

encounters

1
00:00:06,230 --> 00:00:03,710
welcome travel back in time with us

2
00:00:13,870 --> 00:00:06,240
right now for rare UFO content

3
00:00:18,890 --> 00:00:16,910
Melbourne this is Delta Sierra Juliet is

4
00:00:20,929 --> 00:00:18,900
there any known traffic below 5000 uh

5
00:00:24,890 --> 00:00:20,939
Delta Sierra Juliet no no traffic seems

6
00:00:30,109 --> 00:00:27,950
it is alright seems to me like Landing

7
00:00:32,810 --> 00:00:30,119
lights just passed over me at least a

8
00:00:34,610 --> 00:00:32,820
thousand feet above it seems to me that

9
00:00:36,950 --> 00:00:34,620
he's playing some sort of games

10
00:00:44,569 --> 00:00:36,960
flying over me two three times at speeds

11
00:00:48,709 --> 00:00:47,030
and the thing is

12
00:00:50,150 --> 00:00:48,719
it's got a green light and sort of

13
00:00:52,790 --> 00:00:50,160

metallic black it's all shiny on the

14

00:00:52,800 --> 00:00:57,990

I've got it set at 23 24

15

00:01:14,950 --> 00:00:59,930

[Music]

16

00:01:19,609 --> 00:01:17,570

what you've just heard is a recreation

17

00:01:21,469 --> 00:01:19,619

of the final words spoken by Pilot Fred

18

00:01:22,910 --> 00:01:21,479

valentis before his plane disappeared at

19

00:01:24,890 --> 00:01:22,920

the bass strain

20

00:01:27,469 --> 00:01:24,900

even though it's been 19 years since

21

00:01:29,690 --> 00:01:27,479

Fred disappeared the mystery surrounding

22

00:01:32,390 --> 00:01:29,700

what happened to him still hasn't faded

23

00:01:33,830 --> 00:01:32,400

he just vanished without trace and his

24

00:01:36,770 --> 00:01:33,840

family believed he was taken by an

25

00:01:38,749 --> 00:01:36,780

unidentified flying object

26

00:01:40,910 --> 00:01:38,759

recent years has been an explosion of

27

00:01:42,410 --> 00:01:40,920

UFO sightings in Australia

28

00:01:43,910 --> 00:01:42,420

whatever you mention the topic people

29

00:01:45,350 --> 00:01:43,920

seem to have their own theories and

30

00:01:47,630 --> 00:01:45,360

opinions

31

00:01:49,789 --> 00:01:47,640

or even their own stories

32

00:01:52,910 --> 00:01:49,799

it was orange like a Sunset and it was

33

00:01:55,429 --> 00:01:52,920

just spanning across the road I I can't

34

00:01:58,370 --> 00:01:55,439

move it moving forward in time through

35

00:02:00,289 --> 00:01:58,380

the experience then this tall dark bee

36

00:02:02,389 --> 00:02:00,299

just appeared in front of the craft I

37

00:02:04,310 --> 00:02:02,399

mean it looks like a traditional every

38

00:02:07,370 --> 00:02:04,320

day of the week

39

00:02:10,669 --> 00:02:07,380

comic book Flying Saucer they had large

40

00:02:13,010 --> 00:02:10,679

almond-shaped eyes small bodies legs and

41

00:02:14,630 --> 00:02:13,020

arms and and sort of gray in appearance

42

00:02:17,449 --> 00:02:14,640

I think it's the first time in my life

43

00:02:18,650 --> 00:02:17,459

that I could identify of anybody telling

44

00:02:20,390 --> 00:02:18,660

me that they were scared they were going

45

00:02:21,830 --> 00:02:20,400

to die saying this thing's only just

46

00:02:23,030 --> 00:02:21,840

down the bottom of the street he could

47

00:02:24,830 --> 00:02:23,040

see it was out in the water it was

48

00:02:25,350 --> 00:02:24,840

sucking up water yeah I believe it's a

49

00:02:26,630 --> 00:02:25,360

UFO

50

00:02:28,670 --> 00:02:26,640

[Music]

