

# CONFIRMATION

THE  
HARD EVIDENCE  
OF

ALIENS  
AMONG US?

1  
00:00:06,230 --> 00:00:03,710  
welcome travel back in time with us

2  
00:00:15,250 --> 00:00:06,240  
right now for rare UFO content

3  
00:00:21,050 --> 00:00:18,290  
Among Us and contains eyewitness claims

4  
00:00:23,269 --> 00:00:21,060  
of UFOs and alien beings whenever

5  
00:00:25,609 --> 00:00:23,279  
possible actual footage is used to

6  
00:00:31,609 --> 00:00:25,619  
present these stories in other cases

7  
00:00:35,030 --> 00:00:34,190  
it's just after midnight on a late fall

8  
00:00:37,130 --> 00:00:35,040  
evening

9  
00:00:39,110 --> 00:00:37,140  
police Sergeant Toby Milano is

10  
00:00:41,750 --> 00:00:39,120  
responding to a report of a strange

11  
00:00:46,549 --> 00:00:41,760  
light in the night sky

12  
00:00:48,190 --> 00:00:46,559  
suddenly his car mysteriously shuts down

13  
00:00:57,170 --> 00:00:48,200

what happened next

14

00:01:02,330 --> 00:00:59,869  
a spacecraft From Another World secretly

15

00:01:04,789 --> 00:01:02,340  
visiting the Earth

16

00:01:07,010 --> 00:01:04,799  
the thousands being kidnapped by an

17

00:01:09,590 --> 00:01:07,020  
alien species and subjected to

18

00:01:12,109 --> 00:01:09,600  
horrifying experiments

19

00:01:15,289 --> 00:01:12,119  
outrageous claims

20

00:01:17,990 --> 00:01:15,299  
or could they possibly be true

21

00:01:20,690 --> 00:01:18,000  
good evening I'm Robert Savi

22

00:01:23,030 --> 00:01:20,700  
tonight we'll search for confirmation

23

00:01:25,070 --> 00:01:23,040  
the hard evidence of an extraterrestrial

24

00:01:28,190 --> 00:01:25,080  
visitation

25

00:01:32,090 --> 00:01:28,200  
we'll seek the answer to the question

26

00:01:36,109 --> 00:01:33,289

tonight

27

00:01:37,789 --> 00:01:36,119

startling footage of UFO but is it for

28

00:01:40,670 --> 00:01:37,799

real there has to be something

29

00:01:42,530 --> 00:01:40,680

incredible this UFO was filmed from the

30

00:01:44,990 --> 00:01:42,540

space shuttle the technology we're

31

00:01:46,670 --> 00:01:45,000

looking at is quantum leaves beyond

32

00:01:48,469 --> 00:01:46,680

anything we have on the Earth

33

00:01:51,410 --> 00:01:48,479

these people say they've been abducted

34

00:01:54,050 --> 00:01:51,420

by aliens they were tall they were very

35

00:01:56,270 --> 00:01:54,060

thin huge eyes and that horrible things

36

00:01:59,090 --> 00:01:56,280

were done to their bodies a probe was

37

00:02:01,690 --> 00:01:59,100

put up my right nostril I was terrified

38

00:02:05,090 --> 00:02:01,700

when did the UFO phenomenon begin

39

00:02:07,850 --> 00:02:05,100

Roswell New Mexico is still the mother

40

00:02:10,070 --> 00:02:07,860

of all UFO's stories but is our

41

00:02:12,949 --> 00:02:10,080

government telling us the truth the Army

42

00:02:15,949 --> 00:02:12,959

said it was a flying saucer is there a

43

00:02:18,410 --> 00:02:15,959

cover-up of UFOs this teenager says he's

44

00:02:20,510 --> 00:02:18,420

got proof I found reports going all the

45

00:02:22,490 --> 00:02:20,520

way through the 1990s and he's posting

46

00:02:23,869 --> 00:02:22,500

this evidence on the internet there's

47

00:02:26,630 --> 00:02:23,879

something there that the government

48

00:02:29,270 --> 00:02:26,640

doesn't want us to see does this man

49

00:02:31,850 --> 00:02:29,280

have an alien implant I don't want that

50

00:02:34,430 --> 00:02:31,860

thing in me if I didn't give them

51  
00:02:37,070 --> 00:02:34,440  
permission put it in doctors are shocked

52  
00:02:39,530 --> 00:02:37,080  
by what they find this fast life has

53  
00:02:43,130 --> 00:02:39,540  
been a nightmare of alien abductions why

54  
00:02:43,140 --> 00:02:46,850  
of our dark future

55  
00:02:52,190 --> 00:02:49,369  
for the first time on television the

56  
00:02:55,270 --> 00:02:52,200  
most credible recent UFO site recorded

57  
00:02:57,970 --> 00:02:55,280  
by over a dozen policemen this is weird

58  
00:03:01,070 --> 00:02:57,980  
oh my God I hope that's a plan

59  
00:03:04,729 --> 00:03:01,080  
please be Appliance oh please

60  
00:03:07,729 --> 00:03:04,739  
our UFOs real do aliens exist

61  
00:03:09,530 --> 00:03:07,739  
tonight join me as we explore

62  
00:03:10,030 --> 00:03:09,540  
one of the greatest mysteries of our

63  
00:03:22,550 --> 00:03:10,040

time

64

00:03:41,320 --> 00:03:24,490

thank you

65

00:03:46,630 --> 00:03:44,710

[Music]

66

00:03:50,570 --> 00:03:46,640

UFOs

67

00:03:54,289 --> 00:03:50,580

unidentified flying objects

68

00:03:57,170 --> 00:03:54,299

are they actually alien spacecraft

69

00:04:00,470 --> 00:03:57,180

or as many claim events of Nature and

70

00:04:04,570 --> 00:04:02,449

discover the truths we must examine the

71

00:04:06,350 --> 00:04:04,580

evidence

72

00:04:09,110 --> 00:04:06,360

[Music]

73

00:04:13,850 --> 00:04:09,120

in the last 50 years literally thousands

74

00:04:18,069 --> 00:04:15,710

and recently home video cameras have

75

00:04:20,910 --> 00:04:18,079

captured many more on video

76  
00:04:22,909 --> 00:04:20,920  
many of these UFOs are breathtaking

77  
00:04:24,110 --> 00:04:22,919  
[Music]

78  
00:04:27,350 --> 00:04:24,120  
others

79  
00:04:29,210 --> 00:04:27,360  
are just bizarre

80  
00:04:31,490 --> 00:04:29,220  
two of the more remarkable images

81  
00:04:34,310 --> 00:04:31,500  
include a controversial new video that

82  
00:04:37,550 --> 00:04:34,320  
many call a hoax and a decades-old

83  
00:04:38,629 --> 00:04:37,560  
photograph that to this day no one can

84  
00:04:41,030 --> 00:04:38,639  
disprove

85  
00:04:43,430 --> 00:04:41,040  
we begin with a look at the most recent

86  
00:04:45,010 --> 00:04:43,440  
hotspot of UFO activity

87  
00:04:50,930 --> 00:04:45,020  
Mexico

88  
00:04:54,110 --> 00:04:50,940

the hottest areas for UFOs in the world

89

00:04:56,810 --> 00:04:54,120

today and the phenomenon of the Mexico

90

00:04:58,990 --> 00:04:56,820

City UFOs is really a phenomenon driven

91

00:05:01,670 --> 00:04:59,000

by videotape

92

00:05:04,790 --> 00:05:01,680

no one knows more about this phenomenon

93

00:05:07,310 --> 00:05:04,800

than Jaime masan director and host of

94

00:05:10,270 --> 00:05:07,320

third millennium a popular TV show in

95

00:05:13,249 --> 00:05:10,280

Mexico that deals with the Unexplained

96

00:05:15,490 --> 00:05:13,259

every week message footage shot by his

97

00:05:17,990 --> 00:05:15,500

viewers with their own cameras

98

00:05:20,390 --> 00:05:18,000

[Music]

99

00:05:22,909 --> 00:05:20,400

the type of UFO captured again and again

100

00:05:25,249 --> 00:05:22,919

has masan convinced that something

101

00:05:29,290 --> 00:05:25,259

unearthly is going on

102

00:05:32,029 --> 00:05:29,300

the first event it happened on July 11

103

00:05:35,390 --> 00:05:32,039

1991. many people in different cities

104

00:05:36,950 --> 00:05:35,400

saw UFOs and some of them were able to

105

00:05:39,310 --> 00:05:36,960

record it

106

00:05:43,370 --> 00:05:39,320

and this is what they caught on video

107

00:05:45,350 --> 00:05:43,380

numerous shiny apparently metallic discs

108

00:05:46,909 --> 00:05:45,360

some have called these UFOs the planet

109

00:05:50,029 --> 00:05:46,919

Venus

110

00:05:52,490 --> 00:05:50,039

but that doesn't explain this phenomenon

111

00:05:57,350 --> 00:05:52,500

we have these objects making a formation

112

00:06:00,409 --> 00:05:57,360

with more than 20 30 50 100 or probably

113

00:06:02,090 --> 00:06:00,419

more than a hundred UFOs they get

114

00:06:04,249 --> 00:06:02,100

together they separate they make a

115

00:06:06,710 --> 00:06:04,259

figure here another figure there very

116

00:06:09,350 --> 00:06:06,720

difficult to explain I don't know what

117

00:06:12,070 --> 00:06:09,360

they are but they could be signs in the

118

00:06:16,550 --> 00:06:14,689

but all of these sightings pale in

119

00:06:20,090 --> 00:06:16,560

comparison to video footage massan

120

00:06:22,010 --> 00:06:20,100

received anonymously in 1997.

