

1

00:00:00,000 --> 00:00:04,500

AND...

2

00:00:04,500 --> 00:00:32,300

Good evening. There's nothing like a good ghost story to pull in the punters. For pubs

3

00:00:32,300 --> 00:00:37,900

and hotels claiming of a ghostly presence hovering among the kegs or on the landing is a sure way

4

00:00:37,900 --> 00:00:44,460

to attract a lot of custom. But one manor house just six miles north of Preston has a boast which

5

00:00:44,460 --> 00:00:51,260

outdoes the rest. In the past 50 years, Chingle Hall, its owners claim, has been home to some 20

6

00:00:51,260 --> 00:00:59,980

spooks. Not bad for building with only four bedrooms, but then they never rest. Ladies and

7

00:00:59,980 --> 00:01:08,220

gentlemen, you must concentrate. You must not break the circle. Do not break the circle. Whatever

8

00:01:08,220 --> 00:01:15,260

may happen in this room tonight. Just another night at Chingle Hall, a 700 year old manor house

9

00:01:15,260 --> 00:01:21,340

set on the remote Moorlands north of Preston Lancashire. Steeped in a rich and grisly history,

10

00:01:21,340 --> 00:01:27,820

it's perhaps no surprise that it's claimed to be Britain's most haunted house. So notorious is the

11

00:01:27,820 --> 00:01:33,580

hall and so intriguing the tales that ghost hunters come from far and wide in the hope of

12

00:01:33,580 --> 00:01:41,260

experiencing something from the other side. The first time I ever came here was around four and a

13

00:01:41,260 --> 00:01:45,900

half years ago and I was convinced on the first night of the hauntings here. I don't know how many

14

00:01:45,900 --> 00:01:51,260

ghosts here. I don't know what is here or why it's here, but I know it's here. There have been a lot

15

00:01:51,260 --> 00:01:57,260

of stories about sightings and apparitions at Chingle Hall and it's got some very grisly legends

16

00:01:57,260 --> 00:02:03,420

attached to it. I've heard tales of people being locked up and the heads buried in walls.

17

00:02:03,980 --> 00:02:09,020

It's got a very gory and bloody history. Whatever the truth, people do believe they've seen

18

00:02:09,020 --> 00:02:14,300

extraordinary things at Chingle. I will never go inside Chingle Hall again. I mean there's just

19

00:02:14,300 --> 00:02:19,980

something so spooky about the place I will not step foot inside Chingle Hall. People do come here

20

00:02:19,980 --> 00:02:25,900

complete non-believers who go away complete believers. Down the years hundreds of people

21

00:02:25,900 --> 00:02:30,700

have passed through Chingle's doors saying they've experienced something inexplicable.

22

00:02:30,700 --> 00:02:36,700

Photographs and research notes boast of what they claim as evidence. People pay up to 40 pounds a

23

00:02:36,700 --> 00:02:42,380

night to ghost watch at Chingle. It's booked for months ahead, but visitors are not usually locals.

24

00:02:42,380 --> 00:02:46,940

Tourist place of course, people come from other parts to see the ghosts. I think you'd be hard

25

00:02:46,940 --> 00:02:50,780

pressed to find a local. Certainly I can't think of one that said they've seen a ghost there.

26

00:02:51,420 --> 00:02:55,740

So is Chingle Hall just a tourist trap, dreamt up to attract the gullible?

27

00:02:56,460 --> 00:03:03,100

Or is it a legitimate paranormal study center? The way Chingle Hall was sold to me personally,

28

00:03:03,100 --> 00:03:08,140

you were guaranteed to see a ghost. Something was guaranteed to happen. I thought it was a load

29

00:03:08,140 --> 00:03:13,260

of cubs, well I thought it was big con. Well you wouldn't expect a down-to-earth Lancashire lad to

30

00:03:13,260 --> 00:03:18,700

be easily persuaded that ghosts exist. Chris Edwards from Southport went to the hall to raise

31

00:03:18,700 --> 00:03:25,500

money for his charity. He was a confirmed skeptic. I was reading a book on my own and I just saw

32

00:03:25,500 --> 00:03:32,620

a movement at the corner of my eye. So I looked up and as I looked up I figured out a monk

33

00:03:33,340 --> 00:03:39,500

drew across the door, appeared to look at me and basically disappeared around the door again.

