

1
00:00:01,879 --> 00:01:28,100
WWF on you

2
00:01:32,890 --> 00:01:31,160
like here we are this is long walks

3
00:01:36,070 --> 00:01:32,900
Avenue in the uplands

4
00:01:39,170 --> 00:01:36,080
remember the first video that we did

5
00:01:41,960 --> 00:01:39,180
where Phil Jones the son of the witness

6
00:01:45,560 --> 00:01:41,970
came up to tell us about his father's

7
00:01:50,860 --> 00:01:45,570
sight in of a black triangle roughly 18

8
00:01:55,310 --> 00:01:50,870
inches thick traveling across the road

9
00:01:57,290 --> 00:01:55,320
over the house there and it dipped well

10
00:02:05,900 --> 00:01:57,300
across the road slowly and then went

11
00:02:09,949 --> 00:02:05,910
over the following house 12 hours yeah

12
00:02:12,110 --> 00:02:09,959
12 well that was about core bar sex on

13
00:02:13,220 --> 00:02:12,120

the night of 19th of January 1983 and

14

00:02:17,210 --> 00:02:13,230

like we've called the light of the

15

00:02:19,670 --> 00:02:17,220

triangles now we're gonna see a witness

16

00:02:21,770 --> 00:02:19,680

couple of streets away from here called

17

00:02:22,280 --> 00:02:21,780

Natalie Bowden and she was about 13 at

18

00:02:25,010 --> 00:02:22,290

the time

19

00:02:26,900 --> 00:02:25,020

and she saw something roughly between

20

00:02:32,509 --> 00:02:26,910

half six and a half seven on the same

21

00:02:35,210 --> 00:02:32,519

night so he's interested in the fact

22

00:02:37,670 --> 00:02:35,220

he's so close by but new thing is it

23

00:02:39,710 --> 00:02:37,680

wasn't triangle he was tall it was a the

24

00:02:41,650 --> 00:02:39,720

sound of it at large discs so we can

25

00:02:44,509 --> 00:02:41,660

have a chat with her now

26

00:02:47,160 --> 00:02:44,519

outside the house where she grew up

27

00:02:49,020 --> 00:02:47,170

which was a mother's house

28

00:03:08,130 --> 00:02:49,030

until recently they just sold it

29

00:03:12,360 --> 00:03:09,870

we'll go across get the roads heading

30

00:03:16,050 --> 00:03:12,370

south which is the sim direction of a

31

00:03:29,820 --> 00:03:16,060

triangle that oh boy in Jones saw one

32

00:03:36,280 --> 00:03:33,339

Beachwood wrote where Natalie Belden was

33

00:03:36,290 --> 00:03:43,150

and the 38

34

00:03:48,980 --> 00:03:47,360

it's thirty eight pm taco site there

35

00:03:56,600 --> 00:03:48,990

Steve

36

00:03:58,670 --> 00:03:56,610

from Swansea UFO network welcome to

37

00:04:02,660 --> 00:03:58,680

another exciting installment of night of

38

00:04:06,230 --> 00:04:02,670

the triangles today is Thursday the 11th

39

00:04:08,660 --> 00:04:06,240

of August 2016 we've come down the

40

00:04:11,300 --> 00:04:08,670

beechwood road and sketti to interview

41

00:04:14,030 --> 00:04:11,310

another witness to this extraordinary

42

00:04:17,450 --> 00:04:14,040

event so our hand now and you can

43

00:04:19,460 --> 00:04:17,460

introduce it to the lady involved right

44

00:04:23,780 --> 00:04:19,470

here we are number 38 Beach Road roads

45

00:04:28,760 --> 00:04:23,790

uplands to see Natalie Bowden who's was

46

00:04:32,510 --> 00:04:28,770

13 at the time of her sighting 13 her

47

00:04:33,680 --> 00:04:32,520

take place right we began asking out to

48

00:04:39,350 --> 00:04:33,690

the owner to tell us in their own words

49

00:04:41,030 --> 00:04:39,360

what happened just for the record one

50

00:04:44,390 --> 00:04:41,040

record this is not to convince anyone

51
00:04:47,390 --> 00:04:44,400
this is you know my story for me I don't

52
00:04:49,820 --> 00:04:47,400
need to convince anyone okay so in this

53
00:04:52,430 --> 00:04:49,830
house of 13 I was sitting in the back

54
00:04:55,160 --> 00:04:52,440
room which is next to the kitchen in the

55
00:04:58,010 --> 00:04:55,170
annex and one evening was super my talk

56
00:05:01,220 --> 00:04:58,020
watching TV and I just had an urge to

57
00:05:02,510 --> 00:05:01,230
get up and go out and go my butt cut

58
00:05:06,629 --> 00:05:02,520
through the house the dog doesn't follow

59
00:05:12,360 --> 00:05:09,390
what talk to me on my thumb okay so I

60
00:05:15,959 --> 00:05:12,370
came out from the back room with King up

61
00:05:19,230 --> 00:05:15,969
the front and stood on this step right

62
00:05:23,850 --> 00:05:19,240
here and in the sky 30 feet above that

63
00:05:25,980 --> 00:05:23,860

house over there is a massive UFO the

64

00:05:28,350 --> 00:05:25,990

central part of it is as I said before

65

00:05:31,230 --> 00:05:28,360

it's a stadium shape okay

66

00:05:32,939 --> 00:05:31,240

but the windows are like this size like

67

00:05:37,850 --> 00:05:32,949

you know and but there's a lot of likes

68

00:05:41,249 --> 00:05:37,860

and I caught the lights with creams and

69

00:05:42,360 --> 00:05:41,259

aquas and pinks and all soft its kind of

70

00:05:43,920 --> 00:05:42,370

colors and they were all different you

71

00:05:46,830 --> 00:05:43,930

know I thought it was trying to say

72

00:05:48,749 --> 00:05:46,840

something to me in my in my head but I

73

00:05:50,550 --> 00:05:48,759

was also signed and you're thinking what

74

00:05:52,469 --> 00:05:50,560

they're doing that I didn't see the

75

00:05:54,779 --> 00:05:52,479

circumference of it because it was

76

00:05:56,219 --> 00:05:54,789

immense you know is it black scary

77

00:05:58,950 --> 00:05:56,229

bro I was focusing on with the lights

78

00:06:01,559 --> 00:05:58,960

underneath so I'm looking at it

79

00:06:02,969 --> 00:06:01,569

wondering why it's there for five

80

00:06:04,230 --> 00:06:02,979

minutes I'm science and you're wondering

81

00:06:05,909 --> 00:06:04,240

whether it needs the water in the park

82

00:06:07,890 --> 00:06:05,919

you know trying to make sense of what

83

00:06:11,070 --> 00:06:07,900

I'm seeing and logically explain it in

84

00:06:13,019 --> 00:06:11,080

my own air so I couldn't make any sense

85

00:06:14,550 --> 00:06:13,029

of it and then I thought people think

86

00:06:16,740 --> 00:06:14,560

I'm gonna be a nutter so I better cool

87

00:06:20,010 --> 00:06:16,750

so I started screaming into the house to

88

00:06:23,070 --> 00:06:20,020

cool my brother my sister and my

89

00:06:26,189 --> 00:06:23,080

stepfather so they came out because I

90

00:06:27,689 --> 00:06:26,199

was causing so much commotion are the

91

00:06:30,659 --> 00:06:27,699

neighbors in the street to come out so I

92

00:06:32,339 --> 00:06:30,669

said to across that to up here one

93

00:06:35,540 --> 00:06:32,349

across them so place it in the end there

94

00:06:38,100 --> 00:06:35,550

