

1
00:00:07,030 --> 00:00:05,590
raise somebody

2
00:00:08,870 --> 00:00:07,040
then there's a pretty good case for me

3
00:00:11,190 --> 00:00:08,880
saying i i'm up in court and i'm going

4
00:00:14,070 --> 00:00:11,200
to get found guilty and bring somebody

5
00:00:17,430 --> 00:00:14,080
that's how we get evidences but when

6
00:00:18,870 --> 00:00:17,440
we see something and we give a statement

7
00:00:20,790 --> 00:00:18,880
do you write your statement to the

8
00:00:22,790 --> 00:00:20,800
police no you don't

9
00:00:25,830 --> 00:00:22,800
why not because you're not trusted

10
00:00:28,230 --> 00:00:25,840
because you don't know how to word it in

11
00:00:31,269 --> 00:00:28,240
the right way for the judge

12
00:00:32,950 --> 00:00:31,279
or the magistrate so there are rules and

13
00:00:36,069 --> 00:00:32,960

protocols

14

00:00:38,150 --> 00:00:36,079

so a police officer takes your statement

15

00:00:41,110 --> 00:00:38,160

gets your details

16

00:00:43,030 --> 00:00:41,120

story in rough and then he writes it up

17

00:00:46,310 --> 00:00:43,040

reads it back to you are you happy with

18

00:00:47,910 --> 00:00:46,320

that if you are signing that declaration

19

00:00:51,029 --> 00:00:47,920

so your

20

00:00:54,470 --> 00:00:51,039

initial witness testimony

21

00:00:56,549 --> 00:00:54,480

then becomes documentary evidence

22

00:00:59,349 --> 00:00:56,559

because it takes transcribed into

23

00:01:01,270 --> 00:00:59,359

written form and sometimes it's on audio

24

00:01:03,110 --> 00:01:01,280

sometimes it's on video

25

00:01:05,270 --> 00:01:03,120

in certain circumstances

26

00:01:06,789 --> 00:01:05,280

so can you see what i mean

27

00:01:08,230 --> 00:01:06,799

before i start talking to you about

28

00:01:09,750 --> 00:01:08,240

evidence or what i think is evidence

29

00:01:10,950 --> 00:01:09,760

that we stand up in the court of law

30

00:01:12,310 --> 00:01:10,960

i've got to tell you a little about what

31

00:01:14,149 --> 00:01:12,320

evidence is because you you're probably

32

00:01:16,149 --> 00:01:14,159

not aware of this it's things that you

33

00:01:17,190 --> 00:01:16,159

don't even think about does that make

34

00:01:22,630 --> 00:01:17,200

sense

35

00:01:26,469 --> 00:01:24,630

i was in crown court or this was about

36

00:01:28,950 --> 00:01:26,479

15 years ago

37

00:01:32,950 --> 00:01:28,960

and it was it was one of the first cases

38

00:01:34,950 --> 00:01:32,960

of voyeurism not easy to say warriorism

39

00:01:38,230 --> 00:01:34,960

where bloc could basically

40

00:01:39,749 --> 00:01:38,240

get a girl drunk

41

00:01:42,310 --> 00:01:39,759

who just happened to be sitting on a

42

00:01:45,590 --> 00:01:42,320

train got a drunk applied to a drink

43

00:01:47,030 --> 00:01:45,600

young girl he was not twice her age

44

00:01:48,550 --> 00:01:47,040

she got that drunk and she went off to

45

00:01:49,590 --> 00:01:48,560

the toilet he then followed her into the

46

00:01:51,830 --> 00:01:49,600

toilet

47

00:01:53,429 --> 00:01:51,840

and started taking photographs of her

48

00:01:56,469 --> 00:01:53,439

in an undressed step

49

00:01:58,870 --> 00:01:56,479

from the first warriorism kissed

50

00:02:02,149 --> 00:01:58,880

and basically you're arrested and

51
00:02:03,990 --> 00:02:02,159
it was all proven but at crown court

52
00:02:06,550 --> 00:02:04,000
we got to talk about what's called the

53
00:02:08,710 --> 00:02:06,560
circumstantial evidence case

54
00:02:12,070 --> 00:02:08,720
rarely do police officers

55
00:02:13,350 --> 00:02:12,080
have all the evidence to go to cop

56
00:02:15,830 --> 00:02:13,360
we have

57
00:02:19,030 --> 00:02:15,840
pieces of a jigsaw

58
00:02:21,350 --> 00:02:19,040
certain cases may be simpler

59
00:02:24,630 --> 00:02:21,360
but in terms of criminal law

60
00:02:26,630 --> 00:02:24,640
murder manslaughter that kind of thing

61
00:02:28,710 --> 00:02:26,640
we really go to court

62
00:02:30,949 --> 00:02:28,720
knowing all the facts

63
00:02:33,350 --> 00:02:30,959

