

1
00:00:23,189 --> 00:00:21,429
welcome

2
00:00:24,870 --> 00:00:23,199
um i've never done this before so you'll

3
00:00:27,189 --> 00:00:24,880
have to bear with me especially after mr

4
00:00:29,830 --> 00:00:27,199
howard jones's superb

5
00:00:31,669 --> 00:00:29,840
delivery was a professional i

6
00:00:33,190 --> 00:00:31,679
probably have a broadcast he planted by

7
00:00:34,630 --> 00:00:33,200
comparison to him

8
00:00:36,150 --> 00:00:34,640
but anyway i'd like to share with you

9
00:00:38,790 --> 00:00:36,160
the experiences

10
00:00:42,310 --> 00:00:38,800
um that i had over a long period of time

11
00:00:44,630 --> 00:00:42,320
in connection with crop circles

12
00:00:46,709 --> 00:00:44,640
um what i tried to do i didn't

13
00:00:48,470 --> 00:00:46,719

unfortunately have enough

14

00:00:50,549 --> 00:00:48,480

literature to give you but some people

15

00:00:52,389 --> 00:00:50,559

do have illustrations

16

00:00:54,470 --> 00:00:52,399

of some of the things that i will

17

00:00:58,229 --> 00:00:54,480

mention in here

18

00:01:00,150 --> 00:00:58,239

crop circles wow where do we start

19

00:01:04,549 --> 00:01:00,160

a giant hoax

20

00:01:06,870 --> 00:01:04,559

or some form of non-human intelligence

21

00:01:08,310 --> 00:01:06,880

trying to communicate with us

22

00:01:10,230 --> 00:01:08,320

if so

23

00:01:12,870 --> 00:01:10,240

what is the message

24

00:01:15,510 --> 00:01:12,880

for example if any of you seen or been

25

00:01:18,230 --> 00:01:15,520

in a crop circle at all

26

00:01:21,190 --> 00:01:18,240

any anyone had experience of it

27

00:01:23,429 --> 00:01:21,200

no right um

28

00:01:25,429 --> 00:01:23,439

i'll tell you what i know anyway

29

00:01:26,710 --> 00:01:25,439

i'll never forget the first crop circle

30

00:01:29,190 --> 00:01:26,720

i saw

31

00:01:32,069 --> 00:01:29,200

was in 2004

32

00:01:35,510 --> 00:01:32,079

in shell hill just outside the town of

33

00:01:38,469 --> 00:01:35,520

khan in wiltshire southern england

34

00:01:41,109 --> 00:01:38,479

it was situated below the white horse

35

00:01:43,990 --> 00:01:41,119

which is carved out of the hillside and

36

00:01:46,069 --> 00:01:44,000

consists of chalk now on the front page

37

00:01:47,190 --> 00:01:46,079

of um some of the people that have the

38

00:01:49,910 --> 00:01:47,200

leaflets

39

00:01:51,109 --> 00:01:49,920

you will see the actual white horse and

40

00:01:53,030 --> 00:01:51,119

also

41

00:01:55,109 --> 00:01:53,040

the crop formation

42

00:01:59,030 --> 00:01:55,119

that particular crop formation measured

43

00:02:02,069 --> 00:01:59,040

some 380 feet across

44

00:02:04,550 --> 00:02:02,079

geometrically absolutely perfect

45

00:02:07,030 --> 00:02:04,560

and that particular design

46

00:02:09,029 --> 00:02:07,040

uh was actually the star

47

00:02:11,029 --> 00:02:09,039

of david of bethlehem

48

00:02:13,270 --> 00:02:11,039

now it's interesting to note that

49

00:02:15,350 --> 00:02:13,280

cropped circles that are never

50

00:02:17,190 --> 00:02:15,360

replicated there are no

51
00:02:20,390 --> 00:02:17,200
two crop circles the same they're all

52
00:02:24,790 --> 00:02:22,630
when inside the crop circle

53
00:02:26,630 --> 00:02:24,800
you could actually feel a very very

54
00:02:28,470 --> 00:02:26,640
definitive energy

55
00:02:31,270 --> 00:02:28,480
uh the crop

56
00:02:32,470 --> 00:02:31,280
was swathed and bent now the interesting

57
00:02:35,110 --> 00:02:32,480
