

1
00:00:06,490 --> 00:00:02,899
hello this is a video just to remind

2
00:01:45,660 --> 00:00:06,500
everybody that the SU farm site is now

3
00:02:15,930 --> 00:01:55,820
you

4
00:02:26,050 --> 00:02:15,940
back yeah okay great

5
00:02:30,400 --> 00:02:26,060
hello yeah well I would hello I've got

6
00:02:31,900 --> 00:02:30,410
it well five your ladies and gentlemen

7
00:02:33,790 --> 00:02:31,910
for attending here this evening it

8
00:02:35,260 --> 00:02:33,800
spawns a UFO network I can see we've got

9
00:02:36,699 --> 00:02:35,270
a few new members here this evening

10
00:02:38,850 --> 00:02:36,709
thank you very much for turning up I

11
00:02:41,380 --> 00:02:38,860
hope you'll you've had a warm welcome

12
00:02:42,729 --> 00:02:41,390
now tonight we got a real treat filled

13
00:02:45,100 --> 00:02:42,739

because I'm very proud to be able to

14

00:02:48,130 --> 00:02:45,110

introduce mr. Alan Foster's and acts to

15

00:02:51,220 --> 00:02:48,140

me here mr. Foster's career encompasses

16

00:02:53,140 --> 00:02:51,230

many years in the airline industry he

17

00:02:55,060 --> 00:02:53,150

managed an airline travel operation

18

00:02:57,759 --> 00:02:55,070

providing commercial transport for the

19

00:03:00,340 --> 00:02:57,769

US military in the okay and then for the

20

00:03:02,350 --> 00:03:00,350

Mediterranean US naval forces Waring is

21

00:03:05,620 --> 00:03:02,360

based at the Fleet headquarters Naval

22

00:03:07,300 --> 00:03:05,630

Base at Naples in Italy he's also worked

23

00:03:11,050 --> 00:03:07,310

in aircraft operations in an

24

00:03:15,160 --> 00:03:11,060

international airport now mr. Foster is

25

00:03:18,190 --> 00:03:15,170

a writer the researcher an international

26
00:03:22,020 --> 00:03:18,200
lecturer on topics including UFOs crop

27
00:03:24,090 --> 00:03:22,030
formations meditation metaphysics

28
00:03:26,830 --> 00:03:24,100
environmental and spiritual issues

29
00:03:29,220 --> 00:03:26,840
including the Turin Shroud an Angels

30
00:03:35,680 --> 00:03:29,230
he's also an advisory board the

31
00:03:37,630 --> 00:03:35,690
Exopolitics Institute his in-depth

32
00:03:39,090 --> 00:03:37,640
research has taken him over to over 80

33
00:03:42,190 --> 00:03:39,100
countries worldwide

34
00:03:43,720 --> 00:03:42,200
that's not many of us it when both 17 to

35
00:03:46,750 --> 00:03:43,730
80 countries I don't think it's probably

36
00:03:48,970 --> 00:03:46,760
anyone here okay now in order to raise

37
00:03:51,610 --> 00:03:48,980
public awareness of these issues Allen

38
00:03:53,770 --> 00:03:51,620

regularly lectures to UK organizations

39

00:03:55,870 --> 00:03:53,780

and community groups and at

40

00:03:59,590 --> 00:03:55,880

International UFO and rock formation

41

00:04:02,170 --> 00:03:59,600

conferences now I understand that in

42

00:04:04,870 --> 00:04:02,180

1973 he actually had his own UFO

43

00:04:06,789 --> 00:04:04,880

encounter which encouraged into pursue

44

00:04:08,229 --> 00:04:06,799

his studies into the various different

45

00:04:12,039 --> 00:04:08,239

aspects of research that he has

46

00:04:14,740 --> 00:04:12,049

undertaken he has a background of 40

47

00:04:17,830 --> 00:04:14,750

years in UFO studies and 19 years at

48

00:04:19,180 --> 00:04:17,840

least in crop formations study was that

49

00:04:21,190 --> 00:04:19,190

I'm absolutely sure he could entertain

50

00:04:22,630 --> 00:04:21,200

you on a variety of topics that would be

51
00:04:22,870 --> 00:04:22,640
of immense interest to the members of

52
00:04:25,390 --> 00:04:22,880
this

53
00:04:29,430 --> 00:04:25,400
Club tonight is going to address you on

54
00:04:31,600 --> 00:04:29,440
the subject of crop formations and UFOs

55
00:04:33,250 --> 00:04:31,610
well you don't come to listen to me so

56
00:04:34,690 --> 00:04:33,260
without further ado please put your

57
00:04:48,820 --> 00:04:34,700
hands together give a warm soup on

58
00:04:49,420 --> 00:04:48,830
welcome miss Alan Foster okay hello

59
00:04:51,460 --> 00:04:49,430
everybody

60
00:04:54,550 --> 00:04:51,470
can you hear me okay at the back yeah

61
00:04:56,050 --> 00:04:54,560
brilliant so I would normally do an

62
00:05:03,190 --> 00:04:56,060
introduction but thanks to Steve he's

63
00:05:04,780 --> 00:05:03,200

already done that so and Emily nor also

64

00:05:05,980 --> 00:05:04,790

mentioned what I'll do is I'll do the

65

00:05:08,230 --> 00:05:05,990

first part of the talk it's probably

66

00:05:09,910 --> 00:05:08,240

about 50 minutes so then at the end of

67

00:05:12,640 --> 00:05:09,920

that if we have a break of about 20

68

00:05:14,080 --> 00:05:12,650

minutes you know in the middle part and

69

00:05:15,520 --> 00:05:14,090

then come back and then I'll do the

70

00:05:19,000 --> 00:05:15,530

final part of the talk which is about

71

00:05:20,830 --> 00:05:19,010

20-25 minutes and then if we've got time

72

00:05:22,000 --> 00:05:20,840

I mean at the end if you've got any

73

00:05:24,340 --> 00:05:22,010

questions about anything you've seen

74

00:05:26,680 --> 00:05:24,350

today about the crops crop formation

75

00:05:28,000 --> 00:05:26,690

subject ufology etc you know I'd love to

76

00:05:32,350 --> 00:05:28,010

have any questions at the end if that's

77

00:05:35,380 --> 00:05:32,360

okay so most of you are familiar with

78

00:05:37,450 --> 00:05:35,390

crop formations of course and they

79

00:05:40,750 --> 00:05:37,460

basically began in the sort of early to

80

00:05:42,790 --> 00:05:40,760

mid-1980s initially with simple circles

81

00:05:45,340 --> 00:05:42,800

circles with rings then sort of moving

82

00:05:47,790 --> 00:05:45,350

Celtic cross style formations but it

83

00:05:50,770 --> 00:05:47,800

wasn't until this formation appeared in

84

00:05:53,920 --> 00:05:50,780

1990 at the Eastfield in Alton barns in

85

00:05:56,740 --> 00:05:53,930

Wiltshire that people from around the

86

00:05:58,030 --> 00:05:56,750

world started to take notice of this you

87

00:05:59,410 --> 00:05:58,040

know people started then come to the UK

88

00:06:01,960 --> 00:05:59,420

they realized something was going on

89

00:06:07,330 --> 00:06:01,970

here as this sort of you know developed

90

00:06:09,160 --> 00:06:07,340

now it was also at that time that the

91

00:06:11,620 --> 00:06:09,170

hoaxing was then pushed forward probably

92

00:06:13,390 --> 00:06:11,630

by the media that you know these were

93

00:06:15,430 --> 00:06:13,400

all made by Doug and Dave with ropes and

94

00:06:17,950 --> 00:06:15,440

planks of wood etc but also

95

00:06:20,800 --> 00:06:17,960

interestingly in office when the first

96

00:06:24,700 --> 00:06:20,810

scientific research began looking into

97

00:06:27,010 --> 00:06:24,710

the crop formations and the there was a

98

00:06:29,980 --> 00:06:27,020

group called the BLT group which stands

99

00:06:31,750 --> 00:06:29,990

for John Burke Livengood and Nancy

100

00:06:33,930 --> 00:06:31,760

Tolbert these were a group of

101
00:06:36,540 --> 00:06:33,940
professional scientific consultants

102
00:06:39,279 --> 00:06:36,550
involving people like biophysicist

103
00:06:41,290 --> 00:06:39,289
analytical chemists geochemist

104
00:06:42,820 --> 00:06:41,300
mineralogists people like this based in

105
00:06:44,739 --> 00:06:42,830
the States he's a professional

106
00:06:47,109 --> 00:06:44,749
scientific consultants and they were

107
00:06:50,739 --> 00:06:47,119
looking at the samples that were sent

108
00:06:53,309 --> 00:06:50,749
through to them you know of from the

109
00:06:56,019 --> 00:06:53,319
crop formation within the formation or

110
00:06:59,229 --> 00:06:56,029
you know beyond it control samples

111
00:07:01,509 --> 00:06:59,239
beyond what they found was that the

112
00:07:02,919 --> 00:07:01,519
genuine formations the crop was actually

113
00:07:05,290 --> 00:07:02,929

going through a change in its cellular

114

00:07:07,149 --> 00:07:05,300

structure it's as though the crop was

115

00:07:10,239 --> 00:07:07,159

being super heated up to about 800

116

00:07:15,489 --> 00:07:10,249

degrees C in a fraction of a second so

117

00:07:16,869 --> 00:07:15,499

any any moisture within the crop was was

118

00:07:18,249 --> 00:07:16,879

basically causing the crop to become

119

00:07:20,919 --> 00:07:18,259

malleable so these images could be

120

00:07:22,509 --> 00:07:20,929

downloaded in a matter of seconds also

121

00:07:24,999 --> 00:07:22,519

the incredible thing that happened was

122

00:07:27,459 --> 00:07:25,009

that many of the formations actually had

123

00:07:30,969 --> 00:07:27,469

a bend at the node or the knuckle on the

124

00:07:34,089 --> 00:07:30,979

stem of the crop so as you can see here

125

00:07:36,100 --> 00:07:34,099

the this is this is a normal stem in a

126
00:07:37,869 --> 00:07:36,110
control sample you know out in the rest

127
00:07:40,119 --> 00:07:37,879
of the field in other words and then

128
00:07:43,089 --> 00:07:40,129
many of them have an elongation of the

129
00:07:44,559 --> 00:07:43,099
node but also a bend at that node again

130
00:07:46,839 --> 00:07:44,569
that's impossible to do that with ropes

131
00:07:48,790 --> 00:07:46,849
and planks of wood and yet with no

132
00:07:51,730 --> 00:07:48,800
damage sometimes this was about a foot

133
00:07:54,279 --> 00:07:51,740
off the ground so incredible another

134
00:07:56,589 --> 00:07:54,289
thing that happened was with the genuine

135
00:08:01,959 --> 00:07:56,599
formations often there'd be anomalies

136
00:08:04,959 --> 00:08:01,969
and the the things like compasses would

137
00:08:06,969 --> 00:08:04,969
spin wildly within a formation but would

138
00:08:09,159 --> 00:08:06,979

work again as you came outside also

139

00:08:10,029 --> 00:08:09,169

batteries in cameras like that one in a

140

00:08:12,429 --> 00:08:10,039

minute

141

00:08:14,709 --> 00:08:12,439

would they would fire within the

142

00:08:15,429 --> 00:08:14,719

formation but actually work as you came

143

00:08:16,959 --> 00:08:15,439

back out again

144

00:08:18,850 --> 00:08:16,969

and this would happen even to like the

145

00:08:20,439 --> 00:08:18,860

you know BBC and people like that you

146

00:08:22,509 --> 00:08:20,449

know professional groups that would go

147

00:08:24,069 --> 00:08:22,519

in these expensive cameras could fail in

148

00:08:25,839 --> 00:08:24,079

a formation so it showed there was a

149

00:08:31,529 --> 00:08:25,849

very powerful energy within the genuine

150

00:08:33,459 --> 00:08:31,539

formations now as the as they progressed

151

00:08:35,709 --> 00:08:33,469

this was the following year that was

152

00:08:37,149 --> 00:08:35,719

1990 at the Eastfield in Alton Barnes

153

00:08:38,619 --> 00:08:37,159

which is sort of a mecca area where they

154

00:08:42,159 --> 00:08:38,629

appeared the following year this

155

00:08:44,999 --> 00:08:42,169

formation appeared in 1991 below Barbary

156

00:08:47,799 --> 00:08:45,009

castle which is an ancient hill fort

157

00:08:48,890 --> 00:08:47,809

south of Swindon now the knight that

158

00:08:51,440 --> 00:08:48,900

appeared there were a group of

159

00:08:53,180 --> 00:08:51,450

people doing a Night Watch and they said

160

00:08:55,490 --> 00:08:53,190

during the night they saw a large

161

00:08:57,470 --> 00:08:55,500

triangular UFO appeared above the a

162

00:08:59,480 --> 00:08:57,480

field that shown a a beam of light down

163

00:09:00,770 --> 00:08:59,490

into the field the following day they

164

00:09:02,030 --> 00:09:00,780

went to have a look at what was there

165

00:09:05,560 --> 00:09:02,040

and they came across this particular

166

00:09:07,640 --> 00:09:05,570

formation now they they felt that that

167

00:09:11,510 --> 00:09:07,650

formation that the general feeling was

168

00:09:12,710 --> 00:09:11,520

that that formation related to is that

169

00:09:14,510 --> 00:09:12,720

all right if we stop with a camera now

170

00:09:17,870 --> 00:09:14,520

sorry mate it's just yeah after putting

171

00:09:20,330 --> 00:09:17,880

me off a bit sorry note what they felt

172

00:09:22,790 --> 00:09:20,340

was that the the the crop formation

173

00:09:25,340 --> 00:09:22,800

actually related to the fact that there

174

00:09:27,260 --> 00:09:25,350

should be a balance between mind body

175

00:09:29,780 --> 00:09:27,270

and spirit which of course there should

176

00:09:32,870 --> 00:09:29,790

be now the amazing thing about this

177

00:09:35,840 --> 00:09:32,880

formation is that it also relates into

178

00:09:39,410 --> 00:09:35,850

ufology as well now some of you have

179

00:09:40,970 --> 00:09:39,420

probably seen these amazing UFOs known

180

00:09:43,550 --> 00:09:40,980

as sort of ships of light or the plasma

181

00:09:46,520 --> 00:09:43,560

plasma Crawford jellyfish craft that

182

00:09:49,160 --> 00:09:46,530

have been seen in interprets land south

183

00:09:53,810 --> 00:09:49,170

of mexico city this photograph was taken

184

00:09:55,120 --> 00:09:53,820

in 1981 by Carlos Dias and it's

185

00:09:57,140 --> 00:09:55,130

estimated that's probably up to about

186

00:09:59,000 --> 00:09:57,150

12,000 people that have actually seen

187

00:10:02,210 --> 00:09:59,010

them in that sort of sacred Valley where

188

00:10:03,620 --> 00:10:02,220

these UFOs appear this is a another one

189

00:10:05,060 --> 00:10:03,630

as well taken by a different witness so

190

00:10:06,410 --> 00:10:05,070

you can see you know these are

191

00:10:08,720 --> 00:10:06,420

incredible objects probably about 30

192

00:10:11,990 --> 00:10:08,730

foot across but it's believed they're

193

00:10:16,370 --> 00:10:12,000

highly advanced sentient thinking

194

00:10:17,780 --> 00:10:16,380

organic technology now Carlos he was he

195

00:10:21,620 --> 00:10:17,790

was taken from also photographs of these

196

00:10:24,460 --> 00:10:21,630

craft and he then was given a video

197

00:10:26,390 --> 00:10:24,470

