00:00:00,000 --> 00:00:08,450

[Music]

2
00:00:08,460 --> 00:01:20,609

you

3
00:01:28,149 --> 00:01:23,260

some glass is excellent in all good we

4
00:01:29,830 --> 00:01:28,159

all right oh yes if you can't so anyway

5
00:01:31,330 --> 00:01:29,840

good evening everybody have you very

6
00:01:35,020 --> 00:01:31,340

much for inviting us to talk to you this

7
00:01:36,880 --> 00:01:35,030

evening first of all my I say that we're

8
00:01:39,010 --> 00:01:36,890

not that experienced in public speaking

9
00:01:41,289 --> 00:01:39,020

compared with your very able mr. David

10
00:01:43,990 --> 00:01:41,299

hardly in there however we think the

11
00:01:46,510 --> 00:01:44,000

subject of UFOs is important enough that

12
00:01:49,300 --> 00:01:46,520

any lack of experience that we may have

13
00:01:50,949 --> 00:01:49,310

available attic at is more important

14

00:01:52,600 --> 00:01:50,959

than sharing our experiences with you

15

00:01:55,839 --> 00:01:52,610

and getting the message out there so

16

00:01:57,729 --> 00:01:55,849

please bear with us now my name is Steve

17

00:02:01,240 --> 00:01:57,739

drusen and together with Emily Williams

18

00:02:04,080 --> 00:02:01,250

here we co-founded soup-bone which is

19

00:02:06,339 --> 00:02:04,090

the acronym for Swansea UFO network

20

00:02:08,020 --> 00:02:06,349

we're also going tonight or one of our

21

00:02:10,389 --> 00:02:08,030

hard-working members which is this the

22

00:02:13,030 --> 00:02:10,399

Mike Mo under there who hopefully will

23

00:02:16,780 --> 00:02:13,040

ensure on an electronic school rock they

24

00:02:19,270 --> 00:02:16,790

don't we do both and then I myself had a

25

00:02:22,449 --> 00:02:19,280

long-standing interest in the subject of

26
00:02:25,629 --> 00:02:22,459
UFO sightings and any in abductions etc

27
00:02:27,099 --> 00:02:25,639
I probably like yourselves we've read

28
00:02:30,879 --> 00:02:27,109
many books and articles on the subject

29
00:02:32,590 --> 00:02:30,889
and its many options I'm sure many

30
00:02:34,300 --> 00:02:32,600
people you come across of expected

31
00:02:37,330 --> 00:02:34,310
you'll be wearing anoraks in tinfoil

32
00:02:41,680 --> 00:02:37,340
hats goes very far either than myself

33
00:02:43,809 --> 00:02:41,690
because the thing is you know people

34
00:02:46,390 --> 00:02:43,819
expect us to be all that I'm very well

35
00:02:48,309 --> 00:02:46,400
ease and living in caves and and you

36
00:02:56,869 --> 00:02:48,319
know associate with good looking chic

37
00:03:04,860 --> 00:03:02,520
she was a anyway little bit about my

38
00:03:06,570 --> 00:03:04,870

background I spent 30 years as a traffic

39

00:03:11,550 --> 00:03:06,580

police officer with South Wales

40

00:03:14,190 --> 00:03:11,560

Constabulary and ten years as a

41

00:03:16,860 --> 00:03:14,200

warehouse manager so eventually retired

42

00:03:19,470 --> 00:03:16,870

altogether in april 2010 to become

43

00:03:21,630 --> 00:03:19,480

another burden and drain on society fish

44

00:03:24,030 --> 00:03:21,640

who didn't take me long to realize his

45

00:03:25,559 --> 00:03:24,040

own us so much Jeremy Kyle and reruns of

46

00:03:28,410 --> 00:03:25,569

the snow night you've been watching with

47

00:03:30,330 --> 00:03:28,420

me so I just happened to find further my

48

00:03:33,990 --> 00:03:30,340

interest which was a long standing in

49

00:03:38,309 --> 00:03:34,000

the subject of UFOs it does seem strange

50

00:03:41,550 --> 00:03:38,319

at somebody police officers seem to have

51
00:03:43,259 --> 00:03:41,560
an avid interest in UFOs maybe it's

52
00:03:45,330 --> 00:03:43,269
because it's been so long working night

53
00:03:47,360 --> 00:03:45,340
shift auckland absorbs and witness

54
00:03:50,309 --> 00:03:47,370
unusual events so who knows ended up

55
00:03:51,869 --> 00:03:50,319
anyway they did rest i decided to troll

56
00:03:54,449 --> 00:03:51,879
through the internet in an effort to

57
00:03:56,940 --> 00:03:54,459
find a local UFO group that i could join

58
00:03:58,890 --> 00:03:56,950
and to cut a long story short it

59
00:04:01,890 --> 00:03:58,900
transpired that all the local club we

60
00:04:05,699 --> 00:04:01,900
have folded or they were just limiting

61
00:04:07,530 --> 00:04:05,709
themselves to online discussions so i

62
00:04:09,990 --> 00:04:07,540
basically that left just one else heard

63
00:04:12,390 --> 00:04:10,000

it and that was to try to start my own

64

00:04:15,229 --> 00:04:12,400

group so with that in mind is set up a

65

00:04:18,629 --> 00:04:15,239

Facebook page and entitled it sir

66

00:04:21,089 --> 00:04:18,639

Swansea area UFO club examination and

67

00:04:23,430 --> 00:04:21,099

research team I was a bit of a mouthful

68

00:04:27,960 --> 00:04:23,440

yes but it did not manage to capture my

69

00:04:30,029 --> 00:04:27,970

sleeve he acted in saucer anyway funny

70

00:04:32,670 --> 00:04:30,039

enough within 24 hours i was contacted

71

00:04:34,710 --> 00:04:32,680

by everyone here who ever known to me

72

00:04:37,140 --> 00:04:34,720

was living just two miles down the road

73

00:04:39,440 --> 00:04:37,150

for me and he just started a facebook

74

00:04:42,060 --> 00:04:39,450

page that very day on the same subject

75

00:04:45,300 --> 00:04:42,070

now that's a classic case of synchronous

76

00:04:47,159 --> 00:04:45,310

if you've ever I heard one so naturally

77

00:04:48,930 --> 00:04:47,169

or if we arranged a meet-up and we

78

00:04:51,270 --> 00:04:48,940

discuss the situation and agreed we

79

00:04:51,950 --> 00:04:51,280

would pool our resources and start a new

80

00:04:54,950 --> 00:04:51,960

group

81

00:04:58,700 --> 00:04:54,960

penis which after some deliberation we

82

00:05:00,080 --> 00:04:58,710

turn the Swans UFO network now we've

83

00:05:01,820 --> 00:05:00,090

been running just a little over 18

84

00:05:04,249 --> 00:05:01,830

months and in fairness things that look

85

00:05:06,260 --> 00:05:04,259

pretty quickly for us we hold the

86

00:05:08,930 --> 00:05:06,270

regular monthly meeting like yourselves

87

00:05:10,249 --> 00:05:08,940

and just in over half of those meetings

88

00:05:12,939 --> 00:05:10,259

we have the pleasure of being addressed

89

00:05:16,070 --> 00:05:12,949

by some excellent guest speakers

90

00:05:19,129 --> 00:05:16,080

included a number of authors crop circle

91

00:05:21,050 --> 00:05:19,139

experts an Egyptologist and the likes of

92

00:05:22,580 --> 00:05:21,060

mr. Bannon and Jones is the Gary Henson

93

00:05:24,379 --> 00:05:22,590

saying about the leaves of the best view

94

00:05:28,400 --> 00:05:24,389

and of course toward us christmas is a

95

00:05:30,110 --> 00:05:28,410

target Aaron on nights when we do not

96

00:05:32,270 --> 00:05:30,120

have the benefit of a guest speaker Emma

97

00:05:34,580 --> 00:05:32,280

and I tend to give a short talk on UFOs

98

00:05:38,450 --> 00:05:34,590

or an Associated topic and then from the

99

00:05:40,670 --> 00:05:38,460

fluorophore discussion and debate our

100

00:05:42,680 --> 00:05:40,680

attendance varies between 20 and 80

101
00:05:45,110 --> 00:05:42,690
persons depending on the weather in the

102
00:05:46,999 --> 00:05:45,120
speaker so it's basically 20 persons

103
00:05:50,149 --> 00:05:47,009
family to myself and eight people mr.

