

An aerial photograph of a desert airfield, likely Edwards Air Force Base, showing a large aircraft on the runway. The text "SECRETS OF AREA 51" is overlaid in large white letters.

SECRETS OF
AREA 51

1
00:00:06,230 --> 00:00:03,710
welcome travel back in time with us

2
00:00:12,480 --> 00:00:06,240
right now for rare UFO content

3
00:00:12,490 --> 00:00:40,130
[Music]

4
00:00:46,190 --> 00:00:43,250
have UFOs crashed on Earth have we have

5
00:00:50,090 --> 00:00:46,200
we alien contact is the U.S government

6
00:00:52,190 --> 00:00:50,100
covering up a massive UFO conspiracy

7
00:00:55,130 --> 00:00:52,200
behind me is one of the most secret

8
00:00:57,830 --> 00:00:55,140
military bases in the world deep in the

9
00:01:00,830 --> 00:00:57,840
heart of the Nevada desert the a groom

10
00:01:03,470 --> 00:01:00,840
Lake test site also known as Area 51 or

11
00:01:05,530 --> 00:01:03,480
Dreamland has been home to U.S stealth

12
00:01:08,270 --> 00:01:05,540
projects since the second world war

13
00:01:11,149 --> 00:01:08,280

however in recent years a more

14

00:01:13,450 --> 00:01:11,159

disturbing story has emerged and that is

15

00:01:17,510 --> 00:01:13,460

that the government is back engineering

16

00:01:19,550 --> 00:01:17,520

recovered alien spacecraft tonight based

17

00:01:22,609 --> 00:01:19,560

on evidence given to us by top military

18

00:01:25,310 --> 00:01:22,619

personnel engineers and scientists we

19

00:01:27,469 --> 00:01:25,320

can exclusively reveal the UFO

20

00:01:30,109 --> 00:01:27,479

technology that's been developed behind

21

00:01:32,749 --> 00:01:30,119

me it's a story the US government has

22

00:01:35,530 --> 00:01:32,759

tried to cover up for half a century the

23

00:01:40,370 --> 00:01:35,540

truth behind Dreamland

24

00:01:43,190 --> 00:01:40,380

I am convinced based on my research and

25

00:01:45,890 --> 00:01:43,200

the individuals whom I've had contact in

26
00:01:50,030 --> 00:01:45,900
the U.S intelligence community that the

27
00:01:52,010 --> 00:01:50,040
U.S government does indeed have a craft

28
00:01:55,210 --> 00:01:52,020
that meet the description of many of the

29
00:01:58,429 --> 00:01:55,220
UFO reports the whole aim of the project

30
00:02:00,530 --> 00:01:58,439
was to take these draft or the one in

31
00:02:02,870 --> 00:02:00,540
particular that I was working on and try

32
00:02:05,450 --> 00:02:02,880
and duplicate its systems and subsystems

33
00:02:07,850 --> 00:02:05,460
with Earthly materials I'm convinced

34
00:02:10,249 --> 00:02:07,860
Beyond doubt that we have recovered

35
00:02:12,170 --> 00:02:10,259
aircraft alien vehicles

36
00:02:14,150 --> 00:02:12,180
that we have made contact with aliens

37
00:02:16,010 --> 00:02:14,160
that we are communicating with them in

38
00:02:18,410 --> 00:02:16,020

some way or form

39

00:02:21,589 --> 00:02:18,420

and that we have vehicles and bodies in

40

00:02:23,930 --> 00:02:21,599

preservation I was at that moment

41

00:02:25,369 --> 00:02:23,940

standing on the deck of the radar van it

42

00:02:28,369 --> 00:02:25,379

was night time

43

00:02:30,770 --> 00:02:28,379

and uh I was looking up in the sky

44

00:02:32,690 --> 00:02:30,780

because there were saucers up there

45

00:02:36,770 --> 00:02:32,700

were there any alien bodies were covered

46

00:02:40,130 --> 00:02:36,780

no bodies there were four live

47

00:02:46,490 --> 00:02:43,490

full life extraterrestrials for alive

48

00:02:48,050 --> 00:02:46,500

feeling good extraterrestrial type

49

00:02:50,809 --> 00:02:48,060

individuals yes

50

00:02:53,809 --> 00:02:50,819

they are here whoever they are wherever

51
00:02:55,610 --> 00:02:53,819
they came up from whatever they're doing

52
00:02:57,650 --> 00:02:55,620
um other intelligences are messing

53
00:02:59,330 --> 00:02:57,660
around on our planet I think that too

54
00:03:01,850 --> 00:02:59,340
many people's butts are on the line with

55
00:03:03,610 --> 00:03:01,860
this that they lied to us too long that

56
00:03:05,869 --> 00:03:03,620
that a lot of people have stolen

57
00:03:07,670 --> 00:03:05,879
legitimate National Security money to

58
00:03:10,670 --> 00:03:07,680
keep this cover-up going that they have

59
00:03:12,350 --> 00:03:10,680
uh perpetuated disinformation schemes on

60
00:03:15,949 --> 00:03:12,360
the American public probably on the

61
00:03:18,229 --> 00:03:15,959
British public the Air Force knows

62
00:03:20,449 --> 00:03:18,239
but there was a grand saucer there were

63
00:03:21,830 --> 00:03:20,459

alien bodies recovered that there have

64

00:03:24,710 --> 00:03:21,840

been aircrafts that have gone up to

65

00:03:26,210 --> 00:03:24,720

chase UFOs and have not come back they

66

00:03:29,630 --> 00:03:26,220

know that we're dealing with the biggest

67

00:03:32,270 --> 00:03:29,640

story of the millennium

68

00:03:35,750 --> 00:03:32,280

set on a remote dry lake bed 80 miles

69

00:03:37,729 --> 00:03:35,760

outside Las Vegas Area 51 is just one

70

00:03:40,009 --> 00:03:37,739

part of the massive Nellis Air Force

71

00:03:41,570 --> 00:03:40,019

Base which is roughly the same size as

72

00:03:43,970 --> 00:03:41,580

Switzerland

73

00:03:47,690 --> 00:03:43,980

it was commissioned by President Truman

74

00:03:49,550 --> 00:03:47,700

in the 1950s as a top secret location to

75

00:03:53,170 --> 00:03:49,560

develop and test America's new

76

00:03:57,110 --> 00:03:53,180

generation of post-war aircraft

77

00:03:59,270 --> 00:03:57,120

in the technology fever of the 1950s the

78

00:04:00,750 --> 00:03:59,280

base humor came home to the most exotic

79

00:04:02,630 --> 00:04:00,760

flying craft of its day

80

00:04:05,449 --> 00:04:02,640

[Music]

81

00:04:08,390 --> 00:04:05,459

more recently it is where the F-117

82

00:04:11,780 --> 00:04:08,400

Stealth aircraft was developed and test

83

00:04:29,740 --> 00:04:28,010

[Music]

84

00:04:34,790 --> 00:04:29,750

foreign

85

00:04:38,150 --> 00:04:34,800

[Music]

86

00:04:42,770 --> 00:04:38,160

this is an area that has been known but

87

00:04:45,890 --> 00:04:42,780

officially denied for many decades we go

88

00:04:48,650 --> 00:04:45,900

back quite a ways into the 40s and 50s

89

00:04:50,810 --> 00:04:48,660
with the development of the U2 spy plane

90

00:04:53,870 --> 00:04:50,820
the SR-71 all of our super secret

91

00:04:55,850 --> 00:04:53,880
aircraft have been developed in Teflon

92

00:04:58,550 --> 00:04:55,860
out in this particular area

93

00:05:00,110 --> 00:04:58,560
the a12 from its Inception through its

94

00:05:03,290 --> 00:05:00,120
retirement was operated out of only two

95

00:05:05,210 --> 00:05:03,300
locations uh Area 51 at Groom Lake was

96

00:05:08,330 --> 00:05:05,220
its original home the first aircraft was

97

00:05:10,790 --> 00:05:08,340
delivered there in January of 62. and

98

00:05:14,270 --> 00:05:10,800
the last airplane left on June 21st

99

00:05:19,969 --> 00:05:17,150
the U.S Air Force denies that area 51

100

00:05:21,830 --> 00:05:19,979
exists despite footage of the base and

101
00:05:24,290 --> 00:05:21,840
Russian satellite photos that we have

102
00:05:26,390 --> 00:05:24,300
obtained which clearly show hangers and

103
00:05:27,590 --> 00:05:26,400
a huge Runway stretching across the lake

104
00:05:30,170 --> 00:05:27,600
bed

105
00:05:32,629 --> 00:05:30,180
in the face of constant denials of its

106
00:05:35,210 --> 00:05:32,639
existence the base has expanded since

107
00:05:37,670 --> 00:05:35,220
the 50s with several passenger Jets now

108
00:05:39,409 --> 00:05:37,680
Landing every day carrying hundreds of

109
00:05:41,570 --> 00:05:39,419
workers to the base

110
00:05:43,670 --> 00:05:41,580
with this level of personnel the few

111
00:05:46,129 --> 00:05:43,680
buildings that can be observed above the

112
00:05:48,550 --> 00:05:46,139
ground are merely the cover for a large

113
00:05:56,570 --> 00:05:48,560

underground facility

114

00:06:01,969 --> 00:05:58,790

security at the base is unprecedented

115

00:06:04,070 --> 00:06:01,979

and secrecy is Paramount since the late

116

00:06:05,990 --> 00:06:04,080

50s the military has sequestered

117

00:06:08,810 --> 00:06:06,000

hundreds of thousands of acres of land

118

00:06:12,650 --> 00:06:08,820

that adjoined the base the exclusion

119

00:06:16,189 --> 00:06:12,660

Zone around Area 51 now stretches to 26

120

00:06:19,990 --> 00:06:18,350

the secret state of the base is very

121

00:06:24,590 --> 00:06:20,000

very well preserved

122

00:06:28,010 --> 00:06:24,600

and even if people are talking about the

123

00:06:30,830 --> 00:06:28,020

operation of the u-2s back in the 1950s

124

00:06:34,969 --> 00:06:30,840

40 years ago they're still not allowed

125

00:06:37,309 --> 00:06:34,979

to identify the base by by name or by

126

00:06:39,350 --> 00:06:37,319

location all they can say is it is a

127

00:06:42,650 --> 00:06:39,360

remote facility this place is an old

128

00:06:44,930 --> 00:06:42,660

anachronism from the Cold War this is a

129

00:06:47,150 --> 00:06:44,940

place that that Harkens back to the old

130

00:06:49,670 --> 00:06:47,160

days and because the military is

131

00:06:52,490 --> 00:06:49,680

continuing to treat it as a top secret

132

00:06:54,590 --> 00:06:52,500

facility it doesn't exist it attracts

133

00:06:57,469 --> 00:06:54,600

attention naturally everyone wants to

134

00:06:59,210 --> 00:06:57,479

know what goes on here

135

00:07:01,370 --> 00:06:59,220

there is no question that the facility

136

00:07:03,409 --> 00:07:01,380

is there that the government has said

137

00:07:06,290 --> 00:07:03,419

very little in the past about it that it

138

00:07:09,290 --> 00:07:06,300

has the right to test things like the U2

139

00:07:11,930 --> 00:07:09,300

like the SR-71 like the stealth aircraft

140

00:07:13,790 --> 00:07:11,940

people forget the stealth aircraft over

141

00:07:15,950 --> 00:07:13,800

10 million dollars spent on developing

142

00:07:18,230 --> 00:07:15,960

it and more than a decade before its

143

00:07:20,809 --> 00:07:18,240

existence was even announced

144

00:07:22,850 --> 00:07:20,819

that's what you do out at Groom Lake now

145

00:07:27,830 --> 00:07:22,860

the real question I suppose is are there

146

00:07:32,809 --> 00:07:29,930

took to the skies to see the base for

147

00:07:34,189 --> 00:07:32,819

ourselves flying at an altitude of ten

148

00:07:36,230 --> 00:07:34,199

thousand feet we

149

00:07:37,610 --> 00:07:36,240

etched within one mile of the restricted

150

00:07:40,249 --> 00:07:37,620

Zone

151
00:07:42,770 --> 00:07:40,259
having made contact with the tower we

152
00:07:44,520 --> 00:07:42,780
soon found out how seriously Area 51

153
00:07:51,890 --> 00:07:44,530
guards its airspace

154
00:07:55,720 --> 00:07:53,510
we're just curious if there is there any

155
00:07:58,249 --> 00:07:55,730
activity today at the Green Lake area

156
00:08:01,060 --> 00:07:58,259
[Music]

157
00:08:04,749 --> 00:08:01,070
how did the Groom Lake area

158
00:08:06,529 --> 00:08:04,759
[Music]

159
00:08:10,830 --> 00:08:06,539
I don't have any of that information

160
00:08:10,840 --> 00:08:16,510
[Music]

161
00:08:21,890 --> 00:08:19,909
approach controller now is just getting

162
00:08:23,230 --> 00:08:21,900
a little concerned that we're getting

163
00:08:25,909 --> 00:08:23,240

close now

164

00:08:28,670 --> 00:08:25,919

we've just been passed by two F-16

165

00:08:30,529 --> 00:08:28,680

Fighters they they passed on fire at

166

00:08:32,750 --> 00:08:30,539

about eight hundred to a thousand miles

167

00:08:34,790 --> 00:08:32,760

an hour these guys aren't messing around

168

00:08:37,190 --> 00:08:34,800

they don't want us to be here but

169

00:08:38,930 --> 00:08:37,200

there's another one just go by the Bell

170

00:08:40,909 --> 00:08:38,940

there that's no they're trying to get us

171

00:08:43,250 --> 00:08:40,919

out of the area quickly or Force us to

172

00:08:45,010 --> 00:08:43,260

land there goes another one well that

173

00:08:48,670 --> 00:08:45,020

was really cool

174

00:08:52,790 --> 00:08:50,690

that was amazing

175

00:08:55,130 --> 00:08:52,800

they have a tea cast on board so they

176

00:08:56,480 --> 00:08:55,140

definitely had radar contact with us

177

00:08:59,769 --> 00:08:56,490

that was really close

178

00:09:03,290 --> 00:08:59,779

[Music]

179

00:09:06,410 --> 00:09:03,300

in 1989 one man blew the lid of

180

00:09:08,150 --> 00:09:06,420

Dreamland his name was Bob Lazar and he

181

00:09:11,269 --> 00:09:08,160

claimed to have worked at the Groom Lake

182

00:09:12,710 --> 00:09:11,279

site back engineering recovered alien

183

00:09:14,509 --> 00:09:12,720

spacecraft

184

00:09:17,449 --> 00:09:14,519

the base

185

00:09:19,430 --> 00:09:17,459

is against the side of a mountain or

186

00:09:22,850 --> 00:09:19,440

small Mountain big hill there are nine

187

00:09:24,769 --> 00:09:22,860

Hangar doors and the hangar doors are

188

00:09:27,410 --> 00:09:24,779

not just shiny metal out in the desert

189

00:09:29,870 --> 00:09:27,420

they are painted or sprayed with a sand

190

00:09:31,850 --> 00:09:29,880

texture to them and from what I can

191

00:09:34,130 --> 00:09:31,860

ascertain

192

00:09:35,690 --> 00:09:34,140

to prevent satellites from photographing

193

00:09:37,850 --> 00:09:35,700

the installation so they look like the

194

00:09:39,350 --> 00:09:37,860

mountain range it was yeah

195

00:09:41,630 --> 00:09:39,360

it's pretty effective from what I can

196

00:09:45,170 --> 00:09:43,790

on the first occasion when I drove out

197

00:09:47,630 --> 00:09:45,180

there all the hangar doors were closed

198

00:09:49,130 --> 00:09:47,640

but at close range you could tell that

199

00:09:51,050 --> 00:09:49,140

there were doors and they would open we

200

00:09:52,670 --> 00:09:51,060

drove around the left side

201
00:09:54,590 --> 00:09:52,680
of the installation and there was the

202
00:09:56,269 --> 00:09:54,600
main entrance in there and went through

203
00:09:59,150 --> 00:09:56,279
some gates in the security check and

204
00:10:02,150 --> 00:09:59,160
went inside and it seemed like a typical

205
00:10:02,160 --> 00:10:06,530
foreign

206
00:10:12,710 --> 00:10:10,910
the work that I did basically entailed

207
00:10:15,590 --> 00:10:12,720
back engineering

208
00:10:18,949 --> 00:10:15,600
the power and propulsion system

209
00:10:21,350 --> 00:10:18,959
and I opted to start with the uh the

210
00:10:23,930 --> 00:10:21,360
power the the reactor that that ran the

211
00:10:25,490 --> 00:10:23,940
craft with the clearance that I had that

212
00:10:28,670 --> 00:10:25,500
was known as Majestic clearance there

213
00:10:34,430 --> 00:10:28,680

are only 22 people at S4 with that

214

00:10:40,550 --> 00:10:37,790

the location he worked on at Area 51 was

215

00:10:45,050 --> 00:10:40,560

called S4 and was housed on purpose dry

216

00:10:50,210 --> 00:10:47,090

when I was brought in

217

00:10:51,650 --> 00:10:50,220

by bus normally we had gone around to

218

00:10:54,350 --> 00:10:51,660

the left side of the installation and

219

00:10:56,210 --> 00:10:54,360

entered the door there and for the first

220

00:10:58,610 --> 00:10:56,220

time one of the hangar doors the one on

221

00:11:00,530 --> 00:10:58,620

the end was open

222

00:11:01,490 --> 00:11:00,540

the bus drove up and we stopped there

223

00:11:06,850 --> 00:11:01,500

and

224

00:11:08,870 --> 00:11:06,860

almost all the hangar was the desk

225

00:11:11,990 --> 00:11:08,880

looked like something right out of a

226

00:11:14,030 --> 00:11:12,000

science fiction movie and we stopped got

227

00:11:15,790 --> 00:11:14,040

out and for the first time I was led in

228

00:11:19,970 --> 00:11:15,800

through that door

229

00:11:22,250 --> 00:11:19,980

and as I walked in there I thought

230

00:11:23,930 --> 00:11:22,260

well this is the new Advanced aircraft

231

00:11:25,670 --> 00:11:23,940

we've been working on and this is why

232

00:11:28,009 --> 00:11:25,680

people keep seeing flying saucers

233

00:11:31,069 --> 00:11:28,019

because it's ours and we've just been

234

00:11:33,650 --> 00:11:31,079

testing it probably for all these years

235

00:11:37,190 --> 00:11:33,660

um and when I walked alongside it I ran

236

00:11:40,490 --> 00:11:37,200

my hand on it uh I say it it's metal

237

00:11:43,490 --> 00:11:40,500

because it was cold so I just uh assume

238

00:11:46,130 --> 00:11:43,500

it was a some sort of metal and in fact

239

00:11:47,329 --> 00:11:46,140

by the hatch that was taken off it was

240

00:11:49,370 --> 00:11:47,339

an opening there and it had a little

241

00:11:50,690 --> 00:11:49,380

backwards American Flag stuck on it so I

242

00:11:52,730 --> 00:11:50,700

was positive it was something we had

243

00:11:54,590 --> 00:11:52,740

manufactured

244

00:11:57,590 --> 00:11:54,600

I was allowed in the craft on one

245

00:11:59,990 --> 00:11:57,600

occasion to see the placement of these

246

00:12:03,769 --> 00:12:00,000

systems in case it was important to

247

00:12:07,490 --> 00:12:03,779

their operation so I was of course

248

00:12:09,710 --> 00:12:07,500

escorted in the craft and um

249

00:12:12,470 --> 00:12:09,720

it was obviously made

250

00:12:14,990 --> 00:12:12,480

to be piloted by something smaller than

251
00:12:18,050 --> 00:12:15,000
the average human being very cramped in

252
00:12:24,710 --> 00:12:21,130
was a sub level where a little

253
00:12:28,009 --> 00:12:24,720
collapsing floor member opened and I

254
00:12:29,630 --> 00:12:28,019
could stick my head in Upper torso down

255
00:12:31,509 --> 00:12:29,640
underneath of the flashlight to see how

256
00:12:34,190 --> 00:12:31,519
the gravity amplifiers hung upside down

257
00:12:37,250 --> 00:12:34,200
uh looked around the placement of the

258
00:12:39,470 --> 00:12:37,260
three seats about one-third to

259
00:12:49,210 --> 00:12:39,480
one-fourth the size of a normal human

260
00:12:53,629 --> 00:12:51,650
at one point that one point when I was

261
00:12:55,970 --> 00:12:53,639
in The Craft

262
00:12:58,910 --> 00:12:55,980
one of the archways became transparent

263
00:13:00,590 --> 00:12:58,920

there were some technicians working on

264

00:13:04,129 --> 00:13:00,600

something else that I had no knowledge

265

00:13:06,110 --> 00:13:04,139

of so and also something began to scroll

266

00:13:08,650 --> 00:13:06,120

up on the screen so it might have been

267

00:13:11,690 --> 00:13:08,660

possible that the skin of The Craft

268

00:13:13,310 --> 00:13:11,700

whether under you know electrical

269

00:13:14,990 --> 00:13:13,320

influence or something else could at

270

00:13:16,370 --> 00:13:15,000

times become either transparent to look

271

00:13:17,090 --> 00:13:16,380

outside

272

00:13:19,129 --> 00:13:17,100

um

273

00:13:20,449 --> 00:13:19,139

or be used as some sort of video screen

274

00:13:22,250 --> 00:13:20,459

it was

275

00:13:23,810 --> 00:13:22,260

that was pretty amazing when I went

276

00:13:25,310 --> 00:13:23,820

outside and looked at it it looked as if

277

00:13:27,340 --> 00:13:25,320

it was just

278

00:13:38,949 --> 00:13:27,350

a plain piece of metal again

279

00:13:41,030 --> 00:13:38,959

[Music]