121

00:06:24,350 --> 00:06:22,020

the mysterious tape that would Place him

122

00:06:26,029 --> 00:06:24,360

directly at the center of an explosive

123

00:06:28,610 --> 00:06:26,039

UFO controversy

124

00:06:32,450 --> 00:06:28,620

they were able to record these 21

125

00:06:36,290 --> 00:06:32,460

seconds of this object hovering behind

126  
00:06:38,090 --> 00:06:36,300  
the buildings what you're seeing now is

127  
00:06:41,210 --> 00:06:38,100  
that Anonymous video

128  
00:06:44,029 --> 00:06:41,220  
we presented unedited and without any

129  
00:06:47,029 --> 00:06:44,039  
visual enhancement the object resembles

130  
00:06:49,670 --> 00:06:47,039  
a stereotypical Flying Saucer

131  
00:06:52,430 --> 00:06:49,680  
what makes the UFO so striking is its

132  
00:06:54,890 --> 00:06:52,440  
movement darting Behind these high rises

133  
00:06:57,770 --> 00:06:54,900  
suggesting that its size is over 50 feet

134  
00:06:59,809 --> 00:06:57,780  
in diameter but is this footage for real

135  
00:07:02,330 --> 00:06:59,819  
I thought was a host

136  
00:07:05,029 --> 00:07:02,340  
I haven't seen anything so real so clear

137  
00:07:06,890 --> 00:07:05,039  
so close and then I said no this is not

138  
00:07:09,770 --> 00:07:06,900

a house there has to be something

139

00:07:12,650 --> 00:07:09,780

incredible the obvious question arises

140

00:07:14,689 --> 00:07:12,660

were there any Witnesses many did come

141

00:07:18,409 --> 00:07:14,699

forward after the footage was aired on

142

00:07:21,830 --> 00:07:18,419

massage program even so masan claims one

143

00:07:25,189 --> 00:07:21,840

is credible a little gear her name is

144

00:07:29,890 --> 00:07:25,199

Cassandra she didn't see the video and

145

00:07:35,330 --> 00:07:32,990

it was a huge object going around and

146

00:07:38,749 --> 00:07:35,340

around I never seen anything like this

147

00:07:41,510 --> 00:07:38,759

before it was gray and metallic I felt

148

00:07:45,770 --> 00:07:41,520

very tense yesterday we presented a

149

00:07:50,990 --> 00:07:48,230

there is a group of more than 100 people

150

00:07:52,730 --> 00:07:51,000

who don't want to come into camera in

151  
00:07:55,790 --> 00:07:52,740  
front of the public but they say we saw

152  
00:07:58,189 --> 00:07:55,800  
it if this is a host it's a masterpiece

153  
00:08:01,790 --> 00:07:58,199  
it is potentially very strong evidence

154  
00:08:06,670 --> 00:08:01,800  
of something very curious and one has to

155  
00:08:11,510 --> 00:08:09,350  
we asked that very question to renowned

156  
00:08:13,370 --> 00:08:11,520  
skeptic Philip Glass

157  
00:08:15,469 --> 00:08:13,380  
the author of numerous articles and

158  
00:08:17,150 --> 00:08:15,479  
books on the UFO controversy

159  
00:08:19,850 --> 00:08:17,160  
and an aggressive debunker of any

160  
00:08:21,830 --> 00:08:19,860  
purported evidence of aliens Among Us

161  
00:08:24,830 --> 00:08:21,840  
class is not afraid to confront anyone

162  
00:08:33,769 --> 00:08:30,409  
in 32 years I have never encountered a

163  
00:08:37,909 --> 00:08:33,779

single case that could not be explained

164

00:08:39,649 --> 00:08:37,919

in down to earth prosaic terms what does

165

00:08:43,209 --> 00:08:39,659

he think of the mysterious discs

166

00:08:47,210 --> 00:08:43,219

videotaped all over Mexico these are

167

00:08:51,530 --> 00:08:47,220

helium-filled mylar balloons

168

00:08:53,150 --> 00:08:51,540

which are sold in Mexico they are very

169

00:08:55,310 --> 00:08:53,160

popular

170

00:08:58,790 --> 00:08:55,320

and what about the anonymous flying

171

00:09:02,750 --> 00:08:58,800

salsa footage almost certainly Beyond

172

00:09:04,790 --> 00:09:02,760

any doubt in my mind this was a hoax

173

00:09:05,990 --> 00:09:04,800

when I first saw this I said wow you

174

00:09:07,970 --> 00:09:06,000

know maybe there's really something here

175

00:09:08,930 --> 00:09:07,980

but on closer examination it doesn't

176

00:09:11,810 --> 00:09:08,940

make it

177

00:09:14,030 --> 00:09:11,820

visual effects artist Dennis Muran has

178

00:09:16,850 --> 00:09:14,040

won eight Academy Awards for his work on

179

00:09:19,490 --> 00:09:16,860

such films as Star Wars and Jurassic

180

00:09:20,870 --> 00:09:19,500

Park I just adjusted the contrast a bit

181

00:09:22,790 --> 00:09:20,880

on it to bring the contrast up and

182

00:09:24,470 --> 00:09:22,800

brighten the scene up a bit and it looks

183

00:09:26,750 --> 00:09:24,480

like the line underneath the saucer here

184

00:09:28,790 --> 00:09:26,760

might be continuing on through the

185

00:09:30,470 --> 00:09:28,800

building I think what we're seeing here

186

00:09:33,410 --> 00:09:30,480

is actually a Composites two separate

187

00:09:35,509 --> 00:09:33,420

scenes here at industrial Light and

188

00:09:36,889 --> 00:09:35,519

Magic Hollywood's leading special

189

00:09:39,230 --> 00:09:36,899

effects company

190

00:09:41,570 --> 00:09:39,240

creating a shot like this is about as

191

00:09:45,170 --> 00:09:41,580

easy as it gets all you need is the

192

00:09:46,790 --> 00:09:45,180

right software for example we have a

193

00:09:50,389 --> 00:09:46,800

shot here that we did for a commercial

194

00:09:52,610 --> 00:09:50,399

the original element of the skier looks

195

00:09:54,350 --> 00:09:52,620

like this but the environment that we

196

00:09:57,050 --> 00:09:54,360

want to put him into

197

00:09:59,449 --> 00:09:57,060

is here we have the ability to flip the

198

00:10:03,050 --> 00:09:59,459

two together so in the context of the

199

00:10:05,030 --> 00:10:03,060

UFO footage we can put him behind the

200

00:10:09,350 --> 00:10:05,040

rock the way the UFO goes behind the

201  
00:10:10,970 --> 00:10:09,360  
building we can zoom the camera to pull

202  
00:10:13,730 --> 00:10:10,980  
the eye into thinking that it was shot

203  
00:10:16,310 --> 00:10:13,740  
at one time and we can do both at the

204  
00:10:19,009 --> 00:10:16,320  
same time to add up to the impression

205  
00:10:21,350 --> 00:10:19,019  
that it was shot and it's real when in

206  
00:10:23,509 --> 00:10:21,360  
reality it's it's not real seeing isn't

207  
00:10:26,750 --> 00:10:23,519  
believing

208  
00:10:28,850 --> 00:10:26,760  
who is going to invest eight ten

209  
00:10:31,310 --> 00:10:28,860  
thousand twenty thousand dollars into

210  
00:10:34,490 --> 00:10:31,320  
produce something like this just for a

211  
00:10:36,410 --> 00:10:34,500  
job actually it wouldn't cost that much

212  
00:10:38,030 --> 00:10:36,420  
when we were doing the Star Wars films

213  
00:10:39,949 --> 00:10:38,040

for example and all the way up to the

214

00:10:41,750 --> 00:10:39,959

1980s to put

215

00:10:42,769 --> 00:10:41,760

say a flying saucer like this or a

216

00:10:44,990 --> 00:10:42,779

spaceship in front of the background

217

00:10:46,910 --> 00:10:45,000

would take you know two or three hundred

218

00:10:49,910 --> 00:10:46,920

thousand dollars worth of equipment and

219

00:10:52,250 --> 00:10:49,920

uh a dozen highly specialized talented

220

00:10:53,690 --> 00:10:52,260

people who spent decades learning how to

221

00:10:57,829 --> 00:10:53,700

do their skill

222

00:11:00,769 --> 00:10:57,839

now one or two people on a desktop can

223

00:11:05,509 --> 00:11:00,779

do that with a Mac or a PC and turn out

224

00:11:11,509 --> 00:11:07,670

we've proven that any new video like

225

00:11:13,790 --> 00:11:11,519

this can easily be faked ironically the

226

00:11:16,610 --> 00:11:13,800

most convincing evidence of a UFO may be

227

00:11:18,350 --> 00:11:16,620

photographs from nearly 50 years ago a

228

00:11:22,310 --> 00:11:18,360

time when computers that could alter or

229

00:11:26,090 --> 00:11:22,320

create images were merely a fantasy

230

00:11:28,790 --> 00:11:26,100

these two shots taken in 1951. are the

231

00:11:31,310 --> 00:11:28,800

most widely disputed but never disproven

232

00:11:33,230 --> 00:11:31,320

photographic evidence of a UFO

233

00:11:35,569 --> 00:11:33,240

the photographs of course obviously have

234

00:11:37,009 --> 00:11:35,579

all kinds of implications that these

235

00:11:40,670 --> 00:11:37,019

photographs are real

236

00:11:42,949 --> 00:11:40,680

then UFOs must be real

237

00:11:45,769 --> 00:11:42,959

for a conclusive analysis of these

238

00:11:47,690 --> 00:11:45,779

remarkable photos we obtain the original

239

00:11:49,069 --> 00:11:47,700

negatives and brought them to the Brooks

240

00:11:50,150 --> 00:11:49,079

Institute of Photography in Santa

241

00:11:52,250 --> 00:11:50,160

Barbara

242

00:11:53,930 --> 00:11:52,260

renowned for its definitive study of the

243

00:11:55,850 --> 00:11:53,940

Shroud of Turin

244

00:11:58,190 --> 00:11:55,860

by using the most sophisticated computer

245

00:11:59,389 --> 00:11:58,200

software available on the original

246

00:12:01,370 --> 00:11:59,399

negatives

247

00:12:02,690 --> 00:12:01,380

they were able to literally take these

248

00:12:06,470 --> 00:12:02,700

photos apart

249

00:12:08,990 --> 00:12:06,480

piece by piece I can come in on it

250

00:12:10,670 --> 00:12:09,000

and see if there's any mismatch in the

251

00:12:13,370 --> 00:12:10,680

grain pattern the grain structure

252

00:12:15,590 --> 00:12:13,380

anything that's an obvious tip-off as to

253

00:12:18,470 --> 00:12:15,600

this being a fake there's some sort of

254

00:12:22,850 --> 00:12:20,630

the photos were taken by Paul and Evelyn

255

00:12:24,889 --> 00:12:22,860

Trent a young farming couple from

256

00:12:26,630 --> 00:12:24,899

McMinnville Oregon

257

00:12:29,329 --> 00:12:26,640

could they have pulled off such a

258

00:12:30,889 --> 00:12:29,339

convincing fraud the trends were not the

259

00:12:32,870 --> 00:12:30,899

sort of people that you would

260

00:12:34,930 --> 00:12:32,880

leaped the conclusion they were hoaxers

261

00:12:37,430 --> 00:12:34,940

they had no Anderson UFOs they weren't

262

00:12:40,550 --> 00:12:37,440

imaginative people they were Farm people

263

00:12:42,769 --> 00:12:40,560

to Skeptics like Philip Glass the trend

264

00:12:46,030 --> 00:12:42,779

photos would be easy to fake

265

00:12:49,730 --> 00:12:46,040

and are easy to explain the photograph

266

00:12:54,129 --> 00:12:49,740

almost certainly shows something like a

267

00:12:57,530 --> 00:12:54,139

hubcap suspended from Electric wires

268

00:13:01,310 --> 00:12:57,540

that connected the house and their

269

00:13:07,190 --> 00:13:04,370

but the experts saw no evidence of this

270

00:13:09,829 --> 00:13:07,200

anywhere in the photographs there's no

271

00:13:13,129 --> 00:13:09,839

sign no hint of anything suspending the

272

00:13:15,230 --> 00:13:13,139

object a thread a wire

273

00:13:18,410 --> 00:13:15,240

I just don't see any threads or any

274

00:13:24,889 --> 00:13:21,710

if it wasn't a hubcap suspended by wires

275

00:13:27,590 --> 00:13:24,899

was it simply a model thrown in the air

276

00:13:29,690 --> 00:13:27,600

not according to the analysis in fact

277

00:13:32,269 --> 00:13:29,700

the UFO itself offered the most

278

00:13:34,009 --> 00:13:32,279

convincing evidence I think if it were a

279

00:13:36,110 --> 00:13:34,019

item very close to the camera it would

280

00:13:38,329 --> 00:13:36,120

have a much darker underneath on that

281

00:13:40,670 --> 00:13:38,339

one photograph there'd probably be more

282

00:13:43,310 --> 00:13:40,680

evidence of some sort of texture surface

283

00:13:45,530 --> 00:13:43,320

detail when in fact there is not

284

00:13:47,990 --> 00:13:45,540

so for that reason I'm convinced that it

285

00:13:49,970 --> 00:13:48,000

is a distance away from the camera how

286

00:13:52,069 --> 00:13:49,980

much of a distance according to the

287

00:13:53,750 --> 00:13:52,079

Brooks Institute it's likely that this

288

00:13:56,150 --> 00:13:53,760

object was thousands of feet from the

289

00:14:02,030 --> 00:13:56,160

camera that calculation would make the

290

00:14:05,990 --> 00:14:04,250

we have a hoax further in doubt is the

291

00:14:08,449 --> 00:14:06,000

fact that the trends never profited from

292

00:14:09,769 --> 00:14:08,459

taking these pictures

293

00:14:12,889 --> 00:14:09,779

even so

294

00:14:15,410 --> 00:14:12,899

Philip class is not convinced why would

295

00:14:19,009 --> 00:14:15,420

they do this

296

00:14:21,040 --> 00:14:19,019

to achieve fame to see if they could

297

00:14:22,370 --> 00:14:21,050

fool the experts

298

00:14:24,590 --> 00:14:22,380

[Music]

299

00:14:27,170 --> 00:14:24,600

this was in fact with the transfer after

300

00:14:28,790 --> 00:14:27,180

if they actually did fake these famous

301  
00:14:30,769 --> 00:14:28,800  
photos

302  
00:14:31,910 --> 00:14:30,779  
then they somehow did a better job 50

303  
00:14:33,949 --> 00:14:31,920  
years ago

304  
00:14:35,150 --> 00:14:33,959  
than the sophisticated computers of

305  
00:14:37,310 --> 00:14:35,160  
today

306  
00:14:39,470 --> 00:14:37,320  
as it stands these two famous

307  
00:14:43,380 --> 00:14:39,480  
photographs cannot be debunked by the

308  
00:14:46,250 --> 00:14:43,390  
experts and they remain unexplained

309  
00:14:48,050 --> 00:14:46,260  
[Music]

310  
00:14:50,150 --> 00:14:48,060  
if you think the most convincing

311  
00:14:53,150 --> 00:14:50,160  
photographic evidence of unidentified

312  
00:14:54,710 --> 00:14:53,160  
flying objects has been documented here

313  
00:14:56,810 --> 00:14:54,720

on Earth

314

00:14:59,090 --> 00:14:56,820

you may be wrong

315

00:15:00,829 --> 00:14:59,100

recently UFOs have been analyzed from a

316

00:15:06,650 --> 00:15:00,839

startling new

317

00:15:06,660 --> 00:15:14,090

and liftoff of space shuttle

318

00:15:19,430 --> 00:15:15,790

d

319

00:15:21,650 --> 00:15:19,440

space we're better to look for alien

320

00:15:24,410 --> 00:15:21,660

craft visiting our planet

321

00:15:26,509 --> 00:15:24,420

in September of 1991 the Space Shuttle

322

00:15:30,590 --> 00:15:26,519

Discovery captured an unidentified

323

00:15:35,090 --> 00:15:32,629

what you're seeing now is actual footage

324

00:15:36,710 --> 00:15:35,100

shot by NASA cameras from that shuttle

325

00:15:39,110 --> 00:15:36,720

mission

326

00:15:41,030 --> 00:15:39,120

watch the top of your screen

327

00:15:43,189 --> 00:15:41,040

note the object that moves from right to

328

00:15:45,590 --> 00:15:43,199

left

329

00:15:48,470 --> 00:15:45,600

two mysterious flashes and it makes an

330

00:15:51,590 --> 00:15:48,480

immediate 135 degree turn and

331

00:15:56,210 --> 00:15:53,930

this is followed by a strange streak of

332

00:15:58,730 --> 00:15:56,220

Light which seems to narrowly miss the

333

00:16:00,470 --> 00:15:58,740

unknown object

334

00:16:02,810 --> 00:16:00,480

this dramatic footage has been in

335

00:16:05,629 --> 00:16:02,820

dispute since it was shot

336

00:16:08,030 --> 00:16:05,639

I studied it extensively over maybe a

337

00:16:10,550 --> 00:16:08,040

two-year period at least

338

00:16:12,710 --> 00:16:10,560

University of Nebraska physicist Jack

339

00:16:14,389 --> 00:16:12,720

Kasha worked for nearly 10 years in the

340

00:16:17,870 --> 00:16:14,399

research and development of a Star Wars

341

00:16:20,150 --> 00:16:17,880

defense system for the upper atmosphere

342

00:16:21,949 --> 00:16:20,160

his quantitative analysis of the NASA

343

00:16:25,129 --> 00:16:21,959

footage concludes

344

00:16:26,689 --> 00:16:25,139

that the UFO cannot be explained as a

345

00:16:29,090 --> 00:16:26,699

natural phenomenon

346

00:16:31,189 --> 00:16:29,100

clearly above the atmosphere and air

347

00:16:34,610 --> 00:16:31,199

glow of the earth it Maneuvers it

348

00:16:36,710 --> 00:16:34,620

changes Direction it accelerates and so

349

00:16:39,710 --> 00:16:36,720

the only thing really left is spacecraft

350

00:16:41,990 --> 00:16:39,720

others think this object is simply a

351

00:16:43,430 --> 00:16:42,000

small ice particle floating a few feet

352

00:16:45,949 --> 00:16:43,440

from the shuttle

353

00:16:47,329 --> 00:16:45,959

ice particles are a common waste product

354

00:16:49,009 --> 00:16:47,339

of the numerous shuttles that have

355

00:16:51,650 --> 00:16:49,019

orbited Earth

356

00:16:54,350 --> 00:16:51,660

but Kasha is convinced NASA has recorded

357

00:16:58,069 --> 00:16:54,360

strong evidence of a large intelligently

358

00:16:59,629 --> 00:16:58,079

controlled alien space vehicle

359

00:17:01,550 --> 00:16:59,639

one of the very strange things that

360

00:17:03,949 --> 00:17:01,560

happens is that the main object actually

361

00:17:06,230 --> 00:17:03,959

stops and sits there for half a second

362

00:17:08,809 --> 00:17:06,240

before it accelerates back up to the

363

00:17:11,150 --> 00:17:08,819

right a nice particle could not do that

364

00:17:13,010 --> 00:17:11,160

if they're not ice particles you don't

365

00:17:14,990 --> 00:17:13,020

have too many other options they're not

366

00:17:17,210 --> 00:17:15,000

space junk they're not satellites

367

00:17:19,069 --> 00:17:17,220

they're not meteors because those

368

00:17:20,530 --> 00:17:19,079

objects don't change direction there's

369

00:17:23,750 --> 00:17:20,540

never been anything that I've

370

00:17:25,250 --> 00:17:23,760

experienced that gave me any cause to

371

00:17:26,329 --> 00:17:25,260

consider that there might be other life

372

00:17:29,390 --> 00:17:26,339

forms

373

00:17:31,850 --> 00:17:29,400

Apollo 11 astronaut Buzz Aldrin the

374

00:17:33,110 --> 00:17:31,860

second man to walk on the moon has a

375

00:17:35,090 --> 00:17:33,120

different opinion

376

00:17:37,789 --> 00:17:35,100

I mean the sky is filled with moving

377

00:17:40,370 --> 00:17:37,799

objects here do I think that they are

378

00:17:42,830 --> 00:17:40,380

that that is credible evidence no way

379

00:17:45,169 --> 00:17:42,840

you got to have much more confirming it

380

00:17:47,750 --> 00:17:45,179

that doesn't impress me very much

381

00:17:48,950 --> 00:17:47,760

not every former astronaut is a

382

00:17:50,990 --> 00:17:48,960

skeptical

383

00:17:53,390 --> 00:17:51,000

well it is true that there's all sorts

384

00:17:55,010 --> 00:17:53,400

of things floating in space but I don't

385

00:17:58,430 --> 00:17:55,020

think it should be dismissed out of hand

386

00:17:59,810 --> 00:17:58,440

we need to take more careful look at

387

00:18:00,710 --> 00:17:59,820

this type of evidence than we might

388

00:18:03,289 --> 00:18:00,720

otherwise

389

00:18:06,650 --> 00:18:03,299

Dr Edgar Mitchell also walked on the

390

00:18:08,510 --> 00:18:06,660

moon during the Apollo 14 Mission I'm

391

00:18:12,470 --> 00:18:08,520

quite open to looking at evidence

392

00:18:16,010 --> 00:18:12,480

looking at data that purports to uh

393

00:18:18,169 --> 00:18:16,020

speak of an extraterrestrial presence or

394

00:18:21,529 --> 00:18:18,179

some sort of space activity we're not

395

00:18:24,710 --> 00:18:21,539

familiar with and analyze it critically

396

00:18:26,450 --> 00:18:24,720

perhaps we have been visiting

397

00:18:28,909 --> 00:18:26,460

to me I don't see anything in the video

398

00:18:31,610 --> 00:18:28,919

that reflects anything about UFO

399

00:18:33,890 --> 00:18:31,620

research scientist Keith Vaughn studies

400

00:18:35,990 --> 00:18:33,900

the upper atmosphere for NASA

401  
00:18:38,150 --> 00:18:36,000  
he believes the unknown objects are

402  
00:18:40,789 --> 00:18:38,160  
common space debris or waste products

403  
00:18:42,830 --> 00:18:40,799  
most likely from the shuttle itself

404  
00:18:44,990 --> 00:18:42,840  
and he has a theory to explain their

405  
00:18:47,390 --> 00:18:45,000  
movement if you look at the video very

406  
00:18:48,590 --> 00:18:47,400  
carefully you'll notice there's a flash

407  
00:18:53,270 --> 00:18:48,600  
of light

408  
00:18:56,450 --> 00:18:53,280  
Thruster engine on one of the shuttles

409  
00:19:00,110 --> 00:18:56,460  
when you have a Thrust effect the

410  
00:19:01,730 --> 00:19:00,120  
thrusting of the gases move out and that

411  
00:19:04,070 --> 00:19:01,740  
hits the object and makes the object

412  
00:19:05,570 --> 00:19:04,080  
move also if you're a skeptic it's easy

413  
00:19:07,970 --> 00:19:05,580

to brush off

414

00:19:09,770 --> 00:19:07,980

but if you're open-minded and you see

415

00:19:12,590 --> 00:19:09,780

this there's something

416

00:19:15,590 --> 00:19:12,600

weird about it

417

00:19:17,330 --> 00:19:15,600

Dr Mark carlato has 20 years of

418

00:19:19,610 --> 00:19:17,340

experience conducting Digital Image

419

00:19:23,210 --> 00:19:19,620

processing for scientific research

420

00:19:25,610 --> 00:19:23,220

these were not videos taken by someone

421

00:19:28,549 --> 00:19:25,620

in their backyard these are taken aboard

422

00:19:31,490 --> 00:19:28,559

a U.S spacecraft so the Integrity of the

423

00:19:33,590 --> 00:19:31,500

data cannot be questioned

424

00:19:35,210 --> 00:19:33,600

NASA's explanation is that what we're

425

00:19:37,490 --> 00:19:35,220

looking at here are ice particles

426  
00:19:38,870 --> 00:19:37,500  
floating around the shuttle but when you

427  
00:19:41,630 --> 00:19:38,880  
look at it more carefully it doesn't

428  
00:19:44,090 --> 00:19:41,640  
make sense if it was a Thrust or firing

429  
00:19:47,150 --> 00:19:44,100  
when the Thruster firing occurs

430  
00:19:48,950 --> 00:19:47,160  
the orientation of the spacecraft should

431  
00:19:50,750 --> 00:19:48,960  
change very slightly

432  
00:19:52,549 --> 00:19:50,760  
but we don't see any change in the

433  
00:19:54,169 --> 00:19:52,559  
apparent motion of the Stars so that

434  
00:19:56,570 --> 00:19:54,179  
indicates the attitude of the shuttle

435  
00:19:59,510 --> 00:19:56,580  
has not changed from the Thruster firing

436  
00:20:01,789 --> 00:19:59,520  
Dr Kasha believes the UFO was miles from

437  
00:20:03,110 --> 00:20:01,799  
the shuttle well out of range from a

438  
00:20:05,210 --> 00:20:03,120

Thrust of firing

439

00:20:06,350 --> 00:20:05,220

and that it was moving at an incredible

440

00:20:08,990 --> 00:20:06,360

speed

441

00:20:11,510 --> 00:20:09,000

if the object is as close as 10 miles it

442

00:20:12,710 --> 00:20:11,520

went from zero to 2500 miles an hour in

443

00:20:14,870 --> 00:20:12,720

one second

444

00:20:17,810 --> 00:20:14,880

and that's an acceleration of more than

445

00:20:20,210 --> 00:20:17,820

100 G's which would kill a human pilot

446

00:20:22,909 --> 00:20:20,220

and the technology we're looking at is

447

00:20:25,130 --> 00:20:22,919

just Quantum leaves beyond anything we

448

00:20:28,130 --> 00:20:25,140

have on the Earth

449

00:20:29,150 --> 00:20:28,140

and what about the mysterious streak of

450

00:20:30,710 --> 00:20:29,160

light

451  
00:20:32,760 --> 00:20:30,720  
could it have been intentionally

452  
00:20:35,150 --> 00:20:32,770  
directed towards the unknown object

453  
00:20:36,650 --> 00:20:35,160  
[Music]

