

1  
00:00:00,930 --> 00:00:18,420

you

2  
00:00:22,570 --> 00:00:20,710

something's definitely taking place at

3  
00:00:24,339 --> 00:00:22,580

that point they notice and there's a

4  
00:00:26,169 --> 00:00:24,349

being walking up the front driveway the

5  
00:00:27,579 --> 00:00:26,179

house so you don't see it clearly but

6  
00:00:29,349 --> 00:00:27,589

they see movement they see a figure

7  
00:00:33,010 --> 00:00:29,359

walking up the driveway outside the lib

8  
00:00:34,560 --> 00:00:33,020

for the land window and at that point

9  
00:00:37,569 --> 00:00:34,570

everything becomes really really blood

10  
00:00:40,840 --> 00:00:37,579

some time passes a number of minutes and

11  
00:00:43,540 --> 00:00:40,850

then I think at least said something

12  
00:00:44,950 --> 00:00:43,550

about being frightened and it seems to

13  
00:00:47,439 --> 00:00:44,960

trip reality and everything kind of

14  
00:00:50,110 --> 00:00:47,449  
comes back up and everybody cookbook you

15  
00:00:51,910 --> 00:00:50,120  
know what what took place there I've got

16  
00:00:53,049 --> 00:00:51,920  
some testimony here from from David's

17  
00:00:54,310 --> 00:00:53,059  
daughter about this when I'm gonna

18  
00:00:56,229 --> 00:00:54,320  
interview dinner I covered this

19  
00:00:58,150 --> 00:00:56,239  
experience with her and as she said the

20  
00:01:00,009 --> 00:00:58,160  
following we were all start talking and

21  
00:01:01,990 --> 00:01:00,019  
the gate opened and it was somebody

22  
00:01:04,000 --> 00:01:02,000  
coming up and then all of a sudden it

23  
00:01:06,120 --> 00:01:04,010  
was like I was scared I remember being

24  
00:01:08,500 --> 00:01:06,130  
sat down I think mom had gone out

25  
00:01:10,630 --> 00:01:08,510  
everyone was going there's nothing to be

26

00:01:12,760 --> 00:01:10,640

afraid of it's just the wind and I was

27

00:01:15,640 --> 00:01:12,770

really scared so Adam went over to the

28

00:01:18,280 --> 00:01:15,650

door and it was open so the basic Galton

29

00:01:21,999 --> 00:01:18,290

found the front door was ajar really

30

00:01:23,679 --> 00:01:22,009

bizarre experience occurred days within

31

00:01:25,780 --> 00:01:23,689

these other things going on it was kind

32

00:01:28,389 --> 00:01:25,790

of all in this period of a week very

33

00:01:30,010 --> 00:01:28,399

very interesting and nobody really knows

34

00:01:31,710 --> 00:01:30,020

any more to it than that but it's

35

00:01:34,780 --> 00:01:31,720

something that happened around that time

36

00:01:36,069 --> 00:01:34,790

so since then the band of basically just

37

00:01:37,420 --> 00:01:36,079

gone from strength to strength so

38

00:01:39,190 --> 00:01:37,430

they've been playing a lot of gigs stand

39

00:01:41,440 --> 00:01:39,200

out for the area a difference or folk

40

00:01:42,700 --> 00:01:41,450

festivals and this other thing and their

41

00:01:44,740 --> 00:01:42,710

lyrics are quite deep a lot of their

42

00:01:46,690 --> 00:01:44,750

songs have kind of quite deep lyrics and

43

00:01:48,819 --> 00:01:46,700

all about contacts and that but some of

44

00:01:50,679 --> 00:01:48,829

the songs do reference these beings and

45

00:01:53,880 --> 00:01:50,689

everything but they're generally kind of

46

00:01:56,139 --> 00:01:53,890

quite positive and so consciously aware

47

00:01:59,969 --> 00:01:56,149

so yeah it's definitely worth a listen

48

00:02:03,160 --> 00:01:59,979

and so now we move on to april 2014

49

00:02:05,109 --> 00:02:03,170

almost up to date flying triangle sizing

50

00:02:07,779 --> 00:02:05,119

many of you know what a flying triangle

51  
00:02:10,620 --> 00:02:07,789  
is for anybody who doesn't one of the

52  
00:02:14,080 --> 00:02:10,630  
more commonly observed and reported

53  
00:02:16,089 --> 00:02:14,090  
craft types and are these kind of large

54  
00:02:17,740 --> 00:02:16,099  
black triangles almost like a stealth

55  
00:02:19,450 --> 00:02:17,750  
bomber but you know some

56  
00:02:21,400 --> 00:02:19,460  
no wings or anything just usually equal

57  
00:02:24,040 --> 00:02:21,410  
optical triangles if sometimes got

58  
00:02:25,690 --> 00:02:24,050  
lights on the base a white light at each

59  
00:02:28,090 --> 00:02:25,700  
corner usually a kind of reddish or

60  
00:02:29,980 --> 00:02:28,100  
amber light in the middle and other

61  
00:02:31,510 --> 00:02:29,990  
lighting configurations have seen them

62  
00:02:34,090 --> 00:02:31,520  
sometimes they've got like little lights

63  
00:02:35,380 --> 00:02:34,100

right the way along all three edges some

64

00:02:36,910 --> 00:02:35,390

of these craft could be extremely large

65

00:02:38,860 --> 00:02:36,920

in size that we're talking like bigger

66

00:02:41,230 --> 00:02:38,870

than a football pitch and they have a

67

00:02:43,420 --> 00:02:41,240

completely motionless for a period of

68

00:02:46,630 --> 00:02:43,430

time before suddenly just as of their

69

00:02:48,370 --> 00:02:46,640

second and so they express the same kind

70

00:02:50,680 --> 00:02:48,380

of flight capabilities there are other

71

00:02:52,900 --> 00:02:50,690

types of craft flying sources and discs

72

00:02:54,610 --> 00:02:52,910

and that report some people believe that

73

00:02:56,380 --> 00:02:54,620

they are some sort of military projects

74

00:02:58,240 --> 00:02:56,390

going on that this is you know some sort

75

00:03:01,420 --> 00:02:58,250

of secret blood project by the military

76  
00:03:03,040 --> 00:03:01,430  
I would argue against that because I've

77  
00:03:05,710 --> 00:03:03,050  
dealt with contact cases that involve

78  
00:03:08,800 --> 00:03:05,720  
these craft types where graves have been

79  
00:03:11,080 --> 00:03:08,810  
seen aboard them and there's also other

80  
00:03:12,610 --> 00:03:11,090  
cases on record where the bland did I

81  
00:03:14,110 --> 00:03:12,620  
mention one only one landed in the

82  
00:03:15,729 --> 00:03:14,120  
middle of Birmingham if its military

83  
00:03:17,380 --> 00:03:15,739  
they'd have absolutely no reason to do

84  
00:03:19,390 --> 00:03:17,390  
that land of secret craft in the middle

85  
00:03:22,330 --> 00:03:19,400  
of Birmingham San sandridge makes no

86  
00:03:26,259 --> 00:03:22,340  
