mexico and sent to right

1153
00:51:18,170 --> 00:51:15,740
field Ohio for further inspection

1154
00:51:19,910 --> 00:51:18,180
there was a tremendous public excitement

1155
00:51:21,710 --> 00:51:19,920
I mean the newspaper archives from that

1156
00:51:23,329 --> 00:51:21,720
time it was just all over the place I

1157
00:51:25,370 --> 00:51:23,339
mean it was national news it was a big

1158
00:51:28,250 --> 00:51:25,380
deal and people were very excited and

1159
00:51:31,069 --> 00:51:28,260
very frightened and everything else

1160
00:51:33,950 --> 00:51:31,079
for one moment in history Roswell New

1161
00:51:36,650 --> 00:51:33,960
Mexico could claim to be the only place

1162
00:51:38,870 --> 00:51:36,660
on Earth where evidence existed

1163
00:51:40,849 --> 00:51:38,880

that this planet was being visited by

1164

00:51:42,750 --> 00:51:40,859

alien spacecraft

1165

00:51:44,390 --> 00:51:42,760

it was a short moment

1166

00:51:46,370 --> 00:51:44,400

[Music]

1167

00:51:48,530 --> 00:51:46,380

the next day there is a press conference

1168

00:51:51,829 --> 00:51:48,540

a press conference organized by General

1169

00:51:54,349 --> 00:51:51,839

Roger Ramey and Roger Ramey says we did

1170

00:51:57,049 --> 00:51:54,359

not recover in a flying saucer this is

1171

00:51:58,670 --> 00:51:57,059

no flying disc what we recovered was a

1172

00:52:01,490 --> 00:51:58,680

weather balloon

1173

00:52:04,250 --> 00:52:01,500

the papers reported General raymie mt's

1174

00:52:07,069 --> 00:52:04,260

Roswell susser the Army Air Force

1175

00:52:09,170 --> 00:52:07,079

reduced Marcel's Discovery to nothing

1176
00:52:11,390 --> 00:52:09,180
more than a harmless high altitude

1177
00:52:13,609 --> 00:52:11,400
weather balloon

1178
00:52:14,990 --> 00:52:13,619
the public accepted it

1179
00:52:17,210 --> 00:52:15,000
there was this was immediately in the

1180
00:52:19,210 --> 00:52:17,220
wake of World War II and I think most

1181
00:52:22,190 --> 00:52:19,220
people basically trusted the government

1182
00:52:23,390 --> 00:52:22,200
and so you know they had no doubt that

1183
00:52:25,609 --> 00:52:23,400
this was genuine and this was true of

1184
00:52:27,470 --> 00:52:25,619
the press as well there was very little

1185
00:52:29,329 --> 00:52:27,480
skepticism about it and it just kind of

1186
00:52:31,910 --> 00:52:29,339
went away

1187
00:52:33,650 --> 00:52:31,920
for 30 years no one paid any attention

1188
00:52:36,530 --> 00:52:33,660

to the events at Roswell

1189

00:52:38,930 --> 00:52:36,540

Jesse Marcel's story of a flying saucer

1190

00:52:41,750 --> 00:52:38,940

that crashed might still be forgotten

1191

00:52:46,190 --> 00:52:41,760

were it not for a ufologist named

1192

00:52:48,349 --> 00:52:46,200

Stanton Friedman I got involved in 1978.

1193

00:52:51,170 --> 00:52:48,359

I was at a television station in Baton

1194

00:52:52,849 --> 00:52:51,180

Rouge Louisiana the station manager out

1195

00:52:54,290 --> 00:52:52,859

of the blue

1196

00:52:57,589 --> 00:52:54,300

he says you know the guy you ought to

1197

00:53:00,170 --> 00:52:57,599

talk to is Jesse Marcel he handled the

1198

00:53:01,790 --> 00:53:00,180

wreckage of one of those saucers you're

1199

00:53:05,089 --> 00:53:01,800

interested in when he was in the

1200

00:53:08,030 --> 00:53:05,099

military what Stanton Friedman found

1201

00:53:10,370 --> 00:53:08,040

Jessie Marcel he was retired from the

1202

00:53:14,150 --> 00:53:10,380

military and was a television repairman

1203

00:53:17,329 --> 00:53:14,160

in Houma Louisiana Marcel had a story to

1204

00:53:19,549 --> 00:53:17,339

tell what I saw I couldn't believe there

1205

00:53:21,710 --> 00:53:19,559

was so much of it it was scattered it

1206

00:53:23,809 --> 00:53:21,720

was such a vast area

1207

00:53:26,150 --> 00:53:23,819

we found a piece of metal

1208

00:53:28,430 --> 00:53:26,160

about about a foot and a half to two

1209

00:53:30,230 --> 00:53:28,440

feet wide you couldn't even bend it you

1210

00:53:32,150 --> 00:53:30,240

couldn't get it even with the

1211

00:53:35,329 --> 00:53:32,160

sledgehammer would bounce off it

1212

00:53:37,730 --> 00:53:35,339

so it was not anything from this Earth

1213

00:53:40,609 --> 00:53:37,740

that I'm quite sure of

1214

00:53:42,650 --> 00:53:40,619

my dad finally came to conclusion that

1215

00:53:45,349 --> 00:53:42,660

this is a story that should not be

1216

00:53:48,829 --> 00:53:45,359

contained or buried he felt it was time

1217

00:53:51,530 --> 00:53:48,839

that people know the truth about this

1218

00:53:54,589 --> 00:53:51,540

but what is the truth the wreckage

1219

00:53:57,650 --> 00:53:54,599

hadn't been seen since 1947 so there was

1220

00:54:00,349 --> 00:53:57,660

no way to prove Jesse Marcel's claims

1221

00:54:03,109 --> 00:54:00,359

which never stopped Stanton Friedman and

1222

00:54:06,589 --> 00:54:03,119

his fellow Roswell promoters

1223

00:54:09,170 --> 00:54:06,599

the first Roswell book appeared in 1980.

1224

00:54:11,390 --> 00:54:09,180

it said that what crashed was a flying

1225

00:54:13,190 --> 00:54:11,400

saucer it said there was no evidence

1226
00:54:14,210 --> 00:54:13,200
because the government was hiding it

1227
00:54:16,549 --> 00:54:14,220
somewhere

1228
00:54:18,440 --> 00:54:16,559
the government was engaged in a massive

1229
00:54:21,829 --> 00:54:18,450
cover-up

1230
00:54:24,530 --> 00:54:21,839
[Music]

