

1
00:00:58,049 --> 00:00:56,220
tonight we're going to talk about some

2
00:01:00,110 --> 00:00:58,059
abduction cases from the South Wales

3
00:01:02,130 --> 00:01:00,120
area

4
00:01:07,590 --> 00:01:02,140
last Thursday I went to see Hilary

5
00:01:10,889 --> 00:01:07,600
Porter a lady from Farnborough has a

6
00:01:13,620 --> 00:01:10,899
long long history of being abducted and

7
00:01:14,880 --> 00:01:13,630
she had missing time and lots of things

8
00:01:17,540 --> 00:01:14,890
happening in our house and when she was

9
00:01:19,919 --> 00:01:17,550
growing up basically she had a lot of

10
00:01:20,400 --> 00:01:19,929
happenings when she was from when she

11
00:01:21,840 --> 00:01:20,410
was a baby

12
00:01:24,510 --> 00:01:21,850
your mother would put it in the garden

13
00:01:28,050 --> 00:01:24,520

to be just to play when she was a

14

00:01:31,980 --> 00:01:28,060

toddler and mother would no longer the

15

00:01:36,889 --> 00:01:31,990

mother would be switch it off no

16

00:01:47,219 --> 00:01:41,969

disappeared garden gates bolted lit the

17

00:01:50,010 --> 00:01:47,229

phone this happened a few times actually

18

00:01:53,810 --> 00:01:50,020

her older things that happened to her

19

00:01:57,060 --> 00:01:53,820

and a friend are the NGO called Janet

20

00:02:00,719 --> 00:01:57,070

when they were teenagers they would see

21

00:02:03,959 --> 00:02:00,729

in craft in the sky again possible miss

22

00:02:07,109 --> 00:02:03,969

in time but it all came to her I had my

23

00:02:09,270 --> 00:02:07,119

thing 70 there was a major incident

24

00:02:11,910 --> 00:02:09,280

happened when she was on the way back

25

00:02:14,370 --> 00:02:11,920

from Ireland and that's what I'm

26

00:02:16,080 --> 00:02:14,380

concentrating on tonight with the with

27

00:02:17,940 --> 00:02:16,090

the video that I took but she is online

28

00:02:21,090 --> 00:02:17,950

she's meaning to be different

29

00:02:23,370 --> 00:02:21,100

researchers over the years she is quite

30

00:02:25,680 --> 00:02:23,380

bit on YouTube about her with all if we

31

00:02:29,250 --> 00:02:25,690

interested in the other things happening

32

00:02:30,539 --> 00:02:29,260

to her under under friends she does go

33

00:02:33,920 --> 00:02:30,549

into a lot of detail on language

34

00:02:37,979 --> 00:02:33,930

unfortunately I've got time codes so I

35

00:02:40,199 --> 00:02:37,989

start the video and about half an hour

36

00:02:42,380 --> 00:02:40,209

long after that then I'm going to talk a

37

00:02:46,620 --> 00:02:42,390

little bit more about some of the cases

38

00:02:50,640 --> 00:02:46,630

relevant to Hilary and then we'll have a

39

00:02:53,400 --> 00:02:50,650

half an hour break and then I'll resume

40

00:02:55,470 --> 00:02:53,410

them by talking about some cases we

41

00:02:59,620 --> 00:02:55,480

should Swansea you a phone network of

42

00:03:01,150 --> 00:02:59,630

discovered locally and

43

00:03:02,950 --> 00:03:01,160

a couple of us have been Steve need to

44

00:03:04,870 --> 00:03:02,960

meet a couple of people so I'll be going

45

00:03:09,280 --> 00:03:04,880

through those see what the similarities

46

00:03:13,540 --> 00:03:09,290

are between Hilary's case and local

47

00:03:16,120 --> 00:03:13,550

other local cases okay hello I'm Emily

48

00:03:17,800 --> 00:03:16,130

Williams swansey UFO network and I've

49

00:03:20,260 --> 00:03:17,810

traveled down from Swansea today for me

50

00:03:22,570 --> 00:03:20,270

to Farnborough to see Hilary Porter

51
00:03:24,970 --> 00:03:22,580
who's had many experiences over the

52
00:03:28,510 --> 00:03:24,980
years but today we like to talk to her

53
00:03:29,800 --> 00:03:28,520
but through experience in 1970 whilst

54
00:03:32,830 --> 00:03:29,810
travelling through South Wales on the

55
00:03:40,600 --> 00:03:32,840
way back from a trip to Ireland and more

56
00:03:46,090 --> 00:03:40,610
recently in 2009 infinitely hello

57
00:03:49,140 --> 00:03:46,100
everybody Hilary and I'm going to tell

58
00:03:54,670 --> 00:03:49,150
you all about the journey back from

59
00:03:59,830 --> 00:03:54,680
Ireland through Wales 1970 early

60
00:04:02,350 --> 00:03:59,840
September it was in the absolute dead of

61
00:04:06,940 --> 00:04:02,360
night with coming off the push guard

62
00:04:09,640 --> 00:04:06,950
ferry at about 115 traveled down to have

63
00:04:13,570 --> 00:04:09,650

a full of West and then we went

64

00:04:18,190 --> 00:04:13,580

southeast little roads because in that

65

00:04:20,500 --> 00:04:18,200

time those days there wasn't bm4 we were

66

00:04:26,200 --> 00:04:20,510

travelling I've got to about as far as

67

00:04:28,810 --> 00:04:26,210

we could remember to Swansea area and

68

00:04:34,360 --> 00:04:28,820

there's no more recall of the journey

69

00:04:37,960 --> 00:04:34,370

home the next thing we know it's sunrise

70

00:04:41,560 --> 00:04:37,970

and we're outside Cardiff now we're

71

