

Swansea UFO Network

1  
00:00:02,560 --> 00:01:43,190

I have followed over the years

2  
00:01:43,200 --> 00:01:49,260

yeah

3  
00:01:52,960 --> 00:01:51,310

tonight we have the personal accompanied

4  
00:01:55,120 --> 00:01:52,970

of neil spring who's come a long way

5  
00:01:57,240 --> 00:01:55,130

from London he's from Swansea but he's

6  
00:02:00,130 --> 00:01:57,250

made a special trip tonight to see us

7  
00:02:02,670 --> 00:02:00,140

and he's gonna give us a talk on the

8  
00:02:06,910 --> 00:02:02,680

Welsh triangle which has been dumped

9  
00:02:10,930 --> 00:02:06,920

in 1977 was a spate of sightings in the

10  
00:02:13,990 --> 00:02:10,940

Pembrokeshire area there will be a Q&A

11  
00:02:19,530 --> 00:02:14,000

at the end and Neil's bought his book

12  
00:02:25,990 --> 00:02:23,440

there in Waterstones and online be there

13  
00:02:28,750 --> 00:02:26,000

basically Neil started off when he was

14

00:02:31,270 --> 00:02:28,760

in school in Bishop's done get an

15

00:02:34,900 --> 00:02:31,280

interest in UFOs and took upon himself

16

00:02:38,470 --> 00:02:34,910

to investigate locally the cycling is

17

00:02:40,330 --> 00:02:38,480

going on and thank you then went away to

18

00:02:43,559 --> 00:02:40,340

University in Oxford I believe yeah yeah

19

00:02:46,509 --> 00:02:43,569

they started a group called glueball

20

00:02:49,809 --> 00:02:46,519

yeah the group was called open minds

21

00:02:51,460 --> 00:02:49,819

open - yeah and he carried on with his

22

00:02:55,710 --> 00:02:51,470

work there he did write to cracking

23

00:02:58,300 --> 00:02:55,720

articles for UFO magazine in 2001 about

24

00:03:01,240 --> 00:02:58,310

Spectre psyched and seen on the night in

25

00:03:03,190 --> 00:03:01,250

1998 in the Swansea area if you managed

26

00:03:06,490 --> 00:03:03,200

to get copies of it it's well worth the

27

00:03:09,630 --> 00:03:06,500

read he then went on to become a

28

00:03:12,819 --> 00:03:09,640

novelist ebook and these were written a

29

00:03:15,160 --> 00:03:12,829

novel called the ghost hunters I was the

30

00:03:18,430 --> 00:03:15,170

first one is it Gary price Mary price

31

00:03:20,949 --> 00:03:18,440

how deep a ghost hunter and latterly the

32

00:03:25,539 --> 00:03:20,959

Watchers which is being a doublet of TV

33

00:03:27,640 --> 00:03:25,549

ELISA so he's a talented guy with a

34

00:03:30,340 --> 00:03:27,650

background in UFOs and a lot of

35

00:03:37,330 --> 00:03:30,350

knowledge so you put your hand together

36

00:03:41,180 --> 00:03:39,710

right well good evening ladies and

37

00:03:42,890 --> 00:03:41,190

gentleman make sure you can all hear me

38

00:03:44,720 --> 00:03:42,900

at the back yeah that's all right

39

00:03:47,690 --> 00:03:44,730

good well firstly thank you very much

40

00:03:49,430 --> 00:03:47,700

Ellen into the whole UFO sponser UFO

41

00:03:51,920 --> 00:03:49,440

network for having me here tonight it's

42

00:03:56,360 --> 00:03:51,930

a pleasure to see so many of you here

43

00:03:58,370 --> 00:03:56,370

and I feel very very welcome just in

44

00:04:02,540 --> 00:03:58,380

terms of all I'm gonna do I'm gonna run

45

00:04:03,260 --> 00:04:02,550

you through a talk which I've entitled

46

00:04:06,440 --> 00:04:03,270

tonight

47

00:04:08,510 --> 00:04:06,450

secrets of the Welsh triangle but if any

48

00:04:11,030 --> 00:04:08,520

point anyone wants to stop me and ask

49

00:04:13,460 --> 00:04:11,040

any questions please just put up your

50

00:04:17,180 --> 00:04:13,470

hand or shout out whatever is easiest

51  
00:04:19,479 --> 00:04:17,190  
for you now I should begin by saying

52  
00:04:20,660 --> 00:04:19,489  
that I'm not really I'm not a UFO

53  
00:04:24,410 --> 00:04:20,670  
investigator

54  
00:04:28,010 --> 00:04:24,420  
I'm not a ufologist but I am a

55  
00:04:30,350 --> 00:04:28,020  
storyteller and I have a story to tell

56  
00:04:37,790 --> 00:04:30,360  
you tonight which rolls down to three

57  
00:04:40,700 --> 00:04:37,800  
main things UFOs exist there can be no

58  
00:04:43,960 --> 00:04:40,710  
doubt whatsoever about that they've been

59  
00:04:46,340 --> 00:04:43,970  
photographed witnessed by many

60  
00:04:49,040 --> 00:04:46,350  
investigated by hundreds of governments

61  
00:04:50,570 --> 00:04:49,050  
all over the world the second thing I'd

62  
00:04:53,960 --> 00:04:50,580  
like to you all please to remember

63  
00:04:56,960 --> 00:04:53,970

tonight is that UFOs have an explanation

64

00:04:59,570 --> 00:04:56,970

which goes far beyond anything to do

65

00:05:01,880 --> 00:04:59,580

with military aircraft or secret

66

00:05:04,610 --> 00:05:01,890

military planes or anything of that

67

00:05:06,980 --> 00:05:04,620

nature I don't mean that to imply that

68

00:05:10,180 --> 00:05:06,990

they're extraterrestrial of course

69

00:05:12,650 --> 00:05:10,190

that's a possibility but UFOs have a

70

00:05:14,030 --> 00:05:12,660

explanation which goes far beyond what

71

00:05:16,460 --> 00:05:14,040

the authorities would have you believe

72

00:05:20,180 --> 00:05:16,470

and the third thing I'd like you to

73

00:05:23,480 --> 00:05:20,190

please all to remember tonight and this

74

00:05:26,450 --> 00:05:23,490

one is really very important is that our

75

00:05:29,659 --> 00:05:26,460

governments or agencies within our

76  
00:05:32,530 --> 00:05:29,669  
governments do not want any of us to

77  
00:05:36,940 --> 00:05:32,540  
know that fact

78  
00:05:39,370 --> 00:05:36,950  
now I'm aware of this information not

79  
00:05:42,460 --> 00:05:39,380  
because I have a faith by that I mean a

80  
00:05:44,050 --> 00:05:42,470  
belief without any evidence I'm aware of

81  
00:05:46,090 --> 00:05:44,060  
this evidence I'm aware of this

82  
00:05:49,210 --> 00:05:46,100  
information because I hold this belief

83  
00:05:52,000 --> 00:05:49,220  
very strongly based on information that

84  
00:05:55,120 --> 00:05:52,010  
I have been privy to as I'm sure many of

85  
00:05:58,420 --> 00:05:55,130  
you have also been privy to and I hold

86  
00:06:02,920 --> 00:05:58,430  
this belief because many people around

87  
00:06:05,530 --> 00:06:02,930  
Swansea and far beyond have spoken to me

88  
00:06:09,330 --> 00:06:05,540

personally about their experiences and

89

00:06:11,620 --> 00:06:09,340

those experiences informed this book

90

00:06:14,680 --> 00:06:11,630

which emmalin referred to just they're

91

00:06:19,030 --> 00:06:14,690

the Watchers which is a fictional tale

92

00:06:23,290 --> 00:06:19,040

based on reported sightings of UFOs in

93

00:06:25,930 --> 00:06:23,300

West Wales in 1977 just out of interest

94

00:06:31,210 --> 00:06:25,940

by show of hands how many people here

95

00:06:33,610 --> 00:06:31,220

are aware of those sightings ok very

96

00:06:38,920 --> 00:06:33,620

good that'll make it a bit easier

97

00:06:40,360 --> 00:06:38,930

tonight I'm gonna begin by talking a

98

00:06:42,040 --> 00:06:40,370

little bit about how I came to this

99

00:06:47,590 --> 00:06:42,050

subject because I just said to you that

100

00:06:50,020 --> 00:06:47,600

I'm not a ufologist and that's not

101  
00:06:52,840 --> 00:06:50,030  
strictly accurate in the sense that as

102  
00:06:55,360 --> 00:06:52,850  
Emlyn said 2001 I was very actively

103  
00:06:59,490 --> 00:06:55,370  
involved in in investigating this

104  
00:07:02,440 --> 00:06:59,500  
subject but I didn't come to it from a

105  
00:07:04,600 --> 00:07:02,450  
position of you know simply looking out

106  
00:07:06,280 --> 00:07:04,610  
there for information on UFOs I actually

107  
00:07:08,500 --> 00:07:06,290  
came to it because I was really really

108  
00:07:10,090 --> 00:07:08,510  
interested in stories and there were two

109  
00:07:12,640 --> 00:07:10,100  
things that happened that got me

110  
00:07:15,310 --> 00:07:12,650  
interested in in the why the stories of

111  
00:07:18,370 --> 00:07:15,320  
UFOs the first was my mum's in the room

112  
00:07:21,520 --> 00:07:18,380  
my mum and I were in in a bookshop in

113  
00:07:23,470 --> 00:07:21,530

st. Helens Road and there was a lady in

114

00:07:25,360 --> 00:07:23,480

there who was practicing the art of

115

00:07:26,740 --> 00:07:25,370

dowsing over a map when we walked in

116

00:07:28,210 --> 00:07:26,750

like that's very interesting what are

117

00:07:29,920 --> 00:07:28,220

you doing and she said well I'm trying

118

00:07:32,350 --> 00:07:29,930

to find somewhere for us to move our

119

00:07:34,570 --> 00:07:32,360

bookshop to and she said the crystals

120

00:07:36,880 --> 00:07:34,580

gonna tell us where to go

121

00:07:38,980 --> 00:07:36,890

and I said right a mum sort of looked at

122

00:07:40,750 --> 00:07:38,990

me as if to say what it's just gonna

123

00:07:44,620 --> 00:07:40,760

move her business to go somewhere else

124

00:07:46,360 --> 00:07:44,630

based on a crystal anyway I found a spot

125

00:07:49,600 --> 00:07:46,370

at the back of the book shop which was

126

00:07:51,880 --> 00:07:49,610

to do with UFOs and I was flicking

127

00:07:53,650 --> 00:07:51,890

through flicking through a book and the

128

00:07:58,420 --> 00:07:53,660

lady behind the counter said to me if

129

00:08:01,120 --> 00:07:58,430

you are interested in UFOs you ought to

130

00:08:04,000 --> 00:08:01,130

look at what the kids school what the

131

00:08:08,710 --> 00:08:04,010

kids saw down in brought Haven in 1940s

132

00:08:12,220 --> 00:08:08,720

in 1977 and I I've never heard anything

133

00:08:14,680 --> 00:08:12,230

happening down in Pembrokeshire in 1977

134

00:08:17,890 --> 00:08:14,690

but it lodged somewhere in my mind and

135

00:08:20,560 --> 00:08:17,900

then separately

136

00:08:23,170 --> 00:08:20,570

I was I was fortunate enough to have a

137

00:08:25,840 --> 00:08:23,180

wonderful teacher in school who she'd

138

00:08:28,450 --> 00:08:25,850

told me about the day that some some

139

00:08:30,850 --> 00:08:28,460

boys I grew up in Bishop stone that some

140

00:08:34,480 --> 00:08:30,860

boys living in Bishop stone had seen

141

00:08:37,240 --> 00:08:34,490

what they thought was a UFO on the

142

00:08:38,650 --> 00:08:37,250

ground and I said what do you mean just

143

00:08:41,410 --> 00:08:38,660

in the middle of the day just sitting

144

00:08:45,400 --> 00:08:41,420

there and she said to me they saw a

145

00:08:47,620 --> 00:08:45,410

landed object on the ground and their

146

00:08:51,190 --> 00:08:47,630

father one of their fathers was the

147

00:08:55,990 --> 00:08:51,200

Reverend Bishop stone and he was very

148

00:08:58,690 --> 00:08:56,000

shaken by what his son had seen well

149

00:09:02,620 --> 00:08:58,700

then I was that's the story that hooked

150

00:09:04,510 --> 00:09:02,630

me actually so I went away and I did

151

00:09:07,950 --> 00:09:04,520

some research I actually went to the

152

00:09:11,170 --> 00:09:07,960

library and flipped through and through

153

00:09:13,390 --> 00:09:11,180

newspaper reports I also did something

154

00:09:15,640 --> 00:09:13,400

else I went and found the boys today I

155

00:09:16,810 --> 00:09:15,650

found one of them I found Andrew Everson

156

00:09:20,380 --> 00:09:16,820

who lives

157

00:09:22,570 --> 00:09:20,390

we did live in the mails and Andrew

158

00:09:25,510 --> 00:09:22,580

Breault kindly welcomed me into his home

159

00:09:28,930 --> 00:09:25,520

and sat down with me

160

00:09:33,850 --> 00:09:28,940

and the story he told me was this on a

161

00:09:35,080 --> 00:09:33,860

Sunnis day and I believe it was 1977 but

162

00:09:36,610 --> 00:09:35,090

it might have been a year or two either

163

00:09:38,080 --> 00:09:36,620

side of that yeah well so there's lastly

164

00:09:42,010 --> 00:09:38,090

the summer holidays right the last day

165

00:09:43,950 --> 00:09:42,020

the summer holidays nice no sister last

166

00:09:46,400 --> 00:09:43,960

day of the summer holidays they lived

167

00:09:50,389 --> 00:09:46,410

actually very near to where in the

168

00:09:52,579 --> 00:09:50,399

just where North Way Court is now ready

169

00:09:55,340 --> 00:09:52,589

in bishops turn the farmers field was

170

00:09:56,569 --> 00:09:55,350

adjacent to the main road and Andrew and

171

00:09:58,939 --> 00:09:56,579

his friends were picking blackberries

172

00:10:01,460 --> 00:09:58,949

and the hill but you have to imagine a

173

00:10:03,679 --> 00:10:01,470

sort of sloping sloping hill they were

174

00:10:05,150 --> 00:10:03,689

coming down the hill and they turned and

175

00:10:09,290 --> 00:10:05,160

they saw right at the bottom of the

176

00:10:11,090 --> 00:10:09,300

field a cigar-shaped object which was to

177

00:10:14,809 --> 00:10:11,100

use his words the size of the single

178

00:10:18,439 --> 00:10:14,819

decker bus with the surface like brushed

179

00:10:21,650 --> 00:10:18,449

aluminium and a small dome on top maybe

180

00:10:24,050 --> 00:10:21,660

a flashing light and he said we stood

181

00:10:27,439 --> 00:10:24,060

there when we looked at this object and

182

00:10:29,449 --> 00:10:27,449

we ran and he ran back and they told his

183

00:10:33,470 --> 00:10:29,459

father who was initially very very

184

00:10:36,290 --> 00:10:33,480

skeptical until of course they returned

185

00:10:40,639 --> 00:10:36,300

to the spot and what did they find there

186

00:10:43,040 --> 00:10:40,649

but a big burn mark now if anyone has

187

00:10:46,670 --> 00:10:43,050

seen the original picture in the Evening

188

00:10:49,429 --> 00:10:46,680

Post that they took sure enough you can

189

00:10:51,139 --> 00:10:49,439

see there is mark it doesn't look to me

190

00:10:52,639 --> 00:10:51,149

like a burn mark but it looks there was

191

00:10:58,009 --> 00:10:52,649

a mark on the ground and the two boys

192

00:10:59,990 --> 00:10:58,019

are crouching there on it and I spoke to

193

00:11:04,730 --> 00:11:00,000

the farmer who are trapped down at that

194

00:11:08,090 --> 00:11:04,740

time lived in Merton village and the

195

