

1  
00:00:03,800 --> 00:00:02,300  
they tend to be under the skin and they

2  
00:00:05,210 --> 00:00:03,810  
don't usually make a mark that it's very

3  
00:00:06,289 --> 00:00:05,220  
strange does the immune system doesn't

4  
00:00:07,820 --> 00:00:06,299  
react against them

5  
00:00:10,940 --> 00:00:07,830  
almost as if they'd sometimes your blood

6  
00:00:13,400 --> 00:00:10,950  
vessels and nerves grow round them very

7  
00:00:14,990 --> 00:00:13,410  
very odd I mean I know a lady who who

8  
00:00:18,680 --> 00:00:15,000  
had the minnow now at one in a nose and

9  
00:00:19,730 --> 00:00:18,690  
she had it confirmed and she she went

10  
00:00:21,200 --> 00:00:19,740  
and had it she went all the way to

11  
00:00:23,120 --> 00:00:21,210  
Greece to have a private operation

12  
00:00:27,800 --> 00:00:23,130  
costing thousands of pounds to have it

13  
00:00:29,480 --> 00:00:27,810

removed and she went back and she went

14  
00:00:32,959 --> 00:00:29,490  
back home again anyway a couple of weeks

15  
00:01:36,450 --> 00:00:32,969  
later someone put someone or something

16  
00:01:40,150 --> 00:01:38,620  
right ladies and gentlemen thank you

17  
00:01:43,900 --> 00:01:40,160  
very much for attending this meeting of

18  
00:01:46,600 --> 00:01:43,910  
Swansea UFO network firstly I'd like to

19  
00:01:48,970 --> 00:01:46,610  
say that the PSP's somewhat of a UFO

20  
00:01:51,250 --> 00:01:48,980  
flap at the moment we received numerous

21  
00:01:52,950 --> 00:01:51,260  
reports of strange sightings from

22  
00:01:55,420 --> 00:01:52,960  
individuals all over a local area

23  
00:01:57,730 --> 00:01:55,430  
however in the process of trying to

24  
00:02:00,250 --> 00:01:57,740  
interview the persons and record it all

25  
00:02:01,750 --> 00:02:00,260  
and the doc Damien will take the

26

00:02:05,230 --> 00:02:01,760

opportunity or one of our meetings to

27

00:02:06,999 --> 00:02:05,240

explain it all to you now then back to

28

00:02:08,770 --> 00:02:07,009

tonight we have the pleasure to greet

29

00:02:11,460 --> 00:02:08,780

for the second time mr. ben emmalin

30

00:02:13,960 --> 00:02:11,470

jones our guest speaker for the evening

31

00:02:15,790 --> 00:02:13,970

I'm sure it was likely to be the warm

32

00:02:17,590 --> 00:02:15,800

welcome he received last time that

33

00:02:19,180 --> 00:02:17,600

persuade him to return to us in so

34

00:02:22,090 --> 00:02:19,190

ancien certainly not the memory of this

35

00:02:25,510 --> 00:02:22,100

boiling-hot draft-free Markey as it was

36

00:02:27,250 --> 00:02:25,520

in the winter anyway anyway I brought a

37

00:02:28,810 --> 00:02:27,260

big coat with me tonight expecting to be

38

00:02:30,550 --> 00:02:28,820

absolutely freezing as I can see a few

39

00:02:33,699 --> 00:02:30,560

others of you have as well and now it's

40

00:02:36,640 --> 00:02:33,709

boiling in here anyway

41

00:02:39,759 --> 00:02:36,650

for those who are not familiar with Ben

42

00:02:42,160 --> 00:02:39,769

I'll give you a quick rundown on him Ben

43

00:02:44,830 --> 00:02:42,170

was born in Aberystwyth and brought up

44

00:02:47,890 --> 00:02:44,840

in the Lampeter area before moving to

45

00:02:50,830 --> 00:02:47,900

Oxford where up until about four years

46

00:02:52,990 --> 00:02:50,840

ago he'd spent 22 well-respected years

47

00:02:56,800 --> 00:02:53,000

as a hospital porter at Rudd John

48

00:02:58,960 --> 00:02:56,810

Radcliffe Hospital in Oxford no bed

49

00:03:01,199 --> 00:02:58,970

became interested in UFOs and various

50

00:03:06,280 --> 00:03:01,209

other conspiracy theories in the late

51  
00:03:07,990 --> 00:03:06,290  
1990s he started his website blog which

52  
00:03:11,350 --> 00:03:08,000  
was hospital Porter's against the New

53  
00:03:15,130 --> 00:03:11,360  
World Order in 2006 and it has thousands

54  
00:03:17,530 --> 00:03:15,140  
of visitors every day irregular tens and

55  
00:03:19,900 --> 00:03:17,540  
delivers talks and discussions all over

56  
00:03:22,690 --> 00:03:19,910  
Britain on a wide range of subjects and

57  
00:03:25,720 --> 00:03:22,700  
is thought this evening is entitled the

58  
00:03:26,759 --> 00:03:25,730  
history of Exopolitics it's older than

59  
00:03:28,930 --> 00:03:26,769  
you think

60  
00:03:30,520 --> 00:03:28,940  
now he's travelled a good distance today

61  
00:03:32,770 --> 00:03:30,530  
to be with us this evening so without

62  
00:03:34,630 --> 00:03:32,780  
further ado please give a warm soup on

63  
00:03:41,630 --> 00:03:34,640

welcome to mr. ben emmalin jones thank

64  
00:03:45,330 --> 00:03:43,740  
thank you very much ladies and gentlemen

65  
00:03:47,490 --> 00:03:45,340  
it's great facts are coming this evening

66  
00:03:50,000 --> 00:03:47,500  
it's great to be back here again

67  
00:03:52,800 --> 00:03:50,010  
nice aware that it's light outside and

68  
00:03:53,910 --> 00:03:52,810  
this tent is not going to blow away like

69  
00:03:54,210 --> 00:03:53,920  
I thought all the walls could you last

70  
00:03:55,770 --> 00:03:54,220  
night

71  
00:03:58,530 --> 00:03:55,780  
now honestly thought it was on the point

72  
00:03:59,520 --> 00:03:58,540  
of them being gone with the wind all

73  
00:04:01,530 --> 00:03:59,530  
right I'm glad I've got one of these

74  
00:04:04,289 --> 00:04:01,540  
microphones which is hands-free because

75  
00:04:07,020 --> 00:04:04,299  
I'm gonna need both of my hands so this

76

00:04:10,910 --> 00:04:07,030

evening as you'll find out later so I'm

77

00:04:13,319 --> 00:04:10,920

glad that you got to stand here for me

78

00:04:14,910 --> 00:04:13,329

so yeah I'm this is my website um

79

00:04:17,670 --> 00:04:14,920

Hospital Porter's against the new world

80

00:04:19,620 --> 00:04:17,680

or check that out HPA and wo

81

00:04:22,890 --> 00:04:19,630

blogspot.com

82

00:04:25,830 --> 00:04:22,900

and this I actually I'm I developed it

83

00:04:30,360 --> 00:04:25,840

over the years there's a YouTube channel

84

00:04:32,730 --> 00:04:30,370

my own radio shows you there's a fiction

85

00:04:34,980 --> 00:04:32,740

blog there's a forum it's pretty much

86

00:04:39,450 --> 00:04:34,990

multimedia and I keep it updated as much

87

00:04:42,050 --> 00:04:39,460

as I can so next slide please Mike if

88

00:04:44,610 --> 00:04:42,060

this was meeting the portering buddha i

89

00:04:47,879 --> 00:04:44,620

was a hospital porter for all those

90

00:04:50,219 --> 00:04:47,889

years as we just heard and I was rather

91

00:04:54,480 --> 00:04:50,229

unserem and ceremoniously kicked out of

92

00:04:56,909 --> 00:04:54,490

my job in 2012 which was very very

93

00:04:59,400 --> 00:04:56,919

distressing thing to happen and it was

94

00:05:01,589 --> 00:04:59,410

directly related to what I'm doing here

95

00:05:03,000 --> 00:05:01,599

and this isn't something that's happened

96

00:05:04,260 --> 00:05:03,010

and recurred more and more and more with

97

00:05:08,520 --> 00:05:04,270

different people in different

98

00:05:09,810 --> 00:05:08,530

professions so it's it's strange really

99

00:05:12,240 --> 00:05:09,820

isn't that it's a strange thing that

100

00:05:13,560 --> 00:05:12,250

some it's not a good career move to get

101  
00:05:14,820 --> 00:05:13,570  
interested in the kinds of subjects

102  
00:05:17,610 --> 00:05:14,830  
we're talking about here this evening

103  
00:05:20,330 --> 00:05:17,620  
and over similar things other things

104  
00:05:23,570 --> 00:05:20,340  
like it

105  
00:05:25,580 --> 00:05:23,580  
but how the next slide please Mike right

106  
00:05:29,510 --> 00:05:25,590  
so how many of you are familiar with the

107  
00:05:32,570 --> 00:05:29,520  
term EXO politics quite a number of you

108  
00:05:34,010 --> 00:05:32,580  
yes Ben it's quite um it's quite a

109  
00:05:35,780 --> 00:05:34,020  
common term nowadays and there's several

110  
00:05:38,990 --> 00:05:35,790  
conferences named Exopolitics which i've

111  
00:05:41,300 --> 00:05:39,000  
been involved with and that it's it's

112  
00:05:42,590 --> 00:05:41,310  
not the same as ufology now some

113  
00:05:44,360 --> 00:05:42,600

people's in regard it almost as a

114

00:05:47,450 --> 00:05:44,370

synonym a synonym if you follow G but

115

00:05:49,400 --> 00:05:47,460

the two are actually very different it's