00:04:46,180 --> 00:04:41,570

sitting in a garage forecourt and

72

00:04:48,340 --> 00:04:46,190

there's the sand and everything along

73

00:04:49,920 --> 00:04:48,350

the river 7 I could see

74

00:04:54,700 --> 00:04:49,930

weston-super-mare

75

00:04:57,760 --> 00:04:54,710

this way I can see the breach way way

76

00:05:01,690 --> 00:04:57,770

out in the distance to go back over to

77

00:05:07,810 --> 00:05:01,700

England I could see Somerset Levels that

78

00:05:11,890 --> 00:05:07,820

way nice and I was very very ill feeling

79

00:05:13,580 --> 00:05:11,900

absolutely dreadful my ex at the time he

80

00:05:15,970 --> 00:05:13,590

was very angry

81

00:05:19,220 --> 00:05:15,980

because he's given me the last few

82

00:05:21,230 --> 00:05:19,230

pounds to buy you know me other than

83

00:05:24,110 --> 00:05:21,240

everything cuz he knew I'd get migraines

84

00:05:28,340 --> 00:05:24,120

if I'm not careful if I don't eat

85

00:05:31,460 --> 00:05:28,350

properly so I had had perfectly good eat

86

00:05:34,820 --> 00:05:31,470

the evening meal and set me up for the

87

00:05:37,880 --> 00:05:34,830

night know something had happened I was

88

00:05:40,490 --> 00:05:37,890

really ill and I knew I'd been abducted

89

00:05:44,210 --> 00:05:40,500

somehow but I didn't know what he'll

90

00:05:49,070 --> 00:05:44,220

wear or anything all I know is I've got

91

00:05:51,350 --> 00:05:49,080

to get back to England so he's really

92

00:05:54,290 --> 00:05:51,360

angry but then he's looking at the

93

00:05:56,630 --> 00:05:54,300

dashboard and he says hmm

94

00:06:00,500 --> 00:05:56,640

he says that's a bit funny he says

95

00:06:02,390 --> 00:06:00,510

because you've got more petrol in there

96

00:06:04,670 --> 00:06:02,400

than one would've thought you said

97

00:06:08,270 --> 00:06:04,680

because you know we've traveled a good

98

00:06:13,280 --> 00:06:08,280

few miles and said why just get us home

99

00:06:15,650 --> 00:06:13,290

please so nothing more was said and then

100

00:06:18,800 --> 00:06:15,660

he we went over the bridge we had to pay

101
00:06:20,600 --> 00:06:18,810
in stamps to get across the bridge then

102
00:06:23,960 --> 00:06:20,610
we won't be seen we went to a bank and

103
00:06:28,150 --> 00:06:23,970
sort themselves out money wise food wise

104
00:06:31,550 --> 00:06:28,160
everything got home later that day I

105
00:06:33,970 --> 00:06:31,560
staggered into my bedroom I needed to

106
00:06:38,150 --> 00:06:33,980
sleep desperately because in those days

107
00:06:46,300 --> 00:06:38,160
driving in a little mini you know

108
00:06:53,710 --> 00:06:51,530
sprung anything in those days I found

109
00:06:59,870 --> 00:06:53,720
when I was getting undressed a

110
00:07:06,590 --> 00:06:59,880
triangular mark here and it was red

111
00:07:09,170 --> 00:07:06,600
blood-like sort of suction is that so I

112
00:07:12,320 --> 00:07:09,180
shouted sir Robert come and have a look

113
00:07:13,700 --> 00:07:12,330

you know the other look he said well you

114

00:07:16,220 --> 00:07:13,710

know it was a bit of a rough journey

115

00:07:20,620 --> 00:07:16,230

across he said maybe you fell against

116

00:07:23,870 --> 00:07:20,630

the bar you know or something you know

117

00:07:26,279 --> 00:07:23,880

getting around ship no no I would have

118

00:07:29,399 --> 00:07:26,289

remembered that so

119

00:07:31,709 --> 00:07:29,409

that is weird anyway I was so ill I just

120

00:07:34,409 --> 00:07:31,719

had to get to sleep I slept for a few

121

00:07:41,299 --> 00:07:34,419

hours while he prepared food and things

122

00:07:44,670 --> 00:07:41,309

like that it was seven years later when

123

00:07:49,559 --> 00:07:44,680

the flashbacks and everything started to

124

00:07:52,679 --> 00:07:49,569

happen and it came hard on the heels of

125

00:07:56,519 --> 00:07:52,689

another abduction at that very time and

126
00:08:02,609 --> 00:07:56,529
for whatever reason this was given to me

127
00:08:07,019 --> 00:08:02,619
this flashback the flashback is that yes

128
00:08:09,839 --> 00:08:07,029
we are at this beach we are seeing

129
00:08:12,649 --> 00:08:09,849
people walking up and down on the sand

130
00:08:15,809 --> 00:08:12,659
it appears to be a Sunday afternoon

131
00:08:21,149 --> 00:08:15,819
round about three o'clock rather than

132
00:08:24,689 --> 00:08:21,159
the dead of night and there's these

133
00:08:27,059 --> 00:08:24,699
aliens out on the beach and a craft

134
00:08:32,909 --> 00:08:27,069
that's landing I can't really see the

135
00:08:35,759 --> 00:08:32,919
craft in much detail because I wasn't

136
00:08:38,790 --> 00:08:35,769
allowed to I suppose it's how they work

137
00:08:43,079 --> 00:08:38,800
with you and the old mind anyway I go

138
00:08:49,129 --> 00:08:43,089

across the the coastal road where we are

139

00:08:52,550 --> 00:08:49,139

on to the beach and there was a tall

140

00:08:57,000 --> 00:08:52,560