we go to the case with what's called a

64

00:02:35,750 --> 00:02:33,360

circumstantial evidence case and what i

65

00:02:37,030 --> 00:02:35,760

always made a note of it is what they

66

00:02:38,070 --> 00:02:37,040

judge said

67

00:02:39,030 --> 00:02:38,080

he said

68

00:02:40,630 --> 00:02:39,040

people

69

00:02:42,470 --> 00:02:40,640

get it wrong about circumstantial

70

00:02:43,670 --> 00:02:42,480

evidence case they think it's not very

71

00:02:45,670 --> 00:02:43,680

good evidence

72

00:02:47,910 --> 00:02:45,680

he says that's wrong

73

00:02:49,830 --> 00:02:47,920

and he gave a definition of what he

74

00:02:52,550 --> 00:02:49,840

thought circumstantial evidence was and

75

00:02:54,949 --> 00:02:52,560

he said if you have enough pieces of the

76

00:02:56,869 --> 00:02:54,959

jigsaw

77

00:02:59,990 --> 00:02:56,879

that you can put them together

78

00:03:02,229 --> 00:03:00,000

to create an overwhelming and compelling

79

00:03:04,710 --> 00:03:02,239

account of what's occurred

80

00:03:06,390 --> 00:03:04,720

in which a judge jury can make

81

00:03:08,869 --> 00:03:06,400

a determination

82

00:03:11,190 --> 00:03:08,879

so does that make sense

83

00:03:15,430 --> 00:03:11,200

so now let's kind of like

84

00:03:18,710 --> 00:03:16,790

they've probably been around here for

85

00:03:20,630 --> 00:03:18,720

thousands of years

86

00:03:21,990 --> 00:03:20,640

but that's too long ago we can never

87

00:03:24,630 --> 00:03:22,000

prove that

88

00:03:26,070 --> 00:03:24,640

so in the modern era where i focus on

89

00:03:28,309 --> 00:03:26,080

we're talking really from the second

90

00:03:29,589 --> 00:03:28,319

world war onwards

91

00:03:32,149 --> 00:03:29,599

because we've got still people who are

92

00:03:33,750 --> 00:03:32,159

around who give actual genuine accounts

93

00:03:34,869 --> 00:03:33,760

from that time military records things

94

00:03:37,350 --> 00:03:34,879

like that

95

00:03:40,149 --> 00:03:37,360

so these are verifiable cases

96

00:03:41,910 --> 00:03:40,159

it's not just some distant story we can

97

00:03:44,390 --> 00:03:41,920

check

98

00:03:46,149 --> 00:03:44,400

so when we come to the modern era it's

99

00:03:48,070 --> 00:03:46,159

really from about the second world war

100

00:03:50,070 --> 00:03:48,080

onwards

101
00:03:51,190 --> 00:03:50,080
and this is what my evidence will be

102
00:03:54,390 --> 00:03:51,200
based on

103
00:03:59,110 --> 00:03:56,630
so what i would say is and we'll come to

104
00:04:01,670 --> 00:03:59,120
the conclusion but bear that in mind

105
00:04:02,390 --> 00:04:01,680
after 70 odd years

106
00:04:04,710 --> 00:04:02,400
from

107
00:04:06,789 --> 00:04:04,720
probably 1940 onwards

108
00:04:10,309 --> 00:04:06,799
is basically where we're going from

109
00:04:11,110 --> 00:04:10,319
so we've now got 76 years from 1940

110
00:04:13,030 --> 00:04:11,120
i've

111
00:04:14,550 --> 00:04:13,040
some study been done by various people

112
00:04:17,509 --> 00:04:14,560
around the world

113
00:04:19,430 --> 00:04:17,519

i wish to draw certain conclusions

114

00:04:21,749 --> 00:04:19,440

building up this circumstantial picture

115

00:04:22,629 --> 00:04:21,759

of what's going on does that make sense

116

00:04:24,629 --> 00:04:22,639

yeah

117

00:04:26,150 --> 00:04:24,639

okay

118

00:04:27,510 --> 00:04:26,160

so i'm going to talk about just five

119

00:04:30,310 --> 00:04:27,520

cases

120

00:04:31,430 --> 00:04:30,320

that i think demonstrate what evidence

121

00:04:32,710 --> 00:04:31,440

is

122

00:04:34,710 --> 00:04:32,720

and what would stand up in a court of

123

00:04:36,310 --> 00:04:34,720

law these are five year four case

124

00:04:37,749 --> 00:04:36,320

there's no real great graphics for this

125

00:04:39,990 --> 00:04:37,759

so i'll talk about them so you don't

126
00:04:41,990 --> 00:04:40,000
really need to see the screen as such

127
00:04:43,749 --> 00:04:42,000
i want to try to make it as simple as

128
00:04:44,870 --> 00:04:43,759
possible

129
00:04:47,189 --> 00:04:44,880