116

00:05:52,040 --> 00:05:49,410

explained here and firstly ufology is

117

00:05:53,270 --> 00:05:52,050

much older term humor folk dates back to

118

00:05:54,920 --> 00:05:53,280

the condom report which is in the late

119

00:05:58,010 --> 00:05:54,930

1950s

120

00:05:59,900 --> 00:05:58,020

ufology of course this is a from MUFON

121

00:06:00,820 --> 00:05:59,910

it's a mixture of MUFON and Wikipedia

122

00:06:03,980 --> 00:06:00,830

which are put together

123

00:06:06,350 --> 00:06:03,990

ufology is loosely defined as the study

124

00:06:07,940 --> 00:06:06,360

of reports visual records physical

125

00:06:10,400 --> 00:06:07,950

evidence and other phenomena related to

126

00:06:12,110 --> 00:06:10,410

unidentified flying objects UFOs have

127

00:06:14,000 --> 00:06:12,120

been subject to various investigations

128

00:06:18,110 --> 00:06:14,010

over the years by governments

129

00:06:20,029 --> 00:06:18,120

independent groups and scientists now so

130

00:06:22,279 --> 00:06:20,039

since that's the that's the basic

131

00:06:22,730 --> 00:06:22,289

definition definition of ufology it's a

132

00:06:26,029 --> 00:06:22,740

study

133

00:06:28,340 --> 00:06:26,039

it's a scientific subject anything ends

134

00:06:29,980 --> 00:06:28,350

in ology is related to science is

135

00:06:33,950 --> 00:06:29,990

usually something to do with science

136

00:06:36,170 --> 00:06:33,960

next slide please Michael now this is a

137

00:06:39,469 --> 00:06:36,180

definition of EXO politics from Michael

138

00:06:40,330 --> 00:06:39,479

salla who is an Australian expert on

139

00:06:42,350 --> 00:06:40,340

this subject

140

00:06:44,210 --> 00:06:42,360

Exopolitics is the study of key

141

00:06:45,680 --> 00:06:44,220

individuals political institutions and

142

00:06:48,080 --> 00:06:45,690

processes associated with

143

00:06:49,610 --> 00:06:48,090

extraterrestrial life information

144

00:06:51,020 --> 00:06:49,620

concerning extraterrestrial life and

145

00:06:53,060 --> 00:06:51,030

technologies kept secret from the

146

00:06:54,830 --> 00:06:53,070

general public elected political

147

00:06:57,050 --> 00:06:54,840

representatives and even senior military

148

00:06:59,420 --> 00:06:57,060

officials the supporting evidence is

149

00:07:01,490 --> 00:06:59,430

overwhelming that decision-making is

150

00:07:04,960 --> 00:07:01,500

restricted is restricted or strict

151  
00:07:08,210 --> 00:07:04,970  
need-to-know basis both ufology and

152  
00:07:11,810 --> 00:07:08,220  
Exopolitics are greek derive words EXO

153  
00:07:14,659 --> 00:07:11,820  
first up outside or exterior external

154  
00:07:18,650 --> 00:07:14,669  
umm now Exopolitics is a much more

155  
00:07:21,200 --> 00:07:18,660  
recent term as well Exopolitics is dates

156  
00:07:23,210 --> 00:07:21,210  
back it's been traced back in 1995 and

157  
00:07:26,140 --> 00:07:23,220  
it was coined by alfred Weber who's a

158  
00:07:30,220 --> 00:07:26,150  
Canadian ecologist

159  
00:07:33,640 --> 00:07:30,230  
and I think it's best just it's just

160  
00:07:35,130 --> 00:07:33,650  
finding for me simply ufologists who'll

161  
00:07:38,050 --> 00:07:35,140  
make up their mind

162  
00:07:40,840 --> 00:07:38,060  
ufology is looking at your thoughts

163  
00:07:42,040 --> 00:07:40,850

where are they where are they are they

164

00:07:44,590 --> 00:07:42,050

weather balloons are they lighthouses

165

00:07:47,560 --> 00:07:44,600

etc etc they meteors maybe they're not

166

00:07:49,140 --> 00:07:47,570

let's think about it let's do some more

167

00:07:52,990 --> 00:07:49,150

studies and things like that

168

00:07:57,400 --> 00:07:53,000

Exopolitics these people who essentially

169

00:07:59,500 --> 00:07:57,410

saying okay we've looked into it we know

170

00:08:02,020 --> 00:07:59,510

that they are some of them at least are

171

00:08:04,450 --> 00:08:02,030

extraterrestrial or other dimensional

172

00:08:05,370 --> 00:08:04,460

etc etc now what are we going to do

173

00:08:07,990 --> 00:08:05,380

about it

174

00:08:09,700 --> 00:08:08,000

and the two are very very different I

175

00:08:12,550 --> 00:08:09,710

mean that the the youth ology and

176

00:08:14,140 --> 00:08:12,560

Exopolitics I think how it's a very very

177

00:08:16,150 --> 00:08:14,150

different mindset and different skill

178

00:08:17,410 --> 00:08:16,160

sets and different methods of

179

00:08:19,810 --> 00:08:17,420

approaching the subject

180

00:08:23,260 --> 00:08:19,820

next slide please Mike dance is a

181

00:08:25,900 --> 00:08:23,270

ufologist next one that is an extra

182

00:08:27,480 --> 00:08:25,910

politician next one that's a ufologist

183

00:08:38,300 --> 00:08:27,490

next one

184

00:08:43,040 --> 00:08:38,310

that's it

185

00:08:46,189 --> 00:08:43,050

I don't know what that is yeah he's yet

186

00:08:48,259 --> 00:08:46,199

to be properly defined that Nick Pope

187

00:08:50,689 --> 00:08:48,269

incidentally has his own definition of

188

00:08:53,780 --> 00:08:50,699

Exopolitics and he actually attended the

189

00:08:55,309 --> 00:08:53,790

2011 lead Exopolitics Expo and he

190

00:08:59,600 --> 00:08:55,319

brought along the Sun newspaper who

191

00:09:02,809 --> 00:08:59,610

condescended to to actually cover our

192

00:09:04,309 --> 00:09:02,819

event and report on it and Nick did his

193

00:09:06,230 --> 00:09:04,319

little he has a little column in the Sun

194

00:09:08,299 --> 00:09:06,240

he did in those days and he said that

195

00:09:10,340 --> 00:09:08,309

Exopolitics is the militant wing of

196

00:09:13,069 --> 00:09:10,350

ufology that's how we differ that's how

197

00:09:15,530 --> 00:09:13,079

he defined us it's very funny I mean

198

00:09:18,170 --> 00:09:15,540

yeah I mean you should have seen Leeds

199

00:09:22,100 --> 00:09:18,180

when we were there oh yeah rubbish bins

200

00:09:24,369 --> 00:09:22,110

on emptied piling up huge towers of

201  
00:09:27,980 --> 00:09:24,379  
coffins outside graveyards and we're

202  
00:09:32,299 --> 00:09:27,990  
guessing that's Nick that's whole Nick

203  
00:09:34,189 --> 00:09:32,309  
Pope now yes so that's Nick's um that's

204  
00:09:36,049 --> 00:09:34,199  
his ideas about things and of course I

205  
00:09:37,850 --> 00:09:36,059  
don't miss it I don't share all these

206  
00:09:39,350 --> 00:09:37,860  
views on these things at all they were

207  
00:09:41,769 --> 00:09:39,360  
still an enjoyable conference and that

208  
00:09:46,129 --> 00:09:41,779  
we all had jolly good fun had by all

209  
00:09:48,439 --> 00:09:46,139  
now Exopolitics is now centered on the

210  
00:09:49,879 --> 00:09:48,449  
united states like ufology it is

211  
00:09:52,129 --> 00:09:49,889  
centered on the United States no it's

212  
00:09:54,259 --> 00:09:52,139  
not of course the only country in the

213  
00:09:56,240 --> 00:09:54,269

world where Exopolitics or ufology is

214

00:09:59,329 --> 00:09:56,250

done I think all countries at some point

215

00:10:01,610 --> 00:09:59,339

are involved in ufology or Exopolitics

216

00:10:03,740 --> 00:10:01,620

and Wales of course is one of those but

217

00:10:07,220 --> 00:10:03,750

it's it is the United States I think is

218

00:10:10,100 --> 00:10:07,230

the heartland of where Exopolitics is

219

00:10:13,369 --> 00:10:10,110

today however it's not always been the

220

00:10:15,350 --> 00:10:13,379

case and in fact um if you want I mean

221

00:10:17,629 --> 00:10:15,360

it's hard to know where exit politics

222

00:10:20,139 --> 00:10:17,639

began because exopolitical ideas can be

223

00:10:22,460 --> 00:10:20,149

found throughout the history of ufology

224

00:10:27,079 --> 00:10:22,470

but I think we really really took off

225

00:10:29,210 --> 00:10:27,089

properly in early 1970s and it wasn't in

226

00:10:31,519 --> 00:10:29,220

the United States it was in this place I

227

00:10:33,079 --> 00:10:31,529

think this this place I think is where

228

00:10:36,079 --> 00:10:33,089

you can trace the currently the first

229

00:10:38,439 --> 00:10:36,089

steps to real deliberate attempts to

230

00:10:41,840 --> 00:10:38,449

bring exopolitical ideas into the world

231

00:10:43,579 --> 00:10:41,850

this is Grenada now you may recognize

232

00:10:45,169 --> 00:10:43,589