51
00:02:30,949 --> 00:02:28,680
they're between four and 500 reports a

52
00:02:32,510 --> 00:02:30,959
month of UFOs in this country

53
00:02:34,910 --> 00:02:32,520
now obviously a lot of them could be

54
00:02:36,110 --> 00:02:34,920
explained but about 10 proved to be true

55
00:02:37,729 --> 00:02:36,120
Mysteries

56
00:02:39,290 --> 00:02:37,739
tonight you'll hear from people who've

57
00:02:41,030 --> 00:02:39,300
had these experiences

58
00:02:44,000 --> 00:02:41,040
they're just normal Australians who

59
00:03:03,710 --> 00:02:44,010
can't explain what they saw

60
00:03:07,130 --> 00:03:05,930
I was traveling from Sydney in the

61
00:03:08,570 --> 00:03:07,140
Northerly direction to walk Gosford

62
00:03:10,990 --> 00:03:08,580
along this particular Road here the

63
00:03:13,610 --> 00:03:11,000

Pacific Highway and

64

00:03:15,850 --> 00:03:13,620

I it was quiet there wasn't a lot of

65

00:03:19,369 --> 00:03:15,860

traffic it was early Christmas morning

66

00:03:22,869 --> 00:03:19,379

and I was just gazing out of the the

67

00:03:25,610 --> 00:03:22,879

front window of the car and I saw

68

00:03:28,750 --> 00:03:25,620

approximately a half a kilometer away a

69

00:03:40,850 --> 00:03:28,760

bright silver silver metallic object

70

00:03:47,990 --> 00:03:43,910

stood here not believing my eyes because

71

00:03:50,449 --> 00:03:48,000

where I sit I can see the Open Water

72

00:03:52,850 --> 00:03:50,459

and I just couldn't believe that this

73

00:03:55,250 --> 00:03:52,860

thing could appear on the water

74

00:03:56,990 --> 00:03:55,260

with some kind of craft but it was

75

00:03:59,869 --> 00:03:57,000

completely surrounded in lights

76

00:04:01,369 --> 00:03:59,879

underneath and all around and it just

77

00:04:03,949 --> 00:04:01,379

looked like a carousel it wasn't

78

00:04:05,869 --> 00:04:03,959

anything flat

79

00:04:07,789 --> 00:04:05,879

around holiday time the local police

80

00:04:09,530 --> 00:04:07,799

know they'll be busy

81

00:04:12,170 --> 00:04:09,540

but on this New Year's Eve the calls

82

00:04:14,750 --> 00:04:12,180

weren't what they expected

83

00:04:16,610 --> 00:04:14,760

all people that I spoke to

84

00:04:18,469 --> 00:04:16,620

had exactly the same thing to say there

85

00:04:20,210 --> 00:04:18,479

was no variance whatsoever in the object

86

00:04:24,590 --> 00:04:20,220

that was cited

87

00:04:26,870 --> 00:04:24,600

it was a huge Chrome very shiny object

88

00:04:29,510 --> 00:04:26,880

in the shape of a ball

89

00:04:31,909 --> 00:04:29,520

at the bottom of the ball was a number

90

00:04:33,890 --> 00:04:31,919

of huge white lights

91

00:04:40,850 --> 00:04:33,900

this object looked like it was sucking

92

00:04:45,290 --> 00:04:43,370

some calls were quite frightful in their

93

00:04:48,110 --> 00:04:45,300

voice you can actually hear the fear and

94

00:04:50,689 --> 00:04:48,120

in the background especially

95

00:04:52,430 --> 00:04:50,699

the fear of people and of course animals

96

00:04:53,689 --> 00:04:52,440

and things at the time that were

97

00:04:59,870 --> 00:04:53,699

experiencing

98

00:05:02,810 --> 00:05:01,670

we're looking out Above This Headland

99

00:05:05,390 --> 00:05:02,820

here

100

00:05:08,210 --> 00:05:05,400

and we're watching a bright light

101
00:05:10,070 --> 00:05:08,220
moving a strange like fashion that

102
00:05:11,689 --> 00:05:10,080
you'll never see that or we never saw

103
00:05:15,409 --> 00:05:11,699
anymore

104
00:05:17,870 --> 00:05:15,419
else moving quickly and moved for

105
00:05:20,450 --> 00:05:17,880
instance in a zigzag fashion

106
00:05:23,029 --> 00:05:20,460
we're watching it for 10 to 15 minutes

107
00:05:25,909 --> 00:05:23,039
move in this direction North

108
00:05:29,290 --> 00:05:25,919
and we just saw this bright light 15 20

109
00:05:33,830 --> 00:05:29,300
meters above our car just a bright light

110
00:05:35,810 --> 00:05:33,840
emanating light towards our car

111
00:05:40,249 --> 00:05:35,820
it was just

112
00:05:42,469 --> 00:05:40,259
all of a sudden I saw these lights come

113
00:05:44,870 --> 00:05:42,479

out of the water like like a

114

00:05:48,230 --> 00:05:44,880

cylinder and Flash

115

00:05:50,150 --> 00:05:48,240

and the top of the water is all lit up

116

00:05:53,150 --> 00:05:50,160

and as that light was up I could hear

117

00:05:56,450 --> 00:05:53,160

the rushing of water movement of water

118

00:05:58,610 --> 00:05:56,460

and then the water being raised up and

119

00:06:02,029 --> 00:05:58,620

then shortly after it down comes the

120

00:06:06,230 --> 00:06:04,969

I'll notice this rather bright light it

121

00:06:07,790 --> 00:06:06,240

seemed to be cut on the right hand side

122

00:06:09,350 --> 00:06:07,800

of the car

123

00:06:10,670 --> 00:06:09,360

and it seemed to be following this for

124

00:06:12,350 --> 00:06:10,680

quite a while

125

00:06:14,210 --> 00:06:12,360

and then all of a sudden they're tuned

126

00:06:16,670 --> 00:06:14,220

and went at a right angle right across

127

00:06:20,510 --> 00:06:16,680

the expressway in front of the car

128

00:06:22,430 --> 00:06:20,520

large around I seemed to have a stream

129

00:06:24,170 --> 00:06:22,440

of sparks flying out the back of it I

130

00:06:25,490 --> 00:06:24,180

don't know what it was but it was most

131

00:06:27,350 --> 00:06:25,500

peculiar

132

00:06:29,870 --> 00:06:27,360

after the initial New Year's Eve reports

133

00:06:31,189 --> 00:06:29,880

to police the local Sun weekly newspaper

134

00:06:33,830 --> 00:06:31,199

got hold of the story

135

00:06:35,870 --> 00:06:33,840

there were hundreds more people at home

136

00:06:37,850 --> 00:06:35,880

that had obviously thought they'd seen

137

00:06:39,950 --> 00:06:37,860

something quite out of the ordinary but

138

00:06:41,330 --> 00:06:39,960

hadn't were too scared maybe to come

139

00:06:42,550 --> 00:06:41,340

forward and actually say that they'd

140

00:06:47,809 --> 00:06:42,560

seen something

141

00:06:50,450 --> 00:06:47,819

our office the day the the report

142

00:06:51,950 --> 00:06:50,460

hit the streets uh was was amazing we

143

00:06:53,749 --> 00:06:51,960

had caller after course I mean they'd

144

00:06:56,749 --> 00:06:53,759

seen the same thing a lot of the

145

00:06:59,510 --> 00:06:56,759

Witnesses were retired academics some

146

00:07:02,689 --> 00:06:59,520

were policemen nurses School teachers

147

00:07:04,249 --> 00:07:02,699

Sunday school teachers lawyers business

148

00:07:06,710 --> 00:07:04,259

people some of the leading business

149

00:07:08,510 --> 00:07:06,720

people in the area they were all people

150

00:07:10,670 --> 00:07:08,520

that had everything to lose and nothing

151
00:07:13,150 --> 00:07:10,680
to gain by coming even coming forward

152
00:07:15,469 --> 00:07:13,160
and making a report

153
00:07:18,290 --> 00:07:15,479
all the people who actually saw it

154
00:07:20,330 --> 00:07:18,300
hovering over the water describe these

155
00:07:23,029 --> 00:07:20,340
four or five shafts of bright white

156
00:07:25,070 --> 00:07:23,039
light coming down to the water and

157
00:07:27,550 --> 00:07:25,080
literally penetrating the water rather

158
00:07:30,650 --> 00:07:27,560
than reflecting off it we also had

159
00:07:32,990 --> 00:07:30,660
descriptions of the water seething

160
00:07:35,210 --> 00:07:33,000
underneath it some people said it froth

161
00:07:38,689 --> 00:07:35,220
some people set it phoned some people

162
00:07:46,070 --> 00:07:40,850
overall I'd imagine there'd be probably

163
00:07:50,570 --> 00:07:47,870

particular Sergeant winning remembers

164

00:07:53,029 --> 00:07:50,580

one very distressed caller he told me he

165

00:07:54,589 --> 00:07:53,039

had been woken up from a deep sleep with

166

00:07:57,710 --> 00:07:54,599

thunderous noise

167

00:07:58,969 --> 00:07:57,720

and bright lights dogs barking is

168

00:08:01,430 --> 00:07:58,979

children had come into his bedroom

169

00:08:02,809 --> 00:08:01,440

screaming it was saying that this thing

170

00:08:04,249 --> 00:08:02,819

was only just down the bottom of his

171

00:08:06,710 --> 00:08:04,259

street he could see it it was out in the

172

00:08:08,629 --> 00:08:06,720

water it was sucking up water

173

00:08:11,689 --> 00:08:08,639

the sand was like a million hummingbase

174

00:08:15,650 --> 00:08:11,699

he didn't know what was going on

175

00:08:18,950 --> 00:08:15,660

we investigated officially with the

176

00:08:21,830 --> 00:08:18,960

local aircraft aerodromes with the Air

177

00:08:24,350 --> 00:08:21,840

Force with air traffic control and again

178

00:08:26,270 --> 00:08:24,360

could come up with no explanation

179

00:08:27,529 --> 00:08:26,280

while everyone can describe what they

180

00:08:29,150 --> 00:08:27,539

saw

181

00:08:30,830 --> 00:08:29,160

no one seems to have the answer to

182

00:08:32,690 --> 00:08:30,840

exactly what it was or where it came

183

00:08:35,029 --> 00:08:32,700

from

184

00:08:38,810 --> 00:08:35,039

there was smoothing in moving in ways in

185

00:08:41,810 --> 00:08:38,820

the sky which could only be described

186

00:08:44,449 --> 00:08:41,820

as a UFO when you see something like

187

00:08:45,530 --> 00:08:44,459

this there's a sure knowledge that

188

00:08:48,769 --> 00:08:45,540

you're looking at something that is

189

00:08:52,030 --> 00:08:48,779

beyond your experience I'm not young and

190

00:08:54,470 --> 00:08:52,040

people might think oh yeah but strange

191

00:08:56,269 --> 00:08:54,480

seeing things and I'll imagine had

192

00:08:58,430 --> 00:08:56,279

imagination now I've got an imagination

193

00:09:00,230 --> 00:08:58,440

but not like that not when I see

194

00:09:02,389 --> 00:09:00,240

something they're like I say I know I

195

00:09:04,310 --> 00:09:02,399

saw it at first I thought well maybe

196

00:09:08,030 --> 00:09:04,320

it's some type of meteorite but it was

197

00:09:10,730 --> 00:09:08,040

too large it was traveling too slow and

198

00:09:13,490 --> 00:09:10,740

turned turned a right angle which I know

199

00:09:15,590 --> 00:09:13,500

meteorites aren't kind to do oh it's

200

00:09:18,050 --> 00:09:15,600

just bewildered how something could

201

00:09:20,150 --> 00:09:18,060

appear and disappear

202

00:09:22,130 --> 00:09:20,160

and Affinity practically

203

00:09:23,870 --> 00:09:22,140

while I honestly don't know what they

204

00:09:26,570 --> 00:09:23,880

saw we've gone right through all the

205

00:09:29,269 --> 00:09:26,580

realm of possible explanations which

206

00:09:31,190 --> 00:09:29,279

leaves it as what a UFO truly is a

207

00:09:33,530 --> 00:09:31,200

flying object which we cannot identify

208

00:09:34,970 --> 00:09:33,540

by conventional means

209

00:09:36,949 --> 00:09:34,980

there's a saying that seeing is

210

00:09:38,750 --> 00:09:36,959

believing and it certainly applies to

211

00:09:40,430 --> 00:09:38,760

UFOs

212

00:09:41,810 --> 00:09:40,440

the most intriguing personal accounts

213

00:09:43,370 --> 00:09:41,820

come from people with no real interest

214

00:09:47,030 --> 00:09:43,380

or belief

215

00:09:54,290 --> 00:09:51,370

[Music]

216

00:09:55,670 --> 00:09:54,300

before this happened to me I can be

217

00:09:57,590 --> 00:09:55,680

honest I could say that I was in that

218

00:09:58,610 --> 00:09:57,600

category of being naive I just I didn't

219

00:10:03,530 --> 00:09:58,620

believe it

220

00:10:06,170 --> 00:10:03,540

to see it's like I would have to see it

221

00:10:09,650 --> 00:10:08,150

Grace's experience starts in the early

222

00:10:12,350 --> 00:10:09,660

hours of the morning traveling home with

223

00:10:15,710 --> 00:10:12,360

three girlfriends

224

00:10:17,870 --> 00:10:15,720

Victoria who can't be identified was one

225

00:10:19,910 --> 00:10:17,880

of the women in the back seat it's when

226

00:10:21,410 --> 00:10:19,920

I got a bit further down the hill that I

227

00:10:25,310 --> 00:10:21,420

noticed on the right hand side of me

228

00:10:27,170 --> 00:10:25,320

some long oblong-shaped lights I didn't

229

00:10:28,730 --> 00:10:27,180

know what they were I mean I only sort

230

00:10:31,600 --> 00:10:28,740

of caught a glimpse of a bright orange

231

00:10:33,769 --> 00:10:31,610

light sort of shining through

232

00:10:36,170 --> 00:10:33,779

[Music]

233

00:10:38,210 --> 00:10:36,180

as I got down the Hillside and started

234

00:10:40,370 --> 00:10:38,220

to come around the corner by um this

235

00:10:42,949 --> 00:10:40,380

little hotel that takes us back through

236

00:10:45,170 --> 00:10:42,959

the back roads towards the freeway

237

00:10:47,630 --> 00:10:45,180

one of the girls in the back noticed a

238

00:10:52,509 --> 00:10:47,640

very bright white light with the top of

239

00:10:59,389 --> 00:10:54,710

when the girls were sort of saying oh

240

00:11:01,009 --> 00:10:59,399

maybe you know like it's a UFO and you

241

00:11:03,230 --> 00:11:01,019

know it was sort of like just laughed it

242

00:11:05,210 --> 00:11:03,240

off and said don't be so ridiculous the

243

00:11:07,730 --> 00:11:05,220

women continue their trip but further

244

00:11:10,910 --> 00:11:07,740

down the road more lights appeared

245

00:11:12,350 --> 00:11:10,920

I heard Victoria and one of the other

246

00:11:13,790 --> 00:11:12,360

girls in the back there they were

247

00:11:15,350 --> 00:11:13,800

commenting on

248

00:11:16,790 --> 00:11:15,360

something that was behind us I actually

249

00:11:18,290 --> 00:11:16,800

thought somebody was coming up behind us

250

00:11:21,590 --> 00:11:18,300

like a truck or something because it was

251
00:11:23,870 --> 00:11:21,600
moving fairly fast and very bright

252
00:11:25,730 --> 00:11:23,880
it was just such a brightest blinding

253
00:11:28,310 --> 00:11:25,740
like it was orange like a Sunset and it

254
00:11:30,710 --> 00:11:28,320
was just spanning across the road I got

255
00:11:37,370 --> 00:11:30,720
really scared and I said to Grace quick

256
00:11:37,380 --> 00:11:44,810
up the ride

257
00:11:48,889 --> 00:11:47,329
he says we got closer in like into the

258
00:11:51,829 --> 00:11:48,899
middle of this car parking area and

259
00:11:52,910 --> 00:11:51,839
looked up we could see this ship well

260
00:11:55,370 --> 00:11:52,920
that's what you'd have to call it

261
00:11:57,530 --> 00:11:55,380
because it was you know definitely not

262
00:11:59,449 --> 00:11:57,540
an airplane and um and it was it was

263
00:12:01,490 --> 00:11:59,459

something from definitely not this world

264

00:12:03,290 --> 00:12:01,500

that's for sure

265

00:12:22,009 --> 00:12:03,300

sort of moved across from this direction

266

00:12:27,730 --> 00:12:24,590

sort of disappeared in into a gully we

267

00:12:27,740 --> 00:12:32,210

[Music]