logical sense so yeah I'd say carry on

87  
00:03:28,000 --> 00:03:26,269  
with this icing april 2014 the sighting

88  
00:03:30,580 --> 00:03:28,010

location is here this is Bullingdon

89

00:03:32,229 --> 00:03:30,590

prison on the outskirts of bicester and

90

00:03:34,630 --> 00:03:32,239

it's actually on the way sir on the b 4

91

00:03:36,789 --> 00:03:34,640

11 the same road that the abduction

92

00:03:38,470 --> 00:03:36,799

happened on and different location are

93

00:03:40,990 --> 00:03:38,480

along it quite a long road but it's on

94

00:03:42,250 --> 00:03:41,000

the way to grill hill and this is

95

00:03:45,460 --> 00:03:42,260

another witnesses involved this one a

96

00:03:47,590 --> 00:03:45,470

lady lady named emma who's who's had a

97

00:03:50,350 --> 00:03:47,600

few experiences of her own while being

98

00:03:52,420 --> 00:03:50,360

around David and but this one was pretty

99

00:03:57,250 --> 00:03:52,430

dramatic yesterday they're driving this

100

00:03:59,890 --> 00:03:57,260

early evening and all of a sudden this

101  
00:04:01,830 --> 00:03:59,900  
massive craft basically just comes in

102  
00:04:04,600 --> 00:04:01,840  
and just flies right over their car

103  
00:04:05,979 --> 00:04:04,610  
these look these the location is

104  
00:04:07,210 --> 00:04:05,989  
interesting because it was right next to

105  
00:04:08,979 --> 00:04:07,220  
the prison it makes you wonder whether

106  
00:04:10,330 --> 00:04:08,989  
that was leaked or was it just random

107  
00:04:12,729 --> 00:04:10,340  
that they happen to be driving past the

108  
00:04:14,860 --> 00:04:12,739  
prison at that moment but essentially it

109  
00:04:16,960 --> 00:04:14,870  
was a completely black triangle with a

110  
00:04:19,060 --> 00:04:16,970  
with lights at each corner and and one

111  
00:04:21,039 --> 00:04:19,070  
in the center there all the lot all the

112  
00:04:22,900 --> 00:04:21,049  
lights were white in this case and it

113  
00:04:25,719 --> 00:04:22,910

glided slowly across the road completely

114

00:04:26,920 --> 00:04:25,729

silently they almost stopped the car

115

00:04:28,810 --> 00:04:26,930

they didn't bring it to a halt because

116

00:04:29,270 --> 00:04:28,820

Oh Emma was a bit she was driving at the

117

00:04:30,920 --> 00:04:29,280

time

118

00:04:34,340 --> 00:04:30,930

she was extremely spooked out by this

119

00:04:35,960 --> 00:04:34,350

this as most of us would be and it

120

00:04:38,420 --> 00:04:35,970

passed over the car and just headed off

121

00:04:40,490 --> 00:04:38,430

on a straight course so again another

122

00:04:43,909 --> 00:04:40,500

close encounter there whereas another

123

00:04:45,080 --> 00:04:43,919

witness involved since that experience

124

00:04:46,760 --> 00:04:45,090

and has had some of that soup was

125

00:04:51,200 --> 00:04:46,770

planning to write a book on David sir

126  
00:04:53,210 --> 00:04:51,210  
and David's experiences within a couple

127  
00:04:57,620 --> 00:04:53,220  
of months of that she had a missing time

128  
00:04:59,240 --> 00:04:57,630  
episode while on the way around to visit

129  
00:05:01,159 --> 00:04:59,250  
day each other period mrs I'm she could

130  
00:05:03,200 --> 00:05:01,169  
account for and it spooked her out so

131  
00:05:05,570 --> 00:05:03,210  
much she decided to leave it and drop

132  
00:05:07,700 --> 00:05:05,580  
the book so I spoke with her and she's

133  
00:05:08,900 --> 00:05:07,710  
not she's already happy about what's

134  
00:05:10,790 --> 00:05:08,910  
happened to her you know she doesn't

135  
00:05:13,159 --> 00:05:10,800  
like it she was creeped out by and just

136  
00:05:15,080 --> 00:05:13,169  
wanted to leave it and but again it's

137  
00:05:17,659 --> 00:05:15,090  
just something else who's been involved

138  
00:05:19,730 --> 00:05:17,669

with David in a way and and stuffs

139

00:05:21,080 --> 00:05:19,740

happened to them so yeah as I mentioned

140

00:05:22,909 --> 00:05:21,090

we've already gone over the military or

141

00:05:24,500 --> 00:05:22,919

alien origin for this you know and i

142

00:05:26,630 --> 00:05:24,510

would i would certainly argue that it's

143

00:05:28,610 --> 00:05:26,640

them rather than military although

144

00:05:30,740 --> 00:05:28,620

that's not to say to every single ft is

145

00:05:32,360 --> 00:05:30,750

you know maybe some a back engineered

146

00:05:35,600 --> 00:05:32,370

and being flown by humans us entirely

147

00:05:37,130 --> 00:05:35,610

possibility what or who was it therefore

148

00:05:39,860 --> 00:05:37,140

we're never going to know really it was

149

00:05:41,480 --> 00:05:39,870

just in that area was it there to scan

150

00:05:42,560 --> 00:05:41,490

david or something you know was it you

151  
00:05:44,300 --> 00:05:42,570  
know checking up on him or something

152  
00:05:46,159 --> 00:05:44,310  
like that or was it just completely

153  
00:05:48,920 --> 00:05:46,169  
random that they just happened to spot

154  
00:05:50,029 --> 00:05:48,930  
it with most of your face sizes we just

155  
00:05:52,100 --> 00:05:50,039  
need to be in the right place at the

156  
00:05:55,659 --> 00:05:52,110  
right time oh I suppose some would argue

157  
00:05:59,120 --> 00:05:55,669  
the wrong place at the wrong time pass

158  
00:06:01,250 --> 00:05:59,130  
so yeah we're coming to the end come to

159  
00:06:02,510 --> 00:06:01,260  
the end of it now but it's a very

160  
00:06:04,490 --> 00:06:02,520  
important aspect that I did want to

161  
00:06:06,950 --> 00:06:04,500  
cover with this case which has got some

162  
00:06:10,420 --> 00:06:06,960  
quite dramatically aspects to it yes

163  
00:06:13,940 --> 00:06:10,430

surveillance so in some contact cases

164

00:06:16,880 --> 00:06:13,950

the individuals reports being observed

165

00:06:18,529 --> 00:06:16,890

by unknown agencies now these are

166

00:06:21,200 --> 00:06:18,539

sometimes called the many black Leslie

167

00:06:23,480 --> 00:06:21,210

your name have been given they usually

168

00:06:25,760 --> 00:06:23,490

appear to be kind of personnel

169

00:06:28,730 --> 00:06:25,770

government personnel in some many black

170

00:06:31,340 --> 00:06:28,740

cases they appear to be non-human so the