okay

130
00:04:50,950 --> 00:04:47,199
the first case

131
00:04:52,870 --> 00:04:50,960
is a world war ii sighting over france

132
00:04:55,110 --> 00:04:52,880
just a quick side how many people

133
00:04:56,550 --> 00:04:55,120
realized that ufos were seen regularly

134
00:04:58,310 --> 00:04:56,560
during the second world war put your

135
00:04:59,909 --> 00:04:58,320
hand up in the air

136
00:05:01,670 --> 00:04:59,919
put your hand down how many people

137
00:05:02,790 --> 00:05:01,680
didn't realize that ufos were seen

138
00:05:04,230 --> 00:05:02,800

during the second world war put your

139

00:05:07,830 --> 00:05:04,240

hand up

140

00:05:08,710 --> 00:05:07,840

maybe a few maybe after all right

141

00:05:11,189 --> 00:05:08,720

now

142

00:05:13,350 --> 00:05:11,199

the popular term for a ufo sighting

143

00:05:15,110 --> 00:05:13,360

during the second world war was foo

144

00:05:17,830 --> 00:05:15,120

fighters

145

00:05:20,070 --> 00:05:17,840

however that's a bit of a misnomer

146

00:05:23,029 --> 00:05:20,080

because people talk about balls of light

147

00:05:24,550 --> 00:05:23,039

anywhere from the size of a

148

00:05:28,150 --> 00:05:24,560

10 pence piece

149

00:05:29,909 --> 00:05:28,160

basketball size up to ginormous

150

00:05:32,790 --> 00:05:29,919

five times the size of the car balls of

151
00:05:35,110 --> 00:05:32,800
light following military aircraft in all

152
00:05:37,350 --> 00:05:35,120
theaters of war

153
00:05:40,150 --> 00:05:37,360
and when planes tried to evade them

154
00:05:41,909 --> 00:05:40,160
these objects could just maneuver right

155
00:05:43,749 --> 00:05:41,919
around them just plain could never catch

156
00:05:45,830 --> 00:05:43,759
them never get clogged could never shoot

157
00:05:47,670 --> 00:05:45,840
them down and yet none of these objects

158
00:05:50,550 --> 00:05:47,680
ever attacked

159
00:05:53,029 --> 00:05:50,560
and genuinely

160
00:05:55,749 --> 00:05:53,039
when the british first saw them they

161
00:05:57,270 --> 00:05:55,759
thought it was a new german weapon

162
00:05:59,029 --> 00:05:57,280
when the germans saw them they thought

163
00:06:01,189 --> 00:05:59,039

it was a british weapon

164

00:06:02,150 --> 00:06:01,199

when the americans saw them in the

165

00:06:05,110 --> 00:06:02,160

uh

166

00:06:06,870 --> 00:06:05,120

in over japan and things like that

167

00:06:08,629 --> 00:06:06,880

in the pacific they thought it was

168

00:06:11,270 --> 00:06:08,639

japanese and similar in the japanese

169

00:06:12,950 --> 00:06:11,280

thought it was american secret one

170

00:06:15,909 --> 00:06:12,960

but he won

171

00:06:17,749 --> 00:06:15,919

but not all of the sightings

172

00:06:20,070 --> 00:06:17,759

were just little balls of light that

173

00:06:21,749 --> 00:06:20,080

danced around planes

174

00:06:23,270 --> 00:06:21,759

and this first case

175

00:06:25,990 --> 00:06:23,280

highlights

176

00:06:28,629 --> 00:06:26,000

what most people don't realize

177

00:06:30,390 --> 00:06:28,639

on the 11th of august 1944 can you hear

178

00:06:32,070 --> 00:06:30,400

me tobacco right

179

00:06:33,990 --> 00:06:32,080

do i need to go like that or can you

180

00:06:35,909 --> 00:06:34,000

hear me all right

181

00:06:38,950 --> 00:06:35,919

right okay i've got quite a loud voice

182

00:06:40,390 --> 00:06:38,960

right the 11th of august 1944 return red

183

00:06:43,590 --> 00:06:40,400

from france

184

00:06:51,510 --> 00:06:43,600

crew of a lancaster bomber crew of eight

185

00:06:57,029 --> 00:06:55,189

on the way back when they suddenly see

186

00:06:59,270 --> 00:06:57,039

this

187

00:07:00,950 --> 00:06:59,280

now for yours you can't see it that's a

188

00:07:02,710 --> 00:07:00,960

drawing made by one of the witnesses who

189

00:07:04,870 --> 00:07:02,720

reported this case

190

00:07:06,390 --> 00:07:04,880

the little black thing at the bottom

191

00:07:08,230 --> 00:07:06,400

you stand up if you want at the back the

192

00:07:10,629 --> 00:07:08,240