280

00:13:42,769 --> 00:13:41,040

a lot of people say Well it must have

281

00:13:45,290 --> 00:13:42,779

been exciting to go on there and I

282

00:13:48,829 --> 00:13:45,300

always say it wasn't it was a very

283

00:13:52,430 --> 00:13:48,839

ominous feeling it um

284

00:13:54,290 --> 00:13:52,440

you really had to because it's so I know

285

00:13:57,650 --> 00:13:54,300

it sounds silly but it it it's so

286

00:14:04,310 --> 00:14:00,530

nothing had a sharp edge to it it was

287

00:14:05,990 --> 00:14:04,320

this it was if um the seats

288

00:14:07,430 --> 00:14:06,000

the amplifiers that were in there

289

00:14:09,710 --> 00:14:07,440

everything

290

00:14:11,329 --> 00:14:09,720

as if it was made out of wax and heated

291

00:14:13,129 --> 00:14:11,339

for just a little bit and then cooled

292

00:14:15,769 --> 00:14:13,139

off everything had a smooth curve to it

293

00:14:19,250 --> 00:14:15,779

even where the a chair met the floor was

294

00:14:24,650 --> 00:14:19,260

was blended into it it was if the entire

295

00:14:29,090 --> 00:14:26,870

that's alone Bob Lazar have been able to

296

00:14:32,329 --> 00:14:29,100

verify any of his academic or

297

00:14:34,310 --> 00:14:32,339

professional credentials in 1990 he was

298

00:14:37,310 --> 00:14:34,320

convicted of pandering and declared

299

00:14:39,949 --> 00:14:37,320

bankrupt in court he simply described

300

00:14:43,730 --> 00:14:39,959

his occupation as a self-employed photo

301
00:14:46,730 --> 00:14:43,740
processor islazara fraud did he work at

302
00:14:48,530 --> 00:14:46,740
S4 or was he set up by the military to

303
00:14:52,250 --> 00:14:48,540
release certain information about the

304
00:14:56,210 --> 00:14:54,170
the notion that he would make a great

305
00:14:58,069 --> 00:14:56,220
Patsy and he's the perfect scientist to

306
00:14:59,930 --> 00:14:58,079
work in such a project is interesting

307
00:15:01,910 --> 00:14:59,940
science fiction and the first place we

308
00:15:04,129 --> 00:15:01,920
have no reason to say he's a scientist

309
00:15:07,009 --> 00:15:04,139
no diplomas no papers no memberships

310
00:15:09,470 --> 00:15:07,019
nothing in the second place I worked on

311
00:15:12,710 --> 00:15:09,480
security for 14 years it'll take

312
00:15:15,050 --> 00:15:12,720
security far more seriously than that

313
00:15:17,030 --> 00:15:15,060

one of the strange statements he's made

314

00:15:18,530 --> 00:15:17,040

there are only 22 people working on this

315

00:15:20,810 --> 00:15:18,540

thing well you get more than that

316

00:15:22,730 --> 00:15:20,820

working on devising a new mousetrap for

317

00:15:23,689 --> 00:15:22,740

the government anyway that makes no

318

00:15:26,990 --> 00:15:23,699

sense

319

00:15:30,350 --> 00:15:27,000

and you know it has all the trimmings

320

00:15:33,410 --> 00:15:30,360

his story of a Walter Mitty story

321

00:15:35,870 --> 00:15:33,420

somebody in his imagination was you know

322

00:15:37,189 --> 00:15:35,880

stronger brighter faster than anybody

323

00:15:40,970 --> 00:15:37,199

else

324

00:15:43,790 --> 00:15:40,980

did a variety of research relative to

325

00:15:46,790 --> 00:15:43,800

Bob Lazar actually met him I obtained a

326

00:15:49,730 --> 00:15:46,800

copy of his uh what they call a W-2 form

327

00:15:52,490 --> 00:15:49,740

which is one of the IRS documents

328

00:15:54,650 --> 00:15:52,500

associated with with pay uh his

329

00:15:56,269 --> 00:15:54,660

particular form indicated that he worked

330

00:15:58,250 --> 00:15:56,279

for the U.S department of Naval

331

00:16:01,129 --> 00:15:58,260

intelligence

332

00:16:04,550 --> 00:16:01,139

um my investigation of this document and

333

00:16:09,470 --> 00:16:04,560

the claims that deposar made uh followed

334

00:16:11,509 --> 00:16:09,480

a a very strict path of sound research I

335

00:16:15,650 --> 00:16:11,519

contacted the U.S department of Naval

336

00:16:18,530 --> 00:16:15,660

intelligence and indeed uh verified that

337

00:16:22,090 --> 00:16:18,540

they were likely responsible for

338

00:16:25,750 --> 00:16:22,100

presenting that W-2 I investigated the

339

00:16:29,329 --> 00:16:25,760

issue with the Internal Revenue Service

340

00:16:31,430 --> 00:16:29,339

they informed me the exact words were it

341

00:16:32,930 --> 00:16:31,440

appears to be legit that it was a

342

00:16:35,150 --> 00:16:32,940

genuine document it was not something

343

00:16:37,670 --> 00:16:35,160

that had been fabricated there were a

344

00:16:40,370 --> 00:16:37,680

variety of numbers contract numbers and

345

00:16:43,610 --> 00:16:40,380

so forth issued on the document which I

346

00:16:47,509 --> 00:16:43,620

was able to research again finding that

347

00:16:50,329 --> 00:16:47,519

these were highly classified numbers in

348

00:16:52,310 --> 00:16:50,339

fact Internal Revenue Service ran into a

349

00:16:54,949 --> 00:16:52,320

brick wall when it came to trying to

350

00:16:56,990 --> 00:16:54,959

track down the actual employer

351
00:16:59,030 --> 00:16:57,000
associated with it with the document he

352
00:17:00,889 --> 00:16:59,040
gave me us information about his

353
00:17:03,230 --> 00:17:00,899
background educational background and

354
00:17:05,030 --> 00:17:03,240
employment background I started with uh

355
00:17:07,189 --> 00:17:05,040
with his claim to have worked at Los

356
00:17:08,630 --> 00:17:07,199
Alamos lab I figured well that's a good

357
00:17:10,970 --> 00:17:08,640
starting point if he worked at Los

358
00:17:12,890 --> 00:17:10,980
Alamos it's pretty likely that he had an

359
00:17:14,809 --> 00:17:12,900
education somewhere they don't just hire

360
00:17:16,669 --> 00:17:14,819
people off the street and if he worked

361
00:17:18,770 --> 00:17:16,679
at Los Alamos especially on classified

362
00:17:19,909 --> 00:17:18,780
projects it's at least reasonable to

363
00:17:21,890 --> 00:17:19,919

assume he could have been hired

364

00:17:24,049 --> 00:17:21,900

somewhere else in Nevada to work on

365

00:17:27,169 --> 00:17:24,059

similar projects we went to Los Alamos

366

00:17:30,049 --> 00:17:27,179

and got nothing even close to

367

00:17:31,610 --> 00:17:30,059

cooperation they wouldn't respond to our

368

00:17:33,169 --> 00:17:31,620

phone calls they say we have no

369

00:17:34,789 --> 00:17:33,179

information on Bob Bazaar there's

370

00:17:37,010 --> 00:17:34,799

nothing in the files I said are you sure

371

00:17:39,650 --> 00:17:37,020

now no nothing in the files I showed

372

00:17:42,169 --> 00:17:39,660

them the phone book entry that Bob had

373

00:17:44,029 --> 00:17:42,179

kept that said he was there I showed him

374

00:17:46,370 --> 00:17:44,039

the newspaper article that that showed

375

00:17:48,710 --> 00:17:46,380

that he was there are you certain that

376

00:17:50,810 --> 00:17:48,720

you don't have a Bob Lazar well maybe we

377

00:17:52,070 --> 00:17:50,820

had a Bob Lazar here's an ID number but

378

00:17:55,669 --> 00:17:52,080

he didn't work for us he worked for

379

00:17:58,430 --> 00:17:55,679

someone else basically Los Alamos lab

380

00:17:59,990 --> 00:17:58,440

tried to thwart me at every step were

381

00:18:01,730 --> 00:18:00,000

completely uncooperative in trying to

382

00:18:03,890 --> 00:18:01,740

get information about Bob and I found

383

00:18:06,470 --> 00:18:03,900

that to be the case at every step of the

384

00:18:08,930 --> 00:18:06,480

way and trying to verify his background

385

00:18:10,490 --> 00:18:08,940

I'm the one that couldn't find any

386

00:18:12,650 --> 00:18:10,500

records or any I mean I'm the one that

387

00:18:14,330 --> 00:18:12,660

brought that up to say it was the first

388

00:18:15,529 --> 00:18:14,340

one to run into that initially I

389

00:18:16,789 --> 00:18:15,539

couldn't find couldn't get a hold of my

390

00:18:18,650 --> 00:18:16,799

birth certificate either and that was

391

00:18:20,029 --> 00:18:18,660

one of the things that concerned me is

392

00:18:22,250 --> 00:18:20,039

they might

393

00:18:23,570 --> 00:18:22,260

be trying to make me essentially a

394

00:18:27,110 --> 00:18:23,580

non-person

395

00:18:28,850 --> 00:18:27,120

I think it's most likely that Bob Lazar

396

00:18:30,890 --> 00:18:28,860

was indeed set up

397

00:18:32,930 --> 00:18:30,900

to be the conduit for certain

398

00:18:35,150 --> 00:18:32,940

information relating to this

399

00:18:37,789 --> 00:18:35,160

extraterrestrial project

400

00:18:40,440 --> 00:18:37,799

on one occasion in the desert Bob Lazar

401

00:18:42,230 --> 00:18:40,450

saw a flying disc being tested

402

00:18:44,270 --> 00:18:42,240

[Music]

403

00:18:46,850 --> 00:18:44,280

where's brought into the hangar for one

404

00:18:48,710 --> 00:18:46,860

of the short duration tests and the

405

00:18:51,470 --> 00:18:48,720

craft was already outside on the lake

406

00:18:53,750 --> 00:18:51,480

bed and lifts it off silently and

407

00:18:55,850 --> 00:18:53,760

drifted around for a bit sat back down

408

00:18:59,330 --> 00:18:55,860

and that was pretty much of a marvelous

409

00:19:00,770 --> 00:18:59,340

sight it's a huge thing it it's like

410

00:19:02,990 --> 00:19:00,780

seeing a house lift off the ground

411

00:19:05,150 --> 00:19:03,000

quietly it's just you can't imagine the

412

00:19:07,430 --> 00:19:05,160

energy involved to do that and not to

413

00:19:12,350 --> 00:19:07,440

make any noise at all there was some

414

00:19:14,510 --> 00:19:12,360

audio communication with the craft and

415

00:19:16,430 --> 00:19:14,520

so I can only assume that there were

416

00:19:17,990 --> 00:19:16,440

humans on board and somehow they had

417

00:19:19,669 --> 00:19:18,000

managed to squeeze themselves into those

418

00:19:22,430 --> 00:19:19,679

little seats or put something in there

419

00:19:24,710 --> 00:19:22,440

to sit on and obviously they knew how to

420

00:19:27,110 --> 00:19:24,720

operate whatever controls there was or

421

00:19:29,600 --> 00:19:27,120

fabricate their own or retrofit it with

422

00:19:34,850 --> 00:19:32,090

[Music]

423

00:19:37,610 --> 00:19:34,860

these missions of the 1960s stirred

424

00:19:39,590 --> 00:19:37,620

America into space fever but as the

425

00:19:42,590 --> 00:19:39,600

country's finest astronauts hurtled

426
00:19:44,270 --> 00:19:42,600
skywards in conventional Rockets did the

427
00:19:46,909 --> 00:19:44,280
president know of the existence of

428
00:19:48,830 --> 00:19:46,919
sources and propulsion systems that were

429
00:20:00,909 --> 00:19:48,840
literally out of this world

430
00:20:12,350 --> 00:20:03,060
thank you

431
00:20:14,690 --> 00:20:12,360
[Music]

432
00:20:17,090 --> 00:20:14,700
Dr Edgar Mitchell of the Apollo 14

433
00:20:19,070 --> 00:20:17,100
Mission and the sixth man to walk on the

434
00:20:21,470 --> 00:20:19,080
moon has carried out extensive

435
00:20:23,750 --> 00:20:21,480
investigations of the alleged saucer

436
00:20:28,490 --> 00:20:23,760
crashes as well as the question of alien

437
00:20:30,950 --> 00:20:28,500
contact he met Lazar in 1991 I tend to

438
00:20:34,090 --> 00:20:30,960

believe that his basic story is true

439

00:20:37,310 --> 00:20:34,100

that he was too exposed to

440

00:20:39,710 --> 00:20:37,320

what he thought were alien craft and

441

00:20:42,890 --> 00:20:39,720

attempted engineering back engineer I

442

00:20:45,710 --> 00:20:42,900

think that his explanation of what's

443

00:20:48,289 --> 00:20:45,720

going on and his theory that he's

444

00:20:50,150 --> 00:20:48,299

utilizing is probably not on target what

445

00:20:51,169 --> 00:20:50,160

I think is credible is the fact that he

446

00:20:54,590 --> 00:20:51,179

was there

447

00:20:56,049 --> 00:20:54,600

oh since the Roswell incident in

448

00:20:58,970 --> 00:20:56,059

97

449

00:21:01,970 --> 00:20:58,980

that there was a cover-up that that was

450

00:21:05,990 --> 00:21:01,980

a valid incident and that there has been

451
00:21:08,169 --> 00:21:06,000
an active investigation program reverse

452
00:21:12,740 --> 00:21:08,179
engineering program and cover-up

453
00:21:19,730 --> 00:21:16,850
[Music]

454
00:21:22,130 --> 00:21:19,740
after working at S4 for several months

455
00:21:25,190 --> 00:21:22,140
and in clear violation of his top secret

456
00:21:27,890 --> 00:21:25,200
clearance Bob Lazar decided to tell his

457
00:21:30,770 --> 00:21:27,900
closest friend Gene huff about his work

458
00:21:36,230 --> 00:21:34,010
my reaction was to without pressing him

459
00:21:39,649 --> 00:21:36,240
against his will find out more get him

460
00:21:42,289 --> 00:21:39,659
to tell me anything I could and it

461
00:21:44,750 --> 00:21:42,299
wasn't disbelief I I think I was

462
00:21:46,669 --> 00:21:44,760
actually motivated to further read I

463
00:21:49,310 --> 00:21:46,679

started investigating investigating

464

00:21:50,990 --> 00:21:49,320

other books on UFOs and other

465

00:21:52,850 --> 00:21:51,000

researchers information to see if anyone

466

00:21:57,110 --> 00:21:52,860

knew anything and needless to say they

467

00:22:03,590 --> 00:22:00,830

one month later in March 1989 Bob Lazar

468

00:22:05,990 --> 00:22:03,600

went one step further he decided to take

469

00:22:08,480 --> 00:22:06,000

his friends to the desert and show them

470

00:22:11,590 --> 00:22:08,490

a flying disc test

471

00:22:14,630 --> 00:22:11,600

[Music]

472

00:22:17,510 --> 00:22:14,640

I remember in most of the days and times

473

00:22:20,270 --> 00:22:17,520

of testing so I believe it was eight or

474

00:22:23,630 --> 00:22:20,280

nine o'clock on a Wednesday night

475

00:22:26,570 --> 00:22:23,640

when we're in March 89 I believe we went

476
00:22:32,330 --> 00:22:26,580
out with Gene Huff

477
00:22:38,810 --> 00:22:34,549
shortly after the flight time that I had

478
00:22:41,570 --> 00:22:38,820
recorded white light came up off the

479
00:22:45,529 --> 00:22:41,580
ground and covered and then be doing

480
00:22:47,570 --> 00:22:45,539
began doing radical step Maneuvers and

481
00:22:49,070 --> 00:22:47,580
darting from one side of the sky to the

482
00:22:52,370 --> 00:22:49,080
other day you're doing some impossible

483
00:22:54,770 --> 00:22:52,380
flight characteristics but at times the

484
00:22:57,590 --> 00:22:54,780
craft had you know glowed tremendously

485
00:22:59,270 --> 00:22:57,600
bright where we thought on being Miles

486
00:23:00,470 --> 00:22:59,280
and Miles Away we thought there was

487
00:23:02,270 --> 00:23:00,480
something wrong and the craft is going

488
00:23:05,930 --> 00:23:02,280

to explode so much so that we all got

489

00:23:09,529 --> 00:23:08,149

it actually came closer it came down the

490

00:23:11,750 --> 00:23:09,539

mountain range toward us to where we

491

00:23:15,370 --> 00:23:11,760

could actually see it was elliptically

492

00:23:18,169 --> 00:23:15,380

shaped it looked like something that

493

00:23:20,570 --> 00:23:18,179

it's it's strange to explain it looks

494

00:23:22,370 --> 00:23:20,580

like an explosion that starts to explode

495

00:23:24,289 --> 00:23:22,380

and stops and doesn't explode and

496

00:23:26,690 --> 00:23:24,299

dissipate that's how bright the light is

497

00:23:28,909 --> 00:23:26,700

your brain interprets it as an explosion

498

00:23:30,409 --> 00:23:28,919

about to happen

499

00:23:32,510 --> 00:23:30,419

together

500

00:23:35,090 --> 00:23:32,520

on his third visit with his friends to

501
00:23:37,490 --> 00:23:35,100
observe the discs at night Bob Lazar was

502
00:23:40,010 --> 00:23:37,500
arrested he was taken to an unknown

503
00:23:43,210 --> 00:23:40,020
location for interrogation and never

504
00:23:45,649 --> 00:23:43,220
returned to error 51.