104
00:05:52,159 --> 00:05:50,159
Gallagher sir so similar to yourselves

105
00:05:55,159 --> 00:05:52,169
we have a lot of enter attendees and

106
00:05:56,839 --> 00:05:55,169
found for the first time they're able to

107
00:05:59,420 --> 00:05:56,849
open up and discuss sightings they've

108
00:06:02,300 --> 00:05:59,430
had and situations they found themselves

109
00:06:03,890 --> 00:06:02,310
in sometimes they repress these

110
00:06:07,700 --> 00:06:03,900
incidents for years for fear of

111
00:06:09,350 --> 00:06:07,710
disbelief or ridicule the fact many of

112
00:06:11,450 --> 00:06:09,360
the visitors have compared our winters

113
00:06:13,580 --> 00:06:11,460

to that of an a a meeting if you don't

114

00:06:15,140 --> 00:06:13,590

know we're after sharing their story

115

00:06:17,510 --> 00:06:15,150

they're able to go home and get drunk I

116

00:06:18,920 --> 00:06:17,520

felt paper go on however the sensor

117

00:06:22,310 --> 00:06:18,930

relief it being able to share their

118

00:06:23,689 --> 00:06:22,320

experiences you know it's the first time

119

00:06:27,709 --> 00:06:23,699

they've been able to do that sort of

120

00:06:29,270 --> 00:06:27,719

thing we hope regular sky watches as you

121

00:06:32,600 --> 00:06:29,280

probably do throughout the year when the

122

00:06:34,100 --> 00:06:32,610

weather conditions permit I find the sky

123

00:06:36,439 --> 00:06:34,110

watchers don't tend to be as well as

124

00:06:37,439 --> 00:06:36,449

tended as we would like although our

125

00:06:38,999 --> 00:06:37,449

members always

126

00:06:42,089 --> 00:06:39,009

quinta know what the result of the mites

127

00:06:44,339 --> 00:06:42,099

vents work as well as understand that

128

00:06:46,619 --> 00:06:44,349

was quite a lot of our members are older

129

00:06:50,579 --> 00:06:46,629

and not reading your classics 40th floor

130

00:06:52,950 --> 00:06:50,589

types and you know given the topography

131

00:06:55,019 --> 00:06:52,960

of Wales it's what we sometimes have to

132

00:06:58,559 --> 00:06:55,029

climb every mountain as they say ordered

133

00:07:00,980 --> 00:06:58,569

a good vantage point so we also arrange

134

00:07:03,860 --> 00:07:00,990

trips and visits to places of interest

135

00:07:09,209 --> 00:07:03,870

such as cough circles historical sites

136

00:07:10,920 --> 00:07:09,219

and UFO conferences etc is a new purpose

137

00:07:12,629 --> 00:07:10,930

made website which has been constructed

138

00:07:14,519 --> 00:07:12,639

it's currently in the process of being

139

00:07:17,850 --> 00:07:14,529

revised and updated by mr. McMullin

140

00:07:19,529 --> 00:07:17,860

Lydia ko and then I must say has been a

141

00:07:21,480 --> 00:07:19,539

very good ambassador for the club

142

00:07:24,450 --> 00:07:21,490

there's over a period of many years he's

143

00:07:26,909 --> 00:07:24,460

a master huge record of local sightings

144

00:07:29,429 --> 00:07:26,919

and incidents and they're in the process

145

00:07:41,879 --> 00:07:29,439

of being downloaded onto the new website

146

00:07:45,029 --> 00:07:41,889

which is www.hyken.com magazines as well

147

00:07:46,709 --> 00:07:45,039

as the internet he's also spent a huge

148

00:07:48,809 --> 00:07:46,719

amount of time trolling through every

149

00:07:52,079 --> 00:07:48,819

edition of our local daily newspapers

150

00:07:53,579 --> 00:07:52,089

from 1952 date searching for any

151
00:07:57,179 --> 00:07:53,589
articles that have been published on the

152
00:07:59,519 --> 00:07:57,189
subject there was a few different daily

153
00:08:01,409 --> 00:07:59,529
and evening newspapers in our Aryan in

154
00:08:05,010 --> 00:08:01,419
the case of our local evening paper the

155
00:08:06,719 --> 00:08:05,020
sequester with 24,000 copies so it's

156
00:08:10,019 --> 00:08:06,729
quite a laborious task but it's still

157
00:08:11,489 --> 00:08:10,029
ongoing unfortunately as a little bit of

158
00:08:15,209 --> 00:08:11,499
help these days from some of our more

159
00:08:17,730 --> 00:08:15,219
enthusiastic club members but in the

160
00:08:19,769 --> 00:08:17,740
main I suppose one of our biggest tasks

161
00:08:21,869 --> 00:08:19,779
is the process of interviewing people

162
00:08:25,350 --> 00:08:21,879
how do you wear for a good sighting of

163
00:08:26,699 --> 00:08:25,360

contact some of the persons have been

164

00:08:27,100 --> 00:08:26,709

traced from the Nietzscheans are just

165

00:08:29,620 --> 00:08:27,110

men

166

00:08:31,300 --> 00:08:29,630

and some of contact is at a club and

167

00:08:32,770 --> 00:08:31,310

summer friends or acquaintances of our

168

00:08:35,650 --> 00:08:32,780

members or previous person we've

169

00:08:37,900 --> 00:08:35,660

interviewed the interviews are either

170

00:08:39,550 --> 00:08:37,910

recorded just in writing or sometimes by

171

00:08:40,900 --> 00:08:39,560

filming the proceedings and I believe

172

00:08:47,080 --> 00:08:40,910

we're now after seminary you know what

173

00:08:53,620 --> 00:08:47,090

500 plus report mm 521 reports at the

174

00:08:54,910 --> 00:08:53,630

long arm twisting in a single yeah never

175

00:08:56,380 --> 00:08:54,920

seen the name is going to run through

176

00:08:58,300 --> 00:08:56,390

some of the more interesting reports we

177

00:09:01,540 --> 00:08:58,310

see the meantime I just have to touch on

178

00:09:04,480 --> 00:09:01,550

one of them now we've all heard about

179

00:09:07,300 --> 00:09:04,490

the more famously where coincidence from

180

00:09:09,010 --> 00:09:07,310

around Britain Rendlesham warminster &

181

00:09:10,750 --> 00:09:09,020

in our neck of the woods and you've got

182

00:09:13,600 --> 00:09:10,760

the barren Mountain incident the worst

183

00:09:14,620 --> 00:09:13,610

triangle or governing map but something

184

00:09:16,360 --> 00:09:14,630

anything that I are currently

185

00:09:19,150 --> 00:09:16,370

investigating is probably what a bigots

186

00:09:21,700 --> 00:09:19,160

one of Britain's biggest one night UFO

187

00:09:24,640 --> 00:09:21,710

sightings involve in several separate

188

00:09:27,880 --> 00:09:24,650

ufos which were witnessed by a huge

189

00:09:30,040 --> 00:09:27,890

number of independent witnesses now the

190

00:09:32,320 --> 00:09:30,050

Sunday Mirror reported that over 200

191

00:09:34,900 --> 00:09:32,330

separate people with the suspect it will

192

00:09:39,400 --> 00:09:34,910

include the football team a class in

193

00:09:40,960 --> 00:09:39,410

children now as usual the local media