268

00:12:36,650 --> 00:12:35,389

we were scared for our safety I mean I I

269

00:12:39,410 --> 00:12:36,660

got to be honest I think it's the first

270

00:12:40,730 --> 00:12:39,420

time in my life that um I could identify

271

00:12:42,889 --> 00:12:40,740

of anybody telling me that they were

272

00:12:48,230 --> 00:12:42,899

scared they were going to die because I

273

00:12:52,550 --> 00:12:49,790

when I got to the opening of the drive

274

00:12:54,590 --> 00:12:52,560

here the other girls noticed that um

275

00:12:56,810 --> 00:12:54,600

there was something else up

276

00:12:59,030 --> 00:12:56,820

some activity up there in the sky

277

00:13:01,310 --> 00:12:59,040

we were still scared we didn't know what

278

00:13:03,889 --> 00:13:01,320

they were either

279

00:13:05,930 --> 00:13:03,899

they seem to be moving in a direction at

280

00:13:07,310 --> 00:13:05,940

this this other craft had gone over and

281

00:13:08,990 --> 00:13:07,320

gone down

282

00:13:11,329 --> 00:13:09,000

so the first thing you think of just

283

00:13:13,129 --> 00:13:11,339

pull off someone's driveway

284

00:13:14,569 --> 00:13:13,139

and as I pulled in the light was so

285

00:13:16,069 --> 00:13:14,579

blinding it actually was hurting our

286

00:13:20,990 --> 00:13:16,079

eyes to look at it

287

00:13:25,190 --> 00:13:22,850

it wasn't a human it definitely was no

288

00:13:27,050 --> 00:13:25,200

human that's for sure

289

00:13:28,850 --> 00:13:27,060

I felt threatened to buy it I felt

290

00:13:30,290 --> 00:13:28,860

really really afraid to buy it

291

00:13:33,710 --> 00:13:30,300

that was the closest thing I've ever

292

00:13:35,870 --> 00:13:33,720

experienced with the thought of actually

293

00:13:38,449 --> 00:13:35,880

you know coming close to death I suppose

294

00:13:40,430 --> 00:13:38,459

which sounds pretty silly but um the

295

00:13:43,970 --> 00:13:40,440

fear I had was like that like I wasn't

296

00:13:46,190 --> 00:13:43,980

gonna sit my family again

297

00:13:48,889 --> 00:13:46,200

and the weird thing is that it's it's

298

00:13:51,470 --> 00:13:48,899

not the normal thing to talk about and

299

00:13:54,590 --> 00:13:51,480

be able to accept

300

00:13:56,930 --> 00:13:54,600

but um you know it's been three years

301
00:14:00,530 --> 00:13:56,940
now and uh

302
00:14:02,750 --> 00:14:00,540
and I still feel very distressed by it

303
00:14:04,790 --> 00:14:02,760
in the weeks um

304
00:14:08,210 --> 00:14:04,800
I feel a lot of Doubt with what happened

305
00:14:10,129 --> 00:14:08,220
to Grace uh I didn't believe it

306
00:14:11,569 --> 00:14:10,139
um truly believed it because it I hadn't

307
00:14:15,590 --> 00:14:11,579
experienced anything that most like that

308
00:14:16,970 --> 00:14:15,600
myself so uh I uh I didn't I didn't show

309
00:14:19,009 --> 00:14:16,980
it either I mean I didn't show it I

310
00:14:20,990 --> 00:14:19,019
didn't believe it because I think it was

311
00:14:22,430 --> 00:14:21,000
important that I looked like I was

312
00:14:24,290 --> 00:14:22,440
supporting her so that otherwise you

313
00:14:26,509 --> 00:14:24,300

know she might go sort of

314

00:14:28,310 --> 00:14:26,519

you know off the rails if you didn't

315

00:14:29,329 --> 00:14:28,320

feel she had some support from her

316

00:14:31,730 --> 00:14:29,339

husband

317

00:14:34,550 --> 00:14:31,740

but two weeks later those Downs

318

00:14:36,530 --> 00:14:34,560

disappeared late one night they were

319

00:14:39,110 --> 00:14:36,540

both woken by the distressed 15 year old

320

00:14:41,629 --> 00:14:39,120

son he he's dead set that he had

321

00:14:43,490 --> 00:14:41,639

presence in his room you know there was

322

00:14:47,930 --> 00:14:43,500

there was people somebody in his room

323

00:14:49,670 --> 00:14:47,940

and um one thing that uh he did kept

324

00:14:51,650 --> 00:14:49,680

saying the time was that at that time

325

00:14:54,170 --> 00:14:51,660

was that can you hear that sound and he

326

00:14:57,590 --> 00:14:54,180

kept pointing up to the ceiling and um

327

00:15:00,110 --> 00:14:57,600

we we could hear and this little drone

328

00:15:02,870 --> 00:15:00,120

sent I knew then I'd heard that sound

329

00:15:05,150 --> 00:15:02,880

before we got back into bed and I was

330

00:15:06,889 --> 00:15:05,160

laying there and I thought do I lie here

331

00:15:09,230 --> 00:15:06,899

and just let this thing go through and

332

00:15:11,509 --> 00:15:09,240

just you know try and wipe it off as uh

333

00:15:14,030 --> 00:15:11,519

another bad experience or do I actually

334

00:15:15,769 --> 00:15:14,040

get up and look and if it is what I

335

00:15:17,329 --> 00:15:15,779

think it is then maybe my husband will

336

00:15:20,990 --> 00:15:17,339

be able to see for the first time and he

337

00:15:26,329 --> 00:15:23,210

I just couldn't believe what I was

338

00:15:27,769 --> 00:15:26,339

seeing when you see you see an object

339

00:15:28,610 --> 00:15:27,779

that's just sort of floating through the

340

00:15:31,009 --> 00:15:28,620

air

341

00:15:33,590 --> 00:15:31,019

you know I could slow pace and you think

342

00:15:34,850 --> 00:15:33,600

yourself oh my God so struck me as you

343

00:15:37,189 --> 00:15:34,860

know being awesome and just something

344

00:15:38,930 --> 00:15:37,199

unbelievable

345

00:15:41,629 --> 00:15:38,940

it was a relief

346

00:15:43,610 --> 00:15:41,639

that he was able to see this thing and

347

00:15:46,550 --> 00:15:43,620

all I kept saying was that that was the

348

00:15:49,490 --> 00:15:46,560

thing that was there the night when I

349

00:15:53,509 --> 00:15:51,949

certainly bright spots Nature by the way

350

00:15:55,790 --> 00:15:53,519

characteristics of the weight we just

351
00:15:58,430 --> 00:15:55,800
hovered across the house at a slow pace

352
00:16:00,050 --> 00:15:58,440
so yeah no nothing man-made not from

353
00:16:02,449 --> 00:16:00,060
this country not from this Earth I

354
00:16:03,590 --> 00:16:02,459
should say do you want me to even though

355
00:16:06,110 --> 00:16:03,600
Grace and her husband ended up

356
00:16:08,509 --> 00:16:06,120
experiencing the same craft their ways

357
00:16:10,009 --> 00:16:08,519
of coping with the differ you either

358
00:16:11,329 --> 00:16:10,019
accept or you don't accept it and I tend

359
00:16:14,090 --> 00:16:11,339
to say now after I've seen it with my

360
00:16:16,250 --> 00:16:14,100
own eyes so I accept it but I don't you

361
00:16:17,750 --> 00:16:16,260
know harp on about it and and talk about

362
00:16:19,910 --> 00:16:17,760
it and if it's um it's just one of those

363
00:16:21,530 --> 00:16:19,920

things that you try and live as a part

364

00:16:22,850 --> 00:16:21,540

of your life that's happened and let's

365

00:16:24,710 --> 00:16:22,860

get on with things let's move on from

366

00:16:26,030 --> 00:16:24,720

here you see that's how I sort of try

367

00:16:28,250 --> 00:16:26,040

and treat it rather than try and find

368

00:16:30,829 --> 00:16:28,260

explanation as to what it is yeah I

369

00:16:33,350 --> 00:16:30,839

really don't have a theory

370

00:16:35,090 --> 00:16:33,360

basically um

371

00:16:37,370 --> 00:16:35,100

it's more the fear

372

00:16:39,410 --> 00:16:37,380

again I don't know why because I'm still

373

00:16:42,470 --> 00:16:39,420

here and I am healthy you know I mean

374

00:16:44,329 --> 00:16:42,480

but the fact is it's um

375

00:16:45,650 --> 00:16:44,339

it's just a worry because

376

00:16:50,150 --> 00:16:45,660

um

377

00:16:54,050 --> 00:16:51,949

what do you reckon it is

378

00:16:56,870 --> 00:16:54,060

got no idea

379

00:16:58,490 --> 00:16:56,880

images of UFOs caught on video over the

380

00:16:59,829 --> 00:16:58,500

years tend to raise more questions than

381

00:17:03,130 --> 00:16:59,839

they

382

00:17:05,090 --> 00:17:03,140

answered yes yes

383

00:17:06,829 --> 00:17:05,100

working out whether there is something

384

00:17:07,789 --> 00:17:06,839

out there is intrigued researchers for

385

00:17:09,470 --> 00:17:07,799

years

386

00:17:10,850 --> 00:17:09,480

and there's no doubt that there is a

387

00:17:12,470 --> 00:17:10,860

physical Dimension to this UFO

388

00:17:15,669 --> 00:17:12,480

phenomenon and it appears to involve

389

00:17:18,169 --> 00:17:15,679

some form of technology

390

00:17:19,549 --> 00:17:18,179