1231
00:54:27,170 --> 00:54:24,540
if there has been a UFO cover-up it

1232
00:54:29,690 --> 00:54:27,180
began in Roswell New Mexico

1233
00:54:32,150 --> 00:54:29,700
a persistent rumor holds that the United

1234
00:54:35,329 --> 00:54:32,160
States government has recovered and is

1235
00:54:38,690 --> 00:54:35,339
concealing fragments of alien spacecraft

1236
00:54:40,730 --> 00:54:38,700
fragments and more this all came

1237
00:54:43,970 --> 00:54:40,740
together at a time when people were

1238
00:54:46,250 --> 00:54:43,980

ready to buy into conspiracy

1239

00:54:48,349 --> 00:54:46,260

and then you know in 1989 Unsolved

1240

00:54:52,309 --> 00:54:48,359

Mysteries to the recreation of the whole

1241

00:54:53,870 --> 00:54:52,319

event and Off to the Races we go this

1242

00:54:55,910 --> 00:54:53,880

Air Force Base here in Roswell New

1243

00:54:59,089 --> 00:54:55,920

Mexico the center of a controversy back

1244

00:55:01,910 --> 00:54:59,099

in 1947 but over 40 years later still

1245

00:55:04,490 --> 00:55:01,920

remains unsung Jesse Marcel's story

1246

00:55:07,010 --> 00:55:04,500

about a day long ago was becoming an

1247

00:55:08,690 --> 00:55:07,020

article of faith and the promoters were

1248

00:55:10,130 --> 00:55:08,700

busy spinning it every way they could

1249

00:55:12,410 --> 00:55:10,140

you think there was a government

1250

00:55:14,270 --> 00:55:12,420

cover-up there's no question about that

1251

00:55:17,809 --> 00:55:14,280

not only about this case but lots of

1252

00:55:20,089 --> 00:55:17,819

other UFO cases after investigating for

1253

00:55:22,490 --> 00:55:20,099

their new book Kevin Randall and Don

1254

00:55:25,490 --> 00:55:22,500

Schmidt are convinced it was a military

1255

00:55:26,990 --> 00:55:25,500

cover-up a parade of new Witnesses came

1256

00:55:28,970 --> 00:55:27,000

out of the woodwork to share the

1257

00:55:31,730 --> 00:55:28,980

Limelight with Tales of secret

1258

00:55:33,950 --> 00:55:31,740

government activity and alien bodies

1259

00:55:37,730 --> 00:55:33,960

found in the wreckage there's a small

1260

00:55:42,230 --> 00:55:37,740

nose eyes like this about how I talked

1261

00:55:44,650 --> 00:55:42,240

about five five three five four some of

1262

00:55:46,670 --> 00:55:44,660

the tallest Athletics

1263

00:55:48,829 --> 00:55:46,680

extraterrestrials were found in Roswell

1264

00:55:50,990 --> 00:55:48,839

yes dead dead extraterrestrials were

1265

00:55:53,930 --> 00:55:51,000

found no question about it this is an

1266

00:55:56,569 --> 00:55:53,940

incredible Story aliens the federal

1267

00:55:58,790 --> 00:55:56,579

government intimidation we have a best

1268

00:56:01,609 --> 00:55:58,800

seller on our hands the people who are

1269

00:56:04,309 --> 00:56:01,619

promoting Roswell realize that there is

1270

00:56:06,530 --> 00:56:04,319

a gold rush to Roswell there is money to

1271

00:56:08,809 --> 00:56:06,540

be made but your book is only going to

1272

00:56:11,750 --> 00:56:08,819

sell if your charges are more grandiose

1273

00:56:13,670 --> 00:56:11,760

more exaggerated more powerful so you

1274

00:56:17,690 --> 00:56:13,680

have this ladder of escalation of

1275

00:56:20,390 --> 00:56:17,700

sensationalism in 1995 Fox television

1276
00:56:22,609 --> 00:56:20,400
broadcast what they promoted as recently

1277
00:56:24,170 --> 00:56:22,619
discovered film of an alien autopsy

1278
00:56:26,510 --> 00:56:24,180
performed at Roswell

1279
00:56:28,430 --> 00:56:26,520
it was seen by more than 20 million

1280
00:56:32,150 --> 00:56:28,440
viewers all right I want to show you

1281
00:56:33,470 --> 00:56:32,160
something and then came The X-Files this

1282
00:56:35,450 --> 00:56:33,480
is a photo

1283
00:56:38,329 --> 00:56:35,460
of a UFO that reportedly crashed in

1284
00:56:41,089 --> 00:56:38,339
Roswell New Mexico in 1947. Jesse

1285
00:56:47,270 --> 00:56:41,099
Marcel's unproven story was now Prime

1286
00:56:52,250 --> 00:56:49,309
spacecraft wreckage

1287
00:56:55,190 --> 00:56:52,260
they salvaged various alien technology

1288
00:56:58,309 --> 00:56:55,200

from them and from their data banks they

1289

00:56:59,950 --> 00:56:58,319

learned of the alien plan to recolonize

1290

00:57:02,569 --> 00:56:59,960

the Earth

1291

00:57:04,430 --> 00:57:02,579

decades after something fell from the

1292

00:57:08,349 --> 00:57:04,440

sky outside Roswell this remote New

1293

00:57:12,410 --> 00:57:10,549

it didn't matter that there wasn't a

1294

00:57:14,450 --> 00:57:12,420

shred of evidence to support the claim

1295

00:57:15,950 --> 00:57:14,460

that a flying saucer crashed here

1296

00:57:18,410 --> 00:57:15,960

it didn't matter that there were no

1297

00:57:20,930 --> 00:57:18,420

credible witnesses to alien bodies

1298

00:57:24,109 --> 00:57:20,940

on the 50th anniversary of the alleged

1299

00:57:26,750 --> 00:57:24,119

crash 65 percent of Americans told a

1300

00:57:28,430 --> 00:57:26,760

Time Magazine CNN poll that they

1301
00:57:30,890 --> 00:57:28,440
believed the story

1302
00:57:32,990 --> 00:57:30,900
the myth that is

1303
00:57:35,450 --> 00:57:33,000
the crowds come to celebrate the place

1304
00:57:38,870 --> 00:57:35,460
where the truth about flying saucers and

1305
00:57:42,290 --> 00:57:38,880
alien life was revealed

1306
00:57:44,930 --> 00:57:42,300
as for the strange debris itself

1307
00:57:48,470 --> 00:57:44,940
good afternoon ladies and gentlemen in

1308
00:57:51,950 --> 00:57:48,480
1994 and 1997 in reports called the

1309
00:57:54,410 --> 00:57:51,960
Roswell incident and case solved the Air

1310
00:57:56,809 --> 00:57:54,420
Force offered its explanation

1311
00:57:59,150 --> 00:57:56,819
we're confident once the report is out

1312
00:58:01,790 --> 00:57:59,160
and digested by the public that this

1313
00:58:03,290 --> 00:58:01,800