505
00:23:47,690 --> 00:23:45,659
they threatened my wife they threatened

506
00:23:49,370 --> 00:23:47,700
to kill my wife they said they'd stop at

507
00:23:50,690 --> 00:23:49,380
nothing they said they thought they made

508
00:23:52,430 --> 00:23:50,700
that very clear they couldn't believe

509
00:23:53,990 --> 00:23:52,440
that I had taken anyone out there to

510
00:23:57,370 --> 00:23:54,000
show him that much less left with

511
00:24:00,350 --> 00:23:57,380
information like the flight test data

512
00:24:02,149 --> 00:24:00,360
and wanted to know what else I had said

513
00:24:05,270 --> 00:24:02,159

who else I had told specifically

514

00:24:06,890 --> 00:24:05,280

security Agents from the ofi the office

515

00:24:09,529 --> 00:24:06,900

of federal investigation had been

516

00:24:12,409 --> 00:24:09,539

witnessed doing random Security checks

517

00:24:14,990 --> 00:24:12,419

in his house uh there was almost no

518

00:24:18,110 --> 00:24:15,000

question in anyone's mind anyone in in

519

00:24:19,549 --> 00:24:18,120

Bob's immediate life who who talked with

520

00:24:21,289 --> 00:24:19,559

him on the telephone that his phone was

521

00:24:23,630 --> 00:24:21,299

tapped I mean strange things would have

522

00:24:25,850 --> 00:24:23,640

it on Bob's phone and really continue to

523

00:24:28,310 --> 00:24:25,860

this day Dennis Mariani who was my

524

00:24:29,570 --> 00:24:28,320

supervisor called and all he said was do

525

00:24:31,549 --> 00:24:29,580

you have any idea what we're going to do

526

00:24:33,470 --> 00:24:31,559

to you now and that was the end of the

527

00:24:35,930 --> 00:24:33,480

phone call

528

00:24:39,909 --> 00:24:35,940

they were they were crazy they really

529

00:24:44,210 --> 00:24:41,930

when you go to work out at those

530

00:24:45,770 --> 00:24:44,220

locations you sign away your

531

00:24:47,570 --> 00:24:45,780

constitutional rights

532

00:24:50,270 --> 00:24:47,580

you sign a piece of paper saying that if

533

00:24:51,950 --> 00:24:50,280

you violate your security agreement and

534

00:24:54,710 --> 00:24:51,960

you discuss programs that you're working

535

00:24:55,730 --> 00:24:54,720

on without a trial without right of

536

00:24:57,230 --> 00:24:55,740

appeal

537

00:24:59,630 --> 00:24:57,240

you're going to go to Leavenworth

538

00:25:01,250 --> 00:24:59,640

federal penitentiary for 20 years that's

539

00:25:03,350 --> 00:25:01,260

a real big incentive to keep your mouth

540

00:25:05,029 --> 00:25:03,360

shut we had an engineer who worked at

541

00:25:07,549 --> 00:25:05,039

this TV station who before he was here

542

00:25:09,649 --> 00:25:07,559

had worked at Area 51 and have seen one

543

00:25:11,149 --> 00:25:09,659

of these crafts under a tarp

544

00:25:13,430 --> 00:25:11,159

walked into a place he probably

545

00:25:14,630 --> 00:25:13,440

shouldn't have been I arranged to do an

546

00:25:17,270 --> 00:25:14,640

interview with him he lives in another

547

00:25:19,070 --> 00:25:17,280

city in another state he agreed

548

00:25:20,750 --> 00:25:19,080

reluctantly as long as I would block out

549

00:25:22,490 --> 00:25:20,760

his face well we make the Arrangements

550

00:25:24,649 --> 00:25:22,500

on the phone the interview is supposed

551
00:25:26,810 --> 00:25:24,659
to happen the next day he gets up goes

552
00:25:29,090 --> 00:25:26,820
to work there are two men in a car

553
00:25:29,870 --> 00:25:29,100
outside of his house talking into a

554
00:25:31,730 --> 00:25:29,880
radio

555
00:25:33,830 --> 00:25:31,740
they follow him to work when he gets out

556
00:25:35,810 --> 00:25:33,840
of work they follow him home

557
00:25:38,750 --> 00:25:35,820
no interview I mean it happened again

558
00:25:41,210 --> 00:25:38,760
and again and again same scenario it has

559
00:25:42,710 --> 00:25:41,220
been very difficult to talk about this

560
00:25:45,470 --> 00:25:42,720
it's almost like

561
00:25:46,909 --> 00:25:45,480
uh every time I relate the story it gets

562
00:25:48,409 --> 00:25:46,919
a little easier but when I first started

563
00:25:50,570 --> 00:25:48,419

talking about it it was like my mouth

564

00:25:51,950 --> 00:25:50,580

didn't even want to form the words and

565

00:25:53,210 --> 00:25:51,960

the sound didn't even want to come out

566

00:25:56,750 --> 00:25:53,220

of my throat

567

00:25:58,549 --> 00:25:56,760

uh so I can only guess from that that

568

00:26:01,310 --> 00:25:58,559

there is a very strong

569

00:26:03,529 --> 00:26:01,320

uh suggestion given to me not to talk

570

00:26:05,090 --> 00:26:03,539

about this not to remember it and if I

571

00:26:06,769 --> 00:26:05,100

did remember it not to ever talk about

572

00:26:09,289 --> 00:26:06,779

it to anyone

573

00:26:12,169 --> 00:26:09,299

this man is a 71 year old mechanical

574

00:26:15,049 --> 00:26:12,179

engineer who like Bob Lazar claims to

575

00:26:18,049 --> 00:26:15,059

have worked at area 51. he started

576

00:26:21,049 --> 00:26:18,059

working there in the 1950s on a flowing

577

00:26:23,510 --> 00:26:21,059

disc simulator built to train U.S Pilots

578

00:26:25,730 --> 00:26:23,520

he said he's been given permission to

579

00:26:28,789 --> 00:26:25,740

talk to us about certain specific

580

00:26:34,490 --> 00:26:28,799

aspects of his work but asked us not to

581

00:26:39,289 --> 00:26:36,230

that's interesting

582

00:26:40,610 --> 00:26:39,299

this particular one

583

00:26:52,730 --> 00:26:40,620

tattoo

584

00:27:10,430 --> 00:27:02,149

s

585

00:27:16,130 --> 00:27:13,750

initially ever taken in Mexico

586

00:27:19,370 --> 00:27:16,140

and then several months later they were

587

00:27:21,470 --> 00:27:19,380

taken through the Nevada Nevada City

588

00:27:25,850 --> 00:27:21,480

one of the things I worked on was a

589

00:27:29,570 --> 00:27:25,860

flying this simulator to train Pilots

590

00:27:32,830 --> 00:27:29,580

to uh to fly

591

00:27:37,090 --> 00:27:32,840

this strange strange looking craft

592

00:27:39,250 --> 00:27:37,100

designed for humans to fly

593

00:27:42,610 --> 00:27:39,260

not for any

594

00:27:48,230 --> 00:27:45,590

his most Fantastical claim was that he

595

00:27:51,169 --> 00:27:48,240

worked at Area 51 with an alien code

596

00:27:53,649 --> 00:27:51,179

named j-rod the 16 years on this

597

00:27:57,950 --> 00:27:53,659

simulator project

598

00:28:01,010 --> 00:27:57,960

j-rod is a gray alien of five foot four

599

00:28:03,830 --> 00:28:01,020

his role was only as a as a translator

600

00:28:04,850 --> 00:28:03,840

scientific translator that was all if we

601
00:28:06,710 --> 00:28:04,860
wanted it

602
00:28:09,350 --> 00:28:06,720
to put something in the place of what

603
00:28:12,350 --> 00:28:09,360
they had he had to agree with it

604
00:28:13,610 --> 00:28:12,360
I would have a question uh you know and

605
00:28:15,649 --> 00:28:13,620
I would

606
00:28:17,510 --> 00:28:15,659
bring it up in my mind I just saw I

607
00:28:18,890 --> 00:28:17,520
wanted to present it with him and he

608
00:28:20,149 --> 00:28:18,900
didn't really know that I had this

609
00:28:22,610 --> 00:28:20,159
question

610
00:28:26,390 --> 00:28:22,620
and he would already have the answer for

611
00:28:27,470 --> 00:28:26,400
me and if he responded it would be in my

612
00:28:29,810 --> 00:28:27,480
voice

613
00:28:33,470 --> 00:28:29,820

and you wouldn't even open your lips

614

00:28:36,470 --> 00:28:33,480

it is possible that he and a few

615

00:28:39,890 --> 00:28:36,480

thousand others are working on a project

616

00:28:42,590 --> 00:28:39,900

either here or elsewhere

617

00:28:45,100 --> 00:28:42,600

just a few thousand other grays

618

00:28:47,570 --> 00:28:45,110

a few thousand other Grays like himself

619

00:28:50,149 --> 00:28:47,580

[Music]

620

00:28:53,450 --> 00:28:50,159

the nearest town to Area 51 is Rachel

621

00:28:55,789 --> 00:28:53,460

population 150 and home to the most

622

00:28:57,950 --> 00:28:55,799

famous Bar and Grill in Nevada the

623

00:28:59,870 --> 00:28:57,960

little alien

624

00:29:02,330 --> 00:28:59,880

the local residents have seen their

625

00:29:05,090 --> 00:29:02,340

Highway truck stop turned into the UFO

626

00:29:07,430 --> 00:29:05,100
and ET Center of America

627

00:29:10,850 --> 00:29:07,440
tourists flock to Rachel to scan the

628

00:29:12,649 --> 00:29:10,860
skies in the hope of having a sighting

629

00:29:14,890 --> 00:29:12,659
for all the hype the sightings of

630

00:29:18,110 --> 00:29:14,900
bizarre lights in the sky do continue

631

00:29:22,450 --> 00:29:18,120
local resident Chuck Clark has had many

632

00:29:25,250 --> 00:29:22,460
unexplainable sightings the most uh

633

00:29:27,830 --> 00:29:25,260
remarkable sighting that I've had in the

634

00:29:32,870 --> 00:29:27,840
last three years took place uh two years

635

00:29:35,990 --> 00:29:32,880
ago February February of 93. I watched a

636

00:29:39,529 --> 00:29:36,000
glowing object Ascend vertically from

637

00:29:42,409 --> 00:29:39,539
the area south of Area 51 where S4 would

638

00:29:44,330 --> 00:29:42,419

be located uh hang most was in the air

639

00:29:46,970 --> 00:29:44,340

for about 10 minutes and then slowly

640

00:29:48,830 --> 00:29:46,980

start to descend all of this while I

641

00:29:51,110 --> 00:29:48,840

thought I was watching a illumination

642

00:29:52,490 --> 00:29:51,120

flare that was launched from a mortar

643

00:29:55,549 --> 00:29:52,500

tube

644

00:29:59,690 --> 00:29:55,559

I can hear jets in the background

645

00:30:02,769 --> 00:30:01,310

just looking straight over Steve

646

00:30:05,690 --> 00:30:02,779

medlin's Ranch

647

00:30:09,710 --> 00:30:05,700

this is right over the Peaks once it got

648

00:30:11,389 --> 00:30:09,720

down to the ridge line however uh it was

649

00:30:13,010 --> 00:30:11,399

in front of the Hill that had cut that

650

00:30:14,690 --> 00:30:13,020

it had come up from behind Hill was

651
00:30:15,769 --> 00:30:14,700
about 12 and a half miles from my

652
00:30:18,649 --> 00:30:15,779
position

653
00:30:20,810 --> 00:30:18,659
uh it came down

654
00:30:23,630 --> 00:30:20,820
to a few feet above the ground at the

655
00:30:25,310 --> 00:30:23,640
base of the Hill hovered momentarily

656
00:30:27,529 --> 00:30:25,320
which is still consistent with what a

657
00:30:30,529 --> 00:30:27,539
fleur might do in Calamar but then

658
00:30:33,110 --> 00:30:30,539
suddenly it shot off Westward covered

659
00:30:36,649 --> 00:30:33,120
4.8 miles and one to one and a half

660
00:30:39,350 --> 00:30:36,659
seconds and stopped cold also about 30

661
00:30:40,970 --> 00:30:39,360
feet off the ground hovered just long

662
00:30:43,010 --> 00:30:40,980
enough for me to get a focus to my

663
00:30:44,390 --> 00:30:43,020

binoculars for maybe two seconds and

664

00:30:47,210 --> 00:30:44,400

then it vanished right in place

665

00:30:50,750 --> 00:30:47,220

[Music]

666

00:30:54,289 --> 00:30:50,760

we've seen video of craft that were

667

00:30:57,110 --> 00:30:54,299

luminous that would move across the sky

668

00:30:59,389 --> 00:30:57,120

as if it was uh skipping a stone across

669

00:31:01,490 --> 00:30:59,399

water or sort of a sewing machine effect

670

00:31:05,389 --> 00:31:01,500

what we see across the screen or a

671

00:31:07,250 --> 00:31:05,399

series of Lights of dashes of light as

672

00:31:10,610 --> 00:31:07,260

the object moves from point A to point B

673

00:31:12,769 --> 00:31:10,620

and a rather strange warping occurs

674

00:31:14,930 --> 00:31:12,779

that's very difficult to unravel until

675

00:31:17,510 --> 00:31:14,940

you go frame by frame and you begin to

676
00:31:20,210 --> 00:31:17,520
see what is actually occurring therefore

677
00:31:22,490 --> 00:31:20,220
we are seeing what you might call a

678
00:31:24,490 --> 00:31:22,500
shadow effect of the propulsion

679
00:31:31,010 --> 00:31:24,500
mechanism at work

680
00:31:34,070 --> 00:31:31,020
[Music]

681
00:31:38,210 --> 00:31:35,870
I've spoken to several people who've

682
00:31:40,430 --> 00:31:38,220
seen UFOs or disc shaped craft out there

683
00:31:42,289 --> 00:31:40,440
uh an attorney who lives here in town

684
00:31:45,110 --> 00:31:42,299
who has seen one who saw one land

685
00:31:47,149 --> 00:31:45,120
outside the boundaries of area 51. I've

686
00:31:48,889 --> 00:31:47,159
spoken to a very high level managerial

687
00:31:51,110 --> 00:31:48,899
type who worked for a defense contractor

688
00:31:54,169 --> 00:31:51,120

out there for a number of years from a

689

00:31:55,909 --> 00:31:54,179

very respectable reputable family his

690

00:31:58,610 --> 00:31:55,919

credentials are Beyond question but he

691

00:32:00,830 --> 00:31:58,620

doesn't want his name or face used and

692

00:32:04,010 --> 00:32:00,840

he has seen them many times there were a

693

00:32:06,529 --> 00:32:04,020

variety of craft that were all

694

00:32:08,149 --> 00:32:06,539

essentially generically uh sort of

695

00:32:10,310 --> 00:32:08,159

canister shape I guess you'd say they

696

00:32:13,310 --> 00:32:10,320

were predominantly disc shape or rounded

697

00:32:14,810 --> 00:32:13,320

like a one of those Chinese lanterns or

698

00:32:17,269 --> 00:32:14,820

something or other they appear to be

699

00:32:19,789 --> 00:32:17,279

colorful uh at least they were

700

00:32:23,990 --> 00:32:19,799

multi-colored in addition to the lights

701
00:32:25,970 --> 00:32:24,000
that seemed to be able to take on uh the

702
00:32:28,250 --> 00:32:25,980
light of the background they could

703
00:32:31,010 --> 00:32:28,260
camouflage themselves somewhat in the

704
00:32:36,169 --> 00:32:31,020
Sky by absorbing the the blue light from

705
00:32:41,450 --> 00:32:38,750
oh

706
00:32:44,570 --> 00:32:41,460
what are these lights in the sky and are

707
00:32:47,510 --> 00:32:44,580
they indeed flying saucers we asked U.S

708
00:32:51,230 --> 00:32:47,520
Navy physicist and UFO expert Dr Bruce

709
00:32:53,470 --> 00:32:51,240
Maccabee to examine the footage

710
00:32:56,570 --> 00:32:53,480
basically what you see are lights

711
00:32:57,950 --> 00:32:56,580
related objects doing things way off in

712
00:32:59,510 --> 00:32:57,960
the distance you don't really see any

713
00:33:02,389 --> 00:32:59,520

structured craft

714

00:33:04,789 --> 00:33:02,399

uh some of the video material a very

715

00:33:05,930 --> 00:33:04,799

small amount that I've seen seems to

716

00:33:08,090 --> 00:33:05,940

show lights

717

00:33:09,470 --> 00:33:08,100

doing strain things like hovering and

718

00:33:11,630 --> 00:33:09,480

moving suddenly to another location

719

00:33:13,850 --> 00:33:11,640

maybe and moving slowly and jumping

720

00:33:16,130 --> 00:33:13,860

around a little bit I've concluded that

721

00:33:17,810 --> 00:33:16,140

they aren't ours

722

00:33:19,190 --> 00:33:17,820

that means they belong to somebody else

723

00:33:20,690 --> 00:33:19,200

and you know they're not made here on

724

00:33:22,070 --> 00:33:20,700

Earth basically so they must be coming

725

00:33:23,870 --> 00:33:22,080

from the outside

726

00:33:26,630 --> 00:33:23,880

how they get here

727

00:33:28,490 --> 00:33:26,640

you know who in quotes they belong to I

728

00:33:32,450 --> 00:33:28,500

don't know you know extraterrestrials is

729

00:33:33,950 --> 00:33:32,460

a reasonable proposal all the arguments

730

00:33:35,450 --> 00:33:33,960

that have been put forth that it

731

00:33:37,549 --> 00:33:35,460

couldn't be people from another star

732

00:33:39,710 --> 00:33:37,559

system in the Galaxy or whatever because

733

00:33:41,269 --> 00:33:39,720

they can't get here from there those

734

00:33:43,310 --> 00:33:41,279

arguments are not physically correct

735

00:33:44,630 --> 00:33:43,320

because we could get there given enough

736

00:33:48,110 --> 00:33:44,640

time and money

737

00:33:51,110 --> 00:33:48,120

and desire to do it however it's clear

738

00:33:53,690 --> 00:33:51,120

that uh these other intelligences

739

00:33:54,690 --> 00:33:53,700

whatever they are are far beyond Us in

740

00:34:02,509 --> 00:33:54,700

terms of Technology

741

00:34:07,430 --> 00:34:05,450

now what I'm going to show you is a

742

00:34:08,570 --> 00:34:07,440

computer enhanced version of what you

743

00:34:10,310 --> 00:34:08,580

just saw and we're just going to look at

744

00:34:12,649 --> 00:34:10,320

the one portion where the UFO was

745

00:34:14,149 --> 00:34:12,659

appearing in the left hand corner going

746

00:34:15,589 --> 00:34:14,159

to the right and coming back again

747

00:34:16,790 --> 00:34:15,599

that's all we're going to see we're

748

00:34:19,550 --> 00:34:16,800

going to see it repeated over and over

749

00:34:21,889 --> 00:34:19,560

again this part of the frame has been

750

00:34:23,329 --> 00:34:21,899

chopped out of the full frame so I'll

751

00:34:26,030 --> 00:34:23,339

just let it run and it goes back and

752

00:34:27,409 --> 00:34:26,040

forth and back and forth repeating if we

753

00:34:29,629 --> 00:34:27,419

stop it

754

00:34:32,329 --> 00:34:29,639

now here's the Shadow and here's the UFO

755

00:34:34,669 --> 00:34:32,339

so basically we have a triangle with one

756

00:34:36,530 --> 00:34:34,679

side and two angles that we know and

757

00:34:38,629 --> 00:34:36,540

that result is I can calculate the UFO

758

00:34:40,369 --> 00:34:38,639

position in three dimensional space

759

00:34:42,589 --> 00:34:40,379

right turns out to be about seven

760

00:34:44,750 --> 00:34:42,599

thousand feet away from the camera

761

00:34:48,169 --> 00:34:44,760

so having analyzed it what we seem to

762

00:34:50,570 --> 00:34:48,179

have here Bruce is a genuine UFO yes

763

00:34:53,389 --> 00:34:50,580

there is an object out there 7000 feet

764

00:34:55,790 --> 00:34:53,399

away it wasn't one of ours it's about 30

765

00:34:59,710 --> 00:34:55,800

feet in size

766

00:34:59,720 --> 00:35:18,430

[Music]

