

1
00:00:25,490 --> 00:00:37,349

you

2
00:00:44,919 --> 00:00:40,689

which they know if I quite a few I say

3
00:00:48,219 --> 00:00:44,929

cases all actual you folks been chillin

4
00:00:51,399 --> 00:00:48,229

on the stage kailangan wanna say all

5
00:00:53,979 --> 00:00:51,409

right this is the action I thought I

6
00:00:58,259 --> 00:00:53,989

know things like pseudo a little bit I

7
00:01:10,059 --> 00:01:04,749

it's called super em then they gotta

8
00:01:11,680 --> 00:01:10,069

come enemy to you till now but um yeah

9
00:01:13,029 --> 00:01:11,690

well we're here tonight and it's really

10
00:01:15,609 --> 00:01:13,039

nice to meet so when you like many

11
00:01:18,249 --> 00:01:15,619

people in one room at the same time how

12
00:01:19,840 --> 00:01:18,259

are you technically rumors what sort of

13
00:01:21,550 --> 00:01:19,850

what he knows yes it's a bit like a

14

00:01:23,830 --> 00:01:21,560

waiting for shuttle it yeah this is a

15

00:01:26,139 --> 00:01:23,840

wonderful experience but yeah we're here

16

00:01:27,520 --> 00:01:26,149

and you know I I'm really interested and

17

00:01:29,350 --> 00:01:27,530

what's been going on I've read a little

18

00:01:30,910 --> 00:01:29,360

bit about you guys and I know there

19

00:01:33,969 --> 00:01:30,920

seems to be quite a lot going on in

20

00:01:35,590 --> 00:01:33,979

swansea and I don't know particularly

21

00:01:36,940 --> 00:01:35,600

why it is in Swansea but you've

22

00:01:38,679 --> 00:01:36,950

obviously catalogs quite a lot of

23

00:01:41,619 --> 00:01:38,689

experiences and seemed quite a lot of

24

00:01:43,240 --> 00:01:41,629

things so when you know what normally

25

00:01:44,740 --> 00:01:43,250

happens on a meeting like this how often

26

00:01:46,949 --> 00:01:44,750

do you guys meet up and what normally

27

00:01:50,410 --> 00:01:46,959

goes on when when Suppan gets together

28

00:01:54,160 --> 00:01:50,420

okay well we meet up monthly on the last

29

00:01:57,940 --> 00:01:54,170

tuesday of every month the amount of we

30

00:02:00,490 --> 00:01:57,950

have come into the venue's varies quite

31

00:02:03,550 --> 00:02:00,500

a lot sometimes it's 20s and we've got

32

00:02:05,410 --> 00:02:03,560

as much as 65 70 before now all depends

33

00:02:07,809 --> 00:02:05,420

on who we got coming along and shut-in

34

00:02:10,960 --> 00:02:07,819

we have guest speakers some of them come

35

00:02:13,300 --> 00:02:10,970

quick considerable distances to to give

36

00:02:15,130 --> 00:02:13,310

a talk to us we had some big names in

37

00:02:16,660 --> 00:02:15,140

the UFO field come down to us now we've

38

00:02:18,550 --> 00:02:16,670

only been running about a year and a

39

00:02:23,649 --> 00:02:18,560

half and we really have had some good

40

00:02:25,930 --> 00:02:23,659

big names along or shop across my

41

00:02:27,399 --> 00:02:25,940

background oh I perhaps let me tell you

42

00:02:31,210 --> 00:02:27,409

a little bit how the group came to be

43

00:02:34,809 --> 00:02:31,220

formed then I had my own sighting of a

44

00:02:37,550 --> 00:02:34,819

UFO back in i think it was nineteen

45

00:02:43,520 --> 00:02:37,560

eighty-three North 1982

46

00:02:46,309 --> 00:02:43,530

and I was standing half a casual hill at

47

00:02:49,640 --> 00:02:46,319

about midnight ish The Dark Knight

48

00:02:53,210 --> 00:02:49,650

summers night I was with another person

49

00:02:56,330 --> 00:02:53,220

there we happened to look up and quite

50

00:02:59,479 --> 00:02:56,340

high up in the sky there was a silvery

51
00:03:01,400 --> 00:02:59,489
object which was stationary and clearly

52
00:03:02,870 --> 00:03:01,410
it wasn't a helicopters far too high for

53
00:03:04,820 --> 00:03:02,880
that it was what the height thought of a

54
00:03:08,449 --> 00:03:04,830
jet but it wasn't moving it was just

55
