

1  
00:00:00,030 --> 00:00:14,780  
action [www.supershootergames.com](http://www.supershootergames.com)

2  
00:00:14,790 --> 00:00:57,910  
you

3  
00:01:03,200 --> 00:01:00,919  
hi I'm Emma when we've just come up to

4  
00:01:05,359 --> 00:01:03,210  
town Hill tonight to meet mark ray Werth

5  
00:01:07,279 --> 00:01:05,369  
who was a witness to one of the

6  
00:01:10,039 --> 00:01:07,289  
triangles on the night of the triangles

7  
00:01:11,600 --> 00:01:10,049  
19th of January in 1983 he was 8 years

8  
00:01:15,169 --> 00:01:11,610  
old at the time and he was with his

9  
00:01:17,359 --> 00:01:15,179  
mother and his sister I believe yeah and

10  
00:01:18,649 --> 00:01:17,369  
she was in the early evening because it

11  
00:01:20,870 --> 00:01:18,659  
was a school night so he would wouldn't

12  
00:01:23,300 --> 00:01:20,880  
be not that late so he's not sure the

13  
00:01:25,789 --> 00:01:23,310

exact time but we hope to find out

14

00:01:28,430 --> 00:01:25,799

shortly when he has a word with his

15

00:01:30,680 --> 00:01:28,440

mother later on so mark what what can

16

00:01:35,510 --> 00:01:30,690

you tell us about that night oh he's

17

00:01:38,180 --> 00:01:35,520

going walking my friend on it was

18

00:01:41,949 --> 00:01:38,190

roughly around 7:00 I did confirm up

19

00:01:44,990 --> 00:01:41,959

with my mother I just want to get there

20

00:01:48,020 --> 00:01:45,000

my mother said look at that that's weird

21

00:01:51,109 --> 00:01:48,030

and we looked up to the sky like there

22

00:01:53,270 --> 00:01:51,119

was two huge triangles biggest things

23

00:01:54,919 --> 00:01:53,280

I've ever seen one in front of the other

24

00:01:57,259 --> 00:01:54,929

the left one was in front of the right

25

00:01:59,809 --> 00:01:57,269

one just traveling up to see very slowly

26  
00:02:02,419 --> 00:01:59,819  
no no used to them at all I remember the

27  
00:02:03,830 --> 00:02:02,429  
big white rings underneath um and the

28  
00:02:08,919 --> 00:02:03,840  
lights going off all over that you see

29  
00:02:10,820 --> 00:02:08,929  
the two triangles - I would say roughly

30  
00:02:20,899 --> 00:02:10,830  
and this would be guessing now but

31  
00:02:24,350 --> 00:02:20,909  
roughly around 500 I just remember the

32  
00:02:26,180 --> 00:02:24,360  
size of them I say if they were if they

33  
00:02:31,490 --> 00:02:26,190  
were down here I would say they were

34  
00:02:35,630 --> 00:02:31,500  
bigger than two for pictures for about

35  
00:02:38,300 --> 00:02:35,640  
20 minutes we were yeah roughly they

36  
00:02:41,600 --> 00:02:38,310  
hardly moved by the time we left they'd

37  
00:02:44,000 --> 00:02:41,610  
hardly moved no spawn at all nothing at

38  
00:02:45,350 --> 00:02:44,010

all and it's my mother that said let's

39

00:02:51,300 --> 00:02:45,360

go in the end because we had to take my

40

00:02:55,630 --> 00:02:54,100

the streetlights were coming on my

41

00:02:58,390 --> 00:02:55,640

mother confirmed to me that it was just

42

00:02:59,649 --> 00:02:58,400

getting dark so I thought was that but

43

00:03:04,180 --> 00:02:59,659

she confirmed was just getting dark it

44

00:03:06,100 --> 00:03:04,190

was yeah there was a white ring

45

00:03:08,050 --> 00:03:06,110

underneath and there was I remember

46

00:03:10,960 --> 00:03:08,060

yellow lights white lights going off all

47

00:03:21,220 --> 00:03:10,970

over it so it's like as if they wanted

48

00:03:26,259 --> 00:03:21,230

to be seen it was deep the thickness

49

00:03:29,050 --> 00:03:26,269

yeah I wouldn't know the exact thickness

50

00:03:33,430 --> 00:03:29,060

but it was quite deep but looking at it

51  
00:03:34,479 --> 00:03:33,440  
they looked they looked shallow but they

52  
00:03:36,130 --> 00:03:34,489  
weren't because they would they were

53  
00:03:38,110 --> 00:03:36,140  
just too big so these can see they have

54  
00:03:40,149 --> 00:03:38,120  
their head in South yeah yeah

55  