alien that's per six foot maybe more

141

00:09:01,860 --> 00:08:57,010

with a green overall all in one with a

142

00:09:04,590 --> 00:09:01,870

box strapped to his chest and they're

143

00:09:07,740 --> 00:09:04,600

smaller ones but I cannot see any of

144

00:09:11,699 --> 00:09:07,750

their faces I've never been able to see

145

00:09:14,189 --> 00:09:11,709

their faces but he does say to me others

146

00:09:16,530 --> 00:09:14,199

perhaps it's telepathically Aziz well

147

00:09:18,900 --> 00:09:16,540

that when I move these buttons and

148

00:09:22,980 --> 00:09:18,910

things on this box that's going to be a

149

00:09:24,780 --> 00:09:22,990

seismic test done on the beach the

150

00:09:26,699 --> 00:09:24,790

people are going to get very angry you

151
00:09:31,310 --> 00:09:26,709
said when they get angry they're gonna

152
00:09:34,050 --> 00:09:31,320
run after us so we have got to run so

153
00:09:36,990 --> 00:09:34,060
but you say it's so good to have you

154
00:09:39,270 --> 00:09:37,000
here that's part of our team would you

155
00:09:39,750 --> 00:09:39,280
like to be part of our team I said yes I

156
00:09:43,350 --> 00:09:39,760
would

157
00:09:45,960 --> 00:09:43,360
so he said right so next thing I know

158
00:09:51,930 --> 00:09:45,970
he's doing these buttons and things and

159
00:09:54,960 --> 00:09:51,940
everything and sure enough he says run

160
00:10:02,340 --> 00:09:54,970
run the people are after us well there's

161
00:10:07,770 --> 00:10:02,350
like Georgian houses Terrace running

162
00:10:09,570 --> 00:10:07,780
along and this little garden and another

163
00:10:13,740 --> 00:10:09,580

bit of gardeners were going up a steep

164

00:10:16,980 --> 00:10:13,750

hill there's another of houses and he

165

00:10:19,470 --> 00:10:16,990

said go round there go go down here so

166

00:10:20,640 --> 00:10:19,480

we're running down the next road at the

167

00:10:25,050 --> 00:10:20,650

top of the hill

168

00:10:27,690 --> 00:10:25,060

I've run about seven houses along when

169

00:10:32,660 --> 00:10:27,700

there's suddenly a big gap and in this

170

00:10:35,460 --> 00:10:32,670

gap there is a path that goes down in a

171

00:10:38,760 --> 00:10:35,470

bit you know so far back down to the

172

00:10:41,820 --> 00:10:38,770

beach road and also it's very overgrown

173

00:10:43,680 --> 00:10:41,830

with loads of weeds and things you know

174

00:10:47,760 --> 00:10:43,690

it's never been built on since the war I

175

00:10:50,750 --> 00:10:47,770

would think anyway the voice says make

176

00:10:54,390 --> 00:10:50,760

for one of those cars down there well

177

00:10:58,230 --> 00:10:54,400

you know the car Kao look at what they

178

00:11:00,870 --> 00:10:58,240

call those little cars cars it there

179

00:11:03,210 --> 00:11:00,880

were two black ones but it looked like

180

00:11:07,590 --> 00:11:03,220

that that's the closest I consented they

181

00:11:12,120 --> 00:11:07,600

were really sort of Roundy's I look like

182

00:11:14,250 --> 00:11:12,130

a Volkswagen type thing but we rushed

183

00:11:18,780 --> 00:11:14,260

down and next thing I know I'm going

184

00:11:24,210 --> 00:11:18,790

into the passenger side of the first car

185

00:11:28,740 --> 00:11:24,220

come to accept I'm not in a car at all

186

00:11:30,560 --> 00:11:28,750

I'm in an oval-shaped between eighteen

187

00:11:35,670 --> 00:11:30,570

twenty foot

188

00:11:41,030 --> 00:11:35,680

craft and that is the craft inside

189

00:11:45,560 --> 00:11:41,040

I come to or whatever it is I'm due and

190

00:11:50,880 --> 00:11:48,420

they've got very long backs on them and

191

00:11:55,500 --> 00:11:50,890

I noticed that everything in that the

192

00:11:59,880 --> 00:11:55,510

craft was centrally anchored to the

193

00:12:02,640 --> 00:11:59,890

floor this table was very large they all

194

00:12:04,290 --> 00:12:02,650

kind of looked plasticky but I couldn't

195

00:12:07,440 --> 00:12:04,300

say they were I couldn't say they were

196

00:12:12,900 --> 00:12:07,450

leather not really sure what material

197

00:12:16,140 --> 00:12:12,910

they were made the green or one of the

198

00:12:19,200 --> 00:12:16,150

aliens in yet another green overall

199

00:12:26,160 --> 00:12:19,210

maybe the same one I was standing right

200

00:12:30,260 --> 00:12:26,170

next to me and then you've got another

201
00:12:34,520 --> 00:12:30,270
alien very similar sitting on a stall

202
00:12:37,560 --> 00:12:34,530
working a console I noticed how

203
00:12:40,260 --> 00:12:37,570
beautifully fashioned it was with the

204
00:12:41,400 --> 00:12:40,270
wall of the crafts I thought how

205
00:12:46,650 --> 00:12:41,410
beautiful that is

206
00:12:52,710 --> 00:12:46,660
maybe and being an artist and a

207
00:12:55,080 --> 00:12:52,720
draftsman I asked this bean I said can I

208
00:12:57,870 --> 00:12:55,090
go and have a look at the console oh yes

209
00:13:00,870 --> 00:12:57,880
he said that's fine so I got up and I