little black thing at the bottom i had

193

00:07:11,749 --> 00:07:10,639

no idea that this scream was going to be

194

00:07:14,070 --> 00:07:11,759

not to be

195

00:07:17,189 --> 00:07:14,080

right he's a lancaster bomber

196

00:07:18,390 --> 00:07:17,199

the big thing above it is a huge

197

00:07:21,830 --> 00:07:18,400

circular

198

00:07:26,710 --> 00:07:23,430

and it's a lot bigger than the little

199

00:07:29,589 --> 00:07:28,550

the lancaster bomber was one of the

200

00:07:31,270 --> 00:07:29,599

largest

201
00:07:32,150 --> 00:07:31,280
four engine bombers of the second world

202
00:07:34,150 --> 00:07:32,160
war

203
00:07:35,350 --> 00:07:34,160
so generally a large aircraft of the

204
00:07:36,870 --> 00:07:35,360
time

205
00:07:38,629 --> 00:07:36,880
crew of eight

206
00:07:40,390 --> 00:07:38,639
and they said that this object pulled

207
00:07:41,909 --> 00:07:40,400
alongside of them

208
00:07:43,990 --> 00:07:41,919
as they're on the way back from a red

209
00:07:48,550 --> 00:07:44,000
over france

210
00:07:53,670 --> 00:07:51,749
it's got a row of windows

211
00:07:55,589 --> 00:07:53,680
it's metallic looking

212
00:07:59,189 --> 00:07:55,599
and it's got and it was estimated to be

213
00:08:02,790 --> 00:07:59,199

at least 300 feet in diameter

214

00:08:06,950 --> 00:08:04,869

so this is not your little ball of light

215

00:08:07,830 --> 00:08:06,960

this is not something oh we're tired

216

00:08:10,710 --> 00:08:07,840

whoa

217

00:08:13,749 --> 00:08:10,720

this is something very real

218

00:08:15,589 --> 00:08:13,759

that all eight crew saw

219

00:08:17,670 --> 00:08:15,599

but strangely none of them had a sense

220

00:08:19,350 --> 00:08:17,680

of panic

221

00:08:22,390 --> 00:08:19,360

which is a bit bizarre really when you

222

00:08:25,189 --> 00:08:22,400

think that in wartime

223

00:08:27,909 --> 00:08:25,199

you have seconds literally a second or

224

00:08:29,510 --> 00:08:27,919

two at most before you open your fight

225

00:08:31,830 --> 00:08:29,520

your machine goes up

226
00:08:34,310 --> 00:08:31,840
friend r4

227
00:08:35,909 --> 00:08:34,320
shoot all be shot at

228
00:08:37,670 --> 00:08:35,919
aircraft recognition

229
00:08:40,230 --> 00:08:37,680
but all of them said that they didn't

230
00:08:44,389 --> 00:08:40,240
have a sense of fear

231
00:08:46,070 --> 00:08:44,399
so in 1942 a crew of eight see this

232
00:08:47,190 --> 00:08:46,080
never seen anything like it when they

233
00:08:50,550 --> 00:08:47,200
land

234
00:08:52,710 --> 00:08:50,560
they get all debriefed individually

235
00:08:55,350 --> 00:08:52,720
and there are records of this

236
00:08:56,870 --> 00:08:55,360
and they tell exactly the same story

237
00:08:58,870 --> 00:08:56,880
from their different aspects of where

238
00:09:01,030 --> 00:08:58,880

they were in the play

239

00:09:03,670 --> 00:09:01,040

corroborating each other so eight people

240

00:09:05,269 --> 00:09:03,680

corroborating the same incident

241

00:09:06,389 --> 00:09:05,279

that's down as a matter of a military

242

00:09:10,230 --> 00:09:06,399

record

243

00:09:14,070 --> 00:09:12,310

now why isn't the sighting like this for

244

00:09:15,430 --> 00:09:14,080

the reality of something strange flying

245

00:09:17,910 --> 00:09:15,440

in our airspace

246

00:09:21,110 --> 00:09:17,920

on the six o'clock news

247

00:09:24,550 --> 00:09:21,120

we can't even build a 300 foot disc now

248

00:09:25,910 --> 00:09:24,560

76 years or 74 years later on

249

00:09:27,990 --> 00:09:25,920

doesn't that tell you that there's

250

00:09:30,310 --> 00:09:28,000

something wrong about the way the media

251
00:09:31,670 --> 00:09:30,320
reports in this subject

252
00:09:33,430 --> 00:09:31,680
you don't need to be rocket science to

253
00:09:35,750 --> 00:09:33,440
work this out

254
00:09:37,110 --> 00:09:35,760
makes no sense otherwise just makes no

255
00:09:40,630 --> 00:09:37,120
sense

256
00:09:43,430 --> 00:09:40,640
so here we are in 1942

257
00:09:44,710 --> 00:09:43,440
metallic disk 300 foot across the road

