

1  
00:00:03,800 --> 00:00:01,309  
they call pete els which are

2  
00:00:05,960 --> 00:00:03,810  
programmable life-forms possibly to be

3  
00:00:08,270 --> 00:00:05,970  
used as part of the military abduction

4  
00:00:10,520 --> 00:00:08,280  
program this is really dark nefarious

5  
00:00:12,339 --> 00:00:10,530  
activity that's going on again this is

6  
00:00:15,110 --> 00:00:12,349  
just you know just in West Berkshire

7  
00:00:16,039 --> 00:00:15,120  
you've heard of Dulce in the States no

8  
00:00:19,099 --> 00:00:16,049  
doubt the deep underground military

9  
00:00:21,529 --> 00:00:19,109  
bases a lot of dark stuff going on so to

10  
00:00:24,740 --> 00:00:21,539  
me to see this sort of you know holy

11  
00:00:27,410 --> 00:00:24,750  
stuff but in these sort of locations as

12  
00:00:28,730 --> 00:00:27,420  
well so you know this is a big subject

13  
00:00:32,330 --> 00:00:28,740

what we're dealing with it's very

14

00:00:34,850 --> 00:00:32,340

multifaceted and very complex okay so

15

00:00:36,229 --> 00:00:34,860

what I do we stop there and if we if you

16

00:00:37,580 --> 00:00:36,239

want have about a 20-minute break that's

17

00:00:45,369 --> 00:00:37,590

all right and then come back and I'll do

18

00:00:53,720 --> 00:00:50,650

very trying to find out more about that

19

00:00:58,369 --> 00:00:53,730

radio station from so I did you say

20

00:01:00,799 --> 00:00:58,379

Karen characters ascii characters I just

21

00:01:04,870 --> 00:01:00,809

saw her hand so I thought I'd be back do

22

00:01:12,890 --> 00:01:04,880

you enjoy a Chomper yeah brilliant yeah

23

00:01:18,080 --> 00:01:12,900

simo yeah you think oh I thought it's

24

00:01:22,249 --> 00:01:18,090

really interesting hear ya hear ya no no

25

00:01:40,890 --> 00:01:22,259

no it's a second one I think second call

26

00:01:57,370 --> 00:01:50,170

is that you all right yeah okay hello

27

00:01:59,350 --> 00:01:57,380

everybody welcome back so this beautiful

28

00:02:04,150 --> 00:01:59,360

formation here this appeared at a place

29

00:02:05,830 --> 00:02:04,160

called Martin cell hill in 2009 another

30

00:02:07,570 --> 00:02:05,840

one of Steve Alexander's amazing

31

00:02:08,770 --> 00:02:07,580

pictures I love this one with that sort

32

00:02:11,620 --> 00:02:08,780

of the clouds in the background really

33

00:02:13,150 --> 00:02:11,630

beautiful formation another one that

34

00:02:16,060 --> 00:02:13,160

sort of precise to the millimeter

35

00:02:17,590 --> 00:02:16,070

basically when you look at it but what's

36

00:02:20,770 --> 00:02:17,600

amazing is I actually call this one the

37

00:02:22,930 --> 00:02:20,780

wheat from the chaff because it's as you

38

00:02:25,900 --> 00:02:22,940

can see the formation itself is only in

39

00:02:28,600 --> 00:02:25,910

the wheat field next to it is a field

40

00:02:30,220 --> 00:02:28,610

with grass in it and yet none of the

41

00:02:33,910 --> 00:02:30,230

images in that only within the week

42

00:02:35,770 --> 00:02:33,920

field but what is amazing is there was

43

00:02:39,820 --> 00:02:35,780

actually a photograph that was taken of

44

00:02:43,090 --> 00:02:39,830

this image from above and at the very

45

00:02:45,759 --> 00:02:43,100

place in the grass field where you would

46

00:02:49,150 --> 00:02:45,769

have the if it continued you'd have the

47

00:02:51,340 --> 00:02:49,160

circle there of that sixth arm coming

48

00:02:52,990 --> 00:02:51,350

out there were some cows in the field

49

00:02:55,479 --> 00:02:53,000

and they were actually standing in a

50

00:02:57,430 --> 00:02:55,489

perfect circle in the very place where

51  
00:02:59,890 --> 00:02:57,440  
that circle should have been if it had

52  
00:03:00,910 --> 00:02:59,900  
been there so again it's sort of adds

53  
00:03:02,770 --> 00:03:00,920  
weight to the fact that there's more

54  
00:03:05,080 --> 00:03:02,780  
going on to this than just you know just

55  
00:03:07,930 --> 00:03:05,090  
in the ground as it were it's as though

56  
00:03:10,210 --> 00:03:07,940  
they were able to subtly detect the sort

57  
00:03:12,520 --> 00:03:10,220  
of the energy or you know like the

58  
00:03:14,819 --> 00:03:12,530  
etheric blueprint of that formation as

59  
00:03:16,960 --> 00:03:14,829  
if it continued really incredible and

60  
00:03:19,360 --> 00:03:16,970  
this is one of the things I've seen it's

61  
00:03:22,539 --> 00:03:19,370  
as though they over the years as though

62  
00:03:25,270 --> 00:03:22,549  
the crop itself or the creative force

63  
00:03:28,090 --> 00:03:25,280

can be cropped specific you can actually

64

00:03:30,640 --> 00:03:28,100

specify the type of crop only that is to

65

00:03:32,380 --> 00:03:30,650

lie and nothing else other than that

66

00:03:34,960 --> 00:03:32,390

particular crop which is sort of taken

67

00:03:36,970 --> 00:03:34,970

at whole new levels this is a photograph

68

00:03:40,000 --> 00:03:36,980

that I took in a formation which I

69

00:03:42,099 --> 00:03:40,010

believe is a genuine formation in 2003

70

00:03:42,820 --> 00:03:42,109

this was and this sort of highlights

71

00:03:44,560 --> 00:03:42,830

that fat

72

00:03:46,600 --> 00:03:44,570

though all of the week with in the

73

00:03:48,460 --> 00:03:46,610

formation was laid but there was

74

00:03:51,040 --> 00:03:48,470

actually a stand of weeds in the

75

00:03:53,830 --> 00:03:51,050

formation and they didn't actually lay

76  
00:03:56,560 --> 00:03:53,840  
down only the wheat itself now I've seen

77  
00:03:58,750 --> 00:03:56,570  
this other researchers have seen it like

78  
00:04:01,720 --> 00:03:58,760  
this with either weeds sometimes with

79  
00:04:04,330 --> 00:04:01,730  
small flowers or poppies that you will

80  
00:04:06,250 --> 00:04:04,340  
often get around wheat fields the

81  
00:04:10,390 --> 00:04:06,260  
poppies themselves remain standing but

82  
00:04:12,700 --> 00:04:10,400  
the wheat itself is laid it pretty

83  
00:04:13,990 --> 00:04:12,710  
amazing and you know again the general

84  
00:04:17,050 --> 00:04:14,000  
feeling is that the technology is

85  
00:04:19,180 --> 00:04:17,060  
actually able to specify only what type

86  
00:04:21,970 --> 00:04:19,190  
of crop is to lie even sometimes we're

87  
00:04:23,170 --> 00:04:21,980  
so like the year before there was if it

88  
00:04:25,150 --> 00:04:23,180

sweet the year before might have been

89

00:04:27,460 --> 00:04:25,160

barley in that field if there are some

90

00:04:29,260 --> 00:04:27,470

stalks of barley they can even remain

91

00:04:31,180 --> 00:04:29,270

standing as well so you know this is

92

00:04:32,650 --> 00:04:31,190

taken off the scale you know when you

93

00:04:36,070 --> 00:04:32,660

see those orbs of energy that are

94

00:04:37,660 --> 00:04:36,080

possibly part of it and and also UFOs

95

00:04:40,420 --> 00:04:37,670

have been seen as part of the creative

96

00:04:41,920 --> 00:04:40,430

process as well but you know to take it

97

00:04:43,720 --> 00:04:41,930

to that level where you can sort of

98

00:04:47,530 --> 00:04:43,730

specify the type of crop is pretty

99

00:04:48,880 --> 00:04:47,540

incredible now I'm you know over the

100

00:04:52,120 --> 00:04:48,890

years again we've seen incredibly

101  
00:04:53,440 --> 00:04:52,130  
complex geometry and mathematics but one

102  
00:04:55,330 --> 00:04:53,450  
thing about the crop formations as it

103  
00:04:57,580 --> 00:04:55,340  
developed there were some mathematicians

104  
00:04:59,230 --> 00:04:57,590  
that were looking into this and they

105  
00:05:01,240 --> 00:04:59,240  
were blown away when they've seen

106  
00:05:02,590 --> 00:05:01,250  
certain things in mathematics or

107  
00:05:04,720 --> 00:05:02,600  
geometry that they're never seen before

108  
00:05:07,480 --> 00:05:04,730  
like seven fold geometry things like

109  
00:05:09,670 --> 00:05:07,490  
that and this is another one it's as you

110  
00:05:13,659 --> 00:05:09,680  
look at this it looks like a fairly

111  
00:05:15,940 --> 00:05:13,669  
simple formation but actually it spells

112  
00:05:21,610 --> 00:05:15,950  
out perfectly spells out the numbers of

113  
00:05:22,690 --> 00:05:21,620

pi disappeared round about some just a

114

00:05:24,490 --> 00:05:22,700

low bar because you know with that

115

00:05:26,050 --> 00:05:24,500

triangular formation from 91 that I

116

00:05:27,430 --> 00:05:26,060

showed earlier it's appeared roughly in

117

00:05:30,280 --> 00:05:27,440

the same place in the field below that

118

00:05:32,050 --> 00:05:30,290

formation so as I'll just show you this

119

00:05:34,300 --> 00:05:32,060

it's incredible how this actually how

120

00:05:37,060 --> 00:05:34,310

this works if you look at the three

121

00:05:38,650 --> 00:05:37,070

circles here they actually and from one

122

00:05:40,090 --> 00:05:38,660

edge of the circle to the other edge of

123

00:05:43,450 --> 00:05:40,100

the circles the way it comes into the

124

00:05:46,030 --> 00:05:43,460

center creates a witch and that is a

125

00:05:48,340 --> 00:05:46,040

tenth of the whole circumference so

126  
00:05:50,740 --> 00:05:48,350  
you've got 10 of those basically based

127  
00:05:54,279 --> 00:05:50,750  
on those circles so if you go into the

128  
00:05:55,270 --> 00:05:54,289  
middle here at the center and then go up

129  
00:05:58,620 --> 00:05:55,280  
one

130  
00:06:06,970 --> 00:05:58,630  
it creates basically the numbers of pi

131  
00:06:26,909 --> 00:06:06,980  
so it goes three-point up one up for up

132  
00:06:30,820 --> 00:06:26,919  
one up five up nine up to six up 50 for

133  
00:06:32,050 --> 00:06:30,830  
recurring dot dot are never in there and

134  
00:06:33,580 --> 00:06:32,060  
yeah hey just looks so simple as you

135  
00:06:36,970 --> 00:06:33,590  
look at it and yet how would you do that

136  
00:06:39,100 --> 00:06:36,980  
how could you create that amazing and

137  
00:06:41,260 --> 00:06:39,110  
then this one as well beautiful this

138  
00:06:44,560 --> 00:06:41,270

formation appeared near a place called

139

00:06:47,980 --> 00:06:44,570

Golden Ball hill again near on Barnes in

140

00:06:51,040 --> 00:06:47,990

Wiltshire and beautiful and known as the

141

00:06:55,120 --> 00:06:51,050

owl of formation for obvious reasons but

142

00:06:58,330 --> 00:06:55,130

of course you know with the the

143

00:07:00,490 --> 00:06:58,340

abduction process the owl is something

144

00:07:02,409 --> 00:07:00,500

that's seen regularly many abductees say

145

00:07:04,000 --> 00:07:02,419

they often see owls and they believe

146

00:07:07,180 --> 00:07:04,010

they are actually like it's like a mass

147

00:07:09,760 --> 00:07:07,190

memory of a gray and that they try to

148

00:07:10,840 --> 00:07:09,770

