

1  
00:00:14,299 --> 00:00:11,209  
steve and emmalin where do we begin with

2  
00:00:17,390 --> 00:00:14,309  
all this what a little bit about our

3  
00:00:19,340 --> 00:00:17,400  
backgrounds I suppose yeah yeah so first

4  
00:00:24,109 --> 00:00:19,350  
of all though before we go to the the

5  
00:00:26,359 --> 00:00:24,119  
network Swansea UFO network what started

6  
00:00:29,089 --> 00:00:26,369  
you know what what started you get it

7  
00:00:31,609 --> 00:00:29,099  
would be you naturally open-minded as a

8  
00:00:34,639 --> 00:00:31,619  
person did you become open-minded with a

9  
00:00:37,340 --> 00:00:34,649  
series of events at me do that way is it

10  
00:00:39,709 --> 00:00:37,350  
just a need I would say I've always had

11  
00:00:44,540 --> 00:00:39,719  
an interest in the subject since the

12  
00:00:46,729 --> 00:00:44,550  
1970s with the advent of all the UFO but

13  
00:00:48,110 --> 00:00:46,739

especially the last triangle oops now so

14

00:00:50,930 --> 00:00:48,120

everything around that period that's

15

00:00:52,910 --> 00:00:50,940

where my interest started once it was a

16

00:00:57,709 --> 00:00:52,920

deeply personal time but what it was an

17

00:00:59,840 --> 00:00:57,719

interest only have had one sighting and

18

00:01:01,400 --> 00:00:59,850

that was I can remember the exact year

19

00:01:03,170 --> 00:01:01,410

because I remember the registration of

20

00:01:08,740 --> 00:01:03,180

the car I was driving funnily enough it

21

00:01:13,580 --> 00:01:08,750

was about nineteen eighty-eight and I

22

00:01:15,200 --> 00:01:13,590

was in casual area on castle hill on the

23

00:01:17,149 --> 00:01:15,210

road coming up from the beach up towards

24

00:01:19,039 --> 00:01:17,159

Newton all that steep hill is a nasty

25

00:01:21,080 --> 00:01:19,049

pearl you've got some Eclipse chalets

26

00:01:22,969 --> 00:01:21,090

which are on the right hand side note

27

00:01:24,800 --> 00:01:22,979

the view of the sky there is not

28

00:01:26,980 --> 00:01:24,810

particularly good you got cliffs and

29

00:01:29,240 --> 00:01:26,990

hills both sides of the road yeah ah

30

00:01:32,120 --> 00:01:29,250

this was about midnight and I was

31

00:01:35,560 --> 00:01:32,130

working down there I was a policeman at

32

00:01:37,880 --> 00:01:35,570

the time and in a previous life and I

33

00:01:39,380 --> 00:01:37,890

had a job on down there and there was

34

00:01:43,249 --> 00:01:39,390

two of us standing there and we'd

35

00:01:44,780 --> 00:01:43,259

blocked the road off and we just

36

00:01:47,929 --> 00:01:44,790

happened to look up goodness knows why

37

00:01:53,030 --> 00:01:47,939

and was extremely bright white light

38

00:01:55,370 --> 00:01:53,040

visible directly above us no I suppose

39

00:01:59,209 --> 00:01:55,380

it was about midnight and it was a hot

40

00:02:00,859 --> 00:01:59,219

summer's evening I remember looking up

41

00:02:02,810 --> 00:02:00,869

and thinking well as can't be an

42

00:02:04,940 --> 00:02:02,820

aircraft because of his stationary and

43

00:02:07,280 --> 00:02:04,950

it was too big to be a star it

44

00:02:09,949 --> 00:02:07,290

definitely wasn't an aircraft and we

45

00:02:11,930 --> 00:02:09,959

watch it for about five minutes then all

46

00:02:13,160 --> 00:02:11,940

of a sudden it just took off it just

47

00:02:15,860 --> 00:02:13,170

took off in a

48

00:02:17,900 --> 00:02:15,870

you're 70 direction towards the beach

49

00:02:19,790 --> 00:02:17,910

then all over the week to work as well I

50