thing is

58
00:02:37,430 --> 00:02:35,120
uh the nodules of the cone

59
00:02:39,990 --> 00:02:37,440
were actually bent they weren't broken

60
00:02:41,910 --> 00:02:40,000
in any shape or form

61
00:02:45,190 --> 00:02:41,920
the crop inside

62
00:02:47,990 --> 00:02:45,200
had a very rough hard feel to it

63
00:02:50,869 --> 00:02:48,000

rather sticky actually in substance

64

00:02:52,869 --> 00:02:50,879

was the crop outside of the circle was

65

00:02:55,350 --> 00:02:52,879

very very smooth and pliable as all

66

00:02:56,390 --> 00:02:55,360

great energy had actually

67

00:02:58,869 --> 00:02:56,400

um

68

00:03:01,509 --> 00:02:58,879

the crop had been exposed to

69

00:03:04,630 --> 00:03:03,030

this area

70

00:03:07,110 --> 00:03:04,640

uh that is where the crop circle was

71

00:03:11,110 --> 00:03:07,120

with its vast plains is actually the

72

00:03:13,190 --> 00:03:11,120

bread basket of england and is rich in

73

00:03:14,949 --> 00:03:13,200

many many lay lines there's so many lay

74

00:03:16,229 --> 00:03:14,959

lines and energy lines

75

00:03:18,869 --> 00:03:16,239

uh on

76

00:03:21,190 --> 00:03:18,879

this plane for example we've got

77

00:03:24,949 --> 00:03:21,200

stonehenge

78

00:03:27,509 --> 00:03:24,959

the neolithic stones of avery

79

00:03:28,390 --> 00:03:27,519

under a large supposed ancient burial

80

00:03:31,270 --> 00:03:28,400

mound

81

00:03:33,830 --> 00:03:31,280

called silvery hill

82

00:03:36,630 --> 00:03:33,840

um which has been suggested that over

83

00:03:38,309 --> 00:03:36,640

the centuries it's been a landing site

84

00:03:39,270 --> 00:03:38,319

for ufos

85

00:03:41,350 --> 00:03:39,280

um

86

00:03:43,110 --> 00:03:41,360

i have no evidence of it as such that i

87

00:03:44,070 --> 00:03:43,120

can truly either know but it's a it is a

88

00:03:46,390 --> 00:03:44,080

theory

89

00:03:49,110 --> 00:03:46,400

and in fact silvery hill rises above the

90

00:03:52,070 --> 00:03:49,120

flat plains of wheelchair

91

00:03:54,309 --> 00:03:52,080

and is itself completely flat and we can

92

00:03:56,550 --> 00:03:54,319

can be seen for miles because if you are

93

00:03:59,429 --> 00:03:56,560

familiar with that area

94

00:04:02,309 --> 00:03:59,439

the area is vast as all planes

95

00:04:04,869 --> 00:04:02,319

the whole area is actually hot spot for

96

00:04:07,429 --> 00:04:04,879

various light phenomena

97

00:04:11,030 --> 00:04:07,439

and crop circles

98

00:04:12,149 --> 00:04:11,040

encompassing all areas in around khan

99

00:04:13,589 --> 00:04:12,159

pusing

100

00:04:14,869 --> 00:04:13,599

devices

101
00:04:18,550 --> 00:04:14,879
avery

102
00:04:21,990 --> 00:04:18,560
walton barnes and bishop's cannon

103
00:04:23,909 --> 00:04:22,000
i became so interested uh in this that i

104
00:04:27,670 --> 00:04:23,919
became a member of the wheelchair crop

105
00:04:31,990 --> 00:04:27,680
circle society for over 10 years

106
00:04:36,230 --> 00:04:33,990
or i've seen literally a few hundred

107
00:04:37,110 --> 00:04:36,240
crop formations

108
00:04:40,070 --> 00:04:37,120
uh

109
00:04:41,430 --> 00:04:40,080
a result of an incredible phenomena or

110
00:04:43,270 --> 00:04:41,440
man-made

111
00:04:45,510 --> 00:04:43,280
yes absolutely

112
00:04:48,150 --> 00:04:45,520
men on the way home from the pad with

113
00:04:50,150 --> 00:04:48,160

planks gas cylinders dogs

114

00:04:53,430 --> 00:04:50,160

do make formations

115