and many cases certainly suggest that

391

00:17:21,590 --> 00:17:19,559

we're dealing with with an exotic

392

00:17:23,270 --> 00:17:21,600

technology that might be something

393

00:17:25,130 --> 00:17:23,280

certainly foreign to our environment

394

00:17:27,470 --> 00:17:25,140

when a Melbourne photographer saw images

395

00:17:29,390 --> 00:17:27,480

like these he was interested enough to

396

00:17:31,310 --> 00:17:29,400

go on standby to try and capture on film

397

00:17:37,810 --> 00:17:31,320

whatever was buzzing this guy over Mary

398

00:17:43,549 --> 00:17:41,570

I got the phone call and I was told that

399

00:17:47,150 --> 00:17:43,559

the lights were spinning

400

00:17:49,430 --> 00:17:47,160

across the tree line over the homes what

401
00:17:51,049 --> 00:17:49,440
I did was put the camera

402
00:17:52,430 --> 00:17:51,059
onto the object

403
00:17:54,950 --> 00:17:52,440
allowing

404
00:17:59,810 --> 00:17:54,960
it just to come into frame hit the

405
00:18:01,850 --> 00:17:59,820
shutter count to 20 stop whine move the

406
00:18:05,630 --> 00:18:01,860
camera to the next part of the frame so

407
00:18:07,130 --> 00:18:05,640
start the shot count to 20 Let It Go and

408
00:18:08,930 --> 00:18:07,140
so forth

409
00:18:12,110 --> 00:18:08,940
the first night the result of the

410
00:18:13,909 --> 00:18:12,120
photographs showed just light Trails of

411
00:18:16,130 --> 00:18:13,919
this object going across over the the

412
00:18:18,470 --> 00:18:16,140
tree line the second night with high

413
00:18:20,150 --> 00:18:18,480

speed film and the high magnification

414

00:18:22,370 --> 00:18:20,160

lens is where we actually captured the

415

00:18:24,169 --> 00:18:22,380

shot of the disc

416

00:18:26,810 --> 00:18:24,179

this thing was

417

00:18:28,490 --> 00:18:26,820

uh the only way to explain it was uh it

418

00:18:31,909 --> 00:18:28,500

was moving across the air like like ice

419

00:18:34,130 --> 00:18:31,919

on a on a hot plate very very smooth

420

00:18:36,650 --> 00:18:34,140

later in the program Doug's photos will

421

00:18:39,289 --> 00:18:36,660

be studied by an independent expert

422

00:18:41,630 --> 00:18:39,299

well it was flying it's unidentified and

423

00:18:45,110 --> 00:18:41,640

it was definitely an object what it will

424

00:18:47,750 --> 00:18:45,120

be and I hope with the analysis we'll

425

00:18:49,190 --> 00:18:47,760

prove me right but yeah I believe it's a

426
00:18:53,390 --> 00:18:49,200
UFO

427
00:18:55,130 --> 00:18:53,400
hypnotherapy is like a buzzword

428
00:18:57,890 --> 00:18:55,140
it's the thing to try if you feel you

429
00:18:59,450 --> 00:18:57,900
have secrets of the past to unlock

430
00:19:01,789 --> 00:18:59,460
while mainstream medicine doesn't

431
00:19:04,610 --> 00:19:01,799
necessarily recognize them people have

432
00:19:19,029 --> 00:19:04,620
had UFO encounters believe it helps

433
00:19:23,750 --> 00:19:21,950
Victor pufelska believes he started

434
00:19:25,850 --> 00:19:23,760
having alien encounters as a teenager

435
00:19:27,650 --> 00:19:25,860
back in his native Romania

436
00:19:31,789 --> 00:19:27,660
he's turned a hypnotherapy to try and

437
00:19:37,669 --> 00:19:34,970
is like being a good good soldier you

438
00:19:38,990 --> 00:19:37,679

just obey orders this is actually the

439

00:19:40,930 --> 00:19:39,000

probably the best description of

440

00:19:42,710 --> 00:19:40,940

hypnosis process

441

00:19:47,090 --> 00:19:42,720

deeper sleep

442

00:19:50,150 --> 00:19:47,100

loose and limb heavier and heavier

443

00:19:54,650 --> 00:19:50,160

not a worry not a care

444

00:19:56,930 --> 00:19:54,660

deeper deeper and deeper hypnotherapy is

445

00:20:00,230 --> 00:19:56,940

a way of allowing us to get into the

446

00:20:02,390 --> 00:20:00,240

subconscious mind the intellectual mind

447

00:20:05,210 --> 00:20:02,400

tends to want to control and criticize

448

00:20:07,549 --> 00:20:05,220

everything it's it's the sensor of stuff

449

00:20:10,850 --> 00:20:07,559

that doesn't even know about that was in

450

00:20:13,750 --> 00:20:10,860

there before we were three years old so

451

00:20:17,029 --> 00:20:13,760

by sort of relaxing and sliding across

452

00:20:19,610 --> 00:20:17,039

the conscious mind if you like we can

453

00:20:21,950 --> 00:20:19,620

sort of delve into the unconscious or to

454

00:20:23,270 --> 00:20:21,960

allow what's in the unconscious to find

455

00:20:24,470 --> 00:20:23,280

its way out

456

00:20:27,650 --> 00:20:24,480

oh

457

00:20:29,510 --> 00:20:27,660

I can't move Frank uh-huh

458

00:20:32,210 --> 00:20:29,520

I think the pressure is increasing I

459

00:20:33,230 --> 00:20:32,220

can't move the chest my arms uh-huh my

460

00:20:35,390 --> 00:20:33,240

legs

461

00:20:37,909 --> 00:20:35,400

there's a thing about hypnotherapy that

462

00:20:40,010 --> 00:20:37,919

very often the subject will want to

463

00:20:42,590 --> 00:20:40,020

please the hypnotist

464

00:20:44,450 --> 00:20:42,600

that you have to look at that but

465

00:20:47,990 --> 00:20:44,460

um the thing is that you can see that

466

00:20:49,669 --> 00:20:48,000

when a person is reliving an experience

467

00:20:51,529 --> 00:20:49,679

that it's pretty easy to see whether

468

00:20:55,250 --> 00:20:51,539

that's faked or not

469

00:20:56,890 --> 00:20:55,260

moving forward in time my legs moving

470

00:20:59,520 --> 00:20:56,900

forward

471

00:21:04,010 --> 00:20:59,530

in time through the experience

472

00:21:07,850 --> 00:21:04,020

[Laughter]

473

00:21:10,010 --> 00:21:07,860

the point where the pain is inside of my

474

00:21:12,970 --> 00:21:10,020

elbow aha

475

00:21:21,470 --> 00:21:16,810

who are you saying thanks to them

476

00:21:28,070 --> 00:21:24,830

there's a test that's a test

477

00:21:31,010 --> 00:21:28,080

keep they keep me telling become

478

00:21:33,169 --> 00:21:31,020

they're telling you to be calm yeah very

479

00:21:35,210 --> 00:21:33,179

often the people are quite disturbed

480

00:21:38,090 --> 00:21:35,220

about Dreams they're having or things

481

00:21:39,850 --> 00:21:38,100

they've imagined happen to them and they

482

00:21:42,590 --> 00:21:39,860

often come out of this saying I'm

483

00:21:46,789 --> 00:21:42,600

pleased I'm not crazy or I'm not mad or

484

00:21:52,070 --> 00:21:50,330

does give you some answers but also

485

00:21:54,529 --> 00:21:52,080

creates

486

00:21:56,570 --> 00:21:54,539

thousands more and this is probably the

487

00:21:59,750 --> 00:21:56,580

trickiest part

488

00:22:02,029 --> 00:21:59,760

I'm never happy with the answer which I

489

00:22:06,610 --> 00:22:02,039

I I'm getting and I want more and more

490

00:22:12,049 --> 00:22:09,350

the somewhere in the skies podcast is

491

00:22:14,149 --> 00:22:12,059

free to listen to every week but if you

00:22:50,230 --> 00:22:38,420
somewhere Skies

502
00:22:57,770 --> 00:22:53,710
just relaxing as much as you can

503
00:22:57,780 --> 00:23:02,630
that's feeling a sense of calm

504
00:23:08,690 --> 00:23:05,330
from 1992 there was a very strong

505
00:23:11,510 --> 00:23:08,700
correlation with Awakening psychically

506
00:23:13,789 --> 00:23:11,520
and with my healing work to having these

507
00:23:16,010 --> 00:23:13,799
experiences

508
00:23:17,630 --> 00:23:16,020
Elizabeth Robinson is a spiritual healer

509
00:23:19,370 --> 00:23:17,640
and therapist who says she's been having

510
00:23:20,570 --> 00:23:19,380
extraterrestrial experiences since

511
00:23:24,590 --> 00:23:20,580
childhood

512
00:23:26,810 --> 00:23:24,600
but is only now starting to accept them

513
00:23:29,029 --> 00:23:26,820

I mean when they started with me I

514

00:23:30,710 --> 00:23:29,039

thought my God this is bizarre you know

515

00:23:33,049 --> 00:23:30,720

this is crazy

516

00:23:34,850 --> 00:23:33,059

this is the in the realm of Science

517

00:23:37,490 --> 00:23:34,860

Fiction

518

00:23:39,350 --> 00:23:37,500

um but I know now I've had to work

519

00:23:41,710 --> 00:23:39,360

through that and struggle with it and

520

00:23:45,169 --> 00:23:41,720

I've denied it like hell for five years

521

00:23:47,029 --> 00:23:45,179

and I can't deny it anymore

522

00:23:48,710 --> 00:23:47,039

Elizabeth says she started seeing

523

00:23:50,870 --> 00:23:48,720

creatures like these around a home in

524

00:23:54,409 --> 00:23:50,880

Perth in 1992.