camera by haim email saying the Mexican

198

00:10:27,920 --> 00:10:26,400

researcher so that he could sort of

199

00:10:30,380 --> 00:10:27,930

record this this is a this was an

200

00:10:33,380 --> 00:10:30,390

amazing event on one of the one of

201
00:10:34,400 --> 00:10:33,390
occasions on the 11th of January 1998 he

202
00:10:36,050 --> 00:10:34,410
was actually filming one of these

203
00:10:38,180 --> 00:10:36,060
objects and he was taken on board and

204
00:10:40,760 --> 00:10:38,190
the beings that he was sort of liaising

205
00:10:43,600 --> 00:10:40,770
with were other either human types

206
00:10:45,980 --> 00:10:43,610
looking like us or sort of energy beings

207
00:10:47,900 --> 00:10:45,990
anyway they took him on board this craft

208
00:10:49,550 --> 00:10:47,910
and then he went he said he went into

209
00:10:51,980 --> 00:10:49,560
the nearby mountains and was actually

210
00:10:54,590 --> 00:10:51,990
taken into a cavern system a huge cave

211
00:10:56,480 --> 00:10:54,600
basically in the mountains and while he

212
00:10:58,190 --> 00:10:56,490
was in there he was actually still

213
00:11:00,470 --> 00:10:58,200

filming with the camera and one of these

214

00:11:02,810 --> 00:11:00,480
objects was hovering below him

215

00:11:05,090 --> 00:11:02,820
in this massive cave it's shown a beam

216

00:11:08,780 --> 00:11:05,100
of light down and at the rock just below

217

00:11:10,670 --> 00:11:08,790
ZM the UFO was an image exactly the same

218

00:11:13,790 --> 00:11:10,680
as their crop formation you just saw

219

00:11:15,170 --> 00:11:13,800
which it appeared back in 1991 so of

220

00:11:16,550 --> 00:11:15,180
course that stimulated him to become

221

00:11:17,780 --> 00:11:16,560
aware of the crop formations as well

222

00:11:20,210 --> 00:11:17,790
once he understood where that had come

223

00:11:22,430 --> 00:11:20,220
from but it was also interesting because

224

00:11:24,920 --> 00:11:22,440
of makan Sept that people felled it

225

00:11:28,730 --> 00:11:24,930
related to the beings that he spoke to

226

00:11:32,360 --> 00:11:28,740

here said that it's important that we

227

00:11:33,620 --> 00:11:32,370

realize that everything is connected you

228

00:11:36,080 --> 00:11:33,630

know and that is from simple things like

229

00:11:39,080 --> 00:11:36,090

a blade of grass to the oceans to the

230

00:11:41,660 --> 00:11:39,090

wires and dolphins to solar systems

231

00:11:43,880 --> 00:11:41,670

galaxies and then beyond that to sort of

232

00:11:46,100 --> 00:11:43,890

higher dimensional reality all things

233

00:11:48,260 --> 00:11:46,110

are connected so basically everything

234

00:11:50,150 --> 00:11:48,270

you think and everything you do has an

235

00:11:55,280 --> 00:11:50,160

effect so this is sort of powerful

236

00:11:57,170 --> 00:11:55,290

information now going on from that the

237

00:11:59,270 --> 00:11:57,180

next sort of really beautiful formation

238

00:12:03,530 --> 00:11:59,280

appeared this has appeared on the 7th of

239

00:12:05,570 --> 00:12:03,540

July 1996 just below Stonehenge so you

240

00:12:08,600 --> 00:12:05,580

can see Stonehenge at the top that's the

241

00:12:10,220 --> 00:12:08,610

busy a303 Road just underneath and then

242

00:12:12,860 --> 00:12:10,230

below that in that field that massive

243

00:12:16,130 --> 00:12:12,870

formation it was known as the Julia set

244

00:12:21,260 --> 00:12:16,140

but it's about 900 feet long with over

245

00:12:22,940 --> 00:12:21,270

190 circles so huge formation but what's

246

00:12:24,620 --> 00:12:22,950

amazing about that is there are quite a

247

00:12:26,330 --> 00:12:24,630

few witnesses that will say they know

248

00:12:28,730 --> 00:12:26,340

that that appeared within about a 20 to

249

00:12:31,430 --> 00:12:28,740

20 minute time frame during the middle

250

00:12:32,870 --> 00:12:31,440

of a busy Sunday afternoon there were

251

00:12:35,090 --> 00:12:32,880

security guards that were doing their

252

00:12:36,170 --> 00:12:35,100

rounds of Stonehenge and they said you

253

00:12:37,910 --> 00:12:36,180

know for those that have been you know

254

00:12:39,590 --> 00:12:37,920

as you can actually see down onto the

255

00:12:41,510 --> 00:12:39,600

road in the field below from Stonehenge

256

00:12:43,670 --> 00:12:41,520

so they said they did their rounds of

257

00:12:46,520 --> 00:12:43,680

Stonehenge about 20 minutes later they

258

00:12:48,590 --> 00:12:46,530

came back and there was as they look now

259

00:12:50,000 --> 00:12:48,600

was this massive formation there so they

260

00:12:51,830 --> 00:12:50,010

they haven't seen anything happened

261

00:12:55,010 --> 00:12:51,840

there was also a pilot of a light

262

00:12:57,770 --> 00:12:55,020

aircraft that was actually flying people

263

00:12:59,870 --> 00:12:57,780

around the ancient stone sites just to

264

00:13:01,580 --> 00:12:59,880

show them the stone sites and he was

265

00:13:03,230 --> 00:13:01,590

flying around Stonehenge and then up at

266

00:13:05,330 --> 00:13:03,240

Avebury stone circle just up the road

267

00:13:08,180 --> 00:13:05,340

and he said he flew round stonehenge

268

00:13:10,580 --> 00:13:08,190

landed a nearby airfield picked up some

269

00:13:11,930 --> 00:13:10,590

more people flew back to Stonehenge and

270

00:13:12,630 --> 00:13:11,940

this time as he returned which is only

271

00:13:14,759 --> 00:13:12,640

about 20 min

272

00:13:16,530 --> 00:13:14,769

from the last time he was there that

273

00:13:18,690 --> 00:13:16,540

massive formation was in the field below

274

00:13:21,030 --> 00:13:18,700

and he said there is no way would that

275

00:13:23,160 --> 00:13:21,040

have been there 20 minutes before so

276

00:13:25,079 --> 00:13:23,170

this added weight to the fact the

277

00:13:28,139 --> 00:13:25,089

genuine formations are probably

278

00:13:30,449 --> 00:13:28,149

appearing in a you know well a matter of

279

00:13:32,310 --> 00:13:30,459

seconds or certainly minutes as these

280

00:13:35,670 --> 00:13:32,320

images are downloaded but nobody saw

281

00:13:37,790 --> 00:13:35,680

anything now this was amazing this sort

282

00:13:40,769 --> 00:13:37,800

of single spiral then about a week later

283

00:13:44,190 --> 00:13:40,779

another one appeared but initially this

284

00:13:47,160 --> 00:13:44,200

one here the the the energy in that was

285

00:13:48,690 --> 00:13:47,170

incredibly powerful the that's the sort

286

00:13:51,090 --> 00:13:48,700

of an illustration by my wife who

287

00:13:52,800 --> 00:13:51,100

actually saw this we we went into that

288

00:13:55,230 --> 00:13:52,810

one a lot of the formations are actually

289

00:13:57,000 --> 00:13:55,240

are the genuine formations in the sort

290

00:13:58,560 --> 00:13:57,010

of the Wiltshire Hampshire area quite a

291

00:14:00,960 --> 00:13:58,570

few of them have been on top of ley

292

00:14:02,850 --> 00:14:00,970

lines so some people feel what some

293

00:14:04,470 --> 00:14:02,860

researchers felt that perhaps the energy

294

00:14:08,370 --> 00:14:04,480

within the ley line was being utilized

295

00:14:09,870 --> 00:14:08,380

as a part of the creative force but that

296

00:14:11,759 --> 00:14:09,880

particular one a lot of research has

297

00:14:13,050 --> 00:14:11,769

said they found that incredibly powerful

298

00:14:14,910 --> 00:14:13,060

I mentioned this sort of electrical

299

00:14:15,750 --> 00:14:14,920

effects earlier on but a lot of people

300

00:14:17,130 --> 00:14:15,760

would go into this and they could

301
00:14:19,139 --> 00:14:17,140
actually feel the energy with their

302
00:14:20,490 --> 00:14:19,149
hands certainly with dowsing rods you

303
00:14:24,060 --> 00:14:20,500
can sort of feel the energy flowing

304
00:14:26,699 --> 00:14:24,070
within the formations but she sort of

305
00:14:28,350 --> 00:14:26,709
psychically saw these like vortexes or

306
00:14:30,060 --> 00:14:28,360
plumes of energy coming out the center

307
00:14:32,970 --> 00:14:30,070
of these circles with these little orbs

308
00:14:34,680 --> 00:14:32,980
of light I've shown that quite a few

309
00:14:35,850 --> 00:14:34,690
other conferences and and there are many

310
00:14:37,170 --> 00:14:35,860
other research as I've said when they

311
00:14:39,810 --> 00:14:37,180
saw that they said that's exactly what

312
00:14:42,360 --> 00:14:39,820
we saw and we also feel that was one of

313
00:14:45,389 --> 00:14:42,370

the most powerful formations as far as

314

00:14:49,170 --> 00:14:45,399

energy is concerned so as I say that was

315

00:14:51,030 --> 00:14:49,180

a that appeared in 7 July 96 and about a

316

00:14:53,790 --> 00:14:51,040

week later appeared a triple spiral

317

00:14:56,519 --> 00:14:53,800

that's when this one appeared this is a

318

00:14:58,680 --> 00:14:56,529

huge formation this is about a thousand

319

00:15:01,680 --> 00:14:58,690

feet across and you can see it sort of

320

00:15:03,569 --> 00:15:01,690

straddling into two fields it's it was

321

00:15:05,400 --> 00:15:03,579

about a a couple of miles down the road

322

00:15:07,439 --> 00:15:05,410

from the Avebury stone circle in

323

00:15:09,509 --> 00:15:07,449

Wiltshire at a place called windmill

324

00:15:11,069 --> 00:15:09,519

hill funnily enough but you see it's a

325

00:15:13,680 --> 00:15:11,079

huge formation it's about a thousand

326

00:15:15,840 --> 00:15:13,690

feet across the the tram lines where the

327

00:15:18,569 --> 00:15:15,850

tractors spray the crops is about sort

328

00:15:21,319 --> 00:15:18,579

of 70 feet 20 odd meters between each

329

00:15:24,120 --> 00:15:21,329

tram line so they are absolutely massive

330

00:15:25,400 --> 00:15:24,130

now this is one of those sort of first

331

00:15:28,220 --> 00:15:25,410

ones in that early

332

00:15:31,160 --> 00:15:28,230

only where it was it started to show

333

00:15:35,119 --> 00:15:31,170

sort of a three-dimensional geometry

334

00:15:37,309 --> 00:15:35,129

within what is like a 2d image so if you

335

00:15:38,840 --> 00:15:37,319

look at the first the circle in the

336

00:15:41,689 --> 00:15:38,850

middle and you look at the first three

337

00:15:44,300 --> 00:15:41,699

circles around it from above it creates

338

00:15:46,040 --> 00:15:44,310

a perfect equilateral triangle and then

339

00:15:47,689 --> 00:15:46,050

the next three and the next three and so

340

00:15:49,999 --> 00:15:47,699

on and so forth until you get to the

341

00:15:52,429 --> 00:15:50,009

last three it sort of creates this like

342

00:15:54,079 --> 00:15:52,439

spiraling vortex of equilateral

343

00:15:57,319 --> 00:15:54,089

triangles getting bigger or smaller

344

00:15:59,329 --> 00:15:57,329

depending on how you look at it but also

345

00:16:01,720 --> 00:15:59,339

this this is the time that's still sort

346

00:16:04,280 --> 00:16:01,730

of battling with the early you know

347

00:16:06,650 --> 00:16:04,290

media hype that all of these are created

348

00:16:08,480 --> 00:16:06,660

by ropes and planks of wood a lot of the

349

00:16:10,069 --> 00:16:08,490

the Centers of this one at the point

350

00:16:12,920 --> 00:16:10,079

where supposedly the pole would be there

351
00:16:14,210 --> 00:16:12,930
for you know to do the ropes as you can

352
00:16:16,939 --> 00:16:14,220
see if you see the little dots in the

353
00:16:19,150 --> 00:16:16,949
middle of those that that's a couple of

354
00:16:21,559 --> 00:16:19,160
people standing in the middle there they

355
00:16:23,780 --> 00:16:21,569
the Centers of all of these basically

356
00:16:25,460 --> 00:16:23,790
had different standing centers so at the

357
00:16:28,670 --> 00:16:25,470
place where supposedly the plank should

358
00:16:30,769 --> 00:16:28,680
be or sorry the the pole they would

359
00:16:32,300 --> 00:16:30,779
either have standing crop the crop would

360
00:16:35,780 --> 00:16:32,310
be splayed like a fan

361
00:16:37,999 --> 00:16:35,790
sometimes it was sort of like down into

362
00:16:41,269 --> 00:16:38,009
like little corn dolly or a sort of a a

363
00:16:42,620 --> 00:16:41,279

crown effect within the crop so you know

364

00:16:44,420 --> 00:16:42,630

this is sort of showing there's no way

365

00:16:46,160 --> 00:16:44,430

could you create there in just those few

366

00:16:48,670 --> 00:16:46,170

hours of darkness I mean something like

367

00:16:51,470 --> 00:16:48,680

that probably take you days to create

368

00:16:53,710 --> 00:16:51,480

now that this is now step this up to

369

00:16:58,160 --> 00:16:53,720

that sort of you know that the the

370

00:17:02,030 --> 00:16:58,170

threefold spiral there and then in

371

00:17:04,340 --> 00:17:02,040

August of 2001 an even bigger one a six

372

00:17:06,140 --> 00:17:04,350

fog formation appear that's when that

373

00:17:08,630 --> 00:17:06,150

one there appeared this is absolutely

374

00:17:11,029 --> 00:17:08,640

massive this appeared up on the top of a

375

00:17:12,529 --> 00:17:11,039

place called milk Hill at Alton barns in

376

00:17:14,960 --> 00:17:12,539

Wiltshire which is that sort of mecca

377

00:17:16,220 --> 00:17:14,970

area where a lot of these appear and at

378

00:17:18,039 --> 00:17:16,230

that time that appeared there were a lot

379

00:17:20,659 --> 00:17:18,049

of people doing night Watchers you know

380

00:17:23,090 --> 00:17:20,669

it's been sort of 15 years of the

381

00:17:24,980 --> 00:17:23,100

formations so nearly every night people

382

00:17:26,689 --> 00:17:24,990

were out doing night Watchers and once

383

00:17:28,490 --> 00:17:26,699

again nobody saw anything and just the

384

00:17:30,919 --> 00:17:28,500

following morning this massive formation

385

00:17:33,500 --> 00:17:30,929

was there now that's it's about eight

386

00:17:35,570 --> 00:17:33,510

hundred feet across with over four

387

00:17:37,820 --> 00:17:35,580

hundred circles in that formation

388

00:17:39,320 --> 00:17:37,830

I mean it's so big that actually there

389