this you you may have been on here on

233

00:10:47,389 --> 00:10:45,179

holiday actually because Grenada is a

234

00:10:49,160 --> 00:10:47,399

very popular holiday resort it's

235

00:10:50,960 --> 00:10:49,170

absolutely lovely place

236

00:10:52,759 --> 00:10:50,970

and as you can see I mean just looking

237

00:10:54,170 --> 00:10:52,769

at a picture I can't you know I really

238

00:10:56,480 --> 00:10:54,180

want to go lie on those Sun now because

239

00:10:57,800 --> 00:10:56,490

I want to get me roll me roll my

240

00:11:00,650 --> 00:10:57,810

trousers up to the knee and have a way

241

00:11:02,509 --> 00:11:00,660

didn't that see in the beautiful it is

242

00:11:04,579 --> 00:11:02,519

very popular for holiday destinations

243

00:11:08,120 --> 00:11:04,589

because of its nice beaches here it's

244

00:11:09,560 --> 00:11:08,130

blue seas and it's in the Caribbean and

245

00:11:12,019 --> 00:11:09,570

like much of the Caribbean it's famous

246

00:11:14,060 --> 00:11:12,029

for its its friendly people it's

247

00:11:16,780 --> 00:11:14,070

easygoing lifestyle

248

00:11:19,280 --> 00:11:16,790

the culture the food things like that so

249

00:11:21,860 --> 00:11:19,290

most days there's a cruise ship moored

250

00:11:23,480 --> 00:11:21,870

out there and people come and go and

251  
00:11:27,050 --> 00:11:23,490  
there's hotels and things like that so

252  
00:11:31,879 --> 00:11:27,060  
for the visit there's nothing no to

253  
00:11:34,300 --> 00:11:31,889  
indicate in that picture that's the this

254  
00:11:36,889 --> 00:11:34,310  
alignment is greater as a small island

255  
00:11:40,160 --> 00:11:36,899  
in the Grenadines chain is only 12 miles

256  
00:11:42,650 --> 00:11:40,170  
across there's very small countries as

257  
00:11:45,350 --> 00:11:42,660  
an as a nation there's nothing in the

258  
00:11:47,120 --> 00:11:45,360  
picture or anything you could if you

259  
00:11:49,009 --> 00:11:47,130  
some people who visit it to indicate

260  
00:11:52,689 --> 00:11:49,019  
that this little island is actually one

261  
00:11:57,290 --> 00:11:52,699  
of the most important places in all of

262  
00:11:58,759 --> 00:11:57,300  
the history of Exopolitics graters

263  
00:12:03,199 --> 00:11:58,769

interesting place denied it was actually

264

00:12:05,269 --> 00:12:03,209

a British Crown Colony originally and it

265

00:12:08,449 --> 00:12:05,279

was bought to the British Empire bought

266

00:12:09,949 --> 00:12:08,459

it off the friendship are in 1877 you

267

00:12:13,400 --> 00:12:09,959

could buy islands in those days it was

268

00:12:18,199 --> 00:12:13,410

amazing and so it became a British Crown

269

00:12:21,050 --> 00:12:18,209

Colony and in 1922 a man was born on

270

00:12:22,699 --> 00:12:21,060

Grenada who I think he's one of the

271

00:12:24,050 --> 00:12:22,709

least well-known but I think one of the

272

00:12:26,150 --> 00:12:24,060

most important figures in the history of

273

00:12:27,139 --> 00:12:26,160

acts of politics next slide please Mike

274

00:12:31,130 --> 00:12:27,149

if you can make this one I don't work

275

00:12:33,410 --> 00:12:31,140

bigger than a beer cool it's a bit small

276

00:12:36,470 --> 00:12:33,420

so that's it right how many people

277

00:12:38,829 --> 00:12:36,480

you'll recognize this man no it's not

278

00:12:41,509 --> 00:12:38,839

Eddie Murphy looks a bit like him I know

279

00:12:44,240 --> 00:12:41,519

now it's hear a lot about enigmatic

280

00:12:46,220 --> 00:12:44,250

smiles within like the Mona Lisa and the

281

00:12:48,019 --> 00:12:46,230

famous painting this guy's got an

282

00:12:50,660 --> 00:12:48,029

enigmatic smile I think in this pits but

283

00:12:54,350 --> 00:12:50,670

in this big picture in particular this

284

00:12:57,180 --> 00:12:54,360

is Erika Gary now he was the first Prime

285

00:12:59,350 --> 00:12:57,190

Minister of Grenada and

286

00:13:01,300 --> 00:12:59,360

believe it or not he actually was a very

287

00:13:03,490 --> 00:13:01,310

very important figure in getting Eufaula

288

00:13:06,370 --> 00:13:03,500

you thought UFOs brought into the

289

00:13:10,420 --> 00:13:06,380

political sphere he was born in 1922

290

00:13:12,730 --> 00:13:10,430

like I said and he became when he grew

291

00:13:14,590 --> 00:13:12,740

up he became politically active and he

292

00:13:16,510 --> 00:13:14,600

became part of the movement which wanted

293

00:13:17,160 --> 00:13:16,520

to make grant grenadier independent

294

00:13:19,060 --> 00:13:17,170

nation

295

00:13:21,700 --> 00:13:19,070

in other words would leave the British

296

00:13:26,230 --> 00:13:21,710

Empire and become its own self-governing

297

00:13:27,730 --> 00:13:26,240

state and he rose from he took places in

298

00:13:29,920 --> 00:13:27,740

the colonial government he was elected

299

00:13:31,750 --> 00:13:29,930

and he rose through the ranks and

300

00:13:35,280 --> 00:13:31,760

through the different grades of

301

00:13:38,320 --> 00:13:35,290

political office until in in February of

302

00:13:40,660 --> 00:13:38,330

1974 just one month after the barren

303

00:13:41,170 --> 00:13:40,670

mountains incident up here in North

304

00:13:44,380 --> 00:13:41,180

Wales

305

00:13:46,750 --> 00:13:44,390

he became the country's first prime

306

00:13:50,830 --> 00:13:46,760

minister as it it wasn't independent

307

00:13:55,990 --> 00:13:50,840

nation and it's very interesting because

308

00:13:57,430 --> 00:13:56,000

he when Grenada became became

309

00:13:59,920 --> 00:13:57,440

independent it was offered a seat at the

310

00:14:01,300 --> 00:13:59,930

United Nations and Saric Gary went to

311

00:14:05,590 --> 00:14:01,310

the United Nations and immediately

312

00:14:08,050 --> 00:14:05,600

started work on a UFO initiative this is

313

00:14:09,610 --> 00:14:08,060

very long long before dr. Steven Greer

314

00:14:17,549 --> 00:14:09,620

or bassett or any of these other people

315

00:14:21,400 --> 00:14:19,809

yeah this is a very important picture

316

00:14:24,249 --> 00:14:21,410

it's very important historical document

317

00:14:26,739 --> 00:14:24,259

they say on the Left ACC Eric gairy and

318

00:14:29,439 --> 00:14:26,749

he is at the United Nations see the logo

319

00:14:32,739 --> 00:14:29,449

there and next to him is J Allen Hynek

320

00:14:34,840 --> 00:14:32,749

the ufologists there's a Jacques Vallee

321

00:14:38,679 --> 00:14:34,850

who's another another famous ufologists

322

00:14:39,909 --> 00:14:38,689

in the 1970s and Colonel Barry coin and

323

00:14:43,900 --> 00:14:39,919

he said about the United Nations

324

00:14:47,400 --> 00:14:43,910

discussing UFOs and he spent a lot of

325

00:14:52,359 --> 00:14:47,410

time doing that so next slide please

326

00:14:54,220 --> 00:14:52,369

now this is Texas at some text which you

327

00:14:55,960 --> 00:14:54,230

will actually get you can get this on if

328

00:14:57,970 --> 00:14:55,970

you've got the Grenada government portal

329

00:15:00,489 --> 00:14:57,980

and look through CEREC page on the

330

00:15:04,329 --> 00:15:00,499

history section this text is reproduced

331

00:15:08,789 --> 00:15:04,339

in full this is a part of a speech that

332

00:15:11,579 --> 00:15:08,799

CEREC gave in the 2012 of october 1978

333

00:15:14,409 --> 00:15:11,589

at the United Nations General Assembly

334

00:15:16,269 --> 00:15:14,419

he stood and he talked about this

335

00:15:19,539 --> 00:15:16,279

subject to meet you see here does it

336

00:15:22,359 --> 00:15:19,549

give you a few important some of the

337

00:15:25,090 --> 00:15:22,369

most important some clips here sightings

338

00:15:27,100 --> 00:15:25,100

of UFOs are not restricted to one or two

339

00:15:29,619 --> 00:15:27,110

parts of our planet reports come in from

340

00:15:31,090 --> 00:15:29,629

all over the world today and scientific

341

00:15:33,069 --> 00:15:31,100

analysis of these reports strongly

342

00:15:34,989 --> 00:15:33,079

suggests that a growing number of people

343

00:15:39,669 --> 00:15:34,999

believe that UFOs exist as a physical

344

00:15:42,189 --> 00:15:39,679

phenomenon more countries believe that

345

00:15:44,109 --> 00:15:42,199

in an in-depth investigation into this

346

00:15:46,179 --> 00:15:44,119

