Birmingham UFO group he's been

5  
00:00:57,880 --> 00:00:53,359

6  
00:01:00,160 --> 00:00:57,890

things since 2009 we said I 2007 2007

7  
00:01:03,069 --> 00:01:00,170

00:01:06,389 --> 00:01:03,079

fermium UFO group was started in 2007

9  
00:01:08,170 --> 00:01:06,399

and he's been involved since 2009 so on

10  
00:01:10,560 --> 00:01:08,180

tonight is going to give us a talk on

11  
00:01:13,270 --> 00:01:10,570

the case that you investigated in vista

12  
00:01:15,460 --> 00:01:13,280

which is entitled the bicester abduction

13  
00:01:23,020 --> 00:01:15,470

case okay so you put your hands together

14

00:01:54,910 --> 00:01:23,030

peaceful David this ain't got a little

15

00:01:54,920 --> 00:02:22,930

and

16

00:02:22,940 --> 00:03:05,610

Oh

17

00:03:12,910 --> 00:03:10,990

alright let's get this underway my

18

00:03:15,730 --> 00:03:12,920

fingers cross that's going to work ok

19

00:03:19,600 --> 00:03:15,740

button good evening old good evening

20

00:03:21,190 --> 00:03:19,610

Swansea so lovely to me down here drop

21

00:03:23,290 --> 00:03:21,200

it on down to a lovely wash weather

22

00:03:25,090 --> 00:03:23,300

actually early in the day was nice and

23

00:03:27,280 --> 00:03:25,100

bright wasn't it but it's slowly turn

24

00:03:28,480 --> 00:03:27,290

back to normal down here but my my

25

00:03:31,690 --> 00:03:28,490

wife's family from here they here

26

00:03:34,090 --> 00:03:31,700

tonight to her to see my talk and it's

27

00:03:38,100 --> 00:03:34,100

really great to be down here to talk you

28

00:03:42,370 --> 00:03:38,110

tonight about this case of investigated

29

00:03:44,380 --> 00:03:42,380

so yes my name is Don Hogan and I'm the

30

00:03:47,440 --> 00:03:44,390

chairman and lead investigator for

31

00:03:49,390 --> 00:03:47,450

Birmingham UFO group and as eminent said

32

00:03:51,850 --> 00:03:49,400

the group's been running since late two

33

00:03:53,230 --> 00:03:51,860

thousand seven started by a couple of

34

00:03:55,390 --> 00:03:53,240

guys in Birmingham there Craig and Marc

35

00:03:57,370 --> 00:03:55,400

and I was one of the first members to

36

00:03:59,590 --> 00:03:57,380

sign up because I are brilliant as I as

37

00:04:00,520 --> 00:03:59,600

a UFO broke within reach of my house and

38

00:04:02,650 --> 00:04:00,530

I can go along and meet like-minded

39

00:04:05,080 --> 00:04:02,660

people have a bit of a chat and

40

00:04:06,400 --> 00:04:05,090

everything and it wasn't long before

41

00:04:08,770 --> 00:04:06,410

they took me on as the official

42

00:04:11,950 --> 00:04:08,780

investigator for the group due to my

43

00:04:13,150 --> 00:04:11,960

passion and interest in the subject it's

44

00:04:15,220 --> 00:04:13,160

something I'd always thought about doing

45

00:04:17,080 --> 00:04:15,230

for many years just being directly

46

00:04:18,880 --> 00:04:17,090

involved and going speaking with people

47

00:04:20,620 --> 00:04:18,890

on the front lines with this and hearing

48

00:04:22,810 --> 00:04:20,630

about real experiences from people and

49

00:04:24,850 --> 00:04:22,820

it's something I just jumped on with the

50

00:04:26,770 --> 00:04:24,860

groats rally so I started writing

51  
00:04:29,020 --> 00:04:26,780  
reports to the group and then in the

52  
00:04:31,120 --> 00:04:29,030  
summer 2009 they handed over the running

53  
00:04:33,790 --> 00:04:31,130  
of blue fog to me as well and have been

54  
00:04:35,590 --> 00:04:33,800  
the chairman of that ever since where we

55  
00:04:39,040 --> 00:04:35,600  
hold monthly meetings in North

56  
00:04:41,770 --> 00:04:39,050  
Birmingham where we get various speakers

57  
00:04:43,690 --> 00:04:41,780  
to talk some which are here tonight so

58  
00:04:47,080 --> 00:04:43,700  
hi Alan everybody this island at the

59  
00:04:48,670 --> 00:04:47,090  
back super bear your follow just and we

60  
00:04:50,230 --> 00:04:48,680  
also showed documentaries and films of

61  
00:04:52,570 --> 00:04:50,240  
that sort of thing and I really like to

62  
00:04:54,310 --> 00:04:52,580  
promote the kind of an community spirit

63  
00:04:56,140 --> 00:04:54,320

of these things just like you guys

64

00:04:57,670 --> 00:04:56,150

coming down tonight because a lot of

65

00:04:59,500 --> 00:04:57,680

people these days are kind of stuck on

66

00:05:01,420 --> 00:04:59,510

their computers and just checking out

67

00:05:02,710 --> 00:05:01,430

the subject via the internet and it's

68

00:05:05,440 --> 00:05:02,720

really nice when people just come

69

00:05:08,969 --> 00:05:05,450

together to meet up properly and have a

70

00:05:11,409 --> 00:05:08,979

chat about this fascinating subject so

71

00:05:11,620 --> 00:05:11,419

yeah I mean I've investigated hundreds

72

00:05:13,480 --> 00:05:11,630

you

73

00:05:16,510 --> 00:05:13,490

of sightings over the years probably

74

00:05:18,220 --> 00:05:16,520

over a thousand now until and I'm

75

00:05:20,440 --> 00:05:18,230

getting more more known as being

76

00:05:22,800 --> 00:05:20,450

involved in the contact aspect of the

77

00:05:25,360 --> 00:05:22,810

subject and the so far investigate about

78

00:05:27,340 --> 00:05:25,370

250 or so contact cases from around the

79

00:05:30,100 --> 00:05:27,350

world over half of which have been a

80

00:05:33,220 --> 00:05:30,110

uk-based but have also covered cases as

81

00:05:34,600 --> 00:05:33,230

far as Australia and it's incredible

82

00:05:37,300 --> 00:05:34,610

there's the similarities that you get

83

00:05:38,500 --> 00:05:37,310

between those cases and a bit because of

84

00:05:41,080 --> 00:05:38,510

my interest in that particular aspect

85

00:05:42,850 --> 00:05:41,090

and content these are now coming to me

86

00:05:44,260 --> 00:05:42,860

so that have to go around searching for

87

00:05:45,580 --> 00:05:44,270

people and so have you had an adoption

88

00:05:48,190 --> 00:05:45,590

or anything they're coming to me

89

00:05:50,290 --> 00:05:48,200

directly off word of mouth and showing

90

00:05:51,880 --> 00:05:50,300

their experiences with me quite a lot of

91

00:05:54,460 --> 00:05:51,890

the time those experiences turn into a

92

00:05:56,260 --> 00:05:54,470

very detailed case reports they can all

93

00:05:59,530 --> 00:05:56,270

be found freely available on the blue

94

00:06:01,300 --> 00:05:59,540

fog website other times it's very very

95

00:06:03,610 --> 00:06:01,310

personal to the individual and they just

96

00:06:05,020 --> 00:06:03,620

want to keep it to themselves really so

97

00:06:07,360 --> 00:06:05,030

we just have it have a chat and help

98

00:06:09,760 --> 00:06:07,370

them out and come to terms with what

99

00:06:10,600 --> 00:06:09,770

with what's happening to them and I've

100

00:06:13,390 --> 00:06:10,610

also worked with the number of

101  
00:06:15,040 --> 00:06:13,400  
hypnotherapists over the years on

102  
00:06:18,880 --> 00:06:15,050  
hypnotic regressions of contour tease

103  
00:06:20,830 --> 00:06:18,890  
it's a very very controversial angle of

104  
00:06:23,110 --> 00:06:20,840  
the subject due to the introduction of

105  
00:06:25,510 --> 00:06:23,120  
false memories which can sometimes

106  
00:06:27,880 --> 00:06:25,520  
happen but it's still a way of exploring

107  
00:06:30,310 --> 00:06:27,890  
the cases further than what the

108  
00:06:32,290 --> 00:06:30,320  
individual consciously remembers so

109  
00:06:35,020 --> 00:06:32,300  
where the options open there you know

110  
00:06:36,040 --> 00:06:35,030  
more than welcome for them to do that so

111  
00:06:38,860 --> 00:06:36,050  
tonight I'm going to talk with you about

112  
00:06:41,230 --> 00:06:38,870  
this incredible case the abyss contact

113  
00:06:44,650 --> 00:06:41,240

case and the case they first came to me

114

00:06:46,300 --> 00:06:44,660

the summer of 2014 so yeah that's

115

00:06:48,880 --> 00:06:46,310

something a summer brief look at how the

116

00:06:51,880 --> 00:06:48,890

investigation went on this one so

117

00:06:53,740 --> 00:06:51,890

initial correspondence came from Dave

118

00:06:57,520 --> 00:06:53,750

contacted me via phone after checking

119

00:06:59,830 --> 00:06:57,530

out one of my other talks on on youtube

120

00:07:02,680 --> 00:06:59,840

I write regularly for UFO truth magazine

121

00:07:04,570 --> 00:07:02,690

and the yearly UFO truth magazine

122

00:07:07,900 --> 00:07:04,580

conference I was speaking at that

123

00:07:10,030 --> 00:07:07,910

several years ago and Dave saw that

124

00:07:11,740 --> 00:07:10,040

video and got in touch and said it you

125

00:07:13,510 --> 00:07:11,750

know I've had some interesting things

126  
00:07:16,000 --> 00:07:13,520  
that happens in my life and I'd like to

127  
00:07:17,440 --> 00:07:16,010  
go over over them with him so I headed

128  
00:07:19,300 --> 00:07:17,450  
down to business and I'll fight other

129  
00:07:21,790 --> 00:07:19,310  
place lovely place in the Oxfordshire

130  
00:07:23,350 --> 00:07:21,800  
headed down there for the day and we

131  
00:07:25,670 --> 00:07:23,360  
just basically just had a chat

132  
00:07:27,950 --> 00:07:25,680  
for many many hours about all sorts of

133  
00:07:29,390 --> 00:07:27,960  
experiences you had visited a number of

134  
00:07:32,570 --> 00:07:29,400  
different locations to take photographs

135  
00:07:34,280 --> 00:07:32,580  
and that sort of thing when I got back

136  
00:07:37,010 --> 00:07:34,290  
up Birmingham started rising the report

137  
00:07:39,400 --> 00:07:37,020  
it was extremely in depth is probably

138  
00:07:41,330 --> 00:07:39,410

over 200 pages long I think and

139

00:07:43,129 --> 00:07:41,340

everything you hear about tonight so

140

00:07:44,960 --> 00:07:43,139

everything I'm going to cover and many

141

00:07:46,010 --> 00:07:44,970

other experiences are in that report so

142

00:07:47,900 --> 00:07:46,020

you know if you're interested in what

143

00:07:49,970 --> 00:07:47,910

here tonight and you want to hidden him

144

00:07:52,250 --> 00:07:49,980

read more just to go and check out check

145

00:07:54,140 --> 00:07:52,260

out the report that went up probably

146

00:07:58,340 --> 00:07:54,150

about nine months later it took a while

147

00:08:01,220 --> 00:07:58,350

to put together after that I did I add

148

00:08:04,640 --> 00:08:01,230

talk on UFOs in the music industry so

149

00:08:06,290 --> 00:08:04,650

the UFO themed bands and musicians have

150

00:08:09,560 --> 00:08:06,300

had experiences and then released songs

151  
00:08:11,990 --> 00:08:09,570  
based on those experiences and it's it

152  
00:08:14,420 --> 00:08:12,000  
very relevant to to get Dave and his

153  
00:08:15,680 --> 00:08:14,430  
band cosmos is to come and play as part

154  
00:08:18,980 --> 00:08:15,690  
of that event so they came up to

155  
00:08:21,170 --> 00:08:18,990  
Birmingham and played a gig and you'll

156  
00:08:22,580 --> 00:08:21,180  
see the title of my talk the cosmos is

157  
00:08:26,420 --> 00:08:22,590  
connection and you'll find out what

158  
00:08:27,620 --> 00:08:26,430  
that's all about in a bit I then headed

159  
00:08:29,000 --> 00:08:27,630  
back to bicester on numerous other

160  
00:08:31,610 --> 00:08:29,010  
occasions to continue the investigation

161  