00:17:41,539 --> 00:17:39,330

the media particularly the local

390

00:17:43,460 --> 00:17:41,549

were quite complimentary about this

391

00:17:45,320 --> 00:17:43,470

because they realized that to create

392

00:17:48,019 --> 00:17:45,330

their in just those few hours of

393

00:17:50,360 --> 00:17:48,029

darkness you'd have to create each one

394

00:17:52,250 --> 00:17:50,370

of those circles within about 30 seconds

395

00:17:54,409 --> 00:17:52,260

so just give you an idea of how hard

396

00:17:56,090 --> 00:17:54,419

that would be if you look at the central

397

00:17:59,269 --> 00:17:56,100

circle in the middle there which is a

398

00:18:01,100 --> 00:17:59,279

similar size to many others there that's

399

00:18:03,320 --> 00:18:01,110

a photograph that I took within the

400

00:18:05,450 --> 00:18:03,330

central circle that's with the camera on

401
00:18:07,310 --> 00:18:05,460
a raised tripod sort of looking down and

402
00:18:10,130 --> 00:18:07,320
you can see the center of the circle is

403
00:18:12,259 --> 00:18:10,140
here look it's absolutely massive that's

404
00:18:14,060 --> 00:18:12,269
just one circle then you've got one of

405
00:18:16,159 --> 00:18:14,070
the arms going out there one of the

406
00:18:18,830 --> 00:18:16,169
other arms going out there but you can

407
00:18:20,090 --> 00:18:18,840
also see that it's not a flat canvas you

408
00:18:21,919 --> 00:18:20,100
know again unless you actually go in the

409
00:18:24,710 --> 00:18:21,929
formations you don't realize that in

410
00:18:26,960 --> 00:18:24,720
many cases they're not just flat you can

411
00:18:28,970 --> 00:18:26,970
see like a dip in the land here and on

412
00:18:30,889 --> 00:18:28,980
the right the the field actually drops

413
00:18:33,129 --> 00:18:30,899

over the edge and yet from above for

414

00:18:36,590 --> 00:18:33,139

this image is perfect

415

00:18:39,470 --> 00:18:36,600

often the land is sloping or you'll have

416

00:18:41,090 --> 00:18:39,480

a new formation that's pristine inside

417

00:18:42,620 --> 00:18:41,100

particularly if it's like I said earlier

418

00:18:44,750 --> 00:18:42,630

on you know bent at the node or the

419

00:18:46,279 --> 00:18:44,760

knuckle and as you as you walk on the

420

00:18:48,200 --> 00:18:46,289

tram line to get to it your feet are

421

00:18:49,970 --> 00:18:48,210

covered in sort of heavy clay and

422

00:18:51,649 --> 00:18:49,980

everything and when you step in you know

423

00:18:54,320 --> 00:18:51,659

it feels quite blasphemous to actually

424

00:18:55,669 --> 00:18:54,330

damage this beautiful formation but it

425

00:18:57,379 --> 00:18:55,679

adds weight again to the fact that they

426

00:18:59,149 --> 00:18:57,389

are appearing really quickly without

427

00:19:02,960 --> 00:18:59,159

human intervention these are the genuine

428

00:19:05,509 --> 00:19:02,970

ones of course now after we've been in

429

00:19:08,029 --> 00:19:05,519

there in that formation we then went

430

00:19:09,649 --> 00:19:08,039

down to so that Eastfield below there

431

00:19:12,379 --> 00:19:09,659

was another formation down there just as

432

00:19:13,070 --> 00:19:12,389

it was getting dark and while we were in

433

00:19:18,519 --> 00:19:13,080

there

434

00:19:21,049 --> 00:19:18,529

a presence within the formation with us

435

00:19:22,490 --> 00:19:21,059

by that I mean like a spirit that was

436

00:19:25,820 --> 00:19:22,500

actually they're sort of observing us

437

00:19:29,990 --> 00:19:25,830

within the formation and she psychically

438

00:19:31,370 --> 00:19:30,000

saw this presence as an orb so she she

439

00:19:33,860 --> 00:19:31,380

pointed out where it was so I actually

440

00:19:34,759 --> 00:19:33,870

took a photograph in that direction even

441

00:19:36,860 --> 00:19:34,769

though I couldn't see it with the

442

00:19:37,340 --> 00:19:36,870

physical eyes and she came up with this

443

00:19:39,649 --> 00:19:37,350

picture

444

00:19:42,409 --> 00:19:39,659

you can clearly see that that that's

445

00:19:44,299 --> 00:19:42,419

quite a dense orb and that's within the

446

00:19:46,879 --> 00:19:44,309

within the formation you can see the

447

00:19:48,440 --> 00:19:46,889

formation behind at the back now

448

00:19:50,700 --> 00:19:48,450

what is interesting is that this is

449

00:19:54,210 --> 00:19:50,710

taken with an ordinary camera with all

450

00:19:56,010 --> 00:19:54,220

film this isn't digital I'm sure most of

451
00:19:58,649 --> 00:19:56,020
you in here are familiar with the orbs

452
00:20:00,750 --> 00:19:58,659
phenomena and you know the research

453
00:20:02,519 --> 00:20:00,760
that's gone into that but a lot of

454
00:20:04,110 --> 00:20:02,529
people when they sort of a debunk it say

455
00:20:06,360 --> 00:20:04,120
that they believe it's a fault within

456
00:20:08,639 --> 00:20:06,370
the the digital technology which is why

457
00:20:10,769 --> 00:20:08,649
this is appearing but when they when the

458
00:20:13,350 --> 00:20:10,779
orb started to appear it was probably

459
00:20:15,450 --> 00:20:13,360
you know in the middle 1990s around 95

460
00:20:17,940 --> 00:20:15,460
ish onwards where people started to see

461
00:20:19,139 --> 00:20:17,950
the the orbs in images at that time of

462
00:20:22,169 --> 00:20:19,149
course a lot of people were still using

463
00:20:24,539 --> 00:20:22,179

ordinary cameras and an ordinary film as

464

00:20:26,909 --> 00:20:24,549

this was so you know that discounts the

465

00:20:28,409 --> 00:20:26,919

digital lot side of it a lot of people

466

00:20:30,149 --> 00:20:28,419

felt the reason we were starting to see

467

00:20:32,840 --> 00:20:30,159

the orbs is that you know again

468

00:20:36,899 --> 00:20:32,850

discounting things like raindrops

469

00:20:39,659 --> 00:20:36,909

snowflakes dust light refraction etc we

470

00:20:41,519 --> 00:20:39,669

were actually seeing spirits and you

471

00:20:43,799 --> 00:20:41,529

know the the sort of core energy of a

472

00:20:47,639 --> 00:20:43,809

spirit a ghost a poltergeist

473

00:20:48,870 --> 00:20:47,649

a guide or a guardian or an angel and a

474

00:20:50,639 --> 00:20:48,880

lot of people thought because we were

475

00:20:53,100 --> 00:20:50,649

sort of we were at a transition point

476
00:20:54,389 --> 00:20:53,110
you know the veil was thinning this is

477
00:20:58,860 --> 00:20:54,399
the reason what we're starting to see

478
00:21:01,320 --> 00:20:58,870
like into that next dimension but the

479
00:21:03,149 --> 00:21:01,330
the orbs have been in relation to the

480
00:21:05,430 --> 00:21:03,159
crop formations has been a lot of orbs

481
00:21:08,220 --> 00:21:05,440
that have been seen that seem to have

482
00:21:10,769 --> 00:21:08,230
something to do with it on a in a

483
00:21:13,919 --> 00:21:10,779
technological sense either as some sort

484
00:21:16,350 --> 00:21:13,929
of creative technology or also as an

485
00:21:18,029 --> 00:21:16,360
observational technology but this is not

486
00:21:19,710 --> 00:21:18,039
the sort of the see-through orbs these

487
00:21:22,080 --> 00:21:19,720
are actually balls of light that you can

488
00:21:23,310 --> 00:21:22,090

physically see flying around a field

489

00:21:26,159 --> 00:21:23,320

which a lot of people have photographed

490

00:21:27,779 --> 00:21:26,169

and filmed in some cases where they fly

491

00:21:29,340 --> 00:21:27,789

along the field and then drop into the

492

00:21:32,100 --> 00:21:29,350

the formation and then fly back out

493

00:21:36,830 --> 00:21:32,110

again there's other film footage some of

494

00:21:38,880 --> 00:21:36,840

you may have seen taken in 96 the

495

00:21:40,500 --> 00:21:38,890

snowflake formation near all of his

496

00:21:42,029 --> 00:21:40,510

castle in Wiltshire where there were

497

00:21:44,430 --> 00:21:42,039

four balls of light flying around the

498

00:21:45,899 --> 00:21:44,440

field and there's suddenly an image of

499

00:21:48,330 --> 00:21:45,909

crop formation collapsed underneath

500

00:21:50,700 --> 00:21:48,340

these these balls of light and then two

501
00:21:51,960 --> 00:21:50,710
of them flew off through a hedge they

502
00:21:53,070 --> 00:21:51,970
went across another field through

503
00:21:55,169 --> 00:21:53,080
another hedge and then off into the

504
00:21:57,570 --> 00:21:55,179
distance without slowing as they went

505
00:21:59,129 --> 00:21:57,580
through these hedges now again you know

506
00:22:01,080 --> 00:21:59,139
that there are people that have debunked

507
00:22:02,760 --> 00:22:01,090
that but I actually saw that footage not

508
00:22:03,520 --> 00:22:02,770
long after the formation had appeared

509
00:22:07,180 --> 00:22:03,530
this

510
00:22:08,080 --> 00:22:07,190
in 96 and you know at that time it was

511
00:22:09,580 --> 00:22:08,090
believed you couldn't have back

512
00:22:11,170 --> 00:22:09,590
engineered this because it was it was

513
00:22:13,210 --> 00:22:11,180

that it appeared on the Saturday and

514

00:22:15,700 --> 00:22:13,220

this guy was showing the picture of

515

00:22:16,810 --> 00:22:15,710

these orbs you know flying around it's

516

00:22:18,700 --> 00:22:16,820

only when he was I started to show

517

00:22:20,800 --> 00:22:18,710

people he realized it was actually a

518

00:22:22,840 --> 00:22:20,810

formation was appearing as well so at

519

00:22:24,640 --> 00:22:22,850

that time this felt like this is this is

520

00:22:26,320 --> 00:22:24,650

the evidence you know the fact that

521

00:22:31,270 --> 00:22:26,330

there is some sort of energy that

522

00:22:33,130 --> 00:22:31,280

creates the genuine formations now again

523

00:22:35,800 --> 00:22:33,140

like I say with your bazooka I'm sure

524

00:22:37,690 --> 00:22:35,810

most of you are familiar with that here

525

00:22:40,420 --> 00:22:37,700

as an example this is actually a

526

00:22:43,870 --> 00:22:40,430

photograph that was taken in a place it

527

00:22:46,030 --> 00:22:43,880

used to be a mental hospital and it laid

528

00:22:47,620 --> 00:22:46,040

a Victorian mental hospital and it had

529

00:22:51,220 --> 00:22:47,630

been left derelict for a long period of

530

00:22:53,170 --> 00:22:51,230

time and then they started to renovate

531

00:22:55,720 --> 00:22:53,180

it to make it into flats and apartments

532

00:22:57,580 --> 00:22:55,730

and at the time as this started to

533

00:22:59,800 --> 00:22:57,590

happen and then once people were moving

534

00:23:01,330 --> 00:22:59,810

in a lot of people were having ghosts

535

00:23:03,550 --> 00:23:01,340

and poltergeist activity that was going

536

00:23:05,590 --> 00:23:03,560

on there my wife and I were actually

537

00:23:08,500 --> 00:23:05,600

asked to try and help in relation to

538

00:23:09,910 --> 00:23:08,510

that to try and help these lost souls so

539

00:23:11,410 --> 00:23:09,920

I think it was like the the renovation

540

00:23:13,930 --> 00:23:11,420

work stimulated this sort of activity

541

00:23:15,730 --> 00:23:13,940

that was going on that the because that

542

00:23:19,750 --> 00:23:15,740

place had remained dormant for quite a

543

00:23:21,790 --> 00:23:19,760

long period of time but as I say with

544

00:23:24,040 --> 00:23:21,800

the with the the crop formations it's as

545

00:23:26,560 --> 00:23:24,050

though it's it's a technology that's

546

00:23:28,810 --> 00:23:26,570

involved now certainly the military are

547

00:23:31,150 --> 00:23:28,820

fully aware of that over the years

548

00:23:32,920 --> 00:23:31,160

myself many other researchers have been

549

00:23:35,890 --> 00:23:32,930

they've been interactions with

550

00:23:37,870 --> 00:23:35,900

helicopters the in some cases they

551
00:23:40,420 --> 00:23:37,880
actually harass people they come so

552
00:23:43,690 --> 00:23:40,430
close there was one we were in in 1996

553
00:23:45,190 --> 00:23:43,700
the double helix of DNA formation then a

554
00:23:46,750 --> 00:23:45,200
helicopter came so close you could

555
00:23:48,430 --> 00:23:46,760
actually see the faces of the pilots as

556
00:23:50,770 --> 00:23:48,440
they were above there is really quite

557
00:23:52,810 --> 00:23:50,780
threatening and in that same formation

558
00:23:54,340 --> 00:23:52,820
one of the researchers at the time as

559
00:23:56,590 --> 00:23:54,350
she came out the formation she went up

560
00:23:58,090 --> 00:23:56,600
to her car and just as she was about to

561
00:24:00,790 --> 00:23:58,100
start it suddenly a helicopter came up

562
00:24:02,590 --> 00:24:00,800
from below and and sort of buzzed the

563
00:24:04,120 --> 00:24:02,600

the blades were spinning so close above

564

00:24:05,740 --> 00:24:04,130

her head she was screaming and all the

565

00:24:07,660 --> 00:24:05,750

dust and everything was flying about all

566

00:24:10,570 --> 00:24:07,670

over the place she jumped into a car

567

00:24:14,050 --> 00:24:10,580

drove down the hill and she was chased

568

00:24:15,790 --> 00:24:14,060

by this helicopter in fact she's to this

569

00:24:17,350 --> 00:24:15,800

day she's frightened of dragonflies you

570

00:24:20,050 --> 00:24:17,360

know because the way they saw

571

00:24:21,580 --> 00:24:20,060

with that erratic movement you know this

572

00:24:22,810 --> 00:24:21,590

goes on you know you never hear this in

573

00:24:25,630 --> 00:24:22,820

the media when they're when they're

574

00:24:26,590 --> 00:24:25,640

debunking this subject but you know for

575

00:24:29,260 --> 00:24:26,600

some reason

576
00:24:31,720 --> 00:24:29,270
whoever's given the order you know to to

577
00:24:35,850 --> 00:24:31,730
threaten and to scare the researchers

578
00:24:40,060 --> 00:24:38,770
we've also seen a helicopter chasing one

579
00:24:43,000 --> 00:24:40,070
of these orbs a lot of people have as

580
00:24:45,700 --> 00:24:43,010
well and they've filmed it so they're

581
00:24:47,980 --> 00:24:45,710
not only aware of the formations again

582
00:24:49,510 --> 00:24:47,990
they this hoax formations you know that

