

1
00:00:25,310 --> 00:00:16,220

you

2
00:00:27,140 --> 00:00:25,320

been to the second half we got Ben will

3
00:00:29,210 --> 00:00:27,150

be finishing their technic finishing

4
00:00:30,530 --> 00:00:29,220

this talk at 10:00 after we review

5
00:00:37,270 --> 00:00:30,540

questions and answers

6
00:00:41,630 --> 00:00:37,280

okay just let know except me thank Steve

7
00:00:44,900 --> 00:00:41,640

yeah so we should continue we should the

8
00:00:47,990 --> 00:00:44,910

team away is some big brothers on the

9
00:00:50,090 --> 00:00:48,000

bar huh yeah I said it's on TV isn't it

10
00:00:52,040 --> 00:00:50,100

so I'm honored you should be doubly

11
00:00:53,480 --> 00:00:52,050

congratulate it and I feel very pleased

12
00:00:56,120 --> 00:00:53,490

with myself because right now I'm

13
00:00:57,740 --> 00:00:56,130

competing with Big Brother on TV and you

14

00:01:00,319 --> 00:00:57,750

guys are come here to watch me that's

15

00:01:02,180 --> 00:01:00,329

quite something isn't it normally you

16

00:01:03,729 --> 00:01:02,190

can't get Big Brother's on TV everything

17

00:01:07,820 --> 00:01:03,739

else stops doesn't it

18

00:01:11,900 --> 00:01:07,830

so one no good there's a couple of

19

00:01:13,219 --> 00:01:11,910

people with some sense yeah good know

20

00:01:17,990 --> 00:01:13,229

that Six Nations that's the only

21

00:01:19,940 --> 00:01:18,000

exception right so well I hope you have

22

00:01:21,859 --> 00:01:19,950

nice break and then we've been learning

23

00:01:23,450 --> 00:01:21,869

about the history of Exopolitics and so

24

00:01:25,850 --> 00:01:23,460

I've been talking about of course the

25

00:01:28,550 --> 00:01:25,860

Gary initiative and everything related

26
00:01:29,300 --> 00:01:28,560
to the United Nations but the story does

27
00:01:31,699 --> 00:01:29,310
not end there

28
00:01:35,770 --> 00:01:31,709
after the the Gary initiative was very

29
00:01:38,830 --> 00:01:35,780
unceremoniously and brutally scuppered

30
00:01:41,300 --> 00:01:38,840
thanks to earthly problems

31
00:01:43,730 --> 00:01:41,310
well this that wasn't the end of it a

32
00:01:48,350 --> 00:01:43,740
good idea never goes away especially an

33
00:01:50,570 --> 00:01:48,360
idea whose time has come and well this

34
00:01:52,490 --> 00:01:50,580
is this is this is where things carry on

35
00:01:53,930 --> 00:01:52,500
well this is the man who cameras them on

36
00:01:56,210 --> 00:01:53,940
I think this is Timothy good

37
00:01:57,650 --> 00:01:56,220
now I'm sure much you've heard of this

38
00:01:59,779 --> 00:01:57,660

girl you may probably read some of his

39

00:02:02,990 --> 00:01:59,789

books actually he's a wonder world's

40

00:02:06,919 --> 00:02:03,000

most prolific UFO authors and he's been

41

00:02:08,990 --> 00:02:06,929

writing books why she's about 30 now

42

00:02:10,730 --> 00:02:09,000

it's amazing what he's done um someone

43

00:02:11,120 --> 00:02:10,740

wrote pretty he's just pulled out a new

44

00:02:12,920 --> 00:02:11,130

one

45

00:02:16,760 --> 00:02:12,930

what couple years ago he brought a new

46

00:02:20,150 --> 00:02:16,770

one now this book here above top secret

47

00:02:22,250 --> 00:02:20,160

came he was published in 1997 it's not

48

00:02:23,839 --> 00:02:22,260

the first book he wrote but I think it

49

00:02:26,140 --> 00:02:23,849

seems to be the most definitive I think

50

00:02:27,670 --> 00:02:26,150

this this bolt for whatever reason

51
00:02:29,710 --> 00:02:27,680
broke through into the mainstream in a

52
00:02:33,190 --> 00:02:29,720
way that his previous books didn't know

53
00:02:35,580 --> 00:02:33,200
I have his subsequent books I'm sure dad

54
00:02:37,960 --> 00:02:35,590
I don't know why that is exactly because

55
00:02:39,460 --> 00:02:37,970
Tim Tims books are in their excellence

56
00:02:40,990 --> 00:02:39,470
and a full of packed full of essential

57
00:02:43,569 --> 00:02:41,000
information but they're all pretty much

58
00:02:45,610 --> 00:02:43,579
the same format they tend to be a list

59
00:02:48,670 --> 00:02:45,620
of cases almost in chapter-by-chapter

60
00:02:52,000 --> 00:02:48,680
form without any particular narrative

61
00:02:55,149 --> 00:02:52,010
art for the entire book so this was no

62
00:02:56,530 --> 00:02:55,159
exception but it was a book that I read

63
00:02:58,420 --> 00:02:56,540

and in reading I think it piqued my

64

00:02:59,949 --> 00:02:58,430

interest and a lot of people I know said

65

00:03:01,569 --> 00:02:59,959

well how did you get interested in UFOs

66

00:03:06,309 --> 00:03:01,579

I read the pop top secret

67

00:03:08,559 --> 00:03:06,319

it's fantastic this book is very very

68

00:03:10,509 --> 00:03:08,569

interesting in a number of ways I'm

69

00:03:12,670 --> 00:03:10,519

unique in a number of ways for instance

70

00:03:15,430 --> 00:03:12,680

the majestic 12 documents were first

71

00:03:16,899 --> 00:03:15,440

published in this book now Jesse twelve

72

00:03:21,130 --> 00:03:16,909

documents are very controversial I know

73

00:03:22,420 --> 00:03:21,140

that ufologists have been debating

74

00:03:25,270 --> 00:03:22,430

whether they're real or not and there's

75

00:03:27,210 --> 00:03:25,280

some reason I mean I myself of kind of

76

00:03:29,319 --> 00:03:27,220

come full circle a little bit because

77

00:03:30,759 --> 00:03:29,329

there was some people who looked at them

78

00:03:31,960 --> 00:03:30,769

and said that there's a lot of it looks

79

00:03:34,110 --> 00:03:31,970

some of the other documents as

80

00:03:36,640 --> 00:03:34,120

distinctly fake and they're not quite

81

00:03:38,199 --> 00:03:36,650

right and there were several different

82

00:03:41,050 --> 00:03:38,209

reasons for that however the recent

83

00:03:43,530 --> 00:03:41,060

research by bill would I think has he's

84

00:03:45,940 --> 00:03:43,540

much more favorable one for example he's

85

00:03:48,250 --> 00:03:45,950

he's worked out that the documents were

86

00:03:52,659 --> 00:03:48,260

typed were actually produced on a

87

00:03:54,400 --> 00:03:52,669

typewriter of a particular model it's a

88

00:03:58,360 --> 00:03:54,410

Remington 420 or something like that

89
00:04:01,240 --> 00:03:58,370
which which was which was only in common

90
00:04:02,619 --> 00:04:01,250
use in the 1940s and today there's only

91
00:04:05,319 --> 00:04:02,629
about for them left and they're all in

92
00:04:07,300 --> 00:04:05,329
museums so if it's a modern hoax

93
00:04:09,490 --> 00:04:07,310
someone must have raided a museum and

94
00:04:11,559 --> 00:04:09,500
got hold of Remington a 420 typewriter

95
00:04:12,970 --> 00:04:11,569
things like that and it's just I think

96
00:04:15,069 --> 00:04:12,980
it's very very interesting but the

97
00:04:17,469 --> 00:04:15,079
majestic 12 documents appeared on film

98
00:04:20,289 --> 00:04:17,479
and were given to a guy called Jamie

99
00:04:22,810 --> 00:04:20,299
shandur a Timothy could got a touch with

100
00:04:26,740 --> 00:04:22,820
him and agreed agreed to publish them in

101
00:04:28,750 --> 00:04:26,750
this book he talks about a secret cabal

102
00:04:32,529 --> 00:04:28,760
of government officials high government

103
00:04:33,120 --> 00:04:32,539
officials who have been designated to

104
00:04:35,760 --> 00:04:33,130
handle

105
00:04:37,110 --> 00:04:35,770
the covert UFO operations which involves

106
00:04:39,540 --> 00:04:37,120
things such as crash retrievals the

107
00:04:41,700 --> 00:04:39,550
Roswell incident things like that which

108
00:04:44,160 --> 00:04:41,710
the the the majestic 12 documents of

109
00:04:48,030 --> 00:04:44,170
that if they are genuine are explosive

110
00:04:49,500 --> 00:04:48,040
because they are proof of the

111
00:04:51,450 --> 00:04:49,510
government's involvement in secret UFO

112
00:04:53,310 --> 00:04:51,460
operations the knowledge of these things

113
00:04:56,010 --> 00:04:53,320

exist and that there is an attempt to

114

00:04:59,190 --> 00:04:56,020

keep these things from the public very

115

00:05:00,420 --> 00:04:59,200

very interesting and indeed this book

116

00:05:02,670 --> 00:05:00,430

also contains the interviewed a guy

117

00:05:04,620 --> 00:05:02,680

called Admiral of the Admiral of the

118

00:05:06,600 --> 00:05:04,630

fleet Lord Hill Norton who you may well

119

00:05:09,810 --> 00:05:06,610

have heard of before sadly passed away

120

00:05:12,870 --> 00:05:09,820

now but he was a major he was a

121

00:05:14,850 --> 00:05:12,880

ufologist and very keen campaigner he's

122

00:05:17,040 --> 00:05:14,860

an exit political campaigner officer

123

00:05:21,510 --> 00:05:17,050

type similar to Sarah Geary he wanted to

124

00:05:23,970 --> 00:05:21,520

raise the issue of UFOs in the putti in

125

00:05:25,650 --> 00:05:23,980

the political sphere now Lord Hill

126

00:05:28,800 --> 00:05:25,660

Norton I mean is it kind of crying again

127

00:05:30,840 --> 00:05:28,810

we got us the skeptics say people are

128

00:05:32,910 --> 00:05:30,850

all crazy people who believe in UFOs are

129

00:05:36,960 --> 00:05:32,920

crazy and they portray it in a certain

130

00:05:39,420 --> 00:05:36,970

way as being loonies fringe freaky flaky

131

00:05:42,890 --> 00:05:39,430

people and people who sit with hillsides

132

00:05:45,570 --> 00:05:42,900

and things like that not Hill Norton was

133

00:05:47,190 --> 00:05:45,580

with her commanded a battleship and if

134

00:05:49,770 --> 00:05:47,200

an entire fleet during the Battle of the

135

00:05:52,850 --> 00:05:49,780

Atlantic in world war ii now he was on

136

00:05:55,230 --> 00:05:52,860

the organizing committee for nato he was

137

00:05:56,520 --> 00:05:55,240

chief for the defense staff which meant

138

00:05:58,890 --> 00:05:56,530

he was basically charge of Britain's

139

00:06:04,440 --> 00:05:58,900

armed forces and this included nuclear

140

00:06:06,090 --> 00:06:04,450

the nuclear weapons that Britain had so

141

00:06:08,490 --> 00:06:06,100

he's not the kind of person you would

142

00:06:11,010 --> 00:06:08,500

put in that kind of position if he was

143

00:06:12,360 --> 00:06:11,020

in any way mentally unstable but if I

144

00:06:14,130 --> 00:06:12,370

wonder if for one moment he was seen

145

00:06:15,960 --> 00:06:14,140

going off and standing on some hillside

146

00:06:17,730 --> 00:06:15,970

like wind wind heat pointing at the sky

147

00:06:19,230 --> 00:06:17,740

and things like that and such with

148

00:06:20,730 --> 00:06:19,240

cameras and telescopes looking for UFOs

149

00:06:22,290 --> 00:06:20,740

he would be removed from his

150

00:06:23,220 --> 00:06:22,300

responsibilities for those things

151

00:06:25,230 --> 00:06:23,230

without a doubt

152

00:06:28,350 --> 00:06:25,240

no no he's very very Lord he'll naught

153

00:06:30,690 --> 00:06:28,360

was very stable very very sane man

154

00:06:31,830 --> 00:06:30,700

indeed very rational and he tried to

155

00:06:34,170 --> 00:06:31,840

bring up the subject of UFOs in the

156

00:06:36,120 --> 00:06:34,180

House and Lords things like in the same

157

00:06:39,140 --> 00:06:36,130

way that sir Eric did in the United

158

00:06:42,480 --> 00:06:39,150

Nations so that is a book I think is

159

00:06:46,439 --> 00:06:42,490

definitely is a classic within UFO

160

00:06:49,209 --> 00:06:46,449

literature I believe next slide please

161

00:06:51,040 --> 00:06:49,219

and then in the early 1990s this man

162

00:06:53,379 --> 00:06:51,050

appeared this fine figure you see before

163

00:06:57,939 --> 00:06:53,389

you dr. Steven Greer

164

00:07:00,909 --> 00:06:57,949

now dr. Steven Greer is a he was a he

165

00:07:02,379 --> 00:07:00,919

was a he's a doctor he's head of a head

166

00:07:05,019 --> 00:07:02,389

of an emergency part department at a

167

00:07:06,640 --> 00:07:05,029

hospital in North Carolina and yes I'm

168

00:07:10,899 --> 00:07:06,650

just a country doctor from North

169

00:07:14,769 --> 00:07:10,909

Carolina Isis very very modest man

170

00:07:17,800 --> 00:07:14,779

indeed thoroughly modest but he sets up

171

00:07:18,879 --> 00:07:17,810

cset Edith um which is the Center for

172

00:07:20,980 --> 00:07:18,889

the Study of extraterrestrial

173

00:07:22,059 --> 00:07:20,990

intelligence not not to be confused with

174

00:07:29,200 --> 00:07:22,069

SETI the search for extraterrestrial

175

00:07:30,909 --> 00:07:29,210

intelligence extraterrestrial was point

176

00:07:33,339 --> 00:07:30,919

telescopes the skies are trying to pick

177

00:07:35,350 --> 00:07:33,349

up signals from other planets which is a

178

00:07:36,719 --> 00:07:35,360

bit redundant when you consider the

179

00:07:39,610 --> 00:07:36,729

other evidence we're discussing tonight

180

00:07:41,019 --> 00:07:39,620

so see SETI setup he also set up several

181

00:07:45,100 --> 00:07:41,029

other organizations including the

182

00:07:48,219 --> 00:07:45,110

disclosure project to try and basic and

183

00:07:49,809 --> 00:07:48,229

bring the subject of UFOs into the

184

00:07:52,119 --> 00:07:49,819

public domain and to raise its awareness

185

00:07:53,950 --> 00:07:52,129

on a political and personal and social

186

00:07:56,050 --> 00:07:53,960

level he wrote a book called hidden

187

00:07:57,550 --> 00:07:56,060

truth forbidden knowledge which talked

188

00:07:59,529 --> 00:07:57,560

about his own personal encounters with

189

00:08:01,360 --> 00:07:59,539

extraterrestrials he's interesting to

190

00:08:04,149 --> 00:08:01,370

