

THE GRUSCH INTERVIEW

1
00:00:07,930 --> 00:00:05,820
foreign

2
00:00:10,730 --> 00:00:07,940
[Music]

3
00:00:12,830 --> 00:00:10,740
for the first time a former senior

4
00:00:15,709 --> 00:00:12,840
Military Intelligence officer comes

5
00:00:18,650 --> 00:00:15,719
forward to say what we've only imagined

6
00:00:22,310 --> 00:00:18,660
is true you are saying

7
00:00:24,410 --> 00:00:22,320
to the human race for the first time

8
00:00:26,810 --> 00:00:24,420
we are not alone

9
00:00:29,509 --> 00:00:26,820
we're definitely not alone claims that

10
00:00:33,110 --> 00:00:29,519
our government has proof of alien life

11
00:00:36,889 --> 00:00:33,120
we have spacecraft from another species

12
00:00:39,410 --> 00:00:36,899
we do yeah how many quite a number some

13
00:00:42,229 --> 00:00:39,420

are landed some are crashed allegations

14

00:00:45,290 --> 00:00:42,239

of a secret government program that has

15

00:00:47,529 --> 00:00:45,300

hidden the truth the technology from the

16

00:00:49,850 --> 00:00:47,539

world there's a sophisticated

17

00:00:52,069 --> 00:00:49,860

disinformation campaign targeting the

18

00:00:54,229 --> 00:00:52,079

U.S populace which is extremely

19

00:00:56,869 --> 00:00:54,239

unethical and immoral and it's totally

20

00:00:59,830 --> 00:00:56,879

totally frightening from Roswell to the

21

00:01:04,009 --> 00:01:02,229

there are non-presaic cases 100

22

00:01:06,230 --> 00:01:04,019

unexplainable I mean this is like

23

00:01:09,530 --> 00:01:06,240

tangible technical crafter seeing is

24

00:01:11,990 --> 00:01:09,540

this decorated officer a liar why should

25

00:01:14,390 --> 00:01:12,000

we believe you a fool is it possible

26
00:01:17,750 --> 00:01:14,400
that you're deluding yourself or a hero

27
00:01:19,910 --> 00:01:17,760
I'm a patriot and I believe the truth to

28
00:01:22,180 --> 00:01:19,920
power in this we're talking about the

29
00:01:24,230 --> 00:01:22,190
biggest secret in human history

30
00:01:27,710 --> 00:01:24,240
[Music]