34

00:03:39,500 --> 00:03:46,540

I vanished into thin air. I was absolutely petrified for a few seconds. I need real hard proof before

35

00:03:46,540 --> 00:03:52,460

I believe anything and it's been provided here at Chingle Hall. I think the ghostly monk that most

36

00:03:52,460 --> 00:03:59,580

people talk about is John Wall. He is the last Catholic martyr in this country. He was hung

37

00:03:59,580 --> 00:04:06,060

drawn and quartered in 1679. His head is supposed to have been brought back to Chingle Hall and

38

00:04:06,060 --> 00:04:11,180

buried somewhere in the grounds. Did you see what happened to the major in the last night?

39

00:04:11,180 --> 00:04:16,300

The ghostly sightings led local TV reporter Paul Crone to investigate Chingle.

40

00:04:16,300 --> 00:04:19,580

Let's go upstairs to the St John's War Room shall we? It's supposed to be haunted.

41

00:04:19,580 --> 00:04:23,820

He spent the night with a group of fundraising nurses from Royal Preston Hospital.

42

00:04:23,820 --> 00:04:27,180

I thought we're going to sit here for nine hours, nothing will happen, we'll film,

43

00:04:27,180 --> 00:04:31,580

we won't see anything, we won't hear anything. How rung I was, I mean basically just turned into

44

00:04:31,580 --> 00:04:36,460

a complete nightmare. I usually work with a film crew. We all came that evening looking for a good

45

00:04:36,460 --> 00:04:41,340

time, a good night out, a group of girls, we all got on well. We went home in the morning, very

46

00:04:41,340 --> 00:04:47,420

different people. I just turned my head to look at one of my colleagues and I saw what looked like

47

00:04:47,420 --> 00:04:52,940

a figure behind a hooded figure. It looked like a monk. He stood behind looking down at her.

48

00:04:53,580 --> 00:04:59,980

I couldn't see its face at all, I couldn't see any features. I just felt frozen, I couldn't do

49

00:04:59,980 --> 00:05:05,420

anything, I couldn't move and it took me a few seconds to actually say anything. I was frightened.

50

00:05:06,140 --> 00:05:06,700

Are you alright?

51

00:05:08,540 --> 00:05:13,020

Everybody knew she wasn't joking and it was it was genuine and she saw something

52

00:05:13,020 --> 00:05:16,300

and she was absolutely positive. I mean I couldn't see anything but I knew

53

00:05:16,300 --> 00:05:19,980

she was telling the truth. Paul's own encounter was to happen on the staircase.

54

00:05:21,500 --> 00:05:25,980

There was no one near me, the door slammed shut and I just went ice cold from head to toe

55

00:05:25,980 --> 00:05:30,140

so people dived with the cameras and took all the flashes and as the flashes went off

56

00:05:30,140 --> 00:05:32,860

we saw blue street just whizz up the stands.

57

00:05:38,300 --> 00:05:41,100

You can't make something like that up, it genuinely did happen.

58

00:05:41,660 --> 00:05:46,140

Even in the cold light of day when the ghost hunters have gone home, the hall's unearthly

59

00:05:46,140 --> 00:05:51,260

inhabitants seem to be active. Plumber John Green came to the hall during the winter last year

60

00:05:51,260 --> 00:05:55,820

to install central heating. I live quite away from here and I've never heard of the

61

00:05:55,820 --> 00:06:01,740

place or the reputation that it had. John needed help to get the work completed in time

62

00:06:01,740 --> 00:06:05,180

so he called in a mate the next morning. I finished off in here yesterday.

63

00:06:09,180 --> 00:06:13,580

What the hell has happened to me pipes? To me an amazement there was just nothing there.

64

00:06:13,580 --> 00:06:17,580

The boiler was in position but all the flue, the pipes, there was just nothing there.

65

00:06:18,220 --> 00:06:21,100

And then tourists would be messing around with this they'll know about it.

66

00:06:21,100 --> 00:06:23,980

It would have been impossible for anyone to have ripped those out

67

00:06:23,980 --> 00:06:28,700

without making an absolute devastation and even an expert would have taken some

68

00:06:28,700 --> 00:06:32,860

while to to remove everything. When he came back into the room minutes later

69

00:06:32,860 --> 00:06:37,980

John Green was in for the surprise of his life. Don't believe it.

70

00:06:39,100 --> 00:06:41,900

All the pipes were back where he'd fitted them the night before.