cover up the the abduction interaction

149

00:07:12,310 --> 00:07:10,850

as though they had this interaction with

150

00:07:14,350 --> 00:07:12,320

an hour but it's because it's basically

151

00:07:16,600 --> 00:07:14,360

it's a it's a face that stares at you

152

00:07:18,909 --> 00:07:16,610

with these really intense black eyes but

153

00:07:20,500 --> 00:07:18,919

really particularly with a hypnotic

154

00:07:22,210 --> 00:07:20,510

regression you suddenly find actually no

155

00:07:24,240 --> 00:07:22,220

it isn't that now it's actually the face

156

00:07:26,770 --> 00:07:24,250

of a gray looking at you're really close

157

00:07:28,360 --> 00:07:26,780

but also the Watchers the ancient

158

00:07:29,830 --> 00:07:28,370

watches in the past were often depicted

159

00:07:32,620 --> 00:07:29,840

as ours as well as they sort of watched

160

00:07:34,659 --> 00:07:32,630

and observed intelligent beings but it's

161

00:07:36,490 --> 00:07:34,669

incredible taking it to a whole new

162

00:07:39,670 --> 00:07:36,500

levels if you look all the way around

163

00:07:42,480 --> 00:07:39,680

there are 90 feathers all the way around

164

00:07:44,500 --> 00:07:42,490

there in crop so this isn't just crushed

165

00:07:46,480 --> 00:07:44,510

broken with ropes and planks of wood

166

00:07:48,250 --> 00:07:46,490

this is really light and fluffy you know

167

00:07:50,350 --> 00:07:48,260

I mean this is off the ground but each

168

00:07:52,180 --> 00:07:50,360

one as you can see is like a perfect

169

00:07:55,990 --> 00:07:52,190

feather 90 of them around that's so

170

00:07:58,200 --> 00:07:56,000

complex and then another one here

171

00:08:01,630 --> 00:07:58,210

beautiful formation disappeared in july

172

00:08:05,440 --> 00:08:01,640

2009 just down the road from that's the

173

00:08:07,540 --> 00:08:05,450

silvery hill that large sort of burial

174

00:08:08,230 --> 00:08:07,550

or spiritual mound so the largest burial

175

00:08:09,670 --> 00:08:08,240

mound in your

176

00:08:11,950 --> 00:08:09,680

up that and it's just down the road from

177

00:08:14,439 --> 00:08:11,960

the a three stone circle up here and

178

00:08:16,089 --> 00:08:14,449

that way down there is Stonehenge so

179

00:08:17,350 --> 00:08:16,099

again this is a real Mecca area where a

180

00:08:19,469 --> 00:08:17,360

lot of these formations have appeared

181

00:08:21,969 --> 00:08:19,479

but this was amazing disappearing in 09

182

00:08:25,719 --> 00:08:21,979

it was based on the feathered headdress

183

00:08:26,950 --> 00:08:25,729

within the mayim culture and you know so

184

00:08:29,110 --> 00:08:26,960

not only you've got the formation itself

185

00:08:30,610 --> 00:08:29,120

that's a car and a caravan over there

186

00:08:33,490 --> 00:08:30,620

this is somebody walking within the

187

00:08:35,589 --> 00:08:33,500

formation but you can see again the crop

188

00:08:37,360 --> 00:08:35,599

is laid around the top edge it's not

189

00:08:39,159 --> 00:08:37,370

just flattened it has that sort of

190

00:08:42,219 --> 00:08:39,169

three-dimensional block form pattern

191

00:08:46,710 --> 00:08:42,229

which is also within the main culture

192

00:08:52,810 --> 00:08:50,019

now these are all hopes these these for

193

00:08:56,590 --> 00:08:52,820

here and these were taken in the season

194

00:08:58,900 --> 00:08:56,600

of 2012 so for me I mean I studied this

195

00:09:01,810 --> 00:08:58,910

i started in 1995 looking into the

196

00:09:03,850 --> 00:09:01,820

formations in depth was part of the

197

00:09:06,340 --> 00:09:03,860

ultra crop circle study group that began

198

00:09:07,810 --> 00:09:06,350

that year and we were the group that

199

00:09:10,120 --> 00:09:07,820

were taking a lot of the samples and

200

00:09:13,930 --> 00:09:10,130

sending them to the for research in the

201  
00:09:15,970 --> 00:09:13,940  
states and you know over that year it

202  
00:09:18,040 --> 00:09:15,980  
was an incredible journey but but the

203  
00:09:19,569 --> 00:09:18,050  
hoaxing basically originally had dug and

204  
00:09:21,699 --> 00:09:19,579  
dave which is possibly a bit of a laugh

205  
00:09:24,040 --> 00:09:21,709  
but as it went on the hope soon became

206  
00:09:26,410 --> 00:09:24,050  
more and more nefarious and quite dark

207  
00:09:28,540 --> 00:09:26,420  
to be honest and the groups that were

208  
00:09:30,610 --> 00:09:28,550  
doing it were more professional they

209  
00:09:32,500 --> 00:09:30,620  
were paid a lot of money to do this you

210  
00:09:34,090 --> 00:09:32,510  
know genuine researchers are out there

211  
00:09:35,310 --> 00:09:34,100  
earning no money as you all know with

212  
00:09:38,860 --> 00:09:35,320  
these subjects you never earn money

213  
00:09:40,510 --> 00:09:38,870

these guys hoaxing to try and you know

214

00:09:42,630 --> 00:09:40,520

stop people understanding the truth

215

00:09:45,160 --> 00:09:42,640

that's going on it paid a lot of money

216

00:09:47,380 --> 00:09:45,170

some farmers are paid up to 10,000

217

00:09:49,750 --> 00:09:47,390

pounds to allow hoaxes to go in to

218

00:09:52,769 --> 00:09:49,760

create formations which were then filmed

219

00:09:56,050 --> 00:09:52,779

and then obviously shown in the media so

220

00:09:58,180 --> 00:09:56,060

it started to get darker and darker even

221

00:10:00,190 --> 00:09:58,190

genuine formations were often sullied or

222

00:10:01,840 --> 00:10:00,200

they would leave like ropes or planks of

223

00:10:03,670 --> 00:10:01,850

wood in there so that people would say

224

00:10:05,760 --> 00:10:03,680

oh it must be hoaxed you know but it

225

00:10:09,069 --> 00:10:05,770

wasn't or the other way around you know

226

00:10:11,829 --> 00:10:09,079

hoax formations farmers were also be

227

00:10:13,210 --> 00:10:11,839

encouraged and that was getting more and

228

00:10:14,650 --> 00:10:13,220

more regular particular in the

229

00:10:16,960 --> 00:10:14,660

wheelchair area there at the farmers be

230

00:10:19,030 --> 00:10:16,970

encouraged to go in quickly and cut out

231

00:10:20,210 --> 00:10:19,040

the formations as soon as they saw them

232

00:10:22,500 --> 00:10:20,220

appear on their land

233

00:10:23,850 --> 00:10:22,510

so even if it was genuine formation you

234

00:10:25,920 --> 00:10:23,860

didn't have any time to get in there to

235

00:10:27,240 --> 00:10:25,930

actually see them so and this was

236

00:10:30,210 --> 00:10:27,250

getting worse and work as it went

237

00:10:32,940 --> 00:10:30,220

through to sort of 2010 and beyond to me

238

00:10:36,000 --> 00:10:32,950

after 2010 really is when I think that

239

00:10:38,370 --> 00:10:36,010

most of the formations moved into hoax

240

00:10:40,439 --> 00:10:38,380

formations and very few genuine

241

00:10:43,379 --> 00:10:40,449

formations were appearing certainly

242

00:10:46,170 --> 00:10:43,389

through 2012 and beyond that it was as

243

00:10:48,150 --> 00:10:46,180

though the genuine creators of the

244

00:10:49,530 --> 00:10:48,160

formations that cared about the human

245

00:10:51,629 --> 00:10:49,540

race and want to encourage people

246

00:10:53,129 --> 00:10:51,639

onwards they realize is for getting so

247

00:10:56,670 --> 00:10:53,139

dark now that they weren't going to play

248

00:10:57,990 --> 00:10:56,680

the part or it had been 25 years odd you

249

00:11:01,800 --> 00:10:58,000

know perhaps that's enough time to look

250

00:11:04,230 --> 00:11:01,810

into that stuff anyway but however there

251  
00:11:06,449 --> 00:11:04,240  
were a couple of amazing formations that

252  
00:11:08,069 --> 00:11:06,459  
appeared in 2012 that I'll just show you

253  
00:11:09,780 --> 00:11:08,079  
now that you know when you see them

254  
00:11:12,569 --> 00:11:09,790  
again you'll just it blows your way here

255  
00:11:15,360 --> 00:11:12,579  
incredible they are one of them is this

256  
00:11:18,360 --> 00:11:15,370  
one disappeared a near a place called

257  
00:11:22,050 --> 00:11:18,370  
Chiss foot head which is near winchester

258  
00:11:24,509 --> 00:11:22,060  
in hampshire a beautiful formation it's

259  
00:11:25,949 --> 00:11:24,519  
sort of like fractal in a sense that you

260  
00:11:29,310 --> 00:11:25,959  
have a sort of a smaller version of a

261  
00:11:32,130 --> 00:11:29,320  
larger self or the other way round where

262  
00:11:34,290 --> 00:11:32,140  
you have like here say like one square

263  
00:11:36,269 --> 00:11:34,300

which is part of that larger square

264

00:11:39,720 --> 00:11:36,279

there which is part of the largest where

265

00:11:41,220 --> 00:11:39,730

they're like the fractal that it's gets

266

00:11:44,150 --> 00:11:41,230

smaller and smaller the same version of

267

00:11:47,790 --> 00:11:44,160

itself or the other way around but also

268

00:11:50,910 --> 00:11:47,800

actually this is based on the the

269

00:11:53,759 --> 00:11:50,920

endless not within Buddhism and it

270

00:11:55,380 --> 00:11:53,769

actually relates to the infinite wisdom

271

00:11:58,170 --> 00:11:55,390

of the Buddha which is pretty

272

00:11:59,490 --> 00:11:58,180

mind-boggling and again it's like those

273

00:12:02,340 --> 00:11:59,500

other things that you that I mentioned

274

00:12:05,370 --> 00:12:02,350

earlier on like this that all things are

275

00:12:06,540 --> 00:12:05,380

connected as this is this it you can

276

00:12:08,519 --> 00:12:06,550

follow the line it will go through the

277

00:12:10,470 --> 00:12:08,529

whole thing basically all things are

278

00:12:13,290 --> 00:12:10,480

connected from from the microcosm to the

279

00:12:14,970 --> 00:12:13,300

macrocosm as the consciousness of Buddha

280

00:12:19,470 --> 00:12:14,980

and of course God beyond it's pretty

281

00:12:21,210 --> 00:12:19,480

profound start at the end here and then

282

00:12:23,610 --> 00:12:21,220

this one the next one are when this

283

00:12:26,220 --> 00:12:23,620

appeared as a mind-boggling this this is

284

00:12:27,540 --> 00:12:26,230

like a three-dimensional queue but again

285

00:12:30,019 --> 00:12:27,550

the further back you go you'll look at

286

00:12:32,040 --> 00:12:30,029

that and just go this is incredible it's

287

00:12:32,900 --> 00:12:32,050

imagine trying to create this with ropes

288

00:12:35,810 --> 00:12:32,910

and planks of wood

289

00:12:37,400 --> 00:12:35,820

it's like a 3d cube that stands out from

290

00:12:38,900 --> 00:12:37,410

the field if you look at these

291

00:12:40,820 --> 00:12:38,910

particularly on the bottom here look

292

00:12:43,370 --> 00:12:40,830

it's as though they're actually going

293

00:12:48,260 --> 00:12:43,380

within the cube itself like the classic

294

00:12:50,300 --> 00:12:48,270

sort of bore Cuban in Star Trek amazing

295

