

1
00:00:21,570 --> 00:00:19,140
chapulin Emily inevitably includes some

2
00:00:22,860 --> 00:00:21,580
kind of non-disclosure agreement they'll

3
00:00:24,630 --> 00:00:22,870
take it away and they'll show of it does

4
00:00:28,260 --> 00:00:24,640
you'll get the development which will

5
00:00:29,940 --> 00:00:28,270
include exclusive actually we exclusive

6
00:00:31,440 --> 00:00:29,950
for them alone and they'll say well

7
00:00:33,990 --> 00:00:31,450
thank you very much we'll be in touch

8
00:00:35,820 --> 00:00:34,000
and you'll never see them again what's

9
00:00:38,160 --> 00:00:35,830
in alternative they might threaten you

10
00:00:39,570 --> 00:00:38,170
they might try and blackmail you if you

11
00:00:43,100 --> 00:00:39,580
got a shady past something you haven't

12
00:00:48,150 --> 00:00:43,110
told your wife you know come on guys

13
00:00:50,100 --> 00:00:48,160

would be alone they may say well maybe

14

00:00:51,510 --> 00:00:50,110

she should be informed about all this if

15

00:00:54,030 --> 00:00:51,520

you don't hand over your invention to us

16

00:00:57,810 --> 00:00:54,040

things like that there's all kinds of

17

00:01:01,590 --> 00:00:57,820

ways they can get around you next slide

18

00:01:04,859 --> 00:01:01,600

please now he comes the dark side of

19

00:01:06,690 --> 00:01:04,869

free energy the fact of the matter is

20

00:01:08,910 --> 00:01:06,700

free energy is not only in secret

21

00:01:10,350 --> 00:01:08,920

possession it's in secret possession of

22

00:01:12,150 --> 00:01:10,360

the powers that be but then what just

23

00:01:13,920 --> 00:01:12,160

sitting on it and stopping us from

24

00:01:15,690 --> 00:01:13,930

having it they're using it for their own

25

00:01:18,960 --> 00:01:15,700

purposes and their own purposes means

26

00:01:20,460 --> 00:01:18,970

using it as a weapon I believe the free

27

00:01:22,469 --> 00:01:20,470

energy has been weaponized John

28

00:01:24,870 --> 00:01:22,479

Hutchison why she spoke to earlier as

29

00:01:28,710 --> 00:01:24,880

independently discovered what I think is

30

00:01:32,039 --> 00:01:28,720

a weapon that is being used by the elite

31

00:01:34,109 --> 00:01:32,049

a weapon so terrible that it even

32

00:01:36,180 --> 00:01:34,119

nuclear even nuclear bombs are not

33

00:01:39,120 --> 00:01:36,190

serious as this this lady dr. Julie

34

00:01:40,710 --> 00:01:39,130

would I think has discovered the

35

00:01:42,990 --> 00:01:40,720

evidence that this weapon was used to

36

00:01:46,410 --> 00:01:43,000

destroy the Twin Towers on 911 next

37

00:01:48,600 --> 00:01:46,420

slide please this is an example of what

38

00:01:50,730 --> 00:01:48,610

happened on 911 this is a part of the

39

00:01:52,980 --> 00:01:50,740

building collapsing on one of the towers

40

00:01:56,490 --> 00:01:52,990

this isn't this is a piece of the

41

00:01:59,249 --> 00:01:56,500

supporting columns of the tower falling

42

00:02:00,539 --> 00:01:59,259

this is 700 foot high supporting column

43

00:02:01,590 --> 00:02:00,549

of the towers left when the rest of the

44

00:02:03,899 --> 00:02:01,600

building fell down this was left

45

00:02:05,760 --> 00:02:03,909

standing in fell it should have taken

46

00:02:09,889 --> 00:02:05,770

out an entire city block to fit it to

47

00:02:13,050 --> 00:02:09,899

note into dust in midair I think the

48

00:02:14,030 --> 00:02:13,060

there's many many occasions in which I

49

00:02:16,490 --> 00:02:14,040

think they when

50

00:02:18,380 --> 00:02:16,500

do you hand over your invention to the

51
00:02:20,240 --> 00:02:18,390
government they take it away from you

52
00:02:24,199 --> 00:02:20,250
and they may use it themselves next

53
00:02:28,610 --> 00:02:24,209
slide please this is someone called

54
00:02:30,800 --> 00:02:28,620
victim this is an this is a strain video

55
00:02:32,149 --> 00:02:30,810
came across it's just it's a TV screen /

56
00:02:34,369 --> 00:02:32,159
switch is someone filming on the TV

57
00:02:37,009 --> 00:02:34,379
screen it ended up on YouTube it's a

58
00:02:39,500 --> 00:02:37,019
Russian film it shows a strange craft

59
00:02:41,990 --> 00:02:39,510
being tested by a military scientific

60
00:02:44,089 --> 00:02:42,000
team this device here is supposedly

61
00:02:47,390 --> 00:02:44,099
powered by a turbojet pointing downwards

62
00:02:48,770 --> 00:02:47,400
to lift it into the air however if you

63