71

00:06:44,860 --> 00:06:51,020

They're real. I just couldn't believe it I was in shock and I just I just really didn't know what

72

00:06:51,020 --> 00:06:56,380

to think or say. Could any of the goings-on be explained by Chingle's mysterious past and its

73

00:06:56,380 --> 00:07:03,740

former residence? One of the people we do know who lived in Chingle Hall was Eleanor Desingleton.

74

00:07:04,300 --> 00:07:10,700

She's the only daughter of John Singleton. She was born in 1568 but she was deemed mad

75

00:07:11,420 --> 00:07:16,540

and locked up in a room all on her own. She was abused by the rest of her family

76

00:07:17,260 --> 00:07:20,700

and died a very tragic death at the age of about 20.

77

00:07:20,700 --> 00:07:27,980

Was Eleanor the uninvited ghost that a seance held by fundraisers on the 7th of October 1995?

78

00:07:28,700 --> 00:07:33,100

I must have known if I didn't really expect anything to happen. I really didn't.

79

00:07:33,820 --> 00:07:37,340

I've never been in a haunted house before it's exciting.

80

00:07:37,340 --> 00:07:42,220

Please settle down. We need to create the right kind of atmosphere if you want me to lead you in a

81

00:07:42,220 --> 00:07:47,740

sales. They'd come for a bit of a laugh novelty value of staying in a haunted house. You do want

82

00:07:47,740 --> 00:07:54,460

to have a sales do you? I thought I'd order a bit short. You know I'd seen these things on television

83

00:07:54,460 --> 00:08:00,140

you know in films and things and I didn't think much of it. Whatever may happen in this room this

84

00:08:00,140 --> 00:08:06,860

evening do not break the circle unless I say so. We've never done this before. We neither.

85

00:08:07,820 --> 00:08:16,860

Is there anybody on the other side who wishes to contact us? If there is anybody there give us a sigh.

86

00:08:22,380 --> 00:08:28,460

I could feel a pressure on my back a warm pressure. I could feel some. Like somebody had two arms on the

87

00:08:28,460 --> 00:08:35,580

back. The pressure just built and built and I really thought what is it?

88

00:08:39,340 --> 00:08:43,660

I thought Vic was actually going to have a fit or something like that was quite concerned.

89

00:08:43,660 --> 00:08:46,380

Whatever it was then started on another member of the sales.

90

00:08:51,340 --> 00:08:56,940

The feeling I had was like a rush of adrenaline but it lasted a lot longer than you know

91

00:08:57,900 --> 00:09:03,260

like someone walks over your grave. It was it took a long time to actually pass through me.

92

00:09:04,300 --> 00:09:10,460

It moved round to include Vic's wife Wendy. I could feel this unusual feeling you know as a

93

00:09:10,460 --> 00:09:16,060

baby's in your stomach type of thing and you can feel it you know it was just pushing and pushing.

94

00:09:16,860 --> 00:09:27,660

Eleanor if you are with us give us a sigh. Lavender yes I can smell it. We could all smell

95

00:09:27,660 --> 00:09:32,540

lavender I think it was strongest in the Vic and then it seemed to come round and with the smell

96

00:09:32,540 --> 00:09:40,220

of lavender came this awful sadness just a horrible feeling of sadness. The tears

97

00:09:41,180 --> 00:09:46,940

absolutely rolling down my face. I mean I love Vic I cried so much when when my dad died sort of thing.

98

00:09:49,580 --> 00:09:55,100

He wasn't the only one. Soon Wendy, Angela, Annette and the others also started to sob.

99

00:10:00,060 --> 00:10:07,180

Me and I started to pour with tears and I just felt like releasing this this sadness and letting

100

00:10:07,180 --> 00:10:12,620

people know I was upset yet I don't know why I was upset. When I started to cry with my tears

101

00:10:12,620 --> 00:10:22,220

just rolling you know I it wasn't me at all no it was something that was here I think. I wanted

102

00:10:22,220 --> 00:10:26,060

to capture the moment on camera or in a film or some kind of get something to come out.

103

00:10:28,140 --> 00:10:30,380

This is incredible. Let's get this.

104

00:10:31,260 --> 00:10:45,420

I saw. I could actually see the outline not exactly a woman but an outline of a lady.