00:02:21,559 --> 00:02:19,800

would just suddenly disappear but the

51  
00:02:23,870 --> 00:02:21,569  
speed had disappeared out and you can

52  
00:02:26,690 --> 00:02:23,880  
rule out a helicopter would reload to an

53  
00:02:29,420 --> 00:02:26,700  
aircraft it was something a very strange

54  
00:02:31,160 --> 00:02:29,430  
sighting you know what no meteor and

55  
00:02:35,059 --> 00:02:31,170  
Jenna because doing stationary for so

56  
00:02:37,430 --> 00:02:35,069  
long prior to that but I'd love to save

57  
00:02:38,870 --> 00:02:37,440  
seen a big flying saucer all lit up with

58  
00:02:40,220 --> 00:02:38,880  
colored lights running unfortunately I

59  
00:02:42,890 --> 00:02:40,230  
have that's the only site and I've ever

60  
00:02:46,430 --> 00:02:42,900  
seen but what was the feeling at the

61  
00:02:48,470 --> 00:02:46,440  
time not a lot you know I mean ice you

62  
00:02:49,990 --> 00:02:48,480  
couldn't report it are you gonna do a

63  
00:02:56,720 --> 00:02:50,000

report of the police i was at please

64

00:02:59,870 --> 00:02:56,730

that's that yeah but no it it was

65

00:03:03,110 --> 00:02:59,880

interesting but i didn't dwell on it and

66

00:03:04,580 --> 00:03:03,120

to be honest for the next 15 years

67

00:03:06,620 --> 00:03:04,590

although i had an interest in the

68

00:03:08,030 --> 00:03:06,630

subject it didn't sort of make me

69

00:03:11,330 --> 00:03:08,040

interest any and didn't further my

70

00:03:12,500 --> 00:03:11,340

interested in the subject but i really

71

00:03:16,880 --> 00:03:12,510

started getting interested when I

72

00:03:20,930 --> 00:03:16,890

retired which was about 2002 and then in

73

00:03:22,550 --> 00:03:20,940

2002 of course advent of in internet

74

00:03:24,500 --> 00:03:22,560

then and there was loads of stuff on it

75

00:03:27,949 --> 00:03:24,510

about UFOs now restarted getting there

76

00:03:31,280 --> 00:03:27,959

quite a deep interest in the subject ah

77

00:03:34,099 --> 00:03:31,290

did it overlap with other interests like

78

00:03:35,210 --> 00:03:34,109

psychic ability and all that of us ya

79

00:03:39,530 --> 00:03:35,220

don't mind with a lot of different

80

00:03:41,360 --> 00:03:39,540

subjects but UFOs was the main thing so

81

00:03:44,300 --> 00:03:41,370

I started looking then about two

82

00:03:46,819 --> 00:03:44,310

thousand and end of 2014 to see if there

83

00:03:51,380 --> 00:03:46,829

was a UFO club locally that we could

84

00:03:54,500 --> 00:03:51,390

join two names cropped up in this one

85

00:03:57,500 --> 00:03:54,510

the area well in the whales area one was

86

00:04:00,080 --> 00:03:57,510

in the valleys in South Wales somewhere

87

00:04:01,789 --> 00:04:00,090

but I sent a few emails to that address

88

00:04:03,199 --> 00:04:01,799

and didn't get any response and it

89

00:04:05,420 --> 00:04:03,209

looked as if that the club would shut

90

00:04:09,440 --> 00:04:05,430

down the other one was actually in

91

00:04:12,470 --> 00:04:09,450

Swansea but that I went to see the

92

00:04:16,020 --> 00:04:12,480

chapel who's running that and that had

93

00:04:18,420 --> 00:04:16,030

stopped running as well

94

00:04:19,800 --> 00:04:18,430

but he was going to start up again so I

95

00:04:21,449 --> 00:04:19,810

waited quite a while to see if he were

96

00:04:22,710 --> 00:04:21,459

gonna start up again and he didn't so

97

00:04:24,930 --> 00:04:22,720

that the one don't whine straight that's

98

00:04:26,580 --> 00:04:24,940

right to get so I thought well now's the