was about 99 of us looking at this thing

95

00:06:40,110 --> 00:06:38,110

the other thing is is that it wasn't

96

00:06:41,909 --> 00:06:40,120

cold anymore the sound in the street

97

00:06:43,140 --> 00:06:41,919

baby it felt like a pin could had

98

00:06:45,089 --> 00:06:43,150

dropped you know if you could use it

99

00:06:48,420 --> 00:06:45,099

here a pin drop it was that kind of I

100

00:06:51,679 --> 00:06:48,430

know just stillness complete stillness

101

00:06:54,329 --> 00:06:51,689

no sound out of this thing that's bad

102

00:06:56,579 --> 00:06:54,339

but what my stepfather and my sister

103

00:06:59,519 --> 00:06:56,589

finally could might be and they stand on

104

00:07:01,110 --> 00:06:59,529

what Utah and they're looking at it and

105

00:07:04,230 --> 00:07:01,120

I'm like can you believe it you know it

106

00:07:07,100 --> 00:07:04,240

sir see UFO you know he's like wow yeah

107

00:07:10,170 --> 00:07:07,110

you but you know no excitement or

108

00:07:12,629 --> 00:07:10,180

interest that's all just gonna pick a

109

00:07:16,600 --> 00:07:12,639

tell oh yeah UFO

110

00:07:19,090 --> 00:07:16,610

I'll put at this point my stepfather

111

00:07:21,490 --> 00:07:19,100

didn't get along I'm doing this to set

112

00:07:24,040 --> 00:07:21,500

the scene because it's not normal what

113

00:07:25,749 --> 00:07:24,050

they did next he walked in and I said

114

00:07:28,990 --> 00:07:25,759

what you do it and he's like I've seen

115

00:07:31,150 --> 00:07:29,000

enough so he steps down mechanically but

116

00:07:33,340 --> 00:07:31,160

fluidly follows only my sister does

117

00:07:35,320 --> 00:07:33,350

exactly the same I'm like Ashley what

118

00:07:37,540 --> 00:07:35,330

you doing so shouldn't you answer me

119

00:07:40,150 --> 00:07:37,550

just fold them in which is not normal

120

00:07:42,909 --> 00:07:40,160

because they she would never ever but

121

00:07:45,310 --> 00:07:42,919

just stopping us so they went in and I'm

122

00:07:47,080 --> 00:07:45,320

like what I'm watching it go you know so

123

00:07:49,300 --> 00:07:47,090

I'm standing there so it's been five

124

00:07:51,040 --> 00:07:49,310

minutes I was out on my own I called

125

00:07:53,320 --> 00:07:51,050

there might be another five minutes

126

00:07:54,939 --> 00:07:53,330

they've gone in and now I'm just

127

00:07:56,860 --> 00:07:54,949

stand-in there and just watching it and

128

00:07:59,170 --> 00:07:56,870

I'm you know because looking at the

129

00:08:01,500 --> 00:07:59,180

lights wondering you know just asking me

130

00:08:03,460 --> 00:08:01,510

questions mentally you know

131

00:08:05,770 --> 00:08:03,470

telepathically if I you know I was like

132

00:08:08,650 --> 00:08:05,780

sending it like what's going on while

133

00:08:11,500 --> 00:08:08,660

you there what you do it you know take

134

00:08:13,150 --> 00:08:11,510

me away even who asked it to give me you

135

00:08:15,100 --> 00:08:13,160

know another perspective the border days

136

00:08:16,749 --> 00:08:15,110

come on Contini there's a kid you just

137

00:08:19,050 --> 00:08:16,759

joking around of just looking for

138

00:08:22,390 --> 00:08:19,060

something that's the logic in some sense

139

00:08:24,939 --> 00:08:22,400

so after another five maybe ten minutes

140

00:08:26,589 --> 00:08:24,949

I was you know I was just really just

141

00:08:28,659 --> 00:08:26,599

you know I was just looking at it and

142

00:08:30,909 --> 00:08:28,669

then all of a sudden it wasn't that as

143

00:08:32,680 --> 00:08:30,919

clear as I'm looking at you too I didn't

144

00:08:34,510 --> 00:08:32,690

see you move but you just not there

145

00:08:34,990 --> 00:08:34,520

anyone was just blank space I could see

146

00:08:37,600 --> 00:08:35,000

the stars

147

00:08:40,029 --> 00:08:37,610

it got cold it was wind yeah you know

148

00:08:42,490 --> 00:08:40,039

that was stillness I'm definitely on the

149

00:08:45,300 --> 00:08:42,500

street for me looked across all the

150

00:08:47,560 --> 00:08:45,310

house there's no no but what I saw was

151

00:08:49,780 --> 00:08:47,570

the central bit like say I couldn't see

152

00:08:51,940 --> 00:08:49,790

the circumference of it but I know that

153

00:08:53,860 --> 00:08:51,950

my sister we discussed it when we went

154

00:08:56,019 --> 00:08:53,870

back in she doesn't might you know I

155

00:08:59,830 --> 00:08:56,029

went back in kind of really just gutted

156

00:09:01,750 --> 00:08:59,840

and upset and wound up but

157

00:09:03,040 --> 00:09:01,760

you know I didn't happen on I didn't see

158

00:09:05,980 --> 00:09:03,050

it go that's four of us that I just

159

00:09:07,780 --> 00:09:05,990

wanted to see it move and so I went in

160

00:09:10,990 --> 00:09:07,790

am I set forth being the Joker I said

161

00:09:14,700 --> 00:09:11,000

did you see a UFO go and I was like your

162

00:09:18,220 --> 00:09:14,710

UFO all right no you know I've just

163

00:09:20,530 --> 00:09:18,230

couldn't make any sense out of it and my

164

00:09:21,700 --> 00:09:20,540

sisters you know had said that she well

165

00:09:23,140 --> 00:09:21,710

now she didn't we didn't discuss it

166

00:09:25,000 --> 00:09:23,150

that's the weird thing about all this is

167

00:09:26,320 --> 00:09:25,010

that we didn't discuss it with a

168

00:09:29,650 --> 00:09:26,330

neighbor server again nothing was

169

00:09:31,240 --> 00:09:29,660

discussed the next day no one talked the

170

00:09:32,710 --> 00:09:31,250

next morning or the next mean I'm

171

00:09:35,680 --> 00:09:32,720

addicted and my stepfather got the

172

00:09:38,590 --> 00:09:35,690

newspaper The Evening Post and I just

173

00:09:40,540 --> 00:09:38,600

hope need it on a page when a UFO and it

174

00:09:44,110 --> 00:09:40,550

said satellite out of orbit in big

175

00:09:46,840 --> 00:09:44,120

letters I think a little story there big

176

00:09:50,920 --> 00:09:46,850

letters satellite orbit or satellite a

177

00:09:52,870 --> 00:09:50,930

ticket said and yeah a cup that's

178

00:09:55,990 --> 00:09:52,880

remember just big box seeing satellite

179

00:09:59,350 --> 00:09:56,000

and I was like yeah as if you know but

180

00:10:01,450 --> 00:09:59,360

you know that was all he you know it was

181

00:10:02,890 --> 00:10:01,460

just it was some psycho kind of joke and

182

00:10:05,170 --> 00:10:02,900

it became a joke that what we saw

183

00:10:07,329 --> 00:10:05,180

between us I said it was never discussed

184

00:10:09,670 --> 00:10:07,339