00:11:10,759 --> 00:11:08,100

farmer confirmed to me that he had

196

00:11:14,389 --> 00:11:10,769

absolutely no idea what could have

197

00:11:16,400 --> 00:11:14,399

caused this mark and that he thought

198

00:11:18,740 --> 00:11:16,410

there was a me he said he was very

199

00:11:22,129 --> 00:11:18,750

skeptical at the time but he said I have

200

00:11:24,230 --> 00:11:22,139

not been able to explain what they saw

201  
00:11:26,449 --> 00:11:24,240  
and it to him it was still a mystery

202  
00:11:28,579 --> 00:11:26,459  
and to Andrew Everson it was still a

203  
00:11:30,679 --> 00:11:28,589  
mystery and one thing that was a mystery

204  
00:11:36,650 --> 00:11:30,689  
to me which he said and lodged in my

205  
00:11:37,490 --> 00:11:36,660  
mind was that some men came and asked us

206  
00:11:41,230 --> 00:11:37,500  
some questions

207  
00:11:44,329 --> 00:11:41,240  
I always remember he said that to me and

208  
00:11:47,600 --> 00:11:44,339  
he didn't imply they were government men

209  
00:11:48,829 --> 00:11:47,610  
he's thought about going to America he

210  
00:11:50,929 --> 00:11:48,839  
said there was some people who had come

211  
00:11:52,249 --> 00:11:50,939  
an awesome but was all very vague but I

212  
00:11:53,689 --> 00:11:52,259  
just like you to remember that because

213  
00:11:59,050 --> 00:11:53,699

it's important for what I'm going to

214

00:12:06,050 --> 00:12:03,170

after moving away from Swansea when I

215

00:12:07,760 --> 00:12:06,060

was at university I spoke to I became

216

00:12:10,130 --> 00:12:07,770

aware of a woman who became a good

217

00:12:11,120 --> 00:12:10,140

friend of mine I'm afraid it's no longer

218

00:12:13,850 --> 00:12:11,130

with us

219

00:12:14,420 --> 00:12:13,860

his name is Georgina Bruni Georgina

220

00:12:16,670 --> 00:12:14,430

Bruni

221

00:12:19,670 --> 00:12:16,680

as many of you will know wrote a book

222

00:12:23,240 --> 00:12:19,680

called you can't tell the people and the

223

00:12:26,150 --> 00:12:23,250

the origin of that title came from a

224

00:12:27,740 --> 00:12:26,160

dinner party that she was attending at

225

00:12:29,960 --> 00:12:27,750

which Margaret Thatcher was sitting next

226

00:12:32,330 --> 00:12:29,970

to her and you've met and sure many of

227

00:12:34,220 --> 00:12:32,340

you have heard this story and she said

228

00:12:36,710 --> 00:12:34,230

she got on to the subject of UFOs and

229

00:12:39,980 --> 00:12:36,720

the Rendlesham forest incident and of

230

00:12:43,460 --> 00:12:39,990

course Margaret Thatcher turned to her

231

00:12:45,880 --> 00:12:43,470

and said UFOs quote you must have your

232

00:12:48,860 --> 00:12:45,890

facts and you cannot tell the people

233

00:12:52,970 --> 00:12:48,870

well afterwards Georgina and I stayed in

234

00:12:54,680 --> 00:12:52,980

touch for some time and again as I said

235

00:12:57,080 --> 00:12:54,690

it's a great shame that she died so

236

00:12:58,670 --> 00:12:57,090

young but I do believe that my Georgina

237

00:13:01,250 --> 00:12:58,680

Bruni's book on the Rendlesham forest

238

00:13:03,380 --> 00:13:01,260

incident it's one of the best books you

239

00:13:05,180 --> 00:13:03,390

can read on the subject and I know

240

00:13:07,220 --> 00:13:05,190

there's a lot of information that you've

241

00:13:11,180 --> 00:13:07,230

deliberately left out of that book as

242

00:13:15,260 --> 00:13:11,190

well again which I'll come back to a

243

00:13:17,810 --> 00:13:15,270

little bit later on but my interest was

244

00:13:20,600 --> 00:13:17,820

ignited from this point on and was very

245

00:13:24,290 --> 00:13:20,610

very strong and I have to say what

246

00:13:26,360 --> 00:13:24,300

happened if you go papers after meeting

247

00:13:29,690 --> 00:13:26,370

Georgina that I that I began to think

248

00:13:31,400 --> 00:13:29,700

actually yes maybe maybe there is some

249

00:13:33,800 --> 00:13:31,410

substance in these claims that the

250

00:13:36,740 --> 00:13:33,810

government is not is actually taking

251  
00:13:41,840 --> 00:13:36,750  
this whole subject more seriously than

252  
00:13:43,280 --> 00:13:41,850  
any of us might suppose of course we all

253  
00:13:46,520 --> 00:13:43,290  
know when the modern wave of flying

254  
00:13:48,770 --> 00:13:46,530  
saucers began which was in 1947 in the

255  
00:13:51,740 --> 00:13:48,780  
summer when Kenneth Arnold said he saw

256  
00:13:54,590 --> 00:13:51,750  
his objects which skipped like a source

257  
00:13:58,250 --> 00:13:54,600  
of wood across water and he told that

258  
00:14:01,770 --> 00:13:58,260  
story to the press with great Glee

259  
00:14:05,700 --> 00:14:01,780  
and then shortly after that the disc

260  
00:14:08,040 --> 00:14:05,710  
landed in Roswell New Mexico I think

261  
00:14:10,080 --> 00:14:08,050  
they could be now no doubt that

262  
00:14:11,880 --> 00:14:10,090  
something came down there which the

263  
00:14:13,740 --> 00:14:11,890

government were not prepared to admit to

264

00:14:16,590 --> 00:14:13,750

at the time and I'm not sure how many

265

00:14:19,400 --> 00:14:16,600

people in the room take seriously any of

266

00:14:22,640 --> 00:14:19,410

the government's at the US government's

267

00:14:25,470 --> 00:14:22,650

recent explanations for that sighting

268

00:14:27,690 --> 00:14:25,480

they're slightly more credible than the

269

00:14:30,180 --> 00:14:27,700

ones they put out at the time the web

270

00:14:33,750 --> 00:14:30,190

balloon but I said I don't think a great

271

00:14:36,660 --> 00:14:33,760

deal more credible and then of course

272

00:14:39,990 --> 00:14:36,670

the great sightings of 1952 in

273

00:14:42,510 --> 00:14:40,000

Washington DC which were basically mass

274

00:14:44,960 --> 00:14:42,520

sightings where you had a great number

275

00:14:47,850 --> 00:14:44,970

of lights seen over the Capitol building

276

00:14:50,070 --> 00:14:47,860

my slides were working here I'd be able

277

00:14:52,470 --> 00:14:50,080

to show you this on the slide did the

278

00:14:55,080 --> 00:14:52,480

photographs that I have but what was

279

00:14:56,790 --> 00:14:55,090

extremely interesting to me though but

280

00:14:59,730 --> 00:14:56,800

looking back over history over that

281

00:15:02,460 --> 00:14:59,740

period was how our government were

282

00:15:06,000 --> 00:15:02,470

looking at the subject and when I was

283

00:15:10,010 --> 00:15:06,010

doing my research for this book I came

284

00:15:12,990 --> 00:15:10,020

across a memo which is basically a

285

00:15:17,310 --> 00:15:13,000

letter which comes from a member of the

286

00:15:19,530 --> 00:15:17,320

Air Force retired this letter was sent

287

00:15:21,180 --> 00:15:19,540

to the chief of the air staff and it

288

00:15:24,210 --> 00:15:21,190

begins dear sir

289

00:15:26,730 --> 00:15:24,220

in 1952 I was stationed in the Far East

290

00:15:28,950 --> 00:15:26,740

with the RAF but a particularly large an

291

00:15:30,840 --> 00:15:28,960

important base and during one flying

292

00:15:33,480 --> 00:15:30,850

summer's day with not a cloud in sight

293

00:15:36,270 --> 00:15:33,490

nor any aircraft about or balloons or

294

00:15:38,130 --> 00:15:36,280

flares suddenly and in full view of

295

00:15:40,320 --> 00:15:38,140

everyone on the base we were

296

00:15:43,980 --> 00:15:40,330

deliberately buzzed by a large flying

297

00:15:47,070 --> 00:15:43,990

disc which glowed red on the trailing

298

00:15:50,760 --> 00:15:47,080

edge as it made several passes over our

299

00:15:55,380 --> 00:15:50,770

place which house our vampire a meteor

300

00:15:59,130 --> 00:15:55,390

aircraft I go he goes on it made a loud

301  
00:16:00,960 --> 00:15:59,140  
buzzing sound as it shot about the disc

302  
00:16:04,200 --> 00:16:00,970  
was in the area for about three minutes

303  
00:16:07,380 --> 00:16:04,210  
before it shot straight up to the zenith

304  
00:16:12,000 --> 00:16:07,390  
at a speed our radar chaps estimated to

305  
00:16:15,030 --> 00:16:12,010  
be about six hundred knots we were told

306  
00:16:18,270 --> 00:16:15,040  
not to write home about it or to talk

307  
00:16:20,820 --> 00:16:18,280  
about it to outsiders but we were all

308  
00:16:24,390 --> 00:16:20,830  
well aware that we had seen something of

309  
00:16:26,430 --> 00:16:24,400  
great importance and that governments

310  
00:16:28,650 --> 00:16:26,440  
are aware that these things are not

311  
00:16:32,100 --> 00:16:28,660  
coming from outer space other galaxies

312  
00:16:37,440 --> 00:16:32,110  
either but somewhere else quote another

313  
00:16:39,660 --> 00:16:37,450

place anyway he finishes and says can

314

00:16:42,450 --> 00:16:39,670

you please tell me who decides on the

315

00:16:47,690 --> 00:16:42,460

amedy there is no danger to our defenses

316

00:16:51,180 --> 00:16:47,700

and how do you investigate it who indeed

317

00:16:53,190 --> 00:16:51,190

well of course that question as to where

318

00:16:57,090 --> 00:16:53,200

these things come from kept being asked

319

00:16:58,680 --> 00:16:57,100

and the same year Winston Churchill sent

320

00:17:00,300 --> 00:16:58,690

his famous memo what is all this stuff

321

00:17:02,580 --> 00:17:00,310

about flying saucers and that too what

322

00:17:04,200 --> 00:17:02,590

could it mean what is the truth somebody

323

00:17:06,930 --> 00:17:04,210

let me have a report and indeed they did

324

00:17:10,410 --> 00:17:06,940

and they all know I assume most of you

325

00:17:14,820 --> 00:17:10,420

know that he was basically fobbed off by

326

00:17:16,290 --> 00:17:14,830

the mo D well then we're lucky because

327

00:17:18,390 --> 00:17:16,300

there were people in the defense

328

00:17:23,150 --> 00:17:18,400

establishment who weren't prepared to be

329

00:17:25,860 --> 00:17:23,160

fobbed off and the Admiral of the fleet

330

00:17:27,810 --> 00:17:25,870

is one of those people led the Great

331

00:17:31,860 --> 00:17:27,820

Britain the Battle of Britain at the

332

00:17:34,110 --> 00:17:31,870

time and as we're all aware went on

333

00:17:35,940 --> 00:17:34,120

record was a very very impressive UFO

334

00:17:38,520 --> 00:17:35,950

sighting and indeed until the day he

335

00:17:40,350 --> 00:17:38,530

died was assisting georgina Bruni in

336

00:17:44,130 --> 00:17:40,360

looking into the incidents around the

337

00:17:46,260 --> 00:17:44,140

Rendlesham forest of December 1980 that

338

00:17:50,490 --> 00:17:46,270

case is when I'm just assuming most of

339

00:17:52,560 --> 00:17:50,500

you are here are very well aware of how

340

00:17:56,690 --> 00:17:52,570

many of you have heard of the of the

341

00:18:00,840 --> 00:17:56,700

condign report but from the mo D yes so

342

00:18:05,220 --> 00:18:00,850

it's worth reflecting that although the

343

00:18:07,830 --> 00:18:05,230

MRD were very very happy to not talk

344

00:18:09,900 --> 00:18:07,840

about the December 1980 incident in

345

00:18:12,480 --> 00:18:09,910

Rendlesham forest where crafts

346

00:18:14,850 --> 00:18:12,490

apparently landed in the woods next to

347

00:18:17,400 --> 00:18:14,860

the twin air bases RAF Woodbridge and

348

00:18:20,100 --> 00:18:17,410

RAF Bentwaters it's worth noting that

349

00:18:21,110 --> 00:18:20,110

the MRD were quite happy to sweep all

350

00:18:24,860 --> 00:18:21,120

this under the

351

00:18:27,980 --> 00:18:24,870

of it but Nick Pope and many other

352

00:18:30,740 --> 00:18:27,990

researchers in the field have since

353

00:18:32,870 --> 00:18:30,750

spoken to this very insightful document

354

00:18:36,320 --> 00:18:32,880

which was entitled unidentified aerial

355

00:18:38,090 --> 00:18:36,330

phenomena in the UK this is now in the

356

00:18:41,570 --> 00:18:38,100

public domain by the way and all of you

357

00:18:44,570 --> 00:18:41,580

can go and look it up this Declassified

358

00:18:48,200 --> 00:18:44,580

report which was conducted by Britain's

359

00:18:51,590 --> 00:18:48,210

Defense Intelligence staff concludes the

360

00:18:53,960 --> 00:18:51,600

UAP unidentified aerial phenomena do

361

00:18:56,750 --> 00:18:53,970

exist it concludes that that's

362

00:18:59,060 --> 00:18:56,760

indisputable and that these craft

363

00:19:01,430 --> 00:18:59,070

clearly sorry it doesn't use the word

364

00:19:04,669 --> 00:19:01,440

craft but and that these phenomena

365

00:19:07,220 --> 00:19:04,679

clearly exhibit characteristics that are

366

00:19:10,880 --> 00:19:07,230

quote well beyond any of those aircraft

367

00:19:12,919 --> 00:19:10,890

that any aircraft or missile now what's

368

00:19:14,299 --> 00:19:12,929

interesting about this report there are

369

00:19:17,600 --> 00:19:14,309

three things interesting about it the

370

00:19:20,480 --> 00:19:17,610

first is that it's classified UK secret

371

00:19:23,290 --> 00:19:20,490

eyes-only so if there's nothing in the

372

00:19:27,020 --> 00:19:23,300

UFO phenomenon why is our government

373

00:19:29,810 --> 00:19:27,030

creating reports entitled on the subject

374

00:19:32,180 --> 00:19:29,820

in current entitled UK secret eyes-only

375

00:19:34,430 --> 00:19:32,190

the second interesting thing about it is

376

00:19:37,490 --> 00:19:34,440

that there were only 11 copies of it

377

00:19:38,870 --> 00:19:37,500

made which implies that it was a

378

00:19:41,720 --> 00:19:38,880

document considered to be of some

379

00:19:43,790 --> 00:19:41,730

sensitivity and the third most important

380

00:19:48,080 --> 00:19:43,800

thing about it is that it was conducted

381

00:19:51,919 --> 00:19:48,090

by the Defense Intelligence staff all of

382

00:19:55,640 --> 00:19:51,929

these things have implications I think

383

00:19:57,350 --> 00:19:55,650

that point to the conclusion I outlined

384

00:19:59,450 --> 00:19:57,360

at the beginning which is that our

385

00:20:02,000 --> 00:19:59,460

government take this subject far more

386

00:20:07,400 --> 00:20:02,010

seriously than they are willing to admit

387

00:20:11,960 --> 00:20:07,410