phenomenon it might make a significant

347

00:15:47,919 --> 00:15:46,189

contribution towards the well-being of

348

00:15:50,409 --> 00:15:47,929

planet Earth and towards man's better

349

00:15:52,539 --> 00:15:50,419

understanding of himself and his purpose

350

00:15:57,389 --> 00:15:52,549

on earth and that's have written the

351

00:16:00,090 --> 00:15:57,399

next slide please Mike she's bout one

352

00:16:03,250 --> 00:16:00,100

there's two of those blue ones

353

00:16:08,620 --> 00:16:03,260

this okay now this is the interesting

354

00:16:14,290 --> 00:16:08,630

where is it some yeah he talked to Allen

355

00:16:17,680 --> 00:16:14,300

Hynek here yep this one this is one way

356

00:16:21,819 --> 00:16:17,690

he actually um at one point he has he

357

00:16:23,860 --> 00:16:21,829

hints he's he gives a hint that the

358

00:16:25,389 --> 00:16:23,870

government around him knows more than

359

00:16:28,480 --> 00:16:25,399

it's saying isn't a knows more that's

360

00:16:32,319 --> 00:16:28,490

saying about it here we go um they

361

00:16:33,759 --> 00:16:32,329

promise to support myself lost where it

362

00:16:35,710 --> 00:16:33,769

is it doesn't matter you could even

363

00:16:37,090 --> 00:16:35,720

check this out on the on the Canadian

364

00:16:40,840 --> 00:16:37,100

government portal it's a very very

365

00:16:42,220 --> 00:16:40,850

interesting thing and so Eric gairy as I

366

00:16:45,009 --> 00:16:42,230

said he stood here in the UN and he

367

00:16:46,870 --> 00:16:45,019

talked quite openly about UFOs about

368

00:16:47,740 --> 00:16:46,880

some various things that you wanted to

369

00:16:52,840 --> 00:16:47,750

do next slide please

370

00:16:56,050 --> 00:16:52,850

Mike I don't how many of you collect

371

00:16:58,660 --> 00:16:56,060

stamps but this is a set of

372

00:17:01,300 --> 00:16:58,670

commemorative stamps made from 1978 that

373

00:17:04,630 --> 00:17:01,310

Eric actually ordered the post office of

374

00:17:06,669 --> 00:17:04,640

Grenada to issue and these are UFO

375

00:17:11,620 --> 00:17:06,679

themed stamps you see here two dollars

376

00:17:13,900 --> 00:17:11,630

as Grenada dollars and we research into

377

00:17:15,909 --> 00:17:13,910

UFOs if if any of you find one of these

378

00:17:21,870 --> 00:17:15,919

let me know and this is like the you see

379

00:17:26,250 --> 00:17:24,970

the 30 second regular session of the

380

00:17:29,440 --> 00:17:26,260

General Assembly of the United Nations

381

00:17:31,840 --> 00:17:29,450

and the Tapia walk out UFOs and related

382

00:17:33,870 --> 00:17:31,850

phenomena now and this in the background

383

00:17:36,549 --> 00:17:33,880

here is the United Nations building and

384

00:17:39,549 --> 00:17:36,559

you see a little UFO hovering up there

385

00:17:41,860 --> 00:17:39,559

in the corner now what's interesting is

386

00:17:44,980 --> 00:17:41,870

that that might have been based on a

387

00:17:46,750 --> 00:17:44,990

real report a UFO report because where

388

00:17:49,720 --> 00:17:46,760

that actually is in New York City was

389

00:17:53,169 --> 00:17:49,730

the near the UN General Assembly in a

390

00:17:57,010 --> 00:17:53,179

few years earlier in 1973 John Lennon

391

00:17:59,230 --> 00:17:57,020

the Beatle he saw a UFO in New York

392

00:18:01,120 --> 00:17:59,240

going along the Hudson River yeah this

393

00:18:03,640 --> 00:18:01,130

serve this river here and it looked a

394

00:18:05,500 --> 00:18:03,650

bit like that and and I wonder if that

395

00:18:08,730 --> 00:18:05,510

is actually there based on John Lennon's

396

00:18:14,530 --> 00:18:12,580

now Sarah carry the plan to make people

397

00:18:16,990 --> 00:18:14,540

he he petitioned the United Nations to

398

00:18:21,820 --> 00:18:17,000

make 1979 the International Year of the

399

00:18:24,160 --> 00:18:21,830

UFO now you know that you know that the

400

00:18:25,240 --> 00:18:24,170

UN has international years is had

401  
00:18:27,930 --> 00:18:25,250  
internationally as the child

402  
00:18:30,970 --> 00:18:27,940  
international years of the environment

403  
00:18:32,920 --> 00:18:30,980  
things like that where campaigns on

404  
00:18:35,740 --> 00:18:32,930  
particular issues over a certain amount

405  
00:18:37,870 --> 00:18:35,750  
of time and in 97 you know he wanted

406  
00:18:42,160 --> 00:18:37,880  
1979 to become the International Year of

407  
00:18:44,110 --> 00:18:42,170  
the UFO now this of course is a UFO

408  
00:18:46,150 --> 00:18:44,120  
event and there's many many others

409  
00:18:48,400 --> 00:18:46,160  
there's a new horizon st. Ann's and

410  
00:18:52,720 --> 00:18:48,410  
probe and things like that now can you

411  
00:18:56,320 --> 00:18:52,730  
just imagine our prime minister on a

412  
00:18:59,320 --> 00:18:56,330  
name now Teresa let's just imagine her

413  
00:19:02,290 --> 00:18:59,330

standing on this stage talking you about

414

00:19:06,010 --> 00:19:02,300

UFOs can you imagine that it's extremely

415

00:19:08,260 --> 00:19:06,020

rare this is where Sarah Kerry's unique

416

00:19:10,630 --> 00:19:08,270

among the Statesmen of unique apart from

417

00:19:12,220 --> 00:19:10,640

perhaps Paul Hellyer MP of

418

00:19:14,920 --> 00:19:12,230

administrative defense of Canada who

419

00:19:16,510 --> 00:19:14,930

I'll talk about later this makes him

420

00:19:19,150 --> 00:19:16,520

very very unusual among statesmen

421

00:19:21,820 --> 00:19:19,160

because he actually did as a serving

422

00:19:25,120 --> 00:19:21,830

statesman he actually did attend very

423

00:19:27,040 --> 00:19:25,130

few of our meetings and he spoke at the

424

00:19:28,750 --> 00:19:27,050

UFO into the International UFO Congress

425

00:19:29,800 --> 00:19:28,760

now the International UFO Congress some

426

00:19:32,080 --> 00:19:29,810

of you might have actually been there

427

00:19:35,230 --> 00:19:32,090

too held them every year in Nevada USA

428

00:19:36,550 --> 00:19:35,240

and that has been since 1991 but it's

429

00:19:38,380 --> 00:19:36,560

there was an older you were

430

00:19:43,750 --> 00:19:38,390

International UFO Congress and we've

431

00:19:47,290 --> 00:19:43,760

started in 1977 and ahiret Gary spoke on

432

00:19:49,600 --> 00:19:47,300

stage at the first ever international

433

00:19:52,180 --> 00:19:49,610

UFO Congress and that's I think that's

434

00:19:54,730 --> 00:19:52,190

the only time a serving state of serving

435

00:19:57,490 --> 00:19:54,740

head of government has spoken of the UFO

436

00:19:59,650 --> 00:19:57,500

can't confess conference it's absolutely

437

00:20:02,380 --> 00:19:59,660

amazing development

438

00:20:05,980 --> 00:20:02,390

and Saric actually also in 1979 he

439

00:20:10,300 --> 00:20:05,990

wanted to host the the third new

440

00:20:11,740 --> 00:20:10,310

international UFO Congress on Grenada he

441

00:20:15,040 --> 00:20:11,750

actually planned to have it on Grenada

442

00:20:16,650 --> 00:20:15,050

and he wanted to build a UFO research

443

00:20:19,450 --> 00:20:16,660

center on Grenada

444

00:20:20,890 --> 00:20:19,460

but with telescopes special sky watching

445

00:20:23,470 --> 00:20:20,900

telescopes and things like that it's

446

00:20:27,910 --> 00:20:23,480

quite remarkable thing he was an amazing

447

00:20:29,440 --> 00:20:27,920

man I mean obviously one of the ideas

448

00:20:31,570 --> 00:20:29,450

he's a bit he's a bit crazy I'm the

449

00:20:34,240 --> 00:20:31,580

mainstream idea he's a bit crazy and of

450

00:20:35,590 --> 00:20:34,250

course many of his political rivals I'll

451  
00:20:38,710 --> 00:20:35,600  
explain more detail in a minute about

452  
00:20:41,800 --> 00:20:38,720  
all that but many of his political

453  
00:20:43,720 --> 00:20:41,810  
rivals used his interest in UFOs to

454  
00:20:45,400 --> 00:20:43,730  
discredit him they said well he's not

455  
00:20:46,690 --> 00:20:45,410  
fit to rule because he's crazy

456  
00:20:51,640 --> 00:20:46,700  
because he believes in flying saucers

457  
00:20:52,750 --> 00:20:51,650  
and little green men but when you

458  
00:20:55,060 --> 00:20:52,760  
actually look at what the average

459  
00:20:56,860 --> 00:20:55,070  
Grenadian in the street thought about

460  
00:21:00,790 --> 00:20:56,870  
