

Swansea UFO Network

1
00:00:14,490 --> 00:00:12,180
I suppose if you had to think about the

2
00:00:16,589 --> 00:00:14,500
sightings of Weston West Wales if the

3
00:00:19,470 --> 00:00:16,599
nineteen nineteen seventy-seven you'd

4
00:00:21,600 --> 00:00:19,480
think about three particular events the

5
00:00:25,830 --> 00:00:21,610
landing of the UFO at the broad haven

6
00:00:28,139 --> 00:00:25,840
primary school a series of sightings at

7
00:00:30,900 --> 00:00:28,149
a place called ripest and farm a few

8
00:00:33,209 --> 00:00:30,910
miles away up on the cliffs and a series

9
00:00:37,440 --> 00:00:33,219
of sightings which afflicted a hotel iya

10
00:00:39,979 --> 00:00:37,450
living at the havenport hotel in between

11
00:00:42,930 --> 00:00:39,989
port heiden and sing and little hayden

12
00:00:48,150 --> 00:00:42,940
let me just touch upon her for a moment

13
00:00:49,800 --> 00:00:48,160

her name was rose the Granville Spanish

14

00:00:52,139 --> 00:00:49,810

in origin and her daughter's name is

15

00:00:55,260 --> 00:00:52,149

Francine and I believe Francine still

16

00:01:01,590 --> 00:00:55,270

this at the haven for all the roses now

17

00:01:03,180 --> 00:01:01,600

dead one night Rosa woke up to a rocking

18

00:01:05,369 --> 00:01:03,190

sound outside her window there was a

19

00:01:07,770 --> 00:01:05,379

that the window was rattling there was

20

00:01:09,630 --> 00:01:07,780

there was a light shining into her boat

21

00:01:11,700 --> 00:01:09,640

into her room and she was deathly

22

00:01:13,469 --> 00:01:11,710

terrified so terrified that she got out

23

00:01:15,330 --> 00:01:13,479

of bed and she went to the window and

24

00:01:22,620 --> 00:01:15,340

she looked out and what does she see

25

00:01:27,230 --> 00:01:22,630

there a landed object on the ground with

26

00:01:31,069 --> 00:01:29,660

I can't tell you whether she saw one or

27

00:01:33,380 --> 00:01:31,079

two figures i believe it was more than

28

00:01:36,380 --> 00:01:33,390

one but they were silver suited they

29

00:01:39,429 --> 00:01:36,390

were they were they were very tall and

30

00:01:42,620 --> 00:01:39,439

they seemed to be inspecting the ground

31

00:01:46,490 --> 00:01:42,630

now Rosa Granville reported this

32

00:01:52,310 --> 00:01:46,500

sighting to the newspapers and became

33

00:01:54,350 --> 00:01:52,320

the subject of some well a bit of a joke

34

00:01:56,389 --> 00:01:54,360

suppose amongst some of her peeps some

35

00:02:00,410 --> 00:01:56,399

of the people living in living in little

36

00:02:03,050 --> 00:02:00,420

haven unfairly unfairly a my dad because

37

00:02:04,580 --> 00:02:03,060

she was soon to be vindicated because

38

00:02:06,919 --> 00:02:04,590

there was a whole other flurry of

39

00:02:09,070 --> 00:02:06,929

sightings seem to follow but what was

40

00:02:12,920 --> 00:02:09,080

really interesting about his sighting

41

00:02:14,900 --> 00:02:12,930

was that after the event and i know that

42

00:02:16,670 --> 00:02:14,910

i've got i've heard this first hand from

43

00:02:20,030 --> 00:02:16,680

the witnesses when i visited the area

44

00:02:24,650 --> 00:02:20,040

about 10 or 11 years ago they were

45

00:02:27,199 --> 00:02:24,660

visited by some men and the way the

46

00:02:30,500 --> 00:02:27,209

story was put to me i'll just tell to

47

00:02:32,960 --> 00:02:30,510

you now Francina sitting in the bar the

48

00:02:36,080 --> 00:02:32,970

bar the havenport hotel looks out over

49

00:02:38,930 --> 00:02:36,090

us a wide gravel drive and she was in

50

00:02:40,400 --> 00:02:38,940

the bar and they heard the doorbell go

51
00:02:42,289 --> 00:02:40,410
and she said to me that was the first

52
00:02:44,900 --> 00:02:42,299
thing that was strange because whenever

53
00:02:46,400 --> 00:02:44,910
a car comes up on the driveway we hear

54