will be the final word on the Roswell

1314

00:58:04,970 --> 00:58:03,300

incident

1315

00:58:06,770 --> 00:58:04,980

the conclusion of the first report left

1316

00:58:09,950 --> 00:58:06,780

no doubt that what was recovered near

1317

00:58:12,890 --> 00:58:09,960

Roswell New Mexico in July 1947 was

1318

00:58:15,410 --> 00:58:12,900

debris from a formerly top secret army

1319

00:58:16,730 --> 00:58:15,420

Air Force's research project code name

1320

00:58:19,370 --> 00:58:16,740

mogul

1321

00:58:21,650 --> 00:58:19,380

project Mogul was so secret it had the

1322

00:58:23,990 --> 00:58:21,660

same security classification as the

1323

00:58:26,630 --> 00:58:24,000

project to build the atomic bomb

1324

00:58:29,270 --> 00:58:26,640

these high altitude Balloons with their

1325

00:58:32,089 --> 00:58:29,280

instrumentation were designed to detect

1326

00:58:34,990 --> 00:58:32,099

Soviet nuclear tests they were

1327

00:58:39,829 --> 00:58:35,000

tremendous in size as long as 650 feet

1328

00:58:41,109 --> 00:58:39,839

and in 1947 nothing else on Earth looked

1329

00:58:44,329 --> 00:58:41,119

like this

1330

00:58:46,970 --> 00:58:44,339

when I began to look at the reports from

1331

00:58:49,190 --> 00:58:46,980

that project and see the kinds of

1332

00:58:52,370 --> 00:58:49,200

materials that were used weather

1333

00:58:55,430 --> 00:58:52,380

balloons aluminum foil covered radar

1334

00:58:57,289 --> 00:58:55,440

targets that had struts that had funny

1335

00:58:59,990 --> 00:58:57,299

little markings in purple and pink all

1336

00:59:02,210 --> 00:59:00,000

over them and then I took a look at the

1337

00:59:04,970 --> 00:59:02,220

descriptions of a genuine debris that

1338

00:59:07,190 --> 00:59:04,980

was found it all matched

1339

00:59:09,470 --> 00:59:07,200

it all fit

1340

00:59:12,109 --> 00:59:09,480

so the irony of all of this is the the

1341

00:59:15,410 --> 00:59:12,119

great Roswell mystery the great Roswell

1342

00:59:17,690 --> 00:59:15,420

cover of arose from a real cover-up but

1343

00:59:19,670 --> 00:59:17,700

the intent was not to protect knowledge

1344

00:59:21,890 --> 00:59:19,680

of a crash Flying Saucer but to protect

1345

00:59:25,010 --> 00:59:21,900

a very Earthly project

1346

00:59:27,109 --> 00:59:25,020

to this day roswell's True Believers

1347

00:59:29,809 --> 00:59:27,119

dismiss everything the Air Force had to

1348

00:59:32,150 --> 00:59:29,819

say they believe the government cover-up

1349

00:59:34,549 --> 00:59:32,160

continues

1350

00:59:37,250 --> 00:59:34,559

I think that Roswell has become an

1351

00:59:38,630 --> 00:59:37,260

article of faith for many people it

1352

00:59:40,970 --> 00:59:38,640

happened and that's all there is to it

1353

00:59:43,430 --> 00:59:40,980

and don't confuse me with the facts I

1354

00:59:46,010 --> 00:59:43,440

don't think that the hardcore Believers

1355

00:59:49,910 --> 00:59:46,020

will ever give up on Roswell

1356

00:59:53,870 --> 00:59:49,920

they cling to a myth a myth that here

1357

00:59:56,930 --> 00:59:53,880

outside Roswell in 1947 the question of

1358

01:00:00,370 --> 00:59:56,940

are we alone was finally answered

1359

01:00:05,690 --> 01:00:03,230

UFOs seeing is believing will return in

1360

01:00:07,309 --> 01:00:05,700

a moment UFOs seeing is believing

1361

01:00:09,289 --> 01:00:07,319

continues

1362

01:00:10,730 --> 01:00:09,299

if you were to go to a UFO convention

1363

01:00:12,950 --> 01:00:10,740

and there are hundreds of them every

1364

01:00:15,170 --> 01:00:12,960

year you would likely find a lot of

1365

01:00:18,410 --> 01:00:15,180

attention being paid to people who say

1366

01:00:21,170 --> 01:00:18,420

they have been abducted by aliens

1367

01:00:23,270 --> 01:00:21,180

reporting the UFO story is incomplete

1368

01:00:24,849 --> 01:00:23,280

without this facet of it however you

1369

01:00:28,370 --> 01:00:24,859

judge the people you're about to hear

1370

01:00:31,130 --> 01:00:28,380

bear this in mind the serious

1371

01:00:32,809 --> 01:00:31,140

psychologists you will also meet tell us

1372

01:00:35,270 --> 01:00:32,819

there's no reason to believe that your

1373

01:00:37,670 --> 01:00:35,280

average abductee is any more

1374

01:00:40,789 --> 01:00:37,680

psychiatrically impaired than the

1375

01:00:43,370 --> 01:00:40,799

average person in the population

1376

01:00:46,130 --> 01:00:43,380

we're perfectly normal people we're

1377

01:00:47,630 --> 01:00:46,140

probably your co-workers your family or

1378

01:00:51,589 --> 01:00:47,640

your friends and we're having quite

1379

01:00:54,230 --> 01:00:51,599

extraordinary experiences and we're all

1380

01:00:58,670 --> 01:00:54,240

trying to understand what's happening to

1381

01:01:06,710 --> 01:01:01,789

I had gone down to bed that night when

1382

01:01:09,230 --> 01:01:06,720

four of these beings came into my house

1383

01:01:10,190 --> 01:01:09,240

and I was still awake laying down in my

1384

01:01:12,770 --> 01:01:10,200

bed

1385

01:01:14,510 --> 01:01:12,780

I don't know where they came from

1386

01:01:16,010 --> 01:01:14,520

or

1387

01:01:18,230 --> 01:01:16,020

how

1388

01:01:19,849 --> 01:01:18,240

but it came in very fast into the room

1389

01:01:22,549 --> 01:01:19,859

heading toward me

1390

01:01:26,089 --> 01:01:22,559

and then they were all down the side of

1391

01:01:27,410 --> 01:01:26,099

my bed four of them again

1392

01:01:31,970 --> 01:01:27,420

um

1393

01:01:34,910 --> 01:01:31,980

to my right I turned to face face them I

1394

01:01:36,470 --> 01:01:34,920

mean I was I really literally thought I

1395

01:01:38,990 --> 01:01:36,480

was gonna die

1396

01:01:41,390 --> 01:01:39,000

the beings measured three feet eleven

1397

01:01:45,049 --> 01:01:41,400

they appeared very cold

1398