to on the face of it and I have to tell

388

00:20:17,240 --> 00:20:11,970

you when I became aware of the sightings

389

00:20:22,130 --> 00:20:17,250

in West Wales of 1977 a question at the

390

00:20:24,410 --> 00:20:22,140

top of my mind was how seriously did the

391

00:20:26,160 --> 00:20:24,420

military and the government take those

392

00:20:31,500 --> 00:20:26,170

sightings

393

00:20:35,250 --> 00:20:31,510

throughout the winter at 77 and into the

394

00:20:38,550 --> 00:20:35,260

summer occurred within an extremely

395

00:20:42,000 --> 00:20:38,560

sensitive geographical area militarily

396

00:20:44,670 --> 00:20:42,010

speaking not only did they occur within

397

00:20:48,690 --> 00:20:44,680

close proximity to a missile testing

398

00:20:51,480 --> 00:20:48,700

range and to a very secret u.s. naval

399

00:20:56,180 --> 00:20:51,490

station positioned on the perimeters of

400

00:21:00,810 --> 00:20:56,190

RAF braudy overlooking st. bride's Bay

401  
00:21:03,300 --> 00:21:00,820  
but they occurred within you know a

402  
00:21:06,900 --> 00:21:03,310  
pretty populated area this community

403  
00:21:08,430 --> 00:21:06,910  
would have something to worry about if

404  
00:21:11,040 --> 00:21:08,440  
they thought that there were secret

405  
00:21:13,350 --> 00:21:11,050  
military aircraft being tested and

406  
00:21:15,510 --> 00:21:13,360  
possibly landed in their fields and

407  
00:21:19,080 --> 00:21:15,520  
pasture lands as many of the many of the

408  
00:21:23,940 --> 00:21:19,090  
witnesses living in that area claimed to

409  
00:21:28,950 --> 00:21:23,950  
see so I was interested to what extent

410  
00:21:38,330 --> 00:21:28,960  
they took those sightings seriously I'll

411  
00:21:49,500 --> 00:21:45,240  
you

412  
00:21:52,440 --> 00:21:49,510  
sightings of West in West Wales

413  
00:21:55,140 --> 00:21:52,450

if the 90 different in 1977 you'd think

414

00:21:57,270 --> 00:21:55,150  
about three particular events the

415

00:22:01,500 --> 00:21:57,280  
landing of the UFO at the Broad Haven

416

00:22:03,780 --> 00:22:01,510  
primary school a series of sightings at

417

00:22:06,600 --> 00:22:03,790  
a place called ripest and farm a few

418

00:22:08,880 --> 00:22:06,610  
miles away up on the cliffs and a series

419

00:22:13,110 --> 00:22:08,890  
of sightings which afflicted a hotel iya

420

00:22:15,650 --> 00:22:13,120  
living at the havenport Hotel in between

421

00:22:18,600 --> 00:22:15,660  
port heiden and sea and little hayden

422

00:22:23,940 --> 00:22:18,610  
let me just touch upon her for a moment

423

00:22:25,470 --> 00:22:23,950  
her name was Rosa Granville Spanish in

424

00:22:27,810 --> 00:22:25,480  
origin and her daughter's name is

425

00:22:30,720 --> 00:22:27,820  
Francine and I believe Francine still

426  
00:22:36,260 --> 00:22:30,730  
this at the Hayden for although Rose is

427  
00:22:38,730 --> 00:22:36,270  
now dead one night Rosa woke up to a

428  
00:22:40,860 --> 00:22:38,740  
rocking sound outside her window there

429  
00:22:43,110 --> 00:22:40,870  
was a that the window was rattling there

430  
00:22:45,270 --> 00:22:43,120  
was there was a light shining into her

431  
00:22:47,370 --> 00:22:45,280  
boat into her room and she was deathly

432  
00:22:49,230 --> 00:22:47,380  
terrified so terrified that she got out

433  
00:22:51,000 --> 00:22:49,240  
of bed and she went to the window and

434  
00:22:58,290 --> 00:22:51,010  
she looked out and what does she see

435  
00:23:02,899 --> 00:22:58,300  
there a landed object on the ground with

436  
00:23:06,769 --> 00:23:05,330  
I can't tell you whether she saw one or

437  
00:23:09,049 --> 00:23:06,779  
two figures I believe it was more than

438  
00:23:12,259 --> 00:23:09,059

one but they were silver suited they

439

00:23:15,099 --> 00:23:12,269

were they were they were very tall and

440

00:23:16,489 --> 00:23:15,109

they seemed to be inspecting the ground

441

00:23:19,580 --> 00:23:16,499

now

442

00:23:23,060 --> 00:23:19,590

Rosa Granville reported this sighting to

443

00:23:28,609 --> 00:23:23,070

the newspapers and became the subject of

444

00:23:30,200 --> 00:23:28,619

some well a bit of a joke I suppose

445

00:23:32,239 --> 00:23:30,210

amongst some of her peeps some of the

446

00:23:36,919 --> 00:23:32,249

people living in living in Little Haven

447

00:23:39,019 --> 00:23:36,929

unfairly unfairly a my dad because she

448

00:23:40,460 --> 00:23:39,029

was seen to be vindicated because there

449

00:23:42,619 --> 00:23:40,470

was a whole other flurry of sightings

450

00:23:45,950 --> 00:23:42,629

seem to follow but what was really

451  
00:23:49,879 --> 00:23:45,960  
interesting about her sighting was that

452  
00:23:51,710 --> 00:23:49,889  
after the event and I know I've heard

453  
00:23:54,669 --> 00:23:51,720  
this firsthand from the witnesses when I

454  
00:23:59,930 --> 00:23:54,679  
visited the area about 1011 years ago

455  
00:24:01,759 --> 00:23:59,940  
they were visited by some men and the

456  
00:24:04,430 --> 00:24:01,769  
way this story was put to me

457  
00:24:07,009 --> 00:24:04,440  
I'll just tell to you now Francine was

458  
00:24:09,469 --> 00:24:07,019  
sitting in the bar the bar the havenport

459  
00:24:12,259 --> 00:24:09,479  
Hotel looks out over uh sort of wide

460  
00:24:15,289 --> 00:24:12,269  
gravel drive and she was in the bar and

461  
00:24:16,549 --> 00:24:15,299  
they heard the doorbell go and she said

462  
00:24:18,859 --> 00:24:16,559  
to me that was the first thing that was

463  
00:24:21,200 --> 00:24:18,869

strange because whenever a car comes up

464

00:24:22,700 --> 00:24:21,210

on the driveway we hear it come up the

465

00:24:25,159 --> 00:24:22,710

driveway but suddenly there was someone

466

00:24:26,810 --> 00:24:25,169

at the door so she said we went to the

467

00:24:30,999 --> 00:24:26,820

door and there were two men standing

468

00:24:33,979 --> 00:24:31,009

there she said to me that they had a

469

00:24:37,210 --> 00:24:33,989

skin that was like a woman's skin it's

470

00:24:39,619 --> 00:24:37,220

the word she used and she said they were

471

00:24:42,710 --> 00:24:39,629

very similar-looking they were dressed

472

00:24:45,739 --> 00:24:42,720

in they were dressed very smartly and

473

00:24:48,120 --> 00:24:45,749

their car heart behind them as she said

474

00:24:51,510 --> 00:24:48,130

look like

475

00:24:54,600 --> 00:24:51,520

a silver futuristic car she said I've

476

00:24:57,240 --> 00:24:54,610

never seen a car like it but what was

477

00:25:00,240 --> 00:24:57,250

even stranger was but these men then

478

00:25:02,820 --> 00:25:00,250

said to her we've come to talk to you

479

00:25:06,350 --> 00:25:02,830

about your UFO sighting but we can't

480

00:25:11,190 --> 00:25:06,360

stop today will come another day that

481

00:25:14,460 --> 00:25:11,200

was it and then they left now that that

482

00:25:16,680 --> 00:25:14,470

is deeply strange behavior and I saw

483

00:25:21,000 --> 00:25:16,690

we've all met somebody who is deeply

484

00:25:22,920 --> 00:25:21,010

strange we've all met people who are

485

00:25:25,770 --> 00:25:22,930

deeply strange right these people do

486

00:25:30,000 --> 00:25:25,780

exist if do incest but I'll tell you

487

00:25:33,480 --> 00:25:30,010

something that is even stranger these

488

00:25:36,540 --> 00:25:33,490

reports of strange men to come and ask

489

00:25:40,500 --> 00:25:36,550

peculiar these quick place questions

490

00:25:46,820 --> 00:25:40,510

I found all over the world all over the

491

00:25:50,240 --> 00:25:46,830

world and you only have to look at the

492

00:25:52,320 --> 00:25:50,250

similarities between these reports to

493

00:25:54,060 --> 00:25:52,330

draw the conclusion that there's

494

00:25:55,680 --> 00:25:54,070

something deeply strange going on and I

495

00:26:00,180 --> 00:25:55,690

don't mean that to imply that these men

496

00:26:03,540 --> 00:26:00,190

were some sort of alien or from you know

497

00:26:05,100 --> 00:26:03,550

government agency I just want to draw

498

00:26:09,810 --> 00:26:05,110

your attention to the fact that these

499

00:26:12,330 --> 00:26:09,820

things do happen because what happened

500

00:26:16,410 --> 00:26:12,340

at the havenport hotel then happened

501  
00:26:18,270 --> 00:26:16,420  
again at ripest in fact a ripest and

502  
00:26:20,490 --> 00:26:18,280  
farm as many of you will know it's a

503  
00:26:22,320 --> 00:26:20,500  
very very remote place have you been to

504  
00:26:24,510 --> 00:26:22,330  
breakfast and fun I mean is right is

505  
00:26:28,140 --> 00:26:24,520  
that right so it's right out on the

506  
00:26:29,340 --> 00:26:28,150  
Chris really quite spooky place I would

507  
00:26:33,090 --> 00:26:29,350  
imagine if you were to live there in the

508  
00:26:35,190 --> 00:26:33,100  
winter and at the time of course Betty

509  
00:26:38,100 --> 00:26:35,200  
Coombs was the head hurts Minh and

510  
00:26:38,970 --> 00:26:38,110  
Pauline Coombs was his wife and they had

511  
00:26:41,640 --> 00:26:38,980  
a couple of kids

512  
00:26:43,890 --> 00:26:41,650  
well twins brother and sister as well

513  
00:26:47,870 --> 00:26:43,900

and of course the affair at the ripest

514

00:26:50,340 --> 00:26:47,880

and farm began on a dark not dark night

515

00:26:52,860 --> 00:26:50,350

Pauline's driving down the road Daniel

516

00:26:55,380 --> 00:26:52,870

the lane suddenly a globe of light falls

517

00:26:58,980 --> 00:26:55,390

from the sky and begins following her

518

00:27:01,169 --> 00:26:58,990

car it becomes even more terrifying

519

00:27:03,000 --> 00:27:01,179

light spins around and flies directly at

520

00:27:04,620 --> 00:27:03,010

the car towards the windscreen it looks

521

00:27:07,140 --> 00:27:04,630

like they're gonna hit and then it goes

522

00:27:10,169 --> 00:27:07,150

straight up by this point she's

523

00:27:12,240 --> 00:27:10,179

absolutely terrified as you would be all

524

00:27:14,460 --> 00:27:12,250

the kids terrified she comes to a halt

525

00:27:16,950 --> 00:27:14,470

outside the house they run inside and

526

00:27:19,650 --> 00:27:16,960

grab her husband he comes to the door

527

00:27:25,290 --> 00:27:19,660

just in time to see this globe of light

528

00:27:28,320 --> 00:27:25,300

above the car and it flies away now that

529

00:27:30,060 --> 00:27:28,330

sighting as well as being quite

530

00:27:32,880 --> 00:27:30,070

interesting could be out of the textbook

531

00:27:35,970 --> 00:27:32,890

if you've read any UFO books they're all

532

00:27:37,919 --> 00:27:35,980

it follows a certain pattern but what's

533

00:27:39,930 --> 00:27:37,929

really interesting is that that report I

534

00:27:41,340 --> 00:27:39,940

referred to earlier on project condign

535

00:27:44,970 --> 00:27:41,350

the one done by the Defense Intelligence

536

00:27:48,890 --> 00:27:44,980

staff that focuses on the military

537

00:27:52,290 --> 00:27:48,900

applications of this sort of phosphorus

538

00:27:55,650 --> 00:27:52,300

so they admit that these things are real

539

00:27:57,330 --> 00:27:55,660

in this report and what she saw and what

540

00:27:59,510 --> 00:27:57,340

she was laughed at for seeing doesn't

541

00:28:01,290 --> 00:27:59,520

necessarily it suddenly we have

542

00:28:03,169 --> 00:28:01,300

independent confirmation from our

543

00:28:05,340 --> 00:28:03,179

government that this sort of phenomena

544

00:28:06,919 --> 00:28:05,350

exists and it could actually have some

545

00:28:10,950 --> 00:28:06,929

sort of military application whatever

546

00:28:13,440 --> 00:28:10,960

application is I have no idea but it's

547

00:28:15,000 --> 00:28:13,450

interesting the second really

548

00:28:18,120 --> 00:28:15,010

interesting thing to happen at

549

00:28:20,280 --> 00:28:18,130

Riverstone farm of course is that the

550

00:28:22,680 --> 00:28:20,290

whole family will witness or Billy and

551  
00:28:24,720 --> 00:28:22,690  
his and his wife Pauline at least were

552  
00:28:27,510 --> 00:28:24,730  
witness to one of these various tall

553  
00:28:30,960 --> 00:28:27,520  
figures which appeared that one of their

554  
00:28:32,790 --> 00:28:30,970  
window it was one evening and of course

555  
00:28:35,070 --> 00:28:32,800  
that was an incident that scared them

556  
00:28:37,049 --> 00:28:35,080  
all to death but I interviewed Pauline

557  
00:28:41,010 --> 00:28:37,059  
coops because I was interested to see

558  
00:28:44,640 --> 00:28:41,020  
how much of what she said then she was

559  
00:28:46,290 --> 00:28:44,650  
still prepared to say and I have to say

560  
00:28:51,840 --> 00:28:46,300  
that not only was most of what she told

561  
00:28:53,790 --> 00:28:51,850  
me perfectly consistent but I gleaned

562  
00:28:56,040 --> 00:28:53,800  
further bits of information from her so

563  
00:28:57,990 --> 00:28:56,050

for example she told me that the roast

564

00:29:02,490 --> 00:28:58,000

there was a bush next to the window and

565

00:29:04,590 --> 00:29:02,500

she said that she said that it was it

566

00:29:06,870 --> 00:29:04,600

was it was black and all damaged after

567

00:29:08,520 --> 00:29:06,880

this figure this glowing silver seated

568

00:29:10,560 --> 00:29:08,530

figure with this blacked-out face that

569

00:29:11,290 --> 00:29:10,570

appeared on the window she said it was

570

00:29:13,690 --> 00:29:11,300

damaged

571

00:29:17,560 --> 00:29:13,700

and she also said that the paint around

572

00:29:17,980 --> 00:29:17,570

the window refused to stick properly for

573

00:29:21,940 --> 00:29:17,990

a while

574

00:29:23,350 --> 00:29:21,950

and that was that was interesting but of

575

00:29:25,470 --> 00:29:23,360

course we can't verify that because it

576

00:29:29,550 --> 00:29:25,480

happened so long ago

577

00:29:33,370 --> 00:29:29,560

but what was interesting was that the

578

00:29:36,220 --> 00:29:33,380

the son of the family did report also an

579

00:29:39,280 --> 00:29:36,230

encounter but with with a car a

580