00:02:48,440 --> 00:02:46,410
it come up the driveway but suddenly

55
00:02:50,120 --> 00:02:48,450
there was someone let the door so she

56
00:02:52,880 --> 00:02:50,130
said we went to the door and there were

57
00:02:57,259 --> 00:02:52,890
two men standing there she said to me

58
00:02:59,500 --> 00:02:57,269
that they had and skin that was like a

59
00:03:03,050 --> 00:02:59,510
woman's skin it's the word she used and

60
00:03:05,840 --> 00:03:03,060
she said they were very similar-looking

61
00:03:09,170 --> 00:03:05,850
they were dressed in they were dressed

62
00:03:11,850 --> 00:03:09,180
very smartly and their car heart behind

63
00:03:15,810 --> 00:03:11,860

them as she said look like

64

00:03:18,930 --> 00:03:15,820

a silver futuristic car she said I've

65

00:03:21,570 --> 00:03:18,940

never seen a car like it but what was

66

00:03:24,570 --> 00:03:21,580

even stranger was but these men then

67

00:03:27,150 --> 00:03:24,580

said to her we've come to talk to you

68

00:03:31,560 --> 00:03:27,160

about your UFO sighting but we can't

69

00:03:35,550 --> 00:03:31,570

stop today will come another day that

70

00:03:38,790 --> 00:03:35,560

was it and then they left now that that

71

00:03:41,010 --> 00:03:38,800

is deeply strange behavior and I'm sure

72

00:03:45,390 --> 00:03:41,020

we've all met somebody who is deeply

73

00:03:47,220 --> 00:03:45,400

strange so we've all met people who are

74

00:03:50,040 --> 00:03:47,230

deeply strange right these people do

75

00:03:54,330 --> 00:03:50,050

exist experience s but I'll tell you

76

00:03:57,810 --> 00:03:54,340

something that is even stranger these

77

00:04:01,400 --> 00:03:57,820

reports of strange men to come and ask

78

00:04:04,890 --> 00:04:01,410

peculiar these quick place questions I

79

00:04:10,710 --> 00:04:04,900

found all over the world all over the

80

00:04:13,790 --> 00:04:10,720

world and it you only have to look at

81

00:04:16,650 --> 00:04:13,800

the similarities between these reports

82

00:04:18,390 --> 00:04:16,660

to draw the conclusion that there's

83

00:04:20,009 --> 00:04:18,400

something deeply strange going on and I

84

00:04:24,600 --> 00:04:20,019

don't mean that to imply that these men

85

00:04:27,870 --> 00:04:24,610

were some sort of alien or than you know

86

00:04:29,400 --> 00:04:27,880

government agency I just want to draw

87

00:04:34,140 --> 00:04:29,410

your attention to the fact that these

88

00:04:36,690 --> 00:04:34,150

things do happen because what happened

89

00:04:40,980 --> 00:04:36,700

at the havenport hotel then happened to

90

00:04:42,840 --> 00:04:40,990

get a triple stand far I ripest and farm

91

00:04:44,820 --> 00:04:42,850

as many of you will know it's a very

92

00:04:46,890 --> 00:04:44,830

very remote place have you been to

93

00:04:50,090 --> 00:04:46,900

Briston fun I mean it's right is that

94

00:04:52,469 --> 00:04:50,100

right so it's right out on the cliffs

95

00:04:53,760 --> 00:04:52,479

really quite spooky place I would

96

00:04:57,420 --> 00:04:53,770

imagine if you were to live there in the

97

00:04:59,520 --> 00:04:57,430

winter and at the time of course Billy

98

00:05:02,430 --> 00:04:59,530

Coombs was the head hurts Minh and

99

00:05:05,520 --> 00:05:02,440

Pauline Coombs was his wife and they had

100

00:05:07,650 --> 00:05:05,530

a couple of pits well twins brother and

101
00:05:10,980 --> 00:05:07,660
sister as well and of course the affair

102
00:05:13,800 --> 00:05:10,990
at Laura piston farm began on a dark

103
00:05:16,050 --> 00:05:13,810
night dark night Pauline's driving down

104
00:05:18,120 --> 00:05:16,060
the road Daniel the lane suddenly a

105
00:05:21,870 --> 00:05:18,130
globe of light falls from the sky and

106
00:05:23,300 --> 00:05:21,880
begins following her car it becomes even

107
00:05:25,520 --> 00:05:23,310
more terrifying