01:01:46,430 --> 01:01:45,059

it's really really disturbing to be in a

1399

01:01:48,530 --> 01:01:46,440

room with something that isn't supposed

1400

01:01:51,650 --> 01:01:48,540

to exist

1401

01:01:55,130 --> 01:01:51,660

where it was taken on The Craft

1402

01:01:57,230 --> 01:01:55,140

I was brought to some it's very

1403

01:01:59,329 --> 01:01:57,240

contained room

1404

01:02:05,510 --> 01:01:59,339

I can't talk about what was done there

1405

01:02:10,609 --> 01:02:06,440

unbelievable

1406

01:02:14,390 --> 01:02:12,230

they're in my room

1407

01:02:15,410 --> 01:02:14,400

they're in the room the two are on my

1408

01:02:21,530 --> 01:02:15,420

left

1409

01:02:24,410 --> 01:02:21,540

they're there bud Hopkins is an artist

1410

01:02:27,890 --> 01:02:24,420

who spent the last 25 years exploring

1411

01:02:30,049 --> 01:02:27,900

his belief that aliens are among us and

1412

01:02:32,329 --> 01:02:30,059

have been abducting people

1413

01:02:33,289 --> 01:02:32,339

and what do they look like four foot

1414

01:02:38,150 --> 01:02:33,299

tall

1415

01:02:40,190 --> 01:02:38,160

story after Story of people being taken

1416

01:02:42,289 --> 01:02:40,200

onto spaceships and then returned to

1417

01:02:46,069 --> 01:02:42,299

Earth with their memory clouded or

1418

01:02:48,890 --> 01:02:46,079

erased I can't even move

1419

01:02:50,630 --> 01:02:48,900

I can't even move I'm trying to as I've

1420

01:02:52,750 --> 01:02:50,640

been working with

1421

01:02:55,190 --> 01:02:52,760

um abductees over the years

1422

01:02:56,990 --> 01:02:55,200

hundreds and hundreds and hundreds there

1423

01:02:58,789 --> 01:02:57,000

seems to be no doubt that this has been

1424

01:03:01,309 --> 01:02:58,799

going on for decades

1425

01:03:04,970 --> 01:03:01,319

maybe not at the rate that it has been

1426

01:03:09,170 --> 01:03:04,980

lately but that nobody knew who to

1427

01:03:10,849 --> 01:03:09,180

report this to and most people feel that

1428

01:03:13,609 --> 01:03:10,859

it's just impossible that this could

1429

01:03:15,890 --> 01:03:13,619

have happened to them it is Hopkins who

1430

01:03:17,690 --> 01:03:15,900

has convinced a large part of the UFO

1431

01:03:20,870 --> 01:03:17,700

community that the phenomenon of

1432

01:03:23,390 --> 01:03:20,880

abduction is real I've been collecting

1433

01:03:26,089 --> 01:03:23,400

drawing sketches people have made of

1434

01:03:27,950 --> 01:03:26,099

what they remember inside craft and

1435

01:03:29,270 --> 01:03:27,960

especially the faces of aliens I've been

1436

01:03:33,010 --> 01:03:29,280

doing this for years and years since

1437

01:03:36,109 --> 01:03:33,020

actually uh starting probably

1438

01:03:38,569 --> 01:03:36,119

1975. of course the enormous Cranium is

1439

01:03:40,609 --> 01:03:38,579

the is the big feature the mouth is very

1440

01:03:43,910 --> 01:03:40,619

negligible tiny

1441

01:03:45,890 --> 01:03:43,920

slip Bud Hopkins was the first he

1442

01:03:47,870 --> 01:03:45,900

published books and magazine articles

1443

01:03:50,930 --> 01:03:47,880

made public appearances

1444

01:03:52,849 --> 01:03:50,940

and then others followed abduction is

1445

01:03:54,109 --> 01:03:52,859

now a common theme in movies and

1446

01:03:58,130 --> 01:03:54,119

television

1447

01:04:00,410 --> 01:03:58,140

according to a Roper poll in 2002 one in

1448

01:04:03,530 --> 01:04:00,420

five Americans believe that abductions

1449

01:04:08,210 --> 01:04:06,470

for the so-called abductees the memories

1450

01:04:10,730 --> 01:04:08,220

of what they say they have experienced

1451

01:04:13,549 --> 01:04:10,740

are deeply traumatic

1452

01:04:16,510 --> 01:04:13,559

most of the abduction experiences that

1453

01:04:18,829 --> 01:04:16,520

I've had have been from my bed

1454

01:04:22,010 --> 01:04:18,839

in the middle of the night this is not

1455

01:04:26,089 --> 01:04:22,020

all however the great majority

1456

01:04:28,609 --> 01:04:26,099

I'll be in bed and um I will somehow

1457

01:04:32,030 --> 01:04:28,619

sense fear I'll sense something in the

1458

01:04:33,410 --> 01:04:32,040

room and at some point I can't move I

1459

01:04:34,789 --> 01:04:33,420

couldn't move my head left or right but

1460

01:04:37,010 --> 01:04:34,799

I could kind of look down at the foot of

1461

01:04:38,930 --> 01:04:37,020

the bed and I saw people standing at the

1462

01:04:43,370 --> 01:04:38,940

foot on my bed I see these eyes these

1463

01:04:48,710 --> 01:04:46,309

and then I don't remember anything

1464

01:04:52,910 --> 01:04:48,720

I woke up the following morning the

1465

01:04:56,150 --> 01:04:52,920

person may remember the beginning of an

1466

01:04:58,849 --> 01:04:56,160

experience and the ending but they don't

1467

01:05:01,430 --> 01:04:58,859

remember what happened in between and

1468

01:05:04,789 --> 01:05:01,440

they're quite tormented by this

1469

01:05:06,829 --> 01:05:04,799

they come to me and we'll proceed with

1470

01:05:10,069 --> 01:05:06,839

the investigation

1471

01:05:11,990 --> 01:05:10,079

in most cases Hopkins uses hypnosis in

1472

01:05:13,789 --> 01:05:12,000

what he says is a way to connect the

1473

01:05:15,530 --> 01:05:13,799

person to memories that have allegedly

1474

01:05:17,230 --> 01:05:15,540

been repressed

1475

01:05:20,390 --> 01:05:17,240

feeling comfortable

1476

01:05:22,910 --> 01:05:20,400

relaxed hypnosis has been extremely

1477

01:05:24,170 --> 01:05:22,920

useful when the person is physically

1478

01:05:26,870 --> 01:05:24,180

relaxed

1479

01:05:28,549 --> 01:05:26,880

some of the static and be cleared away

1480

01:05:32,690 --> 01:05:28,559

and the person has a clear recollection

1481

01:05:33,950 --> 01:05:32,700

of what happened you're in bed one is a

1482

01:05:37,670 --> 01:05:33,960