this I mean were they particularly

461  
00:21:02,350 --> 00:21:00,800  
concerned about their you know their

462  
00:21:03,160 --> 00:21:02,360  
prime minister spending the taxpayers

463  
00:21:06,000 --> 00:21:03,170

money

464

00:21:08,290 --> 00:21:06,010

on flying saucers and little green men

465

00:21:10,450 --> 00:21:08,300

it turns out that that didn't actually

466

00:21:11,950 --> 00:21:10,460

affect his popularity very much some

467

00:21:13,300 --> 00:21:11,960

other things soon would more earthly

468

00:21:15,760 --> 00:21:13,310

things and I would say more about that

469

00:21:17,410 --> 00:21:15,770

in a minute but it sounds like he did

470

00:21:18,910 --> 00:21:17,420

have the support of the grenade up the

471

00:21:20,860 --> 00:21:18,920

people of Grenada I mean probably just

472

00:21:22,030 --> 00:21:20,870

likes a small place doesn't have a very

473

00:21:24,310 --> 00:21:22,040

big population I think they were very

474

00:21:27,520 --> 00:21:24,320

much on his side I mean he was a popular

475

00:21:30,220 --> 00:21:27,530

leader anyway he was he was seen as a

476

00:21:32,620 --> 00:21:30,230

people's champion he was interested in

477

00:21:34,240 --> 00:21:32,630

women's rights which was a major concern

478

00:21:37,230 --> 00:21:34,250

in the Caribbean in those days he

479

00:21:39,400 --> 00:21:37,240

rebuilt the great official industry

480

00:21:41,920 --> 00:21:39,410

his nickname was uncle whose people

481

00:21:44,740 --> 00:21:41,930

called him uncle so he was a popular

482

00:21:50,020 --> 00:21:44,750

leader and it seems that this stranger

483

00:21:52,150 --> 00:21:50,030

knew newer campaign of his strategy did

484

00:21:56,320 --> 00:21:52,160

nothing to actually dampen his people

485

00:21:59,800 --> 00:21:56,330

some support for him but other things

486

00:22:02,519 --> 00:21:59,810

soon would unfortunately next slide

487

00:22:07,269 --> 00:22:05,260

so Eric's initiative is not the only

488

00:22:09,940 --> 00:22:07,279

time that the UFO subject has brushed up

489

00:22:11,200 --> 00:22:09,950

against the United Nations I just

490

00:22:14,519 --> 00:22:11,210

mentioned a couple of these as well

491

00:22:18,279 --> 00:22:14,529

because it is very very important now

492

00:22:19,750 --> 00:22:18,289

when when Eric was at the UN the

493

00:22:22,299 --> 00:22:19,760

secretary-general at the time was an

494

00:22:25,299 --> 00:22:22,309

Austrian guy called Kurt Waldheim but

495

00:22:29,110 --> 00:22:25,309

his successor was this man on the left

496

00:22:31,090 --> 00:22:29,120

ear Javier Perez de Cuellar now in 1986

497

00:22:33,880 --> 00:22:31,100

something really remarkable happened the

498

00:22:36,220 --> 00:22:33,890

woman on the right is a young New Yorker

499

00:22:39,180 --> 00:22:36,230

Courtland and the Politan Oh and she

500

00:22:41,799 --> 00:22:39,190

reports in 1986 that she was abducted by

501  
00:22:43,049 --> 00:22:41,809  
extraterrestrials from her her apartment

502  
00:22:45,700 --> 00:22:43,059  
in New York City

503  
00:22:47,289 --> 00:22:45,710  
the aliens appeared in her bedroom and

504  
00:22:48,250 --> 00:22:47,299  
they levitated her off the bed she was

505  
00:22:51,180 --> 00:22:48,260  
completely paralyzed

506  
00:22:54,970 --> 00:22:51,190  
they never tainted her off the bed and

507  
00:22:56,590 --> 00:22:54,980  
basically maneuvered her weightless out

508  
00:22:57,850 --> 00:22:56,600  
the window the window shuts which they

509  
00:23:00,250 --> 00:22:57,860  
actually put she went straight through

510  
00:23:01,450 --> 00:23:00,260  
the glass and it was very scary because

511  
00:23:03,549 --> 00:23:01,460  
she was like on the sixth or seventh

512  
00:23:06,789 --> 00:23:03,559  
floor but they basically maneuvered it

513  
00:23:09,130 --> 00:23:06,799

and they they maneuvered her through the

514

00:23:11,200 --> 00:23:09,140

air to this spaceship now very very

515

00:23:12,880 --> 00:23:11,210

unusually this particular alien

516

00:23:14,980 --> 00:23:12,890

abduction had witnesses and several came

517

00:23:17,919 --> 00:23:14,990

forward to say that they've been driving

518

00:23:20,769 --> 00:23:17,929

past in a car during the middle of night

519

00:23:23,740 --> 00:23:20,779

and they'd seen Linda Napolitano hanging

520

00:23:26,680 --> 00:23:23,750

in midair outside her bedroom window and

521

00:23:28,870 --> 00:23:26,690

these aliens around her and well it was

522

00:23:30,370 --> 00:23:28,880

never confirmed but the people who did

523

00:23:31,870 --> 00:23:30,380

come forward did say this man was in

524

00:23:34,330 --> 00:23:31,880

their company and they say it was this

525

00:23:36,130 --> 00:23:34,340

guy here Javier Perez de Cuellar now I

526

00:23:38,159 --> 00:23:36,140

think he just stopping un

527

00:23:40,960 --> 00:23:38,169

secretary-general after that but he was

528

00:23:43,720 --> 00:23:40,970

he was he - he left office at that time

529

00:23:45,580 --> 00:23:43,730

but it wasn't long after he left office

530

00:23:48,370 --> 00:23:45,590

that he actually he's never actually

531

00:23:50,110 --> 00:23:48,380

commented on this but the people are

532

00:23:52,330 --> 00:23:50,120

with him are known to be his colleagues

533

00:23:52,960 --> 00:23:52,340

and they say this guy mr. de Cuellar was

534

00:23:55,330 --> 00:23:52,970

with us

535

00:23:58,720 --> 00:23:55,340

we all saw this woman levitating in

536

00:24:00,820 --> 00:23:58,730

midair this is quite remarkable koats

537

00:24:01,630 --> 00:24:00,830

there and a un related UFO issue and

538

00:24:04,810 --> 00:24:01,640

that's not the only one

539

00:24:06,700 --> 00:24:04,820

next slide Mike you've probably seen

540

00:24:08,710 --> 00:24:06,710

this on YouTube this is a Ronald Reagan

541

00:24:11,770 --> 00:24:08,720

president of the United States during

542

00:24:13,660 --> 00:24:11,780

much of the 1980s now um he

543

00:24:19,300 --> 00:24:13,670

he's several times actually he may

544

00:24:21,520 --> 00:24:19,310

comment on stage that are you related to

545

00:24:23,350 --> 00:24:21,530

the idea of extraterrestrial life um

546

00:24:27,870 --> 00:24:23,360

twice actually I think this happened he

547

00:24:30,160 --> 00:24:27,880

said something along the lines of it

548

00:24:31,750 --> 00:24:30,170

amazes me you see that's how he was um

549

00:24:33,400 --> 00:24:31,760

involved in trying to end the Cold War

550

00:24:35,170 --> 00:24:33,410

he made he was working with Mikhail

551  
00:24:36,640 --> 00:24:35,180  
Gorbachev the Soviet President to end

552  
00:24:38,290 --> 00:24:36,650  
the Cold War and he says I summarized

553  
00:24:39,850 --> 00:24:38,300  
think how quickly our worldly

554  
00:24:43,330 --> 00:24:39,860  
differences would be forgotten if we

555  
00:24:46,090 --> 00:24:43,340  
were faced with a peril from beyond this

556  
00:24:49,030 --> 00:24:46,100  
earth he said basically would that we

557  
00:24:50,740 --> 00:24:49,040  
the people would unite and form an

558  
00:24:55,090 --> 00:24:50,750  
alliance to protect our planet from a

559  
00:24:57,100 --> 00:24:55,100  
danger beyond our earth and then he

560  
00:24:58,990 --> 00:24:57,110  
quickly had it but wasn't some is

561  
00:25:00,880 --> 00:24:59,000  
intended to between people's enough of a

562  
00:25:03,310 --> 00:25:00,890  
danger because some I say that's an

563  
00:25:05,560 --> 00:25:03,320

alien threat and so they quickly added

564

00:25:07,960 --> 00:25:05,570

that all at the end but it was I think

565

00:25:09,670 --> 00:25:07,970

it's because he was at that time the

566

00:25:11,980 --> 00:25:09,680

Cold War was rapidly cooling to the

567

00:25:14,080 --> 00:25:11,990

point where eventually would end and a

568

00:25:18,340 --> 00:25:14,090

short time later the Soviet Union itself

569

00:25:20,910 --> 00:25:18,350

would be disbanded but but this rumors

570

00:25:23,650 --> 00:25:20,920

that break and knew a lot of stuff about

571

00:25:25,180 --> 00:25:23,660

UFOs I mean he's reported to our

572

00:25:27,280 --> 00:25:25,190

meetings have had meetings with Steven

573

00:25:29,830 --> 00:25:27,290

spielberger after Close Encounters the

574

00:25:30,970 --> 00:25:29,840

film came out he said oh you know mr.