00:02:50,899 --> 00:02:48,780

watch the film you'll see it flies

64

00:02:53,509 --> 00:02:50,909

around over grassy meadows through

65

00:02:55,159 --> 00:02:53,519

forests and there's no downdraft the

66

00:02:57,699 --> 00:02:55,169

turbojet would produce more lot of

67

00:02:59,990 --> 00:02:57,709

exhaustion which would create a wind

68

00:03:01,970 --> 00:03:00,000

maximum hour wind and the Aryan see it

69

00:03:04,129 --> 00:03:01,980

glowing the trees the tops of the trees

70

00:03:05,990 --> 00:03:04,139

in the class you don't see it and not

71

00:03:07,220 --> 00:03:06,000

you see it were dead one point it takes

72

00:03:09,110 --> 00:03:07,230

off in the back of a truck there's

73

00:03:10,789 --> 00:03:09,120

there's poor men holding it as it goes

74

00:03:12,020 --> 00:03:10,799

up and you there's no wind on their

75

00:03:13,789 --> 00:03:12,030

trouser later I thing like that I think

76

00:03:16,179 --> 00:03:13,799

that's a free energy advice there's a

77

00:03:19,729 --> 00:03:16,189

guy called brick Victor grab any cough

78

00:03:21,409 --> 00:03:19,739

who is a Russian who built the device

79

00:03:23,360 --> 00:03:21,419

like this I don't have time to tell your

80

00:03:25,460 --> 00:03:23,370

details now he basically he was

81

00:03:26,780 --> 00:03:25,470

approached by the military at the time

82

00:03:29,270 --> 00:03:26,790

this was in the mid-twentieth century

83

00:03:31,039 --> 00:03:29,280

course was the Soviet government and he

84

00:03:31,939 --> 00:03:31,049

destroyed his device rather than let it

85

00:03:34,280 --> 00:03:31,949

fall into the hands of the government

86

00:03:36,020 --> 00:03:34,290

but maybe the government got it anyway

87

00:03:41,110 --> 00:03:36,030

and they're using it today next slide

88

00:03:44,559 --> 00:03:41,120

please this is an example from India and

89

00:03:47,300 --> 00:03:44,569

shetland up and up north of Scotland

90

00:03:48,830 --> 00:03:47,310

where free energy devices are being

91

00:03:50,119 --> 00:03:48,840

developed at this moment and I don't

92

00:03:53,760 --> 00:03:50,129

have time to tell you the details now

93

00:03:58,050 --> 00:03:56,040

so any UFOs fit into all this that's the

94

00:03:59,760 --> 00:03:58,060

question we've been through energy

95

00:04:03,660 --> 00:03:59,770

inputs and we're going to discuss about

96

00:04:06,150 --> 00:04:03,670

UFOs now now UFOs have made a joke of

97

00:04:07,500 --> 00:04:06,160

aren't they I mean you know that you've

98

00:04:10,320 --> 00:04:07,510

been studying the UFO phenomena you not

99

00:04:12,270 --> 00:04:10,330

have a media covers UFOs now energy

100

00:04:14,610 --> 00:04:12,280

energies discuss very seriously looking

101
00:04:16,890 --> 00:04:14,620
and get like a smartly dressed man

102
00:04:20,010 --> 00:04:16,900
sitting behind a desk addressing the

103
00:04:23,160 --> 00:04:20,020
camera on TV saying yes this is Virginia

104
00:04:25,260 --> 00:04:23,170
and the oil prices are such and such and

105
00:04:28,200 --> 00:04:25,270
and while we're looking into the new

106
00:04:30,360 --> 00:04:28,210
OPEC deal say these things in a very

107
00:04:34,980 --> 00:04:30,370
grave serious voice what some typical

108
00:04:37,230 --> 00:04:34,990
media UFO story takes low please as I'm

109
00:04:41,400 --> 00:04:37,240
that's how UFOs are treated that's our

110
00:04:43,500 --> 00:04:41,410
typical for UFO internet typical for UFO

111
00:04:49,050 --> 00:04:43,510
story it's having a to possibly fit

112
00:04:50,760 --> 00:04:49,060
together well um if we believe that some

113
00:04:55,620 --> 00:04:50,770

of these are artifacts from an

114

00:04:57,510 --> 00:04:55,630

extraterrestrial civilization or maybe

115

00:05:01,260 --> 00:04:57,520

they travel inter-dimensionally to

116

00:05:02,580 --> 00:05:01,270

another world parallel to ours they're

117

00:05:06,900 --> 00:05:02,590

not doing it on Texaco and then a

118

00:05:08,160 --> 00:05:06,910

four-star now I assume most you've heard

119

00:05:10,020 --> 00:05:08,170

of the Roswell it's there did you lie

120

00:05:13,650 --> 00:05:10,030

ocean 47 anyone not note of the ra's

121

00:05:15,390 --> 00:05:13,660

wait you're that good did you know that

122

00:05:17,790 --> 00:05:15,400

the roswell incident is not the only one

123

00:05:19,530 --> 00:05:17,800

of its kind there are more they're very

124

00:05:24,450 --> 00:05:19,540