525

00:23:56,390 --> 00:23:54,419

there were three beings stand there

526
00:23:59,630 --> 00:23:56,400

large

527
00:24:02,029 --> 00:23:59,640

shaped heads bigger at the top to the

528
00:24:05,450 --> 00:24:02,039

chin at the bottom large almond-shaped

529
00:24:08,570 --> 00:24:05,460

eyes small bodies legs and arms and and

530
00:24:11,450 --> 00:24:08,580

sort of gray in appearance

531
00:24:13,970 --> 00:24:11,460

but they looked at me with a sense of

532
00:24:16,130 --> 00:24:13,980

intent and intelligence

533
00:24:18,230 --> 00:24:16,140

soon after Elizabeth's daughter talked

534
00:24:19,430 --> 00:24:18,240

of being visited by a lady during the

535
00:24:21,169 --> 00:24:19,440

night

536
00:24:22,669 --> 00:24:21,179

Elizabeth believes it was one of the

537
00:24:25,909 --> 00:24:22,679

same beings

538
00:24:29,450 --> 00:24:25,919

and I looked down on the desk and here

539

00:24:32,090 --> 00:24:29,460

was a drawing of this being the same

540

00:24:35,330 --> 00:24:32,100

being that I had seen and I said to

541

00:24:38,330 --> 00:24:35,340

Jessica who did that because I I knew

542

00:24:41,570 --> 00:24:38,340

that at two and a half her drawings were

543

00:24:42,230 --> 00:24:41,580

scribble drawings and she said oh that's

544

00:24:45,490 --> 00:24:42,240

the lady

545

00:24:49,190 --> 00:24:45,500

[Music]

546

00:24:50,470 --> 00:24:49,200

I tried to rationalize it but I knew

547

00:24:53,029 --> 00:24:50,480

that I wasn't

548

00:24:55,130 --> 00:24:53,039

imagining this stuff you know there was

549

00:24:58,360 --> 00:24:55,140

something in me that told me that there

550

00:24:59,570 --> 00:24:58,370

was more to these experiences

551
00:25:02,330 --> 00:24:59,580

[Music]

552
00:25:04,490 --> 00:25:02,340
they're looking at me again

553
00:25:05,690 --> 00:25:04,500
Elizabeth then turned hypnotherapy to

554
00:25:07,270 --> 00:25:05,700
try and uncover what she couldn't

555
00:25:09,890 --> 00:25:07,280
understand

556
00:25:11,870 --> 00:25:09,900
the session was recorded last year with

557
00:25:14,029 --> 00:25:11,880
visiting American ufi researcher John

558
00:25:16,970 --> 00:25:14,039
Carpenter

559
00:25:19,730 --> 00:25:16,980
I don't want to give the baby up

560
00:25:23,029 --> 00:25:19,740
what since we've come up in hypnosis is

561
00:25:25,750 --> 00:25:23,039
that I've had children taken from me

562
00:25:28,250 --> 00:25:25,760
babies taken from me that are growing up

563
00:25:30,529 --> 00:25:28,260

on crafts and this this is just

564

00:25:32,149 --> 00:25:30,539

absolutely bizarre you know talking

565

00:25:35,330 --> 00:25:32,159

about this I mean

566

00:25:37,850 --> 00:25:35,340

it it's you talk about this but you know

567

00:25:40,789 --> 00:25:37,860

at first you struggle with it I mean you

568

00:25:42,710 --> 00:25:40,799

can't fully comprehend this but what I

569

00:25:52,010 --> 00:25:42,720

could comprehend was the emotion around

570

00:25:57,529 --> 00:25:55,190

they tell me with their mind

571

00:26:00,049 --> 00:25:57,539

the emotions are so real they're raw

572

00:26:02,269 --> 00:26:00,059

they're you know the grief is there that

573

00:26:04,490 --> 00:26:02,279

the terror is something like I've never

574

00:26:06,950 --> 00:26:04,500

felt before

575

00:26:09,110 --> 00:26:06,960

doing what they're doing what are they

576

00:26:10,370 --> 00:26:09,120

doing they're getting the equipment

577

00:26:12,470 --> 00:26:10,380

ready

578

00:26:15,769 --> 00:26:12,480

part of the reason why they're involved

579

00:26:17,149 --> 00:26:15,779

here on Earth is to help us awaken but

580

00:26:20,990 --> 00:26:17,159

there seems to be some sort of

581

00:26:23,149 --> 00:26:21,000

reciprocal type of arrangement whereby

582

00:26:27,049 --> 00:26:23,159

um you know they're they're coming to

583

00:26:28,850 --> 00:26:27,059

Earth and they're creating a new race of

584

00:26:31,370 --> 00:26:28,860

beings or creating some sort of hybrid

585

00:26:33,830 --> 00:26:31,380

race of beings I used to think okay I'm

586

00:26:35,990 --> 00:26:33,840

dreaming until I used to be able to get

587

00:26:37,909 --> 00:26:36,000

up go to the bathroom make a cup of tea

588

00:26:41,390 --> 00:26:37,919

come back sit down and still be waiting

589

00:26:43,250 --> 00:26:41,400

for me and I think Janet Elizabeth and

590

00:26:44,990 --> 00:26:43,260

colleague Mary Rodwell now run a support

591

00:26:46,970 --> 00:26:45,000

group in Perth for people who've had

592

00:26:49,010 --> 00:26:46,980

alien experiences for a long time and

593

00:26:51,529 --> 00:26:49,020

this is what I I mean my business is is

594

00:26:53,390 --> 00:26:51,539

emotional trauma that's why I'm here and

595

00:26:55,430 --> 00:26:53,400

I won't deal with fantasy I can't deal

596

00:26:58,970 --> 00:26:55,440

with fantasy so it's about emotional

597

00:27:01,970 --> 00:26:58,980

trauma these people are stressed quite

598

00:27:03,950 --> 00:27:01,980

desperately with fear and anxiety about

599

00:27:05,810 --> 00:27:03,960

a lot of things that they only have a

600

00:27:07,669 --> 00:27:05,820

vague idea often about but often is

601
00:27:09,590 --> 00:27:07,679
because they remembered being taken I

602
00:27:11,390 --> 00:27:09,600
went three months with barely any sleep

603
00:27:13,610 --> 00:27:11,400
if you remember I told you about 11 or

604
00:27:14,930 --> 00:27:13,620
12 well it's barely any sleep most of

605
00:27:17,510 --> 00:27:14,940
them just want to live an ordinary life

606
00:27:19,850 --> 00:27:17,520
they don't want this to happen so for

607
00:27:23,330 --> 00:27:19,860
them to have the chance to at least talk

608
00:27:24,830 --> 00:27:23,340
about it and release all the anxiety and

609
00:27:27,169 --> 00:27:24,840
fear around that as much as they can

610
00:27:30,230 --> 00:27:27,179
around talking about it it seems that

611
00:27:33,649 --> 00:27:30,240
through that there is real healing for

612
00:27:37,370 --> 00:27:33,659
me I became very frightened that I would

613
00:27:39,350 --> 00:27:37,380

be labeled crazy or you know hallucinate

614

00:27:41,090 --> 00:27:39,360

whatever it was and that I couldn't have

615

00:27:43,370 --> 00:27:41,100

somebody to relate this experience to

616

00:27:44,630 --> 00:27:43,380

that would honor my experience have

617

00:27:46,430 --> 00:27:44,640

either Elizabeth has always kept

618

00:27:49,370 --> 00:27:46,440

journals a better experiences which she

619

00:27:51,830 --> 00:27:49,380

is now using to write a book I saw a

620

00:27:53,630 --> 00:27:51,840

gray being appear white gray color in

621

00:27:56,149 --> 00:27:53,640

the dream I was searching for my son

622

00:27:58,490 --> 00:27:56,159

even though the child dream of trying to

623

00:28:00,830 --> 00:27:58,500

run away from several gray beings but as

624

00:28:02,890 --> 00:28:00,840

fast as I ran or wherever I really don't

625

00:28:05,570 --> 00:28:02,900

expect someone to be able to say

626
00:28:08,390 --> 00:28:05,580
absolutely you know this is real because

627
00:28:11,570 --> 00:28:08,400
you know you always doubt yourself but

628
00:28:13,610 --> 00:28:11,580
but you know that it's real and you have

629
00:28:16,669 --> 00:28:13,620
to come to some point and stop denying

630
00:28:18,890 --> 00:28:16,679
it and that's what I'm starting to do

631
00:28:21,289 --> 00:28:18,900
sorting out the facts around the UFOs

632
00:28:35,529 --> 00:28:21,299
can be tough this of course is something

633
00:28:40,690 --> 00:28:37,430
earlier in the program we saw

634
00:28:42,950 --> 00:28:40,700
photographs taken by Doug page

635
00:28:45,350 --> 00:28:42,960
the time exposure show what doug

636
00:28:47,510 --> 00:28:45,360
believes is a UFO hovering near his home

637
00:28:50,450 --> 00:28:47,520
in 1996.