long time ago we're just going to see

1483

01:05:39,589 --> 01:05:37,680

what it was two right on the edge

1484

01:05:42,109 --> 01:05:39,599

three

1485

01:05:44,089 --> 01:05:42,119

he's looking at me very closely

1486

01:05:45,470 --> 01:05:44,099

I'm saying he but I don't know it feels

1487

01:05:47,809 --> 01:05:45,480

like a he

1488

01:05:50,690 --> 01:05:47,819

one of the things of course that

1489

01:05:52,730 --> 01:05:50,700

I'm caught my attention from the from

1490

01:05:55,010 --> 01:05:52,740

the very beginning was the similarity of

1491

01:05:57,349 --> 01:05:55,020

these cases and the details that were

1492

01:05:59,569 --> 01:05:57,359

coming up over and over again

1493

01:06:02,569 --> 01:05:59,579

through hypnotic regression I came to

1494

01:06:05,030 --> 01:06:02,579

realize that there was a spaceship maybe

1495

01:06:08,150 --> 01:06:05,040

100 feet in the air off to the left of

1496

01:06:10,430 --> 01:06:08,160

my front of my house and

1497

01:06:12,890 --> 01:06:10,440

though an alien came in was next to my

1498

01:06:15,049 --> 01:06:12,900

next to my bed it put its hand out

1499

01:06:17,089 --> 01:06:15,059

and I put my hand out

1500

01:06:18,710 --> 01:06:17,099

sort of a chalky skin

1501

01:06:21,530 --> 01:06:18,720

um

1502

01:06:24,710 --> 01:06:21,540

very dry to the touch

1503

01:06:26,450 --> 01:06:24,720

and I don't really remember how but

1504

01:06:28,430 --> 01:06:26,460

suddenly we were sort of floating they

1505

01:06:32,329 --> 01:06:28,440

brought me in front of a being that was

1506

01:06:35,210 --> 01:06:32,339

so horrifying that I'll never be able to

1507

01:06:39,049 --> 01:06:35,220

you know put it out of my memory it was

1508

01:06:41,930 --> 01:06:39,059

a very tall probably about seven foot

1509

01:06:44,329 --> 01:06:41,940

tall very tall and very thin and very

1510

01:06:47,089 --> 01:06:44,339

scary and and sometimes almost um like

1511

01:06:48,950 --> 01:06:47,099

an insect very frightening to me and I

1512

01:06:53,390 --> 01:06:48,960

find myself in this room and I was lying

1513

01:06:59,390 --> 01:06:55,430

I I don't even know how to say this he

1514

01:07:01,789 --> 01:06:59,400

started to put my legs apart they put

1515

01:07:03,529 --> 01:07:01,799

like a jock strap on your of some sort

1516

01:07:05,270 --> 01:07:03,539

with a tube attached to it and it runs

1517

01:07:07,730 --> 01:07:05,280

to a machine and they somehow extract

1518

01:07:09,289 --> 01:07:07,740

sperm I don't know how they do it

1519

01:07:13,130 --> 01:07:09,299

and this

1520

01:07:15,289 --> 01:07:13,140

female brought a baby and and she sort

1521

01:07:18,710 --> 01:07:15,299

of handed him to me

1522

01:07:21,109 --> 01:07:18,720

and I instantly said uh this baby is

1523

01:07:23,930 --> 01:07:21,119

mine I know I know he's mine she pulled

1524

01:07:26,870 --> 01:07:23,940

a baby away from me and said no this

1525

01:07:29,930 --> 01:07:26,880

baby is ours

1526

01:07:34,789 --> 01:07:29,940

five you're starting to wake up

1527

01:07:37,970 --> 01:07:34,799

for waking up three almost away two one

1528

01:07:41,029 --> 01:07:37,980

fully awake I'm glad we did that yeah we

1529

01:07:42,950 --> 01:07:41,039

didn't know those things yeah bud has

1530

01:07:46,490 --> 01:07:42,960

been looking at it for a long time and I

1531

01:07:49,069 --> 01:07:46,500

I very much like his um

1532

01:07:50,690 --> 01:07:49,079

his understanding of it and how he he

1533

01:07:53,690 --> 01:07:50,700

helps people

1534

01:07:55,730 --> 01:07:53,700

he's a good man Hopkins Reliance on

1535

01:07:58,029 --> 01:07:55,740

hypnosis to recover memories is

1536

01:08:02,089 --> 01:07:58,039

challenged by professional psychologists

1537

01:08:05,870 --> 01:08:02,099

there is no evidence that hypnosis will

1538

01:08:07,430 --> 01:08:05,880

help you retrieve memories or if it does

1539

01:08:10,069 --> 01:08:07,440

retrieve memories that the memories that

1540

01:08:12,770 --> 01:08:10,079

get retrieved are in fact accurate what

1541

01:08:13,549 --> 01:08:12,780

does happen under hypnosis is that you

1542

01:08:17,150 --> 01:08:13,559

feel

1543

01:08:19,669 --> 01:08:17,160

that the experience is real or lends

1544

01:08:21,709 --> 01:08:19,679

credibility to what's emerging but most

1545

01:08:24,050 --> 01:08:21,719

likely what you're what's emerging is

1546

01:08:26,749 --> 01:08:24,060

the product of fantasy and of suggestion

1547

01:08:28,849 --> 01:08:26,759

Dr Susan Clancy and other research

1548

01:08:31,430 --> 01:08:28,859

psychologists at Harvard University who

1549

01:08:34,070 --> 01:08:31,440

have worked with the abductees think

1550

01:08:38,930 --> 01:08:34,080

that a common sleep disorder can explain

1551

01:08:43,910 --> 01:08:41,930

the subjects that we interview when we

1552

01:08:46,370 --> 01:08:43,920

ask them how did this all begin

1553

01:08:48,890 --> 01:08:46,380

they described an experience that sounds

1554

01:08:50,990 --> 01:08:48,900

strikingly like sleep paralysis what

1555

01:08:52,610 --> 01:08:51,000

happens is you wake up usually it's in

1556

01:08:55,189 --> 01:08:52,620

the middle of the night and you feel

1557

01:08:55,749 --> 01:08:55,199

terrified you're paralyzed

1558

01:08:58,430 --> 01:08:55,759

um

1559

01:09:01,370 --> 01:08:58,440

overwhelmed with fear people report

1560

01:09:03,410 --> 01:09:01,380

feeling the presence of presence of

1561

01:09:05,870 --> 01:09:03,420

something in the room or you might sort

1562

01:09:06,890 --> 01:09:05,880

of see shapes or lights it's a very

1563

01:09:08,990 --> 01:09:06,900

common

1564

01:09:10,729 --> 01:09:09,000

experience what happens in one of these

1565

01:09:12,829 --> 01:09:10,739

episodes is that a person is emerging

1566

01:09:14,450 --> 01:09:12,839