99

00:04:30,360 --> 00:04:26,590

time take the bull by the horns and

100

00:04:34,740 --> 00:04:30,370

start our own Club so I set up a

101  
00:04:39,390 --> 00:04:34,750  
Facebook page and I think we call it

102  
00:04:41,730 --> 00:04:39,400  
sorcerer Swansea area UFO examinations

103  
00:04:43,980 --> 00:04:41,740  
and research that's where exactly on the

104  
00:04:46,890 --> 00:04:43,990  
team yet to get the acronym sorcerer in

105  
00:04:50,820 --> 00:04:46,900  
it well it only be not a couple of days

106  
00:04:53,000 --> 00:04:50,830  
and then eminen he rang me and basically

107  
00:04:55,620 --> 00:04:53,010  
at exactly the same idea as I had

108  
00:04:58,409 --> 00:04:55,630  
virtually what the Cygnus a week each

109  
00:05:00,180 --> 00:04:58,419  
started putting his own Facebook pages

110  
00:05:01,830 --> 00:05:00,190  
as well ya thought I don't start

111  
00:05:03,510 --> 00:05:01,840  
something odd yeah start the facebook

112  
00:05:06,510 --> 00:05:03,520  
page so I can take it from that yeah

113  
00:05:09,469 --> 00:05:06,520

yeah start with the facebook page and i

114

00:05:12,990 --> 00:05:09,479

called it swansea UFO club or something

115

00:05:14,790 --> 00:05:13,000

come emana and then a half hour I put

116

00:05:18,030 --> 00:05:14,800

search the Google I got a couple of

117

00:05:20,490 --> 00:05:18,040

local shots from google put those on the

118

00:05:22,620 --> 00:05:20,500

page just start to fill it out yeah I

119

00:05:25,380 --> 00:05:22,630

thought what if there's already one in

120

00:05:27,630 --> 00:05:25,390

existence so I did a search and then

121

00:05:29,190 --> 00:05:27,640

Steve's came up then I thought I was

122

00:05:31,170 --> 00:05:29,200

apartments two of us doing it so I close

123

00:05:34,710 --> 00:05:31,180

mine after they've been half an hour old

124

00:05:37,020 --> 00:05:34,720

and i joined yours I was like your way

125

00:05:39,150 --> 00:05:37,030

you have a 52 likes of them whether your

126

00:05:42,210 --> 00:05:39,160

fascination come from was that in it or

127

00:05:45,270 --> 00:05:42,220

did you is it learned fascination some

128

00:05:50,700 --> 00:05:45,280

time all my life from when I was about

129

00:05:53,270 --> 00:05:50,710

15 16 anak picked a UFO paperback up one

130

00:05:55,680 --> 00:05:53,280

of the early ones like donald e ki ho or

131

00:05:59,010 --> 00:05:55,690

j allen hynek one of those early ones

132

00:06:02,940 --> 00:05:59,020

from a second 60s or 70s I started

133

00:06:04,110 --> 00:06:02,950

collecting them reading up and over the

134

00:06:06,390 --> 00:06:04,120

years you know life gets in their way so

135

00:06:07,560 --> 00:06:06,400

i put the one side and then you come

136

00:06:10,890 --> 00:06:07,570

back to it for vet then you leave it

137

00:06:12,330 --> 00:06:10,900

again and then it was only thing the

138

00:06:15,570 --> 00:06:12,340

last two years i started get back into

139

00:06:17,640 --> 00:06:15,580

it again with the internet

140

00:06:20,189 --> 00:06:17,650

update to myself with what's been going

141

00:06:22,020 --> 00:06:20,199

on and the the local person out that the

142

00:06:25,890 --> 00:06:22,030

personalities worldwide that into it

143

00:06:28,980 --> 00:06:25,900

yeah and ufologists and researchers and

144

00:06:31,369 --> 00:06:28,990

commentators a new research looks like

145

00:06:34,860 --> 00:06:31,379

Kerry Cassidy project camelot than

146

00:06:36,869 --> 00:06:34,870

others though yelling friedman yes dr.