similar some even get back before

125

00:05:26,580 --> 00:05:24,460

Roswell the government has a global

126

00:05:30,060 --> 00:05:26,590

policy which is that when one of these

127

00:05:31,680 --> 00:05:30,070

artifacts from another world crashes on

128

00:05:34,380 --> 00:05:31,690

our earth which has happened several

129

00:05:36,450 --> 00:05:34,390

times as i said it comes to grief

130

00:05:39,710 --> 00:05:36,460

somewhere on the Earth's surface they

131

00:05:43,999 --> 00:05:39,720

move in they seal off the area and they

132

00:05:47,939 --> 00:05:44,009

salvage what's left secretly

133

00:05:50,670 --> 00:05:47,949

and there's reason to believe Matt the

134

00:05:51,960 --> 00:05:50,680

government have not only discovered free

135

00:05:54,800 --> 00:05:51,970

energy through these human inventors

136

00:05:57,600 --> 00:05:54,810

like Nikola Tesla George Pickett but

137

00:05:59,370 --> 00:05:57,610

these extraterrestrials are also using

138

00:06:01,409 --> 00:05:59,380

free energy devices on their craft the

139

00:06:03,749 --> 00:06:01,419

sudden using at that the craft certainly

140

00:06:07,680 --> 00:06:03,759

display anti-gravity properties no doubt

141

00:06:09,689 --> 00:06:07,690

about it what if the government has

142

00:06:12,510 --> 00:06:09,699

studied this ours wreckage of these

143

00:06:13,680 --> 00:06:12,520

craft of Roswell and other events and

144

00:06:15,390 --> 00:06:13,690

what if they've worked out how their

145

00:06:19,200 --> 00:06:15,400

propulsion system and power plant work

146

00:06:20,640 --> 00:06:19,210

and what if that technology is part of

147

00:06:26,670 --> 00:06:20,650

what they're hiding from us main point

148

00:06:29,060 --> 00:06:26,680

where they've weaponized next slide

149

00:06:33,860 --> 00:06:30,950

here that is the newspaper for the

150

00:06:35,900 --> 00:06:33,870

Roswell crash in 1947 it's got into the

151
00:06:38,600 --> 00:06:35,910
newspaper is very quickly shut down this

152
00:06:41,360 --> 00:06:38,610
is like that coldfusion thing the cover

153
00:06:43,460 --> 00:06:41,370
of almost failed but then they got the

154
00:06:47,960 --> 00:06:43,470
genie back in the bottle next slide

155
00:06:50,570 --> 00:06:47,970
please disclosure time for the trip the

156
00:06:52,520 --> 00:06:50,580
disclosure movement XO politics you've

157
00:06:55,760 --> 00:06:52,530
all heard this this is the campaign to

158
00:06:57,260 --> 00:06:55,770
try and get the the secrets of how UFOs

159
00:07:00,440 --> 00:06:57,270
the government's are keeping to be

160
00:07:02,750 --> 00:07:00,450
released and the people involved in this

161
00:07:06,800 --> 00:07:02,760
are quite open about why and pump part

162
00:07:08,810 --> 00:07:06,810
of it is the energy issue we have

163
00:07:10,370 --> 00:07:08,820

several people here is this is this is

164

00:07:11,420 --> 00:07:10,380

an advert for a conference there's

165

00:07:14,840 --> 00:07:11,430

several people they adopt steam

166

00:07:20,920 --> 00:07:14,850

agreeable iron man this model Salla

167

00:07:24,760 --> 00:07:23,020

what's his name I paola Harris Nick Pope

168

00:07:26,350 --> 00:07:24,770

so I know I know some of these people

169

00:07:28,450 --> 00:07:26,360

are my friends and some of them are

170

00:07:32,140 --> 00:07:28,460

well-meaning people who need who want to

171

00:07:36,210 --> 00:07:32,150

do well but going up to the government

172

00:07:38,290 --> 00:07:36,220

and asking them to disclose his I don't

173

00:07:40,870 --> 00:07:38,300

do you think they're gonna say anything

174

00:07:43,689 --> 00:07:40,880

I don't believe the political structures

175

00:07:45,820 --> 00:07:43,699

of the world today have the capacity to

176

00:07:47,860 --> 00:07:45,830

absorb a revelation of that magnitude

177

00:07:49,540 --> 00:07:47,870

and I'm very split here because my heart

178

00:07:52,060 --> 00:07:49,550

my head is saying two different things

179

00:07:54,490 --> 00:07:52,070

is a part of me that wants to believe it

180

00:07:56,140 --> 00:07:54,500

is possible that the gun that you simply

181

00:07:57,400 --> 00:07:56,150

come clean they'll give up because it

182

00:08:00,129 --> 00:07:57,410

means giving up on their new world order

183

00:08:02,950 --> 00:08:00,139

as I said I believe that the free energy

184

00:08:04,420 --> 00:08:02,960

issue and the control of energy supply

185