194

00:09:43,450 --> 00:09:40,970

reported the incident for two

195

00:09:46,300 --> 00:09:43,460

consecutive nights and then the matter

196

00:09:48,840 --> 00:09:46,310

the shells but my opinion it's probably

197

00:09:51,640 --> 00:09:48,850

one of the biggest mass UFO sightings

198

00:09:54,670 --> 00:09:51,650

that there's been that you can name over

199

00:09:57,100 --> 00:09:54,680

two hundred witnesses now its head a

200

00:09:58,090 --> 00:09:57,110

little bit more about the incidents but

201
00:10:00,100 --> 00:09:58,100
I'm not going to bore you in the

202
00:10:02,520 --> 00:10:00,110
individual witness testimonies but

203
00:10:05,170 --> 00:10:02,530
perhaps 12 or the more interesting ones

204
00:10:07,600 --> 00:10:05,180
now what I do it now mmm hopefully will

205
00:10:09,370 --> 00:10:07,610
be draw it out for you the individual

206
00:10:12,760 --> 00:10:09,380
sightings on the map of swansea and

207
00:10:15,060 --> 00:10:12,770
Gower coast and hopefully include in the

208
00:10:17,200 --> 00:10:15,070
times of directions on the travel DeGraw

209
00:10:18,880 --> 00:10:17,210
now the whole thing occurred between

210
00:10:21,010 --> 00:10:18,890
early and late evening on the night of

211
00:10:24,190 --> 00:10:21,020
wednesday the 19th in january nineteen

212
00:10:26,200 --> 00:10:24,200
eighty-three when dark triangular shaped

213
00:10:29,410 --> 00:10:26,210

craft was seen to move slowly and

214

00:10:29,970 --> 00:10:29,420

silently at a very low altitude or where

215

00:10:32,100 --> 00:10:29,980

there is

216

00:10:35,400 --> 00:10:32,110

parts of swansea and also the Cardiff

217

00:10:47,100 --> 00:10:35,410

area for this reason our clubs dozens of

218

00:10:51,090 --> 00:10:47,110

the night of the triangles was a white

219

00:10:53,010 --> 00:10:51,100

toy a mother to the people ran the

220

00:10:54,900 --> 00:10:53,020

police the Coast Guard the airports the

221

00:10:57,780 --> 00:10:54,910

RAF the radio stations and the

222

00:10:59,490 --> 00:10:57,790

newspapers about this the cycads of

223

00:11:01,650 --> 00:10:59,500

subsequently reported in the local

224

00:11:04,110 --> 00:11:01,660

Swansea newspaper the South cozy new

225

00:11:06,360 --> 00:11:04,120

post and also the South Wales a Cohen

226

00:11:08,310 --> 00:11:06,370

carded that was the following evening

227

00:11:10,020 --> 00:11:08,320

and then the usual attempts to derive

228

00:11:13,860 --> 00:11:10,030

the event were published on the

229

00:11:15,660 --> 00:11:13,870

subsequent evening all these people saw

230

00:11:17,790 --> 00:11:15,670

what they individually corroborated as

231

00:11:20,460 --> 00:11:17,800

being triangular shaped objects moving

232

00:11:25,950 --> 00:11:20,470

slowly and silently at a low altitude

233

00:11:28,470 --> 00:11:25,960

across the skies some reported single

234

00:11:31,590 --> 00:11:28,480

craft was that I saw two or three close

235

00:11:33,150 --> 00:11:31,600

together The Times recorded and many of

236

00:11:37,200 --> 00:11:33,160

the sightings were absolutely identical

237

00:11:38,520 --> 00:11:37,210

and as these crash were miles apart it

238

00:11:40,470 --> 00:11:38,530

left no doubt that there were clearly

239

00:11:44,820 --> 00:11:40,480

many objects being observed in the sky

240

00:11:46,950 --> 00:11:44,830

the same time obviously as is the case

241

00:11:48,900 --> 00:11:46,960

with any witnesses to an event there was

242

00:11:51,570 --> 00:11:48,910

there's always slightly ambiguities

243

00:11:54,090 --> 00:11:51,580

between testimonies but in the main that

244

00:11:55,530 --> 00:11:54,100

appears to be overwhelming analogical

245

00:11:59,430 --> 00:11:55,540

description of what these crafts

246

00:12:03,150 --> 00:11:59,440

actually looked like firstly they were

247

00:12:05,610 --> 00:12:03,160

triangle and in the main large extremely

248

00:12:08,040 --> 00:12:05,620

large some describe them has been as big

249

00:12:11,240 --> 00:12:08,050

as two football pitches and others are

250

00:12:13,350 --> 00:12:11,250

spent in the street above their houses I

251
00:12:16,350 --> 00:12:13,360
don't forget this two hundred witnesses

252
00:12:18,480 --> 00:12:16,360
to this it would seem to be the large

253
00:12:20,310 --> 00:12:18,490
singular circular-shaped light at the

254
00:12:21,900 --> 00:12:20,320
other side of the three corners the

255
00:12:24,710 --> 00:12:21,910
predominant opinion of the witnesses

256
00:12:26,970 --> 00:12:24,720
puts the color of those lights is white

257
00:12:29,220 --> 00:12:26,980
this seems to have been a large circle

258
00:12:32,880 --> 00:12:29,230
symbol like under the center of the crop

259
00:12:34,830 --> 00:12:32,890
which was red in color now when the main

260
00:12:35,630 --> 00:12:34,840
the altitude the objects was described

261
00:12:40,280 --> 00:12:35,640
as a couple of

262
00:12:42,020 --> 00:12:40,290
feet up but in some cases the objects

263
00:12:45,380 --> 00:12:42,030

were described as virtually skimming

264

00:12:47,330 --> 00:12:45,390

houses that they were passing over all

265

00:12:49,040 --> 00:12:47,340

the way to say is seem to agree that no

266

00:12:53,000 --> 00:12:49,050

sound was heard coming from any of the

267

00:12:54,830 --> 00:12:53,010

objects two of the witnesses were South

268

00:12:57,410 --> 00:12:54,840

Wales Police detectives and they were

269

00:12:58,940 --> 00:12:57,420

described people who described one of

270

00:13:00,620 --> 00:12:58,950

the objects which was heading towards

271

00:13:03,880 --> 00:13:00,630

and has been as large as two football

272

00:13:06,380 --> 00:13:03,890

fields I would talk about a detective

273

00:13:09,230 --> 00:13:06,390

Superintendent here not just any old

274

00:13:12,530 --> 00:13:09,240

Harry right so I think we can take these

275

00:13:14,180 --> 00:13:12,540

testimonies being true the object

276

00:13:15,680 --> 00:13:14,190

interns woods right and slowly

277

00:13:19,670 --> 00:13:15,690

disappeared in the direction of the

278

00:13:27,160 --> 00:13:19,680

coast they were apparently contacted by

279

00:13:29,570 --> 00:13:27,170

RAF yeah so we'll see it please

280

00:13:32,750 --> 00:13:29,580

the guy openings left you know what

281

00:13:35,980 --> 00:13:32,760

looks like a fuck-boy familiar yeah Holy

282

00:13:40,840 --> 00:13:35,990

Mother Mary degree that saw me right

283

00:13:40,850 --> 00:13:44,720

we get there

284

00:13:54,389 --> 00:13:52,740

munster lovely yeah that's right anyway