583
00:24:51,190 --> 00:24:49,520
but there's also genuine ones as well

584
00:24:53,740 --> 00:24:51,200
and they've been sort of monitoring that

585
00:24:56,770 --> 00:24:53,750
not forgetting of course that where the

586
00:24:59,740 --> 00:24:56,780
vast majority of formations appear are

587
00:25:01,570 --> 00:24:59,750
in a sort of a triangular area in in

588
00:25:03,460 --> 00:25:01,580

Wiltshire Hampshire south of Swindon and

589

00:25:05,200 --> 00:25:03,470

that's right where you've got Salisbury

590

00:25:06,760 --> 00:25:05,210

Plain and you've got Boscombe down

591

00:25:09,190 --> 00:25:06,770

important down these sort of big

592

00:25:10,570 --> 00:25:09,200

military bases but this actually

593

00:25:13,120 --> 00:25:10,580

happened we were where we were living in

594

00:25:16,660 --> 00:25:13,130

Somerset this was the end of June in

595

00:25:18,490 --> 00:25:16,670

2011 and where we lived as you look down

596

00:25:20,890 --> 00:25:18,500

into the valley below

597

00:25:22,570 --> 00:25:20,900

it wasn't far well that far north of

598

00:25:24,310 --> 00:25:22,580

yoghurt inand at the the Naval Air

599

00:25:27,220 --> 00:25:24,320

Station and of course Bristol Airport

600

00:25:28,330 --> 00:25:27,230

behind us but as we're looking late at

601

00:25:29,380 --> 00:25:28,340

night it was just getting dark

602

00:25:30,940 --> 00:25:29,390

you know then sort of the middle of

603

00:25:32,950 --> 00:25:30,950

summer we could actually see a lot of

604

00:25:35,200 --> 00:25:32,960

helicopter activity in the valley below

605

00:25:36,310 --> 00:25:35,210

and these helicopters were moving

606

00:25:38,440 --> 00:25:36,320

backwards and forwards as though they

607

00:25:39,910 --> 00:25:38,450

were looking for something then at one

608

00:25:41,950 --> 00:25:39,920

stage I went round to the south side of

609

00:25:43,690 --> 00:25:41,960

the house and as I looked up I saw a

610

00:25:46,540 --> 00:25:43,700

helicopter approaching as close as this

611

00:25:47,680 --> 00:25:46,550

this illustration here and I was sort of

612

00:25:49,930 --> 00:25:47,690

watching it and then as I looked I

613

00:25:51,550 --> 00:25:49,940

realised right in front of it was was an

614

00:25:53,920 --> 00:25:51,560

or but there this figures there that's

615

00:25:56,560 --> 00:25:53,930

the moon this is an artist impression

616

00:25:57,970 --> 00:25:56,570

but you know and I saw I sort of watched

617

00:26:00,400 --> 00:25:57,980

as his helicopter was just literally

618

00:26:03,040 --> 00:26:00,410

following this all so I ran around the

619

00:26:04,450 --> 00:26:03,050

side of the house because Mom my wife

620

00:26:06,460 --> 00:26:04,460

had been watching as well at what was

621

00:26:08,080 --> 00:26:06,470

going on down below just to say no an

622

00:26:09,400 --> 00:26:08,090

orb but thankfully she had already seen

623

00:26:10,900 --> 00:26:09,410

it she had the binoculars and she was

624

00:26:13,780 --> 00:26:10,910

actually you know following having a

625

00:26:15,280 --> 00:26:13,790

look at this it really helps again as

626
00:26:17,980 --> 00:26:15,290
you know if you have somebody that sees

627
00:26:20,560 --> 00:26:17,990
something amazing to sort of corroborate

628
00:26:22,480 --> 00:26:20,570
you know your story so it really helps

629
00:26:25,240 --> 00:26:22,490
but again I would estimated it was

630
00:26:26,920 --> 00:26:25,250
probably about that big this ball of

631
00:26:28,510 --> 00:26:26,930
light and there is no doubt because it

632
00:26:29,860 --> 00:26:28,520
was right in front of the flight deck

633
00:26:31,120 --> 00:26:29,870
you know the crew definitely would have

634
00:26:33,670 --> 00:26:31,130
seen this object and they would

635
00:26:37,120 --> 00:26:33,680
and he following it so once again

636
00:26:39,460 --> 00:26:37,130
military or black ops whatever are fully

637
00:26:41,410 --> 00:26:39,470
aware of this subject and these unusual

638
00:26:43,420 --> 00:26:41,420

objects what they have concluded they

639

00:26:45,190 --> 00:26:43,430

are I don't know but you know they

640

00:26:48,790 --> 00:26:45,200

certainly know that they're around and

641

00:26:52,200 --> 00:26:48,800

or part possibly of the creative force

642

00:26:57,070 --> 00:26:52,210

in relation to genuine crop formations

643

00:26:59,050 --> 00:26:57,080

now over the years the formations you

644

00:27:01,510 --> 00:26:59,060

know there's many different types from

645

00:27:03,730 --> 00:27:01,520

sort of life forms spiritual religious

646

00:27:05,200 --> 00:27:03,740

images very complex geometry and

647

00:27:07,900 --> 00:27:05,210

advanced mathematics things like that

648

00:27:09,340 --> 00:27:07,910

but a lot of the formations started to

649

00:27:11,740 --> 00:27:09,350

this was a formation that appeared in

650

00:27:14,350 --> 00:27:11,750

1999 they started to become really

651
00:27:16,720 --> 00:27:14,360
complex not just the image but the

652
00:27:18,160 --> 00:27:16,730
actual lie of the crop which again of

653
00:27:19,540 --> 00:27:18,170
course you know when at that time

654
00:27:21,040 --> 00:27:19,550
everybody believed it's just ropes and

655
00:27:26,200 --> 00:27:21,050
planks of wood how you can actually

656
00:27:29,110 --> 00:27:26,210
weave crop to look like this is amazing

657
00:27:31,120 --> 00:27:29,120
and also the if you notice the circles

658
00:27:33,010 --> 00:27:31,130
there they're actually standing crop it

659
00:27:35,950 --> 00:27:33,020
once again it would be a lot easy to

660
00:27:38,950 --> 00:27:35,960
indent circles but to actually have it a

661
00:27:40,720 --> 00:27:38,960
standing crop it's pretty amazing this

662
00:27:43,000 --> 00:27:40,730
is actually the only photograph of that

663
00:27:44,800 --> 00:27:43,010

formation there is because basically

664

00:27:46,540 --> 00:27:44,810

within a few hours of that appearing and

665

00:27:48,640 --> 00:27:46,550

that had that image being taken the

666

00:27:52,330 --> 00:27:48,650

farmer actually came in and cut the cut

667

00:27:53,440 --> 00:27:52,340

the image out within the crop so you

668

00:27:54,490 --> 00:27:53,450

know before anybody can actually have a

669

00:27:57,820 --> 00:27:54,500

look at it on the ground which is a real

670

00:28:01,780 --> 00:27:57,830

shame now then this of this formation

671

00:28:03,730 --> 00:28:01,790

appeared in July of 2000 known as the

672

00:28:06,940 --> 00:28:03,740

magnetic field formation for obvious

673

00:28:08,860 --> 00:28:06,950

reasons and you know it's very much like

674

00:28:10,180 --> 00:28:08,870

when we were at school we had the Yuma

675

00:28:12,280 --> 00:28:10,190

40 member yeah they're a bit of paper

676

00:28:13,480 --> 00:28:12,290

with your own filings exactly and you

677

00:28:14,860 --> 00:28:13,490

put a magnet underneath and it would

678

00:28:16,360 --> 00:28:14,870

immediately they would sort of stand up

679

00:28:18,670 --> 00:28:16,370

and you see the the effect of the

680

00:28:21,070 --> 00:28:18,680

magnetic field so it's like that but

681

00:28:24,640 --> 00:28:21,080

what is amazing is that disappeared in

682

00:28:27,820 --> 00:28:24,650

July 2000 this was at the time that NASA

683

00:28:29,170 --> 00:28:27,830

had concluded that there is a real

684

00:28:31,510 --> 00:28:29,180

problem with the Earth's magnetic field

685

00:28:34,120 --> 00:28:31,520

and there are effects around the planet

686

00:28:38,020 --> 00:28:34,130

and that the magnetic field may flip

687

00:28:39,910 --> 00:28:38,030

fairly soon in the following year this

688

00:28:43,330 --> 00:28:39,920

is mm the following year there was a guy

689

00:28:44,530 --> 00:28:43,340

called Brian Ennis that contacted Graeme

690

00:28:48,060 --> 00:28:44,540

birds'll who was

691

00:28:51,220 --> 00:28:48,070

the editor of the UK's UFO magazine and

692

00:28:54,130 --> 00:28:51,230

he contacted him to say that he was

693

00:28:56,770 --> 00:28:54,140

actually working with with scientists

694

00:28:58,780 --> 00:28:56,780

researching electrogravitics and

695

00:29:02,190 --> 00:28:58,790

advanced propulsion from propulsion

696

00:29:05,320 --> 00:29:02,200

systems and he contacted him to say that

697

00:29:07,360 --> 00:29:05,330

scientists at NASA and elsewhere had

698

00:29:09,400 --> 00:29:07,370

determined that the Earth's magnetic

699

00:29:11,260 --> 00:29:09,410

field was imminently due to flip and

700

00:29:15,430 --> 00:29:11,270

this was based on comparable satellite

701
00:29:18,730 --> 00:29:15,440
data from 1980 through to 2000 plus

702
00:29:21,280 --> 00:29:18,740
other data as well he said the process

703
00:29:23,440 --> 00:29:21,290
has begun and is irrevocable it's going

704
00:29:25,360 --> 00:29:23,450
to happen and this is concentrating the

705
00:29:28,090 --> 00:29:25,370
minds at NASA more than any other

706
00:29:30,280 --> 00:29:28,100
project you can name its initial effects

707
00:29:32,500 --> 00:29:30,290
will manifest extreme changes in the

708
00:29:35,950 --> 00:29:32,510
weather which we've got certainly last

709
00:29:38,950 --> 00:29:35,960
time I came here we did with huge global

710
00:29:41,770 --> 00:29:38,960
super storms and will probably flip by

711
00:29:43,210 --> 00:29:41,780
about 2020 and I mean I certainly know

712
00:29:45,310 --> 00:29:43,220
there's one Airport in Florida where

713
00:29:46,900 --> 00:29:45,320

they've actually had to re renumber you

714

00:29:48,730 --> 00:29:46,910

know the letters as you land you know to

715

00:29:50,170 --> 00:29:48,740

7:09 whatever they've actually changed

716

00:29:52,300 --> 00:29:50,180

the numbers because there mate there's

717

00:29:55,990 --> 00:29:52,310

an effect of the magnetic field even on

718

00:29:58,000 --> 00:29:56,000

the solid runway to change the effect so

719

00:30:00,430 --> 00:29:58,010

this is definitely going on in various

720

00:30:01,990 --> 00:30:00,440

places around the world grand birds who

721

00:30:04,090 --> 00:30:02,000

didn't release that information out into

722

00:30:06,040 --> 00:30:04,100

the wider world until the following year

723

00:30:09,040 --> 00:30:06,050

in 2002 because it didn't to scare

724

00:30:10,300 --> 00:30:09,050

people but it just shows this is another

725

00:30:12,040 --> 00:30:10,310

thing you know crop formations aren't

726

00:30:14,980 --> 00:30:12,050

just pretty pictures over the years of

727

00:30:16,750 --> 00:30:14,990

that long journey they were often to

728

00:30:18,040 --> 00:30:16,760

give you know powerful messages and a

729

00:30:19,960 --> 00:30:18,050

lot of people felt that that's what was

730

00:30:22,810 --> 00:30:19,970

going on here you know it was saying

731

00:30:28,660 --> 00:30:22,820

look at your magnetic field for obvious

732

00:30:30,880 --> 00:30:28,670

reasons now not only that but they they

733

00:30:32,260 --> 00:30:30,890

also do have an effect I mentioned

734

00:30:34,030 --> 00:30:32,270

earlier about the fact that compasses

735

00:30:37,810 --> 00:30:34,040

can spin wildly within the formation

736

00:30:39,430 --> 00:30:37,820

batteries can file but also and

737

00:30:40,810 --> 00:30:39,440

certainly dowsers as I say you know that

738

00:30:41,950 --> 00:30:40,820

many dowsers were going the rods will

739

00:30:44,770 --> 00:30:41,960

turn in the direction of the flow

740

00:30:47,230 --> 00:30:44,780

whatever people can detect it with their

741

00:30:51,040 --> 00:30:47,240

hands some formations are really sort of

742

00:30:52,780 --> 00:30:51,050

a beautiful feeling that are really sort

743

00:30:54,750 --> 00:30:52,790

of calm and peaceful others actually

744

00:30:57,880 --> 00:30:54,760

have a very negative energy to them etc

745

00:31:00,790 --> 00:30:57,890

but I know of two people that

746

00:31:03,610 --> 00:31:00,800

they actually saw a flock of pigeons

747

00:31:04,990 --> 00:31:03,620

flying towards a formation and as it

748

00:31:07,240 --> 00:31:05,000

approached the formation the flock

749

00:31:09,310 --> 00:31:07,250

actually split in two flew around the

750

00:31:11,920 --> 00:31:09,320

formation and then rejoined again on the

751
00:31:13,630 --> 00:31:11,930
other side and then continued on which

752
00:31:15,430 --> 00:31:13,640
seemed to show the fact that there must

753
00:31:18,540 --> 00:31:15,440
be a large dome of energy above the

754
00:31:21,280 --> 00:31:18,550
genuine formations certainly of course

755
00:31:23,440 --> 00:31:21,290
pigeons are our birds that navigate

756
00:31:26,380 --> 00:31:23,450
using the magnetic field so it makes a

757
00:31:27,850 --> 00:31:26,390
lot of sense but even Steve Alexander

758
00:31:30,550 --> 00:31:27,860
who's taken a lot of these images I'm

759
00:31:31,960 --> 00:31:30,560
showing you tonight he he said that he's

760
00:31:33,580 --> 00:31:31,970
flown over some formations with the

761
00:31:35,770 --> 00:31:33,590
helicopter sort of low over the

762
00:31:36,910 --> 00:31:35,780
formation and as he's gone over the

763
00:31:38,950 --> 00:31:36,920

instruments in the foot in the

764

00:31:40,900 --> 00:31:38,960

helicopter have gone erratic as he goes

765

00:31:43,180 --> 00:31:40,910

over the formation but then they clear

766

00:31:44,620 --> 00:31:43,190

up again as he goes beyond so this is

767

00:31:46,750 --> 00:31:44,630

adding weight to the fact that the

768

00:31:48,700 --> 00:31:46,760

genuine formations have a large dome of

769

00:31:50,770 --> 00:31:48,710

energy above them and we can only assume

770

00:31:54,670 --> 00:31:50,780

that also goes down into the earth below

771

00:31:56,290 --> 00:31:54,680

of course you know we also for these

772

00:31:57,460 --> 00:31:56,300

formations we have our you know our

773

00:31:59,770 --> 00:31:57,470

bread and our beer and things like that

774

00:32:04,450 --> 00:31:59,780

so you know what effect that has it's

775

00:32:06,730 --> 00:32:04,460

