

1
00:00:25,460 --> 00:00:37,330

you

2
00:00:44,720 --> 00:00:40,490

which they know if I quite a few like

3
00:00:47,410 --> 00:00:44,730

say cases all actual you folks been seen

4
00:00:51,530 --> 00:00:47,420

at Lourdes age kailangan for the same

5
00:00:53,960 --> 00:00:51,540

right what you say yeah I thought I know

6
00:00:55,850 --> 00:00:53,970

things like pseudo a little bit I

7
00:01:04,460 --> 00:00:55,860

thought my theories on the Sun rich at

8
00:01:08,080 --> 00:01:04,470

me this book is super I have none

9
00:01:12,650 --> 00:01:11,090

but um yeah well we're here tonight and

10
00:01:14,570 --> 00:01:12,660

it's really nice to meet someone you

11
00:01:17,600 --> 00:01:14,580

like many people in one room at the same

12
00:01:19,520 --> 00:01:17,610

time how are you some type of the room

13
00:01:21,260 --> 00:01:19,530

dysfunctional Bucky is closed yes it's a

14

00:01:23,630 --> 00:01:21,270

bit like a wedding the shuttle yeah this

15

00:01:25,639 --> 00:01:23,640

is a wonderful experience but yeah we're

16

00:01:26,930 --> 00:01:25,649

here and you know I I'm really

17

00:01:28,700 --> 00:01:26,940

interested and what's been going on I've

18

00:01:30,650 --> 00:01:28,710

read a little bit about you guys I know

19

00:01:33,950 --> 00:01:30,660

there seems to be quite a lot going on

20

00:01:35,570 --> 00:01:33,960

in swansea and I don't know particularly

21

00:01:36,920 --> 00:01:35,580

why it is in Swansea but you've

22

00:01:38,660 --> 00:01:36,930

obviously catalogs quite a lot of

23

00:01:41,600 --> 00:01:38,670

experiences and seemed quite a lot of

24

00:01:43,219 --> 00:01:41,610

things so when you know what normally

25

00:01:44,719 --> 00:01:43,229

happens on a meeting like this how often

26
00:01:46,960 --> 00:01:44,729
do you guys meet up and what normally

27
00:01:50,150 --> 00:01:46,970
goes on when when Suppan gets together

28
00:01:54,139 --> 00:01:50,160
okay well we we meet up monthly on the

29
00:01:57,919 --> 00:01:54,149
last 20 every month the amount of we

30
00:02:00,469 --> 00:01:57,929
have come into the venue's varies quite

31
00:02:03,559 --> 00:02:00,479
a lot sometimes it's 20s and we've got

32
00:02:06,199 --> 00:02:03,569
as much as 65 70 before now all depends

33
00:02:07,790 --> 00:02:06,209
on do we got come along and shut in we

34
00:02:10,940 --> 00:02:07,800
have guest speakers some of them come

35
00:02:13,280 --> 00:02:10,950
quick considerable distances to to give

36
00:02:15,110 --> 00:02:13,290
a talk to us we had some big names in

37
00:02:16,670 --> 00:02:15,120
the UFO field come down to us now we've

38
00:02:18,559 --> 00:02:16,680

only been running about a year and a

39

00:02:23,660 --> 00:02:18,569

half and we really have had some good

40

00:02:25,970 --> 00:02:23,670

big names along or sure but rosie was my

41

00:02:27,380 --> 00:02:25,980

background oh I perhaps I can tell you a

42

00:02:31,190 --> 00:02:27,390

little bit how the group came to be

43

00:02:34,820 --> 00:02:31,200

formed then I had my own sighting of a

44

00:02:38,650 --> 00:02:34,830

UFO back in i think it was nineteen

45

00:02:42,500 --> 00:02:38,660

eighty-three North 1982 and I was

46

00:02:46,289 --> 00:02:42,510

standing half a castle hill

47

00:02:49,619 --> 00:02:46,299

at about midnight ish The Dark Knight

48

00:02:53,190 --> 00:02:49,629

summers night I was with another person

49

00:02:56,339 --> 00:02:53,200

there we happened to look up and quite

50

00:02:59,460 --> 00:02:56,349

high up in the sky there was a silvery

51
00:03:01,410 --> 00:02:59,470
object which was stationary and clearly

52
00:03:02,850 --> 00:03:01,420
it wasn't a helicopters far too high for

53
00:03:04,800 --> 00:03:02,860
that it was all the height though of a

54
00:03:08,430 --> 00:03:04,810
jet but it wasn't moving it was just