575

00:25:32,500 --> 00:25:30,980

Spielberg you know where'd you get your

576  
00:25:33,670 --> 00:25:32,510  
ideas from you know a lot of that's real

577  
00:25:36,640 --> 00:25:33,680  
what you've what you've talked about

578  
00:25:37,870 --> 00:25:36,650  
there so the peers that some Reagan I

579  
00:25:42,530 --> 00:25:37,880  
think had an interest in this sort of

580  
00:25:42,540 --> 00:25:48,810  
x1

581  
00:25:52,889 --> 00:25:51,539  
this is this is to Eric gairy again I'm

582  
00:25:57,570 --> 00:25:52,899  
he's I'm in a meeting with Jimmy Carter

583  
00:25:58,830 --> 00:25:57,580  
president in the United States now it's

584  
00:25:59,879 --> 00:25:58,840  
interesting that the conversations they

585  
00:26:01,889 --> 00:25:59,889  
must have had because I've got a feeling

586  
00:26:03,560 --> 00:26:01,899  
these two heads of state may well have

587  
00:26:06,499 --> 00:26:03,570  
had a rapport with each other because

588  
00:26:09,419 --> 00:26:06,509

Jimmy Carter's reported seeing a UFO -

589

00:26:12,570 --> 00:26:09,429

this happened a few years I think before

590

00:26:15,120 --> 00:26:12,580

you met Gary he was with his friend

591

00:26:17,789 --> 00:26:15,130

Shirley MacLaine who was an author was

592

00:26:19,200 --> 00:26:17,799

written a lot about each of Tareq

593

00:26:20,999 --> 00:26:19,210

subjects the paranormal you were

594

00:26:22,769 --> 00:26:21,009

followed G things like that and he was

595

00:26:25,379 --> 00:26:22,779

staying with her at a ranch in the in

596

00:26:27,029 --> 00:26:25,389

the Colorado or someone like that and

597

00:26:30,029 --> 00:26:27,039

they saw they had a UFO sighting

598

00:26:32,279 --> 00:26:30,039

together and Carter has said this ever

599

00:26:34,049 --> 00:26:32,289

since he's reported it so I mean I

600

00:26:37,259 --> 00:26:34,059

wonder what kind of discussions they

601  
00:26:39,149 --> 00:26:37,269  
might have had during their summit I can

602  
00:26:44,220 --> 00:26:39,159  
imagine Carl yeah that's been thrown

603  
00:26:46,529 --> 00:26:44,230  
quite amazing next one I please sir is

604  
00:26:50,039 --> 00:26:46,539  
very much now the Gary initiative was

605  
00:26:52,320 --> 00:26:50,049  
very very successful because here you

606  
00:26:53,820 --> 00:26:52,330  
can see it now this here the United

607  
00:26:56,669 --> 00:26:53,830  
Nations you know the UN General Assembly

608  
00:27:01,070 --> 00:26:56,679  
decision was 33 / 4 to 6 18th of

609  
00:27:03,269 --> 00:27:01,080  
December 1978 and this resolution says

610  
00:27:04,980 --> 00:27:03,279  
the establishment of an agency or

611  
00:27:06,869 --> 00:27:04,990  
Department of the United Nations for

612  
00:27:09,090 --> 00:27:06,879  
undertaking coordinating under cemetery

613  
00:27:11,730 --> 00:27:09,100

disseminating the results of research

614

00:27:14,220 --> 00:27:11,740

into unidentified flying objects and

615

00:27:15,600 --> 00:27:14,230

related phenomena at its 87th plenary

616

00:27:16,889 --> 00:27:15,610

meeting on the 18th of December night

617

00:27:18,330 --> 00:27:16,899

only 8 the General Assembly on

618

00:27:20,940 --> 00:27:18,340

recommendation not special to the

619

00:27:22,919 --> 00:27:20,950

committee adopted the following text as

620

00:27:26,460 --> 00:27:22,929

representing the consensus of the

621

00:27:28,440 --> 00:27:26,470

members of the assembly 1 the General

622

00:27:29,580 --> 00:27:28,450

Assembly has taken note of the states

623

00:27:32,490 --> 00:27:29,590

from made and a draft resolution

624

00:27:33,749 --> 00:27:32,500

submitted by Grenada at the 32nd and

625

00:27:36,450 --> 00:27:33,759

33rd sessions of the General Assembly

626  
00:27:38,669 --> 00:27:36,460  
we're going unidentified flying objects

627  
00:27:40,289 --> 00:27:38,679  
on related phenomena this is the United

628  
00:27:43,289 --> 00:27:40,299  
Nations ladies and gentlemen next slide

629  
00:27:45,629 --> 00:27:43,299  
please Mike to the General Assembly

630  
00:27:48,180 --> 00:27:45,639  
invites interested member states to take

631  
00:27:50,249 --> 00:27:48,190  
appropriate steps to coordinate on a

632  
00:27:51,990 --> 00:27:50,259  
national level scientific research and

633  
00:27:52,870 --> 00:27:52,000  
investigation into extraterrestrial life

634  
00:27:56,710 --> 00:27:52,880  
in

635  
00:28:00,670 --> 00:27:56,720  
third time they've said that

636  
00:28:02,230 --> 00:28:00,680  
unidentified flying object man even

637  
00:28:03,790 --> 00:28:02,240  
former Secretary General of observations

638  
00:28:06,490 --> 00:28:03,800

research and evaluation of such

639

00:28:08,050 --> 00:28:06,500

activities of three the General Assembly

640

00:28:10,290 --> 00:28:08,060

requests the secretary-general to

641

00:28:13,000 --> 00:28:10,300

transmit statements of the delegation of

642

00:28:14,800 --> 00:28:13,010

Grenada and the relevant documentation

643

00:28:17,440 --> 00:28:14,810

to the Committee on the peaceful uses

644

00:28:20,620 --> 00:28:17,450

around to space so that it may consider

645

00:28:21,880 --> 00:28:20,630

them at its session in 1939 for the

646

00:28:23,740 --> 00:28:21,890

Committee on the peaceful uses another

647

00:28:25,750 --> 00:28:23,750

space will permit Grenada upon his

648

00:28:28,540 --> 00:28:25,760

request to present its views to the

649

00:28:29,800 --> 00:28:28,550

committee at its session in 1979 the

650

00:28:31,930 --> 00:28:29,810

committee's deliberation will be

651  
00:28:33,850 --> 00:28:31,940  
included in his report which will be

652  
00:28:37,060 --> 00:28:33,860  
considered by the General Assembly as

653  
00:28:39,450 --> 00:28:37,070  
thirty fourth session so they're in

654  
00:28:42,490 --> 00:28:39,460  
black and white Squire

655  
00:28:43,870 --> 00:28:42,500  
if you go to the you go to view a United

656  
00:28:45,340 --> 00:28:43,880  
Nation website and look up the records

657  
00:28:47,230 --> 00:28:45,350  
of the minutes of the meetings and

658  
00:28:49,980 --> 00:28:47,240  
resolutions you'll find it under that

659  
00:28:53,500 --> 00:28:49,990  
reference it's there this is an

660  
00:28:57,400 --> 00:28:53,510  
astonishing document because this is um

661  
00:28:59,980 --> 00:28:57,410  
Cana this actually sends a mandate for

662  
00:29:02,200 --> 00:28:59,990  
the Syria the adoption of the

663  
00:29:07,570 --> 00:29:02,210

unidentified flying object has a serious

664

00:29:09,760 --> 00:29:07,580

political topic which is really quite

665

00:29:13,710 --> 00:29:09,770

remarkable you consider the current the

666

00:29:15,880 --> 00:29:13,720

modern day and how politicians react

667

00:29:17,290 --> 00:29:15,890

when this subject even comes up the way

668

00:29:19,930 --> 00:29:17,300

the way it's talked about in the media

669

00:29:23,830 --> 00:29:19,940

the way it's treated by popular culture

670

00:29:28,990 --> 00:29:23,840

as a joke there's no doubt that this was

671

00:29:31,690 --> 00:29:29,000

a movement towards possibly a safe an

672

00:29:33,190 --> 00:29:31,700

official investigation in not just an

673

00:29:35,790 --> 00:29:33,200

official investigation as it was with

674

00:29:40,120 --> 00:29:35,800

Project Blue Book a few years earlier

675

00:29:42,220 --> 00:29:40,130

but a in a sense an X a political view

676  
00:29:43,960 --> 00:29:42,230  
rather than a youthful logical view that

677  
00:29:46,240 --> 00:29:43,970  
these things are real Garrett as gary

678  
00:29:48,340 --> 00:29:46,250  
said he believed they were real when he

679  
00:29:51,820 --> 00:29:48,350  
addressed the UN the year before or they

680  
00:29:55,240 --> 00:29:51,830  
the few months before and this could

681  
00:29:58,300 --> 00:29:55,250  
have resulted in not not necessarily

682  
00:29:59,980 --> 00:29:58,310  
disclosure of secret of topics but of

683  
00:30:01,030 --> 00:29:59,990  
classified information which I believed

684  
00:30:04,930 --> 00:30:01,040  
existed on the side

685  
00:30:07,150 --> 00:30:04,940  
but a raising of the lead status of a

686  
00:30:10,030 --> 00:30:07,160  
UFO from the fringe to the accepted

687  
00:30:12,850 --> 00:30:10,040  
which would then have probably could

688  
00:30:15,730 --> 00:30:12,860

have gone anywhere from there so that

689

00:30:17,500 --> 00:30:15,740

was at the end of 1978 look very

690

00:30:20,350 --> 00:30:17,510

promising as hopeful times if you're a

691

00:30:23,860 --> 00:30:20,360

ufologist in those days but it all went

692

00:30:26,100 --> 00:30:23,870

terribly terribly wrong next slide

693

00:30:32,110 --> 00:30:30,130

on March the 15th of 1979 just a few

694

00:30:36,610 --> 00:30:32,120

months after that resolutions pass was

695

00:30:39,190 --> 00:30:36,620

drafted rather so Eric gairy was in New

696

00:30:42,250 --> 00:30:39,200

York again he was having consultations

697

00:30:44,590 --> 00:30:42,260

he was having another discussion with

698

00:30:48,430 --> 00:30:44,600

Val time when he received devastating

699

00:30:50,260 --> 00:30:48,440

news from home he's one of his political

700

00:30:52,150 --> 00:30:50,270

rivals his miss principal political

701  
00:30:56,520 --> 00:30:52,160  
rival in the Grenada government this guy

702  
00:31:00,430 --> 00:30:56,530  
here a burner cord sorry Morris Bishop

703  
00:31:01,780 --> 00:31:00,440  
had seized power in a coup what happened

704  
00:31:05,700 --> 00:31:01,790  
was at Morris Bishop and his close

705  
00:31:08,440 --> 00:31:05,710  
friend Bernard Coard and arranged a

706  
00:31:10,180 --> 00:31:08,450  
takeover the government by their party

707  
00:31:13,030 --> 00:31:10,190  
which was called the mule the new jewel

708  
00:31:15,130 --> 00:31:13,040  
movement jewel stands for Joint Endeavor

709  
00:31:17,200 --> 00:31:15,140  
for workers education and liberation

710  
00:31:20,560 --> 00:31:17,210  
this was a Marxist Leninist group

711  
00:31:21,910 --> 00:31:20,570  
sponsored by Cuba and they they smuggled

712  
00:31:24,130 --> 00:31:21,920  
weapons onto the island and they

713  
00:31:25,300 --> 00:31:24,140

basically the hudley time remembers all

714

00:31:26,890 --> 00:31:25,310