767

00:35:24,050 --> 00:35:21,650

the security at Area 51 is formidable

768

00:35:26,510 --> 00:35:24,060

the entire perimeter is surrounded by

769

00:35:28,730 --> 00:35:26,520

motion detectors and cameras armed

770

00:35:31,130 --> 00:35:28,740

guards Patrol in jeeps and helicopter

771

00:35:35,950 --> 00:35:31,140

gunships are deployed to warn off anyone

772

00:35:41,750 --> 00:35:38,750

we headed out deep into the desert over

773

00:35:43,069 --> 00:35:41,760

80 miles outside Las Vegas traveling

774

00:35:45,470 --> 00:35:43,079

down the recently renamed

775

00:35:47,390 --> 00:35:45,480

extraterrestrial Highway we'd come to

776

00:35:49,609 --> 00:35:47,400

see America's most secret base for

777

00:35:51,290 --> 00:35:49,619

ourselves

778

00:35:53,810 --> 00:35:51,300

yeah

779

00:35:56,710 --> 00:35:53,820

approach to the base is a Dusty 10-mile

780

00:35:59,270 --> 00:35:56,720

track called Groom Lake Road

781

00:36:01,550 --> 00:35:59,280

anyone approaching the Border can

782

00:36:03,410 --> 00:36:01,560

clearly be seen for miles and as we've

783

00:36:05,329 --> 00:36:03,420

been warned our every move was being

784

00:36:13,870 --> 00:36:05,339

monitored by the security patrols and

785

00:36:18,650 --> 00:36:16,609

this is as far as you can come to go to

786

00:36:21,170 --> 00:36:18,660

the Groom Lake base it actually says on

787

00:36:23,630 --> 00:36:21,180

these signs that use of deadly force is

788

00:36:24,890 --> 00:36:23,640

authorized there are security patrols

789

00:36:26,750 --> 00:36:24,900

all over these Hills they've been

790

00:36:29,210 --> 00:36:26,760

watching us for the best part of the

791

00:36:31,970 --> 00:36:29,220

last hour the motion sensors security

792

00:36:34,490 --> 00:36:31,980

cameras and if I did walk over this line

793

00:36:36,410 --> 00:36:34,500

I'd be immediately arrested taken to the

794

00:36:38,569 --> 00:36:36,420

guard house and interrogated for

795

00:36:41,450 --> 00:36:38,579

anything up to a week as soon as you

796

00:36:48,530 --> 00:36:41,460

step over the line past this sign you

797

00:36:48,540 --> 00:36:51,170

oh

798

00:36:55,069 --> 00:36:53,510

what's amazing to me Glenn is that the

799

00:36:56,810 --> 00:36:55,079

entrance is so unassuming they've got

800

00:36:59,390 --> 00:36:56,820

this rickety sign saying use of deadly

801
00:37:00,710 --> 00:36:59,400
force authorized but you literally could

802
00:37:02,210 --> 00:37:00,720
if you didn't know what you were doing

803
00:37:04,550 --> 00:37:02,220
you just carry on straight into the base

804
00:37:06,589 --> 00:37:04,560
that's the idea if you don't encounter

805
00:37:08,270 --> 00:37:06,599
any people here if you went into the

806
00:37:10,069 --> 00:37:08,280
guard house that's there about a quarter

807
00:37:11,270 --> 00:37:10,079
mile in you'd be arrested immediately

808
00:37:13,010 --> 00:37:11,280
because you've already passed those

809
00:37:14,510 --> 00:37:13,020
signs they don't want to answer any

810
00:37:16,490 --> 00:37:14,520
questions so they don't put any people

811
00:37:18,050 --> 00:37:16,500
in vulnerable vulnerable positions and

812
00:37:20,030 --> 00:37:18,060
as you come off the highway up there the

813
00:37:21,589 --> 00:37:20,040

Extraterrestrial Highway there's no sign

814

00:37:24,290 --> 00:37:21,599

saying Groom Lake there's nothing is

815

00:37:26,270 --> 00:37:24,300

there no I put up a secret base sign up

816

00:37:28,069 --> 00:37:26,280

there occasionally secret base this way

817

00:37:30,109 --> 00:37:28,079

but it doesn't stay up for very long an

818

00:37:31,910 --> 00:37:30,119

unfortunate in car this is as close as

819

00:37:33,710 --> 00:37:31,920

you can get to to groom Lake isn't it

820

00:37:35,089 --> 00:37:33,720

this is physically as close as you can

821

00:37:37,010 --> 00:37:35,099

get unfortunately you can't see anything

822

00:37:39,170 --> 00:37:37,020

from here at all how far are we actually

823

00:37:42,050 --> 00:37:39,180

away from from the base we're about uh

824

00:37:44,210 --> 00:37:42,060

13 miles north Northeast of the base

825

00:37:46,250 --> 00:37:44,220

right now right and if we continue that

826

00:37:48,829 --> 00:37:46,260

this road if we drove into the base now

827

00:37:50,630 --> 00:37:48,839

past the signs we'd be arrested if you

828

00:37:53,870 --> 00:37:50,640

drove Beyond here 20 feet you'd be

829

00:37:58,730 --> 00:37:56,329

as night fell and determined to see the

830

00:38:01,490 --> 00:37:58,740

secret facility we headed for tickaboo

831

00:38:04,310 --> 00:38:01,500

Peak which overlooks the base 7 000 feet

832

00:38:06,530 --> 00:38:04,320

above the desert at our base camp I

833

00:38:09,349 --> 00:38:06,540

talked to Glenn Campbell who founded the

834

00:38:11,630 --> 00:38:09,359

area 51 Research Center in Rachel and

835

00:38:13,250 --> 00:38:11,640

who produces the Groom Lake Desert Rat

836

00:38:15,470 --> 00:38:13,260

new SATA

837

00:38:17,569 --> 00:38:15,480

he gave up a successful career in

838

00:38:21,349 --> 00:38:17,579

computers to devote his life to

839

00:38:25,849 --> 00:38:23,329

this is a large facility as big as the

840

00:38:28,190 --> 00:38:25,859

state of Connecticut it's got lots of

841

00:38:31,310 --> 00:38:28,200

unknown unexplored areas that you could

842

00:38:33,230 --> 00:38:31,320

store anything you want Area 51 is only

843

00:38:35,750 --> 00:38:33,240

the best known secret base of a vast

844

00:38:37,970 --> 00:38:35,760

complex they could house a lot of

845

00:38:39,829 --> 00:38:37,980

different things we don't know about

846

00:38:42,770 --> 00:38:39,839

but there is actually no fencing is that

847

00:38:45,050 --> 00:38:42,780

yet they know when you cross that line

848

00:38:47,530 --> 00:38:45,060

it's simply marked by orange posts every

849

00:38:50,030 --> 00:38:47,540

few hundred feet

850

00:38:51,770 --> 00:38:50,040

it's easy to wander across this line but

851

00:38:53,750 --> 00:38:51,780

as soon as you do they're going to

852

00:38:55,730 --> 00:38:53,760

detect you and they'll be right on you

853

00:38:57,470 --> 00:38:55,740

this is a very harsh military border

854

00:38:59,270 --> 00:38:57,480

it's not a place for tourists they have

855

00:39:02,030 --> 00:38:59,280

military has never said there are no

856

00:39:04,490 --> 00:39:02,040

UFOs it's never directly denied any of

857

00:39:06,290 --> 00:39:04,500

the area 51 stories it would have been

858

00:39:08,390 --> 00:39:06,300

so simple when these claims came out

859

00:39:10,730 --> 00:39:08,400

these Papoose Lake claims for the

860

00:39:12,770 --> 00:39:10,740

military to Simply say look we have

861

00:39:14,390 --> 00:39:12,780

nothing there they could take a few

862

00:39:16,670 --> 00:39:14,400

reporters to this area and show them

863

00:39:18,410 --> 00:39:16,680

nothing there the military hasn't done

864

00:39:20,210 --> 00:39:18,420

it the military is stonewalled it has

865

00:39:27,250 --> 00:39:20,220

remained silent and that's the most

866

00:39:32,390 --> 00:39:29,750

we needed to reach the summit before

867

00:39:35,510 --> 00:39:32,400

Daybreak in order to see the base lit up

868

00:39:37,550 --> 00:39:35,520

for its nighttime test flights even at

869

00:39:39,130 --> 00:39:37,560

night the Roar of the jet shattered The

870

00:39:44,030 --> 00:39:39,140

Silence of the desert

871

00:39:46,130 --> 00:39:44,040

[Music]

872

00:39:49,010 --> 00:39:46,140

as we reached the summit under a cloak

873

00:39:51,589 --> 00:39:49,020

of Darkness Area 51 could clearly be

874

00:39:52,640 --> 00:39:51,599

seen its Runway lights glowing in the

875

00:39:59,569 --> 00:39:52,650

distance

876

00:40:02,089 --> 00:39:59,579

[Music]

877

00:40:05,150 --> 00:40:02,099

after trekking for several hours we

878

00:40:07,970 --> 00:40:05,160

finally set up camp here some 7 000 feet

879

00:40:09,890 --> 00:40:07,980

up and since the crack of dawn we've

880

00:40:12,650 --> 00:40:09,900

been watching non-existent flights

881

00:40:16,190 --> 00:40:12,660

ferrying non-existent Personnel to this

882

00:40:18,349 --> 00:40:16,200

non-existent base tikaboo Peak is the

883

00:40:20,930 --> 00:40:18,359

last safe vantage point where you can

884

00:40:23,450 --> 00:40:20,940

clearly see Dreamland but how long

885

00:40:26,329 --> 00:40:23,460

before this too is claimed by the

886

00:40:26,339 --> 00:40:32,589

foreign

887

00:40:37,730 --> 00:40:35,810

The Groom Lake mystery continues we

888

00:40:39,770 --> 00:40:37,740

followed the Personnel flights out of

889

00:40:42,650 --> 00:40:39,780

the secret base and they've landed here

890

00:40:44,870 --> 00:40:42,660

at McCarran Airport just outside Las

891

00:40:47,390 --> 00:40:44,880

Vegas there are apparently over a dozen

892

00:40:51,530 --> 00:40:47,400

flights every day fereng the Personnel

893

00:40:58,510 --> 00:40:51,540

in and out of America's most secret base

894

00:41:04,970 --> 00:41:02,210

I was called at a random time the

895

00:41:08,810 --> 00:41:04,980

operator would say Mr Lazar it's now 4

896

00:41:09,950 --> 00:41:08,820

15 a.m we expect you to be at McCarran

897

00:41:12,109 --> 00:41:09,960

Airport

898

00:41:14,089 --> 00:41:12,119

at 4 45.

899

00:41:15,950 --> 00:41:14,099

your plane will be leaving at such and

900

00:41:18,950 --> 00:41:15,960

such time I

901
00:41:25,550 --> 00:41:18,960
drive there check in board the plane and

902
00:41:32,510 --> 00:41:27,770
as the Groom Lake workers headed off in

903
00:41:35,630 --> 00:41:34,010
who could you point me to at the base

904
00:41:37,250 --> 00:41:35,640
who could give me some information okay

905
00:41:40,490 --> 00:41:37,260
what I want to tell you right now you're

906
00:41:40,500 --> 00:41:43,210
yes

907
00:41:48,410 --> 00:41:45,890
and I'm going to advise you right now to

908
00:41:49,670 --> 00:41:48,420
leave the premises immediately okay is

909
00:41:51,950 --> 00:41:49,680
this coming you were to do that I mean

910
00:41:57,250 --> 00:41:51,960
this is private private you're

911
00:42:03,109 --> 00:42:00,650
no comment you're trespassing okay what

912
00:42:05,270 --> 00:42:03,119
are you trying to get Bud

913
00:42:07,310 --> 00:42:05,280

I

914

00:42:12,849 --> 00:42:07,320

is there anyone you can point us to to

915

00:42:29,690 --> 00:42:15,950

as we were ejected from the airport yet

916

00:42:29,700 --> 00:42:35,569

Michigan

917

00:42:39,829 --> 00:42:37,970

our investigations have revealed that a

918

00:42:42,650 --> 00:42:39,839

private company is working with the US

919

00:42:45,890 --> 00:42:42,660

military at area 51.

920

00:42:48,290 --> 00:42:45,900

we believe this is the company EG and G

921

00:42:50,329 --> 00:42:48,300

special projects it's worked for the

922

00:42:52,130 --> 00:42:50,339

last 50 years on top secret and

923

00:42:54,410 --> 00:42:52,140

sensitive projects with the US

924

00:42:56,150 --> 00:42:54,420

government and it's said to control the

925

00:42:58,790 --> 00:42:56,160

Janet flights that take the workers to

926
00:43:00,530 --> 00:42:58,800
the base as well as all the security and

927
00:43:03,770 --> 00:43:00,540
technical support for the back

928
00:43:05,809 --> 00:43:03,780
engineering of alien spacecraft they did

929
00:43:07,250 --> 00:43:05,819
not work for EG directly I was just

930
00:43:09,589 --> 00:43:07,260
interviewed in one of their facilities

931
00:43:11,690 --> 00:43:09,599
at McCarran airport so a short time

932
00:43:15,109 --> 00:43:11,700
later I was called back in

933
00:43:16,790 --> 00:43:15,119
for this new job at S4 and they had

934
00:43:18,589 --> 00:43:16,800
explained to me that it dealt with some

935
00:43:19,970 --> 00:43:18,599
sort of field propulsion system and I

936
00:43:21,829 --> 00:43:19,980
was just under the assumption that this

937
00:43:24,890 --> 00:43:21,839
is an advanced type of aircraft that's

938
00:43:27,170 --> 00:43:24,900

being worked on and I was excited about

939

00:43:28,849 --> 00:43:27,180

the position we'll definitely the proper

940

00:43:31,010 --> 00:43:28,859

property okay so they've actually cut

941

00:43:33,710 --> 00:43:31,020

the camera does it have any connection

942

00:43:35,690 --> 00:43:33,720

with the groom-like base I'm just I'm

943

00:43:36,829 --> 00:43:35,700

asking you to leave the property does

944

00:43:38,790 --> 00:43:36,839

this company have any connection with

945

00:43:43,990 --> 00:43:38,800

the flights that leave McCarran

946

00:43:47,210 --> 00:43:44,000

[Music]