again I mentioned it to my friends I

185

00:10:12,990 --> 00:10:09,680

mentioned it to on certain occasions if

186

00:10:15,910 --> 00:10:13,000

ever that you know the subject came up

187

00:10:18,940 --> 00:10:15,920

and people think I'm nuts oh there you

188

00:10:20,680 --> 00:10:18,950

go so you just don't discuss it so much

189

00:10:23,110 --> 00:10:20,690
anymore but the following week

190

00:10:24,100 --> 00:10:23,120
okay the after that the Russian

191

00:10:27,670 --> 00:10:24,110
satellites out of orbit

192

00:10:30,160 --> 00:10:27,680
I read the article and it said something

193

00:10:31,690 --> 00:10:30,170
about discounting it was a UFO because

194

00:10:35,620 --> 00:10:31,700
there was a Saturn I'm like uh-huh

195

00:10:38,200 --> 00:10:35,630
it was 30 feet it was 30 feets I mean it

196

00:10:40,210 --> 00:10:38,210
was so low I mean I could even see you

197

00:10:42,430 --> 00:10:40,220
stood to be 30 feet above the ground or

198

00:10:45,280 --> 00:10:42,440
about that well perhaps it was probably

199

00:10:47,140 --> 00:10:45,290
about just that it couldn't be I don't

200

00:10:49,210 --> 00:10:47,150
know what I'm looking at bro it was just

201
00:10:51,400 --> 00:10:49,220
that it was just so low I could see

202
00:10:53,350 --> 00:10:51,410
every detail or the central part of it

203
00:10:55,150 --> 00:10:53,360
and like as I couldn't see these and you

204
00:10:57,070 --> 00:10:55,160
know the outside of it cuz all I was

205
00:10:58,960 --> 00:10:57,080
focusing on was the lights in which I

206
00:11:00,579 --> 00:10:58,970
was thinking that is

207
00:11:03,819 --> 00:11:00,589
you can't understand likes can you good

208
00:11:05,800 --> 00:11:03,829
you just thought if I define this world

209
00:11:08,710 --> 00:11:05,810
that was about seven days off Twitter's

210
00:11:10,449 --> 00:11:08,720
washed my hair oh it's two days whatever

211
00:11:12,519 --> 00:11:10,459
it wasn't wash my hair I was robbed the

212
00:11:14,499 --> 00:11:12,529
shampoo in math I won't spit this feels

213
00:11:19,960 --> 00:11:14,509

really cold yeah just thought we killed

214

00:11:21,160 --> 00:11:19,970

so when I was a kid nothing we were

215

00:11:23,259 --> 00:11:21,170

housed in the car feels really weird

216

00:11:24,639 --> 00:11:23,269

bike but that come from I mean wash my

217

00:11:29,019 --> 00:11:24,649

hair enough to know that that wasn't

218

00:11:31,300 --> 00:11:29,029

there before the experience and yeah so

219

00:11:33,009 --> 00:11:31,310

I asked them that you know some some

220

00:11:35,949 --> 00:11:33,019

people said ask your mother you know if

221

00:11:38,259 --> 00:11:35,959

you're an accident that no you have no

222

00:11:40,030 --> 00:11:38,269

neck said that but the point is I knew

223

00:11:42,670 --> 00:11:40,040

it wasn't that full thanks for you and

224

00:11:46,929 --> 00:11:42,680

so I don't know and you told me that you

225

00:11:47,379 --> 00:11:46,939

you stepfather doesn't remember it at

226

00:11:50,050 --> 00:11:47,389

all

227

00:11:53,319 --> 00:11:50,060

well this is the weird thing years later

228

00:11:54,879 --> 00:11:53,329

when I had my first child that I think

229

00:11:56,619 --> 00:11:54,889

there was an article I was eighteen

230

00:11:59,559 --> 00:11:56,629

nineteen an article came out in these

231

00:12:01,869 --> 00:11:59,569

paper and it was a young lad in Bishop's

232

00:12:03,400 --> 00:12:01,879

turn I say young man I don't know his

233

00:12:09,129 --> 00:12:03,410

name now it's million spring cos major

234

00:12:10,689 --> 00:12:09,139

Daniel I think and he was doing he was

235

00:12:12,249 --> 00:12:10,699

looking for you know things are not

236

00:12:13,809 --> 00:12:12,259

sections and well he was looking for

237

00:12:16,720 --> 00:12:13,819

research and things they talked to some

238

00:12:18,970 --> 00:12:16,730

people and he wanted to you know the

239

00:12:21,370 --> 00:12:18,980

ones that he considered that was the

240

00:12:24,009 --> 00:12:21,380

relevance he'd come around an interview

241

00:12:25,780 --> 00:12:24,019

but that was not when I was eighteen I

242

00:12:28,120 --> 00:12:25,790

saw the article about it when I was 18

243

00:12:30,249 --> 00:12:28,130

19 or something I can't my brother's my

244

00:12:32,759 --> 00:12:30,259

first or second daughter but I saw that

245

00:12:36,309 --> 00:12:32,769

article but it's only when I had my son

246

00:12:38,050 --> 00:12:36,319

Harvey was in 1998 but I saw the article

247

00:12:39,730 --> 00:12:38,060

again I thought I'll get in touch with

248

00:12:42,249 --> 00:12:39,740

him this time it's a lot less going on

249

00:12:43,980 --> 00:12:42,259

my life now good job so he came around I

250

00:12:46,689 --> 00:12:43,990

got in touch with him he came around and

251
00:12:47,870 --> 00:12:46,699
he just interviewed me at home I think

252
00:12:50,660 --> 00:12:47,880
it's really young at the time

253
00:12:53,930 --> 00:12:50,670
in 1920 I think as fight so young you

254
00:12:56,510 --> 00:12:53,940
look well you know girl this yeah so I

255
00:12:58,430 --> 00:12:56,520
gave him the story he said no would you

256
00:13:01,130 --> 00:12:58,440
mind doing some hypnosis I said I don't

257
00:13:03,860 --> 00:13:01,140
mind but the thing is is I had a good

258
00:13:06,200 --> 00:13:03,870
experience I don't remember you know I

259
00:13:13,870 --> 00:13:06,210
don't want to go back in and hypnosis

260
00:13:19,250 --> 00:13:16,400
bull patch what it actually happened

261
00:13:21,230 --> 00:13:19,260
yeah that worries me that's the sense of

262
00:13:23,030 --> 00:13:21,240
you know I did I went for it anyway but

263
00:13:25,010 --> 00:13:23,040

I'd actually I'll be my partner the day

264

00:13:29,360 --> 00:13:25,020

I might go for hypnosis I don't want to

265

00:13:34,760 --> 00:13:29,370

know Wolf's throat where the punch we

266

00:13:38,090 --> 00:13:34,770

saw that you know 10 B and yeah I went

267

00:13:39,980 --> 00:13:38,100

there but they said to do a color chart

268

00:13:43,160 --> 00:13:39,990

to see whether you're susceptible to

269

00:13:44,750 --> 00:13:43,170

being hypnotized so I called out these

270

00:13:49,370 --> 00:13:44,760

colors and he said no you're not

271

00:13:53,270 --> 00:13:49,380

susceptible today even no recollection

272

00:13:55,400 --> 00:13:53,280

of loss of time or anything at all but

273

00:13:58,330 --> 00:13:55,410

the only thing the only recollection I

274

00:14:01,370 --> 00:13:58,340

have is that point where they'd gone in