00:12:52,610 --> 00:12:50,310

that in itself you've also got the crop

296

00:12:55,700 --> 00:12:52,620

around it on the inside is all woven

297

00:12:57,980 --> 00:12:55,710

like cloth and there's this tiny fine

298

00:13:01,100 --> 00:12:57,990

line here as though this is actually

299

00:13:03,380 --> 00:13:01,110

entering into that out again the feeling

300

00:13:07,130 --> 00:13:03,390

was what this was trying to do was to

301  
00:13:09,470 --> 00:13:07,140  
say beware of nanotechnology is as

302  
00:13:12,440 --> 00:13:09,480  
though these particles of nanotechnology

303  
00:13:14,390 --> 00:13:12,450  
are can enter the cells white cells of

304  
00:13:16,400 --> 00:13:14,400  
humans and of animals and that's exactly

305  
00:13:18,590 --> 00:13:16,410  
what's happening there now just in

306  
00:13:20,660 --> 00:13:18,600  
mainstream they're using silver

307  
00:13:22,640 --> 00:13:20,670  
nanoparticles even within clothing this

308  
00:13:25,670 --> 00:13:22,650  
is getting washed out flying to streams

309  
00:13:27,530 --> 00:13:25,680  
into rivers into the oceans you know see

310  
00:13:29,990 --> 00:13:27,540  
live fish are taken in these particles

311  
00:13:32,180 --> 00:13:30,000  
in it's like a major major warning you

312  
00:13:33,800 --> 00:13:32,190  
know don't go down that path as you are

313  
00:13:35,990 --> 00:13:33,810

with genetic engineering as well you

314

00:13:37,720 --> 00:13:36,000

know and so this is like I say this sort

315

00:13:39,740 --> 00:13:37,730

of step this up to this high level

316

00:13:42,080 --> 00:13:39,750

another one here look just to give you

317

00:13:45,080 --> 00:13:42,090

an idea of that like as it's showing

318

00:13:46,760 --> 00:13:45,090

entering into a cell but this is that

319

00:13:48,650 --> 00:13:46,770

line there that fine line actually went

320

00:13:50,780 --> 00:13:48,660

into that and it was less than the width

321

00:13:52,520 --> 00:13:50,790

of your hip so again how would you even

322

00:13:54,950 --> 00:13:52,530

do that trying to walk around with ropes

323

00:13:57,440 --> 00:13:54,960

and planks of wood it show highlights

324

00:13:59,480 --> 00:13:57,450

here like that it is cloth it's talking

325

00:14:03,140 --> 00:13:59,490

about but you can see within the

326

00:14:05,270 --> 00:14:03,150

landscape how beautiful this is so this

327

00:14:07,130 --> 00:14:05,280

is 2012 for me like I just said you know

328

00:14:09,140 --> 00:14:07,140

to me this the crop formation started a

329

00:14:10,520 --> 00:14:09,150

tail off the genuine ones from that

330

00:14:13,370 --> 00:14:10,530

point but it had been a long period of

331

00:14:15,290 --> 00:14:13,380

time and I felt very honored and blessed

332

00:14:18,200 --> 00:14:15,300

to be a part of this process to be

333

00:14:20,270 --> 00:14:18,210

honest we it was an amazing journey and

334

00:14:22,850 --> 00:14:20,280

I think the point of the crop formations

335

00:14:24,170 --> 00:14:22,860

was they were there to help people

336

00:14:26,510 --> 00:14:24,180

around the world wake up to the fact

337

00:14:29,060 --> 00:14:26,520

that something big was going on but also

338

00:14:30,740 --> 00:14:29,070

to give people the courage to carry on

339

00:14:33,920 --> 00:14:30,750

with that journey that research which we

340

00:14:35,960 --> 00:14:33,930

all know can be difficult but at the

341

00:14:37,730 --> 00:14:35,970

same time what it did you know it opened

342

00:14:40,430 --> 00:14:37,740

up the minds of people to other things

343

00:14:42,560 --> 00:14:40,440

other realities not only crop formations

344

00:14:43,639 --> 00:14:42,570

but of course spiritual reality you foes

345

00:14:45,109 --> 00:14:43,649

any teasing

346

00:14:47,720 --> 00:14:45,119

that people came together from all over

347

00:14:50,030 --> 00:14:47,730

the world or were inspired by this but

348

00:14:52,040 --> 00:14:50,040

it was like a foundation for what i

349

00:14:56,090 --> 00:14:52,050

think is leading up now is towards the

350

00:14:57,889 --> 00:14:56,100

disclosure situation that we now very

351

00:14:59,989 --> 00:14:57,899

close to the point of disclosure is

352

00:15:01,819 --> 00:14:59,999

going to happen and of course many

353

00:15:05,419 --> 00:15:01,829

people have spoken out about this over

354

00:15:06,769 --> 00:15:05,429

the years about the UFO reality from

355

00:15:08,540 --> 00:15:06,779

very high levels of military and

356

00:15:09,859 --> 00:15:08,550

government as well so you know you had

357

00:15:12,379 --> 00:15:09,869

this journey of the crop formations

358

00:15:13,850 --> 00:15:12,389

you've got many other people within sort

359

00:15:16,009 --> 00:15:13,860

of mainstream even in the military as

360

00:15:18,530 --> 00:15:16,019

well this is one guy got a lot of

361

00:15:21,199 --> 00:15:18,540

respect for this is Air Chief Marshal

362

00:15:23,269 --> 00:15:21,209

Lord Hugh doubting sure some of you

363

00:15:24,739 --> 00:15:23,279

familiar with him he was a pivotal

364

00:15:25,850 --> 00:15:24,749

figure that helped Britain win the

365

00:15:29,720 --> 00:15:25,860

battle of Britain in the Second World

366

00:15:32,150 --> 00:15:29,730

War he was the commander in chief of the

367

00:15:33,679 --> 00:15:32,160

RAF fighter command he was also part of

368

00:15:36,340 --> 00:15:33,689

the Air Research and Development

369

00:15:39,230 --> 00:15:36,350

department so he was very familiar with

370

00:15:40,220 --> 00:15:39,240

cutting-edge technology at that time he

371

00:15:42,410 --> 00:15:40,230

helped with the development of the

372

00:15:44,030 --> 00:15:42,420

Spitfire in the hurricane but also with

373

00:15:46,850 --> 00:15:44,040

the radar system which was developed

374

00:15:49,280 --> 00:15:46,860

sort of from 1935 through into the Second

375

00:15:50,929 --> 00:15:49,290

World War and it was that the radar

376

00:15:52,790 --> 00:15:50,939

system they were using you know as part

377

00:15:54,799 --> 00:15:52,800

of the theater of war but they started

378

00:15:57,019 --> 00:15:54,809

to track objects that were traveling at

379

00:16:00,949 --> 00:15:57,029

speeds way beyond the capabilities of

380

00:16:03,049 --> 00:16:00,959

aircraft within that time frame now

381

00:16:05,989 --> 00:16:03,059

because of this he heard about thousands

382

00:16:07,669 --> 00:16:05,999

of cases of you folks being tracked by

383

00:16:10,369 --> 00:16:07,679

radar he ended up speaking out about

384

00:16:13,759 --> 00:16:10,379

this and even in the 1950s and he

385

00:16:17,150 --> 00:16:13,769

actually said he said I believe them

386

00:16:18,889 --> 00:16:17,160

UFOs to be extraterrestrial they are so

387

00:16:20,780 --> 00:16:18,899

much in advance of what any nation could

388

00:16:23,090 --> 00:16:20,790

have a present and I'll say this is the

389

00:16:25,639 --> 00:16:23,100

50s when he said that and he'd been made

390

00:16:27,679 --> 00:16:25,649

aware of many thousands of cases but

391

00:16:30,319 --> 00:16:27,689

some objects traveling up to or even

392

00:16:31,730 --> 00:16:30,329

beyond 9,000 miles an hour so you know

393

00:16:36,230 --> 00:16:31,740

hit they knew is way beyond their

394

00:16:38,840 --> 00:16:36,240

technology at that time now also on the

395

00:16:40,549 --> 00:16:38,850

sixteenth of july 1999 there was a

396

00:16:43,249 --> 00:16:40,559

report published in France called the

397

00:16:45,679 --> 00:16:43,259

cometa report and cometa stands for the

398

00:16:48,499 --> 00:16:45,689

committee of in-depth studies that

399

00:16:52,100 --> 00:16:48,509

report was subtitled UFOs and defense

400

00:16:55,970 --> 00:16:52,110

what must we prepare for now that report

401  
00:16:57,230 --> 00:16:55,980  
was basically after a two-year study by

402  
00:16:59,120 --> 00:16:57,240  
some of france's lead

403  
00:17:02,510 --> 00:16:59,130  
military and government personnel

404  
00:17:05,360 --> 00:17:02,520  
including people like like Dennis Letty

405  
00:17:07,520 --> 00:17:05,370  
he was the Chief of Air Force liaison

406  
00:17:11,059 --> 00:17:07,530  
between NATO and France there was an

407  
00:17:13,429 --> 00:17:11,069  
admiral Martin malo general animal sir

408  
00:17:16,130 --> 00:17:13,439  
and here the French Air Force general

409  
00:17:18,530 --> 00:17:16,140  
Bernard Elaine as you can see hot top

410  
00:17:22,010 --> 00:17:18,540  
people doing a two year study on the UFO

411  
00:17:23,660 --> 00:17:22,020  
reality but mainly using military pilots

412  
00:17:26,059 --> 00:17:23,670  
or commercial airline pilots because

413  
00:17:27,949 --> 00:17:26,069

they wanted good eyewitness testimony at

414

00:17:30,440 --> 00:17:27,959

the end of that two years they came to

415

00:17:32,090 --> 00:17:30,450

the conclusion that some intelligently

416

00:17:35,840 --> 00:17:32,100

controlled crafts are of an

417

00:17:37,250 --> 00:17:35,850

extraterrestrial origin and they they

418

00:17:38,480 --> 00:17:37,260

then looked at what would happen if the

419

00:17:40,760 --> 00:17:38,490

governments of the world owned up to

420

00:17:42,650 --> 00:17:40,770

this a classic disclosure how it would

421

00:17:45,290 --> 00:17:42,660

affect the political situation the

422

00:17:48,200 --> 00:17:45,300

economic situation or the theological

423

00:17:49,790 --> 00:17:48,210

situation as well now copy of that

424

00:17:52,340 --> 00:17:49,800

report before it was openly published

425

00:17:54,200 --> 00:17:52,350

was sent to lionel jos man who's the

426  
00:17:56,330 --> 00:17:54,210  
Prime Minister of France and to Jacques

427  
00:17:57,770 --> 00:17:56,340  
Chirac the president of France so you

428  
00:17:59,600 --> 00:17:57,780  
can see these people at high levels are

429  
00:18:00,860 --> 00:17:59,610  
aware of this reality they're just not

430  
00:18:04,700 --> 00:18:00,870  
necessarily talking about in the open

431  
00:18:06,590 --> 00:18:04,710  
media as we know now there have been

432  
00:18:08,169 --> 00:18:06,600  
many other disclosures and you guys here

433  
00:18:10,220 --> 00:18:08,179  
I'm sure are fully aware of this

434  
00:18:11,600 --> 00:18:10,230  
incredible disclosures that have

435  
00:18:13,760 --> 00:18:11,610  
happened at the national press club in

436  
00:18:15,530 --> 00:18:13,770  
washington DC this is just down the road

437  
00:18:16,790 --> 00:18:15,540  
from the White House this is where many

438  
00:18:21,799 --> 00:18:16,800

of the president's give their addresses

439

00:18:24,410 --> 00:18:21,809

and some amazing sort of information

440

00:18:27,890 --> 00:18:24,420

that's come out there the the first one

441

00:18:30,080 --> 00:18:27,900

on the 9th of May 2001 set up by dr.