285

00:13:56,820 --> 00:13:54,399

these two detectives were apparently

286

00:13:58,320 --> 00:13:56,830

contacted by RAF uxbridge who questioned

287

00:13:59,940 --> 00:13:58,330

him about the incident before they went

288

00:14:03,750 --> 00:13:59,950

off duty that night which is strange in

289

00:14:05,370 --> 00:14:03,760

itself that would one rural area Swansea

290

00:14:07,910 --> 00:14:05,380

what residents hall was plunged into

291

00:14:10,350 --> 00:14:07,920

darkness when his electricity went off

292

00:14:12,269 --> 00:14:10,360

so in order to check it was just his

293

00:14:13,920 --> 00:14:12,279

home or whether other residents were

294

00:14:17,160 --> 00:14:13,930

affected the open the lounge windows

295

00:14:18,870 --> 00:14:17,170

from doneil of donors immediately saw

296

00:14:21,810 --> 00:14:18,880

the one of the aforementioned described

297

00:14:25,290 --> 00:14:21,820

craft is drifting slowly overhead and

298

00:14:26,910 --> 00:14:25,300

disappeared away into the distance he

299

00:14:28,889 --> 00:14:26,920

later established the electricity

300

00:14:31,230 --> 00:14:28,899

supplier had in fact fail to a large

301

00:14:36,180 --> 00:14:31,240

number of residents in his village is

302

00:14:37,949 --> 00:14:36,190

restored later that evening now all

303

00:14:39,630 --> 00:14:37,959

these numerous triangle sightings of

304

00:14:41,699 --> 00:14:39,640

various parts of two cities were

305

00:14:44,040 --> 00:14:41,709

explained away by the various official

306

00:14:46,259 --> 00:14:44,050

bodies with the usual contender in your

307

00:14:49,560 --> 00:14:46,269

suit and ring a familiarity about them

308

00:14:52,680 --> 00:14:49,570

namely meteorites high level i proud

309

00:14:54,240 --> 00:14:52,690

refueling a satellite reintroduce orbit

310

00:14:57,030 --> 00:14:54,250

which is burning up a Sea King

311

00:15:04,560 --> 00:14:57,040

helicopter and even refraction of an

312

00:15:09,090 --> 00:15:04,570

atmospheric dust yeah I need to observe

313

00:15:10,560 --> 00:15:09,100

you're right in front of me I 1985

314

00:15:12,300 --> 00:15:10,570

always use a little too early for

315

00:15:13,710 --> 00:15:12,310

Chinese lanterns or a suspect that would

316

00:15:15,780 --> 00:15:13,720

have been involved well I know that

317

00:15:17,970 --> 00:15:15,790

that's there now and then and I

318

00:15:20,610 --> 00:15:17,980

attempted to trace an interview every

319

00:15:23,550 --> 00:15:20,620

witness to this incident currently we're

320

00:15:25,680 --> 00:15:23,560

aware of 26 separate witnesses in our

321

00:15:26,780 --> 00:15:25,690

Swansea area and there's many more on

322

00:15:28,760 --> 00:15:26,790

the card I very will

323

00:15:30,530 --> 00:15:28,770

which we guessed yet to investigate

324

00:15:33,080 --> 00:15:30,540

because because it's such a long time

325

00:15:35,480 --> 00:15:33,090

ago now a lot of people passed on passed

326

00:15:37,070 --> 00:15:35,490

away moved away the very difficult race

327

00:15:39,410 --> 00:15:37,080

we're doing our best to get around them

328

00:15:43,400 --> 00:15:39,420

all and of course the more witnesses you

329

00:15:45,080 --> 00:15:43,410

speak to the more you find now it seems

330

00:15:46,910 --> 00:15:45,090

these sightings actually interrupted

331

00:15:48,680 --> 00:15:46,920

tool amateur football matches one in

332

00:15:50,330 --> 00:15:48,690

Swansea run in the Cardiff area where

333

00:15:54,770 --> 00:15:50,340

the players just watched in amazement of

334

00:15:56,600 --> 00:15:54,780

these objects boob overhead investing as

335

00:15:58,730 --> 00:15:56,610

investigated the sighted of one of the

336

00:16:01,490 --> 00:15:58,740

objects and the sketti area probably

337

00:16:03,350 --> 00:16:01,500

know at the sketti area of Swansea well

338

00:16:05,360 --> 00:16:03,360

gentlemen reported to us that his father

339

00:16:08,180 --> 00:16:05,370

who was a driving instructor and as

340

00:16:09,890 --> 00:16:08,190

sadly since passed away was just leaving

341

00:16:11,660 --> 00:16:09,900

his house to go to his car which was

342

00:16:14,780 --> 00:16:11,670

parked on the roadway outside his house

343

00:16:16,790 --> 00:16:14,790

to collect the pupil now it seems he

344

00:16:18,410 --> 00:16:16,800

witness an immense triangular object

345

00:16:20,720 --> 00:16:18,420

display lights on his on the side

346

00:16:23,650 --> 00:16:20,730

passing over his house and then over the

347

00:16:26,030 --> 00:16:23,660

houses on the opposite side of the road

348

00:16:27,890 --> 00:16:26,040

he said that his father had told him

349

00:16:29,660 --> 00:16:27,900

that he was traveling solo that actually

350

00:16:32,410 --> 00:16:29,670

had to ascend in order to clear the

351
00:16:34,790 --> 00:16:32,420
loose on the houses on the opposite sign

352
00:16:37,640 --> 00:16:34,800
that was father didn't report the matter

353
00:16:39,980 --> 00:16:37,650
for the usual reasons but after his

354
00:16:42,410 --> 00:16:39,990
father passed away his son contacted us

355
00:16:44,150 --> 00:16:42,420
as he cut it this now his father died he

356
00:16:48,020 --> 00:16:44,160
deems it important that the psychic

357
00:16:57,139 --> 00:16:48,030
should be officially recorded on a very

358
00:17:01,829 --> 00:16:59,939
now this site in ties in nicely with

359
00:17:03,869 --> 00:17:01,839
another which occurred at the same time

360
00:17:07,500 --> 00:17:03,879
only this witness actually reported

361
00:17:09,569 --> 00:17:07,510
missing time during her cycle she was

362
00:17:11,880 --> 00:17:09,579
only 13 years old at the time and she

363
00:17:14,760 --> 00:17:11,890

resided in the road that ran parallel

364

00:17:16,439 --> 00:17:14,770

live and two roads from and directly in

365

00:17:18,480 --> 00:17:16,449

the flight path of the previous person

366

00:17:21,029 --> 00:17:18,490

psychic so if you imagine a road running

367

00:17:23,460 --> 00:17:21,039

here proper this fate / another Road

368

00:17:27,389 --> 00:17:23,470

there and she's the next one though it

369

00:17:29,039 --> 00:17:27,399

was exactly the same time now she stated

370

00:17:31,169 --> 00:17:29,049

that whilst watching television in the

371

00:17:34,500 --> 00:17:31,179

house she felt compelled for some reason

372

00:17:36,419 --> 00:17:34,510

to go to her front door an unlock it out

373

00:17:38,310 --> 00:17:36,429

she saw a massive object silently

374

00:17:41,039 --> 00:17:38,320