00:03:09,920 --> 00:03:08,459
stationary which is really odd so paid

56
00:03:12,530 --> 00:03:09,930
attention to it for a little bit and

57
00:03:14,960 --> 00:03:12,540
then eventually this thing just took off

58
00:03:17,809 --> 00:03:14,970
at the phenomenal rate of speed I mean

59
00:03:22,580 --> 00:03:17,819
faster than anything I've known before

60
00:03:25,280 --> 00:03:22,590
and it clearly wasn't what I'd say of

61
00:03:27,350 --> 00:03:25,290
this planet that's Dustin's feeling I

62
00:03:29,030 --> 00:03:27,360
got of it do you think did you think of

63
00:03:32,030 --> 00:03:29,040

anything that was a little bigger sound

64

00:03:33,620 --> 00:03:32,040

there was no sound whatsoever and say it

65

00:03:35,360 --> 00:03:33,630

definitely wasn't a jetted definitely

66

00:03:37,430 --> 00:03:35,370

wasn't a helicopter so what does that

67

00:03:40,479 --> 00:03:37,440

mean you know something station n moves

68

00:03:44,270 --> 00:03:40,489

off at a terrific fast rate than not

69

00:03:45,560 --> 00:03:44,280

well yeah we're here now finally managed

70

00:03:47,479 --> 00:03:45,570

to find you guys and we're here for the

71

00:03:49,009 --> 00:03:47,489

meeting so we we know that stuff is

72

00:03:50,720 --> 00:03:49,019

happening here in Swansea which is

73

00:03:53,240 --> 00:03:50,730

brilliant because quite often you hear

74

00:03:55,009 --> 00:03:53,250

that it sits in you know America or

75

00:03:56,840 --> 00:03:55,019

South America or parts of the world that

76

00:04:00,530 --> 00:03:56,850

are just impossible to access yeah those

77

00:04:04,039 --> 00:04:00,540

one of the reasons why we decided to

78

00:04:06,530 --> 00:04:04,049

concentrate on local cases because we've

79

00:04:07,710 --> 00:04:06,540

got the facilities to call Jeff in on

80

00:04:09,690 --> 00:04:07,720

the world

81

00:04:11,070 --> 00:04:09,700

but you don't need to go jet around the

82

00:04:13,020 --> 00:04:11,080

world cuz it's all happening in South

83

00:04:15,270 --> 00:04:13,030

Wales yeah so can you give a fever book

84

00:04:17,610 --> 00:04:15,280

can you give us an example of one of the

85

00:04:20,550 --> 00:04:17,620

sort of more prominent cases that you

86

00:04:22,470 --> 00:04:20,560

guys have investigated or lost weight 19

87

00:04:26,130 --> 00:04:22,480

for Jeremy 1983 there was a very

88

00:04:30,330 --> 00:04:26,140

interested in perspective cycling's Red

89

00:04:32,370 --> 00:04:30,340

Cross for South Wales area run Swansea

90

00:04:35,010 --> 00:04:32,380

in particular that we we've been hearing

91

00:04:39,030 --> 00:04:35,020

about this probably about 25 different

92

00:04:41,730 --> 00:04:39,040

witnesses in different places at the

93

00:04:44,100 --> 00:04:41,740

same time seeing very large triangular

94

00:04:48,210 --> 00:04:44,110

shaped craft sometimes in twos or threes

95

00:04:49,530 --> 00:04:48,220

right sometimes single sometimes as big

96

00:04:52,200 --> 00:04:49,540

as a car something was as big as a

97

00:04:53,610 --> 00:04:52,210

football pitch so ago so closely enough

98

00:04:55,080 --> 00:04:53,620

because quite often when you see things

99

00:04:56,310 --> 00:04:55,090

in the sky you can't really get

100

00:04:58,230 --> 00:04:56,320

perspective and he can't really

101
00:05:00,330 --> 00:04:58,240
understand what's or size of Weber yeah

102
00:05:01,530 --> 00:05:00,340
you say people say these things were the

103
00:05:03,990 --> 00:05:01,540
size of a car they were obviously coming

104
00:05:07,800 --> 00:05:04,000
in quite close yeah the car sighs one

105
00:05:10,140 --> 00:05:07,810
was that was just a hobby it moved very

106
00:05:12,030 --> 00:05:10,150
slowly just over a roof of a house okay

107
00:05:14,010 --> 00:05:12,040
I found about this she can all askme

108
00:05:16,409 --> 00:05:14,020