from rapid eye movement sleep REM sleep

1567

01:09:16,010 --> 01:09:14,460

the stage of sleep when we do most of

1568

01:09:18,229 --> 01:09:16,020

our dreaming

1569

01:09:20,150 --> 01:09:18,239

when we are in REM sleep our entire body

1570

01:09:22,610 --> 01:09:20,160

is paralyzed it's probably a good thing

1571

01:09:24,169 --> 01:09:22,620

otherwise you act out our dreams

1572

01:09:25,189 --> 01:09:24,179

but in one of these episodes what

1573

01:09:27,229 --> 01:09:25,199

happens

1574

01:09:29,209 --> 01:09:27,239

is it the person's eyes can open they

1575

01:09:30,890 --> 01:09:29,219

can see their bedroom they're awake

1576

01:09:32,870 --> 01:09:30,900

they're conscious and they're also aware

1577

01:09:34,669 --> 01:09:32,880

that they're totally paralyzed

1578

01:09:36,470 --> 01:09:34,679

and suddenly they feel tingling

1579

01:09:38,390 --> 01:09:36,480

Sensations coursing through their body

1580

01:09:40,849 --> 01:09:38,400

they'll see lights flashing sounds

1581

01:09:42,650 --> 01:09:40,859

buzzing and feel a sense of presence in

1582

01:09:44,090 --> 01:09:42,660

the bedroom

1583

01:09:46,189 --> 01:09:44,100

if you don't know what this is can be

1584

01:09:47,870 --> 01:09:46,199

very frightening experience

1585

01:09:49,010 --> 01:09:47,880

these sorts of episodes have been

1586

01:09:50,930 --> 01:09:49,020

reported throughout history and

1587

01:09:52,490 --> 01:09:50,940

throughout cultures the incubi the

1588

01:09:55,010 --> 01:09:52,500

succubi the demons that used to visit

1589

01:09:57,110 --> 01:09:55,020

people in the Middle Ages but on our

1590

01:10:02,630 --> 01:09:57,120

subjects these visitors in the bedroom

1591

01:10:06,590 --> 01:10:05,030

and finally these individuals are

1592

01:10:08,990 --> 01:10:06,600

subjects will often go to

1593

01:10:11,330 --> 01:10:09,000

hypnotherapists often who are believe in

1594

01:10:13,010 --> 01:10:11,340

such things and will then hypnotize them

1595

01:10:14,810 --> 01:10:13,020

and do so-called regression sessions

1596

01:10:16,790 --> 01:10:14,820

we'll take the person back to the moment

1597

01:10:18,890 --> 01:10:16,800

where they are paralyzed in bed and try

1598

01:10:20,270 --> 01:10:18,900

to find out what happened next at that

1599

01:10:22,430 --> 01:10:20,280

point you get these quote-unquote

1600

01:10:24,830 --> 01:10:22,440

memories emerging of being taken out of

1601

01:10:27,169 --> 01:10:24,840

the bedroom through the window up into a

1602

01:10:28,850 --> 01:10:27,179

spaceship being experimented upon by

1603

01:10:30,290 --> 01:10:28,860

these alien beings participating in

1604

01:10:33,410 --> 01:10:30,300

hybrid breeding and all sorts of other

1605

01:10:36,130 --> 01:10:33,420

exotic adventures and so at this point

1606

01:10:39,410 --> 01:10:36,140

you've got yourself an alien abductee

1607

01:10:41,510 --> 01:10:39,420

the abductees reject any psychological

1608

01:10:43,570 --> 01:10:41,520

explanation they believe their

1609

01:10:46,669 --> 01:10:43,580

experiences are real

1610

01:10:47,990 --> 01:10:46,679

you know it's not some vague Apparition

1611

01:10:50,570 --> 01:10:48,000

or something

1612

01:10:51,890 --> 01:10:50,580

these guys were three-dimensionally in

1613

01:10:53,930 --> 01:10:51,900

the room with me

1614

01:10:56,450 --> 01:10:53,940

what I remember is

1615

01:10:59,450 --> 01:10:56,460

definitely real it was very real to me

1616

01:11:02,750 --> 01:10:59,460

it's real these people were moved and

1617

01:11:04,790 --> 01:11:02,760

terrified and touched by

1618

01:11:08,090 --> 01:11:04,800

their memories and what they believe

1619

01:11:11,450 --> 01:11:08,100

happened to them and uh

1620

01:11:13,430 --> 01:11:11,460

that's why they believe I think if I had

1621

01:11:15,410 --> 01:11:13,440

recovered a memory like that I'd have a

1622

01:11:17,689 --> 01:11:15,420

hard time disbelieving it too if this is

1623

01:11:20,450 --> 01:11:17,699

real it has to do with every single one

1624

01:11:22,130 --> 01:11:20,460

of us and we need to know more I mean

1625

01:11:23,330 --> 01:11:22,140

there needs to be more questions asked

1626
01:11:24,460 --> 01:11:23,340
more

1627
01:11:25,810 --> 01:11:24,470
it's important

1628
01:11:28,610 --> 01:11:25,820
[Music]

1629
01:11:31,070 --> 01:11:28,620
because there is life in the universe

1630
01:11:36,130 --> 01:11:31,080
and we're babies

1631
01:11:42,229 --> 01:11:38,930
UFOs seeing is believing will return

1632
01:11:43,430 --> 01:11:42,239
believing continues once again Peter

1633
01:11:45,470 --> 01:11:43,440
Jennings

1634
01:11:47,750 --> 01:11:45,480
did you ever wonder what a civilization

1635
01:11:49,850 --> 01:11:47,760
older than ours would look like say a

1636
01:11:52,370 --> 01:11:49,860
million years older than ours

1637
01:11:55,669 --> 01:11:52,380
the American astronomer Carl Sagan often

1638
01:11:58,189 --> 01:11:55,679

wondered and we wonder too because with

1639

01:12:00,350 --> 01:11:58,199

all this talk of aliens visiting us they

1640

01:12:01,310 --> 01:12:00,360

must have some extraordinary means of

1641

01:12:03,410 --> 01:12:01,320

travel

1642

01:12:04,850 --> 01:12:03,420

Earth may be the Cradle of mankind but

1643

01:12:07,250 --> 01:12:04,860

we haven't got very far beyond the

1644

01:12:08,209 --> 01:12:07,260

Cradle our technology just isn't up to

1645

01:12:10,669 --> 01:12:08,219

it

1646

01:12:13,790 --> 01:12:10,679

the difficulty of going from star to

1647

01:12:16,669 --> 01:12:13,800

star or of an alien spacecraft reaching

1648

01:12:19,430 --> 01:12:16,679

here is simply not to be underestimated

1649

01:12:21,709 --> 01:12:19,440

space travel is not

1650

01:12:24,580 --> 01:12:21,719

just like the movies

1651

01:12:30,970 --> 01:12:26,970

[Applause]