hovering over the houses on the opposite

375

00:17:43,740 --> 00:17:41,049

side of the road she compared into the

376

00:17:45,779 --> 00:17:43,750

shape of a little football stadium and

377

00:17:48,269 --> 00:17:45,789

said that it was covered in large round

378

00:17:53,150 --> 00:17:48,279

lights which were constantly changing

379

00:17:56,880 --> 00:17:55,410

now while she was described in the

380

00:17:58,920 --> 00:17:56,890

object as we know well it seems that

381

00:18:02,450 --> 00:17:58,930

Bochy was actually observing was a close

382

00:18:05,010 --> 00:18:02,460

up of its underside and extremities

383

00:18:08,100 --> 00:18:05,020

extremities of the object we're outside

384

00:18:10,110 --> 00:18:08,110

of a field of vision so actually the

385

00:18:12,720 --> 00:18:10,120

object could have been easily a

386

00:18:14,250 --> 00:18:12,730

different shape than if you right now

387

00:18:16,230 --> 00:18:14,260

she described that everything seemed

388

00:18:20,250 --> 00:18:16,240

very still and although it should have

389

00:18:22,500 --> 00:18:20,260

been cold light it wasn't now she very

390

00:18:24,480 --> 00:18:22,510

excitedly cold to her sister and a

391

00:18:28,110 --> 00:18:24,490

stepfather to come outside to see the

392

00:18:30,210 --> 00:18:28,120

object which they did but she describes

393

00:18:32,160 --> 00:18:30,220

their behaviors been extremely strange

394

00:18:34,290 --> 00:18:32,170

and uncharacteristic in that neither

395

00:18:36,600 --> 00:18:34,300

little displayed any excitement or

396

00:18:38,610 --> 00:18:36,610

interest and eventually just went back

397

00:18:42,810 --> 00:18:38,620

in the house as if they well if you like

398

00:18:44,760 --> 00:18:42,820

being switched off no other people in

399

00:18:47,880 --> 00:18:44,770

nearby houses were also standing on the

400

00:18:49,590 --> 00:18:47,890

doorsteps watching the proceedings now

401
00:18:52,380 --> 00:18:49,600
unfortunately our advisory of these

402
00:18:55,500 --> 00:18:52,390
since moved away or passed away so we

403
00:18:57,540 --> 00:18:55,510
can't contact them anywhere our witness

404
00:18:59,400 --> 00:18:57,550
was determined to watch what developed

405
00:19:03,120 --> 00:18:59,410
and what was anxious to see the actor

406
00:19:04,740 --> 00:19:03,130
craft actually moving away she then

407
00:19:06,210 --> 00:19:04,750
described that after watch your water

408
00:19:08,790 --> 00:19:06,220
scene with ten minutes she suddenly

409
00:19:10,440 --> 00:19:08,800
started to feel very cold the wind had

410
00:19:12,780 --> 00:19:10,450
picked up and she was now the only

411
00:19:14,580 --> 00:19:12,790
person left on the street more

412
00:19:17,190 --> 00:19:14,590
importantly the object had just

413
00:19:18,780 --> 00:19:17,200

disappeared without her seeing Italy the

414

00:19:22,860 --> 00:19:18,790

stars were no visible where they're

415

00:19:24,510 --> 00:19:22,870

being located so she returned to the

416

00:19:26,490 --> 00:19:24,520

house in a confused state and was

417

00:19:28,530 --> 00:19:26,500

greeted by a stepfather who joke with

418

00:19:31,020 --> 00:19:28,540

her say well did you see who you f old

419

00:19:34,890 --> 00:19:31,030

go and the subject was never raised

420

00:19:36,630 --> 00:19:34,900

again now many years later when she did

421

00:19:38,820 --> 00:19:36,640

mention the night in question has set

422

00:19:41,460 --> 00:19:38,830

father had absolutely no recollection of

423

00:19:46,020 --> 00:19:41,470

the incident at all and a sister said

424

00:19:48,240 --> 00:19:46,030

she got it had all been a dream now she

425

00:19:50,670 --> 00:19:48,250

believes to this day that something more

426
00:19:52,770 --> 00:19:50,680
happened that evening but she has no

427
00:19:53,650 --> 00:19:52,780
recollection all she has apparently

428
00:19:56,380 --> 00:19:53,660
considered

429
00:19:57,970 --> 00:19:56,390
hypnotic regression have decided that

430
00:20:00,460 --> 00:19:57,980
you didn't really want to pursue that

431
00:20:02,740 --> 00:20:00,470
Avenue as the memory she currently has

432
00:20:04,300 --> 00:20:02,750
her it are positive and he doesn't want

433
00:20:06,580 --> 00:20:04,310
to record anything which might be of a

434
00:20:11,020 --> 00:20:06,590
negative nature sympathize with a very

435
00:20:12,970 --> 00:20:11,030
weak now speaking as an ex-police

436
00:20:15,400 --> 00:20:12,980
officer with 30 years experience in

437
00:20:17,050 --> 00:20:15,410
interviewing people I think of a pretty

438
00:20:19,060 --> 00:20:17,060

good idea when it's someone has been

439

00:20:23,320 --> 00:20:19,070

honest up in a little bit economical

440

00:20:25,360 --> 00:20:23,330

with the truth anyone has had experience

441

00:20:28,420 --> 00:20:25,370

in the interview of UFO witnesses is

442

00:20:31,000 --> 00:20:28,430

readily encountered the witness was read

443

00:20:34,390 --> 00:20:31,010

the library full of UFO books or seen

444

00:20:36,400 --> 00:20:34,400

every episode of Star Wars 15 times as a

445

00:20:39,460 --> 00:20:36,410

vivid imagination or maybe just want

446

00:20:41,890 --> 00:20:39,470

their name in lights sometimes you find

447

00:20:46,480 --> 00:20:41,900

yourself faced with eaten the Venus de

448

00:20:48,550 --> 00:20:46,490

Milo very pretty when the hallway now I

449

00:20:50,860 --> 00:20:48,560

could save us a guard to this case I

450

00:20:52,270 --> 00:20:50,870

have i seen involved in the interview

451
00:20:54,580 --> 00:20:52,280
where every person that we've been able

452
00:20:56,890 --> 00:20:54,590
to trace today's I make them in Fat City

453
00:20:59,710 --> 00:20:56,900
State that all of it this is the bona

454
00:21:02,050 --> 00:20:59,720
fide a members of the public many of

455
00:21:04,750 --> 00:21:02,060
them was with respected professional

456
00:21:06,820 --> 00:21:04,760
backgrounds not looking for 15 minutes

457
00:21:08,440 --> 00:21:06,830
of fame or living out some kind of

458
00:21:10,780 --> 00:21:08,450
fantasy we know what they've seen and

459
00:21:13,600 --> 00:21:10,790
they're unable to a tribute what we've

460
00:21:16,900 --> 00:21:13,610
seen to anything that has a rational

461
00:21:18,640 --> 00:21:16,910
explanation boom so makes you wonder

462
00:21:20,500 --> 00:21:18,650
what is required before the general

463
00:21:22,420 --> 00:21:20,510

public stand up to the government's able

464

00:21:26,470 --> 00:21:22,430

but there's no doubt these things exist

465