00:08:32,839 --> 00:08:31,620  
and just really just socialize with the

162  
00:08:34,730 --> 00:08:32,849  
guys because they you know we've formed

163  
00:08:38,000 --> 00:08:34,740

kind of lasting friendship and nothing

164

00:08:40,159 --> 00:08:38,010

there on stage a place in in Oxford and

165

00:08:41,659 --> 00:08:40,169

and they're going for strength of

166

00:08:44,990 --> 00:08:41,669

strength and the store playing gigs

167

00:08:47,630 --> 00:08:45,000

regularly down there s'okay suspect says

168

00:08:49,310 --> 00:08:47,640

Dave which day for both Dave I said yeah

169

00:08:52,040 --> 00:08:49,320

there is Dave Hunt there I don't know

170

00:08:53,750 --> 00:08:52,050

who this man in black a geyser no idea

171

00:08:55,220 --> 00:08:53,760

so seven look at the aspects of this

172

00:08:58,460 --> 00:08:55,230

case and why I think it's such an

173

00:09:00,500 --> 00:08:58,470

important case it's extremely detailed

174

00:09:02,900 --> 00:09:00,510

and it's occurred over a long period of

175

00:09:04,400 --> 00:09:02,910

time now in some contact experiences the

176  
00:09:06,650 --> 00:09:04,410  
individual has one or two encounters

177  
00:09:07,790 --> 00:09:06,660  
over a short period of time and then

178  
00:09:10,400 --> 00:09:07,800  
nothing else for the rest of their life

179  
00:09:12,230 --> 00:09:10,410  
but other cases we calmly term repeater

180  
00:09:15,410 --> 00:09:12,240  
cases the individual has their

181  
00:09:17,570 --> 00:09:15,420  
experiences always from birth for from

182  
00:09:20,540 --> 00:09:17,580  
very young age and that's how this case

183  
00:09:22,610 --> 00:09:20,550  
is extremely detailed there's

184  
00:09:25,520 --> 00:09:22,620  
testimonial evidence we've got from from

185  
00:09:28,640 --> 00:09:25,530  
many witnesses and it's interesting that

186  
00:09:31,220 --> 00:09:28,650  
in a lot of the cases there have been

187  
00:09:33,110 --> 00:09:31,230  
other people present so it's not all

188  
00:09:35,900 --> 00:09:33,120

just taking the testimony of one person

189

00:09:36,530 --> 00:09:35,910

and this is just a massive web of

190

00:09:38,720 --> 00:09:36,540

individuals

191

00:09:40,790 --> 00:09:38,730

involved in this case that involved most

192

00:09:42,320 --> 00:09:40,800

members of his family his closest

193

00:09:44,720 --> 00:09:42,330

friends and and other friends and

194

00:09:47,870 --> 00:09:44,730

associates many of which I've spoken

195

00:09:49,700 --> 00:09:47,880

with all of which back up the the

196

00:09:52,490 --> 00:09:49,710

experiences that I'm going to tell you

197

00:09:54,320 --> 00:09:52,500

about this evening so that's quite read

198

00:09:56,150 --> 00:09:54,330

you get that in a lot of cases it's just

199

00:09:58,070 --> 00:09:56,160

a kind of just had to take one person's

200

00:10:00,890 --> 00:09:58,080

word for it and you can either take it

201  
00:10:02,840 --> 00:10:00,900  
or leave it but with this it's the

202  
00:10:04,730 --> 00:10:02,850  
amount of people that we've got to give

203  
00:10:06,710 --> 00:10:04,740  
testimony there is some physical

204  
00:10:08,930 --> 00:10:06,720  
photographic evidence involved with this

205  
00:10:10,190 --> 00:10:08,940  
case not so much but a bit in places and

206  
00:10:14,180 --> 00:10:10,200  
I'll take you through some of that

207  
00:10:16,520 --> 00:10:14,190  
tonight and also yeah and absolutely

208  
00:10:17,780 --> 00:10:16,530  
clear emotional impacts on the people

209  
00:10:20,120 --> 00:10:17,790  
involved with this this is a deeply

210  
00:10:24,380 --> 00:10:20,130  
touched Dave his friends and his family

211  
00:10:27,230 --> 00:10:24,390  
in in many ways and really changed their

212  
00:10:30,950 --> 00:10:27,240  
lives and you'll hear more about that as

213  
00:10:32,510 --> 00:10:30,960

we as we progress with this so we're

214

00:10:35,450 --> 00:10:32,520

going to start now with with David's

215

00:10:37,040 --> 00:10:35,460

experiences I don't whether you want to

216

00:10:39,860 --> 00:10:37,050

break at the halfway point on our time

217

00:10:43,400 --> 00:10:39,870

then George want me to split it the half

218

00:10:44,840 --> 00:10:43,410

year yes I'm not yeah so yeah we go

219

00:10:46,760 --> 00:10:44,850

through experiences and we'll get about

220

00:10:48,680 --> 00:10:46,770

halfway through no you know no we'll

221

00:10:50,690 --> 00:10:48,690

have a little break through this but

222

00:10:52,520 --> 00:10:50,700

yeah his experiences did actually start

223

00:10:56,480 --> 00:10:52,530

about age too but this this one took

224

00:11:01,720 --> 00:10:56,490

place 1979 is a state and is at a play

225

00:11:04,580 --> 00:11:01,730

group in London refused to go to right

226

00:11:06,530 --> 00:11:04,590

so essentially let me take you through

227

00:11:08,590 --> 00:11:06,540

what happened so that the playgroup he

228

00:11:11,120 --> 00:11:08,600

goes down there every single week and I

229

00:11:13,040 --> 00:11:11,130

wonder a plague of idiot decided to use

230

00:11:15,290 --> 00:11:13,050

the toilet so it tells the attendant

231

00:11:17,600 --> 00:11:15,300

they're used to go to the loop when he

232

00:11:19,010 --> 00:11:17,610

enters the toilets there's some figures

233

00:11:20,660 --> 00:11:19,020

standing there now obviously has only

234

00:11:22,490 --> 00:11:20,670

three years old he doesn't have too much

235

00:11:25,100 --> 00:11:22,500

recollection of this but he remembers

236

00:11:26,900 --> 00:11:25,110

their being men told people standing

237

00:11:30,980 --> 00:11:26,910

there and there were wendys a blue

238

00:11:32,990 --> 00:11:30,990

colored and sort of outfit and that's

239

00:11:37,040 --> 00:11:33,000

all he remembers next thing he knows

240

00:11:40,460 --> 00:11:37,050

he's quite far away elsewhere in London

241

00:11:43,010 --> 00:11:40,470

and several hours have passed back two

242

00:11:45,500 --> 00:11:43,020

hours and he's basically picked up is

243

00:11:48,440 --> 00:11:45,510

somebody on the street and spots him on

244

00:11:49,570 --> 00:11:48,450

his own calls the police and they get

245

00:11:51,670 --> 00:11:49,580

involved and then

246

00:11:53,440 --> 00:11:51,680

they find out who he is and get the

247

00:11:56,170 --> 00:11:53,450

parents and eventually he's kind of

248

00:11:57,490 --> 00:11:56,180

reunited with it with his parents so

249

00:12:00,430 --> 00:11:57,500

yeah let's say let's have a look at some

250

00:12:02,800 --> 00:12:00,440

of the aspects of this incident in more

251

00:12:05,050 --> 00:12:02,810

detail Shelley well special these are

252

00:12:09,180 --> 00:12:05,060

these men lead lives of men but these

253

00:12:12,160 --> 00:12:09,190

men and David encountered okay so the

254

00:12:14,830 --> 00:12:12,170

the figures were standing wearing these

255

00:12:16,830 --> 00:12:14,840

sort of light blue tight-fitting outfits

256

00:12:19,630 --> 00:12:16,840

that's what that's what he describes as

257

00:12:21,760 --> 00:12:19,640

interesting that that he remembers that

258

00:12:25,660 --> 00:12:21,770

because that actually fits quite closely

259

00:12:29,800 --> 00:12:25,670

with clothing that a particular type or

260

00:12:32,110 --> 00:12:29,810

species if you will of being where many

261

00:12:34,150 --> 00:12:32,120

of you will be familiar with this for

262

00:12:35,590 --> 00:12:34,160

those they were aren't one of the the

263

00:12:37,450 --> 00:12:35,600

beings that's commonly reported by

264

00:12:39,700 --> 00:12:37,460

people they're commonly termed the

265

00:12:42,400 --> 00:12:39,710

Nordics or sometimes called humanoids or

266

00:12:44,530 --> 00:12:42,410

played ians because some people either

267

00:12:47,410 --> 00:12:44,540

from the Pleiades star system so the

268

00:12:49,600 --> 00:12:47,420

comp lady ins but essentially they're

269

00:12:53,290 --> 00:12:49,610

very very very very humanoid looking

270

00:12:55,780 --> 00:12:53,300

quite perfect kind of features and the

271

00:12:57,760 --> 00:12:55,790

usual got pale or white hair usually

272

00:12:59,890 --> 00:12:57,770

comes shoulder length and the wear these

273

00:13:02,710 --> 00:12:59,900

kind of type things or jumpsuits usually

274

00:13:03,850 --> 00:13:02,720

either blue or silver there's other case

275

00:13:06,160 --> 00:13:03,860

of investigated where they've been

276  
00:13:09,250 --> 00:13:06,170  
wearing this kind of white road when the

277  
00:13:11,380 --> 00:13:09,260  
scene aboard craft these beings are

278  
00:13:12,880 --> 00:13:11,390  
reported very regularly and a lot of

279  
00:13:14,920 --> 00:13:12,890  
people think that they were reported a

280  
00:13:18,010 --> 00:13:14,930  
lot back in the 60s and 70s and they

281  
00:13:19,300 --> 00:13:18,020  
look all David Bowie style and and and

282  
00:13:20,710 --> 00:13:19,310  
they do it they do actually look like

283  
00:13:22,720 --> 00:13:20,720  
that and the still reported like that

284  
00:13:24,460 --> 00:13:22,730  
today and they're seen almost as

285  
00:13:27,550 --> 00:13:24,470  
commonly as some of the other sort of

286  
00:13:29,950 --> 00:13:27,560  
types of beings or entities that are

287  
00:13:34,840 --> 00:13:29,960  
commonly reported so still a very major

288  
00:13:36,130 --> 00:13:34,850

part of contact so it manages to get

289

00:13:38,080 --> 00:13:36,140

outside the play group without being

290

00:13:40,510 --> 00:13:38,090

spotted so the teachers right there with

291

00:13:42,910 --> 00:13:40,520

the other children just just right next

292

00:13:44,860 --> 00:13:42,920

to whether whether losses and it seems

293

00:13:46,930 --> 00:13:44,870

you can see what he'd be able to do that

294

00:13:48,940 --> 00:13:46,940

walk outside around the outside of the

295

00:13:50,620 --> 00:13:48,950

playgroup where some very tall fences

296

00:13:52,330 --> 00:13:50,630

this isn't the actual fences but it's a

297

00:13:54,400 --> 00:13:52,340

isn't a representation of them that we

298

00:13:56,350 --> 00:13:54,410

found online they says a match to what

299

00:13:57,670 --> 00:13:56,360

the play we've had around it essentially

300

00:13:58,960 --> 00:13:57,680

obviously the children were locked in

301  
00:14:00,280 --> 00:13:58,970  
there they don't want random members of

302  
00:14:03,049 --> 00:14:00,290  
the public walking in while the plague

303  
00:14:05,809 --> 00:14:03,059  
written in place so how on earth did

304  
00:14:09,859 --> 00:14:05,819  
get over these are huge fences its

305  
00:14:11,839 --> 00:14:09,869  
figures old room so this is his journey

306  
00:14:13,129 --> 00:14:11,849  
hope you can see that the back right

307  
00:14:15,739 --> 00:14:13,139  
this is London as the River Thames

308  
00:14:17,509 --> 00:14:15,749  
flowing on there and this is the Aponte

309  
00:14:19,909 --> 00:14:17,519  
here when they like that that's the

310  
00:14:21,859 --> 00:14:19,919  
position of the playgroup and this is

311  
00:14:25,519 --> 00:14:21,869  
where he was found roughly two hours

312  
00:14:27,559 --> 00:14:25,529  
later so it disappeared and no idea two

313  
00:14:30,079 --> 00:14:27,569

hours later bang who's there it picked

314