171

00:06:33,200 --> 00:06:31,350

the beings appear to be alien themself

172

00:06:37,070 --> 00:06:33,210

almost like they're putting on a human

173

00:06:38,630 --> 00:06:37,080

form and then quite often seen when

174

00:06:41,690 --> 00:06:38,640

there's kind of black suits with a with

175

00:06:44,060 --> 00:06:41,700

fedora hats local back in the 1950s and

176

00:06:45,950 --> 00:06:44,070

and they've got kind of very very power

177

00:06:47,750 --> 00:06:45,960

connections in a lot of the contact

178

00:06:50,570 --> 00:06:47,760

cases though they appear to be sort of

179

00:06:51,740 --> 00:06:50,580

agents as in normal humans almost like

180

00:06:53,270 --> 00:06:51,750

they're trying to find out information

181

00:06:54,350 --> 00:06:53,280

that's what I believe is going on I

182

00:06:56,930 --> 00:06:54,360

believe they're trying to find out

183

00:06:58,220 --> 00:06:56,940

information about these beings through

184

00:07:00,380 --> 00:06:58,230

the contact these because they know that

185

00:07:03,620 --> 00:07:00,390

they've had experiences with them so

186

00:07:05,210 --> 00:07:03,630

they kind of monitor them our newest

187

00:07:07,880 --> 00:07:05,220

indications that Dave's being observed

188

00:07:09,560 --> 00:07:07,890

and he's not not ready to be taken

189

00:07:11,150 --> 00:07:09,570

lightly there's a sort of thing that you

190

00:07:14,030 --> 00:07:11,160

could just say was just down to paranoia

191

00:07:16,520 --> 00:07:14,040

but on a number of occasions dave has

192

00:07:18,230 --> 00:07:16,530

has been photographed like random people

193

00:07:19,490 --> 00:07:18,240

in suits or they've been out on the road

194

00:07:21,040 --> 00:07:19,500

and is just seen him just lift of a

195

00:07:23,240 --> 00:07:21,050

camera snap him and just come walking

196

00:07:25,250 --> 00:07:23,250

there was a there was an incident where

197

00:07:28,550 --> 00:07:25,260

there was a van parts of opposite house

198

00:07:30,650 --> 00:07:28,560

for about two days with a man sitting in

199

00:07:33,170 --> 00:07:30,660

it wearing appeared to be seen wearing a

200

00:07:34,340 --> 00:07:33,180

suit monitoring their house watching in

201  
00:07:35,810 --> 00:07:34,350  
you know whenever they looked out the

202  
00:07:38,000 --> 00:07:35,820  
window his boy was really crude toggle

203  
00:07:40,550 --> 00:07:38,010  
this and they didn't get photo of it and

204  
00:07:42,860 --> 00:07:40,560  
he kind of wished he'd got a shot of

205  
00:07:44,270 --> 00:07:42,870  
that man but he didn't mean this car was

206  
00:07:46,070 --> 00:07:44,280  
there and whenever they looked out it

207  
00:07:48,710 --> 00:07:46,080  
was their opposite their house you know

208  
00:07:50,240 --> 00:07:48,720  
you could say well okay it's unrelated

209  
00:07:52,520 --> 00:07:50,250  
and he's just there and maybe he's just

210  
00:07:55,520 --> 00:07:52,530  
you know maybe it's just paranoid and

211  
00:07:57,110 --> 00:07:55,530  
sometimes with the concept it may just

212  
00:07:59,680 --> 00:07:57,120  
be that you know and it may not be that

213  
00:08:01,970 --> 00:07:59,690

the Bing and the surveillance however

214

00:08:04,220 --> 00:08:01,980

there is a case that happened where he

215

00:08:07,190 --> 00:08:04,230

he believes his phone is being tapped or

216

00:08:09,200 --> 00:08:07,200

has been tapped on occasions and and

217

00:08:10,490 --> 00:08:09,210

this experience after knew he was in the

218

00:08:12,200 --> 00:08:10,500

kitchen and he's too he's doing the

219

00:08:13,880 --> 00:08:12,210

cooking and he's on the phone to his

220

00:08:15,260 --> 00:08:13,890

friend and because he's got the frying

221

00:08:16,850 --> 00:08:15,270

pan and that he's got the phone if he on

222

00:08:18,080 --> 00:08:16,860

his shoulder hold it with his head lap

223

00:08:21,620 --> 00:08:18,090

and it's just trying to cook at the same

224

00:08:23,540 --> 00:08:21,630

time so he ends his chat with his friend

225

00:08:24,920 --> 00:08:23,550

and his friend hangs up and because it's

226

00:08:26,390 --> 00:08:24,930

a lot up on his shoulder he doesn't

227

00:08:28,700 --> 00:08:26,400

immediately click the stop himself you

228

00:08:30,320 --> 00:08:28,710

know so it hangs up and it's and it's

229

00:08:31,580 --> 00:08:30,330

still on for a few seconds you know when

230

00:08:33,650 --> 00:08:31,590

you get to the end of a mobile phone

231

00:08:36,230 --> 00:08:33,660

call that stays active then he hears

232

00:08:38,690 --> 00:08:36,240

this male voice an unknown male voice on

233

00:08:41,480 --> 00:08:38,700

the phone say he didn't say anything

234

00:08:46,280 --> 00:08:41,490

that time and Dave's like hello and it

235

00:08:47,630 --> 00:08:46,290

just goes quick goes off um so it

236

00:08:50,090 --> 00:08:47,640

certainly appears that somebody was

237

00:08:51,560 --> 00:08:50,100

monitoring his call and I believe when

238

00:08:53,150 --> 00:08:51,570

they were saying he didn't say anything

239

00:08:54,470 --> 00:08:53,160

that time is that they were looking for

240

00:08:56,540 --> 00:08:54,480

information and he wanted

241

00:08:58,579 --> 00:08:56,550

there were listening to see whether dave

242

00:09:00,530 --> 00:08:58,589

was discussing his experiences with his

243

00:09:01,850 --> 00:09:00,540

friend over the phone and that casual

244

00:09:04,579 --> 00:09:01,860

you didn't were just chatting away like

245

00:09:05,810 --> 00:09:04,589

normal and so there's an indication that

246

00:09:07,639 --> 00:09:05,820

is phone have been tapped on that

247

00:09:11,060 --> 00:09:07,649

occasion whether it's still tap today we

248

00:09:13,579 --> 00:09:11,070

don't really know yeah and there's the

249

00:09:18,980 --> 00:09:13,589

sunglasses oh yeah this one's a

250

00:09:21,920 --> 00:09:18,990

interesting this happened early last

251

00:09:23,000 --> 00:09:21,930

year thing and in 2015 don't brings me

252

00:09:25,579 --> 00:09:23,010

up and says don't believe what's just

253

00:09:27,350 --> 00:09:25,589

taking place he come down his local park

254

00:09:30,980 --> 00:09:27,360

and most mornings it goes down into for

255