00:04:57,350 --> 00:04:53,440

which are instantaneously different

116

00:04:58,629 --> 00:04:57,360

in quality from the others

117

00:05:01,110 --> 00:04:58,639

however

118

00:05:03,189 --> 00:05:01,120

what about large circles designed that

119

00:05:05,670 --> 00:05:03,199

appear in desert sands

120

00:05:06,790 --> 00:05:05,680

or circle designs in ice now a very

121

00:05:09,270 --> 00:05:06,800

interesting

122

00:05:11,670 --> 00:05:09,280

thing has come for this evening the

123

00:05:15,990 --> 00:05:11,680

gentleman here has bought a

124

00:05:18,550 --> 00:05:16,000

very unique picture of a massive circle

125

00:05:21,430 --> 00:05:18,560

which has been man-made formed on the

126
00:05:28,950 --> 00:05:21,440
sands in

127
00:05:32,629 --> 00:05:30,870
um

128
00:05:34,070 --> 00:05:32,639
for example man-made if you think they

129
00:05:36,390 --> 00:05:34,080
mind me

130
00:05:38,950 --> 00:05:36,400
uh some years ago a large

131
00:05:40,629 --> 00:05:38,960
uh formation with a highly complex

132
00:05:45,430 --> 00:05:40,639
pattern

133
00:05:47,430 --> 00:05:45,440
of 1 000 circles within the circles

134
00:05:50,629 --> 00:05:47,440
uh

135
00:05:52,390 --> 00:05:50,639
producing the shape of a scorpion

136
00:05:53,830 --> 00:05:52,400
again perfect

137
00:05:56,710 --> 00:05:53,840
geometrically

138
00:05:59,510 --> 00:05:56,720

within 50 yards of the main london road

139

00:06:01,350 --> 00:05:59,520

in and out of the town of khan

140

00:06:02,230 --> 00:06:01,360

summertime i think it's reasonable to

141

00:06:04,230 --> 00:06:02,240

say

142

00:06:06,790 --> 00:06:04,240

it's dark

143

00:06:09,270 --> 00:06:06,800

11 o'clock 11 15

144

00:06:10,550 --> 00:06:09,280

dawn summertime

145

00:06:13,430 --> 00:06:10,560

4 30

146

00:06:15,670 --> 00:06:13,440

and it's there for all to see within 50

147

00:06:16,710 --> 00:06:15,680

yards of the main road no one sees a

148

00:06:20,870 --> 00:06:16,720

thing

149

00:06:22,230 --> 00:06:20,880

the formation measured some 900 980 feet

150

00:06:24,870 --> 00:06:22,240

across

151
00:06:27,749 --> 00:06:24,880
achieved in four and a half hours

152
00:06:30,870 --> 00:06:27,759
in the dark and no one sees a thing

153
00:06:32,950 --> 00:06:30,880
so guys if you are doing these things

154
00:06:35,670 --> 00:06:32,960
show us we've seen the smaller circles

155
00:06:37,510 --> 00:06:35,680
and everything but not on that scale and

156
00:06:40,790 --> 00:06:37,520
these are absolutely

157
00:06:43,990 --> 00:06:40,800
perfectly made and again i repeat myself

158
00:06:46,550 --> 00:06:44,000
the corn is is actually swathed and not

159
00:06:48,309 --> 00:06:46,560
broken is just bent

160
00:06:52,790 --> 00:06:48,319
no one's left their planks there empty

161
00:06:57,590 --> 00:06:54,790
researchers believe

162
00:07:00,629 --> 00:06:57,600
there is evidence of a very high energy

163
00:07:02,790 --> 00:07:00,639

being applied skeptics of course

164

00:07:04,390 --> 00:07:02,800

believe the majority of formations are

165

00:07:05,430 --> 00:07:04,400

all man-made

166

00:07:06,950 --> 00:07:05,440

um

167

00:07:08,950 --> 00:07:06,960

for example

168

00:07:12,390 --> 00:07:08,960

some years ago

169

00:07:14,469 --> 00:07:12,400

there was a design of a mitzi bushes car

170

00:07:15,430 --> 00:07:14,479

made for an ad that did not barnes in

171

00:07:17,670 --> 00:07:15,440

wheelchair

172

00:07:20,950 --> 00:07:17,680

back in 1998.