454  
00:20:38,150 --> 00:20:36,660  
you have a streak that goes through

455  
00:20:39,650 --> 00:20:38,160  
where it had been

456  
00:20:42,470 --> 00:20:39,660  
one thing that pops into everybody's

457  
00:20:44,270 --> 00:20:42,480  
mind is that this some kind of a missile

458  
00:20:47,150 --> 00:20:44,280  
or weapon system

459  
00:20:49,070 --> 00:20:47,160  
Natasha bases this theory on years of

460  
00:20:50,810 --> 00:20:49,080  
analytical comprehensive study of the

461  
00:20:52,789 --> 00:20:50,820  
video

462  
00:20:54,470 --> 00:20:52,799  
could the double flash of light be the

463  
00:20:55,730 --> 00:20:54,480

firing of some kind of sophisticated

464

00:20:57,169 --> 00:20:55,740

weapon

465

00:20:59,710 --> 00:20:57,179

and if so

466

00:21:02,210 --> 00:20:59,720

from where was it fired

467

00:21:03,830 --> 00:21:02,220

at the time this event took place the

468

00:21:05,390 --> 00:21:03,840

shuttle was on a course over the West

469

00:21:07,430 --> 00:21:05,400

Coast of Australia

470

00:21:09,590 --> 00:21:07,440

curiously there is a large American

471

00:21:12,289 --> 00:21:09,600

military installation near Alice Springs

472

00:21:13,549 --> 00:21:12,299

in central Australia

473

00:21:15,470 --> 00:21:13,559

and it's the largest satellite

474

00:21:16,669 --> 00:21:15,480

intelligence gathering facility in the

475

00:21:19,010 --> 00:21:16,679

world

476  
00:21:20,210 --> 00:21:19,020  
although there is no proof there is

477  
00:21:22,190 --> 00:21:20,220  
speculation

478  
00:21:25,730 --> 00:21:22,200  
that a Star Wars missile defense system

479  
00:21:27,890 --> 00:21:25,740  
is operational at this site

480  
00:21:30,230 --> 00:21:27,900  
but for Buzz Aldrin the explanation

481  
00:21:33,110 --> 00:21:30,240  
behind this footage is far less

482  
00:21:36,049 --> 00:21:33,120  
provocative and I think we're often

483  
00:21:37,970 --> 00:21:36,059  
fooled by optical illusions I mean it's

484  
00:21:39,770 --> 00:21:37,980  
even a term that's quite common to most

485  
00:21:41,870 --> 00:21:39,780  
people optical illusion what does it

486  
00:21:44,630 --> 00:21:41,880  
mean when it means that there's an

487  
00:21:47,270 --> 00:21:44,640  
illusory thing that we pick up with our

488  
00:21:50,270 --> 00:21:47,280

eyes that we can't quite explain

489

00:21:53,450 --> 00:21:50,280

illusion or not astronaut Mitchell

490

00:21:56,210 --> 00:21:53,460

believes this UFO like others before it

491

00:21:58,430 --> 00:21:56,220

deserve serious study there have been a

492

00:22:00,890 --> 00:21:58,440

large number of other anomalous type

493

00:22:03,230 --> 00:22:00,900

phenomena that have been associated with

494

00:22:05,450 --> 00:22:03,240

the UFO phenomenon that are not easily

495

00:22:07,669 --> 00:22:05,460

dismissed this should be looked at and

496

00:22:10,310 --> 00:22:07,679

we shouldn't know what that is although

497

00:22:11,810 --> 00:22:10,320

NASA insists this footage is nothing

498

00:22:14,390 --> 00:22:11,820

unusual

499

00:22:16,430 --> 00:22:14,400

after this Mission all live satellite

500

00:22:20,990 --> 00:22:16,440

feeds from shuttle cameras

501  
00:22:25,430 --> 00:22:22,909  
while the debate continues over the

502  
00:22:27,049 --> 00:22:25,440  
Shuttle Discovery footage a more recent

503  
00:22:28,610 --> 00:22:27,059  
mission is causing a whole new

504  
00:22:31,850 --> 00:22:28,620  
controversy

505  
00:22:33,950 --> 00:22:31,860  
in December of 1996 a shuttle camera

506  
00:22:35,930 --> 00:22:33,960  
recorded this bizarre image above the

507  
00:22:38,390 --> 00:22:35,940  
Earth's atmosphere

508  
00:22:40,909 --> 00:22:38,400  
and on the same Mission these three

509  
00:22:42,350 --> 00:22:40,919  
objects were captured on video by NASA

510  
00:22:44,570 --> 00:22:42,360  
cameras

511  
00:22:46,430 --> 00:22:44,580  
they seem to orbit directly over a

512  
00:22:48,710 --> 00:22:46,440  
thunderstorm on Earth moving

513  
00:22:50,210 --> 00:22:48,720

independently of each other yet closer

514

00:22:55,610 --> 00:22:50,220

together

515

00:23:00,890 --> 00:22:58,549

Dr Kasha is eager to analyze this new

516

00:23:02,690 --> 00:23:00,900

space shuttle footage these three

517

00:23:05,870 --> 00:23:02,700

objects are moving with respect to each

518

00:23:07,970 --> 00:23:05,880

other so they're not Stars

519

00:23:09,950 --> 00:23:07,980

and the cameraman is interested in them

520

00:23:11,390 --> 00:23:09,960

too he's going to follow them try to get

521

00:23:13,130 --> 00:23:11,400

a closer look

522

00:23:15,830 --> 00:23:13,140

so we have some some interesting

523

00:23:20,090 --> 00:23:15,840

intriguing things that I really don't

524

00:23:25,010 --> 00:23:22,850

the most interesting thing to me is that

525

00:23:27,230 --> 00:23:25,020

little blob that seems to pop up from

526

00:23:29,450 --> 00:23:27,240

the clouds or whatever

527

00:23:31,370 --> 00:23:29,460

it's got that little dark Center and

528

00:23:33,409 --> 00:23:31,380

it's circular and it floats across and

529

00:23:35,029 --> 00:23:33,419

and I'm just really not sure what it was

530

00:23:38,409 --> 00:23:35,039

I I would love to be able to explain

531

00:23:43,909 --> 00:23:41,630

NASA when interest is shown in something

532

00:23:45,950 --> 00:23:43,919

like this would would put people on it

533

00:23:47,930 --> 00:23:45,960

to to investigate it thoroughly not just

534

00:23:50,149 --> 00:23:47,940

to watch the video

535

00:23:52,070 --> 00:23:50,159

sit down and do a real rigorous job and

536

00:23:54,169 --> 00:23:52,080

show us the science and the calculations

537

00:23:55,920 --> 00:23:54,179

and try to really explain what some of

538

00:23:58,669 --> 00:23:55,930

these things are

539

00:24:01,430 --> 00:23:58,679

[Music]

540

00:24:02,390 --> 00:24:01,440

from why are we here these are earning

541

00:24:04,789 --> 00:24:02,400

questions

542

00:24:06,649 --> 00:24:04,799

this is perhaps a small step in finding

543

00:24:09,590 --> 00:24:06,659

out a little bit more about how we fit

544

00:24:11,930 --> 00:24:09,600

into things we need to make people aware

545

00:24:14,149 --> 00:24:11,940

that this UFO business is important and

546

00:24:15,830 --> 00:24:14,159

significant and worthy of study and we

547

00:24:17,450 --> 00:24:15,840

need to get more mainstream scientists

548

00:24:18,100 --> 00:24:17,460

involved in I think that's very very

549

00:24:23,450 --> 00:24:18,110

important

550

00:24:23,460 --> 00:24:29,350

foreign

551  
00:24:35,810 --> 00:24:32,270  
abduction a probe would put up my right

552  
00:24:38,149 --> 00:24:35,820  
nostril and next theater UFO crash at

553  
00:24:41,350 --> 00:24:38,159  
Roswell the Army said it was a flying

554  
00:24:47,270 --> 00:24:45,049  
claims of UFOs and alien beings whenever

555  
00:24:49,610 --> 00:24:47,280  
possible actual footage is used to

556  
00:24:53,930 --> 00:24:49,620  
present these stories in other cases

557  
00:24:56,090 --> 00:24:53,940  
dramatic Recreations are utilized

558  
00:24:58,549 --> 00:24:56,100  
some say evidence of aliens here on

559  
00:25:00,590 --> 00:24:58,559  
Earth can be found as far back as

560  
00:25:03,289 --> 00:25:00,600  
ancient Egypt

561  
00:25:06,049 --> 00:25:03,299  
the modern UFO age however began with

562  
00:25:08,750 --> 00:25:06,059  
two events in 1947

563  
00:25:10,430 --> 00:25:08,760

the first involved a man who made flying

564

00:25:12,230 --> 00:25:10,440

saucers famous

565

00:25:13,720 --> 00:25:12,240

the second

566

00:25:19,430 --> 00:25:13,730

a town that made them Legend

567

00:25:21,770 --> 00:25:19,440

[Music]

568

00:25:23,810 --> 00:25:21,780

Kenneth arm was a private pilot from

569

00:25:26,990 --> 00:25:23,820

Boise Idaho

570

00:25:28,549 --> 00:25:27,000

a conservative Western sort of man a man

571

00:25:31,010 --> 00:25:28,559

without a great deal of imagination

572

00:25:32,690 --> 00:25:31,020

wasn't much of a reader certainly not a

573

00:25:37,490 --> 00:25:32,700

science fiction fan

574

00:25:39,409 --> 00:25:37,500

on June 24th 19 87 just before 3 pm

575

00:25:42,230 --> 00:25:39,419

Arnold was flying a small plane to

576

00:25:48,409 --> 00:25:45,710

Arnold sees nine disc shaped objects

577

00:25:52,390 --> 00:25:48,419

traveling over the

578

00:25:57,529 --> 00:25:55,130

Arnold was able because he knew the area

579

00:26:00,950 --> 00:25:57,539

to compute that they were traveling at

580

00:26:03,529 --> 00:26:00,960

least 1200 miles an hour or faster

581

00:26:06,409 --> 00:26:03,539

now there was nothing known anywhere on

582

00:26:11,330 --> 00:26:06,419

the globe in 1947 that could match that

583

00:26:16,250 --> 00:26:14,149

uh with a sort of a convex triangle in

584

00:26:18,710 --> 00:26:16,260

the rear a kind of weaving and going at

585

00:26:21,409 --> 00:26:18,720

a terrific speed I thought well maybe

586

00:26:24,110 --> 00:26:21,419

something's wrong with my eyes

587

00:26:26,570 --> 00:26:24,120

he described the movement of the objects

588

00:26:27,710 --> 00:26:26,580

is like that of saucer skipping across

589

00:26:29,930 --> 00:26:27,720

water

590

00:26:32,090 --> 00:26:29,940

from this point on the phrase Flying

591

00:26:35,390 --> 00:26:32,100

Saucer would forever be attached to

592

00:26:37,570 --> 00:26:35,400

strange unknown objects in the sky but

593

00:26:39,830 --> 00:26:37,580

Arnold's sighting was only the beginning

594

00:26:41,690 --> 00:26:39,840

within days additional independent

595

00:26:43,130 --> 00:26:41,700

accounts came pouring in from around the

596

00:26:44,870 --> 00:26:43,140

globe

597

00:26:46,789 --> 00:26:44,880

I think you can probably point to

598

00:26:50,210 --> 00:26:46,799

individual reports that are purely

599

00:26:53,890 --> 00:26:50,220

imaginary but there were a whole lot of

600

00:26:57,830 --> 00:26:53,900

sightings in 1947 and all through the

601  
00:27:02,269 --> 00:26:57,840  
1940s 1950s these objects showed up on

602  
00:27:06,409 --> 00:27:03,710  
foreign

603  
00:27:08,990 --> 00:27:06,419  
they were seen by pilots seen by

604  
00:27:12,769 --> 00:27:09,000  
scientists astronomers police officers

605  
00:27:13,950 --> 00:27:12,779  
people of impeccable training reputation

606  
00:27:17,990 --> 00:27:13,960  
good sense

607  
00:27:24,710 --> 00:27:20,470  
there was something there

608  
00:27:26,630 --> 00:27:24,720  
but why 1947

609  
00:27:29,210 --> 00:27:26,640  
why would beings From Another World

610  
00:27:31,390 --> 00:27:29,220  
choose this particular period to visit

611  
00:27:35,810 --> 00:27:31,400  
Earth

612  
00:27:40,970 --> 00:27:38,049  
one favorite theory was that

613  
00:27:42,890 --> 00:27:40,980

extraterrestrials had observed nuclear

614

00:27:45,470 --> 00:27:42,900

explosions going on the Earth's surface

615

00:27:47,570 --> 00:27:45,480

and realized that we had come to some

616

00:27:49,490 --> 00:27:47,580

level of technological development where

617

00:27:51,409 --> 00:27:49,500

they had to pay attention to us because

618

00:27:53,149 --> 00:27:51,419

it would not be very long after this

619

00:27:55,010 --> 00:27:53,159

that we ourselves would be going out

620

00:27:56,740 --> 00:27:55,020

into space which of course is what has

621

00:28:00,010 --> 00:27:56,750

happened

622

00:28:03,470 --> 00:28:00,020

[Music]

623

00:28:05,330 --> 00:28:03,480

still the numerous sightings of 1947

624

00:28:08,090 --> 00:28:05,340

might have been forgotten

625

00:28:09,890 --> 00:28:08,100

had it not been for what happened in a

626  
00:28:11,830 --> 00:28:09,900  
deceptively quiet corner of the American

627  
00:28:15,230 --> 00:28:11,840  
southwest

628  
00:28:20,930 --> 00:28:15,240  
Roswell New Mexico is still the mother

629  
00:28:25,669 --> 00:28:23,750  
in 47 the Cold War was heating up

630  
00:28:28,370 --> 00:28:25,679  
and the Roswell Army Airfield home of

631  
00:28:33,049 --> 00:28:28,380  
the 509th Bonner Wing was the only base

632  
00:28:36,470 --> 00:28:34,789  
pensions were already High when the

633  
00:28:38,750 --> 00:28:36,480  
following disputed events supposedly

634  
00:28:40,789 --> 00:28:38,760  
occurred

635  
00:28:42,230 --> 00:28:40,799  
in a disc shaped object crashes in the

636  
00:28:44,090 --> 00:28:42,240  
nearby desert

637  
00:28:46,190 --> 00:28:44,100  
hearing accounts of bizarre wreckage

638  
00:28:47,870 --> 00:28:46,200

soldiers from the days are dispatched to

639

00:28:50,269 --> 00:28:47,880

the site

640

00:28:52,250 --> 00:28:50,279

oh

641

00:28:54,110 --> 00:28:52,260

they are shocked to discover debris from

642

00:28:57,590 --> 00:28:54,120

an alien spacecraft strewn across the

643

00:29:02,750 --> 00:28:59,149

quickly gathered up and stored in

644

00:29:08,409 --> 00:29:05,330

among the wreckage eyewitnesses report

645

00:29:15,529 --> 00:29:08,419

seeing a number of alien bodies

646

00:29:24,190 --> 00:29:18,890

and one creature that still lives

647

00:29:29,149 --> 00:29:26,930

from this point on the details of the

648

00:29:34,669 --> 00:29:29,159

Roswell story and the explanations given

649

00:29:38,810 --> 00:29:36,649

the United States Air Force has told

650

00:29:40,450 --> 00:29:38,820

four separate and distinct stories about

651  
00:29:43,850 --> 00:29:40,460  
the Roswell incident

652  
00:29:46,990 --> 00:29:43,860  
the first story a press release said

653  
00:29:49,610 --> 00:29:47,000  
that the Air Force had captured the UFO

654  
00:29:53,210 --> 00:29:49,620  
the next story came literally the next

655  
00:29:54,450 --> 00:29:53,220  
day oops not a UFO

656  
00:29:59,889 --> 00:29:54,460  
a weather balloon

657  
00:30:04,909 --> 00:30:02,810  
it is this revisionist explanation that

658  
00:30:07,789 --> 00:30:04,919  
has led some to alleged cover-up exists

659  
00:30:10,190 --> 00:30:07,799  
at the highest levels of our government

660  
00:30:12,830 --> 00:30:10,200  
vast conspiracy to keep the truth of

661  
00:30:14,750 --> 00:30:12,840  
Roswell and UFOs in general from the

662  
00:30:17,389 --> 00:30:14,760  
public

663  
00:30:20,450 --> 00:30:17,399

something like this is going to be swept

664

00:30:25,010 --> 00:30:22,490

something like this there will be

665

00:30:27,289 --> 00:30:25,020

disinformation put out about something

666

00:30:31,190 --> 00:30:27,299

like this will be lied about to the

667

00:30:38,750 --> 00:30:32,810

forget the army

668

00:30:42,889 --> 00:30:40,610

nowhere in my research

669

00:30:45,169 --> 00:30:42,899

uncovering the Roswell story did I find

670

00:30:47,990 --> 00:30:45,179

any evidence of any kind of conspiracy

671

00:30:49,490 --> 00:30:48,000

or cover-up of any kind James mcandrew

672

00:30:52,549 --> 00:30:49,500

wrote the recent official government

673

00:30:55,070 --> 00:30:52,559

report on the Roswell incident what was

674

00:30:56,990 --> 00:30:55,080

found near Roswell in July 1947 was the

675

00:30:59,269 --> 00:30:57,000

very first launch of an experimental

676

00:31:01,430 --> 00:30:59,279

project called project mogul

677

00:31:03,529 --> 00:31:01,440

project Mogul was a high altitude

678

00:31:05,930 --> 00:31:03,539

balloon program designed to detect

679

00:31:07,970 --> 00:31:05,940

Soviet nuclear explosions

680

00:31:10,850 --> 00:31:07,980

launched from nearby White Sands

681

00:31:13,190 --> 00:31:10,860

military base these balloons according

682

00:31:15,049 --> 00:31:13,200

to the government landed near Roswell in

683

00:31:17,210 --> 00:31:15,059

1947.

684

00:31:19,190 --> 00:31:17,220

as for the alien bodies

685

00:31:22,070 --> 00:31:19,200

mcandrew credits another military

686

00:31:24,230 --> 00:31:22,080

project in which new parachute designs

687

00:31:26,090 --> 00:31:24,240

were tested by dropping crash dummies

688

00:31:28,070 --> 00:31:26,100

from a high altitude

689

00:31:29,990 --> 00:31:28,080

and we believe that this is what people

690

00:31:31,730 --> 00:31:30,000

observed the Air Force recovering from

691

00:31:34,710 --> 00:31:31,740

the desert that have now become the

692

00:31:37,610 --> 00:31:34,720

so-called aliens of the Roswell story

693

00:31:40,010 --> 00:31:37,620

[Music]

694

00:31:42,110 --> 00:31:40,020

I think Roswell is in many ways very

695

00:31:44,630 --> 00:31:42,120

similar to the Kennedy assassination no

696

00:31:46,909 --> 00:31:44,640

matter what you tell people they don't

697

00:31:49,549 --> 00:31:46,919

accept the truth

698

00:31:51,830 --> 00:31:49,559

the crash dummy project did occur

699

00:31:54,889 --> 00:31:51,840

but as official documents state

700

00:31:56,810 --> 00:31:54,899

not until 1954.