258
00:09:46,230 --> 00:09:44,720
windows

259
00:09:53,350 --> 00:09:46,240
let's go through a process of

260
00:09:58,150 --> 00:09:55,190
was there any other 300-foot disc flying

261
00:09:59,269 --> 00:09:58,160
around by the americans japanese no

262
00:10:02,310 --> 00:09:59,279
no

263
00:10:05,269 --> 00:10:02,320

and what they said was after a few

264

00:10:07,030 --> 00:10:05,279

minutes it just went silently away no

265

00:10:09,430 --> 00:10:07,040

noise no

266

00:10:11,990 --> 00:10:09,440

air turbulence either as it shot by

267

00:10:13,590 --> 00:10:12,000

normally if an aircraft is that big

268

00:10:14,790 --> 00:10:13,600

and that close to it creates an air

269

00:10:17,110 --> 00:10:14,800

turbulence

270

00:10:18,630 --> 00:10:17,120

like a wash like it on the scene

271

00:10:21,430 --> 00:10:18,640

away factor

272

00:10:26,550 --> 00:10:23,910

so what in conventional terms have we

273

00:10:27,990 --> 00:10:26,560

got in 1942

274

00:10:32,550 --> 00:10:28,000

and the answer is

275

00:10:39,829 --> 00:10:34,870

and i always hack back to this case when

276
00:10:45,430 --> 00:10:43,030
the stealth argument is undoubtedly true

277
00:10:47,829 --> 00:10:45,440
for some sightings

278
00:10:50,150 --> 00:10:47,839
we have always had some secret aircraft

279
00:10:52,470 --> 00:10:50,160
that some people will see don't know

280
00:10:53,910 --> 00:10:52,480
what it is they'll face the ufo

281
00:10:56,069 --> 00:10:53,920
perfectly fine

282
00:10:58,550 --> 00:10:56,079
but it doesn't explain this

283
00:11:00,550 --> 00:10:58,560
and what does a stealth aircraft do it

284
00:11:01,990 --> 00:11:00,560
has a runway

285
00:11:04,550 --> 00:11:02,000
it takes off

286
00:11:07,030 --> 00:11:04,560
on wheels it goes up in here it goes

287
00:11:09,509 --> 00:11:07,040
straight it's there radar invisible but

288
00:11:11,509 --> 00:11:09,519

it's still real and then it may drop a

289

00:11:14,470 --> 00:11:11,519

few bombs might shoot at something and

290

00:11:19,110 --> 00:11:14,480

then it lands on an airfield

291

00:11:23,829 --> 00:11:21,829

so while stealth may be exotic to us

292

00:11:25,030 --> 00:11:23,839

stealth does not exact

293

00:11:26,150 --> 00:11:25,040

explain

294

00:11:29,509 --> 00:11:26,160

this event

295

00:11:32,230 --> 00:11:29,519

it was before stealth the real first

296

00:11:33,509 --> 00:11:32,240

proper stealthy plane was the u2 in the

297

00:11:34,870 --> 00:11:33,519

in the 50s

298

00:11:36,949 --> 00:11:34,880

and people could think of the gary

299

00:11:38,949 --> 00:11:36,959

powers being shot down

300

00:11:40,230 --> 00:11:38,959

the crisis i think in 1960 when he was

301
00:11:42,069 --> 00:11:40,240
shut down

302
00:11:44,710 --> 00:11:42,079
yeah that's where the existence of the

303
00:11:47,590 --> 00:11:44,720
u2 became aware

304
00:11:50,230 --> 00:11:47,600
so we cannot explain this

305
00:11:52,150 --> 00:11:50,240
in any conventional aircraft of the time

306
00:11:54,870 --> 00:11:52,160
or since

307
00:11:56,310 --> 00:11:54,880
so it's a good starting point for me as

308
00:11:57,269 --> 00:11:56,320
to the reality of what we're dealing

309
00:11:59,590 --> 00:11:57,279
with

310
00:12:02,310 --> 00:11:59,600
and the reality is is that of 100 of

311
00:12:04,310 --> 00:12:02,320
sightings around the world

312
00:12:07,670 --> 00:12:04,320
95 of them

313
00:12:11,110 --> 00:12:07,680

turn out to have a mundane explanation

314

00:12:13,030 --> 00:12:11,120

by that i mean astronomical

315

00:12:14,870 --> 00:12:13,040

pure mistake

316

00:12:17,269 --> 00:12:14,880

look todd people got the wrong end of

317

00:12:19,629 --> 00:12:17,279

the stick after investigation

318

00:12:21,590 --> 00:12:19,639

turns out it's a conventional

319

00:12:23,430 --> 00:12:21,600

misidentification

320

00:12:25,350 --> 00:12:23,440

that's fine

321

00:12:27,269 --> 00:12:25,360

but we're left with the residue of five

322

00:12:29,990 --> 00:12:27,279

percent of cases and we're not talking

323