00:08:08,560 --> 00:08:04,430

and is the use of fossil fuels

186

00:08:09,730 --> 00:08:08,570

quintessential to their power this

187

00:08:11,980 --> 00:08:09,740

apartment wants to believe that's

188

00:08:14,950 --> 00:08:11,990

possible and I respect these guys for

189

00:08:18,640 --> 00:08:14,960

what they're doing I really do and they

190

00:08:20,140 --> 00:08:18,650

might be right hope they are right but

191

00:08:22,060 --> 00:08:20,150

it's not just the fact that they would

192

00:08:24,700 --> 00:08:22,070

have to cope with the world in which

193

00:08:26,890 --> 00:08:24,710

free energy is around it's not just that

194

00:08:29,620 --> 00:08:26,900

it's the fact they'll have to admit that

195

00:08:33,279 --> 00:08:29,630

they lie to us for so long they lie to

196

00:08:34,449 --> 00:08:33,289

us for over a hundred years and all the

197

00:08:36,959 --> 00:08:34,459

things all the terrible things have

198

00:08:39,339 --> 00:08:36,969

happened as a result of our continued

199

00:08:40,329 --> 00:08:39,349

unnecessary use of fossil fuels they'll

200

00:08:42,190 --> 00:08:40,339

have to admit that they could have

201
00:08:45,490 --> 00:08:42,200
prevented them I include things like

202
00:08:48,010 --> 00:08:45,500
Wars for oil as well which I've been

203
00:08:50,519 --> 00:08:48,020
power of you foreign policy for many

204
00:08:54,370 --> 00:08:50,529
Western powers out for a long long time

205
00:08:56,290 --> 00:08:54,380
but it actually going to say yes we

206
00:08:59,769 --> 00:08:56,300
catch it from you we kept it from you

207
00:09:01,380 --> 00:08:59,779
for your own good um well no actually

208
00:09:03,579 --> 00:09:01,390
but didn't we kept it for our own good

209
00:09:05,380 --> 00:09:03,589
they won't release they have to say that

210
00:09:08,500 --> 00:09:05,390
they can't get out of it in and say look

211
00:09:11,079 --> 00:09:08,510
we're very very solid will make it up to

212
00:09:14,620 --> 00:09:11,089
you but bring back school milk it's not

213
00:09:17,940 --> 00:09:14,630

realistic it's really not realistic next

214

00:09:24,010 --> 00:09:21,130

Stephen Bassett here is a good guy he

215

00:09:25,930 --> 00:09:24,020

means well here he is at the national

216

00:09:30,610 --> 00:09:25,940

press club talking about this is the

217

00:09:32,350 --> 00:09:30,620

Citizen hearing on disclosure I won't

218

00:09:33,880 --> 00:09:32,360

believe what he can do is possible I

219

00:09:38,200 --> 00:09:33,890

don't know already done next slide

220

00:09:44,670 --> 00:09:38,210

please this is a bit this is alive then

221

00:09:48,010 --> 00:09:44,680

again what if what if there is a process

222

00:09:50,520 --> 00:09:48,020

going on behind the scenes right now it

223

00:09:54,670 --> 00:09:50,530

could lead to Falls willing disclosure

224

00:09:58,030 --> 00:09:54,680

sorry I strange happened to me um year

225

00:10:01,000 --> 00:09:58,040

for us I got a call from Dave podrian

226

00:10:02,710 --> 00:10:01,010

you may know Lisa he's we could speak it

227

00:10:05,530 --> 00:10:02,720

out here actually very interesting chap

228

00:10:07,030 --> 00:10:05,540

it runs the firming without group and he

229

00:10:09,010 --> 00:10:07,040

told me that he'd been invited to speak

230

00:10:11,050 --> 00:10:09,020

to an event speak at an event in London

231

00:10:13,030 --> 00:10:11,060

about the Roswell incident he said he

232

00:10:14,380 --> 00:10:13,040

asked me if I could come with him and I

233

00:10:17,230 --> 00:10:14,390

said great I said I'd meet him at the

234

00:10:19,840 --> 00:10:17,240

venue while I got to the venue is in the

235

00:10:22,540 --> 00:10:19,850

heart of London and it was a very very

236

00:10:24,100 --> 00:10:22,550

posh out indeed very posh building and

237

00:10:26,770 --> 00:10:24,110

Ethan I went in there clean go through

238

00:10:30,130 --> 00:10:26,780

the front door because I didn't have

239

00:10:32,110 --> 00:10:30,140

sure entire I will have my woman friend

240

00:10:33,790 --> 00:10:32,120

Heidi with me and they said all this is

241

00:10:35,710 --> 00:10:33,800

a general and only Club we have a

242

00:10:39,760 --> 00:10:35,720

private event where some women a comment

243

00:10:41,410 --> 00:10:39,770

but some spacing week both had to go

244

00:10:42,760 --> 00:10:41,420

around to the other side of the building

245

00:10:45,070 --> 00:10:42,770