147

00:06:39,360 --> 00:06:36,879

Friedman ever i picked up a couple of

148

00:06:42,839 --> 00:06:39,370

books recently from him in the last two

149

00:06:45,959 --> 00:06:42,849

years and I started compiling my own

150

00:06:48,809 --> 00:06:45,969

database of cases yes you do phenomenal

151  
00:06:51,330 --> 00:06:48,819  
database in you've got yeah I was

152  
00:06:53,939 --> 00:06:51,340  
picking up worldwide and internet books

153  
00:06:55,589 --> 00:06:53,949  
I would just Colonel a chronology of

154  
00:06:57,480 --> 00:06:55,599  
reports now there's a few on the

155  
00:06:59,550 --> 00:06:57,490  
internet nightcap I've got a little run

156  
00:07:01,800 --> 00:06:59,560  
and a slightly boys case that easy go

157  
00:07:03,540 --> 00:07:01,810  
will be coming from this is asleep as if

158  
00:07:05,809 --> 00:07:03,550  
you some you switch a magnet on and you

159  
00:07:08,249 --> 00:07:05,819  
just attracted all this stuff well it's

160  
00:07:11,399 --> 00:07:08,259  
since we started the network really

161  
00:07:12,629 --> 00:07:11,409  
we've we publicize in it locally yeah PA

162  
00:07:14,279 --> 00:07:12,639  
la coming forward that's what really

163  
00:07:15,689 --> 00:07:14,289

impressed me when I when I first met you

164

00:07:17,369 --> 00:07:15,699

is the router research you've done

165

00:07:19,920 --> 00:07:17,379

because you have folders full of

166

00:07:21,659 --> 00:07:19,930

research of local Satan's you done had

167

00:07:23,490 --> 00:07:21,669

the library to the newspapers yeah

168

00:07:25,379 --> 00:07:23,500

trolleys patrol in the library Maya

169

00:07:28,230 --> 00:07:25,389

filmed us to take an awful lot of work

170

00:07:30,510 --> 00:07:28,240

to do dear did you have any experiences

171

00:07:34,110 --> 00:07:30,520

growing up of a of any paranormal titles

172

00:07:35,640 --> 00:07:34,120

it's just a curiosity that built up just

173

00:07:38,430 --> 00:07:35,650

curiosity built up I did have one

174

00:07:45,300 --> 00:07:38,440

psyched in the boat when i was living in

175

00:07:48,329 --> 00:07:45,310

mannar life the first time in but 1996

176

00:07:50,339 --> 00:07:48,339

and like that my back garden in the

177

00:07:54,420 --> 00:07:50,349

southern sky yeah it's very high up i

178

00:07:57,360 --> 00:07:54,430

saw a red light i can only compare it to

179

00:07:59,070 --> 00:07:57,370

remember in a fire or a far against you

180

00:08:01,439 --> 00:07:59,080

know the red yeah that sort of quality

181

00:08:03,360 --> 00:08:01,449

to the likely a fuzzy patch and it was

182

00:08:08,279 --> 00:08:03,370

moving with an undulating motion like

183

00:08:10,649 --> 00:08:08,289

that east to west fixed i wasn't feet up

184

00:08:12,809 --> 00:08:10,659

that's the only suck my bad but

185

00:08:15,149 --> 00:08:12,819

obviously neither of you without worried

186

00:08:17,100 --> 00:08:15,159

about you know your public image

187

00:08:19,679 --> 00:08:17,110

yourself in which you remember as a life

188

00:08:21,359 --> 00:08:19,689

because I am what I am a people can take

189

00:08:23,129 --> 00:08:21,369

before what I am was it ever a time

190

00:08:25,200 --> 00:08:23,139

where you thought you said all or I

191

00:08:26,999 --> 00:08:25,210

might not do this because I'm afraid of

192

00:08:29,219 --> 00:08:27,009

what people will say it's unfortunately

193

00:08:30,659 --> 00:08:29,229

is that stigma your bone to think that I

194

00:08:32,519 --> 00:08:30,669

think everyone involved in this sort of

195

00:08:34,079 --> 00:08:32,529

thing burpee being self employed to mean

196

00:08:37,800 --> 00:08:34,089

you're retired yeah he's don't work in