read very interesting initial read

191

00:08:07,649 --> 00:08:04,159

indeed now all this he's work came to a

192

00:08:11,740 --> 00:08:07,659

head in 2001 next slide please

193

00:08:13,570 --> 00:08:11,750

and then Monday the 9th 2001 he went to

194

00:08:15,929 --> 00:08:13,580

the National Press Club and set up the

195

00:08:19,779 --> 00:08:15,939

disclosure project the press conference

196

00:08:20,889 --> 00:08:19,789

which was a four hour session the DVD

197

00:08:22,209 --> 00:08:20,899

was produced of it with the Hubble

198

00:08:24,999 --> 00:08:22,219

highlights just now and a half of

199

00:08:25,659 --> 00:08:25,009

highlights but this was streamed live on

200

00:08:27,670 --> 00:08:25,669

the Internet

201
00:08:29,769 --> 00:08:27,680
now into 2001 that's actually quite a

202
00:08:32,050 --> 00:08:29,779
rare thing the Internet's actually

203
00:08:34,269 --> 00:08:32,060
changed quite considerably and expanded

204
00:08:36,250 --> 00:08:34,279
and modernized and is far far more

205
00:08:40,329 --> 00:08:36,260
undeveloped now than it was just those

206
00:08:41,559 --> 00:08:40,339
few years ago and live streaming on the

207
00:08:43,089 --> 00:08:41,569
Internet was a very very rare thing

208
00:08:45,069 --> 00:08:43,099
that's very difficult and this

209
00:08:47,199 --> 00:08:45,079
particular live stream was the most

210
00:08:49,480 --> 00:08:47,209
popular ever in history at that time on

211
00:08:51,910 --> 00:08:49,490
the history of the internet over 20,000

212
00:08:55,000 --> 00:08:51,920
people logged in to watch this live at

213
00:08:56,330 --> 00:08:55,010

the National Press Club dr. Greer

214

00:08:57,560 --> 00:08:56,340

unassembled what he'd been do

215

00:08:59,990 --> 00:08:57,570

over the last few years he'd been

216

00:09:02,060 --> 00:09:00,000

collecting interviews with various

217

00:09:03,590 --> 00:09:02,070

witnesses involved from the military

218

00:09:06,020 --> 00:09:03,600

from the intelligence organizations from

219

00:09:09,200 --> 00:09:06,030

pilots air traffic control the

220

00:09:11,110 --> 00:09:09,210

government and the court even want to

221

00:09:13,490 --> 00:09:11,120

take people who decided to speak out

222

00:09:15,430 --> 00:09:13,500

even the space program astronauts as

223

00:09:18,700 --> 00:09:15,440

well from all over the world

224

00:09:21,230 --> 00:09:18,710

specifically the United States and

225

00:09:23,030 --> 00:09:21,240

basically published these as a video he

226

00:09:25,880 --> 00:09:23,040

made a DVD of this with the disclosure

227

00:09:27,530 --> 00:09:25,890

witness DVDs and videos and they were

228

00:09:28,970 --> 00:09:27,540

and and they're online as well you can

229

00:09:32,150 --> 00:09:28,980

see them on YouTube now you see this on

230

00:09:33,440 --> 00:09:32,160

YouTube as well but so next slide please

231

00:09:35,480 --> 00:09:33,450

sir Mike

232

00:09:37,040 --> 00:09:35,490

so these dr. Greer opening the

233

00:09:38,660 --> 00:09:37,050

conference well it was actually open to

234

00:09:40,970 --> 00:09:38,670

the National Press Club by famous actor

235

00:09:42,590 --> 00:09:40,980

I can't remember who it was and he

236

00:09:44,480 --> 00:09:42,600

introduced career and angrier came up

237

00:09:46,850 --> 00:09:44,490

and introduced him the various witnesses

238

00:09:48,410 --> 00:09:46,860

who came forward to speak and it was a

239

00:09:51,110 --> 00:09:48,420

remarkable that's a remarkable

240

00:09:53,210 --> 00:09:51,120

collection of testimonies very very

241

00:09:54,500 --> 00:09:53,220

credible indeed and when I'm going

242

00:09:56,570 --> 00:09:54,510

through some of the funds I think most

243

00:09:59,570 --> 00:09:56,580

important ones now so next one please

244

00:10:01,420 --> 00:09:59,580

Mike this is John Callahan now he was

245

00:10:04,280 --> 00:10:01,430

head of the Federal Aviation

246

00:10:06,170 --> 00:10:04,290

Administration's accident investigation

247

00:10:08,510 --> 00:10:06,180

department it's a very very high level

248

00:10:12,830 --> 00:10:08,520

man in the world of air traffic control

249

00:10:15,680 --> 00:10:12,840

air safety and a VA ssin and airway

250

00:10:18,110 --> 00:10:15,690

administration he has to deal with UFOs

251

00:10:20,090 --> 00:10:18,120

regularly reports from pilots of all

252

00:10:23,840 --> 00:10:20,100

clients reports from passengers reports

253

00:10:24,830 --> 00:10:23,850

from radar operators and one of the most

254

00:10:27,740 --> 00:10:24,840

interesting things you have to deal with

255

00:10:29,750 --> 00:10:27,750

is in 1986 when um two pilots from a

256

00:10:33,580 --> 00:10:29,760

Japanese cargo Airport are flying them

257

00:10:37,280 --> 00:10:33,590

close to Alaska well intercepted by a

258

00:10:39,560 --> 00:10:37,290

flat a sort of a bulky discs discus

259

00:10:41,420 --> 00:10:39,570

shaped object which was up to ten times

260

00:10:44,480 --> 00:10:41,430

the size of their aircraft and they were

261

00:10:47,210 --> 00:10:44,490

flying a Boeing 747 so we're talking

262

00:10:50,870 --> 00:10:47,220

about something monstrous larger than

263

00:10:53,180 --> 00:10:50,880

oil larger than oil tanker flying in the

264

00:10:54,860 --> 00:10:53,190

air next to them and at these two

265

00:10:57,800 --> 00:10:54,870

parties both the pilots that they saw it

266

00:11:00,020 --> 00:10:57,810

very very very credible to place indeed

267

00:11:02,120 --> 00:11:00,030

it was reported there's a radar evidence

268

00:11:03,830 --> 00:11:02,130

there is a testimony and there's

269

00:11:05,930 --> 00:11:03,840

recordings of the air traffic control

270

00:11:07,460 --> 00:11:05,940

conversation there's a transcript of the

271

00:11:08,930 --> 00:11:07,470

conversation

272

00:11:10,550 --> 00:11:08,940

very very important thing that he

273

00:11:15,199 --> 00:11:10,560

discovered and this guy had to deal with

274

00:11:16,730 --> 00:11:15,209

it he's there on stage and um he's he's

275

00:11:18,980 --> 00:11:16,740

not he's not scared to speak out and

276

00:11:21,670 --> 00:11:18,990

face ridicule if necessary next one

277

00:11:29,780 --> 00:11:24,139

Tara hi Josh chuckling never remember

278

00:11:31,550 --> 00:11:29,790

that guy's name was he all right Steve

279

00:11:32,990 --> 00:11:31,560

have you heard Steve he said that the

280

00:11:34,400 --> 00:11:33,000

kid Nick the pilot of the aircraft one

281

00:11:36,170 --> 00:11:34,410

of the points was actually grounded as a

282

00:11:39,350 --> 00:11:36,180

result of his encounter which again

283

00:11:41,240 --> 00:11:39,360

you've got to say okay skeptics where's

284

00:11:41,600 --> 00:11:41,250

the career movies is this a wise career

285

00:11:43,999 --> 00:11:41,610

move

286

00:11:46,309 --> 00:11:44,009

why do people make this stuff up when

287

00:11:47,809 --> 00:11:46,319

they don't actually get a lot from it in

288

00:11:49,340 --> 00:11:47,819

fact they help them pay off they sort of

289

00:11:52,009 --> 00:11:49,350

speaking out on this subject often comes

290

00:11:53,689 --> 00:11:52,019

with a terrible cost this guy here is

291

00:11:55,550 --> 00:11:53,699

some chat with Charlie Brown Charles

292

00:11:58,900 --> 00:11:55,560

Brown left Helen Caltrans Brown retired

293

00:12:01,730 --> 00:11:58,910

he's a world war two veteran a pilot and

294

00:12:04,639 --> 00:12:01,740

he was involved with project grudge

295

00:12:06,439 --> 00:12:04,649

project sign and project blue book which

296

00:12:10,790 --> 00:12:06,449

was the US government's last official

297

00:12:13,850 --> 00:12:10,800

investigation into UFOs and he is um he

298

00:12:16,699 --> 00:12:13,860

has signed affidavit and he is another's

299

00:12:18,590 --> 00:12:16,709

means that basically he he's saying what

300

00:12:20,150 --> 00:12:18,600

he says is true and if he's if he's

301

00:12:23,540 --> 00:12:20,160

lying he gets he'll getting into trouble

302

00:12:25,579 --> 00:12:23,550

as a result this affidavit but he has

303

00:12:27,290 --> 00:12:25,589

said that he but he believes that the

304

00:12:28,999 --> 00:12:27,300

phenomenon is very very real indeed he's

305

00:12:31,819 --> 00:12:29,009

investigated and he said it's very very

306

00:12:34,790 --> 00:12:31,829

real indeed and he's willing to testify

307

00:12:37,160 --> 00:12:34,800

under oath before the US Congress that

308

00:12:40,160 --> 00:12:37,170

what he's saying is true and so these

309

00:12:42,199 --> 00:12:40,170

are very very he's very very these are

310

00:12:45,380 --> 00:12:42,209

not statements that can be naught next

311

00:12:51,920 --> 00:12:49,610

this is Captain Robert Salas now again

312

00:12:53,750 --> 00:12:51,930

skeptics I brought this up with my

313

00:12:55,730 --> 00:12:53,760

disgust Lord Hill Norton what does they

314

00:12:57,740 --> 00:12:55,740

say about us let's get the what skeptics

315

00:13:00,139 --> 00:12:57,750

say about believers in UFOs is that we

316

00:13:03,139 --> 00:13:00,149

we often exhibits a possible mental

317

00:13:05,540 --> 00:13:03,149

problems schizotypal disorders is one of

318

00:13:07,790 --> 00:13:05,550

the things they talk about my commitment

319

00:13:09,860 --> 00:13:07,800

own small neuroses minor neuroses and

320

00:13:13,100 --> 00:13:09,870

psychoses and skip the skip its gets the

321

00:13:15,530 --> 00:13:13,110

title disorders with freaky people we

322

00:13:17,360 --> 00:13:15,540

wear tinfoil hats we stand on hillsides

323

00:13:20,569 --> 00:13:17,370

with our hands in the air things like

324

00:13:23,690 --> 00:13:20,579

that and this man Captain Robert Salas

325

00:13:26,060 --> 00:13:23,700

was meant he he had a job his job meant

326

00:13:28,100 --> 00:13:26,070

that as it by his very definition meant

327

00:13:30,019 --> 00:13:28,110

that his mental health was more

328

00:13:33,050 --> 00:13:30,029

carefully screened than anyone else in

329

00:13:35,889 --> 00:13:33,060

the world because this guy's job was to

330

00:13:39,410 --> 00:13:35,899

have his finger on the nuclear button

331

00:13:40,720 --> 00:13:39,420

Catherine what the Salas was he was that

332

00:13:44,410 --> 00:13:40,730

he was the end of a chain of command

333

00:13:49,490 --> 00:13:44,420

within which he would actually activate

334

00:13:50,900 --> 00:13:49,500

America's nuclear deterrent he sat in

335

00:13:54,650 --> 00:13:50,910

his bunk it was called a capsule this

336

00:13:55,699 --> 00:13:54,660

bunker and he operated a certain number

337

00:13:56,900 --> 00:13:55,709

of missile turret order came through

338

00:13:59,150 --> 00:13:56,910

from to launch the missile as he would

339

00:14:00,710 --> 00:13:59,160

launch these missiles if this guy got a

340

00:14:01,340 --> 00:14:00,720

screw loose it'll be the end of the

341

00:14:06,110 --> 00:14:01,350

world

342

00:14:07,460 --> 00:14:06,120

totally so I mean I actually met captain

343

00:14:08,540 --> 00:14:07,470

Salas a couple of years ago he was at

344

00:14:11,030 --> 00:14:08,550

one of the UFO truth magazine

345

00:14:12,680 --> 00:14:11,040

conferences and he was talking about his

346

00:14:14,600 --> 00:14:12,690

job and he said oh my job was very

347

00:14:16,730 --> 00:14:14,610

boring very boring indeed he said that

348

00:14:19,009 --> 00:14:16,740

was good because it ever got interesting

349

00:14:20,810 --> 00:14:19,019

that'll be my last day on earth and

350

00:14:27,920 --> 00:14:20,820

it'll be the last day on earth for us

351

00:14:30,199 --> 00:14:27,930

all so it's the idea that it's going the

352

00:14:32,060 --> 00:14:30,209

skeptics I'll say the skeptics you know

353

00:14:34,000 --> 00:14:32,070

really please do think twice before

354

00:14:37,220 --> 00:14:34,010

making comments like this about people

355

00:14:39,259 --> 00:14:37,230

all right because it's it doesn't it's

356

00:14:41,030 --> 00:14:39,269

not just an insult to captain Salas

357

00:14:44,870 --> 00:14:41,040

there is an insult to our intelligence

358

00:14:46,550 --> 00:14:44,880

it's it's embarrassing for them to say

359

00:14:49,329 --> 00:14:46,560

something so stupid and it displays

360

00:14:53,030 --> 00:14:49,339

their even so badly it really does

361

00:14:54,269 --> 00:14:53,040

I'm cactus ours had in 1964 he was from

362

00:14:56,069 --> 00:14:54,279

that work as you

363

00:14:59,610 --> 00:14:56,079

it is bunker 60 feet below the ground

364

00:15:01,350 --> 00:14:59,620

and waiting for the order if it came

365

00:15:03,239 --> 00:15:01,360

which one companies in a coded message

366

00:15:05,759 --> 00:15:03,249

which they would then get out is him and

367

00:15:07,559 --> 00:15:05,769

his fellow calmness miss I'll come back

368

00:15:08,670 --> 00:15:07,569

the launcher would get out the triggers

369

00:15:10,799 --> 00:15:08,680

and they press the buttons and Morse the

370

00:15:12,299 --> 00:15:10,809

missiles if out if that code is order

371

00:15:14,549 --> 00:15:12,309

came through they would do it definitely

372

00:15:16,499 --> 00:15:14,559

he was waiting for that and he was there

373

00:15:17,759 --> 00:15:16,509

and suddenly the security guard above

374

00:15:19,769 --> 00:15:17,769

ground above the bunker where there's

375

00:15:21,869 --> 00:15:19,779

the entrance of the bunker he phoned out

376

00:15:23,549 --> 00:15:21,879

saying oh captain there's some strange

377