00:14:31,969 --> 00:14:30,089

up on the street and obviously that's

315

00:14:35,239 --> 00:14:31,979

quite a distance for a three-year-old to

316

00:14:37,189 --> 00:14:35,249

walk yes it was a two hours yeah but

317

00:14:38,929 --> 00:14:37,199

really can a figure I'll really wonder

318

00:14:41,059 --> 00:14:38,939

and London bounced off across numerous

319

00:14:42,439 --> 00:14:41,069

bridges across the river thames and what

320

00:14:44,329 --> 00:14:42,449

that sort of distance the three years

321

00:14:47,629 --> 00:14:44,339

old without being picked up by anybody

322

00:14:49,819 --> 00:14:47,639

it just seems inconceivable to me during

323

00:14:51,589 --> 00:14:49,829

that time is not supported by anybody so

324

00:14:53,479 --> 00:14:51,599

if he was walking surely somebody would

325

00:14:56,529 --> 00:14:53,489

have seen the kid wandering around on

326

00:14:59,179 --> 00:14:56,539

their own and picked him up button it

327

00:15:00,469 --> 00:14:59,189

and also dad's got no recollection of

328

00:15:01,909 --> 00:15:00,479

this journey taking place all he

329

00:15:03,829 --> 00:15:01,919

remembers is walking in there seeing

330

00:15:07,269 --> 00:15:03,839

these figures and then his net

331

00:15:09,979 --> 00:15:07,279

recollection is being there so yeah um

332

00:15:12,469 --> 00:15:09,989

in restoration and due to his other

333

00:15:14,629 --> 00:15:12,479

experiences later on of occurred and the

334

00:15:16,939 --> 00:15:14,639

fact that he quite clearly the contactee

335

00:15:18,859 --> 00:15:16,949

I think it's a probable or at least

336

00:15:20,599 --> 00:15:18,869

possible that he was abducted on this

337

00:15:22,969 --> 00:15:20,609

occasion and has the memories of that

338

00:15:25,099 --> 00:15:22,979

experience blood blacked out for those

339

00:15:27,289 --> 00:15:25,109

who are unfamiliar with their contact

340

00:15:29,929 --> 00:15:27,299

experiences where people are taken the

341

00:15:31,729 --> 00:15:29,939

craft and taken aboard craft and a lot

342

00:15:33,289 --> 00:15:31,739

of the time the year the infamy of the

343

00:15:34,789 --> 00:15:33,299

information is quite fragmented they

344

00:15:36,649 --> 00:15:34,799

only remember parts of the experience

345

00:15:38,299 --> 00:15:36,659

and in other cases they can't remember

346

00:15:40,609 --> 00:15:38,309

at all and it's called their missing

347

00:15:42,979 --> 00:15:40,619

time usually and they fit to have the

348

00:15:44,059 --> 00:15:42,989

memories blanked out and I personally

349

00:15:46,129 --> 00:15:44,069

believe that something that the beans

350

00:15:47,899 --> 00:15:46,139

are doing on purpose they kind of

351  
00:15:50,659 --> 00:15:47,909  
appeared with working covertly and they

352  
00:15:52,039 --> 00:15:50,669  
don't really want the the human beings

353  
00:15:53,199 --> 00:15:52,049  
who are involved with contact to know

354  
00:15:55,489 --> 00:15:53,209  
that they're having these experiences

355  
00:15:56,989 --> 00:15:55,499  
that I could talk about missing time as

356  
00:16:00,409 --> 00:15:56,999  
you know for then for the entire lecture

357  
00:16:05,179 --> 00:16:00,419  
so let's move on so we're moving on now

358  
00:16:07,219 --> 00:16:05,189  
in 1988 and again we've got a scenario

359  
00:16:09,409 --> 00:16:07,229  
here where you a possible abduction took

360  
00:16:12,019 --> 00:16:09,419  
place and this time it was on the

361  
00:16:13,819 --> 00:16:12,029  
motorway and with his parents driving

362  
00:16:14,530 --> 00:16:13,829  
and they've gone down to folks turned

363  
00:16:16,570 --> 00:16:14,540

down here

364

00:16:18,760 --> 00:16:16,580

as I was London up there and sways to

365

00:16:20,530 --> 00:16:18,770

live at point B and this is there this

366

00:16:22,030 --> 00:16:20,540

is that route they were taking home so

367

00:16:24,190 --> 00:16:22,040

they kind of visit relatives down here

368

00:16:26,560 --> 00:16:24,200

and and they were heading back along the

369

00:16:28,120 --> 00:16:26,570

road and somewhere on this journey this

370

00:16:31,530 --> 00:16:28,130

incident occurred we don't know the

371

00:16:33,670 --> 00:16:31,540

exact location but Polly round here

372

00:16:35,830 --> 00:16:33,680

today is looking at the back seat of the

373

00:16:38,860 --> 00:16:35,840

of the car just looking at the window

374

00:16:41,680 --> 00:16:38,870

and all of a sudden e cesar what I

375

00:16:44,280 --> 00:16:41,690

basically i Jes a fighter jet following

376

00:16:48,580 --> 00:16:44,290

after the car and it fits we're matching

377

00:16:51,220 --> 00:16:48,590

the speed of the car is essentially kind

378

00:16:54,430 --> 00:16:51,230

of floating slowly matching and just

379

00:16:55,870 --> 00:16:54,440

hovering there in the sky and he tells

380

00:16:57,430 --> 00:16:55,880

his parents about this jet and they're

381

00:16:59,920 --> 00:16:57,440

like madam don't be silly you know tips

382

00:17:02,140 --> 00:16:59,930

because if you can't come follow cars it

383

00:17:03,430 --> 00:17:02,150

doesn't happen so they carry on driving

384

00:17:06,190 --> 00:17:03,440

and they don't really pay much attention

385

00:17:09,610 --> 00:17:06,200

all of a sudden and everything goes

386

00:17:12,040 --> 00:17:09,620

black um everything outside the car was

387

00:17:14,080 --> 00:17:12,050

a completely pitch black in the

388

00:17:16,120 --> 00:17:14,090

car yet some visibility of the of his

389

00:17:18,040 --> 00:17:16,130

clothes surroundings and his parents

390

00:17:19,150 --> 00:17:18,050

appeared to be sort of passed out in the

391

00:17:20,860 --> 00:17:19,160

front of the car they paid to be

392

00:17:23,620 --> 00:17:20,870

unconscious which is lying there in the

393

00:17:25,480 --> 00:17:23,630

seats like that completely oblivious it

394

00:17:28,330 --> 00:17:25,490

also looks like the cars ground to a

395

00:17:31,090 --> 00:17:28,340

halt and it's just everything's still

396

00:17:33,730 --> 00:17:31,100

and quiet and dark outside and then

397

00:17:36,370 --> 00:17:33,740

David it was about I think it's about 13

398

00:17:38,200 --> 00:17:36,380

to 12 or 13 for this point he gets

399

00:17:40,540 --> 00:17:38,210

really he's got this varied recollection

400

00:17:42,610 --> 00:17:40,550

of something approaching the car from

401  
00:17:45,970 --> 00:17:42,620  
the outside and opening the car door on

402  
00:17:47,680 --> 00:17:45,980  
his side and that's it that's that's his

403  
00:17:50,140 --> 00:17:47,690  
only that's where his memory of that

404  
00:17:51,970 --> 00:17:50,150  
incident ends as I mentioned a lot of

405  
00:17:55,060 --> 00:17:51,980  
the time memories of contact can be

406  
00:17:58,210 --> 00:17:55,070  
quite fragmented so I'm looking at more

407  
00:18:00,430 --> 00:17:58,220  
debt physio desi and 26 or so wrong so

408  
00:18:02,230 --> 00:18:00,440  
just stand the boat away that there is

409  
00:18:04,450 --> 00:18:02,240  
the type of jet that was that was

410  
00:18:05,710 --> 00:18:04,460  
following after the car don't know that

411  
00:18:08,350 --> 00:18:05,720  
was that cyber jet because he had an

412  
00:18:10,750 --> 00:18:08,360  
interest in aviation at the age and he

413  
00:18:15,390 --> 00:18:10,760

he actually knew that it was that time

414

00:18:18,730 --> 00:18:15,400

jet so is a fighter jet volkan and

415

00:18:20,410 --> 00:18:18,740

essentially as I said he can't fly at

416

00:18:21,580 --> 00:18:20,420

that speed Jets obviously when you see

417

00:18:24,430 --> 00:18:21,590

them they're just zip right across

418

00:18:26,649 --> 00:18:24,440

really quick flick to have been

419

00:18:28,060 --> 00:18:26,659

traveling at that speed and also

420

00:18:31,629 --> 00:18:28,070

following the car is just completely

421

00:18:33,700 --> 00:18:31,639

implausible really and we move on there

422

00:18:35,109 --> 00:18:33,710

to another area of contact which some of

423

00:18:38,259 --> 00:18:35,119

you will be familiar with but maybe not

424

00:18:39,820 --> 00:18:38,269

all which is screen memories screen

425

00:18:41,950 --> 00:18:39,830

memories are where the beings appeared a

426

00:18:43,719 --> 00:18:41,960

mask either their own appearance or the

427

00:18:46,060 --> 00:18:43,729

appearance of their of their craft and

428

00:18:48,159 --> 00:18:46,070

they did it's quite regularly with with

429

00:18:51,009 --> 00:18:48,169

contact experiences and the bees because

430

00:18:53,919 --> 00:18:51,019

sometimes disguise himself as a family

431

00:18:56,229 --> 00:18:53,929

member or friend or an animal the craft

432

00:18:58,299 --> 00:18:56,239

had seen as owls something you want over

433

00:19:00,039 --> 00:18:58,309

the film the fourth kind which was a

434

00:19:02,200 --> 00:19:00,049

kind of contact theme horror movie and

435

00:19:04,029 --> 00:19:02,210

in that there the guy was seeing owls

436

00:19:06,789 --> 00:19:04,039

and that was basically based on that

437

00:19:10,029 --> 00:19:06,799

other animals have been reported wolves

438

00:19:11,440 --> 00:19:10,039

even tigers something that so they

439

00:19:13,450 --> 00:19:11,450

appeared to be something familiar to the

440

00:19:14,919 --> 00:19:13,460

individual and within with the craft

441

00:19:17,200 --> 00:19:14,929

there will often disguise himself as a

442

00:19:18,820 --> 00:19:17,210

helicopter or a biplane or something

443

00:19:21,580 --> 00:19:18,830

like that so the individual when their

444

00:19:23,320 --> 00:19:21,590

things back to to the experience they

445

00:19:26,379 --> 00:19:23,330

don't see a kind of flying saucer or

446

00:19:28,659 --> 00:19:26,389

whatever they see a mundane object and

447

00:19:30,190 --> 00:19:28,669

then sometimes the regression they can

448

00:19:31,479 --> 00:19:30,200

actually see it in its real form and

449

00:19:34,539 --> 00:19:31,489

they can actually sort see the being as

450

00:19:36,339 --> 00:19:34,549

a being or see the craft and this is

451  
00:19:38,109 --> 00:19:36,349  
this is a very common aspect to contact

452  
00:19:40,210 --> 00:19:38,119  
and I would say a definite real part of

453  
00:19:41,710 --> 00:19:40,220  
it and again it appears to be something

454  
00:19:43,899 --> 00:19:41,720  
that the beans are doing I think that

455  
00:19:46,080 --> 00:19:43,909  
they're doing on purpose probably to

456  
00:19:48,489 --> 00:19:46,090  
reduce the fear of the experience and

457  
00:19:50,019 --> 00:19:48,499  
again and again though it's almost like

458  
00:19:51,849 --> 00:19:50,029  
they're going into the person's mind and

459  
00:19:55,659 --> 00:19:51,859  
finding something which is familiar or

460  
00:19:57,580 --> 00:19:55,669  
they're okay with and for example in

461  
00:19:58,989 --> 00:19:57,590  
some days earlier experiences other than

462  
00:20:00,549 --> 00:19:58,999  
we're going to cover here he had he

463  
00:20:02,859 --> 00:20:00,559

actually had a number of princes where

464

00:20:04,719 --> 00:20:02,869

he saw soldiers in his room at night and

465

00:20:05,710 --> 00:20:04,729

he had an interest in the army and he

466

00:20:07,719 --> 00:20:05,720

was thinking about joining the armed

467