31
00:01:31,130 --> 00:01:27,720
we are not alone the UFO whistleblower

32
00:01:35,390 --> 00:01:33,410
good evening I'm Elizabeth Vargas here

33
00:01:38,030 --> 00:01:35,400
to bring you a news Nation exclusive

34
00:01:41,330 --> 00:01:38,040
interview with a man we're calling the

35
00:01:43,429 --> 00:01:41,340
UFO whistleblower David grush is a

36
00:01:46,370 --> 00:01:43,439
career intelligence official who this

37
00:01:48,770 --> 00:01:46,380
week is making some bombshell claims of

38
00:01:52,429 --> 00:01:48,780

a U.S government cover-up going back

39

00:01:55,490 --> 00:01:52,439

nearly a century shedding light he says

40

00:01:58,310 --> 00:01:55,500

on that existential question are we

41

00:02:00,950 --> 00:01:58,320

alone news nation has confirmed David

42

00:02:04,550 --> 00:02:00,960

grush's credentials and resume we have

43

00:02:06,609 --> 00:02:04,560

not seen or verified the alleged proof

44

00:02:10,490 --> 00:02:06,619

he says he's provided to investigators

45

00:02:13,670 --> 00:02:10,500

but we want you to hear his story so you

46

00:02:16,070 --> 00:02:13,680

can decide for yourself Mr grush sat

47

00:02:18,650 --> 00:02:16,080

down with investigative journalist Ross

48

00:02:20,809 --> 00:02:18,660

coltart who is reporting for news Nation

49

00:02:22,970 --> 00:02:20,819

Mr coldheart is an award-winning

50

00:02:25,070 --> 00:02:22,980

journalist and author who is reported

51
00:02:27,589 --> 00:02:25,080
for the Australian version of 60 Minutes

52
00:02:29,990 --> 00:02:27,599
as well as other news programs in his

53
00:02:32,210 --> 00:02:30,000
home country what you're about to see is

54
00:02:34,850 --> 00:02:32,220
part of their conversation touching on

55
00:02:37,430 --> 00:02:34,860
Mr grush's work with the UAP task force

56
00:02:40,550 --> 00:02:37,440
his background and his service to this

57
00:02:43,670 --> 00:02:40,560
country and the alleged secret military

58
00:02:44,990 --> 00:02:43,680
program about which he says the world

59
00:02:48,110 --> 00:02:45,000
needs to know

60
00:02:50,449 --> 00:02:48,120
for decades the UFO question has been

61
00:02:53,809 --> 00:02:50,459
consigned to the realm of speculation

62
00:02:55,970 --> 00:02:53,819
but in recent years serious people have

63
00:02:58,309 --> 00:02:55,980

started taking the subject seriously

64

00:03:00,530 --> 00:02:58,319

you'll see it come through the top of

65

00:03:02,990 --> 00:03:00,540

the screen there it goes prompted in

66

00:03:05,630 --> 00:03:03,000

part by the release of these videos

67

00:03:08,150 --> 00:03:05,640

purporting to show encounters between

68

00:03:11,570 --> 00:03:08,160

American Naval aviators and what the

69

00:03:14,390 --> 00:03:11,580

Pentagon has labeled unidentified aerial

70

00:03:16,790 --> 00:03:14,400

or anomalous phenomena Congress has

71

00:03:20,449 --> 00:03:16,800

convened hearings to determine what

72

00:03:23,449 --> 00:03:20,459

these UAP are and what threat they might

73

00:03:25,070 --> 00:03:23,459

pose if UAP do indeed represent a

74

00:03:27,290 --> 00:03:25,080

Potential Threat to our security then

75

00:03:29,330 --> 00:03:27,300

the capabilities systems processes and

76
00:03:31,550 --> 00:03:29,340
sources we use to observe recorded study

77
00:03:33,890 --> 00:03:31,560
or analyze these phenomena need to be

78
00:03:36,229 --> 00:03:33,900
classified at appropriate levels the

79
00:03:39,290 --> 00:03:36,239
Department of Defense has established a

80
00:03:42,890 --> 00:03:39,300
special team formerly known as the UAP

81
00:03:46,130 --> 00:03:42,900
task force recently renamed the all

82
00:03:49,490 --> 00:03:46,140
domain anomaly resolution office or

83
00:03:51,830 --> 00:03:49,500
Arrow to investigate and identify what

84
00:03:54,949 --> 00:03:51,840
are now hundreds of reported sightings

85
00:03:57,890 --> 00:03:54,959
so far they have not confirmed any of

86
00:04:00,410 --> 00:03:57,900
them to constitute proof of alien life

87
00:04:05,149 --> 00:04:00,420
officially the government continues to

88
00:04:07,789 --> 00:04:05,159

State we are indeed alone but now for

89

00:04:10,190 --> 00:04:07,799

the first time a former member of that

90

00:04:12,289 --> 00:04:10,200

official investigative team is speaking

91

00:04:15,589 --> 00:04:12,299

out telling a stunning story that

92

00:04:17,990 --> 00:04:15,599

impacts every person on this planet

93

00:04:20,689 --> 00:04:18,000

and now you're about to meet that man

94

00:04:24,290 --> 00:04:20,699

for the very first time in this

95

00:04:25,969 --> 00:04:24,300

exclusive television interview

96

00:04:30,469 --> 00:04:25,979

welcome

97

00:04:35,629 --> 00:04:32,930

maybe start off telling me your name and

98

00:04:37,370 --> 00:04:35,639

who you are my name is uh David grush

99

00:04:39,170 --> 00:04:37,380

you know I came from a blue-collar

100

00:04:40,610 --> 00:04:39,180

family in Pittsburgh I didn't have the

101
00:04:43,790 --> 00:04:40,620
money for college

102
00:04:45,110 --> 00:04:43,800
always admired people in uniform and

103
00:04:47,090 --> 00:04:45,120
I've always wanted to be a part of

104
00:04:49,909 --> 00:04:47,100
something bigger than myself you know 18

105
00:04:52,550 --> 00:04:49,919
years ago you know I got a Air Force

106
00:04:54,050 --> 00:04:52,560
scholarship for physics I originally

107
00:04:57,350 --> 00:04:54,060
commissioned on active duty in the Air

108
00:04:59,510 --> 00:04:57,360
Force served 14 years in the Air Force I

109
00:05:02,570 --> 00:04:59,520
look at this Photograph Dave

110
00:05:04,370 --> 00:05:02,580
and I see a very proud officer I was

111
00:05:06,290 --> 00:05:04,380
getting promoted the captain when I was

112
00:05:08,689 --> 00:05:06,300
deployed and you still love your country

113
00:05:11,570 --> 00:05:08,699

don't you absolutely a career

114

00:05:13,730 --> 00:05:11,580

intelligence officer grush spent time on

115

00:05:16,610 --> 00:05:13,740

the ground in Afghanistan and other

116

00:05:19,490 --> 00:05:16,620

places he can't mention before rotating

117

00:05:22,610 --> 00:05:19,500

back to Washington I was an Intel

118

00:05:26,409 --> 00:05:22,620

officer for the U.S for 14 years my last

119

00:05:29,570 --> 00:05:26,419

position which I left in April of 2023

120

00:05:31,430 --> 00:05:29,580

I co-led the UAP portfolio for the

121

00:05:33,350 --> 00:05:31,440

National geospatial Intelligence Agency

122

00:05:34,850 --> 00:05:33,360

and some of the highest officials within

123

00:05:36,770 --> 00:05:34,860

the Department of Defense and

124

00:05:38,570 --> 00:05:36,780

intelligence Community used to call on

125

00:05:41,930 --> 00:05:38,580

me to advise them on some of the hardest

126
00:05:44,990 --> 00:05:41,940
Target sets that the country had you are

127
00:05:47,390 --> 00:05:45,000
one of the most trusted

128
00:05:49,010 --> 00:05:47,400
former intelligence officials in the U.S

129
00:05:51,590 --> 00:05:49,020
defense and intelligence establishment

130
00:05:53,330 --> 00:05:51,600
yes I was you were trusted with the most

131
00:05:54,590 --> 00:05:53,340
Intimate Secrets

132
00:05:57,529 --> 00:05:54,600
yes

133
00:06:00,409 --> 00:05:57,539
and he says the most earth-shattering of

134
00:06:04,189 --> 00:06:00,419