00:03:44,440 --> 00:03:40,159  
if that's so Lawrence with a good turn

56  
00:03:45,970 --> 00:03:44,450  
get a shot of the you could get mark

57  
00:03:50,580 --> 00:03:45,980  
pointing up to exactly where they were

58  
00:03:55,320 --> 00:03:50,590  
in this day okay

59  
00:04:01,339 --> 00:03:55,330  
yep that that's so we look in South East

60  
00:04:05,339 --> 00:04:01,349  
there so they'd be heading left to right

61  
00:04:07,710 --> 00:04:05,349  
big ones trail to the beach yeah so just

62  
00:04:11,009 --> 00:04:07,720  
to get your bearings we write my grade

63  
00:04:14,250 --> 00:04:11,019

glutes square just down there and behind

64

00:04:21,300 --> 00:04:14,260

this we've got time for roads past the

65

00:04:29,380 --> 00:04:27,130

people can get their bearings so like

66

00:04:32,910 --> 00:04:29,390

you said he was he was just he was just

67

00:04:35,050 --> 00:04:32,920

getting dark so lighting for January

68

00:04:39,190 --> 00:04:35,060

just getting darker beep something like

69

00:04:40,930 --> 00:04:39,200

5 o'clock that was yeah I'm lost with

70

00:04:44,020 --> 00:04:40,940

that 1 o'clock my mother comes to

71

00:04:46,780 --> 00:04:44,030

midwinter yeah what you remember was it

72

00:04:49,420 --> 00:04:46,790

dark or was it I I remember it being

73

00:04:53,770 --> 00:04:49,430

dark damn but my mother said was just

74

00:05:02,770 --> 00:04:53,780

getting dark so because of the lights

75

00:05:04,600 --> 00:05:02,780

shining on it so yeah we just fascinated

76

00:05:07,900 --> 00:05:04,610

with it so we just you know we were

77

00:05:10,000 --> 00:05:07,910

staring for ages and by the time we

78

00:05:11,650 --> 00:05:10,010

walked we walked my friend home I was

79

00:05:16,660 --> 00:05:11,660

over on Gordon Avenue but time we come

80

00:05:19,650 --> 00:05:16,670

back be gone so I mean I read no I was

81

00:05:24,520 --> 00:05:19,660

more exciting than anything it was like

82

00:05:26,470 --> 00:05:24,530

fascinating nothing at all I want to

83

00:05:29,040 --> 00:05:26,480

know more even as young as I was I

84

00:05:33,160 --> 00:05:29,050

wanted to know more

85

00:05:34,960 --> 00:05:33,170

yeah since the kids really after that it

86

00:05:37,870 --> 00:05:34,970

was a big interest of mine so when I was

87

00:05:41,440 --> 00:05:37,880

in school I started subscribing to the

88

00:05:46,180 --> 00:05:41,450

magazines and everything that sparked my

89

00:05:50,140 --> 00:05:46,190

interest he's no noise at all totally

90

00:05:51,880 --> 00:05:50,150

silent I say the ring that the white

91

00:05:59,410 --> 00:05:51,890

rings underneath which is bright and the

92

00:06:02,110 --> 00:05:59,420

lights just going off yeah the actual

93

00:06:04,150 --> 00:06:02,120

rings were white the orange rings

94

00:06:06,370 --> 00:06:04,160

underneath yeah it's all around you know

95

00:06:08,380 --> 00:06:06,380

if there was a white ring which is all

96

00:06:09,970 --> 00:06:08,390

white right the whole ring and then the

97

00:06:12,640 --> 00:06:09,980

lights were going off all over the

98

00:06:13,650 --> 00:06:12,650

triangle so the front the sides there

99

00:06:15,820 --> 00:06:13,660

were lights going off those legs

100

00:06:18,430 --> 00:06:15,830

intimately going off all over all over

101  
00:06:19,530 --> 00:06:18,440  
them yeah on both of and faster they

102  
00:06:21,939 --> 00:06:19,540  
move into that

103  
00:06:24,159 --> 00:06:21,949  
not like they wasn't moving that's the

104  
00:06:27,310 --> 00:06:24,169  
thing was just staring at me was they

105  
00:06:28,900 --> 00:06:27,320  
wasn't going anywhere no they must have

106  
00:06:30,689 --> 00:06:28,910  
jest by the time we got to win a damn

107  
00:06:33,279 --> 00:06:30,699  
him and come back they must have just

108  
00:06:34,779 --> 00:06:33,289  
shut off because if they were still

109  
00:06:36,310 --> 00:06:34,789  
doing the same speed they were doing

110  