00:09:32,660 --> 00:09:30,990

a normal walk one was down the park as a

256

00:09:33,980 --> 00:09:32,670

big open grassy area incidentally the

257

00:09:37,009 --> 00:09:33,990

value of those sightings down there

258

00:09:39,590 --> 00:09:37,019

which I have time to cover but he spots

259

00:09:42,620 --> 00:09:39,600

this woman so shortish looking lady and

260

00:09:45,769 --> 00:09:42,630

wearing a kind of them some soap bat

261

00:09:48,019 --> 00:09:45,779

suit and she's standing facing the fence

262

00:09:49,220 --> 00:09:48,029

she's like facing away from does like

263

00:09:53,420 --> 00:09:49,230

the standing there staring at the

264

00:09:55,069 --> 00:09:53,430

fencing and okay it carries I'm walking

265

00:09:57,199 --> 00:09:55,079

and he's taking a look at her and a

266

00:09:59,629 --> 00:09:57,209

thing and he starts to get it paranoia

267

00:10:02,150 --> 00:09:59,639

there's quite a ballsy guy a when but

268

00:10:04,639 --> 00:10:02,160

you know he doesn't say no nonsense and

269

00:10:06,710 --> 00:10:04,649

he started any any thought this woman's

270

00:10:08,000 --> 00:10:06,720

up to see how they like this so he

271

00:10:10,460 --> 00:10:08,010

decides it's going to go confront sir

272

00:10:12,949 --> 00:10:10,470

doesn't he so he starts walking across

273

00:10:14,569 --> 00:10:12,959

the part towards this lady yeah gets to

274

00:10:16,939 --> 00:10:14,579

about 10 meters away from her and all of

275

00:10:18,319 --> 00:10:16,949

a sudden she just turned she takes off

276

00:10:20,210 --> 00:10:18,329

the glasses and puts him in her pocket

277

00:10:23,240 --> 00:10:20,220

turns and starts walking fast at the

278

00:10:25,189 --> 00:10:23,250

park again and this point up until that

279

00:10:27,590 --> 00:10:25,199

point rusted away from him yeah as she

280

00:10:29,030 --> 00:10:27,600

goes she drops the glasses fall out of

281

00:10:30,829 --> 00:10:29,040

her pocket and she doesn't realize and

282

00:10:32,870 --> 00:10:30,839

they land on the ground yeah the woman's

283

00:10:34,370 --> 00:10:32,880

gone isn't chase after up the road or

284

00:10:36,620 --> 00:10:34,380

anything she decides of the part of way

285

00:10:40,309 --> 00:10:36,630

he goes over and picks the glasses up

286

00:10:44,360 --> 00:10:40,319

here that is low flat black sunglasses

287

00:10:49,129 --> 00:10:44,370

and sort quite wide and on the inside of

288

00:10:51,290 --> 00:10:49,139

the lenses is mirrors on the outside

289

00:10:52,490 --> 00:10:51,300

edges and when you put them on you can

290

00:10:56,780 --> 00:10:52,500

see over your shoulders and see exactly

291

00:11:00,530 --> 00:10:56,790

what's behind you they are affection for

292

00:11:02,600 --> 00:11:00,540

glasses so see the lenses here these

293

00:11:03,620 --> 00:11:02,610

bits on the out on the inside when you

294

00:11:05,720 --> 00:11:03,630

wear them you can see over your

295

00:11:08,640 --> 00:11:05,730

shoulders um

296

00:11:10,800 --> 00:11:08,650

so basically by facing away from him

297

00:11:13,020 --> 00:11:10,810

she'd been observing him now why she was

298

00:11:15,660 --> 00:11:13,030

doing that who knows maybe she had a

299

00:11:17,460 --> 00:11:15,670

piece of me and she could listen in to

300

00:11:18,780 --> 00:11:17,470

his calls we don't know this all we know

301  
00:11:21,000 --> 00:11:18,790  
is that this is real there's a solid

302  
00:11:22,500 --> 00:11:21,010  
things that he got any bought the back

303  
00:11:25,380 --> 00:11:22,510  
to his house and which doesn't

304  
00:11:26,640 --> 00:11:25,390  
photographs on them first year and the

305  
00:11:28,620 --> 00:11:26,650  
up he said I've got his glasses this

306  
00:11:30,270 --> 00:11:28,630  
woman dropped in the pot I was like just

307  
00:11:32,190 --> 00:11:30,280  
photograph from now coming get some

308  
00:11:33,300 --> 00:11:32,200  
photos sent Oh within a minute incentive

309  
00:11:35,460 --> 00:11:33,310  
on the mobile phone that's what are you

310  
00:11:36,690 --> 00:11:35,470  
looking at here it's a good thing you

311  
00:11:38,400 --> 00:11:36,700  
took those photographs because within

312  
00:11:40,700 --> 00:11:38,410  
three days they'd vanished from his

313  
00:11:43,470 --> 00:11:40,710

house mysteriously he left them on the

314

00:11:45,360 --> 00:11:43,480

left him on the mantelpiece and three

315

00:11:47,580 --> 00:11:45,370

days later the one there when asked his

316

00:11:50,430 --> 00:11:47,590

wife when dust his kids did you move

317

00:11:52,680 --> 00:11:50,440

those glasses up and never to be seen

318

00:11:56,340 --> 00:11:52,690

again stays believe that they came back

319

00:11:58,380 --> 00:11:56,350

in and took back yeah that's pretty wild

320

00:12:01,260 --> 00:11:58,390

stuff really it's free bread you kind of

321

00:12:02,850 --> 00:12:01,270

get a kind of artifact from these people

322

00:12:05,220 --> 00:12:02,860

doing observing but certainly that's

323

00:12:07,170 --> 00:12:05,230

what this is their story doesn't end

324

00:12:11,700 --> 00:12:07,180

there could have ended there but it

325

00:12:13,470 --> 00:12:11,710

didn't last weekend i gave a talk at the

326

00:12:16,290 --> 00:12:13,480

multidimensional show in birmingham

327

00:12:18,450 --> 00:12:16,300

isaiah it was a day-long conference on

328

00:12:20,400 --> 00:12:18,460

various subjects and i was invited to

329

00:12:23,790 --> 00:12:20,410

talk and dave was there with cosmesis

330

00:12:26,130 --> 00:12:23,800

and we we did a kind of group talk now

331

00:12:28,020 --> 00:12:26,140

after the after the day it ended we're

332

00:12:30,210 --> 00:12:28,030

kind of sitting outside after i talk i

333

00:12:33,570 --> 00:12:30,220

was chatting somebody and david's around

334

00:12:35,490 --> 00:12:33,580

sitting on the picnic table and a lady

335

00:12:39,300 --> 00:12:35,500

approaches him a blonde lady approaches

336

00:12:41,220 --> 00:12:39,310

him and says tim just means any when she

337

00:12:43,470 --> 00:12:41,230

says you're not going to get away with

338

00:12:45,930 --> 00:12:43,480

continuing to show those photographs in

339

00:12:47,460 --> 00:12:45,940

your talk because that's what we wear