442

00:18:32,360 --> 00:18:30,090

Steven Greer the disclosure project and

443

00:18:34,190 --> 00:18:32,370

over 20 people from high levels of

444

00:18:35,750 --> 00:18:34,200

military and government spoke out in

445

00:18:37,910 --> 00:18:35,760

front of the world's media that were

446

00:18:41,240 --> 00:18:37,920

there at that time about their their own

447

00:18:43,310 --> 00:18:41,250

personal experiences of UFOs their

448

00:18:44,630 --> 00:18:43,320

awareness of extraterrestrials and even

449

00:18:46,700 --> 00:18:44,640

their awareness of some technology

450

00:18:49,040 --> 00:18:46,710

that's been back engineered from UFO

451  
00:18:50,660 --> 00:18:49,050  
technology and seeded into mainstream

452  
00:18:53,330 --> 00:18:50,670  
industry through government contracting

453  
00:18:57,320 --> 00:18:53,340  
programs things like silicon chip fiber

454  
00:18:59,480 --> 00:18:57,330  
optics night-vision Kevlar lasers plasma

455  
00:19:02,960 --> 00:18:59,490  
beam weaponry etc supposedly from back

456  
00:19:05,270 --> 00:19:02,970  
engineered UFOs that's John Callahan one

457  
00:19:07,820 --> 00:19:05,280  
of the heads of the FAA Federal Aviation

458  
00:19:08,540 --> 00:19:07,830  
Authority speaking out about an amazing

459  
00:19:12,590 --> 00:19:08,550  
new photo

460  
00:19:15,020 --> 00:19:12,600  
then in on the TOFA November 2007

461  
00:19:17,480 --> 00:19:15,030  
another amazing one here these guys

462  
00:19:19,070 --> 00:19:17,490  
speaking at the national press club I

463  
00:19:20,780 --> 00:19:19,080

wish I had time to tell you about all of

464

00:19:25,040 --> 00:19:20,790

them but I will just tell you about him

465

00:19:26,600 --> 00:19:25,050

to a 3-1 there that's captain ray Bowyer

466

00:19:29,290 --> 00:19:26,610

he was the commercial airline pilot

467

00:19:31,610 --> 00:19:29,300

flying with oriini Airways from

468

00:19:33,500 --> 00:19:31,620

Southampton to old Ernie as he was

469

00:19:37,040 --> 00:19:33,510

heading towards Guernsey this was in

470

00:19:40,730 --> 00:19:37,050

April 2007 they were two massive about

471

00:19:43,190 --> 00:19:40,740

one mile across disc-shaped objects near

472

00:19:45,920 --> 00:19:43,200

Guernsey hovering he saw them his

473

00:19:48,800 --> 00:19:45,930

passengers saw them the crew of a blue

474

00:19:50,900 --> 00:19:48,810

airlines at blue island's Airways saw

475

00:19:53,960 --> 00:19:50,910

them and also Jersey air traffic control

476  
00:19:58,040 --> 00:19:53,970  
registered them on their radar amazing

477  
00:20:00,320 --> 00:19:58,050  
you've also got here a peruvian pilot

478  
00:20:03,770 --> 00:20:00,330  
that actually fired 30-millimeter cannon

479  
00:20:05,510 --> 00:20:03,780  
on a UFO that was below him and the

480  
00:20:08,900 --> 00:20:05,520  
bullets themselves they didn't ricochet

481  
00:20:10,040 --> 00:20:08,910  
off they didn't cause this damage or

482  
00:20:12,350 --> 00:20:10,050  
destruction they just literally

483  
00:20:14,090 --> 00:20:12,360  
disappeared as they he saw the the

484  
00:20:16,280 --> 00:20:14,100  
bullets hitting the desert then they

485  
00:20:17,570 --> 00:20:16,290  
went across the UFO and just disappeared

486  
00:20:20,110 --> 00:20:17,580  
and then he saw them hitting again the

487  
00:20:22,580 --> 00:20:20,120  
desert beyond it so he knew he had hit

488  
00:20:25,180 --> 00:20:22,590

theoretically hit the UFO but they just

489

00:20:29,300 --> 00:20:25,190

disappeared amazing there's also here

490

00:20:32,270 --> 00:20:29,310

general Parviz Jafari he's a from the

491

00:20:35,120 --> 00:20:32,280

Iranian Air Force where he was scrambled

492

00:20:37,310 --> 00:20:35,130

to a UFO had lock on with Exocet

493

00:20:39,140 --> 00:20:37,320

missiles to foreign a UFO and that all

494

00:20:42,230 --> 00:20:39,150

of his weapon systems cut out on the on

495

00:20:45,440 --> 00:20:42,240

the military jet you know just simple as

496

00:20:47,960 --> 00:20:45,450

that completely shut out and then the

497

00:20:52,130 --> 00:20:47,970

last one I mentioned here the former

498

00:20:54,350 --> 00:20:52,140

governor of arizona fife symington who

499

00:20:55,910 --> 00:20:54,360

along with probably about ten thousand

500

00:21:00,020 --> 00:20:55,920

other witnesses that have spoken out

501  
00:21:02,660 --> 00:21:00,030  
witnessed in march of 1997 that massive

502  
00:21:04,790 --> 00:21:02,670  
one mile across triangular or boomerang

503  
00:21:06,650 --> 00:21:04,800  
shaped object that flew over phoenix

504  
00:21:08,570 --> 00:21:06,660  
what's called the Phoenix lights this

505  
00:21:10,460 --> 00:21:08,580  
massive object flying silently slowly

506  
00:21:13,160 --> 00:21:10,470  
over the city thousands of people

507  
00:21:14,750 --> 00:21:13,170  
watching it seeing the Stars blot out as

508  
00:21:18,230 --> 00:21:14,760  
it passed over this wasn't military

509  
00:21:19,940 --> 00:21:18,240  
flares he initially because he was still

510  
00:21:22,130 --> 00:21:19,950  
working as the governor here to debunk

511  
00:21:23,690 --> 00:21:22,140  
it but later on once he was

512  
00:21:25,010 --> 00:21:23,700  
tired he was another one of the

513  
00:21:28,430 --> 00:21:25,020

witnesses who spoke out that that was a

514

00:21:30,350 --> 00:21:28,440

real event so this this one alone if

515

00:21:32,420 --> 00:21:30,360

this was shown on the news at nine or

516

00:21:34,130 --> 00:21:32,430

ten without the usual debunking that

517

00:21:36,500 --> 00:21:34,140

goes with his subject the world would

518

00:21:39,230 --> 00:21:36,510

change overnight just that one event and

519

00:21:44,000 --> 00:21:39,240

yet there's so many others another one

520

00:21:46,100 --> 00:21:44,010

here is 27 September 2010 at the

521

00:21:49,190 --> 00:21:46,110

national press club US air force

522

00:21:50,540 --> 00:21:49,200

officers acknowledging the American

523

00:21:53,720 --> 00:21:50,550

nuclear missiles have been compromised

524

00:21:55,720 --> 00:21:53,730

by UFOs testimony given today the

525

00:21:58,790 --> 00:21:55,730

national press club in washington d.c

526  
00:22:01,280 --> 00:21:58,800  
indicates numerous missile installations

527  
00:22:03,890 --> 00:22:01,290  
have been shut down by unknown objects

528  
00:22:07,100 --> 00:22:03,900  
under intelligent control and then this

529  
00:22:09,230 --> 00:22:07,110  
one here more recently end of April

530  
00:22:12,800 --> 00:22:09,240  
early May 2013 what are called the

531  
00:22:14,990 --> 00:22:12,810  
citizen hearings again the here they

532  
00:22:16,940 --> 00:22:15,000  
were pushing for congressional hearings

533  
00:22:18,020 --> 00:22:16,950  
open congressional hearing so the people

534  
00:22:20,510 --> 00:22:18,030  
of the world can know that this stuff

535  
00:22:23,660 --> 00:22:20,520  
exists this one here they were actually

536  
00:22:26,840 --> 00:22:23,670  
about forty researchers and witnesses

537  
00:22:28,730 --> 00:22:26,850  
speaking in front of former congressman

538  
00:22:31,100 --> 00:22:28,740

and a senator at the National Press Club

539

00:22:33,740 --> 00:22:31,110

about their experiences this particular

540

00:22:36,680 --> 00:22:33,750

photo the guy that's speaking at the

541

00:22:39,830 --> 00:22:36,690

time is Captain Robert Salas and he was

542

00:22:43,280 --> 00:22:39,840

the launch control officer of a nuclear

543

00:22:46,190 --> 00:22:43,290

missile base Malstrom which we're again

544

00:22:48,110 --> 00:22:46,200

a UFO that was hovering was able to

545

00:22:49,790 --> 00:22:48,120

switch off all of the nuclear missiles

546

00:22:51,260 --> 00:22:49,800

and he said that's impossible you

547

00:22:52,760 --> 00:22:51,270

shouldn't be able to do that because

548

00:22:55,190 --> 00:22:52,770

they've got backup systems they're not

549

00:22:56,480 --> 00:22:55,200

you can't do it but it did as it

550

00:22:58,730 --> 00:22:56,490

happened to many others not only in the

551  
00:23:02,870 --> 00:22:58,740  
States but Russia as well so you know

552  
00:23:05,390 --> 00:23:02,880  
some big stuff going on now this is an

553  
00:23:08,500 --> 00:23:05,400  
illustration of the the triangular UFO

554  
00:23:12,530 --> 00:23:08,510  
that landed in the forest at Rendlesham

555  
00:23:14,840 --> 00:23:12,540  
26 27 28 December 1980 you know the

556  
00:23:18,890 --> 00:23:14,850  
Rendlesham forest case of course this

557  
00:23:20,060 --> 00:23:18,900  
UFO that landed a triangular UFO some of

558  
00:23:22,730 --> 00:23:20,070  
the military personnel that actually

559  
00:23:26,390 --> 00:23:22,740  
touched it so they recognized that it

560  
00:23:28,409 --> 00:23:26,400  
felt like metal or glass it had symbols

561  
00:23:31,169 --> 00:23:28,419  
on the side of it here that were drawn

562  
00:23:33,509 --> 00:23:31,179  
on this this object so it was like a

563  
00:23:35,489 --> 00:23:33,519

metal UFO but there was other stuff with

564

00:23:37,700 --> 00:23:35,499

the range from forest case involving

565

00:23:41,249 --> 00:23:37,710

orbit of light that was flying about

566

00:23:42,779 --> 00:23:41,259

there was a UFO again that shone a beam

567

00:23:44,970 --> 00:23:42,789

of light a pencil thin beam of light

568

00:23:47,129 --> 00:23:44,980

down into the nuclear weapons storage

569

00:23:49,049 --> 00:23:47,139

area and most people didn't even know

570

00:23:51,299 --> 00:23:49,059

that Bentwaters RF Bentwaters head

571

00:23:52,619 --> 00:23:51,309

nuclear weapons on at that stage it was

572

00:23:57,720 --> 00:23:52,629

mainly they were thinking about greenham

573

00:23:59,820 --> 00:23:57,730

common and and also a UFO shot a beam of

574

00:24:01,470 --> 00:23:59,830

light down in front of the feet of the

575

00:24:03,330 --> 00:24:01,480

deputy base commander Lieutenant Colonel

576

00:24:04,830 --> 00:24:03,340

Charles hole so again you could say

577

00:24:12,749 --> 00:24:04,840

that's a classic communication that was

578

00:24:13,379 --> 00:24:12,759

going on there so there's a huge amount

579

00:24:15,570 --> 00:24:13,389

of things that have been happening

580

00:24:17,609 --> 00:24:15,580

around the world as a safe for me the

581

00:24:22,080 --> 00:24:17,619

crop formations were part they were a

582

00:24:24,419 --> 00:24:22,090

very big piece of a larger jig saw a UFO

583

00:24:25,979 --> 00:24:24,429

stuff as well that we are heading

584

00:24:27,930 --> 00:24:25,989

towards that time when disclosure is

585

00:24:29,220 --> 00:24:27,940

going to happen I think possibly the

586

00:24:31,139 --> 00:24:29,230

government's aren't going to own up to

587

00:24:34,139 --> 00:24:31,149

it but something may occur where it has

588

00:24:35,879 --> 00:24:34,149

to has to come out it's going to be

589

00:24:37,739 --> 00:24:35,889

dodgy because if the media are still in

590

00:24:39,509 --> 00:24:37,749

control of giving information as you can

591

00:24:42,450 --> 00:24:39,519

imagine it's going to be pretty skewed

592

00:24:44,430 --> 00:24:42,460

towards the negative when it happens

593

00:24:46,259 --> 00:24:44,440

there's going to be massive debate