701  
00:31:59,029 --> 00:31:56,820  
the government believes foggy eyewitness

702  
00:32:00,950 --> 00:31:59,039  
memories have blurred the two incidents

703  
00:32:04,130 --> 00:32:00,960  
into one

704  
00:32:06,470 --> 00:32:04,140  
it's it's one lie followed by another

705  
00:32:08,210 --> 00:32:06,480  
there's only one thing in the entire

706  
00:32:10,970 --> 00:32:08,220  
world that makes sense

707  
00:32:18,360 --> 00:32:10,980  
and that is they got their hands on what

708  
00:32:22,669 --> 00:32:20,169  
[Music]

709  
00:32:25,130 --> 00:32:22,679  
although it actually happened at Roswell

710  
00:32:26,510 --> 00:32:25,140  
is in question the subsequent effort of

711  
00:32:29,830 --> 00:32:26,520  
the United States government to study

712  
00:32:34,909 --> 00:32:29,840  
UFOs is not

713  
00:32:37,970 --> 00:32:34,919

between the summer of 1947 and the end

714

00:32:42,649 --> 00:32:37,980

of 1952 the Air Force had collected some

715

00:32:47,389 --> 00:32:45,049

and it concluded that approximately a

716

00:32:49,310 --> 00:32:47,399

quarter of them remained unexplained

717

00:32:50,890 --> 00:32:49,320

after investigation they were classified

718

00:32:55,190 --> 00:32:50,900

as unknowns

719

00:32:57,230 --> 00:32:55,200

[Music]

720

00:32:59,510 --> 00:32:57,240

this exhaustive investigation was

721

00:33:02,810 --> 00:32:59,520

conducted under the names project sign

722

00:33:05,389 --> 00:33:02,820

project Grudge and ultimately Project

723

00:33:09,529 --> 00:33:05,399

Blue Book

724

00:33:11,690 --> 00:33:09,539

greatest challenge

725

00:33:14,570 --> 00:33:11,700

and a dramatic UFO incident rocked the

726  
00:33:19,430 --> 00:33:17,389  
over three consecutive weekends a

727  
00:33:22,009 --> 00:33:19,440  
cluster of low-flying yet high-speed

728  
00:33:23,690 --> 00:33:22,019  
UFOs buzzed Washington's historic

729  
00:33:27,289 --> 00:33:23,700  
monuments

730  
00:33:28,430 --> 00:33:27,299  
all I might add in restricted airspace

731  
00:33:31,090 --> 00:33:28,440  
thank you

732  
00:33:33,350 --> 00:33:31,100  
these objects were witnessed

733  
00:33:35,330 --> 00:33:33,360  
newspapers all across the United States

734  
00:33:38,029 --> 00:33:35,340  
reported on this

735  
00:33:40,789 --> 00:33:38,039  
civilian and Military Radars in and

736  
00:33:43,690 --> 00:33:40,799  
around the Washington area were picking

737  
00:33:47,630 --> 00:33:43,700  
up these objects

738  
00:33:49,909 --> 00:33:47,640

planes were scrambled not from nearby

739

00:33:52,750 --> 00:33:49,919

Andrews Air Force Base but from a

740

00:33:55,730 --> 00:33:52,760

farther away base

741

00:33:58,370 --> 00:33:55,740

the hottest aircraft we had at that time

742

00:34:00,889 --> 00:33:58,380

was brought into The Fray

743

00:34:02,570 --> 00:34:00,899

the impact of these sightings was felt

744

00:34:04,070 --> 00:34:02,580

throughout the corridors of power in

745

00:34:06,409 --> 00:34:04,080

Washington

746

00:34:08,450 --> 00:34:06,419

there were so many reports that

747

00:34:10,849 --> 00:34:08,460

intelligence channels got clogged up

748

00:34:12,649 --> 00:34:10,859

with UFO reports in other words if a

749

00:34:14,510 --> 00:34:12,659

hostile foreign power had chosen that

750

00:34:16,250 --> 00:34:14,520

moment to attack the United States the

751  
00:34:18,589 --> 00:34:16,260  
message could not have gotten through to

752  
00:34:20,930 --> 00:34:18,599  
the Pentagon

753  
00:34:22,669 --> 00:34:20,940  
this undermined our ability to respond

754  
00:34:26,510 --> 00:34:22,679  
to what the defense establishment felt

755  
00:34:26,520 --> 00:34:30,829  
Soviet nuclear missiles

756  
00:34:39,409 --> 00:34:35,950  
alarmed the CIA began a full inquiry

757  
00:34:43,010 --> 00:34:39,419  
now not as you might suspect to make a

758  
00:34:46,430 --> 00:34:43,020  
determination on what UFOs were but

759  
00:34:49,550 --> 00:34:46,440  
how do we treat this in the public what

760  
00:34:52,810 --> 00:34:49,560  
do we do to make UFOs into one

761  
00:34:55,369 --> 00:34:52,820  
non-subject they said basically our

762  
00:34:58,430 --> 00:34:55,379  
principal goal on the National Security

763  
00:34:59,630 --> 00:34:58,440

level is to debunk UFOs and they did use

764

00:35:01,970 --> 00:34:59,640

that term

765

00:35:04,550 --> 00:35:01,980

and so it became policy

766

00:35:06,890 --> 00:35:04,560

to debunk UFOs

767

00:35:08,630 --> 00:35:06,900

Project Blue Book was told to adopt this

768

00:35:11,050 --> 00:35:08,640

new skeptical agenda

769

00:35:14,510 --> 00:35:11,060

in spite of any evidence to the contrary

770

00:35:16,849 --> 00:35:14,520

Project Blue Book's mandate was to

771

00:35:19,790 --> 00:35:16,859

reduce the number of unknowns to a

772

00:35:22,010 --> 00:35:19,800

minimum even if

773

00:35:25,490 --> 00:35:22,020

their explanations were ridiculous we've

774

00:35:28,550 --> 00:35:25,500

been able to explain them as hoaxes as

775

00:35:31,609 --> 00:35:28,560

erroneously identified friendly aircraft

776

00:35:35,270 --> 00:35:31,619

as meteorological or electronic

777

00:35:38,990 --> 00:35:35,280

phenomena are as light aberrations

778

00:35:41,329 --> 00:35:39,000

in 1969 the debunking operation largely

779

00:35:43,550 --> 00:35:41,339

successful Project Blue Book was

780

00:35:47,569 --> 00:35:43,560

officially terminated

781

00:35:52,990 --> 00:35:47,579

Blue Book was stumped absolutely stumped

782

00:35:55,370 --> 00:35:53,000

on more than 700 cases so even Blue Book

783

00:35:58,150 --> 00:35:55,380

charged with getting rid of UFOs of any

784

00:36:02,390 --> 00:35:58,160

cost couldn't get rid of all of them

785

00:36:04,370 --> 00:36:02,400

what is the real truth about UFOs what

786

00:36:06,589 --> 00:36:04,380

the Air Force was trying to slip past

787

00:36:09,050 --> 00:36:06,599

the public tells me that they have

788

00:36:10,730 --> 00:36:09,060

something just as sure as God made

789

00:36:11,660 --> 00:36:10,740

little green apples that they're still

790

00:36:17,630 --> 00:36:11,670

hiding

791

00:36:22,990 --> 00:36:20,210

this teenager has found clues of a UFO

792

00:36:26,270 --> 00:36:23,000

conspiracy something is being covered up

793

00:36:28,849 --> 00:36:26,280

the next thousands being kidnapped by

794

00:36:30,930 --> 00:36:28,859

aliens I was terrified absolutely

795

00:36:37,990 --> 00:36:30,940

terrified

796

00:36:41,470 --> 00:36:38,000

[Music]

797

00:36:45,770 --> 00:36:41,480

I was in a horizontal position

798

00:36:47,950 --> 00:36:45,780

I could feel my back on hard surface I

799

00:36:51,829 --> 00:36:47,960

felt that I was frozen

800

00:36:55,190 --> 00:36:51,839

physically I was shut down a probe was

801  
00:36:57,770 --> 00:36:55,200  
put up my right nostrils let me recall

802  
00:37:00,710 --> 00:36:57,780  
hearing a cracking sound they put

803  
00:37:12,589 --> 00:37:00,720  
something in my ear I was terrified

804  
00:37:19,730 --> 00:37:16,030  
whether they call themselves abductees

805  
00:37:21,829 --> 00:37:19,740  
experiences or contactees

806  
00:37:23,089 --> 00:37:21,839  
these people and thousands of others

807  
00:37:27,050 --> 00:37:23,099  
just like them say they've been

808  
00:37:30,650 --> 00:37:28,849  
could an alien race actually be

809  
00:37:32,329 --> 00:37:30,660  
conducting a widespread abduction

810  
00:37:34,190 --> 00:37:32,339  
program

811  
00:37:36,170 --> 00:37:34,200  
it's a question

812  
00:37:39,349 --> 00:37:36,180  
that goes right to the heart of the UFO

813  
00:37:41,870 --> 00:37:39,359

controversy the impact of these

814

00:37:44,990 --> 00:37:41,880

experiences on the people that have them

815

00:37:47,990 --> 00:37:45,000

is enormous it's UFO public professor of

816

00:37:49,550 --> 00:37:48,000

Psychiatry Dr John Mack is a Pulitzer

817

00:37:51,650 --> 00:37:49,560

prize-winning author who has researched

818

00:37:54,050 --> 00:37:51,660

the abduction phenomenon

819

00:37:56,329 --> 00:37:54,060

his book detailing his exhaustive study

820

00:37:57,950 --> 00:37:56,339

is considered a landmark work on the

821

00:38:00,890 --> 00:37:57,960

subject

822

00:38:02,270 --> 00:38:00,900

the abduction experience changes them at

823

00:38:03,770 --> 00:38:02,280

every level and changes their

824

00:38:05,870 --> 00:38:03,780

relationships within their families

825

00:38:08,010 --> 00:38:05,880

their sense of who they are their sense

826

00:38:09,250 --> 00:38:08,020

of the world that they live in

827

00:38:12,530 --> 00:38:09,260

[Music]

828

00:38:15,910 --> 00:38:12,540

this is an enormously powerful part of

829

00:38:20,690 --> 00:38:18,770

the most important aspect of these

830

00:38:22,069 --> 00:38:20,700

experiences that made me believe that

831

00:38:23,810 --> 00:38:22,079

they were events rather than something

832

00:38:29,750 --> 00:38:23,820

else was the fact that the stories were

833

00:38:37,190 --> 00:38:32,210

a typical abduction would go something

834

00:38:40,069 --> 00:38:37,200

like this the person is in their bedroom

835

00:38:42,470 --> 00:38:40,079

the light will come into the bedroom an

836

00:38:43,790 --> 00:38:42,480

intense light it was very bright but it

837

00:38:46,609 --> 00:38:43,800

wasn't blinding you could look into it

838

00:38:49,069 --> 00:38:46,619

it had like a blue hue around it then

839

00:38:51,770 --> 00:38:49,079

they may see one or more humanoid beings

840

00:38:56,510 --> 00:38:51,780

around the bed they were tall they were

841

00:39:01,010 --> 00:38:56,520

very thin huge eyes they're paralyzed

842

00:39:04,329 --> 00:39:01,020

they end up entering a UFO some kind of

843

00:39:10,190 --> 00:39:07,730

and there are what they call the Grays

844

00:39:12,069 --> 00:39:10,200

with these now familiar well-described

845

00:39:14,930 --> 00:39:12,079

big black eyes

846

00:39:16,310 --> 00:39:14,940

there's something with the eyes that

847

00:39:18,589 --> 00:39:16,320

really

848

00:39:20,450 --> 00:39:18,599

catch the attention to the point of

849

00:39:22,670 --> 00:39:20,460

where looking at the rest of the

850

00:39:26,510 --> 00:39:22,680

physical being is not as important as

851  
00:39:30,890 --> 00:39:29,329  
a number of procedures are done to their

852  
00:39:33,349 --> 00:39:30,900  
bodies which

853  
00:39:36,829 --> 00:39:33,359  
may involve probing of almost every part

854  
00:39:38,930 --> 00:39:36,839  
of the the body taking of sperm from men

855  
00:39:43,069 --> 00:39:38,940  
eggs from women

856  
00:39:50,290 --> 00:39:45,790  
it was very powerful and very intense

857  
00:39:54,310 --> 00:39:50,300  
and felt very vile I felt very violated

858  
00:39:57,710 --> 00:39:54,320  
there was a sense of helplessness

859  
00:40:01,310 --> 00:39:57,720  
a sense of being violated

860  
00:40:02,310 --> 00:40:01,320  
my fists were clenched and uh it was not

861  
00:40:20,390 --> 00:40:02,320  
a pleasant experience

862  
00:40:25,790 --> 00:40:23,089  
but are these stories true

863  
00:40:27,290 --> 00:40:25,800

or are they just well told imaginative

864

00:40:29,150 --> 00:40:27,300

lies

865

00:40:30,050 --> 00:40:29,160

we're not dealing with just invention of

866

00:40:32,750 --> 00:40:30,060

a story

867

00:40:35,030 --> 00:40:32,760

something occurred here that triggered a

868

00:40:37,490 --> 00:40:35,040

set of emotional reactions

869

00:40:39,410 --> 00:40:37,500

that's highly significant who knows why

870

00:40:41,690 --> 00:40:39,420

I mean who knows how this is Bud Hopkins

871

00:40:43,130 --> 00:40:41,700

is an abduction expert who has written a

872

00:40:45,710 --> 00:40:43,140

number of best-selling books on the

873

00:40:47,329 --> 00:40:45,720

subject we really don't know we're not

874

00:40:49,250 --> 00:40:47,339

conducts group therapy sessions with

875

00:40:51,890 --> 00:40:49,260

those who claim they're victims of these

876

00:40:53,930 --> 00:40:51,900

bizarre incidents maybe I'm a little bit

877

00:40:57,410 --> 00:40:53,940

in these meetings abductees can share

878

00:40:59,870 --> 00:40:57,420

their stories without fear of ridicule

879

00:41:02,089 --> 00:40:59,880

I was put through a series of tests

880

00:41:04,130 --> 00:41:02,099

and

881

00:41:05,930 --> 00:41:04,140

I thought it was going crazy even though

882

00:41:07,849 --> 00:41:05,940

what they're saying might sound crazy

883

00:41:09,650 --> 00:41:07,859

they don't have the kind of behavior

884

00:41:12,349 --> 00:41:09,660

that crazy people have actually perhaps

885

00:41:14,510 --> 00:41:12,359

when we do psychological testing we find

886

00:41:16,670 --> 00:41:14,520

that these people are essentially

887

00:41:19,069 --> 00:41:16,680

psychologically normal but a Common

888

00:41:20,150 --> 00:41:19,079

Thread in these abduction stories raises

889

00:41:22,130 --> 00:41:20,160

doubt

890

00:41:24,050 --> 00:41:22,140

most abductees have little conscious

891

00:41:25,310 --> 00:41:24,060

memory of their time spent with the

892

00:41:28,490 --> 00:41:25,320

aliens

893

00:41:30,410 --> 00:41:28,500

they do an incredibly good job of

894

00:41:33,770 --> 00:41:30,420

blocking your memory

895

00:41:36,290 --> 00:41:33,780

from recalling almost anything and this

896

00:41:38,210 --> 00:41:36,300

is the most difficult obstacle to

897

00:41:40,069 --> 00:41:38,220

overcome

898

00:41:41,930 --> 00:41:40,079

it's this aspect of the abduction

899

00:41:44,390 --> 00:41:41,940

experience that Hopkins has termed

900

00:41:46,910 --> 00:41:44,400

missing time

901  
00:41:49,010 --> 00:41:46,920  
and he explores it through hypnosis I'm

902  
00:41:51,589 --> 00:41:49,020  
gonna count to three over his 30 years

903  
00:41:53,210 --> 00:41:51,599  
of studying UFOs Hopkins has

904  
00:41:55,490 --> 00:41:53,220  
hypnotically regressed hundreds of

905  
00:41:58,550 --> 00:41:55,500  
abductees he's convinced the truth can

906  
00:42:02,690 --> 00:41:58,560  
be found in the subconscious mind

907  
00:42:08,089 --> 00:42:04,730  
I can't

908  
00:42:09,890 --> 00:42:08,099  
why because it hurts to move it was just

909  
00:42:13,010 --> 00:42:09,900  
all around me and I can't move anywhere

910  
00:42:15,050 --> 00:42:13,020  
there's no there's no space to run

911  
00:42:18,050 --> 00:42:15,060  
I've worked with abductees from South

912  
00:42:20,569 --> 00:42:18,060  
Africa and Saudi Arabia and Israel is

913  
00:42:23,450 --> 00:42:20,579

standing there in the middle of the room

914

00:42:25,790 --> 00:42:23,460

I have no alternative than what the

915

00:42:27,470 --> 00:42:25,800

evidence suggests to me in an absolute

916

00:42:30,230 --> 00:42:27,480

way it's going on it's happening it's

917

00:42:32,030 --> 00:42:30,240

real the abduction phenomenon is is

918

00:42:35,050 --> 00:42:32,040

absolutely everybody it's the good the

919

00:42:38,030 --> 00:42:35,060

bad the ugly it goes across all uh

920

00:42:40,370 --> 00:42:38,040

racial divides and and gender of course

921

00:42:43,069 --> 00:42:40,380

and cultural level

922

00:42:45,349 --> 00:42:43,079

it's absolutely everybody it appears to

923

00:42:47,870 --> 00:42:45,359

be completely random

924

00:42:50,150 --> 00:42:47,880

a CNN time poll is found that half of

925

00:42:52,550 --> 00:42:50,160

all Americans believe there are people

926  
00:42:54,770 --> 00:42:52,560  
that have experienced an alien abduction

927  
00:42:56,990 --> 00:42:54,780  
an Europa pole has discovered that 0.3

928  
00:42:59,569 --> 00:42:57,000  
percent of their sample question believe

929  
00:43:02,270 --> 00:42:59,579  
they might have been abducted by aliens

930  
00:43:06,589 --> 00:43:02,280  
this percentage may seem small but it

931  
00:43:08,630 --> 00:43:06,599  
could translate to over 800 000 people

932  
00:43:11,290 --> 00:43:08,640  
many of those studied by Bud Hopkins

933  
00:43:14,329 --> 00:43:11,300  
have one thing in common

934  
00:43:16,130 --> 00:43:14,339  
in terms of their personalities many of

935  
00:43:18,109 --> 00:43:16,140  
them are suffering from what we might

936  
00:43:19,550 --> 00:43:18,119  
diagnose as post-traumatic stress

937  
00:43:21,170 --> 00:43:19,560  
disorder I mean when you get up in the

938  
00:43:23,809 --> 00:43:21,180

morning and you have had one of these

939

00:43:26,329 --> 00:43:23,819

experiences it's not like you just get

940

00:43:29,809 --> 00:43:26,339

up and want to make toast you know I

941

00:43:31,309 --> 00:43:29,819

mean it's it's hard it's hard something

942

00:43:33,730 --> 00:43:31,319

happened to these people there's no

943

00:43:36,710 --> 00:43:33,740

doubt about that in many many many cases

944

00:43:38,690 --> 00:43:36,720

but not everyone agrees what's the first

945

00:43:41,390 --> 00:43:38,700

thing that you sensed is different among

946

00:43:44,270 --> 00:43:41,400

research psychologists Hopkins beliefs

947

00:43:46,910 --> 00:43:44,280

and methods are seriously questioned

948

00:43:48,589 --> 00:43:46,920

it's the nature of hypnosis to put

949

00:43:51,410 --> 00:43:48,599

thoughts in someone's head that weren't

950

00:43:53,150 --> 00:43:51,420

there before I'm not allowed to hide who

951  
00:43:55,010 --> 00:43:53,160  
doesn't know any time you put your faith

952  
00:43:56,270 --> 00:43:55,020  
in that person because you're lost and

953  
00:43:59,030 --> 00:43:56,280  
you're scared and you don't know what to

954  
00:44:00,890 --> 00:43:59,040  
do why can't anyone help me

955  
00:44:04,490 --> 00:44:00,900  
that person puts you into an altered

956  
00:44:06,710 --> 00:44:04,500  
state of consciousness and together you

957  
00:44:08,630 --> 00:44:06,720  
sort of do a little dance that convinces

958  
00:44:11,270 --> 00:44:08,640  
both of you that yes you've had this

959  
00:44:14,630 --> 00:44:11,280  
experience you are an abductee there is

960  
00:44:16,329 --> 00:44:14,640  
a type of person who is highly

961  
00:44:19,370 --> 00:44:16,339  
imaginative

962  
00:44:22,069 --> 00:44:19,380  
who is easily hypnotized they're normal

963  
00:44:24,950 --> 00:44:22,079

they're saying they're not psychotic but

964

00:44:28,730 --> 00:44:24,960

hypnosis is the yellow brick road to

965

00:44:30,170 --> 00:44:28,740

Fantasyland the big uh false issue that

966

00:44:32,809 --> 00:44:30,180

has always been dragged into this

967

00:44:35,450 --> 00:44:32,819

argument is the issue of hypnosis maybe

968

00:44:37,069 --> 00:44:35,460

a third of the abduction accounts we get

969

00:44:38,750 --> 00:44:37,079

come without any hypnotic regression

970

00:44:41,030 --> 00:44:38,760

whatsoever they remembered the way one

971

00:44:43,069 --> 00:44:41,040

remembers an automobile accident or a

972

00:44:44,510 --> 00:44:43,079

mugging remember

973

00:44:46,430 --> 00:44:44,520

side

974

00:44:48,290 --> 00:44:46,440

whatever it was

975

00:44:51,550 --> 00:44:48,300

and being

976  
00:44:56,089 --> 00:44:54,349  
another explanation offered by Skeptics

977  
00:44:58,370 --> 00:44:56,099  
is that abductees are actually

978  
00:45:00,109 --> 00:44:58,380  
experiencing what's called a waking

979  
00:45:05,390 --> 00:45:00,119  
dream

980  
00:45:07,309 --> 00:45:05,400  
to sleep or just waking up your eyes are

981  
00:45:08,390 --> 00:45:07,319  
open but you tend to see dreamlike

982  
00:45:10,550 --> 00:45:08,400  
images

983  
00:45:12,050 --> 00:45:10,560  
and you may feel paralyzed if you're

984  
00:45:14,770 --> 00:45:12,060  
just waking up because your body is

985  
00:45:18,530 --> 00:45:14,780  
still asleep and it may be very Vivid

986  
00:45:23,430 --> 00:45:20,690  
and the person is probably actually

987  
00:45:24,710 --> 00:45:23,440  
going in and out of a dream state

988  
00:45:27,050 --> 00:45:24,720

[Music]