00:15:26,939 --> 00:15:23,559

things going on up here we see some

378

00:15:29,100 --> 00:15:26,949

strange red lights just outside the gate

379

00:15:30,569 --> 00:15:29,110

just hovering there and he said okay

380

00:15:32,280 --> 00:15:30,579

I'll just keep an eye on things make

381

00:15:34,470 --> 00:15:32,290

sure everything's okay and it suddenly

382

00:15:37,079 --> 00:15:34,480

he's miss suck that the missiles on the

383

00:15:38,939 --> 00:15:37,089

on the display board where he they

384

00:15:40,259 --> 00:15:38,949

suddenly started switching off and you

385

00:15:41,999 --> 00:15:40,269

press the bunch drying him start again

386

00:15:43,499 --> 00:15:42,009

they wouldn't come on there well they

387

00:15:45,869 --> 00:15:43,509

just broke down just like that all of

388

00:15:47,040 --> 00:15:45,879

them at once should be impossible and it

389

00:15:48,960 --> 00:15:47,050

was a couple of weeks now to get them

390

00:15:49,949 --> 00:15:48,970

there to get the engineers outside

391

00:15:50,939 --> 00:15:49,959

looked at it was got a couple of weeks

392

00:15:54,749 --> 00:15:50,949

before they could get them back working

393

00:15:56,280 --> 00:15:54,759

again at the very same time and they've

394

00:15:58,139 --> 00:15:56,290

been so this was in 1964 there's been

395

00:15:59,730 --> 00:15:58,149

other events since then not just on I'm

396

00:16:01,230 --> 00:15:59,740

not just only on the western side either

397

00:16:05,040 --> 00:16:01,240

but in the Soviet missile launching

398

00:16:07,199 --> 00:16:05,050

facility still similar events so it

399

00:16:08,699 --> 00:16:07,209

seems that the UFOs have an interest in

400

00:16:11,040 --> 00:16:08,709

our nuclear weapons as many many other

401
00:16:12,269 --> 00:16:11,050
cases of UFOs and involving nuclear

402
00:16:14,730 --> 00:16:12,279
weapons like the Rendlesham forest

403
00:16:18,240 --> 00:16:14,740
incident for example but they seem to

404
00:16:19,590 --> 00:16:18,250
have a no they seem knives have an

405
00:16:23,850 --> 00:16:19,600
interest in it but they often sometimes

406
00:16:25,829 --> 00:16:23,860
display their ability to control these

407
00:16:27,179 --> 00:16:25,839
weapons perhaps shut them now which is

408
00:16:30,179 --> 00:16:27,189
actually quite good news when you think

409
00:16:31,679 --> 00:16:30,189
about it isn't it's only that time that

410
00:16:33,150 --> 00:16:31,689
I came when we that when the

411
00:16:35,400 --> 00:16:33,160
government's would actually act try to

412
00:16:39,030 --> 00:16:35,410
launch these things

413
00:16:43,330 --> 00:16:42,460

this is my heart isn't no way convert

414

00:16:47,560 --> 00:16:43,340

okay

415

00:16:50,410 --> 00:16:47,570

I'm having a porter in moment this man

416

00:16:52,480 --> 00:16:50,420

wolf Karl wolf sorry sorry Karl this

417

00:16:56,680 --> 00:16:52,490

case is Karl wolf I'm next slide please

418

00:16:59,940 --> 00:16:56,690

and this is Donna hair these two people

419

00:17:02,740 --> 00:16:59,950

work for NASA and they were involved in

420

00:17:08,140 --> 00:17:02,750

processing photographs from the space

421

00:17:10,150 --> 00:17:08,150

program and they would bring in photos

422

00:17:12,070 --> 00:17:10,160

that came from a very special mission of

423

00:17:13,510 --> 00:17:12,080

the Apollo program for example various

424

00:17:14,920 --> 00:17:13,520

probes that were sent to the moon this

425

00:17:16,930 --> 00:17:14,930

is before this was before they started

426

00:17:20,260 --> 00:17:16,940

sending craft of Mars another placing

427

00:17:22,930 --> 00:17:20,270

like this and these guys have revealed

428

00:17:25,560 --> 00:17:22,940

that NASA would actually dr. photographs

429

00:17:28,090 --> 00:17:25,570

before publishing them to the media so

430

00:17:29,980 --> 00:17:28,100

if n photograph came down they would

431

00:17:31,450 --> 00:17:29,990

actually look at some they get someone

432

00:17:33,550 --> 00:17:31,460

to look it over and they said well we've

433

00:17:35,200 --> 00:17:33,560

been on you're gonna just Rob that bit

434

00:17:37,540 --> 00:17:35,210

now you're gonna airbrush or little lump

435

00:17:39,520 --> 00:17:37,550

or maybe just cutting out to crop that

436

00:17:41,830 --> 00:17:39,530

photo a bit to get rid of that thing and

437

00:17:44,500 --> 00:17:41,840

then that will then be presented to the

438

00:17:46,660 --> 00:17:44,510

media and the things that were cropped

439

00:17:50,200 --> 00:17:46,670

out and we'll remove the airbrushed out

440

00:17:53,200 --> 00:17:50,210

were fly unidentified flying objects in

441

00:17:55,840 --> 00:17:53,210

photographed in space we're sitting

442

00:17:57,460 --> 00:17:55,850

because a lot of astronauts gennady's

443

00:18:01,870 --> 00:17:57,470

from the Russians like an artist Rick

444

00:18:05,190 --> 00:18:01,880

Karloff Colonel Gordon Cooper Apollo 11

445

00:18:10,210 --> 00:18:05,200

astronaut Buzz Aldrin have all reported

446

00:18:13,720 --> 00:18:10,220

seeing strange things in space and they

447

00:18:15,430 --> 00:18:13,730

spoke openly about Aldrin and actually

448

00:18:16,510 --> 00:18:15,440

Cooper as he made reports the mission

449

00:18:17,560 --> 00:18:16,520

patrol you can these are actually

450

00:18:19,570 --> 00:18:17,570

recorded you can hear them they're

451

00:18:20,710 --> 00:18:19,580

online when I say oh there's a

452

00:18:20,950 --> 00:18:20,720

spacecraft think they said well it's

453

00:18:22,450 --> 00:18:20,960

something

454

00:18:24,370 --> 00:18:22,460

no sale is it those are you off out

455

00:18:26,020 --> 00:18:24,380

there you just say cut the use code like

456

00:18:28,270 --> 00:18:26,030

a bogeys 10 o'clock high things like

457

00:18:29,620 --> 00:18:28,280

that but there's been other there's

458

00:18:31,510 --> 00:18:29,630

other examples of astronauts speaking

459

00:18:33,100 --> 00:18:31,520

out about this another thing that the

460

00:18:36,010 --> 00:18:33,110

NASA were doing was they looked at

461

00:18:37,810 --> 00:18:36,020

pictures of the moon itself will beam

462

00:18:38,920 --> 00:18:37,820

and these include pictures of the Dark

463

00:18:40,990 --> 00:18:38,930

Side of the Moon that's what it's not

464

00:18:42,760 --> 00:18:41,000

dark it's it's called that but it's the

465

00:18:43,900 --> 00:18:42,770

father thus I thought our farthest away

466

00:18:44,800 --> 00:18:43,910

from the earth facing away from the

467

00:18:46,840 --> 00:18:44,810

earth

468

00:18:48,400 --> 00:18:46,850

we're its color they can't be seen by

469

00:18:50,590 --> 00:18:48,410

astronomers from the from the ground

470

00:18:53,440 --> 00:18:50,600

there are actually artificial structures

471

00:18:55,030 --> 00:18:53,450

there and that's that we're removing

472

00:18:57,070 --> 00:18:55,040

those before publishing this to the meat

473

00:18:59,170 --> 00:18:57,080

for me strategists are obviously these

474

00:19:00,160 --> 00:18:59,180

obviously buildings the laws are these

475

00:19:03,790 --> 00:19:00,170

obviously constructions

476
00:19:05,170 --> 00:19:03,800
built by or you know as if they've been

477
00:19:07,840 --> 00:19:05,180
built by humans which they may have I

478
00:19:09,460 --> 00:19:07,850
don't know with other missions we don't

479
00:19:12,160 --> 00:19:09,470
know about might have built them or

480
00:19:14,470 --> 00:19:12,170
built by something else it's not human

481
00:19:16,360 --> 00:19:14,480
or maybe a joint combined effort you

482
00:19:20,650 --> 00:19:16,370
know no but either way NASA was actually

483
00:19:22,840 --> 00:19:20,660
removing this evidence from the from the

484
00:19:26,050 --> 00:19:22,850
public record from published to media

485
00:19:27,970 --> 00:19:26,060
and data that was given to the media and

486
00:19:30,430 --> 00:19:27,980
these two people Donna here and Karl

487
00:19:32,530 --> 00:19:30,440
Wolfe knew about it and they both

488
00:19:34,030 --> 00:19:32,540

independently come forward and sets up

489

00:19:36,370 --> 00:19:34,040

and interesting in the last couple years

490

00:19:38,440 --> 00:19:36,380

a third person has come forward the

491

00:19:41,710 --> 00:19:38,450

comrade was named now he's come forward

492

00:19:42,930 --> 00:19:41,720

to say exactly the same thing next slide

493

00:19:46,660 --> 00:19:42,940

please

494

00:19:48,940 --> 00:19:46,670

this is Larry Warren now this man I

495

00:19:50,800 --> 00:19:48,950

think is the most important witness of

496

00:19:52,720 --> 00:19:50,810

to the Rendlesham forest incident and

497

00:19:54,340 --> 00:19:52,730

there's many many folk very vociferous

498

00:19:56,050 --> 00:19:54,350

claims to the contrary but some I don't

499

00:19:57,280 --> 00:19:56,060

go along them having looked at the

500

00:19:59,430 --> 00:19:57,290

evidence have a read his book he's

501
00:20:02,560 --> 00:19:59,440
written a book called left at Eastgate

502
00:20:04,210 --> 00:20:02,570
and I've got and I've got to know him

503
00:20:06,640 --> 00:20:04,220
personally actually I've spoken to him

504
00:20:08,320 --> 00:20:06,650
the evidence is done deniable that he

505
00:20:10,060 --> 00:20:08,330
had a remarkable experience and it has

506
00:20:12,100 --> 00:20:10,070
affected him and still affects him to

507
00:20:16,000 --> 00:20:12,110
this day he's mental and physical health

508
00:20:19,150 --> 00:20:16,010
he's has been harmed by Idzik that what

509
00:20:21,400 --> 00:20:19,160
happened to him in December 1980 where a

510
00:20:24,850 --> 00:20:21,410
lot of some object came down to earth

511
00:20:27,100 --> 00:20:24,860
near a US nuclear armed base and this

512
00:20:29,970 --> 00:20:27,110
guy was one of the security police who

513
00:20:32,590 --> 00:20:29,980

sent how to deal with it

514

00:20:34,830 --> 00:20:32,600

that was really it again we see this

515

00:20:39,820 --> 00:20:34,840

connection between nuclear weapons and

516

00:20:41,560 --> 00:20:39,830

UFOs so that's that's a no that's an

517

00:20:44,260 --> 00:20:41,570

interesting that that comes up again and

518

00:20:47,720 --> 00:20:44,270

again and again next slide please

519

00:20:51,049 --> 00:20:47,730

this is George filer now he was a he was

520

00:20:52,909 --> 00:20:51,059

a pilot he was an actual he was a pilot

521

00:20:54,919 --> 00:20:52,919

of a jet aircraft in the US Air Force

522

00:20:58,070 --> 00:20:54,929

and one of his shots he had to eat

523

00:20:59,780 --> 00:20:58,080

actually fly out and intercept UFOs and

524

00:21:02,539 --> 00:20:59,790

he was ordered occasionally to get very

525

00:21:04,700 --> 00:21:02,549

big as close as he could to UFOs at one

526
00:21:06,560 --> 00:21:04,710
point he was cruising at 30,000 feet and

527
00:21:08,960 --> 00:21:06,570
he was told to immediately descend to

528
00:21:11,030 --> 00:21:08,970
10,000 feet not to quite a dangerous

529
00:21:12,560 --> 00:21:11,040
thing to do in a high-speed aircraft and

530
00:21:15,169 --> 00:21:12,570
he did it because he had to train to set

531
00:21:17,450 --> 00:21:15,179
this UFO and he often took it quite

532
00:21:19,010 --> 00:21:17,460
close to them but then they would zoom

533
00:21:21,440 --> 00:21:19,020
away very quickly faster than any

534
00:21:22,760 --> 00:21:21,450
aircraft would go so and he's he's

535
00:21:24,110 --> 00:21:22,770
another guy who's willing to swear in

536
00:21:37,410 --> 00:21:24,120
front of Congress and he's signed an

537
00:21:41,860 --> 00:21:39,250
now this lady's one of the most

538
00:21:43,950 --> 00:21:41,870

interesting witnesses of all this is

539

00:21:46,270 --> 00:21:43,960

Carol rosin now she was a friend of

540

00:21:50,590 --> 00:21:46,280

laverna von Braun who was the rocket

541

00:21:53,260 --> 00:21:50,600

scientist a former Nazi rocket designer

542

00:21:55,360 --> 00:21:53,270

of missiles the v1 and v2 missile which

543

00:21:58,080 --> 00:21:55,370

was a wielded against this country in

544

00:22:00,840 --> 00:21:58,090

World War two after the war he was

545

00:22:03,160 --> 00:22:00,850

appropriated by Operation Paperclip and

546

00:22:06,130 --> 00:22:03,170

works on the space program and designed

547

00:22:07,300 --> 00:22:06,140

the Apollo rockets which essentially are

548

00:22:11,290 --> 00:22:07,310

very very similar in design to those

549

00:22:12,370 --> 00:22:11,300

missiles and no he said what he says I

550

00:22:16,420 --> 00:22:12,380

think I'm going to bring this up again

551
00:22:19,080 --> 00:22:16,430
because he said that the government he

552
00:22:21,460 --> 00:22:19,090
told her that the government would

553
00:22:23,890 --> 00:22:21,470
manipulate information on UFOs they

554
00:22:25,810 --> 00:22:23,900
wouldn't necessarily they wouldn't just

555
00:22:29,140 --> 00:22:25,820
try to suppress it that time would come

556
00:22:31,450 --> 00:22:29,150
when they may try to reveal the truth

557
00:22:33,790 --> 00:22:31,460
about UFOs but it wouldn't be a real

558
00:22:35,410 --> 00:22:33,800
revelation so they'll come and say yes

559
00:22:38,320 --> 00:22:35,420
UFOs are real or be a disclosure but

560
00:22:40,900 --> 00:22:38,330
it'll be a fake disclosure and it would

561
00:22:43,600 --> 00:22:40,910
probably be she believed that it would

562
00:22:46,150 --> 00:22:43,610
be something like they're real but

563
00:22:48,210 --> 00:22:46,160

they're bad they're evil and so we need

564

00:22:50,470 --> 00:22:48,220

to unite and fight against these aliens