947

00:43:49,309 --> 00:43:47,220

EG and G has been the central civilian

948

00:43:51,050 --> 00:43:49,319

contractor for Groom Lake basically

949

00:43:53,930 --> 00:43:51,060

since the beginning there are the people

950

00:43:56,510 --> 00:43:53,940

who military folks come and go other

951
00:43:58,250 --> 00:43:56,520
contractors come and go EG has had the

952
00:44:00,109 --> 00:43:58,260
contract since the very beginning so if

953
00:44:02,270 --> 00:44:00,119
anyone were to know what's going on out

954
00:44:04,030 --> 00:44:02,280
there it'd be EG and G they're not

955
00:44:07,370 --> 00:44:04,040
talking

956
00:44:09,290 --> 00:44:07,380
we found EJ to clarify what their role

957
00:44:11,270 --> 00:44:09,300
is at the base but they would only

958
00:44:13,430 --> 00:44:11,280
confirm that the company is working on

959
00:44:16,430 --> 00:44:13,440
several classified Department of Defense

960
00:44:18,710 --> 00:44:16,440
contracts at various remote locations in

961
00:44:20,930 --> 00:44:18,720
Nevada they would not comment on the

962
00:44:23,349 --> 00:44:20,940
exact nature of the work but did state

963
00:44:26,329 --> 00:44:23,359

that it was connected with EMP

964

00:44:30,670 --> 00:44:26,339

electromagnetic propulsion

965

00:44:36,050 --> 00:44:33,770

alien craft are buried deep beneath the

966

00:44:38,569 --> 00:44:36,060

Nevada desert then the power to release

967

00:44:41,089 --> 00:44:38,579

this information to the public lies deep

968

00:44:43,490 --> 00:44:41,099

inside the corridors of Washington

969

00:44:45,589 --> 00:44:43,500

as an intelligence Insider said to me

970

00:44:54,050 --> 00:44:45,599

the problem isn't obtaining the

971

00:44:58,970 --> 00:44:56,450

are these alien craft above Groom Lake

972

00:45:01,190 --> 00:44:58,980

or are they man-made have the U.S

973

00:45:04,190 --> 00:45:01,200

military develop the technology to build

974

00:45:08,270 --> 00:45:04,200

flying discs there's a great deal of

975

00:45:10,790 --> 00:45:08,280

legitimacy to this UFO phenomenon to the

976
00:45:14,150 --> 00:45:10,800
issue of alien intelligence this is

977
00:45:17,510 --> 00:45:14,160
something that's not at all new to the

978
00:45:19,309 --> 00:45:17,520
U.S military there's programs that

979
00:45:20,750 --> 00:45:19,319
they're working on today that are 50

980
00:45:22,329 --> 00:45:20,760
years ahead of anything that you and I

981
00:45:26,270 --> 00:45:22,339
can even conceive of

982
00:45:29,089 --> 00:45:26,280
the Black Project teams are operating

983
00:45:31,370 --> 00:45:29,099
without oversight from official

984
00:45:33,170 --> 00:45:31,380
committees from Congress if you will I

985
00:45:35,870 --> 00:45:33,180
find that exceedingly distressing

986
00:45:39,410 --> 00:45:35,880
frightening the ultimate big brother

987
00:45:40,250 --> 00:45:39,420
scenario everything is being run by the

988
00:45:42,290 --> 00:45:40,260

ETS

989

00:45:44,990 --> 00:45:42,300

if so far beyond Us in terms of

990

00:45:46,670 --> 00:45:45,000

technology that uh I don't think we

991

00:45:48,650 --> 00:45:46,680

would have a chance

992

00:45:50,390 --> 00:45:48,660

I don't think we've yet scratched the

993

00:45:52,069 --> 00:45:50,400

surface

994

00:45:53,329 --> 00:45:52,079

on what's happening out there with

995

00:45:56,750 --> 00:45:53,339

regard

996

00:46:01,790 --> 00:45:59,329

there are a variety activities some of

997

00:46:04,250 --> 00:46:01,800

which are classified throughout what is

998

00:46:07,309 --> 00:46:04,260

often called The Air Force's Nellis

999

00:46:11,089 --> 00:46:07,319

range complex the range is used for the

1000

00:46:13,550 --> 00:46:11,099

testing of Technologies and systems and

1001
00:46:16,910 --> 00:46:13,560
training for operations critical to the

1002
00:46:19,250 --> 00:46:16,920
effectiveness of U.S military forces and

1003
00:46:22,250 --> 00:46:19,260
the security of the United States there

1004
00:46:23,210 --> 00:46:22,260
is operating location near groom dry

1005
00:46:26,150 --> 00:46:23,220
lake

1006
00:46:29,450 --> 00:46:26,160
some specific activities and operations

1007
00:46:32,569 --> 00:46:29,460
conducted on the Nellis range both past

1008
00:46:37,270 --> 00:46:32,579
and present remain classified and cannot

1009
00:46:42,109 --> 00:46:39,890
based on the evidence of former workers

1010
00:46:45,410 --> 00:46:42,119
in the unexplainable lights in the sky

1011
00:46:48,050 --> 00:46:45,420
there is little doubt that area 51 seen

1012
00:46:50,329 --> 00:46:48,060
here in the distance does house flying

1013
00:46:51,829 --> 00:46:50,339

craft that are literally out of this

1014

00:46:54,650 --> 00:46:51,839

world

1015

00:46:56,510 --> 00:46:54,660

if recovered alien spacecraft and bodies

1016

00:47:00,109 --> 00:46:56,520

have been taken to this remote location

1017

00:47:03,109 --> 00:47:00,119

since the 1950s could a secret of this

1018

00:47:07,370 --> 00:47:03,119

size be kept under wraps for so long and

1019

00:47:11,990 --> 00:47:09,349

we're dealing with a cosmic Watergate

1020

00:47:13,430 --> 00:47:12,000

that means that some few people within

1021

00:47:15,589 --> 00:47:13,440

the government's United States Canada

1022

00:47:18,770 --> 00:47:15,599

Britain and undoubtedly other countries

1023

00:47:20,569 --> 00:47:18,780

have known since July 1947 when at least

1024

00:47:22,069 --> 00:47:20,579

two crash flying saucers and several

1025

00:47:25,370 --> 00:47:22,079

alien bodies were recovered in New

1026

00:47:27,349 --> 00:47:25,380

Mexico that indeed some UFOs are

1027

00:47:30,170 --> 00:47:27,359

extraterrestrial spacecraft since

1028

00:47:32,569 --> 00:47:30,180

Project Blue Book closed down in 1969

1029

00:47:35,210 --> 00:47:32,579

there was no official interest in this

1030

00:47:38,089 --> 00:47:35,220

subject that seemed to say the least the

1031

00:47:39,290 --> 00:47:38,099

trifle strange when documents that have

1032

00:47:42,230 --> 00:47:39,300

come out under the Freedom of

1033

00:47:44,630 --> 00:47:42,240

Information Act in America show the

1034

00:47:47,390 --> 00:47:44,640

contrary show that organizations like

1035

00:47:50,270 --> 00:47:47,400

the CIA and the NSA are actually very

1036

00:47:52,130 --> 00:47:50,280

heavily involved in UFO research there's

1037

00:47:54,710 --> 00:47:52,140

a relatively small number of people

1038

00:47:56,569 --> 00:47:54,720

within the intelligence

1039

00:47:59,329 --> 00:47:56,579

military intelligence and scientific and

1040

00:48:02,690 --> 00:47:59,339

Technical intelligence Community who are

1041

00:48:04,930 --> 00:48:02,700

aware of what's going on and an even

1042

00:48:08,630 --> 00:48:04,940

smaller group who are actually

1043

00:48:09,710 --> 00:48:08,640

organizing top secret Research into this

1044

00:48:13,190 --> 00:48:09,720

phenomenon

1045

00:48:14,809 --> 00:48:13,200

whenever we'd have a crash the staff

1046

00:48:18,589 --> 00:48:14,819

people would tell the public information

1047

00:48:20,270 --> 00:48:18,599

officer use a story number 38 in the

1048

00:48:23,450 --> 00:48:20,280

book and he would he would release

1049

00:48:25,670 --> 00:48:23,460

details according to a standard

1050

00:48:27,650 --> 00:48:25,680

release procedure for that kind of a

1051
00:48:30,050 --> 00:48:27,660
story and they never told the truth

1052
00:48:32,390 --> 00:48:30,060
because that was always the classified

1053
00:48:34,970 --> 00:48:32,400
information the government is fighting

1054
00:48:36,829 --> 00:48:34,980
tooth and nail it will not reveal any

1055
00:48:39,410 --> 00:48:36,839
kind of information about that base and

1056
00:48:41,569 --> 00:48:39,420
as a result workers people who helped

1057
00:48:43,609 --> 00:48:41,579
win the Cold War who dedicated their

1058
00:48:44,930 --> 00:48:43,619
lives to these secret programs who kept

1059
00:48:47,630 --> 00:48:44,940
their mouths shut for all these years

1060
00:48:49,849 --> 00:48:47,640
are dying because of exposure to toxic

1061
00:48:51,950 --> 00:48:49,859
materials that the government refuses to

1062
00:48:54,349 --> 00:48:51,960
acknowledge exist out there because they

1063
00:48:57,170 --> 00:48:54,359

refuse to acknowledge the base itself

1064

00:48:58,750 --> 00:48:57,180

if it is already explained there's

1065

00:49:04,150 --> 00:48:58,760

nothing exciting

1066

00:49:10,130 --> 00:49:08,089

presenting Cosmic Journey one of the

1067

00:49:12,349 --> 00:49:10,140

most revealing glimpses of just what the

1068

00:49:15,530 --> 00:49:12,359

Pentagon knew about the existence of

1069

00:49:17,870 --> 00:49:15,540

Crash sources and alien contact came in

1070

00:49:20,990 --> 00:49:17,880

1989 with the development of a

1071

00:49:24,170 --> 00:49:21,000

top-secret project codenamed Cosmic

1072

00:49:27,589 --> 00:49:24,180

Journey Cosmic journey is a new

1073

00:49:30,890 --> 00:49:27,599

experience and live entertainment A New

1074

00:49:34,250 --> 00:49:30,900

Concept and a new dimension this is

1075

00:49:37,370 --> 00:49:34,260

something that no one should miss

1076

00:49:39,530 --> 00:49:37,380

and I guarantee you that millions and

1077

00:49:42,410 --> 00:49:39,540

millions of people throughout the world

1078

00:49:44,750 --> 00:49:42,420

will remember this for the rest of their

1079

00:49:46,849 --> 00:49:44,760

life its aim was to display to the

1080

00:49:49,730 --> 00:49:46,859

public by way of a traveling exhibition

1081

00:49:52,069 --> 00:49:49,740

the crashed craft and preserved alien

1082

00:49:54,589 --> 00:49:52,079

bodies that the government had in its

1083

00:49:56,870 --> 00:49:54,599

possession the Pentagon Enlisted the

1084

00:49:59,809 --> 00:49:56,880

help of Bob exler a NASA Mission

1085

00:50:03,109 --> 00:49:59,819

specialist in robotics who was also a

1086

00:50:06,230 --> 00:50:03,119

respected UFO researcher at a series of

1087

00:50:09,589 --> 00:50:06,240

meetings in Washington in 1989 military

1088

00:50:12,530 --> 00:50:09,599

officials set out their plans to exler

1089

00:50:15,609 --> 00:50:12,540

they were devising a variety of kiosks

1090

00:50:18,250 --> 00:50:15,619

to show the history of the UFO sightings

1091

00:50:21,890 --> 00:50:18,260

UFOs associated with the space program

1092

00:50:25,069 --> 00:50:21,900

and of course aliens Associated commonly

1093

00:50:28,550 --> 00:50:25,079

with the abduction phenomena

1094

00:50:31,490 --> 00:50:28,560

I was shown photographic rendition that

1095

00:50:35,089 --> 00:50:31,500

involved an actual what appeared to be

1096

00:50:38,210 --> 00:50:35,099

some form of an alien creature typical

1097

00:50:39,650 --> 00:50:38,220

to the gray aliens that have been

1098

00:50:41,650 --> 00:50:39,660

referred to popularly in the

1099

00:50:47,270 --> 00:50:41,660

Publications in the press

1100

00:50:50,530 --> 00:50:47,280

the creature was encased in uh sort of a

1101

00:50:53,089 --> 00:50:50,540

glass coffin like structure that

1102

00:50:55,790 --> 00:50:53,099

was being preserved there was a lot of

1103

00:50:58,790 --> 00:50:55,800

apparatus tanks and so forth probably

1104

00:51:01,910 --> 00:50:58,800

some form of a cryogenic tank to

1105

00:51:04,490 --> 00:51:01,920

preserve the the body from decay

1106

00:51:07,490 --> 00:51:04,500

as part of his indoctrination program

1107

00:51:09,309 --> 00:51:07,500

exler was flown out to an offshore Norad

1108

00:51:12,109 --> 00:51:09,319

tracking facility

1109

00:51:14,690 --> 00:51:12,119

traveling in unmarked black helicopters

1110

00:51:16,849 --> 00:51:14,700

they headed out 20 miles off the coast

1111

00:51:18,970 --> 00:51:16,859

of Florida landing on what looked like

1112

00:51:21,710 --> 00:51:18,980

an oil rig

1113

00:51:24,589 --> 00:51:21,720

as we got into this facility we

1114

00:51:26,870 --> 00:51:24,599

descended to an area that I would

1115

00:51:29,690 --> 00:51:26,880

describe as sort of a mezzanine area

1116

00:51:32,829 --> 00:51:29,700

looking out over a control room this was

1117

00:51:35,930 --> 00:51:32,839

obviously a NORAD tracking facility

1118

00:51:40,690 --> 00:51:35,940

there was a huge

1119

00:51:43,490 --> 00:51:40,700

screen it represented an area of the

1120

00:51:46,970 --> 00:51:43,500

southeast quadrant of the United States

1121

00:51:48,829 --> 00:51:46,980

then there were a series of lights that

1122

00:51:51,170 --> 00:51:48,839

were floating along sort of like the top

1123

00:51:53,690 --> 00:51:51,180

of this grid area

1124

00:51:57,109 --> 00:51:53,700

there were five of them in all were

1125

00:51:59,450 --> 00:51:57,119

labeled by the way on the screen as afcs

1126
00:52:02,030 --> 00:51:59,460
and I heard someone make reference to

1127
00:52:05,210 --> 00:52:02,040
Alternative spacecraft the graph went

1128
00:52:09,049 --> 00:52:05,220
down into this grid into this Vortex

1129
00:52:15,490 --> 00:52:09,059
area and then dispersed and no one

1130
00:52:21,890 --> 00:52:19,370
presenting Cosmic journey and

1131
00:52:26,410 --> 00:52:21,900
experiential entertainment concept of

1132
00:52:33,049 --> 00:52:29,990
I've not since been contacted by anyone

1133
00:52:35,150 --> 00:52:33,059
associated with the cosmic Journey uh

1134
00:52:37,730 --> 00:52:35,160
there have been since the publication of

1135
00:52:40,010 --> 00:52:37,740
the book revealing the uh the project

1136
00:52:42,890 --> 00:52:40,020
itself there have been a number of

1137
00:52:45,530 --> 00:52:42,900
plausible denials by uh members

1138
00:52:48,410 --> 00:52:45,540

associated with the project and of

1139

00:52:51,829 --> 00:52:48,420

course categorical denials on anything

1140

00:52:53,900 --> 00:52:51,839

related to the uh more intrinsic alien

1141

00:52:56,030 --> 00:52:53,910

issues

1142

00:52:58,910 --> 00:52:56,040

[Music]

1143

00:53:01,069 --> 00:52:58,920

the only official UFO investigation that

1144

00:53:03,950 --> 00:53:01,079

the United States will admit to was

1145

00:53:07,790 --> 00:53:03,960

Project Blue Book it was set up by

1146

00:53:10,309 --> 00:53:07,800

President Truman in 1952 after a rash of

1147

00:53:12,470 --> 00:53:10,319

UFO sightings over sensitive military

1148

00:53:14,809 --> 00:53:12,480

areas

1149

00:53:17,990 --> 00:53:14,819

was it a genuine attempt to investigate

1150

00:53:20,510 --> 00:53:18,000

UFOs or just a smoke screen to keep an

1151
00:53:23,890 --> 00:53:20,520
increasingly anxious Congress and public

1152
00:53:27,650 --> 00:53:26,569
the public was told everything's under

1153
00:53:30,470 --> 00:53:27,660
control

1154
00:53:32,750 --> 00:53:30,480
sign Grudge blue book that is the

1155
00:53:34,849 --> 00:53:32,760
organization that's doing the UFO thing

1156
00:53:36,589 --> 00:53:34,859
we have access to the finest scientists

1157
00:53:38,930 --> 00:53:36,599
there was a whole bunch of malarkey that

1158
00:53:40,970 --> 00:53:38,940
went along with that

1159
00:53:43,430 --> 00:53:40,980
it was set up as a public information

1160
00:53:46,490 --> 00:53:43,440
office to answer the questions on the

1161
00:53:48,650 --> 00:53:46,500
UFO phenomena for the public and their

1162
00:53:50,329 --> 00:53:48,660
case information their files were sent

1163
00:53:53,210 --> 00:53:50,339

down from upstairs from where my office

1164

00:53:55,309 --> 00:53:53,220

lost my desk was usually cases that

1165

00:53:57,170 --> 00:53:55,319

could be explained away and those were

1166

00:53:59,930 --> 00:53:57,180

used as sample cases in dealing with the

1167

00:54:01,730 --> 00:53:59,940

public the anything classified above

1168

00:54:05,510 --> 00:54:01,740

confidential stayed upstairs and even

1169

00:54:10,569 --> 00:54:05,520

went higher and never got into the came

1170

00:54:14,210 --> 00:54:12,470

I don't think it was a genuine

1171

00:54:19,190 --> 00:54:14,220

investigation in that the really

1172

00:54:20,990 --> 00:54:19,200

sensitive reports were filtered out by a

1173

00:54:22,309 --> 00:54:21,000

more important group than Project Blue

1174

00:54:24,589 --> 00:54:22,319

Book

1175

00:54:26,569 --> 00:54:24,599

we have obtained copies of Project Blue

1176

00:54:29,569 --> 00:54:26,579

Book documents there are literally

1177

00:54:31,609 --> 00:54:29,579

hundreds of reports of UFO sightings and

1178

00:54:34,549 --> 00:54:31,619

eyewitness accounts from both civilians

1179

00:54:36,589 --> 00:54:34,559

and military personnel many that were

1180

00:54:39,170 --> 00:54:36,599

unexplainable

1181

00:54:41,450 --> 00:54:39,180

Project Blue Book is still some 40 years

1182

00:54:43,609 --> 00:54:41,460

later the most important body of

1183

00:54:46,010 --> 00:54:43,619

evidence admitted by the U.S authorities

1184

00:54:51,170 --> 00:54:46,020

that we have made contact with

1185

00:54:56,270 --> 00:54:53,390

the investigation was closed down

1186

00:54:59,329 --> 00:54:56,280

suddenly in 1969.