those secrets were revealed after 2019

135
00:06:05,810 --> 00:06:04,199
when he was invited to join the UAP task

136
00:06:09,050 --> 00:06:05,820
force you had the security

137
00:06:13,249 --> 00:06:09,060
classifications to go anywhere and ask

138
00:06:14,390 --> 00:06:13,259

anyone anything I had based on my formal

139

00:06:17,390 --> 00:06:14,400

security clearance and multiple

140

00:06:20,990 --> 00:06:17,400

polygraphs I had the ability uh to be

141

00:06:23,570 --> 00:06:21,000

read into any program that I needed at

142

00:06:26,570 --> 00:06:23,580

one point in time I was extremely highly

143

00:06:29,150 --> 00:06:26,580

cleared what conclusion did you come to

144

00:06:32,510 --> 00:06:29,160

at the end of your time on the UAP task

145

00:06:36,590 --> 00:06:32,520

force the UAP task forces refused access

146

00:06:38,510 --> 00:06:36,600

to a broad crash retrieval program

147

00:06:39,230 --> 00:06:38,520

when you say crash retrieval what do you

148

00:06:42,170 --> 00:06:39,240

mean

149

00:06:44,689 --> 00:06:42,180

these are retrieving non-human origin

150

00:06:47,510 --> 00:06:44,699

technical Vehicles you know call it

151
00:06:50,090 --> 00:06:47,520
spacecraft if you will non-human exotic

152
00:06:53,090 --> 00:06:50,100
origin vehicles that have either landed

153
00:06:55,610 --> 00:06:53,100
or crashed we have spacecraft from

154
00:06:57,050 --> 00:06:55,620
another species we do yeah

155
00:07:00,770 --> 00:06:57,060
how many

156
00:07:02,210 --> 00:07:00,780
quite a number you're kidding no I

157
00:07:04,189 --> 00:07:02,220
thought it was totally nuts and I

158
00:07:06,710 --> 00:07:04,199
thought at first I was being deceived it

159
00:07:09,650 --> 00:07:06,720
was a ruse people started confiding in

160
00:07:11,090 --> 00:07:09,660
me they approached me I have plenty of

161
00:07:13,430 --> 00:07:11,100
current former senior Intelligence

162
00:07:15,350 --> 00:07:13,440
Officers that came to me many which I

163
00:07:17,029 --> 00:07:15,360

knew almost my whole career that

164

00:07:19,370 --> 00:07:17,039

confided to me they were a part of a

165

00:07:20,950 --> 00:07:19,380

program they named the program I've

166

00:07:24,529 --> 00:07:20,960

never heard of it

167

00:07:25,790 --> 00:07:24,539

and they they told me based on the oral

168

00:07:27,350 --> 00:07:25,800

testimony

169

00:07:28,909 --> 00:07:27,360

um and they provided me documents and

170

00:07:30,830 --> 00:07:28,919

other other proof

171

00:07:33,430 --> 00:07:30,840

that there was in fact a program that

172

00:07:36,490 --> 00:07:33,440

the UAP task force was uh not read into

173

00:07:40,730 --> 00:07:36,500

you are alleging that the U.S government

174

00:07:41,990 --> 00:07:40,740

has been concealing the existence on

175

00:07:44,450 --> 00:07:42,000

this planet

176

00:07:46,370 --> 00:07:44,460

of alien life

177

00:07:48,409 --> 00:07:46,380

I would couch it as non-human

178

00:07:50,390 --> 00:07:48,419

intelligence you know nhi like we would

179

00:07:52,670 --> 00:07:50,400

like to say in our our language why do

180

00:07:54,469 --> 00:07:52,680

you say that why do you say nhi I don't

181

00:07:56,029 --> 00:07:54,479

want to necessarily denote origin I

182

00:07:59,210 --> 00:07:56,039

don't think we have all the data to say

183

00:08:01,550 --> 00:07:59,220

oh they're coming from a certain a

184

00:08:02,990 --> 00:08:01,560

certain location and I and I I couch it

185

00:08:04,670 --> 00:08:03,000

as somebody who studied physics where

186

00:08:06,770 --> 00:08:04,680

maybe they're coming from a different

187

00:08:08,689 --> 00:08:06,780

physical Dimension as described in

188

00:08:11,629 --> 00:08:08,699

quantum mechanics we know there's extra

189

00:08:13,670 --> 00:08:11,639

Dimensions due to higher high energy

190

00:08:15,110 --> 00:08:13,680

particle collisions Etc and there's a

191

00:08:16,670 --> 00:08:15,120

theoretical framework to explain that

192

00:08:20,089 --> 00:08:16,680

yeah just let me cut to the quick though

193

00:08:22,969 --> 00:08:20,099

you're saying there is an intelligent

194

00:08:25,070 --> 00:08:22,979

species engaging with this planet yes

195

00:08:27,230 --> 00:08:25,080

that's potentially extraterrestrial yeah

196

00:08:32,930 --> 00:08:27,240

I speak for everybody sitting at home

197

00:08:35,510 --> 00:08:32,940

that is a shock it was to me and I had a

198

00:08:38,149 --> 00:08:35,520

lot of sleepless nights grush says he's

199

00:08:40,730 --> 00:08:38,159

never personally seen non-human

200

00:08:43,670 --> 00:08:40,740

intelligence but he's spoken to enough

201
00:08:45,949 --> 00:08:43,680
people directly involved in what he

202
00:08:48,769 --> 00:08:45,959
calls the pro program that he's

203
00:08:50,810 --> 00:08:48,779
convinced it's real I started out as a

204
00:08:53,630 --> 00:08:50,820
non-believer I came to the the problem

205
00:08:55,550 --> 00:08:53,640
as a hardcore physics guy Intel officer

206
00:08:58,150 --> 00:08:55,560
so I have a you know excuse my language

207
00:09:00,230 --> 00:08:58,160
high factor I was very methodical

208
00:09:02,269 --> 00:09:00,240
interviewing people who didn't know each

209
00:09:04,670 --> 00:09:02,279
other making sure this wasn't some kind

210
00:09:07,610 --> 00:09:04,680
of cover-up of some other program he

211
00:09:09,889 --> 00:09:07,620
says he pressed to gain direct access to

212
00:09:12,590 --> 00:09:09,899
this program and that's when his trouble

213
00:09:15,650 --> 00:09:12,600

started Crush claims his investigation

214

00:09:17,990 --> 00:09:15,660

was stymied his requests for Access

215

00:09:19,910 --> 00:09:18,000

rebuffed they shut the door on my face

216

00:09:23,150 --> 00:09:19,920

they denied me access to these programs

217

00:09:26,269 --> 00:09:23,160

soon after he says he endured reprisals

218

00:09:28,310 --> 00:09:26,279

and retaliation from above he then

219

00:09:30,610 --> 00:09:28,320

reported that information to the

220

00:09:34,250 --> 00:09:30,620

intelligence Community Inspector General

221

00:09:37,550 --> 00:09:34,260

that's why he's filed this whistleblower

222

00:09:40,730 --> 00:09:37,560

complaint he says that experience is why

223

00:09:43,850 --> 00:09:40,740

he decided to go public here and in a

224

00:09:46,250 --> 00:09:43,860

recent article written by Leslie Kane in

225

00:09:48,230 --> 00:09:46,260

the debris you're not being paid for

226

00:09:50,449 --> 00:09:48,240

this interview no I'm not why are you

227

00:09:52,910 --> 00:09:50,459

doing this it's a sense of service you

228

00:09:54,769 --> 00:09:52,920

know call me a Boy Scout or whatever it

229

00:09:57,230 --> 00:09:54,779

just say when I saw the kind of

230

00:10:00,650 --> 00:09:57,240

wrongdoing I did I don't want to be 60

231

00:10:02,990 --> 00:10:00,660

70 years old in the future and uh have

232

00:10:05,329 --> 00:10:03,000

that you know Coulda Shoulda Woulda kind

233

00:10:07,790 --> 00:10:05,339

of uh feeling where I I could have made

234

00:10:11,030 --> 00:10:07,800

a difference I did not want to live a

235

00:10:14,449 --> 00:10:11,040

life of regret you are saying

236

00:10:16,550 --> 00:10:14,459

to the human race for the first time

237