and coming through the other door it was

246

00:10:47,920 --> 00:10:45,080

like they let sit I'm really difficult

247

00:10:50,710 --> 00:10:47,930

and dave was there there was this big

248

00:10:52,770 --> 00:10:50,720

inflatable imax theater and those two

249

00:10:55,120 --> 00:10:52,780

people with TV cameras everywhere and

250

00:11:01,090 --> 00:10:55,130

the guy dressed as an alien it's quite

251
00:11:03,190 --> 00:11:01,100
funny really um and is this this group

252
00:11:05,560 --> 00:11:03,200
this organization from spain this and

253
00:11:08,260 --> 00:11:05,570
these people here they were doing this

254
00:11:10,840 --> 00:11:08,270
life modulation calm we're doing this

255
00:11:12,850 --> 00:11:10,850
event there and the people i was waiting

256
00:11:15,579 --> 00:11:12,860
for maybe some of the UFO the local UFO

257
00:11:17,980 --> 00:11:15,589
community to turn up but the people who

258
00:11:20,240 --> 00:11:17,990
turned up to attend this event they were

259
00:11:23,150 --> 00:11:20,250
not your usual UFO crowd

260
00:11:26,610 --> 00:11:23,160
these were guys with golden with suits

261
00:11:29,690 --> 00:11:26,620
their wives had diamond earrings the

262
00:11:32,120 --> 00:11:29,700
bracelet the men had gold Rolexes on I

263
00:11:35,280 --> 00:11:32,130

was sitting there talking about their

264

00:11:36,990 --> 00:11:35,290

the same things might come well the

265

00:11:38,760 --> 00:11:37,000

latest figures from our Hong Kong office

266

00:11:41,250 --> 00:11:38,770

are very encouraging I've over that's on

267

00:11:43,769 --> 00:11:41,260

their conversations what people do not

268

00:11:46,320 --> 00:11:43,779

like that don't even worth of it I are

269

00:11:48,090 --> 00:11:46,330

Steve about this and he thinks that this

270

00:11:51,030 --> 00:11:48,100

was actually some kind of covert

271

00:11:52,680 --> 00:11:51,040

disclosure promotion event these this

272

00:11:55,380 --> 00:11:52,690

was some way there is a group of people

273

00:11:58,829 --> 00:11:55,390

try to persuade the rich and powerful to

274

00:12:01,380 --> 00:11:58,839

actually go for disclosure and as I said

275

00:12:03,900 --> 00:12:01,390

before I doubt despite my doubts I did

276

00:12:05,880 --> 00:12:03,910

wonder if somehow I've managed to get

277

00:12:07,560 --> 00:12:05,890

involved the owner the event day you

278

00:12:09,300 --> 00:12:07,570

might imagine because they didn't know

279

00:12:12,000 --> 00:12:09,310

what this was about a ver when he was

280

00:12:13,530 --> 00:12:12,010

inviting she's invited to speak but I

281

00:12:16,590 --> 00:12:13,540

just wondered somehow we got caught up

282

00:12:18,180 --> 00:12:16,600

in one of these coburg disclose your

283

00:12:20,550 --> 00:12:18,190

events work at least these people were

284

00:12:21,720 --> 00:12:20,560

elite these people this this is I found

285

00:12:23,400 --> 00:12:21,730

out the venues actually called the in

286

00:12:25,079 --> 00:12:23,410

and out cloth it's one of most elite

287

00:12:27,569 --> 00:12:25,089

clubs in London Prince Charles isn't

288

00:12:30,240 --> 00:12:27,579

over you'll know that day but probably

289

00:12:32,790 --> 00:12:30,250

he could easily is a regimen so that's

290

00:12:34,769 --> 00:12:32,800

it it's another size the stories we

291

00:12:38,130 --> 00:12:34,779

could be possible next slide times so I

292

00:12:42,750 --> 00:12:38,140

won't keep you out much longer okay now

293

00:12:46,199 --> 00:12:42,760

we are faced with a choice and where do

294

00:12:50,889 --> 00:12:48,910

because I believe that this disclosure

295

00:12:52,600 --> 00:12:50,899

the truth cannot be kept out and i

296

00:12:53,560 --> 00:12:52,610

believe it is going to come out not

297

00:12:54,910 --> 00:12:53,570

because the government gives us

298

00:12:58,329 --> 00:12:54,920

permission but in a way maybe we don't

299

00:13:00,220 --> 00:12:58,339

predict but we could end up like this

300

00:13:03,120 --> 00:13:00,230

this is the this is the end result the

301
00:13:05,710 --> 00:13:03,130
elite not big brother next slide please

302
00:13:08,889 --> 00:13:05,720
people living in control world with it

303
00:13:13,629 --> 00:13:08,899
for the degraded up and synthesized and

304
00:13:17,470 --> 00:13:13,639
robotized cybernetic environment next

305
00:13:20,259 --> 00:13:17,480
slide please but the city is destroyed

