INSTANTIAL
REALITY

Wall please leave okay come on you've

4
00:00:37,640 --> 00:00:35,220

got to acknowledge I asked these kind of

5
00:00:41,450 --> 00:00:37,650

questions because it gives me an idea of

6
00:00:44,090 --> 00:00:41,460

where to pitch the lecture and seriously

7
00:00:48,610 --> 00:00:44,100

about her kind of level I'm dealing with

8
00:00:51,160 --> 00:00:48,620

it in terms of your knowledge so till

9
00:00:53,450 --> 00:00:51,170

for the lady on the front row sorry

10
00:00:54,979 --> 00:00:53,460

don't a point I would never point you

11
00:01:01,780 --> 00:00:54,989

out but the lady the glasses on the

12
00:01:06,370 --> 00:01:03,940

who was had to travel the farthest

13
00:01:14,080 --> 00:01:06,380

distance to get here anybody over 30

14

00:01:19,720 --> 00:01:14,090
miles to get here today 20 miles welcome

15

00:01:21,969 --> 00:01:19,730
to the lymph meeting of Suppan I to kill

16

00:01:23,890 --> 00:01:21,979
the music Bret tonight we're very

17

00:01:27,700 --> 00:01:23,900
privileged to have the company of mr.

18

00:01:33,250 --> 00:01:27,710
Gary Heseltine Gary had his own personal

19

00:01:34,900 --> 00:01:33,260
UFO sighted in 1975 66 second and this

20

00:01:39,609 --> 00:01:34,910
was to have a profound effect on his

21

00:01:41,530 --> 00:01:39,619
life okay Gary like myself as a retired

22

00:01:48,550 --> 00:01:41,540
police officer he had a total of

23

00:01:52,450 --> 00:01:48,560
twenty-two years service I've spent much

24

00:01:53,980 --> 00:01:52,460
of the time as a detective 19 years so

25

00:01:56,440 --> 00:01:53,990
he's well used to interviewing people

26

00:01:58,510 --> 00:01:56,450

and record in statements now I'm sure

27

00:02:01,030 --> 00:01:58,520

like myself after this much experience

28

00:02:02,800 --> 00:02:01,040

he clearly possesses good judgment as to

29

00:02:06,730 --> 00:02:02,810

whether he's being told truth or being

30

00:02:09,070 --> 00:02:06,740

lied to now in 2002 we founded the proof

31

00:02:11,620 --> 00:02:09,080

of database which caters for serving and

32

00:02:15,280 --> 00:02:11,630

retired British police UFOs site in

33

00:02:17,979 --> 00:02:15,290

reports he's the founder and editor of

34

00:02:20,650 --> 00:02:17,989

UFO truth magazine and was the former

35

00:02:24,220 --> 00:02:20,660

editor of the online publication UFO

36

00:02:28,050 --> 00:02:24,230

monthly dot-com as well as the former

37

00:02:31,330 --> 00:02:28,060

co-editor of UFO data magazine now in

38

00:02:32,949 --> 00:02:31,340

2010 at washington DC was presented with

39

00:02:36,940 --> 00:02:32,959

the disclosure award by stephen

40

00:02:40,890 --> 00:02:36,950

Bassett's prg group and in 2012 was

41

00:02:43,180 --> 00:02:40,900

awarded the Exopolitics group award yeah

42

00:02:46,390 --> 00:02:43,190

he rarely gives talks and discussions

43

00:02:47,710 --> 00:02:46,400

worldwide on the subject of UFOs and for

44

00:02:50,470 --> 00:02:47,720

many years he's been working closely

45

00:02:52,300 --> 00:02:50,480

with the retired colonel charles help to

46

00:02:54,460 --> 00:02:52,310

piece together Britain's most famous UFO

47

00:02:58,930 --> 00:02:54,470

case which was the rendlesham forest

48

00:03:00,759 --> 00:02:58,940

incident of December 1980 gary has

49

00:03:03,039 --> 00:03:00,769

undoubtedly become one of Britain's most

50

00:03:04,810 --> 00:03:03,049

renowned UFO investigators and whilst

51
00:03:06,610 --> 00:03:04,820
he's probably used to giving talks at

52
00:03:09,039 --> 00:03:06,620
far larger venues than ours I'm

53
00:03:11,080 --> 00:03:09,049
absolutely delighted that he's traveled

54
00:03:12,420 --> 00:03:11,090
so very far to be able to join us here

55
00:03:15,069 --> 00:03:12,430
this evening

56
00:03:17,050 --> 00:03:15,079
so without further ado please give a

57
00:03:27,339 --> 00:03:17,060
warm safan welcome to mr. Gary Heseltine

58
00:03:30,699 --> 00:03:27,349
thank you thank you so what a lovely

59
00:03:32,080 --> 00:03:30,709
warm welcome carry on if you now it was

60
00:03:35,440 --> 00:03:32,090
a lovely welcome thank you very much air

61
00:03:37,809 --> 00:03:35,450
I do let your all around the country is

62
00:03:41,589 --> 00:03:37,819
the first time I've ever lectured in

63
00:03:44,709 --> 00:03:41,599

Wales so this is good for me it goes on

64

00:03:47,709 --> 00:03:44,719

to my ceiling of countries that I've now

65

00:03:51,369 --> 00:03:47,719

legend in which is about 15 now so I'm

66

00:03:55,750 --> 00:03:51,379