00:06:38,110 --> 00:06:36,320  
they would have still been here when we

111  
00:06:39,969 --> 00:06:38,120  
got back so the vivid memory like you is

112  
00:06:42,610 --> 00:06:39,979  
holding you so remember study I can

113  
00:06:43,900 --> 00:06:42,620

picture him in my head to this day what

114

00:06:46,689 --> 00:06:43,910

they look that what they look like

115

00:06:49,719 --> 00:06:46,699

because I say was fascinated and I

116

00:06:51,400 --> 00:06:49,729

stared at him for ages what did your

117

00:06:53,200 --> 00:06:51,410

mother and sister say the time remember

118

00:06:54,010 --> 00:06:53,210

was just the can remember she was

119

00:06:56,080 --> 00:06:54,020

younger the mess again

120

00:06:58,930 --> 00:06:56,090

my mother is clear with my mother as

121

00:07:01,540 --> 00:06:58,940

well it's clear clear images and we

122

00:07:02,590 --> 00:07:01,550

often bring it up when we having family

123

00:07:05,640 --> 00:07:02,600

meals and stuff

124

00:07:08,230 --> 00:07:05,650

my mother will talk quiet she got a

125

00:07:09,909 --> 00:07:08,240

middle room full of you have four boxes

126

00:07:12,790 --> 00:07:09,919

which sparked their interest as well

127

00:07:13,480 --> 00:07:12,800

that was a pinnacle for us that was

128

00:07:19,300 --> 00:07:13,490

mm-hmm

129

00:07:23,200 --> 00:07:19,310

it changed the two of us definitely yeah

130

00:07:25,480 --> 00:07:23,210

fourth painters were more interesting

131

00:07:28,060 --> 00:07:25,490

yeah but lots of other seconds as well

132

00:07:29,620 --> 00:07:28,070

since yeah since that yeah no I

133

00:07:35,620 --> 00:07:29,630

interviewed you a little while ago about

134

00:07:37,120 --> 00:07:35,630

this I know that you develop psychic

135

00:07:39,490 --> 00:07:37,130

abilities as well haven't you that's

136

00:07:45,910 --> 00:07:39,500

right there when when you will act that

137

00:07:51,310 --> 00:07:49,180

I thought that I was aware of but stuff

138

00:07:56,020 --> 00:07:51,320

did happen when I was when I was a kid

139

00:07:58,660 --> 00:07:56,030

particularly in that house there but I

140

00:08:01,360 --> 00:07:58,670

think it's just as I think the reason I

141

00:08:02,950 --> 00:08:01,370

see so many is just the sensitivity yeah

142

00:08:12,720 --> 00:08:02,960

my peripheral vision because we have

143

00:08:26,110 --> 00:08:17,290

clairvoyance mostly have seen these

144

00:08:27,280 --> 00:08:26,120

similar objects on the same night which

145

00:08:28,870 --> 00:08:27,290

is why I was asking you about the time

146

00:08:32,650 --> 00:08:28,880

because this put the important about the

147

00:08:35,140 --> 00:08:32,660

time yeah cuz it was getting dark I I

148

00:08:39,010 --> 00:08:35,150

just cast around sadness because my

149

00:08:41,860 --> 00:08:39,020

friends when used to come for tea they'd

150

00:08:43,360 --> 00:08:41,870

have tea and it's there an hour to an MD

151  
00:08:46,330 --> 00:08:43,370  
gone he's always around Sam o'clock ish

152  
00:08:48,220 --> 00:08:46,340  
yeah so we was taking him home so I

153  
00:08:54,130 --> 00:08:48,230  
thought that must have been around Santa

154  
00:08:55,660 --> 00:08:54,140  
Clau fish but I don't know my mother

155  
00:08:57,610 --> 00:08:55,670  
thinks it was just getting dark sore

156  
00:09:02,080 --> 00:08:57,620  
which would put it well that's all seven

157  
00:09:09,400 --> 00:09:02,090  
yeah thanks we'll make this my girl

158  
00:09:16,510 --> 00:09:09,410  
thank you very much okay at the same

159  
00:09:17,670 --> 00:09:16,520  
time it's fasting one friend of mine

160  
00:09:21,179 --> 00:09:17,680  
journey

161  
00:09:23,249 --> 00:09:21,189  
husband I think about what ten years all

162  
00:09:25,920 --> 00:09:23,259  
the D about DPLA make time and it was a

163  
00:09:28,019 --> 00:09:25,930

discus guy but outdoor the dish has come

164

00:09:29,850 --> 00:09:28,029

in another white ball fooling around to