105

00:10:46,780 --> 00:10:55,820

I was absolutely amazed. Eleanor stop it. Stop it you're upsetting people. I was worried because

106

00:10:55,820 --> 00:10:59,020

it was getting out of control there were too many people there who were far too affected I've never

107

00:10:59,020 --> 00:11:04,380

seen anything as dramatic before or after that event. Stop it now I'm breaking the circle.

108

00:11:07,340 --> 00:11:13,500

Were these people experiencing mass hysteria, auto-suggestion perhaps or would the photograph

109

00:11:13,500 --> 00:11:19,420

hold the key to a paranormal explanation? When it was developed there was nothing standing behind Vic,

110

00:11:19,420 --> 00:11:24,940

no figure not even a vague shape but that hasn't persuaded those at the seance to change their

111

00:11:24,940 --> 00:11:33,740

story. I'm convinced they always haunted. What haunted I don't know. So much happened in that one

112

00:11:33,740 --> 00:11:40,220

night it was unreal it was definitely haunted. Ghost hunters fully book up Jingle Hall for months

113

00:11:40,220 --> 00:11:46,460

in advance. I must admit I once saw something in a hotel that made me scream it was the bill.

114

00:11:47,820 --> 00:11:53,260

After the break the story of a woman whose psychic revelations so upset the criminal underworld

115

00:11:53,260 --> 00:11:56,460

that she had to be taken onto a police witness protection program.

116

00:12:10,700 --> 00:12:16,300

Many of the stories we've looked at on strange but true could have rational explanations but

117

00:12:16,300 --> 00:12:22,300

tonight a case that has baffled everyone the story of American psychic Dixie Yeterian.

118

00:12:23,020 --> 00:12:28,380

To investigate this one we've interviewed law enforcement agencies including the FBI.

119

00:12:28,380 --> 00:12:34,380

We've talked to surgeons, Dixie's friends, acquaintances, neighbors and family. The witnesses

120

00:12:34,380 --> 00:12:39,500

are impeccable and they've recounted possibly the most astonishing story we've ever featured.

121

00:12:40,300 --> 00:12:45,100

The small town of Oakhurst in Northern California is the home and workplace of one of America's

122

00:12:45,100 --> 00:12:52,060

most celebrated psychics. Dixie Yeterian's work is now confined to lectures and private consultations

123

00:12:52,060 --> 00:12:55,660

but for many years she was known as the country's leading psychic detective.

124

00:12:56,300 --> 00:13:01,180

Her gifts help US law enforcement agencies crack some of their most baffling cases.

125

00:13:02,380 --> 00:13:03,340

That's our grandson.

126

00:13:05,660 --> 00:13:10,620

Today Dixie is advising Jim and Jill Burrey about their grandson who's having problems at school.

127

00:13:11,260 --> 00:13:13,580

All Dixie has to work on is his photograph.

128

00:13:15,340 --> 00:13:21,740

I want to know if there's a move in the future for him. They're moving southwest where they are but

129

00:13:21,740 --> 00:13:27,500

only a short distance. It's only perhaps 15 miles but it definitely means a change in schools.

130

00:13:28,620 --> 00:13:32,940

She tells you things that you don't know, you know, you know nobody else knows so

131

00:13:33,740 --> 00:13:34,940

where is she getting it from?

132

00:13:38,220 --> 00:13:44,540

Starting at a very early age I began to have a lot of experiences that I now recognize as

133

00:13:45,260 --> 00:13:47,900

highly intuitive or clairvoyant experiences.

134

00:13:48,220 --> 00:13:53,580

I knew things that I didn't know how I knew. Everyone was saying how did you know that?

135

00:13:53,580 --> 00:13:58,780

Where did you get that from? Who told you that? And of course no one had told me and I just didn't

136

00:13:58,780 --> 00:14:06,700

know how I knew. My grandfathers are both Pentecostal ministers and so I was raised in an extremely

137

00:14:06,700 --> 00:14:15,180

rigid home environment. They were really frightened about the experiences that I was having and I

138

00:14:15,740 --> 00:14:21,900

couldn't stop having the experiences. They just came and I was too young to recognize that they were

139

00:14:21,900 --> 00:14:23,900

unusual.