565

00:22:52,330 --> 00:22:50,480

and he said government could the

566

00:22:54,430 --> 00:22:52,340

government put comes could be very very

567

00:22:55,750 --> 00:22:54,440

desperate to the point where that would

568

00:22:57,340 --> 00:22:55,760

actually happen then they would actually

569

00:23:00,250 --> 00:22:57,350

play that card against there's a

570

00:23:03,220 --> 00:23:00,260

psychological warfare card against us to

571

00:23:05,230 --> 00:23:03,230

try and as a last resort to try and

572

00:23:06,670 --> 00:23:05,240

introduce introduce authoritarian

573

00:23:09,610 --> 00:23:06,680

government so never on brownies

574

00:23:10,510 --> 00:23:09,620

interestingly he predicted the end of

575

00:23:12,340 --> 00:23:10,520

the Cold War

576

00:23:13,900 --> 00:23:12,350

pretty much when it actually happened

577

00:23:16,060 --> 00:23:13,910

and also the rise of international

578

00:23:18,510 --> 00:23:16,070

terrorism as a replacement for that Cold

579

00:23:21,730 --> 00:23:18,520

War and as the major threat to

580

00:23:23,230 --> 00:23:21,740

civilization on earth so very very

581

00:23:24,760 --> 00:23:23,240

interesting indeed and this lady

582

00:23:26,020 --> 00:23:24,770

speaking out it's very very interesting

583

00:23:28,690 --> 00:23:26,030

things she has to say

584

00:23:31,530 --> 00:23:28,700

everything is very much indeed next one

585

00:23:36,960 --> 00:23:34,550

but just like with the Gary initiative

586

00:23:40,020 --> 00:23:36,970

real world events dragged every went

587

00:23:42,780 --> 00:23:40,030

back down to earth and the and the

588

00:23:44,520 --> 00:23:42,790

momentum that was generated was he

589

00:23:46,290 --> 00:23:44,530

normal I mean the momentum was generated

590

00:23:50,010 --> 00:23:46,300

it was crushed the momentum on May the

591

00:23:51,630 --> 00:23:50,020

9th 20,000 people watch this it was the

592

00:23:53,580 --> 00:23:51,640

recordings of it were watched on online

593

00:23:55,080 --> 00:23:53,590

this is before YouTube but it was

594

00:23:57,810 --> 00:23:55,090

watched on various video sharing sites

595

00:23:59,640 --> 00:23:57,820

again and again and again the press were

596

00:24:01,380 --> 00:23:59,650

very interested in it there was a lot of

597

00:24:04,440 --> 00:24:01,390

media attention it got into the

598

00:24:06,030 --> 00:24:04,450

mainstream quite considerably and so is

599

00:24:10,140 --> 00:24:06,040

similar to the Gary initiative in that

600

00:24:13,230 --> 00:24:10,150

sense a real momentum was building and

601
00:24:16,650 --> 00:24:13,240
people were very very optimistic and on

602
00:24:19,080 --> 00:24:16,660
September the 11th 2001 9/11 happened

603
00:24:21,930 --> 00:24:19,090
and it was all gone it was completely in

604
00:24:24,420 --> 00:24:21,940
a single day all that good work was

605
00:24:26,340 --> 00:24:24,430
undone and Basset Steve Bassett someone

606
00:24:27,810 --> 00:24:26,350
talked about later Steven Greer they all

607
00:24:32,400 --> 00:24:27,820
say this they will say was an awful

608
00:24:33,660 --> 00:24:32,410
thing but that happened because it's who

609
00:24:35,760 --> 00:24:33,670
knows what would have happened with the

610
00:24:39,270 --> 00:24:35,770
disclosure process if 9/11 had not

611
00:24:42,740 --> 00:24:39,280
happened by inevitably leads to the

612
00:24:48,230 --> 00:24:42,750
question was 9/11 done specifically to

613
00:24:50,790 --> 00:24:48,240

prevent that that's a disclosure project

614

00:24:53,880 --> 00:24:50,800

movement was it done to quash it to

615

00:24:55,050 --> 00:24:53,890

distract people away from it now as I

616

00:24:57,750 --> 00:24:55,060

said I don't believe that was the case

617

00:25:00,420 --> 00:24:57,760

of the Gary initiative I'm not so

618

00:25:02,310 --> 00:25:00,430

confident now with with this particular

619

00:25:05,460 --> 00:25:02,320

event this there's more more recent

620

00:25:07,500 --> 00:25:05,470

example of the same thing there may be

621

00:25:09,750 --> 00:25:07,510

many reasons why 9/11 was done probably

622

00:25:12,440 --> 00:25:09,760

more than one certainly I was certainly

623

00:25:14,670 --> 00:25:12,450

more than one this could be one of them

624

00:25:16,110 --> 00:25:14,680

there's no doubt though that if you were

625

00:25:20,520 --> 00:25:16,120

again if you were the keeper of the

626
00:25:21,990 --> 00:25:20,530
secret of UFOs and something like this

627
00:25:23,490 --> 00:25:22,000
happened and and were you were you at

628
00:25:24,840 --> 00:25:23,500
you you were watching the disclosure

629
00:25:26,880 --> 00:25:24,850
project press conference and you thought

630
00:25:30,000 --> 00:25:26,890
this is trouble this is real trouble

631
00:25:30,840 --> 00:25:30,010
then 9/11 comes along you become thank

632
00:25:33,690 --> 00:25:30,850
God for that

633
00:25:35,100 --> 00:25:33,700
God we were lucky there weren't we even

634
00:25:37,920 --> 00:25:35,110
better and you could bet that they would

635
00:25:40,290 --> 00:25:37,930
take advantage of this situation even if

636
00:25:41,760 --> 00:25:40,300
they hadn't created it for that and for

637
00:25:43,470 --> 00:25:41,770
these created it for that purpose or

638
00:25:46,530 --> 00:25:43,480

someone they weren't part of that we

639

00:25:50,520 --> 00:25:46,540

created it for whatever purpose so yes

640

00:25:56,060 --> 00:25:50,530

very very sad indeed but again from the

641

00:25:58,860 --> 00:25:58,560

now it's dr. Steven great has not gone

642

00:26:00,930 --> 00:25:58,870

away

643

00:26:03,060 --> 00:26:00,940

he's still hard at work and he still

644

00:26:04,890 --> 00:26:03,070

were doing his stuff in the East um

645

00:26:06,210 --> 00:26:04,900

buying more things he's still speaking

646

00:26:07,890 --> 00:26:06,220

he's still making movies he's still

647

00:26:09,930 --> 00:26:07,900

doing various press conferences and

648

00:26:11,250 --> 00:26:09,940

interviews and here he is doing an A in

649

00:26:12,720 --> 00:26:11,260

a debate everybody heated debate

650

00:26:14,240 --> 00:26:12,730

actually with Kerry Cassidy at Project

651
00:26:16,620 --> 00:26:14,250
Camelot

652
00:26:17,850 --> 00:26:16,630
now you can watch this on youtube it's

653
00:26:19,170 --> 00:26:17,860
quite it's quite long as my son

654
00:26:21,240 --> 00:26:19,180
hour-and-a-half was over they just

655
00:26:23,640 --> 00:26:21,250
basically active hammer and tongs bill

656
00:26:25,350 --> 00:26:23,650
Ryan they Kerry's colleague is there

657
00:26:26,700 --> 00:26:25,360
he's he's almost silent it's just

658
00:26:28,410 --> 00:26:26,710
basically these two of having a go at

659
00:26:32,250 --> 00:26:28,420
each other and it does get quite

660
00:26:34,800 --> 00:26:32,260
vitriolic I'm very very you're very very

661
00:26:36,810 --> 00:26:34,810
um fueled and it's actually quite

662
00:26:40,320 --> 00:26:36,820
amusing to watch I must say I did enjoy

663
00:26:43,080 --> 00:26:40,330

it but the fact of the matter is though

664

00:26:44,490 --> 00:26:43,090

it's the answer what is actually stake

665

00:26:46,110 --> 00:26:44,500

is very very interesting indeed and I'm

666

00:26:50,910 --> 00:26:46,120

gonna this is a very very important

667

00:26:54,630 --> 00:26:50,920

question the the origins know this what

668

00:26:56,310 --> 00:26:54,640

caused this Rao was that dr. Stephen

669

00:26:58,170 --> 00:26:56,320

Korea has when he talks about the

670

00:26:59,970 --> 00:26:58,180

extraterrestrials he talks about them as

671

00:27:03,350 --> 00:26:59,980

benevolent he believes that they are all

672

00:27:05,940 --> 00:27:03,360

benevolent beings they are loving

673

00:27:07,890 --> 00:27:05,950

spiritually advanced and only want good

674

00:27:09,510 --> 00:27:07,900

for the world all of them and they're

675

00:27:11,370 --> 00:27:09,520

having you think where they come from

676

00:27:12,630 --> 00:27:11,380

out there but then we put the only

677

00:27:14,520 --> 00:27:12,640

problems the only evil comes from us

678

00:27:16,170 --> 00:27:14,530

down here on earth the humans we're the

679

00:27:18,120 --> 00:27:16,180

only bad guys on the block all the

680

00:27:19,620 --> 00:27:18,130

others are good we're the ones but were

681

00:27:21,450 --> 00:27:19,630

the only ones with a problem and there's

682

00:27:25,440 --> 00:27:21,460

no danger to off many extraterrestrials

683

00:27:27,660 --> 00:27:25,450

they're all nice and Kerry Cassidy wrote

684

00:27:29,730 --> 00:27:27,670

an article on her blog basically saying

685

00:27:31,440 --> 00:27:29,740

that's not true and she was quite

686

00:27:32,970 --> 00:27:31,450

vehement about that I actually agree

687

00:27:34,950 --> 00:27:32,980

with her I think she was run a bit over

688

00:27:36,180 --> 00:27:34,960

the top but I agree with her on that and

689

00:27:37,770 --> 00:27:36,190

I'll say a bit more about that in a

690

00:27:41,160 --> 00:27:37,780

little while but anyway this led to this

691

00:27:43,890 --> 00:27:41,170

very very heated barrage of various

692

00:27:45,300 --> 00:27:43,900

insult another veiled microaggressions

693

00:27:46,680 --> 00:27:45,310

towards each other it's quite funny to

694

00:27:49,410 --> 00:27:46,690

watch next slide please

695

00:27:50,710 --> 00:27:49,420

mm-hmm and here we see dr. Steven Greer

696

00:27:55,030 --> 00:27:50,720

boasting again

697

00:27:56,500 --> 00:27:55,040

a likely story Steve and Kerry Cassidy I

698

00:27:58,590 --> 00:27:56,510

think she can see through it cuz he she

699

00:28:03,630 --> 00:27:58,600

don't know very impressed there does she

700

00:28:05,950 --> 00:28:03,640

know as he said next slide please

701
00:28:09,820 --> 00:28:05,960
dot steamer is recently released this

702
00:28:11,530 --> 00:28:09,830
movie serious now this is actually worth

703
00:28:13,690 --> 00:28:11,540
watching although it's there's not much

704
00:28:15,340 --> 00:28:13,700
original in there I must say there's

705
00:28:18,340 --> 00:28:15,350
lots of pictures of Gris himself wearing

706
00:28:21,820 --> 00:28:18,350
tight jeans which I expected in fact I

707
00:28:22,930 --> 00:28:21,830
think other half the shots or that but

708
00:28:24,280 --> 00:28:22,940
he there's a couple of interesting

709
00:28:26,020 --> 00:28:24,290
things eventually she's doing some

710
00:28:27,940 --> 00:28:26,030
scientific analysis of a little body

711
00:28:30,610 --> 00:28:27,950
called he calls at Sur this Atacama

712
00:28:33,820 --> 00:28:30,620
humanoid how many of you are familiar

713
00:28:35,740 --> 00:28:33,830

with the crystal and the Starchild skull

714

00:28:37,870 --> 00:28:35,750

do you know about that yeah that's

715

00:28:39,280 --> 00:28:37,880

that's a very I think that's a more

716

00:28:41,770 --> 00:28:39,290

interesting case it's a more advanced

717

00:28:43,300 --> 00:28:41,780

research project on this one we're still

718

00:28:44,380 --> 00:28:43,310

waiting for the what to find out what

719

00:28:46,510 --> 00:28:44,390

they had to cut this tiny little

720

00:28:49,450 --> 00:28:46,520

creature is that he's discovered just

721

00:28:51,310 --> 00:28:49,460

worth watching serious it is so great

722

00:28:53,410 --> 00:28:51,320

he's still at work and he's still doing

723

00:28:55,780 --> 00:28:53,420

his thing he's as controversial as ever

724

00:28:58,180 --> 00:28:55,790

I'm not sure I completely trust him but

725

00:29:00,150 --> 00:28:58,190

still worth watching looking at what he

726

00:29:03,160 --> 00:29:00,160

does next slide please

727

00:29:06,310 --> 00:29:03,170

and he's not alone out there there are

728

00:29:08,200 --> 00:29:06,320

many many others now this one two years

729

00:29:08,470 --> 00:29:08,210

after greer actually a bit started his

730

00:29:10,540 --> 00:29:08,480

work

731

00:29:13,540 --> 00:29:10,550

Disko it picked up his bat and he walked

732

00:29:15,730 --> 00:29:13,550

out for the crease and he has been doing

733

00:29:18,550 --> 00:29:15,740

something very very similar actually and

734

00:29:20,350 --> 00:29:18,560

he's a more room I must say he's a moon

735

00:29:22,750 --> 00:29:20,360

and he's very very confident about this

736

00:29:25,390 --> 00:29:22,760

and he's currently and he spends all his

737

00:29:27,760 --> 00:29:25,400

time in Washington DC and he's American

738

00:29:29,290 --> 00:29:27,770

himself but of course he says this

739

00:29:32,050 --> 00:29:29,300

includes he was also interested in other

740

00:29:33,460 --> 00:29:32,060

countries including this one about the

741

00:29:37,270 --> 00:29:33,470

possibility that other countries could

742

00:29:39,700 --> 00:29:37,280

become the disclosure country um quite

743

00:29:40,990 --> 00:29:39,710

something Annie sees again he's not only

744

00:29:44,140 --> 00:29:41,000

interesting what he has to say he's very

745

00:29:45,610 --> 00:29:44,150

very persuaded because I'm I myself I

746

00:29:46,990 --> 00:29:45,620

mean very much in two minds about

747

00:29:50,200 --> 00:29:47,000

everything he says and there's a lot of

748

00:29:53,380 --> 00:29:50,210

internal conflict in my own mind about

749

00:29:54,690 --> 00:29:53,390

what he says but he's extremely

750

00:29:57,340 --> 00:29:54,700

persuasive

751
00:29:58,340 --> 00:29:57,350
very very it may really make you believe

752
00:30:04,779 --> 00:29:58,350
it

753
00:30:07,389 --> 00:30:04,789
and next slide please now in 2013 dr.