594

00:24:48,450 --> 00:24:46,269

around the world discussions on the

595

00:24:50,340 --> 00:24:48,460

reality of ETS of which there are many

596

00:24:52,109 --> 00:24:50,350

and of the fact they've been here for a

597

00:24:54,299 --> 00:24:52,119

long period of time through history so

598

00:24:57,060 --> 00:24:54,309

this is also clearly going to be a major

599

00:24:59,369 --> 00:24:57,070

discussion within religion as well it's

600

00:25:00,989 --> 00:24:59,379

believed that certainly the Vatican has

601  
00:25:02,849 --> 00:25:00,999  
the Vatican Commission that's been

602  
00:25:05,549 --> 00:25:02,859  
looking into the UFO reality over many

603  
00:25:07,739 --> 00:25:05,559  
years and that you know they are fully

604  
00:25:09,090 --> 00:25:07,749  
aware of it probably preparing for the

605  
00:25:12,330 --> 00:25:09,100  
day that they have to sort of step up

606  
00:25:14,430 --> 00:25:12,340  
and speak about this or talk about it

607  
00:25:18,269 --> 00:25:14,440  
once it happens so it's going to get

608  
00:25:20,369 --> 00:25:18,279  
pretty coat you know pretty crazy once

609  
00:25:22,590 --> 00:25:20,379  
the the UFO reality is acknowledged

610  
00:25:24,299 --> 00:25:22,600  
around the world but like I say I think

611  
00:25:27,509 --> 00:25:24,309  
the more that people can understand the

612  
00:25:29,399 --> 00:25:27,519  
truth of the various areas the easier

613  
00:25:31,549 --> 00:25:29,409

it'll be for people when these sort of

614

00:25:33,629 --> 00:25:31,559

changes come up because they will I

615

00:25:34,919 --> 00:25:33,639

think it's important to know as much as

616

00:25:38,190 --> 00:25:34,929

you can about the various things that

617

00:25:40,610 --> 00:25:38,200

are going on around the world okay so

618

00:25:42,230 --> 00:25:40,620

this is the last slide

619

00:25:44,870 --> 00:25:42,240

ll again going back to the crop

620

00:25:47,540 --> 00:25:44,880

formation world it's it was more than

621

00:25:49,760 --> 00:25:47,550

just images more than just geometry and

622

00:25:51,980 --> 00:25:49,770

mathematics there was a lot more going

623

00:25:53,299 --> 00:25:51,990

on the balls of light that I that I

624

00:25:55,220 --> 00:25:53,309

mentioned earlier was part of it that

625

00:25:57,470 --> 00:25:55,230

was taking this to new levels of

626

00:26:00,440 --> 00:25:57,480

Technology the fact that it could be

627

00:26:04,190 --> 00:26:00,450

crop specific was pretty amazing and

628

00:26:06,500 --> 00:26:04,200

also there are several researchers that

629

00:26:08,930 --> 00:26:06,510

have had experiences of like a

630

00:26:11,420 --> 00:26:08,940

telepathic acknowledgement where they

631

00:26:12,919 --> 00:26:11,430

would think of a certain image and the

632

00:26:16,760 --> 00:26:12,929

very next day that image would appear

633

00:26:19,370 --> 00:26:16,770

within the fields so you know the exact

634

00:26:21,380 --> 00:26:19,380

image even the parameters that they'd

635

00:26:24,080 --> 00:26:21,390

sort of thought about you know were laid

636

00:26:26,960 --> 00:26:24,090

within the crop so something was able to

637

00:26:29,120 --> 00:26:26,970

acknowledge even a telepathic sort of

638

00:26:31,040 --> 00:26:29,130

aspect to this so this is stepping up to

639

00:26:33,890 --> 00:26:31,050

whole new levels this is another one as

640

00:26:35,990 --> 00:26:33,900

well in 1996 there were some people that

641

00:26:39,049 --> 00:26:36,000

in Wiltshire they saw a formation of

642

00:26:42,049 --> 00:26:39,059

here basically the large beam of light

643

00:26:44,900 --> 00:26:42,059

that shone down from the sky and below

644

00:26:47,120 --> 00:26:44,910

it a very simple circle of crop sort of

645

00:26:49,270 --> 00:26:47,130

collapsed creating this image now that

646

00:26:52,520 --> 00:26:49,280

his self was amazing but they said that

647

00:26:53,990 --> 00:26:52,530

what was incredible was the actual beam

648

00:26:55,880 --> 00:26:54,000

itself when they looked through it it's

649

00:26:57,830 --> 00:26:55,890

as though it was daylight this wasn't

650

00:27:00,110 --> 00:26:57,840

just lighting up the field it's as

651  
00:27:02,780 --> 00:27:00,120  
though everything beyond it the field

652  
00:27:03,890 --> 00:27:02,790  
and into the sky was a different time it

653  
00:27:05,510 --> 00:27:03,900  
was as though it's actually daylight

654  
00:27:07,340 --> 00:27:05,520  
they called it the daylight doorway for

655  
00:27:09,560 --> 00:27:07,350  
that reason and then everywhere around

656  
00:27:11,900 --> 00:27:09,570  
was still night time and dark and starry

657  
00:27:13,490 --> 00:27:11,910  
and then as the light sort of went in on

658  
00:27:15,500 --> 00:27:13,500  
itself and disappeared basically then it

659  
00:27:18,560 --> 00:27:15,510  
was all night again so this again was

660  
00:27:22,100 --> 00:27:18,570  
you know adding a sort of anomaly of

661  
00:27:24,290 --> 00:27:22,110  
time to do with this as well so as I say

662  
00:27:26,390 --> 00:27:24,300  
it's been an incredible journey I think

663  
00:27:28,669 --> 00:27:26,400

we're at a major time of change on earth

664

00:27:30,590 --> 00:27:28,679

once disclosure happens you know the

665

00:27:32,870 --> 00:27:30,600

more that we have information on these

666

00:27:34,370 --> 00:27:32,880

various aspects is going to be easier to

667

00:27:36,860 --> 00:27:34,380

deal with the stuff that's going to

668

00:27:46,240 --> 00:27:36,870

happen but i think you know we're in

669

00:27:50,810 --> 00:27:49,640

if anyone I just turn this off and then

670

00:27:54,530 --> 00:27:50,820

if anyone's got any questions I'd be

671

00:27:56,300 --> 00:27:54,540

fantastic why do you think Britain in

672

00:27:58,940 --> 00:27:56,310

particular west country is more prolific

673

00:28:01,640 --> 00:27:58,950

yes opens for this sort of thing yes the

674

00:28:03,860 --> 00:28:01,650

world Steve said why do you think that

675

00:28:05,600 --> 00:28:03,870

the West Country was more prolific for

676

00:28:07,820 --> 00:28:05,610

these formations and the rest of the

677

00:28:09,230 --> 00:28:07,830

world as i said earlier on they have

678

00:28:12,110 --> 00:28:09,240

appeared in about forty two different

679

00:28:14,450 --> 00:28:12,120

countries all over the world but mainly

680

00:28:17,120 --> 00:28:14,460

in that area south of Swindon really in

681

00:28:18,530 --> 00:28:17,130

Wiltshire Hampshire and certainly eighty

682

00:28:21,110 --> 00:28:18,540

percent of water formations have

683

00:28:23,440 --> 00:28:21,120

appeared in that area and all the more

684

00:28:26,330 --> 00:28:23,450

complex formations as you saw tonight

685

00:28:27,980 --> 00:28:26,340

there's various theories to that some

686

00:28:29,810 --> 00:28:27,990

people say it's because there's a lot of

687

00:28:31,160 --> 00:28:29,820

ley lines in that area very powerful

688

00:28:33,950 --> 00:28:31,170

you're not the Michael line and things

689

00:28:35,990 --> 00:28:33,960

like that through Stonehenge some of the

690

00:28:37,340 --> 00:28:36,000

formations use that but of course as we

691

00:28:39,140 --> 00:28:37,350

know ley lines are all over the world

692

00:28:41,450 --> 00:28:39,150

some people say well it's because of the

693

00:28:44,870 --> 00:28:41,460

the the military bases there like

694

00:28:46,280 --> 00:28:44,880

salisbury port and down boss from down

695

00:28:49,370 --> 00:28:46,290

which again you know with the biological

696

00:28:52,460 --> 00:28:49,380

warfare unit stuff like that other

697

00:28:55,820 --> 00:28:52,470

people feel that you know it's the the

698

00:28:57,080 --> 00:28:55,830

ancient sites Stonehenge Avebury but

699

00:28:58,310 --> 00:28:57,090

again of course we've got ancient sites

700

00:29:01,100 --> 00:28:58,320

all around the words we could ever mince

701  
00:29:03,380 --> 00:29:01,110  
and near the pyramids they have appeared

702  
00:29:06,680 --> 00:29:03,390  
in different mediums not just in crop

703  
00:29:08,300 --> 00:29:06,690  
they've actually been seen the tops of

704  
00:29:09,800 --> 00:29:08,310  
trees where the trees are bent at a

705  
00:29:12,530 --> 00:29:09,810  
90-degree angle at the top of the tree

706  
00:29:13,910 --> 00:29:12,540  
in a circle without snapping so again I

707  
00:29:15,730 --> 00:29:13,920  
don't know how you do that there was

708  
00:29:19,130 --> 00:29:15,740  
also actually in Finland there was a

709  
00:29:21,560 --> 00:29:19,140  
nice circle that appeared with on a lake

710  
00:29:23,630 --> 00:29:21,570  
a perfect circle within the lake that

711  
00:29:25,790 --> 00:29:23,640  
was just suddenly not that not frozen

712  
00:29:27,020 --> 00:29:25,800  
anymore and you know the researchers

713  
00:29:28,910 --> 00:29:27,030

that saw this is amazing and then it

714

00:29:33,530 --> 00:29:28,920

started to refreeze again but at perfect

715

00:29:35,360 --> 00:29:33,540

circle but you know for me personally

716

00:29:37,820 --> 00:29:35,370

that there is no definitive answer to

717

00:29:40,310 --> 00:29:37,830

that I don't think but I think by having

718

00:29:42,560 --> 00:29:40,320

in one location what definitely happened

719

00:29:45,290 --> 00:29:42,570

is that people from all over the world

720

00:29:47,330 --> 00:29:45,300

started to come to that location from

721

00:29:49,460 --> 00:29:47,340

you know sort of 1990 certainly onwards

722

00:29:51,430 --> 00:29:49,470

that first formation I showed and it's

723

00:29:53,230 --> 00:29:51,440

as though by having it in one location

724

00:29:54,310 --> 00:29:53,240

allow people to say I'm going to go

725

00:29:55,779 --> 00:29:54,320

there next year and I'm going to look at

726

00:29:56,980 --> 00:29:55,789

these as they appear through the season

727

00:29:59,200 --> 00:29:56,990

you know and you had that sort of

728

00:30:00,549 --> 00:29:59,210

excitement every year of thinking I

729

00:30:02,139 --> 00:30:00,559

can't wait to what's going to happen

730

00:30:03,970 --> 00:30:02,149

next year you know this is when when it

731

00:30:05,889 --> 00:30:03,980

was you know the really amazing stuff

732

00:30:06,940 --> 00:30:05,899

was happening and you knew that

733

00:30:08,110 --> 00:30:06,950

something was going to happen actually

734

00:30:10,360 --> 00:30:08,120

what was it going to be you know really

735

00:30:11,889 --> 00:30:10,370

exciting what new messages are we going

736

00:30:14,590 --> 00:30:11,899

to get and that's what that is what was

737

00:30:16,210 --> 00:30:14,600

going on so I think it gone all over the

738

00:30:18,039 --> 00:30:16,220

world as it could have done you know a

739

00:30:19,629 --> 00:30:18,049

brilliant one here but no one would have

740

00:30:21,519 --> 00:30:19,639

known where to go other than local

741

00:30:23,019 --> 00:30:21,529

researchers but because it kept doing

742

00:30:25,779 --> 00:30:23,029

year after year after year in the same

743

00:30:29,950 --> 00:30:25,789

place it allowed a much greater body of

744

00:30:31,659 --> 00:30:29,960

work of research and understanding so

745