pleased and honored to be in Swansea on

67

00:03:59,470 --> 00:03:55,760

a serious note as was mentioned I had a

68

00:04:01,750 --> 00:03:59,480

child a Titan white hours 16 you were

69

00:04:06,580 --> 00:04:01,760

right for many years I put it out that I

70

00:04:09,520 --> 00:04:06,590

was 15 but then a chance meeting with my

71

00:04:14,039 --> 00:04:09,530

former best friend from school who

72

00:04:16,360 --> 00:04:14,049

hadn't seen in over 30 years last year

73

00:04:19,629 --> 00:04:16,370

when we got our heads together best

74

00:04:21,069 --> 00:04:19,639

around girlfriends of the time he

75

00:04:23,589 --> 00:04:21,079

actually said no that was the summer of

76

00:04:28,149 --> 00:04:23,599

76 when you were going out with this

77

00:04:29,860 --> 00:04:28,159

lady so it wasn't 75 and 76 August

78

00:04:32,230 --> 00:04:29,870

services all right so that's why it's

79

00:04:34,839 --> 00:04:32,240

changed so you were right and turn out

80

00:04:38,469 --> 00:04:34,849

to the wrong but it wasn't you right so

81

00:04:41,020 --> 00:04:38,479

basically Who am I now as I asked in the

82

00:04:44,379 --> 00:04:41,030

kind of warm up there's quite a lot of

83

00:04:47,529 --> 00:04:44,389

you who never heard of me or seen seen

84

00:04:50,850 --> 00:04:47,539

me before so in all seriousness I'll

85

00:04:55,060 --> 00:04:50,860

give you a bit of background between

86

00:04:58,560 --> 00:04:55,070

1983 1989 I was a royal air force police

87

00:05:00,670 --> 00:04:58,570

officer and I did predominantly

88

00:05:03,700 --> 00:05:00,680

two-thirds of that was spent what's

89

00:05:07,540 --> 00:05:03,710
called wire-walking what's called SD 814

90

00:05:09,969 --> 00:05:07,550
garden nuclear weapons okay so just in

91

00:05:11,080 --> 00:05:09,979
relation to just put your hands up a few

92

00:05:14,140 --> 00:05:11,090
of heard of the rendlesham forest

93

00:05:16,659 --> 00:05:14,150
incident I was quite a lot than even the

94

00:05:18,820 --> 00:05:16,669
people who don't know it right well

95

00:05:20,390 --> 00:05:18,830
Rendlesham forest is arguably the

96

00:05:23,279 --> 00:05:20,400
world's best case

97

00:05:25,649 --> 00:05:23,289
not just Britain's best case I would say

98

00:05:27,869 --> 00:05:25,659
it's up there arguably the world's best

99

00:05:29,850 --> 00:05:27,879
case because it happened all the three

100

00:05:32,969 --> 00:05:29,860
consecutive nights multiple military

101
00:05:35,399 --> 00:05:32,979
police officers Brown trace evidence

102
00:05:37,290 --> 00:05:35,409
radar evidence lots and lots of eater

103
00:05:43,800 --> 00:05:37,300
but I'm not here to talk about that as

104
00:05:45,420 --> 00:05:43,810
such but the job that they did those US

105
00:05:47,909 --> 00:05:45,430
Air Force police officers with the

106
00:05:50,219 --> 00:05:47,919
direct equivalent of what i did in the

107
00:05:52,890 --> 00:05:50,229
Royal Air Force police and in fact an

108
00:05:56,519 --> 00:05:52,900
area flower brook where i served in

109
00:05:58,290 --> 00:05:56,529
germany the design of the what was

110
00:06:00,029 --> 00:05:58,300
called in the RAF the supplementary

111
00:06:02,909 --> 00:06:00,039
storage area which is the nuclear

112
00:06:07,080 --> 00:06:02,919
bonkers is exactly the same way all

113
00:06:10,170 --> 00:06:07,090

exactly the same layout as the what they

114

00:06:12,149 --> 00:06:10,180

called weapon storage area wsa that they

115

00:06:14,939 --> 00:06:12,159

turned the Americans use for the nuclear

116

00:06:17,249 --> 00:06:14,949

bunkers exactly the same and I'm

117

00:06:19,709 --> 00:06:17,259

electron Rendlesham I've got a

118

00:06:21,749 --> 00:06:19,719

photograph where I went back after the

119

00:06:23,610 --> 00:06:21,759

bear's claws and I was allowed to go

120

00:06:27,269 --> 00:06:23,620

into this restricted area which was one

121

00:06:30,570 --> 00:06:27,279

of you know like microwaved lamb

122

00:06:32,219 --> 00:06:30,580

defenses so many guns point out here and

123

00:06:34,860 --> 00:06:32,229

I was just able to walk in and text some

124

00:06:37,829 --> 00:06:34,870

photographs it was a the bullies exactly

125

00:06:39,269 --> 00:06:37,839

the same design so that was the 83 289

126
00:06:42,899 --> 00:06:39,279
and then i joined the british transport

127
00:06:45,269 --> 00:06:42,909
police in 1989 and after four years

128
00:06:47,369 --> 00:06:45,279
became a detective became qualified

129
00:06:51,269 --> 00:06:47,379