55
00:03:09,930 --> 00:03:08,440
stationary which was really on so paid

56
00:03:12,509 --> 00:03:09,940
attention to it for a little bit and

57
00:03:14,940 --> 00:03:12,519
then eventually this thing just took off

58
00:03:17,819 --> 00:03:14,950
at the phenomenal rate of speed I mean

59
00:03:22,559 --> 00:03:17,829
faster than anything I've known before

60
00:03:25,259 --> 00:03:22,569
and it clearly wasn't what I'd say of

61
00:03:27,360 --> 00:03:25,269
this planet that's dust the feeling I

62
00:03:29,699 --> 00:03:27,370
got of it do you think did you think of

63
00:03:32,009 --> 00:03:29,709

anything that was a bigger sound there

64

00:03:33,599 --> 00:03:32,019

was no sound whatsoever and see it

65

00:03:35,339 --> 00:03:33,609

definitely wasn't a jet it definitely

66

00:03:37,440 --> 00:03:35,349

wasn't a helicopter so what does that

67

00:03:40,460 --> 00:03:37,450

leave you know suttin station n moves

68

00:03:44,009 --> 00:03:40,470

off at a terrific fast rate than not

69

00:03:45,360 --> 00:03:44,019

well yeah we're here now I'm finally

70

00:03:47,309 --> 00:03:45,370

managed to find you guys and we're here

71

00:03:48,990 --> 00:03:47,319

for the meeting so we we know that stuff

72

00:03:50,729 --> 00:03:49,000

is happening here in Swansea which is

73

00:03:53,220 --> 00:03:50,739

brilliant because quite often you hear

74

00:03:55,020 --> 00:03:53,230

that it sits in you know America or

75

00:03:56,849 --> 00:03:55,030

South America or parts of the world that

76
00:04:00,509 --> 00:03:56,859
are just impossible to access yeah those

77
00:04:04,020 --> 00:04:00,519
one of the reasons why we decided to

78
00:04:06,629 --> 00:04:04,030
concentrate on local cases because we've

79
00:04:07,710 --> 00:04:06,639
got the facilities to call jet in on the

80
00:04:09,510 --> 00:04:07,720
world

81
00:04:10,830 --> 00:04:09,520
but you don't need to go jetting around

82
00:04:13,020 --> 00:04:10,840
the world cuz it's all happening in

83
00:04:15,240 --> 00:04:13,030
South Wales yeah so can you give a book

84
00:04:17,490 --> 00:04:15,250
can you give us an example of one of the

85
00:04:19,550 --> 00:04:17,500
sort of more prominent cases that you

86
00:04:22,440 --> 00:04:19,560
guys have investigated or loss but wait

87
00:04:26,100 --> 00:04:22,450
19 for Jeremy 1983 there was a very

88
00:04:29,910 --> 00:04:26,110

interesting aspect of sightings right

89

00:04:32,130 --> 00:04:29,920

across the South Wales area wrong

90

00:04:34,830 --> 00:04:32,140

Swansea in particular that we we've been

91

00:04:37,970 --> 00:04:34,840

you in about this probably about 25

92

00:04:41,070 --> 00:04:37,980

different witnesses in different places

93

00:04:43,680 --> 00:04:41,080

at the same time seeing very large

94

00:04:46,430 --> 00:04:43,690

triangular shaped craft sometimes in

95

00:04:49,200 --> 00:04:46,440

twos or threes right sometimes single

96

00:04:51,120 --> 00:04:49,210

sometimes as big as a car sometimes as

97

00:04:53,250 --> 00:04:51,130

big as a football pitch so again so

98

00:04:54,780 --> 00:04:53,260

close enough because quite often when

99

00:04:56,310 --> 00:04:54,790

you see things in the sky you can't

100

00:04:58,230 --> 00:04:56,320

really get perspective you can't really

101
00:05:00,330 --> 00:04:58,240
understand what's or size of Weber yeah

102
00:05:01,140 --> 00:05:00,340
you say people say these things were the

103
00:05:03,510 --> 00:05:01,150
size of a cart they were obviously

104
00:05:07,020 --> 00:05:03,520
coming in quite close yeah that the car

105
00:05:09,180 --> 00:05:07,030
sighs one was that was just so horribly

106
00:05:11,490 --> 00:05:09,190
it moved very slowly just over a roof of

107
00:05:13,320 --> 00:05:11,500
a house okay I found about this she

108
00:05:15,960 --> 00:05:13,330