140

00:14:31,100 --> 00:14:36,460

They believe that they either had to be the result of some special gift from God which they couldn't

141

00:14:36,460 --> 00:14:43,340

describe to me. I was such a little brat. Or they had to believe that these were caused by some satanic

142

00:14:44,300 --> 00:14:51,180

force. Be gone from this child's innocence. Be gone. As she grew older, Dixie continued to have psychic

143

00:14:51,180 --> 00:14:56,140

premonitions but it wasn't until she became a student of the University of California that her

144

00:14:56,140 --> 00:15:02,300

abilities were taken seriously. We would sit around in the evenings and discuss parapsychology

145

00:15:02,300 --> 00:15:07,420

and that was fascinating to me that I found other people who were interested in the kinds of experiences

146

00:15:07,500 --> 00:15:13,260

that I had. In the late 60s, Dixie, married and with the young family, was living in Lompoc in

147

00:15:13,260 --> 00:15:19,100

Southern California. One afternoon she had a dream which she later realized was a clairvoyant experience.

148

00:15:20,380 --> 00:15:25,820

We were having guests over one evening and I decided because I was tired in the afternoon to lie down

149

00:15:25,820 --> 00:15:27,820

and rest before my guests arrived.

150

00:15:37,900 --> 00:15:42,220

I witnessed a young woman who was running up the highway.

151

00:15:45,260 --> 00:15:51,820

I recognized her because the night before I'd had a dream and which she was the main character

152

00:15:51,820 --> 00:15:57,500

in the dream and that was amazing to me because here was this girl being pursued and murdered

153

00:15:57,500 --> 00:16:02,540

and the dream was so explicit it just really terrified me. Three days later the local newspaper

154

00:16:02,540 --> 00:16:08,380

carried an artist impression of the girl Dixie had seen in her dream. Her body had been found

155

00:16:08,380 --> 00:16:15,180

outside of town and their caption said uh do you know this girl? News of Dixie's dream reached the

156

00:16:15,180 --> 00:16:21,100

police. She became a suspect. They couldn't believe that I would know that she had lost her shoe on

157

00:16:21,100 --> 00:16:26,620

the side of the highway. I'd tell them where it was they were able to find it there. I was able to

158

00:16:26,620 --> 00:16:32,460

tell them where she had been uh slain. Dixie remained under suspicion until the killers were

159

00:16:32,460 --> 00:16:38,460

eventually caught. Pretty soon the word was all over town that I had uh information and had

160

00:16:38,460 --> 00:16:45,020

psychically perceived this the uh this case and that I was able to identify the people who had

161

00:16:45,020 --> 00:16:51,260

committed the homicide. Um there were threat notes and there was an attempt to kidnap my daughter

162

00:16:51,420 --> 00:16:57,500

uh so it was pretty it was pretty harrowing. Dixie's abilities had now come into the open.

163

00:16:57,500 --> 00:17:03,420

By the early 70s she was hosting a local radio show. I took my horse out the other day and he

164

00:17:03,420 --> 00:17:08,380

threw a shoe and I'm just really worried about him. I think he might go lame so could you help me out

165

00:17:08,380 --> 00:17:13,980

here? Live on air she applied her unique powers to easing the problems of small town America.

166

00:17:13,980 --> 00:17:20,060

Michelle online too what can we do for you today Michelle? Well there was a tremendous uh interest

167

00:17:20,780 --> 00:17:25,980

in this because it had never been done before. I was one of the first to come out of the closet

168

00:17:25,980 --> 00:17:32,860

as it were psychically. I hate to think that I did anything wrong you know. Jennifer I'm getting

169

00:17:33,740 --> 00:17:40,220

she had a big following in town. My mom's couple on there. A lot of people called in and she really

170

00:17:40,780 --> 00:17:45,740

helped a lot of people with their radio shows. She would always find lost objects she's great at that.

171

00:17:45,740 --> 00:17:49,260

People that had misplaced things of value or if not of value didn't matter.

172

00:17:50,300 --> 00:17:57,980

Job changes, medical conditions, things that were going to happen. Well I do see you and feel

173

00:17:57,980 --> 00:18:02,300

you surrounded by a lot of love Michelle. What does your boyfriend look like? The one thing she

174

00:18:02,300 --> 00:18:07,980

would not do and I think she still doesn't to my knowledge is if there's an imminent death

175

00:18:07,980 --> 00:18:14,300

she won't tell you about that. If it's an avoidable death yes if it's going to be an accident fine.