00:29:43,150 --> 00:29:39,290

futuristic looking car which came to the

581

00:29:47,520 --> 00:29:43,160

property after their sighting and that

582

00:29:50,080 --> 00:29:47,530

there were men there dressed smartly I

583

00:29:52,270 --> 00:29:50,090

don't want to use the word men in black

584

00:29:54,550 --> 00:29:52,280

because it carries so many unfortunate

585

00:29:55,750 --> 00:29:54,560

connotations now you know you can't use

586

00:29:59,170 --> 00:29:55,760

that phrase without thinking about Will

587

00:30:01,960 --> 00:29:59,180

Smith but but the point is the point is

588

00:30:04,090 --> 00:30:01,970

these things were reported and I'd read

589

00:30:06,280 --> 00:30:04,100

about them like I'm sure you've all read

590

00:30:08,680 --> 00:30:06,290

about men in black and UFO sightings but

591

00:30:11,140 --> 00:30:08,690

when you hear it from the horse's mouth

592

00:30:15,760 --> 00:30:11,150

it has a very different has a very

593

00:30:18,070 --> 00:30:15,770

different effect I think so I was

594

00:30:19,330 --> 00:30:18,080

interested in whether or not any of

595

00:30:24,040 --> 00:30:19,340

these sightings which were happening

596

00:30:27,760 --> 00:30:24,050

around West Wales had had attracted any

597

00:30:29,980 --> 00:30:27,770

sort of interest from the government if

598

00:30:33,640 --> 00:30:29,990

you go back and look at what the mo D

599

00:30:35,650 --> 00:30:33,650

said at the time they'll tell you it's

600

00:30:37,630 --> 00:30:35,660

pretty clear actually they were aware

601  
00:30:40,930 --> 00:30:37,640  
they were aware of the reports that were

602  
00:30:42,760 --> 00:30:40,940  
going on but they they didn't really

603  
00:30:46,480 --> 00:30:42,770  
claim to have any information on it they

604  
00:30:48,970 --> 00:30:46,490  
claimed they had you know they've been a

605  
00:30:52,480 --> 00:30:48,980  
very woolly about the whole thing and in

606  
00:30:54,490 --> 00:30:52,490  
fact rosid Granville's at local MP wrote

607  
00:30:56,620 --> 00:30:54,500  
trying to get answers and he got a reply

608  
00:31:00,100 --> 00:30:56,630  
basically saying that there was nothing

609  
00:31:01,600 --> 00:31:00,110  
in all this I think his name is James

610  
00:31:03,280 --> 00:31:01,610  
well the love a person who replied

611  
00:31:07,870 --> 00:31:03,290  
anyway you can let me go and look at all

612  
00:31:09,670 --> 00:31:07,880  
go and look it up but the point is and

613  
00:31:11,920 --> 00:31:09,680

it's a it's a it's quite a significant

614

00:31:14,350 --> 00:31:11,930

point is it was in writing at the time

615

00:31:15,960 --> 00:31:14,360

that they had nothing on any of these

616

00:31:19,990 --> 00:31:15,970

events

617

00:31:21,520 --> 00:31:20,000

well I'll come now to the fraud Haven

618

00:31:25,630 --> 00:31:21,530

UFO incident

619

00:31:25,960 --> 00:31:25,640

at school in February I have with me

620

00:31:29,380 --> 00:31:25,970

tonight

621

00:31:32,040 --> 00:31:29,390

a statement from one of the one of the

622

00:31:35,860 --> 00:31:32,050

witnesses one of the original witnesses

623

00:31:40,710 --> 00:31:35,870

who's happy for me to read this out and

624

00:31:43,540 --> 00:31:40,720

like I will read it out before I do I

625

00:31:45,460 --> 00:31:43,550

went to the school about 1011 years ago

626  
00:31:47,410 --> 00:31:45,470  
and looked through they have a wonderful

627  
00:31:50,500 --> 00:31:47,420  
scrapbook they're brought Haven primary

628  
00:31:51,970 --> 00:31:50,510  
school and the story I was able to piece

629  
00:31:55,300 --> 00:31:51,980  
together is the one I'm sure you've all

630  
00:31:58,150 --> 00:31:55,310  
heard that on a drizzly afternoon I

631  
00:32:00,340 --> 00:31:58,160  
think it was a Friday afternoon the

632  
00:32:03,340 --> 00:32:00,350  
children came running in and alerted

633  
00:32:05,830 --> 00:32:03,350  
their headmaster ruff Llewellyn to the

634  
00:32:08,620 --> 00:32:05,840  
fact that they had seen at the end of

635  
00:32:10,480 --> 00:32:08,630  
their playing field of heads that

636  
00:32:14,140 --> 00:32:10,490  
bordered the stream and looked at a

637  
00:32:18,550 --> 00:32:14,150  
wider hill behind that they'd seen what

638  
00:32:21,520 --> 00:32:18,560

they described as a landed landed flying

639

00:32:23,050 --> 00:32:21,530

saucer UFO it was in fact they didn't

640

00:32:25,470 --> 00:32:23,060

actually have a full view of it it was

641

00:32:27,280 --> 00:32:25,480

half obscured behind the trees and

642

00:32:30,580 --> 00:32:27,290

actually what was really interesting

643

00:32:32,380 --> 00:32:30,590

about looking at their drawings is that

644

00:32:34,960 --> 00:32:32,390

this object there's a very striking

645

00:32:37,420 --> 00:32:34,970

similarity to the one that was seen in

646

00:32:39,700 --> 00:32:37,430

Bishop stone which first ignited my

647

00:32:42,610 --> 00:32:39,710

interest very very striking similarity

648

00:32:45,250 --> 00:32:42,620

of course the headmaster was deeply

649

00:32:49,720 --> 00:32:45,260

deeply skeptical but the boy's parents

650

00:32:50,200 --> 00:32:49,730

were unprepared to take to forget the

651  
00:32:53,890 --> 00:32:50,210  
whole thing

652  
00:32:55,840 --> 00:32:53,900  
and Randall Jones Pugh who was a local

653  
00:32:58,420 --> 00:32:55,850  
researcher at the time was very very

654  
00:33:00,760 --> 00:32:58,430  
quickly made aware and went down to the

655  
00:33:03,130 --> 00:33:00,770  
place where this object seemed to have

656  
00:33:08,020 --> 00:33:03,140  
appeared and he basically discovered a

657  
00:33:10,690 --> 00:33:08,030  
very very muddy terrain where it would

658  
00:33:14,530 --> 00:33:10,700  
be very very difficult to place any sort

659  
00:33:17,830 --> 00:33:14,540  
of machinery now that may or may not be

660  
00:33:19,710 --> 00:33:17,840  
true I know that he went there I no

661  
00:33:22,420 --> 00:33:19,720  
doubt it was muddy

662  
00:33:25,480 --> 00:33:22,430  
it was raining of the visibility was not

663  
00:33:26,770 --> 00:33:25,490

good that day and I spent a lot of time

664

00:33:29,170 --> 00:33:26,780

in brought Haven when I was researching

665

00:33:31,050 --> 00:33:29,180

the Watchers I can tell you that there

666

00:33:33,700 --> 00:33:31,060

are many people living there

667

00:33:36,820 --> 00:33:33,710

particularly near the sewage works and

668

00:33:38,980 --> 00:33:36,830

the hill opposite who will say I'm

669

00:33:41,500 --> 00:33:38,990

afraid what they saw was a sewage tanker

670

00:33:44,320 --> 00:33:41,510

and they've been watching too much Star

671

00:33:49,270 --> 00:33:44,330

Trek because one of those boys actually

672

00:33:52,000 --> 00:33:49,280

drew a figure that has pointy ears well

673

00:33:53,890 --> 00:33:52,010

I have to say I don't believe that what

674

00:33:57,580 --> 00:33:53,900

they saw was a sewage canker I

675

00:33:59,560 --> 00:33:57,590

understand why people say it but if you

676

00:34:02,230 --> 00:33:59,570

if you look at the spot and if you go

677

00:34:04,540 --> 00:34:02,240

there and sigh hand fits I mean it's

678

00:34:06,400 --> 00:34:04,550

it's a it's a very you know the hill is

679

00:34:08,409 --> 00:34:06,410

pretty steep but also the sewage works

680

00:34:09,700 --> 00:34:08,419

aren't really completely visible it

681

00:34:12,610 --> 00:34:09,710

seems like very odd thing to have seen

682

00:34:14,889 --> 00:34:12,620

but what convinces me more than that is

683

00:34:16,030 --> 00:34:14,899

that the boys all stand by their story

684

00:34:17,770 --> 00:34:16,040

today

685

00:34:21,220 --> 00:34:17,780

well these those of them that I have

686

00:34:23,590 --> 00:34:21,230

been able to speak to do and as far back

687

00:34:30,399 --> 00:34:23,600

as 1996 I think they all stuck by their

688

00:34:32,169 --> 00:34:30,409

story as well well the interesting thing

689

00:34:33,669 --> 00:34:32,179

is and these are the sorts of events

690

00:34:36,010 --> 00:34:33,679

obviously we can't go back we can't

691

00:34:38,050 --> 00:34:36,020

check but what we can do what we can do

692

00:34:41,320 --> 00:34:38,060

is look at the evidence from the time

693

00:34:43,030 --> 00:34:41,330

which is obviously the most reliable and

694

00:34:47,110 --> 00:34:43,040

the evidence from the time was gathered

695

00:34:48,730 --> 00:34:47,120

by rasulallah and I know people who he's

696

00:34:52,690 --> 00:34:48,740

no work no longer with us I'm afraid but

697

00:34:56,740 --> 00:34:52,700

I do know people who knew him who was

698

00:35:00,760 --> 00:34:56,750

said to me he regretted until the day he

699

00:35:03,840 --> 00:35:00,770

died not going out to look when the boys

700

00:35:06,580 --> 00:35:03,850

called him

701  
00:35:08,680 --> 00:35:06,590  
and the reason he regretted it is

702  
00:35:10,300 --> 00:35:08,690  
because he asked them all to draw what

703  
00:35:13,210 --> 00:35:10,310  
they saw and of course all those

704  
00:35:15,970 --> 00:35:13,220  
drawings tallied they all drew pretty

705  
00:35:18,040 --> 00:35:15,980  
much the same thing there were a few

706  
00:35:20,200 --> 00:35:18,050  
discrepancies but it's a dome-shaped

707  
00:35:22,470 --> 00:35:20,210  
object the cigar shaped object with a

708  
00:35:25,000 --> 00:35:22,480  
dome on top and maybe a light maybe not

709  
00:35:27,340 --> 00:35:25,010  
what's also interesting is that many

710  
00:35:28,930 --> 00:35:27,350  
people living around the school there's

711  
00:35:31,870 --> 00:35:28,940  
a small road that overlooks it

712  
00:35:34,240 --> 00:35:31,880  
I did actually speak to a couple of

713  
00:35:36,580 --> 00:35:34,250

people who implied to me that adults had

714

00:35:39,370 --> 00:35:36,590

seen the object as well actually at the

715

00:35:41,530 --> 00:35:39,380

time there were some canteen workers who

716

00:35:43,870 --> 00:35:41,540

were prepared to say they had seen an

717

00:35:45,430 --> 00:35:43,880

object up there that looked very similar

718

00:35:47,350 --> 00:35:45,440

to what the boys had reported on a

719

00:35:53,140 --> 00:35:47,360

different day and then he also thought

720

00:35:55,900 --> 00:35:53,150

this thing was pretty unusual now if

721

00:36:01,060 --> 00:35:55,910

this incident had occurred in complete

722

00:36:03,880 --> 00:36:01,070

isolation let's suppose that it had you

723

00:36:06,120 --> 00:36:03,890

might be forgiven I suppose you might be

724

00:36:08,349 --> 00:36:06,130

forgiven for thinking what happened was

725

00:36:10,690 --> 00:36:08,359

somebody somewhere was dumping some

726

00:36:12,550 --> 00:36:10,700

sewage they weren't meant to be doing it

727

00:36:14,050 --> 00:36:12,560

this may be illegal they were and they

728

00:36:16,720 --> 00:36:14,060

were quite happy for somebody to go away

729

00:36:20,260 --> 00:36:16,730

and invent a UFO story as there's lots

730

00:36:22,390 --> 00:36:20,270

of big IFS in there but it didn't happen

731

00:36:24,820 --> 00:36:22,400

in isolation because people all over

732

00:36:28,300 --> 00:36:24,830

Pembrokeshire that summer reported

733

00:36:30,880 --> 00:36:28,310

seeing silver objects on the ground and

734

00:36:33,280 --> 00:36:30,890

what's also interesting or perhaps

735

00:36:37,359 --> 00:36:33,290

telling about this is that these objects

736

00:36:40,810 --> 00:36:37,369

were never seen moving they were seen

737

00:36:41,650 --> 00:36:40,820

disappearing in situ reappearing

738

00:36:44,440 --> 00:36:41,660

somewhere else

739

00:36:46,000 --> 00:36:44,450

in another part of the field which

740

00:36:49,740 --> 00:36:46,010

doesn't really sound like a sewage

741

00:36:59,350 --> 00:36:56,850

one of the witnesses was a woman who was

742

00:37:02,410 --> 00:36:59,360

University educated and lived very near

743

00:37:05,680 --> 00:37:02,420

to ripest and farm her name is Josephine

744

00:37:08,200 --> 00:37:05,690

Hewson well

745

00:37:10,030 --> 00:37:08,210

Josephine woke up one morning to look

746

00:37:13,570 --> 00:37:10,040

out of her window to see an object that

747

00:37:16,600 --> 00:37:13,580

she described was a like an upturned

748

00:37:19,990 --> 00:37:16,610

jelly mould and again with a brushed

749

00:37:22,680 --> 00:37:20,000

aluminium finish and she said this

750

00:37:27,880 --> 00:37:22,690

object was so big that it it completely

751

00:37:29,980 --> 00:37:27,890

blocked out a local greenhouse a

752

00:37:31,440 --> 00:37:29,990

greenhouse standing on her standing on

753

00:37:36,400 --> 00:37:31,450

her property

754

00:37:37,900 --> 00:37:36,410

well Josephine stood by I interviewed

755

00:37:41,140 --> 00:37:37,910

Josephine myself when I was researching

756

00:37:45,550 --> 00:37:41,150

this book and she doesn't live in Wales

757

00:37:47,410 --> 00:37:45,560

anymore stood by it stood by the story

758

00:37:49,780 --> 00:37:47,420

but when I was most recently doing

759

00:37:51,970 --> 00:37:49,790

research for this book I went back to

760

00:37:55,960 --> 00:37:51,980

the havens and I met a chap who knew her

761

00:37:59,170 --> 00:37:55,970

and he said to me I'm extremely

762

00:38:02,890 --> 00:37:59,180

skeptical about all of this he said but

763

00:38:06,850 --> 00:38:02,900

bloody hell she was adamant she was no

764

00:38:09,490 --> 00:38:06,860

changing her mind she'd seen this and I

765

00:38:14,910 --> 00:38:09,500

can conceive of no reasonable

766

00:38:20,410 --> 00:38:14,920

explanation as to why she'd make it up

767

00:38:22,270 --> 00:38:20,420

why would she make it up her her

768

00:38:25,300 --> 00:38:22,280

neighbors Pauline and Billy had been

769

00:38:29,010 --> 00:38:25,310

ridiculed because they prepared in the

770

00:38:33,270 --> 00:38:31,170

so one of the sites one of the reasons

771

00:38:34,800 --> 00:38:33,280

they were ridiculed is because one of

772

00:38:37,560 --> 00:38:34,810

the things they saw was really quite

773

00:38:39,300 --> 00:38:37,570

astounding and this is the this is the