after five years what's called a

130
00:06:55,709 --> 00:06:51,279
substantive detective and was the

131
00:07:00,329 --> 00:06:55,719
detective constable for the rest of my

132
00:07:02,670 --> 00:07:00,339
career until i reside in 2013 so 24

133
00:07:05,610 --> 00:07:02,680
years service 19 years of Detective I

134
00:07:07,490 --> 00:07:05,620
didn't want to go higher in the police

135
00:07:10,679 --> 00:07:07,500
because I didn't like the bureaucracy

136
00:07:13,559 --> 00:07:10,689
the pettiness and realistically I

137
00:07:16,279 --> 00:07:13,569
enjoyed interviewing people suspects and

138
00:07:18,959 --> 00:07:16,289

witnesses so I became a very specialized

139

00:07:21,689 --> 00:07:18,969

interviewer as time went on that was my

140

00:07:24,970 --> 00:07:21,699

back as it were so I I was trained as

141

00:07:28,300 --> 00:07:24,980

high as you could go in interview ok

142

00:07:32,350 --> 00:07:28,310

and that's something I I miss about the

143

00:07:38,080 --> 00:07:32,360

police but not nothing else really okay

144

00:07:41,050 --> 00:07:38,090

so in terms of my training I was trained

145

00:07:44,200 --> 00:07:41,060

in terms of psychology to look at

146

00:07:49,810 --> 00:07:44,210

witnesses body language things like that

147

00:07:53,830 --> 00:07:49,820

and basically in all the years that I

148

00:07:55,210 --> 00:07:53,840

did it you develop a sixth sense for

149

00:07:58,030 --> 00:07:55,220

when someone is telling you the truth

150

00:07:59,980 --> 00:07:58,040

and that can be corned a lot of it is a

151
00:08:01,780 --> 00:07:59,990
natural skill in terms of interview some

152
00:08:03,700 --> 00:08:01,790
people got it in to get some people are

153
00:08:05,470 --> 00:08:03,710
not very good you can be trained a

154
00:08:06,940 --> 00:08:05,480
little bit but basically to be a good

155
00:08:09,160 --> 00:08:06,950
interviewer you've got to have a natural

156
00:08:13,720 --> 00:08:09,170
flair and he's not everybody's cup of

157
00:08:16,810 --> 00:08:13,730
tea okay now I could have gone on for

158
00:08:19,260 --> 00:08:16,820
another six years when every tide in

159
00:08:24,070 --> 00:08:19,270
2013 I could have gone for me 30 years

160
00:08:26,830 --> 00:08:24,080
but by that time something compelled me

161
00:08:29,880 --> 00:08:26,840
to retire early and the circumstances

162
00:08:32,620 --> 00:08:29,890
with my second wife financially meant

163
00:08:35,219 --> 00:08:32,630

that I could retire early with melons on

164

00:08:38,350 --> 00:08:35,229

the after 24 years of my RAF pension

165

00:08:41,020 --> 00:08:38,360

that I took a chance and felt I'm going

166

00:08:44,760 --> 00:08:41,030

to follow my passion and try to make a

167

00:08:46,870 --> 00:08:44,770

difference so by creating the magazine

168

00:08:50,020 --> 00:08:46,880

that was my way of trying to do it

169

00:08:52,960 --> 00:08:50,030

something a bit different now i started

170

00:08:55,840 --> 00:08:52,970

my active research publicly in january

171

00:08:57,610 --> 00:08:55,850

2002 when i launched the proof force

172

00:09:01,510 --> 00:08:57,620

please their best proof or standing for

173

00:09:05,130 --> 00:09:01,520

please report in your force started with

174

00:09:09,610 --> 00:09:05,140

six cases involving 10 officers now

175

00:09:12,430 --> 00:09:09,620

we're 14 years on I've now got over 550

176

00:09:15,730 --> 00:09:12,440

cases involved in a thousand and fifty

177

00:09:17,500 --> 00:09:15,740

British police officers that's all and

178

00:09:21,010 --> 00:09:17,510

then I'm writing the book about them now

179

00:09:23,230 --> 00:09:21,020

as we speak almost hopefully you'll be

180

00:09:25,690 --> 00:09:23,240

out by the end of the year can't find a

181

00:09:27,640 --> 00:09:25,700

publisher anywhere then stream fully

182

00:09:28,990 --> 00:09:27,650

that isn't it we'll talk about how

183

00:09:32,100 --> 00:09:29,000

mainstream not interested in this

184

00:09:35,350 --> 00:09:32,110

subject and it doesn't

185

00:09:37,660 --> 00:09:35,360

make sense if you're doing well at

186

00:09:41,259 --> 00:09:37,670

something you normally get more

187

00:09:45,069 --> 00:09:41,269

attention but when i started the

188

00:09:47,889 --> 00:09:45,079

database in 2002 because i was still a

189

00:09:49,840 --> 00:09:47,899

serving police officer the national meet

190

00:09:52,929 --> 00:09:49,850

you were very interested in me lots of

191

00:09:56,049 --> 00:09:52,939

articles in national newspapers after