00:21:28,330 --> 00:21:26,480

what on earth is going on now hopefully

466

00:21:30,070 --> 00:21:28,340

while I be talking ambling years being

467

00:21:34,530 --> 00:21:30,080

busy drawing the various icons on the

468

00:21:43,220 --> 00:21:40,960

all right yeah yeah this is not the one

469

00:21:51,239 --> 00:21:47,249

thirteen-year-old that sort the park was

470

00:21:53,460 --> 00:21:51,249

as big as an oval football picture and

471

00:21:55,080 --> 00:21:53,470

like an American football picture but i

472

00:21:56,639 --> 00:21:55,090

believe the craft of acting bigger

473

00:21:59,279 --> 00:21:56,649

naturally just view in the underneath of

474

00:22:00,810 --> 00:21:59,289

it but she told us that ever since then

475

00:22:02,789 --> 00:22:00,820

she kept on that hand in the head all

476

00:22:04,470 --> 00:22:02,799

she actually had a good look you can

477

00:22:06,479 --> 00:22:04,480

actually go to bold fashion and she said

478

00:22:10,499 --> 00:22:06,489

no very growing ever since I that it

479

00:22:16,289 --> 00:22:10,509

occurred so maybe this is all in the

480

00:22:19,680 --> 00:22:16,299

same time so I don't know yeah the swype

481

00:22:23,999 --> 00:22:19,690

raised mark on it as well but I don't

482

00:22:26,389 --> 00:22:24,009

know if there's anything that she was a

483

00:22:28,680 --> 00:22:26,399

very honest witness as well you know

484

00:22:31,590 --> 00:22:28,690

didn't really want to come forward but

485

00:22:33,690 --> 00:22:31,600

she felt that she had to anyway

486

00:22:39,479 --> 00:22:33,700

pretending can show you know some

487

00:22:40,680 --> 00:22:39,489

directions of traffic all right om what

488

00:22:42,299 --> 00:22:40,690

every single one down and said I don't

489

00:22:50,099 --> 00:22:42,309

know I mention every single one of all

490

00:22:53,340 --> 00:22:50,109

the pants off my toe yeah there was one

491

00:22:58,350 --> 00:22:55,890

this one here this gentleman here is

492

00:23:03,840 --> 00:22:58,360

waiting to go into a club senator this

493

00:23:08,159 --> 00:23:03,850

one sand outside factors Wednesday night

494

00:23:11,310 --> 00:23:08,169

that's right yes a nice and well they

495

00:23:31,110 --> 00:23:11,320

face or trying to shake off down the

496

00:23:34,409 --> 00:23:31,120

street that will be massive but if I'm

497

00:23:36,330 --> 00:23:34,419

outta here there was two in the air

498

00:23:39,180 --> 00:23:36,340

going in opposite directions to each

499

00:23:40,799 --> 00:23:39,190

other yeah it was small as it was in the

500

00:23:42,690 --> 00:23:40,809

original those two small ones were an

501
00:23:46,740 --> 00:23:42,700
opposite directions to each other and

502
00:24:04,980 --> 00:23:46,750
the both the witnesses in 12 years ago

503
00:24:25,789 --> 00:24:14,890
sometimes the possibility this could

504
00:24:25,799 --> 00:24:30,720
Oh

505
00:24:35,049 --> 00:24:33,280
can you put on there if you do remember

506
00:24:52,470 --> 00:24:35,059
where the others were set around the

507
00:24:59,230 --> 00:24:52,480
same time yeah they saw you so to to

508
00:25:09,720 --> 00:25:04,900
very slowly they were also seen this in

509
00:25:37,510 --> 00:25:12,630
see the dawn of the two triangles of you

510
00:25:49,510 --> 00:25:37,520
captain savings work numbers you don't

511
00:25:56,080 --> 00:25:49,520
know what the time want it small we'll

512
00:25:59,020 --> 00:25:56,090
get up 530 6 15 security so not the same

513
00:26:03,280 --> 00:25:59,030

object all different places but several

514

00:26:06,820 --> 00:26:03,290

year two of these books on that one and

515

00:26:09,490 --> 00:26:06,830

he said because very active his family

516

00:26:11,919 --> 00:26:09,500

triangle stop on the back of it and he

517

00:26:30,879 --> 00:26:11,929

said he would

518

00:26:38,739 --> 00:26:30,889

whilst he said it was she saw the killer

519

00:26:41,350 --> 00:26:38,749

Bay Hill hovering over the hill all GBC

520

00:26:43,810 --> 00:26:41,360

seems like five or six laundry it's lots

521

00:26:46,119 --> 00:26:43,820

of lights and they move that way and it

522

00:26:50,230 --> 00:26:46,129

moves that way I mean in a blankie went

523

00:26:52,180 --> 00:26:50,240

from there and there oh yeah it was a

524

00:26:58,090 --> 00:26:52,190

big oil refining they can be be clad

525

00:27:01,029 --> 00:26:58,100

acid or silly stopped come on with over

526

00:27:03,549 --> 00:27:01,039

the island rick shedding the sides of

527

00:27:05,320 --> 00:27:03,559

the older phone readings trailer the

528

00:27:09,100 --> 00:27:05,330

older finally select which we miles

529

00:27:12,850 --> 00:27:09,110

across not yeah and that was like I was

530

00:27:16,840 --> 00:27:12,860

actually quite 15 of the other guests on

531

00:27:22,180 --> 00:27:16,850

the night that we've got so big triangle

532

00:27:25,989 --> 00:27:22,190

there 550 from that they're all the

533

00:27:28,659 --> 00:27:25,999

networking 10 minutes a whole family of

534

00:27:30,999 --> 00:27:28,669

the window and also they just shot

535

00:27:33,700 --> 00:27:31,009

straight up in the air site instead of

536

00:27:35,710 --> 00:27:33,710

me I mean and I would like to then all

537

00:27:38,169 --> 00:27:35,720

these things happen this one here in

538

00:27:42,400 --> 00:27:38,179

book runway between Samuel acre witness

539

00:27:47,720 --> 00:27:45,230

this place will bishopstone your penis

540

00:27:50,150 --> 00:27:47,730

like watching TV and all the lights went

541

00:27:52,070 --> 00:27:50,160

off power cut see whether the window to

542

00:27:55,210 --> 00:27:52,080

see if the area was it was just his

543

00:28:00,470 --> 00:27:55,220

street and then he sold my shop things

544

00:28:02,539 --> 00:28:00,480

saw you can't quite see it this has been

545

00:28:05,180 --> 00:28:02,549

website mystical knowledge this is

546

00:28:06,529 --> 00:28:05,190

actually learn together and he's just

547

00:28:11,779 --> 00:28:06,539

three white lights in the sky English

548

00:28:14,390 --> 00:28:11,789

slowly I'm positive of that caused the

549

00:28:17,500 --> 00:28:14,400

power cut in the local paper it said

550

00:28:20,149 --> 00:28:17,510

that the power cut was caused by down

551
00:28:22,820 --> 00:28:20,159
again gville the energy company said it

552
00:28:24,710 --> 00:28:22,830
was caused by yeah how long he's been

553
00:28:27,620 --> 00:28:24,720
affected by trees from blowing strong

554
00:28:30,890 --> 00:28:27,630
wind afternoon low in the tall like

555