00:30:33,460 --> 00:30:31,669

you know for me I think that's probably

746

00:30:34,869 --> 00:30:33,470

the reason because it helped people to

747

00:30:37,960 --> 00:30:34,879

wake up to you know all the bigger

748

00:30:43,470 --> 00:30:37,970

realities do you think spiritual

749

00:30:49,810 --> 00:30:46,690

yeah you are the Olympic Games yeah yeah

750

00:30:51,710 --> 00:30:49,820

yeah yeah hope is it being there on

751

00:30:54,380 --> 00:30:51,720

Britain anybody yeah

752

00:30:55,909 --> 00:30:54,390

yeah I think I've been particularly the

753

00:30:57,710 --> 00:30:55,919

lead up to twenty twelve again most of

754

00:30:59,840 --> 00:30:57,720

you familiar with that there are some

755

00:31:02,690 --> 00:30:59,850

formations that I that seemed to really

756

00:31:06,470 --> 00:31:02,700

highlight and about the transformation

757

00:31:08,570 --> 00:31:06,480

in 2012 I haven't shown them tonight but

758

00:31:10,820 --> 00:31:08,580

definitely you know though that was

759

00:31:11,990 --> 00:31:10,830

another focus people were definitely it

760

00:31:14,120 --> 00:31:12,000

was adding weight to the fact that

761

00:31:15,529 --> 00:31:14,130

something big was coming while this was

762

00:31:17,630 --> 00:31:15,539

going on and people were concerned about

763

00:31:18,830 --> 00:31:17,640

the 2012 stuff that my and feathered

764

00:31:20,299 --> 00:31:18,840

headdress was another one when that

765

00:31:23,029 --> 00:31:20,309

appeared you know people were saying

766

00:31:24,440 --> 00:31:23,039

this is trying to define that so there

767

00:31:29,750 --> 00:31:24,450

was definitely that was definitely part

768

00:31:32,210 --> 00:31:29,760

of it yeah I know I think I it hasn't

769

00:31:36,680 --> 00:31:32,220

gone away i think post-2012 i think we

770

00:31:38,810 --> 00:31:36,690

were we were probably meant to move into

771

00:31:41,120 --> 00:31:38,820

a time when we have to responsible for

772

00:31:42,710 --> 00:31:41,130

things ourselves again on a spiritual

773

00:31:44,240 --> 00:31:42,720

level or even a physical level when

774

00:31:46,130 --> 00:31:44,250

that's what's going on it's been hard

775

00:31:48,440 --> 00:31:46,140

since then because you haven't got that

776

00:31:49,460 --> 00:31:48,450

support that you had but at the same

777

00:31:50,870 --> 00:31:49,470

time I think it's time for us to stand

778

00:31:57,690 --> 00:31:50,880

on our own fee and I think that's going

779

00:31:57,700 --> 00:32:12,380

yep

780

00:32:26,960 --> 00:32:14,850

wow really

781

00:32:32,210 --> 00:32:30,230

well that yeah now I agree that's

782

00:32:34,730 --> 00:32:32,220

exactly what a lot of research was

783

00:32:36,020 --> 00:32:34,740

saying that they because when you you

784

00:32:39,860 --> 00:32:36,030

know if you're really into it in a big

785

00:32:41,330 --> 00:32:39,870

way I was and many others were so as as

786

00:32:43,580 --> 00:32:41,340

they were appearing you know you could

787

00:32:45,950 --> 00:32:43,590

plot a minute through a year and each

788

00:32:49,159 --> 00:32:45,960

year would usually have a sort of theme

789

00:32:50,330 --> 00:32:49,169

of the images but you you know and it's

790

00:32:52,659 --> 00:32:50,340

as though they were taking us on a

791

00:32:55,730 --> 00:32:52,669

journey and a lot of people felt that

792

00:32:57,260 --> 00:32:55,740

the images would be you when you when

793

00:32:58,760 --> 00:32:57,270

you looked at them you would be

794

00:33:01,070 --> 00:32:58,770

receiving information he didn't even

795

00:33:03,260 --> 00:33:01,080

know you were like a telepathic

796

00:33:06,409 --> 00:33:03,270

communication like a sort of psychic

797

00:33:09,350 --> 00:33:06,419

vision they certainly had some of the

798

00:33:11,600 --> 00:33:09,360

formations created sound in the diatonic

799

00:33:13,820 --> 00:33:11,610

scale you can actually create music with

800

00:33:15,799 --> 00:33:13,830

them so you know this is this is

801

00:33:17,500 --> 00:33:15,809

in-depth stuff and I think a lot of

802

00:33:19,700 --> 00:33:17,510

people felt that they were receiving

803

00:33:23,330 --> 00:33:19,710

clearly from some of those you seen

804

00:33:25,399 --> 00:33:23,340

there was cerebral information you know

805

00:33:27,860 --> 00:33:25,409

mathematics geometry etc other messages

806

00:33:30,289 --> 00:33:27,870

as well but beyond that people felt that

807

00:33:33,110 --> 00:33:30,299

people were being woken up to a bigger

808

00:33:34,700 --> 00:33:33,120

cosmic spiritual reality just by looking

809

00:33:43,049 --> 00:33:34,710

at the images you know the genuine ones

810

00:33:52,270 --> 00:33:49,240

yeah yeah

811

00:33:55,210 --> 00:33:52,280

yes I was

812

00:33:56,890 --> 00:33:55,220

I I think like i said like i just said

813

00:33:59,320 --> 00:33:56,900

really with that is that you know they

814

00:34:01,540 --> 00:33:59,330

were there were messages you know as

815

00:34:03,280 --> 00:34:01,550

people went along like that one from 95

816

00:34:05,920 --> 00:34:03,290

with the with the earth missing when the

817

00:34:07,360 --> 00:34:05,930

orbit you know you can sit each one of

818

00:34:09,430 --> 00:34:07,370

us can interpret that however they want

819

00:34:13,290 --> 00:34:09,440

no one could say definitely what it was

820

00:34:18,790 --> 00:34:13,300

telling us but you could theorize this

821

00:34:20,890 --> 00:34:18,800

yeah that's yeah it's amazing no that's

822

00:34:24,100 --> 00:34:20,900

definitive yeah yeah the pie formation

823

00:34:26,050 --> 00:34:24,110

either one yeah again you know each one

824

00:34:28,740 --> 00:34:26,060

is up to the the research and themselves

825

00:34:31,330 --> 00:34:28,750

their own personal bias or belief

826

00:34:34,000 --> 00:34:31,340

clearly some are obvious like you say

827

00:34:36,550 --> 00:34:34,010

like that one others you know the the

828

00:34:38,710 --> 00:34:36,560

magnetic field one you know that that

829

00:34:40,180 --> 00:34:38,720

may not have been saying look at NASA

830

00:34:42,010 --> 00:34:40,190

that have just concluded that you've got

831

00:34:43,870 --> 00:34:42,020

a problem with your magnetic field but

832

00:34:45,460 --> 00:34:43,880

to me the timing was pretty amazing and

833

00:34:48,060 --> 00:34:45,470

because I was involved with it for

834

00:34:51,100 --> 00:34:48,070

probably definitely full-on for 19 years

835

00:34:53,590 --> 00:34:51,110

you know there always was a message to

836

00:34:56,260 --> 00:34:53,600

the genuine formations and often it was

837

00:34:58,450 --> 00:34:56,270

way more than your initial thought it

838

00:35:00,190 --> 00:34:58,460

was always like like right from right

839

00:35:02,050 --> 00:35:00,200

you know you always get more out of the

840

00:35:04,810 --> 00:35:02,060

right whereas wrong from wrong usually

841

00:35:06,400 --> 00:35:04,820

don't there was always more to it and

842

00:35:09,640 --> 00:35:06,410

the more you looked at it you learnt

843

00:35:11,740 --> 00:35:09,650

more saw more understood more so you

844

00:35:14,020 --> 00:35:11,750

know each person has their opinion of

845

00:35:15,490 --> 00:35:14,030

course but there's no doubt we were

846

00:35:17,680 --> 00:35:15,500

being guided to sort of look at

847

00:35:27,609 --> 00:35:17,690

something bigger than just light crop

848

00:35:35,720 --> 00:35:31,849

there's for me most of them if not all

849

00:35:38,690 --> 00:35:35,730

of our man-made I acknowledge there was

850

00:35:40,460 --> 00:35:38,700

one that appeared a place called ents

851

00:35:44,089 --> 00:35:40,470

the some of you may have seen it was

852

00:35:45,559 --> 00:35:44,099

very very complex and people you know a

853

00:35:47,390 --> 00:35:45,569

lot of people within the crop formation

854

00:35:49,040 --> 00:35:47,400

worlds that are you know a last we've

855

00:35:51,260 --> 00:35:49,050

got another amazing one like we used to

856

00:35:53,900 --> 00:35:51,270

have it's got a sort of writing all the

857

00:35:57,140 --> 00:35:53,910

way around it very complex quite an

858

00:35:59,359 --> 00:35:57,150

impressive formation but again you know

859

00:36:00,859 --> 00:35:59,369

you could a lot people son years amazing

860

00:36:02,270 --> 00:36:00,869

this is fantastic but the more research

861

00:36:04,190 --> 00:36:02,280

you do and those that as you did

862

00:36:07,190 --> 00:36:04,200

diligent research it became clear that

863

00:36:10,670 --> 00:36:07,200

this was a hoax as well but the hoaxers

864

00:36:12,309 --> 00:36:10,680

have become so good at their art you

865

00:36:14,930 --> 00:36:12,319

know that it becomes even to sort of

866

00:36:17,829 --> 00:36:14,940

laying the crop in such a way or leaving

867

00:36:20,240 --> 00:36:17,839

stand standing crop in the middle etc

868

00:36:24,200 --> 00:36:20,250

they become very professional what they

869

00:36:25,880 --> 00:36:24,210

do that it came for people and yet the

870

00:36:28,609 --> 00:36:25,890

researchers that looked into that found

871

00:36:31,940 --> 00:36:28,619

eventually that that formation had

872

00:36:34,700 --> 00:36:31,950

involved eight people over two weeks

873

00:36:37,220 --> 00:36:34,710

creating an area that wasn't sort of it

874

00:36:38,480 --> 00:36:37,230

was outside the normal area in

875

00:36:40,790 --> 00:36:38,490

collaboration with the people that

876

00:36:42,260 --> 00:36:40,800

happened that farm because again they

877

00:36:44,030 --> 00:36:42,270

were opening up to people to come in and

878

00:36:45,890 --> 00:36:44,040

you know the money that you pay a fiver

879

00:36:47,510 --> 00:36:45,900

to go in it goes to charity which is

880

00:36:49,400 --> 00:36:47,520

good so that sounds you know commendable

881

00:36:52,880 --> 00:36:49,410

but then there were other things going

882

00:36:57,200 --> 00:36:52,890

on as well it was to do with people who

883

00:37:00,700 --> 00:36:57,210

produce parrot bongos for want of a

884

00:37:04,760 --> 00:37:00,710

better word in the States a company and

885

00:37:08,480 --> 00:37:04,770

the images spell out the names of this

886

00:37:10,190 --> 00:37:08,490

company so you know again why would they

887

00:37:12,950 --> 00:37:10,200

want to tell us about people who create

888

00:37:15,079 --> 00:37:12,960

you know glass paraphernalia in America

889

00:37:16,280 --> 00:37:15,089

it just doesn't make any sense that's

890

00:37:17,960 --> 00:37:16,290

why people with sort of scratching their

891

00:37:20,630 --> 00:37:17,970

head about it then it became clear that

892

00:37:22,940 --> 00:37:20,640

you know that they'd sort of mapped it

893

00:37:24,500 --> 00:37:22,950

out over three nights you they nowadays

894

00:37:27,170 --> 00:37:24,510

you know they're using laser and sat nav

895

00:37:29,510 --> 00:37:27,180

and stuff it's it's advanced stuff but

896

00:37:31,240 --> 00:37:29,520

then though I eight days worth of

897

00:37:33,500 --> 00:37:31,250

creating this formation so anyway

898

00:37:35,859 --> 00:37:33,510

basically like I say for me personally

899

00:37:37,130 --> 00:37:35,869