774

00:38:41,730 --> 00:38:39,310

story which strains the credulity I

775

00:38:43,920 --> 00:38:41,740

think the whole wells Triangle enigma

776

00:38:45,930 --> 00:38:43,930

yeah so many of you know what I'm about

777

00:38:47,670 --> 00:38:45,940

to say that's of course the sighting by

778

00:38:51,120 --> 00:38:47,680

Pauline Coombs have an object flying

779

00:38:51,810 --> 00:38:51,130

into stack rocks which was an Iraqi out

780

00:38:54,570 --> 00:38:51,820

problem

781

00:38:56,280 --> 00:38:54,580

sort of the sort of st. bride's Bay what

782

00:38:59,940 --> 00:38:56,290

she thought she saw was an object flying

783

00:39:03,600 --> 00:38:59,950

into it a door opening and closing and a

784

00:39:06,600 --> 00:39:03,610

dog within the rocks now if you've ever

785

00:39:07,950 --> 00:39:06,610

seen a bird on a bright sunny day flying

786

00:39:10,650 --> 00:39:07,960

around the rocks it can look a bit like

787

00:39:12,750 --> 00:39:10,660

a silver disc from a distance but what's

788

00:39:20,790 --> 00:39:12,760

interesting is that somebody else also

789

00:39:22,980 --> 00:39:20,800

saw this somebody else also saw this and

790

00:39:26,010 --> 00:39:22,990

if somebody else was the hotel you at

791

00:39:27,950 --> 00:39:26,020

the havenport hotel now that for me also

792

00:39:30,300 --> 00:39:27,960

sounds like a bit of a coincidence

793

00:39:36,120 --> 00:39:30,310

but we have to take the testimony at

794

00:39:38,849 --> 00:39:36,130

face value I'll tell you that something

795

00:39:41,520 --> 00:39:38,859

when I was in in the havens walking

796

00:39:42,990 --> 00:39:41,530

around the area around around breakfast

797

00:39:49,710 --> 00:39:43,000

and farm and stacked rocks

798

00:39:51,630 --> 00:39:49,720

I met a farmer who who said to me I got

799

00:39:54,420 --> 00:39:51,640

talking to him about this and he told me

800

00:39:55,590 --> 00:39:54,430

two interesting things the first was if

801  
00:39:58,410 --> 00:39:55,600  
you don't think there's anything out in

802  
00:40:01,200 --> 00:39:58,420  
stack rocks go and talk to the divers

803  
00:40:04,050 --> 00:40:01,210  
and the diving club that was the first

804  
00:40:05,460 --> 00:40:04,060  
interesting thing the second thing was I

805  
00:40:06,870 --> 00:40:05,470  
used to hear that he used to have some

806  
00:40:07,650 --> 00:40:06,880  
people who would stay at his farm

807  
00:40:09,900 --> 00:40:07,660  
because he used to run a

808  
00:40:12,060 --> 00:40:09,910  
bed-and-breakfast and he said they would

809  
00:40:15,260 --> 00:40:12,070  
go out walking around stack rocks

810  
00:40:19,470 --> 00:40:15,270  
frequently until one day they came home

811  
00:40:22,349 --> 00:40:19,480  
and they said we're never coming back

812  
00:40:24,770 --> 00:40:22,359  
here again and you said they never spoke

813  
00:40:28,110 --> 00:40:24,780

about it

814

00:40:29,970 --> 00:40:28,120

well I went to the divers club and I

815

00:40:31,860 --> 00:40:29,980

asked because of my curiosity was feet

816

00:40:33,750 --> 00:40:31,870

it was a good story as I said the

817

00:40:36,330 --> 00:40:33,760

stories of what I'm all about really and

818

00:40:39,990 --> 00:40:36,340

I went I went and spoke to somebody at

819

00:40:42,920 --> 00:40:40,000

the divers club and they said that there

820

00:40:45,600 --> 00:40:42,930

were members of their club who had seen

821

00:40:47,880 --> 00:40:45,610

equipment under the water around stacked

822

00:40:51,540 --> 00:40:47,890

rocks so they said they'd seen a ladder

823

00:40:52,710 --> 00:40:51,550

embedded in the rocks now that seems to

824

00:40:55,230 --> 00:40:52,720

me like something you could go and check

825

00:41:00,240 --> 00:40:55,240

and I'm not a diver I'm just telling you

826

00:41:05,040 --> 00:41:00,250

what they told me but it did make me

827

00:41:07,170 --> 00:41:05,050

think because at the hotel I was I

828

00:41:10,500 --> 00:41:07,180

learned a story which I don't think it's

829

00:41:12,240 --> 00:41:10,510

been put down in print before but I used

830

00:41:15,570 --> 00:41:12,250

a version of it fictionalized in my

831

00:41:20,790 --> 00:41:15,580

novel and the story basically came from

832

00:41:22,290 --> 00:41:20,800

the hotel where the UFO was seen and the

833

00:41:24,420 --> 00:41:22,300

story bought down to this there were

834

00:41:27,240 --> 00:41:24,430

some people staying there who worked up

835

00:41:28,440 --> 00:41:27,250

at RAF braudy while they didn't work at

836

00:41:30,950 --> 00:41:28,450

RAF braudy they worked at this

837

00:41:33,510 --> 00:41:30,960

top-secret naval installation next door

838

00:41:37,320 --> 00:41:33,520

it was officially an oceanographic

839

00:41:41,160 --> 00:41:37,330

research station very very top-secret at

840

00:41:42,840 --> 00:41:41,170

its height of the Cold War and what they

841

00:41:45,300 --> 00:41:42,850

were doing or what they said they were

842

00:41:53,540 --> 00:41:45,310

doing at the time that this station was

843

00:41:53,550 --> 00:42:05,579

you

844

00:42:09,910 --> 00:42:08,049

and these microphones were basically

845

00:42:12,430 --> 00:42:09,920

listening to top secrets Russian

846

00:42:15,719 --> 00:42:12,440

submarines and the whole operation was

847

00:42:17,650 --> 00:42:15,729

called Project SOSUS sound surveillance

848

00:42:19,479 --> 00:42:17,660

and if you go to the public records

849

00:42:21,339 --> 00:42:19,489

office in Kew you can look through and

850

00:42:23,319 --> 00:42:21,349

see all the documents as to how this how

851  
00:42:25,269 --> 00:42:23,329  
that our government agreed to take this

852  
00:42:26,140 --> 00:42:25,279  
station at the time and the effect it

853  
00:42:27,910 --> 00:42:26,150  
was going to have on the local

854  
00:42:30,219 --> 00:42:27,920  
population they were really really

855  
00:42:34,900 --> 00:42:30,229  
really concerned about the effect it

856  
00:42:37,930 --> 00:42:34,910  
would have on the local population so

857  
00:42:40,380 --> 00:42:37,940  
why weren't they concerned when hundreds

858  
00:42:42,729 --> 00:42:40,390  
of sightings started pouring in of

859  
00:42:45,690 --> 00:42:42,739  
objects which were completely

860  
00:42:48,940 --> 00:42:45,700  
unidentified landing in people's

861  
00:42:52,599 --> 00:42:48,950  
blabbing in people's back gardens didn't

862  
00:42:55,259 --> 00:42:52,609  
make any sense well we now know the

863  
00:43:01,959 --> 00:42:55,269

truth they were extremely concerned

864

00:43:05,559 --> 00:43:01,969

because a letter came to light which

865

00:43:09,609 --> 00:43:05,569

some of you may have seen but this

866

00:43:14,009 --> 00:43:09,619

letter basically is sent by an official

867

00:43:18,880 --> 00:43:14,019

working at the Ministry of Defense and

868

00:43:22,660 --> 00:43:18,890

it's a letter to the RAF police and it

869

00:43:27,430 --> 00:43:22,670

reads it's dated 14th of June 1977 and

870

00:43:30,309 --> 00:43:27,440

it says we've not invoked the assistance

871

00:43:34,900 --> 00:43:30,319

of the provost and security services on

872

00:43:36,819 --> 00:43:34,910

UFOs before and as I explained on the

873

00:43:39,189 --> 00:43:36,829

telephone the last thing I want to do is

874

00:43:41,380 --> 00:43:39,199

to involve you in problems which would

875

00:43:45,279 --> 00:43:41,390

divert you from your more immediate work

876

00:43:48,849 --> 00:43:45,289

on low-flying complaints that he goes on

877

00:43:51,279 --> 00:43:48,859

and he says well the standard procedure

878

00:43:52,930 --> 00:43:51,289

on UFOs is to send reports to the

879

00:43:54,819 --> 00:43:52,940

various specialist authorities in the

880

00:43:57,130 --> 00:43:54,829

MRD to make sure that they contain no

881

00:43:58,660 --> 00:43:57,140

items of Defense and nothing has come to

882

00:44:02,670 --> 00:43:58,670

light to suggest anything untoward in

883

00:44:06,549 --> 00:44:02,680

Wales important point then he says I

884

00:44:08,729 --> 00:44:06,559

confess however that I find the

885

00:44:11,410 --> 00:44:08,739

correspondence a little puzzling

886

00:44:13,599 --> 00:44:11,420

according to the press cuttings some of

887

00:44:16,590 --> 00:44:13,609

the witnesses are people who might be

888

00:44:19,410 --> 00:44:16,600

expected to be a fairly level-headed

889

00:44:24,030 --> 00:44:19,420

and the local MP has been inundated with

890

00:44:26,280 --> 00:44:24,040

inquiries he then says I should be

891

00:44:28,950 --> 00:44:26,290

grateful if you would have a look at

892

00:44:32,700 --> 00:44:28,960

these papers and let me know whether you

893

00:44:34,680 --> 00:44:32,710

think there may be some need for a

894

00:44:37,800 --> 00:44:34,690

discreet inquiry that it would be

895

00:44:44,070 --> 00:44:37,810

worthwhile and if your staff could find

896

00:44:45,720 --> 00:44:44,080

the time he then finishes his letter

897

00:44:47,930 --> 00:44:45,730

it's talking about whether or not there

898

00:44:52,070 --> 00:44:47,940

is evidence for a more serious

899

00:44:55,380 --> 00:44:52,080

specialist inquiry anchor and finishes I

900

00:44:57,660 --> 00:44:55,390

have not committed you in any way and I

901  
00:45:02,250 --> 00:44:57,670  
have not even told the minister

902  
00:45:04,320 --> 00:45:02,260  
I am consulting you well the minister

903  
00:45:08,220 --> 00:45:04,330  
was the one answering parliamentary

904  
00:45:10,950 --> 00:45:08,230  
questions on this I think that's

905  
00:45:13,200 --> 00:45:10,960  
actually quite curious firstly because

906  
00:45:16,680 --> 00:45:13,210  
it means that it shows basically that

907  
00:45:21,000 --> 00:45:16,690  
the old adage ignorance is bliss rings

908  
00:45:23,100 --> 00:45:21,010  
true the minister was unable to give the

909  
00:45:26,430 --> 00:45:23,110  
truth because plausible deniability

910  
00:45:30,600 --> 00:45:26,440  
applied the officials at the mo D hadn't

911  
00:45:33,120 --> 00:45:30,610  
told him but I understand why they were

912  
00:45:40,470 --> 00:45:33,130  
interested because as I said Wes Wells

913  
00:45:45,770 --> 00:45:40,480

was a very very very vulnerable space at

914

00:45:49,650 --> 00:45:45,780

that time and researched released since

915

00:45:52,620 --> 00:45:49,660

1977 has shown that Wales and West Wales

916

00:45:54,960 --> 00:45:52,630

in particular was a nuclear on the

917

00:45:59,220 --> 00:45:54,970

nuclear strike list for the Soviets and

918

00:46:03,500 --> 00:45:59,230

it's not hard to see why so why did

919

00:46:08,490 --> 00:46:03,510

these UFOs wherever they come from

920

00:46:10,260 --> 00:46:08,500

choose this part of Wales is it because

921

00:46:12,120 --> 00:46:10,270

of the work that we were doing there

922

00:46:16,500 --> 00:46:12,130

it's a question that you could

923

00:46:18,120 --> 00:46:16,510

legitimately apply to the landing of an

924

00:46:21,750 --> 00:46:18,130

unexplained object in Rendlesham forest

925

00:46:24,930 --> 00:46:21,760

in December 1980 because of course those

926  
00:46:28,049 --> 00:46:24,940  
spaces weren't just holding nuclear

927  
00:46:30,929 --> 00:46:28,059  
weapons as we know now but

928  
00:46:34,259 --> 00:46:30,939  
were located in close proximity to

929  
00:46:37,709 --> 00:46:34,269  
top-secret radar installations as well

930  
00:46:40,589 --> 00:46:37,719  
and radar research and there's a great

931  
00:46:41,969 --> 00:46:40,599  
deal of speculation that I don't want to

932  
00:46:44,579 --> 00:46:41,979  
go into really but a great deal of

933  
00:46:46,529 --> 00:46:44,589  
speculation about the nature of that

934  
00:46:49,160 --> 00:46:46,539  
research and what it might have had to

935  
00:46:51,299 --> 00:46:49,170  
do with the object they saw in the woods

936  
00:46:57,019 --> 00:46:51,309  
and you can draw your own conclusions

937  
00:46:59,999 --> 00:46:57,029  
about that but I did have to ask myself

938  
00:47:04,859 --> 00:47:00,009

why is it that these objects disappeared

939

00:47:06,599 --> 00:47:04,869

in situ and vanish and this probably

940

00:47:08,519 --> 00:47:06,609

isn't a popular theory amongst people

941

00:47:11,279 --> 00:47:08,529

who would like to believe that there is

942

00:47:14,579 --> 00:47:11,289

there are tangible objects visiting us

943

00:47:16,410 --> 00:47:14,589

from outer space but that sort of

944

00:47:19,439 --> 00:47:16,420

behavior these images these objects that

945

00:47:21,539 --> 00:47:19,449

sort of slip in and out on radar implies

946

00:47:25,099 --> 00:47:21,549

to me something that's more paranormal

947

00:47:27,900 --> 00:47:25,109

in nature than it is nuts and bolts

948

00:47:29,910 --> 00:47:27,910

having said that who's to say that

949

00:47:33,209 --> 00:47:29,920

another very advanced nuts-and-bolts

950

00:47:34,679 --> 00:47:33,219

craft hasn't perfected the ability to do

951  
00:47:35,489 --> 00:47:34,689  
these things which are beyond our

952  
00:47:41,370 --> 00:47:35,499  
understanding

953  
00:47:43,769 --> 00:47:41,380  
it's certainly beyond mine and on that

954  
00:47:46,079 --> 00:47:43,779  
note but I'd like to do is to open the

955  
00:47:58,070 --> 00:47:46,089  
floor to some questions because I think

956  
00:48:24,340 --> 00:48:12,690  
yes about the same time yes at the same

957  
00:48:31,790 --> 00:48:28,520  
well I am I'm aware that there was

958  
00:48:33,770 --> 00:48:31,800  
certainly sightings of Gower and one of

959  
00:48:35,600 --> 00:48:33,780  
the one of the sightings was the one I

960  
00:48:37,760 --> 00:48:35,610  
referred to earlier about the boys who'd

961  
00:48:41,090 --> 00:48:37,770  
seen something in their field and his

962  
00:48:43,010 --> 00:48:41,100  
father was in Bishop's turn another

963  
00:48:45,730 --> 00:48:43,020

sighting actually occurred to an artist

964

00:48:50,210 --> 00:48:45,740

they've been very very very near there

965

00:48:52,190 --> 00:48:50,220

and she I'm not referring to it's mr.