00:28:33,020 --> 00:28:30,900
regret that might have you a very

556
00:28:37,480 --> 00:28:33,030
genuine witness he was in fact was me

557
00:28:40,130 --> 00:28:37,490
you know he's not an enthusiastic

558
00:28:42,470 --> 00:28:40,140
watching star wars or anything that you

559
00:28:46,520 --> 00:28:42,480
know he's been where he talking to us

560
00:28:59,130 --> 00:28:46,530
actually but very genuine other

561
00:29:03,880 --> 00:29:01,660
there's so many different reports they

562
00:29:05,610 --> 00:29:03,890
say I just touch on a couple of them but

563
00:29:12,790 --> 00:29:05,620

if we put them all up their level is

564

00:29:20,760 --> 00:29:12,800

something else or going that way so he

565

00:29:28,630 --> 00:29:23,230

that was interesting somebody came to

566

00:29:33,669 --> 00:29:28,640

our club to talk about this how long was

567

00:29:38,380 --> 00:29:33,679

he he just couldn't bring himself to

568

00:29:45,910 --> 00:29:38,390

stay you got very very upset and one of

569

00:29:53,720 --> 00:29:51,050

so one of the peace detectives the

570

00:29:59,060 --> 00:29:53,730

retired superintendent there we tracked

571

00:30:05,770 --> 00:29:59,070

it though he was in this area of the

572

00:30:08,120 --> 00:30:05,780

city sort of cleanup plan with are

573

00:30:10,610 --> 00:30:08,130

regard the combat because of his

574

00:30:12,740 --> 00:30:10,620

colleague and retired the oxidation

575

00:30:15,380 --> 00:30:12,750

occurs you're going to get them both

576

00:30:27,859 --> 00:30:15,390

together for me to do on-site whether

577

00:30:32,340 --> 00:30:30,330

yeah there are there's a lot of these if

578

00:30:33,899 --> 00:30:32,350

you want to look at you house on YouTube

579

00:30:38,310 --> 00:30:33,909

find a lot of the interviews are on

580

00:30:40,229 --> 00:30:38,320

there anyway before I finish now I want

581

00:30:41,879 --> 00:30:40,239

to move on to something that may or may

582

00:30:44,279 --> 00:30:41,889

not be connected without light of the

583

00:30:46,169 --> 00:30:44,289

triangles and that you may have heard of

584

00:30:48,450 --> 00:30:46,179

any more I don't know and that's what

585

00:30:52,139 --> 00:30:48,460

appears to be a UFO crash which occurred

586

00:30:53,460 --> 00:30:52,149

at plan in LA near aberystwyth was

587

00:30:55,830 --> 00:30:53,470

either on the same day or the day after

588

00:30:57,869 --> 00:30:55,840

our way to the triangle and it's being

589

00:31:01,619 --> 00:30:57,879

done by our investigators as the Welsh

590

00:31:03,389 --> 00:31:01,629

Ross what was he like the exact time and

591

00:31:05,369 --> 00:31:03,399

date of the incident is open to

592

00:31:08,249 --> 00:31:05,379

conjecture as a proudly who were

593

00:31:09,810 --> 00:31:08,259

actually no witnesses to this there was

594

00:31:12,659 --> 00:31:09,820

a farmer in the rural village of

595

00:31:15,479 --> 00:31:12,669

planning bar mr. Hoover will end first

596

00:31:16,979 --> 00:31:15,489

st. not unless she was you ruined me he

597

00:31:19,200 --> 00:31:16,989

went to check on the well-being of his

598

00:31:23,909 --> 00:31:19,210

sheep one morning we didn't know any of

599

00:31:25,560 --> 00:31:23,919

them do we we discovered that he

600

00:31:29,430 --> 00:31:25,570

discovered that four of his fields were

601
00:31:31,169 --> 00:31:29,440
strewn with debris now feeling them in a

602
00:31:33,509 --> 00:31:31,179
plane crash he reported the matter to

603
00:31:35,789 --> 00:31:33,519
the local priests now mr. Evans

604
00:31:39,060 --> 00:31:35,799
subsequently received a visit from the

605
00:31:41,070 --> 00:31:39,070
RAF crash investigation team who after

606
00:31:42,810 --> 00:31:41,080
inspecting the debris advised him it was

607
00:31:46,349 --> 00:31:42,820
definitely not from any aircraft of the

608
00:31:48,720 --> 00:31:46,359
RAF were aware of Oh shortly after that

609
00:31:51,419 --> 00:31:48,730
achievement MLD investigators arrived

610
00:31:53,609 --> 00:31:51,429
they began a search of the area and

611
00:31:55,889 --> 00:31:53,619
directed a contingent of uniformed

612
00:31:58,529 --> 00:31:55,899
police officers to collect every piece

613
00:32:00,359 --> 00:31:58,539

of debris that we could find now this

614

00:32:03,710 --> 00:32:00,369

debra varied in size for just a few

615

00:32:06,749 --> 00:32:03,720

inches to pieces as large as six toes

616

00:32:08,580 --> 00:32:06,759

this terror operation considered into

617

00:32:11,399 --> 00:32:08,590

the hours of darkness by torchlight

618

00:32:13,499 --> 00:32:11,409

which prompted farmer ends to remark

619

00:32:17,340 --> 00:32:13,509

that it resembled something over the

620

00:32:19,289 --> 00:32:17,350

James Bond movie now the MOT made only

621

00:32:21,450 --> 00:32:19,299

one comment on the matter which was some

622

00:32:24,060 --> 00:32:21,460

two weeks after the event and they

623

00:32:26,399 --> 00:32:24,070

stated that at the time they were unable

624

00:32:29,159 --> 00:32:26,409

to identify the nature of the fragment

625

00:32:31,320 --> 00:32:29,169

founder mr. Evans's farm they confirm

626

00:32:34,290 --> 00:32:31,330

that there were no RAF aircraft in the

627

00:32:38,480 --> 00:32:34,300

area the radar not detected any

628

00:32:41,520 --> 00:32:38,490

in the area at the time of the incident

629

00:32:45,150 --> 00:32:41,530

no then they also said that there was no

630

00:32:48,170 --> 00:32:45,160

RAF or privately owned aircraft that

631

00:32:51,240 --> 00:32:48,180

have been reported crashed or missing

632

00:32:53,790 --> 00:32:51,250

now there was a UFO investigator based

633

00:32:56,190 --> 00:32:53,800

in North Wales mr. Garrow ordinary feel

634

00:32:58,140 --> 00:32:56,200

about him now he got to hear about this

635

00:33:00,480 --> 00:32:58,150

incident we assembled a team of

636

00:33:02,400 --> 00:33:00,490

investigators and with the farmers

637

00:33:04,350 --> 00:33:02,410

permission we scoured the fields for any

638

00:33:08,190 --> 00:33:04,360

further evidence of the crash but they

639

00:33:10,530 --> 00:33:08,200

failed to find anything now adjacent to

640

00:33:12,420 --> 00:33:10,540

the field areas was a forest which on

641

00:33:14,400 --> 00:33:12,430

inspection revealed that was swayed had

642

00:33:16,760 --> 00:33:14,410

been cut through the tops of the trees

643

00:33:19,770 --> 00:33:16,770

of a straight line towards these fields

644

00:33:21,780 --> 00:33:19,780

on search in the land beneath the trees