108
00:05:27,170 --> 00:05:25,530
light spins around and flies directly at

109
00:05:28,790 --> 00:05:27,180
the car towards the wind screen it looks

110
00:05:31,460 --> 00:05:28,800
like they're going to hit and then it

111
00:05:34,490 --> 00:05:31,470
goes straight up by this point she's

112
00:05:36,560 --> 00:05:34,500
absolutely terrified as you would be all

113
00:05:38,780 --> 00:05:36,570

the kids terrified she comes to a halt

114

00:05:42,200 --> 00:05:38,790

outside the house they run inside and

115

00:05:44,570 --> 00:05:42,210

grab a husband he comes to the door just

116

00:05:49,610 --> 00:05:44,580

in time to see this globe of light above

117

00:05:52,670 --> 00:05:49,620

the car and it flies away now that

118

00:05:54,380 --> 00:05:52,680

sighting as well as been quite

119

00:05:57,230 --> 00:05:54,390

interesting could be out of a textbook

120

00:06:00,140 --> 00:05:57,240

if you've read any UFO books they're all

121

00:06:01,640 --> 00:06:00,150

it just follows a certain pattern but

122

00:06:03,890 --> 00:06:01,650

what's really interesting is that that

123

00:06:05,450 --> 00:06:03,900

report I referred to earlier on project

124

00:06:08,300 --> 00:06:05,460

condign the one done by the Defence

125

00:06:11,840 --> 00:06:08,310

Intelligence staff that focuses on the

126

00:06:15,050 --> 00:06:11,850

military applications of this sort of

127

00:06:18,530 --> 00:06:15,060

phosphor annamma know so they admit that

128

00:06:20,330 --> 00:06:18,540

these things are real in this report and

129

00:06:21,650 --> 00:06:20,340

that what she saw and what she was

130

00:06:23,830 --> 00:06:21,660

laughed at for seeing doesn't

131

00:06:25,640 --> 00:06:23,840

necessarily it suddenly we have

132

00:06:27,490 --> 00:06:25,650

independent confirmation from our

133

00:06:29,660 --> 00:06:27,500

government at this sort of phenomena

134

00:06:31,220 --> 00:06:29,670

exists and it could actually have some

135

00:06:35,270 --> 00:06:31,230

sort of military application whatever

136

00:06:37,760 --> 00:06:35,280

application is I have no idea but it's

137

00:06:39,350 --> 00:06:37,770

interesting the second really

138

00:06:42,440 --> 00:06:39,360

interesting thing to happen at

139

00:06:44,600 --> 00:06:42,450

riverstone farm of course is that the

140

00:06:47,000 --> 00:06:44,610

whole family will witness or Billy and

141

00:06:49,070 --> 00:06:47,010

his and his wife Pauline at least were

142

00:06:51,830 --> 00:06:49,080

witness to one of these very stall

143

00:06:55,310 --> 00:06:51,840

figures which appeared that one of their

144

00:06:57,140 --> 00:06:55,320

window it was one evening and of course

145

00:06:58,880 --> 00:06:57,150

that was an incident that scared and

146

00:07:01,070 --> 00:06:58,890

mauled to death but I interviewed

147

00:07:04,220 --> 00:07:01,080

Pauline Coombs because I was interested

148

00:07:08,660 --> 00:07:04,230

to see how much of what she said then

149

00:07:10,310 --> 00:07:08,670

she was still prepared to say and I have

150

00:07:15,710 --> 00:07:10,320

to say that not only was most of what

151
00:07:17,660 --> 00:07:15,720
she told me perfectly consistent but I

152
00:07:20,120 --> 00:07:17,670
gleaned further bits of information from

153
00:07:21,650 --> 00:07:20,130
her so for example she told me that the

154
00:07:25,360 --> 00:07:21,660
roast there was a bush next to the

155
00:07:28,130 --> 00:07:25,370
window and she said that she said that

156
00:07:30,350 --> 00:07:28,140
it was it was it was black and all

157
00:07:31,760 --> 00:07:30,360
damaged after this figure this glowing

158
00:07:33,500 --> 00:07:31,770
silver suited figure with this

159
00:07:35,340 --> 00:07:33,510
blackened-out face had appeared on the

160
00:07:37,980 --> 00:07:35,350
window she said it was damaged

161
00:07:41,850 --> 00:07:37,990