00:20:09,460 --> 00:20:07,729

forces and this other thing and this

468

00:20:13,330 --> 00:20:09,470

problem that was sort of taking that

469

00:20:14,979 --> 00:20:13,340

that form so I'd certainly believe that

470

00:20:16,690 --> 00:20:14,989

it's quite possible this jet wasn't a

471

00:20:19,239 --> 00:20:16,700

jet at all but was a craft following

472

00:20:21,129 --> 00:20:19,249

behind the car then as this sudden

473

00:20:23,200 --> 00:20:21,139

darkness this again is a very regular

474

00:20:25,419 --> 00:20:23,210

ragley reported aspect of contact

475

00:20:28,060 --> 00:20:25,429

interestingly you've got either bright

476

00:20:29,979 --> 00:20:28,070

light or darkness for cases some people

477

00:20:32,169 --> 00:20:29,989

see everything go pitch black around and

478

00:20:34,690 --> 00:20:32,179

sometimes when they board the when they

479

00:20:37,149 --> 00:20:34,700

go away to what appears to be a craft is

480

00:20:38,829 --> 00:20:37,159

it's very very dark around other times

481

00:20:40,360 --> 00:20:38,839

they can be blinding white light and

482

00:20:42,760 --> 00:20:40,370

some of the beings can kind of step

483

00:20:44,740 --> 00:20:42,770

out of this lighten and take people back

484

00:20:47,830 --> 00:20:44,750

into the light with them so it's very

485

00:20:50,440 --> 00:20:47,840

interesting these kind of parallels the

486

00:20:54,670 --> 00:20:50,450

parents unconscious again this again

487

00:20:56,290 --> 00:20:54,680

this again puts to contact and there's a

488

00:20:57,910 --> 00:20:56,300

lot of time distortion element to

489

00:20:59,680 --> 00:20:57,920

contact cases and when you look into

490

00:21:01,990 --> 00:20:59,690

quite a few you're just starts to the

491

00:21:03,250 --> 00:21:02,000

similarities between the cases and it's

492

00:21:04,990 --> 00:21:03,260

almost like they're shutting down the

493

00:21:08,290 --> 00:21:05,000

the local area some sort of time

494

00:21:10,720 --> 00:21:08,300

distortion goes on and so for example

495

00:21:12,730 --> 00:21:10,730

let's say there's a man and his wife and

496

00:21:14,440 --> 00:21:12,740

they line there and and the wife has a

497

00:21:16,060 --> 00:21:14,450

covered experience in the night the

498

00:21:17,650 --> 00:21:16,070

husband may be a completely sort of

499

00:21:19,870 --> 00:21:17,660

knocked out unconscious and she can go

500

00:21:21,460 --> 00:21:19,880

to try and wake him up and hits him and

501  
00:21:23,049 --> 00:21:21,470  
everything ne le just doesn't stay just

502  
00:21:25,600 --> 00:21:23,059  
stays completely sleeps like it's been

503  
00:21:28,270 --> 00:21:25,610  
blanked out and I believe that they do

504  
00:21:29,890 --> 00:21:28,280  
that and so that they can directly

505  
00:21:31,930 --> 00:21:29,900  
contact the individual without other

506  
00:21:34,240 --> 00:21:31,940  
people interfering so anybody they don't

507  
00:21:35,910 --> 00:21:34,250  
want to be a part of the experience will

508  
00:21:38,320 --> 00:21:35,920  
not be able to essentially shut down

509  
00:21:41,410 --> 00:21:38,330  
switched off for a year for a period of

510  
00:21:43,180 --> 00:21:41,420  
time the sense of approaching figure in

511  
00:21:45,700 --> 00:21:43,190  
the car door opening tends to suggest

512  
00:21:47,830 --> 00:21:45,710  
that a being of some kind approached him

513  
00:21:49,600 --> 00:21:47,840

and possibly took him out of the car

514

00:21:52,720 --> 00:21:49,610

elsewhere although he's got no

515

00:21:54,310 --> 00:21:52,730

recollection of that of course we've got

516

00:21:56,500 --> 00:21:54,320

the confirmation from the father yeah

517

00:21:59,140 --> 00:21:56,510

this wasn't too long ago meant three or

518

00:22:01,090 --> 00:21:59,150

four years ago David decided to speak

519

00:22:03,160 --> 00:22:01,100

with his father about this experience as

520

00:22:06,130 --> 00:22:03,170

its daddy's they're very skeptically

521

00:22:09,070 --> 00:22:06,140

minded about the whole thing and doesn't

522

00:22:11,100 --> 00:22:09,080

it doesn't entertain the notion that

523

00:22:13,870 --> 00:22:11,110

these other things can take place and

524

00:22:15,610 --> 00:22:13,880

Dave went and spoke with him about this

525

00:22:17,650 --> 00:22:15,620

experience and we're starting to take it

526

00:22:21,430 --> 00:22:17,660

through him and all of a sudden at the

527

00:22:24,250 --> 00:22:21,440

flu it's like oh I remember the car

528

00:22:25,900 --> 00:22:24,260

going black and I st. UD basic just he

529

00:22:28,270 --> 00:22:25,910

just came back to him now this this

530

00:22:31,330 --> 00:22:28,280

happens what happens is these memories

531

00:22:32,710 --> 00:22:31,340

that are blocked out some sometimes this

532

00:22:34,180 --> 00:22:32,720

can trigger them and one of the things

533

00:22:35,680 --> 00:22:34,190

that can trigger them is just talking

534

00:22:37,390 --> 00:22:35,690

about them just talking about that that

535

00:22:39,190 --> 00:22:37,400

experience because sometimes bring the

536

00:22:41,410 --> 00:22:39,200

memories back into the forefront of the

537

00:22:43,690 --> 00:22:41,420

mind so his father black black this out

538

00:22:45,490 --> 00:22:43,700

completely but when he when he talked

539

00:22:47,320 --> 00:22:45,500

about it he remembered it and and he

540

00:22:49,300 --> 00:22:47,330

couldn't explain it he didn't take it

541

00:22:51,160 --> 00:22:49,310

any further than that but his father did

542

00:22:53,570 --> 00:22:51,170

confirm that he remembered the car sunny

543

00:22:54,590 --> 00:22:53,580

everything goes suddenly black and

544

00:22:56,150 --> 00:22:54,600

from that point onwards with that

545

00:22:57,590 --> 00:22:56,160

experience she was not text so he

546

00:22:59,690 --> 00:22:57,600

wouldn't have any any further

547

00:23:03,140 --> 00:22:59,700

recollection of that anyway so

548

00:23:06,530 --> 00:23:03,150

absolutely fascinating there again

549

00:23:09,800 --> 00:23:06,540

another abduction here this is june two

550

00:23:12,370 --> 00:23:09,810

thousand now and this is what we've

551  
00:23:15,110 --> 00:23:12,380  
turned their Dave's a trigger experience

552  
00:23:16,910 --> 00:23:15,120  
and by trigger it spins I mean it's a

553  
00:23:19,970 --> 00:23:16,920  
particular experience that the

554  
00:23:21,500 --> 00:23:19,980  
individual undergoes where it kind of

555  
00:23:23,450 --> 00:23:21,510  
opens their mind to what's happening in

556  
00:23:24,950 --> 00:23:23,460  
their life now a lot of contactees I

557  
00:23:27,170 --> 00:23:24,960  
have experiences from an early age but

558  
00:23:29,420 --> 00:23:27,180  
they ignore them or push them to the

559  
00:23:30,620 --> 00:23:29,430  
back of their mind or maybe don't

560  
00:23:32,600 --> 00:23:30,630  
interpret them in the right way and

561  
00:23:33,680 --> 00:23:32,610  
they're there but they know things have

562  
00:23:35,570 --> 00:23:33,690  
happened but they just try to ignore

563  
00:23:37,130 --> 00:23:35,580

them to get on with their life and then

564

00:23:39,650 --> 00:23:37,140

I they may have a certain experience

565

00:23:41,540 --> 00:23:39,660

where it's just completely obvious that

566

00:23:43,400 --> 00:23:41,550

something very unusual stake in place

567

00:23:44,720 --> 00:23:43,410

and then often they'll go back through

568

00:23:45,980 --> 00:23:44,730

their life and they'll start to look at

569

00:23:47,870 --> 00:23:45,990

these earlier experiences and they'd be

570

00:23:49,790 --> 00:23:47,880

like oh wow you know things are starting

571

00:23:51,590 --> 00:23:49,800

to fit in the place now and it kind of

572

00:23:53,660 --> 00:23:51,600

explains why well that particular thing

573

00:23:55,670 --> 00:23:53,670

happened early wrong so this here what

574

00:23:57,830 --> 00:23:55,680

happenin dude 2000 an absolutely

575

00:24:00,500 --> 00:23:57,840

incredible experience and this involved

576

00:24:02,720 --> 00:24:00,510

David his wife and his newborn baby

577

00:24:08,240 --> 00:24:02,730

daughter who was only a few weeks old at

578

00:24:10,070 --> 00:24:08,250

the time i said 'no counter with a

579

00:24:11,690 --> 00:24:10,080

silver disk essentially yeah i do

580

00:24:13,460 --> 00:24:11,700

apologize you guys at the back i know

581

00:24:15,620 --> 00:24:13,470

the screens quite small world i'll try

582

00:24:18,260 --> 00:24:15,630

to explain what's on the pictures now so

583

00:24:20,510 --> 00:24:18,270

here we've got another map and he'd been

584

00:24:23,510 --> 00:24:20,520

to been to banbury here a porn eh sorry

585

00:24:26,570 --> 00:24:23,520

point c heads Bambury and he's traveling

586

00:24:28,730 --> 00:24:26,580

bareback to bicester so he'd David used

587

00:24:30,830 --> 00:24:28,740

to a box you smear boxer and he had just

588

00:24:33,380 --> 00:24:30,840

been to a bottom match and lead it hurts

589

00:24:35,150 --> 00:24:33,390

his rib things he cracked a rib and he

590

00:24:36,680 --> 00:24:35,160

went to banbury to get it checked out so

591

00:24:38,780 --> 00:24:36,690

the doctor could do this or take a look

592

00:24:41,120 --> 00:24:38,790

at it nothing them and on the way back

593

00:24:44,540 --> 00:24:41,130

they were passing this point here which

594

00:24:48,920 --> 00:24:44,550

is a small village called a no on the B

595

00:24:50,210 --> 00:24:48,930

4 10 I think it is and and if those had

596

00:24:51,470 --> 00:24:50,220

a few experiences on this road at

597

00:24:53,900 --> 00:24:51,480

various points for his life by the way

598

00:24:55,760 --> 00:24:53,910

but there were there just traveling back

599

00:24:57,320 --> 00:24:55,770

in the car and as wife's in the

600

00:24:59,450 --> 00:24:57,330

passenger seat is a newborn daughter

601  
00:25:02,900 --> 00:24:59,460  
sitting two car seats in the back of the

602  
00:25:05,000 --> 00:25:02,910  
car and Thursdays drawing of what they

603  
00:25:06,650 --> 00:25:05,010  
saw essentially they're coming on here

604  
00:25:07,880 --> 00:25:06,660  
the road a set of quite quiet on the

605  
00:25:10,490 --> 00:25:07,890  
road there wasn't any other cars around

606  
00:25:12,110 --> 00:25:10,500  
at the time all of a sudden this as a

607  
00:25:14,660 --> 00:25:12,120  
flattened silver disc essentially

608  
00:25:17,390 --> 00:25:14,670  
descends down into the view in the in

609  
00:25:19,460 --> 00:25:17,400  
the foreground of the car both him and

610  
00:25:22,480 --> 00:25:19,470  
his wife can see it clearly it's right

611  
00:25:24,890 --> 00:25:22,490  
there solid object and then they

612  
00:25:26,510 --> 00:25:24,900  
acknowledge the fact that they've seen

613  
00:25:28,610 --> 00:25:26,520

this and it appears to be again matching

614

00:25:30,740 --> 00:25:28,620

the speed of the car that just comes

615

00:25:33,340 --> 00:25:30,750

down and it's following they slow down

616

00:25:36,170 --> 00:25:33,350

the car a bit and at that point

617

00:25:37,880 --> 00:25:36,180

something changes over a sudden they

618

00:25:42,080 --> 00:25:37,890

further on down the road the crust

619

00:25:43,400 --> 00:25:42,090

totally vanished and and and they just

620