173

00:07:23,589 --> 00:07:20,960

this took an astonishing two days

174

00:07:24,870 --> 00:07:23,599

to complete in broad daylight

175

00:07:27,029 --> 00:07:24,880

um

176

00:07:28,469 --> 00:07:27,039

when did crop circle starts i i really

177

00:07:31,029 --> 00:07:28,479

can't answer that

178

00:07:33,270 --> 00:07:31,039

um the the earliest

179

00:07:34,469 --> 00:07:33,280

we have any reference to anything to do

180

00:07:36,469 --> 00:07:34,479

with the

181

00:07:39,189 --> 00:07:36,479

crop circles um

182

00:07:41,189 --> 00:07:39,199

back in 1678

183

00:07:43,670 --> 00:07:41,199

obviously a long time ago there was

184

00:07:46,870 --> 00:07:43,680

something known as the moen devil

185

00:07:50,070 --> 00:07:46,880

and he was an impulse style character

186

00:07:54,230 --> 00:07:50,080

that literally went through the crop

187

00:07:55,909 --> 00:07:54,240

in a created a formation with a scythe

188

00:07:58,390 --> 00:07:55,919

but that's going back from historical

189

00:08:00,150 --> 00:07:58,400

times i can't actually tell you

190

00:08:01,990 --> 00:08:00,160

probably would think within the last 30

191

00:08:04,230 --> 00:08:02,000

or 40 years crop circles have become

192

00:08:06,869 --> 00:08:04,240

very prevalent

193

00:08:08,469 --> 00:08:06,879

during my 10 years as member of the crop

194

00:08:10,710 --> 00:08:08,479

circle society

195

00:08:12,309 --> 00:08:10,720

we had many many interesting weekends

196

00:08:13,749 --> 00:08:12,319

researching

197

00:08:16,390 --> 00:08:13,759

exploring

198

00:08:17,670 --> 00:08:16,400

and each year there was a new

199

00:08:19,749 --> 00:08:17,680

formation

200

00:08:22,070 --> 00:08:19,759

now over that period of time

201

00:08:24,070 --> 00:08:22,080

we had a number of very

202

00:08:25,350 --> 00:08:24,080

interesting people from all over the

203

00:08:27,270 --> 00:08:25,360

world giving

204

00:08:29,749 --> 00:08:27,280

talks researchers

205

00:08:31,189 --> 00:08:29,759

and skeptics alike

206

00:08:32,310 --> 00:08:31,199

notably

207

00:08:35,990 --> 00:08:32,320

the world

208

00:08:38,469 --> 00:08:36,000

leading researcher on crop formations

209

00:08:42,389 --> 00:08:38,479

is a number hall indian by the name of

210

00:08:44,230 --> 00:08:42,399

rod bear cloud now living in canada

211

00:08:46,550 --> 00:08:44,240

uh his whole

212

00:08:48,550 --> 00:08:46,560

life has been studying crop circles all

213

00:08:51,030 --> 00:08:48,560

over the world in this country for

214

00:08:53,110 --> 00:08:51,040

example they're contained in wheelchair

215

00:08:53,910 --> 00:08:53,120

don't seem to get anything in newcastle

216

00:08:57,509 --> 00:08:53,920

or

217

00:08:59,269 --> 00:08:57,519

ufo

218

00:09:00,949 --> 00:08:59,279

sightings in westwood we don't get crop

219

00:09:03,030 --> 00:09:00,959

circles

220

00:09:04,150 --> 00:09:03,040

he's studied the subject for many many

221

00:09:05,829 --> 00:09:04,160

years

222

00:09:07,350 --> 00:09:05,839

um

223

00:09:10,150 --> 00:09:07,360

he believes that they come from the

224

00:09:12,230 --> 00:09:10,160

hieroglyphics in the king's chamber in

225

00:09:13,910 --> 00:09:12,240

the great pyramid

226

00:09:16,870 --> 00:09:13,920

as far as the incas are concerned it

227

00:09:18,310 --> 00:09:16,880

comes from machu picchu in

228

00:09:20,949 --> 00:09:18,320

peru

229

00:09:23,829 --> 00:09:20,959

and the temples of cambodia

230

00:09:25,910 --> 00:09:23,839

and many various sacred sites all over

231

00:09:27,829 --> 00:09:25,920

the world

232

00:09:30,150 --> 00:09:27,839

again i repeat myself there are never

233

00:09:31,430 --> 00:09:30,160

two patterns of light each is completely