306
00:13:22,600 --> 00:13:20,269
in people living in camps basically work

307
00:13:24,900 --> 00:13:22,610
camps where we're eating the food we're

308
00:13:28,420 --> 00:13:24,910
eating the genetically modified food

309
00:13:33,490 --> 00:13:28,430
that exists for one purpose alone to

310
00:13:35,259 --> 00:13:33,500
keep us moving while we work until we

311
00:13:36,759 --> 00:13:35,269
drop dead which with a very young age in

312
00:13:39,069 --> 00:13:36,769
which cake will be replaced or somebody

313
00:13:41,650 --> 00:13:39,079

else it was also effective genetically

314

00:13:45,340 --> 00:13:41,660

modified foods keep away don't make them

315

00:13:48,780 --> 00:13:45,350

work for no other clerks that is what

316

00:13:55,180 --> 00:13:51,519

alternatively we can live in this future

317

00:13:57,670 --> 00:13:55,190

it's not too late do the hind bird graph

318

00:14:00,460 --> 00:13:57,680

has not reaches extreme lenslet yet we

319

00:14:02,470 --> 00:14:00,470

can turn around we can turn things back

320

00:14:04,300 --> 00:14:02,480

in exactly the way in the second set of

321

00:14:06,100 --> 00:14:04,310

graphs I showed you if when free energy

322

00:14:08,470 --> 00:14:06,110

was declassified if you live in the

323

00:14:13,329 --> 00:14:08,480

world of free energy in which we would

324

00:14:15,240 --> 00:14:13,339

look like this next slide place where

325

00:14:18,490 --> 00:14:15,250

the animal kingdom and the plant kingdom

326

00:14:20,600 --> 00:14:18,500

would be live undamaged next slide

327

00:14:25,730 --> 00:14:20,610

please

328

00:14:27,319 --> 00:14:25,740

natural world would be attacked and we

329

00:14:29,480 --> 00:14:27,329

will all be free we'd be free poverty

330

00:14:32,630 --> 00:14:29,490

we're going to live are we be able live

331

00:14:34,970 --> 00:14:32,640

long healthy happy lives in abundance

332

00:14:37,160 --> 00:14:34,980

without harming the rest of the

333

00:14:43,280 --> 00:14:37,170

biosphere and the rest of the plan next

334

00:14:45,230 --> 00:14:43,290

slide please don't give up this is

335

00:14:46,819 --> 00:14:45,240

important point to make night I don't

336

00:14:48,949 --> 00:14:46,829

have all the answers I don't know what

337

00:14:52,790 --> 00:14:48,959

the solution is going to be to this but

338

00:14:55,100 --> 00:14:52,800

I just know that it's not it's not doom

339

00:14:57,110 --> 00:14:55,110

and gloom let's go and i'll set here

340

00:14:59,540 --> 00:14:57,120

again offer character from jr talking to

341

00:15:02,710 --> 00:14:59,550

the rent jr talking actually was very

342

00:15:05,240 --> 00:15:02,720

very he's very much in touch with

343

00:15:07,460 --> 00:15:05,250

spiritual traditions and spiritual

344

00:15:10,790 --> 00:15:07,470

matters he was a deep thinker he was

345

00:15:12,560 --> 00:15:10,800

deeply feeler he was a dreamer somebody

346

00:15:14,300 --> 00:15:12,570

is only great power that can hold the

347

00:15:16,550 --> 00:15:14,310

middle in check but that is not what i

348

00:15:18,350 --> 00:15:16,560

have found I found that smoke everyday

349

00:15:20,980 --> 00:15:18,360

deeds of ordinary folk but keep it down

350

00:15:23,690 --> 00:15:20,990

as if a small acts of kindness and love

351

00:15:25,970 --> 00:15:23,700

well gang are the same here what talking

352

00:15:29,930 --> 00:15:25,980

was saying in putting this dialogue in

353

00:15:33,889 --> 00:15:29,940

is that none of us a help us everything

354

00:15:37,120 --> 00:15:33,899

we do has an effect and we must never

355

00:15:40,160 --> 00:15:37,130

give up never forget that we never know

356

00:15:41,990 --> 00:15:40,170

when why I'm gonna describe next in a

357

00:15:46,550 --> 00:15:42,000

minute is actually happens next slide

358

00:15:48,670 --> 00:15:46,560

please as Martin Luther King said this

359

00:15:51,620 --> 00:15:48,680

hour in history needs a dedicated circle

360

00:15:52,730 --> 00:15:51,630

transform nonconformist our planet

361

00:15:55,639 --> 00:15:52,740

teeters on the brink of annihilation

362

00:15:58,340 --> 00:15:55,649

dangerous passions of pride entered some

363

00:16:00,019 --> 00:15:58,350

little thrown in our lives and then due

364

00:16:01,200 --> 00:16:00,029

reverence for the false gods of

365

00:16:04,150 --> 00:16:01,210

nationalism

366

00:16:07,290 --> 00:16:04,160

the saving of our world can pending