other people would argue differently

900

00:37:39,230 --> 00:37:37,140

generally

901  
00:37:46,370 --> 00:37:39,240  
most of the formations now I feel are

902  
00:37:48,500 --> 00:37:46,380  
not genuine I think so I think so

903  
00:37:51,200 --> 00:37:48,510  
because yeah I'll be right there I think

904  
00:37:52,940 --> 00:37:51,210  
because I think they wanted us to wake

905  
00:37:55,009 --> 00:37:52,950  
up basically you know and that's what

906  
00:37:57,170 --> 00:37:55,019  
happened over that period now it's time

907  
00:37:58,490 --> 00:37:57,180  
to prepare for the disclosure process

908  
00:38:00,920 --> 00:37:58,500  
understand the political ramifications

909  
00:38:04,250 --> 00:38:00,930  
of what could happen with ET disclosure

910  
00:38:06,410 --> 00:38:04,260  
the theological implications and you

911  
00:38:07,730 --> 00:38:06,420  
know ready yourself for when this

912  
00:38:16,059 --> 00:38:07,740  
happens because the world will change

913  
00:38:18,690 --> 00:38:16,069

when disclosure happens yeah hi yeah

914

00:38:30,070 --> 00:38:18,700

yeah

915

00:38:34,150 --> 00:38:32,410

I mean that's that's called the year the

916

00:38:36,280 --> 00:38:34,160

devil marrying image you've probably

917

00:38:40,420 --> 00:38:36,290

seen that that picture it was in a wood

918

00:38:43,270 --> 00:38:40,430

block of like the devil with the you

919

00:38:46,660 --> 00:38:43,280

know with a scythe cutting that yet that

920

00:38:49,030 --> 00:38:46,670

vicar saw actually funny enough I think

921

00:38:52,120 --> 00:38:49,040

I do I mean people there they probably

922

00:38:54,580 --> 00:38:52,130

have appeared but most definitely this

923

00:38:56,980 --> 00:38:54,590

era was definitive you know it ran

924

00:38:58,900 --> 00:38:56,990

through the pro process from the mid 80s

925

00:39:01,780 --> 00:38:58,910

onwards so it was definitely meant gives

926

00:39:03,760 --> 00:39:01,790

25 years of this stuff going on that's a

927

00:39:05,440 --> 00:39:03,770

lifetime you know for some people that's

928

00:39:07,780 --> 00:39:05,450

a quarter of a century that's a huge

929

00:39:09,280 --> 00:39:07,790

amount of time it was you know otherwise

930

00:39:11,050 --> 00:39:09,290

we would have known about it when we

931

00:39:12,280 --> 00:39:11,060

were in the 70s or 60s or whatever you

932

00:39:15,670 --> 00:39:12,290

know so it's definitely something that

933

00:39:17,140 --> 00:39:15,680

occurred but the light you say that

934

00:39:19,420 --> 00:39:17,150

there is there's more to it than just

935

00:39:21,010 --> 00:39:19,430

you know images as I've said the

936

00:39:23,110 --> 00:39:21,020

consciousness there's a telepathic

937

00:39:25,480 --> 00:39:23,120

aspect some of the hoaxers have even

938

00:39:27,610 --> 00:39:25,490

admitted that while their hopes in a

939

00:39:30,640 --> 00:39:27,620

formation they often see a dark shadow

940

00:39:31,930 --> 00:39:30,650

in the formation or they have they feel

941

00:39:34,810 --> 00:39:31,940

like they're being guided to do

942

00:39:36,310 --> 00:39:34,820

something by an outside force things

943

00:39:38,350 --> 00:39:36,320

like that so it you know even hoaxes

944

00:39:40,360 --> 00:39:38,360

that are hoaxing have acknowledged that

945

00:39:43,330 --> 00:39:40,370

there is a paranormal aspect to this as

946

00:39:45,460 --> 00:39:43,340

well in some cases so it is complex is a

947

00:39:52,360 --> 00:39:45,470

very complex subject yeah good point oh

948

00:40:03,530 --> 00:39:58,190

yes yes absolutely the information was

949

00:40:08,270 --> 00:40:03,540

given yeah about disclosure yeah present

950

00:40:11,090 --> 00:40:08,280

situation normally yes so if you've read

951  
00:40:14,810 --> 00:40:11,100  
that yeah you must have an insight yeah

952  
00:40:18,440 --> 00:40:14,820  
definitely I shall talk with oh yeah

953  
00:40:21,860 --> 00:40:18,450  
yeah just yeah she's an interesting lady

954  
00:40:24,080 --> 00:40:21,870  
yeah I've read the the trilogy where she

955  
00:40:26,540 --> 00:40:24,090  
actually truly stunning this is another

956  
00:40:28,310 --> 00:40:26,550  
mind boggler I don't know how many

957  
00:40:30,080 --> 00:40:28,320  
people know if Dolores cannon but she's

958  
00:40:33,110 --> 00:40:30,090  
that she did a lot of regressive

959  
00:40:34,100 --> 00:40:33,120  
hypnotherapy on people in America even

960  
00:40:35,990 --> 00:40:34,110  
people who went back to the time of

961  
00:40:37,640 --> 00:40:36,000  
Christ who had incarnations previous

962  
00:40:40,040 --> 00:40:37,650  
incarnations at the time of Christ

963  
00:40:42,890 --> 00:40:40,050

things like that she was working with

964

00:40:45,020 --> 00:40:42,900

some people that were they were going

965

00:40:47,930 --> 00:40:45,030

back in time to the time of Nostradamus

966

00:40:49,220 --> 00:40:47,940

and because they wanted to once she

967

00:40:52,100 --> 00:40:49,230

realized that they were communicating

968

00:40:53,870 --> 00:40:52,110

with Nostradamus as if he was alive and

969

00:40:57,800 --> 00:40:53,880

this is what I loved about this talking

970

00:41:00,680 --> 00:40:57,810

about the orbs is they this was in I

971

00:41:02,360 --> 00:41:00,690

think I was in there was at night early

972

00:41:05,450 --> 00:41:02,370

90s or when they would do is Ephraim

973

00:41:08,330 --> 00:41:05,460

something like that yeah yeah so they

974

00:41:11,300 --> 00:41:08,340

were going back in time to communicate

975

00:41:13,130 --> 00:41:11,310

with Nostradamus who they would see then

976

00:41:14,720 --> 00:41:13,140

you know doing the work that he did when

977

00:41:16,340 --> 00:41:14,730

he was writing the prophecies and they

978

00:41:17,960 --> 00:41:16,350

started there's then started so what

979

00:41:20,480 --> 00:41:17,970

does this mean you know what is that

980

00:41:22,250 --> 00:41:20,490

that quatrain mean and he actually tell

981

00:41:24,200 --> 00:41:22,260

them in real term coming into their

982

00:41:25,280 --> 00:41:24,210

language so they started to write it and

983

00:41:26,780 --> 00:41:25,290

over a period of time they started to

984

00:41:28,940 --> 00:41:26,790

get more and more information so that

985

00:41:31,670 --> 00:41:28,950

she thought hold on we can actually find

986

00:41:35,480 --> 00:41:31,680

out what the actual quatrains mean in

987

00:41:38,450 --> 00:41:35,490

modern 1990s American language and and

988

00:41:40,040 --> 00:41:38,460

rewrite the the works of Nostradamus is

989

00:41:42,920 --> 00:41:40,050

mind-boggling but what blew me away

990

00:41:45,620 --> 00:41:42,930

about it is that they were going back

991

00:41:48,260 --> 00:41:45,630

through regression to communicate with

992

00:41:50,300 --> 00:41:48,270

Nostradamus he was alive at the time and

993

00:41:54,230 --> 00:41:50,310

what he used to see when they appeared

994

00:41:55,520 --> 00:41:54,240

were orbs of light in the room so this

995

00:41:56,630 --> 00:41:55,530

is this is mind boggling because we talk

996

00:41:59,270 --> 00:41:56,640

about the current here we're talking

997

00:42:00,950 --> 00:41:59,280

about orbs but he also used to recognize

998

00:42:03,180 --> 00:42:00,960

that when they appeared to consciousness

999

00:42:04,950 --> 00:42:03,190

appeared he saw it as an all

1000

00:42:07,170 --> 00:42:04,960

so then he would say hello I see you

1001  
00:42:08,430 --> 00:42:07,180  
there and they saw him go looking at

1002  
00:42:10,380 --> 00:42:08,440  
them and then they would ask the

1003  
00:42:12,599 --> 00:42:10,390  
questions so this is you know again this

1004  
00:42:14,670 --> 00:42:12,609  
is really incredible sort of what is

1005  
00:42:15,870 --> 00:42:14,680  
time you know what clearly there isn't

1006  
00:42:17,940 --> 00:42:15,880  
linear time when you're talking about

1007  
00:42:21,030 --> 00:42:17,950  
that sort of stuff and is it them give

1008  
00:42:24,030 --> 00:42:21,040  
him the premonitions well see that's it

1009  
00:42:26,790 --> 00:42:24,040  
was that then that with as like we're

1010  
00:42:29,490 --> 00:42:26,800  
giving in the quatrain future was that

1011  
00:42:31,770 --> 00:42:29,500  
stimulating him to them yeah translate

1012  
00:42:33,359 --> 00:42:31,780  
them himself I don't know he was writing

1013  
00:42:35,430 --> 00:42:33,369

them at the time but you know it was

1014

00:42:37,890 --> 00:42:35,440

definitely baked you noodle about what

1015

00:42:41,790 --> 00:42:37,900

is the reality of time I was going to

1016

00:42:45,900 --> 00:42:41,800

ask the question related the article

1017

00:42:49,740 --> 00:42:45,910

books yeah one of the main concern was

1018

00:42:52,770 --> 00:42:49,750

the upcoming Antichrist or Antichrist

1019

00:42:56,010 --> 00:42:52,780

there seems African opinion there was a

1020

00:43:01,079 --> 00:42:56,020

group of them not just one yeah yeah

1021

00:43:03,750 --> 00:43:01,089

sure there is one that's going to do

1022

00:43:08,220 --> 00:43:03,760

bill or get other people to build

1023

00:43:11,160 --> 00:43:08,230

underground facilities summoning some

1024

00:43:13,109 --> 00:43:11,170

Brazil there so I just want every idea T

1025

00:43:16,740 --> 00:43:13,119

insight on worse well all I can say is

1026  
00:43:18,089 --> 00:43:16,750  
as you said at the beginning is so many

1027  
00:43:20,730 --> 00:43:18,099  
of the things that not Adama spoke about

1028  
00:43:21,930 --> 00:43:20,740  
are coming true now you know he was

1029  
00:43:23,460 --> 00:43:21,940  
spoken about the environmental

1030  
00:43:25,650 --> 00:43:23,470  
catastrophes are going to happen and

1031  
00:43:29,640 --> 00:43:25,660  
they are you know you spoke about time

1032  
00:43:31,020 --> 00:43:29,650  
there be a machine going around the

1033  
00:43:32,670 --> 00:43:31,030  
world with people living in it and you

1034  
00:43:33,839 --> 00:43:32,680  
know people go all this ridiculous what

1035  
00:43:37,800 --> 00:43:33,849  
do we got space station on space

1036  
00:43:40,050 --> 00:43:37,810  
stations plural things like that but as

1037  
00:43:41,940 --> 00:43:40,060  
I even mentioned earlier on appease more

1038  
00:43:43,740 --> 00:43:41,950

and Dulcie in America there are many

1039

00:43:45,569 --> 00:43:43,750

underground bases as well with you know

1040

00:43:48,030 --> 00:43:45,579

nefarious activities are going on there

1041

00:43:50,190 --> 00:43:48,040

so a lot of the stuff is prophesying at

1042

00:43:52,650 --> 00:43:50,200

the time of obviously environmental

1043

00:43:54,960 --> 00:43:52,660

collapse but at a time of the AC as you

1044

00:43:56,130 --> 00:43:54,970

say and you know look at the darkness

1045

00:43:58,950 --> 00:43:56,140

that's going on the bad people that

1046

00:44:00,900 --> 00:43:58,960

running this world so it's it's very

1047

00:44:02,280 --> 00:44:00,910

much as though we're in that time which

1048

00:44:04,020 --> 00:44:02,290

fits with sort of Revelation as well I

1049

00:44:17,640 --> 00:44:04,030

think so you were going to ask a

1050

00:44:20,220 --> 00:44:17,650

question yeah yeah yeah South about mr.