966

00:48:57,110 --> 00:48:52,200

Petts I'm not referring to him another

967

00:48:59,570 --> 00:48:57,120

artist - she's she lived on on North Way

968

00:49:02,240 --> 00:48:59,580

actually on the road there Santa kaua

969

00:49:08,030 --> 00:49:02,250

and she was doing the washing up one

970

00:49:10,100 --> 00:49:08,040

afternoon and she said she became aware

971

00:49:14,720 --> 00:49:10,110

of an object flying immediately overhead

972

00:49:16,070 --> 00:49:14,730

and she ran out into the garden and she

973

00:49:19,610 --> 00:49:16,080

looked up and she said it was a

974

00:49:24,590 --> 00:49:19,620

spherical shaped object again brushed

975

00:49:26,150 --> 00:49:24,600

gray aluminium and she said the phrase

976

00:49:27,980 --> 00:49:26,160

which sticks in my mind and this is a

977

00:49:29,840 --> 00:49:27,990

long time ago but I'm just using the

978

00:49:33,050 --> 00:49:29,850

words that she used she said the

979

00:49:37,160 --> 00:49:33,060

underneath of the craft was composed of

980

00:49:37,940 --> 00:49:37,170

many shining radiating filaments the

981

00:49:41,300 --> 00:49:37,950

word she used

982

00:49:43,220 --> 00:49:41,310

radiating filaments which made it sound

983

00:49:46,550 --> 00:49:43,230

like a very intricate object and this

984

00:49:50,240 --> 00:49:46,560

was very shortly after the or maybe even

985

00:49:55,130 --> 00:49:50,250

the same day as Andrew Everson sighting

986

00:50:03,830 --> 00:49:55,140

in in Bishop's turn there were sightings

987

00:50:05,180 --> 00:50:03,840

over our much later in 1996 898 in

988

00:50:09,530 --> 00:50:05,190

October 1980

989

00:50:12,860 --> 00:50:09,540

almost 21 years later and those

990

00:50:17,000 --> 00:50:12,870

sightings were queried by our been

991

00:50:19,490 --> 00:50:17,010

Member of Parliament Martin Katyn who

992

00:50:24,760 --> 00:50:19,500

actually put the questions down at my

993

00:50:27,260 --> 00:50:24,770

request at the time and those questions

994

00:50:29,420 --> 00:50:27,270

pertain to a series of lights that have

995

00:50:33,810 --> 00:50:29,430

been seen over Gower that night which

996

00:50:37,940 --> 00:50:33,820

were pursued by two Sea King helicopters

997

00:50:41,820 --> 00:50:37,950

both of those one of those helicopters

998

00:50:47,040 --> 00:50:41,830

landed at Swansea Airport on the night

999

00:50:48,420 --> 00:50:47,050

of the incident and quite frankly the

1000

00:50:50,010 --> 00:50:48,430

details of what happened at Swansea

1001  
00:50:52,200 --> 00:50:50,020  
Airport like that like something out of

1002  
00:50:52,770 --> 00:50:52,210  
The X Files I'll go into what happened

1003  
00:50:58,650 --> 00:50:52,780  
in a minute

1004  
00:51:00,360 --> 00:50:58,660  
but the point is that many many people

1005  
00:51:05,460 --> 00:51:00,370  
over Gareth at night saw something and

1006  
00:51:11,160 --> 00:51:05,470  
the mo D attributed it to a military

1007  
00:51:13,950 --> 00:51:11,170  
exercise essentially which it could have

1008  
00:51:16,530 --> 00:51:13,960  
been who knows but what what is

1009  
00:51:18,810 --> 00:51:16,540  
interesting is that shortly after the

1010  
00:51:21,840 --> 00:51:18,820  
event I I was lucky enough to speak to

1011  
00:51:24,120 --> 00:51:21,850  
somebody who worked at the airport who

1012  
00:51:29,310 --> 00:51:24,130  
told me that the objects had been

1013  
00:51:31,860 --> 00:51:29,320

tracked on radar I didn't I didn't see

1014

00:51:33,480 --> 00:51:31,870

any sort of hard evidence of that so I

1015

00:51:34,650 --> 00:51:33,490

can't tell you if that's true I'm just

1016

00:51:41,010 --> 00:51:34,660

telling you what I was told

1017

00:51:44,360 --> 00:51:41,020

and I was told that the airport

1018

00:51:49,050 --> 00:51:44,370

that night was visited by a large

1019

00:51:52,860 --> 00:51:49,060

unmarked car which was dark and which

1020

00:51:56,430 --> 00:51:52,870

was parked on the runway without without

1021

00:51:58,550 --> 00:51:56,440

official clearance to be there and had

1022

00:52:01,050 --> 00:51:58,560

its headlights switched to full beam and

1023

00:52:03,840 --> 00:52:01,060

that one of the helicopters which had

1024

00:52:07,110 --> 00:52:03,850

been involved in these maneuvers used

1025

00:52:11,730 --> 00:52:07,120

that beam to land from the car to land

1026  
00:52:16,680 --> 00:52:11,740  
at the airport that night now I have no

1027  
00:52:18,420 --> 00:52:16,690  
idea what was going on but I have no

1028  
00:52:20,010 --> 00:52:18,430  
doubt that it that happened because I

1029  
00:52:21,570 --> 00:52:20,020  
was one of the people who saw it I saw

1030  
00:52:24,960 --> 00:52:21,580  
one of these helicopters and lights

1031  
00:52:30,150 --> 00:52:24,970  
myself so but you know many people did

1032  
00:52:31,560 --> 00:52:30,160  
the Coast Guard saw it and of course it

1033  
00:52:34,080 --> 00:52:31,570  
was all it was or distant military

1034  
00:52:37,110 --> 00:52:34,090  
exercise but they can tell you at the

1035  
00:52:40,200 --> 00:52:37,120  
time it felt very different to that but

1036  
00:52:43,340 --> 00:52:40,210  
again it's it's it's one of those events

1037  
00:52:48,880 --> 00:52:43,350  
which hasn't been explained

1038  
00:52:50,930 --> 00:52:48,890

another question government yes if we

1039

00:52:53,000 --> 00:52:50,940

believe and what we're told

1040

00:52:56,870 --> 00:52:53,010

French government the South American

1041

00:52:59,690 --> 00:52:56,880

government etc etc a very minded about

1042

00:53:02,360 --> 00:52:59,700

UFOs that's what we learn to believe

1043

00:53:03,530 --> 00:53:02,370

would you agree with that well not which

1044

00:53:07,220 --> 00:53:03,540

is the other government you mentioned

1045

00:53:08,450 --> 00:53:07,230

South American obviously not so I know

1046

00:53:10,820 --> 00:53:08,460

there are lots of countries in South

1047

00:53:15,170 --> 00:53:10,830

America sleeper but what the point of

1048

00:53:18,590 --> 00:53:15,180

making is if there there's a fair about

1049

00:53:22,550 --> 00:53:18,600

it why the British and possibly the

1050

00:53:24,740 --> 00:53:22,560

Americans so secretive what's going what

1051

00:53:26,510 --> 00:53:24,750

it would be you would assume that they'd

1052

00:53:30,950 --> 00:53:26,520

all be saved in the same hymn sheet or

1053

00:53:32,510 --> 00:53:30,960

not yeah well I think it's a good

1054

00:53:34,660 --> 00:53:32,520

question so firstly yes I would agree

1055

00:53:37,130 --> 00:53:34,670

that there are many governments who are

1056

00:53:39,710 --> 00:53:37,140

farmer minded about it and the French

1057

00:53:41,690 --> 00:53:39,720

certainly third I think they're their

1058

00:53:44,210 --> 00:53:41,700

official investigative group is still

1059

00:53:47,510 --> 00:53:44,220

ongoing actually I'm not sure ever

1060

00:53:51,200 --> 00:53:47,520

disbanded but the Belgium the Belgians

1061

00:53:53,420 --> 00:53:51,210

of course have been were extremely

1062

00:53:55,280 --> 00:53:53,430

historically vocal about a series of

1063

00:53:58,190 --> 00:53:55,290

sightings the wave of triangular-shaped

1064

00:54:02,030 --> 00:53:58,200

UFOs that were seen over over Belgium

1065

00:54:03,560 --> 00:54:02,040

and that fateful night and so much so

1066

00:54:05,600 --> 00:54:03,570

that they went on bloody national

1067

00:54:09,650 --> 00:54:05,610

television and show people the radar

1068

00:54:12,560 --> 00:54:09,660

tapes so yes I would agree that some

1069

00:54:15,980 --> 00:54:12,570

governments are more and more open about

1070

00:54:18,560 --> 00:54:15,990

it the question of why some governments

1071

00:54:21,560 --> 00:54:18,570

are not I think it basically boils down

1072

00:54:26,540 --> 00:54:21,570

to what those governments might have to

1073

00:54:28,850 --> 00:54:26,550

gain so and I'm just talking off the top

1074

00:54:32,270 --> 00:54:28,860

of my head here I heard I but I do

1075

00:54:35,240 --> 00:54:32,280

believe that it's quite possible that

1076  
00:54:39,440 --> 00:54:35,250  
the more developed countries militarily

1077  
00:54:41,780 --> 00:54:39,450  
may have more more at stake and I think

1078  
00:54:45,440 --> 00:54:41,790  
what I mean by that is there are

1079  
00:54:47,930 --> 00:54:45,450  
obviously military learnings that the

1080  
00:54:49,970 --> 00:54:47,940  
government and our armed forces can make

1081  
00:54:53,840 --> 00:54:49,980  
from this phenomenon and indeed that's

1082  
00:54:55,730 --> 00:54:53,850  
what project condign and it is really

1083  
00:54:58,400 --> 00:54:55,740  
well worth a little read if you can go

1084  
00:55:00,820 --> 00:54:58,410  
download it from the mo DS website is is

1085  
00:55:03,650 --> 00:55:00,830  
really well worth well worth a look

1086  
00:55:05,900 --> 00:55:03,660  
because it shows that knew the

1087  
00:55:08,750 --> 00:55:05,910  
government has considered learning from

1088  
00:55:11,359 --> 00:55:08,760

this phenomenon to apply to military

1089

00:55:13,550 --> 00:55:11,369

applications and and I would suggest

1090

00:55:15,170 --> 00:55:13,560

that's probably why they were they work

1091

00:55:17,030 --> 00:55:15,180

they're probably more secret about it

1092

00:55:18,530 --> 00:55:17,040

I'm certainly not proposing that the

1093

00:55:24,130 --> 00:55:18,540

government has a crashed flying saucer

1094

00:55:30,740 --> 00:55:28,130

I also think that the mo D has been

1095

00:55:35,570 --> 00:55:30,750

quite canny in how they've dealt with

1096

00:55:38,870 --> 00:55:35,580

this so the term unidentified flying

1097

00:55:42,200 --> 00:55:38,880

object has basically been dispensed with

1098

00:55:45,290 --> 00:55:42,210

and unidentified aerial phenomena and

1099

00:55:49,700 --> 00:55:45,300

there's no common parlance in government

1100

00:55:51,140 --> 00:55:49,710

well certainly in the mo D but the

1101

00:55:53,030 --> 00:55:51,150

effect of doing that it's actually quite

1102

00:55:55,430 --> 00:55:53,040

convenient because if somebody decides

1103

00:55:57,710 --> 00:55:55,440

to place a Freedom of Information Act

1104

00:56:00,680 --> 00:55:57,720

request asking for information that our

1105

00:56:04,940 --> 00:56:00,690

government has on UFOs basically means

1106

00:56:06,560 --> 00:56:04,950

they can quite legitimately say because

1107

00:56:08,420 --> 00:56:06,570

you didn't ask for unidentified aerial

1108

00:56:10,010 --> 00:56:08,430

phenomena all right and how many people

1109

00:56:11,050 --> 00:56:10,020

in the general public are going to be

1110

00:56:12,920 --> 00:56:11,060

thinking oh I know

1111

00:56:14,690 --> 00:56:12,930

unidentified aerial for not it's quite

1112

00:56:17,480 --> 00:56:14,700

interesting Hillary Clinton used the

1113

00:56:19,180 --> 00:56:17,490

term recently at an interview and make

1114

00:56:21,500 --> 00:56:19,190

the point that that is the phrase that

1115

00:56:23,270 --> 00:56:21,510

she's aware of so she's obviously been

1116

00:56:29,510 --> 00:56:23,280

briefed on the subject by her campaign

1117

00:56:31,310 --> 00:56:29,520

manager but it's it's certainly you know

1118

00:56:33,109 --> 00:56:31,320

it's a clever way of getting around the

1119

00:56:33,830 --> 00:56:33,119

stuff I know her German Jenny mentioned

1120

00:56:35,840 --> 00:56:33,840

it oh really

1121

00:56:39,260 --> 00:56:35,850

no no murder unidentified aerial

1122

00:56:41,810 --> 00:56:39,270

phenomena and the other point worth

1123

00:56:44,690 --> 00:56:41,820

mentioning is that the the way in which

1124

00:56:46,280 --> 00:56:44,700

they they they the government would

1125

00:56:49,280 --> 00:56:46,290

investigate reports of this sort of

1126

00:56:52,370 --> 00:56:49,290

thing is that they will often consult a

1127

00:56:54,830 --> 00:56:52,380

private contractor a private contractor

1128

00:56:57,080 --> 00:56:54,840

who runs our radar systems in the UK

1129

00:56:59,000 --> 00:56:57,090

whereas the government is obliged to

1130

00:56:59,450 --> 00:56:59,010

give you whatever information that you

1131

00:57:02,600 --> 00:56:59,460

ask

1132

00:57:08,090 --> 00:57:02,610

or or at least to consider it this

1133

00:57:09,980 --> 00:57:08,100

private contractor isn't so I do think

1134

00:57:13,130 --> 00:57:09,990

that I do think there is a possibility

1135

00:57:14,480 --> 00:57:13,140

that the government although I hope you

1136

00:57:16,780 --> 00:57:14,490

working at the EMA D and I know they

1137

00:57:19,550 --> 00:57:16,790

have in deeper than their UFO desk

1138

00:57:21,830 --> 00:57:19,560

although that's all well and true it

1139

00:57:23,900 --> 00:57:21,840

doesn't mean they're not employing an

1140

00:57:27,790 --> 00:57:23,910

external agency to continue this work

1141

00:57:31,280 --> 00:57:27,800

and I wouldn't discount that possibility

1142

00:57:32,480 --> 00:57:31,290

thank you okay then years ago you know

1143

00:57:36,220 --> 00:57:32,490

when you first started coming

1144

00:57:39,890 --> 00:57:36,230

inquisitive many strange things happen

1145

00:57:43,310 --> 00:57:39,900

oh I've had numerous accounts of see

1146

00:57:59,680 --> 00:57:43,320

paralysis strange electronic sounds in

1147

00:58:02,650 --> 00:57:59,690

the bedroom just wandering strangers

1148

00:58:06,140 --> 00:58:02,660

since you started

1149

00:58:09,170 --> 00:58:06,150

III I'm so I'm certainly aware of a

1150

00:58:12,260 --> 00:58:09,180

great many people so John keel John keel

1151

00:58:14,570 --> 00:58:12,270

is a researcher Reedus books it's yeah

1152

00:58:17,330 --> 00:58:14,580

really really good example of somebody

1153

00:58:18,800 --> 00:58:17,340

who's looked at this phenomenon and

1154

00:58:21,380 --> 00:58:18,810

encounter it many many many strange

1155

00:58:23,720 --> 00:58:21,390

things I think the problem with these

1156

00:58:25,550 --> 00:58:23,730

sorts of experiences as I so I always

1157

00:58:28,370 --> 00:58:25,560

say to people there's nobody who wants

1158

00:58:31,340 --> 00:58:28,380

to see it more than I do because you

1159

00:58:33,590 --> 00:58:31,350

know I write about it I I love I love

1160

00:58:35,690 --> 00:58:33,600

everything about these sorts of subjects

1161

00:58:36,770 --> 00:58:35,700

that's why I write about them I've never

1162

00:58:40,130 --> 00:58:36,780

seen a ghost

1163

00:58:42,680 --> 00:58:40,140

I've certainly never seen up close you

1164

00:58:44,240 --> 00:58:42,690

know a landed UFO or a flying saucer

1165

00:58:48,230 --> 00:58:44,250

I've seen some unexplained lights but I

1166

00:58:49,700 --> 00:58:48,240

would imagine many people have and

1167

00:58:51,050 --> 00:58:49,710

there's no so do i but i will say is

1168

00:58:54,440 --> 00:58:51,060

this nobody wants to see it more than me

1169

00:58:56,660 --> 00:58:54,450

and I'm not really in the same way that

1170

00:58:59,000 --> 00:58:56,670

you know pauline Combe sees this object

1171

00:59:02,060 --> 00:58:59,010

or this you know the children see the

1172

00:59:04,400 --> 00:59:02,070

subject I'm not but I'm greatly envious

1173

00:59:07,520 --> 00:59:04,410

of people people who have because I

1174

00:59:11,900 --> 00:59:07,530

think these experiences actually as many

1175

00:59:14,720 --> 00:59:11,910

as they are are very special and

1176

00:59:16,640 --> 00:59:14,730

special because they're rare that's why

1177

00:59:20,180 --> 00:59:16,650

they're special they're so rare and I

1178

00:59:25,279 --> 00:59:20,190

would love to see something but done yet

1179

00:59:30,980 --> 00:59:25,289

is blue it oh yeah nice just listening

1180

00:59:33,230 --> 00:59:30,990

to kind of got more requests oh ok first

1181

00:59:35,059 --> 00:59:33,240

of all when you you know when you say

1182

00:59:37,520 --> 00:59:35,069

the government and you might you might

1183

00:59:40,700 --> 00:59:37,530

to consider you know the actual

1184

00:59:42,349 --> 00:59:40,710

hierarchy like we're not I said we're

1185

00:59:44,089 --> 00:59:42,359

not a hundred percent sure that would

1186

00:59:46,789 --> 00:59:44,099

unify a lot of research that the

1187

00:59:49,819 --> 00:59:46,799

government are necessarily at the top of

1188

00:59:53,349 --> 00:59:49,829

the hierarchy so uh maybe propose the

1189

00:59:55,520 --> 00:59:53,359

possibility that depending on the level

1190

00:59:56,089 --> 00:59:55,530

depending on the level in the area of

1191

00:59:58,490 --> 00:59:56,099

government

1192

01:00:01,430 --> 00:59:58,500

some people might you know some people

1193

01:00:04,010 --> 01:00:01,440

might have she not know what's going on

1194

01:00:06,079 --> 01:00:04,020

themselves for example look I'm not

1195

01:00:08,950 --> 01:00:06,089

saying this is necessarily true but in

1196

01:00:11,450 --> 01:00:08,960

the u.s. the CIA has suffered

1197

01:00:15,200 --> 01:00:11,460

30-something levels and the president

1198

01:00:17,599 --> 01:00:15,210

can access something like number 17 or

1199

01:00:22,549 --> 01:00:17,609

whatever I know it's the need to know

1200

01:00:26,870 --> 01:00:22,559

yeah point the point is the point is

1201

01:00:29,890 --> 01:00:26,880

very well made because you know it's

1202

01:00:32,569 --> 01:00:29,900

quite interesting Tony Blair

1203

01:00:33,500 --> 01:00:32,579

specifically requested a briefing on the

1204

01:00:38,480 --> 01:00:33,510

subject of UFOs

1205

01:00:40,760 --> 01:00:38,490

so did Winston Churchill before he was

1206

01:00:43,670 --> 01:00:40,770

elected David Cameron said he would look

1207

01:00:47,569 --> 01:00:43,680

into it publicly he said that I don't

1208

01:00:51,559 --> 01:00:47,579

know if you ever did Hillary Clinton has

1209

01:00:54,470 --> 01:00:51,569

now said that she will Bill Clinton Bill

1210

01:00:56,809 --> 01:00:54,480

Clinton at the time plaintiff did and

1211

01:01:00,620 --> 01:00:56,819

the camp and Clinton's current campaign

1212

01:01:02,750 --> 01:01:00,630

manager claims that they did like one of

1213

01:01:05,210 --> 01:01:02,760

his biggest regrets working at for Obama

1214

01:01:07,309 --> 01:01:05,220

is that he he wasn't able to open the

1215

01:01:09,799 --> 01:01:07,319

files but that he wants to push this

1216

01:01:12,049 --> 01:01:09,809

through now are these people saying this

1217

01:01:14,390 --> 01:01:12,059

because they think it's somehow popular

1218

01:01:16,849 --> 01:01:14,400

with the electorate because so many

1219

01:01:20,180 --> 01:01:16,859

people believe well maybe maybe not

1220

01:01:23,240 --> 01:01:20,190

because I don't know how many if I I

1221

01:01:24,470 --> 01:01:23,250

know a great many people working in

1222