1652

01:12:34,910 --> 01:12:33,229

probably figures that Interstellar

1653

01:12:36,649 --> 01:12:34,920

travel is just a matter of having you

1654

01:12:38,209 --> 01:12:36,659

know dilithium crystals and Scotty down

1655

01:12:39,830 --> 01:12:38,219

in the engine room and you can do it

1656

01:12:42,229 --> 01:12:39,840

it's borderline on the simulator Captain

1657

01:12:45,709 --> 01:12:42,239

a kind of guarantee that you'll hold up

1658

01:12:49,310 --> 01:12:47,450

I don't mean to say that it's impossible

1659

01:12:50,870 --> 01:12:49,320

to do it I mean it doesn't violate the

1660

01:12:53,709 --> 01:12:50,880

laws of physics to go from one star

1661

01:12:55,910 --> 01:12:53,719

system to another but one shouldn't

1662

01:12:57,350 --> 01:12:55,920

underestimate the difficulty of doing it

1663

01:12:59,810 --> 01:12:57,360

simply because we see it done every

1664

01:13:02,930 --> 01:12:59,820

night on television to seek out new life

1665

01:13:05,930 --> 01:13:02,940

and new civilizations

1666

01:13:07,990 --> 01:13:05,940

to boldly go where no one has gone

1667

01:13:10,430 --> 01:13:08,000

before

1668

01:13:12,649 --> 01:13:10,440

it's more than just a technological

1669

01:13:16,189 --> 01:13:12,659

problem it's more than just building a

1670

01:13:19,189 --> 01:13:16,199

better rocket the distances are so vast

1671

01:13:22,250 --> 01:13:19,199

the energy requirements are so extreme

1672

01:13:25,790 --> 01:13:22,260

it would be very very difficult to

1673

01:13:30,590 --> 01:13:28,669

it is a law of science determined by

1674

01:13:33,290 --> 01:13:30,600

Einstein that nothing can travel faster

1675

01:13:36,350 --> 01:13:33,300

than the speed of light the 186 000

1676
01:13:38,810 --> 01:13:36,360
miles per second the fastest object made

1677
01:13:40,610 --> 01:13:38,820
by man ticks along at 11 miles per

1678
01:13:43,790 --> 01:13:40,620
second

1679
01:13:46,610 --> 01:13:43,800
Voyager would take 73 000 years to reach

1680
01:13:49,189 --> 01:13:46,620
the nearest star

1681
01:13:50,390 --> 01:13:49,199
scientifically we have a rule you want

1682
01:13:53,930 --> 01:13:50,400
to be alive at the end of your

1683
01:13:56,689 --> 01:13:53,940
experiment not dead so if you're gonna

1684
01:13:59,510 --> 01:13:56,699
be a part of a space Expedition you want

1685
01:14:02,590 --> 01:13:59,520
to get there faster than your lifespan I

1686
01:14:06,229 --> 01:14:02,600
think the notion of transporting people

1687
01:14:08,750 --> 01:14:06,239
as some people think to other planetary

1688
01:14:12,050 --> 01:14:08,760

systems beyond the solar our own solar

1689

01:14:16,010 --> 01:14:12,060

system is so far beyond

1690

01:14:17,810 --> 01:14:16,020

plausible reality that it's a waste of

1691

01:14:20,390 --> 01:14:17,820

time

1692

01:14:23,090 --> 01:14:20,400

and if we can't go there

1693

01:14:25,010 --> 01:14:23,100

many scientists tend to believe they

1694

01:14:27,229 --> 01:14:25,020

can't come here

1695

01:14:29,510 --> 01:14:27,239

some people slam the door on the

1696

01:14:31,970 --> 01:14:29,520

question of other civilizations visiting

1697

01:14:35,689 --> 01:14:31,980

the Earth because distances are so far

1698

01:14:38,570 --> 01:14:35,699

away I say not so fast and the final

1699

01:14:40,010 --> 01:14:38,580

death of the universe Dr Michio Kaku is

1700

01:14:42,950 --> 01:14:40,020

one of the leading theoretical

1701

01:14:44,810 --> 01:14:42,960

physicists in the world he is a

1702

01:14:47,450 --> 01:14:44,820

professor at the City University of New

1703

01:14:50,810 --> 01:14:47,460

York because Einstein's theory space and

1704

01:14:52,689 --> 01:14:50,820

time is a fabric the fundamental mistake

1705

01:14:55,130 --> 01:14:52,699

people make when thinking about

1706

01:14:57,290 --> 01:14:55,140

extraterrestrial intelligence is to

1707

01:15:00,709 --> 01:14:57,300

assume that they're just like us except

1708

01:15:04,250 --> 01:15:00,719

a few hundred years more advanced I say

1709

01:15:06,830 --> 01:15:04,260

open your mind open your Consciousness

1710

01:15:08,770 --> 01:15:06,840

to the possibility that they are a

1711

01:15:11,510 --> 01:15:08,780

million years ahead

1712

01:15:13,669 --> 01:15:11,520

a civilization that could harness the

1713

01:15:16,490 --> 01:15:13,679

power of stars might be able to find a

1714

01:15:19,010 --> 01:15:16,500

shortcut through space and time

1715

01:15:21,229 --> 01:15:19,020

Einstein said you cannot go faster than

1716

01:15:23,810 --> 01:15:21,239

the speed of light however he left a

1717

01:15:26,510 --> 01:15:23,820

loophole open

1718

01:15:28,370 --> 01:15:26,520

this is a wormhole you know in school we

1719

01:15:30,890 --> 01:15:28,380

learned that a straight line is the

1720

01:15:33,709 --> 01:15:30,900

shortest distance between two points

1721

01:15:36,290 --> 01:15:33,719

but actually that's not true you see if

1722

01:15:38,149 --> 01:15:36,300

you fold the sheet of paper and punch a

1723

01:15:40,130 --> 01:15:38,159

hole through it you begin to realize

1724

01:15:42,290 --> 01:15:40,140

that a wormhole is the shortest distance

1725

01:15:45,350 --> 01:15:42,300

between two points

1726

01:15:47,390 --> 01:15:45,360

only those civilizations millions of

1727

01:15:49,910 --> 01:15:47,400

years ahead of ours capable of

1728

01:15:52,910 --> 01:15:49,920

harnessing the power of billions of star

1729

01:15:55,189 --> 01:15:52,920

systems have the ability perhaps to open

1730

01:15:57,410 --> 01:15:55,199

gateways through space and time to

1731

01:16:00,890 --> 01:15:57,420

travel through portals to go these

1732

01:16:04,070 --> 01:16:00,900

enormous distances in a blink of an eye

1733

01:16:07,310 --> 01:16:04,080

a way perhaps for an alien vehicle to

1734

01:16:10,310 --> 01:16:07,320

bridge the vastness of space

1735

01:16:13,130 --> 01:16:10,320

you simply cannot dismiss the

1736

01:16:15,950 --> 01:16:13,140

possibility that some of these UFO

1737

01:16:18,530 --> 01:16:15,960

sightings are actually sightings from

1738

01:16:21,530 --> 01:16:18,540

some object created by an advanced

1739

01:16:24,290 --> 01:16:21,540

civilization a civilization fought out

1740

01:16:26,930 --> 01:16:24,300

in space a civilization perhaps millions

1741

01:16:31,250 --> 01:16:26,940

of years ahead of us in technology you

1742

01:16:33,770 --> 01:16:31,260

simply cannot discount that possibility

1743

01:16:37,070 --> 01:16:33,780

but I have no idea where it was from I

1744

01:16:40,130 --> 01:16:37,080

just know that it was one unidentified

1745

01:16:42,709 --> 01:16:40,140

and it was certainly flying it was it

1746

01:16:45,350 --> 01:16:42,719

was a UFO for sure my God what did we

1747

01:16:47,149 --> 01:16:45,360

just see but we saw it and when you see

1748

01:16:51,649 --> 01:16:47,159

something of that sort your life is

1749

01:16:53,270 --> 01:16:51,659

never ever the same I mean it is uh

1750

01:16:55,490 --> 01:16:53,280

like it just happened yesterday I

1751
01:16:58,370 --> 01:16:55,500
believe that the object that I saw was

1752
01:17:00,169 --> 01:16:58,380
extraterrestrial you can't even sleep

1753
01:17:02,209 --> 01:17:00,179
because you're thinking what in the

1754
01:17:04,550 --> 01:17:02,219
world was it what was it and where it

1755
01:17:05,650 --> 01:17:04,560
came from where it came from we do not

1756
01:17:06,830 --> 01:17:05,660
know

1757
01:17:09,530 --> 01:17:06,840
[Music]