340

00:12:49,140 --> 00:12:47,470

that's what she says to him and she

341

00:12:53,340 --> 00:12:49,150

turns around and she won she walked up

342

00:12:54,870 --> 00:12:53,350

and deb made straight over you know

343

00:12:56,100 --> 00:12:54,880

so and i saw the woman at a distance

344

00:12:57,390 --> 00:12:56,110

want wandering off and everything he

345

00:13:00,900 --> 00:12:57,400

told me what you need have been said

346

00:13:02,280 --> 00:13:00,910

which adamant heard as well numb yeah

347

00:13:03,810 --> 00:13:02,290

and he said the way that she said it

348

00:13:05,340 --> 00:13:03,820

didn't come across as kind of like a

349

00:13:07,170 --> 00:13:05,350

friendly warning it came across as a

350

00:13:10,770 --> 00:13:07,180

sort of like you're not to show those

351

00:13:13,170 --> 00:13:10,780

photos yeah interesting yeah kind of

352

00:13:14,670 --> 00:13:13,180

creepy look um but I'll show them here

353

00:13:18,120 --> 00:13:14,680

today I don't care

354

00:13:20,960 --> 00:13:18,130

I'll say bring it on bring it on where

355

00:13:22,620 --> 00:13:20,970

there have been occasions where we I

356

00:13:24,240 --> 00:13:22,630

believe that our group has been

357

00:13:26,220 --> 00:13:24,250

monitored which I'm not going to go into

358

00:13:29,070 --> 00:13:26,230

nabbit if you ask me about bad I'll tell

359

00:13:30,510 --> 00:13:29,080

you anyway yes oh yeah the possible

360

00:13:32,100 --> 00:13:30,520

reasons for surveillance we kind of

361

00:13:33,900 --> 00:13:32,110

already covered this ready I think the I

362

00:13:36,150 --> 00:13:33,910

think the main reason is properly to

363

00:13:39,540 --> 00:13:36,160

find out more information about what's

364

00:13:40,920 --> 00:13:39,550

happening with these experiences by

365

00:13:43,139 --> 00:13:40,930

talking to the condos they very rarely

366

00:13:44,639 --> 00:13:43,149

kind of say to them oh you you're not

367

00:13:47,010 --> 00:13:44,649

allowed to talk about this stuff don't

368

00:13:49,019 --> 00:13:47,020

you tell anybody it's usually more like

369

00:13:50,340 --> 00:13:49,029

them trying to gain information and

370

00:13:51,780 --> 00:13:50,350

sometimes they'll return them a

371

00:13:53,519 --> 00:13:51,790

door-to-door salesman and they're coming

372

00:13:55,320 --> 00:13:53,529

up and they'll start asking normal

373

00:13:57,150 --> 00:13:55,330

questions and then all of a sudden the

374

00:13:58,920 --> 00:13:57,160

the subject or change on to it on to

375

00:14:00,840 --> 00:13:58,930

UFOs and they'll start quizzing him

376

00:14:02,160 --> 00:14:00,850

about anything strange has happened in

377

00:14:04,440 --> 00:14:02,170

their life for this something it's

378

00:14:07,610 --> 00:14:04,450

fascinating and certainly a real real

379

00:14:11,130 --> 00:14:07,620

aspect of the subject that's going on it

380

00:14:13,740 --> 00:14:11,140

right so yeah I don't have Dave Hunt

381

00:14:16,949 --> 00:14:13,750

from here today but I do have him on

382

00:14:19,980 --> 00:14:16,959

video and I've got a video to show now

383

00:14:22,380 --> 00:14:19,990

so to kind of wrap things up it's about

384

00:14:25,050 --> 00:14:22,390

eight minutes long now they've recorded

385

00:14:26,940 --> 00:14:25,060

this video for a UFO truth conference

386

00:14:29,690 --> 00:14:26,950

and it was even set to talk alongside me

387

00:14:32,640 --> 00:14:29,700

and he couldn't make it unfortunately

388

00:14:34,230 --> 00:14:32,650

due to i think was lack of money or

389

00:14:36,030 --> 00:14:34,240

whatever but it essentially could make

390

00:14:38,040 --> 00:14:36,040

it on the day so i just got in to do

391

00:14:39,720 --> 00:14:38,050

this recording to show at the end so if

392

00:14:41,579 --> 00:14:39,730

you've mentioned scary hair satire UFO

393

00:14:44,100 --> 00:14:41,589

truth magazine in this video you'll know

394

00:14:58,569 --> 00:14:44,110

why okay but but it's a very fascinating

395

00:15:05,559 --> 00:15:03,519

hi everybody my name is Nathan and guy

396

00:15:07,979 --> 00:15:05,569

that you've just been hearing about from

397

00:15:11,289 --> 00:15:07,989

last hour so free one day paid room and

398

00:15:14,079 --> 00:15:11,299

I'd like to apologize flat be known i'm

399

00:15:16,660 --> 00:15:14,089

afraid of commitments without Cosmo she

400

00:15:18,429 --> 00:15:16,670

says putting me all around the country

401  
00:15:20,739 --> 00:15:18,439  
at the moment and I'm just too far away

402  
00:15:24,910 --> 00:15:20,749  
being it so sorry about like someone

403  
00:15:28,090 --> 00:15:24,920  
left have been there I'd like to start

404  
00:15:30,069 --> 00:15:28,100  
off by saying that the reason why the

405  
00:15:32,199 --> 00:15:30,079  
stories come to you at all in the first

406  
00:15:35,679 --> 00:15:32,209  
place for amazing but no small part to

407  
00:15:39,069 --> 00:15:35,689  
Dave bodrum his integrity and honesty

408  
00:15:41,919 --> 00:15:39,079  
and the friendship he showed me and men

409  
00:15:45,910 --> 00:15:41,929  
are trusted him to bring the story

410  
00:15:47,829 --> 00:15:45,920  
forward to the public as such and you

411  
00:15:48,910 --> 00:15:47,839  
know if it wasn't for him my EP just

412  
00:15:50,910 --> 00:15:48,920  
wouldn't have happened and I would

413  
00:15:52,629 --> 00:15:50,920

suggest to anyone else out there who's a

414

00:15:53,769 --> 00:15:52,639

looking for some of the year they can

415

00:15:55,210 --> 00:15:53,779

trust his speed to about their

416

00:15:58,210 --> 00:15:55,220

experiences because that's what big

417

00:16:01,919 --> 00:15:58,220

policies about and as I kiddin

418

00:16:05,439 --> 00:16:01,929

recommending any haider and I suppose

419

00:16:07,509 --> 00:16:05,449

now you've heard the story and if you

420

00:16:09,699 --> 00:16:07,519

want to look in depth i note sir online

421

00:16:13,419 --> 00:16:09,709

as i reported a growth on the beautiful

422

00:16:16,419 --> 00:16:13,429

website and I suppose really what you

423

00:16:21,639 --> 00:16:16,429

probably interest you know now is is how

424

00:16:23,619 --> 00:16:21,649

as well I live with it and that's a it's

425