and she also said that the paint around

162
00:07:45,480 --> 00:07:41,860
the window refused to stick properly for

163
00:07:46,770 --> 00:07:45,490

a while and that that was that was

164

00:07:48,210 --> 00:07:46,780

interesting but of course we can't

165

00:07:52,550 --> 00:07:48,220

verify that because it happened so long

166

00:07:57,180 --> 00:07:52,560

ago but what was interesting was that

167

00:08:00,540 --> 00:07:57,190

the the son of the family did report

168

00:08:03,600 --> 00:08:00,550

also an encounter with with with a car a

169

00:08:07,470 --> 00:08:03,610

futuristic-looking car which came to the

170

00:08:11,840 --> 00:08:07,480

property after their sighting and that

171

00:08:14,220 --> 00:08:11,850

they were men there dressed smartly I

172

00:08:16,590 --> 00:08:14,230

don't want to use the word men in black

173

00:08:18,900 --> 00:08:16,600

because it carries so many unfortunate

174

00:08:20,070 --> 00:08:18,910

connotations now you know you can't use

175

00:08:23,460 --> 00:08:20,080

that phrase like thinking about Will

176

00:08:26,310 --> 00:08:23,470

Smith but but the point is the point is

177

00:08:28,380 --> 00:08:26,320

these things were reported and I'd read

178

00:08:30,600 --> 00:08:28,390

about them like I'm sure you've all read

179

00:08:32,880 --> 00:08:30,610

about men in black and UFO sightings but

180

00:08:35,490 --> 00:08:32,890

when you hear it from the horse's mouth

181

00:08:40,080 --> 00:08:35,500

it has a very different has a very

182

00:08:42,390 --> 00:08:40,090

different effect I think so I was

183

00:08:43,890 --> 00:08:42,400

interested in whether or not any of

184

00:08:48,360 --> 00:08:43,900

these sightings which were happening

185

00:08:52,080 --> 00:08:48,370

around West Wales had had attracted any

186

00:08:54,300 --> 00:08:52,090

sort of interest from the government if

187

00:08:57,660 --> 00:08:54,310

you go back and look at what the mo dee

188

00:08:59,580 --> 00:08:57,670

said at the time they'll tell you Bob

189

00:09:01,740 --> 00:08:59,590

it's pretty clear actually they were

190

00:09:05,070 --> 00:09:01,750

where they were aware of the reports

191

00:09:06,720 --> 00:09:05,080

that were going on but they didn't

192

00:09:09,650 --> 00:09:06,730

really claim to have any information on

193

00:09:11,940 --> 00:09:09,660

it they claimed they had you know

194

00:09:14,640 --> 00:09:11,950

they've been a very woolly about the

195

00:09:17,460 --> 00:09:14,650

whole thing and in fact rows of

196

00:09:18,810 --> 00:09:17,470

Granville's at local MP wrote trying to

197

00:09:20,910 --> 00:09:18,820

get answers and you got a reply

198

00:09:24,390 --> 00:09:20,920

basically saying that there was nothing

199

00:09:25,920 --> 00:09:24,400

in all this I think his name is James

200

00:09:27,930 --> 00:09:25,930

well the love of a person who replied

201
00:09:32,370 --> 00:09:27,940
anyway you can let go and look at all go

202
00:09:34,890 --> 00:09:32,380
and look it up but the point is and it's

203
00:09:37,800 --> 00:09:34,900
it's quite a significant point is it was

204
00:09:42,190 --> 00:09:37,810
in writing at the time that they had

205
00:09:44,770 --> 00:09:42,200
nothing on any of these events well

206
00:09:48,630 --> 00:09:44,780
I'll come now to the broad Haven UFO

207
00:09:52,090 --> 00:09:48,640
incident at the school in February I

208
00:09:55,090 --> 00:09:52,100
have with me tonight a statement from

209
00:09:59,080 --> 00:09:55,100
one of the one of the witnesses one of

210
00:10:01,210 --> 00:09:59,090
the original witnesses who's happy for

211
00:10:06,310 --> 00:10:01,220
me to read this out and I i will read it

212
00:10:08,710 --> 00:10:06,320
out just before I do I went to the

213
00:10:10,420 --> 00:10:08,720

school about 10 11 years ago and looked

214