hard to say over the years as well

776

00:32:09,010 --> 00:32:06,740

they've been many images that relate to

777

00:32:17,780 --> 00:32:09,020

sort of spiritual reality and religious

778

00:32:22,410 --> 00:32:20,040

for the people of the world which I

779

00:32:24,120 --> 00:32:22,420

believe it is then it's it's it's makes

780

00:32:26,880 --> 00:32:24,130

sense that they would cover all areas

781

00:32:29,370 --> 00:32:26,890

you know to include all people and that

782

00:32:31,080 --> 00:32:29,380

includes the sort of spiritual and

783

00:32:34,710 --> 00:32:31,090

religious imagery as well this is

784

00:32:37,380 --> 00:32:34,720

actually this appeared in 1997 and this

785

00:32:40,200 --> 00:32:37,390

is the The Tree of Life from the

786

00:32:44,370 --> 00:32:40,210

Kabbalah then the following year in 90

787

00:32:46,890 --> 00:32:44,380

of 1999 sorry 1998 this formation

788

00:32:49,470 --> 00:32:46,900

appeared at a place called Woodbury hill

789

00:32:51,900 --> 00:32:49,480

near Alton Barnes in Wiltshire and it's

790

00:32:53,100 --> 00:32:51,910

actually it's a beautiful formation this

791

00:32:54,690 --> 00:32:53,110

is another one where you can see the lay

792

00:32:57,480 --> 00:32:54,700

of the crop it's not just sort of

793

00:32:59,580 --> 00:32:57,490

swirled round it actually has a pattern

794

00:33:02,040 --> 00:32:59,590

by the way the crop is laid and how it

795

00:33:04,049 --> 00:33:02,050

captures the light now what is amazing

796

00:33:06,870 --> 00:33:04,059

about this image is you see a couple of

797

00:33:08,880 --> 00:33:06,880

people in there there were some Native

798

00:33:10,680 --> 00:33:08,890

Americans were also doing research into

799

00:33:13,110 --> 00:33:10,690

the crop formations and they said when

800

00:33:15,299 --> 00:33:13,120

they saw this they were shocked because

801
00:33:17,000 --> 00:33:15,309
this actually in their tradition in the

802
00:33:20,190 --> 00:33:17,010
Native American tradition in America

803
00:33:22,290 --> 00:33:20,200
this relates to what is the equivalent

804
00:33:24,840 --> 00:33:22,300
of Revelation as we know it or revealing

805
00:33:27,330 --> 00:33:24,850
so it's a very powerful symbol including

806
00:33:29,520 --> 00:33:27,340
even the pattern within it and it also

807
00:33:31,950 --> 00:33:29,530
appeared not long after the birth of the

808
00:33:35,820 --> 00:33:31,960
White Buffalo Calf which again was a

809
00:33:37,740 --> 00:33:35,830
very powerful sort of message with for

810
00:33:39,600 --> 00:33:37,750
Native Americans that were saying you

811
00:33:41,640 --> 00:33:39,610
know we are at a major major transition

812
00:33:45,540 --> 00:33:41,650
point so this sort of added even more

813
00:33:49,200 --> 00:33:45,550

weight when they saw this now this

814

00:33:51,390 --> 00:33:49,210

formation appeared in 1999 and it

815

00:33:52,620 --> 00:33:51,400

appeared at a place called Kahn which is

816

00:33:54,810 --> 00:33:52,630

just down the road from the Avebury

817

00:33:56,640 --> 00:33:54,820

stone circle in Wiltshire in that sort

818

00:33:58,470 --> 00:33:56,650

of Mecca area where many of the

819

00:34:00,299 --> 00:33:58,480

formations have appeared they have

820

00:34:02,850 --> 00:34:00,309

appeared in over 42 different countries

821

00:34:06,330 --> 00:34:02,860

all over the world but certainly the

822

00:34:08,369 --> 00:34:06,340

vast majority and the complex formations

823

00:34:10,830 --> 00:34:08,379

have appeared in that triangular area in

824

00:34:14,970 --> 00:34:10,840

Wiltshire Hampshire you know over those

825

00:34:16,230 --> 00:34:14,980

years but this formation here above it

826
00:34:17,760 --> 00:34:16,240
in the hill that you've got the white

827
00:34:19,590 --> 00:34:17,770
horse there and just sort of just

828
00:34:22,200 --> 00:34:19,600
off-camera on the right there's actually

829
00:34:25,109 --> 00:34:22,210
an obelisk there and that obelisk marks

830
00:34:27,570 --> 00:34:25,119
the spot where Marconi sent his first

831
00:34:29,230 --> 00:34:27,580
radio transmissions in the UK back in

832
00:34:30,580 --> 00:34:29,240
1898 which

833
00:34:32,770 --> 00:34:30,590
of course as the beginning of radio

834
00:34:35,590 --> 00:34:32,780
transmissions so it's quite interesting

835
00:34:37,720 --> 00:34:35,600
in the place where these formations or

836
00:34:40,180 --> 00:34:37,730
the mecca area for these formations

837
00:34:43,210 --> 00:34:40,190
appearing is a place where the first

838
00:34:44,919 --> 00:34:43,220

sort of communication you know what the

839

00:34:48,879 --> 00:34:44,929

beginnings of communication were

840

00:34:50,409 --> 00:34:48,889

actually sent from that area so it sort

841

00:34:51,970 --> 00:34:50,419

of makes sense then when you start

842

00:34:55,659 --> 00:34:51,980

looking at this as possibly a city

843

00:34:57,160 --> 00:34:55,669

message now from basically the mid

844

00:34:58,960 --> 00:34:57,170

eighties onwards you know through the

845

00:35:00,220 --> 00:34:58,970

90s through to about 2000 you know

846

00:35:01,840 --> 00:35:00,230

people were seeing though there were

847

00:35:03,520 --> 00:35:01,850

messages were being given there was

848

00:35:05,200 --> 00:35:03,530

clearly something going on and people

849

00:35:07,720 --> 00:35:05,210

were saying you know what is this it

850

00:35:10,150 --> 00:35:07,730

relates to changes on earth etc but is

851
00:35:12,250 --> 00:35:10,160
it like a SETI communication but it was

852
00:35:13,680 --> 00:35:12,260
in 2000 where that was really answered

853
00:35:16,000 --> 00:35:13,690
and over the next couple of years

854
00:35:18,430 --> 00:35:16,010
it was definitely answer that this was

855
00:35:20,350 --> 00:35:18,440
like a city communication now you all

856
00:35:22,570 --> 00:35:20,360
know the SETI program the search for

857
00:35:24,730 --> 00:35:22,580
extraterrestrial intelligence which uses

858
00:35:26,710 --> 00:35:24,740
radio telescopes around the world

859
00:35:28,330 --> 00:35:26,720
- hopefully listen into a signal that

860
00:35:30,760 --> 00:35:28,340
comes from space and then from an

861
00:35:33,730 --> 00:35:30,770
advanced civilization of course the SETI

862
00:35:36,640 --> 00:35:33,740
program is run by NASA and of course

863
00:35:38,320 --> 00:35:36,650

NASA is run by the military so the you

864

00:35:41,040 --> 00:35:38,330

know it's very likely that if we even

865

00:35:44,380 --> 00:35:41,050

did receive an intelligent communication

866

00:35:45,460 --> 00:35:44,390

via radio waves into a telescope that

867

00:35:46,240 --> 00:35:45,470

they would cover it up they wouldn't

868

00:35:47,830 --> 00:35:46,250

tell us about it

869

00:35:50,290 --> 00:35:47,840

so that's the general feeling is that

870

00:35:51,430 --> 00:35:50,300

you know with crop formations this is

871

00:35:55,030 --> 00:35:51,440

something for the people of the world

872

00:35:57,760 --> 00:35:55,040

and that was really proved in in August

873

00:36:00,180 --> 00:35:57,770

of 2000 right next to that radio

874

00:36:03,910 --> 00:36:00,190

telescope which is at chill bolt and

875

00:36:06,760 --> 00:36:03,920

south of andover in hampshire appeared

876

00:36:08,620 --> 00:36:06,770

this formation here now that's the

877

00:36:10,930 --> 00:36:08,630

telescope that's on government land and

878

00:36:12,700 --> 00:36:10,940

right into the field next to it appeared

879

00:36:14,859 --> 00:36:12,710

this formation but it really if you

880

00:36:17,410 --> 00:36:14,869

notice it really mimics the dish of the

881

00:36:19,720 --> 00:36:17,420

telescope with the antenna in the middle

882

00:36:21,700 --> 00:36:19,730

and then with this sort of graphic of

883

00:36:24,490 --> 00:36:21,710

like a planetary or sort of

884

00:36:26,380 --> 00:36:24,500

communication going into the dish this

885

00:36:28,480 --> 00:36:26,390

is a close-up of that you can see what I

886

00:36:30,640 --> 00:36:28,490

mean it's got like the dish with the

887

00:36:32,440 --> 00:36:30,650

antenna and then sort of planetary or

888

00:36:34,690 --> 00:36:32,450

cosmic communication going into the dish

889

00:36:36,550 --> 00:36:34,700

so this is when this sort of stepped up

890

00:36:38,950 --> 00:36:36,560

and people were saying this is like a

891

00:36:40,960 --> 00:36:38,960

steady communication but by appearing in

892

00:36:43,150 --> 00:36:40,970

the field next to the telescope is

893

00:36:47,230 --> 00:36:43,160

saying this is for the people

894

00:36:49,720 --> 00:36:47,240

not to be hidden away then the following

895

00:36:52,450 --> 00:36:49,730

year of course it became definitive when

896

00:36:54,490 --> 00:36:52,460

these two formations appeared so that's

897

00:36:57,430 --> 00:36:54,500

the radio telescope the formation that

898

00:36:59,950 --> 00:36:57,440

you just saw appeared just here and then

899

00:37:04,150 --> 00:36:59,960

these two appeared now the one at the

900

00:37:06,400 --> 00:37:04,160

top is like a face a human or humanoid

901
00:37:07,990 --> 00:37:06,410
face but you can only see it from them

902
00:37:11,530 --> 00:37:08,000
from the air when you look down on it

903
00:37:13,690 --> 00:37:11,540
the other one this one here is pointing

904
00:37:16,270 --> 00:37:13,700
straight at the radio telescope is

905
00:37:18,670 --> 00:37:16,280
actually based on a binary code message

906
00:37:22,839 --> 00:37:18,680
that was sent into space by the SETI

907
00:37:24,730 --> 00:37:22,849
program back in November 1974 and yet

908
00:37:26,589 --> 00:37:24,740
it's got anomalies in it and of course

909
00:37:28,359 --> 00:37:26,599
the anomalies are the classic

910
00:37:30,910 --> 00:37:28,369
communication it's what you would look

911
00:37:32,940 --> 00:37:30,920
at you know to see the message so

912
00:37:35,230 --> 00:37:32,950
initially if you look at the face

913
00:37:36,280 --> 00:37:35,240

further back you are or if you squint

914

00:37:37,930 --> 00:37:36,290

your eyes slightly that it sort of

915

00:37:39,640 --> 00:37:37,940

brings out the more three-dimensional

916

00:37:42,250 --> 00:37:39,650

aspect to that of like a human or

917

00:37:44,500 --> 00:37:42,260

humanoid face got the eyes the nose the

918

00:37:46,569 --> 00:37:44,510

mouth the chin etc it's very much like a

919

00:37:49,839 --> 00:37:46,579

black and white newspaper where you have

920

00:37:51,460 --> 00:37:49,849

white paper black dots if you close up

921

00:37:52,930 --> 00:37:51,470

you can't see it but as you pull away

922

00:37:55,569 --> 00:37:52,940

then you see the face of somebody you

923

00:37:58,200 --> 00:37:55,579

recognize it's like that this is made up

924

00:38:01,780 --> 00:37:58,210

of hundreds of circles of standing crop

925

00:38:03,220 --> 00:38:01,790

that's just one corner look ranging from

926
00:38:06,160 --> 00:38:03,230
pretty about a foot across here through

927
00:38:08,410 --> 00:38:06,170
to about four feet here but also the

928
00:38:10,990 --> 00:38:08,420
crop itself isn't crushed or broken it

929
00:38:13,329 --> 00:38:11,000
actually flows around the circles so you

930
00:38:15,040 --> 00:38:13,339
know this is very organic and when

931
00:38:16,900 --> 00:38:15,050
you're standing in it yeah the crop

932
00:38:18,339 --> 00:38:16,910
comes up or all of this the crop

933
00:38:20,230 --> 00:38:18,349
generally comes up to about the top of

934
00:38:21,700 --> 00:38:20,240
your thigh so as you look along that

935
00:38:25,780 --> 00:38:21,710
field you even got a clue what that

936
00:38:28,890 --> 00:38:25,790
image is until you see it from above now

937
00:38:30,940 --> 00:38:28,900
the other one that that's about probably

938
00:38:34,329 --> 00:38:30,950

about two hundred and fifty feet in

939

00:38:37,990 --> 00:38:34,339

length with over a hundred again squares

940

00:38:39,790 --> 00:38:38,000

and oblongs of standing crop now like I

941

00:38:42,190 --> 00:38:39,800

say this was based on a binary code

942

00:38:44,559 --> 00:38:42,200

message that was sent in November 1974

943

00:38:47,050 --> 00:38:44,569

into space from the Arecibo radio

944

00:38:49,480 --> 00:38:47,060

telescope which up until recently was

945

00:38:50,920 --> 00:38:49,490

the world's largest telescope you can

946

00:38:53,589 --> 00:38:50,930

see it's actually based in in the

947

00:38:55,839 --> 00:38:53,599

mountains in in Puerto Rico that's a

948

00:38:56,410 --> 00:38:55,849

helicopter landing pad that's the admin

949

00:38:57,970 --> 00:38:56,420

building

950

00:39:01,900 --> 00:38:57,980

you know idea the size of this thing and

951

00:39:04,810 --> 00:39:01,910

this message that was sent this is a

952

00:39:06,970 --> 00:39:04,820

translation of that here and then next

953

00:39:08,380 --> 00:39:06,980

to it is a block form so you can compare

954

00:39:11,440 --> 00:39:08,390

to the crop formation in a minute and

955

00:39:13,500 --> 00:39:11,450

see the differences but initially the

956

00:39:15,790 --> 00:39:13,510

form of the the message that they sent

957

00:39:19,030 --> 00:39:15,800

are just sort of highlight some of the

958

00:39:21,910 --> 00:39:19,040

areas on it basically at the bottom it

959

00:39:24,640 --> 00:39:21,920

had a little mini graphic of the the

960

00:39:26,560 --> 00:39:24,650

Arecibo radio telescope with the dish

961

00:39:30,400 --> 00:39:26,570

and the antenna where this message was

962

00:39:32,470 --> 00:39:30,410

sent from above it you've got the the

963

00:39:35,200 --> 00:39:32,480

planetary system with the third planet

964

00:39:36,820 --> 00:39:35,210

out raised up saying this is the planet

965

00:39:39,400 --> 00:39:36,830

we live at which of course is earth

966

00:39:41,590 --> 00:39:39,410

planet with life on it and above that

967

00:39:43,530 --> 00:39:41,600

you have the human figure then above

968

00:39:47,230 --> 00:39:43,540

that you have the DNA double helix

969