didn't tell us about me we went to

109
00:05:17,880 --> 00:05:16,419
interview the other day she wasn't in

110
00:05:23,159 --> 00:05:17,890
the street to take to streets don't

111
00:05:24,690 --> 00:05:23,169
agree to roads and I'll see you too I

112
00:05:26,550 --> 00:05:24,700
was news to me that somebody has had the

113
00:05:29,730 --> 00:05:26,560

scene when in Long up so it corroborates

114

00:05:31,320 --> 00:05:29,740

my story of what I saw yet an 18-inch

115

00:05:34,680 --> 00:05:31,330

craft triangular was not where I thought

116

00:05:36,090 --> 00:05:34,690

it was hovering 40 feet above the

117

00:05:38,940 --> 00:05:36,100

pavement so 10 feet above the house

118

00:05:42,270 --> 00:05:38,950

opposite me so I watched it for five

119

00:05:45,030 --> 00:05:42,280

minutes called family out my stepfather

120

00:05:46,860 --> 00:05:45,040

my sister they saw it they went back in

121

00:05:48,960 --> 00:05:46,870

which was the weirdest thing anyway and

122

00:05:52,650 --> 00:05:48,970

a lot of needs on the street but looking

123

00:05:56,310 --> 00:05:52,660

at it too but I waited for it to go and

124

00:05:57,300 --> 00:05:56,320

when it went what it just disappeared I

125

00:05:59,400 --> 00:05:57,310

didn't see it to speak you know I was a

126
00:06:00,630 --> 00:05:59,410
very strange but no one else was on the

127
00:06:03,360 --> 00:06:00,640
street but when you talk about this

128
00:06:05,820 --> 00:06:03,370
you're trying to liken it to something

129
00:06:07,860 --> 00:06:05,830
that you can see in the stigmas the you

130
00:06:09,630 --> 00:06:07,870
know it could be a cell phone you know

131
00:06:10,860 --> 00:06:09,640
we all try to make sense out of what

132
00:06:13,020 --> 00:06:10,870
we're seeing yeah and I'll see exactly

133
00:06:15,660 --> 00:06:13,030
where I was trying to do but there

134
00:06:18,090 --> 00:06:15,670
wasn't you know it will you

135
00:06:20,100 --> 00:06:18,100
I was 13 like I say he ought you to be

136
00:06:22,200 --> 00:06:20,110
him so that other kids in school seen

137
00:06:25,440 --> 00:06:22,210
the same thing no just myself at my

138
00:06:28,440 --> 00:06:25,450

house I came back to the house I sittin

139

00:06:31,590 --> 00:06:28,450

in the back of the house so as far as

140

00:06:33,090 --> 00:06:31,600

his tented get to the front door I just

141

00:06:34,680 --> 00:06:33,100

came up as no reason for me together I

142

00:06:36,000 --> 00:06:34,690

just realized when I got to the back

143

00:06:38,400 --> 00:06:36,010

doors are quite acting out yeah but then

144

00:06:41,550 --> 00:06:38,410

I see what I'm seeing and realized that

145

00:06:44,070 --> 00:06:41,560

is amazement you know you're amazed just

146

00:06:45,540 --> 00:06:44,080

like we're 64,000 or question utley hmm

147

00:06:49,050 --> 00:06:45,550

did it make the Chuck Chuck Chuck no

148

00:06:50,460 --> 00:06:49,060

Chuck annoyed sigh pressurized kind of

149

00:06:51,900 --> 00:06:50,470

you know what you want to pop your ears

150

00:06:54,210 --> 00:06:51,910

like that when you go in here that

151
00:06:57,090 --> 00:06:54,220
feeling of like there's a heavy pressure

152
00:06:58,620 --> 00:06:57,100
around you Barrett but no is a very

153
00:07:00,840 --> 00:06:58,630
strange feeling actually good there was

154
00:07:02,760 --> 00:07:00,850
nothing there was no it felt like I was

155
00:07:04,740 --> 00:07:02,770
her partner is but it was like you could

156
00:07:06,810 --> 00:07:04,750
hear a pin drop it was like this silence

157
00:07:09,420 --> 00:07:06,820
there's stillness it was January it

158
00:07:11,670 --> 00:07:09,430
should be cold didn't feel cold no sound

159
00:07:14,160 --> 00:07:11,680
you know and again in the patient

160
00:07:15,930 --> 00:07:14,170
nothing nothing but i was looking at

161
00:07:17,340 --> 00:07:15,940