192

00:09:57,489 --> 00:09:56,059

two or three years they're not even

193

00:09:59,920 --> 00:09:57,499

though the numbers are going up by

194

00:10:03,249 --> 00:09:59,930

hundreds each year don't make sense

195

00:10:05,110 --> 00:10:03,259

unless you logically think that this

196

00:10:08,949 --> 00:10:05,120

somebody doesn't want this kind of

197

00:10:12,239 --> 00:10:08,959

credible information gap okay hence all

198

00:10:15,129 --> 00:10:12,249

of this frustration as to why I left and

199

00:10:17,100 --> 00:10:15,139

created the magazine the beauty that the

200

00:10:20,019 --> 00:10:17,110

magazine is that there's no overheads

201
00:10:21,790 --> 00:10:20,029
none of the experts that right columns

202
00:10:24,689 --> 00:10:21,800
again paired they don't do it

203
00:10:27,040 --> 00:10:24,699
voluntarily because they support my idea

204
00:10:30,340 --> 00:10:27,050
but this is where you come in because

205
00:10:33,309 --> 00:10:30,350
that I ring-fence a third of all monies

206
00:10:38,369 --> 00:10:33,319
that coming through subscriptions for

207
00:10:42,429 --> 00:10:38,379
UFO causes now initially that then

208
00:10:44,590 --> 00:10:42,439
financing conferences book in

209
00:10:46,689 --> 00:10:44,600
international flights from speakers and

210
00:10:49,329 --> 00:10:46,699
things like that hotels I book a ball up

211
00:10:51,309 --> 00:10:49,339
magazine so in a sense that created the

212
00:10:53,049 --> 00:10:51,319
funding mechanism but if we have

213
00:10:55,179 --> 00:10:53,059

thousands of thousands of people around

214

00:10:59,129 --> 00:10:55,189

the world buying into a an easing which

215

00:11:03,309 --> 00:10:59,139

you can just get by email it's so simple

216

00:11:07,119 --> 00:11:03,319

it could generate millions if we have

217

00:11:09,280 --> 00:11:07,129

thousands more LOL drop in the ocean for

218

00:11:12,189 --> 00:11:09,290

the amount of hits but people are

219

00:11:13,569 --> 00:11:12,199

reluctant to pay in reality for

220

00:11:17,970 --> 00:11:13,579

something that they can't physically

221

00:11:23,199 --> 00:11:17,980

hold even though ebooks have taken over

222

00:11:26,139 --> 00:11:23,209

from the printed word in on Amazon

223

00:11:29,049 --> 00:11:26,149

things like that in terms of sales the

224

00:11:33,309 --> 00:11:29,059

still reluctant but people can't people

225

00:11:35,559 --> 00:11:33,319

want to change people want to have some

226

00:11:38,799 --> 00:11:35,569

impact and I say it's people in the

227

00:11:41,499 --> 00:11:38,809

audience well the idea of the third of

228

00:11:43,629 --> 00:11:41,509

all monies be ring-fenced of UFO causes

229

00:11:44,860 --> 00:11:43,639

could do that because if you have lots

230

00:11:46,329 --> 00:11:44,870

of people doing it then you

231

00:11:48,519 --> 00:11:46,339

you can appear for a lot more Bonn

232

00:11:50,290 --> 00:11:48,529

conference or two conferences you can

233

00:11:52,390 --> 00:11:50,300

then start taking full page ads are in

234

00:11:54,100 --> 00:11:52,400

national newspapers where we don't need

235

00:11:56,290 --> 00:11:54,110

a reporter to tell us the facts we can

236

00:11:58,840 --> 00:11:56,300

just put facts in the newspaper and buy

237

00:12:01,980 --> 00:11:58,850

it can you imagine having a paying five

238

00:12:05,050 --> 00:12:01,990

grand and say I want a page in The Times

239

00:12:06,760 --> 00:12:05,060

well need an article then what we won't

240

00:12:08,590 --> 00:12:06,770

need a reporter to put their own bias on

241

00:12:10,720 --> 00:12:08,600

it we just put facts and figures out the

242

00:12:12,340 --> 00:12:10,730

full page but that's what we could do in

243

00:12:14,530 --> 00:12:12,350

time and people want to make a

244

00:12:17,920 --> 00:12:14,540

difference well the difference is you

245

00:12:21,010 --> 00:12:17,930

pay you for depends a week is what it

246

00:12:23,680 --> 00:12:21,020

works out the more people subscribe the

247

00:12:26,700 --> 00:12:23,690

more that probably is of causes I get

248

00:12:29,890 --> 00:12:26,710

money towards allied pies cancer feed I

249

00:12:32,530 --> 00:12:29,900

get donations to various documentary

250

00:12:35,260 --> 00:12:32,540

features cosmic whistleblowers all about

251

00:12:38,079 --> 00:12:35,270

Roswell the last rose welding give

252

00:12:40,720 --> 00:12:38,089

donations so it's already working but I

253

00:12:43,300 --> 00:12:40,730

get frustrated because people claim to