638
00:28:52,490 --> 00:28:50,460

now has this been observed by other

639

00:28:55,570 --> 00:28:52,500

people as well practically all of Mary

640

00:28:59,090 --> 00:28:55,580

Warren okay so that that was

641

00:29:02,330 --> 00:28:59,100

seen but not as a streak because this is

642

00:29:05,029 --> 00:29:02,340

a Time exposure so it was simply an

643

00:29:06,830 --> 00:29:05,039

object of some sort traveling correct uh

644

00:29:10,190 --> 00:29:06,840

in in somewhat of a line but as you can

645

00:29:12,289 --> 00:29:10,200

see it goes up and down here this type

646

00:29:13,669 --> 00:29:12,299

of negative sleeve will take the

647

00:29:15,470 --> 00:29:13,679

professor would like to examine the

648

00:29:17,330 --> 00:29:15,480

negatives that come before and after the

649

00:29:19,490 --> 00:29:17,340

pictures in question explain to me why

650

00:29:21,470 --> 00:29:19,500

but Doug has used the ends of rolls of

651

00:29:24,049 --> 00:29:21,480

film and discarded the shots he felt

652

00:29:26,570 --> 00:29:24,059

didn't work now when the films were

653

00:29:27,710 --> 00:29:26,580

actually ready for handling I'd lay them

654

00:29:29,510 --> 00:29:27,720

out and I went through them and I go

655

00:29:31,430 --> 00:29:29,520

with the scissors I just go cut cut into

656

00:29:33,110 --> 00:29:31,440

the bin cut cut put it there and that's

657

00:29:34,909 --> 00:29:33,120

what I did okay

658

00:29:36,950 --> 00:29:34,919

um after examining the camera the shots

659

00:29:39,049 --> 00:29:36,960

were taken with and checking density

660

00:29:41,350 --> 00:29:39,059

readings on the negatives the next step

661

00:29:44,990 --> 00:29:41,360

is to enhance the images on the computer

662

00:29:46,610 --> 00:29:45,000

I don't rely on computers for analysis

663

00:29:48,950 --> 00:29:46,620

they assume they're they're a bit of a

664

00:29:51,370 --> 00:29:48,960

tool they sometimes let us see things a

665

00:29:54,049 --> 00:29:51,380

little bit better but to actually

666

00:29:57,769 --> 00:29:54,059

definitively say that a particular thing

667

00:29:59,930 --> 00:29:57,779

is something I I stay away from that how

668

00:30:00,950 --> 00:29:59,940

did you focus the camera just on

669

00:30:06,169 --> 00:30:00,960

Infinity

670

00:30:07,970 --> 00:30:06,179

technically the tower should be sharper

671

00:30:11,230 --> 00:30:07,980

in Focus than the tree should be

672

00:30:13,669 --> 00:30:11,240

shouldn't it but it's not

673

00:30:16,549 --> 00:30:13,679

interesting question it's a good one now

674

00:30:18,710 --> 00:30:16,559

he told his um there's no sort of

675

00:30:21,110 --> 00:30:18,720

guarantee of course in the darkness that

676

00:30:23,510 --> 00:30:21,120

uh it hasn't moved offset either but I

677

00:30:25,010 --> 00:30:23,520

had that set for Infinity okay with some

678

00:30:27,169 --> 00:30:25,020

of the technical questions out of the

679

00:30:30,529 --> 00:30:27,179

way it becomes an issue of individual

680

00:30:33,350 --> 00:30:30,539

perception specific things here I see a

681

00:30:36,049 --> 00:30:33,360

disc shaped object I see something with

682

00:30:37,970 --> 00:30:36,059

a rim okay there is definitely a lip

683

00:30:40,070 --> 00:30:37,980

there are what appears to be lights

684

00:30:41,570 --> 00:30:40,080

there's big there's another small one in

685

00:30:43,909 --> 00:30:41,580

between another one so we've got

686

00:30:46,190 --> 00:30:43,919

something that is geometrically laid out

687

00:30:47,810 --> 00:30:46,200

you can see a texture

688

00:30:49,970 --> 00:30:47,820

and you can see definitely on the dark

689

00:30:52,130 --> 00:30:49,980

side of it something says something's in

690

00:30:54,889 --> 00:30:52,140

Shadow I mean it looks like a

691

00:30:57,230 --> 00:30:54,899

traditional every day of the week

692

00:30:58,789 --> 00:30:57,240

comic book Flying Saucer my first

693

00:31:03,409 --> 00:30:58,799

impression of this when I saw it again

694

00:31:06,350 --> 00:31:03,419

was a a trumpet a circular object here

695

00:31:10,909 --> 00:31:06,360

uh uh that we have a bell shape that

696

00:31:14,230 --> 00:31:10,919

comes out like so this is unexplained

697

00:31:16,850 --> 00:31:14,240

Optical either artifact phenomena

698

00:31:18,549 --> 00:31:16,860

or reality or reality or could be you

699

00:31:23,149 --> 00:31:18,559

know could be an object

700

00:31:24,769 --> 00:31:23,159

but it is totally undefinable and of

701
00:31:26,690 --> 00:31:24,779
technical concern is the fact that the

702
00:31:28,850 --> 00:31:26,700
start of the time exposure is more in

703
00:31:31,730 --> 00:31:28,860
Focus than the end shape

704
00:31:35,870 --> 00:31:31,740
doesn't make any sense to you that if

705
00:31:37,730 --> 00:31:35,880
this was moving and it's decelerating

706
00:31:40,190 --> 00:31:37,740
would that have a have a bearing on the

707
00:31:44,450 --> 00:31:40,200
on the on the shape of the line

708
00:31:49,190 --> 00:31:46,430
because no I shouldn't it should be

709
00:31:51,950 --> 00:31:49,200
exactly the same same sharpness despite

710
00:31:53,630 --> 00:31:51,960
question marks over issues like that

711
00:31:55,190 --> 00:31:53,640
Professor is able to reach some

712
00:31:58,310 --> 00:31:55,200
conclusions

713
00:32:00,889 --> 00:31:58,320

I don't believe that it's it's been fake

714

00:32:04,610 --> 00:32:00,899

uh I think it is probably something that

715

00:32:06,409 --> 00:32:04,620

was uh traveling through the air what it

716

00:32:07,430 --> 00:32:06,419

would be I wouldn't I wouldn't know and

717

00:32:08,930 --> 00:32:07,440

there's no indication from the

718

00:32:10,970 --> 00:32:08,940

photographs that would give me any any

719

00:32:15,350 --> 00:32:10,980

clue the points there that I haven't

720

00:32:19,549 --> 00:32:15,360

considered such as the object you know

721

00:32:20,930 --> 00:32:19,559

could well be a phenomenon that that

722

00:32:22,830 --> 00:32:20,940

I've never heard of

723

00:32:24,590 --> 00:32:22,840

so I mean we've got to keep an open mind

724

00:32:28,850 --> 00:32:24,600

[Music]