989

00:45:28,490 --> 00:45:27,060

and yet it seems very real it seems as

990

00:45:30,950 --> 00:45:28,500

though I'm awake

991

00:45:32,690 --> 00:45:30,960

in spite of the criticism Hopkins

992

00:45:36,170 --> 00:45:32,700

believes the sheer number of reported

993

00:45:38,030 --> 00:45:36,180

abductions is impossible to ignore

994

00:45:39,290 --> 00:45:38,040

there are many theories trying to attack

995

00:45:41,050 --> 00:45:39,300

it

996

00:45:43,250 --> 00:45:41,060

but the theories don't hold water

997

00:45:45,770 --> 00:45:43,260

thousands of people are claiming that

998

00:45:48,109 --> 00:45:45,780

this is happening there's a massive

999

00:45:50,710 --> 00:45:48,119

evidence supporting that

1000

00:45:54,109 --> 00:45:50,720

now for me the evidence

1001  
00:45:56,089 --> 00:45:54,119  
constitutes proof that this is going on

1002  
00:45:58,250 --> 00:45:56,099  
well I don't know that I really want to

1003  
00:46:00,890 --> 00:45:58,260  
believe it's true

1004  
00:46:03,230 --> 00:46:00,900  
cdb Brian author of the bestseller

1005  
00:46:06,530 --> 00:46:03,240  
Friendly Fire investigated the abduction

1006  
00:46:09,530 --> 00:46:06,540  
phenomenon for the New Yorker magazine

1007  
00:46:11,349 --> 00:46:09,540  
it's a quite a terrifying possibility

1008  
00:46:15,470 --> 00:46:11,359  
isn't it

1009  
00:46:17,809 --> 00:46:15,480  
that some strange beings can lift you

1010  
00:46:19,910 --> 00:46:17,819  
out of your bed at night and into a

1011  
00:46:23,450 --> 00:46:19,920  
spacecraft and

1012  
00:46:26,089 --> 00:46:23,460  
do strange medical experiments on you

1013  
00:46:27,710 --> 00:46:26,099

with a healthy dose of skepticism Brian

1014

00:46:31,190 --> 00:46:27,720

attended a conference about alien

1015

00:46:33,770 --> 00:46:31,200

abductions held at MIT in 1992.

1016

00:46:35,750 --> 00:46:33,780

his findings based on numerous abductee

1017

00:46:39,050 --> 00:46:35,760

interviews were published in his book

1018

00:46:41,290 --> 00:46:39,060

Close Encounters of the Fourth Kind

1019

00:46:44,329 --> 00:46:41,300

I found my skepticism

1020

00:46:48,589 --> 00:46:44,339

diminishing to the extent that I was

1021

00:46:50,210 --> 00:46:48,599

more open to the possibility that what

1022

00:46:51,770 --> 00:46:50,220

some of these abductees were saying what

1023

00:46:53,770 --> 00:46:51,780

the researchers were saying could

1024

00:46:57,890 --> 00:46:53,780

possibly be true

1025

00:47:00,109 --> 00:46:57,900

I no longer feel that the abductees to

1026  
00:47:04,430 --> 00:47:00,119  
use a medical term are crazy as loons

1027  
00:47:07,849 --> 00:47:04,440  
but I I don't know what's going on

1028  
00:47:10,490 --> 00:47:07,859  
either what's happening is a new

1029  
00:47:13,010 --> 00:47:10,500  
psychological phenomenon or it's true

1030  
00:47:16,010 --> 00:47:13,020  
our basic argument is we've got to look

1031  
00:47:18,530 --> 00:47:16,020  
into it investigation is essential and I

1032  
00:47:22,970 --> 00:47:18,540  
think any true scientist has to come

1033  
00:47:27,410 --> 00:47:25,430  
because you can't have a phenomenon as

1034  
00:47:29,569 --> 00:47:27,420  
extraordinary as this and at the same

1035  
00:47:31,150 --> 00:47:29,579  
time announced there's there's no reason

1036  
00:47:34,069 --> 00:47:31,160  
to look into it

1037  
00:47:37,609 --> 00:47:34,079  
an extraordinary phenomenon demands an

1038  
00:47:41,089 --> 00:47:39,829

when we come back the investigation

1039

00:47:43,309 --> 00:47:41,099

continues

1040

00:47:45,130 --> 00:47:43,319

with one man's terrifying abduction

1041

00:47:49,270 --> 00:47:45,140

experience

1042

00:47:51,950 --> 00:47:49,280

my car was lifted off the interstate

1043

00:47:56,270 --> 00:47:51,960

also for the first time on television

1044

00:47:58,910 --> 00:47:56,280

Ohio police chase a giant UFO at least

1045

00:48:01,430 --> 00:47:58,920

14 15 officers said that they saw

1046

00:48:04,250 --> 00:48:01,440

something I've never seen anything that

1047

00:48:06,170 --> 00:48:04,260

could compare to this and next see the

1048

00:48:07,910 --> 00:48:06,180

removal of what could be an alien

1049

00:48:09,650 --> 00:48:07,920

implant this is an extraordinary

1050

00:48:15,910 --> 00:48:09,660

discussion

1051  
00:48:20,089 --> 00:48:17,990  
this may look like a medical team

1052  
00:48:21,490 --> 00:48:20,099  
prepping for a routine surgical

1053  
00:48:23,990 --> 00:48:21,500  
procedure

1054  
00:48:26,530 --> 00:48:24,000  
but what you will see is definitely not

1055  
00:48:31,609 --> 00:48:28,910  
you're about to witness for the first

1056  
00:48:33,710 --> 00:48:31,619  
time on network television the actual

1057  
00:48:38,170 --> 00:48:33,720  
surgical removal of what some claim is

1058  
00:48:42,349 --> 00:48:40,490  
thousands of people worldwide believe

1059  
00:48:44,690 --> 00:48:42,359  
they've been abducted by

1060  
00:48:46,970 --> 00:48:44,700  
beings from another world

1061  
00:48:49,309 --> 00:48:46,980  
but one question has undermined these

1062  
00:48:51,130 --> 00:48:49,319  
incredible stories

1063  
00:48:53,870 --> 00:48:51,140

where's the proof

1064

00:48:55,490 --> 00:48:53,880

many abductees claim it's the strange

1065

00:48:59,089 --> 00:48:55,500

foreign objects they found in their

1066

00:49:00,349 --> 00:48:59,099

bodies implanted they say by their alien

1067

00:49:02,680 --> 00:49:00,359

captors

1068

00:49:03,770 --> 00:49:02,690

their purpose unknown

1069

00:49:05,750 --> 00:49:03,780

[Music]

1070

00:49:07,970 --> 00:49:05,760

well the surgical removal of one of

1071

00:49:10,849 --> 00:49:07,980

these items be the proof of

1072

00:49:13,370 --> 00:49:10,859

aliens Among Us

1073

00:49:15,530 --> 00:49:13,380

with this procedure we finally have the

1074

00:49:18,370 --> 00:49:15,540

opportunity to get to the bottom of this

1075

00:49:20,930 --> 00:49:18,380

incredible mystery

1076

00:49:23,089 --> 00:49:20,940

Whitley Striba was already a successful

1077

00:49:25,370 --> 00:49:23,099

fiction writer when he published a

1078

00:49:28,010 --> 00:49:25,380

landmark book in 1987 about his own

1079

00:49:30,349 --> 00:49:28,020

abduction experience

1080

00:49:33,170 --> 00:49:30,359

the book *Communion* triggered an

1081

00:49:35,329 --> 00:49:33,180

unprecedented reaction around the world

1082

00:49:37,130 --> 00:49:35,339

I was shocked to find that thousands of

1083

00:49:38,270 --> 00:49:37,140

others said they had experiences similar

1084

00:49:40,550 --> 00:49:38,280

to mine

1085

00:49:42,650 --> 00:49:40,560

and many of them reported finding

1086

00:49:44,510 --> 00:49:42,660

strange foreign objects in their bodies

1087

00:49:47,210 --> 00:49:44,520

after their abductions

1088

00:49:48,829 --> 00:49:47,220

if these are alien implants it's a

1089

00:49:50,569 --> 00:49:48,839

horrifying thought

1090

00:49:53,030 --> 00:49:50,579

what are they for

1091

00:49:56,329 --> 00:49:53,040

we found one man who believes he has an

1092

00:49:59,720 --> 00:49:56,339

implant and wants it out of his body

1093

00:50:02,170 --> 00:49:59,730

he wishes to be referred to only as Paul

1094

00:50:04,609 --> 00:50:02,180

[Music]

1095

00:50:07,250 --> 00:50:04,619

Cole how did you first become aware that

1096

00:50:10,790 --> 00:50:07,260

you might have an implant I was skiing

1097

00:50:14,270 --> 00:50:10,800

with some friends I took a fall they

1098

00:50:17,150 --> 00:50:14,280

took an x-ray of the hand and there was

1099

00:50:19,069 --> 00:50:17,160

a strange object next to my thumb how

1100

00:50:21,109 --> 00:50:19,079

did you feel when you found out the

1101

00:50:23,809 --> 00:50:21,119

object was there well the first thing is

1102

00:50:25,910 --> 00:50:23,819

is why me I'm not a particularly

1103

00:50:28,970 --> 00:50:25,920

extraordinary person why would I be

1104

00:50:31,970 --> 00:50:28,980

tagged I had this feeling like I was a a

1105

00:50:34,550 --> 00:50:31,980

wild animal or a piece of cattle I don't

1106

00:50:36,650 --> 00:50:34,560

know how it's influencing my life my

1107

00:50:38,510 --> 00:50:36,660

thoughts my health I don't want that

1108

00:50:40,910 --> 00:50:38,520

thing in me

1109

00:50:41,870 --> 00:50:40,920

if I didn't give them permission put it

1110

00:50:46,490 --> 00:50:41,880

in

1111

00:50:49,010 --> 00:50:46,500

and it should be relatively simple

1112

00:50:49,790 --> 00:50:49,020

procedure to go in isolate it and remove

1113

00:50:52,490 --> 00:50:49,800

it

1114

00:50:55,849 --> 00:50:52,500

Los Angeles Dr Roger Lear and his

1115

00:50:59,030 --> 00:50:55,859

partner UFO researcher neeral sins have

1116

00:51:01,370 --> 00:50:59,040

studied hundreds of alien implant claims

1117

00:51:04,849 --> 00:51:01,380

and Lear himself has removed two objects

1118

00:51:07,549 --> 00:51:04,859

from the bodies of supposed abductees

1119

00:51:09,890 --> 00:51:07,559

these objects seem to be all over the

1120

00:51:12,530 --> 00:51:09,900

body deep inside the skull in the brain

1121

00:51:15,109 --> 00:51:12,540

near the lung virtually every place you

1122

00:51:17,270 --> 00:51:15,119

can imagine on human anatomy we are

1123

00:51:19,609 --> 00:51:17,280

trying to find out by a scientific

1124

00:51:22,430 --> 00:51:19,619

method and use those principles of

1125

00:51:24,530 --> 00:51:22,440

science to find out exactly what this

1126  
00:51:27,890 --> 00:51:24,540  
phenomena is and what's going on in

1127  
00:51:29,990 --> 00:51:27,900  
these individuals so far test results

1128  
00:51:31,910 --> 00:51:30,000  
have been inconclusive but Lee is

1129  
00:51:33,530 --> 00:51:31,920  
convinced the object in Paul's hand is

1130  
00:51:35,750 --> 00:51:33,540  
different and might be the evidence

1131  
00:51:39,470 --> 00:51:35,760  
they're looking for he bases this

1132  
00:51:42,609 --> 00:51:39,480  
conclusion on one curious detail Paul is

1133  
00:51:46,250 --> 00:51:42,619  
an interesting case we took a physical

1134  
00:51:48,589 --> 00:51:46,260  
examination of his hand and arm we

1135  
00:51:52,130 --> 00:51:48,599  
looked for The Telltale marks of the

1136  
00:51:54,530 --> 00:51:52,140  
portal of entry that we didn't see any

1137  
00:51:57,470 --> 00:51:54,540  
there was no scar it had to enter

1138  
00:51:59,750 --> 00:51:57,480

somewhere had to enter some hell

1139

00:52:02,150 --> 00:51:59,760

Paul has no memory of a previous injury

1140

00:52:04,730 --> 00:52:02,160

even as a boy

1141

00:52:06,470 --> 00:52:04,740

or perhaps this mystery isn't as

1142

00:52:09,230 --> 00:52:06,480

mysterious As It Seems

1143

00:52:12,230 --> 00:52:09,240

that this fragment went in along the

1144

00:52:15,049 --> 00:52:12,240

same lines as the creases of the thumb

1145

00:52:17,210 --> 00:52:15,059

you you may not have noticed it Dr

1146

00:52:18,589 --> 00:52:17,220

nazreen Babu Khan of the University of

1147

00:52:20,329 --> 00:52:18,599

Southern California School of Medicine

1148

00:52:22,250 --> 00:52:20,339

believes there's a more innocent

1149

00:52:24,349 --> 00:52:22,260

explanation for the mysterious object in

1150

00:52:25,970 --> 00:52:24,359

Paul's hand it's very easy to forget the

1151  
00:52:27,829 --> 00:52:25,980  
that you've been a bumper that you got

1152  
00:52:30,230 --> 00:52:27,839  
hurt or that you had a pencil poke you

1153  
00:52:32,089 --> 00:52:30,240  
in school a lot of people come in and

1154  
00:52:33,589 --> 00:52:32,099  
they have no recollection of it he may

1155  
00:52:36,049 --> 00:52:33,599  
have not noticed that something went

1156  
00:52:38,630 --> 00:52:36,059  
under his skin and the skin may have

1157  
00:52:40,849 --> 00:52:38,640  
healed over it very nicely not even

1158  
00:52:42,950 --> 00:52:40,859  
showing a scar

1159  
00:52:44,329 --> 00:52:42,960  
thus clearance Sims are convinced the

1160  
00:52:47,030 --> 00:52:44,339  
other foreign objects that have been

1161  
00:52:49,910 --> 00:52:47,040  
removed offer clues that suggest an

1162  
00:52:52,790 --> 00:52:49,920  
intelligence was involved

1163  
00:52:54,710 --> 00:52:52,800

the nerves they were attached to seems

1164

00:52:58,010 --> 00:52:54,720

to indicate that there was a procedure

1165

00:53:00,530 --> 00:52:58,020

there done that allows whoever did this

1166

00:53:02,750 --> 00:53:00,540

to monitor that person's biological

1167

00:53:06,109 --> 00:53:02,760

functions and even to control them they

1168

00:53:08,809 --> 00:53:06,119

could be tracking devices these could be

1169

00:53:12,190 --> 00:53:08,819

devices for monitoring a genetic change

1170

00:53:15,170 --> 00:53:12,200

or genetic progression in the body

1171

00:53:17,690 --> 00:53:15,180

perhaps if they are truly implants they

1172

00:53:21,230 --> 00:53:17,700

are there for a purpose where we as a

1173

00:53:23,630 --> 00:53:21,240

human being couldn't even surmise just

1174

00:53:24,890 --> 00:53:23,640

what is the foreign object inside Paul's

1175

00:53:27,349 --> 00:53:24,900

body

1176  
00:53:28,609 --> 00:53:27,359  
the only way to know for sure is to have

1177  
00:53:30,410 --> 00:53:28,619  
it removed

1178  
00:53:34,309 --> 00:53:30,420  
are you afraid

1179  
00:53:36,650 --> 00:53:34,319  
of having this taken out I am afraid of

1180  
00:53:38,510 --> 00:53:36,660  
what might happen when it's being taken

1181  
00:53:40,130 --> 00:53:38,520  
out has it been designed in a way that's

1182  
00:53:42,710 --> 00:53:40,140  
going to harm me when it's removed I

1183  
00:53:45,650 --> 00:53:42,720  
don't know am I anxious am I afraid sure

1184  
00:53:50,690 --> 00:53:45,660  
I am will I be relieved if it's not

1185  
00:53:50,700 --> 00:53:54,090  
everything in place

1186  
00:53:58,390 --> 00:53:55,370  
[Music]

1187  
00:54:08,829 --> 00:53:58,400  
the local anesthesia nuns Paul's hand

1188  
00:54:13,400 --> 00:54:11,809

the surgeon makes an incision and it's

1189

00:54:21,680 --> 00:54:13,410

time to remove the foreign object

1190

00:54:23,809 --> 00:54:21,690

[Music]

1191

00:54:25,610 --> 00:54:23,819

[Applause]

1192

00:54:56,470 --> 00:54:25,620

oh

1193

00:55:01,130 --> 00:54:56,480

[Music]

1194

00:55:03,650 --> 00:55:01,140

the object is dark almost black in color

1195

00:55:06,290 --> 00:55:03,660

I think it's fairly safe to say at this

1196

00:55:08,390 --> 00:55:06,300

point that this object is certainly not

1197

00:55:10,970 --> 00:55:08,400

similar to any of the usual objects

1198

00:55:13,130 --> 00:55:10,980

removed from the human body this is one

1199

00:55:15,470 --> 00:55:13,140

of the most unusual objects that I've

1200

00:55:19,330 --> 00:55:15,480

seen in the 34 years of the medical

1201

00:55:23,630 --> 00:55:21,589

[Music]