00:10:18,710 --> 00:10:16,560

an official

238

00:10:21,350 --> 00:10:18,720

intelligence representative at a high

239

00:10:22,490 --> 00:10:21,360

level from the U.S government is saying

240

00:10:24,769 --> 00:10:22,500

publicly

241

00:10:27,170 --> 00:10:24,779

we are not alone we're definitely not

242

00:10:29,090 --> 00:10:27,180

alone absolutely the data points

243

00:10:32,150 --> 00:10:29,100

empirically that we're not alone yeah

244

00:10:34,310 --> 00:10:32,160

you've said that we have the United

245

00:10:36,050 --> 00:10:34,320

States has

246

00:10:38,630 --> 00:10:36,060

spacecraft

247

00:10:42,250 --> 00:10:38,640

intact craft we do

248

00:10:45,350 --> 00:10:42,260

do we have bodies do we have species

249

00:10:46,670 --> 00:10:45,360

well naturally when you recover

250

00:10:47,690 --> 00:10:46,680

something that's either landed or

251
00:10:48,290 --> 00:10:47,700
crashed

252
00:10:51,230 --> 00:10:48,300
um

253
00:10:53,990 --> 00:10:51,240
sometimes you encounter dead pilots and

254
00:10:56,269 --> 00:10:54,000
believe it or not as fan as Fantastical

255
00:11:00,170 --> 00:10:56,279
as that sounds

256
00:11:01,550 --> 00:11:00,180
it's true have you seen spacecraft I've

257
00:11:03,470 --> 00:11:01,560
seen some interesting photos and I've

258
00:11:06,230 --> 00:11:03,480
read some very interesting reports but

259
00:11:09,110 --> 00:11:06,240
he says the specific documents and

260
00:11:12,170 --> 00:11:09,120
photos that would prove his claims are

261
00:11:14,269 --> 00:11:12,180
still classified and he cannot disclose

262
00:11:16,790 --> 00:11:14,279
them here let's deal with the issue of

263
00:11:19,490 --> 00:11:16,800

your credibility

264

00:11:22,069 --> 00:11:19,500

why should we believe you you're just

265

00:11:25,310 --> 00:11:22,079

somebody coming out of nowhere making

266

00:11:26,930 --> 00:11:25,320

claims that we really ultimately can't

267

00:11:29,449 --> 00:11:26,940

prove yeah

268

00:11:31,250 --> 00:11:29,459

well we we provided the the proof

269

00:11:34,069 --> 00:11:31,260

internally to the Inspector General and

270

00:11:37,009 --> 00:11:34,079

the hill staff when all the details I

271

00:11:39,230 --> 00:11:37,019

mean I have the credentials uh I was an

272

00:11:42,110 --> 00:11:39,240

intelligence officer on the UAP task

273

00:11:45,290 --> 00:11:42,120

force but let's face it allegations of

274

00:11:47,990 --> 00:11:45,300

aliens and this spacecraft are hard to

275

00:11:51,110 --> 00:11:48,000

accept even coming from a respected

276

00:11:55,130 --> 00:11:51,120

Insider even if you call them nhi and

277

00:11:58,190 --> 00:11:55,140

UAP how could such nhi travel to earth

278

00:12:00,769 --> 00:11:58,200

in the first place and go undetected by

279

00:12:04,250 --> 00:12:00,779

the general public grush says the craft

280

00:12:07,269 --> 00:12:04,260

may not be traveling through space as we

281

00:12:09,650 --> 00:12:07,279

understand it it is a well established

282

00:12:12,290 --> 00:12:09,660

fact at least mathematically and based

283

00:12:14,410 --> 00:12:12,300

on empirical observation and Analysis

284

00:12:17,569 --> 00:12:14,420

that there most likely are physical

285

00:12:20,329 --> 00:12:17,579

additional spatial Dimensions you could

286

00:12:22,850 --> 00:12:20,339

imagine on four and five d space where

287

00:12:24,769 --> 00:12:22,860

what we experience is linear time ends

288

00:12:26,630 --> 00:12:24,779

up being a physical dimension for in

289

00:12:28,430 --> 00:12:26,640

higher dimensional space where if you

290

00:12:31,430 --> 00:12:28,440

were living there you could translate

291

00:12:33,850 --> 00:12:31,440

across what we perceive as a linear flow

292

00:12:37,009 --> 00:12:33,860

so there is a

293

00:12:39,290 --> 00:12:37,019

possibility that and this is a theory

294

00:12:40,730 --> 00:12:39,300

here I'm not saying this is 100 the case

295

00:12:43,370 --> 00:12:40,740

but

296

00:12:45,710 --> 00:12:43,380

uh it could be that this is not

297

00:12:47,329 --> 00:12:45,720

necessarily extraterrestrial and that's

298

00:12:49,970 --> 00:12:47,339

actually coming from a higher

299

00:12:51,769 --> 00:12:49,980

dimensional physical space that might be

300

00:12:54,829 --> 00:12:51,779

co-located

301
00:12:57,710 --> 00:12:54,839
um you know right here what can you tell

302
00:13:01,430 --> 00:12:57,720
me about these craft these Technologies

303
00:13:04,310 --> 00:13:01,440
why do you know it's exotic uh based on

304
00:13:06,769 --> 00:13:04,320
uh the very specific properties that I

305
00:13:08,870 --> 00:13:06,779
was briefed on you know isotopic ratios

306
00:13:10,250 --> 00:13:08,880
that would have to be engineered for it

307
00:13:12,290 --> 00:13:10,260
to be

308
00:13:15,650 --> 00:13:12,300
um at those levels but also just

309
00:13:19,009 --> 00:13:15,660
extremely uh

310
00:13:21,470 --> 00:13:19,019
strange heavy Atomic metal you know high

311
00:13:24,590 --> 00:13:21,480
up in the periodic table Arrangements

312
00:13:26,509 --> 00:13:24,600
that we don't understand you know what

313
00:13:30,170 --> 00:13:26,519

the emergent properties are but there's

314

00:13:33,290 --> 00:13:30,180

just a very strange mix of um elements

315

00:13:35,870 --> 00:13:33,300

so you're absolutely sure that the

316

00:13:39,350 --> 00:13:35,880

materials that these crafts are made of

317

00:13:41,810 --> 00:13:39,360

are clearly not of this Earth yeah

318

00:13:44,509 --> 00:13:41,820

they're sophisticatedly engineered

319

00:13:47,389 --> 00:13:44,519

um certainly not by humans and while

320

00:13:49,370 --> 00:13:47,399

grush says the U.S has gleaned some

321

00:13:52,490 --> 00:13:49,380

insight from these materials for

322

00:13:56,030 --> 00:13:52,500

military use so much more could be done

323

00:14:00,129 --> 00:13:56,040

if Academia and the private sector had

324

00:14:02,750 --> 00:14:00,139

access it's totally nuts that uh

325

00:14:04,490 --> 00:14:02,760

Humanity as a whole especially you know

326

00:14:07,190 --> 00:14:04,500

the U.S citizenry on hold they're not

327

00:14:10,150 --> 00:14:07,200

even benefiting from broad research on

328

00:14:13,490 --> 00:14:10,160

this to solve you know propulsion energy

329

00:14:15,590 --> 00:14:13,500

issues novel Material Science that can

330

00:14:18,889 --> 00:14:15,600

prove people's quality of life it's just

331

00:14:22,790 --> 00:14:18,899

totally nuts uh how it's been protected

332

00:14:25,009 --> 00:14:22,800

and inhibits progress if you're right if

333

00:14:28,970 --> 00:14:25,019

you're telling us the truth

334

00:14:31,970 --> 00:14:28,980

everyone the entire American public has

335

00:14:34,610 --> 00:14:31,980

been lied to for decades yeah there's a

336

00:14:37,069 --> 00:14:34,620

sophisticated uh disinformation campaign

337

00:14:39,230 --> 00:14:37,079

targeting the U.S populace which is

338

00:14:43,189 --> 00:14:39,240

extremely unethical and immoral coming

339

00:14:45,050 --> 00:14:43,199

up how long has this been going on a lot

340

00:14:46,190 --> 00:14:45,060

of the things I was briefed on were very

341

00:14:51,650 --> 00:14:46,200

shocking

342

00:14:56,530 --> 00:14:51,660

[Music]