197

00:08:40,040 --> 00:08:37,810

the force anymore I'm self-employed so I

198

00:08:43,499 --> 00:08:40,050

haven't got an employer to worry about

199

00:08:47,400 --> 00:08:43,509

so because my employer is the the

200

00:08:51,629 --> 00:08:47,410

general public and I got more qualms

201

00:08:55,499 --> 00:08:51,639

really firm if i'm known as a UFO nuts

202

00:08:57,960 --> 00:08:55,509

talega i mean in the past my self esteem

203

00:09:00,960 --> 00:08:57,970

of being soulless solo I got a drill for

204

00:09:03,749 --> 00:09:00,970

it so if I think I must see this family

205

00:09:06,600 --> 00:09:03,759

now but I mean any and you just don't

206

00:09:11,689 --> 00:09:06,610

care what people think you know you you

207

00:09:14,009 --> 00:09:11,699

you you your own individual and you know

208

00:09:17,879 --> 00:09:14,019

thing is the human race people so

209

00:09:19,559 --> 00:09:17,889

triangle by nature aren't they that that

210

00:09:22,319 --> 00:09:19,569

it's nice when somebody comes out by my

211

00:09:26,220 --> 00:09:22,329

own bought that I really do because not

212

00:09:28,290 --> 00:09:26,230

everybody will do it when I saw was an

213

00:09:29,699 --> 00:09:28,300

opening for the club as I say I tried to

214

00:09:31,439 --> 00:09:29,709

find one that was alone there's an open

215

00:09:33,180 --> 00:09:31,449

for the club and I think the amount of

216

00:09:34,680 --> 00:09:33,190

people that had come along and opened up

217

00:09:37,500 --> 00:09:34,690

to us about what they've seen I think

218

00:09:41,430 --> 00:09:37,510

yeah it was needed yeah it'll well we

219

00:09:43,199 --> 00:09:41,440

started we had a chat in a rod shop me

220

00:09:46,620 --> 00:09:43,209

me my partner's old shop in Munster

221

00:09:53,040 --> 00:09:46,630

Street back in febrile now everyone's

222

00:09:55,350 --> 00:09:53,050

2015 and we know November 2015 um

223

00:09:57,150 --> 00:09:55,360

we thought like me set the facebook page

224

00:09:58,829 --> 00:09:57,160

up and then we met in a pub of a couple

225

00:10:04,230 --> 00:09:58,839

pints with another guy yeah Jeffrey's

226

00:10:06,630 --> 00:10:04,240

Jordans yeah and we decided to change

227

00:10:10,740 --> 00:10:06,640

the name from saucer that you are it was

228

00:10:17,790 --> 00:10:10,750

too long and we thought on a su club sue

229

00:10:18,840 --> 00:10:17,800

fork group su fog didn't sue fog didn't

230

00:10:21,150 --> 00:10:18,850

didn't really sell know and we thought

231

00:10:24,690 --> 00:10:21,160

network like mutual UFO network in

232

00:10:26,190 --> 00:10:24,700

America because I'm not shocked people

233

00:10:27,780 --> 00:10:26,200

that I've been to that's what we're

234

00:10:30,329 --> 00:10:27,790

trying to gather is a network of people

235

00:10:35,090 --> 00:10:30,339

who like minds and interests like

236

00:10:37,560 --> 00:10:35,100

yourself as a discussion group and and

237

00:10:41,160 --> 00:10:37,570

investigating and people can come to us

238

00:10:45,690 --> 00:10:41,170

with sightings or no their first meeting

239

00:10:47,400 --> 00:10:45,700

then was in April's and I think the yeah

240

00:10:49,139 --> 00:10:47,410

the welcome and hungover love ya we had

241

00:10:50,250 --> 00:10:49,149

no idea many people to info was sitting

242

00:10:52,350 --> 00:10:50,260

there wondering if anybody's going to

243

00:10:54,389 --> 00:10:52,360

turn up to this and then in the meantime

244

00:10:56,699 --> 00:10:54,399

I had the front page father in the UK

245

00:10:58,050 --> 00:10:56,709

posting like I saw that horrible picture

246

00:10:59,579 --> 00:10:58,060

of me that's right but it came at the