1202

00:55:25,670 --> 00:55:23,640

the first step in analyzing the object

1203

00:55:27,470 --> 00:55:25,680

was to study its surface

1204

00:55:30,049 --> 00:55:27,480

to do that it was examined through a

1205

00:55:32,150 --> 00:55:30,059

scanning electron microscope

1206

00:55:35,150 --> 00:55:32,160

this allowed for it to be magnified up

1207

00:55:36,950 --> 00:55:35,160

to 500 times its actual size

1208

00:55:39,170 --> 00:55:36,960

the object appeared to be predominantly

1209

00:55:41,930 --> 00:55:39,180

iron perhaps a small fragment of a steel

1210

00:55:44,089 --> 00:55:41,940

knife or tool

1211

00:55:46,430 --> 00:55:44,099

but in order to reach a more definitive

1212

00:55:49,930 --> 00:55:46,440

conclusion the unknown object had to be

1213

00:55:52,309 --> 00:55:49,940

analyzed under its surface on the inside

1214

00:55:54,829 --> 00:55:52,319

for that process it was brought to the

1215

00:55:56,990 --> 00:55:54,839

University of Texas in San Antonio

1216

00:55:59,089 --> 00:55:57,000

it looks like it might be an iron oxide

1217

00:56:01,190 --> 00:55:59,099

if we can crush it and get it to very

1218

00:56:07,010 --> 00:56:01,200

small size we'll be able to really get

1219

00:56:12,410 --> 00:56:09,530

the object resisted crushing

1220

00:56:14,930 --> 00:56:12,420

but an outside layer did flake off

1221

00:56:17,930 --> 00:56:14,940

this was put under x-ray diffraction and

1222

00:56:20,870 --> 00:56:17,940

the results of this test were curious

1223

00:56:23,329 --> 00:56:20,880

they couldn't imagine to any of the 65

1224

00:56:25,549 --> 00:56:23,339

000 known substances in their commuter

1225

00:56:29,329 --> 00:56:27,770

it's not in our file I'm not sure what

1226

00:56:32,930 --> 00:56:29,339

to think about that at the present time

1227

00:56:34,730 --> 00:56:32,940

that's as many known substances that we

1228

00:56:36,530 --> 00:56:34,740

have on the planet as possible

1229

00:56:39,370 --> 00:56:36,540

according to the lab's official report

1230

00:56:41,930 --> 00:56:39,380

if the material analyzed is indeed iron

1231

00:56:45,109 --> 00:56:41,940

it lacks any internal ordered

1232

00:56:47,210 --> 00:56:45,119

arrangement of atoms or ions

1233

00:56:50,150 --> 00:56:47,220

whatever substances make up this unknown

1234

00:56:51,470 --> 00:56:50,160

sample it's a mystery this test couldn't

1235

00:56:53,750 --> 00:56:51,480

solve

1236

00:56:56,210 --> 00:56:53,760

the combination of these elements could

1237

00:56:58,370 --> 00:56:56,220

be put together by Nature they could

1238

00:57:00,710 --> 00:56:58,380

have been put together by man or they

1239

00:57:04,190 --> 00:57:00,720

could be put together with a different

1240

00:57:05,750 --> 00:57:04,200

type of physics that we have little

1241

00:57:08,150 --> 00:57:05,760

knowledge of

1242

00:57:10,790 --> 00:57:08,160

this is an extraordinary Discovery why

1243

00:57:13,190 --> 00:57:10,800

can't it be identified it just confirms

1244

00:57:16,670 --> 00:57:13,200

for me that this abduction phenomenon

1245

00:57:19,080 --> 00:57:16,680

and now implant phenomenon must be taken

1246

00:57:20,569 --> 00:57:19,090

seriously and studied

1247

00:57:23,210 --> 00:57:20,579

[Music]

1248

00:57:25,130 --> 00:57:23,220

of course other tests may offer a more

1249

00:57:28,190 --> 00:57:25,140

conclusive analysis of what this unknown

1250

00:57:33,170 --> 00:57:30,770

until then Paul must deal with the

1251  
00:57:35,089 --> 00:57:33,180  
unexpected emotions he's felt since the

1252  
00:57:38,210 --> 00:57:35,099  
object was removed

1253  
00:57:38,990 --> 00:57:38,220  
I had this experience of emptiness sort

1254  
00:57:42,170 --> 00:57:39,000  
of like

1255  
00:57:44,450 --> 00:57:42,180  
of feeling like maybe a pet had died I'm

1256  
00:57:52,370 --> 00:57:44,460  
not sure how to explain it other than

1257  
00:57:58,210 --> 00:57:55,730  
why me for one reason he says he's been

1258  
00:58:02,150 --> 00:57:58,220  
abducted by aliens his whole life

1259  
00:58:03,530 --> 00:58:02,160  
and next is there a UFO cover-up there's

1260  
00:58:10,430 --> 00:58:03,540  
something there that the government

1261  
00:58:13,430 --> 00:58:12,049  
yeah

1262  
00:58:15,230 --> 00:58:13,440  
the internet

1263  
00:58:17,990 --> 00:58:15,240

perhaps the best evidence of our

1264

00:58:20,630 --> 00:58:18,000

fascination with the UFO phenomenon the

1265

00:58:24,049 --> 00:58:20,640

World Wide Web is today without a doubt

1266

00:58:27,950 --> 00:58:24,059

the world's largest repository of UFO

1267

00:58:31,730 --> 00:58:30,230

it's only here that ufologists can find

1268

00:58:35,470 --> 00:58:31,740

anything and everything they want to

1269

00:58:39,109 --> 00:58:35,480

know about the mystery of are we alone

1270

00:58:40,870 --> 00:58:39,119

the UFO subject virtually dwarfs all

1271

00:58:44,690 --> 00:58:40,880

other subjects on the internet

1272

00:58:47,930 --> 00:58:44,700

UFOs are the second most popular subject

1273

00:58:52,789 --> 00:58:47,940

in terms of web traffic and number of

1274

00:58:58,609 --> 00:58:54,710

foreign

1275

00:59:00,650 --> 00:58:58,619

countless UFO websites one stands out in

1276

00:59:02,329 --> 00:59:00,660

its attempt to reveal what many believe

1277

00:59:05,930 --> 00:59:02,339

is a concerted government effort to

1278

00:59:08,270 --> 00:59:05,940

cover up the existence of UFOs

1279

00:59:12,950 --> 00:59:08,280

and it's the brainchild of a 17 year old

1280

00:59:18,170 --> 00:59:14,990

what he's created has made him a folk

1281

00:59:21,230 --> 00:59:18,180

hero to the UFO community and quite a

1282

00:59:23,870 --> 00:59:21,240

nuisance to the United States government

1283

00:59:25,730 --> 00:59:23,880

almost like a an X-Files episode in our

1284

00:59:28,500 --> 00:59:25,740

house it's kind of my hidden other life

1285

00:59:29,520 --> 00:59:28,510

that not many people know about

1286

00:59:31,549 --> 00:59:29,530

[Music]

1287

00:59:33,710 --> 00:59:31,559

[Applause]

1288

00:59:36,289 --> 00:59:33,720

John Greenwald is The Mastermind of The

1289

00:59:38,510 --> 00:59:36,299

Black Vault a website doggedly devoted

1290

00:59:40,309 --> 00:59:38,520

to uncovering and unveiling once top

1291

00:59:42,770 --> 00:59:40,319

secret government documents relating to

1292

00:59:44,569 --> 00:59:42,780

UFOs

1293

00:59:47,089 --> 00:59:44,579

the black thought was kind of a name I

1294

00:59:49,370 --> 00:59:47,099

thought of late at night and really the

1295

00:59:52,370 --> 00:59:49,380

name is exactly what it is it's a vault

1296

00:59:54,530 --> 00:59:52,380

of information Jones website holds over

1297

00:59:56,809 --> 00:59:54,540

6 000 pages that he's obtained through

1298

00:59:58,970 --> 00:59:56,819

the Freedom of Information Act

1299

01:00:02,150 --> 00:59:58,980

these documents are displayed just as

1300

01:00:03,549 --> 01:00:02,160

John gets them with UFO information the

1301

01:00:05,990 --> 01:00:03,559

government doesn't want us to see

1302

01:00:10,130 --> 01:00:06,000

blacked out

1303

01:00:11,930 --> 01:00:10,140

paragraphs but what's interesting is

1304

01:00:15,470 --> 01:00:11,940

I'll find pages that are just completely

1305

01:00:17,390 --> 01:00:15,480

blacked out from top to bottom

1306

01:00:19,130 --> 01:00:17,400

the government position is that this

1307

01:00:21,530 --> 01:00:19,140

censorship is common in Declassified

1308

01:00:23,690 --> 01:00:21,540

documents and is necessary for National

1309

01:00:26,329 --> 01:00:23,700

Security

1310

01:00:27,950 --> 01:00:26,339

but John remains suspicious and the list

1311

01:00:30,049 --> 01:00:27,960

of government agencies he's contacted

1312

01:00:31,970 --> 01:00:30,059

reads like a Washington DC phone book

1313

01:00:33,890 --> 01:00:31,980

The Central Intelligence Agency that

1314

01:00:35,750 --> 01:00:33,900

defense intelligence agency there's been

1315

01:00:37,490 --> 01:00:35,760

about 10 Air Force bases that I've gone

1316

01:00:40,010 --> 01:00:37,500

to NORAD Office of the assistant

1317

01:00:41,150 --> 01:00:40,020

Secretary of Defense FBI lots of letters

1318

01:00:42,890 --> 01:00:41,160

to the Pentagon and there's different

1319

01:00:44,329 --> 01:00:42,900

offices independent headquarters for the

1320

01:00:47,390 --> 01:00:44,339

airport in the United States Navy United

1321

01:00:50,150 --> 01:00:47,400

States office there's been a lot there's

1322

01:00:51,289 --> 01:00:50,160

been a lot she's got a damp recital I

1323

01:00:53,150 --> 01:00:51,299

think we're the only family in

1324

01:00:55,609 --> 01:00:53,160

Northridge at least that gets calls from

1325

01:00:58,069 --> 01:00:55,619

the FBI and the CIA and they want to

1326

01:00:59,390 --> 01:00:58,079

know what he wants why he wants it they

1327

01:01:00,950 --> 01:00:59,400

don't realize that he's still in high

1328

01:01:02,870 --> 01:01:00,960

school

1329

01:01:05,390 --> 01:01:02,880

I think they probably do get annoyed

1330

01:01:06,890 --> 01:01:05,400

with my letters I don't get pushy I try

1331

01:01:09,109 --> 01:01:06,900

and be as polite as possible in the

1332

01:01:11,329 --> 01:01:09,119

letter but it's tough when they tell you

1333

01:01:15,370 --> 01:01:11,339

that there's no records on something and

1334

01:01:19,910 --> 01:01:17,750

John's internet detective work has led

1335

01:01:21,950 --> 01:01:19,920

to dramatic discoveries that have

1336

01:01:24,670 --> 01:01:21,960

impressed UFO conspiracy theorists

1337

01:01:26,990 --> 01:01:24,680

around the world the government

1338

01:01:29,930 --> 01:01:27,000

investigated UFOs with Project Blue Book

1339

01:01:31,670 --> 01:01:29,940

which ended in 1969 and since then

1340

01:01:34,490 --> 01:01:31,680

they've stated that there's been no

1341

01:01:35,990 --> 01:01:34,500

evidence to go into UFO sightings but

1342

01:01:38,089 --> 01:01:36,000

what I found with my Freedom of

1343

01:01:40,670 --> 01:01:38,099

Information Act requests and my letters

1344

01:01:43,549 --> 01:01:40,680

to different agencies I found reports

1345

01:01:45,710 --> 01:01:43,559

not ending with 1969 but going all the

1346

01:01:47,630 --> 01:01:45,720

way through the 1990s and the ones in

1347

01:01:51,890 --> 01:01:47,640

the 1990s are more heavily blacked out

1348

01:01:57,049 --> 01:01:54,770

one of John's many targets is Ohio's

1349

01:01:59,210 --> 01:01:57,059

right Patterson Air Force Base the

1350

01:02:01,849 --> 01:01:59,220

mythical home of captured alien bodies

1351

01:02:05,630 --> 01:02:03,890

so I sent one of my requests to

1352

01:02:07,849 --> 01:02:05,640

Wright-Patterson Air Force Base for all

1353

01:02:09,829 --> 01:02:07,859

UFO documentation and they sent me a

1354

01:02:13,309 --> 01:02:09,839

letter back stating that there was no

1355

01:02:15,829 --> 01:02:13,319

records at their office but four or five

1356

01:02:17,569 --> 01:02:15,839

months later I discovered that they had

1357

01:02:20,030 --> 01:02:17,579

almost a thousand Pages at

1358

01:02:21,650 --> 01:02:20,040

Wright-Patterson there's something there

1359

01:02:23,690 --> 01:02:21,660

that the government doesn't want us to

1360

01:02:26,450 --> 01:02:23,700

see

1361

01:02:31,730 --> 01:02:26,460

John's website receives over 33 000

1362

01:02:36,530 --> 01:02:33,950

this popularity that convinces him he's

1363

01:02:38,930 --> 01:02:36,540

on to something big but whatever is

1364

01:02:41,520 --> 01:02:38,940

behind that veil of black I don't know

1365

01:02:44,630 --> 01:02:41,530

but something is being covered up

1366

01:02:46,549 --> 01:02:44,640

[Music]

1367

01:02:49,849 --> 01:02:46,559

the fans of The Black Vault can expect

1368

01:02:51,770 --> 01:02:49,859

many more to classify documents on UFOs

1369

01:02:53,450 --> 01:02:51,780

then the government agencies that

1370

01:02:56,930 --> 01:02:53,460

already know his name can expect many

1371

01:02:59,049 --> 01:02:56,940

more lettuce when Mr John Greenwald

1372

01:03:01,370 --> 01:02:59,059

a young man with a lifetime of questions

1373

01:03:02,560 --> 01:03:01,380

and until they're answered we can never

1374

01:03:08,890 --> 01:03:02,570

be sure

1375

01:03:08,900 --> 01:03:19,309

thank you

1376

01:03:25,430 --> 01:03:22,970

we've seen some fascinating UFO footage

1377

01:03:26,870 --> 01:03:25,440

heard incredible accounts of alien

1378

01:03:28,910 --> 01:03:26,880

abductions

1379

01:03:30,770 --> 01:03:28,920

and even witnessed the surgical removal

1380

01:03:32,930 --> 01:03:30,780

of what some claim is

1381

01:03:35,510 --> 01:03:32,940

an alien implant

1382

01:03:38,030 --> 01:03:35,520

if any of this is true

1383

01:03:39,890 --> 01:03:38,040

what does it mean

1384

01:03:42,589 --> 01:03:39,900

Arthur Whitley strieber has found a man

1385

01:03:43,730 --> 01:03:42,599

whose story may seem too outrageous to

1386

01:03:45,770 --> 01:03:43,740

believe

1387

01:03:48,170 --> 01:03:45,780

but others say it offers a disturbing

1388

01:03:53,569 --> 01:03:48,180

answer to the question

1389

01:03:58,370 --> 01:03:56,210

while researching my books I've

1390

01:04:01,130 --> 01:03:58,380

personally investigated hundreds of

1391

01:04:02,930 --> 01:04:01,140

abduction cases but one man's story

1392

01:04:05,450 --> 01:04:02,940

truly haunts me

1393

01:04:07,970 --> 01:04:05,460

his name is Jesse Long

1394

01:04:10,789 --> 01:04:07,980

he claims to have been abducted many

1395

01:04:13,730 --> 01:04:10,799

times since he was a boy and the

1396

01:04:16,549 --> 01:04:13,740

abductions he describes are terrifying

1397

01:04:19,250 --> 01:04:16,559

if what Jesse tells me is true

1398

01:04:22,750 --> 01:04:19,260

then there is a very surprising future

1399

01:04:25,970 --> 01:04:22,760

in store for all of us

1400

01:04:27,230 --> 01:04:25,980

Jesse when do you first recall being

1401

01:04:29,990 --> 01:04:27,240

abducted

1402

01:04:32,450 --> 01:04:30,000

my first deduction occurred in 1957 when

1403

01:04:34,730 --> 01:04:32,460

I was five years old

1404

01:04:36,890 --> 01:04:34,740

in Rogersville Tennessee a very small

1405

01:04:38,780 --> 01:04:36,900

town in Upper East Tennessee

1406

01:04:45,650 --> 01:04:38,790

my brother John was with me at the time

1407

01:04:48,710 --> 01:04:45,660

[Music]

1408

01:04:50,450 --> 01:04:48,720

above the hill behind our house We Came

1409

01:04:51,730 --> 01:04:50,460

Upon what appeared to be a roundhouse

1410

01:04:56,030 --> 01:04:51,740

under construction

1411

01:04:58,970 --> 01:04:56,040

and one man a taller looking figure he

1412

01:05:00,950 --> 01:04:58,980

had a rod Long Rod in his hands

1413

01:05:05,280 --> 01:05:00,960

a light was emitted from and we were

1414

01:05:11,809 --> 01:05:09,589

[Music]

1415

01:05:14,109 --> 01:05:11,819

it is at this point that Jesse Long's

1416

01:05:16,730 --> 01:05:14,119

conscious memory of what happened ends

1417

01:05:18,410 --> 01:05:16,740

he says it's only through hypnosis that

1418

01:05:24,049 --> 01:05:18,420

he's been able to remember the rest of

1419

01:05:38,690 --> 01:05:26,450

what you are seeing is actual footage of

1420

01:05:44,150 --> 01:05:41,150

remember being taken into the craft

1421

01:05:45,010 --> 01:05:44,160

taken into one room I was placed on a

1422

01:05:46,569 --> 01:05:45,020

very

1423

01:05:50,150 --> 01:05:46,579

cold

1424

01:05:52,100 --> 01:05:50,160

flat table my brother was separated and

1425

01:06:10,789 --> 01:05:52,110

he was taken into another room

1426  
01:06:15,289 --> 01:06:12,950  
they were doing something down to my

1427  
01:06:26,210 --> 01:06:15,299  
legs I could feel them poking and

1428  
01:06:31,130 --> 01:06:28,130  
according to Jesse his abductors

1429  
01:06:34,250 --> 01:06:31,140  
inserted a small item an alien implant

1430  
01:06:37,010 --> 01:06:34,260  
into his left shin

1431  
01:06:39,109 --> 01:06:37,020  
it was in my body for 34 years

1432  
01:06:41,150 --> 01:06:39,119  
could you feel it inside you

1433  
01:06:43,670 --> 01:06:41,160  
what did it feel like it was always

1434  
01:06:45,589 --> 01:06:43,680  
painful I always had to wear my socks

1435  
01:06:48,410 --> 01:06:45,599  
below

1436  
01:06:49,789 --> 01:06:48,420  
the incision point because it was

1437  
01:06:52,670 --> 01:06:49,799  
painful

1438  
01:06:55,430 --> 01:06:52,680

in 1991 Jesse had the foreign object

1439

01:07:00,710 --> 01:06:55,440

removed from his leg there it is this is

1440

01:07:00,720 --> 01:07:05,210

oh

1441

01:07:11,750 --> 01:07:08,390

this is the object that was in my leg

1442

01:07:13,370 --> 01:07:11,760

and unfortunately during the initial

1443

01:07:14,930 --> 01:07:13,380

test that was done on it it was broken

1444

01:07:16,430 --> 01:07:14,940

into two pieces

1445

01:07:18,470 --> 01:07:16,440

but that allowed us to look with the

1446

01:07:20,750 --> 01:07:18,480

inside

1447

01:07:22,370 --> 01:07:20,760

some have dismissed the object is simply

1448

01:07:23,870 --> 01:07:22,380

a shot of glass

1449

01:07:26,690 --> 01:07:23,880

but when it was analyzed at Southwest

1450

01:07:28,130 --> 01:07:26,700

Research Institute a materials analysis

1451  
01:07:30,529 --> 01:07:28,140  
facility in Texas

1452  
01:07:31,490 --> 01:07:30,539  
the conclusion suggested a greater

1453  
01:07:33,950 --> 01:07:31,500  
mystery

1454  
01:07:37,010 --> 01:07:33,960  
according to the lab's report

1455  
01:07:39,950 --> 01:07:37,020  
the object revealed a very remarkable

1456  
01:07:42,049 --> 01:07:39,960  
composition and exhibited unique surface

1457  
01:07:45,349 --> 01:07:42,059  
characteristics that cannot be explained

1458  
01:07:46,860 --> 01:07:45,359  
and that the questions outnumber the

1459  
01:07:48,490 --> 01:07:46,870  
answers

1460  
01:07:51,170 --> 01:07:48,500  
[Music]

1461  
01:07:54,230 --> 01:07:51,180  
when the object was removed I was

1462  
01:07:55,970 --> 01:07:54,240  
convinced that whatever this object was

1463  
01:07:57,650 --> 01:07:55,980

had something to do with all of my

1464

01:07:59,750 --> 01:07:57,660

abductions

1465

01:08:01,670 --> 01:07:59,760

Jesse Long believes he has experienced

1466

01:08:05,450 --> 01:08:01,680

the number of abductions since that

1467

01:08:07,670 --> 01:08:05,460

first incident in 1957.