343

00:15:04,850 --> 00:15:01,030

so let's start from the very beginning

344

00:15:08,930 --> 00:15:04,860

you say it's a 90-year cover-up

345

00:15:11,689 --> 00:15:08,940

just about yeah 90 years 1933 was the

346

00:15:14,930 --> 00:15:11,699

first recovery in Europe in magenta

347

00:15:18,050 --> 00:15:14,940

Italy they recovered a partially intact

348

00:15:21,129 --> 00:15:18,060

vehicle it's long been known that the

349

00:15:24,949 --> 00:15:21,139

regime of dictator Benito Mussolini

350

00:15:27,829 --> 00:15:24,959

documented numerous UAP during this time

351

00:15:31,610 --> 00:15:27,839

this internal Memo from the Italian

352

00:15:35,629 --> 00:15:31,620

secret Services includes crude drawings

353

00:15:37,370 --> 00:15:35,639

of the uaps it's true it's real yeah

354

00:15:39,470 --> 00:15:37,380

that actually happened Italian

355

00:15:42,110 --> 00:15:39,480

government moved it to a

356

00:15:43,730 --> 00:15:42,120

secure air base in Italy for the the

357

00:15:47,150 --> 00:15:43,740

rest of kind of the fascist regime until

358

00:15:49,370 --> 00:15:47,160

1944 1945 and you know the Pope Pius the

359

00:15:51,410 --> 00:15:49,380

12th back channel that so the Vatican

360

00:15:53,210 --> 00:15:51,420

was involved yeah and told the Americans

361

00:15:55,550 --> 00:15:53,220

what the Italians had and and we ended

362

00:15:56,990 --> 00:15:55,560

up scooping it so let me be very clear

363

00:15:59,990 --> 00:15:57,000

about this you're saying that the

364

00:16:02,090 --> 00:16:00,000

Catholic Church the Vatican they know

365

00:16:04,810 --> 00:16:02,100

about the existence of non-human

366

00:16:08,210 --> 00:16:04,820

Intelligence on this planet certainly

367

00:16:11,569 --> 00:16:08,220

grush says shortly after the dawn of the

368

00:16:14,930 --> 00:16:11,579

atomic age another major crash recovery

369

00:16:16,790 --> 00:16:14,940

took place you've probably heard of it

370

00:16:17,750 --> 00:16:16,800

what can you tell me about the Roswell

371

00:16:21,230 --> 00:16:17,760

craft

372

00:16:23,269 --> 00:16:21,240

fortunately those details were not

373

00:16:27,470 --> 00:16:23,279

approved for me to talk about right now

374

00:16:29,990 --> 00:16:27,480

this much we know in 1947 an object

375

00:16:32,689 --> 00:16:30,000

crashed in the New Mexico desert near

376

00:16:35,269 --> 00:16:32,699

the town of Roswell the Air Force

377

00:16:37,329 --> 00:16:35,279

recovered material described as metallic

378

00:16:40,090 --> 00:16:37,339

and rubbery though the government

379

00:16:44,210 --> 00:16:40,100

changed its story as to what it was

380

00:16:46,370 --> 00:16:44,220

calling it a flying disc at first then a

381

00:16:48,410 --> 00:16:46,380

weather or spy balloon it just read

382

00:16:50,449 --> 00:16:48,420

ridiculous to me that the U.S Air Force

383

00:16:52,370 --> 00:16:50,459

had changed its story yeah and they

384

00:16:55,310 --> 00:16:52,380

added additional elements over time and

385

00:16:57,710 --> 00:16:55,320

and tried to conflict additional

386

00:17:00,829 --> 00:16:57,720

programs to explain some of the events

387

00:17:01,850 --> 00:17:00,839

why are these things crashing yeah you

388

00:17:04,250 --> 00:17:01,860

know some

389

00:17:05,809 --> 00:17:04,260

some are landed some are crashed and I

390

00:17:08,569 --> 00:17:05,819

think that's an interesting discussion

391

00:17:10,789 --> 00:17:08,579

that's come up you know as advanced as

392

00:17:13,130 --> 00:17:10,799

you know we are you know as humans right

393

00:17:15,350 --> 00:17:13,140

you know planes crash cars crash just

394

00:17:16,789 --> 00:17:15,360

because you're some Advanced sentience

395

00:17:18,110 --> 00:17:16,799

that has advanced technology doesn't

396

00:17:21,230 --> 00:17:18,120

mean

397

00:17:23,929 --> 00:17:21,240

um some small percentage of your I'll

398

00:17:26,449 --> 00:17:23,939

use the Air Force term like sorties

399

00:17:28,669 --> 00:17:26,459

um you know meet an unfortunate

400

00:17:29,510 --> 00:17:28,679

operational conclusion as we might want

401
00:17:32,150 --> 00:17:29,520
to say

402
00:17:35,690 --> 00:17:32,160
most people would tell you the Roswell

403
00:17:37,850 --> 00:17:35,700
incident has been thoroughly debunked in

404
00:17:41,990 --> 00:17:37,860
fact the Air Force published this report

405
00:17:45,169 --> 00:17:42,000
in 1994 to put the issue to rest once

406
00:17:47,930 --> 00:17:45,179
and for all grush has read it that

407
00:17:50,630 --> 00:17:47,940
analysis they did was a total hack job

408
00:17:52,730 --> 00:17:50,640
and even anybody with analytical skills

409
00:17:54,669 --> 00:17:52,740
if you read it you can you can deduce

410
00:17:57,230 --> 00:17:54,679
that they're conflating multiple

411
00:17:59,090 --> 00:17:57,240
situations with cross-test dummies and

412
00:18:01,370 --> 00:17:59,100
then Mogul balloons and they're just

413
00:18:03,250 --> 00:18:01,380

saying that the townsfolk who personally

414

00:18:05,870 --> 00:18:03,260

witnessed it were totally

415

00:18:08,270 --> 00:18:05,880

imagining things they concocted that

416

00:18:13,190 --> 00:18:08,280

whole report just to disinform so the

417

00:18:16,789 --> 00:18:13,200

reason for the secrecy exactly is what

418

00:18:19,370 --> 00:18:16,799

um feudalistic dominance who can have

419

00:18:22,010 --> 00:18:19,380

um both asymmetric asymmetric technology

420

00:18:24,770 --> 00:18:22,020

for it seems like just fuel in the war

421

00:18:27,890 --> 00:18:24,780

machine grush says that through the 50s

422

00:18:31,190 --> 00:18:27,900

and 60s encounters with the nhi

423

00:18:34,430 --> 00:18:31,200

continued as did the cover-up one

424

00:18:36,310 --> 00:18:34,440

incident in 1967 about which multiple

425

00:18:39,830 --> 00:18:36,320

Air Force veterans have gone public

426
00:18:42,830 --> 00:18:39,840
involved uaps tampering with the nuclear

427
00:18:45,770 --> 00:18:42,840
missiles at Malmstrom Air Base in

428
00:18:48,470 --> 00:18:45,780
Montana they saw a craft appearing to be

429
00:18:53,049 --> 00:18:48,480
intelligently controlled hovered over a

430
00:18:57,409 --> 00:18:53,059
nuclear weapon Silo and shut down 10

431
00:18:59,590 --> 00:18:57,419
nuclear ICBM missiles it certainly looks

432
00:19:03,470 --> 00:18:59,600
like they want to understand

433
00:19:05,750 --> 00:19:03,480
how far we've advanced in our nuclear

434
00:19:07,789 --> 00:19:05,760
fizzle kind of Technologies at the very

435
00:19:10,010 --> 00:19:07,799
least I mean it looks like Preparatory

436
00:19:12,110 --> 00:19:10,020
probing activity it might be innocent

437
00:19:15,770 --> 00:19:12,120
kind of scientific Gathering could be I

438
00:19:18,770 --> 00:19:15,780

ISR probing meanwhile grush says the

439

00:19:21,409 --> 00:19:18,780

crash retrieval program continued and

440

00:19:24,110 --> 00:19:21,419

while he won't reveal where the downed

441

00:19:26,450 --> 00:19:24,120

craft are stored he does say that the

442

00:19:29,330 --> 00:19:26,460

people working with the technology have

443

00:19:32,029 --> 00:19:29,340

been putting themselves at risk you know

444

00:19:33,890 --> 00:19:32,039

a lot of them you know were injured

445

00:19:35,570 --> 00:19:33,900

looking at some of this stuff you could

446

00:19:38,690 --> 00:19:35,580

imagine the nuclear radiological

447

00:19:41,510 --> 00:19:38,700

biological risk to looking at an unknown

448

00:19:43,850 --> 00:19:41,520

unknown and a lot of them have literally

449

00:19:47,330 --> 00:19:43,860

suffered physically because of their

450

00:19:49,909 --> 00:19:47,340

service but as we know anyone who's come

451
00:19:52,430 --> 00:19:49,919
forward claiming non-human intelligence

452
00:19:55,010 --> 00:19:52,440
is Behind These incidents has been

453
00:19:58,010 --> 00:19:55,020
dismissed as delusional or deliberately

454
00:19:59,990 --> 00:19:58,020
deceitful if you're right if you're

455
00:20:03,950 --> 00:20:00,000
telling us the truth

456
00:20:06,950 --> 00:20:03,960
everyone the entire American public has

457
00:20:09,650 --> 00:20:06,960
been lied to for decades yeah there's a

458
00:20:12,049 --> 00:20:09,660
sophisticated disinformation campaign

459
00:20:14,210 --> 00:20:12,059
targeting the U.S populace which is

460
00:20:15,669 --> 00:20:14,220
extremely unethical and immoral coming

461
00:20:19,070 --> 00:20:15,679
up

462
00:20:22,789 --> 00:20:19,080
new evidence and perhaps New Attitudes

463
00:20:26,330 --> 00:20:22,799

in a new age of uaps the American people

464

00:20:29,120 --> 00:20:26,340

need and deserve to know more has the

465

00:20:32,030 --> 00:20:29,130

U.S government changed its tune

466

00:20:32,490 --> 00:20:32,040

[Music]

467

00:20:35,710 --> 00:20:32,500

[Applause]

468

00:20:37,750 --> 00:20:35,720

[Music]