00:25:44,810 --> 00:25:43,410

plays he come round and they know that

621

00:25:48,590 --> 00:25:44,820

something's happened but they can't say

622

00:25:50,630 --> 00:25:48,600

what almost immediately within minutes

623

00:25:53,210 --> 00:25:50,640

of this Dave starts to get these vivid

624

00:25:55,820 --> 00:25:53,220

flashbacks of what he believes took

625

00:25:58,160 --> 00:25:55,830

place in the in the missing time they

626  
00:25:59,960 --> 00:25:58,170  
checked the clock and about some 30 to

627  
00:26:02,750 --> 00:25:59,970  
40 minutes of the essentially vanished

628  
00:26:04,460 --> 00:26:02,760  
that they couldn't account for but all

629  
00:26:07,940 --> 00:26:04,470  
they knew was this object wasn't around

630  
00:26:10,730 --> 00:26:07,950  
anymore today was certainly in the back

631  
00:26:12,610 --> 00:26:10,740  
of the car with his her rib and these

632  
00:26:15,170 --> 00:26:12,620  
memories start to come back to his brain

633  
00:26:17,840 --> 00:26:15,180  
and what he remembers is being in a

634  
00:26:19,820 --> 00:26:17,850  
location like this as a kind of

635  
00:26:22,220 --> 00:26:19,830  
oval-shaped room and some banks and

636  
00:26:24,830 --> 00:26:22,230  
monitors with screens and things and

637  
00:26:28,100 --> 00:26:24,840  
it's a kind of got curved curved kind of

638  
00:26:29,690 --> 00:26:28,110

a smooth smooth appearance to it he

639

00:26:32,420 --> 00:26:29,700

certainly believes he's aboard this

640

00:26:34,880 --> 00:26:32,430

silver disk at this point there are five

641

00:26:37,970 --> 00:26:34,890

humanoid beings standing in front of him

642

00:26:41,390 --> 00:26:37,980

again wearing these are type blue six

643

00:26:43,790 --> 00:26:41,400

and and you can see that most of them

644

00:26:45,260 --> 00:26:43,800

are male this one here was a female so

645

00:26:48,050 --> 00:26:45,270

you can sort of difference there and

646

00:26:49,880 --> 00:26:48,060

this earth central guy looks just like

647

00:26:52,310 --> 00:26:49,890

him always exactly the same as him

648

00:26:53,750 --> 00:26:52,320

almost like his identical twin but then

649

00:26:55,610 --> 00:26:53,760

Dave didn't have a beard he does

650

00:26:57,770 --> 00:26:55,620

actually have a beard now but back then

651  
00:26:59,840 --> 00:26:57,780  
he didn't but this being had a had a

652  
00:27:02,360 --> 00:26:59,850  
beard and the only essential difference

653  
00:27:03,860 --> 00:27:02,370  
facially to him was the bigs kind of

654  
00:27:06,140 --> 00:27:03,870  
hair color was a kind of sort of dark

655  
00:27:10,820 --> 00:27:06,150  
race of color rather than his kind of

656  
00:27:15,080 --> 00:27:10,830  
brownish hair so yeah the wife and

657  
00:27:16,820 --> 00:27:15,090  
daughter are there a next room so it

658  
00:27:18,240 --> 00:27:16,830  
starts looking around it's worse to one

659  
00:27:20,910 --> 00:27:18,250  
side and she's like this

660  
00:27:23,490 --> 00:27:20,920  
she just appears to be unconscious just

661  
00:27:25,110 --> 00:27:23,500  
hang in there standing up to his left is

662  
00:27:27,450 --> 00:27:25,120  
the car seat with his baby daughter in

663  
00:27:30,210 --> 00:27:27,460

again fast asleep but they're taking the

664

00:27:32,940 --> 00:27:30,220

car seat wither and she just then on the

665

00:27:35,880 --> 00:27:32,950

ground next to the central being steps

666

00:27:38,070 --> 00:27:35,890

forward and they start having a

667

00:27:40,800 --> 00:27:38,080

conversation quite an in-depth

668

00:27:42,510 --> 00:27:40,810

conversation the conversation begins at

669

00:27:45,210 --> 00:27:42,520

is telepathic so he starts to get these

670

00:27:47,670 --> 00:27:45,220

M it starts to hear things directly in

671

00:27:50,190 --> 00:27:47,680

his mind coming from this beam and then

672

00:27:53,310 --> 00:27:50,200

the being starts explaining that it it

673

00:27:55,230 --> 00:27:53,320

looks like him because it is him he says

674

00:27:57,540 --> 00:27:55,240

his brother is like a brother to him

675

00:28:00,210 --> 00:27:57,550

that's what he said and he explained to

676

00:28:02,220 --> 00:28:00,220

David all sorts of stuff a lot of which

677

00:28:03,720 --> 00:28:02,230

he wasn't ready for this point this just

678

00:28:05,610 --> 00:28:03,730

come out the blue didn't know what was

679

00:28:07,320 --> 00:28:05,620

going on this was his first kind of

680

00:28:09,660 --> 00:28:07,330

vivid recollection of an abduction

681

00:28:11,940 --> 00:28:09,670

experience and it was all so new to him

682

00:28:14,520 --> 00:28:11,950

but the Bing was essentially telling him

683

00:28:16,590 --> 00:28:14,530

that they were experiencing the world

684

00:28:19,110 --> 00:28:16,600

through his eyes and through his actions

685

00:28:21,020 --> 00:28:19,120

and thoughts and they had a direct

686

00:28:23,040 --> 00:28:21,030

connection with this being and

687

00:28:24,870 --> 00:28:23,050

essentially that connection was going to

688

00:28:26,760 --> 00:28:24,880

go on through life they said that this

689

00:28:28,710 --> 00:28:26,770

was a big program that is ongoing and

690

00:28:30,750 --> 00:28:28,720

that numerous can't IDs around the world

691

00:28:33,210 --> 00:28:30,760

I've got a direct connection with a

692

00:28:34,980 --> 00:28:33,220

particular entity and they kind of share

693

00:28:37,560 --> 00:28:34,990

experiences and they're learning about

694

00:28:39,060 --> 00:28:37,570

the world through these through these

695

00:28:41,760 --> 00:28:39,070

individuals that they decide to bond

696

00:28:44,580 --> 00:28:41,770

with i have heard other content ease

697

00:28:47,010 --> 00:28:44,590

mentioned this before quite famous lady

698

00:28:49,080 --> 00:28:47,020

from America from Australia sorry Susie

699

00:28:50,910 --> 00:28:49,090

Hanson if any of you where Suzy Hanson

700

00:28:53,340 --> 00:28:50,920

she's released a book called the jewel

701  
00:28:54,660 --> 00:28:53,350  
soul connection and essentially she's

702  
00:28:56,690 --> 00:28:54,670  
talking about the same thing there's a

703  
00:29:01,710 --> 00:28:56,700  
direct connection with it with a being

704  
00:29:03,480 --> 00:29:01,720  
so very very interesting so yeah the as

705  
00:29:07,140 --> 00:29:03,490  
I said the same same beings as before

706  
00:29:08,730 --> 00:29:07,150  
these a humanoid then he has his

707  
00:29:10,530 --> 00:29:08,740  
communication with the key contacts and

708  
00:29:12,630 --> 00:29:10,540  
at this point it was telepathic although

709  
00:29:14,580 --> 00:29:12,640  
in later cases they do have spoken to

710  
00:29:16,590 --> 00:29:14,590  
him audibly as well whether it'll move

711  
00:29:18,240 --> 00:29:16,600  
the masters of both types and then he

712  
00:29:19,740 --> 00:29:18,250  
appears to be returned to the car this

713  
00:29:21,780 --> 00:29:19,750

went on for quite a period of time and

714

00:29:23,640 --> 00:29:21,790

the the conversation was quite in-depth

715

00:29:24,810 --> 00:29:23,650

they didn't talk about exactly where

716

00:29:26,190 --> 00:29:24,820

they were from they didn't talk about

717

00:29:28,320 --> 00:29:26,200

how they got there anything like that

718

00:29:29,960 --> 00:29:28,330

but they were talking a lot about how

719

00:29:32,090 --> 00:29:29,970

there's going to be changes on earth

720

00:29:34,640 --> 00:29:32,100

and that this program has been going on

721

00:29:37,160 --> 00:29:34,650

quite a while and will continue to do so

722

00:29:39,760 --> 00:29:37,170

it didn't all sink in it doesn't

723

00:29:42,110 --> 00:29:39,770

remember everything that was said but

724

00:29:44,450 --> 00:29:42,120

what it does remember is is in the

725

00:29:46,070 --> 00:29:44,460

report as is quite a lot i'm not going

726

00:29:47,930 --> 00:29:46,080

to go into too much now because its

727

00:29:51,080 --> 00:29:47,940

pages but you can go read all that in

728

00:29:52,730 --> 00:29:51,090

the report yeah the after effects and

729

00:29:56,750 --> 00:29:52,740

reactions right so he starts getting

730

00:29:59,180 --> 00:29:56,760

these flashbacks and the experience

731

00:30:02,300 --> 00:29:59,190

really affected him on a deep level in

732

00:30:04,820 --> 00:30:02,310

the following months after that he he

733

00:30:07,580 --> 00:30:04,830

became an adverse to to all forms of

734

00:30:09,980 --> 00:30:07,590

violence he stopped boxing he go of his

735

00:30:12,860 --> 00:30:09,990

idea event going into the military he

736

00:30:16,370 --> 00:30:12,870

became vegetarian and he lost about

737

00:30:18,110 --> 00:30:16,380

three or four stone in weight now a lot

738

00:30:20,060 --> 00:30:18,120

of the time quantities do get this

739

00:30:21,140 --> 00:30:20,070

happen and it's usually after they kind

740

00:30:23,480 --> 00:30:21,150

of realized and they start having these

741

00:30:26,480 --> 00:30:23,490

experiences with these beings quite

742

00:30:28,010 --> 00:30:26,490

common being vegetarian be more

743

00:30:29,870 --> 00:30:28,020

protective of the environment and more

744

00:30:32,900 --> 00:30:29,880

caring towards animals this is a common

745

00:30:34,310 --> 00:30:32,910

thing that occurs and you know it's one

746

00:30:43,510 --> 00:30:34,320

of those observations that comes out

747

00:30:47,630 --> 00:30:45,770

because that doesn't focus on these

748

00:30:49,160 --> 00:30:47,640

experiences directly but I've dealt with

749

00:30:51,830 --> 00:30:49,170

lots of other cases which do involve

750

00:30:53,840 --> 00:30:51,840

that angle so year was certainly Dave

751

00:30:56,000 --> 00:30:53,850

trigger experience and that point

752

00:30:59,150 --> 00:30:56,010

onwards he started to become aware of

753

00:31:01,460 --> 00:30:59,160

what was happening in his life to move

754

00:31:03,560 --> 00:31:01,470

on now to early 2002 I did say that

755

00:31:05,330 --> 00:31:03,570

there's some photographic evidence in

756

00:31:08,860 --> 00:31:05,340

his talk and he's a bit fully right here

757

00:31:13,250 --> 00:31:08,870

so the potential UFO photograph here

758

00:31:15,560 --> 00:31:13,260

writes okay this is a daughter at least

759

00:31:17,240 --> 00:31:15,570

who have interviewed as well she's given

760

00:31:19,310 --> 00:31:17,250

me a half-hour interview with his

761

00:31:21,800 --> 00:31:19,320

daughter some of the testimony is in the

762

00:31:26,200 --> 00:31:21,810

report she's now about for 12 years old

763

00:31:28,370 --> 00:31:26,210

some and yeah there's the object okay so

764

00:31:30,260 --> 00:31:28,380

she's here and David just basic just

765

00:31:32,480 --> 00:31:30,270

sick in his land one day just decides to

766

00:31:34,340 --> 00:31:32,490

take a photo on the best photograph ever

767

00:31:36,440 --> 00:31:34,350

of course but he's got some clothes

768

00:31:37,820 --> 00:31:36,450

hanging up there that are drying and you

769

00:31:39,860 --> 00:31:37,830

can see here the window and we've got

770

00:31:41,900 --> 00:31:39,870

this neck and hanging down to the window

771

00:31:43,670 --> 00:31:41,910

when it gets the photograph developed he

772

00:31:45,470 --> 00:31:43,680

realizes there's this odd looking object

773