210
00:13:03,570 --> 00:13:00,880
walked across and I stood to the one

211
00:13:24,630 --> 00:13:03,580
side of this other alien being

212
00:13:27,570 --> 00:13:24,640
I saw the console the console made up of

213
00:13:33,120 --> 00:13:27,580

section squares and you could see a

214

00:13:37,830 --> 00:13:33,130

mapping system and you could also see a

215

00:13:42,720 --> 00:13:37,840

light moving extremely fast across this

216

00:13:45,090 --> 00:13:42,730

system it was then that I turned and I

217

00:13:49,050 --> 00:13:45,100

was looking out of the large windows

218

00:13:54,300 --> 00:13:49,060

here big horseshoe shaped front to it

219

00:13:59,360 --> 00:13:54,310

and I saw the other pilots in the chat

220

00:14:03,600 --> 00:13:59,370

piloting the craft again in the green oh

221

00:14:07,170 --> 00:14:03,610

he had these levers and he was moving

222

00:14:11,600 --> 00:14:07,180

levers back and forth and also his feet

223

00:14:14,760 --> 00:14:11,610

with something moving as well but by

224

00:14:24,630 --> 00:14:14,770

moving we've gone right across the seven

225

00:14:26,550 --> 00:14:24,640

almost in a matter of moments and I just

226

00:14:29,400 --> 00:14:26,560

asked you but you were traveling back

227

00:14:31,260 --> 00:14:29,410

from Ireland yes just before you're

228

00:14:33,720 --> 00:14:31,270

black you blacked out or whatever and

229

00:14:36,210 --> 00:14:33,730

and find yourself further on in the

230

00:14:41,420 --> 00:14:36,220

journey yes how far has he gone when

231

00:14:56,640 --> 00:14:54,120

swansea I think I'll use the coastal

232

00:15:10,050 --> 00:14:56,650

roads or something like that so many

233

00:15:16,730 --> 00:15:10,060

nice what was it on the motorway portal

234

00:15:24,210 --> 00:15:19,730

one doesn't sleep when you've got no

235

00:15:32,460 --> 00:15:24,220

suspension or anything yeah yeah in a

236

00:15:34,050 --> 00:15:32,470

mini there's not much space anemone so

237

00:15:37,740 --> 00:15:34,060

the next thing you know you were in a

238

00:15:40,560 --> 00:15:37,750

garage forecourt yes next would be any

239

00:15:43,200 --> 00:15:40,570

idea where that dawn oh yes it's just

240

00:15:45,810 --> 00:15:43,210

outside Cardiff just a sec I'm not sure

241

00:15:47,040 --> 00:15:45,820

exactly where because um you haven't

242

00:15:52,370 --> 00:15:47,050

been back to trying to retrace your

243

00:15:58,470 --> 00:15:55,920

I'd like to go when you say it was just

244

00:16:05,510 --> 00:15:58,480

outside Cardiff was yeah I was sort of

245

00:16:10,389 --> 00:16:07,990

many many years later

246

00:16:15,790 --> 00:16:10,399

I began to understand what was happening

247

00:16:19,660 --> 00:16:15,800

to me yes I always knew I was an

248

00:16:21,150 --> 00:16:19,670

abductee but I needed answers I needed

249

00:16:28,179 --> 00:16:21,160

something

250

00:16:32,079 --> 00:16:28,189

Wael stood out always for me where

251
00:16:37,300 --> 00:16:32,089
they've taken me what happened to me so

252
00:16:40,449 --> 00:16:37,310
I researched some of your newspapers

253
00:16:43,710 --> 00:16:40,459
things like that Margaret Frye kept

254
00:16:44,920 --> 00:16:43,720
coming up with she studied this and she

255
00:16:46,360 --> 00:16:44,930
yes

256
00:16:52,530 --> 00:16:46,370
oh you're contacted Margaret didn't yet

257
00:16:58,509 --> 00:16:56,079
and she said oh boy do you she said

258
00:17:01,240 --> 00:16:58,519
that's a hot spot she says that there's

259
00:17:06,309 --> 00:17:01,250
been many abductions that have taken

260
00:17:08,890 --> 00:17:06,319
place in that area between swansea and

261
00:17:11,230 --> 00:17:08,900
cardiff yeah so I said so I do

262
00:17:14,169 --> 00:17:11,240
appreciate you being open with me in

263
00:17:18,340 --> 00:17:14,179

telling me I can take it because I just

264

00:17:18,689 --> 00:17:18,350

want to know the truth that's fine thank

265

00:17:24,640 --> 00:17:18,699

you

266

00:17:28,930 --> 00:17:24,650

so with that and also Tony died too late

267

00:17:35,680 --> 00:17:28,940

police sergeant Jared daun who worked on

268

00:17:40,419 --> 00:17:35,690

abduction things he too verified had to

269

00:17:43,600 --> 00:17:40,429

go through quite a grueling a lot of

270

00:17:46,570 --> 00:17:43,610

tests who liked things and questioning

271

00:17:49,090 --> 00:17:46,580

and all sorts but I passed every single

272

00:17:53,200 --> 00:17:49,100

one and he said yeah there's no doubt

273

00:17:55,149 --> 00:17:53,210

about it you are an abductee so I said

274

00:17:58,000 --> 00:17:55,159

well you know we're getting that under

275

00:18:06,490 --> 00:17:58,010

the belt then I could go on then go

276

00:18:07,210 --> 00:18:06,500

forward so to me I was petrified of

277

00:18:10,630 --> 00:18:07,220

Wales

278

00:18:14,110 --> 00:18:10,640

after that actually I mean I love to see

279

00:18:17,950 --> 00:18:14,120