754
00:30:11,810 --> 00:30:07,399
Steven Bassett organized the disclosure

755
00:30:13,789 --> 00:30:11,820
the et disclosure Citizen hearing

756
00:30:15,499 --> 00:30:13,799
initiative now this is a this is the

757
00:30:17,539 --> 00:30:15,509
most remarkable thing to happen since

758
00:30:20,930 --> 00:30:17,549
the disclosure project press conference

759
00:30:22,850 --> 00:30:20,940
or the Gary initiative what what

760
00:30:25,610 --> 00:30:22,860
happened was in the very very same room

761
00:30:28,639 --> 00:30:25,620
that the disclosure project press

762
00:30:31,240 --> 00:30:28,649
conference took place the main ballroom

763
00:30:35,090 --> 00:30:31,250

the National Press Club

764

00:30:37,610 --> 00:30:35,100

that's it got together a panel which

765

00:30:40,430 --> 00:30:37,620

consisted of former members of the US

766

00:30:42,350 --> 00:30:40,440

Congress former members and he paid them

767

00:30:44,090 --> 00:30:42,360

privately and he just said them look

768

00:30:46,610 --> 00:30:44,100

just to just come out of retirement and

769

00:30:48,470 --> 00:30:46,620

work privately for me doing what you

770

00:30:50,149 --> 00:30:48,480

used to do when you were in Congress

771

00:30:52,009 --> 00:30:50,159

carrying out a congressional

772

00:30:54,049 --> 00:30:52,019

investigation or congressional hearing

773

00:30:55,610 --> 00:30:54,059

is one of the things that Americans do

774

00:30:56,600 --> 00:30:55,620

in their legal system is they have

775

00:30:59,259 --> 00:30:56,610

congressional hearings where they

776

00:31:01,789 --> 00:30:59,269

appoint members of the US Congress to a

777

00:31:03,200 --> 00:31:01,799

board to investigate something and to

778

00:31:04,430 --> 00:31:03,210

interview people and have hearings and

779

00:31:05,930 --> 00:31:04,440

things like that that's what you want

780

00:31:07,700 --> 00:31:05,940

them to do is called the Citizen hearing

781

00:31:09,680 --> 00:31:07,710

because it was organized privately the

782

00:31:11,060 --> 00:31:09,690

money came it cost over a million US

783

00:31:14,269 --> 00:31:11,070

dollars and then the money came in

784

00:31:16,389 --> 00:31:14,279

privately from benefactors so this was

785

00:31:19,820 --> 00:31:16,399

amazing this was strained online as well

786

00:31:21,680 --> 00:31:19,830

man who was went to this one for an

787

00:31:23,240 --> 00:31:21,690

entire week and it was quite riveting

788

00:31:26,539 --> 00:31:23,250

actually I'm like I'd get home from work

789

00:31:27,740 --> 00:31:26,549

and I was working in the mornings to

790

00:31:29,720 --> 00:31:27,750

work in the mornings in those days

791

00:31:33,110 --> 00:31:29,730

didn't used her afternoons often that

792

00:31:34,490 --> 00:31:33,120

week I was very very good because it

793

00:31:36,019 --> 00:31:34,500

would start about 2:00 p.m. because this

794

00:31:37,730 --> 00:31:36,029

was my Washington time so I'd get home

795

00:31:38,990 --> 00:31:37,740

from work I like to be I'd be glued to

796

00:31:40,580 --> 00:31:39,000

it all day rather missed it when it was

797

00:31:54,480 --> 00:31:40,590

finished actually really really quite

798

00:31:59,830 --> 00:31:57,250

that they're these Steven Greer and

799

00:32:01,690 --> 00:31:59,840

Steven Bassett I'm answering questions

800

00:32:04,480 --> 00:32:01,700

from the various Congress people the X

801
00:32:07,860 --> 00:32:04,490
Congress people on the on the board next

802
00:32:12,520 --> 00:32:11,289
that there is Gary Heseltine on the

803
00:32:14,799 --> 00:32:12,530
right left

804
00:32:16,780 --> 00:32:14,809
I believe have spoken on this stage yeah

805
00:32:18,820 --> 00:32:16,790
he's even here in the editor view of our

806
00:32:20,860 --> 00:32:18,830
truth magazine on Twitter right is peter

807
00:32:22,320 --> 00:32:20,870
robbins who's the co-author of larry

808
00:32:24,250 --> 00:32:22,330
Warren's left at Eastgate

809
00:32:26,770 --> 00:32:24,260
on talking about the Rendlesham forest

810
00:32:28,950 --> 00:32:26,780
incident so that's their next slide

811
00:32:33,549 --> 00:32:32,440
and behind all this row of activists

812
00:32:36,760 --> 00:32:33,559
there you have to have that

813
00:32:38,440 --> 00:32:36,770

theoreticians of the movement and to

814

00:32:40,240 --> 00:32:38,450

this man I think he's the biggest of the

815

00:32:42,460 --> 00:32:40,250

theoreticians and have won the most

816

00:32:44,580 --> 00:32:42,470

important this is Richard Dolan he's

817

00:32:48,010 --> 00:32:44,590

he's written some amazing books on UFOs

818

00:32:49,900 --> 00:32:48,020

and he is again he said he's an academic

819

00:32:51,850 --> 00:32:49,910

he's a very very accomplished academic

820

00:32:54,789 --> 00:32:51,860

trained at Oxford he was actually

821

00:32:56,620 --> 00:32:54,799

shortlisted for a Rhodes Scholarship and

822

00:32:59,890 --> 00:32:56,630

he came to Oxford and studied political

823

00:33:04,180 --> 00:32:59,900

science and history specializing in Cold

824

00:33:05,919 --> 00:33:04,190

War diplomacy and he studied at various

825

00:33:07,990 --> 00:33:05,929

different places but while he was over

826

00:33:10,810 --> 00:33:08,000

here in Oxford he actually had a um he's

827

00:33:13,630 --> 00:33:10,820

actually he comes from America we study

828

00:33:15,159 --> 00:33:13,640

Oxford University he picked up a copy of

829

00:33:17,950 --> 00:33:15,169

above top secret

830

00:33:19,900 --> 00:33:17,960

Wow book again by Timothy good and he

831

00:33:24,610 --> 00:33:19,910

read it and he decided to do he decided

832

00:33:26,650 --> 00:33:24,620

to bring in the UFO angle into his his

833

00:33:29,500 --> 00:33:26,660

thesis he was working on his his

834

00:33:31,930 --> 00:33:29,510

political historical thesis and it

835

00:33:34,630 --> 00:33:31,940

changed his life because he suddenly

836

00:33:35,860 --> 00:33:34,640

realized that the whole UFO issue was

837

00:33:38,169 --> 00:33:35,870

taking over anything else

838

00:33:41,860 --> 00:33:38,179

and he's something he's much like there

839

00:33:43,600 --> 00:33:41,870

was a key that unlocked a completely new

840

00:33:45,010 --> 00:33:43,610

door onto the whole subject of what he

841

00:33:47,200 --> 00:33:45,020

was already discussing this is a man

842

00:33:49,600 --> 00:33:47,210

very very familiar with conventional

843

00:33:53,650 --> 00:33:49,610

politics in history and the UFO

844

00:33:57,159 --> 00:33:53,660

phenomenon actually made him more is all

845

00:33:58,780 --> 00:33:57,169

brought brought out aboard that's so

846

00:34:01,390 --> 00:33:58,790

much more and there's so much more

847

00:34:02,830 --> 00:34:01,400

taking a clue in other words to solving

848

00:34:03,920 --> 00:34:02,840

puzzles think otherwise one of them has

849

00:34:08,270 --> 00:34:03,930

solved

850

00:34:09,919 --> 00:34:08,280

next slide please so in conclusion I

851
00:34:12,350 --> 00:34:09,929
think we have a sorcerer in the Hangout

852
00:34:14,210 --> 00:34:12,360
now social de Hanna is a bit of a joke

853
00:34:15,680 --> 00:34:14,220
actually because the term source and

854
00:34:20,810 --> 00:34:15,690
hangar is actually coined by Nick Pope

855
00:34:23,330 --> 00:34:20,820
in his son column and he it's become it

856
00:34:26,120 --> 00:34:23,340
refers to the crash retrieval situation

857
00:34:30,440 --> 00:34:26,130
I do believe that this has happened I do

858
00:34:32,960 --> 00:34:30,450
believe that the government knows far

859
00:34:33,860 --> 00:34:32,970
more than not only become a tree see of

860
00:34:36,230 --> 00:34:33,870
those as a joke

861
00:34:40,820 --> 00:34:36,240
despite the UN for the draft resolution

862
00:34:42,440 --> 00:34:40,830
that Eric gairy got from the UN the the

863
00:34:44,180 --> 00:34:42,450

government treats it as novelty they

864

00:34:46,360 --> 00:34:44,190

they have no official line on it at all

865

00:34:49,399 --> 00:34:46,370

that lead since the UFO test closed down

866

00:34:50,930 --> 00:34:49,409

in 2002 there's been no Nick Pope

867

00:34:52,520 --> 00:34:50,940

himself has gone freelance he doesn't

868

00:34:53,899 --> 00:34:52,530

work for that anymore there's no if

869

00:34:59,150 --> 00:34:53,909

you're showing you a government policy

870

00:35:00,500 --> 00:34:59,160

on UFOs the media treated is a complete

871

00:35:03,760 --> 00:35:00,510

and utter farce I was talking in the

872

00:35:06,260 --> 00:35:03,770

break to people about UFOs on TV now

873

00:35:08,180 --> 00:35:06,270

again despite the UN draft draft

874

00:35:10,490 --> 00:35:08,190

resolution amount on unidentified flying

875

00:35:14,300 --> 00:35:10,500

objects and its political mandate to

876

00:35:15,170 --> 00:35:14,310

take them seriously UFO UFO portrayal in

877

00:35:18,020 --> 00:35:15,180

the media was appalling

878

00:35:20,540 --> 00:35:18,030

it's got worse I mean you go back 20

879

00:35:22,690 --> 00:35:20,550

years and there were a couple there are

880

00:35:26,510 --> 00:35:22,700

a couple of half-decent

881

00:35:28,310 --> 00:35:26,520

documentaries on UFOs a couple there are

882

00:35:30,140 --> 00:35:28,320

none now at all and then and the ones

883

00:35:31,940 --> 00:35:30,150

they have of the bad ones have got worse

884

00:35:34,720 --> 00:35:31,950

and worse and worse they plummeted to a

885

00:35:37,250 --> 00:35:34,730

nadir that I've never seen before

886

00:35:40,520 --> 00:35:37,260

I've actually uh I've been asked to take

887

00:35:43,550 --> 00:35:40,530

part in a couple of UFO TV documentaries

888

00:35:48,980 --> 00:35:43,560

I've refused when I see them I'm very

889

00:35:51,560 --> 00:35:48,990

glad and I've often said there's a limit

890

00:35:55,520 --> 00:35:51,570

to how bad a TV program can be by

891

00:35:58,910 --> 00:35:55,530

accident so there is a suppression of

892

00:35:59,900 --> 00:35:58,920

this information that the the I believe

893

00:36:01,190 --> 00:35:59,910

the government know more than they're

894

00:36:03,890 --> 00:36:01,200

saying part of it through various

895

00:36:05,810 --> 00:36:03,900

different and their own seek research

896

00:36:07,730 --> 00:36:05,820

projects into UFOs also other phenomena

897

00:36:10,180 --> 00:36:07,740

such as crop circles that's another

898

00:36:14,100 --> 00:36:10,190

that's a that's a hot subject in south

899

00:36:17,080 --> 00:36:14,110

but I think the Roswell incident was the

900

00:36:19,570 --> 00:36:17,090

an artifact of an extraterrestrial

901
00:36:21,790 --> 00:36:19,580
civilization a non-human intelligent

902
00:36:24,400 --> 00:36:21,800
civilization came to grief on the

903
00:36:27,010 --> 00:36:24,410
Earth's surface in July of 1947 in New

904
00:36:31,270 --> 00:36:27,020
Mexico USA I believe that the government

905
00:36:32,800 --> 00:36:31,280
secretly salvaged that craft and have

906
00:36:36,190 --> 00:36:32,810
kept it secret from the public to this

907
00:36:38,800 --> 00:36:36,200
day putting out lies you know cover-ups

908
00:36:40,570 --> 00:36:38,810
no comments and disinformation to try

909
00:36:43,180 --> 00:36:40,580
and prevent the truth coming out about

910
00:36:45,010 --> 00:36:43,190
that event and what surprises me I think

911
00:36:46,810 --> 00:36:45,020
Roswell is actually a name of course is

912
00:36:49,450 --> 00:36:46,820
the name of the town in New Mexico near

913
00:36:52,000 --> 00:36:49,460

where this happened but Roswell is not

914

00:36:54,460 --> 00:36:52,010

the only time this has happened it's not

915

00:36:56,470 --> 00:36:54,470

even the first there was some before

916

00:36:59,770 --> 00:36:56,480

Roswell I was supposed to find this out

917

00:37:02,170 --> 00:36:59,780

when I started looking into it there's

918

00:37:05,110 --> 00:37:02,180

been many other since now um there's a

919

00:37:08,530 --> 00:37:05,120

book called magic eyes own mark on the

920

00:37:11,110 --> 00:37:08,540

title of Bo magic something mmHg I see

921

00:37:13,810 --> 00:37:11,120

Matt majestic 12 kind of thing which

922

00:37:17,050 --> 00:37:13,820

lists over a hundred similar events to

923

00:37:18,520 --> 00:37:17,060

this to the Roswell incident including

924

00:37:22,330 --> 00:37:18,530

several in this country there's at least

925

00:37:24,340 --> 00:37:22,340

two in this country there probably it's

926
00:37:29,470 --> 00:37:24,350
a regular thing the UFO crash approval

927
00:37:30,550 --> 00:37:29,480
is a regular thing and it's it's

928
00:37:34,720 --> 00:37:30,560
probably going to continue to happen

929
00:37:37,090 --> 00:37:34,730
most likely and it seems that there are

930
00:37:38,830 --> 00:37:37,100
government institutions which are but

931
00:37:40,660 --> 00:37:38,840
specifically trained to deal with them

932
00:37:42,550 --> 00:37:40,670
because when these things happen the

933
00:37:44,860 --> 00:37:42,560
wherever it is in the world does the

934
00:37:46,330 --> 00:37:44,870
same procedure under is under go even

935
00:37:48,040 --> 00:37:46,340
one happened there's a very interesting

936
00:37:51,070 --> 00:37:48,050
case actually happened in South Africa

937
00:37:52,900 --> 00:37:51,080
in 1989 and the very very same thing

938
00:37:54,940 --> 00:37:52,910

happen has happened at Roswell as if the

939

00:37:56,560 --> 00:37:54,950

people the people come already knew what

940

00:37:58,900 --> 00:37:56,570

to do is if there's some kind of global

941

00:38:03,640 --> 00:37:58,910

policy in place for dealing with this

942

00:38:05,460 --> 00:38:03,650

eventualities so the the book actually

943

00:38:07,950 --> 00:38:05,470

lists over 100 examples if it's just

944

00:38:11,830 --> 00:38:07,960

it's just a handful of those are real

945

00:38:13,020 --> 00:38:11,840

just think well that means next time

946

00:38:15,900 --> 00:38:13,030

please

947

00:38:18,150 --> 00:38:15,910

now what UFOs are I mean are they

948

00:38:20,910 --> 00:38:18,160

spaceships they come from other planet

949

00:38:21,990 --> 00:38:20,920

they fly here from z2 Reticuli we don't

950

00:38:25,910 --> 00:38:22,000

know we know that they appear to be

951
00:38:29,280 --> 00:38:25,920
mechanical devices of some kind and they

952
00:38:31,200 --> 00:38:29,290
inside them you find biological type

953
00:38:33,300 --> 00:38:31,210
entities like this one this isn't a this

954
00:38:35,400 --> 00:38:33,310
is a model in certainly not a real thing

955
00:38:44,550 --> 00:38:35,410
this is at the Roswell museum in you in

956
00:38:46,680 --> 00:38:44,560
Roswell New Mexico it's only this the

957
00:38:49,290 --> 00:38:46,690
skeptics go absolutely eight about

958
00:38:50,850 --> 00:38:49,300
Roswell and it's beautiful museums if

959
00:38:52,830 --> 00:38:50,860
you have no exhibitions is UFO

960
00:38:54,240 --> 00:38:52,840
conferences and things like that and

961
00:38:56,370 --> 00:38:54,250
they say it's absolutely shameful the

962
00:38:57,750 --> 00:38:56,380
way it's it's very tacky and you know

963
00:39:00,540 --> 00:38:57,760

they make a lot of money off this little

964

00:39:02,490 --> 00:39:00,550

thing don't like this little this new

965

00:39:04,950 --> 00:39:02,500

alien industry they have don't they

966

00:39:07,590 --> 00:39:04,960

these I would say to the skeptics if you

967

00:39:09,210 --> 00:39:07,600

don't like that if you checked then go

968

00:39:10,410 --> 00:39:09,220

to stratford-on-avon and tell them to

969

00:39:14,310 --> 00:39:10,420

get rid of all the Shakespeare stuff

970

00:39:14,940 --> 00:39:14,320

close down all the theaters you you know

971

00:39:16,560 --> 00:39:14,950

things like that

972

00:39:18,060 --> 00:39:16,570

there's nothing wrong with a place

973

00:39:22,560 --> 00:39:18,070

exploiting its own history for its own

974

00:39:24,600 --> 00:39:22,570

prosperity so um anyway that's an aside

975

00:39:26,520 --> 00:39:24,610

so what they arm they could be extra

976
00:39:28,200 --> 00:39:26,530
dimensional it could be creatures from

977
00:39:29,490 --> 00:39:28,210
under the sea they could be creatures

978
00:39:31,080 --> 00:39:29,500
that have been sharing this planet with

979
00:39:33,540 --> 00:39:31,090
us and we don't know there could be

980
00:39:34,770 --> 00:39:33,550
angels and demons there could be all of

981
00:39:35,250 --> 00:39:34,780
the above they could be known that none

982
00:39:39,090 --> 00:39:35,260
of the above

983
00:39:41,190 --> 00:39:39,100
don't we don't know what they are we do

984
00:39:44,280 --> 00:39:41,200
know they are real they exist it's no

985
00:39:45,660 --> 00:39:44,290
doubt about that that's all so what's

986
00:39:49,370 --> 00:39:45,670
gonna happen now that's the question

987
00:39:55,710 --> 00:39:51,420
some people know and others don't

988
00:39:59,490 --> 00:39:55,720

next slide please so are we going to see

989

00:40:01,830 --> 00:39:59,500

it Stephen Bassett once this guy or his

990

00:40:05,040 --> 00:40:01,840

successor whoever that is sitting there

991

00:40:09,450 --> 00:40:05,050

in front of the TV screen saying my

992

00:40:11,430 --> 00:40:09,460