00:31:51,380 --> 00:31:45,480

there this is not a closer look at that

774

00:31:53,390 --> 00:31:51,390

oh this right okay so you can send you

775

00:31:55,820 --> 00:31:53,400

see you there that the shape appears to

776

00:31:59,390 --> 00:31:55,830

resemble I kind of classic don't don't

777

00:32:01,250 --> 00:31:59,400

disc essentially and it's being seen

778

00:32:02,570 --> 00:32:01,260

through the net curtain yeah so if it is

779

00:32:04,460 --> 00:32:02,580

outside and i'm not saying hundred

780

00:32:07,550 --> 00:32:04,470

percent that it is but if it is outside

781

00:32:08,750 --> 00:32:07,560

then that would that would be why it's

782

00:32:09,890 --> 00:32:08,760

kind of dog colors because you're

783

00:32:12,320 --> 00:32:09,900

looking out through the curtain and

784

00:32:14,480 --> 00:32:12,330

appear if it is outside up in the sky

785

00:32:16,430 --> 00:32:14,490

and we've got no way of gauging distance

786

00:32:18,080 --> 00:32:16,440

obviously you can see there's no novice

787

00:32:20,060 --> 00:32:18,090

detailed in that at all really that can

788

00:32:23,420 --> 00:32:20,070

be made out we've only really got the

789

00:32:24,950 --> 00:32:23,430

shape and this sort of general color yes

790

00:32:27,200 --> 00:32:24,960

it could be a smudge on the photograph

791

00:32:28,850 --> 00:32:27,210

absolutely you know Dave certainly you

792

00:32:32,000 --> 00:32:28,860

know believes that that could be could

793

00:32:33,260 --> 00:32:32,010

be what it is however Dave's had a lot

794

00:32:35,570 --> 00:32:33,270

of contact experiences throughout his

795

00:32:37,850 --> 00:32:35,580

life he's had other other experiences

796

00:32:39,650 --> 00:32:37,860

later on where crafts have been seen in

797

00:32:42,340 --> 00:32:39,660

the vicinity of those experiences taking

798

00:32:44,870 --> 00:32:42,350

place one was seen by his neighbor

799

00:32:48,410 --> 00:32:44,880

hovering hovering over the road where

800

00:32:51,080 --> 00:32:48,420

David lived on and was reported to from

801  
00:32:52,400 --> 00:32:51,090  
his neighbor and so it's certainly

802  
00:32:52,950 --> 00:32:52,410  
possible that what you're looking at

803  
00:32:54,659 --> 00:32:52,960  
there is

804  
00:32:57,000 --> 00:32:54,669  
natural kraft una this outside in the

805  
00:32:58,230 --> 00:32:57,010  
sky at the time now dead doesn't have

806  
00:32:59,490 --> 00:32:58,240  
any recollection many contact

807  
00:33:01,169 --> 00:32:59,500  
experiences they occurred around this

808  
00:33:02,610 --> 00:33:01,179  
time but it's again certainly

809  
00:33:04,769 --> 00:33:02,620  
interesting that we have a photograph 30

810  
00:33:06,870 --> 00:33:04,779  
look at further said there's numerous

811  
00:33:12,110 --> 00:33:06,880  
explanations one of which is that it's

812  
00:33:14,669 --> 00:33:12,120  
some sort of spacecraft right okay so

813  
00:33:16,710 --> 00:33:14,679

2016 same year the same years at UFO

814

00:33:20,730 --> 00:33:16,720

photograph few months later after his

815

00:33:22,169 --> 00:33:20,740

taken this photo and one days it was in

816

00:33:24,930 --> 00:33:22,179

the light of feeling quite sleepy as a

817

00:33:27,779 --> 00:33:24,940

late evening time and his wife decided

818

00:33:29,970 --> 00:33:27,789

so two guys at the house and sort of

819

00:33:34,740 --> 00:33:29,980

leaves him there and he drops off to

820

00:33:36,419 --> 00:33:34,750

sleep on the sofa and it's been asleep

821

00:33:37,740 --> 00:33:36,429

on the sofa for a while and he comes

822

00:33:40,649 --> 00:33:37,750

back round and he's still lying on the

823

00:33:43,289 --> 00:33:40,659

safer it's bit darker and in the room

824

00:33:46,470 --> 00:33:43,299

and he senses that something's not quite

825

00:33:48,870 --> 00:33:46,480

right this is kind of shift in reality

826

00:33:50,850 --> 00:33:48,880

as he calls it and this is very very

827

00:33:52,649 --> 00:33:50,860

commonly reported with with content

828

00:33:55,409 --> 00:33:52,659

experiences they often start with a

829

00:33:56,789 --> 00:33:55,419

change in the surroundings like like

830

00:33:58,560 --> 00:33:56,799

everything looks fine but there's

831

00:34:00,120 --> 00:33:58,570

something not quite right and some

832

00:34:04,560 --> 00:34:00,130

people sense a kind of presence in the

833

00:34:06,389 --> 00:34:04,570

room he he looks over the doorway so no

834

00:34:08,970 --> 00:34:06,399

he looks over the door so he was not

835

00:34:11,250 --> 00:34:08,980

paralyzed at this point he he was able

836

00:34:13,200 --> 00:34:11,260

to lift up and look he's looking around

837

00:34:14,579 --> 00:34:13,210

the room he looked about the delay and

838

00:34:17,520 --> 00:34:14,589

he says this all guys standing in the

839

00:34:20,099 --> 00:34:17,530

doorway and essentially that's a what we

840

00:34:23,399 --> 00:34:20,109

commonly call a grey one of the more

841

00:34:26,310 --> 00:34:23,409

commonly reported types of a venti the

842

00:34:28,980 --> 00:34:26,320

usually about four foot high large black

843

00:34:30,839 --> 00:34:28,990

eyes made famous by films such as close

844

00:34:34,169 --> 00:34:30,849

encounters and the x-files and all that

845

00:34:35,369 --> 00:34:34,179

the quintessential look of how an alien

846

00:34:37,349 --> 00:34:35,379

supposed to look like in the in the

847

00:34:38,909 --> 00:34:37,359

public eye these guys are seen quite

848

00:34:40,560 --> 00:34:38,919

regularly with contact that as i said

849

00:34:43,109 --> 00:34:40,570

earlier on the the humanoid types are

850

00:34:44,159 --> 00:34:43,119

also seen almost as often as great and

851

00:34:48,899 --> 00:34:44,169

there are other types of should not

852

00:34:51,210 --> 00:34:48,909

going to go into the moment so yeah at

853

00:34:53,250 --> 00:34:51,220

that point he black fam I'm so it turns

854

00:34:54,450 --> 00:34:53,260

and sees this guy and immediately if it

855

00:34:56,430 --> 00:34:54,460

is it feels almost like it's been

856

00:34:59,220 --> 00:34:56,440

sedated and it just drops back off to

857

00:35:01,829 --> 00:34:59,230

sleep and everything goes dark when he

858

00:35:04,349 --> 00:35:01,839

comes around and a number of hours has

859

00:35:05,700 --> 00:35:04,359

gone by it's watch his wife is still out

860

00:35:07,440 --> 00:35:05,710

the house and

861

00:35:08,849 --> 00:35:07,450

realizes the one of his feet is aching

862

00:35:11,099 --> 00:35:08,859

quite a lot it's getting quite a lot of

863

00:35:12,810 --> 00:35:11,109

pain from his foot in this of his foot

864

00:35:14,700 --> 00:35:12,820

it was bad for at the time of I am a

865

00:35:17,660 --> 00:35:14,710

little bit spoilt and on the basis potty

866

00:35:19,890 --> 00:35:17,670

he sees that he's tried to draw it

867

00:35:22,710 --> 00:35:19,900

essentially it was a very very odd

868

00:35:23,970 --> 00:35:22,720

collection of lines and circles and yes

869

00:35:27,570 --> 00:35:23,980

it does almost look like a crop

870

00:35:29,579 --> 00:35:27,580

formation that's right and so a lot of

871

00:35:31,470 --> 00:35:29,589

circles up here with these kind of lines

872

00:35:33,420 --> 00:35:31,480

go down here and then another double

873

00:35:35,700 --> 00:35:33,430

circle type thing there so imagine that

874

00:35:39,480 --> 00:35:35,710

in red in red so lines on the base of

875

00:35:42,599 --> 00:35:39,490

his feet and it's got no idea how it got

876

00:35:43,920 --> 00:35:42,609

there whatsoever so someone look at some

877

00:35:47,160 --> 00:35:43,930

of the possibilities for what they could

878

00:35:49,920 --> 00:35:47,170

have been was that previously unnoticed

879

00:35:51,270 --> 00:35:49,930

injury so sometimes you can injure

880

00:35:52,740 --> 00:35:51,280

yourself and not realize you've been

881

00:35:54,660 --> 00:35:52,750

hurt until you until you look and you

882

00:35:56,160 --> 00:35:54,670

see see the cut or whatever and then all

883

00:35:58,050 --> 00:35:56,170

of a sudden it starts to hurt now it

884

00:36:00,540 --> 00:35:58,060

just says its foot started aching before

885

00:36:02,220 --> 00:36:00,550

he saw it but even so had it been

886

00:36:05,040 --> 00:36:02,230

something had he damaged his foot in

887

00:36:07,050 --> 00:36:05,050

some way on the previous and earlier on

888

00:36:09,450 --> 00:36:07,060

that day and not realized that maybe you

889

00:36:11,310 --> 00:36:09,460

had tight shoes on and I was blocking

890

00:36:13,320 --> 00:36:11,320

the pain there's something like that but

891

00:36:15,390 --> 00:36:13,330

doesn't seem to really fit that could it

892

00:36:17,099 --> 00:36:15,400

trod on something while sleepwalking um

893

00:36:18,510 --> 00:36:17,109

no this is one of the things I put to

894

00:36:20,280 --> 00:36:18,520

him you know when maybe you dropped off

895

00:36:22,079 --> 00:36:20,290

to sleep you started sleep wandering

896

00:36:24,839 --> 00:36:22,089

around your house and you tried on one

897

00:36:26,460 --> 00:36:24,849

of your daughter's toys of what I'm the

898

00:36:28,530 --> 00:36:26,470

day we confirmed that they didn't have

899

00:36:29,940 --> 00:36:28,540

anything in the room there was a Lego or

900

00:36:32,250 --> 00:36:29,950

anything lying around that he could have

901  
00:36:34,260 --> 00:36:32,260  
trod none especially not something to

902  
00:36:36,270 --> 00:36:34,270  
make it a very odd shape like that on

903  
00:36:38,099 --> 00:36:36,280  
the base of his foot and I mean it was

904  
00:36:40,020 --> 00:36:38,109  
quite an extensive and you can see the

905  
00:36:41,280 --> 00:36:40,030  
the amount of his foot that was covered

906  
00:36:44,099 --> 00:36:41,290  
with it so that didn't really seem to

907  
00:36:47,310 --> 00:36:44,109  
fit either well that medical skin

908  
00:36:48,510 --> 00:36:47,320  
condition the day was not grinding

909  
00:36:50,010 --> 00:36:48,520  
history of having a medical skin

910  
00:36:52,020 --> 00:36:50,020  
condition of any kind you know kind of

911  
00:36:53,910 --> 00:36:52,030  
XML hives or anything like that it

912  
00:36:56,880 --> 00:36:53,920  
doesn't you know he hasn't had any any

913  
00:36:58,620 --> 00:36:56,890

previous thing so I just got this to go

914

00:37:02,579 --> 00:36:58,630

on that this happened and it's never

915

00:37:04,380 --> 00:37:02,589

happened again since so and it looks too

916

00:37:05,609 --> 00:37:04,390

intricate to be a medical skin condition

917

00:37:07,890 --> 00:37:05,619

it didn't really look like a rash it

918

00:37:10,800 --> 00:37:07,900

look like proper kind of curve lines and

919

00:37:12,690 --> 00:37:10,810

circles which is first rank so again the

920

00:37:15,000 --> 00:37:12,700

other possible explanation what we're

921

00:37:16,390 --> 00:37:15,010

looking at here is some kind of marking

922

00:37:20,020 --> 00:37:16,400

that he got from a

923

00:37:21,730 --> 00:37:20,030

abduction or a visitation a visitation

924

00:37:23,290 --> 00:37:21,740

of basis where where the person sees

925

00:37:24,820 --> 00:37:23,300

entities in the in their environment in

926

00:37:27,070 --> 00:37:24,830

their own home like this that's a

927