247

00:11:01,530 --> 00:10:59,589

right time this is about two days before

248

00:11:03,510 --> 00:11:01,540

the meeting started how many do we have

249

00:11:06,600 --> 00:11:03,520

with the first minute of 46 i think i'm

250

00:11:08,310 --> 00:11:06,610

also on the badass this ad was 46 a lot

251  
00:11:09,870 --> 00:11:08,320  
of form by the wayside but every month

252  
00:11:11,760 --> 00:11:09,880  
there's always seems to be new members

253  
00:11:13,500 --> 00:11:11,770  
their new people coming along there's

254  
00:11:16,560 --> 00:11:13,510  
always that hardcore regulars what their

255  
00:11:20,220 --> 00:11:16,570  
regulars who wanders there the facebook

256  
00:11:22,590 --> 00:11:20,230  
page with a 311 like snow making the

257  
00:11:24,840 --> 00:11:22,600  
facebook page where do you see the club

258  
00:11:27,840 --> 00:11:24,850  
going I'm like warned us like 12 started

259  
00:11:33,569 --> 00:11:27,850  
the youtube channel and you've you know

260  
00:11:35,020 --> 00:11:33,579  
a official videographer yeah how do you

261  
00:11:38,470 --> 00:11:35,030  
hope the club

262  
00:11:41,080 --> 00:11:38,480  
I mean did you do poor people grow a bit

263  
00:11:43,210 --> 00:11:41,090

like sort of to the standard or to the

264

00:11:46,330 --> 00:11:43,220

height of Gary Heseltine o people of

265

00:11:48,640 --> 00:11:46,340

that caliber or did you want to stay on

266

00:11:49,990 --> 00:11:48,650

a local level but you don't see what's

267

00:11:52,420 --> 00:11:50,000

happening yeah i think we are

268

00:11:55,270 --> 00:11:52,430

concentrating on when we started it

269

00:11:59,260 --> 00:11:55,280

because there's so much on the internet

270

00:12:01,900 --> 00:11:59,270

about rendell sherman Bedwin mountain

271

00:12:05,200 --> 00:12:01,910

and Roswell and all the international

272

00:12:08,170 --> 00:12:05,210

ones and we were constricted by time and

273

00:12:11,560 --> 00:12:08,180

money and we have got the money all the

274

00:12:13,450 --> 00:12:11,570

time to travel and reserve thousands of

275

00:12:14,980 --> 00:12:13,460

miles to interview witnesses because we

276

00:12:18,160 --> 00:12:14,990

find in this plenty of it witnesses in

277

00:12:22,510 --> 00:12:18,170

the area is this so much rid up to in

278

00:12:26,530 --> 00:12:22,520

the file now our file I've got 220 cases

279

00:12:28,020 --> 00:12:26,540

now get off at 230 cases well there are

280

00:12:30,490 --> 00:12:28,030

the only ones that have been reported

281

00:12:34,300 --> 00:12:30,500

imagine yeah haven't been oh and I've

282

00:12:37,290 --> 00:12:34,310

got those from the newspaper some of the

283

00:12:43,240 --> 00:12:37,300

internet the people have log filed on

284

00:12:45,430 --> 00:12:43,250

websites like you UK UFO and beams seen

285

00:12:50,200 --> 00:12:45,440

that one beams yeah there's a few local

286

00:12:53,710 --> 00:12:50,210

ones in there um the MOV files Johnny

287

00:12:56,470 --> 00:12:53,720

nygma was kind enough to send me it give

288

00:12:59,050 --> 00:12:56,480

me a memory stick with all the released

289

00:13:01,030 --> 00:12:59,060

met MLG files that he purchased few

290

00:13:03,280 --> 00:13:01,040

years ago and I'm trawling through those

291

00:13:04,900 --> 00:13:03,290

getting all the local ones by local we

292

00:13:08,560 --> 00:13:04,910

looking up sort of bridge n to come more

293

00:13:10,270 --> 00:13:08,570

than area yeah we could I mean I got a

294

00:13:12,130 --> 00:13:10,280

couple from Bracken amer phone there's

295

00:13:14,440 --> 00:13:12,140

12 in Cardiff or not I don't know i mean

296

00:13:16,390 --> 00:13:14,450