me and everything about it but I was too

280

00:18:20,380 --> 00:18:17,960

frightened then in row 9 my friend

281

00:18:24,970 --> 00:18:20,390

Janet's who had grown up with and

282

00:18:26,980 --> 00:18:24,980

everything was living in Canary and she

283

00:18:29,860 --> 00:18:26,990

said oh come on he'll come over and

284

00:18:32,909 --> 00:18:29,870

spend some time with us you know well as

285

00:18:36,149 --> 00:18:32,919

of carer as well for many many years

286

00:18:38,890 --> 00:18:36,159

going anywhere for any length of time I

287

00:18:43,570 --> 00:18:38,900

was not an option because Sally

288

00:18:45,430 --> 00:18:43,580

my daughter was severely autistic not

289

00:18:53,260 --> 00:18:45,440

not a sport just like you see on the

290

00:18:58,770 --> 00:18:53,270

telly so but we said we would go to

291

00:19:02,110 --> 00:18:58,780

honestly she had nice little bungalow

292

00:19:08,409 --> 00:19:02,120

and she had room to put Sally up for

293

00:19:11,049 --> 00:19:08,419

Kevin I and she had to sort of put you

294

00:19:13,720 --> 00:19:11,059

up in there in their lounge so she says

295

00:19:15,789 --> 00:19:13,730

no excuse come on Hill so and she said

296

00:19:18,930 --> 00:19:15,799

and she knew because there were all our

297

00:19:22,210 --> 00:19:18,940

abductions her daughter was having

298

00:19:24,940 --> 00:19:22,220

abductions for a long time

299

00:19:27,399 --> 00:19:24,950

and she said I want you to talk to my

300

00:19:29,320 --> 00:19:27,409

daughter because it's you know if you

301

00:19:31,240 --> 00:19:29,330

can get through this will help her in

302

00:19:35,620 --> 00:19:31,250

any way I said of course I will Jack

303

00:19:37,450 --> 00:19:35,630

course I do you know and I thought well

304

00:19:40,810 --> 00:19:37,460

I've got to put myself second in this

305

00:19:46,510 --> 00:19:40,820

case and you know get some courage and

306

00:19:48,880 --> 00:19:46,520

just go so we all traveled to Wales who

307

00:19:55,840 --> 00:19:48,890

knows one little spot we were all coming

308

00:19:57,700 --> 00:19:55,850

through a bridge in Cardiff there was a

309

00:19:59,620 --> 00:19:57,710

I don't know what made this particular

310

00:20:02,799 --> 00:19:59,630

noise there's only cars but there was

311

00:20:06,669 --> 00:20:02,809

like an acoustic shock an absolute

312

00:20:09,580 --> 00:20:06,679

deafening sound suddenly it was

313

00:20:11,529 --> 00:20:09,590

something sometimes sounds if you look

314

00:20:13,510 --> 00:20:11,539

duck T there are certain things

315

00:20:16,480 --> 00:20:13,520

sometimes well maybe it's certain

316

00:20:19,540 --> 00:20:16,490

frequencies or something that triggers

317

00:20:21,070 --> 00:20:19,550

something off and my heart pound

318

00:20:26,850 --> 00:20:21,080

mothers on the way to the finale yeah

319

00:20:31,900 --> 00:20:26,860

yeah just coming through sort of rounds

320

00:20:42,580 --> 00:20:31,910

on the m4 under this bridge terrific

321

00:20:45,610 --> 00:20:42,590

well I was shaking like a leaf and all

322

00:20:48,010 --> 00:20:45,620

seems okay and then I picked up a bit

323

00:20:49,990 --> 00:20:48,020

more you know took deep breaths and

324

00:20:54,690 --> 00:20:50,000

everything and I've got to Janet sit sir

325

00:20:57,340 --> 00:20:54,700

within three hours just on three hours I

326

00:21:00,970 --> 00:20:57,350

rang them I said we're here we're at the

327

00:21:05,170 --> 00:21:00,980

bus stop I'm just off the m4 just coming

328

00:21:08,260 --> 00:21:05,180

down towards her nicely she said hold on

329

00:21:10,390 --> 00:21:08,270

the hill I'll be able to get you and she

330

00:21:14,650 --> 00:21:10,400

did a few minutes later she was in the

331

00:21:21,970 --> 00:21:14,660

car with her daughter and they we

332

00:21:24,910 --> 00:21:21,980

followed them into new doc Street and

333

00:21:29,230 --> 00:21:24,920

they're routing to where she lives you

334

00:21:32,500 --> 00:21:29,240

see which is a new complex everything

335

00:21:37,390 --> 00:21:32,510

went fine the only problem was her

336

00:21:40,330 --> 00:21:37,400

daughter had a boyfriend who just didn't

337

00:21:42,550 --> 00:21:40,340

seem to want to let her speak to me you

338

00:21:45,310 --> 00:21:42,560

know and that was so sad because I'm

339

00:21:47,410 --> 00:21:45,320

there for her for that weekend and

340

00:21:52,090 --> 00:21:47,420

trying to overcome an enormous amount

341

00:21:55,660 --> 00:21:52,100

I felt it aside me to do this anyway we

342

00:21:59,940 --> 00:21:55,670

did places did things but I just didn't

343

00:22:06,490 --> 00:21:59,950

feel quite right there was something I

344

00:22:08,380 --> 00:22:06,500

felt buried down I felt strange feeling

345

00:22:11,200 --> 00:22:08,390

the whole time I was there I didn't

346

00:22:14,920 --> 00:22:11,210

think I was imagining it Ken told me I

347

00:22:17,920 --> 00:22:14,930