00:37:29,920 --> 00:37:27,080

visitation he's already had that but was

928

00:37:32,410 --> 00:37:29,930

he when he blacked out was he then taken

929

00:37:34,330 --> 00:37:32,420

aboard a craft somewhere else and have

930

00:37:35,890 --> 00:37:34,340

this done to him you know is that the

931

00:37:38,050 --> 00:37:35,900

after effect of having some strange

932

00:37:39,910 --> 00:37:38,060

instrument of some kind used on use on

933

00:37:42,190 --> 00:37:39,920

this foot we're never going to know the

934

00:37:43,660 --> 00:37:42,200

answer to that I've dealt with other

935

00:37:45,550 --> 00:37:43,670

contact cases where markings have

936

00:37:47,620 --> 00:37:45,560

appeared on people and there was one

937

00:37:49,510 --> 00:37:47,630

lady where she got a row of five dots in

938

00:37:50,800 --> 00:37:49,520

the dead straight line I've dealt with

939

00:37:54,310 --> 00:37:50,810

numerous cases where they've had some

940

00:37:56,470 --> 00:37:54,320

red triangles and quite you know quite

941

00:37:59,140 --> 00:37:56,480

so straight edge trial and the mark is

942

00:38:00,550 --> 00:37:59,150

usually disappear within so 48 hours but

943

00:38:07,030 --> 00:38:00,560

very occasionally have been known to

944

00:38:08,290 --> 00:38:07,040

leave lasting scars right okay I'm going

945

00:38:10,030 --> 00:38:08,300

to take you through one more one more

946

00:38:13,240 --> 00:38:10,040

incident and then we'll have a little

947

00:38:15,340 --> 00:38:13,250

bit of a break in the future and this is

948

00:38:18,490 --> 00:38:15,350

the another incredible incident occurred

949

00:38:20,860 --> 00:38:18,500

in the summer 2004 and this one's really

950

00:38:22,630 --> 00:38:20,870

bizarre and you'll see some aspects of

951

00:38:24,220 --> 00:38:22,640

this which you probably want to see

952

00:38:26,770 --> 00:38:24,230

before live there with experiences and

953

00:38:28,360 --> 00:38:26,780

it occurred near called the case fields

954

00:38:30,130 --> 00:38:28,370

that's a nickname that they earn that

955

00:38:32,380 --> 00:38:30,140

the guys gave for the area where this

956

00:38:35,290 --> 00:38:32,390

occurred so basically a number of her

957

00:38:37,780 --> 00:38:35,300

grassy fields in the southeast corner of

958

00:38:39,010 --> 00:38:37,790

bicester tan and on the outskirts and

959

00:38:40,410 --> 00:38:39,020

they and they caught the ghost fields

960

00:38:42,940 --> 00:38:40,420

because numerous people reported seeing

961

00:38:44,560 --> 00:38:42,950

ghosts down there various points there's

962

00:38:46,690 --> 00:38:44,570

kind of quite spooky after that you get

963

00:38:48,190 --> 00:38:46,700

a kind of low mist and almost like that

964

00:38:49,330 --> 00:38:48,200

back that's not the ghost fields by the

965

00:38:52,990 --> 00:38:49,340

way I just grabbed that because it kind

966

00:38:55,840 --> 00:38:53,000

of reminded me of it so you're one

967

00:38:57,460 --> 00:38:55,850

evening a remand is our friend Ricky the

968

00:38:58,990 --> 00:38:57,470

big that's a place called a brill hill

969

00:39:01,270 --> 00:38:59,000

other than offensive you're aware of

970

00:39:03,070 --> 00:39:01,280

that and sin the outskirts of a vista

971

00:39:05,710 --> 00:39:03,080

and they sometimes go out there

972

00:39:08,320 --> 00:39:05,720

skywatching because um officer Davis has

973

00:39:10,480 --> 00:39:08,330

had numerous experiences with craft and

974

00:39:12,190 --> 00:39:10,490

beings and everything and and he's well

975

00:39:14,140 --> 00:39:12,200

aware this is a part of his life so he

976

00:39:16,090 --> 00:39:14,150

likes to go out and sit under the stars

977

00:39:17,830 --> 00:39:16,100

and you know see if you can spot

978

00:39:20,080 --> 00:39:17,840

anything so they're gone they're gone

979

00:39:22,090 --> 00:39:20,090

out the Brill hill and they're traveling

980

00:39:25,000 --> 00:39:22,100

back observe quite quite late at night

981

00:39:27,190 --> 00:39:25,010

there between for half 10-11 so not

982

00:39:28,360 --> 00:39:27,200

ridiculously like this it was certainly

983

00:39:29,329 --> 00:39:28,370

very duck very dark and they're

984

00:39:31,729 --> 00:39:29,339

traveling along a straight

985

00:39:33,890 --> 00:39:31,739

garbage lane and at this point on the

986

00:39:36,440 --> 00:39:33,900

island here and they look over to the

987

00:39:38,120 --> 00:39:36,450

right and they see a glowing white orb

988

00:39:40,849 --> 00:39:38,130

of light up in the sky off to the right

989

00:39:43,809 --> 00:39:40,859

of the car appears bigger than a sterile

990

00:39:46,609 --> 00:39:43,819

satellite and this white light is a

991

00:39:48,559 --> 00:39:46,619

descending and is coming down like a

992

00:39:50,719 --> 00:39:48,569

falling leaf is doing this sort of

993

00:39:53,269 --> 00:39:50,729

motion and slowly coming down through

994

00:39:54,529 --> 00:39:53,279

the sky and they clock it and they're

995

00:39:56,569 --> 00:39:54,539

watching it they're carrying on driving

996

00:39:58,759 --> 00:39:56,579

along the road and this thing is across

997

00:40:00,380 --> 00:39:58,769

here over the field and it's it's

998

00:40:01,849 --> 00:40:00,390

keeping pace with the car essentially

999

00:40:04,459 --> 00:40:01,859

and they're watching it and it's coming

1000

00:40:06,769 --> 00:40:04,469

to lower and lower to the ground there's

1001  
00:40:08,509 --> 00:40:06,779  
a drawing of it as their car going along

1002  
00:40:10,640 --> 00:40:08,519  
and there's the object so he's trying to

1003  
00:40:12,799 --> 00:40:10,650  
draw this kind of falling leaf type

1004  
00:40:15,529 --> 00:40:12,809  
pattern that this thing was doing I've

1005  
00:40:21,769 --> 00:40:15,539  
heard of a cases where people reported

1006  
00:40:23,329 --> 00:40:21,779  
this this pattern so they go a bit

1007  
00:40:24,920 --> 00:40:23,339  
further up the road and this dis lights

1008  
00:40:25,910 --> 00:40:24,930  
coming on down and they realize it's

1009  
00:40:28,309 --> 00:40:25,920  
going to come down this going to touch

1010  
00:40:29,959 --> 00:40:28,319  
the ground and it goes down out of sight

1011  
00:40:31,999 --> 00:40:29,969  
behind there behind the trees off to the

1012  
00:40:33,890 --> 00:40:32,009  
right of the road so is the drumming

1013  
00:40:37,489 --> 00:40:33,900

along here and it's gone down over here

1014

00:40:39,650 --> 00:40:37,499

somewhere and they Park up and they're

1015

00:40:42,140 --> 00:40:39,660

sitting there in the car and the

1016

00:40:44,299 --> 00:40:42,150

thinking was a craft till something over

1017

00:40:45,519 --> 00:40:44,309

there and that field over there yeah are

1018

00:40:47,900 --> 00:40:45,529

we going to go ahead go and have a look

1019

00:40:49,459 --> 00:40:47,910

would you I mean many of us here would

1020

00:40:51,049 --> 00:40:49,469

probably like oh yeah yeah I'm

1021

00:40:52,640 --> 00:40:51,059

definitely gonna have a look but really

1022

00:40:53,900 --> 00:40:52,650

put yourself in that situation it's

1023

00:40:56,299 --> 00:40:53,910

quite late at night there's nobody else

1024

00:40:58,219 --> 00:40:56,309

around and this going white thing just

1025

00:40:59,900 --> 00:40:58,229

comes down into the field and you're

1026

00:41:01,279 --> 00:40:59,910

left for the either staying in the car

1027

00:41:03,559 --> 00:41:01,289

and driving off home we've been nice and

1028

00:41:06,229 --> 00:41:03,569

safe and sane or getting out and go and

1029

00:41:08,089 --> 00:41:06,239

seeing what's in the field yeah yeah

1030

00:41:10,430 --> 00:41:08,099

what's up they left five minutes

1031

00:41:12,469 --> 00:41:10,440

psyching himself up in the end they

1032

00:41:14,809 --> 00:41:12,479

decide to go for it so they are the exit

1033

00:41:16,519 --> 00:41:14,819

the car park here and they start a walk

1034

00:41:19,219 --> 00:41:16,529

out of style and come here into the

1035

00:41:20,509 --> 00:41:19,229

farmer's fields I've got their

1036

00:41:21,950 --> 00:41:20,519

photograph though took us out to the

1037

00:41:23,269 --> 00:41:21,960

location where this occurred when it

1038

00:41:25,279 --> 00:41:23,279

went down the best of the first time

1039

00:41:28,370 --> 00:41:25,289

this is the pathway to the field here

1040

00:41:30,019 --> 00:41:28,380

and they says it it was a moreover

1041

00:41:31,309 --> 00:41:30,029

greater than the kind of cleared it adds

1042

00:41:33,319 --> 00:41:31,319

a bit and everything and made it kind of

1043

00:41:34,670 --> 00:41:33,329

more public kind of walk paint walkway

1044

00:41:36,140 --> 00:41:34,680

now but you said it was some more

1045

00:41:39,559 --> 00:41:36,150

shrubbery here and everything but you

1046

00:41:41,539 --> 00:41:39,569

can still get through there's the field

1047

00:41:42,980 --> 00:41:41,549

location so that was where i showed you

1048

00:41:45,710 --> 00:41:42,990

with the circle on the map

1049

00:41:47,600 --> 00:41:45,720

second ago so let's standing here in the

1050

00:41:49,490 --> 00:41:47,610

field that forgets dark and follow this

1051  
00:41:50,660 --> 00:41:49,500  
it was right after dark and they could

1052  
00:41:52,070 --> 00:41:50,670  
still make out the trees and I think it

1053  
00:41:54,350 --> 00:41:52,080  
was quite clear night the stars were out

1054  
00:41:56,450 --> 00:41:54,360  
in the moon and across here behind this

1055  
00:41:58,670 --> 00:41:56,460  
clump of trees there was this white glow

1056  
00:42:00,350 --> 00:41:58,680  
coming from the ground and it was

1057  
00:42:04,400 --> 00:42:00,360  
obvious to them that it was whatever

1058  
00:42:06,980 --> 00:42:04,410  
this object was that it had come down so

1059  
00:42:10,640 --> 00:42:06,990  
again they said they stopped and they

1060  
00:42:12,950 --> 00:42:10,650  
like the cigarette and they cycle cells

1061  
00:42:14,840 --> 00:42:12,960  
up again because they quite nervous by

1062  
00:42:15,920 --> 00:42:14,850  
this point and they're kind of wondering

1063  
00:42:19,400 --> 00:42:15,930

you know whether should really got going

1064

00:42:20,180 --> 00:42:19,410

over there or not I'm sure many I'm sure

1065

00:42:21,680 --> 00:42:20,190

if you can put yourself in that

1066

00:42:23,060 --> 00:42:21,690

situation now creepy that would have

1067

00:42:26,120 --> 00:42:23,070

been to be out there not field after

1068

00:42:27,650 --> 00:42:26,130

dark know what's going on I there's a

1069

00:42:29,720 --> 00:42:27,660

drawing we tried to draw it didn't

1070

00:42:32,330 --> 00:42:29,730

belong much person essentially a local

1071

00:42:33,680 --> 00:42:32,340

own walk let's go come to the trees so

1072

00:42:36,470 --> 00:42:33,690

this thing had definitely come down you

1073

00:42:38,900 --> 00:42:36,480

know question is how'd it crashed was

1074

00:42:41,080 --> 00:42:38,910

this falling leaf motion due to it going

1075

00:42:43,550 --> 00:42:41,090

wrong in some way and was it descending

1076

00:42:46,640 --> 00:42:43,560

not an accord or was it landing on

1077

00:42:50,599 --> 00:42:46,650

purpose that's left open to debate isn't

1078

00:42:51,800 --> 00:42:50,609

it but it's certainly interesting so

1079