234

00:09:33,829 --> 00:09:31,440

individual

235

00:09:35,910 --> 00:09:33,839

with its own message

236

00:09:37,430 --> 00:09:35,920

uh for example as far as rob bair cloud

237

00:09:38,470 --> 00:09:37,440

was concerned

238

00:09:40,710 --> 00:09:38,480

um

239

00:09:42,710 --> 00:09:40,720

indian and reservations in america are

240

00:09:45,350 --> 00:09:42,720

self-policing

241

00:09:46,470 --> 00:09:45,360

no government authority is allowed entry

242

00:09:49,430 --> 00:09:46,480

or

243

00:09:52,949 --> 00:09:49,440

fly over their land without permission

244

00:09:55,269 --> 00:09:52,959

he says that his forefathers

245

00:09:57,509 --> 00:09:55,279

for thousands of years

246

00:10:00,070 --> 00:09:57,519

have actually been visited visited by

247

00:10:02,230 --> 00:10:00,080

what he calls the star people

248

00:10:04,389 --> 00:10:02,240

who apparently come not unlike the

249

00:10:06,470 --> 00:10:04,399

egyptians from the dog star

250

00:10:09,590 --> 00:10:06,480

or or ryan

251
00:10:11,990 --> 00:10:09,600
and that we humans are the offspring

252
00:10:14,150 --> 00:10:12,000
of extraterrestrials

253
00:10:15,670 --> 00:10:14,160
who are deeply concerned that their

254
00:10:18,150 --> 00:10:15,680
prodigies

255
00:10:19,030 --> 00:10:18,160
are destroying mother earth which is

256
00:10:20,550 --> 00:10:19,040
true

257
00:10:22,310 --> 00:10:20,560
with chemicals

258
00:10:24,230 --> 00:10:22,320
civil war

259
00:10:26,550 --> 00:10:24,240
possibly nuclear attacks that's the

260
00:10:28,790 --> 00:10:26,560
biggest fear of all

261
00:10:31,430 --> 00:10:28,800
these glyphs or binary messages are sent

262
00:10:33,590 --> 00:10:31,440
to us in the form of a crop circle

263
00:10:35,110 --> 00:10:33,600

warning us of the damage

264

00:10:36,310 --> 00:10:35,120

that we're actually doing to mother

265

00:10:38,470 --> 00:10:36,320

earth

266

00:10:39,670 --> 00:10:38,480

and as a consequence of destroying the

267

00:10:43,110 --> 00:10:39,680

world

268

00:10:45,430 --> 00:10:43,120

we however are not advanced enough

269

00:10:46,949 --> 00:10:45,440

to be able to interpret

270

00:10:51,269 --> 00:10:46,959

and see what these signs are actually

271

00:10:55,990 --> 00:10:53,269

the extremely precise

272

00:10:58,310 --> 00:10:56,000

geometrical qualities of some crop

273

00:11:01,110 --> 00:10:58,320

formations now if you're lucky enough to

274

00:11:01,990 --> 00:11:01,120

have liquid on the second page

275

00:11:04,389 --> 00:11:02,000

the

276

00:11:06,069 --> 00:11:04,399

german researcher

277

00:11:08,150 --> 00:11:06,079

has drawn

278

00:11:10,710 --> 00:11:08,160

the geometry of

279

00:11:12,870 --> 00:11:10,720

a crop circle which is when you have a

280

00:11:15,430 --> 00:11:12,880

look at it is so complex

281

00:11:17,990 --> 00:11:15,440

that it is absolutely perfect

282

00:11:20,150 --> 00:11:18,000

and each crop circle

283

00:11:21,430 --> 00:11:20,160

has its own geometry before it's

284

00:11:28,389 --> 00:11:21,440

actually put

285

00:11:33,590 --> 00:11:31,030

now these circles

286

00:11:35,750 --> 00:11:33,600

are either natural

287

00:11:40,310 --> 00:11:35,760

mathematical laws

288

00:11:42,470 --> 00:11:40,320

or some kind of pre-medit intelligence

289

00:11:45,509 --> 00:11:42,480

is involved in it

290

00:11:48,949 --> 00:11:45,519

the notion that such non-random

291

00:11:50,630 --> 00:11:48,959

accuracy could be trumped out by hoaxers

292

00:11:53,990 --> 00:11:50,640

in dark fields

293

00:11:55,590 --> 00:11:54,000

civilianly stretches the credibility of

294

00:11:57,509 --> 00:11:55,600

many observers

295

00:11:59,910 --> 00:11:57,519

complex tangents

296