275

00:14:04,780 --> 00:14:01,380

I'm sanding that and in that moment of

276

00:14:07,010 --> 00:14:04,790

me waiting for it to go I can't I can't

277

00:14:08,330 --> 00:14:07,020

explain how I didn't see it leave

278

00:14:10,730 --> 00:14:08,340

because that's all I was that full

279

00:14:13,610 --> 00:14:10,740

you've got a recollection of it going

280

00:14:15,590 --> 00:14:13,620

whether it just disappeared oh no no no

281

00:14:17,300 --> 00:14:15,600

movement no disappeared with a really

282

00:14:18,470 --> 00:14:17,310

caution lights on him well yeah usable

283

00:14:20,840 --> 00:14:18,480

they're like yes for saying the

284

00:14:23,600 --> 00:14:20,850

essential part of their toil after

285

00:14:25,460 --> 00:14:23,610

everyone is it's like I said that's a

286

00:14:27,080 --> 00:14:25,470

distinctive shape I was looking so the

287

00:14:28,580 --> 00:14:27,090

size of that that would have been these

288

00:14:32,000 --> 00:14:28,590

two houses here mm-hmm

289

00:14:33,800 --> 00:14:32,010

imagine that as a state in shape mm-hmm

290

00:14:38,570 --> 00:14:33,810

but it's going that way okay

291

00:14:40,220 --> 00:14:38,580

I'm seeing this side of it yeah um it

292

00:14:41,990 --> 00:14:40,230

goes out because it was so black that

293

00:14:44,180 --> 00:14:42,000

yeah it's a giant oh it's a black sky

294

00:14:45,380 --> 00:14:44,190

anyway right so I was aware no you

295

00:14:48,100 --> 00:14:45,390

couldn't see the shape of the craft

296

00:14:51,320 --> 00:14:48,110

itself just this ring yes yeah yeah but

297

00:14:55,130 --> 00:14:51,330

when Neil sprinkle in touch of me I

298

00:14:57,110 --> 00:14:55,140

asked him I said it was anybody else

299

00:14:59,720 --> 00:14:57,120

that night and I said yep my sister and

300

00:15:03,590 --> 00:14:59,730

you know I told me story so I phoned my

301
00:15:06,319 --> 00:15:03,600
father and my sister my stepfather said

302
00:15:09,290 --> 00:15:06,329
before you talking about like was it you

303
00:15:10,400 --> 00:15:09,300
know that you had that one snap I've got

304
00:15:12,949 --> 00:15:10,410
no idea what you talking about

305
00:15:15,590 --> 00:15:12,959
yeah okay so if I'm sister and she's

306
00:15:18,650 --> 00:15:15,600
she's in bath and he's in Bristol and

307
00:15:19,189 --> 00:15:18,660
she was she said oh yeah I thought it

308
00:15:21,079 --> 00:15:19,199
was a dream

309
00:15:23,329 --> 00:15:21,089
besides she put it she thought that was

310
00:15:26,569 --> 00:15:23,339
a dream was interested and I said well

311
00:15:30,050 --> 00:15:26,579
no as she was clear she was like and

312
00:15:34,100 --> 00:15:30,060
when I said you know she's sorry ash but

313
00:15:35,810 --> 00:15:34,110

she she she she thinks that you know me

314

00:15:37,610 --> 00:15:35,820

by saying it was for me I felt like it

315

00:15:39,560 --> 00:15:37,620

was to me you know that experience was

316

00:15:40,519 --> 00:15:39,570

just for me because like I said I it was

317

00:15:43,519 --> 00:15:40,529

the first one night you have made a

318

00:15:44,750 --> 00:15:43,529

racket called everyone out and when they

319

00:15:47,269 --> 00:15:44,760

caught everyone you know they come back

320

00:15:48,769 --> 00:15:47,279

in and I'm waiting for it to go and when

321

00:15:51,139 --> 00:15:48,779

it does go but I don't see it though

322

00:15:52,930 --> 00:15:51,149

there's no noise nothing I suppose that

323

00:16:02,180 --> 00:15:52,940

you could hear a pin drop it was still

324

00:16:04,910 --> 00:16:02,190

funny my to describe the yeah in every

325

00:16:07,759 --> 00:16:04,920

window so what in that'll be window

326
00:16:09,889 --> 00:16:07,769
around that bit was protruding I guess

327
00:16:11,840 --> 00:16:09,899
in staging but this coming Stadium is

328
00:16:13,850 --> 00:16:11,850
protruding down its titular dad who's

329
00:16:28,370 --> 00:16:13,860
like [h__h] or was it no that was the

330
00:16:29,900 --> 00:16:28,380
stadium shape so anyway the lights like

331
00:16:31,910 --> 00:16:29,910
to save them for the size the windows

332
00:16:36,439 --> 00:16:31,920
okay I'm looking at it I know that the

333
00:16:37,879 --> 00:16:36,449
size I think I caught her a 70 ship

334
00:16:39,889 --> 00:16:37,889
because it was very clunky like

335
00:16:42,309 --> 00:16:39,899
seventies cars are it's not this is

336
00:16:45,019 --> 00:16:42,319
elongated streamlined gonna you know

337
00:16:48,920 --> 00:16:45,029
stuff you get these days you know it's

338
00:16:51,620 --> 00:16:48,930

it was it seemed quite good you know the

339

00:16:53,269 --> 00:16:51,630

actual shape of the windows you know

340

00:16:55,910 --> 00:16:53,279

they're on a slight angle coming in as

341

00:16:56,809 --> 00:16:55,920

well so but underneath I don't know I

342

00:16:58,519 --> 00:16:56,819

bought something nice but I was just

343

00:17:00,949 --> 00:16:58,529

focus on lights that's what I can you

344

00:17:02,660 --> 00:17:00,959

remember and when I say they were pearly

345

00:17:05,809 --> 00:17:02,670

they were kind of like you know all very

346

00:17:08,500 --> 00:17:05,819

soft soft colors room mint

347

00:17:11,559 --> 00:17:08,510

you know iridescent

348

00:17:15,880 --> 00:17:11,569

yeah crustal yes yes so what time of day

349

00:17:20,380 --> 00:17:15,890

was this was uh I don't know I can only

350

00:17:21,789 --> 00:17:20,390

say it was between six and cuz my

351

00:17:23,770 --> 00:17:21,799

stepfather was home from work

352

00:17:27,400 --> 00:17:23,780

so it's alpha-strike me and my sister my

353

00:17:29,049 --> 00:17:27,410

mum was it's a very busy household for

354

00:17:31,750 --> 00:17:29,059

three of us to be in it's quite shocking

355

00:17:34,000 --> 00:17:31,760

there's about seven of us eight yes I

356

00:17:37,030 --> 00:17:34,010

didn't understand so it's just I think

357

00:17:40,000 --> 00:17:37,040

it's between six and Papa seven eight

358

00:17:43,840 --> 00:17:40,010

that's that's you know but say it was

359

00:17:47,220 --> 00:17:43,850

dark it was very dark it was cold

360

00:17:49,600 --> 00:17:47,230

well not when it not when it was that no

361

00:17:51,280 --> 00:17:49,610

but you say the people you have this

362

00:17:53,770 --> 00:17:51,290

side the road looking at it so if you

363

00:17:56,710 --> 00:17:53,780

say it was over that house no one not

364

00:17:59,650 --> 00:17:56,720

these two houses right um that one over

365

00:18:00,820 --> 00:17:59,660

there well the people standing yeah mr.