00:12:33,030 --> 00:12:30,000

about five percent of 20 cases worldwide

324

00:12:34,870 --> 00:12:33,040

we're talking five percent of millions

325

00:12:36,710 --> 00:12:34,880

of cases

326

00:12:39,190 --> 00:12:36,720

so if you extrapolate

327

00:12:41,430 --> 00:12:39,200

five percent of millions of cases since

328

00:12:43,190 --> 00:12:41,440

the forties onwards we're talking about

329

00:12:45,350 --> 00:12:43,200

hundreds of thousands of really good

330

00:12:46,629 --> 00:12:45,360

sightings worldwide

331

00:12:48,069 --> 00:12:46,639

yeah

332

00:12:50,230 --> 00:12:48,079

so that's a lot

333

00:12:51,829 --> 00:12:50,240

and then what you then have to do is

334

00:12:52,790 --> 00:12:51,839

investigate that five percent that's

335

00:12:54,389 --> 00:12:52,800

left

336

00:12:56,710 --> 00:12:54,399

and when you investigate that five

337

00:12:59,110 --> 00:12:56,720

percent you can rule out at least

338

00:13:02,069 --> 00:12:59,120

another two percent

339

00:13:04,829 --> 00:13:02,079

so after investigation it turns out it

340

00:13:07,590 --> 00:13:04,839

is a normal explanation just in all

341

00:13:08,870 --> 00:13:07,600

circumstances but we are left with a

342

00:13:11,750 --> 00:13:08,880

hard core

343

00:13:13,190 --> 00:13:11,760

of three percent of cases

344

00:13:15,269 --> 00:13:13,200

now if you were an investigative

345

00:13:17,910 --> 00:13:15,279

journalist and you were tasked with

346

00:13:20,550 --> 00:13:17,920

finding about ufos

347

00:13:23,430 --> 00:13:20,560

where would your start point be

348

00:13:25,750 --> 00:13:23,440

as to the real reality or not

349

00:13:27,829 --> 00:13:25,760

would it be at the hundred percent or

350

00:13:30,710 --> 00:13:27,839

would you start your investigation

351
00:13:32,790 --> 00:13:30,720
at the three percent unexplained

352
00:13:34,949 --> 00:13:32,800
logically

353
00:13:36,949 --> 00:13:34,959
it should start at the three percent

354
00:13:40,069 --> 00:13:36,959
would it not yeah

355
00:13:44,949 --> 00:13:40,079
but no no no no no

356
00:13:49,590 --> 00:13:46,790
that's a bit bizarre

357
00:13:51,269 --> 00:13:49,600
would i go to court with my weakest

358
00:13:53,430 --> 00:13:51,279
evidence

359
00:13:55,430 --> 00:13:53,440
or do you go to go to court with your

360
00:13:58,230 --> 00:13:55,440
best evidence it's called the best

361
00:14:00,150 --> 00:13:58,240
evidence rule

362
00:14:01,509 --> 00:14:00,160
you get your best evidence in court not

363
00:14:03,910 --> 00:14:01,519

your weak is because the weakest gets

364

00:14:08,550 --> 00:14:06,310

but not when it comes to journalism

365

00:14:11,189 --> 00:14:08,560

investigative journalism

366

00:14:13,350 --> 00:14:11,199

starts every time at 100

367

00:14:14,629 --> 00:14:13,360

never at the three percent

368

00:14:16,470 --> 00:14:14,639

and that's because

369

00:14:19,910 --> 00:14:16,480

they're working to different agendas

370

00:14:21,750 --> 00:14:19,920

which we can talk about later all right

371

00:14:23,590 --> 00:14:21,760

that's the reality

372

00:14:24,790 --> 00:14:23,600

so that should have been on the six

373

00:14:26,949 --> 00:14:24,800

o'clock news

374

00:14:28,550 --> 00:14:26,959

uh let me ask you a question have you

375

00:14:31,829 --> 00:14:28,560

ever seen

376

00:14:34,230 --> 00:14:31,839

the bbc or itv channel 4 channel 5 make

377

00:14:35,829 --> 00:14:34,240

a documentary that's been aired

378

00:14:37,189 --> 00:14:35,839

solely about

379

00:14:38,069 --> 00:14:37,199

foot fighters during the second world

380

00:14:38,949 --> 00:14:38,079

war

381

00:14:40,710 --> 00:14:38,959

no

382

00:14:43,430 --> 00:14:40,720

has there ever been a broadcast

383

00:14:47,430 --> 00:14:43,440

documentary on terrestrial tv

384

00:14:51,110 --> 00:14:49,110

when lawrence olivier was doing his

385

00:14:55,030 --> 00:14:51,120

nourishing world at war with foo

386

00:14:55,040 --> 00:14:58,870

do you not find that odd

387

00:15:02,389 --> 00:15:00,230

we talk about