01:01:29,570 --> 01:01:24,480

politics

1223

01:01:32,630 --> 01:01:29,580

you if I was to go out to one of their

1224

01:01:36,950 --> 01:01:32,640

gatherings and start talking about UFOs

1225

01:01:39,290 --> 01:01:36,960

I probably get a few laughs so an indeed

1226

01:01:41,240 --> 01:01:39,300

if you look at the David Cameron pledged

1227

01:01:42,710 --> 01:01:41,250

that well it answered that he gave in a

1228

01:01:44,240 --> 01:01:42,720

he felt obliged to make a joke of the

1229

01:01:47,510 --> 01:01:44,250

subject at the time and the question got

1230

01:01:49,099 --> 01:01:47,520

a great many laughs so but to come back

1231

01:01:52,900 --> 01:01:49,109

to your point about compartmentalized

1232

01:01:55,160 --> 01:01:52,910

information yes I in the United States

1233

01:01:59,240 --> 01:01:55,170

that's absolutely the case there are

1234

01:02:03,170 --> 01:01:59,250

projects that yes yes but I do think

1235

01:02:05,960 --> 01:02:03,180

that it has the UFO phenomenon being

1236

01:02:07,730 --> 01:02:05,970

used to manipulate people and has

1237

01:02:09,890 --> 01:02:07,740

information about the subject being

1238

01:02:13,120 --> 01:02:09,900

leaked in a way which is designed to

1239

01:02:16,130 --> 01:02:13,130

influence people absolutely it has and

1240

01:02:18,980 --> 01:02:16,140

you only have to look at the way in

1241

01:02:21,650 --> 01:02:18,990

which the US government and the CIA in

1242

01:02:24,560 --> 01:02:21,660

particular deliberately used the myth of

1243

01:02:27,440 --> 01:02:24,570

the UFO phenomenon during the Cold War

1244

01:02:29,420 --> 01:02:27,450

to test fly their military aircraft

1245

01:02:32,300 --> 01:02:29,430

because of course when they were flying

1246

01:02:35,840 --> 01:02:32,310

the u2 ads of the testing facility in

1247

01:02:38,690 --> 01:02:35,850

Groom Lake Nevada they basically had a

1248

01:02:40,550 --> 01:02:38,700

ready-made explanation in their hands if

1249

01:02:42,380 --> 01:02:40,560

anyone decided to see one of these

1250

01:02:44,690 --> 01:02:42,390

unpainted objects and report it as a

1251

01:02:46,849 --> 01:02:44,700

flying disc that's what it was reported

1252

01:02:48,849 --> 01:02:46,859

as it's a bits of flying it's also of

1253

01:02:51,500 --> 01:02:48,859

course where they overstep the line

1254

01:02:53,300 --> 01:02:51,510

actually quite recently I think was last

1255

01:02:55,460 --> 01:02:53,310

year maybe the year before there's been

1256

01:02:57,680 --> 01:02:55,470

the CIA bent out on Twitter don't know

1257

01:03:00,050 --> 01:02:57,690

how many of you saw it and said remember

1258

01:03:03,190 --> 01:03:00,060

all those sightings of flying discs back

1259

01:03:07,550 --> 01:03:03,200

in the 60s and 70s quote that was us

1260

01:03:09,260 --> 01:03:07,560

well all of the research that's been

1261

01:03:11,720 --> 01:03:09,270

done plotting the sightings of flying

1262

01:03:15,109 --> 01:03:11,730

discs over America from the summer of

1263

01:03:17,930 --> 01:03:15,119

1947 right up to the pretty much you

1264

01:03:20,000 --> 01:03:17,940

know in the 60s 70s and 80s all of them

1265

01:03:22,550 --> 01:03:20,010

all of that work shows that the

1266

01:03:25,010 --> 01:03:22,560

sightings did not overwhelmingly occur

1267

01:03:27,080 --> 01:03:25,020

on the flight path of the flight paths

1268

01:03:29,450 --> 01:03:27,090

of the u2 and there are other and there

1269

01:03:30,890 --> 01:03:29,460

other aircraft so they have an

1270

01:03:33,020 --> 01:03:30,900

explanation at the time they're quite

1271

01:03:34,279 --> 01:03:33,030

willing to use that and twisting it

1272

01:03:36,349 --> 01:03:34,289

around those yeah and now

1273

01:03:37,669 --> 01:03:36,359

and in UFOs he was just exactly and now

1274

01:03:39,439 --> 01:03:37,679

they're quite happy because what's

1275

01:03:41,569 --> 01:03:39,449

what's that what's happened is these

1276

01:03:43,489 --> 01:03:41,579

sightings still those sightings continue

1277

01:03:45,499 --> 01:03:43,499

to this day not just like light

1278

01:03:47,479 --> 01:03:45,509

sightings of flying discs but sightings

1279

01:03:49,130 --> 01:03:47,489

of triangular aircraft and of course

1280

01:03:51,409 --> 01:03:49,140

everyone who's looked into this subject

1281

01:03:52,819 --> 01:03:51,419

well it may be very tempting for people

1282

01:03:55,309 --> 01:03:52,829

to say oh yes sightings of large

1283

01:03:57,229 --> 01:03:55,319

triangular aircraft began back in the

1284

01:03:59,539 --> 01:03:57,239

early 1980s well no they didn't actually

1285

01:04:01,699 --> 01:03:59,549

if you go well back the sightings of

1286

01:04:04,219 --> 01:04:01,709

these large triangular aircraft with

1287

01:04:06,349 --> 01:04:04,229

lights at each corner go way way way

1288

01:04:09,140 --> 01:04:06,359

back these are this isn't some sort of

1289

01:04:10,579 --> 01:04:09,150

new phenomenon the reason it became very

1290

01:04:13,099 --> 01:04:10,589

public is because of what happened in

1291

01:04:15,259 --> 01:04:13,109

Belgium that's why it became so public

1292

01:04:16,370 --> 01:04:15,269

and really put it on the map of course

1293

01:04:17,539 --> 01:04:16,380

they're suspected stealth bomber has

1294

01:04:19,009 --> 01:04:17,549

something to do with it but I think it

1295

01:04:21,049 --> 01:04:19,019

probably had nothing to do others

1296

01:04:24,709 --> 01:04:21,059

what was I did in the three cases was it

1297

01:04:26,989 --> 01:04:24,719

on what South Wales right so this is I

1298

01:04:32,299 --> 01:04:26,999

miss talking about a case which occurred

1299

01:04:35,239 --> 01:04:32,309

in South Wales in 1983 January 1983 when

1300

01:04:37,789 --> 01:04:35,249

many people saw I think what you call

1301

01:04:43,999 --> 01:04:37,799

the night of the triangles this was many

1302

01:04:45,109 --> 01:04:44,009

people saw two very large moat but some

1303

01:04:47,779 --> 01:04:45,119

of the reports would say they were very

1304

01:04:51,739 --> 01:04:47,789

large to very large triangular shaped

1305

01:04:55,429 --> 01:04:51,749

objects with lights at each corner over

1306

01:04:57,289 --> 01:04:55,439

over Swansea Valley well these these

1307

01:05:01,909 --> 01:04:57,299

these craft as many people probably know

1308

01:05:05,779 --> 01:05:01,919

we also seen in Cardiff all over the

1309

01:05:07,489 --> 01:05:05,789

Gower and what was immensely impressive

1310

01:05:08,719 --> 01:05:07,499

to me when I first became aware of this

1311

01:05:10,279 --> 01:05:08,729

because I was actually doing some

1312

01:05:12,049 --> 01:05:10,289

research at the library to the Evening

1313

01:05:14,209 --> 01:05:12,059

Post and I came across there's a picture

1314

01:05:16,759 --> 01:05:14,219

I think many people have seen already of

1315

01:05:18,949 --> 01:05:16,769

two triangles right next to each other

1316

01:05:23,419 --> 01:05:18,959

but this lady had steps in and drawn and

1317

01:05:24,649 --> 01:05:23,429

I followed up on that and I remembered

1318

01:05:29,329 --> 01:05:24,659

somebody wrote to me telling me that

1319

01:05:31,489 --> 01:05:29,339

they'd been driving driving along just

1320

01:05:34,849 --> 01:05:31,499

as he come over the the common aisle

1321

01:05:37,399 --> 01:05:34,859

down to the fair would common and they'd

1322

01:05:39,979 --> 01:05:37,409

seen two very large objects that were

1323

01:05:42,799 --> 01:05:39,989

sort of pointing towards each other over

1324

01:05:45,049 --> 01:05:42,809

the road and she said they were a very

1325

01:05:46,339 --> 01:05:45,059

high treetop level and they were really

1326

01:05:49,130 --> 01:05:46,349

really low

1327

01:05:51,410 --> 01:05:49,140

humming the sound coming from them and a

1328

01:05:53,859 --> 01:05:51,420

lit up like a Christmas tree or the word

1329

01:05:56,329 --> 01:05:53,869

cheese lit up like a Christmas tree

1330

01:05:58,370 --> 01:05:56,339

there's another one we all know do not

1331

01:06:02,749 --> 01:05:58,380

see there I'll go back to my notes see

1332

01:06:07,339 --> 01:06:02,759

if you've got 22 witness references now

1333

01:06:08,719 --> 01:06:07,349

so 23 22 23 people from that nylund's

1334

01:06:16,089 --> 01:06:08,729

many of them saw them at the same time

1335

01:06:18,019 --> 01:06:16,099

at different parts of swansea yeah yeah

1336

01:06:22,120 --> 01:06:18,029

and what's really interesting about

1337

01:06:24,199 --> 01:06:22,130

these reports is that they were you know

1338

01:06:26,569 --> 01:06:24,209

everyone described seeing these very

1339

01:06:29,539 --> 01:06:26,579

large triangular objects and they

1340

01:06:31,640 --> 01:06:29,549

continued to be seen and of course today

1341

01:06:34,189 --> 01:06:31,650

we live in the world where any one of us

1342

01:06:37,400 --> 01:06:34,199

can go down the shop if we want and buy

1343

01:06:39,140 --> 01:06:37,410

a sophisticated drone and we all know

1344

01:06:42,199 --> 01:06:39,150

they make us a humming sound and we can

1345

01:06:45,079 --> 01:06:42,209

fly them around and now the question in

1346

01:06:49,099 --> 01:06:45,089

my mind is did they have that sort of

1347

01:06:50,449 --> 01:06:49,109

technology back then well I'm sure they

1348

01:06:52,219 --> 01:06:50,459

weren't selling it over the counter

1349

01:06:55,789 --> 01:06:52,229

because I think I've wanted to buy one

1350

01:06:57,859 --> 01:06:55,799

if they had at that time but they they

1351

01:07:00,349 --> 01:06:57,869

the question is did the military have

1352

01:07:01,819 --> 01:07:00,359

that technology I mean have you

1353

01:07:04,039 --> 01:07:01,829

certainly had stealth bombers and all of

1354

01:07:05,239 --> 01:07:04,049

that but so did that that's what that's

1355

01:07:08,569 --> 01:07:05,249

an interesting question because I think

1356

01:07:10,819 --> 01:07:08,579

it would be churlish for anyone to just

1357

01:07:13,609 --> 01:07:10,829

say right what people saw that night was

1358

01:07:14,870 --> 01:07:13,619

a drone and that's it and you know but I

1359

01:07:17,150 --> 01:07:14,880

also think it'd be churlish to just to

1360

01:07:19,599 --> 01:07:17,160

discount the idea because I've always

1361

01:07:23,509 --> 01:07:19,609

thought to myself why would you fly a

1362

01:07:27,199 --> 01:07:23,519

top-secret aircraft over a heavily

1363

01:07:28,219 --> 01:07:27,209

built-up area like Swansea they took

1364

01:07:34,130 --> 01:07:28,229

like a Christmas tree

1365

01:07:38,059 --> 01:07:34,140

that's exactly what you want to do and

1366

01:07:42,759 --> 01:07:38,069

what I mean by that is most drones are

1367

01:07:46,969 --> 01:07:42,769

used to gather information about people

1368

01:07:48,620 --> 01:07:46,979

living in built-up areas so you know you

1369

01:07:51,289 --> 01:07:48,630

go out to the deed they use them in the

1370

01:07:54,289 --> 01:07:51,299

desert they use it to to listen and on

1371

01:07:56,150 --> 01:07:54,299

to people to target people and if that

1372

01:07:57,710 --> 01:07:56,160

is your objective if that's what you

1373

01:07:59,720 --> 01:07:57,720

want to do then probably

1374

01:08:01,550 --> 01:07:59,730

yes the first thing you would do is fly

1375

01:08:06,230 --> 01:08:01,560

it over built a barrier if you were

1376

01:08:08,450 --> 01:08:06,240

certain that it wouldn't be unsafe so I

1377

01:08:10,250 --> 01:08:08,460

not one of these people who says you

1378

01:08:14,750 --> 01:08:10,260

know what the scene that night had to

1379

01:08:16,400 --> 01:08:14,760

had to have been something on it that's

1380

01:08:18,020 --> 01:08:16,410

necessarily unexplained it might well be

1381

01:08:21,590 --> 01:08:18,030

that we can explain it but I would say

1382

01:08:23,390 --> 01:08:21,600

this of the witnesses I spoke to and

1383

01:08:25,130 --> 01:08:23,400

you've obviously got you've you've done

1384

01:08:28,700 --> 01:08:25,140

a wonderful piece of work here you've

1385

01:08:30,320 --> 01:08:28,710

found so many people who saw it many of

1386

01:08:34,010 --> 01:08:30,330

them do speak about something very big

1387

01:08:36,020 --> 01:08:34,020

and certainly the witnesses I spoke to

1388

01:08:39,500 --> 01:08:36,030

spoke about something very big and two

1389

01:08:41,630 --> 01:08:39,510

of them as well and I find I find that

1390

01:08:42,740 --> 01:08:41,640

more difficult I find that more

1391

01:08:45,110 --> 01:08:42,750

difficult because if there's one thing

1392

01:08:50,750 --> 01:08:45,120

we know about drones is it tend to be

1393

01:08:54,290 --> 01:08:50,760

there once or 3/3 a huge one your jet

1394

01:08:59,770 --> 01:08:54,300

plane size to just about then they saw

1395

01:09:02,289 --> 01:08:59,780

the two smaller ones all those different

1396

01:09:05,079 --> 01:09:02,299

different girls

1397

01:09:06,460 --> 01:09:05,089

but either way you know as I stand by

1398

01:09:09,519 --> 01:09:06,470

what I said at the beginning which is

1399

01:09:11,710 --> 01:09:09,529

that are these things real absolutely

1400

01:09:13,840 --> 01:09:11,720

yes and do our government know about

1401

01:09:16,329 --> 01:09:13,850

them absolutely yes and do they want to

1402

01:09:19,180 --> 01:09:16,339

keep them secret from this I think but

1403

01:09:23,170 --> 01:09:19,190

yes it's a very good book all to write a

1404

01:09:28,599 --> 01:09:23,180

pale horse like bill but Caviezel of

1405

01:09:30,820 --> 01:09:28,609

this right yeah yeah what's it called

1406

01:09:32,710 --> 01:09:30,830

again to write the pale horse to ride a

1407

01:09:35,470 --> 01:09:32,720

power horse well the very first

1408

01:09:44,920 --> 01:09:35,480

disability research as he liked in the

1409

01:09:48,940 --> 01:09:44,930

past I'll look it up I'll look it up but

1410

01:09:51,309 --> 01:09:48,950

I I just realized that I said to you

1411

01:09:53,019 --> 01:09:51,319

earlier that I had a statement I'd read

1412

01:09:55,420 --> 01:09:53,029

you if you'd like to hear it I'll

1413

01:09:58,000 --> 01:09:55,430

happily read you this is this is a

1414

01:10:00,390 --> 01:09:58,010

statement sent by one of the original

1415

01:10:06,250 --> 01:10:00,400

witnesses to the broad Haven UFO

1416

01:10:13,390 --> 01:10:06,260

sighting and this is from a chap whose

1417

01:10:16,990 --> 01:10:13,400

name is David Davis he says on the 4th

1418

01:10:19,330 --> 01:10:17,000

of February 1977 a damp miserable day

1419

01:10:22,690 --> 01:10:19,340

brought Haven School in Pembrokeshire

1420

01:10:25,110 --> 01:10:22,700

receives a visitation that today 38

1421

01:10:28,920 --> 01:10:25,120

years later still remains unexplained

1422

01:10:32,200 --> 01:10:28,930

the object was pearlescent silvery gray

1423

01:10:34,660 --> 01:10:32,210

approximately 40 feet long torpedo shape

1424

01:10:36,940 --> 01:10:34,670

torpedo cigar shaped with an upper dome

1425

01:10:38,830 --> 01:10:36,950

section that covered the third central

1426

01:10:41,830 --> 01:10:38,840

third of the vehicle and which was

1427

01:10:43,870 --> 01:10:41,840

topped with a red pulsating light I was

1428

01:10:46,090 --> 01:10:43,880

the last of a dozen or so children to

1429

01:10:48,190 --> 01:10:46,100

see the object on that day and although

1430

01:10:50,350 --> 01:10:48,200

my particular sighting only lasted just

1431

01:10:52,780 --> 01:10:50,360

a few seconds what I saw that day

1432

01:10:53,650 --> 01:10:52,790

imprinted itself on my memory like a

1433

01:10:56,250 --> 01:10:53,660

photograph

1434

01:10:58,420 --> 01:10:56,260

I have never in the last 38 years

1435

01:11:00,960 --> 01:10:58,430

exaggerated or sensationalized the

1436

01:11:03,490 --> 01:11:00,970

account of what I saw and never

1437

01:11:05,950 --> 01:11:03,500

suggested that what we saw was of

1438

01:11:08,350 --> 01:11:05,960

extraterrestrial origin and the truth of

1439

01:11:10,930 --> 01:11:08,360

the matter is that despite years of

1440

01:11:12,730 --> 01:11:10,940

extensive research I am still not really

1441

01:11:14,010 --> 01:11:12,740

any closer to a satisfactory explanation

1442

01:11:18,780 --> 01:11:14,020

for what we

1443

01:11:20,670 --> 01:11:18,790

so many suggestions have been made the

1444

01:11:23,040 --> 01:11:20,680

what we saw was either an agricultural

1445

01:11:25,380 --> 01:11:23,050

vehicle an aircraft from nearby RAF

1446

01:11:28,470 --> 01:11:25,390

brady I'd like to state categorically

1447

01:11:30,060 --> 01:11:28,480

that this is not the case as the

1448

01:11:32,520 --> 01:11:30,070

majority of the children of the school

1449

01:11:34,470 --> 01:11:32,530

myself included came from farming

1450

01:11:37,440 --> 01:11:34,480

backgrounds and would have been able to

1451

01:11:39,660 --> 01:11:37,450

identify any agricultural vehicle and

1452

01:11:42,870 --> 01:11:39,670

because of braudys proximity we were

1453

01:11:46,170 --> 01:11:42,880

also familiar with almost every RAF

1454

01:11:48,840 --> 01:11:46,180

aircraft in the skies it was also

1455

01:11:50,730 --> 01:11:48,850

independently verified that no vehicle

1456

01:11:52,830 --> 01:11:50,740

was at the location of the sighting on

1457

01:11:55,140 --> 01:11:52,840

that day and that because of the boggy

1458

01:11:58,920 --> 01:11:55,150

ground it was impossible for any vehicle

1459

01:12:02,370 --> 01:11:58,930

to be there our sighting was not the

1460

01:12:04,200 --> 01:12:02,380

last visit to the school though and I've

1461

01:12:06,570 --> 01:12:04,210

been known to the children and most of

1462

01:12:08,880 --> 01:12:06,580

the small community the craft returned a

1463

01:12:11,790 --> 01:12:08,890

few days later and was on this occasion

1464

01:12:16,110 --> 01:12:11,800

seen by a teacher and three of the

1465

01:12:23,640 --> 01:12:16,120

canteen staff finally I just like to add

1466

01:12:26,010 --> 01:12:23,650

that we witnesses myself included myself

1467

01:12:29,610 --> 01:12:26,020

especially as the most vocal have had to

1468

01:12:33,210 --> 01:12:29,620

endure 38 years of accusations for lying

1469

01:12:36,240 --> 01:12:33,220

and some of the most horrific bullying

1470

01:12:38,280 --> 01:12:36,250

imaginable yet throughout all that I

1471

01:12:40,980 --> 01:12:38,290

have stuck steadfastly to the account

1472

01:12:43,140 --> 01:12:40,990

I gave right from the start and I shall

1473

01:12:46,380 --> 01:12:43,150

continue to do so until my last breath

1474

01:12:47,490 --> 01:12:46,390

or until this matter is solved once and

1475

01:12:51,000 --> 01:12:47,500

for all

1476

01:12:54,480 --> 01:12:51,010

signed David Davis when I asked mr.