176

00:18:16,380 --> 00:18:22,700

Karen Ochoa had phoned in to Dixie's show in despair. Her estranged husband had abducted her

177

00:18:22,700 --> 00:18:30,540

three-year-old son Rick. The way he had been taken was very scary so I I did something I never do.

178

00:18:30,540 --> 00:18:36,060

I promised her that I would find her child for her. The only thing I really had of Rick's

179

00:18:36,700 --> 00:18:41,420

that was metal and she needs metal was his tricycle so we took the tricycle down

180

00:18:42,140 --> 00:18:47,740

and she picked up a lot of batting with him. Focusing on the tricycle Dixie tuned in to the

181

00:18:47,740 --> 00:18:54,780

missing child. She could see him in her mind's eye. Very very descriptive images would come to me

182

00:18:54,780 --> 00:18:59,980

and again when I say images I'm not seeing something I just know it I can feel it it's seen it within

183

00:18:59,980 --> 00:19:06,620

your mind. After several weeks Dixie saw the boy on a street corner in Oklahoma City over a thousand

184

00:19:06,700 --> 00:19:12,860

miles away. Through his eyes I was able to read the street sign so I was able to call her and give

185

00:19:12,860 --> 00:19:17,740

her the address and she went there and got her little boy back. We made a beeline for Dixie's

186

00:19:17,740 --> 00:19:23,420

house once we got home and when Rick did see Dixie he goes mom that that's the woman that's been in

187

00:19:23,420 --> 00:19:30,620

my dreams. It was a wonderful happening it was the most wonderful thing that I've ever done in my heart.

188

00:19:31,580 --> 00:19:39,580

But Dixie's psychic abilities were soon to be focused on a more sinister case. It started with what appeared to be a routine call for help.

189

00:19:41,420 --> 00:19:51,740

Hi Owen what is your problem and how can I help you today? Well it's my dad he's been missing for over three days now and nobody knows where he is and we're just trying to locate where he is.

190

00:19:52,300 --> 00:19:58,940

Well maybe he went on a trip. A young man called during my radio show and said his father was missing and

191

00:19:59,820 --> 00:20:04,860

I asked him to bring a watch and a ring of his father and thought maybe I could help him locate his

father.

192

00:20:05,500 --> 00:20:09,020

Hi Dixie. Hi William. He's right over there Dixie.

193

00:20:16,220 --> 00:20:25,500

Owen. Hi. Hi I'm Dixie. Did you bring your father's things for me? Yes um this here's his ring.

194

00:20:26,380 --> 00:20:31,580

He always wore that and his watch.

195

00:20:34,140 --> 00:20:37,020

Do you know when you'll have any information or any answers?

196

00:20:37,900 --> 00:20:45,020

Well what I'll do is take these things home with me and see what I pick up tonight and then if you'll come back tomorrow I'll let you know what I found okay?

197

00:20:46,060 --> 00:20:50,300

Okay thanks a lot for your help Dixie goodbye. Bye bye.

198

00:20:56,460 --> 00:21:05,580

I took the objects and I went home after the show and I sat down with them and started working with them.

199

00:21:08,540 --> 00:21:12,540

I started having uh awarenesses just immediately.

200

00:21:15,180 --> 00:21:23,180

The whole situation there was so vivid. This is though I was the person who was having the experience.

201

00:21:25,580 --> 00:21:27,580

So how's the bag?

202

00:21:33,740 --> 00:21:35,180

It's me.

203

00:21:35,180 --> 00:21:54,500

In a special edition of Strange But True, next week we'll continue the incredible story

204

00:21:54,500 --> 00:21:57,860

of Dixie Yatarian.

205

00:21:57,860 --> 00:22:00,540

We'll show how Dixie decides to act on her vision.

206

00:22:00,540 --> 00:22:05,740

I had a call this morning from a young man who says his father has disappeared.

207

00:22:05,740 --> 00:22:08,700

And how her psychic powers put her life in grave danger.

208

00:22:08,700 --> 00:22:10,380

Hi, I'm John Rush.

209

00:22:10,380 --> 00:22:11,780

I'm here to see your mother.

210

00:22:11,780 --> 00:22:13,460

There was no price on my head.

211

00:22:13,460 --> 00:22:18,380

I was going to be killed.

212

00:22:18,380 --> 00:22:22,540

So join us next week for the remarkable conclusion to Dixie's story.

213

00:22:22,540 --> 00:22:23,860

Until then, good night.