the members of the party had armed

715

00:31:28,900 --> 00:31:26,900

themselves and marched into the

716

00:31:32,770 --> 00:31:28,910

government house and basically announced

717

00:31:34,360 --> 00:31:32,780

we're taking over we're going to we're

718

00:31:35,890 --> 00:31:34,370

now running this country Minister of

719

00:31:38,230 --> 00:31:35,900

Grenada and all the other members of the

720

00:31:41,190 --> 00:31:38,240

new jewel part the party the new jewel

721

00:31:44,350 --> 00:31:41,200

movement were given government positions

722

00:31:48,610 --> 00:31:44,360

know one of the first things that Bishop

723

00:31:53,140 --> 00:31:48,620

did was to exile Sarek Gary and outlaw

724

00:31:55,300 --> 00:31:53,150

his party lots of members of the Gary's

725

00:31:57,790 --> 00:31:55,310

party actually were actually taken from

726  
00:31:59,560 --> 00:31:57,800  
their homes and put into a prison camp

727  
00:32:01,330 --> 00:31:59,570  
on one of the outlying islands of

728  
00:32:02,920 --> 00:32:01,340  
grenade a part of Grenada but it's not

729  
00:32:05,260 --> 00:32:02,930  
on the actual island itself as a small

730  
00:32:07,279 --> 00:32:05,270  
outline and nearby and they were kept

731  
00:32:09,570 --> 00:32:07,289  
there for five years

732  
00:32:11,369 --> 00:32:09,580  
so Eric couldn't come back he couldn't

733  
00:32:13,950 --> 00:32:11,379  
come back to his own it-it's his own

734  
00:32:16,289 --> 00:32:13,960  
home because he was exiled he wouldn't

735  
00:32:18,570 --> 00:32:16,299  
been allowed into his own country so he

736  
00:32:20,820 --> 00:32:18,580  
was banned from grade only yet he had to

737  
00:32:22,710 --> 00:32:20,830  
stay in in in the United States he C was

738  
00:32:25,560 --> 00:32:22,720

given political asylum in the United

739

00:32:27,899 --> 00:32:25,570

States and he had to stay there and he

740

00:32:29,700 --> 00:32:27,909

and basically he had unfortunately to

741

00:32:31,739 --> 00:32:29,710

drop everything he was doing with UFOs

742

00:32:35,119 --> 00:32:31,749

until he sorted out this mess in his own

743

00:32:37,830 --> 00:32:35,129

country and that took almost five years

744

00:32:39,419 --> 00:32:37,840

in the meantime he he also had to go on

745

00:32:41,009 --> 00:32:39,429

the run I mean he was at Miss America

746

00:32:44,070 --> 00:32:41,019

that's actually very in a very

747

00:32:45,899 --> 00:32:44,080

vulnerable position because um the new

748

00:32:48,690 --> 00:32:45,909

jewel movement bishops party actually

749

00:32:51,239 --> 00:32:48,700

had allies in the United States and one

750

00:32:54,749 --> 00:32:51,249

of them Mario Salas said that he would

751  
00:32:56,489 --> 00:32:54,759  
hunt down Gary and kill him so Sarah had

752  
00:32:57,690 --> 00:32:56,499  
to basically we had to watch his back

753  
00:33:00,210 --> 00:32:57,700  
when he was bad he had to carry a gun

754  
00:33:02,220 --> 00:33:00,220  
Ian's a pyro bodyguard yet to watch his

755  
00:33:04,169 --> 00:33:02,230  
back whenever he went out in case Alice

756  
00:33:06,349 --> 00:33:04,179  
or one of his associates came home and

757  
00:33:11,159 --> 00:33:06,359  
tried to kill him

758  
00:33:12,749 --> 00:33:11,169  
now the paradoxically even though this

759  
00:33:14,489 --> 00:33:12,759  
is an awful thing for Eric Gary the

760  
00:33:18,450 --> 00:33:14,499  
actual people are actually accepted the

761  
00:33:20,460 --> 00:33:18,460  
new regime quite quickly because this is

762  
00:33:24,269 --> 00:33:20,470  
the bishop years are actually seen as

763  
00:33:28,019 --> 00:33:24,279

something of a golden age in Grenadiers

764

00:33:29,669 --> 00:33:28,029

history because basically the the actual

765

00:33:31,289 --> 00:33:29,679

island I mean grenade herself actually

766

00:33:33,629 --> 00:33:31,299

became one of the richest islands in the

767

00:33:36,090 --> 00:33:33,639

world during the bishop time during the

768

00:33:37,979 --> 00:33:36,100

bishop regime for its size of population

769

00:33:39,509 --> 00:33:37,989

it became enormously wealthy but this is

770

00:33:41,999 --> 00:33:39,519

basically because Cuba and for the

771

00:33:43,680 --> 00:33:42,009

Soviet Union were bankrolling the place

772

00:33:45,299 --> 00:33:43,690

they were given the sending massive

773

00:33:47,159 --> 00:33:45,309

amounts of money to Grenada to develop

774

00:33:50,549 --> 00:33:47,169

it and develop the new socialist

775

00:33:52,169 --> 00:33:50,559

government there under under Bishop this

776

00:33:55,979 --> 00:33:52,179

is a lot to do with Cold War politics

777

00:33:58,279 --> 00:33:55,989

and the policies of the Caribbean at

778

00:34:01,229 --> 00:33:58,289

that time now in 1959 had been a

779

00:34:02,789 --> 00:34:01,239

revolution in Cuba and Fidel Castro and

780

00:34:04,200 --> 00:34:02,799

Che Guevara they'd taken over the

781

00:34:09,020 --> 00:34:04,210

government and they'd instituted a

782

00:34:11,789 --> 00:34:09,030

soviet-style socialist regime there and

783

00:34:13,799 --> 00:34:11,799

the the same thing happened on Grenada

784

00:34:15,329 --> 00:34:13,809

was seen by as very strategic

785

00:34:16,859 --> 00:34:15,339

strategically very important for the

786

00:34:17,500 --> 00:34:16,869

Soviet Union because they know how to

787

00:34:20,649 --> 00:34:17,510

sec

788

00:34:21,430 --> 00:34:20,659

nation in that part of the world which

789

00:34:24,760 --> 00:34:21,440

was an ally

790

00:34:26,820 --> 00:34:24,770

Cuba is cuber first and now Grenada as

791

00:34:29,850 --> 00:34:26,830

well in 1979 news and Grenada

792

00:34:33,460 --> 00:34:29,860

so um Sabich the Soviet Union with the

793

00:34:36,940 --> 00:34:33,470

Cuba and the Russians Soviet Union

794

00:34:39,760 --> 00:34:36,950

basically gave Greg a blank check to

795

00:34:41,169 --> 00:34:39,770

spend on whatever they liked and it was

796

00:34:44,290 --> 00:34:41,179

a good time for people I mean it's

797

00:34:47,770 --> 00:34:44,300

whatever the whatever your opinions on

798

00:34:50,530 --> 00:34:47,780

the actual the actual form of government

799

00:34:52,450 --> 00:34:50,540

they had so many people it was they were

800

00:34:54,250 --> 00:34:52,460

very well off I mean young people went

801  
00:34:55,720 --> 00:34:54,260  
to Cuba to University and some of them

802  
00:34:57,640 --> 00:34:55,730  
went to the Soviet Union from Grenada

803  
00:34:59,410 --> 00:34:57,650  
and studied there which they'd never

804  
00:35:01,000 --> 00:34:59,420  
been able to do before they never had to

805  
00:35:02,260 --> 00:35:01,010  
go to university and places like that

806  
00:35:06,850 --> 00:35:02,270  
before getting education they could

807  
00:35:12,010 --> 00:35:06,860  
never have before so the people were not

808  
00:35:13,600 --> 00:35:12,020  
in a hurry to sort of forget to say Eric

809  
00:35:16,600 --> 00:35:13,610  
come back and get rid of this guy for us

810  
00:35:19,800 --> 00:35:16,610  
well yeah which is a shame really say

811  
00:35:22,210 --> 00:35:19,810  
but that's the way it goes now um

812  
00:35:23,680 --> 00:35:22,220  
there's been some speculation I'll say

813  
00:35:26,140 --> 00:35:23,690

but I'll say more about this later but

814

00:35:28,690 --> 00:35:26,150

there's been some talk about what was

815

00:35:30,640 --> 00:35:28,700

the cause of this but anyway I'll say

816

00:35:33,040 --> 00:35:30,650

what happened next now it's didn't last

817

00:35:35,740 --> 00:35:33,050

for long there's just room for five

818

00:35:38,100 --> 00:35:35,750

years the the bishop the bishop

819

00:35:40,990 --> 00:35:38,110

government actually held then in 1983

820

00:35:43,390 --> 00:35:41,000

his his friend Bernard Coard

821

00:35:47,890 --> 00:35:43,400

his deputy prime minister staged his own

822

00:35:49,810 --> 00:35:47,900

coup against bishops government he he

823

00:35:51,820 --> 00:35:49,820

took over himself and he arrested all

824

00:35:53,820 --> 00:35:51,830

the bishop with his own with his own

825

00:35:56,050 --> 00:35:53,830

cabal with in the new jewel movement

826

00:35:57,490 --> 00:35:56,060

took over the other side of the other

827

00:35:58,720 --> 00:35:57,500

two new jewel movement and arrested them

828

00:36:02,980 --> 00:35:58,730

so Bishop and all the others were

829

00:36:04,840 --> 00:36:02,990

arrested court appointed himself prime

830

00:36:05,470 --> 00:36:04,850

minister so put the sober liqueur became

831

00:36:09,730 --> 00:36:05,480

prime minister

832

00:36:11,890 --> 00:36:09,740

- Bishop was arrested and the first

833

00:36:15,910 --> 00:36:11,900

thing what court did was he asked him he

834

00:36:16,750 --> 00:36:15,920

took the bishop and all his his

835

00:36:19,180 --> 00:36:16,760

associates

836

00:36:20,920 --> 00:36:19,190

within the party and he killed them he

837

00:36:23,380 --> 00:36:20,930

shot them all they're known as the

838

00:36:25,780 --> 00:36:23,390

Grenada 17 sober Nicole shot Marissa

839

00:36:28,100 --> 00:36:25,790

Bishop and all the others so who needs

840

00:36:30,630 --> 00:36:28,110

enemies as the saying goes

841

00:36:32,630 --> 00:36:30,640

at this point the United States decided

842

00:36:36,720 --> 00:36:32,640

to intervene just like I did in Iraq

843

00:36:40,680 --> 00:36:36,730

they actually sent a task force to

844

00:36:42,930 --> 00:36:40,690

Grenada and landed troops there and

845

00:36:47,430 --> 00:36:42,940

basically there was a big battle and the

846

00:36:49,350 --> 00:36:47,440

United States took over I took over the

847

00:36:51,480 --> 00:36:49,360

cut the island and deposed Bernick or

848

00:36:53,340 --> 00:36:51,490

they killed court and all members and

849

00:36:56,600 --> 00:36:53,350

anyone who were people who shot back

850

00:36:59,040 --> 00:36:56,610

from they knew the new jewel movement

851  
00:37:00,450 --> 00:36:59,050  
and then it was under US occupation now

852  
00:37:02,640 --> 00:37:00,460  
when they were under US occupation they

853  
00:37:05,070 --> 00:37:02,650  
restored the previous Constitution the

854  
00:37:07,170 --> 00:37:05,080  
one that Bishop and outlook had actually