1477

01:13:00,300 --> 01:12:54,490

Davis about any potential lod interest

1478

01:13:04,080 --> 01:13:00,310

he said there were certainly no D staff

1479

01:13:08,850 --> 01:13:04,090

from raf brodie who came to ask us a few

1480

01:13:10,680 --> 01:13:08,860

questions although i'm unsure as to

1481

01:13:14,190 --> 01:13:10,690

whether this was part of an official

1482

01:13:17,990 --> 01:13:14,200

inquiry or not and may have been just an

1483

01:13:23,960 --> 01:13:21,650

perhaps we'll never know but

1484

01:13:27,710 --> 01:13:23,970

I think it's different for everybody to

1485

01:13:30,320 --> 01:13:27,720

make their own minds up well when did

1486

01:13:32,740 --> 01:13:30,330

you were contact him that was in October

1487

01:13:37,820 --> 01:13:32,750

last year

1488

01:13:39,560 --> 01:13:37,830

yeah yeah so we had a root of David L

1489

01:13:43,430 --> 01:13:39,570

Richards you brought the book UFO wails

1490

01:13:47,600 --> 01:13:43,440

I have yeah he contacted David Davis in

1491

01:13:49,910 --> 01:13:47,610

about 2001 11:00 service same thing also

1492

01:13:52,220 --> 01:13:49,920

you didn't read a statement telling out

1493

01:13:55,100 --> 01:13:52,230

he just they would give us a talk last

1494

01:13:58,370 --> 01:13:55,110

year about it well if you want to read

1495

01:14:01,820 --> 01:13:58,380

more of what you said you only did that

1496

01:14:04,910 --> 01:14:01,830

because then when this when this book

1497

01:14:08,780 --> 01:14:04,920

came out my novel the watchers from this

1498

01:14:11,270 --> 01:14:08,790

came out in October last year we were

1499

01:14:13,670 --> 01:14:11,280

contacted by journalists and actually

1500

01:14:15,740 --> 01:14:13,680

what happened is that David spoke to the

1501

01:14:17,990 --> 01:14:15,750

press so if you go online you can google

1502

01:14:20,270 --> 01:14:18,000

for tape and UFO and Google News and

1503

01:14:21,830 --> 01:14:20,280

you'll see that the full article and

1504

01:14:23,390 --> 01:14:21,840

you'll see there's more Ysleta more

1505

01:14:24,440 --> 01:14:23,400

about it there as well this works well

1506

01:14:26,390 --> 01:14:24,450

with the luck it's it's quite

1507

01:14:33,200 --> 01:14:26,400

interesting Stevie would you end up to

1508

01:14:35,120 --> 01:14:33,210

you sorry could you stayed a bit low

1509

01:14:38,840 --> 01:14:35,130

just that we have a new subject

1510

01:14:40,070 --> 01:14:38,850

many years this seems to be from my

1511

01:14:46,100 --> 01:14:40,080

point of view that seems to be that

1512

01:14:48,380 --> 01:14:46,110

always a paranormal element to so much

1513

01:14:52,070 --> 01:14:48,390

so that the old hypothesis of nuts and

1514

01:14:57,230 --> 01:14:52,080

bolts seems to be falling away it seems

1515

01:14:59,570 --> 01:14:57,240

to be coming in to interline with the

1516

01:15:01,310 --> 01:14:59,580

nick bostrom idea of a kind of

1517

01:15:02,990 --> 01:15:01,320

simulation hypothesis where we're kind

1518

01:15:05,030 --> 01:15:03,000

of living in a matrix that that's had a

1519

01:15:07,460 --> 01:15:05,040

lot of traction in the last month or so

1520

01:15:09,740 --> 01:15:07,470

with Elon Musk a mountain said to

1521

01:15:12,660 --> 01:15:09,750

probably get in a major

1522

01:15:17,370 --> 01:15:12,670

bearing that in mind what do you think

1523

01:15:19,830 --> 01:15:17,380

is going on do you think and also what

1524

01:15:23,820 --> 01:15:19,840

do you think to do all the other the

1525

01:15:27,390 --> 01:15:23,830

other of the box cameras so what so I

1526

01:15:29,040 --> 01:15:27,400

think it's going on given the many and I

1527

01:15:31,230 --> 01:15:29,050

just met because I don't think the

1528

01:15:35,790 --> 01:15:31,240

powers that be or the pose that think

1529

01:15:37,590 --> 01:15:35,800

they'd be I think that's why it hasn't

1530

01:15:39,480 --> 01:15:37,600

been there seems to be a drip feed of

1531

01:15:42,840 --> 01:15:39,490

disclosure but I think they won't

1532

01:15:46,550 --> 01:15:42,850

disclose we're not really okay it's a

1533

01:15:49,290 --> 01:15:46,560

good question and Steve I I think that I

1534

01:15:53,280 --> 01:15:49,300

think that if you go back through all of

1535

01:15:57,120 --> 01:15:53,290

the the the official documents on this

1536

01:15:59,220 --> 01:15:57,130

it's really quite clear that there's a

1537

01:16:01,680 --> 01:15:59,230

there's a huge amount of confusion in

1538

01:16:05,150 --> 01:16:01,690

government on this and there's also a

1539

01:16:07,800 --> 01:16:05,160

huge unwillingness for people to

1540

01:16:09,960 --> 01:16:07,810

demonstrate an interest even if they are

1541

01:16:14,850 --> 01:16:09,970

interested because they're afraid of

1542

01:16:16,680 --> 01:16:14,860

ridicule but I I do agree that if you

1543

01:16:18,750 --> 01:16:16,690

were to do so there are two there are

1544

01:16:19,950 --> 01:16:18,760

two parts to this so if you if you

1545

01:16:22,410 --> 01:16:19,960

accept as I do

1546

01:16:24,210 --> 01:16:22,420

but if many of these sightings have this

1547

01:16:28,290 --> 01:16:24,220

sort of undercurrent of paranormal

1548

01:16:30,990 --> 01:16:28,300

phenomena going on it makes it even more

1549

01:16:32,340 --> 01:16:31,000

difficult for people to talk about it

1550

01:16:34,650 --> 01:16:32,350

because although people can get their

1551  
01:16:37,320 --> 01:16:34,660  
heads around the craft from outer space

1552  
01:16:39,180 --> 01:16:37,330  
may be visiting us the truth of the

1553  
01:16:42,780 --> 01:16:39,190  
matter is if you talk to a witness of

1554  
01:16:45,750 --> 01:16:42,790  
the UFO especially a witness to a close

1555  
01:16:47,280 --> 01:16:45,760  
encounter you'll quickly discover a

1556  
01:16:50,670 --> 01:16:47,290  
number of things you'll quickly discover

1557  
01:16:52,110 --> 01:16:50,680  
that person has the tap perhaps seen a

1558  
01:16:53,940 --> 01:16:52,120  
ghost in their time or believes they've

1559  
01:16:57,260 --> 01:16:53,950  
seen an apparition you'll quickly

1560  
01:17:00,570 --> 01:16:57,270  
discover they have a sensitivity to

1561  
01:17:02,460 --> 01:17:00,580  
electricity that they may have seen

1562  
01:17:06,240 --> 01:17:02,470  
globes of light around their home or

1563  
01:17:08,930 --> 01:17:06,250

nearby that they may have woken in the

1564

01:17:11,580 --> 01:17:08,940

night the sense of presence in the room

1565

01:17:13,650 --> 01:17:11,590

perhaps or perhaps not paralyzed or

1566

01:17:19,140 --> 01:17:13,660

suffering from you know sleep paralysis

1567

01:17:21,060 --> 01:17:19,150

but these things coalesce and I think it

1568

01:17:24,390 --> 01:17:21,070

would be churlish of us

1569

01:17:26,040 --> 01:17:24,400

to discount the possibility that there

1570

01:17:28,649 --> 01:17:26,050

are simply some people who are capable

1571

01:17:33,200 --> 01:17:28,659

of seeing things that other people are

1572

01:17:35,850 --> 01:17:33,210

not capable of seeing Stephen I've

1573

01:17:37,020 --> 01:17:35,860

that's we've come to that conclusion as

1574

01:17:40,530 --> 01:17:37,030

well because we've interviewed a few

1575

01:17:42,209 --> 01:17:40,540

people know well who say they display

1576

01:17:44,640 --> 01:17:42,219

well they've got a certain amount of

1577

01:17:47,640 --> 01:17:44,650

psychic ability they just sense other

1578

01:17:50,189 --> 01:17:47,650

things and they've seen seen UFOs it's

1579

01:17:55,050 --> 01:17:50,199

it is it is it just it is a common theme

1580

01:17:58,109 --> 01:17:55,060

and the other thing I've detected is

1581

01:18:00,300 --> 01:17:58,119

this association with electricity so

1582

01:18:04,680 --> 01:18:00,310

people who are letter are electrically

1583

01:18:06,270 --> 01:18:04,690

hypersensitive that tend to be sometimes

1584

01:18:08,580 --> 01:18:06,280

it's not always as sometimes living

1585

01:18:11,700 --> 01:18:08,590

close to electrical pylons of things

1586

01:18:13,200 --> 01:18:11,710

like that but the there was a there was

1587

01:18:15,629 --> 01:18:13,210

a connection here that I don't profess

1588

01:18:17,819 --> 01:18:15,639

to be able to understand or explain but

1589

01:18:19,979 --> 01:18:17,829

I do think and I'll give you an example

1590

01:18:22,109 --> 01:18:19,989

there was the case you may have seen it

1591

01:18:24,629 --> 01:18:22,119

in your files but there was going back

1592

01:18:27,689 --> 01:18:24,639

to the 1990s probably the late 1990s

1593

01:18:29,310 --> 01:18:27,699

though there's a lady that I met who had

1594

01:18:32,370 --> 01:18:29,320

seen what she described as an object

1595

01:18:36,060 --> 01:18:32,380

hovering over this in Petra queeth

1596

01:18:36,689 --> 01:18:36,070

hovering over the house opposite she

1597

01:18:39,240 --> 01:18:36,699

woke in the night

1598

01:18:42,750 --> 01:18:39,250

a bit like the hotel yeah oh yeah in

1599

01:18:45,540 --> 01:18:42,760

yeah and she saw this what she described

1600

01:18:48,510 --> 01:18:45,550

as a Michelin Man hovering over the roof

1601  
01:18:50,459 --> 01:18:48,520  
which sounds absolutely absurd right of

1602  
01:18:52,229 --> 01:18:50,469  
the face of it and she said it left a

1603  
01:18:53,910 --> 01:18:52,239  
patch where this thing had been and I

1604  
01:18:55,770 --> 01:18:53,920  
sucked her wet I went to have a look in

1605  
01:18:57,990 --> 01:18:55,780  
it but it looked to me like that a sort

1606  
01:18:59,760 --> 01:18:58,000  
of patch that have been left because of

1607  
01:19:03,720 --> 01:18:59,770  
the chimney above it was some sort of oh

1608  
01:19:05,990 --> 01:19:03,730  
I don't know but all I do know is that

1609  
01:19:07,919 --> 01:19:06,000  
after she told me about the sighting I

1610  
01:19:10,410 --> 01:19:07,929  
quickly learned that she'd had other

1611  
01:19:12,149 --> 01:19:10,420  
sightings of strange things and this you

1612  
01:19:16,350 --> 01:19:12,159  
know this interest in psychic phenomena

1613  
01:19:18,569 --> 01:19:16,360

and I I do I absolutely do not believe

1614

01:19:21,629 --> 01:19:18,579

that we're dealing with people here who

1615

01:19:23,189 --> 01:19:21,639

have overactive imaginations or anything

1616

01:19:26,220 --> 01:19:23,199

like that I generally don't believe that

1617

01:19:28,020 --> 01:19:26,230

and I understand I understand why people

1618

01:19:30,600 --> 01:19:28,030

who are not familiar with the subject

1619

01:19:32,069 --> 01:19:30,610

might leap upon that and say that's the

1620

01:19:33,240 --> 01:19:32,079

case when I had

1621

01:19:34,439 --> 01:19:33,250

and they might say that because

1622

01:19:36,750 --> 01:19:34,449

basically when you're talking about

1623

01:19:38,910 --> 01:19:36,760

evidence you've basically got three four

1624

01:19:40,620 --> 01:19:38,920

four sorts of evidence you've got you've

1625

01:19:42,569 --> 01:19:40,630

got a witness testimony you've got

1626

01:19:45,030 --> 01:19:42,579

photographic testimony you've got

1627

01:19:47,280 --> 01:19:45,040

physical traces evidence and then

1628

01:19:49,770 --> 01:19:47,290

finally you've got the weight of all the

1629

01:19:52,339 --> 01:19:49,780

evidence to the contrary that says none

1630

01:19:55,379 --> 01:19:52,349

of this has happened to me and therefore

1631

01:19:56,970 --> 01:19:55,389

when you weigh it all up to those people

1632

01:20:00,030 --> 01:19:56,980

who haven't experienced it that makes

1633

01:20:02,220 --> 01:20:00,040

that but that makes that has a powerful

1634

01:20:06,720 --> 01:20:02,230

difference but I would contend that when

1635

01:20:08,970 --> 01:20:06,730

you take when you take the evidence from

1636

01:20:11,700 --> 01:20:08,980

our own experience and when you take the

1637

01:20:13,589 --> 01:20:11,710

evidence from photographic work or when

1638

01:20:16,439 --> 01:20:13,599

you take the evidence from ground traces

1639

01:20:17,089 --> 01:20:16,449

radiation marks and you bring it all

1640

01:20:20,879 --> 01:20:17,099

together

1641

01:20:23,220 --> 01:20:20,889

that evidence outweighs what they would

1642

01:20:24,830 --> 01:20:23,230

say has never happened and I think that

1643

01:20:26,850 --> 01:20:24,840

is steadily the conclusion that

1644

01:20:28,830 --> 01:20:26,860

governments who have studied this and

1645

01:20:31,560 --> 01:20:28,840

commissioned top-secret studies of it

1646

01:20:33,500 --> 01:20:31,570

are coming to and so now I think that

1647

01:20:36,030 --> 01:20:33,510

will be a day when people when people

1648

01:20:38,040 --> 01:20:36,040

think oh I remember me laughed about all

1649

01:20:40,080 --> 01:20:38,050

those people who saw those things you

1650

01:20:41,280 --> 01:20:40,090

know and will simply understand it but I

1651  
01:20:50,910 --> 01:20:41,290  
think we're a stage where we don't

1652  
01:20:53,220 --> 01:20:50,920  
understand it just yet flying saucers

1653  
01:20:55,049 --> 01:20:53,230  
making Devon travel distances we're

1654  
01:20:57,390 --> 01:20:55,059  
really a lot of it is in the dimensional

1655  
01:20:59,339 --> 01:20:57,400  
where it's like we talk about spirits

1656  
01:21:01,410 --> 01:20:59,349  
and course to some people just look at

1657  
01:21:03,209 --> 01:21:01,420  
you stupid but if you actually Greek the

1658  
01:21:05,189 --> 01:21:03,219  
universe down in the frequencies which

1659  
01:21:07,379 --> 01:21:05,199  
is what this these are just

1660  
01:21:09,240 --> 01:21:07,389  
consciousness or entities that have I

1661  
01:21:12,810 --> 01:21:09,250  
breathed in a different frequency and

1662  
01:21:14,669 --> 01:21:12,820  
the occasionally come into our yeah and

1663  
01:21:16,290 --> 01:21:14,679

that it's it's a compelling theory right

1664

01:21:18,959 --> 01:21:16,300

because scientists are now saying that

1665

01:21:20,640 --> 01:21:18,969

you are able to influence that as a

1666

01:21:21,930 --> 01:21:20,650

quantum level you were able to influence

1667

01:21:24,720 --> 01:21:21,940

something happening somewhere else I

1668

01:21:26,669 --> 01:21:24,730

even touching it I hang on what it

1669

01:21:28,260 --> 01:21:26,679

sounds like something out of a science

1670

01:21:30,240 --> 01:21:28,270

fiction film but there you know suddenly

1671

01:21:32,339 --> 01:21:30,250

they're saying so what's what's possible

1672

01:21:34,560 --> 01:21:32,349

today also what's impossible today can

1673

01:21:35,700 --> 01:21:34,570

sometimes suddenly become possible and

1674

01:21:38,069 --> 01:21:35,710

that's why I think when you're studying

1675

01:21:39,959 --> 01:21:38,079

this subject it's probably it's prudent

1676

01:21:41,010 --> 01:21:39,969

thing not says not to just rush to

1677

01:21:42,180 --> 01:21:41,020

conclusions they've got to be this

1678

01:21:44,160 --> 01:21:42,190

they've got to be that

1679

01:21:45,390 --> 01:21:44,170

treatise we don't know whenever this

1680

01:21:47,400 --> 01:21:45,400

anyway you know you're not governments

1681

01:21:49,770 --> 01:21:47,410

don't know I think they generally don't

1682

01:21:53,850 --> 01:21:49,780

know if they don't know how are we gonna

1683

01:21:55,350 --> 01:21:53,860

know but I understand yeah can I take

1684

01:21:59,490 --> 01:21:55,360

you back to Bristol for this cares were

1685

01:22:00,890 --> 01:21:59,500

all of us getting out we were used but

1686

01:22:03,090 --> 01:22:00,900

now the people said to me

1687

01:22:04,709 --> 01:22:03,100

people laughed about all that mean

1688

01:22:07,709 --> 01:22:04,719

everything shouldn't have laughed you

1689

01:22:09,300 --> 01:22:07,719

know people people people in the area

1690

01:22:10,890 --> 01:22:09,310

what what's really interesting about all

1691

01:22:15,330 --> 01:22:10,900

the people who live near ripest and farm

1692

01:22:19,620 --> 01:22:15,340

even to this day is that they're really

1693

01:22:21,360 --> 01:22:19,630

open minded about it so they're all I it

1694

01:22:24,240 --> 01:22:21,370

was odd bit when I was I was finishing

1695

01:22:25,800 --> 01:22:24,250

the book and I was staying and I hired a

1696

01:22:29,760 --> 01:22:25,810

little cottage and I went there and I I

1697

01:22:33,810 --> 01:22:29,770

was working on it and I spoke to some

1698

01:22:36,209 --> 01:22:33,820

people and they were telling me about

1699

01:22:37,709 --> 01:22:36,219

how they'd seen it behave before hotel

1700

01:22:40,350 --> 01:22:37,719

under on the cliffs was supposed to be

1701  
01:22:41,520 --> 01:22:40,360  
haunted by a white lady and I said what

1702  
01:22:43,080 --> 01:22:41,530  
do you think of this story about the

1703  
01:22:46,770 --> 01:22:43,090  
white lady and you know there are a

1704  
01:22:48,000 --> 01:22:46,780  
couple of people laughing in the bar and

1705  
01:22:49,740 --> 01:22:48,010  
there was a chap sort of hunched over

1706  
01:22:52,470 --> 01:22:49,750  
his beer in the corner I can see he was

1707  
01:22:55,380 --> 01:22:52,480  
earwiggling and after they went away he

1708  
01:22:56,700 --> 01:22:55,390  
called me open he said to me you're

1709  
01:22:59,970 --> 01:22:56,710  
interested in all these stories about

1710  
01:23:01,500 --> 01:22:59,980  
UFOs he's a yeah I got a story to tell

1711  
01:23:04,770 --> 01:23:01,510  
you and he starts telling me about his

1712  
01:23:06,570 --> 01:23:04,780  
own sighting and what was interesting to

1713  
01:23:08,459 --> 01:23:06,580

me was that this small community was

1714

01:23:10,050 --> 01:23:08,469

quite happy to laugh about the white

1715

01:23:11,939 --> 01:23:10,060

lady on the cliffs that someone might

1716

01:23:12,810 --> 01:23:11,949

have might a lot of seen but in the next

1717

01:23:16,530 --> 01:23:12,820

breath they're going to sit down and

1718

01:23:18,780 --> 01:23:16,540

tell you all about the UFO sighting and

1719

01:23:20,670 --> 01:23:18,790

I think you know it's a great many

1720

01:23:22,380 --> 01:23:20,680

people there who have who have seen

1721

01:23:23,820 --> 01:23:22,390

things I actually bumped into a woman

1722

01:23:25,740 --> 01:23:23,830

who said to me she doesn't she just

1723

01:23:27,959 --> 01:23:25,750

moved there she was walking her dogs and

1724

01:23:30,360 --> 01:23:27,969

she said to me she had absolutely no

1725

01:23:32,490 --> 01:23:30,370

idea that this place was a UFO hotspot

1726

01:23:33,810 --> 01:23:32,500

and I told her this and then man you

1727

01:23:35,340 --> 01:23:33,820

should have seen her mouth drop because

1728

01:23:38,250 --> 01:23:35,350

she said to me you're kidding me

1729

01:23:39,870 --> 01:23:38,260

she said I saw something I saw something

1730

01:23:42,660 --> 01:23:39,880

a few nights back she said were these

1731

01:23:44,310 --> 01:23:42,670

two lights in the sky they were dancing

1732

01:23:47,320 --> 01:23:44,320

around together she said I saw something

1733

01:23:48,730 --> 01:23:47,330

she's no I never knew this was a UFO she

1734

01:23:52,150 --> 01:23:48,740

I'm gonna go and look it up and this is

1735

01:23:53,590 --> 01:23:52,160

a woman I met walking her dogs and I kid

1736

01:23:55,480 --> 01:23:53,600

you not and it was down just on that

1737

01:23:59,250 --> 01:23:55,490

damn marine Road near the port aid from

1738

01:24:02,110 --> 01:23:59,260

primary school but I met this woman so

1739

01:24:03,820 --> 01:24:02,120

yeah it never ceases to amaze me sleep

1740

01:24:06,100 --> 01:24:03,830

any research as well he was there