1051

00:44:22,740 --> 00:44:20,230

oh that's right yeah exactly yeah it is

1052

00:44:26,099 --> 00:44:22,750

her head yeah but I believe it's the

1053

00:44:28,020 --> 00:44:26,109

second day of the Olympics right Oh Gary

1054

00:44:29,640 --> 00:44:28,030

Buckland disconnected let's step that

1055

00:44:32,309 --> 00:44:29,650

was the point in front of you get that

1056

00:44:35,280 --> 00:44:32,319

thing yeah you know the as you say no

1057

00:44:38,599 --> 00:44:35,290

admin topics like to go yeah we're in

1058

00:44:41,790 --> 00:44:38,609

four times well the logistics of

1059

00:44:43,800 --> 00:44:41,800

whatever always uses our pro the

1060

00:44:46,260 --> 00:44:43,810

contractors you know groceries yeah

1061

00:44:48,690 --> 00:44:46,270

they're obviously you know like I either

1062

00:44:50,880 --> 00:44:48,700

doesn't what respect you know shipper

1063

00:44:53,130 --> 00:44:50,890

come across yeah okay well it'd be wild

1064

00:44:55,859 --> 00:44:53,140

with Kathy on again but yeah it's you

1065

00:44:59,819 --> 00:44:55,869

know it seems to be that sort of Somalia

1066

00:45:02,970 --> 00:44:59,829

palisade anybody's looking at crop

1067

00:45:05,790 --> 00:45:02,980

circle really but to look at that tripe

1068

00:45:07,859 --> 00:45:05,800

fine but it is a map you know that's

1069

00:45:10,470 --> 00:45:07,869

another thing look at the new is around

1070

00:45:13,859 --> 00:45:10,480

up t in yeah and you find that there is

1071

00:45:15,960 --> 00:45:13,869

there's an awful lot more to it I mean

1072

00:45:17,460 --> 00:45:15,970

they that the chest fur head one is

1073

00:45:19,319 --> 00:45:17,470

interesting because that that was the

1074

00:45:20,460 --> 00:45:19,329

for the place where in the early days we

1075

00:45:23,069 --> 00:45:20,470

call in Andrews when he was doing the

1076

00:45:25,589 --> 00:45:23,079

research they it was a perfect empty

1077

00:45:27,420 --> 00:45:25,599

theater and in the sort of the 90s early

1078

00:45:29,130 --> 00:45:27,430

90s there were some amazing formations

1079

00:45:31,800 --> 00:45:29,140

appearing there and that's why they then

1080

00:45:33,089 --> 00:45:31,810

did that you know that TV program where

1081

00:45:35,520 --> 00:45:33,099

they were monitoring and then of course

1082

00:45:38,099 --> 00:45:35,530

the the military did some debunking and

1083

00:45:39,480 --> 00:45:38,109

and did some hoax formations yeah the

1084

00:45:42,299 --> 00:45:39,490

other thing that's all you ate my body

1085

00:45:46,769 --> 00:45:42,309

is a get about the storage unit

1086

00:45:48,949 --> 00:45:46,779

has been popular for insomnia know the

1087

00:45:51,870 --> 00:45:48,959

difference of radiation has advanced

1088

00:45:54,839 --> 00:45:51,880

4,000 years ago I've got a book which is

1089

00:45:58,579 --> 00:45:54,849

hopefully coming very shortly when he

1090

00:46:01,019 --> 00:45:58,589

called it right and it actually did

1091

00:46:02,849 --> 00:46:01,029

everybody thinks the store the center

1092

00:46:06,509 --> 00:46:02,859

but you put an image of it the others

1093

00:46:09,449 --> 00:46:06,519

actually to earth mounds yeah no doors

1094

00:46:13,079 --> 00:46:09,459

and to earth mounds have four dimensions

1095

00:46:16,019 --> 00:46:13,089

now they have an ID of the top around

1096

00:46:19,670 --> 00:46:16,029

and lowly so that for dementia there are

1097

00:46:24,479 --> 00:46:19,680

are all actually highly specific now and

1098

00:46:28,589 --> 00:46:24,489

they think the builders observer it yeah

1099

00:46:31,049 --> 00:46:28,599

so this is a fact you know that if one

1100

00:46:34,799 --> 00:46:31,059

university bt one's kind of your last

1101

00:46:37,109 --> 00:46:34,809

bit of probability or members but like

1102

00:46:39,150 --> 00:46:37,119

an o'charley's Eddie it is a very long

1103

00:46:41,939 --> 00:46:39,160

we're establishing site I I think the

1104

00:46:43,349 --> 00:46:41,949

thing is again I mean it's very clear

1105

00:46:44,579 --> 00:46:43,359

that with the ancient astronaut theory

1106

00:46:45,839 --> 00:46:44,589

that ETS have been here for a long

1107

00:46:47,549 --> 00:46:45,849

period of time it's not there just

1108

00:46:50,099 --> 00:46:47,559

appearing now and just giving us these

1109

00:46:51,559 --> 00:46:50,109

images that they know more about humans

1110

00:46:53,249 --> 00:46:51,569

and humans now about themselves I think

1111

00:46:54,660 --> 00:46:53,259

you know they've been around for

1112

00:46:57,569 --> 00:46:54,670

thousands of years they've been part of

1113

00:47:00,299 --> 00:46:57,579

our development so you know to me the

1114

00:47:02,729 --> 00:47:00,309

formations generally including the the

1115

00:47:05,249 --> 00:47:02,739

arecibo message as well that it's

1116

00:47:07,229 --> 00:47:05,259

because the time was right to get as

1117

00:47:08,849 --> 00:47:07,239

ready for what's coming and this is

1118

00:47:10,979 --> 00:47:08,859

where nastradamus actually fits in it as

1119

00:47:12,989 --> 00:47:10,989

well that they're they're saying this is

1120

00:47:14,130 --> 00:47:12,999

a massive point in there as they look

1121

00:47:16,769 --> 00:47:14,140

and along the timeline they see

1122

00:47:19,739 --> 00:47:16,779

something massive around this point most

1123

00:47:22,229 --> 00:47:19,749

people felt 2012 was going to be it but

1124

00:47:24,449 --> 00:47:22,239

in a way in a way sort of there was a

1125

00:47:25,679 --> 00:47:24,459

transition after 2012 we're like I say

1126  
00:47:27,630 --> 00:47:25,689  
we've got a sort of stand on our own two

1127  
00:47:30,449 --> 00:47:27,640  
feet and that is that is definitely what

1128  
00:47:32,059 --> 00:47:30,459  
is happening with XO politics okay any

1129  
00:47:35,940 --> 00:47:32,069  
other questions just something someone

1130  
00:47:35,950 --> 00:47:48,390  
yeah yeah

1131  
00:47:54,060 --> 00:47:51,300  
I I don't really want to get into the

1132  
00:47:56,640 --> 00:47:54,070  
medical stuff because you know it's

1133  
00:47:59,340 --> 00:47:56,650  
difficult to say but clearly you know

1134  
00:48:00,450 --> 00:47:59,350  
our food that we're eating the toxic

1135  
00:48:05,310 --> 00:48:00,460  
chemicals pesticides herbicides

1136  
00:48:09,120 --> 00:48:05,320  
fungicides what's that yeah what you

1137  
00:48:13,260 --> 00:48:09,130  
mean the formations or just oh yeah oh

1138  
00:48:14,580 --> 00:48:13,270

yeah yeah no no no where they want it

1139

00:48:16,380 --> 00:48:14,590

they want to use it in the medical world

1140

00:48:17,910 --> 00:48:16,390

as well this is why it's a real issue

1141

00:48:21,030 --> 00:48:17,920

they won't they want to have

1142

00:48:23,940 --> 00:48:21,040

nanotechnology to try and fix arteries

1143

00:48:26,100 --> 00:48:23,950

and hearts and things like that I don't

1144

00:48:28,080 --> 00:48:26,110

know how that can be but you know modern

1145

00:48:30,420 --> 00:48:28,090

science is racing here we've got AI now

1146

00:48:33,480 --> 00:48:30,430

we've got robotics we're in a very scary

1147

00:48:35,370 --> 00:48:33,490

where genetic engineer is going crazy so

1148

00:48:37,500 --> 00:48:35,380

I think it was a classic warning you can

1149

00:48:39,990 --> 00:48:37,510

take that as nanotechnology but can also

1150

00:48:41,910 --> 00:48:40,000

take its GM or you can take it as as

1151

00:48:43,680 --> 00:48:41,920

poison within the natural world from

1152

00:48:45,360 --> 00:48:43,690

chemicals that they're being sprayed

1153

00:48:46,620 --> 00:48:45,370

everywhere some of the some of the

1154

00:48:48,690 --> 00:48:46,630

farmers I mentioned about them cutting

1155

00:48:51,780 --> 00:48:48,700

out the formations some of the farmers

1156

00:48:54,120 --> 00:48:51,790

were actually went in and doused genuine

1157

00:48:56,550 --> 00:48:54,130

formations with with toxic chemicals

1158

00:48:57,720 --> 00:48:56,560

they didn't cut them out so then when

1159

00:48:59,640 --> 00:48:57,730

the researchers went in there with

1160

00:49:01,020 --> 00:48:59,650

coughing and spluttering and sick you

1161

00:49:03,540 --> 00:49:01,030

know that's disgusting and that was

1162

00:49:05,700 --> 00:49:03,550

going on as well some of the helicopters

1163

00:49:08,460 --> 00:49:05,710

would fly over formations and would send

1164

00:49:10,140 --> 00:49:08,470

out a pulse beam so again as they were

1165

00:49:12,300 --> 00:49:10,150

flying up people suddenly sort of

1166

00:49:14,640 --> 00:49:12,310

feeling sick and nauseous and having to

1167

00:49:16,020 --> 00:49:14,650

get out the formation you know so you

1168

00:49:17,220 --> 00:49:16,030

know this stuff goes on the media is

1169

00:49:19,560 --> 00:49:17,230

never going to talk about that but it

1170

00:49:22,140 --> 00:49:19,570

happens but whether that specific

1171

00:49:23,940 --> 00:49:22,150

disease i'm not sure but you know we're

1172

00:49:26,010 --> 00:49:23,950

obviously getting a sick of world as we

1173

00:49:27,420 --> 00:49:26,020

look around you know we're not in a

1174

00:49:30,630 --> 00:49:27,430

healthy world now unfortunately so

1175

00:49:32,880 --> 00:49:30,640

anyway thanks for that right but i think

1176

00:49:37,200 --> 00:49:32,890

we call it a closing night night school

1177

00:49:39,090 --> 00:49:37,210

bus 10 and Alan does go pack up and

1178

00:49:41,070 --> 00:49:39,100

notice he's got some DVDs you don't

1179

00:49:43,560 --> 00:49:41,080

facade you fail early yeah oh yeah so

1180

00:49:45,510 --> 00:49:43,570

I'm not gonna look at that um feel free

1181

00:49:47,760 --> 00:49:45,520

to stay round of a chat you know we're

1182

00:49:49,440 --> 00:49:47,770

not kicking you out stay wrong if you

1183

00:49:58,019 --> 00:49:49,450

want um well can you put it out together

1184

00:50:05,430 --> 00:50:01,210

one the next next next month will be in