1468

01:08:10,190 --> 01:08:07,680

they became more and more horrific as he

1469

01:08:12,890 --> 01:08:10,200

grew into an adult

1470

01:08:15,829 --> 01:08:12,900

most of my abductions occurred very

1471

01:08:21,410 --> 01:08:17,209

when they brought me into the craft they

1472

01:08:21,420 --> 01:08:24,309

flat table

1473

01:08:29,689 --> 01:08:27,769

of course I was paralyzed and had to be

1474

01:08:31,309 --> 01:08:29,699

because I was kicking and screaming I

1475

01:08:37,179 --> 01:08:31,319

didn't want to be there

1476

01:08:41,630 --> 01:08:37,189

[Music]

1477

01:08:48,950 --> 01:08:42,950

the

1478

01:08:51,289 --> 01:08:48,960

sperm extraction

1479

01:08:52,070 --> 01:08:51,299

film extraction procedure is the most

1480

01:08:52,620 --> 01:08:52,080

traumatic

1481

01:08:53,990 --> 01:08:52,630

[Music]

1482

01:08:56,450 --> 01:08:54,000

[Applause]

1483

01:09:00,530 --> 01:08:56,460

and has caused me the most problems

1484

01:09:02,630 --> 01:09:00,540

in that they actually force me to

1485

01:09:24,289 --> 01:09:02,640

crossbreed with what seems to be a

1486

01:09:30,470 --> 01:09:27,210

foreign

1487

01:09:33,820 --> 01:09:32,689

what a way to make of such disturbing

1488

01:09:34,970 --> 01:09:33,830

## Tales

1489

01:09:36,950 --> 01:09:34,980

[Music]

1490

01:09:41,200 --> 01:09:36,960

good stories like Jesse's be based on

1491

01:09:41,210 --> 01:09:46,849

[Music]

1492

01:09:53,630 --> 01:09:51,050

fantasy prone people are criticized for

1493

01:09:56,510 --> 01:09:53,640

fantasizing except

1494

01:10:00,470 --> 01:09:56,520

if they fantasize that they have been

1495

01:10:03,169 --> 01:10:00,480

abducted by a UFO then they become a

1496

01:10:06,229 --> 01:10:03,179

celebrity and they will tell you an

1497

01:10:08,950 --> 01:10:06,239

elaborate story and the fantasy-prone

1498

01:10:11,810 --> 01:10:08,960

person will actually be writhing in pain

1499

01:10:14,750 --> 01:10:11,820

with tears streaming down his or her

1500

01:10:16,130 --> 01:10:14,760

face as they relive some painful

1501  
01:10:18,890 --> 01:10:16,140  
abduction experience that they've just

1502  
01:10:20,630 --> 01:10:18,900  
imagined and those people tend to be the

1503  
01:10:22,669 --> 01:10:20,640  
people who are boundary deficit

1504  
01:10:24,649 --> 01:10:22,679  
disordered they have problems with

1505  
01:10:26,930 --> 01:10:24,659  
relationships they always say I've

1506  
01:10:29,470 --> 01:10:26,940  
always felt like an outsider I don't

1507  
01:10:33,350 --> 01:10:29,480  
feel like I belong they can't hold jobs

1508  
01:10:35,810 --> 01:10:33,360  
they just have a tough time in life and

1509  
01:10:38,030 --> 01:10:35,820  
telling this person who's been lost and

1510  
01:10:39,649 --> 01:10:38,040  
outside and alone that they do belong

1511  
01:10:41,510 --> 01:10:39,659  
that they're an abductee that they have

1512  
01:10:43,669 --> 01:10:41,520  
an identity and that their other people

1513  
01:10:46,010 --> 01:10:43,679

just like them answers all of those

1514

01:10:47,570 --> 01:10:46,020

questions for them Jesse

1515

01:10:50,270 --> 01:10:47,580

when you tell people about your

1516

01:10:52,790 --> 01:10:50,280

experiences do they believe you

1517

01:10:53,930 --> 01:10:52,800

you know it's not my job to convince

1518

01:10:56,390 --> 01:10:53,940

anybody

1519

01:10:58,850 --> 01:10:56,400

it's my job just to tell you

1520

01:11:00,530 --> 01:10:58,860

what I've experienced if you believe it

1521

01:11:02,450 --> 01:11:00,540

fine if you don't believe it I don't

1522

01:11:04,790 --> 01:11:02,460

care

1523

01:11:07,729 --> 01:11:04,800

but Jesse's Amazing Story can apparently

1524

01:11:08,990 --> 01:11:07,739

be corroborated remember John Jesse's

1525

01:11:11,149 --> 01:11:09,000

younger brother

1526

01:11:16,390 --> 01:11:11,159

he claims he too was there on that

1527

01:11:20,630 --> 01:11:18,169

[Music]

1528

01:11:21,770 --> 01:11:20,640

John's own hypnosis confirms Jesse's

1529

01:11:24,050 --> 01:11:21,780

story

1530

01:11:25,490 --> 01:11:24,060

and perhaps in an effort to deal with

1531

01:11:27,410 --> 01:11:25,500

his dark memories

1532

01:11:33,250 --> 01:11:27,420

John has built this house for himself in

1533

01:11:38,570 --> 01:11:35,930

this is evidence that can't be ignored

1534

01:11:40,610 --> 01:11:38,580

and the story just gets more and more

1535

01:11:43,250 --> 01:11:40,620

disturbing

1536

01:11:45,890 --> 01:11:43,260

what Jesse says happened to him in 1990

1537

01:11:48,290 --> 01:11:45,900

May answer the question that hangs over

1538

01:11:55,310 --> 01:11:48,300

every abduction account why is this

1539

01:11:59,209 --> 01:11:55,940

driving

1540

01:12:05,930 --> 01:12:01,250

from south of Albuquerque New Mexico on

1541

01:12:18,530 --> 01:12:08,209

it's lifted off the interstate up into a

1542

01:12:24,649 --> 01:12:21,229

lan was taken aboard the craft

1543

01:12:26,149 --> 01:12:24,659

placed on a table but was presented with

1544

01:12:37,580 --> 01:12:26,159

a baby

1545

01:12:47,030 --> 01:12:45,050

[Music]

1546

01:12:50,270 --> 01:12:47,040

what happened then

1547

01:12:54,189 --> 01:12:50,280

and there were nine other children

1548

01:13:01,669 --> 01:12:56,510

they all looked at me

1549

01:13:04,970 --> 01:13:03,410

each of the children who were standing

1550

01:13:07,430 --> 01:13:04,980

along the wall

1551

01:13:09,110 --> 01:13:07,440

walked up to me lying on the table in

1552

01:13:12,530 --> 01:13:09,120

the age

1553

01:13:16,250 --> 01:13:12,540

touched my hand as they walked by and

1554

01:13:21,410 --> 01:13:18,550

and they walked on out of the room

1555

01:13:23,950 --> 01:13:21,420

and the message I was getting from them

1556

01:13:26,330 --> 01:13:23,960

was we're okay

1557

01:13:29,050 --> 01:13:26,340

thank you

1558

01:13:31,430 --> 01:13:29,060

if you could confront your abductors

1559

01:13:34,430 --> 01:13:31,440

what would you say to them

1560

01:13:38,990 --> 01:13:34,440

if I could sit down with one of them

1561

01:13:43,850 --> 01:13:41,270

I would want to know why me

1562

01:13:46,850 --> 01:13:43,860

and for one reason

1563

01:13:48,709 --> 01:13:46,860

we have thousands and thousands and

1564

01:13:50,570 --> 01:13:48,719

thousands of people coming forward with

1565

01:13:52,070 --> 01:13:50,580

these cases not only around the United

1566

01:13:54,590 --> 01:13:52,080

States but around the world as well

1567

01:13:57,350 --> 01:13:54,600

David Jacobs based his book the threat

1568

01:13:59,990 --> 01:13:57,360

on the explosive issue of hybrids the

1569

01:14:03,470 --> 01:14:00,000

cross-breeding of aliens with humans for

1570

01:14:05,330 --> 01:14:03,480

Jacobs stories Like Jesse Long's

1571

01:14:07,910 --> 01:14:05,340

are only the beginning

1572

01:14:09,830 --> 01:14:07,920

I think we are looking at a catastrophic

1573

01:14:12,470 --> 01:14:09,840

situation I think we are looking at a

1574

01:14:17,510 --> 01:14:15,169

we are seeing a unified program here

1575

01:14:19,430 --> 01:14:17,520

with these beings a program of

1576

01:14:23,270 --> 01:14:19,440

physiological exploitation by one

1577

01:14:27,950 --> 01:14:25,790

oh this sounds absolutely insane we're

1578

01:14:28,490 --> 01:14:27,960

looking at a colonization program in

1579

01:14:35,689 --> 01:14:28,500

some way

1580

01:14:35,699 --> 01:14:37,860

um

1581

01:14:43,250 --> 01:14:40,030

[Music]

1582

01:14:45,410 --> 01:14:43,260

next for the first time on television

1583

01:14:49,970 --> 01:14:45,420

Ohio police had a dramatic close

1584

01:14:54,530 --> 01:14:51,470

thank you

1585

01:14:56,030 --> 01:14:54,540

[Music]

1586

01:14:59,390 --> 01:14:56,040

for many

1587

01:15:01,010 --> 01:14:59,400

there's no such thing as a credible UFO

1588

01:15:03,530 --> 01:15:01,020

sighting

1589

01:15:05,870 --> 01:15:03,540

but what if the UFO is seen

1590

01:15:08,270 --> 01:15:05,880

by policemen

1591

01:15:10,430 --> 01:15:08,280

that's exactly what happened in Ohio in

1592

01:15:12,950 --> 01:15:10,440

1994.

1593

01:15:14,750 --> 01:15:12,960

for the first time on television you

1594

01:15:16,250 --> 01:15:14,760

will hear an actual police dispatch

1595

01:15:19,070 --> 01:15:16,260

recording

1596

01:15:21,470 --> 01:15:19,080

of a close encounter

1597

01:15:23,209 --> 01:15:21,480

the offices you'll meet

1598

01:15:24,770 --> 01:15:23,219

are real

1599

01:15:26,870 --> 01:15:24,780

the recording

1600

01:15:29,630 --> 01:15:26,880

is real

1601

01:15:33,470 --> 01:15:29,640

and the drama of that night

1602

01:15:38,149 --> 01:15:35,990

Trumbull County Ohio located just north

1603

01:15:41,270 --> 01:15:38,159

of Youngstown is a typically quiet

1604

01:15:43,490 --> 01:15:41,280

Midwestern Community here big news

1605

01:15:45,470 --> 01:15:43,500

doesn't happen very often

1606

01:15:49,310 --> 01:15:45,480

but all that changed on a late fall

1607

01:15:54,410 --> 01:15:51,950

just after midnight the normally com 911

1608

01:15:57,050 --> 01:15:54,420

dispatch Center began to get a flood of

1609

01:16:00,110 --> 01:15:57,060

calls reports of unidentified flying

1610

01:16:01,729 --> 01:16:00,120

object it was just one call after the

1611

01:16:03,950 --> 01:16:01,739

other that was just incredible

1612

01:16:06,410 --> 01:16:03,960

Roy and Rudolph was the Trumbull County

1613

01:16:08,750 --> 01:16:06,420

9-1-1 dispatch operator who fielded most

1614

01:16:10,610 --> 01:16:08,760

of the calls that night how far off the

1615

01:16:12,110 --> 01:16:10,620

ground is that everything from somebody

1616

01:16:14,330 --> 01:16:12,120

who's casually stating they saw

1617

01:16:16,610 --> 01:16:14,340

something in the air to somebody who was

1618

01:16:18,890 --> 01:16:16,620

hysterical and and thought that this was

1619

01:16:20,209 --> 01:16:18,900

Armageddon

1620

01:16:24,540 --> 01:16:20,219

was first thing

1621

01:16:30,229 --> 01:16:27,290

[Applause]

1622

01:16:32,149 --> 01:16:30,239

it's just kind of took it for okay this

1623

01:16:33,590 --> 01:16:32,159

is people being hysterical over a

1624

01:16:36,229 --> 01:16:33,600

weather balloon or this is people being

1625

01:16:38,270 --> 01:16:36,239

hysterical over a plane or a helicopter

1626

01:16:40,910 --> 01:16:38,280

I wonder could you have anyone call you

1627

01:16:43,189 --> 01:16:40,920

about a strange plane or airplane or

1628

01:16:45,770 --> 01:16:43,199

something in the air just where I was

1629

01:16:47,930 --> 01:16:45,780

coming downstairs I don't know what it

1630

01:16:50,090 --> 01:16:47,940

was it was a flying saucer so what does

1631

01:16:52,010 --> 01:16:50,100

it look like man it was like a uh almost

1632

01:16:54,890 --> 01:16:52,020

like an iridescent color it was like a

1633

01:16:57,530 --> 01:16:54,900

bluish purple

1634

01:16:59,689 --> 01:16:57,540

though skeptical royan put the word out

1635

01:17:03,350 --> 01:16:59,699

to the offices in the field

1636

01:17:07,669 --> 01:17:03,360

we were having a coffee break at a local

1637

01:17:10,189 --> 01:17:07,679

donut shop and we got a call from the

1638

01:17:12,590 --> 01:17:10,199

911 Center that stated that uh some

1639

01:17:15,110 --> 01:17:12,600

residents had seen lights in the sky in

1640

01:17:17,450 --> 01:17:15,120

a northern part of the township Liberty

1641

01:17:19,970 --> 01:17:17,460

Township Police Officer Steve remner and

1642

01:17:22,310 --> 01:17:19,980

Sergeant Toby miloro didn't know what to

1643

01:17:24,050 --> 01:17:22,320

think what took a few minutes we kind of

1644

01:17:25,850 --> 01:17:24,060

laughed about it

1645

01:17:28,370 --> 01:17:25,860

convinced it was nothing serious

1646

01:17:30,770 --> 01:17:28,380

Sergeant miloro an eight-year police

1647

01:17:31,729 --> 01:17:30,780

veteran headed out to investigate the

1648

01:17:34,310 --> 01:17:31,739

sightings

1649

01:17:36,530 --> 01:17:34,320

I believed that I was going to see uh if

1650

01:17:37,669 --> 01:17:36,540

anything a plane was Landing or a plane

1651  
01:17:44,930 --> 01:17:37,679  
was low

1652  
01:17:48,890 --> 01:17:46,850  
if I Toby would come back with some kind

1653  
01:17:53,640 --> 01:17:48,900  
of comfortable solution that we could

1654  
01:17:58,610 --> 01:17:55,010  
[Music]

1655  
01:18:02,630 --> 01:18:00,770  
when I got up in the area I was

1656  
01:18:04,130 --> 01:18:02,640  
approached by an elderly gentleman that

1657  
01:18:08,149 --> 01:18:04,140  
said that there was a huge light over

1658  
01:18:11,030 --> 01:18:08,159  
his house and had moved South down the

1659  
01:18:14,270 --> 01:18:11,040  
street I proceeded down Samson Drive

1660  
01:18:17,090 --> 01:18:14,280  
approximately a quarter mile

1661  
01:18:21,229 --> 01:18:17,100  
Sergeant Toby Melora was about to become

1662  
01:18:25,430 --> 01:18:23,570  
everything shut off in the vehicle I

1663  
01:18:26,390 --> 01:18:25,440

didn't understand what was going on my

1664

01:18:29,270 --> 01:18:26,400

car

1665

01:18:31,130 --> 01:18:29,280

completely stopped

1666

01:18:36,640 --> 01:18:31,140

and that's when the light hit the

1667

01:18:41,750 --> 01:18:39,050

[Music]

1668

01:18:43,970 --> 01:18:41,760

I've stood outside I was a little bit

1669

01:18:47,450 --> 01:18:43,980

dumbfounded I didn't know what exactly

1670

01:18:52,370 --> 01:18:49,070

and showed my alcohol I could see is

1671

01:18:57,310 --> 01:18:52,380

very intense white light it seemed to be

1672

01:19:09,110 --> 01:19:04,640

[Music]

1673

01:19:24,350 --> 01:19:12,530

but I've never never seen anything that

1674

01:19:31,850 --> 01:19:28,010

and the thing that was very strange was

1675

01:19:44,169 --> 01:19:34,490

after 30 seconds the object moved off

1676

01:19:50,689 --> 01:19:46,970

as soon as it started moving off my car

1677

01:19:52,729 --> 01:19:50,699

started back up and the radio kicked on

1678

01:19:57,100 --> 01:19:52,739

real quickly began Pursuit Of The Unborn

1679

01:19:57,110 --> 01:20:00,890

[Music]

1680

01:20:04,070 --> 01:20:02,630

I'm trying to put two and two together

1681

01:20:05,870 --> 01:20:04,080

and say what well what just happened

1682

01:20:08,510 --> 01:20:05,880

here

1683

01:20:09,950 --> 01:20:08,520

unable to keep up with UFO malora

1684

01:20:13,130 --> 01:20:09,960

radioed in to dispatch over the police

1685

01:20:15,110 --> 01:20:13,140

channels 914 a radio it's heading in the

1686

01:20:17,750 --> 01:20:15,120

north he told me in a you know very

1687

01:20:19,790 --> 01:20:17,760

serious town I saw something and I I

1688

01:20:22,850 --> 01:20:19,800

said Toby you're joking

1689

01:20:25,669 --> 01:20:22,860

and he came back and he said Roy I saw

1690

01:20:28,040 --> 01:20:25,679

something I could see a red flow

1691

01:20:29,209 --> 01:20:28,050

huge

1692

01:20:31,490 --> 01:20:29,219

[Music]