can't all askme didn't tell us about me

109
00:05:17,640 --> 00:05:15,970
we were to interview the other day she

110
00:05:21,070 --> 00:05:17,650
was in in the street to take to streets

111
00:05:25,610 --> 00:05:23,990
after you too I I was news to me that

112
00:05:27,860 --> 00:05:25,620
somebody has had seen one in Long up to

113
00:05:31,070 --> 00:05:27,870

corrupt Roberts my story of what I saw

114

00:05:34,340 --> 00:05:31,080

yet an 18-inch craft triangular was not

115

00:05:35,870 --> 00:05:34,350

where I thought it was hovering 40 feet

116

00:05:38,630 --> 00:05:35,880

above the pavement so 10 feet above the

117

00:05:41,150 --> 00:05:38,640

house opposite me so I watched it for

118

00:05:43,970 --> 00:05:41,160

five minutes called family out my

119

00:05:46,010 --> 00:05:43,980

stepfather my sister they saw it they

120

00:05:48,350 --> 00:05:46,020

went back in which was the weirdest

121

00:05:50,750 --> 00:05:48,360

thing anyway and a lot of noobs on the

122

00:05:53,290 --> 00:05:50,760

street were looking at it too but I

123

00:05:56,780 --> 00:05:53,300

waited for it to go and when it went

124

00:05:59,000 --> 00:05:56,790

what it just disappear didn't see it to

125

00:06:00,200 --> 00:05:59,010

speak it was a very strange but no one

126
00:06:02,350 --> 00:06:00,210
else was on the street but when you talk

127
00:06:04,610 --> 00:06:02,360
about this you're trying to liken it to

128
00:06:07,340 --> 00:06:04,620
something that you can see in the

129
00:06:09,230 --> 00:06:07,350
stigmas the you know it could be a cell

130
00:06:10,640 --> 00:06:09,240
phone you know we all try to make sense

131
00:06:12,010 --> 00:06:10,650
out of what we're seeing yeah and also

132
00:06:15,080 --> 00:06:12,020
exactly what I was trying to do but

133
00:06:17,840 --> 00:06:15,090
there wasn't you know it I will you love

134
00:06:19,700 --> 00:06:17,850
you too I was 13 like I say to you want

135
00:06:21,590 --> 00:06:19,710
you to begin so that other kids in the

136
00:06:24,170 --> 00:06:21,600
school seen the same thing no just

137
00:06:27,810 --> 00:06:24,180
myself at my house I came back to the

138
00:06:30,000 --> 00:06:27,820

house I sit in the back of the house

139

00:06:32,550 --> 00:06:30,010

as far as his tent is get to the front

140

00:06:34,410 --> 00:06:32,560

door I just came up as no reason for me

141

00:06:35,760 --> 00:06:34,420

to gala I just realized when I got to

142

00:06:37,190 --> 00:06:35,770

the front doors I quite acting like you

143

00:06:40,830 --> 00:06:37,200

but then I see what I'm seeing and

144

00:06:42,780 --> 00:06:40,840

realized that is amazing you know you're

145

00:06:44,850 --> 00:06:42,790

amazed you just like we're 64,000 or

146

00:06:47,030 --> 00:06:44,860

question utley did it make the Chuck

147

00:06:49,560 --> 00:06:47,040

Chuck Chuck no Chuck Norris I

148

00:06:51,300 --> 00:06:49,570

pressurized kind of you know like you

149

00:06:53,700 --> 00:06:51,310

want to pop your ears like that when you

150

00:06:55,590 --> 00:06:53,710

go in here that feeling of like there's

151
00:06:57,690 --> 00:06:55,600
a heavy pressure around you know it but

152
00:06:59,490 --> 00:06:57,700
no is a pretty strange feeling actually

153
00:07:02,130 --> 00:06:59,500
because there was nothing there was no

154
00:07:03,810 --> 00:07:02,140
if a like I was report me because but it

155
00:07:06,060 --> 00:07:03,820
was like you could hear a pin drop it

156
00:07:07,800 --> 00:07:06,070
was like this silence the stillness it

157
00:07:11,280 --> 00:07:07,810
was January should be cold didn't feel

158
00:07:14,100 --> 00:07:11,290
cold no sound you know and again in the

159
00:07:15,780 --> 00:07:14,110
pastry nothing nothing but i was looking

160
00:07:17,340 --> 00:07:15,790
at lights and these lights that i was i

161
00:07:19,710 --> 00:07:17,350