1187

00:55:01,250 --> 00:54:59,339

no reason was given

1188

00:55:03,470 --> 00:55:01,260

rulebook was the cover organization

1189

00:55:05,690 --> 00:55:03,480

that's the one you heard about as the

1190

00:55:07,670 --> 00:55:05,700

only one ever mentioned and as recently

1191

00:55:08,690 --> 00:55:07,680

as last year an Air Force letter to a

1192

00:55:10,609 --> 00:55:08,700

senator

1193

00:55:12,230 --> 00:55:10,619

said blue book was it and when we closed

1194

00:55:14,870 --> 00:55:12,240

it we got out of the business

1195

00:55:17,450 --> 00:55:14,880

in reality all these other groups

1196

00:55:20,690 --> 00:55:17,460

concerned with monitoring the skies

1197

00:55:23,510 --> 00:55:20,700

we're continuing to look at militarily

1198

00:55:26,210 --> 00:55:23,520

important cases a lifeless guy means

1199

00:55:27,290 --> 00:55:26,220

nothing but if one goes buzzing down the

1200

00:55:29,390 --> 00:55:27,300

runway

1201
00:55:31,609 --> 00:55:29,400
at a Strategic Air Command base where

1202
00:55:33,410 --> 00:55:31,619
nuclear weapons are stored which has

1203
00:55:36,049 --> 00:55:33,420
happened and we've got some records on

1204
00:55:39,290 --> 00:55:36,059
that of concern

1205
00:55:42,290 --> 00:55:39,300
we can say that the recent sightings are

1206
00:55:44,990 --> 00:55:42,300
in no way connected with any secret

1207
00:55:45,760 --> 00:55:45,000
development by any agency of the United

1208
00:55:55,069 --> 00:55:45,770
States

1209
00:55:58,670 --> 00:55:56,630
you can go and look through the Project

1210
00:56:00,069 --> 00:55:58,680
Blue Book records and find numerous

1211
00:56:02,329 --> 00:56:00,079
sightings which have been quote

1212
00:56:03,890 --> 00:56:02,339
explained and you go and look at the

1213
00:56:06,349 --> 00:56:03,900

explanation and you find the explanation

1214

00:56:08,450 --> 00:56:06,359

does not fit the description by the

1215

00:56:09,890 --> 00:56:08,460

witness or Witnesses that's evidence of

1216

00:56:12,290 --> 00:56:09,900

the Air Force was trying to get rid of

1217

00:56:14,150 --> 00:56:12,300

the problem by explaining it away at all

1218

00:56:16,670 --> 00:56:14,160

costs

1219

00:56:18,349 --> 00:56:16,680

the evidence seems to suggest that the

1220

00:56:21,530 --> 00:56:18,359

United States government is still

1221

00:56:25,010 --> 00:56:21,540

investigating UFOs the question is who's

1222

00:56:28,190 --> 00:56:25,020

in charge both the NSA FBI and the CIA

1223

00:56:30,290 --> 00:56:28,200

deny any responsibility because all

1224

00:56:32,950 --> 00:56:30,300

information regarding extraterrestrials

1225

00:56:35,630 --> 00:56:32,960

is handled as SCI sensitive

1226

00:56:37,490 --> 00:56:35,640

compartmentalized information even the

1227

00:56:39,890 --> 00:56:37,500

president of the United States in the

1228

00:56:43,150 --> 00:56:39,900

white house behind me may not know the

1229

00:56:47,510 --> 00:56:45,829

who's in charge is it the president is

1230

00:56:49,490 --> 00:56:47,520

at the Air Force

1231

00:56:52,790 --> 00:56:49,500

I'm convinced that we still have an

1232

00:56:54,670 --> 00:56:52,800

analog with Majestic 12. a group of

1233

00:56:57,290 --> 00:56:54,680

outstanding people

1234

00:56:59,450 --> 00:56:57,300

intelligence Community primarily and

1235

00:57:01,490 --> 00:56:59,460

some technological people

1236

00:57:03,410 --> 00:57:01,500

are running the show presidents come and

1237

00:57:03,770 --> 00:57:03,420

go the intelligence agencies go on

1238

00:57:06,410 --> 00:57:03,780

forever

1239

00:57:08,630 --> 00:57:06,420

[Music]

1240

00:57:10,309 --> 00:57:08,640

to the best of my knowledge there is no

1241

00:57:14,030 --> 00:57:10,319

official

1242

00:57:16,549 --> 00:57:14,040

UFO investigation unit

1243

00:57:18,950 --> 00:57:16,559

operated by the United States government

1244

00:57:20,690 --> 00:57:18,960

however unofficially the records show

1245

00:57:23,510 --> 00:57:20,700

that the defense intelligence agency

1246

00:57:26,870 --> 00:57:23,520

through its defense attache system has a

1247

00:57:29,450 --> 00:57:26,880

remit to report on UFO incidents

1248

00:57:32,450 --> 00:57:29,460

worldwide and that's easily approvable

1249

00:57:34,250 --> 00:57:32,460

despite the fact that the DIA maintains

1250

00:57:38,290 --> 00:57:34,260

they have no interest at all in the

1251

00:57:43,670 --> 00:57:41,329

I tried during my three-year Tour of

1252

00:57:45,829 --> 00:57:43,680

Duty to establish contact with an

1253

00:57:48,410 --> 00:57:45,839

opposite number in the United States I

1254

00:57:50,569 --> 00:57:48,420

made repeated attempts to do that but

1255

00:57:53,150 --> 00:57:50,579

consistently drew a blank I was told

1256

00:57:56,030 --> 00:57:53,160

that since Project Blue Book closed down

1257

00:58:03,349 --> 00:57:56,040

in 1969 there was no official interest

1258

00:58:07,250 --> 00:58:05,990

I didn't work for the US government I

1259

00:58:09,970 --> 00:58:07,260

worked for

1260

00:58:12,349 --> 00:58:09,980

a satellite government of

1261

00:58:14,809 --> 00:58:12,359

this country

1262

00:58:16,430 --> 00:58:14,819

as far as the Senate concerned I think

1263

00:58:19,130 --> 00:58:16,440

there was only one left and that was Bob

1264

00:58:21,650 --> 00:58:19,140

Dole and as far as the presidents are

1265

00:58:24,049 --> 00:58:21,660

concerned the only presidents that I

1266

00:58:27,530 --> 00:58:24,059

feel that I've met at the facilities

1267

00:58:28,690 --> 00:58:27,540

back in the 50s and 60s were Nixon and

1268

00:58:31,430 --> 00:58:28,700

Bush

1269

00:58:34,010 --> 00:58:31,440

we contacted former President George

1270

00:58:36,770 --> 00:58:34,020

Bush to ask him what he knew about the

1271

00:58:39,589 --> 00:58:36,780

existence of recovered alien craft and

1272

00:58:42,770 --> 00:58:39,599

the developments out at Area 51 we

1273

00:58:45,530 --> 00:58:42,780

received a fax response

1274

00:58:48,589 --> 00:58:45,540

unfortunately we are not able to provide

1275

00:58:51,289 --> 00:58:48,599

answers to the questions that you send

1276
00:58:53,690 --> 00:58:51,299
President Bush's policy of long-standing

1277
00:58:56,089 --> 00:58:53,700
is not to comment on or engage in

1278
00:59:01,789 --> 00:58:56,099
speculation about alleged classified

1279
00:59:06,710 --> 00:59:04,250
a close confidant of George Bush in a

1280
00:59:09,710 --> 00:59:06,720
man well acquainted with Area 51 was

1281
00:59:12,349 --> 00:59:09,720
Admiral Bob Inman his credentials are

1282
00:59:14,030 --> 00:59:12,359
impeccable he was director of both Naval

1283
00:59:17,329 --> 00:59:14,040
intelligence and the National Security

1284
00:59:19,990 --> 00:59:17,339
Agency as well as deputy director of the

1285
00:59:22,549 --> 00:59:20,000
defense intelligence agency and the CIA

1286
00:59:26,270 --> 00:59:22,559
in a telephone conversation with Bob

1287
00:59:30,130 --> 00:59:26,280
exler in 1989 he referred to recovered

1288
00:59:34,670 --> 00:59:30,140

Vehicles becoming available for research

1289

00:59:38,150 --> 00:59:34,680

do you uh anticipate that any of the

1290

00:59:41,150 --> 00:59:38,160

recovered Vehicles would ever be uh

1291

00:59:42,109 --> 00:59:41,160

become available for uh technological

1292

00:59:44,870 --> 00:59:42,119

research

1293

00:59:46,390 --> 00:59:44,880

outside of the military circles again I

1294

00:59:48,950 --> 00:59:46,400

honestly don't know

1295

00:59:51,650 --> 00:59:48,960

uh 10 years ago the answer would have

1296

00:59:53,450 --> 00:59:51,660

been uh whether his time has evolved

1297

00:59:56,930 --> 00:59:53,460

they're beginning to become more open on

1298

01:00:01,010 --> 00:59:56,940

it is a possibility he knew from an

1299

01:00:03,530 --> 01:00:01,020

official standpoint uh that these

1300

01:00:05,630 --> 01:00:03,540

vehicles these objects existed that they

1301

01:00:08,329 --> 01:00:05,640

were in military U.S military custody

1302

01:00:10,430 --> 01:00:08,339

and that there were scientific projects

1303

01:00:14,990 --> 01:00:10,440

associated with those

1304

01:00:19,549 --> 01:00:15,000

I believe it is the first uh Revelation

1305

01:00:21,470 --> 01:00:19,559

by anyone in a high enough uh level

1306

01:00:23,630 --> 01:00:21,480

capacity within the U.S government

1307

01:00:28,069 --> 01:00:23,640

especially within the intelligence

1308

01:00:30,770 --> 01:00:28,079

Community to in effect acknowledge that

1309

01:00:34,309 --> 01:00:30,780

we are indeed involved that UFOs are

1310

01:00:37,670 --> 01:00:34,319

real that they were developed by

1311

01:00:39,950 --> 01:00:37,680

non-human intelligence and that uh

1312

01:00:41,980 --> 01:00:39,960

somehow or another we have acquired

1313

01:00:44,510 --> 01:00:41,990

possession of that technology

1314

01:00:46,789 --> 01:00:44,520

[Music]

1315

01:00:50,390 --> 01:00:46,799

Inman does not say much there is no

1316

01:00:52,849 --> 01:00:50,400

reference there's no mention of UFOs

1317

01:00:55,490 --> 01:00:52,859

spacecraft anything like that

1318

01:00:58,549 --> 01:00:55,500

the conversation centers on recovered

1319

01:01:02,089 --> 01:00:58,559

Vehicles technology and so forth but

1320

01:01:05,630 --> 01:01:02,099

Admiral Inman was aware of the subject

1321

01:01:08,089 --> 01:01:05,640

matter and we know from his executive

1322

01:01:10,789 --> 01:01:08,099

assistant Tom King that there was to be

1323

01:01:12,289 --> 01:01:10,799

no public discussion of these matters

1324

01:01:14,990 --> 01:01:12,299

the matters that have been discussed

1325

01:01:17,329 --> 01:01:15,000

between exler and Inman because of

1326

01:01:21,349 --> 01:01:17,339

national secrecy laws

1327

01:01:25,450 --> 01:01:21,359

quote him or use his name uh in any

1328

01:01:28,370 --> 01:01:25,460

manner without his prior approval

1329

01:01:30,829 --> 01:01:28,380

Inman retired from government service in

1330

01:01:32,930 --> 01:01:30,839

1982 to become president of science

1331

01:01:35,289 --> 01:01:32,940

applications international corporation

1332

01:01:37,250 --> 01:01:35,299

of San Diego

1333

01:01:39,650 --> 01:01:37,260

interestingly one of the company's

1334

01:01:42,530 --> 01:01:39,660

primary areas of research is into

1335

01:01:44,510 --> 01:01:42,540

gravitational propulsion systems the

1336

01:01:47,210 --> 01:01:44,520

same method of propulsion of flying

1337

01:01:49,490 --> 01:01:47,220

discs that Bob Lazar worked on at Area

1338

01:01:52,130 --> 01:01:49,500

51

1339

01:01:55,549 --> 01:01:52,140

Jane's defense weekly uh the popular

1340

01:02:00,410 --> 01:01:55,559

military defense publication published

1341

01:02:03,109 --> 01:02:00,420

an article about saic and the PostScript

1342

01:02:05,870 --> 01:02:03,119

to the article that anyone who believes

1343

01:02:08,990 --> 01:02:05,880

in the science of anti-gravity to be too

1344

01:02:10,309 --> 01:02:09,000

Arcane too esoteric even for the U.S Air

1345

01:02:14,270 --> 01:02:10,319

Force should consider the electric

1346

01:02:16,250 --> 01:02:14,280

propulsion study undertaken by saic for

1347

01:02:18,230 --> 01:02:16,260

the astronautics laboratory which is now

1348

01:02:20,150 --> 01:02:18,240

part of the Phillips lab and studies

1349

01:02:22,430 --> 01:02:20,160

primary objective was to outline

1350

01:02:24,010 --> 01:02:22,440

physical methods to test theories of

1351

01:02:26,510 --> 01:02:24,020

inductive coupling between

1352

01:02:28,309 --> 01:02:26,520

electromagnetic and gravitational forces

1353

01:02:30,170 --> 01:02:28,319

to determine the feasibility of such

1354

01:02:33,049 --> 01:02:30,180

methods as they apply to space

1355

01:02:35,030 --> 01:02:33,059

propulsion and in simplified terms and

1356

01:02:37,309 --> 01:02:35,040

anti-gravity propulsion system it

1357

01:02:40,069 --> 01:02:37,319

remains for some the ultimate Quantum

1358

01:02:45,530 --> 01:02:43,430

well it's possible one because I saw the

1359

01:02:48,710 --> 01:02:45,540

equipment that would do it and two it is

1360

01:02:49,730 --> 01:02:48,720

theory that would work gravity distorts

1361

01:02:51,770 --> 01:02:49,740

time

1362

01:02:55,490 --> 01:02:51,780

like I said that's not a theory we know

1363

01:02:57,710 --> 01:02:55,500

that to be true and if you're bending

1364

01:03:00,170 --> 01:02:57,720

space and time along with it when you

1365

01:03:03,130 --> 01:03:00,180

wind back up in that place you're there

1366

01:03:07,730 --> 01:03:03,140

between the fix of the clock

1367

01:03:10,190 --> 01:03:07,740

[Music]

1368

01:03:13,069 --> 01:03:10,200

we called Admiral Inman to find out what

1369

01:03:15,049 --> 01:03:13,079

he knows about Area 51 and why his

1370

01:03:17,569 --> 01:03:15,059

company is developing this gravity

1371

01:03:20,750 --> 01:03:17,579

propulsion system let me get right to

1372

01:03:24,289 --> 01:03:20,760

the point that you're after yep I had

1373

01:03:25,430 --> 01:03:24,299

occasion in several different jobs

1374

01:03:27,950 --> 01:03:25,440

to

1375

01:03:29,450 --> 01:03:27,960

ask the question was there any credible

1376

01:03:31,730 --> 01:03:29,460

evidence

1377

01:03:33,410 --> 01:03:31,740

when I was the vice director at the

1378

01:03:35,210 --> 01:03:33,420

defense intelligence agency the National

1379

01:03:38,210 --> 01:03:35,220

Security Agency the Central Intelligence

1380

01:03:42,109 --> 01:03:38,220

Agency I inquired at each of the three

1381

01:03:44,390 --> 01:03:42,119

places uh at different times do you have

1382

01:03:48,230 --> 01:03:44,400

any credible evidence

1383

01:03:53,450 --> 01:03:48,240

that would support the existence of UFO

1384

01:03:55,430 --> 01:03:53,460

or you know and the answer was always no

1385

01:03:56,510 --> 01:03:55,440

Jane's wrote an article in which it

1386

01:03:59,150 --> 01:03:56,520

mentions science applications

1387

01:04:00,829 --> 01:03:59,160

International and it referred to some of

1388

01:04:02,930 --> 01:04:00,839

the development it was working on as the

1389

01:04:05,569 --> 01:04:02,940

ultimate Quantum Leap exotic shall we

1390

01:04:07,430 --> 01:04:05,579

say gravity propulsion systems what

1391

01:04:10,730 --> 01:04:07,440

exactly are those and what are they used

1392

01:04:16,040 --> 01:04:13,609

I'm pausing because I want to make sure

1393

01:04:17,210 --> 01:04:16,050

I don't overstate the case right

1394

01:04:20,030 --> 01:04:17,220

[Music]

1395

01:04:23,030 --> 01:04:20,040

we're on a little sensitive ground here

1396

01:04:24,530 --> 01:04:23,040

there have been over the years

1397

01:04:30,710 --> 01:04:24,540

uh

1398

01:04:32,089 --> 01:04:30,720

allegations of activity out in Nevada 15

1399

01:04:34,670 --> 01:04:32,099

years ago

1400

01:04:36,349 --> 01:04:34,680

uh could well have been reflection of

1401

01:04:39,530 --> 01:04:36,359

the Prototype testing of some of the

1402

01:04:42,829 --> 01:04:39,540

stealth Vehicles some are clearly

1403

01:04:45,289 --> 01:04:42,839

scientific phenomena some of it again

1404

01:04:48,049 --> 01:04:45,299

will be so something as simple as

1405

01:04:50,150 --> 01:04:48,059

weather balloons right that break loose

1406

01:04:54,170 --> 01:04:50,160

they get lost and go drifting

1407

01:04:57,410 --> 01:04:54,180

but there probably is some of it that is

1408

01:05:00,230 --> 01:04:57,420

directly related to testing of late 20th

1409

01:05:02,750 --> 01:05:00,240

century early 21st century military

1410

01:05:04,609 --> 01:05:02,760

technology related partly to

1411

01:05:07,480 --> 01:05:04,619

reconnaissance in some cases and others

1412

01:05:07,750 --> 01:05:07,490

to you know attack aircraft

1413

01:05:27,049 --> 01:05:07,760

[Applause]

1414

01:05:31,549 --> 01:05:29,750

this is the Nellis Air Force Base one of

1415

01:05:34,370 --> 01:05:31,559

the top military installations in

1416

01:05:36,829 --> 01:05:34,380

America it's split into four main areas

1417

01:05:39,349 --> 01:05:36,839

the tone apart and Nevada test sites

1418

01:05:41,690 --> 01:05:39,359

were America's top secret nuclear tests

1419

01:05:43,910 --> 01:05:41,700

take place as well as the Nellis bombing

1420

01:05:46,490 --> 01:05:43,920

range with the latest Jets and bombers

1421

01:05:49,130 --> 01:05:46,500

are put through their Paces it's also

1422

01:05:51,109 --> 01:05:49,140

home through Area 51 so if there are

1423

01:05:53,270 --> 01:05:51,119

flying sources being tested over the

1424

01:05:56,230 --> 01:05:53,280

desert then the Personnel at Nellis

1425

01:05:59,210 --> 01:05:56,240

definitely know about it

1426

01:06:01,730 --> 01:05:59,220

we were contacted by a former radar

1427

01:06:04,069 --> 01:06:01,740

operator at Nellis who confirmed that

1428

01:06:07,450 --> 01:06:04,079

she had witnessed a classified flying

1429

01:06:11,030 --> 01:06:07,460

disc test out in the test range

1430

01:06:12,770 --> 01:06:11,040

she left the Air Force in 1985 and is

1431

01:06:14,210 --> 01:06:12,780

too frightened to reveal her true

1432

01:06:16,549 --> 01:06:14,220

identity

1433

01:06:20,569 --> 01:06:16,559

the flying this test took place at night

1434

01:06:23,809 --> 01:06:20,579

in the desert a few miles from the base

1435

01:06:26,750 --> 01:06:23,819

I was at that moment standing on the

1436

01:06:30,109 --> 01:06:26,760

deck of the radar van it was night time

1437

01:06:32,170 --> 01:06:30,119

and I was looking up in the sky because

1438

01:06:35,750 --> 01:06:32,180

there were saucers up there

1439

01:06:37,609 --> 01:06:35,760

were 10 to 15 saucers and they were

1440

01:06:40,670 --> 01:06:37,619

glowing orange on the bottom the one

1441

01:06:44,750 --> 01:06:40,680

that was closest to me I could see in

1442

01:06:49,430 --> 01:06:46,910

I was standing with a group of people of

1443

01:06:51,529 --> 01:06:49,440

whom I did not know any of them and they

1444

01:06:53,809 --> 01:06:51,539

did not appear to know each other

1445

01:06:55,130 --> 01:06:53,819

so it seemed like we were all very

1446

01:06:59,450 --> 01:06:55,140

isolated

1447

01:07:04,130 --> 01:07:01,970

it was very frightening because what

1448

01:07:07,549 --> 01:07:04,140

you're what I was seeing

1449

01:07:09,349 --> 01:07:07,559

was definitely something that was very

1450

01:07:12,470 --> 01:07:09,359

highly classified

1451

01:07:15,049 --> 01:07:12,480

and there was a couple of people talking

1452

01:07:17,809 --> 01:07:15,059

inside the radar band who I assumed were

1453

01:07:19,670 --> 01:07:17,819

officers but no one was wearing any rank

1454

01:07:21,190 --> 01:07:19,680

insignia and no one was wearing any name

1455

01:07:24,410 --> 01:07:21,200

tags

1456

01:07:26,230 --> 01:07:24,420

the Maneuvers that they executed were

1457

01:07:29,390 --> 01:07:26,240

very sophisticated

1458

01:07:32,510 --> 01:07:29,400

so my guess is that they were being

1459

01:07:39,670 --> 01:07:32,520

piloted by aliens who knew exactly what

1460

01:07:46,370 --> 01:07:42,470

as part of the test she was taken to

1461

01:07:49,069 --> 01:07:46,380

what she believes was area 51.