469

00:20:41,029 --> 00:20:37,760

foreign

470

00:20:43,789 --> 00:20:41,039

these are the videos that started it all

471

00:20:46,669 --> 00:20:43,799

footage captured by Naval aviators on

472

00:20:49,850 --> 00:20:46,679

military-grade cameras that defied all

473

00:20:53,690 --> 00:20:49,860

prosaic explanation Dave grush has

474

00:20:56,270 --> 00:20:53,700

investigated this one shot in 2015 off

475

00:20:59,510 --> 00:20:56,280

the east coast by fighter pilots from

476
00:21:01,789 --> 00:20:59,520
the USS Theodore Roosevelt there is an

477
00:21:04,610 --> 00:21:01,799
industry of debunkers out there on the

478
00:21:06,590 --> 00:21:04,620
web who say oh they've got this all

479
00:21:09,350 --> 00:21:06,600
wrong it's a jet exhaust at a distance

480
00:21:11,029 --> 00:21:09,360
and the aircraft's turning

481
00:21:13,130 --> 00:21:11,039
give me an answer on that I had some

482
00:21:15,830 --> 00:21:13,140
Optical engineering experts look at that

483
00:21:18,529 --> 00:21:15,840
and the Raytheon 80 flear system based

484
00:21:20,630 --> 00:21:18,539
on the pixel saturation and apparent

485
00:21:22,730 --> 00:21:20,640
size it's certainly something that's not

486
00:21:24,950 --> 00:21:22,740
a jet it might be some kind of natural

487
00:21:28,250 --> 00:21:24,960
phenomenon it's quite strange but it's

488
00:21:31,970 --> 00:21:28,260

not as simple as a jet he has even

489

00:21:34,870 --> 00:21:31,980

stronger opinions about this UAP now

490

00:21:38,690 --> 00:21:34,880

known to history as the Tic Tac shot in

491

00:21:41,390 --> 00:21:38,700

2004 in the Pacific by aviators off the

492

00:21:45,230 --> 00:21:41,400

USS Nimitz and the Tic Tac

493

00:21:47,870 --> 00:21:45,240

truly anomalous absolutely uh technical

494

00:21:50,630 --> 00:21:47,880

vehicle physical and that's absolutely

495

00:21:52,909 --> 00:21:50,640

uh something that we didn't make not of

496

00:21:56,090 --> 00:21:52,919

this world most likely yeah the videos

497

00:21:59,450 --> 00:21:56,100

were leaked in 2017 then officially

498

00:22:01,730 --> 00:21:59,460

released by The Pentagon in 2020 at the

499

00:22:04,010 --> 00:22:01,740

time it seemed the Pentagon may have

500

00:22:06,649 --> 00:22:04,020

finally abandoned its obsession with

501
00:22:09,010 --> 00:22:06,659
secrecy and decided to do what other

502
00:22:12,049 --> 00:22:09,020
countries have been doing for decades

503
00:22:15,049 --> 00:22:12,059
establish a properly funded publicly

504
00:22:19,190 --> 00:22:15,059
accountable team to investigate reports

505
00:22:22,549 --> 00:22:19,200
of UAP Dave grush was part of their team

506
00:22:24,590 --> 00:22:22,559
this is a Hunt mission for what might

507
00:22:26,990 --> 00:22:24,600
somebody be doing in our backyard that

508
00:22:29,090 --> 00:22:27,000
we don't know about the task force set

509
00:22:31,490 --> 00:22:29,100
about investigating these incidents

510
00:22:33,590 --> 00:22:31,500
including more recent events like the

511
00:22:37,730 --> 00:22:33,600
odd encounters that took place during

512
00:22:41,330 --> 00:22:37,740
Naval exercises in 2019 off the coast of

513
00:22:44,750 --> 00:22:41,340

San Diego this video shot on the USS

514

00:22:47,990 --> 00:22:44,760

Omaha and later leaked to documentarian

515

00:22:51,169 --> 00:22:48,000

Jeremy corbill has received particular

516

00:22:53,029 --> 00:22:51,179

attention it either zooms off so fast

517

00:22:55,190 --> 00:22:53,039

you can't see it or it sinks into the

518

00:22:57,649 --> 00:22:55,200

ocean but it seems to drop what do you

519

00:23:00,110 --> 00:22:57,659

know about it it was truly anomalous but

520

00:23:03,110 --> 00:23:00,120

grush says the promised new age of

521

00:23:05,210 --> 00:23:03,120

government transparency is a fallacy for

522

00:23:07,610 --> 00:23:05,220

starters he says the videos that have

523

00:23:09,890 --> 00:23:07,620

been released are just the tip of the

524

00:23:12,049 --> 00:23:09,900

iceberg there are many videos that are

525

00:23:15,049 --> 00:23:12,059

totally fair to release through a

526

00:23:16,970 --> 00:23:15,059

declassification process and I find it

527

00:23:19,250 --> 00:23:16,980

very concerning from a transparency

528

00:23:21,770 --> 00:23:19,260

perspective that all that the department

529

00:23:25,070 --> 00:23:21,780

is Declassified were those three famous

530

00:23:27,529 --> 00:23:25,080

videos there are more concerning videos

531

00:23:29,810 --> 00:23:27,539

that left me with a lot of questions

532

00:23:32,870 --> 00:23:29,820

yeah he says there are credible

533

00:23:37,010 --> 00:23:32,880

Witnesses who could testify to Congress

534

00:23:40,130 --> 00:23:37,020

about spacecraft big spacecraft a lot of

535

00:23:43,490 --> 00:23:40,140

them were very large very large yeah

536

00:23:45,049 --> 00:23:43,500

like a football field kind of size and I

537

00:23:47,450 --> 00:23:45,059

remember interviewing these Personnel

538

00:23:49,730 --> 00:23:47,460

I'm like even these people are lying to

539

00:23:52,130 --> 00:23:49,740

me they're having a psychotic break or

540

00:23:54,409 --> 00:23:52,140

this is some

541

00:23:56,390 --> 00:23:54,419

crazy but true stuff that's happening

542

00:23:59,450 --> 00:23:56,400

and I have no good explanation that's

543

00:24:02,870 --> 00:23:59,460

prosaic at all for this because this is

544

00:24:05,750 --> 00:24:02,880

not explainable by you know swamp gas St

545

00:24:07,310 --> 00:24:05,760

Elmo's Fireball lightning etc etc I mean

546

00:24:08,810 --> 00:24:07,320

this is like tangible technical craft

547

00:24:10,430 --> 00:24:08,820

they're seeing

548

00:24:12,649 --> 00:24:10,440

um up close and personal in some cases

549

00:24:14,930 --> 00:24:12,659

when I interview people and at the

550

00:24:16,669 --> 00:24:14,940

center of it all the crash retrieval

551

00:24:19,490 --> 00:24:16,679

program the government has never

552

00:24:22,070 --> 00:24:19,500

publicly acknowledged a program rush

553

00:24:24,649 --> 00:24:22,080

says that's included at least one

554

00:24:27,049 --> 00:24:24,659

private Aerospace company that is

555

00:24:28,730 --> 00:24:27,059

storing alien craft

556

00:24:31,070 --> 00:24:28,740

is that true

557

00:24:34,010 --> 00:24:31,080

that is how a lot of these relationships

558

00:24:35,029 --> 00:24:34,020

are while I I don't want to name the

559

00:24:37,370 --> 00:24:35,039

specific companies and government

560

00:24:39,950 --> 00:24:37,380

elements but to

561

00:24:42,169 --> 00:24:39,960

overall you know the government has been

562

00:24:44,930 --> 00:24:42,179

the custodian of a lot of this right and

563

00:24:47,149 --> 00:24:44,940

they'll hand recede it out to a clear

564

00:24:48,890 --> 00:24:47,159

defense contractor to do some analysis

565

00:24:50,930 --> 00:24:48,900

which

566

00:24:52,850 --> 00:24:50,940

I find highly unethical you have

567

00:24:54,310 --> 00:24:52,860

basically a sole source Arrangement and

568

00:24:57,230 --> 00:24:54,320

you allow certain

569

00:24:59,930 --> 00:24:57,240

private corporate elements to look at

570

00:25:01,370 --> 00:24:59,940

this develop but a potential insight and

571

00:25:03,470 --> 00:25:01,380

then sell it back to the government for

572

00:25:06,470 --> 00:25:03,480

profit and I think that's totally

573

00:25:10,070 --> 00:25:06,480

unethical the problem you've got is to

574

00:25:11,750 --> 00:25:10,080

have been categorical denials from

575

00:25:14,090 --> 00:25:11,760

high-level officials in the U.S

576

00:25:15,710 --> 00:25:14,100

government even presidents

577

00:25:17,750 --> 00:25:15,720

that what you're saying is true

578

00:25:20,450 --> 00:25:17,760

unfortunately some elected officials

579

00:25:23,570 --> 00:25:20,460

were not brought in only a few weeks ago

580

00:25:26,810 --> 00:25:23,580

19th of April the head of the pentagon's

581

00:25:28,310 --> 00:25:26,820

UAP investigations program Dr Sean

582

00:25:31,010 --> 00:25:28,320

Kirkpatrick

583

00:25:33,890 --> 00:25:31,020

told Congress Arrow that's the

584

00:25:37,789 --> 00:25:33,900

pentagon's UFO investigation body

585

00:25:41,630 --> 00:25:37,799

has found no credible evidence thus far

586

00:25:45,470 --> 00:25:41,640

of extraterrestrial activity off-world

587

00:25:47,990 --> 00:25:45,480

technology or objects that defy the

588

00:25:50,149 --> 00:25:48,000

known laws of physics while a large

589

00:25:53,029 --> 00:25:50,159

number of cases in our Holdings remain

590

00:25:55,490 --> 00:25:53,039

technically unresolved this is primarily

591

00:25:58,850 --> 00:25:55,500

due to a lack of data associated with

592

00:26:00,590 --> 00:25:58,860

those cases was that a lie well I know

593

00:26:02,810 --> 00:26:00,600

Dr Sean kirpatrick I've known him for

594

00:26:04,310 --> 00:26:02,820

about eight years and you know I

595

00:26:06,169 --> 00:26:04,320

expressed some concerns to Dr

596

00:26:10,190 --> 00:26:06,179

Kirkpatrick about a year ago and told

597

00:26:12,169 --> 00:26:10,200

him what I was starting to uncover and

598

00:26:13,610 --> 00:26:12,179

he didn't follow up with me and he has

599

00:26:15,289 --> 00:26:13,620

my phone number he could have called me

600

00:26:18,730 --> 00:26:15,299

I hope he ultimately does the right

601
00:26:21,830 --> 00:26:18,740
thing he should be able to make the same

602
00:26:24,769 --> 00:26:21,840
investigative discoveries I did it it's

603
00:26:27,769 --> 00:26:24,779
totally crazy if he doesn't so the

604
00:26:28,870 --> 00:26:27,779
implication here is that the head of the

605
00:26:32,090 --> 00:26:28,880
very body

606
00:26:34,909 --> 00:26:32,100
that Congress has ordered

607
00:26:38,210 --> 00:26:34,919
to tell the American public the truth

608
00:26:39,950 --> 00:26:38,220
about uaps is possibly misleading the

609
00:26:42,529 --> 00:26:39,960
American public do you think the

610
00:26:45,409 --> 00:26:42,539
American public is being lied to well

611
00:26:47,990 --> 00:26:45,419
they've been lied to over the years and

612
00:26:52,010 --> 00:26:48,000
I'm hoping that the lies stop

613
00:26:56,149 --> 00:26:52,020

coming up it gets even scarier the UFO

614

00:27:01,190 --> 00:26:56,159

whistleblower says the nhis aren't all

615

00:27:04,909 --> 00:27:01,200

friendly have human beings been hurt

616

00:27:07,610 --> 00:27:04,919

or killed by a non-human intelligence

617

00:27:09,169 --> 00:27:07,620

and guess who they might be working with

618

00:27:12,169 --> 00:27:09,179

and we're in a competition with their

619

00:27:15,769 --> 00:27:12,179

adversaries to understand this and it's

620

00:27:17,740 --> 00:27:15,779

a it's a multi-decade cold war that has

621

00:27:22,970 --> 00:27:17,750

been under our nose for so long

622

00:27:25,190 --> 00:27:22,980

[Music]