was very restless and the nights and I

348

00:22:19,960 --> 00:22:17,930

was twisting and tiling it not not at

349

00:22:22,360 --> 00:22:19,970

all right he said you were you know

350

00:22:24,700 --> 00:22:22,370

something was happening to you mumbling

351
00:22:28,690 --> 00:22:24,710
in his sleep and I thought I said

352
00:22:32,110 --> 00:22:28,700
alright so we get right through the

353
00:22:35,830 --> 00:22:32,120
weekend on the

354
00:22:39,640 --> 00:22:35,840
some day we went to a room to the gawah

355
00:22:50,050 --> 00:22:39,650
you see the date again it was August 14

356
00:22:50,920 --> 00:22:50,060
15 16 17 2009 yes Sunday going out in my

357
00:22:53,920 --> 00:22:50,930
little car

358
00:22:59,440 --> 00:22:53,930
so we'll got in her car when I was in

359
00:23:02,290 --> 00:22:59,450
the gamma travelled all the way down we

360
00:23:09,130 --> 00:23:02,300
had a lovely afternoon except something

361
00:23:11,790 --> 00:23:09,140
was preventing me from being I want just

362
00:23:14,980 --> 00:23:11,800
to be happy and enjoy my friends and

363
00:23:18,220 --> 00:23:14,990

everything but something's wrong and I

364

00:23:20,410 --> 00:23:18,230

could not put my finger I just couldn't

365

00:23:24,940 --> 00:23:20,420

work out well but there we were there

366

00:23:32,380 --> 00:23:24,950

was a beach on the east side of the

367

00:23:34,390 --> 00:23:32,390

gallows beautiful sandy beach it was

368

00:23:37,410 --> 00:23:34,400

lovely and we spent a couple of hours

369

00:23:41,700 --> 00:23:37,420

there and then we traveled back through

370

00:23:48,870 --> 00:23:41,710

going gradually back to Swansea and

371

00:24:03,310 --> 00:23:53,170

cuz well London's something I mean I do

372

00:24:17,860 --> 00:24:03,320

not see on the on the map yeah might

373

00:24:23,530 --> 00:24:17,870

have some significance I was checking

374

00:24:28,270 --> 00:24:23,540

something out myself I'm finding that

375

00:24:32,230 --> 00:24:28,280

you want to carry with the story yeah we

376

00:24:35,140 --> 00:24:32,240

go to the room to the artists seat and

377

00:24:39,250 --> 00:24:35,150

came jumped out the other stone yes yeah

378

00:24:42,510 --> 00:24:39,260

and he shot down over there pictures of

379

00:25:12,850 --> 00:24:46,020

sheep everywhere absolutely everywhere

380

00:25:19,230 --> 00:25:12,860

and then we got back yeah yeah I would

381

00:25:23,920 --> 00:25:19,240

say it was this one here ops which yeah

382

00:25:30,900 --> 00:25:23,930

yeah you came just across across here to

383

00:25:40,840 --> 00:25:37,530

then making our way back

384

00:25:43,150 --> 00:25:40,850

you know something Santi tea time and

385

00:25:45,360 --> 00:25:43,160

everything and she goes to a

386

00:25:49,450 --> 00:25:45,370

spiritualist Church in the evening

387

00:25:51,250 --> 00:25:49,460

things which we learnt with her and I

388

00:25:55,810 --> 00:25:51,260

won't go into that I don't think too

389

00:25:57,430 --> 00:25:55,820

much thinking away that night we went to

390

00:25:58,840 --> 00:25:57,440

bathe you know I need to get some good

391

00:26:02,670 --> 00:25:58,850

bit of sleep too

392

00:26:05,650 --> 00:26:02,680

we've got a journey to make the next day

393

00:26:08,800 --> 00:26:05,660

I'm Restless again as I'm told

394

00:26:11,980 --> 00:26:08,810

next morning kids said to me flipping it

395

00:26:16,330 --> 00:26:11,990

go you know you really well even worse

396

00:26:18,220 --> 00:26:16,340

last night I said right I mean wasn't

397

00:26:20,620 --> 00:26:18,230

looking at me and I didn't think

398

00:26:23,620 --> 00:26:20,630

anything was wrong but sit coolly at

399

00:26:30,000 --> 00:26:23,630

that second one time I went over to the

400

00:26:40,480 --> 00:26:30,010

bathroom and I such a shock because my

401
00:26:42,610 --> 00:26:40,490
right eye was all swollen all I know is

402
00:26:45,580 --> 00:26:42,620
that I couldn't see through the wretched

403
00:26:57,090 --> 00:26:45,590
thing very well it was all bruised up

404
00:28:06,850 --> 00:26:57,100
now so I go into the bedroom so

405
00:28:16,030 --> 00:28:06,860
look at this oh my god oh my god so I

406
00:28:18,700 --> 00:28:16,040
think we're nervous driving under this

407
00:28:30,750 --> 00:28:18,710
bridge and then you're going gradually

408
00:28:37,630 --> 00:28:30,760
back out you won't go back the whales

409
00:28:39,760 --> 00:28:37,640
you want to go back the way you know

410
00:28:41,830 --> 00:28:39,770
something I don't know what I've done I

411
00:28:47,890 --> 00:28:41,840
haven't done anything to my knowledge in

412
00:28:50,970 --> 00:28:47,900
it whatever it is doesn't like me so the

413
00:28:55,120 --> 00:28:50,980

night when he was staying with Jan yeah

414

00:28:58,380 --> 00:28:55,130

no recollection at all of any anything

415

00:29:04,390 --> 00:28:58,390

happening apart from the black I know

416

00:29:09,640 --> 00:29:07,530