1758
01:17:12,470 --> 01:17:09,540
I wish we did

1759
01:17:15,649 --> 01:17:12,480
when you look at this handful handful of

1760
01:17:18,470 --> 01:17:15,659
cases that cannot be easily dismissed

1761
01:17:20,870 --> 01:17:18,480
this is worthy this is worthy of

1762
01:17:22,850 --> 01:17:20,880
scientific investigation

1763
01:17:26,149 --> 01:17:22,860

maybe there's nothing there

1764

01:17:28,430 --> 01:17:26,159

however on that off chance that there is

1765

01:17:31,130 --> 01:17:28,440

something there that could literally

1766

01:17:36,050 --> 01:17:31,140

change the course of human history so I

1767

01:17:39,290 --> 01:17:36,060

say let this investigation begin

1768

01:17:42,050 --> 01:17:39,300

Peter Jennings reporting UFOs seeing is

1769

01:17:44,270 --> 01:17:42,060

believing will return in a moment seeing

1770

01:17:46,370 --> 01:17:44,280

is believing continues

1771

01:17:48,950 --> 01:17:46,380

we have often wondered in the course of

1772

01:17:51,050 --> 01:17:48,960

reporting on UFOs what we would do if we

1773

01:17:52,010 --> 01:17:51,060

thought we saw one who we'd share it

1774

01:17:54,050 --> 01:17:52,020

with

1775

01:17:55,910 --> 01:17:54,060

most people want to tell someone

1776

01:17:57,470 --> 01:17:55,920

today if you call the local Air Force

1777

01:17:59,810 --> 01:17:57,480

Base or even the Federal Aviation

1778

01:18:01,850 --> 01:17:59,820

Administration they will tell you they

1779

01:18:04,790 --> 01:18:01,860

don't investigate UFOs

1780

01:18:08,340 --> 01:18:04,800

but they may tell you to contact the

1781

01:18:09,470 --> 01:18:08,350

National UFO Reporting Center

1782

01:18:11,990 --> 01:18:09,480

[Music]

1783

01:18:14,030 --> 01:18:12,000

the center is in Seattle Washington it

1784

01:18:16,130 --> 01:18:14,040

is a clearing house for thousands of

1785

01:18:18,890 --> 01:18:16,140

eyewitness reports that come in every

1786

01:18:25,310 --> 01:18:22,250

the National UFO Reporting Center is

1787

01:18:27,290 --> 01:18:25,320

really one man Peter Davenport sitting

1788

01:18:28,189 --> 01:18:27,300

alone at his desk in the corner of his

1789

01:18:30,470 --> 01:18:28,199

living room

1790

01:18:33,350 --> 01:18:30,480

Davenport is the only person we met who

1791

01:18:36,550 --> 01:18:33,360

devotes himself full time to collecting

1792

01:18:40,550 --> 01:18:36,560

reports and investigating UFO sightings

1793

01:18:41,930 --> 01:18:40,560

this is the heart of the National UFO

1794

01:18:46,970 --> 01:18:41,940

Reporting Center

1795

01:18:49,870 --> 01:18:46,980

a telephone my trusty tape recorder a

1796

01:18:52,550 --> 01:18:49,880

spare tape recorder if I need it

1797

01:18:55,370 --> 01:18:52,560

reference materials with regard to

1798

01:18:57,950 --> 01:18:55,380

aircraft in a website that is UFO

1799

01:19:01,430 --> 01:18:57,960

Central if you will to coin a term

1800

01:19:04,750 --> 01:19:01,440

and as modest a facility physically

1801
01:19:08,270 --> 01:19:04,760
speak as modest as it is we nevertheless

1802
01:19:10,310 --> 01:19:08,280
can collect a lot of information a lot

1803
01:19:12,470 --> 01:19:10,320
of information from eyewitnesses to add

1804
01:19:14,649 --> 01:19:12,480
to the already enormous record of

1805
01:19:18,229 --> 01:19:14,659
sightings going back more than 50 years

1806
01:19:20,390 --> 01:19:18,239
data that science ignores

1807
01:19:23,870 --> 01:19:20,400
the proper stance is one of skepticism

1808
01:19:25,790 --> 01:19:23,880
because what we ufologists are saying is

1809
01:19:28,610 --> 01:19:25,800
that the planet Earth is being visited

1810
01:19:30,850 --> 01:19:28,620
on a regular basis perhaps on a daily

1811
01:19:34,729 --> 01:19:30,860
basis there goes that line

1812
01:19:36,709 --> 01:19:34,739
[Music]

1813
01:19:43,729 --> 01:19:36,719

National UFO Reporting Center good

1814

01:19:50,510 --> 01:19:47,149

I'm outside my backyard I saw an object

1815

01:19:53,330 --> 01:19:50,520

move from east to west

1816

01:19:55,669 --> 01:19:53,340

how long did you see it please about 10

1817

01:19:57,590 --> 01:19:55,679

seconds 10 seconds National UFO

1818

01:20:01,430 --> 01:19:57,600

Reporting Center good evening white is

1819

01:20:05,950 --> 01:20:01,440

like a oh yeah a big ball of white light

1820

01:20:10,490 --> 01:20:08,689

it's very bright lights and I thought

1821

01:20:14,870 --> 01:20:10,500

probably someone was looking out the

1822

01:20:16,550 --> 01:20:14,880

windows okay no noise I'm gonna guess it

1823

01:20:19,330 --> 01:20:16,560

was going a thousand miles an hour or

1824

01:20:24,590 --> 01:20:22,370

more than 50 years after Kenneth Arnold

1825

01:20:27,470 --> 01:20:24,600

saw the first flying saucers it is left

1826

01:20:30,169 --> 01:20:27,480

to Peter Davenport and only a few others

1827

01:20:31,390 --> 01:20:30,179

to investigate this mystery it changed

1828

01:20:34,130 --> 01:20:31,400

directions

1829

01:20:36,169 --> 01:20:34,140

twice every day seven days a week

1830

01:20:38,330 --> 01:20:36,179

Davenport talks to people sometimes

1831

01:20:41,750 --> 01:20:38,340

dozens of people who have seen an object

1832

01:20:45,850 --> 01:20:41,760

in the sky people for whom seeing is now

1833

01:20:51,130 --> 01:20:45,860

believing thank you very much good night

1834

01:20:58,510 --> 01:20:53,990

we're still hoping to find that Golden

1835

01:21:01,130 --> 01:20:58,520

Nugget that will make our position

1836

01:21:03,470 --> 01:21:01,140

incontrovertible namely the fact that it

1837

01:21:07,250 --> 01:21:03,480

appears that these things that we call

1838

01:21:10,250 --> 01:21:07,260

UFOs are visiting the planet Earth

1839