lights and these lights that i was i was

162
00:07:19,710 --> 00:07:17,350
focusing on the whole time which my

163
00:07:22,050 --> 00:07:19,720

sister many years later told me she

164

00:07:24,360 --> 00:07:22,060

thought it was a dream what she saw but

165

00:07:25,710 --> 00:07:24,370

she saw like 20 minute discomfort now i

166

00:07:27,390 --> 00:07:25,720

don't even remember as the conference I

167

00:07:28,980 --> 00:07:27,400

just remember it being very black you

168

00:07:31,320 --> 00:07:28,990

couldn't see the stars so therefore

169

00:07:33,300 --> 00:07:31,330

there was an under i'm looking at the

170

00:07:36,000 --> 00:07:33,310

central part of it which is protruding

171

00:07:39,330 --> 00:07:36,010

down there's lights pulsing very pastor

172

00:07:41,010 --> 00:07:39,340

lee lovely kind of pulsating he said

173

00:07:43,380 --> 00:07:41,020

well when you spoke to that man you put

174

00:07:46,330 --> 00:07:43,390

your hand on this half was it natural

175

00:07:49,120 --> 00:07:46,340

they don't walk he said all right okay

176

00:07:52,380 --> 00:07:49,130

and I start to tell him about the day

177

00:07:56,820 --> 00:07:52,390

and I thought this is rather strange and

178

00:08:00,190 --> 00:07:56,830

he said to me I don't need these glasses

179

00:08:02,950 --> 00:08:00,200

and it's a way out of way to run them he

180

00:08:05,400 --> 00:08:02,960

said they don't look like this yeah

181

00:08:08,080 --> 00:08:05,410

great I said what what are you join you

182

00:08:11,770 --> 00:08:08,090

and he said I come to experience the

183

00:08:13,780 --> 00:08:11,780

evolution I said okay and why do you

184

00:08:17,890 --> 00:08:13,790

cure I said could you help other people

185

00:08:21,130 --> 00:08:17,900

and he said yes okay but it was a couple

186

00:08:25,840 --> 00:08:21,140

of weeks before this what I was having

187

00:08:29,560 --> 00:08:25,850

talks telepathically I went on to

188

00:08:31,900 --> 00:08:29,570

and it was a big massive auditorium with

189

00:08:33,730 --> 00:08:31,910

all different troop like different

190

00:08:36,370 --> 00:08:33,740

troops from all different with different

191

00:08:39,219 --> 00:08:36,380

planets and they'd all come together for

192

00:08:42,610 --> 00:08:39,229

a meeting and there was a big table in

193

00:08:44,350 --> 00:08:42,620

the middle with a high council and then

194

00:08:46,000 --> 00:08:44,360

we had to meet in a boat events that

195

00:08:48,700 --> 00:08:46,010

were happening on the planet and they

196

00:08:51,190 --> 00:08:48,710

were talking about the changes that were

197

00:08:52,870 --> 00:08:51,200

going to happen with the people I

198

00:08:56,020 --> 00:08:52,880

thought to be honest it was just

199

00:08:58,480 --> 00:08:56,030

imagining that no one when I'm having

200

00:09:00,640 --> 00:08:58,490

this telepathically and visually they'd

201
00:09:03,190 --> 00:09:00,650
been a lot of very strange things that

202
00:09:06,190 --> 00:09:03,200
were happening and I thought it was just

203
00:09:08,410 --> 00:09:06,200
my imagination that a very got a very

204
00:09:10,210 --> 00:09:08,420
good imagination but you feel and as

205
00:09:13,780 --> 00:09:10,220
you're talking near actually feeling I'm

206
00:09:15,220 --> 00:09:13,790
the conversation with them also nuclear

207
00:09:18,190 --> 00:09:15,230
power stations have both sort of been

208
00:09:20,590 --> 00:09:18,200
reported as you know certain magnets I

209
00:09:22,600 --> 00:09:20,600
suppose we have this semester energy or

210
00:09:24,700 --> 00:09:22,610
the obvious leaving only fueling if

211
00:09:26,840 --> 00:09:24,710
that's you know what you think it is and

212
00:09:29,449 --> 00:09:26,850
swapping stories and

213
00:09:30,889 --> 00:09:29,459

an evidence of photographs is there any

214

00:09:33,889 --> 00:09:30,899