254

00:12:45,579 --> 00:12:43,310

be interested in this subject but if we

255

00:12:47,680 --> 00:12:45,589

were really interested could pay a few

256

00:12:51,310 --> 00:12:47,690

pens for the common era of their

257

00:12:54,730 --> 00:12:51,320

subjective and I'm trying to do it not

258

00:12:56,949 --> 00:12:54,740

to make millions for me I'm not really

259

00:13:00,160 --> 00:12:56,959

interested i'm not selling dvds I've got

260

00:13:01,600 --> 00:13:00,170

some merchandise it just helped I'm not

261

00:13:04,240 --> 00:13:01,610

out to make a lot of money but I want to

262

00:13:06,840 --> 00:13:04,250

try to make a different difference in

263

00:13:10,030 --> 00:13:06,850

the way people perceive this subject

264

00:13:12,940 --> 00:13:10,040

because anybody who thinks that this is

265

00:13:15,880 --> 00:13:12,950

Looney tune time which is what most

266

00:13:17,440 --> 00:13:15,890

people believe outside of this room that

267

00:13:21,699 --> 00:13:17,450

they're the ones who are subtly

268

00:13:23,320 --> 00:13:21,709

blindfolded so quite a lot of the people

269

00:13:26,079 --> 00:13:23,330

in this room said that they've never

270

00:13:28,510 --> 00:13:26,089

seen me before well that kind of tells

271

00:13:30,640 --> 00:13:28,520

me that I don't know that much about the

272

00:13:32,680 --> 00:13:30,650

subject because in Britain they

273

00:13:34,449 --> 00:13:32,690

shouldn't kind of like recognize me as

274

00:13:37,060 --> 00:13:34,459

one of the heads of the subject in this

275

00:13:41,410 --> 00:13:37,070

country he can it tells me that there's

276

00:13:43,990 --> 00:13:41,420

a disconnect the lots of people can go

277

00:13:46,480 --> 00:13:44,000

to a million websites on the internet

278

00:13:49,019 --> 00:13:46,490

and I get quite angry this because they

279

00:13:51,440 --> 00:13:49,029

become what i call the answer expert oh

280

00:13:54,900 --> 00:13:51,450

that's that yeah

281

00:13:58,920 --> 00:13:54,910

they don't have to move the books at all

282

00:14:01,950 --> 00:13:58,930

but they take on the role of yeah I'm

283

00:14:04,140 --> 00:14:01,960

the expert and they become

284

00:14:07,590 --> 00:14:04,150

self-perpetuating because they then

285

00:14:10,260 --> 00:14:07,600

launch their on-site without ever doing

286

00:14:12,210 --> 00:14:10,270

any proper research without ever really

287

00:14:15,180 --> 00:14:12,220

knowing what's good and bad the wheat

288

00:14:17,700 --> 00:14:15,190

from the chaff and they put more

289

00:14:19,770 --> 00:14:17,710

disinformation out there so on the

290

00:14:25,740 --> 00:14:19,780

internet there are some very good

291

00:14:31,110 --> 00:14:25,750

websites but George Lee who landed the

292

00:14:33,480 --> 00:14:31,120

proper built majority are not very good

293

00:14:36,630 --> 00:14:33,490

because there's no evidential background

294

00:14:39,300 --> 00:14:36,640

to them and of course with my kind of

295

00:14:42,890 --> 00:14:39,310

background this is the only way I can

296

00:14:46,770 --> 00:14:42,900

present evidence through evidential eyes

297

00:14:48,690 --> 00:14:46,780

yeah yep so that's the basis that I try

298

00:14:50,730 --> 00:14:48,700

to do it so what I'm trying to do is

299

00:14:52,590 --> 00:14:50,740

different from all of the other side's

300

00:14:53,730 --> 00:14:52,600

someone doing it similarly but they

301
00:14:55,980 --> 00:14:53,740
haven't got my kind of police background

302
00:14:58,500 --> 00:14:55,990
I know what evidence is and what would

303
00:15:01,110 --> 00:14:58,510
stand up in a court of law for example

304
00:15:03,020 --> 00:15:01,120
and you'll back me up on this if for

305
00:15:05,940 --> 00:15:03,030
example this is a former police officer

306
00:15:08,310 --> 00:15:05,950
if he was driving on tonight and he

307
00:15:09,720 --> 00:15:08,320
dubbed him one too many drinks and he

308
00:15:13,170 --> 00:15:09,730
got pulled by the place if you want one

309
00:15:15,450 --> 00:15:13,180
of his bed and went off but basically if

310
00:15:16,950 --> 00:15:15,460
he got pulled and the suspect you drink

311
00:15:20,250 --> 00:15:16,960
driving than ask him to do a breath test

312
00:15:23,040 --> 00:15:20,260
this a better blow into this Brett yeah

313
00:15:26,250 --> 00:15:23,050

if he believed positive on the little

314

00:15:27,780 --> 00:15:26,260

handle meter that say you're positive

315

00:15:29,370 --> 00:15:27,790

you're under arrest that then taking