00:10:12,660 --> 00:10:10,430

through they have a wonderful scrapbook

215

00:10:15,010 --> 00:10:12,670

they're called haven primary school and

216

00:10:16,470 --> 00:10:15,020

the story i was able to piece together

217

00:10:20,260 --> 00:10:16,480

is the one I'm sure you've all heard

218

00:10:23,050 --> 00:10:20,270

that on a drizzly afternoon I think it

219

00:10:25,350 --> 00:10:23,060

was a Friday afternoon the children came

220

00:10:28,270 --> 00:10:25,360

running in and alerted their headmaster

221

00:10:31,150 --> 00:10:28,280

rough Llewellyn to the fact that they

222

00:10:33,730 --> 00:10:31,160

had seen at the end of their playing

223

00:10:35,910 --> 00:10:33,740

field the hedge that border the stream

224

00:10:39,400 --> 00:10:35,920

and looked at to a wider hill behind

225

00:10:44,650 --> 00:10:39,410

that they'd seen what they described as

226

00:10:46,540 --> 00:10:44,660

a landed landed flying saucer UFO it was

227

00:10:48,670 --> 00:10:46,550

in fact they didn't actually have a full

228

00:10:51,370 --> 00:10:48,680

view of it it was half obscured behind

229

00:10:52,540 --> 00:10:51,380

the trees and actually what was really

230

00:10:56,140 --> 00:10:52,550

interesting about looking at their

231

00:10:58,690 --> 00:10:56,150

drawings is that this object there's a

232

00:11:00,820 --> 00:10:58,700

very striking similarity to the one that

233

00:11:03,430 --> 00:11:00,830

was seen in bishopston which first

234

00:11:06,400 --> 00:11:03,440

ignited my interest very very striking

235

00:11:09,550 --> 00:11:06,410

similarity of course the headmaster was

236

00:11:13,420 --> 00:11:09,560

deeply deeply skeptical but the boy's

237

00:11:16,750 --> 00:11:13,430

parents were unprepared to take to

238

00:11:19,120 --> 00:11:16,760

forget the whole thing and Randall Jones

239

00:11:21,130 --> 00:11:19,130

pew who was a local researcher at the

240

00:11:24,100 --> 00:11:21,140

time was very very quickly made aware

241

00:11:25,690 --> 00:11:24,110

and went down to the place where this

242

00:11:29,400 --> 00:11:25,700

object seemed to have appeared and he

243

00:11:32,770 --> 00:11:29,410

basically discovered a very very muddy

244

00:11:36,420 --> 00:11:32,780

terrain where it would be very very

245

00:11:39,850 --> 00:11:36,430

difficult to place any sort of machinery

246

00:11:42,160 --> 00:11:39,860

now that may or may not be true

247

00:11:45,699 --> 00:11:42,170

I've no doubt and he went there and I no

248

00:11:47,730 --> 00:11:45,709

doubt it was muddy it was raining it was

249

00:11:50,199 --> 00:11:47,740

the visibility was not good that day and

250

00:11:51,579 --> 00:11:50,209

I've spent a lot of time in brought

251

00:11:53,530 --> 00:11:51,589

haven when I was researching the

252

00:11:56,290 --> 00:11:53,540

Watchers I can tell you that there are

253

00:11:58,240 --> 00:11:56,300

many people living there particularly

254

00:12:01,660 --> 00:11:58,250

near the sewage works and the hill

255

00:12:04,690 --> 00:12:01,670

opposite who will say I'm afraid what

256

00:12:07,480 --> 00:12:04,700

they saw was a sewage tanker and they've

257

00:12:10,300 --> 00:12:07,490

been watching too much Star Trek because

258

00:12:15,040 --> 00:12:10,310

one of the boys actually drew a figure

259

00:12:16,960 --> 00:12:15,050

that has pointy ears well i have to say

260

00:12:19,300 --> 00:12:16,970

i don't believe that what they saw was a

261

00:12:22,840 --> 00:12:19,310

sewerage canker I understand why people

262

00:12:24,699 --> 00:12:22,850

say it but if you if you look at the

263

00:12:27,850 --> 00:12:24,709

spot and if you go there and sigh have

264

00:12:29,860 --> 00:12:27,860

feeds I mean it's it's a it's a very

265

00:12:31,480 --> 00:12:29,870

minute the hill is pretty steep but also

266

00:12:33,250 --> 00:12:31,490