other way you gather information for

215

00:09:36,410 --> 00:09:33,899

Suppan group well one one thing we do

216

00:09:37,879 --> 00:09:36,420

just to help how people familiarize

217

00:09:40,240 --> 00:09:37,889

themselves with the night sky reorganize

218

00:09:42,980 --> 00:09:40,250

sky watchers well we go out in a

219

00:09:47,449 --> 00:09:42,990

location somewhere nice and with a good

220

00:09:51,110 --> 00:09:47,459

view the flatty yeah and good

221

00:09:52,670 --> 00:09:51,120

conversations Samuel overcoats ya can't

222

00:09:54,889 --> 00:09:52,680

get cold here and we just look at the

223

00:09:57,710 --> 00:09:54,899

sky and it's like fun watch because some

224

00:10:01,370 --> 00:09:57,720

satellites and meteors is that I played

225

00:10:02,960 --> 00:10:01,380

10 valeo says we've done the girl we go

226

00:10:06,319 --> 00:10:02,970

vivir ducks by the sometimes at the

227

00:10:08,960 --> 00:10:06,329

swansea valley will Brecon Beacons it's

228

00:10:11,090 --> 00:10:08,970

quite good fun and as I say up since

229

00:10:13,249 --> 00:10:11,100

familiarize ourselves with what's what's

230

00:10:15,499 --> 00:10:13,259

visible in the sky sook and we know what

231

00:10:16,910 --> 00:10:15,509

that some people don't know what sap

232

00:10:18,199 --> 00:10:16,920

lake would look like you're well the

233

00:10:19,579 --> 00:10:18,209

International Space Station I was going

234

00:10:21,350 --> 00:10:19,589

to ask because we were we were on

235

00:10:24,050 --> 00:10:21,360

holiday with a family the other week and

236

00:10:26,420 --> 00:10:24,060

got a finale which is nearly 8 mb m i

237

00:10:28,430 --> 00:10:26,430

suppose and what we lay out from the

238

00:10:31,879 --> 00:10:28,440

look of the Lord like of the perseid

239

00:10:33,559 --> 00:10:31,889

meteor shower we sell myself just look

240

00:10:35,179 --> 00:10:33,569

at watching the Stars star appeared and

241

00:10:37,550 --> 00:10:35,189

one of my one and so the Islamic black

242

00:10:40,490 --> 00:10:37,560

and a start anyway and we counted only

243

00:10:42,019 --> 00:10:40,500

15 different satellites into different

244

00:10:45,470 --> 00:10:42,029

survey yeah sure it's very busy at them

245

00:10:47,509 --> 00:10:45,480

so do you think to an untrained eye to

246

00:10:50,120 --> 00:10:47,519

it a person we didn't didn't understand

247

00:10:52,309 --> 00:10:50,130

that you could see I wouldn't fall over

248

00:10:53,809 --> 00:10:52,319

the car they're so light pollution and

249

00:10:55,470 --> 00:10:53,819

you can see the International Space

250

00:10:57,569 --> 00:10:55,480

Station occasional

251

00:10:59,790 --> 00:10:57,579

you can't see the other side ways but in

252

00:11:02,300 --> 00:10:59,800

west wales of a very apparent so if if

253

00:11:05,850 --> 00:11:02,310

you were to dark sky area of swansea

254

00:11:08,819 --> 00:11:05,860

could some you four Cylons be somewhere

255

00:11:12,840 --> 00:11:08,829

today i am well depends we can what we

256

00:11:14,160 --> 00:11:12,850

call a UFO sighted a UFO sighting to

257

00:11:15,420 --> 00:11:14,170

somebody who doesn't understand what's

258

00:11:17,430 --> 00:11:15,430

after that you would look like would be

259

00:11:20,160 --> 00:11:17,440

a UFO sighting yeah gets to their miss

260

00:11:22,379 --> 00:11:20,170

unidentified so is it is that like watch

261

00:11:24,810 --> 00:11:22,389

a salir safa is a pinpoint of light

262

00:11:26,819 --> 00:11:24,820

we're fittin to start travels across the

263

00:11:29,819 --> 00:11:26,829

sparing a straight line if it suddenly

264

00:11:32,730 --> 00:11:29,829

stops goes backwards or buffers or iron

265

00:11:34,199 --> 00:11:32,740

door or erratically and then go straight

266

00:11:36,210 --> 00:11:34,209

upwards you know it's obviously not in