316

00:15:31,890 --> 00:15:29,380

back to a police station a man police

317

00:15:36,600 --> 00:15:31,900

station and let's say blow into this big

318

00:15:39,900 --> 00:15:36,610

machine and in top savita you're over

319

00:15:43,290 --> 00:15:39,910

the limit what does it produce it

320

00:15:46,410 --> 00:15:43,300

produces a printout that says chemical

321

00:15:49,350 --> 00:15:46,420

analysis you are over the limit what

322

00:15:51,380 --> 00:15:49,360

goes to court as the evidence that

323

00:15:54,570 --> 00:15:51,390

convicts you will drink doubted that

324

00:15:57,420 --> 00:15:54,580

piece a better held a pig car's a piece

325

00:16:00,420 --> 00:15:57,430

of documentary evidence that says I'm

326

00:16:02,670 --> 00:16:00,430

not there you blew positive now tell me

327

00:16:03,960 --> 00:16:02,680

what's the difference between telemetry

328

00:16:07,530 --> 00:16:03,970

data

329

00:16:11,309 --> 00:16:07,540

from an f-16 chasing the UF for for 75

330

00:16:16,410 --> 00:16:11,319

minutes in a dogfight over Belgium where

331

00:16:20,819 --> 00:16:16,420

all of the cockpit instrumentation was

332

00:16:24,050 --> 00:16:20,829

recorded on video all of the dogfight

333

00:16:29,280 --> 00:16:24,060

was confirmed on seven different

334

00:16:33,780 --> 00:16:29,290

airports three military for civilian on

335

00:16:36,840 --> 00:16:33,790

all telemetry data second-by-second over

336

00:16:39,360 --> 00:16:36,850

75 minutes replace to a printout that

337

00:16:42,259 --> 00:16:39,370

you can pull up in a hypothetical court

338

00:16:44,819 --> 00:16:42,269

of law on the de bit of US law reality

339

00:16:48,090 --> 00:16:44,829

then on that telemetry data it would say

340

00:16:52,259 --> 00:16:48,100

that during that don't fight where 20 16

341

00:16:55,369 --> 00:16:52,269

is chasing the UFO basically at one

342

00:16:59,759 --> 00:16:55,379

point on several gauges but at one point

343

00:17:03,179 --> 00:16:59,769

it goes straight up in the air jumps

344

00:17:04,919 --> 00:17:03,189

5,000 feet in three seconds straight and

345

00:17:07,110 --> 00:17:04,929

then it does a sharp angle and drops

346

00:17:09,620 --> 00:17:07,120

down to the ground and at the bottom the

347

00:17:13,500 --> 00:17:09,630

ground it then does a right angle turn

348

00:17:16,770 --> 00:17:13,510

then L is it before impacted but

349

00:17:18,929 --> 00:17:16,780

the point it did the L share how many

350

00:17:21,929 --> 00:17:18,939

g's do you think he was pulling don't

351
00:17:27,240 --> 00:17:21,939
mind the maximum for stealth even now is

352
00:17:30,330 --> 00:17:27,250
11 to 12 G's it was telemetry data 35

353
00:17:33,450 --> 00:17:30,340
G's should that not be on the six

354
00:17:36,750 --> 00:17:33,460
o'clock news hard evidence no difference

355
00:17:39,630 --> 00:17:36,760
from that drink DRO please but then he

356
00:17:42,090 --> 00:17:39,640
what lies yourself why is not not on the

357
00:17:44,340 --> 00:17:42,100
six-pointed so it's very easy to prove

358
00:17:47,370 --> 00:17:44,350
that there is a mainstream bias against

359
00:17:51,270 --> 00:17:47,380
the best evidence ok so that's the

360
00:17:53,310 --> 00:17:51,280
introduction so this is my take in the

361
00:17:58,110 --> 00:17:53,320
first hour just those people who are I

362
00:18:01,830 --> 00:17:58,120
blades Polikoff tree lat lunges but the

363
00:18:04,049 --> 00:18:01,840

order of play tonight is first hour is

364

00:18:07,740 --> 00:18:04,059

this lecture of circumstantial evidence

365

00:18:09,840 --> 00:18:07,750

case for ET extraterrestrial then we'll

366

00:18:11,730 --> 00:18:09,850

have a break and then i will talk i'll

367

00:18:13,169 --> 00:18:11,740

show you some video clips that I think

368

00:18:16,400 --> 00:18:13,179

you're very interested talk about all

369

00:18:18,680 --> 00:18:16,410

the things and then finally if we've got

370

00:18:21,770 --> 00:18:18,690

time we'll do some Q&A questions answers

371

00:18:24,800 --> 00:18:21,780

okay so first part circumstantial

372

00:18:27,740 --> 00:18:24,810

evidence case piece of gadget switch on

373

00:18:33,050 --> 00:18:27,750

is it working oh I've got it is right

374

00:18:35,770 --> 00:18:33,060

before I talk to you about UFOs if I'm

375

00:18:37,580 --> 00:18:35,780

going to talk to you about evidence

376

00:18:39,830 --> 00:18:37,590

you've got to have a bit of an

377

00:18:41,270 --> 00:18:39,840

understand of what evidence is in terms