623

00:27:27,649 --> 00:27:25,200

it's the common interpretation from some

624

00:27:29,029 --> 00:27:27,659

commentators is that

625

00:27:31,549 --> 00:27:29,039

there is

626

00:27:33,649 --> 00:27:31,559

a non-human species and it's incredibly

627

00:27:35,630 --> 00:27:33,659

benevolently well disposed to the human

628

00:27:36,890 --> 00:27:35,640

race yeah

629

00:27:38,810 --> 00:27:36,900

yeah I think that

630

00:27:40,130 --> 00:27:38,820

that the logical fallacy there is

631

00:27:43,010 --> 00:27:40,140

because they're Advanced they're kind

632

00:27:44,750 --> 00:27:43,020

will never really understand

633

00:27:48,950 --> 00:27:44,760

um full intent in that because we're

634

00:27:52,430 --> 00:27:48,960

we're not them whatever them is or are

635

00:27:54,490 --> 00:27:52,440

uh but I think what appears to be

636

00:27:58,310 --> 00:27:54,500

malevolent activity has has happened

637

00:28:00,350 --> 00:27:58,320

based on not only nuclear site probing

638

00:28:02,810 --> 00:28:00,360

activities

639

00:28:04,490 --> 00:28:02,820

um witness testimony I think at least if

640

00:28:08,570 --> 00:28:04,500

we look at it through a humanistic lens

641

00:28:10,789 --> 00:28:08,580

it does appear negative at least to us

642

00:28:11,990 --> 00:28:10,799

I've been told that there have been

643

00:28:14,769 --> 00:28:12,000

attempts

644

00:28:17,750 --> 00:28:14,779

to bring down craft

645

00:28:19,430 --> 00:28:17,760

but we've acted offensively against

646

00:28:21,830 --> 00:28:19,440

non-human craft

647

00:28:25,310 --> 00:28:21,840

there have been instances and there are

648

00:28:27,710 --> 00:28:25,320

certain techniques have human beings

649

00:28:30,890 --> 00:28:27,720

been hurt

650

00:28:32,810 --> 00:28:30,900

or killed by a non-human intelligence

651
00:28:35,029 --> 00:28:32,820
while I can't get into the specifics

652
00:28:37,250 --> 00:28:35,039
because that would reveal a certain U.S

653
00:28:40,250 --> 00:28:37,260
classified operations

654
00:28:42,590 --> 00:28:40,260
I was briefed by a few individuals on

655
00:28:45,110 --> 00:28:42,600
the program that there were malevolent

656
00:28:47,690 --> 00:28:45,120
events like that now I'm scared people

657
00:28:51,049 --> 00:28:47,700
have just heard you say

658
00:28:58,010 --> 00:28:54,610
May well have murdered human beings

659
00:29:01,130 --> 00:28:58,020
that seems to be the case at one point

660
00:29:03,289 --> 00:29:01,140
yeah and there's more grush says the

661
00:29:06,409 --> 00:29:03,299
United States is not the only country

662
00:29:09,230 --> 00:29:06,419
that's encountered nhi and their

663
00:29:11,690 --> 00:29:09,240

technology he says our geopolitical

664

00:29:13,970 --> 00:29:11,700

Rivals have their own crash retrieval

665

00:29:16,070 --> 00:29:13,980

programs which they are are also

666

00:29:18,230 --> 00:29:16,080

secretly exploiting for military

667

00:29:21,110 --> 00:29:18,240

purposes we're in a competition with

668

00:29:24,110 --> 00:29:21,120

their adversaries to understand this and

669

00:29:27,230 --> 00:29:24,120

it's a it's a multi-decade cold war that

670

00:29:29,690 --> 00:29:27,240

has been under our nose for so long and

671

00:29:32,389 --> 00:29:29,700

you know there is no good way to level

672

00:29:33,710 --> 00:29:32,399

the playing field and hold other nation

673

00:29:36,649 --> 00:29:33,720

states accountable if they're doing

674

00:29:40,010 --> 00:29:36,659

unethical or illicit activity as it

675

00:29:42,649 --> 00:29:40,020

relates to the subject and I think the

676

00:29:46,250 --> 00:29:42,659

obtuse secrecy is actually putting us in

677

00:29:48,169 --> 00:29:46,260

a very dangerous position where a

678

00:29:51,350 --> 00:29:48,179

country might make a breakthrough let's

679

00:29:54,769 --> 00:29:51,360

say we um it's an adversary of ours

680

00:29:58,010 --> 00:29:54,779

and it is so destabilizing you say it's

681

00:30:00,470 --> 00:29:58,020

been a cold war behind the scenes with

682

00:30:02,330 --> 00:30:00,480

Russia and China there has been a cold

683

00:30:05,090 --> 00:30:02,340

war against our with her with her pure

684

00:30:10,490 --> 00:30:08,149

why hasn't Russia or China come out and

685

00:30:12,529 --> 00:30:10,500

spoken publicly about this I think

686

00:30:14,690 --> 00:30:12,539

they're in a similar you know pickle as

687

00:30:16,010 --> 00:30:14,700

us where it's um they understand maybe

688

00:30:17,930 --> 00:30:16,020

the some of the socioeconomic

689

00:30:19,730 --> 00:30:17,940

destabilization factors in their own

690

00:30:22,250 --> 00:30:19,740

Society but if this non-human

691

00:30:24,710 --> 00:30:22,260

intelligence is so Advanced and at least

692

00:30:27,769 --> 00:30:24,720

some of them are malevolent why haven't

693

00:30:30,950 --> 00:30:27,779

they destroyed us already perhaps some

694

00:30:33,289 --> 00:30:30,960

fragile yet combustible day taunt has

695

00:30:35,450 --> 00:30:33,299

been reached grush has written an

696

00:30:39,110 --> 00:30:35,460

internal document about his discoveries

697

00:30:42,169 --> 00:30:39,120

that refers to agreements that risk

698

00:30:43,490 --> 00:30:42,179

putting our future in Jeopardy and it's

699

00:30:45,649 --> 00:30:43,500

quite clear that you're talking about

700

00:30:47,870 --> 00:30:45,659

agreements between

701
00:30:51,409 --> 00:30:47,880
America

702
00:30:52,789 --> 00:30:51,419
and non-human intelligences have we made

703
00:30:55,610 --> 00:30:52,799
agreements

704
00:30:57,710 --> 00:30:55,620
with non-human intelligences

705
00:31:00,110 --> 00:30:57,720
that's the kind of information I really

706
00:31:01,789 --> 00:31:00,120
hope National leadership is able to get

707
00:31:03,889 --> 00:31:01,799
to the bottom of I need to pin you down

708
00:31:06,049 --> 00:31:03,899
on this are there agreements between

709
00:31:07,310 --> 00:31:06,059
non-human intelligences and the American

710
00:31:08,810 --> 00:31:07,320
government

711
00:31:11,810 --> 00:31:08,820
I think

712
00:31:13,850 --> 00:31:11,820
that's a question that I would

713
00:31:16,850 --> 00:31:13,860

like to know all the details of as well

714

00:31:20,110 --> 00:31:16,860

we do know of at least one agreement

715

00:31:23,690 --> 00:31:20,120

among humans that's worth noting this

716

00:31:26,990 --> 00:31:23,700

1971 agreement between the U.S and the

717

00:31:29,269 --> 00:31:27,000

USSR on measures to reduce the risk of

718

00:31:32,450 --> 00:31:29,279

nuclear war whether or not you believe

719

00:31:36,769 --> 00:31:32,460

Dave grush this document proves the two

720

00:31:39,649 --> 00:31:36,779

superpowers were aware that UAP existed

721

00:31:41,990 --> 00:31:39,659

whatever they were if you look at

722

00:31:44,149 --> 00:31:42,000

article 3 of that treaty it talks about

723

00:31:46,130 --> 00:31:44,159

unidentified objects near nuclear

724

00:31:49,210 --> 00:31:46,140

facilities are interfering with

725

00:31:51,769 --> 00:31:49,220

Communications and that is a treaty

726

00:31:55,610 --> 00:31:51,779

that has been used from what I

727

00:31:57,470 --> 00:31:55,620

understand to notify uh each other if

728

00:31:58,850 --> 00:31:57,480

there's a concerning event and that's a

729

00:32:01,250 --> 00:31:58,860

way of saying to the Russians hey don't

730

00:32:03,289 --> 00:32:01,260

shoot at us it's not us yeah I mean

731

00:32:05,029 --> 00:32:03,299

that's certainly a concern because of

732

00:32:07,909 --> 00:32:05,039

the secrecy it has there is an

733

00:32:10,690 --> 00:32:07,919

environment where you could have almost

734

00:32:15,970 --> 00:32:10,700

like a false flag where true

735

00:32:18,889 --> 00:32:15,980

non-preserve at UAP situation could be

736

00:32:20,269 --> 00:32:18,899

contrived as you know a provocation of

737

00:32:22,789 --> 00:32:20,279

something from a nation-state and we

738

00:32:26,330 --> 00:32:22,799

want to de-escalate that if this is true

739

00:32:29,269 --> 00:32:26,340

if the stakes are so high if the fate of

740

00:32:32,090 --> 00:32:29,279

the human race is at stake perhaps it's

741

00:32:34,669 --> 00:32:32,100

no surprise to hear grush say the U.S

742

00:32:37,370 --> 00:32:34,679

government will do anything to keep

743

00:32:40,549 --> 00:32:37,380

these secrets safe can I put it to you

744

00:32:42,769 --> 00:32:40,559

that crimes must have been committed at

745

00:32:44,750 --> 00:32:42,779

the very least I saw substantive

746

00:32:47,750 --> 00:32:44,760

evidence that white-collar crime was

747

00:32:49,070 --> 00:32:47,760

committed have people been killed to

748

00:32:52,850 --> 00:32:49,080

protect the secret

749

00:32:55,970 --> 00:32:52,860

uh based on the people I talked to that

750

00:32:57,529 --> 00:32:55,980

was an ongoing concern

751

00:32:58,909 --> 00:32:57,539

yeah unfortunately I've heard some

752

00:33:00,649 --> 00:32:58,919

really Un-American things I don't want

753

00:33:02,510 --> 00:33:00,659

to repeat right now so you have a strong

754

00:33:06,350 --> 00:33:02,520

suspicion that people have been murdered

755

00:33:08,810 --> 00:33:06,360

to protect over the years yeah coming up

756

00:33:11,090 --> 00:33:08,820

a reality check is it possible that

757

00:33:13,250 --> 00:33:11,100

you're deluding yourself it's time to

758

00:33:15,830 --> 00:33:13,260

put our whistleblowers credibility to

759

00:33:18,769 --> 00:33:15,840

the test everybody watching this right

760

00:33:20,540 --> 00:33:18,779

now is looking at your face they're

761

00:33:24,410 --> 00:33:20,550

going is this guy for real

762

00:33:24,710 --> 00:33:24,420

[Music]

763

00:33:26,870 --> 00:33:24,720

[Applause]

764

00:33:29,990 --> 00:33:26,880

[Music]