fellow Americans UFOs are real I mean

993

00:40:12,540 --> 00:40:11,440

whatever way it'll dress up in some kind

994

00:40:14,730 --> 00:40:12,550

of political language I mean there's

995

00:40:17,160 --> 00:40:14,740

many draft examples of potential

996

00:40:19,180 --> 00:40:17,170

disclosure disclosure speeches some have

997

00:40:22,390 --> 00:40:19,190

been recorded live as an actor

998

00:40:24,370 --> 00:40:22,400

of how it could look or could be what it

999

00:40:26,020 --> 00:40:24,380

could be like I've actually written one

1000

00:40:27,520 --> 00:40:26,030

myself because I've written a book a

1001
00:40:28,840 --> 00:40:27,530
fictional book about this subject so

1002
00:40:31,570 --> 00:40:28,850
I'll tell you more about that at the end

1003
00:40:33,340 --> 00:40:31,580
but one thing's for certain is if this

1004
00:40:34,780 --> 00:40:33,350
happens it's a one-way street once

1005
00:40:36,880 --> 00:40:34,790
disclosures have happened there's no

1006
00:40:39,040 --> 00:40:36,890
going back and it can't happen in one

1007
00:40:39,760 --> 00:40:39,050
place either I mean I think if disguise

1008
00:40:42,310 --> 00:40:39,770
had happened

1009
00:40:43,990 --> 00:40:42,320
I'm during the Cold War even then it

1010
00:40:46,330 --> 00:40:44,000
would have been impossible to prevent it

1011
00:40:48,820 --> 00:40:46,340
happening worldwide even with the media

1012
00:40:51,100 --> 00:40:48,830
is very little media and the Soviet

1013
00:40:52,540 --> 00:40:51,110

Union being closed closed off it still

1014

00:40:54,670 --> 00:40:52,550

would not been possible to prevent the

1015

00:40:56,470 --> 00:40:54,680

news spreading in this case it would

1016

00:40:58,680 --> 00:40:56,480

spread instantly across the world more

1017

00:41:00,970 --> 00:40:58,690

with modern media next slide please

1018

00:41:03,310 --> 00:41:00,980

now this is your CD slider a bit out of

1019

00:41:05,560 --> 00:41:03,320

day cuz this chump is now gone he's been

1020

00:41:07,720 --> 00:41:05,570

replaced by the Wicked Witch what's her

1021

00:41:12,130 --> 00:41:07,730

name Theresa May or whatever her name is

1022

00:41:17,860 --> 00:41:12,140

Mother Teresa yeah horrible horrible

1023

00:41:19,150 --> 00:41:17,870

anyway that's within what most instantly

1024

00:41:21,400 --> 00:41:19,160

after that announcement minimum that had

1025

00:41:24,490 --> 00:41:21,410

been made by the US president we would

1026
00:41:26,410 --> 00:41:24,500
see our own leader come out number 10

1027
00:41:28,980 --> 00:41:26,420
and say the same thing and you see this

1028
00:41:31,420 --> 00:41:28,990
repeated in every nation on earth

1029
00:41:32,980 --> 00:41:31,430
because it possible is it can only

1030
00:41:34,720 --> 00:41:32,990
happen that's the question these are the

1031
00:41:40,670 --> 00:41:34,730
big question I think is that a realistic

1032
00:41:47,329 --> 00:41:42,559
now we're gonna look at the implications

1033
00:41:49,039 --> 00:41:47,339
of you of this truth coming out not

1034
00:41:50,839 --> 00:41:49,049
least in the amount of time that this

1035
00:41:54,349 --> 00:41:50,849
secret has existed and the amount of

1036
00:41:57,190 --> 00:41:54,359
knowledge that the secret keep the

1037
00:41:59,930 --> 00:41:57,200
keepers of the secret potentially have

1038
00:42:01,220 --> 00:41:59,940

now this is I've done an entire lecture

1039

00:42:03,049 --> 00:42:01,230

on this I think the first time I was

1040

00:42:04,339 --> 00:42:03,059

here in January I did an entire speech

1041

00:42:06,620 --> 00:42:04,349

on this which you can watch on a video

1042

00:42:09,529 --> 00:42:06,630

online it's called energy politics and

1043

00:42:12,769 --> 00:42:09,539

UFOs and I go into this subject in more

1044

00:42:14,329 --> 00:42:12,779

detail but basically the the power

1045

00:42:18,380 --> 00:42:14,339

plants and propulsion systems of

1046

00:42:20,539 --> 00:42:18,390

extraterrestrial crafts may well have

1047

00:42:23,089 --> 00:42:20,549

been back engineered by secret

1048

00:42:24,620 --> 00:42:23,099

government institutions what Richard

1049

00:42:26,839 --> 00:42:24,630

Dolan he calls them the breakaway

1050

00:42:28,430 --> 00:42:26,849

civilization other people call the

1051
00:42:29,960 --> 00:42:28,440
majestic even using words like the

1052
00:42:31,910 --> 00:42:29,970
Illuminati whatever you look whichever

1053
00:42:35,630 --> 00:42:31,920
you choose to use the keepers of the

1054
00:42:38,289 --> 00:42:35,640
secret the Masters of infinity let

1055
00:42:43,579 --> 00:42:38,299
cetera et cetera if that is the case

1056
00:42:44,750 --> 00:42:43,589
then this technology it's obviously you

1057
00:42:46,250 --> 00:42:44,760
know these craft if they're coming from

1058
00:42:47,569 --> 00:42:46,260
interdimensional portals are flying

1059
00:42:49,940 --> 00:42:47,579
across the universe they're not doing it

1060
00:42:52,400 --> 00:42:49,950
on Texaco unleaded four-star they have

1061
00:42:54,799 --> 00:42:52,410
et cetera propulsion systems and power

1062
00:42:56,870 --> 00:42:54,809
plants now if that technology has been

1063
00:43:02,079 --> 00:42:56,880

back engineered it could be used on

1064

00:43:04,760 --> 00:43:02,089

earth to fuel our civilization and the

1065

00:43:07,220 --> 00:43:04,770

benefits of that are incalculable and

1066

00:43:09,170 --> 00:43:07,230

almost beyond comprehension the

1067

00:43:10,400 --> 00:43:09,180

improvement they could make to our lives

1068

00:43:12,950 --> 00:43:10,410

and the lives of everyone in the world

1069

00:43:14,990 --> 00:43:12,960

is the astonishing environmental damage

1070

00:43:17,599 --> 00:43:15,000

would become a thing of the past because

1071

00:43:19,490 --> 00:43:17,609

with this technology is clean and I must

1072

00:43:22,039 --> 00:43:19,500

point out that some now know I go into

1073

00:43:25,880 --> 00:43:22,049

more details in my other speech but it's

1074

00:43:27,920 --> 00:43:25,890

not just it's not just a UFO issue human

1075

00:43:30,680 --> 00:43:27,930

inventors have come up with similar

1076

00:43:34,329 --> 00:43:30,690

types of energy energy sources free

1077

00:43:36,500 --> 00:43:34,339

energy Nikola Tesla people buy that but

1078

00:43:39,500 --> 00:43:36,510

freeing us from fossil fuels and many

1079

00:43:42,349 --> 00:43:39,510

many other destructive ways that we live

1080

00:43:45,529 --> 00:43:42,359

would prevent environmental damage and

1081

00:43:46,970 --> 00:43:45,539

end our lifestyle is damaging the

1082

00:43:50,059 --> 00:43:46,980

environment and it doesn't matter

1083

00:43:51,680 --> 00:43:50,069

whether or not you believe in carbon

1084

00:43:54,349 --> 00:43:51,690

dioxide emission causing climate

1085

00:43:56,900 --> 00:43:54,359

or not even if you don't you have to

1086

00:43:58,130 --> 00:43:56,910

concede that our activities only are

1087

00:44:02,569 --> 00:43:58,140

doing a lot of damage to the environment

1088

00:44:04,130 --> 00:44:02,579

I could be healed in many under that and

1089

00:44:06,650 --> 00:44:04,140

I describe that in more detail in my

1090

00:44:11,470 --> 00:44:06,660

other speech by the use of free clean

1091

00:44:13,460 --> 00:44:11,480

limitless energy next slide please

1092

00:44:15,020 --> 00:44:13,470

free energy could take some of the

1093

00:44:17,120 --> 00:44:15,030

poorest people on earth and lift them

1094

00:44:18,950 --> 00:44:17,130

out of poverty someone only put the

1095

00:44:20,839 --> 00:44:18,960

poorest and most destitute societies in

1096

00:44:22,250 --> 00:44:20,849

the world because achieve a standard of

1097

00:44:25,420 --> 00:44:22,260

living beyond anything they've ever

1098

00:44:30,170 --> 00:44:28,609

basically the this the gap between the

1099

00:44:31,099 --> 00:44:30,180

rich countries and poor countries would

1100

00:44:35,030 --> 00:44:31,109

be eliminated

1101
00:44:36,230 --> 00:44:35,040
but certainly greatly reduced and and it

1102
00:44:38,510 --> 00:44:36,240
would be an upwards but it wouldn't be

1103
00:44:43,480 --> 00:44:38,520
the rich ones coming down it will be

1104
00:44:45,859 --> 00:44:43,490
both going up next slide please

1105
00:44:48,430 --> 00:44:45,869
this is the world we could live in as

1106
00:44:52,460 --> 00:44:48,440
well we could have lived in and

1107
00:44:56,000 --> 00:44:52,470
hopefully we will maybe I mean I'm not a

1108
00:44:58,280 --> 00:44:56,010
utopian um but I still believe that the

1109
00:45:01,190 --> 00:44:58,290
world we could live in would be with the

1110
00:45:03,079 --> 00:45:01,200
use of this technology in many many

1111
00:45:05,510 --> 00:45:03,089
different ways and the effects it would

1112
00:45:06,650 --> 00:45:05,520
have on our culture our society and the

1113
00:45:09,620 --> 00:45:06,660

way we relate to each other

1114

00:45:12,230 --> 00:45:09,630

politically and economically will be

1115

00:45:15,880 --> 00:45:12,240

enormously beneficial I would greatly

1116

00:45:18,880 --> 00:45:15,890

improve human society every in every way

1117

00:45:22,400 --> 00:45:18,890

next slide please

1118

00:45:27,140 --> 00:45:22,410

who could possibly object to that surely

1119

00:45:29,420 --> 00:45:27,150

I think how good it now that now we come

1120

00:45:32,540 --> 00:45:29,430

to the prop now we come to maybe the

1121

00:45:36,849 --> 00:45:32,550

source this is one of the reasons why I

1122

00:45:41,690 --> 00:45:36,859

think we have not had access to this

1123

00:45:44,690 --> 00:45:41,700

free energy and again I go into more

1124

00:45:45,980 --> 00:45:44,700

details in my other speech we're gonna

1125

00:45:46,550 --> 00:45:45,990

have to go up to the chairman of royal

1126

00:45:48,259 --> 00:45:46,560

dutch/shell

1127

00:45:50,209 --> 00:45:48,269

knock on his door

1128

00:45:52,819 --> 00:45:50,219

and I let you in he's probably got an

1129

00:45:55,159 --> 00:45:52,829

office bigger than this room you sex

1130

00:45:56,539 --> 00:45:55,169

behind a desk probably stretches from

1131

00:46:01,249 --> 00:45:56,549

there to there you don't have to go up

1132

00:46:02,569 --> 00:46:01,259

for this guy and say um I'm just come to

1133

00:46:06,829 --> 00:46:02,579

tell you your services are no longer

1134

00:46:09,009 --> 00:46:06,839

required but if you thought about maybe

1135

00:46:11,569 --> 00:46:09,019

going into other businesses know there's

1136

00:46:14,179 --> 00:46:11,579

shale candles so you still need oil to

1137

00:46:15,499 --> 00:46:14,189

make candles don't you shut that shale

1138

00:46:16,549 --> 00:46:15,509

candles there'd be a big dollar on that

1139

00:46:18,889 --> 00:46:16,559

just think about it

1140

00:46:20,899 --> 00:46:18,899

they're pretty colors they smell nice

1141

00:46:26,509 --> 00:46:20,909

they won't stain your wallpaper shale

1142

00:46:28,309 --> 00:46:26,519

candles I don't think so no the oil oil

1143

00:46:29,659 --> 00:46:28,319

and fossil fuels it's not just the

1144

00:46:31,459 --> 00:46:29,669

biggest industry on earth it is the

1145

00:46:34,299 --> 00:46:31,469

industry it's the lifeblood and the

1146

00:46:37,399 --> 00:46:34,309

lubricant of civilization as we know it

1147

00:46:40,369 --> 00:46:37,409

now and this is where we have to see the

1148

00:46:42,079 --> 00:46:40,379

world not through our own eyes as only

1149

00:46:44,479 --> 00:46:42,089

folk we just want the good life and good

1150

00:46:46,369 --> 00:46:44,489

lies for everyone we've got to see

1151
00:46:48,229 --> 00:46:46,379
through their eyes they aren't the eyes

1152
00:46:49,789 --> 00:46:48,239
are the power brokers and the plutocrats

1153
00:46:51,229 --> 00:46:49,799
of the world that's not pleasant it's

1154
00:46:55,399 --> 00:46:51,239
not pleasant to contemplate what war

1155
00:46:59,749 --> 00:46:55,409
they think but they see they what they

1156
00:47:02,389 --> 00:46:59,759
will see is they will see a destruction

1157
00:47:06,219 --> 00:47:02,399
in they will see as enormously

1158
00:47:10,429 --> 00:47:06,229
destructive an institution of a chaotic

1159
00:47:13,069 --> 00:47:10,439
anarchic system of injected into the

1160
00:47:15,319 --> 00:47:13,079
political and economic world they will

1161
00:47:16,729 --> 00:47:15,329
see India and China taking over

1162
00:47:20,989 --> 00:47:16,739
everything with a huge populations and

1163
00:47:24,139 --> 00:47:20,999

enormous resources the destabilization

1164

00:47:27,229 --> 00:47:24,149

of you know all kinds of societies and

1165

00:47:30,739 --> 00:47:27,239

nations of companies of corporations of

1166

00:47:32,839 --> 00:47:30,749

industries as a result of the transfer

1167

00:47:36,649 --> 00:47:32,849

away from going from fossil fuel to free

1168

00:47:37,939 --> 00:47:36,659

energy to the point where now I'm in a

1169

00:47:39,139 --> 00:47:37,949

lot of them it's people it's not just

1170

00:47:40,309 --> 00:47:39,149

about money a lot of them are very very

1171

00:47:42,079 --> 00:47:40,319

rich off the oil business

1172

00:47:44,059 --> 00:47:42,089

their own personal fortunes as well

1173

00:47:47,089 --> 00:47:44,069

their own personal incomes which are

1174

00:47:48,349 --> 00:47:47,099

considerable there are some I think who

1175

00:47:50,629 --> 00:47:48,359

are just concerned about that they're

1176

00:47:51,829 --> 00:47:50,639

just greedy and they're just worried

1177

00:47:53,449 --> 00:47:51,839

about their aren't they they just want

1178

00:47:54,319 --> 00:47:53,459

to have as much money as much as they

1179

00:47:56,059 --> 00:47:54,329

can

1180

00:47:57,229 --> 00:47:56,069

and free energy would put an end to that

1181

00:47:58,249 --> 00:47:57,239

and that's why they don't want to do it

1182

00:48:00,109 --> 00:47:58,259

they know they're not necessarily

1183

00:48:01,759 --> 00:48:00,119

politically motivated at a lower level

1184

00:48:05,089 --> 00:48:01,769

these this is a sort of second nation on

1185

00:48:06,679 --> 00:48:05,099

lower level with people but at a higher

1186

00:48:08,870 --> 00:48:06,689

level is they're they're thinking much

1187

00:48:10,339 --> 00:48:08,880

more too in terms of the thinking much

1188

00:48:11,449 --> 00:48:10,349

more abstractly they're thinking more

1189

00:48:14,719 --> 00:48:11,459

politically they're thinking more

1190

00:48:16,339 --> 00:48:14,729

strategically and a higher level it's

1191

00:48:20,089 --> 00:48:16,349

not just about money it's about it's

1192

00:48:21,949 --> 00:48:20,099

about control and that is one of the

1193

00:48:25,699 --> 00:48:21,959

reasons why we don't have free energy

1194

00:48:28,669 --> 00:48:25,709

and as I said before watch energy

1195

00:48:30,709 --> 00:48:28,679

politics and UFOs my first my first

1196

00:48:32,919 --> 00:48:30,719

speech I did here at SU fun next slide

1197

00:48:35,269 --> 00:48:32,929

please

1198

00:48:37,400 --> 00:48:35,279

there's also a cultural element to this

1199

00:48:40,459 --> 00:48:37,410

I mean the for whatever reason I think

1200

00:48:44,390 --> 00:48:40,469

of the idea that with some kind of

1201
00:48:47,390 --> 00:48:44,400
little islands a little oases of life in

1202
00:48:50,299 --> 00:48:47,400
an infinite cosmic desert it's

1203
00:48:54,169 --> 00:48:50,309
quintessential to our psychological

1204
00:49:00,349 --> 00:48:54,179
control and our cultural control of the

1205
00:49:01,609 --> 00:49:00,359
powers that be over us now in 1959 the

1206
00:49:03,529 --> 00:49:01,619
very start of the space program

1207
00:49:05,059 --> 00:49:03,539
not long after Sputnik the Brookings

1208
00:49:05,839 --> 00:49:05,069
Institute was just psychological

1209
00:49:08,599 --> 00:49:05,849
think-tank

1210
00:49:11,959 --> 00:49:08,609
published a report in which they stated

1211
00:49:13,689 --> 00:49:11,969
that the potential the potential for the

1212
00:49:15,829 --> 00:49:13,699
discovery of extraterrestrial life

1213
00:49:17,179 --> 00:49:15,839

this is when they didn't know what was

1214

00:49:18,679 --> 00:49:17,189

out there they were just sending Rockets

1215

00:49:19,759 --> 00:49:18,689

out there for the first time what if

1216

00:49:20,929 --> 00:49:19,769

they discovered that the earth was not

1217

00:49:22,449 --> 00:49:20,939

alone in the universe

1218

00:49:26,029 --> 00:49:22,459

what if they discovered that some

1219

00:49:27,890 --> 00:49:26,039

distinct evidence of of intelligent

1220

00:49:31,729 --> 00:49:27,900

civilizations out evil past or present

1221

00:49:36,079 --> 00:49:31,739

out there in the universe and they

1222

00:49:38,120 --> 00:49:36,089

concluded that if this came to mind you

1223

00:49:39,789 --> 00:49:38,130

probably would not be a good idea to

1224

00:49:42,019 --> 00:49:39,799

shout it from the rooftops

1225

00:49:45,049 --> 00:49:42,029

the report doesn't specifically

1226

00:49:48,769 --> 00:49:45,059

recommend a cover-up but it it hints at

1227

00:49:50,839 --> 00:49:48,779

it it really very is a very strong elbow

1228

00:49:52,160 --> 00:49:50,849