00:16:28,329 --> 00:16:23,629

an interesting question i'll just ask

426

00:16:31,780 --> 00:16:28,339

myself misstep it's truly affected by

427

00:16:33,729 --> 00:16:31,790

every area of my life and it really is

428

00:16:37,299 --> 00:16:33,739

quite hard in a very short video like to

429

00:16:40,960 --> 00:16:37,309

explain them like the fact the other has

430

00:16:42,519 --> 00:16:40,970

led me to where I am today and he's got

431

00:16:44,169 --> 00:16:42,529

a lot of ups and downs and I've been

432

00:16:46,040 --> 00:16:44,179

over the years I've felt very isolated

433

00:16:47,780 --> 00:16:46,050

from

434

00:16:49,820 --> 00:16:47,790

I need people around me as well yeah

435

00:16:52,370 --> 00:16:49,830

yeah that's weak said we're going to be

436

00:16:57,170 --> 00:16:52,380

the same thing that I was and went

437

00:16:59,900 --> 00:16:57,180

driven the same way I was to like to

438

00:17:04,309 --> 00:16:59,910

learn more about myself and who I am in

439

00:17:06,470 --> 00:17:04,319

my place in the universe and but one

440

00:17:10,010 --> 00:17:06,480

would say is ultimately as far as my own

441

00:17:14,169 --> 00:17:10,020

person perspective is his come with the

442

00:17:16,429 --> 00:17:14,179

many benefits a knife grown as a person

443

00:17:19,490 --> 00:17:16,439

more than I ever thought I would have

444

00:17:21,140 --> 00:17:19,500

done when I was a 21 year old man and I

445

00:17:24,460 --> 00:17:21,150

didn't realize the depths to understand

446

00:17:26,720 --> 00:17:24,470

and there was to being human being and

447

00:17:29,590 --> 00:17:26,730

the depth of the love that basically as

448

00:17:32,780 --> 00:17:29,600

well that surrounds life itself and

449

00:17:34,730 --> 00:17:32,790

that's been a profound journey for me

450

00:17:36,620 --> 00:17:34,740

that's all I come to terms with and had

451  
00:17:38,690 --> 00:17:36,630  
to have to change the person and start

452  
00:17:42,590 --> 00:17:38,700  
treating people around as if they are me

453  
00:17:44,120 --> 00:17:42,600  
and to know nice all I intellectually

454  
00:17:49,400 --> 00:17:44,130  
understand i were to actually feel it

455  
00:17:52,940 --> 00:17:49,410  
into effect upon those feelings and it's

456  
00:17:55,100 --> 00:17:52,950  
led to me being famous a number of times

457  
00:17:58,630 --> 00:17:55,110  
and has led to me being for most of my

458  
00:18:03,610 --> 00:17:58,640  
life being quite poor financially and

459  
00:18:07,700 --> 00:18:03,620  
because i was just completely driven to

460  
00:18:10,730 --> 00:18:07,710  
build my relationship with these guys

461  
00:18:12,640 --> 00:18:10,740  
and to fill other sense to me off nozzle

462  
00:18:15,659 --> 00:18:12,650  
things you'd feel watching worthy of

463  
00:18:19,810 --> 00:18:17,740

basically the whole better than we do

464

00:18:22,330 --> 00:18:19,820

but don't really know how deep it to say

465

00:18:24,250 --> 00:18:22,340

it but they just do behave better me and

466

00:18:26,830 --> 00:18:24,260

but they have their surely we have

467

00:18:28,930 --> 00:18:26,840

actually known as something we have all

468

00:18:32,320 --> 00:18:28,940

the potential world to go above and

469

00:18:35,680 --> 00:18:32,330

beyond even the way the lady a and i

470

00:18:41,880 --> 00:18:35,690

believe that i truly do believe that

471

00:18:44,860 --> 00:18:41,890

humanity has unlimited potential it's

472

00:18:46,870 --> 00:18:44,870

ultimately i suppose it needs to come

473

00:18:50,169 --> 00:18:46,880

round to the fact that like the way I

474

00:18:52,180 --> 00:18:50,179

express myself now and become as a

475

00:18:57,149 --> 00:18:52,190

healthy outlet for the wife in three

476

00:19:06,610 --> 00:19:03,430

lights I feel like it's mine and like

477

00:19:09,549 --> 00:19:06,620

it's my thing that I can do you know

478

00:19:12,010 --> 00:19:09,559

that I can give and I can spread the

479

00:19:13,750 --> 00:19:12,020

message that I've been put up you know

480

00:19:17,620 --> 00:19:13,760

I've been told and learn himself as well

481

00:19:19,690 --> 00:19:17,630

and just spread lit with high vibrations

482

00:19:23,919 --> 00:19:19,700

and spread a conscious awareness every

483

00:19:25,750 --> 00:19:23,929

point but to to not do it like really

484

00:19:29,890 --> 00:19:25,760

deeply seriously because it's not feel

485

00:19:32,320 --> 00:19:29,900

any of these people like the feeling is

486

00:19:36,580 --> 00:19:32,330

one of lightheartedness and of shedding

487

00:19:38,909 --> 00:19:36,590

light weight and you know an acting in

488

00:19:41,980 --> 00:19:38,919

away and that's always been my primary

489

00:19:45,549 --> 00:19:41,990

idea of the bands that were like with

490

00:19:49,539 --> 00:19:45,559

lightweight but we do it in very good

491

00:19:53,529 --> 00:19:49,549

money I'll see the band is has been made

492

00:19:55,960 --> 00:19:53,539

up of experiences mostly and that's has

493

00:19:58,899 --> 00:19:55,970

an amazing and profound effect on by the

494

00:20:00,340 --> 00:19:58,909

music and what we do and I know you may

495

00:20:03,610 --> 00:20:00,350

have heard of his stories about having

496

00:20:07,630 --> 00:20:03,620

japanic an EP is here I'm going got it

497

00:20:11,880 --> 00:20:07,640

may just like okay logo just come in say

498

00:20:15,909 --> 00:20:11,890

hi to ruin so they recognize her hello

499

00:20:17,529 --> 00:20:15,919

yes my main man Adam and we like you

500

00:20:20,019 --> 00:20:17,539

basically two experiences that came

501  
00:20:22,930 --> 00:20:20,029  
together and I want a bit it does happen

502  
00:20:25,060 --> 00:20:22,940  
and you know like there are a lot of

503  
00:20:27,010 --> 00:20:25,070  
people though you can be and remain

504  
00:20:29,830 --> 00:20:27,020  
adamant now making music together and

505  
00:20:32,380 --> 00:20:29,840  
with both my power button what's going

506  
00:20:40,139 --> 00:20:32,390  
on in the best way if you know how most

507  
00:20:45,600 --> 00:20:40,149  
healthiest way to my I've got no sorry I

508  
00:20:48,549 --> 00:20:45,610  
can't say that I know where it's going

509  
00:20:50,110 --> 00:20:48,559  