855  
00:37:10,010 --> 00:37:07,180  
abolished Gary's original Constitution

856  
00:37:12,240 --> 00:37:10,020  
from 1974 the Americans restored it and

857  
00:37:15,270 --> 00:37:12,250  
this was good ferret Gary because it

858  
00:37:16,920 --> 00:37:15,280  
meant he could now come home and he

859  
00:37:20,490 --> 00:37:16,930  
would there was basically there were

860  
00:37:22,230 --> 00:37:20,500  
three elections on Grenada now the good

861  
00:37:24,240 --> 00:37:22,240  
thing is that this the occupation of

862  
00:37:26,310 --> 00:37:24,250  
ground it was not as as bloody and

863  
00:37:28,980 --> 00:37:26,320

troublesome as the US occupation of Iraq

864

00:37:32,280 --> 00:37:28,990

and things settled down pretty quickly

865

00:37:34,320 --> 00:37:32,290

in the last us the last US forces

866

00:37:38,849 --> 00:37:34,330

actually left less than a year later

867

00:37:41,930 --> 00:37:38,859

less than a year after the invasion so

868

00:37:44,820 --> 00:37:41,940

Eric he ran for government a few times

869

00:37:47,370 --> 00:37:44,830

and he didn't yeah he did unless he was

870

00:37:50,250 --> 00:37:47,380

not as successful at I mean government

871

00:37:51,599 --> 00:37:50,260

as he was before the coup and it could

872

00:37:53,550 --> 00:37:51,609

be that he's tired he may have been

873

00:37:56,099 --> 00:37:53,560

getting he was just exhausted his allure

874

00:37:57,660 --> 00:37:56,109

had gone whatever the reason he never

875

00:38:01,200 --> 00:37:57,670

achieved high public office again

876

00:38:03,840 --> 00:38:01,210

unfortunately now there's a lot of talk

877

00:38:05,880 --> 00:38:03,850

about I mean you could say it was it

878

00:38:07,770 --> 00:38:05,890

sort of serendipitous especially with

879

00:38:09,180 --> 00:38:07,780

what I'm going to talk about in a little

880

00:38:11,340 --> 00:38:09,190

while as well with other events like

881

00:38:14,540 --> 00:38:11,350

this because there are parallels with

882

00:38:17,550 --> 00:38:14,550

other situations what happened with

883

00:38:19,710 --> 00:38:17,560

Grenada but you could say that if you're

884

00:38:22,109 --> 00:38:19,720

keeping if you were the secret keepers

885

00:38:24,960 --> 00:38:22,119

of the UFO truth and the Gary initiative

886

00:38:26,640 --> 00:38:24,970

was becoming troublesome people say well

887

00:38:29,220 --> 00:38:26,650

did they is there was this stage in

888

00:38:30,250 --> 00:38:29,230

order to just to stop Eric Gary in his

889

00:38:32,349 --> 00:38:30,260

tracks

890

00:38:37,480 --> 00:38:32,359

and to stop the Gary initiative to do

891

00:38:39,609 --> 00:38:37,490

with UFOs in the United Nations if

892

00:38:43,570 --> 00:38:39,619

there's no evidence to suggest that that

893

00:38:45,670 --> 00:38:43,580

is the case the what happened on Grenada

894

00:38:47,920 --> 00:38:45,680

was a part of that Islands politics and

895

00:38:49,240 --> 00:38:47,930

that it was a combination of a political

896

00:38:54,760 --> 00:38:49,250

conflict that had been on that island

897

00:38:57,370 --> 00:38:54,770

for many many years before and in fact

898

00:38:59,830 --> 00:38:57,380

ever since the Cuban Revolution the

899

00:39:01,630 --> 00:38:59,840

whole region of the Caribbean has it's

900

00:39:04,180 --> 00:39:01,640

been a kind of cold war played out in

901  
00:39:06,250 --> 00:39:04,190  
proxy with the two sites Soviet

902  
00:39:08,920 --> 00:39:06,260  
socialism Western capitalist democracy

903  
00:39:10,990 --> 00:39:08,930  
battling for control of that region and

904  
00:39:15,400 --> 00:39:11,000  
when the conflict between Gary and

905  
00:39:18,430 --> 00:39:15,410  
spaceship and the cordon Bishop the kind

906  
00:39:20,980 --> 00:39:18,440  
of manifestations that larger proxy war

907  
00:39:22,840 --> 00:39:20,990  
so there's no evidence to suggest that

908  
00:39:25,720 --> 00:39:22,850  
this was actually staged the coup in

909  
00:39:28,030 --> 00:39:25,730  
1979 was staged to shut up so Eric Gary

910  
00:39:31,870 --> 00:39:28,040  
and to just basically distract him from

911  
00:39:34,570 --> 00:39:31,880  
his UFO work you could but but you can

912  
00:39:37,180 --> 00:39:34,580  
bet if there was someone keeping secrets

913  
00:39:38,980 --> 00:39:37,190

of UFOs I believe there are they would

914

00:39:42,460 --> 00:39:38,990

have been very relieved that they good

915

00:39:47,840 --> 00:39:42,470

luck definitely how the next slide

916

00:39:56,040 --> 00:39:51,680

however that's despite what I just said

917

00:39:58,440 --> 00:39:56,050

this very interesting thing came in this

918

00:40:00,600 --> 00:39:58,450

is very very interesting this was posted

919

00:40:07,020 --> 00:40:00,610

on the BBC Caribbean website into it in

920

00:40:10,200 --> 00:40:07,030

2010 UK foiled geureon UFOs now this is

921

00:40:13,650 --> 00:40:10,210

very interesting because there were some

922

00:40:15,960 --> 00:40:13,660

recently Declassified telexes which

923

00:40:17,820 --> 00:40:15,970

indicate that the British diplomatic

924

00:40:20,460 --> 00:40:17,830

mission of the United Nations is the US

925

00:40:23,100 --> 00:40:20,470

ambassador to the United Nations will

926

00:40:25,950 --> 00:40:23,110

actually been in consultation with the

927

00:40:28,680 --> 00:40:25,960

Foreign Office about what Gary was doing

928

00:40:30,060 --> 00:40:28,690

with the UFOs and the advice for the

929

00:40:30,680 --> 00:40:30,070

Foreign Office was you've got to stop

930

00:40:33,630 --> 00:40:30,690

him

931

00:40:36,510 --> 00:40:33,640

now various telexes were sent back and

932

00:40:39,620 --> 00:40:36,520

forth and anyone under 20 is looking at

933

00:40:44,820 --> 00:40:39,630

me and as I say Ben what's a telex a

934

00:40:47,820 --> 00:40:44,830

telex is imagine an email on a shopping

935

00:40:50,010 --> 00:40:47,830

tool roll you've got it kids that's a

936

00:40:53,670 --> 00:40:50,020

telex and with these taxes was there's a

937

00:40:55,080 --> 00:40:53,680

large number of them and but it appears

938

00:40:56,700 --> 00:40:55,090

that there doesn't seem nice on the

939

00:40:59,070 --> 00:40:56,710

surface within this evidence has come to

940

00:41:00,960 --> 00:40:59,080

light it doesn't seem to be any the

941

00:41:03,450 --> 00:41:00,970

concern about UFOs doesn't seem to be

942

00:41:05,160 --> 00:41:03,460

while we know we got secrets we got a

943

00:41:06,780 --> 00:41:05,170

secret we've got to keep and this guy's

944

00:41:08,150 --> 00:41:06,790

gonna blow up on the secrets and we

945

00:41:11,520 --> 00:41:08,160

better put a stop to him for that reason

946

00:41:15,180 --> 00:41:11,530

now listen there's not that it's more a

947

00:41:17,220 --> 00:41:15,190

case of what people think of us this is

948

00:41:19,110 --> 00:41:17,230

really not only no the United Nations

949

00:41:21,930 --> 00:41:19,120

were not set up to deal with this

950

00:41:23,940 --> 00:41:21,940

tomfoolery we need to just we need to

951  
00:41:26,190 --> 00:41:23,950  
try to stop this resolution because it's

952  
00:41:28,680 --> 00:41:26,200  
just so it's so embarrassing it'll make

953  
00:41:30,510 --> 00:41:28,690  
the United UN look ridiculous so there's

954  
00:41:31,950 --> 00:41:30,520  
more that kind of thing the the concern

955  
00:41:34,380 --> 00:41:31,960  
of the UK government and they and its

956  
00:41:36,630 --> 00:41:34,390  
submission in the UN's really one of

957  
00:41:38,580 --> 00:41:36,640  
public image they believe that the Gary

958  
00:41:39,900 --> 00:41:38,590  
initiative was actually it was it was

959  
00:41:41,280 --> 00:41:39,910  
making a joke at the UN because they

960  
00:41:42,810 --> 00:41:41,290  
didn't believe in UFOs they thought your

961  
00:41:45,330 --> 00:41:42,820  
folks are crazy and they thought well

962  
00:41:47,970 --> 00:41:45,340  
the UN should not be absorbing itself

963  
00:41:50,170 --> 00:41:47,980

and wasting his time with something so

964

00:41:57,290 --> 00:41:50,180

fringe and crazy

965

00:41:58,400 --> 00:41:57,300

next slide place one Sarek Gary spent

966

00:41:59,780 --> 00:41:58,410

the rest of his life he lived the rest

967

00:42:02,990 --> 00:41:59,790

of his life on his hike in his home

968

00:42:04,609 --> 00:42:03,000

country as I said he was not he was not

969

00:42:06,560 --> 00:42:04,619

successful in politics yet he thought he

970

00:42:13,609 --> 00:42:06,570

retired very soon after returning to

971

00:42:17,270 --> 00:42:13,619

Grenada in 1985 and so 1983 sorry and he

972

00:42:19,609 --> 00:42:17,280

died in 1997 in his homeland he's buried

973

00:42:22,760 --> 00:42:19,619

today in Georgetown there's a memorial

974

00:42:26,750 --> 00:42:22,770

to him and so I hope you'll take a

975

00:42:29,000 --> 00:42:26,760

moment to recognize this very unsung

976

00:42:30,950 --> 00:42:29,010

hero of Exopolitics and if you're ever

977

00:42:32,300 --> 00:42:30,960

on holiday in Grenada and you're sunning

978

00:42:34,430 --> 00:42:32,310

yourself on a beautiful beach and

979

00:42:36,050 --> 00:42:34,440

swimming in that lovely blue sea you

980

00:42:38,300 --> 00:42:36,060

might take a moment just to pop to the

981

00:42:41,060 --> 00:42:38,310

florists pick up a bunch of

982

00:42:43,160 --> 00:42:41,070

chrysanthemums and put a little UFO card

983

00:42:44,599 --> 00:42:43,170

in them or something and then one of

984

00:42:47,359 --> 00:42:44,609

your little sous fun card would be nice

985

00:42:51,620 --> 00:42:47,369

wouldn't it and I lay it lay that lay it

986

00:42:58,040 --> 00:42:51,630

on the grave of Sarah Gary an excellent

987

00:42:59,329 --> 00:42:58,050

place how we doing for time all right

988

00:43:00,890 --> 00:42:59,339

I think now is a good time to take a

989

00:43:02,750 --> 00:43:00,900

little break and we'll come back and

990

00:43:04,849 --> 00:43:02,760

I'll deal with the rest of this in a

991

00:43:06,740 --> 00:43:04,859

little while because we've look want us

992

00:43:09,140 --> 00:43:06,750

another subject or another next stage in

993

00:43:11,150 --> 00:43:09,150

the history of Exopolitics so get