in the ribs tally NASA does this report

1229

00:49:53,900 --> 00:49:52,170

was compiled for nuts such as saying

1230

00:50:03,449 --> 00:49:53,910

look just it'll be better not to tell

1231

00:50:12,219 --> 00:50:09,539

another reason another problem is that

1232

00:50:13,629 --> 00:50:12,229

the idea of civilizations out there

1233

00:50:15,969 --> 00:50:13,639

whether we're not alone humans are all

1234

00:50:18,219 --> 00:50:15,979

alone there are beings out there with a

1235

00:50:21,449 --> 00:50:18,229

much with much more high-tech much

1236

00:50:23,019 --> 00:50:21,459

higher technology and the means to

1237

00:50:25,089 --> 00:50:23,029

essentially well they can certainly

1238

00:50:27,069 --> 00:50:25,099

evade our aircraft they can seems they

1239

00:50:28,929 --> 00:50:27,079

can do pretty much what they want they

1240

00:50:31,149 --> 00:50:28,939

seem to have an opulent power when it

1241

00:50:34,569 --> 00:50:31,159

comes to this now that's is not a

1242

00:50:36,789 --> 00:50:34,579

welcome thing to grasp when you if you

1243

00:50:40,719 --> 00:50:36,799

consider that some of them may not be

1244

00:50:41,979 --> 00:50:40,729

friendly and while comments we've talked

1245

00:50:43,269 --> 00:50:41,989

about Carol Ross in the fact that the

1246

00:50:45,489 --> 00:50:43,279

government might deliberately say that

1247

00:50:47,009 --> 00:50:45,499

and pretend that they're all evil so

1248

00:50:49,929 --> 00:50:47,019

they can unite people about what

1249

00:50:51,339 --> 00:50:49,939

what if someone really are obviously no

1250

00:50:55,299 --> 00:50:51,349

majority of them aren't otherwise we

1251
00:50:55,299 --> 00:50:55,309
wouldn't be here now

1252
00:50:59,139 --> 00:50:57,069
this next picture has a trigger warning

1253
00:51:04,449 --> 00:50:59,149
okay and the next slide I'm going to

1254
00:51:07,529 --> 00:51:04,459
show you so prepare yourselves this is a

1255
00:51:09,929 --> 00:51:07,539
cow a dead cow which has fallen foul of

1256
00:51:11,829 --> 00:51:09,939
the mysterious mutilation phenomenon

1257
00:51:13,899 --> 00:51:11,839
this is something that's been going on

1258
00:51:16,389 --> 00:51:13,909
for a very very long time it's

1259
00:51:18,869 --> 00:51:16,399
completely mysterious and there's no no

1260
00:51:21,129 --> 00:51:18,879
one knows what's causing it no one knows

1261
00:51:24,039 --> 00:51:21,139
there's not there's no theoretical

1262
00:51:27,489 --> 00:51:24,049
reason why anyone or anything might be

1263
00:51:30,119 --> 00:51:27,499

doing this farm animals like this are

1264

00:51:33,989 --> 00:51:30,129

affected wild animals marine animals

1265

00:51:38,649 --> 00:51:33,999

dolphins seals things like that pets

1266

00:51:42,639 --> 00:51:38,659

surface animals and all species and I do

1267

00:51:44,469 --> 00:51:42,649

mean all species humans - that's the

1268

00:51:46,929 --> 00:51:44,479

thing that's that's an area where even

1269

00:51:48,999 --> 00:51:46,939

some researchers into the mutilation

1270

00:51:50,559 --> 00:51:49,009

farmer will not go they will say oh it's

1271

00:51:52,509 --> 00:51:50,569

basically every species but not humans

1272

00:51:54,069 --> 00:51:52,519

they were saying you try to mention

1273

00:51:56,649 --> 00:51:54,079

because human bodies turn up with these

1274

00:51:58,359 --> 00:51:56,659

kinds of injuries and you try to talk to

1275

00:52:03,849 --> 00:51:58,369

about it and they just they just shut it

1276

00:52:05,319 --> 00:52:03,859

shut down the conversation but they say

1277

00:52:08,409 --> 00:52:05,329

well they do this to animals but not

1278

00:52:09,639 --> 00:52:08,419

humans humans are different humans are I

1279

00:52:11,409 --> 00:52:09,649

mean this is a thing that's got more to

1280

00:52:12,780 --> 00:52:11,419

do with the way some people see

1281

00:52:14,700 --> 00:52:12,790

ourselves we see it we have this

1282

00:52:17,550 --> 00:52:14,710

either way it's humans and animal isn't

1283

00:52:19,200 --> 00:52:17,560

they're humans and animals but humans

1284

00:52:22,560 --> 00:52:19,210

are animals this Charles Darwin has

1285

00:52:24,390 --> 00:52:22,570

pointed out we're a species of ape where

1286

00:52:26,010 --> 00:52:24,400

we we are unusual in a sense we walk

1287

00:52:27,630 --> 00:52:26,020

upright and we have intelligence and we

1288

00:52:29,190 --> 00:52:27,640

don't have any hair on our bodies and

1289

00:52:30,570 --> 00:52:29,200

things like that but we're still an

1290

00:52:32,030 --> 00:52:30,580

animal and it's possible that a very

1291

00:52:33,720 --> 00:52:32,040

highly advanced intelligent

1292

00:52:35,010 --> 00:52:33,730

extraterrestrial species that we're

1293

00:52:37,230 --> 00:52:35,020

doing this for whatever reason they're

1294

00:52:39,540 --> 00:52:37,240

doing it may not maybe they don't see as

1295

00:52:41,220 --> 00:52:39,550

malevolent maybe they're just doing it

1296

00:52:44,520 --> 00:52:41,230

they may just regard humans it's just

1297

00:52:47,610 --> 00:52:44,530

one more species of varmint to poke and

1298

00:52:49,980 --> 00:52:47,620

prod be the way of course this is

1299

00:52:51,870 --> 00:52:49,990

extremely disturbing especially since

1300

00:52:54,900 --> 00:52:51,880

there's normal anyone can do to stop

1301
00:52:58,920 --> 00:52:54,910
them this is comes back to the debate

1302
00:53:01,680 --> 00:52:58,930
between if it will fight blowup between

1303
00:53:03,000 --> 00:53:01,690
dr. Steven Greer and Kerry Cassidy Greer

1304
00:53:05,430 --> 00:53:03,010
says they're all nice they're all lovely

1305
00:53:06,480 --> 00:53:05,440
I actually agree with Kerry Cassidy the

1306
00:53:09,180 --> 00:53:06,490
evidence suggests that these

1307
00:53:11,610 --> 00:53:09,190
extraterrestrials have a very wide

1308
00:53:13,800 --> 00:53:11,620
variety of they they have a very less

1309
00:53:15,270 --> 00:53:13,810
you have a wide variety of agendas they

1310
00:53:18,120 --> 00:53:15,280
display many many different types of

1311
00:53:22,080 --> 00:53:18,130
behavior some of them are nice some of

1312
00:53:25,560 --> 00:53:22,090
them are very nice and they're very

1313
00:53:28,260 --> 00:53:25,570

friendly loving others are not others

1314

00:53:31,500 --> 00:53:28,270

the majority seem to be pretty much in a

1315

00:53:34,200 --> 00:53:31,510

disinterested way studying us and there

1316

00:53:37,530 --> 00:53:34,210

was a minority who are malevolent who

1317

00:53:39,390 --> 00:53:37,540

harmed people and there are people that

1318

00:53:42,090 --> 00:53:39,400

there cause deaths and injuries as a

1319

00:53:44,070 --> 00:53:42,100

result of their income their people died

1320

00:53:47,030 --> 00:53:44,080

and suffer severe injuries as a result

1321

00:53:49,280 --> 00:53:47,040

of their encounters with these beings

1322

00:53:52,080 --> 00:53:49,290

and that is a fact

1323

00:53:53,700 --> 00:53:52,090

and it has to be dealt with and this

1324

00:53:55,440 --> 00:53:53,710

this is another this is another thing

1325

00:53:57,690 --> 00:53:55,450

what happens have to come out in a

1326

00:53:59,430 --> 00:53:57,700

disclosure speech with them with a

1327

00:54:00,630 --> 00:53:59,440

moment the president gets off the TV

1328

00:54:02,820 --> 00:54:00,640

this is what's gonna be going through

1329

00:54:09,000 --> 00:54:02,830

people's heads what do you know about

1330

00:54:13,210 --> 00:54:12,069

abduction alien abduction millions and

1331

00:54:15,789 --> 00:54:13,220

millions of people are affected by this

1332

00:54:18,609 --> 00:54:15,799

it's being done my talk button in Linda

1333

00:54:20,440 --> 00:54:18,619

Napolitano earlier on I know people who

1334

00:54:22,240 --> 00:54:20,450

are serial abductees who constantly have

1335

00:54:24,789 --> 00:54:22,250

these experiences have been taken by

1336

00:54:27,329 --> 00:54:24,799

these beings and having various

1337

00:54:30,970 --> 00:54:27,339

experiences some of them Pleasant

1338

00:54:35,529 --> 00:54:30,980

someone that just saw a strange others

1339

00:54:38,289 --> 00:54:35,539

are testing the unpleasant and this is

1340

00:54:40,390 --> 00:54:38,299

affecting so many people there's

1341

00:54:44,470 --> 00:54:40,400

something I want to show you and this is

1342

00:54:52,010 --> 00:54:44,480

why I need both my hands-free don't

1343

00:54:52,020 --> 00:54:58,700

it

1344

00:55:04,489 --> 00:55:01,420

can any of you see your mark on my arm

1345

00:55:06,769 --> 00:55:04,499

baby harnessing from that distance that

1346

00:55:08,989 --> 00:55:06,779

on my arm on my arm there on my upper

1347

00:55:10,420 --> 00:55:08,999

arm just about the town line there's a

1348

00:55:13,910 --> 00:55:10,430

circular mark

1349

00:55:15,529 --> 00:55:13,920

he's a it's a circle with a red circle

1350

00:55:19,819 --> 00:55:15,539

with a couple of dots in the middle to

1351
00:55:22,339 --> 00:55:19,829
two oval-shaped dots I noticed there's a

1352
00:55:25,039 --> 00:55:22,349
couple of years ago I didn't think much

1353
00:55:26,599 --> 00:55:25,049
of it I just had to sort of see it there

1354
00:55:28,069 --> 00:55:26,609
and I thought that's just that's just it

1355
00:55:31,670 --> 00:55:28,079
so mark disappeared on my skin isn't

1356
00:55:34,190 --> 00:55:31,680
really mean and think and then I was at

1357
00:55:36,759 --> 00:55:34,200
a conference last last year and someone

1358
00:55:39,079 --> 00:55:36,769
there were some people there was with

1359
00:55:41,210 --> 00:55:39,089
with scanning equipment for picking out

1360
00:55:43,069 --> 00:55:41,220
implants these are said there are people

1361
00:55:44,720 --> 00:55:43,079
who had certain have certain objects in

1362
00:55:46,549 --> 00:55:44,730
their body which have appeared their

1363
00:55:48,170 --> 00:55:46,559

food no knows exactly how they appear

1364

00:55:50,239 --> 00:55:48,180

appeared they just happened to appear in

1365

00:55:56,150 --> 00:55:50,249

the body these are often strange devices

1366

00:55:57,589 --> 00:55:56,160

that are not that not really they don't

1367

00:56:02,059 --> 00:55:57,599

resemble any piece of technology that we

1368

00:56:05,059 --> 00:56:02,069

know of some look a bit presentable

1369

00:56:12,480 --> 00:56:11,010

and I wasn't no I wasn't these people in

1370

00:56:15,480 --> 00:56:12,490

a booth they sort of set up a booth

1371

00:56:17,280 --> 00:56:15,490

which is like in a tent because had a

1372

00:56:20,720 --> 00:56:17,290

wire in it because just like it was like

1373

00:56:22,770 --> 00:56:20,730

a Faraday cage to eliminate

1374

00:56:24,390 --> 00:56:22,780

electromagnetic smog so you wouldn't get

1375

00:56:25,530 --> 00:56:24,400

false readings and they had they walk in

1376

00:56:26,460 --> 00:56:25,540

there with you and they'd have these

1377

00:56:28,380 --> 00:56:26,470

three scanners there was an

1378

00:56:30,780 --> 00:56:28,390

electromagnetic field detector there was

1379

00:56:33,480 --> 00:56:30,790

a metal detector and there was a regular

1380

00:56:34,770 --> 00:56:33,490

frequency detector and they would run

1381

00:56:36,540 --> 00:56:34,780

these up people's bodies and try and

1382

00:56:38,099 --> 00:56:36,550

discover they're the implants no idea I

1383

00:56:39,300 --> 00:56:38,109

wasn't gonna go in next I thought well

1384

00:56:41,700 --> 00:56:39,310

what the hell you I've got none of these

1385

00:56:43,500 --> 00:56:41,710

things am i I thought I don't have any

1386

00:56:45,680 --> 00:56:43,510

of these things I have no memory of any

1387

00:56:49,130 --> 00:56:45,690

experience would lead me to believe that

1388

00:56:51,540 --> 00:56:49,140

I someone had put something in my body

1389

00:56:52,859 --> 00:56:51,550

and then disclosed there's guy foody

1390

00:56:54,630 --> 00:56:52,869

come all the way from Balter for this

1391

00:56:57,150 --> 00:56:54,640

conference in the West Country he he

1392

00:57:02,339 --> 00:56:57,160

stared at me said don't say that then so

1393

00:57:03,870 --> 00:57:02,349

I did get scanned in the end and I had

1394

00:57:06,660 --> 00:57:03,880

complete surprise to me completely

1395

00:57:08,550 --> 00:57:06,670

unexpectedly I found that there is

1396

00:57:10,140 --> 00:57:08,560

actually a radio frequency pulses coming

1397

00:57:13,500 --> 00:57:10,150

from my arm or there was when I was

1398

00:57:16,530 --> 00:57:13,510

scanned was 40 megahertz quite a high

1399

00:57:19,410 --> 00:57:16,540

frequency pulses and they were coming

1400

00:57:21,809 --> 00:57:19,420

from exactly the spot where that mark is

1401
00:57:23,579 --> 00:57:21,819
on my arm and the guy's scanning me he

1402
00:57:25,170 --> 00:57:23,589
said well you he pointed the mark and he

1403
00:57:26,609 --> 00:57:25,180
said we'll look this it looks like

1404
00:57:29,160 --> 00:57:26,619
you've been you've been implanted I

1405
00:57:30,569 --> 00:57:29,170
wasn't winding and I was a bit I was a

1406
00:57:31,800 --> 00:57:30,579
bit good dumbstruck because I said I

1407
00:57:34,800 --> 00:57:31,810
don't know how this could have happened

1408
00:57:36,960 --> 00:57:34,810
I don't have any I had no experience to

1409
00:57:39,900 --> 00:57:36,970
my knowledge that I have any ability to

1410
00:57:44,280 --> 00:57:39,910
recall that I have perhaps had an

1411
00:57:45,420 --> 00:57:44,290
experience like this and there's not a

1412
00:57:47,130 --> 00:57:45,430
lot what I don't know I can do really

1413
00:57:48,809 --> 00:57:47,140

because if I go to the doctor and I say

1414

00:57:50,550 --> 00:57:48,819

look because I could get it confirmed

1415

00:57:52,170 --> 00:57:50,560

with them MRI scans and all these things

1416

00:57:53,970 --> 00:57:52,180

show up an x-ray anokhin saying doctor

1417

00:57:55,890 --> 00:57:53,980

please refer me to our nah right I think

1418

00:57:58,910 --> 00:57:55,900

space aliens are put something in my arm

1419

00:58:01,920 --> 00:57:58,920

and I want you to scan it to let me know

1420

00:58:06,510 --> 00:58:01,930

you'd refer me or I wouldn't to the

1421

00:58:08,040 --> 00:58:06,520

psychiatric clinic so I'm happy to let

1422

00:58:09,300 --> 00:58:08,050

it be but I mean this is an example what

1423

00:58:11,400 --> 00:58:09,310

I'm talking I know other people who

1424

00:58:13,349 --> 00:58:11,410

haven't who have had these things in

1425

00:58:14,270 --> 00:58:13,359

their body it's not just in their arm

1426

00:58:15,560 --> 00:58:14,280

some of them have them

1427

00:58:16,820 --> 00:58:15,570

heads inside their brains where they

1428

00:58:19,190 --> 00:58:16,830

couldn't have been inserted surgically

1429

00:58:20,570 --> 00:58:19,200

because we kill you on those I know a

1430

00:58:22,670 --> 00:58:20,580

lady who's got them in their eye her

1431

00:58:25,010 --> 00:58:22,680

eyeballs as a man I know he's a friend

1432

00:58:28,790 --> 00:58:25,020

of mine I see who has them it's who has

1433

00:58:30,230 --> 00:58:28,800

some input in his jaw and with actually

1434

00:58:32,300 --> 00:58:30,240

these things are devices we've seen

1435

00:58:34,790 --> 00:58:32,310

specifically designed to constrict the

1436

00:58:35,330 --> 00:58:34,800

dental nerve now if you ever had

1437

00:58:38,300 --> 00:58:35,340

toothache

1438

00:58:39,920 --> 00:58:38,310

it's terrible in there there's this

1439

00:58:42,140 --> 00:58:39,930

device seem to induce toothache in his

1440

00:58:44,050 --> 00:58:42,150

entire jaw so these are devices of

1441

00:58:47,320 --> 00:58:44,060

torture they've been put in his jawbone

1442

00:58:50,030 --> 00:58:47,330

his dentist has a lot clue what they are

1443

00:58:52,850 --> 00:58:50,040

it's like I'm lying I'm not complaining

1444

00:58:54,320 --> 00:58:52,860

I'm lucky but the question is going to

1445

00:58:57,230 --> 00:58:54,330

be I mean you know what are these

1446

00:59:04,480 --> 00:58:57,240

experiences who's doing it or what is

1447

00:59:07,550 --> 00:59:04,490

doing it and why I mean it's it's the

1448

00:59:09,230 --> 00:59:07,560

obviously I don't think it's not just

1449

00:59:10,130 --> 00:59:09,240

the extra stress we're taking people and

1450

00:59:11,240 --> 00:59:10,140

doing these things I think the

1451

00:59:13,420 --> 00:59:11,250

government is doing it directly

1452

00:59:15,050 --> 00:59:13,430

themselves as well as some people and

1453

00:59:17,930 --> 00:59:15,060

that's another question

1454

00:59:20,810 --> 00:59:17,940

the Manzarek Gary to speak out and say

1455

00:59:23,680 --> 00:59:20,820

UFOs are real and he says there was real

1456

00:59:26,750 --> 00:59:23,690

as the aircraft the fly above our heads

1457

00:59:28,190 --> 00:59:26,760

this man was an engineer he was a top

1458

00:59:29,870 --> 00:59:28,200

engineer then he became Canada's

1459

00:59:32,390 --> 00:59:29,880

Minister administrative Minister of

1460

00:59:34,580 --> 00:59:32,400

Defence for many years the book in his

1461

00:59:36,340 --> 00:59:34,590

hand is where do the towers go by dr.