378

00:18:44,450 --> 00:18:41,280

of what could get you into a court of

379

00:18:47,030 --> 00:18:44,460

law how you present the evidence well in

380

00:18:49,610 --> 00:18:47,040

reality there's only three basic forms

381

00:18:51,980 --> 00:18:49,620

of evidence there's real evidence which

382

00:18:54,440 --> 00:18:51,990

is cold physical evidence it's called

383

00:18:55,730 --> 00:18:54,450

relevance which is the gun the knife if

384

00:18:58,160 --> 00:18:55,740

you think of a murder scenario the

385

00:19:00,080 --> 00:18:58,170

murder weapon something physical if I

386

00:19:05,030 --> 00:19:00,090

butter this lady with glasses on the

387

00:19:07,520 --> 00:19:05,040

front row and you all witness it you'd

388

00:19:09,260 --> 00:19:07,530

see that and I murder with it fracture

389

00:19:11,660 --> 00:19:09,270

the skull then that would become the

390

00:19:13,220 --> 00:19:11,670

murder weapon yes that murder weapon

391

00:19:17,360 --> 00:19:13,230

will be held up in murder trial and as

392

00:19:20,030 --> 00:19:17,370

gh1 exhibit this was the implement used

393

00:19:24,500 --> 00:19:20,040

to stare this lady's hidden because

394

00:19:26,150 --> 00:19:24,510

you've never seen them before absolutely

395

00:19:27,890 --> 00:19:26,160

true that that's what we do isn't it

396

00:19:31,100 --> 00:19:27,900

you've all seen the bill any please

397

00:19:32,870 --> 00:19:31,110

documentary any police drama whilst they

398

00:19:35,540 --> 00:19:32,880

they don't present it very well that's

399

00:19:37,490 --> 00:19:35,550

the best book so physical evidence

400

00:19:40,970 --> 00:19:37,500

anything that you can physically pick up

401
00:19:44,090 --> 00:19:40,980
tangible yeah even if it was you were

402
00:19:46,940 --> 00:19:44,100
him by a motor boat in the water you

403
00:19:49,220 --> 00:19:46,950
swim in the paddling in Spain and some

404
00:19:51,530 --> 00:19:49,230
believe opacity a hit by the propeller

405
00:19:54,320 --> 00:19:51,540
in you you killed but you can't

406
00:19:55,940 --> 00:19:54,330
physically pick the bottle bring it into

407
00:19:58,250 --> 00:19:55,950
cop what you can do is take a photograph

408
00:19:59,960 --> 00:19:58,260
at the bar photograph of the blades with

409
00:20:02,690 --> 00:19:59,970
the blood on the blades blah blah blah

410
00:20:05,990 --> 00:20:02,700
that then becomes the documentary

411
00:20:08,780 --> 00:20:06,000
evidence that is produced in call this

412
00:20:10,730 --> 00:20:08,790
book the mary elizabeth hit this lady on

413
00:20:13,610 --> 00:20:10,740

such a such a day and this was the

414

00:20:15,620 --> 00:20:13,620

forensic blood analysis of photographs

415

00:20:17,470 --> 00:20:15,630

of the blood on the propeller blades etc

416

00:20:20,390 --> 00:20:17,480

so that's how evidence guessing the cop

417

00:20:22,610 --> 00:20:20,400

so you've got the real evidence and then

418

00:20:23,690 --> 00:20:22,620

you would talk about documentary

419

00:20:26,560 --> 00:20:23,700

evidence

420

00:20:29,240 --> 00:20:26,570

anything so if you think about fraud

421

00:20:31,220 --> 00:20:29,250

yeah somebody's applaud you credit card

422

00:20:33,049 --> 00:20:31,230

and then you look on your monthly

423

00:20:36,200 --> 00:20:33,059

statement and see that six grams gone

424

00:20:38,690 --> 00:20:36,210

you go words I never done that we got

425

00:20:41,060 --> 00:20:38,700

the bank's on this planet that produces

426

00:20:44,210 --> 00:20:41,070

a pet trailer evidence is produced in

427

00:20:46,659 --> 00:20:44,220

court to get you your money back because

428

00:20:51,129 --> 00:20:46,669

you don't actually spend the six month

429

00:20:53,629 --> 00:20:51,139

that's the nature so physical evidence

430

00:20:57,919 --> 00:20:53,639

documentary evidence anything in written

431

00:21:01,850 --> 00:20:57,929

form piece of paper but the main thing

432

00:21:08,750 --> 00:21:01,860

that we have all around the world is

433

00:21:12,259 --> 00:21:08,760

down to witness testimony which produces

434

00:21:13,879 --> 00:21:12,269

two things if I go back to the stove in

435

00:21:15,860 --> 00:21:13,889

this loaded headed just use it as an

436

00:21:18,529 --> 00:21:15,870

example I always do this pixel pick on

437

00:21:22,960 --> 00:21:18,539

something in a nice way but illustrate

438

00:21:26,899 --> 00:21:22,970

the point if i watch i was this lady now

439

00:21:29,029 --> 00:21:26,909

should that stand or it practice cool