was focusing on the whole time which my

162
00:07:22,050 --> 00:07:19,720
sister many years later told me she

163
00:07:23,400 --> 00:07:22,060

thought it was a dream what she saw but

164

00:07:25,080 --> 00:07:23,410

she saw like screaming at this

165

00:07:26,340 --> 00:07:25,090

conference now i don't even remember as

166

00:07:28,560 --> 00:07:26,350

a conference I just remember it being

167

00:07:30,720 --> 00:07:28,570

very black you couldn't see the stars so

168

00:07:32,040 --> 00:07:30,730

therefore there was known to you know

169

00:07:33,990 --> 00:07:32,050

I'm looking at the central part of it

170

00:07:37,020 --> 00:07:34,000

which is protruding down there's lights

171

00:07:40,230 --> 00:07:37,030

pulsing very hastily lovely kind of

172

00:07:41,820 --> 00:07:40,240

pulsating he said well when you spoke to

173

00:07:44,610 --> 00:07:41,830

that man you'll put your hand on his

174

00:07:47,520 --> 00:07:44,620

heart was it natural or Isis I don't

175

00:07:50,100 --> 00:07:47,530

want he said all right okay and I

176

00:07:53,370 --> 00:07:50,110

started tell him about the day and I

177

00:07:54,519 --> 00:07:53,380

thought this is rather strange and he

178

00:07:58,359 --> 00:07:54,529

said to me

179

00:08:00,609 --> 00:07:58,369

I don't need these glasses it's a why

180

00:08:04,299 --> 00:08:00,619

you're a way to win them yesterday don't

181

00:08:07,059 --> 00:08:04,309

look like this yeah great it's the one

182

00:08:10,299 --> 00:08:07,069

of what are you join you and he said I'd

183

00:08:12,759 --> 00:08:10,309

come to experience the evolution I said

184

00:08:16,109 --> 00:08:12,769

ok and while you cure I said could you

185

00:08:19,439 --> 00:08:16,119

help other people and he said yes okay

186

00:08:23,759 --> 00:08:19,449

but it was a couple of weeks before this

187

00:08:27,819 --> 00:08:23,769

what I was having talks telepathically

188

00:08:30,269 --> 00:08:27,829

and I went onto a ship and it was a big

189

00:08:32,589 --> 00:08:30,279

massive auditorium with all different

190

00:08:34,600 --> 00:08:32,599

truth like different troops from all

191

00:08:36,610 --> 00:08:34,610

different with different planets and

192

00:08:40,119 --> 00:08:36,620

they'd all come together for a meeting

193

00:08:42,939 --> 00:08:40,129

and there was a big table in the middle

194

00:08:44,439 --> 00:08:42,949

with a high council and then we had the

195

00:08:46,449 --> 00:08:44,449

meeting about events that were happening

196

00:08:48,970 --> 00:08:46,459

on the planet and they were talking

197

00:08:52,239 --> 00:08:48,980

about the changes that were going to

198

00:08:54,699 --> 00:08:52,249

happen with the people i sought to be

199

00:08:57,639 --> 00:08:54,709

honest it was just imagining that no one

200

00:08:59,619 --> 00:08:57,649

when I'm having this telepathically and

201
00:09:02,319 --> 00:08:59,629
visually they'd been a lot of very

202
00:09:05,049 --> 00:09:02,329
strange things that were happening and I

203
00:09:07,420 --> 00:09:05,059
thought it was just my imagination that

204
00:09:09,280 --> 00:09:07,430
a very got a very good imagination but

205
00:09:11,049 --> 00:09:09,290
you feel and then you're talking near

206
00:09:14,350 --> 00:09:11,059
actually feeling I'm the conversation

207
00:09:17,079 --> 00:09:14,360
with them also nuclear power stations

208
00:09:19,600 --> 00:09:17,089
have both sort of been reported as you

209
00:09:21,009 --> 00:09:19,610
know sort of magnets I suppose we have

210
00:09:23,799 --> 00:09:21,019
this semester energy or the obviously

211
00:09:26,820 --> 00:09:23,809
really fueling if that's you know what

212
00:09:29,430 --> 00:09:26,830
you think it is and swap the stories and

213
00:09:30,900 --> 00:09:29,440

and evidence of photographs is there any