we sat in her guard and we did sky watch

417

00:29:13,620 --> 00:29:09,650

hmm

418

00:29:17,080 --> 00:29:13,630

Saturday so I was in the back and I

419

00:29:23,200 --> 00:29:17,090

drove around place which was pretty

420

00:29:27,310 --> 00:29:23,210

quiet looking out towards visit yeah

421

00:29:29,650 --> 00:29:27,320

come on be that way because she said

422

00:29:34,570 --> 00:29:29,660

sometime she was very aware about all

423

00:29:36,880 --> 00:29:34,580

the sightings going on she is very much

424

00:29:39,910 --> 00:29:36,890

like myself she's she knows and she

425

00:29:43,120 --> 00:29:39,920

knows all about the animal mutilations

426
00:29:46,270 --> 00:29:43,130
on the gawa and all around because you

427
00:29:52,440 --> 00:29:46,280
know this wild sheep and there's cattle

428
00:30:10,260 --> 00:29:55,540
so but that night we didn't really see

429
00:30:17,020 --> 00:30:14,640
so looking at the map come back to 1970

430
00:30:18,100 --> 00:30:17,030
okay any idea what they did that would

431
00:30:23,380 --> 00:30:18,110
have been yes

432
00:30:28,560 --> 00:30:23,390
something about within the first few

433
00:30:31,299 --> 00:30:28,570
days of September yeah that's the 9th

434
00:30:37,210 --> 00:30:31,309
September we went like we're newest

435
00:30:40,090 --> 00:30:37,220
about quality coming up kind of yeah

436
00:30:42,580 --> 00:30:40,100
so filled the map up bigger point on

437
00:31:01,049 --> 00:30:42,590
that how far down do you think you would

438
00:31:12,250 --> 00:31:04,870

yeah it's Cardiff will be that way on

439

00:31:17,620 --> 00:31:12,260

the old road we were trying to keep the

440

00:31:23,830 --> 00:31:20,409

ya know we carried on now we did we

441

00:31:26,470 --> 00:31:23,840

carried on coming down yeah these down

442

00:31:28,990 --> 00:31:26,480

these roads is nothing like in 70 that

443

00:31:41,980 --> 00:31:29,000

the m4 was there then as far as portal

444

00:31:45,820 --> 00:31:41,990

but yeah we did then if we look at the

445

00:31:51,240 --> 00:31:45,830

map from the Cardiff try and find out

446

00:32:13,710 --> 00:32:03,700

never had any regression yeah why else I

447

00:32:28,990 --> 00:32:15,190

dark sand

448

00:32:46,030 --> 00:32:29,000

yeah a big beach houses yes the road

449

00:32:47,919 --> 00:32:46,040

that came down right so if we hold them

450

00:32:49,720 --> 00:32:47,929

have a look at the map of Cardiff

451
00:32:50,350 --> 00:32:49,730
beneath this like you think I would be

452
00:32:53,620 --> 00:32:50,360
in this area

453
00:32:55,720 --> 00:32:53,630
yes that's possibly Barry or Penelope is

454
00:32:57,220 --> 00:32:55,730
a sandy beach yes

455
00:33:22,600 --> 00:32:57,230
so that rules up pin off because they

456
00:33:26,710 --> 00:33:22,610
know right we look at Barry area may be

457
00:33:29,580 --> 00:33:26,720
wrong Sully was the road quite close to

458
00:33:31,020 --> 00:33:29,590
the beach yes

459
00:33:33,480 --> 00:33:31,030
yeah that's all enough to have a look at

460
00:33:36,480 --> 00:33:33,490
that oh good you could tell me yeah I'd

461
00:33:42,300 --> 00:33:36,490
be so pleased look at Google Maps maybe

462
00:33:44,960 --> 00:33:42,310
yes I've tried to go in place yeah just

463
00:33:48,110 --> 00:33:44,970

think about 1970 where there's a garage

464

00:33:55,310 --> 00:33:48,120

yes early in the morning was it when you

465

00:34:24,889 --> 00:33:57,480

and they just continued to do anything

466

00:34:28,530 --> 00:34:27,570

hey she was lovely lady to talk to she

467

00:34:32,399 --> 00:34:28,540

made me lunch as well

468

00:34:34,820 --> 00:34:32,409

and a partner can the many years ago

469

00:34:39,840 --> 00:34:34,830

they started a group called beams

470

00:34:43,950 --> 00:34:39,850

British Earth aerial mysteries Society

471

00:34:47,010 --> 00:34:43,960

and she runs a help group for abductees

472

00:34:51,360 --> 00:34:47,020

and contactees and a very knowledgeable

473

00:34:54,570 --> 00:34:51,370

lady on the subject a bit of backgrounds

474

00:34:56,880 --> 00:34:54,580

again to her she told me a few stories

475

00:35:01,440 --> 00:34:56,890

and again you can see them online as

476

00:35:04,320 --> 00:35:01,450

well one incidence of incident that

477

00:35:09,570 --> 00:35:04,330

happened to her was she had a missing

478

00:35:11,940 --> 00:35:09,580

pregnancy it's quite a common occurrence

479

00:35:15,090 --> 00:35:11,950

actually with the with abductees that

480

00:35:18,920 --> 00:35:15,100

the report being Craig nated and then

481

00:35:26,930 --> 00:35:22,140

interbreeding breeding the hybrid race

482

00:35:30,270 --> 00:35:26,940

is one suggestion way why he doing it

483

00:35:32,670 --> 00:35:30,280

she went it is online you can you can

484

00:35:35,610 --> 00:35:32,680

look at she went to the hospital and she

485

00:35:37,410 --> 00:35:35,620

had some hassle with the the nurses and

486

00:35:38,770 --> 00:35:37,420