440

00:21:31,370 --> 00:21:29,039

she dies bleeds to death in this room i

441

00:21:36,680 --> 00:21:31,380

hope you sleep okay tonight but

442

00:21:40,570 --> 00:21:36,690

basically if that happened what would

443

00:21:42,740 --> 00:21:40,580

likely happen it all go on lawsuit

444

00:21:45,289 --> 00:21:42,750

somebody probably wrestle me to the

445

00:21:47,029 --> 00:21:45,299

ground arrest me citizen's arrest but

446

00:21:51,350 --> 00:21:47,039

should be dead you'll seen it you become

447

00:21:53,419 --> 00:21:51,360

witnesses to murder yes so what would

448

00:21:55,490 --> 00:21:53,429

happen please stop all come in and God

449

00:21:57,470 --> 00:21:55,500

right what did you say what did you see

450

00:22:00,019 --> 00:21:57,480

they do but they're never do it in a

451
00:22:03,169 --> 00:22:00,029
group you take an assigned individually

452
00:22:06,139 --> 00:22:03,179
police officer 121 tell me what you saw

453
00:22:09,830 --> 00:22:06,149
so you get say there's 50 people in this

454
00:22:14,149 --> 00:22:09,840
room 50 different statements about what

455
00:22:17,680 --> 00:22:14,159
they saw and each perception of what you

456
00:22:21,560 --> 00:22:17,690
saw will be slightly different

457
00:22:24,200 --> 00:22:21,570
perception is very strange and the

458
00:22:25,639 --> 00:22:24,210
skeptics will say Oh Chris French you

459
00:22:28,159 --> 00:22:25,649
rarely see me I'm telling when Chris

460
00:22:30,510 --> 00:22:28,169
frankly well on skeptic he didn't

461
00:22:33,400 --> 00:22:30,520
survive early

462
00:22:35,590 --> 00:22:33,410
he will i give the arts just every all

463
00:22:37,780 --> 00:22:35,600

UFO and sold people mistaken Scientology

464

00:22:41,110 --> 00:22:37,790

blah blah blah let's go back to our

465

00:22:44,110 --> 00:22:41,120

scenario now you're all witnesses but

466

00:22:47,590 --> 00:22:44,120

somebody in the back row will not see as

467

00:22:50,140 --> 00:22:47,600

much as somebody on the front row jump

468

00:22:51,730 --> 00:22:50,150

make sense so your perception will be

469

00:22:55,270 --> 00:22:51,740

slightly different but here's the thing

470

00:23:01,020 --> 00:22:55,280

with perception when we check out 50

471

00:23:04,150 --> 00:23:01,030

students you'll all give basically wide

472

00:23:05,710 --> 00:23:04,160

descriptions of me see if I've just done

473

00:23:09,550 --> 00:23:05,720

it yet and I'm not stood in front of you

474

00:23:11,140 --> 00:23:09,560

so you'd only see me briefly some would

475

00:23:13,120 --> 00:23:11,150

say I would black someone say I was

476

00:23:17,140 --> 00:23:13,130

writing some would say oh 6-foot someone

477

00:23:20,770 --> 00:23:17,150

say o 643 that's the perception errors

478

00:23:25,180 --> 00:23:20,780

that we make but you'd all say I saw a

479

00:23:28,180 --> 00:23:25,190

man stand up and hit saw him hit this

480

00:23:30,790 --> 00:23:28,190

woman with something and she fell to the

481

00:23:34,510 --> 00:23:30,800

floor something like that so if we think

482

00:23:37,300 --> 00:23:34,520

about it whilst our perceptions may vary

483

00:23:39,760 --> 00:23:37,310

a great deal in terms of description

484

00:23:43,270 --> 00:23:39,770

physical descriptions of a person a

485

00:23:46,510 --> 00:23:43,280

place someone good some about the

486

00:23:49,600 --> 00:23:46,520

general story that man hits lady on

487

00:23:51,300 --> 00:23:49,610

front row she collapses man runs off me

488

00:23:54,490 --> 00:23:51,310

going out the back door kind of thing

489

00:23:57,550 --> 00:23:54,500

the general story would be accurate from

490

00:23:59,860 --> 00:23:57,560

the 50 witnesses but your perceptions in

491

00:24:04,420 --> 00:23:59,870

terms of personal descriptions they're

492

00:24:06,760 --> 00:24:04,430

very wildly but this is what Chris

493

00:24:10,330 --> 00:24:06,770

French the skeptics dogs say that the

494

00:24:12,220 --> 00:24:10,340

general story is accurate and if you

495

00:24:14,950 --> 00:24:12,230

don't know the person sat next to you

496

00:24:17,860 --> 00:24:14,960

then you what's called independent

497

00:24:19,570 --> 00:24:17,870

witnesses they're the best witnesses we

498

00:24:21,250 --> 00:24:19,580

can have because you have no axe to

499

00:24:23,740 --> 00:24:21,260

grind you just happen to be in the wrong

500

00:24:26,980 --> 00:24:23,750

place wrong time and you see something

501

00:24:28,930 --> 00:24:26,990

yeah so if we get 50 people who don't