not with Pacific details I'm not one of

510  
00:20:52,990 --> 00:20:50,120  
these people that I tell you the world's

511  
00:20:58,000 --> 00:20:53,000  
going to end in three weeks and I don't

512  
00:21:00,120 --> 00:20:58,010  
believe that and I am very optimistic

513  
00:21:02,670 --> 00:21:00,130

about the future

514

00:21:04,970 --> 00:21:02,680

I genuinely am and I haven't got

515

00:21:07,500 --> 00:21:04,980

particularly smiley face bar Amelia and

516

00:21:10,020 --> 00:21:07,510

I do think things are just going to get

517

00:21:12,890 --> 00:21:10,030

better and like I think with the amount

518

00:21:17,370 --> 00:21:12,900

of people now that are like you know

519

00:21:21,630 --> 00:21:17,380

experiencing contact with like beings

520

00:21:22,830 --> 00:21:21,640

from elsewhere and seeing the UFOs and

521

00:21:25,020 --> 00:21:22,840

are being touched even if they're not

522

00:21:26,340 --> 00:21:25,030

sending your toes and having a conscious

523

00:21:28,250 --> 00:21:26,350

contact you know there's a lot of people

524

00:21:30,450 --> 00:21:28,260

walking around now we'll be in touch and

525

00:21:33,210 --> 00:21:30,460

like being touched spiritually

526

00:21:36,000 --> 00:21:33,220

emotionally and I think they can only go

527

00:21:38,160 --> 00:21:36,010

one way that kind of conscious of a pins

528

00:21:40,800 --> 00:21:38,170

not going to diminish your sony dingus

529

00:21:42,330 --> 00:21:40,810

rumble rumble and for me personally I

530

00:21:45,900 --> 00:21:42,340

think it's the best thing that happens

531

00:21:49,500 --> 00:21:45,910

in the world and I want to be at Harbor

532

00:21:52,770 --> 00:21:49,510

and that's like saying no snow reason

533

00:21:54,630 --> 00:21:52,780

why we've done burned through this was

534

00:21:58,500 --> 00:21:54,640

able to put things well the whole point

535

00:22:00,330 --> 00:21:58,510

of contact as them teaching us again we

536

00:22:02,730 --> 00:22:00,340

will come together and share our

537

00:22:06,000 --> 00:22:02,740

experiences that's the point if we had

538

00:22:08,130 --> 00:22:06,010

to bridge reality live outside we have

539

00:22:11,100 --> 00:22:08,140

to first written from ourselves and

540

00:22:13,950 --> 00:22:11,110

versus one another and it's great today

541

00:22:17,310 --> 00:22:13,960

as duas community because we need to

542

00:22:19,350 --> 00:22:17,320

build immunity again content is true

543

00:22:21,300 --> 00:22:19,360

distributes gonna scale in fact we found

544

00:22:23,820 --> 00:22:21,310

out after you name the band with cosmo

545

00:22:27,230 --> 00:22:23,830

sees means to experience a sense of

546

00:22:31,560 --> 00:22:27,240

oneness with the universe simply buggy

547

00:22:34,260 --> 00:22:31,570

that's it so I'd like to spend really on

548

00:22:37,530 --> 00:22:34,270

a thinking Dave for being such a great

549

00:22:39,420 --> 00:22:37,540

guy and helping us get the story are

550

00:22:42,360 --> 00:22:39,430

those people and in a way that we felt

551

00:22:44,430 --> 00:22:42,370

secure and trusted I'd like to thank

552

00:22:46,350 --> 00:22:44,440

Gary's for putting on the day as well

553

00:22:50,010 --> 00:22:46,360

I'm really sorry I can't be there and I

554

00:22:52,490 --> 00:22:50,020

hope that next year when we do talk in

555

00:22:55,050 --> 00:22:52,500

Birmingham that we get to meet you and

556

00:22:56,610 --> 00:22:55,060

that a very last thing up let's say

557

00:23:01,370 --> 00:22:56,620

really is if you wanted to contact us

558

00:23:04,340 --> 00:23:01,380

and we're on facebook as cosmesis

559

00:23:06,810 --> 00:23:04,350

vangent k that's the aggressiveness of

560

00:23:08,340 --> 00:23:06,820

education and you can see where we're

561

00:23:10,620 --> 00:23:08,350

playing live and please if you want to

562

00:23:12,570 --> 00:23:10,630

come down and see us you know feel free

563

00:23:15,420 --> 00:23:12,580

to come up to me and talk to me after

564

00:23:18,210 --> 00:23:15,430

shows and stuff on one wins to talk to

565

00:23:19,740 --> 00:23:18,220

anybody over so a big love everybody

566

00:23:31,250 --> 00:23:19,750

okay and I hope you enjoy yesterday

567

00:23:37,670 --> 00:23:35,870

let's have the guys themselves let's

568

00:23:40,910 --> 00:23:37,680

wrap up with a few conclusions on where

569

00:23:42,140 --> 00:23:40,920

this case has come through this time so

570

00:23:44,270 --> 00:23:42,150

yeah as I said it's one of the most

571

00:23:46,190 --> 00:23:44,280

impressive cases I've yet investigated

572

00:23:48,950 --> 00:23:46,200

and I've looked into a lot but they

573

00:23:50,240 --> 00:23:48,960

they're not often this far-reaching but

574

00:23:54,200 --> 00:23:50,250

there's many different types of

575

00:23:56,270 --> 00:23:54,210

experiences and now the bigger a case

576

00:23:58,790 --> 00:23:56,280

gets and the more varied aspects that it

577

00:24:00,380 --> 00:23:58,800

contains the more people tend to kind of

578

00:24:02,270 --> 00:24:00,390

take a kind of negative slant and

579

00:24:04,340 --> 00:24:02,280

skeptical view towards it but I can

580

00:24:05,630 --> 00:24:04,350

assure you from the heart these

581

00:24:07,700 --> 00:24:05,640

experiences have happened to these

582

00:24:09,860 --> 00:24:07,710

people absolutely and everything

583

00:24:11,990 --> 00:24:09,870

everything I've never once had any

584

00:24:13,520 --> 00:24:12,000

doubts that the stuff that the sharing

585

00:24:15,770 --> 00:24:13,530

with me isn't real things that have

586

00:24:17,870 --> 00:24:15,780

happened to them I wasn't there but you

587

00:24:19,100 --> 00:24:17,880

know dave says if I if I keep talking

588

00:24:20,930 --> 00:24:19,110

meeting the band and everything he'd go

589

00:24:22,610 --> 00:24:20,940

down and so seeing him in Oxford year he

590

00:24:24,470 --> 00:24:22,620

thinks that at some point I'll probably

591

00:24:25,850 --> 00:24:24,480

have an experience you know because from

592

00:24:28,670 --> 00:24:25,860

what he's seen is that lots of people

593

00:24:31,640 --> 00:24:28,680

around him I've had stuff happen to them

594

00:24:33,680 --> 00:24:31,650

you know and it has forced me to