388

00:15:05,829 --> 00:15:02,399

how history

389

00:15:07,030 --> 00:15:05,839

not just ufos is being manipulated

390

00:15:08,710 --> 00:15:07,040

that the

391

00:15:10,710 --> 00:15:08,720

archaeology

392

00:15:14,710 --> 00:15:10,720

sort of the best evidence of our origins

393

00:15:16,710 --> 00:15:14,720

of man are not being presented correctly

394

00:15:19,189 --> 00:15:16,720

in the media

395

00:15:21,509 --> 00:15:19,199

we'll talk about that later

396

00:15:22,550 --> 00:15:21,519

so that's the first rung of my evidence

397

00:15:26,230 --> 00:15:22,560

that says

398

00:15:27,750 --> 00:15:26,240

explain that in 1942

399

00:15:30,230 --> 00:15:27,760

and you can't

400

00:15:31,189 --> 00:15:30,240

there is no rational explanation except

401
00:15:35,430 --> 00:15:31,199
one

402
00:15:38,949 --> 00:15:37,590
now here's a question how many people

403
00:15:41,509 --> 00:15:38,959
put your hand up in the air if you've

404
00:15:44,310 --> 00:15:41,519
heard of the uh

405
00:15:45,829 --> 00:15:44,320
roswell crash in america in 1947

406
00:15:48,629 --> 00:15:45,839
right be hands down in fact i'm going to

407
00:15:50,870 --> 00:15:48,639
do it in reverse now who hasn't heard of

408
00:15:52,310 --> 00:15:50,880
the roswell crash in 1947 in the united

409
00:15:53,350 --> 00:15:52,320
states put your hand up if you haven't

410
00:15:54,949 --> 00:15:53,360
nothing to be

411
00:15:55,990 --> 00:15:54,959
embarrassed about if you're not aware of

412
00:15:57,350 --> 00:15:56,000
that

413
00:15:59,749 --> 00:15:57,360

so everybody in this room has heard of

414

00:16:01,910 --> 00:15:59,759

the word roswell

415

00:16:04,790 --> 00:16:01,920

and all everybody realizes not just an

416

00:16:06,870 --> 00:16:04,800

american high school tv show

417

00:16:11,509 --> 00:16:06,880

but it related to something

418

00:16:13,110 --> 00:16:11,519

allegedly that crashed in 1947 july 1947

419

00:16:15,590 --> 00:16:13,120

okay

420

00:16:17,110 --> 00:16:15,600

essentially from that time

421

00:16:18,949 --> 00:16:17,120

i did believe i do believe that

422

00:16:22,230 --> 00:16:18,959

something crashed i do believe it didn't

423

00:16:25,269 --> 00:16:22,240

come from around here and i do believe

424

00:16:27,910 --> 00:16:25,279

that we have reversed engineered

425

00:16:30,870 --> 00:16:27,920

some of the components

426

00:16:34,470 --> 00:16:30,880

why because it makes sense

427

00:16:37,590 --> 00:16:34,480

if a ufo was to just crash outside the

428

00:16:39,590 --> 00:16:37,600

welcome in tonight what would happen

429

00:16:41,030 --> 00:16:39,600

if we had someone crash landing outside

430

00:16:43,110 --> 00:16:41,040

we'd maybe think it was an aircraft

431

00:16:45,110 --> 00:16:43,120

crashing some of us might stay in some

432

00:16:47,430 --> 00:16:45,120

of us might get too frightened but some

433

00:16:49,189 --> 00:16:47,440

of us would run outside

434

00:16:50,710 --> 00:16:49,199

and some of us will become witnesses to

435

00:16:53,509 --> 00:16:50,720

an aircraft crashed or whatever we'll

436

00:16:55,509 --> 00:16:53,519

see if it was a crashed ufo

437

00:16:57,749 --> 00:16:55,519

well we on that nowadays we'll be on our

438

00:16:59,189 --> 00:16:57,759

mobile phones taking pictures video and

439

00:17:00,790 --> 00:16:59,199

whatever so there's a chance that we

440

00:17:03,269 --> 00:17:00,800

might be able to get this out to the

441

00:17:05,590 --> 00:17:03,279

wider public but imagine a few years ago

442

00:17:06,309 --> 00:17:05,600

before the invention of the mobile phone

443

00:17:11,990 --> 00:17:06,319

and

444

00:17:14,630 --> 00:17:12,000

high quality media people didn't have

445

00:17:17,189 --> 00:17:14,640

that so they may be the first witnesses

446

00:17:18,870 --> 00:17:17,199

think of kegsburg in 65 something

447

00:17:20,870 --> 00:17:18,880

crashes in the woods

448

00:17:21,590 --> 00:17:20,880

yeah we have some people who say i saw

449

00:17:25,350 --> 00:17:21,600

like

450