00:39:48,940 --> 00:39:47,240

number of nucleotides in DNA formulas

970

00:39:51,700 --> 00:39:48,950

for sugars and bases in nucleotides of

971

00:39:54,130 --> 00:39:51,710

DNA atomic numbers for oxygen nitrogen

972

00:39:56,560 --> 00:39:54,140

carbon etc this is an intelligent

973

00:40:01,990 --> 00:39:56,570

communication sent in binary code into

974

00:40:04,990 --> 00:40:02,000

space so if you now look at the the the

975

00:40:07,150 --> 00:40:05,000

block form there which is here and now

976
00:40:09,190 --> 00:40:07,160
if you zigzag backwards and forwards as

977
00:40:11,020 --> 00:40:09,200
you look the more you look at it you'll

978
00:40:12,850 --> 00:40:11,030
start to see that the actual formation

979
00:40:14,620 --> 00:40:12,860
has anomalies they're not it's not

980
00:40:16,900 --> 00:40:14,630
exactly the same and that is what you

981
00:40:18,790 --> 00:40:16,910
would look at of course for the classic

982
00:40:20,500 --> 00:40:18,800
communication now there are quite a lot

983
00:40:23,500 --> 00:40:20,510
in there but I'll just highlight some of

984
00:40:27,670 --> 00:40:23,510
them for you one of them is the DNA

985
00:40:29,440 --> 00:40:27,680
structure is more advanced and certainly

986
00:40:31,300 --> 00:40:29,450
with the hybridization program that's

987
00:40:33,910 --> 00:40:31,310
going on where people are being taken

988
00:40:36,100 --> 00:40:33,920

having genetic material removed the

989

00:40:38,620 --> 00:40:36,110

hybrid race being created between ET and

990

00:40:40,570 --> 00:40:38,630

human it's believed that the DNA

991

00:40:43,180 --> 00:40:40,580

structure is more advanced they're sort

992

00:40:47,140 --> 00:40:43,190

of being provable now you know with

993

00:40:49,420 --> 00:40:47,150

people on earth etc you've got instead

994

00:40:51,160 --> 00:40:49,430

of the human figure below it Nick you've

995

00:40:53,140 --> 00:40:51,170

got on the actual formation you've got

996

00:40:55,360 --> 00:40:53,150

an image there of what looks like the

997

00:40:56,740 --> 00:40:55,370

classic gray you know sort of the small

998

00:41:00,250 --> 00:40:56,750

being with a large head with the big

999

00:41:04,060 --> 00:41:00,260

eyes the small body below it instead of

1000

00:41:06,130 --> 00:41:04,070

just the earth raised up here you've got

1001
00:41:08,350 --> 00:41:06,140
three areas raised up saying the there

1002
00:41:09,430 --> 00:41:08,360
is life in all of these first of course

1003
00:41:13,120 --> 00:41:09,440
is earth as we

1004
00:41:14,920 --> 00:41:13,130
full of life next to that is Mars and I

1005
00:41:17,500 --> 00:41:14,930
mean it's now not well-known that Mars

1006
00:41:19,180 --> 00:41:17,510
used to have vast rivers lakes and

1007
00:41:21,160 --> 00:41:19,190
oceans on it there's a lot of frozen

1008
00:41:24,099 --> 00:41:21,170
water on Mars already there are

1009
00:41:26,800 --> 00:41:24,109
photographs even from the Viking orbiter

1010
00:41:28,750 --> 00:41:26,810
and Lander onwards that show what looked

1011
00:41:30,579 --> 00:41:28,760
like vegetation on Mars that seems to

1012
00:41:32,829 --> 00:41:30,589
expand in the summer and contract in the

1013
00:41:34,660 --> 00:41:32,839

winter and there are pyramidal

1014

00:41:36,970 --> 00:41:34,670

structures again I'm sure a lot of you

1015

00:41:39,069 --> 00:41:36,980

heard of that at Cydonia it's believed

1016

00:41:40,569 --> 00:41:39,079

that possibly in the ancient past there

1017

00:41:42,910 --> 00:41:40,579

was an advanced civilization that lived

1018

00:41:45,220 --> 00:41:42,920

on Mars but again anomalies there and

1019

00:41:48,250 --> 00:41:45,230

then beyond that you've got four little

1020

00:41:51,130 --> 00:41:48,260

dots which probably relate to the four

1021

00:41:51,760 --> 00:41:51,140

Galilean moons certainly Europa the ice

1022

00:41:53,260 --> 00:41:51,770

world

1023

00:41:55,780 --> 00:41:53,270

it's believed it has liquid water

1024

00:41:57,910 --> 00:41:55,790

underneath many microbiologist and

1025

00:42:00,280 --> 00:41:57,920

astronomers now believe that there could

1026

00:42:02,530 --> 00:42:00,290

well be microbiological life at least in

1027

00:42:05,109 --> 00:42:02,540

the liquid water under the the ice cap

1028

00:42:06,880 --> 00:42:05,119

at Europa so again if we're looking at

1029

00:42:09,609 --> 00:42:06,890

this as an actual communication it is

1030

00:42:11,410 --> 00:42:09,619

acknowledging that there is life on you

1031

00:42:13,450 --> 00:42:11,420

know more than just the earth within the

1032

00:42:14,710 --> 00:42:13,460

so our own solar system they don't of

1033

00:42:18,730 --> 00:42:14,720

course out into the galaxy or the

1034

00:42:20,859 --> 00:42:18,740

universe but the peace the resistance of

1035

00:42:23,260 --> 00:42:20,869

this particular formation is at the

1036

00:42:25,329 --> 00:42:23,270

bottom because what it's actually got is

1037

00:42:27,130 --> 00:42:25,339

a little mini graphic of the crop

1038

00:42:28,930 --> 00:42:27,140

formation that appeared there the year

1039

00:42:30,490 --> 00:42:28,940

before the one that I just showed you

1040

00:42:32,200 --> 00:42:30,500

that had the dish in the middle with

1041

00:42:35,500 --> 00:42:32,210

that sort of planetary and cosmic stuff

1042

00:42:37,120 --> 00:42:35,510

going on on either side and obviously

1043

00:42:39,040 --> 00:42:37,130

the original message was sent was was

1044

00:42:42,309 --> 00:42:39,050

acknowledged coming from the Arecibo

1045

00:42:45,010 --> 00:42:42,319

telescope here it's believed what it was

1046

00:42:45,520 --> 00:42:45,020

trying to say is that ETS are already

1047

00:42:49,599 --> 00:42:45,530

here

1048

00:42:51,190 --> 00:42:49,609

which of course they are so this had now

1049

00:42:52,300 --> 00:42:51,200

stepped up beyond the one that from the

1050

00:42:54,790 --> 00:42:52,310

year before was sort of like you know

1051
00:42:57,910 --> 00:42:54,800
flat one dimensional then now you're

1052
00:43:00,760 --> 00:42:57,920
talking 2d here with the binary and then

1053
00:43:03,579 --> 00:43:00,770
the following year just eight miles down

1054
00:43:05,950 --> 00:43:03,589
the road now underneath a bank of

1055
00:43:07,690 --> 00:43:05,960
microwave towers and the SETI program

1056
00:43:10,569 --> 00:43:07,700
looks into the microwave spectrum as

1057
00:43:12,609 --> 00:43:10,579
well as the radio spectrum appeared like

1058
00:43:16,030 --> 00:43:12,619
a three-dimensional photographic image

1059
00:43:17,770 --> 00:43:16,040
and that's when this appeared now again

1060
00:43:19,089 --> 00:43:17,780
once you I'm sure many of you have seen

1061
00:43:20,770 --> 00:43:19,099
that before but you know the further

1062
00:43:22,150 --> 00:43:20,780
back you are or if you sweep your eyes

1063
00:43:23,210 --> 00:43:22,160

it actually brings out an even more

1064

00:43:26,270 --> 00:43:23,220

three-dimensional like

1065

00:43:30,589 --> 00:43:26,280

a graphically real image with that of a

1066

00:43:33,200 --> 00:43:30,599

classic gray its it's the microwave

1067

00:43:35,930 --> 00:43:33,210

tales were about here and it's made up

1068

00:43:37,970 --> 00:43:35,940

of many many lines just depressed crop

1069

00:43:41,780 --> 00:43:37,980

which actually create this photographic

1070

00:43:43,010 --> 00:43:41,790

image you've also got I mean as I say

1071

00:43:45,830 --> 00:43:43,020

the further back you will notice this

1072

00:43:48,500 --> 00:43:45,840

like even the the right cheek of the

1073

00:43:50,690 --> 00:43:48,510

being is sort of shaded you know so just

1074

00:43:52,550 --> 00:43:50,700

as you have with it being lit from the

1075

00:43:55,550 --> 00:43:52,560

left how you'd even do that within the

1076

00:43:56,570 --> 00:43:55,560

formation I don't know it's believed

1077

00:43:59,359 --> 00:43:56,580

that these are probably meant to

1078

00:44:01,040 --> 00:43:59,369

represent three UFOs beyond its shoulder

1079

00:44:04,099 --> 00:44:01,050

you've got the classic there you like

1080

00:44:06,770 --> 00:44:04,109

the sternum on the chest but also as you

1081

00:44:08,839 --> 00:44:06,780

can see is holding up a disc now this

1082

00:44:11,359 --> 00:44:08,849

appeared round about the 25th

1083

00:44:13,640 --> 00:44:11,369

anniversary of the Voyager probe the one

1084

00:44:15,589 --> 00:44:13,650

that went out into space that had that

1085

00:44:18,460 --> 00:44:15,599

golden disc on board with people

1086

00:44:22,040 --> 00:44:18,470

speaking music playing children talking

1087

00:44:24,170 --> 00:44:22,050

greetings in 54 earth languages so you

1088

00:44:25,520 --> 00:44:24,180

know for it to be holding up a disc a

1089

00:44:28,880 --> 00:44:25,530

lot of people looked at that as though

1090

00:44:30,170 --> 00:44:28,890

this has got to be a communication now

1091

00:44:33,410 --> 00:44:30,180

some people look at it as though it's

1092

00:44:36,380 --> 00:44:33,420

just circles but it is actually a spiral

1093

00:44:38,630 --> 00:44:36,390

of crop that flows from the center in an

1094

00:44:40,810 --> 00:44:38,640

anti-clockwise direction and then ends

1095

00:44:44,060 --> 00:44:40,820

up sort of coming out at the bottom

1096

00:44:46,280 --> 00:44:44,070

now I actually walked that and it took

1097

00:44:48,680 --> 00:44:46,290

me about 15 or 20 minutes to walk that

1098

00:44:50,210 --> 00:44:48,690

spiral so if you straighten it out that

1099

00:44:52,370 --> 00:44:50,220

must be the equivalent of a mile in

1100

00:44:53,780 --> 00:44:52,380

length if you if you ever look there's a

1101
00:44:54,859 --> 00:44:53,790
car at the top there look just to give

1102
00:44:58,040 --> 00:44:54,869
you an idea the size of these things

1103
00:45:01,070 --> 00:44:58,050
this is about 350 feet in length but

1104
00:45:05,329 --> 00:45:01,080
it's it's on a sloping field so how

1105
00:45:07,190 --> 00:45:05,339
you'd create even a spiral on a sloping

1106
00:45:09,980 --> 00:45:07,200
field at night you know it's hard enough

1107
00:45:12,530 --> 00:45:09,990
to even do a spiral in a computer but

1108
00:45:15,140 --> 00:45:12,540
what's even more complex is if you

1109
00:45:17,540 --> 00:45:15,150
notice all the dark areas on there a

1110
00:45:19,760 --> 00:45:17,550
standing crop and all the light here is

1111
00:45:21,770 --> 00:45:19,770
a laid crop but wherever you go within

1112
00:45:24,380 --> 00:45:21,780
the spiral they all point into the

1113
00:45:26,390 --> 00:45:24,390

center so this is incredibly complex as

1114

00:45:28,790 --> 00:45:26,400

you can imagine so basically some

1115

00:45:31,010 --> 00:45:28,800

researchers sort of saw that as a disc

1116

00:45:32,900 --> 00:45:31,020

like a CD disc and effect plotted it

1117

00:45:35,900 --> 00:45:32,910

into the computer using an ASCII code

1118

00:45:36,710 --> 00:45:35,910

and as she comes up with a message it

1119

00:45:43,160 --> 00:45:36,720

suppose

1120

00:45:46,250 --> 00:45:43,170

he says beware the bearers of false

1121

00:45:49,820 --> 00:45:46,260

gifts and their broken promises much

1122

00:45:50,780 --> 00:45:49,830

pain but still time believe there is

1123

00:45:55,670 --> 00:45:50,790

good out there

1124

00:45:58,849 --> 00:45:55,680

we oppose deception conduit closing now

1125

00:46:02,720 --> 00:45:58,859

that is an incredible message there are

1126

00:46:04,609 --> 00:46:02,730

many people who feel that the the greys

1127

00:46:06,440 --> 00:46:04,619

are here to help us as we're going

1128

00:46:08,570 --> 00:46:06,450

through these incredible environmental

1129

00:46:11,180 --> 00:46:08,580

and technological changes on earth other

1130

00:46:13,580 --> 00:46:11,190

people feel that in fact they are like

1131

00:46:15,620 --> 00:46:13,590

the message says classic deceivers they

1132

00:46:19,970 --> 00:46:15,630

are here to take genetic material from

1133

00:46:22,370 --> 00:46:19,980

us and monitor or even affect us from

1134

00:46:24,920 --> 00:46:22,380

behind the scenes manipulate things from

1135

00:46:25,430 --> 00:46:24,930

behind the scenes and they're not to be

1136

00:46:27,230 --> 00:46:25,440

trusted

1137

00:46:29,660 --> 00:46:27,240

now I personally would go along with a

1138

00:46:31,849 --> 00:46:29,670

letter I would not trust these beings

1139

00:46:33,830 --> 00:46:31,859

but once again as we near disclosure

1140

00:46:36,290 --> 00:46:33,840

once disclosure happens people going to

1141

00:46:38,240 --> 00:46:36,300

start to look at the UFO reality the et

1142

00:46:40,580 --> 00:46:38,250

reality it's very clear there's you know

1143

00:46:42,050 --> 00:46:40,590

way more than a dozen races interacting

1144

00:46:44,210 --> 00:46:42,060

with us they've ever have to choose

1145

00:46:46,700 --> 00:46:44,220

themselves within their own heart what

1146

00:46:48,650 --> 00:46:46,710

they believe or who they believe you

1147

00:46:51,349 --> 00:46:48,660

know from their own personal experience

1148

00:46:53,540 --> 00:46:51,359

as you will so it is a very complex

1149

00:46:54,980 --> 00:46:53,550

subject but as though this is sort of

1150

00:47:00,020 --> 00:46:54,990

being highlighted once again through the

1151
00:47:02,150 --> 00:47:00,030
crop formations what is amazing is I

1152
00:47:03,890 --> 00:47:02,160
mean this became very clear that was

1153
00:47:05,450 --> 00:47:03,900
like a city communication you know in

1154
00:47:07,160 --> 00:47:05,460
any other world like there the movie

1155
00:47:10,430 --> 00:47:07,170
contact you know this would have been

1156
00:47:13,460 --> 00:47:10,440
regarded as as you know absolute city

1157
00:47:16,130 --> 00:47:13,470
communication but what is incredible is

1158
00:47:19,520 --> 00:47:16,140
at the Chilbolton array where - at the

1159
00:47:23,450 --> 00:47:19,530
first - message has appeared more

1160
00:47:26,480 --> 00:47:23,460
recently in September of 2010 by that

1161