00:12:01,990 --> 00:11:59,920

geometrical alignments

297

00:12:04,710 --> 00:12:02,000

present in three of the pictograms that

298

00:12:06,470 --> 00:12:04,720

are actually on page two i do apologize

299

00:12:08,069 --> 00:12:06,480

that not everybody managed to get the

300

00:12:08,949 --> 00:12:08,079

the information but the people who do

301
00:12:11,829 --> 00:12:08,959
have it

302
00:12:13,430 --> 00:12:11,839
can see on page two the complex of it

303
00:12:14,790 --> 00:12:13,440
um

304
00:12:16,790 --> 00:12:14,800
if it means anything that the

305
00:12:19,190 --> 00:12:16,800
gentleman's name who actually

306
00:12:20,310 --> 00:12:19,200
studied and is a specialist on it

307
00:12:26,389 --> 00:12:20,320
um

308
00:12:30,069 --> 00:12:28,310
they're the two people responsible for

309
00:12:32,069 --> 00:12:30,079
the research on these

310
00:12:34,069 --> 00:12:32,079
and they have carried out extensive

311
00:12:37,030 --> 00:12:34,079
search on that area

312
00:12:38,949 --> 00:12:37,040
now another not well known person

313
00:12:40,949 --> 00:12:38,959

who was actually president

314

00:12:43,030 --> 00:12:40,959

of wheelchair crop circle society for

315

00:12:46,150 --> 00:12:43,040

many years before he died

316

00:12:49,590 --> 00:12:46,160

was leading singer with 60s 70s band the

317

00:12:51,110 --> 00:12:49,600

troggs was reg presley hey rich where

318

00:12:52,790 --> 00:12:51,120

are you reg

319

00:12:54,949 --> 00:12:52,800

there's a man there in the middle reggae

320

00:12:57,590 --> 00:12:54,959

i'm sure you've all heard about it the

321

00:12:59,990 --> 00:12:57,600

reds lived in devices

322

00:13:02,310 --> 00:13:00,000

and it was very very knowledgeable on

323

00:13:04,949 --> 00:13:02,320

all of this

324

00:13:06,470 --> 00:13:04,959

reg wrote a very interesting book called

325

00:13:09,190 --> 00:13:06,480

40 things

326

00:13:11,030 --> 00:13:09,200

they won't tell us about

327

00:13:12,230 --> 00:13:11,040

i have a copy of it which i'll bring

328

00:13:14,230 --> 00:13:12,240

next time

329

00:13:15,509 --> 00:13:14,240

um couldn't get it in time for this

330

00:13:16,949 --> 00:13:15,519

evening

331

00:13:19,430 --> 00:13:16,959

um

332

00:13:21,430 --> 00:13:19,440

now a video which he once showed us at

333

00:13:23,750 --> 00:13:21,440

one of the meetings

334

00:13:27,350 --> 00:13:23,760

showed a farmer

335

00:13:29,269 --> 00:13:27,360

plowing a furrow on the wheelchair plane

336

00:13:33,350 --> 00:13:29,279

and directly behind him

337

00:13:36,949 --> 00:13:33,360

was a big plantation of corn

338

00:13:39,829 --> 00:13:36,959

without any warning three olds of light

339

00:13:41,269 --> 00:13:39,839

about the size of large beach walls came

340

00:13:43,509 --> 00:13:41,279

down from the sky

341

00:13:46,069 --> 00:13:43,519

and for about five minutes

342

00:13:47,190 --> 00:13:46,079

they actually just went over the crop up

343

00:13:49,590 --> 00:13:47,200

down

344

00:13:51,030 --> 00:13:49,600

just over it then all of a sudden a

345

00:13:53,670 --> 00:13:51,040

formation

346

00:13:55,990 --> 00:13:53,680

was created by these orbs of light which

347

00:13:57,269 --> 00:13:56,000

went directly straight up into the sky

348

00:13:58,069 --> 00:13:57,279

and there they were

349

00:14:01,189 --> 00:13:58,079

now

350

00:14:04,150 --> 00:14:01,199

that

351
00:14:06,710 --> 00:14:04,160
reg actually presented and showed us

352
00:14:09,829 --> 00:14:07,430
it's

353
00:14:12,470 --> 00:14:09,839
as i say you know people can make their

354
00:14:15,670 --> 00:14:12,480
own judgment whether it's right wrong or

355
00:14:17,829 --> 00:14:15,680
indifferent anyway um i'd like to say

356