366

00:18:02,260 --> 00:18:00,830

James's family

367

00:18:03,880 --> 00:18:02,270

well then so for that but they were the

368

00:18:05,860 --> 00:18:03,890

other side of the road yeah but they

369

00:18:07,600 --> 00:18:05,870

were looking across up they were looking

370

00:18:10,960 --> 00:18:07,610

across thought it was over the street

371

00:18:13,900 --> 00:18:10,970

then yeah for them to be able to see it

372

00:18:16,030 --> 00:18:13,910

well let me say I saw this a bit

373

00:18:21,100 --> 00:18:16,040

so it was kept for children over you

374

00:18:23,440 --> 00:18:21,110

know it's probably to the pages so it

375

00:18:24,970 --> 00:18:23,450

would be those people there would have

376

00:18:26,380 --> 00:18:24,980

been looking straight up with it no they

377

00:18:28,660 --> 00:18:26,390

weren't there the people next door to

378

00:18:31,210 --> 00:18:28,670

these laws yeah everyone else would have

379

00:18:32,860 --> 00:18:31,220

been there was these sort of still

380

00:18:34,750 --> 00:18:32,870

things students time that this time is

381

00:18:36,430 --> 00:18:34,760

you know yeah there's gonna Steven area

382

00:18:38,500 --> 00:18:36,440

at that hopeful off the street do they

383

00:18:40,750 --> 00:18:38,510

come I don't know I just look at

384

00:18:43,090 --> 00:18:40,760

focusing on the potential but but what I

385

00:18:45,490 --> 00:18:43,100

say is my sister said when I said that

386

00:18:47,110 --> 00:18:45,500

she remembers it like a dream and I

387

00:18:49,120 --> 00:18:47,120

tried to explain to her but she said I

388

00:18:50,830 --> 00:18:49,130

don't have any lights in the middle I am

389

00:18:52,600 --> 00:18:50,840

Not sure that they were all coming out

390

00:18:55,180 --> 00:18:52,610

the edge is that what you mean the edge

391

00:18:57,160 --> 00:18:55,190

and she went over the edge of you know

392

00:19:00,400 --> 00:18:57,170

the the desk of it so she told me it was

393

00:19:02,080 --> 00:19:00,410

a desk I just ran the central bit so I

394

00:19:04,300 --> 00:19:02,090

knew it was black and I couldn't see the

395

00:19:07,570 --> 00:19:04,310

skip those stars whereas when it gone

396

00:19:08,950 --> 00:19:07,580

all he could see were stars whoa back we

397

00:19:15,640 --> 00:19:08,960

interviewed another witness mark ray

398

00:19:18,790 --> 00:19:15,650

worth on that night you remember that

399

00:19:21,040 --> 00:19:18,800

very vividly he saw two gigantic

400

00:19:24,700 --> 00:19:21,050

triangles moving very slowly from town

401
00:19:26,650 --> 00:19:24,710
hill over towards debate what he

402
00:19:27,910 --> 00:19:26,660
described was on each of these big

403
00:19:31,570 --> 00:19:27,920
triangles was a ring of lights

404
00:19:35,110 --> 00:19:31,580
underneath so I'm wondering whether your

405
00:19:37,630 --> 00:19:35,120
ring your stadium shape central part of

406
00:19:38,830 --> 00:19:37,640
it could have been cut because you said

407
00:19:40,120 --> 00:19:38,840
he can't remember the shape of it it

408
00:19:42,460 --> 00:19:40,130
could have been I don't know the shape

409
00:19:44,320 --> 00:19:42,470
of it I can't say she's congested but

410
00:19:46,840 --> 00:19:44,330
I'm struck by the similarity because he

411
00:19:50,260 --> 00:19:46,850
said he was is this is like Tring

412
00:19:52,360 --> 00:19:50,270
underneath yeah so detail of this ring

413
00:19:54,910 --> 00:19:52,370

and I was talking to this these lighting

414

00:19:57,820 --> 00:19:54,920

so told it did whatever was inside and I

415

00:19:59,920 --> 00:19:57,830

was asking it you know many questions at

416

00:20:02,530 --> 00:19:59,930

the time to kind of logically I was

417

00:20:03,820 --> 00:20:02,540

thinking I mean we've all seen 13 the

418

00:20:05,440 --> 00:20:03,830

closing credits are served crank we'd

419

00:20:07,120 --> 00:20:05,450

all seen that there was like a program

420

00:20:09,670 --> 00:20:07,130

one that was called V at the time when I

421

00:20:12,220 --> 00:20:09,680

was a kid so you know I was I had lots

422

00:20:13,990 --> 00:20:12,230

of questions for come on do you need

423

00:20:16,900 --> 00:20:14,000

that watching the path you need you know

424

00:20:19,210 --> 00:20:16,910

why here why now what's going on

425

00:20:23,080 --> 00:20:19,220

my dog wouldn't come out you know and

426

00:20:24,700 --> 00:20:23,090

and sensed something I had come out but

427

00:20:26,530 --> 00:20:24,710

I don't know why I came out there's no

428

00:20:32,020 --> 00:20:26,540

reason for me to get up tomorrow sitting

429

00:20:33,460 --> 00:20:32,030

you know I just was there any comment by

430

00:20:38,680 --> 00:20:33,470

then the other people who will speak to

431

00:20:41,710 --> 00:20:38,690

you know that time which is why when I

432

00:20:42,100 --> 00:20:41,720

say my sister they left I went I've seen

433

00:20:44,620 --> 00:20:42,110

enough

434

00:20:46,120 --> 00:20:44,630

oh my goodness I just you know it that's

435

00:20:50,980 --> 00:20:46,130

a very strange really I said you're nuts

436

00:20:53,530 --> 00:20:50,990

mean something like that it's very well

437

00:20:54,910 --> 00:20:53,540

after five minutes who's you know I was

438

00:20:57,310 --> 00:20:54,920

just staring there goes my god it's

439

00:21:01,330 --> 00:20:57,320

amazing no I'm a cousin to talk to that

440

00:21:03,220 --> 00:21:01,340

I knew that I wasn't gonna be discounted

441

00:21:04,660 --> 00:21:03,230

and it you know everyone you know I need

442

00:21:06,670 --> 00:21:04,670

you to call somebody others that's how

443

00:21:08,410 --> 00:21:06,680

my brain was working it was yeah I'm

444

00:21:10,570 --> 00:21:08,420

gonna be called nuts I better get some

445

00:21:13,270 --> 00:21:10,580

of that yeah but the racket I was making

446

00:21:16,510 --> 00:21:13,280

out of scream about you know screaming

447

00:21:21,550 --> 00:21:16,520

at them to Matt just kiss event I was

448

00:21:24,820 --> 00:21:21,560

just worried so they came out he stood

449

00:21:27,700 --> 00:21:24,830

there nope yep he's supposed she said

450

00:21:31,510 --> 00:21:27,710

that and Ashley is very quiet very very

451

00:21:33,550 --> 00:21:31,520

quiet just just I mean it's act a

452

00:21:36,520 --> 00:21:33,560

character one for her to follow them

453

00:21:38,080 --> 00:21:36,530

follow a men which makes me feel that

454

00:21:40,660 --> 00:21:38,090

the mechanical of fluid movements they

455

00:21:43,300 --> 00:21:40,670

did was it is under control is account

456

00:21:45,070 --> 00:21:43,310

so there is more to it than what meets

457

00:21:47,800 --> 00:21:45,080

the eye there is more to it than the

458

00:21:49,300 --> 00:21:47,810

store but I have any answers I just I

459

00:21:50,860 --> 00:21:49,310

just I mean I thought what better over

460

00:21:52,690 --> 00:21:50,870

the years and I thought well you know

461

00:21:53,020 --> 00:21:52,700

we're studying my life in any shape or

462

00:21:56,440 --> 00:21:53,030

form

463

00:22:00,100 --> 00:21:56,450

hmm I've had four children and okay no

464

00:22:01,960 --> 00:22:00,110

problem well if that's any study you

465

00:22:03,940 --> 00:22:01,970

know the Old Testament though there were

466

00:22:06,490 --> 00:22:03,950

many many witnesses that night one was

467

00:22:11,590 --> 00:22:06,500

only two streets up as you know yeah

468

00:22:12,570 --> 00:22:11,600

Louis Avenue in Fort Wayne Jones good

469

00:22:16,150 --> 00:22:12,580

person name was it

470

00:22:19,330 --> 00:22:16,160