595

00:24:36,740 --> 00:24:33,690

reevaluate my thoughts on the contact

596

00:24:38,600 --> 00:24:36,750

subject specific aspects of it some of

597

00:24:41,030 --> 00:24:38,610

the agendas that these beings appear to

598

00:24:43,670 --> 00:24:41,040

have this whole kind of connection with

599

00:24:45,680 --> 00:24:43,680

an individual being and looking at

600

00:24:46,880 --> 00:24:45,690

through their eyes it's an it's an angle

601  
00:24:48,710 --> 00:24:46,890  
of the subject and it's one of the

602  
00:24:50,510 --> 00:24:48,720  
agendas is not very often covered or

603  
00:24:52,600 --> 00:24:50,520  
talked about by your follow this but I

604  
00:24:55,490 --> 00:24:52,610  
think it's a very very important one

605  
00:24:56,840 --> 00:24:55,500  
it's absolutely clear that David sincere

606  
00:24:58,250 --> 00:24:56,850  
about what is experienced something you

607  
00:25:00,860 --> 00:24:58,260  
can see there from the video however

608  
00:25:02,660 --> 00:25:00,870  
sincere guy is and if you met in real

609  
00:25:03,980 --> 00:25:02,670  
life it's just like that you know is

610  
00:25:05,330 --> 00:25:03,990  
totally straight up totally

611  
00:25:07,520 --> 00:25:05,340  
down-to-earth about what's happened to

612  
00:25:09,410 --> 00:25:07,530  
him you know and these are incredible

613  
00:25:12,380 --> 00:25:09,420

things being experienced by a totally

614

00:25:13,910 --> 00:25:12,390

normal individual it's affected him his

615

00:25:15,230 --> 00:25:13,920

family and friends in many ways as

616

00:25:16,910 --> 00:25:15,240

you've seen through tonight we've gone

617

00:25:20,660 --> 00:25:16,920

over some of those ways as effective

618

00:25:23,870 --> 00:25:20,670

it's it's caused a lot of them and a lot

619

00:25:26,000 --> 00:25:23,880

of good cosmos has come about as a

620

00:25:27,620 --> 00:25:26,010

result of this contact and some of the

621

00:25:32,120 --> 00:25:27,630

music may have come directly from the

622

00:25:34,760 --> 00:25:32,130

beings themselves this story is I far

623

00:25:36,770 --> 00:25:34,770

from over there's some new experiences

624

00:25:39,529 --> 00:25:36,780

that haven't covered here that were

625

00:25:41,810 --> 00:25:39,539

reported to me about two months ago and

626

00:25:43,460 --> 00:25:41,820

that we we've added to the report the

627

00:25:45,019 --> 00:25:43,470

report continues to grow all the time

628

00:25:47,060 --> 00:25:45,029

when the girls get in touch with me if

629

00:25:48,349 --> 00:25:47,070

they've had any experience of the other

630

00:25:50,810 --> 00:25:48,359

thing we're interesting enough to go in

631

00:25:52,820 --> 00:25:50,820

there and then then they get added by

632

00:25:53,960 --> 00:25:52,830

myself to that report so if you're

633

00:25:55,999 --> 00:25:53,970

interested in what you've heard tonight

634

00:25:57,590 --> 00:25:56,009

and you want to hear more about this you

635

00:26:00,169 --> 00:25:57,600

know do go ahead and do go and check it

636

00:26:01,999 --> 00:26:00,179

all that they'll take your wall though

637

00:26:03,739 --> 00:26:02,009

have a few drinks yeah a few cups of

638

00:26:06,320 --> 00:26:03,749

coffees lined up there here's our

639

00:26:10,129 --> 00:26:06,330

details of bone of UFO group we're at

640

00:26:12,440 --> 00:26:10,139

www boom fog calm all the case reports

641

00:26:14,659 --> 00:26:12,450

at least the ones I I'm allowed to write

642

00:26:16,669 --> 00:26:14,669

on I'm not a journalist or just go and

643

00:26:18,499 --> 00:26:16,679

grab information and put it out to the

644

00:26:20,359 --> 00:26:18,509

public that's not what we're about at

645

00:26:21,799 --> 00:26:20,369

all you know I doubled a lot of cases

646

00:26:23,509 --> 00:26:21,809

and a lot of people just want to chat

647

00:26:25,219 --> 00:26:23,519

and they're too scared of the medical or

648

00:26:27,019 --> 00:26:25,229

whatever but if they are willing to

649

00:26:29,779 --> 00:26:27,029

share their details and them to go in a

650

00:26:31,339 --> 00:26:29,789

report very confidential of course then

651  
00:26:34,399 --> 00:26:31,349  
it goes on there and you can go and I'm

652  
00:26:36,229 --> 00:26:34,409  
a reed folk hours now as nouns spend

653  
00:26:39,019 --> 00:26:36,239  
quite a bit right at the reports we've

654  
00:26:42,529 --> 00:26:39,029  
got a facebook page or organization page

655  
00:26:44,419 --> 00:26:42,539

to travel on up to birmingham anytime

659  
00:26:51,589 --> 00:26:50,190  
you like and and come along to those

660  
00:26:53,299 --> 00:26:51,599  
meetings you don't have to be an

661  
00:26:55,430 --> 00:26:53,309  
official member of boom pop to attend

662  
00:26:58,460 --> 00:26:55,440  
and we get lots of speakers world-class

663  
00:27:00,859 --> 00:26:58,470

speakers speaking at our group and also

664

00:27:04,609 --> 00:27:00,869

i recently released boo pod true seekers

665

00:27:07,310 --> 00:27:04,619

which is a facebook community page we've

666

00:27:09,859 --> 00:27:07,320

just hit 500 members last night so it's

667

00:27:11,899 --> 00:27:09,869

grown strong and steadily do get

668

00:27:14,389 --> 00:27:11,909

involved and add yourself to that and

669

00:27:16,249 --> 00:27:14,399

yeah and that's what we use when we not

670

00:27:18,379 --> 00:27:16,259

the meetings will be chatting on their

671

00:27:20,659 --> 00:27:18,389

posting interesting links and videos and

672

00:27:22,339 --> 00:27:20,669

stuff so yeah and Dave's also part of

673

00:27:24,440 --> 00:27:22,349

that and Adam and that's you can talk to

674

00:27:26,869 --> 00:27:24,450

them through that and there's a the

675

00:27:29,599 --> 00:27:26,879

cosmos ESO page there facebook com

676

00:27:30,889 --> 00:27:29,609

cosmos is span the UK then got official

677

00:27:32,239 --> 00:27:30,899

website yet they're just doing

678

00:27:33,799 --> 00:27:32,249

everything to the facebook page at the

679

00:27:35,419 --> 00:27:33,809

moment I believe that might be on

680

00:27:37,999 --> 00:27:35,429

soundcloud and it's probably a link to

681

00:27:40,940 --> 00:27:38,009

it off that so yeah do check out the

682

00:27:43,039 --> 00:27:40,950