how strange is that the people are

297

00:13:17,980 --> 00:13:16,400

coming from everywhere and i think more

298

00:13:20,710 --> 00:13:17,990

people will come forward as time goes on

299

00:13:23,050 --> 00:13:20,720

because most people they have shame

300

00:13:24,910 --> 00:13:23,060

attached to the experiences today the

301  
00:13:26,350 --> 00:13:24,920  
club is a safe haven for people to come

302  
00:13:28,840 --> 00:13:26,360  
along and open up those but like an

303  
00:13:30,220 --> 00:13:28,850  
enormous australia we found that the

304  
00:13:32,350 --> 00:13:30,230  
people yeah come along when they hear

305  
00:13:34,030 --> 00:13:32,360  
other people tenants or was similar to

306  
00:13:35,620 --> 00:13:34,040  
their own they will open up and yeah

307  
00:13:37,180 --> 00:13:35,630  
people saying they saw earlier this

308  
00:13:39,130 --> 00:13:37,190  
summer fun

309  
00:13:40,840 --> 00:13:39,140  
where they can come and talk about it

310  
00:13:43,110 --> 00:13:40,850  
and get like the Jewish people as well

311  
00:13:45,550 --> 00:13:43,120  
yeah yeahs one lady that had the story

312  
00:13:48,400 --> 00:13:45,560  
from that she can try a little nuts

313  
00:13:51,040 --> 00:13:48,410

since my 70 and she never told anybody

314

00:13:52,720 --> 00:13:51,050

and she came and told us and he was like

315

00:13:55,780 --> 00:13:52,730

a weight off of me yeah that's right

316

00:13:58,600 --> 00:13:55,790

like he didn't process almost and it's

317

00:14:00,430 --> 00:13:58,610

great I you know it's the way I found is

318

00:14:02,350 --> 00:14:00,440

access to say all this all rubbish an

319

00:14:04,480 --> 00:14:02,360

awesome figment of people's imagination

320

00:14:06,250 --> 00:14:04,490

or check out the light how do you Debus

321

00:14:08,500 --> 00:14:06,260

kept it so if you get into arguments for

322

00:14:10,210 --> 00:14:08,510

them or t or t just a video to a point

323

00:14:12,340 --> 00:14:10,220

busy i'm not into arguments that beat

324

00:14:14,020 --> 00:14:12,350

them up we not let me find most people

325

00:14:18,060 --> 00:14:14,030

if you brush the subjects most people

326

00:14:20,770 --> 00:14:18,070

wear soy up leaders like house fire yeah

327

00:14:22,840 --> 00:14:20,780

so much hype on Hollywood doesn't then

328

00:14:25,690 --> 00:14:22,850

they've done it done this many many

329

00:14:27,790 --> 00:14:25,700

favors really physical things again

330

00:14:30,400 --> 00:14:27,800

dependent stay in the threat of are they

331

00:14:32,520 --> 00:14:30,410

going to invade but I think it's a

332

00:14:35,080 --> 00:14:32,530

subject we would have an open mind to

333

00:14:38,290 --> 00:14:35,090

say I've done a few talks over the last

334

00:14:41,350 --> 00:14:38,300

few months yeah and I think I've opened

335

00:14:45,520 --> 00:14:41,360

a few Isis through people say you

336

00:14:48,640 --> 00:14:45,530

probably visited from craft from other

337

00:14:50,890 --> 00:14:48,650

planets because near acceptable time is

338

00:14:53,770 --> 00:14:50,900

what 4.2 million like it's not afraid

339

00:14:57,370 --> 00:14:53,780

was going to favorite salesman they said

340

00:14:59,020 --> 00:14:57,380

that the nasty negative its say that you

341

00:15:03,760 --> 00:14:59,030

can't get here from there it's too far

342

00:15:05,200 --> 00:15:03,770

but what notice of it yeah that's on

343

00:15:06,850 --> 00:15:05,210

using the technology that they are

344

00:15:07,830 --> 00:15:06,860

knowable there's an awful lot of

345

00:15:10,650 --> 00:15:07,840

technology that we

346

00:15:13,110 --> 00:15:10,660

no vote and is being researched at this