725

00:32:33,350 --> 00:32:31,490

I don't know maybe between six and eight

726

00:32:35,450 --> 00:32:33,360

I would assume

727

00:32:37,370 --> 00:32:35,460

they're fairly intense or yeah they're

728

00:32:39,769 --> 00:32:37,380

very close together as well right okay

729

00:32:41,330 --> 00:32:39,779

four years ago Kelly Carr was a mother

730

00:32:43,610 --> 00:32:41,340

and housewife with no interest in

731

00:32:45,409 --> 00:32:43,620

spaceships or aliens

732

00:32:48,710 --> 00:32:45,419

now she's using technology to

733

00:32:50,210 --> 00:32:48,720

reconstruct images of her own encounter

734

00:32:52,010 --> 00:32:50,220

sort of does give the idea of the lights

735

00:32:53,510 --> 00:32:52,020

there but you know the brightness of the

736

00:32:54,769 --> 00:32:53,520

light it gives a good impression except

737

00:32:59,870 --> 00:32:54,779

that the color doesn't seem right

738

00:33:05,450 --> 00:33:02,870

my husband and I were driving up to my

739

00:33:07,010 --> 00:33:05,460

girlfriend's Place uh in monbok which is

740

00:33:10,549 --> 00:33:07,020

in the Dandenong mountains we're driving

741

00:33:12,850 --> 00:33:10,559

on belgrave Hallam road and it was just

742

00:33:15,830 --> 00:33:12,860

on dusk

743

00:33:17,630 --> 00:33:15,840

I saw what I thought was around orange

744

00:33:19,909 --> 00:33:17,640

lights in the field

745

00:33:22,009 --> 00:33:19,919

it looked unusual to me

746

00:33:24,110 --> 00:33:22,019

later that night retracing their route

747

00:33:26,870 --> 00:33:24,120

home Kelly noticed something else

748

00:33:28,549 --> 00:33:26,880

unusual it's about a kilometer or so in

749

00:33:32,169 --> 00:33:28,559

front of us about twice the height of

750

00:33:34,430 --> 00:33:32,179

the Treetops we could see this

751

00:33:36,830 --> 00:33:34,440

object which at first I thought was a

752

00:33:38,930 --> 00:33:36,840

blimp it had the shape of a blimp but it

753

00:33:41,450 --> 00:33:38,940

was light

754

00:33:43,669 --> 00:33:41,460

as we got closer to it the the light

755

00:33:47,029 --> 00:33:43,679

seemed to sort of separate and it was

756

00:33:49,370 --> 00:33:47,039

actually these a row of round lights and

757

00:33:53,990 --> 00:33:49,380

they were Orange

758

00:33:57,649 --> 00:33:55,850

standing in these around orange circles

759

00:34:01,750 --> 00:33:57,659

like people but you could only see the

760

00:34:06,529 --> 00:34:04,669

there's people in there and the minute I

761

00:34:08,990 --> 00:34:06,539

said that it shot off to the left of us

762

00:34:12,290 --> 00:34:09,000

within one or two seconds it was gone

763

00:34:14,810 --> 00:34:12,300

completely about a kilometer or two

764

00:34:16,730 --> 00:34:14,820

further down the road as we kept driving

765

00:34:18,950 --> 00:34:16,740

I came across what at least what I

766

00:34:21,649 --> 00:34:18,960

thought was a screen or a wall of light

767

00:34:23,570 --> 00:34:21,659

across the road

768

00:34:25,669 --> 00:34:23,580

and my heart started racing and the

769

00:34:27,889 --> 00:34:25,679

adrenaline was sort of pumping through

770

00:34:29,329 --> 00:34:27,899

my body and I'm thinking we've just seen

771

00:34:32,930 --> 00:34:29,339

this back down there where we're in for

772

00:34:37,609 --> 00:34:35,329

the next instant

773

00:34:38,869 --> 00:34:37,619

we seem to have actually covered a fair

774

00:34:40,909 --> 00:34:38,879

distance that I don't even remember

775

00:34:43,909 --> 00:34:40,919

covering it might have been

776

00:34:46,010 --> 00:34:43,919

possibly close to a kilometer that I

777

00:34:49,129 --> 00:34:46,020

don't remember actually

778

00:34:50,450 --> 00:34:49,139

traveling there was no light there was

779

00:34:52,909 --> 00:34:50,460

you know there was nothing blocking the

780

00:34:56,329 --> 00:34:54,649

Kelly says it wasn't until weeks later

781

00:34:58,849 --> 00:34:56,339

she remembered actually getting out of

782

00:35:01,849 --> 00:34:58,859

the car that night

783

00:35:04,310 --> 00:35:01,859

and I saw that there was a um another

784

00:35:06,670 --> 00:35:04,320

car that had pulled up a hundred meters

785

00:35:08,750 --> 00:35:06,680

down the road

786

00:35:10,970 --> 00:35:08,760

then I walked around the front of the

787

00:35:13,490 --> 00:35:10,980

car to where my husband was standing on

788

00:35:15,230 --> 00:35:13,500

the other side and we started walking

789

00:35:17,210 --> 00:35:15,240

across the road together

790

00:35:18,470 --> 00:35:17,220

as we were walking across the road I

791

00:35:19,490 --> 00:35:18,480

looked down and I saw that the other

792

00:35:21,290 --> 00:35:19,500

people were getting out the car and

793

00:35:22,670 --> 00:35:21,300

starting to walk as well so I was quite

794

00:35:24,050 --> 00:35:22,680

happy that there was other people there

795

00:35:25,970 --> 00:35:24,060

who were seeing the same thing that we

796

00:35:29,810 --> 00:35:25,980

were

797

00:35:30,780 --> 00:35:29,820

and we walked up along here to to where

798

00:35:31,910 --> 00:35:30,790

the fence is

799

00:35:34,250 --> 00:35:31,920

[Music]

800

00:35:38,150 --> 00:35:34,260

right out in front of us there's this

801
00:35:38,160 --> 00:35:41,930
totally awesome

802
00:35:44,290 --> 00:35:43,970
it was it was science fiction coming to

803
00:35:47,150 --> 00:35:44,300
life

804
00:35:52,730 --> 00:35:47,160
[Music]

805
00:35:56,329 --> 00:35:54,410
we stood here

806
00:36:00,829 --> 00:35:56,339
I guess side by side my husband and I

807
00:36:05,329 --> 00:36:03,170
then this tall dark beam just appeared

808
00:36:07,849 --> 00:36:05,339
in front of the craft and and he was

809
00:36:12,230 --> 00:36:07,859
followed by about another seven or eight

810
00:36:16,190 --> 00:36:14,390
so energy goes through me and it's like

811
00:36:18,410 --> 00:36:16,200
nothing I've ever experienced before in

812
00:36:21,230 --> 00:36:18,420
my life it was like some sort of low

813
00:36:23,329 --> 00:36:21,240

level frequency that came in waves but

814

00:36:25,069 --> 00:36:23,339

it was so dense that I could actually

815

00:36:27,770 --> 00:36:25,079

physically feel it going through my body

816

00:36:28,990 --> 00:36:27,780

and that feeling absolutely terrified me

817

00:36:31,970 --> 00:36:29,000

it was like

818

00:36:35,810 --> 00:36:31,980

I can't even explain the horror that I

819

00:36:37,310 --> 00:36:35,820

felt just feeling this and I began

820

00:36:40,130 --> 00:36:37,320

screaming

821

00:36:42,650 --> 00:36:40,140

the minute I did the eyes on these

822

00:36:44,630 --> 00:36:42,660

things lit up and they came charging

823

00:36:46,609 --> 00:36:44,640

across the field

824

00:36:48,890 --> 00:36:46,619

halfway across they split up into two

825

00:36:51,530 --> 00:36:48,900

groups some headed off down there and

826

00:36:54,290 --> 00:36:51,540

the rest came directly towards us

827

00:36:55,490 --> 00:36:54,300

I felt this blows in my stomach and the

828

00:36:56,990 --> 00:36:55,500

next thing you know I'm back here

829

00:36:59,210 --> 00:36:57,000

somewhere on the grass it literally

830

00:37:00,829 --> 00:36:59,220

lifted me off of my feet

831

00:37:02,390 --> 00:37:00,839

[Music]

832

00:37:04,370 --> 00:37:02,400

and I thought I was going to die I

833

00:37:06,710 --> 00:37:04,380

thought if I don't get up now I'm never

834

00:37:08,390 --> 00:37:06,720

gonna I'm gonna pass out and I'm gonna

835

00:37:10,430 --> 00:37:08,400

die I'm not going to come back to

836

00:37:12,829 --> 00:37:10,440

Consciousness you know so I pulled

837

00:37:14,510 --> 00:37:12,839

myself up into a sitting position and

838

00:37:16,550 --> 00:37:14,520

when I sat up I couldn't see anything

839

00:37:17,970 --> 00:37:16,560

and I was like there's just black in

840

00:37:19,569 --> 00:37:17,980

front of my eyes

841

00:37:21,890 --> 00:37:19,579

[Music]