214

00:09:33,750 --> 00:09:30,910

other way you gather information for

215

00:09:36,390 --> 00:09:33,760

suit on group oh well one one thing we

216

00:09:37,770 --> 00:09:36,400

do just to help help people familiarize

217

00:09:39,960 --> 00:09:37,780

themselves in the night sky me all the

218

00:09:43,020 --> 00:09:39,970

very scary watches well we go out to

219

00:09:47,430 --> 00:09:43,030

know location somewhere nice with a good

220

00:09:51,090 --> 00:09:47,440

view in a flat ET yeah good

221

00:09:52,650 --> 00:09:51,100

conversations Samuel overcoats ya can't

222

00:09:54,720 --> 00:09:52,660

get cold here and we just look at the

223

00:09:57,720 --> 00:09:54,730

sky and it's quite fun watch we could

224

00:10:01,350 --> 00:09:57,730

see sap lights meteors is that I've aged

225

00:10:02,910 --> 00:10:01,360

10 valeo test we've done the go or we go

226

00:10:06,300 --> 00:10:02,920

a bit of a dark sky here sometimes at

227

00:10:08,670 --> 00:10:06,310

the swansea valuable Brecon Beacons it's

228

00:10:11,070 --> 00:10:08,680

quite good fun and as I say opposites

229

00:10:13,290 --> 00:10:11,080

familiarize ourselves with what's what's

230

00:10:15,660 --> 00:10:13,300

visible in the sky sook and we know what

231

00:10:17,490 --> 00:10:15,670

Sam some people don't know what sap lake

232

00:10:18,930 --> 00:10:17,500

would look like you're the International

233

00:10:20,670 --> 00:10:18,940

Space Station let's go ask because we

234

00:10:22,620 --> 00:10:20,680

were we were on holiday with the family

235

00:10:25,890 --> 00:10:22,630

the other week got a finale which is

236

00:10:27,660 --> 00:10:25,900

nearly 8 mb m I suppose and what we lay

237

00:10:30,450 --> 00:10:27,670

out from the look of the Lord it was the

238

00:10:32,340 --> 00:10:30,460

night of the first meteor shower we're

239

00:10:34,290 --> 00:10:32,350

selling myself just look at watching the

240

00:10:35,880 --> 00:10:34,300

Stars stomach pain or one by one and saw

241

00:10:39,840 --> 00:10:35,890

the sky was black and I stars everywhere

242

00:10:42,030 --> 00:10:39,850

and we counted only 15 different salads

243

00:10:45,480 --> 00:10:42,040

of different so it's very busy at them

244

00:10:47,550 --> 00:10:45,490

so do you think to an untrained eye to

245

00:10:50,190 --> 00:10:47,560

it I personally didn't understand that

246

00:10:51,570 --> 00:10:50,200

you could see I wouldn't follow the

247

00:10:53,220 --> 00:10:51,580

Carver so that's always what light

248

00:10:55,460 --> 00:10:53,230

pollution and you can see the

249

00:10:57,560 --> 00:10:55,470

International Space Station occasion

250

00:10:59,780 --> 00:10:57,570

you can't see the other side ways but in

251
00:11:02,290 --> 00:10:59,790
west wales they were very apparent so if

252
00:11:05,870 --> 00:11:02,300
you were to dark sky area of swansea

253
00:11:08,810 --> 00:11:05,880
could some you for sony's be SAT west

254
00:11:12,830 --> 00:11:08,820
unit i am well depends we can what we

255
00:11:14,150 --> 00:11:12,840
call a UFO sighted a UFO sighting to

256
00:11:15,440 --> 00:11:14,160
somebody who doesn't understand what's

257
00:11:17,420 --> 00:11:15,450
after that would look like would be a

258
00:11:20,150 --> 00:11:17,430
UFO second yeah gets to their miss

259
00:11:22,310 --> 00:11:20,160
unidentified so is it is that like watch

260
00:11:23,960 --> 00:11:22,320
basically a satellite is a pinpoint of

261
00:11:26,690 --> 00:11:23,970
light looks a bit that the star travels

262
00:11:29,510 --> 00:11:26,700
across the sky in straight line if it

263
00:11:32,510 --> 00:11:29,520

suddenly stops goes backwards or buffers

264

00:11:34,130 --> 00:11:32,520

or iron door or erratically and then go

265

00:11:36,200 --> 00:11:34,140

straight upwards you know obviously not