0.0 uh double I wi ana

471

00:22:22,150 --> 00:22:19,340

he's passed away now but four years ago

472

00:22:23,980 --> 00:22:22,160

but his son has come forward with his

473

00:22:28,600 --> 00:22:23,990

story he was eight

474

00:22:30,400 --> 00:22:28,610

no no it's different one so this one was

475

00:22:31,690 --> 00:22:30,410

just two streets up in Lawrence Avenue

476

00:22:34,630 --> 00:22:31,700

the other sketchy Road

477

00:22:36,760 --> 00:22:34,640

yeah and he saw a black triangle but the

478

00:22:37,180 --> 00:22:36,770

size of a car moving over the top of the

479

00:22:39,460 --> 00:22:37,190

house

480

00:22:42,880 --> 00:22:39,470

the deputy cop as it moved across the

481

00:22:45,760 --> 00:22:42,890

road a walking pace heading this way

482

00:22:47,830 --> 00:22:45,770

about the size of the car yeah and it

483

00:22:49,830 --> 00:22:47,840

was only about 18 inches thick it's

484

00:22:51,610 --> 00:22:49,840

black triangle and you know the

485

00:22:53,380 --> 00:22:51,620

projection from each corner with all

486

00:22:55,750 --> 00:22:53,390

white liked on the end of it and that

487

00:22:57,550 --> 00:22:55,760

was it was heading this way there's no

488

00:22:59,200 --> 00:22:57,560

way it was that small no it's obviously

489

00:23:09,030 --> 00:22:59,210

not the same object but he was within

490

00:23:12,940 --> 00:23:09,040

within I just know that it was 15 it was

491

00:23:14,710 --> 00:23:12,950

15 tiny perfectly because it would be

492

00:23:17,320 --> 00:23:14,720

about right yeah I can't say there's all

493

00:23:18,820 --> 00:23:17,330

I enjoy his wisdom yeah he was a driving

494

00:23:21,370 --> 00:23:18,830

instructor so he was leaving those

495

00:23:23,200 --> 00:23:21,380

specific time to pick up a bike so he

496

00:23:26,260 --> 00:23:23,210

can say clearly I don't know what it was

497

00:23:29,230 --> 00:23:26,270

might my wanna make partner what said

498

00:23:31,630 --> 00:23:29,240

that I told him 13 whatever I might

499

00:23:33,190 --> 00:23:31,640

years ago that it was I was getting

500

00:23:38,050 --> 00:23:33,200

ready to watch she sent us or whatever

501
00:23:41,710 --> 00:23:38,060
time you stand as his on Oh what is it

502
00:23:43,360 --> 00:23:41,720
yeah and they had children it was my

503
00:23:47,070 --> 00:23:43,370
kind of parameter to get the kids to bed

504
00:23:50,830 --> 00:23:47,080
and I was like my day is done when I was

505
00:23:53,740 --> 00:23:50,840
honest anything else or yeah yeah but

506
00:23:55,660 --> 00:23:53,750
not like no no I was walking back from

507
00:23:57,990 --> 00:23:55,670
school one day you know and I thought

508
00:23:59,170 --> 00:23:58,000
you know even to in Baramulla game damn

509
00:24:00,940 --> 00:23:59,180
bottomless

510
00:24:02,440 --> 00:24:00,950
burn it you know it goes flat through

511
00:24:04,330 --> 00:24:02,450
the street then straight yeah just Anna

512
00:24:05,740 --> 00:24:04,340
I remember looking up to the sky because

513
00:24:09,040 --> 00:24:05,750

I think once you've seen something once

514

00:24:11,170 --> 00:24:09,050

you kind of decode okay a certain you

515

00:24:14,350 --> 00:24:11,180

know I don't know if you've got the same

516

00:24:17,740 --> 00:24:14,360

car you sniffing everywhere you see so

517

00:24:20,380 --> 00:24:17,750

much you so yeah that was God when I

518

00:24:24,360 --> 00:24:20,390

heard Dominique so obviously that was

519

00:24:26,590 --> 00:24:24,370

six seven eight years later maybe

520

00:24:28,090 --> 00:24:26,600

yeah just saw this gonna think it was

521

00:24:29,690 --> 00:24:28,100

moving the sky Britt was just it was

522

00:24:31,220 --> 00:24:29,700

this kind of light so

523

00:24:32,810 --> 00:24:31,230

the light was what it wasn't a plane

524

00:24:35,240 --> 00:24:32,820

because it was moving

525

00:24:36,860 --> 00:24:35,250

it was very high up but it looked like a

526

00:24:38,750 --> 00:24:36,870

shiny object but the light was hitting

527

00:24:41,030 --> 00:24:38,760

it so it was kind of you you couldn't

528

00:24:43,400 --> 00:24:41,040

clearly see what it was but it was

529

00:24:44,120 --> 00:24:43,410

movement that I thought was just hang on

530

00:24:45,800 --> 00:24:44,130

that's going

531

00:24:47,540 --> 00:24:45,810

it wasn't look like this it was going up

532

00:24:49,310 --> 00:24:47,550

it looked like what staying still but

533

00:24:52,100 --> 00:24:49,320

then you realize it was getting further

534

00:24:59,480 --> 00:24:52,110

away and then another time was when I

535

00:25:04,190 --> 00:24:59,490

had Laurel which was 96 97 9 1997 yeah

536

00:25:09,200 --> 00:25:04,200

196 it's pretty awful so like night 7:30

537

00:25:11,000 --> 00:25:09,210

yeah 19 8 hey I've been done but I

538

00:25:13,040 --> 00:25:11,010

wasn't done by the time I know the

539

00:25:29,990 --> 00:25:13,050

valley that goes times through from four

540

00:25:31,730 --> 00:25:30,000

I would you know that comes down so

541

00:25:34,010 --> 00:25:31,740

awkward somebody was open and I don't

542

00:25:36,680 --> 00:25:34,020

know christening and after-party you

543

00:25:40,070 --> 00:25:36,690

know with all the kids and in the garden

544

00:25:41,240 --> 00:25:40,080

I saw this kind of cloud but I saw

545

00:25:43,550 --> 00:25:41,250

something behind the cloudiness or the

546

00:25:45,500 --> 00:25:43,560

lights behind the cloud which was and it

547

00:25:48,950 --> 00:25:45,510

seemed like this cloud was moving with

548

00:25:50,960 --> 00:25:48,960

his life but that was again through the

549

00:25:55,340 --> 00:25:50,970

valley if you give you in that area you

550

00:25:58,160 --> 00:25:55,350

can see imagine imagine that's the road

551

00:26:00,710 --> 00:25:58,170

it's the road one time I'm wearing a

552

00:26:02,740 --> 00:26:00,720

half sphere so the valley is going down

553

00:26:05,420 --> 00:26:02,750

and it was just coming back moving

554

00:26:07,220 --> 00:26:05,430

through the valley this cloud but the

555

00:26:08,480 --> 00:26:07,230

lights behind it so I didn't see it but

556

00:26:10,580 --> 00:26:08,490

I saw the lights again

557

00:26:15,940 --> 00:26:10,590

the light so I just thought on this

558

00:26:20,940 --> 00:26:18,890

well after that experience I was having

559

00:26:23,129 --> 00:26:20,950

many

560

00:26:24,480 --> 00:26:23,139

dreams that comes past premonitions of

561

00:26:26,820 --> 00:26:24,490

transfer my daughter before I was born

562

00:26:30,360 --> 00:26:26,830

and something old man that you know a

563

00:26:33,149 --> 00:26:30,370

lot of things like that comes upon did

564

00:26:34,950 --> 00:26:33,159

you have any sleep paralysis like before

565

00:26:38,100 --> 00:26:34,960

the event the main event the laughter

566

00:26:39,600 --> 00:26:38,110

the main event is it cases of waking up

567

00:26:42,720 --> 00:26:39,610

and not being able to move and that type

568

00:26:44,490 --> 00:26:42,730

of stuff after Laurel there was a couple

569

00:26:45,870 --> 00:26:44,500

of things but I you know I think I was

570

00:26:48,480 --> 00:26:45,880

just time to catch enough drought and

571

00:26:49,919 --> 00:26:48,490

children you know sleep in my sleep

572

00:26:51,810 --> 00:26:49,929

patterns always completely changed after

573

00:26:54,919 --> 00:26:51,820

having children and you know your breast

574

00:26:57,659 --> 00:26:54,929

feeds are the night and then you tie it

575

00:27:00,210 --> 00:26:57,669

as well as situations will you sort of

576
00:27:02,610 --> 00:27:00,220