1462

01:07:51,890 --> 01:07:49,079

we were taken to a medical facility that

1463

01:07:54,470 --> 01:07:51,900

was very sophisticated

1464

01:07:57,230 --> 01:07:54,480

someone came and took me into an

1465

01:08:00,470 --> 01:07:57,240

examining room and they had me lay down

1466

01:08:03,049 --> 01:08:00,480

on a stainless steel table

1467

01:08:04,970 --> 01:08:03,059

someone came in through the door walked

1468

01:08:07,910 --> 01:08:04,980

around the table up beside the right

1469

01:08:10,849 --> 01:08:07,920

side of my head saying in a real deadpan

1470

01:08:13,130 --> 01:08:10,859

monotone voice stay calm stay calm stay

1471

01:08:15,109 --> 01:08:13,140

calm when he got up by the side of my

1472

01:08:17,450 --> 01:08:15,119

head he had had a hypodermic needle

1473

01:08:19,249 --> 01:08:17,460

hidden in his hand he brought it up and

1474

01:08:21,349 --> 01:08:19,259

it went straight into my the right side

1475

01:08:26,689 --> 01:08:21,359

of my neck and whatever chemical it was

1476

01:08:30,709 --> 01:08:29,390

over 10 years come forward with this

1477

01:08:33,769 --> 01:08:30,719

information

1478

01:08:35,890 --> 01:08:33,779

it has been very difficult to talk about

1479

01:08:38,450 --> 01:08:35,900

this it's almost like

1480

01:08:39,769 --> 01:08:38,460

every time I relate the story it's a

1481

01:08:41,209 --> 01:08:39,779

little easier but when I first started

1482

01:08:43,370 --> 01:08:41,219

talking about it it was like my mouth

1483

01:08:44,749 --> 01:08:43,380

didn't even want to form the words and

1484

01:08:46,329 --> 01:08:44,759

the sound didn't even want to come out

1485

01:08:49,970 --> 01:08:46,339

of my throat

1486

01:08:51,349 --> 01:08:49,980

so I can only guess from that that there

1487

01:08:53,689 --> 01:08:51,359

was a very strong

1488

01:08:55,849 --> 01:08:53,699

suggestion given to me not to talk about

1489

01:08:57,650 --> 01:08:55,859

this not to remember it and if I did

1490

01:08:58,669 --> 01:08:57,660

remember it not to ever talk about it to

1491

01:09:04,559 --> 01:08:58,679

anyone

1492

01:09:13,130 --> 01:09:10,450

[Music]

1493

01:09:15,650 --> 01:09:13,140

as recently as 10 years ago this

1494

01:09:17,809 --> 01:09:15,660

Lockheed a12 which flew out of Groom

1495

01:09:19,610 --> 01:09:17,819

Lake was still one of the U.S Air

1496

01:09:22,610 --> 01:09:19,620

Force's most top secret military

1497

01:09:24,650 --> 01:09:22,620

aircraft if he'd seen it in the skies at

1498

01:09:28,010 --> 01:09:24,660

night you may be forgiven for thinking

1499

01:09:30,169 --> 01:09:28,020

you just seen a UFO so how many of the

1500

01:09:32,570 --> 01:09:30,179

hundreds of thousands of UFO sightings

1501
01:09:34,910 --> 01:09:32,580
every year are nothing more than

1502
01:09:37,729 --> 01:09:34,920
military aircraft and is the great

1503
01:09:42,730 --> 01:09:37,739
secret of Groom Lake just the 21st

1504
01:09:47,570 --> 01:09:45,289
[Music]

1505
01:09:50,269 --> 01:09:47,580
the original test pilot was lose shock

1506
01:09:52,729 --> 01:09:50,279
the first time he saw it I mean he he

1507
01:09:53,930 --> 01:09:52,739
rubbed his eyes he turned around walked

1508
01:09:55,550 --> 01:09:53,940
back out of the production hangers

1509
01:09:56,870 --> 01:09:55,560
Lockheed and walked back in because he

1510
01:09:58,130 --> 01:09:56,880
did not believe his eyes you know

1511
01:10:01,550 --> 01:09:58,140
initially they were going to call it EI

1512
01:10:04,310 --> 01:10:01,560
Salvador instead of cygnus uh for the

1513
01:10:06,650 --> 01:10:04,320

simple reason in Spanish that means the

1514

01:10:08,630 --> 01:10:06,660

Savior or Jesus Christ like everybody

1515

01:10:10,729 --> 01:10:08,640

everybody who saw the airplane could not

1516

01:10:12,310 --> 01:10:10,739

believe what they were seeing it was a

1517

01:10:15,950 --> 01:10:12,320

Buck Rogers airplane

1518

01:10:19,130 --> 01:10:15,960

this airplane was built designed almost

1519

01:10:21,530 --> 01:10:19,140

40 years ago 40 years before that the

1520

01:10:25,430 --> 01:10:21,540

hottest thing flying was a seversky p-35

1521

01:10:28,010 --> 01:10:25,440

40 years before that it was a balloon

1522

01:10:29,930 --> 01:10:28,020

so the technology technology has not

1523

01:10:32,649 --> 01:10:29,940

Stood Still so it's a very good

1524

01:10:35,149 --> 01:10:32,659

possibility that we are looking at

1525

01:10:38,209 --> 01:10:35,159

man-made transportation for the 21st

1526

01:10:44,450 --> 01:10:41,390

the United States Air Force Alone

1527

01:10:47,570 --> 01:10:44,460

um in 1997 according to the latest

1528

01:10:50,990 --> 01:10:47,580

budget request will spend more than 11

1529

01:10:55,130 --> 01:10:51,000

billion dollars on Research development

1530

01:10:57,070 --> 01:10:55,140

and production of Secret Weapons Systems

1531

01:10:59,750 --> 01:10:57,080

of one kind or another that's

1532

01:11:02,149 --> 01:10:59,760

considerably more than

1533

01:11:04,189 --> 01:11:02,159

the entire research and production

1534

01:11:06,830 --> 01:11:04,199

expenditure of any other military in the

1535

01:11:13,250 --> 01:11:10,669

I am very distressed that the Black

1536

01:11:16,310 --> 01:11:13,260

Project teams are operating without

1537

01:11:18,410 --> 01:11:16,320

oversight from official committees from

1538

01:11:21,290 --> 01:11:18,420

Congress if you will from public

1539

01:11:22,970 --> 01:11:21,300

oversight with black budgets that no one

1540

01:11:26,030 --> 01:11:22,980

knows where it's going or what it's

1541

01:11:28,970 --> 01:11:26,040

being used for I find that exceedingly

1542

01:11:32,830 --> 01:11:28,980

distressing frightening the ultimate big

1543

01:11:37,790 --> 01:11:35,990

I think the a good part of the reason

1544

01:11:40,189 --> 01:11:37,800

for keeping everything classified is

1545

01:11:42,770 --> 01:11:40,199

because this is an awesome weapon now

1546

01:11:44,270 --> 01:11:42,780

you think the amount of energy that this

1547

01:11:46,189 --> 01:11:44,280

system can put out

1548

01:11:48,890 --> 01:11:46,199

weapon system if you want to look at it

1549

01:11:51,229 --> 01:11:48,900

as that and it obviously has some weapon

1550

01:11:52,729 --> 01:11:51,239

potential just think about being able to

1551

01:11:54,790 --> 01:11:52,739

deploy something like that virtually

1552

01:11:56,870 --> 01:11:54,800

instantaneously anywhere in the world

1553

01:11:58,430 --> 01:11:56,880

you know you have a conflict in the

1554

01:11:59,990 --> 01:11:58,440

Middle East how long does it take you to

1555

01:12:01,790 --> 01:12:00,000

get an aircraft carry over there well it

1556

01:12:04,610 --> 01:12:01,800

takes a long time here's an awesome

1557

01:12:07,430 --> 01:12:04,620

weapon power that flies that can move

1558

01:12:09,290 --> 01:12:07,440

somewhere virtually instantaneously and

1559

01:12:10,870 --> 01:12:09,300

you know pound an enemy virtually into

1560

01:12:13,130 --> 01:12:10,880

dust

1561

01:12:15,229 --> 01:12:13,140

yeah that's something to keep awfully

1562

01:12:16,669 --> 01:12:15,239

Secret at it you know at any price

1563

01:12:21,830 --> 01:12:16,679

because that's something you can almost

1564

01:12:28,189 --> 01:12:24,770

I'm convinced that human beings are

1565

01:12:32,030 --> 01:12:28,199

building disc shaped craft in fact it

1566

01:12:34,189 --> 01:12:32,040

was reported that by 1960 the U.S

1567

01:12:36,950 --> 01:12:34,199

military had already developed a disc

1568

01:12:39,709 --> 01:12:36,960

that could operate silently

1569

01:12:42,530 --> 01:12:39,719

man-made flying sources are indeed real

1570

01:12:46,010 --> 01:12:42,540

this is the Avro car which was launched

1571

01:12:48,830 --> 01:12:46,020

in total secrecy in 1955 less than 10

1572

01:12:52,189 --> 01:12:48,840

years after alien sources were allegedly

1573

01:12:55,669 --> 01:12:52,199

recovered from Roswell New Mexico a CIA

1574

01:12:58,070 --> 01:12:55,679

memorandum in 1955 stated that the Avro

1575

01:13:01,669 --> 01:12:58,080

car was based on Research developed by

1576

01:13:03,649 --> 01:13:01,679

German scientists in World War II we

1577

01:13:06,470 --> 01:13:03,659

have obtained the only film ever taken

1578

01:13:10,370 --> 01:13:06,480

of the first top secret test flights in

1579

01:13:12,770 --> 01:13:10,380

Canada in 1960. why was the military

1580

01:13:15,649 --> 01:13:12,780

test flying saucer-shaped flying craft

1581

01:13:18,410 --> 01:13:15,659

in the 1950s when Project Blue Book

1582

01:13:20,689 --> 01:13:18,420

denied they existed was it a cover to

1583

01:13:23,149 --> 01:13:20,699

hide the real alien sources being tested

1584

01:13:25,910 --> 01:13:23,159

out at area 51.

1585

01:13:27,890 --> 01:13:25,920

like Project Blue Book the Avro car was

1586

01:13:30,590 --> 01:13:27,900

scrapped suddenly in the late 60s after

1587

01:13:32,020 --> 01:13:30,600

millions of dollars were spent no reason

1588

01:13:34,630 --> 01:13:32,030

was given

1589

01:13:37,669 --> 01:13:34,640

[Music]

1590

01:13:40,310 --> 01:13:37,679

more recently the Lockheed Skunk Works

1591

01:13:42,770 --> 01:13:40,320

in Palmdale California unveiled project

1592

01:13:44,630 --> 01:13:42,780

Dark Star an unmanned aerial

1593

01:13:47,810 --> 01:13:44,640

reconnaissance vehicle

1594

01:13:50,630 --> 01:13:47,820

seen in hangars or in the skies it is a

1595

01:13:52,490 --> 01:13:50,640

UFO I think it's time that you get a

1596

01:13:54,649 --> 01:13:52,500

look at the newest Star in the world of

1597

01:13:59,149 --> 01:13:54,659

Airborne reconnaissance ladies and

1598

01:13:59,159 --> 01:14:06,770

foreign

1599

01:14:12,709 --> 01:14:08,990

Dark Star is a very unusual looking

1600

01:14:15,050 --> 01:14:12,719

aircraft it has a saucer-shaped body and

1601
01:14:17,450 --> 01:14:15,060
a pair of very long slender Wings

1602
01:14:20,330 --> 01:14:17,460
attached to the back like many stealth

1603
01:14:22,550 --> 01:14:20,340
aircraft including the B2 its appearance

1604
01:14:25,310 --> 01:14:22,560
varies drastically according to what

1605
01:14:27,770 --> 01:14:25,320
angle he's here from if for example you

1606
01:14:29,689 --> 01:14:27,780
see the aircraft kind of edgeways on you

1607
01:14:33,050 --> 01:14:29,699
might well think that this was something

1608
01:14:36,530 --> 01:14:33,060
totally foreign totally unlike any

1609
01:14:38,209 --> 01:14:36,540
conventional aircraft and certainly much

1610
01:14:40,910 --> 01:14:38,219
more like what people have described as

1611
01:14:42,950 --> 01:14:40,920
flying saucers I think it's quite

1612
01:14:44,689 --> 01:14:42,960
possible that some of the things that

1613
01:14:47,770 --> 01:14:44,699

are being developed in the United States

1614

01:14:51,110 --> 01:14:47,780

today are of such a revolutionary nature

1615

01:14:52,790 --> 01:14:51,120

and still very secret that when they are

1616

01:14:54,169 --> 01:14:52,800

seen from time to time as things

1617

01:14:56,990 --> 01:14:54,179

inevitably do get seen when they're

1618

01:14:59,450 --> 01:14:57,000

tested that they could be mistaken for

1619

01:15:01,450 --> 01:14:59,460

what people think are are UFOs

1620

01:15:04,130 --> 01:15:01,460

[Music]

1621

01:15:06,110 --> 01:15:04,140

at any given time of course the

1622

01:15:08,090 --> 01:15:06,120

technology that we have is five or ten

1623

01:15:10,669 --> 01:15:08,100

years more advanced than the technology

1624

01:15:13,430 --> 01:15:10,679

that is on public display but these

1625

01:15:15,350 --> 01:15:13,440

sorts of things do not fly over the

1626

01:15:18,770 --> 01:15:15,360

heads of bewildered members of the

1627

01:15:21,350 --> 01:15:18,780

public they fly exclusively in very

1628

01:15:23,090 --> 01:15:21,360

clearly defined ranges and danger areas

1629

01:15:27,169 --> 01:15:23,100

so the sorts of things that have been

1630

01:15:30,950 --> 01:15:27,179

reported as UFOs will not be ours

1631

01:15:33,590 --> 01:15:30,960

in September of 1947 the Air Force wrote

1632

01:15:36,110 --> 01:15:33,600

to J Edgar Hoover a letter saying we

1633

01:15:37,430 --> 01:15:36,120

checked all of our research projects Etc

1634

01:15:38,689 --> 01:15:37,440

you know this would be not just the Air

1635

01:15:39,830 --> 01:15:38,699

Force but the Navy and the Army

1636

01:15:41,390 --> 01:15:39,840

everybody

1637

01:15:43,669 --> 01:15:41,400

and we have nothing

1638

01:15:44,810 --> 01:15:43,679

that could create these flying disc

1639

01:15:47,090 --> 01:15:44,820

sightings

1640

01:15:48,410 --> 01:15:47,100

big UFO convention came to an end in Las

1641

01:15:49,790 --> 01:15:48,420

Vegas last night and afterwards

1642

01:15:52,729 --> 01:15:49,800

naturally some of the members went out

1643

01:15:54,290 --> 01:15:52,739

in the desert to search for UFOs a news

1644

01:15:55,790 --> 01:15:54,300

crew went along too and sure enough it

1645

01:15:58,130 --> 01:15:55,800

wasn't long before a mysterious

1646

01:15:59,930 --> 01:15:58,140

unidentified object appeared not too

1647

01:16:01,669 --> 01:15:59,940

surprising somewhere up there you see it

1648

01:16:04,010 --> 01:16:01,679

because this patch of desert is right

1649

01:16:05,750 --> 01:16:04,020

near a military test site this looked

1650

01:16:10,790 --> 01:16:05,760

like no aircraft lights that any of

1651

01:16:14,630 --> 01:16:12,830

was it a bird was it a plane was it the

1652

01:16:16,550 --> 01:16:14,640

Aurora the secret plane we don't know

1653

01:16:19,690 --> 01:16:16,560

more to come I'm sure on the Air Force

1654

01:16:21,320 --> 01:16:19,700

it's not saying anything as usual

1655

01:16:30,360 --> 01:16:21,330

[Applause]

1656

01:16:39,709 --> 01:16:36,229

[Music]

1657

01:16:41,990 --> 01:16:39,719

if UFOs are man-made craft how do you

1658

01:16:45,590 --> 01:16:42,000

explain the tens of thousands of cases

1659

01:16:48,770 --> 01:16:45,600

of reported alien abductions every year

1660

01:16:51,470 --> 01:16:48,780

in 1975 seven loggers were heading home

1661

01:16:54,229 --> 01:16:51,480

after a day in the forest to Show Low

1662

01:16:56,689 --> 01:16:54,239

Arizona and came across a bright light

1663

01:16:58,729 --> 01:16:56,699

in the trees in the distance driving

1664

01:17:00,770 --> 01:16:58,739

closer they could clearly make out the

1665

01:17:03,350 --> 01:17:00,780

shape of a flying saucer which was

1666

01:17:05,750 --> 01:17:03,360

lighting up the forest around them Mike

1667

01:17:11,000 --> 01:17:05,760

Rogers and Travis Walton were in the

1668

01:17:15,950 --> 01:17:12,290

[Music]