645

00:33:25,650 --> 00:33:21,790

they soon started to find small pieces

646

00:33:28,560 --> 00:33:25,660

of debris the metallic debris was of a

647

00:33:30,540 --> 00:33:28,570

sort of greeny gray color and it is

648

00:33:33,840 --> 00:33:30,550

honeycombed them very very strong in

649

00:33:35,460 --> 00:33:33,850

nature so Gary later said some of the

650

00:33:38,430 --> 00:33:35,470

fragments to a metallurgist for

651
00:33:40,260 --> 00:33:38,440
examination the results showed that its

652
00:33:43,050 --> 00:33:40,270
composition appeared to be that of an

653
00:33:44,610 --> 00:33:43,060
hour similar to do or a looming which is

654
00:33:47,400 --> 00:33:44,620
an alloy used in aircraft construction

655
00:33:49,110 --> 00:33:47,410
but it's not appeared lead active on our

656
00:33:50,910 --> 00:33:49,120
way that they could recognize or one

657
00:33:54,420 --> 00:33:50,920
that was being produced anywhere in the

658
00:33:56,070 --> 00:33:54,430
world at that time the green paint that

659
00:33:57,930 --> 00:33:56,080
was on it of color that was on it appear

660
00:33:59,640 --> 00:33:57,940
to be actin is some kind of a protected

661
00:34:04,050 --> 00:33:59,650
to the Alawis but it hasn't as yet been

662
00:34:06,030 --> 00:34:04,060
identified now a few weeks later Gary

663
00:34:07,830 --> 00:34:06,040

received a visit from some officials

664

00:34:10,850 --> 00:34:07,840

purporting to be from a government

665

00:34:13,560 --> 00:34:10,860

agency our men in black men if you like

666

00:34:15,690 --> 00:34:13,570

they requested that he had those are

667

00:34:19,560 --> 00:34:15,700

then any fragments of debris that he

668

00:34:21,600 --> 00:34:19,570

collected from the scene now gary is

669

00:34:24,990 --> 00:34:21,610

quite clever here because he anticipated

670

00:34:26,190 --> 00:34:25,000

that the situation might arise he

671

00:34:28,270 --> 00:34:26,200

explained to them that he'd actually

672

00:34:30,740 --> 00:34:28,280

manufactured 100

673

00:34:33,169 --> 00:34:30,750

from some of the collected debris

674

00:34:38,379 --> 00:34:33,179

dislocated be coming to thousands of

675

00:34:40,700 --> 00:34:38,389

people in you throughout the UK so

676
00:34:42,860 --> 00:34:40,710
explain when it he was forced to hand

677
00:34:44,600 --> 00:34:42,870
over any of his remains every would

678
00:34:46,250 --> 00:34:44,610
request the person who held the key

679
00:34:49,490 --> 00:34:46,260
rings to contact the British media

680
00:34:51,740 --> 00:34:49,500
immediately with him so consequently

681
00:34:57,580 --> 00:34:51,750
realized the futility of the situation

682
00:35:02,750 --> 00:35:00,410
there's one last significant part of the

683
00:35:04,520 --> 00:35:02,760
story and that's this Gary and his team

684
00:35:06,350 --> 00:35:04,530
decided that they would make one last

685
00:35:08,330 --> 00:35:06,360
visit to la nena to see if they could

686
00:35:11,090 --> 00:35:08,340
find any more pieces of debris they're

687
00:35:13,220 --> 00:35:11,100
having her master to the area now

688
00:35:15,170 --> 00:35:13,230

shortly before they were due to me Gary

689

00:35:18,320 --> 00:35:15,180

received a telephone call from this

690

00:35:20,840 --> 00:35:18,330

farmer end and he stated that they were

691

00:35:22,340 --> 00:35:20,850

welcome to still attend but there would

692

00:35:24,560 --> 00:35:22,350

be little point is the Forestry

693

00:35:26,600 --> 00:35:24,570

Commission we're in a ten zap that time

694

00:35:29,780 --> 00:35:26,610

I learned the closer's of cutting down

695

00:35:31,490 --> 00:35:29,790

the wooded area a consequently the

696

00:35:33,440 --> 00:35:31,500

search was cancelled and instead Gary

697

00:35:37,280 --> 00:35:33,450

contact the Forestry Commission for an

698

00:35:39,320 --> 00:35:37,290

explanation robbers going on it was

699

00:35:43,340 --> 00:35:39,330

oddly explained him they removing the

700

00:35:45,050 --> 00:35:43,350

cops due to storm damage so was it a

701
00:35:48,080 --> 00:35:45,060
crashed aircraft but we don't know

702
00:35:49,970 --> 00:35:48,090
although it doesn't appear to be was it

703
00:35:52,940 --> 00:35:49,980
a UFO well I suppose the answers yes

704
00:35:58,610 --> 00:35:52,950
isn't it was it extraterrestrial in

705
00:36:00,830 --> 00:35:58,620
origin again we don't know so I said no

706
00:36:03,170 --> 00:36:00,840
then other girls out later the tribals

707
00:36:05,840 --> 00:36:03,180
is still a huge amount of investigative

708
00:36:09,730 --> 00:36:05,850
work to be done before we have the full

709
00:36:12,200 --> 00:36:09,740
facts of exactly what went on that night

710
00:36:13,310 --> 00:36:12,210
so basically there you have it then

711
00:36:16,010 --> 00:36:13,320
we've got over two hundred witnesses

712
00:36:17,349 --> 00:36:16,020
strength of silent low flying craft

713
00:36:20,319 --> 00:36:17,359

which the deck nobody

714

00:36:22,150 --> 00:36:20,329

satisfactorily explained away but as far

715

00:36:23,710 --> 00:36:22,160

as the media and the authorities are

716

00:36:27,309 --> 00:36:23,720

concerned the whole matter was shelled

717

00:36:28,660 --> 00:36:27,319

within 48 hours so that's it I don't

718

00:36:30,670 --> 00:36:28,670

know about you but I think this is

719

00:36:32,880 --> 00:36:30,680

certainly probably one of Britain's most

720

00:36:35,079 --> 00:36:32,890

interesting cases of falling meteors

721

00:36:36,819 --> 00:36:35,089

when we thank you listen to me and

722

00:36:39,249 --> 00:36:36,829

Edmonds will take over now you must give

723

00:36:42,190 --> 00:36:39,259

you a forever a chat about some of our

724

00:36:48,059 --> 00:36:42,200

local cycads which might do a lot of

725

00:36:51,039 --> 00:36:48,069

break well basically like the triangle

726

00:36:55,960 --> 00:36:51,049

the official one suggestion was that

727

00:36:59,609 --> 00:36:55,970

whose low-level plans high-level

728

00:37:01,989 --> 00:36:59,619

military pls refilling which is again

729

00:37:08,799 --> 00:37:01,999

there's another similar nights to this

730

00:37:13,390 --> 00:37:08,809

in my 2690 686 i'm selling again this

731

00:37:15,309 --> 00:37:13,400

same explanation came forward the mental

732

00:37:18,729 --> 00:37:15,319

faculties things were a little apple

733

00:37:21,870 --> 00:37:18,739

menu but no sound at all some cases

734

00:37:25,599 --> 00:37:21,880

static some cases moving very slowly

735

00:37:29,410 --> 00:37:25,609

there's one case we've been instantly by

736