00:47:29,420 --> 00:47:26,490
time then actually built a massive new

1162
00:47:30,829 --> 00:47:29,430
radio telescope at that location just

1163
00:47:33,220 --> 00:47:30,839

behind the big telescope in the field

1164

00:47:35,690 --> 00:47:33,230

beyond but it's actually based on

1165

00:47:37,910 --> 00:47:35,700

dipoles simple dipoles

1166

00:47:41,990 --> 00:47:37,920

it's called LOFAR which stands for the

1167

00:47:44,420 --> 00:47:42,000

low-frequency array and just to say what

1168

00:47:46,490 --> 00:47:44,430

it is it's it's basically a radio

1169

00:47:48,329 --> 00:47:46,500

telescope working at the lowest

1170

00:47:50,910 --> 00:47:48,339

frequencies accessible from Earth

1171

00:47:53,309 --> 00:47:50,920

combining simple dipole receivers with

1172

00:47:55,650 --> 00:47:53,319

high-tech computing and it's able to

1173

00:47:57,630 --> 00:47:55,660

serve a wide areas of the sky lat once

1174

00:47:59,999 --> 00:47:57,640

that opens up a new window for

1175

00:48:02,099 --> 00:48:00,009

astronomers but it's also connected to

1176

00:48:03,509 --> 00:48:02,109

other stations through Europe so which

1177

00:48:05,549 --> 00:48:03,519

you can open up the whole of Europe as a

1178

00:48:07,049 --> 00:48:05,559

radio telescope basically it's so

1179

00:48:09,209 --> 00:48:07,059

sensitive that they say they can even

1180

00:48:11,039 --> 00:48:09,219

detect dust in the sky but certainly

1181

00:48:13,229 --> 00:48:11,049

like space junk spanners up in there

1182

00:48:15,150 --> 00:48:13,239

it's believed possibly they can also

1183

00:48:17,339 --> 00:48:15,160

track you folks when they pass through

1184

00:48:19,170 --> 00:48:17,349

the beams but it is ironic that at the

1185

00:48:21,059 --> 00:48:19,180

location the classic location of a city

1186

00:48:25,859 --> 00:48:21,069

communication they end up building an

1187

00:48:27,120 --> 00:48:25,869

even bigger telescope array you know

1188

00:48:28,739 --> 00:48:27,130

there are rumors of course that the guys

1189

00:48:30,989 --> 00:48:28,749

that weren't there had pictures of those

1190

00:48:35,279 --> 00:48:30,999

up on their walls but you know they're

1191

00:48:37,229 --> 00:48:35,289

not going to talk about it now over the

1192

00:48:39,089 --> 00:48:37,239

years they have been like I say many

1193

00:48:40,559 --> 00:48:39,099

different formations covering many

1194

00:48:42,660 --> 00:48:40,569

different topics one of them was

1195

00:48:46,019 --> 00:48:42,670

life-forms as well this is a beautiful

1196

00:48:53,609 --> 00:48:46,029

formation that appeared in August of

1197

00:48:57,180 --> 00:48:53,619

2003 this appeared just below a place

1198

00:48:58,890 --> 00:48:57,190

called Adams grave near milk Hill old

1199

00:49:01,109 --> 00:48:58,900

barns in Wiltshire but what's amazing

1200

00:49:04,349 --> 00:49:01,119

about this is it's believed that it's

1201
00:49:05,910 --> 00:49:04,359
meant to represent the swallows which

1202
00:49:09,269 --> 00:49:05,920
are the birds that actually fly along

1203
00:49:11,640 --> 00:49:09,279
and take either insects or droplets of

1204
00:49:12,870 --> 00:49:11,650
water from things like streams or ponds

1205
00:49:13,979 --> 00:49:12,880
things like that and then you know

1206
00:49:15,749 --> 00:49:13,989
you'll have droplets of water coming off

1207
00:49:17,549 --> 00:49:15,759
their beak or their wings so it's sort

1208
00:49:19,499 --> 00:49:17,559
of depicting there but it was beautiful

1209
00:49:21,239 --> 00:49:19,509
he said you look down at it you can see

1210
00:49:23,579 --> 00:49:21,249
in actually there was a dip in the field

1211
00:49:26,219 --> 00:49:23,589
quite a sharp dip down and then back out

1212
00:49:28,410 --> 00:49:26,229
and it's as though they were flying into

1213
00:49:31,079 --> 00:49:28,420

that dip and then flying out as they

1214

00:49:33,299 --> 00:49:31,089

actually do when they take water so that

1215

00:49:35,370 --> 00:49:33,309

it was there as though they were flying

1216

00:49:37,499 --> 00:49:35,380

in and in flying back hell it was only

1217

00:49:39,180 --> 00:49:37,509

after the formation appeared upon

1218

00:49:41,219 --> 00:49:39,190

research it was realized that in that

1219

00:49:43,769 --> 00:49:41,229

dip there was actually underground water

1220

00:49:44,819 --> 00:49:43,779

below it so it's as though it's

1221

00:49:47,009 --> 00:49:44,829

highlighting that through that

1222

00:49:48,709 --> 00:49:47,019

particular image since then a lot of

1223

00:49:51,420 --> 00:49:48,719

people have looked at the fact that

1224

00:49:55,559 --> 00:49:51,430

underground water is also quite often

1225

00:49:57,299 --> 00:49:55,569

present around formations as well as

1226

00:49:58,589 --> 00:49:57,309

well as sort of ley lines but also the

1227

00:49:59,660 --> 00:49:58,599

water as well some people wonder whether

1228

00:50:02,030 --> 00:49:59,670

that has an effect

1229

00:50:05,420 --> 00:50:02,040

you know as part of the creative energy

1230

00:50:07,000 --> 00:50:05,430

as well from the water this is another

1231

00:50:10,789 --> 00:50:07,010

beautiful formation that appeared

1232

00:50:13,760 --> 00:50:10,799

disappeared in May of 2009 and it

1233

00:50:15,799 --> 00:50:13,770

appeared just next to an ancient hill

1234

00:50:19,390 --> 00:50:15,809

fort called Wayland smithy which was

1235

00:50:21,349 --> 00:50:19,400

just on the the east of Swindon

1236

00:50:24,079 --> 00:50:21,359

beautiful jellyfish massive great

1237

00:50:26,539 --> 00:50:24,089

jellyfish and it's about 600 feet long

1238

00:50:28,370 --> 00:50:26,549

this but once again you know there's

1239

00:50:31,270 --> 00:50:28,380

more than just this image here because a

1240

00:50:35,569 --> 00:50:31,280

lot of people have actually been seeing

1241

00:50:38,180 --> 00:50:35,579

jellyfish type craft in the sky they're

1242

00:50:39,620 --> 00:50:38,190

called sky Medusa but particularly in

1243

00:50:41,539 --> 00:50:39,630

Mexico I'm sure some of you seen the

1244

00:50:43,390 --> 00:50:41,549

footage over Mexico City people have

1245

00:50:45,589 --> 00:50:43,400

been seen these things are like giant

1246

00:50:47,900 --> 00:50:45,599

jellyfish but out of them are coming

1247

00:50:49,819 --> 00:50:47,910

these sort of orbs of light in some

1248

00:50:52,700 --> 00:50:49,829

cases there are more orbs coming out of

1249

00:50:56,240 --> 00:50:52,710

it then the size of the the jellyfish

1250

00:50:57,950 --> 00:50:56,250

itself it's quite incredible this is

1251
00:51:03,079 --> 00:50:57,960
another one illustration by my wife here

1252
00:51:05,210 --> 00:51:03,089
this is based on an incident that

1253
00:51:06,650 --> 00:51:05,220
happened in Cape Town where once again

1254
00:51:08,380 --> 00:51:06,660
there was this massive jellyfish and

1255
00:51:10,819 --> 00:51:08,390
then there were these orbs of light

1256
00:51:12,109 --> 00:51:10,829
coming up lying around people were

1257
00:51:14,510 --> 00:51:12,119
actually phoning into a talk radio

1258
00:51:15,530 --> 00:51:14,520
station as this was going on so other

1259
00:51:17,240 --> 00:51:15,540
people could actually look out their

1260
00:51:19,819 --> 00:51:17,250
windows and see this and corroborate

1261
00:51:21,349 --> 00:51:19,829
what was going on but as I showed you

1262
00:51:23,420 --> 00:51:21,359
earlier you know this this is there's

1263
00:51:25,910 --> 00:51:23,430

more that more going on here than sort

1264

00:51:27,770 --> 00:51:25,920

of the normal 3d world I showed you the

1265

00:51:29,539 --> 00:51:27,780

plasma craft the jellyfish craft from

1266

00:51:32,270 --> 00:51:29,549

from Mexico earlier on that orange

1267

00:51:34,160 --> 00:51:32,280

yellow craft that have been seen by

1268

00:51:36,530 --> 00:51:34,170

thousands of people there's also there

1269

00:51:39,440 --> 00:51:36,540

the ones over Mexico I know someone who

1270

00:51:41,780 --> 00:51:39,450

knew living in slough West London as she

1271

00:51:43,309 --> 00:51:41,790

saw what was like a mentor ie a giant

1272

00:51:44,960 --> 00:51:43,319

manta ray slightly see-through but

1273

00:51:46,880 --> 00:51:44,970

flying over over these they're quite a

1274

00:51:49,190 --> 00:51:46,890

built-up area really strange and this

1275

00:51:51,920 --> 00:51:49,200

person you know would never lie about

1276

00:51:54,740 --> 00:51:51,930

something like that but there's also the

1277

00:51:55,819 --> 00:51:54,750

STS footage the Space Shuttle footage

1278

00:52:00,049 --> 00:51:55,829

you may have seen you know the NASA

1279

00:52:02,299 --> 00:52:00,059

transmissions where in February 1996 STS

1280

00:52:05,569 --> 00:52:02,309

75 was that space shuttle that was

1281

00:52:07,220 --> 00:52:05,579

dragging a tether linked to a satellite

1282

00:52:09,650 --> 00:52:07,230

that it was pulling around the

1283

00:52:11,030 --> 00:52:09,660

atmosphere and the tether broke and then

1284

00:52:12,760 --> 00:52:11,040

this satellite sort of drifted slowly

1285

00:52:15,370 --> 00:52:12,770

away from the space shuttle

1286

00:52:17,920 --> 00:52:15,380

when it was about 70 miles towards a

1287

00:52:20,200 --> 00:52:17,930

sort of 100 miles away from them from

1288

00:52:22,300 --> 00:52:20,210

the film footage suddenly the whole sky

1289

00:52:25,060 --> 00:52:22,310

seemed to fill up with what looked like

1290

00:52:26,980 --> 00:52:25,070

jellyfish or plants and sort of swirling

1291

00:52:28,840 --> 00:52:26,990

around one of these objects flew in

1292

00:52:30,490 --> 00:52:28,850

front of the tether and it's estimated

1293

00:52:32,980 --> 00:52:30,500

that it could be about five miles across

1294

00:52:34,630 --> 00:52:32,990

its massive thing so again this

1295

00:52:36,520 --> 00:52:34,640

highlights the fact that there's so much

1296

00:52:38,500 --> 00:52:36,530

more going on than we realize you know

1297

00:52:41,380 --> 00:52:38,510

in these sort of final levels there may

1298

00:52:43,060 --> 00:52:41,390

be life forms in these finer levels the

1299

00:52:44,740 --> 00:52:43,070

orbs as I mentioned we're starting to

1300

00:52:51,010 --> 00:52:44,750

see as well but this sort of stuff -

1301
00:52:52,240 --> 00:52:51,020
it's incredible now over the years again

1302
00:52:54,880 --> 00:52:52,250
the formations have sort of tried to

1303
00:52:56,920 --> 00:52:54,890
give particular messages one thing or

1304
00:53:01,050 --> 00:52:56,930
another and this formation appeared in

1305
00:53:03,760 --> 00:53:01,060
1995 near Peters Field in Hampshire and

1306
00:53:06,720 --> 00:53:03,770
it actually depicts the orbits of the

1307
00:53:09,790 --> 00:53:06,730
planets around the Sun so you've got the

1308
00:53:11,320 --> 00:53:09,800
in the middle you have the Sun and then

1309
00:53:12,790 --> 00:53:11,330
you've got the orbit of mercury with an

1310
00:53:15,670 --> 00:53:12,800
elliptical orbit which apparently it

1311
00:53:16,360 --> 00:53:15,680
does have then Venus then the earth then

1312
00:53:19,060 --> 00:53:16,370
Mars

1313
00:53:21,610 --> 00:53:19,070

in the asteroid belt before you get out

1314

00:53:23,770 --> 00:53:21,620

to Jupiter and beyond now again this is

1315

00:53:27,250 --> 00:53:23,780

in 95 so this is you know in the earlier

1316

00:53:29,380 --> 00:53:27,260

days as it were also as I said earlier

1317

00:53:31,240 --> 00:53:29,390

it's if you notice the orbits themselves

1318

00:53:33,640 --> 00:53:31,250

are actually standing crop they're not

1319

00:53:35,260 --> 00:53:33,650

indented it's much easier if you took if

1320

00:53:37,270 --> 00:53:35,270

you hope sit to indent the circles

1321

00:53:39,280 --> 00:53:37,280

rather than have them standing but also

1322

00:53:41,680 --> 00:53:39,290

you've probably noticed as well if you

1323

00:53:43,270 --> 00:53:41,690

look at the third orbit out the orbit of

1324

00:53:46,330 --> 00:53:43,280

the earth it doesn't actually show a

1325

00:53:48,460 --> 00:53:46,340

planet so a lot of people were at that

1326
00:53:50,830 --> 00:53:48,470
time was saying what's going on here is

1327
00:53:52,630 --> 00:53:50,840
it is it trying to depict the fact that

1328
00:53:55,480 --> 00:53:52,640
we are heading towards an environmental

1329
00:53:57,310 --> 00:53:55,490
change a collapse is it trying to say

1330
00:53:59,410 --> 00:53:57,320
that other people were feeling that the

1331
00:54:01,570 --> 00:53:59,420
planet herself is about to go through a

1332
00:54:03,640 --> 00:54:01,580
transformation a bit like an ascension

1333
00:54:06,100 --> 00:54:03,650
process so she would go to a higher

1334
00:54:08,200 --> 00:54:06,110
dimensional level and not be visible on

1335
00:54:09,970 --> 00:54:08,210
the third dimensional level but but you

1336
00:54:11,440 --> 00:54:09,980
can imagine the debate that rages within

1337
00:54:15,010 --> 00:54:11,450
the crop formation world when these sort

1338
00:54:17,620 --> 00:54:15,020

of things were appearing but this is

1339

00:54:19,480 --> 00:54:17,630

another one that actually that also

1340

00:54:23,230 --> 00:54:19,490

relates to ascension as well this

1341

00:54:26,030 --> 00:54:23,240

amazing formation appeared on the 7th of

1342

00:54:27,920 --> 00:54:26,040

July of 2007 in the

1343

00:54:31,790 --> 00:54:27,930

civies field Alton Barnes in Wiltshire

1344

00:54:32,990 --> 00:54:31,800

and then incredibly the night that this

1345

00:54:35,000 --> 00:54:33,000

appeared there were group of people

1346

00:54:38,330 --> 00:54:35,010

doing a Night Watch using ordinary

1347

00:54:39,920 --> 00:54:38,340

cameras but also infrared cameras and as

1348

00:54:42,110 --> 00:54:39,930

it was getting darker and darker there

1349

00:54:44,030 --> 00:54:42,120

was no formation in that field and then

1350

00:54:45,680 --> 00:54:44,040

because it's sort of virtually midsummer

1351
00:54:48,050 --> 00:54:45,690
they said there's only about an hour and