the doctors and he wouldn't tell her

487

00:35:41,590 --> 00:35:38,780

what was going on

488

00:35:43,230 --> 00:35:41,600

I mean 2003 she was she had something

489

00:35:46,680 --> 00:35:43,240

wrong with the telephone and she

490

00:35:51,400 --> 00:35:46,690

telephoned BT to get it sorted out and

491

00:35:52,870 --> 00:35:51,410

within minutes a young man arrived she

492

00:35:54,430 --> 00:35:52,880

was outside the funk garden and he was

493

00:35:58,060 --> 00:35:54,440

walking across the road and he said

494

00:35:59,020 --> 00:35:58,070

hello I mean new BT man and she she

495

00:36:01,360 --> 00:35:59,030

thought strange for someone he just

496

00:36:03,250 --> 00:36:01,370

phoned up honey he came into the city no

497

00:36:05,260 --> 00:36:03,260

money he came into the living room door

498

00:36:09,700 --> 00:36:05,270

through the living room dawnie he didn't

499

00:36:12,160 --> 00:36:09,710

have a degree 180 degree turn where she

500

00:36:13,570 --> 00:36:12,170

had a picture of a flying saucer with a

501
00:36:15,460 --> 00:36:13,580
beam of light coming up from it a

502
00:36:18,760 --> 00:36:15,470
painting yeah and he said oh that's a

503
00:36:22,020 --> 00:36:18,770
really nice picture are you were

504
00:36:24,880 --> 00:36:22,030
interested in UFOs and yeah yeah yeah

505
00:36:27,010 --> 00:36:24,890
anyway you fixed the phone and then

506
00:36:29,980 --> 00:36:27,020
rather than going he he started showing

507
00:36:33,910 --> 00:36:29,990
her his family pictures humans partner

508
00:36:36,490 --> 00:36:33,920
or wife and a small child it's strange

509
00:36:37,630 --> 00:36:36,500
for some BT engineer to do that and not

510
00:36:39,610 --> 00:36:37,640
only that but they asked him if he

511
00:36:41,620 --> 00:36:39,620
wanted to stay for some foods because it

512
00:36:42,880 --> 00:36:41,630
was lunchtime he said yeah yeah fine he

513
00:36:45,670 --> 00:36:42,890

sat on the wicker chair in the living

514

00:36:47,710 --> 00:36:45,680

room he didn't have any food even mother

515

00:36:50,530 --> 00:36:47,720

bunny food eats noise okay he didn't

516

00:36:51,670 --> 00:36:50,540

drink he was just talking to them and he

517

00:36:54,670 --> 00:36:51,680

was at that one when she throws up

518

00:36:56,080 --> 00:36:54,680

something not quite strange here she and

519

00:37:01,180 --> 00:36:56,090

I said I think you know we go in there

520

00:37:17,260 --> 00:37:01,190

she he was her son hybrid son he said

521

00:37:28,600 --> 00:37:20,890

like come up the good sermon was bit

522

00:37:33,770 --> 00:37:28,610

late set in the camera she's born in the

523

00:38:11,030 --> 00:37:44,270

oh yeah oh he's he's a fascinating guy

524

00:38:45,280 --> 00:38:11,040

we were talking about half an hour but

525

00:38:50,540 --> 00:38:48,020

no no I asked her that she did she can't

526

00:38:52,960 --> 00:38:50,550

you know she but she had a feeling all

527

00:38:54,830 --> 00:38:52,970

day that something wasn't right and

528

00:38:57,800 --> 00:38:54,840

initially when I asked if she'd come to

529

00:39:00,350 --> 00:38:57,810

our meeting to give us a talk you know

530

00:39:04,040 --> 00:39:00,360

we put it up over she said no I come for

531

00:39:09,370 --> 00:39:04,050

the wheels she's got a genuine fear of

532

00:39:12,770 --> 00:39:09,380

coming to Wilson England as well but I

533

00:39:14,660 --> 00:39:12,780

think the the experience that having

534

00:39:17,780 --> 00:39:14,670

done in like in 70 he doesn't send us so

535

00:39:19,160 --> 00:39:17,790

much I think I think he's having what

536

00:39:20,930 --> 00:39:19,170

happens at home is bad enough but if

537

00:39:24,460 --> 00:39:20,940

you'd away from home away from your

538

00:39:30,560 --> 00:39:28,700

yeah she said she's a definite believer

539

00:39:33,530 --> 00:39:30,570

that the abduction phenomenon does

540

00:39:34,160 --> 00:39:33,540

follow bloodlines this happens in her

541

00:39:36,850 --> 00:39:34,170

family

542

00:39:39,800 --> 00:39:36,860

he's happened with her friend as well

543

00:39:42,200 --> 00:39:39,810

she said on the video that is something

544

00:39:43,450 --> 00:39:42,210

to a friend's daughter I'm trying to get

545

00:39:45,980 --> 00:39:43,460

in touch with a friend

546

00:39:48,710 --> 00:39:45,990

she lives in phonetically so she's local

547

00:39:59,120 --> 00:39:48,720

it should be nice if we could get her

548

00:40:02,960 --> 00:39:59,130

side of the story another look September

549

00:40:13,880 --> 00:40:02,970

1970 I'm found anything yet August

550

00:40:15,710 --> 00:40:13,890

August September thing she says but it's

551

00:40:16,940 --> 00:40:15,720

very interesting I think what is a fair

552

00:40:19,010 --> 00:40:16,950

weather there are some other interviews

553

00:40:22,550 --> 00:40:19,020

online if you another luck Richard he

554

00:40:26,630 --> 00:40:22,560

halted in interview with in 2009 there's