00:42:53,630 --> 00:42:51,810

yeah they're looking across these trees

1080

00:42:54,859 --> 00:42:53,640

and sitting there smoking away and then

1081

00:42:57,590 --> 00:42:54,869

wondering whether they're going to go

1082

00:42:59,000 --> 00:42:57,600

over there nobody there a better kind of

1083

00:42:59,870 --> 00:42:59,010

them decide they're going to do it

1084

00:43:02,270 --> 00:42:59,880

they're going to go and check what's

1085

00:43:05,270 --> 00:43:02,280

behind the trees and all of a sudden

1086

00:43:10,190 --> 00:43:05,280

this happened essentially will they see

1087

00:43:12,140 --> 00:43:10,200

is a line of about 10 or so figures come

1088

00:43:13,580 --> 00:43:12,150

out from the undergrowth in the

1089

00:43:15,560 --> 00:43:13,590

direction of where this white light is

1090

00:43:17,330 --> 00:43:15,570

yeah he said they're almost alongside

1091

00:43:19,340 --> 00:43:17,340

one another but not in a dead straight

1092

00:43:20,510 --> 00:43:19,350

line but kind of in a rough line and

1093

00:43:23,030 --> 00:43:20,520

they appear to be wearing what look like

1094

00:43:25,160 --> 00:43:23,040

hazmat suits are in white suits with

1095

00:43:29,390 --> 00:43:25,170

kind of proper mask so that sort of face

1096

00:43:31,190 --> 00:43:29,400

visor over the front and these figures

1097

00:43:32,330 --> 00:43:31,200

appear to be walking at marching across

1098

00:43:34,940 --> 00:43:32,340

the field almost like they're looking

1099

00:43:36,320 --> 00:43:34,950

for something now thinking what know if

1100

00:43:38,990 --> 00:43:36,330

they're going hey you know we stumbled

1101  
00:43:40,070 --> 00:43:39,000  
into some sort of biological I'd break

1102  
00:43:41,599 --> 00:43:40,080  
or something you know they didn't know

1103  
00:43:43,760 --> 00:43:41,609  
what was going on and the figure

1104  
00:43:46,460 --> 00:43:43,770  
suddenly looked human but this is the

1105  
00:43:48,470 --> 00:43:46,470  
vegetation they've stepped out from just

1106  
00:43:50,150 --> 00:43:48,480  
look far too dense for them to step out

1107  
00:43:53,270 --> 00:43:50,160  
so uniformly it was almost like they've

1108  
00:43:55,340 --> 00:43:53,280  
kind of wharfton essentially appeared

1109  
00:43:56,270 --> 00:43:55,350  
out of the trees but these figures are

1110  
00:43:57,230 --> 00:43:56,280  
kind of working

1111  
00:43:58,580 --> 00:43:57,240  
film they're just stunning they're

1112  
00:44:00,620 --> 00:43:58,590  
looking at them they're just going

1113  
00:44:03,200 --> 00:44:00,630

across the film there's what is

1114

00:44:06,050 --> 00:44:03,210

happening here about 30 seconds go by

1115

00:44:10,790 --> 00:44:06,060

and Ricky just without saying anything

1116

00:44:13,580 --> 00:44:10,800

just points of them and appears that

1117

00:44:15,710 --> 00:44:13,590

they noticed in pointing perhaps I don't

1118

00:44:17,750 --> 00:44:15,720

know but at that point one of the beings

1119

00:44:23,540 --> 00:44:17,760

are turns and basically looks straight

1120

00:44:24,830 --> 00:44:23,550

at them right and at that point but

1121

00:44:26,720 --> 00:44:24,840

suddenly get this image in a head

1122

00:44:28,760 --> 00:44:26,730

immediately they can both see the bings

1123

00:44:30,650 --> 00:44:28,770

face but it's right up there in front of

1124

00:44:32,060 --> 00:44:30,660

them a few feet away they've clearly

1125

00:44:34,900 --> 00:44:32,070

hears the words and I do apologize my

1126

00:44:37,970 --> 00:44:34,910

French is it hears the words off in

1127

00:44:40,430 --> 00:44:37,980

his in his mind a telepathic

1128

00:44:42,560 --> 00:44:40,440

communication and he sees the being very

1129

00:44:44,510 --> 00:44:42,570

very very negative very like you are not

1130

00:44:47,690 --> 00:44:44,520

supposed to be here type touch sensation

1131

00:44:48,950 --> 00:44:47,700

and the beings face he said it looked

1132

00:44:51,590 --> 00:44:48,960

rather humanoid but the eyes were

1133

00:44:53,390 --> 00:44:51,600

slightly bigger and it's facebook blue

1134

00:44:54,800 --> 00:44:53,400

but he said it maybe it was like a blue

1135

00:44:57,140 --> 00:44:54,810

visor and he was looking at it and had a

1136

00:44:59,150 --> 00:44:57,150

blue face because of the visor but

1137

00:45:01,370 --> 00:44:59,160

that's what he heard and needless to say

1138

00:45:03,110 --> 00:45:01,380

he turned and ran it didn't look what

1139

00:45:05,630 --> 00:45:03,120

was going on with Ricky he just turned

1140

00:45:07,550 --> 00:45:05,640

and leg dit he knew definitely wasn't

1141

00:45:09,080 --> 00:45:07,560

supposed to be there runs right the way

1142

00:45:10,940 --> 00:45:09,090

back to the car at that point he

1143

00:45:13,670 --> 00:45:10,950

realizes the Ricky is also back at the

1144

00:45:15,620 --> 00:45:13,680

car Ricky immediately tells him when the

1145

00:45:17,870 --> 00:45:15,630

being looked at us I saw its face right

1146

00:45:21,620 --> 00:45:17,880

next to my face it said it said get out

1147

00:45:24,380 --> 00:45:21,630

go away to me so he'd heard different

1148

00:45:26,090 --> 00:45:24,390

words but both of them a sort of very

1149

00:45:28,310 --> 00:45:26,100

negative conversation it was almost like

1150

00:45:29,690 --> 00:45:28,320

their minds were interpreting it in two

1151  
00:45:31,370 --> 00:45:29,700  
different words you know but it was the

1152  
00:45:33,700 --> 00:45:31,380  
it was the conversation of sort of you

1153  
00:45:36,260 --> 00:45:33,710  
know you're not supposed to be here

1154  
00:45:38,180 --> 00:45:36,270  
absolutely stunning incident needless to

1155  
00:45:40,250 --> 00:45:38,190  
say they got into the cart and guides

1156  
00:45:42,500 --> 00:45:40,260  
are there days says he's never seen

1157  
00:45:44,960 --> 00:45:42,510  
these things before since and he

1158  
00:45:46,970 --> 00:45:44,970  
believes that something went on there it

1159  
00:45:48,680 --> 00:45:46,980  
doesn't know whether it was on purpose

1160  
00:45:50,120 --> 00:45:48,690  
because it seems interesting you had all

1161  
00:45:52,400 --> 00:45:50,130  
these contact experiences and then he

1162  
00:45:53,990 --> 00:45:52,410  
has this incident but it was almost like

1163  
00:45:55,220 --> 00:45:54,000

something outside of his experiences

1164

00:45:57,170 --> 00:45:55,230

something they'd stumbled into by

1165

00:45:59,420 --> 00:45:57,180

mistake it definitely weren't welcome

1166

00:46:01,310 --> 00:45:59,430

there whatever was happening and of

1167

00:46:03,080 --> 00:46:01,320

course the fact that is being and kind

1168

00:46:05,510 --> 00:46:03,090

of psychically appeared in front of both

1169

00:46:07,460 --> 00:46:05,520

their faces and shows that it clearly

1170

00:46:08,750 --> 00:46:07,470

wasn't a sort of standard you

1171

00:46:12,109 --> 00:46:08,760

you know they certainly didn't appear to

1172

00:46:14,599 --> 00:46:12,119

be human absolutely stunning I've got

1173

00:46:18,380 --> 00:46:14,609

some testimony from Ricky Here I am I

1174

00:46:20,390 --> 00:46:18,390

met Ricky only i think was last year

1175

00:46:22,910 --> 00:46:20,400

early last year i went down to see the

1176

00:46:24,320 --> 00:46:22,920

band and Ricky spent a lot of time and

1177

00:46:26,330 --> 00:46:24,330

probably spin across Australia for a

1178

00:46:27,770 --> 00:46:26,340

while but say he was back in the UK and

1179

00:46:29,870 --> 00:46:27,780

he come to see the group and while he

1180

00:46:31,310 --> 00:46:29,880

was there I without any warning or

1181

00:46:33,050 --> 00:46:31,320

anything and I just pulled into one side

1182

00:46:34,760 --> 00:46:33,060

and I said could ask you some questions

1183

00:46:37,339 --> 00:46:34,770

about some of the experiences that

1184

00:46:39,020 --> 00:46:37,349

you've been involved in Israel yeah so

1185

00:46:41,960 --> 00:46:39,030

we go we go into the van i'll start you

1186

00:46:44,510 --> 00:46:41,970

know interviewing essentially and about

1187

00:46:46,370 --> 00:46:44,520

hears testimony and it fits extremely

1188

00:46:48,470 --> 00:46:46,380

closely with it with what dost are we in

1189

00:46:50,660 --> 00:46:48,480

fact for the letter i would say this is

1190

00:46:52,609 --> 00:46:50,670

his testimony in the sky was a big

1191

00:46:55,220 --> 00:46:52,619

glowing orb falling slowly from the sky

1192

00:46:56,510 --> 00:46:55,230

side to side like a leaf would fill it

1193

00:46:58,280 --> 00:46:56,520

looked like it was landing a couple of

1194

00:47:01,490 --> 00:46:58,290

fields over from the road so we decided

1195

00:47:03,500 --> 00:47:01,500

to stop and investigate we entered one

1196

00:47:05,480 --> 00:47:03,510

field and looked around and could see

1197

00:47:07,010 --> 00:47:05,490

the orders in the next field over but

1198

00:47:08,930 --> 00:47:07,020

the trees and bushes were far too dense

1199

00:47:11,690 --> 00:47:08,940

to make it through to it we stood and

1200

00:47:13,130 --> 00:47:11,700

just watched a while I looked across the

1201  
00:47:15,859 --> 00:47:13,140  
field and saw about nine year monoid

1202  
00:47:17,599 --> 00:47:15,869  
beings about 30 to 40 yards away in some

1203  
00:47:21,950 --> 00:47:17,609  
kind of white suits walking across the

1204  
00:47:23,750 --> 00:47:21,960  
field in single line 107 looked at us I

1205  
00:47:25,730 --> 00:47:23,760  
felt like he was right in front of my

1206  
00:47:27,560 --> 00:47:25,740  
face and then as clear as anything I

1207  
00:47:30,680 --> 00:47:27,570  
hear a voice in my head saying get out

1208  
00:47:32,510 --> 00:47:30,690  
go away I turned to run away back to the

1209  
00:47:34,550 --> 00:47:32,520  
trees and towards the car at the same

1210  
00:47:35,960 --> 00:47:34,560  
moment Dave did the same thing so you

1211  
00:47:38,930 --> 00:47:35,970  
can see there it's a direct correlation

1212  
00:47:41,150 --> 00:47:38,940  
with what dave has told us I certainly

1213  
00:47:43,370 --> 00:47:41,160

believe the this incident took place of

1214

00:47:45,440 --> 00:47:43,380

speaking with numerous occasions you can

1215

00:47:47,870 --> 00:47:45,450

say yes it's just testimonial but in

1216

00:47:49,609 --> 00:47:47,880

both in most UFO innocence and contact

1217

00:47:51,530 --> 00:47:49,619

cases that's all we've got to go on

1218

00:47:53,930 --> 00:47:51,540

testimonial but believe me when i say

1219

00:47:56,450 --> 00:47:53,940

i've spoken with day for many many hours

1220

00:47:58,099 --> 00:47:56,460

about his experiences and whenever I ask

1221

00:48:00,050 --> 00:47:58,109

him a question I get the answer back

1222

00:48:01,930 --> 00:48:00,060

like that it's not like he's coming up

1223

00:48:04,579 --> 00:48:01,940

with another part of the story

1224

00:48:06,050 --> 00:48:04,589

everything is told me as never it's

1225

00:48:07,790 --> 00:48:06,060

never wavered it's always it's always

1226

00:48:11,030 --> 00:48:07,800

exactly the same I certainly believe is

1227

00:48:13,070 --> 00:48:11,040

talking about a real instrument here so

1228

00:48:14,780 --> 00:48:13,080

I think at this point is probably a good

1229

00:48:15,859 --> 00:48:14,790

chance to kind of have a break and grab