the sewerage works aren't really

267

00:12:35,800 --> 00:12:33,260

completely visible it seems like very

268

00:12:38,170 --> 00:12:35,810

odd thing to see but what convinces me

269

00:12:41,110 --> 00:12:38,180

more than that is that the boys all

270

00:12:42,579 --> 00:12:41,120

stand by their story today well at least

271

00:12:46,900 --> 00:12:42,589

those of them that I've been able to

272

00:12:48,400 --> 00:12:46,910

speak to do and as far back as 1996 I

273

00:12:55,120 --> 00:12:48,410

think they will stop by their story as

274

00:12:56,889 --> 00:12:55,130

well well the interesting thing is a

275

00:12:58,780 --> 00:12:56,899

nice of sorts of events obviously we

276

00:13:01,150 --> 00:12:58,790

can't go back we can't check but what we

277

00:13:02,680 --> 00:13:01,160

can do what we can do is look at the

278

00:13:05,680 --> 00:13:02,690

evidence from the time which is

279

00:13:07,540 --> 00:13:05,690

obviously the most reliable and the

280

00:13:11,439 --> 00:13:07,550

evidence from the time was gathered by

281

00:13:12,699 --> 00:13:11,449

roughly wallet and I know people who his

282

00:13:16,900 --> 00:13:12,709

know what no longer with us I'm afraid

283

00:13:20,829 --> 00:13:16,910

but I do know people who knew him who

284

00:13:24,790 --> 00:13:20,839

has said to me he regretted until the

285

00:13:28,280 --> 00:13:24,800

day he died not going out to look when

286

00:13:32,990 --> 00:13:30,889

and the reason he regretted it is

287

00:13:34,610 --> 00:13:33,000

because he asked them all to draw what

288

00:13:37,550 --> 00:13:34,620

they saw and of course all those

289

00:13:40,310 --> 00:13:37,560

drawings talent they all drew pretty

290

00:13:42,379 --> 00:13:40,320

much the same thing there were a few

291

00:13:44,509 --> 00:13:42,389

discrepancies but it's a dome-shaped

292

00:13:46,809 --> 00:13:44,519

object the cigar-shaped object with a

293

00:13:49,400 --> 00:13:46,819

dome on top and maybe a light maybe not

294

00:13:51,680 --> 00:13:49,410

what's also interesting is that many

295

00:13:54,980 --> 00:13:51,690

people living around the school there's

296

00:13:56,809 --> 00:13:54,990

a small road that overlooks it I did

297

00:13:58,939 --> 00:13:56,819

actually speak to a couple of people who

298

00:14:01,189 --> 00:13:58,949

implied to me that adults had seen the

299

00:14:04,309 --> 00:14:01,199

object as well actually at the time

300

00:14:06,259 --> 00:14:04,319

there were some canteen workers who were

301
00:14:08,389 --> 00:14:06,269
prepared to say they had seen an object

302
00:14:09,740 --> 00:14:08,399
up there that looked very similar to

303
00:14:11,930 --> 00:14:09,750
what the boys have reported on a

304
00:14:18,230 --> 00:14:11,940
different day and they also thought this

305
00:14:20,240 --> 00:14:18,240
thing was pretty unusual now if this

306
00:14:25,400 --> 00:14:20,250
incident had occurred in complete

307
00:14:28,220 --> 00:14:25,410
isolation let's suppose that it had you

308
00:14:30,290 --> 00:14:28,230
might be forgiven I suppose you might be

309
00:14:32,689 --> 00:14:30,300
forgiven for thinking what happened was

310
00:14:35,000 --> 00:14:32,699
somebody somewhere was dumping some

311
00:14:36,860 --> 00:14:35,010
sewage they weren't meant to be doing it

312
00:14:38,480 --> 00:14:36,870
this may be illegal they were and they

313
00:14:41,059 --> 00:14:38,490

were quite happy for somebody to go away

314

00:14:44,300 --> 00:14:41,069

and invent a UFO story as there's lots

315

00:14:46,699 --> 00:14:44,310

of big hits in there but it didn't

316

00:14:49,160 --> 00:14:46,709

happen in isolation because people all

317

00:14:52,480 --> 00:14:49,170

over pembrokehire that summer reported

318

00:14:55,100 --> 00:14:52,490

seeing silver objects on the ground and

319

00:14:57,590 --> 00:14:55,110