367

00:16:09,550 --> 00:16:07,300

doing them not through the complacent

368

00:16:11,620 --> 00:16:09,560

adjustment of the component of jollity

369

00:16:16,660 --> 00:16:11,630

the creative maladjustment of a

370

00:16:19,150 --> 00:16:16,670

non-conforming minority that means you

371

00:16:21,580 --> 00:16:19,160

gotta go stick by your guns when people

372

00:16:23,590 --> 00:16:21,590

call you crazy and try and turn you into

373

00:16:28,030 --> 00:16:23,600

copy for themselves I put pressure on

374

00:16:29,280 --> 00:16:28,040

you cuz they will we're still just a the

375

00:16:32,050 --> 00:16:29,290

large number of people believe

376

00:16:35,260 --> 00:16:32,060

understand conspiracies next understand

377

00:16:38,350 --> 00:16:35,270

UFOs so they say time and time again

378

00:16:41,590 --> 00:16:38,360

twenty percent thirty percent but we are

379

00:16:45,010 --> 00:16:41,600

a small very vocal tip of a very large

380

00:16:48,010 --> 00:16:45,020

side an iceberg and I think would change

381

00:16:49,350 --> 00:16:48,020

but it does we're going to need a lot of

382

00:16:52,480 --> 00:16:49,360

guts we don't look after each other

383

00:16:57,070 --> 00:16:52,490

mutual support is a great source of

384

00:16:58,660 --> 00:16:57,080

courage next slide please and as Oscar

385

00:17:01,860 --> 00:16:58,670

Wilde said always forgive your enemies

386

00:17:04,230 --> 00:17:01,870

because nothing annoys them so much but

387

00:17:06,730 --> 00:17:04,240

you've got to have a laugh you got it

388

00:17:08,260 --> 00:17:06,740

look another phrase I don't know who

389

00:17:10,240 --> 00:17:08,270

said it otherwise I put a slide up for

390

00:17:12,910 --> 00:17:10,250

that person's grown as well life is too

391

00:17:15,010 --> 00:17:12,920

important to be taken seriously you have

392

00:17:17,350 --> 00:17:15,020

to have sense of humor in this world not

393

00:17:19,350 --> 00:17:17,360

to trivialize things as serious but as a

394

00:17:21,730 --> 00:17:19,360

defense mechanism as a means of survival

395

00:17:25,689 --> 00:17:21,740

is you can't laugh as well you ain't you

396

00:17:26,860 --> 00:17:25,699

survived it next slide please this is

397

00:17:29,170 --> 00:17:26,870

the most important thing of all this is

398

00:17:31,720 --> 00:17:29,180

why I believe we have hope Lyle Watson a

399

00:17:33,280 --> 00:17:31,730

great south african researcher he

400

00:17:36,310 --> 00:17:33,290

discovered something really remarkable

401
00:17:38,170 --> 00:17:36,320
that ideas the cupboard that come into

402
00:17:41,950 --> 00:17:38,180
people's heads and on a large number of

403
00:17:43,600 --> 00:17:41,960
large level they don't they don't spread

404
00:17:45,610 --> 00:17:43,610
the way people think they do from person

405
00:17:48,160 --> 00:17:45,620
to person by word of mouth what happens

406
00:17:49,600 --> 00:17:48,170
is you get an idea someone gets an idea

407
00:17:50,740 --> 00:17:49,610
they spread to a couple of other people

408
00:17:52,870 --> 00:17:50,750
another couple of other people they

409
00:17:55,720 --> 00:17:52,880
circulate as in a group like this then

410
00:17:58,150 --> 00:17:55,730
they reach a certain critical mass when

411
00:18:00,100 --> 00:17:58,160
that critical mass is reached they

412
00:18:02,020 --> 00:18:00,110
almost instantly explode out into the

413
00:18:03,760 --> 00:18:02,030

rest of the population Lyle Watson

414

00:18:06,040 --> 00:18:03,770

observe this when he was doing any

415

00:18:08,530 --> 00:18:06,050

experiment involving monkeys on an

416

00:18:10,600 --> 00:18:08,540

island off the coast of Australia these

417

00:18:12,760 --> 00:18:10,610

monkeys and very interesting because

418

00:18:14,710 --> 00:18:12,770

they found out one day one monkey

419

00:18:16,060 --> 00:18:14,720

they need potatoes and one monkey found

420

00:18:17,560 --> 00:18:16,070

out you can improve the flavor of the

421

00:18:19,690 --> 00:18:17,570

potato but watching it in the seat get

422

00:18:21,040 --> 00:18:19,700

some salt into him a couple of other

423

00:18:23,380 --> 00:18:21,050

monkey's watched him doing that and

424

00:18:25,900 --> 00:18:23,390

thought I would go and they tried him

425

00:18:26,920 --> 00:18:25,910

bit by bit more more monkeys followed

426

00:18:29,140 --> 00:18:26,930

the leader and followed the example

427

00:18:31,870 --> 00:18:29,150