1352
00:54:49,460 --> 00:54:48,060
a half of complete darkness and at that

1353
00:54:51,260 --> 00:54:49,470
point in the middle of that complete

1354
00:54:53,210 --> 00:54:51,270
darkness there was a flash of light

1355
00:54:54,890 --> 00:54:53,220
which illuminated the whole of the

1356
00:54:56,930 --> 00:54:54,900
valley and as she sent an

1357
00:54:59,840 --> 00:54:56,940
electromagnetic spike into the infrared

1358
00:55:01,610 --> 00:54:59,850
camera and then as it started to get

1359
00:55:03,230 --> 00:55:01,620
light they could see that the there was

1360
00:55:06,530 --> 00:55:03,240
a massive formation that was in the

1361
00:55:08,150 --> 00:55:06,540
field that wind Keach is the guy that

1362
00:55:09,800 --> 00:55:08,160
was doing the infrared photography and

1363
00:55:11,480 --> 00:55:09,810

he estimates that that formation

1364

00:55:14,420 --> 00:55:11,490

probably appeared within a matter of a

1365

00:55:16,040 --> 00:55:14,430

few minutes definitely not possible for

1366

00:55:17,270 --> 00:55:16,050

it to being created you know he wrote

1367

00:55:21,560 --> 00:55:17,280

some planks of wood it would take you

1368

00:55:24,200 --> 00:55:21,570

too long to do that so it's incredible

1369

00:55:25,880 --> 00:55:24,210

it's about a thousand feet long by about

1370

00:55:27,080 --> 00:55:25,890

five hundred feet wide you see there's

1371

00:55:28,550 --> 00:55:27,090

some people walking down the tram line

1372

00:55:31,370 --> 00:55:28,560

there give you an idea of how big these

1373

00:55:33,860 --> 00:55:31,380

things are but what's incredible is if

1374

00:55:36,290 --> 00:55:33,870

you look at it from this end here the

1375

00:55:38,630 --> 00:55:36,300

image is actually based on the arm and

1376

00:55:40,880 --> 00:55:38,640

the arm relates to the total

1377

00:55:43,760 --> 00:55:40,890

consciousness of God everything there

1378

00:55:45,890 --> 00:55:43,770

ever was is and shall be from waking

1379

00:55:48,020 --> 00:55:45,900

consciousness to sleeping consciousness

1380

00:55:50,780 --> 00:55:48,030

to dreaming consciousness but also

1381

00:55:56,690 --> 00:55:50,790

because it appeared on the 7th of July

1382

00:55:58,850 --> 00:55:56,700

2007 in numerology that's 777 and as I

1383

00:56:00,890 --> 00:55:58,860

say in numerology 777 relates to the

1384

00:56:02,990 --> 00:56:00,900

ascension process so you have this

1385

00:56:05,900 --> 00:56:03,000

incredible formation appearing in a

1386

00:56:07,760 --> 00:56:05,910

flash of light that relates to the

1387

00:56:09,380 --> 00:56:07,770

consciousness of God and to ascension

1388

00:56:11,450 --> 00:56:09,390

you know these the formations were now

1389

00:56:15,050 --> 00:56:11,460

standing me up to really high levels of

1390

00:56:17,210 --> 00:56:15,060

education now the following year that

1391

00:56:20,260 --> 00:56:17,220

was pretty impressive well that's just

1392

00:56:22,490 --> 00:56:20,270

to show you the the actual um symbol

1393

00:56:26,360 --> 00:56:22,500

which again relates not only to the

1394

00:56:28,700 --> 00:56:26,370

consciousness of God but also to to the

1395

00:56:32,300 --> 00:56:28,710

consciousness of the self where you have

1396

00:56:34,130 --> 00:56:32,310

like the the lower self based out of the

1397

00:56:35,660 --> 00:56:34,140

solar plexus and then through to the

1398

00:56:37,820 --> 00:56:35,670

crown and then the the sort of the

1399

00:56:39,650 --> 00:56:37,830

higher self and the eternal self beyond

1400

00:56:39,800 --> 00:56:39,660

there so as I say that image was you

1401
00:56:41,030 --> 00:56:39,810
know

1402
00:56:43,160 --> 00:56:41,040
talking God you're talking in

1403
00:56:46,690 --> 00:56:43,170
consciousness of God a sentient and also

1404
00:56:49,730 --> 00:56:46,700
the eternal self this is big stuff so

1405
00:56:53,720 --> 00:56:49,740
then the following year in August of

1406
00:56:56,120 --> 00:56:53,730
2008 near a place called HL Hampton Inn

1407
00:56:58,040 --> 00:56:56,130
near divisors in wheelchair this amazing

1408
00:57:00,410 --> 00:56:58,050
formation appear to me this is one of

1409
00:57:02,660 --> 00:57:00,420
the most beautiful as you look at you

1410
00:57:05,090 --> 00:57:02,670
see it's so perfect it looks like a

1411
00:57:08,570 --> 00:57:05,100
laser cutting wood block and yeah this

1412
00:57:10,520 --> 00:57:08,580
is a massive formation in a field it's

1413
00:57:12,260 --> 00:57:10,530

not only as if is it you know precisely

1414

00:57:14,270 --> 00:57:12,270

enough the actual sort of Celtic

1415

00:57:16,520 --> 00:57:14,280

crucifix image itself but if you notice

1416

00:57:19,190 --> 00:57:16,530

it's got a border of standing crop that

1417

00:57:22,220 --> 00:57:19,200

runs all the way around there and then

1418

00:57:23,720 --> 00:57:22,230

beyond that another layer of light crop

1419

00:57:25,850 --> 00:57:23,730

and as you look at that you see it's

1420

00:57:27,410 --> 00:57:25,860

perfect all the way around how on earth

1421

00:57:28,840 --> 00:57:27,420

could you do that we rope some planks of

1422

00:57:31,490 --> 00:57:28,850

wood it's just not possible

1423

00:57:33,340 --> 00:57:31,500

this again is another image of that this

1424

00:57:36,860 --> 00:57:33,350

is one of Steve Alexander's pictures

1425

00:57:38,330 --> 00:57:36,870

where you see within the landscape it's

1426
00:57:40,940 --> 00:57:38,340
a huge it's not running in line with the

1427
00:57:45,320 --> 00:57:40,950
tram lines its oblique to that it's

1428
00:57:46,070 --> 00:57:45,330
about 600 feet across by 800 feet in

1429
00:57:48,560 --> 00:57:46,080
length

1430
00:57:49,580 --> 00:57:48,570
it's a massive formation as a person

1431
00:57:51,860 --> 00:57:49,590
standing in the middle of there a little

1432
00:57:54,200 --> 00:57:51,870
black dot it's it's about the equivalent

1433
00:57:57,110 --> 00:57:54,210
of to an hour football pitches in length

1434
00:57:58,760 --> 00:57:57,120
it's a massive formation now what was

1435
00:58:01,820 --> 00:57:58,770
amazing was when that appeared that

1436
00:58:05,290 --> 00:58:01,830
appeared on the 15th of August 2008 at

1437
00:58:08,450 --> 00:58:05,300
the very same time in the states in Ohio

1438
00:58:12,260 --> 00:58:08,460

there was actually a conference being

1439

00:58:13,700 --> 00:58:12,270

held on the Turin Shroud which the cloth

1440

00:58:15,500 --> 00:58:13,710

that wrapped Christ after the

1441

00:58:18,800 --> 00:58:15,510

crucifixion when he's laid in the tomb

1442

00:58:21,440 --> 00:58:18,810

this full-length cloth 14 foot by four

1443

00:58:22,970 --> 00:58:21,450

foot length cloth so the people that

1444

00:58:25,310 --> 00:58:22,980

were speaking there some of them with

1445

00:58:26,930 --> 00:58:25,320

the original stirrup team which stands

1446

00:58:28,760 --> 00:58:26,940

for the Shroud of Turin Reta research

1447

00:58:32,120 --> 00:58:28,770

project that did the research on the

1448

00:58:34,730 --> 00:58:32,130

Shroud back in 1978 you know you got

1449

00:58:38,770 --> 00:58:34,740

physicists you've got pathologists

1450

00:58:40,820 --> 00:58:38,780

forensic scientists nuclear physicists

1451

00:58:42,530 --> 00:58:40,830

photographers etc all the researchers

1452

00:58:44,960 --> 00:58:42,540

that did the original scientific

1453

00:58:47,600 --> 00:58:44,970

research into Shroud all concluded that

1454

00:58:49,190 --> 00:58:47,610

it was authentic and I mean I've done a

1455

00:58:51,490 --> 00:58:49,200

couple of decades of research and I

1456

00:58:54,940 --> 00:58:51,500

can't go into it in depth but

1457

00:58:56,799 --> 00:58:54,950

you know to me the shout is genuine so

1458

00:58:59,710 --> 00:58:56,809

for a formation like that to appear at

1459

00:59:01,000 --> 00:58:59,720

the same time as a Shou conference in

1460

00:59:06,160 --> 00:59:01,010

the state he's sort of sending quite a

1461

00:59:09,520 --> 00:59:06,170

powerful message then that was in 2008

1462

00:59:11,799 --> 00:59:09,530

two years later in 2010 they actually

1463

00:59:15,460 --> 00:59:11,809

had the exposition of the Shroud at the

1464

00:59:17,260 --> 00:59:15,470

Cathedral in Turin and these are really

1465

00:59:18,609 --> 00:59:17,270

sort of prestigious events there was

1466

00:59:20,559 --> 00:59:18,619

something like two million pilgrims that

1467

00:59:22,539 --> 00:59:20,569

came to see this right at the time that

1468

00:59:24,220 --> 00:59:22,549

volcano that Icelandic volcano was going

1469

00:59:25,569 --> 00:59:24,230

off as well so I'm sure a lot of people

1470

00:59:28,120 --> 00:59:25,579

couldn't even make it there because of

1471

00:59:29,799 --> 00:59:28,130

that but this is the only round here

1472

00:59:31,510 --> 00:59:29,809

it's about 14 foot length being

1473

00:59:35,079 --> 00:59:31,520

displayed so people could actually see

1474

00:59:38,200 --> 00:59:35,089

the shroud now just to highlight an

1475

00:59:40,990 --> 00:59:38,210

aspect of the shroud for you it's again

1476

00:59:43,240 --> 00:59:41,000

it's a full length cloth with the full

1477

00:59:46,329 --> 00:59:43,250

length body images on it forensic ly

1478

00:59:48,039 --> 00:59:46,339

it's got the rare a B blood it's

1479

00:59:50,680 --> 00:59:48,049

definitely from the body of a person

1480

00:59:52,599 --> 00:59:50,690

that was crucified in fact but it has

1481

00:59:54,579 --> 00:59:52,609

this incredible photographic like image

1482

00:59:56,950 --> 00:59:54,589

which even modern science cannot

1483

00:59:59,799 --> 00:59:56,960

replicate despite what you know hoaxes

1484

01:00:01,990 --> 00:59:59,809

or debunkers will tell you and it's it's

1485

01:00:03,220 --> 01:00:02,000

like a perfect negative so it's only

1486

01:00:04,660 --> 01:00:03,230

when you look at the negative you

1487

01:00:07,839 --> 01:00:04,670

actually see it like a photograph like a

1488

01:00:08,859 --> 01:00:07,849

positive image but you know as I say

1489

01:00:11,319 --> 01:00:08,869

there's a sort of the back the

1490

01:00:12,910 --> 01:00:11,329

full-length back area the cloth came

1491

01:00:15,640 --> 01:00:12,920

over than the full length at the front

1492

01:00:18,280 --> 01:00:15,650

as well but the face area is it just the

1493

01:00:20,380 --> 01:00:18,290

face you can see it's very fine it's in

1494

01:00:22,569 --> 01:00:20,390

a way it's like crop formations it's the

1495

01:00:25,450 --> 01:00:22,579

there's only effect of the topmost

1496

01:00:27,819 --> 01:00:25,460

fibrils are sort of a microscopic change

1497

01:00:30,160 --> 01:00:27,829

to create that image which is a perfect

1498

01:00:32,799 --> 01:00:30,170

negative and what the blood flows here

1499

01:00:33,940 --> 01:00:32,809

from the the crown-of-thorns this is the

1500

01:00:35,559 --> 01:00:33,950

back of the head area with the

1501
01:00:40,359 --> 01:00:35,569
crown-of-thorns blood flows as well this

1502
01:00:42,099 --> 01:00:40,369
rear a B blood so as I say you had that

1503
01:00:44,799 --> 01:00:42,109
formation that appeared at the time of

1504
01:00:46,870 --> 01:00:44,809
the Shroud conference in 2008 you now

1505
01:00:50,079 --> 01:00:46,880
have the exposition of the shroud itself

1506
01:00:54,099 --> 01:00:50,089
and then just a few weeks later appeared

1507
01:00:55,809 --> 01:00:54,109
these two formations which are they were

1508
01:00:57,819 --> 01:00:55,819
in West Berkshire which is quite unusual

1509
01:00:59,589 --> 01:00:57,829
for the crop formations and yet they're

1510
01:01:03,039 --> 01:00:59,599
straddled on both sides of the m4

1511
01:01:04,390 --> 01:01:03,049
motorway here these are a couple of

1512
01:01:05,020 --> 01:01:04,400
trucks so give you an idea the size of

1513
01:01:08,320 --> 01:01:05,030

these four may

1514

01:01:10,290 --> 01:01:08,330

but basically if you know research was

1515

01:01:12,730 --> 01:01:10,300

sort of looking at as though these are

1516

01:01:15,460 --> 01:01:12,740

like I just showed you the subtle image

1517

01:01:17,380 --> 01:01:15,470

of the face of Christ on the Shroud the

1518

01:01:20,080 --> 01:01:17,390

front of the face image here again it

1519

01:01:22,680 --> 01:01:20,090

subtle as it is with the eyes etc and

1520

01:01:24,820 --> 01:01:22,690

across on the other side as if

1521

01:01:26,650 --> 01:01:24,830

highlighting the fact that this is over

1522

01:01:28,870 --> 01:01:26,660

here and that's there as it is on the

1523

01:01:30,820 --> 01:01:28,880

Shroud you know the two images was like

1524

01:01:34,240 --> 01:01:30,830

the back of the heading area back at the

1525

01:01:35,440 --> 01:01:34,250

head image so this is more close-up just

1526

01:01:36,390 --> 01:01:35,450

the sort of the front of the face it's

1527

01:01:39,880 --> 01:01:36,400

very subtle

1528

01:01:42,460 --> 01:01:39,890

image here and then on the other side of

1529

01:01:44,080 --> 01:01:42,470

the motorway you have this sort of back

1530

01:01:45,580 --> 01:01:44,090

of the head area we'd like the blood

1531

01:01:48,280 --> 01:01:45,590

flows from the crown of thorns into the

1532

01:01:50,950 --> 01:01:48,290

hair as it is on the actual shroud now

1533

01:01:53,740 --> 01:01:50,960

what is amazing is where this appeared

1534

01:01:56,410 --> 01:01:53,750

it was very close to a village that was

1535

01:01:57,310 --> 01:01:56,420

actually called World's End so I don't

1536

01:01:59,800 --> 01:01:57,320

know if it's trying to highlight

1537

01:02:01,810 --> 01:01:59,810

something here or not but what is of

1538

01:02:04,290 --> 01:02:01,820

interest is right next to that is

1539

01:02:06,700 --> 01:02:04,300

another village called peas Moore and

1540

01:02:08,890 --> 01:02:06,710

there are whistleblowers that have come

1541

01:02:11,680 --> 01:02:08,900

out and said that peas more there is a

1542

01:02:14,140 --> 01:02:11,690

deep underground military base and in