1693

01:20:33,709 --> 01:20:31,500

money anymore because it's getting to

1694

01:20:35,270 --> 01:20:33,719

the point where I don't know whether to

1695

01:20:41,570 --> 01:20:35,280

believe him or not

1696

01:20:46,570 --> 01:20:43,850

getting further away from me people are

1697

01:20:49,130 --> 01:20:46,580

serious they're very upset

1698

01:20:50,510 --> 01:20:49,140

I mean literally if you were underneath

1699

01:20:51,729 --> 01:20:50,520

it you could see it would be like

1700

01:20:54,890 --> 01:20:51,739

daylight

1701  
01:20:56,750 --> 01:20:54,900  
an object did come down at a low

1702  
01:20:59,390 --> 01:20:56,760  
elevation over this area

1703  
01:21:02,090 --> 01:20:59,400  
UFO researcher Kenny young wrote the

1704  
01:21:04,490 --> 01:21:02,100  
story of the Trumbull County incident it

1705  
01:21:06,709 --> 01:21:04,500  
was then observed by numerous other

1706  
01:21:10,310 --> 01:21:06,719  
police officers from different agencies

1707  
01:21:13,010 --> 01:21:10,320  
who were able to pursue the object

1708  
01:21:16,310 --> 01:21:13,020  
coming from different locations they

1709  
01:21:19,570 --> 01:21:16,320  
were able to triangulate its position

1710  
01:21:24,709 --> 01:21:22,750  
okay it looks like

1711  
01:21:28,149 --> 01:21:24,719  
it looks like it's running a little

1712  
01:21:34,729 --> 01:21:31,970  
at least 14 15 officers said that they

1713  
01:21:42,850 --> 01:21:34,739

saw something and we're discussing it

1714

01:21:51,410 --> 01:21:45,890

it changes colors from white to Red the

1715

01:21:55,790 --> 01:21:53,630

the sighting started to spread out to

1716

01:21:57,470 --> 01:21:55,800

neighboring streets to other communities

1717

01:21:58,669 --> 01:21:57,480

we're saying they were also seeing the

1718

01:22:01,490 --> 01:21:58,679

same thing

1719

01:22:03,770 --> 01:22:01,500

it took a whole different meaning and a

1720

01:22:06,649 --> 01:22:03,780

level of seriousness we contacted the

1721

01:22:09,100 --> 01:22:06,659

airport control tower to ask them to

1722

01:22:22,280 --> 01:22:09,110

check their radar

1723

01:22:22,290 --> 01:22:25,990

[Music]

1724

01:22:30,770 --> 01:22:28,910

of Youngstown and there is nothing out

1725

01:22:34,250 --> 01:22:30,780

there that's when I got the chill that

1726

01:22:36,770 --> 01:22:34,260

okay everybody can't be making up the

1727

01:22:38,330 --> 01:22:36,780

big bright light story according to all

1728

01:22:40,970 --> 01:22:38,340

the people I've spoken with

1729

01:22:42,649 --> 01:22:40,980

the FAA Tower operator in the tower

1730

01:22:44,630 --> 01:22:42,659

should have been able to see the object

1731

01:22:46,250 --> 01:22:44,640

from his vantage point I don't see

1732

01:22:49,550 --> 01:22:46,260

anything out there uh nothing on the

1733

01:22:53,630 --> 01:22:52,070

young requested the identity of the FAA

1734

01:22:55,490 --> 01:22:53,640

Tower operated through the Freedom of

1735

01:22:58,790 --> 01:22:55,500

Information Act

1736

01:23:00,890 --> 01:22:58,800

his request was denied I would like to

1737

01:23:02,750 --> 01:23:00,900

ask him could you visually observe

1738

01:23:05,350 --> 01:23:02,760

something from your Vantage Point 60

1739

01:23:09,290 --> 01:23:05,360

foot up in the air in a tower

1740

01:23:14,630 --> 01:23:11,930

offices got closer to the object they

1741

01:23:16,490 --> 01:23:14,640

radioed in with dramatic descriptions

1742

01:23:18,950 --> 01:23:16,500

they were able to discern a

1743

01:23:24,169 --> 01:23:18,960

parachute-like appendage attached to the

1744

01:23:29,590 --> 01:23:25,910

I've spoken with a number of the

1745

01:23:32,870 --> 01:23:29,600

officers involved in this is there

1746

01:23:39,850 --> 01:23:32,880

I've been satisfied that they are honest

1747

01:23:45,890 --> 01:23:43,370

[Music]

1748

01:23:54,130 --> 01:23:45,900

or even said he saw a structured object

1749

01:23:54,140 --> 01:24:03,430

[Music]

1750

01:24:08,510 --> 01:24:06,950

I had no idea what was going on you had

1751

01:24:10,970 --> 01:24:08,520

so many calls coming in from different

1752

01:24:12,350 --> 01:24:10,980

locations Lieutenant James Baker of the

1753

01:24:14,930 --> 01:24:12,360

Brookfield Township Police Department

1754

01:24:16,010 --> 01:24:14,940

heard the amazing UFO reports on His

1755

01:24:17,570 --> 01:24:16,020

Radio

1756

01:24:19,790 --> 01:24:17,580

I wanted to see for myself what

1757

01:24:21,770 --> 01:24:19,800

everybody was looking at I decided to go

1758

01:24:23,810 --> 01:24:21,780

to the old radar Tower this is the

1759

01:24:25,910 --> 01:24:23,820

highest point in Brookville Township and

1760

01:24:27,470 --> 01:24:25,920

I'm told in Trumbull County

1761

01:24:30,110 --> 01:24:27,480

what do you saw when he got to the top

1762

01:24:32,510 --> 01:24:30,120

of the tower wasn't just one UFO

1763

01:24:34,850 --> 01:24:32,520

he saw three

1764

01:24:37,550 --> 01:24:34,860

they formed a sort of triangle pattern

1765

01:24:40,370 --> 01:24:37,560

with the center light being raised up

1766

01:24:42,850 --> 01:24:40,380

above the other two oddly enough they

1767

01:24:45,410 --> 01:24:42,860

were changing colors

1768

01:24:47,090 --> 01:24:45,420

simultaneously from red yellow blue and

1769

01:24:49,010 --> 01:24:47,100

green all three lights would change at

1770

01:24:58,130 --> 01:24:49,020

the same time I got them right here I'm

1771

01:25:02,209 --> 01:25:00,169

and the one just was like flashing so

1772

01:25:04,550 --> 01:25:02,219

they threw those planets those guys were

1773

01:25:07,230 --> 01:25:04,560

talking about then their plants with

1774

01:25:08,510 --> 01:25:07,240

Christmas lights on this is weird

1775

01:25:13,430 --> 01:25:08,520

[Applause]

1776

01:25:18,709 --> 01:25:16,310

power please be a plane oh please I see

1777

01:25:20,750 --> 01:25:18,719

three lights changing colors and I've

1778

01:25:22,310 --> 01:25:20,760

heard no concrete explanation of what

1779

01:25:24,590 --> 01:25:22,320

they are and I certainly would welcome

1780

01:25:27,169 --> 01:25:24,600

any explanation and it's exactly

1781

01:25:29,390 --> 01:25:27,179

identical to what you would expect for a

1782

01:25:31,189 --> 01:25:29,400

a bright star or Planet low in the

1783

01:25:33,709 --> 01:25:31,199

horizon

1784

01:25:35,870 --> 01:25:33,719

James McGahey is an astronomer who has

1785

01:25:37,130 --> 01:25:35,880

investigated UFO claims for over 20

1786

01:25:39,050 --> 01:25:37,140

years

1787

01:25:41,209 --> 01:25:39,060

he believes there's an easy explanation

1788

01:25:43,310 --> 01:25:41,219

for the Trumbull County incident

1789

01:25:45,470 --> 01:25:43,320

this is a classic example of

1790

01:25:48,410 --> 01:25:45,480

scintillation scintillation is simply

1791

01:25:49,370 --> 01:25:48,420

what most people recognize as stars

1792

01:25:51,890 --> 01:25:49,380

twinkling

1793

01:25:54,110 --> 01:25:51,900

when the stars are low in the sky in

1794

01:25:58,669 --> 01:25:54,120

addition to twinkling they will also

1795

01:26:03,590 --> 01:26:00,590

peace officer who saw the very intense

1796

01:26:06,229 --> 01:26:03,600

bright light very likely saw a fireball

1797

01:26:08,450 --> 01:26:06,239

the Fireball is a very very bright

1798

01:26:10,689 --> 01:26:08,460

meteor that can be many times brighter

1799

01:26:13,129 --> 01:26:10,699

than the full moon I think the car

1800

01:26:15,430 --> 01:26:13,139

stalling was just a coincidence had

1801

01:26:17,689 --> 01:26:15,440

nothing to do with this whatsoever it

1802

01:26:19,250 --> 01:26:17,699

obviously it had to be involved in my

1803

01:26:20,689 --> 01:26:19,260

Crews were shutting down there was no

1804

01:26:22,450 --> 01:26:20,699

problem with my car because it started

1805

01:26:24,770 --> 01:26:22,460

back up

1806

01:26:26,629 --> 01:26:24,780

I was told that it may have been the

1807

01:26:27,910 --> 01:26:26,639

planet Mercury it was not the planet

1808

01:26:36,470 --> 01:26:27,920

Mercury

1809

01:26:39,050 --> 01:26:36,480

[Music]

1810

01:26:40,910 --> 01:26:39,060

another possible theory is that the UFO

1811

01:26:45,590 --> 01:26:40,920

was a top secret experimental aircraft

1812

01:26:51,110 --> 01:26:48,350

there's no indication evidence or record

1813

01:26:53,030 --> 01:26:51,120

of any kind that would indicate there

1814

01:26:56,510 --> 01:26:53,040

were any experimental Department of

1815

01:26:59,090 --> 01:26:56,520

Defense aircraft operating here I can't

1816

01:27:01,250 --> 01:26:59,100

you know speak for other people who say

1817

01:27:04,669 --> 01:27:01,260

they may or may not have seen something

1818

01:27:06,350 --> 01:27:04,679

what I can talk from with authority is

1819

01:27:07,910 --> 01:27:06,360

what happened here at the base and what

1820

01:27:10,669 --> 01:27:07,920

our involvement was and there was

1821

01:27:12,350 --> 01:27:10,679

apparently none if it was a plane it was

1822

01:27:13,729 --> 01:27:12,360

some kind of new plane because I've

1823

01:27:15,830 --> 01:27:13,739

never heard a plane that doesn't make a

1824

01:27:17,689 --> 01:27:15,840

sound these policemen and the citizens

1825

01:27:19,490 --> 01:27:17,699

who were looking at this are not trained

1826

01:27:21,530 --> 01:27:19,500

observers to look at the night sky

1827

01:27:24,709 --> 01:27:21,540

either from a standpoint of stars and

1828

01:27:27,050 --> 01:27:24,719

planets or meteors or fireballs and they

1829

01:27:29,510 --> 01:27:27,060

simply made a mistake

1830

01:27:32,750 --> 01:27:29,520

they saw something spectacular

1831

01:27:34,550 --> 01:27:32,760

it looks spectacular they equated it

1832

01:27:36,110 --> 01:27:34,560

with something unknown and the first

1833

01:27:38,270 --> 01:27:36,120

thing that popped into their mind was

1834

01:27:40,790 --> 01:27:38,280

the term UFO

1835

01:27:42,830 --> 01:27:40,800

and so no I don't question their their

1836

01:27:44,270 --> 01:27:42,840

sincerity I just question the fact that

1837

01:27:46,129 --> 01:27:44,280

they're reporting something and

1838

01:27:48,890 --> 01:27:46,139

believing it to be something that it's

1839

01:27:52,129 --> 01:27:48,900

not I'm not saying what I saw was it was

1840

01:27:54,950 --> 01:27:52,139

a spaceship from outer space okay uh

1841

01:27:57,709 --> 01:27:54,960

what I'm saying is I saw an object that

1842

01:28:00,290 --> 01:27:57,719

was not normal for this area it gave off

1843

01:28:02,570 --> 01:28:00,300

an intense light it shut my cruiser off

1844

01:28:04,310 --> 01:28:02,580

including my radio I lost contact with

1845

01:28:06,530 --> 01:28:04,320

the 911 Center

1846

01:28:07,970 --> 01:28:06,540

and it didn't make any noise it's

1847

01:28:11,149 --> 01:28:07,980

something that I've never seen before

1848

01:28:12,950 --> 01:28:11,159

I've never encountered before and I

1849

01:28:15,830 --> 01:28:12,960

haven't encountered it since

1850

01:28:17,510 --> 01:28:15,840

I do believe that they saw something I

1851

01:28:19,129 --> 01:28:17,520

don't believe that it was a star there

1852

01:28:21,410 --> 01:28:19,139

was something there when I walked away

1853

01:28:23,450 --> 01:28:21,420

from that night was a feeling that this

1854

01:28:25,070 --> 01:28:23,460

was a lot bigger than just a couple

1855

01:28:28,310 --> 01:28:25,080

people saying they saw a light in the

1856

01:28:30,110 --> 01:28:28,320

sky and it made us think maybe a small

1857

01:28:35,790 --> 01:28:30,120

place like Trumbull County could have

1858

01:28:38,270 --> 01:28:36,940

[Applause]

1859

01:28:40,870 --> 01:28:38,280

[Music]

1860

01:28:45,709 --> 01:28:43,310

[Applause]

1861

01:28:48,590 --> 01:28:45,719

just when you need it most it's Dollar

1862

01:28:50,810 --> 01:28:48,600

Days at Kmart you're probably out of a

1863

01:28:52,790 --> 01:28:50,820

lot of things right now so it's the

1864

01:28:54,649 --> 01:28:52,800

perfect time to get into Kmart and Shop

1865

01:28:55,950 --> 01:28:54,659

throughout the store for the things you

1866

01:28:57,709 --> 01:28:55,960

need throughout the house

1867

01:29:00,110 --> 01:28:57,719

[Music]

1868

01:29:02,330 --> 01:29:00,120

big savings on thousands of items are

1869

01:29:04,780 --> 01:29:02,340

waiting for you now

1870

01:29:07,189 --> 01:29:04,790

add it all up it's all about value

1871

01:29:09,470 --> 01:29:07,199

[Music]

1872

01:29:12,890 --> 01:29:09,480

don't miss Dollar Days at Kmart lowest

1873

01:29:16,310 --> 01:29:12,900

sale prices every time guaranteed

1874

01:29:19,189 --> 01:29:16,320

you have smooth beautiful skin waiting

1875

01:29:22,370 --> 01:29:19,199

to be revealed Jurgen skin smoothing

1876

01:29:25,430 --> 01:29:22,380

lotion with beta hydroxy to gently

1877

01:29:30,129 --> 01:29:25,440

exfoliate and smooth your skin Jergens

1878

01:29:37,129 --> 01:29:35,270

can you put a prize on love you betcha

1879

01:29:39,770 --> 01:29:37,139

if the object of your affection is a

1880

01:29:41,510 --> 01:29:39,780

McDonald's Big Mac just a dollar 22 for

1881

01:29:43,669 --> 01:29:41,520

the One of a Kind two all beef patty

1882

01:29:46,129 --> 01:29:43,679

taste that makes you swoon

1883

01:29:49,729 --> 01:29:46,139

or if you're a two-timer get cozy with

1884

01:29:52,189 --> 01:29:49,739

two Big Mac sandwiches for only 222 but

1885

01:29:54,890 --> 01:29:52,199

hurry your love may be Eternal but these

1886

01:29:59,150 --> 01:29:54,900

prices aren't where does one find such

1887

01:29:59,160 --> 01:30:04,970

[Music]

1888

01:30:10,129 --> 01:30:07,430

looks like one vacation is just more fun

1889

01:30:12,709 --> 01:30:10,139

we guarantee it Carnival the most

1890

01:30:15,649 --> 01:30:12,719

popular Cruise Line in the world

1891

01:30:17,270 --> 01:30:15,659

courage something shared by countless

1892

01:30:20,450 --> 01:30:17,280

Americans

1893

01:30:22,310 --> 01:30:20,460

those who risk their lives those who

1894

01:30:24,770 --> 01:30:22,320

battle serious illness when I was

1895

01:30:26,209 --> 01:30:24,780

diagnosed with prostate cancer I was

1896

01:30:28,729 --> 01:30:26,219

primarily concerned with riding myself

1897

01:30:30,770 --> 01:30:28,739

for the cancer but secondly I was

1898

01:30:33,050 --> 01:30:30,780

concerned about possible post-operative

1899

01:30:34,490 --> 01:30:33,060

side effects like erectile dysfunction

1900

01:30:36,830 --> 01:30:34,500

Ed

1901

01:30:39,110 --> 01:30:36,840

often called impotence you know it's a

1902

01:30:41,270 --> 01:30:39,120

little embarrassing to talk about Ed

1903

01:30:43,370 --> 01:30:41,280

but it's so important to millions of men

1904

01:30:45,770 --> 01:30:43,380

and their Partners but I decide to talk

1905

01:30:47,350 --> 01:30:45,780

about a publicly and after all it can be

1906

01:30:50,390 --> 01:30:47,360

associated with many conditions

1907

01:30:54,110 --> 01:30:50,400

including prostate surgery high blood

1908

01:30:55,370 --> 01:30:54,120

pressure diabetes or even smoking the

1909

01:30:57,950 --> 01:30:55,380

point I want to make is there are many

1910

01:31:00,530 --> 01:30:57,960

treatments available for Ed so my advice

1911

01:31:02,810 --> 01:31:00,540

is get a medical checkup it's the best

1912

01:31:04,850 --> 01:31:02,820

way to get educated about Ed and what

1913

01:31:05,930 --> 01:31:04,860

can be done to treat it it may take a

1914

01:31:07,610 --> 01:31:05,940

little courage

1915

01:31:10,720 --> 01:31:07,620

but I've always found that everything

1916

01:31:15,590 --> 01:31:12,830

[Music]

1917

01:31:17,390 --> 01:31:15,600

an exclusive offer from NBC home video

1918

01:31:19,189 --> 01:31:17,400

there's something there that the

1919

01:31:21,709 --> 01:31:19,199

government doesn't want us to see at

1920

01:31:23,709 --> 01:31:21,719

last we may have hard evidence of aliens

1921

01:31:26,629 --> 01:31:23,719

among us

1922

01:31:28,970 --> 01:31:26,639

please this is evidence that can't be

1923

01:31:32,530 --> 01:31:28,980

ignored now you can own the special

1924

01:31:35,629 --> 01:31:32,540

edition of confirmation call 1-800 NBC

1925

01:31:37,729 --> 01:31:35,639

2634 now you'll get the video with

1926

01:31:40,910 --> 01:31:37,739

exclusive bonus footage plus a free

1927

01:31:44,090 --> 01:31:40,920

collector's t-shirt all for only 24.95

1928

01:31:46,490 --> 01:31:44,100

plus shipping and handling

1929

01:31:48,350 --> 01:31:46,500

Skeptics and Believers will continue to

1930

01:31:50,870 --> 01:31:48,360

debate the question

1931

01:31:52,790 --> 01:31:50,880

are we really alone

1932

01:31:55,610 --> 01:31:52,800

now

1933

01:31:57,890 --> 01:31:55,620

we leave it up to you to decide

1934

01:31:59,510 --> 01:31:57,900

as for the future

1935

01:32:01,129 --> 01:31:59,520

people will continue to come forward

1936

01:32:04,990 --> 01:32:01,139

with the council

1937

01:32:07,570 --> 01:32:05,000

strange lights in the night sky and we

1938

01:32:10,669 --> 01:32:07,580

will continue to listen

1939

01:32:12,220 --> 01:32:10,679

I'm Robert zali

1940

01:32:23,040 --> 01:32:12,230

good night

1941

01:32:23,050 --> 01:32:29,290

[Music]