wake up a new clue you can't speak one

577
00:27:04,289 --> 00:27:02,620
of our dreams were looking at I thought

578
00:27:06,749 --> 00:27:04,299
a book enough and then again I drank

579
00:27:08,220 --> 00:27:06,759
when I woke up again this happens three

580
00:27:16,799 --> 00:27:08,230
or four times and it just freaky because

581
00:27:19,259 --> 00:27:16,809
you think you're awake going back to the

582
00:27:21,869 --> 00:27:19,269
lighting question the people on the

583
00:27:27,509 --> 00:27:21,879
street that did do you know it did he

584
00:27:32,789 --> 00:27:27,519
know anything family Duncan you submit

585
00:27:35,549 --> 00:27:32,799
such a mrs. Parker down there passed

586
00:27:37,590 --> 00:27:35,559
away the people down there I'm not very

587
00:27:39,240 --> 00:27:37,600
sure that they were so just cuz I said

588
00:27:41,669 --> 00:27:39,250

it was a student there's only one or two

589

00:27:43,490 --> 00:27:41,679

students house but these rent house or

590

00:27:45,840 --> 00:27:43,500

flat down that so didn't know they were

591

00:27:47,909 --> 00:27:45,850

you gentleman down there like it's from

592

00:28:04,799 --> 00:27:47,919

host man you should tend to his roses

593

00:28:06,060 --> 00:28:04,809

all the time he passed away that's why

594

00:28:07,769 --> 00:28:06,070

when you just said the boy would say

595

00:28:10,110 --> 00:28:07,779

that's quite interesting to being

596

00:28:12,450 --> 00:28:10,120

because you know all these children and

597

00:28:14,879 --> 00:28:12,460

I remember it is clear as day because no

598

00:28:15,990 --> 00:28:14,889

one has shaken at me from or you

599

00:28:17,759 --> 00:28:16,000

couldn't have been know that wouldn't

600

00:28:20,129 --> 00:28:17,769

you know so many people you know and

601
00:28:22,080 --> 00:28:20,139
anybody killed so obviously that's why

602
00:28:23,999 --> 00:28:22,090
for many years I kept quiet about things

603
00:28:26,730 --> 00:28:24,009
or if the subject came up and people

604
00:28:27,890 --> 00:28:26,740
were interested I'd speak about it but

605
00:28:31,790 --> 00:28:27,900
otherwise you know

606
00:28:33,500 --> 00:28:31,800
you know butts the young boy seal spring

607
00:28:35,410 --> 00:28:33,510
came round and we talked about this when

608
00:28:37,640 --> 00:28:35,420
I found out I could say from actually

609
00:28:38,630 --> 00:28:37,650
about the circumference of it she's

610
00:28:41,360 --> 00:28:38,640
although it's coming out the skin

611
00:28:43,670 --> 00:28:41,370
Francis the first time I knew as they

612
00:28:47,240 --> 00:28:43,680
because I could see stars you know

613
00:29:02,020 --> 00:28:47,250

because when it gone I saw it starts so

614

00:29:07,490 --> 00:29:05,950

disappear did you actually see it smooth

615

00:29:10,490 --> 00:29:07,500

just one minute

616

00:29:13,310 --> 00:29:10,500

air thanks well yeah and that's the bit

617

00:29:15,830 --> 00:29:13,320

that annoys me the most is that I was

618

00:29:17,450 --> 00:29:15,840

there from the moment I came out and I

619

00:29:19,280 --> 00:29:17,460

was the first person out on the streets

620

00:29:21,020 --> 00:29:19,290

I'm a killer knows how to fight minutes

621

00:29:22,850 --> 00:29:21,030

cuz I'm talking to it and looking at the

622

00:29:24,380 --> 00:29:22,860

lights and thinking what he's trying to

623

00:29:26,060 --> 00:29:24,390

say to me through these lights or you

624

00:29:28,040 --> 00:29:26,070

know that's what that's my mind that was

625

00:29:29,480 --> 00:29:28,050

my mind was thinking because I'd seen

626

00:29:32,330 --> 00:29:29,490

these films it wasn't the influence of

627

00:29:34,510 --> 00:29:32,340

these films I felt like it's about to be

628

00:29:37,790 --> 00:29:34,520

in that I wasn't scared or nervous

629

00:29:42,620 --> 00:29:37,800

that's all I felt very uncomfortable I

630

00:29:44,600 --> 00:29:42,630

just wanted to know why yeah so I'm

631

00:29:46,520 --> 00:29:44,610

staring at it I'm seeing the lights and

632

00:29:49,100 --> 00:29:46,530

I'm thinking after you know I'm studying

633

00:29:50,480 --> 00:29:49,110

the shapes of never like the shape of

634

00:29:54,110 --> 00:29:50,490

the stage in me that's why I could say

635

00:29:55,820 --> 00:29:54,120

it so clearly what I saw I could draw it

636

00:29:58,570 --> 00:29:55,830

and I could even you know I want to say

637

00:30:01,970 --> 00:29:58,580

every test sent more paralyzed those

638

00:30:06,560 --> 00:30:01,980

lights the windows both little pearly

639

00:30:11,330 --> 00:30:06,570

it's kind of like a pulsing like this

640

00:30:12,799 --> 00:30:11,340

about this yeah it's very soft

641

00:30:15,950 --> 00:30:12,809

I remember when off the Rubicon never

642

00:30:18,680 --> 00:30:15,960

settled did somebody mention a little

643

00:30:20,510 --> 00:30:18,690

missing time after you witnessed it was

644

00:30:22,970 --> 00:30:20,520

the only missing time I asked of them I

645

00:30:24,140 --> 00:30:22,980

don't well the only thing getting back

646

00:30:25,610 --> 00:30:24,150

to the question just asked me did I

647

00:30:27,580 --> 00:30:25,620

think it go didn't deem it here like

648

00:30:31,239 --> 00:30:27,590

they was I was standing here and I'm

649

00:30:32,950 --> 00:30:31,249

in the end I'm like come on move you

650

00:30:34,930 --> 00:30:32,960

know that's that was my attitude it was

651

00:30:37,119 --> 00:30:34,940

it was quite jokey about it it's like

652

00:30:38,649 --> 00:30:37,129

okay you know I just wanna see you move

653

00:30:41,019 --> 00:30:38,659

we move now what can take more than it

654

00:30:42,190 --> 00:30:41,029

unit but it doesn't time because when

655

00:30:44,830 --> 00:30:42,200

you were aware suddenly where they're

656

00:30:46,360 --> 00:30:44,840

gone the other spectators in the street

657

00:30:50,409 --> 00:30:46,370

that had gone as well well that's what I

658

00:30:51,789 --> 00:30:50,419

mean well however long later it was I

659

00:30:53,799 --> 00:30:51,799

didn't look at the time when I went in

660

00:30:55,509 --> 00:30:53,809

and my stepfather said did you see it go

661

00:30:58,119 --> 00:30:55,519

you know there was old that jokey

662

00:30:59,859 --> 00:30:58,129

element there my sister was silent but I

663

00:31:00,430 --> 00:30:59,869

was looking at it and I was sitting come

664

00:31:02,830 --> 00:31:00,440

on then

665

00:31:04,989 --> 00:31:02,840

will you move some get bored now first I

666

00:31:07,029 --> 00:31:04,999

should leave when I was getting bored

667

00:31:08,649 --> 00:31:07,039

it's been long enough and and it wasn't

668

00:31:10,989 --> 00:31:08,659

cold it was still like that

669

00:31:13,749 --> 00:31:10,999

you know when you use make this if you

670

00:31:15,279 --> 00:31:13,759

want to pop your ears that was the site

671

00:31:19,060 --> 00:31:15,289

there being a bit of heat coming from it

672

00:31:21,310 --> 00:31:19,070

then that fresh no I just think you know

673

00:31:23,499 --> 00:31:21,320

I just think he cannot stop the cold

674

00:31:25,570 --> 00:31:23,509

yeah and Johnny late wasn't it it should

675

00:31:27,310 --> 00:31:25,580

have been cold yeah yeah but then I was

676

00:31:32,139 --> 00:31:27,320

a kiddin I was out nowhere there's any

677

00:31:33,460 --> 00:31:32,149

way not the money no acid is gone you

678

00:31:37,359 --> 00:31:33,470

noticed that the people are gone as well

679

00:31:39,430 --> 00:31:37,369

yeah yeah so Dave and I stayed on in I'm

680

00:31:40,989 --> 00:31:39,440