00:14:19,269 --> 00:14:17,839
before i conclude because i've brought

357
00:14:20,389 --> 00:14:19,279
quite a long

358
00:14:22,470 --> 00:14:20,399
um

359
00:14:23,990 --> 00:14:22,480
dvd for you to see on various crop

360
00:14:25,269 --> 00:14:24,000
circles which will take all even though

361
00:14:27,509 --> 00:14:25,279
we're not going to do that because we've

362
00:14:31,030 --> 00:14:27,519
got other things to discuss

363
00:14:33,509 --> 00:14:31,040

but um you can see it for 20-25 minutes

364

00:14:35,590 --> 00:14:33,519

um i've had this for many years and i've

365

00:14:38,069 --> 00:14:35,600

never seen it myself so i'll be quite

366

00:14:39,509 --> 00:14:38,079

interested in seeing what it's about

367

00:14:42,870 --> 00:14:39,519

there's one

368

00:14:45,670 --> 00:14:42,880

very interesting uh crop circle i'm sure

369

00:14:47,829 --> 00:14:45,680

you've heard of the organization seti

370

00:14:49,910 --> 00:14:47,839

which is search for extraterrestrial

371

00:14:53,670 --> 00:14:49,920

life americans

372

00:14:57,030 --> 00:14:53,680

and they have a signal station

373

00:15:00,310 --> 00:14:57,040

in arizo in puerto rico

374

00:15:03,590 --> 00:15:00,320

now in 1974

375

00:15:05,430 --> 00:15:03,600

they sent a binary message

376
00:15:07,670 --> 00:15:05,440
out to the universe

377
00:15:08,629 --> 00:15:07,680
of which is on i think it's a second

378
00:15:10,829 --> 00:15:08,639
page

379
00:15:14,389 --> 00:15:10,839
before the end of that particular

380
00:15:16,470 --> 00:15:14,399
leaflet and basically

381
00:15:19,910 --> 00:15:16,480
it had

382
00:15:22,310 --> 00:15:19,920
our numerals at the top

383
00:15:25,430 --> 00:15:22,320
alphabet underneath

384
00:15:26,790 --> 00:15:25,440
what we can see to be the universe in a

385
00:15:29,990 --> 00:15:26,800
shape

386
00:15:31,590 --> 00:15:30,000
with a drawn of the human being and the

387
00:15:34,790 --> 00:15:31,600
letter m

388
00:15:38,150 --> 00:15:34,800

underneath now this was sent out from

389

00:15:40,389 --> 00:15:38,160

uh arecibo in 1974

390

00:15:42,310 --> 00:15:40,399

and took quite a while before we

391

00:15:45,990 --> 00:15:42,320

actually had a reply

392

00:15:48,389 --> 00:15:46,000

which we did have a reply in 2002

393

00:15:52,310 --> 00:15:48,399

in the form of a crop circle

394

00:15:56,870 --> 00:15:54,710

very very interesting was it a hoax was

395

00:15:58,470 --> 00:15:56,880

it genuine it was a very very complex

396

00:16:03,590 --> 00:15:58,480

message

397

00:16:06,829 --> 00:16:03,600

universe was different

398

00:16:10,310 --> 00:16:06,839

to the form that we believed it to be

399

00:16:12,870 --> 00:16:10,320

and there was a grey alien on it

400

00:16:16,069 --> 00:16:12,880

and um

401
00:16:17,269 --> 00:16:16,079
was it a hoax was it real i don't know

402
00:16:19,030 --> 00:16:17,279
um

403
00:16:21,189 --> 00:16:19,040
but it's quite interesting because i say

404
00:16:23,749 --> 00:16:21,199
it took 20 years

405
00:16:25,189 --> 00:16:23,759
uh in order to get a reply was it

406
00:16:28,949 --> 00:16:25,199
man-made

407
00:16:30,790 --> 00:16:28,959
very very complicated but anyway um

408
00:16:33,590 --> 00:16:30,800
not a lot that can add i think i'll let

409
00:16:35,430 --> 00:16:33,600
the crop circles do the work and you can

410
00:16:37,670 --> 00:16:35,440
have a look at the video and see the

411
00:16:39,350 --> 00:16:37,680
different formations and if i can

412
00:16:40,949 --> 00:16:39,360
be a service to you in any way any

413
00:16:41,749 --> 00:16:40,959

questions you want to ask and form it

414

00:16:44,150 --> 00:16:41,759

like

415

00:16:46,629 --> 00:16:44,160

without any shadow or yes

416

00:17:01,189 --> 00:16:46,639