what's also interesting or perhaps

320

00:15:01,670 --> 00:14:57,600

telling about this is that these objects

321

00:15:05,120 --> 00:15:01,680

we had never seen moving they were seen

322

00:15:06,889 --> 00:15:05,130

disappearing in situ reappearing

323

00:15:09,769 --> 00:15:06,899

somewhere else in another part of the

324

00:15:14,319 --> 00:15:09,779

field which doesn't really sound like a

325

00:15:23,679 --> 00:15:20,470

one of the witnesses was a woman who was

326

00:15:26,739 --> 00:15:23,689

a university educated and live very near

327

00:15:31,389 --> 00:15:26,749

to ripest and far her name is Josephine

328

00:15:33,789 --> 00:15:31,399

hewison well Josephine woke up one

329

00:15:37,389 --> 00:15:33,799

morning to look out of her window to see

330

00:15:40,629 --> 00:15:37,399

an object that she described was a like

331

00:15:44,079 --> 00:15:40,639

an upturn jelly mold and again with a

332

00:15:46,299 --> 00:15:44,089

brushed aluminium finish and she said

333

00:15:51,669 --> 00:15:46,309

this object was so big that it it

334

00:15:53,559 --> 00:15:51,679

completely blocked out a local green

335

00:15:59,379 --> 00:15:53,569

hats a greenhouse standing on her

336

00:16:01,539 --> 00:15:59,389

standing on her property well Josephine

337

00:16:04,119 --> 00:16:01,549

stood by i interviewed Josephine myself

338

00:16:08,169 --> 00:16:04,129

when I was researching this book and she

339

00:16:10,900 --> 00:16:08,179

doesn't live in Wales anymore ah stood

340

00:16:12,369 --> 00:16:10,910

by it stood by the story but when I was

341

00:16:15,489 --> 00:16:12,379

most recently doing research for this

342

00:16:18,569 --> 00:16:15,499

book I went back to the havens and I met

343

00:16:21,789 --> 00:16:18,579

a chap who knew her and he said to me

344

00:16:25,030 --> 00:16:21,799

I'm extremely skeptical about all of

345

00:16:28,869 --> 00:16:25,040

this he said but bloody hell she was

346

00:16:32,850 --> 00:16:28,879

adamant she was no changing her mind and

347

00:16:37,900 --> 00:16:32,860

she'd seen this and I can conceive of no

348

00:16:42,569 --> 00:16:37,910

reasonable explanation as to why she'd

349

00:16:46,569 --> 00:16:42,579

make it up why would she make it up her

350

00:16:49,509 --> 00:16:46,579

her her neighbors Pauline and Billy had

351

00:16:54,100 --> 00:16:49,519

been ridiculed because they prepared in

352

00:16:55,720 --> 00:16:54,110

the press quite a few times so one of

353

00:16:57,789 --> 00:16:55,730

the sites one of the reasons they were

354

00:17:00,609 --> 00:16:57,799

ridiculed it's because one of the things

355

00:17:02,470 --> 00:17:00,619

they saw was really quite astounding and

356

00:17:04,360 --> 00:17:02,480

this is that this is the story which

357

00:17:06,670 --> 00:17:04,370

strains the credulity I think the whole

358

00:17:08,230 --> 00:17:06,680

wells triangle and ignorant

359

00:17:10,240 --> 00:17:08,240

I'm sure many of you know what I'm about

360

00:17:11,980 --> 00:17:10,250

to say that's of course the sighting by

361

00:17:15,460 --> 00:17:11,990

Pauline Coombs have an object flying

362

00:17:18,220 --> 00:17:15,470

into stacked rocks which was rocky out

363

00:17:20,140 --> 00:17:18,230

problem off of the shore st. bride's bay

364

00:17:22,450 --> 00:17:20,150

what she thought she saw was an object

365

00:17:26,700 --> 00:17:22,460

flying into it a door opening and

366

00:17:30,010 --> 00:17:26,710

closing and a door within the rocks now

367

00:17:31,750 --> 00:17:30,020

if you've ever seen a bird on a bright

368

00:17:33,250 --> 00:17:31,760

sunny day flying around the rocks it can

369

00:17:35,710 --> 00:17:33,260

look a bit like a silver disk from a

370

00:17:39,630 --> 00:17:35,720

distance but what's interesting is that

371

00:17:43,960 --> 00:17:39,640

somebody else also saw this which was