realized it was a good idea but then

428

00:18:35,230 --> 00:18:31,880

after a certain number of monkeys learnt

429

00:18:36,940 --> 00:18:35,240

this almost instantaneously Watson found

430

00:18:42,180 --> 00:18:36,950

that all the monkeys on the entire

431

00:18:44,380 --> 00:18:42,190

island with her in it and it's not as if

432

00:18:46,120 --> 00:18:44,390

Carl Jung talks about the collective

433

00:18:47,530 --> 00:18:46,130

unconscious like there's a government of

434

00:18:49,480 --> 00:18:47,540

our mind a higher level of our mind

435

00:18:51,220 --> 00:18:49,490

which is shared by us all and once a

436

00:18:55,180 --> 00:18:51,230

certain once there's a certain critical

437

00:18:56,560 --> 00:18:55,190

mass reached it can eat suddenly becomes

438

00:19:00,310 --> 00:18:56,570

a part of a collective unconscious and

439

00:19:03,550 --> 00:19:00,320

is active access by everybody and with

440

00:19:04,990 --> 00:19:03,560

monkeys it was about 1% of monkeys when

441

00:19:06,790 --> 00:19:05,000

they were the potato washing test

442

00:19:09,730 --> 00:19:06,800

process and that's why you get the

443

00:19:11,290 --> 00:19:09,740

phrase hundredth monkey effect with

444

00:19:12,940 --> 00:19:11,300

humans we don't want the level is but

445

00:19:15,760 --> 00:19:12,950

it's not majority nowhere near the

446

00:19:17,440 --> 00:19:15,770

majority which means that the ideas

447

00:19:19,810 --> 00:19:17,450

we're talking about right now could be

448

00:19:21,430 --> 00:19:19,820

like those monkeys washing potatoes we

449

00:19:23,290 --> 00:19:21,440

don't know when we're didn't reach the

450

00:19:25,390 --> 00:19:23,300

critical mass we're going to cross that

451
00:19:27,550 --> 00:19:25,400
threshold and suddenly things and change

452
00:19:29,170 --> 00:19:27,560
very rapidly we don't know when is it

453
00:19:31,480 --> 00:19:29,180
could be today could be tomorrow could

454
00:19:33,880 --> 00:19:31,490
be next week it could be right now it

455
00:19:35,050 --> 00:19:33,890
could be you me talking right now are

456
00:19:37,510 --> 00:19:35,060
you listening to what I'm saying right

457
00:19:40,510 --> 00:19:37,520
now we could be the unrep monkey this

458
00:19:42,190 --> 00:19:40,520
why we must never give up it will be

459
00:19:47,610 --> 00:19:42,200
awful if we gave up a moment before we

460
00:19:50,770 --> 00:19:47,620
cross that threshold next slide please

461
00:19:52,330 --> 00:19:50,780
Mahatma Gandhi said what I despair I

462
00:19:53,950 --> 00:19:52,340
remember that all through history the

463
00:19:55,630 --> 00:19:53,960

ways of truth and love of always one

464

00:19:57,580 --> 00:19:55,640

there have been tyrants and murderers

465

00:20:00,220 --> 00:19:57,590

and for a time they can seem invincible

466

00:20:03,730 --> 00:20:00,230

but in the end they always fall think of

467

00:20:05,170 --> 00:20:03,740

it always he's right there is an ulcer

468

00:20:07,180 --> 00:20:05,180

so there's a natural art that bends

469

00:20:09,520 --> 00:20:07,190

towards justice which means there isn't

470

00:20:12,970 --> 00:20:09,530

we don't live in an amoral world there

471

00:20:14,030 --> 00:20:12,980

is a natural order to this world its

472

00:20:20,300 --> 00:20:14,040

universe

473

00:20:22,970 --> 00:20:20,310

and if you're on the side of kindness

474

00:20:25,850 --> 00:20:22,980

and caring and desire to do good and you

475

00:20:27,530 --> 00:20:25,860

are on the winning team as a part of the

476

00:20:29,960 --> 00:20:27,540

natural order of the universe even if

477

00:20:36,020 --> 00:20:29,970

you might not see it that it seems so at

478

00:20:38,300 --> 00:20:36,030

the time next slide please so I really

479

00:20:39,620 --> 00:20:38,310

do hope you have enjoyed this what I've

480

00:20:40,850 --> 00:20:39,630

said today I hope it's made you think I

481

00:20:42,770 --> 00:20:40,860

hope it's made you go out and talk to

482

00:20:45,140 --> 00:20:42,780

a guy called John Mayer was talked about

500

00:21:49,520 --> 00:21:46,920

is have any chance called direct energy

501
00:21:51,530 --> 00:21:49,530
weapons yes yeah that things are

502
00:21:54,260 --> 00:21:51,540

503
00:21:56,240 --> 00:21:54,270
disintegration yeah I recommend the book

504
00:21:57,740 --> 00:21:56,250

506
00:22:04,250 --> 00:21:59,640
evidence combo with Andrew Johnson

507
00:22:06,710 --> 00:22:04,260