as far as i'm going so somewhere out

417

00:17:01,199 --> 00:17:09,990

okay

418

00:17:12,789 --> 00:17:11,590

yes there is

419

00:17:14,870 --> 00:17:12,799

yes

420

00:17:16,789 --> 00:17:14,880

um

421

00:17:19,829 --> 00:17:16,799

yeah there is i mean i couldn't

422

00:17:22,309 --> 00:17:19,839

specifically tell you the world level

423

00:17:25,029 --> 00:17:22,319

but the very texture the very nature the

424

00:17:28,230 --> 00:17:25,039

very soil is entirely different within

425

00:17:30,830 --> 00:17:28,240

that complex than it is outside

426

00:17:33,270 --> 00:17:30,840

um so whatever is

427

00:17:34,310 --> 00:17:33,280

actually making them

428

00:17:36,630 --> 00:17:34,320

um

429

00:17:39,110 --> 00:17:36,640

is a very very high energy field to be

430

00:17:40,789 --> 00:17:39,120

able to produce and indeed

431

00:17:42,789 --> 00:17:40,799

as you noticed on

432

00:17:44,150 --> 00:17:42,799

the film the the corn is actually

433

00:17:46,150 --> 00:17:44,160

swathed

434

00:17:47,430 --> 00:17:46,160

even with an intense energy it's not

435

00:17:49,270 --> 00:17:47,440

broken

436

00:17:51,510 --> 00:17:49,280

now i would assume what you were saying

437

00:17:53,750 --> 00:17:51,520

steve about youngsters doing it

438

00:17:55,750 --> 00:17:53,760

um and they do i mean yeah

439

00:17:56,950 --> 00:17:55,760

there are men that don't create crop

440

00:17:59,110 --> 00:17:56,960

circles

441

00:18:01,669 --> 00:17:59,120

but when you when you actually

442

00:18:04,150 --> 00:18:01,679

study them they are entirely different

443

00:18:05,750 --> 00:18:04,160

and can be seen as such when you see it

444

00:18:07,430 --> 00:18:05,760

you know what's man-made yeah that's

445

00:18:09,669 --> 00:18:07,440

exactly what this documentary was

446

00:18:11,270 --> 00:18:09,679

showing they spent six of them spent

447

00:18:13,350 --> 00:18:11,280

hours and hours and hours on this and it

448

00:18:15,990 --> 00:18:13,360

was very very basic you know

449

00:18:18,470 --> 00:18:16,000

so to produce something so um so

450

00:18:20,789 --> 00:18:18,480

difficult yeah well it's something 980

451

00:18:22,950 --> 00:18:20,799

feet across one half i was in the dark

452

00:18:24,789 --> 00:18:22,960

exactly you know it's terrifically

453

00:18:26,549 --> 00:18:24,799

perfect beggar's belief really but there

454

00:18:28,310 --> 00:18:26,559

it is it's there for everyone to see

455

00:18:30,950 --> 00:18:28,320

this

456

00:18:33,350 --> 00:18:30,960

well i'm just going to say with the um

457

00:18:35,190 --> 00:18:33,360

the fake ones and the real ones yeah was

458

00:18:37,909 --> 00:18:35,200

there a difference in a

459

00:18:40,789 --> 00:18:37,919

electric magnetic energy and uh all that

460

00:18:45,110 --> 00:18:42,710

i've never been in the one that that's

461

00:18:48,230 --> 00:18:45,120

actually fake so i could i couldn't say

462

00:18:49,990 --> 00:18:48,240

give it a fair comparison you know yeah

463

00:18:51,750 --> 00:18:50,000

um

464

00:18:53,190 --> 00:18:51,760

no the ones the ones that i've seen that

465

00:18:54,630 --> 00:18:53,200

have come through all the society and

466

00:18:56,390 --> 00:18:54,640

whatever and we've gone out and we've

467

00:18:58,150 --> 00:18:56,400

got to

468

00:19:00,310 --> 00:18:58,160

yeah and you can tell you could

469

00:19:01,830 --> 00:19:00,320

instantly

470

00:19:04,870 --> 00:19:01,840

you can tell the difference between a

471

00:19:06,950 --> 00:19:04,880

hawks one and one that is

472

00:19:08,950 --> 00:19:06,960

what else

473

00:19:10,710 --> 00:19:08,960

well i think we've a bit of a break have

474

00:19:13,510 --> 00:19:10,720

a break now um