842

00:37:23,329 --> 00:37:21,900

I want you to try stretching it down a

843

00:37:26,270 --> 00:37:23,339

little bit as well Kelly is not the only

844

00:37:28,069 --> 00:37:26,280

one who saw these images that night

845

00:37:29,870 --> 00:37:28,079

for the first time ever independent

846

00:37:31,790 --> 00:37:29,880

Witnesses have given the same account of

847

00:37:33,770 --> 00:37:31,800

a close encounter

848

00:37:35,810 --> 00:37:33,780

even though Kelly has never met Jane

849

00:37:36,890 --> 00:37:35,820

glender and Bill from the other car she

850

00:37:38,930 --> 00:37:36,900

saw

851
00:37:41,390 --> 00:37:38,940
she has seen the sketches they drew for

852
00:37:43,370 --> 00:37:41,400
UFO researchers they've drawn the same

853
00:37:46,370 --> 00:37:43,380
circles of light around the top of the

854
00:37:49,190 --> 00:37:46,380
craft with um this these blue lines

855
00:37:50,630 --> 00:37:49,200
coming down ending in a semi circle on

856
00:37:52,370 --> 00:37:50,640
the ground I've actually also drawn a

857
00:37:54,490 --> 00:37:52,380
tripod underneath which was something I

858
00:37:56,930 --> 00:37:54,500
didn't see that night

859
00:37:58,849 --> 00:37:56,940
comes very clear then that we're all

860
00:38:02,210 --> 00:37:58,859
looking at the same thing and it wasn't

861
00:38:03,950 --> 00:38:02,220
your average source of shaped craft

862
00:38:05,270 --> 00:38:03,960
and basically the second party were able

863
00:38:07,490 --> 00:38:05,280

to draw

864

00:38:09,050 --> 00:38:07,500

sketches of the beings very similar to

865

00:38:10,849 --> 00:38:09,060

the ones that I had and they're not your

866

00:38:12,950 --> 00:38:10,859

usual

867

00:38:15,710 --> 00:38:12,960

um little gray things that are you know

868

00:38:18,410 --> 00:38:15,720

media propaganda

869

00:38:21,470 --> 00:38:18,420

I found a small red colored equilateral

870

00:38:23,990 --> 00:38:21,480

triangle underneath my navel which I

871

00:38:26,150 --> 00:38:24,000

guess in reality provoked only a minor

872

00:38:28,550 --> 00:38:26,160

curiosity at the time it was oddly

873

00:38:29,990 --> 00:38:28,560

geometric and I didn't I did wonder you

874

00:38:32,210 --> 00:38:30,000

know how how something like that could

875

00:38:35,030 --> 00:38:32,220

get on me that looked like a burn

876

00:38:37,010 --> 00:38:35,040

without me feeling it at UFO conferences

877

00:38:39,109 --> 00:38:37,020

where Kelly's now a keynote speaker she

878

00:38:41,150 --> 00:38:39,119

had strength to her own Story by showing

879

00:38:43,069 --> 00:38:41,160

photographs of physical marks left on

880

00:38:45,050 --> 00:38:43,079

one of the other women

881

00:38:47,270 --> 00:38:45,060

plural lift with triangle marks under

882

00:38:49,010 --> 00:38:47,280

our novels but um the ones that were

883

00:38:51,230 --> 00:38:49,020

marks that were actually photographed

884

00:38:54,410 --> 00:38:51,240

the first one came from Glenda which is

885

00:38:56,510 --> 00:38:54,420

a it's a series of three small red dots

886

00:38:58,970 --> 00:38:56,520

along the inner thigh and both Jane and

887

00:38:59,810 --> 00:38:58,980

Glenda were marked with these dots I

888

00:39:03,290 --> 00:38:59,820

wasn't

889

00:39:06,650 --> 00:39:03,300

Glenda had a ligature Mark around her

890

00:39:08,450 --> 00:39:06,660

ankle it's just quite severe bruising um

891

00:39:12,050 --> 00:39:08,460

look like she'd been strapped down to

892

00:39:15,950 --> 00:39:14,210

ufi researchers have also reported

893

00:39:17,630 --> 00:39:15,960

finding physical traces at the site

894

00:39:18,470 --> 00:39:17,640

where all Witnesses said the encounter

895

00:39:20,030 --> 00:39:18,480

happened

896

00:39:21,829 --> 00:39:20,040

particularly in relation to where the

897

00:39:24,670 --> 00:39:21,839

craft landed

898

00:39:27,290 --> 00:39:24,680

inside that semi-circle was actually a

899

00:39:30,109 --> 00:39:27,300

triangular formation of three points

900

00:39:32,750 --> 00:39:30,119

Space six meters apart which correspond

901
00:39:37,670 --> 00:39:32,760
with the tripod that was drawn

902
00:39:41,210 --> 00:39:39,290
to this day

903
00:39:43,130 --> 00:39:41,220
Kelly still doesn't know exactly what

904
00:39:44,990 --> 00:39:43,140
happened to her that night I tried a

905
00:39:47,210 --> 00:39:45,000
little bit her most vivid memory is the

906
00:39:49,490 --> 00:39:47,220
fear that you felt that's very good it's

907
00:39:51,109 --> 00:39:49,500
fun to come out to what I'm looking for

908
00:39:52,490 --> 00:39:51,119
and I think a lot of people you know

909
00:39:53,990 --> 00:39:52,500
might have experienced the fear in a

910
00:39:55,849 --> 00:39:54,000
nightmare when you're being chased or

911
00:39:57,589 --> 00:39:55,859
something like that and it's a terror

912
00:39:59,329 --> 00:39:57,599
that you feel that you know sometimes

913
00:40:00,710 --> 00:39:59,339

can wake you up or whatever but it's

914

00:40:02,690 --> 00:40:00,720

absolutely horrifying when you're

915

00:40:04,370 --> 00:40:02,700

dreaming it and that's exactly what I

916

00:40:06,530 --> 00:40:04,380

was feeling while I was totally awake

917

00:40:08,990 --> 00:40:06,540

that sort of Terror actually having to

918

00:40:10,790 --> 00:40:09,000

feel it while you're conscious and

919

00:40:13,310 --> 00:40:10,800

physically awake and feel it as a

920

00:40:17,150 --> 00:40:13,320

reality is like a living nightmare a

921

00:40:17,160 --> 00:40:22,280

tomorrow

922

00:40:31,990 --> 00:40:28,510

[Music]

923

00:40:37,810 --> 00:40:35,930

we've moved out on to 138 Acres

924

00:40:41,150 --> 00:40:37,820

we don't have electricity

925

00:40:44,630 --> 00:40:41,160

we use all our own fuel light for both

926
00:40:46,730 --> 00:40:44,640
our fires we're in the process of trying

927
00:40:48,730 --> 00:40:46,740
to become self-sufficient as far as

928
00:40:51,410 --> 00:40:48,740
food's concerned

929
00:40:55,609 --> 00:40:51,420
we just laid a just a very different

930
00:40:59,329 --> 00:40:57,710
Denise Barrett says it's her encounters

931
00:41:02,349 --> 00:40:59,339
with strange beings that have helped her

932
00:41:05,329 --> 00:41:02,359
make the decision to live this way

933
00:41:07,970 --> 00:41:05,339
and I believe at the moment that

934
00:41:09,770 --> 00:41:07,980
they're giving us quite a dire warning

935
00:41:11,450 --> 00:41:09,780
about what's happening to the planet and

936
00:41:14,089 --> 00:41:11,460
what's going to happen to us unless we

937
00:41:17,569 --> 00:41:14,099
actually wake up to to what we're

938
00:41:22,609 --> 00:41:19,550

they seem to open parts of your mind

939

00:41:25,430 --> 00:41:22,619

that aren't open before and um

940

00:41:27,530 --> 00:41:25,440

or they help you to do that I don't know

941

00:41:29,569 --> 00:41:27,540

but all I know is that I'm a very

942

00:41:31,010 --> 00:41:29,579

changed person since I've had my

943

00:41:33,829 --> 00:41:31,020

experience

944

00:41:35,270 --> 00:41:33,839

well Lifestyle Changes

945

00:41:37,609 --> 00:41:35,280

um you'd think shouldn't happen to

946

00:41:40,490 --> 00:41:37,619

people it these things aren't physically

947

00:41:42,109 --> 00:41:40,500

occurring so I guess it's a little piece

948

00:41:44,569 --> 00:41:42,119

of evidence to suggest that something

949

00:41:46,430 --> 00:41:44,579

really startling and extraordinary must

950

00:41:48,950 --> 00:41:46,440

have happened to a person because of the

951
00:41:50,750 --> 00:41:48,960
changes that they do go through

952
00:41:51,770 --> 00:41:50,760
Denise says are visitors have the

953
00:41:53,210 --> 00:41:51,780
ability to render her husband

954
00:41:54,950 --> 00:41:53,220
unconscious

955
00:41:58,490 --> 00:41:54,960
so he never actually experiences the

956
00:42:00,950 --> 00:41:58,500
aliens but he does have physical scars

957
00:42:03,230 --> 00:42:00,960
well I know I've got a lot of scars on

958
00:42:06,050 --> 00:42:03,240
my body and I know basically where they

959
00:42:08,329 --> 00:42:06,060
all came from but this one in that

960
00:42:10,069 --> 00:42:08,339
particular place I've got no idea I just

961
00:42:11,089 --> 00:42:10,079
woke up one morning and I said that in

962
00:42:13,069 --> 00:42:11,099
the comments are nice I've got this

963
00:42:14,329 --> 00:42:13,079

funny little mark on my arm and she had

964

00:42:15,410 --> 00:42:14,339

a look into your head one in exactly the

965

00:42:17,030 --> 00:42:15,420

same place because she said she could

966

00:42:19,730 --> 00:42:17,040

remember it happening now I can actually

967

00:42:21,050 --> 00:42:19,740

remember them cutting it I remember it

968

00:42:24,109 --> 00:42:21,060

was like a little

969

00:42:26,150 --> 00:42:24,119

like a little spatula or whatever but

970

00:42:28,430 --> 00:42:26,160

again there was no pain or anything and

971

00:42:31,310 --> 00:42:28,440

the next day mine had completely healed

972

00:42:33,170 --> 00:42:31,320

up whereas lessons had actually scarred

973

00:42:34,670 --> 00:42:33,180

and I thought well they're in identical

974

00:42:37,970 --> 00:42:34,680

spots in their identical size so

975

00:42:40,250 --> 00:42:37,980

obviously something was going on

976
00:42:42,890 --> 00:42:40,260
people who've had multiple abduction

977
00:42:45,710 --> 00:42:42,900
experiences very often get very

978
00:42:48,470 --> 00:42:45,720
concerned about the environment

979
00:42:51,290 --> 00:42:48,480
um they get very concerned about Healthy

980
00:42:53,750 --> 00:42:51,300
Lifestyles they get very interested in

981
00:42:56,390 --> 00:42:53,760
the possibility of life elsewhere they

982
00:42:58,010 --> 00:42:56,400
get very interested in in promoting the

983
00:43:05,260 --> 00:42:58,020
message that there's something actually

984
00:43:05,270 --> 00:43:08,990
[Laughter]

985
00:43:15,349 --> 00:43:12,589
things do go Haywire on the planet like

986
00:43:17,329 --> 00:43:15,359
I believe they will that we at least

987
00:43:21,170 --> 00:43:17,339
will be able to feed ourselves and not

988
00:43:24,520 --> 00:43:21,180

have to rely on man-made energy to to

989

00:43:30,109 --> 00:43:28,490

[Music]

990

00:43:31,730 --> 00:43:30,119

it's pretty obvious that the people that

991

00:43:32,809 --> 00:43:31,740

had these experiences are convinced

992

00:43:34,609 --> 00:43:32,819

there's more to what's out there than

993

00:43:36,050 --> 00:43:34,619

most of us realize

994

00:43:38,930 --> 00:43:36,060

you're also the first to admit that

995

00:43:40,670 --> 00:43:38,940

their stories could be hard to accept

996

00:43:42,410 --> 00:43:40,680

what they want us to do is be prepared

997

00:43:43,849 --> 00:43:42,420

to listen

998

00:43:46,130 --> 00:43:43,859

I suppose people got to make their own

999

00:43:48,230 --> 00:43:46,140

mindset but we can honestly say that um

1000

00:43:50,089 --> 00:43:48,240

what happened to happened and there's no

1001

00:43:52,430 --> 00:43:50,099

doubt about that

1002

00:43:54,069 --> 00:43:52,440

perhaps they're extraterrestrial we

1003

00:43:56,569 --> 00:43:54,079

don't know perhaps it's military

1004

00:43:58,309 --> 00:43:56,579

experimentation perhaps there's new

1005

00:44:01,190 --> 00:43:58,319

things in this earth that we don't know

1006

00:44:02,990 --> 00:44:01,200

about I don't know what they are I know

1007

00:44:04,809 --> 00:44:03,000

what happened to me but I don't know

1008

00:44:06,829 --> 00:44:04,819

anything about them I'd have to say that

1009

00:44:10,069 --> 00:44:06,839

the evidence seems to be fairly

1010

00:44:11,809 --> 00:44:10,079

compelling that we we seem to have some

1011

00:44:13,970 --> 00:44:11,819

sort of alien life form just just in

1012

00:44:16,970 --> 00:44:13,980

what what it is you've got to keep an

1013

00:44:17,770 --> 00:44:16,980

open mind and since I've accepted it I

1014

00:44:21,770 --> 00:44:17,780

think

1015

00:44:24,170 --> 00:44:21,780

I've really started to see it's it's not

1016

00:44:26,270 --> 00:44:24,180

really bad there's a lot in a lot of

1017

00:44:27,770 --> 00:44:26,280

good in what they're actually doing and

1018

00:44:31,309 --> 00:44:27,780

it's like they're saying to us you know

1019

00:44:34,370 --> 00:44:31,319

human beings can do so much more we have

1020

00:44:36,890 --> 00:44:34,380

these wonderful capacities to heal and

1021

00:44:40,069 --> 00:44:36,900

to heal each other and to understand

1022

00:44:43,069 --> 00:44:40,079

ourselves so much more and and we're not

1023

00:44:46,130 --> 00:44:43,079

yet where they come from I honestly

1024

00:44:56,809 --> 00:44:46,140

don't know I would hope that before I

1025

00:44:56,819 --> 00:45:00,890

oh