765

00:33:35,090 --> 00:33:32,750

let's talk about what Dave grush doesn't

766

00:33:37,909 --> 00:33:35,100

have he doesn't have Smoking Gun

767

00:33:40,490 --> 00:33:37,919

documents or photos he doesn't have

768

00:33:43,549 --> 00:33:40,500

official confirmation of his claims he

769

00:33:45,590 --> 00:33:43,559

just a guy talking on camera and a lot

770

00:33:48,230 --> 00:33:45,600

of his answers to our most pointed

771

00:33:50,509 --> 00:33:48,240

questions sound like this

772

00:33:53,810 --> 00:33:50,519

can you comment unfortunately I cannot

773

00:33:56,810 --> 00:33:53,820

so who is this guy really I don't want

774

00:33:58,370 --> 00:33:56,820

fame or Fortune I'm just here to provide

775

00:34:00,730 --> 00:33:58,380

public leadership on an issue that I

776

00:34:03,769 --> 00:34:00,740

uncovered and I thought it was totally

777

00:34:06,649 --> 00:34:03,779

outrageous news nation has confirmed

778

00:34:09,589 --> 00:34:06,659

through multiple sources that Dave grush

779

00:34:12,109 --> 00:34:09,599

is who he says he is an Air Force

780

00:34:14,810 --> 00:34:12,119

veteran from Pittsburgh who worked in

781

00:34:18,530 --> 00:34:14,820

Military Intelligence and was part of

782

00:34:21,109 --> 00:34:18,540

the UAP task force maybe he's just a

783

00:34:24,050 --> 00:34:21,119

confident well-spoken ex-military

784

00:34:27,290 --> 00:34:24,060

intelligence officer who just happens to

785

00:34:29,869 --> 00:34:27,300

have lost his mind do you have any kind

786

00:34:33,409 --> 00:34:29,879

of mental illness no

787

00:34:35,149 --> 00:34:33,419

have you ever had a psychosis

788

00:34:37,609 --> 00:34:35,159

is there anything in your medical

789

00:34:40,430 --> 00:34:37,619

history that might be capable of being

790

00:34:43,250 --> 00:34:40,440

interpreted as a reason why you might be

791

00:34:45,349 --> 00:34:43,260

confabulating making things no I'm not a

792

00:34:46,609 --> 00:34:45,359

disgruntled employee I resigned on my

793

00:34:48,950 --> 00:34:46,619

own accord because I thought

794

00:34:50,389 --> 00:34:48,960

altruistically it's more appropriate to

795

00:34:52,129 --> 00:34:50,399

show thought leadership on the outside

796

00:34:53,810 --> 00:34:52,139

on this now

797

00:34:55,070 --> 00:34:53,820

um because I you know hit an impasse

798

00:34:57,349 --> 00:34:55,080

within the government to try to right

799

00:34:59,089 --> 00:34:57,359

this wrong so I've got to be blunt about

800

00:35:02,750 --> 00:34:59,099

this you're not making this up this is

801
00:35:05,390 --> 00:35:02,760
not a lie no absolutely not

802
00:35:08,329 --> 00:35:05,400
because everybody watching this right

803
00:35:10,910 --> 00:35:08,339
now is looking at your face they're

804
00:35:13,370 --> 00:35:10,920
going is this guy for real

805
00:35:15,770 --> 00:35:13,380
I am for real and I'm you know I'm

806
00:35:18,230 --> 00:35:15,780
sitting here at Great personal risk and

807
00:35:19,790 --> 00:35:18,240
obvious professional Risk by talking to

808
00:35:23,030 --> 00:35:19,800
you today

809
00:35:23,870 --> 00:35:23,040
you've told us that we really are not

810
00:35:26,329 --> 00:35:23,880
alone

811
00:35:29,030 --> 00:35:26,339
even though you believe what you say is

812
00:35:32,270 --> 00:35:29,040
true you haven't been fed disinformation

813
00:35:35,450 --> 00:35:32,280

it's a common thing in intelligence for

814

00:35:37,490 --> 00:35:35,460

governments to mislead yeah I was very

815

00:35:38,930 --> 00:35:37,500

sensitive to that fact

816

00:35:42,050 --> 00:35:38,940

um you know was this some kind of ruse

817

00:35:45,349 --> 00:35:42,060

against me uh am I being used in any

818

00:35:47,630 --> 00:35:45,359

kind of way and I took about four years

819

00:35:49,370 --> 00:35:47,640

being very methodical before I filed my

820

00:35:51,829 --> 00:35:49,380

my whistleblower complaint to be

821

00:35:54,230 --> 00:35:51,839

absolutely certain of these basic facts

822

00:35:58,550 --> 00:35:54,240

so take me through the process of how

823

00:36:00,170 --> 00:35:58,560

you convinced yourself that this is real

824

00:36:02,030 --> 00:36:00,180

um well based on the the credential

825

00:36:04,430 --> 00:36:02,040

people that came to me some of these

826

00:36:06,349 --> 00:36:04,440

subjects provided be sensitive foreign

827

00:36:09,470 --> 00:36:06,359

intelligence to read a sensitive program

828

00:36:11,750 --> 00:36:09,480

documents and photographs to evaluate

829

00:36:15,050 --> 00:36:11,760

um and then uh described in very

830

00:36:16,609 --> 00:36:15,060

specific detail how all this worked and

831

00:36:19,910 --> 00:36:16,619

they were telling me that the exact

832

00:36:23,510 --> 00:36:19,920

extremely specific details

833

00:36:25,550 --> 00:36:23,520

um that all it all checked out yeah

834

00:36:28,130 --> 00:36:25,560

the other thing I have trouble with it's

835

00:36:30,470 --> 00:36:28,140

the fact that my experience as a

836

00:36:33,109 --> 00:36:30,480

journalist is it's very hard for

837

00:36:37,190 --> 00:36:33,119

governments to keep secrets most things

838

00:36:39,650 --> 00:36:37,200

leak your government leaks like a sieve

839

00:36:41,329 --> 00:36:39,660

why hasn't this leaked well I've

840

00:36:42,770 --> 00:36:41,339

certainly been the recipient of a lot of

841

00:36:44,230 --> 00:36:42,780

US government secrets and I can tell you

842

00:36:48,890 --> 00:36:44,240

they've never seen the lighter day

843

00:36:51,170 --> 00:36:48,900

that's for sure and I guess ostensibly

844

00:36:52,790 --> 00:36:51,180

this is like a sieved for decades but it

845

00:36:55,310 --> 00:36:52,800

was a very sophisticated disinformation

846

00:36:58,130 --> 00:36:55,320

that campaign where you know they have

847

00:36:59,750 --> 00:36:58,140

allowed some of the truth to come out

848

00:37:02,150 --> 00:36:59,760

um through some of their their trade

849

00:37:04,490 --> 00:37:02,160

crafts but they've disenfranchised

850

00:37:07,190 --> 00:37:04,500

people they've stigmatized it they made

851

00:37:10,849 --> 00:37:07,200

it like as a total like wacky thing to

852

00:37:12,470 --> 00:37:10,859

talk about so anybody who may come

853

00:37:14,630 --> 00:37:12,480

forward with that kind of information is

854

00:37:17,690 --> 00:37:14,640

looked like a you know total tinfoil hot

855

00:37:20,329 --> 00:37:17,700

guy because it's a perfect amalgamation

856

00:37:21,290 --> 00:37:20,339

of disinformation to just make it look

857

00:37:23,930 --> 00:37:21,300

crazy

858

00:37:26,930 --> 00:37:23,940

the best reason to believe Dave grush

859

00:37:29,510 --> 00:37:26,940

may be this document remember that

860

00:37:33,109 --> 00:37:29,520

whistleblower complaint he filed it

861

00:37:34,609 --> 00:37:33,119

would seem it hasn't fallen on deaf ears

862

00:37:36,050 --> 00:37:34,619

so the Inspector General of the

863

00:37:38,810 --> 00:37:36,060

intelligence Services of the United

864

00:37:40,609 --> 00:37:38,820

States has the information you've got

865

00:37:42,770 --> 00:37:40,619

yes

866

00:37:45,829 --> 00:37:42,780

and more importantly the Inspector

867

00:37:48,109 --> 00:37:45,839

General made a determination about The

868

00:37:50,510 --> 00:37:48,119

credibility of your complaint they found

869

00:37:52,790 --> 00:37:50,520

after interviewing myself in the

870

00:37:55,190 --> 00:37:52,800

subjects and other subjects that I'm not

871

00:37:56,870 --> 00:37:55,200

even cognizant on who they were they

872

00:37:59,089 --> 00:37:56,880

found my complaint uh urgent and

873

00:38:01,550 --> 00:37:59,099

credible for the intelligence committees

874

00:38:05,150 --> 00:38:01,560

the word credible is important you

875

00:38:07,370 --> 00:38:05,160

appreciate so an official investigatory

876

00:38:09,710 --> 00:38:07,380

body of the United States government has

877

00:38:13,550 --> 00:38:09,720

determined that your allegations are

878

00:38:16,430 --> 00:38:13,560

credible correct coming up if it is true

879

00:38:18,829 --> 00:38:16,440

then what what are we going to do if the

880

00:38:21,890 --> 00:38:18,839

biggest secret on the planet is now out

881

00:38:25,190 --> 00:38:21,900

in the open and what are they going to

882

00:38:27,200 --> 00:38:25,200

do how will the non-human intelligence

883

00:38:36,770 --> 00:38:27,210

react

884

00:38:42,589 --> 00:38:39,310

this is one of the gravest

885

00:38:44,089 --> 00:38:42,599

Constitutional crises for your country

886

00:38:47,089 --> 00:38:44,099

ever

887

00:38:48,589 --> 00:38:47,099

absolutely give me some hope here there

888

00:38:50,329 --> 00:38:48,599

are good people there are very good

889

00:38:51,950 --> 00:38:50,339

people and I want that message to be

890

00:38:54,349 --> 00:38:51,960

Crystal Clear

891

00:38:56,930 --> 00:38:54,359

um let's not demonize holistically the

892

00:39:00,589 --> 00:38:56,940

US government there's a whole Army of

893

00:39:03,170 --> 00:39:00,599

people that want change I am one of tens

894

00:39:04,550 --> 00:39:03,180

if not hundreds of individuals within

895

00:39:07,010 --> 00:39:04,560

the government on these programs that

896

00:39:10,310 --> 00:39:07,020

would like a change

897

00:39:13,069 --> 00:39:10,320

does David grush want as he said here

898

00:39:15,470 --> 00:39:13,079

tonight he wants the nhi technology to

899

00:39:18,410 --> 00:39:15,480

be shared so the rest of the world can

900

00:39:20,329 --> 00:39:18,420

benefit from it and I use nuclear

901
00:39:22,790 --> 00:39:20,339
weapons or Nuclear Physics as an example

902
00:39:24,890 --> 00:39:22,800
it's an acknowledged program we have

903
00:39:27,170 --> 00:39:24,900
nuclear weapons you don't get to know

904
00:39:30,530 --> 00:39:27,180
the designs but Nuclear Physics

905
00:39:32,810 --> 00:39:30,540
holistically is unclassified Academia

906
00:39:36,050 --> 00:39:32,820
studies it and why would you suppress

907
00:39:38,390 --> 00:39:36,060
basic astrophysics astrobiology other

908
00:39:41,210 --> 00:39:38,400
hard and soft Sciences broadly it's

909
00:39:43,670 --> 00:39:41,220
totally nuts Crush has left the

910
00:39:45,650 --> 00:39:43,680
government he wasn't part of Arrow

911
00:39:49,490 --> 00:39:45,660
during the most recent Congressional

912
00:39:52,550 --> 00:39:49,500
hearings when still more UAP were

913
00:39:55,670 --> 00:39:52,560

revealed including this one captured by

914

00:39:57,950 --> 00:39:55,680

a drone in the Middle East in 2022.

915

00:40:00,890 --> 00:39:57,960

there it goes his whistleblower case

916

00:40:03,230 --> 00:40:00,900

will take months to conclude in the

917

00:40:05,930 --> 00:40:03,240

meantime he says he's starting a

918

00:40:08,690 --> 00:40:05,940

scientific foundation and he's willing

919

00:40:11,870 --> 00:40:08,700

to speak to anyone in Washington who has

920

00:40:14,210 --> 00:40:11,880

the clearance and the desire to hear the

921

00:40:16,490 --> 00:40:14,220

classified information he could not

922

00:40:19,370 --> 00:40:16,500

share here I make myself available to

923

00:40:22,609 --> 00:40:19,380

secretary Austin dni Haynes who is a

924

00:40:24,650 --> 00:40:22,619

recipient of my complaints I'm happy to

925

00:40:28,010 --> 00:40:24,660

further brief elected officials on the

926

00:40:31,910 --> 00:40:28,020

specific ecosystem of secrecy down to

927

00:40:34,750 --> 00:40:31,920

the fine details whoever they are

928

00:40:37,670 --> 00:40:34,760

how will the non-human intelligence

929

00:40:39,530 --> 00:40:37,680

react to the Revelation that human

930

00:40:42,530 --> 00:40:39,540

beings now know

931

00:40:44,089 --> 00:40:42,540

they're here yeah I mean obviously the

932

00:40:46,430 --> 00:40:44,099

non-human intelligences have been around

933

00:40:48,050 --> 00:40:46,440

for a while at least multiple decades in

934

00:40:49,490 --> 00:40:48,060

modern history and they've allowed

935

00:40:53,030 --> 00:40:49,500

ourselves to annihilate ourselves

936

00:40:54,710 --> 00:40:53,040

genocide War famine Etc so at the very

937

00:40:56,870 --> 00:40:54,720

least I think they're kind of neutral on

938

00:41:00,109 --> 00:40:56,880

what humans decide to do with their Free

939

00:41:03,290 --> 00:41:00,119

Will and as for how we the human race

940

00:41:05,510 --> 00:41:03,300

will react to his story here gresh

941

00:41:08,329 --> 00:41:05,520

evinces that quintessentially human

942

00:41:10,490 --> 00:41:08,339

characteristic optimism I don't have

943

00:41:13,609 --> 00:41:10,500

this utopian ideology that this is going

944

00:41:16,310 --> 00:41:13,619

to you know solve real problems stop War

945

00:41:18,530 --> 00:41:16,320

entirely but all I want is a moment of

946

00:41:20,690 --> 00:41:18,540

pause and to see if the subject unites

947

00:41:22,250 --> 00:41:20,700

us as we've obviously become more

948

00:41:24,530 --> 00:41:22,260

divided over the last couple decades

949

00:41:26,990 --> 00:41:24,540

because if anything else

950

00:41:29,210 --> 00:41:27,000

what you're revealing May mean we all

951

00:41:32,930 --> 00:41:29,220

start thinking of ourselves not as

952

00:41:36,770 --> 00:41:32,940

American Australian Russian Chinese

953

00:41:38,089 --> 00:41:36,780

but as human human family I think that's