372

00:17:46,870 --> 00:17:43,970

maybe they saw it somebody else also saw

373

00:17:49,840 --> 00:17:46,880

this and if somebody else was the hotel

374

00:17:51,310 --> 00:17:49,850

you at the havenport hotel now that for

375

00:17:54,010 --> 00:17:51,320

me also sounds like a bit of a

376

00:17:59,800 --> 00:17:54,020

coincidence but we have to take the

377

00:18:02,170 --> 00:17:59,810

testimony at face value I'll tell you

378

00:18:04,390 --> 00:18:02,180

that something when i was in in the

379

00:18:07,000 --> 00:18:04,400

havens walking around the area around

380

00:18:14,020 --> 00:18:07,010

around ripest and farm and stacked rocks

381

00:18:16,090 --> 00:18:14,030

i met a farmer who who said to me I got

382

00:18:18,880 --> 00:18:16,100

talking to about this and he told me two

383

00:18:20,080 --> 00:18:18,890

interesting things the first was if you

384

00:18:23,230 --> 00:18:20,090

don't think there's anything out in

385

00:18:25,480 --> 00:18:23,240

stack rocks go and talk to the divers at

386

00:18:28,390 --> 00:18:25,490

the diving club it was the first

387

00:18:29,800 --> 00:18:28,400

interesting thing the second thing was I

388

00:18:31,210 --> 00:18:29,810

used to hear that he used to have some

389

00:18:31,990 --> 00:18:31,220

people who would stay at his farm

390

00:18:34,240 --> 00:18:32,000

because he used to run a

391

00:18:36,300 --> 00:18:34,250

bed-and-breakfast and he said they would

392

00:18:39,550 --> 00:18:36,310

go out walking around stacked rocks

393

00:18:43,780 --> 00:18:39,560

frequently until one day they came home

394

00:18:46,570 --> 00:18:43,790

and they said we're never coming back

395

00:18:51,250 --> 00:18:46,580

here again and he said they never spoke

396

00:18:53,950 --> 00:18:51,260

about it well I went to the divers club

397

00:18:55,810 --> 00:18:53,960

and I asked because of my curiosity was

398

00:18:58,270 --> 00:18:55,820

feet it was a good story as I said

399

00:19:00,700 --> 00:18:58,280

stories what I'm all about really and I

400

00:19:04,330 --> 00:19:00,710

went I went and spoke to somebody at the

401
00:19:06,720 --> 00:19:04,340
divers club and they said that there

402
00:19:09,460 --> 00:19:06,730
were members of their club who had seen

403
00:19:11,830 --> 00:19:09,470
the equipment under the water around

404
00:19:15,520 --> 00:19:11,840
stacked rocks so they said they'd seen a

405
00:19:16,690 --> 00:19:15,530
ladder embedded in the rocks now that

406
00:19:17,680 --> 00:19:16,700
seems to me like something you could go

407
00:19:20,289 --> 00:19:17,690
and check and I

408
00:19:26,980 --> 00:19:20,299
diver I'm just telling you what they

409
00:19:30,009 --> 00:19:26,990
told me but it did make me think because

410
00:19:31,840 --> 00:19:30,019
at the hotel I was I learned a story

411
00:19:35,440 --> 00:19:31,850
which I don't think it's been put down

412
00:19:38,560 --> 00:19:35,450
in print before but I used a version of

413
00:19:41,460 --> 00:19:38,570

it fictionalized in my novel and the

414

00:19:45,129 --> 00:19:41,470

story basically came from the hotel

415

00:19:46,779 --> 00:19:45,139

where the UFO was seen and the

416

00:19:48,909 --> 00:19:46,789

storyboard down to this there were some

417

00:19:51,549 --> 00:19:48,919

people staying there who worked up at

418

00:19:52,990 --> 00:19:51,559

RAF broadie while they didn't work at

419

00:19:56,259 --> 00:19:53,000

RAF broadie they worked at this top

420

00:19:58,330 --> 00:19:56,269

secret naval installation next door it

421

00:20:01,659 --> 00:19:58,340

was officially an oceanographic research

422

00:20:05,560 --> 00:20:01,669

station very very top secret at the

423

00:20:07,360 --> 00:20:05,570

tight of the Cold War and what they were

424

00:20:09,639 --> 00:20:07,370

doing or what they said they were doing