00:17:27,189 --> 00:17:25,360

a uh chestnut shaped dumbbell type

451

00:17:28,470 --> 00:17:27,199

craft on the ground

452

00:17:30,630 --> 00:17:28,480

but we don't have photographs things

453

00:17:32,470 --> 00:17:30,640

like that but what happens is

454

00:17:33,990 --> 00:17:32,480

somebody straight away onto the 999

455

00:17:37,590 --> 00:17:34,000

blower

456

00:17:41,750 --> 00:17:39,270

please turn up

457

00:17:44,390 --> 00:17:41,760

what are they going to do cordon it off

458

00:17:46,710 --> 00:17:44,400

deal with any people are injured through

459

00:17:48,870 --> 00:17:46,720

shrapnel or whatever

460

00:17:50,310 --> 00:17:48,880

but then what's going to happen

461

00:17:52,630 --> 00:17:50,320

if he was suspected to say it was

462

00:17:54,470 --> 00:17:52,640

military soviet

463

00:17:57,590 --> 00:17:54,480

russian that kind of thing

464

00:17:59,909 --> 00:17:57,600

straight away the military get called in

465

00:18:02,310 --> 00:17:59,919

the coordinated people further back

466

00:18:04,070 --> 00:18:02,320

whatever was in the ground would be

467

00:18:05,510 --> 00:18:04,080

recovered by the military ticket where

468

00:18:07,830 --> 00:18:05,520

never to be seen again

469

00:18:10,230 --> 00:18:07,840

to be worked on in secret

470

00:18:12,830 --> 00:18:10,240

that's exactly what we do now so it

471

00:18:15,909 --> 00:18:12,840

makes sense if something crashed in

472

00:18:18,630 --> 00:18:15,919

1947 they'd do that

473

00:18:20,230 --> 00:18:18,640

now here's the thing people going about

474

00:18:21,830 --> 00:18:20,240

roswell's in new mexico it's a little

475

00:18:24,870 --> 00:18:21,840

kind of little place in the middle of

476

00:18:28,390 --> 00:18:24,880

nowhere people go you know why the ufos

477

00:18:30,070 --> 00:18:28,400

go to new mexico you know why roswell

478

00:18:32,470 --> 00:18:30,080

you get journalists that come up why

479

00:18:34,789 --> 00:18:32,480

roswell why anyway

480

00:18:38,230 --> 00:18:34,799

but what they failed to say is that

481

00:18:40,390 --> 00:18:38,240

there was a very good reason why roswell

482

00:18:43,830 --> 00:18:40,400

because he was the place of the world's

483

00:18:45,590 --> 00:18:43,840

first atomic bomb squadron

484

00:18:47,669 --> 00:18:45,600

so if you think about it in all the bars

485

00:18:50,150 --> 00:18:47,679

in all the world

486

00:18:53,110 --> 00:18:50,160

that crack ufo crashed

487

00:18:55,110 --> 00:18:53,120

in one little tiny place in the world

488

00:18:56,870 --> 00:18:55,120

oh what a coincidence

489

00:18:59,190 --> 00:18:56,880

the only place in the world where it's

490

00:19:00,630 --> 00:18:59,200

got an atomic bomb squadron

491

00:19:04,710 --> 00:19:00,640

oh

492

00:19:06,310 --> 00:19:04,720

can you not see correlation then i can

493

00:19:10,950 --> 00:19:06,320

no coincidence

494

00:19:14,230 --> 00:19:10,960

turning up in numbers i think

495

00:19:15,750 --> 00:19:14,240

from the second world war onwards

496

00:19:18,789 --> 00:19:15,760

why

497

00:19:21,190 --> 00:19:18,799

we detonate an atomic weapon

498

00:19:22,549 --> 00:19:21,200

that sends a shockwave sound wave out

499

00:19:24,950 --> 00:19:22,559

into space

500

00:19:26,789 --> 00:19:24,960

that announces us as we've developed a

501

00:19:28,710 --> 00:19:26,799

certain level of technological

502

00:19:31,270 --> 00:19:28,720

capability

503

00:19:33,510 --> 00:19:31,280

and one that says we can actually

504

00:19:35,350 --> 00:19:33,520

destroy the very planet that

505

00:19:36,870 --> 00:19:35,360

we call earth

506

00:19:39,990 --> 00:19:36,880

so if you're out there and you came here

507

00:19:44,150 --> 00:19:41,350

don't laugh

508

00:19:45,750 --> 00:19:44,160

we laugh but we shouldn't do

509

00:19:48,390 --> 00:19:45,760

but if you were coming here and you

510

00:19:49,590 --> 00:19:48,400

thought the earth was a beautiful planet

511

00:19:53,029 --> 00:19:49,600

diverse

512

00:19:55,350 --> 00:19:53,039

in life water and fauna