1669

01:17:17,990 --> 01:17:15,960

so I had lighted spots on it and and was

1670

01:17:19,390 --> 01:17:18,000

basically metallic had a metallic

1671

01:17:22,070 --> 01:17:19,400

framework

1672

01:17:23,950 --> 01:17:22,080

my first feeling was that it looked

1673

01:17:26,630 --> 01:17:23,960

rather beautiful

1674

01:17:28,310 --> 01:17:26,640

but at that time it wasn't making any

1675

01:17:32,370 --> 01:17:28,320

noise and it wasn't moving it was just

1676

01:17:36,290 --> 01:17:32,380

quietly perched there in the air

1677

01:17:36,300 --> 01:17:39,130

God

1678

01:17:44,570 --> 01:17:41,689

when it started to move the sound got

1679

01:17:46,250 --> 01:17:44,580

real powerful and I I jumped for cover

1680

01:17:47,450 --> 01:17:46,260

and I got down behind this log and the

1681

01:17:48,709 --> 01:17:47,460

guys were going to get away from there

1682

01:17:51,530 --> 01:17:48,719

and they're swearing and everything and

1683

01:17:53,149 --> 01:17:51,540

I was you know pretty scared myself and

1684

01:17:56,209 --> 01:17:53,159

I made up my mind to make a run for it

1685

01:17:58,970 --> 01:17:56,219

and when I raised up Wham something hit

1686

01:18:02,930 --> 01:18:01,130

a beam of energy a bolts of lightning

1687

01:18:04,490 --> 01:18:02,940

but it wasn't like lightning it was like

1688

01:18:06,110 --> 01:18:04,500

straight sided like I'd like a

1689

01:18:07,790 --> 01:18:06,120

deliberate beam of energy but it was so

1690

01:18:09,470 --> 01:18:07,800

powerful it created like an explosion

1691

01:18:11,810 --> 01:18:09,480

that lifted him off his feet and blamed

1692

01:18:15,169 --> 01:18:11,820

backwards and here's Travis flying back

1693

01:18:16,550 --> 01:18:15,179

through the air uh just he landed some

1694

01:18:18,229 --> 01:18:16,560

distance from where he'd been standing

1695

01:18:19,430 --> 01:18:18,239

landed flat on his back and as he's

1696

01:18:21,770 --> 01:18:19,440

going through the air his arms

1697

01:18:23,510 --> 01:18:21,780

outstretched he he looked lifeless at

1698

01:18:25,490 --> 01:18:23,520

the time like the concussion of it had

1699

01:18:29,470 --> 01:18:25,500

already killed him or knocked him out or

1700

01:18:29,480 --> 01:18:35,330

thank you

1701

01:18:38,510 --> 01:18:37,189

well now I could hear the sounds of

1702

01:18:41,510 --> 01:18:38,520

movement around me

1703

01:18:43,550 --> 01:18:41,520

and I uh I had trouble focusing my eyes

1704

01:18:45,649 --> 01:18:43,560

at first I saw there was a light above

1705

01:18:48,110 --> 01:18:45,659

me and the ceiling was very close I

1706

01:18:50,169 --> 01:18:48,120

could feel I was laying on top of some

1707

01:18:52,189 --> 01:18:50,179

hard raised surface

1708

01:18:55,130 --> 01:18:52,199

but when I finally got where I could

1709

01:18:57,229 --> 01:18:55,140

focus my eyes and I and I saw these

1710

01:18:59,209 --> 01:18:57,239

creatures standing over me I just

1711

01:19:04,070 --> 01:18:59,219

flipped out I just instantly became

1712

01:19:08,990 --> 01:19:06,050

oh

1713

01:19:11,090 --> 01:19:09,000

that was definitely not in the hospital

1714

01:19:12,530 --> 01:19:11,100

and can you describe what these aliens

1715

01:19:16,189 --> 01:19:12,540

look like

1716

01:19:19,310 --> 01:19:16,199

well they were basically humanoid you

1717

01:19:23,209 --> 01:19:19,320

know two arms two legs like that but um

1718

01:19:26,870 --> 01:19:23,219

they um they had very large heads

1719

01:19:28,189 --> 01:19:26,880

um hair no hair huge eyes

1720

01:19:32,090 --> 01:19:28,199

sort of a

1721

01:19:35,390 --> 01:19:32,100

pale uh grayish white skin

1722

01:19:38,330 --> 01:19:35,400

and they were wearing uh coveralls of

1723

01:19:40,370 --> 01:19:38,340

kind of a brownish coverall after

1724

01:19:43,010 --> 01:19:40,380

spending what Travis remembers to Be an

1725

01:19:45,410 --> 01:19:43,020

Arrow to inside the craft the aliens put

1726

01:19:47,209 --> 01:19:45,420

a mask over his face and he awoke in the

1727

01:19:52,310 --> 01:19:47,219

middle of the road with the craft above

1728

01:19:56,930 --> 01:19:55,550

what do you say to people who say you

1729

01:19:59,209 --> 01:19:56,940

know these seven loggers in the woods

1730

01:20:03,050 --> 01:19:59,219

just made this whole story up

1731

01:20:04,610 --> 01:20:03,060

I mean you know seven people are seeing

1732

01:20:06,890 --> 01:20:04,620

the same thing they stick by their

1733

01:20:08,750 --> 01:20:06,900

stories for for over two decades you

1734

01:20:10,669 --> 01:20:08,760

know ever all of us have taken polygraph

1735

01:20:16,750 --> 01:20:10,679

tests every Theory the Skeptics come up

1736

01:20:22,310 --> 01:20:19,790

well I spent a day with Travis and Mike

1737

01:20:26,149 --> 01:20:24,470

he passed the lie detector test their

1738

01:20:28,430 --> 01:20:26,159

story is consistent there were five

1739

01:20:31,910 --> 01:20:28,440

other people there after all who saw

1740

01:20:34,550 --> 01:20:31,920

part of these events unfold it also

1741

01:20:37,310 --> 01:20:34,560

passed the lie detector test uh his

1742

01:20:39,410 --> 01:20:37,320

story is consistent it's never changed

1743

01:20:41,689 --> 01:20:39,420

in a court of law that would make the

1744

01:20:44,090 --> 01:20:41,699

case

1745

01:20:54,370 --> 01:20:44,100

I found his story of profoundly

1746

01:21:01,310 --> 01:20:58,370

[Music]

1747

01:21:04,430 --> 01:21:01,320

this is The Saratov Air Base 200 miles

1748

01:21:07,430 --> 01:21:04,440

outside Moscow Behind These barbed wire

1749

01:21:10,610 --> 01:21:07,440

fences is the Russian equivalent to area

1750

01:21:12,590 --> 01:21:10,620

51. if you thought only the U.S

1751

01:21:15,229 --> 01:21:12,600

government had flying disc technology

1752

01:21:16,790 --> 01:21:15,239

then you'd be wrong the Russians have

1753

01:21:19,370 --> 01:21:16,800

been working on a secret project

1754

01:21:22,729 --> 01:21:19,380

codename tari Elka since the second

1755

01:21:25,430 --> 01:21:22,739

world war security here is unprecedented

1756

01:21:29,229 --> 01:21:25,440

and this perimeter fence is as close as

1757

01:21:32,270 --> 01:21:29,239

we've been able to get to the base

1758

01:21:34,790 --> 01:21:32,280

we did secure some footage of the flying

1759

01:21:36,950 --> 01:21:34,800

disc in the hangar the code name for the

1760

01:21:40,850 --> 01:21:36,960

project is a keep and it has been

1761

01:21:45,229 --> 01:21:43,130

we asked the scientist in charge of the

1762

01:21:47,810 --> 01:21:45,239

project what propulsion system the craft

1763

01:21:52,130 --> 01:21:47,820

uses but he would not divulge what he

1764

01:21:56,270 --> 01:21:54,770

what is clear is that tari Elka is aimed

1765

01:21:58,910 --> 01:21:56,280

at the commercial Market not the

1766

01:22:01,130 --> 01:21:58,920

military the Russian Engineers here at

1767

01:22:07,310 --> 01:22:01,140

Saratov see this as an alternative to

1768

01:22:11,930 --> 01:22:08,930

where the production and design

1769

01:22:14,390 --> 01:22:11,940

expertise came to build the terrioca no

1770

01:22:16,729 --> 01:22:14,400

one is saying but surely it's more than

1771

01:22:20,209 --> 01:22:16,739

just a coincidence that the base here at

1772

01:22:23,630 --> 01:22:20,219

Saratov is so similar to Area 51 both in

1773

01:22:26,270 --> 01:22:23,640

location and security and as in the U.S

1774

01:22:29,390 --> 01:22:26,280

the tari Elka project was started in the

1775

01:22:32,570 --> 01:22:29,400

1940s just after the alleged saucer

1776

01:22:34,130 --> 01:22:32,580

crash in Roswell New Mexico I'm pretty

1777

01:22:36,410 --> 01:22:34,140

sure that the Russians have those crafts

1778

01:22:38,330 --> 01:22:36,420

we were told directly by a leading

1779

01:22:40,250 --> 01:22:38,340

Russian scientist who had worked

1780

01:22:43,130 --> 01:22:40,260

Hands-On worked on these things that

1781

01:22:45,530 --> 01:22:43,140

both the United States and the USSR had

1782

01:22:47,570 --> 01:22:45,540

had acquired information from captured

1783

01:22:49,910 --> 01:22:47,580

Nazi scientists and had built Craft Like

1784

01:22:51,709 --> 01:22:49,920

These they knew that we had them we knew

1785

01:22:53,689 --> 01:22:51,719

that they had them

1786

01:22:56,510 --> 01:22:53,699

the story I got from the Russians before

1787

01:22:57,649 --> 01:22:56,520

is that these same scientists who felt

1788

01:23:00,770 --> 01:22:57,659

that there was an alien connection

1789

01:23:02,330 --> 01:23:00,780

Stalin himself I was told believed in

1790

01:23:04,490 --> 01:23:02,340

this alien connection that these things

1791

01:23:06,169 --> 01:23:04,500

came from somewhere else now I think

1792

01:23:07,669 --> 01:23:06,179

because of the political changes and the

1793

01:23:10,370 --> 01:23:07,679

political uncertainties in that country

1794

01:23:12,169 --> 01:23:10,380

even these scientists are backing

1795

01:23:14,450 --> 01:23:12,179

off from that position well we're not

1796

01:23:15,649 --> 01:23:14,460

quite sure if these are alien anymore uh

1797

01:23:17,570 --> 01:23:15,659

they're they're not certain that the

1798

01:23:20,450 --> 01:23:17,580

Kremlin needs any kind of a UFO expose

1799

01:23:22,790 --> 01:23:20,460

right now the tarioka will be on display

1800

01:23:25,189 --> 01:23:22,800

at trade shows around the world in a few

1801
01:23:26,689 --> 01:23:25,199
years time sold off to the highest

1802
01:23:29,209 --> 01:23:26,699
bidder

1803
01:23:31,550 --> 01:23:29,219
the fact that mankind may be transported

1804
01:23:34,310 --> 01:23:31,560
in flying discs in the early part of the

1805
01:23:43,010 --> 01:23:34,320
21st century is a startling transition

1806
01:23:47,870 --> 01:23:45,709
have alien sources crashed on Earth and

1807
01:23:50,689 --> 01:23:47,880
have we back engineered these crafts to

1808
01:23:53,930 --> 01:23:50,699
develop our own 21st century flying

1809
01:23:57,590 --> 01:23:53,940
discs the answer however improbable is

1810
01:23:59,510 --> 01:23:57,600
yes Area 51 does exist and we have

1811
01:24:01,850 --> 01:23:59,520
eyewitness accounts from at least two

1812
01:24:05,030 --> 01:24:01,860
former workers at the base who confirm

1813
01:24:07,490 --> 01:24:05,040

the existence of alien spacecraft the

1814

01:24:09,830 --> 01:24:07,500

truth seems to be out there but will

1815

01:24:11,750 --> 01:24:09,840

they ever admit it

1816

01:24:14,290 --> 01:24:11,760

it's likely to be a very long time

1817

01:24:16,910 --> 01:24:14,300

before we discover

1818

01:24:19,370 --> 01:24:16,920

what is actually being done out of Groom

1819

01:24:22,209 --> 01:24:19,380

Lake now if you look at the intelligence

1820

01:24:26,270 --> 01:24:22,219

Community particularly

1821

01:24:29,270 --> 01:24:26,280

they seem to wait anything from 15 to 20

1822

01:24:31,729 --> 01:24:29,280

years or more after something has been

1823

01:24:33,890 --> 01:24:31,739

retired before they acknowledge its

1824

01:24:35,810 --> 01:24:33,900

existence therefore if things are

1825

01:24:38,990 --> 01:24:35,820

operational now we may not see them for

1826

01:24:41,810 --> 01:24:39,000

another 30 40 years what also happens at

1827

01:24:45,229 --> 01:24:41,820

that point is that things remain secret

1828

01:24:47,330 --> 01:24:45,239

so long that the people who originally

1829

01:24:50,390 --> 01:24:47,340

decided they should be classified are

1830

01:24:53,510 --> 01:24:50,400

retired or quite possibly then

1831

01:24:55,490 --> 01:24:53,520

and it becomes almost impossible to

1832

01:24:58,310 --> 01:24:55,500

declassify a program at that point

1833

01:25:01,010 --> 01:24:58,320

because nobody knows quite why the

1834

01:25:04,729 --> 01:25:01,020

secret is being protected the Air Force

1835

01:25:08,209 --> 01:25:04,739

Headquarters files up through 1955.

1836

01:25:10,669 --> 01:25:08,219

9 800 feet of material that's a thousand

1837

01:25:13,070 --> 01:25:10,679

four-door filing cabinets when I went to

1838

01:25:15,350 --> 01:25:13,080

ask for stuff out of these files only 10

1839

01:25:17,870 --> 01:25:15,360

of the boxes I was interested in had

1840

01:25:19,729 --> 01:25:17,880

been classification review and in those

1841

01:25:21,050 --> 01:25:19,739

boxes there were withdrawal sheets all

1842

01:25:23,870 --> 01:25:21,060

over the place

1843

01:25:25,729 --> 01:25:23,880

so Secrets can be kept they are being

1844

01:25:28,010 --> 01:25:25,739

kept one way that they're being kept as

1845

01:25:29,570 --> 01:25:28,020

the naivetea the people who think now if

1846

01:25:35,110 --> 01:25:29,580

this was going on I would know about it

1847

01:25:39,890 --> 01:25:38,030

they have to know that it has to come

1848

01:25:43,010 --> 01:25:39,900

out it has to be part of their program

1849

01:25:45,050 --> 01:25:43,020

that it will come out we just don't know

1850

01:25:47,270 --> 01:25:45,060

what the agenda what the time frame is I

1851

01:25:49,669 --> 01:25:47,280

think it's very reasonable let's say if

1852

01:25:51,770 --> 01:25:49,679

contact were made in the 1950s I think

1853

01:25:54,649 --> 01:25:51,780

it's very reasonable of the government

1854

01:25:57,470 --> 01:25:54,659

to say let's keep it secret for 40 or 50

1855

01:25:59,510 --> 01:25:57,480

or 60 years so we can study it so we can

1856

01:26:01,129 --> 01:25:59,520

reproduce the craft so we can understand

1857

01:26:03,590 --> 01:26:01,139

what it is we're dealing with and

1858

01:26:06,410 --> 01:26:03,600

release it to the society slowly perhaps

1859

01:26:08,390 --> 01:26:06,420

that's what they're doing now

1860

01:26:10,790 --> 01:26:08,400

do you think the secret will be out in a

1861

01:26:12,709 --> 01:26:10,800

few years time

1862

01:26:16,010 --> 01:26:12,719

I'm saying that Gus I've got permission

1863

01:26:22,550 --> 01:26:16,020

I'll turn my papers over to you in 2002.

1864

01:26:26,830 --> 01:26:24,410

my impression that eventually there will

1865

01:26:31,189 --> 01:26:26,840

be a weight of evidence

1866

01:26:33,350 --> 01:26:31,199

so massive that our society will admit

1867

01:26:34,910 --> 01:26:33,360

that they are here and at which point

1868

01:26:36,350 --> 01:26:34,920

the government will have to admit that

1869

01:26:38,270 --> 01:26:36,360

they've known a lot more than they've

1870

01:26:40,010 --> 01:26:38,280

said all along and this isn't just the

1871

01:26:43,189 --> 01:26:40,020

US government you know this is virtually

1872

01:26:49,610 --> 01:26:47,209

in 1979 the seti program was set up to

1873

01:26:52,550 --> 01:26:49,620

search the far reaches of space for

1874

01:26:55,550 --> 01:26:52,560

intelligent life it would seem that we

1875

01:26:57,830 --> 01:26:55,560

now have an answer the real reason for

1876

01:27:00,410 --> 01:26:57,840

the cover-up is likely to be far more

1877

01:27:01,910 --> 01:27:00,420

Sinister than mere secret technology

1878

01:27:05,450 --> 01:27:01,920

[Music]

1879

01:27:07,910 --> 01:27:05,460

we have to consider that the aliens

1880

01:27:09,229 --> 01:27:07,920

themselves may be controlling

1881

01:27:11,510 --> 01:27:09,239

the cover-up

1882

01:27:14,390 --> 01:27:11,520

especially if they don't really want us

1883

01:27:16,129 --> 01:27:14,400

to know what they're doing here

1884

01:27:18,590 --> 01:27:16,139

even if there is some communication

1885

01:27:21,890 --> 01:27:18,600

between the government and them

1886

01:27:24,610 --> 01:27:21,900

everything is being run by the ETS

1887

01:27:27,050 --> 01:27:24,620

so far beyond Us in terms of technology

1888

01:27:28,250 --> 01:27:27,060

that uh I don't think we would have a

1889

01:27:32,390 --> 01:27:28,260

chance

1890

01:27:34,430 --> 01:27:32,400

[Music]

1891

01:27:36,830 --> 01:27:34,440

they the officials in charge of this

1892

01:27:38,149 --> 01:27:36,840

information are going to look rather

1893

01:27:39,950 --> 01:27:38,159

impotent

1894

01:27:42,290 --> 01:27:39,960

were it known that there are

1895

01:27:44,650 --> 01:27:42,300

extraterrestrials invading our airspace

1896

01:27:53,590 --> 01:27:44,660

against whom we have inadequate defense

1897

01:27:53,600 --> 01:27:57,950

thank you

1898

01:27:57,960 --> 01:28:03,410

foreign

1899

01:28:08,870 --> 01:28:05,930

we have investigated Dreamland for over

1900

01:28:11,870 --> 01:28:08,880

a year whilst we didn't see any flying

1901

01:28:13,790 --> 01:28:11,880

discs or alien bodies we did see lights

1902

01:28:17,090 --> 01:28:13,800

in the sky which could not have been

1903

01:28:19,669 --> 01:28:17,100

airplanes military or otherwise

1904

01:28:22,010 --> 01:28:19,679

we have proved beyond the shadow of a

1905

01:28:24,410 --> 01:28:22,020

doubt that area 51 and a large

1906

01:28:25,490 --> 01:28:24,420

underground base out at Groom Lake does

1907

01:28:27,890 --> 01:28:25,500

exist

1908

01:28:30,530 --> 01:28:27,900

we've seen the workers fly in and out of

1909

01:28:33,649 --> 01:28:30,540

the facility and talked to alleged

1910

01:28:35,990 --> 01:28:33,659

former workers at Area 51 about their

1911

01:28:37,310 --> 01:28:36,000

back engineering of recovered alien

1912

01:28:40,070 --> 01:28:37,320

spacecraft

1913

01:28:42,890 --> 01:28:40,080

we've seen actual footage of man-made

1914

01:28:45,350 --> 01:28:42,900

flying discs both American and Russian

1915

01:28:48,709 --> 01:28:45,360

and there are warehouses Across America

1916

01:28:51,770 --> 01:28:48,719

housing files like these full of UFO

1917

01:28:54,050 --> 01:28:51,780

reports and alien abductions

1918

01:28:57,350 --> 01:28:54,060

body of evidence just a figment of

1919

01:29:00,050 --> 01:28:57,360

someone's imagination I think not as we

1920

01:29:02,270 --> 01:29:00,060

move closer to Millennium mankind will

1921

01:29:05,330 --> 01:29:02,280

have to face up to the startling reality

1922

01:29:07,610 --> 01:29:05,340

that we may not be alone and that a

1923

01:29:13,810 --> 01:29:07,620

select group of U.S government officials

1924

01:29:21,169 --> 01:29:17,629

I occasionally think how quickly our

1925

01:29:23,689 --> 01:29:21,179

difference is worldwide would vanish if

1926

01:29:26,870 --> 01:29:23,699

we were facing an alien threat from

1927

01:29:28,490 --> 01:29:26,880

outside this world

1928

01:29:35,290 --> 01:29:28,500

I ask you

1929

01:29:35,300 --> 01:29:43,080

[Music]

1930

01:29:43,090 --> 01:29:47,390

[Applause]

1931

01:29:51,090 --> 01:29:49,390

foreign