1462

00:59:39,380 --> 00:59:36,350

Judy wood who's a scientist who's

1463

00:59:41,800 --> 00:59:39,390

investigated this possibility and has

1464

00:59:45,470 --> 00:59:41,810

concluded that is really evidence exists

1465

00:59:46,190 --> 00:59:45,480

and haven't looked at this myself I

1466

00:59:47,510 --> 00:59:46,200

think that's true

1467

00:59:48,290 --> 00:59:47,520

that's another issue that's another

1468

00:59:52,010 --> 00:59:48,300

thing that's gonna be going through

1469

00:59:53,540 --> 00:59:52,020

people's heads but it will come up

1470

00:59:59,050 --> 00:59:53,550

eventually when the president gets off

1471

01:00:06,600 --> 01:00:01,880

you make up it bigger like it's not a

1472

01:00:12,660 --> 01:00:09,360

now it's not just it's not just the

1473

01:00:15,570 --> 01:00:12,670

nature of what's been suppressed it's

1474

01:00:17,310 --> 01:00:15,580

not just the fact that suppression has

1475

01:00:19,350 --> 01:00:17,320

taken place it's not the fact that

1476

01:00:21,030 --> 01:00:19,360

things have been suppressed in terms of

1477

01:00:22,940 --> 01:00:21,040

free energy things like that the

1478

01:00:25,830 --> 01:00:22,950

knowledge that we're not alone etc etc

1479

01:00:28,230 --> 01:00:25,840

it's not just that it's the nature of

1480

01:00:31,410 --> 01:00:28,240

the suppression itself it's the fact of

1481

01:00:32,910 --> 01:00:31,420

the suppression itself because we can

1482

01:00:34,620 --> 01:00:32,920

ask to come on how long if you know

1483

01:00:37,770 --> 01:00:34,630

about this and you're now just telling

1484

01:00:39,150 --> 01:00:37,780

us for the first time on TV how long

1485

01:00:41,310 --> 01:00:39,160

have you known about this before you

1486

01:00:42,870 --> 01:00:41,320

told us the answer is going to actually

1487

01:00:44,460 --> 01:00:42,880

be futile if you depends how you word

1488

01:00:46,470 --> 01:00:44,470

the question but if you include things

1489

01:00:52,530 --> 01:00:46,480

such as free energy inventions more than

1490

01:00:54,240 --> 01:00:52,540

a century and that is the problem they

1491

01:00:56,700 --> 01:00:54,250

can have to say that they kept this

1492

01:00:58,530 --> 01:00:56,710

quiet they didn't keep it quiet for our

1493

01:01:01,590 --> 01:00:58,540

benefit they kept it quiet for their own

1494

01:01:04,650 --> 01:01:01,600

benefit they kept it quiet

1495

01:01:07,260 --> 01:01:04,660

we paid they kept it quiet and enormous

1496

01:01:10,530 --> 01:01:07,270

costs to us an enormous detriment to us

1497

01:01:11,190 --> 01:01:10,540

and I think that's the the cause of this

1498

01:01:16,140 --> 01:01:11,200

secrecy

1499

01:01:19,230 --> 01:01:16,150

have been an enormous amount of

1500

01:01:25,880 --> 01:01:19,240

suffering human suffering environmental

1501

01:01:28,170 --> 01:01:25,890

damage and degradation of the planet and

1502

01:01:29,220 --> 01:01:28,180

we're talking I think such as wars for

1503

01:01:31,200 --> 01:01:29,230

oil these things are going to go through

1504

01:01:34,470 --> 01:01:31,210

people's heads when the president gets

1505

01:01:37,050 --> 01:01:34,480

off the TV because we're talking laws

1506

01:01:38,790 --> 01:01:37,060

while was almost wasn't is now was now

1507

01:01:40,530 --> 01:01:38,800

almost 70 years ago but there were rose

1508

01:01:41,790 --> 01:01:40,540

walls before then it's free energy and

1509

01:01:45,360 --> 01:01:41,800

things like that dating back to the late

1510

01:01:50,190 --> 01:01:45,370

19th century it was kept quiet was

1511

01:01:51,360 --> 01:01:50,200

suppressed and a lot of what's happened

1512

01:01:53,220 --> 01:01:51,370

in the world since their people were

1513

01:01:55,260 --> 01:01:53,230

going through the 20th the history of

1514

01:01:58,140 --> 01:01:55,270

the 20th century thinking well how would

1515

01:01:59,910 --> 01:01:58,150

have been different if it hadn't been if

1516

01:02:01,320 --> 01:01:59,920

this secret hadn't been suppressed I

1517

01:02:04,500 --> 01:02:01,330

talk about this more in my energy

1518

01:02:07,740 --> 01:02:04,510

politics and UFOs videos my energy

1519

01:02:10,980 --> 01:02:07,750

politics engine UFO and energy politics

1520

01:02:13,560 --> 01:02:10,990

talk but it would be in carefully

1521

01:02:14,940 --> 01:02:13,570

different I just be talking about this

1522

01:02:17,220 --> 01:02:14,950

about

1523

01:02:20,579 --> 01:02:17,230

what it effect will have it would have

1524

01:02:21,750 --> 01:02:20,589

meant that even for the age of oil we

1525

01:02:24,390 --> 01:02:21,760

should have been out of we should have

1526

01:02:29,370 --> 01:02:24,400

have free energy it's remarkable just to

1527

01:02:31,380 --> 01:02:29,380

think about that and then what would I

1528

01:02:35,220 --> 01:02:31,390

what were our reaction be to know that

1529

01:02:37,290 --> 01:02:35,230

we that people in government have done

1530

01:02:40,290 --> 01:02:37,300

this to us I mean the credibility

1531

01:02:41,849 --> 01:02:40,300

problem they would suffer would who

1532

01:02:43,290 --> 01:02:41,859

would be enormous to put it mildly

1533

01:02:46,109 --> 01:02:43,300

wouldn't it and that's an understatement

1534

01:02:49,680 --> 01:02:46,119

I mean duck ponds extramarital affairs

1535

01:02:51,150 --> 01:02:49,690

that's nothing I'd want to be at the

1536

01:02:52,800 --> 01:02:51,160

head of this model I grab me torsion

1537

01:02:56,970 --> 01:02:52,810

aren't my pitchforks I want to be ahead

1538

01:03:00,839 --> 01:02:56,980

of this mob I mean it's it's not it's

1539

01:03:02,460 --> 01:03:00,849

beyond anything that's really bad enough

1540

01:03:06,030 --> 01:03:02,470

any kind of criminal charge or any

1541

01:03:08,430 --> 01:03:06,040

punishment then I can think of you know

1542

01:03:10,380 --> 01:03:08,440

the Prime Minister resigning calling

1543

01:03:13,730 --> 01:03:10,390

calling a general election Latin that

1544

01:03:21,089 --> 01:03:13,740

one to do won't even come close to it

1545

01:03:26,440 --> 01:03:23,410

all these questions that I brought up

1546

01:03:28,089 --> 01:03:26,450

are going to be discussed in secret

1547

01:03:32,980 --> 01:03:28,099

board rooms where the keepers of the

1548

01:03:35,109 --> 01:03:32,990

secret meet behind locked doors to talk

1549

01:03:39,700 --> 01:03:35,119

about disclosure whether we should have

1550

01:03:42,040 --> 01:03:39,710

disclosure or not and I don't know

1551
01:03:43,480 --> 01:03:42,050
course what they're saying but I can

1552
01:03:48,180 --> 01:03:43,490
speculate I can guess what they're

1553
01:03:50,380 --> 01:03:48,190
saying next slide please

1554
01:03:52,420 --> 01:03:50,390
so the government now has a number of

1555
01:03:54,970 --> 01:03:52,430
options in terms of disclosure we can

1556
01:03:57,970 --> 01:03:54,980
have the disclosure the way grier the

1557
01:04:01,809 --> 01:03:57,980
way bassett its wants it the way they're

1558
01:04:05,589 --> 01:04:01,819
campaigning to have it the leader comes

1559
01:04:07,329 --> 01:04:05,599
out they just say it's real and this is

1560
01:04:08,920 --> 01:04:07,339
why this is what we do we kept it quiet

1561
01:04:11,230 --> 01:04:08,930
we're releasing this information to you

1562
01:04:13,420 --> 01:04:11,240
now it's real let's move into the post

1563
01:04:16,599 --> 01:04:13,430

disclosure world together in harmony

1564

01:04:19,839 --> 01:04:16,609

that's one option I won't explain to you

1565

01:04:22,839 --> 01:04:19,849

why I think this disclosure in this form

1566

01:04:24,210 --> 01:04:22,849

is not feasible next question next slide

1567

01:04:26,980 --> 01:04:24,220

please

1568

01:04:28,690 --> 01:04:26,990

however I mean it's interestingly it's

1569

01:04:31,270 --> 01:04:28,700

interesting to actually talk about this

1570

01:04:34,530 --> 01:04:31,280

because Korea I'm sorry the Bassett has

1571

01:04:37,299 --> 01:04:34,540

actually discussed this many many times

1572

01:04:39,970 --> 01:04:37,309

in the current presidential US

1573

01:04:43,450 --> 01:04:39,980

presidential election Hillary Clinton in

1574

01:04:45,579 --> 01:04:43,460

particular has had UFOs associated with

1575

01:04:48,400 --> 01:04:45,589

her many many times the leader her fur

1576

01:04:51,099 --> 01:04:48,410

campaign is a guy called John Podesta

1577

01:04:52,630 --> 01:04:51,109

and he has actually made several

1578

01:04:54,160 --> 01:04:52,640

statements and he spoken at various

1579

01:04:56,230 --> 01:04:54,170

events talking about UFOs about how

1580

01:04:57,700 --> 01:04:56,240

people can't handle the truth or how

1581

01:05:00,099 --> 01:04:57,710

it's right they have a need to know they

1582

01:05:01,510 --> 01:05:00,109

have a right to know you know I follow

1583

01:05:03,420 --> 01:05:01,520

him on Twitter and it's amazing some of

1584

01:05:05,770 --> 01:05:03,430

the things he comes up with like UFOs

1585

01:05:08,500 --> 01:05:05,780

whenever a new UFO news story comes

1586

01:05:10,210 --> 01:05:08,510

about John Podesta is there commenting

1587

01:05:11,620 --> 01:05:10,220

on it saying about how the government

1588

01:05:15,670 --> 01:05:11,630

should cut should be talking about this

1589

01:05:17,490 --> 01:05:15,680

Hillary presumably has hired this guy to

1590

01:05:20,200 --> 01:05:17,500

run her campaign and she doesn't object

1591

01:05:22,839 --> 01:05:20,210

in fact some Hillary herself was asked

1592

01:05:24,300 --> 01:05:22,849

questions about UFOs and it's one of the

1593

01:05:27,130 --> 01:05:24,310

causes

1594

01:05:31,240 --> 01:05:27,140

and she gave some very interesting

1595

01:05:33,730 --> 01:05:31,250

answers and her husband bill has talked

1596

01:05:35,560 --> 01:05:33,740

about this as well about how he tried to

1597

01:05:37,990 --> 01:05:35,570

get information on UFOs and no one told

1598

01:05:39,430 --> 01:05:38,000

him and things like this about how we

1599

01:05:43,300 --> 01:05:39,440

talk to you talk about Roswell in area

1600

01:05:45,160 --> 01:05:43,310

51 is to find that the Jimmy Kimmel show

1601
01:05:47,230 --> 01:05:45,170
is the one to go to because that's some

1602
01:05:49,090 --> 01:05:47,240
Obama has said a few things about it as

1603
01:05:52,210 --> 01:05:49,100
well so so this is there is this kind of

1604
01:05:57,610 --> 01:05:52,220
like interesting night guys thanks for

1605
01:05:59,440 --> 01:05:57,620
coming this interesting point of them is

1606
01:06:02,760 --> 01:05:59,450
undertone it's almost hidden ting in the

1607
01:06:04,750 --> 01:06:02,770
media about this issue next slide please

1608
01:06:07,690 --> 01:06:04,760
or they could just continue with the

1609
01:06:11,500 --> 01:06:07,700
truth embargo in its modern form they

1610
01:06:13,870 --> 01:06:11,510
could just continue with it right yeah

1611
01:06:16,720 --> 01:06:13,880
okay they could just continue with it as

1612
01:06:18,730 --> 01:06:16,730
it is and we'll just go along without

1613
01:06:20,230 --> 01:06:18,740

any change but how long realistically is

1614

01:06:23,230 --> 01:06:20,240

that possible how long realistically

1615

01:06:24,670 --> 01:06:23,240

realistically can that be done because

1616

01:06:27,310 --> 01:06:24,680

we're talking about an irresistible

1617

01:06:31,510 --> 01:06:27,320

force and an immovable object yeah it's

1618

01:06:33,010 --> 01:06:31,520

a kind of situation it cannot go on it

1619

01:06:34,570 --> 01:06:33,020

definitely can't the one for much longer

1620

01:06:37,170 --> 01:06:34,580

one way or another something's going to

1621

01:06:39,490 --> 01:06:37,180

have to crack next slide please

1622

01:06:41,950 --> 01:06:39,500

this is an interesting film this is a

1623

01:06:43,810 --> 01:06:41,960

film from 1956 called the earth versus

1624

01:06:45,940 --> 01:06:43,820

flying saucers you should not read the

1625

01:06:47,890 --> 01:06:45,950

title because it gives away the plot but

1626

01:06:49,540 --> 01:06:47,900

basically it's a very it's a similar

1627

01:06:52,900 --> 01:06:49,550

plot Independence Day actually it's

1628

01:06:54,220 --> 01:06:52,910

about aliens alien invaders who come

1629

01:06:57,130 --> 01:06:54,230

down without trying to destroy it and

1630

01:06:59,140 --> 01:06:57,140

have we fought off it's quite an amusing

1631

01:07:01,030 --> 01:06:59,150

film and it's been there's a great spoof

1632

01:07:03,100 --> 01:07:01,040

made by Tim Burton actually called Mars

1633

01:07:06,070 --> 01:07:03,110

Attacks you have to see that it's really

1634

01:07:07,870 --> 01:07:06,080

hilarious but then what's interesting

1635

01:07:09,730 --> 01:07:07,880

about this film is it was made with the

1636

01:07:11,200 --> 01:07:09,740

assistance of ufologists and they the

1637

01:07:15,700 --> 01:07:11,210

actual extraterrestrial craft do

1638

01:07:17,050 --> 01:07:15,710

resemble real reports on UFOs however

1639

01:07:18,490 --> 01:07:17,060

I'm hands with Independence Day there's

1640

01:07:21,730 --> 01:07:18,500

some themes in the film which lead me to

1641

01:07:23,770 --> 01:07:21,740

believe that the government is very very

1642

01:07:26,830 --> 01:07:23,780

keen for us to perceive UFOs in a

1643

01:07:29,250 --> 01:07:26,840

certain way and that they may be going

1644

01:07:31,990 --> 01:07:29,260

for exactly what Carol rosin has said

1645

01:07:34,060 --> 01:07:32,000

when when she talks wishing she related

1646

01:07:36,110 --> 01:07:34,070

the words of valve on Brad

1647

01:07:37,700 --> 01:07:36,120

there's going to be just there's going

1648

01:07:40,460 --> 01:07:37,710

to be some kind of statement from the

1649

01:07:46,010 --> 01:07:40,470

government along the lines of UFOs are

1650

01:07:47,690 --> 01:07:46,020

real but the rest will be lies there

1651
01:07:49,820 --> 01:07:47,700
will be false information to talk will

1652
01:07:51,530 --> 01:07:49,830
be told false information about them to

1653
01:07:52,850 --> 01:07:51,540
make us respond in a certain way in

1654
01:07:55,190 --> 01:07:52,860
other ways they get over the disclosure

1655
01:07:57,980 --> 01:07:55,200
problem by just adding to the truth

1656
01:07:59,690 --> 01:07:57,990
embargo in a different way down I think

1657
01:08:02,000 --> 01:07:59,700
is the most likely outcome and that's

1658
01:08:03,440 --> 01:08:02,010
what we have to be on our guard against

1659
01:08:08,030 --> 01:08:03,450
next slide please

1660
01:08:09,230 --> 01:08:08,040
I don't know these are truth I mean

1661
01:08:10,940 --> 01:08:09,240
there's as I said there's a lot of

1662
01:08:12,050 --> 01:08:10,950
internal conflicts in me I don't know

1663
01:08:16,010 --> 01:08:12,060

whether we're going to have disclosure

1664

01:08:19,990 --> 01:08:16,020

or not or the types eat Bassett angrier

1665

01:08:23,269 --> 01:08:20,000

talks about the extra political world is

1666

01:08:24,559 --> 01:08:23,279

is split over this people even very very

1667

01:08:26,000 --> 01:08:24,569

certain or they're very very certain

1668

01:08:27,170 --> 01:08:26,010

isn't he's certainly it's possible as

1669

01:08:29,660 --> 01:08:27,180

certain it's not possible

1670

01:08:32,390 --> 01:08:29,670

I'm divided and I think the rational

1671

01:08:34,550 --> 01:08:32,400

side of myself says that the willing

1672

01:08:36,110 --> 01:08:34,560

disclosure is impossible for the reasons

1673

01:08:40,160 --> 01:08:36,120

I've explained and I explained in my

1674

01:08:42,170 --> 01:08:40,170

other talk but there's a part of me I

1675

01:08:45,890 --> 01:08:42,180

think because the the idea is so

1676
01:08:47,660 --> 01:08:45,900
appealing especially honest and Steven

1677
01:08:49,700 --> 01:08:47,670
batter talking that on an emotional

1678
01:08:56,240 --> 01:08:49,710
level I can't let it go I can't think

1679
01:08:59,120 --> 01:08:56,250
what if could it be is it possible as I

1680
01:09:00,400 --> 01:08:59,130
think only time will tell but next slide

1681
01:09:02,780 --> 01:09:00,410
please

1682
01:09:04,910 --> 01:09:02,790
in the meantime I've actually written a

1683
01:09:06,019 --> 01:09:04,920
book which is gonna be available very

1684
01:09:07,430 --> 01:09:06,029
soon as you know actually I'm going

1685
01:09:09,620 --> 01:09:07,440
through the process of getting it done

1686
01:09:12,370 --> 01:09:09,630
at the printers now it's called what

1687
01:09:15,260 --> 01:09:12,380
while rising a novel of disclosure and

1688
01:09:16,340 --> 01:09:15,270

my web details on my website about when

1689

01:09:19,370 --> 01:09:16,350

it comes out but basically is a

1690

01:09:21,530 --> 01:09:19,380

fictional book about UFO disclosure

1691

01:09:23,720 --> 01:09:21,540

basically it talks like the Roswell

1692

01:09:27,110 --> 01:09:23,730

incident and Steve Bassett was I'm on

1693

01:09:28,670 --> 01:09:27,120

the radio saying well well what would

1694

01:09:29,980 --> 01:09:28,680

have happened if we'd had disclosure on

1695

01:09:32,480 --> 01:09:29,990

Roswell

1696

01:09:34,670 --> 01:09:32,490

just imagine what the 20th century would

1697

01:09:35,990 --> 01:09:34,680

have been like after that I'm sure

1698

01:09:38,059 --> 01:09:36,000

somewhere one day we'll write a book

1699

01:09:40,760 --> 01:09:38,069

about it I can't I don't have time but

1700

01:09:42,170 --> 01:09:40,770

someone will well I thought I contacted

1701

01:09:43,999 --> 01:09:42,180

Steven I said well why not why don't I

1702

01:09:45,559 --> 01:09:44,009

do it I can write I've written books

1703

01:09:47,300 --> 01:09:45,569

before I've written two novels

1704

01:09:48,979 --> 01:09:47,310

I can write another book well as I've

1705

01:09:51,200 --> 01:09:48,989

written a fictional allegorical novel

1706

01:09:53,780 --> 01:09:51,210

about what would happen if we had

1707

01:09:56,660 --> 01:09:53,790

disclosure so I hope you enjoy that book

1708

01:10:04,640 --> 01:09:56,670

when it comes out you go back to the

1709

01:10:14,600 --> 01:10:06,720

that's a [h__\h] putting out a copy that

1710

01:10:14,610 --> 01:10:17,860

nice right

1711

01:10:23,080 --> 01:10:19,660

in the meantime if you want to know any

1712

01:10:25,090 --> 01:10:23,090

more about me that's my website their HP

1713

01:10:28,150 --> 01:10:25,100

NWO hospital Porter's against the New

1714

01:10:30,550 --> 01:10:28,160

World Order I want to say thanks to

1715

01:10:31,840 --> 01:10:30,560

emmalin to Steven to everyone else who's

1716

01:10:33,700 --> 01:10:31,850

organized this event it's been really

1717

01:10:35,860 --> 01:10:33,710

really great and I've really enjoyed it

1718

01:10:37,390 --> 01:10:35,870

and you guys thanks for coming I really

1719

01:10:49,150 --> 01:10:37,400

appreciate you listening to me

1720

01:10:49,630 --> 01:10:49,160

you take care now I'm at what's the time

1721

01:10:54,010 --> 01:10:49,640

now

1722

01:10:54,400 --> 01:10:54,020

Oh blimey is it so is it getting a bit

1723

01:10:58,300 --> 01:10:54,410

late now

1724

01:11:00,220 --> 01:10:58,310

no it's okay is anyone have a question

1725

01:11:02,890 --> 01:11:00,230

maybe one if anyone's got a burden

1726

01:11:04,810 --> 01:11:02,900

question no I see Steve he's getting a

1727

01:11:07,420 --> 01:11:04,820

bit like now so sorry I didn't mean to

1728

01:11:08,890 --> 01:11:07,430

go on this long um that's much longer

1729

01:11:25,470 --> 01:11:08,900

than the first time I did it but thanks

1730

01:11:35,850 --> 01:11:32,130

I don't know why that's okay you

1731

01:11:38,100 --> 01:11:35,860

mentioned main plans earlier we

1732

01:11:55,280 --> 01:11:38,110

mentioned implants in part yeah

1733

01:12:00,000 --> 01:11:57,810

they seem to be metallian they seem fee

1734

01:12:01,590 --> 01:12:00,010

made of metal in most places they don't

1735

01:12:08,220 --> 01:12:01,600

seem to be they're not conventional

1736

01:12:09,570 --> 01:12:08,230

electronics or any while are they they

1737

01:12:11,220 --> 01:12:09,580

tend to be under the skin and they don't

1738

01:12:12,570 --> 01:12:11,230

usually make a mark it's very strange

1739

01:12:14,340 --> 01:12:12,580

because the immune system doesn't react

1740

01:12:15,630 --> 01:12:14,350

against them almost as if they'd

1741

01:12:18,660 --> 01:12:15,640

sometimes your blood vessels and nerves

1742

01:12:20,970 --> 01:12:18,670

grow around them very very odd I mean I

1743

01:12:22,290 --> 01:12:20,980

know a lady who and who have them in oh

1744

01:12:26,250 --> 01:12:22,300

no she have one in a nose and sherry

1745

01:12:27,600 --> 01:12:26,260

confirmed and she she went and had it

1746

01:12:29,189 --> 01:12:27,610

she went all the way to Greece to have a

1747

01:12:32,910 --> 01:12:29,199

private operation costing thousands of

1748

01:12:36,120 --> 01:12:32,920

pounds to have it removed and she went

1749

01:12:39,270 --> 01:12:36,130

back and she went back home again anyway

1750

01:12:40,560 --> 01:12:39,280

a couple of weeks later someone put

1751

01:12:43,530 --> 01:12:40,570

someone or something put another one