like not something I wasn't even aware

681

00:31:42,369 --> 00:31:40,999

of the people at that point only when

682

00:31:44,950 --> 00:31:42,379

they came out did I look and I go oh

683

00:31:46,869 --> 00:31:44,960

yeah we went way even go night we're all

684

00:31:49,720 --> 00:31:46,879

looking at it you know I suppose but I

685

00:31:51,960 --> 00:31:49,730

was focusing it was just me focusing

686

00:31:57,850 --> 00:31:51,970

then I was books on anyone else this is

687

00:32:03,820 --> 00:32:01,910

in the end when take when and as we go

688

00:32:07,700 --> 00:32:03,830

it I'm I didn't even took my eyes off it

689

00:32:10,340 --> 00:32:07,710

and he said I've seen enough is a UFO

690

00:32:13,010 --> 00:32:10,350

it's a once-in-a-lifetime opportunity we

691

00:32:14,840 --> 00:32:13,020

do it and deal with them I just carried

692

00:32:17,000 --> 00:32:14,850

on walking then actually the core might

693

00:32:18,590 --> 00:32:17,010

sheet I said what you doing at shouldn't

694

00:32:26,330 --> 00:32:18,600

send it just walked in mmm

695

00:32:28,790 --> 00:32:26,340

Fox fluidly kind of you know when I so

696

00:32:30,950 --> 00:32:28,800

this is deep you know I'm standing that

697

00:32:34,910 --> 00:32:30,960

good you know but what you doing Dave

698

00:32:37,340 --> 00:32:34,920

just goes seen enough her name and she

699

00:32:46,610 --> 00:32:37,350

came it just he just steps down and she

700

00:32:49,299 --> 00:32:46,620

just was very how many people he would

701
00:32:51,980 --> 00:32:49,309
just bang them one in your mind yeah but

702
00:32:55,100 --> 00:32:51,990
because I mean most people want to see

703
00:32:57,620 --> 00:32:55,110
this to me I think I'd probably dreamt

704
00:32:59,750 --> 00:32:57,630
about or asked for this to happen

705
00:33:01,430 --> 00:32:59,760
many of you know like say I was very

706
00:33:03,350 --> 00:33:01,440
uncomfortable when it happens what

707
00:33:05,630 --> 00:33:03,360
you're saying basically is if something

708
00:33:08,240 --> 00:33:05,640
was convincing him to service yes that's

709
00:33:09,650 --> 00:33:08,250
what we do I feel like that is and

710
00:33:11,570 --> 00:33:09,660
whether he knew it or not I mean there

711
00:33:31,610 --> 00:33:11,580
was no choice I think it was his choice

712
00:33:40,410 --> 00:33:36,900
how'd you explain this right so across

713
00:33:43,200 --> 00:33:40,420

the street here this is the stadium

714

00:33:47,070 --> 00:33:43,210

shape alcoholic protrusion underneath

715

00:33:50,070 --> 00:33:47,080

the craft that I saw these were the

716

00:33:53,280 --> 00:33:50,080

windows they were paralyzed pulsing

717

00:33:56,880 --> 00:33:53,290

lights that would move but more pulse

718

00:33:59,250 --> 00:33:56,890

and move and it wasn't her this I call

719

00:34:01,980 --> 00:33:59,260

it as my seventies craft because it was

720

00:34:07,170 --> 00:34:01,990

very clunky it wasn't streamlined as

721

00:34:09,390 --> 00:34:07,180

you'd imagine a space craft to be so um

722

00:34:12,690 --> 00:34:09,400

it was almost like I could see the joins

723

00:34:16,080 --> 00:34:12,700

of everything you know the it was crude

724

00:34:17,580 --> 00:34:16,090

and this is all the darkness I couldn't

725

00:34:19,740 --> 00:34:17,590

see that I think that's the bottom of

726

00:34:22,620 --> 00:34:19,750

the craft but I was focusing on this so

727

00:34:25,500 --> 00:34:22,630

I couldn't see this is from the floor to

728

00:34:28,440 --> 00:34:25,510

the pavement 30 feet above imagine the

729

00:34:32,070 --> 00:34:28,450

houses 20 to 40 feet I suppose and all

730

00:34:34,740 --> 00:34:32,080

in total it was very low it was silent

731

00:34:37,409 --> 00:34:34,750

you could hear a pin drop ascent it felt

732

00:34:39,960 --> 00:34:37,419

like your ears would pop but that was

733

00:34:42,180 --> 00:34:39,970

the atmosphere of the street so there

734

00:34:45,270 --> 00:34:42,190

was people stand into this side in this

735

00:34:47,630 --> 00:34:45,280

house people stand in there's another

736

00:34:50,070 --> 00:34:47,640

set of houses and next ones over and

737

00:34:51,780 --> 00:34:50,080

then on my side there was a lot of

738

00:34:54,630 --> 00:34:51,790

people like but by the time the

739

00:34:56,070 --> 00:34:54,640

continent my everyone had went and the

740

00:34:58,700 --> 00:34:56,080

craft had gone there was nobody on the

741

00:35:02,000 --> 00:34:58,710

street but myself so this is opposite

742

00:35:06,030 --> 00:35:02,010

pictured Road this is 38 where I'm at

743

00:35:16,780 --> 00:35:06,040

well those numbers of Zartha it's would

744

00:35:22,340 --> 00:35:16,790

be by 10 feet there it was

745

00:35:25,490 --> 00:35:22,350

and my sister who was with me who was

746

00:35:26,990 --> 00:35:25,500

standing next to me only many years

747

00:35:30,020 --> 00:35:27,000

later she'd say she remember it like a

748

00:35:31,850 --> 00:35:30,030

dream and she saw the circumference of

749

00:35:33,890 --> 00:35:31,860

the craft and all these lights come in

750

00:35:35,690 --> 00:35:33,900

at the edge which would have been all

751

00:35:38,000 --> 00:35:35,700

the way over there to the end of the

752

00:35:40,370 --> 00:35:38,010

street certainly the end of those houses

753

00:35:43,550 --> 00:35:40,380

if not further so if that's the

754

00:35:45,320 --> 00:35:43,560

circumference she saw I can't judge that

755

00:35:47,240 --> 00:35:45,330

I just remember this being black and

756

00:35:49,700 --> 00:35:47,250

when it disappeared all I could see was

757

00:35:52,400 --> 00:35:49,710

dots of stars but it didn't disappear it

758

00:35:54,680 --> 00:35:52,410

just it was just gone and that's what

759

00:35:55,880 --> 00:35:54,690

left me dumbfounded because I wanted it

760

00:35:57,110 --> 00:35:55,890

to see it girl do you know what that

761

00:35:59,030 --> 00:35:57,120

sounds like to me it tells that you're

762

00:36:00,860 --> 00:35:59,040

abducted and just pop back at the spot

763

00:36:02,990 --> 00:36:00,870

and they tuck off some of the time you

764

00:36:04,820 --> 00:36:03,000

come round it as far as you can see they

765

00:36:07,840 --> 00:36:04,830

just got it to me I'm such a strong pair

766

00:36:11,000 --> 00:36:07,850

and I know my mind I know you know I

767

00:36:13,010 --> 00:36:11,010

don't unless they just completely wiped

768

00:36:14,600 --> 00:36:13,020

it and let me think what I wanted to

769

00:36:16,730 --> 00:36:14,610

think like my stepfather is very

770

00:36:19,070 --> 00:36:16,740

strong-minded as well for him not to

771

00:36:20,750 --> 00:36:19,080

remember it I just feel it's just it is

772

00:36:22,580 --> 00:36:20,760

it that that's the bit that lets me down

773

00:36:25,850 --> 00:36:22,590

and get cut it about because I don't

774

00:36:27,500 --> 00:36:25,860

know what happened but the pool patch if

775

00:36:30,920 --> 00:36:27,510

I go back to a hypnotist and find out it

776

00:36:32,480 --> 00:36:30,930

was a I was not a nice it's very no no

777

00:36:34,340 --> 00:36:32,490

we got this on camera can you can you

778

00:36:41,060 --> 00:36:34,350

show the bone Patrick and do you mind no

779

00:36:44,320 --> 00:36:41,070

I get to that's right can you help me

780

00:36:48,020 --> 00:36:44,330

find it I don't know what I can feel it

781

00:36:48,970 --> 00:36:48,030

yeah what's it but if you feel it there

782

00:36:53,510 --> 00:36:48,980

is a lump there

783

00:36:56,930 --> 00:36:53,520

yeah I see it Kichi a lump see it yeah
